What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location your access to customers, what you sell, how you market and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risk(s) to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Maryland. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Maryland than in your own state.

Certain states may require other risks to be highlighted. Check the “State-Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- ~~ⓐ~~ A prohibition of the right of a franchisee to join an association of franchisees.
- b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market values at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - ~~ⓐ~~ (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision ~~(c)~~H.

~~H~~i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

The Franchisor and Our Business.

We are a Delaware corporation formed on January 8, 1963, under the name Quality ~~Courts Motels, Inc. Inns International, Inc.~~ We changed our corporate name to Choice Hotels International, Inc. on July 25, 1990. From November 1, 1996 to October 15, 1997, our corporate name was Choice Hotels Franchising, Inc. Our corporate name has been Choice Hotels International, Inc. since October 15, 1997. Our principal business address (as well as the principal place of business of the Radisson companies listed in this Item 1) is ~~1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850. This address will change in December 2023, when we move our headquarters to~~ 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852. Our agents for service of process are disclosed in Exhibit B of this Disclosure Document.

Our business began in 1939 when seven independent motel owners in Florida met to discuss how they could better satisfy the needs of their customers. Over the next few years, the group continued to meet and share best practices. In 1941, the group formalized its relationship by creating a membership association called Quality Courts United, thereby creating the nation’s first hotel chain. The vision of the members of Quality Courts United was to develop quality and other standards for their customers, as well as to refer guests to each other’s motels.

In January 1963, the organization officially became a for-profit corporation operating under the name Quality Courts Motels, Inc. Shortly thereafter, a training school, a central reservations system and hotel directory were added to the organization. Since that time, the company has changed its name to Choice Hotels International, Inc. and has expanded and further developed the Choice franchise system of hotels through the development of additional hotel brands and expansion into new markets.

Our indirect subsidiaries have conducted international franchise operations through a combination

of direct franchising and master franchising or master development relationships since approximately 1958. More currently, our indirect subsidiary, Choice Hotels Licensing B.V. (“Choice BV”), a private limited liability company formed in the Netherlands on June 8, 2000, has been a franchisor or a master franchisor of our various Choice hotel brands internationally. Our international operations are primarily conducted in the following countries and territories, as organized by region: (1) *Asia-Pacific* - Australia, China, India, Japan, and New Zealand, ~~Thailand~~, and these have been mainly our ASCEND HOTEL COLLECTION, COMFORT, ECONO LODGE, and QUALITY brands; (2) *Europe & Middle East* - Austria, Czech Republic, Denmark, Finland, France, Germany, Ireland, Italy, Kingdom of Saudi Arabia, Lithuania, Norway, Portugal, Slovakia, Spain, Sweden, Turkey, and the United Kingdom, and these have been mainly our ASCEND HOTEL COLLECTION, COMFORT, QUALITY, and CLARION brands; and (3) *Latin America & Canada* - Aruba, Bahamas, Barbados, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominica, Dominican Republic, Ecuador, El Salvador, Grenada, Guatemala, Honduras, Mexico, Panama, Peru, Puerto Rico, Trinidad and Tobago, and Uruguay, and these have been our ASCEND, COMFORT, COUNTRY INN & SUITES, PARK INN, RADISSON, RADISSON BLU, RADISSON INDIVIDUALS, RADISSON RED, QUALITY, and SLEEP INN brands. Choice BV’s wholly owned subsidiary, Choice Hotels France, S.A.S. (a French company incorporated in France on November 23, 2006), conducts franchise operations in France. Choice BV’s wholly owned subsidiary, Choice Hotels Asia-Pac Pty. Ltd. (an Australia company incorporated on March 30, 1998), conducts franchise operations in Australia and New Zealand. In Canada, and since June 2023, Radisson Hotels Canada, Inc., which is a British Columbia corporation incorporated on May 9, 2011 (“Radisson Canada”) and which Choice acquired as a part of the Radisson purchase (as further described below), Choice BV has conducted franchise operations for our its CAMBRIA, EVERHOME, MAINSTAY, SUBURBAN STUDIOS and WOODSPRING brands. Previously, Choice BV conducted franchise operations in Canada the country for these brands. We have a master franchise agreement with Choice Hotels Canada, Inc. (“CHC”), a corporation incorporated on May 21, 2008 under the laws of the Province of Ontario. CHC has the exclusive right to franchise hotels in Canada under the ASCEND HOTEL COLLECTION, COMFORT, CLARION, ECONO LODGE, QUALITY, RODEWAY INN, and SLEEP INN brands. CHC is equally owned by Choice Hotels International Licensing ULC, a company formed in May 2008 under the laws of the Province of Alberta, Canada, and a wholly owned subsidiary of Choice BV, and by InnVest Management Holdings Limited. Further, as a part of the Radisson purchase, Choice acquired the rights in Radisson Hotels Canada, Inc. (Radisson Canada”), which is a British Columbia corporation incorporated on May 9, 2011, and Radisson Canada currently offers franchises in Canada for hotels under the RADISSON BLU, RADISSON®, COUNTRY INN & SUITES® BY RADISSON, and PARK INN BY RADISSON brands names, and previously offered franchises under the RADISSON RED, RADISSON INDIVIDUALS and RADISSON INN & SUITES brands names. As of December 31, 2023, there were approximately 1,191,222 Choice franchised hotels (inclusive of 90 Radisson franchised hotels) operating in these various countries.

In 2013, we established a subsidiary, SkyTouch Solutions, LLC, that develops and markets cloud-based technology products, including inventory management, pricing and connectivity to third party channels, to hoteliers who do not have franchise agreements with us.

Radisson owned the rights to these brands in the United States, Canada, Latin America, and the Caribbean (the “Americas”). Pursuant to the Purchase Agreement, Choice did not purchase any interest in Radisson Hotel Group, which owns the rights to Radisson Hotels in Europe, the Middle East, Africa, and Asia Pacific. As a part of the purchase, we also acquired Radisson Hotels Management ~~Corporation~~ Company, LLC (~~—a company originally incorporated as Radisson Hotels Management Corporation~~ in 1979 under the laws of New Jersey), which manages several Radisson Brand hotels owned by us or other unrelated parties. (See Item 1 below.)

From 1983 to 2023, Radisson Hotels International, Inc. (“Radisson International”), a Delaware corporation incorporated on August 15, 1983, and which was formerly a wholly owned subsidiary of Radisson Hospitality, ~~Inc. Except as set forth in this Item 1, we do not have any other parents, predecessors or affiliates that must be disclosed.

COMFORT Hotels.

We have franchised limited service, upper mid-scale hotels under the trademark COMFORT (“COMFORT hotels”) since 1981. COMFORT provides a warm atmosphere and personal, helpful service, including breakfast, in-room coffee and high-speed internet access. We offer COMFORT hotels under the following trademarks:

- COMFORT INN – a mid-scale, limited service hotel with a minimum of 60 rooms;
- COMFORT INN & SUITES – a mid-scale, limited service hotel with at least 25% suites, but not more than 50% suites; and

- COMFORT SUITES – a mid-scale, limited service, all-suites hotel that features oversized rooms with partially divided sleeping and seating areas.

Neither we, nor any current affiliate or predecessor, has owned or operated a COMFORT hotel. Sunburst Hospitality Corporation, which was our affiliate until October 15, 1997, has owned and operated COMFORT hotels.

The information in this Disclosure Document applies to both new construction and conversion of existing hotels, except where otherwise disclosed in this Disclosure Document. The Franchise Agreement authorizes you to use the COMFORT trade name and service marks to operate and to identify the class of hotel facility, and permits you to use the distinctive identity, trade dress, methods and system for conducting the hotel business at the franchised hotel.

Your receipt of this Disclosure Document does not mean that you will be approved as a franchisee or that you may develop or open any of our franchised hotels. Before you may develop and open any of our franchised hotels, we must approve you as a franchisee, we must approve the location of your proposed hotel, you must attend and successfully complete our training programs, we and you must sign the Franchise Agreement (Exhibit D), and you must pay the affiliation fee. You should not acquire any interest in a site for a hotel franchise until, at the earliest, you are approved by us as a franchisee.

General Market and Competition.

The market for hotel services is generally well developed but will largely depend on your hotel's location, size and type of operation (for example, resort location, hotel for frequent business travelers, etc.). Franchisees typically seek customers and business referrals from the local community and solicit business from tour and travel groups on a regional and national level. Depending on the location of the hotel, sales may increase or decrease significantly on a seasonal basis.

Your competitors will include other chain-affiliated hotels (including our hotel brands) and independent hotels and motels in the area where your hotel is located. You may also face competition from vacation rental properties, such as VRBO and AirBNB.

Other Choice Hotels Brands.

We franchise other hotel brands under the Choice Marks as defined in Item 13. We have franchised full service, mid-priced hotels under the trademark QUALITY INN since 1968 and under the trademark CLARION since 1987. QUALITY INN provides an accommodating environment, friendly service and a continental breakfast. All-suites hotels within the QUALITY brand are known as QUALITY SUITES hotels. CLARION branded hotels offer guests a quality of service, amenities and inviting atmosphere associated with finer hotels, but at an affordable price. These hotels offer free high-speed internet access, and most locations offer a full-service restaurant, room service, swimming pool and fitness center. In 2018, we began franchising limited-service hotels under the trademark CLARION POINTE, which offer affordable accommodations with comfortable, contemporary rooms, free high-speed internet access, and a free better-for-you breakfast.

We have franchised limited service, mid-scale hotels under the trademark SLEEP INN since 1987. We also have franchised limited service, economy and budget hotels under the trademark ECONO LODGE since 1990 and under the trademark RODEWAY INN since 1990, respectively. SLEEP INN branded hotels provide exceptional service and value in a familiar atmosphere with carefully maintained facilities. SLEEP INN branded hotels that contain at least 10% suites may operate under the SLEEP INN & SUITES trademark. ECONO LODGE branded hotels provide a comfortable stay at a great value for business and

leisure travelers. RODEWAY INN branded hotels are budget segment hotels for value-oriented travelers that offer a welcoming and efficient environment at an economy price.

We have franchised extended stay, limited-service hotels under the trademark MAINSTAY SUITES since 1996 and under the trademark SUBURBAN since 2005 ~~and~~ ~~or~~ SUBURBAN STUDIOS® since 2022. MAINSTAY SUITES offers residential style amenities and affordable rates. Each MAINSTAY SUITES hotel room offers ample space for an extended stay, with areas for dressing, relaxing, sleeping and eating, and includes a well-equipped kitchen. SUBURBAN or SUBURBAN STUDIOS offers competitive rates for stays of one week or more. Rooms at a SUBURBAN property are spacious and feature a well-equipped kitchen and free high-speed internet access.

We acquired the WOODSPRING SUITES brand from WoodSpring Hotels Franchise Services LLC, a Kansas limited liability company (“WHFS”) in 2018. From 2004 to April 2015, WHFS offered extended-stay franchises under the name “VALUE PLACE,” and in 2015 WHFS changed the brand to “WOODSPRING SUITES.” We began offering franchises under the trademark WOODSPRING SUITES in February 2018. WOODSPRING SUITES hotels are extended stay, limited services hotels that offer customers the value of a furnished room with kitchen facilities, together with terms and conditions, services and amenities associated with extended-stay hotels, including easy check-in, one-week stays, and periodic housekeeping.

We began offering EVERHOME SUITES franchises in November 2019. EVERHOME SUITES offers in the mid-scale space studio and larger one-bedroom options, all of which include a fully equipped, modern kitchen complete with a full-sized refrigerator, dishwasher, stovetop, microwave, and ample counter space. Dishes, utensils, glassware, and cookware will be provided in room for free to enable guests to cook their own meals. LITIGATION

I. PENDING LITIGATION AND ARBITRATION DEMANDS

- (1) Norma Knuth v. Radisson Hotels International, Inc., et al.
Court of Queen's Bench for Saskatchewan, Court File No. QBG No. 2560 of 2014

On December 5, 2014, Norma Knuth filed a complaint under the Class Actions Act against over 25 named defendants, including Country, alleging that the defendants wrongfully collected undisclosed destination marketing fees ("DMF") charged to the plaintiff and other class members by hotels located in Canada that were owned, operated or managed by the defendants. On December 29, 2015, the plaintiff amended and expanded its complaint alleging, among other things, that the class included those who paid the fee to a hotel in Canada branded by one of the defendants and that the defendants that did not directly charge or collect the fee approved of it and encouraged the imposition of the DMF. The plaintiff has alleged

that the collection of the DMF violated The Consumer Protection Act, was negligent, unjustly enriched the defendants and constituted a Waiver of Tort. The plaintiff has demanded, on behalf of the class, disgorgement of any fees and revenue received by the defendants generated by imposition of the fee, and an order that the defendants are jointly and severally liable for restitution of \$403,000,000, general and punitive damages, costs of notice, interest and any other relief the court deems appropriate. The class has yet to be certified. We filed a motion for summary judgment on October 3, 2016. On June 2, 2017, Radisson and Country filed a Statement of Claim against 2 current and 3 former franchisees/licensees, that had not entered into tolling agreements, seeking contribution and indemnification. On August 29, 2019, the court denied Radisson's motion for summary judgment, holding that it was premature. Radisson intends to reassert its summary judgment motion arguments at the appropriate time.

(2) — Radisson Hotels International, Inc. v. 205 Wolf Holdings, LLC; 205 Wolf Land, LLC; Appleton Holdings, LLC; Appleton Land, LLC; 204 Fox Holdings, LLC; 204 Fox Land, LLC; 5500 Midland Holdings, LLC; 5500 Midland Land, LLC; 100 Berlin Holdings, LLC; 100 Berlin Land, LLC; 50 Morgan Hospitality Group, LLC; M&G Capital, LLC; Inner Circle High Point, LLC; Highpoint Land, LLC; Timonium Recovery Trust, LLC; and HISJ Holdings, LLC, Fourth Judicial District, Hennepin County, Minnesota, Case No. 27-CV-18-4230

~~On March 12, 2018, Radisson filed a complaint against former licensees or guarantors 205 Wolf Holdings, LLC; 205 Wolf Land, LLC; Appleton Holdings, LLC; Appleton Land, LLC; 204 Fox Holdings, LLC; 204 Fox Land, LLC; 5500 Midland Holdings, LLC; 5500 Midland Land, LLC; 100 Berlin Holdings, LLC; 100 Berlin Land, LLC; 50 Morgan Hospitality Group, LLC; M&G Capital, LLC; Inner Circle High Point, LLC; Highpoint Land, LLC; Timonium Recovery Trust, LLC; and HISJ Holdings, LLC (collectively "Inner Circle Licensees") asserting breach of their individual license (franchise) agreements with Radisson and/or their corporate guaranties of those license agreements, and the licensees' collective breach of the Global Settlement Agreement they each had entered into with Radisson to resolve certain issues under their license agreements. Radisson seeks to recover the fees and damages it believes it is entitled to under the terms of the license agreements, corporate guaranties, and the Global Settlement Agreement. On March 30, 2018, Radisson amended its complaint to assert claims against certain Inner Circle Licensees for fraudulent inducement of the Global Settlement Agreement and to seek additional damages and attorneys' fees. On May 23, 2018, Radisson again amended its complaint to assert fraudulent inducement claims against additional Inner Circle Licensees and to seek additional damages and attorney's fees. On June 12, 2018, the Inner Circle Licensees filed a motion to dismiss, which was denied in its entirety by the court on December 12, 2018. On January 17, 2019, Inner Circle Licensees filed their answer to Radisson's amended complaint and asserted counterclaims against Radisson for breach of contract, unjust enrichment, promissory estoppel, criminal conversion and civil theft, fraud and tortious interference. Inner Circle Licensees are seeking actual and, in some cases, statutory damages, plus punitive damages and attorneys' fees. On February 19, 2019, Radisson filed a motion to dismiss Inner Circle Licensees' unjust enrichment, promissory estoppel, criminal conversion and civil theft, fraud, and tortious interference counterclaims. On April 9, 2019, Inner Circle Licensees filed a motion for default judgment on their breach of contract counterclaim. On July 11, 2019, the Court issued an order denying Inner Circle Licensee's motion for default and issued a separate order granting in part and denying in part Radisson's partial motion to dismiss Inner Circle Licensee's counterclaims. In July 2019, all of the guarantors and one of the operating entities filed for Chapter 11 bankruptcy. The case has been placed on the inactive docket while the parties decide whether to continue the case in light of the bankruptcy filing. By Order dated January 3, 2023, the Court lifted the stay and moved the case back to the active docket. The Defendants' bankruptcy action has since been resolved as it relates to RHI's interests and RHI has determined that there is no benefit to continuing to prosecute the state court action against the Defendants. Therefore, RHI is seeking to have the case dismissed with prejudice. A case status conference with Court is scheduled for April 21, 2023.~~

("RHI") and Choice Hotels International, Inc. ("Choice") alleging that RHI and Choice (1) breached the applicable License Agreement and the implied covenant of good faith and fair dealing by (a) permitting another Choice branded hotel to be constructed near Licensee's Country Inn & Suites® hotel and (b) disclosing or using guest data associated with Licensee's hotel; and (2) misappropriated the guest data associated with Licensee's hotel in violation of the Defend Trade Secrets Act of 2016. ITEM 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5

INITIAL FEES

APPLICATION AND AFFILIATION FEE

You must pay us, for the rights granted to you in the COMFORT INN, COMFORT INN & SUITES or COMFORT SUITES franchise agreement, an affiliation fee of \$500 per room, with a \$50,000 minimum, for new franchises; \$750 per room, with a \$65,000 minimum, for transfers and renewals. The entire affiliation fee is due no later than the time you sign the franchise agreement and is non-refundable following

our signing of the franchise agreement. We will also collect a non-refundable application fee of \$5,000 that will be credited towards the affiliation fee. If for any reason we do not grant you a franchise, or a franchise agreement is not countersigned by us, the affiliation fee, less the \$5,000 application fee, will be refunded to you. Financing information is in Item 10.

In the past, we have agreed to reduce the affiliation fee in certain instances for multiple unit franchisees, franchisees with larger properties, franchisees with whom we have previously dealt, franchisees that are departing other hotel chains or franchised systems and joining our system, and franchisees in other special circumstances. However, we do not always negotiate the affiliation fee even for franchisees possessing these characteristics, and we may freely choose not to negotiate with you, even if you possess some or all of these characteristics.

During the 12 months ending December 31, 202~~23~~, the affiliation fees ranged from ~~\$2,500~~\$5,000 to ~~\$93,750~~\$70,000 for our COMFORT INN, COMFORT INN & SUITES or COMFORT SUITES franchise agreements.

EXTENSION FEE AND OTHER CONSTRUCTION-RELATED FEES

If you do not begin construction or do not complete renovations to an existing franchised hotel within the time required under your Franchise Agreement, you may apply for an additional 3 months in which to begin construction or complete renovations. If we agree to grant an extension, you must pay us an additional \$5,000 per extension. In special circumstances we may waive the extension fee, but we are not obligated to, and any decision to waive an extension fee will be determined solely by us.

When transferring a 50% or more interest in your hotel, you must pay us a property improvement plan fee of \$3,000. This fee is for the inspection of your hotel and the creation of a property improvement plan that will be integrated into the new franchise agreement with the buyer/transferee.

CENTRAL RESERVATION SYSTEM AND PROPERTY MANAGEMENT SYSTEM

You are required to use our central reservation system ("CRS"). Our CRS consists of our toll-free telephone reservation system, our proprietary internet sites, mobile phone and tablet reservation applications, interfaces with global distribution systems, and other internet reservations sites (such as online travel agencies). Our CRS provides a data link to our franchised properties as well as to travel reservation systems such as Amadeus, Galileo, SABRE and Worldspan that facilitate the reservation process for travel agents and corporate travelers. We also offer rooms for rent on our website (<http://www.choicehotels.com>) and mobile applications as well as those of online travel agents (OTAs) and other third-party internet referral or booking services. Our toll-free telephone reservation system primarily utilizes third-party call center service providers. Reservation agents trained on the reservation system have the goal of matching each caller with a Choice-branded hotel meeting the caller's needs. We also operate a call forwarding program through which our franchisees can leverage our CRS capabilities by forwarding reservation calls received directly by the property to one of our reservation centers. Some components of the CRS have separate fees, as further described in Item 6 below. We also continue to upgrade our technology to ensure that our CRS can effectively handle the current and future volume on digital channels and support the industry's shift toward accelerated digital communications and guest experience personalization. In support of these initiatives, we developed choiceEDGE, which is a cloud-based software to manage all distribution for the company by optimizing rate, inventory, availability, shopping, booking, and reservations for its website, mobile apps, and third-party distribution partners.

As a part of the CRS, you are required to install, maintain, and use full functionality of the choiceADVANTAGE® property management and reservation system as specified by us.

ChoiceADVANTAGE® synchronizes each hotel's inventory with our CRS, which gives our reservation sales agents and other proprietary channels the last room sell capabilities at every hotel. You must purchase from us, an initial software license to use choiceADVANTAGE®. The software license includes up to three basic interfaces connected to choiceADVANTAGE®. Optional interfaces are available for an additional fee. You will receive dedicated support during your onboarding of choiceADVANTAGE®. The fees for the software license, the choiceADVANTAGE® systems onboarding, project management, and credit card interface are between \$8,750 and \$10,750 depending on the number of hotel rooms. The price is subject to increase depending on the number of additional interfaces you select. The initial software license and onboarding fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support (see Item 6). If you need to reschedule onboarding or if onboarding is not completed due to circumstances that are within your control, there will be a rescheduling fee between \$500 and \$2,100.

PRE-OPENING – BRAND IN A BOX

Through our Brand in the Box program, we will assist you with the upfront costs of opening your hotel. Your participation in this program is mandatory. As a part of this program, you will pay us a nonrefundable fee of approximately \$6,000-\$30,000 (based on brand and room count and excluding shipping charges) for certain pre-opening items that we will order on your behalf, including the purchase of the software for choiceADVANTAGE® (as discussed above in this Item 5) and the hardware to operate that system; professional photography; and other pre-opening items as needed. In exchange, you will reimburse us by paying us in one lump sum or these costs will be billed to you on the monthly franchisee invoice over 12 months with no interest included.

ORIENTATION / HOSPITALITY TRAINING

We provide required training programs that you, your General Manager, or other key employees must complete before opening your hotel in the Choice franchise system or within 90 days of the hotel's opening or relicensing. The training fees you must pay for orientation and hospitality operations training include our Choice Onboard training fee of \$1,950, and our Hospitality Operations Success Training ("HOST") fee of \$1,395. The cost of attending the Choice Onboard training for any subsequent attendees beyond the Owner and the General Manager is 50% of the tuition (not to exceed \$975) per subsequent attendee. The HOST training fee covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs for both training programs do not include the cost of travel, lodging, or meals to attend the required training programs. The total training fee is between ~~\$0~~\$1,395 and \$3,345 per person, plus travel, lodging and meals for you and your General Manager. Training consists of a 3-day Choice onboarding program offered monthly at one of our Choice corporate locations in Maryland or Arizona, as well as an operator certification program that is offered virtually. Some or all of the training may not be required if you have previously owned a Choice branded hotel, obtained Choice Hotels training certification for another existing Choice-branded hotel and/or a hotel staff member has previously completed the training in a prior position.

When a franchised hotel undergoes a 50% or greater change in its ownership and the new owners sign a franchise agreement with Choice (known as a "re-licensing"), the hotel is also required to have a customized re-licensing training. This ~~session training~~ is delivered remotely via webinar completion of a dedicated, self-paced Learning Map in the Choice University online learning management system (LMS) by a Choice University Learning Facilitator. The fee for the re-licensing training is \$995.

Attendance is mandatory at the training programs identified in this Item 5. Failure to attend within the prescribed time frame may result in a non-compliance penalty of \$125 per month for failure to attend the Choice Onboard training or \$250 per month for failure to attend the HOST training until compliant and/or formal default, and the failure to cure the default could result in the termination of your franchise

agreement. For more detailed information on each training program, see Item 11.

* * *

Except as identified in this Item 5, the affiliation fee, extension fee, property management system fees and training fees are uniform, are fully earned by us when paid by you, and we have no obligation to refund these fees. Except as set forth in Item 10, we do not offer financing for any part of the affiliation fee, and we do not offer financing for any other initial fees paid to us.

Note 1: This table is an estimate of the initial investment required to convert an existing hotel and the estimate provided is based on our experience and our brand standards. Estimates are based on an 80-guestroom hotel. The cost of renovating each hotel has the potential to vary greatly and will depend

on factors unique to your situation and your hotel, including the location of the hotel, the condition of the hotel and any upgrades necessary to bring the hotel up to our standards. The table does not include the cost of purchasing or leasing real estate, which cannot be estimated with any certainty due to variables such as location, acreage, terms and whether leased or purchased.

Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs paid to third parties are refundable will vary based on the particular third party and on where your hotel is located.

Note 3: The full affiliation fee is due no later than the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. If for any reason we do not grant you a franchise or a franchise agreement is not countersigned by us, the affiliation fee, less a \$5,000 application fee, will be refunded to you.

Note 4: Renovation costs vary considerably and the estimate provided is based on a typical property improvement plan provided by us that the hotel must complete to upgrade to our standards. The costs provided includes an estimate for furniture, fixtures and equipment ("FF&E") that must be refurbished, replaced, or removed. Upon application, we will provide you a customized property improvement plan unique to your hotel. Your costs to upgrade the hotel to our standards may depend on local contractor and material costs in your area as well as the condition of your hotel at the time you apply for a franchise and may fall outside the estimated range provided.

Note 5: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the franchise agreement.

Note 6: choiceADVANTAGE® software license and onboarding fees include the costs of the initial software license, onboarding, eLearning modules, project management and the credit card interface. Your costs may fall on the higher end of this range depending on the number of rooms, additional interfaces and integrations you select. The fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support.

Note 7: Opening inventory of supplies includes brand standards items, linen, paper supplies and housekeeping supplies that meet our system requirements.

Note 8: Orientation and Hospitality operations training includes the cost to attend Choice Onboard orientation training and HOST training. Our Choice Onboard training fee is \$1,950 and covers 3 days of orientation training provided monthly at one of our Choice corporate locations in RockvilleNorth Bethesda, Maryland or Scottsdale, Arizona. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Our HOST training fee is \$1,395 and covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you have previously owned a Choice branded hotel or have obtained a Choice ~~Hotels~~-training certification for another existing hotel.

Note 9: If you request a waiver from using a pre-approved interior design scheme at your hotel, then you must pay our then-current fee to review your request regardless of whether we grant the waiver.

Note 10: These are approximate costs that you will have to pay your architects, engineers, and other related professionals for the development of your Hotel. –You must use the prototype architectural

drawings and specifications supplied by us and share them with your architect and engineers, which you are responsible for hiring and paying. Your architect and engineers will adapt these drawings to a specific site, and they must adhere to applicable civil, fire safety, structural, mechanical, electrical, and plumbing requirements and local codes. Development costs may be incurred for all architectural, engineering, design, legal, and other professional services necessary to secure approvals from government agencies and to obtain financing.

Note 11: We estimate that you will need this amount in working capital before the Hotel opens. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition.

Note 12: We based these estimates on our experience with hotel franchises, discussions with hotel businesspeople and recent trends in pricing from other relevant companies.

Note 13: The total investment above assumes the hotel is currently open and operating at the time you apply for a franchise and has real estate, furniture, fixtures, and equipment, hotel staff, a high speed internet access solution for in-room, in-lobby, public areas, and meeting rooms, current marketing and advertising programs, and other standards to operate a hotel. If the hotel does not have a solution for high-speed internet access, the cost could be \$0-\$20,000 to convert an existing hotel to our brand standards, including wiring, routers, software, server, splitters, access points, gateway, etc. In addition, your total investment may be higher if you are required to participate in our Performance Engagement Training or Re-Licensing Systems Training. Neither of these programs is required for all owners. Our Performance Engagement Training fee is \$4,500 and covers 5 days of customized on-site training for owners new to Choice Hotels that have little or no experience in hospitality and franchising. The Re-Licensing Systems Training fee is \$995 and is payable only when a franchised hotel has changed ownership and the new owner signs a franchise agreement with us. The Re-Licensing Systems Training fee covers the cost of 2-days of remote training concerning our proprietary choiceADVANTAGE property management and reservation system.

Note 1: This table is an estimate of the initial investment required to construct and open a new construction hotel and the estimate provided is based on our experience and our prototype designs. Estimates are based on an 86-guestroom hotel. The cost of renovating or constructing each hotel has the potential to vary greatly and will depend on factors unique to your situation and your hotel. Unusually high locally imposed development fees might impact initial expenses. The table does not include the cost of purchasing or leasing real estate, which cannot be estimated with any certainty due to variables such as location, acreage, terms and whether leased or purchased. It also does not include any costs associated with any sitework, general conditions, or general contractor fees, and these costs may vary widely.

Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs paid to third parties are refundable will vary based on the particular third party and on where your hotel is located.

Note 3: The full affiliation fee is due no later than the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. If for any reason we do not grant you a franchise or a franchise agreement is not countersigned by us, the affiliation fee, less \$5,000, will be refunded to you.

Note 4: You must use prototype architectural plans supplied by us and submit them to an architect approved by us. These plans must be site adapted for a specific site and structural, mechanical, electrical and plumbing drawings must be added. You must commission an architect directly and make

payments directly to your architect.

Note 5: The cost of construction may vary substantially from location to location. The type of construction used, site conditions, cost of materials, labor costs, local code requirements, competitive conditions, and other factors will affect the cost. This estimate does not include site work, project management fees, general contractor profits, or other “soft” costs, which may vary substantially. The estimate also does not include the cost of permits and licenses. Because of the wide variation in cost based on location and other factors, we do not represent that your initial investment will be as low as the low end of the range or that it will not be higher than the high end of the range.

Note 6: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the franchise agreement.

Note 7: This amount does not include taxes, shipping, or installation costs.

Note 8: choiceADVANTAGE® software license and onboarding fees include the costs of the initial software license, onboarding, eLearning modules, project management and the credit card interface. Your costs may fall on the higher end of this range depending on the number of rooms, additional interfaces and integrations you select. The fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support.

Note 9: Opening inventory of supplies includes brand standards items, linen, paper supplies and housekeeping supplies. It also includes supplies required to operate the hotel’s kitchen, fitness room, guest laundry, hotel laundry, and phone system.

Note 10: Orientation and Hospitality operations training includes the cost to attend Choice Onboard orientation training and HOST training. Our Choice Onboard training fee is \$1,950 and covers 3 days of orientation training provided monthly at one of our Choice corporate locations in RockvilleNorth Bethesda, Maryland or Scottsdale, Arizona. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Our HOST training fee is \$1,395 and covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you have previously owned a Choice branded hotel or have obtained a Choice ~~Hotels~~ training certification for another existing hotel.

Note 11: The estimate of \$10,000-\$20,000 is based on a wired solution for a hotel that is to be newly constructed for the hotel size indicated. This estimate includes wiring, routers, software, server, splitters, etc. A wireless solution could range from \$4,500-\$9,500 depending upon the number of access points, wiring to the access points, gateway, etc. You must also arrange and pay for the incoming broadband service, which is typically delivered by a commercial grade T-1 or Digital Subscriber Line (“DSL”). You may purchase this from any available broadband supplier; however, we reserve the right to require a single supplier as necessary to ensure that all hotels in the Choice franchise system meet required standards as well as to promote more efficient communications between Choice and your hotel. We currently estimate that the cost will range from \$1,800-\$12,800 per year. This estimate is based on the hotel size indicated and currently includes high speed internet access (delivered by a commercial grade T-1, DSL or a Fractional T-1) and 24/7 support provided by a third party with Tier I and Tier II levels. Your costs will vary depending upon bandwidth usage and your hotel’s size and location. Although we currently permit you to purchase these services from any available source, in the future we may require you to use a designated source, as necessary to maintain overall brand standards. We currently require you to use a designated Qualified Vendor to provide your High-Speed Internet Access solution.

Note 12: If you request a waiver from using a pre-approved interior design scheme at your hotel, then you must pay our then-current fee to review your request regardless of whether we grant the waiver.

Note 13: If you request a waiver for using a non-prototypical building design, then you must pay to us our then-current fee, regardless of whether the waiver is granted. This fee includes an architectural design review fee and construction inspection fee incurred by us in reviewing your request.

Note 14: These are approximate costs that you will have to pay your architects, engineers, and other related professionals for the development of your Hotel. -You must use the prototype architectural drawings and specifications supplied by us and share them with your architect and engineers, which you are responsible for hiring and paying. Your architect and engineers will adapt these drawings to a specific site, and they must adhere to applicable civil, fire safety, structural, mechanical, electrical, and plumbing requirements and local codes. Development costs may be incurred for all architectural, engineering, design, legal, and other professional services necessary to secure approvals from government agencies and to obtain financing.

Note 15: We estimate that you will need this amount in working capital before the Hotel opens. This includes salaries that you will need to pay to your General Manager, salespeople, and other essential personnel. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition. The estimate in the table does not include loan origination points. The origination points you may be charged will depend on your specific lender and will vary by the loan type you select. Our experiences estimate that origination points have ranged between 1 and 2 percent of the amount borrowed. We also have not included real estate taxes, which will vary based on location and local real estate costs.

Note 16: We based these estimates on our experience with hotel franchises, discussions with hotel businesspeople and recent trends in pricing from other relevant companies.

Note 17: This table does not include land costs or real estate taxes. In addition, your total investment may be higher if you are required to participate in our Performance Engagement Training or Re-Licensing Systems Training. Neither of these programs is required for all owners. Our Performance Engagement Training fee is \$4,500 and covers 5 days of customized on-site training for owners new to Choice Hotels that have little or no experience in hospitality and franchising. The Re-Licensing Systems Training fee is \$995 and is payable only when a franchised hotel has changed ownership and the new owner signs a franchise agreement with us. The Re-Licensing Systems Training fee covers the cost of 2-days of remote training concerning our proprietary choiceADVANTAGE property management and reservation system.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

All COMFORT hotels are required to meet the current minimum design standards for the brand, including Choice-approved product in the public space, guestrooms, and exterior, if applicable. You must design the hotel to meet the current minimum standards for guestroom size and facilities and equip the hotel with furniture, fixtures and equipment, bath and bed linens, draperies, bedcoverings, floor coverings, wall coverings, lighting, ice machines, telephone systems and other amenities for which we have established written specifications or minimum standards. We may modify our specifications in writing as we determine appropriate from time to time and may add new specifications or brand guidelines, in writing, including any manuals or policies regarding, among other things, our standards and requirements for construction, equipment, furnishings, supplies, maintenance and marketing that are applicable to COMFORT hotels (“Rules and Regulations”).

Our Procurement Services Department maintains a list of “Qualified Vendors” of products and

services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. You do have to purchase certain Choice Mark-bearing items, such as signs and bath amenities, only from Qualified Vendors. You must also purchase bedding, computer hardware, and other brand standard items per brand specifications through a Qualified Vendor. Neither Choice nor any persons affiliated with Choice are currently Qualified Vendors.

Vendors that are not on the Qualified Vendor list may apply to become “Qualified,” and you may recommend new vendors to us. Among the criteria that we consider is the financial stability of the company, whether the product or service meets brand standards and if the product or service is of use to our franchisees. Our criteria are available to you for review upon your request. Where applicable, the vendor may be asked to submit product samples and specifications to us. We usually make our decision and notify the vendor within 90 days after all information and samples have been submitted, although a longer period may be required for products or services that, due to their cost or importance to the brand, may have significant financial impact on our franchisees. We may limit the number of Qualified Vendors for a variety of reasons, including: obtaining volume discounts; promoting consistent quality; and/or securing to obtain volume discounts and to promote consistent quality and adequate supplies for a the particular brand. We may revoke a vendor’s “Qualified” status if the vendor no longer meets our criteria, if they breach their agreement with us, or if the product or service offered is no longer competitive in price or quality, among other reasons.

None of our officers own a material interest in any privately-held suppliers, or a material interest in any publicly-held suppliers of our franchise system. From time to time, our officers may own non-material interests in publicly-held companies that are suppliers to our franchise system.

We receive certain commissions or rebates from Qualified Vendors that typically range from 1% to 2% (but may be up to 20%) of net sales volume to franchisees, as well as a flat fee that we typically receive annually from each Qualified Vendor. In exchange for these fees, we may provide each vendor with certain services, which may include one or more of the following: marketing services from our Procurement Managers and/or marketing personnel; space on our ChoiceBuys.com website; a booth at our annual convention; advertisements in our print and electronic publications (e.g., Marketplace and Single Vendor Emails); and sponsorship opportunities, among other benefits. We do not provide franchisees with any material benefits, such as opportunities to acquire additional franchises, based on their purchases of particular products or services from Qualified Vendors or use of particular Qualified Vendors.

You must display at your hotel entrance the number and type of identity signs required by the Rules and Regulations. Such signs must display the approved brand name and logo of your hotel. Signs are available from manufacturers who must be approved by us and who must comply with brand specifications. Each sign manufacturer must meet certain business, financial and insurance requirements. We derive income from appointment fees, limited trademark licenses, drawing charges and commissions on signs sold and that are purchased through signage Qualified Vendors. All highway billboards and printed advertising, among other electronic or printed media, must use the Choice Marks in accordance with our specifications.

As indicated in Item 6, you must participate in the Choice Gift Card Program by allowing guests the option of redeeming Choice Gift Cards at your hotel. You must also enter into an enrollment agreement with SVM, LP, the administrator of the program (see Exhibit G).

We also periodically negotiate preferred marketing agreements with corporations and other organizations for joint marketing efforts, which may result in commissionable stays at your hotel. If you make inventory available to these organizations, we may retain up to 50% of any commissions payable by you in consideration of our marketing services and program administration costs.

As described in Item 7, you must obtain and maintain insurance which will include, at a minimum, insurance policies of the kinds, and in the amounts, required by us (Franchise Agreement, Section 12). These written insurance policies include, at a minimum, the following coverage during construction or complete renovation of the hotel: commercial general liability insurance (including automobile liability, bodily injury and property damage) for all types of liabilities, together with the costs of defense and/or adjustments arising out of the operations to construct the hotel, providing limits of coverage of not less than \$1,000,000 per occurrence, and including coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability; all-risk builder's insurance to insure the hotel buildings under construction to 100% of their replacement cost value; and a workers' compensation policy as required by statute. During the operation of the hotel, required insurance policies include, at a minimum: all-risk physical damage coverage insuring the hotel and its contents for full replacement costs; commercial automobile (including hired and non-owned automobile) and commercial general liability insurance policies written on an occurrence form, which must include contractual, products and completed operations, independent contractors, personal injury, property damage, bodily injury and host liquor liability coverage, together with the costs and expenses of the defense and/or adjustment of injury or damage, providing limits of coverage, per location, of not less than \$5,000,000 (\$10,000,000 to \$15,000,000 if the hotel has 6 or more stories) per occurrence; cyber liability insurance coverage that provides minimum coverage of \$1,000,000 per location; workers' compensation and employers' liability insurance with minimum employers liability limits of \$1,000,000 bodily injury by accident (each accident); \$1,000,000 bodily injury by disease (policy limit); and \$1,000,000 bodily injury by disease (each employee), whether or not required by the state where the hotel is located; dram shop/liquor liability insurance with limits of not less than \$5,000,000 per occurrence if alcoholic beverages are sold at the hotel (whether or not you own the establishment that sells alcohol); pollution/environmental legal liability insurance \$500,000 per pollution incident/\$1,000,000 aggregate, covering bodily injury, property damage, cleanup costs and defense costs arising from, or associated with, a pollution condition at a covered location. There will be no exclusion for carbon monoxide, and affirmative coverage for Legionella and microbial matter/mold; employment practices liability insurance \$1,000,000 limit, including \$1,000,000 third party coverage; and business interruption insurance that provides coverage for a minimum of three ~~(3)~~ months in the event the hotel is not operational.

You must also obtain and attach endorsements to your insurance policies adding us and our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds and provide waiver of subrogation on commercial automobile, commercial general, workers' compensation/employers' liability (if allowed), umbrella insurance policies and dram shop/liquor liability (if applicable), and adding us as co-defendant under the employment practices liability policies. If you fail to procure or maintain the minimum insurance described above (or as designated by us from time to time in the brand standards or Rules and Regulations), we may procure the insurance on your behalf and charge you the cost of the insurance and, at our option, a reasonable penalty. You will be required to reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain the insurance on your behalf.

You must purchase from us a software license to onboard and use choiceADVANTAGE®. You also must purchase the mandatory hardware package we specify that meets or exceeds specifications needed to operate choiceADVANTAGE®. You are required to use a designated Qualified Vendor to purchase and install a dedicated, wired, business grade High Speed Internet Access solution located at the front desk for access to choiceADVANTAGE® (see Items 5, 7 & 11 for more details).

You must participate in any purchasing or distribution cooperative (Group Purchasing Organization) we maintain as mandated by the Rules and Regulations and in conjunction with specific brands standards, programs and initiatives. An average of \$500.00 per month in total applicable purchases

is required. Properties that fail to meet the minimum purchasing requirements may be subject to a non-compliance fee. You will automatically become a member of a cooperative buying program at no additional cost to you. The Choice Partner Services Department attempts to negotiate price terms believed to be beneficial from its Qualified Vendors for franchisees, and we may from time to time offer cooperative buying programs to provide additional savings. If you meet other eligibility requirements, you may receive a waiver from being a member of such program by completing and sending us the electronic waiver request form located within the FAQs on Choicebuys.com. Most product and services offerings are accessible via ChoiceBuys.com, a proprietary web-based electronic catalogue.

In the year ended December 31, 2022~~3~~, our total revenues were about \$1,~~297.7~~311.8 million. Of this figure, revenues attributable to required purchases by franchisees of products and services were \$~~55.8~~62.7 million, or about ~~4.3~~4.78% of our total revenues in 2022~~3~~, which includes revenues from Qualified Vendors and excludes choiceADVANTAGE® installation and support fees.

We estimate the cost for items that must be purchased from Qualified Vendors or subject to our standards or specifications to be less than 10% of your initial investment in a conversion or new construction facility. Your annual expenditures on these items may range between 10-15% of your annual purchases.

ITEM 10

FINANCING

AFFILIATION FEE PROMISSORY NOTE

In our sole discretion and on approval of your credit, we may offer to finance the affiliation fee without interest. In that event, you must sign a promissory note (see Exhibit H). Note payment is due in one full lump sum generally within three months after the note is signed. The note may be accelerated upon default and provides for a waiver of presentment, demand for payment, notice of dishonor, protest, and includes a confession of judgment clause. If the principal amount of the note, or any portion of the amount, is not paid on or before the maturity date, the note will bear interest from the date on which the funds are due until paid at a default annual rate equal to eighteen percent (18%). In the event of default, you must pay all of our costs of suit and reasonable attorney's fees. The note contains no pre-payment penalty. The owners of the franchise entity may be required to sign the promissory note personally.

SELECTED CAPITAL SUPPORT

Except as otherwise described in this Item 10, in certain instances, we may provide select capital support to help offset the costs associated with developing and opening a hotel within the Choice franchise system. In our sole and absolute discretion, we may provide capital support for franchisees that develop a property with strategic importance to Choice. We do not offer capital support in every instance, and we may freely choose not to offer capital support to you. The terms of such capital support will vary and will always be determined in our sole and absolute discretion after your application has been submitted to us and we have approved your eligibility to own a hotel franchise. In the event you have been offered and agreed to accept capital support, you will be bound, in all ways, to the contracts, documents, and agreements related to and controlling the administration of that capital support.

Specifically, the principal amount of the financing will depend upon the franchisee's creditworthiness and various other factors. The franchisee will sign a promissory note evidencing the loan. The form of promissory note is attached at Exhibit I.A. (the "Capital Support Note"). Generally, forgiveness of the Capital Support Note will be amortized over a period of 10 to 15 years (beginning on the Opening Date of your hotel) using a straight-line method, so that the Capital Support Note will be completely forgiven if you do not commit certain defaults under the Capital Support Note beginning upon signing of the franchise agreement and ending 10 or 15 years after the Opening Date. Your individual owners will be required to sign the Capital Support Note, in addition to the franchisee. We will fund the loan shortly after the Hotel opens and we receive the signed Capital Support Note from franchisee. In limited circumstances, you may be eligible for additional loan amounts based on your Hotel's performance. We will not charge you interest unless you default under the Capital Support Note (Section 5). If you default, all amounts outstanding will bear interest at prime plus two percent. The maximum interest rate in California is 10% annually. The loan amount will be payable in equal yearly installments over the term of the Franchise Agreement. However, each yearly payment will be deemed paid so long as no default has occurred under the Capital Support Note (Section 4). Defaults under the Capital Support Note include the termination of the Franchise Agreement, an uncured default by franchisee under the Franchise Agreement, a transfer as defined in the Franchise Agreement and a breach of any provision of the Note or any document executed in connection with the Capital Support Note (Section 5). Following a default under the Note, we may declare the entire outstanding amount under the Capital Support Note plus all accrued interest immediately due and payable (Section 5.2). Franchisee must also pay all of our costs and attorneys' fees incurred in collecting the Capital Support Note (Section 5.4). Default under the Capital Support Note will constitute a default under the Franchise Agreement (Section 5.1). Based upon your creditworthiness, we may not require that you provide us security for repayment of the loan.

The terms of the guaranty signed in connection with the Franchise Agreement will also extend to the repayment obligations under the Capital Support Note. The loan can be prepaid at any time and there are no prepayment penalties. The franchisee waives various rights under the Capital Support Note including presentment, demand, and all other notices and demands (Capital Support Note – Section 5.6).

In addition, if you sign our Capital Support Note, you and we must agree to waive our right to terminate the franchise agreement, without cause, for the applicable 10th and 15th anniversaries of the Opening Date as provided in Section 3 of the Franchise Agreement.

DIVERSITY AND VETERAN INCENTIVE PROGRAM

We participate in the International Franchise Association's Veteran's Transition Franchise Initiative (known as VetFran®). We are currently offering a diversity and veteran incentive program to encourage and increase the diversity of our franchise system and the hospitality industry as well as to encourage entrepreneurs that have served in the United States military and been honorably discharged from service ("Diversity and Veteran Incentive"). The Diversity and Veteran Incentive Program is intended to attract top hotel developers from diverse backgrounds and involves our commitment of capital to incentivize qualifying franchisees to develop either a newly constructed Choice-branded hotel or convert an existing hotel to a Choice-branded hotel. Qualifying franchisees who enter into franchise agreements to re-license Choice branded hotels that are currently part of the Choice franchise system are not eligible to receive a Diversity and Veteran Incentive; however, these franchisees will be given a 50% discount on the then-current affiliation fee due in connection with the re-licensed franchise agreement (see below).

Qualifications

To qualify for the Diversity and Veteran Incentive Program, you must meet all of the following conditions: you must make a good faith request for the Diversity and Veteran Incentive at the time of application; you must meet our then-current qualifications for new franchisees (including our standard credit review); you must be a majority owner that is actively engaged in the deal process; if you are an individual, you must identify to us the characteristics and background that will contribute to the diversity of our franchise system and the hospitality industry or if you are veteran you must demonstrate that you have served in the United States military and have been honorably discharged from service; or if you are a legal entity, you must be at least 51% legally and beneficially owned by persons that can demonstrate to us characteristics and background that will contribute to the diversity of our franchise system and the hospitality industry or meet the requirements of a veteran stated above. We will have sole discretion in determining whether you qualify for the Diversity and Veteran Incentive Program. The Diversity and Veteran Incentive Program may not be combined with any other incentive program that we may be offering at the time of your application and we may discontinue this Program at any time.

Incentive

Each Diversity and Veteran Incentive we make for a hotel using the COMFORT Marks ~~listed~~ will be for \$2,500 per room in the hotel (maximum of \$250,000). Each incentive will be evidenced by a 10-year forgivable incentive promissory note (see Exhibit I.B.) (the "Diversity Note"). We will pay the proceeds of the Diversity Note to you only after the Opening Date of your hotel. You may use the proceeds of the Diversity Note for any purpose related to the hotel. We do not require collateral for this Diversity Note, but may require you or the owners of a franchise entity to sign personally. Forgiveness of the Diversity Note will be amortized over 10 years (beginning on the Opening Date of your hotel) using a straight-line method, so that the Diversity Note will be completely forgiven if you do not commit certain defaults under the Diversity Note beginning upon signing of the franchise agreement and ending 10 years after the Opening Date. The Diversity Note is structured to provide for one payment at the end of 10 years; however, you do not have to make payments on the Diversity Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Diversity Note at an interest rate of prime plus 2%. The maximum

interest rate in California is 10% annually. Under the Diversity Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys' fees that we incur in collecting the Diversity Note. The Diversity Note contains no pre-payment penalty.

If you qualify for a Diversity and Veteran Incentive, you may request amortization over 5 years instead (beginning on the Opening Date of your hotel) using a straight-line method, so that the Diversity Note will be completely forgiven if you do not commit certain defaults under your franchise agreement upon signing of the franchise agreement and ending 5 years after the Opening Date. If you request a 5 year Diversity Note, the incentive will be 50% of the amount of the 10 year Note, and will be limited to a maximum of \$125,000. Each incentive will be evidenced by a 5 year Diversity Note in the same form attached as Exhibit I.B. The Diversity Note is structured to provide for one payment at the end of 5 years; however, you do not have to make payments on the Diversity Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Diversity Note at an interest rate of prime plus 2%. If the Default Payment Amount (as defined in Exhibit I.B.) has not been paid in full fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually. Under the Diversity Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys' fees that we incur in collecting the Diversity Note. The Diversity Note contains no pre-payment penalty.

Termination Rights

In addition, unless you have signed a 5 year promissory note, you and we must agree to waive our right to terminate the franchise agreement, without cause, on the 5th anniversary of the Opening Date.

DIVERSITY AND VETERAN RE-LICENSING INCENTIVE

If you: (1) qualify for the Diversity and Veteran Incentive Program; and (2) purchase a hotel that is a COMFORT branded hotel operating as part of the Choice franchise system at the time of purchase; and (3) enter into a franchise agreement with Choice to re-license the hotel as a COMFORT branded hotel, you will be granted a 50% discount on the then-current affiliation fee due in connection with your franchise agreement. Franchisees that enter into franchise agreements with Choice for the re-licensing of an existing Choice brand hotel and qualify and accept the Diversity and Veteran Incentive are not eligible to participate in any other incentive program.

PMC COMMERCIAL TRUST

We have entered into a non-exclusive Qualified Vendor agreement with a third party named PMC Commercial Trust (previously known as PMC Capital, Inc.) ("PMC"), which is a company authorized to provide loans. Under this agreement, PMC may offer conventional and Small Business Administration ("SBA") financing to those of our franchisees that qualify and choose to use PMC to finance some of the following costs: affiliation fee, site acquisition, construction or remodeling, equipment and/or fixtures, opening inventory or supplies, ongoing inventory or supplies, replacement of equipment or fixtures, and other continuing expenses. These loans are generally for up to 70% to 85% of the value of the collateral and range from \$500,000 to \$5,000,000 for acquisitions, refinances and construction/permanent loans.

Interest rates are generally variable and are at PMC's discretion. You are not required to use PMC

as your lender. If you choose to use PMC as your lender, you must enter into agreements with PMC, substantially in the form attached as Exhibit J or as PMC may otherwise require depending on your specific loan. The loan will be for up to 25 years and will require monthly payments, with the amount of the payments based on the terms agreed upon. You must grant a first lien on land and building, a first lien on furniture, fixtures and equipment and, if necessary, a lien on your personal assets. PMC will require that you personally guarantee the loan. The loans can be pre-paid but there may be a pre-payment penalty.

If you default on the note, the entire remaining principal balance becomes due and the lender may have the right to take possession of the collateral and/or sell or lease the collateral. You must waive your rights to presentment for payment, demand, protest, notice of non-payment or dishonor, notices of protest and all other demands or notices. On default, the note will bear interest at the maximum rate permitted by applicable law. You must also pay PMC all the costs of collection or costs of exercising its remedies, including attorneys' fees. You must waive your right to object to jurisdiction in the courts of Dallas, Texas as the venue for the resolution of disputes and must waive your right to a trial by jury. See the sample documents in Exhibit J for PMC's additional rights and remedies.

In consideration of Choice's agreement to grant PMC access to our marketing channels, Choice will receive from PMC a flat payment of \$10,000 annually.

BALBOA CAPITAL CORPORATION

We have entered into a non-exclusive Qualified Vendor agreement with a third party named Balboa Capital Corporation ("Balboa"), which is a company authorized to provide loans. Under this agreement, Balboa may offer conventional and lease financing to those of our franchisees that qualify and choose to use Balboa to finance some of the following costs: affiliation fee, costs to meet brand standards, property improvement or remodeling, equipment and/or fixtures, replacement of equipment or fixtures, and other continuing expenses. These loans are generally available for up to 100% of the value of the collateral and generally range from \$5,000 to \$1,000,000.

Interest rates are fixed and are determined at Balboa's discretion in accordance with its standard underwriting practices. You are not required to use Balboa as your lender. If you choose to use Balboa as your lender, you must enter into one or more agreements with Balboa, substantially in the form attached as Exhibit J or as Balboa may otherwise require depending on your specific financing agreement. The financing agreement will be for between 24 to 84 months and will require monthly or quarterly installment payments, with the amount of the payments based on the terms agreed upon. You must grant a first lien on the financed equipment and, if applicable, a security interest and lien on the land or building. Balboa may require that you personally guarantee the financing agreement. The financing agreement can be pre-paid and there is no pre-payment penalty.

If you default on the financing agreement, the entire remaining balance becomes due and Balboa may have the right to take possession of the collateral and/or sell or lease the collateral. You must waive your rights to presentment for payment, demand, protest, notice of non-payment or dishonor, notices of protest and all other demands or notices. On default, the loan will bear interest at the rate set forth in the loan agreement. You must also pay Balboa all the costs of collection or costs of exercising its remedies, including attorneys' fees. You must waive your right to object to jurisdiction in the courts of California as the venue for the resolution of disputes and must waive your right to a trial by jury. See the sample documents in Exhibit J for Balboa's additional rights and remedies.

In consideration of Choice's agreement to grant Balboa access to our marketing channels, Choice will receive from Balboa a flat payment of \$15,000 annually.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

PRE-OPENING ~~OBLIGATIONS~~ASSISTANCE. Before you open your hotel in the Choice franchise system, we will provide certain assistance, including:

SITE SELECTION

We must approve the site you select. (Franchise Agreement, Section 6(r).) Within 9 months after signing a franchise agreement with us, you must submit to us by or before that deadline, a site plan or other evidence of site control that is acceptable to us. We will accept a fully executed purchase and sale agreement or deed of trust or, if the hotel is to be leased, an executed lease agreement that shows you have possession of the hotel for the entire term stated in the franchise agreement.

We consider a number of factors, including the location, market and revenue potential as factors for approval. Our approval of your site does not assure that your business will be successful. Choice's Franchise Committee will review your application within 30 days of submission. If a site cannot be agreed upon and we reject your application, your affiliation fee will be refunded, less \$5,000 and any pre-application property improvement plan fees that you may have paid and no franchise agreement will be signed. (Franchise Agreement, Section 4(a).) The "typical" length of time to construct and open a new COMFORT hotel between the signing of a franchise agreement (including paying the affiliation fee) until the opening of a newly constructed hotel is between 18 and 24 months. This period may vary and largely depend on a number of factors, such as the ability to obtain financing; local zoning laws and ordinances; the ability to obtain building permits on a timely basis; weather conditions; or any delays associated with the installation of equipment, fixtures and signs. For an existing hotel to be converted to a COMFORT hotel, the timetable varies depending upon your ability to obtain any necessary financing, the amount of renovation required to meet our specifications and the process and time periods required to obtain all the necessary permits, licenses and approvals from various government agencies (Franchise Agreement, Section 6(r)).

CONSTRUCTION

If the hotel is to be newly constructed, we will review and comment on whether your preliminary drawings, final working drawings and architectural designs for the hotel to satisfy the prototype design specifications. Our approval of your designs does not ~~assure~~ensure that they are adequate (Franchise Agreement, Section 6(r)).

At our discretion, we may provide additional consultation and services to assist you to construct, renovate, maintain, operate, and/or market the hotel on the same basis as provided to other hotels that are authorized to use our System under the Brand Mark; we reserve the right to charge you reasonable fees that we may establish in advance or on a project-by-project basis for such consultation and services. (Franchise Agreement, Section 5(d).)

You must submit your preliminary drawings for our approval at least 6 months before the Construction Start Deadline (the deadline by which you must start construction), and final working drawings and final architectural designs for the hotel for our approval at least 3 months before the Construction Start Deadline (Franchise Agreement, Section 6(r)). If Construction Start does not commence within 30 days of your final architectural designs for the hotel, then you must resubmit final architectural designs for our approval for approval prior to Construction Start. Our review of your architectural designs is for compliance with our brand standards only and does not assure that your business will be successful, that your designs are suitable for architectural or engineering purposes, or that your designs are in compliance with local, state, or federal laws. It will be your responsibility to comply with all local, state, and national code requirements applicable to the construction of your hotel.

You must begin construction of your hotel within 18 months after the date the parties enter into the franchise agreement, and, within 5 days after this Construction Start, notify us that Construction Start has occurred (Franchise Agreement, Section 6(r)(2)), continue construction of the hotel in accordance with the designs without interruption, until the hotel is ready for our inspection and complete construction of the hotel, including furnishing, equipping and preparing for opening, within 12 months of the Construction

Start Deadline (Franchise Agreement, Section 6(r)(3)).

You must undertake any remodeling, renovations, and modifications to existing improvements, necessary to modernize and conform your hotel to the Rules and Regulations or other requirements of our System as described in your franchise agreement. (Franchise Agreement, Section 6(o)).

RULES & REGULATIONS

Upon request, you may view the current Rules and Regulations at our proprietary intranet site, www.choicecentral.com (Franchise Agreement, Section 5(a)). Once you become a COMFORT franchisee you will have access to these Rules and Regulations without having to request them from us. We may periodically revise, add to or update brand standards and other requirements by issuing revisions to the Rules and Regulations and other manuals that we may publish. As of the date of this Disclosure Document, the Rules and Regulations were a minimum of 158 pages in length for Comfort Inn and Comfort Inn & Suites and 193 pages in length for Comfort Suites. The Table of Contents for our Rules and Regulations manual is attached as Exhibit K to this Disclosure Document.

OPENING SERVICES SUPPORT

Our Opening Services department will assist you to open your hotel in the Choice franchise system. (Franchise Agreement, Section 5.) We will assign an Onboarding Project Director and Opening Services Manager to monitor your project's progress and to assist you to meet contractual milestones (for example architectural and/or property improvement plan reviews). Your Onboarding Project Director will introduce you to Choice's organizational support departments, enroll your hotel in appropriate marketing programs, and help coordinate training course attendance/resource utilization. Finally, your Onboarding Project Director will help you to make sure that your hotel meets brand standards and that you have the knowledge and tools to assist you to successfully pass the hotel's first Quality Assurance Review (QAR). (Franchise Agreement, Section 5.) Once your hotel opens in the Choice franchise system, your Onboarding Project Director will arrange for a meeting with your assigned Area Director, who will be your ongoing liaison with Choice for most day-to-day questions related to our programs and policies. You must ensure your hotel opens in accordance with your franchise agreement. (Franchise Agreement, Section 6(s).)

TRAINING

TRAINING PROGRAM

We will provide training, as described below (Franchise Agreement, Section 6(e)). You must comply with our training requirements by ensuring that you and the Hotel's general manager(s) attend (at the times required by us) our then-current training programs, including our annual national convention for hotels authorized to use the System.

POST-OPENING ~~OBLIGATIONS~~ASSISTANCE. During your operation of the hotel in the Choice franchise system, we will provide the following services:

QUALITY ASSURANCE

We will administer a quality assurance program that may include periodic visits to your hotel (by us or our authorized representatives) and/or guest satisfaction surveys to evaluate your compliance with your franchise agreement and the Rules and Regulations. If necessary, we will advise you of changes that you must make to the hotel or its operations to comply with the ~~f~~Franchise ~~a~~Agreement and/or the Rules and Regulations (Franchise Agreement, Section 5(b)). Franchisees who fail to improve on identified quality issues may be subject to consequences ranging from written warnings, ~~the payment of re-inspection, non-compliance penalties and guest satisfaction fees,~~ attendance at mandatory training programs, reservation suspension, and ultimately to the termination of the franchise agreement. We may also require a franchisee to hire a third party Qualified Vendor to do a deep cleaning of the Hotel if a franchisee has repeatedly failed quality assurance reviews and the hotel's likelihood to recommend (LTR) score falls below the brand specific standard.

MARKETING AND RESERVATIONS

We will provide an advance reservation system for your hotel and other Choice branded hotels using the Marketing and Reservation Fee~~System Fee~~ that you will pay each month during the term of your franchise agreement. (Franchise Agreement, Section 5(c).) We will also provide national, international and regional advertising, promotion, publicity, marketing research, system programs and related programs as we reasonably determine to be appropriate for the entire Choice franchise system, using the Marketing and Reservation Fee~~System Fee~~. (Franchise Agreement, Section 5(c).)

Marketing and advertising are primarily disseminated via media such as direct sales efforts, digital media, multi-brand television campaigns, trade publications, radio, directories and other collateral materials. National advertising and promotion agencies are primarily used to create and place advertisements with the participation and supervision of our in-house marketing department. Funding for the advertising program comes from the Marketing and Reservation Fee~~System Fee~~ that each Choice Hotels franchisee pays each month during the term of their franchise agreement and which we control. We do not use any of the Marketing and Reservation Fee~~System Fee~~ principally to solicit new franchisees sales. The Marketing and Reservation Fee~~System Fee~~ covers the ongoing development, maintenance and upgrading

of the ~~property management and~~ reservations systems, as well as pay for expenditures associated with media, advertising, publicity, public relations, marketing, reservations and similar services, e-commerce initiatives and certain franchise services. All franchisees contribute to the Marketing and Reservation FeeSystem Fee at a rate dependent on their individual franchise agreement. Company-owned outlets (if any) contribute to the Marketing and Reservation Fee-System fee at the standard rate as other franchised outlets. As of December 31, ~~2022~~2023, there were no COMFORT company-owned outlets. See Item 6 for a description of the Marketing and Reservation FeeSystem Fee.

Currently, the Choice Hotels Owners Council (CHOC), the Econo Lodge Franchisee Association and the Rodeway Owners' Association administer 13 voluntary regional marketing cooperatives ("Marketing Cooperatives"), which we support. Each Marketing Cooperative establishes an annual fee for participating hotels, and we also provide funding. The participating hotels in a Marketing Cooperative, along with the assistance of a Choice representative, create an annual budget and an annual marketing plan. As of the date of this Disclosure Document, participation in the Marketing Cooperatives is voluntary, and you may opt out on an annual basis. However, we may require participation in the Marketing Cooperatives in the future and we have the right to audit the Marketing Cooperatives program at any time.

You may conduct your own local marketing program provided that all materials comply with brand standards, including proper trademark usage, and are either approved in writing by us (our Franchise Services-Marketing and Communications department) or through ChoiceNow, typically within 10 30 business days after you submit your materials to us for review. (Franchise Agreement, Section 6(s)(4).) The SmartMarketing program provides marketing and promotional materials that help you promote your hotel professionally and within brand standards. The fee for customizing some materials (for example, business cards and sales flyers) ranges from \$0 to \$45. We are not required to use any portion of the Marketing and Reservation FeeSystem Fee for advertising in your area.

Any website created for your hotel must follow the Choice Property Website Guidelines, Internet Distribution Policy and Domain Name Policy. (Franchise Agreement, Section 7(b).) We retain the right to pre-approve your hotel's website design and use of linking between your internet web pages (or other networks) and all other web sites. All websites that are accessed from a domain name that uses one or more of the Choice Marks must conform to the Choice Hotels Property Website Guidelines and Internet Distribution Policy and cannot contain, or link to other web pages that contain, logos or information on non-Choice brand hotels. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us. Your general conduct on the internet or other electronic media, including your use of the Choice Marks or any advertising is subject to the terms and conditions of the Franchise Agreement and any other rules, requirements or policies that we may identify from time to time.

We administer the allocation of the Marketing and Reservation FeeSystem Fee, which may be commingled with, but are accounted for separately, from our other funds. We do not prepare audited financial statements for our Marketing and Reservation FeeSystem Fee. However, upon receiving a reasonable request, we will provide an unaudited statement of the Marketing and Reservation FeeSystem Fee for the previous calendar year. We have no obligation to separate incomes or expenditures between the various Choice brands. Any unspent Marketing and Reservation FeeSystem Fees remaining at the end of the fiscal year generally are carried over for use in the following year unless there is a deficit from a preceding year. In that case, the monies will be applied to pay down the deficit and anything remaining will be carried over. We pay administrative costs to provide the goods and services described above using a portion of the Marketing and Reservation FeeSystem Fee. Our internal costs associated with marketing the goods and services of our franchise system are reflected in the percentages below, including our media (broadcast and digital), creative, supplies and graphics. In calendar year 202~~2~~3, approximately 14.815.4%

of all ~~Marketing and Reservation Fee~~~~System Fees~~ collected from the Choice Franchise System was spent on media and other advertising, ~~8.27.8~~8.27.8% on the Choice Privileges Loyalty Program, which includes national advertising (broadcast and digital), ~~69.93~~69.93% on marketing and distribution (for example, reservations services, global sales, eCommerce, publicity, research & analytics) and ~~7.25~~7.25% on general and administrative expenses, including the salaries of applicable personnel.

FRANCHISE ADVISORY COUNCIL

As of the date of this Disclosure Document, we may periodically assemble franchise advisory councils who meet with corporate representatives to advise on issues relating to the System (including advertising issues). We select the franchisees that participate on this council. The council acts in an advisory capacity only and we maintain all decision-making power of the System. We may create, change, or dissolve this council at any time.

Dell hardware and required peripherals should be refreshed every 48 months or upon expiration of your hardware warranty. We estimate that the cost to refresh and install new Dell hardware and peripherals will be between \$~~23,080~~00 and \$~~7,000~~10,800 depending on the configuration at your hotel (number of workstations, printers, etc.). However, there is no limit on the frequency or cost of this obligation.

We will have independent access to the information that will be generated by the choiceADVANTAGE® property management system and will use the information and data to identify trends, as well as to perform statistical analysis for improvement of the brand standards, as well as the overall Choice franchise system.

We require chip enabled credit card acceptance (EMV) hardware for use in your hotel. We estimate the cost of each device, including programming, to be approximately \$875. Fees may vary based on the number of devices required for your hotel. We also require EMV software for use in your hotel. The required EMV software for processing credit card payments through choiceADVANTAGE® property management system is only available from Shift4 Payments, a Nevada corporation, with a business address at 1491 Center Crossing Road, Las Vegas, Nevada 89144. You will make payments directly to Shift4. Shift4 is a Qualified Vendor. See Item 8 of this Disclosure Document.

We will review and, where appropriate, approve requests to add or remove guestrooms to your hotel after receipt of your room count change fee (if applicable) and construction plans (Franchise Agreement, Section 8).

ITEM 12

TERRITORY

We grant franchises for specific sites only. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we may, depending on local market conditions or other factors such as your prior history with us (if any) and number of hotels franchised by us, grant exclusive territories in which no other hotel of the same brand will be franchised or operated, for a period of time that we determine. Preferred regions and exclusive territories, if any, are determined by us. Our grant of a preferred region or exclusive territory can be terminated by us if you default under your franchise agreement, including failing to maintain quality standards or failing to pay ~~franchise~~ fees due on a timely basis.

We expressly reserve the right to grant franchises or open company owned hotels at any location under any brand name other than the location specified in your franchise agreement. We may open company-owned hotels under any brand and offer hotel franchises for upscale, mid-priced and budget hotels under any of the Choice Marks.

If you wish to relocate or establish additional facilities, you must follow our usual application procedures and sign additional franchise agreements. Customarily, we do not grant to franchisees options, rights of first refusal or similar rights to acquire additional franchises.

We may take reservations for rooms through any method of distribution, including sales through such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales (“Alternative Distribution Channels”). You will receive no compensation for our sales through Alternative Distribution Channels, unless we make a reservation on your behalf.

You may solicit or accept reservations from customers at any location (including outside your territory, if applicable). You may use Alternative Distribution Channels to make sales if you comply with all of our standards, including any approval process that we may require (see Item 11). We, our affiliates and franchisees can use Alternative Distribution Channels to make sales anywhere (including within your territory, if applicable) of products or services under trademarks different from the trademarks that you are permitted to use under your franchise agreement. See Item 1 for additional information on other Choice brands.

We have implemented a Fair Franchising Policy (attached as Exhibit L) that sets general guidelines on how Choice will maintain the overall Choice franchise system of brands, including principles for informal resolution of disputes between Choice and our franchisees. In addition, we have adopted an Incremental Impact Policy (attached as Exhibit M) that establishes a procedure that our franchisees can use under certain circumstances, to object to an application for a new same brand hotel franchise within a designated area of protection. The Incremental Impact Policy is only offered to certain Choice brands. Both the Incremental Impact Policy and the Fair Franchising Policy are internal policies, not contractual obligations, and can be changed or revoked by us in our sole discretion and at any time on reasonable notice.

As noted in Item 1, we currently grant franchises for hotels operated under the following brands or extensions of these brands: ASCEND HOTEL COLLECTION®, CAMBRIA®, CLARION HOTEL®, CLARION INN®, CLARION INN & SUITES®, CLARION SUITES®, CLARION RESORT®, CLARION COLLECTION®, CLARION POINTE®, COMFORT INN®, COMFORT INN & SUITES®, COMFORT SUITES®, COUNTRY INN & SUITES®, ECONO LODGE®, ECONO LODGE INN & SUITES®, EVERHOME SUITES®, MAINSTAY SUITES®, PARK INN®, ~~PARK INN® RESIDENCES~~, QUALITY INN®, QUALITY INN & SUITES®, QUALITY SUITES®, QUALITY HOTEL®, RADISSON®, RADISSON BLU®, RADISSON INDIVIDUALS®, RADISSON INN & SUITES™, RADISSON RED®, RODEWAY INN®, RODEWAY INN & SUITES®, SLEEP INN®, SLEEP INN & SUITES®, SUBURBAN®, SUBURBAN STUDIOS® and WOODSPRING SUITES®. We have the right to operate and franchise these hotels at any location in accordance with the terms of your franchise agreement and you may compete with any of our brands in the operation of your hotel. Those hotels could be company-owned, franchised, or both. We also have the right to operate or franchise a hotel or other business under a different trademark. We do not maintain physically separate offices or training facilities for the other Choice brands that may compete with your hotel.

ITEM 13

You will receive in the ~~F~~Franchise ~~A~~greement a limited license and obligation to use one or more of the trademarks and trade names identified below together with the related logo(s), including designs, stylized letters and colors that we permit you to use at your hotel and in advertising for your hotel, and any other additional or substituted trademarks, trade names, service marks or logos that we later adopt and authorize you in writing to use.

You may not establish a website on the internet using the Choice Marks, or anything similar to the aforementioned words that does not comply with our Domain Name Policy, Internet Distribution Policy or our Property Website Guidelines (or such similar policies or regulations adopted by us from time to time). We retain the right to pre-approve your use of linking and framing between your internet web pages (or other network) and all other websites. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us.

We have no agreements currently in effect that significantly limit our rights to use or license our use of the Choice Marks. You will not interfere with our use or registration of any of the Choice Marks, or with use of the Choice Marks by other hotels. You have no right to sublicense anyone else to use any Choice Marks and you have no right to use them for any purpose other than as permitted in connection with your hotel.

You must promptly notify us of any suit filed or demand made against you challenging the validity of any of the Choice Marks (“Mark Claim”). Using our attorneys, we agree to protect and defend you against a Mark Claim, and to defend and indemnify you against your loss, cost or expense related to the Mark Claim, except where the Mark Claim arose because you used the Choice Marks in violation of your franchise agreement. You may not settle or compromise a Mark Claim without our prior written consent, and you agree to cooperate with us in defending against any Mark Claim.

ITEM 14

There are no agreements currently in effect that significantly limit your right to use any of our copyrights. Also, there are no currently effective determinations of the U.S. Patent and Trademark Office, the U.S. Copyright Office (Library of Congress), or any court pertaining to or affecting any of our copyrights discussed above. As of the date of this Disclosure Document, we are unaware of any infringing uses of, or superior rights to, any of our copyrights that materially and adversely affect your use of them in any state.

Your and our obligations to protect your rights to use our copyrights are the same as the obligations for Trademarks described in Item 13 of this Disclosure Document.

Proprietary Information

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The tables below provide certain historic performance information for franchised COMFORT Hotels operating in the United States. As of December 31, 2023, there were 1,655 open and operating COMFORT hotels in the United States. Of these 1,655 hotels, all were franchised COMFORT hotels

and ~~1,600~~ ~~1,577~~ were COMFORT hotels ~~in the United States~~ that met the definition of the Performance Sample. The “Performance Sample” means all COMFORT branded hotels that were open and operating as of December 31, 202~~3~~ and that were franchised by Choice and operating on or before January 1, 202~~3~~, excluding hotels that: (1) repositioned from another Choice ~~brand to COMFORT brand~~ during the period beginning January 1, 202~~3~~ and ending December 31, 202~~3~~; (2) had incomplete performance numbers (e.g., missing supply, demand, and revenue information) for at least 30 days during the period beginning January 1, 202~~3~~ and ending December 31, 202~~3~~; ~~and~~ (3) experienced an interruption in operations (for example, due to renovation ~~or~~, natural disaster, ~~etc.~~) of more than 30 consecutive days during the period beginning January 1, 202~~3~~ and ending December 31, 202~~3~~; ~~and (4) had no hotel room inventory changes resulting in greater than 10% fluctuation of annual available room nights during the period beginning January 1, 2022 and ending December 31, 2022. In addition, for the period beginning January 1, 2022 and ending December 31, 2022, we excluded from the Performance Sample 1 COMFORT hotel that opened and subsequently closed during this period. There were no COMFORT hotels that closed during Year 2023 after being open less than 1 year.~~

Note 1: Projected openings are based on management's current beliefs, assumptions and expectations, which in turn are based on information currently available to management as of December 31, 20223.

The number of franchises as of year-end may differ from that in the audited financial statements (Exhibit C to this Disclosure Document) as the financial statements also include franchises in Puerto Rico, Dominican Republic, Turks & Caicos, the Cayman Islands and the Bahamas.

Exhibit O lists the names of all of our U.S. operating franchisees and the addresses and telephone numbers of their Hotels as of December 31, 20223, including franchisees who have signed Franchise Agreements for Hotels that were not yet operational as of December 31, 20223.

Exhibit P lists the name, city and state, and business telephone number (or, if unknown, the last known home telephone number) of all franchisees who transferred their hotels or who had a Hotel terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to operate and/or conduct business under a Franchise Agreement during the most recently completed fiscal year, or who has not communicated with us within 10 weeks of the issuance date of this Disclosure Document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the past three years, franchisees have signed confidentiality clauses with us. In some instances, current and former franchisees have signed provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all of these franchisees will be able to communicate with you.

Exhibit N lists, to the extent known, the names, addresses, telephone numbers, e-mail addresses and Web addresses of each trademark-specific franchisee organization associated with the franchise system being offered which we have created, sponsored or endorsed.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of Choice Hotels International, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Choice Hotels International, Inc. and subsidiaries (the Company) as of December 31, 2023 and 2022, the related consolidated statements of income, comprehensive income, shareholders' equity (deficit) and cash flows for each of the three years in the period ended December 31, 2023, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 20, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

<i>Description of the Matter</i>	<i>Accounting for Choice Privileges Loyalty Program</i> The Company recognized \$93.1 million in revenues from loyalty points redeemed, net of the cost of redemptions, and had a point liability and deferred revenue of \$137.8 million and \$98.2 million, respectively, as of December 31, 2023, associated with the Choice Privileges Loyalty Program. As discussed in Note 1 to the consolidated financial statements, loyalty points earned represent a performance obligation attributable to usage of the points, and thus revenues are recognized at the point in time when the loyalty points are redeemed by members for benefits. The liability for the Choice Privileges Loyalty Program is developed based on an estimate of the eventual redemption rates on future redemption behavior and point values using various actuarial methods. The amount of the Choice Privileges Loyalty Program fees in excess of the point liability represents deferred revenue, which is recognized to revenue as points are redeemed including an estimate of future forfeitures. Auditing the Choice Privileges Loyalty Program results is complex due to: (1) the complexity of the models used to account for Choice Privileges Loyalty Program results; and (2) the complexity of estimating the future redemption rate and Choice Privileges Loyalty Program point values. Such estimates are highly judgmental given the significant estimation uncertainty associated with expected redemption activity.
<i>How We Addressed the Matter in Our Audit</i>	We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company’s process of accounting for the Choice Privileges Loyalty Program during the year. For example, we tested controls over management’s review of the assumptions and data inputs used in the accounting model and the actuarial methods used to estimate the ultimate redemption rate of Choice Privileges Loyalty Program points. To test the recognition of revenues and liabilities associated with the Choice Privileges Loyalty Program, we performed audit procedures that included, among others, testing the completeness and accuracy of the data and significant assumptions used in the models and assessing the accounting models developed by the Company to recognize the related revenue and the liabilities. For example, we tested significant inputs into the accounting models, including the Choice Privileges Loyalty Program point values and the recognition of points earned and redeemed during the period. With the assistance of our actuarial specialists, we evaluated management’s methodologies as well as the actuarial assumptions used in estimating the Choice Privileges Loyalty Program expected redemption rates.
/s/ Ernst & Young LLP	We have served as the Company’s auditor since 2014.

**CHOICE HOTELS INTERNATIONAL, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

1. Basis of Presentation and Significant Accounting Policies

Basis of Presentation

The accompanying consolidated financial statements of Choice Hotels International, Inc. and subsidiaries (collectively, "Choice" or the "Company") have been prepared by the Company in accordance with accounting principles generally accepted in the United States of America ("GAAP") pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). All significant intercompany accounts and transactions between the Company and its subsidiaries have been eliminated in consolidation.

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities as of the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. In the opinion of management, the accompanying consolidated financial statements include all adjustments that are necessary to fairly present the Company's financial position and results of operations. Except as otherwise disclosed, all adjustments are of a normal recurring nature.

Certain prior year amounts in our consolidated financial statements have been reclassified in order to maintain comparability with the current year presentation. Business combination, diligence and transition costs, which were previously presented in selling, general and administrative expenses, are now presented within a standalone financial statement line item in the consolidated statements of income. The reclassification had no effect on the Company's previously reported operating income or net income.

Acquisition of Radisson Hotels Americas

On August 11, 2022, the Company completed the acquisition (the "Transaction") of (1) all of the issued and outstanding shares of Radisson Hospitality, Inc., and (2) certain trademarks held by Radisson Hospitality Belgium BV/SRL (collectively referred to as "Radisson Hotels Americas").

The Company determined that it was the accounting acquirer of Radisson Hotels Americas and accounted for the Transaction as a business combination using the acquisition method of accounting. Accordingly, the assets acquired and the liabilities assumed were recorded at their fair values as of the August 11, 2022 acquisition date, with the exception of certain assets and liabilities which were accounted for in accordance with the provisions of ASU 2021-08, *Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers* ("ASU 2021-08"). The Company finalized the purchase price allocation for the Transaction during the third quarter of 2023. Refer to Note 24 for more information.

Revenue Recognition

Franchise Agreements

The Company's revenues are primarily derived from franchise agreements with third-party hotel owners. The majority of the Company's performance obligations are a series of distinct services, which are described in more detail below, for which the Company receives variable consideration through franchise fees. The Company enters into franchise agreements to provide franchisees with a limited non-exclusive license to utilize the Company's registered brand tradenames and trademarks, marketing and reservation services, and other miscellaneous franchise services. These agreements typically have an initial term of 10 to 30 years with provisions permitting the franchisees or the Company to terminate the franchise agreement upon designated anniversaries of the hotel opening before the end of the initial term. An up-front initial franchise fee is assessed to the third-party hotel owners to affiliate with our brands, which is typically paid prior to the execution of the franchise agreement and is non-refundable. After hotel opening, franchise fees are typically generated based on a percentage of gross room revenues or as designated transactions and events occur (such as when a reservation is delivered to the hotel through a specified channel) and are invoiced by the Company in the following month.

The franchise agreements are comprised of multiple performance obligations, which may require significant judgment in identifying. The primary performance obligations are as follows:

- *License of brand intellectual property and related services* ("brand intellectual property") - Grants the right to access the Company's intellectual property associated with the brand tradenames, trademarks, reservation systems, property management systems, and related services.

- *Material rights for free or discounted goods or services to hotel guests* - Primarily consists of the points issued under the Company's guest loyalty program, Choice Privileges.

License of Brand Intellectual Property and Related Services

The fees generated from brand intellectual property are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the franchise agreement. The franchise fees are typically based on the sales or usage of the underlying hotel (i.e., after the completion of a hotel stay), with the exception of fixed up-front fees that usually represent an insignificant portion of the transaction price. The variable transaction price is determined for the period when the underlying gross room revenues and the transactions or events which generate fees are known.

Franchise fees include the following:

- *Royalty fees* - Royalty fees are earned in exchange for a license to brand intellectual property typically based on a percentage of gross room revenues. The royalty fees are billed and collected monthly and the revenues are recognized in the same period that the underlying gross room revenues are earned by the Company's franchisees. The royalty fees are recognized within royalty, licensing and management fees revenue in the consolidated statements of income.
- *Initial franchise fees* - Initial franchise fees are charged when (i) new hotels enter the franchise system, (ii) there is a change of ownership, or (iii) the existing franchise agreements are extended. The initial franchise fees are recognized as revenue ratably as the services are provided over the enforceable period of the franchise agreement, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred amounts are recognized to revenue in the period of termination. The enforceable period is the period from the hotel's opening to the first point the franchisee or the Company can terminate the franchise agreement without incurring a significant penalty.
- *Other revenue* - Other revenue is a combination of miscellaneous non-marketing and reservation system fees, which includes quality assurance, non-compliance, and franchisee training fees. Other revenue is recognized in the period that the designated transaction or event has occurred.

The Company's franchise agreements require the payment of marketing and reservation system fees. The Company is obligated to use these marketing and reservation system fees to provide marketing and reservation services, such as marketing, media, advertising, access to centralized reservation systems, and certain franchise services to support the operation of the overall franchise system. The marketing and reservation system fees are recognized within other revenues from franchised and managed properties in the consolidated statements of income. These services are comprised of multiple fees including the following:

- Fees based on a percentage of gross room revenues are recognized in the period the gross room revenue was earned, based on the underlying hotel's sales or usage.
- Fees based on the occurrence of a designated transaction or event are recognized in the period the transaction or event occurred.
- System implementation fees charged to the franchisees are deferred and recognized as revenue over the enforceable period of the franchise agreement.
- Marketing and reservation system activities also include revenues generated from the Company's guest loyalty programs. The revenue recognition of these programs is discussed in the *Material rights for free or discounted goods or services to hotel guests* section below.

Marketing and reservation system expenses are the expenses that are incurred to facilitate the delivery of the marketing and reservation system services, including direct expenses and an allocation of costs for certain administrative activities that are required to carry out marketing and reservation system services. Marketing and reservation system expenses are recognized when the services are incurred or the goods are received within other expenses from franchised and managed properties in the consolidated statements of income. As a result, the marketing and reservation system expenses may not equal the marketing and reservation system revenues in a specific period but are expected to equal the revenues earned from the franchisees over time. The Company's franchise agreements provide the Company the right to advance monies to the franchise system when the needs of the franchisor system surpass the balances currently available. The Company has the right to recover such advances in future periods through additional fee assessments or reduced spending.

Material Rights for Free or Discounted Goods or Services to Hotel Guests

Choice Privileges is the Company's guest loyalty program, which enable members to earn points based on their spending levels with the Company's franchisees or certain vendors (refer to the Partnership Agreements section below). The points, which the

Company accumulates and tracks on the members' behalf, may be redeemed for free accommodations or other benefits (e.g. gift cards to participating retailers). The Company collects from the franchisees a percentage of the loyalty program members' gross room revenue from completed stays to operate the programs. At such time the points are redeemed for free accommodations or other benefits, the Company reimburses the franchisees or third parties based on a rate derived in accordance with the franchise or vendor agreement.

The loyalty points represent a performance obligation attributable to the usage of the points, and thus the revenues are recognized at the point in time when the loyalty points are redeemed by the members for benefits. The transaction price is variable and determined in the period when the loyalty points are earned and the underlying gross room revenues are known. No loyalty program revenues are recognized at the time the loyalty points are issued.

The Company is an agent in coordinating the delivery of the services between the loyalty program member and the franchisee or third party, and as a result, the revenues are recognized net of the cost of redemptions. The estimated value of the future redemptions is reflected in the current and non-current liability for guest loyalty program in the consolidated balance sheets. The liability for the guest loyalty program is developed based on an estimate of the eventual redemption rates and point values using various actuarial methods. These significant judgments determine the required point liability attributable to the outstanding points, which is relieved as the redemption costs are processed. The amount of the loyalty program fees in excess of the guest loyalty program point liability represents current and non-current deferred revenue, which is recognized to revenue as the points are redeemed including an estimate of the future forfeitures ("breakage"). The anticipated redemption pattern of the points is the basis for the current and non-current designation of each liability. As of December 31, 2023, the current and non-current deferred revenue balances were \$67.3 million and \$30.9 million, respectively. The loyalty points are typically redeemed within three years of issuance. The loyalty program point redemption revenues are recognized within other revenues from franchised and managed properties in the consolidated statements of income.

The Company also recognizes revenues from various contracts that are incidental to the support of the operations for the franchised hotels, including the purchasing operations.

Partnership Agreements

The Company is a party to various agreements with third-party partners, including the co-branding of the Choice Privileges credit card. The agreements typically provide for use of the Company's marks, limited access to the Company's distribution channels, and the sale of Choice Privileges loyalty points, in exchange for fees primarily comprising variable consideration that is paid each month. Loyalty members can earn points through participation in the partner's program.

The partnership agreements include multiple performance obligations. The primary performance obligations are for the brand intellectual property and material rights for free or discounted goods or services to hotel guests. The allocation of the fixed and variable consideration to the performance obligations is based on the standalone selling price, which is estimated based on the market and income methods, which contain significant judgments. The amounts allocated to the brand intellectual property are recognized on a gross basis over time using the output measure of the time elapsed, primarily within royalty, licensing and management fees and platform and procurement services fees in the consolidated statements of income. The amounts allocated to the material rights for free or discounted goods or services to hotel guests are recognized to revenue as the points are redeemed including an estimate of the breakage, primarily within other revenues from franchised and managed properties in the consolidated statements of income.

Qualified Vendors

The Company generates procurement services revenue from qualified vendors. The qualified vendor revenue is generally based on the marketing services provided by the Company on behalf of, and the access provided to, the qualified vendors to the hotel owners and guests. The Company provides these services in exchange for either fixed consideration or a percentage of the revenues earned by the qualified vendor pertaining to purchases by the Company's franchisees or guests. The fixed consideration is paid in installments based on a contractual schedule, with an initial payment typically due at contract execution. The variable consideration is typically paid quarterly after the sales to the franchisees or guests have occurred.

The qualified vendor agreements comprise a single performance obligation, which is satisfied over time based on the access afforded, and the services provided, to the qualified vendor for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined and recognized in the period when the vendors' sales to the franchisees or guests are known or the cash payment has been remitted. The qualified vendor revenues are recognized within platform and procurement services fees revenue in the consolidated statements of income.

Other

The Company is a party to other non-franchising agreements that generate revenue, which are primarily SaaS arrangements for non-franchised hoteliers, and is presented as other revenue in the consolidated statements of income. SaaS agreements typically include fixed consideration for installment and other initiation fees that are paid at the beginning of the contract, and variable consideration for recurring subscription revenue that is typically paid on a monthly basis. SaaS agreements comprise a single performance obligation, which is satisfied over time based on the access to the software for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined at the conclusion of each period, and allocated to and recognized in the current period.

Managed Hotels

The Company manages 14 hotels (inclusive of four owned hotels). The management agreements provide for the use of the Company's marks and hotel management services, include providing day-to-day management services in the operation of the hotels for the hotel owners. The fees generated from the management agreements are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the management agreement, and include base and incentive management fees. Base management fees are generally based on a percentage of the hotel's monthly gross revenue and invoiced and collected monthly. Incentive management fees are generally based on a percentage of the hotel's operating profits as measured and invoiced on an annual basis. Base and incentive management fee revenues are recognized within royalty, licensing and management fees in the consolidated statements of income. Refer to Note 23 for more information on the management agreement guarantees.

The Company's management agreements include amounts that are contractually reimbursed to us by the hotel owners, either directly or indirectly, relating to certain costs and expenses that are paid by us in support of the operations of these hotel properties. The reimbursements include payroll and related costs and certain other operating costs of the managed properties' operations, which are reimbursed to us by the hotel owners as the expenses are incurred. The revenue related to these direct reimbursements is recognized based on the amount of the expenses incurred by the Company, which are recognized as other expenses from franchised and managed properties in the consolidated statements of operations. The hotel owner typically reimburses us on a monthly basis, which results in no net effect to operating income or net income. The revenues related to marketing and reservations are recognized over time and are intended to reimburse us, indirectly, for the expenses incurred in performing the marketing and reservation services. These managed revenues are presented within other revenues from franchised and managed properties in the consolidated statements of operations.

Owned Hotels

The Company owned ten hotels and nine hotels as of December 31, 2023 and 2022, respectively, from which the Company generates revenues. As a hotel owner, the Company has performance obligations to provide accommodations to hotel guests and in return, the Company earns a nightly fee for an agreed upon period that is generally payable at the time the hotel guest checks out of the hotel. The Company typically satisfies the performance obligations over the length of the stay and recognizes the revenue on a daily basis, as the hotel rooms are occupied and the services are rendered.

Other ancillary goods and services at the owned hotels are purchased independently of the hotel stay at the standalone selling prices and are considered separate performance obligations, which are satisfied at the point in time when the related good or service is provided to the guest. These primarily consist of food and beverage, incidentals, and parking fees. The hotel room night and other ancillary hotel ownership revenues are recognized within owned hotels revenue in the consolidated statements of income.

Sales Taxes

The Company presents the taxes collected from customers and then remitted to governmental authorities on a net basis and, therefore, the taxes are excluded from revenues in the consolidated financial statements.

Business Combination, Diligence and Transition Costs

The Company incurs costs during the review of potential business combinations, including legal fees, financial advisory, and other professional service fees. If the Company is successful in completing a business combination, then the Company may incur transition and integration costs, including professional service fees, technology costs, and employee-related costs such as bonuses, retention, and severance. The business combination, diligence and transition costs are expensed as incurred in the consolidated statements of income.

Notes & Accounts Receivable and Allowances for Credit Losses

The Company provides financing in the form of notes receivable loans to franchisees to support the development or conversion of properties in strategic markets.

The Company accrues interest for notes receivable loans in accordance with loan provisions. The Company considers notes receivable loans past due and in default when payments are not made when due in accordance with the then-current loan provisions or the terms extended to the borrowers, including loans with concessions or interest deferral. The Company suspends the accrual of interest when payments on loans are more than 30 days past due or upon a loan being classified as collateral-dependent. The Company applies the payments received for loans on a non-accrual status first to interest and then to principal. The Company does not resume an interest accrual until all delinquent payments are received based on the then-current loan provisions.

The Company has developed a systematic methodology to determine its allowance for credit losses across our portfolio of notes receivable loans. The Company monitors the risk and performance of our portfolio by the level of security in the collateral (i.e., senior, subordinated, or unsecured), which is the Company's credit quality indicator. As each of the Company's notes receivable loans has unique risk characteristics, the Company deploys its methodology to calculate allowances for credit losses at the individual notes receivable loan level.

The Company primarily utilizes a discounted cash flow ("DCF") technique to measure the credit allowance, influenced by the key economic variables of each note receivable loan. The Company identified the key economic variables for these loans to be the loan-to-cost ("LTC") or loan-to-value ("LTV") ratios and a debt service coverage ratio ("DSCR"). The LTC or LTV ratio represents the loan principal relative to the project cost or value and is an indication of the loan principal's ability to be re-paid at loan maturity. The DSCR represents property-specific net operating income as a percentage of the interest and principal payments incurred (i.e., debt service) on all debt of the borrower for the property and is an indication of the borrower's ability to make timely payments during the term of the loan. The LTC or LTV ratios and DSCR are considered during the loan underwriting process as indications of risk and, accordingly, we believe these factors are the most representative risk indicators for calculating the allowance for credit loss. Loans with higher LTC or LTV ratios and lower DSCR ratios generally are representative of loans with greater risk and, accordingly, have higher credit allowances as a percentage of loan principal. Conversely, loans with lower LTC or LTV ratios and higher DSCR ratios generally are representative of loans with lesser risk and, accordingly, have lower credit allowances as a percentage of loan principal. In preparing or updating a DCF model to measure the credit allowance, the Company develops various recovery scenarios and, based on the key economic variables, the present status of the loan, and the underlying collateral, applies a probability-weighting to the outputs of the scenarios.

Collateral-dependent financial assets are financial assets for which repayment is expected to be derived substantially through the operation or sale of the collateral and when the borrower is experiencing financial difficulty. For collateral-dependent loans, the expected credit losses are based on the fair value of the collateral, less the selling costs if repayment will be from the sale of the collateral. The Company calculates the fair value of the collateral using a DCF technique to project the cash flows or a market approach via quoted market prices. In developing the cash flow projections, the Company will review the borrower's financial statements for the property, economic trends, industry projections for the market where the property is located, and comparable sales capitalization rates.

Management assesses the credit quality of the notes receivable portfolio and the adequacy of the credit loss allowances on a quarterly basis and recognizes the provisions for credit losses in selling, general and administrative expenses in the consolidated statements of income. Significant judgment is required in this analysis.

Accounts receivable consists primarily of the franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount. The allowance for credit losses is the Company's best estimate of the amount of expected credit losses inherent in the accounts receivable balance. The Company determines the allowance considering its historical write-off experience, a review of the aged receivable balances and customer payment trends, the economic environment, and other available evidence. The Company recognizes the provisions for credit losses on accounts receivable in selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income.

When the Company determines that a trade or note receivable is not collectible, then the account is written-off to the associated allowance for credit losses.

Refer to Note 4 for more information on the receivables and the allowances for credit losses.

Advertising Costs

The Company expenses advertising costs as the advertising occurs. Advertising expense was \$195.2 million, \$170.4 million, and \$81.5 million for the years ended December 31, 2023, 2022, and 2021, respectively. The Company presents advertising costs primarily in other expenses from franchised and managed properties in the consolidated statements of income.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents. The Company maintains cash balances at domestic banks, which at times may exceed the limits of the amounts insured by the Federal Deposit Insurance Corporation. In addition, the Company also maintains cash balances at international banks which do not provide deposit insurance.

Capitalization Policies

Property and equipment are generally recorded at cost and depreciated for financial reporting purposes using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the lease term or the estimated useful lives of the assets. Major renovations and replacements incurred during construction are capitalized. The costs for computer software developed for internal use are capitalized during the application development stage and amortized using the straight-line method over the estimated useful lives of the software. The capitalized software licenses pertaining to cloud computing arrangements are amortized using the straight-line method over the shorter of the cloud computing arrangement term or the estimated useful lives of the software. The Company capitalizes the interest incurred during the construction and development of property and equipment, including software. The total interest capitalized as a cost of property and equipment was \$5.8 million and \$2.0 million during the years ended December 31, 2023 and 2022, respectively.

As construction in progress and software development are completed and then placed in service, the assets are transferred to the appropriate property and equipment categories and depreciation and amortization begins. Upon the sale or the retirement of the property, the cost and the related accumulated depreciation are eliminated from the accounts and any related gain or loss is recognized in the consolidated statements of income. Repairs and maintenance, and minor replacements, are charged to expense as incurred.

The Company has made certain acquisitions of hotel assets, which are recognized at the fair value of the consideration exchanged. Refer to Note 24 for more information. The Company acquires land parcels with the intention to develop hotels, which are recognized at cost within property and equipment, net in the consolidated balance sheets. If the Company determines that it will not progress to active construction and development of a land parcel, then the land parcel is reclassified to other assets in the consolidated balance sheets.

The table below summarizes the estimated useful lives for the respective assets for depreciation and amortization purposes:

Computer equipment and software	2 - 7 years
Buildings and leasehold improvements	10 - 40 years
Furniture, fixtures, vehicles and equipment	3 - 10 years

Assets Held for Sale

The Company considers assets to be held for sale when all of the following criteria are met:

- Management commits to a plan to sell an asset;
- It is unlikely that the disposal plan will be significantly modified or discontinued;
- The asset is available for immediate sale in its present condition;
- Actions required to complete the sale of the asset have been initiated;
- The sale of the asset is probable and the Company expects the completed sale will occur within one year; and
- The asset is actively being marketed for sale at a price that is reasonable given its current market value.

Upon designation as an asset held for sale, the Company recognizes the carrying value of each asset as a component of other current assets at the lower of its carrying value or its estimated fair value, less the estimated costs to sell, and immediately ceases the recognition of depreciation or amortization expense on the asset.

If, at any time, these criteria are no longer met, subject to certain exceptions, then the assets previously classified as held for sale are reclassified as held and used and measured individually at the lower of (a) the carrying amount before the asset was

classified as held for sale, adjusted for any depreciation or amortization expense that would have been recognized had the asset been continuously classified as held and used, or (b) the fair value at the date of the subsequent decision not to sell.

Long-Lived Assets, Intangible Assets, and Goodwill

The Company groups its long-lived assets, including property and equipment and definite-lived intangible assets (e.g., franchise rights and franchise agreement acquisition costs), at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities. The Company evaluates the potential impairment of its long-lived asset groups annually as of December 31 or earlier when other circumstances indicate that the Company may not be able to recover the carrying value of the asset group. When indicators of impairment are present, then the recoverability is assessed based on undiscounted expected cash flows. If the undiscounted expected cash flows are less than the carrying amount of the asset group, then an impairment charge is measured and recognized, as applicable, for the excess of the carrying value over the fair value of the asset group. The fair value of the long-lived asset groups are estimated primarily using discounted cash flow analyses representing the highest and best use by an independent market participant. Significant management judgment is involved in evaluating any indicators of impairment and developing any required projections to test for the recoverability or the estimated fair value. Furthermore, if management uses different projections or if different conditions occur in future periods, then future operating results could be materially impacted.

The Company did not identify any indicators of impairment of long-lived assets from the Hotel Franchising reporting unit during the years ended December 31, 2023, 2022, and 2021, other than impairments on franchise sales commission assets and franchise agreement acquisition cost intangible assets, which are recognized within selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income. Refer to Note 2 for additional information.

During the year ended December 31, 2023, the Company recognized an impairment loss on the long-lived assets associated with the legacy Radisson corporate office lease. Refer to Note 6 for additional information.

The Company evaluates the impairment of goodwill and intangible assets with indefinite lives annually as of December 31 or earlier upon the occurrence of substantive unfavorable changes in economic conditions, industry trends, costs, cash flows, or ongoing declines in market capitalization that indicate that the Company may not be able to recover the carrying amount of the asset. In evaluating these assets for impairment, the Company may elect to first assess qualitative factors to determine whether it is more likely than not that the fair value of the reporting unit or the indefinite lived intangible asset is less than its carrying amount. If the conclusion is that it is not more likely than not that the fair value of the asset is less than its carrying value, then no further testing is required. If the conclusion is that it is more likely than not that the fair value of the asset is less than its carrying value, then a quantitative impairment test is performed whereby the carrying value is compared to the fair value of the asset and an impairment charge is recognized, as applicable, for the excess of the carrying value over the fair value. The Company may elect to forgo the qualitative assessment and move directly to the quantitative impairment tests for goodwill and indefinite-lived intangible assets. The Company determines the fair value of its reporting units and indefinite-lived intangible assets using the income and market methods.

Goodwill is allocated to the Company's reporting units. The Company's reporting units are determined primarily by the availability of discrete financial information relied upon by the chief operating decision maker ("CODM") to assess performance and make operating segment resource allocation decisions. As of December 31, 2023, the Company's goodwill is allocated solely to the Hotel Franchising reporting unit. The Company performed the qualitative impairment analysis for the Hotel Franchising reporting unit, concluding that it is more likely than not that the fair value of the reporting unit is greater than its carrying amount. As such, a quantitative test was not required and no impairment was recorded.

Variable Interest Entities

In accordance with the guidance for the consolidation of variable interest entities ("VIE"), the Company identifies its variable interests and analyzes to determine if the entity in which the Company has a variable interest is a VIE. The Company's variable interests include equity investments, loans, and guaranties. The determination of whether a variable interest is a VIE includes both quantitative and qualitative considerations. For those entities determined to be VIEs, a further quantitative and qualitative analysis is performed to determine if the Company is deemed to be the primary beneficiary. The primary beneficiary is the party who has the power to direct the activities of a VIE that most significantly impacts the entity's economic performance and who has an obligation to absorb the losses of the entity or a right to receive the benefits from the entity that could potentially be significant. The Company consolidates those entities in which it is determined to be the primary beneficiary. As of December 31, 2023, the Company is not the primary beneficiary of any VIE. The Company's qualitative analysis is based on its review of the design of the entity, the organizational structure including its decision-making ability, and the relevant development, operating management, and financial agreements.

The investments in unconsolidated affiliates where the Company is not deemed to be the primary beneficiary but where the Company exercises significant influence over the operating and financial policies of the investee are accounted for using the equity method of accounting.

Investments in Affiliates

The Company evaluates an investment in an affiliate for impairment when circumstances indicate that the carrying value may not be recoverable, such as a loan default, significant under-performance relative to historical or projected operating performance, and/or significant negative industry, market, or economic trends. When there is an indication that a loss in value has occurred, the Company evaluates the carrying value compared to the estimated fair value of the investment. The fair value is based upon internally-developed discounted cash flow models, third-party appraisals, or current estimated net sales proceeds from pending offers. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three in the fair value measurement hierarchy, as the Company utilized unobservable inputs which are significant to the overall fair value. If the estimated fair value is less than the carrying value, then management uses its judgment to determine if the decline in value is other-than-temporary. In determining this, the Company considers factors including, but not limited to, the length of time and extent of the decline, loss of value as a percentage of the cost, financial condition, near-term financial projections, the Company's intent and ability to recover the lost value, and current economic conditions. For declines in value that are deemed to be other-than-temporary, then the impairment charge is recognized to earnings. The Company did not recognize any impairment charges on its investments in affiliates during the year ended December 31, 2023. During the years ended December 31, 2022 and 2021, the Company recognized impairment charges of \$0.2 million and \$19.3 million, respectively, related to multiple investments in affiliates that are accounted for under the equity method of accounting. The impairment charges were recognized within equity in net (gain) loss of affiliates in the consolidated statements of income. Refer to Note 8 for additional information.

Investments in Equity Securities

The Company's investments in equity securities are recognized at fair value in the consolidated balance sheets, and the unrealized gains and losses on the investments in equity securities are recognized as other (gain) loss in the consolidated statements of income. Refer to Note 14 for additional information on the fair value measurements of the equity securities. The realized gains and losses on the investments in equity securities are recognized upon the disposition of the equity securities using the specific identification method as other (gain) loss in the consolidated statements of income.

Foreign Operations

The United States dollar is the functional currency of the consolidated entities operating in the United States. The functional currency for the consolidated entities operating outside of the United States is generally the currency of the primary economic environment in which the entity primarily generates and expends cash. The Company translates the financial statements of the consolidated entities whose functional currency is not the United States dollar into United States dollars. The Company translates the assets and liabilities at the exchange rate in effect as of the financial statements date, and translates income statement accounts using the approximate weighted average exchange rate for the period. The Company includes translation adjustments from foreign exchange and the effect of exchange rate changes on intercompany transactions of a long-term investment nature as a separate component of shareholders' equity (deficit). The Company presents foreign currency transaction gains and losses, and the effect of inter-company transactions of a short-term or trading nature, within other (gain) loss in the consolidated statements of income. For the years ended December 31, 2023, 2022, and 2021, the foreign currency transaction (gains) losses were \$(0.5) million, \$1.0 million, and \$0.4 million, respectively.

Share-Based Compensation

The Company recognizes compensation expense for share-based awards based on the fair value of the equity or liability instruments issued. The compensation expense is recognized on a straight-line basis over the requisite service period. Over the life of the share-based award grant, the Company's estimate of the share-based compensation expense for the share-based awards with performance and/or service requirements will be adjusted so that compensation expense is recognized only for the share-based awards that will ultimately vest. For the share-based award grants with market conditions, the fair value of the award is determined on the grant date and compensation expense is recognized on a straight-line basis over the life of the grant.

Leases

The Company determines if an arrangement is a lease, and the classification as either an operating lease or a financing lease, at lease inception. Operating leases are included in operating lease right-of-use assets, accrued expenses and other current liabilities, and operating lease liabilities in our consolidated balance sheets. As of December 31, 2023 and 2022, the Company did not have any leases classified as a financing lease.

On the commencement date, operating lease right-of-use assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term. Operating lease right-of-use assets are further offset by any prepaid rent, lease incentives, and any initial direct costs incurred. When a lease agreement does not provide an implicit rate, the Company utilizes its incremental borrowing rate based on the information available at the commencement date in determining the present value of the future minimum lease payments.

Lease expense for the minimum lease payments is recognized on a straight-line basis over the lease term. Variable lease payments include certain index-based changes in rent, certain non-lease components (such as maintenance and other services provided by the lessor), and other charges included in the lease. Variable lease payments are excluded from the future minimum lease payments and expensed as incurred.

The Company has made an election to not separate the lease and the non-lease components for all classes of underlying assets in which it is the lessee. In addition, the Company has made an election to not recognize short-term leases with an initial term of 12 months or less in the consolidated balance sheet. These short-term leases are expensed on a straight-line basis over the lease term.

Recently Adopted & Issued Accounting Standards

In October 2021, the Financial Accounting Standards Board ("FASB") issued an Accounting Standards Update ("ASU") 2021-08 which requires an acquirer in a business combination to recognize and measure contract assets and contract liabilities in accordance with *Revenue from Contracts with Customers (Topic 606)*, as if the acquirer had originated the contracts at the date of the business combination. ASU 2021-08 is effective for the annual reporting period beginning after December 15, 2022 and the interim periods within that fiscal years. Early adoption is permitted.

The Company elected to early adopt ASU 2021-08 in the second quarter of 2022. There was no retrospective impact to our consolidated financial statement as a result of the adoption. ASU 2021-08 was applied in the accounting for the acquisition of Radisson Hotels Americas, and accordingly, the Company utilized the carrying values of contract assets and contract liabilities of Radisson Hotels Americas in application of acquisition accounting (refer to Note 24).

In March 2022, the FASB issued ASU 2022-02, *Financial Instruments - Credit Losses* ("ASU 2022-02"). ASU 2022-02 eliminates the recognition and measurement guidance on troubled debt restructuring for creditors that have adopted ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326)* ("Topic 326"), requires enhanced disclosures about loan modifications for borrowers experiencing financial difficulty, and includes new guidance on current-period gross write-offs presentation. ASU 2022-02 is effective for the annual reporting period beginning after December 15, 2022 and the interim periods within that fiscal year. Early adoption is permitted. The Company adopted ASU 2022-02 on a prospective basis effective January 1, 2023, and applied in the accounting for loan modifications made for borrowers experiencing financial difficulty in the fourth quarter of 2023. Refer to Note 4 for more information.

In November 2023, the FASB issued ASU 2023-07, *Improvements to Reportable Segment Disclosures* ("ASU 2023-07"). ASU 2023-07 requires public entities to disclose significant segment expenses by reportable segment if they are regularly provided to the CODM and included in each reported measure of segment profit or loss on both an annual and an interim basis. ASU 2023-07 is effective for the annual reporting period beginning after December 15, 2023 and the interim periods within the annual reporting period beginning after December 15, 2024. The Company is currently evaluating the potential impact that ASU 2023-07 will have on the Company's consolidated financial statements.

In December 2023, the FASB issued ASU 2023-09, *Improvements to Income Tax Disclosures* ("ASU 2023-09"). ASU 2023-09 is designed to provide additional information to financial statement users in regards to how an entity's operations, risks, and planning affect its tax rate, opportunities, and future cash flows. ASU 2023-09 is effective for the annual reporting period beginning after December 15, 2024. Based on the Company's assessment, the adoption of this standard is not expected to have an impact on the Company's consolidated financial statements, but it will require enhanced income tax disclosures in the notes to the consolidated financial statements.

2. Revenue

Contract Liabilities

Contract liabilities relate to (i) advance consideration received related to services considered to be a part of the brand intellectual property performance obligation, such as initial franchise fees that are paid when a franchise agreement is executed and system implementation fees that are paid at the time of installation, and (ii) amounts received when loyalty points are issued but the associated revenue has not yet been recognized since the related loyalty points have not been redeemed.

Deferred revenues from initial fees and system implementation fees are typically recognized over a ten-year period, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred amounts are recognized to revenue in the period of termination. Loyalty points are typically redeemed within three years of issuance.

The following table summarizes the significant changes in the contract liabilities balances during the year ended December 31, 2023:

(in thousands)

Balance as of December 31, 2022	\$	209,359
Increases to the contract liability balance due to cash received		115,661
Revenue recognized in the period		(115,125)
Balance as of December 31, 2023	\$	209,895

Remaining Performance Obligations

The aggregate amount of the transaction price that is allocated to unsatisfied, or partially unsatisfied performance obligations was \$209.9 million as of December 31, 2023. This amount represents the fixed transaction price that will be recognized as revenue in future periods, which is presented as current and non-current deferred revenue in the consolidated balance sheets.

Based on the practical expedient elections permitted by ASU 2014-09, *Revenue From Contracts with Customers (Topic 606)* and subsequent amendments ("Topic 606"), the Company does not disclose the value of unsatisfied performance obligations for (i) variable consideration subject to the sales or usage-based royalty constraint or comprising a component of a series (including franchise, partnership, qualified vendor, and software as a service ("SaaS") agreements), (ii) variable consideration for which we recognize revenue at the amount to which we have the right to invoice for services performed, or (iii) contracts with an expected original duration of one year or less.

Capitalized Franchise Agreement Costs

Sales commissions earned by Company personnel upon execution of a franchise agreement ("franchise sales commissions") meet the requirement to be capitalized as an incremental cost of obtaining a contract with a customer. The capitalized franchise sales commissions are amortized on a straight-line basis over the estimated benefit period of the arrangement, unless the franchise agreement is terminated and the hotel exits the system whereby the remaining capitalized amounts will be expensed in the period of termination. The estimated benefit period is the Company's estimate of the duration a hotel will remain in the Choice system. As of December 31, 2023 and 2022, the capitalized franchise sales commissions were \$58.6 million and \$57.6 million, respectively, which are recognized within other assets in the consolidated balance sheets. For the years ended December 31, 2023, 2022, and 2021, amortization expense and impairment charges were \$13.1 million, \$13.0 million, and \$11.9 million, respectively, which are recognized in selling, general and administrative expenses in the consolidated statements of income.

The Company makes certain payments to customers as an incentive to enter into new franchise agreements ("franchise agreement acquisition costs"). These payments are recognized as an adjustment to the transaction price and capitalized as an intangible asset in the consolidated balance sheets. The franchise agreement acquisition cost intangible assets are amortized on a straight-line basis over the estimated benefit period of the arrangement as a reduction to royalty, licensing and management fees and other revenues from franchised and managed properties in the consolidated statements of income. For the years ended December 31, 2023, 2022, and 2021, impairments from adverse franchise agreement activity, including terminations and significant delinquencies in construction or invoice payments, were \$7.3 million, \$2.5 million, and \$11.1 million, respectively, which are recognized in selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income.

The remaining revenues that are recognized at a point in time represent the loyalty points that are redeemed by members for benefits (with both franchisees and third-party partners), net of the cost of redemptions. For the years ended December 31, 2023, 2022, and 2021, the loyalty net revenues, inclusive of adjustments to the estimated redemption rates, were \$93.1 million, \$109.3 million, and \$66.2 million, respectively.

During the year ended December 31, 2022, other revenues included contract termination fee revenue of \$22.7 million from the exit of 110 WoodSpring units in September 2022. The contract termination fee revenue consisted of \$67.4 million in consideration received, less the \$44.7 million in intangible assets that were initially recognized on the date of the WoodSpring acquisition.

As presented in Note 20, the Corporate & Other segment revenue amounts were \$110.9 million, \$108.9 million, and \$45.7 million for the years ended December 31, 2023, 2022, and 2021, respectively, which are presented in other revenues and owned hotels revenues in the consolidated statements of income. The remaining revenues relate to the Hotel Franchising & Management reportable segment.

Royalty, licensing and management fees and other revenues from franchised and managed properties are presented net of intersegment revenues of \$11.1 million, \$5.5 million, and \$2.9 million for the years ended December 31, 2023, 2022, and 2021, respectively.

4. Receivables and Allowance for Credit Losses

Notes Receivable

The Company has provided financing in the form of notes receivable loans to franchisees to support the development of hotel properties in strategic markets. The Company's credit quality indicator is the level of security in the note receivable.

The following table summarizes the composition of the notes receivable balances by credit quality indicator and the allowance for credit losses:

As of December 31, 2023 and December 31, 2022, one note receivable loan with a senior credit quality indicator met the definition of collateral-dependent and is collateralized by membership interests in the borrowing entities and the associated land parcel. The Company used a market approach using quoted market prices to value the underlying collateral. The Company reviewed the borrower's financial statements, economic trends, industry projections for the market, and comparable sales capitalization rates, which represent significant inputs to the cash flow projections. These nonrecurring fair value measurements are classified as Level 3 in the fair value measurement hierarchy because they are unobservable inputs which are significant to the overall fair value. Based on the Company's analysis, the fair value of the collateral secures substantially all of the carrying

value of the note receivable loan. The allowances for credit losses attributable to the collateral-dependent note receivable loan increased by \$1.3 million from \$0.9 million as of December 31, 2022 to \$2.2 million as of December 31, 2023.

During the year ended December 31, 2023, the recoveries were primarily associated with cash collections pursuant to a settlement agreement with a borrower. During the year ended December 31, 2022, the recoveries were primarily associated with a note receivable loan that was previously classified as collateral-dependent and was settled in exchange for an operating hotel on April 14, 2022. Refer to Note 24 regarding the 2022 asset acquisition accounting.

The following table summarizes the past due balances by credit quality indicator of the notes receivable:

(in thousands)	1-30 days Past Due	31-89 days Past Due	> 90 days Past Due	Total Past Due	Current	Total Notes Receivable

The amortized cost basis of the notes receivable in a non-accrual status was \$15.9 million and \$18.7 million as of December 31, 2023 and 2022, respectively.

Variable Interest through Notes Receivable

The Company has issued notes receivable loans to certain entities that have created variable interests in the associated borrowers totaling \$95.1 million and \$103.2 million as of December 31, 2023 and 2022, respectively. The Company has determined that it is not the primary beneficiary of these VIEs. For collateral-dependent loans, the Company has no exposure to the borrowing VIE beyond the respective note receivable and the limited commitments which are addressed in Note 23.

Accounts Receivable

Accounts receivable consists primarily of franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount.

During the year ended December 31, 2023, the Company recognized provisions for credit losses on accounts receivable of \$7.5 million in selling, general and administrative expenses, and \$9.0 million in other expenses from franchised and managed properties, in the consolidated statements of income. During the year ended December 31, 2022, the Company recognized reversals of provisions for credit losses on accounts receivable of \$0.4 million in selling, general and administrative expenses, and provisions for credit losses on accounts receivable of \$1.4 million in other expenses from franchised and managed properties, in the consolidated statements of income. For the years ended December 31, 2023 and 2022, the Company recorded write-offs, net of recoveries, through the accounts receivable allowance for credit losses of \$0.6 million and \$12.4 million, respectively.

5. Property and Equipment

The components of property and equipment were the following:

(in thousands)	December 31,	
	2023	2022
Land and land improvements	\$ 44,978	\$ 37,335
Construction in progress and software under development	98,310	76,700

For the years ended December 31, 2023, 2022, and 2021, depreciation expense, excluding the activity attributable to other expenses from franchised and managed properties, was \$20.9 million, \$14.5 million, and \$16.5 million, respectively.

As of December 31, 2023 and 2022, unamortized capitalized software development costs were \$50.3 million and \$58.5 million, respectively. For the years ended December 31, 2023, 2022, and 2021, the amortization of capitalized software development costs was \$30.3 million, \$26.6 million, and \$14.1 million, respectively, which is included in the other expenses from franchised and managed properties and depreciation and amortization line items in the consolidated statements of income.

6. Goodwill, Impairment of Assets, and Sale of Business and Assets

Goodwill

The following table summarizes the carrying amount of the Company's goodwill:

(in thousands)	December 31,	
	2023	2022
Goodwill	\$ 226,231	\$ 166,774
Accumulated impairment losses	(7,578)	(7,578)
Goodwill, net of accumulated impairment losses	218,653	159,196
Goodwill arising from the Radisson Hotels Americas acquisition (refer to Note 24)	1,534	59,457
Goodwill, net carrying amount	\$ 220,187	\$ 218,653

As of December 31, 2023 and 2022, goodwill is entirely attributable to the Hotel Franchising reporting unit. The Company assessed the qualitative factors attributable to the Hotel Franchising reporting unit and determined that it is not more likely than not that the fair value of the reporting unit is less than its carrying amount. The Hotel Franchising reporting unit is included in the Hotel Franchising & Management reportable segment in Note 20.

Long-lived Asset Group Impairments

Legacy Radisson Corporate Office Lease

On October 12, 2023, the Company executed an agreement to sublease the legacy Radisson corporate office space in Minneapolis, Minnesota. As a result of the intended change of use, the Company determined the assets associated with the legacy Radisson corporate office space represent their own long-lived asset group, inclusive of the head lease right-of-use asset and leasehold improvements, with a carrying value of \$9.5 million. The legacy Radisson corporate office space long-lived asset group was determined to be impaired due to the carrying value exceeding its fair value, which resulted in the recognition of a \$3.4 million impairment loss, which is presented in impairments of long-lived assets in the consolidated statements of income and the Corporate & Other segment in Note 20. This nonrecurring fair value measurement, which is based on a discounted cash flows analysis, is classified as Level 3 in the fair value measurement hierarchy because there are unobservable inputs which are significant to the overall fair value.

Real Estate Asset Sales

During the year ended December 31, 2022, four separately owned Cambria hotel assets or land parcels met the held for sale classification and the Company completed the sale transactions to third-party franchisees, which resulted in the derecognition of

the assets from the consolidated balance sheets. During the year ended December 31, 2022, the Company recognized a gain on sale of business and assets, net for the four sale transactions of \$16.2 million in the Corporate & Other segment.

Commercial Office Building

On December 30, 2014, a court awarded the Company title to a commercial office building as settlement of a portion of an outstanding loan receivable for which the building was pledged as collateral. In 2021, the Company committed to a plan to sell the commercial office building, which met the held for sale classification in the third quarter of 2021. The commercial office building was sold in November 2021 for \$6.1 million, which resulted in a gain of \$13 thousand which is presented in gain on sale of business and assets, net in the consolidated statements of income. The financial results of the commercial office building are included in the Corporate & Other segment in Note 20.

7. Intangible Assets

The components of the Company's intangible assets were the following:

- (1) Represents the purchase price assigned to long-term franchise contracts. The unamortized balance relates primarily to the franchise rights established from the Radisson Hotels Americas Transaction, as well as WoodSpring franchise rights active since acquisition. The franchise rights are being amortized over useful lives ranging from 12 to 15 years on a straight-line basis.
- (2) Represents certain payments to customers as an incentive to enter into new franchise agreements, which are amortized as a reduction to royalty, licensing and management fees and other revenues from franchised and managed properties in the consolidated statements of income over useful lives generally ranging from 10 to 30 years on a straight-line basis commencing at hotel opening. The gross and accumulated amortization amounts are written off upon full amortization recognition, including the termination of an associated franchise agreement. Refer to Note 2 for a discussion of the impairments recognized.
- (3) Represents definite-lived trademarks and other various amortizing assets, including management agreements, which are generally amortized on a straight-line basis over a period of 10 years to 30 years.
- (4) Represents software licenses capitalized under a SaaS agreement, which are generally amortized on a straight-line basis over an average period of 3 years.
- (5) Represents the purchase price assigned to the Radisson, WoodSpring, and Suburban trademarks established at the time of their respective acquisitions. The trademarks are non-amortizing assets because they are expected to generate future cash flows for an indefinite period of time.

For the years ended December 31, 2023, 2022, and 2021, amortization expense on the amortizing intangible assets was \$42.5 million, \$35.1 million, and \$25.2 million, respectively.

The estimated annual amortization expense on the amortizing intangible assets for each of the next five years is as follows:

(in thousands)	
2024	\$ 42,560
2025	\$ 41,598
2026	\$ 40,886
2027	\$ 39,808
2028	\$ 37,982

8. Investments in Affiliates

The Company has equity method investments in affiliates primarily related to the Company's program to offer equity support to qualified franchisees to develop and operate Cambria Hotels in strategic markets.

As of December 31, 2023 and 2022, the Company had total investments in affiliates in the consolidated balance sheets of \$70.6 million and \$30.6 million, respectively, which included investments in affiliates that represent VIEs of \$59.4 million and \$24.5 million, respectively. The Company has determined that it is not the primary beneficiary of any of these VIEs, however the

Company does exercise significant influence through its equity ownership and as a result, the investments in these affiliates are accounted for under the equity method of accounting. During the years ended December 31, 2023, 2022, and 2021, the Company recognized losses totaling \$3.4 million, \$3.7 million, and \$18.9 million, respectively, from these investment that represent VIEs. The Company's maximum exposure to losses related to its investments in the VIEs is limited to the total of its respective equity investment as well as certain limited payment guaranties, which are described in Note 23 of these consolidated financial statements.

The Company recognized no impairment charges during the year ended December 31, 2023. During the years ended December 31, 2022 and 2021, the Company recognized impairment charges of \$0.2 million and \$19.3 million, respectively, related to certain equity method investments. The Company estimated the fair value of each investment on an individual basis and derived the fair value from a combination of observable prices from offers received for either the underlying collateral or the ownership interest of the unconsolidated affiliate, comparable market transactions, and DCF techniques to project the cash flows for the investment based upon the underlying property. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of the expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three in the fair value measurement hierarchy, as the Company utilized unobservable inputs which are significant to the overall fair value. Based on these analyses, in each case the Company determined that the fair value declined below the carrying value and the decline is other-than-temporary. As a result, the Company recognized an impairment charge equal to the difference between the carrying value and the estimated fair value for each investment.

During the years ended December 31, 2023 and 2021, the Company received distributions of \$0.9 million and \$15.6 million, respectively, from the sales of ownership interests or from the distributions from the sales of the underlying assets of the affiliates, which resulted in no net gains (losses) and a \$6.9 million net gain, respectively. The Company received no distributions and therefore recognized no net gains (losses) during the year ended December 31, 2022.

The Company's ownership interests in its affiliates were as follows:

(2) During the year ended December 31, 2023, the Company received distributions resulting from the sale of the underlying assets of the affiliate.

The following tables present summarized financial information for all of the unconsolidated joint ventures in which the Company holds an investment in affiliate that is accounted for under the equity method of accounting:

Senior Unsecured Credit Facility

On February 14, 2023, the Company entered into a Third Amendment to the Amended and Restated Senior Unsecured Credit Agreement (the "Amendment"). The Amendment provides, among other things, for (i) an increase in the aggregate amount of commitments under the Company's existing \$600 million unsecured credit facility (the "Revolver") by \$250 million (the "Increased Commitments") to an aggregate amount of \$850 million, and (ii) the replacement of the interest reference rate for U.S. dollar-denominated borrowings under the Revolver from the London Interbank Offered Rate to an adjusted Secured Overnight Financing Rate. The pricing and other terms applicable to the Increased Commitments are the same as those applicable to the existing revolving loan commitments that were in effect prior to the Amendment. Except as amended by the Amendment, the remaining terms of the unsecured credit facility remain in full force and effect.

2023 Term Loan

On December 18, 2023, the Company entered into a \$500 million unsecured term loan with a maturity date of December 16, 2024 (the "2023 Term Loan"), which has an optional one-year extension that can be requested by the Company prior to the initial maturity date. The extension option is subject to the consent of the lenders and certain customary conditions.

The 2023 Term Loan and all accrued but unpaid interest must be repaid in full on the maturity date. Upon the occurrence of certain debt issuances and equity issuances, as defined in the term loan agreement, the Company is required to make certain principal prepayments of the 2023 Term Loan in an amount equal to 100% of the net cash proceeds from those debt and equity issuances.

The Company may elect to have the 2023 Term Loan bear interest at a rate equal to (i) SOFR (subject to a credit spread adjustment of 0.10% and a 0.00% floor) plus a margin ranging from 125 to 175 basis points, or (ii) a base rate plus a margin ranging from 25 to 75 basis points. In each case, the margin is determined according to the Company's senior unsecured long-term debt rating.

The term loan agreement requires that the Company comply with various covenants, including restrictions on liens, incurring indebtedness, making dividends, stock repurchases, investments, and completing mergers and/or asset sales. The term loan agreement has financial covenants which require the Company to maintain a consolidated fixed charge coverage ratio of at least 2.5 to 1.0, and a total leverage ratio of not more than 4.5 to 1.0 which may be increased to 5.5 to 1.0 for up to three consecutive fiscal quarters commencing with the fiscal quarter in which certain material acquisitions are consummated. As long as the Company maintains an Investment Grade Rating, as defined in the term loan agreement, then the Company will not need to comply with the consolidated fixed charge coverage ratio covenant.

The term loan agreement includes customary events of default, the occurrence of which, following any applicable cure period, would permit the lenders to, among other things, declare the principal, accrued interest, and other obligations of the Company under the term loan agreement to be immediately due and payable.

Economic Development Loans

The Company entered into economic development agreements with various governmental entities in conjunction with the relocation of its corporate headquarters in April 2013. In accordance with these agreements, the governmental entities agreed to advance approximately \$4.4 million to the Company to offset a portion of the corporate headquarters relocation and tenant improvement costs in consideration of the employment of permanent, full-time employees within the jurisdictions. These advances bear interest at a rate of 3% per annum.

Repayment of the advances is contingent upon the Company achieving certain performance conditions. The performance conditions are measured annually on December 31st and primarily relate to maintaining certain levels of employment within the various jurisdictions. If the Company fails to meet an annual performance condition, then the Company may be required to repay a portion, or all, of the advances including accrued interest by April 30th following the measurement date. Any outstanding advances upon expiration of the Company's ten-year corporate headquarters lease agreement in 2023 will be forgiven in full. The \$4.4 million of advances were included in debt in the consolidated balance sheets.

Upon the expiration of the Company's previous ten-year corporate headquarters lease agreement in 2023, the Company concluded that it had achieved the performance conditions over the entire term of the agreement and therefore, the Company is not required to repay the advances. As a result, during the year ended December 31, 2023, the Company derecognized the \$4.4 million economic development loans debt from the consolidated balance sheets and recognized a gain on extinguishment of debt in the consolidated statements of income.

13. Non-Qualified Retirement, Savings, and Investment Plans

The Company sponsors two non-qualified retirement savings and investment plans for certain employees and senior executives. Employee and Company contributions are maintained in separate irrevocable trusts. Legally, the assets of the trusts remain those of the Company; however, access to the trusts' assets is severely restricted. The trusts cannot be revoked by the Company or an acquirer, but the assets are subject to the claims of the Company's general creditors. The participants do not have the right to assign or transfer contractual rights in the trusts.

In 2002, the Company adopted the Choice Hotels International, Inc. Executive Deferred Compensation Plan ("EDCP") which became effective January 1, 2003. Under the EDCP, certain executive officers may defer a portion of their salary into an irrevocable trust and invest these amounts in a selection of available diversified investment options. In 1997, the Company adopted the Choice Hotels International, Inc. Non-Qualified Retirement Savings and Investment Plan ("Non-Qualified Plan"). The Non-Qualified Plan allows certain employees who do not participate in the EDCP to defer a portion of their salary and invest these amounts in a selection of available diversified investment options. Under the EDCP and Non-Qualified Plan, (together, the "Deferred Compensation Plan"), the Company recognized current and long-term deferred compensation and retirement plan liabilities of \$47.5 million and \$37.4 million as of December 31, 2023 and 2022, respectively, related to these deferrals and credited investment returns under these two deferred compensation plans. Compensation expense is recognized in selling, general and administrative expenses in the consolidated statements of income based on the change in the deferred compensation obligations related to the earnings credited to the participants as well as the changes in the fair value of the diversified investments. For the years ended December 31, 2023 and 2021, the increase in compensation expense recognized in selling, general and administrative expenses was \$7.0 million and \$6.1 million, respectively. For the year ended December 31, 2022, the decrease in compensation expense recognized in selling, general and administrative expenses was \$5.3 million.

Under the Deferred Compensation Plan, the Company has invested the employee salary deferrals in diversified long-term investments which are intended to provide investment returns that offset the earnings credited to the participants. As of December 31, 2023 and 2022, the employee benefit plans investments held in the trusts totaled \$41.6 million and \$32.4 million, respectively, and are recognized at fair value, which is based on quoted market prices. As of December 31, 2023, the Company expects \$1.8 million of the assets held in the trusts to be distributed during the year ended December 30, 2024 to plan participants. These investments are considered trading securities and therefore, the changes in the fair value of the diversified assets is included in other (gain) loss in the consolidated statements of income. During the years ended December 31, 2023 and 2021, the Company recognized investment gains of \$6.6 million and \$5.6 million, respectively. During the year ended December 31, 2022, the Company recognized investment losses of \$6.0 million. The Deferred Compensation Plan held no shares of the Company's common stock as of December 31, 2023 and 2022.

14. Fair Value Measurements

The Company estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The following summarizes the three levels of inputs, as well as the assets that the Company values using those levels of inputs on a recurring basis.

Level 1 - Quoted prices in active markets for identical assets and liabilities. The Company's Level 1 assets consist of equity securities and mutual funds held in the Company's Deferred Compensation Plan.

Level 2 - Observable inputs, other than quoted prices in active markets for identical assets and liabilities, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, or other inputs that are observable. The Company's Level 2 assets consist of money market funds held in the Company's Deferred Compensation Plan.

Level 3 - Unobservable inputs, supported by little or no market data available, where the reporting entity is required to develop its own assumptions to determine the fair value of the instrument. The Company does not currently have any assets recorded at fair value on a recurring basis whose fair value was determined using Level 3 inputs and there were no transfers of Level 3 assets during the years ended December 31, 2023 and 2022.

As of December 31, 2023 and 2022, the Company recognized the following assets at fair value on a recurring basis in the consolidated balance sheets:

(in thousands)	Fair Value Measurements at Reporting Date Using			
	Total	Level 1	Level 2	Level 3

(1) The current assets at fair value noted above are presented in prepaid expenses and other assets in the consolidated balance sheets. The long-term assets at fair value noted above are presented in investments for employee benefit plans, at fair value in the consolidated balance sheets.

Investments in Equity Securities

The following table is a summary of the unrealized gains and losses of investments in equity securities. There have been no dispositions and therefore no realized gains or losses in equity securities during the year ended December 31, 2023.

Other Financial Instruments Disclosure

The Company believes that the fair values of its current assets and current liabilities approximate their reported carrying amounts due to the short-term nature of these items. In addition, the interest rate on the senior unsecured revolving credit facility and the 2023 Term Loan adjusts frequently based on current market interest rates; therefore, the Company believes the carrying amount approximates fair value.

The fair values of the Company's senior unsecured notes are classified as Level 2 because the significant inputs are observable in an active market. Refer to Note 12 for additional information on debt. As of December 31, 2023 and 2022, the carrying amounts and the fair values were as follows:

(in thousands)	December 31, 2023		December 31, 2022	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
2020 Senior Notes	\$ 445,690	\$ 389,241	\$ 445,080	\$ 384,647
2019 Senior Notes	\$ 396,440	\$ 355,068	\$ 395,838	\$ 349,368

The fair value estimates are made at a specific point in time, are subjective in nature, and involve uncertainties and matters of significant judgment. The settlement of such fair value amounts may not be possible or a prudent management decision.

15. Income Taxes

The total income before income taxes, classified by source of income, was as follows:

The Company assesses all positive and negative evidence to estimate whether sufficient future taxable income will be generated to use its deferred tax assets. Based on this evaluation, the Company recorded a net change to its valuation allowance of \$2.8 million due to state tax credits.

The Company has \$19.2 million of state income tax credit carryforwards. It is unlikely that we will realize these benefits. Accordingly, the Company has provided a full valuation allowance against these carryforwards. The Company has also provided a tax-effected valuation allowance of \$5.0 million on its foreign deferred tax assets because the Company believes that it is unlikely that we will realize some of these benefits.

As of December 31, 2023, the Company had gross foreign net operating losses ("NOLs") of \$28.5 million, all of which have indefinite carryforward lives. The Company has recorded a tax-effected valuation allowance of \$2.0 million for these NOLs, primarily related to France and India. In addition, the Company has a Dutch deferred tax asset of \$15.2 million, for which it has recorded a valuation allowance of \$3.0 million. The Dutch valuation allowance did not change during the year ended December 31, 2023.

The following table presents a reconciliation of the statutory United States federal income tax rate to the effective income tax rate for continuing operations:

	Year Ended December 31,		
	2023	2022	2021
Statutory U.S. federal income tax rate	21.0 %	21.0 %	21.0 %
State income taxes, net of federal tax benefit	3.2 %	3.0 %	3.1 %
Benefits related to foreign operations	0.3 %	0.1 %	(0.2)%
Expenses (benefits) related to compensation, net	1.0 %	1.0 %	0.5 %
Unrecognized tax positions	0.5 %	0.2 %	0.2 %
International Reorganization	— %	— %	1.1 %
Tax credits	(2.4)%	(1.5)%	(1.8)%
Valuation allowance	0.6 %	0.5 %	(0.2)%
Other	(0.9)%	(0.3)%	(0.4)%
Effective income tax rate	23.3 %	24.0 %	23.3 %

The Company's effective income tax rates from continuing operations were 23.3%, 24.0%, and 23.3% for the years ended December 31, 2023, 2022, and 2021, respectively.

The effective income tax rates for the years ended December 31, 2023, 2022, and 2021 were higher than the U.S. federal income tax rate of 21.0% primarily due to state income taxes and tax expense related to compensation, partially offset by federal income tax credits. The effective income tax rate for the year ended December 31, 2021 was also higher due to a reduction in the net carrying value of its Dutch deferred tax asset as a result of an international reorganization.

For the years ended December 31, 2023, 2022, and 2021, the Company's gross unrecognized tax benefits totaled \$13.4 million, \$11.9 million, and \$11.1 million, respectively. After considering the deferred income tax accounting impact, it is expected that approximately \$8.4 million of the total as of December 31, 2023 would reduce the effective income tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amounts of the unrecognized tax benefits:

(in thousands)	2023	2022	2021
Balance, January 1	\$ 11,876	\$ 11,147	\$ 10,193
Changes for tax positions of prior years	2,338	(31)	156
Increases for tax positions related to the current year	1,670	1,650	1,618
Settlements and lapsing of statutes of limitations	(2,450)	(890)	(820)
Balance, December 31	\$ 13,434	\$ 11,876	\$ 11,147

It is reasonably possible that the Company's unrecognized tax benefits could decrease within the next 12 months by as much as \$8.1 million due to settlements and the expiration of applicable statutes of limitations. The Company's federal income tax returns for tax years 2015 and 2016 are currently under examination by the Internal Revenue Service for a tax credit refund claim. The Company's federal income tax returns for the 2017 and 2018 tax years are also under examination by the Internal Revenue Service. Further, the Company's federal income tax returns for the 2020, 2021, 2022 and 2023 tax years are subject to examination by the Internal Revenue Service.

The Company's policy is to recognize interest and penalties related to income tax matters in the provision for income taxes. The Company did not incur any material interest or penalties during the years ended December 31, 2023, 2022, and 2021. The Company had \$0.1 million and \$0.3 million of accrued interest and penalties as of December 31, 2023 and 2022, respectively.

The Tax Cuts and Jobs Act subjects a U.S. shareholder to a minimum tax on "global intangible low-taxed income" ("GILTI") earned by certain foreign subsidiaries. The Company's policy is to recognize the tax expense on GILTI as an expense in the period that the tax is incurred. The Company has incurred tax on GILTI for the year ended December 31, 2023.

16. Share-Based Compensation and Capital Stock

Share-Based Compensation

The Company has stock compensation plans pursuant to which it is authorized to grant share-based awards, including restricted stock, stock options, stock appreciation rights, and performance-based share awards, to officers, key employees, and non-employee directors with contractual terms that are set by the Compensation and Management Development Committee of the Board of Directors. Approximately 1.4 million shares of the Company's common stock remain available for grant as of December 31, 2023. The Company's policy allows the issuance of new common stock shares or treasury shares to satisfy the share-based awards.

Stock Options

During the years ended December 31, 2023, 2022, and 2021, the Company granted approximately 0.1 million, 0.2 million, and 0.3 million stock options to certain employees of the Company at a fair value of approximately \$3.8 million, \$7.4 million, and \$7.9 million, respectively. The stock options granted by the Company had an exercise price equal to the market price of the Company's common stock on the date of grant. The fair value of the options granted was estimated on the grant date using the Black-Scholes option-pricing model with the following weighted average assumptions:

	2023	2022	2021
Risk-free interest rate	4.10 %	2.01 %	0.94 %
Expected volatility	30.90 %	29.46 %	29.23 %
Expected life of stock option	6.0 years	5.9 years	5.9 years
Dividend yield	0.90 %	0.66 %	0.82 %
Requisite service period	4 years	4 years	4 years
Contractual life	10 years	10 years	10 years
Weighted average fair value of the stock options granted (per stock option)	\$ 42.59	\$ 42.66	\$ 28.00

The expected life of the stock options and the expected volatility are based on historical data which is believed to be indicative of future exercise patterns and volatility. The historical volatility is calculated based on a period that corresponds to the expected life of the stock option. The dividend yield and the risk-free interest rate are calculated on the grant date based on the then-current dividend rate and the risk-free interest rate for the period corresponding to the expected life of the stock option. The Company recognizes compensation expense related to the fair value of these awards on a straight-line basis over the requisite service period for the share-based awards that ultimately vest.

As of December 31, 2023, the aggregate intrinsic value of the stock options outstanding and exercisable was \$15.7 million and \$13.7 million, respectively. For the years ended December 31, 2023, 2022, and 2021, the total intrinsic value of the stock options exercised was \$9.2 million, \$5.4 million, and \$10.6 million, respectively.

During the years ended December 31, 2023, 2022, and 2021, the Company received \$6.3 million, \$3.8 million, and \$11.1 million in proceeds from the exercise of approximately 0.1 million, 0.1 million, and 0.2 million employee stock options, respectively.

The following table summarizes information about the stock options outstanding as of December 31, 2023:

Range of Exercise Prices	Options Outstanding			Options Exercisable

The following table is a summary of the activity related to restricted stock grants:

	For the Year Ended December 31,		
	2023	2022	2021
Restricted shares granted	65,991	273,777	61,009
Weighted average grant date fair value per share	\$ 123.65	\$ 143.76	\$ 111.25
Aggregate grant date fair value (in thousands)	\$ 8,160	\$ 39,357	\$ 6,787
Restricted shares forfeited	13,202	14,443	19,209

Fair value of the restricted shares vested (in thousands)	\$ 11,134	\$ 13,784	\$ 11,927

The Company recognizes compensation expense related to the fair value of the restricted stock awards on a straight-line basis over the requisite service period for the restricted stock awards that ultimately vest. The fair value of the grants is measured by the market price of the Company's common stock on the date of grant. The restricted stock awards generally vest ratably over the service period beginning on the first anniversary of the grant date. The restricted stock awards granted to retirement eligible non-employee directors are recognized over the shorter of the requisite service period or the length of time until retirement since the terms of the grant provide that awards will vest upon retirement.

Performance Vested Restricted Stock Units

The Company has granted performance vested restricted stock units ("PVRSU") to certain employees. The Company grants three types of PVRSU awards: i) PVRSUs with performance conditions based on internal performance metrics, ii) PVRSUs with market conditions based on the Company's total shareholder return ("TSR") relative to a predetermined peer group, and iii) PVRSUs with both performance and market conditions. The vesting of the PVRSU awards is contingent upon the Company achieving the internal performance and/or TSR targets over a specified period and the employees' continued employment over the service period. The performance and market conditions affect the number of shares that will ultimately vest.

During the year ended December 31, 2023, the Company granted PVRSUs with performance conditions, PVRSUs with market conditions, and PVRSUs with performance and market conditions, with requisite service periods between 9 months and 48 months and with award vesting ranges generally between 0% and 230% of the initial units granted.

The fair value of the PVRSUs with performance conditions based on internal performance metrics is measured by the market price of the Company's common stock on the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions. The Company monitors its current results and forecasts of the relevant internal performance metrics and, as necessary, adjusts the performance-based leveraging of any unvested PVRSUs.

The fair value of the PVRSUs with market conditions is estimated using a Monte Carlo simulation method as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period regardless of whether the market conditions are achieved and the awards ultimately vest.

The fair value of the PVRsUs with both performance and market conditions is estimated using a Monte Carlo simulation as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions, with subsequent adjustments being made for the performance-based leveraging of any unvested PVRsUs, as necessary. The Company has currently estimated that between 0% and 267% of the various award targets will be achieved.

The following table is a summary of the activity related to the PVRsU grants:

18. Earnings Per Share

The Company's shares of restricted stock contain rights to receive nonforfeitable dividends and thus are participating securities requiring the computation of basic Earnings per Share ("EPS") using the two-class method. The shares of restricted stock are both potential shares of common stock and participating securities so the Company calculates diluted earnings per share by using the more dilutive of the treasury stock method or the two-class method. The calculation of EPS for the net income available to common shareholders excludes the distribution of dividends and the undistributed earnings attributable to the participating securities from the numerator. The diluted earnings weighted average shares of common stock outstanding includes stock options, PVRsUs, and RSUs.

The computation of basic and diluted earnings per share of common stock was as follows:

In October 2023, the Company entered into a lease agreement with an unrelated third-party to sublease the legacy Radisson corporate office space in Minneapolis, Minnesota. The sublease term is approximately eight years and is expected to commence during the first quarter of 2024. The Company re-evaluated the head lease upon the effectiveness of this sublease, which resulted in the Company recognizing a \$3.4 million impairment loss on certain long-lived assets associated with the leased office space. Refer to Note 6 for additional information.

Related Party Lease

The Company and the family members of the Company's largest shareholder entered into an agreement that allows those family members to lease the Company's aircraft from time to time for their personal use. The agreement provides for lease payments that contribute towards the fixed costs associated with the aircraft as well as a reimbursement of the Company's variable costs associated with operating the aircraft, in compliance with and to the extent authorized by applicable regulatory requirements. The terms of this lease agreement is consistent with the terms of other lease agreements that the Company has entered into with unrelated third parties for use of the aircraft. During both of the years ended December 31, 2023 and 2022, the Company received less than \$0.1 million pursuant to this related party lease arrangement.

20. Reportable Segment Information

The Hotel Franchising & Management reportable segment includes the Company's hotel franchising operations which consists of its 22 brands and brand extensions and the hotel management operations of 14 hotels (inclusive of four owned hotels). The 22 brands and brand extensions and hotel management operations are aggregated together within this reportable segment because they have similar economic characteristics, types of customers, distribution channels, and regulatory business environments. The revenues from the hotel franchising and management business include royalty fees, initial franchise fees and relicensing fees, cost reimbursement revenues, platform and procurement services fees revenue, base and incentive management fees, and other hotel franchising and management-related revenue. The Company provides certain services under its franchise and management agreements which result in direct and indirect reimbursements. The cost reimbursement revenues received from the franchisees are included in Hotel Franchising & Management revenues and are offset by the related expenses in order to calculate Hotel Franchising & Management operating income. The equity in the earnings or losses from the hotel franchising-related investment in affiliates is allocated to the Hotel Franchising & Management reportable segment.

The Company evaluates its Hotel Franchising & Management reportable segment based primarily on the results of the segment without allocating corporate expenses, indirect general and administrative expenses, interest expense, interest income, other gains and losses, or income taxes, all of which are included in the Corporate & Other column in the tables presented below. The Corporate & Other column additionally reflects the operations of the Company's owned hotels.

Intersegment Eliminations to revenues is the elimination of Hotel Franchising & Management revenue which includes royalty fees, management and cost reimbursement fees charged to our owned hotels against the franchise and management fee expense that is recognized by our owned hotels in Corporate & Other operating income (loss).

Our President and Chief Executive Officer, who is our chief operating decision maker, does not use assets by operating segment when assessing the performance or when making operating segment resource allocation decisions and therefore, assets by segment are not disclosed below.

The following tables presents the financial information for the Company's segments:

21. Related Party Transactions

Transactions with the Company's Largest Shareholder

Effective October 15, 1997, Choice Hotels International, Inc., which included both a franchising business and an owned hotel business, separated the businesses via a spin-off into two companies: Sunburst Hospitality Corporation (referred to hereafter as "Sunburst") and the Company. Subsequent to the spin-off, the Company's largest shareholder retained significant ownership percentages in both Sunburst and the Company. As part of the spin-off, Sunburst and the Company entered into a strategic alliance agreement (as amended, the "Strategic Alliance Agreement"). Among other things, the Strategic Alliance Agreement provided for revised royalty and system fees and the determination of liquidated damages related to the termination of Choice-branded Sunburst properties. The liquidated damage provisions extend through the life of the existing Sunburst franchise agreements.

On June 5, 2019, the Strategic Alliance Agreement was terminated and replaced with addenda to each of the five hotels under a franchise at that time. The addenda preserve certain terms from the Strategic Alliance Agreement with respect to the five hotels, including the revised royalty and system fees and liquidated damage provisions, which would also apply to new franchise agreements signed for the five hotels (as either a renewal or a change to another Choice brand not contemplated at the time of the original agreement execution). No terms were substantially modified with respect to the five hotels under franchise. In June 2019, the Company and Sunburst entered into master development agreements, which provide Sunburst the geographic exclusivity in two specified regions for the development of five WoodSpring branded hotels. For the years ended December 31, 2023 and 2022, there were three and four new franchise agreements signed between the Company and Sunburst and its affiliates, respectively. As of December 31, 2023, Sunburst and its affiliates operated six hotels under franchise with the Company.

For the years ended December 31, 2023, 2022, and 2021, the total franchise fees revenues, including royalty fees and marketing and reservation system fees, paid by Sunburst and its affiliates to the Company included in the consolidated financial statements was \$0.9 million, \$0.8 million, and \$0.4 million, respectively. As of both December 31, 2023 and 2022, accounts receivable due from Sunburst and its affiliates was approximately \$0.1 million.

In November 2023, the Company executed a 13-month office work space agreement, beginning December 1, 2023, for family members of the Company's largest shareholder. Pursuant to this arrangement, the Company made payments of \$18 thousand during the year ended December 31, 2023. As of December 31, 2023, the Company has \$96 thousand of remaining payments under this arrangement.

22. Transactions with Unconsolidated Affiliates

The Company has extended loans to various unconsolidated affiliates or members of our unconsolidated affiliates. The Company has a total principal balance on these loans of \$64.5 million and \$65.2 million as of December 31, 2023 and December 31, 2022, respectively. These loans mature at various dates and bear interest at fixed and variable rates.

The Company has management fee arrangements with certain of its unconsolidated affiliates that are discussed in Note 8. The fees earned and the payroll costs reimbursed under these arrangements totaled \$7.9 million, \$2.4 million, and \$1.4 million for the years ended December 31, 2023, 2022, and 2021, respectively.

The Company has entered into franchise agreements with certain unconsolidated affiliates. Pursuant to these franchise agreements, the Company recognized royalty fees and marketing and reservation system fees of approximately \$30.9 million, \$27.2 million, and \$20.2 million for the years ended December 31, 2023, 2022, and 2021, respectively. The Company has \$4.9 million and \$3.9 million of gross accounts receivables in the consolidated balance sheets from these unconsolidated affiliates as of December 31, 2023 and 2022, respectively.

23. Commitments and Contingencies

The Company is not a party to any litigation other than litigation in the ordinary course of business. The Company's management and legal counsel do not expect that the ultimate outcome of any of its currently ongoing legal proceedings, individually or in the aggregate, will have a material adverse effect on the Company's financial position, results of operations, or cash flows.

Contingencies

The Company entered into various limited payment guaranties with regards to the Company's VIEs in order to support their efforts to develop and own hotels that are franchised under the Company's brands. Under these limited payment guaranties, the Company has agreed to guarantee a portion of the outstanding debt until certain conditions are met, such as (a) the loan matures, (b) certain debt covenants are achieved, (c) the maximum amount guaranteed by the Company is paid in full, or (d) the Company, through its affiliates, ceases to be a member of the VIE. As of December 31, 2023, the maximum unrecorded exposure of principal incidental to these limited payment guaranties is \$5.4 million, plus unpaid expenses and accrued unpaid interest. The Company believes the likelihood of having to perform under these guaranties is remote. In the event of performance, the Company has recourse for certain of the guaranties in the form of partial guaranties from third parties.

Commitments

The Company has the following outstanding commitments as of December 31, 2023:

- As part of the acquisition of Radisson Hotels Americas, the Company entered into a long-term management arrangement, with an expiration date of July 31, 2031, to manage eight hotels owned by a third-party. In conjunction with the management arrangement, the Company entered into a guarantee with the third-party to fund any shortfalls in the payment of the third-party owner's priority that is stipulated in the management agreement. The maximum guarantee under the agreement is \$22 million. The Company believes the future performance of the hotels is expected to be sufficient on both an annual basis and over the duration of the agreement. Accordingly, no liability was recognized as of December 31, 2023 in the consolidated balance sheets.
- The Company strategically deploys capital in the form of franchise agreement acquisition cost payments across our brands to incentivize franchise development. These payments are typically made at the commencement of construction or hotel opening, in accordance with agreed upon provisions in the individual franchise agreements. The timing and the amount of the franchise agreement acquisition cost payments are dependent on various factors, including the implementation of various development and brand incentive programs, the level of franchise sales, and the ability of our franchisees to complete construction or convert their hotels to one of the Company's brands.

- The Company's legacy Choice franchise agreements require the payment of franchise fees, which include marketing and reservation system fees. In accordance with the terms of our legacy Choice franchise agreements, the Company is obligated to use the marketing and reservation system revenues it collects from the current franchisees to provide marketing and reservation services that are appropriate to support the operation of the overall system. The legacy Radisson Hotels Americas franchise agreements have similar provisions regarding the marketing fees that need to be used for marketing activities. To the extent the revenues collected exceed the expenditures incurred, the Company has a commitment to the franchisee system to make expenditures in future years. Conversely, to the extent the expenditures incurred exceed the revenues collected, the Company has the contractual enforceable right to assess and collect such amounts from the franchisees.

In the ordinary course of business, the Company enters into numerous agreements that contain standard indemnities whereby the Company indemnifies another party for breaches of representations and warranties. Such indemnifications are granted under various agreements, including those governing (i) purchases or sales of assets or businesses, (ii) leases of real estate, (iii) licensing of trademarks, (iv) access to credit facilities, (v) issuances of debt or equity securities, and (vi) certain operating agreements. The indemnifications issued are for the benefit of the (i) buyers in sale agreements and sellers in purchase agreements, (ii) landlords in lease contracts, (iii) franchisees in licensing agreements, (iv) financial institutions in credit facility arrangements, (v) underwriters in debt or equity security issuances, and (vi) parties under certain operating agreements. In addition, these parties are also generally indemnified against any third-party claim resulting from the transaction that is contemplated in the underlying agreement. While some of these indemnities extend only for the duration of the underlying agreement, many survive the expiration of the term of the agreement or extend into perpetuity (unless subject to a legal statute of limitations). There are no specific limitations on the maximum potential amount of future payments that the Company could be required to make under these indemnities, nor is the Company able to develop an estimate of the maximum potential amount of the future payments that could be made under these indemnifications as the triggering events are not subject to predictability. With respect to certain of the aforementioned indemnities, such as the indemnifications of the landlords against third-party claims for the use of real estate property leased by the Company, the Company maintains insurance coverage that mitigates potential liability.

24. Acquisitions

Radisson Hotels Americas Acquisition

On August 11, 2022, the Company completed the acquisition of Radisson Hotels Americas. The accounting purchase price for the Transaction was \$673.9 million, which includes the base purchase price of \$675.2 million, and then adjusted for Disclosed Leakage (as defined in the Share Sale and Purchase Agreement) and certain other prepaid expenses. To fund the Transaction, Choice drew down \$175.0 million on the Company's existing senior unsecured credit facility, and then funded the remainder with cash on hand.

In connection with the acquisition, we recognized \$40.9 million and \$39.6 million during the years ended December 31, 2023 and 2022, respectively, of Radisson Hotels Americas related transaction, transition, and severance expenses which are included within business combination, diligence and transition costs and impairment of long-lived assets in the consolidated statements of income.

Fair Values of the Assets Acquired and the Liabilities Assumed

The Company allocated the purchase price based upon a preliminary assessment of the fair value of the assets acquired and the liabilities assumed on August 11, 2022. During the fourth quarter of 2022 and the first quarter of 2023, the Company recorded certain net measurement period adjustments that reduced goodwill by \$9.1 million and increased goodwill by \$1.5 million, respectively, which is presented in the table below. The Company made these measurement period adjustments to reflect the facts and circumstances that existed as of the acquisition date and did not result from any intervening events subsequent to the acquisition date. The measurement period adjustments resulted in no impact to our consolidated statements of income.

The final valuation and related allocation of the purchase price was completed during the third quarter of 2023.

The final allocation of the purchase price, including all measurement period adjustments, as presented in our consolidated balance sheets is as follows:

Property and Equipment

The following table presents the estimated fair value of the acquired property and equipment, which is primarily concentrated at three acquired hotel properties, and their estimated weighted average remaining useful lives.

	Estimated Useful Life (in years)	Estimated Fair Value (in thousands)
Land	N/A	\$ 7,159
Construction in progress	N/A	3,190
Building and leasehold improvements	24.4	93,934
Site improvements	23.1	586
Furniture, fixtures and equipment	3.9	8,334
Computer equipment and software	2.0	12,238
Total property and equipment		\$ 125,441

We estimated the fair value of the property and equipment through a combination of the income, cost, and market approaches, which are primarily based on significant Level 2 and Level 3 assumptions, such as estimates of future income growth, discount rates, capitalization rates, and the capital expenditure needs of the hotel properties.

Identified Intangible Assets

The following table presents the estimated fair values of the acquired identified intangible assets and their estimated useful lives:

	Estimated Useful Life (in years)	Estimated Fair Value (in thousands)
Trade names	N/A	\$ 223,700
Franchise agreements	15.5	220,100
Management agreements	15.5	3,300
Total intangible assets		<u>\$ 447,100</u>

The fair value of the trade names was estimated using the relief-from-royalty method. This method applies an estimated royalty rate to the forecasted future cash flows and discounted to the present value. The fair value of the franchise and management agreements was estimated using a multi-period excess earnings method, which is a variation of the income approach. This method uses the present value of the incremental after-tax cash flows attributable to the intangible asset. These valuation methodologies utilize Level 3 assumptions.

Debt Assumed

As part of the Transaction, we assumed a mortgage loan with a principal balance of \$53.5 million with a maturity date of August 7, 2024 related to an acquired hotel property. The mortgage loan had an associated interest rate cap agreement with an effective date of July 30, 2021 through August 6, 2024. Subsequent to the acquisition date, the mortgage loan and the outstanding interest and fees was repaid in full in the amount of \$56.0 million using cash we acquired in the Transaction. Additionally, the interest rate cap agreement was terminated, which resulted in a \$1.9 million payment to Choice. In conjunction with assuming the mortgage loan, we acquired \$10.4 million in restricted cash, for which the restrictions were lifted upon repayment of the mortgage loan.

Operating Leases

The Company measured the assumed operating lease liabilities at the present value of the remaining payments as of the acquisition date, which were discounted using the Company's applicable incremental borrowing rate in accordance with *Leases (Topic 842)*. The corresponding acquired right-of-use assets were measured at the value of the operating lease liabilities, and then further adjusted for favorable or unfavorable lease terms as compared to market lease terms.

Income Taxes

Pursuant to the terms of the Transaction, the parties agree to jointly make a valid, timely election under Section 338(h)(10) of the U.S. Internal Revenue Code and under any similar provisions of state or local law with respect to the purchase of the shares of Radisson Hotels Americas. Under this election, the parties agreed to treat the Transaction for federal income tax purposes as if it had been structured as an asset sale and purchase. As a result of this election, the tax basis of the assets acquired and the liabilities assumed by Choice were reset to fair value on the date of the acquisition, which results in the elimination of any previously established deferred income tax balances and the establishment of new balances that reflect the new tax basis, including tax deductible goodwill.

Pro Forma Results of Operations

The following unaudited pro forma information presents the combined results of operations of Choice and Radisson Hotels Americas as if the Transaction was completed on January 1, 2021, but using the fair values of the assets acquired and the liabilities assumed as of the acquisition date. The unaudited pro forma information reflects adjustments relating to (i) the allocation of the purchase price and related adjustments, including incremental depreciation and amortization expense based on the fair values of the acquired property and equipment and intangible assets, (ii) the incremental impact of the Revolver draw on interest expense and the amortization of financing costs, (iii) nonrecurring transaction costs, and (iv) the income tax impact of the aforementioned pro forma adjustments.

As required by GAAP, these unaudited pro forma results do not reflect any cost saving synergies from operating efficiencies. Accordingly, these unaudited pro forma results are presented for informational purposes only and are not necessarily indicative of what the actual results of operations of the combined company would have been if the transaction had occurred at the beginning of the period presented, nor are they indicative of the future results of operations.

(in thousands)	Year Ended December 31,	
	2022	2021
Revenues	\$ 1,551,775	\$ 1,263,988
Net income	368,449	207,023

Radisson Hotels Americas Results of Operations

The Company's consolidated statements of income include Radisson Hotels Americas' results of operations since the August 11, 2022 acquisition date. Radisson Hotels Americas contributed \$104.2 million and \$1.2 million in total revenues and net income, respectively, for the year ended December 31, 2022.

Goodwill

The \$61.0 million of goodwill is primarily attributable to the value we expect to realize from the existing customer base, improvements in Revenue per Available Room ("RevPAR"), cost synergies, and new agreements signed with franchisees and developers. Goodwill for the Transaction is fully attributable to the Hotel Franchising & Management reportable segment and is fully deductible for tax purposes. Refer to Note 6 for a reconciliation of the Company's goodwill balance.

2021 & 2022 asset acquisitions

In September 2021 and April 2022, the Company reached settlements with independent borrowers holding senior and mezzanine loans that were classified as collateral-dependent and collateralized by operating hotels. The key terms of the settlements resulted in a deed in lieu of foreclosure on each operating hotel in exchange for releasing the obligations pursuant to the senior and mezzanine loans and the associated franchise agreements, as exchanged on October 1, 2021 and April 14, 2022, respectively.

As collateral-dependent financial assets, the expected credit losses as captured in notes receivable, net of allowance for credit losses, on the consolidated balance sheets immediately prior to exchange were determined based on the fair value of the operating hotels. The acquisition accounting was also based on the fair value of the operating hotels. The fair values were estimated using an income approach valuation method based on the discounted cash flows of the collateralized operating hotel utilizing historical operating performance, industry projections for the market, and comparable sales capitalization rates. These nonrecurring fair value measurements are classified as Level 3 in the fair value measurement hierarchy because there are unobservable inputs which are significant to the overall fair value.

The acquisition dates for these hotels were October 1, 2021 and April 14, 2022 and had fair values at the time of acquisition of approximately \$21.1 million and \$20.4 million, respectively. In accordance with the provisions of ASU 2017-01, *Business Combinations (Topic 805): Clarifying the Definition of a Business* ("ASU 2017-01"), each purchase represented an asset acquisition based on the concentration of value in the acquired land and building. The notes receivable, net of allowance for credit losses, balances were re-characterized and attributed to each asset class based on a relative fair value allocation to the qualifying assets. The relative fair values for each asset class were estimated using a combination of income and market approach valuations methods. For the October 1, 2021 acquisition, the \$21.1 million balance was re-characterized as \$4.8 million to land, \$14.2 million to building and improvements, \$1.8 million to furniture, fixtures, and equipment, and \$0.3 million to the net assets assumed. For the April 14, 2022 acquisition, the \$20.4 million balance was re-characterized as \$3.3 million to land, \$16.6 million to building and improvements, \$1.3 million to furniture, fixtures, and equipment, and \$(0.8) million to the net liabilities assumed.

Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

None.

Item 9A. Controls and Procedures

Management's Evaluation of Disclosure Controls and Procedures

The Company has a disclosure review committee whose membership includes the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), among others. The disclosure review committee's procedures are considered by the CEO and CFO in performing their evaluations of the Company's disclosure controls and procedures and in assessing the accuracy and completeness of the Company's disclosures.

Our management, with the participation of our CEO and CFO, have evaluated the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, (the “Exchange Act”), as of the end of the period covered by this annual report as required by Rules 13a-15(b) or 15d-15(b) under the Exchange Act. Our management, including our CEO and CFO, does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system’s objectives will be met.

An evaluation was performed under the supervision and with the participation of the Company’s CEO and CFO, of the effectiveness of the design and operation of the Company’s disclosure controls and procedures. Based on that evaluation, the Company’s management, including the CEO and CFO, concluded that the Company’s disclosure controls and procedures were effective as of December 31, 2023.

Changes in Internal Control Over Financial Reporting

There have been no changes in the Company’s internal control over financial reporting that occurred during the fourth quarter of 2023 that materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting.

Management’s Report on Internal Control Over Financial Reporting

The management of Choice Hotels International, Inc. and its subsidiaries (together “the Company”) is responsible for establishing and maintaining adequate internal control over financial reporting as such term is defined in Exchange Act Rules 13a-15(f) and 15d-15(f). The Company’s internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.

Management assessed the effectiveness of the Company’s internal control over financial reporting as of December 31, 2023. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in *Internal Control-Integrated Framework (2013)*. Based on management’s assessment under those criteria, management concluded that the Company’s internal control over financial reporting was effective as of December 31, 2023.

The effectiveness of the Company’s internal control over financial reporting as of December 31, 2023 has been audited by Ernst & Young LLP, an independent registered public accounting firm, as stated in their report which appears herein.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of Choice Hotels International, Inc.

Opinion on Internal Control Over Financial Reporting

We have audited Choice Hotels International, Inc. and subsidiaries' internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, Choice Hotels International, Inc. and subsidiaries (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the 2023 consolidated financial statements of the Company and our report dated February 20, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2. Grant of License. Subject to your compliance with all of your obligations under this Agreement, we grant to you a non-exclusive, limited, revocable license to use (without the right to sublicense) our System and the Brand Mark to operate the Hotel during the Term. You do not have the right to use any of the Choice Marks other than the Brand Mark in connection with the operation of the Hotel, except as expressly authorized by us in writing. We, for ourselves and our affiliates, retain all rights and discretion with respect to the Brand Mark and the System, including, but not limited to, those specified in Section 19(b).

3. Term. The term of this Agreement (“Term”) begins on the Effective Date and ends on the date that is 20 years after the Opening Date. You have no right or option to renew this Agreement or extend the Term. If the Hotel is a hotel that is to be newly constructed (as we determine in our sole discretion), then both you and we shall have the right to terminate this Agreement, with or without cause, and as a matter of right, on the 10th and 15th anniversaries of the Opening Date. If the Hotel is not a hotel that is to be newly constructed, then both you and we shall have the right to terminate this Agreement, with or without cause, and as a matter of right, on the 5th, 10th and 15th anniversaries of the Opening Date. You or we may only exercise such termination right by giving prior written notice to the other party, provided, that you may not exercise your termination right under this Section 3 unless you have paid all fees and charges due under this Agreement (and all related agreements, including any promissory notes or other incentive agreements, and any agreements relating to the use of our System) at the time you give us notice and at the time of the proposed termination. The written notice required by this Section 3 shall be given at least 12 months prior to the date that the proposed termination as a matter of right would be effective. If you elect to terminate this Agreement in accordance with this Section 3, you must continue to remain current on all fees and charges under this Agreement through the date of such termination in order for your termination to be effective. Any termination in accordance with this Section 3 will not be subject to liquidated damages as described in Section 10(d)(2) as long as you are not in default of the Agreement at the time you exercise your option to terminate this Agreement.

4. Fees and Reports.

a. Affiliation Fee. By no later than the date you sign this Agreement, you will pay us an affiliation fee of «**AFFIL_FEE**».00 (“Affiliation Fee”), which is non-refundable except as provided in this Section 4(a). The Affiliation Fee is fully earned upon our receipt, whether or not you open the Hotel. If we do not sign this Agreement for any reason, any monies that you have paid to us towards the Affiliation Fee, less \$5,000, will be refunded to you.

b. Monthly Fees. Beginning on the Opening Date, you will pay us for each month during the Term each of the following monthly fees (collectively, “Monthly Fees”):

You acknowledge and agree that (i) we may increase the ~~System~~Marketing and

3. Other Fees and Commissions. Such other fees and commissions described in the Rules and Regulations which are reasonably charged by us in connection with the rights and obligations granted under this Agreement.

In the event we elect to have you send us a statement of the Gross Room Revenues, you will certify that your reports are true and accurate. If we elect to have you send us a statement of the Gross Room Revenues, and you do not send us the required reports on time, we will estimate your Gross Room Revenues for interim billing purposes, and you must pay us a late charge of 1.5% of your previous month's Monthly Fees. If we elect to gather the Gross Room Revenues through our automated reporting systems, and we are unable for whatever reason to obtain an accurate report of the Gross Room Revenues, we will estimate your Gross Room Revenues for interim billing purposes. Interim bills will be considered accurate until we receive any late monthly reports or acquire accurate information through our automated reporting systems, as appropriate. We will bill you for the Monthly Fees (and interest or other penalty, if any) due under this Agreement each month, and you will pay us those amounts by the 25th day of the same month. You agree that timely payment of the Monthly Fees and any other amounts and fees due to us is of the essence for the purposes of this Agreement. You also agree that we may apply payments that you make in any order we determine regardless of any contrary language you may indicate. You agree that you will participate in computerized or automated information reporting programs and make all payments via electronic fund transfer programs that we adopt for use by hotels that are authorized to use our System. If we adopt electronic fund transfers or centralized payment processing programs, you agree to make the necessary arrangements with your bank to participate in such programs and you agree to purchase computer hardware, computer software and related telephone or other network services reasonably required in order to properly participate in these programs. We also have the right to require you to pay all amounts due to us and/or our affiliates by electronic fund transfer, pre-authorized auto-draft arrangement ("EFT"), or such other method as we may specify from time to time.

d. Hotel Data. You will, in a manner and form satisfactory to us and utilizing accounting and reporting standards as reasonably required by us, prepare on a current basis (and preserve for no less than 7 years), complete and accurate records concerning Gross Room Revenues and all financial, operating, marketing, and other data collected by us or a third party on aspects of the Hotel specified by us from time to time ("Hotel Data") and maintain an accounting system which fully and accurately reflects all financial aspects of the Hotel and its business. The Hotel Data will be maintained at the Hotel, or, if you notify us in writing, at an alternate location suitable for inspection by us. All Hotel Data must be kept separate and apart from all other data. Nothing in the foregoing shall limit us from reviewing Hotel Data that is older than 7 years or from recovering amounts owed to us from any period of time.

e. Financial Statements and Audit. If we request in writing, you will send us copies of the Hotel Data and financial statements certified by you as true and accurate (including a profit and loss statement, balance sheet, cash flow statement, or such other financial data or reports as we may request, in a form satisfactory to us) for the Hotel for the prior fiscal year (or other time period), and you will have the Gross Room Revenues or other monies due hereunder computed and certified as accurate by a certified public accountant. During the Term and for 7 years afterward, we and our authorized representatives will have the right to verify information required under this Agreement by requesting, receiving, inspecting, copying and auditing the Hotel Data and any and all records or documents related to the Hotel Data wherever they may be located. If any inspection or audit discloses a deficiency in any payments due hereunder, you must pay us all deficiencies plus interest at the rate indicated in Section 4(f), below. If the deficiency in any payment is willful or exceeds 5% of the correct amount, you will also immediately pay to us the entire cost of the inspection and audit, including travel, lodging, meals, salaries, professional fees and other expenses of the inspecting or auditing personnel.

f. Interest. You will pay us interest on all charges, costs, fees and amounts due under this Agreement but not paid on time at the rate of 1.5% per month, but not more than the maximum interest rate permitted by applicable law.

If you are required by law to register any of our Intellectual Property, your registration application must specify that you will use our Intellectual Property: (i) only at the Hotel and in advertising for the Hotel; (ii) only during the Term; and (iii) without claiming any rights in and to the Intellectual Property during or after the Term.

e. Notice of Suit; Injunctive Relief; Survival. You will promptly notify us of any suit filed or demand made against you challenging the validity of our Intellectual Property ("IP Claim"). Following the receipt of such notice from you and using our attorneys, we agree to defend you against any IP Claim, and to defend and indemnify you against your loss, cost or expense related to such IP Claim, except where such IP Claim arose because you used our Intellectual Property in violation of our domain name policy, property website guidelines, internet distribution policy, this Agreement, the ChoiceAdvantage Software Terms of Use, or the Rules and Regulations. You will not settle or compromise any IP Claim without our prior written consent, and you agree to cooperate with us in defending against any such IP Claim. In connection with such IP Claim, you acknowledge and agree that if at any time during the Term you do not immediately discontinue the use of our Intellectual Property (including the Brand Mark) or the Choice-Related Words following our notice to you to discontinue such use, we will seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000. The provisions of this Section 7 will survive the expiration or earlier termination of this Agreement.

f. Changes to Brand Mark. You agree and acknowledge that we have the right, in our sole discretion, to modify, add to, or discontinue use of the Brand Mark, or to substitute different proprietary marks, for use in identifying the System and/or the Hotel. You shall promptly comply with such changes, revisions and/or substitutions, and bear all the costs of modifying your interior and exterior signage, advertising materials, interior graphics and any other items which bear the Brand Mark to conform

therewith.

8. Change in Sleeping Room Count. You may change the Sleeping Rooms by 5% or less by constructing additional (or removing) Sleeping Rooms, but only after providing prior written notice to us. If you wish to change the Sleeping Rooms by more than 5% by constructing additional (or removing) Sleeping Rooms or if you wish to make substantial alterations to the Hotel, you may not do so without our prior written consent, which may be conditioned on, among other things, our inspection of the Hotel and the applicable rooms. If we consent to your expansion of the Hotel or to substantial alterations to the Hotel, you must send us your construction plans and pay us an expansion fee for each addition to the number of Sleeping Rooms equal to the then-current per-room charge for hotels that are permitted to use the Brand Mark, but the expansion fee will be not less than \$1,000. We will add any additional Sleeping Rooms or Meeting Rooms that you construct to the Rentable Rooms (or delete any Sleeping Rooms or Meeting Rooms that you remove from the Rentable Rooms), and you will include revenues from the additional Sleeping Rooms and any additional Meeting Rooms to calculate the Gross Room Revenues for determining the Monthly Fees due under this Agreement.

9. Assignment.

a. Our Assignment. We may sell or assign all or part of our rights or obligations under this Agreement to any person or legal entity without having to provide prior notice to you or seek your prior consent. Any such sale or assignment will inure to the benefit of any assignee or other successor.

b. Your Assignment. Your rights and duties under this Agreement are personal to you. We entered into this Agreement and granted the rights outlined in this Agreement to you in reliance on the business skill, financial capacity and personal character of you and your principal owners. You may not sell, assign, transfer, lease, or otherwise encumber any direct or indirect interest that you have in the Hotel, in you, or in any rights or obligations under this Agreement without giving us at least 15 days prior written notice and obtaining our prior written consent, which will not be unreasonably withheld or delayed. Furthermore, if a Controlling Interest (as defined in Section 9(d)) of the originally approved ownership of the Hotel is being transferred or if you are conveying the Hotel or 50% or more of the undivided interest in the Hotel, you and the transferee must comply with all reasonable conditions we require before we will approve of such transfer, including, but not limited to, (i) the transferee signing our then-current form of the franchise agreement for hotels that are authorized to use the Brand Mark, (ii) the transferee signing a property improvement plan or other writing that we prepare to document the transferee's obligations to complete required Renovations (as defined in Section 6(o)), (iii) all of transferee's owners signing our then-current form of personal guaranty agreement; and (iv) payment of a re-licensing fee equal to the then-current affiliation fee we charge for new franchisees authorized to use the Brand Mark. We reserve the right to withhold our consent to any transfer if the Hotel fails to comply with our then-current brand image and standards or the transferee fails to demonstrate to our satisfaction that it meets our educational, managerial and business standards, possesses a good moral character, business reputation and credit rating, has the experience, aptitude and ability to operate the Hotel, and has adequate financial resources and capital to operate the Hotel. So long as you promptly provide us with written notice, our consent is not required for the following: (1) a mortgage, deed of trust or other encumbrance, pledge or other grant of security interest in any direct or indirect interests in you or the Hotel to a third party lender or third party preferred equity provider; or (2) the sale, assignment or transfer by you of securities in a publicly-traded corporation or entity that individually, or in the aggregate with other sales or transfers by you, constitute the sale or transfer of less than 5% of the outstanding capital stock or other equity interests in you or the Hotel. If you assign or transfer the Hotel or any rights granted to you or your obligations under this Agreement without our written consent, you breach this Agreement and we may terminate this Agreement pursuant to Section 10(b)(2)(d).

c. Transfer due to Death or Mental Incompetence; Transfer to Close Family Member. If you, or any natural person with an ownership interest in you, dies or becomes mentally incompetent, the executor, administrator, or personal representative of that person must transfer that person's ownership interest in you or the Hotel (within 12 months after death or determination of mental incompetence) to one or more of the remaining persons in your entity (if applicable) or to heirs of the deceased person that we approve. If

you wish to transfer your ownership interest in the Hotel to a Close Family Member that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate the Hotel as required by Section 9(b) before we will approve a transfer. For purposes of this Agreement, “Close Family Member” shall mean your adult spouse, parent, child, sibling, grandchild, or grandparent. No additional fees will be payable for any transfers of an ownership interest in the Hotel due to death or determination of mental incompetence. However, if you wish to transfer your ownership interest in the Hotel to a Close Family Member, an application fee (not to exceed \$7,500) will be due to us, which will be fully refundable if we do not approve the transfer. Our ~~approvals~~approval(s) under this Section 9(c) will not be unreasonably withheld or delayed.

d. Controlling Interest. For purposes of this Agreement, “Controlling Interest” includes your interest if you are an individual and you own 50% or more ownership interest in the Hotel, any general partner’s interest in a partnership entity, 50% or more of the voting stock of a corporate entity, 50% or more of the ownership interests in a limited liability company, or a 50% or more undivided interest in the Hotel.

10. Default and Termination.

a. Termination By You. If we default in our material obligations under this Agreement, you may terminate this Agreement only if you first give us written notice of the defaults and of your intention to terminate this Agreement and we have not cured those defaults within 60 days after receiving your written notice. With regard to any defaults which are not reasonably capable of being cured within 60 days, the cure period shall be extended for a reasonable additional period of time provided that we have promptly commenced to cure or cause to be cured such default, and thereafter we diligently pursue our efforts in that regard.

b. Termination By Us.

(c) Cure Periods. You acknowledge and agree that we may, in our sole discretion, extend the time period for you to cure any default but are under no obligation to do so, and any such extension shall not constitute a waiver of the cure periods set forth in this Agreement.

2. Immediate Termination Effective on Notice. Upon written notice to you, we may terminate this Agreement immediately, without giving you an opportunity to cure the default, if:

(a) Imminent Threat. There is an imminent threat or danger to public health or the safety of persons or property resulting from the construction, renovation, maintenance, or operation of your Hotel;

(d) Transfer. You (or a beneficial owner of you) transfer or purport to transfer any rights or obligations under this Agreement, any Controlling Interest in you, your interest in the Hotel, or a Controlling Interest in the Hotel without our prior written consent, except as otherwise permitted under Section 9(b) or 9(c) hereof or you enter into any agreement to sell, or sell, or purport or attempt to sell the real property upon which the Hotel is situated;

(e) False Records. You maintain false books or records, send us false reports, or make any materially false statement in your franchise application or any other document you are required to submit to us;

(f) Bankruptcy. You file a petition in bankruptcy, become insolvent, make a general assignment for the benefit of creditors, or are unable to pay your debts to creditors on a timely basis;

(g) Insurance. You do not buy, maintain or send us evidence of insurance as required by this Agreement, or if we opt to procure, on your behalf, insurance required by this Agreement and you fail to reimburse us as we require under Section 12(f);

(h) Multiple Defaults. We send you 2 or more written notices of default under this Agreement for the same or a similar cause or reason in any consecutive 12 month period during the Term, whether or not cured;

(n) Other Agreements. You or your affiliate (or a beneficial owner of you or your affiliate) materially breaches any other instrument or agreement with us or our affiliates, or any mortgage, deed of trust or lease covering the Hotel, unless cured within any applicable notice or grace periods contained in such document.

c. Suspension of Franchise Rights. If you breach any material obligation required by this Agreement or are in default hereunder, we may, after 10 days from our written notice of default (or longer

time required by law) for financial defaults, or after 30 days from our written notice of default (or longer time required by law) for non-financial defaults, or immediately in the case of a breach under [Section 10\(b\)\(2\)](#), above: (i) suspend any or all services that we (or our authorized representative) provide to you in connection with our System including your access to our Central Reservations System; or (ii) suspend your right to use our Intellectual Property. In addition, while the default remains uncured, you will have no rights under the Impact Policy or the Fair Franchising Policy (as defined in [Section 19\(b\)](#)). In our sole discretion, we may reinstate the suspended System services or the right to use our Intellectual Property if you cure your default before this Agreement terminates and pay us the then-current reinstatement fee (as established in the Rules and Regulations). If we suspend System services or your right to use our Intellectual Property, we may use other remedies, including termination of this Agreement, after the appropriate time to cure, if any, has lapsed.

d. Our Remedies.

1. No System Services. If this Agreement expires or is terminated, we will cease to provide you with any services in connection with our System, which will include removal of the Hotel from any directories, websites, and other distribution channels, cessation of promotion programs and advertising, and cessation of your right to use our Intellectual Property. In addition, we may notify guests holding reservations that the Hotel is no longer authorized to use the Brand Mark, use our Intellectual Property or receive services in connection with our System, and we may relocate such guests upon their request.

2. Liquidated Damages – Post-Opening Termination. If we terminate this Agreement pursuant to [Section 10\(b\)](#), or you [purport to](#) terminate this Agreement [or cease operations of the Hotel](#) for any reason, except pursuant to [Section 3](#) or [Section 10\(a\)](#), after the Opening Date, you will pay us, within 30 days after termination, as liquidated damages and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) the average monthly Gross Room Revenues during the prior 12 full calendar months (or such shorter time that the Hotel has been open), multiplied by (ii) the maximum Royalty Fee payable under [Section 4\(b\)\(1\)](#), multiplied by (iii) the number of months (including partial months, which will be prorated) between the date of termination and the next date that you could have terminated this Agreement under [Section 3](#), not to exceed 36 months. However, the product of (i) multiplied by (ii) will not be less than the product of \$85.00 multiplied by the number of contractually approved Sleeping Rooms.

3. Liquidated Damages – Pre-Opening Termination. If we terminate this Agreement pursuant to [Section 10\(b\)](#), or you [purport to](#) terminate this Agreement for any reason, except pursuant to [Section 3](#) or [Section 10\(a\)](#), prior to the Hotel opening with our authorization pursuant to [Section 6\(s\)\(5\)](#), you will pay us, within 30 days after the termination, as liquidated damages and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) ~~the greater of~~ the number of contractually approved Sleeping Rooms, multiplied by (ii) \$85.00, multiplied by (iii) 36 months.

4. Reasonable Estimate. You acknowledge and agree that the injury to us caused by your breach of this Agreement and its termination is difficult or impossible to accurately estimate, and that the methods of calculating liquidated damages in [Sections 10\(d\)\(2\)](#), [10\(d\)\(3\)](#), and [11\(a\)](#) are reasonable estimates of our probable loss [of our Royalty Fees](#) resulting from your breach of this Agreement and its termination. Payment of liquidated damages by you does not affect your obligation to pay us all Monthly Fees and other fees and amounts due to us that accrued before the termination of this Agreement nor does it affect your continuing indemnification obligations pursuant to [Section 13 of this Agreement](#). [Any other losses or damages caused by the early termination of this Agreement are subject to any other remedy available under law, in equity, or under the terms](#) of this Agreement.

e. Evidence of Breach. If the validity of the termination of this Agreement is disputed, we may introduce evidence of a breach of this Agreement or evidence of any claim associated with the Hotel, including any facilities that are managed by others at the Hotel, whether or not stated in the default or termination notice.

11. Obligations on Termination. On termination or expiration of this Agreement for any reason, you

must, at your expense:

a. Intellectual Property. Immediately discontinue all use of our Intellectual Property, refrain from using the Brand Mark to identify the Hotel and cease to use the Choice-Related Words. If you do not immediately discontinue use of our Intellectual Property (including the Brand Mark) or use of the Choice-Related Words following the expiration or termination of this Agreement, you will pay us, as liquidated damages and not as a penalty, the sum of \$2,500 for each day following the expiration or termination of this Agreement that you continue to use our Intellectual Property (including the Brand Mark) or the Choice-Related Words, and we will have the right to seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000;

b. Registration. Cancel any assumed name or similar registration containing our Intellectual Property (including the Brand Mark) or any variation or portion of our Intellectual Property (including the Brand Mark) or the Choice-Related Words, discontinue all use of any web sites or other electronic media (including social media) that markets goods and services under the Choice Marks and furnish us with reasonable evidence showing that you complied with these obligations within 30 days after termination or expiration of this Agreement;

c. Payment. Promptly pay all sums owed to us and our subsidiaries or affiliates, and all damages, costs, and expenses, including reasonable attorneys' fees, that we incur, either before or following the termination of this Agreement, as a result of your default, including all outstanding Monthly Fees, any liquidated damages due under this Agreement, and any costs and expenses we incur to obtain injunctive relief for the enforcement of any portion of this Agreement; and

d. Return or Destroy Materials. Immediately return to us, or at our option, destroy all originals and copies of any materials that we have provided to you relating to our System and your operation of the Hotel, including all copies of any manuals, the Rules and Regulations and any data stored in or generated by our Property Management System and Reservation System. Except for your copy of this Agreement and other documents that you reasonably need to comply with applicable laws, you may not retain any material that we provided to you during the Term.

12. Insurance.

a. Pre-Opening Coverage. You must purchase by Construction Start and maintain until the Opening Date, at your expense, directly or through your general contractor, the types and amounts of insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. General Liability. Commercial General Liability Insurance (including automobile liability, bodily injury and property damage) protecting you and naming us and our affiliates and subsidiaries, our and their respective officers, directors, agents and employees as Additional Insureds (as defined in Section 12(c)) from and against all types of liabilities, including personal injury and property damage, together with the costs of defense and/or adjustments arising out of the operations to construct or renovate the Hotel. The insurance must include coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability and must be accompanied by waivers of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employers of us, our affiliates and subsidiaries.

2. Builder's Risk. All-risk builder's risk coverage to insure the Hotel buildings under construction or renovation to 100% of their replacement cost value, protecting you, us and the Additional Insureds, and a workers' compensation policy as required by statute.

b. Post-Opening Coverage. Beginning no later than the Opening Date and for the rest of the

Term, you must purchase and maintain, at your expense, the types and amounts of insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. Physical Damage Coverage. All-risk physical damage coverage, insuring the Hotel and its contents for its full replacement cost. If the Hotel is damaged or destroyed, and unless a mortgagee requires otherwise, the proceeds of any insurance will be used to repair or restore the Hotel in accordance with your plans that we approve. Your insurance must contain a waiver of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employees of us, our affiliates and subsidiaries.

2. General Liability; Automobile. Commercial Automobile and Commercial General Liability Insurance policies written on an occurrence form protecting you and the Additional Insureds (as defined in Section 12(c)) from and against all manner of liability. The coverage described in the preceding sentence is primary to any coverage that we maintain and must include Contractual, Products and Completed Operations, Independent Contractors, Personal Injury, Property Damage, Bodily Injury and Host Liquor Liability coverage (if applicable), together with the costs and expenses of the defense and/or adjustment of injury or damage, without exception, from or in any way related to any operation or activity conducted under this Agreement and/or of the Hotel, including adjacent areas like swimming pools, parking lots, restaurants, and bars. Your Automobile Liability Policy must cover owned, hired and non-owned vehicles used in the operation of the Hotel. The policies described in this Section 12(b)(2) must cover lawsuits or actions brought anywhere in the world. These policies must provide limits per location and per occurrence as required in the Rules and Regulations and must be accompanied by a waiver of subrogation in favor of the Additional Insureds. You may meet the required total minimum limits through a combination of primary and umbrella policies. If alcoholic beverages are sold at the Hotel (whether or not you own the establishment that sells the alcohol), you must purchase and maintain Dram Shop/Liquor Liability Insurance with such limits as required in the Rules and Regulations.

3. Workers' Compensation. Statutory Workers Compensation and Employers Liability insurance with minimum Employers Liability limits per accident and per disease as required in the Rules and Regulations.

4. Business Interruption. Business interruption insurance which shall provide for coverage of a minimum of three (3) months in the event the Hotel is not operational at any time during the Term. Your business interruption insurance policy must name us as a specific loss payee.

5. Cyber Liability. Cyber Liability insurance providing minimum coverage as required by the Rules and Regulations.

6. Other Insurance. Pollution Legal Liability insurance covering bodily injury, property damage, cleanup costs and defense costs arising from, or associated with, a pollution condition at a covered location. In addition, Employment Practices Liability insurance, including coverage for third-party violation claims and prior acts.

c. Additional Insured Requirement. You must also obtain and attach an endorsement for all commercial automobile, commercial general and umbrella policies used to meet the requirements in Sections 12(a) and 12(b) adding us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds ("Additional Insureds").

d. Rating; Primary Coverage; Notice of Change. You must place your insurance with insurance companies reasonably acceptable to us and with an A.M. Best Rating of A-, VI or better. All insurance, commercial automobile, commercial general liability, umbrella and dram shop/liquor liability (if applicable), that you purchase must be specifically endorsed to provide that the coverage will be primary and that any insurance carried by Additional Insureds will be excess and non-contributory. We may reasonably change the insurance coverage requirements set forth in this Section 12 during the Term by giving you at least 30 days' notice of the change. You must comply with our directions, at your expense, and deliver to us evidence of your compliance before the change becomes effective.

e. Certificates of Insurance. You must send us, by no later than ten (10) days prior to Construction Start and/or the Opening Date, as applicable under Sections 12(a) and 12(b), certificates of insurance, endorsements, declarations and/or other documents requested by us, indicating your property code, the Hotel name and address, and proof that you have purchased the required insurance coverage and the Additional Insureds endorsement has been accepted by your insurance carrier. You must also provide us with evidence of renewal before the expiration date of each insurance policy. You are responsible for providing us with 30 days advanced written notice if the certificate of insurance by the insurer has been canceled, reduced in coverage, or otherwise altered. Acceptance by Choice of an improper certificate of insurance shall not constitute a waiver, release or modification of any of the insurance coverage and endorsements required under this Agreement.

f. Procurement of Insurance. If you, for any reason, fail to procure or provide us with evidence that you maintain at least the minimum insurance required by Section 12(a) or 12(b), as applicable (or as designated by us from time to time in the Rules and Regulations) together with the endorsement required by Section 12(c), you acknowledge and agree that we will have the immediate right and authority, but not the obligation, to procure such insurance on your behalf, and charge you the cost of the insurance and, at our option, a reasonable penalty. You agree that you will reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain such insurance within 30 days of receipt of our notice that such costs are due and payable to us. The foregoing shall not limit our right to terminate this Agreement pursuant to Section 10(b)(2)(g).

g. No Waiver of Obligations. Your purchase and maintenance of insurance and your performance of your obligations under this Agreement are in addition to your obligation to indemnify us. If applicable, you should obtain additional insurance coverage since we do not require insurance against all potentially insurable risks, such as Employment Practices Liability insurance; if you do, for your protection, you should name us as an Additional Insured on this additional coverage.

13. Indemnification. To the fullest extent permitted by law, you must defend, indemnify and hold harmless us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees (each, an "Indemnified Party") from and against any claim, loss, cost, damage, expense judgment and liability, including, but not limited to, employment related liability and environmental liability (a "Claim"), including reasonable attorneys' fees (whether or not a lawsuit has been filed) and any court costs, resulting in whole or in part from any damage or loss, including personal injury, of any nature, connected with the Hotel construction, renovation or operation, or any facilities that are managed by others in the Hotel, or out of, or as a result of, in whole or in part your (or your agent's or employee's) error, omission, act or failure, even where negligence of an Indemnified Party is alleged, except to the extent that the loss, costs, damage, expense or liability is solely and proximately caused by the negligence of an Indemnified Party. Notwithstanding the foregoing, if we are required by a court of law to contribute to any Claim, the amount of our contribution will be calculated by applying principles of comparative negligence where a Claim was jointly caused by your negligence and by our negligence. You must reimburse us for all amounts we reasonably spend, including attorneys' fees and court costs, to protect the Indemnified Parties from, or to remedy, your defaults under this Agreement or claims arising out of your operation of the Hotel. We will have the sole and exclusive control (including the right to be represented by attorneys of our choosing) over the defense of any Claims against an Indemnified Party and over their settlement, compromise or other disposition. This provision will be deemed divisible, such that if it is in any way (or to any extent) determined to be invalid or unenforceable, it will be deemed modified so as to be valid and enforceable and to be in full force and effect to the fullest extent permitted by law. This provision will survive the expiration or earlier termination of this Agreement.

14. Casualty. If the Hotel is damaged by fire, natural disaster or other casualty, you must promptly and properly repair the damage. If the damage or repair requires closing the Hotel, you must immediately notify us, begin reconstruction within 6 months after that closing; reopen the Hotel for continuous business operation in accordance with the Rules and Regulations as soon as practicable (but in any event within 12 months after the Hotel closing), and send us at least 30 days' prior written notice of the date of reopening. Upon your written request, we will extend the Term of this Agreement by the number of days between the

date of the original closing of the Hotel and the date of reopening. If insurance proceeds are not available or are insufficient to repair or rebuild the Hotel and if you provide us with reasonable evidence that such proceeds are not available to you within 6 months after the original closing of the Hotel, and provided that you are not in default at the time of casualty and are not the cause of the insurance proceeds not being available, then we will terminate this Agreement without penalty to either party.

15. Notices. All notices required or permitted under this Agreement must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized delivery or courier service that allows tracking of packages or letters, to us at **Choice Hotels International, Inc., ~~1-Choice Hotels Circle~~915 Meeting Street, Suite 400600, RockvilleNorth Bethesda, Maryland 2085020852**, Attention: General Counsel, or at such other address we require upon written notice to you, and to you at the Designated Representative's address set forth in Section 1 of this Agreement. You authorize the Designated Representative to submit written notices to us or receive our written notices to you as your agent. Any notice by registered or certified mail or by delivery or courier service is deemed given and received at the date and time of sending. You may change the Designated Representative and/or the Designated Representative's address by written notice to us.

16. Attorneys' Fees. Attorneys' fees must be paid according to the terms of this Section 16 and also, as may be applicable, Section 13 of this Agreement. The prevailing party (as determined by the court or arbitrator) in any arbitration or claim filed to enforce the terms of this Agreement will recover from the other party ~~the reasonable expenses~~fees of its attorneys, ~~whether that attorney is employed by you or us or specially retained in connection with the proceeding calculated as the lesser of (1) the attorney's hourly rate multiplied by the number of hours worked (less any discounts provided to the party), or (2) the amount owed under the contractual payment arrangement between the party and its attorneys~~, along with any attorney costs and expenses, court costs, arbitration costs, arbitrator fees, the reasonable costs of necessary expert witnesses, and the reasonable travel costs (including food and lodging) of the prevailing party's witnesses in the proceeding. If such a claim seeks, in whole or in part, attorneys' fees under Section 13, that provision will control. ~~Attorneys' fees, including those payable to any attorney who is an employee of yours or ours, will be determined by reference to the usual and customary rate for such attorney, and the rates charged by attorneys of similar background and experience performing similar work in the area where the proceeding is conducted.~~ Any judgment or arbitration award for fees or other amounts owed to us to enforce our rights under Section 4, Section 10(d) or Section 21 of this Agreement will bear interest at the rate referred to in Section 4(f) until paid.

17. Taxes, Permits; Notice of Legal Actions.

a. Taxes. You must pay when due all taxes related to the Hotel that may be levied or assessed by any federal, state, or local taxing authority, and all other indebtedness related to the Hotel. You shall comply with all federal, state, and local tax laws. You shall pay all property taxes imposed on your property when they are due. You shall be responsible for all state and local sales and transaction taxes that are imposed on, or measured by, the gross receipts paid to Choice pursuant to this Agreement.

b. Permits. You must timely obtain and maintain all permits, certificates and licenses necessary for the construction, renovation, operation and maintenance of the Hotel, including licenses to do business, fictitious name registration and sales tax permits, health and sanitation permits, and ratings and fire clearances. c. Notice of Suit. You must notify us in writing and provide us with copies, within 5 days of your receipt, of any actual or threatened criminal or civil action, suit, proceeding, or the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality affecting you or the Hotel.

18. Approvals and Waivers.

a. Approvals. Our approvals and consents will not be effective unless signed by one of our duly-authorized representatives. We may withhold our consent in our reasonable discretion or at any time when

you are in breach of any obligation under this Agreement.

b. Reliance; No Liability. Except as otherwise expressly stated in this Agreement (including any addenda or amendments), we make no warranties or guarantees on which you may rely. We assume no liability or obligation to you by providing any waiver, approval, consent, suggestion to you, or by reason of any delay or denial of any request that you make to us.

c. No Waiver/Forbearance. Failure to exercise any power or to insist on strict compliance with any obligation or condition under this Agreement is not a waiver of any future right to demand exact compliance with any of the terms in this Agreement. Waiver of any particular default or extension of any cure period will not affect or impair a party's rights with respect to any later default of the same, similar, or a different nature. No delay, forbearance, or omission to exercise any power or right of a party following any breach or default of any of the terms, sections, or covenants of this Agreement by the defaulting party, will affect or impair the rights of the party not in default.

19. Acknowledgments.

a. No Warranty or Guarantee. You acknowledge and agree that you have conducted an independent investigation of the benefits of signing this Agreement, and you understand that the business venture contemplated by this Agreement involves business risks, and that its success will be largely dependent on your ability as an independent businessperson. We have not made, and you acknowledge that you have not received from us or our agents, any representations, projection, warranty or guarantee, express or implied, as to the profitability or other potential success of the business venture contemplated by this Agreement, ~~except as expressly set forth in the Franchise Disclosure Document.~~

b. Limited Rights. You acknowledge and agree that this Agreement and the limited rights to use the Intellectual Property granted to you under this Agreement relate only to the Hotel and the Location. Except as may be specifically set forth in Section 2, this Agreement does not grant you any protected area, market or territorial rights. Subject to the terms of our then-current incremental impact policy ("Impact Policy") and our then-current version of the fair franchising policy ("Fair Franchising Policy"): (i) we may own, operate, or franchise other hotels and/or allow such hotels to use our Intellectual Property (including the Brand Mark), at any other location, either separately or combined, and (ii) we, and any of our affiliates and other franchisees may now or in the future engage in transient lodging or related business activities that may compete with the Hotel.

c. Control; No Duty; Independent Contractor. You acknowledge and agree that you are solely responsible for exercising ordinary, day-to-day business control over the Hotel, including all personnel and employment related matters and decisions and pricing of rooms and other services at the Hotel, regardless of any advice or consultation received from us. This includes, but is not limited to, hiring and firing employees, supervising and controlling employees' work schedules and conditions of employment, determining employees' rate and method of payment, and maintaining employees' employment records. Neither this Agreement nor the Rules and Regulations create a fiduciary or joint employer relationship between you and us or between your employees and us. You are an independent contractor. Nothing in this Agreement or the Rules and Regulations makes, or is intended to make, either party an agent, legal representative, subsidiary, joint venturer, partner, employee, joint employer or servant of the other (except that you agree that we may act as your agent when making reservations for your Hotel).

d. No Right to Contract; No Third Party Obligations; Truthfulness. You acknowledge and agree that you are not authorized to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and we shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action. You acknowledge and agree that you will not represent in any proposed financing agreement or to any proposed lender or participant in a public or private investment offering that we or any of our affiliates is, or will, become responsible for your obligations under the financing agreement, nor that we are, or will be, participating in any private or public investment offering. Before you distribute a prospectus of your intended private or public offering, you must send us a copy for our prior written approval, not to be unreasonably withheld, of references made to

us in the prospectus. You warrant the truth and completeness of all your statements in your application and the content of all other documents that you send to us as part of the application process and that you are required to submit to us under this Agreement.

e. Disclosure. You acknowledge that you received from us the Franchise Disclosure Document required by the Federal Trade Commission and by the applicable state(s) in which you live and where the Hotel is located at least 14 days before you signed this Agreement or paid to us any consideration for the hotel franchise.

f. Ownership. You warrant that you are the true owner of, and record holder of title to, the Hotel, or that you are currently leasing the Hotel under a lease that allows you the right to enter into this Agreement. If you are a corporation, limited liability company, partnership, or other entity, all owners of the entity, including any subsequent person or entity that becomes an owner at any time after the Effective Date, shall sign our then-current form of personal guaranty agreement, unless expressly waived by us in our sole discretion.

g. Data Security. You acknowledge and agree that we and you each own the rights in and to any data captured by the Property Management System or Reservation System ("Guest Data") and that we may use Guest Data in any reasonable manner that we determine. You also acknowledge and agree that you are obligated to comply with all information security and data privacy standards and requirements contained in the Rules and Regulations and all applicable federal and state laws, regulations, and standards relating to information security and data privacy, including, without limitation, the Payment Card Industry Data Security Standard ("PCI DSS"). You must secure all Guest Data against loss or theft and against unauthorized or unintended access, disclosure, copying, use or modification. You agree to notify us in writing as soon as practicable (and at least within 24 hours) of any known, suspected, or alleged security breach of Guest Data in your possession or custody or under your control. You also acknowledge and agree that you are obligated to indemnify us from and against any Claim resulting from any such data security breach pursuant to Section 13 of this Agreement. Without limiting the foregoing, to the extent we possess or otherwise provide services that allow for the storage, processing, or transmittal of Guest Data as defined by the PCI DSS ("Services"), or to the extent we could impact the security of the Guest Data environment, we will remain in compliance with the applicable PCI DSS requirements with respect to those Services. We will also remain aware of changes to the PCI DSS and implement all procedures and practices as may be reasonably necessary for the Services to remain in compliance with the PCI DSS, in each case at our sole cost and expense.

h. System Marketing and Reservation Fee. You acknowledge and agree that we may use the System Marketing and Reservation Fee to meet any or all costs incident to providing the Hotel (and all Other Choice Brand Hotels) with marketing and advertising services, ~~the Property Management System,~~ and the Reservation System, and that such costs may include certain of our overhead expenses that are reasonably allocated to provide such services. You further agree that we have the absolute and unilateral right to determine, when, how and what portion of the System Marketing and Reservation Fee may be used for (i) marketing purposes, including the right to purchase and pay for marketing services, product research and development, production materials, ad slicks, brochures, videotapes, radio and television commercials, media advertising (internet, e-commerce, television, radio, cable, magazines, newspapers and other print), services provided by advertising agencies, market research, trade shows, conventions, promotions, research and design, public relations, and loyalty programs, (ii) the development, operation and maintenance of the ~~Property Management System and~~ Reservation System, and (iii) the cost of personnel, accounting services, travel expenses, office space, overhead costs, administrative costs, computers, other equipment, furniture, salaries and fringe benefits, development, design and maintenance of internet web-pages and websites, including internet service provider costs, network costs, and for other similar costs that we reasonably deem to be appropriate. You also acknowledge that other franchisees authorized to use our System may not contribute the same percentage or total amount that you must pay to us as the System Marketing and Reservation Fee. You further acknowledge and agree that we are not obligated, in expending the System Marketing and Reservation Fee, to make expenditures for your Hotel or Brand Mark which are equivalent or proportionate to your contribution.

i. ChoiceAdvantage Software Terms of Use. You acknowledge and agree that your right to use the Property Management System will be governed by the ChoiceAdvantage Software Terms of Use that are provided to you in an online format which you agree to review periodically. You acknowledge and agree that the ChoiceAdvantage Software Terms of Use are specifically incorporated as part of this Agreement and you will comply with the terms and conditions of the then-current ChoiceAdvantage Software Terms of Use. You agree that you, the Hotel's general manager, or any other authorized employee of the Hotel ("Authorized User") may accept and agree on behalf of you to the terms and conditions of the ChoiceAdvantage Software Terms of Use. You also acknowledge and agree that we have the right, in our sole discretion, to modify, add or remove any terms or conditions of the ChoiceAdvantage Software Terms of Use. Changes to the ChoiceAdvantage Software Terms of Use will be posted online and will be immediately effective. You agree that use by an Authorized User of the Property Management System after we post any such changes will indicate that you accept and agree to the ChoiceAdvantage Software Terms of Use, as modified.

j. No Liability. You acknowledge and agree that we will not assume liability for, or be deemed liable as a result of, any act or omission of yours relating to the construction, renovation, operation, maintenance or promotion of the Hotel or for any claim or judgment arising from such act or omission.

k. Anti-Terrorism / Anti-Bribery Laws. You individually represent and warrant to us that neither you (including your directors and officers, senior management and shareholders (or other persons) having a controlling interest in you), nor any affiliates or funding sources are (a) owned or controlled by, or acting on behalf of, the government of any country that is subject to an embargo imposed by the United States government; or (b) an entity or individual ("Person") identified by any government or legal authority under applicable laws as a Person with whom dealings and transactions by us are prohibited or restricted, including Persons designated on the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Other Blocked Persons (including known terrorists and narcotics and human traffickers). You will promptly notify us in writing upon the occurrence of any event which would render the foregoing representations and warranties incorrect. You further represent and warrant to us that you, including persons having a controlling interest in you, are not in violation of any anti- money laundering laws, anti-terrorism, anti-bribery, trade sanctions or other laws or embargoes, including without limitation the U.S. Patriot Act and the U.S. Foreign Corrupt Practices Act and related regulations and executive orders. You represent and warrant that you are qualified to do business in the United States, have the authority to execute this Agreement, and are eligible under applicable United States laws to carry out the obligations under this Agreement and any subsequent assumption of your rights and obligations under this Agreement.

l. Child Protection Code of Conduct. We are a member of "The Code of Conduct for the Protection of Children from Sexual Exploitation in Travel and Tourism" (www.thecode.org) ("The Code"), which is an industry-driven responsible tourism initiative with a mission to provide awareness, tools, and support to the tourism industry in order to prevent the sexual exploitation of children. You agree to support the principles of The Code and to take all reasonable steps at the Hotel, including the training of staff, to recognize and prevent all forms of human trafficking.

20. Miscellaneous.

a. Severability. If any section of this Agreement is held to be illegal, invalid or unenforceable, both parties agree that (i) the section will be removed; (ii) this Agreement will be understood and enforced as if the illegal, invalid, or unenforceable section had never been in this Agreement; and (iii) the remaining sections will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable section or by its removal. A section similar to the removed section will be automatically added as a part of this Agreement to the maximum extent enforceable.

b. No Third Party Beneficiaries. Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended, nor will anything in this Agreement be deemed, to confer on any person or legal entity other than us or you, or our respective successors and permitted assigns, any rights or remedies under or by reason of this Agreement.

c. Headings. All captions and headings in this Agreement are intended solely for the convenience of the parties and do not affect the meaning or construction of any section.

d. References. All references to the masculine, neuter, or singular, include the masculine, feminine, neuter, or plural. The word "include" and its derivatives are not to be construed as terms of limitation. If "you" consists of more than one person or entity, your acknowledgments, promises, covenants, agreements, and obligations made or undertaken in this Agreement are jointly and severally undertaken by each of you.

e. Counterparts. If this Agreement is executed in multiple counterparts, each executed copy is an original.

f. Governing Law. This Agreement becomes valid and effective only when we have signed it, and it will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction; except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law.

g. Cumulative Rights and Remedies. Rights and remedies stated in this Agreement are cumulative and not exclusive of any other right or remedy.

h. Attachments/Addenda. All attachments, addenda and amendments to this Agreement are incorporated into and a part of this Agreement. Any addenda or amendments to this Agreement will not be effective unless signed by one of our duly-authorized representatives and by you. All duly-executed addenda and/or amendments are incorporated into and will become a part of this Agreement.

i. Survival. Those of your obligations and our obligations under this Agreement which expressly or by their nature survive the expiration or earlier termination of this Agreement will survive such expiration or termination, including, but not limited to, Sections 7, 10(d), 11, 13, 16, 17, 18, 19, 20, 21, 22, 23 and 24.

j. Seal. This Agreement is a contract under seal and is intended by the parties to be a specialty under Maryland law.

k. Electronic Signatures. The parties hereby acknowledge and agree that electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called "pdf" format shall be legal and binding and shall have the same full force and effect as if an original of this Agreement had been signed and delivered by hand. You and we both (i) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent by electronic means, (ii) are aware that the other party will rely on such signatures, and (iii) hereby waive any defenses to the enforcement of the terms of this Agreement based on the foregoing forms of signature.

21. Arbitration. Except for our claims against you for indemnification or actions seeking to enjoin you from using any of our Intellectual Property (including the Brand Mark) or the Choice-Related Words in violation of this Agreement or any other related agreements (including the ChoiceAdvantage Software Terms of Use), any controversy or claim arising out of or relating to this Agreement or any other related agreements, or the breach of this Agreement or any other related agreements, including any claim that this Agreement or any part of this Agreement or any related agreements is invalid, illegal, or otherwise voidable or void, as well as any claim that we violated any laws in connection with the execution or enforcement of this Agreement or any related agreements and any claim for declaratory relief, will be sent to final and binding arbitration in the state of Maryland before either the American Arbitration Association, J.A.M.S., or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, except to the extent that the Commercial Rules of the American Arbitration Association may be interpreted to require you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim without our mutual consent. In the event more than one demand for arbitration is filed in connection with this Agreement or any related agreements, the demand filed

with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. The arbitrator will apply the substantive laws of Maryland, without reference to its conflict of laws provision, except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law. Judgment on the arbitration award may be entered in any court having jurisdiction. If any party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party, notwithstanding its failure to appear. Any arbitration will be conducted at our headquarters office in Maryland and the parties agree that any state laws attempting to prohibit arbitration in Maryland are pre-empted by the Federal Arbitration Act. Nothing in this Section 21 will be construed as requiring you or us to make a claim in arbitration before exercising any rights you or we may have to give notice of default or termination in accordance with the terms of this Agreement or any related agreements.

22. NO CLASS ACTIONS. NEITHER YOU NOR WE SHALL SEEK TO LITIGATE OR ARBITRATE AGAINST THE OTHER PARTY TO THIS AGREEMENT OR SUCH PARTY'S AFFILIATES, EITHER AS A REPRESENTATIVE OF, OR ON BEHALF OF, ANY OTHER PERSON, CLASS, OR ENTITY, ANY DISPUTE, CONTROVERSY, OR CLAIM OF ANY KIND ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES, THE SALE OF THE FRANCHISE, OR OTHER CLAIMS OR CAUSES OF ACTION RELATING TO THE PERFORMANCE OF EITHER PARTY TO THIS AGREEMENT. NO ARBITRATION OR OTHER ACTION OR PROCEEDING UNDER THIS AGREEMENT SHALL ADD AS A PARTY, BY CONSOLIDATION, JOINDER, OR IN ANY OTHER MANNER, ANY PERSON OR PARTY OTHER THAN US AND YOU AND ANY PERSON IN PRIVITY WITH, OR CLAIMING THROUGH, IN THE RIGHT OF, OR ON BEHALF OF, US OR YOU, UNLESS BOTH WE AND YOU CONSENT IN WRITING. YOU AGREE AND ACKNOWLEDGE THAT ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP BETWEEN THE PARTIES, OR ANY AGREEMENT OR RELATIONSHIP BETWEEN YOU AND US OR ANY AFFILIATE OF OURS WILL BE CONSIDERED UNIQUE ON ITS FACTS AND MAY NOT BE BROUGHT AS A CLASS OR GROUP ACTION.

23. WAIVER OF JURY TRIAL. EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

24. INTEGRATION. THIS AGREEMENT, ALL OF ITS ATTACHMENTS, AND ANY AGREEMENT SPECIFICALLY MADE A PART OF THIS AGREEMENT PURSUANT TO THE TERMS HEREOF, CONTAIN THE COMPLETE UNDERSTANDING OF THE PARTIES AND REPLACE ANY PREVIOUS WRITTEN OR ORAL AGREEMENT ON THE SAME SUBJECT MATTER. ~~NO REPRESENTATION, INDUCEMENT, PROMISE OR AGREEMENT, ORAL OR OTHERWISE, NOT CONTAINED IN THIS AGREEMENT, WILL BE OF ANY FORCE OR EFFECT. 2. Guarantor personally and unconditionally guarantees that all of Franchisee's obligations under the Franchise Agreement, as amended, and all related agreements will be punctually paid and performed.

3. Guarantor agrees that the obligations of Guarantor under this Guaranty shall not be reduced, limited, terminated, discharged, impaired or otherwise affected by: (a) the occurrence or continuance of a default under the Franchise Agreement or any related agreement; (b) any assignment of the Franchise Agreement; (c) any modification or amendment of, or waiver or consent or other action taken with respect to the Franchise Agreement or any related agreement; (d) the voluntary or involuntary liquidation, sale or other disposition of Franchisee's assets, or the receivership, insolvency, bankruptcy, reorganization or similar proceedings affecting Franchisee or its assets or the release or discharge of Franchisee from any of its obligations under the Franchise Agreement; or (e) any change of circumstances, whether or not foreseeable, and whether or not any such change does or might vary the risk of Guarantor hereunder. Any failure by Choice to exercise any power or right or to insist upon Guarantor's compliance with any term under this Guaranty shall not constitute a waiver of Choice's right to demand full compliance with any term of this Guaranty.

4. Guarantor unconditionally and irrevocably waives notice of acceptance of this Guaranty, presentment, demand, diligence, protest and notice of dishonor or of any other kind to which Guarantor otherwise might be entitled under applicable law.

Each Guarantor shall be bound by his/her/its/their signature block below, and such Guarantor's obligations hereunder are not contingent on any other Guarantor being bound hereby.

8. This Guaranty will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction.

9. Except for our claims for indemnification or actions seeking to enjoin you the use of any of our Intellectual Property or the Choice-Related Words in violation of the Franchise Agreement, any controversy or claim founded upon or arising out of or relating to this Guaranty, the Franchise Agreement, or any related Agreement, or to the breach of this Guaranty, the Franchise Agreement, or any related Agreement, will be sent to final and binding arbitration before either the American Arbitration Association, J.A.M.S., or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, except to the extent that the Commercial Rules of the American Arbitration Association may be interpreted to require you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim without our mutual consent. In the event more than one demand for arbitration is filed in connection with this Guaranty, the Franchise Agreement, or any related Agreement, the demand filed with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. ~~According to Minnesota Statute Section 2860.4400 (D), no release language in the Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws on franchising in Minnesota, provided that this part will not bar the voluntary settlement of disputes.~~

~~3. Any provision in the Agreement that requires you to consent to liquidated damages and/or termination penalties is deleted from the Agreement if issued in Minnesota. 4. The Franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logos, slogans and other commercial symbols, or indemnify the franchisee from any loss, costs, or expenses arising out of the use of any trade or service mark in compliance with the Agreement. 5. The following language will appear at the end of Section 20(f) of the Agreement if issued in Minnesota: The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.~~

2. Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

3. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the

4. According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

5. Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

6. The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

7. Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

8. The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

9. "Any action pursuant to Minnesota Statutes, Section 80C.2117, ~~this Section does not abrogate or reduce any rights of the franchisee as provided for in the Minnesota Statutes 1987, Chapter 80C.~~"

Call Forwarding Reservations Services Program — Terms of Use

(Revised January 2024)

Thank You for Your interest in the Choice Hotels International, Inc. ("Choice") Call Forwarding Reservations Services Program (the "Program"). To enroll one or more of Your hotel properties in the Program, please review the terms below that will govern Your participation in and use of the Program ("Terms of Use"), select one or more of the two service options ("Service Options") that fits Your needs, and click on the "I Accept" button to agree to the Terms of Use. You will repeat this process for each property You intend to enroll in the Program.

Terms of Use

By clicking "I Accept" below, You are confirming that You are either (1) an authorized franchisee in good standing ~~of~~with Choice or its subsidiaries or affiliated companies ("**Franchisee**"), or (2) the ~~Franchisee~~hotel's general manager or another authorized employee of the Franchisee (in each case, an "**Authorized Representative**"), and You accept and agree to these Terms of Use on behalf of Yourself and/or the Franchisee for Your participation in the Program and Service Option(s) for the specific hotel property You identify on the Hotel Questionnaire (the "**Hotel**"). These Terms of Use shall govern Your participation in and use of the Program and shall be binding on You and Your employees and contractors. Choice has the right to and may, in its sole discretion and from time to time, modify, add or remove any of the provisions, rights or obligations in these Terms of Use without notice or liability to You. We will post any changes we make to the Terms of Use on this Call Forwarding ~~Webpage~~page on Choice Central and, once posted, the changes will be effective immediately. You agree to review these Terms of Use from time to time. By Your participation in the Program after Choice posts any changes to the Terms of Use, You accept and agree to the Terms of Use, as modified.

As used in these Terms of Use, the terms "You" and "Your" shall mean you, as the person accepting these Terms of Use, the Franchisee, or any and all Authorized Representatives as applicable by the context used herein. Additionally, "we" or "us" or "our" shall mean Choice.

1. The Program.

Subject to these Terms of Use, Choice will make available to Your Hotel each of the Service Options described below. You will select the Service Option that fits Your needs for Your Hotel (Premium or DiGiTAL) by checking the appropriate box at the end of each Service Option description.

Service Option #1 — Premium

Premium is available on either a seasonal basis (from April 1 to September 30) or on an annual basis.

With Premium, callers to Your Hotel will continue to use Your existing Main Number as they did before You enrolled in the Program. With this Service Option, You will assign to us and we will assume that Main Number (also referred to as the “**Ported Number**”) by executing a Letter of Agency we provide to you.

When calls are made to the Ported Number, they will be routed to an automated “interactive voice response” system (IVR) with a message specific to Your Hotel. The caller will be prompted to choose either “reservations” or “all other inquiries”, or a third option of your choice if required. If the caller chooses the “reservations” option, then the call will be forwarded to our Reservation Center and You will be charged the standard fee detailed in Section 3. If the caller chooses the “all other inquiries” option, then the caller be routed to Your Hotel’s front desk agent and no fee will apply. If you ~~should~~would also like to implement a third option on the IVR, calls will be transferred to a designated telephone number of your choice and no fee will apply.

To select Service Option #1 – Premium, Your Hotel must have, in addition to the Main Number, at least one other working phone number/phone line available at Your front desk (“**Secondary Number**”). Callers who chose the “all other inquiries” option will be routed to Your Hotel front desk via the Secondary Number.

You acknowledge that prior to activation of Service Option #1 – Premium, You are responsible for contacting Your phone company to ensure Your Secondary Number phone line is set up to roll all incoming calls to another available phone line if the Secondary Number phone line is in use. If this rollover feature (known as a “**Hunt Group**”) isn't set up properly, calls to the Secondary Number while in use may go unanswered or fail. You are responsible for any fees charged by the phone company in connection with the implementation of Service Option #1, including fees for setting up the Ported Number or Hunt Group.

You agree to continue to list the Main Number as Your Hotel's published phone number throughout Your participation in the Program. You also acknowledge that Choice will use commercially reasonable efforts to reassign the Ported Number back to Your Hotel upon termination of Your participation in the Program or Service Option #1, in accordance with the terms stated below in Section 4, however, Choice does not ~~guaranty~~guarantee this reassignment back to Your Hotel.

~~Select Service Option #1 — Premium~~

Service Option #2 — DiGITAL

DiGITAL is available on either a seasonal basis (from April 1 to September 30) or on an annual basis.

Choice will provide Your Hotel with its own unique Call Forwarding Number. Choice will substitute Your Hotel's published primary toll-number (the "Main Number") with a designated Call Forwarding Number for organic internet search results, and listings on the Choice Mobile App, ChoiceHotels.com and Choice reservation systems. This means that Incoming Calls can be made using the designated Call Forwarding Number. You must retain Your Hotel's Main Number and keep it operational throughout the course of Your participation in the Program.

Incoming Calls on Your Call Forwarding Number will be routed to an automated "interactive voice response" system (IVR) with a message specific to Your Hotel (similar to the Premium service). The caller will be prompted to choose either "reservations" or "all other inquiries," or a third option of your choice if required. If the caller chooses the "reservations" option, then the call will be forwarded to our Reservation Center and You will be charged the standard fee detailed in Section 3. If the caller chooses the "all other inquiries" option, then the caller be routed to Your Hotel's front desk agent and no fee will apply. If you ~~should~~would also like to implement a third option on the IVR, calls will be transferred to a designated telephone number of your choice and no fee will apply.

You also have the option to ~~also~~ have Incoming Calls on Your Call Forwarding Number routed through Your Hotel's PBX system. You then can treat the Incoming Call as a Manual Transfer or an Automatic Transfer, as outlined under Service Option #2. Dependent on your agreement with your telephone provider, additional fees may apply.

~~Select Service Option #2 — DIGITAL~~

2. Obligations and Representations

Once You accept these Terms of Use and select Your Service Option(s), You will be enrolled in the Program and You will receive an e-mail confirmation including the Call Forwarding Technical Requirements & Hotel Questionnaire. You represent and warrant that the Hotel Questionnaire You submit is and will be complete and accurate. You agree to notify Choice promptly of any changes to the information You provide in the Hotel Questionnaire. If You wish to enroll additional Hotels in the Program, You must accept these Terms of Use and complete a separate Hotel Questionnaire for each Hotel.

Call Forwarding representatives have access to all your local negotiated rate plans through our reservation system. This includes rate plans You have loaded as Property Direct. It is Your responsibility to ensure every ~~local~~locally negotiated rate plan has a loaded rate description.

To enable the full functionality of the Program, You may be required to take additional actions, such as providing us with certain information, directions, and preferences. We will provide You with a supplemental Hotel Questionnaire detailing the requirements and requests if necessary. If You fail to satisfy the enrollment requirements and our requests, You may impair Your Hotel's ability to implement/participate in the Program.

You agree to follow all operation instructions and the requirements of the Program as may be set forth in the Rules and Regulations that accompany Your franchise agreement with Choice (the "**Franchise Agreement**") and which may apply to any of the Program Service Options.

4. Term and Termination

The initial term for Your participation in the Program under any Service Option is six (6) months (the "Initial Term"). Your Hotel must remain enrolled in the Program for at least six (6) months and You may not cancel before the end of the Initial Term except as detailed below. After the Initial Term, You will continue to be enrolled until either party provides the other with thirty (30) days advance written notice of an intent to terminate. If You wish to take Your Hotel out of the Program early, You may do so by notifying us and paying an early exit fee of \$500 for each month remaining in the Initial Term (plus a pro rata share for the remaining portion of the current month).

Default and Termination

Non-payment. We may terminate Your participation in the Program upon five (5) days written notice if You fail to timely pay any amounts due to Choice as a result of Your participation in the Program.

We may terminate Your participation in the Program immediately upon any default under the Program or Your Franchise Agreement and Your participation in and use of the Program will automatically terminate upon the expiration (or earlier termination) of the Franchise Agreement.

Removal of Call Forwarding Number Published Listings (Service Option #2 only). For Service Option #2, Your removal of the Call Forwarding Number from any or one of the following channels (or any other channel in which we list Your CF Number) constitutes a breach of these Terms of Use for which we may terminate immediately Your participation in the Program: organic internet search, Choice Mobile App, ChoiceHotels.com and Choice Reservations systems.

Change of Main Number (Service Option #1 only). For Service Option #1, it is a breach of these Terms of Use if Your Hotel takes on/publishes a new Main Number, in which case we may terminate immediately Your participation in the Program.

Additional Remedies. In addition to any damages to which it may be entitled, Choice will be entitled to reimbursement of all costs relating to the breach of the Terms of Use, including reasonable attorneys' and witness' fees. If, because of Your breach of the Terms of Use, we terminate Your participation in the Program during the first six months after Your enrollment, we will charge You the early exit fee. Your breach of these Terms of Use may also cause irreparable harm to Choice. You agree that damages may be an inadequate remedy and, therefore, in addition to its rights and remedies otherwise available at law, Choice will be entitled to equitable relief, including both a preliminary and permanent injunction, if such a breach occurs. You waive any requirement for the posting of a bond or other security if Choice seeks such an injunction.

Post Termination Reassignment of Ported Number (Service Option #1 only). Upon termination of Your participation in the Program under Service Option #1 – Premium, we will use commercially reasonable efforts for ninety (90) days thereafter ("**Transfer Window**") to reassign the Ported Number back to Your Hotel. If we are unable to reassign the Ported Number back to Your Hotel during the Transfer Window, we may retain the Ported Number and/or forward it to a non-working line. You acknowledge that the actual termination of the Hotel's commitment and responsibility under Service Option #1 (including Your payment of Fees) will only become effective upon the earlier of: (a) the date the Ported Number is actually reassigned back to the Hotel (which will be determined by several factors outside of Choice's control), or (b) the last day of the Transfer Window.

5. Limitation of Liability

You expressly understand and agree that neither Choice, its licensors, nor related parties shall be liable for any indirect, punitive, consequential, incidental or special damages of any kind resulting from these terms, access to or any use of, or inability to use or access, or reliance on, or functioning of, the Program, regardless of the basis upon which liability is claimed, even if Choice

has been advised of the possibility of such loss of damage. In no event shall Choice's liability for damages, regardless of the form of action, exceed the fees You actually paid in the six (6) months immediately preceding Your claim.

6. No Warranty

Choice provides the Program "as is" and without warranties of any kind, either express or implied, except to the extent that any warranties implied by law cannot be validly waived or disclaimed. The disclaimed warranties, to the extent allowed by law, include but are not limited to the implied warranties of merchantability, non-infringement of intellectual property, and fitness for a particular purpose.

Choice makes no warranty that the Program will meet Your requirements or that it will be uninterrupted, timely, secure, or error free; nor does Choice make any warranty as to the results that may be obtained from Your participation in or use of the Program or as to the accuracy or reliability of any information obtained through Your participation in or use of the Program.

Choice shall be not responsible for any problems or technical malfunction of any telephone network or lines, computer on-line systems, servers, internet access providers, computer equipment, software, or any combination thereof including any injury or damage to Your or any other person's computer or networks as a result of using the Program. 7. Indemnity

You agree, at Your expense, to indemnify, defend and hold Choice, as well as its officers, directors, employees, agents, subsidiaries, affiliates, distributors, franchisees, licensors and licensees harmless from and against any judgments, losses, deficiencies, damages, liabilities, costs, and expenses (including reasonable attorneys' and witness' fees and expenses) incurred in connection with or arising from any claim, demand, suit, action, or proceeding arising out of Your breach of these Terms of Use or in connection with Your participation in or use of the Program or any product or service related to the Program. Choice reserves the right to assume the exclusive defense and control of any matter subject to indemnification by You, which shall not excuse Your indemnity obligations.

8. Trademarks

You acknowledge that Choice Hotels International®, Choice Hotels® and the trademarks associated with our brands are the sole property of Choice and are registered in the U.S. Patent and Trademark Office and other trademark offices around the world. Any use of these trademarks by You requires the prior express written consent of Choice.

9. Governing Law

Choice creates and controls the Program in the State of Maryland, U.S.A. Accordingly, these Terms of Use are governed by the laws of the United States and Maryland law, except the Maryland Uniform Computer Information Transactions Act, which is expressly disclaimed, and without regard to Maryland conflicts of law principles. Any controversy or claim arising out of or relating to these Terms of Use or relating to Your participation in or use of the Program and the materials related to the Program shall be resolved in a Maryland court. You agree that, regardless of any statute or law to the contrary, any claim or cause of action You may have against Choice arising out of or related to these Terms of Use must be

filed within one (1) year after such claim or cause of action arises or this claim or cause of action will be forever barred.

For Canadian franchisees: These Terms of Use are governed exclusively by the laws of the Province in which your hotel is located, without regard to its conflicts of law principles. Any controversy or claim arising out of or relating to these Terms of Use or relating to the use of the Program and the material contained in the Program shall be resolved in a court in such Province, in a city selected by Choice, and you expressly waive the right to file a lawsuit or proceeding in any other jurisdiction.

10. General

The waiver by Choice of a breach or right under these Terms of Use will not constitute a waiver of any subsequent breach or right. If any provision of these Terms of Use is found to be invalid or unenforceable by a court of competent jurisdiction, such provision shall be severed from the remainder of these Terms of Use, which will otherwise remain in full force and effect. Choice will not be responsible for any delay or failure of the Program or any associated services, in whole or in part, due to the following factors as they affect Choice, its licensors, agents or representatives, or the Program: federal, state or municipal action or regulation; strikes or other labor troubles; fire; damage; delay in transportation; shortages of raw materials, labor, fuel or supplies; sabotage; insurrection, riot or other acts of civil disobedience or public enemy; and failures or interruptions in Internet service, networks or other communication failures. You may not assign Your rights under these Terms of Use, in whole or in part, without the prior written consent of Choice. If Choice finds it necessary to employ legal counsel or to bring an action at law or other proceeding against You to enforce any of the provisions of these Terms of Use, You agree to pay Choice, in addition to any damages for which You may be responsible, all reasonable attorneys' and witness' fees and expenses incurred by Choice, if Choice prevails in such action or proceeding. Your obligations under these Terms of Use will survive termination of Your participation in, right to access, and use of the Program. Any rights not expressly granted to You herein are reserved to Choice and its licensors. You acknowledge and agree that these Terms of Use are the complete and exclusive agreement between Choice and You relating to the Program, superseding all other agreements, proposals, and communications (oral or written) related to the Program.

Maturity Date: _____

\$ _____

«PROP_CITY», «PROP_ST»

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally, hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum of _____ and 00/100 Dollars (\$___) ("Principal Amount") as provided for herein.:

1. **Franchise Agreement.** Maker and Holder are parties to a franchise agreement dated _____ (as may be amended or supplemented from time to time, the "Franchise Agreement"). The parties have agreed upon certain conditions pursuant to which Holder will make a loan to Maker pursuant to a promissory note in substantially similar form to this promissory note ("Note"). Capitalized terms used but not defined herein will have the meaning set forth in the Franchise Agreement.

2. **Payment.** Unless otherwise accelerated pursuant to Section 3, this Note matures on the Maturity Date, at which time the entire Principal Amount will be due and payable in full.

3. **Default.** The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note; (2) if any representation or warranty made in connection with this Note is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies ("Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt; and (6) the death of any Maker or the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets. If a Default occurs, the entire Principal Amount will be due and payable in full within fifteen (15) days after Maker's receipt of a written Notice of Default from Holder.

4. **Interest.** If the Principal Amount, or any portion thereof, is not paid on or before the Maturity Date (or such earlier date required by Section 3), this Note will bear interest from the date on which funds are due until paid in full at the annual rate of eighteen percent (18%). The maximum interest rate in California is 10% annually. Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

5. **Confession of Judgment.** Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Principal Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

6. **General.**

No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or will preclude Holder from exercising any right,

power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due.

If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee. This Note is not assignable by Maker.

If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

This Note shall be governed by and construed in accordance with the laws of the State of Maryland.

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum ~~equal to the lesser of (i) _____ And 00/100 Dollars (\$), or (ii) the product of \$ multiplied by the number of Sleeping Rooms (such amount,)~~ (the "Principal Amount"), or such lesser amount as shall then equal the outstanding Principal Amount hereof on the terms and conditions set forth hereinafter, together with interest thereon, as provided for herein. Holder will lend Franchisee Name ("Franchisee"), which is a Maker under this Incentive Promissory Note, the Principal Amount upon the completion of the payment conditions set forth in this Note. Capitalized terms used but not defined herein will have the meaning ascribed to such terms in the Franchise Agreement (defined below).

1. Background and Certain Definitions. ~~Maker and~~ Holder and Franchisee are parties to a franchise agreement dated /Hd/ _____, (as may be amended or supplemented from time to time, the "Franchise Agreement"), which Franchise Agreement, among other items, ~~set forth certain conditions pursuant to which~~ states that Holder will make a loan to ~~Maker~~ Franchisee pursuant to a promissory note in substantially similar form to this promissory note (the "Note"). Holder will lend Franchisee an amount equal to _____ shortly after completion of the following payment conditions: (i) occurrence of the Opening Date on or before the Opening Deadline; (ii) Holder's receipt of evidence that Franchisee is the deedholder of the Hotel; and (iii) Holder's receipt of evidence that the ownership of Franchisee continues to match the ownership reflected in Schedule A of the Franchise Agreement.

2. Interest.

2.1 This Note will bear interest from the date on which funds are advanced to Maker (the "Distribution Date") until paid in full at the annual rate of Prime plus two percent (prime plus 2%) (the "Rate of Interest"). "Prime" initially refers to the prime rate quoted by the Wall Street Journal Prime Rate as of the Distribution Date, and during the period in which all or any portion of the Principal Amount remains outstanding, shall adjust from time to time as the rate quoted by the Wall Street Journal adjusts. Rate of Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. The maximum interest rate in California is 10% annually.

2.2 Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

3. Use of Proceeds. Maker agrees that the entire proceeds of this Note will be used solely for purposes related to the construction and operation of a ~~Gambria~~ Brand hotel pursuant to the Franchise Agreement.

4. Payment.

4.1 Unless otherwise accelerated pursuant to Section 5.2, this Note matures ~~fifteen~~ (15) years from the Opening Date (the "Maturity Date"), at which time the entire Principal Amount, all accrued and unpaid interest on this Note and all other sums due under this Note will be due and payable in full.

4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 5.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.

4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) ~~1/151~~ th of the Principal Amount (the "Forgiven Amount"), and
(b) all accrued interest on the Forgiven Amount.

4.4 Payments on this Note shall be made in lawful currency of the United States of America to Holder, at the address set forth in Section 6.3 of this Note or such other address as Holder may designate by written notice to Maker.

5. Default.

5.1 The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or guaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies (the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should ~~Maker~~Franchisee enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new ~~Cambria~~Brand franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; and (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets.

5.2 If a Default occurs, at Holder's option, the Default Payment Amount (as defined below) will immediately become due and payable by Maker to Holder without notice to Maker or any other person or entity. The "Default Payment Amount" means the sum of: (a) the original Principal Amount less an amount equal to the product resulting from multiplying the original Principal Amount by a fraction, the numerator of which is the number of full calendar years that have elapsed since the Opening Date, and the denominator of which is ~~fifteen~~ (1510) (the amount resulting from this calculation is referred to as the "Amount Due"); plus ~~(b)~~ (b) interest on the Amount Due calculated from the Distribution Date at the Rate of Interest.

5.3 Interest will accrue on the Default Payment Amount at the Rate of Interest until the Default Payment Amount has been paid in full; provided, that if such Default Payment Amount has not been paid in full by the date that is fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually.

5.4 The following provisions are applicable upon the occurrence of a Default: (A) Maker will pay Holder all expenses, costs and attorneys' fees that Holder incurs in connection with Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note, and (B) Holder may exercise any or all other rights,

powers and remedies provided for in any instrument, document or agreement now or later evidencing security or otherwise relating to the loan evidenced by this Note or now or later existing at law or in equity or by statute or otherwise.

5.5 **CONFESSION OF JUDGMENT.** Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Default Payment Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

5.6 Maker waives demand, presentment for payment, protest and notice of dishonor and agrees that at any time and from time to time and with or without consideration, Holder may, without notice to or further consent of Maker and without in any manner releasing, lessening, or affecting the obligations of any of them: (1) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to (a) this Note, (b) all or any part of any collateral or security for this Note, and (c) Maker or any of them; and (2) grant any extension or other postponements of the time of payment of this Note.

6. General.

6.1 **Cumulative Rights.** Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.

6.2 **No Waiver; Application of Payment.** No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.

6.3 **Notices.** All notices required under this Note must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Holder at **Choice Hotels International, Inc., ~~1-Choice Hotels Circle~~915 Meeting Street, Suite 400600, Rockville, MD-20850North Bethesda, Maryland 20852**, Attention: **General Counsel**, and to Maker at the Designated Representative's address identified in the Franchise Agreement. Either Holder or Maker may change the applicable address to which such notices are to be sent by written notice to the other party; provided, that Maker may only change the Designated Representative by written notice to Holder delivered in compliance with the Franchise Agreement. Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

6.4 **Severability.** If any provision (or any part of any provision) in this Note is for any reason

held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

6.5 Assignment. If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee.

6.6 Choice of Law. This Note is a contract made under, and for all purposes will be construed in accordance with, the internal laws and judicial decisions of the State of Maryland. Maker and Holder agree that any dispute arising out of this Note is subject to the jurisdiction of both the state and federal courts in the State of Maryland. For that purpose, Maker submits to the jurisdiction of the state and federal courts of the State of Maryland. Maker further agrees to accept service of process out of any of the before-mentioned courts in any dispute by registered, certified mail or international courier service addressed to Maker.

6.7. Confidentiality. You agree to keep the provisions of this Note in strict confidence and will not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors that have a need to know. Any unauthorized disclosure is a Default under this Note as defined in Section 5.1 hereto.

6.8 Integration. This document embodies the entire agreement of the parties with respect to this Note. There are no restrictions, promises, representations, warranties, or undertakings other than those expressly set forth or referred to in this document. 4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 5.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.

4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) 1/10th of the Principal Amount (the "Forgiven Amount"), and (b) all accrued interest on the Forgiven Amount.

6.1 Cumulative Rights. Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.

6.2 No Waiver; Application of Payment. No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.

Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

6.4 Severability. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

6.5 Assignment. If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee.

Debtor agrees to provide Secured Party advance written notice and an opportunity to cure pursuant to the preceding sentence any contract, charge or receipt claimed by Debtor to be unlawful; and Secured Party may calculate maximum lawful amounts by amortizing, prorating, allocating reallocating, discounting, treating months as equal intervals, and spreading in each case to the fullest extent permitted by applicable law. If any provision hereof or any remedy herein provided is found to be invalid under any applicable law, the remaining provisions hereof, shall be given effect in accordance with the manifest intent hereof. The parties agree that each Payment includes interest. You agree that a waiver of breach will not be a waiver of any other subsequent breach, and that any delay or failure to enforce our rights under this Agreement does not prevent us from enforcing any rights at a later time. You authorize us to complete any blank in this instrument or in any document executed or delivered in connection herewith that contemplates a date by inserting a date deemed appropriate by us. Time is of the essence with respect to your obligations hereunder. Any formal notice given pursuant to this Agreement shall be deemed given 2 business days after being placed with the U.S. Postal Service, postage prepaid, addressed to the Debtor at its address set forth above, or to Secured Party at 23970 Hwy 59 N, Kingwood, TX 77339-1535, or such other address as a party may designate by written notice to the other. If Debtor constitutes more than one person, you agree that the liability of each such person hereunder is joint and several. Any restrictive endorsement on any check you give us in payment of any amount due hereunder shall be void. You may not prepay this Agreement without our prior written consent. A facsimile or other copy of this Agreement, as executed, shall be deemed the equivalent of the originally executed copy for all purposes. COMMENCEMENT AGREEMENT

Agreement No. _____

Date: March

You, the Customer, and Ascentium Capital LLC ("we", "us", "our") have entered into the above referenced equipment lease, equipment finance agreement, secured loan or similar agreement (which may be one or more schedules to a master agreement) ("Agreement") pursuant to which we will be financing the Equipment or Collateral as defined in and described in the Agreement (in either case "Equipment") as set forth in this Commencement Agreement ("CA"). The Equipment is being delivered at various times and the vendor or vendors of the Equipment have to be paid for each item of Equipment at or before its delivery to you. You agree to commence the initial non-cancelable term of the Agreement immediately even though items of Equipment remain to be delivered to and accepted by you from one or more vendors.

NOW THEREFOR, you and we hereby agree as follows:

1. The term of the Agreement will commence on the date of this CA, with the interim term commencing on the date set forth above and the initial term commencing as provided in the Agreement. You acknowledge and agree that notwithstanding the fact that not all items of Equipment have been delivered to and accepted by you as of the date set forth above, the terms and conditions of the Agreement, including your obligation to pay all amounts of rent or debt service set forth in the Agreement, shall commence immediately and, except as otherwise specifically set forth in this CA, irrevocably.
2. You agree to inspect and accept for purposes of the Agreement all undelivered items of Equipment immediately upon their delivery to you. If, when delivered, an item of Equipment is damaged or non-conforming, you agree to cause the vendor in question to repair and/or replace any such item of Equipment and you agree to immediately accept any conforming replacement and/or repaired Equipment for all purposes under the Agreement while continuing to meet all of your payment and other obligations under the Agreement.
3. All amounts anticipated to be disbursed by us on your behalf that have not been disbursed as of the date of this CA will be deemed disbursed by us into a separate holding account for your benefit ("Account"), the contents of which shall be debited by the amount of each subsequent disbursement to vendor(s) as contemplated by this CA. To secure your obligations to us under the Agreement and this CA, you hereby grant to us a security interest in the contents of the Account and any proceeds.
4. The Agreement contemplates a pro-rata adjustment to the payments owed by you under the Agreement in the event the purchase price of the Equipment and other amounts, if any, paid by us on your behalf are higher or lower than those on which the payments set forth in the Agreement are based. Following the delivery and acceptance of all items of Equipment set forth in the Agreement, we shall make any necessary adjustments to the payments as contemplated by the Agreement. You agree that we will have no liability to you in the event we determine to terminate the funding of any vendor because we have determined, in our sole discretion, that there has been a material adverse change in your creditworthiness from that on which we based our approval of the Agreement. In any circumstance contemplated by the preceding sentence, we will continue the Agreement with the Equipment accepted by you and funded by us as of the date we determine to terminate funding the Agreement and we will reduce the amount of each payment of rent or debt service you owe under the Agreement proportionally, taking into account the higher payments made by you up to the date of that determination and any balance in the Account shall revert to us.
5. This CA sets forth the entire agreement of the parties with respect to its subject matter and it may only be amended by a written instrument executed by you and us. In the event of a conflict between this CA and the terms of the Agreement, the terms of this CA shall govern and control, provided however, except as explicitly set forth in Section 4 above, nothing set forth in this CA shall be deemed to affect your obligation to pay and perform all of your obligations as set forth in the Agreement without setoff, abatement or counterclaim. This CA shall terminate and be of no further force and effect following your acceptance and our funding of the last item of Equipment being financed under the Agreement. This CA will be governed by and construed in accordance with the laws of the jurisdiction governing the Agreement.

You agree that a facsimile or other copy of this CA, as executed, shall be deemed the equivalent of the originally executed copy for all purposes.

FAIR FRANCHISING POLICY

(Updated January 2023)

Choice Hotels International, Inc. (“Choice,” “we,” or “us”) and our franchisee(s) (“Franchisee”, “Franchisees”, or “you”) share substantial interests in the success of our brands, as well as the worldwide lodging system they comprise (“System”). Choice and its Franchisees all benefit when Choice considers System interests first when making policies. For these reasons, Choice has adopted the following guiding principles, which may be modified from time to time in our sole discretion. Any substantive changes to this policy will be conducted in consultation with our Franchisee Associations.

Mission Statement

Both Choice and our Franchisees have a responsibility to build and maintain the System. At the individual property level, it is your responsibility to represent your hotel's brand in a manner that continually builds brand equity; and we are responsible for confirming that general System and individual brand standards are met throughout the entire Choice franchise System.

Even under the best of circumstances, however, we realize that situations can arise that may create conflict between Choice and our Franchisees. Accordingly, Choice maintains this fair franchising policy (“Fair Franchising Policy”) to help us mutually address these situations. The Fair Franchising Policy contains standards relating to the System and is available for review at any time. We also have an Ombudsperson and Vice President of Owner & Portfolio Strategy dedicated to addressing any conflicts between Choice and Franchisees in a manner that is fair and non-retaliatory to all parties concerned. We encourage you to contact any member of our Fair Franchising Department to discuss the Fair Franchising Policy or any concerns that you have regarding your relationship with Choice.

Impact

Choice and Franchisees agree that every Choice brand, each property, and the entire System benefit from strategic growth and strong brand awareness.

Impact Policy.¹ In some cases, a Franchisee may believe that a third party's application for a new Choice franchise is too close in proximity to the Franchisee's existing property. To address this concern, Choice has instituted an incremental impact policy (“Impact Policy”), which has been benchmarked with our competitors and tailored to carefully balance the rights of existing Franchisees with the need for growth that benefits our entire System. The Impact Policy permits a Franchisee (in good standing) to object to the grant of a same-brand franchise, if the applying franchise is within a specified radius of the existing Franchisee's property.

Under the Impact Policy, we will notify both your designated representative and the general manager of your property: (i) by electronic mail, if we have received an application for a hotel of a different brand than your hotel, the proposed hotel is within 5 miles of your existing property, and your existing brand is covered by the Impact Policy; (ii) in writing (via express mail to the designated representative and via first-class mail to the general manager), if we have accepted an application for a same-brand hotel and the applying franchise is within a specified radius of your property; or (iii) by telephone, if you are an applicant and we have received an additional application for a same-brand hotel to be located within the Area of *Enhanced Protection* (as defined more fully in the Impact Policy) of your proposed hotel.

¹ As of the date of this Fair Franchising Policy, the Impact Policy applies only to the following brands: Clarion, Comfort, Econo Lodge, MainStay Suites, Quality, Rodeway Inn, and Sleep Inn.

First opportunity to develop in franchisee's Area of Enhanced Protection (AOEP). In addition to the

objection rights described above, each existing franchisee in good standing with Choice will have the option of submitting an application for a new same-brand hotel within its AOEP before Choice will approve a same-brand application within that AOEP from another prospective franchisee. Specifically, Choice will permit existing franchisees to submit an application for a same-brand property within 15-calendar days of being notified of a proposed application by another prospective franchisee, and the existing franchisee will receive preference in the application for a same-brand property. In making a final decision, however, we will also consider other factors, such as site location, financing, relative strength of each application and Choice's past experience with the existing franchisee. Finally, our Franchise Development team will inform the existing franchisee of our decision before we grant final approval of an application for a same-brand hotel within that franchisee's AOEP.

Consultation. As has been our practice, we will continue to consult with our Franchisees on amendments and modifications to the Impact Policy. For more information, please refer to our **Impact Policy**, at www.choicecentral.com or call the Fair Franchising Department for a detailed explanation of our Impact Policy.

Exercise of Contractual Outs

Company Philosophy. Choice is committed to meeting the evolving needs of its guests across all of its brands and driving continued brand equity. It is imperative that each hotel delivers a top-notch, consistent experience to every guest, every time. Our brands are as strong as their weakest performer, so if a guest has a bad experience at one hotel, it adversely impacts us all and the System. Not only should each hotel be clean, in good condition and in working order, they should be modern, up-to-date, and competitive within their markets. Choice's contractual out evaluation process was created to ensure that we all meet these objectives.

Contractual Out Evaluation Process. For some brands the franchise agreement may include a mutual right to terminate the franchise agreement on the 5th, 10th, or 15th anniversary of the Opening Date by providing advance written notice.² Choice reviews every active property prior to these anniversaries and evaluates the following aspects of the hotel:

- How well does the hotel meet guest expectations as measured by Guest Insight System ("GIS") scores and customer complaints?
- How do the hotel's GIS scores and guest complaints compare to other hotels within its brand?
- How strongly does the hotel compete in its local market as determined by Smith Travel Research (STR) reports compared to both local competitive set and tract chain scale?
- What is the hotel's historic pass/fail rate for Quality Assurance ("QA") inspections?
- Has the hotel been defaulted in the past for any reason, including but not limited to QA, After Entering System ("AES"), credit or legal reasons?
- How does the physical plant of the hotel compare to its competitive set within its market?
- How does the physical plant of the hotel compare to other hotels within its brand?
- If there are gaps between the property and its competitive set or peers, can the property be updated cost-effectively?

² As of the date of this Fair Franchising Policy, there is no mutual right of termination in our standard WoodSpring franchise agreement. For our Comfort brands, the standard franchise agreement includes an out on the 5th anniversary of the Opening Date for conversion properties only. For Cambria, the standard form franchise agreement includes outs at the 10th and 15th anniversary of the Opening Date for Mainstay and Sleep, the standard franchise agreement includes an out on the 10th and 15th anniversaries of the Opening Date for new construction properties only. For Rodeway, the standard franchise agreement includes annual outs on the anniversary of the Opening Date.

Risk Factors. In keeping with Choice's philosophy, we review in detail the aggregate results of these questions referenced above for each hotel. In particular, we take into account any unique aspects of the hotel's market or its guest base. There is no standardized formula that is applied to every hotel and each

situation is evaluated independently. Furthermore, typically Choice reserves the right under the franchise agreement to exercise its contractual out for any reason or no reason at all, subject to state law. There are certain factors, however, that place a property at greater risk that Choice typically will exercise its contractual out, including but not limited to (subject to state law):

- The property's Likelihood to Recommend ("LTR") score places it in the bottom third of its brand for the most recent 12 month period.
- The property has guest complaints per thousand ("CPT") higher than the brand average for the most recent 12 month period.
- The property has a history of shifting between passing and failing scores on QA inspections.
- The property passes its QA inspections but only minimally.
- The property performs below the tract chain scale as determined by STR.
- The physical plant of the property is outdated, worn, and/or in poor condition.

Note on Comfort Inn: To achieve the brand's goal of becoming one of the top 3 brands in the Midscale without Food & Beverage segment, all Comfort Inn properties must be held to a higher standard in terms of both guest satisfaction and physical representation. For example, the outside appearance of the hotel must meet or be able to achieve a consistent, above-average guest experience when compared to other hotels within the brand and to its national competitive set, which includes Holiday Inn Express and Fairfield Inn.

If the physical plant of a Comfort Inn property resembles economy-level competitors in the market due to its room size, lobby size, public space, corridor type (interior v. exterior), single loaded v. double loaded, or other aspects, then Choice may elect to exercise its contractual out or, if desirable, discuss the potential for the property to reposition to another Choice brand.

Management Committee. Due to the importance of these decisions and their impact on both Choice and the Franchisee, no single person at Choice has the ability to exercise a contractual out. All decisions to exercise this right are made by a Committee and must be unanimously supported by each member of that Committee. The Management Committee is comprised of representatives from:

- Fair Franchising
- Owner & Portfolio Strategy
- Legal
- Development
- Services
- Credit

Contractual Out Notification Process. Approximately eighteen (18) months prior to a contractual out, a representative from Choice will contact the Franchisee's Designated Representative if:

1. Choice is considering whether to exercise its contractual out and feels that a Product Improvement Plan ("PIP") is necessary to continue the relationship.

- The Franchisee's Designated Representative will receive a letter explaining Choice's position and the PIP process. A copy of the letter will be sent to the hotel's General Manager.
- Once the PIP is prepared, the Franchisee's Designated Representative will receive a phone call from a member of Choice's Owner & Portfolio Strategy department to discuss the scope of work to update the property. (See below)

2. Choice has decided to exercise its contractual out.

- The Franchisee's Designated Representative will receive a phone call from Choice to discuss the decision.
- If Choice is unable to reach the Franchisee's Designated Representative by phone, Choice will send a letter notifying the hotel of its attempts to contact the Designated Representative by phone and requesting the hotel contact Choice immediately. If Choice is unsuccessful in contacting the Franchisee, then Choice will release a formal Notice of Termination letter generally twelve (12) months prior to the contractual out date. Individual franchise agreements may contain different notice periods. If that is the case, those notice periods will apply, however Choice will attempt to provide as much notice as is reasonably possible.

Please note that each Franchisee is obligated to maintain accurate contact information with Choice. If the Franchisee's Designated Representative name, address, or telephone number on file is no longer valid, then Choice cannot be held responsible for any resulting delays in reaching the Franchisee.

Product Improvement Plans. In many cases, Choice will agree to continue its relationship based on an agreed scope of work to update and refresh the property and/or additional training. These requirements will be detailed in the PIP. If Choice and the Franchisee's Designated Representative cannot finalize and execute the PIP twelve (12) months prior to the contractual out date, then Choice may issue a Notice of Termination to the Franchisee's Designated Representative.

This Notice of Termination can be rescinded if subsequent discussions result in a mutually agreeable PIP Addendum that is executed by both parties within 30 days of the Notice of Termination letter.

Options Available to Properties. There are 4 options available to properties where Choice has exercised its contractual out:

1. Reposition to Another Choice Brand

In many cases, there will be another Choice brand available in the market for the hotel to consider. There may be many financial benefits to remaining with the Choice System rather than exiting the System completely. When Choice calls the Franchisee's Designated Representative to inform them that Choice is exercising its contractual out, he or she will discuss the availability of this option.

2. Replace the Existing Hotel

Many owners prefer to replace their hotel with a newer product in their market. Please let a Choice representative know your interest in this option and the appropriate person will contact you.

3. Appeal the Decision

If a Franchisee's Designated Representative would like to appeal a contractual out decision, then a letter detailing the request and the reasons for appeal should be emailed to the contact person on the termination notice. Upon receipt of the appeal request, a confirmation email will be sent within approximately 48 hours. The Management Committee will generally review the appeal within 7-10 business days following the receipt confirmation. The Franchisee's Designated Representative will receive the results of the Committee review via email.

4. Early Termination following Choice's exercise of a window.

When Choice exercises its option to terminate a franchise agreement at a contractual out, and a franchisee in good standing wishes to leave the Choice system before the agreed-upon termination date, Choice will take special consideration, on a case-by-case basis, in reviewing a franchisee's request to discount or waive any liquidated damages that may be owed due to the early termination.

Non-retaliation. In deciding whether to exercise our contractual out, Choice will not discriminate or retaliate against a property that has requested or is in the process of requesting an impact study or has challenged some other action taken by Choice.

Marketing and Reservation Services Funds:

Consultation. Choice is committed to the practice of consulting with its applicable franchisee association(s) on certain marketing campaigns the company undertakes and generally on the use of monthly fees designated for marketing, and reservation services. The franchise associations also are consulted on changing the amounts of those fees.

Disclosure. Upon request, Choice will make available to Franchisees its unaudited financial statements for those portions of ~~System fees~~[the Marketing and Reservation Fee](#) that are designated for marketing and reservation services purposes. Choice has no obligation to separate incomes or expenditures between Choice brands. Moreover, as a public company, Choice will continue to report its ~~System fees (including Marketing and reservations fees)~~[Reservation Fee](#) in accordance with GAAP (generally accepted accounting principles) on its income statements, which are reviewed and published quarterly.

Corporate Ethics:

Ethical Conduct. Choice expects all Choice associates, franchisees, and vendors to practice “good faith and fair dealing” in all business matters. All Choice associates are subject to a corporate ethics policy that mandates certain standards of conduct. In addition, your franchise agreement contains provisions that require you to operate your franchise in a manner that does not negatively impact Choice and the brand or violate any laws.

Termination for Cause:

Liquidated Damages. For most brands, if the standard franchise agreement is terminated before the end of its term, we have generally capped both pre-opening and post-opening liquidated damages at 36 months of historical royalty fees (membership fees for Ascend properties) and the formula applicable to each brand.³ In addition, under certain circumstances and for certain brands, a 20% discount on liquidated damages will be applied as an incentive for quickly settling accounts unless the franchise agreement was terminated due to your abandonment of the hotel or your cessation of operating the hotel as our brand. Moreover, Choice’s approach to liquidated damages seeks only to recoup future lost Royalty Fees, not lost ~~system~~[Marketing and Reservation](#) Fees. Individual franchise agreements may contain different terms, and your agreement will control the amount of liquidated damages you will have to pay.

Extraordinary Circumstances. If you encounter extraordinary, unforeseen circumstances (such as the death of franchisee, environmental issues, permanent disabilities, etc.) that affect your ability to operate your franchise in good standing, it is your responsibility to contact us in a timely manner to work towards possible resolutions. In these instances, we will attempt in good faith to find a mutually acceptable resolution to the particular situation.

Transfers:

Family Transfer.⁴ If you wish to transfer your franchise to a close adult family member (e.g., current spouse, parent, child, sibling, grandchild or grandparent) (“Close Family Member”), that Close Family

³ Typically, 60 months of historical royalty fees for Cambria. In addition, typically 60 months historical royalty fees for Post-Opening liquidated damages for Suburban and MainStay Hotels.

⁴ [Ascend Membership Agreements allow a transfer to a close family member for estate planning purposes and does not include a transfer to a Close Family Member based on death and mental incapacity.](#)

Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate your franchise in accordance with Choice standards before we will approve a transfer, among other requirements. If the transfer to a Close Family Member occurs outside of circumstances involving death and/or mental incapacity, you must pay an application fee (not to exceed \$7,500), which will be fully refunded if we do not approve the transfer. The terms of your franchise agreement may differ and, in that

case, the terms of your agreement may override the family transfer provision described above.

Supplier Options:

Vendor Exclusivity. Our Procurement Services Department maintains a list of “Qualified Vendors” of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. We frequently solicit feedback from the elected members of our franchisee associations before implementing new brand standards or vendor requirements. Additionally, for most products and services, we attempt to identify 3 or more vendors who are capable of meeting our brand standards.

Building Brand Equity:

Quality Assurance Reviews. Our entire System benefits from positive brand equity. Building brand equity begins at the local level with how you operate your hotel and also includes Brand Standards or Rules and Regulations that we communicate to you in order to ensure that each of our hotels is meeting or exceeding customer expectations.

Brand Standards or Rules and Regulations, as applicable, change from time to time to reflect changing customer trends and in response to our competition. Where applicable, we will consult with the various brand associations regarding significant changes contemplated for the Brand Standards/Rules and Regulations before implementation, and we will provide our franchisees with a reasonable period to absorb such changes financially.

In addition, each of us has an obligation to your guests to require that your hotel meets or exceeds our brand-specific performance and quality standards. In that regard, we will continue to apply our Quality Assurance process in a fair and impartial manner. If at any time you wish to dispute your Quality Assurance scores, you may make an appeal to the Brand Standards & Compliance.

Database Information:

Prohibited Uses. We have agreed not to share individual, hotel-specific property reservation data for the sole purpose of selling new franchises.

Dispute Resolution:

There are two mechanisms for handling disputes. The first is an informal process, and the second is through arbitration.

Informal Process. We have found that certain disputes with our franchisees can be handled locally or through our established organizational structure. Our Ombudsperson and Vice President of Owner & Portfolio Strategy both provide a retribution-free outlet for our franchisees to share their concerns regarding fairness.

Arbitration. The terms of the franchise agreement (which control) generally require all franchise disputes to be resolved by submitting the claim to binding arbitration before the American Arbitration Association or

alternative arbitration groups.

EXHIBIT M

Choice Hotels International Incremental Impact Policy

(Updated January 1, ~~2021~~2024)

Choice Hotels International, Inc. ("Choice") establishes this domestic Incremental Impact Policy ("Policy") to assist Choice and Choice's franchisees ("you") in pursuing the important mutual goals of i) avoiding an unfair depletion of your room revenues through same-brand competition, and ii) expanding the various Choice hotel brand systems.

Under this Policy, your hotel will be granted an Area of Enhanced Protection in which Choice will not generally grant hotel franchises for the same brand as your hotel. Additionally, you will be granted the right to object to (and, possibly, to exclude) same-brand franchises that are proposed to be located within a specified radius from your hotel determined by the market and location of the applying franchise. Finally, this Policy grants you certain other objection rights if your hotel is newly constructed, is located within a declining market or has recently had an incremental impact study conclude in its favor. If you have a negotiated exclusive territory in your contract and waived rights outside of that negotiated territory, impact policy rights do not apply.

I. Definitions:

- o **Incremental Impact** - For the purposes of this Policy, "incremental impact" means that portion of projected room revenue loss for an existing Choice hotel which is **solely** attributable to the subject applicant's proposed hotel being part of the same Choice hotel brand system.
- o **Good Standing** - For the purposes of this Policy, a Choice hotel is in "good standing" if:
 - o It is not 90 days past due on its franchise and related fees or assessments without Choice approved repayment plan in place; (See Interpretational Note No. 1);
 - o It is not in red status of the performance zone program;
 - o It is not subject to a notice of non-renewal or termination; and
 - o It is not subject to a notice of default for a material obligation under its Franchise Agreement (and other related agreements) after expiration of any applicable cure period.

II. Area of Enhanced Protection:

Each Choice hotel is hereby granted an Area of Enhanced Protection for such time as it remains in good standing. The Area of Enhanced Protection for your hotel is determined by identifying your hotel's appropriate market category in the chart below (e.g., Primary/Airport) and is expressed in terms of radial miles from your hotel. The pre-defined market categories set forth in the chart and your hotel's appropriate placement within these categories will be determined from Smith Travel

Research data, if available (See Interpretational Note No. 3).

	Primary	Secondary	Tertiary
Airport	1	5	7
Highway	2	5	7
Urban	.5	1.5	5
Resort	1	5	7
Suburban	2	5	5
Small Town Metro	2	5	7

Except as set forth below, Choice will not grant a franchise for a same-brand hotel within your hotel's Area of Enhanced Protection.

o ***When Choice Can Approve an Application Within Your Hotel's Area of Enhanced Protection:***

Notwithstanding the Area of Enhanced Protection granted to your hotel above, Choice will initiate an incremental impact study, providing your hotel is in good standing, when it receives a franchise application for a same-brand hotel to be located within your hotel's Area of Enhanced Protection if Choice determines that the market containing your hotel is inadequately served by that Choice brand system. You must formally object to the application in order for Choice to initiate the incremental impact study. If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections, Choice may grant the proposed franchise. You will select the consulting firm to perform the incremental impact study from the approved consultant list and Choice will pay for the study, regardless of the outcome.

III. Your Objection Rights for Applications Outside Your Hotel's Area of Enhanced Protection:

In addition to the Area of Enhanced Protection granted in Section II, you have the right to object to (and, possibly, to exclude) any franchise application for a same-brand hotel, if your hotel is located within a specified radius of the location of the applying franchise. The notification areas are determined by identifying the applying franchise's appropriate market category in the chart below and is expressed in terms of radial miles.

Primary	Secondary	Tertiary
7	10	15

You can object by following the procedures set forth below:

o ***Notice to You of an Application Received by Choice:***

Choice will notify, in writing, your Designated Representative and the

General Manager of your hotel of any franchise application for a same-brand hotel to be located within the specified notification areas noted above. In addition to same-brand notification, Choice will also notify by email all other Choice branded hotels included in the Impact Policy within a 5-mile radius of the proposed hotel. You will have the right to object to a franchise application, however, only if it is for a same-brand hotel to be located within the specified notification areas. If requested, Choice will deliver the above notice by fax.

You should address written requests for faxed notification to:

Ms. Shellome Pinnock
Ombudsperson ~~One Choice~~
~~Hotels Circle Suite 400 Rockville,~~
~~MD 20850~~ 915 Meeting Street,
Suite 600 North Bethesda,
Maryland 20852 (301) 592-6165
FAX (301) 592-6360

Please include your property code and the name, address and fax number of the person to whom the notice should be faxed.

o ***Your options upon receiving a notice:***

You may object to a franchise application for a same-brand hotel to be located within the specified notification areas if your hotel is in good standing at the time Choice issues notification of the application, provided your hotel does not subsequently become subject to a notice of non-renewal or termination. You may object by electing either or both of the objection options set forth below:

Option A: Letter Objection

You may write a Letter Objection and deliver it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of a franchise application for a same-brand hotel, providing Choice with information you would like us to consider when reviewing the application. Before acting upon the application, Choice will fairly consider your letter and any information you submit in support.

Choosing to exercise Option A does not preclude you from also exercising Option B, provided you do so in a timely manner.

Option B: Formal Objection

You may file a Formal Objection to a franchise application for a same-brand hotel by completing an "Incremental Impact Form" (attached hereto) and delivering it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of the application. This option must be selected for you to be eligible to request an incremental impact study.

Upon sending your Formal Objection, contact the Ombudsperson or another

representative of Choice if you would like to discuss your objection ("impact discussion"). If this impact discussion does not resolve your objection concerns, you may request an independent incremental impact study by an approved hotel consulting firm that you choose from the attached list. Each firm is a member of the International Society of Hospitality Consultants and is experienced in performing incremental impact studies. Your request for an incremental impact study must be made in writing to the Ombudsperson within 5 business days after receipt of the impact study correspondence sent by Choice and must include a check for the full incremental impact study fee made payable to Choice Hotels International. During that 5-day period, you may request an extension of the 5-day period, which Choice may, in its sole discretion, grant under compelling circumstances. The amount of the incremental impact study fee charged by each individual consulting firm is set forth on the approved list (and may be exclusive of expenses). The consulting firm you select will be contacted by Choice. If the selected firm cannot complete the study within 28 days, you will be contacted by the Ombudsperson and asked to select another consulting firm. You must notify the Ombudsperson of your new selection within 48 hours.

Following receipt of the incremental impact study results (approximately 28 days), Choice will deny the subject application if the study concludes that the proposed franchise will result in incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. Moreover, if you signed your franchise agreement for a new construction hotel within 18 months prior to Choice's issuance of notification of the subject application, Choice will deny the application if the incremental impact study concludes that the proposed franchise will result in incremental impact of more than a 3% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. If Choice denies the application due to the results of the incremental impact study, Choice will refund the incremental impact study fee you paid.

If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction (or 3% reduction, if applicable) in your hotel's annual gross room revenues in each of the first 3 years of projections, Choice may approve the subject application in its sole discretion. In that event, you will forfeit the incremental impact study fee you paid and you will be obligated to remit the balance of any fees or expenses due the consulting firm by submitting a check payable to Choice Hotels International.

If your hotel is a designated winner of a Gold or Platinum Award at the time you file your Formal Objection, Choice will bear the cost of the incremental impact study regardless of the outcome.

Choice will refund any incremental impact study fees you paid if the franchise you objected to is terminated due to failure to commence construction or to complete a BES addendum.

IV. Your Additional Rights:

Along with the rights granted to you in Sections II and III, you are granted the following additional rights:

- o If an incremental impact study concludes against your hotel's favor, you may

request a second incremental impact study ("second study") not less than 365 days and not more than 400 days after the hotel you objected to ("new hotel") opens to the public. In the event the second study concludes that the new hotel resulted in an incremental impact of more than a 5% reduction in your hotel's gross room revenues in the first year of the new hotel's operation, you may terminate your Choice Franchise Agreement, without payment of liquidated damages. You must submit the applicable incremental impact study fee at the time you request the second study, and the fee will be non-refundable, regardless of outcome.

- o If an incremental impact study concludes in your hotel's favor, Choice will not, for a period of 12 months following the study, accept any franchise applications for a same-brand hotel to be located within your hotel's submarket (as such submarket is defined by the previous study).
- o Choice will not approve any franchise application for a same-brand hotel to be located within your hotel's market tract (as such market tract is defined by Smith Travel Research) if your hotel is in a declining market, is operating below a 52% annual occupancy, is in good standing at the time Choice issues notification of the application and is operating at a RevPAR yield of at least 95% of your hotel's local competitive set. You must notify Choice in writing that you believe you qualify for the protections afforded by this paragraph within 15 days after Choice issues notification of a same-brand franchise application.

V. Choice's Right to Replace Franchises

Notwithstanding the Area of Enhanced Protection granted in Section II or the additional rights of exclusion granted in Sections III and IV, Choice reserves the right to replace any franchise which has departed or which is scheduled to depart from a Choice brand system ("departed/departing franchise") with a same-brand franchise, located anywhere within the Area of Enhanced Protection of the departed/departing franchise. Choice, however, will not grant a replacement franchise if it is to be located within the Area of Enhanced Protection of a same-brand hotel in good standing, unless the departed/departing franchise was/is already located in such same-brand hotel's Area of Enhanced Protection.

For the purpose of this provision, a "departed/departing franchise" means any open hotel, executed franchise agreement or approved franchise application. Moreover, Choice will not grant a replacement franchise if the replacement hotel would entail more than a 50% increase in the number of rooms over that of the departed/departing franchise. If a replacement franchise is to be granted for a hotel to be located within a specified radius from your hotel, determined by the market and location of the applying franchise, we will notify you of this action.

VI. Scope and Term of This Policy

This Policy shall apply to all Choice hotels that are part of the Clarion, Comfort, Quality, Sleep, Econo Lodge, Rodeway, or MainStay brands (including all hotels that are part of any sub-segment of those brands, such as Comfort Suites, for example) and that are located in the United States of America (including all not-yet-operating hotels that are subject to a Choice Franchise Agreement) and its provisions shall be in effect until such time this Policy is withdrawn, amended or modified. Any withdrawal, amendment or modification of this Policy shall be within Choice's sole

discretion.

Interpretational Notes

1. In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, Choice will consider the payment history for only those fees or charges contained in the Monthly Franchise Services Invoice. These charges include, without limitation, royalty fees, marketing fees, reservation fees, franchise association dues, technology services fees (Choice Link support, Profit Manager support) and hardware sublease payments. Travel Agent commissions are not included in the Monthly Franchise Services Invoice.

In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, a hotel will be considered "past due" only if it has been 90 days late beyond the contractual due date in making payment on the Monthly Franchise Services Invoice over the payment history period being considered without of repayment plan in place.

2. If a property has expressly waived impact rights to a specific brand, such property's rights under this Policy, including the Area of Enhanced Protection, do not apply to applications within that specific brand system.
3. With respect to the Area of Enhanced Protection chart set forth in Section II of the Impact Policy, the following terms shall be defined as follows:

Primary: All market tracts contained **within any of the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply.

Secondary: All market tracts contained **within all BUT the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply

Tertiary: All market tracts contained **within any of the Non-Metropolitan Statistical Areas** identified by Smith Travel.

Resort hotels in cities located in Tertiary (Non-MSA) markets

Primary: Cities with over 2,000 resort rooms

Secondary: Cities with 1,000 – 1,999 resort rooms

Tertiary: Cities with less than 1,000 resort rooms

Re: «Contract_Brand» «Contract_Product» «Contract_Legal_Sec_Name»
 («Contract_Property» - «Contract_Contract_ID»)
 «Contract_Property_Address_for_ChoiceMap» (the "Hotel")

Dear Lender:

Choice Hotels International, Inc. ("Franchisor") and «Customer_Customer_Name» ("Franchisee") are parties to a Franchise Agreement dated «Contract_EffectiveExecution_Date» (as amended, the "Franchise Agreement"). The Franchise Agreement permits Franchisee to operate the Hotel as a «Contract_Brand» «Contract_Product»® hotel.

As of the date of this letter agreement, the Franchise Agreement is in full force and effect, Franchisee is in good standing with Franchisor, and Franchisor has not issued a notice of default under the Franchise Agreement which has not been cured; and to the best of Franchisor's knowledge and belief, Franchisee is not currently in default of the Franchise Agreement. "Franchisor's knowledge" means the actual knowledge of obvious Hotel development, construction, and operational matters regularly reviewed by company employees who have given their attention to such matters in the ordinary course of business and does not include any investigation by those employees or others of other matters or beyond their usual and customary reviews of the Hotel, nor does it include constructive notice of matters or information located in public or Hotel records. "Default" means matters which have been the subject of an actual notice of default under the Franchise Agreement and does not include matters which are or may be in process, under discussion, or otherwise addressed.

_____ ("Lender") and Franchisee have informed Franchisor that Lender has issued a commitment to loan funds (the "Loan") to Franchisee to be used for the direct benefit of the Hotel and secured by the Hotel.

Lender and Franchisee have requested that Franchisor enter into this letter agreement (the "Comfort Letter") and have submitted the nonrefundable current processing fee. The undersigned parties agree as follows:

1. Opportunity to Cure Defaults.

(a) Notice and Cure Period. Franchisor will copy Lender on any notice of default or termination issued to Franchisee under the Franchise Agreement. To the extent any default is curable, Lender shall have the right, but not the obligation, to cure the default within a cure period of fifteen (15) calendar days for monetary defaults or forty-five (45) days for non-monetary defaults beyond the expiration of the cure period, if any, given to Franchisee ("Lender's Cure Period"). For non-monetary default, Lender must provide notice to Franchisor of Lender's intended method to cure the non-monetary default.

(b) Non-Monetary Default Requiring Possession to Cure. In the event of a non-monetary default, Lender must obtain Franchisor's prior written consent to apply for the right to acquire the Hotel (the "Acquisition"). Lender must provide notice to Franchisor in accordance with Section 1(a) of this Comfort Letter, and has, upon request, one hundred eighty (180) calendar days ("Additional Period") commencing at the expiration of Lender's Cure Period to complete the Acquisition, through foreclosure or other appropriate proceedings. To request the Additional Period, Lender must: (i) notify Franchisor no later

than the date it commences proceedings (or promptly after action is stayed or enjoined) that Lender wants the Additional Period; (ii) commence proceedings within Lender's Cure Period and diligently prosecutes such proceedings to completion; and (iii) comply with the obligations of Franchisee under the Franchise Agreement not being performed by Franchisee during the Additional Period, including payment of all monetary obligations but excluding those obligations that can only be performed by Franchisee or which Lender cannot perform without ownership of the Hotel. If requested by Lender, Franchisor may extend the Additional Period, at Franchisor's determination taking into consideration the period of time that may be necessary to complete the foreclosure or other proceeding in the applicable jurisdiction and any period of time during which such action has been stayed or enjoined. If Lender fails to timely request the Additional Period, Lender acknowledges that the Franchise Agreement terminates pursuant to Franchisor's notice of default and termination.

(c) Foreclosure. If Lender commences a foreclosure or other proceeding intended to result in the Acquisition but Franchisor has not issued a default notice to Franchisee or Lender has cured Franchisee's default during Lender's Cure Period, Lender may exercise the rights under this Comfort Letter if Lender (i) notifies Franchisor of its proceeding as required by this Comfort Letter and confirms its intention to proceed under the terms of this Comfort Letter and (ii) subsequently completes its Acquisition within one hundred eighty (180) calendar days of the date Lender commenced its proceeding (as such one hundred eighty (180) day period may be extended by Franchisor in its determination if requested by Lender, which determination shall take into consideration the period of time required to complete a foreclosure in the applicable jurisdiction, and any period of time in which Lender's action has been stayed or enjoined). Lender must also comply with the obligations in Paragraph 1(b)(iii) while the Acquisition is pending. Franchisor acknowledges and agrees that an Acquisition shall not be deemed a sale or lease of the Hotel under the Franchise Agreement, nor a violation of any control or transfer provisions of the Franchise Agreement, and shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement.

(d) Franchisor's Rights to Terminate Franchise Agreement. Notwithstanding any other provision of this Comfort Letter, and without limiting Franchisor's right to terminate the Franchise Agreement, Franchisor may terminate the Franchise Agreement if any of the following occur:

(i) Franchisee's default or any subsequent default, in the sole opinion of Franchisor, damages the image or reputation of Franchisor or any brand name owned and/or licensed by Franchisor; (ii) Franchisor is required to terminate the Franchise Agreement by court order or action of any trustee in bankruptcy or debtor in possession of the Hotel; (iii) the Additional Period expires without other arrangements, satisfactory to Franchisor in its sole discretion, having been entered into between Franchisor and Lender; or (iv), as applicable, Franchisor has the right to terminate the Franchise Agreement without cause under Section 3 of the Franchise Agreement.

(e) Expiration of Franchise Agreement. Nothing in this Comfort Letter will extend the Franchise Agreement beyond its stated Term.

2. Elections Upon Lender Acquisition.

(a) Election Not to Operate. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1, Lender may elect not to continue operating the Hotel under the terms of the Franchise Agreement. In such event, Lender must give written notice to Franchisor within thirty (30) calendar days after the Acquisition of its election not to operate. Upon receipt by Franchisor of such notice, Franchisor shall terminate the Franchise Agreement in accordance with the terms thereof. Upon such termination of the Franchise Agreement pursuant to this Paragraph, Lender shall not be liable for any termination fees or liquidated damages for early termination. Lender shall be solely liable for all fees and obligations of Franchisee that accrued during the time period from the date of the Acquisition through the date of Lender's notice not to operate, and Lender shall be responsible for complying with the de-identification obligations contained in the Franchise Agreement.

(b) Election to Operate. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1 and Lender elects to continue operating the Hotel as a **«Contract Brand» «Contract Product»** hotel, Lender may, by notice and payment to Franchisor of an affiliation fee in the amount of \$15,000 by no later than thirty (30) days after the Acquisition and, enter into a new franchise agreement on Franchisor's then-current form. Lender and Franchisor will execute the new franchise agreement within thirty (30) days of Lender's Acquisition. Such franchise agreement shall be dated as of the later of (i) the date that Lender acquired the Hotel or (ii) the date that we sign the new franchise agreement.

The conditions contained in the Section 9 transfer provisions of the Franchise Agreement relevant to a new franchisee as determined appropriate by Franchisor shall apply with respect to the transfer to Lender, including but not limited to submission by Lender of its ownership structure, evidence of ADA compliance and evidence of insurance. Any renovation requirements imposed by Franchisor will not exceed those which Franchisor could have imposed had Franchisee remained as the Franchisee under the Franchise Agreement. Lender must diligently cure all defaults which it could not cure before the Acquisition under the terms of Paragraph 1(b), except for personal and non-curable defaults as defined below, within the time period determined by Franchisor based on the nature of the default and/or the condition of the Hotel at the time of Lender's Acquisition. The term "personal and non-curable defaults" as used in this Paragraph shall mean such defaults that (i) occurred before the date of Lender's Acquisition; (ii) are non- curable; (iii) are purely personal to Franchisee (e.g., failure to provide adequate notice or past failure to maintain Franchisee's company status); and (iv) are unrelated to the operation of the Hotel. However, Lender shall not be liable for any termination fees or liquidated damages.

3. Receivership. If a receiver is appointed by court order to operate the Hotel, and Lender desires the Hotel to continue to be operated as a **«Contract Brand» «Contract Product»** hotel, Lender may, by notice and payment to Franchisor of a non-refundable \$7,500 administrative fee within thirty (30) days of receiver's appointment and subject to Paragraph 2(b) above, elect to have receiver enter into an assumption of the franchise agreement on Franchisor's then-current form. The receiver must execute an assumption of the Franchise Agreement within thirty (30) days of receiver's appointment. Before Franchisor approves such assumption of the Franchise Agreement pursuant to this Paragraph 3, (i) Franchisor, Lender and receiver must reach agreement concerning the cure of any quality, service or other deficiencies in Franchisee's prior performance of its obligations under the Franchise Agreement, including any deficiencies under any other agreements with Franchisor and/or its affiliates relating to the Hotel but excluding liquidated damages; (ii) receiver must enter into an assumption of the Franchise Agreement containing all terms required by Franchisor, which will be dated as of receiver's possession date; and (iii) receiver must specifically be authorized by court order to operate the Hotel and enter into and comply with the agreements referenced in subsection (ii) above.

4. Notifications to Franchisor. Lender agrees to notify Franchisor: (i) contemporaneously with commencement of foreclosure proceedings regarding the Hotel; (ii) contemporaneously with the filing of any petition for appointment of a receiver, to obtain the entry of an order for relief, or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) contemporaneously with the acceptance of a deed for the Hotel in lieu of foreclosure; and (iv) promptly, after taking ownership, possession or control of the Hotel, directly or indirectly, in any manner. Lender's notice to Franchisor must identify the court in which any such action referred to in subsection (i) or subsection (ii) is or will be filed. Lender shall promptly notify Franchisor in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws after Lender receives notice of commencement of such proceedings.

5. No Consent to Assignment of Franchise Agreement. Lender and Franchisee acknowledge and agree that any current and any future collateral assignment, pledge, grant of a security interest or other transfer to Lender or its Affiliates of any interest in the Franchise Agreement: (i) has not been and will not be consented to by Franchisor; (ii) does not and will not affect Franchisor's rights under the Franchise Agreement; (iii) does not and will not grant Lender or any person gaining ownership or possession of the

Hotel any rights under the Franchise Agreement or with respect to the license granted thereunder, including the right to operate the Hotel as a «Contract_Brand» «Contract_Product» hotel; and (iv) is and will be limited by the terms and conditions of this Comfort Letter. If the Hotel is acquired by anyone other than Lender neither Lender nor Franchisee will have the right or authority to sell, convey, assign or in any manner transfer any rights under this Comfort Letter or under the Franchise Agreement without the prior written consent of Franchisor. Lender's only rights with respect to the Franchise Agreement and the license granted thereunder, including the right to operate the Hotel as a «Contract_Brand» «Contract_Product» hotel, are stated in this Comfort Letter.

6. Subsequent Sale. Any subsequent sale, assignment or transfer of the Hotel by Lender to a third party who desires to continue to operate the Hotel as a «Contract_Brand» «Contract_Product» Hotel must be in accordance with the transfer and assignment provisions of the Franchise Agreement, which require, among other things, submission of a relicensing application, payment of an affiliation fee, and payment of all amounts due to Franchisor. Franchisor will require the transfer applicant to sign the then-current form of franchise agreement, which will include a new property improvement plan.

7. No Claims. Franchisor may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, the terms of any agreement contemplated by this Comfort Letter and any of the matters to which Lender is entitled to notice. Franchisor and its respective owners, affiliates, agents, employees, officers, directors, successors, assigns and representatives ("Released Persons") shall not be liable to any person for taking any action or providing any information required or contemplated by this Comfort Letter ("Comfort Letter Acts") and Franchisee, on behalf of itself and its owners, affiliates, agents, officers, directors, employees, representatives, successors and assigns, hereby releases the Released Persons of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, for any Comfort Letter Acts.

8. Notices. All notices required under this Comfort Letter shall be in writing, sent by certified mail, return receipt requested, or by Federal Express or other national express delivery service and addressed, if to Lender, to:

9. Franchisee Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Franchisee hereby:

(a) certifies to Franchisor that the Franchise Agreement is in full force and effect, and no default, claim, breach, offset, defense to full and strict enforcement, waiver, or estoppel (collectively, a “**Claim**”), or condition that could with passage of time, giving notice or otherwise become a Claim, currently exists or has existed against Franchisor under the Franchise Agreement;

(b) agrees that this Comfort Letter will remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented, or restated;

(c) agrees that this Comfort Letter was provided to Lender at Franchisee’s request; and

(d) fully and forever releases, discharges, and agrees to indemnify, defend, and hold harmless Franchisor, its predecessors, successors and assigns and each of their respective former and present officers, employees, directors, shareholders, partners, members, parents, subsidiaries, affiliates, alter egos, representatives, agents, and attorneys (collectively, the “Released Parties”), from any and all Claims, demands, liens, actions, agreements, suits, causes of action, obligations, controversies, debts, costs, attorney’s fees, expenses, damages, judgments, orders, and liabilities of whatever kind or nature in law, equity, or otherwise, whether now known or suspected which have, may or do exist (“Released Claims”), based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to the subject matter of this Comfort Letter. Franchisee acknowledges that it may hereafter discover Claims presently unknown or unsuspected, or facts in addition to or different from those which it now knows or believes to be true, with respect to the matters released by this Comfort Letter. Nevertheless, Franchisee fully and finally settles and releases all such matters, and all Claims relative thereto, which do now exist, may exist or have existed between the Released Parties and Franchisee.

10. Lender Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Lender hereby:

(a) certifies to Franchisor that Lender is not a Sanctioned Person. “Sanctioned Person” means any person or entity (including financial institutions) who is: (i) or is controlled by or acting on behalf of the Government of any country subject to comprehensive U.S. sanctions in force and which currently include the Government of Cuba, Iran, North Korea, Sudan, and Syria (“Sanctioned Countries”); (ii) located in, organized under the laws of or ordinarily resident in Sanctioned Countries; and/or (iii) identified by any government or legal authority under applicable Trade Restrictions as a person with whom dealings and transactions by Lender and/or its affiliates are prohibited or restricted, including but not limited to persons designated under United Nations Security Council Resolutions, the U.S. Department of the Treasury’s Office of Foreign Assets Control (“OFAC”) List of Specially Designated Nationals and Other Blocked Persons; the U.S. Department of State’s lists of persons subject to non-proliferation sanctions; the European Union Financial Sanctions List; persons and entities subject to Special Measures regulations under Section 311 of the USA PATRIOT Act and the Bank Secrecy Act;

(b) agrees that this Comfort Letter shall remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented or restated; and

(c) fully and forever releases and discharges the Released Parties from any and all Released Claims by or through Lender based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to this Comfort Letter.

11. No Representations or Warranties. In no event shall this Comfort Letter or any other circumstances surrounding the provision of financing by Lender be construed to involve: (i) any representation by Franchisor that Franchisor endorses, approves, recommends or otherwise concurs in

the financing; (ii) any guarantee or assurance by Franchisor that Franchisee or any other party to the Loan will be able to repay the Loan in accordance with its terms; (iii) any endorsement, approval, recommendation or concurrence in any financial projections submitted to Lender in connection with the Loan; or (iv) any endorsement, approval or recommendation of Franchisee's character or reputation. Franchisor's representation in the second paragraph of this Comfort Letter regarding the status of the Franchise Agreement pertains to the status of the Franchise Agreement as of the date of this Comfort Letter only. As a result, Lender acknowledges that Franchisor makes no representation that it has or has not issued any default notice after the date hereof, and Lender is not relying on any such representation (or absence of a representation) in making any decision or representation or warranty in connection with any material modification, securitization, or sale of the Loan.

12. Replacement Comfort Letter. Franchisor will issue a replacement comfort letter, substantially similar in form to Franchisor's then current comfort letter and then current fee if Lender (a)(i) appoints a third-party loan servicing agent to service the Loan, (ii) transfers the Loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the Loan, provided that such transferee, designee, or appointee is not a Competitor, an affiliate of a Competitor, or a Person as defined in Section 19(k) of the Franchise Agreement (the "Anti-Terrorism/Anti-Bribery Laws"), and is not an affiliate of Franchisee, and (b) Franchisor receives a written request to issue a replacement comfort letter within sixty

(60) days of the date of such appointment or transfer, setting forth the name, address of the entity for which the replacement comfort letter is requested, the name, address, telephone number and email address for the contact person for such entity, and the date of such appointment or transfer.

"Competitor" means an individual person who directly, or indirectly through an affiliate, owns or controls a hotel brand (or brands) and brands hotels through branded management, licensing and/or franchising (or similar means) for at least ten (10) hotels; provided, however, that a financial investor (such as an investment bank, private equity fund, pension fund, hedge fund or similar institution or any investor therein) shall not be deemed a competitor solely because of its financial investment in any competitor so long as either such financing investor is a passive investor or such financial investor is not actively involved in the day-to-day business operations of the brand and an appropriate and sufficient barrier is established to prevent such financial investor from receiving any confidential information of Franchisee, as applicable. In addition, a bank or other institutional lender that provides commercial financing to a competitor shall not be deemed a competitor solely because in the ordinary course of business it has financed a competitor, whether or not such financing results in, or has the potential to result in, such lender having control of a competitor as a result of the enforcement of remedies in the applicable financing documents, provided that such lender does not assume active management of the day to day operations of such competitor. Franchisor reserves the right to require representations and warranties or certifications that the conditions in this Paragraph are satisfied prior to issuing any replacement comfort letter. Any such replacement comfort letter shall supersede and replace this Comfort Letter.

13. Possession of the Hotel. If Lender owns, controls or possesses the Hotel after termination of the Franchise Agreement for any reason and Lender has not entered into a franchise agreement with Franchisor pursuant to Paragraph 2(b) herein, Lender will (i) upon Franchisor's request immediately perform the requirements of the Franchise Agreement with respect to de-identifying the Hotel as a «Contract_Brand» «Contract_Product» hotel and (ii) indemnify, defend and hold harmless Franchisor and its affiliates from and against any loss, claim or other liability of any kind arising from or in connection with the operation of the Hotel as a «Contract_Brand» «Contract_Product» hotel during such ownership, control or possession. Lender's obligations under this Paragraph shall survive termination of this Comfort Letter, and nothing herein shall limit Franchisor's rights to seek legal redress for any unauthorized use of Franchisor's trademarks, service marks, or systems.

14. Termination. This Comfort Letter shall terminate and Lender shall have no rights hereunder if:

- (i) Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors has entered into or is subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency;
- (ii) Lender no longer holds a valid first mortgage or security deed for the Hotel unless (a) Lender has acquired the Hotel by foreclosure, deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, in which case Lender will have the rights stated in Paragraph 2 for the period stated in such Paragraph, or (b) there has been a securitization or transfer of the Loan, in which case Lender will have the rights stated in Paragraph 12 for the period stated in such Paragraph;
- (iii) the Franchise Agreement has expired or the Franchisee has exercised its right to terminate;
- (iv) the Franchise Agreement has been terminated, unless such a termination is the result of the timely exercise of Lender's rights under Paragraph 2 or Paragraph 3, in which case this comfort letter will terminate on the exercise or expiration of such rights, but in no event later than forty-five (45) days after such termination of the Franchise Agreement; or
- (v) Lender breaches this Comfort Letter.

15. Confidentiality. You agree to keep the grant of modifications contained in the Comfort Letter in strict confidence and to not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors who have a need to know for the sole purpose of the servicing, sale, administration, or securitization of the Loan. Any unauthorized disclosure is a default under the terms of the Comfort Letter, and we may, at our option, immediately terminate the Comfort Letter upon notice to you. The modifications outlined in this Comfort Letter are for the Hotel only and do not indicate that other hotels owned by you or by others will receive similar modifications. You acknowledge and agree that nothing in the Comfort Letter prohibits us from disclosing the terms of the Comfort Letter to any vendors, lenders, or other third parties as we determine in our reasonable discretion.

16. Final Agreement. Except as otherwise expressly set forth, this Comfort Letter is the final integration of the agreements between the parties with respect to the matters covered by it and supersedes any prior understanding or agreement, oral or written, with respect to the matters covered by the Comfort Letter.

17. Effectiveness. Franchisor shall have no obligations hereunder unless Lender and Franchisee have executed and delivered to the other parties this Comfort Letter, which may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which shall constitute, collectively, one and the same letter agreement. Delivery of an executed signature page to this Comfort Letter by electronic transmission is as effective as delivery of an original signed counterpart. This Comfort Letter is effective as of the date the Franchisor signs the letter agreement. Franchisor's offer to enter into this Comfort Letter will be automatically withdrawn if (i) Franchisor does not receive signed copies from lender and Franchisee within 30 days of the date on page 1 herein, or (ii) Franchisor does not receive proof of the date of Loan closing within 60 days of the date on page 1 herein.

Very truly yours,
