What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in New Jersey. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in New Jersey than in your own state.
2. **Spousal Guaranty.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

**THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE
RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.**

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “our,” or “us” means Coldwell Banker Real Estate LLC, d/b/a Coldwell Banker Commercial Affiliates (our unincorporated division), the franchisor. “You” means the person or entity who buys the franchise, the franchisee. If the franchisee is a corporation, partnership or other entity, “you” includes the franchisee’s owners.

The Franchisor, its Parents and Affiliates. We are a California limited liability company, originally incorporated on July 16, 1981, and converted to a limited liability company on July 2, 2007. We changed our legal name from Coldwell Banker Residential Affiliates, Inc. to Coldwell Banker Real Estate Corporation effective March 1, 1997, and then upon conversion to the limited liability company, we changed our name to Coldwell Banker Real Estate LLC as of July 3, 2007. Other than Coldwell Banker Commercial Affiliates and Coldwell Banker Real Estate LLC, we do not do business under any other name. We are a wholly owned subsidiary of Anywhere Real Estate Services Group LLC (f/k/a Realogy Services Group LLC) (“Anywhere Services Group”), a Delaware limited liability company, a direct wholly owned subsidiary of Anywhere Real Estate Group LLC, a Delaware limited liability company (f/k/a Realogy Group LLC) (“Anywhere Group”). Anywhere Group is a direct wholly owned subsidiary of Anywhere Intermediate Holdings LLC (f/k/a Realogy Intermediate Holdings LLC) (“Anywhere Intermediate”), a Delaware limited liability company, and a direct wholly owned subsidiary of Anywhere Real Estate Inc. (f/k/a Realogy Holdings Corp.), a Delaware corporation (“Anywhere”). Anywhere Brands LLC (f/ka/ Realogy Franchise Group LLC) (“Anywhere Brands”), a Delaware limited liability company, which is a wholly owned subsidiary of Anywhere Services Group, provides to us administrative and other services and Anywhere Services Group and its subsidiaries provide certain shared services described below. Our principal business address, as well as the principal business address of Anywhere Brands, Anywhere Services Group, Anywhere Group, Anywhere Intermediate and Anywhere, is 175 Park Avenue, Madison, New Jersey 07940. There are no predecessors that need to be disclosed in this Item 1.

On October 12, 2012, Anywhere Real Estate Inc. (f/k/a Realogy Holdings Corp.), consummated an initial public offering of shares of common stock and currently its shares are listed on The New York Stock Exchange under the symbol, “HOUS.” Anywhere Group and Anywhere issue joint audited annual financial statements and continue to serve as our Guarantors.

We operate as a subsidiary of Anywhere Group and Anywhere (our parent companies), and Anywhere Group and Anywhere guarantee the performance of our obligations under the franchise agreements we sign with you and other franchisees. Anywhere Group and Anywhere own other subsidiaries, including franchisors of other real estate franchise systems (the “Real Estate Affiliates”), which may compete with your business. We share common management and oversight with the Real Estate Affiliates and Anywhere Advisors LLC (f/k/a Realogy Brokerage Group LLC or RBG, and NRT) (“Anywhere Advisors”), a direct subsidiary of Anywhere Services Group, which owns and operates real estate brokerages under our service marks and the service marks of certain Real Estate Affiliates and other service marks (as described below). Since January 1, 2020, we and Anywhere Advisors share leadership (as described in Item 2); however, we and Anywhere Advisors will continue to be operated as separate and distinct from one another under the shared oversight structure. Anywhere Services Group and Anywhere Brands provide dedicated teams in the fields of technology and data, marketing, product development, lead management, business consulting and learning. These teams may provide enhanced shared services to us, the Real Estate Affiliates and Anywhere Advisors. Personnel of Anywhere Brands, including its division Anywhere Franchise Brands, may exercise executive control and decision-making over the Real Estate Affiliates and us and have access to competitive and other information about us and the Real Estate Affiliates, as well as information about Anywhere Advisors. As the executive team of the ultimate parent company, the Anywhere executive team oversees all Anywhere subsidiaries; however, except as set forth in Item 2, they do not participate in the day-to-day management of us or the Real Estate Affiliates. Anywhere, Anywhere Group, Anywhere

Services Group and its subsidiaries, including Anywhere Brands offer goods and services to you and other of our franchisees, as well as the franchisees of the Real Estate Affiliates. Anywhere, Anywhere Group, Anywhere Services Group and its subsidiaries, including Anywhere Brands, reserve the right to develop systems and tools for use in the operation of a real estate brokerage business and to determine which of the Real Estate Affiliates and us, if any, will be permitted to offer such tools and systems to franchisees. See Item 8. Anywhere, Anywhere Group, Anywhere Services Group and its subsidiaries may also develop resources and systems for exclusive use by Anywhere Advisors.

Our agents for service of process are listed on Exhibit B.

Business Experience of Franchisor and Franchises Offered. We, through Coldwell Banker Commercial Affiliates, have been offering separate franchises for commercial real estate brokerage offices since December 31, 1998. We offer franchises for residential real estate brokerage offices through a separate disclosure document and franchise agreement, and have done so since January 1982, under the service mark “Coldwell Banker®”. In the past we offered Coldwell Banker® residential franchisees the opportunity to conduct commercial brokerage services from their existing office under the Coldwell Banker Commercial® service mark and System through a commercial addendum to their franchise agreement. We no longer offer commercial addenda to new Coldwell Banker® residential franchisees.

We do not own or operate any real estate offices in the United States, although our Related Parties (defined below and in the Franchise Agreement) do operate such offices (as described below). We have never granted franchises in other lines of business.

“Related Parties,” means, with respect to a particular “Person” (defined in the Franchise Agreement as “an individual, a partnership, a trust, a corporation, a limited liability company, an association and any other incorporated or unincorporated organization or entity”), a Person who, directly or indirectly, owns or controls that Person is owned or controlled by a Person, or is under common control with that Person. Control, in this context, means the possession of executive power to direct or to cause the direction of the management and policies of a Person, whether through voting power, ownership, by contract or otherwise.

We offer franchises for commercial real estate sales offices in the United States to owners of existing commercial real estate brokerage businesses and in certain situations we may offer a franchise to a newly formed commercial real estate brokerage (the “Franchise” or the “Business”). The Franchise authorizes you to operate a commercial real estate brokerage sales office using the Coldwell Banker Commercial® service mark and other trademarks, service marks, trade names, designs, logos and other commercial symbols we periodically designate (collectively, the “Marks”) and using the system we have developed which includes access to brand specific systems, productivity resources, basic business development support, education, real estate referral and broker communications procedures, marketing and advertising services, products and other support funded by the Marketing Fund and various other items (the “System”), all in accordance with the terms of the commercial franchise agreement (“Franchise Agreement”) and the mandatory provisions of our Policies and Procedures Manual (“P&P Manual”).

If you meet our financial, professional, operational and other standards, operate in a market in which we seek to be represented, and agree to pay our initial franchise fee, we may grant you a Franchise. The Franchise permits you to offer commercial real estate brokerage services from a specified office location (the “Main Office”) and other authorized office locations (the Main Office and other authorized office locations collectively referred to as “Coldwell Banker Commercial® office” or “Office”), using the System.

You will be required to sign our Franchise Agreement (See Exhibit C), Guaranty of Payment and Performance (Exhibit B in the Franchise Agreement) and Security Agreement (Exhibit E to the Franchise Agreement). You will be able to offer only commercial real estate brokerage services, as described herein, at your franchised

location, unless ~~you receive our prior written approval consent or provide a list~~ of other ~~real estate related e~~Excluded ~~businesses~~ Businesses that may be operated from the Office(s), ~~subject to the restrictions of as required under~~ the Franchise Agreement (see Section 4.2 of the Franchise Agreement). For additional Branch Offices (Offices other than the Main Office or a Limited Purpose Office (defined below)) that we approve, you will be required to sign our Location Addendum to Franchise Agreement (Exhibit C-1). The commercial real estate brokerage services you will offer from your Coldwell Banker Commercial® office are specifically described in Section 4 of the Franchise Agreement. You must follow the mandatory portions of our Policies and Procedures Manual (the “P&P Manual”). You are not permitted to act as a broker, agent or consultant in transactions involving residential property, defined as real property consisting of four or fewer residential lots.

We have a diversity and veteran program under which we will waive or reduce the initial franchise fee and provide other business benefits for eligible franchisees. As of the issuance date of this disclosure document, the initial franchise fee for the Main Office under this program is waived and we provide other business benefits, including financial incentives. This program may be modified without notice at any time. We may establish and/or eliminate any benefits as we deem in the best interests of the System.

We may from time to time introduce pilot programs to qualifying franchisees who operate at least one franchised office. These pilot programs may be offered in certain geographic markets or to certain franchisees to test new business strategies, operating models or products and services. These pilot programs may provide different fee structures, minimum production requirements or other terms. Terms and conditions of each pilot will vary depending upon the circumstances and the particular market.

We may also permit a qualifying existing franchisee with a Main Office to open a limited purpose office. Limited purpose offices are designed to accommodate special market conditions and related situations, and as of the issuance date of this disclosure document include an On-Site Property Management Office and Administrative Offices, as described in more detail in the P&P Manual (“Limited Purpose Offices”). The terms of each Limited Purpose Office will vary based on its particular function and other circumstances. We enter into a limited number of new Limited Purpose Office Addenda each year and rarely enter into one at the time a franchisee signs its franchise agreement.

To obtain a Limited Purpose Office, you must sign the applicable then-current “Limited Purpose Office Addendum” to your Franchise Agreement. While we reserve the right, at any time, to modify the terms of the Limited Purpose Office Addendum, they typically (i) will be for a one-year term (although we have the right to permit you to extend this period for one or more additional one-year terms), (ii) require the payment of a non-refundable initial franchise fee of \$1,000 (except in the case of a Property Management Office there is no fee); (iii) contain a 30-day mutual termination right; (iv) prohibit or limit your ability to transfer your right to transfer your rights under the Limited Purpose Office Addendum, without our approval; (v) require all Gross Revenue (defined in Exhibit C to the Franchise Agreement) from the respective Limited Purpose Office to be reported through your Main Office and to be aggregated with the Main Office for all purposes under the Franchise Agreement; and (vi) will not hinder or prevent us from placing a new franchise location in close proximity to the Limited Purpose Office. Some Limited Purpose Office types prohibit signage and will not appear as locations on our website.

We reserve the right, at any time, to introduce pilot programs and to modify, discontinue or add to the Limited Purpose Offices. While Limited Purpose Offices are included as franchised outlets in Item 20, with the exception of Administrative and Team Offices, as of December 31, 2023~~22~~, less than 1% of all franchised outlets were Limited Purpose Offices.

Business Experience of Real Estate Affiliates. The Real Estate Affiliates offering franchises that may compete with you include those listed below. The principal business address of these Real Estate Affiliates is the same as ours.

Each Real Estate Affiliate will offer franchises using its own franchise disclosure document, and there may be additional Real Estate Affiliates formed in the future. Because the Real Estate Affiliates may establish brokerages in close proximity to your Coldwell Banker Commercial[®] office locations, you may face competition from any of these franchised brokerage systems (or new brokerage franchise systems) and their franchisees for customers, independent sales associates, managers, employees and other business, including relationships with title, mortgage, escrow and relocation services. Each Real Estate Affiliate has total discretion where to permit its franchisees to operate and has the express right to act in its own interest and the interest of its franchise system in authorizing, conducting and supporting businesses that will compete with you and our franchisees.

Competition. The commercial real estate brokerage business is a mature industry. You will be competing with other unaffiliated and chain-affiliated commercial real estate brokerage offices in your market area. Some of those offices might be offices of the Real Estate Affiliates, or offices of Coldwell Banker® residential franchisees who executed commercial addenda to their residential franchise agreement, or offices of Anywhere Advisors and NRT NY. You may face competition for independent sales associates, customers (buyers and sellers), listings, property management, and related real estate business in your market area from other Coldwell Banker Commercial® and Coldwell Banker® franchisees, franchisees of the Real Estate Affiliates, Anywhere Advisors and NRT NY. We do not restrict your competition, although we encourage our franchisees to

work collaboratively for the success of the System. You will provide services available to the general public in your market area and your franchise will operate all year with the exception of holidays and other closings you plan. We are not currently offering commercial addenda to new Coldwell Banker® residential franchisees. Current Coldwell Banker® residential franchisees or residential franchisees who currently operate under the commercial addendum and who are allowed to renew their residential franchise agreements may still be permitted to renew their commercial addenda to their residential franchise agreement. Moreover, Coldwell Banker residential franchises granted prior to March 2004 have the limited right to list, subject to our consent, certain types of commercial properties under the Coldwell Banker marks. The market for real estate services is typically the most developed in more populous areas. Your ability to compete may be affected by the quality of independent sales associates, the location of offices, the services provided to independent sales associates, the number of competing offices in the vicinity, including competing offices operating under different business models, affiliation with a recognized brand name, community reputation and other factors. Your success may also be affected by national, regional and local economic conditions.

Laws Applicable to the Real Estate Brokerage Business. Each of the states in which we grant franchises has laws and regulations governing the operation of a real estate brokerage office. You will be required by those laws and by your Franchise Agreement to comply with all regulatory requirements in your market area. An individual must be licensed by the state as a real estate broker before that person may provide real estate brokerage services. You should consult with the appropriate state licensing authority before entering into a Franchise Agreement. There will also be other laws and regulations that may impact many important ways that you do business, including how you represent your clients and customers, your client agreement provisions, your real estate license, your relationship with your independent sales associates, how you handle your accounting and your revenues, what fees you may charge and with whom they can be split, if any, how you advertise and how you hold yourself and your independent sales associates out to the public. Additionally, there has recently been significant litigation and regulatory scrutiny regarding the manner in which commissions are communicated, negotiated or paid that may affect your operations in the future. We urge you to familiarize yourself with these laws, and regulations and related litigation by asking a legal advisor or an appropriate state agency about them. Some states may have home protection, home warranty, residential service contract or insurance laws and regulations.

ITEM 3. LITIGATION

A. Pending Litigation Against Us.

1. Coldwell Banker Real Estate LLC v. The Bellmarc Group LLC, AC Lawrence Real Estate LLC, Bellmarc Brokerage Midtown Inc., Bellmarc Downtown LLC, Bellmarc East LLC, Bellmarc West LLC, Bellmarc Simone Song Inc., Bellmarc Gramercy/Chelsea Inc., Neil Binder, Nice Idea LLC and All Enterprises, LLC, (Civil Action Number 2:14-cv-07926, USDC District of New Jersey). On December 19, 2014, we filed suit against the former franchisee (consisting of multiple entities) and its guarantor for trademark infringements and collection of amounts due. On February 9, 2015, we obtained an injunction directing former franchisee and guarantor to cease and desist all use of Coldwell Banker® marks, but they did not comply with the injunction. We obtained an order on May 19, 2015, finding the former franchisee in contempt, and awarding us sanctions of \$5,000. On June 25, 2015, we filed a second contempt motion, which was denied on January 29, 2016. On September 30, 2015, former franchisee and guarantor filed an amended answer that included counterclaims asserting fraud in the inducement, breach of implied covenant of good faith and fair dealing, breach of contract, and tortious interference. On January 14, 2016, we filed an answer to the counterclaim denying the material allegations. A court-ordered mediation on August 28, 2017 was unsuccessful. We filed a motion for summary judgment that was granted in part and denied in part on May 31, 2018, including that the Court dismissed three of the five counterclaims alleged by former franchisee and its guarantor. On April 9, 2019, the Court adjourned the bench trial previously scheduled for April 20, 2019, and ordered the parties to engage in a second mediation, which occurred on May 7, 2019, but was unsuccessful. On January 22, 2020, the Court held a pretrial conference and oral argument, at which the Court dismissed a fourth counterclaim, thus leaving breach of contract as the only remaining counterclaim against us. The Court also struck all three of the expert reports submitted by the former franchisee and its guarantor. After delays due to the COVID-19 pandemic, a two-day bench trial was conducted May 19-20, 2021. On September 9, 2021, the Court dismissed all of Defendants' counterclaims against us and ordered former franchisee and guarantor to pay to us \$7,593,262.80, plus an additional \$808,972.90 for attorneys' fees and \$26,579.34 for costs, as per a second order entered on December 22,

2021. The Court found in our favor on all counts, but stated that we were not entitled to additional damages under the Security Agreements as duplicative and, on September 17, 2021, we filed a motion for reconsideration relating to the Security Agreement recovery, which was denied on February 23, 2022. On November 1, 2021, former franchisee and guarantors filed a Notice of Appeal to the Third Circuit but, on January 14, 2022, the appeal was dismissed due to former franchisee's corporate representatives' as to all corporate defendants for failure to appear, and thus could proceed only on behalf of the former franchisee's guarantor, Neil defendant Binder ("Binder"). On August 24, 2022, the Third Circuit affirmed the lower Court's judgment. On December 13, 2022, Binder filed a new Complaint as a related case, captioned Neil Binder v. Coldwell Banker Real Estate LLC (Civil Action Number 2:22-cv-07425, USDC District of New Jersey). In this related case, Binder again seeks to set aside the judgment against him and also seeks compensatory and punitive damages, claiming that we submitted fraudulent evidence in the original case. On March 14, 2023, Binder filed a motion seeking to recuse the judge assigned to the case, which we opposed. On March 20, 2023, we filed a motion to dismiss the case and Binder the plaintiff filed his reply on March 24, 2023. On March 28, 2023, Binder plaintiff filed a motion for summary judgment. On April 4, 2023, we filed a letter with the court asking that the motion for summary judgment be dismissed. On April 6, Binder the plaintiff filed an objection to that request. On April 7, we filed a motion in further support of our motion to dismiss the ~~complaint~~ Complaint with prejudice. On April 27, 2023, the ~~court~~ Court ordered termination of plaintiff's motion for summary judgment without prejudice. On June 9, 2023, Binder the plaintiff filed a motion for a status conference, to which we filed an opposition on June 20, 2023. Binder The plaintiff filed his rebuttal on June 25, 2023. On August 8, 2023, Binder the plaintiff filed a motion to compel discovery. On August 8, 2023, we filed a request with the Ceourt to have the case transferred back to Judge Madeline Cox Arleo. On August 14, 2023, the Ceourt terminated the motion for a status conference and motion to compel discovery without prejudice. The Ceourt granted our request to have the case reassigned to Judge Madeline Cox Arleo and, on September 25, 2023, our motion to dismiss the complaint was granted with prejudice and denying leave to amend. Binder filed a motion for reconsideration on October 5, 2023, and we filed our opposition on October 23, 2023. The motion is pending and, if reconsideration is granted, weis still pending. We will continue to vigorously defend this action.

B. Resolved Litigation Against Us.

~~1. — Bradley Larsen, as Trustee of the Brad and Cindy Larsen Living Trust; Jimmy R. Bunch, Jr.; Stephen J. Woodward, Sun Holdings, LLC, Daniel Todd v. Coldwell Banker Real Estate Corporation; doing business as Coldwell Banker Commercial Affiliates, Inc.; Coldwell Banker Real Estate LLC, (United States Central District Court, California). Plaintiffs sued us on behalf of a purported class of investors for negligence, fraud, negligent misrepresentation, unfair business practices, false advertising and aiding and abetting. Plaintiffs allege that our former franchisee, Coldwell Banker Commercial REP, participated in a scheme to defraud approximately 1,600 investors, using the Coldwell Banker[®] trademark on marketing materials to sell unregistered securities in certain investment funds offered by the franchisee's now-bankrupt shareholder, Real Estate Partners, Inc. ("REP"). Plaintiffs allege that they were told their investment would be used to acquire and manage real estate investment properties throughout the United States. Plaintiffs allege they were defrauded out of \$55,000,000.00. Plaintiffs allege that we benefited from the proceeds of the investments from, among other things, the payment of franchise fees from Coldwell Banker Commercial REP to us. We were served with the complaint on July 29, 2010. On August 19, 2010, we filed a motion to dismiss for failure to state a claim. We filed another motion to dismiss on October 8, 2010, which the Court granted with prejudice on December 6, 2010, and stayed the action until REP's bankruptcy reorganization plan was confirmed. Plaintiffs filed a Motion for Class Certification on August 22, 2011, and on March 26, 2012, the Court granted plaintiffs' motion to certify a class as to all claims except for false advertising. On July 18, 2012, the parties reached a settlement agreement in the amount of \$9,250,000.00 to be paid on the following schedule: 30% by September 30, 2012; 35% by June 30, 2013; and 35% by September 30, 2013, for which the Court granted preliminary approval on September 17, 2012. On August 21, 2012, we entered into a Confidential Settlement Agreement with ACE, our insurer,~~

regarding coverage for this matter. Plaintiffs filed a motion for final approval which the Court granted by Order dated March 5, 2013. Our first payment of \$2,775,000.00 was funded on September 27, 2012, the second payment of \$3,237,500.00 was funded on June 27, 2013, and the final payment of \$3,237,500.00 was funded on September 28, 2013.

2. ——— Coldwell Banker Real Estate LLC v. Joly, McAbee & Weinert, LLC, f/d/b/a Coldwell Banker Joly, McAbee & Weinert Realty, Ross Joly, and Crystal Weinert. Two collection actions were filed in New Jersey against this former franchisee and its guarantors. In the first action, (Docket No. MRS L 1905-12, Superior Court of New Jersey; Law Division: Morris County), on July 25, 2012, we filed a Motion to Enter Judgment by Confession in the amount of \$99,192.66, which former franchisee confessed to on June 30, 2010, in connection with a settlement agreement for royalty fees, advertising fees and other past due fees. On August 17, 2012, the Court entered the judgment. We proceeded to take steps to collect, including domesticating the judgment in Massachusetts, where former franchisee and its guarantors are located. Accordingly, on October 22, 2012, we filed a Complaint in Massachusetts (C.A. No. 12-0625, Commonwealth of Massachusetts, Superior Court), to domesticate the \$99,192.66 judgment. On October 23, 2012, we filed a second action in New Jersey (Docket No. MRS L 2631-12, Superior Court of New Jersey; Law Division: Morris County) against the same parties for breach of contract by failing to pay additional royalty fees, advertising fees and other fees in the total amount of \$726,689.90, and \$50,000.00 owed pursuant to Development Advance (Promissory) Notes signed in conjunction with the franchise agreement. In January 2013, former franchisee and its guarantors filed substantially similar Answers and Third Party Complaints in the second New Jersey action and the Massachusetts action alleging that we, Realogy Holdings, NRT and SIR, among other things, engaged in breach of contract, breach of the implied covenant of good faith and fair dealing, unfair or deceptive practices, civil conspiracy, interference with prospective economic advantage and/or a contractual relationship, and that they are owed monies pursuant to the terms of the Development Advance (Promissory) Notes. We filed a motion to dismiss the counterclaims and third party complaint in the New Jersey action on February 6, 2013, and a motion to dismiss in the Massachusetts action on February 8, 2013. On April 30, 2013, the Court entered an Order and Decision granting in part and denying in part our motion to dismiss. On August 29, 2013, the Court entered an order dismissing the Third Party Complaint and striking defendants' Answer without prejudice. This matter was settled on December 30, 2013, under which the former franchisee and guarantors agreed to pay \$200,000.00 to us over time.

3. ——— Coldwell Banker Real Estate LLC v. At the Jersey Shore Agency, LLC d/b/a Coldwell Banker At The Shore and Brian V. Musto, (Case No. MRS L 2729-13, Superior Court of New Jersey, Law Division: Morris County). On October 15, 2013, we filed a complaint against this former franchisee and guarantor for breach of contract, unjust enrichment and trademark violations. We amended our complaint on November 26, 2013, to include claims of trademark infringement, trademark dilution, false advertising and unfair competition. On or about November 25, 2013, former franchisee and guarantor filed an answer to the original complaint and then subsequently filed an answer to the amended complaint on December 18, 2013. Each answer contained identical counterclaims against us, alleging breach of contract, tortious interference, and additional unknown claims sounding in negligence and/or misrepresentation. On December 15, 2013, we filed an Order to Show Cause seeking a preliminary injunction requiring former franchisee and guarantor to cease their unauthorized use of the Coldwell Banker[®] trademarks and trade name, among other injunctive relief. The court entered the Order to Show Cause on December 20, 2013, scheduling a cause hearing for January 21, 2014, and setting a deadline of January 13, 2014, for former franchisee and guarantor to file an opposition. In advance of the cause hearing, the parties reached an agreement on a Consent Injunction Order, which was filed with the court on January 17, 2014, and entered on January 21, 2014. On January 14, 2014, we filed a motion to dismiss former franchisee's and guarantor's counterclaims, but the case was stayed to allow the parties to agree upon a final settlement of all claims. This matter settled on March 18, 2014, with the former franchisee and guarantor agreeing to pay us \$65,000.

2-1. Coldwell Banker Real Estate LLC v. New Alliance Properties, Inc. and Eliazar Felix, (Case No. 2:17-cv-01505-VAP-SK, United States District Court, Central District of California). On February 23, 2017, we filed a complaint against this former franchisee and guarantor for trademark infringement and breaches of contract, promissory note and personal guaranty for a total amount of \$716,417.35 with additional damages. On April 20, 2017, former franchisee and guarantor answered the complaint and filed a counterclaim for breach of contract, monies paid under duress, and fraud, seeking at least \$300,000 in damages. We filed a motion to dismiss the counterclaims for monies paid under duress and fraud, and on June 15, 2017, the Court granted our motion dismissing the claims without prejudice. On June 30, 2017, former franchisee and guarantor filed an amended answer and amended counterclaims reasserting their original claims with more specificity and additional facts. We filed our answer to the amended counterclaims on July 21, 2017. The parties reached a settlement agreement whereby the former franchisee paid us \$50,000 in four installments through August 31, 2018.

3-2. Jorge Valdes, individually and on behalf of all others similarly situated v. Coldwell Banker Real Estate LLC, (Case No. 2:19-cv-02822, United States District Court for the Central District of California). On April 11, 2019, plaintiff filed a putative class action against us on behalf of himself and others similarly situated who allegedly received unsolicited autodialed calls without express written consent, and unsolicited telephone sales calls from agents affiliated with COLDWELL BANKER® franchisees, while those telephone numbers were on the National Do Not Call Registry. Plaintiff specifically claims that we violated the Telephone Consumer Protection Act (“TCPA”) through the leads, learning materials and preferred vendor relationships we provide to our franchise system members. Plaintiff amended his complaint on August 8, 2019; and asserts claims on behalf of an autodialed no consent class, a Do Not Call registry class, and an Internal Do Not Call class. Plaintiff seeks class certification, an award of actual and/or statutory damages under the TCPA for himself and the classes, costs, a declaration that our actions violate the TCPA, and injunctive relief. On December 29, 2020, the parties entered into a settlement with the individual plaintiff in both this action, and the Valdes action filed against our affiliated company, Century 21 (Jorge Valdes, individually and on behalf of all others similarly situated v. Century 21 Real Estate LLC (Case No. 2:19-cv-05411, United States District Court for the District of New Jersey), for a combined amount of \$200,000. The settlement was paid on December 30, 2020 and the court entered the order of dismissal on January 28, 2021.

C. Other Pending Litigation.

1. Christopher Moehrl, individually and on behalf of others similarly situated v. The National Association of Realtors, Realogy Holdings Corp., HomeServices of America, Inc., Re/Max Holdings, Inc., and Keller Williams Realty, Inc., (Case No. 1:19-cv-01610, United States District Court for the Northern District of Illinois). On March 6, 2019, plaintiff, Christopher Moehrl, filed a putative class action against Anywhere and the other named defendants. Plaintiff claims that the defendants engaged in a continuing contract, combination, or conspiracy to unreasonably restrain trade and commerce in violation of Section 1 of the Sherman Act, because defendant The National Association of Realtors (“NAR”), established mandatory anticompetitive policies for the MLSs and its member brokers regarding the setting and payment of the buyer broker commission. Plaintiff further alleges that the defendant franchisors conspired with NAR by requiring their respective franchisees to comply with NAR’s policies and Code of Ethics. Plaintiff seeks a permanent injunction enjoining the defendants from requiring sellers to pay the buyer broker or to otherwise restrict competition among buyer brokers, an award of damages and/or restitution, , including treble damages with joint and several liability, attorneys’ fees and costs of suit. Anywhere denies all allegations and will vigorously defend this action. On April 15, 2019, a related case was filed in the same district against the same defendants, making similar claims and seeking similar relief on behalf of the same potential class. The related case is captioned Sawbill Strategic, Inc. v. The National Association of Realtors, HomeServices of America, Inc., Keller Williams Realty, Inc., Realogy Holdings Corp., and Re/Max Holdings, Inc. (Case No. 1:19-cv-02544, United States District Court for the Northern District of Illinois). On May 17, 2019, Anywhere and the other defendants filed Motions to Dismiss the Moehrl matter. On

June 14, 2019, plaintiffs in the Moehrl and Sawbill matters filed a Consolidated Amended Class Action Complaint, which consolidated the two Illinois actions and added certain additional plaintiffs and defendants. On August 9, 2019, Anywhere and the other defendants filed Motions to Dismiss the consolidated complaint and on October 2, 2020, the Court denied NAR's and ~~the other~~ defendants' motions to dismiss, and the parties began conducting discovery. In a separate Department of Justice ("DOJ") investigation into NAR, on November 19, 2020, the DOJ simultaneously filed a complaint against NAR and a proposed equitable settlement that requires NAR to repeal and modify certain of its rules and policies, including certain MLS rules and policies that are the subject of plaintiffs' allegations. The defendant franchisors are not the subject of the DOJ investigation or defendants in the DOJ complaint. Plaintiffs' motion for class certification was filed on February 23, 2022, and on March 29, 2023, the Court granted the motion for class certification with two classes certified, a damages class and an injunctive class. The damages class covers sellers of residential real estate (with certain exemptions) who paid a commission to a brokerage affiliated with any franchisor defendant from March 6, 2015 through December 21, 2020 in 20 MLSs in various parts of the country that do not overlap with the Burnett MLSs and that include approximately five of the country's ten largest MLSs, estimated to cover approximately 3.5 million transactions. The injunctive class covers current and future sellers of residential real estate (with certain exceptions) who are presently listing or will in the future list their home for sale in one of the 20 MLSs. Defendants filed their opposition on June 14, 2022, plaintiffs filed their reply on August 22, 2022, and the motion is pending. Fact discovery was completed on December 9, 2022. On April 12, 2023, Anywhere and the other defendants filed a petition with the United States Court of Appeals for the Seventh Circuit (the "Seventh Circuit") to pursue an interlocutory appeal of the decision on class certification, which the Seventh Circuit denied on May 24, 2023. ~~Merit expert discovery in the case is ongoing. There could potentially be other cases filed which would also be related to the Moehrl claims. Anywhere denies all allegations and will continue to vigorously defend this action.~~ On October 5, 2023, Anywhere entered into a nationwide Settlement Agreement with the Moehrl and Burnett plaintiffs for \$83.5 million (the "Anywhere Settlement Agreement"). -In exchange for monetary, injunctive, and cooperation commitments outlined in the Anywhere Settlement Agreement, plaintiffs and the "Settlement Class" agree to release and discharge Anywhere and its respective subsidiaries, related entities, affiliated franchisees, and independent contractors, from any and all claims arising from or relating to conduct that was alleged or could have been alleged in the Moehrl and Burnett actions based on any or all of the same factual predicates for the claims alleged in the Moehrl and Burnett actions, including but not limited to commissions negotiated, offered, obtained, or paid to brokerages in connection with the sale of any residential home. -On November 20, 2023, the Court granted the motion for preliminary approval of the Anywhere Settlement Agreement. A final approval hearing for the Anywhere Settlement Agreement is scheduled for May 9, 2024.

2. Scott and Rhonda Burnett, Ryan Hendrickson, Jarod Breit, Scott Trupiano, and Jeremy Keel, on behalf of themselves and all others similarly situated v. National Association of Realtors, Realty Holdings Corp., HomeServices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, Re/Max LLC and Keller Williams Realty, Inc., (Case No. 4:19-cv-00332-SRB, United States District Court for the Western District of Missouri). On April 29, 2019, this related case was filed in the United States District Court for the Western District of Missouri, against the same defendants as in the Moehrl case, making similar claims and seeking similar relief, including an award of damages and/or restitution, including treble damages, with joint and several liability, attorneys' fees and costs of suit on behalf of plaintiffs in Missouri and Kansas. On June 21, 2019, plaintiffs filed an amended Complaint. In addition to the Sherman Act federal claims asserted in the Moehrl litigation, the Burnett plaintiffs also allege violations of the Missouri Merchandising Practices Act and state antitrust laws and seek an award of damages and/or restitution, punitive damages, attorneys' fees and costs of suit, and a permanent injunction enjoining the defendants from requiring home sellers to pay buyer-broker commissions or from otherwise restricting competition among brokers. On July 10, 2019, defendants in the Missouri case filed two Motions to Transfer to the Northern District of Illinois. Those motions were denied on August 19, 2019, and August 22, 2019, respectively. On August 5, 2019, Anywhere and the other defendants filed Motions to Dismiss, which were denied on October 16, 2019. On

November 13, 2019, defendants' Answers were filed and the parties began conducting discovery. On April 1, 2020, defendants filed a Motion to Stay Proceedings for 60 days due to COVID-19, but the ~~court~~Court denied the motion on April 7. In a separate DOJ investigation into NAR, on November 19, 2020, the DOJ simultaneously filed a complaint against NAR and a proposed equitable settlement that requires NAR to repeal and modify certain of its rules and policies, including certain MLS rules and policies that are the subject of plaintiffs' allegations. The defendant franchisors are not the subject of the DOJ investigation or defendants in the DOJ complaint. Plaintiffs filed their motion for class certification on May 24, 2021. Mediation took place on June 29, 2021, but was unsuccessful. On June 30, 2021, plaintiffs filed a Second Amended Complaint, dropping one of the original named defendants, The Long & Foster Companies, Inc., two of the original named plaintiffs, Joshua Sitzer and Amy Winger, and adding three new proposed class representatives. Plaintiffs also revised the class definition by limiting it to sellers who used a listing broker affiliated with one of the defendants. On November 12, 2021, defendants filed opposition to the class certification; and plaintiffs' reply was filed on January 28, 2022. On April 22, 2022, the Court granted class certification of home sellers who from April 29, 2015 to present, used a listing broker affiliated with one of the franchisor defendants in four MLSs that primarily serve the State of Missouri, estimated to cover over 310,000 transactions. The class for the alleged violations of the Missouri Merchandising Practices Act includes Missouri residents only commencing on April 29, 2014. On May 6, 2022, plaintiffs filed a Third Amended Complaint which adds plaintiffs for the MLSs where there previously was no named representative, and defendants filed their answers on May 20, 2022. Defendants filed their motions for summary judgment on August 29, 2022, plaintiffs filed their consolidated opposition on October 10, 2022, defendants filed their replies on November 7, 2022, and the motions were heard at oral argument on November 17, 2022. The Court denied Defendants' motions for summary judgment on December 16, 2022. On December 30, 2022, defendants petitioned the Court to certify the order for immediate appeal. Plaintiffs filed their opposition to the motion to certify on January 13, 2023, and defendants filed their reply on January 27, 2022. The Court denied the motion to certify on January 27, 2023. On December 1, 2022, Anywhere filed a motion for continuance of the scheduled February 21, 2023 trial date, which was granted by the Court on December 13, 2022. ~~There could potentially be other cases filed which would also be related to the Burnett claims. The Court has set a new trial date for October 16, 2023. Anywhere denies all allegations and will continue to vigorously defend this action. This case went to trial on October 16, 2023, with all defendants except the Anywhere defendants and Re/Max LLC. On October 5, 2023, Anywhere entered into a the nationwide Anywhere -Settlement Agreement with the Moehrl and Burnett plaintiffs for \$83.5 million. For more information on (the "Anywhere Settlement Agreement"), see the Moehrl litigation disclosure immediately above in this Item 3. In exchange for monetary, injunctive, and cooperation commitments outlined in the Settlement Agreement, plaintiffs and the Settlement Class agree to release and discharge Anywhere and its respective subsidiaries, related entities, affiliated franchisees, and independent contractors, from any and all claims arising from or relating to conduct that was alleged or could have been alleged in the Moehrl and Burnett actions based on any or all of the same factual predicates for the claims alleged in the Moehrl and Burnett actions, including but not limited to commissions negotiated, offered, obtained, or paid to brokerages in connection with the sale of any residential home. On November 20, 2023, the Court granted the motion for preliminary approval of the Anywhere Settlement Agreement. A final approval hearing for the Anywhere Settlement Agreement is scheduled for May 9, 2024.~~

3. Jennifer Nosalek, Randy Hirschorn, and Tracey Hirschorn, individually and on behalf of all other similarly situated, v. MLS Property Information Network, Inc., Anywhere Real Estate, Inc. (f/k/a Realogy Holdings Corp.), Century 21 Real Estate LLC, Coldwell Banker Real Estate LLC, Sotheby's International Realty Affiliates LLC, Better Homes and Gardens Real Estate LLC, ERA Franchise Systems LLC, HomeServices of America, Inc. BHH Affiliates, LLC, HSF Affiliates, LLC, RE/MAX LLC and Keller Williams Realty, Inc. (Case 1:20-cv-12244, U.S. District Court for the District of Massachusetts). On December 17, 2020, plaintiffs filed a purported class action against MLS Property Information Network, Inc., Anywhere, HomeServices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, RE/MAX LLC, and Keller Williams Realty, Inc., wherein the plaintiffs take issue with NAR policies and rules similar

to those at issue in the Moehrl and Burnett matters, but rather than objecting to the national policies and rules published by NAR, this lawsuit specifically objects to the alleged policies and rules of an MLS that is owned by realtors, including in part by one of Anywhere's company owned brokerages. The plaintiffs allege that defendants made agreements and engaged in a conspiracy in restraint of trade in violation of the Sherman Act and seek a permanent injunction, enjoining the defendants from continuing conduct determined to be unlawful. Anywhere was served on December 24, 2020. On March 1, 2021, Anywhere and each of the other defendants filed separate motions to dismiss. On April 15, 2021, the plaintiffs filed a consolidated opposition to the defendants' motions to dismiss, and the defendants filed their respective replies on May 17, 2021. The motion to dismiss was denied on December 10, 2021. On February 1, 2022, defendants' Answers were filed. On March 1, 2022, plaintiffs filed an Amended Complaint, dropping two named plaintiffs, Gary and Mary Jane Bauman, and adding two new proposed class representatives, Randy Hirschorn and Tracey Hirschorn. The Amended Complaint modifies the proposed class definition to exclude certain persons related to the court or defendants. The Amended Complaint is otherwise identical to the original Complaint Plaintiffs' unopposed motion for leave to file a second amended complaint was granted on January 9, 2023. The Second Amended Complaint, among other things, substituted Anywhere Real Estate Inc. for Realogy Holdings Corp. and added certain entities as defendants, including certain Anywhere wholly-owned franchisor subsidiaries, namely Century 21 Real Estate LLC, Coldwell Banker Real Estate LLC, Sotheby's International Realty Affiliates LLC, Better Homes and Gardens Real Estate LLC, and ERA Franchise Systems LLC; removed the Count II state law claims that the plaintiffs voluntarily dismissed; and redefined the covered area as limited to home sales in Massachusetts, and removing sales in New Hampshire and Rhode Island. On January 23, 2023, MLS Property Information Network, Inc., HomeServices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, RE/MAX LLC, and Keller Williams Realty, Inc. filed their answer to the Second Amended Complaint. The Anywhere defendants filed their answer to the Second Amended Complaint on February 21, 2023. ~~Discovery is ongoing.~~ On June 30, 2023, MLS Property Information Network, Inc. filed a motion for preliminary approval of a proposed settlement between MLS Property Information Network, Inc. (only) and plaintiffs. No other defendants are included in the proposed settlement. A preliminary approval hearing was held on August 9, 2023, at which time the Court raised certain concerns about the terms of the proposed settlement. The settling parties must submit additional substantiation or amend the terms of the settlement by September 5, 2023. On September 7, 2023, the Court granted preliminary approval of the MLS Property Information Network settlement and set a hearing date of January 4, 2024 for final approval, which the Court subsequently moved to March 7, 2024, in response to a statement of interest and motion to extend filed by the Department of Justice so that it could evaluate the proposed settlement and its competitive effects. Given that no class has yet been certified, it is expected that the purported class members will be included in the nationwide class certified by the Court for settlement purposes under the Anywhere Settlement Agreement in the Moehrl and Burnett matters, resulting in this case being resolved as to the Anywhere defendants. Relatedly, on October 27, 2023, the Court granted the joint motion filed by the plaintiffs and the Anywhere defendants to stay the Nosalek litigation against the Anywhere defendants for 30 days (subject to extension as necessary). On February 14, 2024, this matter, as well as other potential related matters, were ~~was~~ administratively stayed in their entirety pending the ruling from the Multidistrict Litigation Panel on the motion to reassign all or part of these matters-eases as MDL litigation. -All of the Anywhere defendants deny all allegations and will continue to vigorously defend this action.

4. Batton, Bolton, Brace, Kim, James, Mullis, Bisbicos and Parsons v. The National Association of Realtors, Realogy Holdings Corp., HomeServices of America, Inc. BHH Affiliates, LLC, HSF Affiliates, LLC, The Long & Foster Companies, Inc., RE/MAX LLC and Keller Williams Realty, Inc. (Case No. 1:21-cv-430, U.S. District Court, Northern District of Illinois) (formerly captioned *Leeder*). On January 25, 2021, plaintiff filed a purported class action against NAR, Anywhere, HomeServices of America, Inc. BHH Affiliates, LLC, HSF Affiliates, LLC, The Long & Foster Companies, Inc., RE/MAX LLC and Keller Williams Realty, Inc., wherein the plaintiff raises claims regarding the NAR policies and rules similar to those at issue in the Moehrl, Burnett and Nosalek matters (and plaintiff filed a related claim in the same

district court where the Moehrl case is pending), plus NAR's policy regarding access to lockboxes. However, the plaintiff brings this claim on behalf of himself and other buyers of real estate rather than on behalf of sellers, and claims that buyers were harmed due to inflated commissions that resulted in inflated home prices. Plaintiff further alleges that buyers are harmed by NAR's policy that allows buyer agents to market their services as free when the buyer agent receives a portion of the sell-side commission, and thus the buy-side commission is allegedly embedded in the inflated purchase price. In addition, plaintiff alleges a nationwide class including real estate transactions listed on all MLSs controlled by NAR rather than a specific subset of MLSs. The plaintiff alleges that defendants made agreements and engaged in a conspiracy in restraint of trade in violation of the Sherman Act and that defendants were unjustly enriched, and seeks a permanent injunction, enjoining the defendants from continuing conduct determined to be unlawful. Anywhere was served on January 28, 2021. On April 20, 2021, defendants filed a joint motion to dismiss. On June 4, 2021, plaintiff filed an opposition to the motion to dismiss. Defendants' reply was filed on July 6, 2021. On May 2, 2022, the Court granted defendants' motion to dismiss without prejudice. On July 6, 2022, the plaintiff filed an Amended Class Action Complaint. The amended complaint is substantially similar to the original complaint but, in addition to the federal Sherman Act and unjust enrichment claims, plaintiffs have added two claims based on certain state antitrust statutes and consumer protection statutes. On September 7, 2022, the defendants filed a motion to dismiss. Plaintiffs filed their opposition on October 21, 2022. Defendants filed their reply on November 22, 2022. -By order, dated February 20, 2024, the Court granted the motion to dismiss in part and denied it in part, dismissing the federal antitrust claims and the consumer protection statute claims under Kansas and Tennessee law. By Minute Order, dated February 28, 2024, the Court ordered defendants to answer the Amended Class Action Complaint and file any Motion to Dismiss for lack of personal jurisdiction by April 15, 2024. Anywhere denies all allegations ~~and will continue to vigorously defend this action.~~

5. Ronald Chinitz, Sarah Bumpus, David Gritz, Micheline Peker, Nathan Rowan, Cheryl Rowan, Daniel Caruso, and Paramjit Lalli, individually and on behalf of a class of similarly situated persons v. Realogy Holdings Corp., Realogy Intermediate Holdings LLC, Realogy Group LLC, Realogy Services Group LLC, Realogy Brokerage Group LLC (f/k/a NRT LLC), and Mojo Dialing Solutions, LLC, (Case No. 3:19-cv-03309-JD, U.S. District Court, Northern District of California, San Francisco Division). This is a putative class action originally filed against Anywhere Advisors on June 11, 2019. On April 13, 2020, plaintiffs filed a Second Amended Putative Class Action Complaint adding the other Anywhere defendants. Anywhere Advisors and the other Anywhere defendants submitted a combined motion to dismiss in July 2020. Plaintiffs filed a Third Amended Putative Class Action Complaint on February 12, 2021 adding additional plaintiffs. Plaintiffs allege that Anywhere Advisors' affiliated agents violated the Telephone Consumer Protection Act (TCPA) by contacting consumers on the National Do Not Call registry, by not maintaining an internal Do Not Call registry, and by using a prerecorded message to contact consumers without their consent. Plaintiffs further allege that Anywhere Advisors and the Anywhere defendants permit affiliated agents to partner with autodialing companies such as defendant Mojo. Plaintiffs seek relief on behalf of the National Do Not Call Registry class, an Internal Do Not Call class, an Artificial or Prerecorded Message class, and a California Business & Professional Code sec. 17200 class for California cell phone users. Anywhere Advisors' motion to dismiss was denied. Discovery is complete. Plaintiffs filed a motion for class certification on August 20, 2021, and the Anywhere defendants filed opposition on September 24, 2021. The parties participated in mediation, which terminated without resolution. On March 23, 2022, the Court certified the National Do Not Call Registry Nationwide class, and the National Artificial or Prerecorded Message class. The Court also certified the National Internal Do Not Call class. Certification was denied for the Artificial or Prerecorded Message Mojo class. The Anywhere defendants filed a Petition for Permission to Appeal in the Ninth Circuit Court of Appeals on April 6, 2022. The Petition for Permission to Appeal was denied. Class notices were sent out in July 2022. On March 29, 2023, plaintiffs filed a motion to narrow the classes. On April 12, 2023, Anywhere opposed Plaintiffs' motion to modify the classes and sought to decertify them. On April 24, 2023, the Court vacated the April 27, 2023 hearing and pretrial conference and the jury trial was set to commence on May 15, 2023, and on

May 25, 2023 set a jury trial date for January 29, 2024 and a pretrial conference for January 11, 2024. Plaintiffs' motion to narrow the classes, Anywhere's opposition to such motion and request to decertify the classes, as well as other pre-trial motions, are pending. On November 27, 2023, the Court entered an Order setting a hearing on the class definition issue for February 8, 2024, which has been continued to May 23, 2024. The pretrial conference and trial dates are vacated pending further order. All of the Anywhere defendants deny all allegations and will continue to vigorously defend this action.

D. Other Resolved Litigation.

~~1. ——— Phillip J. Yeager, Peggy Yeager, Master Greater Europe LLC and Master South America LLC v. Cendant Corporation, Cendant Global Services B.V., Avis Budget Group, Inc., Realogy Corporation and Domus Holdings Corp., (Case No. MRS L-299-12, Superior Court of New Jersey, Law Division, Morris County.) On February 3, 2012, plaintiffs filed suit against Cendant, Cendant Global Services B.V., Avis Budget Group, Inc., Realogy Corporation (now known as Realogy Group LLC) and Domus Holdings Corp. (now known as Realogy Holdings Corp.) (the "Realogy entities"), alleging that the Realogy entities breached a settlement agreement that was reached with plaintiffs in 2002 concerning CENTURY 21[®] Greater Europe. The suit sought an interpretation of the payments due under the agreement, as well as an audit of the monies earned by the Realogy entities since the settlement and payment of any outstanding amounts. The parties agreed to a settlement of \$1.6 million to be paid to Yeager for any amounts claimed due through December 31, 2012, for existing sales, a buyout of future rights for any resale of the remaining territories and an amendment of procedures concerning future royalty payments. The settlement was funded on June 4, 2013.~~

1. Christopher Bulen and Janith Martinez v. Realogy Corporation, Realogy Operations, Realogy Franchise Group LLC, Realogy Services Group LLC, (Case No. 3:10-CV-00755-RCJ-VPC, United States District Court, District of Nevada). This litigation concerns the Preferred Alliance Agreement between RSG and Townsend Hoffman Corporation initially effective June 18, 2007, in which Townsend Hoffman acted as a broker selling medical insurance products to franchisees and their agents. Plaintiffs, Bulen and Martinez, were sales associates with Century 21 Mountain Properties and Coldwell Banker Select Realty, filed a class action lawsuit on December 3, 2010, alleging that Realogy Group sponsored major medical and limited-benefit health insurance programs to market to CENTURY 21[®], Coldwell Banker[®], ERA[®], Sotheby's International Realty[®] and Better Homes and Gardens[®] Real Estate franchisees, brokers, sales associates and their families. Bulen and Martinez further alleged that Realogy Group represented that insurance programs were available in all 50 states, but that the three companies who were providing insurance policies, HM Insurance Group, AIM and AFID LLC, were not licensed to sell these policies in every state. They sought to have a nationwide class certified that would include any broker or agent who bought a medical policy that was ultimately invalidated and who had unpaid medical claims. Realogy Group filed its motion to dismiss the complaint on February 18, 2011, which was granted on May 16, 2011. Bulen and Martinez filed an amended complaint on May 31, 2011, which the court dismissed without prejudice on October 24, 2011. On November 7, 2011, Bulen and Martinez filed their second amended complaint, inserting a RICO count and enumerating the various state insurance statutes. Realogy Group's motion to dismiss the second amended complaint was filed on November 30, 2011. Following oral argument on February 21, 2012, the court denied Realogy Group's motion. Bulen and Martinez filed their third amended complaint on May 16, 2012, and Realogy Group filed its answer on May 30, 2012. Mediation took place in November 2012, and the matter with Bulen settled with payment to him of \$120,000 in January 2013. A settlement was reached with Martinez, where Realogy Group agreed to certify a class and to give partial refunds to any class members who paid premiums for an AFID policy between January 2007 and May 2010, provided they provide proof of premiums paid. By order dated October 29, 2013, the court denied plaintiffs' motion for preliminary approval of the settlement. The parties thereafter

modified certain terms of the settlement to address issues raised by the court in its October 9, 2013 order. On February 21, 2014, plaintiffs filed a renewed motion for preliminary approval of the settlement. On March 14, 2014, in order to avoid missing the current deadlines for class certification while the settlement awaited court review and approval, plaintiff filed a motion for certification of class action and appointment of class counsel. By order dated May 30, 2014, the court preliminarily approved the settlement and vacated the motion for class certification. Notice to the class members was mailed on June 27, 2014. The settlement was approved at the Fairness Hearing on October 6, 2014. There were no objections or opt outs. The time to appeal expired on November 10, 2014, and the settlement became final. Realogy Group dismissed its Third-Party Claims without prejudice on December 12, 2014. The settlement was funded on November 17, 2014, in the amount of \$530,630.42.

2. Sheri Dodge and Neil Dodge and Ram Agrawal and Sarita Agrawal, individually and on behalf of all others similarly situated v. PHH Corporation, Realogy Holdings Corp., PHH Home Loans LLC, PHH Mortgage Corporation, RMR Financial, LLC, NE Moves Mortgage LLC, PHH Broker Partner Corporation, Realogy Group LLC, Realogy Intermediate Holdings LLC, Title Resource Group LLC, West Coast Escrow Company, TRG Services Escrow, Inc., Equity Title Company, NRT LLC, Realogy Services Group LLC and Realogy Services Venture Partner LLC formerly captioned as: Timothy L. Strader, Sr. and Lester L. Hall, Jr., individually and on behalf of all others similarly situated v. PHH Corporation, Realogy Holdings Corp., PHH Mortgage Corporation, PHH Home Loans LLC, RMR Financial, LLC, NE Moves Mortgage LLC, PHH Broker Partner Corporation, Realogy Group LLC, Realogy Intermediate Holdings LLC, Title Resource Group LLC, West Coast Escrow Company, TRG Services Escrow, Inc., NRT LLC, Realogy Services Group LLC and Realogy Services Venture Partner LLC, (Case No. 8:15-CV-01973, United States District Court, Central District of California). This is a purported class action filed on November 25, 2015 by four California residents against 15 defendants, including Realogy Holdings and certain of its subsidiaries, PHH and PHH Home Loans, alleging violations of Section 8(a) of RESPA. Plaintiffs seek to represent two subclasses comprised of all persons in the United States who, since January 31, 2005, (1) obtained a RESPA-covered mortgage loan from either (a) PHH Home Loans or one of its subsidiaries, or (b) one of the mortgage services managed by PHH for other lenders, and (2) paid a fee for title insurance or settlement services to TRG or one of its subsidiaries. Plaintiffs allege, among other things, that PHH Home Loans operates in violation of RESPA and that the other defendants violate RESPA by referring business to one another under agreements or arrangements that are prohibited by RESPA. Plaintiffs seek treble damages and an award of attorneys' fees, costs and disbursements. The amended class action complaint was filed on December 10, 2015, and served on the Realogy and TRG entities on December 18, 2015. On February 5, 2016, defendants filed a motion to dismiss the case claiming that not only do the claims lack merit, but they are time-barred under RESPA's one-year statute of limitations. On April 5, 2016, the Court granted defendants' motion to dismiss with leave for the plaintiffs to amend their complaint. Plaintiffs filed a second amended complaint on April 21, 2016, and a third amended complaint on May 12, 2016, without material modifications to address the original complaint's deficiencies. On October 6, 2016, the Court denied defendants' May 26, 2016, motion to dismiss the plaintiffs' third amended complaint, without prejudice to defendants' ability to move for summary judgment after discovery. Defendants filed an answer to the third amended complaint on October 20, 2016. On May 19, 2017, the parties held a mediation session, at which they agreed in principle to a settlement of \$17M, pursuant to which the Realogy defendants would pay approximately \$8.5 million (or one-half of the settlement) and the PHH defendants would pay the remaining \$8.5M. Realogy and PHH agreed to pay \$5,000 each to plaintiffs Hall and Strader in exchange for a dismissal of their claims, which occurred outside the class settlement. The individual settlement agreements with plaintiffs Hall and Strader are fully executed and settlement payments to Hall and Strader were funded in August 2017. On July 31, 2017, a Fourth Amended Complaint was filed, dismissing Hall and Strader and adding Sheri Dodge, Neil Dodge, Ram Agrawal and Sarita Agrawal as plaintiffs. At a hearing on the plaintiffs' motion for preliminary approval of the settlement held October 19, 2017, the Court indicated that if certain modest revisions were made to the settlement agreement and an amended motion for preliminary approval filed, the Court would grant preliminary approval. On January

29, 2018, the Court issued an order granting preliminary approval of the settlement and class notices were sent out in February 2018. The hearing on final approval of the settlement occurred on August 16, 2018, and the Court granted final approval of the settlement. Final judgment was entered on August 27, 2018, and the matter was dismissed. On September 10, 2018, Realogy paid its portion of the settlement in the amount of \$8,375,000.

The regulatory investigation also included predecessor joint ventures of Associates, as well as other joint ventures formed by Property I.D. Corporation. Associates and its predecessors provide hazard reports in the California market. HUD and the FTC issued subpoenas seeking documents and information from Cendant, Coldwell Banker Residential Brokerage Corporation, Coldwell Banker Residential Brokerage, Century 21 and us. According to these subpoenas, the investigation concerned whether the activities of Associates violated RESPA, 12 U.S.C. § 2607 et seq. (which governs the mortgage process for federally funded loans) and Section 5 of the Trade Commission Act, 12 U.S.C. §45 (which regulates antitrust matters and anti-competitive behavior) for allegedly receiving compensation for referrals by operating a sham joint venture. Cendant cooperated in the investigation and responded to requests for information and document requests from HUD, and document requests from the FTC. On October 24, 2006, the FTC issued a letter advising that it had closed its investigation.

On May 23, 2007, HUD filed a lawsuit in the Central District of California, United States District Court, against Realogy Group, NRT, Coldwell Banker Residential Brokerage (collectively, the “Realogy parties”), Property I.D., several Prudential Real Estate franchisees, and the joint venture companies between Property I.D. and these former joint venture partners. The lawsuit alleges that Natural Hazard Disclosure Reports (“NHD Reports”) are settlement services under RESPA, although acknowledges that NHD Reports are not an enumerated service identified in that statute, or identified in the regulations. Because NHD Reports are allegedly settlement services, HUD further alleges that the defendants violated RESPA in their operation of the various joint ventures. In July 2007, the Realogy parties filed a motion to dismiss the lawsuit on the grounds that there is no statutory basis to seek disgorgement under RESPA, and no basis for seeking injunctive relief as the allegedly unlawful Realogy Group joint venture was terminated on June 30, 2006. On August 8, 2007, the Court entered a Stipulation extending the briefing on the motions to dismiss. On January 18, 2008, HUD filed an opposition to the motions to dismiss filed by all defendants. On February 15, 2008, the Realogy parties filed their reply to HUD’s opposition, which was denied on April 28, 2008. In May 2008, HUD and the Realogy parties agreed to settle the matter with no imposition of fines or penalties and a permanent injunction to refrain from future joint ventures for hazard disclosure reports operated in violation of RESPA. The Settlement Agreement has been fully executed and the Consent Decree and Release were filed with the Court on February 9, 2009. The Court dismissed the case on July 14, 2009.

2. The Office of the Attorney General of the State of Washington. The Washington Office of the Attorney General is conducting an investigation of Sotheby’s International Realty, Inc., a Related Party of SIR and Real Estate Affiliate, Century 21, involving possible past or current violations of RCW 19.86.020, RCW 19.86.030, RCW 19.86.040, RCW 19.86.050 and the Sherman Act, 15 U.S.C. § 1. The investigation concerns contracts, combinations, unfair or deceptive practices, unfair methods of competition, or conspiracies in restraint of trade or commerce in the market of services provided by residential real estate brokers to Washington home buyers and sellers and the effect that NAR’s offer of compensation and clear cooperation rules has had on them. On February 14, 2024, and February 27, 2024, Sotheby’s International Realty Inc. and Century 21 Real Estate LLC, respectively, received a Civil Investigative Demand for

Production of Documents, which includes certain document requests and interrogatories, for the period January 1, 2015 to present, in connection with the investigation. Anywhere, Sotheby's International Realty, Inc. and Century 21 will continue to work with the Office of the Attorney General to provide the requested information. There could potentially be similar requests by the Office of the Attorney General of the State of Washington to us and the other Real Estate Affiliates, and if so, we, and our Related Parties will continue to assist with such requests.

Notes to Item 7 tables above:

[1] The two tables included in this Item 7 estimate the initial investment necessary to open a single Coldwell Banker Commercial® office. The first table estimates the expenditures which may be needed to open a conversion office, and the second table estimates the expenditures which may be needed to open a start-up office. The estimates are based on the assumption that the Office will be between 3,000 to 5,000 square feet for up to 30 people (including employees and independent sales associates). We generally offer franchises to established commercial real estate businesses with at least one existing office.

Our goal is to meet the highest professional standards of appearance and functionality in each Coldwell Banker Commercial® office. However, we do not impose requirements as to equipment (except for electronic data processing and reporting), fixtures or other fixed assets. If the appearance of your office does not meet our current standards, we have the right to require you to repaint or refurbish the office before opening your business under the Coldwell Banker Commercial® name. We are unable to estimate the cost, if any, of refurbishing your office since it will depend upon its existing condition.

[2] All payments you make to us or our Related Parties are non-refundable and are not financed, unless otherwise stated. Payments you make to parties other than us or our Related Parties may be refundable and/or financed at the option of the other party. We or a Related Party may offer financing to assist you in paying certain conversion or opening costs associated with your affiliation with the System or offer financing to you for acquisition or recruitment opportunities or other business-related expenses, if you are an existing franchisee. Financed amounts will vary under the

circumstances. Any financing will be offered through our applicable form of promissory note. See Item 10 for our current financing terms.

- [3] These fees are negotiable by us. We have the right to vary, negotiate or waive (in whole or in part) the initial franchise fee. The initial franchise fee for your Main Office is \$20,000 and the initial franchise fee for each additional office is \$5,000. We have the right to reduce or waive the initial franchise fee for eligible franchisees who qualify pursuant to our diversity and veteran program. As of the issuance date of this disclosure document, the initial franchise fee for your Main Office under this program is waived. See Item 5.
- [4] If you do not own adequate office space, you must lease an office from which you can operate your Coldwell Banker Commercial® franchise. A range of \$0 to \$50,000 per year is estimated to cover occupancy costs incurred by franchisees dispersed over a broad geographical area, some of whom own their own real estate and some of whom lease their office space.
- [5] In many instances a tenant may be able to negotiate a lease that provides for the landlord to bear most or all of the cost of tenant improvements. However, as a tenant you may have to incur leasehold improvement costs. The length of the lease may have a bearing on tenant or leasehold improvement costs you must pay. Typical build-out costs are generally between \$35 to \$75 per square foot when significant construction and tenant improvements are necessary, depending on the type of structure. Leasehold improvements may be higher for a start-up franchisee who does not already have a commercial real estate brokerage office that will serve as the Office.
- [6] Office identity signs are estimated at \$700 for simple single face box signs to \$20,000 for large complex signs (excluding installation costs).
- [7] Property signs (sale, lease and property management) are estimated at \$100 per sign, excluding posts.
- [8] Includes business cards at ~~\$30-70~~ per ~~thousand~~ 500, envelopes, stationery, assorted brochures and miscellaneous display materials.
- [9] Shortly after your Opening Date (as defined in the Franchise Agreement), you, your Responsible Broker or a Designee must attend our “Orientation” program. We do not charge tuition for Orientation; however, if Orientation is offered at a location other than your Main Office, you must pay for travel, lodging and other expenses related to your attendees’ attendance at the Orientation. We estimate that travel, lodging and meals for Orientation will range between \$800 and \$2,700. Orientation will be offered virtually in 2024, so there are currently no fees associated with attendance. See Item 11.
- [10] Your legal expenses will vary depending upon numerous factors, including your jurisdiction, market prices and whether you retain legal counsel to review this disclosure document and/or the Franchise Agreement and to what extent you seek guidance from legal counsel
- [11] You are required to obtain and maintain the insurance coverage we periodically prescribe, as further described in Item 8. The lower end of this estimated range assumes you are a conversion franchisee who already has basic insurance in place, while the higher end of this estimated range assumes you are a start-up franchisee purchasing insurance for the first time. The insurance deposits and premiums may vary by state and depending upon your Franchise may be higher or lower than this range. You may have additional costs as a result of the size of your Franchise or number of Offices, the types of coverage and policies you carry, your claim history, or if you elect to purchase

more than the minimum coverage limits required under the Franchise Agreement (~~See~~ see Section 17.2 of the Franchise Agreement).

- [12] We estimate the costs for a computer hardware and software system meeting our minimum requirements for an office of 30 people (including employees and/or independent sales associates) ranges from \$5,000 to \$10,000.
- [13] We provide you with a brand consumer website at cbcworldwide.com ~~www.ebeworldwide.com~~ at no additional cost. ~~We also provide you with a brokerage website through a third party marketing suite focused on commercial business, which can be accessed through CBCDesk,~~ which enables your company, listings and independent sales associates to be displayed and searchable on cbcworldwide.com ~~www.ebeworldwide.com~~ and other brand-provided websites or subdomains, and for you to receive any leads generated via our national marketing efforts. We also provide you with a brokerage website through a third-party marketing suite focused on commercial business, which can be accessed through CBCDesk. You may also maintain your own website for your Franchise, provided this use of your own website is in compliance with brand standards and with the mandatory provisions of the Identity Standards Manual and the P&P Manual. Implementation and maintenance cost of your own website may vary or increase depending upon the complexity of the functionality on your website, enhancements or other necessary technical requirements.
- [14] This is an estimated range of costs you may incur through your first 3 months of operation as a Coldwell Banker Commercial[®] Real Estate franchisee, including Royalty Fees, Property Management Fees, CMF contributions, utilities, employee salaries and benefits, communications related expenses, general administrative expenses and organizational costs. As a conversion franchisee, you may incur additional miscellaneous expenses in the first 3 months of operation as a Coldwell Banker Commercial[®] office, including promotional costs announcing your affiliation with Coldwell Banker Commercial Affiliates, the cost of sending additional managers to our training program and the cost of consulting an accountant or other professional advisor. You may incur additional legal expenses for advice on new or evolving federal or state laws associated with brokerage or general business obligations during your first 3 months of operation. Since you are already operating an existing commercial real estate brokerage business, however, you will be best suited to determine the additional funds you will need to operate the office during the first 3 months after conversion. We do not guarantee that you will not have additional expenses converting the business. No financial performance representation is made or implied.

These cost estimates will increase proportionally, if you convert more than one Office. These estimates may also be reduced in some situations, if we exercise our right to negotiate with you certain assistance, allowances, credits and/or other financial accommodations. In some cases, the assistance may include various financing arrangements. See Item 10.

- [15] As a start-up franchisee, you may be required to purchase a variety of services to design and plan the Office including space layout, office theme design, remodeling, furnishing, equipment and accessory specification, budgets and financing. The fee for such services will vary depending on your needs and on the size of the office; however, we estimate that costs are generally between \$5 to \$8 per square foot, depending on layout and design plans.
- [16] Furnishings and communications equipment costs can range significantly depending on the requirements of your business. You may also be able to lease or rent these items.

- [17] These figures include deposits for rent and utilities. Leasehold deposits and other monthly rental costs may exceed these estimates in certain areas.
- [18] Includes estimated expenses to establish accounts, license fees and potential deposits and other miscellaneous expenses.
- [19] This is an estimated range of costs you may incur through your first 3 months of operation as a Coldwell Banker Commercial® Real Estate franchisee, including Royalty Fees, Property Management Fees, CMF contributions, utilities, employee salaries and benefits, communications related expenses, general administrative expenses and organizational costs.

As a start-up company and office, you should plan to have a total of \$50,000 to \$100,000 in working capital for your first 3 months after opening. You should discuss your cash flow needs and capital budgets with a professional accountant or advisor knowledgeable in planning new business enterprises. You may incur additional miscellaneous expenses in the first 3 months, including promotional costs announcing your affiliation with us, the cost of sending additional managers to our transition program and the cost of consulting an accountant or other professional advisor. You may incur additional legal expenses for advice on new or evolving federal or state laws associated with brokerage or general business obligations during your first 3 months of operation. We do not guarantee that you will not have additional expenses starting the business. No financial performance representation is made or implied.

The additional funds figures described in the tables above are estimates only, and we cannot guarantee you will not have additional expenses during the initial 3-month period after you open your Coldwell Banker Commercial® office. Your costs will depend on factors such as: your management skill, experience, and business acumen; local economic conditions; the local market for real estate brokerage services; your agreement regarding commission splits with agents; competition; and your revenues during the initial period.

The estimates in the tables above are based on our estimate of national average costs, market conditions prevailing as of the issuance date of this disclosure document, and our and our Related Parties' experience in the real estate brokerage business, specifically the experience of our affiliate, Anywhere Advisors, which has operated company owned brokerages under our marks and marks of certain of the Real Estate Affiliates since 1997. We strongly recommend that you review the figures and estimates in Items 6 and 7 carefully with a business advisor before you sign the Franchise Agreement.

You are cautioned to allow for inflation, discretionary expenditures, fluctuating interest rates and other costs of financing, and local market conditions, which can be highly variable and can result in substantial, rapid and unpredictable increases in costs. You must bear any deviation or escalation in costs from the estimates in this Item 7 or estimates that we give during any phase of the conversion or development process.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We require ongoing maintenance of quality and uniformity throughout the Coldwell Banker Commercial® system by identifying certain standards and specifications governing the use of the Marks in your day-to-day business, including on business cards, stationery, signage, and in related advertising and marketing. Accordingly, you must purchase building signs, yard signs, stationery, business cards and other Coldwell Banker Commercial® trademark-bearing items used in your real estate business that meet the mandatory standards and specifications as described in both the P&P Manual and the Identity Standards Manual

incorporated into the Manual. We have the right to change the P&P Manual and/or Identity Standards Manual periodically.

We consider the mandatory specifications, standards and other requirements contained in the P&P Manual and Identity Standards Manual to be of critical importance to the success of the System and may require that you deal only with suppliers that have been approved by us.

We do not have specific standards or specifications for the furniture, fixtures and equipment that you use in your Office(s), except that we have minimum computer requirements you must comply with in order to access our reporting system, as further described in Item 11. However, you may purchase computer equipment that meets these requirements from any source. All furniture, fixtures and equipment you use in your Office(s) must be in good condition and create an overall professional image for your Office(s).

We or Anywhere Services Group maintains a list of “Approved Suppliers” that provide trademark-bearing items to be used by our franchisees. Many of these Approved Suppliers participate in Anywhere Service Group’s preferred vendor program (the “Strategic Alliance Program”) which provides a variety of third-party products and services to our franchisees and franchisees of our Real Estate Affiliates for optional purchase. We and/or Anywhere Services Group negotiates purchasing arrangements for certain products and services with Approved Suppliers, including price terms, for the benefit of franchisees. Trademark-bearing products, including signage and stationery, may only be purchased from an Approved Supplier unless you receive our prior written permission to use another supplier. Among the criteria we consider in permitting you to use an alternate supplier is whether the supplier is able to produce the product or service in compliance with our mandatory standards and specifications and other requirements. You must submit product samples and specifications to us for inspection, testing and approval. Our analysis of another supplier in these circumstances usually takes up to 30 days. Although we do not do so currently, we may charge reasonable testing and/or inspection fees and advise you accordingly. We or Anywhere Services Group may limit the number of Approved Suppliers to obtain volume discounts and/or assure consistent quality and adequate supplies for franchisees. We or Anywhere Services Group may revoke a supplier’s approved status, upon notice to the supplier, if the supplier no longer meets our criteria, if it breaches its agreement with us or Anywhere Services Group, or if the products and services offered are no longer competitive in price or quality.

We do not assume any liability for the acts or omissions of, or guarantee the performance of, any supplier, whether approved or not. There are no Approved Suppliers in which an officer of ours owns a material interest.

Except for our reporting system (as described in Item 11), neither we nor any of our Related Parties, require franchisees to use any product or service we or our Related Parties provide

We and our Related Parties have the right, subject to any franchisee election to opt-out, to submit listings to third party listing portal aggregators or services, whether web-based or otherwise (“Listing Services”) that will display those listings on public websites. Franchisees may have the option of purchasing related enhancements or other services and items directly from such Listing Services.

We do not provide you with any special benefits, including opportunities to acquire additional franchises, if you purchase products and services through an Approved Supplier or the Strategic Alliance Program. There are no purchasing or distribution cooperatives. We estimate that the required purchases and leases by a franchisee for the initial conversion of its businesses to a Coldwell Banker Commercial® Office, or for the initial opening of a startup Coldwell Banker Commercial® Office will range from 20% to 30% of the total costs for converting or opening the Office. We estimate that required purchases by a conversion or start-up franchisee on an ongoing basis typically will equal less than 5% of the franchisee’s total operating expenses per year.

We and our Related Parties have the right to receive fees, payments, rebates, commissions or other consideration (collectively “Consideration”) from Approved Suppliers, vendors affiliated with the Strategic Alliance Program, [Listing Services](#), or other vendors from which you opt to purchase products, services and other items to be used in your real estate business (collectively the “Vendors”), which may or may not be based on sales to franchisees or reasonably related to services we or our Related Parties provide to these Vendors. For any required purchases of products and services by you or other franchisees from Vendors, we and our Related Parties have the right to receive Consideration from Vendors that is generally 0% to 5% of the price you and other franchisees pay to Vendors for these items. We and our Related Parties have the right to increase or decrease this percentage in the future. We and our Related Parties will retain and use any Consideration we receive from Vendors as we deem appropriate.

In 2023~~2~~, total net revenues of Anywhere Group were approximately \$~~6.95.6~~ billion. Of this amount, gross revenue of \$1,~~683,393~~~~491,113~~ or 0.02% of total 2023~~2~~ Anywhere revenue was from required purchases or leases, or purchases or leases subject to our mandatory standards, specifications and other requirements by the franchisees of the Real Estate Affiliates and us.

You must obtain and maintain for the term of the Franchise Agreement, at your expense, all of the insurance coverage we periodically prescribe, as outlined in the P&P Manual or other communication to you. All policies must be in form and content satisfactory to us and must be issued by an insurer(s) rated A-VIII or better in Class X by Alfred M. Best and Company Inc., or comparably rated by Moody’s and/or Standard and Poor’s or similarly reliable rating services acceptable to us. Coverage shall be written on a primary and non-contributory basis, and any insurance carried by Franchisor shall be excess. We have the right to change the minimum acceptable rating requirement. In addition, all insurance coverage (excluding workers compensation insurance, cyber insurance and Employment Practices Liability Insurance) must name us, Anywhere Real Estate Inc. (f/k/a Realogy Holdings Corp.) and their subsidiaries, successors and assigns as additional insureds, and provide that we will receive 30 days’ advance written notice of a cancellation of any policy.

Your insurance coverage must include, at a minimum: (1) if you use an automobile in connection with your business operations, automobile liability coverage, including hired and non-owned autos, with limits of at least \$1,000,000 per occurrence (2) general liability coverage, including contractual liability, Property Management coverage and (if not covered in a separate automobile liability policy) hired and non-owned autos, with limits of at least \$1,000,000 per occurrence; and this coverage shall be provided on a primary and non-contributory basis; (3) professional liability (real estate errors and omissions) coverage, including coverage for Property Management, with limits of at least \$1,000,000 per claim, (4) cyber insurance, specifically third-party coverage, including privacy liability and network security coverage in an amount appropriate for the size of your franchise operations, but in no event should limits be less than \$500,000 per claim; and (5) any additional types of policies and coverage required by law, including without limitation workers’ compensation coverage and other policies generally recommended in the industry such as Employment Practices Liability Insurance. See Item 7 for an estimate of the costs relating to your minimum insurance coverage requirements. You should consult with your own insurance agents, brokers, attorneys or other insurance advisors to determine the level of insurance protection you need and desire, including any insurance coverage it may be advisable for you to require your affiliated agents to obtain, in addition to the coverage limits we require.

All required insurance coverage must commence as of the Opening Date (as defined in the Franchise Agreement) of your Coldwell Banker Commercial® Office and Future Offices (as defined in Section 5.4 of the Franchise Agreement). You must furnish us certificates of insurance coverage at commencement, annually and upon our request, evidencing the existence of such insurance coverage and your compliance with the insurance coverage requirements. We have the right to require specific endorsements, as necessary. Further we have the right to require you to obtain additional types of insurance, to increase limits during the term of the Franchise Agreement or to reduce minimum coverage requirements (with our written approval). If you fail to maintain any required insurance, we have the right, but not the obligation, to obtain any and all required

insurance on your behalf and to charge you for the cost. In such case, you must promptly reimburse us for all our costs on demand.

If we provide funding, we may require the Owners’ spouses to sign a Guaranty as well, depending on the laws of your state.

ITEM 10. FINANCING

Neither we nor any Related Party is obligated to provide you any financing. We or a Related Party, however, have the right to offer you financing to assist with conversion costs or growth opportunities. This financing will be based on several factors, including without limitation your financial need, credit history, ability to repay, net worth, your business operations, including history of growing your business, and your stability as well as our need for the development of your market area. Depending upon these factors, we may offer you financing up to an amount equal to a percentage of the fees, we expect to receive from your operations. We have the right to require you to furnish us with financial statements, tax returns and other documents. The terms of any financing, including the amount, the term of repayment, the amount of principal to be repaid, the amount of interest to be paid (where applicable), the security and other relevant terms are subject to negotiation between the parties as described below.

We or a Related Party offers primarily two types of financing. Unless noted below, the financing will be in the form of promissory notes (“Notes”) as set forth in the table below:

Finance Type	Amount Financed	Down Payment	Term	Finance Charges [1]	Payment Terms	Prepayment Penalty	Security Required [5]	Liability Upon Default [6]	Loss Of Legal Rights on Default [6]
Conversion Promissory Note [2]	Varies	None	9-10 years [2]	Only upon a payment default, 18% per annum or the highest rate allowed by law	Equal annual installments with an opportunity for forgiveness of the annual principal installment [3]	None, except no refunds of interest will be paid, which may in effect, result in a prepayment penalty	Personal Guaranty by all persons with any equity interest in franchisee and their spouses; Security Agreement and UCC-1	Unpaid Loan/Loss of franchise; acceleration of payments and other remedies available to us under the terms of the Note and the Franchise Agreement	Waive various notice, rights and defenses; confess judgment
Expansion Promissory Note [4]	Varies	None	Varies	18% per annum or the highest rate allowed by law, which may, in our discretion, be payable upon a payment default	Payment over Term and a lump sum payment at Maturity Date	None,	Personal guaranty by all persons with any equity interest in franchisee and their spouses; Security Agreement and UCC-1	Unpaid Loan/Loss of franchise; acceleration of payments and other remedies available to us under the terms of the Note and the Franchise Agreement.	Waive various notices, rights and defense; confess judgment

Notes to Item 10 table above:

- [1] Except as specified herein, we do not impose finance charges in connection with these financing arrangements except for interest charged upon a payment default in the amount of 18% per annum or the highest rate allowed by law.
- [2] We may offer a Conversion Promissory Note (“CPN”) to assist you in paying certain conversion or opening costs associated with your affiliation with the System, which may include costs for signage, materials, advertising and marketing programs, transitional expenses, acquisition opportunities, recruiting or other business related expenses, provided the funds are used for the Franchise. If we finance these costs, you must execute a CPN, substantially in the form of Exhibit D-1, and an addendum to your Agreement reflecting the terms of the CPN and a General Release in the form of Exhibit C-4, as a condition for funding. The CPN provides for an annual opportunity to achieve forgiveness of a portion of the principal upon satisfaction of certain annual Gross Revenues thresholds. In this event, we will reduce the outstanding balance, by a specified percentage each year until the CPN is effectively forgiven provided you are: (i) in compliance with your Franchise Agreement and any other agreements with us and our Related Parties, including all Notes; and (ii) you maintain certain levels of annual Gross Revenue. The CPN has a maturity date of 9 years from January 1st of the first full calendar year after execution of the CPN. If your Franchise Agreement expires or otherwise terminates prior to the CPN maturity date, any outstanding unamortized principal balance remaining on the CPN will be owed on the expiration or termination date of your Franchise Agreement.

We may condition your receipt of the funding on you signing the CPN within 3 months of the grant of funding.

- [3] If you fail to meet the required level of annual Gross Revenue in any calendar year or otherwise fail to meet the requirements for forgiveness under the CPN, we have the right to bill you the agreed upon amount of the annual principal for immediate payment.
- [4] We may offer financing opportunities to existing franchisees for acquisition opportunities or other business-related expenses under an interest-bearing Expansion Promissory Note (“Expansion Note”) substantially in the form of Exhibit D-2. Expansion Notes are offered in our discretion based on certain criteria, including the length of time remaining in the Term, your credit worthiness and your business operations. The principal amount must be repaid in full 6 months prior to the expiration date of the Agreement. There is no opportunity to achieve forgiveness of the loan.
- [5] All Notes must be guaranteed by the Franchisee as well as personally guaranteed by all shareholders, partners, interest holders and their respective spouses, as required by us. You must sign a security agreement for all the Business’ assets, including after acquired property. We will file a UCC-1 financing statement with the appropriate governmental authority. (See Exhibit F to the Franchise Agreement or Exhibit D-3.) We have the right to require additional forms of security.
- [6] For all Notes, the payments are non-refundable. If you are in default under any Note (which includes without limitation defaults under your Franchise Agreements or other agreements with us and our Related Parties) or your Franchise Agreement is otherwise terminated for any reason while any Note is outstanding, all principal and accrued interest payments are accelerated, and you are obligated to pay immediately the entire amount due as well as any collection costs that may be incurred, including court costs and attorneys’ fees. Your failure to pay all amounts when due under any Note may constitute: (i) a default under the Franchise Agreement that may lead to termination of the Franchise Agreement; and (ii) a default under other agreements with us or our Related Parties. Under every Note, you waive various notices, rights and defenses, including your rights to diligence, demand, presentment for payment, notice of nonpayment and protest, and notice of amendments or modifications. You also waive any defense under the statute of limitations and allow that a confessed judgment may be taken against you. (See Exhibits D-1 and D-2.)

We may require you to undergo a six-month operational review of your Franchise prior to the granting of any financing. The review will include a financial analysis, assessment of the use and understanding of our programs, and your adherence to the requirements under the Franchise Agreement.

Except as disclosed above, we do not offer financing that requires you to waive notice, confess judgment or waive a defense against us or the lender, although you may lose your defenses against us and others in a collection action on a Note that is sold or discounted. We have no plans to sell or assign any Note from you or any other franchisee; however, we have the right to do so in the future. Upon any sales or assignment, we will not remain primarily obligated to provide the financial goods or services. We do not guarantee your obligations to third parties.

We have the right to offer various financing programs to help franchisees with agent recruiting or other business related expenses. We may also offer various financing programs as part of our diversity and veteran program. We may or may not require you to sign a CPN and have the right to require you to sign a General Release, in the form of Exhibit C-4, as a condition of financing, whether or not you are required to sign a CPN. Where we grant financial incentives as part of our diversity and veteran program, other financing may not be available.

If Anywhere Services Group has a lender that provides finance opportunities to franchisees under the Strategic Alliance program, we or Anywhere Services Group may receive payments from such lender. As of the issuance date of this disclosure document, Anywhere Services Group does not receive payments from lenders. See Item 8.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

SITE SELECTION AND TIME TO OPEN

Many franchisees operate a real estate brokerage business before joining the Coldwell Banker Commercial[®] System and already have an office. If you do not already have an office, you must purchase or lease one. Although we must approve your location, you will need to select your office space, negotiate the purchase agreement or lease, obtain necessary permits, conform the office space to local ordinances and building codes, and construct, remodel or decorate it. We will not handle these tasks for you. However, we have the right to determine that your site does not meet minimum standards and require you to obtain an appropriate site. If we deny approval of a proposed site, you must submit a new location for approval. You may not open an office unless we have approved the site.

Our approval of a site means that, based on the information you provided to us, the site meets our then-current minimum standards. We do not generally own property leased to franchisees for office locations. We will work with you and with suppliers to adapt Coldwell Banker Commercial[®] signs to local ordinances if they conflict with our Coldwell Banker Commercial[®] system requirements.

You must obtain our advance written approval for each proposed office location and execute a Franchise Agreement and/or a Location Addendum before you exhibit the Coldwell Banker Commercial[®] trademarks or offer Coldwell Banker Commercial[®] services at them. You may not ~~relocate, close, or consolidate any change the location of an o~~Office(s) without our prior written permission. If we deny approval of a proposed site, you must submit a new location for approval. You may not open an office unless we have approved the site.

TIME TO OPEN

Most franchisees convert an existing real estate brokerage office. We estimate that the typical length of time between your signing your Franchise Agreement and opening your office under the Coldwell Banker Commercial[®] system will be between 30 and 90 days. The factors that affect this time are mostly within your control or the control of suppliers you select. Factors which may affect the time period to open your office include without limitation: your ability to obtain a lease, financing or building permits, zoning and local ordinances, weather conditions, shortages, or delayed installation of equipment, fixtures, and signs. If we do not approve your proposed location or if you do not open the Office by the Opening Date in your Franchise Agreement, then we can terminate the Franchise Agreement (Franchise Agreement Sections 1.7 and 16.2.3.8).

MANUAL AND MARKS

We will provide you with access to the P&P Manual that we furnish to Franchisees for use in operating an Office under the Coldwell Banker Commercial[®] system. You may view the P&P Manual before you sign a Coldwell Banker Commercial[®] Franchise Agreement if you sign the Confidentiality Agreement attached to this disclosure document as Exhibit E. The P&P Manual is made up of other manuals, including without

limitation our Identity Standards Manual. The P&P Manual includes mandatory and suggested specifications, standards, trademark and identity standards for use of our Marks, and a wide scope of operating procedures and rules that we have the right to periodically establish. The P&P Manual and its updates may be made available to you through our intranet site, mybcdesk.com ~~www.myebedesk.com~~. As of the issuance date of this disclosure document, the P&P Manual contained ~~63-65~~ pages and its table of contents is included in Exhibit H. We have the right to make changes to the P&P Manual from time to time which we will provide to you. You will have 90 days to comply with any changes to mandatory provisions that we change in the P&P Manual and you will be responsible for costs associated such changes (Franchise Agreement, Section 10.2.) We do not impose requirements as to equipment, fixtures or other fixed assets (except for computers and signage), or for constructions, remodeling, leasehold improvements or decorating costs. We will provide written specifications for the computer and signage requirements in the P&P Manual. The minimum hardware and software requirements are also outlined in this disclosure document. We may also offer resources and services described in the P&P Manual or otherwise for use by the System. We reserve the right to change or modify the P&P Manual at any time, and to discontinue or add resources and/or services offered to the System at any time. We have the right to provide tools (marketing, sales and productivity) and services funded by us directly, provided for a fee, or funding in part or entirely by the CMF.

ORIENTATION AND TRAINING

Orientation is available generally within the first year after you open your Coldwell Banker Commercial® office. (Franchise Agreement, Section 6.1.1.) The ~~orientation~~ Orientation consists of an initial welcome to the System following the Opening Date of your office and breakout sessions as set forth in the table below. In addition, following the Opening Date of your office, we will deliver a fully integrated on-boarding program focused on driving immediate incremental business by incorporating the brand in day-to-day business activities. Orientation will be offered virtually in 2024. One Responsible Broker (defined in the Franchise Agreement as “your licensed real estate broker as required under the laws of the state in which the Office is located”), or their designee from each Coldwell Banker Commercial® office you license must attend this mandatory ~~orientation~~ Orientation program. Attendance by your Responsible Broker or designee is all that we require for that person to be deemed to have completed the ~~orientation~~ Orientation program to our satisfaction. We do not currently charge tuition for the ~~orientation~~ Orientation. As of the issuance date of this disclosure document, travel is not required to attend Orientation; however, if travel is required you must pay for all travel, lodging, meals and other expenses incurred relating to the attendance of your personnel at the ~~orientation~~ Orientation, if any. If Orientation is offered in-person, it will be held at your location, or a location near our headquarters in New Jersey. The cost of travel is approximately \$1,500 to \$2,000 for each attendee, which includes travel, lodging, meals and other expenses. If you acquire a Coldwell Banker Commercial® office through a transfer of an existing franchise, or if you change commercial managers, attendance of this session is mandatory, and where travel is required, you are responsible for paying your commercial manager’s travel, lodging, meals and other expenses in attending the ~~orientation~~ Orientation. Following orientation, we provide ongoing support during which a transition team will partner with you for additional training on an as needed basis.

As of the issuance date of this disclosure document, ~~orientation~~ Orientation covers the subjects listed in the table below and, we intend to hold ~~orientation~~ Orientation self-paced, virtually, or at your Coldwell Banker Commercial® office but reserve the right to hold it at or near our offices in New Jersey. The ~~orientation~~ Orientation is conducted by our executives and staff with varying degrees of experience with Coldwell Banker Commercial Affiliates and general expertise in the industry.

Any education, support, advice or resources we provide to you relating to the Franchise is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Franchise, and not for the purpose of controlling in or in any way exercising or exerting control over your decisions or the day-to-day operation of the Franchise, including your personnel-related decisions.

MARKETING AND ADVERTISING

During the term of your Franchise Agreement, we will provide ~~development, implementation, production, payment and other costs of~~ advertising, ~~public relations~~, marketing and related services and programs through the Commercial Marketing Fund (“CMF”) to promote and enhance the awareness level and value of the Coldwell Banker Commercial® service mark and the Coldwell Banker Commercial® brand. (Franchise Agreement, Section 8.) We have the right to use up to 5% of the CMF for advertising that is principally a solicitation of the sale of franchises to grow the System and increase the goodwill of the brand for the benefit of all franchisees.

We manage and administer the CMF pursuant to our franchise agreements. The CMF is a contractually generated fund. It is not a trust and we have no fiduciary or implied duties. CMF contributions are limited to those made by you, other franchisees and Anywhere Advisors, as applicable. We use the CMF for the development, implementation, production, placement, payment and costs of national and regional (as defined by us) advertising, marketing, promotions, public relations and/or other programs, which may include direct mail (and email), market research, social media, customer surveys and test marketing to promote and further the recognition of the Marks, the System and franchisees generally. The CMF may also be used for other purposes, such as website development, online marketing ~~products for broker and agent use, hosting~~ and maintenance for the brand consumer website and accompanying consumer websites and blogs and the System intranet site, search engine marketing and search engine optimization, customer service support, real estate

listing enhancement costs and subsidies, listing distribution arrangements, regional and national Coldwell Banker Commercial[®] system events and related activities, social media development and education, awards, sponsorships, leads management system development, maintenance and updates, lead generation, customer loyalty programs, marketing related to agent or broker productivity or other learning resources, system communications, identity standards and website compliance, brand extension development and marketing, talent attraction initiatives, resources and marketing, software development and distribution and other related activities in support of the Coldwell Banker Commercial[®] brand and the Coldwell Banker Commercial[®] system. All CMF funds are deposited into our general operating account and are commingled with our general operating funds. (Franchise Agreement, Section 8.4.) We have the right to use part of the CMF fund for joint or collective advertising campaigns with Related Parties.

You, and all other franchisees, are required to make the monthly contribution to the CMF as described in Item 6. (Franchise Agreement, Sections 8.1 and 8.2.) Other franchisees may pay different amounts based on the language of their franchise agreements. Although the CMF expenditures are intended to maximize general recognition and customer support for all Coldwell Banker Commercial[®] offices, we cannot assure you that your office will benefit directly from the placement of any advertising and we have no obligation under the Franchise Agreement to place advertising or marketing to directly affect particular markets or regions, including the markets or regions where your Offices are located. The Coldwell Banker Commercial[®] offices owned and operated by Anywhere Advisors contribute to the CMF on a different basis than other Coldwell Banker Commercial[®] franchisees.

Each stand-alone Coldwell Banker Commercial[®] office operated by Anywhere Advisors, and each Coldwell Banker[®] residential office operated by Anywhere Advisors that is permitted by agreement to use the Coldwell Banker Commercial[®] Marks, are subject to CMF contributions of a percentage of Gross Revenue on commercial transactions up to a maximum amount on a monthly basis.

We may charge all costs for formulation, development and placement of advertising, marketing, promotional and public relations materials to the CMF. This cost will include marketing staff compensation, travel expenses, and a proportionate share of the compensation for our senior management who devote time and render services for advertising, marketing and promotion or the administration of the CMF, including through a dedicated team under Anywhere Brands or our Related Parties.- The CMF also compensates us or our Related Parties for out-of-pocket costs on behalf of the CMF, and for reasonable expenses incurred for rent, overhead, accounting, collection, reporting, technology system support, marketing product development, legal, human resources, finance, operations, management and other services, which we or our Related Parties provide to, or which relate to the administration of or services provided to, the CMF and its programs (collectively “Corporate Services”).

We and our Related Parties may provide certain products and/or services to the CMF, including the Corporate Services outlined above, which would otherwise be provided by unaffiliated third parties, and we and our Related Parties will be entitled to compensation by the CMF for such products and/or services. Any products and/or services provided by us or our Related Parties will be provided at a cost comparable to those costs that the CMF would otherwise incur if the products or services were obtained from unaffiliated third parties. We determine the Corporate Services expenses to be charged the CMF using a combination of direct cost calculations in the case of certain Corporate Services expenses directly attributable to Anywhere Brands as a whole, and where Corporate Services expenses are shared among us and the Real Estate Affiliates, an allocation methodology. In those cases where Corporate Services costs are shared, we and our Related Parties determine how much of the overall expenses incurred for Corporate Services for a calendar year are reasonably attributable to services provided to the CMF and the advertising/marketing funds of the Real Estate Affiliates. These expenses are allocated based on revenue, headcount, usage and similar bases, as we deem appropriate for the specific Corporate Service. The portion of the expense for Corporate Services is then further allocated to the CMF based on the total amount of

revenue collected by the CMF in the calendar year as a percentage of the aggregate revenue collected by the CMF and the advertising/marketing funds of the Real Estate Affiliates for the same calendar year. We have the right to periodically modify the allocation process and the methodology described in this paragraph. Specifically, we reserve the right to adjust our method for charging the CMF for Corporate Services to a reasonable management fee calculated as a percentage of the total CMF contributions made by us and our Related Parties, as applicable, and our franchisees for the applicable year according to the following formula: 6% of all CMF revenue up to \$7,000,000 and 3% of all CMF revenue over \$7,000,000. If implemented, this fee will include the Corporate Services described above and will specifically exclude marketing staff compensation and senior management compensation.

We develop the strategy and implementation for brand campaigns with oversight and input from Anywhere Brands and Anywhere Group senior management personnel. We currently use professional advertising and public relations agencies for the creation, development and placement of the marketing collateral and promotional materials produced for the CMF. We have the right to change agencies at any time without notice to you. We may engage third party vendors or our Related Parties to provide other various products and services to the franchise system and the brand for overall marketing, advertising and other related activities in support of the Coldwell Banker Commercial® brand and the Coldwell Banker Commercial® system, and these vendors and Related Parties will be paid from CMF funds based either directly on invoices charged to us or on an allocation methodology (generally based on usage, headcount or similar bases) for products and services shared among Related Parties. -We may target internet-based advertising vehicles, events and on-site promotions for CMF expenditures on a national, regional and local level, although that may change in the future.

In addition to efforts supported by the CMF, you will also incur certain expenses for marketing, promotional and sales expenses, including tools to provide marketing and sales support for your business. The CMF may focus heavily on national marketing and brand recognition. As a result, you will have other marketing and sales expenses for products and services in your local market. You are permitted to create your own marketing materials so long as they comply with the Franchise Agreement and the P&P Manual, including, without limitation the Coldwell Banker Commercial® Identity Standards Manual supplied to you after you become a franchisee. We have the right to require you and your affiliated sales associates to discontinue any non-compliant usage of the Marks and use of non-compliant marketing materials, such as signage, company/personnel marketing and advertising of any kind (e.g., digital, print, social media, etc.).

Upon your written request, we will provide you a financial ~~report-statement~~ on the CMF, which is usually available on or about April 30 of each year, in a form provided in our sole discretion. We are not required to cause the CMF to be audited or reviewed by an independent certified public accounting firm. We do not provide periodic accounting of how the BMF revenues are spent unless you request such a report. You may request to inspect the books and records related to the BMF at our principal business address during our normal business hours Any CMF revenues not disbursed in the year in which received are carried forward to fund CMF activities in the following year. We anticipate certain funds will be carried from one year to the next to support efforts early in the calendar year before annual contributions accumulate. The CMF may borrow from us or other lenders to cover its deficits or invest any of its surplus for future use.

We anticipate that all of our franchisees will contribute to the CMF, although there is no prohibition against us charging a higher or lower rate for future franchisees. Except as provided in Section 8 of the Franchise Agreement, we assume no liability or obligations for collecting amounts due to the CMF or to administering or maintaining the CMF. We have no implied or fiduciary duties, through course of conduct or otherwise, with respect to our administration and/or management of the CMF. -We may pursue franchisees for CMF contributions if we deem such action to be in our best interest. -We may also forgive, waive, settle or compromise claims made on behalf of or against the CMF. -If we proceed against a franchisee for CMF contributions and other amounts due (including Royalty Fees), we will apply a pro-rata portion of any judgment

or settlement amount we receive to the CMF based on the CMF claim's proportionate share of the total amount owed to us and the CMF by the franchisee (excluding any lost profits or liquidated damages amounts). We charge the CMF 30% of the attorneys' fees and other collection costs incurred in any action seeking past due recovery of CMF funds. We may defer or reduce a franchisee's CMF contribution.

We have the right to add new services, resources and capabilities funded in part or entirely by the CMF. Other services, tools and capabilities may be provided directly to you or for a fee.

As of the issuance date of this disclosure document, there is no council composed of franchisees that advises us on advertising policies. We have the right, however, to form, change or dissolve advertising councils. In addition, as of the issuance date of this disclosure document, there are no advertising cooperatives for Coldwell Banker Commercial® franchisees. We have the right, however, to form, change, dissolve or merge advertising cooperatives, and require franchisees to participate in them at a local or regional level.

In 2023~~2~~, cash disbursements of the CMF were distributed in the following manner: ~~35~~45% - internet marketing, ~~43~~34% - marketing, advertising and public relations, ~~14~~15% - other marketing and ~~8~~6% - administration.

COMPUTERS AND ELECTRONIC DEVICES

We and our Related Parties have developed technology systems, consisting of proprietary software and non-proprietary operating programs, that enable you to transmit required listing information and transaction reporting information and other relevant reporting data via the internet (the reporting system). The reporting system allows a franchisee to access its business data from any computer connected to the internet with no additional software. With the reporting system, a franchisee can maintain listing information and photos, ~~employee-independent agent and manager~~ rosters, office contact information and download and sort this information for its specific needs. We do not have independent access to the data in your office system, except such data that you, or third parties authorized by you, transmit to us or enter into the reporting system, and except for MLS data we receive through ~~third-parties~~third parties. There are no contractual limitations on our right to access this data. We provide the reporting system to you without charge; however, you must obtain appropriate connectivity and browser software for this application as well as any platform upgrades that may be necessary. You are responsible for purchasing compatible hardware from a vendor you select. We have the right to require you to utilize hardware or additional software from a particular provider (Section 9 of the Franchise Agreement). You can acquire any computer hardware that meets our minimum memory and other standards.

Except for the reporting system discussed above, we do not, as of the issuance date of this disclosure document, require you to use any particular provider of hardware or software. You can acquire any computer hardware that meets our minimum memory and other standards.

As of the issuance date of this disclosure document, our minimum standards for the reporting system are indicated below. The requirements are divided into two categories, Supported and Recommended. While the reporting system will work with any items in the Supported column, users are encouraged to use the Recommended.

We are constantly evolving and upgrading tools, platforms, systems and websites (collectively our “Tech Resources”) and we expect our franchisees to provide the appropriate hardware, software and internet connectivity that allows the Tech Resources to be fully supported and utilized in your Office(s) over the term of your Franchise Agreement. We design our Tech Resources to work correctly with technology that is widely available, accessible and in broad use.

We will not provide maintenance for your computer hardware. It is recommended that you obtain a service agreement if repair and support are not covered under the warranty that accompanied the various components of your office infrastructure (“technology”, “hardware” or other “software”). We have the right to periodically change our standards. While a computer with the technology that is widely available, accessible and in broad use may be able to handle other software applications related to the operation of a Coldwell Banker Commercial® office, we do not represent that the above computer specifications or widely available technology for which we base our Tech Resources on will be sufficient to run any additional software. Our standards are simply the minimum requirements to operate a Coldwell Banker Commercial® office.

The costs of the minimum hardware and software components required above will vary based on the size of the office and number of independent agents. We estimate the costs for a system that meets these minimum requirements for an office of 30 people (including employees and independent agents) ranges from \$5,000 to \$10,000. We further estimate the costs for any optional or required maintenance updates, upgrading or support contracts for an office of 30 people (including employees and independent sales associates) will range between \$1,000 and \$2,000 or more per year.

We and our Related Parties have the right, but not the obligation, to develop further enhancements to the technology system and software packages, some or all of which may result in an access fee or other charges. In addition, based on any enhancements we develop, changes in technology, industry standards or in our reasonable business judgment, we have the right to require you, at your cost, to update, replace or add to your computer equipment (including hardware, software, services, data protection and other related components) during the term of the Franchise Agreement, and there are no contractual limitations on the frequency or cost of this obligation. (Franchise Agreement, Section 9.2.). As of the issuance date of this disclosure document, we have not charged for software upgrades, but we have the right to do so in the future and we estimate the costs for any optional or required maintenance updates, upgrading or support contracts for an Office will range between \$1,000 and \$2,000 or more per year

You must reasonably ensure that any technology you use in connection with the Business, has appropriate data security controls, including but not limited to the following: (i) authentication mechanisms designed so that they cannot be bypassed to gain unauthorized access to systems and implementation of multi-factor authentication (MFA) when applicable; (ii) commercially reasonable encryption of data in transit and at rest; (iii) password protection measures, such as protecting the form in which they are stored with strong and complex character classes and password length;⁵ and (iv) adhere to applicable data privacy and information security laws and any other security measures reasonable for our industry, such as system updates/patching.

We offer two online services: cbeworldwide.com ~~www.cbeworldwide.com~~ and cbcdesk.com~~www.cbcdesk.com~~. Cbcworldwide.com[®] is a publicly accessible brand website that allows us, our Related Parties, you and your independent sales associates to post listings on the internet for consumers worldwide, who can search for listings by geographic regions, price range, size, product type and other pertinent criteria.

Our private intranet site, cbcdesk.com~~www.cbcdesk.com~~ is accessible to franchisees and sales associates who subscribe to the System and there is no fee for its use. The site provides various enhancements including expanded industry news, Coldwell Banker Commercial[®] news and systems, and supplier information. Your main source of electronic Coldwell Banker Commercial[®] tools and systems is cbcdesk.com~~www.cbcdesk.com~~.

Presently, there are no mandatory fees directly associated with participation in our online site or intranet site. However, you must obtain appropriate connectivity and browser software for this application as well as any platform upgrades that may be necessary.

Except as described in Items 12 and 13, you may advertise your business and market properties using electronic resources including the internet, subject to the terms of your Franchise Agreement and any limitations described in the P&P Manual. You may maintain your own website for your Franchise and use our Marks on the website, provided this use is in compliance with the P&P Manual. You cannot use any of the Marks in a uniform resource locator or similar internet or addressing or identification system, except in compliance with our guidelines or as otherwise authorized by us. Real estate brokerage offices (including their independent sales associates) of competitive brands controlled by our Related Parties, may have used, and have the right to use, other channels of distribution, such as the ~~Internet~~internet, telemarketing or other direct marketing sales, to make sales within your market area using their principal brand trademarks and/or trademarks different from the ones you will use under the Franchise Agreement. We use and have the right to use, other channels of distribution, such as the internet, telemarketing or other direct marketing sales, to make sales within your market area using our principal brand trademarks and/or trademarks different from the ones you will use under the Franchise Agreement.

ANCILLARY SERVICES

We also may offer ancillary services, directly or through Related Parties, or other companies for a fee, to assist you in enhancing your Franchise. Ancillary services may include loan brokerage, escrow services, title searches, insurance and the like, related to a real estate brokerage operation. ~~We have the right, but not the obligation, to provide you with referrals.~~ We currently do not charge a referral fee for transactions you close with a referred client. The above services may not be available in all markets, and we have the right to add, change or discontinue any ancillary service at any time.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You must operate your Franchise only from the Office(s) identified in your Franchise Agreement. You must promote your services within the market served by your Office(s). Except as described below, you, and your affiliated agents, may solicit clients from anywhere that your real estate license permits, and in accordance with state and local real estate rules and regulations. Additionally, subject to your real estate license limitations, you may solicit clients using alternative channels of distribution, including the internet, catalog sales, telemarketing or other direct marketing sales.

At any time, we and our Related Parties have the right, without compensation to you, to own, operate, franchise or license others to operate residential or commercial real estate brokerage businesses, including without limitation Coldwell Banker Commercial[®] offices, and other businesses anywhere within or outside the market area where your Office(s) are located, including locations in immediate proximity to your Office(s). Franchise outlets operating under the trademarks of other Real Estate Affiliates, including those using the Coldwell Banker[®] marks, that do not principally conduct a commercial real estate business, may also provide services in your general market area related to commercial real estate.

The Real Estate Affiliates grant similar real estate brokerage franchises to operate under the CENTURY 21[®], Sotheby's International Realty[®], Better Homes and Gardens[®] Real Estate, ERA[®] and Corcoran[®] service marks. Each Real Estate Affiliate is operated separately and distinctly from the others; therefore, we do not resolve conflicts between franchisees of the Real Estate Affiliates regarding territory, customers and franchisor support. We do, however, work with our franchisees to collaboratively resolve conflicts between us and them regarding territory, customers and franchisor support.

Anywhere Advisors currently operates real estate brokerage businesses under the Coldwell Banker[®], Coldwell Banker Commercial[®], and Sotheby's International Realty[®] service marks. NRT NY currently operates real estate brokerage businesses under Corcoran[®] and Corcoran Sunshine[®] service marks. There is no restriction under the Franchise Agreement that prevents us, the Real Estate Affiliates, Anywhere Advisors, NRT NY or any other present or future Related Party from owning, operating, or franchising or licensing others to operate, real estate brokerages or other businesses under the Coldwell Banker Commercial[®], Coldwell Banker[®], CENTURY 21[®], ERA[®], Sotheby's International Realty[®], Better Homes and Gardens[®] Real Estate, and Corcoran[®] service marks, or any other service marks, anywhere within or outside your market area. Except for real estate license limitations, there are no restrictions on us or our Related Parties, or our or our Related Parties' franchisees, that would prevent us or our Related Parties, or our or our Related Parties' franchisees, from accepting clients or listings within the area in which you operate. You are not entitled to receive any compensation from us or others for any business generated by us or our affiliates, or our or our Related Parties' franchisees, from clients in any market area, including clients in your market area. Further, we and our Related Parties have the right to use and allow our and our Related Parties' franchisees to use, without any compensation to you, alternative channels of distribution, including the internet, catalog sales, telemarketing or other direct marketing sales, to make sales anywhere within or outside your market area using the Marks or any other service marks.

As further described in Item 1, we and the Real Estate Affiliates subcontract with Anywhere Group and its Related Parties for support services and share office facilities with them in Madison, New Jersey. Except as described in [Items 1, 2 and 11](#), each Real Estate Affiliate is operated as a separate company with its own management and marketing personnel and distinct business strategies and objectives. Owning a Franchise does not give you the right to receive a referral from other Coldwell Banker Commercial[®] offices or those of our Real Estate Affiliates. We do not currently charge a fee for referrals sent through our referral system.

You must not operate your Franchise at any site other than the Office(s) identified in your Franchise Agreement without our prior written approval. If you want to [change-relocate, close, or consolidate any an Office location](#)

~~within the same general vicinity as your current~~ Office(s), you must request our approval in writing (and submit other relevant information that we request to evaluate your proposal) at least 30 days before the proposed change. If we do not respond to your request within this period, the proposed relocation will be deemed disapproved. If we do not respond to your request within this period, the proposed change will be deemed disapproved. We may impose conditions on a location change, including:

[1] The new Office location must satisfy our then current office appearance standards and must offer you the prospect of enhancing your ability to provide quality real estate services;

[2] The relocation of your Office must not expose us or any of our Related Parties to potential liability (as we have the right to determine in our reasonable business judgment);

[3] The relocation must not be likely to have a material adverse effect on our business, the business of our Related Parties- or of other franchisees (as we have the right to determine in our reasonable business judgment);

[4] You must be in compliance with the Franchise Agreement and all other agreements with us and/or our Related Parties; and

[5] You must sign documentation we require to memorialize the approved change in location.

You do not have any options, rights of first refusal or similar rights to acquire additional Franchises. You do not receive the right to acquire additional Offices unless we sign a Location Addendum (or Limited Purpose Office Addendum) to the Franchise Agreement for each additional Office. You do not have any standing to object to a new franchise Office based upon proximity of the Limited Purpose Office to the proposed new franchise Office. You should not sign a new lease or incur any other expenses or liabilities for any new Office until we approve the proposed location. See Sections 5.4 and 5.5 of the Franchise Agreement regarding the opening of additional Offices.

We require Minimum Operating Standards in order for you to continue to operate your Coldwell Banker Commercial[®] Office(s). Commencing with the first full calendar month beginning six months after the Effective Date of the Franchise Agreement, if quarterly Gross Revenues fall below a minimum, we have the right to place you on probation and, if you do not make up the deficiency during the probationary period, we have the right to terminate the Franchise Agreement. The minimum quarterly standard for 2023 is \$125,000.00. The minimum quarterly standard can be increased annually by an amount not to exceed 20% of the prior year's amount. During any probationary period, you shall pay a minimum quarterly fee, which is currently \$7,500. See Section 16.2.7 of the Franchise Agreement regarding the Minimum Operating Standards.

Generally, we neither grant an area license nor exclusive territorial rights. There is no minimum area of protection or territory granted to franchisees under the Franchise Agreement. However, we have the right to grant ~~to~~ franchisees limited protected areas in which no new franchises will be granted for a period of time determined by us if we think that local market conditions or other economic factors merit such a decision. We have the right to enter into Franchise Agreements, which may contain materially different terms than those in your Franchise Agreement and may include favorable modifications to any number of standard provisions (including the royalty fees, CMF contribution, term and the granting of certain limited and conditional protected areas or markets). Any grant of limited protected areas must be in writing and will have a specified term. We have the right to terminate such limited areas of protection if a franchisee fails to maintain a level of annual Gross Revenues or other conditions that we determine are appropriate for the maintenance of the protected area granted or otherwise are in default of the Franchise Agreement.

ITEM 13. TRADEMARKS

You are required to operate under the name “Coldwell Banker Commercial” with a suffix that identifies your Office. According to our P&P Manual, your trade name may be displayed in standard text as well as in a logo format. The specific font type, style, proportions and other specific details of the logo formats are described in specific detail in the Identity Standards and may not be altered by you.

You may also use other current or future “Marks” that we license to you. By Marks, we mean the Coldwell Banker Commercial® service mark and other trademarks, service marks, trade names, designs, logos and other commercial symbols and slogans we periodically designate to use in connection with your Franchise, including the following primary Marks which are registered on the United States Patent and Trademark Office Principal Register:

Service Mark	Registration No. {Application No.}	Registration Date {Application No.}
COLDWELL BANKER COMMERCIAL	1598908	May 29, 1990
CB Star Logo in a box w/COLDWELL BANKER COMMERCIAL (stacked on right)	6965494	January 24, 2023
CB Star Logo in a box w/COLDWELL BANKER COMMERCIAL (stacked below)	{90795228} 7069336	{June 25, 2021} May 30, 2023

Under your Franchise Agreement, you also are granted a license to use the CB Star Logo in a box with COLDWELL BANKER COMMERCIAL ~~-CB & Design~~ logo (which appears on the front of this disclosure document) with your trade name centered below it or to the right of it after a vertical line. The newly created CB & Star logo was introduced to the System in mid-2021 and ~~will be~~ fully integrated throughout the System ~~by the end of 2023~~.

We own all of the Marks and the above registrations ~~and pending registrations~~. All registrations have been renewed on a timely basis and all appropriate maintenance affidavits have been filed. As of the issuance date of this disclosure document, there are no agreements currently in effect which could significantly limit our right to use or to license the Marks in a manner material to you.

We must ensure that all franchisees utilizing the Marks meet our standards. You must follow our rules when you use the Marks. You may only use the Marks in the operation of your Franchise and only in accordance with the Franchise Agreement, the Brand Identity Standards Manual and the P&P Manual, which contain detailed instructions for use of the Marks. We have incorporated various quality control provisions into the Franchise Agreement. You must fully comply with each and all of the mandatory provisions and standards. You must use the Marks in combination with your trade name, which is the name you must operate the Business solely under. You must identify yourself as the independent owner of the Franchise. You may not use any of the Marks as part of your entity name. You also may not use the Marks on the internet or any similar communications network, including your URL, except in compliance with our guidelines or as otherwise authorized by us. We have the right to apply for and own trade names, trademarks and service marks relating to Improvements (as defined in Section 14.2 of the Franchise Agreement) and such Improvements will be our property.

You are not permitted to use any derivative of the Marks or any confusingly similar mark as a mark by itself or with any other name, brand, design, trademark, service mark, trade dress, logo, domain name, or corporate, trade or business name. You must not directly or indirectly contest our rights to our trademarks (including the Marks).

We have the right to change or discontinue the use of the Marks or any other trademarks, service marks, trade names, designs, logos or other commercial symbols that we let you use. If we do so, you must comply with these changes at your expense, although you will always be given at least 90 days to comply.

You must notify us promptly if you learn about any unauthorized or improper use of the Marks or if anyone challenges your right to use them. We will take the action we think appropriate. You cannot commence any investigation, complaint or legal action, or communicate with any other person concerning these matters without our prior written consent. You are required by the Franchise Agreement to cooperate with us and our attorneys in handling any complaint or legal action regarding the Marks. We will require you to incur any unreasonable costs in connection with your cooperation related to any complaint or legal action regarding the Marks. Except as required by law, we are not obligated under the Franchise Agreement to protect the Marks or your right to use the Marks or to protect you against claims of infringement or unfair competition arising out of your use of the Marks. We have the right to conduct and control any legal actions or administrative proceedings regarding the Marks. Except as required by state law or state addendum to the Franchise Agreement, we are not obligated by the Franchise Agreement to participate in or indemnify you for litigation or administrative proceedings in which you are named as a party and that involve the license of the Marks to you, regardless of whether the outcome of the proceeding is resolved unfavorably to you.

You must notify us promptly if you become aware of any complaint to, or investigation by, a governmental authority.

As of the issuance date of this disclosure document, there are no currently effective material determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, any state trademark administrator or any court involving the Marks. We have not been notified of any pending infringement, opposition or cancellation action or pending material litigation involving the Marks. We do not know of any superior prior rights or infringing uses that could materially affect your use of the Marks.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or pending patent applications that are material to the Franchise. Under the Franchise Agreement you will receive a license to use information that is published in the P&P Manual, educational resources, advertising and promotional materials, and computer software programs. Although formal application(s) for a copyright registration of all materials may not have been filed with the United States Copyright Office, we own all copyright rights and/or have the exclusive right to license the copyright rights in and to the materials

We regard various proprietary information used in our business and supplied to you as valuable trade secrets. This proprietary information includes the P&P Manual, information concerning our System, our referral system, education and operational materials, business and marketing plans and resources, computer software programs, technology tools, including the proprietary consumer website, and other technology, and other confidential aspects of our business. You must exert reasonably prudent efforts to maintain the confidentiality of this proprietary information during the term of the Franchise Agreement, as well as after its termination or expiration. This includes informing your Responsible Broker, Office manager(s), independent sales associates and other personnel that these materials are proprietary and supervising their use of the materials. You may not use any confidential, proprietary or trade secret information that we

provide to you other than in the manner authorized. You must comply with all mandatory methods, specifications and procedures in the P&P Manual, as it may be modified in our sole discretion from time to time. You have no rights under the Franchise Agreement if we modify or discontinue use of the P&P

Manual (or a specific version of the P&P Manual), or any other proprietary information we provide to you, including proprietary information covered by our copyrights or trade secrets. We have the right to apply for and own trade secrets and copyrights relating to Improvements and such Improvements will be our property.

We have the right to change or discontinue the use of the copyrights, copyrighted materials and trade secrets that we let you use, and if we do so, you must comply with those changes at your expense, although you will always be given at least 90 days to comply.

You must notify us promptly if you learn about any unauthorized or improper use of our copyrighted materials, trade secrets or other proprietary information, or if anyone challenges your right to use them. We will take the action we think appropriate and have the right to control any administrative proceedings or litigation. We are not obligated, however, to take any action in response to the unauthorized or improper use of our copyrighted materials or trade secrets. You cannot commence any investigation, complaint or legal action, or communicate with any other person concerning these matters without our prior written consent. You are required by the Franchise Agreement to cooperate with us and our attorneys in handling any complaint or legal action relating to our copyrights and trade secrets. Except as required by state law or state addendum to the Franchise Agreement, we are not obligated by the Franchise Agreement to participate in or indemnify you for litigation or administrative proceedings, in which you are named as a party and that involve your use of any proprietary information covered by our copyrights or trade secrets, regardless of whether the proceeding is resolved unfavorably to you.

You must not directly or indirectly contest our rights to our copyrights, copyrighted materials, trade secrets or other proprietary information.

As of the issuance date of this disclosure document, there are no currently effective material determinations of the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding our copyrighted materials, trade secrets or other proprietary information. We have not been notified of any infringement that could materially affect your use of our copyrights, trade secrets or other proprietary information. ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You, if you are an individual and obtaining the franchise as a sole proprietor, or your Owners, if you are an entity, must participate in the management of the Franchise. You, your Owners, and your commercial manager (if the Office(s) will be operated by a commercial manager) will exercise your continuous best efforts to maintain, develop and promote the Franchise to its greatest potential and to enhance the goodwill associated with the Marks and the System.

You must retain a Responsible Broker and you, your Owners, your commercial manager(s) and your Responsible Broker must comply with all applicable laws, rules and regulations. Your Responsible Broker or other agreed upon individual must attend our ~~orientation~~ Orientation program (see Section 6.1.1 of the Franchise Agreement).

During the term of the Franchise Agreement, you, your Owners (defined in Exhibit C of the Franchise Agreement), officers, guarantors and Responsible Manager cannot engage in any ~~commercial~~ real estate related brokerage business other than the Business or any or related Excluded bBusiness unless the business is being conducted under authorized under the Coldwell Banker Commercial® Franchise Agreement. You will require

all of your management personnel, including your Responsible Broker and any commercial manager to treat as confidential all information obtained by you regarding the System. The Responsible Broker and commercial real estate manager do not need to have an equity interest in the Franchise.

Each equity interest holder in the franchised business must sign a Guaranty of Payment and Performance, agreeing to discharge all obligations of the “Franchisee,” including its payment obligations, under the Franchise Agreement. We have the right to require a spouse not party to the Franchise Agreement to sign a personal guaranty. By signing the Guaranty, a spouse will be jointly and severally liable for all obligations under the Franchise Agreement whether or not the spouse is involved in the operation of the franchised business. This places the personal assets of the owners and the owners’ spouses at risk. See Exhibit C.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The Franchise Agreement strictly defines the real estate brokerage services you may provide under the Marks. These defined services may be more limited than the scope of activities permitted under most state real estate licensing laws.

If we grant you a Franchise, you must use the Coldwell Banker Commercial® name in connection with services related to the listing, offering, selling, exchanging, purchasing, auctioning, managing, leasing, renting or consulting regarding any and all real property and any ancillary personal property related to a commercial real estate transaction for which a commercial real estate brokerage license is required under applicable law, and any other form of real estate for which a commercial real estate brokerage license is required under applicable law, excluding real estate services defined as ~~Real Estate Related~~-Excluded Businesses (see Section 4.2.4 of the Franchise Agreement). You are not permitted to conduct transactions for residential properties. Residential property is defined as real estate consisting of a residential dwelling (including an apartment within a multi-family building), including leaseholds of dwellings (including rental and management of properties), cooperatives, condominiums, fractional ownership, timeshares, manufactured homes, panelized or pre-fabricated housing, undeveloped land, resort, farm and ranch real estate and any other form of real estate for which a residential real estate brokerage license is required under applicable law, excluding real estate services defined as Excluded Businesses.

Except as otherwise stated in the disclosure document or described in any other agreement with us, you are not obligated to provide all services authorized by us. The grant of the Franchise does not authorize you to engage in any loan origination services, debt or equity placement services, the making of syndicated loans or syndicated equities financing, or any such other similar lending or debt/equity financing business under the System (~~See see~~ Section 4.2.4 of the Franchise Agreement). Any such use of the Marks or the System for the operation of any of the lending related activities described in the preceding sentence would be a default under the Franchise Agreement (see Section 16.2.2 of the Franchise Agreement).

You may be permitted to engage in ~~other business activities~~Real Estate Related Excluded Businesses with our prior written consent, and ~~Such~~ such business activities must be conducted under a separate tradename and in a manner (including, but not limited to, segregated workspaces, as we may require, and using a separate telephone number) that eliminates the prospect that the public might believe that the other business relates to the Coldwell Banker Commercial® System in any way. We have the right to establish policies and standards in our Manual about keeping these activities separate from the Franchise (see Section 4.2.1 of the Franchise Agreement).

To prevent a conflict of interest and to facilitate relationships among franchisees, neither you, your Owners, officers, employees or independent sales associates can directly or indirectly participate in the operation or ownership of any business that provides equipment, services or supplies to franchisees and our Related Parties and their franchisees.

We have the right to limit and/or expand the scope of permissible business activities upon advance written notice. There are no limits on our right to change the types of authorized services and goods you may sell.

Notes to Item 20 Tables 1.B to 5.B above:

- [1] All numbers are as of December 31 for each year.
- [2] The franchised outlets listed in Tables 1.B, 2.B and 3.B are Coldwell Banker® offices operated by unaffiliated third parties under Franchise Agreements with us.
- [3] As further described in Item 1, Coldwell Banker® offices owned and operated by unaffiliated third parties and Anywhere Advisors may offer commercial real estate brokerage services from their offices under the Coldwell Banker Commercial® service mark under franchise agreements or commercial addenda to franchise agreements with us.

In addition to the Coldwell Banker® and Coldwell Banker Commercial® real estate brokerage offices owned and operated by Anywhere Advisors and listed in Tables 4.A and 4.B, Anywhere Advisors owned and operated ~~the following other real estate brokerage offices during the past three years:~~ Sotheby's International Realty®, ZipRealtySM and Climb Real Estate® real estate brokerage offices, and NRT NY has owned and operated real estate brokerage offices doing business as Corcoran®, Corcoran Sunshine® and Citi HabitatsSM ~~during the past three years.~~ It is these other offices owned and operated by Anywhere Advisors and NRT NY that are listed as company-owned real estate brokerage offices in Tables 4.C through 4.F in Exhibit I.

- [4] We do not intend on opening any company-owned Coldwell Banker Commercial® offices or any other real estate brokerage offices in the next fiscal year. Further, Anywhere Advisors and NRT NY ~~do not~~ project that they will not open any other new company-owned offices in the next fiscal year, ~~except that Anywhere Advisors projects that it will open 1 new company-owned Sotheby's International Realty® office in the State of New Mexico in the next fiscal year.~~
- [5] The projected openings for 2024~~3~~ represent estimates only and should not be relied upon in any manner.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the System. During the last three years, some of our franchisees have signed confidentiality clauses. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the Coldwell Banker Commercial® system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

We sponsor a Coldwell Banker Commercial Advisory Board.- Members of the Advisory Board are our franchisees, who are appointed by the brand President. The purpose of the Advisory Board is to provide a forum for the brand and franchisees to discuss franchise and industry related issues and share information. The Advisory Board has no physical address, e-mail address, telephone number or website.

(i) You do not use or mention, directly or indirectly, our Marks or System in connection with the Excluded Business.

On your Business website, you will not promote or identify any Excluded Business (except through a hyperlink to a separate URL with a disclaimer that states the Excluded Business is unrelated to the Marks or the System). Similarly, on the Excluded Business website, you (or your Related Parties) will not promote the Business (other than through a hyperlink to a separate URL).

(vi) If you operate the Excluded Business from the Business’s location, you take all steps necessary to avoid confusing the public about whether the Excluded Business is operated under the Marks, which steps include ~~segregation of personnel and workspaces and~~ installation of separate interior and exterior signage for the Excluded Business. ~~On your Business website, you will not promote or identify any Excluded Business (except through a hyperlink to a separate URL with a disclaimer that states the Excluded Business is unrelated to the Marks or the System). Similarly, on the Excluded Business website, you (or your Related Parties) will not promote the Business (other than through a hyperlink to a separate URL).~~ We may impose other reasonable requirements on you to advise consumers that the operations and website of the Excluded Business are not related to us or our System.

4.2.2 Right to Audit. We have the right to audit or review the Excluded Business’s financial records if we have a reasonable belief you are diverting revenues qualifying as Gross Revenue to the Excluded Business or are otherwise in violation of this Section. Notwithstanding the terms of this Section, all revenue, commissions, and referral fees the Excluded Business pays or transfers to you will be considered Gross Revenue and subject to fees under this Agreement. This Section 4.2.2 does not apply to the Financing Excluded Businesses defined in Section 4.2.4.

4.2.3 Excluded Business Revenue. If any Excluded Business is conducted using the Marks or System or does not meet any conditions we impose in Section 4.2.1 or as reasonably required in the P&P Manual, in addition to our other rights and remedies, any revenue from such products or services will be considered Gross Revenue subject to fees under this Agreement. You, your employees, brokers, independent sales associates and representatives will not use, license or register any domain name or URL (or other Internet identification) that uses a Mark or a mark, image or words confusingly similar to the Marks or any abbreviation, acronym, or phonetic or visual variation of the Marks without our prior written consent. At our request, you will promptly assign or redirect (or cause to be assigned or redirected) any domain name, URL, or other identification that violates this Agreement or the P&P Manual at your expense and without compensation from us. Any guidance or special assistance we provide is not intended to exercise and does not constitute, control over your day-to-day operation of the Business or to assume any responsibility for your obligations under this Agreement.

6.3 Optional Programs. We have the right to develop, implement, modify and/or discontinue optional programs to enhance the System.

6.4 Services and Products. We and our Related Parties have the right, but not the obligation, to introduce and make available commercial real estate related services and products, including, but not limited to, those related to [commercial](#) property management, insurance, software, technology, and communications systems for a fee. If you voluntarily elect to use an optional service or product, you will pay us, our Related Party or any Approved Supplier any fees and costs associated with such service or product.

6.4.2 Essential Services and Products. If we advise you through written notice that a service or product is an essential element of the System, as we may determine, and accordingly must be utilized, you will, at your sole expense: (i) obtain all necessary equipment, technology, services or products which we advise you are necessary to use the essential service or product; and (ii) begin using such essential service or product within ninety (90) days after your receipt of the written notice.

7.1.1 Except as described in Section 7.1.3 you will pay us a continuing “Royalty Fee” equal to (i) 6% of the aggregate Gross Revenue for all of your Offices up to \$1,000,000 per calendar year for which payments were timely made (excluding Gross Revenue related to Commercial Property Management),

plus, (ii) 3% of the aggregate Gross Revenue for all of your Offices in excess of \$1,000,000 per calendar year during the Term of this Agreement. If this Agreement expires or terminates after the Effective Date, the Royalty Fee will remain payable on all transactions or contracts made before the expiration or termination date. A Royalty Fee is due on any transaction made using the Marks. For each real estate transaction that occurs on or after the Opening Date, you must report the transaction on the date of settlement (closing) and pay a Royalty Fee by ePay (or other method we may designate) at the time the Gross Revenue is received or receivable by you. Royalty Fees are also due for all transactions and sales contracts entered into before the Expiration Date or the date this Agreement is terminated.

- 7.1.2** Royalty Fee and Commercial Marketing Contributions (as defined in Section 8 below) shall not be due on any “Pending Transactions.” Pending Transactions are those that are evidenced by a binding agreement between the parties and have been submitted to escrow for closing prior to the Opening Date.
- 7.1.3** You will pay us a continuing fee equal to 1.5% of Gross Revenue from Commercial Property Management Services (“Property Management Fee”). You must report and pay us the Property Management Fee by ePay (or other method we designate) at the time Gross Revenue from Commercial Property Management Services is received or receivable by you. You will maintain separate Commercial Property Management Services files, records and bookkeeping.
- 7.1.4** Royalty Fees and Property Management Fees are due and payable in U.S. currency.
- 7.1.5** **Personal Transactions.** In addition to Royalty Fees due on all third-party transactions, you will pay a Royalty Fee on personal real estate transactions involving you, your Owners and your Related Parties (“Personal Transactions”) (whether or not a commission was paid on the transaction), except that we will waive Royalty Fees on three (3) Personal Transactions per calendar year if (a) you did not collect a commission or fee on the Personal Transaction, and (b) submit documentation that we may require to confirm eligibility for the waiver. Except as may be set forth in the P&P Manual, for any other transactions on which you do not charge a commission- you will pay a Royalty Fee based on your regularly charged brokerage commission or fee.
- 7.1.6** If the Marks are used in any transaction involving real property excluded from the Royalty Fee under Section 4.2 (Excluded Business), receivables from that transaction will be included in your Gross Revenue.
- 7.1.7** We reserve the right to charge a Minimum Annual Royalty Fee for new Branch Offices opened in certain markets, which fee will vary based upon the market and specific circumstances. Such fee will be payable by January 10th of the following calendar year, but only if your Royalty Fee payments for the calendar year are less than the Minimum Annual Royalty Fee.

8.0 COMMERCIAL MARKETING FUND CONTRIBUTION:

8.1 Commercial Marketing Fund Contribution. You will pay us each month during the Term by ePay (or other method we designate) a Commercial Marketing Fund (“CMF”) contribution equal to 2% of your Gross Revenue, subject to the terms of the minimum and maximum monthly CMF contributions described in Section 8.2 and the terms of this Section 8.0. You must pay the CMF contribution for each month within twenty (20) days after being invoiced.

8.2 Minimum Monthly Contribution. For each Office, your monthly CMF contribution will be subject to minimum and maximum requirements. As of January 1, ~~2023~~2024, minimum and maximum monthly CMF contributions for each Office are ~~\$582-587~~ and \$1,64430, respectively. Minimum and maximum monthly CMF contribution levels may be increased under Section 12.1 and may be changed between the Effective Date and the Opening Date. If you open a Future Branch Office, the minimum and maximum monthly CMF contributions for each Future Branch Office will be the minimum and maximum monthly contribution as published in our then-current Franchise Disclosure Document and will be contained in the Branch Office Location Addendum. If we determine the current required maximum and minimum CMF contributions are greater than necessary to effectively conduct the advertising, public relations and/or promotional campaigns of the CMF, we have the right to reduce the maximum and minimum CMF contributions as we deem appropriate. We have the right, with at least thirty (30) days' notice to you, to restore the maximum and minimum CMF contributions.

8.3 Use and Management of the CMF.

8.3.1 The CMF is not held in trust and we do not manage it in a fiduciary capacity. The CMF is a contractually generated fund. We may deposit CMF contributions with our other monies but will separately and distinctly identify and account for CMF contributions on our books and records. We use the CMF for the development, implementation, production, placement, payment and costs of national and regional marketing (as defined by us) advertising, marketing, promotions, public relations and/or other programs, which may include direct mail (and email), market research, social media, customer surveys and test marketing to promote and further the recognition of the Marks, the System and franchisees generally. The CMF may also be used for other purposes such as website development, [including marketing offerings in the Productivity Suite](#), marketing products for broker and agent use, ~~online marketing~~hosting and maintenance for the brand consumer website and accompanying consumer websites and blogs and the System intranet site, search engine marketing and search engine optimization, customer service support, real estate listing enhancement costs and subsidies, listing distribution arrangements, regional and national COLDWELL BANKER COMMERCIAL[®] system events and related activities, social media development and [learning education](#), awards, ~~lead~~ management system development, maintenance and updates, lead generation, customer loyalty programs, marketing related to agent or broker productivity or other learning resources, system communications, identity standards and website compliance, brand extension development and marketing, talent attraction initiatives, resources and marketing, software development and distribution and other related activities in support of the COLDWELL BANKER COMMERCIAL[®] brand and the COLDWELL BANKER COMMERCIAL[®] system.

The CMF compensates us or our Related Parties for out-of-pocket costs on behalf of the CMF, for marketing staff compensation and a [proportionate share of the compensation for](#) ~~of~~ our senior management ~~compensation~~[who devote time and render services for advertising, marketing and promotion or the administration of the CMF, including through a dedicated team under Anywhere Brands or our Related Parties](#). It also compensates us and our Related Parties for reasonable expenses incurred for rent, overhead, accounting, collection, reporting, technology system support, marketing product development, legal, human resources, finance, operations, management and other services, which we or our Related Parties provide to, or which relate to the administration of or services provided to, the CMF and its programs (collectively "Corporate Services"). We and our Related Parties may provide certain products and/or services to the CMF, including the Corporate Services outlined above, which would otherwise be provided by unaffiliated third parties. Any products and/or services provided by us or our Related Parties will be provided at a

cost comparable to those costs that the CMF would otherwise incur if the products or services were obtained from unaffiliated third parties.

- 8.3.2** We are not required to use or allocate CMF contributions on a proportional basis with the contributions collected from any geographic area or to benefit any particular franchisee or group of franchisees. We are not obligated to use CMF contributions in the year we receive them. If we spend less of the CMF in any year than we collect, the excess contributions will be accumulated for use in future years. The CMF may borrow from us or other lenders to cover deficits of the CMF or invest any of its surplus for future use. In the event that CMF contributions made by any of our Related Parties in any calendar year exceed the total amount required to be contributed during such calendar year, such Related Parties will have the right to be reimbursed to the extent of such excess contributions from any amounts subsequently contributed to the CMF or to use such excess as a credit against future contributions that may become due.
- 8.3.3** On your written request, we will provide you with a financial [report-statement](#) of the CMF showing the total CMF contributions collected and disbursed for the previous year, certified to be true and correct by one of our authorized officers. We are not required to cause the CMF to be audited or reviewed by an independent certified public accounting firm. The report is typically available after April 30th of the following year.
- 8.3.4** Except as provided in this Section, we assume no direct or indirect liability or obligation to you with respect to the CMF's maintenance, direction or administration of the CMF.
- 8.3.5** We will not be liable for any act or omission with respect to the CMF that is consistent with this Agreement or done in good faith.

10.0 MANAGEMENT AND GOODWILL:

10.1 Management. You and your Owners will actively manage and supervise the Business's operation in a competent and professional manner. Any education, support, advice or resources we provide to you in connection with the Business is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Business, and not for the purpose of controlling or in any way exercising or exerting control over your decisions or the day-to-day operation of the Business.

10.2 P&P Manual. We will provide you with access to the P&P Manual on our intranet site. The P&P Manual contains various suggestions as well as certain mandatory specifications, standards and operating procedures that we have developed as part of the System. You acknowledge that the mandatory provisions of the P&P Manual are designed to protect our standards and systems, our Marks and the goodwill associated with the System, and not to control the day-to-day operation of the Business. You must comply with all mandatory provisions in the P&P Manual and ensure compliance with such mandatory provisions by your brokers, independent sales associates, employees, Responsible Broker and Related Parties for the protection of the COLDWELL BANKER COMMERCIAL brand and System.

We reserve the right to make reasonable changes in the P&P Manual that we determine are appropriate in our Reasonable Business Judgment for the continued success and development of the System and its franchisees.

In connection with any consumer complaints that we receive from your clients regarding the Business, you will cooperate and respond to any inquiry from us and provide us with all information reasonably related to any such complaints. You will not make or publish any statement or advertisement which would reasonably be expected to demean the image, value, identity, reputation or goodwill associated with our name or the

No restriction on any check or in any communications accompanying payment will bind us or our Related Parties. Our acceptance of any payment will not constitute an accord or satisfaction and will not be construed as a waiver of any breach of this Agreement. You may not withhold payment of any fee or amount due based on alleged non-performance or breach of our or our Related Parties' obligations under this Agreement or other agreement, including for the sale of products or services to you.

You must replace any such check with a certified or cashier's check, money order or electronic transfer of funds within three (3) days of notification.

11.6 Net Worth and Working Capital. You acknowledge that a material consideration for us in granting you rights under this Agreement is your representation that you and your Owner(s) are financially responsible and have both (A) a net worth in tangible assets in excess of \$250,000 (which may include certain retirement accounts), not including (i) the value of any interest in this Agreement (or Notes provided to you from Anywhere in conjunction with this Agreement) or (ii) any of the Company's working capital (defined as total current assets less total current liabilities, all prepared in accordance with generally accepted accounting principles); and (B) liquid assets (cash or securities that can be easily converted into cash) of at least \$175,000. You agree and warrant that you will maintain the minimum net worth and liquid assets requirements through the Term. You further agree that maintaining these requirements and remaining in financial good standing with us and your creditors is critical to the protection of our Goodwill and Marks. If the net worth requirement is not met at any time, you must procure a guarantor acceptable to us to the extent of the deficiency, which guarantor will not only guarantee your performance under this Agreement, but also your duties to your clients and to the public.

11.7 Listing and Pending Listing Inventory. You will provide, within fifteen (15) days of the Effective Date, and thereafter maintain with us, a complete and current inventory of all listings, pending or otherwise, of your Business, in our required format, except as otherwise required by Section 7.1.2 as it relates to Pending Transactions. You will use best efforts to ensure that all listing inventory and transaction information, pictures, media and other listing content (collectively "Listing Content") are true and accurate. You will procure the permission of the property's owner(s) to depict the property in Listing Content for Permitted Purposes as defined below. To the extent you own any copyright to any Listing Content you supply to us (including those used in listings on our website), you irrevocably consent to our royalty free use of the Listing Content or any portion thereof for any purpose (including purposes beyond selling the property, such as to promote our brand and our business generally), and in any manner or medium now known or developed in the future, which may include use of your Listing Content or portions thereof on consumer facing websites, and our sublicensing of your Listing Content to Related Parties and third parties, like listing portal aggregators or services, whether web-based or otherwise, as we deem appropriate in our Reasonable Business Judgment (collectively "Permitted Purposes"). You may elect to opt out of us providing your Listing Content to third parties by providing express prior written notice to us. To the extent you provide Listing Content with copyrights owned by third parties (including, but not limited to, agents, photographers and videographers), you will procure all necessary rights and licenses to authorize our use for Permitted Purposes, and you will furnish proof of same if requested. You agree that if you do not furnish proof of the foregoing rights and licenses that is satisfactory in our Reasonable Business Judgment, we have the right to refuse to use the Listing Content. You agree to indemnify and hold us harmless against any third-party claims that our use infringes such third party's rights or as to any claims relating to Listing Content.

12.0 FEE INCREASES:

12.1 Annual Increases. On January 1st, each year, we have the right to, increase the minimum and maximum CMF contributions. No percentage increase in fee will exceed the greater of (i) the percentage increase of the Consumer Price Index for all Urban Consumers, U.S. City Average (1967=100) (“CPI”) during the period between November of the applicable base year of such particular fee and the November immediately before the date of the proposed fee increase, plus 3%, (ii) the yield to maturity on United States Treasury Bonds (as listed in The Wall Street Journal or such other source as we deem reliable) maturing approximately ten (10) years after November 1st in the year before the date of the proposed fee increase, plus 3%, or (iii) the U.S. Average Existing Single Family Home Sales Price annual increase, not seasonally adjusted, yearly percent change, as quoted in the July National Association of Realtors® Press release or any other nationally recognized source of housing price data, at our discretion, plus 3%. We may round to the nearest dollar any fee increase. Each fee’s base year is defined for CPI purposes as the calendar year immediately before the year in which we last raised the fee. Any fee increase (e.g., minimum CMF contribution) does not change the applicable base year for any other fee not increased at that time.

12.2 Other Fee Increases. We have the right to impose, eliminate or modify fees, including, learning fees, fees to participate in programs or services, administrative fees, referral fees, late charges, returned check charges, cancelled audit and access fees, which revisions are not subject to the limitations of Section 12.1.

13.0 RECORDKEEPING; AUDIT:

13.1 Recordkeeping, Financial Statements and Audit.

13.1.1 Recordkeeping. During the Term and for three (3) years after the expiration or termination of the Term, you must maintain accurate records in the form we require. You must transmit information to us in the manner and format we require.

13.1.2 Financial Statements. Upon our request, you will provide us a detailed balance sheet and profit and loss statement. You will submit any additional information we require in the P&P Manual or otherwise. You will also supply a complete financial statement and a copy of your [federal tax returns](#) on an annual basis within one hundred twenty (120) days of your fiscal year-end. You, your authorized officer, or a general partner, if applicable, or your independent accountant will sign the financial statement certifying its truth and accuracy. Financial statements must be prepared in accordance with generally accepted accounting principles.

13.1.3 Audit. You must allow us or our designee(s) to audit your operations, including your financial record retention systems, or to obtain information from other sources, including the local Multiple Listing Service, to verify Royalty Fees, CMF contributions and other fees due to us. You must immediately pay us any fees that the audit reveals were due during the audit period but not paid, plus interest at Prime plus 2%. If you fail to cooperate on a timely basis, fail to keep readily auditable records, cancel or reschedule the audit, or if the audit exposes a deficiency of 5% or more in amounts due for any consecutive three-month period, you must also pay all of our audit costs plus fees past due, interest, late charges and costs, and the deficiency will constitute a material breach of this Agreement. You must dispute any audit findings in writing and identify the bases for any dispute in accordance with the P&P Manual and Section 13.7. Any audit or inspection we conduct is solely for determining your compliance with contractual obligations and does not constitute control over your day-to-day operation of the Business.

13.2 Access to Records. We, or our designee, have the right during the Term and for three (3) years following termination of the Agreement, to visit your Office (or such other place where your records are located) and/or to conduct remotely, during normal business hours, and without hindrance or delay, proceed:

13.2.1 to inspect, audit, check and make copies of your books, records (including ~~state and federal~~ tax returns), journals, orders, receipts, any correspondence and other data relating to your Business or to any transactions, including the books and records of any Related Party or Excluded Business if we have reason to believe that (i) its funds were commingled with the Business; or (ii) it was operated in violation of Section 4.2;

13.2.2 to verify any portion of your records or your Business or any Excluded Business as we may deem reasonable under the circumstances, including prompt response to any post-audit request for additional information; and

13.2.3 to discuss your records and the Business or any Excluded Business with any officers, directors and employees responsible for maintaining the records, or with your Responsible Broker.

13.3 Condition of Transfer of the Franchise. We may require an audit of the operations of the Business at any time, including as a condition of our approval of any Transfer of the Franchise.

13.4 Sales Associate Information. You will provide us information about your independent sales associates and teams and assist us in any survey of your independent sales associates and teams. Independent sales associate and team information will be updated promptly; all independent sales associate and team information will be current as of the end of each calendar quarter. We may require you to report detailed information on teams and team income, from time to time.

13.5 Other Matters relating to Information. We expressly agree to keep confidential any financial statements you submit under the Agreement, provided that our confidentiality obligations do not extend to information that (a) is or becomes generally available to the public; (b) was in our possession before it was furnished; (c) is or becomes available to us from a source that is not prohibited from disclosing such information by any confidentiality obligation; or (d) is independently developed by us. This restriction shall not apply if we (or any of our Related Parties) are required under a court or government agency order or applicable law to disclose any non-public information we received. Other than financial statements, no information supplied to us will be considered confidential, including the Client Information (as defined in Section 16.7.3). We have the right to use any information you supply, including Client Information; (i) for our own business purposes, including displaying franchisee performance awards, (ii) to disclose information as may be required by law and governmental authority, (iii) to disclose information to our Related Parties and third parties in connection with the system and offering products and services, and (iv) to aggregate your information with other franchisee information and disclose aggregated information or anonymized information as we deem appropriate. You will provide us and/or cooperate with us in collecting other information as we may reasonably request, including information for research and development of services, products and programs, identification of demographic information, industry reports and preparation of our Disclosure Document.

13.6 Cooperation. You must cooperate in scheduling any required audit and providing access to records, which must be maintained and presented in reasonable order to allow the audit to be conducted in a reasonable time. You acknowledge that all communications regarding the audit including, but not limited to, audit results may be communicated electronically unless you otherwise expressly indicate otherwise to the auditor.

13.7 Waiver. Your failure, refusal or neglect to dispute fees or contributions that an audit reveals you owe, including any fees, costs and penalties assessed with an audit, constitutes a waiver of any right to challenge such fees, unless you provide us written notice of your dispute, along with an explanation of the basis for your dispute, within thirty (30) days of the date we deliver the audit results to you in writing.

14.0 MODIFICATION OF THE SYSTEM; IMPROVEMENTS:

14.1 Agreement to Accept Modifications. We have the right to change or add to the Marks or the System, including the adoption of new or modified trade names, trademarks, trade dress, service marks, copyrighted materials, new products or services, new equipment, new business methods or new techniques from time to time, without your consent. We have the right to modify, suspend or eliminate any new or existing portion of the System or the Marks. Changes related to the Marks or System will be communicated to you and reflected in the P&P Manual. You will accept, use and display changes in the System and will make such expenditures as may be required to implement the changes.

14.2 Improvements by You. If you conceive or develop any improvements or additions to the System, new trade names, trademarks, service marks or other commercial symbols related to the System or any advertising or promotion ideas related to the System (“Improvements”), you will fully disclose the Improvements to us and obtain our written approval prior to use. Any Improvements we approve will be deemed licensed to us on a royalty-free, paid-up, perpetual worldwide license and may be used by us and our franchisees without paying to you royalties or similar fees. We have the right to apply for and own copyrights, trade names, trademarks and service marks relating to Improvements. Improvements will be our property and trade secret. We will authorize you to use Improvements authorized for use by other franchisees.

15.0 OWNERSHIP CHANGES AND TRANSFERS OF THE FRANCHISE:

15.1 Ownership Changes. We must first approve in writing any proposed ownership change to transfer 25% or more of the Franchisee ownership rights. If an ownership change results in a Transfer of the Franchise, the provisions set forth in this Section 15 apply. You will ensure all new Owners comply with Section 22.11 and any proposed ownership change to potential new Owner who does not comply with Section 22.11 will be automatically void and of no further force and effect. The parties agree that there will be no fees charged in the event that an Owner transfers any or all of his/her/its respective equity in Franchisee to another Owner. Such a transfer will require our written notice, but will not require our advance written approval, provided that the transfer is otherwise completed in accordance with the terms of the Agreement and you are in compliance with the Agreement on the date of transfer. Notwithstanding anything to the contrary contained in the Agreement, our right of first refusal will not apply to any such transfer.

15.2 No Transfer or Assignment. You acknowledge that your rights and obligations under this Agreement are personal to you and we have granted this franchise in reliance on many factors, including your (and your Owners’) character, skill, knowledge, business and financial capacity. You may not assign your rights or delegate your duties under this Agreement, except as permitted by this Agreement or required by law.

15.3 Limited Assignment Right for Sole Proprietorships or Partnerships. If you are a sole proprietorship or partnership, we expressly consent to the assignment of this Agreement, without payment of a fee, to an entity owned and controlled by the same Owners, provided that the Owners execute an assignment agreement and guaranty of the assignee’s obligations to us. You must notify us in writing of

any proposed assignment under this Section and must provide and/or sign all documents we request including assignment documents, Articles of Incorporation or Organization and Bylaws.

15.4 Transfer of the Franchise – Definition. “Transfer of the Franchise” will mean any transaction or series of transactions that results in: (i) the sale or transfer of substantially all of the Business’s assets, (ii) the majority Owner(s) before the transaction(s) holding less than 51% equity interest in you or the Business’s assets, (iii) another entity becoming the franchisee; or (v) the Owner(s) no longer controlling or managing the Business. The Transfer of the Franchise may include transfers resulting from a divorce, death, insolvency, dissolution, declaration of or transfer in trust, or a foreclosure on the Business assets. If any Owners are entities, a Transfer of the Franchise will be deemed to occur if such Owner entity experiences any of these events or transactions.

15.5 Operational Control – Trust. In the event a trust is an Owner of Franchisee: (a) Prior to the Opening Date, Owner shall provide Franchisor with copies of all trust instruments and all documents establishing that the trustee(s) have legal authority to enter into this Agreement on behalf of the Owner/trust and bind the Owner/trust to the terms of this Agreement; (b) after the Opening Date, Owner shall provide Franchisor with copies of any amendment(s) to the trust instruments within seven (7) days of the entry of such amendment(s); (c) Guarantor(s) shall, at all times, directly (i) control all aspects of Franchisee and the operation of the Business; and (ii) serve as trustee(s) of the trust and retain sole control over the voting of the trust’s equity interest in Franchisee. Franchisee acknowledges and agrees that: (x) if the Guarantor(s) do not maintain operational control of the entire Business, Franchisee and the trust, such an event will constitute a transfer as described in Section 15.4 of this Agreement; and (y) Franchisee must comply with all applicable provisions of this Section 15. Franchisee further acknowledges and agrees that if the Guarantor(s) desires to turn over operational control of the Franchisee, the trust or the Franchise to one or more trust beneficiaries, such beneficiaries must satisfy all conditions of approval described in Section 15.7 of this Agreement. Nothing contained herein is or should be deemed to constitute our consent or acquiescence to any transfer as described in Section 15.4 of this Agreement.

15.6 Prohibited Assignments or Transfers of the Franchise. You may not complete a Transfer of the Franchise without our prior written approval, which will be subject to our Reasonable Business Judgment. Failure to obtain our approval will be a material breach of this Agreement. Any attempted Transfer of the Franchise not expressly permitted by this Agreement or approved by us will be null and void, and you will remain liable for all obligations under this Agreement. After a Transfer of the Franchise, you will be liable for events that occurred before the Transfer of the Franchise and for all obligations that survive termination of this Agreement, including your indemnification obligations for any claims arising before the Transfer of the Franchise. If you complete a Transfer of the Franchise in violation of this Section, our continued performance and acceptance of payments do not waive our rights.

15.7 Approval of Transfer of the Franchise; Prerequisites. Provided you are not in default under the terms of the Agreement, we will consider your application for the Transfer of the Franchise to a new Owner or franchisee (“Transferee”), if you provide us thirty (30) business days’ advance written notice of any proposed Transfer of the Franchise. The Transferee must submit any documents we reasonably require to approve the Transfer of the Franchise. Our approval will be based on our consideration of various factors that include: (i) Transferee is a licensed real estate broker and arranges for adequate management of the Business to our satisfaction, (ii) Transferee’s franchise application (and supporting documents), (iii) Transferee’s or prospective owner’s business experience, character, reputation and financial condition (including credit checks and financial statements), (iv) proposed transfer documents and/or any new entity organizational documents, (v) unless prohibited by law, the Transferee’s execution of the then-current form of franchise agreement and new Owners’ execution of the then-current form of guaranty, (vi) payment

and/or assumption of any outstanding indebtedness you owe us, (vii) payment of a \$5,000 transfer fee, (viii) execution by you and any departing Owners of a release of all claims against us and our Related Parties, (ix) an audit of your operations, and (x) your purchase of tail coverage on your errors and omissions insurance policy naming us as an additional insured. In connection with any proposed Transfer of the Franchise, we may also consider the financial impact that a Transfer of the Franchise to an existing franchisee may have on us, including a decrease in the net effective Royalty Fee rate paid to us. We may require adjustments to the Agreement to account for or eliminate any financial impact to us as a condition of our approval.

15.8 Right of First Refusal. If you and/or any of your Owners intend to Transfer the Franchise for valuable consideration, you must obtain a bona fide, signed, written offer from the potential purchaser and deliver a complete and accurate copy of the offer immediately to us. If the offeror proposes to buy any other tangible or intangible assets that do not relate to or are not used by or in the Business, the proposal for such assets or rights must be contained in a separate offer that is disclosed to us, but to which this right of first refusal is not applicable. The purchase price and terms for the Transfer of the Franchise will reflect the bona fide offered price and not reflect any value for any other assets.

15.8.1 Within thirty (30) days after you deliver a complete and accurate copy of the offer to us, we or our designee will have the option, exercisable by written notice to you, to purchase the interest that is the subject of the offer, for the price and on the terms in the offer, provided, however, that (a) we may substitute cash for any in-kind payment proposed in the offer, (b) our credit will be deemed equal to the proposed purchaser's credit, and (c) we will have no more than one hundred twenty (120) days from the option exercise date to consummate the transaction. You will promptly respond to all our reasonable due diligence requests. Terms and conditions for the purchase will be as similar as practicable to the offer's terms and conditions, subject to the exceptions above. If we exercise our option within the requisite thirty (30)-day period, you shall be prohibited from offering the Business for sale, or selling the Business, to any potential purchaser other than us until the earlier of (i) our notification to you of our determination, based on our diligence, to not move forward with acquiring the Business or (ii) our failure (due to no fault on your part) to consummate the transaction within one hundred twenty (120) days from the option exercise date.

15.8.2 Unless expressly limited in the third-party offer, we have the right to purchase the interest subject to all customary representations and warranties, closing documents, releases and indemnities as we reasonably may require, including representations and warranties as to the ownership and condition of, and title to, shares of ownership and/or assets, the validity and status of contracts and leases and the extent of any liabilities, contingent or otherwise. We also will have the option to acquire from you, for nominal consideration, an assignment of your leasehold rights for the Office premises.

15.8.3 If we do not exercise our purchase option, you or your Owners may complete the sale to the offeror on the offer's exact terms, subject to our approval of the Transfer of the Franchise, provided that if there is a material change in the offer's terms, we will have an additional option to purchase during the thirty (30)-day period after your notice to us of a material change in the offer's terms.

15.8.4 If the proposed Transfer of the Franchise is not supported by valuable consideration (e.g. gift, testamentary transfer or involves the transfer of ownership to an immediate family member of an Owner, or reorganization of your entity without any change in the Owners), we have no right of first refusal. We have the right to approve the new Owner under Section 15.6.

15.9 Orientation. The Transferee must attend the Orientation seminar described in Section 6.

15.10 Assignment by us. We may assign, transfer, delegate or subcontract all or any part of our rights and duties under this Agreement, including by operation of law, without notice and without your consent. You are not the third-party beneficiary of any of our contracts with third parties, including vendors or other franchisees. We will have no obligations to you after you are notified that a transferee has assumed our obligations under this Agreement except those that arose before we assign this Agreement.

16.0 EXPIRATION AND TERMINATION:

16.1 Non-Renewability of Agreement. NEITHER PARTY HAS RENEWAL RIGHTS. The tender or acceptance of your payments after expiration of this Agreement will neither prejudice our rights to enforce the expiration or your obligations on expiration, nor create any additional rights in your favor under this Agreement.

16.1.1 Transition. If this Agreement terminates or expires, we have the right to communicate directly with your independent sales associates in order to facilitate an orderly and efficient transition, preserve the goodwill of the System and the Marks, and to determine their interest in affiliating with another franchisee. We can communicate directly with your independent sales associates immediately after notice of termination is delivered, or in the case of expiration, within six (6) months prior to the expiration date and any time thereafter.

16.1.2 Holding Over. If you or an Owner uses the Marks after the expiration of this Agreement, you will be deemed to be operating on a month-to-month basis (“Holdover Period”). During any Holdover Period, all of your obligations will remain in full force and effect, as if this Agreement had not expired, and all obligations imposed on you upon expiration of this Agreement will take effect upon termination of the Holdover Period, provided, however, the Royalty Fee due during the Holdover Period will be an amount equal to twice the Royalty Fee otherwise due under Section 7.1. The month-to-month extension may be terminated by Franchisor, in its sole discretion, upon ten (10) days written notice to Franchisee. Additionally, we may consider you in default of this Agreement and may exercise all remedies available to us, including our pre-termination options set forth in Section 16.3, which includes suspension of services, or termination.

16.2 Termination. This Agreement may be terminated only on the terms and conditions established in this Section.

16.2.1 Mutual Consent. By mutual consent of the parties;

16.2.2 Termination by us for Good Cause. By us for good cause which means your material breach of any obligations under this Agreement as we may determine in our Reasonable Business Judgment or as stated in this Agreement. Good cause includes both curable and non-curable defaults and the failure to meet the Minimum Office Design and Appearance Standards or Minimum Operating Standards.

16.2.3 Curable Defaults; Notice. After giving you written notice and thirty (30) days to cure identified defaults (except for cure periods established elsewhere in this Agreement and any longer periods required by applicable states law), we may terminate this Agreement for the following uncured defaults:

16.2.3.1 Your failure to timely and consistently report transaction or to pay when due any financial obligation to us or to the CMF;

16.2.3.2 Your underreporting and/or underpayment of at least 5% of Royalty Fees, Property Management Fees and/or CMF contributions within any three (3) month period, your refusal to permit us to audit your operations and records, or your failure to reasonably cooperate with an audit;

16.2.3.3 Your Transfer of the Franchise without our prior approval or on the death, judicial determination of incompetence, or the appointment of a conservator or guardian over you or an Owner, the failure to seek our written approval for Transfer of the Franchise within one hundred eighty (180) days after such event;

16.2.3.4 Your attempt to subfranchise, license or grant to any other person or entity the right to use the Marks or the System licensed to you under this Agreement;

16.2.3.5 Your or an Owner's failure to comply with all applicable municipal, county, state or federal laws;

16.2.3.6 The operation of any other business within the Office(s), except as permitted under this Agreement;

16.2.3.7 Your failure to properly display and use our Marks as described in the P&P Manual;

16.2.3.8~~16.2.3.8~~—Your failure to begin operation using the Marks and System on the Opening Date.

16.2.3.9 The creation of a security interest in this Agreement or the assets of the Business without our prior written consent; or

16.2.3.10 Any other material breach of this Agreement not listed above or listed below as a noncurable default.

16.2.4 Noncurable Defaults; No Notice Required. We may terminate this Agreement immediately without prior notice or an opportunity to cure, if any of the following defaults occurs:

16.2.4.1 Suspension or revocation of your Responsible Broker's license, unless you timely appoint a substitute Responsible Broker as permitted under applicable law and such suspension or revocation does not otherwise breach this Agreement;

16.2.4.2 Any conduct by you or an Owner that materially impairs the image, identity, value or goodwill associated with the Marks or the System;

16.2.4.3 The filing or imposition of any bankruptcy, receivership, composition, assignment, marshaling, insolvency or similar proceeding for the benefit of creditors related to you or your assets, provided that termination on bankruptcy may not be enforceable under the Bankruptcy Code;

16.2.4.4 Any default for which we have issued you a notice of default during the last twelve (12) months advising you of our intent to terminate for the same cause, even if the default(s) were cured;

16.2.4.5 Any material misrepresentation or omission by you, an Owner or guarantor to us in the franchise application or otherwise with respect to the Business;

16.2.4.6 The operation of a competing commercial brokerage business in violation of the in-term non-competition covenant; or

16.2.4.7 Abandonment of your Office(s), demonstrated by (i) the failure to commence operation of any Office as required under the Agreement and any related Addenda, (ii) removal of the Marks, or (iii) failure to operate the Business for five (5) consecutive business days or any shorter period when, under the facts and circumstances, it would be reasonable for us to conclude that you do not intend to continue to operate the Business, unless the cause is a force majeure, e.g., flood, earthquake or similar acts of God. If any of the above circumstances apply to some, but not all of your Offices, we may, in our Reasonable Business Judgment, terminate the license to operate at the abandoned Offices, rather than terminate the Agreement.

16.2.5 Termination upon Death/Disability of Majority Owners. If a majority Owner dies or becomes physically or mentally disabled (corroborated by written evidence from a treating physician) and you elect to wind up the Business and distribute all of the Business's assets to the Owners (as opposed to transferring the assets to a third party), you may terminate the Agreement, without penalty, if the following conditions are satisfied:

- (a) You provide us at least ninety (90) days prior written notice of your intent to terminate;
- (b) At the time of the notice, the deceased or disabled majority Owner owns at least 51% of the equity interest in you or the Business's assets and manages your day-to-day operations;
- (c) You are not in default on the date that the notice is delivered or on the date of termination ("Termination Date");
- (d) You provide any documents we request demonstrating your dissolution;
- (e) Before the Termination Date, you pay any outstanding indebtedness you owe us including, but not limited to, Royalty Fees, advertising fund contributions and all amounts not previously paid and/or forgiven under any existing promissory notes (or any other instrument of indebtedness);
- (f) You and each remaining Owner agree that they will not own or operate any real estate brokerage within two miles of any authorized Office for a period ending the earlier of (i) the Expiration Date, or (ii) two years after the Termination Date; and
- (g) You enter into a written termination agreement. We will not be entitled to recover any liquidated damages under the Agreement if you comply with this Section and perform the post-termination obligations within ten (10) days after the Termination Date.

16.2.6 Failure to Meet Minimum Office Design and Appearance Standards. You acknowledge and recognize that all Offices must meet certain required minimum standards of professionalism for size, interior design and decor, exterior attractiveness, general appearance and cleanliness. The standards are listed in the P&P Manual. If your Office(s) fail to meet these standards, we will notify you in writing and describe the deficiencies, and you will be given ninety (90) days to correct

them. If such deficiencies are not corrected to our satisfaction within ninety (90) days, we may, at our option, terminate this Agreement.

16.2.7 Minimum Operating Standards. Commencing with the first full calendar month beginning six (6) months after the Effective Date of this Agreement, in the event Gross Revenues for performance of your Business falls below minimum Quarterly Gross Revenues of \$125,000 calculated on the calendar Quarter commencing January 1st, April 1st, July 1st, and October 1st of each year, (“Minimum Standards”), you will be notified in writing of your deficiency and at our option, you may be placed on probation for a period not less than three (3) months nor more than six (6) months. During the probationary period, you will pay us a minimum quarterly fee for “Commercial Franchised Services” of \$7,500. If such deficiency in Gross Revenues is not corrected within said probationary period, we have the right to terminate this Agreement. The Minimum Standards threshold may be increased, without notice, on January 1st of each year by an amount not to exceed 20% of the prior year’s threshold.

16.3 Our Pre-Termination Options. If you fail to pay any amount owed under this Agreement or fail to comply with any term of this Agreement or the P&P Manual, in addition to our right to terminate this Agreement (subject to applicable notice and cure periods), or to bring a claim for damages, we have the following pre-termination options as we deem necessary, each of which may be exercised without providing notice or opportunity to cure:

16.3.1 To suspend all services provided to you under this Agreement or otherwise, including education, marketing assistance, sale of products and supplies, leads from website, technology tools, intranet portal, and award(s) eligibility for you and the independent sales associates affiliated with you;

16.3.2 To suspend taking or placing referrals, leads or relocation requests, for or from you from www.cbcworldwide.com and to direct any inquiries regarding these or other programs or services to other franchisees;

16.3.3 To eliminate listing you and/or publishing your real estate listings in any advertising, marketing or promotional materials, including on our principal website and third-party websites to which we may direct listing information.

We may continue taking these actions until you comply with our requirements and we acknowledge your compliance in writing. The options in this Section will have no effect on, and will not release you from, any obligation you owe to us, our Related Parties or to the CMF. Your right to cure does not restrict our right to file any legal action or exercise any of our pre-termination options before, during or after the cure period.

16.4 Effect of Expiration or Termination. On expiration or termination, you must immediately, at your expense, return to us all of our property, including originals and copies of the P&P Manual, technology products (including copies that your independent sales associates hold or control), and all films, DVDs, CDs, flash drives, materials and instruction manuals, electronic or otherwise, which are part of our programs or destroy the same and certify the destruction. You must also immediately discontinue all use of the Marks in your materials. You must, at your expense, immediately discontinue use of and destroy all signs displaying our unique style, logo, colors, color patterns and designs and/or Marks. If you fail to immediately de-identify your Business, you must pay all expenses we incur to de-identify your Business. Effective on the date of termination or expiration, you must refrain from any representation that you are our franchisee or are or have been affiliated with us and take affirmative action to remove any use of the Marks in connection with your business. You must de-identify your business from the System in a manner that does not confuse the public about the fact that

you are no longer part of the System. You must (i) immediately advise all of your then-current Clients that you are no longer associated with us; and (ii) immediately cause any business or telephone directory publisher and internet directories to remove you from their listings as our franchisee. You must immediately cause any web masters or websites to remove our Marks from their web pages, including social media websites. You must remove the Marks from your website(s) and social media sites and accounts that you or your independent sales associates' control. You must remove our Marks from any source code or other mechanism that direct(s) a consumer searching for our Marks to your website. If your URL contains our Marks, you must cancel such URL registrations for the Business or, at our option, assign your URL(s) to us. You must cause all independent sales associates to cancel all URLs containing our Marks that they may have established in violation of this Agreement.

16.5 Effect of Continued Use of the Marks. On expiration or termination, any continued use of the Marks by you, the Business or any of your independent sales associates: (i) will constitute willful and knowing infringement, dilution of our trademark rights and unfair competition; and (ii) may constitute trafficking in a counterfeit mark for which both civil remedies and criminal penalties may be imposed.

16.6 Infringement Damages. If we bring an action against you or anyone associated with you during or after the Term, seeking to halt infringement of the Marks, you acknowledge that any court of competent jurisdiction may enter temporary restraining orders or preliminary and permanent injunctions (under applicable law) without requiring a bond or other security and may order the immediate seizure and destruction of any infringing materials. If any court rule requires a bond, you agree that a \$1,000 bond is sufficient. You must pay Royalty Fees, Property Management Fees and CMF contributions on all Gross Revenues during the period of any infringement, our attorneys' fees, costs and disbursements incurred in enforcing our trademark and contract rights. You agree that if you breach this Agreement and/or continue to utilize the System or Marks after termination or expiration, we will have no adequate remedy at law. You expressly consent and agree that we may, in addition to other available remedies, obtain an injunction and/or temporary restraining order to terminate or prevent the continuation of any existing default or violation, and to prevent any threatened default or violation, by you of this Agreement.

16.7 Surviving Obligations.

16.7.1 Except as contained in this Agreement, on expiration or termination of the Agreement, you will have no further interest or rights in this Agreement. All financial obligations, incurred before termination or expiration, will not be affected by termination or expiration and must be satisfied. You remain obligated to pay Royalty Fees, Property Management Fees, CMF contributions, and referral fees, on transactions pending at the time of expiration, termination or Transfer of the Franchise. The provisions of this Section also survive termination or expiration of this Agreement.

16.7.2 If an "early termination" of this Agreement occurs (which will mean any termination of the Agreement before the Expiration Date, other than a mutual termination under Section 16.2.1 or termination by you under Section 16.2.5), you will immediately pay us liquidated damages. The parties agree that it would be impracticable or extremely difficult to calculate the actual amount you would have been obligated to pay as Royalty Fees, Property Management Fees, CMF contributions and other fees due under the Agreement through the Expiration Date and that the following method of calculation represents a fair and reasonable estimate of our damages: Liquidated Damages will be equal to the average monthly Royalty Fees payment, Property Management Fee payment plus the average monthly CMF contribution, and any other fees under the Agreement (without regard to any fee waivers or other reductions), paid or -payable during the "Calculation Period,"; multiplied by the lesser of (i) thirty-six (36) or (ii) the number of full months

~~remaining in the Term. The Calculation Period shall be by you to us for the five (5) years period immediately preceding termination, or, if you have not been operating for a five (5) year periods, each full calendar month preceding termination through from the Opening Date of the franchise. (from the Opening Date of the Agreement through the date of early termination,) multiplied by the lesser of: (i) thirty six (36) or (ii) the actual number of months (or partial months) remaining in the original term of the Agreement.~~

16.7.3 We have the right to access and use (i) all information you provide to us as required by the P&P Manual, including, without limitation, any reporting items or categories that may later be adopted; (ii) all information you provide to us contained in your sales and transaction reports, and in such other operational reports that we request from you; and (iii) all information you provide to us regarding your customers' enrollment in any client contact program we may adopt. The information in (i), (ii) and (iii) above is referred to collectively as "the Client Information." We may use the Client Information for business purposes including, without limitation, public relations, advertising, statistical compilations, investigations and resolutions of client complaints, and quality surveys. We have the right, on termination, to use the Client Information and to make the Client Information available to other franchisees or prospective franchisees as we deem appropriate. On termination, you will be deemed to have assigned your client contact program enrollments to us to deal with as we deem appropriate.

16.8 Other Damages. Our right to collect reasonable attorneys' fees, costs of investigation, court costs and other litigation expenses incurred in enforcing our rights under this Agreement will survive termination.

17.0 INDEMNIFICATION AND INSURANCE:

17.1 Your Indemnification. You will indemnify and hold harmless us, our Related Parties, and all other franchisees from all expenses, claims, losses, damages, liabilities or actions of any kind or nature (including, but not limited to, costs and attorneys' fees) arising out of or related to the operation of the Business or an Excluded Business and any acts and omissions of you, your Owners, employees, brokers or your independent sales associates. If we are made a party to a lawsuit or other legal action or we have a claim asserted against us in connection with your (or your Related Parties') activities, regardless of whether you were named or served in the action, we may at our option, (i) tender the defense and/or prosecution of the case to you and you will be responsible for diligently pursuing the case at your expense; or (ii) hire counsel directly to protect our interests and bill you for all costs and attorneys' fees incurred, which you must promptly pay. This indemnity will apply to claims that we were negligent or failed to train, supervise or discipline you, and to claims that you, your Owners, employees, brokers or your independent sales associates are our employees, agents or part of a common enterprise with us, including claims regarding violations of labor or employment laws and regulations. Approval to do so may be revoked at any time. If you fail to maintain required insurance, we may, but are not obligated to, obtain any and all required insurance on your behalf and to charge you for the cost. You will promptly reimburse us for all our costs upon demand. We do not represent or warrant that any insurance that you are required to purchase, or which we procure on your behalf, will provide adequate coverage for you. You should consult with your own insurance agents, brokers, attorneys or other insurance advisors to determine the level of insurance protection you need and desire, including any insurance coverage it may be advisable for you to require your affiliated agents to obtain, in addition to the coverage and limits we require.

17.2.2 Carriers. All policies must be in a form and content satisfactory to us and must be issued by an insurer(s) rated A-VIII or better in Class X by Alfred M. Best and Company Inc., or comparably rated by Moody's and/or Standard and Poor's or similarly reliable rating services acceptable to us. Coverage shall be written on a primary and non-contributory basis, and any insurance carried by Franchisor shall be excess. We reserve the right to change the minimum acceptable rating requirement.

17.2.3 Additional Insureds. We, Anywhere Real Estate Inc. (f/ka/ Realogy Holdings Corp.), and their subsidiaries, successors and assigns must be named as additional insureds on all insurance policies listed and maintained by you (excluding workers compensation insurance, cyber insurance and EPLI).

If the violative provision cannot be amended to conform to law, each party expressly releases the other from any liability under the violative provision of this Agreement. To the extent any provision of this Agreement is deemed invalid or unenforceable for any reason, the remainder of this Agreement will not be adversely affected, but rather will be enforced to the greatest extent permitted by law. No waiver of any breach of this Agreement will constitute a waiver of any subsequent breach.

19.2 Disputes with Others. Each party waives the right to assert that principles of collateral estoppel or issue preclusion prevent raising any claim or defense because either party lost a similar claim or defense in another action. Any ruling by a third-party fact finder or court in any prior proceeding in which either party was involved (such party referred to as a “Litigant”) with a third party will not prevent the Litigant from asserting similar arguments or positions in any action between the parties to this Agreement.

GUARANTY OF PAYMENT AND PERFORMANCE

This Guaranty of Payment and Performance is given by the undersigned, _____ (**individually a “Guarantor” and collectively “Guarantors”**), effective as of the Effective Date of the Franchise Agreement to Coldwell Banker Real Estate LLC ("Franchisor"), in order to induce Franchisor to accept _____ ("Franchisee") as a franchisee of Franchisor.

Each Guarantor, independently of Franchisee’s obligations, jointly and severally, guarantees to Franchisor the prompt payment and performance, when due of all of Franchisee’s obligations under the Franchise Agreement(s) between Franchisor and Franchisee, including any renewal, extension replacement or modification of the agreement (the “Agreement”), and other agreements or instruments of indebtedness, including, but not limited to, any promissory notes of any kind, now existing or hereafter signed by Franchisee. This Guaranty applies to all obligations in the Agreement, including payment of the initial franchise fee, all Royalty Fees, CMF contributions, charges for manuals, supplies, materials, services and products furnished by Franchisor, audit fees, assignment fees, attorneys' fees, referral fees, obligations to indemnify and other such charges, fees and assessments under the Agreement. This Guaranty incorporates by reference, as if contained fully in this Guaranty, Sections 22.8 (Waiver of Jury Trial) and 22.9 (Waiver of Punitive Damages) of the Agreement, and the Guarantors knowingly and voluntarily waive their right to a jury trial and to seek punitive damages. Guarantors also agree that Section 22.7 (Waiver of Class Action) of the Agreement is incorporated in this Guaranty, as if contained fully in this Guaranty, and Guarantors waive any right to proceed against Franchisor by way of a class action.

This Guaranty will be deemed continuing in nature and will apply to Franchisee’s obligations for the Office(s) (as defined in the Agreement) and all Future Office(s) (as defined in the Agreement). This Guaranty will not be discharged by any compromise of any debt and/or the extension of payment deadlines. Guarantors waive defenses based on presentment, demand, protest, notice of protest and dishonor, and diligence in collecting any obligation under the Agreement. Franchisor will not be required to pursue any remedy against Franchisee as a condition of the Guarantors’ obligation under this Guaranty.

It will not be a condition to the enforcement of this Guaranty that Guarantors will be given any notice.

The obligation of each Guarantor is an absolute and unconditional obligation and constitutes a guaranty of payment and performance. Separate action(s) may be brought and prosecuted against Guarantors whether action is brought against Franchisee or Franchisee is joined in any such action(s). Guarantors waive to the fullest extent permitted by law, the benefit of any statute of limitations affecting their liability under this agreement or the enforcement of this Guaranty. Any Guarantor who is a married person agrees that recourse may be had against his or her separate property for his or her obligations under the Agreement. Without the prior written consent of Franchisor, Guarantors will not transfer or convey any property described in the Personal Financial Statement (or such other similar document) submitted to Franchisor for review and acceptance of Franchisee to an individual, trust or other legal entity for the purpose of protecting or shielding such assets from the claims or rights that Franchisor may have under this Guaranty.

Each Guarantor expressly waives notice of the acceptance of this Guaranty and agrees that Franchisor's actions or failure to act will not in any way limit or discharge Guarantor's liability under this Guaranty.

This Guaranty and the Guarantors' liabilities and obligations under this Guaranty are binding on Guarantors and their respective heirs, executors, successors and assigns (and if applicable, successor trusts and trustees), and inure to the benefit of and are enforceable by Franchisor and its successors, transferees, and assigns.

This Guaranty will be governed by the laws of the State of New Jersey in all respects, including matters of construction, validity, and performance, and its terms and provisions may not be waived, altered, modified, or amended except in writing duly signed by an authorized officer of Franchisor and by Guarantors.

Each Guarantor submits to the non-exclusive personal jurisdiction of the state and federal courts of New Jersey with respect to any claims arising out of the Agreement, this Guaranty or the business relationship between Franchisor and Franchisee. Such litigation will have venue in the state courts in Morris County, New Jersey, or in the United States District Court for the District of New Jersey.

If any provision of this Guaranty contravenes or is held invalid under the laws of any jurisdiction, this Guaranty will be construed as if it did not contain that provision, and the rights and liabilities of the parties will be construed and enforced accordingly.

This Guaranty may be executed in counterparts, each of which will be deemed an original, and all of which, when taken together, will constitute one Guaranty. Electronic and facsimile copies of this Guaranty will be deemed to have the same force and effect as the original and will be fully binding on all Guarantors.

THE GUARANTORS SIGNING THIS GUARANTY REPRESENT AND WARRANT THAT THE PERSON SIGNING THE AGREEMENT IS AUTHORIZED TO BIND THE FRANCHISEE TO THE TERMS OF THE AGREEMENT AND ANY FUTURE AGREEMENTS UNLESS THEY PROVIDE NOTICE OTHERWISE TO FRANCHISOR. THE GUARANTORS ACKNOWLEDGE THAT FRANCHISOR IS EXPRESSLY RELYING ON THIS REPRESENTATION IN ENTERING INTO THE AGREEMENT.

E.F. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT

The following provisions supersede any provisions in the Agreement to the contrary and apply to all franchises offered and sold in the State of Washington:

If you are a resident of Washington, the following provisions will apply and will supersede any provision in this Agreement to the contrary:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

- A. Termination and Non-Renewal: RCW 19.100.180 may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
- B. Dispute Resolution: In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington
- C. Release: A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.
- D. Transfer Fees: Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- E. Employment Non-Competition Covenants: Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (and amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

- F. Non-Solicitation: RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor, or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
- G. The first two sentences and last sentence of Section 22.14 of the Franchise Agreement are hereby deleted in their entirety.
- H. The first sentence of Section 23.6 of the Franchise Agreement is hereby deleted in its entirety.
- I. Section 23.8 of the Franchise Agreement is hereby deleted in its entirety and replaced with the following: "INTENTIONALLY OMITTED".

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Nothing set forth in the Franchise Agreement shall waive any liability the franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder

IN WITNESS WHEREOF, the undersigned does hereby acknowledge receipt of this Addendum as of the date Franchisor signs below.

A. Franchisee, or its Related Party, presently operates an approved Coldwell Banker Commercial franchise, the main office of which is located at _____ (the “Main Office”). C. Franchisor has agreed to grant Franchisee the right to operate another authorized Branch Office (as well as any other authorized Offices) under the terms and conditions of the Agreement, as amended by this Addendum.

AGREEMENT

In consideration of the provisions in the Agreement, the promises in this Addendum, and other good and valuable consideration, the delivery, receipt, and sufficiency of which are acknowledged, the parties mutually agree as follows:

1. The Agreement is amended by adding Section __ as follows:

__. SPECIAL STIPULATIONS

__.1 **Location.** Franchisee has been approved to and may operate a Branch Office (the “New Office”) at _____ (Franchise # _____). The New Office will commence business under the System on _____ (“New Office Opening Date”).

__.2 **Expiration Date.** The “Expiration Date” will mean [REDACTED].

__.3 **Initial Franchise Fee.** Franchisee will pay Franchisor an initial franchise fee of \$ _____ for the New Office added by this Addendum.

__.4 **~~Brand-Commercial Marketing Fund.~~** -For purposes of the New Office, the requirement to pay ~~Brand-Commercial~~ Marketing Fund (“~~CBMF~~”)- contributions will be governed by the Agreement, except that the minimum and maximum ~~CBMF~~ contributions rate for the New Office are now ~~\$582-587~~ and ~~\$1,614630~~, respectively (subject to annual adjustment under the Agreement). Franchisee must pay ~~BMF-CMF~~ contributions separately for each Office, unless otherwise set forth in the Agreement. -You must pay the ~~BMF-CMF~~ contribution for each month within twenty (20) days after being invoiced. Franchisee acknowledges that Franchisor will use the ~~BMF-CMF~~ for the purposes described in Item 11 of the Franchisee Disclosure Document.

.5 **Annual Fee Increases.** Notwithstanding anything to the contrary in the Agreement, the following provision shall govern Franchisor's right to increase certain fees in the Agreement:

On January 1 each year, we may, at our sole option, increase the minimum and maximum ~~BMF-CMF~~ contributions. No percentage increase in fee will exceed the greater of (i) the percentage increase of the Consumer Price Index for all Urban Consumers, U.S. City Average (1967=100) ("CPI") during the period between November of the applicable base year of such particular fee and the November immediately preceding the date of the proposed fee increase, plus 3%, (ii) the yield to maturity on United States Treasury Bonds (as listed in The Wall Street Journal or such other source as we deem reliable) maturing approximately 10 years after November 1st in the year preceding the date of the proposed fee increase, plus 3%, or (iii) the U.S. Average Existing Single Family Home Sales Price annual increase, not seasonally adjusted, yearly percent change, as quoted in the July National Association of Realtors® Press release or any other nationally recognized source of housing price data, at our discretion, plus 3%. We may round to the nearest dollar the amount of any fee increase. The applicable base year for each fee is defined for CPI purposes as the calendar year immediately preceding the year in which we last raised the fee under this Section. Any fee increase (for example, minimum monthly BMF contribution) does not change the applicable base year for any other fee not increased at that time.

~~.6 **Termination by Franchisee.** Except as provided in this Addendum, any termination right granted to you under the Agreement for retirement, death or disability is deleted in its entirety and replaced with the following:~~

~~**Termination upon Death/Disability of Majority Owner.** If a majority Owner dies or becomes physically or mentally disabled (corroborated by written evidence from a treating physician) and you elect to wind up the Business and distribute all of the Business's assets to the Owners (as opposed to transferring the assets to a third party), you may terminate the Agreement, without penalty, if the following conditions are satisfied:~~

- ~~(a) You provide us at least ninety (90) days prior written notice of your intent to terminate;~~
- ~~(b) At the time of the notice, the deceased or disabled majority Owner owns at least 51% of the equity interest in you or the Business's assets and manages your day-to-day operations;~~
- ~~(c) You are not in default on the date that the notice is delivered or on the date of termination ("Termination Date");~~
- ~~(d) You provide any documents we request demonstrating your dissolution;~~
- ~~(e) Before the Termination Date, you pay any outstanding indebtedness you owe us including, but not limited to, Royalty Fees, advertising fund contributions and all amounts not previously paid and/or forgiven under any existing promissory notes (or any other instrument of indebtedness);~~
- ~~(f) You and each remaining Owner agree that they will not own or operate any real estate brokerage within two miles of any authorized Office for a period ending the earlier of (i) the Expiration Date, or (ii) two years after the Termination Date; and~~

~~(g) You enter into a written termination agreement. We will not be entitled to recover any liquidated damages under the Agreement if you comply with this Section and perform the post termination obligations within ten (10) days after the Termination Date.~~

.76 **Waiver of Jury Trial.** The parties waive the right to a jury trial in any action related to this Agreement or any aspect of the relationship between you, us, any guarantor and their respective successors and assigns.

.78 **Waiver of Punitive Damages.** We and you (and your Owners and guarantors) fully waive any right to or claim for any punitive or exemplary damages against each other. If any dispute arises between you and us, you and we will each be limited to recovery of actual damages which, in our case, includes liquidated damages in Section 16 of the Agreement and damages provided in the Lanham Act or its state counterpart.

.98 **Opportunity to Investigate.** You acknowledge that you have had the opportunity to be advised of the terms and conditions of this Addendum by counsel of your choice. Unless expressly provided otherwise, this Addendum is exclusively for our and your benefit and may not give rise to liability to any third party unless specifically stated.

.109 **Assistance.** We are not the employer of you or any of your employees, your brokers or independent sales associates. Any education, support, advice or resources we provide to you in connection with the Business is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Business, and not for the purpose of controlling in or in any way exercising or exerting control over your decisions or the day-to-day operation of the Business, including your personnel-related decisions.

2. Except as stated in this Addendum, no further additions, modifications or deletions to the Agreement are intended by the parties or made by this Addendum. All capitalized terms not otherwise defined in this Addendum will have the meanings given in the Agreement. The headings in this Addendum are for convenience only, do not constitute a part of this Addendum, and will not be deemed to limit or affect any of the provisions of this Addendum. The stipulations in this Addendum apply to the Agreement and supersede any inconsistent or conflicting provisions in the Agreement. These stipulations apply only to Franchisee and are not transferable or assignable.

3. Franchisee agrees to keep confidential the terms of this Addendum. If the terms in this Addendum become known to any third party resulting from disclosure by or on behalf of Franchisee, except for Franchisee's disclosure to its legal counsel, accountant, or employees with a need to know the information, any provisions of this Addendum that were made for Franchisee's benefit will become immediately null and void and will forever cease to exist. *In addition, if Franchisee is in default under the Agreement and Franchisee fails to timely cure such default after notice from Franchisor, any provisions of this Addendum that were made for Franchisee's benefit will immediately become null and void, without any further notice from Franchisor, and will forever cease to exist.*

4. This Addendum may be executed in any number of counterparts, each of which will be deemed an original, and all of which will constitute one and the same agreement. Facsimile or electronic copies of this Addendum will be deemed to have the same force and effect as the original and will be fully binding.

5. **WAIVER OF CLAIMS.** In consideration of the rights granted in this Addendum, Franchisee and its owners, partners, members and/or shareholders hereby expressly release, remise, acquit and discharge Franchisor and its predecessors, successors, parents, parent's predecessors, subsidiaries,

In providing this release, Franchisee and its owners, partners, members and/or shareholders expressly acknowledge that: (x) to the extent the laws of the State of Washington govern the relationship of the parties hereto, notwithstanding the general release and waiver of claims herein, consistent with the Franchise Agreement(s) and Washington law, this release and waiver of rights executed by you will not include the release or waiver of rights under the Washington Franchise Investment Protection Act; and (y) to the extent the laws of the State of California govern the relationship of the parties hereto, Franchisee and its owners, partners, members and/or Shareholders are fully familiar with the provisions of Section 1542 of the Civil Code of the State of California and each expressly waives any and all rights under Section 1542 of the Civil Code of the State of California which provides as follows:

B. Franchisee and Franchisor seek to extend their franchise relationship for the Branch Office(s) for a ten-year term under the terms and conditions of the Agreement, as amended by this Addendum.

AGREEMENT

In consideration of the provisions in the Agreement, the promises in this Addendum, and other good and valuable consideration, the delivery, receipt, and sufficiency of which are acknowledged, the parties mutually agree as follows:

1. The Agreement is amended by adding Section __ as follows:

__.1 **Expiration Date.** The "Expiration Date" will now mean _____.

__.2 **~~Brand-Commercial Marketing Fund Contribution.~~** You will pay us each month during the Term by ePay (or other method we designate) a ~~Brand-Commercial~~ Marketing Fund ("~~BMFCMF~~") ~~€~~ contribution equal to 2% of your Gross Revenue, subject to the terms of this Section.

For each Office, your monthly ~~BMFCMF~~ contribution will be subject to minimum and maximum requirements. As of [today's date], minimum and maximum monthly ~~BMFCMF~~ contributions for each Office are ~~\$582,587~~ and ~~\$1,614,630~~, respectively. Notwithstanding anything to the contrary contained in the Agreement, there shall be no percentage limitations on the categories of expenses relating to the ~~Brand-Commercial~~ Marketing Fund.

__.3 **Royalty Fee.** Notwithstanding any terms, conditions or provisions of the Agreement, you will pay us a continuing "Royalty Fee" equal to (i) 6% of the aggregate Gross Revenue for all of your offices up to \$1,000,000 per calendar year for which payments were timely made (excluding Gross Revenue related to Commercial Property Management Services), plus, (ii) 3% of the aggregate Gross Revenue for all of your offices in excess of \$1,000,000 per calendar year during the Term of this Agreement.

If this Agreement expires or terminates after the Effective Date, the Royalty Fee will remain payable on all transactions or contracts made before the expiration or termination date. A Royalty Fee is due on any transaction made using the Marks. For each real estate transaction, you must report the transaction and pay a Royalty Fee by ePay (or other method we may designate) on the date of settlement (closing). Royalty Fees are also due for all transactions and sales contracts entered into before the Expiration Date or the date this Agreement is terminated.

Gross Revenue from Commercial Property Management Services will be subject to a 1.5% “Royalty Fee” provided that it is reported and paid to us separately from other Royalty Fees owed by you. Gross Revenue for Commercial Property Management Services will not be included in the calculation of Gross Revenue for purposes of Section [7.1.1]. --You will not commingle Commercial Property Management files, Royalty Fees, records, or bookkeeping.--You will not prevent us from conducting audits of Commercial Property Management.

.4 **Annual Fee Increases.** Notwithstanding anything to the contrary in the Agreement, the following provision shall govern Franchisor’s right to increase certain fees in the Agreement:

On January 1 each year, we may, at our sole option, increase the minimum and maximum ~~BMF-CMF~~ contributions. No percentage increase in fee will exceed the greater of (i) the percentage increase of the Consumer Price Index for all Urban Consumers, U.S. City Average (1967=100) (“CPI”) during the period between November of the applicable base year of such particular fee and the November immediately preceding the date of the proposed fee increase, plus 3%, (ii) the yield to maturity on United States Treasury Bonds (as listed in The Wall Street Journal or such other source as we deem reliable) maturing approximately 10 years after November 1st in the year preceding the date of the proposed fee increase, plus 3%, or (iii) the U.S. Average Existing Single Family Home Sales Price annual increase, not seasonally adjusted, yearly percent change, as quoted in the July National Association of Realtors® Press release or any other nationally recognized source of housing price data, at our discretion, plus 3%. We may round to the nearest dollar the amount of any fee increase. The applicable base year for each fee is defined for CPI purposes as the calendar year immediately preceding the year in which we last raised the fee under this Section. Any fee increase (for example, minimum monthly BMF contribution) does not change the applicable base year for any other fee not increased at that time.

.5 **Renewal Rights.** Section ___ of the Agreement regarding the parties’ renewal rights is deleted in its entirety.

.6 **Termination by Franchisee.** Except as provided in this Addendum, any termination right granted to you under the Agreement for retirement, death, disability or any reason is deleted in its entirety and replaced with the following:

Termination upon Death/Disability of Majority Owner. If a majority Owner dies or becomes physically or mentally disabled (corroborated by written evidence from a treating physician) and you elect to wind up the Business and distribute all of the Business’s assets to the Owners (as opposed to transferring the assets to a third party), you may terminate the Agreement, without penalty, if the following conditions are satisfied:

- (a) You provide us at least ninety (90) days prior written notice of your intent to terminate;

- (b) At the time of the notice, the deceased or disabled majority Owner owns at least 51% of the equity interest in you or the Business's assets and manages your day-to-day operations;
- ~~(b)~~
- (c) You are not in default on the date that the notice is delivered or on the date of termination ("Termination Date");
- (d) You provide any documents we request demonstrating your dissolution;
- (e) Before the Termination Date, you pay any outstanding indebtedness you owe us including, but not limited to, Royalty Fees, advertising fund contributions and all amounts not previously paid and/or forgiven under any existing promissory notes (or any other instrument of indebtedness);
- (f) You and each remaining Owner agree that they will not own or operate any real estate brokerage within two miles of any authorized Office for a period ending the earlier of (i) the Expiration Date, or (ii) two years after the Termination Date; and
- (g) You enter into a written termination agreement. We will not be entitled to recover any liquidated damages under the Agreement if you comply with this Section and perform the post-termination obligations within ten (10) days after the Termination Date.

.7 **Holding Over**. Section 16.1.2 of the Agreement is hereby deleted in its entirety and replaced with the following:

16.1.2 Holding Over. If you or an Owner uses the Marks after the expiration of this Agreement, you will be deemed to be operating on a month-to-month basis ("Holdover Period"). During any Holdover Period, all of your obligations will remain in full force and effect, as if this Agreement had not expired, and all obligations imposed on you upon expiration of this Agreement will take effect upon termination of the Holdover Period, provided, however, the Royalty Fee due during the Holdover Period will be an amount equal to twice the Royalty Fee otherwise due under Section 7.1. The month-to-month extension may be terminated by Franchisor, in its sole discretion, upon ten (10) days written notice to Franchisee. Additionally, we may consider you in default of this Agreement and may exercise all remedies available to us, including our pre-termination options set forth in Section 16.3, which includes suspension of services, or termination.

.8 **Liquidated Damages**. Section 16.7.2 of the Agreement is deleted in its entirety and replaced with the following:

16.7.2 If an "early termination" of this Agreement occurs (which will mean any termination of the Agreement before the Expiration Date, other than a mutual termination under Section 16.2.1 or termination by you under Section 16.2.5), you will immediately pay us "liquidated damages." The parties agree that it would be impracticable or extremely difficult to calculate the actual amount you would have been obligated to pay as Royalty Fees, Property Management Fees and ~~BMF-CMF~~ Contributions and other fees due under this Agreement through the Expiration Date and that the following method of calculation represents a fair and reasonable estimate of our damages: Liquidated damages will be equal to the ~~combined average~~ monthly ~~average of~~ Royalty Fees ~~payment~~, Property Management Fees ~~payment, plus the average monthly~~, ~~BMF-CMF~~ contributions, and any other fees under ~~this~~ Agreement (without regard to any fee waivers or other reductions), ~~paid~~ payable ~~during the "Calculation Period," from the Opening Date through the date~~

~~of early termination~~, multiplied by the lesser of (i) thirty-six (36) or (ii) the number of full months remaining in the Term. The Calculation Period shall be the five (5) year period immediately preceding termination, or, if you have not been operating for a five (5) year period, each full calendar month preceding termination from the Opening Date.

.9 Waiver of Jury Trial. The parties waive the right to a jury trial in any action related to this Agreement or any aspect of the relationship between you, us, any guarantor and their respective successors and assigns.

.10 Waiver of Punitive Damages. We and you (and your Owners and guarantors) fully waive any right to or claim for any punitive or exemplary damages against each other. If any dispute arises between you and us, you and we will each be limited to recovery of actual damages which, in our case, includes liquidated damages in Section 16 of the Agreement and damages provided in the Lanham Act or its state counterpart.

.11 Opportunity to Investigate. You acknowledge that you have had the opportunity to be advised of the terms and conditions of this Addendum by counsel of your choice. Unless expressly provided otherwise, this Addendum is exclusively for our and your benefit and may not give rise to liability to any third party unless specifically stated.

.12 Compliance with Laws. As of the Effective Date, the Owners will be and shall, during the entire Term remain, in full compliance with all applicable federal, state and local laws and regulations, including without limitation all applicable laws and regulations governing (i) the operation of a real estate brokerage office, (including the Real Estate Settlement Procedures Act), (ii) labor and employment, including, but not limited, to, wage and hour laws and laws prohibiting forced or child labor, and (iii) data privacy, data breach response policies and security. You acknowledge that we have no responsibility to ensure that the Business is developed and operated in compliance with all applicable laws and regulations, and that we shall have no liability in the event the development and operation of the Business violates any law or regulation. Further, Owners will not engage in any human trafficking, nor use any child or forced labor, including indentured labor, bonded labor or prison labor, in connection with the Business.

.13 Assistance. We are not the employer of you or any of your employees, your brokers or independent sales associates. Any education, support, advice or resources we provide to you in connection with the Business is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Business, and not for the purpose of controlling in or in any way exercising or exerting control over your decisions or the day-to-day operation of the Business, including your personnel-related decisions.

2. Except as stated in this Addendum, no further additions, modifications or deletions to the Surviving Agreement are intended by the parties or made by this Addendum. All capitalized terms not otherwise defined in this Addendum will have the meanings given in the Surviving Agreement. The headings in this Addendum are for convenience only, do not constitute a part of this Addendum, and will not be deemed to limit or affect any of the provisions of this Addendum. The stipulations in this Addendum apply to the Surviving Agreement and supersede any inconsistent or conflicting provisions in the Surviving Agreement. These stipulations apply only to Franchisee and are not transferable or assignable.

3. Franchisee agrees to keep confidential the terms of this Addendum. If the terms in this Addendum become known to any third party resulting from disclosure by or on behalf of Franchisee, except for Franchisee's disclosure to its legal counsel, accountant, or employees with a need to know the information, any provisions of this Addendum that were made for Franchisee's benefit will become immediately null and void and will forever cease to exist. *In addition, if Franchisee is in default under the*

Surviving Agreement and Franchisee fails to timely cure such default after notice from Franchisor, any provisions of this Addendum that were made for Franchisee's benefit will immediately become null and void, without any further notice from Franchisor, and will forever cease to exist.

4. This Addendum may be executed in any number of counterparts, each of which will be deemed an original, and all of which will constitute one and the same agreement. Facsimile or electronic copies of this Addendum will be deemed to have the same force and effect as the original and will be fully binding.

5. **WAIVER OF CLAIMS.** In consideration of the rights granted in this Addendum, Franchisee and its owners, partners, members and/or shareholders hereby expressly release, remise, acquit and discharge Franchisor and its predecessors, successors, parents, parent's predecessors, subsidiaries, affiliates, assigns, as well as each of their respective officers, directors, employees and agents (collectively "Releasees") from and forever waive and relinquish any and all claims, counterclaims, rights, setoffs, suits, damages (including, but not limited to, compensatory damages, tort damages, contract damages and punitive damages) demands, obligations, warranties, covenants, debts and causes of action of every nature, character and description, known and unknown, vested or contingent (collectively "Claims") that Franchisee or its owners, partners, members and/or shareholders, individually or collectively, have or may have against any and all Releasees including, but not limited to, all Claims relating in any manner to, or otherwise resulting from, or arising out of: (i) the relationship between the parties prior to the execution of this Addendum; (ii) the franchise sales transaction (to the extent permitted by law); (iii) the **Surviving Agreement** and this Addendum; and/or (iv) any other agreements (including other franchise agreements) by and between Franchisee and/or its owners, partners, members and/or shareholders and Franchisor. In providing this release, Franchisee and its owners, partners, members and/or shareholders expressly acknowledge that: (x) to the extent the laws of the State of Washington govern the relationship of the parties hereto, notwithstanding the general release and waiver of claims herein, consistent with the Franchise Agreement(s) and Washington law, this release and waiver of rights executed by you will not include the release or waiver of rights under the Washington Franchise Investment Protection Act; and (y) to the extent the laws of the State of California govern the relationship of the parties hereto, Franchisee and its owners, partners, members and/or Shareholders are fully familiar with the provisions of Section 1542 of the Civil Code of the State of California and each expressly waives any and all rights under Section 1542 of the Civil Code of the State of California which provides as follows:

AGREEMENT

In consideration of the provisions in the Franchise Agreement, the promises in this Property Management Agreement, and other good and valuable consideration, the delivery, receipt, and sufficiency of which are acknowledged, the parties mutually agree as follows:

1. Franchisee will utilize the Property Management Office only for activities directly related to the on-site management of the Property set forth in this Property Management Agreement. Such activities will include but not be limited to receptionist, property manager, onsite leasing, maintenance, engineering, janitorial and landscape maintenance. Franchisee is not permitted to utilize the Property Management Office as a commercial real estate brokerage office other than for the purposes of conducting the management of the property.
2. The Property Management Office will not be subject to a separate Initial Franchise Fee or ~~Brand-Commercial~~ Marketing Fund contribution.
3. The Property Management Office shall not have a Coldwell Banker Commercial Illuminated Office Sign. The Property Management Office shall be identified pursuant to ~~Franchisor’s the Policy & Procedures~~ P&P Manual, which shall be amended from time to time. Franchisee shall be permitted to place a sign on the door of the Property Management Office and in other on-site areas utilizing the Coldwell Banker Commercial marks with its Business Name and clearly identifying the office as a Property Management Office.
4. Franchisee may utilize business cards identifying the office location and telephone number. All business cards and stationary for the Property Management Office must conspicuously identify the address as that for a “Property Management Office.”
5. Franchisee will not operate the Property Management Office as a Branch Office (as defined in the Franchise Agreement).

6. Franchisee's right to operate this Property Management Office is non-transferable and is not assignable.
7. Unless terminated earlier under this Property Management Agreement or for any other reason, the term of this Property Management Agreement will be for a period of one year, to begin on _____, 20____ and terminate on _____, 20____ (the "Initial Term"). At the end of the Initial Term, the term of this Property Management will be automatically extended for additional one year periods without any further action by either party, until terminated under this Property Management Agreement.
8. In addition to the Franchise Agreement termination provisions, Franchisee agrees that the operation of this Property Management Office is expressly contingent on the lawful operation of a commercial real estate brokerage business under the System at the Main Office and that the termination or expiration of the Franchise Agreement for the Main Office will also result in the termination of this Property Management Agreement. In addition, Franchisee's failure to comply with any terms of this Property Management Agreement will be grounds for termination of this Property Management Agreement, the Franchise Agreement, and any other franchise agreements between Franchisor and Franchisee.
9. Franchisor may impose conditions as it deems necessary to insure that the Property Management Office is, in fact, used only in conjunction with the Property Management for the Property.
10. As a condition to opening the Property Management Office, Franchisee will comply with all state and local real estate licensing laws and regulations, as well as all other relevant laws and regulations.
11. Apart from their involvement in the activities of the Property Management Office, neither Franchisee, nor Franchisee's independent sales associates or employees will be involved, in any business capacity, in any real estate brokerage or other business activity unless such activities are carried out from Franchisee's ~~Approved~~approved Location.
12. The Property Management Office shall have a telephone number different than that of Franchisee's Main Office, and telephone calls made to Franchisee's Main Office will not ring in Franchisee's Property Management Office, or vice versa.
13. Franchisee will not advertise the existence of the Property Management Office, other than in advertisements related solely to its responsibilities as Property Manager for the Property. However, Franchisee is permitted to identify itself as a Property Manager for the facility in furtherance of its property management business.
14. All rights to commissions and other Gross Revenue of Franchisee resultant from transactions conducted as the Property Manager for the Property shall be reported through Franchisee's Main Office and combined with Franchisee's revenues from such location for purposes of all of the terms contained in the Franchise Agreement, including, but not limited to, the computation of royalty fees, ~~BMF-CMF~~ contributions and any other fees.
15. Franchisor will, upon reasonable notice, have such audit rights of the books and records of the Property Management Office, as specified in the Franchise Agreement.

16. If Franchisor determines that Franchisee has not complied with the provisions of this Property Management Office Agreement, Franchisor may, upon thirty (30) days written notice, require Franchisee to immediately close the Property Management Office. Failure of Franchisee to close the Property Management Office within thirty (30) days of receipt of said written notice shall constitute grounds for Franchisor terminating the Franchise Agreement.
17. All provisions of the Franchise Agreement, which have not been modified by this Property Management Office Agreement, are hereby affirmed.
18. This Property Management Agreement may be executed in any number of counterparts, each of which will be deemed an original, and all of which, when taken together, will constitute one and the same agreement. Facsimile or electronic copies of this Property Management Agreement will be deemed to have the same force and effect as the original and will be fully binding on all parties.

CONVERSION PROMISSORY NOTE

_____ (the "Note Date")

MAKER:	
CO-MAKER(S):	
HOLDER:	Choose an item.
PLACE FOR PAYMENT:	175 PARK AVENUE, MADISON, NJ
PRINCIPAL:	\$
ANNUAL INTEREST RATE:	0%, EXCEPT AS DESCRIBED BELOW
MATURITY DATE:	December 31, 20__

1. TERMS OF PAYMENT. FOR GOOD AND VALUABLE CONSIDERATION, the undersigned Maker and Co-Maker(s) promise(s) to pay Holder (or its successors or assigns) the Principal set forth above on the Maturity Date and such Principal will be used for the Business (as defined in the Franchise Agreement). Payments are payable to Holder at 175 Park Avenue, Madison, New Jersey, or at such other place as Holder may designate in writing.

2. FORGIVENESS. If on December 31 of each full calendar year (each a "Measurement Date") after the Note Date, beginning with calendar year 202~~3~~⁵, Maker and Co-Maker(s) satisfy the conditions in this Note, an amount equal to the Principal divided by **nine (9)** (the "Yearly Principal") will be forgiven by Holder. To qualify for forgiveness of the Principal, Maker and Co-Maker(s) must establish that, as of the Measurement Date and for the calendar year concluding on the Measurement Date:

- A. Maker is not in default of its obligations under any franchise agreement(s) with Holder (the "Franchise Agreement"), including payment of royalty fees and marketing fund contributions; **and**
- B. Maker(s) has timely paid Holder all royalty fees and marketing fund contributions owed under the Franchise Agreement on aggregate Gross Revenues (as defined in the Franchise Agreement) of at least \$_____ ("Forgiveness Threshold").
- C. Notwithstanding the above, Maker shall have the right to miss one (1) Forgiveness Threshold and still have its Yearly Principal installment under this Note for that calendar year forgiven (the "One Miss Right"). Accordingly, in the event Maker fails to satisfy the Forgiveness Threshold on any one (1) Measurement Date, the Yearly Principal installment of this Note that would otherwise be due and owing to Holder for that calendar year, shall be forgiven upon Holder's receipt of written notice from Maker by March 15th of the year following the Measurement Date, that

it elects to exercise its One Miss Right. Once Maker exercises its One Miss Right, it shall have no further rights to have any Yearly Principal installment under this Note forgiven without satisfying the Forgiveness Threshold.

3. ANNUAL AMOUNT DUE ON FAILURE TO SATISFY CONDITIONS. If Maker does not satisfy the above conditions as of any Measurement Date, and elects not to exercise its One Miss right described in Paragraph 2C above, or if the One Miss Right is no longer available, then within thirty (30) days after the Measurement Date, Maker shall pay Holder an amount equal to the *lesser of* (i) royalty fees (calculated after the application of any Incentive Award (as defined below), if applicable) on the shortfall amount which is the difference between the Forgiveness Threshold and annual Gross Revenues reported and paid for the applicable calendar year; **or** (ii) the Yearly Principal installment due on this Note for such year. If Maker or Co-Maker(s) fails to make any payment when due, including any payment due on acceleration of this Note, the entire outstanding Principal shall bear simple interest at a rate equal to the lesser of eighteen percent (18%) per year or the highest rate allowed by law, from its due date until paid in full.

4. APPLICATIONS OF FUNDS DUE MAKER. Maker agrees that Holder, at its sole option, without notice, may apply to the outstanding due and payable Principal (and accrued and unpaid interest amount) payments due to Maker(s) from Holder, including without limitation any amounts due under any performance incentive or royalty fee rebate program (“Incentive Award”), if any, that may be provided in the Franchise Agreement, if any payment becomes due or payable to Maker. To the extent necessary, Maker(s) hereby assigns, transfers and/or conveys to Holder all of Maker’s rights, title and interest in and to the Incentive Award, if any, owed to Maker. Any amounts applied against the Principal shall correspondingly reduce amounts owed by Maker(s).

5. ACCELERATION OF PRINCIPAL. Upon Holder’s determinations that Maker and Co-Maker(s) are in default, or upon the occurrence of any of the following, Holder may accelerate the unpaid Principal and all accrued interest will become immediately due and payable, without presentment for payment or any notice or demand:

- A. Maker or Co-Maker(s) (i) suspends business; (ii) becomes insolvent or offers settlement to any creditors; (iii) files a petition in bankruptcy, either voluntary or involuntary; (iv) institutes any proceeding under any bankruptcy or insolvency laws relating to the relief of debtors; (v) makes an assignment for the benefit of creditors; or (vi) makes any false statement or representation orally or in writing, fails to furnish information, or fails to permit inspection of any books or records on demand of Holder;
- B. Upon default in payment of any Principal payment due under this Note;
- C. Upon default, in Holder’s sole opinion, of any other agreement or note between Maker and Holder or any of Holder’s related companies, including, but not limited to, the Franchise Agreement; or
- D. Upon termination or expiration of the Franchise Agreement.

For the purposes of this Note, a party will be in default of an agreement if the party has been given notice of default under the agreement, and, for defaults for which the party is afforded an opportunity to cure under the applicable agreement, the party failed to cure within the period provided. Maker's and Co-Maker(s)'s obligation to pay the Principal and interest, if accelerated, will be absolute and unconditional, and will not be subject to any rights of offset or recoupment.

6. ASSIGNMENT. This Note is not assignable by Maker or any Co-Maker without the prior written consent of Holder.

7. NO PRE-PAYMENT PENALTY. Maker and Co-Maker(s) may prepay this Note in whole or in part on any date without premium or penalty. No partial prepayment shall extend or postpone the due date of any subsequent installment payment or change the amount of the installment payment. Prepayments will be applied without notation on this Note.

8. ATTORNEYS' FEES. Maker and Co-Maker(s) agree to pay all expenditures made in any attempt to collect any amounts due pursuant to this Note. If Holder takes legal action to enforce or collect this Note, Holder shall be entitled to reasonable attorneys' fees (including in-house attorneys) and court costs and all costs of collection in addition to any other relief to which it may be entitled.

9. WAIVER OF PRESENTMENT. Maker and Co-Maker(s) and each of them, waive, to the fullest extent permitted by law, diligence, demand, notice of demand, presentment for payment, notice of non-payment, notice of dishonor, protest and notice of protest and specifically consent to and waive notice of any renewals, extensions, amendments or modifications of this Note, whether made to or in favor of Maker or any other person or persons. Holder reserves the right to modify the terms of this Note, grant extensions, notations, renewals, releases, discharges, compositions and compromises with any party liable under this Note, with or without any notice to or the consent of, and without discharging or affecting the obligations of, any other party liable under this Note. The claiming of any statute of limitations as a defense to any demand against Maker, Co-Maker(s) or any endorser or guarantor is expressly waived by each and all of said parties.

10. ACQUISITION-RELATED REPRESENTATIONS. If this Note is being executed in connection with the acquisition or consolidation (by merger, acquisition or otherwise) of a real estate brokerage business from another person or entity, Maker and Co-Makers agree that while Holder and its representatives may have participated in the negotiation of such acquisition and assisted with the preparation of documents (legal or otherwise), Holder and its representatives were acting solely in the capacity of franchisor and were not retained by Maker or any Co-Maker in the capacity of agent, consultant or advisor. Maker and each Co-Maker agree that they have not and will not rely on any financial, legal or accounting advice about the acquisition that may have been provided by Holder or any of its employees, representatives, or affiliates. Maker represents and warrants that it has completed any due diligence and other investigations of the acquired office as Maker deemed appropriate. Additionally, Maker agrees that it has not relied on any representations made by Holder or any of its representatives or affiliates in deciding to complete the acquisition and related transactions. Maker waives any and all claims against Holder and its officers, directors, shareholders, affiliates, employees and agents arising out of the acquisition or consolidation.

11. GOVERNING LAW/CONFIDENTIALITY/COUNTERPARTS. This Note will be construed and enforced in accordance with the laws of the State of New Jersey. The terms of this Note are confidential and will not be disclosed to any third party by Maker without the prior written consent of Holder, unless otherwise required by law. This Note may be executed in counterparts, each of which will be deemed an original, and all of which will constitute one Note.

12. JOINT AND SEVERAL LIABILITY. This Note will be the joint and several obligation of Maker, Co-Maker(s), all guarantors and endorsers, if any, and will be binding upon them and their heirs, executors, personal representatives, successors and assigns and will inure to the benefit of Holder and its successors and assigns.

13. CONFESSION OF JUDGMENT. Maker and Co-Maker(s) agree that any attorney-at-law may appear in any court of record situated in any County where the Maker and/or Co-Maker(s) then reside or in the County where Maker and/or Co-Maker signed this Note and being in the United States at any time after the debt evidenced will become due, either at its stated maturity or by declaration and will waive the issuing and service of process and confess judgment against the Maker and Co-Maker(s), jointly and severally, in favor of the Holder, for the amount then owing on this Note, together with the costs of suit and thereupon release all errors and waive all right of appeal.

14. HEADINGS. The headings in this Note are for convenience only, do not constitute a part of this Note, and will not be deemed to have any legal effect.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders of Anywhere Real Estate Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Anywhere Real Estate Inc. and its subsidiaries (the “Company”) as of December 31, 2023 and 2022, and the related consolidated statements of operations, of comprehensive (loss) income, of equity and of cash flows for each of the three years in the period ended December 31, 2023, including the related notes (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s consolidated financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits of these consolidated financial statements in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the consolidated financial statements that were communicated or required to be communicated to the audit committee and that (i) relate to accounts or disclosures that are material to the consolidated financial statements and (ii) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Annual Goodwill Impairment Assessments – Cartus Reporting Unit

As described in Notes 2 and 7 to the consolidated financial statements, the Company’s consolidated goodwill balance was \$2,499 million as of December 31, 2023, a portion of which related to the Cartus reporting unit within the Franchise Group segment. Management conducts an impairment assessment annually as of October 1, or whenever events or changes in circumstances indicate that the carrying amount may not be fully recoverable. This assessment compares the carrying value of each reporting unit to their respective fair values and, when appropriate, the carrying value is reduced to fair value. The fair

value of each reporting unit is estimated using the discounted cash flow method under the income approach. The fair value of the Company's reporting units is determined utilizing the best estimate of future revenues, operating expenses, market and general economic conditions, trends in the industry, as well as assumptions that management believes marketplace participants would utilize including discount rates, cost of capital, and long-term growth rates. Beginning in the fourth quarter of 2023, the Company reorganized its internal reporting structure within the Franchise Group segment. As a result of this reorganization, the Company reassigned assets and liabilities to the applicable reporting units and allocated goodwill using the relative fair value approach. Management performed its annual impairment assessment on the affected reporting units on both a pre- and post-reorganization basis. The post-reorganization assessment resulted in the recognition of an impairment of goodwill at the Franchise Group segment related to the Cartus reporting unit of \$25 million.

The principal considerations for our determination that performing procedures relating to the annual goodwill impairment assessments of the Cartus reporting unit is a critical audit matter are (i) the significant judgment by management when developing the fair value estimates of the reporting unit; (ii) a high degree of auditor judgment, subjectivity, and effort in performing procedures and evaluating management's significant assumptions related to future revenues, certain operating expenses, and discount rates; and (iii) the audit effort involved the use of professionals with specialized skill and knowledge.

Addressing the matter involved performing procedures and evaluating audit evidence in connection with forming our overall opinion on the consolidated financial statements. These procedures included testing the effectiveness of controls relating to management's annual goodwill impairment assessments, including controls over the valuation of the Cartus reporting unit. These procedures also included, among others (i) testing management's process for developing the fair value estimates of the Cartus reporting unit; (ii) evaluating the appropriateness of the discounted cash flow method used by management; (iii) testing the completeness and accuracy of the underlying data used by management in the discounted cash flow method; and (iv) evaluating the significant assumptions used by management related to future revenues, certain operating expenses, and discount rates. Evaluating management's assumptions related to future revenues and certain operating expenses involved evaluating whether the assumptions used by management were reasonable considering (i) the current and past performance of the reporting unit; (ii) the consistency with external market and industry data; and (iii) the consistency with evidence obtained in other areas of the audit. Professionals with specialized skill and knowledge were used to assist in evaluating (i) the appropriateness of the discounted cash flow method and (ii) the reasonableness of the discount rates assumption.

Annual Indefinite-Lived Asset Impairment Assessment – Franchise Trademarks Intangible Asset

As described in Notes 2 and 7 to the consolidated financial statements, the Company's consolidated indefinite-lived intangible assets balance was \$614 million as of December 31, 2023, including trademark intangible assets of \$586 million, a significant portion of which relates to the franchise trademarks intangible asset. Management conducts an impairment assessment annually as of October 1, or whenever events or changes in circumstances indicate that the carrying amount may not be fully recoverable. This assessment compares the carrying values of each of the other indefinite lived intangible assets to their respective fair values and, when appropriate, the carrying value is reduced to fair value. The fair value of each indefinite-lived intangible asset is estimated using the relief from royalty method. The fair value of the Company's indefinite lived intangible assets are determined utilizing the best estimate of future revenues, market and general economic conditions, trends in the industry, as well as assumptions that management believes marketplace participants would utilize including discount rates, cost of capital, trademark royalty rates, and long-term growth rates. During the fourth quarter of 2023, the Company performed its annual impairment assessment of indefinite-lived intangible assets. This assessment resulted in the recognition of an impairment of the franchise trademarks intangible asset of \$25 million.

The principal considerations for our determination that performing procedures relating to the impairment assessment of the franchise trademarks intangible asset is a critical audit matter are (i) the significant judgment by management when developing the fair value estimate of the franchise trademarks intangible

asset; (ii) a high degree of auditor judgment, subjectivity, and effort in performing procedures and evaluating management's significant assumptions related to future revenues and discount rate; and (iii) the audit effort involved the use of professionals with specialized skill and knowledge.

Addressing the matter involved performing procedures and evaluating audit evidence in connection with forming our overall opinion on the consolidated financial statements. These procedures included testing the effectiveness of controls relating to management's annual trademarks intangible asset impairment assessment, including controls over the valuation of the franchise trademarks intangible asset. These procedures also included, among others (i) testing management's process for developing the fair value estimate of the franchise trademarks intangible asset; (ii) evaluating the appropriateness of the relief from royalty method used by management; (iii) testing the completeness and accuracy of the underlying data used by management in the relief from royalty method; and (iv) evaluating the significant assumptions used by management related to future revenues and discount rate. Evaluating management's assumption related to future revenues involved evaluating whether the assumption used by management was reasonable considering (i) the current and past performance of the business associated with the trademark; (ii) the consistency with external market and industry data; and (iii) the consistency with evidence obtained in other areas of the audit. Professionals with specialized skill and knowledge were used to assist in evaluating (i) the appropriateness of the relief from royalty method and (ii) the reasonableness of the discount rate assumption.

("Leads Group").
- **Anywhere Advisors ("Owned Brokerage Group")**—operates a full-service real estate brokerage business with approximately 620 owned and operated brokerage offices with approximately 56,700 independent sales agents under the Coldwell Banker[®], Corcoran[®] and Sotheby's International Realty[®] brand names in many of the largest metropolitan areas in the U.S. This segment also includes the Company's share of equity earnings or losses from the Company's minority-owned real estate auction joint venture.

This segment also includes the Company's share of equity earnings or losses from Guaranteed Rate Affinity, the Company's minority-owned mortgage origination joint venture, and from the Company's minority-owned title insurance underwriter joint venture.

Sale of the Title Insurance Underwriter

On March 29, 2022, the Company sold its title insurance underwriter, Title Resources Guaranty Company (the "Title Underwriter") (previously reported in the Title Group reportable segment), to an affiliate of Centerbridge for \$210 million (prior to expenses and tax) and a 30% equity interest in the form of common units in a title insurance underwriter joint venture that owns the Title Underwriter (the "Title Insurance Underwriter Joint Venture"). Upon closing of the transaction, the Company received \$208 million of cash and recorded a \$90 million investment related to its 30% equity interest in the Title Insurance Underwriter Joint Venture. As a result of the transaction, the Company disposed of \$166 million of net assets, including \$152 million of cash held as statutory reserves by the Title Underwriter and \$32 million of goodwill, and recognized a gain of \$131 million, net of fees, recorded in the Other income, net line on the Consolidated Statements of Operations.

During the second quarter of 2022, the Company sold a portion of its interest in the Title Insurance Underwriter Joint Venture to a third party, reducing the Company's equity interest from 30% to 26% and resulting in a gain of \$4 million. During the first quarter of 2023, the Company sold an additional portion of its interest in the Title Insurance Underwriter Joint Venture to a third party, reducing the Company's equity interest from 26% to 25% and resulting in a gain of \$1 million. See Note 4, "Equity Method Investments", for additional information related to the Title Insurance Underwriter Joint Venture.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

In presenting the consolidated financial statements, management makes estimates and assumptions that affect the amounts reported and related disclosures. Estimates, by their nature, are based on judgment and available information. Accordingly, actual results could differ materially from those estimates.

CONSOLIDATION

The Company consolidates any variable interest entity ("VIE") for which it is the primary beneficiary with a controlling financial interest. Also, the Company consolidates an entity not deemed a VIE if its ownership, direct or indirect, exceeds 50% of the outstanding voting shares of an entity and/or it has the ability to control the financial or operating policies through its voting rights, board representation or other similar rights. For entities where the Company does not have a controlling financial or operating interest, the investments in such entities are accounted for using the equity method or at fair value with changes in fair value recognized in net income, as appropriate. See Note 4, "Equity Method Investments" for discussion.

REVENUE RECOGNITION

See Note 3, "Revenue Recognition", for discussion.

CASH AND CASH EQUIVALENTS

The Company considers highly liquid investments with remaining maturities not exceeding three months at the date of purchase to be cash equivalents.

RESTRICTED CASH

Restricted cash primarily relates to amounts specifically designated as collateral for the repayment of outstanding borrowings under the Company's securitization facilities. Such amounts approximated \$13 million and \$4 million at December 31, 2023 and 2022, respectively.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

The Company estimates the allowance necessary to provide for uncollectible accounts receivable. The estimate is based on historical experience, combined with a review of current conditions and forecasts of future losses, and includes specific accounts for which payment has become unlikely. The process by which the Company calculates the allowance begins in the individual business units where specific problem accounts are identified and reserved primarily based upon the age profile of the receivables and specific payment issues, combined with reasonable and supportable forecasts of future losses.

DEBT ISSUANCE COSTS

Debt issuance costs include costs incurred in connection with obtaining debt and extending existing debt. These financing costs are presented in the balance sheet as a direct deduction from the carrying value of the associated debt liability, consistent with the presentation of a debt discount, with the exception of the debt issuance costs related to the Revolving Credit Facility and securitization obligations which are classified as a deferred financing asset within other assets. The debt issuance costs are amortized via the effective interest method and the amortization period is the life of the related debt.

DERIVATIVE INSTRUMENTS

The Company recorded derivatives and hedging activities on the balance sheet at their respective fair values. The Company historically used interest rate swaps to manage its exposure to future interest rate volatility associated with its variable rate borrowings, however the Company had no outstanding interest rate swaps at December 31, 2023. See Note 18, "Risk Management and Fair Value of Financial Instruments", for further discussion of interest rate swaps held in prior years.

PROPERTY AND EQUIPMENT

Property and equipment (including leasehold improvements) are initially recorded at cost, net of accumulated depreciation and amortization. Depreciation, recorded as a component of depreciation and amortization on the Consolidated Statements of Operations, is computed utilizing the straight-line method over the estimated useful lives of the related assets. Amortization of leasehold improvements, also recorded as a component of depreciation and amortization, is computed utilizing the straight-line method over the estimated benefit period of the related assets or the lease term, if shorter. Useful lives are 30 years for buildings, up to 20 years for leasehold improvements, and from 3 to 7 years for furniture, fixtures and equipment.

The Company capitalizes the costs of software developed for internal use which commences during the development phase of the project. The Company amortizes software developed or obtained for internal use on a straight-line basis, generally from 1 to 5 years, when such software is ready for use. The net carrying value of software developed or obtained for internal use was \$134 million and \$140 million at December 31, 2023 and 2022, respectively.

LEASES

See Note 6, "Leases", for discussion.

IMPAIRMENT OF GOODWILL, INTANGIBLE ASSETS AND OTHER LONG-LIVED ASSETS

Goodwill represents the excess of acquisition costs over the fair value of the net tangible assets and identifiable intangible assets acquired in a business combination. Other indefinite-lived intangible assets primarily consist of trademarks acquired in business combinations. Goodwill and other indefinite-lived assets are not amortized but are subject to impairment testing. The aggregate carrying values of our goodwill and other indefinite-lived intangible assets were \$2,499 million and \$614 million, respectively, at December 31, 2023 and are subject to an impairment assessment annually as of October 1, or whenever events or changes in circumstances indicate that the carrying amount may not be fully recoverable.

In testing goodwill, the fair value of each reporting unit is estimated using the income approach, a discounted cash flow method. For the other indefinite lived intangible assets, fair value is estimated using the relief from royalty method. Management utilizes long-term cash flow forecasts and the Company's annual operating plans adjusted for terminal value assumptions. The fair value of the Company's reporting units and other indefinite lived intangible assets is determined utilizing the best estimate of future revenues, operating expenses including commission expense, market and general economic conditions, trends in the industry, as well as assumptions that management believes marketplace participants would utilize including discount rates, cost of capital, trademark royalty rates, and long-term growth rates. The trademark royalty rate was determined by reviewing similar trademark agreements with third parties.

The impairment assessment is performed at the reporting unit level and compares the carrying value of each reporting unit and the carrying value of each other indefinite lived intangible asset to their respective fair values and, when appropriate the carrying value is reduced to fair value and an impairment charge for the excess is recorded on the "Impairments" line in the accompanying Consolidated Statements of Operations.

Beginning in the fourth quarter of 2023, the Company reorganized its internal reporting structure within the Franchise Group Segment. There were no changes to the Company's reportable segments, which continue to be identified and presented as Owned Brokerage Group, Franchise Group, and Title Group, as separate financial information is maintained and regularly employed by the Company's chief operating decision maker for each of these reportable segments as it relates to performance assessment and resource allocation.

However, the reorganization changed the composition of the existing reporting units within the Franchise Group reportable segment which included the franchise services reporting unit and the Cartus/Leads reporting unit. Subsequent to the reorganization, the lead generation business is included within the franchise services reporting unit resulting in the Owned Brokerage Group, franchise services, Title Group and Cartus reporting units.

As a result of this reorganization, the Company reassigned assets and liabilities to the applicable reporting units and allocated goodwill using the relative fair value approach. The Company performed its annual impairment assessment (or transition assessment) on the affected reporting units on both a pre- and post-reorganization basis.

As part of the pre-reorganization impairment assessment, the Company utilized the discounted cash flow method under the income approach to estimate the fair values as of October 1, 2023 for the pre-reorganization reporting units. This assessment did not result in an impairment. The Company then performed its impairment assessment as of October 1, 2023 for the post-reorganization reporting units again using the discounted cash flow method under the income approach to estimate the fair value of its reporting units. This assessment resulted in a goodwill impairment of \$25 million at the Cartus reporting unit. In addition, as part of the Company's annual impairment assessment, it was identified that franchise trademarks were impaired by \$25 million. The annual impairment assessment indicated that impairment charges were not necessary for the Company's other reporting units or other indefinite-lived intangibles.

In assessing the potential impact of reducing the estimated fair value by 10% for each of the passing reporting units and other indefinite-lived intangible assets, management concluded that, excluding the Company's trademarks, no impairment of goodwill or indefinite-lived intangibles would have been recognized for 2023. The fair value of trademarks is determined using the relief from royalty method which exhibits sensitivity to variations in projected revenues. For the remaining tradenames that were not impaired, which include Title Group and Cartus, the fair value exceeded the carrying value by approximately 3%.

During the fourth quarter of 2022, the Company performed its annual impairment assessment of goodwill and other indefinite-lived intangible assets. The decline in transaction volume during 2022 largely due to rapidly rising mortgage rates, high inflation, reduced affordability, and broader macroeconomic concerns resulted in lower homesale transaction volume for the brokerage and franchise business and lower referral volume for the lead generation business. These market conditions as well as an increase in the weighted average cost of capital resulted in the recognition of an impairment of goodwill at the Owned Brokerage Group reporting unit of \$280 million, an impairment of goodwill at the Franchise Group segment of \$114 million related to the Cartus/Leads Group reporting unit and an impairment of franchise trademarks of \$76 million. The results of the Company's annual impairment assessment indicated no other impairment charges were required for the other reporting units or other indefinite-lived intangibles. Management evaluated the effect of lowering the estimated fair value for each of the passing reporting units and indefinite-lived intangible assets by 10% and determined that no impairment of goodwill or indefinite-lived intangibles would have been recognized under this evaluation for 2022 with the exception of the title trademark. The fair value of trademarks is determined using the relief from royalty method which is sensitive to fluctuations in projected revenues.

During the year ended December 31, 2021, there was no impairment of goodwill or other indefinite-lived intangible assets. Management evaluated the effect of lowering the estimated fair value for each of the reporting units by 10% and determined that no impairment of goodwill would have been recognized under this evaluation for 2021.

The impairment charges are recorded on a separate line in the accompanying Consolidated Statements of Operations and are non-cash in nature.

The Company evaluates the recoverability of its other long-lived assets, including amortizable intangible assets, if circumstances indicate an impairment may have occurred. This assessment is performed by comparing the respective carrying values of the assets to the current and expected future cash flows, on an undiscounted basis, to be generated from such assets. If such assessment indicates that the carrying value of these assets is not recoverable, then the carrying value of such assets is reduced to fair value through a charge to the Company's Consolidated Statements of Operations.

ADVERTISING EXPENSES

Advertising costs are generally expensed in the period incurred. Advertising expenses, recorded within the "Marketing" expense line item on the Company's Consolidated Statements of Operations, were approximately \$140 million, \$175 million and \$192 million for the years ended December 31, 2023, 2022 and 2021, respectively.

INCOME TAXES

The Company's provision for income taxes is determined using the asset and liability method, under which deferred tax assets and liabilities are calculated based upon the differences between the financial statement and income tax bases of assets and liabilities using currently enacted tax rates. These differences are based upon estimated differences between the book and tax basis of the assets and liabilities for the Company. Certain tax assets and liabilities of the Company may be adjusted in connection with the finalization of income tax audits.

The Company's deferred tax assets are recorded net of a valuation allowance when, based on the weight of available evidence, it is more likely than not that all or some portion of the recorded deferred tax balances will not be realized in future periods. Decreases to the valuation allowance are recorded as reductions to the Company's provision for income taxes and increases to the valuation allowance result in additional provision for income taxes.

STOCK-BASED COMPENSATION

The Company grants stock-based awards to certain senior management members, employees and directors including restricted stock units and performance share units. The fair value of restricted stock units and performance share units without a market condition is measured based on the closing price of the Company's common stock on the grant date and is recognized as expense over the service period of the award, or when requisite performance metrics or milestones are probable of being achieved. The fair value of awards with a market condition are estimated using the Monte Carlo simulation method and expense is recognized on a straight-line basis over the requisite service period of the award. The Company recognizes forfeitures as they occur.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

The Company systematically reviews and evaluates the relevance and implications of all Accounting Standards Updates. While recently issued standards not expressly listed below were scrutinized, they were deemed either inapplicable or anticipated to have minimal impact on the Company's consolidated financial position or results of operations.

The FASB issued a new standard on *Improvements to Reportable Segment Disclosures*. This standard does not alter the methodology employed by the Company in identifying its operating segments, aggregating those operating segments or applying the quantitative thresholds to determine its reportable segments. Instead, the new standard adds required disclosures concerning significant segment expenses that are regularly provided to or easily computed from information regularly provided to by the chief operating decision maker ("CODM") and included within the Company's reported measure of segment profit or loss, as well as certain other disclosures. The new standard also allows disclosure of multiple measures of segment profitability if those measures are used to allocate resources and assess performance by the CODM. Furthermore, certain annual disclosures will be required on an interim basis. The new standard is effective for all calendar year end companies in 2024, and interim periods in 2025, with early adoption permitted. The new guidance should be adopted retrospectively unless impracticable. The Company is currently evaluating the impact of the new guidance on its financial statement disclosures.

The FASB issued a new standard addressing *Improvements to Income Tax Disclosures*. This standard includes enhanced income tax disclosures primarily related to the effective tax rate reconciliation and income taxes paid for annual periods. The new standard is effective for all calendar year end companies in 2025, and interim periods in 2026, with early adoption permitted. The new guidance should be adopted on a prospective basis with retrospective application permitted. The Company is currently evaluating the impact of the new guidance on its financial statement disclosures.

3. REVENUE RECOGNITION

Revenue is recognized upon the transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services in accordance with the revenue accounting standard. The Company's revenue is disaggregated by major revenue categories on our Consolidated Statements of Operations and further disaggregated by business segment as follows:

- Gross commission income at Owned Brokerage Group is recognized at a point in time at the closing of a homesale transaction.
- Service revenue primarily consists of title and escrow fees at Title Group and are recognized at a point in time at the closing of a homesale transaction. Service revenue at Franchise Group includes relocation fees, which are recognized as revenue when or as the related performance obligation is satisfied dependent on the type of service performed, and fees related to leads and related services, which are recognized at a point in time at the closing of a homesale transaction or at the completion of the related service.
- Franchise fees at Franchise Group primarily include domestic royalties which are recognized at a point in time when the underlying franchisee revenue is earned (upon close of the homesale transaction).
- Other revenue is comprised of brand marketing funds received from franchisees at Franchise Group and other miscellaneous revenues across all of the business segments.

The Company's revenue streams are discussed further below by business segment:

Franchise Group

Domestic Franchisees

In the U.S., the Company employs a direct franchising model whereby it franchises its real estate brands to real estate brokerage businesses that are independently owned and operated. Franchise revenue principally consists of royalty and marketing fees from the Company's franchisees. The royalty received is primarily based on a gross percentage of the franchisee's gross commission income. Royalty fees are recorded as the underlying franchisee revenue is earned (upon close of the homesale transaction). Annual volume incentives given to certain franchisees on royalty fees are recorded as a reduction to revenue and are accrued for in relative proportion to the recognition of the underlying gross franchise revenue. Other sales incentives are generally recorded as a reduction to revenue ratably over the related performance period or from the date of issuance through the remaining life of the related franchise agreement. Franchise revenue also includes domestic initial franchise fees which are generally non-refundable and recognized by the Company as revenue upon the execution or opening of a new franchisee office to cover the upfront costs associated with opening the franchisee for business under one of Anywhere's brands.

The Company also earns marketing fees from its franchisees and utilizes such fees to fund marketing campaigns on behalf of its franchisees. As such, brand marketing fund fees are recorded as deferred revenue when received and recognized

into revenue as earned when these funds are spent on marketing activities. The balance for deferred brand marketing fund fees decreased from \$26 million at January 1, 2023 to \$19 million at December 31, 2023 primarily due to amounts recognized into revenue matching expenses for marketing activities, offset by additional fees received from franchisees during the year ended December 31, 2023.

International Franchisees

The Company utilizes a direct franchising model outside of the U.S. for Sotheby's International Realty[®] and Corcoran[®] and, in some cases, Better Homes and Gardens[®] Real Estate. For all other brands, the Company generally employs a master franchise model outside of the U.S., whereby it contracts with a qualified third party to build a franchise network in the country or region in which franchising rights have been granted. Under both the direct and master franchise models outside of the U.S., the Company enters into long-term franchise agreements (generally 25 years in duration) and receives an initial area development fee ("ADF") and ongoing royalties. Ongoing royalties are generally a percentage of the royalties received by the master franchisor from its franchisees with which it contracts and are recorded once the funds are received by the master franchisor. Under the direct franchise model, a royalty fee is paid to the Company on transactions conducted by its franchisees in the applicable country or region. The ADFs that the Company collects are recorded as deferred revenue when received and are classified as current or non-current liabilities in the Consolidated Balance Sheets based on the expected timing of revenue recognition. ADFs are recognized into franchise revenue over the average 25 year life of the related franchise agreement as consideration for the right to access and benefit from Anywhere's brands. In the event an ADF agreement is terminated prior to the end of its term, the unamortized deferred revenue balance will be recognized into revenue immediately upon termination. The balance for deferred ADFs decreased from \$40 million at January 1, 2023 to \$39 million at December 31, 2023 due to \$4 million of revenues recognized during the year ended December 31, 2023 that were included in the deferred revenue balance at the beginning of the period, partially offset by \$3 million of ADFs received during the year ended December 31, 2023.

In addition, the Company recognizes a deferred asset for commissions paid to Anywhere franchise sales employees upon the sale of a new franchise as these are considered costs of obtaining a contract with a customer that are expected to provide benefits to the Company for longer than one year. The Company classifies prepaid commissions as current or non-current assets in the Consolidated Balance Sheets based on the expected timing of expense recognition. The amount of commissions is calculated as a percentage of the anticipated gross commission income of the new franchisee or ADF and is amortized over 30 years for domestic franchise agreements or the agreement term for international franchise agreements (generally 25 years). The amount of prepaid commissions was \$29 million and \$28 million at December 31, 2023 and 2022, respectively.

Franchise Other

Through Cartus, the Company offers a broad range of employee relocation services to clients designed to manage all aspects of transferring their employees ("transferees") and provides value through the generation of leads to real estate agent and brokerage participants. These services include, but are not limited to, homesale assistance, relocation policy counseling and group move management services, expense processing and relocation-related accounting, and visa and immigration support. The Company also arranges household goods moving services and provides support for all aspects of moving a transferee's household goods. There are a number of different revenue streams associated with relocation services including fees earned from real estate brokers and household goods moving companies that provide services to the transferee which are recognized at a point in time at the completion of services. The Company earns revenues from outsourcing management fees charged to clients that may cover several of the relocation services listed above, according to the clients' specific needs. Outsourcing management fees are recorded as deferred revenue when billed (usually at the start of the relocation) and are recognized as revenue over the average time period required to complete the transferee's move, or a phase of the move that the fee covers, which is typically 3 to 6 months depending on the move type. The balance for deferred outsourcing management fees decreased from \$4 million at January 1, 2023 to \$3 million at December 31, 2023 due to \$43 million of revenues recognized during the year as performance obligations were satisfied, offset by a \$42 million increase primarily related to additions for management fees billed on new relocation files in advance of the Company satisfying its performance obligation.

Through the Leads Group, the Company provides high-quality leads to independent sales agents, through real estate benefit programs that provide home-buying and selling assistance to customers of lenders, organizations such as credit unions and interest groups that have established members who are buying or selling a home as well as to consumers and corporations who have expressed interest in a certain brand, product or service (such as relocation services), including those offered by Anywhere. The Leads Group also directs the Company's broker-to-broker business, which generates leads by

brokers affiliated with one of its network brokerages, including the Anywhere Leads Network. The networks consist of real estate brokers, including company owned brokerage operations, as well as franchisees and independent real estate brokers who have been approved to become members of one or more networks. Member brokers of the networks receive leads from the Company's real estate benefit programs (including via Cartus) and each other in exchange for a fee paid to the Leads Group. Network fees are billed in advance and recognized into revenue on a straight-line basis each month during the membership period. The balance for deferred network fees increased from zero at January 1, 2023 to \$2 million at December 31, 2023 due to a \$6 million increase related to new network fees, offset by \$4 million of revenues recognized during the year that were included in the deferred revenue balance at the beginning of the period.

Owned Brokerage Group

As an owner-operator of real estate brokerages, the Company assists home buyers and sellers in listing, marketing, selling and finding homes. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue at a point in time which is upon the closing of a real estate transaction (i.e., purchase or sale of a home). These revenues are referred to as gross commission income. The commissions the Company pays to real estate agents are recognized concurrently with associated revenues and presented as the "Commission and other agent-related costs" line item on the accompanying Consolidated Statements of Operations.

The Company has relationships with developers in select major cities (in particular, New York City) to provide marketing and brokerage services in new developments. New development closings generally have a development period of between 18 and 24 months from contracted date to closing. In some cases, the Company receives advanced commissions which are recorded as deferred revenue when received and recognized as revenue when units within the new development close. The balance of advanced commissions related to developments increased from \$11 million at January 1, 2023 to \$12 million at December 31, 2023 due to a \$6 million increase related to additional commissions received for new developments, offset by a \$5 million decrease as a result of revenues recognized on units closed.

Title Group

The Company provides title, escrow and settlement services to consumers, real estate companies, corporations and financial institutions with many of these services provided in connection with the Company's real estate brokerage and relocation services businesses. These services relate to the closing of home purchases and refinancing of home loans and therefore, title revenues and title and closing service fees are recorded at a point in time which occurs at the time a homesale transaction or refinancing closes.

Deferred Revenue

The following table shows the total change in the Company's contract liabilities related to revenue contracts by reportable segment (as discussed in detail above) for the year ended December 31, 2023:

	Year Ended December 31, 2023

The majority of the Company's contracts are transactional in nature or have a duration of one-year or less. Accordingly, the Company does not disclose the value of unsatisfied performance obligations for contracts with an original expected length of one year or less.

4. EQUITY METHOD INVESTMENTS

The Company applies the equity method of accounting for investments in ventures when it possesses significant influence over operational and financial decisions but lacks controlling interests. The Company records its proportionate share of net earnings or losses from these equity method investments under the "Equity in (earnings) losses of unconsolidated entities" line in the Consolidated Statements of Operations. Investments not subject to the equity method are valued at fair market value with adjustments recognized in net income. If the fair value is not readily determinable, these investments are measured at cost minus impairment (if any), plus or minus changes reflecting observable price changes in orderly transactions for an identical or similar investment.

The Company has various equity method investments classified within other non-current assets on the Consolidated Balance Sheets. Although the Company holds certain governance rights, it lacks controlling financial or operational interests in these investments. Equity earnings or losses attributable to these investments are included in the financial results of the Title Group and Owned Brokerage Group reportable segments. The Company's equity method investment balances at December 31, 2023 and 2022 were as follows:

	December 31,

- (1) Guaranteed Rate Affinity is the Company's 49.9% minority-owned mortgage origination joint venture with Guaranteed Rate, Inc which originates and markets its mortgage lending services to the Company's real estate brokerage as well as other real estate brokerage companies across the country. The Company received \$5 million in cash dividends from Guaranteed Rate Affinity during the year ended December 31, 2023.

See Note 1, "Basis of Presentation—Sale of the Title Insurance Underwriter", for additional information related to the sale of the Title Underwriter and subsequent sales of a portion of the Company's ownership in the Title Insurance Underwriter Joint Venture.
- (3) Includes Title Group's various other equity method investments. The Company invested an additional \$1 million and received \$3 million in cash dividends related to these investments during the year ended December 31, 2023.

The Company recorded a \$3 million loss on the sale of a brokerage related investment during the year ended December 31, 2023.

6. LEASES

The Company's lease portfolio consists primarily of office space and equipment. The Company has approximately 1,100 real estate leases with lease terms ranging from less than 1 year to 17 years and includes the Company's brokerage sales offices, regional and branch offices for title and relocation operations, corporate headquarters, regional headquarters, and facilities serving as local administration, training and storage. The Company's brokerage sales offices are generally located in shopping centers and small office parks, typically with lease terms of 1 year to 5 years. In addition, the Company has equipment leases which primarily consist of furniture, computers and other office equipment.

Right-of-use assets represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease. At lease commencement, the Company records a liability for its lease obligation measured at the present value of future lease payments and a right-of-use asset equal to the lease liability adjusted for prepayments and lease incentives. The Company uses its collateralized incremental borrowing rate to calculate the present value of lease liabilities as most of its leases do not provide an implicit rate that is readily determinable. The Company does not recognize a lease obligation and right-of-use asset on its balance sheet for any leases with an initial term of 12 months or less. Some real estate leases include one or more options to renew or terminate a lease. The exercise of a lease renewal or termination option is assessed at commencement of the lease and only reflected in the lease term if the Company is reasonably certain to exercise the option. The Company has lease agreements that contain both lease and non-lease components, such as common area maintenance fees, and has made a policy election to combine both fixed lease and non-lease components in total gross rent for all of its leases. Expense for operating leases is recognized on a straight-line basis over the lease term. Finance lease assets are amortized on a straight-line basis over the shorter of the estimated useful life of the underlying asset or the lease term. The interest component of a finance lease is included in interest expense and recognized using the effective interest method over the lease term.

The Company recognizes impairment charges related to the exit and sublease of certain real estate operating leases. As part of the Company's plan to reduce its office footprint costs and centralize certain aspects of its operational support structure as discussed in Note 14, "Restructuring Costs," the Company will incur right-of-use asset impairments.

The Company's Amended and Restated Credit Agreement dated as of March 5, 2013 (as amended, amended and restated, modified or supplemented from time to time, the "Senior Secured Credit Agreement") governs its senior secured revolving credit facility (the "Revolving Credit Facility") and, until its repayment in full in September 2021, its term loan B facility (the "Term Loan B Facility", and collectively with the Revolving Credit Facility, the "Senior Secured Credit Facility") and the Company's Term Loan A Agreement dated as of October 23, 2015 (as amended, amended and restated,

Greater than 3.50 to 1.00	2.50%	1.50%
Less than or equal to 3.50 to 1.00 but greater than or equal to 2.50 to 1.00	2.25%	1.25%
Less than 2.50 to 1.00 but greater than or equal to 2.00 to 1.00	2.00%	1.00%
Less than 2.00 to 1.00	1.75%	0.75%

Based on the previous quarter's senior secured leverage ratio, the SOFR margin was 1.75% and the ABR margin was 0.75% for the three months ended December 31, 2023.

The obligations under the Senior Secured Credit Agreement are secured to the extent legally permissible by substantially all of the assets of Anywhere Group, Anywhere Intermediate and all of their domestic subsidiaries, other than certain excluded subsidiaries and subject to certain exceptions.

The Senior Secured Credit Agreement contains financial, affirmative and negative covenants as well as a financial covenant that Anywhere Group maintain (so long as commitments under the Revolving Credit Facility are outstanding) a maximum permitted senior secured leverage ratio, not to exceed 4.75 to 1.00. The leverage ratio is tested quarterly regardless of the amount of borrowings outstanding and letters of credit issued under the Revolving Credit Facility at the testing date. Total senior secured net debt does not include the Apple Ridge securitization obligations or our unsecured indebtedness, including the Unsecured Notes and the Exchangeable Senior Notes. At December 31, 2023, Anywhere Group was in compliance with the senior secured leverage ratio covenant.

Term Loan A Facility

The Term Loan A Facility includes the outstanding loans under the Term Loan A Facility (the "Extended Term Loan A") due February 2025. Until its repayment in full in September 2021, the Term Loan A Facility also included the Non-extended Term Loan A due February 2023. The Extended Term Loan A provides for quarterly amortization based on a percentage of the original principal amount of \$237 million, which commenced on June 30, 2021, as follows: 0.625% per quarter from June 30, 2021 to March 31, 2022; 1.25% per quarter from June 30, 2022 to March 31, 2023; 1.875% per quarter from June 30, 2023 to March 31, 2024; and 2.50% per quarter for periods ending on or after June 30, 2024, with the balance of the Extended Term Loan A due at maturity on February 8, 2025.

In May 2023, the Company entered into an amendment to the Term Loan Agreement which replaced London Interbank Offering Rate ("LIBOR") with Term SOFR plus a 10 basis point credit spread adjustment as the applicable benchmark for the Term Loan A Facility (the applicable margin for the Term Loan A Facility remained the same). Interest rates with respect to outstanding borrowings under the Extended Term Loan A is based on, at the Company's option, Term SOFR plus

a 10 basis point credit spread adjustment or ABR, plus (in each case) an additional margin subject to adjustment based on the Company's then current senior secured leverage ratio:

Senior Secured Leverage Ratio	Applicable SOFR Margin	Applicable ABR Margin
Greater than 3.50 to 1.00	2.50%	1.50%
Less than or equal to 3.50 to 1.00 but greater than or equal to 2.50 to 1.00	2.25%	1.25%
Less than 2.50 to 1.00 but greater than or equal to 2.00 to 1.00	2.00%	1.00%
Less than 2.00 to 1.00	1.75%	0.75%

Based on the previous quarter's senior secured leverage ratio, the SOFR margin was 1.75% and the ABR margin was 0.75% for the three months ended December 31, 2023.

The Term Loan A Agreement contains covenants that are substantially similar to those in the Senior Secured Credit Agreement.

Debt Exchange Transactions

On August 24, 2023, the Company completed debt exchange transactions under Section 4(a)(2) of the Securities Act, pursuant to which the Company issued \$640 million of 7.00% Senior Secured Second Lien Notes due 2030 in exchange for \$298 million of the 5.75% Senior Notes due 2029 and \$503 million of the 5.25% Senior Notes due 2030, which included:

- \$218 million of 7.00% Senior Secured Second Lien Notes due 2030 issued to funds managed by Angelo, Gordon & Co., L.P. ("Angelo Gordon"), a Delaware limited partnership (the "Significant Noteholder Exchange"), in exchange for \$273 million of Senior Notes due 2029 and Senior Notes due 2030 (consisting of \$55 million of the 5.75% Senior Notes due 2029 and \$218 million of the 5.25% Senior Notes due 2030) pursuant to an exchange agreement dated July 25, 2023, between Anywhere and Angelo Gordon; and
- \$422 million of 7.00% Senior Secured Second Lien Notes due 2030 in exchange for \$243 million of the 5.75% Senior Notes due 2029 and \$285 million of the 5.25% Senior Notes due 2030, pursuant to exchange offers (the "Exchange Offers") on substantially similar terms to the Significant Noteholder Exchange.

Open Market Repurchases of 5.75% and 5.25% Senior Notes

Following expiration of the Exchange Offers in late August 2023 and on September 1, 2023, the Company repurchased \$26 million of the 5.75% Senior Notes and \$40 million of the 5.25% Senior Notes in open market purchases at an aggregate purchase price of \$48 million, plus accrued interest to the respective repurchase dates.

7.00% Senior Secured Second Lien Notes

The 7.00% Senior Secured Second Lien Notes mature on April 15, 2030 and interest is payable semiannually on April 15 and October 15 of each year which commenced October 15, 2023.

The 7.00% Senior Secured Second Lien Notes are guaranteed on a senior secured second priority basis by Anywhere Intermediate and each domestic direct or indirect restricted subsidiary of Anywhere, other than certain excluded entities, that is a guarantor under its Senior Secured Credit Facility and Term Loan A Facility and certain of its outstanding debt securities. The 7.00% Senior Secured Second Lien Notes are also guaranteed by Anywhere on an unsecured senior subordinated basis. The 7.00% Senior Secured Second Lien Notes are secured by substantially the same collateral as Anywhere Group's existing first lien obligations under its Senior Secured Credit Facility and Term Loan A Facility on a second priority basis.

The indentures governing the 7.00% Senior Secured Second Lien Notes contain various covenants that limit the ability of Anywhere Intermediate, Anywhere Group and Anywhere Group's restricted subsidiaries to take certain actions, which covenants are subject to a number of important exceptions and qualifications. These covenants are substantially similar to the covenants in the indenture governing the 5.75% Senior Notes due 2029 and 5.25% Senior Notes due 2030, as described below under the header "Unsecured Notes".

Unsecured Notes

The 5.75% Senior Notes and 5.25% Senior Notes (collectively the "Unsecured Notes") are unsecured senior obligations of Anywhere Group. The 5.75% Senior Notes mature on January 15, 2029 with interest on such notes payable each year semiannually on January 15 and July 15. The 5.25% Senior Notes mature on April 15, 2030 with interest on such notes payable each year semiannually on April 15 and October 15 which commenced April 15, 2022.

The Company may redeem all or a portion of the 5.75% Senior Notes or 5.25% Senior Notes, as applicable, at the redemption price set forth in the applicable indenture governing such notes, commencing on January 15, 2024 and April 15, 2025, respectively. Prior to those dates, the Company may redeem the applicable notes at its option, in whole or in part, at a redemption price equal to 100% of the principal amount of such notes redeemed plus a "make-whole" premium as set forth in the applicable indenture governing such notes. In addition, prior to the dates noted above, the Company may redeem up to 40% of the notes from the proceeds of certain equity offerings as set forth in the applicable indenture governing such notes.

The Unsecured Notes are guaranteed on an unsecured senior basis by each domestic subsidiary of Anywhere Group that is a guarantor under the Senior Secured Credit Facility, Term Loan A Facility and Anywhere Group's outstanding debt securities and are guaranteed by Anywhere Holdings on an unsecured senior subordinated basis.

The indentures governing the Unsecured Notes contain various negative covenants that limit Anywhere Group's and its restricted subsidiaries' ability to take certain actions, which covenants are subject to a number of important exceptions and qualifications. These covenants include limitations on Anywhere Group's and its restricted subsidiaries' ability to (a) incur or guarantee additional indebtedness, or issue disqualified stock or preferred stock, (b) pay dividends or make distributions to their stockholders, (c) repurchase or redeem capital stock, (d) make investments or acquisitions, (e) incur restrictions on the ability of certain of their subsidiaries to pay dividends or to make other payments to Anywhere Group, (f) enter into transactions with affiliates, (g) create liens, (h) merge or consolidate with other companies or transfer all or substantially all of their assets, (i) transfer or sell assets, including capital stock of subsidiaries and (j) prepay, redeem or repurchase debt that is subordinated in right of payment to the Unsecured Notes.

In particular, under the Unsecured Notes:

- the cumulative credit basket is not available to repurchase shares to the extent the consolidated leverage ratio is equal to or greater than 4.0 to 1.0 on a pro forma basis giving effect to such repurchase;
- the consolidated leverage ratio must be less than 3.0 to 1.0 to use the unlimited general restricted payment basket; and
- a restricted payment basket is available for up to \$45 million of dividends per calendar year (with any actual dividends deducted from the available cumulative credit basket).

The consolidated leverage ratio is measured by dividing Anywhere Group's total net debt (excluding securitizations) by the trailing twelve-month EBITDA. EBITDA, as defined in the applicable indentures governing the Unsecured Notes, is substantially similar to EBITDA calculated on a Pro Forma Basis, as those terms are defined in the Senior Secured Credit Agreement. Net debt under the indenture governing the Unsecured Notes is Anywhere Group's total indebtedness (excluding securitizations) less (i) its cash and cash equivalents in excess of restricted cash and (ii) a \$200 million seasonality adjustment permitted when measuring the ratio on a date during the period of March 1 to May 31.

Exchangeable Senior Notes

In June 2021, Anywhere Group issued \$403 million of 0.25% Exchangeable Senior Notes due 2026. The net proceeds from the offering were used to pay the cost of the exchangeable note hedge transactions described below (partially offset by proceeds from the warrant transactions described below). The Exchangeable Senior Notes mature on June 15, 2026 with semiannually interest payments on June 15 and December 15.

The Exchangeable Senior Notes are guaranteed on an unsecured senior basis by each domestic subsidiary of Anywhere Group that is a guarantor under the Senior Secured Credit Facility, Term Loan A Facility and Anywhere Group's outstanding debt securities and are guaranteed by Anywhere on an unsecured senior subordinated basis.

Noteholders have the right to exchange their Exchangeable Senior Notes before March 15, 2026 upon the occurrence of certain events (as described in the indenture governing the notes) and on or after March 15, 2026 at their election until the close of business on the second scheduled trading day immediately before the maturity date of the notes. Upon exchange, Anywhere Group will pay cash up to the principal amount being exchanged and pay or deliver cash, shares of the

Company's common stock or a combination of both at the Company's election for the portion of the exchange obligation in excess of the aggregate principal amount being exchanged.

The initial exchange rate for Exchangeable Senior Notes is 40.8397 shares of the Company's common stock per \$1,000 principal amount of notes (which represents an initial exchange price of approximately \$24.49 per share). The exchange rate and exchange price are subject to customary adjustments upon the occurrence of certain events and may be increased for a specified period of time if a "Make-Whole Fundamental Change" (as defined in the indenture governing the Exchangeable Senior Notes) occurs. Initially, a maximum of approximately 23,013,139 shares of the Company's common stock may be issued upon the exchange of the Exchangeable Senior Notes, based on the initial maximum exchange rate of 57.1755 shares of the Company's common stock per \$1,000 principal amount of notes, which is subject to customary anti-dilution adjustment provisions.

The Exchangeable Senior Notes are redeemable, in whole or in part, at the Company's option between June 20, 2024 and maturity, if the Company's common stock exceeds 130% of the exchange price for at least 20 trading days, at a cash redemption price equal to the principal amount of the Exchangeable Senior Notes to be redeemed plus accrued and unpaid interest. In addition, calling any Exchangeable Senior Notes for redemption will constitute a Make-Whole Fundamental Change which may increase the exchange rate applicable to the exchange of that note in certain circumstances. In addition, if certain corporate events that constitute a "Fundamental Change" (as defined in the indenture governing the Exchangeable Senior Notes) occurs, then noteholders may require the Company to repurchase their Exchangeable Senior Notes at a cash repurchase price equal to the principal amount of the notes to be repurchased, plus accrued and unpaid interest. The indenture governing the Exchangeable Senior Notes also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on the Exchangeable Senior Notes to become or to be declared due and payable.

At issuance in June 2021 and under accounting guidance applicable, the Company allocated \$319 million to the debt liability and \$53 million to additional paid in capital. The difference between the principal amount of the Exchangeable Senior Notes and the liability component, inclusive of issuance costs, represented the debt discount, which the Company amortized to interest expense over the term of the Exchangeable Senior Notes using an effective interest rate of 4.375%. As a result, the Company recognized non-cash interest expense of \$8 million related to the Exchangeable Senior Notes during 2021. Upon the adoption of ASU 2020-06 on January 1, 2022, the Company derecognized the unamortized debt discount and related equity component associated with its Exchangeable Senior Notes resulting in an increase to Long-term debt of \$65 million, a reduction to Additional paid-in capital of \$53 million, net of taxes, and a reduction to Deferred tax liabilities of \$17 million. The Company recorded a cumulative effect of adoption adjustment of \$5 million, net of taxes, as a reduction to Accumulated deficit on January 1, 2022 related to the reversal of cumulative interest expense recognized for the amortization of the debt discount on its Exchangeable Senior Notes since issuance.

Exchangeable Note Hedge and Warrant Transactions

In relation to the pricing of the Exchangeable Senior Notes and the exercise by the initial purchasers to buy more notes, the Company engaged in exchangeable note hedge transactions with certain counterparties (the "Option Counterparties"). These transactions, which cost a total of \$67 million, protect against potential dilution in the Company's common stock underlying the Notes, with adjustments similar to those applicable to the Exchangeable Senior Notes.

Simultaneously, as part of these transactions, the Company entered into warrant transactions with the Option Counterparties selling warrants to purchase, subject to customary adjustments, up to the same number of shares of the Company's common stock. The initial strike price for the warrants was \$30.6075 per share, and the Company received \$46 million in cash from these transactions.

The combined effect of acquiring exchangeable note hedges and selling warrants is aimed at mitigating potential dilution and/or cash payments upon the exchange of the Exchangeable Senior Notes, effectively raising the overall exchange price from \$24.49 to \$30.6075 per share.

Upon issuance, the Company recorded a deferred tax liability of \$20 million related to the Exchangeable Senior Notes debt discount and a deferred tax asset of \$18 million related to the exchangeable note hedge transactions. These were netted and recorded within deferred income taxes in the Consolidated Balance Sheets. The deferred tax liability related to the Exchangeable Senior Notes debt discount was reversed on January 1, 2022, following the adoption of ASU 2020-06 as discussed above.

Securitization Obligations

Anywhere Group has secured obligations through Apple Ridge Funding LLC under a securitization program which expires in May 2024. The securitization program included a seasonal increase provision which allowed for a temporary increase to \$215 million of borrowing capacity from July 17 to October 15 of 2023, at which time it reverted back to \$200 million of borrowing capacity. As of December 31, 2023, the Company had \$200 million of borrowing capacity under the Apple Ridge Funding LLC securitization program with \$115 million being utilized leaving \$85 million of available capacity subject to maintaining sufficient relocation related assets to collateralize the securitization obligation.

The Apple Ridge entities are consolidated special purpose entities that are utilized to securitize relocation receivables and related assets. These assets are generated from advancing funds on behalf of clients of Anywhere Group's relocation operations in order to facilitate the relocation of their employees. Assets of these special purpose entities are not available to pay Anywhere Group's general obligations. Under the Apple Ridge program, provided no termination or amortization event has occurred, any new receivables generated under the designated relocation management agreements are sold into the securitization program and as new eligible relocation management agreements are entered into, the new agreements are designated to the program.

The Apple Ridge program has restrictive covenants and trigger events, the occurrence of which could restrict our ability to access new or existing funding under this facility or result in termination of the facility, either of which would adversely affect the operation of the Company's relocation services.

Certain of the funds that Anywhere Group receives from relocation receivables and related assets are required to be utilized to repay securitization obligations. These obligations are collateralized by \$146 million and \$206 million of underlying relocation receivables and other related relocation assets at December 31, 2023 and 2022, respectively. Substantially all relocation related assets are realized in less than twelve months from the transaction date. Accordingly, all of Anywhere Group's securitization obligations are classified as current in the accompanying Consolidated Balance Sheets.

Interest incurred in connection with borrowings under the facility amounted to \$12 million and \$7 million for the years ended December 31, 2023 and 2022, respectively. This interest is recorded within net revenues in the accompanying Consolidated Statements of Operations as related borrowings are utilized to fund Anywhere Group's relocation operations where interest is generally earned on such assets. The securitization obligations represent floating rate debt for which the average weighted interest rate was 7.5% and 4.2% for the years ended December 31, 2023 and 2022, respectively.

Gain/Loss on the Early Extinguishment of Debt and Write-Off of Financing Costs

During the year ended December 31, 2023, the Company recorded gains on the early extinguishment of debt totaling \$169 million which consisted of \$151 million as a result of the debt exchange transactions and \$18 million as a result of the open market repurchases occurring in the third quarter of 2023 as discussed above.

During the year ended December 31, 2022, the Company recorded a loss on the early extinguishment of debt of \$96 million, as a result of the refinancing transactions during 2022, which included \$80 million related to the make-whole premiums paid in connection with the early redemption of the 7.625% Senior Secured Second Lien Notes and 9.375% Senior Notes.

During the year ended December 31, 2021, the Company recorded losses on the early extinguishment of debt of \$21 million and wrote off certain financing costs of \$1 million to interest expense as a result of the refinancing transactions in January and February 2021, the pay down of \$150 million of outstanding borrowings under the Term Loan B Facility in April 2021 and the pay downs of the Non-extended Term Loan A and the Term Loan B Facility in September 2021.

10. FRANCHISING AND MARKETING ACTIVITIES

Domestic franchisee agreements generally require the franchisee to pay the Company an initial franchise fee for the franchisee's principal office plus a royalty fee that is a percentage of gross commission income, if any, earned by the franchisee. Franchisee fees can be structured in numerous ways. The Company utilizes multiple franchise fee models, including: (i) volume-based incentive (under which royalty fee rate is subject to reduction based on volume incentives); (ii) flat percentage royalty fee (under which the franchisee pays a fixed percentage of their commission income); (iii) capped fee (under which the franchisee pays a royalty fee capped at a set amount per independent sales agents per year); and (iv) tiered royalty fee (under which the franchisee pays a percentage of their gross commission income as a royalty fee). The volume incentives currently in effect vary for each eligible franchisee for which the Company provides a detailed table that describes the gross revenue thresholds required to achieve a volume incentive and the corresponding incentive amounts and are subject to change.

Domestic initial franchise fees and international area development fees were \$5 million, \$4 million and \$5 million for each of the years ended December 31, 2023, 2022 and 2021, respectively. Franchise royalty revenue is recorded net of annual volume incentives provided to real estate franchisees of \$43 million, \$61 million and \$87 million for the years ended December 31, 2023, 2022 and 2021, respectively.

The Company's wholly-owned real estate brokerage services segment, Owned Brokerage Group, pays royalties to the Company's franchise business; however, such amounts are eliminated in consolidation. Owned Brokerage Group paid royalties to Franchise Group of \$301 million, \$358 million and \$393 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Marketing fees are generally paid by the Company's real estate franchisees and are generally calculated based on a specified percentage of gross closed commissions earned on real estate transactions, and may be subject to certain minimum and maximum payments. Brand marketing fund revenue was \$82 million, \$89 million and \$92 million for the years ended December 31, 2023, 2022 and 2021, respectively, which included marketing fees paid to Franchise Group from Owned Brokerage Group of \$14 million, \$15 million and \$14 million for the years ended December 31, 2023, 2022 and 2021, respectively. As provided for in the franchise agreements and generally at the Company's discretion, all of these fees are to be expended for marketing purposes.

In order to assist franchisees in converting to one of the Company's brands or as an incentive to renew their franchise agreement, the Company may at its discretion, provide incentives, primarily in the form of conversion notes or other note-backed funding. Provided the franchisee meets certain minimum annual revenue thresholds during the term of the notes and is in compliance with the terms of the franchise agreement, the amount of the note is forgiven annually in equal ratable amounts generally over the life of the franchise agreement. If the revenue performance thresholds are not met or the franchise agreement terminates, franchisees may be required to repay a portion of the outstanding notes. The amount of such franchisee conversion notes or other note-backed funding was \$174 million and \$182 million at December 31, 2023 and 2022, respectively. These notes are principally classified within other non-current assets in the Company's Consolidated Balance Sheets. The Company recorded a contra-revenue in the statement of operations related to the forgiveness and impairment of these notes and other sales incentives of \$34 million, \$45 million and \$32 million for the years ended December 31, 2023, 2022 and 2021, respectively.

The Company's defined benefit pension plan was closed to new entrants as of July 1, 1997 and existing participants do not accrue any additional benefits. The net periodic pension cost for 2023 was \$3 million and was comprised of interest cost of approximately \$5 million and the amortization of the actuarial net loss of \$3 million, offset by a benefit of \$5 million for the expected return on assets. The net periodic pension benefit for 2022 was \$1 million and was comprised of interest cost of approximately \$4 million and the amortization of the actuarial net loss of \$2 million, offset by a benefit of \$7 million for the expected return on assets.

Deferred income taxes result from temporary differences between the amount of assets and liabilities recognized for financial reporting and tax purposes. The components of the deferred income tax assets and liabilities are as follows:

	December 31,	
	2023	2022
<i>Deferred income tax assets:</i>		
Net operating loss carryforwards	\$ 36	\$ 39
Tax credit carryforwards	28	27
Accrued liabilities and deferred income	117	86
Interest expense limitation carryforward	5	41
Operating leases	120	133
Minimum pension obligations	13	14
Provision for doubtful accounts	10	9
Liability for unrecognized tax benefits	2	1
Other	—	1
Total deferred tax assets	<u>331</u>	<u>351</u>
Less: valuation allowance	<u>(25)</u>	<u>(20)</u>
Total deferred income tax assets after valuation allowance	306	331
<i>Deferred income tax liabilities:</i>		
Depreciation and amortization	384	433
Operating leases	99	111
Prepaid expenses	9	9
Basis difference in investment in joint ventures	21	17
Total deferred tax liabilities	<u>513</u>	<u>570</u>
Net deferred income tax liabilities	<u>\$ (207)</u>	<u>\$ (239)</u>

As of December 31, 2023, the Company's deferred tax asset for net operating loss carryforwards is primarily related to certain state net operating loss carryforwards which expire between 2025 and 2034. The Company's deferred tax asset for tax credits carryforwards is primarily related to foreign tax credits which expire between 2023 and 2033. The Company's interest expense limitation carryforward never expires.

Accounting for Uncertainty in Income Taxes

The Company utilizes the FASB guidance for accounting for uncertainty in income taxes, which prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. The Company reflects changes in its liability for unrecognized tax benefits as income tax expense in the Consolidated Statements of Operations. As of December 31, 2023, the Company's gross liability for unrecognized tax benefits was \$20 million, of which \$18 million would affect the Company's effective tax rate, if recognized. The Company does not expect that its unrecognized tax benefits will significantly change over the next twelve months.

The Company files U.S., state and foreign income tax returns in jurisdictions with varying statutes of limitations. Tax returns for the 2006 through 2023 tax years remain subject to examination by federal and certain state tax authorities. In significant foreign jurisdictions, tax returns for the 2017 through 2023 tax years generally remain subject to examination by their respective tax authorities. The Company believes that it is reasonably possible that the total amount of its unrecognized tax benefits could decrease by \$1 million in certain taxing jurisdictions where the statute of limitations is set to expire within the next twelve months.

The Company recognizes accrued interest and penalties related to unrecognized tax benefits in interest expense and operating expenses, respectively. The Company recognized an increase of interest expense of \$1 million for the year ended December 31, 2023, an increase of interest expense of \$1 million for the year ended December 31, 2022 and no change of interest expense for the year ended December 31, 2021.

The rollforward of unrecognized tax benefits are summarized in the table below:

Unrecognized tax benefits—January 1, 2021	\$ 19
Settlements	(1)
Reduction due to lapse of statute of limitations	(1)
Unrecognized tax benefits—December 31, 2021	<u>17</u>
Gross increases - tax positions in prior periods	3
Gross decreases - tax positions in prior periods	(1)
Gross increases - tax positions in current period	1
Unrecognized tax benefits—December 31, 2022	<u>20</u>
Gross decreases - tax positions in prior periods	(1)
Gross increases - tax positions in current period	1
Unrecognized tax benefits—December 31, 2023	<u><u>\$ 20</u></u>

The Company is subject to income taxes in the United States and several foreign jurisdictions. Significant judgment is required in determining the worldwide provision for income taxes and recording related assets and liabilities. In the ordinary course of business, there are many transactions and calculations where the ultimate tax determination is uncertain. The Company is regularly under audit by tax authorities whereby the outcome of the audits is uncertain. The Company believes there is appropriate support for positions taken on its tax returns. The liabilities that have been recorded represent the best estimates of the probable loss on certain positions and are adequate for all open years based on an assessment of many factors including past experience and interpretations of tax law applied to the facts of each matter. However, the outcomes of tax audits are inherently uncertain.

Tax Sharing Agreement

Under the Tax Sharing Agreement with Cendant, Wyndham Worldwide and Travelport, the Company is generally responsible for 62.5% of payments made to settle claims with respect to tax periods ending on or prior to December 31, 2006 that relate to income taxes imposed on Cendant and certain of its subsidiaries, the operations (or former operations) of which were determined by Cendant not to relate specifically to the respective businesses of Anywhere, Wyndham Worldwide, Avis Budget or Travelport. With respect to any remaining residual legacy Cendant tax liabilities, the Company and its former parent believe there is appropriate support for the positions taken on Cendant's tax returns. However, tax audits and any related litigation, including disputes or litigation on the allocation of tax liabilities between parties under the Tax Sharing Agreement, could result in outcomes for the Company that are different from those reflected in the Company's historical financial statements.

13. STOCK-BASED COMPENSATION

The Company grants stock-based compensation awards to certain senior management members, employees and directors including non-qualified stock options, restricted stock units ("RSUs") and performance share units ("PSUs").

The Company's stockholders approved the Second Amended and Restated 2018 Long-Term Incentive Plan (the "2018 Plan") at the 2023 Annual Meeting of Stockholders held on May 3, 2023. Under the 2018 Plan, a total of 14 million shares were authorized for issuance and as of December 31, 2023, there are approximately 5.1 million shares available for future grants.

The form of equity award agreements includes a retirement provision for equity grants which provide for continued vesting of awards once an employee has attained the age of 65 years, or 55 years of age or older plus at least ten years of tenure with the Company, provided they have been employed or provided services to the Company for one year following the date of grant or start of the performance period.

Historically, equity awards granted annually generally included a mix of RSUs, PSUs and options. However, in 2020 the Company shifted away from granting options, limited equity awards to a small group of executives and granted other key employees cash-based awards, including cash-based RSUs.

RSUs granted vest over three years, with 33.33% vesting on each anniversary of the grant date. The fair value of RSUs is equal to the closing sale price of the Company's common stock on the date of grant. During 2023, the Company granted

restricted stock unit awards related to 1.8 million shares with a weighted average grant date fair value of \$5.81 which includes shares granted to certain executives in February 2023 and directors in May 2023. There were 2.8 million shares underlying share-settled RSUs outstanding at December 31, 2023 with a weighted average grant date fair value of \$9.36.

PSUs are incentives that reward grantees based upon the Company's financial performance over a three-year performance period which begins January 1st of the grant year and ends on December 31st of the third year following the grant year. These awards are measured according to two metrics: one is based upon the total stockholder return of Anywhere's common stock relative to the total stockholder return of the S&P MidCap 400 index ("RTSR"), and the other is based upon the achievement of cumulative free cash flow goals ("CFCF"). The payout under each PSU award is variable and based upon the extent to which the performance goals are achieved over the performance period (with a range of payout from 0% to 175% of target for the RTSR award and 0% to 200% of target for the achievement of cumulative free cash flow award) and will be distributed during the first quarter after the end of the performance period. The fair value of PSU awards without a market condition is equal to the closing sale price of the Company's common stock on the date of grant and the fair value of the RTSR awards is estimated on the date of grant using the Monte Carlo Simulation method.

In February 2023, the Company granted performance stock unit awards related to 1.5 million shares with a weighted average grant date fair value of \$4.76 to certain executives. There were 2.8 million shares outstanding at December 31, 2023 with a weighted average grant date fair value of \$9.24.

Stock options have a maximum term of ten years and vest over four years, with 25% vesting on each anniversary date of the grant date. The options have an exercise price equal to the closing sale price of the Company's common stock on the date of grant. The fair value of the options is estimated on the date of grant using the Black-Scholes option-pricing model. There were 1.7 million options outstanding at December 31, 2023 with a weighted average exercise price of \$23.23, of which all 1.7 million are exercisable with an intrinsic value of zero and a weighted average remaining contractual life of 3.5 years. The Company has not granted options since 2019 and forfeiture and exercise activity was immaterial for the year ended December 31, 2023.

Stock-Based Compensation Expense

As of December 31, 2023, based on current performance achievement expectations, there was \$15 million of unrecognized compensation cost related to incentive equity awards under the plans which would be recorded in future periods as compensation expense over a remaining weighted average period of approximately 1.7 years. The Company recorded stock-based compensation expense related to the incentive equity awards of \$12 million, \$22 million and \$29 million for the years ended December 31, 2023, 2022 and 2021, respectively.

14. RESTRUCTURING COSTS

Restructuring charges for the years ended December 31, 2023, 2022 and 2021 were \$49 million, \$32 million and \$17 million, respectively. The components of the restructuring charges for the years ended December 31, 2023, 2022 and 2021 were as follows:

	Years Ended December 31,		
	2023	2022	2021
Personnel-related costs (1)	\$ 21	\$ 16	\$ 6
Facility-related costs (2)	28	16	11
Total restructuring charges (3)	<u>\$ 49</u>	<u>\$ 32</u>	<u>\$ 17</u>

- (1) Personnel-related costs consist of severance costs provided to employees who have been terminated.
- (2) Facility-related costs consist of costs associated with planned facility closures such as contract termination costs, amortization of lease assets that will continue to be incurred under the contract for its remaining term without economic benefit to the Company, accelerated depreciation on asset disposals and other facility and employee relocation related costs.
- (3) Restructuring charges for the year ended December 31, 2023 include \$43 million of expense related to the Operational Efficiencies Plan and \$6 million of expense related to prior restructuring plans. Restructuring charges for the year ended December 31, 2022 include \$20 million of expense related to the Operational Efficiencies Plan and \$12 million of expense related to prior restructuring plans. Restructuring charges for the year ended December 31, 2021 related to prior restructuring plans.

Operational Efficiencies Plan

Beginning in the third quarter of 2022, the Company commenced a strategic plan ("the Plan") to optimize operational efficiency, reduce its office footprint costs, centralize certain aspects of its operational support structure and drive changes in how it serves its affiliated independent sales agents as well as consumers from a marketing and technology perspective. Furthermore, in January 2023, the Company executed a meaningful workforce reduction driven by worsening trends in the housing market beginning in 2022. The Company anticipates incurring additional costs in 2024, primarily associated with facility closures that are part of the continued execution of the Plan. These actions build on the multiple other cost reduction and spending reprioritization initiatives such as simplified and more integrated and digitized offerings, systems and support. Delivering the Company's business model more digitally is an increasing part of improving the consumer experience and the Company's ongoing cost focus. The Company expects to continue to prioritize investments in efforts to support its independent sales agents, franchisees and consumers which includes investments in technology and innovative products, lead generation and franchisee support.

The following is a reconciliation of the beginning and ending reserve balances related to the Plan:

	Personnel-related costs	Facility-related costs	Total
Balance at December 31, 2022	\$ 10	\$ 2	\$ 12
Restructuring charges (1)	21	22	43
Costs paid or otherwise settled	(21)	(20)	(41)
Balance at December 31, 2023	<u>\$ 10</u>	<u>\$ 4</u>	<u>\$ 14</u>

- (1) In addition, the Company incurred \$11 million of facility-related costs for lease asset impairments in connection with the Plan during the year ended December 31, 2023.

The following table shows the total costs currently expected to be incurred by type of cost related to the Plan:

	Total amount expected to be incurred	Amount incurred to date	Total amount remaining to be incurred
Personnel-related costs	\$ 38	\$ 35	\$ 3
Facility-related costs	51	28	23
Total	<u>\$ 89</u>	<u>\$ 63</u>	<u>\$ 26</u>

The following table shows the total costs currently expected to be incurred by reportable segment related to the Plan:

	Total amount expected to be incurred	Amount incurred to date	Total amount remaining to be incurred
Franchise Group	\$ 13	\$ 13	\$ —
Owned Brokerage Group	64	39	25
Title Group	5	4	1
Corporate and Other	7	7	—
Total	<u>\$ 89</u>	<u>\$ 63</u>	<u>\$ 26</u>

Prior Restructuring Plans

During 2019, the Company took various strategic initiatives to reduce costs and institute operational and facility related efficiencies to drive profitability. During 2020, as a result of the COVID-19 pandemic, the Company transitioned substantially all of its employees to a remote-work environment which allowed the Company to reevaluate its office space needs. As a result, additional facility and operational efficiencies were identified and implemented which included the transformation of its corporate headquarters in Madison, New Jersey to an open-plan innovation hub. At December 31, 2022, the remaining liability related to these initiatives was \$12 million. During the year ended December 31, 2023, the Company incurred \$6 million of costs and paid or settled \$9 million of costs resulting in a remaining accrual of \$9 million at December 31, 2023. The remaining accrual of \$9 million and total amount remaining to be incurred of \$20 million primarily relate to the transformation of the Company's corporate headquarters.

15. COMMITMENTS AND CONTINGENCIES

Litigation

The Company is involved in claims, legal proceedings, alternative dispute resolution and governmental inquiries or regulatory actions related to alleged business practices, intellectual property matters, commercial, employment, regulatory and tax matters and contract disputes, including the matters described below.

The Company believes that it has adequately accrued for legal matters as appropriate. The Company records litigation accruals for legal matters when it is both probable that a liability will be incurred, and the amount of the loss can be reasonably estimated. Where the reasonable estimate of the probable loss is a range, the Company records as an accrual in its financial statements the most likely estimate of the loss, or the low end of the range if there is no one best estimate. For other litigation for which a loss is reasonably possible, the Company is unable to estimate a range of reasonably possible losses.

Litigation and other disputes are inherently unpredictable and subject to substantial uncertainties and unfavorable developments and resolutions could occur and even cases brought by us can involve counterclaims asserted against us. Even in matters in which we are not a named party, regulatory investigations and other litigation can have significant implications for the Company, particularly in litigation involving trade associations or MLSs, as changes to their rules and practices can directly impact us. In addition, litigation and other legal matters, including class action lawsuits, multi-party litigation and regulatory proceedings challenging practices that have broad impact, can be costly to defend and, depending on the class size and claims, could be costly to settle. Insurance coverage may be unavailable for certain types of claims (including antitrust and Telephone Consumer Protection Act ("TCPA") litigation) and even where available, insurance carriers may dispute coverage for various reasons, including the cost of defense, there is a deductible for each such case, and such insurance may not be sufficient to cover the losses the Company incurs.

From time to time, even if the Company believes it has substantial defenses, it may consider litigation settlements based on a variety of circumstances.

Due to the foregoing factors as well as the factors set forth below, the Company could incur charges or judgments or enter into settlements of claims, based upon future events or developments, with liabilities that are materially in excess of amounts accrued and these judgments or settlements could have a material adverse effect on the Company's financial condition, results of operations or cash flows in any particular period. As such, an increase in accruals for one or more of these matters in any reporting period may have a material adverse effect on the Company's results of operations and cash flows for that period.

The below captioned matters address certain current litigation involving the Company. The captioned matters described herein involve evolving, complex litigation and the Company assesses its accruals on an ongoing basis taking into account the procedural stage and developments in the litigation.

The Company disputes the allegations against it in each of these matters, believes it has substantial defenses against plaintiffs' claims and is vigorously defending these actions (though the courts have stayed its defense in the *Burnett* and *Moehrl* cases as part of the recent settlement of those cases described below).

All of these matters are presented as currently captioned, but as noted elsewhere in this Annual Report, Realogy Holdings Corp. has been renamed Anywhere Real Estate Inc.

Antitrust Litigation

The cases included under this header, Antitrust Litigation, are class actions that challenge residential real estate industry rules and practices for payment of buyer-broker commissions and certain alleged associated practices. The issues raised by these cases are pending in multiple jurisdictions, are at various stages of litigation, claim to cover lengthy periods, involve different assertions with respect to liability and damages, include federal and certain state law claims, involve numerous and differing parties, and—given that antitrust laws generally provide for joint and several liability and treble damages—could result in a broad range of outcomes, making it difficult to predict possible damages or how legal, factual and damages issues will be resolved.

Although the Company has settled certain of these cases (but such cases remain ongoing for non-settling defendants), because these cases are in various stages and will involve injunctive relief yet to be determined by the relevant courts (including against the industry trade association), we may be impacted by broader changes to industry practices and rules.

Since late October 2023, approximately twenty lawsuits have been filed against various real estate brokerages, NAR, MLSs, and/or state and local Realtor Associations, about half of which name Anywhere, its subsidiaries or franchisees; in those cases, plaintiffs have generally either agreed to dismiss or stay the actions against Anywhere, its subsidiaries or franchisees. On December 27, 2023, a motion to designate these various seller antitrust lawsuits as multidistrict litigation and consolidate them for administration purposes before a single court was filed by the plaintiffs' counsel in the *Moerhl* litigation, and the *Nosalek* litigation has been stayed pending the outcome of that motion. Oral argument has been set for March 28, 2024 and a ruling is expected in May 2024. The Company believes that additional antitrust litigation may be possible beyond what has already been filed.

Burnett, Hendrickson, Breit, Trupiano, and Keel v. The National Association of Realtors, Realty Holdings Corp., Homeservices of America, Inc., BHH Affiliates LLC, HSF Affiliates, LLC, RE/MAX LLC, and Keller Williams Realty, Inc. (U.S. District Court for the Western District of Missouri). This is a now-certified class action complaint, which was filed on April 29, 2019 and amended on June 21, 2019, June 30, 2021 and May 6, 2022 and tried with a jury verdict on October 31, 2023 (formerly captioned as *Sitzer*).

The plaintiffs allege that the defendants engaged in a continuing contract, combination, or conspiracy to unreasonably restrain trade and commerce in violation of Section 1 of the Sherman Act because defendant NAR allegedly established mandatory anticompetitive policies and rules for the multiple listing services and its members that require an offer of buyer-broker compensation when listing a property. The plaintiffs' experts argue that "but for" the challenged NAR policies and rules, these offers of buyer-broker compensation would not be made and plaintiffs seek the recovery of full commissions paid to buyers' brokers as to both brokerage and franchised operations in the relevant geographic area.

The plaintiffs further allege that commission sharing, which provides for the broker representing the seller sharing or paying a portion of its commission to the broker representing the buyer, is anticompetitive and violates the Sherman Act, and that the brokerage/franchisor defendants conspired with NAR by requiring their respective brokerages/franchisees to comply with NAR's policies, rules, and Code of Ethics, and engaged in other allegedly anticompetitive conduct including, but not limited to, steering and agent education that allegedly promotes the practice of paying buyer-broker compensation and discourages commission negotiation. Plaintiffs' experts dispute defendants' contention that the practice of offering and paying buyer-broker compensation is based on natural and legitimate economic incentives and benefits that exist irrespective of the challenged NAR policies and rules and plaintiffs also contend that international practices are comparable benchmarks.

The antitrust claims in the *Burnett* litigation are limited both in allegations and relief sought to home sellers who from April 29, 2015, to the present used a listing broker affiliated with one of the brokerage/franchisor defendants in four multiple listing services ("MLSs") that primarily serve the State of Missouri, purportedly in violation of federal and Missouri antitrust laws. The plaintiffs also seek injunctive relief enjoining the defendants from requiring home sellers to pay buyer-broker commissions or from otherwise restricting competition among brokers, an award of damages and/or restitution for the class period, attorneys' fees and costs of suit. Plaintiffs allege joint and several liability and seek treble damages.

In addition, the plaintiffs had included a cause of action for alleged violations of the Missouri Merchandising Practices Act, or MMPA, on behalf of Missouri residents only, with a class period that commences April 29, 2014, but in October 2023, the court granted plaintiffs' motion to dismiss that cause of action and the Missouri antitrust claims.

In September 2019, the Department of Justice ("DOJ") filed a statement of interest and appearances for this matter and, in July 2020 and July 2021, requested the Company provide it with all materials produced in this matter.

The Court granted class certification on April 22, 2022 and as certified, includes, according to plaintiffs, over 250,000 transactions for which the plaintiffs are seeking a full refund of the buyer-broker commissions. The Company and the plaintiffs engaged in several mediation sessions, the most recent of which was held at the end of August 2023 and resulted in a settlement of the litigation as against Anywhere (with one other corporate defendant entering into a separate settlement in September 2023).

On September 5, 2023, the Company notified the court that it had entered into nationwide settlement with the *Burnett* and *Moerhl* plaintiffs and obtained a stay of all proceedings as to the Company while the parties finalized a long form written settlement agreement ("Anywhere Settlement"). On October 5, 2023, Plaintiffs filed the motion for preliminary

approval of both the Anywhere Settlement and the settlement with another corporate defendant. The court granted preliminary approval of the Anywhere Settlement on November 21, 2023. Notice to the class was issued on February 1, 2024. On February 1, 2024, a third corporate defendant entered into a settlement agreement, which was preliminarily approved by the court on the same day. A hearing for final approval of all three settlements is scheduled for May 9, 2024.

Under the terms of the proposed nationwide Anywhere Settlement, which remains subject to final court approval, Anywhere has agreed to provide monetary relief of \$83.5 million as well as injunctive relief. The proposed settlement resolves, on a nationwide basis, all claims asserted or could have been asserted against Anywhere in the *Burnett* and *Moehrl* cases. Specifically, the Anywhere Settlement releases the Company, all subsidiaries, brands, affiliated agents, and franchisees from all claims that were or could have been asserted by all persons who sold a home that was listed on a multiple listing service anywhere in the United States where a commission was paid to any brokerage in connection with the sale of the home in the relevant class period. The proposed settlement is not an admission of liability, nor does it concede or validate any of the claims asserted against Anywhere.

Under the terms of the proposed settlement, Anywhere has agreed to deposit into the settlement fund (i) \$10 million within 14 business days after preliminary court approval is granted (which was paid in December 2023); (ii) \$20 million within 14 business days after the court approval of fees and costs, which is typically granted with final approval; and (iii) the remaining balance within 21 business days after final court approval and all appellate rights are exhausted.

The proposed Anywhere Settlement includes injunctive relief for a period of five years following final court approval, requiring practice changes in the Company owned brokerage operations and that the Company recommend and encourage these same practice changes to its independently owned and operated franchise network. The injunctive relief, includes but is not limited to, reminding Company owned brokerages, franchisees and their respective agents that Anywhere has no rule *requiring* offers of compensation to buyer brokers; prohibiting Company-owned brokerages (and recommending to franchisees) and agents from using technology (or manually) to sort listings by offers of compensation, unless requested by the client; eliminating any minimum client commission for Company-owned brokerages; and refraining from adopting any requirement that Company-owned brokerages, franchisees or their respective agents belong to NAR or follow NAR's Code of Ethics or MLS handbook.

On November 1, 2023, following a several week trial, judgment was entered against the non-settling defendants and awarded damages to the plaintiffs from the non-settling defendants in the amount of \$1.785 billion, before trebling. While the jury found that all named defendants violated Section 1 of the Sherman Act, the judgment does not alter the Anywhere Settlement or the settlement of the other corporate defendant. The court has yet to determine injunctive relief in this action.

Moehrl, Cole, Darnell, Ramey, Umpa and Ruh v. The National Association of Realtors, Realty Holdings Corp., Homeservices of America, Inc., BHH Affiliates, LLC, The Long & Foster Companies, Inc., RE/MAX LLC, and Keller Williams Realty, Inc. (U.S. District Court for the Northern District of Illinois). The complaint, which was filed on March 6, 2019, contains allegations and requests relief substantially similar to the *Burnett* litigation. The *Moehrl* plaintiffs seek both damages and injunctive relief. In contrast to the *Burnett* plaintiffs, the *Moehrl* plaintiffs acknowledge that there are economic reasons why a seller would offer buyer compensation (and accordingly, do not seek recovery of all commissions paid to buyers' brokers), although plaintiffs allege that buyer brokers are overpaid due to the mandatory nature of the applicable NAR policies and rules.

On March 29, 2023, the Court certified two classes in this litigation—a damages class and an injunctive class. The damages class covers sellers of residential real estate (with certain exceptions) who paid a commission to a brokerage affiliated with a corporate defendant beginning from March 6, 2015 through December 31, 2020 in 20 MLSs in various parts of the country that do not overlap with the *Burnett* MLSs and that include approximately five of the country's ten largest MLSs. The injunctive class covers current and future sellers of residential real estate (with certain exceptions) who are presently listing or will in the future list their home for sale in one of the 20 MLSs. The *Moehrl* damages class covers an estimated 3.5 million transactions, substantially larger than the class certified in *Burnett* (which, as further described above, includes over 250,000 transactions), though as noted above, in contrast to the *Burnett* plaintiffs, the *Moehrl* plaintiffs do not seek to recover all commissions paid to buyers' brokers.

On April 12, 2023, the Company and the other defendants filed a petition with the United States Court of Appeals for the Seventh Circuit (the "Seventh Circuit") to pursue an interlocutory appeal of the decision on class certification; which the Seventh Circuit denied on May 24, 2023. Merit expert discovery in the case is ongoing.

As described above under the *Burnett* matter, the Company has entered into a settlement of the *Moehrl* litigation and on September 12, 2023, the court stayed all proceedings against the Company. If final approval of the Anywhere Settlement is granted by the *Burnett* court, that will resolve the *Moehrl* matter with respect to the Company.

Batton, Bolton, Brace, Kim, James, Mullis, Bisbicos and Parsons v. The National Association of Realtors, Realogy Holdings Corp., Homeservices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, The Long & Foster Companies, Inc., RE/MAX LLC, and Keller Williams Realty, Inc. (U.S. District Court for the Northern District of Illinois Eastern Division). In this putative nationwide class action filed on January 25, 2021 (formerly captioned as *Leeder*), the plaintiffs take issue with certain NAR policies, including those related to buyer-broker compensation at issue in the *Moehrl* and *Burnett* matters, as well as those at issue in the 2020 settlement between the DOJ and NAR, but claim the alleged conspiracy has harmed buyers (instead of sellers). The plaintiffs allege that the defendants made agreements and engaged in a conspiracy in restraint of trade in violation of the Sherman Act and were unjustly enriched, and seek a permanent injunction enjoining NAR from establishing in the future the same or similar rules, policies, or practices as those challenged in the action as well as an award of damages and/or restitution, interest, and reasonable attorneys' fees and expenses.

On July 6, 2022, plaintiffs filed an amended complaint substituting in eight new named plaintiffs and containing allegations substantially similar to the original complaint but also adding certain claims under state antitrust statutes and consumer protection statutes. Motions to dismiss remain pending and discovery has not commenced.

The Company disputes the allegations against it in this case, believes it has substantial defenses to plaintiffs' claims, and is vigorously defending this litigation.

Nosalek, Hirschorn and Hirschorn v. MLS Property Information Network, Inc., Realogy Holdings Corp., Homeservices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, RE/MAX LLC, and Keller Williams Realty, Inc. (U.S. District Court for the District of Massachusetts). This is a putative class action filed on December 17, 2020 (formerly captioned as *Bauman*), wherein the plaintiffs take issue with policies and rules similar to those at issue in the *Moehrl* and *Burnett* matters, but rather than objecting to the national policies and rules published by NAR, this lawsuit specifically objects to the alleged policies and rules of a multiple listing service (MLS Property Information Network, Inc.) that is owned by realtors, including in part by one of the Company's company-owned brokerages. The plaintiffs allege that the defendants made agreements and engaged in a conspiracy in restraint of trade in violation of the Sherman Act and seek a permanent injunction, enjoining the defendants from continuing conduct determined to be unlawful, as well as an award of damages and/or restitution, interest, and reasonable attorneys' fees and expenses. On December 10, 2021, the Court denied the motion to dismiss filed in March 2021 by the Company (together with the other defendants named in the complaint) and in January 2022, the plaintiffs filed a second amended complaint which, among other things, redefined the covered area as limited to home sales in Massachusetts (removing New Hampshire and Rhode Island). The lawsuit seeks to represent a class of sellers who paid a broker commission in connection with the sale of a property listed in the MLS Property Information Network, Inc. On January 23, 2023, MLS Property Information Network, Inc., HomeServices of America, Inc., BHH Affiliates, LLC, HSF Affiliates, LLC, RE/MAX LLC, and Keller Williams Realty, Inc. filed their answer to the second amended complaint. The Anywhere defendants filed their answer to the second amended complaint on February 21, 2023. Discovery in the case has commenced.

On September 5, 2023, following its initial motion seeking preliminary approval of a settlement that had been filed on June 30, 2023 and a court hearing held on August 9, 2023, the MLS Property Information Network, Inc. filed a motion for preliminary approval of an amended settlement covering sellers who paid, and/or on whose behalf sellers' brokers paid, buyer-broker commissions during the settlement class period in connection with the sale of residential real estate listed on the centralized listing database of MLS Property Information Network, Inc. The corporate defendants, including Anywhere, are not a party to the motion or settlement. The settlement, if finally approved by the Court, requires MLS Property Information Network, Inc. to eliminate the requirement that a seller must offer compensation to a buyer-broker and to change various other rules to give sellers various notices and rules relating to negotiation of buyer-broker compensation. In addition to the foregoing injunctive relief, MLS Property Information Network, Inc. has agreed to pay \$3 million into a settlement fund. On September 7, 2023, the court granted preliminary approval of the settlement and set a hearing date of January 4, 2024 for final approval, which the court subsequently moved to March 7, 2024, in response to a statement of interest and motion to extend filed by the DOJ so that it could evaluate the proposed settlement and its competitive effects. On February 14, 2024, the court stayed the case pending the outcome of a motion which was filed on December 27, 2023 by the plaintiffs' counsel in the *Moehrl* litigation to designate the various seller antitrust lawsuits that have been filed since the judgment was entered in the *Burnett* litigation as multidistrict litigation and consolidate them for administration purposes before a single court.

Given that no class has yet been certified in the *Nosalek* litigation, it is expected that the purported class members of the *Nosalek* litigation will be included in the nationwide class certified by the court for settlement purposes under the Anywhere Settlement, and final approval of the Anywhere Settlement would accordingly resolve the *Nosalek* litigation as to the Company. Relatedly, on October 27, 2023, the *Nosalek* court granted the joint motion filed by the plaintiffs and Anywhere to stay the *Nosalek* litigation against the Company for 30 days (subject to extension as necessary).

Telephone Consumer Protection Act Litigation

Bumpus, et al. v. Realty Holdings Corp., et al. (U.S. District Court for the Northern District of California, San Francisco Division). In this class action filed on June 11, 2019, against Anywhere Real Estate Inc. (f/k/a Realty Holdings Corp.), Anywhere Intermediate Holdings LLC (f/k/a Realty Intermediate Holdings LLC), Anywhere Real Estate Group LLC (f/k/a Realty Group LLC), Anywhere Real Estate Services Group LLC (f/k/a Realty Services Group LLC), and Anywhere Advisors LLC (f/k/a Realty Brokerage Group LLC and NRT LLC), and Mojo Dialing Solutions, LLC, plaintiffs allege that independent sales agents affiliated with Anywhere Advisors LLC violated the Telephone Consumer Protection Act of 1991 (TCPA) using dialers provided by Mojo and others. Plaintiffs seek relief on behalf of a National Do Not Call Registry class, an Internal Do Not Call class, and an Artificial or Pre-recorded Message class.

In March 2022, the Court granted plaintiffs' motion for class certification for the foregoing classes as to the Anywhere defendants but not as to co-defendant Mojo and dismissed Mojo from the case. Plaintiffs and the Anywhere defendants' cross-motions for summary judgment were denied without prejudice on May 11, 2022. The Company's petition for permission to appeal the class certification filed with the 9th Circuit Court of Appeals was denied and the plaintiffs' class notice plan was approved on May 26, 2022.

Plaintiffs had claimed that approximately 1.2 million Do Not Call calls and approximately 265,000 Pre-Recorded Messages qualified for inclusion in the classes, but on March 29, 2023, filed a motion to narrow the classes to approximately 321,000 Do Not Call calls and approximately 165,000 Pre-Recorded Messages. On April 12, 2023, the Company opposed Plaintiffs' motion to modify the classes and sought to decertify them. The Court vacated the January 29, 2024 jury trial date (which had previously been rescheduled several times) and a status hearing is currently set for May 23, 2024. Plaintiffs' motion to narrow the classes, the Company's opposition seeking to decertify the classes, as well as other pre-trial motions, are pending.

The Company disputes the allegations against it in this case, believes it has substantial defenses to both plaintiffs' liability claims and damage assertions, and is vigorously defending this action.

- claims related to disclosure or securities law violations as well as derivative suits; and
- fraud, defalcation or misconduct claims.

Other ordinary course legal proceedings that may arise from time to time include those related to commercial arrangements, indemnification (under contract or common law), franchising arrangements, the fiduciary duties of brokers, standard brokerage disputes like the failure to disclose accurate square footage or hidden defects in the property such as mold, claims under the False Claims Act (or similar state laws), consumer lending and debt collection law claims, state auction law, and violations of similar laws in countries where we operate around the world with respect to any of the foregoing. In addition, with the increasing requirements resulting from government laws and regulations concerning data breach notifications and data privacy and protection obligations, claims associated with these laws may become more common. While most litigation involves claims against the Company, from time to time the Company commences litigation, including litigation against former employees, franchisees and competitors when it alleges that such persons or entities have breached agreements or engaged in other wrongful conduct.

Cendant Corporate Liabilities and Guarantees to Cendant and Affiliates

Anywhere Group (then Realogy Corporation) separated from Cendant on July 31, 2006 (the "Separation"), pursuant to a plan by Cendant (now known as Avis Budget Group, Inc.) to separate into four independent companies—one for each of Cendant's business units—real estate services (Anywhere Group, formerly referred to as Realogy Group), travel distribution services ("Travelport"), hospitality services, including timeshare resorts ("Wyndham Worldwide"), and vehicle rental ("Avis Budget Group"). Pursuant to the Separation and Distribution Agreement dated as of July 27, 2006 among Cendant, Anywhere Group, Wyndham Worldwide and Travelport (the "Separation and Distribution Agreement"), each of Anywhere Group, Wyndham Worldwide and Travelport have assumed certain contingent and other corporate liabilities (and related costs and expenses), which are primarily related to each of their respective businesses. In addition, Anywhere Group has assumed 62.5% and Wyndham Worldwide has assumed 37.5% of certain contingent and other corporate liabilities (and related costs and expenses) of Cendant. The due to former parent balance was \$38 million and \$20 million at December 31, 2023 and 2022, respectively. The due to former parent balance was comprised of the Company's portion of the following: (i) Cendant's remaining contingent tax liabilities, (ii) potential liabilities related to Cendant's terminated or divested businesses, and (iii) potential liabilities related to the residual portion of accruals for Cendant operations.

In December 2022, a hearing was held with the California Office of Tax Appeals ("OTA") on a Cendant legacy tax matter involving Avis Budget Group that related to a 1999 transaction. The case presented two issues: (i) whether the notices of proposed assessment issued by the California Franchise Tax Board were barred by the statute of limitations; and (ii) whether a transaction undertaken by Avis Budget Group in tax year 1999 constituted a tax-free reorganization under the Internal Revenue Code. In March 2023, the OTA decided in favor of the California Franchise Tax Board on both issues. As a result, the Company increased its accrual for this legacy tax matter in the first quarter of 2023 and as of December 31, 2023 the accrual is \$38 million. The OTA's opinion is not final, and the Company has filed a petition for rehearing and continues to vigorously pursue this matter. If the rehearing is denied, the tax assessment will become payable, even if judicial relief is sought.

Tax Matters

The Company is subject to income taxes in the United States and several foreign jurisdictions. Significant judgment is required in determining the worldwide provision for income taxes and recording related assets and liabilities. In the ordinary course of business, there are many transactions and calculations where the ultimate tax determination is uncertain. The Company is regularly under audit by tax authorities whereby the outcome of the audits is uncertain. The Company believes there is appropriate support for positions taken on its tax returns. The liabilities that have been recorded represent the best estimates of the probable loss on certain positions and are adequate for all open years based on an assessment of many factors including past experience and interpretations of tax law applied to the facts of each matter. However, the outcomes of tax audits are inherently uncertain.

Escrow and Trust Deposits

As a service to its customers, the Company administers escrow and trust deposits which represent undisbursed amounts received for the settlement of real estate transactions. Deposits at FDIC-insured institutions are insured up to \$250,000. These escrow and trust deposits totaled approximately \$564 million at December 31, 2023 and while these deposits are not assets of the Company (and, therefore, are excluded from the accompanying Consolidated Balance Sheets), the Company remains contingently liable for the disposition of these deposits.

Purchase Commitments and Minimum Licensing Fees

In the normal course of business, the Company makes various commitments to purchase goods or services from specific suppliers, including those related to capital expenditures. The purchase commitments made by the Company as of December 31, 2023 are approximately \$76 million.

The Company is required to pay a minimum licensing fee to Sotheby's which began in 2009 and continues through 2054. The annual minimum licensing fee is approximately \$2 million per year. The Company is also required to pay a minimum licensing fee to Meredith Operations Corporation from 2009 through 2058 for the licensing of the Better Homes and Gardens® Real Estate brand. The annual minimum fee was approximately \$4 million in 2023 and will generally remain the same thereafter.

Future minimum payments for these purchase commitments and minimum licensing fees as of December 31, 2023 are as follows:

Year	Amount
2024	\$ 55
2025	25
2026	11
2027	10
2028	7
Thereafter	185
Total	<u>\$ 293</u>

Standard Guarantees/Indemnifications

In the ordinary course of business, the Company enters into numerous agreements that contain standard guarantees and indemnities whereby the Company indemnifies another party for breaches of representations and warranties. In addition, many of these parties are also indemnified against any third-party claim resulting from the transaction that is contemplated in the underlying agreement. Such guarantees or indemnifications are granted under various agreements, including those governing: (i) purchases, sales or outsourcing of assets or businesses, (ii) leases and sales of real estate, (iii) licensing of trademarks, (iv) use of derivatives, and (v) issuances of debt securities. The guarantees or indemnifications issued are for the benefit of the: (i) buyers in sale agreements and sellers in purchase agreements, (ii) landlords in lease contracts, (iii) franchisees in licensing agreements, (iv) financial institutions in derivative contracts, and (v) underwriters in issuances of securities. While some of these guarantees extend only for the duration of the underlying agreement, many survive the expiration of the term of the agreement or extend into perpetuity (unless subject to a legal statute of limitations). There are no specific limitations on the maximum potential amount of future payments that the Company could be required to make under these guarantees, nor is the Company able to develop an estimate of the maximum potential amount of future

payments to be made under these guarantees as the triggering events are not subject to predictability. With respect to certain of the aforementioned guarantees, such as indemnifications of landlords against third-party claims for the use of real estate property leased by the Company, the Company maintains insurance coverage that mitigates any potential payments to be made.

Other Guarantees/Indemnifications

In the normal course of business, the Company coordinates numerous events for its franchisees and thus reserves a number of venues with certain minimum guarantees, such as room rentals at hotels local to the conference center. However, such room rentals are paid by each individual franchisee. If the franchisees do not meet the minimum guarantees, the Company is obligated to fulfill the minimum guaranteed fees. The maximum potential amount of future payments that the Company would be required to make under such guarantees is approximately \$5 million. The Company would only be required to pay this maximum amount if none of the franchisees attended the planned events at the reserved venues. Historically, the Company has not been required to make material payments under these guarantees.

Insurance and Self-Insurance

The Consolidated Balance Sheets include liabilities relating to: (i) self-insured risks for errors and omissions and other legal matters incurred in the ordinary course of business within Owned Brokerage Group and (ii) premium and claim reserves for the Company's title underwriting business. The Company may also be subject to legal claims arising from the handling of escrow transactions and closings. Owned Brokerage Group carries errors and omissions insurance for errors made during the real estate settlement process of \$15 million in the aggregate, subject to a deductible of \$1.5 million per occurrence. In addition, the Company carries an additional errors and omissions insurance policy for Anywhere Real Estate Inc. and its subsidiaries for errors made for real estate related services up to \$45 million in the aggregate, subject to a deductible of \$2.5 million per occurrence. This policy also provides excess coverage to Owned Brokerage Group creating an aggregate limit of \$60 million, subject to Owned Brokerage Group's deductible of \$1.5 million per occurrence.

The Company, through its appropriately licensed subsidiaries within Title Group, acts as a title agent in real estate transactions and helps to provide coverage for real property to mortgage lenders and buyers of real property. When a subsidiary within Title Group is acting as a title agent issuing a policy on behalf of an underwriter, assuming no negligence on the part of the title agent, such subsidiary is not liable for losses under those policies but rather the title insurer is typically liable for such losses.

Fraud, defalcation and misconduct by employees are also risks inherent in the business. The Company is the custodian of cash deposited by customers with specific instructions as to its disbursement from escrow, trust and account servicing files. The Company maintains fidelity insurance covering the loss or theft of funds of up to \$30 million per occurrence, subject to a deductible of \$1 million per occurrence.

The Company also maintains self-insurance arrangements relating to health and welfare, workers' compensation, auto and general liability in addition to other benefits provided to the Company's employees. The accruals for these self-insurance arrangements totaled approximately \$12 million and \$13 million for December 31, 2023 and 2022, respectively.

17. EARNINGS (LOSS) PER SHARE

Earnings (loss) per share attributable to Anywhere

Basic earnings (loss) per common share is computed based on net income (loss) attributable to Anywhere stockholders divided by the weighted average number of common shares outstanding during the period. Diluted earnings (loss) per common share is computed consistently with the basic computation plus the effect of dilutive potential common shares outstanding during the period. Dilutive potential common shares include shares that the Company could be obligated to issue from its Exchangeable Senior Notes and warrants if dilutive (see Note 9, "Short and Long-Term Debt", for further discussion) and outstanding stock-based compensation awards (see Note 13, "Stock-Based Compensation", for further discussion). For purposes of computing diluted earnings (loss) per common share, weighted average common shares do not include potentially dilutive common shares if their effect is anti-dilutive. As such, the shares that the Company could be obligated to issue from its stock options, warrants and Exchangeable Senior Notes are excluded from the earnings (loss) per share calculation if the exercise or exchangeable price exceeds the average market price of common shares.

The Company uses the treasury stock method to calculate the dilutive effect of outstanding stock-based compensation. If dilutive, the Company uses the if converted method to calculate the dilutive effect of its Exchangeable Senior Notes. These notes will have a dilutive impact when the average market price of the Company's common stock exceeds the initial exchange price of \$24.49 per share. The Exchangeable Senior Notes were not dilutive as of December 31, 2023 as the closing price of the Company's common stock as of December 31, 2023 was less than the initial exchange price.

The following table sets forth the computation of basic and diluted (loss) earnings per share:

	Year Ended December 31,		
	2023	2022	2021
<i>(in millions, except per share data)</i>			
Numerator:			
Net (loss) income attributable to Anywhere shareholders	\$ (97)	\$ (287)	\$ 343
Denominator:			
Weighted average common shares outstanding (denominator for basic (loss) earnings per share calculation)	110.3	113.8	116.4
Dilutive effect of stock-based compensation awards (a)	—	—	3.8
Dilutive effect of Exchangeable Senior Notes and warrants (b)	—	—	—
Weighted average common shares outstanding (denominator for diluted (loss) earnings per share calculation)	<u>110.3</u>	<u>113.8</u>	<u>120.2</u>
(Loss) earnings per share attributable to Anywhere shareholders:			
Basic (loss) earnings per share	\$ (0.88)	\$ (2.52)	\$ 2.95
Diluted (loss) earnings per share	\$ (0.88)	\$ (2.52)	\$ 2.85

- (a) The Company was in a net loss position for the years ended December 31, 2023 and 2022, and therefore the impact of incentive equity awards was excluded from the computation of dilutive loss per share as the inclusion of such amounts would be anti-dilutive. The year ended December 31, 2021 excluded 3.7 million shares of common stock issuable for incentive equity awards, which

included performance share units based on the achievement of target amounts, that were anti-dilutive to the diluted earnings per share computation.

- (b) Shares to be provided to the Company from the exchangeable note hedge transactions purchased concurrently with its issuance of Exchangeable Senior Notes are anti-dilutive and therefore they are not treated as a reduction to its diluted shares.

The Company may repurchase shares of its common stock under authorizations from its Board of Directors. Shares repurchased are retired and not displayed separately as treasury stock on the consolidated financial statements. The par value of the shares repurchased and retired is deducted from common stock and the excess of the purchase price over par value is first charged against any available additional paid-in capital with the balance charged to retained earnings. Direct costs incurred to repurchase the shares are included in the total cost of the shares.

The Company's Board of Directors authorized a share repurchase program of up to \$300 million of the Company's common stock in February 2022. From the date of authorization through December 31, 2023, the Company repurchased and retired 8.8 million shares of common stock for \$97 million. The Company has not repurchased any shares under the share repurchase programs since 2022. As of December 31, 2023, \$203 million remained available for repurchase under the share repurchase program. The purchase of shares under this plan reduces the weighted-average number of shares outstanding in the basic earnings per share calculation. The Company is subject to limitations on share repurchases, which include compliance with the terms of our debt agreements.

18. RISK MANAGEMENT AND FAIR VALUE OF FINANCIAL INSTRUMENTS

RISK MANAGEMENT

The following is a description of the Company's risk management policies.

Interest Rate Risk

The Company is exposed to market risk from changes in interest rates primarily through senior secured debt. At December 31, 2023, the Company's primary interest rate exposure was to interest rate fluctuations, specifically SOFR, due to its impact on our borrowings under the Revolving Credit Facility and Term Loan A Facility. In connection with the May 2023 Amendment to the Term Loan Agreement, LIBOR was replaced with a Term SOFR plus a 10 basis point credit spread adjustment as the applicable benchmark for the Term Loan A Facility (the applicable margin for the Term Loan A Facility remained the same).

As of December 31, 2023, the Company had variable interest rate long-term debt from outstanding amounts under the Term Loan A Facility of \$206 million and Revolving Credit Facility of \$285 million, both of which were based on Term SOFR, excluding \$115 million of securitization obligations.

Credit Risk and Exposure

The Company is exposed to counterparty credit risk in the event of nonperformance by counterparties to various agreements and sales transactions. The Company manages such risk by evaluating the financial position and creditworthiness of such counterparties and by requiring collateral in instances in which financing is provided. The Company mitigates counterparty credit risk associated with its derivative contracts by monitoring the amounts at risk with each counterparty to such contracts, periodically evaluating counterparty creditworthiness and financial position, and where possible, dispersing its risk among multiple counterparties.

As of December 31, 2023, there were no significant concentrations of credit risk with any individual counterparty or a group of counterparties. The Company actively monitors the credit risk associated with the Company's receivables.

Market Risk Exposure

Owned Brokerage Group operates real estate brokerage offices located in and around large metropolitan areas in the U.S. Owned Brokerage Group has more offices and realizes more of its revenues in California, Florida and the New York metropolitan area than any other regions of the country. For the year ended December 31, 2023, Owned Brokerage Group generated approximately 22% of its revenues from California, 21% from the New York metropolitan area and 14% from Florida. For the year ended December 31, 2022, Owned Brokerage Group generated approximately 23% of its revenues from California, 21% from the New York metropolitan area and 13% from Florida. For the year ended December 31, 2021, Owned Brokerage Group generated approximately 25% of its revenues from California, 21% from the New York metropolitan area and 13% from Florida.

Derivative Instruments

The Company records derivatives and hedging activities on the balance sheet at their respective fair values. The Company's remaining interest rate swaps expired in 2022 and, as of December 31, 2023, the Company had no interest rate swaps. The swaps helped to protect the Company's outstanding variable rate borrowings from future interest rate volatility. The Company had not elected to utilize hedge accounting for these interest rate swaps; therefore, any change in fair value was recorded in the Consolidated Statements of Operations. The gain recognized for interest rate swap contracts was \$40 million and \$14 million for the years ended December 31, 2022 and 2021, respectively, which was recorded in "Interest expense, net" line in the accompanying Consolidated Statements of Operations.

Fair Value Measurements

The following tables present the Company's assets and liabilities that are measured at fair value on a recurring basis and are categorized using the fair value hierarchy. The fair value hierarchy has three levels based on the reliability of the inputs used to determine fair value.

Level Input:	Input Definitions:
Level I	Inputs are unadjusted, quoted prices for identical assets or liabilities in active markets at the measurement date.
Level II	Inputs other than quoted prices included in Level I that are observable for the asset or liability through corroboration with market data at the measurement date.
Level III	Unobservable inputs that reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date.

The availability of observable inputs can vary from asset to asset and is affected by a wide variety of factors including, for example, the type of asset, whether the asset is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Company in determining fair value is greatest for instruments categorized in Level III. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The fair value of financial instruments is generally determined by reference to quoted market values. In cases where quoted market prices are not available, fair value is based on estimates using present value or other valuation techniques, as appropriate. The fair value of interest rate swaps is determined based upon a discounted cash flow approach.

The Company measures financial instruments at fair value on a recurring basis and recognizes transfers within the fair value hierarchy at the end of the fiscal quarter in which the change in circumstances that caused the transfer occurred.

The following table summarizes fair value measurements by level at December 31, 2023 for assets and liabilities measured at fair value on a recurring basis:

	Level I	Level II	Level III	Total
Deferred compensation plan assets (included in other non-current assets) ..	\$ 1	\$ —	\$ —	\$ 1
Contingent consideration for acquisitions (included in accrued expenses and other current liabilities and other non-current liabilities)	—	—	4	4

The following table summarizes fair value measurements by level at December 31, 2022 for assets and liabilities measured at fair value on a recurring basis:

	Level I	Level II	Level III	Total
Deferred compensation plan assets (included in other non-current assets) ..	\$ 1	\$ —	\$ —	\$ 1
Contingent consideration for acquisitions (included in accrued expenses and other current liabilities and other non-current liabilities)	—	—	12	12

The fair value of the Company's contingent consideration for acquisitions is measured using a probability weighted-average discount rate to estimate future cash flows based upon the likelihood of achieving future operating results for

individual acquisitions. These assumptions are deemed to be unobservable inputs and as such the Company's contingent consideration is classified within Level III of the valuation hierarchy. The Company reassesses the fair value of the contingent consideration liabilities on a quarterly basis.

The following table presents changes in Level III financial liabilities measured at fair value on a recurring basis:

	<u>Level III</u>
Fair value of contingent consideration at December 31, 2022	\$ 12
Additions: contingent consideration related to acquisitions completed during the period	—
Reductions: payments of contingent consideration	(4)
Changes in fair value (reflected in general and administrative expenses)	(4)
Fair value of contingent consideration at December 31, 2023	<u>\$ 4</u>

19. SEGMENT INFORMATION

The reportable segments presented represent those for which the Company maintains separate financial information regularly employed by its chief operating decision maker for performance assessment and resource allocation. The classification of reportable segments also considers the distinctive nature of services offered by each segment.

Management's evaluation of individual reportable segment performance centers on two key metrics: revenue and Operating EBITDA. Operating EBITDA is defined as net income (loss) adjusted for depreciation and amortization, interest expense, net (excluding relocation services interest for securitization assets and securitization obligations), income taxes, and certain non-core items. Non-core items include restructuring charges, former parent legacy items, gains or losses on the early extinguishment of debt, impairments, and gains or losses on discontinued operations or the sale of businesses, investments, or other assets.

The Company's presentation of Operating EBITDA may not align with similar measures employed by other entities. Variations may arise due to differences in the inclusion or exclusion of specific items and the interpretation of non-core elements within the calculation. This disclosure provides insight into the Company's approach to segment reporting and the metrics pivotal to its strategic decision-making processes.
