## What You Need To Know About Franchising Generally

<u>Continuing responsibility to pay fees.</u> You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions.</u> You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

<u>Operating restrictions.</u> The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>Competition from franchisor.</u> Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

## **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

- 1. <u>Out-of-State Dispute Resolution</u>. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in North Carolina. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in North Carolina than in your own state.
- **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
- 3. Supplier Control. You must purchase all or nearly all of the inventory and supplies necessary to operate your business from Franchisor, its affiliates, or from suppliers that Franchisor designates at prices that Franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.
- <u>4.</u> <u>Spousal Liability</u>. Your spouse must sign a document that makes your spouse liable for certain financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
- <u>5.</u> <u>Sales Performance Required</u>. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

# THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
    - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
  - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
  - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

In addition, we may allow you to offer residential roofing products and services, provided you meet certain criteria. The Franchised Business must always have operational headquarters ("Headquarters") at an accepted site within a specific Territory. The Your Headquarters must have at least 5,000 square feet, private office space, a product showroom, an office, as door suitable for loading dockand unloading product, and warehouse space. The Complaint states that it seeks relief in the alternative to the relief the same plaintiffs sought in another previously filed lawsuit in Louisiana. This lawsuit has been designated as a Mandatory Complex Business Case and has been assigned to the North Carolina Business Court. <a href="DuringIn 2016">DuringIn 2016</a>, the Court dismissed with prejudice plaintiffs' antitrust-related claims. On January 11, 2017, the plaintiffs filed a Third Amended Complaint wherein they added Tammy Whitworth as a defendant. We dispute the allegations in plaintiffs' Third Amended Complaint and continue to vigorously defend ourselves in the litigation.

Mike Bendfeldt, et al. v. Window World, Inc. and Associated Materials, LLC, Case No.: 8:15-CV-00377 (United States District Court for the District of Nebraska); Mike Bendfeldt, et al. v. Window World, Inc. and Associated Materials, LLC, Case No.: 5:17-CV-00039 (United States District Court for the Western District of North Carolina). In October 2015, Mike and Betty Muhr-Bendfeldt, former Window World franchisees, filed a lawsuit against Window World, Inc. and Associated Materials, LLC in the United States District Court for the District of Nebraska asserting alleged violations of the Robinson-Patman Act, violations of the Sherman Act, RICO violations, fraud, and breach of contract related to their dealings with Window World, Inc. and Associated Materials, LLC in their capacity as former licensees. At our request, in January 2017 the Nebraska federal court transferred the case to the United States District Court for the Western District of North Carolina. By order dated September 25, 2017, the North Carolina federal court dismissed plaintiffs' Robinson-Patman Act claim (which dismissed Associated Materials, LLC from the action), the Sherman Act claim, and the RICO claims. Plaintiffs subsequently filed a Second Amended Complaint, which, among other things, removed Betty Muhr-Bendfeldt as a plaintiff. We filed a motion for summary judgment, and on March 26, 2020, the court entered summary judgment in our favor dismissing all claims in the case. On April 23, 2020, the plaintiffs gave notice of their appeal to the United States Court of Appeals for the Fourth Circuit. The appeal is pending with the court awaiting a decision.

Window World of North Atlanta, Inc.; Michael Edwards and Melissa Edwards v. Window World, Inc., Window World International, LLC, and Andrew Saville (18 CVS 70), North Carolina Business Court (2018). On January 22, 2018, the plaintiffs, who are existing Window World franchisees, filed a complaint against us in Wilkes County (NC) Superior Court alleging breach of contract, unjust enrichment, and violation of the North Carolina Unfair and Deceptive Trade Practices Act regarding Window World's approval of Mr. Saville as a franchisee for a franchised territory plaintiffs contend they own. Additionally, plaintiffs have sought a declaratory judgment asking the court to declare their ownership of the disputed territory. This lawsuit has been designated as a Mandatory Complex Business Case and has been assigned to the North Carolina Business Court. We filed our answer on March 26, 2018. We contend this lawsuit is without merit and intend to vigorously defend ourselves. By order dated December 7, 2021, the North Carolina Business Court ordered that this action is stayed pending the final adjudication of all claims asserted in Window World of St. Louis, Inc., et al. v. Window World, Inc., et al., (15-CVS-2), North Carolina Business Court (2015) and Window World of Baton Rouge, LLC, et al. v. Window World, Inc., et al., (15-CVS-1), North Carolina Business Court (2015).

Window World International, LLC and Window World, Inc. v. Jill O'Toole, James T. Lomax III, Window World of St. Louis, Inc., and Window World of Springfield/Peoria, Inc. (Case No. 19-CV-02363), United States District Court for the Eastern District of Missouri (2019). On October 23, 2019, we, along with Window World International, LLC, filed a complaint against defendants, existing franchisees of Window World and one of their employees, Jill O'Toole, alleging claims for trademark infringement and dilution of our federally registered trademarks and common law marks, and a related claim for unfair competition related to the misappropriation of our trademarks. By order dated November 30, 2020, the court dismissed the false advertising and trademark dilution claims but denied the defendants' motion to dismiss the trademark infringement claim. By that same order, the court dismissed O'Toole as a defendant and stayed the litigation pending determination of the scope of the defendant's license to use our trademarks in Window World of St. Louis, Inc., et al. v. Window World, Inc., et al. (discussed above). On December 30, 2020, we, along with Window World International, LLC, gave notice of our appeal to the United States Court of Appeals for the Eighth Circuit of the order staying litigation. By order dated January 7, 2022, the Eighth Circuit dismissed the appeal for lack of jurisdiction. As a result, this action is stayed pending the final adjudication of all claims asserted in Window World of St. Louis, Inc., et al. v. Window World, Inc., et al., (15-CVS-2), North Carolina Business Court (2015) and Window World of Baton Rouge, LLC, et al. v. Window World, Inc., et al., (15-CVS-1), North Carolina Business Court (2015).

Window World, Inc., Window World International, LLC and Tammy E. Whitworth v. Scott A. Williamson, Brian C. Hopkins, Window World of Rockford, Inc. d/b/a Window World of Rockford, Window World of Joliet, Inc. d/b/a Window World of Joliet, and Window World of Bloomington, Inc. (20 CVS 21) North Carolina Business Court (2020). On January 9, 2020, we, along with Window World International, LLC and Tammy E. Whitworth, filed a complaint against certain current and past Window World franchisees in Wilkes County (NC) Superior Court seeking a declaratory judgment regarding the scope of an Agreement and Conditional Consent to Transfer ("Agreement") executed between us and Mr. Williamson. Additionally, plaintiffs allege claims for breach of the same Agreement based upon defendants' pursuit of litigation against plaintiffs in violation of the Agreement, and other related conduct in violation of the Agreement, and seek injunctive relief against defendants to prevent further breach of the Agreement at issue. This lawsuit has been designated as a Mandatory Complex Business Case and has been assigned to the North Carolina Business Court. By Consent Order, this lawsuit has been consolidated with Window World of St. Louis, Inc., et al. v. Window World, Inc., et al. (discussed above), and all claims at issue in this action will be pursued in that action.

#### **Concluded Matters**

<u>In Re Window World, Inc.</u> Under the California Franchise Investment Law, franchisors are required to register their franchise offering with the California Corporations Commission. Prior to October 2011 we failed to do so and sold multiple unregistered franchises in California. Once we realized we did not do so, we contacted the California Corporations Commission and, at the Commissioner's request, on November 29, 2011, we entered into a Stipulation to Desist and Refrain Order whereby we agreed to refrain from offering unregistered franchises in California. Further, we voluntarily offered rescission to each unregistered California franchisee. All of the

franchisees elected to remain affiliated with WINDOW WORLD, INC. and we did not pay any fines or damages. We did not admit any liability as part of the settlement.

<u>State of Illinois v. Window World, Inc.</u>, (2011 CH 1524, filed November 23, 2011, Sangamon County Circuit Court). The Illinois Attorney General filed a complaint alleging our Illinois license agreements constituted franchises under Illinois law and, as such, our license agreement was not properly registered with the Illinois Attorney General. We disputed the basis of the claims. However, on November 29, 2011 we agreed to the terms of a consent order whereby we agreed prospectively to register our offering as a franchise under Illinois law, maintain a franchise disclosure document, and pay a \$15,000 fine. Further, we voluntarily offered rescission to each unregistered Illinois franchisee. We did not admit any liability as part of the settlement.

In Re Window World, Inc. (Order Num. S-11-0805-CO01). Under the Washington Franchise Investment Protection Act ("Washington Act"), franchisors are required to register their franchise offering with the Washington Department of Financial Institutions Securities Division ("Securities Division"). Prior to October 2011 we failed to do so and sold three unregistered franchises in Washington without providing a copy of the applicable disclosure document. At the Securities Division's request, on January 9, 2012, we entered into a Consent Order whereby we agreed to only offer franchises in Washington in accordance with the Washington Act and provide disclosure documents to each future Washington franchisee. We did not pay any fines or damages, but did pay \$1,800 to cover the Securities Division's expenses. We did not admit any liability as part of the settlement. Further, we voluntarily offered rescission to each unregistered Washington franchisee.

In the Matter of Window World, LLC, Administrative Proceeding Before the Securities Commissioner of Maryland, Case No. 2011-0399. As a result of an inquiry into the franchise related activities of WINDOW WORLD, LLC, the Maryland Securities Commissioner ("Commissioner") concluded that grounds existed to allege that we violated the registration and disclosure provisions of the Maryland Franchise Law in relation to the offers and sales of Window World franchises in Maryland. In responding to inquiries from the Maryland Securities Division, we disclosed that we sold franchises in Maryland during the time we were not registered to offer and sell franchises in Maryland. On February 2, 2012, the Commissioner and Window World agreed to enter into a consent order whereby we, without admitting or denying any violations of the law, agreed to: immediately and permanently cease from the offer and sale of franchises in violation of the Maryland Franchise Law; register our franchise offering in Maryland; and, offer rescission to the franchisees who were sold franchises in Maryland while we were not registered with the State.

<u>Commonwealth of Virginia ex. rel. State Corporation Commission v. Window World, Inc., (Case Num. SEC-2012-00007)</u>. Based on an investigation by the Division of Securities and Retail Franchising, it was alleged that WWI violated § 13.1-560 and § 13.1-564 of the Virginia Retail Franchising Act. WWI, prior to the entry of the Order, voluntarily offered rescission to each of the Virginia Franchisees. WWI neither admitted nor denied the allegations, and as part of the Settlement Order entered March 14, 2012. WWI agreed to pay \$6,000 in penalties, \$2,000 in costs of investigation and provide each Virginia franchisee with copy of the Settlement Order within thirty days of the entry of the Order.

In the Matter of Window World, Inc. (File Num. F-12-0033). Under Oregon Revised Statutes 650.005 et seq., ("Oregon Revised Statute"), franchisors are required to register their franchise offering with the Director of the Oregon Department of Consumer and Business Services ("the Director"). Prior to October 2011, we failed to do so and sold several unregistered franchises in Oregon without providing a copy of the applicable disclosure document. We explained to the Department the fact we voluntarily offered rescission to each Oregon licensee and they all declined rescission. At the Director's request, on May 9, 2012, we entered into a Consent Order whereby we agreed to only offer franchises in Oregon in accordance with the Oregon Revised Statute and paid a civil penalty of \$9,000. We did not admit any liability as part of the settlement.

In the Matter of Window World, Inc., (File Num. S-221138 (FX)). Under § 553.55 Wis. Stats. ("Wisconsin Statute"), franchisors are required to register their franchise offering with the Bureau of Enforcement of the Division of Securities, Department of Financial Institutions ("Department"). Prior to October 2011 we failed to do so and sold several unregistered franchises in Wisconsin without providing a copy of the applicable disclosure document. We explained to the Department the fact we voluntarily offered rescission to each Wisconsin licensee and they all declined rescission. At the Commissioner's request, on May 17, 2012, we entered into a Consent Order whereby we agreed to only offer franchises in Wisconsin in accordance with the Wisconsin Statute. We did not admit any liability as part of the settlement.

<u>In the Matter of Window World, Inc.</u>, (Cause No. 13-0170CA). Under the Indiana Franchise Act ("Indiana Act") franchisors are required to register their franchise offering with the Indiana Secretary of State Securities Division ("Securities Division"). Prior to October 2011 we failed to do so and sold several unregistered franchises in Indiana without providing a copy of the applicable disclosure document. We explained to the Securities Division the fact we voluntarily offered rescission to each Indiana licensee and they all declined rescission. At the Security Division's request, on August 13, 2013, we entered into a Consent Order whereby we agreed to only offer franchises in Indiana in accordance with the Indiana Act and pay a civil penalty of \$8,000 and investigation cost of \$1,000. We did not admit any liability as part of the settlement.

Window World of Raleigh, Inc. Arbitration (American Arbitration Association Case No. 01-15-0004-6473): On March 10, 2015, WINDOW WORLD OF RALEIGH, INC. ("WW-Raleigh") served upon WINDOW WORLD, INC. an arbitration demand alleging breach of contract, breach of covenant of good faith and fair dealing, a declaratory judgment regarding the scope of WW-Raleigh's territory, and declaratory judgment regarding the transfer provisions of the Agreement. On February 29, 2016, the parties entered into a settlement agreement whereby our affiliate purchased the franchisee licensed business for \$2,350,000 and a non-compete payout of \$350,000. On March 1, 2016, the arbitration proceeding was dismissed with prejudice.

Marie Wyatt Whitworth v. Estate of Wesley Todd Whitworth, Tammy Whitworth, individually and as the Executor of the Estate of Wesley Todd Whitworth, and Window World, Inc. (10 CVS 831 Wilkes County, North Carolina). The Plaintiff, one of our former shareholders, filed this case on June 22, 2010 in North Carolina Superior Court and alleged breach of fiduciary duty, constructive fraud, fraud, breach of contract, violations of North Carolina Civil RICO Act, and other claims involving the redemption of the plaintiff's stock. The trial court dismissed the lawsuit with prejudice. The Court of Appeals upheld the dismissal in part and reversed in part. The North

Carolina Supreme Court concurred with the Court of Appeals dismissing all claims against WINDOW WORLD, INC. other than the North Carolina Civil RICO Act claim, but reinstating all claims against the other defendants, which claims were remanded to the trial court. In December 2016, to resolve the dispute and the lawsuit discussed immediately below, we settled the case by affirming the redemption payments allegedly owed to Mrs. Whitworth and agreed to pay an additional \$18,249,937.23 to resolve the dispute.

Marie Wyatt Whitworth v. Window World International, LLC, Tammy Eller Whitworth, ind., as Executrix of the Estate of Wesley Todd Whitworth, and as Trustee of a Trust to be Identified, Window World, Inc., The Estate of Wesley Todd Whitworth, Anna Grace Whitworth, Wyatt Thomas Whitworth, William Tucker Whitworth and John Does 1-50 (14 CVS 1161). The Plaintiff, one of our former shareholders, filed this case on September 26, 2014 in North Carolina Superior Court and alleged the transfer of certain trademarks to WINDOW WORLD INTERNATIONAL, LLC was for less than full and adequate consideration resulting in a fraudulent transfer and a breach of fiduciary duty purported owed to Plaintiff. The Plaintiff seeks to reverse the transfer and return ownership of the marks to WINDOW WORLD, INC. and appoint a receiver to manage the intellectual property assets of Defendants. On March 6, 2015, we filed an answer to the complaint. In December 2016, to resolve the dispute and the lawsuit discussed immediately above, we settled the case by affirming the redemption payments allegedly owed to Mrs. Whitworth and agreed to pay an additional \$18,249,937.23 to resolve the dispute.

Oscar Castro v. Window World, Inc., et al. (BC575391, California Superior Court Los Angeles County—Central District). On March 11, 2015, OSCAR CASTRO filed a lawsuit against us alleging employment law violations by our former affiliate, WINDOW WORLD OF CALIFORNIA, LLC, and us claiming we were his joint employer. He also asserted these claims constituted unfair competition under California law. On April 17, 2015, we filed an answer to the complaint generally denying the allegations as lacking merit and alleged applicable affirmative defenses in this case. On October 12, 2016, we and our former affiliate, WINDOW WORLD OF CALIFORNIA, LLC, entered into a confidential settlement agreement in which the plaintiff agreed to dismiss his claims with prejudice in exchange for WINDOW WORLD OF CALIFORNIA, LLC agreeing to pay the plaintiff \$33,376.11 and his attorneys' fees of \$30,623.89. Neither we, nor our former affiliate, admitted any liability in the settlement.

Window World, Inc. Mike Bendfeldt, et al. v. Window World-of Columbus, Inc. and Keith Dotson, 20-CVS-1026 (Wilkes County Superior Court). On October 5, 2020, we filed a complaint against a former franchisee alleging claims for breach of post-termination obligations, Lanham Act violations, common law unfair competition, and violations of North Carolina's Unfair and Deceptive Trade Practices Act. We obtained a judgment against the former franchisee on September 20, 2021 which imposed a permanent injunction on the former franchisee, precluding the former franchisee from (i) holding themselves out as being associated with Window World, (ii) appropriating or using any of Window World's trademarks, (iii) selling, installing, servicing, or attempting to sell or service Window World products, and (iv) using, misappropriating, or disclosing in any way any trade secret or confidential information belonging to us or our affiliate, among other things. The judgment also awarded monetary damages against the former franchisee and in our favor in the amount of \$189,719.79. Associated Materials, LLC, Case No.: 8:15-CV-00377 (United States District Court for the District of Nebraska); Mike Bendfeldt, et al. v. Window

World, Inc. and Associated Materials, LLC, Case No.: 5:17-CV-00039 (United States District Court for the Western District of North Carolina). In October 2015, Mike and Betty Muhr-Bendfeldt, former Window World franchisees, filed a lawsuit against Window World, Inc. and Associated Materials, LLC in the United States District Court for the District of Nebraska asserting alleged violations of the Robinson-Patman Act, violations of the Sherman Act, RICO violations, fraud, and breach of contract related to their dealings with Window World, Inc. and Associated Materials, LLC in their capacity as former licensees. At our request, in January 2017 the Nebraska federal court transferred the case to the United States District Court for the Western District of North Carolina. By order dated September 25, 2017, the North Carolina federal court dismissed plaintiffs' Robinson-Patman Act claim (which dismissed Associated Materials, LLC from the action), the Sherman Act claim, and the RICO claims. Plaintiffs subsequently filed a Second Amended Complaint, which, among other things, removed Betty Muhr-Bendfeldt as a plaintiff. We filed a motion for summary judgment, and on March 26, 2020, the North Carolina federal court entered summary judgment in our favor dismissing all claims in the case. On April 23, 2020, the plaintiffs gave notice of their appeal to the United States Court of Appeals for the Fourth Circuit. On May 25, 2023, the United States Court of Appeals for the Fourth Circuit issued a per curiam opinion affirming the North Carolina federal court's dismissal of plaintiffs' claims. Plaintiffs did not seek further review of the Fourth Circuit's opinion. All pending claims remain dismissed. This matter concluded in Window World's favor and the case is closed.

CJ Consultants, LLC d/b/a Window World of Lansing, James Hindman, Cynthia Hindman, Hugh Stempfley and Paulette Stempfley v. Window World, Inc., Case No. 22-CV-00003 (Western District of Michigan—Southern Division). On January 3, 2022, former franchisees filed a lawsuit against us alleging (i) breach of contract and breach of covenant of good faith and fair dealing due to alleged wrongful termination of the franchise agreement, (ii) trespass, in the nature of wrongful eviction claims, and (iii) violations of the Michigan Franchise Investment Law for alleged failure to meet certain disclosure obligations at the time of the renewal of the franchise agreement and allegedly terminating the franchise agreement without good cause. We filed a motion to dismiss on the grounds that the plaintiffs failed to state claims under Michigan franchise law and that the franchise agreement required mandatory pre-litigation mediation procedures. On September 20, 2022, the court granted our motion and dismissed the case for failure to state a claim and in favor of contractual mediation procedures.

Other than these actions, no litigation is required to be disclosed in this Item.

#### **ITEM 4: BANKRUPTCY**

#### **ITEM 5: INITIAL FEES**

The initial franchise fee for a single Franchised Business is \$45,000. The initial franchise fee covers the <u>initial grant</u> of a license to operate the Franchised Business, <u>and other costs associated with our pre-opening obligations to you, such as</u> the initial training we provide to you, access to our Manuals, our assistance in helping you to open your business, and a start-up package consisting of the following: one computer equipped with Microsoft Windows and QuickBooks, <u>a tablet, a one-year year subscription</u> to security and backup software, showroom displays, <u>a photo shoot</u>,

demonstrator samples, start-up print materials, an initial \$5,000 sign allowance, <u>a \$1,000 siding display allowance</u>, a \$500 apparel allowance, and the first twelve months of <u>the basic Technology</u> Fees (defined below). The initial franchise fee is non-refundable and due in lump sum upon signing of the Franchise Agreement.

If you are required to open one or more Satellites because your Territory has a population of more than 3 million people, we anticipate that you will pay us up to \$5,000 for showroom displays for those second or subsequent locations. If you are required to operate any Satellites in the Territory, the Satellites will be governed by the terms of the Franchise Agreement for the Headquarters. We do not offer a separate multi-unit franchise offering. These fees for showroom displays are non-refundable and due in lump sum upon signing of the Franchise Agreement.

We participate in the International Franchise Association's VetFran Program, which generally provides discounts on initial franchise fees to veterans of the U.S. Armed Forces who otherwise meet the program's requirements. Purchasers of a Window World franchise who are veterans of the U.S. Armed Forces are eligible to receive a reduced initial franchise fee of \$30,000 (representing a \$15,000 discount off our standard \$45,000 initial franchise fee). To qualify for the discount, the veteran must own at least a 50% interest in the franchise. "Veteran" means a recipient of an honorable discharge as evidenced by the U.S. Department of Defense. It is the veteran's responsibility to send us the required documents to obtain the VetFran discount.

During our last fiscal year, the fees in this Item 5 were uniformly applied.

Note 1: Unless otherwise indicated in the table, all of the fees are payable to, imposed by, and collected by us. None of the fees or payments in this Item 6 are refundable. At our option, we have the right to increase any flat fee to account for inflation, as measured by the Consumer Price Index. Except for our beta testing site fortesters of WW360 Premium Services for whom we waived the Technology Fee (described in Note 3 below), Premium Services fee during our last fiscal year, all fees were uniformly applied by us.

Note 2: We may, during the term of your Franchise Agreement, allow you to offer roofing products and services if you meet our then-current qualifications and guidelines. We will not charge you an additional initial franchise fee to participate in this program, but you will pay us royalties for the roofing products you purchase as described in this Item. Currently, we allow you and all other franchisees to participate in the roofing program only if all of the following conditions are met:

- 1. Your Franchised Business must have been in continuous operation for at least three years.
- 2. In the calendar year prior to your participation in the roofing program, you (or your predecessor in interest, if you are purchasing an already-operating business) must have had total window sales volume on a per window unit basis that are equal to or greater than the gross sales achieved by the bottom 15% of Window World franchisees for the previous year within their market size.
- 3. For the two (2)-calendar years prior to your participation in the roofing program, you must have collected a minimum of 4% of your total gross sales from your sale of entry doors and 2% of your total gross sales from siding, to the extent our designated supplier yendor of siding has, in its judgment, a suitable product for sale within your Territory.
- 4. You have obtained the appropriate licensure and training to provide roofing products and services.
- 5. You maintain all required insurance and require that any independent contractors you hire do the same.

We may also decline to allow you to participate in the roofing program if you or your affiliates have previously participated and been removed from the program.

To remain in the roofing program, you must (1) sell a minimum number of windows during each full calendar year ("Minimum Annual Window Sales Requirement"), which amount is a three to five year average of window units sold by the Franchised Business or a mutually agreed upon number to reflect special circumstances, and (2) achieve the minimum yearly "MSI" as that term is (defined and used in the Manuals Item 12), for your market size, (3) achieve the Minimum Entry Door Purchases, as that term is defined in the Franchise Agreement.

Note 3: The initial franchise fee covers the first twelve months of the <a href="basic">basic</a> Technology Fees if you start a new Franchised Business. Currently, the Technology Fee will cover the <a href="building and maintenance of a web site specific to your Franchised Business,">business, the use of a proprietary customer relations management software platform, WW360 provided by our affiliate WW Technologies, two email accounts, access to the Window World Owner's Portal, <a href="your domain name">your domain name</a>, and other <a href="goodsproducts">goodsproducts</a> and services that we may add from time to time. We and our affiliate reserve the right to adjust the Technology Fee and to add or remove <a href="goodsproducts">goodsproducts</a> and services at our discretion. We and our affiliate also reserve the right to offer premium versions of the technology <a href="goodsproducts">goodsproducts</a> and services and charge an additional fee for the additional functionality. Our current franchisees will also pay us a start-up fee when they begin to use the technology <a href="goodsproducts">goodsproducts</a> and services. New franchisees do not pay a start-up fee. <a href="We offer as an option">We offer as an option</a>, <a href="services to build and maintain a web site specific to your Franchised Business. If you elect optional services or Premium Services, you will pay additional amounts above the base Technology Fee. <a href="You are required to fully implement WW360">You are required to fully implement WW360</a>, which means entering complete and correct data and actively using the six core WW360 functions: budgeting, advertising costs, product list

developed, scheduling and resulting of all sales appointments, production pipeline, and service pipeline. We have the right to modify the definition of full implementation in the Manuals from time to time.

Note 4: The products you sell to customers will typically carry a warranty through the manufacturers or fabricators. You must honor our labor guarantee and warranty policies for installation, repairs, and replacements as set forth in our Manuals. We do not charge you or the customer to participate in our warranty or labor guarantee program. However, under this program, you will be responsible for all labor and non-product materials (i.e., caulking) cost associated with warranty repairs in your Territory even if you did not make the original sale. This warranty policy could require you to provide the labor and related materials for the replacement of an approved Window World product that was sold by another business in your Territory prior to commencing operations of your Franchised Business. Our current warranty policy is as follows:

## [Remainder of the page intentionally blank]

• You must always assume all service and warranty obligations for work you perform during the term of your Franchise Agreement, whether it was performed in the Territory or not.

- If you purchase an existing Window World business, you must also assume all service and warranty obligations for work that was performed by the seller franchisee and all prior owners of the business, whether the work was performed inside the Territory or not.
- If you purchase a new franchise from us, you must assume all service and warranty obligations for work that was sold or performed within your Territory before the date you commence operations of your Franchised Business; provided that we will cover your warranty service expenses for the first 90 days after you purchase the franchise, or until you commence operating your business, whichever occurs first.

#### **NOTES:**

- 1. All fees and payments are non-refundable unless otherwise noted or allowed by third-party vendor. This Table 1 assumes you will be opening and operating only the Headquarters and no Satellites. However, if you are required to open one or more Satellites because your Territory has a population of more than 3 one million people owner-occupied homes, you may incur additional costs. We estimate those costs in the following Table 2 for each Satellite. Neither we nor our affiliate finances any part of the initial investment.
- 2. The initial franchise fee paid to us is non-refundable. The initial franchise fee covers the license to use the trademarks, the cost of training, the cost of initial grant of a license to operate the Franchised Business and other costs associated with our pre-opening obligations to you, such as the initial training we provide to you, access to our Manuals, our assistance to in helping you as youto open your business, and a start-up package detailed in Items 5 and 11.consisting of the following: one computer equipped with Microsoft Windows and QuickBooks, a tablet, a one-year year subscription to security and backup software, showroom displays, demonstrator samples, start-up print materials, an initial

- \$5,000 sign allowance, a \$1,000 siding display allowance, a \$500 apparel allowance, and the first twelve months of basic Technology Fees.
- 3. You are responsible for the cost of your transportation to our Corporate Office and Training Center corporate office and training center in North Wilkesboro, North Carolina, to sign your franchise agreement and to attend new business owner training. We will pay for food and lodging during your visit. There is no separate training fee. You are responsible only for your travel expenses. This is an estimate for each franchisee. two owners. If you bring additional owners, you will incur additional costs. We assume you will combine the signing and training into a single trip. The cost of tickets to travel may be refundable under conditions permitted by the airline or other travel provider.
- You must lease or provide a suitable facility for the Headquarters. We require that you 4. obtain Your Headquarters must have at least 5,000 square feet to operate your Franchised Business. You may choose a larger facility, but it will increase your operating costs. You must have a showroom, an office, a loading dock, private office space, a product showroom, a door suitable for loading and unloading product, and warehouse space. Your warehouse space Unless you receive our prior approval, the Headquarters must have a door suitable for loading or unloading product, and a loading dock that can be accessed by a 53foot trailermeeting our specifications. With our prior approval, you may have your warehouse and showroom/office space in different locations, but we must approve each location. We recommend that you have a single location with 5,000 square feet of flex space and our estimates here are for a lease of that type of space. You may choose a larger facility, but it will increase your operating costs. We recommend that you use one-third of the floor space for your showroom and offices and use the remaining two-thirds as a warehouse for product storage. Your cost to lease is difficult to quantify because there are factors that will impact what you pay. These factors include the facility's location, its square footage, cost-per-square foot, renovation costs and any required maintenance fees. Your landlord may refund your security deposit, but most will not refund rental payments. You should ask your leasing agent or landlord about their refund policy before you sign a lease agreement. We do not require you to purchase or build a facility to house the franchise. Your cost may increase over our projections should you choose to purchase or build. You should consider construction delays and their unpredictable cost before electing to build or purchase. You should seek professional advice if you choose to purchase or build. You will likely incur costs to renovate or remodel the space you lease The estimates here reflect three months of rent expense.
- 5. This figure varies depending on the equipment you select. Refunds for such equipment are set by the <u>suppliervendor</u>. The <u>suppliervendor</u> may permit you to return your unopened equipment and receive a refund. The low estimate assumes that you obtain the required machine with copying, printing, and fax capabilities. The high estimate assumes that you obtain the required machine as well as the following optional items: another tablet, a credit card reader, cellular service for the tablet, and an additional email address.
- This figure varies depending on your site <u>selection</u> and desired modification(s) to the premises. No up-fit is necessary in some <u>locations buildings</u>, while extensive up-fit may be necessary in other <u>locations buildings</u>. Your up-fit costs will vary depending on many factors, including the size, condition and location of the <u>facility building</u>, local wage rates, and the cost of materials. These costs are typically non-refundable.

- 7. You are not required to purchase security equipment of your business, but we recommend that you do. The high estimate represents the cost to purchase security equipment hardware for an 8,000 square foot space. The low estimate assumes you do not purchase security equipment. Refunds for such equipment are set by the supplier yendor. The supplier yendor may permit you to return your unopened equipment and receive a refund.
- 8. This figure is merely a rough estimate of These estimates are for the average cost of leasing or purchasing costs to lease or purchase office furniture necessary to fill a 5,000 square foot office space using one-third of that space as an office/showroom, and the remaining two-thirds as a warehouse. Refunds for such furniture are set by the supplier vendor. The supplier vendor may permit you to return your unused and/or unopened furniture and receive a refund.
- 9. This estimate reflects the cost of supplies (caulk, trim, nails, coil, etc.) needed to install the inventory of windows, doors, and siding that you will sell during your first three months of operations. The purchase of inventory for windows, doors, and siding and all other products you may sell is not factored into your start-up expenses this estimate. No supply of these products is required to begin operation of your Franchised Business. Typically, you will custom-order products to fulfill your sales contracts upon execution of the contract and receipt of a security deposit. The cost of supplies is factored into this amount. Typically, these amounts are non-refundable.
- 10. If you are eligible to participate in the roofing program, you will incur additional costs for the supplies to install the roofing inventory and supplies. The low estimate assumes you do not participate in the roofing program and the high estimate assumes that you do. The purchase of inventory for roofing products is not factored into your start up expenses this estimate. No supply of these roofing products is required to begin operation of your Franchised Business. Typically, you will custom-order products to fulfill your sales contracts upon execution of the contract and receipt of a security deposit. The cost of supplies is factored into this amount. Typically, these amounts are non-refundable.
- 11. This figure is a roughan estimate of the range of potential costs of the total amount of deposits paid for utilities at a new business. Figure Figures will vary. We recommend that you initiate your telephone service at least 3three weeks prior to your opening so that you may receive calls generated from advertising that you roll out during this time period. Typically, these amounts are non-refundable.
- 12. Most landlords require a lease deposit. The low estimate assumes that you own the building for the Headquarters.
- 13. 12. The jurisdiction where you locate the Franchised Business may require you to obtain a contractor's license or home improvement license. Typically, these amounts are non-refundable.
- 14. You are not required to purchase or lease a vehicle for your business. If you do not, you will have to make other arrangements to transport the products. If you do you will incur additional expense. If youyour subcontracted installers will be responsible for transporting the products in their own vehicles and with their own equipment. The low estimate assumes that you have a suitable vehicle already or that your subcontracted installers have their own vehicle(s) and equipment. If you elect to purchase or lease a vehicle for the business, we recommend you are required to have a late model (less than 5-year-old) vehicle in good condition. You must send us pictures of the vehicle for us to approve the vehicle. You must use our approved vehicle wrap. Low assumes you already

- own a quality vehicle and only require magnetic signs or vehicle wrap. High assumes new car purchase with vehicle wrap The high estimate represents three months of financed payments or lease payments for the vehicle. This estimate does not assume that you purchase the vehicle outright with cash, and if you do, your initial investment in the vehicle will be substantially higher. Typically, these amounts are non-refundable.
- 15. You may choose to obtain branded graphics for your vehicle. The low estimate assumes that you use your signage allowance provided in the startup package to cover the cost of the graphics or that you choose not to have vehicle graphics.
- 16. 14. You must engage in an initial, three-month advertising campaign and spend at least \$30,000 during the campaign. We recommend, but do not require, that you begin advertising 3 weeksstart your campaign at least 30 days prior to your opening for business. Depending on the size of your market, you may expect to budget between \$10,000 and \$30,000 for your initial month of advertisingwe may recommend that you budget more. Typically, these amounts are non-refundable.
- <u>17.</u> You may choose to employ and/or contract for individuals to assist in the operation of your Franchised Business, including but not limited to front office people, salespeople, design consultants, and installers. <u>You may choose to engage contractors rather than employees to provide sales, design consultant, or installer services.</u>
- 18. This insurance estimate reflects the insurance premium payments for three months for the minimum coverage that we require, discussed in more detail in Item 8. The major categories of insurance we require you to obtain include property insurance, workers' compensation insurance, and comprehensive general liability insurance.
- 19. You may need to retain an attorney, an accountant, and other consultants to help you to establish your Franchised Business. Your cost will depend on the location of the Franchised Business, the prevailing rates of local attorneys, accountants, and consultants. Your costs for these services are typically nonrefundable. You should inquire about the refund policy of the attorney, accountant, or consultant at or before the time of hiring.
- You must have a minimum of one exterior sign that complies with our brand standards.

  We will give you as part of your start up package, a \$5,000 exterior signage allowance.

  The \$0 estimate assumes that the exterior sign allowance covers the entire cost of your signage and the high estimate assumes that you must incur additional costs for it.
- 21. 17. You must pay our approved vendor for call routing services from 1-800 NextWindowto a branded phone number. As of the issuance date of this disclosure document, this fee is \$43.7246.78 per month with a \$25 start-up fee, but our approved vendor may increase this fee at any time. Typically, these amounts are non-refundable. The estimate is for 3three months plus the start-up fee.
- 22. 18. We estimate the start-up phase to be 3three months from the date you open your business. These amounts do not include any estimates for owner salaries, owner living expenses, finance charges, interest, or debt service. You must also pay the applicable obligations. In creating this estimate we have considered the fees described in Item 6 of this disclosure document to the extent they have not already been paid. These figures are estimates and we cannot assure you that you will not have additional expenses. You should base your estimated start up expenses on the anticipated costs in your market and consider whether you will need additional cash reserves., rent, compensation for employees and contractors, utilities, maintenance, insurance, supplies, taxes, additional advertising, waste management services, and related operating costs. In our model, you will collect a customer

deposit at the time the customer contract is signed. The balance of the contract price is collected upon installation. We recommend that you pay for product costs and sales commissions from the customer deposit. We relied upon the experience of our existing franchisees as reported to us. You should review these figures carefully with your business advisor. You should have a 3-month cash reserve to cover the operations of the franchised outlet. Your cash reserves should be based on the total monthly cost of operating the franchised outlet. You should consider royalties, advertising, rent, salaries, utilities, maintenance, supplies, payroll, taxes, loan payments and other related operating costs to arrive at your 3-month reserves. Your costs will be affected by factors in the local market, local economic conditions, and local competition where your franchised outlet is located, which we cannot predict. For example, the wages and rental rates in the area where your franchised outlet is located will affect the size of your cash reserve. You may need to have more or less money in your cash reserve. You may need to have additional working capital to cover for low sales or high operating costs. You should speak with a financial advisor to get a more accurate estimate of the amount you should have in reserve. The operating costs on which you may use the cash reserve are typically non-refundable, but you should ask about refund policies before you patronize any vendor. The payments made to third parties may be refundable depending on the terms offered by each third party. These estimates do not include any finance charges, interest or debt service obligations. You should review these estimates carefully with a business advisor or accountant before making any decision to buy a Franchised Business. You will be required to designate a bank account with a balance equal to our liquidity standards and you will be required to provide us with a bank approval letter showing sufficient capital and additional funds.

## **NOTES:**

1. This second table provides estimates for costs you will incur to open a Satellite if you are required to do so because your Territory has a population of more than 3 one million peopleowner-occupied homes. If you are opening open one or more Satellites within your Territory, you will incur these costs in addition to the costs for the Headquarters disclosed

in Table 1. If you are required to open one or more Satellites, each will be governed by the terms of the The Franchise Agreement for addresses both the Headquarters and any Satellites. We do not offer a separate multi-unit franchise offering. If you do not operate any Satellites within the Territory, this Table 2 will not apply to you. Please see the notes to Table 1 for more detail about what these estimates cover.

#### ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

**Required and Approved Vendors.** We have the right to approve all vendors of all products you sell. Where we have designated an approved vendor, you must purchase all products from approved vendors. A Franchised Business must <u>currently</u> sell windows, patio doors, entry doors and siding, as we direct in our sole discretion. You may also choose to sell the following products: garage doors, shutters and accessories related to approved products, and, if we allow you to do so and you sign the roofing amendment, you may also sell roofing products and services. If you sell these optional products, you must purchase them through an approved vendor.

In accordance with the procedures contained in our Manuals, you must use our approved vendor for printing services, customer financing, and showroom displays. As part of the start-up package provided to you for your initial franchise fee, we will supply you with an initial supply of printed materials. The cost of replacement of the materials included in the start-up pack is estimated to be between \$2,500 and \$5,500 approximately every six months. You must purchase these items from our approved printer.

We have an approved, but not designated, <u>provider vendor</u> from whom you may purchase other incidental supplies you may need to perform installations of products sold.

You are required to sign a Master Services Agreement that addresses certain technology goodsproducts and services that will be used in the Franchised Business and which are covered by the Technology Fee. The Master Services Agreement is attached as Exhibit H. Individual service agreements are attached to the Master Services Agreement. Currently, the Technology Fee will cover the building, design, and maintenance of a web site specific to your Franchised Business, the use of a proprietary customer relations management software platform, WW360 provided by our affiliate. WW Technologies, two email accounts, your domain name, and access to the Window World Owner's Portal. You will have the option to select a local web design company to develop your web site in accordance with our brand standards. Otherwise, currently, we or our affiliates are the exclusive suppliers yendors of these goods products or services to you, though we may not always be the original source of the goodsproducts or services.

If we require you to use this <u>supplier vendor</u>, you must "port" or transfer all telephone numbers associated with the Franchised Business to the approved <u>supplier vendor</u>.

Where we have designated an approved vendor, you must use that vendor. Not purchasing your business's product, equipment, inventory, supplies, or any other items where we have designated an approved vendor would put you in violation of the Franchise Agreement. If you violate the Franchise Agreement, we may, at our option, either take legal action against you to compel compliance and/or terminate your Franchise Agreement. Because of the volume of business franchisees bring to our approved vendors, you may enjoy lower prices than you could receive from other vendors, or on the other hand, you may encounter higher prices than you would otherwise encounter if you were not required to purchase from the approved vendor. We have broad rightrights to receive revenue from your required purchases. We will have no obligation to share such revenue received with you. **Franchisor and Affiliate Revenue**. We derive revenue through rebates, royalties, and license fees, which are monies paid to us by and through approved vendors and resources when supplies are purchased from these vendors by franchisees. The royalties collected through our vendors represent our primary source of revenue to perform our obligations to you. Currently, the royalties are calculated as a range \$.100.10 and \$5075 if they are collected as a flat fee per product purchase or up to 1012% of purchase price if a percentage of product purchases. These amounts and bases can change in the future. If you buy a franchise, you will agree to the payment of these royalties.

Certain vendors support our franchisee convention (what we call our "Family Reunion") by sponsoring the event and paying for booth rental space at the vendor exhibition hall. Additionally, they occasionally support franchisee meetings and sales contests. During 20222023, we received \$576,00055,000 from fees paid by vendors to sponsor, support and attend various franchisee meetings and sales contests.

The portion of the rebate that we choose to forego is passed on as a discount in cost to those compliant franchisees. Additionally, your insurance policy must waive on behalf of the

insurer any right of subrogation by the insurance company against us, the Additional Named Insureds, our officers, shareholders, and employees. ## **Timing for Opening Your Window World Business**

You must have leased and opened your Franchised Business within 90 days of execution of your Franchise Agreement. You must submit your sites to us for review within 45 days of execution of your Franchise Agreement. Factors which may affect preparation for opening include the ability to obtain a lease, financing, building permits, zoning and local ordinance compliance, licensing requirements, weather conditions, shortages, or delay in installation of equipment, fixtures, and signs. You should allow for these circumstances in preparing to open your business. The typical length of time between signing the Franchise Agreement and opening the Franchised Business is 90 days. (Franchise Agreement Section 1(c))

## **Additional Notes on Post-Opening Assistance**

**Product Development.** We work with our approved manufacturers and vendors to provide new products to our franchisees. However, we are not responsible for delays or shortages our vendors may experience in fulfilling our franchisees' orders, whether due weather, supply chain issues, or other events. We encourage you to communicate with us regarding specific product needs in order to aid our discussions and continue product development through our vendors. However, we are under no obligation and may be unable to offer every product requested of its by franchisees or by potential customers. (Franchise Agreement Section 4(a); 10(a))

No Hiring or Training of Your Employees or Contractors. Your franchise is independently owned and operated; therefore, we are not obligated to hire or train your employees or contractors. You are responsible for hiring and training your employees or contractors as well as developing your employment policies. (Franchise Agreement Section 9(g))

**Assisting You with Your Window World Business.** We strive to support you in the operation of your Franchised Business, including giving advice about operational problems you encounter. The following resources are <u>currently</u> available to all Window World franchisees:

**Field Support.** We employ people who will monitor the field and travel to your Headquarters for assistance. These personnel are currently referred to as Regional Managers. They primarily provide support by analyzing your Franchised Business and offering suggestions for developing your business. We have the right to reduce or change our field support processes, frequency of assistance, and staffing at any time.

**Training Programs.** We may periodically offer other training programs as we deem appropriate, at our sole discretion. You will be responsible for all costs you incur in attending these programs. We may delegate some or all this training and assistance obligation to third-party vendors and suppliers, as we deem appropriate. Other speakers and trainers may be franchisees. Most training and assistance is optional, but we may require that you attend, at your expense, additional training as we deem fit. (See Franchise Agreement Section 9)

Conventions and Training. From time to time, we may offer conferences, instructional meetings, and other training courses at the intervals and in the manner we determine in our discretion, although we are not required to do so. We reserve the right to require the Operating Owner or Operations Manager to attend programs designated by us as mandatory. We can place restrictions on non-owner managers attending. Although we have offset some of the costs of these programs in the past, you will be responsible for all transportation, lodging, food and other costs incurred in attending such programs. Any trainer from the Window World operations team will have a minimum of 3three years of experience with Window World and/or in the sale of residential remodeling products. We may also invite outside experts or speakers to present at our conferences, meetings, or trainings.

Except for the training we have outlined in this Item 11, we are not obligated to provide you with any other training. (Franchise Agreement Section 4(a); 9(g))

pricing structure. We may give you advice regarding pricing in your Territory. (Franchise Agreement Section 10(b))

You are not permitted to alter the established chart of accounts, but you can add more detail in subaccounts. We do require that you submit financial reports to us on a semiannual basis, some of which must be. We also require annual reviewed by an financial statements, prepared by an independent certified public accountant. We also have the right to require other reports, financial statements, and information be submitted to us upon our request. (Franchise Agreement Section 4(a); 9(i))

Technology Services. As discussed above, we or our affiliate also provide you with certain technology goods and services. (Master Services Agreement)

Advisory Council. While we are not required to do so, we currently maintain a franchise advisory council ("AC"). The AC will provide advice to us on various matters, including advertising. The AC serves in an advisory capacity only and has no operational or decision-making power. We have the power to change or dissolve it at any time. Currently, following their 2-yeartwo-year term, a percentage of the members of the AC elect their replacements from the franchise community and a percentage are selected by us. Only owners of franchises in good standing can serve as members of the AC. Non-owner managers cannot be elected to the AC.

## Advertising

Our Advertising Obligations. Although we may choose to conduct advertising for the brand, we are not obligated to conduct any advertising and are not required to spend any amount on advertising in your area or Territory. We docurrently maintain a web site, www.WindowWorld.com, and we may participate in certain events or national broadcast media, which result in national coverage. We can also choose to participate in events or use media that have a local or regional scope. There are no limitations on the media or advertising sources we may choose to use. Advertising sources may include an in-house team or national or local advertising and marketing agencies and providers. (Franchise Agreement Section 8(f))

Your Advertising Obligations and Opportunities. You are responsible for the creation and implementation of advertising for your Franchised Business. Your advertising must comply with our Brand Identity Guide. You must engage in an initial, three-month advertising campaign and spend at least \$30,000 during the campaign. We require that you spend at least 7% of your prior calendar year's gross sales on advertising. We have the right and sole discretion to waive, defer, reduce, or permit variations from the Minimum Local Advertising Amount to any franchisee based on performance, longevity, peculiarities of a particular territory or any other circumstances. You must provide us annually, at the time we designate, with an accounting of the amounts you have spent on advertising. You are permitted to use your own advertising materials from a source you choose for general advertising of your business and are only obligated to target that market in your

geographic area. You must submit proposed advertisements to us for our approval, unless the advertisements are created from templates Window World approves and generates. If we do not disapprove of the advertisement within 20 days of receipt, then the advertisement will be deemed approved. You cannot use any advertisement we have disapproved even if it was approved previously. (Franchise Agreement Section 8(b), (c), (e))

Advertising Council and Funds. We have not established or require you to contribute to any other advertising fund. We do currently have the AC, discussed in detail above, which can advise us on advertising, among other topics.

Advertising Cooperatives. You are not currently required to participate in a local or regional advertising cooperative, nor are you currently required to participate in any advertising fund. However, we reserve the right to require you to participate in advertising cooperatives. We have the exclusive right to require that advertising cooperatives be formed, changed, dissolved, or merged. We have the right to determine the area and membership of each cooperative, which would likely be on a regional basis. If you are required to participate in an advertising cooperative, you will be required to contribute your share of the cooperative's budget as determined by the cooperative's members. Each required local advertising cooperative must adopt written governing documents, which will be available for you to review. We can recommend or mandate the form of written governing document. Each cooperative may determine its own voting procedures; however, each company-owned Window World business and each Franchised Business will be entitled to one vote in any local advertising cooperative in which they are a member. The members and their elected officials are responsible for administration of the cooperative. Advertising cooperatives must prepare unaudited quarterly and annually annual financial statements prepared by an independent CPA and must be made available to all franchisees in the advertising cooperative. If an advertising cooperative is formed, it will not be a trust fund, and we will have no fiduciary duty to your or any franchisee in connection with the collection or use of the cooperative monies or any aspect of the operation of the cooperative. In no event will you be required to contribute more than 3% of your annual gross sales to the cooperative. Whether you contribute a different amount or at a different rate than other franchisees in the cooperative will be determined by the voting procedures in the cooperative. Any company-owned Window World business in the cooperative will participate on the same basis as similarly situated franchisees in the cooperative. Any amount you contribute to an advertising cooperative will count toward the 7% annual gross sales you are required to spend on local advertising. We have the discretion to grant exemptions from participation in the cooperatives to certain franchisees or company-owned businesses. (Franchise Agreement Section 8(a))

Online Presence. We have the option and currently maintain a web site and one or more social media sites for the Window World brand. (Franchise Agreement Section 8(h))

We may designate, from time to time, regional or territory-specific usernames/handles to be maintained by you for any social media Online Presences.

You may not post, and must take such steps as necessary to ensure that your employees and independent contractors do not post, any information on an Online Presence relating to us, the brand, the <a href="mailto:TrademarksMarks">TrademarksMarks</a>, or the Franchised Business that (a) does not comply with our brand, social media, or Online Presence guidelines; (b) is derogatory, disparaging, or critical of us, the brand, or the <a href="mailto:TrademarksMarks">TrademarksMarks</a>; (c) is offensive, inflammatory or indecent; or (d) harms the goodwill and/or public image of the brand and/or the <a href="mailto:TrademarksMarks">TrademarksMarks</a>. If you select our services, we will design and maintain a web site for your Franchised Business. Even if you do not select our web design services, we will register and own a domain name for your franchise-specific web site. We reserve the right to establish rules, procedures, and policies relating to the franchise-specific web site. We will own the domain names for your Online Presence. All materials included on the web site are subject to our initial and continued approval.

**ITEM 12: TERRITORY** 

Location and Relocation. You will receive an exclusive territory ("Territory"), the specifics of which will be defined in your Franchise Agreement. At all times you must maintain your Headquarters within the Territory. You must obtain our prior acceptance of the location of the Headquarters. You may also request our approval to open one or more Satellites or other operational sites not open to the public within the Territory. We have the discretion to approve or disapprove these requests. Any Headquarters, Satellite, or operational site must comply with our standards. You may, with our prior written consent, relocate your Headquarters and any Satellites or operational sites within your Territory. If your landlord terminates your right to possess the Headquarters, you must choose a new location and obtain our acceptance within 60 days of your loss of possession of the original site.

**Minimum Territory.** We will grant, at a minimum, one county/parish as a Territory. If you are granted a Territory that has a population of more than 3<u>one</u> million <u>peopleowner-occupied homes</u>, we may require you to open one or more Satellites within your Territory.

**Rights of First Refusal/Acquisition of Additional Franchises**. You do not acquire any options, rights of first refusal, or similar rights to acquire additional franchises.

**Exclusivity.** Your Territory is exclusive. Subject to our reserved rights, we will not establish and operate, nor license any party to establish and operate, a business selling and installing exterior remodeling products using the <u>TrademarksMarks</u> and the Window World franchise system within the Territory. The exclusivity will apply only once you commence operations of the Franchised Business and not during the period between signing the Franchise Agreement and your work to start-up the business. Additionally, if the Territory contains any area that we formerly permitted one or more Window World franchisees to market or sell into, those franchisees will have the right to complete the installations and warranty work for customers who entered into contracts before your exclusivity became effective.

**Minimum Performance.** You will not have the right to renew your Franchise Agreement for an additional term if your gross unit sales volume of windows for the two years immediately prior to the expiration of the initial term of the Franchise Agreement have not been at least as high as those collected by the 25th percentile of other franchisees in the same market category during the same time period.

You will be in default under the Franchise Agreement if you fail to achieve the Minimum Market Share Index ("Minimum MSI") for your market size after the 7<sup>th</sup> year anniversary of your Franchise Agreement. "MSI" is defined the percentage of window and patio door units sold compared to the total estimated window and patio door unit sales opportunity within the Territory. If the default is not cured or the default is repeated in consecutive years or occurs two times in a three-year period, then we can terminate your Franchise Agreement. The current initial Minimum MSI values for different market sizes are as follows:

Market Size	<u>Small</u>	<u>Medium</u>	<u>Large</u>	<u>Metro</u>
Minimum MSI	<u>5%</u>	<u>4%</u>	<u>3%</u>	<u>2%</u>

No more than one time per year, we may modify your Minimum MSI for the following calendar year by up to one MSI percentage point (i.e., we could increase a medium market Minimum MSI to 5% one year and then to 6% another).

You will be in default under the Franchise Agreement if you fail to achieve the Minimum Entry Door Purchases after the 5<sup>th</sup> year anniversary of your Franchise Agreement. "Minimum Entry Door Purchases," means purchasing the minimum dollar amount of entry doors from authorized vendors per calendar year. The Minimum Entry Door Purchase value is \$25,000. If the default is repeated in consecutive years or occurs two times in a three-year period, then we can terminate your Franchise Agreement.

Otherwise, exclusivity does not depend on achieving a certain sales volume, market penetration or any other such contingency.

<u>Modification of Territorial Rights.</u> At renewal of the Franchise Agreement, we can modify your Territory under the following conditions:

- if your Territory is at least two counties and you have not achieved the Minimum MSI for your market size during the two years prior to the expiration of the initial term of the Franchise Agreement, then we can remove the underperforming county(ies) from your Territory.
- Modification of Territorial Rights. If the aggregate population for the If the number of owner-occupied homes in your Territory increases by more than 50% one million homes compared to the population of the number of owner-occupied homes in the Territory as of the date you sign your Franchise Agreement, then upon renewal of your Franchise Agreement we have the right to require you to establish one or more Satellites within the Territory. Instead of establishing a Satellite when required by us, you may also instead elect to relinquish a portion of the Territory. The relinquished portion will no longer be considered part of your protected Territory, and we will regain all rights to it.

The Territory may also be modified by mutual agreement or if you default under the Franchise Agreement. Otherwise, we cannot modify your Territory during the term of the Franchise Agreement.

At renewal of the Franchise Agreement, we can modify your Territory if your Territory is at least two counties and you have not achieved the minimum "MSI," as that term is defined and used in the Manuals, for your market size during the two years prior to the expiration of the initial term of the Franchise Agreement. We can remove the underperforming county(ies) from your Territory.

Rights Reserved. Regardless of either proximity to your Territory or your Headquarters or any of your Satellites, or any actual or threatened impact on sales of your Franchised Business, we retain all rights not expressly granted to you, including, among others, to: (a) use the <a href="mailto:TrademarksMarks">TrademarksMarks</a> and franchise system in connection with establishing and operating Window World businesses at any location outside the Territory; (b) acquire, establish or operate, without using the <a href="mailto:TrademarksMarks">TrademarksMarks</a>, any business of any kind at any location anywhere in the world (including within the Territory); (c) use the <a href="mailto:TrademarksMarks">TrademarksMarks</a> in connection with soliciting or directing advertising or promotional materials to customers anywhere in the world (including within the Territory); and (d) with or without using the <a href="mailto:TrademarksMarks">TrademarksMarks</a>, solicit or make sales anywhere in the world (including within the Territory) using alternate channels of distribution, including but not limited to the internet. We do not currently solicit or accept orders in your Territory but reserve the right to do so in the future. We will not be obligated to provide you with any compensation for soliciting or accepting orders in your Territory or for the exercise of any of our other reserved rights.

Your Orders Inside and Outside of your Exclusive Territory. You will have the right to sell our approved products and services to residential and light commercial customers who have locations in your Territory. You may sell only at the Headquarters, Satellites, and at customer

locations within the Territory. You may not sell products and services by other channels of distribution, such including mail order, telemarketing, delivery sales, internet sales, and catalog sales.

You have no right to market or sell in the territory of another Window World business. If you sell outside your Territory without our prior written permission or without compliance with systemwide policy, you will be violating your Franchise Agreement and subject to fines, among other remedies. There are additional fines that can be imposed if you market or sell in the exclusive territory of another Window World business. These types of violations of the Franchise Agreement can result in termination.

Currently, we have a policy that permits you to offer and sell products and services to customers who are located in a "Gray Area", meaning the customer is (i) outside of your Territory and (ii) outside the territory of any other Window World business, if you follow our then-current policies and procedures for such business activities. We can revoke this policy or any specific permissions we give you at any time, in our sole discretion. By marketing or selling in this Gray Area, you do not acquire any right or preference to the Gray Area and the Gray Area at all times remains ours until we establish a franchise or corporate location in the Gray Area. You market and sell in Gray Area at your own risk. We reserve the right at any time to sell, grant and/or assign a license to any Gray Area without notice to any franchisee that may be marketing and/or selling in the Gray Area. You shall immediately cease marketing and selling in the Gray Area once it is granted as a territory or if we change our policy on Gray Areas and provide us with all customer information. You will be responsible for all installation service and warranty obligations for the customers to whom you sold product and services in the Gray Area until the time that those locations are incorporated into the territory of a franchisee and that franchisee commences operations.

Use of Alternate Trademark. In some cases, such as those discussed in the Limitations on use of Trademark section of Item 13 below, we may permit you to operate a Franchised Business selling the same products and services as the other franchisees (namely exterior remodeling products) under the World of Windows®, or another TrademarkMark of our designation, if the Window World name is unavailable in the area in which you will operate due to competing businesses operating in the area whose use of the Window World trademark predates our use of the Trademarks Marks. We do not own or operate any World of Windows® businesses. A Franchised Business using an alternate name will execute our standard Franchise Agreement and will abide by the same practices and procedures as all other Window World franchisees, meaning that, subject to our general reserved rights, the World of Windows® business will not be able to market, solicit, or sell products in the Territories of other Window World franchisees. We are still the franchisor for these businesses and will operate at the same office as we do for Window World franchisees and will maintain the same principal address. The Territory granted to a Window World franchiseeour franchisees, regardless of the mark used by the franchisee to operate, remains exclusive to the franchisee. If there is any confusion or conflict between the franchisees using different Trademarks Marks (whether regarding franchisor support, territory, customers, or another topic), we will seek to resolve them informally and, if necessary, through the dispute resolution provisions in the Franchise Agreement. Otherwise, we nor our affiliates franchises, or plans to operate or franchise, a business under a different trademark that will sell products and services similar to those that your Franchised Business will. We reserve all rights to do so in the future.

Window World International, LLC and Window World, Inc. v. Jill O'Toole, James T. Lomax III, Window World of St. Louis, Inc., and Window World of Springfield/Peoria, Inc. (Case No. 19-CV-02363), United States District Court for the Eastern District of Missouri (2019). On October 23, 2019, we, along with Window World International, LLC, filed a complaint against defendants, existing franchisees of Window World and one of their employees, Jill O'Toole, alleging claims for trademark infringement and dilution of our federally registered trademarks and common law marks, and a related claim for unfair competition related to the misappropriation of our trademarks. By order dated November 30, 2020, the court dismissed the false advertising and trademark dilution claims but denied the defendants' motion to dismiss the trademark infringement claim. By that same order, the court dismissed O'Toole as a defendant and stayed the litigation pending determination of the scope of the defendant's license to use our trademarks in Window World of St. Louis, Inc., et al. v. Window World, Inc., et al. (discussed above). On December 30, 2020, we, along with Window World International, LLC, gave notice of our appeal to the United States Court of Appeals for the Eighth Circuit of the order staying litigation. By order dated January 7, 2022, the Eighth Circuit dismissed the appeal for lack of jurisdiction. As a result, this action is stayed pending the final adjudication of all claims asserted in Window World of St. Louis, Inc., et al. v. Window World, Inc., et al., (15-CVS-2), North Carolina Business Court (2015) and Window World of Baton Rouge, LLC, et al. v. This lawsuit has been designated as a Mandatory Complex Business Case and has been assigned to the North Carolina Business Court. After the Court ordered the plaintiffs to join another franchisee, James Roland, in the settlement related claims Settlement Claims, and plaintiffs failed to so do, the Court dismissed without prejudice the plaintiffs' settlement claimsSettlement Claims in the action. During In 2016, the Court dismissed with prejudice plaintiffs' antitrustrelated claims. The Complaint states that it seeks relief in the alternative to the relief the same plaintiffs sought in another previously filed lawsuit in Louisiana. This lawsuit has been designated as a Mandatory Complex Business Case and has been assigned to the North Carolina Business Court. During In 2016, the Court dismissed with prejudice plaintiffs' antitrust-related claims. Franchisor has the right to offset the payments owed to or amounts collected on behalf of Franchisee.
- (d) No Offset or Retention of Funds. Franchisee may not offset or withhold payments owed to Franchisor or its affiliates for amounts purportedly due Franchisee as a result of any dispute of any nature or otherwise but will pay such amounts to Franchisor or its affiliates and only thereafter seek reimbursement.

This does not reduce Franchisee's obligations as set forth in Section 5(ed)(iv). Franchisee recognizes and acknowledges that (i) it may compete with other WINDOW WORLD businesses which are now, or which may in the future be, located near or adjacent to the Territory and (ii) that such businesses may be owned by Franchisor, its affiliates, and/or third parties. # (ed) <u>Territory Activities and Unassigned Territories</u>.

- (i) <u>Limitations</u>. Franchisee may offer and sell approved products and services from the Headquarters or Satellite only within the Territory, except as Franchisor otherwise approves in advance or as set forth in the Manuals, and in such event only in accordance with the requirements of this Agreement. However, if Franchisee is permitted to operate in a Gray Area pursuant to this Section 5(ed), Franchisee shall not acquire any ownership right, right of first refusal, or any other preference to the Gray Area. If Franchisee is permitted to operate in a Gray Area, Franchisee shall perform installation service and warranty obligations in the Gray Area for products that Franchisee sells, as long as the area is designated as a Gray Area. If Franchisee advertises and sells in a Gray Area, Franchisee does so at Franchisee's own risk. Franchisor has the sole right and discretion to rescind any policy or prior written permission to allow Franchisee to operate in a Gray Area at any time during the Initial Term. Franchisor also reserves the right at any time to sell, grant, and/or assign a Gray Area to a franchised or affiliate-owned business without notice to any franchisee. Franchisee acknowledges nothing herein shall be construed as a promise or guarantee that Franchisor will allow Franchisee to advertise, sell, or operate outside of the Territory.

- (iv) <u>Warranty Obligations</u>. If Franchisee is purchasing a Territory which contains any areas that were previously a Gray Area within which other WINDOW WORLD businesses previously serviced customers, then Franchisee must assume all warranty and labor obligations arising after the product installation that were given to such customers at Franchisee's sole cost and expense. Franchisee hereby acknowledges and agrees that Franchisor's acceptance of a Premises does not constitute an assurance, representation, or warranty of any kind, express or implied, as to the suitability of each Premises for the Franchised Business or for any other purpose. Franchisor's acceptance of a Premises indicates only that Franchisor believes each Premises complies with minimum criteria established by Franchisor solely for Franchisor's purposes as of the time of the evaluation. Both Franchisee and Franchisor acknowledge that application of criteria that may have been effective with respect to other locations may not be predictive of potential for all locations and premises and that, subsequent to Franchisor's acceptance of a location, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from Franchisor's criteria could change,

thereby altering the potential of a location. Such factors are unpredictable and are beyond Franchisor's control. Franchisor shall not be responsible for the failure of a Premises accepted by Franchisee to meet Franchisee's expectations as to revenue or operational criteria. Franchisee further acknowledges and agrees that selection of a Premises is based on its own independent investigation of the suitability of each Premises.

Franchisee shall submit to Franchisor executed copies of all such leases immediately after execution and at such other times as Franchisor may request. All leases pertaining to any Premises shall also include an Addendum in the form of Attachment 1 attached hereto or shall contain terms and conditions substantially similar to those contained in Attachment 1 which Franchisor has approved in writing ("Lease Rider"). The Lease Rider must be executed within ninety (90) days of the lease execution. Franchisor is not obligated to offer assistance to Franchisee in negotiating an acceptable lease agreement for any Premises. Franchisor shall not represent Franchisee in a legal capacity and advises Franchisee to seek independent legal counsel in the review and negotiation of its lease agreement(s). Under the following conditions, Franchisee may lease a Premises from an owner, manager, director, officer, or employee of Franchisee or another person or party related to or affiliated with Franchisee (collectively and individually, the "Related Party"): (i) the Related Party must own the Premises in an entity that is separate from any Franchisee entity, (ii) Franchisee enters into a written lease with the Related Party and deliver a copy to Franchisor, and (iii) the Related Party and Franchisee enter into the Lease Rider within ninety (90) days of the lease execution.

The Alternative Agreement must be executed within ninety (90) days of the date Franchisor accepts the Premises.

(d) <u>Headquarters</u>. If the Headquarters is not already selected at the time this Agreement is executed, then within forty-five (45) days of executing this Agreement, Franchisee shall submit up to three (3) locations for Franchisor's review. Acceptance shall not be unreasonably withheld. Failure by Franchisee to acquire or lease an accepted location for the Headquarters within the time required herein shall constitute a default under this

Agreement, and Franchisor, in its sole discretion, may terminate this Agreement pursuant to the terms of Section 14(b)(xi) of this Agreement.

- (e) <u>Suitability of Premises</u>. It shall be the responsibility of Franchisee to determine that a Premises can be used, remodeled, and constructed under all applicable laws, ordinances, orders, rules, and regulations, for the purposes provided herein. Franchisee shall obtain all permits and licenses that may be required to construct or remodel any Premises for operations of the Franchised Business. Unless Franchisee receives prior written permission from Franchisor, Franchisee agrees that any Premises will not be used for any purpose other than the operation of the Franchised Business in compliance with this Agreement.

If construction or remodeling is necessary to modify any Premises to fit Franchisor's standards and specifications, Franchisee is solely responsible for such construction or remodeling. Franchisee will commence any required construction or remodeling promptly after execution of a lease for any Premises. Franchisee shall maintain continuous construction of any Premises until completion. It is Franchisee's sole responsibility to make sure that the design and construction of each Premises is in compliance with all applicable laws, ordinances, orders, rules, and regulations. Franchisee shall indemnify and hold Franchisor Indemnified Parties harmless against any and all claims, actions, causes of action, costs, fees, fines and penalties, of every kind and nature, should the design and/or construction of any Premises fail in any way to comply with any applicable laws, ordinances, orders, rules, and regulations, including, without the limitation, the Americans with Disabilities Act.
- (h) <u>Signs.</u> Franchisee shall prominently display, at its own expense, both on the interior and exterior of the Headquarters or any Satellite advertising signs in such form, color, number, location, and size, and containing such Marks, logos and designs as Franchisor shall designate. Franchisee will be responsible for ordering any required signage at Franchisee's expense. Franchisee shall obtain all permits and licenses required for such signs and shall also be responsible for ensuring that all signs comply with all laws, ordinances, orders, rules, and regulations. Franchisee shall not display in or upon any Premises any sign or advertising of any kind to which Franchisor objects. Upon reasonable notice from Franchisor, and without limiting Franchisor's other rights under this Agreement, Franchisee will take such steps as may be necessary to correct the deficiencies detected during any such inspection, including to repairing, updating, or replacing anything that does not conform with Franchisor's standards and specifications and modifying its operations to comply with Franchisor's standards and specifications. Franchisee acknowledges and agrees that any and all inspections by Franchisor and all demands made by Franchisor to correct deficiencies and conform to Franchisor's standards and specifications will not constitute a representation or warranty by Franchisor that a Premises, the Franchised Business, or the Franchised Business operations comply with applicable laws, ordinances, orders, rules, regulations, codes, and governmental standards. Upon reasonable written notification from Franchisor of a scheduled inspection, an Operating Owner or Operations Manager must be present during the inspection. In connection with the inspection and during the inspection, Franchisee also agrees to provide any documents, books, and records to Franchisor or its agent that Franchisor may request.

FRANCHISEE ACKNOWLEDGES THAT REMODELING AND REFURBISHING REOUIRED BY FRANCHISEE MAY INVOLVE SUBSTANTIAL ADDITIONAL INVESTMENT BY FRANCHISEE DURING THE INITIAL TERM OF THIS AGREEMENT. These remodeling and refurbishing obligations are in addition to Franchisee's general responsibility to maintain the condition and appearance of each Premises consistent with Franchisor's then-current standards and specifications. Franchisee must keep each Premises in the highest degree of cleanliness, orderliness, and repair, as determined by Franchisor.

If Franchisor transfers this Agreement, or any and/or all of Franchisor's rights and/or obligations under it, all past, current and future obligations of Franchisor to Franchisee will cease and be forever extinguished. Franchisor shall be released from all obligations and liabilities arising or accruing in connection with this Agreement after the date of such transfer or assignment, and Franchisee's obligations and duties shall be and will remain the same notwithstanding any such assignment. Franchisor may be sold and/or Franchisor may sell any or all of its assets to a competitive or other entity, participate in an initial, or other, public offering or private placement of Franchisor's stock, merge, acquire other entities and/or assets (competitive or not), be acquired by a competitive or other entity, and/or may undertake any refinancing, leveraged buy-out and/or other transaction. Franchisee waives any and all claims, demands and/or damages with respect to any transaction or otherwise allowed under this subsection or otherwise.
- Transfers by Franchisee. The rights and interest of Franchisee under this Agreement are and shall remain personal to Franchisee. Franchisee recognizes that Franchisor has granted the License in reliance on the business and financial capacity and other attributes of Franchisee and in reliance upon Section 12 of this Agreement. Therefore, neither Franchisee's interest, rights or privileges in this Agreement, the License, substantially all the assets of the Franchised Business, the Franchised Business, nor any person or party's interest ownership interest in Franchisee's business entity, shall be transferred in whole or in part, voluntarily or involuntarily, by operation of law or otherwise, in any manner, except as provided in this Section 11. For purposes of this Agreement, the term "transfer" includes any issuance, sale, assignment, gift, pledge, mortgage or any other encumbrance (other than a lien against Franchisee's assets to secure a loan for the construction, remodeling, equipping or operation of the Franchised Business), transfer by bankruptcy, transfer by judicial order, merger, consolidation share exchange, transfer by operation of law, any change in the persons or parties who own an interest in Franchisee's business entity, ownership or structural changes in Franchisee's business entity such as a merger, reorganization, issuance of additional shares, classes of stock, or interests, or otherwise, whether direct or indirect, voluntary or involuntary, in whole or in part.

#### (c) Franchisor's Right of First Refusal.

(i) <u>Exercise of Right</u>. If any Franchisee proposes to engage in a transfer, Franchisee must first deliver a statement to Franchisor offering to sell to Franchisor the

Franchisee's interest in this Agreement and assets of the Franchised Business (including but not limited to the land, building, equipment, furniture, inventory, and fixtures and any other assets or leasehold interests used for operations). If the proposed transfer involves an offer from a third party, then Franchisee must obtain from the third-party offeror and deliver to Franchisor a statement, in writing, signed by the offeror and by Franchisee, of the binding terms of the offer. If the transfer does not involve an offer from a third party, then the purchase price for Franchisor's purchase of assets described above will be the fair market value of the assets but shall not include the value of any goodwill of the Franchised Business, as the goodwill is attributable to the Marks and the System. If Franchisee disagrees with the value of the assets as determined by Franchisor, then Franchisee and Franchisor shall each hire an appraiser (or a single appraiser, if they so agree) to value the assets. If the appraisals are within twenty percent (20%) of each other, then the difference between the two shall be equally divided to establish the price at which Franchisor may exercise its first right of refusal. If the difference between the appraisals is greater than twenty percent (20%), then the issue of the fair market value of such consideration shall be determined by a third appraiser selected by the other two appraisers and whose decisions shall be final, except that it may not be lower or higher than the lowest appraisal and highest appraisal, respectively, determined by the first two appraisers. Franchisor and Franchisee will each pay one-half of the appraiser's fees and expenses. Franchisor then has forty-five (45) days from its receipt of the statement setting forth the third-party offer or the appraiser's report, as applicable (and all other information requested by Franchisor) to accept the offer by delivering written notice of acceptance to Franchisee. Franchisor will strive to provide Franchisee with a prompt response. Franchisor will have an additional sixty (60) days to complete the purchase if Franchisor elects to exercise its right of first refusal. Franchisor's exercise of any right of first refusal will be on the same price and terms set forth in the statement delivered to Franchisor; provided, however (and regardless of whether the following are inconsistent with the price and terms set forth in the statement) (A) Franchisor has the right to substitute equivalent cash for any noncash consideration included in the offer, (B) Franchisor will prepare the transaction documents for the transfer, which will be on terms customary for this type of transaction (including representations and warranties, covenants, conditions, and indemnification), and (C) Franchisor's purchase may be limited to any assets related to the business.

- (ii) Approval of Transfers. If Franchisor decides not to exercise its right of refusal, Franchisor shall have the right to approve or disapprove the proposed transfer on the conditions set forth in Section 11(d). If Franchisor approves the transfer in writing, Franchisee may make the proposed transfer on the exact terms and conditions specified in Franchisee's notice to Franchisor within one hundred twenty (120) after the expiration of Franchisor's right of first refusal. If the transfer is not consummated within such 120-day period, Franchisee may not thereafter transfer such interest without again complying with this Section 11(c).
- **(d)** <u>Conditions on Transfer</u>. Provided Franchisor chooses not to exercise its right of first refusal, Franchisor agrees that it will not unreasonably withhold its consent to a proposed transfer if all the following conditions are satisfied:

- **Compliance.** Franchisee is in full compliance with this Agreement and there are no uncured defaults by Franchisee hereunder, Franchisee and its affiliates are in full compliance with any other agreements between Franchisee or its affiliates and Franchisor or Franchisor's affiliates, and all debts and financial obligations of Franchisee are current, both under this Agreement and with vendors, including Franchisor and its affiliates. Franchisee will remain liable for all obligations to Franchisor in connection with the Franchised Business which arose prior to the effective date of the transfer. Prior to completion of the transfer, a representative of Franchisor shall conduct a pre-transfer inspection of the Franchised Business and identify in writing any conditions that do not meet Franchisor's then-current standards and specifications as set forth in the Manuals ("Transfer Inspection"). Franchisee shall cause any deficiencies identified to be addressed prior to the transfer being completed up to a maximum expenditure of Fifty Thousand Dollars (\$50,000) ("Transfer Cap"). Alternatively, with Franchisor's prior written permission, the proposed transferee can agree to correct the identified deficiencies within sixty (60) days of the completion of the transfer. The transferee's maximum expenditure will be the Transfer Cap. Upgrades made during the Initial Term and prior to the Transfer Inspection are not included in determining whether the Transfer Cap has been satisfied.
- Agreements. The proposed transferee and other parties relevant to the (ii) transaction execute such documents as Franchisor may reasonably require, including, but not limited to, the then-current version of the franchise agreement and ancillary agreements, which documents may be substantially different than those executed contemporaneously with the execution of this Agreement. Franchisor also has the right to require any individual owners, business entities, or shareholders or members of the business entities, who remain owners of the Franchised Business after the transfer is complete to sign the then-current version of the franchise agreement and then-current ancillary agreements. If one or more owners of the Franchised Business exit the business as part of the transfer, while other owners remain, Franchisor shall have the right to require such exiting owners to sign termination agreements. If a new franchise agreement is signed as part of the transfer, this Agreement between Franchisor and Franchisee will terminate once an approved transfer is completed. Franchisor may require the transferee and any remaining owners to come to Franchisor's then-current principal place of business to execute these agreements.
- (iii) Release. Franchisee for itself and on behalf of its respective predecessors, parents, affiliates, subsidiaries, shareholders, members, partners, officers, directors, managers, employees, agents, representatives, attorneys, accountants, personal representatives, heirs, executors, administrators, successors, and assigns executes and delivers to Franchisor a general release, in the form prescribed by Franchisor, releasing, to the fullest extent permitted by law, all claims that they may have against Franchisor, Franchisor's predecessors, parents, and affiliates, and subsidiaries, and their respective shareholders, members, partners, officers, directors, managers, employees, agents, representatives, attorneys, accountants, guarantors, successors, and assigns, in both their corporate and individual capacities.

- **(iv)** Training. Unless otherwise agreed to by Franchisor, prior to the date of the proposed transfer and thereafter, the proposed transferee's owners, principal operator, and managers undertake and complete, to the satisfaction of Franchisor, such training and instruction as Franchisor shall deem necessary.
- (v) <u>Qualifications</u>. Franchisor is satisfied that the proposed transferee and its owners meet all of the requirement for Franchisor's new franchisees applicable on the date Franchisor receives notice of the proposed transfer, including, but not limited to, good reputation and character, business experience, industry experience, management experience, and financial strength and liquidity.
- (vi) <u>Continuing Obligations</u>. Franchisee shall cooperate in good faith with Franchisor to identify opportunities to transfer the Franchised Business, provide all information, books, records, and contracts that Franchisor requires, and otherwise comply with Franchisor's instructions for the orderly wind-down of the Franchised Business and completion of product installations during the six (6) month period. For the avoidance of doubt, Franchisee has an obligation to continue to operate the Franchised Business in compliance with the terms of this Agreement until the effective date of termination; failure to do so is a default under this Agreement. Upon termination, Franchisee shall comply with all post-term obligations of Franchisee, including but not limited to (i) Franchisee's continuing obligations to indemnify the Franchisor Indemnified Parties for any act, omission, event, or occurrence arising prior to the effective date of the transfer, (ii) continuing to maintain the confidentiality of the Confidential Information as set forth in the covenants of Section 12(fe), and (iii) complying with the post-term covenants against unfair competition and solicitation contained in Section 12(c) and 12(ed).

indirectly from Franchisor or its affiliates, limiting Franchisor's advertising assistance, and restricting or removing Franchisee's right to use the Computer Systems. <u>If Franchisee defaults under this Agreement, Franchisor has the right to modify Franchisee's Territory protections set forth in Section 5(a).</u> Nothing in this subsection constitutes a waiver of any other right or remedy of Franchisor under this Agreement. Franchisee acknowledges that Franchisor's exercise of its rights pursuant to this subsection shall not be deemed a constructive termination. Any services or benefits removed or limited pursuant to this subsection may be reinstated at any time in Franchisor's sole discretion.

- (f) <u>Step-In Rights</u>. In addition to Franchisor's right to terminate this Agreement, and not in lieu of such right, or any other rights Franchisor may have against Franchisee, upon a failure to meet any of the requirements of this Agreement or upon a failure to cure any default within the applicable time period (if any), Franchisor has the right, but not the obligation, to, assume operational authority for the Franchised Business (or appoint a third party to assume operational authority) and take possession of each Premises until such time as Franchisor determines that the default has been cured, and Franchisee is otherwise in compliance with this Agreement. The terms and conditions for the exercise of Franchisor's step-in right are set forth in Section 16(c).

Any default by Franchisee under this Agreement shall be a default under any other agreement between Franchisor (or any affiliate of Franchisor) and Franchisee (or any owner or affiliate of Franchisee). Franchisee acknowledges that Franchisor's decision to grant such a cure period or extended cure period shall not operate as a waiver of any of Franchisor's rights and that Franchisor may choose to condition such an extension upon the signing of a general release by Franchisee. If any law applicable to this Section 14 requires a longer notice period prior to termination of this Agreement than is specified in this Agreement, a different standard of "good cause," or the taking of some other action not required under this Agreement, the prior notice, "good cause" standard, and/or other action required by such law will be substituted for the comparable provisions in this Agreement.
- (ih) <u>Damages</u>. Franchisee shall promptly reimburse Franchisor upon request for any damages, costs, losses, and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of any default under this Agreement.
  - 15. Obligations upon Termination, Non-Renewal, or Expiration.

Franchisee shall neither retain nor covey to another any copy or record of the materials referenced in this subsection.
  - (v) <u>Cancel Assumed Names.</u> Franchisee shall take such actions as may be necessary to cancel any assumed name or similar registration which contains the mark WINDOW WORLD or any other Marks of Franchisor, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with its obligation within thirty (30) days after termination, non-renewal, or expiration of this Agreement.
  - (vi) Pay Amounts Due. Franchisee shall promptly pay all sums owed to Franchisor. - Cooperate with Franchisor's Assumption Rights. If not already assigned, Franchisor shall have the option, to be exercised within thirty (30) days of termination, expiration, or non-renewal of this Agreement, to assume any of Franchisee's Online Presence(s), assumed name or equivalent registration, business licenses, telephone numbers (including personal telephone numbers used in connection with the Franchised Business), white and yellow pages, and advertisements, and e-mailemail addresses, and Franchisee shall sign all documents necessary to permit Franchisor to assume Franchisee's rights in such items. If Franchisor elects not to exercise this option, Franchisee shall take all action necessary to cancel each of the items listed above and shall furnish Franchisor with evidence satisfactory to prove its compliance within fifteen (15) days after receiving notice of Franchisor's termination or expiration of this Agreement and the expiration of the option granted herein. In the event Franchisee fails to timely do so, Franchisor shall have the right, for which purpose Franchisee hereby appoints Franchisor as its attorney-in-fact, to obtain such cancellation on Franchisee's behalf and at Franchisee's expense. Within fifteen (15) days of days of the expiration, non-renewal, or termination of this Agreement, Franchisee shall tender all money received for such uncompleted orders to Franchisor.
- (xi) <u>Deidentify</u>. If Franchisor does not exercise its right to purchase or to assume the lease for or possession of any or all Premises, Franchisee shall de-identify all Premises within ten (10) days of the notice from Franchisor that Franchisor is not going to exercise its rights. The de-identification procedures shall include removing any uses of the Marks,

including the mark WINDOW WORLD, from any Premises, removing or modifying any trade dress distinctive to the System, removing any sales displays, signs, materials indicative of the System, and making any other specific alterations to all Premises as may be necessary to distinguish the appearance of each Premises from that of other WINDOW WORLD outlets or any other specific additional changes as Franchisor may reasonably request. In the event Franchisee does not comply with this requirement, Franchisor may enter each Premises, without being guilty of trespass and without incurring any liability to Franchisee, to remove all signs and other items identifying each Premises as a WINDOW WORLD business and to make such other modifications as are reasonably necessary to protect the Marks and the System, and to distinguish each Premises from other WINDOW WORLD businesses.

(xii) <u>Assignment of Lease or Granting Possession of Premises</u>. Franchisee shall, if Franchisor so requests, assign to Franchisor any interest which Franchisee has in any lease for any Premises or, pursuant to the terms of the Alternative Agreement, grant Franchisor possession of the Premises.

# (b) Right to Purchase.

- Franchised Business and its Assets. Upon the termination, non-renewal, or expiration of this Agreement, Franchisor, or Franchisor's designee, shall also have the option, but not the obligation, to purchase, some or all of the assets of the Franchised Business, by providing Franchisee written notice of Franchisor's election within thirty (30) business days, unless otherwise specified below, after such termination, non-renewal, or expiration. Franchisor has the unrestricted right to assign this option. Franchisor has the right to designate the location where Franchisee must ship any and all of the purchased assets. Franchisor will be entitled to all customary warranties and representations in connection with Franchisor's purchase of Franchisee's assets, including, without limitation, representations and warranties as to the ownership and condition of and title to the assets, liens and encumbrances on the assets, validity of contracts and agreements, and liabilities affecting the assets, contingent or otherwise. Franchisor has the right to purchase all or only a portion of the assets of the Franchised Business and may exclude from its purchase any assets or cash, for any reason, in Franchisor's sole discretion. Franchisor shall have the right to set off and apply any amounts due to Franchisee pursuant to this subsection against any and all other amounts which may be due from Franchisee to Franchisor. If Franchisor exercises Franchisor's option to purchase, pending the closing of such purchase, Franchisor has the right to appoint a manager to maintain operation of the Franchised Business, or Franchisor may require that Franchisee close the Franchised Business during such period without removing any assets. Franchisee is required to maintain in force all insurance policies required under this Agreement until the date of such closing.
- (ii) <u>Fair Market Value.</u> If Franchisor exercises its right to purchase, Franchisor shall pay Franchisee the Fair Market Value of the assets. For purposes of this Section 15(b) "Fair Market Value" shall mean the fair market value of the assets excluding the value of the License, System, Marks, customer base and information, and other assets owned by Franchisor and the associated goodwill. If Franchisee disagrees with Franchisor's

determination of Fair Market Value, then Franchisee must, within ten (10) days of receiving Franchisor's proposal of the Fair Market Value, give Franchisor notice, which notice shall contain Franchisee's alternative calculation of the Fair Market Value of the assets, applying the same methodology discussed above. Within ten (10) days of Franchisee giving notice of its disagreement, Franchisor and Franchisee shall mutually agree upon a qualified independent appraiser who shall select from the two proposals of Fair Market Value the one that is the most commercially reasonable. The independent appraiser's determination shall be binding on the parties. If Franchisee does not provide written notice of its disagreement with the Fair Market Value determined by Franchisor within ten (10) days of receiving Franchisor's proposal, then Franchisor's determination of the Fair Market Value shall be deemed accepted. Franchisor's purchase of the assets must close within thirty (30) days of conclusion of the ten (10) day notice period or of the appraiser's determination. Notwithstanding the foregoing, to the extent that Franchisor exercises Franchisor's right to purchase any assets that is subject to a lease or finance agreement, the purchase price of such asset shall equal the amount of Franchisee's remaining obligations under the lease or finance agreement, as applicable. Franchisor shall be entitled to offset the purchase price by the amount of money owed by Franchisee to Franchisor for any payments necessary to acquire clear title to property or for any other debt.

### 16. Independent Contractor; Indemnification; Step-In Rights.

(a) <u>Independent Contractor</u>. It is understood and agreed by the parties that this Agreement creates only a contractual relationship between the parties subject to the normal rule of contract law. This Agreement does not create a fiduciary relationship between the parties and Franchisee is and shall remain an independent contractor of Franchisor. Franchisee agrees to hold itself out to the public as an independent contractor, separate and apart from Franchisor. Franchisee agrees that it shall not make any contract, agreement, warranty, or representation on Franchisor's behalf without Franchisor's prior written consent, and Franchisee agrees that it shall not incur any debt or other obligation in Franchisor's name. Franchisee hereby waives all claims against Franchisor Indemnified Parties arising from any of the foregoing. Franchisor Indemnified Parties shall not be liable for any act or omission of Franchisee or its officers, directors, managers, employees, independent contractors, or agents connected to or arising from the ownership, establishment, use, nonuse, possession, condition, operation, or maintenance of each Premises and the Franchised Business.

(ii) Indemnification Procedures. Franchisee will also notify Franchisor by telephone of any Action within forty-eight (48) hours after such Action is initiated and in writing within four (4) days after such Action is initiated. Franchisor Indemnified Parties shall have the right, in their sole discretion, and at Franchisee's expense and risk, to: (A) retain counsel of their own choosing to represent them with respect to any claim, and (B) control the response thereto and the defense thereof, including the right to enter into settlements or take any other mitigating, remedial, corrective, or other actions they deem appropriate. Franchisee must reimburse Franchisor Indemnified Parties for all of Franchisor Indemnified Parties' costs, expenses, and all attorneys' fees immediately upon Franchisor Indemnified Parties' request. Franchisee shall not, without the prior written consent of the Franchisor Indemnified Party, (1) settle or compromise any claim or consent to the entry of any judgment with respect to any claim which does not include a written release from liability of such claim for the Franchisor Indemnified Parties, or (2) settle or compromise any claim in any manner that may adversely affect the Franchisor Indemnified

Parties. Franchisee agrees to give its full cooperation to Franchisor Indemnified Parties in assisting with the defense of any such claim. Franchisor Indemnified Parties' undertaking of defense and/or settlement will in no way diminish Franchisee's obligations to indemnify Franchisor Indemnified Parties and to hold Franchisor Indemnified Parties harmless. Under no circumstance will Franchisor Indemnified Parties be required to seek recovery from any insurer or other third party or otherwise mitigate Franchisor Indemnified Parties' or the third parties' losses to maintain a claim for indemnification against Franchisee. Franchisee agrees that any failure to pursue recovery from third parties or mitigate loss will in no way reduce the amounts recoverable by Franchisor Indemnified Parties from Franchisee.

- (iii) <u>Survival</u>. Any and all of the Franchisee's indemnification obligations under this Agreement shall survive the expiration, non-renewal, or sooner termination of this Agreement.
- Step-In Rights Generally. In the event Franchisor exercises its step-in rights in accordance with the terms as set forth above, Franchisee must (in addition to paying all other amounts owed due under this Agreement) reimburse Franchisor or a designated third party for all reasonable costs and overhead, if any, incurred in connection with its operation of the Franchised Business including, without limitation, costs of personnel for staffing the Franchised Business and their travel and lodging accommodations, plus Franchisor's then-current Temporary Management Fee. Franchisee agrees that Franchisor or the third party may use monies from the gross revenues of the Franchised Business for these reimbursements and fees. If Franchisor (or a third party it appoints) undertakes to operate the Franchised Business pursuant to the exercise of Franchisor's step-in rights, Franchisee agree to indemnify and hold Franchisor Indemnified Parties or the third party (and the third party's representative(s) and employees) harmless from and against any fines, claims, suits or proceedings which may arise out of Franchisor's or the third party's operation of the Franchised Business. Franchisor (or a third party) has a duty to utilize only reasonable efforts to operate the Franchised Business and will not be liable to Franchisee, or its respective heirs, beneficiaries, or devisees for any debts, losses, or obligations the Franchised Business incurs, or to any of Franchisee's creditors for any products, other assets, or services the Franchised Business purchases, while Franchisor (or a third party) operates it. - **87.** Activities not a Violation. Notwithstanding anything in this Agreement to the contrary, Associate's purchase of a publicly traded security of a corporation engaged in providing Competing Services shall not in itself be deemed violative of this Agreement so long as Associate does not own, directly or indirectly, more than one percent (1%) of the securities of such corporation. Notwithstanding the foregoing, the restrictions on the disclosure and use of the Confidential Information will not apply to the following: (a) information that was in the public domain prior to or after being communicated to Associate through no fault of Associate; (b) information that was in Associate's possession free of any obligation of confidence at the time it was communicated to Associate; or (c) the disclosure of the Confidential Information in judicial or administrative proceedings to the extent that Associate is legally compelled to disclose the information, if Associate has notified Franchisor before disclosure and used Associate's best efforts, and afforded Franchisor the opportunity, to obtain an appropriate protective order or other

assurance satisfactory to Franchisor of confidential treatment for the information required to be so disclosed.

- 98. Effect of Waiver. The waiver by Franchisor of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach thereof.
- **102. Binding Effect.** This Agreement shall be binding upon and inure to the benefit of Associate and Franchisor and their respective heirs, executors, representatives, successors and assigns.
- 44<u>10</u>. Entire Agreement. This instrument contains the entire agreement of Associate and Franchisor relating to the matters set forth herein. It may not be changed verbally, but only by an agreement in writing, signed by the party against whom enforcement of any waiver, change, modification, extension or discharge is sought.

Both parties waive any objection to the jurisdiction of these courts or to venue in the state and federal courts of North Carolina. Notwithstanding the foregoing, in the event that the laws of the state where Associate resides prohibit the aforesaid designation of jurisdiction and venue, then such other state's laws shall control.
- 1312. <u>Severability</u>. If any provision of this Agreement shall be held, declared or pronounced void, voidable, invalid, unenforceable or inoperative for any reason, by any court of competent jurisdiction, government authority or otherwise, such holding, declaration or pronouncement shall not affect adversely any other provisions of this Agreement that shall otherwise remain in full force and effect.
- 4413. Attorneys' Fees. defense of any such action. If the prevailing party recovers judgment in any such action—or proceeding, such, the reasonable costs, and expenses and attorneys' fees shall be included as part of such the judgment.

Between 2018 and 2021, many states passed laws allowing pass-through entities (i.e., partnerships and S corporations) to pay state income tax on their earnings instead of their owners paying the tax. For 2022, the Company's management elected to have it pay state income tax on its earnings in twenty-five states. As a result, the Company has state pass-through entity tax expense of \$689,549 for the year ended December 31, 2022. It did not have this expense in prior years.

#### Note X - New Accounting Guidance Implementation

Effective January 1, 2022 the Company changed its accounting method for leases as a result of implementing the requirements in FASB Topic 842, *Accounting for Leases*, using the modified retrospective transition method. There was no cumulative effect adjustment to the Company's balance sheet as of January 1, 2022. Comparative information has not been restated and continues to be reported under the accounting standards in effect for the prior period.

The new lease guidance requires the recognition of a right of use asset and a lease liability for operating leases. The Company elected the package of practical expedients, which allowed, among other things, for not reassessing the lease classification or initial direct costs for existing leases. The Company has not elected the hindsight practical expedient.

As of January 1, 2022, approximately \$1,200,000 in operating lease right of use assets and corresponding lease liabilities were recognized. Adoption of the new guidance did not have a significant impact to the statement of income or cash flows for the year ended December 31, 2022.

#### WASHINGTON WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf

of the franchisor. This provision supersedes any other term of any document executed in

connection with the franchise.

This Terms of Use Agreement adopts and incorporates by reference the terms and conditions of the Master Services Agreement. Terms capitalized herein but not defined shall have the meaning set forth in the Master Services Agreement. Pursuant to Section 1(b) of the Master Services Agreement, the parties wish to enter into this Terms of Use Agreement for purpose of setting forth the rights and responsibilities of the parties regarding a certain portion of the Services as described below.

- 1. Owner's Portal. WWI hosts electronic list serves and discussion groups through the Window World Owner's Portal for the benefit of its franchisees, such as Client. Client's unrestricted access to this Owner's Portal, which hosts electronic listservs and discussion groups, is intended to facilitate electronic communication and sharing of ideas among Client, WWI, and WWI's other franchisees ("Electronic Communications"). Participation in Electronic Communications is a privilege provided by WWI to franchisees in good standing under the terms of their franchise agreements and who abide by the terms of this Terms of Use Agreement. Client acknowledges that WWI is under no obligation to provide the list serves, discussion groups, portal, or any related services to Client, and WWI may terminate providing these services to Client without notice to Client or to any other participant at the sole discretion of WWI.
- 2. Rules. The following are the rules and regulations governing use of and participation in Electronic Communications hosted by WWI. Client's continued participation in the Electronic Communications manifests Client's consent to the terms of use and WWI may change the terms of use at any time provided that WWI notifies Client of the changes on or before the next time Client participates in Electronic Communications after the changes have taken effect.
- 3. <u>Limitations</u>. These terms of this Terms of Use Agreement are specific to the Owners Section of the Owner's Portal, which gives Client unrestricted access to all of the WWI resources on the Owner's Portal. It is acknowledged and understood that Client may give Client's design consultants, general managers, and vendors restricted access to a portion of the Owner's Portal, which was designed specifically for design consultants, general managers, and vendors, respectively. This Terms of Use Agreement in no way limits Client's ability to issue design consultant and vendor specific credentials to these individuals; in fact, WWI encourages Client to do so. It is, however, acknowledged and agreed that the terms set forth herein below specifically prohibit Client's dissemination of Client's unrestricted, full access Owner's Portal credentials which are intended for use only by those individuals named on the Franchise Agreement.

- 4. <u>Confidentiality</u>. As such, the reversion of the interest in the Buyer Franchise Agreement is strictly conditioned upon the Seller meeting Franchisor's then-current qualifications. The parties acknowledge and agree that in order to protect the Window World® brand, trademarks and goodwill, Franchisor must qualify the Seller upon default of the Buyer, before the license can revert to the Seller. Seller further acknowledges and agrees that qualification is at the sole discretion of the Franchisor and the decision by Franchisor to not permit the reversion of the license to the Seller shall not and cannot be deemed to be an interference with the contractual relations between Seller and Buyer by Franchisor.

If the Franchised Business is located in California or if either Buyer or Seller is a resident of California, the following shall apply:

Section 1542 Acknowledgment. It is the intention of Seller and Buyer in executing this Agreement that this instrument be and is a general release which shall be effective as a bar to each and every claim, demand or cause of action released by Seller and/or Buyer. Each of Seller and Buyer recognizes that he, she or it may have some claim, demand or cause of action against the Release Parties of which he, she, or it is totally unaware and unsuspecting, which he, she or it is giving up by executing this Agreement. It is the intention of each of Seller and Buyer in executing this instrument that it will deprive him, her or it of such claim, demand or cause of action and prevent him, her or it from asserting it against the Released Parties. In furtherance of this intention, Seller and Buyer expressly waive any rights or benefits conferred by the provisions of Section 1542 of the California Civil Code, which provides as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

Each of Seller and Buyer acknowledges and represents that he, she, or it has consulted with legal counsel before executing this Agreement and that he, she, or it understands its meaning, including the effect of Section 1542 of the California Civil Code, and expressly consents that this Agreement shall be given full force and effect according to each and all of its express terms and provisions, including, without limitation, those relating to the release of unknown and unsuspected claims, demands and causes of action.

- 5. <u>Right of First Refusal</u>. Subject to the ultimately closing of the transaction between Buyer and Seller, Franchisor hereby waives any right of first refusal to purchase the Interests as it may have pursuant to the Seller Franchise Agreement.
- **Acknowledgment.** Buyer and Seller acknowledge that although Franchisor or its affiliates, employees, officers, directors, successors, assigns, and other representatives may have been involved in Buyer's purchase of the Interests from Seller, Buyer and Seller have assumed sole and full responsibility for making the final decision to purchase and sell the Interests and each has consulted, or has had the opportunity to consult but, of its own accord, elected not to consult, with its own legal and financial advisors. Buyer further understands that as part of analyzing the purchase of the Interests from Seller, it is Buyer's responsibility to meet with or otherwise gather necessary information from the appropriate parties which may or may not affect Buyer's purchase of the Interests from Seller.
- 7. <u>Additional Documents</u>. Buyer and Seller agree to execute such additional documents as may be necessary to complete the Transfer as contemplated by the Purchase Agreement, Seller Franchise Agreement, and Buyer Franchise Agreement.
- 8. Restrictive Covenants. In consideration of Franchisor's willingness to provide Confidential Information to Buyer prior to the signing of the Buyer Franchise Agreement and to consent to this Transfer, Buyer hereby agrees to the following restrictive covenants. Upon execution of Buyer Franchise Agreement, these obligations shall automatically merge into restrictive covenants under Buyer Franchise Agreement. For avoidance of doubt, if the Closing does not occur, Buyer will continue to be bound by these restrictive covenants according to the terms herein.
