Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.

What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit J.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Massachusetts. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Massachusetts than in your own state.
2. **Governing Law.** The Franchise Agreement and Development Agreement state that Massachusetts law governs the agreements, and this law may not provide the same protections and benefits as local law. You may want to compare these laws. State franchise registration and relationship laws often provide that choice of law provisions are void or superseded to the extent that choice of a different state's law would deny a franchisee or developer the protections it would be entitled to under local law. You should investigate whether your purchase of the franchise falls under the jurisdiction of a state franchise registration or relationship law (see Item 17 and the governing law provisions of the Franchise Agreement and Development Agreement).
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates or approves, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

PIZZERIA UNO CORPORATION
NOTICE REQUIRED BY THE STATE OF MICHIGAN

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (A) A prohibition on the right of the Franchisee to join an association of franchisees.
- (B) A requirement that the Franchisee assent to a release, assignment, novation, waiver or estoppel which deprives the Franchisee of rights and protections provided in the Michigan Franchise Investment Law. This section shall not preclude the Franchisee, after entering into the Franchise Agreement, from settling any and all claims.
- (C) A provision that permits the Franchisor to terminate the franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provisions of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (D) A provision that permits the Franchisor to refuse to renew the franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This section applies only if:
 - (i) The term of the franchise is less than 5 years; and
 - (ii) The Franchisee is prohibited by the Franchise or other Agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo-type, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise, or the Franchisee does not receive at least 6 months advance notice of the Franchisor's intent not to renew the franchise.
- (E) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (F) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This section shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside the State of Michigan.
- (G) A provision which permits the Franchisor to refuse to permit a transfer of ownership of the franchise, except for good cause. This section does not prevent the Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the Franchisor's then-current reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the Franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(H) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This section does not prohibit a provision that grants to the Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this section prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in section (C).

(I) A provision which permits the Franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

Pizzeria Uno Corporation (“we” or “us”) was incorporated in the State of Delaware on September 29, 1989. “You” will be the person or entity to whom we offer the franchise. We maintain our principal place of business at 1209 Orange Street, Wilmington, Delaware, 19801, with administrative offices located at 44 Industrial Way, Norwood, Massachusetts 02062, telephone (617)323-9200. We conduct business under our corporate name and the Proprietary Marks (defined below) only.

Our agents for service of process are listed in Attachment I.

Our Predecessors and Affiliates

From October 3, 1979, until our incorporation in Delaware on September 29, 1989, Pizzeria Uno Corporation operated as a Massachusetts corporation (“our Predecessor”). Our Predecessor maintained its offices at 44 Industrial Way, Norwood, Massachusetts 02062. Our Predecessor offered franchises for the establishment and operation of casual theme restaurants from January 1980 through September 29, 1989, when we began offering these franchises. Our Predecessor did not offer franchises in any other line of business, and did not conduct a casual theme restaurant business.

In a transaction completed in April 2024 involving our ultimate parent companies, Newport Global Opportunities Fund I-A LP, Newport Global Credit Fund (Master) LP, Commonwealth Land Title Insurance Company and Fidelity National Title Insurance Company as the Buyers (collectively “Newport”), and Uno Restaurants, LLC as the Seller (“URL”), Pizzeria Uno TopCo, LLC (“TopCo”) was created as our new parent company. TopCo was established in Delaware on March 22, 2024 and Pizzeria Uno Corporation became a wholly owned subsidiary of TopCo in April 2024. Following completion of reorganization and emergence from bankruptcy on July 26, 2010 until April 2024, we were a wholly owned subsidiary of URL, a Delaware limited liability company which was a wholly owned subsidiary of Uno Restaurant Holdings Corporation (“URHC”), a Delaware corporation. TopCo, URL and URHC are affiliated entities and subsidiaries of Newport. The administrative offices of TopCo, URL and URHC are at 44 Industrial Way, Norwood, Massachusetts 02062, telephone (617)323-9200. Neither Newport nor any of its affiliates other than us offers franchises in any line of business. With the exception of us, URHC, and URL’s subsidiary URC, LLC (“URC”), which may offer marketing support, software support and other services to our franchisees from time to time (see Items 6, 8, and 11), neither Newport nor any of its affiliates provides products or services to our franchisees.

As of October 5, 2023, our affiliates (subsidiaries of our affiliate URL) operated 28 casual theme restaurants, 1 take-out and delivery, 1 fast casual and 1 Mexican-style restaurant “Su Casa.” 29 of our parent-owned restaurants operated under the marks “Uno Pizzeria & Grill®,” “Pizzeria Uno Chicago Bar & Grill®,” or “Pizzeria Uno®,” 1 operated under the mark “Pizzeria Due,” and 1 operated under the name “Su Casa®” (See Item 20). Our affiliates also own restaurants that operate under concepts other than the Business System (as defined below). Our affiliates’ Uno

Restaurants (defined below) are operated by corporations or limited liability companies that are wholly owned subsidiaries of URL or URC. URL and URC are Delaware limited liability companies. URL, URC, and each of their subsidiaries maintain their principal business offices at 44 Industrial Way, Norwood, Massachusetts 02062, telephone (617)323-9200.

As of October 6, 2024, our affiliates described above operated 20 casual theme restaurants and 1 Mexican-style restaurant “Su Casa” (See Item 20).

As of October 5, 2023, our franchisees operated 43 casual theme restaurants, 2 Hotel Restaurant Conversion restaurants, and 1 Uno Due Go restaurant in the United States, India, Saudi Arabia and Qatar (See Item 20) (See Item 20).

As of October 6, 2024, our franchisees operated 32 casual theme restaurants, 2 Hotel Restaurant Conversion restaurants, 1 take-out and delivery and 1 Uno Due Go restaurant in the United States, India and Saudi Arabia (See Item 20).

Except as described in this Disclosure Document, we, our Predecessor and affiliates do not offer and have not offered franchises or licenses in any other line of business, and have not owned or operated casual theme or Hotel Restaurant Conversions. Our affiliates do not provide products or services to our franchisees except as described in this Disclosure Document.

The Franchise Offered

We currently offer franchises to operate full service hotel restaurant conversions (a “Pizzeria Uno Hotel Restaurant Conversion”) featuring “Chicago Style” deep dish, thin crust, and other style pizza offerings, along with sandwiches, salads, appetizers, desserts, and beverages and (subject to applicable law) beer and wine, operated under the service mark Pizzeria Uno®.

We also currently offer the opportunity to become a franchisee of a full service casual theme restaurant concept featuring “Chicago Style” deep dish, thin crust, and other style pizza offerings, along with sandwiches, salads, pasta, appetizers, desserts, beverages and (subject to applicable law) a full bar, operated under the service marks “Pizzeria Uno®” or other approved/designated name (a “Pizzeria Uno Full Service Restaurant”).

We also offer a smaller format franchise to operate a take-out and delivery only model offering a limited menu of deep dish and thin crust pizza operating under the service mark “Pizzeria Uno®” (a “Pizzeria Uno Take-Out and Delivery Restaurant”). When we use the term “Uno Restaurant” in this Disclosure Document, it refers to a Pizzeria Uno Restaurant, whether Full Service, Hotel Conversion, or Take-Out and Delivery.

We have offered franchises for the establishment and operation of Uno-branded Restaurants since September 1989, and our Predecessor offered franchises for these Restaurants from 1980 to 1989. We revised our prototype restaurants in 2019 to a smaller footprint, described more fully below in this Item 1, referred to in this Disclosure Document as a Pizzeria Uno Hotel Restaurant Conversion, or as a Pizzeria Uno Full Service Restaurant which is larger and typically features a full bar (subject to applicable law). Larger restaurants based on our previous larger prototype are sometimes referred to in this Disclosure Document as “Full Service Restaurants.” We do not own or operate Uno Restaurants, although subsidiaries of our parent company do so.

We or our affiliates have from time to time offered franchises for different formats of an Uno Restaurant, including Uno Due Go, Uno Fresco, and Uno Takeries, since October 2007. We no longer offer these concepts. We do not own or operate Uno Restaurants. An affiliate operated an Uno Due Go Restaurant from 2012 to 2020. We have not offered franchises in any other line of business.

As a result of the expenditure of time, skill, effort, and money, we have developed and own a distinctive system (the “Business System”) relating to the establishment and operation of Uno Restaurants. The distinguishing characteristics of the Business System include: distinctive exterior and interior designs, decor, color schemes, and furnishings; special recipes and menu items; uniform standards, specifications and procedures for operations; quality and uniformity of products and services offered; procedures for inventory, management and financial controls; training and assistance; and advertising and promotional programs; all of which we may change, improve, and further develop. At some locations Uno Restaurants sell food items that can be ordered by customers for off-premises delivery that are not offered on their menu for on-premises consumption. We identify the Business System by means of our trade names, service marks, trademarks, emblems and indicia of origin, as more fully described in Item 12 of this Disclosure Document, as well as other trade names, service marks and trademarks we designate (or may later designate in writing) for use in connection with the Business System (the “Proprietary Marks”).

The typical Pizzeria Uno Hotel Restaurant Conversion will occupy approximately 2,500 to 5,000 square feet and seat approximately 100 to 125 customers. Pizzeria Uno Hotel Restaurant Conversions offer a limited menu consisting of approximately 50 to 90 menu items.

The typical Pizzeria Uno Full Service Restaurant will occupy approximately 3,000 to 6,000 square feet and seat approximately 100 to 125 customers. Pizzeria Uno Full Service Restaurants offer a full menu of 50 to 90 menu items. We expect that most customers will consume food and beverages on-premises.

The typical Take-Out and Delivery Restaurant format will occupy approximately 1,000 to 1,500 square feet and will not offer seating. We expect the customers to consume the food off-premises. The take-out and delivery model will not offer grill, sauté capabilities and the menu will focus on deep dish and thin crust pizza. Typically, beer and wine will not be offered for sale.

The form of Franchise Agreement used for Pizzeria Uno Restaurants appears at Attachment B.

We also offer the right to develop multiple Pizzeria Uno Restaurants within a specifically described geographic area (the “Development Agreement”). The form of Development Agreement appears at Attachment C. We will determine the geographic area (the “Territory”) and describe it in the Development Agreement before you sign it (see Item 12). The size of the Territory will vary depending on local market conditions and the number of Pizzeria Uno Hotel Restaurant Conversions, Pizzeria Uno Full Service Restaurants, and/or Pizzeria Uno Take-Out and Delivery Restaurants you will develop. The Development Agreement requires you to establish more than one Uno Restaurant within the Territory according to a development schedule (the “Development Schedule”), and to sign a separate Franchise Agreement for each Uno Restaurant

you establish. For future Uno Restaurants you develop under the Development Agreement, you must sign the form of Franchise Agreement that we offer to new franchisees at that time.

The services and products offered by your Uno Restaurant will be sold to the general public. The market for restaurant services is developed and highly competitive. Uno Restaurants will be in competition with other businesses providing similar menu items, including a large number of national, regional, and local restaurants.

Industry-Specific Regulations

The restaurant/bar industry is regulated on the Federal, state, and local levels. The preparation and handling of food is federally regulated by the Pure Food and Drugs Act of 1906; the Federal Food, Drug, and Cosmetic Act; and by rules and policies of the Food and Drug Administration. State requirements relating to food, health and safety typically pertain to sanitation and food handling. Local inspectors may also enforce sanitation and food handling rules created on the state and/or local level. Many state and local authorities also regulate the sale of alcoholic beverages, and all Uno Restaurants that offer the sale of alcohol must be licensed for such sale. The location, construction and operation of an Uno Restaurant may also be affected by a variety of state and local zoning, land use, planning, handicap access, minimum wage, and labor laws and regulations. We recommend that you consult with your attorney for an understanding of all applicable laws.

Note 1. The costs and expenses are estimates and your actual costs and expenses may be higher or lower. These estimated expenses are based on existing and usable equipment, furniture and fixtures that can be used for the Pizzeria Uno Hotel Restaurant Conversion, covering a broad range of locations (new, conversion, etc.). These estimates do not reflect investment amounts associated with establishing a Pizzeria Uno Hotel Restaurant Conversion outside the United States. Because other countries' laws, regulations, costs and general business considerations affecting the restaurant industry differ from those of the United States, we encourage you, if you plan to establish a Pizzeria Uno Hotel Restaurant Conversion outside the United States, to consult a business advisor who can properly advise you as to the initial investment requirements outside the United States.

Note 2. The amount set forth in the table applies to your first Pizzeria Uno Hotel Restaurant Conversion. Please refer to Item 5 for details about the amount of the Initial Franchise Fee if you develop subsequent Restaurants. If you sign a Development Agreement, you must, when you sign the Development Agreement, pay a Territory Reservation Fee equal to \$5,000 times the number of Pizzeria Restaurants you will develop, as well as an amount equal to one-half of the total amount of the Initial Franchise Fees (in the amounts set forth in Item 5 for each of the Restaurants you will own and operate), when you sign the Development Agreement. You will pay the remaining one-half of the Initial Franchise Fee for each Uno Restaurant when you sign the Franchise Agreements (see Item 5).

Note 3. These estimated expenses include your costs of constructing your Pizzeria Uno Hotel Restaurant Conversion premises, based on use of our design and criteria. These estimates include the contractor's general conditions, overhead and profit. These estimates assume that adequate utilities are available for connection, and that there are no unusual site conditions or impact fees. Your actual costs may vary from these estimates based on the size, configuration, design and location of your Pizzeria Uno Hotel Restaurant Conversion as well as other economic factors. Those estimated expenses include an allowance for permits and impact fees. Construction costs and permits/impact fees vary greatly from state to state and region to region, depending on materials, labor costs and other variables.

Note 4. The furniture, fixtures and equipment will vary, depending on the size and seating capacity of the Pizzeria Uno Hotel Restaurant Conversion. We require you to construct your Restaurant in compliance with our current design standards or prototypical construction documents. Deviations from design or design elements must be approved by Franchisor. The estimated expenses include artifacts, signage, awnings, furniture and equipment, and costs to prepare, ship and install the artifact package. The artifact package is designed to highlight our Chicago heritage and the fact that we invented Deep Dish Pizza in 1943. Any proposed changes to the artifact package that we design must be approved by us before it is added. In event that you would like to use your contractor to install the artifacts we will provide you a plan and schematic of where the artifacts are to be placed. The artifact package consists of signs, photos and other Chicago memorabilia.

Note 5. This estimate represents the cost of food and beverages, paper goods, product required for initial training and opening inventory for your Pizzeria Uno Hotel Restaurant Conversion.

Note 6. This estimate represents the cost of the point of sale and computer system hardware and software we require, as described in Item 5 and Item 11.

Note 7. The cost of obtaining a beer and wine liquor license varies greatly depending on the licensing authority involved and whether a license must be purchased from a seller or governmental entity. In our experience, liquor licenses have been obtained for as little as \$0 and as much as \$200,000. This variation reflects the fact that some states issue only a limited number of new licenses each year, or none at all, and you may also need to purchase

an existing beer and wine license at its fair market value, which may be substantial. You must investigate the cost of obtaining a beer and wine license in your area and consider the costs for your area in your evaluation of this franchise.

Note 8. This estimate represents deposits, two months' rent and related charges from the signing of your lease to the opening of your restaurant, and assumes a monthly lease rate of \$5,000 to \$15,000. The low range of \$0 assumes you already own premises with suitable restaurant space and have no lease expense. If you do not already own suitable restaurant space, you must purchase or lease the premises. We anticipate that most franchisees will lease the premises. We recommend a restaurant space of 800 to 3,500 square feet for Pizzeria Uno Hotel Restaurant Conversions. The cost of leasing space will vary, depending on location and other factors, and may be higher or lower than these estimates in some areas or for some locations. Your total rent expenses should not exceed 10% of your annual Gross Sales. We do not provide estimated costs for purchase of property. If you elect to purchase the property for your Pizzeria Uno Hotel Restaurant Conversion, you will need to obtain your own estimates of costs for property purchase, site work, construction, and other expenses. You will also need to determine your costs for borrowing funds required, and for debt service payments.

Note 9. This represents your initial start-up expenses primarily for labor and supplies, including payroll costs. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how much you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the prevailing wage rate; competition; and the sales level reached during the initial period.

Note 10. The Totals do not include the Territory Reservation Fee which is required only if a Development Agreement is signed.

Obligation to Purchase or Lease Products or Services from Designated or Approved Suppliers

You must comply with all of our standards and specifications relating to the purchase of all food and beverage items, ingredients, supplies, materials, fixtures, furnishings, equipment (point of sale, scheduling, financial polling, and other computer hardware and software systems), and other products used or offered for sale at the Uno Restaurant. You must obtain all such items from suppliers we authorize (including manufacturers, distributors and other sources) who continue to demonstrate the ability to meet our then-current standards and specifications for such items and who possess adequate quality controls and capacity to supply your needs promptly and reliably.

If you desire to purchase, lease or use any such items from an unauthorized supplier, you or the supplier must request our written consent. You must not purchase or lease from any supplier until and unless we have authorized such supplier in writing. We will have the right to require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, either to us or to an independent laboratory designated by us for testing. We often test products at parent-owned Uno Restaurants as part of our evaluation. You must pay the expenses incurred by us or our designee in connection with the test and the actual cost of the test. We reserve the right, at our option, to re-inspect from time to time the facilities and products of any supplier previously consented to by us and to revoke our consent on the supplier's failure to continue to meet any of our then-current criteria. We are not required to consent to any particular supplier. Except as described above, we do not impose a fee for product approval requests and generally approve or disapprove requests within one day to three months after we receive them.

We have and may continue to develop for use in the Business System certain products, including products which are prepared from highly confidential recipes and which are our trade secrets. Because of the importance of quality and uniformity of production and the significance of such products in the Business System, it is to the mutual benefit of us and you that we closely control the production and distribution of such products. Accordingly, if such products become a part of the Business System, you must use only our confidential recipes and other proprietary products, and must purchase all of your requirements for such products solely from us or authorized suppliers we designate.

If we make available to you certain promotional merchandise (such as T-shirts, sweatshirts and caps) identifying the Business System, you must purchase such merchandise in amounts sufficient to satisfy your customer demand from us or from a source we designate.

All advertising and promotional materials, signs, decorations, paper goods (including menus and all forms and stationery used in the Uno Restaurant), and other items which we may designate, must bear the Proprietary Marks in the form, color, location and manner we prescribe.

We will promptly furnish to you, on your written request, our then current standards and specifications for any equipment, supplies, trademarked paper goods, or other products required by us, provided that we will not be obligated to disclose any of our trade secrets. We will also promptly furnish to you, on your written request, the names and addresses of all manufacturers

currently approved by us from whom such equipment, supplies, trademarked paper goods, and other products may be purchased.

Percentage of Required Purchases for All Purchases

We estimate that the required purchases described above will represent 70% to 85% of all your purchases necessary to establish the Uno Restaurant, and 80% to 90% of all your purchases necessary to operate the Uno Restaurant. As of October 5, 2023, we do not have any purchasing or distribution cooperatives. We have negotiated certain purchasing arrangements with suppliers providing beneficial pricing and terms that franchisees are entitled to utilize. We do not provide material benefits to franchisees based on their use of designated or approved sources.

Revenues Received by Us and our Affiliates from Franchisees' Purchases

In the past, we have offered design services for a fee to assist in implementing approved premises alterations requested by franchisees. We did not receive any revenue from design services fees during our fiscal year ended October 5, 2023. We or our affiliates offer artifact packages, food products, and computer hardware and software services to franchisees. During our fiscal year ended October 5, 2023 we received no revenue from providing artifact packages to franchisees. We or our affiliates have provided POS system support and other hardware and software services to franchisees. During our fiscal year ended October 5, 2023 we or our affiliates received a total of \$22,000 (less than 1% of URHC's total revenue) from providing computer software and software services to franchisees.

Our former affiliate, Uno Foods Inc. ("Uno Foods") was an approved supplier of certain food products to our franchisees. Uno Foods' products were sold to one or more food service distributors, who in turn supplied those products to our affiliates' and franchisees' Uno Restaurants and other authorized purchasers. Uno Foods was sold to a third party in February 2023. Following that sale, we anticipate that products which franchisees previously purchased from Uno Foods will be obtained by them from approved suppliers in which neither we nor our affiliates or officers have an ownership interest. Otherwise, neither we nor our affiliates are approved suppliers of goods or services.

We or our affiliates may, from time to time, receive rebates or other payments from suppliers as a result of purchases by our affiliates' and franchisees' Uno Restaurants. During our fiscal year ended October 5, 2023, monies received from certain suppliers based on franchisees' purchases or leases were \$216,610.12. This amount was collected on behalf of franchisees on a pass-through basis by URHC and represents less than 1% of URHC's total revenue. During our fiscal year ended October 5, 2023, all monies we received from suppliers based on franchisees' purchases or leases was remitted or credited back to our franchisees. However, we reserve the right to modify our policy regarding use of supplier payments in the future. We also reserve the right to set off the amount of any fees or other payments you owe to us against the amount of any marketing rebates or supplier payments allocable to you. None of our officers currently has an ownership interest in any non-affiliated supplier.

3. We have 30 days after receipt of this information and materials to determine if the proposed site meets our criteria. You may not use the proposed site for your Uno Restaurant unless we consent to the site in writing. (Franchise Agreement Article 3.2).

If we fail to notify you of any objection within the time period, you may use the resubmitted plans. Our acceptance of the plans does not constitute a representation, warranty, or guarantee, express or implied, that the plans are free of architectural or design errors and we will have no liability to you or any other party regarding them. The Business Co-op Program is utilized for ad production, menu production, advertising placement, to facilitate media market spending in a way that benefits the Business System through cooperative development, point of purchase materials, brand content, videos, menu printing and development, test kitchen operations, research and development regarding the brand, promotions, other on-line listing management, other services benefiting the Business System, and our costs for the salaries, fringe benefits, administrative, overhead, and travel costs of the personnel who are involved in the Business Co-op Program. Advertising and marketing materials may be prepared by our in-house advertising staff or by an outside advertising agency. We have also developed promotional programs for use by all Uno Restaurants, but participation in these programs is optional.

We administer and direct expenditures of the funds contributed to the Business Co-op Program. These funds are maintained and accounted for by Uno Restaurants, LLC, which reserves the right to hold Business Co-op funds in a separate account. We prepare annual unaudited financial statements which are available for review by franchisees. In our fiscal year ended October 5, 2023 the Business Co-op program spent its funds as follows: 21% on print, broadcast, and digital production; 46% on department expenses, salaries, and culinary research and development; 18% on email, website, and digital optimization; and 15% on agencies and market research. Except for payment of the expenses of administering and managing the program, neither we nor our affiliates receive payment for providing goods or services to the Business Co-op program.

We are not obligated to spend any amount on advertising in the area or territory where your Uno Restaurant is located. If fees are not spent in the fiscal year in which they accrue, the fees will be carried forward into the following fiscal year. We do not use funds for advertising that is principally a solicitation for the sale of franchises. We will not have a fiduciary obligation in connection with our maintenance or administration of the Business Co-op Program.

Parent-owned Uno Restaurants contribute to the Business Co-op program on the same basis as franchisees. The amount which you must contribute is described in Item 6, and is the same for all franchisees.

You must spend a minimum of 2% of your Gross Sales on approved local advertising and marketing (“Minimum Local Advertising Expense”) for your Uno Restaurant. You must submit a sample of proposed advertising materials to us before use, and we will have 10 working days to approve or disapprove the material. If we take no action within 10 days, you may use the material submitted. We may disapprove if, in our sole discretion, the material is offensive, inaccurate, strategically inappropriate, potentially harmful to the Proprietary Marks or otherwise injurious to us or franchisees. Expenditures for advertising that we have not approved will not be counted toward satisfaction of your Minimum Local Advertising Expense. You must provide us with monthly and annual reports of your Local Advertising expenditures, and we will have the right to audit your records relating to these expenditures.

System Wide Marketing and Media Fund (Franchise Agreement Article 9.7): We also reserve the right to assess Pizzeria Uno Full Service Restaurants for contributions to a system wide media fund which will be designed to facilitate media market spending in a way that benefits the Business System through cooperative purchasing of media (the “System Wide Marketing and Media Fund”). The System Wide Marketing and Media Fund can be implemented on either a local, regional, or national basis on two months’ written notice. Fees paid to this Fund, if established, will be in addition to the Business Co-op Fee and your Minimum Local Advertising Expense. We have not, as of the date of this Disclosure Document, established this Fund.

Advertising for the System Wide Marketing and Media Fund may be prepared by our in-house advertising department or an advertising agency. If and when we establish the System Wide Marketing and Media Fund, your obligations will be as follows:

(b) We will maintain and administer the System Wide Marketing and Media Fund as follows:

(i) We will oversee all advertising and promotional programs with sole discretion to approve or disapprove the creative concepts, materials and media used in these programs, and the placement and allocation of them. The System Wide Marketing and Media Fund is intended to maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the Business System on a local, regional or national basis.

(ii) The System Wide Marketing and Media Fund, all contributions to it, and any earnings on it will be used for advertising, promotion and marketing purposes.

(iii) We will maintain the System Wide Marketing and Media Fund in an account separate from our other monies and will not use these funds to defray any of our expenses, except for costs incurred for media and administration of the Fund. We will maintain separate bookkeeping accounts for the System Wide Marketing and Media Fund.

(iv) We anticipate that all contributions to and earnings of the System Wide Marketing and Media Fund will be expended for advertising and/or promotional purposes during the fiscal year within which the contributions and earnings are received. If excess amounts remain in the System Wide Marketing and Media Fund at the end of the fiscal year, all expenditures in the following fiscal year(s) will be made first out of accumulated funds and earnings from previous years and then from contributions and earnings in the current year.

(v) The System Wide Marketing and Media Fund will not be our asset. The System Wide Marketing and Media Fund will be operated solely as a conduit for the collection and expenditure of advertising contributions. An unaudited statement of the operations of the System Wide Marketing and Media Fund as shown on our books will be prepared annually and will be made available to you on your request.

(vi) We will have the right to terminate the System Wide Marketing and Media Fund at any time after all monies in the Fund have been expended for advertising and/or promotional purposes.

We will not have a fiduciary obligation in connection with our maintenance or administration of the System Wide Marketing and Media Fund. Other franchisees and franchisor / affiliate owned Restaurants may be under different forms of Franchise Agreement with us, and may not be obligated to contribute to the System Wide Marketing and Media Fund, or may contribute different amounts.

You must install and maintain internet connectivity, along with equipment and software in accordance with our standards and specifications to permit us to electronically access and retrieve Gross Sales and other Restaurant operating information stored on your POS or other computer systems. We will have electronic access to this information at such times and in such manner as we specify. You will be in default under the Franchise Agreement if you fail to comply with these requirements. (Franchise Agreement Article 8) Your total cost for POS and computer systems is \$15,000 to \$25,000 for a Hotel Conversion Restaurant, \$18,000 to \$35,000 for a Full Service Restaurant, and \$10,000 to \$15,000 for a Take-Out and Delivery Restaurant, as described in Item 7 above.

We reserve the right to modify our computer hardware and software requirements from time to time, and you must comply with those modifications. We also charge a help desk fee for technology support we provide to you. If you select and receive our approval to implement a different POS System, you must integrate your system fully with both Paytronix loyalty and online ordering a minimum of one month before going live, and you must demonstrate the ability to maintain that integration. You will bear the cost of implementation and on-going maintenance for a different POS System.

You may purchase the POS System from any approved supplier. Neither we, our affiliates, nor a third party has the contractual right or obligation to provide ongoing maintenance, repairs, upgrades or updates. The annual cost of any optional maintenance and support contracts, upgrades and updates is dependent on the number of terminals in the Uno Restaurant.

We currently designate Mirus Restaurant Solutions software, which offers a robust reporting and analytics package, for use by our franchisees. Your data will be loaded automatically from the POS System via a Mirus polling agent. You will have access to analytic reporting for a fee of \$95 per month per location.

When you open your first Pizzeria Uno Full Service Restaurant, we will provide you with an opening crew of our training personnel for at least two weeks to provide on-site pre-opening and opening training, supervision, and assistance to you for your first Restaurant. On-the-job training, which is conducted by our opening crew, is currently provided for the following employees: Heart of House (“HOH”) (40 hrs) cooks, prep, dishwasher salad/Prep/Maintenance personnel, Front of House (“FOH”) (40 hrs) hosts, cashier, and shift. Please note that the average size restaurant team consists of 25 employees. In order for our team to effectively train your employees, you need to have hired and have on board at least 18 employees. This is the minimum number of employees needed in order for us to begin training. Failure to have at least 18 employees will delay the beginning of training for your restaurant. If the Uno Restaurant is your second or third Uno Restaurant, then we will provide at least two training personnel and you will provide the remaining opening crew members as we designate at our discretion. Any opening trainer that you may want to provide must be approved by us. If the Uno Restaurant is your second or third Uno Restaurant, then we will provide at least two training personnel and you will provide the remaining opening crew members. Any opening crew members you provide must be approved by us. If the Uno Restaurant is your fourth or subsequent Uno Restaurant, we may provide, at our option and in our discretion, a representative to observe and provide limited opening assistance to you. (Franchise Agreement Article 6.2). You must reimburse us for all travel, transportation, lodging and meal expenses we incur in providing you with an opening crew (see Item 7).

We may offer additional training programs and seminars from time to time on topics we select, and will provide instructors and training materials. We have the right to require attendance by you and your personnel at additional training programs seminars we offer. On your reasonable request or as we deem appropriate, we will, subject to the availability of personnel, provide you with additional trained representatives who will provide on-site remedial training to your Uno Restaurant personnel. You will be responsible for any and all expenses incurred by you or your Uno Restaurant personnel in connection with attending additional training, including costs of travel, lodging, meals and wages, and will also reimburse us for our costs of providing remedial training. (Franchise Agreement Article 6.3).

All training activities will be overseen by Abigail Zall, Manager of Learning and Development, and her staff of training specialists with the assistance of company Regional Directors of Operations. Ms. Zall’s business history is set out in Item 2. She has been our Manager of Learning and Development since July 2017, and has more than five years’ experience with our

restaurants. Ms. Zall's instructors include other corporate employees and company executives, each of whom has at least two years' experience in the field she or he instructs.

Any training we provide to any of your employees will be limited to training or guiding the employees regarding the delivery of approved services to guests in a manner that reflects our standards and specifications. You are, and will remain, the sole employer of your employees during all training programs and thereafter, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees receive adequate training.

ITEM 12 **TERRITORY**

Franchise Agreement

The Franchise Agreement grants you the right to operate an Uno Restaurant at a single location that you select and that we approve. Exhibit A to the Franchise Agreement lists the specific site address of the approved location. You must operate the Uno Restaurant only at the approved location and you may not relocate the Uno Restaurant without first obtaining our written consent. You may not offer or sell any products or services at or from another location. You have no right to establish or operate another Uno Restaurant unless you enter into a separate Franchise Agreement for that Uno Restaurant.

Your approved location will be within an Assigned Area that we describe in Exhibit A to the Franchise Agreement by boundary streets or highways, city limit or county line boundaries, by an area encompassed within a radius of a specific distance (or a range of distances) or by any other method. We will determine the Assigned Area based on various market and economic factors such as an evaluation of market demographics, the market penetration of the Business System and similar businesses, the availability of appropriate sites and the growth trends in the market, and there is no minimum size for the Assigned Area. The Assigned Area (granted under the Franchise Agreement) will be smaller than the Territory granted under the Development Agreement, and the Assigned Area for a Pizzeria Uno Hotel Restaurant Conversion or a Pizzeria Take-Out and Delivery Restaurant will be smaller than the Assigned Area for a Pizzeria Uno Full Service Restaurant. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

As long as you or your Principals are not and have not been in violation or breach of the Development Agreement or any Franchise Agreement or other agreement between you or your affiliates and us or our affiliates, neither we nor our affiliates will establish or authorize any other person or entity to establish an Uno Restaurant in the Assigned Area granted under the Franchise Agreement during the term of the Franchise Agreement. We and our affiliates retain all other rights, including the right at any time to conduct (or authorize third parties to conduct) the following activities, regardless of competitive effect on the Assigned Area or any Uno Restaurant you operate: (1) advertise and promote the Uno Restaurants and the Business System; (2) establish Alternative Distribution Sites *e.g.* smaller food service facilities, food service sites in transportation centers such as airports, train stations, bus stations and highway rest areas, in-room

hotel dining, theater concessions, co-branded food service or entertainment locations, grocery stores and other non-restaurant retail locations, Uno Express locations, Uno® branded or non-branded delivery-only kitchen locations, and institutional food service sites, as more fully defined in Franchise Agreement Article 26.2); (3) sell products and services from Alternative Distribution Sites; (4) provide catering and delivery services; (5) offer and sell collateral and ancillary products and services which may be similar to those offered by the Uno Restaurants, such as pre-packaged food products, wearables, Pizzeria Uno memorabilia, and kitchen utensils other than through an Uno Restaurant; and (6) offer and sell products and services under other names and marks. We also reserve the right to operate and franchise Uno Restaurants anywhere outside your Assigned Area (Franchise Agreement Article 1.3).

Development Agreement

Under the Development Agreement, we assign you the Territory within which you must develop two or more Pizzeria Uno Full Service Restaurants in accordance with the Development Schedule. The Development Schedule contains a number of interim time periods during which Uno Restaurants must be established (“Development Periods”). The Development Agreement also contains a schedule which describes the projected opening date of each Uno Restaurant and the execution date for each Franchise Agreement. The Territory will be described in Exhibit A of the Development Agreement typically by boundary streets or highways, city limit or county line or state boundaries, by an area encompassed within a radius of a specific distance (or a range of distances) or of a distance sufficient to encompass a specified population (or range of populations), or by any other method of delineation that we determine is appropriate under the circumstances. We will determine the Territory and number of Uno Restaurants that you will commit to develop, before you sign the Development Agreement, based on various market and economic factors such as those described above regarding the Assigned Area. There is no minimum Territory. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Under the terms of the Development Agreement, we and our affiliates and franchisees reserve rights to continue to operate Uno Restaurants, if any, that exist in your Territory before your Development Agreement is signed. We and our affiliates retain other rights, including the right to at any time conduct (or authorize third parties to conduct) the following activities, regardless of competitive effect on your Uno Restaurants or the Territory: (1) advertise and promote the Uno Restaurants and the Business System; (2) establish Alternative Distribution Sites *e.g.* smaller food service facilities, food service sites in transportation centers such as airports, train stations, bus stations and highway rest areas, in-room hotel dining, theater concessions, co-branded food service or entertainment locations, grocery stores and other non-restaurant retail locations, Uno Express locations, Uno® branded or non-branded delivery-only kitchen locations, and institutional food service sites, as more fully defined in Development Agreement Article 18.3); (3) sell products and services from Alternative Distribution Sites; (4) provide catering and delivery services; (5) offer and sell collateral and ancillary products and services which may be similar to those offered by the Uno Restaurants, such as pre-packaged food products, wearables and Pizzeria Uno memorabilia, other than through an Uno Restaurant; and (6) offer and sell products and services under other names and marks. We also reserve the right to operate and franchise Uno Restaurants anywhere outside your Territory (Development Agreement Article 1.3).

You may exercise the development rights granted by the Development Agreement only by entering into a separate Franchise Agreement with us for each Uno Restaurant for which a development right is granted. The Franchise Agreement will be our then-current form.

If you do not open Uno Restaurants in accordance with the Development Schedule, you will be in default under the Development Agreement and we may, among other things: terminate the Development Agreement; modify your territorial rights; reduce the area of any territorial rights; reduce the number of Uno Restaurants which you may establish; or pursue any other remedy we may have at law or in equity. If you cease to operate any Uno Restaurant prior to the expiration of its Franchise Agreement, you must have a replacement Uno Restaurant open and operating within 180 days.

Under the Development Agreement, you will have a limited right to develop additional Uno Restaurants, subject to compliance with the terms of the Development Agreement and payment of additional Initial Franchise Fees. (Development Agreement Article 4.2) You will not have any right of first refusal to develop an Uno Restaurant outside the Territory under the Development Agreement.

The territorial rights granted to you under the Franchise Agreement or the Development Agreement for Uno Restaurants are not dependent on your achieving certain sales volumes, market penetration or other contingency, and the Territory and Assigned Area may not be altered except as stated above or by mutual agreement.

Other Distribution Activities

We have in the past, and may in the future, operate, franchise, license or develop smaller quick service concepts known as an “Uno Express.” Uno Express locations are designed to operate within warehouse and wholesale club stores, in airport terminals, convenience stores, family entertainment centers, within food courts for tollways and major thoroughfares, on college campuses and in similar locations offering a limited line of menu items and only non-alcoholic beverages. We may in the future operate Uno® branded or non-branded delivery-only or ghost kitchen locations. We may offer franchises or licenses for these kitchen locations, but we have no established timetable for this.

We have granted an unaffiliated third party a license to sell Uno® brand refrigerated and frozen consumer foods throughout the United States and Canada. You are not authorized under the Franchise Agreement to produce or sell the products covered by this license. These products are or may be sold from retail locations in your Assigned Area or Territory and via e-commerce.

Our affiliate SLA Su Casa, Inc., operates one Mexican restaurant, in Chicago, Illinois. We do not believe that the products or services offered by this business are part of the same product or service market as that served by the Uno Restaurants.

There are no currently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, any pending interference, opposition or cancellation proceeding and any pending material litigation involving the marks described above which are relevant to their use in the state.

Except as described below, there are no agreements currently in effect which significantly limit our rights to use or license the use of the marks in any manner material to the franchise. Under an Agreement dated October 2, 1990, between us and our affiliates and Uno's Pizza, Inc. and its principals ("Uno's Pizza, Inc."), Uno's Pizza, Inc. (an unaffiliated third party) retains the right to use the mark "UNO's" in a small non-exclusive area in West Seneca, New York. Uno's Pizza, Inc. has agreed not to expand the use of the name to other sites and not to transfer the name to any third party. The Agreement is of perpetual duration and may not be unilaterally canceled or modified. New York Department of State records reflect that Uno's Pizza, Inc. was dissolved in December 2000.

We are aware that a pizza restaurant has been operating in Platteville, Wisconsin under the name "Pizzeria Uno." In California, the mark "Numero Uno" may be used only as the name of a menu item. Except as described above, we know of no superior prior rights or infringing uses which could materially affect your use of the marks except as noted above.

We have granted an unaffiliated third party a license to sell Uno® brand refrigerated and frozen consumer foods throughout the United States and Canada. You are not authorized under the Franchise Agreement to produce or sell the products covered by this license. These products are or may be sold from retail locations in your Assigned Area or Territory and via e-commerce. The license is dated February 28, 2023, and is for a perpetual term subject to termination due to the licensee's breach or cessation of use.

You must notify us immediately by telephone, and thereafter in writing, of any apparent infringement of or challenge to your use of any Proprietary Mark, of any claim by any person of any rights in any Proprietary Mark, and you and your Principals must not communicate with any person other than us or persons whom we designate in connection with any such infringement, challenge or claim. We will have complete discretion to take such action as we deem appropriate, and the right to control any settlement, litigation or Patent and Trademark Office or other proceeding arising out of any such alleged infringement, challenge or claim relating to any Proprietary Mark. You must sign such documents and render such assistance as we may reasonably deem necessary or advisable to protect and maintain our interests in any litigation or other proceeding or to otherwise protect and maintain our interests in the Proprietary Marks.

We are not obligated by the Franchise Agreement, the Development Agreement or otherwise to protect any rights which you have to use the marks. We reserve the right to substitute different Proprietary Marks for use in identifying the Business System and the Uno Restaurant if our current Proprietary Marks no longer can be used, or if we, in our sole discretion, determine that substitution of different Proprietary Marks will be beneficial to the Business System. In such event, we may require you, at your expense, to discontinue or modify your use of any of the Proprietary Marks or to use one or more additional or substitute Proprietary Marks. If your Restaurant is located in Minnesota, we are obligated under Minnesota law to protect your right to use the Proprietary Marks and other related rights against claims of infringement and unfair competition. However, if anyone establishes to our satisfaction that its rights are, for any legal reason, superior to our rights to any of the Proprietary Marks, then you must, at your expense, modify your use of the Proprietary Marks or cease using one or more of the Proprietary Marks as we may require to avoid conflict with those superior rights.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents, Copyrights and Intellectual Properties

We do not own any registered patents that are material to the franchise. Although we have not filed applications for copyright registration, we claim copyrights on all our menus, point of purchase materials and all like materials used in the Business System. Item 11 describes limitations on your use of this material.

Confidential Manuals and Information

Under the Franchise Agreement, we will provide you with electronic access to a copy of the Uno Restaurant Recipe Manual, the Bar Manual, the Front of House (FOH) Manual (this includes Host, Bar and Server), Maintenance, Dish, Prep and Salad Manual, Pizza/Sandwich Manual, the Management Training Program Manual, the HazMat Manual, the Management Administration Guide: Certified Trainer Program, and the Confidential Operating Manual, also known as the Management Operations Manual. At our discretion, we may either revise one or more of the existing manuals or create new manuals to address any subjects that are unique to Uno Restaurants. The Manuals are our sole property and must be kept in a secure place on the Uno Restaurant premises. All of these manuals collectively referred to as “Manuals.”

We may revise the contents of the Manuals and you must comply with each new or changed standard. You must also keep the Manuals current at all times. If there is a dispute as to the contents of the Manuals, the terms of the master copy we maintain at our home office will control.

You must operate the Uno Restaurant in accordance with the standards and procedures specified in the Manuals. We claim proprietary rights in our recipes, in methods of operating the Uno Restaurants and in other information relating to the establishment and operation of the Uno Restaurants, which are included in the Manuals and which are our trade secrets. You and the Principals must: (a) treat the Manuals, recipes, operating methods and any other materials we create or approve for use in operating the Uno Restaurant, and the information contained in them, as confidential, (b) use all reasonable efforts to maintain this information as secret and confidential, and (c) make the materials available only to those of your employees that must have access to it in order to operate the Uno Restaurant, or to such other persons we authorize in writing.

You and the Principals must not: (a) copy, record or otherwise reproduce our proprietary materials or information, or make them available to any unauthorized person, without our written consent, (b) use our proprietary materials or information for your or their own benefit or for any purpose other than operating the Uno Restaurant. Any and all information, knowledge, know-how and techniques related to the Business System that we communicate to you, including the Manuals, plans and specifications, marketing information and strategies and site evaluation, selection guidelines and techniques, recipes, and other information communicated in writing and through other means, including electronic media (*e.g.*, CD Rom, Internet, computer disk or video and audio tape) are considered confidential.

You must have your General Manager and any of your other personnel who receive or will have access to confidential information, sign similar covenants (see Item 17). The covenants will

be substantially as provided in Exhibit C to the Franchise Agreement and Exhibit B to the Development Agreement.

If you or your Principals develop any new concept, process, product, recipe or improvement in operating or promoting the Uno Restaurant (including computer software enhancements), you must promptly notify us and give us all necessary information relating to the development, free of charge. You and your Principals must acknowledge that any of these concepts, processes, products, recipes or improvements will become our property and we may give the information to other franchisees.

Software

If we provide you Software, you must also treat that as confidential information. You are prohibited from copying, or otherwise reproducing or making it available to any unauthorized person. Any Software provided must be returned to us if the Franchise Agreement is terminated or expires. If we provide you any Software, we will require you to sign a software license Agreement (as described in Item 11) that will state your obligations of confidentiality regarding the Software.

ITEM 15 **OBLIGATIONS TO PARTICIPATE IN THE ACTUAL** **OPERATION OF THE FRANCHISE BUSINESS**

Under the Development Agreement and Franchise Agreement (the “Agreements”), we have characterized certain parties as your “Principals.” The Agreements are signed by us, by you, and by your Principals. If you are an individual, your Principals include your spouse, if you are married. If the Franchisee or Developer is a corporation, partnership, limited liability company or other legal entity, the Principals include the entity’s officers and directors (including the officers and directors of any general partner or corporate shareholder), and all holders of a five percent or greater ownership interest in the entity, and in any entity that directly or indirectly controls the Franchisee or Developer. Persons designated as Principals must sign the Franchise Agreement and Development Agreement, as applicable, and agree to be individually bound by certain obligations under the Agreements, including confidentiality and non-competition covenants, and to personally guarantee your performance under the Agreements.

When the Franchise Agreement is signed, you must designate an individual to serve as the “Operating Principal” of the Uno Restaurant. Your Operating Principal will be the individual primarily responsible for your business and must devote substantial full time and best efforts to supervising and conducting the Uno Restaurant. If you are an individual, you must perform all obligations of the Operating Principal. The Operating Principal must meet our standards and criteria, as we provide in the Manuals or otherwise in writing. The Operating Principal must sign the Franchise Agreement as one of the Principals, and will be individually, jointly and severally, bound by all of your and the Principals’ obligations under the Franchise Agreement.

If, during the term of the Franchise Agreement, the Operating Principal is not able to continue to serve or no longer qualifies to act as the Operating Principal, you must promptly notify us and designate a replacement within 30 days. The replacement is subject to the same

qualifications and restrictions listed above. You must provide for interim management of the Uno Restaurant, in accordance with the requirements of the Franchise Agreement, until you designate a replacement Operating Principal.

You must designate and retain at all times a “General Manager” to direct the day to day operation and management of the Uno Restaurant. Your General Manager must devote full time and best efforts to the supervision and management of the Uno Restaurant. Your Operating Principal must either serve as the General Manager, or, subject to our approval, designate another individual to serve as the General Manager of the Uno Restaurant. The General Manager may be, but need not be, one of the Principals.

The General Manager must satisfy our educational, training and business experience criteria as we describe in the Manuals or otherwise in writing, and must be an individual acceptable to us. If, during the term of the Franchise Agreement, the General Manager is not able to continue to serve in that capacity or no longer qualifies to do so, you must promptly notify us and designate a replacement within 30 days. The replacement must meet the same qualifications listed above. You must provide for interim management of the Uno Restaurant, consistent with the terms of the Franchise Agreement, until the replacement is designated.

You must obtain covenants not to compete, including covenants applicable on the termination of the person’s relationship with you, from your General Manager. At our request, you must require any of your personnel to sign covenants that they will maintain the confidentiality of information they receive or have access to based on their relationship with you (see Item 14). These covenants will be in substantially the same form attached to the Franchise Agreement and the Development Agreement. We reserve the right to decrease the period of time or geographic scope of the noncompetition covenants described in the attachments or eliminate the noncompetition covenants altogether for any party that is required to sign an Agreement as described in this paragraph (see Item 17).

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You must comply with all of our standards and specifications relating to the purchase of all food, food products and beverage items, ingredients, supplies, materials, fixtures, furnishings, equipment (including electronic cash register, computer hardware and software), social media and other products used or sold at the Uno Restaurant (see Item 8). You must comply with all applicable laws and regulations and obtain all appropriate governmental approvals relating to the Uno Restaurant.

You must operate the Uno Restaurant in strict conformity with the Standards and Specifications and the restrictions on the use of the Proprietary Marks described in the Franchise Agreement. In particular, you must (a) sell all menu items, products and services we require in the manner and style we direct, including dine-in, carry-out, catering and delivery services, as we specify, (b) sell only the menu items, products and services that we have expressly authorized, refrain from deviating from our Standards and Specifications without our written consent, and discontinue selling any menu items, products or services that we do not approve, and (c) maintain in sufficient supply and use and sell at all times only food and beverage items, ingredients,

products, materials, supplies and paper goods that conform to our Standards and Specifications, and prepare all menu items in accordance with our recipes and preparation procedures contained in the Manuals or other written directives.

You must maintain a competent, conscientious and trained staff to operate the Uno Restaurant in accordance with the Franchise Agreement and the Manuals and take the steps necessary to ensure that your employees preserve good customer relations, and comply with our dress codes. You are, and will remain, the sole employer of your employees during all training programs and thereafter, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees receive adequate training.

You have complete discretion over the prices you charge to customers for the sale of any menu items, products, merchandise and services. We do not impose any other restrictions in the Franchise Agreement or otherwise, as to the goods or services that you may sell or as to the customers to whom you may offer goods or services (see Item 8).

FINANCIAL STATEMENTS

FINANCIAL STATEMENTS

Pizzeria Uno Corporation
October 3, 2023 and October 4, 2022
With Independent Auditor's Report

Independent Auditor's Report

Board of Directors
Pizzeria Uno Corporation

Opinion

We have audited the accompanying financial statements of Pizzeria Uno Corporation (the Company), which comprise the balance sheets as of October 3, 2023 and October 4, 2022, the related statements of operations, changes in shareholder's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of October 3, 2023 and October 4, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Pizzeria Uno Corporation
Notes to Financial Statements
For Fiscal Years Ended October 3, 2023 and October 4, 2022

1. The Business and Basis of Presentation

The Business

Pizzeria Uno Corporation (the Company), a wholly owned subsidiary of Uno Restaurants, LLC (the Parent), offers domestic and international franchises for the operation of full-service casual dining restaurants under the trade names “Uno Chicago Grill” and “Uno Pizzeria and Grill” and fast casual style restaurants under the name “Uno Due Go”. The Company has a total of 78 restaurants as of October 3, 2023, of which the Parent operates a total of 31 restaurants. The restaurants are located in 19 states, the District of Columbia, Qatar, Saudi Arabia and India.

Basis of Presentation

The accompanying financial statements include the accounts of the Company, a wholly owned subsidiary of the Parent. The Parent is a wholly owned subsidiary of Uno Restaurants Holdings Corporation (URHC). The accompanying financial statements are derived from the consolidated financial statements of URHC using historical results of operations and cost bases of its assets and liabilities. The preparation of the accompanying financial statements requires management to make assumptions regarding the allocation of revenues, expenses, assets, and liabilities. Management believes these assumptions and allocations are reasonable. If the Company operated as standalone entity, its results of operations and financial position could differ materially from those presented in these financial statements.

2. Summary of Significant Accounting Policies

Fiscal Year

The Company’s fiscal year ends on the close of business on the Sunday closest to September 30 in each year. The fiscal year ending October 3, 2023 contains 52 weeks and the fiscal year ending October 4, 2022 contains 53 weeks.

Use of Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and costs and expenses during the reporting period. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable represent amounts due from franchisees as well as Parent owned restaurants. The Company carries its receivables at face value less an allowance for doubtful accounts which is based on historical losses, existing economic conditions, and other information available at the balance sheet dates.

Concentrations of Credit Risk

The credit risk with respect to receivables is limited due to the Company's credit and collection policies. The Company performs ongoing evaluations of its franchisees and maintains allowances for potential credit losses which, when realized, have been within the range of management's expectations. The Company experienced no significant credit losses during the years ended October 3, 2023 and October 4, 2022.

Trade Name

Trade name intangible asset is not amortized but instead is tested for impairment at least annually by comparing the carrying value to the estimated fair value. To determine estimated fair value, the Company uses the relief-from-royalty method. Significant assumptions in the valuation methodology include, but are not limited to, projected business results, growth rates, royalty rates and discount rates. The calculation of fair value could increase or decrease depending on changes in the assumptions used.

Goodwill

Goodwill represents the excess of the fair market value of the Company over the net amounts assigned to assets and liabilities assumed and is required to be evaluated for impairment at least annually or when circumstances indicate that an impairment may exist by comparing the carrying value to its estimated fair value.

The Entity is required to assess goodwill and other indefinite-lived intangible assets for impairment annually, or more frequently if circumstances indicate impairment may have occurred. The Entity performs its annual impairment assessment in the fourth quarter of each year. Each of the Entity's operating segments represents a reporting unit. If the carrying value of an indefinite-lived intangible asset exceeds its fair value, an impairment loss is recognized in an amount equal to that excess.

The Entity assesses goodwill for such impairment by comparing the carrying value of each reporting unit to its fair value using the present value of expected future cash flows. The Entity determines the fair value of its reporting units utilizing discounted cash flows and incorporates assumptions that it believes marketplace participants would utilize.

The indefinite-lived intangibles and goodwill were tested for impairment during the fourth quarter subsequent to the annual forecasting process. It was determined there was no indefinite-lived intangibles or goodwill impairment for the years ended October 3, 2023 and October 4, 2022.

2. Summary of Significant Accounting Policies (Continued)

As quoted market prices for the Company's reporting units are not available, the Company determined fair value based on projected discounted future operating cash flows using a risk adjusted discount rate that is commensurate with the risk inherent in the Company's current business model. The Company makes assumptions regarding future cash flows, expected growth rates, and other factors which could significantly impact the fair value calculations. Assumptions in estimating future cash flows are subject to a high degree of judgment and complexity. The Company forecasts these future cash flows based on the best information available at the time the forecast is developed.

The calculation of fair value could increase or decrease depending on changes in the inputs and assumptions used, such as changes in the financial performance of the reporting units, future growth rate and the discount rate. In order to evaluate the sensitivity of the fair value calculations on the goodwill impairment test, the Company applied hypothetical changes to its projected growth rate and discount rate which the Company believes are considered appropriate. Based on the goodwill analysis performed in 2023 and 2022, these hypothetical changes in the Company's assumptions would not affect the results of the impairment test.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date. The fair value should be based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

- Level 1: Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.
- Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

Certain assets and liabilities are not measured at fair value on an ongoing basis but are subject to fair value adjustment in certain circumstances. These items primarily include goodwill and trade name assets for which fair value is determined as part of the related impairment tests. The inputs used for the fair value measurement are considered Level 3.

Due from Parent

The Company charges the Parent a variable rate of interest (approximately 5% at October 3, 2023 and October 4, 2022) on the amount Due from Parent which has been classified as non-current because the Company has no intention to demand payment in fiscal 2024.

2. Summary of Significant Accounting Policies (Continued)

Income Taxes

The Company is part of a group that files a consolidated tax return for federal purposes and in certain states. Income tax expense is computed on a separate return basis. Any computed income taxes payable and related adjustments, if necessary, are charged to the due from parent account.

The Company accounts for income taxes in accordance with Accounting Standards Codification (ASC) 740, *Accounting for Income Taxes*. ASC 740 is an asset and liability approach that requires recognition of deferred tax assets and liabilities for the expected future tax consequences attributable to differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases. Deferred tax assets and liabilities are presented net on the balance sheet.

The Company also accounts for uncertainties in tax positions, under the provisions of ASC 740, *Accounting for Income Taxes*. Under these provisions, the Company recognizes the tax benefit of tax positions to the extent that the benefit will more likely than not be realized. The determination as to whether the tax benefit will more likely than not be realized is based upon the technical merits of the tax position as well as consideration of the available facts and circumstances.

Franchise Fee Deposits

Franchise fee deposits represent deferred revenue from the sale of area development rights to third parties. Area development rights permit third parties to open a specified number of restaurants within a defined period of time in specified geographic areas. Franchise fees received pursuant to area development agreements are deferred until the franchise restaurant opens.

Revenue Recognition

The Company recognizes revenue in accordance with ASC Topic 606, *Revenue from Contracts with Customers*, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize Revenue when or as performance obligations are satisfied.

The Company adopted the practical expedient for pre-opening services. The Company recognizes pre-opening services separately from the franchise license.

Initial franchise fees received under area licensing agreements are recorded as deferred revenue until the Company has performed its material obligations under such agreements, which is typically upon restaurant opening.

2. Summary of Significant Accounting Policies (Continued)

Royalty fees from restaurants are based on a percentage of restaurant revenues and are recognized in the period the related restaurants' revenues are earned. These royalties are considered variable consideration but, because they relate to a license of intellectual property, they are not included in the transaction price. Instead, royalty revenue is recognized as restaurant sales occur.

The Company charges funds for advertising pursuant to the Company's franchise agreements at a percentage of restaurant sales. The funds are used to, among other things, develop and distribute branded in store menus and marketing materials, media production and market research. Under ASC 606, the advertising funds are recorded gross within other revenues and the advertising costs incurred are recorded within general and administrative expenses in the statements of operations.

A summary of franchise unit activity is as follows:

	<u>October 3, 2023</u>	<u>October 4, 2022</u>
Units operated at beginning of period	46	49
Units transferred/opened	5	4
Units closed	<u>(5)</u>	<u>(7)</u>
Units operated at end of period	<u><u>46</u></u>	<u><u>46</u></u>

3. Related Party Transactions

The Parent provides certain management and administrative services for the Company. Amounts charged for these services amounted to \$2,204,177 in fiscal 2023 and \$2,790,964 in fiscal 2022, based on a combination of specific expenses related to the Company and paid for by the Parent, plus an allocation of general corporate overhead costs incurred by the Parent. These costs and expenses are charged to the Due from Parent account.

4. Income Taxes

Deferred taxes are attributable to the following temporary differences:

	<u>October 3, 2023</u>	<u>October 4, 2022</u>
Deferred tax assets:		
Franchise fee deposits	\$ 60,042	\$ 62,142
Accrued expenses	-	4,361

The (benefit) provision for income taxes consisted of the following:

	<u>October 3, 2023</u>	<u>October 4, 2022</u>
Current:		
Federal	\$ 3,097,042	\$ 1,004,170
State	(390,250)	531,244

	<u>9,216</u>	<u>(105,907)</u>
Provision for income taxes	<u>\$ 2,716,008</u>	<u>\$ 1,429,507</u>

The Company's practice is to classify interest and penalties related to income tax matters in income tax expense. The Company did not record a liability for uncertain tax positions at October 3, 2023 and October 4, 2022.

The Company's and Parent's federal and state income tax returns are subject to examination by taxing authorities. Because the application of tax laws and regulations is susceptible to varying interpretations, amounts reported in the financial statements could be changed at a later date upon final determinations by taxing authorities. Although the tax treatments reflected in the accompanying financial statements as determined and allocated by the Parent are believed to be supported by substantial authority, adjustments could result if some treatments were successfully challenged by the taxing authorities in amounts that may or may not be material. Management is unable to determine a reasonable estimate of the ultimate potential liability, if any, at this time.

5. Commitments, Contingencies and Uncertainties

Guarantee

The Company is a guarantor of its Parent's Senior Subordinated Secured Notes. As of October 3, 2023, the Parent's indenture debt was \$48.1 million.

Amounts outstanding under the indenture are due in April 2027. The financial statements do not include any amounts in connection with this guarantee. On April 2, 2024 \$32.9 of this indenture was paid off.

6. Subsequent Events

On April 2, 2024, the Company was purchased by Newport Global Opportunities Fund, which is an equity owner of the parent, for a purchase price of \$35,871,776, which included \$3,000,000 of cash payment and \$32,871,776 of debt payoff that was outstanding by the Parent. The Company expects to use the funds to improve working capital, pay down long term debt, and invest in growing its franchise business.

Management has considered whether any subsequent events have occurred through October 28, 2024, the date on which the consolidated financial statements were issued.

FINANCIAL STATEMENTS

Pizzeria Uno Corporation
October 4, 2022 and September 28, 2021
With Independent Auditor's Report

Independent Auditor's Report

Board of Directors
Pizzeria Uno Corporation

Opinion

We have audited the accompanying financial statements of Pizzeria Uno Corporation (the Company), which comprise the balance sheets as of October 4, 2022 and September 28, 2021, the related statements of income, changes in shareholders' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of October 4, 2022 and September 28, 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Pizzeria Uno Corporation
Notes to Financial Statements
For Fiscal Years Ended October 4, 2022 and September 28, 2021

1. The Business and Basis of Presentation

The Business

Pizzeria Uno Corporation (the Company), a wholly owned subsidiary of Uno Restaurants, LLC (the Parent), offers domestic and international franchises for the operation of full-service casual dining restaurants under the trade names “Uno Chicago Grill” and “Uno Pizzeria and Grill” and fast casual style restaurants under the name “Uno Due Go”. The Company has a total of 82 restaurants as of October 4, 2022, of which the Parent operates a total of 30 restaurants. The restaurants are located in 19 states, the District of Columbia, Qatar, Saudi Arabia and India.

Basis of Presentation

The accompanying financial statements include the accounts of the Company, a wholly owned subsidiary of the Parent. The Parent is a wholly owned subsidiary of Uno Restaurants Holdings Corporation (URHC). The accompanying financial statements are derived from the consolidated financial statements of URHC using historical results of operations and cost bases of its assets and liabilities. The preparation of the accompanying financial statements requires management to make assumptions regarding the allocation of revenues, expenses, assets, and liabilities. Management believes these assumptions and allocations are reasonable. If the Company operated as standalone entity, its results of operations and financial position could differ materially from those presented in these financial statements.

2. Summary of Significant Accounting Policies

Fiscal Year

The Company’s fiscal year ends on the close of business on the Sunday closest to September 30 in each year. The fiscal year ending October 4, 2022 contains 53 weeks and the fiscal year ending September 28, 2021 contains 52 weeks.

Use of Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and costs and expenses during the reporting period. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable represent amounts due from franchisees as well as Parent owned restaurants. The Company carries its receivables at face value less an allowance for doubtful accounts which is based on historical losses, existing economic conditions, and other information available at the balance sheet dates.

Concentrations of Credit Risk

The credit risk with respect to receivables is limited due to the Company's credit and collection policies. The Company performs ongoing evaluations of its franchisees and maintains allowances for potential credit losses which, when realized, have been within the range of management's expectations. The Company experienced no significant credit losses during the years ended October 4, 2022 and September 28, 2021.

Trade Name

Trade name intangible asset is not amortized but instead is tested for impairment at least annually by comparing the carrying value to the estimated fair value. To determine estimated fair value, the Company uses the relief-from-royalty method. Significant assumptions in the valuation methodology include, but are not limited to, projected business results, growth rates, royalty rates and discount rates. The calculation of fair value could increase or decrease depending on changes in the assumptions used. The Company completed its annual tradename impairment test as of October 4, 2022 and September 28, 2021 and no impairment was identified as the fair value exceeded the associated carrying value.

Goodwill

Goodwill represents the excess of the fair market value of the Company over the net amounts assigned to assets and liabilities assumed and is required to be evaluated for impairment at least annually or when circumstances indicate that an impairment may exist by comparing the carrying value to its estimated fair value. The Company completed its annual goodwill impairment test as of October 4, 2022 and September 28, 2021 and no impairment was identified as the fair value exceeded the associated carrying value.

As quoted market prices for the Company's reporting units are not available, the Company determined fair value based on projected discounted future operating cash flows using a risk adjusted discount rate that is commensurate with the risk inherent in the Company's current business model. The Company makes assumptions regarding future cash flows, expected growth rates, and other factors which could significantly impact the fair value calculations. Assumptions in estimating future cash flows are subject to a high degree of judgment and complexity. The Company forecasts these future cash flows based on the best information available at the time the forecast is developed.

The calculation of fair value could increase or decrease depending on changes in the inputs and assumptions used, such as changes in the financial performance of the reporting units, future growth rate and the discount rate. In order to evaluate the sensitivity of the fair value calculations on the goodwill impairment test, the Company applied hypothetical changes to its projected growth rate and discount rate which the Company believes are considered appropriate. Based on the goodwill analysis performed in 2022 and 2021, these hypothetical changes in the Company's assumptions would not affect the results of the impairment test.

2. Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date. The fair value should be based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Level 1: Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

Certain assets and liabilities are not measured at fair value on an ongoing basis but are subject to fair value adjustment in certain circumstances. These items primarily include goodwill and trade name assets for which fair value is determined as part of the related impairment tests. The inputs used for the fair value measurement are considered Level 3.

Franchise Agreements

Franchise agreements are amortized on a straight-line basis over 12 years.

	<u>October 4, 2022</u>	<u>September 28, 2021</u>
Franchise agreements	\$6,300,000	\$6,300,000
Less accumulated amortization	<u>(6,300,000)</u>	<u>(5,862,500)</u>
	<u>\$0</u>	<u>\$437,500</u>

The Company periodically reviews the carrying value of its franchise agreements to assess the recoverability of these assets when indicators of impairment are identified. The Company records impairment losses on long-lived assets used in operations when events and circumstances indicate that the assets might be impaired. No impairments were recorded during 2022 and 2021.

Due from Parent

The Company charges the Parent a variable rate of interest (approximately 4% at October 4, 2022 and September 28, 2021) on the amount Due from Parent which has been classified as non-current because the Company has no intention to demand payment in fiscal 2023.

2. Summary of Significant Accounting Policies (Continued)

Income Taxes

The Company is part of a group that files a consolidated tax return for federal purposes and in certain states. Income tax expense is computed on a separate return basis. Any computed income taxes payable and related adjustments, if necessary, are charged to the intercompany account.

The Company accounts for income taxes in accordance with Accounting Standards Codification (ASC) 740, *Accounting for Income Taxes*. ASC 740 is an asset and liability approach that requires recognition of deferred tax assets and liabilities for the expected future tax consequences attributable to differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases. Deferred tax assets and liabilities are presented net on the balance sheet.

The Company also accounts for uncertainties in tax positions, under the provisions of ASC 740, *Accounting for Income Taxes*. Under these provisions, the Company recognizes the tax benefit of tax positions to the extent that the benefit will more likely than not be realized. The determination as to whether the tax benefit will more likely than not be realized is based upon the technical merits of the tax position as well as consideration of the available facts and circumstances.

Franchise Fee Deposits

Franchise fee deposits represent deferred revenue from the sale of area development rights to third parties. Area development rights permit third parties to open a specified number of restaurants within a defined period of time in specified geographic areas. Franchise fees received pursuant to area development agreements are deferred until the franchise restaurant opens.

Revenue Recognition

The Company recognizes revenue in accordance with ASC Topic 606, *Revenue from Contracts with Customers*, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize Revenue when or as performance obligations are satisfied.

The Company adopted the practical expedient for pre-opening services. The Company recognizes pre-opening services separately from the franchise license.

Initial franchise fees received under area licensing agreements are recorded as deferred revenue until the Company has performed its material obligations under such agreements, which is typically upon restaurant opening.

2. Summary of Significant Accounting Policies (Continued)

Royalty fees from restaurants are based on a percentage of restaurant revenues and are recognized in the period the related restaurants' revenues are earned. These royalties are considered variable consideration but, because they relate to a license of intellectual property, they are not included in the transaction price. Instead, royalty revenue is recognized as restaurant sales occur.

The Company charges funds for advertising pursuant to the Company's franchise agreements at a percentage of restaurant sales. The funds are used to, among other things, develop and distribute branded in store menus and marketing materials, media production and market research. Under ASC 606, the advertising funds are recorded gross within other revenues and the advertising costs incurred are recorded within general and administrative expenses in the statements of income.

A summary of franchise unit activity is as follows:

	October 4, 2022	September 28, 2021
	<u> </u>	<u> </u>
Units operated at beginning of period	49	53
Units transferred/opened	4	-
Units closed	<u>(7)</u>	<u>(4)</u>
Units operated at end of period	<u><u>46</u></u>	<u><u>49</u></u>

3. Related Party Transactions

The Parent provides certain management and administrative services for the Company. Amounts charged for these services amounted to \$2,790,964 in fiscal 2022 and \$2,507,048 in fiscal 2021, based on a combination of specific expenses related to the Company and paid for by the Parent, plus an allocation of general corporate overhead costs incurred by the Parent. These costs and expenses are charged to the Due from Parent account.

4. Income Taxes

Deferred taxes are attributable to the following temporary differences:

	October 4, 2022	September 28, 2021
Deferred tax assets:		
Franchise fee deposits	\$ 62,142	\$ 63,192

	<u>(105,907)</u>	<u>(113,994)</u>
Provision for income taxes	<u>\$1,429,507</u>	<u>\$1,274,935</u>

The Company's practice is to classify interest and penalties related to income tax matters in income tax expense. The Company did not record a liability for uncertain tax positions at October 4, 2022 and September 28, 2021.

4. Income Taxes (Continued)

The Company's and Parent's federal and state income tax returns are subject to examination by taxing authorities. Because the application of tax laws and regulations is susceptible to varying interpretations, amounts reported in the financial statements could be changed at a later date upon final determinations by taxing authorities. Although the tax treatments reflected in the accompanying financial statements as determined and allocated by the Parent are believed to be supported by substantial authority, adjustments could result if some treatments were successfully challenged by the taxing authorities in amounts that may or may not be material. Management is unable to determine a reasonable estimate of the ultimate potential liability, if any, at this time.

5. Commitments, Contingencies and Uncertainties

Guarantee

The Company is a guarantor of its Parent's Senior Subordinated Secured Notes, as well as the outstanding amounts under a credit agreement. As of October 4, 2022, the Parent's indenture debt was \$47.8 million and there was an outstanding balance of \$98,576 under the credit agreement.

Amounts outstanding under the indenture are due in May 2024. The financial statements do not include any amounts in connection with this guarantee.

6. Subsequent Events

Management has considered whether any subsequent events have occurred through May 19, 2023, the date on which the consolidated financial statements were issued.

- B. The distinguishing characteristics of the Business System include, without limitation, distinctive exterior and interior design, decor, color schemes and furnishings; special recipes and menu items; uniform standards, specifications and procedures for operations; quality and uniformity of products and services; procedures for inventory, management, accounting and financial controls; training and assistance; and advertising and promotional programs used in connection with the operation of the Uno Restaurants.
- C. The Franchisor identifies the Business System by means of the name “Pizzeria Uno®” and other Proprietary Marks (as defined herein).
- D. The Uno Restaurants will operate under the Business System and Proprietary Marks.
- E. The Franchisor continues to develop, use and control the use of the Proprietary Marks in order to identify for the public the source of services and products marketed under the Business System, and to represent the high standards of quality, appearance and service of the Business System and the Uno Restaurants.
- F. The Franchisee understands and acknowledges the importance of the Franchisor’s high standards of quality, cleanliness, appearance and service and the necessity of operating the business licensed hereunder in strict conformity with the Franchisor’s Standards and Specifications (as defined herein).
- G. The Franchisee desires to use the Business System in connection with the operation of an Uno Restaurant.

NOW, THEREFORE, the parties, in consideration of the mutual undertakings and commitments set forth herein, the receipt and sufficiency of which are hereby acknowledged, agree as follows:

ARTICLE 1
GRANT OF FRANCHISE

1.1 GRANT OF FRANCHISE

The Franchisor hereby grants to the Franchisee, upon the terms and conditions of this Agreement, the right and license, and the Franchisee hereby accepts the right and obligation, to operate one

Uno Restaurant identified by the Proprietary Marks, in conformity with the Business System, at the Site defined in Article 1.2 (the “Uno Restaurant”).

1.2 SITE ADDRESS; RELOCATION

The specific street address of the Uno Restaurant location (the “Site”) and Uno Restaurant details will be set forth in Exhibit A. The Franchisee will not have the right to relocate the Uno Restaurant without the prior written approval of the Franchisor. The Franchisee will give the Franchisor written notice of its intent to relocate, and will provide such information on the proposed new location as the Franchisor may reasonably request. The Franchisor’s approval may be conditioned on the following: (a) the proposed new location must be within the Franchisee’s original “Assigned Area” (as defined and described in Exhibit A); (b) the proposed new location must meet the Franchisor’s site requirements as set forth in this Agreement; (c) the proposed new location and the Franchisee’s new Assigned Area must not infringe upon the market area of any existing or proposed Uno Restaurant or the assigned area granted to any other developer or franchisee of Uno Restaurants; (d) the new Restaurant location must comply in all respects with the Franchisor’s then-current image, décor, standards and specifications; and (e) the Franchisee must reimburse the Franchisor for all costs relating to the relocation request and evaluation of the proposed new location. The Franchisee will not have the right to operate the Uno Restaurant, use any of the Proprietary Marks, or offer or sell any products or services described under this Agreement at or from any location other than the Site. The Franchisee will not sell or deliver any product or service to any location or address outside the boundaries of the Assigned Area, without the Franchisor’s prior written approval. The Franchisee may offer catering and delivery services in the Assigned Area from the Uno Restaurant location in compliance with the Franchisor’s written policies and requirements.

1.3 FRANCHISOR’S RIGHTS

Except as provided to the contrary in this Agreement, the Franchisor will not establish, or authorize any person or entity other than the Franchisee to establish, an Uno Restaurant in the Assigned Area during the Term of this Agreement. The Franchisee and Principals acknowledge and agree that the Franchisor and its Affiliates have the absolute right to own, operate, develop, franchise and/or license restaurants and food service businesses under the Proprietary Marks and under other names and marks, and that the rights granted to the Franchisee under this Agreement are only for the operation of the Uno Restaurant at the Site. The Franchisor and its Affiliates will, at all times, retain all other rights relating to the Uno Restaurants and the Proprietary Marks, including the right to at any time conduct (or authorize a third party to conduct) the following activities, regardless of competitive effect on the Franchisee’s Uno Restaurant or the Assigned Area: (a) the right, anywhere in the world, including within the Assigned Area and within close proximity to the Franchisee’s Site, to: (i) advertise and promote the Uno Restaurants and the Business System; (ii) establish Alternative Distribution Sites (as defined in Article 26.2); (iii) advertise, promote, offer and sell products and services under the Proprietary Marks at and from previously-established Alternative Distribution Sites; (iv) provide catering and delivery services; (v) advertise, promote, sell and distribute collateral and ancillary products and services, identified by the Proprietary Marks, which are or may be similar to those offered by the Franchisee’s Uno Restaurant, which products and services may include, without limitation, pre-packaged food products and beverages, clothing, t-shirts, sweatshirts, hats, wearables, Uno memorabilia and kitchen utensils, if such items are offered and sold through channels of distribution other than through an Uno Restaurant (for example, without limitation, direct mail, the Internet, electronic commerce, and other forms of direct distribution); and (vi) advertise, promote, sell and distribute any products and services under

any names or marks other than the Proprietary Marks; and (b) the right to establish, own, operate, manage, license and/or franchise Uno Restaurants anywhere in the world outside the Assigned Area.

ARTICLE 2

The Franchisee may, at its option, renew the franchise for the Site for the additional period(s) set forth in Exhibit A, providing the Franchisee has complied with the following conditions: (a) the Franchisee must give the Franchisor written notice of the Franchisee’s election to renew not less than seven months nor more than 12 months prior to the end of the Term; (b) the Franchisee must agree in writing that it will, within 24 months or less from the date the then-current franchise agreement is signed, modernize, repair, replace or acquire, at the Franchisee’s cost and expense, the equipment, signs, interior and exterior decor items, fixtures, furnishings, delivery vehicles, if applicable, supplies and other products and materials required to meet the Franchisor’s then-current standards for the operation, image and appearance of the Uno Restaurant as specified or contained in the Manuals or otherwise provided in writing by the Franchisor; (c) the Franchisee must not be in default under this Agreement on or after the date of the Franchisee’s written request to renew the franchise; (d) the Franchisee must have paid all monetary obligations owed to the Franchisor under this Agreement and any other agreement between the Franchisee and the Franchisor, and the Franchisee must have substantially and timely met its obligations under this Agreement throughout the Term; (e) the Franchisee must sign the Franchisor’s then-current form of franchise agreement effective as of the end of the Term, which will supersede this Agreement and which may differ materially from the terms, conditions and economics of this Agreement, including the payment of higher and additional franchise, royalty, advertising and other fees; (f) the Franchisee must provide satisfactory documentation to the Franchisor confirming that the Franchisee has the right to remain in possession of the Uno Restaurant premises for the ten year duration of the then-current franchise agreement; (g) the Franchisee must, at the time it signs the then-current franchise agreement, pay the Franchisor a renewal fee equal to 25% of the then-current initial franchise fee being charged by the Franchisor; (h) the Franchisee and the Principals must, at the time the then-current franchise agreement is signed, execute a general release of any and all claims against the Franchisor and its officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, including, without limitation, claims arising under this Agreement or under any federal, state or local laws, rules, regulations or orders; and (i) the Franchisee, the Operating Principal (as defined in Article 26.12) and the Franchisee’s General Manager (as defined in Article 26.9), must have completed all training required to meet the Franchisor’s then-current training requirements.

ARTICLE 3
SITE SELECTION, PLANS AND CONSTRUCTION; OPENING OF RESTAURANT

3.1 SITE SELECTION; DEVELOPMENT

The Franchisee will be solely responsible, at its expense, for (a) locating and selecting the Site, (b) obtaining the Site either by lease or purchase, (c) developing the Site and constructing the Uno Restaurant on the Site, (d) equipping the Uno Restaurant, and (e) payment of all costs, liability and expenses for developing the Site and for constructing and equipping the Uno Restaurant. The Franchisor recommends that the Franchisee retain a licensed commercial real estate broker or salesperson who has at least five years' experience in locating and acquiring full service and hotel conversion restaurant sites in the area where the Franchisee's Uno Restaurant will be located to advise and consult with the Franchisee on the economics, demographics and location of any proposed Site, and on the purchase or lease of the Site selected by the Franchisee for the Franchisee's Uno Restaurant. No provision in this Agreement will be construed or interpreted to impose any obligation or responsibility upon the Franchisor to locate a site for the Uno Restaurant, to assist or advise the Franchisee in the selection of a suitable site for the Uno Restaurant, or to provide any assistance to the Franchisee in the purchase or lease of a Site. However, the Franchisor may, at its discretion, offer the Franchisee the services of the real estate division of an Affiliate of the Franchisor to assist the Franchisee in the Site location and selection process.

3.2 GUIDELINES

- (a) The Franchisee will comply with the guidelines described in the Franchisor's written site selection criteria (the "Site Selection Criteria").
- (b) The Franchisee will locate a Site that satisfies the Site Selection Criteria. The Franchisee will submit a description of the Site and other information requested by the Franchisor to the Franchisor no later than three months after the execution of this Agreement.
- (c) The Franchisor may visit the proposed Site if the visit is deemed necessary and appropriate by the Franchisor. The first two Site visits by the Franchisor will be without any charge to the Franchisee. However, the Franchisor's costs of all subsequent Site visits undertaken at the Franchisee's request will be paid by the Franchisee. Within ten days from receiving an invoice from the Franchisor, the Franchisee will reimburse the Franchisor for all expenses incurred by the Franchisor for lodging, meals, travel and wages incurred in connection with such Site visits ("Site Visit Expenses").
- (d) The Franchisor will have 30 days after receipt of the Site information and materials to determine if the proposed Site meets the Franchisor's minimum criteria. No Site may be used for the location of the Uno Restaurant unless it first receives the Franchisor's written consent. The Franchisee and the Principals agree and acknowledge that the Franchisor's consent to a Site will not be deemed to be a representation or warranty that the Site will be profitable or economically successful or that the Site will attain any specific level or range of performance or sales.

3.3 SITE ACQUISITION

Within 120 days after the Franchisor has consented to the Site for the Uno Restaurant as described above, the Franchisee will, at the Franchisee's expense, either purchase or lease the Site for the Uno Restaurant. At the time the Site is acquired, the complete address, including street and city, and the projected date of opening, will be inserted in Exhibit A. The Franchisee will, upon the written request of the Franchisor, provide the Franchisor with a copy of the purchase agreement

for the Site if it is being purchased or a copy of the lease if the Site is being leased by the Franchisee. The Franchisee will not sign any lease for the Uno Restaurant premises unless a rider to the lease in the form attached as Exhibit B (or such other form as may be reasonably required by the Franchisor), has been approved and signed by the lessor, the Franchisee and the Franchisor and has been incorporated into the lease by reference.

3.4 ARCHITECTURAL SERVICES

The Franchisee will be solely responsible, at its expense, for: (a) obtaining all architectural, engineering and design services necessary for the construction or conversion of the Uno Restaurant from a licensed architectural design firm; and (b) ensuring that the Uno Restaurant premises comply with all applicable legal requirements, including without limitation all laws relating to accessibility of the Uno Restaurant premises to the disabled. The Franchisee will adapt the Franchisor's prototypical architectural and design plans and specifications for the construction of the Uno Restaurant and will submit all adapted plans to the Franchisor for review. If the Franchisor in its discretion determines that the adapted plans do not conform to the Franchisor's then-current architectural and/or design standards and specifications, then the Franchisor will, within 30 days of receiving the adapted plans, give the Franchisee written notice of the changes necessary to make the adapted plans acceptable. If the Franchisor does not object to the plans within 30 days of receipt, the Franchisee will have the right to use the adapted plans for the construction of the Uno Restaurant. The Franchisor will notify the Franchisee within 15 days of receiving the resubmitted plans whether the plans are acceptable. If the changes are not acceptable, then the Franchisor will notify the Franchisee of such objections as described above, and the Franchisee will similarly resubmit the plans until they are acceptable to the Franchisor. The Franchisee and the Principals acknowledge that acceptance by the Franchisor of such plans does not constitute a representation, warranty or guarantee, express or implied, that such plans are free of architectural or design errors and that the Franchisor will have no liability to the Franchisee or any other party with respect to the plans. The Franchisor may, at its discretion, offer the Franchisee the services of the restaurant design division of an Affiliate of the Franchisor to assist the Franchisee in the Uno Restaurant design process.

3.5 ZONING AND OTHER LAWS

The Franchisee will obtain all zoning classifications and clearances which may be required by applicable federal, state or local laws, ordinances or regulations or which may be necessary as a result of any restrictive covenants relating to the Uno Restaurant premises. Prior to beginning construction or remodeling of the Uno Restaurant, the Franchisee will obtain all approvals, clearances, permits and certifications required for the lawful construction or remodeling and operation of the Uno Restaurant, and will certify in writing to the Franchisor that the insurance coverage specified in ARTICLE 12 is in full force and effect and that all required approvals, clearances, permits and certifications have been obtained. Upon request, the Franchisee will provide the Franchisor with additional copies of the Franchisee's certificates of insurance and copies of all such approvals, clearances, permits and certifications.

3.6 CONSTRUCTION/REMODELING

The Franchisee will diligently pursue construction or remodeling (as applicable) of the Uno Restaurant. During construction or remodeling, the Franchisee will provide the Franchisor with periodic reports regarding the progress of the construction or remodeling as requested by the Franchisor. In addition, the Franchisor may make on-site inspections as it may deem necessary to evaluate the progress of the construction or remodeling. If during any inspection the Franchisor

identifies instances where the Franchisee's construction or remodeling is not in compliance with the Franchisor's standards, then the Franchisor will notify the Franchisee in writing of the deficiencies, and the Franchisee will be obligated to correct the deficiencies prior to opening. The Franchisee will notify the Franchisor of the date scheduled for completion of the construction or remodeling no later than 30 days prior to such date. After the construction or remodeling is completed, the Franchisor may, at its option, conduct an inspection of the completed Uno Restaurant.

3.7 ALCOHOLIC BEVERAGE LICENSE; OTHER LICENSES

Prior to opening the Uno Restaurant, the Franchisee will obtain and maintain all alcoholic beverage licenses that are necessary for the lawful operation of the Uno Restaurant as set forth in Exhibit A. In addition, the Franchisee must have obtained all applicable and necessary permits, licenses and certificates required for the operation of the Uno Restaurant, including without limitation a certificate of occupancy, valid food service license, health permit and public assembly permit.

3.8 OPENING CONDITIONS

The Franchisee will not open the Uno Restaurant for business without the express written authorization of the Franchisor. Before the Franchisor will give written authorization to open, the Franchisee must have completed all exterior and interior construction or remodeling and all other preparations for the Uno Restaurant, must have installed all equipment, fixtures, furnishings and signs in accordance with the plans and specifications accepted by the Franchisor, must have all initial training required pursuant to Article 6.1 successfully completed by the Franchisee's personnel, and must have otherwise complied with all terms and conditions of this ARTICLE 3 and all other applicable terms and conditions of this Agreement. The Franchisee acknowledges and agrees that TIME IS OF THE ESSENCE with respect to the terms and conditions of this ARTICLE 3. Except as provided below in this Article 3.8, if the Franchisee fails to timely comply with any of such conditions prior to opening, then the Franchisee will be in default under this Agreement, the Franchisor will have the right to prohibit the Franchisee from opening for business, and the Franchisor will have the right to terminate this Agreement. Upon the occurrence of any event of Force Majeure (as defined in Article 26.7) which prevents the Franchisee from opening the Uno Restaurant on the Opening Date shown on Exhibit A, the Franchisee will be entitled at no charge to a thirty-day extension of the Opening Date upon giving written notice to the Franchisor which specifies the event of Force Majeure and the new Opening Date. If the Franchisee is not able to open the Uno Restaurant on the Opening Date for any reason which does not constitute Force Majeure, or if the Franchisee is not able to open the Uno Restaurant within the thirty-day extension provided in the case of an event of Force Majeure, then the Franchisee will have the right, upon written notice to the Franchisor and with the Franchisor's prior written consent, to obtain not more than two thirty-day extensions of the Opening Date upon payment of an extension fee, for each thirty-day period, equal to one-twelfth of the average annual royalties payable by a franchised Uno Restaurant during the preceding calendar year, as determined by the Franchisor, in its sole discretion, based on information available to the Franchisor at that time.

3.9 OPENING DATE

The Franchisee will open the Uno Restaurant and commence business by the Opening Date shown on Exhibit A. If the Franchisee plans to open the Uno Restaurant to the public on a date prior to the Opening Date, then the Franchisee will provide the Franchisor with at least 30 days written notice of the projected new Opening Date and the Franchisor will amend Exhibit A accordingly. If the Uno Restaurant opens for business on a date other than the Opening Date set forth in the

thirty-day notice described above, then the Franchisee will, upon receipt of an invoice, reimburse the Franchisor for its Site Visit Expenses incurred to travel to the Uno Restaurant, including without limitation costs to amend any travel arrangements for training personnel.

ARTICLE 4

FEES AND PAYMENTS

4.1 INITIAL FRANCHISE FEE

The Franchisee will pay the Franchisor a non-refundable initial franchise fee in the amount set forth in Exhibit A on the date the Franchisee signs this Agreement (the “Initial Franchise Fee”). The Initial Franchise Fee will not be refundable to the Franchisee and will be deemed to be fully earned by the Franchisor.

4.2 ROYALTY FEES

The Franchisee will, from the Opening Date through the end of the Term, pay the Franchisor or its designee a royalty fee (the “Royalty Fee”), equal to the percentage of the Franchisee’s Gross Sales (as defined in Article 26.10) set forth below, or the Minimum Monthly Royalty set forth in Exhibit A. The Royalty Fee payable by the Franchisee pursuant to this Agreement will be payable to the Franchisor on Tuesday of each week for the preceding week’s Gross Sales. Each Royalty Fee payment made by the Franchisee will be based on the sales report which the Franchisor receives electronically from the Franchisee, which report is based on the Franchisee’s Gross Sales for the preceding week and other financial information required by the Franchisor (the “Weekly Sales Report”). The Franchisor may, in its sole discretion, require the Franchisee to verify the Weekly Sales Report. The Franchisor may at any time require the Franchisee to provide daily Gross Sales and other financial information for the Restaurant in addition to the Weekly Sales Report. The Franchisee will provide the Weekly Sales Report, daily Gross Sales information, and any additional financial reports or other financial information, to the Franchisor by electronic data communication, direct electronic access, e-mail, telephone or such other method as the Franchisor may direct.

- (a) **Standard Royalty Rate.** Except as Article 4.2(b) or Article 4.2(c) may apply, the Franchisee will, from the Opening Date through the end of the Term, pay the Franchisor a Royalty Fee equal to the greater of 5% of the Franchisee’s Gross Sales or the Minimum Monthly Royalty.
- (b) **4+ Unit Royalty Rate.** If at any time during the Term the Franchisee owns at least four Uno Restaurants that are open and in continuous operation, then beginning as of the first full month that the Franchisee’s fourth Uno Restaurant is open and operating and continuing so long as the Franchisee has at least four Uno Restaurants in continuous operation, the Franchisee will pay the Franchisor a Royalty Fee equal to the greater of:
 - (i) 4½% of the Franchisee’s aggregate Gross Sales from all of its Uno Restaurants; or
 - (ii) the Minimum Monthly Royalty times the number of Uno Restaurants operated by the Franchisee (the “4+ Unit Royalty Fee”).If at any time the Franchisee ceases to have at least four Uno Restaurants open and continuously operating, then the 4+ Unit Royalty Fee will automatically cease to apply and the Franchisee will pay the Royalty Fee set forth in Article 4.2(a).
- (c) **8+ Unit Royalty Rate.** If at any time during the Term the Franchisee owns at least eight Uno Restaurants that are open and in continuous operation, then beginning as of the first full month that the Franchisee’s eighth Uno Restaurant is open and operating and

continuing so long as the Franchisee has at least eight Uno Restaurants in continuous operation, the Franchisee will pay the Franchisor a Royalty Fee equal to the greater of: (i) 4% of the Franchisee's aggregate Gross Sales from all of its Uno Restaurants; or (ii) the Minimum Monthly Royalty times the number of Uno Restaurants operated by the Franchisee (the "8+ Unit Royalty Fee"). If at any time the Franchisee ceases to have at least eight Uno Restaurants open and continuously operating, then the 8+ Unit Royalty Fee will automatically cease to apply and the Franchisee will pay the Royalty Fee set forth in Article 4.2(b), if applicable, or Article 4.2(a).

4.3 PAYMENTS; INTEREST

Each Payment (as defined in Article 26.14) must be made to the Franchisor without any deduction whatsoever for any Taxes (as defined in Article 26.17). The Franchisee will not have the right to withhold any Payment due the Franchisor under this Agreement for any reason whatsoever, nor will the Franchisee have the right to set off any amounts owed or allegedly owed by the Franchisor to the Franchisee against any Payments. The Franchisor will at all times have the right to set off or deduct any Payments or other amounts payable by the Franchisee against any amount that may be payable to the Franchisee by the Franchisor, its Affiliates or any third party. The Franchisor will have the right to apply Payments received from the Franchisee in such order as the Franchisor may designate from time to time. Any Payment not received by the Franchisor on or before the due date will be deemed past due. All past due Payments of the Franchisee will bear simple interest from the due date until the Payment is received by the Franchisor at the rate of 1½% per month on the unpaid balance, or the maximum rate allowed by applicable law, whichever is less. No provision of this Agreement will require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law. If for any reason interest in excess of the maximum rate allowed by applicable law is charged to the Franchisee, then such excess will be repaid to the Franchisee. If the payment or imposition of any Taxes results in a reduction in the net amount to be received by the Franchisor from Payments due from the Franchisee, the Franchisee will, at the option of the Franchisor (a) increase the Payments to the Franchisor to the extent necessary to provide the Franchisor with the same net amount it would have received had no such Taxes been applicable to the Payments, or (b) reimburse the Franchisor for all such Taxes paid by the Franchisor within 15 days after receiving an invoice from the Franchisor for such Taxes.

4.4 ELECTRONIC FUNDS TRANSFER

The Franchisee will make all Payments to the Franchisor by EFT. The Franchisor will withdraw funds from the Franchisee's designated bank account each week by EFT in the amount of the Payments then due to the Franchisor. EFT withdrawals will be made by the Franchisor on Tuesday of each week for the amount of the Royalty Fee, Business Co-op Fee and System Wide Marketing and Media Fund fee payable for the preceding week based on the Franchisee's Weekly Sales Report. If the Weekly Sales Report has not been timely received, then the Franchisor may, in its sole discretion, make an EFT withdrawal for the Payments for the week the Weekly Sales Report was not received based on: (a) information regarding the Franchisee's Gross Sales for the preceding week obtained by the Franchisor from the Franchisee's records by electronic means or otherwise as provided for in this Agreement, (b) Gross Sales information provided or transmitted to the Franchisor by the Franchisee pursuant to this Agreement, or (c) the most recent Weekly Sales Report provided to the Franchisor by the Franchisee. If a Weekly Sales Report for the week is subsequently received and reflects that the actual amount of the Payments due was more than the amount of the EFT withdrawal made by the Franchisor, then the Franchisor will be entitled to

make an EFT withdrawal for the additional funds owed by the Franchisee. For any other Payments, the Franchisor will have the right to withdraw such amounts on the day they become due. The Franchisee will sign Exhibit D or such other form of EFT authorization and other documents as may be required by the Franchisor or its bank to authorize and process the EFT withdrawals from the Franchisee's bank account for all Payments due under this Agreement. The Franchisee will be responsible for all EFT transfer fees or other charge imposed by the bank, including any charges for any EFT that is not honored by the Franchisee's bank. The Franchisee will, at all times during the Term, maintain a minimum balance of \$10,000 in the Franchisee's bank account against which all EFTs will be made. It will be a material default if the Franchisee closes the designated bank account without the Franchisor's written consent and fails to establish another account and execute all documents necessary for the Franchisor to process EFT payments for the new designated account.

The Franchisee will have the right to license all upgrades, enhancements or replacements to the software that may be developed by the Franchisor from time to time. The Franchisee will also have the right to purchase any computer and software support services that may be developed by the Franchisor from time to time and made generally available by the Franchisor to the Uno Restaurant franchisees. The Franchisor may in the future elect to discontinue, redesign or offer substitute computer software for any computer software licensed to the Franchisee.

The Franchisor will determine, in its sole discretion, whether the Operating Principal, General Manager, kitchen manager, and other Uno Restaurant personnel have satisfactorily completed the initial training program. If the initial training program is not satisfactorily completed by the Operating Principal, General Manager, kitchen manager or other Uno Restaurant personnel, or if the Franchisor in its reasonable judgment determines that the initial training program cannot be satisfactorily completed by any such person, the Franchisee will designate a replacement(s) to satisfactorily complete such training. The Franchisor reserves the right to charge a reasonable fee for initial training provided by the Franchisor to any replacement Operating Principal, General Manager, kitchen manager or other Uno Restaurant personnel. The Franchisee will be responsible

for any and all expenses incurred by all persons who attend the initial training program on behalf of the Franchisee, including, without limitation, costs of travel, lodging, meals, wages and benefits.

6.2 OPENING ASSISTANCE

In connection with the opening of the Franchisee's first Uno Restaurant, the Franchisor will provide the Franchisee with an opening crew composed of trained representatives of the Franchisor. The number of opening crew representatives and the time period in which such assistance will be provided will be determined by the Franchisor in its discretion, subject to providing an opening crew consisting of the number of representatives, and for the period of time, set forth in Exhibit A. The Franchisee will reimburse the Franchisor for all transportation, lodging, meal and related travel and accommodation expenses incurred by the Franchisor in providing the opening crew. Franchisee will also be responsible for the cost of all food used in opening assistance training. If the Uno Restaurant is the second or third Uno Restaurant opened by the Franchisee, then the Franchisor and the Franchisee will each provide opening crew members in the numbers designated by the Franchisor in its sole discretion. Any opening crew members provided by the Franchisee must have successfully completed the Franchisor's training program and be approved by the Franchisor. The opening crew provided by the Franchisor will provide on-site pre-opening training, opening training, supervision and assistance to the Franchisee. The Franchisee will be responsible for any and all expenses incurred by the Franchisee or the Operating Principal, General Manager, kitchen manager, and other Uno Restaurant personnel, and will reimburse the Franchisor for all transportation, lodging, meal and related travel and accommodation expenses incurred by the Franchisor in providing opening crew personnel. If the Uno Restaurant is the Franchisee's fourth or subsequent Uno Restaurant, at the Franchisor's election, the opening crew will either be provided as described above with respect to the second and third restaurant opening by the Franchisee, or the Franchisee will be responsible for providing all of the opening crew for the Uno Restaurant. The Franchisor may provide, at its option and in its sole discretion, a representative to observe and provide limited assistance to the Franchisee in connection with the opening of the fourth and each subsequent Uno Restaurant.

6.3 ADDITIONAL TRAINING

The Franchisor may, from time to time, offer additional training programs and seminars on topics selected by the Franchisor, and will provide the instructors and training materials for such additional training. The Franchisee's Operating Principal, General Manager, kitchen manager, and such other Uno Restaurant personnel as the Franchisor designates will attend such additional training programs and seminars, and the Franchisee will be responsible for any and all expenses incurred by the Franchisee or the Operating Principal, General Manager, and other Uno Restaurant personnel in connection with such additional training, including, without limitation, costs of travel, lodging, meals and wages. In addition, the Franchisor will, upon the reasonable request of the Franchisee or as the Franchisor deems appropriate, provide the Franchisee with additional trained representatives who will provide on-site remedial training to the Franchisee's Uno Restaurant personnel. The Franchisee will reimburse the Franchisor for the cost of travel and lodging incurred by such representatives and will pay a reasonable fee for attending such remedial training.

7.1 UNIFORMITY

The Franchisee acknowledges and understands the importance of maintaining uniformity among all Uno Restaurants and the importance of complying with all of the Franchisor's standards,

specifications, procedures and requirements for equipping and operating the Uno Restaurant, and for the products and services to be provided at the Uno Restaurant, as established by the Franchisor from time to time in the Manuals or otherwise in writing (the “Standards and Specifications”). The Franchisor reserves the right, from time to time, by adoption or amendment of the Standards and Specifications to add, amend, modify, delete or enhance any portion of the Business System (including any of the Marks and Standards and Specifications) as may be necessary in the Franchisor’s sole judgment to change, maintain, or enhance the Business System or Marks or the reputation, efficiency, competitiveness and/or quality of the Business System, or to adapt it to new conditions, materials or technology, or to better serve the public. The Franchisee will, at its expense, fully comply with all such additions or modifications reasonably designated by the Franchisor as applicable to the then-existing Business System. The Franchisee acknowledges and agrees that its failure to comply with the Standards and Specifications will be a material breach of this Agreement.

7.2 MAINTENANCE

The Franchisee will, at its expense, comply with the Standards and Specifications in maintaining the interior and exterior of the Uno Restaurant and the parking lot and grounds in a high degree of sanitation, repair and condition. The Franchisee will, at its expense, make such additions, alterations, repairs and replacements to the Uno Restaurant as the Franchisor may reasonably require under the Standards and Specifications, including, without limitation, periodic repainting and replacement of obsolete signs, furnishings, equipment and decor. The Franchisee will also obtain, at its expense, new or additional equipment, fixtures, supplies and other products and materials that are necessary for the Franchisee to offer and sell new menu items or to provide the Uno Restaurant’s products and services required by the Manuals. No alterations, improvements or changes of any kind in design, equipment, signs, interior or exterior decor items, fixtures or furnishings will be made by the Franchisee to the Uno Restaurant or its premises without the prior written consent of the Franchisor. The Franchisee will utilize security and fire monitoring systems sufficient to provide notification of life and safety hazards and unauthorized access to the Franchised Location.

7.3 REMODELING/REVITALIZATION

The Franchisee will, at its expense, upon the request of or notice from the Franchisor, remodel, redecorate, renovate, modernize and revitalize (“remodel and modernize”) the Uno Restaurant premises, equipment, electronic cash registers, computer hardware and software systems, signs, interior and exterior decor items, fixtures, trade dress, awnings, lighting, audio and television equipment, seating and other furnishings required for the operation of the Uno Restaurant to reflect the Franchisor’s then-current image and design of an Uno Restaurant and to conform to the Franchisor’s then-current Standards and Specifications. The Franchisee will not be required to remodel and modernize the Uno Restaurant more often than once every five years during the Term of this Agreement. The Franchisee acknowledges and agrees that the requirements to remodel and modernize the Uno Restaurant as set forth in this Article are reasonable and necessary to maintain uniformity among all Uno Restaurants and to avoid deterioration of the Uno Restaurant. The Franchisee will complete remodeling and modernization within 12 months or less from the date the Franchisor gives notice of required remodeling and modernization.

7.4 FOOD ITEMS, PRODUCTS AND EQUIPMENT

The Franchisee will comply with all of the Standards and Specifications relating to the purchase of all food and beverage items, ingredients, supplies, paper products, materials, fixtures,

furnishings, equipment and other products (“Food Items, Products and Equipment”) used or offered for sale at the Uno Restaurant. Except as otherwise provided herein, the Franchisee will purchase all Food Items, Products and Equipment from suppliers (including manufacturers, distributors and other sources) who continue to demonstrate the ability to meet the Franchisor’s current Standards and Specifications for Food Items, Products and Equipment, who possess adequate quality controls and capacity to supply the Franchisee’s needs promptly and reliably, and who have been approved in writing by the Franchisor. If the Franchisee desires to purchase, lease or use any Food Items, Products or Equipment from an unauthorized supplier, then the Franchisee must submit a written request to the Franchisor. The Franchisee will not purchase or lease any Food Items, Products or Equipment from any supplier until and unless the supplier has been approved in writing by the Franchisor. The Franchisor will have the right to inspect the supplier’s facilities, and to have samples of the Food Items, Products or Equipment from the supplier delivered to the Franchisor for testing. The Franchisee will pay the expenses incurred by the Franchisor for all required testing. The Franchisor will have the right to immediately revoke its consent for any supplier who fails to continuously meet the Franchisor’s Standards and Specifications for the Food Items, Products or Equipment.

7.5 CONFORMITY WITH STANDARDS AND SPECIFICATIONS

The Franchisee will operate the Uno Restaurant in strict conformity with the Standards and Specifications and the restrictions on the use of the Proprietary Marks as provided for in this Agreement. In this respect, the Franchisee will:

- (a) Sell all menu items, products and services required by the Franchisor in the manner and style prescribed by the Franchisor, including, but not limited to, dine-in, carry-out, catering and delivery services, as specified by the Franchisor in the Manuals or other written directives of the Franchisor.
- (b) Sell only the foods, beverages, menu items, products and services that have been expressly authorized in writing by the Franchisor, refrain from deviating from the Standards and Specifications except with the express written consent of the Franchisor, and discontinue selling or providing any foods, beverages, menu items, products or services that have not been approved by the Franchisor in writing at the Uno Restaurant or through any method of distribution.
- (c) Maintain in sufficient supply and use and sell at all times only the Food Items, Products and Equipment that conform to the Standards and Specifications and prepare all menu items in strict compliance with the recipes and preparation procedures contained in the Manuals or other written directives of the Franchisor.
- (d) Permit the Franchisor to enter the Uno Restaurant premises at any time during normal business hours for the purpose of conducting inspections and QSCs, cooperate with and assist the Franchisor’s representatives during all inspections and reviews, and, upon receiving written notice of the inspection or review report from the Franchisor, take all steps necessary to immediately correct the operational and other deficiencies reported during the inspection or QSC. The Franchisee’s failure to correct such deficiencies will constitute an Event of Default. If the Franchisee fails, for any reason, to correct the reported deficiencies within the time specified by the Franchisor, then the Franchisor will have the absolute right and authority, but not the obligation, to correct the reported deficiencies without any liability to the Franchisee. The Franchisee will, immediately upon

receipt of an invoice, pay the Franchisor for all expenses (including wages, travel and lodging expenses, and meals) incurred by the Franchisor to correct the reported deficiencies.

- (e) Permit the Franchisor, during normal business hours, to remove samples of food and non-food items from the Franchisee's inventory, or from the Uno Restaurant, without any payment for testing by the Franchisor to determine whether the samples meet the Franchisor's Standards and Specifications. The Franchisor may require the Franchisee to bear the cost of the testing if the supplier of a sampled item has not previously been approved by the Franchisor or if the sample(s) fails to conform to the Franchisor's Standards and Specifications.
- (f) Purchase or lease, install and maintain at the Franchisee's expense, all fixtures, furnishings, equipment, decor items, signs, delivery vehicles and related items as specified by the Franchisor or which are specified in the Manuals, and refrain from using or installing, without the Franchisor's prior written consent, any products, services or other items that do not meet the Franchisor's Standards and Specifications. If any furniture, fixture or equipment is leased by the Franchisee, then the Franchisee warrants that the lease will contain provisions that will permit the lease to be assigned to the Franchisor upon the termination or expiration of this Agreement and which prohibit the lessor from imposing any assignment or related fees upon the Franchisor in connection with any assignment. The Franchisee will provide the Franchisor with copies of all leases upon the written request of the Franchisor.
- (g) Maintain a competent, conscientious and well-trained staff of employees, in accordance with the Manuals, and will take all steps necessary to ensure that its employees preserve good customer relations, provide a high level of customer service and comply with all dress codes prescribed by the Manuals.
- (h) Prominently display the prescribed customer satisfaction forms and forward all completed customer satisfaction forms to the Franchisor, at the Franchisee's expense, on Monday of each week.
- (i) Play the recorded or programmed music in the Uno Restaurant that is specified in the Manuals or otherwise designated in writing by the Franchisor and obtain all copyright and other licenses that are necessary to authorize the playing of all such music.
- (j) Participate in any system-wide supplemental marketing and promotional programs established by the Franchisor from time to time, including without limitation coupons, loyalty programs, limited time offers, customer relationship management and other supplemental marketing programs, comply with the terms for participation in such supplemental marketing programs, and pay all costs associated with such supplemental marketing programs.
- (k) Participate, at its expense, in any quality assurance monitoring programs specified by the Franchisor, including telephonic or electronic customer polling or onsite "secret shopper" programs, and will share the results of such programs with the Franchisor. The Franchisee will participate in all customer surveys and satisfaction audits, which may require that the Franchisee provide discounted or complimentary foods, products and services, provided that such discounted or complimentary sales will not be included in the Gross Sales of the

Franchisee's Restaurant. Additionally, the Franchisee will participate in any complaint resolution and other programs as the Franchisor may reasonably establish for the Business System, which programs may include, without limitation, providing discounts or refunds to customers.

7.6 PROPRIETARY PRODUCTS

The Franchisor has developed, and will continue to develop, proprietary products for use in Uno Restaurants, including food products prepared from highly confidential recipes which are trade secrets of the Franchisor. Because of the importance of quality and uniformity of production and the significance of these proprietary products to the Business System, it is to the mutual benefit of the parties that the Franchisor closely control the production and distribution of these proprietary products. The Franchisee agrees to exclusively use the Franchisor's confidential recipes and proprietary products in the operation of the Uno Restaurant, and to purchase all proprietary products used by the Uno Restaurant solely from the Franchisor or the suppliers designated by the Franchisor. If the Franchisor makes promotional merchandise available to the Franchisee that identifies the Business System or is branded with any of the Proprietary Marks, such as T-shirts, sweatshirts, hats, other clothing items and memorabilia, then the Franchisee will purchase this merchandise exclusively from the Franchisor or from a source designated by the Franchisor.

The Franchisor will have the right to review all federal, state and local government inspection reports relating to the Uno Restaurant and the fixtures and equipment located in the Uno Restaurant. The Franchisee will retain all inspection reports for a period of five years. The Franchisee will notify the Franchisor in writing within five days of the commencement of any action, suit or proceeding and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of the Uno Restaurant. The Franchisee will notify the Franchisor immediately upon the development of any actual or potential crisis situation involving the Uno Restaurant, and will comply with all guidelines and procedures adopted by the Franchisor from time to time for responding to or dealing with any crisis situation. The Franchisor reserves the right, but will not be obligated, to direct and control any crisis communications on behalf of the Franchisee and/or the Uno Restaurant.

All vehicles used by the Franchisee to deliver any products and services to customers will comply with the Franchisor's Standards and Specifications for appearance, signs, décor and cleanliness. The Franchisee will not hire any person to drive any vehicle who is not properly licensed under all applicable federal, state and local laws. The Franchisee will require each driver to comply with all applicable federal, state and local laws, regulations and rules applicable to the operation and

maintenance of motor vehicles, and acknowledges that it is solely responsible for enforcement of these requirements and for any damage or injury resulting from the operation of any vehicles in connection with the operation of the Uno Restaurant.

7.10 CREDIT CARDS; GIFT CARDS

The Franchisee will honor all credit, charge, courtesy, gift and cash cards approved by the Franchisor. The Franchisee will pay the Franchisor an initial gift card processing deposit of \$2,500 prior to the Opening Date, and must thereafter comply with any deposit, pre-payment or escrow requirements established by the Franchisor in connection with the sale and redemption of gift cards. The Franchisee will sign a copy of Exhibit E and will at all times indemnify the Franchisor against any liabilities for unredeemed gift cards sold or issued by the Franchisee.

The Franchisee acknowledges that the Franchisor or its Affiliates may receive commissions, volume discounts, purchase discounts, performance payments, bonuses, rebates, marketing and advertising allowances, co-op advertising, administrative fees, enhancements, price discounts, economic benefits and other payments (“Supplier Payments”) based upon the Franchisee’s purchases of Food Items, Products and Equipment from the Franchisor or other suppliers, vendors or distributors (“Suppliers” or “Supplier”). The Franchisee will have no right to receive Supplier Payments made to the Franchisor or an Affiliate of the Franchisor as a result of or based on the Franchisee’s purchases from Suppliers except pursuant to the policies or practices established by the Franchisor from time to time in its discretion or by agreement with a Supplier. Any Supplier Payments received by the Franchisor or its Affiliates as a result of or based on the Franchisee’s purchases from Suppliers will be the property of the Franchisor or its Affiliates. If the Franchisor is a Supplier for any Food Items, Products and Equipment and if the Franchisee purchases Food Items, Products and Equipment from the Franchisor, then any Supplier Payment made to the Franchisor that is based on the Franchisee’s purchases of any Food Items, Products and Equipment from the Franchisor will be the exclusive property of the Franchisor. The Franchisee will not, under any circumstances, have the right to receive any portion of any Supplier Payments made to the Franchisor for the sale of any Food Items, Products and Equipment purchased by the Franchisor and thereafter sold to the Franchisee by the Franchisor.

7.12 FEDERAL, STATE, LOCAL AND OTHER TAXES

The Franchisee will be responsible for and will timely pay all federal, state and local taxes imposed by law in connection with the operation of the Uno Restaurant, and will timely file all returns, notices and other forms required to comply with all applicable tax laws. The Franchisee will be totally and solely responsible for the operation of its Uno Restaurant, and will control, supervise and manage all the employees, agents and independent contractors who work for or with the Franchisee. The Franchisee will be responsible for the acts of its employees, agents and independent contractors, and will take all reasonable business actions necessary to ensure that its employees, agents and independent contractors comply with all applicable federal, state, city, local and municipal laws, statutes, ordinances, rules and regulations. Neither the Franchisee nor any employee of the Franchisee will be considered an employee of the Franchisor under any circumstances. The Franchisor will not have any right, obligation or responsibility to hire, fire, control, supervise or manage the Franchisee's employees, agents or independent contractors. To the extent any legal authority determines that Franchisor has a duty to act or not act with respect to any of the Franchisee's employees, the Franchisor hereby assigns to the Franchisee any such duty, and the Franchisee hereby accepts such assignment. The Franchisor will have the right to assess the Franchisee for contributions to a system wide marketing and media fund which will be used by the Franchisor to create, develop, produce, purchase and place media advertising and other forms of advertising, promotion and marketing which, in the Franchisor's judgment, will benefit the Uno Business System (the "System Wide Marketing and Media Fund").  - (iii) All payments by the Franchisee to the System Wide Marketing and Media Fund will be by a separate check or EFT. All funds paid to the System Wide Marketing and Media Fund will be maintained in a separate account and will not be used to pay any of the Franchisor's expenses, except for the administrative costs and overhead incurred by the Franchisor for the administration, management, and direction of the System Wide Marketing and Media Fund and the media advertising, promotion and marketing conducted by the Franchisor pursuant to this Article 9.7. The Franchisor will maintain separate bookkeeping accounts for the System Wide Marketing and Media Fund.
 - (iv) It is anticipated that all contributions to and earnings of the System Wide Marketing and Media Fund will be spent during the fiscal year the contributions are received. If there are excess funds in the System Wide Marketing and Media Fund at the end of the fiscal year, then all advertising, promotion and marketing expenditures in the following fiscal year(s) will be made first from the excess funds and earnings from the previous years and then from the contributions and earnings from the current year.
 - (v) The System Wide Marketing and Media Fund will not be an asset of the Franchisor and will be operated solely as a conduit for the collection and expenditure of media advertising, promotion and marketing contributions for the purposes stated in this Article 9.7. The Manuals and all other written directives, manuals and materials issued by the Franchisor, including the Site Selection Criteria, will supplement this Agreement.

14.3 REVISIONS AND UPDATES TO THE MANUALS

The Franchisor may from time to time revise the contents of the Manuals and the contents of any other manuals and materials created for the operation of the Uno Restaurant. In the future, to continue to meet changing conditions of the marketplace, the Franchisee will keep the Manuals current and up-to-date and will comply with all revisions and updates published by the Franchisor at the Franchisee's expense. In the event of any dispute as to the contents of the Manuals, the terms of the master copies of the Manuals maintained by the Franchisor will control. The Franchisee will pay the Franchisor for all costs incurred by the Franchisor to replace any Manuals that are lost, damaged or destroyed by the Franchisee.

14.4 CONFIDENTIAL INFORMATION

The Franchisee and the Principals will not: (a) at any time, communicate, divulge or use any Confidential Information (as defined in Article 26.4) for the benefit of any other person, partnership, entity, association or corporation, (b) following the expiration or termination of this Agreement, use any Confidential Information for their own or any other person's benefit, or (c) at any time, without the Franchisor's prior written consent, copy, duplicate, record or otherwise reproduce any of the Confidential Information, in whole or in part, or otherwise make it available to any unauthorized person.

14.5 IMPROVEMENTS

If the Franchisee or the Principals develop any new or revised concept, product, recipe, trademark, service mark, branding concept, process or improvement in or related to the operation or promotion of the Uno Restaurant or Business System (including, without limitation, computer software enhancements) ("Improvements"), then the Franchisee will promptly provide the Franchisor with a detailed summary of the Improvements. The Franchisee and the Principals acknowledge and agree that: (a) all Improvements made by the Franchisee are the property of the Franchisor; (b) the Franchisee will execute and deliver any documents or instruments required by the Franchisor to memorialize or evidence the Franchisor's ownership of the Improvements; (c) the Franchisor will have the right to incorporate any or all of the Improvements into the Business System and/or Proprietary Marks; and (d) the Franchisor will have the right to use and authorize its Affiliates, franchisees and developers to use any or all Improvements in the operations of any or all Uno Restaurants owned, operated or licensed by the Franchisor or its Affiliates without any compensation to the Franchisee.

ARTICLE 15 **NONCOMPETITION COVENANTS**

15.1 IN-TERM COVENANTS

The Franchisee and the Principals will receive valuable training and Confidential Information which are beyond the present skills and experience of the Franchisee, the Principals, the General Manager, kitchen manager, and other designated Uno Restaurant personnel of the Franchisee. The Franchisee and the Principals acknowledge that the specialized training and Confidential Information will provide them with a competitive advantage and will be valuable to them in the operation of the Uno Restaurant, and that gaining access to the specialized training and Confidential Information is a primary reason why they are entering into this Agreement. During the Term, the Franchisee and the Principals will not, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person, partnership, entity or corporation: (a) divert, or attempt to divert, any business or customers of the Uno Restaurant to any "Competitive Business," as defined below, or do or perform any act that would be injurious or

prejudicial to the goodwill associated with the Proprietary Marks or the Business System; or (b) own, maintain, operate, engage in, or have any financial, stock or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, any “Competitive Business” at any location within the United States or in any foreign jurisdiction where the Franchisor has registered or is seeking to register any of the Proprietary Marks. For purposes of this Agreement, a “Competitive Business” will mean: (i) any business that is of a character and concept similar to the Uno Restaurant; (ii) any casual dining restaurant business, as that market segment is defined by then-current industry standards; or (iii) any food service business or restaurant that offers Chicago-style deep dish pizza as a menu item or that offers any style of pizza as a primary menu item.

15.2 POST-TERM COVENANTS

During the One-Year Time Period (as defined in Article 26.12), the Franchisee and the Principals will not, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person, partnership, entity or corporation: (a) divert, or attempt to divert, any business or customer of the Uno Restaurant to any competitor or do or perform any other act that would be injurious or prejudicial to the goodwill associated with the Proprietary Marks and the Business System; or (b) own, maintain, operate, engage in or have any financial, stock or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, any Competitive Business which is located within the Assigned Area or within a ten mile radius of any Uno Restaurant, any Alternative Distribution Site or other food service facility operated or licensed by the Franchisor or its Affiliates that is in existence, under construction or under contract as of the beginning of the One-Year Time Period. The Franchisee and the Principals acknowledge that the restrictions set forth in this Article 15.2 are reasonable and necessary to protect the Franchisor against loss of goodwill, damage to the Proprietary Marks, unauthorized use of the Franchisor’s Confidential Information and Business System, and unfair competition, and these restrictions are enforceable in addition to the Franchisor’s right to damages pursuant to Article 19.7 or any other remedies the Franchisor may have pursuant to this Agreement and applicable law.

15.3 CONDITIONS

The Franchisor agrees that the covenants contained in this Article will not prohibit ownership, by the Franchisee or the Principals in the aggregate, of up to 5% of the total number of outstanding shares of any corporation whose equity securities are publicly traded on any recognized stock exchange. The Franchisee and the Principals acknowledge and agree that each of the covenants contained in this Article are: (a) reasonable limitations as to time, geographical area and scope of activity to be restrained and do not impose a greater restraint than is necessary for the Franchisor to protect the goodwill associated with the Proprietary Marks, the Business System and the other business interests of the Franchisor and the Franchisor’s franchisees, and (b) will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any covenant in this Article is held to be unreasonable or unenforceable in a final decision by any court, then the Franchisor, the Franchisee and the Principals will be bound by the terms and conditions of the lesser covenant provided for by the court. The Franchisor will have the unilateral right, in its sole discretion, to reduce the scope and limitation of any covenant contained in this Article by giving written notice to the Franchisee and the Principals. No claim that the Franchisee or any Principal may have against the Franchisor, whether or not arising from this Agreement, will constitute a defense to the enforcement by the Franchisor of the covenants in this Article.

15.4 GENERAL MANAGER COVENANTS

At the Franchisor's request, the Franchisee will require and obtain execution of covenants substantially in the form set forth in Exhibit C from its General Manager, kitchen manager, and other designated Uno Restaurant personnel of the Franchisee who have received or will have access to training from the Franchisor. The Franchisee will provide the Franchisor with executed copies of these covenants within 30 days after execution. At the Franchisor's option and in its sole discretion, the covenants will either: (a) be executed by the Franchisor, or (b) provide that the Franchisor is a third party beneficiary with the independent right to enforce the terms of the covenants. Notwithstanding the foregoing, the Franchisor reserves the right, in its sole discretion, to decrease the period of time or geographic scope of the noncompetition covenant set forth in Exhibit C.

15.5 INJUNCTIVE RELIEF

The Franchisee and the Principals acknowledge that a violation of the terms of this Article would result in irreparable injury to the Franchisor for which no adequate remedy at law may be available, including without limitation loss of goodwill, damage to the Proprietary Marks, unauthorized use of the Franchisor's Confidential Information and Business System, and unfair competition. Accordingly, the Franchisee and the Principals consent to the issuance of an injunction prohibiting any conduct by the Franchisee or the Principals in violation of the terms of this Article without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or post other security. The Franchisee and the Principals agree to pay all court costs and reasonable attorneys' fees incurred by the Franchisor in connection with the enforcement of this Article, including payment of all costs and expenses for obtaining specific performance of, or an injunction against violation of, the requirements of such Article.

ARTICLE 16 **TRANSFER OF INTEREST**

16.1 FRANCHISOR'S TRANSFER RIGHTS

The Franchisor will have the absolute and unilateral right to transfer or assign this Agreement and all or any part of its rights or obligations under this Agreement to any person or legal entity. Specifically, but without limitation, the Franchisor will have the absolute right to: (a) sell its assets, the Proprietary Marks and/or the Business System to a third party, (b) offer to sell its capital stock or securities privately or publicly, (c) merge, spin-off, acquire other corporations or be acquired by another corporation or entity, or (d) undertake a refinancing, recapitalization, leveraged buy-out or other economic or financial restructuring. The Franchisee expressly and specifically waives any claims, demands or damages against the Franchisor and any affiliated companies of the Franchisor arising from or related to the sale, assignment or transfer of the Proprietary Marks or the Business System from the Franchisor to any other party or any of the transactions set forth in this Article. Upon the consummation of any of the transactions set forth in this Article which result in this Agreement being transferred to a third party, then the third party transferee will be solely responsible for complying with all of the terms, conditions, obligations and duties contained in this Agreement. Nothing contained in this Agreement will require the Franchisor to offer any services or products, whether or not bearing the Proprietary Marks, to the Franchisee if the Franchisor assigns its rights in this Agreement.

16.2 FRANCHISEE'S TRANSFER RIGHTS

The rights and duties set forth in this Agreement are personal to the Franchisee, and the Franchisor has entered into Agreement in reliance on the business skill, financial capacity and personal character of the Franchisee and the Principals. Accordingly, the Franchisee and the Principals will not have the right to effectuate any Transfer (as defined in Article 26.18) without the prior written consent of the Franchisor, and any Transfer without the Franchisor's prior written consent will be void.

16.3 CONDITIONS TO TRANSFER.

If the Franchisee or any Principal wishes to cause or effectuate a Transfer, then the transferor and the proposed transferee will request the Franchisor's consent not later than 30 days prior to the anticipated closing date of the Transfer. As a condition to the Franchisor approving any Transfer request, the Franchisee (and, if applicable, the Principals) and the transferee agree that on or before the closing date of the Transfer they will comply with the following terms and conditions:

- (a) The Franchisee will pay the Franchisor and the Franchisor's Affiliates in full for all monetary obligations payable by the Franchisee under this Agreement and under any other agreements, and will provide the Franchisor with evidence satisfactory to the Franchisor of the Franchisee's ability to pay such monetary obligations on or before the closing date of the Transfer;
- (b) No Event of Default will exist under this Agreement, and the Franchisee will be in substantial compliance with all of the terms and conditions of any other agreement between the Franchisor and the Franchisee;
- (c) The Franchisee and the Principals will execute a general release, in a form satisfactory to the Franchisor, releasing the Franchisor and its officers, directors, shareholders, agents and employees, in their corporate and individual capacities, from any and all claims, including, without limitation claims arising under this Agreement, under any other agreement between the Franchisor and the Franchisee, and under any and all federal, state and local laws, rules and regulations;
- (d) The transferee will: (i) meet the financial, educational, managerial, business and credit standards required by the Franchisor, (ii) be of good moral character, (iii) possess the aptitude and business ability required to operate the Uno Restaurant, and (iv) have the capital required to operate the Uno Restaurant in compliance with the Standards and Specifications;
- (e) The transferee and the transferee's principals (if applicable) will (i) enter into a written agreement, in a form satisfactory to the Franchisor, assuming full, unconditional, joint and several liability for, and agreeing to perform from the date of the transfer, all obligations, covenants and agreements contained in this Agreement, and (ii) will execute all other agreements required by the Franchisor and the Franchisor's legal counsel necessary to properly document the transfer;
- (f) The Franchisee will pay the Franchisor a transfer fee equal to 50% of the then-current initial franchise fee being charged by the Franchisor;
- (g) The transferee has agreed, in writing, to renovate, modernize and upgrade ("Renovations") the Uno Restaurant to conform to the then-current Standards and Specifications of the

Business System, and to complete the Renovations within six months from the date of the Transfer;

- (h) The Franchisee will remain liable for all obligations to the Franchisor in connection with the Uno Restaurant incurred prior to the effective date of the Transfer and will execute any and all agreements and documents requested by the Franchisor to evidence that liability;
- (i) The transferee has agreed, in writing, that the transferee, the transferee's General Manager, the transferee's Operating Principal and any other applicable Uno Restaurant personnel, will complete all training programs required for new franchisees, at the transferee's expense, within the time specified by the Franchisor;
- (j) The transferee will not grant a security interest in the Uno Restaurant or in any of the Franchisee's assets without the Franchisor's prior written consent, which will not be unreasonably withheld. In connection therewith, the secured party will be required by the Franchisor to agree that in the event of any default by the Franchisee under any documents related to the security interest, the Franchisor will have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of the Franchisee; and
- (k) The Franchisee and the Principals acknowledge and agree that each of the above conditions is reasonable and necessary to assure the transferee's performance of the obligations under this Agreement.

16.4 FRANCHISOR'S RIGHT OF FIRST REFUSAL

If the Franchisee or a Principal wishes to cause or effectuate a Transfer pursuant to any bona fide offer received from a third party, then such proposed transferor will promptly notify the Franchisor in writing of the offer, and will provide the information and documentation relating to the offer as the Franchisor may require. The Franchisor will have the right and option, exercisable within 30 days after receipt of written notification and copies of all documentation requested by the Franchisor, to notify the transferor in writing that the Franchisor intends to acquire the transferor's interest on the same terms and conditions offered by the third party. Unless otherwise agreed to in writing, the closing on the Transfer to the Franchisor will take place within 90 days from the date the Franchisor receives and obtains all necessary permits and approvals to complete the Transfer as determined by the Franchisor. Any material change in the terms of any offer will constitute a new offer subject to the same rights and options of the Franchisor as in the case of an initial offer. Failure of the Franchisor to exercise the right of first refusal afforded by this Article will not constitute a waiver of any other provision of this Agreement with respect to a proposed Transfer, including all of the transfer requirements of Article 16.3.

16.5 DEATH OR PERMANENT DISABILITY

If the Franchisee is an individual, then in the event of the death or permanent disability of the Franchisee, this Agreement may be assigned, transferred or bequeathed by the Franchisee to any designated person or beneficiary without the payment of any transfer fee. However, the assignment of this Agreement to the transferee, assignee or beneficiary of the Franchisee will be subject to the applicable provisions of Article 16.3, and will not be valid or effective until the Franchisor has received the properly executed legal documents which its attorneys deem necessary to properly and legally document the transfer, assignment or bequest of this Agreement. The transferee, assignee or beneficiary must agree to be unconditionally bound by the terms and conditions of this Agreement and to personally guarantee the performance of the Franchisee's

obligations under this Agreement. Furthermore, the transferee, assignee or beneficiary must complete the initial training program as set forth in Article 13.5 of this Agreement. The training will be conducted at an approved training site designated by Franchisor. There will be no charge to the transferee, assignee or beneficiary for the initial training program, but the salary and expenses of the transferee, assignee or beneficiary will be paid by the transferee, assignee or beneficiary in accordance with Article 13.5 of this Agreement.

16.6 ENFORCEMENT

The Franchisor's consent to a Transfer of any interest described herein will not constitute a waiver of any claims which the Franchisor may have against the transferor, nor will it be deemed a waiver of the Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee.

16.7 SALE OF INTERESTS TO PUBLIC

Securities or partnership interests in the Franchisee may be offered to the public only with the prior written consent of the Franchisor. All materials required for an offering by federal or state law will be submitted to the Franchisor for a limited review as discussed below prior to being filed with any governmental agency, official or authority. Any materials to be used in any exempt offering will be submitted to the Franchisor for such review prior to their use. The offering by the Franchisee may not state or imply (by use of the Proprietary Marks or otherwise) that the Franchisor is participating in the underwriting, issuance or offering of securities by the Franchisee. The Franchisor's review of any offering materials will be solely for the purpose of determining that the Franchisee is complying with the terms of this Agreement. The Franchisor may, at its option, require the Franchisee's offering materials to contain a written statement prescribed by the Franchisor concerning the relationship between them. The Franchisee, its Principals and the other participants in the offering will fully indemnify the Franchisor and its officers, directors, shareholders, partners, agents, independent contractors and employees for any damages or liabilities they may incur in connection with the offering. The Franchisee will pay the Franchisor \$20,000 to reimburse the Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including, without limitation, legal and accounting fees. The Franchisee will give the Franchisor 30 days prior written notice of any offering or other transaction covered by this Article.

16.8 TRANSFERS BETWEEN PRINCIPALS

The Franchisee and each of its Principals, as applicable, may cause or effectuate a Transfer of their respective interests in the Franchisee, by and amongst themselves, with the Franchisor's prior written consent. The Franchisor's consent may be conditioned upon compliance with any or all of the terms of this Article; provided, however, that a Transfer pursuant to this Article 16.8 will not be subject to the Franchisor's right of first refusal set forth in Article 16.4.

ARTICLE 17 **CONSENTS AND NONWAIVER**

17.1 FRANCHISOR'S CONSENTS

Whenever this Agreement requires the prior approval or consent of the Franchisor, the Franchisee will make a timely written request to the Franchisor, and such approval or consent will be obtained in writing. The Franchisor will not unreasonably withhold its consent, except as otherwise provided herein.

17.2 FRANCHISEE'S RELIANCE

The Franchisor makes no warranties or guarantees upon which the Franchisee may rely, and assumes no liability or obligation to the Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or suggestion to the Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

17.3 NO WAIVER

No delay, waiver, omission or forbearance on the part of the Franchisor to exercise any right, option, duty or power arising out of any breach or default by the Franchisee or the Principals under this Agreement will constitute a waiver by the Franchisor to enforce any such right, option, duty or power against the Franchisee or the Principals, or as to a subsequent breach or default by the Franchisee or the Principals. The Franchisor's acceptance of any Payments due to it hereunder subsequent to the time at which such Payments are due will not be deemed to be a waiver by the Franchisor of any preceding breach by the Franchisee or the Principals of any terms, provisions, covenants or conditions of this Agreement. The Franchisor's receipt or acceptance of any reports, statements or Payments, or its cashing of any checks or processing of EFTs, will not preclude the Franchisor from contesting the accuracy of any Payment or report. If any inconsistencies or mistakes are discovered in any Payments or reports made by the Franchisee, then the Franchisee will immediately correct the error and make all Payments due to the Franchisor.

ARTICLE 18 **INDEPENDENT CONTRACTORS**

18.1 INDEPENDENT CONTRACTORS

The parties acknowledge and agree that this Agreement does not create a fiduciary relationship between them, that the Franchisee will be an independent contractor, and that nothing in this Agreement is intended to make either party an agent, legal representative, Affiliate, joint venturer, partner, employee, joint employer or servant of the other for any purpose. The Franchisee will at all times during the Term hold itself out to the public as an independent contractor conducting its Uno Restaurant operations pursuant to the rights granted by the Franchisor.

18.2 NO LIABILITY OF FRANCHISOR

The Franchisee understands and agrees that nothing in this Agreement authorizes the Franchisee or any of the Principals to make any contract, agreement, warranty or representation on the Franchisor's behalf, or to incur any debt or other obligation in the Franchisor's name. The Franchisor will in no event assume liability for, or be deemed liable under this Agreement as a result of, any such action, or for any act, error or omission of the Franchisee, any of the Principals, or any officer, director, agent, representative, independent contractor or employee of the Franchisee, or for any claim or judgment arising therefrom.

ARTICLE 19 **DEFAULT, REMEDIES AND TERMINATION**

19.1 OBLIGATIONS OF FRANCHISEE

The Franchisee acknowledges and agrees that each of the Franchisee's obligations described in this Agreement is a material and essential obligation of the Franchisee; that nonperformance of any of such obligations will adversely and substantially affect the Franchisor and the Business System; and that the exercise by the Franchisor of the rights and remedies set forth herein is appropriate and reasonable.

19.2 EVENTS OF DEFAULT; IMMEDIATE TERMINATION

The Franchisee will be in default under this Agreement, and all of the rights granted to the Franchisee under this Agreement will automatically terminate without notice to the Franchisee upon the following Events of Default: (a) the Franchisee becomes insolvent or makes a general assignment for the benefit of creditors; (b) the Franchisee files a voluntary petition under any bankruptcy law or under any similar law or statute, or admits in writing its inability to pay its debts when due; (c) the Franchisee is adjudicated bankrupt or insolvent in proceedings filed against the Franchisee under any bankruptcy laws or under any similar law or statute; or if a bill in equity or other proceeding for the appointment of a receiver of the Franchisee or other custodian for the Franchisee's business or assets is filed and consented to by the Franchisee, or if a receiver or other custodian (permanent or temporary) of the Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; (d) proceedings for a composition with creditors are instituted by or against the Franchisee; (e) a final judgment against the Franchisee remains unsatisfied or of record for 30 days or longer (unless an appeal bond is filed); (f) the Franchisee is dissolved; (g) execution is levied against the Franchisee's business or property; (h) suit to foreclose any lien or mortgage against the Uno Restaurant premises or equipment is instituted against the Franchisee and not dismissed within 30 days; (i) the real or personal property of the Franchisee's Uno Restaurant is sold after levy thereupon by any sheriff, marshal, constable or other government official; (j) the Franchisee or any Principal attempts to effectuate any Transfer without the Franchisor's prior written consent; (k) the Franchisee ceases to operate the Uno Restaurant for a period of more than three consecutive days in the absence of an event of Force Majeure; or (l) the Franchisor gives the Franchisee notice of default pursuant to Article 19.3 and Article 19.4 three or more times during any period of 12 consecutive months.

19.3 EVENTS OF DEFAULT; TERMINATION ON NOTICE

The Franchisee will be in material default of this Agreement, and the Franchisor will have the absolute right to terminate this Agreement subject only to any opportunity to cure the default provided below, by giving written notice to the Franchisee, upon the occurrence of any of the following Events of Default: (a) the Franchisee fails, refuses or neglects promptly to pay any monies owing to the Franchisor, any Affiliate of the Franchisor or any vendor or supplier, when due under this Agreement or any other agreement, or to submit the financial or other information required by the Franchisor under this Agreement; (b) the Franchisee operates the Uno Restaurant or sells any products or services under any of the Proprietary Marks at a location which has not been consented to by the Franchisor; (c) the Franchisee fails to acquire a site for the Uno Restaurant within the time and in the manner specified in this Agreement; (d) the Franchisee fails to construct or remodel the Uno Restaurant in accordance with the plans and specifications provided to the Franchisee under this Agreement within the time and in the manner specified in this Agreement; (e) the Franchisee fails to open the Uno Restaurant for business on the Opening Date or otherwise fails to comply with the terms or requirements of ARTICLE 3 within the time and in the manner specified in ARTICLE 3; (f) the Franchisee at any time ceases to operate or otherwise abandons the Uno Restaurant, loses the right to possession of the premises, or otherwise forfeits the right to do or transact business in the jurisdiction where the Uno Restaurant is located; provided, however, that this provision will not apply in cases of Force Majeure (as defined in Article 26.7) where the premises are damaged or destroyed by an event of Force Majeure and the Franchisee fully complies with the requirements of this Agreement; (g) the Franchisee or any of the Principals is convicted of, or has entered a plea of nolo contendere to, a felony, a crime involving moral turpitude or any other crime or offense that the Franchisor believes will have an adverse effect on the Business

System or the Proprietary Marks; (h) a threat or danger to public health or safety results from the construction, maintenance or operation of the Uno Restaurant; (i) the Franchisee or any of the Principals discloses or divulges any Confidential Information to any third party; (j) the Franchisee maintains false books or records or submits any false reports to the Franchisor; (k) the Franchisee misuses or makes any unauthorized use of the Proprietary Marks or otherwise materially impairs the goodwill associated with the Proprietary Mark; (l) the Franchisee fails to correct operating deficiencies or noncompliance with the Standards and Specifications identified in any QSC or other written deficiency notice from the Franchisor within 30 days of the Franchisee's receipt of the QSC report or written deficiency notice from the Franchisor; (m) the Franchisee or any Affiliate of the Franchisee breaches any franchise or other agreement (excluding any development agreement), between the Franchisor or any affiliate of the Franchisor and the Franchisee or any Affiliate of the Franchisee and does not cure such default within any required cure period; or (n) the Franchisee fails in any respect to comply with any material term, condition or covenant of, or breaches any representation or warranty contained in, this Agreement.

19.4 NOTICE OF BREACH; OPPORTUNITY TO CURE

Except as provided for in Article 19.2 of this Agreement, the Franchisor will not have the right to terminate this Agreement until written notice setting forth the Event(s) of Default has been given to the Franchisee by the Franchisor and after receiving the written notice from the Franchisor, the Franchisee fails to correct or cure the Event(s) of Default within the time specified by applicable law. If applicable law does not specify a time period to correct or cure the Event(s) of Default, then the Franchisee will have 30 days after receipt of the written notice to cure or correct the Event(s) of Default, except where the written notice states that the Event(s) of Default relate to the delinquent payment of any fees or other monies payable to the Franchisor and/or its Affiliates under this Agreement, in which case the Franchisee will have ten days after receipt of the written notice to correct or cure the Event(s) of Default by making full payment (together with interest as provided for in this Agreement) to the Franchisor and/or its Affiliates.

19.5 NOTICE OF TERMINATION

Except as provided in Article 19.2, if the Franchisor has complied with the provisions of Article 19.4 and the Franchisee has not corrected the alleged breach set forth in the written notice within the applicable time period specified in this Agreement, then the Franchisor will have the absolute right to terminate this Agreement by giving the Franchisee written notice stating to the Franchisee that this Agreement is terminated and in that event, the effective date of termination of this Agreement will be the day the written notice of termination is received by the Franchisee.

19.6 RIGHTS CUMULATIVE

All rights and remedies of the parties to this Agreement will be cumulative to, and not alternative to or exclusive of, any other rights or remedies which are provided for herein or which may be available at law or in equity. The rights and remedies of the parties to this Agreement will be continuing and will not be exhausted by any one or more uses thereof, and may be exercised at any time as often as may be expedient, and any option or election to enforce any such right or remedy may be exercised or taken at any time. The expiration, earlier termination or exercise of the Franchisor's rights pursuant to Article 16.4 of this Agreement will not discharge or release the Franchisee or any of the Principals from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination or the exercise of such rights under this Agreement.

19.7 DAMAGES; ATTORNEYS' FEES

If the Franchisee terminates this Agreement prior to the end of the Term, or if the Franchisor terminates this Agreement prior to the end of the Term as a result of a breach of this Agreement by the Franchisee, then the Franchisee and the Principals will promptly pay to the Franchisor a lump sum payment (as damages and not as a penalty), for the Franchisor's lost future revenue resulting from the Franchisee's breach or termination, in an amount equal to: (a) the total amount of Royalty Fees payable by the Franchisee over the 12 month period preceding termination (or the date of closure of the Restaurant if such date precedes the date of termination; (b) divided by 12; and (c) multiplied by the lesser of (i) 60, or (ii) the number of months remaining in the Term as of the date of termination. The Franchisee acknowledges that a precise calculation of the full extent of damages the Franchisor will incur as a result of the Franchisee's default and termination of this Agreement will be difficult to determine, and the parties agree that this lump sum payment is reasonable in light of the damages the Franchisor will incur from the premature termination of this Agreement. This lump sum payment is in lieu of damages for the Franchisor's lost revenue resulting from the Franchisee's default and termination of this Agreement. In addition to the lump sum payment, the Franchisee and the Principals will pay to the Franchisor all unpaid Royalty Fees and other amounts due and owing to the Franchisor as of the date of termination, as well as all costs and expenses, including interest and reasonable attorneys' fees, incurred by the Franchisor in connection with obtaining any remedy available to the Franchisor for any violation of this Agreement and subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement. If the Franchisee files a bankruptcy petition or is adjudicated bankrupt or insolvent in proceedings filed under any bankruptcy laws, and if the Franchisor incurs any damages, costs or expenses as a result of such bankruptcy proceedings in seeking to enforce the terms of this Agreement, in seeking to compel compliance with, assumption and/or rejection of this Agreement, or in seeking payment of any sums due pursuant to this Agreement, then the amount of such damages, costs or expenses incurred or paid by the Franchisor will be awarded to the Franchisor by the bankruptcy court and will be immediately due and payable to the Franchisor by the Franchisee as debtor or the trustee in bankruptcy, as the case may be, in accordance with the terms of the bankruptcy court order.

19.8 FRANCHISOR'S RIGHT TO CEASE DELIVERY UPON DEFAULT

Upon the occurrence of an Event of Default, the Franchisor and its Affiliates will have the right to stop providing or selling any goods or services to the Franchisee until the Franchisee has cured the Event of Default, and/or the right to require the Franchisee to pay C.O.D. or by certified check for any goods or services requested by the Franchisee from the Franchisor or an Affiliate. The Franchisor's exercise of its rights under this Article will not be deemed a constructive termination of this Agreement or change in the Franchisee's competitive circumstances, and the Franchisee will not be relieved of any obligation under this Agreement as a result of the Franchisor's actions.

19.9 NO EQUITY UPON TERMINATION

The Franchisee's rights regarding the franchise granted pursuant to this Agreement will be controlled by this Agreement. The Franchisee will have no equity or other continuing interest in the franchise rights, any goodwill associated with the Restaurant or the Proprietary Marks, or any right to compensation or refund, upon the expiration or termination of this Agreement.

ARTICLE 20
POST-TERM OBLIGATIONS

20.1 OBLIGATIONS UPON TERMINATION

Upon termination or expiration of this Agreement, all rights granted to the Franchisee will terminate in all respects and the Franchisee will:

- (a) immediately cease to operate the Uno Restaurant under this Agreement;
- (b) immediately and permanently cease to use, in any manner whatsoever, (i) any and all Confidential Information, confidential methods, computer software, menus, menu items, procedures and/or techniques associated with the Business System, (ii) any and all of the Proprietary Marks and distinctive forms, slogans, signs, symbols and devices associated with the Business System, and (iii) all signs, advertising materials, displays, stationery, forms and any other materials which display any of the Proprietary Marks;
- (c) immediately take all action directed by the Franchisor to cancel any assumed name or equivalent registration which contains any of the Proprietary Marks;
- (d) not use any reproduction, counterfeit, copy or colorable imitation of the Proprietary Marks in connection with any business, which is likely to cause confusion, mistake or deception, or which is likely to dilute the Franchisor's rights in and to the Proprietary Marks, and will not utilize any designation of origin or description or representation which falsely suggests or represents a past or present association or connection with the Franchisor;
- (e) pay all sums owing to the Franchisor and any Affiliates of the Franchisor under this Agreement or any other agreement within five business days of the date of termination;
- (f) at its cost, immediately deliver to the Franchisor all Confidential Information and all agreements, invoices and all other materials relating to the operation of the Uno Restaurant that are in the Franchisee's possession or control (all of which are acknowledged to be the Franchisor's property);
- (g) comply in all respects with the non-competition covenants and the restrictions on Confidential Information contained in ARTICLE 14 and ARTICLE 15 of this Agreement; and
- (h) at its cost, immediately deliver to the Franchisor all advertising and sales promotion materials bearing the Proprietary Marks or any of the Franchisor's distinctive markings, designs, labels or other marks and will cease to use any of the Proprietary Marks on any Internet web site.

20.2 RIGHT TO ACQUIRE LEASES

If the Franchisee leases the Uno Restaurant premises from a third party or leases any equipment used in the operation of the Uno Restaurant, then the Franchisee will, at the Franchisor's option, assign to the Franchisor all rights and interest which the Franchisee has in any lease for the premises of the Uno Restaurant or any equipment. The Franchisor will have the right to exercise this option within 30 days after either termination or expiration of this Agreement. If the Franchisor assumes any lease under this Article, then the Franchisee will pay, remove or satisfy any liens or other encumbrances on the Franchisee's leasehold interest and will pay in full all amounts due the lessor under the lease existing at or prior to such assumption, including any liens or amounts existing prior to the Franchisor's assumption. The Franchisor will not be liable for any

obligations incurred by the Franchisee prior to the date of assumption of the lease by the Franchisor. By exercising its right to assume the lease, the Franchisor will not be deemed to have waived any rights under this Article. In the event the Franchisor does not elect to exercise its option to acquire the lease for the Uno Restaurant premises, the Franchisee will make all modifications and alterations to the Uno Restaurant premises that are necessary to distinguish the appearance of the premises from that of other Uno Restaurants operating under the Business System and will make all changes required by the Franchisor. If the Franchisee fails or refuses to comply with the requirements of this Article, then the Franchisor will have the right to enter upon the premises, without being guilty of trespass or any other crime or tort, and make the changes required, at the expense of the Franchisee. The Franchisee will pay, upon demand, all costs incurred by the Franchisor to modify and alter the premises pursuant to this Article.

20.3 RIGHT TO ACQUIRE ASSETS

The Franchisor will have the option, to be exercised within 30 days after termination or expiration of this Agreement, to purchase from the Franchisee any or all of the furnishings, fixtures, equipment, signs, motor vehicles, supplies, inventory, alcoholic beverage and food service licenses to the extent transferable, and other assets (“Assets”) of the Franchisee related to the operation of the Uno Restaurant, at their then current fair market value. If the parties cannot agree on the fair market value of the Assets within ten days of the Franchisor’s exercise of its option, then the fair market value of the Assets will be determined by two appraisers, with each party selecting one appraiser, and the average of their valuations will be the fair market value. The parties will appoint their respective appraisers within 14 days of the day the Franchisor exercises its option and each party will provide the name, address and telephone numbers of their appraiser to the other party in writing by fax and/or e-mail no later than 5:00 p.m. Eastern Standard time on the 14th day. If either party fails to appoint an appraiser within the time provided herein, then the fair market value of the Assets will be determined by the remaining appraiser and, in that event, the parties will be bound by the appraiser’s fair market valuation of the Assets and the parties will each pay one-half of the appraiser’s fees and other costs. In the event of an appraisal, each party will pay its own legal fees, appraisal fees and other costs except as provided for above. If the Franchisor elects to exercise its option to purchase the Assets, it will have the right to set off all amounts due from the Franchisee against the purchase price. If any Asset purchased by the Franchisor pursuant to this Article is subject to a security interest or other lien, then the amount of such interest or lien will be paid in full and deducted from any funds payable to the Franchisee.

20.4 RIGHT TO PURCHASE UNO RESTAURANT PREMISES

In addition to the rights described above, if the Franchisee owns the Uno Restaurant premises, then the Franchisor will have the option, to be exercised within 30 days after termination or expiration of this Agreement, to purchase the Uno Restaurant premises, including any building and fixtures, for the fair market value of the land and building. If the Franchisee does not own the land on which the Uno Restaurant is operated and the Franchisor exercises its option for an assignment of the lease, the Franchisor may exercise this option for the purpose of purchasing the building if it is owned by the Franchisee. If the parties cannot agree on the fair market value of the Uno Restaurant premises within 30 days of the Franchisor’s exercise of its option, then the fair market value will be determined in accordance with appraisal procedures described in Article 20.3.

20.5 DOCUMENTATION

- (a) With respect to the options described in this Article, the Franchisee will deliver to the Franchisor, in a form satisfactory to the Franchisor, the warranties, deeds, releases of lien,

bills of sale, assignments, consents, and such other documents deemed necessary by the Franchisor to perfect the Franchisor's title and possession in and to the Assets and/or real estate being purchased or assigned and to meet the requirements of all tax and government authorities. If, at the time of closing, the Franchisee has not obtained all required documents, the Franchisor may, in its sole discretion, place the purchase price or rent in escrow until all required certificates or documents are received from the Franchisee.

- (b) The closing date for the purchase of the Assets and Real Estate described in this Article will be 60 days after the purchase price is determined by the parties or the determination of the appraisers, or the date the Franchisor receives and obtains all necessary permits and approvals, whichever is later. The closing date for the assignment of the lease described in this Article will be ten days after the Franchisor's exercise of its option thereunder unless the Franchisor is also exercising other options under this Article in which case the closing date will be as set forth therein. The closing for all transactions under this Article will take place at the Franchisor's corporate offices or at such other location as the parties may agree. If the Franchisor exercises its options under this Article, the Franchisee must, promptly upon request, execute and deliver any documents or instruments reasonably necessary for the transfer of the Assets to the Franchisor and to effectuate the purposes of this Article.

20.6 TELEPHONE NUMBERS

The Franchisee, at the option of the Franchisor, will assign to the Franchisor all rights to the telephone numbers of the Uno Restaurant and the Franchisee and will, at all times, execute the documents required by the Franchisor and any telephone company to transfer those telephone numbers to the Franchisor. Notwithstanding any documents that may have been executed by the Franchisor under this Agreement, the Franchisee hereby appoints the Franchisor as its true and lawful agent and attorney-in-fact with full power and authority for the sole purpose of taking such action as is necessary to complete the assignment of the Franchisee's and the Uno Restaurant's telephone numbers to the Franchisor or its designee. This power of attorney will survive the expiration or termination of this Agreement. The Franchisee will use different telephone numbers at or in connection with any subsequent business conducted by the Franchisee.

ARTICLE 21 **INDEMNIFICATION**

21.1 INDEMNIFICATION BY FRANCHISEE AND PRINCIPALS

The Franchisee and each of the Principals will, at all times, defend with counsel of the Franchisor's choosing, indemnify and hold harmless to the fullest extent permitted by law, the Franchisor, its officers and directors, its Affiliates, and its Affiliates' officers and directors from all Losses and Expenses (as defined in Article 26.11) incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) that arises out of, relates to or is based upon any of the following: (a) the infringement, alleged infringement or any other violation or alleged violation by the Franchisee or any of the Principals of any patent, trademark or copyright or other proprietary right owned or controlled by third parties; (b) the violation, breach or asserted violation or breach by the Franchisee or any of the Principals of any federal, state or local law, rule or regulation; (c) libel, slander or any other form of defamation of the Franchisor, the Business System or any developer or franchisee operating under the Business System, by the Franchisee or the Principals; (d) the violation or breach by the Franchisee or by any of the Principals of any warranty, representation, agreement or obligation in this Agreement or in any other agreement

between the Franchisee and the Franchisor; (e) the Franchisee's failure to obtain the covenants required by Article 15.4 hereof or, if obtained, the breach of such covenants; and (f) any acts, errors or omissions of the Franchisee, any of the Principals, or any officer, director, shareholder, partner, agent, representative, independent contractor or employee of the Franchisee in connection with the establishment or operation of the Uno Restaurant or the operation of any motor vehicle.

21.2 NOTICE OF CLAIMS AND ACTIONS

The Franchisee will give the Franchisor immediate notice of any action, suit, proceeding, claim, demand, inquiry or investigation brought against the Franchisee or the Uno Restaurant. The Franchisor may, at its option, designate counsel of its own choosing, at the Franchisee's expense, with respect to the defense and/or settlement of such action, suit, proceeding, claim, demand, inquiry or investigation brought against the Franchisee or the Uno Restaurant. This undertaking by the Franchisor will not diminish or effect the Franchisee's and the Principals' indemnification obligations under this Article.

21.3 SETTLEMENTS

In order to protect persons or property, its reputation or goodwill, or the reputation or goodwill of others, the Franchisor may, at any time and without notice to the Franchisee or the Principals, in its sole judgment and discretion, consent or agree to settlements or take other remedial or corrective action as it deems expedient with respect to any action, suit, proceeding, claim, demand, inquiry or investigation if, in the Franchisor's sole judgment, there are reasonable grounds to believe that the settlement is in the best interests of all parties.

21.4 LOSSES AND EXPENSES

All Losses and Expenses incurred under this Article will be chargeable to and paid by the Franchisee or the Principals pursuant to their obligations of indemnity under this Article, regardless of any settlement, actions, activity or defense undertaken by the Franchisor or the subsequent success or failure of any settlements, actions, activity or defense.

21.5 LITIGATION

Under no circumstances will the Franchisor be required or obligated to seek recovery from third parties or otherwise mitigate its losses in order to maintain a claim against the Franchisee or any of the Principals. The Franchisee and the Principals agree that the failure to pursue such recovery or mitigate loss will not reduce the amounts recoverable from the Franchisee or any of the Principals by the Franchisor. The Franchisee and the Principals expressly agree that the terms of this Article will survive the termination, expiration or transfer of this Agreement or any interest herein.

ARTICLE 22 **VENUE AND JURISDICTION**

22.1 VENUE AND JURISDICTION

All litigation, court proceedings, lawsuits, court hearings and other hearings initiated by the Franchisor, the Franchisee and the Principals must and will be venued exclusively in the Federal District Court of Massachusetts or the appropriate Massachusetts state court in Suffolk County, Massachusetts. All non-judicial proceedings, such as mediation if agreed to by the parties, shall be heard in Boston, Massachusetts. The Franchisor, the Franchisee and the Principals and their respective officers, directors and shareholders do hereby agree and submit to personal jurisdiction in the State of Massachusetts for the purposes of any suit, proceeding or hearing brought to enforce or construe the terms of this Agreement or to resolve any dispute or controversy arising under, as

a result of or in connection with this Agreement, the Site or the Franchisee's Uno Restaurant, and do hereby agree and stipulate that any such suits, proceedings and hearings will be exclusively venued and held in Massachusetts. The Franchisor, the Franchisee and the Principals and their respective officers, directors and shareholders waive any rights to contest such venue and jurisdiction and any claims that such venue and jurisdiction are invalid and agree that service of process may be made upon any of them by any means permitted under Massachusetts law or federal law. Notwithstanding the foregoing, the Franchisor will have the right to commence an action against the Franchisee and/or the Principals in any court of competent jurisdiction for any actions against the Franchisee (a) for monies owed, (b) for injunctive relief or other extraordinary relief, and (c) for any claim relating to the Uno Restaurant premises.

22.2 ACTIONS OCCURRING IN MASSACHUSETTS

The Franchisee, the Principals and the Franchisor acknowledge that the execution of this Agreement and acceptance of the terms by the parties occurred in Norwood, Massachusetts, and further acknowledge that the performance of certain obligations of the Franchisee arising under this Agreement, including, but not limited to, the payment of monies due hereunder and the satisfaction of certain training requirements of the Franchisor, will occur in Norwood, Massachusetts.

22.3 WAIVER OF CERTAIN DAMAGE CLAIMS

The Franchisee and the Principals hereby waive, to the fullest extent permitted by law, any right to or claim of any punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) against the Franchisor and its respective officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of any dispute, the Franchisee will be limited to the recovery of any actual damages sustained by it.

22.4 LIMITATION OF ACTIONS

If the Franchisee fails to give written notice to the Franchisor of any alleged breach within 12 months from the first day that the alleged breach of this Agreement by the Franchisor actually occurred, including any breach of this Agreement by the Franchisor based upon any state law, federal law or common law, then the alleged breach by the Franchisor will be deemed to be waived by the Franchisee, the alleged breach by the Franchisor will not be deemed to be a breach of this Agreement by the Franchisor, and the Franchisee will be absolutely barred from commencing any action against the Franchisor or from recovering any damages from the Franchisor for that specific alleged breach of this Agreement.

ARTICLE 23 **NOTICES**

ARTICLE 24
FORCE MAJEURE

24.1 NOTICE; RESUMPTION OF OPERATION

Upon the occurrence of any event of Force Majeure after the opening of the Uno Restaurant, the party affected thereby will give prompt notice thereof to the other parties, together with a description of the event and the duration for which the party expects its ability to comply with the provisions of the Agreement to be affected thereby. Without limiting the foregoing, if following an event of Force Majeure which has caused substantial damage to the Uno Restaurant such that the Franchisee cannot reasonably continue to operate, the Franchisee will apply, within 30 days after the event of Force Majeure, for the Franchisor’s consent to relocate or reconstruct the premises (which consent will not be unreasonably withheld) including a plan for resuming operation under this Agreement and a reopening date. After obtaining the Franchisor’s consent to its plan for resuming operation or for relocation or reconstruction, the Franchisee will promptly undertake and pursue with due diligence such plan. In no event will the occurrence of an event of Force Majeure extend the Term. In the event of a partial closure of the Uno Restaurant, the Franchisee will make all Payments required pursuant to this Agreement based on Gross Sales generated during the partial closure.

24.2 RE-OPENING EXPENSES

The Franchisee will pay all travel, salary, lodging and meal expenses incurred by the Franchisor or its designee associated with the “reopening” of the Uno Restaurant. The Franchisee will continue to pay the Franchisor all amounts due under the terms of this Agreement prior to the occurrence of any Force Majeure event.

ARTICLE 25

SEVERABILITY AND CONSTRUCTION

25.1 SEVERABILITY

Except as expressly provided to the contrary herein, each portion, Article, part, term and provision of this Agreement will be considered severable; and if, for any reason, any portion, Article, part, term or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, this will not impair the operation of, or have any other effect upon, the other portions, Articles, parts, terms or provisions of this Agreement that may remain otherwise intelligible, and the latter will continue to be given full force and effect and bind the parties; the invalid portions, Articles, parts, terms or provisions will be deemed not to be part of this Agreement; and there will be automatically added such portion, Article, part, term or provision as similar as possible to that which was severed which will be valid and not contrary to or in conflict with any law or regulation. Notwithstanding the above, and in addition to ARTICLE 10 and ARTICLE 15 of this Agreement, if any of the provisions of this Agreement concerning the protection of the Franchisor's Proprietary Marks is determined in any manner to be null, void or unenforceable under this Agreement, the Franchisor may terminate this Agreement immediately upon notice to the Franchisee.

25.2 CAPTIONS

The captions used in connection with the Articles and sub-Articles of this Agreement are inserted only for purpose of reference. The captions will not be deemed to govern, limit, modify or in any other manner affect the scope, meaning or intent of the provisions of this Agreement or any part thereof nor will such captions otherwise be given any legal effect.

25.3 BUSINESS JUDGMENT

The Franchisee, the Principals and the Franchisor acknowledge that various provisions of this Agreement specify certain matters that are within the discretion or judgment of the Franchisor or are otherwise to be determined unilaterally by the Franchisor. If the exercise of the Franchisor's discretion or judgment as to any such matter is subsequently challenged, the parties to this Agreement expressly direct the trier of fact that the Franchisor's reliance on a business reason in the exercise of its discretion or judgment is to be viewed as a reasonable and proper exercise of such discretion or judgment, without regard to whether other reasons for its decision may exist and without regard to whether the trier of fact would independently accord the same weight to the business reason.

25.4 ENTIRE AGREEMENT

This Agreement, the documents referred to herein, and the Exhibits hereto, constitute the entire, full and complete agreement between the Franchisor and the Franchisee and the Principals concerning the subject matter hereof and will supersede all prior related agreements between the Franchisor and the Franchisee and the Principals. Except for those permitted to be made unilaterally by the Franchisor hereunder, no amendment, change or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by the Franchisor in the Franchise Disclosure Document.

25.5 GOVERNING LAW

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §1051 et seq.), this Agreement and the relationship between the Franchisor and the Franchisee will be governed by the laws of the state of Massachusetts.

LEASE RIDER

This Lease Rider is made and entered into this ____ day of _____, _____ by and between Pizzeria Uno Corporation, a Delaware corporation (“the Franchisor”), _____ (the “Franchisee”/ “Tenant”) and _____ (the “Landlord”).

WHEREAS, the Franchisor and the Franchisee are parties to a development agreement dated _____, _____ (the “Development Agreement”);

WHEREAS, the Franchisor and the Franchisee are parties to a franchise agreement dated _____, _____ (the “Franchise Agreement”);

WHEREAS, the Franchisee and the Landlord desire to enter into a lease (the “Lease”) pursuant to which the Franchisee will occupy the premises located at _____ (the “Premises”) for a Pizzeria Uno® restaurant (the “Uno Restaurant”), as licensed under the Franchise Agreement; and

WHEREAS, as a condition to entering into the Lease, the Franchisee/Tenant is required under the Franchise Agreement to execute this Lease Rider along with the Landlord and the Franchisor;

NOW, THEREFORE, in consideration of the mutual undertakings and commitments set forth herein and in the Franchise Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(1) During the term of the Franchise Agreement, the Premises will be used only for the operation of the Uno Restaurant so long as the Franchisee continues to have the right to occupy the Premises and to operate as a franchisee of the Franchisor.

(2) The Landlord consents to the Franchisee’s use of the Franchisor’s proprietary trademarks and service marks including “Pizzeria Uno®,” “Uno®,” “Uno Pizzeria & Grill®,” “Pizzeria Uno Chicago Bar & Grill®,” and “Pizzeria Uno Chicago Grill®” (the “Proprietary Marks”) and signs, interior and exterior decor items, color schemes, plans, specifications and related components of the Franchisor’s restaurant Business System (the “Business System”) as the Franchisor may prescribe for the Uno Restaurant, subject to the Landlord’s approvals as reasonably required under the Lease, the Franchisor’s sign specifications and any operating easement agreement.

(3) The Landlord agrees to furnish the Franchisor with copies of any and all default letters and notices sent to the Franchisee pertaining to the Lease and the Premises at the same time that such letters and notices are sent to the Franchisee/Tenant.

(4) The Franchisor, at its option and in its sole discretion, may enter the Premises to make any modification or alteration necessary to protect the Franchisor’s Business System and Proprietary Marks or, at its option and in its sole discretion, to cure any default under the Franchise Agreement, the Development Agreement or the Lease, without being guilty of trespass or any other crime or tort, and the Landlord will not be responsible for any expense or damages arising from the Franchisor’s action in connection therewith.

(5) In the event of the Franchisee’s default under the terms of the Lease, the Franchisor (or an affiliated company of the Franchisor) may, at its option and in its sole discretion, assume the Tenant’s rights under the Lease in the Franchisor’s (or its affiliate’s) name, subject to an agreement

reasonably acceptable to the Franchisor. If the Franchisor so elects to assume the Tenant's rights under the Lease, the Franchisor will notify the Landlord of its intent to do so. Within 30 days after the Franchisor receives notice of a default, the Franchisor will have the option, in its sole discretion, to assume the lease, subject to an agreement reasonably acceptable to the Franchisor. If the Franchisor elects to assume the Lease, the Landlord agrees to recognize the Franchisor as the tenant under the Lease and the Franchisee will no longer have any rights thereunder.

(6) The Franchisee will be permitted to assign the Lease to the Franchisor (or an affiliate of the Franchisor) upon the expiration or earlier termination of the Franchise Agreement and the Landlord hereby consents to such assignment and agrees not to impose or assess any assignment fee or similar charge or accelerate rent under the Lease in connection with such assignment, or require the Franchisor to pay any past due rent or other financial obligation of the Franchisee to the Landlord, it being understood that the Landlord will look solely to the Franchisee for any rents or other financial obligations owed to the Landlord prior to such assignment. The Landlord and the Franchisee acknowledge that the Franchisor is not a party to the Lease and will have no liability under the Lease, unless and until the Lease is assigned to and consented to in writing by the Franchisor, or is expressly assumed by the Franchisor.

(7) In the event of an assignment, the Franchisor or any affiliate designated by the Franchisor will agree to assume, from the date of assignment, all obligations of the Franchisee remaining under the Lease, and in such event the Franchisor or its affiliate will assume the Franchisee's occupancy rights, and the right to sublease the Premises, for the remainder of the term of the Lease.

(8) Notwithstanding anything contained in the Lease, the Franchisor will have the right, without the consent of the Landlord, to sublet or assign the Premises to an authorized franchisee, provided such subletting or assignment is specifically subject to the terms of the Lease and further provided the Franchisor remains liable for the performance of the terms of the Lease and provided the assignee franchisee expressly assumes all obligations of the Lease. The Franchisor agrees to notify the Landlord as to the name of the franchisee within ten days after such subletting or assignment.

(9) The Franchisee will not assign the Lease or renew or extend the term thereof without the prior written consent of the Franchisor.

(10) The Landlord and the Franchisee will not amend or otherwise modify the Lease in any manner or form that could affect any of the foregoing requirements set forth in this Lease Rider without the prior written consent of the Franchisor.

(11) The terms of this Lease Rider will supersede any conflicting terms of the Lease.

WHEREAS, Covenantor acknowledges that receipt of and the right to use the Trade Secrets constitutes independent valuable consideration for the representations, promises and covenants made by Covenantor herein;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

Confidentiality Agreement

1. The Franchisor and/or the Franchisee will disclose to Covenantor some or all of the Trade Secrets relating to the Business System. All information and materials, including, without limitation, any manuals, drawings, specifications, techniques and compilations of data which the Franchisor provides to the Franchisee and/or Covenantor will be deemed confidential Trade Secrets for the purposes of this Agreement.

2. Covenantor will receive the Trade Secrets in confidence and will, at all times, maintain them in confidence, and use them only in the course of his/her employment by or association with the Franchisee and then only in connection with the development and/or operation by the Franchisee of an Uno Restaurant using the Business System for so long as the Franchisee is licensed by the Franchisor to use the Business System.

3. Covenantor will not at any time make copies or translations of any documents or compilations containing some or all of the Trade Secrets without the Franchisor's express written permission.

4. Covenantor will not at any time disclose or permit the disclosure of the Trade Secrets except to other employees of the Franchisee and only to the limited extent necessary to train or assist other employees of the Franchisee in the development or operation of an Uno Restaurant using the Business System.

5. Covenantor will surrender any material containing some or all of the Trade Secrets to the Franchisee or the Franchisor, upon request, or upon termination of employment by or association with the Franchisee, or upon conclusion of the use for which such information or material may have been furnished to Covenantor.

6. Covenantor will not at any time, directly or indirectly, do any act or omit to do any act that would likely be injurious or prejudicial to the goodwill associated with the Trade Secrets and the Business System.

7. All manuals are loaned by the Franchisor to the Franchisee for limited purposes only and remain the property of the Franchisor and may not be reproduced, in whole or in part, without the Franchisor's written consent.

Covenants Not to Compete

1. In order to protect the goodwill and unique qualities of the Business System and the confidentiality and value of the Trade Secrets, and in consideration for the disclosure to Covenantor of the Trade Secrets, Covenantor further agrees and covenants as follows:

- a. Not to divert, or attempt to divert, directly or indirectly, any business, business opportunity or customer of the Franchisee's Uno Restaurant to any competitor.

- c. Except with respect to the Uno Restaurant described in the Franchise Agreement and other restaurants operated under Franchise Agreements between the Franchisee and its Affiliates, and the Franchisor or its Affiliates, not to directly or indirectly, for himself/herself or through, on behalf of, or in conjunction with any person, partnership or corporation, without the prior written consent of the Franchisor, own, maintain, operate, engage in or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, any Competitive Business (as defined below) at any location, within the United States or any foreign jurisdiction where the Franchisor or its Affiliates have registered or sought to register any of the Proprietary Marks. **PIZZERIA UNO CORPORATION
DEVELOPMENT AGREEMENT**

This Development Agreement (this “Agreement”) is made and entered into this ____ day of _____, 20____, by and between Pizzeria Uno Corporation, a Delaware corporation (“the Franchisor”), and _____, a _____ (“the Developer”).

RECITALS:

A. The Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns several restaurant concepts operated under the name Pizzeria Uno®, including (i) full service casual theme restaurants which feature “Chicago Style” deep dish and thin crust pizza along with pizza, sandwiches, soups, salads, pasta, appetizers, desserts and (subject to applicable law) a full bar, (ii) quick service casual theme restaurants which feature “Chicago Style” deep dish and thin crust pizza along with pizza, sandwiches, salads, pasta, appetizers, desserts, and (subject to applicable law) beer and wine, and (iii) take-out and delivery restaurants which offer a limited menu of deep dish and thin crust pizza for take-out and delivery only. As used in this Agreement the restaurant concepts are collectively referred to as “Uno Restaurants” unless specifically referred to as a “Full Service Restaurant,” a “Hotel Conversion Restaurant,” or a “Take-Out and Delivery Restaurant.”

B. The Uno Restaurants each operate under a Business System (as defined below and in Article 18.4) that may, in part, share certain features with the other restaurant concept and may, in part, incorporate features that are not part of the other restaurant concept. The Business System includes features that are distinctive from other restaurant concepts that are not owned or operated by Franchisor, such as, for example, exterior and interior design, decor, color schemes and furnishings; special recipes and menu items; uniform standards, specifications and procedures for operations; quality and uniformity of products and services; procedures for inventory, management, accounting and financial controls; training and assistance; and advertising and promotional programs used in connection with the operation of the Uno Restaurants.

C. The Franchisor identifies the Business System used by an Uno Restaurant by, in each instance, those Proprietary Marks, as more fully described in Article 18.12 of this Agreement.

D. The Uno Restaurants will operate under the Business System and Proprietary Marks associated with the specific restaurant concept.

E. The Franchisor continues to develop, use and control the use of the Proprietary Marks in order to identify for the public the source of services and products marketed under the Business System, and to represent the high standards of quality, appearance and service of the Business System and the Uno Restaurants.

F. The Developer wishes to obtain certain development rights to operate Full Service, Hotel Conversion, and/or Take-Out and Delivery Restaurants under the Business System in the territory described in this Agreement;

NOW, THEREFORE, the parties, in consideration of the mutual undertakings and commitments set forth herein, the receipt and sufficiency of which are hereby acknowledged, agree as follows:

ARTICLE 1
GRANT OF DEVELOPMENT RIGHTS

1.1 GRANT OF DEVELOPMENT RIGHTS

The Franchisor hereby grants to the Developer and the Developer hereby accepts, pursuant to the terms and conditions of this Agreement, the right and obligation to develop a minimum number of Uno Restaurants within the Territory, as described and delineated in Exhibit A attached hereto and incorporated herein.

1.2 TERRITORY

The rights and privileges granted to the Developer in this Agreement are expressly limited to the geographic area described and delineated in Exhibit A (the “Territory”). The Developer acknowledges that the Franchisor’s franchisees and Affiliates may currently operate franchised and/or Affiliate-owned Restaurants within the Territory. The Developer further acknowledges and agrees that the continued operation of the existing Affiliate-owned and/or franchised Restaurants will not be a violation of this Agreement. The rights and privileges granted to the Developer may not be used elsewhere, in any other area or through any channel of distribution other than the development of Uno Restaurant locations in the Territory.

1.3 FRANCHISOR’S RIGHTS

The Franchisor will not establish, or authorize any person or entity other than the Developer to establish, an Uno Restaurant in the Territory during the Term of this Agreement except as provided to the contrary in Article 1.2, in this Article 1.3, or elsewhere in this Agreement. However, if the Developer will be developing only one restaurant concept, i.e., only Full Service, Hotel Conversion, or Take-Out and Delivery Restaurants as set forth in the Development Schedule, the development restrictions set forth in this Article will apply only to the restaurant concept being developed by the Developer, and the Franchisor will retain the right to establish or authorize others to establish, in the Territory, the restaurant concept that is not being developed by the Developer. At such time as the Developer has completed its development obligations under this Agreement with respect to one concept, it will no longer have exclusive rights in the Territory, subject only to the Developer’s rights under Article 4.2(b) to develop Additional Restaurants in the Territory with the Franchisor’s consent. The Developer and Principals acknowledge and agree that the Franchisor and its Affiliates have the absolute right to own, operate, develop and franchise restaurants under the Proprietary Marks and under other names and marks, and that the rights granted to the Developer under this Agreement are only for the development of the Uno Restaurants within the Territory. The Franchisor and its Affiliates will, at all times, retain all other rights relating to the Uno Restaurants and the Proprietary Marks, including the right to at any time conduct (or authorize a third party to conduct) the following activities, regardless of competitive effect on the Developer’s Restaurants or the Territory: (a) the right, anywhere in the world, including within the Territory and within close proximity to the Developer’s Uno Restaurant locations, to (i) advertise and promote the Uno Restaurants and the Business System, (ii) establish Alternative Distribution Sites (as defined in Article 18.3), (iii) establish Full Service Restaurants in the Territory if the Developer will develop only Hotel Conversion or Take-Out and Delivery Restaurants pursuant to this Agreement, (iv) establish Hotel Conversion Restaurants in the Territory if the Developer will develop only Full Service or Take-Out and Delivery Restaurants pursuant to this Agreement, (v) establish Take-Out and Delivery Restaurants in the Territory if the Developer will develop only Full Service or Hotel Conversion Restaurants pursuant to this Agreement, (vi) advertise, promote, offer and sell products and services under the Proprietary Marks at and from previously-established Uno Restaurants and Alternative Distribution Sites, (vii)

provide catering and delivery services, (viii) advertise, promote, sell and distribute collateral and ancillary products and services, identified by the Proprietary Marks, which are or may be similar to those offered by the Uno Restaurants established pursuant to this Agreement which products and services may include, without limitation, pre-packaged food products and beverages, clothing, t-shirts, sweatshirts, hats, wearables, Uno memorabilia and kitchen utensils, if such items are offered and sold through channels of distribution other than through Uno Restaurants (for example, without limitation, direct mail, electronic commerce, and other forms of direct distribution), and (ix) advertise, promote, sell and distribute any products and services under any names or marks other than the Proprietary Marks and/or the Business System associated with the restaurant concept(s) being developed by Developer pursuant to this Agreement, or any other similar or dissimilar business systems; and (b) the right to establish, own, operate, manage, license and/or franchise Uno Restaurants anywhere in the world outside the Territory.

ARTICLE 2

TERM

Unless sooner terminated in accordance with this Agreement, the term of the rights granted to the Developer under this Agreement (the “Term”), will automatically expire, without the requirement of notice of expiration from the Franchisor, on the date on which the Developer successfully and in a timely manner has exercised all of the development rights and completed the development obligations under this Agreement in accordance with the Development Schedule (as defined in Article 4.2 and set forth in Exhibit A), or upon the expiration of last Development Period, whichever is earlier. At the end of the Term, the Developer’s development rights and the limited protections set forth in Article 1.3 with respect to the Territory will automatically terminate, and the Developer will not have the right to renew or extend the Term of this Agreement.

ARTICLE 3

FEES AND PAYMENTS

3.1 TERRITORY RESERVATION FEE

The Developer will, upon execution of this Agreement, pay to the Franchisor a territory reservation fee in the amount set forth in Exhibit A, which is equal to \$5,000 times the number of Uno Restaurants to be developed by the Developer pursuant to this Agreement (the “Territory Reservation Fee”). The amount of the Territory Reservation Fee will be set forth in Exhibit A, must be paid in cash or by check or wire transfer of funds to the Franchisor, will not be refundable to the Developer under any circumstances, and will be deemed fully earned by the Franchisor.

3.2 INITIAL FRANCHISE FEES

In addition to the Territory Reservation Fee, the Developer will sign a Franchise Agreement and pay the Franchisor an Initial Franchise Fee (as defined in the Franchise Agreement) for each Restaurant to be developed by the Developer pursuant to this Agreement. The amounts of the Initial Franchise Fees are set forth in Exhibit A. The Developer will sign the first Franchise Agreement, and pay the full Initial Franchise Fee for that Restaurant, on the date of this Agreement. The Developer will pay one-half of the total amount of the Initial Franchise Fees for all subsequent Restaurants to be developed pursuant to this Agreement on the date of this Agreement, and the amount of that payment will be set forth in Exhibit A. The Developer will pay the remaining one-half of the Initial Franchise Fee for each Restaurant to be developed to the Franchisor at the time the Uno Restaurant Franchise Agreement is signed. The Developer will sign the Franchise Agreements for the Uno Restaurants to be developed pursuant to this Agreement, and pay the Initial Franchise Fee for each such Uno Restaurant, at the time and in the manner specified in

Article 4.1 and Article 4.2. All Initial Franchise Fees must be paid in cash or by check or wire transfer of funds to the Franchisor, are deemed fully earned upon payment, and are nonrefundable. In no event will the Franchisor apply any portion of the Initial Franchise Fees paid pursuant to this Article toward the Initial Franchise Fees for any Additional Restaurants (as defined in Article 18.1).

3.3 ROYALTY FEES

The Developer will, for each Uno Restaurant developed pursuant to this Agreement, pay the Franchisor or its designee a royalty fee (the “Royalty Fee”), equal to the percentage of the Developer’s Gross Sales or the Minimum Monthly Royalty (as defined in the Franchise Agreement) set forth in the Franchise Agreement. The Royalty Fee will be payable to the Franchisor in accordance with the terms and conditions of the Franchise Agreement.

3.4 BUSINESS CO-OP FEES

The Developer will, for each of the Uno Restaurants developed pursuant to this Agreement, pay the Franchisor or its designee a monthly business co-op fee (the “Business Co-op Fee”) equal to the percentage of the Developer’s Gross Sales (as defined in the Franchise Agreement) set forth in the Franchise Agreement. The Business Co-op Fee will be payable to the Franchisor in accordance with the terms and conditions of the Franchise Agreement, and will be used by the Franchisor for the purposes set forth in the Franchise Agreement.

3.5 PAYMENTS; INTEREST

Each Payment (as defined in Article 18.10) must be made to the Franchisor without any deduction whatsoever for any Taxes (as defined in Article 18.14). The Developer will not have the right to withhold any Payment due the Franchisor under this Agreement for any reason whatsoever nor will the Developer have the right to set off any amounts owed or allegedly owed by the Franchisor to the Developer against any Payments. The Franchisor will have the right to set off or deduct any Payments or other amounts payable by the Developer against any amount that may be payable to the Developer by the Franchisor, its Affiliates or any third party. The Franchisor will have the right to apply Payments received from the Developer in such order as the Franchisor may designate from time to time. Any Payment not received by the Franchisor on or before the due date will be deemed past due. All past due Payments of the Developer will bear simple interest from the due date until the Payment is received by the Franchisor at the rate of 1½% per month on the unpaid balance, or the maximum rate allowed by applicable law, whichever is less. No provision of this Agreement will require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law. If for any reason interest in excess of the maximum rate allowed by applicable law is charged to the Developer, then such excess will be repaid to the Developer. If the payment or imposition of any Taxes results in a reduction in the net amount to be received by the Franchisor from Payments due from the Developer, the Developer will, at the option of the Franchisor (a) increase the Payments to the Franchisor to the extent necessary to provide the Franchisor with the same net amount it would have received had no such Taxes been applicable to the Payments, or (b) reimburse the Franchisor for all such Taxes paid by the Franchisor within 15 days after receiving an invoice from the Franchisor for such Taxes.

ARTICLE 4

SCHEDULE AND MANNER FOR EXERCISING DEVELOPMENT RIGHTS

4.1 EXECUTION OF FRANCHISE AGREEMENTS

The Developer will exercise the development rights granted under this Agreement only by entering into a separate Franchise Agreement with the Franchisor for each Uno Restaurant for which a

development right is granted. The Franchise Agreement to be signed by the Developer will be the then-current form offered by the Franchisor. The Franchise Agreement to be executed for the first Uno Restaurant to be developed by the Developer under this Agreement will be in the form of the Franchise Agreement attached as Exhibit B, and must be signed on the date of this Agreement. All subsequent Uno Restaurants developed under this Agreement will be established and operated pursuant to the form of Franchise Agreements then being used by the Franchisor for new franchisees of Uno Restaurants under the Business System. Those franchise agreements will also be included in the term “Franchise Agreement” as used in this Agreement and will be executed by the Developer in accordance with Article 4.2. The then-current form of Franchise Agreement for each restaurant concept may differ substantially in terms, conditions and economics from the forms attached; provided, however, that the Developer will pay the Franchisor Initial Franchise Fees and Royalty Fees for all Uno Restaurants to be developed by the Developer pursuant to this Agreement in the amounts set forth in this Agreement, even if the Initial Franchise Fees or Royalty Fees set forth in the Franchisor’s then-current form of Franchise Agreement are greater than those set forth in this Agreement.

4.2 DEVELOPMENT SCHEDULE

The Developer acknowledges and agrees that a material provision of this Agreement is that the Developer must comply with the Development Schedule attached as Exhibit A (including each benchmark date or number referenced therein). The Developer further acknowledges that the total number of Uno Restaurants to be developed, as well as the stated opening dates (the “Projected Opening Dates”) for each Uno Restaurant set forth in the Development Schedule, are reasonable and attainable. Subject to the Developer’s compliance with ARTICLE 5 of this Agreement, the Developer will execute a Franchise Agreement for each Uno Restaurant on or before the applicable execution date (the “Execution Date”) set forth in the Development Schedule, which will be a date at least 12 months prior to the Projected Opening Date for the applicable Uno Restaurant.

- (a) The Developer may, with the Franchisor’s prior written consent (which consent may be withheld in the Franchisor’s sole discretion), develop more than the minimum number of Uno Restaurants which the Developer is required to develop during any given Development Period. Any Uno Restaurants developed during a Development Period in excess of the minimum number required to be developed prior to expiration of that Development Period will be applied to satisfy the Developer’s development obligation during the next succeeding Development Period, if any.
- (b) The Developer may, with the Franchisor’s prior written consent (which consent may be withheld in its sole discretion), develop Additional Restaurants if: (i) the Developer has open and operating the cumulative total number of Uno Restaurants required to be developed under the Development Schedule prior to the expiration of the last Development Period; (ii) the Developer notifies the Franchisor of its desire to open Additional Restaurants prior to completion of the development and opening of all of the Uno Restaurants required to be developed under the Development Schedule; (iii) the Developer and the Franchisor agree upon a Projected Opening Date for each Additional Restaurant; (iv) the Developer opens at least one Additional Restaurant during each 12 month period following completion of the development and opening of all of the Uno Restaurants required to be developed under the Development Schedule; (v) any Additional Restaurant is open prior to expiration of last Development Period; and (vi) the Developer pays to the Franchisor, at the time the Developer notifies the Franchisor of its desire to open any Additional Restaurant, an additional non-refundable, pre-paid Initial Franchise Fee for

each Additional Restaurant in the amount set forth in the Franchisor's then-current Franchise Disclosure Document.

- (c) If, during the Term, the Developer ceases to operate any Uno Restaurant developed under this Agreement for any reason, the Developer will either reopen the Uno Restaurant or develop a replacement Uno Restaurant to fulfill the Developer's obligation to have open and in operation the minimum required number of Uno Restaurants. The replacement Uno Restaurant will be open and operating by a date to be agreed upon by the parties which will not exceed 180 days after the date of closing of the Uno Restaurant to be replaced. The replacement Uno Restaurant will be operated pursuant to the same Franchise Agreement as executed for the Uno Restaurant which the Developer ceased to operate and the Term of such Franchise Agreement will not be extended except as otherwise consented to in writing by the Franchisor in its sole discretion. The Developer will pay Travel Expenses (as defined in Article 18.13) incurred by the Franchisor or its designee associated with the "reopening" of such replacement Uno Restaurant. If an Uno Restaurant ceases to operate as a result of an event of "Force Majeure," as defined in the Franchise Agreement, then the Developer will comply with and pay fees to the Franchisor in accordance with the applicable provisions of the Franchise Agreement. If an Uno Restaurant ceases to operate for any reason other than "Force Majeure," then from the date the Uno Restaurant ceases to operate until the date the replacement Uno Restaurant opens for business, the Developer will pay to the Franchisor a monthly fee of 2% of the average monthly Gross Sales (as defined in the Franchise Agreement) of the closed Uno Restaurant during the 12 month period (or such shorter period if the Uno Restaurant was open less than 12 months) prior to closing. The Developer will also pay to the Franchisor a replacement fee to reimburse the Franchisor for its costs related to such replacement Uno Restaurant in an amount specified by the Franchisor, which amount will not be less than \$5,000.

ARTICLE 5

PREREQUISITES TO OBTAINING FRANCHISES

5.1 RIGHTS NON-DELEGABLE AND NON-ASSIGNABLE

The Developer and the Principals understand and acknowledge that the rights and duties set forth in this Agreement are inextricably intertwined, are (except in accordance with Article 9.8) personal to the Developer and its Principals (as applicable) and non-delegable, and that the Franchisor has granted such rights in reliance on the business skill, financial capacity, personal character of, and expectations of performance of the duties hereunder by the Developer and the Principals. The Developer and the Principals represent to the Franchisor that they have entered into this Agreement for the purpose and with the intention to fully comply with the obligations hereunder and not for the purpose of reselling the development rights granted herein. The Developer and the Principals understand and agree that this Agreement does not confer upon the Developer a right to develop or franchise to operate any Uno Restaurant, but is intended by the parties to set forth the terms and conditions which, if fully satisfied by the Developer, will entitle the Developer to obtain the right to develop and operate each Uno Restaurant under a Franchise Agreement within the Territory.

5.2 SATISFACTION OF CONDITIONS

The Developer must satisfy each of the Conditions (as defined in Article 18.5) before the grant of right by the Franchisor to develop each Uno Restaurant will become effective. If the Franchisor determines, in its sole discretion, that the Developer and the Principals have satisfied all of the Conditions, then the Franchisor will grant to the Developer the right to develop each Uno Restaurant pursuant to the Development Schedule. The Conditions will survive the termination or

expiration of this Agreement and will apply with respect to any Franchise Agreement executed pursuant to this Agreement.

ARTICLE 6
REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER

6.1 FULL TIME AND BEST EFFORTS

The Developer or the Operating Principal (as defined in Article 6.3) covenant and agree that they will devote their full time and best efforts to carry out the development activities contemplated under this Agreement.

6.2 ORGANIZATION

If the Developer is a corporation, limited liability company, partnership or other entity, then the Developer and the Principals represent, warrant and covenant that:

- (a) The Developer is duly organized and validly existing under the law of the state or territory where formed;
- (b) The Developer is duly qualified and is authorized to do business in the jurisdiction where the Uno Restaurant is located and in each jurisdiction where it conducts business, maintains offices, owns real estate or where qualification is required;
- (c) The Developer's articles of incorporation, by-laws, operating agreement, member control agreement, partnership agreement or other organizational documents (the "Authorizing Documents") will at all times provide that the Developer's business activities will be confined exclusively to the development, ownership and operation of the Uno Restaurants, unless otherwise consented to in writing by the Franchisor;
- (d) The execution of this Agreement and the consummation of the transactions contemplated by this Agreement and the confidential operations manuals and other written materials developed by the Franchisor for use in connection with the development, operation and management of the Uno Restaurants (the "Manuals"), are within the powers granted to the Developer by the Authorizing Documents and have been duly authorized and approved by the Developer or by the board of directors, board of governors, managing partner or other governing body of the Developer;
- (e) Copies of all Authorizing Documents and any other documents, agreements or resolutions in the Developer's possession will be provided to the Franchisor upon written request;
- (f) The names of the owners of the Developer and their ownership interests in the Developer are accurately stated and completely described in the Guaranty attached to this Agreement;
- (g) The Developer will at all times maintain a current schedule of the owners of the Developer and their ownership interests, and the Developer will immediately provide the Franchisor with a copy of the updated ownership schedule whenever there is any change of ownership. The ownership schedule will contain the name, address, telephone number and e-mail address of each owner of the Developer and will state the percentage of ownership that each owner has in the Developer;
- (h) If, subject to the provisions of ARTICLE 9, any person or entity ceases to be one of the Developer's Principals, or if any individual or entity becomes a Principal of the Developer, then the Developer will notify the Franchisor in writing and within five days the Developer will require the new Principal to execute copies of all documents required by the Franchisor;

- (i) The Developer's Authorizing Documents and any documents representing ownership in the Developer will provide that no ownership interest in the Developer may be assigned or transferred to any person or entity unless it is in strict compliance with the terms, conditions and restrictions contained in this Agreement;
- (j) The Developer has no material liabilities, adverse claims, commitments or obligations of any nature as of the date of this Agreement, whether accrued, unliquidated, absolute, contingent or otherwise, except as disclosed to the Franchisor in writing or set forth in the financial statements of the Developer that have been provided to the Franchisor;
- (k) Each of the Developer's Principals will execute the Guaranty attached hereto;
- (l) The Developer will, at all times, maintain sufficient working capital to fulfill its obligations under this Agreement and the Franchise Agreements; and
- (m) The Developer will not use the Proprietary Marks or any words contained in or similar to the Proprietary Marks as part of its corporate or other legal name, and will not file for or change its corporate or other legal name without the express written consent of the Franchisor.
- (n) The representations, warranties and covenants contained in this Article are continuing obligations of the Developer and the Principals and that any failure to comply with such representations, warranties and covenants will constitute a material breach of this Agreement.

6.3 OPERATING PRINCIPAL

Upon the execution of this Agreement, the Developer will designate an individual approved by the Franchisor to serve as the Operating Principal of the Developer. If the Developer is an individual, the Developer will perform all obligations of the Operating Principal. The Operating Principal will: (a) devote his or her full time to the supervision and conduct of the Developer's business and obligations pursuant to this Agreement; (b) meet the Franchisor's educational and experience requirements and the other standards set forth in the Manuals or otherwise set forth in writing by the Franchisor. If the Operating Principal is at any time replaced by the Developer, then a new Operating Principal meeting the requirements of this Article will be designated by the Developer within 30 days. The Developer will provide the Franchisor with the name and experience of the new Operating Principal at least five days before hire, the new Operating Principal will begin training required by the Franchisor within 30 days of the date of hire, and the new Operating Principal will successfully complete the training within the time frame established by the Franchisor. The Developer will provide for interim management of the Developer's business by qualified personnel approved by the Franchisor in accordance with this Agreement until the new Operating Principal is hired.

6.4 CONDUCT

In all dealings with customers, suppliers and public officials, the Developer will adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct and will not take any action that would cause the Franchisor to be in violation of any federal, state or local laws, rules or regulations.

6.5 CONVENTIONS

The Operating Principal or another person designated by the Developer will attend all Pizzeria Uno franchisee conventions hosted by the Franchisor unless the Developer obtains the Franchisor's prior written approval of non-attendance. The Developer will be responsible for

paying the convention registration fees and all expenses for the Operating Principal and all other persons who attend the convention on behalf of the Developer, including costs for travel, lodging, meals and wages. The foregoing notwithstanding, the Franchisor may prohibit convention attendance by the Developer or persons on its behalf if the Franchisor has given the Developer written notice of an Event of Default under this Agreement and the Event(s) of Default specified in the written notice have not been corrected by the Developer.

6.6 COMPLIANCE WITH AGREEMENT

The Developer and the Principals represent, warrant and covenant that they will comply with all other requirements and will perform all other obligations in accordance with the terms and conditions of this Agreement.

ARTICLE 7 **MANUALS; CONFIDENTIALITY**

7.1 CONDUCT OF BUSINESS

To protect the reputation and goodwill of the Franchisor and to maintain the Standards and Specifications of operation under the Franchisor's Proprietary Marks and the Business System, the Developer will conduct its business in accordance with the Manuals applicable to each restaurant concept being developed by the Developer, other written directives which the Franchisor may issue to the Developer from time to time whether or not such directives are included in the Manuals, and any other manuals and materials created by the Franchisor for use in the development and operation of the Uno Restaurants.

7.2 LOAN OF MANUALS

The Manuals provided to the Developer by the Franchisor are on loan to the Developer and will at all times remain the sole property of the Franchisor. The Developer will at all times keep the Manuals in a secure place on the Developer's business premises, and will return the Manuals to the Franchisor immediately upon request or upon termination or expiration of this Agreement. The Manuals and all other written directives, manuals and materials issued by the Franchisor, including the Site Selection Criteria (as defined in the Franchise Agreement), will supplement this Agreement.

7.3 REVISIONS AND UPDATES TO THE MANUALS

The Franchisor may from time to time revise the contents of each of its Manuals and the contents of any other manuals and materials created for the development and operation of the Uno Restaurants. The Developer will keep the Manuals current and up-to-date and will comply with all revisions and updates published by the Franchisor. In the event of any dispute as to the contents of the Manuals, the terms of the master copies of the Manuals maintained by the Franchisor will control. The Developer will pay the Franchisor for all costs incurred by the Franchisor to replace any Manuals that are lost, damaged or destroyed by the Developer.

7.4 CONFIDENTIAL INFORMATION

The Developer and the Principals will not: (a) at any time, communicate, divulge or use any Confidential Information (as defined in Article 18.6) for the benefit of any other person, partnership, entity, association or corporation, (b) following the expiration or termination of this Agreement, use any Confidential Information for their own or any other person's benefit, or (c) at any time, without the Franchisor's prior written consent, copy, duplicate, record or otherwise reproduce any of the Confidential Information, in whole or in part, or otherwise make it available to any unauthorized person.

7.5 IMPROVEMENTS

If the Developer or the Principals develop any new or revised concept, product, recipe, trademark, service mark, branding concept, process or improvement in or related to the operation or promotion of the Uno Restaurants or Business System (including, without limitation, computer software enhancements) (“Improvements”), then the Developer will promptly provide the Franchisor with a detailed summary of the Improvements. The Developer and the Principals acknowledge and agree that; (a) all Improvements made by the Developer are the property of the Franchisor; (b) the Developer will execute and deliver any documents or instruments required by the Franchisor to memorialize or evidence the Franchisor’s ownership of the Improvements; (c) the Franchisor will have the right to incorporate any or all of the Improvements into the Business System and/or Proprietary Marks; and (d) the Franchisor will have the right to use and authorize its Affiliates, franchisees and developers to use any or all Improvements in the operations of any or all Uno Restaurants owned, operated or licensed by the Franchisor or its Affiliates without any compensation to the Developer.

ARTICLE 8 **NONCOMPETITION COVENANTS**

8.1 IN-TERM COVENANTS

The Developer and the Principals will receive valuable training and Confidential Information which are beyond the present skills and experience of the Developer, the Principals and other employees of the Developer. The Developer and the Principals acknowledge that the specialized training and Confidential Information will provide them with a competitive advantage and will be valuable to them in the development and operation of the Uno Restaurants, and that gaining access to the specialized training and Confidential Information is a primary reason why they are entering into this Agreement. During the Term, the Developer and the Principals will not, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person, partnership, entity or corporation: (a) divert, or attempt to divert, any business or customers of the Uno Restaurant to any “Competitive Business,” as defined below, or do or perform any act that would be injurious or prejudicial to the goodwill associated with the Proprietary Marks or the Business System; or (b) own, maintain, operate, engage in, or have any financial, stock or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, any “Competitive Business,” at any location within the United States or in any foreign jurisdiction where the Franchisor has registered or is seeking to register any of the Proprietary Marks. For purposes of this Agreement, a “Competitive Business” will mean: (i) any business that is of a character and concept similar to either an Uno Restaurant; (ii) any casual dining restaurant business as that market segment is defined by then-current industry standards; or (iii) any food service business or restaurant that offers Chicago-style deep dish pizza as a menu item or that offers any style of pizza as a primary menu item.

8.2 POST-TERM COVENANTS

During the One-Year Time Period (as defined in Article 18.9), the Developer and the Principals will not, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person, partnership, entity or corporation: (a) divert, or attempt to divert, any business or customer of the Uno Restaurants to any competitor or do or perform any other act that would be injurious or prejudicial to the goodwill associated with the Proprietary Marks and the Business System; or (b) own, maintain, operate, engage in or have any financial, stock or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint

ventures), advise, assist or make loans to, any Competitive Business which is located within the Territory or within a ten mile radius of any Uno Restaurant, any Alternative Distribution Site or other food service facility operated or licensed by the Franchisor or its Affiliates that is in existence, under construction or under contract as of the beginning of the One-Year Time Period.

8.3 CONDITIONS

The Franchisor agrees that the covenants contained in this Article will not prohibit ownership, by the Developer or the Principals in the aggregate, of up to 5% of the total number of outstanding shares of any corporation whose equity securities are publicly traded on any recognized stock exchange. The Developer and the Principals acknowledge and agree that each of the covenants contained in this Article are: (a) reasonable limitations as to time, geographical area and scope of activity to be restrained and do not impose a greater restraint than is necessary for the Franchisor to protect the goodwill associated with the Proprietary Marks, the Business System and the other business interests of the Franchisor and the Franchisor's developers and franchisees, and (b) will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any covenant in this Article is held to be unreasonable or unenforceable in a final decision by any court, then the Franchisor, the Developer and the Principals will be bound by the terms and conditions of the lesser covenant provided for by the court. The Franchisor will have the unilateral right, in its sole discretion, to reduce the scope and limitation of any covenant contained in this Article by giving written notice to the Developer and the Principals. No claim that the Developer or any Principal may have against the Franchisor, whether or not arising from this Agreement, will constitute a defense to the enforcement by the Franchisor of the covenants in this Article.

8.4 INJUNCTIVE RELIEF

The Developer and the Principals acknowledge that a violation of the terms of this Article would result in irreparable injury to the Franchisor for which no adequate remedy at law may be available, and accordingly, the Developer and the Principals consent to the issuance of an injunction prohibiting any conduct by the Developer or the Principals in violation of the terms of this Article without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or post other security. The Developer and the Principals agree to pay all court costs and reasonable attorneys' fees incurred by the Franchisor in connection with the enforcement of this Article, including payment of all costs and expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Article.

ARTICLE 9 **TRANSFER OF INTEREST**

9.1 FRANCHISOR'S TRANSFER RIGHTS

The Franchisor will have the absolute and unilateral right to transfer or assign this Agreement and all or any part of its rights or obligations under this Agreement to any person or legal entity. Specifically, but without limitation, the Franchisor will have the absolute right to: (a) sell its assets, the Proprietary Marks and/or the Business System to a third party, (b) offer to sell its capital stock or securities privately or publicly, (c) merge, spin-off, acquire other corporations or be acquired by another corporation or entity, or (d) undertake a refinancing, recapitalization, leveraged buy out or other economic or financial restructuring. The Developer expressly and specifically waives any claims, demands or damages against the Franchisor and any affiliated companies of the Franchisor arising from or related to the sale, assignment or transfer of the Proprietary Marks or the Business

System from the Franchisor to any other party or any of the transactions set forth in this Article. Upon the consummation of any of the transactions set forth in this Article which result in this Agreement being transferred to a third party, then the third party transferee will be solely responsible for complying with all of the terms, conditions, obligations and duties contained in this Agreement. Nothing contained in this Agreement will require the Franchisor to offer any services or products, whether or not bearing the Proprietary Marks, to the Developer if the Franchisor assigns its rights in this Agreement.

9.2 DEVELOPER'S TRANSFER RIGHTS

The rights and duties set forth in this Agreement are personal to the Developer, and the Franchisor has entered into Agreement in reliance on the business skill, financial capacity and personal character of the Developer and the Principals. Accordingly, the Developer and the Principals will not have the right to effectuate any Transfer (as defined in 18.15) without the prior written consent of the Franchisor, and any Transfer without the Franchisor's prior written consent will be void.

9.3 CONDITIONS TO TRANSFER.

If the Developer or any Principal wishes to cause or effectuate a Transfer, then the transferor and the proposed transferee will request the Franchisor's consent not later than 30 days prior to the anticipated closing date of the Transfer. As a condition to the Franchisor approving any Transfer request, the Developer (and, if applicable, the Principals) and the transferee agree that on or before the closing date of the Transfer they will comply with the following terms and conditions:

- (a) The Developer will pay the Franchisor and the Franchisor's Affiliates in full for all monetary obligations payable by the Developer under this Agreement and under any other agreements, and will provide the Franchisor with evidence satisfactory to the Franchisor of the Developer's ability to pay such monetary obligations on or before the closing date of the Transfer;
- (b) No Event of Default will exist under this Agreement, and the Developer will be in substantial compliance with all of the terms and conditions of this Agreement and any Franchise Agreement or other agreement between the Franchisor and the Developer;
- (c) The Developer and the Principals will execute a general release, in a form satisfactory to the Franchisor, releasing the Franchisor and its officers, directors, shareholders, agents and employees, in their corporate and individual capacities, from any and all claims, including, without limitation claims arising under this Agreement or under any Franchise Agreement or other agreement with Franchisor executed pursuant to this Agreement, and under any and all federal, state and local laws, rules and regulations;
- (d) The transferee will: (i) meet the financial, educational, managerial, business and credit standards required by the Franchisor, (ii) be of good moral character, (iii) possess the aptitude and business ability required to develop the Uno Restaurants, and (iv) have the capital required to develop the Uno Restaurants in compliance with the Development Schedule;
- (e) The transferee and the transferee's principals (if applicable) will (i) enter into a written agreement, in a form satisfactory to the Franchisor, assuming full, unconditional, joint and several liability for, and agreeing to perform from the date of the Transfer, all obligations, covenants and agreements contained in this Agreement, and (ii) will execute all other agreements required by the Franchisor and the Franchisor's legal counsel necessary to properly document the Transfer;

- (f) The Developer will pay the Franchisor a transfer fee of \$20,000;
- (g) The Developer will remain liable for all obligations to the Franchisor in connection with this Agreement incurred prior to the effective date of the Transfer and will execute any and all agreements and documents requested by the Franchisor to evidence that liability;
- (h) The transferee has agreed, in writing, that the transferee, the transferee's Operating Principal and any other applicable personnel, will complete all training programs required for new developers, at the transferee's expense, within the time specified by the Franchisor;
- (i) The transferee will not grant a security interest in this Agreement or in any of the Developer's assets without the Franchisor's prior written consent, which will not be unreasonably withheld. In connection therewith, the secured party will be required by the Franchisor to agree that in the event of any default by the Developer under any documents related to the security interest, the Franchisor will have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of the Developer; and
- (j) The Developer and the Principals acknowledge and agree that each of the above conditions is reasonable and necessary to assure the transferee's performance of the obligations under this Agreement.

9.4 FRANCHISOR'S RIGHT OF FIRST REFUSAL

If the Developer or a Principal wishes to cause or effectuate a Transfer pursuant to any bona fide offer received from a third party, then such proposed transferor will promptly notify the Franchisor in writing of the offer, and will provide the information and documentation relating to the offer as the Franchisor may require. The Franchisor will have the right and option, exercisable within 30 days after receipt of written notification and copies of all documentation requested by the Franchisor, to notify the transferor in writing that the Franchisor intends to acquire the transferor's interest on the same terms and conditions offered by the third party. Unless otherwise agreed to in writing, the closing on the Transfer to the Franchisor will take place within 90 days from the date the Franchisor receives and obtains all necessary permits and approvals to complete the Transfer as determined by the Franchisor. Any material change in the terms of any offer will constitute a new offer subject to the same rights and options of the Franchisor as in the case of an initial offer. Failure of the Franchisor to exercise the right of first refusal afforded by this Article will not constitute a waiver of any other provision of this Agreement with respect to a proposed Transfer, including all of the transfer requirements of Article 9.3.

9.5 DEATH OR PERMANENT DISABILITY

If the Developer is an individual, then in the event of the death or permanent disability of the Developer, this Agreement may be assigned, transferred or bequeathed by the Developer to any designated person or beneficiary without the payment of any transfer fee. However, the assignment of this Agreement to the transferee, assignee or beneficiary of the Developer will be subject to the applicable provisions of Article 9.3, and will not be valid or effective until the Franchisor has received the properly executed legal documents which its attorneys deem necessary to properly and legally document the transfer, assignment or bequest of this Agreement. The transferee, assignee or beneficiary must agree to be unconditionally bound by the terms and conditions of this Agreement and to personally guarantee the performance of the Developer's obligations under this Agreement. Furthermore, the transferee, assignee or beneficiary must complete all training programs required by the Franchisor for new developers, at an approved training site designated by Franchisor. There will be no charge to the transferee, assignee or

beneficiary for the training program, but the salary and expenses of the transferee, assignee or beneficiary will be paid by the transferee, assignee or beneficiary.

9.6 ENFORCEMENT

The Franchisor's consent to a Transfer of any interest described herein will not constitute a waiver of any claims which the Franchisor may have against the transferor, nor will it be deemed a waiver of the Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee.

9.7 SALE OF INTERESTS TO PUBLIC

Securities or partnership interests in the Developer may be offered to the public only with the prior written consent of the Franchisor. All materials required for an offering by federal or state law will be submitted to the Franchisor for a limited review as discussed below prior to being filed with any governmental agency, official or authority. Any materials to be used in any exempt offering will be submitted to the Franchisor for such review prior to their use. The offering by the Developer may not state or imply (by use of the Proprietary Marks or otherwise) that the Franchisor is participating in the underwriting, issuance or offering of securities by the Developer. The Franchisor's review of any offering materials will be solely for the purpose of determining that the Developer is complying with the terms of this Agreement. The Franchisor may, at its option, require the Developer's offering materials to contain a written statement prescribed by the Franchisor concerning the relationship between them. The Developer, its Principals and the other participants in the offering will fully indemnify the Franchisor and its officers, directors, shareholders, partners, agents, independent contractors and employees for any damages or liabilities they may incur in connection with the offering. The Developer will pay the Franchisor \$20,000 to reimburse the Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including, without limitation, legal and accounting fees. The Developer will give the Franchisor 30 days prior written notice of any offering or other transaction covered by this Article.

9.8 TRANSFERS BETWEEN PRINCIPALS OR TO AN AFFILIATE

The Developer and each of its Principals, as applicable, may cause or effectuate a Transfer of their respective interests in the Developer, by and amongst themselves, with the Franchisor's prior written consent. The Developer may Transfer its rights and obligations under this Agreement, in whole or in part, to a corporation or other legal entity formed solely for the convenience of ownership, with the Franchisor's prior written consent and subject to the requirement that any such corporation or entity is owned and controlled by the Developer, or by the Principals in the same proportion and manner as the Developer. The Franchisor's consent to any Transfer pursuant to this Article 9.8 may be conditioned upon compliance with any or all of the terms of this Article; provided, however, that a Transfer pursuant to this Article 9.8 will not be subject to the Franchisor's right of first refusal set forth in Article 9.4.

ARTICLE 10 **CONSENTS AND NONWAIVER**

10.1 FRANCHISOR'S CONSENTS

Whenever this Agreement requires the prior approval or consent of the Franchisor, the Developer will make a timely written request to the Franchisor, and such approval or consent will be obtained in writing. The Franchisor will not unreasonably withhold its consent, except as otherwise provided herein.

10.2 DEVELOPER'S RELIANCE

The Franchisor makes no warranties or guarantees upon which the Developer may rely, and assumes no liability or obligation to the Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or suggestion to the Developer in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

10.3 NO WAIVER

No delay, waiver, omission or forbearance on the part of the Franchisor to exercise any right, option, duty or power arising out of any breach or default by the Developer or the Principals under this Agreement will constitute a waiver by the Franchisor to enforce any such right, option, duty or power against the Developer or the Principals, or as to a subsequent breach or default by the Developer or the Principals. The Franchisor's acceptance of any Payments due to it hereunder subsequent to the time at which such Payments are due will not be deemed to be a waiver by the Franchisor of any preceding breach by the Developer or the Principals of any terms, provisions, covenants or conditions of this Agreement. The Franchisor's receipt or acceptance of any reports, statements or Payments, or its cashing of any checks or processing of electronic funds transfers, will not preclude the Franchisor from contesting the accuracy of any Payment or report. If any inconsistencies or mistakes are discovered in any Payments or reports made by the Developer, then the Developer will immediately correct the error and make all Payments due to the Franchisor.

ARTICLE 11 INDEPENDENT CONTRACTORS

11.1 INDEPENDENT CONTRACTORS

The parties acknowledge and agree that this Agreement does not create a fiduciary relationship between them, that the Developer will be an independent contractor, and that nothing in this Agreement is intended to make either party an agent, legal representative, Affiliate, joint venturer, partner, employee, joint employer or servant of the other for any purpose. The Developer will at all times during the Term hold itself out to the public as an independent contractor conducting its business and development operations pursuant to the rights granted by the Franchisor.

11.2 NO LIABILITY OF FRANCHISOR

The Developer understands and agrees that nothing in this Agreement authorizes the Developer or any of the Principals to make any contract, agreement, warranty or representation on the Franchisor's behalf, or to incur any debt or other obligation in the Franchisor's name. The Franchisor will in no event assume liability for, or be deemed liable under this Agreement as a result of, any such action, or for any act, error or omission of the Developer, any of the Principals, or any officer, director, agent, representative, independent contractor or employee of the Developer, or for any claim or judgment arising therefrom.

ARTICLE 12 DEFAULT, REMEDIES AND TERMINATION

12.1 OBLIGATIONS OF DEVELOPER

The Developer acknowledges and agrees that each of the Developer's obligations described in this Agreement is a material and essential obligation of the Developer; that nonperformance of any of such obligations will adversely and substantially affect the Franchisor and the Business System; and that the exercise by the Franchisor of the rights and remedies set forth herein is appropriate and reasonable.

12.2 EVENTS OF DEFAULT; IMMEDIATE TERMINATION

The Developer will be in default under this Agreement, and all of the rights granted to the Developer under this Agreement will automatically terminate without notice to the Developer upon the following Events of Default: (a) the Developer becomes insolvent or makes a general assignment for the benefit of creditors; (b) the Developer files a voluntary petition under any bankruptcy law or under any similar law or statute, or admits in writing its inability to pay its debts when due; (c) the Developer is adjudicated bankrupt or insolvent in proceedings filed against the Developer under any bankruptcy laws or under any similar law or statute; or if a bill in equity or other proceeding for the appointment of a receiver of the Developer or other custodian for the Developer's business or assets is filed and consented to by the Developer, or if a receiver or other custodian (permanent or temporary) of the Developer's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; (d) proceedings for a composition with creditors are instituted by or against the Developer; (e) a final judgment against the Developer remains unsatisfied or of record for 30 days or longer (unless an appeal bond is filed); (f) the Developer is dissolved; (g) execution is levied against the Developer's business or property; (h) suit to foreclose any lien or mortgage against the premises or equipment of the Developer's business or any of the Uno Restaurants developed by the Developer is instituted against the Developer and not dismissed within 30 days; (i) the real or personal property of the Developer's business or any of the Uno Restaurants developed by the Developer is sold after levy thereupon by any sheriff, marshal, constable or other government official; (j) the Developer or any Principal attempts to effectuate any Transfer without the Franchisor's prior written consent; or (k) the Franchisor gives the Developer notice of default pursuant to Article 12.3 and Article 12.4 three or more times during any period of 12 consecutive months.

12.3 EVENTS OF DEFAULT; TERMINATION ON NOTICE

The Developer will be in material default of this Agreement, and the Franchisor will have the absolute right to terminate this Agreement subject only to any opportunity to cure the default provided below, by giving written notice to the Developer, upon the occurrence of any of the following Events of Default: (a) the Developer fails, refuses or neglects promptly to pay any monies owing to the Franchisor, any Affiliate of the Franchisor or any vendor or supplier, when due under this Agreement, any Franchise Agreement or any other agreement, or to submit the financial or other information required by the Franchisor under this Agreement; (b) the Developer fails to comply with the Development Schedule; (c) the Developer fails to enter into each Franchise Agreement in accordance with ARTICLE 4; (d) the Developer or any of the Principals is convicted of, or has entered a plea of nolo contendere to, a felony, a crime involving moral turpitude or any other crime or offense that the Franchisor believes will have an adverse effect on the Business System or the Proprietary Marks; (e) a threat or danger to public health or safety results from the construction, maintenance or operation of any Uno Restaurant developed pursuant to this Agreement; (f) the Developer or any of the Principals discloses or divulges any Confidential Information to any third party; (g) the Developer maintains false books or records or submits any false reports to the Franchisor; (h) the Developer uses the Proprietary Marks in violation of Article 19.4 or otherwise materially impairs the goodwill associated with the Proprietary Mark; (i) the Developer or any Affiliate of the Developer breaches any franchise or other agreement between the Franchisor and the Developer or an Affiliate of the Developer and does not cure such default within any required cure period; or (j) the Developer fails in any respect to comply with any material term, condition or covenant of, or breaches any representation or warranty contained in, this Agreement.

12.4 NOTICE OF BREACH; OPPORTUNITY TO CURE

Except as provided for in Article 12.2 of this Agreement, the Franchisor will not have the right to terminate this Agreement until written notice setting forth the Event(s) of Default has been given to the Developer by the Franchisor and after receiving the written notice from the Franchisor, the Developer fails to correct or cure the Event(s) of Default within the time specified by applicable law. If applicable law does not specify a time period to correct or cure the Event(s) of Default, then the Developer will have 30 days after receipt of the written notice to cure or correct the Event(s) of Default, except where the written notice states that the Event(s) of Default relate to the delinquent payment of any fees or other monies payable to the Franchisor and/or its Affiliates under this Agreement, in which case the Developer will have 10 days after receipt of the written notice to correct or cure the Event(s) of Default by making full payment (together with interest as provided for in this Agreement) to the Franchisor and/or its Affiliates.

12.5 NOTICE OF TERMINATION

Except as provided in Article 12.2, if the Franchisor has complied with the provisions of Article 12.4 and the Developer has not corrected the alleged breach set forth in the written notice within the applicable time period specified in this Agreement, then the Franchisor will have the absolute right to terminate this Agreement by giving the Developer written notice stating to the Developer that this Agreement is terminated and in that event, the effective date of termination of this Agreement will be the day the written notice of termination is received by the Developer.

12.6 FRANCHISOR'S OTHER REMEDIES

Upon the occurrence of an Event of Default by the Developer under Article 12.2, or in the event the Developer fails to cure an Event of Default in accordance with Article 12.3 and Article 12.4, the Franchisor may, in its sole discretion, as an alternative to exercising its option to terminate this Agreement, do any one or more of the following: (a) terminate or modify any territorial rights granted to the Developer in Article 1.1 and Article 1.2; (b) reduce the geographic area for which such territorial rights have been granted; (c) reduce the number of Uno Restaurants which the Developer may establish pursuant to ARTICLE 4; or (d) pursue any other remedy the Franchisor may have at law or in equity.

12.7 RIGHTS CUMULATIVE

All rights and remedies of the parties to this Agreement will be cumulative to, and not alternative to or exclusive of, any other rights or remedies which are provided for herein or which may be available at law or in equity. The rights and remedies of the parties to this Agreement will be continuing and will not be exhausted by any one or more uses thereof, and may be exercised at any time as often as may be expedient, and any option or election to enforce any such right or remedy may be exercised or taken at any time. The expiration, earlier termination or exercise of the Franchisor's rights pursuant to Article 9.4 of this Agreement will not discharge or release the Developer or any of the Principals from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination or the exercise of such rights under this Agreement.

12.8 DAMAGES; ATTORNEYS' FEES

The Developer and the Principals will pay to the Franchisor all damages incurred by the Franchisor as a result of any breach of this Agreement by the Developer, as well as all costs and expenses, including interest and reasonable attorneys' fees, incurred by the Franchisor in connection with obtaining any remedy available to the Franchisor for any violation of this Agreement and subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement. If the Developer files a bankruptcy

petition or is adjudicated bankrupt or insolvent in proceedings filed under any bankruptcy laws, and if the Franchisor incurs any damages, costs or expenses as a result of such bankruptcy proceedings in seeking to enforce the terms of this Agreement, in seeking to compel compliance with, assumption and/or rejection of this Agreement, or in seeking payment of any sums due pursuant to this Agreement, then the amount of such damages, costs or expenses incurred or paid by the Franchisor will be awarded to the Franchisor by the bankruptcy court and will be immediately due and payable to the Franchisor by the Developer as debtor or the trustee in bankruptcy, as the case may be, in accordance with the terms of the bankruptcy court order.

12.9 FRANCHISOR'S RIGHT TO CEASE DELIVERY UPON DEFAULT

Upon the occurrence of an Event of Default, the Franchisor and its Affiliates will have the right to stop providing or selling any goods or services to the Developer until the Developer has cured the Event of Default, and/or the right to require the Developer to pay C.O.D. or by certified check for any goods or services requested by the Developer from the Franchisor or an Affiliate. The Franchisor's exercise of its rights under this Article will not be deemed a constructive termination of this Agreement or change in the Developer's competitive circumstances, and the Developer will not be relieved of any obligation under this Agreement as a result of the Franchisor's actions.

12.10 NO EQUITY UPON TERMINATION

The Developer's rights regarding the development rights granted pursuant to this Agreement will be controlled by this Agreement. The Developer will have no equity or other continuing interest in the development rights, any goodwill associated with the Restaurants or the Proprietary Marks, or any right to compensation or refund, upon the expiration or termination of this Agreement.

ARTICLE 13

DEVELOPER'S OBLIGATIONS UPON TERMINATION OR EXPIRATION

13.1 TERMINATION OF DEVELOPMENT RIGHTS

Upon the termination or expiration of this Agreement, the Developer will have no right to establish or operate any Uno Restaurant for which a Franchise Agreement has not been executed by the Franchisor and delivered to the Developer, and the Initial Franchise Fee paid by the Developer to the Franchisor, before termination or expiration of this Agreement.

13.2 REVERSION OF RIGHTS TO FRANCHISOR

If the Franchisor exercises any of its rights in Article 12.6, or if this Agreement expires or is terminated, the Franchisor will be entitled to establish, and to license others to establish, Uno Restaurants in the Territory, or in the portion thereof no longer part of the Territory, or pursuant to any other modification of the Developer's territorial rights, except as may be otherwise provided under any Franchise Agreement which is then in effect between the Franchisor and the Developer or any approved Affiliate of the Developer.

13.3 FRANCHISE AGREEMENTS NOT AFFECTED

No Event of Default under this Agreement will constitute a default under any Franchise Agreement between the parties (including any approved Affiliate of the Developer) hereto, unless the default is also a default under the terms of such Franchise Agreement.

13.4 FRANCHISOR'S RIGHT TO PURCHASE

Upon the occurrence of an Event of Default and the termination of this Agreement, the Franchisor will have the right to purchase the assets of all of the Uno Restaurants opened pursuant to Franchise Agreements executed under the terms of this Agreement. The terms and conditions of the purchase transaction, including but not limited to, the purchase price for the assets of such Uno Restaurants,

will be determined in accordance with the provisions contained in the applicable Franchise Agreement permitting the Franchisor to purchase, at its option, such assets upon termination or expiration of the Franchise Agreement.

13.5 CONTINUATION OF CONFIDENTIALITY AND NON-COMPETITION OBLIGATIONS

Upon termination or expiration of this Agreement, the Developer and the Principals will comply with the restrictions on Confidential Information contained in ARTICLE 7 and the covenants contained in ARTICLE 8.

ARTICLE 14 INDEMNIFICATION

14.1 INDEMNIFICATION BY DEVELOPER AND PRINCIPALS

The Developer and each of the Principals will, at all times, defend with counsel of the Franchisor's choosing, indemnify and hold harmless to the fullest extent permitted by law, the Franchisor, its officers and directors, its Affiliates, and its Affiliates' officers and directors from all Losses and Expenses (as defined in Article 18.8) incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) that arises out of, relates to or is based upon any of the following: (a) the infringement, alleged infringement or any other violation or alleged violation by the Developer or any of the Principals of any patent, trademark or copyright or other proprietary right owned or controlled by third parties; (b) the violation, breach or asserted violation or breach by the Developer or any of the Principals of any federal, state or local law, rule or regulation; (c) libel, slander or any other form of defamation of the Franchisor, the Business System or any developer or franchisee operating under the Business System, by the Developer or the Principals; (d) the violation or breach by the Developer or by any of the Principals of any warranty, representation, agreement or obligation in this Agreement or in any other agreement between the Developer and the Franchisor; and (e) any acts, errors or omissions of the Developer, any of the Principals, or any officer, director, shareholder, partner, agent, representative, independent contractor or employee of the Developer in connection with the establishment or operation of any of the Uno Restaurants.

14.2 NOTICE OF CLAIMS AND ACTIONS

The Developer will give the Franchisor immediate notice of any action, suit, proceeding, claim, demand, inquiry or investigation brought against the Developer or the Uno Restaurants. The Franchisor may, at its option, designate counsel of its own choosing, at the Developer's expense, with respect to the defense and/or settlement of such action, suit, proceeding, claim, demand, inquiry or investigation brought against the Developer or the Uno Restaurants. This undertaking by the Franchisor will not diminish or effect the Developer's and the Principals' indemnification obligations under this Article.

14.3 SETTLEMENTS

In order to protect persons or property, its reputation or goodwill, or the reputation or goodwill of others, the Franchisor may, at any time and without notice to the Developer or the Principals, in its sole judgment and discretion, consent or agree to settlements or take other remedial or corrective action as it deems expedient with respect to any action, suit, proceeding, claim, demand, inquiry or investigation if, in the Franchisor's sole judgment, there are reasonable grounds to believe that the settlement is in the best interests of all parties.

14.4 LOSSES AND EXPENSES

All Losses and Expenses incurred under this Article will be chargeable to and paid by the Developer or the Principals pursuant to their obligations of indemnity under this Article, regardless of any settlement, actions, activity or defense undertaken by the Franchisor or the subsequent success or failure of any settlements, actions, activity or defense.

14.5 LITIGATION

Under no circumstances will the Franchisor be required or obligated to seek recovery from third parties or otherwise mitigate its losses in order to maintain a claim against the Developer or any of the Principals. The Developer and the Principals agree that the failure to pursue such recovery or mitigate loss will not reduce the amounts recoverable from the Developer or any of the Principals by the Franchisor. The Developer and the Principals expressly agree that the terms of this Article will survive the termination, expiration or transfer of this Agreement or any interest herein.

ARTICLE 15 **VENUE AND JURISDICTION**

15.1 VENUE AND JURISDICTION

All litigation, court proceedings, lawsuits, court hearings and other hearings initiated by the Franchisor, the Developer and the Principals must and will be venued exclusively in the Federal District Court of Massachusetts or the appropriate Massachusetts state court in Suffolk County, Massachusetts. All non-judicial proceedings, such as mediation if agreed to by the parties, shall be heard in Boston, Massachusetts. The Franchisor, the Developer and the Principals and their respective officers, directors and shareholders do hereby agree and submit to personal jurisdiction in the State of Massachusetts for the purposes of any suit, proceeding or hearing brought to enforce or construe the terms of this Agreement or to resolve any dispute or controversy arising under, as a result of or in connection with this Agreement, or any Franchise Agreement executed pursuant to this Agreement, and do hereby agree and stipulate that any such suits, proceedings and hearings will be exclusively venued and held in Massachusetts. The Franchisor, the Developer and the Principals and their respective officers, directors and shareholders waive any rights to contest such venue and jurisdiction and any claims that such venue and jurisdiction are invalid and agree that service of process may be made upon any of them by any means permitted under Massachusetts law or federal law. Notwithstanding the foregoing, the Franchisor will have the right to commence an action against the Developer and/or the Principals in any court of competent jurisdiction for any actions against the Developer (a) for monies owed or (b) for injunctive relief or other extraordinary relief.

15.2 ACTIONS OCCURRING IN MASSACHUSETTS

The Developer, the Principals and the Franchisor acknowledge that the execution of this Agreement and acceptance of the terms by the parties occurred in West Roxbury, Massachusetts, and further acknowledge that the performance of certain obligations of the Developer arising under this Agreement, including, but not limited to, the payment of monies due hereunder and the satisfaction of certain training requirements of the Franchisor, will occur in West Roxbury, Massachusetts.

3. Covenantor agrees to pay all expenses (including court costs and reasonable attorneys' fees) incurred by the Franchisor and the Developer in enforcing this Agreement.
4. Any failure by the Franchisor or the Developer to object to or take action with respect to any breach of any provision of this Agreement by Covenantor will not operate or be construed as a waiver of or consent to that breach or any subsequent breach by Covenantor.

PIZZERIA UNO CORPORATION
FRANCHISE AGREEMENT AND DEVELOPMENT AGREEMENT**

This Addendum (this “Addendum”) is made and entered into this ____ day of _____, 20____, by and between Pizzeria Uno Corporation, a Delaware corporation (“the Franchisor”), and _____, a _____ (“the Franchisee”).

RECITALS:

A. The Franchisor and the Franchisee have entered into a Franchise Agreement or Development Agreement dated as of the date of this Addendum (the “Agreement”).

B. The Franchisee’s Uno Restaurant and/or Territory is located in the state of California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New Jersey, New York, North Dakota, Rhode Island, South Dakota, Washington or Wisconsin, or the laws of one of such states is otherwise applicable to the Agreement.

Now, therefore, The Franchisor and the Franchisee agree as follows:

1. The governing law provisions of the Agreement will be amended and revised as set forth in this Addendum. Each provision of this Addendum will be effective only to the extent that the jurisdictional requirements of the indicated state’s laws applicable to the provision are met independent of this Addendum, and this Addendum will have no force or effect if such jurisdictional requirements are not met.

(a) **California:** The California Department of Corporations requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. BUS. & PROF. CODE Article 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Article 20000 et seq. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement contains a provision regarding termination and nonrenewal that is inconsistent with California Business and Professions Code Articles 20000 through 20043 and the Federal Bankruptcy Code, these laws will control.

(ii) If the Agreement requires the Franchisee to execute a release of claims, such release will exclude claims arising under the California Franchise Investment Law and the California Franchise Relations Act.

(iii) If the Agreement requires the Franchisee to pay liquidated damages that are inconsistent with California Civil Code Article 1671, such law will prevail.

(iv) If the Agreement contains a covenant not to compete which extends beyond the expiration or termination of the Agreement, the covenant may be unenforceable under California law.

(v) If the Agreement requires litigation, arbitration or mediation to be conducted in a forum other than the State of California, the requirement may be unenforceable under California law.

(vi) If the Agreement requires that it be governed by the laws of a state other than the State of California, such requirement may be unenforceable.

(b) **Hawaii**: The Director of the Hawaii Department of Commerce and Consumer Affairs requires that certain provisions contained in franchise documents be amended to be consistent with Hawaii law, including the Hawaii Franchise Investment Law, Hawaii Revised Statutes, Title 26, Chapter 482E-1 Through 482E-12 (1988). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) The Hawaii Franchise Investment Law provides rights to the Franchisee concerning nonrenewal, termination and transfer of the Agreement. If the Agreement contains a provision that is inconsistent with the Law, the Law will control. Among those rights, the Law may require that upon termination or nonrenewal the Franchisor repurchase for fair market value the Franchisee's inventory, supplies, equipment and furnishings purchased from the Franchisor or a supplier designated by the Franchisor, provided that personalized materials which have no value to the Franchisor need not be repurchased. If the non-renewal or termination is for the purpose of converting the Franchisee's business to one owned and operated by the Franchisor, the Franchisor may, additionally, be obligated to compensate the Franchisee for loss of goodwill. The Franchisor may deduct all amounts due from the Franchisee and any costs related to the transportation or disposition of items repurchased against any payment for those items. If the parties cannot agree on the fair market value, fair market value will be determined in the manner set forth in the Agreement. If the Agreement does not provide for determination of the fair market value of assets for purchase by the Franchisor, such amount will be determined by an independent appraiser approved by both parties, and the costs of the appraisal will be shared equally by the parties.

(ii) If the Agreement requires the Franchisee to execute a release of claims, such release will exclude claims arising under the Hawaii Franchise Investment Law.

(c) **Illinois**: The Illinois Attorney General's Office requires that certain provisions contained in franchise documents be amended to be consistent with Illinois law, including the Franchise Disclosure Act of 1987 [815 ILCS 705/1 705/44. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) Illinois Franchise Disclosure Act paragraphs 705/19 and 705/20 provide rights to the Franchisee concerning nonrenewal and termination of the Agreement. If the Agreement contains a provision that is inconsistent with such provisions of the Act, the Act will control.

(ii) Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of the Act or any other law of the State of Illinois is void. Accordingly, if the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule or order under the Act, such release will exclude claims arising under the Illinois

Franchise Disclosure Act, and such acknowledgments will be void and are hereby deleted with respect to claims under the Act.

(iii) If the Agreement requires litigation to be conducted in a forum other than the State of Illinois, the requirement will be void with respect to claims under the Illinois Franchise Disclosure Act.

(iv) If the Agreement requires that it be governed by the laws of a state other than the State of Illinois, to the extent that such law conflicts with the Illinois Franchise Disclosure Act, the Act will control.

(v) Any disclaimer of claims by the Franchisor set forth in the Agreement is void with respect to claims arising under the Illinois Franchise Disclosure Act.

(vi) Any acknowledgement regarding receipt of documents or information by the Franchisee set forth in the Agreement is void with respect to claims arising under the Illinois Franchise Disclosure Act.

(d) Indiana: The Indiana Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with Indiana law, including the Indiana Franchises Act, Ind. Code Ann. §§ 1-51 (1994) and the Indiana Deceptive Franchise Practices Act, Ind. Code Ann. § 23-2-2.7 (1985). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement contains a provision regarding termination and nonrenewal that is inconsistent with these provisions of the Indiana Deceptive Franchise Practices Act, the Act will control.

(ii) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule or order under the Act, such release will exclude claims arising under the Indiana Deceptive Franchise Practices Act and the Indiana Franchises Act, and such acknowledgments will be void with respect to claims under the Acts.

(iii) If the Agreement contains covenants not to compete upon expiration or termination of the Agreement that are inconsistent with the Indiana Deceptive Franchise Practices Act, the requirements of the Act will control.

(iv) The Indiana Deceptive Franchise Practices Act provides that substantial modification of the Agreement by the Franchisor requires written consent of the Franchisee. If the Agreement contains provisions that are inconsistent with this requirement, the Act will control.

(v) If the Agreement requires litigation to be conducted in a forum other than the State of Indiana, the requirement may be unenforceable as a limitation on litigation under the Indiana Deceptive Franchise Practices Act § 23-2-2.7(10).

(vi) If the Agreement requires that it be governed by the laws of a state other than the State of Indiana, to the extent that such law conflicts with the Indiana Deceptive Franchise Practices Act and the Indiana Franchises Act, the Acts will control.

(e) **Maryland**: The Maryland Securities Division requires that certain provisions contained in franchise documents be amended to be consistent with Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann., Bus. Reg. §§ 4-201 - 14-233 (1994). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Law, or a rule or order under the Law, such release will exclude claims arising under the Maryland Franchise Registration and Disclosure Law, and such acknowledgments will be void with respect to claims under the Law.

(ii) All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law. Pursuant to COMAR 02.02.08.16L, the general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

(iii) Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

(iv) If the Agreement requires litigation to be conducted in a forum other than the State of Maryland, the requirement will not be interpreted to limit any rights the Franchisee may have under Sec. 14-216 (c)(25) of the Maryland Franchise Registration and Disclosure Law to bring suit in the state of Maryland.

(v) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

(vi) The provisions of Franchise Agreement Articles 27.1, 27.2. and 27.3 are deleted from the Franchise Agreement and such acknowledgments will be void with respect to claims under the Law.

(vii) The provisions of Development Agreement Articles 19.1, 19.2. and 19.3 are deleted from the Development Agreement and such acknowledgments will be void with respect to claims under the Law.

(f) **Michigan**: The Michigan Franchise Investment Law, Mich. Comp. Laws § 445.1527, prohibits certain unfair provisions that may appear in franchise documents. If any of the following

provisions are in the Agreement, such provision(s) are void and cannot be enforced against the Franchisee under Michigan law:

- (i) A prohibition on the right of the Franchisee to join an association of franchisees.
- (ii) A requirement that the Franchisee assent to a release, assignment, novation, waiver or estoppel which deprives the Franchisee of rights and protections provided in the Michigan Franchise Investment Law. This section will not preclude the Franchisee, after entering into the Franchise Agreement, from settling any and all claims.
- (iii) A provision that permits the Franchisor to terminate the Franchise prior to the expiration of its term except for good cause. Good cause will include the failure of the Franchisee to comply with any lawful provisions of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (iv) A provision that permits the Franchisor to refuse to renew the Franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This section applies only if: (1) the term of the Franchise is less than 5 years; and (2) the Franchisee is prohibited by the Franchise or other Agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo-type, advertising or other commercial symbol in the same area subsequent to the expiration of the Franchise, or the Franchisee does not receive at least six months advance notice of the Franchisor's intent not to renew the Franchise.
- (v) A provision that permits the Franchisor to refuse to renew the Franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (vi) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This section will not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside the State of Michigan.
- (vii) A provision which permits the Franchisor to refuse to permit a transfer of ownership of the Franchise, except for good cause. This section does not prevent the Franchisor from exercising a right of first refusal to purchase the Franchise. Good cause will include, but is not limited to: (1) the failure of the proposed transferee to meet the Franchisor's then-current reasonable qualifications or standards; (2) the fact that the proposed transferee is a competitor of the Franchisor or subfranchisor; (3) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; and (4) the failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- (viii) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This section does not prohibit a provision that grants to

the Franchisor a right of first refusal to purchase the assets of the Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this section prohibit a provision that grants the Franchisor the right to acquire the assets of the Franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in section (iii).

(ix) A provision which permits the Franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

(g) Minnesota: The Commissioner of Commerce for the State of Minnesota requires that certain provisions contained in franchise documents be amended to be consistent with Minnesota Franchise Act, Minn. Stat. Article 80.01 et seq., and of the Rules and Regulations promulgated under the Act (collectively the “Franchise Act”). To the extent that the Agreement and Offering Circular contain provisions that are inconsistent with the following, such provisions are hereby amended:

(i) The Minnesota Department of Commerce requires that the Franchisor indemnify the Franchisee against liability to third parties resulting from claims by third parties that the Franchisee’s use of the Intellectual Properties infringes trademark rights of the third party. If the Agreement contains a provision that is inconsistent with this Franchise Act, the provisions of the Agreement will be superseded by the Act’s requirements and will have no force or effect.

(ii) With respect to franchises governed by Minnesota law, the Franchisor will comply with Minn. Stat. §80C.14, subd. 3-5, which require good cause and except in certain specified cases (i) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (ii) that consent to the transfer of the franchise will not be unreasonably withheld. Franchise Act, Sec. 80C.14, Subd. 4., requires, except in certain specified cases, that a Franchisee be given written notice of the Franchisor’s intention not to renew 180 days prior to expiration of the Franchise and that the Franchisee be given sufficient opportunity to operate the Franchise in order to enable the Franchisee the opportunity to recover the fair market value of the Franchise as a going concern. If the Agreement contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement will be superseded by the Act’s requirements and will have no force or effect.

(iii) Franchise Act, Sec. 80C.14, Subd. 3., requires, except in certain specified cases that the Franchisee be given 90 days notice of termination (with 60 days to cure). If the Agreement contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement will be superseded by the Act’s requirements and will have no force or effect.

(iv) Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a release that would relieve any person from liability imposed by Minnesota Statutes, Chapter 80C. If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release will exclude claims arising under the Franchise Act, and such acknowledgments will be void with respect to claims under the Act.

(v) If the Agreement requires that it be governed by the laws of a state other than the State of Minnesota, those provisions will not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota. Minnesota Stat. § 80C.21 and Minn. Rule 2860.4400J provide that provisions of the Franchise Agreement and Development Agreement which designate jurisdiction or venue outside of Minnesota are unenforceable, and further provide that no provision of this Disclosure Document or the Franchise Agreement or Development Agreement can abrogate or reduce any of the rights as provided for under Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedy provided for by the laws of Minnesota.

(vi) Minnesota Stat. § 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from: (i) requiring litigation to be conducted outside Minnesota; (ii) requiring waiver of a jury trial; and (iii) requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. Nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (i) any of the franchisee's rights as provided for in Minnesota Franchise Act or (ii) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. If the Agreement contains a provision that is inconsistent with such Rules, the provisions of the Agreement will be superseded by the Rule's requirements and will have no force or effect.

(vii) Franchise Act, Sec. 80C.17, Subd. 5 provides that no action may be commenced under the Franchise Act more than 3 years after the cause of action accrues. If the Agreement contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement will be superseded by the Act's requirements and will have no force or effect.

(viii) NSF checks and related interest and attorneys' fees are governed by Minnesota Statute § 604.113, which puts a cap of \$30 on initial service charges and requires notice and opportunity to cure prior to assessing interest and attorneys' fees.

(ix) The franchisee cannot be required to consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400(J). Also, a court will determine if a bond is required.

(x) The Limitations of Claims section must comply with Minnesota Stat. § 80C.17, subd. 5.

(xi) Minnesota Rules 2860.4400(G) prohibits a franchisor from imposing on a franchisee by contract or rule, whether written or oral, any standard of conduct that is unreasonable.

(xii) No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with this franchise.

(h) New Jersey: The New Jersey Franchise Practices Act, New Jersey Rev. Stat. §§ 56:10-5 through 56:10-7 requires that certain provisions contained in franchise documents be amended consistent with New Jersey law. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) Section 5 of the New Jersey Franchise Practices Act provides that, except in certain specified cases, it will be a violation of the Act for the Franchisor to terminate, cancel, or fail to renew the Franchise without having first given written notice setting forth all the reasons for such termination, cancellation, or intent not to renew to the Franchisee at least 60 days in advance of such termination, cancellation, or failure to renew. If the Agreement contains provisions that are inconsistent with the Act, the provisions of the Agreement will be superseded by the Act's requirements and will have no force or effect.

(ii) Section 6 of the New Jersey Franchise Practices Act imposes certain restrictions on the assignment of the Agreement by the Franchisee. If the Agreement contains provisions that are inconsistent with the Act, the provisions of the Agreement will be superseded by the Act's requirements and will have no force or effect.

(iii) Section 7 of the New Jersey Franchise Practices Act provides that it will be a violation of the Act for the Franchisor to: (1) require the Franchisee at time of entering into a franchise arrangement to assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability imposed by the Act; (2) prohibit directly or indirectly the right of free association among franchisees for any lawful purpose; (3) require or prohibit any change in management of the Franchisee unless such requirement or prohibition of change will be for good cause, which cause will be stated in writing by the Franchisor; (4) restrict the sale of any equity or debenture issue or the transfer of any securities of the Franchisee or in any way prevent or attempt to prevent the transfer, sale or issuance of equity securities or debentures to employees, personnel of the Franchisee, or spouse, child or heir of an Owner, as long as basic financial requirements of the Franchisor are complied with, and provided any such sale, transfer or issuance does not have the effect of accomplishing a sale or transfer of control, including, but not limited to, change in the persons holding the majority voting power of the Franchisee, and provided that nothing contained in this subsection will excuse the Franchisee's obligation to provide prior written notice of any change of ownership to the Franchisor; (5) impose unreasonable standards of performance upon the Franchisee; or (6) provide any term or condition in any lease or other agreement ancillary or collateral to the Franchise, which term or condition directly or indirectly violates the Act. If the Agreement contains provisions that are inconsistent with the Act, the provisions of the Agreement will be superseded by the Act's requirements and will have no force or effect.

(i) **New York:** The New York Department of Law requires that certain provisions contained in franchise documents be amended to be consistent with New York law, including the General Business Law, Article 33, Articles 680 through 695 (1989). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the General Business Law, or any regulation, rule or order under the Law, such release will exclude claims arising under the New York General Business Law, Article 33, Article 680 through 695 and the regulations promulgated thereunder, and such acknowledgments will be void. It is the intent of this provision that non-waiver provisions of Articles 687.4 and 687.5 of the General Business Law be satisfied.

(ii) If the Agreement requires that it be governed by the laws of a state other than the State of New York, the choice of law provision will not be considered to waive any rights conferred upon the Franchisee under the New York General Business Law, Article 33, Articles 680 through 695.

(j) **North Dakota**: The North Dakota Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with North Dakota law, including the North Dakota Franchise Investment Law, North Dakota Century Code Annotated Chapter 51-19, Articles 51-19-01 through 51-19-17 (1993). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Law, or a rule or order under the Law, such release will exclude claims arising under the North Dakota Franchise Investment Law, and such acknowledgments will be void with respect to claims under the Law.

(ii) Covenants not to compete during the term of and upon termination or expiration of the Agreement are enforceable only under certain conditions according to North Dakota law. If the Agreement contains a covenant not to compete which is inconsistent with North Dakota law, the covenant may be unenforceable.

(iii) If the Agreement requires litigation to be conducted in a forum other than the State of North Dakota, the requirement is void with respect to claims under the North Dakota Franchise Investment Law.

(iv) If the Agreement requires that it be governed by the laws of a state other than the State of North Dakota, to the extent that such law conflicts with the North Dakota Franchise Investment Law, the North Dakota Franchise Investment Law will control.

(v) If the Agreement requires mediation or arbitration to be conducted in a forum other than the State of North Dakota, the requirement may be unenforceable under the North Dakota Franchise Investment Law. Arbitration involving a franchise purchased in the State of North Dakota must be held either in a location mutually agreed upon prior to the arbitration or if the parties cannot agree on a location, the location will be determined by the arbitrator.

(vi) If the Agreement requires payment of a termination penalty or a waiver of exemplary or punitive damages, the requirement or waiver may be unenforceable under the North Dakota Franchise Investment Law. If the Agreement requires the franchisee to consent to a limitation of claims, the limitation may not be enforceable and the statute of limitations under North Dakota law applies.

(k) **Rhode Island**: The Rhode Island Securities Division requires that certain provisions contained in franchise documents be amended to be consistent with Rhode Island law, including the Franchise Investment Act, R.I. Gen. Law. ch. 395 Sec. 19-28.1-1 - 19-28.1-34. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(ii) If the Agreement requires that it be governed by the laws of a state other than the State of Rhode Island, to the extent that such law conflicts with Rhode Island Franchise Investment Act it is void under Sec. 19-28.1-14.

(iii) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule or order under the Act, such release will exclude claims arising under the Rhode Island Franchise Investment Act, and such acknowledgments will be void with respect to claims under the Act.

(l) South Dakota:

1. If the Franchised Business will be located in the State of South Dakota, then the Initial Franchise Fee payable by the Franchisee pursuant to Article 4.1 of the Franchise Agreement and, if applicable, the fees payable by the Developer pursuant to Article 3.1 of the Development Agreement, will be deferred until such time as the Franchisor completes its initial obligations and the Franchisee commences business at its first Uno Restaurant Business. If the Franchise Agreement or Development Agreement is terminated by either party for any reason, then the Franchisee will reimburse the Franchisor for all administrative and out-of-pocket expenses incurred by the Franchisor in connection with the Franchisee's business prior to termination. The Franchisee must reimburse the Franchisor for these expenses within 10 days after receipt of an invoice from the Franchisor indicating the amount owed.

2. The Director of the South Dakota Division of Insurance - Securities Regulation requires that certain provisions contained in franchise documents be amended to be consistent with South Dakota law, including the South Dakota Franchises for Brand-Name Goods and Services Law, South Dakota Codified Laws, Title 37, Chapter 37-5B-1 through 37-5B-53 (2008). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) If the Agreement requires the Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Law, or a rule or order under the Law, such release will exclude claims arising under the South Dakota Franchises for Brand-Name Goods and Services Law, and such acknowledgments will be void with respect to claims under the Law.

(ii) Covenants not to compete upon termination or expiration of the Agreement are generally unenforceable in the state of South Dakota, except in certain limited instances as provided by law. If the Agreement contains a covenant not to compete which is inconsistent with South Dakota law, the covenant may be unenforceable.

(iii) Regardless of the terms of the Agreement concerning termination, if the Franchisee fails to meet performance and quality standards or fails to make any royalty payments under the

Agreement, the Franchisee will be afforded 30 days' written notice with an opportunity to cure the default before termination.

(iv) If the Agreement requires payment of liquidated damages that are inconsistent with South Dakota law, the liquidated damage clauses may be void under SDCL 53-9-5.

(v) If the Agreement requires litigation to be conducted in a forum other than the State of South Dakota, the requirement is void with respect to any cause of action otherwise enforceable under South Dakota Law.

(vi) If the Agreement requires that it be governed by the laws of a state other than the State of South Dakota, matters regarding franchise registration, employment, covenants not to compete and other issues of local concern will be governed by the laws of the State of South Dakota; but as to contractual and all other matters, the Agreement and all provisions of this Amendment will be and remain subject to the application, construction, enforcement, interpretation under the governing law set forth in the Agreement.

(vii) If the Agreement requires that disputes between the Franchisor and the Franchisee be mediated/arbitrated at a location that is outside the State of South Dakota, the mediation/arbitration will be conducted at a location mutually agreed upon by the parties. If the parties cannot agree on location for the mediation/arbitration, the location will be determined by the mediator/arbitrator selected.

(m) Washington: The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, WA Rev. Code §§ 19.100.010 to 19.100.940 (1991). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) The Washington Franchise Investment Protection Act provides rights to the Franchisee concerning nonrenewal and termination of the Agreement. If the Agreement contains a provision that is inconsistent with the Act, the Act will control.

(ii) If the Agreement requires the Franchisee to execute a release of claims, such release will exclude claims arising under the Washington Franchise Investment Protection Act; except when the release is executed under a negotiated settlement after the Agreement is in effect and where the parties are represented by independent counsel. If there are provisions in the Agreement that unreasonably restrict or limit the statute of limitations period for claims brought under the Act, or other rights or remedies under the Act, those provisions may be unenforceable.

(iii) If the Agreement requires litigation, arbitration or mediation to be conducted in a forum other than the State of Washington, the requirement may be unenforceable under Washington law. Arbitration involving a franchise purchased in the State of Washington must either be held in the State of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

(iv) If the Agreement requires that it be governed by the laws of a state other than the State of Washington, and there is a conflict between the law and the Washington Franchise Investment Protection Act, the Washington Franchise Investment Protection Act will control.

(n) **Wisconsin**: The Securities Commissioner of the State of Wisconsin requires that certain provisions contained in franchise documents be amended to be consistent with Wisconsin Fair Dealership Law, Wisconsin Statutes, Chapter 135 (“Fair Dealership Law”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

(i) The Wisconsin Fair Dealership Law, among other things, grants the Franchisee the right, in most circumstances, to 90 days’ prior written notice of non-renewal and 60 days within which to remedy any claimed deficiencies. If the Agreement contains a provision that is inconsistent with the Wisconsin Fair Dealership Law, the provisions of the Agreement will be superseded by the Law’s requirements and will have no force or effect.

(ii) If the Agreement requires that it be governed by the laws of a state other than the State of Wisconsin, to the extent that any provision of the Agreement conflicts with the Wisconsin Fair Dealership Law such provision will be superseded by the law’s requirements.

2. To the extent this Addendum will be deemed to be inconsistent with any terms or conditions of the Agreement or the exhibits or attachments thereto, the terms of this Addendum will govern. All other terms and conditions of the Agreement will remain the same.

IN WITNESS WHEREOF, each of the parties hereto has caused this Addendum to be executed by its duly authorized representative as of the date first above written.
