What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Inventory Control.** You must make inventory and supply purchases from our affiliate that reflect 30% of Cost of Goods Sold annually, even if you do not need the inventory. Your inability to maintain the 30% Cost of Goods Sold ration may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.

- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to: (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards; (ii) The fact that the proposed transferee is a competitor of the franchisor or sub franchisor; (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; (iv) The failure of the franchisee or

proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

Months 7-12 after the Effective Date of this Agreement	\$750 (Standard Territory)
	\$500 (Micro-Territory)
Months 13 and beyond after the Effective Date of this Agreement	\$1,500 (Standard Territory)
	\$1,000 (Micro-Territory)

If your year-to-date Gross Sales meet the thresholds set forth in the chart below, then you will pay the corresponding reduced Royalty:

	Gross Sales	Royalty %

Threshold 2	\$750,000.01 - \$1,500,000	5%
Threshold 3	\$1,500,000.01 +	4%

If and when you exceed a threshold, the reduced Royalty is effective the month after the threshold is reached and remains effective for the remainder of the calendar year and the following calendar year. If

the threshold is not reached in the second calendar year of the reduced royalty, then the reduced Royalty amount reverts to the appropriate Royalty in accordance with the above chart(s), at the beginning of the next calendar year.

If you operate Businesses in multiple, contiguous Territories in the same market under separate Franchise Agreements, you may aggregate your Gross Sales from these contiguous Businesses for purposes of calculating your year-to-date Gross Sales, in order to determine whether you have met a Threshold for reduced Royalty.

Notes Applicable to Both Tables:

*None of the fees paid to us are refundable. The fees paid to VHPC are refundable, less a 25% restocking fee, if you return items purchased from them in new condition. Whether such fees paid to third parties are refundable would depend upon the policies of the third parties.

1. Initial Franchise Fee. We offer a 10% discount on the initial franchise fee for a Veteran honorably discharged from any branch of the U.S. armed forces within ten (10) years of applying for a franchise with us. We offer a 10% discount on the initial franchise fee for a first responder that has retired within ten (10) years of applying for a franchise with us. The initial franchise fee is due to us in full when you return to us signed copies of your Franchise Agreement, and before you attend initial training.

The Initial franchise fee is fully earned when paid and is not refundable.

2. Equipment, Furniture, Fixtures, and Signage. You will pay approximately \$23,500 of this amount to our affiliate, VHPC, for installation equipment, coating materials, sundry items, and trade show floor, and the remainder to third party vendors.

3. Vehicle. You must own, purchase or lease the number of vehicles (“Vehicles”) meeting our standards and specifications on which the GarageExperts advertising wrap is placed that are needed to enable you to meet customer demand. These figures include the estimated upfront costs and the first three months’ payments (a total of approximately \$700) to lease a vehicle if you do not already have one, as well as the estimated cost to make certain modifications and additions to the vehicle(s) as we require, including, installing decals, vehicle wraps, logos, and racks. Your costs may vary and we expect the vehicle wrap will cost at least \$1,000.

4. Computer Hardware and Software. These are the estimated costs for a laptop and designer software. We have not included the cost of required hardware and software maintenance agreements, if any. These amounts also include the \$1,000 Technology Set Up Fee paid to us.

5. Cellular phone. You will need a cell phone. Your costs may vary.

6. Wages, Travel and Living Expenses During Training. You must pay the expenses of person attending the Initial Training Program including transportation, lodging, meals and wages. The amount will depend, in part, on the distance the attendees must travel and the type of accommodations you choose. The estimates above contemplate the training of 2 persons for 5 days in Grapevine, Texas.

7. Leasing Costs. You are required to lease a small warehouse space that has an attached office space for your operations.

8. Advertising. This estimate covers a start-up advertising budget online advertising, and other advertising.

9. Insurance Deposits and Premiums. This is an estimated down payment against the annual premiums you must pay for the insurance required under the Franchise Agreement and Manuals. This estimate is for workers' compensation, errors and omissions, automobile, and comprehensive general liability insurance.

10. Licenses and Permits. You will need appropriate state and local licenses to operate this business. Your costs may vary.

11. Professional Fees. You should have an attorney or accountant assist you with this franchise purchase, entity set up, and ongoing bookkeeping needs.

12. Miscellaneous Supplies. You will need miscellaneous supplies. Your costs will vary.

13. Additional Funds- 3 months. You will need additional funds for miscellaneous costs, any payroll, and other expenses. These figures are estimates of your initial expenses covering the first three months of your operation, which we base upon our years of experience with this franchise concept.

14. Total. Does not include royalties or advertising fees. We cannot guarantee that you will not have additional expenses starting the business. Do not construe the estimates as a break-even point. Your costs will depend on: how well you follow our methods and procedures; your management skills; experience and business acumen; local economic conditions; the local market for our services; the prevailing wage rate; competition; and the sales level reached during the initial period. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

Pre-Opening Obligations

Before you open your business, we will:

Operations Manual. We will provide to you an Operations Manual (“Manual”). (Franchise Agreement, Section 6.3.2).

Site Selection.

If you have not found a location for your Office when you sign the Franchise Agreement, you must promptly (within 180 days) locate a site within your Trade Area for your Office which

meets our current standards and specifications. Your Office and warehouse must be located in your territory and meet our then-current standards and specifications. We provide to you criteria to help you select a site and must approve any site you select before you sign a lease for that location. We do not generally own the premises and lease it to you. We do not select the site. We consider the following factors in approving your site selection: suitability for the franchise purposes, location within the territory, and other pertinent criteria. We will typically approve or disapprove a proposed site within 14 days of your submission to us of the pertinent information on the proposed site. In the unlikely event that you and we cannot agree on a site, then we can terminate the franchise agreement, or allow you more time to search for a site that we can agree upon.

Time to Open

We estimate the typical length of time between signing a Franchise Agreement and opening a new Business is between 30 and 90 days after you sign your Franchise Agreement. Factors affecting this length of time (and which may extend it beyond the range given) can include your ability to locate an acceptable site for your Office, obtain a lease, financing, building permits, zoning compliance and/or variances, local ordinances, weather conditions which might affect construction, shortages, delayed installation of equipment, fixtures and signs, obtaining leases and/or financing for your Vehicles, and how soon you can begin to receive training. We reserve the right to terminate the franchise agreement if you have not begun operating in your territory within 120 days.

Obligations After Opening.

5. We will approve or disapprove any advertising, direct mail, identification and promotional materials and programs you propose to use in connection with local advertising. (Franchise Agreement, Section 8.1). The materials will be deemed disapproved if we have not approved the materials within 15 days of your submission.

Training materials include our Manuals, PowerPoint presentations, and vendor samples.

At your request and subject to availability, we will also offer you a week of training with an independently owned GarageExperts franchisee where you can do ride alongs to see the day to day operations of a successful operation. This extra training experience has proven to be a great experience where new owners can gain important knowledge that allows them to ramp up at a faster pace. The only additional costs would be travel, food and lodging. We have found that new locations who participate in this program ramp up much faster in their first year when compared to locations that did not participate.

At your request and subject to our availability, we will also offer you the opportunity to receive refresher training, at no additional charge, at our corporate office in Grapevine, TX (Franchise Agreement Section 6.2) covering basically the same topics offered in our Initial Training Program, as in effect from time to time. You must bear all expenses incurred by you and your personnel to attend the refresher training, the amount of which we cannot meaningfully estimate as they will depend on how far you must travel and your choice in transportation, accommodations and meals.

We may also offer you additional optional or mandatory training courses or programs (“Additional Training”). The Additional Training may also make optional training courses or programs available to you on a national or regional basis at locations we select, to instruct you on new procedures or programs. The time and place of the Additional Training courses shall be at our sole discretion. In the case of mandatory programs, we will not obligate you to attend more than one such program, or for more than 2 to 4 days, in our sole direction, in any calendar year. We will not charge a fee for mandatory Additional Training that we require you and/or your

personnel, but may establish charges to attend optional Additional Training. You bear all expenses for you and your personnel while attending Additional Training, regardless of whether the Additional Training is required or optional. (Franchise Agreement Section 6.4)

We may periodically schedule an annual convention or other system-wide or regional meeting at locations that we choose. If we schedule this convention or meeting, you (or your personnel that we designate) must attend, unless excused by us for good cause. You must pay us the current fee to attend and all travel expenses that you or your personnel incur in connection with attending these meetings. Some travel expenses may include a mandatory room at a location due to franchisor negotiating a block rate at the location. (Franchise Agreement Section 6.5).

You must train each of your employees and all installers to our satisfaction in accordance with the Manuals. Before you begin operation of your Business, and at all times during the Term of your franchise, you must employ the number of trained employees and installers necessary, in our judgment, to adequately operate the Business. (Franchise Agreement Section 6.2).

ITEM 12 TERRITORY

We grant you the right to operate a single Business, including a warehouse with an attached Office acceptable to us, within a specific geographic area (the “Trade Area”). You may not relocate your Office to any other location without our consent.

Your Trade Area will be described on Schedule 1 to your Franchise Agreement and it will contain approximately 75,000 – 100,000 Qualified Households in a **Standard Territory** or approximately 25,000 – 74,999 Qualified Households in a **Micro-Territory**.

Qualified Household means an “Owner Occupied Unit” determined by data issued by the United States Census Bureau, or other reliable source which we deem appropriate. The exact geographic boundaries of your Trade Area will be determined by us, based on criteria such as the number of Qualified Households in the area and the territorial rights which have previously been given to existing licensees and franchisees in the surrounding areas. Your Trade Area may be defined by reference to streets, natural boundaries or zip codes or may be one or more cities, counties, states, or some other defined area. Where a street boundary is used, the center of the street is the boundary.

You may not relocate your Office without our prior written consent. We will try to approve or reject your request to relocate your Office (if within your Trade Area) within 15 days of the date you submit all information we require.

We would not normally grant to you approval to open an additional outlet within your territory, but may grant you additional franchise territories if we feel you have the time, energy, capital, and management structure to be able to successfully open and operate another territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

If we authorize you to operate outside the Trade Area, such authorization shall at all times be and remain subject to our right to rescind, cancel, amend or modify such authority in any manner we deem appropriate in our sole and absolute discretion.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Minimum Purchase Requirements; Loss of Territorial Rights.

You agree that you will purchase from our Affiliate, Versatile High-Performance-Coatings, LLC, cabinets, floor coatings, garage cabinet storage systems, accessories, specialized application tools, and supplies in the minimum amount of 30% of your Cost of Goods Sold annually (the “**Minimum Purchase Requirements**”).

If you fail to meet the Minimum Purchase Requirements, we shall have the right to take any one or more of the following actions: (a) perform a financial audit on your franchise; (b) unilaterally reduce the size of the Trade Area; (c) unilaterally terminate your territorial rights in the Trade Area; or (d) terminate the Franchise Agreement.

Otherwise, continuation of your territorial rights does not depend on achieving a certain sales volume, market penetration, or other contingency, and we may not alter your franchise territory, even if there is a population increase in your territory.

We or an affiliate reserves the right to use other channels of distribution or lead generation, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet.

We or an affiliate also reserves the right to use other channels of distribution or lead generation, such as the Internet, catalog sales, trade shows, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

Unless we agree otherwise, or set forth an applicable exemption in any cross-territorial protocols that we may adopt, you may not solicit (including by using other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing) or accept orders from customers outside of your Trade Area. If you render services or provide products to customers located in another franchisee’s trade area, you may be required to pay us the Infringement Fee.

However, you may engage in internet and social media marketing pursuant to our guidelines which such marketing may extend outside your territory.

We reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple

territories, attendance of Home or Trade Shows that may generate leads from multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

We expressly reserve all other rights. These include the unrestricted right to:

(a) own or operate, and license others to own and operate (i) Businesses at any location outside of your Trade Area, and (ii) business which may be similar to GarageExperts Businesses but which operate under names other than “GarageExperts” at any location within or outside of your Trade Area;

(b) own or operate, and license others to manufacture, produce, license, distribute and market products (whether or not under the Marks), including cabinets, floor coatings, floor coverings, racking, modular storage systems, and accessories, through any outlet (within or outside of your Trade Area), including home improvement stores, hardware stores, specialty stores and through any distribution channel, at wholesale or retail, including by means of the Internet, Internet web site, mail order catalogs, direct mail advertising and other distribution methods;

(c) acquire or be acquired by, and subsequently operate and license others to operate non-“GarageExperts” businesses which may offer customized residential garage storage design and installation services or related goods and services at any location and of any time or category whatsoever, within or outside of your Trade Area;

(d) provide services to a customer in your Trade Area if the customer is a National Account;

(e) advertise within and travel through your Trade Area; and

(f) There shall be a 3-month exemption from performing work in a new protected territory that was just issued to a new franchisee. The original franchisee shall have the right to complete work up to three months after the new territory is issued so long as they can show that the estimate was performed before the new territory was issued. Proof of estimate timing shall reside in our operations and customer management system, if there is no evidence of the estimate being done in the operations and customer management system prior to the new territory being issued then the franchisee will be subject to the trade area infringement fee as listed in section 5.5 of the Franchise Agreement if they perform the work.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

Note 3- “Cost of Goods Sold and Labor Costs Calculation Method Used” is defined as purchases made from the primary vendor that was reported using purchase history specific to each franchise location for coating products, cabinet and storage products, and sundry items. Does not include incidental purchases made from non-approved vendors. Owner compensation was not included as a labor expense in the calculation.

Note 4- “Gross Profit After Labor and Cost of Goods Sold” means Annual Gross Sales less any labor costs and material costs such as liquid coatings, cabinets, storage products and sundry items.

Note 5- “Gross Profit as a Percentage of Gross Sales” was calculated by dividing Gross Profit after Labor and Cost of Goods Sold into Annual Gross Sales.

Note 6- “Average Gross Profit after Labor and Costs of Goods Sold” as calculated through owner reported revenue less franchisee reported labor expenses and product purchases from the primary vendor.

Where a street boundary is used, the center of the street is the boundary.

You may not relocate your Office without our prior written consent. We will try to approve or reject your request to relocate your Office (if within your Trade Area) within 15 days of the date you submit all information we require.

We would not normally grant to you approval to open an additional outlet within your territory, but may grant you additional franchise territories if we feel you have the time, energy, capital, and management structure to be able to successfully open and operate another territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

If we authorize you to operate outside the Trade Area, such authorization shall at all times be and remain subject to our right to rescind, cancel, amend or modify such authority in any manner we deem appropriate in our sole and absolute discretion.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Minimum Purchase Requirements; Loss of Territorial Rights.

You agree that you will purchase from our Affiliate, Versatile High-Performance-Coatings, LLC, all cabinets, floor coatings, garage cabinet storage systems, accessories, application tools, and supplies in the minimum amount of 30% of your Cost of Goods Sold annually (the “**Minimum Purchase Requirements**”).

If you fail to meet the Minimum Purchase Requirements, we shall have the right to take any one or more of the following actions: (a) perform a financial audit on your franchise; (b) unilaterally reduce the size of the Trade Area; (c) unilaterally terminate your territorial rights in the Trade Area; or (d) terminate the Franchise Agreement.

Otherwise, continuation of your territorial rights does not depend on achieving a certain sales volume, market penetration, or other contingency, and we may not alter your franchise territory, even if there is a population increase in your territory.

We or an affiliate reserves the right to use other channels of distribution or lead generation, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet.

We or an affiliate also reserves the right to use other channels of distribution or lead generation, such as the Internet, catalog sales, trade shows, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

Unless we agree otherwise, or set forth an applicable exemption in any cross-territorial protocols that we may adopt, you may not solicit (including by using other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing) or accept orders from customers outside of your Trade Area. If you render services or provide products to customers located in another franchisee’s trade area, you may be required to pay us the Infringement Fee.

However, you may engage in internet and social media marketing pursuant to our guidelines which such marketing may extend outside your territory.

We reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, attendance of Home or Trade Shows that may generate leads from multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

We expressly reserve all other rights. These include the unrestricted right to:

(a) own or operate, and license others to own and operate (i) Businesses at any location outside of your Trade Area, and (ii) business which may be similar to GarageExperts Businesses but

which operate under names other than “GarageExperts” at any location within or outside of your Trade Area;

(b) own or operate, and license others to manufacture, produce, license, distribute and market products (whether or not under the Marks), including cabinets, floor coatings, floor coverings, racking, modular storage systems, and accessories, through any outlet (within or outside of your Trade Area), including home improvement stores, hardware stores, specialty stores and through any distribution channel, at wholesale or retail, including by means of the Internet, Internet web site, mail order catalogs, direct mail advertising and other distribution methods;

(c) acquire or be acquired by, and subsequently operate and license others to operate non-“GarageExperts” businesses which may offer customized residential garage storage design and installation services or related goods and services at any location and of any time or category whatsoever, within or outside of your Trade Area;

(d) provide services to a customer in your Trade Area if the customer is a National Account;

(e) advertise within and travel through your Trade Area; and

(f) There shall be a 3-month exemption from performing work in a new protected territory that was just issued to a new franchisee. The original franchisee shall have the right to complete work up to three months after the new territory is issued so long as they can show that the estimate was performed before the new territory was issued. Proof of estimate timing shall reside in our operations and customer management system, if there is no evidence of the estimate being done in the operations and customer management system prior to the new territory being issued then the franchisee will be subject to the trade area infringement fee as listed in section 5.5 of the Franchise Agreement if they perform the work.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

3.4 **Conditions Precedent to Entering into a Successor Franchise Agreement.** Your Successor Agreement Right is conditioned upon your fulfillment of each and all of the following conditions precedent:

3.4.1 At the time you deliver your Notice of Election to Company, and at all times thereafter until the commencement of the Successor Term, you shall have fully performed all of your material obligations under this Agreement, the Manuals and all other agreements then in effect between you and us or our Affiliates, and all agreements between you and Suppliers.

3.5 **Other Rights if New Franchises Are Not Offered.** If we are not offering new franchises at the time you deliver your Notice of Election, we may (i) offer to renew this Agreement upon the same terms set forth herein for a term equal to the Successor Term, or (ii) offer to allow you out of your post-term non-compete duties and to carry on business under your own name. The choice of which option to offer is ours alone.

ARTICLE 5 PAYMENTS

5.1 **Initial franchise fee.**

- (a) The initial franchise fee for a new franchise is \$50,000 per territory for a **Standard Territory** or \$35,000 per territory for a **Micro-Territory**.
- (b) We offer a 10% discount on the initial franchise fee for a Veteran honorably discharged from any branch of the U.S. armed forces or First Responders within ten (10) years of applying for a franchise with us.
- (c) We offer a 10% discount on the initial franchise fee for a first responder that has retired within ten (10) years of applying for a franchise with us.

- (d) The initial franchise fee is due to us in full when you return to us signed copies of your Franchise Agreement, and before you attend initial training, and is nonrefundable.

5.2 **Continuing Royalty.** You agree to pay to us a **Continuing Royalty** of 6% of Gross Sales each month subject to the following minimum amounts:

Time Frame	Minimum Dollar Amount Per Month
Months 1-6 after the Effective Date of this Agreement	\$500 (Standard Territory)
	\$250 (Micro-Territory)
Months 7-12 after the Effective Date of this Agreement	\$750 (Standard Territory)
	\$500 (Micro-Territory)
Months 13 and beyond after the Effective Date of this Agreement	\$1,500 (Standard Territory)
	\$1,000 (Micro-Territory)

If your year-to-date Gross Sales meet the thresholds set forth in the chart below, then you will pay the corresponding reduced Royalty:

	Gross Sales	Royalty %
Threshold 1	\$0 - \$750,000	6%
Threshold 2	\$750,000.01 - \$1,500,000	5%
Threshold 3	\$1,500,000.01 +	4%

If and when you exceed a threshold, the reduced Royalty is effective the month after the threshold is reached and remains effective for the remainder of the calendar year and the following calendar year. If the threshold is not reached in the second calendar year of the reduced royalty, then the reduced Royalty amount reverts to the appropriate Royalty in accordance with the above chart(s), at the beginning of the next calendar year.

If you operate Businesses in multiple, contiguous Territories in the same market under separate Franchise Agreements, you may aggregate your Gross Sales from these contiguous Businesses for purposes of calculating your year-to-date Gross Sales, in order to determine whether you have met a Threshold for reduced Royalty.

“Gross Sales” means the total amount of all sales and other income (whether sales are of a retail, wholesale or other nature) derived from conducting the Business or any other activities at or from the Premises and otherwise within the Designated Territory, whether or not amounts are collected and whether payment is made by way of cash, credit or otherwise. No allowance shall be made for bad debts. Gross Sales shall include all sales made by telephone and other electronic means, all sales generated from the Premises and all sales of any kind made in the Designated Territory. Gross Sales shall not include any sales tax, provided that sales tax is collected by you from customers and provided the amount of the sales tax is in fact paid by you to the applicable governmental authority. If you conduct business in any manner outside of the Designated Territory, any revenue of any kind generated from conducting business outside of the Designated Territory shall be included in Gross Sales. In jurisdictions where Use Tax is collected on the cost of materials, a calculation will be done to reduce revenue by this amount prior to the submission of a monthly report. If you do not report your Gross Sales when required, we may debit your account for 120% of the last Royalty and Marketing Fee that we debited. If the Royalty and Marketing Fee we debit are less than the Royalty and Marketing Fee you actually owe us, once we have been able to determine your true

and correct Gross Sales, we will debit your account for the balance on a day we specify. If the Royalty and Marketing Fee we debit are greater than the Royalty and Marketing Fee you actually owe us, we will credit the excess against the amount we otherwise would debit from your account for the next payment due. If any state imposes a sales or other tax on the Royalty Fee, then we have the right to collect this Tax from you.

*If this is a Successor Franchise Agreement or a Franchise Agreement entered into as part of the purchase of a territory containing existing or prior GarageExperts operations, then the months stated in the table above and in Section 5.3 below start to run from the date when GarageExperts operations began, not from the Effective Date of this Agreement.

5.3 **Advertising Fees.** You shall pay to us, our affiliates, or designees, as applicable, when due the following advertising fees:

5.3.1 **National Advertising Fee.** You agree to pay us a National Advertising Fee of 1.5% of Gross Sales each month subject to the following minimum amounts:

Time Frame	Minimum Dollar Amount Per Month
Months 1-6 after the Effective Date of this Agreement	\$125 (Standard Territory)
	\$100 (Micro-Territory)
Months 7-12 after the Effective Date of this Agreement	\$250 (Standard Territory)
	\$200 (Micro-Territory)
Months 13 and beyond after the Effective Date of this Agreement	\$500 (Standard Territory)
	\$300 (Micro-Territory)

We may use the National Advertising Fees on a Call Center, national, regional, or local advertising, marketing, public relations, marketing research, website creation and maintenance, product samples, print marketing, in-house staff that are dedicated to creating content used for advertising promotions, managing outside marketing vendors, assisting local franchise owners with local marketing. We may use the National Advertising Fees to cover a share of corporate overhead.

We do not use National Advertising Fees principally to solicit new franchise sales.

If any National Advertising Fees are not spent in a given year, they will rollover to the next year.

5.3.2 **Technology Fee.** You must pay to us a Current Technology Fee of \$450 per month for the first territory; \$200 for second and subsequent contiguous territories. Additional non-contiguous territories then-current first territory fee.

You must also use the computer hardware, software, technology, bookkeeping, accounting, and related systems that we specify.

5.3.3 **Bookkeeping Fee.** We require that you use a designated bookkeeping service at a pre-negotiated price. You agree that the bookkeeping service may share financial and other information about your business with us in the format we prescribe.

5.4 **Other Payments.**

5.4.1 You shall pay to us, our Affiliates and designees, as applicable, promptly when due:

(a) all amounts advanced by us or which we have paid, or for which we have become obligated to pay on behalf of you for any reason whatsoever;

(b) the amount of all sales taxes, use taxes, personal property taxes and similar taxes, which may be imposed upon you, but required to be collected or paid by us (i) on account of your Gross Sales, or (ii) on account of fees collected by us from you (but excluding our ordinary income taxes). We may collect the taxes in the same manner as Continuing Royalties are collected and promptly pay the tax collections to the appropriate Governmental Authorities; provided, however, that unless we so elect, it shall be your responsibility to pay all sales, use or other taxes imposed now or in the future by any Governmental Authorities on fees paid by you to us; and

(c) all amounts due for any reason, including on account of purchases of goods, supplies or services relating to the Franchised Business.

5.4.2 You shall remain current and fully comply with each of your obligations to your landlord, vendors and Suppliers.

5.5 Trade Area Infringement Fee. If you breach this Agreement by failing to operate the Franchised Business solely within the Trade Area, as provided in Section 2.1, and infringe on the designated trade area of another “GarageExperts” franchisee, you may be required to pay us a trade area infringement fee (the “**Infringement Fee**”) as follows:

(a) For the first violation, the Infringement Fee shall be \$500 plus the invoice amount of the products provided and services performed in another franchisee’s trade area;

(b) For the second violation, the Infringement Fee shall be \$1,000 plus the invoice amount of the products provided and services performed in another franchisee’s trade area; and

(c) For the third and any subsequent violation, the Infringement Fee shall be \$5,000 plus the invoice amount of the products provided and services performed in another franchisee’s trade area. As provided in Section 15.2.3, we may also terminate this Agreement if you infringe on the designated trade area of another “GarageExperts” franchisee 2 or more times during the Term.

(d) You shall pay the Infringement Fee to us within 5 days of receiving a written demand. For purposes of this Infringement Fee, trade area infringement occurs when you generate income from a customer by receiving payment for goods or services provided or rendered within the trade area of another “Garage Expert” franchisee, without first obtaining both our and that franchisee’s express written consent.

5.6 Non-Compliance Fees. You agree that Versatile High-Performance Coatings, LLC is a third-party beneficiary of this Section 5.6 and has the right to directly enforce this provision against you.

You agree to pay us the following Non-Compliance Fees upon demand for the violations listed below, per occurrence:

Non-Compliance	1 st Offense	2 nd Offense

5.8 **Timing and Method of Payment.**

5.8.1 **Timing of Payment.** Royalty reports need to be turned in by the 7th of each month. Payments for the royalties owed need to be paid no later than 15th day of each Reporting Period during the Term, you shall calculate and remit to us the Continuing Royalty, and all other amounts then owed to us, except as otherwise provided for product purchases pursuant to ARTICLE 10.

5.8.2 **Method of Payments.** You must authorize us to withdraw continuing royalty fees, advertising fees, technology fees and all other fees due under this Agreement directly from your bank account. You agree to make arrangements with your bank to authorize these withdrawals. You agree to sign an electronic funds authorization form as we may require to enable such payments.

5.9 **Application of Funds.** If you become delinquent in the payment of any obligation to us or our Affiliate under this Agreement or any other agreement, we shall have the right to apply any payments received from you to any obligation owed to us or our Affiliate, notwithstanding any contrary designation by you.

5.10 **Charges for Late Payments.** If you fail to pay to us all sums owed to us or our Affiliates promptly when due, you shall pay a \$50 late fee and \$40 for each day payment is late. If any check, draft or electronic transfer is unpaid because of insufficient funds or otherwise, then you shall pay our expenses arising from such non-payment, including bank fees, in the amount of at least \$50.

5.11 **Client Refunds.** If you do not resolve a customer service complaint and we believe a reasonable basis exists for a refund to the customer of all or a portion of the customer's fees, then we may make the refund and bill you. You agree to pay the charges.

5.12 **Brand Reputation Protection Fee.** You agree to pay to us \$40 per month paid in one payment of \$300 each year so that we may reimburse customers with complaints on territories that are closed and protect the goodwill of our brand name. We may adjust this fee from time to time.

Each such Supplier seeking to be approved or designated by us must comply with our usual and customary requirements, including those related to insurance, indemnification, and non-disclosure, and shall demonstrate to the reasonable satisfaction of our: (a) ability to supply an Ancillary Product meeting the Policies, which may include, specifications as to brand name and model, contents, quality, and compliance with Applicable Law; (b) reliability with respect to delivery and the consistent quality of its products or services; and (c) ability meet such other requirements as determined by us to be in the best interest of the brand.

ARTICLE 13 COVENANTS REGARDING OTHER BUSINESS INTERESTS

13.1 Non-Competition.

The Franchisee, the Franchisee’s Owners and the Personal Guarantors acknowledge that, pursuant to this Agreement, the Franchisee, its partners or officers and its employees will receive specialized training and Confidential Information from the Franchisor pertaining to the Business System and the operation of the Franchised Business. In consideration for the receipt of training and the use and license of the Confidential Information, the Franchisee, the Franchisee’s Owners, and the Personal Guarantors therefore agree as follows:

13.1.1 The Franchisor has advised the Franchisee that this provision is a material provision of this Agreement, and that the Franchisor will not sell a Garage Experts® franchise to any person or Entity that does or intends to own, operate or be involved in a Competing Business. Consequently, the Franchisee, the Franchisee’s Owners and the Personal Guarantors will not, during the term of this Agreement, on their own account or as an employee, agent, consultant, partner, officer, director, or owner of any other person or Entity, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in, or assist any person or Entity engaged in any Competing Business, except with the prior written consent of the Franchisor. During the Term, no Restricted Person shall, directly or indirectly, engage in floor coating and storage solutions, concrete floor coatings for interior or exterior surfaces, or industrial floor coatings for retail stores and commercial buildings (“Competitive Activities”) at any location, in the United States.

13.1.2 Upon (i) the expiration or termination of this Agreement, (ii) the occurrence of any Assignment, or (iii) the cession of any Restricted Person’s relationship with you, each person who is a Restricted Person before such event shall not for a period of 2 years thereafter:

(a) The Franchisee, the Franchisee’s Owners and the Personal Guarantors will not, on their own account or as an employee, agent, consultant, partner, officer, director or owner of any other person or Entity, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in or assist any person or Entity engaged in any Competing Business which is located in, or within 50 miles of, the Franchised Territory, the territory of any other Garage Experts businesses operated by the Franchisor, an Affiliate of the Franchisor, or any franchisees of the Franchisor, or any protected area granted to any other person or Entity by the Franchisor pursuant to a development agreement, subfranchise agreement or other agreement. The Franchisee, the Franchisee’s Owners and the Personal Guarantors expressly agree that the time and geographical limitations set forth in this provision are reasonable and necessary to protect the Franchisor and the Franchisor’s franchisees if this Agreement expires or is terminated by either party for any reason and that this covenant not to compete is necessary

to permit the Franchisor the opportunity to resell and/or develop a new Franchised Business at or in the area near the Franchised Territory. The Franchisee, the Franchisee's Owners, and Personal Guarantors acknowledge and agree that the length of time in this Article 13 shall be tolled for any period in which any such party is in breach of these covenants or any other period during which the Franchisor seeks to enforce this Agreement.

(b) solicit business for the purpose of offering Competitive Activities from an individual or Business Entity that was a customer of yours during the 24 month period immediately preceding such event.

13.2 **Trade Secrets.**

13.2.1 Restricted Persons may have access to proprietary and confidential information, including the Trade Secrets, Policies, specifications, procedures, concepts and methods and techniques of developing and operating a Business and producing and providing Authorized Products and Services. We may disclose certain of our Trade Secrets to Restricted Persons in the Manuals or other communications. "Trade Secrets" shall not include information which: (a) has entered the public domain or was known to you prior to our disclosure of such information to you, other than by the breach of an obligation of confidentiality owed (by anyone) to us or our Affiliates; (b) becomes known to the Restricted Persons from a source other than our or our Affiliates and other than by the breach of an obligation of confidentiality owed (by anyone) to us or our Affiliates; or (c) was independently developed by you without the use or benefit of any of our Trade Secrets. The burden of proving the applicability of the foregoing will reside with you.

13.2.2 No Restricted Person shall acquire any interest in the Trade Secrets other than the right to use them in developing and operating the Franchised Business during the Term. A Restricted Person's duplication or use of the Trade Secrets in any other endeavor or business shall constitute an unfair method of competition. Each Restricted Person shall: (i) not use the Trade Secrets in any business or other endeavor other than in connection with the Franchised Business; (ii) maintain absolute confidentiality of the Trade Secrets during and after the Term; and (iii) make no unauthorized copy of any portion of the Trade Secrets, including the Manuals or other confidential communications. If you have reason to believe that any employee has violated the provisions of any confidentiality and noncompetition agreement, you shall promptly notify us and shall cooperate with us to protect us against infringement or other unlawful use, including, the prosecution of any lawsuits.

13.2.3 In view of the importance of the Marks and the Trade Secrets and the incalculable and irreparable harm that would result to the parties in the event of a default of the covenants and agreements set forth in this Agreement, the parties agree that each party shall have the right to obtain specific performance, temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction to enforce the covenants and agreements in this Agreement, in addition to any other relief to which such party may be entitled at law or in equity.

13.2.4 You must promptly disclose to us all ideas, techniques, methods and processes relating to a Business which you (or the Restricted Persons or your employees) conceive or develop. Company will have the perpetual right to use, and to authorize others to use, such ideas, techniques, methods and processes without payment or compensation to anyone.

13.2.4 You shall obtain covenants similar to those in Sections 13.1 and 13.2 from Restricted Persons and such other personnel as we may specify. We may regulate the form of agreements you use and may require that we be an express third party beneficiary with the right to enforce such agreements. Promptly upon our request, you shall deliver executed copies of such agreements to us.

13.3 Injunctive Relief

The Franchisee, the Franchisee's Owners and the Personal Guarantors agree that the provisions of this Article are necessary to protect the legitimate business interests of the Franchisor and the Franchisor's franchisees including, without limitation, prevention of the unauthorized dissemination of Confidential Information to competitors of the Franchisor and the Franchisor's franchisees, protection of the Franchisor's trade secrets and the integrity of the Franchisor's franchise system, and prevention of the duplication of the Business System by unauthorized third parties. The Franchisee, the Franchisee's Owners and the Personal Guarantors also agree that damages alone cannot adequately compensate the Franchisor if there is a violation of this Article by the Franchisee, the Franchisee's Owners or the Personal Guarantors, and that injunctive relief against the Franchisee, the Franchisee's Owners and the Personal Guarantors is essential for the protection of the Franchisor and the Franchisor's franchisees. The Franchisee, the Franchisee's Owners and the Personal Guarantors agree therefore, that if the Franchisor alleges that the Franchisee, the Franchisee's Owners or the Personal Guarantors have breached or violated this Article, then the Franchisor will have the right to petition a court of competent jurisdiction for injunctive relief against the Franchisee, the Franchisee's Owners and the Personal Guarantors, in addition to all other remedies that may be available to the Franchisor. The Franchisor will not be required to post a bond or other security for any injunctive proceeding. In cases where the Franchisor is granted ex parte injunctive relief against the Franchisee, the Franchisee's Owners or the Personal Guarantors, then the Franchisee, the Franchisee's Owners or the Personal Guarantors will have the right to petition the court for a hearing on the merits at the earliest time convenient to the court.

13.4 **Effect of Applicable Law.** In the event any portion of the covenants in this Article violates laws affecting you, or is held invalid or unenforceable, then the maximum legally allowable restriction permitted by law shall control and bind you. We may at any time unilaterally reduce the scope of any part of the above covenants, and you shall comply with any such reduced covenant upon receipt of written notice.

13.5 **Business Practices.** You represent, warrant and covenant to us that:

13.4.1 You and each of your Owners (if you are a Business Entity) shall be and shall remain in full compliance with all Applicable Laws in each jurisdiction in which you or any of your Owners, conduct business.

(j) that the transferee/assignee shall have agreed, under a written agreement approved by us, that at closing, the transferee/assignee shall execute a replacement franchise agreement, on the then-current standard form;

(q) that the transferee/assignee must take over the royalty schedule based on the months from the effective date of the original franchise agreement.

14.2.2 Any purported Assignment occurring by operation of law or otherwise without our prior written consent shall constitute a material default of this Agreement by you, and shall be null and void. Except in the instance of your advertising to sell the Franchised Business and assign this Agreement in accordance with the terms of this Agreement, you shall not, without our prior written consent, offer for sale or transfer at public or private auction or advertise publicly for sale or transfer, the supplies, fixtures, equipment, your Lease or the real or personal property used in connection with the Franchised Business.

14.2.3 If you are a Business Entity, you shall promptly provide us with written notice of each and every issuance of Equity by you and every transfer, assignment and encumbrance by any Owner of any direct or indirect Equity or voting rights in Franchisee, notwithstanding that the same may not constitute an "Assignment."

14.2.4 Our consent to an Assignment shall not (a) constitute a waiver of any claims we may have against the transferring party arising out of this Agreement or otherwise, including (i) any payment or other duty owed by you to us under this Agreement before such Assignment; or (ii) Your duty of indemnification and defense, whether before or after such Assignment, or (iii) the obligation to obtain our consent to any subsequent transfer; or (b) be an indication as to the likelihood of success or economic viability of the assignee/transferee.

substitute cash for any non-cash consideration in an amount determined by us, reasonably and in good faith, as the approximate equivalent value of the non-cash consideration. If we elect to exercise the ROFR, we or our nominee shall notify you in writing, and the closing of the transaction shall occur within 60 days after delivery of our notice, subject to the satisfaction of all conditions to closing. If we do not exercise the ROFR, any material change in the terms of an offer prior to closing, or the failure to close the transaction within 60 days following the ROFR Period, shall cause it to be deemed a new offer, subject to the same ROFR as in the case of the initial offer. Our failure to exercise the ROFR shall not constitute consent to the transfer or a waiver of any other provision of this Agreement.

14.4 **Business Entity Franchisee.** If you are a Business Entity, the following provisions will apply:

14.4.1 You represent, warrant and covenants that: (a) You have the authority to execute, deliver and perform its obligations under this Agreement and all related agreements and are duly organized or formed and validly existing in good standing under the laws of the state of its incorporation or formation; and (b) the information set forth in Schedule 2 is accurate and complete in all material respects. 3. Permitted Actions Of Company. Company may from time to time, in its sole discretion and without notice to Guarantor, take any or all of the following actions: (1) retain or obtain the primary or secondary obligation of any obligor or obligors, in addition to Guarantor, with respect to any of the Obligations; (2) extend or renew for one or more periods (whether or not longer than the original period), alter, amend or exchange any of the Obligations; (3) waive, ignore or forbear from taking action or otherwise exercising any of its default rights or remedies with respect to any default by Franchisee under the Obligations; (4) release, waive or compromise any obligation of Guarantor under this Continuing Guaranty or any obligation of any nature of any other obligor primarily or secondarily obligated with respect to any of the Obligations; (5) demand payment or performance of any of the Obligations from Guarantor at any time or from time to time, whether or not Company shall have exercised any of its rights or remedies with respect to any property securing any of the Obligations or any obligation under

4.2 Guarantor waives all rights and defenses arising out of an election of remedies by Company.

4.3 Guarantor further waives all rights to revoke this Continuing Guaranty at any time, and all rights to revoke any agreement executed by Guarantor at any time to secure the payment and performance of Guarantor's obligations under this Continuing Guaranty.

5. Subordination; Subrogation. Guarantor subordinates any and all indebtedness of Franchisee to Guarantor to the full and prompt payment and performance of all of the Obligations. Each and every immediate and successive assignee or transferee of any of the Obligations or of any interest therein shall, to the extent of such party's interest in the Obligations, be entitled to the benefits of this Continuing Guaranty to the same extent as if such assignee or transferee were Company.

8. Indulgences Not Waivers. No delay in the exercise of any right or remedy shall operate as a waiver of the such right or remedy, and no single or partial exercise by Company of any right or remedy shall preclude other or further exercise of such right or remedy or the exercise of any other right or remedy; nor shall any modification or waiver of any of the provisions of this Continuing Guaranty be binding upon Company, except as expressly set forth in a writing signed by Company. No action of Company permitted under this Continuing Guaranty shall in any way affect or impair the rights of Company or the obligations of Guarantor under this Continuing Guaranty.

9. Financial Condition Of Franchisee. Guarantor represents and warrants that it is fully aware of the financial condition of Franchisee, and Guarantor delivers this Continuing Guaranty based solely upon its own independent investigation of Franchisee's financial condition. Guarantor waives any duty on the part of Company to disclose to Guarantor any facts it may now or hereafter know about Franchisee, regardless of whether Company has reason to believe that any such facts materially increase the risk beyond that which Guarantor intends to assume or has reason to believe that such facts are unknown to Guarantor. Guarantor knowingly accepts the full range of risk encompassed within a contract of "Continuing Guaranty" which includes, without limitation, the possibility that Franchisee will contract for additional obligations and indebtedness for which Guarantor may be liable hereunder.

This Continuing Guaranty shall not terminate or be revoked upon the death of a Guarantor, notwithstanding any knowledge by Company of a Guarantor's death.

11.3 If there shall be more than one Guarantor (or more than one person or entity comprises Guarantor) under this Agreement, all of the Guarantor's obligations and the other obligations, representations, warranties, covenants and other agreements of any Guarantor under this Agreement shall be joint and several obligations and liabilities of each Guarantor.

11.4 In addition and notwithstanding anything to the contrary contained in this Continuing Guaranty or in any other document, instrument or agreement between or among any of Company, Franchisee, Guarantor or any third party, the obligations of Guarantor with respect to the Obligations shall be joint and several with each and every other person or entity that now or hereafter executes a guaranty of any of the Obligations separate from this Continuing Guaranty.

12. Governing Law. Article 20 of the Franchise Agreement, entitled "Dispute Resolution," applies with respect to any disputes arising out of or related to this Continuing Guaranty.

To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or Exhibits thereto, the terms of this Addendum shall govern.

Sections 15.2 and 15.3 are deleted and in their place are substituted the following:

15.2 Option to Terminate Without Notice. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee’s control;

(c) The franchisor and franchisee agree in writing to terminate the franchise;

(d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;

(e) The franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

(f) The franchisee, after curing any failure in accordance with Section 15.3 engages in the same noncompliance whether or not such noncompliance is corrected after notice;

(g) The franchisee breaches the franchise agreement three or more times in a 12-month period, whether or not corrected after notice;

(h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;

(i) The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

(j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

(k) The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.

15.3 Termination with Notice and Opportunity To Cure. We may terminate this Agreement, after sending you notice and a 60 day opportunity to cure, for any other breach of this Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. Illinois law governs the Franchise Agreement.

**MARYLAND ADDENDUM
TO THE FRANCHISE AGREEMENT**

This Addendum forms a part of the Franchise Agreement dated _____, between Garage Experts International, LLC (“we”, “us”, or “our”) and _____, the franchisee (“you” or “your”). To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or Exhibits thereto, the terms of this Addendum shall govern.

1. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

2. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

3. A general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This Addendum forms a part of the Franchise Agreement dated _____, between Garage Experts International, LLC (“we”, “us”, or “our”) and _____, the franchisee (“you” or “your”). To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or Exhibits thereto, the terms of this Addendum shall govern.

1. 2. With respect to franchises governed by Minnesota law, Company will comply with Minn. Stat. 6. Section 13.2.3 of the Franchise Agreement is deleted in its entirety and replaced with the following:

“13.2.3 In view of the importance of the Marks and the Trade Secrets and the incalculable and irreparable harm that would result to the parties in the event of a default of the covenants and agreements set forth herein in connection with these matters, the parties agree that each party shall have the right in a proper case to seek specific performance, temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction to enforce the covenants and agreements in this Agreement, in addition to any other relief to which such party may be entitled at law or in equity. Each party submits to the jurisdiction of the courts of the city and state in which Company maintains its principal business address from time to time, and the U.S. federal courts sitting therein for purposes thereof. The parties agree that venue for any such proceeding shall be the state and federal courts located in the city and state in which Company maintains its principal business address from time to time.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with

RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is

unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or

selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

Article 22 of the Franchise Agreement, titled "Acknowledgments," is hereby deleted, except for Article 22.2. titled "Due Execution."

The undersigned does hereby acknowledge receipt of this addendum.

Independent Auditors' Report

To the Member of
Garage Experts International, LLC

Opinion

We have audited the financial statements of Garage Experts International, LLC (the "Company"), which comprise the balance sheet as of December 31, 2024, and the related statements of income and changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of the Company as of and for the year ended December 31, 2023 were audited by Marcum LLP, whose report dated March 25, 2024, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - NATURE OF OPERATIONS

NATURE OF BUSINESS

Garage Experts International, LLC (the "Company") was organized on September 23, 2008 as a Limited Liability Company. The Company sells franchise outlets for the garage improvement industry and provides various services to its franchisees. As of December 31, 2024 and 2023, there were 104 and 107 outlets under franchise agreements, respectively. During the years ended December 31, 2024 and 2023, the Company sold 4 and 10 outlets, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

This summary of significant accounting policies of the Company is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For purposes of the balance sheets and statements of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Company did not hold any cash equivalents as of December 31, 2024 and 2023.

GARAGE EXPERTS INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONCENTRATION RISK

Cash

At any point in time the Company can have balances that exceed the Federal Deposit Insurance Corporation (“FDIC”) insurance limits. While the Company monitors cash balances in its operating accounts, these cash balances could be impacted if the underlying financial institutions fail or could be subject to other adverse conditions in the financial markets. To date, the Company has experienced no loss or lack of access to cash in its operating accounts.

ACCOUNTS RECEIVABLE

The Company monitors all receivables, especially those balances over 60 days past due. The Company provides an allowance for expected credit losses based upon a review of the Company's historical losses based on the aging of receivables, adjusted for management's assessment of current conditions, reasonable and supportable forecasts and any other factors deemed relevant by the Company. Balances are written off only when all reasonable collection efforts have been exhausted. Management must approve all write-offs of customer balances. The Company has not provided for an allowance for expected credit losses as of December 31, 2024 and 2023 because the Company anticipates all of its accounts receivables will be collected. The accounts receivable balances as of December 31, 2024 and 2023 were \$81,531 and \$18,897, respectively. The Company performs ongoing credit evaluations of its customers and generally does not require collateral.

As of January 1, 2023, the opening balance of accounts receivable was \$31,816.

CONTRACT ASSETS

A contract asset is recorded when a performance obligation is met, and revenue is recognized for a portion of the initial franchise fees, but the payment associated with the recognized revenue is conditioned on something other than the passage of time. There were no contract assets as of December 31, 2024 and 2023.

As of January 1, 2023, the opening balance of contract assets was \$0.

GARAGE EXPERTS INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INTANGIBLE ASSET

The intangible asset consists of a trademark license agreement. The intangible asset is considered to have a finite useful life and is amortized on a straight-line basis over its estimated useful life of fifty years. The intangible asset is reviewed when events or changes in circumstances indicate that its carrying value may not be recoverable. No impairments were recorded during the years ended December 31, 2024 and 2023. During the year ended December 31, 2024, the trademark license agreement was transferred to a related party.

CONTRACT LIABILITIES

Contract liabilities represent billings in advance of the recognition of the revenue based on the terms of the agreement with the customer. The amount of contract liabilities as of December 31, 2024 and 2023 was \$440,925 and \$101,896, respectively, and management believes the related revenue will be will be recognized within one year of December 31, 2024 and 2023, respectively.

As of January 1, 2023, the opening balance of contract liabilities was \$27,654.

REVENUE RECOGNITION

Revenues include one-time initial licensing and territory fees for the franchise outlets. The Company enters into franchise agreements committing to providing franchisees with various performance obligations. These agreements typically have initial terms of ten years. The Company recognizes revenue on the initial fees at a point in time upon which each performance obligation is satisfied and the franchisee has control of the goods or services. Control is generally transferred when the Company has a present right to payment and the ownership of the goods is transferred or services are performed for its customers.

Revenues also include royalties, advertising fees, annual convention fees, brand reputation fees, marketing income, and management fees which are recognized over time as the underlying performance obligation has been satisfied. The Company also receives revenue from trackable phone lines from its franchisees which is recognized over time as the service is performed based on usage.

None of the Company's contracts have variable consideration or a significant financing component. In most cases, consideration paid for services that customers purchase from the Company is non-refundable. Therefore, at the time revenue is recognized, the Company does not estimate expected refunds for services nor does the Company exclude any such amounts from revenue.

INDEPENDENT AUDITORS' REPORT

To the Member of
Garage Experts International, LLC

Opinion

We have audited the financial statements of Garage Experts International, LLC, which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Garage Experts International, LLC as of December 31, 2023 and 2022 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Garage Experts International, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Experts International, LLC's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Garage Experts International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Experts International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - NATURE OF OPERATIONS

NATURE OF BUSINESS

Garage Experts International, LLC (the "Company") was organized on September 23, 2008 in the state of California as a Limited Liability Company. The Company sells franchise outlets for the garage improvement industry and provides various services to its franchisees. As of December 31, 2023 and 2022, there were 107 and 107 outlets under franchise agreements, respectively. During the years ended December 31, 2023 and 2022, the Company sold 10 and 8 outlets, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

This summary of significant accounting policies of the Company is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For purposes of the balance sheets and statements of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Company did not hold any cash equivalents as of December 31, 2023 and 2022.

GARAGE EXPERTS INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONCENTRATION RISK

Cash

At any point in time the Company can have balances that exceed the Federal Deposit Insurance Corporation (“FDIC”) insurance limits. While the Company monitors cash balances in its operating accounts, these cash balances could be impacted if the underlying financial institutions fail or could be subject to other adverse conditions in the financial markets. To date, the Company has experienced no loss or lack of access to cash in its operating accounts.

ACCOUNTS RECEIVABLE

The Company monitors all receivables, especially those balances over 60 days past due. The Company provides an allowance for expected credit losses based upon a review of the Company's historical losses based on the aging of receivables, adjusted for management's assessment of current conditions, reasonable and supportable forecasts and any other factors deemed relevant by the Company. Balances are written off only when all reasonable collection efforts have been exhausted. Management must approve all write-offs of customer balances. The Company has not provided for an allowance for expected credit losses as of December 31, 2023 and 2022 because the Company anticipates all of its accounts receivables will be collected. The accounts receivable balances as of December 31, 2023 and 2022 were \$18,897 and \$31,816, respectively. The Company performs ongoing credit evaluations of its customers and generally does not require collateral.

As of January 1, 2022, the opening balance of accounts receivable was \$27,643.

CONTRACT ASSETS

A contract asset is recorded when a performance obligation is met, and revenue is recognized for a portion of the initial franchise fees but the payment associated with the recognized revenue is conditioned on something other than the passage of time. There were no contract assets as of December 31, 2023 and 2022.

As of January 1, 2022, the opening balance of contract assets was \$0.

INTANGIBLE ASSET

The intangible asset consists of a trademark license agreement. The intangible asset is considered to have a finite useful life and is amortized on a straight-line basis over its estimated useful life of fifty years. The intangible asset is reviewed when events or changes in circumstances indicate that its carrying value may not be recoverable. No impairments were recorded during the years ended December 31, 2023 and 2022.

GARAGE EXPERTS INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONTRACT LIABILITIES

Contract liabilities represent billings in advance of the recognition of the revenue based on the terms of the agreement with the customer. The amount of contract liabilities as of December 31, 2023 and 2022 was \$101,896 and \$27,654, respectively, and management believes the related revenue will be recognized within one year of December 31, 2023 and 2022, respectively.

As of January 1, 2022, the opening balance of contract liabilities was \$135,700.

REVENUE RECOGNITION

Revenues include one-time initial licensing and territory fees for the franchise outlets. The Company enters into franchise agreements committing to providing franchisees with various performance obligations. These agreements typically have initial terms of ten years. The Company recognizes revenue on the initial fees at a point in time upon which each performance obligation is satisfied and the franchisee has control of the goods or services. Control is generally transferred when the Company has a present right to payment and the ownership of the goods is transferred or services are performed for its customers.

Revenues also include royalties, advertising fees, annual convention fees, brand reputation fees, marketing income, and management fees which are recognized over time as the underlying performance obligation has been satisfied. The Company also receives revenue from trackable phone lines from its franchisees which is recognized over time as the service is performed based on usage.

None of the Company's contracts have variable consideration or a significant financing component. In most cases, consideration paid for services that customers purchase from the Company is non-refundable. Therefore, at the time revenue is recognized, the Company does not estimate expected refunds for services nor does the Company exclude any such amounts from revenue.

One-time initial licensing and territory fees included in franchise fees for the years ended December 31, 2023 and 2022 was \$188,500 and \$125,000, respectively. Royalty revenue recognized over time included in franchise fees for the years ended December 31, 2023 and 2022 was \$1,782,250 and \$1,688,900, respectively.

Advertising costs are charged to operations when incurred. For the years ended December 31, 2023 and 2022, the Company incurred \$574,914 and \$803,436, respectively, of advertising costs.

INCOME TAXES

Prior to January 1, 2022, the income of the Company was allocated to the sole member and was combined with other income and expenses of the member and included on the member's respective federal and state income tax returns. The Company was not a tax paying entity; thus, no federal income taxes were provided in the accompanying financial statements. The Company, however, was subject to certain state franchise taxes.

The Company is organized as a Limited Liability Company ("LLC") however it has elected to be treated as an "S" Corporation status under the provisions of the Internal Revenue Code and certain States' taxation codes. While this election is in effect, the Company's income (whether distributed or not) will be taxed for federal and state income tax purposes to the members. Accordingly, no provision for corporate federal income tax is required, though certain states require a minimum tax to be paid at the Company level.

The Company complies with the provisions of Accounting Standard Codification ("ASC") 740 Accounting for Uncertainty in Income Taxes which clarifies the accounting for uncertain tax positions. This provision requires that the Company recognize the impact of a tax position in its consolidated financial statements if the position is more likely than not to be sustained upon examination and on the technical merits of the position. The Company did not have any material amount of unrecognized tax benefits or liabilities as of December 31, 2023 and 2022, respectively. The Company believes their estimates are appropriate based on current facts and circumstances.

Disclosure Document**

CALIFORNIA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the California Franchise Investment Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

The State Cover Page is amended by the addition of the following RISK FACTORS:

THE TERRITORY IS NOT EXCLUSIVE AND YOU MAY FACE COMPETITION FROM OTHER FRANCHISEES AND THE FRANCHISOR.

Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Item 17.g. of the Disclosure Document is modified to state that, in addition to the grounds for immediate termination specified in Item 17.h., the franchisor can terminate upon written notice and a 60-day opportunity to cure for a breach of the Franchise Agreement.

Item 17.h. of the Disclosure Document is modified to state that the franchisor can terminate immediately for insolvency, abandonment, mutual agreement to terminate, material misrepresentation, legal violation persisting 10 days after notice, repeated breaches, judgment, criminal conviction, monies owed to the franchisor more than 5 days past due, and imminent danger to public health or safety.

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

Item 19: The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the Gross Sales or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in the Franchise Disclosure Document, may be one source of this information.

YOU MUST SIGN A GENERAL RELEASE IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE SECTION 31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE SECTIONS 31000 THROUGH 31505). BUSINESS AND PROFESSIONS CODE SECTION 20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE

FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE SECTIONS 20000 THROUGH 20043).

This provision supersedes any other term of any document executed in connection with the franchise.

2. Item 17.u. is modified to also provide, “This franchise agreement provides that disputes are resolved through arbitration. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.”

MINNESOTA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Minnesota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. The State Cover Page is amended by addition of the following Risk Factors:

ALTHOUGH YOUR ROYALTIES BEGIN TO ACCRUE WHEN YOU SIGN YOUR FRANCHISE AGREEMENT, WE WILL DEFER COLLECTION OF YOUR ROYALTIES UNTIL AFTER YOU RECEIVE TRAINING AND ARE READY TO OPEN FOR BUSINESS. ONCE YOU ARE READY TO OPEN FOR BUSINESS YOU WILL PAY THE AMOUNT OF THE ACCRUED ROYALTIES THAT WE DEFERRED.

YOU DO NOT NEED TO BUY ANY PRODUCTS FROM US UNTIL YOU BEGIN BUSINESS AND MAKE YOUR FIRST SALE.

1. Item 13, "Trademarks," shall be amended by addition of the following:

We will indemnify you for all costs and expenses you incur in any action or proceeding brought against you by any third party as a result of your authorized use of our trademarks.

2. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraphs:

Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. **NEW YORK ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the New York franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. The following information is added to the cover page of the Franchise Disclosure Document:

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency, or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum,”** and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

8. The franchisor has represented the following:

- (a) That no portion of the initial franchise fee has been allocated to the trademark or intellectual property;
- (b) That the initial franchise fee consists only of payments for initial training and site selection assistance, which is distinct from and not brand or trademark related to the franchisor; and
- (c) That only the royalty fee is related to the trademark and intellectual property.

NORTH DAKOTA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the North Dakota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17(r) in the table is modified by adding the following to the summary description opposite the subsection entitled “Non-competition covenants after the franchise is terminated or expires”:

“Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota.”

2. Item 17(u) of the Disclosure Document is modified to indicate that the site of any arbitration or mediation shall be agreeable to all parties and may not be remote from the franchisee’s place of business.

The Securities Commissioner has held the following to be unfair, unjust or inequitable to North Dakota franchisees (Section 51-19-09, N.D.C.C.):

a. Restrictive Covenants: Franchise disclosure documents which disclose the existence of covenants restricting competition contrary to Section 9-08-06, N.D.C.C., without further disclosing that such covenants will be subject to this statute.

b. Situs of Arbitration Proceedings: Franchise Agreements providing that the parties must agree to the arbitration of the disputes at a location that is remote from the site of the franchisee’s business.

c. Restriction on Forum: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.

d. Liquidated Damages and Termination Penalties: Requiring North Dakota Franchisees to consent to liquidated damages or termination penalties.

e. Applicable Laws: Franchise Agreements which specify that they are to be governed by the laws of a state other than North Dakota.

f. Waiver of Trial by Jury: Requiring North Dakota franchisees to consent to the waiver of a trial by jury.

g. Waiver of Exemplary & Punitive Damages: Requiring North Dakota franchisees to consent to a waiver of exemplary and punitive damages.

h. General Release: Franchise Agreements that require the franchisee to sign a general release upon renewal of the Franchise Agreement.

i. Limitation of Claims: Franchise Agreements that require the franchisee to consent to a limitation of claims. The statute of limitations under North Dakota law applies.

**RHODE ISLAND ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the Rhode Island Franchise Investment Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Item 17.m. of the Disclosure Document is revised to provide:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act prohibits a franchisee to be restricted in choice of jurisdiction or venue. To the extent any such restriction is purported to be required by us, it is void with respect to all franchisees governed under the laws of Rhode Island.

Item 17.w. of the Disclosure Document is revised to provide:

Rhode Island law applies.

VIRGINIA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Garage Experts International LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure. The following statements are added to Item 17.h.

“Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement do not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.”

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws**. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights**. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation**. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release**. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial**. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees**. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee**. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions**. Provisions in franchise agreements or related agreements that

permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor,

franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

**WISCONSIN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17 is modified to also provide,

If the franchise agreement contains any provisions that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days' prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.
