What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Arizona. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Arizona than in your own state.
2. **Financial Condition**. The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Turnover Rate**. During the last 3 years, a high percentage of franchised outlets were terminated, not renewed, transferred, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.
4. **Supplier Control**. You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
5. **Sales Performance Required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Item 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

In this disclosure document, “we”, “us,” or “our” refers to Coaching Matters, LLC. “You” means the person to whom we grant a franchise. If you are a corporation, limited liability company, or other entity, each owner of the franchise entity must sign our Guaranty and Non-Compete Agreement, which means that all of the franchise agreement’s provisions also will apply to your owners.

We were formed as a limited liability company in the State of Missouri on July 25, 2018, as “Coaching Matters Foundation, LLC”, and subsequently changed our name to “Coaching Matters, LLC” on January 1, 2020. On October 3, 2023, we transferred our entity from Missouri to Wyoming. Our principal business address is now 1603 Capitol Avenue, Suite 413 C1165, Cheyenne, WY 82001 and our telephone number is 402-680-5029. We do business under our company name, “Fundraising University” and “Fundraising U” and their associated designs (the “Marks”). We have registered our primary service marks on the Principal Register of the United States Patent and Trademark Office. We do not own or operate any businesses of the type you will be operating. We have not offered franchises in any other line of business. We only offer franchises which operate under the “Fundraising University” Marks. We began offering franchises in January 2020.

Our agent for service of process is 1603 Capitol Avenue, Suite 310 Cheyenne, Wyoming 82001 and state agency addresses shown in Exhibit A.

Our Parents, Predecessors and Affiliates

We do not have any parents or predecessors.

Our first affiliate company, Effinger Consulting, LLC, an Arizona limited liability company formed in Arizona on October 5, 2012, and having a principal business address is 2740 E Courtney Street, Gilbert, Arizona 85298. This affiliate provides professional consulting services to our franchisees. Effinger Consulting, LLC offers optional fundraising training services to our franchisees and has offered such training to our affiliate for several years. Effinger Consulting, LLC has not offered franchises in this or in any other lines of business previously.

Our second affiliate, Stolen Base, LLC, a Wyoming limited liability company, has operated Fundraising University in Loch Lloyd, Missouri since March 1, 2009. This affiliate’s principal business address is 212 E 22nd, Suite MP #1306, Cheyenne, Wyoming 82201. As described in Item 17 below, if you wish to terminate the Franchise Agreement and we consent to the termination of your Franchise Agreement, we may require you to execute a Fundraising University Ambassador Agreement with this affiliate.

Our third affiliate, KRFM Consulting, LLC, a Wyoming limited liability company, formed in Wyoming on July 25, 2018, having a principal business address at 312 W. 2nd St, #4238, Casper, Wyoming 82601. This affiliate provides proprietary technology to Fundraising University franchisees. KRFM Consulting is owned by our founder, Michael Bahun. KRFM Consulting does not offer franchises in any other lines of business.

We have operated, through affiliates, Fundraising University outlets similar to the franchise offered by this Disclosure Document since 2009. We and our affiliates may operate other Fundraising University concepts, including additional Fundraising University outlets, in the future.

Information About Our Business and the Franchises Offered

If you sign a franchise agreement with us, you will develop and operate a fundraising company that plans, executes and repeats a fundraiser under the trade name Fundraising University. If you purchase multiple territories (between 1 and 10), you will still just sign one franchise agreement, but your Initial Franchise Fee, monthly Royalty Fee, monthly Brand Fund contribution and monthly local advertising expenses will increase based on the total number of territories you purchase. You will also be required to sponsor Sports Clinics upon opening your franchise.

The general market for fundraising is elementary, middle, and high schools, as well as youth sports leagues for elementary, middle, and high school students. This market is relatively new and developing. Our customers are primarily coaches and teachers. Sales are not seasonal.

You will compete against national chains, regional chains, and independent owners. Some of these competitors are franchised.

Laws and Regulations

To protect residents, legitimate charitable organizations and the charitable community, most states have laws requiring 501(c)(3) charitable organizations that solicit contributions from the public, including those in the social sector, to register and file periodic reports. The states that do not require registration are: Vermont, Indiana, Iowa, South Dakota, Nebraska, Texas (with limited exceptions), Wyoming, Montana, Idaho and Nevada.

Most of the state fundraising statutes exempt certain organizations from their registration and filing requirements. For example, in Pennsylvania, charitable organizations receiving annual contributions of \$25,000 or less are exempt from the state registration requirements as long as they do not compensate anyone to conduct solicitations. In addition, bona fide religious organizations, hospitals, educational institutions, firefighters, and numerous other types of organizations are exempt from the Pennsylvania law.

The information that must be submitted in or attached to the state registration forms varies from state to state. Many states accept a copy of IRS Form 990 in place of some or all of the required financial reports. In addition, other documents, such as articles of incorporation and bylaws, typically are required to be submitted. All information submitted in the registration reports is generally made available to the public. In addition to registration, the states that regulate charitable fundraising generally require covered organizations to file periodic financial reports. In Pennsylvania, for example, covered organizations are required each year to file reviewed financial statements if their gross contributions exceed \$25,000 per year and audited financial statements if their gross contributions exceed \$100,000 per year.

To determine specific registration and filing requirements, social sector charitable organizations that are engaged in or about to engage in fundraising should consult these guides,

experienced counsel, and the agencies in the states in which the organization expects to be doing business.

Due to the fact that the franchised business is operated primarily on school grounds and around younger children, there may be specific laws and regulations in your Territory that prevent certain individuals who may have a criminal record from being on school property. You and your employees or contractors are required to have background checks on record and be aware of these regulations before entering school property. You should also be aware of certain tax and regulatory requirements that are associated with fundraising businesses.

Item 3

LITIGATION

Wilkins v. Coaching Matters, LLC d/b/a Fundraising University, American Arbitration Association, AAA Case No. 01-22-0004-8752. Claimant, a former franchisee, filed a statement of claim against Respondent in November 2022 in Kansas City, Kansas. The statement of claim sought damages arising from breach of contract on the part of Respondent relating to Claimant's franchise agreement, and to prevent Respondent from enforcing Claimant's post-term obligations. Respondent filed a counterclaim (01-22-0004-8752) on January 24, 2023 in Kansas City, Kansas, seeking damages equal to \$48,000.00, for breach of contract on the part of Claimant related to Claimant's franchise agreement, wrongful termination of Claimant's franchise agreement, and violations of Claimant's post-term obligations, specifically, Claimant's non-competition covenant. In April 2023, after the arbitration on the matter commenced, the parties reached a mutual settlement agreement, pursuant to which Claimant agreed to (i) pay to Respondent an amount equal to Thirty Seven Thousand Dollars (\$37,000.00) in twelve (12) months of future royalties that would have been payable under Claimant's franchise agreement, and (ii) issue a corrective letter regarding remarks made regarding Respondent while in violation of Claimant's non-competition covenant.

Item 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

Item 5

INITIAL FEES

Franchise Fee

When you sign your franchise agreement, you must pay us \$60,000 as the initial franchise fee for a contiguous territory that will include approximately 110,000 school-aged students as determined by U.S. Census data and other comparable sources. The initial franchise fee is not refundable under any circumstance. Your initial franchise fees for each additional territory for up to 10 territories will be as follows:

Territory	Franchise Fee per Territory	Total Franchise Fee
First	\$60,000	\$60,000
Second	\$55,000	\$110,000
Third	\$50,000	\$150,000
Fourth	\$45,000	\$180,000
Fifth	\$40,000	\$200,000
Sixth	\$35,000	\$210,000
Seventh	\$35,000	\$245,000
Eighth	\$35,000	\$280,000
Ninth	\$35,000	\$315,000
Tenth	\$35,000	\$350,000

If you choose to purchase a territory where the total number of school-age students materially exceeds the approximate 110,000-student range per territory, we reserve the right to impose an additional Initial Franchise Fee. If applied, the Initial Franchise Fee will be increased by \$1.50 for each additional school-age student beyond the approximate 110,000-student threshold, as determined at our sole discretion based on the size and demographics of the territory.

Veteran Discount

We offer a discount of \$5,000 off the Initial Franchise Fee to qualified U.S. military veterans who have received an honorable discharge. This discount applies only once per franchisee, regardless of the number of units purchased. To receive the discount, the veteran must provide satisfactory documentation of veteran status before signing the Franchise Agreement.

Training Fee

The Initial Training Fee of \$15,000 (the "Training Fee") covers training for the Franchisee (the "Owner") and up to two (2) sales representatives (the "Sales Representatives") designated by the Franchisee. This Training Fee includes access to all franchisor-provided training, which may include, but is not limited to, mental performance coaching, tax and insurance coaching, and social media coaching, as offered by the franchisor for the entire duration of the Franchise Agreement. The Training Fee covers initial onboarding training for the Owner and up to two (2) Sales Representatives within the first twelve (12) months following the execution of the Franchise Agreement.

In the event that additional Sales Representatives are hired or if training is required outside of the initial twelve (12) month period, a Replacement/Additional Training Fee of \$1,500 per Sales Representative will be incurred. This fee will be invoiced separately and must be paid prior to training occurring.

Technology & Brand Marketing Fee

The Technology & Brand Marketing Fee covers essential tools and brand-building efforts to support franchise success. This includes one Enterprise Resource Planning (ERP) system account per territory for efficient operations, one Google Workspace account per territory for professional communication and collaboration, and a contribution toward brand marketing initiatives, such as digital advertising, social media campaigns, and other efforts to enhance brand awareness and drive customer engagement. If additional accounts are needed beyond the one allotted per territory, each ERP account will incur a fee of \$325, and each Google Workspace account will incur a fee of \$125. These costs may increase annually based on the necessary cost of the products, but we will not raise fees to generate additional profit for ourselves. Below is a chart outlining the Technology & Brand Marketing Fee based on the number of territories owned.

1. None of the expenditures in this table will be refundable. Neither we nor any affiliate finance any part of your initial investment.

2. This fee is for you (or if you are an entity, a person with ownership interest in the entity) and up to two one other people to attend training.

3. We require that you sponsor multiple sports clinics in conjunction with the launch of your franchise. This should build goodwill and brand recognition and help to establish your relationship with sports clinics where you will generate fundraising opportunities.

4. The Technology & Brand Marketing Fee covers essential tools and brand-building efforts to support franchise success. This includes one Enterprise Resource Planning (ERP) system account per territory for efficient operations, one Google Workspace account per territory for professional communication and collaboration, and a contribution toward brand marketing initiatives, such as digital advertising, social media campaigns, and other efforts to enhance brand awareness and drive customer engagement. If additional accounts are needed beyond the one allotted per territory, each ERP account will incur a fee of \$325, and each Google Workspace account will incur a fee of \$125. These costs may increase annually based on the necessary cost of the products, but we will not raise fees to generate additional profit for ourselves. Below is a chart outlining the Technology & Brand Marketing Fee based on the number of territories owned.

5. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, and other operating expenses in excess of income generated by the business. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the

development of a Fundraising University business by our affiliate, and our general knowledge of the industry.

6. We reduce the Initial Franchise Fee by \$5,000 for qualified U.S. military veterans. The discount applies only once per franchisee, regardless of the number of units purchased. See Item 5 for details.

B. Multiple Territories

Type of expenditure (see Note 1)	Amount	Method of payment	When due	To whom payment is to be made
Initial Franchise Fee	\$110,000 - \$350,000	Check or wire transfer	Upon signing the franchise agreement	Us

Notes

1. None of the expenditures in this table will be refundable. Neither we nor any affiliate finance any part of your initial investment.

2. This figure represents the total estimated initial investment required to open the franchised business you agreed to open and operate under the franchise agreement. This range includes all of the items outlined in Chart 7.A. of this Item, except for the Initial Franchise Fee because that will be accounted for in the Initial Franchise Fee for multiple territories.

3. This is the total estimated initial investment to enter into a franchise agreement for the right to operate between two (2) and ten (10) territories, as well as the costs to open and commence operating your franchised business for the first three months (as described more fully in Chart A of this Item 7).

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

We have the right to require you to purchase or lease all goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related

to establishing or operating your business (1) either from us or our designee, or from suppliers approved by us, or (2) according to our specifications.

Specific Obligations

The following are our current specific obligations for purchases and leases:

A. Insurance.

You must obtain and maintain insurance as outlined in the Franchise Agreement, which includes: (i) Commercial General Liability insurance, including products liability coverage and broad form commercial liability coverage, written on an “occurrence” policy form with a minimum of \$1,000,000 per occurrence and \$2,000,000 aggregate limit; (ii) Business Automobile Liability insurance, including coverage for owned, leased, non-owned, and hired automobiles, with a minimum of \$1,000,000 coverage; (iii) Workers' Compensation insurance, as required by state law; and (iv) Disability or Accident Insurance to provide income protection for the owner-operator in the event of an injury preventing them from working, in an amount sufficient to adequately cover all costs they will incur, including but not limited to Franchisor payments, business expenses, and other associated costs. All policies must add us and our affiliates as additional insureds. Additionally, you must obtain all required insurance through an approved vendor or carrier, and you are not permitted to select an alternative insurance provider without our prior written consent. This ensures that the coverage meets our standards and complies with the Franchise Agreement.

C. Other requirements.

You will purchase inventory, supplies and items specific to the franchised business model and fundraising market segment from our approved vendors and suppliers. This includes, but is not limited to the following:

Fundraising Products:

- Discount cards
- Discount tickets
- Cookie Dough
- Popcorn
- Trash bags
- Donation platform
- Coffee
- Beef Sticks

You must process your credit card payments through our proprietary software. This software allows you to accept payments quickly while passing along processing fees to customers.

Approved Suppliers and Designated Vendors

As of the date of this Disclosure Document, we, or our affiliates, are the Approved Suppliers for certain services, supplies, equipment, and inventory required for the establishment and operation of your Fundraising University franchise, as determined by us and outlined in the

Operations Manual. We reserve the right to require you to purchase or lease certain goods and services from designated vendors, including those using our Proprietary Marks, which may include us, our affiliates, or third parties we designate. To ensure uniformity and consistency across the System, you are required to purchase specific goods, services, supplies, and equipment, including technology, and software (e.g., ERP software and productivity tools), from us or from our Approved Suppliers, as specified in the Operations Manual or otherwise in writing. Approved Suppliers may include us, our affiliates, or designated third parties. We reserve the right to be the sole or one of several Approved Suppliers for any product or service. We and our affiliates have the right to earn a profit or otherwise derive revenue from goods and services provided to you, either directly or through our Approved Suppliers. You must purchase these items exclusively for the operation of your Fundraising University franchise and not for any competitive business purpose.

Future Changes

We reserve the right to modify Approved Supplier designations, establish additional relationships with new suppliers, or adjust the terms and prices of goods and services offered through the System, including negotiating rebates or other benefits for the franchise network.

Accounting & Bookkeeping Services

As part of our franchise system, franchisees are required to use designated service providers to ensure consistency and compliance across the system. To that end, franchisees must engage a designated accounting firm of our choosing for services including bookkeeping for the legal entity operating the franchised business, preparation of financial reports required by the franchisor, and submission of monthly and annual financial records in a format approved by the franchisor. The services provided by the designated accounting firm ensure uniform financial reporting, simplify operational processes, and assist in compliance with our franchise system's financial requirements. Franchisees will enter into a direct agreement with the designated accounting firm and are responsible for the costs of these services, which currently range from \$150 to \$270 per month but are subject to change. The franchisor does not receive any financial benefit, commission, rebate, or other consideration from this relationship.

Ownership of Suppliers

Outside of your optional purchase of cards and tickets from us directly, none of our officers owns any interest in any approved or designated supplier for any product, goods, or service that you are required to purchase for the operation of your Franchised Business, but they reserve the right to do so in the future.

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and

we grant approval. There is no fee for us to review or approve up to three alternate suppliers, but you must pay us \$125 per alternate supplier, past the first three, that you request us to review. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We will derive revenue from the required purchases and leases by franchisees. During our previous fiscal year ended December 31, 2024, we did not receive any revenue from any required purchases or leases. None of our affiliates receive revenue from required purchases and leases by franchisees. The annual and monthly technology fees will be paid to our affiliate KRFM Consulting.

Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your business are 80% to 100% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases of goods and services to operate your business are 80% to 100% of your total purchases and leases of goods and services to operate your business.

Payments by Designated Suppliers to Us

During our previous fiscal year ended December 31, 2024, we did not receive any payments from designated suppliers from franchisee purchases based on the above items and products.

Purchasing or Distribution Cooperatives

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

We do negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

Benefits Provided to You for Purchases

We do provide material benefits to you based on your purchase of particular goods or services, or your use of particular suppliers through negotiated discounts on supplies and products.

Item 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Our Pre-Opening Obligations

Before you open your business:

A. *Site Selection.* You are solely responsible for choosing the site of your franchised business. We do not choose your site or approve the area in which you select your site. Because we do not provide site approval, we do not consider any factors in selecting or approving your site and there is no requirement for us to provide approval within a certain time frame. (Franchise Agreement, Section 6.1)

B. *Hiring and training employees.* We will provide you with our suggested staffing levels, suggested guidelines for hiring employees, operational instructions in the Manual which you can use as part of training new employees, and our initial training program described below. All hiring decisions and conditions of employment are your sole responsibility. (Franchise Agreement, Sections 5.2, 5.3)

C. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will provide you with a list of our specifications and approved suppliers for equipment, signs, fixtures, opening inventory, and supplies necessary to open your business. (Franchise Agreement, Section 5.4) We do not provide these items directly; we only provide the names of approved suppliers. We do not deliver or install these items.

D. *Operating Manual.* We will give you access to our Operating Manual (Franchise Agreement, Section 5.1).

E. *Initial Training Program.* We will conduct our initial training program. The current initial training program is described below. You must complete the initial training program within thirty (30) days after signing the Franchise Agreement. (Franchise Agreement, Section 5.4)

F. *Business plan review.* If you request, we will review your pre-opening business plan and financial projections. (Franchise Agreement, Section 5.4).

G. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (Franchise Agreement, Section 5.4).

H. *Pricing.* Subject to applicable law, we will recommend minimum and maximum prices for products and services offered by your Franchised business.

I. *On-site opening support.* Upon completion of your first week of Rookie Training, we will assign you to an existing franchisee for on location shadowing. Such existing franchisee will be designated by us, and you will be required to travel to that franchisee's location, at your expense, for on-site on-the-job shadowing. (Franchise Agreement, Section 5.4).

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 30 days. Factors that may affect the time period include your ability to obtain financing, obtain business permits and licenses, schedule initial training, and hire employees.

Our Post-Opening Obligations

After you open your business:

A. *Hiring and training employees.* We will provide you with our suggested staffing levels, suggested guidelines for hiring employees, and operational instructions in the Manual which you can use as part of training new employees. All hiring decisions and conditions of employment are your sole responsibility. (Franchise Agreement, Sections 5.2, 5.3)

B. *Improving and developing your business; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your business, and resolving operating problems you encounter, to the extent we deem reasonable and provided our personnel are available. If we provide in-person support in response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for our employees providing onsite support). (Franchise Agreement, Section 5.5).

C. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Franchise Agreement, Section 5.5). We have the right to determine prices charged by our franchisees for goods and services (but only to the extent permitted by applicable law).

D. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you with our recommended procedures for administration, bookkeeping, accounting, and inventory control. (Franchise Agreement, Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system. You must use our chart of accounts and platform for submitting your financial reports to us. You must also submit your full financial statements to us monthly.

E. *Brand Fund.* We will administer the Brand Fund. (Franchise Agreement, Section 9.3).

F. *Website.* We will maintain a website for the Fundraising University brand, which will include your business information and telephone number. (Franchise Agreement, Section 5.5)

Advertising

Our obligation. We will use the Brand Fund only for brand building, search engine optimization, social media advertising, email campaigns, marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which will be paid for by the Brand Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. If our outlets have controlling voting power, there is no maximum on fees that could be imposed. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of the cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Brand Fund. During the fiscal year ending December 31, 2024, the Brand Fund had expenditures as follows: 24% Marketing, 13% Brand Development, and 12% Website Maintenance and Outreach. The remainder of the Brand Fund was not spent.

As of December 31, 2024, we are not collecting Brand Fund Contributions. If re-established, the Brand Fund Contribution will be calculated based on the then-current rate, which will not exceed 3% of monthly Gross Revenues Collected. However, the combined total of the Brand Fund Contribution and the Royalty shall not exceed the Royalty rate in effect immediately prior to the re-establishment of the Brand Fund.

Computer Systems

We require you to purchase computer systems and software from vendors approved by us.

In addition to the primary operating System, you must have a basic computer/laptop to use exclusively in connection with your Computer System that must have: (i) the ability to access high-speed Internet (wirelessly) twenty four (24) hours a day; (ii) Windows XP, Vista or newer Windows operating system software installed, along with a Microsoft Office software suite containing Word and Excel; (iii) the ability to run the accounting/bookkeeping software we designate, QuickBooks; (iv) an active license to Google Suites which would be supplied by our affiliate KRFM Consulting; and (v) an active license to use our proprietary software program in order to have access to the credit card processing. The principal functions of the Computer System will be for bookkeeping, creating invoices, preparing materials, and for other general use in connection with the Franchised Business. We do not currently have any minimum requirements regarding the RAM storage that your computer/laptop must have, so long as the hardware you are using can perform the tasks outlined in this Item and the Manuals. You will also need a basic printer to use in connection with your computer/laptop. The computer/laptop you use in connection with the Franchised Business may not be used for any other business purpose. We may modify our

System standards and specifications for our Computer System and may otherwise require you to use any Required Software we designate.

The system provides management tools and operating systems needed to manage the day-to-day business. These systems will generate or store data such as customer contact data, financial data, insurance data and customer contact data.

We estimate that these systems will cost \$500 to \$1,500 to purchase.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do not require you to enter into any such contract with a third party.

You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation.

We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be \$250 - \$350 per month depending on the level of support you require from the vendors.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

We may conduct mandatory or optional additional training programs, including ongoing first-year operations training, an annual conference or national business meeting. If we require it, you must attend mandatory training programs and an annual conference or national business meeting each year at a location we designate. We currently hold our annual conference twice per year, once in January and once in June. You must attend both the January conference and the July conference.

Failure to attend any mandatory training, including an annual conference or business meeting, is a default under the Franchise Agreement. If you are in default for failure to attend mandatory training or an annual conference and cannot provide an excusable reason for the absence, we will issue a written warning. If you fail to attend three consecutive required trainings and/or conferences, we reserve the right to terminate the Franchise Agreement. We reserve the right to impose a reasonable fee for tuition and/or attendance for all additional training programs, including the annual business meeting or conference. Currently, the annual conference fee is \$1,500 for your Principal Executive, and \$300 per person for any additional personnel that attends the annual conference. You must also pay your transportation, lodging, meals, and other expenses to attend any mandatory training program.

Item 12 TERRITORY

Your Location

We anticipate that you will manage your franchise from your home, which must be located in your territory unless otherwise approved by us.

Grant of Territory

Your franchise agreement will specify a contiguous territory, which will include approximately 110,000 school-aged students, which is determined by school enrollment at the time of the Franchise Agreement. For additional territories, you will pay us a fee as described in Item 5, Item 7, and Section 4 of the Franchise Agreement. We will conduct territory analysis and then define your territory by zip codes, county lines, state lines or other borders. We will use United States Census Bureau data to determine the population of your territory.

School District Changes and Territory Adjustments

Your exclusive territory is determined based on the geographic boundaries and school enrollment data available at the time of signing your Franchise Agreement. If school district boundaries change during the term of your Franchise Agreement, such as through the addition, removal, realignment, consolidation, or division of schools or districts, the following terms apply: (1) *Added Schools*: If new schools are established within the geographic boundaries of your existing territory, you will not be charged an additional fee for these schools; (2) *Removed Schools*: If schools within your territory are removed due to boundary changes, consolidation, or closure, they will automatically be excluded from your territory without any adjustment to your franchise fees; and (3) *Boundary Adjustments*: We will not modify your territory to reflect changes to school district boundaries, and your territory remains defined as stated in the Franchise Agreement.

Relocation; Establishment of Additional Outlets

You may relocate your business headquarters anywhere in your territory.

You do not have the right to establish additional franchised outlets or expand into additional territory. If you desire to do so, you must (1) meet our then-current criteria for new franchisees, (2) be in compliance with your franchise agreement at all times since opening your business, (3) have demonstrated your capability to operate a multi-territory franchise successfully, and (4) obtain our agreement.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Exclusivity

You will receive an exclusive territory, which means that we will not, nor will we permit anyone else to, operate a Fundraising University outlet within your Territory, provided that you are not in default of your Franchise Agreement, and you continuously meet the Minimum Performance Standards described below. If you are in default of your Franchise Agreement or are not able to meet the customer demand within your territory, we may alter or work in your territory. If you fail to meet the Minimum Performance Standard, we reserve the right to terminate the Franchise Agreement.

Our Minimum Performance Standards are not based on a certain amount of sales per quarter but rather on participation in various training and coaching exercises. We require all of our franchisees to attend our annual conference each year in a location we designate twice a year. The conferences take place in January and June. You must attend both conferences. You are also required to attend weekly training calls, which are typically held on Friday.

In addition to attendance to our mandatory annual conference and weekly training calls, you are also expected to follow our standard operating procedure such as recording all business transactions through company mandated technology, which includes Fundraiser Agreements, Merchant agreements as well as Coach/Team contracts. You are also required to place your finalized invoices in our systems as well for review.

We recommend that all Franchisees adhere to the sales process of 20/16/14 which we go over in detail during our Initial Training Program. We recommend you visit 20 schools per week, 16 sales presentations with decision makers, and as a result you should sign 4 agreements. This ensures that not only they are meeting our minimum performance standards by attending conferences and phone calls, but it helps them optimize their time ensure they are best serving our customers. There are no consequences for not following the 20/16/4 sales process but it can impede the Franchisee from growing their business.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

We reserve all rights to offer and sell in the Territory (i) if you are in default of the Franchise Agreement, or (ii) if you are incapable of meeting customer demand in your territory. Additionally, we reserve the right to use alternative channels of distribution, including the following but not limited to internet/online, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory (i) using our principal trademarks, but only for sales of products or services different from the ones you will offer, and/or (ii) using trademarks different from the ones you will use. We also have the right to merge with, acquire, or be acquired by, an existing competitive or non-competitive franchise network, chain or other business; however, we will not convert any acquired business in your Territory to a franchise using our primary trademarks during the Term of your Franchise Agreement. We further reserve all rights to sell our products and services through alternative distribution channels, which are described below. If we accept orders inside the franchisee's territory, we will pay five percent (5%) of the Gross Sales to the franchisee.

In the event Coaching Matters, LLC were to secure a national fundraising deal that would apply to us, our affiliates and our franchisees, and you, as a franchisee elect to participate, we would then require you to pay a five percent (5%) commission to us as a participation fee.

Soliciting by You Outside Your Territory

You cannot solicit or market to potential customers outside of your territory, including through the use of other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, except for solicitations or marketing which are primarily targeted inside the territory, and which incidentally reach potential customers outside of the territory. You cannot serve customers or schools outside of your territory without our prior written permission and purchase of the additional territory. We may withdraw permission at any time.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, we reserve the right to do so.

Minimum Operations Requirement

Franchisee acknowledges that maintaining a certain level of gross sales per territory is critical to the success of the franchise system. The Franchisee must achieve a minimum of One Hundred Fifty Thousand Dollars (\$150,000) in Gross Sales within the first six (6) months of operation. If this requirement is not met, the Franchisee will enter a probationary period of six (6) months, during which they must achieve a total of Three Hundred Thousand Dollars (\$300,000) in Gross Sales per territory, by the end of their first twelve (12) months of operation. Failure to meet this twelve-month requirement may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

Regardless of whether the initial six-month requirement is met, the Franchisee must achieve a minimum of Three Hundred Thousand Dollars (\$300,000) in Gross Sales by the end of the first twelve (12) months of operation. Failure to achieve this requirement may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

If the Franchisee surpasses Three Hundred Thousand Dollars (\$300,000) in Gross Sales by the end of the first twelve (12) months, they must then achieve a minimum of Five Hundred Thousand Dollars (\$500,000) in Gross Sales by the end of month eighteen (18). Thereafter, the Franchisee must maintain Gross Sales at or above Five Hundred Thousand Dollars (\$500,000) on a rolling twelve (12) month basis for the remainder of the term. Failure to achieve or maintain this level may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

We do not own rights in, or licenses to, patents that are material to the franchise. We do not have any pending patent applications.

Copyrights

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. This includes our Operating Manual as well as all other sales, training, management, and other materials that we have created or will create. We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright.

Proprietary Information

We have a proprietary, confidential Operating Manual and related materials that include guidelines, standards and policies for the development and operation of your business. We also claim proprietary rights in other confidential information or trade secrets that include all methods for developing and operating the business, and all non-public plans, data, financial information, processes, vendor pricing, supply systems, marketing systems, formulas, techniques, designs, layouts, operating procedures, customer data, information, and know-how.

You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Operating Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employees to sign confidentiality agreements.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Participation

While we recommend that you, as the Principal Executive of your franchise business, directly run the day-to-day operations of your franchise business, if the franchise business is owned by an entity, you may, upon written request, hire a general manager approved by us to run the day-to-day operations.

You, as the Principal Executive, are primarily responsible for your business and have decision-making authority on behalf of the business. You and your general manager must complete our initial training program. You and your general manager must complete any post-opening training programs that we develop in the future and must make reasonable efforts to attend all in-person meetings and remote meetings (such as telephone conference calls), including regional or national brand conferences, that we require. Neither you nor your general manager can fail to attend more than three consecutive required meetings. Failure to do so may result in a default of your franchise business. Due to the nature of our business, many activities are conducted in schools with children and as such, you are required, during the initial term of the franchise, and during any successor term, to obtain background checks for you, your Principal Executive(s), general managers or any employee who will be present in schools throughout your territory. You consent to obtaining credit reports, lien searches or other background searches as required for all employees of your franchised business. You must provide us with a copy of each report prior to you, your Principal Executive(s) or any of your employees entering a school on behalf of your Franchised Business

Your general manager, if you designate one, is not required to own any equity in your franchisee entity.

You may also hire one or more sales representatives approved by us. The sales representative must complete training, whether initial or additional training after you open to our satisfaction. The sales representative is not required to own any equity in your franchise entity.

If your business is owned by an entity, all owners of the entity must sign our Guaranty and Non-Compete Agreement (see Attachment 2 to Exhibit B).

“On-Premises” Supervision

When your business performs services for a customer, you are not required to personally conduct “on-premises” supervision of your business. However, we recommend on-premises supervision by you.

There is no limit on who you can hire as an on-premises supervisor. The general manager of your business (whether that is you or a hired person) must successfully complete our training program.

If the franchise business is owned by an entity, we do not require that the general manager own any equity in the entity.

Restrictions on Your Manager

If we request, you must have your general manager sign a confidentiality and non-compete agreement. We do not require you place any other restrictions on your manager.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer for sale only goods and services that we have approved.

You must offer for sale all goods and services that we require. We have the right to change the types of authorized goods or services, and there are no limits on our right to make changes.

We do not restrict your access to customers, except that all sales must be made to customers in your territory.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following tables show the performance of our outlets that have been in operation for a full year as of December 31, 2024 and provided us with financial information for this Financial Performance Representation. Of these outlets, 0 were affiliate-owned and 29 were franchisee-owned. Excluded from this Financial Performance Representation are 22 franchisee-owned outlets that were open for less than 1 year.

1. “Gross Sales” includes all consideration, whether by cash, credit, in kind or otherwise, that was derived directly or indirectly from the operation of the represented Fundraising University business. The revenue representations in this Item do not reflect the cost of sales, operating expenses, or other expenses that must be deducted from Gross Sales figures to obtain net income or profit. For the table in this Item 19, “Upper third performers,” “Middle third performers” and “Lower third performers” is determined by Gross Sales only.

2. “Average Fundraisers Operated per Tier” represents the average number of fundraising events conducted by franchisees within each performance tier over the course of a year. This metric provides insight into the level of activity and engagement within each group.

3. “Average Fundraiser Sale per Tier” reflects the average revenue generated per fundraising event. This helps illustrate the potential earnings per fundraiser and the effectiveness of individual sales efforts.

4. Some outlets have sold this amount. Your individual results may differ. There is no assurance you will sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Cost of Goods Sold

In addition to Gross Sales information, we collected data on Cost of Goods Sold (“COGS”) for the 2024 calendar year. COGS includes the school split, shipping of fundraiser goods, and fundraiser product costs. These figures reflect historical averages across all franchisee-reported fundraisers in 2024.

Product Category	Average COGS (%)
\$30 Products and Donation-Based Fundraisers	70.91%
Products Priced Under \$30	72.20%

These figures are presented separately because beginning in 2026, only \$30 products will be offered in our system.

These figures are based on historical results from the system for 2024. They represent averages only and do not reflect other expenses (such as marketing, royalties, labor, or general operating costs). Your actual results may differ significantly. We do not guarantee that you will achieve similar results.

Other than the preceding financial performance representation, Coaching Matters, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Michael Charles Bahun, 1525 South Higley Road, Suite 104 PMB 1221, Gilbert Arizona 85296, and 402-680-5029, the Federal Trade Commission, and the appropriate state regulatory agencies.

FRANCHISE AGREEMENT

This Agreement is made between Coaching Matters, LLC, a Wyoming limited liability company (“Fundraising U Franchising”), and Franchisee effective as of the date signed by Fundraising U Franchising (the “Effective Date”).

Background Statement:

A. Fundraising U Franchising and its affiliate Stolen Base, Inc. have created and own a system (the “System”) for developing and operating a fundraising business under the trade name “Fundraising University”.

ARTICLE 1. DEFINITIONS

“**Action**” means any action, suit, proceeding, claim, demand, governmental investigation, governmental inquiry, judgment, or appeal thereof, whether formal or informal.

“**Gross Sales**” means the total dollar amount of all sales generated through the Business for a given period, including, but not limited to, payment for any services or products sold by Franchisee, whether for cash or credit. Gross Sales does not include (i) bona fide refunds to customers, (ii) sales taxes collected by Franchisee, (iii) sales of used equipment not in the ordinary course of business, or (iv) sales of prepaid cards or similar products (but the redemption of any such card or product will be included in Gross Sales).

“Input” means any goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating the Business.

ARTICLE 2. GRANT OF LICENSE

2.1 Grant. Fundraising U Franchising grants to Franchisee the right to operate a Fundraising University business solely in the Territory. Franchisee shall develop, open and operate a Fundraising University business in the Territory for the entire term of this Agreement.

2.2 Territory. This agreement grants Franchisee the right to operate the Franchised business within the Territory only. Franchisee acknowledges that (i) the Territory was mutually agreed upon by Franchisor and Franchisee, (ii) prior to the Effective Date hereof, Franchisee conducted Franchisee’s own due diligence with regard to potential customers and other matters relative to the operation of the Franchised Business in the Territory, and (iii) Franchisor’s agreement to the Territory is permission only, does not constitute a representation, promise, warranty, or guarantee, express or implied, by Franchisor that the Franchised Business operated therein will be profitable or otherwise successful, and cannot, and does not, create any liability for Franchisor.

(a) Limitation. Franchisee shall not solicit or market to potential customers outside of the Territory, except for solicitations or marketing which are primarily targeted inside the Territory, and which incidentally reach potential customers outside of the Territory.

(b) Service. Franchisee shall not serve customers outside of the Territory without Fundraising U Franchising’s prior written permission. Fundraising U Franchising may withdraw permission at any time. If Franchisee serves a customer outside of the Territory without Fundraising U Franchising’s prior written permission, Fundraising U Franchising may impose a fee equal to the greater of (i) \$500 or (ii) 75% of the amount paid by such customer to Franchisee. This fee is a reasonable estimate of Fundraising U Franchising’s internal cost of personnel time attributable to addressing Franchisee’s breach of this Section, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. This fee is in addition to all of Fundraising U Franchising’s other rights and remedies.

(c) Fundraising U Franchising shall not establish, nor license the establishment of, another Fundraising University business within the Territory or which serves customers located in the Territory. However, Fundraising U Franchising retains the right to:

- (i) serve (or authorize other franchisees to serve) customers in the Territory if Franchisee is in default, or if Franchisee is incapable of meeting customer demand in the Territory (in Fundraising U Franchising’s reasonable opinion);
- (ii) serve (or authorize other franchisees to serve) a particular customer in the Territory if Franchisee fails to properly serve such customer, or if Fundraising U Franchising reasonably believes that Franchisee will not properly serve such customer;

- (iii) establish and license others to establish and operate Fundraising University businesses outside the Territory;
- (iv) operate and license others to operate businesses anywhere that do not operate under the Fundraising University brand name; and
- (v) sell and license others to sell Fundraising University products and services to customers in the Territory through channels of distribution (including the internet) so long as such products and services are not provided through a Fundraising University outlet in the Territory, and are different from the products and services provided by Franchisee.

(d) Policies. Fundraising U Franchising may set policies binding on all franchisees regarding soliciting, marketing, and serving customers in another franchisee's territory, and Fundraising U Franchising may waive or modify such policies in any circumstance as Fundraising U Franchising determines. If Franchisee obtains a customer in the protected territory of another franchisee, then, in addition to all other rights and remedies Fundraising U Franchising may have, Fundraising U Franchising may in its discretion (i) require Franchisee to transfer the customer to such other franchisee, (ii) require Franchisee to pay such other franchisee 75% of the Gross Sales received from such customer, or (iii) fashion such other remedy as Fundraising U Franchising deems appropriate.

(e) Referrals. Fundraising U Franchising may set policies binding on all franchisees regarding referral fees (and other terms and conditions) when a customer is referred from one Fundraising University business to another. Fundraising U Franchising may waive or modify such policies in any circumstance as Fundraising U Franchising determines.

2.3 Franchisee Control. Franchisee represents that Attachment 1 (i) identifies each owner, officer and director of Franchisee, and (ii) describes the nature and extent of each owner's interest in Franchisee. If any information on Attachment 1 changes (which is not a Transfer), Franchisee shall notify Fundraising U Franchising within 10 days.

2.4 Principal Executive. Franchisee agrees that the person designated as the "Principal Executive" on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive must participate in the direct operation of the Business and must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to Fundraising U Franchising's reasonable approval.

2.5 Guaranty. If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee's obligations to Fundraising U Franchising, in the form of Attachment 2.

2.6 No Conflict. Franchisee represents to Fundraising U Franchising that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition

covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or “blocked” in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

ARTICLE 3. TERM

3.1 Term. This Agreement commences on the Effective Date and continues for ten (10) years.

3.2 Successor Agreement. When the term of this Agreement expires, Franchisee may enter into a successor agreement for unlimited additional periods of 5-years each, subject to the following conditions prior to each expiration:

- (i) Franchisee notifies Fundraising U Franchising of the election to renew between 90 and 180 days prior to the end of the term;
- (ii) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with Fundraising U Franchising (or any of its affiliates) at the time of election and at the time of renewal;
- (iii) Franchisee has had no more than three (3) events of default during the then-current term;
- (iii) Franchisee has made or agrees to make (within a period of time acceptable to Fundraising U Franchising) changes to the Business as Fundraising U Franchising requires to conform to the then-current System Standards;
- (iv) Franchisee executes Fundraising U Franchising’s then-current standard form of franchise agreement, which may be materially different than this form (including, without limitation, higher and/or different fees), except that Franchisee will not pay another initial franchise fee and will not receive more renewal or successor terms than described in this Section;
- (v) Franchisee and each Owner executes a general release (on Fundraising U Franchising’s then-standard form) of any and all claims against Fundraising U Franchising, its affiliates, and their respective owners, officers, directors, agents and employees; and
- (vi) Franchisee pays Franchisor a renewal fee consisting of 25% of the then-current Franchise Fee as stated in the Franchise Disclosure Document (FDD) per Protected Territory that is being renewed.

ARTICLE 4. FEES

4.1 Initial Franchise Fee. Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable.

4.2 Royalty Fee. Royalty Fee payments begin on the first 5th day of the month following the month your Franchise Agreement is executed. The Royalty Fee is 8% of Gross Sales as defined above.

4.3 Brand Fund Contribution.

(a) Brand Fund Contribution. If re-established, the Brand Fund Contribution will be calculated based on the then-current rate, which will not exceed 3% of monthly Gross Revenues Collected. However, the combined total of the Brand Fund Contribution and the Royalty shall not exceed the Royalty rate in effect immediately prior to the re-establishment of the Brand Fund.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative.

4.4 Replacement / Additional Training Fee. Our then-current fee. Currently, \$1,500 per trainee, in addition to our trainers' travel and other costs and expenses in providing such training.

4.5 Third Party Vendors. If Fundraising U Franchising requires Franchisee to use a designated third-party vendor, Fundraising U Franchising has the right (but not the obligation) to collect payment on behalf of the vendor and remit the payment to the vendor. If Fundraising U Franchising does so, it may impose a reasonable markup or charge for administering the payment program.

4.6 Technology & Brand Marketing Fee. The Technology & Brand Marketing Fee covers essential tools and brand-building efforts to support franchise success. This includes one Enterprise Resource Planning (ERP) system account per territory for efficient operations, one Google Workspace account per territory for professional communication and collaboration, and a contribution toward brand marketing initiatives, such as digital advertising, social media campaigns, and other efforts to enhance brand awareness and drive customer engagement. If additional accounts are needed beyond the one allotted per territory, each ERP account will incur a fee of \$325, and each Google Workspace account will incur a fee of \$125. These costs may increase annually based on the necessary cost of the products, but we will not raise fees to generate additional profit for ourselves. Below is a chart outlining the Technology & Brand Marketing Fee based on the number of territories owned.

4.7 Non-Compliance Fee. Fundraising U Franchising may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee's non-payment of a fee owed to Fundraising U Franchising) which Franchisee fails to cure after 30 days' notice. Thereafter, Fundraising U Franchising may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Fundraising U Franchising's internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of Fundraising U Franchising's other rights and remedies.

4.8 Reimbursement. Fundraising U Franchising may (but is never obligated to) pay on Franchisee's behalf any amount that Franchisee owes to a supplier or other third party. If Fundraising U Franchising does so or intends to do so, Franchisee shall pay such amount plus a

10% administrative charge to Fundraising U Franchising within 15 days after invoice by Fundraising U Franchising accompanied by reasonable documentation.

4.9 Payment Terms.

(a) Method of Payment. Franchisee shall pay the Royalty Fee, Brand Fund Contribution, and any other amounts owed to Fundraising U Franchising by pre-authorized bank draft or in such other manner as Fundraising U Franchising may require.

(b) Calculation of Fees. Franchisee shall report monthly Gross Sales to Fundraising U Franchising by the 5th day of the following month. If Franchisee fails to report monthly Gross Sales, then Fundraising U Franchising may withdraw estimated Royalty Fees and Brand Fund Contributions equal to 125% of the last Gross Sales reported to Fundraising U Franchising, and the parties will true-up the actual fees after Franchisee reports Gross Sales. Franchisee acknowledges that Fundraising U Franchising has the right to remotely access Franchisee's point-of-sale system to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 "late fee" plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(d) Insufficient Funds. Fundraising U Franchising may charge \$50 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by Fundraising U Franchising (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. Fundraising U Franchising may apply any payment received from Franchisee to any obligation and in any order as Fundraising U Franchising may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Fundraising U Franchising any fees or amounts described in this Agreement are not dependent on Fundraising U Franchising's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

4.10 Taxes. If any withholding, sales, excise, use, privilege or other tax (excepting Franchisor's income tax obligation) ("Tax Charge") is imposed or levied by any government or governmental agency on Franchisor or Franchisee for any fee due and payable under this Agreement, including but not limited to, the Royalty Fee and Brand Fund Contribution (for the purpose of this Section 4.10, such fee shall be referred to as a "Taxable Payment"), then Franchisee shall pay Franchisor a sum equal to the amount of the Tax Charge, together with the Taxable Payment, such that the net sum received by Franchisor equals the amount of the Taxable Payment without deduction, withholding, payment or application of the Tax Charge.

ARTICLE 5. ASSISTANCE

5.1 Manual. Fundraising U Franchising shall make its Manual available to Franchisee.

5.2 Assistance in Hiring Employees. Fundraising U Franchising shall provide its suggested staffing levels to Franchisee. Fundraising U Franchising shall provide suggested guidelines for hiring employees. All hiring decisions and conditions of employment are Franchisee's sole responsibility.

5.3 Assistance in Training Employees. Fundraising U Franchising shall, to the extent it deems appropriate, provide programs for Franchisee to conduct training of new employees.

5.4 Pre-Opening Assistance.

(a) Pre-Opening Specifications and Vendors. To the extent not included in the Manual, Fundraising U Franchising shall provide Franchisee with (i) applicable System Standards and other specifications as Fundraising U Franchising deems appropriate (which may include specifications regarding inventory, supplies, materials, and other matters), and (ii) Fundraising U Franchising's lists of Approved Vendors and/or Required Vendors.

(b) Business Plan Review. If requested by Franchisee, Fundraising U Franchising shall review and advise on Franchisee's pre-opening business plan and financial projections. **Franchisee acknowledges that Fundraising U Franchising accepts no responsibility for the performance of the Business.**

(c) Pre-Opening Training. Fundraising U Franchising shall make available its standard pre-opening training to the Principal Executive and up to 2 other employees, at Fundraising U Franchising's headquarters and/or at a Fundraising University business designated by Fundraising U Franchising. Franchisee shall pay to Fundraising U Franchising a Pre-Opening Training program fee equal to \$15,000 prior to attending the Pre-Opening Training program. Franchisee is responsible for its own travel, lodging, meal, and other out-of-pocket expenses. Fundraising U Franchising reserves the right to vary the length and content of the initial training program based on the experience and skill level of any individual attending the program. You must complete the initial training program within thirty (30) days after signing this Franchise Agreement.

(d) Market Introduction Plan. Fundraising U Franchising shall advise Franchisee regarding the planning and execution of Franchisee's market introduction plan.

(e) On-Site Opening Assistance. Upon completion of Franchisee's first week of Rookie Training, Fundraising U Franchising will assign an existing Fundraising U Franchising to Franchisee for on-location job shadowing. Such existing franchisee will be designated by Fundraising U Franchising, and Franchisee will be required to travel to the designated franchisee's location, at Franchisee's expense, for on-site on-the-job shadowing.

5.5 Post-Opening Assistance.

If Fundraising U Franchising conducts an evaluation because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed evaluation), then Fundraising U Franchising may charge all out-of-pocket expenses plus its then-current evaluation fee to Franchisee.

11.3 Fundraising U Franchising's Right to Cure. If Franchisee breaches or defaults under any provision of this Agreement, Fundraising U Franchising may (but has no obligation to) take

any action to cure the default on behalf of Franchisee, without any liability to Franchisee. Franchisee shall reimburse Fundraising U Franchising for its costs and expenses (including the allocation of any internal costs) for such action, plus 10% as an administrative fee.

11.4 Right to Discontinue Supplies Upon Default. While Franchisee is in default or breach of this Agreement, Fundraising U Franchising may (i) require that Franchisee pay cash on delivery for products or services supplied by Fundraising U Franchising, (ii) stop selling or providing any products and services to Franchisee, and/or (iii) request any third-party vendors to not sell or provide products or services to Franchisee. No such action by Fundraising U Franchising shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such rights of Fundraising U Franchising are in addition to any other right or remedy available to Fundraising U Franchising.

11.5 Reimbursement of Costs. Franchisee shall reimburse Franchisor all costs and expenses, including but not limited to attorneys' fees, incurred by Franchisor as a result of Franchisee's default, including costs in connection with collection of any amounts owed to Franchisor and/or enforcement of Franchisor's rights under this Agreement.

11.6 Business Data. All customer data and other non-public data generated by the Business is Confidential Information and is exclusively owned by Fundraising U Franchising. Fundraising U Franchising hereby licenses such data back to Franchisee without charge solely for Franchisee's use in connection with the Business for the term of this Agreement.

11.7 Innovations. Franchisee shall disclose to Fundraising U Franchising all ideas, plans, improvements, concepts, methods, and techniques relating to the Business (collectively, "Innovations") conceived or developed by Franchisee, its employees, agents, or contractors. Fundraising U Franchising will automatically own all Innovations and it will have the right to use and incorporate any Innovations into the System, without any compensation to Franchisee. Franchisee shall execute any documents reasonably requested by Fundraising U Franchising to document Fundraising U Franchising's ownership of Innovations.

11.8 Communication Systems. If Fundraising U Franchising provides email accounts and/or other communication systems to Franchisee, then Franchisee acknowledges that it has no expectation of privacy in the assigned email accounts and other communications systems, and Franchisee authorizes Fundraising U Franchising to access such communications.

11.9 Delegation. Fundraising U Franchising may delegate any duty or obligation of Fundraising U Franchising under this Agreement to an affiliate or to a third party.

11.10 System Variations. Fundraising U Franchising may vary or waive any System Standard for any one or more Fundraising University franchises due to the peculiarities of the particular site or circumstances, density of population, business potential, population of trade area, existing business practices, applicable laws or regulations, or any other condition relevant to the performance of a franchise or group of franchises. Franchisee is not entitled to the same variation or waiver.

ARTICLE 12. MARKS

12.1 Authorized Marks. Franchisee shall use no trademarks, service marks or logos in connection with the Business other than the Marks. Franchisee shall use all Marks specified by Fundraising U Franchising, and only in the manner as Fundraising U Franchising may require. Franchisee has no rights in the Marks other than the right to use them in the operation of the Business in compliance with this Agreement. All use of the Marks by Franchisee and any goodwill associated with the Marks, including any goodwill arising due to Franchisee's operation of the Business, will inure to the exclusive benefit of Fundraising U Franchising.

12.2 Change of Marks. Fundraising U Franchising may add, modify, or discontinue any Marks to be used under the System. Within a reasonable time after Fundraising U Franchising makes any such change, Franchisee must comply with the change, at Franchisee's expense.

12.3 Infringement.

(a) Defense of Franchisee. If Franchisee has used the Marks in accordance with this Agreement, then (i) Fundraising U Franchising shall defend Franchisee (at Fundraising U Franchising's expense) against any Action by a third-party alleging infringement by Franchisee's use of a Mark, and (ii) Fundraising U Franchising will indemnify Franchisee for expenses and damages if the Action is resolved unfavorably to Franchisee.

(b) Infringement by Third Party. Franchisee shall promptly notify Fundraising U Franchising if Franchisee becomes aware of any possible infringement of a Mark by a third party. Fundraising U Franchising may, in its sole discretion, commence or join any claim against the infringing party.

(c) Control. Fundraising U Franchising shall have the exclusive right to control any prosecution or defense of any Action related to possible infringement of or by the Marks.

ARTICLE 13. COVENANTS

13.1 Confidential Information. With respect to all Confidential Information, Franchisee shall (a) adhere to all procedures prescribed by Fundraising U Franchising for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized in writing by Fundraising U Franchising, (d) exercise the highest degree of diligence and effort to maintain the confidentiality of all such information during and after the term of this Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Franchisee acknowledges that all Confidential Information is owned by Fundraising U Franchising (except for Confidential Information which Fundraising U Franchising licenses from another person or entity). This Section will survive the termination or expiration of this Agreement indefinitely.

13.2 Covenants Not to Compete.

(a) Restriction – In Term. During the term of this Agreement, neither Franchisee, any Owner, nor any spouse of an Owner (the “Restricted Parties”) shall directly or indirectly have any ownership interest in, or be engaged or employed by, any Competitor.

(b) Restriction – Post Term. For two years after this Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, or be engaged or employed by, any Competitor operating in any of Franchisee’s Territory or the territory of any other Fundraising University business operating on the date of termination or transfer, as applicable.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court, then the parties intend that the court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Fundraising U Franchising. Franchisee agrees that the existence of any claim it may have against Fundraising U Franchising shall not constitute a defense to the enforcement by Fundraising U Franchising of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

13.3 Employee Recruitment. During the term of this Agreement and for one year after termination, transfer, or expiration of this Agreement, Franchisee shall not knowingly employ or seek to employ or engage as an independent contractor any person then employed by Fundraising U Franchising or its affiliates.

13.4 Covenants of Employees, Agents and Third Persons. Franchisee shall require and obtain execution of covenants similar to those set forth in this Article 13 (including covenants applicable upon the termination of a person’s employment with Franchisee) from all employees, contractors or third persons who will have access to Fundraising U Franchising’s confidential and proprietary information, and Franchisee shall provide Franchisor with executed versions thereof. Such covenants shall be substantially in the form set forth in Attachment 4, as revised and updated from time to time and contained in the Manual. Franchisee shall indemnify and hold Franchisor harmless from any and all liability, loss, attorneys’ fees, or damage Franchisor may suffer as a result of Franchisee’s failure to obtain executed restricted covenants by employees, agents and third persons as required by this Section.

13.5 Injunctive Relief. Franchisee and Principal(s) acknowledge that a violation of the covenants of confidentiality and non-competition contained in this Agreement would result in immediate and irreparable injury to Franchisor for which monetary damages cannot fully remedy. Accordingly, Franchisee and Principal(s) hereby consent to the entry of a temporary and permanent injunction prohibiting any conduct by Franchisee or Principal(s) in violation of the terms of the covenants set forth in this Article 13 and hereby agree to waive any and all defenses to the entry of such injunction(s). Notwithstanding, Franchisee and Principal(s) acknowledge and agree that the foregoing injunctive relief is in addition to, and does not restrict Franchisor from

pursuing, any and all claims for monetary damages resulting from a breach by Franchisee or Principal(s) of the covenants contained herein.

13.6 Liquidated Damages – Violation of Confidentiality or Non-Competition Covenants.

In the event Franchisee and/or Principal(s) violate the covenants of confidentiality and/or non-competition set forth herein, Franchisee and/or Principal(s) shall pay Franchisor a lump sum payment (as liquidated damages and not as a penalty) an amount equal to One Hundred Thousand Dollars (\$100,000.00), plus Franchisor's attorney's fees, for each such violation. Franchisee and Principal(s) acknowledge that a precise calculation of the full extent of the damages that Franchisor will incur in the event of Franchisee's and/or Principal(s)' violation of the covenants of confidentiality and/or non-competition is difficult to determine and that this lump sum payment is reasonable in light thereof. The liquidated damages payable by Franchisee pursuant to this Section 13.6 shall be in addition to all other amounts payable under this Agreement and shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies pursuant to any other provision hereof.

ARTICLE 14. DEFAULT AND TERMINATION

14.1 Termination by Franchisee. Except as stated below, Franchisee may terminate this Agreement only if Fundraising U Franchising violates a material provision of this Agreement and fails to cure or to make substantial progress toward curing the violation within 30 days after receiving written notice from Franchisee detailing the alleged default. Termination by Franchisee is effective 10 days after Fundraising U Franchising receives written notice of termination.

(a) Optional Termination. If, after three years of operation, Franchisee wishes to terminate the Franchise Agreement, Franchisee must notify Fundraising U Franchising of its intention to do so not less than 180 days prior to the termination date Franchisee specifies. The parties will determine a corrective action plan to take place during such 180-day period. If, after such 180-day period, Franchisee still wishes to terminate this Franchise Agreement, and Fundraising U Franchising consents, Franchisee will be required to:

(i) Execute a general release, releasing any claims against Fundraising U Franchising, its affiliates, principals, members and officers;

(ii) In the event of default or termination of the Franchise Agreement within the first 18 months of signing, Franchisee shall be required to pay a Termination Fee equal to One Hundred Thousand Dollars (\$100,000), which shall be due and payable within thirty (30) days of the effective date of termination. If default or termination occurs after the initial eighteen (18) month period, Franchisee shall be required to pay a Termination Fee equal to Ten Thousand Dollars (\$10,000), which shall also be due and payable within thirty (30) days of the effective date of termination. (iii) within seventy-two (72) hours of the effective date of termination, assign to Fundraising U Franchising (or its designee) all contracted sales as of the effective date of termination.

(iii) Franchisee acknowledges that maintaining a certain level of gross sales per territory is critical to the success of the franchise system. The Franchisee must achieve a

minimum of One Hundred Fifty Thousand Dollars (\$150,000) in Gross Sales within the first six (6) months of operation. If this requirement is not met, the Franchisee will enter a probationary period of six (6) months, during which they must achieve a total of Three Hundred Thousand Dollars (\$300,000) in Gross Sales per territory, by the end of their first twelve (12) months of operation. Failure to meet this twelve-month requirement may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

Regardless of whether the initial six-month requirement is met, the Franchisee must achieve a minimum of Three Hundred Thousand Dollars (\$300,000) in Gross Sales by the end of the first twelve (12) months of operation. Failure to achieve this requirement may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

If the Franchisee surpasses Three Hundred Thousand Dollars (\$300,000) in Gross Sales by the end of the first twelve (12) months, they must then achieve a minimum of Five Hundred Thousand Dollars (\$500,000) in Gross Sales by the end of month eighteen (18). Thereafter, the Franchisee must maintain Gross Sales at or above Five Hundred Thousand Dollars (\$500,000) on a rolling twelve (12) month basis for the remainder of the term. Failure to achieve or maintain this level may result in termination of the Franchise Agreement at the sole discretion of the Franchisor.

14.2 Termination by Fundraising U Franchising.

(a) Subject to 10-Day Cure Period. Fundraising U Franchising may terminate this Agreement if Franchisee does not make any payment to Fundraising U Franchising when due, or if Franchisee does not have sufficient funds in its account when Fundraising U Franchising attempts an electronic funds withdrawal, and Franchisee fails to cure such non-payment within 10 days after Fundraising U Franchising gives notice to Franchisee of such breach.

(b) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (a) or (c), and Franchisee fails to cure such breach to Fundraising U Franchising's satisfaction within 30 days after Fundraising U Franchising gives notice to Franchisee of such breach, then Fundraising U Franchising may terminate this Agreement.

(c) Without Cure Period. Fundraising U Franchising may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee misrepresented or omitted material facts when applying to be a franchisee, or breaches any representation in this Agreement;
- (ii) Franchisee knowingly submits any false report or knowingly provides any other false information to Fundraising U Franchising;
- (iii) a receiver or trustee for the Business or all or substantially all of Franchisee's property is appointed by any court, or Franchisee makes a general assignment for the benefit of Franchisee's creditors or Franchisee makes a written statement to the effect that Franchisee is unable to pay its debts as they become due, or a levy or execution is made against the Business, or an attachment or lien remains on the

Business for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee, or a petition in bankruptcy is filed by Franchisee, or such a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;

- (iv) Franchisee fails to open for business by the date specified on the Summary Page;
- (v) Franchisee or any Owner commits a material violation of Section 7.2 (compliance with laws) or Section 13.1 (confidentiality), violates Section 13.2 (non-compete) or Article 15 (transfer), or commits any other violation of this Agreement which by its nature cannot be cured;
- (vi) Franchisee abandons or ceases operation of the Business for more than 15 consecutive days;
- (vii) Franchisee or any Owner slanders or libels Fundraising U Franchising or any of its employees, directors, or officers;
- (viii) Franchisee refuses to cooperate with or permit any audit or evaluation by Fundraising U Franchising or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2.
- (ix) the Business is operated in a manner which, in Fundraising U Franchising's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from Fundraising U Franchising or otherwise);
- (x) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xi) Fundraising U Franchising (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate); or
- (xii) Franchisee or any Owner is accused by any governmental authority or third party of any act that in Fundraising U Franchising's opinion is reasonably likely to materially and unfavorably affect the Fundraising University brand, or is charged with, pleads guilty to, or is convicted of a felony.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Fundraising U Franchising based on the operation of the Business through the effective date of termination or expiration;

- (ii) return to Fundraising U Franchising all copies of the Manual, Confidential Information and any and all other materials provided by Fundraising U Franchising to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;
- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Fundraising U Franchising or any new franchisee as may be directed by Fundraising U Franchising, and Franchisee hereby irrevocably appoints Fundraising U Franchising, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. If Franchisee operates from a Location other than Franchisee's home, then within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Fundraising University business, to the reasonable satisfaction of Fundraising U Franchising. Franchisee shall comply with any reasonable instructions and procedures of Fundraising U Franchising for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Fundraising U Franchising may enter the Location to remove the Marks and de-identify the Location. In this event, Fundraising U Franchising will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Fundraising U Franchising.

14.5 Liquidated Damages. If Fundraising U Franchising terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within ten (10) days thereafter Franchisee shall pay to Fundraising U Franchising a lump sum (as liquidated damages and not as a penalty) calculated as follows:

(i) In the event of default or termination of the Franchise Agreement within the first eighteen (18) months of Effective Date, Franchisee shall be required to pay a Termination Fee equal to One Hundred Thousand Dollars (\$100,000), which shall be due and payable within thirty (30) days of the effective date of termination.

(ii) If default or termination occurs after the initial 18-month period, Franchisee shall be required to pay a Termination Fee equal to \$10,000, which shall also be due and payable within thirty (30) days of the effective date of termination.

Franchisee acknowledges that a precise calculation of the full extent of Fundraising U Franchising's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to

Fundraising U Franchising under this Section will be in lieu of any direct monetary damages that Fundraising U Franchising may incur as a result of Fundraising U Franchising's loss of Royalty Fees that would have been owed to Fundraising U Franchising after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Fundraising U Franchising's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which Fundraising U Franchising is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that Fundraising U Franchising may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, Fundraising U Franchising will have the right (but not the obligation) to purchase any or all of the assets related to the Business. To exercise this option, Fundraising U Franchising must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Fundraising U Franchising elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Fundraising U Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Fundraising U Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Fundraising U Franchising. If Fundraising U Franchising exercises the purchase option, Fundraising U Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts which Fundraising U Franchising paid or will pay to third parties to satisfy indebtedness owed by Franchisee to third parties. If any of the assets are subject to a lien, Fundraising U Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. Fundraising U Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Fundraising U Franchising may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Fundraising U Franchising. Fundraising U Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Fundraising U Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Fundraising U Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Fundraising U Franchising at least 60 days prior notice of the proposed Transfer,

and without obtaining Fundraising U Franchising's consent. In granting any such consent, Fundraising U Franchising may impose conditions, including, without limitation, the following:

- (i) Fundraising U Franchising receives a transfer fee equal to 25% of the then-current Franchise Fee as stated in the Franchise Disclosure Document (FDD) per Protected Territory that is being transferred.;
- (ii) the proposed assignee and its owners have completed Fundraising U Franchising's franchise application processes, meet Fundraising U Franchising's then-applicable standards for new franchisees, and have been approved by Fundraising U Franchising as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Fundraising U Franchising's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement;
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Fundraising U Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Fundraising U Franchising or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Fundraising U Franchising may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Fundraising U Franchising in a form satisfactory to Fundraising U Franchising; and
- (ix) the Business fully complies with all of Fundraising U Franchising's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Fundraising U Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Fundraising U Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the person with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party

approved by Fundraising U Franchising within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Fundraising U Franchising's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3 or to a spouse, sibling, or child of an Owner), Fundraising U Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Fundraising U Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Fundraising U Franchising's receipt of such copy, Fundraising U Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Fundraising U Franchising may substitute cash for any other form of payment). If Fundraising U Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

15.8 Security Interests to Lender. If Franchisee is in full compliance with this Agreement, Franchisee may pledge or give a security interest in Franchisee's interest in the Assets and the Franchised Business to a lender of the funds needed by Franchisee for Franchisee's initial investment, provided that the security interest is subordinate to Franchisee's obligations to Franchisor, that a foreclosure on such a pledge or security interest and/or any Transfer resulting from such a foreclosure shall be subject to all provisions of this Agreement, and that Franchisee obtains from the lender a written acknowledgement to Franchisor of these restrictions. Notwithstanding the foregoing, in the event Franchisee seeks and/or obtains financing whereby funding is provided with the assistance of the United States Small Business Administration ("SBA Financing"), Franchisee shall be permitted to grant the lender of such SBA Financing a senior lien on any Collateral Franchisee uses to secure the SBA Financing, and Franchisor and Franchisee further agree that (i) the provisions of Attachment 6 are fully incorporated herein and applicable to Franchisor and Franchisee, (ii) Franchisor shall subordinate its security interest or other lien on Franchisee's Collateral to that of the lender of the SBA Financing and (iii) Franchisor waives the requirement of the written acknowledgement referenced in this Section.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Fundraising U Franchising) Fundraising U Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors, and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Fundraising U Franchising and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the

operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee's misconduct or negligence. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption by Fundraising U Franchising. Fundraising U Franchising may elect to assume the defense and/or settlement of any Action subject to this indemnification, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c), any controversy or claim arising out of or relating to this Agreement (including its formation) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Fundraising U Franchising's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Fundraising U Franchising to comply with laws and regulations applicable to the sale of franchises.

(e) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Fundraising U Franchising and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not

apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Fundraising U Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Fundraising U Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs, and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Fundraising U Franchising is not a fiduciary of Franchisee. Fundraising U Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System, Standards exist to protect Fundraising U Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Fundraising U Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Fundraising U Franchising, and Fundraising U Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Coaching Matters, LLC in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Fundraising U Franchising's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. PROVISIONS APPLICABLE TO SBA FINANCING

For the purpose of Franchisee's application for funding from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (the "SBA"), and at all times that the SBA has an interest in any SBA-assisted financing provided to Franchisee, Franchisor and Franchisee agree as follows:

1. With respect to a partial interest in the Franchised Business, Franchisor may exercise its option to purchase or its right of first refusal only if the proposed transferee is not a current owner or family member of a current owner of Franchisee.

2. If Franchisor's consent is required for any transfer (full or partial) of the Franchised Business, Franchisor will not unreasonably withhold such consent.

3. If Franchisee owns the real estate where the Franchised Business operates, Franchisee will not be required to sell the real estate upon default or termination of the Franchise Agreement, but Franchisee may be required to lease the real estate for the remainder of the Term (excluding additional renewals) for fair market value.

4. If Franchisee owns the real estate where the Franchised Business operates, Franchisor has not and will not during the Term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental indemnification, control or use restrictions. If any such restrictions are currently recorded against Franchisee's real estate, they must be removed in order for Franchisee to obtain SBA financial assistance.

5. If Franchisee owns the real estate where the Franchised Business operates, the right of Franchisor to assume Franchisee's lease has not and will not during the Term of the Franchise Agreement be recorded against the real estate and may not include any attornment language unless it is subordinated to any SBA financial assistance.

6. For other than regularly scheduled payments and payments otherwise authorized in the Franchise Agreement, Franchisor does not have the authority to unilaterally share, commingle, or withdraw funds from Franchisee's bank account.

7. The Franchise Agreement does not prevent Franchisee from having meaningful oversight over the operations of the Franchised Business. Meaningful oversight includes the authority to:

- ii. Have control over the bank accounts of the Franchised Business; AND
- iii. Have oversight over the employees operating the Franchised Business (who must be employees of Franchisee).

Franchisee agrees that the Franchise Agreement does not prevent Franchisee from having meaningful oversight over the operations of the Franchised Business by requiring Franchisee to comply with quality, marketing, and operations standards that govern Franchisee's use of Franchisor's System.

Report of Independent Auditors

To the Members of
Coaching Matters, LLC

Opinion

We have audited the accompanying financial statements of Coaching Matters, LLC, a Wyoming Limited Company, which comprise the balance sheet as of December 31, 2024, December 31, 2023, and December 31, 2022 and the related statements of operations, changes in members' equity and cash flow for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024, December 31, 2023 and December 31, 2022 and the results of its operations and its cashflows for the year ended December 31, 2024, December 31, 2023 and December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after February 21, 2024.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

2. Summary of significant accounting policies and nature of operations

Basis of accounting

The Company prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

Cash and cash equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition. The Company maintains its cash in bank deposit accounts which could exceed federally insured limits. The Company has not experienced an instance where cash held in the account exceeded insured limits since their inception and have not had losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Coaching Matters, LLC
Notes to the Financial statements
December 31, 2024, 2023 and 2022

2. Summary of significant accounting policies and nature of operations (continued)

In 2024, the Company recognized an additional \$164,342 in revenue resulting from a change in estimate in variable considerations under ASC 606. This adjustment reflects updated assumptions regarding the timing and amount of revenue to be recognized from customer contracts and has been accounted for prospectively, with no impact on prior period financial statements

Revenue and expenses

The Company recognizes revenue under the guidance of ASC 606 “Contracts with Customers”. The Company’s revenue is principally generated through franchise agreements executed with the Company’s franchisees. Each franchise agreement is comprised of several performance obligations.

The Company identifies those performance obligations, determines the contract price for each performance obligation, allocates the transaction price to each performance obligation and recognizes revenue when the Company has satisfied the performance obligation by transferring control of the good or service to the franchisee.

When a franchisee purchases a Coaching Matters franchise, the Company grants the franchisee the rights to operate in a designated area and to use the proprietary methods, techniques, trade dress, trademarks, and logos (“the license”). The license is considered to be symbolic intellectual property. Revenues related to the license are continuing royalties and are a flat monthly fee that ranges from \$1,500 - \$4,000 per month beginning in fourth month following the execution of the franchise agreement. These revenues will be used to continue the development of the Company’s brand, the franchise system and provide ongoing support for the Company’s franchisees over the term of the agreement. The royalties are billed monthly and are recognized as revenue when earned.

Revenue from initial fees is allocated to the performance obligations in the franchise agreement that are distinct from the territory and license rights. These primarily include training services, opening support services, opening marketing assistance and franchisee acquisition and acceptance. The amount allocated to each identified performance obligation is determined using the expected cost plus a margin approach. Revenue from initial fees is recognized when the performance obligation is satisfied, and control of the goods or service has been transferred to the franchisee. Performance obligations that are normally satisfied by the opening of the franchised business to the public are determined to be earned during the period from the execution of the contract to the opening of the franchised business which is generally less than one year. Unearned initial fee revenues from franchisee acquisition and acceptance will be recorded as deferred nonrefundable revenue and recognized as revenue over the term of the contract which is currently 10 years from the date the franchisee opens the franchise business to the public. Incremental costs of obtaining a franchise agreement with a franchisee related to unsatisfied performance obligations will be recorded as a franchise acquisition asset and are recognized as cost of sales over the same term as the related performance obligation which is currently 10 years. Revenue from multi-unit development agreements is recognized over the term of the development agreement.

Disaggregation of revenues

The Company disaggregates revenue from contracts with customers by the timing of revenue recognition by type of revenues, as it believes this best depicts how nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

2. Summary of significant accounting policies and nature of operations (continued)

Property and equipment

Any property and equipment help by the Company will be stated at cost. Depreciation will be computed using the straight-line method of depreciation over the estimated useful life of the assets. As of December 31, 2024, 2023 and 2022 no assets have been purchased.

Advertising

The Company expenses advertising as the costs are incurred. Total advertising expenses for the years ended December 31, 2024, 2023 and 2022 were \$84,260, \$34,186 and \$5,110 respectively.

Income taxes

The Company filed an election with the Internal Revenue Service to be treated as a flow-through entity for all taxable years. Therefore, the Company is not subject to corporate income tax and all taxable income or loss will pass through to the Member of the Company.

Accounts receivable

Management considers receivables to be fully collectible. If amounts become uncollectible, they are charged to operations in the period in which that determination is made. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method. No write-offs were made in the reporting period.

3. Litigation

The Company may be party to various claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

4. Related party transactions

At various times, the Company advances funds for various business purposes from the Company's affiliate. Advances are not collateralized, noninterest bearing and due on demand. Net advances due from related parties as of December 31, 2024, 2023 and 2022 were \$1,472,115, \$2,303,494 and \$1,594,313 respectively. The advances are reported as a component of members' equity (deficit) in the accompanying balance sheets as the net advances do not have stated repayment terms and the ownership of these related parties is the same as the ownership of the Company. Further, for the year ended December 31, 2024, there were franchise fee receivable of \$940,000 from the related party affiliate and management fee of \$299,158 paid to the members of the Company.

STATE ADDENDA

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Financial Protection and Innovation, prior to a solicitation of a proposed material modification of an existing franchise.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE OFFERING CIRCULAR AT LEAST 14 DAYS PRIOR TO THE EXECUTION OF THE EXECUTION OF THE AGREEMENT.

OUR WEBSITE, <https://fundraisingu.net>, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF FINANCIAL PROTECTION AND INNOVATION NOR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

ALL THE OWNERS OF THE FRANCHISE WILL BE REQUIRED TO EXECUTE PERSONAL GUARANTEES. THIS REQUIREMENT PLACES THE MARITAL ASSETS OF THE SPOUSES DOMICILED IN COMMUNITY PROPERTY STATES – ARIZONA, CALIFORNIA, IDAHO, LOUISIANA, NEVADA, NEW MEXICO, TEXAS, WASHINGTON, AND WISCONSIN AT RISK IF YOUR FRANCHISE FAILS.

Any provision of a franchise agreement, franchise disclosure document, acknowledgement, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable:

- (A) Representations made by the franchisor or its personnel or agents to a prospective franchisee.
- (B) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents.
- (C) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto.
- (D) Violations of any provision of this division.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

Neither franchisor nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a

et seq., suspending or expelling such persons from membership in that association or exchange.

2. The following language is added to the end of Item 5 of the Disclosure Document:

The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all its pre-opening obligations and the franchisee is open for business.

3. The following paragraph is added to the end of Item 6 of the Disclosure Document:

With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

4. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Overland Park, Kansas, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Kansas. This provision may not be enforceable under California law.

5. The following paragraph is added to the Special Risks page:

Spousal Liability. Your spouse will be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

6. California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.
7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. See NASAA STATEMENT OF POLICY REGARDING THE USE OF FRANCHISE QUESTIONNAIRES AND ACKNOWLEDGMENTS.
8. The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a requirement for us to maintain a surety bond under California Corporations Code section 31113 and 10 C.C.R. section 310.113.5, which must remain in effect during our registration period. The surety bond is in the amount of \$110,000 with Atlantic Specialty Insurance Company and is available for you to recover your damages in the event we do not fulfill our obligations to you to open your franchised business. We will provide you with a copy of the surety bond upon request.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.

ILLINOIS ADDENDUM TO DISCLOSURE DOCUMENT

Special Risks to Consider About This Franchise

Item 5 of this Disclosure Document is amended as follows:

Franchisor shall defer the collection of the Initial Franchise Fee until the franchisor has satisfied its pre-opening obligations to franchisee and the franchisee has commenced business operations. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

In recognition of the requirements of the Illinois Franchise Disclosure Act of 1987, as amended (the "Act"), this Disclosure Document is amended as follows:

Illinois law governs the agreements between the parties to this franchise.

Section 4 of the Act provides that any provision in a franchise agreement that designates jurisdiction of venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration outside of Illinois.

Section 41 of the Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Act or any other law of Illinois is void.

Your rights upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Act.

No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS ADDENDUM TO FRANCHISE AGREEMENT

This Addendum amends the Franchise Agreement dated _____ (the “Agreement”), between Coaching Matters, LLC, a Missouri limited liability company (“Fundraising U Franchising”) and _____, a _____ (“Franchisee”).

- 1. Definitions.** Capitalized terms used but not defined in this Addendum have the meanings given in the Agreement. The “Illinois Act” means the Illinois Franchise Disclosure Act of 1987.
- 2. Governing Law and Jurisdiction.** Notwithstanding any provision of the Agreement to the contrary, the Agreement is governed by Illinois law. The parties irrevocably submit to the jurisdiction and venue of the federal and state courts in Illinois, except for matters which the Agreement provides will be resolved by arbitration.
- 3. Waivers Void.** Notwithstanding any provision of the Agreement to the contrary, any condition, stipulation, or provision purporting to bind Franchisee to waive compliance with any provision of the Illinois Act or any other law of the State of Illinois is void. This Section shall not prevent Franchisee from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.
- 4.** The Illinois Attorney General's Office has required a financial assurance. Therefore, we secured a surety bond in the amount of \$110,000 from Atlantic Specialty Insurance Company. A copy of the bond is on file at the Illinois Attorney General's Office, Franchise Bureau, 500 South Second Street, Springfield, Illinois 62701.
- 5.** No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INDIANA ADDENDUM TO FRANCHISE AGREEMENT

This Addendum amends the Franchise Agreement dated _____ (the “Agreement”), between Coaching Matters, LLC, a Missouri limited liability company (“Fundraising U Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Addendum have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each

order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

3. Effective Date. This Addendum is effective as of the Effective Date.

MARYLAND ADDENDUM TO DISCLOSURE DOCUMENT

In the State of Maryland only, this Disclosure Document is amended as follows:

The following is added to Item 5:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

The following is added to Item 11:

You may obtain an accounting of advertising expenditures by the Brand Fund by making a written request to us.

The following is added to Item 17:

The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive trade practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

The Franchise Agreement provides for termination upon bankruptcy of the franchisee. This provision may not be enforceable under federal bankruptcy law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND ADDENDUM TO FRANCHISE AGREEMENT

This Addendum amends the Franchise Agreement dated _____ (the “Agreement”), between Coaching Matters, LLC, a Missouri limited liability company (“Fundraising U Franchising”) and _____, a _____ (“Franchisee”).

- 1. Definitions.** Capitalized terms used but not defined in this Addendum have the meanings given in the Agreement. The “Maryland Franchise Law” means the Maryland Franchise Registration and Disclosure Law, Business Regulation Article, §14-206, Annotated Code of Maryland.
- 2. No Waiver of State Law In Sale.** All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel, or waiver of any liability uncured under the Maryland Franchise Registration and Disclosure Law.
- 3. No Release of Liability.** Pursuant to COMAR 02-02-08-16L, the general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Law.
- 4. Statute of Limitations.** Any provision of the Agreement which provides for a period of limitations for causes of action shall not apply to causes of action under the Maryland Franchise Law, Business Regulation Article, §14-227, Annotated Code of Maryland. Franchisee must bring an action under such law within three years after the grant of the franchise.
- 5. Jurisdiction.** Notwithstanding any provision of the Agreement to the contrary, Franchisee does not waive its right to file a lawsuit alleging a cause of action arising under the Maryland Franchise Law in any court of competent jurisdiction in the State of Maryland.
- 6. Deferral.** Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.
- 7. Article 19 – Certification of Franchisor’s Compliance.** Article 19 of the Franchise Agreement is hereby removed.
- 9. Statements, Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. **(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions other than routine litigation incidental to the business that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten years immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of

any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by a franchisee”: “You may terminate the agreement on any grounds available by law.”
5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

- 1. Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
- 2. Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
- 3. Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- 4. General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
- 5. Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
- 6. Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- 7. Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

- 8. Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
- 9. Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
- 10. Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
- 11. Liquidated Damages.** The Franchise Agreement and Item 6 of the Franchise Disclosure Document are amended to state that liquidated damages will only be based on the royalty fee for Washington residents or franchises based in Washington
- 12. Franchisor's Business Judgment.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
- 13. Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
- 14. Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
- 15. Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
- 16. Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting,

restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

17. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

18. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

19. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

20. A surety bond in the amount of \$100,00 has been obtained by the Franchisor. The Washington Securities Division has made the issuance of the franchisor's permit contingent upon the Franchisor maintaining surety bond coverage acceptable to the Administrator until (a) all Washington Franchisees have (i) received all initial training that they are entitled to under the franchise agreement or offering circular, and (ii) are open for business; or (b) the Administrator issues written authorization to the contrary.

21. The following risk factor is added to the page of the State Cover Sheets titled “Special Risk(s) to Consider About This Franchise”:

Company Owned Outlets Are Not Required to Contribute to the Marketing Fund. Outlets operated by the franchisor and/or affiliates are not required to make marketing fund contributions. This means the marketing fund contributions of franchisees could be partially or completely used for the benefit of franchisor and/or affiliate owned outlets.

22. Article 19 of the Franchise Agreement does not apply in Washington.

23. Attachment 4 of the Franchise Agreement, the “Fundraising University Ambassador Agreement” is hereby amended as follows:

Section 21 does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100. and the rule adopted thereunder.
Section 34 is revised to remove the phrase “that they completely and fully know and understand the contents of this Agreement” in its entirety.
