What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state.

2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in writing

to comply with all lawful obligations; (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

1. Initial Franchise Fee- The table above assumes the purchase of one territory.

We offer installment payment terms which we disclose in Item 10.

2. Travel and Living Expenses to Attend Initial Training- These are estimate costs for you to attend initial training in Reading, Pennsylvania. Your costs will vary on whether you are local to the area or require travel, lodging, and local transportation, as well as from where you travel, the time of year, the level of lodging you select, and how far ahead you book. If you bring another person to initial training, then your costs would be approximately double the estimated amount.

This amount includes having a company apply the graphics on your Truck, but assumes you will apply all of the graphics on the Dumpsters on your own.

11. Payroll- This represents one month of payroll for one employee employed at approximately \$40,000, plus payroll taxes and other employment costs. If you are an owner operation, you will not incur Payroll expense in the early stages of the business.

At present, neither we nor an affiliate derives revenue or other material consideration from required purchases or leases by you, but we reserve the right to do so in the future.

In our last fiscal year ending December 31, 2025, neither we nor our affiliates earned revenue or other material consideration from required purchases or leases by franchisees.

ITEM 12 TERRITORY

We grant you a territory in which to operate your Franchised Business, as set forth on Schedule 1 to the Franchise Agreement.

The typical territory will normally include an amount of single family dwelling units of 180,000-240,000 and will be for a specific geographic area that we define by zip code.

We use the United States Postal Service data updated on a monthly basis provided to us by Valassis (or another source that we deem reliable) to validate the number of single family dwelling units in each zip code.

You may relocate the Franchised Business provided that you stay within your Territory. We would not normally approve the opening of additional outlets in your territory as the Franchised Business is offered at the customer's location and there would be no business reason to open additional outlets within a territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive an exclusive territory within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

Except as may be permitted pursuant to online or social media advertising guidelines, or Cross Territorial Protocols, you agree to limit your marketing and services to locations solely within your Territory.

Continuation of your territorial rights does not depend on your achieving a certain sales volume, market penetration, or other contingency. We may not modify your territory boundaries even if there is an increase in population in your territory.

We or an affiliate does not reserve the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks; however, we may direct such sales to you.

We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

You may not normally solicit or transact business outside your territory, including through other channels of distribution such as catalog sales, telemarketing, or other direct marketing, except any

permitted online or social media advertising you may do in accordance with our guidelines may extend outside your territory. HOWEVER, you may solicit or transact business outside your territory if no franchised or corporate outlet owns the area outside your territory in which you are soliciting or transacting business. If, at any time in the future, the area outside your territory become owned by another franchisee or run by a corporate outlet, you will forfeit the rights to serve those zip codes and any jobs being fulfilled in those zip codes moving forward.

We reserve the right to implement Cross Territorial Protocols which govern cross territorial issues such as a single customer needing services in multiple territories and you agree to abide by those rules, which may include distribution of revenues among affected franchisees.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

However, we reserve the right in the future to acquire, be acquired by, participate in a merger, or otherwise affiliate with a business that operates or franchises a business under a trademark that is not the same or substantially similar to the trademark licensed to you and that sells or will sell similar goods or services. If we are purchased by, purchase, or merge with another franchisor offering similar services, and the other franchisor that has outlets in your territory, we would not allow such outlets to use the same or similar marks that you are being allowed to use through this franchise to offer the same or similar services as your franchise offers.

**ITEM 13
TRADEMARKS**

The franchise agreement licenses to you the right to use the following principal trademarks (“Marks”) registered or applied for with the U.S. Patent and Trademark Office (“USPTO”):

There are no pending material federal or state court litigation regarding our use or ownership rights in a trademark.

There are no currently effective agreements that significantly limit our rights to use or license the use of our trademarks listed in this section.

If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Marks, you must promptly notify us. We are not required to protect your right to use the principal trademarks listed in this item, nor protect you against claims of infringement or unfair competition arising out of your use of the trademarks.

We have the sole right to control any administrative proceedings or litigation involving a trademark licensed by us to you. The Franchise Agreement does not require us to participate in your defense or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed by us to you or if the proceeding is resolved unfavorably to you.

If we discontinue or modify our Marks, you must adopt and use any new marks as required by us. Any expenses you incur because of adopting and using these marks are your responsibility.

We do not know of any superior prior rights or infringing uses that could materially affect your use of our Marks anywhere except as follows:

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are not required to participate personally in the direct operation of your Franchised Business but we recommend it. You may instead hire a General Manager to run the Franchised Business day to day, but the General Manager must first successfully complete our initial training. If the franchisee is a business entity, the General Manager is not required to have an equity interest in the franchise.

We require you to obtain a signed nondisclosure and non-competition agreement from any General Manager that you hire.

You agree to accurately and completely furnish to us the names, contact information, and ownership percent on anyone owning an interest in this franchise on the Signature Page to the Franchise Agreement. As a result, co-owners in a franchisee entity will be bound by all the terms of the franchise agreement, including the guarantee, confidentiality, and non-compete duties in it. No change to the owners or ownership percentages are permitted without our prior written consent.

We do not require your spouse to guarantee the performance of any obligations under the franchise agreement, however, if your spouse is a co-owner of the franchise or franchisee entity, then you and your spouse will both guarantee performance under the franchise agreement.

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

FPR #1-Affiliate Earnings

As of December 31, 2025, we had one affiliate outlet that operated for the entire calendar year. Here, we set forth the Gross Revenues, Dump Fees, Royalties that would have been paid if a franchised outlet and the number of trucks and dumpsters at year end for our sole affiliate outlet, Dumpster Dudez, LLC, located in Berks, PA, for the 2021 - 2025 calendar years:

Dumpster Dudez of Berks County, PA					
Affiliate					
First Full Year in Business	2021	2022	2023	2024	2025
Gross Revenue (Sales Tax Removed)	\$943,298	\$1,037,003	\$1,286,383	\$1,569,114	\$1,742,242
Dump Fees	\$308,921	\$319,994	\$371,154	\$420,022	\$452,642
7% Royalty	\$66,031	\$72,590	\$90,047	\$109,838	\$121,957
Local Advertising (\$3,000/month)	\$36,000	\$36,000	\$36,000	\$36,000	\$36,000
Number of Trucks @ Year End	4	4	4	4	6
Number of Dumpsters @ Year End	105	126	126	178	200

There are material operational differences between the company outlet whose results are reported in the table above and a franchise outlet that a franchisee would operate. The company outlet has operated since 2017. Further, the company outlet serves a territory containing approximately 208,000 single family dwelling units.

In addition, there are financial differences. A franchised outlet would incur Royalties. So we impute those costs in the tables above under the category, “7% Royalty Adjustment.” And a franchised outlet would likely incur a monthly Local Advertising spend of \$1,000 - \$3,000.

FPR #2-Franchisee Earnings

Here, we set for the Gross Revenues, Dump Fees and Royalties paid, and the number of trucks and dumpsters as of the end of each year from 2021 – 2025 for our franchised outlets.

As of December 31, 2025, we had 54 franchised outlets. Presented below are the Gross Revenues for 30 franchised locations that operated an entire year in either 2021, 2022, 2023, 2024, or 2025 or more than one of those years.

One outlet was not included because it transferred from one state to another mid-year. One outlet began operating two territories in Columbus, Ohio during calendar year 2025 and is presented as one outlet. The remaining 22 outlets did not operate for the full 2025 calendar year and are not included.

As of December 31, 2021, we had 2 franchised outlets, 1 of which had operated the entire 2021 calendar year, and therefore met the criteria for inclusion below.

As of December 31, 2022, we had 8 franchised outlets, 2 of which operated the entire 2022 calendar year, and therefore met the criteria for inclusion below.

As of December 31, 2023, we had 18 franchised outlets, 7 of which operated the entire 2023 calendar year, and therefore met the criteria for inclusion below.

As of December 31, 2024, we had 31 franchised outlets, 17 of which operated the entire 2024 calendar year, and therefore met the criteria for inclusion below.

Notes Applicable to all tables above:

Gross Revenue represents all revenues generated. Gross Revenue does not include good faith refunds, adjustments, credits and allowances actually made. Gross Revenue also excludes any sales taxes or other taxes collected from customers and paid directly to the appropriate taxing authority.

Dump Fees includes all fees paid by outlets to third parties for waste and dump disposal.

7% Royalty Adjustment represents the royalty amounts paid by franchised outlets and is used to show the amount of royalties the affiliate would pay if it was a franchised outlet.

Number of Trucks at Year End shows the number of trucks each outlet had available and operating within the territory at the end of the year. We require that you purchase 1 truck before you begin operations.

Number of Dumpsters at Year End shows the number of dumpsters each outlet had available and operating within the territory at the end of the year. We require that you purchase at least 24 dumpsters before you begin operations.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

Written substantiation of the financial performance representation will be made available to you upon reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Brian Johnson, 32 Stonehill Drive, Mohnton, PA 19540; 484-310-3100, the Federal Trade Commission, and the appropriate state regulatory agencies.

As to franchises governed by the Illinois Franchise Disclosure Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Illinois law governs the Franchise Agreement.
2. In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.
3. The conditions under which your Franchise Agreement can be terminated and your rights upon nonrenewal may be affected by Sections 19 and 20 of the Illinois Franchise Disclosure Act.
4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision of the Franchise Agreement purporting to bind you to waive compliance with any provision of the Illinois Franchise Disclosure Act or any other law of the State of Illinois is void.

2. Item 17.u. is modified to also provide, “This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.”

3. Item 17.v. is modified to also provide, “Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.”

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. - The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum,”** and Item 17(w), titled **“Choice of law”**:

As to franchises governed by the North Dakota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Restrictive Covenants: To the extent that covenants not to compete apply to periods after the term of the franchise agreement, they are generally unenforceable under North Dakota law.

Applicable Laws: North Dakota law will govern the franchise agreement.

Jurisdiction and Venue: The provisions concerning choice of law and jurisdiction and venue are hereby deleted and in their place is substituted the following language:

“You agree to bring any claim against us, including our present and former employees, agents, and affiliates, which in any way relates to or arises out of this Agreement, or any of the dealings of the parties hereto, solely in arbitration before the American Arbitration Association.”

Waiver of Trial by Jury: Any waiver of a trial by jury will not apply to North Dakota Franchises.

Waiver of Exemplary & Punitive Damages: Any waiver of punitive damages will not apply to North Dakota Franchisees.

General Release: Any requirement that the franchisee sign a general release upon renewal of the franchise agreement does not apply to franchise agreements covered under North Dakota law.

Enforcement of Agreement: Any requirement in the Franchise Agreement that requires the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement is void. Instead, the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

Item 17(u) of the Disclosure Document is modified to provide that the site of mediation and arbitration shall be agreeable to all parties and may not be remote from the franchisee's place of business.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

Items 5 and 7 of the Disclosure Document are modified to also state that the franchisor defers the receipt of the initial franchise fee until all initial obligations owed to the franchisee under the

franchise agreement or other documents have been fulfilled by the franchisor and the franchisee is open for business.

**RHODE ISLAND ADDENDUM

Section 19-28.1-14 of the Rhode Island Franchise Investment Act prohibits a franchisee to be restricted in choice of jurisdiction or venue. To the extent any such restriction is purported to be required by us, it is void with respect to all franchisees governed under the laws of Rhode Island.

Item 17.w. of the Disclosure Document is revised to provide:

Rhode Island law applies.

**SOUTH DAKOTA ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the South Dakota Franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Item 5 of the Disclosure Document is revised to also provide:

“The Franchise Disclosure Document is amended to also state that the initial franchise fee will be paid only after the franchisor fulfills its pre-opening obligations to the Franchisee and the Franchisee is open for business.”

**VIRGINIA ADDENDUM
TO THE DISCLOSURE DOCUMENT**

Item 5 of the Disclosure Document is modified to also provide as follows: “The Virginia State Corporation Commission’s Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.”

WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Washington Franchise Investment Protection Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

Item 5 is amended to also provide: "Initial fees will be deferred until the Franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business."

**WISCONSIN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17 is modified to also provide,

If the franchise agreement contains any provisions that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days' prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.

NOW, THEREFORE, for value received, we and Franchisee (“the Parties”) agree as follows:

1. GRANT OF FRANCHISE

1.1 Grant of Franchise. Subject to the terms of this franchise agreement (“Agreement” or “Franchise Agreement”), we grant to you a franchise (“Franchised Business”) using our system and our Marks in the territory described in Schedule 1 (“Territory”). You agree to abide by the terms of this Agreement.

2. TERM AND RENEWAL

2.1. Term. This Agreement will be effective for a ten (10 year term beginning on the Effective Date specified in this Agreement.

2.2 Renewal. You may renew for another term by signing our then current franchise agreement if you are in compliance with this Agreement and meet the other conditions for renewal. You may also renew future franchise agreements if you are in compliance with such agreements and meet the other conditions for renewal by signing our then current franchise agreement. To renew, you must exercise a general release of all claims that you might have against us. Other terms, conditions, and fees may vary. If you wish to renew, you must notify us in writing at least 180 days before the expiration of this Agreement.

3. TERRITORY

We grant you a territory in which to operate your Franchised Business, as set forth on Schedule 1 to the Franchise Agreement.

You may relocate the Franchised Business provided that you stay within your Territory. We would not normally approve the opening of additional outlets in your territory as the Franchised Business is offered at the customer’s location and there would be no business reason to open additional outlets within a territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive an exclusive territory within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

Except as may be permitted pursuant to online or social media advertising guidelines, or Cross Territorial Protocols, you agree to limit your marketing and services to locations solely within your Territory.

Continuation of your territorial rights does not depend on your achieving a certain sales volume, market penetration, or other contingency. We may not modify your territory boundaries even if there is an increase in population in your territory.

We or an affiliate does not reserve the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks; however, we may direct such sales to you.

We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

You may not normally solicit or transact business outside your territory, including through other channels of distribution such as catalog sales, telemarketing, or other direct marketing, except any permitted online or social media advertising you may do in accordance with our guidelines may extend outside your territory. HOWEVER, you may solicit or transact business outside your territory if no franchised or corporate outlet owns the area outside your territory in which you are soliciting or transacting business. If, at any time in the future, the area outside your territory become owned by another franchisee or run by a corporate outlet, you will forfeit the rights to serve those zip codes and any jobs being fulfilled in those zip codes moving forward.

We reserve the right to implement Cross Territorial Protocols which govern cross territorial issues such as a single customer needing services in multiple territories and you agree to abide by those rules, which may include distribution of revenues among affected franchisees.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so. However, we reserve the right in the future to acquire, be acquired by, participate in a merger, or otherwise affiliate with a business that operates or franchises a business under a different trademark and that sells or will sell similar goods or services.

4. FEES AND PAYMENTS

4.1 Initial Franchise Fee. You must pay to us an initial franchise fee of \$40,000 - \$50,000 for a territory, based upon whether you elect to make installment payments or not for the initial franchise fee, and, if so, which installment plan you select, shown as follows:

4.11 Sales, Excise or Gross Receipts Tax. If required by the federal government, state or locality in which your Franchised Business is located, products or fees may be subject to sales, excise, gross receipts or similar type tax, which you must pay to us at the same time and in the same manner as you pay underlying costs and fees to us.

15.3 Transfer to a Controlled Entity. A "Controlled Entity" is an entity in which you are the beneficial owner of 100% of each class of voting ownership interest. A transfer to a Controlled

Entity shall not trigger the Right of First Refusal, described in Section 15.6 below. At the time of the desired transfer of interest to a Controlled Entity, you must notify us in writing of the name of the Controlled Entity and the name and address of each officer, director, shareholder, member, partner, or similar person and their respective ownership interest. We do not charge a transfer fee for this change.

15.4 Transfer within an Entity. A transfer of interest within an entity shall not trigger the Right of First Refusal described in Section 15.6 below if only the percentage ownership, rather than the identity of the owners, is changing. Prior to the time of the desired transfer of interest within an entity, you must notify us in writing of the name and address of each officer, director, shareholder, member, partner or similar person and their respective ownership interest. Each such person of the Controlled Entity shall sign the then current amendment and release forms and/or Franchise Agreement as required by us, and you shall pay to us the applicable transfer fee specified in Section 4 above.

15.5 Conditions for Approval of Transfer. We may condition our approval of any proposed sale or transfer of the franchised business or of your interest in this Agreement upon satisfaction of the following occurrences:

15.5.1 You are current in all monetary obligations to us, our affiliates, and our designated/approved suppliers and vendors;

15.5.2 You are in full compliance with this Agreement;

15.5.3 You execute any transfer, amendment, or release forms that we may require;

15.5.4 You or the transferee will provide to us a copy of the proposed documents as we may request to evidence the transfer;

For a transfer under Section 15.2 above, the following conditions also apply:

15.5.5 The transferee must be approved by us and demonstrate to our satisfaction that s/he meets our educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement;

15.5.6 The transferee must execute our then-current Franchise Agreement;

15.5.7 You or the transferee must pay to us the Transfer Fee specified in Section 4 above;

15.5.8 The transferee must satisfactorily complete our initial training program at the transferee's expense within the time frame we establish;

15.5.9 You must comply with the post-termination provisions of this Agreement;

15.5.10 The transferee must obtain within the time limits set by us and maintain thereafter, all permits and licenses required for operation of the Franchised Business;

15.5.11 To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;

15.5.12 The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;

15.5.13 The purchase price and terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation and performance under its franchise agreement;

15.5.14 You must request that we provide the prospective transferee with our current franchise disclosure document;

15.5.15 Our approval of the transfer will not constitute a waiver of any claims we may have against the transferring party;

15.5.16 We will have the right to disclose to any prospective transferee such revenue reports and other financial information concerning the Franchised Business as you have supplied us hereunder; and

15.5.17 In any event, we may withhold or condition our consent to any transfer as we deem appropriate based on the circumstances of the transfer or otherwise.

15.6 Right of First Refusal. If you have received and desire to accept a signed, bona fide offer to purchase or otherwise transfer the Franchise Agreement, any interest in it, or substantially all the assets of the Franchised Business, you shall grant us the option (the "Right of First Refusal") to purchase the Franchised Business as provided here:

- a) Within fourteen (14) days of receipt of the offer, you shall offer the Right of First Refusal to us by notice in writing, including a copy of the signed offer to purchase which you received ("Notice"). We shall have the right to purchase the Franchised Business or interest in the Franchised Business at and for the price and upon the terms set out in the Notice, except that we may substitute cash for any non-cash form of payment proposed and we shall have 60 days after the exercise of our Right of First Refusal to close the said purchase. Should we wish to exercise our Right of First Refusal, we will notify you in writing within 15 days from its receipt of the Notice. Upon the giving of such notice by us, there shall immediately arise between us and you, or its owners, a binding contract of purchase and sale at the price and upon the terms contained in the Notice.
- b) If we do not exercise our Rights of First Refusal, you may transfer the Franchised Business or ownership interest therein according to the terms set forth in the Notice, provided that you satisfy the conditions in Section 15.5 above and complete the sale within 90 days from the day on which we received the Notice. If you do not conclude the proposed sale transaction

within the 90-day period, the Right of First Refusal granted to us shall continue in full force and effect.

16. DEATH OR INCAPACITY

In the event of your death or incapacity, you, or your estate, as the case may be, must actively begin the process to seek a transfer of your rights under this Agreement within 60 days and must complete the transfer within 6 months of your death or incapacity. If you or your estate fails in either respect, then we may terminate this Agreement. The new Franchisee must pay the transfer fee specified above, meet our qualifications, complete initial training, and enter into a new Franchise Agreement. And we are entitled to reimbursement from you or your estate for any reasonable expenses incurred continuing Services from the date of your death or incapacity until transfer or termination. The term “incapacity” means a condition that prevents you from reasonably carrying out your duties under this Agreement.

17. MODIFICATION

No modifications to this Agreement will have any effect unless such modification is in writing and signed by you and by our authorized officer. We may, however, modify the provisions of the Manual, without your consent, as discussed in Section 5.

18. NON-WAIVER OF BREACH

The failure of either party to enforce any one or more of the terms or conditions of this Agreement shall not be deemed a waiver of such terms or conditions or of either party's rights thereafter to enforce each and every term and condition of this Agreement.

19. FULL UNDERSTANDING

This Agreement, including the schedules, is the entire agreement between the parties. This Agreement supersedes all other prior oral and written agreements and understandings between you and us with respect to the subject matter of this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document we furnished to you.

20. GOVERNING LAW

20.1 Choice of Law. Except as to claims governed by federal law, Pennsylvania law governs all claims that in any way relate to or arise out of this Agreement or any of the dealings of the parties (“Claims”). However, no laws regulating the sale of franchises or governing the relationship between franchisor and franchisee shall apply unless the jurisdictional requirements of such laws are met independently of this paragraph.

20.2 Jurisdiction and Venue. You and we agree that venue and jurisdiction for any Claims, except those required to be submitted to arbitration, shall be proper solely in the state and federal court nearest to our corporate headquarters, presently located in Reading, Pennsylvania. However, if you are an Illinois resident or your franchise territory is located in Illinois, Maryland, or Washington State, you

agree to bring any Claims, if at all, solely in arbitration before the American Arbitration Association in the city or county where our corporate headquarters are located.

20.3 Jury Waiver. In any trial between any of the parties as to any Claims, you and we agree to waive our rights to a jury trial and instead have such action tried by a judge.

20.4 Class Action Waiver. You agree to bring any Claims, if at all, individually and you shall not join such claim with claims of any other person or entity or bring, join or participate in a class action against us.

20.5 Punitive Damages Waiver. As to any Claims, you and we agree to waive our rights, if any, to seek or recover punitive damages.

20.6 Limitation of Actions. You agree to bring any Claims against us, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off.

20.7 Prior Notice of Claims. As a condition precedent to commencing an action for a Claim, you must notify us within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

20.8 Mediation. Before you may bring any Claim against us, you agree to try for a period of 60 days to mediate such claim before a mutually agreed to mediator in the city or county where our headquarters are located. If we can not mutually agree on a mediator, you and we agree to use the mediation services of the American Arbitration Association (“AAA”), and split any AAA and mediator fees equally.

20.9 Waiver of bond. You agree that if we are forced to bring suit to enforce any provision of this Agreement, you agree to waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce these duties.

20.10 Attorney Fees. If we are the substantially prevailing party as to any Claims, you agree to reimburse our costs and attorney fees incurred in pursuing or defending the Claims.

20.11 Third Party Beneficiaries. Our officers, directors, members, shareholders, agents, and employees are express third party beneficiaries of the terms of the Governing Law provisions contained herein.

20.12 Survival. All of the covenants contained in this Agreement that may require performance after the termination or expirations of this Agreement will survive any termination or expiration of this Agreement.

20.13 Severability Clause. If any covenant or provision in this Agreement is determined to be void or unenforceable, in whole or in part, it shall be deemed severed and removed from this Agreement and shall not affect or impair the validity of any other covenant or provision of this Agreement.

21. RELEASE OF PRIOR CLAIMS

By executing this Agreement, the undersigned entity, if any, and individuals, on behalf of yourselves and your heirs, legal representatives, successors and assigns, and each assignee of this Agreement, forever releases and discharges us, our past and present employees, agents, members, officers, and directors, including any of our parent, subsidiary and affiliated entities, their respective past and present employees, agents, members, officers, and directors, from any and all claims relating to or arising out of any franchise agreement between the parties executed prior to the date of this Agreement, and all other claims relating to any dealings between any of the parties. However, this release does not apply to any claim you may have arising from representations in our Franchise Disclosure Document, or its exhibits or amendments.

CALIFORNIA ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

Sections 10.2 and 10.3 are deleted and in their place are substituted the following:

10.2 Termination by Us Without Right to Cure. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

(c) The franchisor and franchisee agree in writing to terminate the franchise;

(d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;

(e) The franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

(f) The franchisee, after curing any failure in accordance with Section 10.3 engages in the same noncompliance whether or not such noncompliance is corrected after notice;

(g) The franchisee breaches the franchise agreement three or more times in a 12-month period, whether or not corrected after notice;

(h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;

(i) The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

(j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

(k) The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.

10.3 Termination by Us with Opportunity to Cure. We may terminate this Agreement, after sending you notice and a 60 day opportunity to cure, for any other breach of this Agreement.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

Initial Fee Deferral:

The Agreement is amended by adding the following:

The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all of its pre-opening obligations and franchisee is open for business. For any development agreement, the payment of the develop and initial fee attributable to a specific unit is deferred until that unit is open.

1. Illinois law governs the Franchise Agreement.

**MARYLAND ADDENDUM
TO THE FRANCHISE AGREEMENT**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

2. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

3. A general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. Section 23 of the Franchise Agreement, titled "Acknowledgments," is deleted.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

1. If the franchise agreement contains any provisions that conflict with the Rhode Island Franchise Investment Act, the provisions of this Addendum shall prevail to the extent of such conflict.

2. Any provision in the franchise agreement restricting jurisdiction or venue to a forum outside of Rhode Island is void with respect to a claim otherwise enforceable under the Rhode Island Franchise Investment Act.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The General Release required in Sections 2.2 and 21 of the Franchise Agreement will not act as a waiver of any claim under the Washington Franchise Investment Protection Act.

Section 14.3 of the Franchise Agreement is modified to also indicate that the franchisee shall not be required to indemnify the franchisor for any liability to the franchisor resulting from the franchisor's gross negligence or willful misconduct.

Section 23 of the Franchise Agreement is deleted.

The following text is added to the Franchise Agreement:

“No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

Initial Fee Deferral:

The franchise agreement is amended to also provide: “Initial fees will be deferred until the Franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business.”

**WISCONSIN ADDENDUM
TO THE FRANCHISE AGREEMENT**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. If the Franchise Agreement contains any provision that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

2. The Franchise Agreement is amended to also include the following language:

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days' prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Dumpster Dudez Franchising, LLC

Opinion

We have audited the financial statements of Dumpster Dudez Franchising, LLC (the "Company") which comprise the balance sheet as of December 31, 2025 and 2024, and the related statement of operations and changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Dumpster Dudez Franchising, LLC as of December 31, 2025 and 2024, and the related statement of operations and changes in member's equity, and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dumpster Dudez Franchising, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Dumpster Dudez Franchising, LLC 's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dumpster Dudez Franchising, LLC 's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dumpster Dudez Franchising, LLC 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and dis-closures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circum-stances, but not for the purpose of expressing an opinion on the effectiveness of Dumpster Dudez Franchising, LLC 's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by manage-ment, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
