What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in North Carolina. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in North Carolina than in your own state.

2. **Minimum Payments.** You must make minimum royalty and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territories rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations;
 - (iv) The failure of the franchisee or proposed transferee to

pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “SSSI,” “we,” “us,” or “our” means Surface Specialists Systems, Inc., the franchisor. “You” or “your” means the person who buys the franchise. If the Franchisee is a corporation, limited liability company or other entity, “you” or “your” may also refer to its owners.

The Franchisor, Parents, Predecessors, and Affiliates.

We were incorporated under the laws of the State of North Carolina on December 8, 2001. Our principal business address is 621-B Stallings Road, Matthews, North Carolina 28105; the telephone number is (866) 239-8707. We conduct business under the name “Surface Specialists.”

The Surface Specialists® franchise program originated in 1982. Our predecessor, Surface Specialists Systems, Inc. (“SSSI-Missouri”), was incorporated and acquired, in 1996, substantially all of the assets of its predecessor, Surface Specialists Systems, Inc., a Minnesota corporation (“SSSI-Minnesota”). SSSI-Missouri offered franchises for “Surface Specialists” businesses from January 1996 to June 2002. In July 2002, we purchased substantially all of the assets of SSSI-Missouri. SSSI-Missouri has not offered franchises for any other line of business.

We have no parents or affiliates required to be disclosed in this Item 1.

Exhibit G contains our agents for service of process.

Franchise Offered.

We franchise the right to own and operate “Surface Specialists” surface repair and refinishing businesses (sometimes referred to as a “Surface Specialists Business”) under the terms of the Franchise Agreement in the form included in this disclosure document as Exhibit C (the “Franchise Agreement”). A Surface Specialists Business offers high quality repair and refinishing/resurfacing and replacement of kitchen and bathroom surfaces including bathtubs, showers, sinks, vanities, ceramic tile, countertops, fiberglass, cultured marble, acrylic, PVC/ABS and porcelain fixtures, wood, appliances and metal surfaces, pools and spas. A Surface Specialists Business also offers whirlpool conversions, plumbing/mechanical repair to whirlpool systems, safety conversions, acrylic tub liner and wall system installation, tub protection services, glass polishing services, granite and marble repair and polishing, strippable coating services, and vinyl repair services, door sill overlay and step through insert installation services.

We have developed a surface repair and refinishing system that emphasizes value and high quality, and an operations system designed to maintain high quality standards in services offered through Surface Specialists Businesses. We have developed all of these as part of the business system (the “Business System”), which you will receive the right to use during the term of the Franchise Agreement. We use and license certain service marks and trademarks, logos, trade dress and other commercial symbols, including the service mark “Surface Specialists” (collectively, the “Trademarks”). We may, in the future, modify or enhance the Trademarks as well as add new trademarks, service marks, logos, trade dress and other commercial symbols.

The purchase of a “Surface Specialists” franchise permits you: (i) to use our recognized Trademarks; (ii) to obtain access to the operational and management attributes of the “Surface Specialists” Business System, including confidential manuals describing guidelines for the operation of a Surface Specialists Business (the “Operations Manuals”); and (iii) to receive the benefits of association with a franchise system, including various forms of training and operational assistance from us.

Industry Laws.

You must comply with all laws, rules and regulations governing the operation of the Surface Specialists Business, and obtain all permits and licenses necessary to operate the Surface Specialists Business. Specific types of permits and licenses required, including a Contractor’s License, vary greatly based on your location. You will need to check with your local state and municipality for all permits and licenses required to operate this franchise. In addition to laws and regulations that apply to businesses generally, a California Surface Specialists Business will be subject to clean air statutes and regulations that may require registration of certain materials (as a volatile organic solvent) you use in your Surface Specialists Business.

Market and Competition.

The market for surface repair and refinishing services is well developed. The customers for the goods and services that you will offer include homeowners, apartment, hotel and motel owners, plumbers and independent contractors, healthcare facilities, and distributors and retail outlets in kitchen and bath industries. You may also provide warranty service for major plumbingware manufacturers and hot tub and spa manufacturers. Sales are year-round.

You will experience competition from independently operated businesses which offer surface refinishing services in your local area. Your competitors will also include other surface repair and refinishing franchised businesses. A limited number of national repair and refinishing service systems will have significantly greater financial resources than you.

Prior Business Experience.

We have offered “Surface Specialists” franchises since July 2002. We have not offered franchises in any other line of business. We do not directly operate any Surface Specialists Businesses.

Item 3
LITIGATION

No litigation is required to be disclosed in this Item.

Item 4
BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

Item 5
INITIAL FEES

Initial Franchise Purchase:

You must pay to us an “Initial Franchise Fee” to cover the cost of services and an initial supply of proprietary products and other materials and equipment that we provide to you before your Surface Specialists Business opens. The total amount for your Initial Franchise Fee is \$36,000, and the territory size normally includes a population of 100,000 – 2,000,000 people.

To reserve a Surface Specialists franchise for a designated territory, you must pay us a deposit of \$5,000 approximately 30 days before any scheduled training. Your deposit will be applied to the Initial Franchise Fee if you purchase a Surface Specialists Business. The deposit is not refundable. A sample of the Deposit Receipt is included in this disclosure document as Exhibit E.

Unless you finance a portion of the Initial Franchise Fee (as described in Item 10 below), you must pay the entire Initial Franchise Fee (less credit for the deposit of \$5,000) when you sign the Franchise Agreement.

For veterans, we offer a 10% discount off the cost of our Initial Franchise Fee for the following service members and their family:

- Honorably Discharged Veterans
- Current members of the National Guard or reserves

- Spouses of active-duty or veteran service members
- Children of active-duty or veteran service members

Due to the nature of our franchise business, we are not able to offer franchises to active duty service members in the regular military and therefore no discounts are available to active duty service members.

The following restrictions apply to this discount:

- It is only available for a franchisee opening his or her first franchise
- Must have honorable discharge
- Veteran, reservist or dependent must have majority ownership

Expansion Franchise Purchase:

If you are an existing Surface Specialist franchisee wishing to expand your business into another Designated Territory by purchasing an additional franchise and signing an additional Franchise Agreement, we charge a discounted Initial Franchise Fee. Additional Designated Territories, which would normally include a population from 100,000 – 2,000,000 people, will be priced at \$0.015 per person in the new Designated Territory, resulting in an initial franchise fee range of \$1,500 - \$30,000.

The discounted Initial Franchise Fee applicable to expansion purchases by existing franchisees does not include any initial supply of proprietary products or other materials or equipment.

Refundability

The Initial Franchise Fee is fully earned when paid and is not refundable.

Additional Funds - 3 Months (See Note 9)	\$4,000	\$9,500	Check or credit card	Before opening and as incurred	Us, employees, third-party suppliers
Total (see Note 10)	\$43,200	\$56,000			

Notes:

Note 1- Except where otherwise noted, all fees that you pay to us are nonrefundable. Third-party lessors, contractors, and suppliers will decide if payments to them are refundable.

Note 2-Initial Franchise Fee- We may, at your request, finance up to \$7,000 of the Initial Franchise Fee at up to 10% APR, up to 36 months, most commonly for 24 or 36 months. We require a \$29,000 down payment. Monthly payments at 10% would be approximately \$323.01 for a 24 month repayment and \$225.87 for a 36 month repayment.

Note 3-Real Estate and Leasehold Improvements- We anticipate that you will operate your Surface Specialists Business from your residence. We expect you to perform all service work at customers' job sites. You will likely be able to use your existing vehicle to drive to job sites if the vehicle is reliable and in good working order. If your residence is not centrally located within the Designated Territory, or if municipal zoning regulations do not permit you to operate your Surface Specialists Business from your residence, you must establish an office from which to operate your Surface Specialists Business. The term of the lease for your office premises generally ranges from 5 to 10 years. All Surface Specialists Businesses should be centrally located, near main thoroughfares. We estimate that the monthly rent for this type of building will range from \$350 to \$550. If you do not operate your Surface Specialists Business from your residence, your cost for leasehold improvements for a standard Surface Specialists Business may vary from site to site. The exact cost will depend on several factors, including the condition of the premises, whether you elect to do more than the minimum required renovations, the landlord's agreement to reimburse you for certain improvements and other economic factors.

Note 4-Signage- Within 3 months after you sign your Franchise Agreement, you must purchase and install signage we approve on your vehicle. The signage will promote your Surface Specialist Business.

Note 5- Equipment and Fixtures- If you operate your Surface Specialists Business from your residence, your equipment and fixture expenses should be minimal. Your investment in equipment and fixtures necessary to operate your Surface Specialists Business from a separate office will vary. Your exact investment depends on several factors, including the size and location of the proposed office for your Surface Specialists Business, local labor costs, current prices charged by

suppliers, and similar factors beyond our or your control. The cost will increase as the number of square feet increases.

Note 6-Deposits and Business Licenses- This amount includes utility and security deposits and business licenses. Deposits are generally refundable, but license fees are not.

Note 7-Insurance- You will need to obtain liability insurance with minimum limits of \$500,000 per person and \$1,000,000 per occurrence and other insurance as we require or as required by law (including workers' compensation insurance). You must provide us with certificates of insurance per our specifications, and all insurance policies must name "Surface Specialists Systems, Inc." as an additional insured.

Note 8-Computer System- This amount reflects the cost of the computer system you must use in your Surface Specialists Business.

Note 9-Additional Funds – 3 Months- This amount estimates your initial pre-opening expenses not otherwise mentioned in the Table and expenses you will incur during the first 3 months of business operations, including meals while you attend the initial training program, initial wages and fringe benefits, advertising, taxes, office, paper and cleaning supplies, miscellaneous tools, telephone hook-up, and inventory (supplies, materials and parts used for specific services provided) costs beyond the materials that we provide to you as part of the Initial Franchise Fee. You must purchase some of these items directly from us. We provide an initial inventory package to begin operations at no additional cost. The amounts are estimates, and we cannot guarantee that you will not incur additional expenses in starting the business. We base our estimates upon the years of experience of our management team in this industry.

Note 10-Total- This total is an estimate of your initial investment and is based on our estimate of average costs and market conditions prevailing as of the date of this disclosure document and our years of experience in the business. You should review this amount carefully with a business advisor before deciding to purchase the franchise. These figures are estimates only and we cannot guarantee that you will not have additional expenses starting your Surface Specialists Business.

If you rebrand your signage to include additional locations or phone numbers, you may incur additional signage fees. We must approve all signage on your vehicle.

Note 4-Equipment and Fixtures: We anticipate that you will operate your Expansion Franchise in conjunction with your established Surface Specialists Business and would therefore not incur any additional equipment and fixture expenses. Your investment in equipment and fixtures necessary to operate your Surface Specialists Business from a separate office will vary. Note 5-Deposits and Business Licenses: This amount includes utility and security deposits and business licenses. Deposits are generally refundable, but license fees are not.

Note 6-Insurance: Your existing liability insurance with minimum limits of \$500,000 per person and \$1,000,000 per occurrence should cover your Expansion Franchise, however, you may incur additional workers' compensation insurance expenses. You must provide us with certificates of insurance per our specifications, and all insurance policies must name "Surface Specialists Systems, Inc." as an additional insured.

Note 7-Computer System: We anticipate that you will utilize the same computer system for your Expansion Franchise that you use in your established Surface Specialists Business.

Note 8-Additional Funds: Since you are already operating a Surface Specialists Business, you do not need to set aside 3 months of income as a new franchise would.

Note 9-Total: This total is an estimate of your initial investment and is based on our estimate of average costs and market conditions prevailing as of the date of this disclosure document and our years of experience in the business. You should review this amount carefully with a business

advisor before deciding to purchase the franchise. These figures are estimates only and we cannot guarantee that you will not have additional expenses starting your Surface Specialists Business. We base our estimates upon the years of experience of our management team in this industry.

Whether We or Our Affiliates Are Approved Suppliers

We are an approved supplier of advertising material, trade tools, and other classes of products and supplies that you may use in operating your Surface Specialists Business, but not the only approved supplier.

We are the only approved supplier of the proprietary products Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, and Starfire™ products, and private labels of ours. There may be other similar products that we are the only approved supplier for and you must purchase from us in the future.

Officer Interests in Suppliers

Our officers, Dan and Miranda Kaplan, own an interest in us.

We do not maintain written criteria for approving suppliers and thus these criteria are not available to you or your proposed supplier. We do permit you to contract with alternative suppliers if they meet our criteria. We do not charge you any fee to propose another supplier. If you wish to propose to us another supplier, you may submit the proposed supplier that you wish for us to consider in writing. We will examine the quality of the items and the supplier's ability to supply a sufficient quantity in a timely way with good customer service to determine whether to consider adding the supplier to our list of approved vendors. We will notify you within 60 days if we approve or disapprove of an alternative supplier. If we revoke approval for a supplier, we will provide written notice to you.

We issue specifications to franchisees and approved suppliers in our Office Manual or other informational bulletins.

We received revenues of \$538,128 from the sale of all products and materials, including Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, and Starfire™ products for the year ended December 31, 2025, or approximately 44.7% of SSSI's total revenues of \$1,204,314 for the fiscal year ended December 31, 2025.

Required Purchases and Leases as a Proportion of Costs

We estimate that required purchases and leases will represent approximately 15% to 55% of the cost to establish your Surface Specialists Business and 10% to 30% of the cost to operate your Surface Specialists Business (except if your Business includes the installation of acrylic tubliners and wall systems, in which case it is 30% to 40% to operate your Business).

Supplier Payments to Us

We may provide certain administrative, technical, inspection, advisory and other services and data to certain suppliers in return for a fee as a result of transactions with franchisees. The fee may range from 0% to 10% or more of the suppliers' sales to franchisees.

Purchase Arrangements

We negotiate purchase arrangements with suppliers, including price terms, for the benefit of our franchisees.

Other than described above, we do not offer direct or indirect financing. We do not guarantee your note, leases or obligations.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-opening Assistance. Before you open your Surface Specialists Business, we will:

- (1) Provide you with an initial supply of inventory products to be used in operating your Surface Specialists Business (Franchise Agreement - Section 14).
- (2) Provide you with a minimum specifications and standards for forms, supplies, marketing materials, inventory and other items to be used in the Surface Specialists Business (Franchise Agreement - Section 11).
- (3) Provide the mandatory training program described below (Franchise Agreement - Section 7(01)).
- (4) Furnish you with a copy of our confidential Field Manual, Office Manual and Tubliner Manual (collectively, the "Operations Manuals"). You must keep the Operations Manuals confidential and return them when the Franchise Agreement terminates (Franchise Agreement - Section 8(01) and (02)).

Site Selection. You are solely responsible for locating and obtaining a site for your Surface Specialists Business within the Designated Territory of your franchise that you and we mutually agree upon when entering into your franchise agreement. You are also responsible for

determining that the proposed site meets all zoning and other applicable government requirements, and that you have obtained all required government permits. You do not need to obtain our consent to a proposed site, although your site must be centrally located within your Designated Territory. The proposed site for your Surface Specialists Business may be your own residence or leased office space.

Development Time. The typical length of time between our acceptance of the Franchise Agreement and the opening of your business varies from 1 to 3 months. This period can be longer or shorter depending on the time of year, availability of financing, how soon you can attend training or other factors. Within 3 months of signing your Franchise Agreement, you must install signage we approve on your vehicle.

Ongoing Assistance. During the operation of your Surface Specialists Business, we will:

- (1) Periodically furnish you with updated and revised material for your Operations Manuals (Franchise Agreement - Section 8(04)).
- (2) Make recommendations to you as to suggested pricing for your area, but we do not set minimum or maximum prices (Franchise Agreement – Section 8).
- (3) Provide to you certain supplies and equipment at your expense (Franchise Agreement - Section 7(04)).
- (4) Manage the Advertising Fund and use Advertising Contributions to conduct general advertising and promotion of the Marks (Franchise Agreement - Section 4(02)).

Advertising Program. We may require that you contribute 1% of your Gross Receipts as an “Advertising Contribution” to the “Surface Specialists” Advertising Fund (the “Advertising Fund”). We have not collected Advertising Contributions from franchisees, although we reserve the right to do so in the future. When we establish the Advertising Fund, we will likely use the Advertising Fund to provide advertising and promotional materials and services to you for local use as well as conduct local and regional print and direct mail advertising or promotional campaigns. The Advertising Fund will not be a trust or escrow account, and we will not have any fiduciary obligation regarding the Advertising Fund or Advertising Contributions. We will not use any of the Advertising Fund to sell additional franchises. Although we have not yet established the Advertising Fund, we will likely produce advertising programs and materials internally, and will provide you with one sample of each item produced through the Advertising Fund at no charge. If you want additional copies at that time, we will likely require that you pay duplication costs. We anticipate that all Surface Specialists® franchisees and we or our affiliated owned businesses (if any) will contribute to the Advertising Fund. Any Surface Specialists® businesses owned by us or our affiliates will contribute on the same percentage basis as franchisees. Advertising contributions that we receive but do not spend in a calendar year will be retained in the Advertising Fund and spent in future years. At your request, we will provide you with an annual unaudited statement of the receipts and disbursements of the Advertising Fund. You may develop advertisement materials at any time for your own use, at your own cost,

but your materials must be factually correct and accurately depict the “Surface Specialists” Trademarks. We must approve the advertising materials in advance and in writing.

In our last fiscal year ended December 31, 2025, we did not collect or spend any Advertising Fund fees.

When we establish the Advertising Fund, all franchisees will pay 1% of Gross Receipts as the Advertising Contribution. We will administer the Advertising Fund and provide you with an annual unaudited statement of the receipts and disbursements of the Advertising Fund. We will not be obligated to spend any amount on advertising in the area or territory where you are located when we establish the Advertising Fund. We reserve the right to receive an administrative fee to cover related sales promotion, marketing and administrative expenses.

Franchise Advisory Council. No franchisee advisory council or advertising committee has been established to date. As the “Surface Specialists” system grows, however, we intend to form a franchisee advisory council that will, in part, provide advice on advertising and promotional activities to us. We will likely retain the power to form, change or dissolve any franchisee advisory council established in the future.

Local or Regional Advertising Cooperative. No “Surface Specialists” franchisee is required to participate in a local or regional advertising cooperative.

Computer System. In operating your Surface Specialists Business, you must use a computerized record-keeping system (“Computer System”) that meets our standards, as periodically modified in response to business operations, marketing conditions, and changes in technology. Presently, the Computer System includes the following components: a personal computer, internet access, QuickBooks Online accounting software (a one-year Simple Start subscription is included in your Initial Inventory Package), Microsoft Office or 365, and firewall and Antivirus pursuant to our specifications.

We estimate that the cost of the Computer System will be \$800 to \$1,500.

You must all purchase Internet service from an Internet service provider, together with an Internet browser and an e-mail address for the Business to communicate with us, customers and third-party vendors. You may use one of many different Internet service providers.

We reserve the right to designate changes or enhancements to the Computer System, including computer hardware, software and other equipment. You must purchase these specified hardware, software and other equipment, and arrange for installation, maintenance and support services of the initial, changed or enhanced Computer System at your expense. We estimate that the cost of optional or required maintenance, updates, upgrading or support contracts for the Computer System currently is approximately \$300 per year. There are no contractual limitations on the frequency and cost of the obligations of the franchisee to upgrade or update any computer system during the term of the franchise. You must store all data and information that we designate and report data and information in the manner we specify.

Independent Access to Information. We may access all operational and financial information and data produced by your Computer System. There are no contractual limitations on our right to access the information and data (Franchise Agreement, Section 9(04)).

Restrictions on Your Use of Electronic Media. We restrict your right to use all electronic media including the internet in operating your Surface Specialists Business. You cannot conduct business over the internet or create your own website with which to conduct business without our express written consent.

Operations Manuals. Exhibit H contains the chapters in the Operations Manuals and the page count per chapter. The Operations Manuals contain 1,074 pages.

Training. We will provide you with a 2 week initial training program at our headquarters in Matthews, North Carolina, or, we may instruct you on Acrylic Bathtub Liner & Wall System Installation at a sample job within your Designated Territory. The initial training program is intended to provide you with basic training in operating a Surface Specialists Business under the Business System. The initial training program covers various aspects of managing and operating a Surface Specialists Business, including selling and marketing “Surface Specialists” services, instruction on providing “Surface Specialists” services (including bathtub/shower liner and wall system training), necessary equipment, employee training, forms and business procedures, cost control and other matters. You may attend the initial training program at any time before you open your Surface Specialists Business, although you may not open your Business unless you successfully complete the initial training program to our satisfaction.

Item 12 TERRITORY

For either an initial new territory purchase or an expansion territory purchase offered to existing franchisees, you will receive a "Designated Territory" when granted a "Surface Specialists" franchise. The Designated Territory generally will be one or more cities, towns, or counties with a minimum population of 100,000 and a maximum population of 2,000,000. The Designated Territory will be described in Section 1 of the Franchise Agreement. You may operate your Surface Specialists Business within the Designated Territory. The Designated Territory is an exclusive territory within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as we license you to use through your franchise agreement.

Although we do not currently do so, we reserve the right to distribute products or services in your Designated Territory through alternative channels of distribution, including the Internet, using the "Surface Specialists" Trademark. In addition, we currently distribute, and reserve the right to distribute, products and services in your Designated Territory through alternative channels of distribution, including the Internet, selling similar products or services under a trademark different from the "Surface Specialists" Trademark. We are not required to pay you any compensation for soliciting or accepting orders inside your Designated Territory.

Although we cannot alter your Designated Territory, we can terminate the Franchise Agreement if you fail to achieve a certain level of Gross Receipts in operating your Surface

Specialists Business. You will be in default and we may terminate the Franchise Agreement if (i) you do not generate Gross Receipts of at least \$30,000 during the first 12 months of operation, or (ii) for any following 12-month period, you fail to generate Gross Receipts equal to the minimum amount required during the preceding 12-month period, plus 15%, until the minimum acceptable annual level of Gross Receipts reaches \$100,000.

You may relocate the Surface Specialists Business without our written consent, if the new site is centrally located in your Designated Territory.

We generally will not grant to you any options, rights of first refusal or similar rights to acquire additional franchises within a particular territory.

You must concentrate your advertising and sales effort within your Designated Territory. You cannot conduct marketing or advertising (including any listing in a telephone directory) outside your Designated Territory or use other channels of distribution, including the Internet, catalog sales, telemarketing, or other direct marketing, to make sales outside your Designated Territory unless you obtain our prior written consent. You may serve customers located outside your Designated Territory, provided they are not located within the Designated Territory of any current “Surface Specialists” franchisee. You may serve customers located inside the Designated Territory of another “Surface Specialists” franchisee only with our prior written consent. “Surface Specialists” franchisees operating under older versions of franchise agreements may not be bound by this restriction and may at times service customers who reside within your Designated Territory without compensation to you. We do not have any direct company-owned operations, although we would be subject to the same advertising and selling restrictions that you and other “Surface Specialists” franchisees are currently subject to.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

Item 13
TRADEMARKS

We grant you the right to operate a Surface Specialists Business under the name “Surface Specialists,” using the following federally registered trademarks:

Registration Number	Description of Mark	Principal or Supplemental Register of the United States Patent and Trademark Office	Registration Date
3,049,936	“Surface Specialists”	Principal	January 24, 2006

4,274,549		Principal	January 15, 2013
4,274,550		Principal	January 15, 2013

We have filed all required affidavits. We have filed all required renewal registrations.

There are no currently effective determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court. There are no pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving our trademarks, service marks, trade names, logotypes or other commercial symbols. Certain assets of SSSI, including the trademarks, serve as collateral for SSSI's obligations under a promissory note issued to its predecessor, SSSI-Missouri, when SSSI purchased assets related to the Business System from SSSI-Missouri. There are currently no other agreements in effect that significantly limit SSSI's rights to use or license the use of any Trademarks listed in this Item 13 in any manner material to the franchise.

We are not required to protect you against infringement or unfair competition claims arising out of your use of the Trademarks, or to participate in your defense or indemnify you.

You must notify us promptly if you become aware of any infringement or unauthorized use of the Trademarks and cooperate with any action that we take. We are not required to take any affirmative action when notified of these uses. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you. We are not required to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed by us to you, or if the proceeding is resolved unfavorably to you.

If we discontinue or modify our Marks, you must adopt and use any new marks immediately. Any expenses you incur because of adopting and using these marks are your responsibility.

We do not know of any infringing use that could materially affect your use of our trademarks.

Item 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered which are material to the "Surface Specialists" franchise offered, although we do claim copyright protection for the Operations Manuals and various sales promotional and other materials periodically published. You must keep confidential during and after the term of the Franchise Agreement all information contained in the Operations Manuals. You cannot duplicate or provide any information contained in the Operations Manuals to any party other than, during the term of the Franchise Agreement, those of your employees who need to know that information. When the Franchise Agreement terminates, you must return to us all copies of the Operations Manuals and all other material we have copyrighted.

We do not contract with individual franchisees to protect the copyrights, to protect individual franchisees against infringement or unfair competition claims arising out of the franchisee's use of the copyrights, or to participate in the franchisee's defense or indemnify the franchisee. We reserve the right to control any copyright litigation and will be the sole judge as to whether any suit will be brought or settled when any person or entity infringes our copyrights.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS.

You must personally manage and operate the Surface Specialists Business unless you receive our prior written consent to delegate your authority to a Designated Manager. We do not require that the Designated Manager own an interest in the franchisee entity. You or your Designated Manager (if you have one) must attend and complete the training program.

Each individual who owns a 10% or greater interest in the franchisee entity is considered a principal owner and must sign the Personal Guaranty attached as Schedule 1 to the Franchise Agreement. These people, together with any Designated Manager, agree to discharge all obligations of the franchisee under the Franchise Agreement and are bound by all its provisions, including maintaining the confidentiality of proprietary information and complying with the noncompete covenants.

You must hire employees, not 1099 contract labor, to provide services through your franchise.

In addition, all of your employees and owners of the franchise must sign a written agreement to maintain the confidentiality of our trade secrets and comply with noncompete covenants, in a form that we specify or approve. And if you are married, your spouse must sign a Spousal Non-Compete Agreement, Schedule 2 to the Franchise Agreement. However, unless your spouse is a co-owner of this franchise or the franchise entity, your spouse is not required to sign a personal guaranty of your obligations under the franchise agreement.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only those goods and services that we have approved. You also must offer all goods and services that we designate as required for all franchisees. We may, at our discretion, add new goods and services, based on its evaluation of various factors, including customer demands, the geographic location of your Surface Specialists Business and any other factor that we consider important to the operation of your Surface Specialists Business. Our right to modify the approved list of goods and services to be offered at a Surface Specialists Business is not limited.

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Historic FPR #1- Average Gross Sales

Below is a statement of average gross sales of Surface Specialists Businesses for the 12-month period from January 1, 2025 to December 31, 2025 (“Reporting Period”). As of December 31, 2025, there were 44 operational franchisees, 44 of which had been in operation for at least a full year (“Reporting Franchisees”). Three (3) franchised outlets closed part way through 2025 and their results are not included. We allow Reporting Franchisees who own more than one franchise and who are parties to more than one Franchise Agreement to report their gross sales to us on one report. As a result, 6 of the 44 Reporting Franchises submitted a single report combining Average Gross Sales for multiple territories. Five of these Franchises operate in 2 Designated Territories and 1 operates in 4 Designated Territories. Each provided an estimated percentage of the sales attributed per Designated Territory to determine Average Gross Sales per Designated Territory they operate.

Average Gross Sales (1)	\$296,404.64
Median Gross Sales	\$132,416.20

(1) “Gross Sales” (Gross Receipts) means the total revenues received from the sale of goods and services at or through the Surface Specialists Business, less sales or similar taxes or refunds.

Of the 44 Reporting Franchisees who reported gross sales information for the Reporting Period and are included in this statement, 10 of the 44 franchisees (23%) attained or exceeded the average gross sales of \$296,404.64.

The total gross sales of the 44 Reporting Franchisees ranged from a low of \$3,725.00 (operating in 1 Designated Territory with a population of 2,257,491 people) to a high of \$2,069,644.20 (operating in 1 Designated Territory with a population of 2,292,476 people).

The average population of the Designated Territories of the Reporting Franchisees was 1,535,443 people per Reporting Franchisee, the median population of the Designated Territories of the Reporting Franchises was 1,409,215 and the population of the Designated Territories of the Reporting Franchisees ranges from 42,878 to 4,728,030 per Reporting Franchisee.

Some franchisees have sold this much. Your individual results may differ. There is no assurance that you will sell as much.

Forecast FPR #2- Approximate Sales Value of Initial Inventory

The charts below illustrate the approximate sales value that can be produced from materials furnished in the Initial Inventory Packet included with a franchise purchase based on the average and median sales price reported by franchisees. The sales information provided was derived from a pricing survey conducted in January 2026. All 44 outlets in operation as of December 31, 2025, were sent the survey. Some franchise owners operate multiple outlets. As a result, there are only 35 franchise owners who owned all our franchised outlets in operation at the time the survey was conducted. Each owner submitted one response applicable to all outlets they own. 35 franchise owners completed and returned the 2026 survey.

INDEPENDENT AUDITORS' REPORT

To the Shareholders of Surface Specialists Systems, Inc.
Matthews, North Carolina

Opinion

We have audited the accompanying financial statements of Surface Specialists Systems, Inc. which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Surface Specialists Systems, Inc. as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Surface Specialists Systems, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Surface Specialists Systems, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Surface Specialists Systems, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Surface Specialists Systems, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Surface Specialists Systems, Inc.
Notes to Financial Statements
As of and For the Years Ended December 31, 2025 and 2024

1. Organization and Business

Surface Specialists Systems, Inc. (the “Company”) was formed in 2001 in the state of North Carolina. The Company was organized for the purpose of acquiring and conducting franchising operations involving the repair and refinishing of plastic laminate, fiberglass, acrylic and porcelain surfaces. This includes selling franchise rights to own and operate “Surface Specialists Systems” and the sale of products used by franchisees for repairing and refinishing surfaces. The Company is headquartered in Matthews, North Carolina. There are 48 franchises currently in operation.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition

The Company recognizes revenue in accordance with FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers* (ASC 606). The terms of the current Franchise Disclosure Document require franchisees to pay the Company an initial franchise fee in exchange for the Company’s assistance in training, manuals, systems, a designated territory to operate in, and startup inventory of products used in repairing and refinishing surfaces. Under ASC 606, the franchisor must determine if the pre-opening activities contain any distinct goods or services, known as performance obligations, and then allocate the initial franchise fees to those performance obligations using the stand-alone selling price of the goods or services. Further clarification was provided in ASU 2021-02 *Franchisors – Revenue from Contracts with Customers* which allows private companies a practical expedient in determining the amount and timing of revenue recognition for pre-opening activities. Using this method, all of the performance obligations were met at the time of start-up including delivery of startup inventory, manuals and equipment as well as training. Therefore, all of the initial franchise fee was recognized upon opening of the franchise. The related franchise fee income, including that allocated to startup inventory sales, is included in franchise fee income in the accompanying Income Statements.

No new franchises were opened during 2025 or 2024.

In addition, franchisees are required to pay a royalty fee of 5% of the monthly gross receipts (sales) of the franchised business. In accordance with ASC 606, the royalty fee is recognized when the franchisee sales occur. Sales are reported by the franchisee a month in arrears. The Company recorded royalties receivable and the related revenue of approximately \$53,000 and \$61,000 during 2025 and 2024, respectively, which were earned in December and collected in the following January. The Company has the right to charge an advertising fee of 1% of gross receipts however, there were no advertising fees charged in 2025 or 2024.

Substantially all merchandise sales are product sales to franchisees. Revenues related to merchandise sales are recognized when the franchisor has substantially performed and satisfied all material services or conditions related to the sale.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash in bank deposit accounts. The carrying amount approximates fair value due to the nature of the instruments. At no time during 2025 or 2024 did the Company’s cash balances exceed Federal Deposit Insurance Corporation limits.

Notes to Financial Statements
As of and For the Years Ended December 31, 2025 and 2024

2. Summary of Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable are derived from the sale of products as well as from royalties owed by the franchisees. Accounts receivable are considered past due or delinquent when payment is not received within the credit term extended to the customer, typically 30 days. The Company reviewed all outstanding accounts and determined that no allowance for credit losses was necessary at December 31, 2025 and 2024.

Inventory

Inventory is valued at the lower of average cost or market. Average actual cost is a method whereby purchases of new inventory are added to current inventory values in a weighted average calculation. Products are reviewed annually for obsolescence. The Company determined an allowance for obsolete inventory was not needed at December 31, 2025 and 2024.

Property and equipment

Property and equipment are recorded at historical cost. Maintenance and repairs that do not extend the useful life are charged against operations and not capitalized in the balance sheet. Items with less than a one-year useful life are expensed as purchased. The Company uses the straight-line method of depreciation with estimated useful lives of five years for computer equipment, furniture and fixtures, and machinery and equipment and three years for software recorded on the accompanying balance sheets. Total depreciation expense was \$516 and \$323 for the years ended December 31, 2025 and 2024, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

3. Income Taxes

The Company, with consent of its stockholders, has elected to be treated as a subchapter S corporation for income tax reporting purposes. In an S corporation, the individual stockholders report and pay income taxes on their personal tax returns. The Company does not generally pay income taxes. As a result, no provision for income taxes has been included in these financial statements.

The Company follows ASC 740-10 as it relates to uncertain tax positions for the years ended December 31, 2025 and 2024, and has evaluated its tax positions taken for all open tax years for filings with the Internal Revenue Service and the state jurisdiction of North Carolina where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2025.

The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards No. 2016-02, Leases (Topic 842). In connection with the adoption of this guidance, practical expedients permitted in ASC Topic 842 were elected. As such, an accounting policy election not to recognize right of use assets and lease liabilities that arise from short-term leases (one-year or less) for any class of underlying asset was made. INDEPENDENT AUDITORS' REPORT

To the Shareholders of Surface Specialists Systems, Inc.
Matthews, North Carolina

Opinion

We have audited the accompanying financial statements of Surface Specialists Systems, Inc. which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Surface Specialists Systems, Inc. as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Surface Specialists Systems, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Surface Specialists Systems, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Surface Specialists Systems, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Surface Specialists Systems, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Revenue Recognition

The Company recognizes revenue in accordance with FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers* (ASC 606). The terms of the current Franchise Disclosure Document require franchisees to pay the Company an initial franchise fee in exchange for the Company’s assistance in training, manuals, systems, a designated territory to operate in, and startup inventory of products used in repairing and refinishing surfaces. Under ASC 606, the franchisor must determine if the pre-opening activities contain any distinct goods or services, known as performance obligations, and then allocate the initial franchise fees to those performance obligations using the stand-alone selling price of the goods or services. Further clarification was provided in ASU 2021-02 *Franchisors – Revenue from Contracts with Customers* which allows private companies a practical expedient in determining the amount and timing of revenue recognition for pre-opening activities. Using this method, all of the performance obligations were met at the time of start-up including delivery of startup inventory, manuals and equipment as well as training. Therefore, all of the initial franchise fee was recognized upon opening of the franchise. The related franchise fee income, including that allocated to startup inventory sales, is included in franchise fee income in the accompanying Income Statements.

No new franchises were opened during 2024. During 2023, 3 new franchises were opened.

In addition, franchisees are required to pay a royalty fee of 5% of the monthly gross receipts (sales) of the franchised business. In accordance with ASC 606, the royalty fee is recognized when the franchisee sales occur. Sales are reported by the franchisee a month in arrears. The Company recorded royalties receivable and the related revenue of approximately \$61,000 and \$52,000 during 2024 and 2023, respectively, which were earned in December and collected in the following January. The Company has the right to charge an advertising fee of 1% of gross receipts however, there were no advertising fees charged in 2024 or 2023.

Substantially all merchandise sales are product sales to franchisees. Revenues related to merchandise sales are recognized when the franchisor has substantially performed and satisfied all material services or conditions related to the sale.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash in bank deposit accounts. The carrying amount approximates fair value due to the nature of the instruments. At no time during 2024 or 2023 did the Company’s cash balances exceed Federal Deposit Insurance Corporation limits.

2. Summary of Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable are derived from the sale of products as well as from royalties owed by the franchisees. Accounts receivable are considered past due or delinquent when payment is not received within the credit term extended to the customer, typically 30 days. The Company reviewed all outstanding accounts and determined that no allowance for credit losses was necessary at December 31, 2024 and 2023.

Inventory

Inventory is valued at the lower of average cost or market. Average actual cost is a method whereby purchases of new inventory are added to current inventory values in a weighted average calculation. Products are reviewed annually for obsolescence. The Company determined an allowance for obsolete inventory was not needed at December 31, 2024 and 2023.

Property and equipment

Property and equipment are recorded at historical cost. Maintenance and repairs that do not extend the useful life are charged against operations and not capitalized in the balance sheet. Items with less than a one-year useful life are expensed as purchased. The Company uses the straight-line method of depreciation with estimated useful lives of five years for computer equipment, furniture and fixtures, and machinery and equipment and three years for software recorded on the accompanying balance sheets. Total depreciation expense was \$323 and \$434 for the years ended December 31, 2024 and 2023, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

3. Income Taxes

The Company, with consent of its stockholders, has elected to be treated as a subchapter S corporation for income tax reporting purposes. In an S corporation, the individual stockholders report and pay income taxes on their personal tax returns. The Company does not generally pay income taxes. As a result, no provision for income taxes has been included in these financial statements.

The Company follows ASC 740-10 as it relates to uncertain tax positions for the years ended December 31, 2024 and 2023, and has evaluated its tax positions taken for all open tax years for filings with the Internal Revenue Service and the state jurisdiction of North Carolina where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2024.

The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Operating Leases

The Company leases its office space under a one-year lease. The new lease began on January 1, 2024, and has an option to renew for one additional year.

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards No. 2016-02, Leases (Topic 842). In connection with the adoption of this guidance, practical expedients permitted in ASC Topic 842 were elected. As such, an accounting policy election not to recognize right of use assets and lease liabilities that arise from short-term leases (one-year or less) for any class of underlying asset was made.

The minimum lease payments are \$2,400 per month. The right of use asset and lease obligation are discounted at 5.5%.

6. Subsequent Events

In preparing these financial statements in accordance with Accounting Standards Codification No. 855 – Subsequent Events, the Company has evaluated events and transactions for potential recognition or disclosure through February 7, 2025, the date the financial statements were available to be issued. The Company has no knowledge of significant subsequent events as of this date that would require adjustment to or disclosure in the financial statements.

C. Franchisee desires to operate a “Surface Specialists” business which will conform to Franchisor’s uniform requirements and quality standards as Franchisor may periodically develop.

AGREEMENTS:

In consideration of the foregoing and the promises contained herein, the parties agree as follows:

1.) GRANT OF FRANCHISE AND RENEWAL

(01) Subject to the provisions of this Agreement, Franchisor grants to Franchisee the right, franchise, and privilege to use the Marks and the Business System (the “Franchise”) to conduct a business offering the Approved Services (the “Franchised Business”) in the following area: _____

(the “Designated Territory”). During the term of the Franchise, Franchisor shall not directly establish or grant to any other person a franchise to establish within the Designated Territory, a business that generally offers Approved Services. Franchisee understands, however, that Franchisor may sell any products or services through other channels of distribution in the Designated Territory, either under the Marks or under other trademarks.

Franchisee shall concentrate its advertising and sales effort within the Designated Territory and cannot conduct marketing or advertising (including any listing in a telephone directory) outside the Designated Territory without Franchisor's prior written consent. Franchisee may serve customers located outside the Designated Territory, provided they are not located within the Designated Territory of another "Surface Specialists" franchisee. Franchisee may serve customers located inside the Designated Territory of another "Surface Specialists" franchisee only with Franchisor's prior written consent. "Surface Specialists" franchisees operating under older versions of franchise agreements may not be bound by this restriction and may at times service customers who reside within the Designated Territory without compensation to Franchisee.

(02) The rights and privileges granted to Franchisee under this Agreement are applicable only to the Designated Territory, are personal in nature, and may not be used elsewhere or at any other location by the Franchisee. Franchisee shall not have the right to subfranchise, sublicense, assign or transfer its rights under this Agreement, except as specifically provided herein.

(03) This Agreement shall be effective and binding from the date of its execution by Franchisor, and the term of this Franchise shall continue until the tenth anniversary of the execution of this Agreement. At the end of said term, if the Franchisee has observed and performed all its obligations hereunder, and signs a Release in the form attached here as Schedule 3, Franchisee may renew its franchise for an additional ten (10) year period on the same terms and conditions as those on which new "Surface Specialists" franchises are then being granted. No initial or renewal fee shall be charged. In the event Franchisee elects to renew as provided herein, Franchisee shall send to Franchisor its written intent to renew at least one hundred twenty (120) days prior to the expiration of the initial term of the Franchise. Failure or refusal by Franchisee to execute all agreements and documents within thirty (30) days after deliver to Franchisee shall be deemed an election by Franchisee not to renew the Franchise. Franchisor shall give Franchisee not less than ninety (90) days' prior written notice of its intention not to renew the Franchise.

2. INITIAL FRANCHISE FEE

Franchisee shall pay to Franchisor an Initial Franchise Fee of \$36,000 as follows: (i) Franchisor acknowledges that it has received a deposit of \$5,000; (ii) _____ Dollars (\$ _____) will have been paid upon the date of execution of this Agreement; and (iii) the balance of _____ Dollars (\$ _____) is payable under the terms of a Promissory Note (if applicable) provided by Franchisor. The entire Initial Franchise Fee shall be deemed to have been fully earned by Franchisor at the time this Agreement is executed.

For veterans, we offer a 10% discount off the cost of our Initial Franchise Fee for the following service members and their family:

- Honorably Discharged Veterans
- Current members of the National Guard or reserves
- Spouses of active-duty or veteran service members
- Children of active-duty or veteran service members

Due to the nature of our franchise business, we are not able to offer franchises to active duty service members in the regular military and therefore no discounts are available to active duty service members. The following restrictions apply to this discount:

- It is only available for a franchisee opening his or her first franchise
- Must have honorable discharge
- Veteran, reservist or dependent must have majority ownership

If you are an existing Surface Specialist franchisee wishing to expand your business into another Designated Territory by purchasing an additional franchise and signing an additional Franchise Agreement, we charge a discounted Initial Franchise Fee. Additional Designated Territories will be priced at \$0.015 per person in the new Designated Territory. This discounted Initial Franchise Fee does not include any initial supply of proprietary products or other materials or equipment.

3.) ROYALTY FEE

(01) Franchisee shall pay to Franchisor a nonrefundable Royalty Fee equal to five percent (5%) of the Gross Receipts of the Franchised Business, subject to a minimum monthly Royalty Fee of \$250. Franchisee shall submit to Franchisor, no later than the fifteenth (15th) day of each month, a report of Gross Receipts for the immediately preceding calendar month signed by Franchisee on a form approved by Franchisor. Each monthly statement of Gross Receipts shall be accompanied by the Royalty Fee payment based on the correct statement of Gross Receipts reported in the statement so submitted. Franchisee shall make available for reasonable inspection at reasonable times by Franchisor, all original books and records that Franchisor may deem necessary to ascertain Gross Receipts. Except as to existing outlets, as to which no 90 day grace period applies, payment of the monthly Royalty Fee shall commence the first full calendar month that begins 90 days following Franchisee's completion of the initial training program.

The term "Gross Receipts" means the total amount of all revenues received by Franchisee from the sale of goods and services, including all Approved Services, whether for cash or by check, credit card or trade, in connection with the Franchised Business, less customer refunds and sales tax collected from customers and paid to appropriate tax authorities.

(02) Franchisee shall record all sales and shall keep and maintain accurate records thereof and will cause all such sales to be registered upon numerically-controlled invoices of the type specified by Franchisor's confidential "Operations Manuals" (as further described in Section 8 below).

4.) ADVERTISING FEES AND CONTROLS

(01) Franchisor reserves the right to require Franchisee to pay to Franchisor a nonrefundable monthly Advertising Contribution equal to one percent (1%) of the Gross Receipts of the Franchised Business, payable in the same manner and at the same time as described in Section 3 above. At such time as Franchisor requires Franchisee to pay the Advertising Contribution, Franchisor will provide Franchisee with at least sixty (60) days' prior written notice.

(02) Reasonable disbursements from the Advertising Fund shall be made solely for the payment of expenses incurred in connection with the general promotion of the Marks and the "Surface Specialists" franchise system, including: (i) the cost of formulating, development, and implementing media advertising campaigns; (ii) the cost of formulating, developing and implementing promotional and public relations programs; (iii) at the option of Franchisor, reimbursement of all or part of each Franchisee's cost of purchasing promotional materials used in connection with promotional programs authorized by Franchisor; and (iv) the reasonable cost of administering the Advertising Fund, including accounting expenses and the actual cost of salaries and fringe benefits paid to Franchisor's employees engaged in administration of the Advertising Fund. All interest, if any, earned by the Advertising Fund shall be used for the payment of the foregoing expenses in connection with promotion of the Marks, before application of any principal to those expenses. The Advertising Fund is not a trust or escrow account and Franchisor has no fiduciary obligations to franchisees with respect to any programs or expenditures. Methods, media employed, contents of advertising, and terms and conditions of advertising campaigns and promotional programs shall be within the sole discretion of Franchisor. There shall be no requirements that all or any part of the Advertising Fund be disbursed within any accounting period. Selection of media and locale for media placement shall be at the sole discretion of

the administrator of the Advertising Fund. Franchisee understands that such advertising is intended to maximize the public's awareness of the Franchised Business, and that Franchisor accordingly undertakes no obligation to insure that any individual Franchisee benefits directly or on a pro rata basis from the placement, if any, of such advertising in his local market. Franchisor shall provide Franchisee an annual unaudited statement of the financial condition of the Advertising Fund, certified by an officer of Franchisor.

(03) In addition to the required Advertising Contribution, Franchisee may spend additional amounts on local advertising and marketing activities in the Designated Territory designed primarily to promote the Franchised Business ("Local Advertising"). Prior to implementing any Local Advertising, Franchisee shall submit to Franchisor or its designated agency, for its prior approval, all sales promotion materials and advertising to be used by Franchisee, including newspapers, radio, and television advertising, specialty and novelty items. In the event written or oral disapproval of said advertising and promotional materials is not received by Franchisee from Franchisor within fifteen (15) days from the date such material is submitted to and received by Franchisor, said material shall be deemed approved. Failure by Franchisee to conform with the provisions herein and subsequent nonaction by Franchisor to this failure and default shall not be deemed as a waiver of further or additional failures and default. The submission of advertising to Franchisor for approval shall not affect Franchisee's right to determine the prices at which Franchisee sells its services.

(04) Franchisee shall not advertise or use in advertising, or any other form of production, the trademarks of Franchisor without appropriate registration marks. In addition, Franchisee shall concentrate its advertising and promotional effects in the Designated Territory and shall not, without the Franchisor's prior approval, advertise or market (including the placement of any listing in a telephone directory) "Surface Specialists" services outside of the Designated Territory.

5.) OWNERSHIP AND USE OF MARKS

(01) Franchisor is the owner of the Marks. Any and all improvements by Franchisee relating to the Marks and Business System will become the sole property of Franchisor who has the exclusive right to register and protect all such improvements in its name.

(02) Franchisee's right to use and identify with the Marks and Business System applies only to the Franchised Business, and exists concurrently with the term of this Agreement and only so long as Franchisee is in complete compliance with Franchisor's quality standards. Franchisee will have the right to use the Marks and Business System only in the manner directed and approved by Franchisor in writing. Franchisee will not have or acquire any rights in any of the Marks or Business System other than the right of use as governed by this Agreement. If, in the judgment of Franchisor, Franchisee's acts infringe upon or demean the goodwill, standards of uniformity or quality, or business standing associated with the Marks and Business System, Franchisee will immediately, upon written notice from Franchisor, modify its use of the Marks and Business System in the manner required by Franchisor in writing. Franchisee will not during or after the term of this Agreement do anything directly or indirectly which would infringe upon, harm, mislead or contest Franchisor's rights in the Marks or Business System.

(03) Franchisee will operate the Franchised Business so that it is clearly identified and advertised as a "Surface Specialists" business. The style, form and use of the words "Surface Specialists" in any advertising, written materials or supplies must, however, have Franchisor's prior written approval, which approval will not be unreasonably withheld. Franchisee will use the name "Surface Specialists" and the other Marks which now or hereafter may form a part of the Business System, on all paper supplies, business cards, letterhead, envelopes, uniforms, advertising materials, signs or other articles in the identical combination and manner as Franchisor may require in writing. Franchisee will comply with all trademark, trade name, service mark and copyright notice marking requirements.

(04) Franchisee will not use the words “Surface Specialists” as part of its name for its business entity and will use the “Surface Specialists” name as a d/b/a for the trade name of the Franchised Business as follows: _____, and no other mark or words, unless Franchisor otherwise directs. The use of any additional words with any of the Marks must have the prior written consent of Franchisor. Franchisee will clearly indicate on its business checks, invoices, business cards, receipts, promotional materials and other written materials that Franchisee is the owner of the Franchised Business and that Franchisee is a “Surface Specialists” franchisee. Franchisee will display a sign which is clearly visible to the general public indicating that the Franchised Business is independently owned and operated.

(05) If there is a claim by any party that its rights to use any of the Marks are superior and if Franchisor determines that such claim is legally meritorious, Franchisee will, upon receiving written notice from the Franchisor, immediately use such changes and amendments to the Marks as Franchisor may require. Franchisee will not make any changes or amendments in or to the use of the Marks and Business System unless directed by Franchisor in writing.

(06) Franchisee will have no obligation to and will not, without Franchisor’s prior written consent, defend or enforce any of the Marks in any court or other proceedings for or against imitation, infringement, any claim of prior use, or for any other allegation. Franchisee will, however, immediately notify Franchisor of any claims or complaints made against Franchisee with respect to the Marks and will, at its expense, cooperate in all respects with Franchisor in any court or other proceedings involving the Marks. Franchisor will pay the cost and expense of all litigation incurred by Franchisor including attorneys’ fees, specifically relating to the Marks. Franchisor and its legal counsel will have the right to control and conduct any litigation relating to the Marks.

6.) LOCATION

(01) Franchisee shall, at its sole expense, provide the premises in which the Franchised Business shall be located and operated. The office shall be centrally located within the area specified in Section 1(01) of this Agreement. If municipal zoning regulations so permit, Franchisee may establish this office in Franchisee’s residence; provided Franchisee’s residence is centrally located within the Designated Territory. Franchisee shall neither create nor purport to create any obligation on behalf of Franchisor, nor grant or purport to grant the landlord thereunder any rights against Franchisor, nor agree to any other term, condition, or covenant which is inconsistent with any provision of this Agreement.

(02) Franchisee shall commence operations of the Franchised Business not later than ninety (90) days after Franchisor signs this Agreement. If Franchisee fails to commence operations as herein provided and to continuously maintain said operations, such failure shall be considered a default, and Franchisor may terminate this Agreement as provided herein.

7.) TRAINING AND ASSISTANCE

(01) Franchisor shall make available to Franchisee, and Franchisee shall attend and successfully complete, a training program at Matthews, North Carolina, or at another suitable location of Franchisor’s choice in the United States. You or your Designated Manager (if you have one) must attend and complete the training program. The training program shall consist of approximately two (2) weeks of instruction in all aspects of the operations of the Franchised Business. Lodging and travel expenses for one person are included in the Initial Franchise Fee. Meal expenses and other living expenses incurred by Franchisee during this period shall be borne by Franchisee.

(02) Franchisor may, but shall not be required to, provide a continuing advisory service which shall include consultation on promotional, business, or operational problems with analysis of Franchisee's sales, marketing, and financial data.

(03) Franchisor may initially, and from time to time when available, offer to Franchisee materials and bulletins on sales, marketing developments, products, and techniques either without charge or according to the then current price list.

(04) Franchisor will make available to Franchisee for use in the Franchised Business, directly or through a third-party supplier, Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, and Starfire™ (or any replacement products designated by Franchisor).

We do not charge to attend the Annual Convention, but you are responsible for your travel and living expenses (and other expenses) to attend.

8.) CONFIDENTIAL OPERATIONS MANUALS

(01) In order to protect the reputation and goodwill associated with the mark "Surface Specialists," and to maintain the uniform standards of operation thereunder, Franchisee shall conduct the Franchised Business in strict accordance with Franchisor's confidential Field Manual, Office Manual, Tubliner Manual and any future confidential manual Franchisor provides to Franchisee (collectively, the "Operations Manuals"). Franchisor will loan a copy of each Operations Manual to Franchisee prior to commencement of the operation of the Franchised Business. Any reference herein to the Operations Manuals shall include one or all of the separate manuals described above, as applicable.

(02) Franchisee shall treat as confidential and shall not, at any time, disclose, copy, duplicate, record, or otherwise reproduce, in whole or in part, or otherwise make available to any unauthorized person or source, the contents of the Operations Manuals.

(03) The Operations Manuals shall remain the sole property of Franchisor and shall promptly be returned upon the expiration or other termination of this Agreement.

(04) Franchisor will, from time to time, revise the contents of the Operations Manuals so as to convey to Franchisee advancements, modifications, and new developments in sales, marketing, operational techniques, and other items and procedures relevant to the Franchised Business.

9.) OPERATION OF THE FRANCHISED BUSINESS

(01) At such times the office from which the Franchised Business is operated is not staffed during regular business hours, Franchisee shall operate a phone answering system. Franchisee will be held responsible for the day-to-day management of the Franchised Business.

(02) Franchisee will use its best efforts in promoting and operating the Franchised Business. Franchisee must at all times give prompt, courteous and efficient service to its customers, including returning customer and potential customer inquiries within 24 business hours of receipt of the incoming inquiry, call, or message. Franchisee must, in all dealings with others, adhere to the highest standards of honesty and integrity.

(03) If required by Franchisor, all service personnel employed in the Franchised Business shall be required to wear uniforms specified by Franchisor.

(04) Franchisee shall affix signage promoting the Franchised Business on the vehicle(s) used in the Franchised Business not later than ninety (90) days after Franchisor signs this Agreement. Franchisee must obtain Franchisor's prior written approval of all signage.

(05) Franchisee shall acquire and use in the Franchised Business such tools and equipment as described in the Operations Manuals and shall maintain a reasonable quantity of Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, and Starfire™ products (and any new proprietary products and replacement products designated by Franchisor). Franchisee shall purchase the Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, and Starfire™ products (and any new proprietary products and replacement or similar products) from Franchisor. In addition, Franchisor may from time to time identify in writing approved suppliers for other products from whom Franchisee must purchase those approved products.

(06) Franchisee will use in the Franchised Business the computer system, including all existing or future communication systems, components thereof and associated service, which Franchisor has developed or selected for the Business System (the "Computer System"). The components of Franchisee's Computer System must meet specifications Franchisor develops. Franchisee will be required to use and, at Franchisor's discretion pay for all future updates, supplements and modifications to the Computer System. Franchisee acknowledges that Franchisor will have full and complete access to information and data produced or otherwise located on Franchisee's Computer System.

(07) Franchisee acknowledges that the Internet is a powerful and expanding medium through which business is conducted. Franchisee must have Internet access and an e-mail address. In addition, Franchisor may, upon 90 days' prior written notice, require Franchisee, at Franchisee's expense, to participate in a "Surface Specialists" World Wide Web Site listed on the Internet or other on-line communications. Franchisor will, at its discretion, determine the content and use of a "Surface Specialists" Web Site and will establish the rules under which franchisees may or will participate in such Web Site or separately use the Internet or other on-line communications. Franchisor will retain all rights relating to the "Surface Specialists" Web Site and may alter or terminate the Web Site upon 30 days' notice to Franchisee. Franchisee's general conduct on the Web Site or other on-line communications and specifically its use of the Marks or any advertising on the Web Site or other on-line communications (including the domain name and any other Marks Franchisor may develop as result of participation in the Web Site or other on-line communications) will be subject to the provisions of this Agreement. Franchisee acknowledges that certain information obtained through its participation in the "Surface Specialists" Web Site may be considered Confidential Information, including access codes and identification codes. Franchisee's right to participate in the "Surface Specialists" Web Site or otherwise use the Marks or Business System on the Internet or other on-line communications will terminate when this Agreement expires or terminates.

10.) ACCOUNTING AND RECORDS

(01) Franchisee agrees to keep and preserve, during the term of the Franchise, full, complete, and accurate books and accounts in an accounting form and manner as prescribed in the Operations Manuals. Franchisee will supply to Franchisor within thirty (30) days after the close of each six (6) month period a profit and loss statement for the six (6) month period and a balance sheet. Such statements shall include separately stated operating statements of receipts and disbursements for each month of the reporting period. Such statements shall be prepared in accordance with generally accepted accounting principles applied on a consistent basis.

(02) Franchisee shall maintain a separate banking account for the Franchised Business and shall submit to Franchisor such periodic reports, forms, and records as specified, and in the manner and at the time as specified in the Operations Manuals.

(03) Franchisor's representatives shall have the right at reasonable times to inspect Franchisee's books, records, and cash control devices or systems.

(04) Franchisor shall have the right to audit or cause to be audited the sales reports and financial statements delivered to Franchisor, and the books, records, bank account statements, and sales and income tax returns of Franchisee and, if Franchisee is an entity, the owners of Franchisee. If any audit discloses an understatement of the Gross Receipts of the Franchised Business for any period or periods, Franchisee, within fourteen (14) days of receipt of the audit report, shall pay to Franchisor the Advertising Contributions and Royalty Fees, if any, due on the previously unreported Gross Receipts, plus interest from the due date at the maximum rate permitted by law, not to exceed eighteen percent (18%) per annum. In addition, if an understatement for any period equals three percent (3%) or more of the Gross Receipts of the Franchised Business for the period, Franchisee shall reimburse Franchisor for the cost of the audit, including the charges of any independent accountant and the travel expenses, room and board, and compensation of persons employed by Franchisor to make the audit.

(05) Products, supplies, and services purchased by Franchisee from Franchisor shall be payable upon receipt of an invoice therefor pursuant to purchase terms established from time to time by Franchisor. Fees or charges for products, supplies, or services furnished by Franchisor, or Royalty Fees or Advertising Contributions, that are not paid when due shall bear interest from the due date at the maximum rate permitted by law, not to exceed eighteen percent (18%) per annum. If Franchisee is delinquent in the payment of any service fee or charge for products, supplies, or services, Franchisor shall have the right to set off amounts owed by Franchisor to Franchisee against any amounts owed to it by Franchisee.

11.) STANDARDS OF QUALITY

Franchisee recognizes that it is essential to the goodwill of the "Surface Specialists" network and to the preservation and promotion of the reputation of the network and acceptance by the public at large, that uniform standards of quality and of appearance be maintained. Franchisee therefore agrees that it will at all times perform work for members of the public in a quality manner as shown during training and in accordance with all standards issued to Franchisee in the Franchisor's Operations Manuals or otherwise. Franchisee agrees to sell, serve, and dispense all such articles, services, and other products as designated by Franchisor.

12.) MODIFICATION OF THE "SURFACE SPECIALISTS" SYSTEM

Franchisee recognizes and agrees that from time to time hereafter Franchisor may change or modify the system presently identified by the mark "Surface Specialists," including the adoption and use of new or modified trade names, trademarks, service marks, or copyrighted materials, new products, new equipment, or new techniques, and that Franchisee will accept, use, and display for the purpose of this Agreement any such changes in the Business System, including new or modified Marks, copyrighted materials, new products, and new techniques, as if they were part of this Agreement at the time of execution hereof. Franchisee will make such expenditures and such changes or modifications in the Business System as may reasonably be required, and to do so within a reasonable time.

13.) COVENANTS

(01) During the term of this Agreement or any extension thereof:

- (a) Franchisee, or its designated manager, shall devote all the time, energy, and effort reasonably required for the management and successful operation of the Franchised Business.

- (b) Franchisee shall not, either directly or indirectly, for a fee or charge, in the United States offer any of the following, other than by operating under a valid franchise agreement with Franchisor: (i) repair, refinish, resurface, or replace kitchen and bathroom surfaces including bathtubs, showers, sinks, vanities, ceramic tile, countertops, fiberglass, cultured marble, acrylic, PVC/ABS and porcelain fixtures, wood, appliances and metal surfaces, pools and/or spas; (ii) perform whirlpool conversions or plumbing/mechanical repair to whirlpool systems; (iii) safety conversions; (iv) acrylic tubliner and wall system installation; (v) tub protection services; (vi) glass polishing services; (vii) granite and marble repair and/or polishing services; (viii) strippable coating services; (ix) vinyl repairs; or (x) door sill overlay and step through insert installation services.

(02) Franchisee further covenants that during the term of this Agreement or any extension or any renewals thereof, and for a period of two (2) years thereafter, regardless of the cause of termination, Franchisee shall not:

- (a) Divert, or attempt to divert, any business or any customers of the Franchised Business to any other competitive establishment, by direct or indirect inducement or otherwise.
- (b) Either directly or indirectly, for a fee or charge, within the Designated Territory or within twenty five (25) miles of any part of the Designated Territory or within the protected territory of any other then-existing "Surface Specialists" franchisee, other than by operating under a valid franchise agreement with Franchisor: (i) repair, refinish, resurface, or replace kitchen and bathroom surfaces including bathtubs, showers, sinks, vanities, ceramic tile, countertops, fiberglass, cultured marble, acrylic, PVC/ABS and porcelain fixtures, wood, appliances and metal surfaces, pools and/or spas; (ii) perform whirlpool conversions or plumbing/mechanical repair to whirlpool systems; (iii) safety conversions; (iv) acrylic tubliner and wall system installation; (v) tub protection services; (vi) glass polishing services; (vii) granite and marble repair and/or polishing services; (viii) strippable coating services; (ix) vinyl repairs; or (x) door sill overlay and step through insert installation services.

(03) Franchisee shall not, during the term of this Agreement or after its termination, communicate or divulge any information or knowledge concerning the methods of manufacturing, preparation, promotion, sale, or distribution used in the Franchised Business, nor shall Franchisee disclose or divulge, in whole or in part, any trade secrets or private processes of Franchisor or its affiliated companies.

(04) You must hire employees, not 1099 contract labor, to provide services through your franchise.

In addition, all of your employees and owners of the franchise must sign a written agreement to maintain the confidentiality of our trade secrets and comply with noncompete covenants, in a form that we specify or approve. Copies of the executed agreements will be submitted to Franchisor upon request. And if you are married, your spouse must sign a Spousal Non-Compete Agreement, Schedule 2 to the Franchise Agreement.

14.) INITIAL INVENTORY

Upon the execution of this Agreement, Franchisor shall provide an inventory of materials sufficient to produce approximately \$81,198.11 in sales volume. Franchisor is not required to provide this inventory of

materials if this Agreement is being signed as part of a franchise renewal, transfer, or any other transaction where the initial franchise fee is not paid.

15.) INSURANCE

Franchisee will obtain and maintain in force (under policies of insurance issued by solvent and reputable carriers) and pay the premiums for (a) comprehensive public liability insurance with minimum limits of \$500,000 per person and \$1,000,000 per occurrence; and (b) general casualty insurance (including fire, broad form extended coverage, vandalism and malicious mischief) on the Franchised Business building, equipment, signs and inventory, workers' compensation insurance, motor vehicle insurance, dram shop liability insurance (if applicable) and other insurance in such types and amounts as Franchisor may reasonably require. You must provide us with certificates of insurance per our specifications, and all insurance policies must name "Surface Specialists Systems, Inc." as an additional insured. Franchisee will furnish to Franchisor a certificate of insurance as stated above, naming Franchisor as an additional insured, and providing that such policy will not be canceled, amended or modified except upon thirty (30) days' prior written notice to Franchisor. Maintenance of the insurance requirement will not relieve Franchisee of the obligations of indemnification stated in Section 22 below. If Franchisee fails to obtain or maintain in force any insurance as required by this Section or to furnish any certificate of insurance required hereunder, Franchisor may, in addition to all other available remedies, obtain such insurance or certificates, and Franchisee will promptly reimburse Franchisor for all insurance premiums and other costs incurred in obtaining such insurance.

16.) TAXES AND PERMITS

(01) Franchisee shall promptly pay when due all taxes and assessments against the premises or the equipment used in connection with the Franchised Business, and all liens or encumbrances of every kind or character placed upon or against any of said property, and all accounts and other indebtedness of every kind incurred by Franchisee in the conduct of the Franchised Business.

(02) Franchisee shall comply with all federal, state, and local laws and regulations, and shall timely obtain any and all permits, certificates, or licenses for the full and proper conduct of the Franchised Business.

17.) TERMINATION AND DEFAULT

(01) Franchisee may terminate this Agreement if Franchisor violates any material obligation of Franchisor to Franchisee and fails to cure such violation within thirty (30) days after Franchisor's receipt of written notice from Franchisee; provided, however, that Franchisee is in substantial compliance with the Agreement at the time of giving such notice of termination. Franchisee's written notice will identify the violation and demand that it be cured.

(02) Franchisor may terminate the Franchise Agreement, effective immediately upon receipt by Franchisee of notice of termination, if:

- (a) Franchisee voluntarily abandons the Franchise by failing to operate the business for five (5) consecutive days during which Franchisee is required to operate the business under the terms of the Franchise Agreement, unless such failure to operate is due to natural disaster or other similar causes beyond Franchisee's control;
- (b) Franchisee is convicted of (or pleads guilty or no contest to) a felony or any other criminal misconduct which is relevant to the operation of the Franchise;

- (c) Franchisee or the business to which the Franchise relates is insolvent, meaning unable to pay its bills as they come due in the ordinary course;
- (d) Franchisee makes an unauthorized assignment or transfer of the Franchise Agreement, the Franchised Business, or the Franchise;
- (e) Franchisee makes any material misrepresentations relating to the acquisition of the Franchise or Franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchised Business or the Business System;
- (f) Franchisee fails, for a period of ten (10) days after notification of noncompliance, to comply with any federal, state, or local law or regulation applicable to the operation of the Franchise, including those laws or regulations governing health, safety, and/or sanitation;
- (g) Franchisee fails to pay any Royalty Fees or Advertising Fees when due, or other amounts due to Franchisor or to any affiliate of Franchisor within ten (10) days after receiving notice that such fees are overdue;
- (h) Franchisor makes a reasonable determination that continued operation of the Franchise by Franchisee will result in an eminent danger to public health or safety;
- (i) Franchisee submits to Franchisor two (2) or more sales reports, financial statements, other information or supporting records in any period of twelve (12) consecutive months which understate by three percent (3%) or more the Gross Receipts of the Franchised Business or materially distort any other material information; or
- (j) Franchisee purchases Ceramite™, Polymerite™, Guardian Coat™, Counter Effects™, Starfire™, or any other products that Franchisor designates as proprietary from sources other than Franchisor or its designee, or attempts to determine the formula or ingredients of such products or to purchase unapproved substitutes for such products.
- (k) Franchisee fails to generate Gross Receipts of at least \$30,000 within the first twelve (12) months of the operation of the Franchised Business, and in each twelve (12) month period thereafter, to generate Gross Receipts equal to the minimum amount required during the preceding twelve (12) months, plus fifteen percent (15%), until the minimum acceptable annual level of Gross Receipts reaches \$100,000 per annum.

(03) Franchisor may also terminate this Agreement for any other breach of this Agreement or the Operations Manual if it provides Franchisee ten (10) days' written notice and Franchisee does not cure the breach within ten (10) days of such notice.

(04) To the extent that the provisions of this Franchise Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, nonrenewal, or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance with applicable law, be superseded by said law, and Franchisor shall comply with applicable law in connection with each of these matters.

18.) RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

(01) Upon termination or expiration of this Agreement, Franchisee shall immediately cease to be a licensed "Surface Specialists" franchisee and:

- (a) Within seven (7) days after the effective date of the termination or expiration of the Franchise, Franchisee shall pay Franchisor all sums owing from Franchisee to Franchisor under the terms of this Agreement. Said sums shall include all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor by reason of default on the part of Franchisee, whether or not such occurred prior to or subsequent to the termination or expiration of the Franchise, and said sums shall include all costs and expenses, including reasonable attorneys' fees incurred by Franchisor, in obtaining injunctive or other relief to enforce the provisions of this contract.
- (b) Franchisee shall immediately thereafter cease to use, by advertising or in any manner, the Marks, together with any telephone listings used in connection with the operation of the Franchised Business. Franchisee shall not represent or advertise that Franchisor or Franchisee were formerly parties to this Franchise Agreement, or that Franchisee did business under the Marks.
- (c) Franchisee shall take such action as shall be necessary to cancel any assumed name or equivalent registration relating to the use of the Marks, and Franchisee shall furnish evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after said termination.
- (d) Franchisee shall cease using customer information and other data produced by or otherwise located on the Computer System that relates to the Franchised Business, which information and data shall belong to Franchisor.

(02) Franchisee relinquishes all interest in the Franchise upon termination or expiration of, or failure to renew, the Franchise Agreement. If this Agreement expires or is terminated for any reason (other than the fault of Franchisor), Franchisor has the option, upon thirty (30) days written notice from the date of expiration or termination, to purchase from Franchisee all approved equipment, signs, supplies, inventory, and materials owned by Franchisee and used in the operation of the Franchised Business (excluding any unmarketable inventory) (collectively, the "Purchased Assets") and to an assignment of Franchisee's lease for the premises of the Franchised Business (or, if an assignment is prohibited, a sublease for the full remaining term under the same provisions as Franchisee's lease). Franchisor may assign this option to purchase and assignment of leases separate and apart from the remainder of this Agreement. The purchase price for the Store will be the "Book Value" (as defined below) of the Purchased Assets. "Book Value" means the net book value of the Purchased Assets, as disclosed in the last six (6) month statement of the Franchised Business provided to Franchisor under Section 10(01) before termination or expiration, provided, however, that: (1) each depreciable asset will be valued on a "straight-line" basis without provision for salvage value; and (2) Franchisor may exclude from the Purchased Assets any products or other items that were not acquired in compliance with this Agreement. If Franchisor is not satisfied with the accuracy or fairness of any financial statements, or none has been submitted, Franchisor's regularly employed firm of certified public accountants will determine (by audit) the Book Value. Franchisor and Franchisee will equally bear the cost of the audit. The results of the audit will be final and binding on both parties.

The purchase price, as determined above, will be paid in cash at the closing of the purchase, which will occur no later than sixty (60) days after Franchisor delivers notice of its election to purchase the Purchased

Assets, unless Book Value is determined by audit, in which case the closing will occur within a reasonable time, not to exceed sixty (60) days, after the results of the audit are made available. At the closing, Franchisee will deliver documents transferring good and merchantable title to the assets purchased, free and clear of all liens, encumbrances and liabilities to Franchisor or its designee and such other documents Franchisor may reasonably request. Franchisor may set off against and reduce the purchase price by all amounts Franchisee owes to Franchisor.

(03) All obligations of Franchisor and Franchisee which expressly or by their nature survive the expiration or termination of the Franchise including, but not limited to, the indemnification obligations described in Section 22, shall continue in full force and effect subsequent to the expiration or termination of this Agreement.

19.) TRANSFERABILITY OF INTEREST

(01) This Agreement and all rights hereunder may be assigned and transferred by Franchisor and, if so, shall be binding upon and benefit Franchisor's successors and assigns.

(02) No Franchisee, or owner (if Franchisee is an entity), without the prior written consent of Franchisor, by operation of law or otherwise, shall sell, assign, transfer, convey, give away, or encumber to any person, firm or entity, its interest in this Agreement or its interest in the Franchise granted hereby or its interest in any entity which owns any interest in the Franchise. Any purported assignment not having the necessary consent shall be null and void and shall constitute a material default hereunder.

(03) Franchisor shall not unreasonably withhold its consent to any assignment of less than one-half (1/2) of the beneficial interest in the Franchise or the Franchised Business, provided such transfer is not part of a series of transfers intended to evade this provision, and further provided:

- (a) The transferee shall enter into a Personal Guaranty, attached hereto as Schedule 1, assuming and/or guaranteeing all of Franchisee's obligations hereunder;
- (b) Any defaults under this Agreement on the part of Franchisee have been remedied; and
- (c) Franchisee and its Guarantors sign a Release in the form attached as Schedule 3 here;
- (d) Such other reasonable conditions as may be required by Franchisor in connection with the transfer or assignment have been satisfied.

(04) If an assignment, alone or together with other previous, simultaneous, or proposed assignments, would have the effect of transferring one-half (1/2) or more of the beneficial interest in the Franchise or the Franchised Business (or a substantial portion of the assets thereof), Franchisor shall provide its consent to the assignment only if all of the following conditions and requirements shall first be satisfied:

- (a) The transferee shall be of good moral character and reputation and shall have a good credit rating, financial capabilities and competent business qualifications reasonably acceptable to Franchisor. Franchisee shall provide Franchisor with the information it may reasonably require to make a determination concerning the proposed transferee;
- (b) The transferee, including all shareholders or partners of the transferee, shall jointly and severally sign a written assignment, in a form satisfactory to Franchisor,

assuming all of Franchisee's obligations under this Agreement for the remainder of its term or, at Franchisor's option, signs Franchisor's then-current standard form of franchise agreement (which will provide for the same Royalty Fee and advertising fees for a term equal to the remaining term of this Agreement, although such agreement may provide other rights and obligations from those provided in this Agreement);

- (c) Franchisee shall have fully paid and satisfied all of Franchisee's obligations to Franchisor and Franchisee shall fully pay to Franchisor a transfer fee of \$5,000;
- (d) If the transferee is an entity, all the owners of the transferee shall enter into a Personal Guaranty attached hereto as Schedule 1, jointly and severally guaranteeing the full payment and performance of the transferee's obligations to Franchisor and agreeing to be personally bound by all covenants and restrictions imposed upon the transferee under the terms of this Agreement;
- (e) If the assignment or transfer is caused by the death or incapacity of Franchisee (or in the case of an entity, by the death or incapacity of one controlling more than one-half (1/2) or more of the voting interest of Franchisee), the provisions of this subsection (04) must be met with regard to the heir or personal representative of Franchisee succeeding to Franchisee's interest hereunder; provided, however, if the heir or personal representative assigns, transfers or sells its interest in the Franchise within ninety (90) days after the death or incapacity of Franchisee, the person to whom the interest is assigned, transferred or sold, and not Franchisee's heir or personal representative, must comply with the provisions of this subsection (04) as transferee; and
- (f) Franchisee and its Guarantors sign a Release in the form attached as Schedule 3 here.

In addition, the assignee or a designated representative of the assignee approved by Franchisor to manage the Franchised Business must satisfactorily complete Franchisor's orientation program before the assignee may assume responsibility for the operation of the Franchised Business.

20.) RIGHT OF FIRST REFUSAL

If, at any time during the term hereof, Franchisee receives a bona fide offer to purchase the Franchised Business, which offer Franchisee is willing to accept, Franchisee shall communicate in writing to Franchisor the full terms of the offer and the name of the offeror. Franchisor may elect to purchase the business on the terms set forth in the offer. If Franchisor elects to purchase the business, it shall give Franchisee written notice of the election within thirty (30) days after Franchisor receives Franchisee's communication of the offer. If Franchisor fails to give written notice of election within thirty (30) days, Franchisee may sell to the offeror on the terms offered, subject to the provisions relating to assignment. The sale must, however, be completed within sixty (60) days of the termination of the thirty (30) day period during which Franchisor may give written notice of election to purchase; otherwise, an additional notice must be given to Franchisor and an additional option period must expire prior to any such transfer. In the event Franchisor elects to purchase the business, it shall have the right to substitute equivalent cash for any noncash consideration included in the bona fide offer to purchase the business and Franchisor and Franchisee will use their best efforts to complete the purchase within sixty (60) days from the date of Franchisor's notice of election to purchase.

21.) ENFORCEMENT

(01) Franchisor shall have the right to enforce, by judicial process, its rights with respect to all disputes and claims relating to any provision hereof, to any specification, standard or operating procedure, or other obligation of Franchisor or to the breach thereof (including any claim that this Agreement, any provision thereof, any specification, standards or operating procedure, or any other obligation of Franchisee or Franchisor is illegal, unenforceable or voidable under any law, ordinance, or ruling). Franchisor shall be entitled, without bond, to the entry of temporary restraining orders, and temporary and permanent injunctions enforcing the aforementioned provisions. If Franchisor secures any such injunction, or any other judicial relief against Franchisee, Franchisee shall pay Franchisor an amount equal to the aggregate of Franchisor's costs of obtaining such relief, including reasonable attorney fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses.

(02) Franchisor and franchisee waive any and all rights to a trial by jury or to seek or obtain punitive damages in connection with any legal claim arising or relating to this agreement or the dealings of the parties ("Claims").

(03) Except as to Claims which must be submitted to arbitration, Franchisor and Franchisee each agree to submit to the exclusive venue and jurisdiction of the state and federal courts located nearest our corporate headquarters, presently in Matthews, North Carolina. However, if you are an Illinois resident or your franchise territory is located in Illinois, you agree to bring any Claims, if at all, solely in arbitration before the American Arbitration Association in the city or county where our corporate headquarters are located.

(04) Internal Dispute Resolution. Franchisee must first bring any Claim to Franchisor's CEO, after providing notice as set forth in Section 21(05) below. Franchisee must exhaust this internal dispute resolution procedure before bringing any Claim before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

(05) Mediation. Before you may bring any Claim against us in court, you agree to try for a period of 60 days to mediate such claim before a mutually agreed to mediator in the city or county where our headquarters are located. If we can not mutually agree on a mediator, you and we agree to use the mediation services of the American Arbitration Association ("AAA"), and split any AAA and mediator fees equally.

(06) Prior Notice of Claims. As a condition precedent to commencing an action for a Claim, Franchisee must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

(07) Class Action Waiver. Franchisee agrees that Franchisee shall bring any Claims, if at all, individually and not bring, join, or participate in a class action as to such Claims.

(08) Limitation of Action. Franchisee agrees to bring any Claims against Franchisor, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off.

(09) Third Party Beneficiaries. Our officers, directors, members, shareholders, agents, and employees are express third party beneficiaries of the provisions of this Agreement and the Enforcement provisions contained herein.

22.) INDEPENDENT CONTRACTORS/INDEMNIFICATION

(01) Franchisor and Franchisee are independent contractors. Neither Franchisor nor Franchisee will make any agreements, representations, or warranties in the name of or on behalf of the other or that their relationship is other than franchisor and franchisee. Neither Franchisor nor Franchisee will be obligated by or have any liability under any agreements, representations or warranties made by the other nor will Franchisor be obligated for any damages to any person or property directly or indirectly arising out of the operation of the Franchised Business whether caused by Franchisee's negligent or willful action or failure to act.

(02) Franchisee alone will be responsible for all loss or damage arising out of or relating to the operation of the Franchised Business or arising out of the acts or omissions of Franchisee or any of its agents, employees or contractors in connection with the preparation and sale of products by Franchisee, and for all claims for damage to property or for injury or death of any persons directly or indirectly resulting therefrom. Franchisee will indemnify Franchisor against and reimburse Franchisor for all obligations and damages arising out of the operation of the Franchised Business and including all costs reasonably incurred by Franchisor in the defense of any such claim brought against it or in any action in which it is named as a party, including reasonable attorney fees. Franchisor will have the right to defend any such claim against it. Franchisor will indemnify Franchisee against and reimburse Franchisee for any obligations or liability for damages attributable to agreements, representations or warranties of Franchisor, or caused by Franchisor's negligence or willful action, and for costs reasonably incurred by Franchisee in the defense of any such claim brought against it or in any action in which it is named as a party, provided that Franchisor will have the right to participate in and, to the extent Franchisor deems necessary, to control any litigation or proceeding which might result in liability of or expense to Franchisee subject to such indemnification. The indemnities and assumptions of liabilities and obligations described in this Agreement will continue in full force and effect subsequent to the expiration or termination of this Agreement.

23.) GOVERNING LAW/BINDING EFFECT/CONSTRUCTION/WAIVER/NOTICES

(01) Except as to claims governed by federal law, North Carolina law governs all claims that in any way relate to or arise out of this Agreement or any of the dealings of the parties ("Claims"). However, no laws regulating the sale of franchises or governing the relationship between franchisor and franchisee shall apply unless the jurisdictional requirements of such laws are met independently of this paragraph.

(02) The failure, neglect, or delay of either party to enforce or exercise its rights under any provision of this Agreement shall not constitute a waiver of its rights to enforce that provision later or to enforce other provisions.

(03) Any notices required to be given hereunder shall be given in writing by a method of delivery likely to be received at the last known addresses of Franchisor and Franchisee. Notice by mail shall be deemed received on the fourth business day following the date same was deposited in the mail.

(04) In the event of any default on the part of either party hereto, in addition to any other remedies of the aggrieved party, the party in default shall pay to the aggrieved party all amounts due and all damages, costs, and expenses, including reasonable attorneys' fees, incurred by the aggrieved party as a result of any such default.

(05) This Agreement, and the documents referred to herein, represent the entire agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersedes all prior agreements, and there are no representations, inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with reference to this Agreement or otherwise. Nothing in the Agreement is intended to disclaim the representations Franchisor made in the franchise disclosure

document that Franchisor furnished to Franchisee. No amendment, change, or variance from this Agreement shall be binding on either party unless executed in writing.

(06) Franchisor and Franchisee agree that if any provision of this Agreement is capable of two (2) constructions, one of which would render the provision illegal or otherwise voidable or unenforceable and the other of which would render the provision valid and enforceable, the provision shall have the meaning which renders it valid and enforceable. The language of all provisions of this Agreement shall be construed simply according to its fair meaning and not strictly against Franchisor or Franchisee.

IN WITNESS WHEREOF, Franchisor and Franchisee have executed this Agreement on the day and year first above written.

Sections 17(02) and 17(03) are deleted and in their place are substituted the following:

17(02) Termination by Us Without Right to Cure. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

(c) The franchisor and franchisee agree in writing to terminate the franchise;

(d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;

(h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;

(i) The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

(j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

17(03) Termination by Us with Opportunity to Cure. We may terminate this Agreement, after sending you notice and a 60 day opportunity to cure, for any other breach of this Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions that may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights signed by the franchisee shall not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

Interest accrual will be based on actual days elapsed in a year of 365 days.

Principal and interest are due and payable in _____ (____) consecutive monthly installments in the amount of _____ Dollars (\$ _____) each, payable on the first day of each month commencing with the first full calendar month that begins 90 days after the date the Note is signed, and continuing on the first day of each month thereafter until _____, 20____, when the entire unpaid principal balance and all accrued but unpaid interest under this Note will be immediately due and payable. Each monthly installment payment shall be applied first to accrued but unpaid interest and the remainder to principal.

This Note may be fully or partially prepaid at any time during the term of this Note without penalty or premium.

Default.

If default occurs in the payment of any amount due under this Note when due, or upon the occurrence of any “Event of Default,” as defined below, the entire principal balance and accrued but unpaid interest under this Note shall at once become due and payable, without notice, at the option of the Holder. Any delay or failure to exercise such option will not represent a waiver of the right to exercise it in the event of any subsequent default.

Maker waives presentment, dishonor, protest, demand, diligence, notice of protest, notice of demand, notice of dishonor, notice of nonpayment, and any other notice otherwise required by law in connection with the delivery, acceptance, performance, default, enforcement or collection of this Note and expressly agrees that this Note, or any payment hereunder, may be extended or subordinated at any time, without affecting the liability of Maker.

Security Interest.

“Obligations” means collectively every debt, liability and obligation of Maker to Holder of every type and nature, whether now existing or hereafter created or arising, which arise out of this Note. “Collateral” means collectively all inventory, equipment, and fixtures (including all additions and improvements to, replacements of, and substitutions for any of the foregoing). Maker grants to Holder a security interest (“Security Interest”) in the Collateral to secure the payment and

performance of the Obligations. The Security Interest continues in effect until the Obligations have been paid in full.

Representations, Warranties and Covenants.

Maker represents, warrants and agrees that:

- (a) **Title to Collateral.** Maker holds, or will hold at the time Maker acquires an interest in after-acquired Collateral, good and marketable title to the Collateral free of all security interests and encumbrances. Maker will keep the Collateral free of all security interests and encumbrances except for the Security Interest. Maker will defend Holder's rights in the Collateral against the claims and demands of all other persons.
- (b) **Perfection of Security Interest.** Maker will execute and deliver, and irrevocably appoints Holder (which appointment is coupled with an interest) Maker's attorney-in-fact to execute and deliver in Maker's name, all financing statements and other agreements which Holder may at any time reasonably request to secure, protect, perfect, collect or enforce the Security Interest.
- (c) **Collection Costs.** Maker will reimburse Holder on demand for all costs of collection of any of the Obligations and all other expenses Holder incurs in collecting or enforcing payment under this Note or perfecting, protecting, defending or enforcing the Security Interest, including all reasonable attorneys' fees Holder incurs, whether or not any litigation or bankruptcy or insolvency proceeding is commenced.

Events of Default.

Each of the following is an "Event of Default" under this Note: (a) Maker fails to pay any of the Obligations when due and any applicable grace period lapses without cure by Maker; (b) Maker fails to timely perform any other Obligation and any applicable grace period lapses without cure by Maker; (c) any representation made by Maker in this Note or in any financial statement or report submitted to Holder proves to have been materially false or misleading when made; (d) Maker ceases to conduct its business; (e) Maker is or becomes insolvent, however defined; (f) Maker voluntarily files, or has filed against it involuntarily, a petition under the United States Bankruptcy Code; (g) if Maker is an entity, Maker is dissolved or liquidated; (h) if Maker is an individual, Maker dies; and (i) Maker receives written notice of default under the Surface Specialists® Franchise Agreement to which Maker and Holder are parties.

Remedies Upon Event of Default.

If an Event of Default occurs and at any time thereafter, Holder may exercise one or more of the following rights and remedies: (a) declare any or all unmatured Obligations to be immediately due and payable without presentment or any other notice or demand and immediately enforce payment of any or all of the Obligations; (b) require Maker to make the Collateral available to Holder at a place to be designated by Holder; (c) exercise and enforce any rights or remedies available upon default to a secured party under the Uniform Commercial Code, and, if notice to Maker of the

intended disposition of Collateral or any other intended action is required by law, such notice shall be commercially reasonable if given at least ten calendar days prior to the intended disposition or other action; and (d) exercise and enforce any other rights or remedies available to Holder by law or agreement against the Collateral, Maker, or any other person or property. Holder's duty of care respecting Collateral in its possession will be fulfilled if Holder exercises reasonable care in physically safekeeping the Collateral or, in the case of Collateral in the possession of a bailee or other third person, exercises reasonable care in the selection of the bailee or other third person. Mere delay or failure to act will not preclude the exercise or enforcement of any of Holder's rights or remedies. All rights and remedies of Holder are cumulative and may be exercised singularly or concurrently, at Holder's option.

Miscellaneous

This Note may not be amended or modified except only by an instrument in writing signed by the party against whom enforcement of any amendment and modification is sought. This Note will be governed by and construed according to the laws of the State of North Carolina without regard to conflicts of laws principles.

1. Item 17.w. is modified to provide that Illinois law applies.

- Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. - The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes 80C.12, Subd. 1(g).

- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

NEW YORK ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the New York franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

The franchisor has represented that no portion of the initial franchise fee has been allocated to the trademark or intellectual property.

1. The following information is added to the cover page of the Franchise Disclosure Document:

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency, or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other

business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum,”** and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

NORTH DAKOTA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the North Dakota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Restrictive Covenants: To the extent that covenants not to compete apply to periods after the term of the franchise agreement, they are generally unenforceable under North Dakota law.

Applicable Laws: North Dakota law will govern the franchise agreement.

Jurisdiction and Venue: The provisions concerning choice of law and jurisdiction and venue are hereby deleted and in their place is substituted the following language:

“You agree to bring any claim against us, including our present and former employees, agents, and affiliates, which in any way relates to or arises out of this Agreement, or any of the dealings of the parties hereto, solely in arbitration before the American Arbitration Association.”

Waiver of Trial by Jury: Any waiver of a trial by jury will not apply to North Dakota Franchises.

Waiver of Exemplary & Punitive Damages: Any waiver of punitive damages will not apply to North Dakota Franchisees.

General Release: Any requirement that the franchisee sign a general release upon renewal of the franchise agreement does not apply to franchise agreements covered under North Dakota law.

Enforcement of Agreement: Any requirement in the Franchise Agreement that requires the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement is void. Instead, the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

Item 17(u) of the Disclosure Document is modified to provide that the site of mediation shall be agreeable to all parties and may not be remote from the franchisee's place of business.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**RHODE ISLAND ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the Rhode Island Franchise Investment Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Item 17.m. of the Disclosure Document is revised to provide:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act prohibits a franchisee to be restricted in choice of jurisdiction or venue. To the extent any such restriction is purported to be required by us, it is void with respect to all franchisees governed under the laws of Rhode Island.

Item 17.w. of the Disclosure Document is revised to provide:

Rhode Island law applies.

WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Washington Franchise Investment Protection Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

**WISCONSIN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17 is modified to also provide,

If the franchise agreement contains any provisions that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. That Law further provides that 90 days prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is cured, the notice is void.
