WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in California. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in California than in your own state.

Financial Condition. The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language of this Disclosure Document, "we," "us," or "our" refers to The Coder School San Francisco, LLC, the franchisor. "You" or "your" refers to the franchisee who enters into the CoderSchool franchise agreement or development agreement. The franchisee may be a person, corporation, partnership or limited liability company. If the franchisee is a corporation, partnership, limited liability company, or other entity, "you" and "your" do not include the principals of the corporation, partnership, limited liability company, or other entity unless otherwise stated.

We are a limited liability company, organized under the laws of California on March 3, 2015. We do not have a parent company. Our principal place of business is 299 California Ave, #115, Palo Alto, California 94306. We do business under the name "theCoderSchool," and under no other names. Our agents for service of process are listed in Exhibit B.

We have not offered franchises before and this is our first offering. Neither we, nor our affiliates have offered franchises in any other line of business. We do not engage, and have never engaged, in any business activities or any other line of business other than as described in this Disclosure Document. We have no predecessors.

We currently have no affiliates. We or our founder(s) own and operate the CoderSchool located at 299 California Ave, #115 Palo Alto, CA since 2014 and the CoderSchool located at 22 17th Ave, San Mateo CA 94402 since 2014. We began offering franchises in June 2015.

Description of the Franchised Business and the System

theCoderSchool businesses are schools that teach kids how to code (computer programming) in various languages including Scratch, Python, Javascript, HTML/CSS, Java and more, and on various platforms such as PixelPad, Trinket, CodePen and many others, with a focus on logical thinking and collaboration. The CoderSchool businesses primarily target kids between the ages of 7 and 18, with after school programs, online programs, private sessions, and summer camps. Schools will generally be located near residential areas and other traditional elementary, middle and high schools.

We grant franchises for the establishment and operation of the CoderSchool business (the "School") under a franchise agreement (the "Franchise Agreement"). The School is operated under the trade name "theCoderSchool" in the stylized format as shown in the initial page of this Disclosure Document. In order to become a theCoderSchool franchisee, you must operate your School in accordance with our standards and specifications, (the "System") for the operation of the CoderSchool businesses and participate in our initial and ongoing training provided prior to and after the opening of your School. The School will be operated in accordance with our confidential operating manual (the "Manual"), a copy of which will be loaned to you. You will also be provided with the right to use certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including the marks "theCoderSchool™" both in plain text and the stylized version; the phrase "*learn to code. change the world™*", and the CoderSchool logo, as well as additional logos and trademarks and phrases, as are now designated and may be designated by us in writing for use in connection with the System (collectively, the "Proprietary Marks").

We permit franchisees to offer services through remote learning methods, such as video meetings (“Remote Coaching”). We currently allow franchisees to offer Remote Coaching, subject to territorial restrictions.

Market and Competition. You will have potential competition with other national and local computer training schools and independent computer-coding teachers that provide coding training. Your ability to compete will depend upon such factors as consumer demand, location, and local economic conditions, as well as your motivation and management of the School, as well as your promotion and advertising efforts.

Industry Specific Laws and Regulations. Many states impose specific requirements regarding mandated reporting of child abuse or neglect on people who engage directly with children. You should check with your State and County agencies on whether any local law will make employees of your School mandated reporters or will impose any specific background checking or training obligations which may exceed our minimum requirements, or any local restrictions on facilities that teach children, such as any required licenses or permits, etc.

Your School will also be subject to federal, state, and local laws and regulations that are applicable to businesses generally, such as the Americans with Disabilities Act and the Occupational Safety and Health Act. Your School may also be subject to specific federal, state and local laws and regulations such as occupancy and zoning codes, or laws concerning facilities for children.

Except as otherwise described in the notes below, the above table provides an estimate of your initial investment for one theCoderSchool business and the costs necessary to begin operation of your School. All costs listed in the table are estimates only. All fees and payments described in this Item 7 are non-refundable, unless otherwise stated.

NOTES

Note 1. The initial franchise fee is not refundable. If you buy a second franchise your initial fee will be reduced to \$19,950. This reduced fee is not reflected in the above table.

Note 2: In certain states, we defer collection of the initial franchise fee. In those states, you will not be required to pay the initial franchise fee until (i) we have completed our pre-opening obligations under the Franchise Agreement and Disclosure Document, and (ii) your franchised business has opened to the public. As a result, this amount is not included in the initial cash outlay required prior to opening.

Note 3. If you lease the premises for the School, you may need to pay one month's rent plus security deposit. The estimates given are based on a sampling of our schools. Your lease must contain certain provisions as required under the Franchise Agreement. This estimate is for your first month's rent and security deposit only, and additional rent is in the Additional Funds section.

Note 4. You may need to renovate or construct theCoderSchool according to our standards and specifications. The estimate in the table includes the costs of construction and fixtures and assumes that basic plumbing, electricity, and heat or air conditioning exists on the premises. Many times Landlords give Tenant Improvement allowance.

Note 5. The estimate includes the costs of basic furniture that complies with our standards and specifications as well as artwork, lighting, paint, wall coverings, and other decorative items.

Note 6. This estimate reflects the cost of purchasing the basic equipment necessary to operate your School and incidental office equipment. This estimate includes 14 Computer set-ups with 22" monitors (desktops); a big screen TV (55+ inches) and an iPad mini for checking in.

Note 7. All signage must be approved by us; and we will provide specifications for approved signage. The figures in the chart reflect the estimated cost of interior and exterior signage and other signage that meet our standards, specifications and requirements. However, the cost of signs depends on the choice of sign (e.g. a Halo lit sign will be more costly), the size and location of your School, the particular requirements of the landlord, and local and state ordinances and zoning requirements.

Note 8. You must purchase supplies for the School. This estimate includes the costs of cleaning products and supplies, basic office supplies, and computer supplies.

Note 9. The minimum amount shown reflects our current training practices. At this time, we conduct all initial training programs remotely via videoconference and do not require franchisees to attend in person training. As a result, franchisees are not required to incur travel, lodging, or meal expenses to attend initial training. If we require in-person training in the future, franchisees may be required to incur such expenses.

Note 10. Initial, grand opening advertising, marketing, and promotional expenses.

Note 11. This estimate includes the initial costs of your computer software as identified in Item 11.

Note 12. Before the opening of your School, you must obtain all necessary government approvals, building permits, certificates of occupancy and certificates of health. The estimate also includes personal legal fees estimated for reviewing documents, entity formation expense, etc.

Note 13. Before you open your School, you must purchase business liability, hazard, and employment insurance coverage required by the Franchise Agreement and Operations Manual. Our current requirements as of the date of this FDD are: commercial general liability (\$1,000,000 per occurrence/\$2,000,000 aggregate); property and casualty (\$25,000); workers compensation (the amount required by your state), and, if you choose to have a company car, auto insurance in an amount of your choosing. We strongly recommend at least \$100,000 of sexual abuse/molestation insurance and employment practices liability, and some coverage for business interruption, but these are not currently mandatory. The cost of the business insurance coverage may vary from state to state. We recommend but do not require you to obtain sexual abuse & molestation and employment practices liability insurance coverage, the premiums for which are not included in this estimate.

Note 14. The estimates in the chart, including this Additional Funds estimate, are based on the actual opening operating costs of our three company-owned theCoderSchool businesses and have been further refined by the expenses incurred by our franchisees, as reported to us through the date of preparation of this disclosure document. We estimate the monies described in the chart will be necessary during the first 3 months that your School is open and operating.

Note 15. The figures in this table are estimates of the total investment in setting up a new theCoderSchool facility and operating it for 3 months. It is also possible you may experience lower costs due to a variety of individual factors. Some costs are dependent on the size of the location. You should review these figures carefully with a business advisor in your area before deciding to purchase a theCoderSchool franchise.

Note 16: Franchisor does not finance any portion of the initial investment. Therefore, no financing is offered and there are no applicable terms, including amount financed, down payment, interest rate, or estimated loan repayments. See Item 10 for additional information.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To ensure that the highest degree of quality and service is maintained, you must operate the School in strict conformity with the methods, standards and specifications as we may periodically prescribe in the Manual or otherwise in writing; and you must refrain from deviating from these methods, standards and specifications without our prior written consent. We may revise the contents of the Manual, and you must comply with each new or changed standard and specification. The most recent copies of the manual will be online, you must use the latest version at all times.

You must purchase and install, at your expense, all fixtures, furnishings, equipment, décor, and signs as we may reasonably direct periodically; and refrain from installing or permitting to be installed on or about the premises of your School, without our prior written consent, any fixtures, furnishings, equipment, décor, signs or other items not previously approved as meeting our standards and specifications.

You are required to purchase 10 desktop computer stations with monitor screens of at least 24 inches, one television with a screen of 55+ inches, two general purpose computers for administration and an iPad mini (or equivalent) for check in. You will also need the following software: Pike13 for billing and scheduling; Zoho for email; and a Google account. We currently permit franchisees to offer remote coaching services and recommend that you obtain one license to use Zoom for these purposes.

Neither the Franchisor, nor the affiliate are approved suppliers of any required equipment, computer software, furnishings or signs, or any other items that you will acquire for your School.

You are required to purchase business liability, hazard, and employment insurance coverage at the minimum amounts listed in the Start Up Manual of the Operations Manuals. Our current requirements as of the date of this FDD are: commercial general liability (\$1,000,000 per occurrence/\$2,000,000 aggregate); property and casualty (\$25,000); workers compensation (the amount required by your state), and, if you choose to have a company car, auto insurance in an amount of your choosing. We strongly recommend at least \$100,000 of sexual abuse/molestation insurance and employment practices liability, and some coverage of business interruption, but these are not currently mandatory.

There are no approved suppliers in which an officer owns an interest. The estimated percentage of these required purchases and leases by you is approximately 19% to 71% the total costs by you needed in establishing and operating the franchised business.

We do not have restrictions on suppliers. You are free to choose your own supplier, or use one recommended by us. We have no revenues from required purchases and leases by franchisees of required goods and services.

We reserve the right to receive rebates or other discounts from certain suppliers for purchases made by you and other franchisees. We did not receive any payments from suppliers in 2025. We do not provide any direct material benefit to franchisees for use of approved suppliers, and you will not receive any direct material benefit for using designated or approved sources. We may negotiate purchase arrangements with suppliers (including price terms) for

the benefit of our franchisees.

We do not have a purchasing or distribution cooperative related to our franchises.

Advertising Programs

Advertising. Beginning 30 days before the grand opening of the School, and within 30 days after the grand opening, you must conduct a grand opening and engage initial local advertising, marketing, and promotional efforts, which we will assist in providing guidelines and examples (Franchise Agreement, Section 12.1). Depending on your location, and your choices of advertising, your grand opening will cost between \$1,000 and \$10,000. We recommend, but do not require you have a regular local advertising budget of up to 3% of your revenue and engage in continuous advertising and promotional efforts. We require you to participate in community-based marketing activities such as auction donations, tables at fairs, flyers to local businesses, or other similar efforts on a frequent basis. We may run limited discount specials or coupons, in which you may be required to participate.

All advertising and promotion by you must be in a format as we may approve, including television, print media, radio, and local promotional events, must be conducted in a dignified manner, and must conform to standards and requirements as we may specify. You must submit to us for our prior approval samples of all advertising and promotional plans and materials that you create for any print, broadcast, cable, electronic, computer or other media (including the Internet) that you wish to use so we can ensure consistent branding. You must not use these plans or materials until they have been approved in writing by us.

We may make available to you periodically, approved advertising and promotional materials, including merchandising materials, and materials for special promotions (Franchise Agreement, Section 12.5).

You must list and advertise your School on all major internet search engines (for example, Google, Bing) as described in the Manual and in several recommended online directories (for example, Yelp and Facebook).

Brand Fund. We collect a monthly fee of 1% of your Net Sales for the preceding month as a contribution to the Brand Fund. Your contribution to the Brand Fund is in addition to any local expenditures on Net advertising as described above (Franchise Agreement, Section 12.3). theCoderSchool businesses owned and operated by us or our affiliates, and early franchisees who received the same discount, will contribute a maximum of 0.5% to the Brand Fund. If we charge a lower percentage, we may increase it up to a maximum of two percent (2%) of Net Sales on 30 days' prior written notice.

We and our designees will have the sole authority to direct all advertising, marketing, and promotional programs of the Brand Fund and will have sole discretion over all aspects of those programs, including the concepts, materials, and media used and the placement and allocation of them (Franchise Agreement, Section 12.4.1). The Brand Fund will be used, in our discretion, to pay for developing and conducting activities that we believe will enhance the goodwill associated with the Proprietary Marks and the image of the System and to pay for the administration of the Brand Fund and its programs. Up to 15% of the total Brand Fund annually may be used to cover our or our designee's costs and overhead for activities reasonably related to the administration of the Brand Fund, including costs and salaries of our or our designee's personnel who perform services for the Brand Fund. The Brand Fund's activities and programs may include, among other things, any activities that we believe will enhance the image of the System, such as Search Engine

Optimization efforts, preparing and conducting radio, television, print, or Internet-based advertising campaigns; marketing and promoting theCoderSchool utilizing social and business networking media sites and other emerging media or promotional tactics; marketing surveys; employing advertising and/or public relations agencies; purchasing promotional items; providing promotional and other marketing materials and services to the businesses operating under the System; and to a lesser extent, no more than 10%, for advertising for the sale of franchises (Franchise Agreement, Section 12.4.2). Brand Fund contributions will be used primarily for advertising on the national level as well as for costs associated with promoting theCoderSchool in general, and not for any specific geographic territory.

During our most recent fiscal year, we collected \$170,520.98 for the Brand Fund. We spent a total of \$195,723.87, allocated approximately as follows: 93% on digital advertising, 4% on social media advertising, 3% on search engine optimization, and 1% on other marketing initiatives. The amount spent exceeded the amount collected during the fiscal year by \$25,202.89. This excess was funded from amounts carried forward from prior years and other funds we made available. We have no obligation to contribute additional funds to the Brand Fund.

We may conduct advertising through third party advertising agencies as well as in-house marketing personnel. We are not obligated, in administering the Brand Fund, to make expenditures for you which are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or on a pro rata basis from expenditures or activities of the Brand Fund.

Except as indicated above, we do not receive payment for providing goods or services to the Brand Fund. We will maintain separate bookkeeping accounts for the Brand Fund and may, but will not be required to cause Brand Fund contributions to be deposited into one or more separate bank accounts. The Brand Fund is not a trust, and we are not a fiduciary or trustee of the Brand Fund or the monies in the Brand Fund. However, we may, in our discretion in the future, separately incorporate the Brand Fund or create a Brand Fund trust, over which we may be the trustee, into which Brand Fund contributions may be deposited (Franchise Agreement, Section 12.4.3).

It is anticipated that all contributions to the Brand Fund will be expended for their intended purposes during the fiscal year in which contributions are made. To the extent any contributions are not expended by the end of the fiscal year, they will be expended no later than the end of the taxable year following the year of receipt (Franchise Agreement, Section 12.4.4). Although we intend that the Brand Fund will be of perpetual duration, we maintain the right to terminate the Brand Fund. The Brand Fund may not be terminated, however, until all monies in the Brand Fund have been expended for advertising and/or promotional purposes or returned to contributors on the basis of their respective contributions (Franchise Agreement, Section 12.4.5). The Brand Fund will not be audited. You will have the right to an annual accounting of the Brand Fund's receipts and expenditures upon your written request.

We have no advertising councils. We also have no advertising cooperatives. Although you are not prohibited from forming a cooperative voluntarily, we will not require you to join one.

Website. We maintain a website at www.theCoderSchool.com ("Franchisor's Website"). We require you to pay us a monthly software fee in an amount as we determine from time to time (\$99/month) for the hosting of theCoderSchool on Franchisor's Website, lead management

software, email management software, and other technologies provided to you at our cost. Software fees may change over time as our costs increase, or replacement software is advised. To ensure brand consistency, unless otherwise approved by us in writing, you may not own, establish, or maintain your own individual Website in connection with your theCoderSchool business. (Franchise Agreement Section 4.4). You must comply with our social media policies and only engage in those social medial promotion activity as we approve. (Franchise Agreement Section 8.10).

Computer System

We do not require specific computer systems only general configurations as part of the Equipment. You must have at least 10 desktop computer stations with monitor screens of at least 24 inches. You must have a high speed internet connection. You must have a big screen TV 55+ inches, 2 general purpose computers for administration (one for front desk and one for the manager) and an iPad mini (or equivalent) for check in. The cost of the Equipment is \$7,000-\$10,000.

You also need the following software to operate the business: Pike13 for billing and scheduling, which you must pay for at approximately \$180 per month to the third party vendor; we also require use of a lead tracking tool called LMS for lead management, which we provide you. We also utilize Google Drive (a free document sharing platform) for sharing curriculums and sample projects. We reserve the right in the future to require a different, secure platform, which may have a monthly and/or annual expense. We also reserve the right to require additional software for theCoderSchool as we deem necessary as the programs change, or services are added etc., and such additional software may carry a monthly and/or annual expense to 3rd party vendors we deem are approved suppliers, or to us for other approved vendors we utilize as pass through software providers (Franchise Agreement, Section 8); we do not require an electronic cash register or other computer systems, other than the software indicated. We may have independent access to data that is electronically collected, which may consist of your customer information and classes, sessions, camps sold. There are no contractual restrictions on our right to access the information in your operational systems. We may share your School's numbers with other franchisees and may share other franchisee's School's numbers with you, with or without identifying information.

You must keep your computer stations in good maintenance and repair and install all additions, changes, modifications, substitutions, and/or replacements, upgrades as needed, or as we may reasonably direct in writing, at your own expense (Franchise Agreement, Section 7.4).

In our experience, you will not incur ongoing maintenance costs to keep your computer systems working, and we do not require you to pay any maintenance fees or subscribe to any support services, other than the fees to license required software and the Pike13 fee of approximately \$180/month listed above. While we may provide support, neither we nor any affiliate or third party is required to provide maintenance, repairs, or updates to the computer system.

We will train you on the software and assist you with operational issues as we have used in our experience, however we are not the software manufacturer and do not make, guarantee or warranty the software whatsoever. If operational difficulties occur or persist beyond our reasonable assistance we will refer you to the manufacturer.

Site Selection

You must operate the School only at the location approved by us ("Approved Location"). If you have an Approved Location at the time you sign the Franchise Agreement, you must begin operation of the School within 90 days after the date of the Franchise Agreement, unless unforeseen permit or construction issues arise (Franchise Agreement, Section 5.4).

If you do not have an Approved Location when you sign the Franchise Agreement, you must obtain our approval of a proposed site within 60 days of the date of the Franchise Agreement (Franchise Agreement, Section 5.1). Because the Territory will be an approximately 5 mile radius around the CoderSchool location (See Item 12) if a proposed location will impact a neighboring franchisee whereby there is not at least 5 miles between a neighboring franchisee location and what would be your Territory boundary, we may deny the proposed location which will be considered a reasonable denial. You must sign a lease for the Approved Location within 120 days after signing the Franchise Agreement, barring unforeseen reasonable circumstances. We have the right to approve the terms of any lease or sublease for the Approved Location (Franchise Agreement, Section 5.1). When we review a proposed site, we will consider such factors as zoning and approval from appropriate agencies, proximity to areas not appropriate for children, area demographics, size, layout, and proximity to other competitor businesses. If we and you cannot agree on a proposed site within 180 days of your signing the Franchise Agreement, then we can terminate your Franchise Agreement. You may request a reasonable extension if delays are caused by factors not in your control. In no circumstance will your franchise fee be refunded. We use the same criteria when approving a request to relocate.

The typical length of time between signing the Franchise Agreement and opening the CoderSchool business is 2-5 months. The factors that affect this time are your ability to obtain a location; financing; building permits; approvals required under zoning and local ordinances; your ability to complete the initial required training course to our satisfaction; delayed construction or installation of equipment, fixtures, and signage; delays by the leaseholder in delivering the property; delays caused by weather and natural disasters; and unforeseen delays in the bid process. You must begin operation of the School within 180 days after the date of the Franchise Agreement or we can terminate your Franchise Agreement (Franchise Agreement, Section 5.4). You may request a reasonable extension if delays are caused by factors not in your control. In no circumstance will your franchise fee be refunded.

Manual

You must operate the School in accordance with the standards, methods, policies, and procedures specified in the Manual that we loan to you or make available to you. We may revise the contents of the Manual, and you must comply with each new or changed standard. You must ensure that your copy of the Manual is kept current at all times (Franchise Agreement, Section 9). The Table of Contents of the Manual is attached to this Disclosure Document as Exhibit C. The Manual is 218 pages long.

Training Programs

Before the opening of the School, you and your approved Manager must successfully complete the Initial Training (Franchise Agreement, Section 6). The total training course consists

of 12 hours of training plus weekly calls approximating 1 hour starting 1-3 months before opening, and continuing until at least 4 weeks after opening. Instructional materials for the initial training program consist of the Manual, print material, and other information to be distributed and/or available electronically. The number of training programs given per year will be dependent on the number of new franchisees; each franchisee will have a personal training program.

The Initial Training will be conducted by, or under the supervision of, Jackson Hansel Lynn and Wayne Teng (See Item 2 for biographical descriptions), and other individuals or franchisees, as we may designate from time to time for specific subject training. Mr. Lynn and Mr. Teng have been in the training supervising capacity since our inception, and have been the owners and operators of several Coder Schools since at least 2014. You and all of your employees who attend the Initial Training, or who are designated by us periodically, must attend additional courses, seminars and other training programs as we may reasonably require periodically (Franchise Agreement, Section 6). At present, we have no such additional required courses or programs.

The Initial Training program described in this Item 11 will be held virtually.

TRAINING PROGRAM

SUBJECT	HOURS OF CLASSROOM TRAINING	HOURS OF ON THE JOB TRAINING	TRAINING LOCATION
Startup Training	4	0	Remote
Overview, Operations and Programs	8	0	Remote
Post Opening Training	0	8-24	Remote
Totals	12	8-24	

The length of training varies depending on your questions, needs, prior knowledge and experiences, and issues that arise near your opening. You must participate in all calls, and complete the training to our satisfaction. If you are unable to complete the Initial Training to our satisfaction, we will permit you to retake it one time; if you are still unable to complete it to our satisfaction, we have the right to terminate the Franchise Agreement and would not owe you a refund of any fees paid to us.

ITEM 12 TERRITORY

Except as provided below, you will be granted a protected territory, described as that area within which we will not establish or operate, or license any other person to establish or operate, another theCoderSchool business under the System and the Proprietary Marks at any location, ("Territory"). The specific Territory will be an approximate 5 mile radius around the theCoderSchool location once a location has been approved; however if a proposed location will impact a neighboring franchisee whereby there is not at least 5 miles between a neighboring franchisee location and your proposed location, we will deny the proposed location unless the other franchisee consents; similarly if a 5 mile radius around the proposed location substantially overlaps another franchisee's territory, we may also deny the proposed location, or otherwise adjust the boundaries of your territory with your consent. There may be some overlapping boundaries of franchisees, and we may approve another franchisee's location whose territory overlaps with yours

by no more than 25% of the radius, which will not be considered encroachment nor a breach of contract, nor will we need your consent for such territory to another franchisee. However, in no event will there be 2 franchisees located less than 5 miles apart without both franchisees' express consent. Unless you are in default of your Franchise agreement, we cannot modify your territorial rights during the term of the Franchise Agreement, but we can modify your Territory upon renewal. Your territorial boundaries do not depend on the achievement of any specific sales volume, market penetration, or similar conditions. However you must remain in compliance of the Franchise Agreement.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Regardless of either proximity to your Territory or your School, or any actual or threatened impact on sales of your School, we retain the right, among others, to: (a) use the Proprietary Marks and System in connection with establishing and operating theCoderSchool businesses at any location outside the Territory; (b) use the Proprietary Marks or other marks in connection with selling or distributing any goods (including branded merchandise) or services anywhere in the world (including within the Territory), whether or not you also offer them; (c) acquire, establish or operate, without using the Proprietary Marks, any business of any kind at any location anywhere in the world (including within the Territory); (d) use the Proprietary Marks in connection with soliciting or directing advertising or promotional materials to customers anywhere in the world (including within the Territory); and (e) acquire, merge with, or affiliate with, and then own and operate, and franchise or license others to own and operate, any business of any kind, or company-owned or franchised system of businesses of any kind, including any business or system that offers products or services the same as or similar to those offered by you under the System and Proprietary Marks, regardless of any other provision of the Franchise Agreement.

You may not establish more than one theCoderSchool business in your Territory without entering into a separate Franchise Agreement. We do not grant under this disclosure document any option, right of first refusal, or similar right to acquire additional franchises.

If you relocate your theCoderSchool business, your Territory may need to be re-established once we approve a new site. We will use the same criteria for approval of a relocation site, as we use for approval of the original site (See Site Selection in Item 11 above). We do not charge a relocation fee.

While we do not allow explicit solicitation of sales specifically targeting another theCoderSchool location's territory, we and our affiliates or other franchisees may use broad based marketing such as print or broadly targeted internet which may partially encroach upon your location's territory.

You are not restricted from accepting customers outside of your Territory, but we encourage you to develop your own Territory. You are not restricted from soliciting customers outside of your Territory, except that you are not permitted to solicit in another franchisee's Territory. Neither we nor other franchisees will have to compensate you for soliciting or accepting orders from inside your Territory. You are permitted to use channels of distribution including internet, catalog sales, telemarketing and direct marking, so long as you are only selling approved

services and you comply with all applicable laws, including those which restrict sending emails, text messages or sales calls without permission of the consumer.

We currently permit our franchisees to offer their services through remote learning methods such as video meetings (“Remote Coaching”). We may modify, suspend, or discontinue Remote Coaching at any time in our discretion.

If Remote Coaching is permitted at the time that your School is ready to open, you will be permitted to offer Remote Coaching subject to our then-current standards and policies. You are only permitted to solicit leads for Remote Coaching within 20 miles of your School, and not in any other franchisee’s protected territory. You may accept unsolicited leads as customers from anywhere in the country, but you are required to refer any leads who live closer to another theCoderSchool location to their closest School. If the lead ultimately decides to enroll in your School, you are permitted to accept that lead.

We do not currently operate, franchise, or have present plans to operate or franchise a business under a different trademark that sells goods and services similar to those being offered at the School.

ITEM 13 TRADEMARKS

You will be granted the right, and undertake the obligation, under the terms of the Franchise Agreement, to establish and operate theCoderSchool business under the Proprietary Marks and the System, including the mark "theCoderSchool" in stylized form and other trademarks, trade names, and service marks and logos, detailed below, and as we may in the future create and designate as part of the System.

The following trademarks are registered on the Principal Register of the U.S. Patent and Trademark Office ("USPTO"), and all required maintenance filings have been made:

Mark	Serial Number or Registration Number	Application Date	Registration Date	International Class(es)
	4841478	4-18-15	10-27-15	041
THE CODER SCHOOL	4848331	6-10-15	11-3-15	041
LEARN TO CODE. CHANGE THE WORLD.	4831183	3-3-15	10-13-15	041

We are not aware of any currently operating businesses that use a logo identical or confusingly similar to the power button logo incorporated into our Coderschool name (replacing the first “o” in “school”).

In the past, we were aware of one establishment in Lexington, Massachusetts, known as EMPOW Studios, that used a similar logo. We entered into a settlement agreement concerning the parties’ respective use of the logo, pursuant to which neither we nor our franchisees used the power button logo as a standalone logo after August 1, 2017. Based on our current information, EMPOW Studios no longer appears to be in operation, and the federal trademark application covering its logo has been cancelled. The settlement agreement remains available upon request.

Coder School San Francisco, LLC owns the Proprietary Marks, including the marks listed in the table above. There are no other agreements currently in effect that significantly limit our rights to use or license the use of the Proprietary Marks in any manner material to the franchise.

All required affidavits pertaining to these registrations have been filed. There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, nor any pending infringement, opposition, or cancellation proceedings involving the Proprietary Marks. There are no pending material federal or state court litigation regarding our use or ownership rights in any of the Proprietary Marks.

We are not aware of any infringing uses that could materially affect your use of ownership rights in the Proprietary Marks or our rights in the Proprietary Marks in any state.

You must promptly notify us of any suspected unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to our ownership of, right to use and to license others to use, or your right to use, the Proprietary Marks. We have the sole right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlements. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Proprietary Marks. We will defend you against any third-party claim, suit, or demand arising out of your use of the Proprietary Marks. If we, in our sole discretion, determine that you have used the Proprietary Marks in accordance with the Franchise Agreement, we will bear the cost of your defense, including the cost of any judgment or settlement. If we, in our sole discretion, determine that you have not used the Proprietary Marks in accordance with the Franchise Agreement, you must bear the cost of your defense, including the cost of any judgment or settlement. In the event of any litigation relating to your use of the Proprietary Marks, you must sign all documents and do all acts as may, in our opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that the litigation is the result of your use of the Proprietary Marks in a manner inconsistent with the terms of the Franchise Agreement, we will reimburse you for your out-of-pocket costs.

We reserve the right, at our sole discretion, to modify, add to, or discontinue use of the Proprietary Marks, or to substitute different proprietary marks for use in identifying the System and the businesses operating under these marks. You must comply with any changes, revisions and/or substitutions at your sole cost and expense. We will provide to you, at no cost, templates for new stationary and advertising materials.

ITEM 14

PATENTS, COPYRIGHTS AND OTHER PROPRIETARY INFORMATION

Patents and Copyrights

We do not own any right in, or to, any patents or registered copyrights that are material to the franchise.

Confidential Operating Manual

In order to protect our reputation and goodwill and to maintain high standards of operation under the System, you must operate your School in accordance with the standards, methods, policies, and procedures specified in the Manual. Upon your completion of our initial training program to our satisfaction, we will make the Manual available to you electronically, for the term of your Franchise Agreement. We will also make available our Operations Package, known as our "Ops Pack", which contains templates, documents, creatives and other proprietary materials required for your operation.

You must treat the Manual, our Ops Pack, any other manual created for or approved for use in the operation of the School, and the information contained in the Manual, as confidential, and you must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record, or otherwise reproduce these materials, in whole or in part, or otherwise make the same available to any unauthorized person. The Manual will remain our sole property.

We may revise the contents of the Manual at any time, and you must comply with each new or changed standard. You must ensure that the Manual is kept current at all times. In the event of any dispute as to the contents of the Manual, the terms of the master copy maintained by us online will be controlling.

Confidential Information

You must not, during the term of the Franchise Agreement or after its term, communicate, divulge, or use for the benefit of any other person, partnership, association, limited liability company or corporation any confidential information, knowledge, or know-how concerning the methods of operation of the business franchised under the Franchise Agreement, including, the Manual, our Ops Pack, curricula, customer lists and information, and teaching methods and materials, including both paper and electronic spreadsheets, or advertising which may be communicated to you or of which you may be apprised by virtue of your operation under the terms of the Franchise Agreement. You may divulge confidential information only to those of your employees who must have access to it in order to operate the School. Any and all information, knowledge, know-how, techniques, and other data, which we designate as confidential will be deemed confidential for purposes of the Franchise Agreement.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE
FRANCHISED BUSINESS

During the term of your Franchise Agreement, you (or, if you are a corporation, partnership or limited liability company, at least one of your owners), and/or an approved Manager, must devote full time and best efforts to the management and operation of the School. This individual must take an active role in the operation of the School and be on the premises operating the School during peak hours of operation. You and your Manager must all attend and successfully complete our initial training program as described in Item 11.

The School must at all times be under the direct, on-premises supervision of an individual who has successfully completed the initial training program required under the Franchise Agreement or as otherwise specified by us in writing. The onsite supervisor or manager need not have an equity interest in any corporate franchisee. You must maintain a competent, conscientious, trained staff, who has successfully completed the initial training program and any additional training as we may specify in writing. You must take those steps as are necessary to ensure that your employees preserve good customer relations; render competent, prompt, courteous and knowledgeable service; and meet our minimum standards, including attire as we reasonably require; as we may establish periodically in the Manual. You must conduct a reasonable background check of all employees before hiring at your cost. You and your employees must handle all customer complaints, refunds, returns and other adjustments in a manner that will not detract from our name and goodwill. You will be solely responsible for all employment decisions and functions of the School, including those related to hiring, firing, training, wage and hour requirements, record-keeping, supervision, and discipline of employees.

At our request, you must obtain and furnish to us signed confidentiality and non-competition agreements (attached as Exhibit G to the Franchise Agreement) from your Manager and other personnel having access to our confidential information by virtue of their relationship with you. All owners of the Franchisee must personally guarantee all of the obligations of the Franchisee under the Franchise Agreement by signing the form attached as Exhibit E to the Franchise Agreement. Spouses of owners are not required to sign the guaranty unless they are also Franchisees in their individual capacity.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must (1) sell or offer for sale only those products, merchandise, and services as we have expressly approved for sale in writing; (2) sell or offer for sale all types of products, merchandise, and services we specify; (3) refrain from any deviation from our standards and specifications without our prior written consent; and (4) discontinue selling and offering for sale any products, merchandise, and services which we may, in our discretion, disapprove in writing at any time. All services offered at the School must meet our then-current standards and specifications, as established in the Manual or otherwise in writing. The Franchise Agreement does not limit our right to make changes in the types of authorized products, merchandise, and services.

PUBLIC FIGURES**

We do not use any public figures to promote our franchises.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We disclose historical Gross Revenue information about our franchisee-owned Schools as follows:

Tables 1 and 2 show franchised unit data. Table 1 provides information about the 2025 Gross Revenue (as defined below) and Table 2 shows student enrollment counts.

Tables 3 and 4 show company-owned unit data. Table 3 provides information about the 2025 Gross Revenue (as defined below) and Table 4 shows student enrollment counts.

“Gross Revenue” means the total revenue generated from the sale of all products and services at or from the School during the applicable reporting period, excluding customer refunds and sales tax, and before deducting operating expenses, royalties, marketing fees, or other costs. Gross Revenue does not include the sale of products or services for which refunds have been made in good faith to customers, the sale of equipment or furnishings used in the operation of the School, or any sales taxes or other taxes you collect from customers and pay directly to the appropriate taxing authority. We have relied on the Gross Revenue information submitted to us by franchisees.

Note 1: The franchised school data reflected in Tables 1 and 2 includes only those franchised schools that had been open and operating for more than one year as of the end of the applicable fiscal year. Accordingly, the following franchised schools are excluded from these tables because they had not yet commenced operations or had been open for less than one year: Branford, Tempe, Walnut, and Wexford. In addition, one school in Cupertino transitioned from a company-owned location to a franchised school during the applicable period and is not included in these tables.

Some Schools have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, theCoderSchool does not make any financial performance representations. We also do not authorize our employees or

representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jackson Hansel Lynn, 299 California Ave, Ste #115, Palo Alto, California 94306, and 650-488-3388, the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
The Coder School San Francisco, LLC.**

Opinion

We have audited the financial statements of The Coder School San Francisco, LLC., which comprises the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, and changes in shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of The Coder School San Francisco, LLC. as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Coder School San Francisco, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Coder School LLC.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

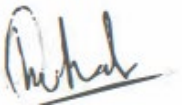

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Coder School LLC.'s internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Coder School LLC.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE CODER SCHOOL SAN FRANCISCO, LLC.
NOTES TO FINANCIAL STATEMENTS

1. THE COMPANY

The Coder School San Francisco, LLC. ("TCSSF" or the "Company") was organized on March 3, 2015 under the laws of the State of California. The fiscal year of the Company is December 31. TCSSF's principal business activity is the operation of premium-branded, after-school, dedicated-location, project-based programs that teach children to use programming languages. The Company franchises schools to independent operators.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates-The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk-Financial instruments that potentially subject the Company to a significant concentration of credit risk included cash, accounts receivable, royalties receivable, revenue, and vendor concentrations. At times, the Company maintains deposits in federally insured financial institutions in excess of federally insured limits. Management monitors the credit rating and concentration of risk with these financial institutions on a continuing basis to mitigate risk.

Financial Instruments-The carrying amounts of cash approximate fair value as of December 31, 2025, due to the short-term nature of the instruments.

Cash and Cash Equivalents-For purposes of the statement of cash flows, the Company considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable-Trade accounts receivable are stated at the amount the Company expects to collect from outstanding balances. The Company provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after the Company has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable.

Franchise Agreements- The terms of the franchise agreements are for ten (10) years and the franchise is entitled to acquire an additional three (3) consecutive renewal terms of five (5) years each. The initial franchise fee is \$29,950 and the royalty rate will be 5% of gross revenues of the franchise, due upon commencement of operations. The initial franchise fee is discounted by \$10,000 for each new location, if a franchisee purchases secondary locations. The ADAs are contracts to have exclusive rights to open new locations in a specific area. A \$5,000 deposit for each location is collected when the ADA is signed. The \$5,000 deposit is credited towards each location's initial franchise fee. Each new location must be opened within one year, consecutively. The term depends on the number of locations in the contract.

Forgivable Loans – Paycheck Protection Plan (PPP)- The Company's policy is to account for forgivable loans received through the Small Business Administration (SBA) under Coronavirus Aid, Relief and Economic Security Act (Cares Act) Paycheck Protection Program (PPP), as debt in accordance with

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Forgivable Loans (cont'd)— Accounting Standards Codification (ASC) 470, Debt and other related accounting pronouncements. The forgiveness of debt, in whole or in part, is recognized once the debt is extinguished, which occurs when the Company is legally released from the liability by the SBA. Any portion of debt forgiven, adjusted for accrued interest forgiven and unamortized debt issuance costs, is recorded as a gain on extinguishment of debt, and presented in the other income section of the statement of income.

Advertising—The Company expenses advertising as incurred. Advertising expenses for the year ended December 31, 2025 and 2024 were \$186,267 and \$166,819 respectively.

Guaranteed Payments to Partners—Guaranteed payments to partners that are intended as compensation for services rendered are accounted for as partnership expenses rather than as allocations of partnership net income. Guaranteed payments that are intended as payments of interest on capital accounts are not accounted for as expenses of the partnership, but rather, as part of the allocation of net income.

Taxes on Income—The Company files its income tax return on the cash basis as a partnership for federal income tax purposes. Income from the partnership is taxed to the members in their individual returns on their share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Operating Agreement of the Company. The Company paid California minimum franchise state tax of \$800 for the year ended December 31, 2025. The Company does not have any uncertain tax positions, which must be considered for disclosure. Penalties and interest assessed by income taxing authorities would be included in operating expenses. The federal and state income tax returns of the Company for 2022 through 2025 are subject to examination by the IRS, generally for three years after they were filed. There are no tax examinations currently in process.

Commitment and Contingency—The Company is a defendant in an ongoing lawsuit with one of the existing franchisees but the loss cannot be determined at this moment. According to the lawyer, the award could be made in an estimated amount of mid-to-high five-figure if resulted in a loss.

3. REVENUE RECOGNITION

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation. The Company derives its revenues from license of the brand and other intellectual property rights granted under the terms of the franchise agreement. Income from franchisees includes initial fees, royalty fees, and renewal fees. Generally, we have determined that the franchise license granted for each individual school within an arrangement represents a single performance obligation. Therefore, the initial franchise fees received from a franchisee is deferred and is recognized as revenue ratably over the term of the franchise agreement starting with the day when the school opened for business. The Company recognizes royalty fees, which are based upon a percentage of franchisee sales, as those sales occur. Renewal fees are deferred when a renewal agreement with a franchisee becomes effective and are recognized as revenue over the term of the renewal period. Franchise fees received upon granting of the second or subsequent license are **3**.

THE CODER SCHOOL SAN FRANCISCO, LLC.
NOTES TO FINANCIAL STATEMENTS

3. REVENUE RECOGNITION (cont'd)

deferred and are recognized over the term of the initial period of the second or subsequent license. Deferred revenue associated with the franchise fees received but not yet recognized as revenue was \$780,444 and \$863,863 for the year ending December 31, 2025 and 2024, respectively. Accounts receivables associated with the franchise and royalty fees were \$80,106 and \$74,606 for the year ending December 31, 2025 and 2024.

4. CONTRACT LIABILITY

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers, and has issued subsequent amendments which have been introduced as ASC Topic 606. Topic 606, as amended, replaces Topic 605, the previous revenue recognition guidance. The new standard requires transaction price from contracts with customers to be allocated to each separate and distinct performance obligation. The transaction price is then recognized as revenue as each performance obligation is fulfilled. The Company determined initial training and other pre-opening services provided to franchisees prior to store openings are not considered distinct performance obligations. These services are closely related to the franchise rights. The Company identified the following distinct performance obligations: a) initial franchise license, b) option to buy second and subsequent franchise, and b) option to renew the franchise license.

The initial franchise license fee is deferred and is recognized as revenue on a straight-line basis over the term of the franchise agreement beginning on the day when the location opened for business. Prior to adoption of ASC 606, the initial fee was recorded as revenue in its entirety at the time of opening a school location, consistent with the legacy guidance. Franchise fees payable upon the renewal or acquisition of a subsequent franchise are priced at a discount that represent a material right. Management concluded that allocation of the initial franchise fees to the material rights does not have a material impact on Company's revenue recognition as potential impacts of allocating the initial fee associated with multiple licenses offset each other. Therefore, franchise fees received upon renewal and acquisition of subsequent franchise licensees are amortized as revenue over the respective renewal term or the initial term of the second and subsequent license, respectively. The Company charges franchise transfer and relocation fee to allow contractual franchise rights to transfer to a different franchisee or a different location. The fees constitute a form of variable consideration to be estimated and included in the initial franchise fee provided certain conditions are met. Management estimated the value of the variable consideration at January 1, 2019 and December 31, 2019 to be immaterial. ASC Topic 606 is effective for public and non-public entities on January 1, 2018 and January 1, 2019 respectively. The Company adopted the standards using the modified retrospective method effective January 1, 2019. Upon adoption, the Company recorded a decrease in Retained Earnings and increased in Deferred Revenue of approximately \$490,701 on its Balance Sheet. The above amount primarily includes the impact of deferring initial franchise fees and recording them as revenue over the franchise term.

5. SUBSEQUENT EVENTS

The Company evaluates events that have occurred after the balance sheet date but before the financial statements are issued. Based upon the evaluation, the company did not identify any recognized or non-recognized subsequent events that would have required further adjustment or disclosure in the financial statements. Subsequent events were evaluated through February 2, 2026, at which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

**To the Shareholders of
The Coder School San Francisco, LLC.**

Opinion

We have audited the financial statements of The Coder School San Francisco, LLC., which comprises the balance sheets as of December 31, 2024 and 2023, and the related statements of operations, and changes in shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of The Coder School San Francisco, LLC. as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Coder School San Francisco, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Coder School LLC.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

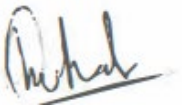

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Coder School LLC.'s internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Coder School LLC.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Management monitors the credit rating and concentration of risk with these financial institutions on a continuing basis to mitigate risk.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Forgivable Loans (cont'd)— Accounting Standards Codification (ASC) 470, Debt and other related accounting pronouncements. The forgiveness of debt, in whole or in part, is recognized once the debt is extinguished, which occurs when the Company is legally released from the liability by the SBA. Any portion of debt forgiven, adjusted for accrued interest forgiven and unamortized debt issuance costs, is recorded as a gain on extinguishment of debt, and presented in the other income section of the statement of income.

Advertising—The Company expenses advertising as incurred. Advertising expenses for the year ended December 31, 2024 and 2023 were \$166,819 and \$16,095 respectively.

Guaranteed Payments to Partners—Guaranteed payments to partners that are intended as compensation for services rendered are accounted for as partnership expenses rather than as allocations of partnership net income. Guaranteed payments that are intended as payments of interest on capital accounts are not accounted for as expenses of the partnership, but rather, as part of the allocation of net income.

Taxes on Income—The Company files its income tax return on the cash basis as a partnership for federal income tax purposes. Income from the partnership is taxed to the members in their individual returns on their share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Operating Agreement of the Company. The Company paid California minimum franchise state tax of \$800 for the year ended December 31, 2023. The Company does not have any uncertain tax positions, which must be considered for disclosure. Penalties and interest assessed by income taxing authorities would be included in operating expenses. The federal and state income tax returns of the Company for 2019 through 2021 are subject to examination by the IRS, generally for three years after they were filed. There are no tax examinations currently in process.

Commitment and Contingency—The Company is a defendant in an ongoing lawsuit with one of the existing franchisees but the loss cannot be determined at this moment. According to the lawyer, the award could be made in an estimated amount of mid-to-high five-figure if resulted in a loss.

3. REVENUE RECOGNITION

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation. The Company derives its revenues from license of the brand and other intellectual property rights granted under the terms of the franchise agreement. Income from franchisees includes initial fees, royalty fees, and renewal fees. Generally, we have determined that the franchise license granted for each individual school within an arrangement represents a single performance obligation. Therefore, the initial franchise fees received from a franchisee is deferred and is recognized as revenue ratably over the term of the franchise agreement starting with the day when the school opened for business. The Company recognizes royalty fees, which are based upon a percentage of franchisee sales, as those sales occur. Renewal fees are deferred when a renewal agreement with a franchisee becomes effective and are recognized as revenue over the term of the renewal period. Franchise fees received upon granting of the second or subsequent license are **3**.

deferred and are recognized over the term of the initial period of the second or subsequent license. Deferred revenue associated with the franchise fees received but not yet recognized as revenue was \$863,863 and \$904,791 for the year ending December 31, 2024 and 2023, respectively. Accounts receivables associated with the franchise and royalty fees were \$74,606 and \$66,700 for the year ending December 31, 2024 and 2023.

4. CONTRACT LIABILITY

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers, and has issued subsequent amendments which have been introduced as ASC Topic 606. Topic 606, as amended, replaces Topic 605, the previous revenue recognition guidance. The new standard requires transaction price from contracts with customers to be allocated to each separate and distinct performance obligation. The transaction price is then recognized as revenue as each performance obligation is fulfilled. The Company determined initial training and other pre-opening services provided to franchisees prior to store openings are not considered distinct performance obligations. These services are closely related to the franchise rights. The Company identified the following distinct performance obligations: a) initial franchise license, b) option to buy second and subsequent franchise, and b) option to renew the franchise license.

The initial franchise license fee is deferred and is recognized as revenue on a straight-line basis over the term of the franchise agreement beginning on the day when the location opened for business. Prior to adoption of ASC 606, the initial fee was recorded as revenue in its entirety at the time of opening a school location, consistent with the legacy guidance. Franchise fees payable upon the renewal or acquisition of a subsequent franchise are priced at a discount that represent a material right. Management concluded that allocation of the initial franchise fees to the material rights does not have a material impact on Company's revenue recognition as potential impacts of allocating the initial fee associated with multiple licenses offset each other. Therefore, franchise fees received upon renewal and acquisition of subsequent franchise licensees are amortized as revenue over the respective renewal term or the initial term of the second and subsequent license, respectively. The Company charges franchise transfer and relocation fee to allow contractual franchise rights to transfer to a different franchisee or a different location. The fees constitute a form of variable consideration to be estimated and included in the initial franchise fee provided certain conditions are met. Management estimated the value of the variable consideration at January 1, 2019 and December 31, 2019 to be immaterial. ASC Topic 606 is effective for public and non-public entities on January 1, 2018 and January 1, 2019 respectively. The Company adopted the standards using the modified retrospective method effective January 1, 2019. Upon adoption, the Company recorded a decrease in Retained Earnings and increased in Deferred Revenue of approximately \$490,701 on its Balance Sheet. The above amount primarily includes the impact of deferring initial franchise fees and recording them as revenue over the franchise term.

The Company evaluates events that have occurred after the balance sheet date but before the financial statements are issued. Based upon the evaluation, the company did not identify any recognized or non-recognized subsequent events that would have required further adjustment or disclosure in the financial statements. Subsequent events were evaluated through February 25, 2025, at which the financial statements were available to be issued.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Coder School LLC.'s internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

THE CODER SCHOOL SAN FRANCISCO, LLC.
NOTES TO FINANCIAL STATEMENTS

1. THE COMPANY

The Coder School San Francisco, LLC. ("TCSSF" or the "Company") was organized on March 3, 2015 under the laws of the State of California. The fiscal year of the Company is December 31. TCSSF's principal business activity is the operation of premium-branded, after-school, dedicated-location, project-based programs that teach children to use programming languages. The Company franchises schools to independent operators.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates-The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk-Financial instruments that potentially subject the Company to a significant concentration of credit risk included cash, accounts receivable, royalties receivable, revenue, and vendor concentrations. At times, the Company maintains deposits in federally insured financial institutions in excess of federally insured limits. Management monitors the credit rating and concentration of risk with these financial institutions on a continuing basis to mitigate risk.

Financial Instruments-The carrying amounts of cash approximate fair value as of December 31, 2023, due to the short-term nature of the instruments.

Cash and Cash Equivalents-For purposes of the statement of cash flows, the Company considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable-Trade accounts receivable are stated at the amount the Company expects to collect from outstanding balances. The Company provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after the Company has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable.

Franchise Agreements- The terms of the franchise agreements are for ten (10) years and the franchise is entitled to acquire an additional three (3) consecutive renewal terms of five (5) years each. The initial franchise fee is \$29,950 and the royalty rate will be 5% of gross revenues of the franchise, due upon commencement of operations. The initial franchise fee is discounted by \$10,000 for each new location, if a franchisee purchases secondary locations. The ADAs are contracts to have exclusive rights to open new locations in a specific area. A \$5,000 deposit for each location is collected when the ADA is signed. The \$5,000 deposit is credited towards each location's initial franchise fee. Each new location must be opened within one year, consecutively. The term depends on the number of locations in the contract.

Forgivable Loans – Paycheck Protection Plan (PPP)- The Company's policy is to account for forgivable loans received through the Small Business Administration (SBA) under Coronavirus Aid, Relief and Economic Security Act (Cares Act) Paycheck Protection Program (PPP), as debt in accordance with

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Forgivable Loans (cont'd)— Accounting Standards Codification (ASC) 470, Debt and other related accounting pronouncements. The forgiveness of debt, in whole or in part, is recognized once the debt is extinguished, which occurs when the Company is legally released from the liability by the SBA. Any portion of debt forgiven, adjusted for accrued interest forgiven and unamortized debt issuance costs, is recorded as a gain on extinguishment of debt, and presented in the other income section of the statement of income.

Advertising—The Company expenses advertising as incurred. Advertising expenses for the year ended December 31, 2023 and 2022 were \$16,095 and \$14,845 respectively.

Guaranteed Payments to Partners—Guaranteed payments to partners that are intended as compensation for services rendered are accounted for as partnership expenses rather than as allocations of partnership net income. Guaranteed payments that are intended as payments of interest on capital accounts are not accounted for as expenses of the partnership, but rather, as part of the allocation of net income.

Taxes on Income—The Company files its income tax return on the cash basis as a partnership for federal income tax purposes. Income from the partnership is taxed to the members in their individual returns on their share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Operating Agreement of the Company. The Company paid California minimum franchise state tax of \$800 for the year ended December 31, 2023. The Company does not have any uncertain tax positions, which must be considered for disclosure. Penalties and interest assessed by income taxing authorities would be included in operating expenses. The federal and state income tax returns of the Company for 2019 through 2021 are subject to examination by the IRS, generally for three years after they were filed. There are no tax examinations currently in process.

Subsequent Events—The Company has evaluated subsequent events through March 28, 2024, which was the date the financial statements were available for issue.

3. REVENUE RECOGNITION

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation. The Company derives its revenues from license of the brand and other intellectual property rights granted under the terms of the franchise agreement. Income from franchisees includes initial fees, royalty fees, and renewal fees. Generally, we have determined that the franchise license granted for each individual school within an arrangement represents a single performance obligation. Therefore, the initial franchise fees received from a franchisee is deferred and is recognized as revenue ratably over the term of the franchise agreement starting with the day when the school opened for business. The Company recognizes royalty fees, which are based upon a percentage of franchisee sales, as those sales occur. Renewal fees are deferred when a renewal agreement with a franchisee becomes effective and are recognized as revenue over the term of the renewal period. Franchise fees received upon granting of the second or subsequent license are **3**.

3. REVENUE RECOGNITION (cont'd)

deferred and are recognized over the term of the initial period of the second or subsequent license. Deferred revenue associated with the franchise fees received but not yet recognized as revenue was \$904,791 and \$958,077 for period ending December 31, 2023 and December 31, 2022, respectively. Accounts receivables associated with the franchise and royalty fees were \$106,600 and \$101,461 for period ending December 31, 2023 and December 31, 2022.

4. DEFERRED FRANCHISE FEES

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers, and has issued subsequent amendments which have been introduced as ASC Topic 606. Topic 606, as amended, replaces Topic 605, the previous revenue recognition guidance. The new standard requires transaction price from contracts with customers to be allocated to each separate and distinct performance obligation. The transaction price is then recognized as revenue as each performance obligation is fulfilled. The Company determined initial training and other pre-opening services provided to franchisees prior to store openings are not considered distinct performance obligations. These services are closely related to the franchise rights. The Company identified the following distinct performance obligations: a) initial franchise license, b) option to buy second and subsequent franchise, and b) option to renew the franchise license.

The initial franchise license fee is deferred and is recognized as revenue on a straight-line basis over the term of the franchise agreement beginning on the day when the location opened for business. Prior to adoption of ASC 606, the initial fee was recorded as revenue in its entirety at the time of opening a school location, consistent with the legacy guidance. Franchise fees payable upon the renewal or acquisition of a subsequent franchise are priced at a discount that represent a material right. Management concluded that allocation of the initial franchise fees to the material rights does not have a material impact on Company's revenue recognition as potential impacts of allocating the initial fee associated with multiple licenses offset each other. Therefore, franchise fees received upon renewal and acquisition of subsequent franchise licensees are amortized as revenue over the respective renewal term or the initial term of the second and subsequent license, respectively. The Company charges franchise transfer and relocation fee to allow contractual franchise rights to transfer to a different franchisee or a different location. The fees constitute a form of variable consideration to be estimated and included in the initial franchise fee provided certain conditions are met. Management estimated the value of the variable consideration at January 1, 2019 and December 31, 2019 to be immaterial. ASC Topic 606 is effective for public and non-public entities on January 1, 2018 and January 1, 2019 respectively. The Company adopted the standards using the modified retrospective method effective January 1, 2019. Upon adoption, the Company recorded a decrease in Retained Earnings and increased in Deferred Revenue of approximately \$490,701 on its Balance Sheet. The above amount primarily includes the impact of deferring initial franchise fees and recording them as revenue over the franchise term.

5. SUBSEQUENT EVENTS

The Company evaluates events that have occurred after the balance sheet date but before the financial statements are issued. Based upon the evaluation, the company did not identify any recognized or non-recognized subsequent events that would have required further adjustment or disclosure in the financial statements. Subsequent events were evaluated through March 28, 2024, at which the financial statements were available to be issued.

THECODERSCHOOL
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "Agreement") is made as of the Effective Date between THE CODER SCHOOL SAN FRANCISCO, LLC, a California limited liability company with its principal place of business at 299 California Ave, #115, Palo Alto, California 94306, ("we," "us" or "our"), and ("you" or "your"). The "Effective Date" is the date we sign this Agreement, as shown beneath our signature on the signature page.

RECITALS

We and our affiliates have devoted time, skill, effort, and money to develop, and may continue to develop, a distinctive system (the "System") relating to the establishment, operation and franchising of computer coding schools ("theCoderSchool") that are required to operate pursuant to system standards that we designate from time to time (the "System Standards") and that are identified by certain trade names, service marks, trademarks, trade dress, logos, emblems, and indicia of origin, including the marks "theCoderSchool™" both in plain text and the stylized version; the phrase "*learn to code. change the world™*", and theCoderSchool logo, as well as additional logos and trademarks and phrases, as are now designated and may be designated by us in writing for use in connection with the System, from time to time (collectively, the "Proprietary Marks").

theCoderSchool generally offers classes, individual and group sessions, camps, and related programs for students primarily between the ages of seven (7) and eighteen (18). The System includes methods for obtaining and teaching students, and we may change, improve and further develop the System from time to time.

You have requested that we grant you the right to establish, own and operate a single theCoderSchool. We are willing to grant you this right, as described in this Agreement, in reliance on all of the information, representations, warranties and acknowledgements you and your owners (if you are a legal entity) have provided to us in support of your request.

IN CONSIDERATION of the covenants herein contained and other valuable consideration, receipt and sufficiency of which are acknowledged, you and we agree as follows:

1. GRANT

1.1 Grant of Franchise. We grant you the right, and you undertake the obligation, at your expense and on the terms and conditions set forth in this Agreement, to establish and operate theCoderSchool business at, and only at, the location identified in Exhibit 1 or as it may later be determined in accordance with Section 5.1 (the "Approved Location"). TheCoderSchool you are licensed to operate under this Agreement is referred to as the "School."

1.2 Exclusive Territory. In Exhibit 1, we have identified an exclusive territory around your School (the "Territory"). Provided you are in compliance with your obligations under this Agreement, and except as otherwise provided in this Agreement (including Section 1.3 below), during the Term (defined below) of this Agreement, we will not establish or operate, nor license

any party other than you to establish or operate, theCoderSchool at any location within the Territory. Territory borders may slightly overlap neighboring franchisee Territory borders. The Territory is not a restriction on advertising, however we encourage you not to advertise in another theCoderSchool franchisee's territory, but to develop your own Territory. You may accept customers from inside or outside your Territory including customers from another franchisee's territory without compensation to that franchisee and another franchisee can accept customers located within your Territory without compensation to you. However you shall not create any misrepresentative advertising such as to indicate that your location is in another franchisee's territory, or that you "service" that territory when there is another franchisee in such territory. We will expect you to operate theCoderSchool franchise in your Territory in a professional and non-competitive manner with any neighboring theCoderSchool franchisees. In this regard, you will not knowingly call on any current or existing customer of another franchisee, or induce any such customer to leave the other franchisee and come to your School. We have discretion upon resolving any complaints in this manner and are not obligated to take any action.

1.3 Reservation of Rights. All rights that are not granted to you in this Agreement are specifically reserved to us, and we will not be restricted in any manner from exercising them nor will we be required to compensate you should we exercise them. This includes the right, directly or through others and regardless of either (a) proximity to your School or Territory or (b) any actual or threatened impact on sales of your School, to:

1.3.1. use the Proprietary Marks and System in connection with establishing and operating theCoderSchool businesses at any location outside the Territory;

1.3.2. use the Proprietary Marks or other marks in connection with selling or distributing any goods (including branded merchandise) or services anywhere in the world (including within the Territory), whether or not you also offer them, through channels of distribution other than theCoderSchool business (including, for example, other permanent or temporary retail locations, kiosks, catalogs, mail order, or the internet or other electronic means);

1.3.3. acquire, establish or operate, without using the Proprietary Marks, any business of any kind at any location anywhere in the world (including within the Territory);

1.3.4. use the Proprietary Marks in connection with acquiring, establishing or operating any coding school business anywhere in the world (including within the Territory) so long as such coding business does not primarily target students between the ages of seven (7) and eighteen (18);

1.3.5. use the Proprietary Marks in connection with soliciting or directing advertising or promotional materials to customers anywhere in the world (including within the Territory);

1.3.6. acquire, merge with, or otherwise affiliate with, and thereafter own and operate, and franchise or license others to own and operate, any business of any kind or company-owned or franchised system of businesses of any kind, including any business or system that offers products or services the same as or similar to those offered by you under the System and the Proprietary Marks, and to convert any such acquired business or such acquired system of

businesses to operation under the System and the Proprietary Marks, notwithstanding any other provisions hereof.

1.4 Alternate Channels of Distribution. You may offer and sell approved products and services only from the School in accordance with the requirements of this Agreement and the procedures set forth in the Manual (as defined in Section 3.5 below). You may not offer or sell products through any other means or locations, including via the internet.

1.5 Supplementing the System. You acknowledge that we may, from time to time, supplement, improve, and otherwise modify the System and System Standards, and you agree to comply with all of our requirements in that regard, including offering new or different programs, classes or services as we may specify.

2. TERM AND RENEWAL

2.1 Term. This Agreement shall begin on the Effective Date and, except as otherwise provided herein, shall continue until the 10th anniversary of the Effective Date (the "Term").

2.2 Renewal Franchise. Subject to the conditions set forth in this Section 2.2 on expiration of this Agreement, you will be entitled to renew for one additional term of ten (10) years. To obtain this renewal, you must:

2.2.2. renovate and modernize the School and premises from which the School operates (the "Premises") as we may reasonably require, including installing new equipment and renovating signs, furnishings, fixtures, and décor to reflect the then-current System Standards and image of the System;

2.2.3. not be in default of any provision of this Agreement or any other agreement between you and us or our affiliates; and you must have substantially complied with all the terms and conditions of such agreements during their respective terms (including timely payment of all monies owed under such agreements);

2.2.4. establish to our satisfaction that you have the right to remain in possession of the Premises for the duration of the term of the successor franchise or obtain our approval of a new location for the School for the duration of the renewal term;

2.2.5. execute our then-current form of franchise agreement and all related agreements, which shall supersede this Agreement in all respects, and the terms of which may differ materially from the terms of this Agreement, including a higher royalty fee and advertising contribution and a revised territory boundary, except that you will not be required to pay an initial franchise fee;

2.2.6. execute, along with your owners, a general release, in a form we prescribe, of any and all claims, known or unknown, that you and your owners might have against us or our affiliates, and our or their respective officers, directors, agents, and employees;

2.2.7. comply with our then-current qualification and training requirements;

2.2.8. pay us a renewal fee in an amount equal to one-sixth (1/6) of our then-current initial franchise fee; and

2.2.9. be current with respect to your obligations to your lessor, suppliers, and any others with whom you do business.

If you purchase a second franchise your franchise fee is discounted to Nineteen Thousand Nine Hundred Fifty Dollars (\$19,950). The entire Initial Franchise Fee is fully earned and non-refundable in consideration of administrative and other expenses we incur in entering into this Agreement and for our lost or deferred opportunity to enter into this Agreement with others.

4.2 Royalty Fee. You shall pay us, in the manner described in Section 4.4, a continuing royalty fee ("**Royalty**") in an amount equal to five percent (5%) of Net Sales. "**Net Sales**" means all revenue generated at, from or in connection with the operation of the School, including from sales of all products and services conducted at, from or with respect to the School, whether such sales are evidenced by cash, check, credit, charge, account, barter or exchange. All revenues must be generated through the required software configuration. 4.4 Software Fee. You shall pay us a \$99 monthly which includes (1) hosting and maintenance of your School location page on Our Website (2) access for 2 people to the CRM system and 3 email addresses for your School (additional CRM users and emails are available for an additional charge); and (3) access and use of our custom tools and utilities which we may continue to evolve and enhance over time. 4.5 Payments. All payments required by Sections 4.2, 4.3, 4.4 and 12 shall be paid by the tenth (10th) day of each month based on the Net Sales from the preceding month. All such payments shall be made by direct deposit and initiated by us. Any payment not actually received by us on or before the date due shall be deemed overdue. If any payment is overdue, you shall pay us, in addition to the overdue amount, interest on such amount from the date it was due until received by us, at the rate of ten percent (10%) per annum, or the maximum rate permitted by applicable law, whichever is less, in addition to any other remedies we may have. You shall not be entitled to set off any payments required to be made under this Section 4 against any monetary claim you may have against us or our affiliates.

4.6 Bank Account. You shall deposit all Net Sales into one bank account within two (2) days of receipt. You shall furnish to us, upon our request, the bank and account number, a voided check from the bank account, and written authorization for us to withdraw funds from the bank account via electronic funds transfer, without further consent or authorization, for all Royalty, Brand Fund contributions and other amounts due under this Agreement. You shall execute all documents as may be necessary to effectuate and maintain the electronic funds transfer arrangement, as we require. You agree to pay all costs associated with any such transfer. In the event you change banks or accounts for the bank account required by this Section 4.6, you shall, prior to such change, provide us such information concerning the new account and an authorization to make withdrawals therefrom.

5. DEVELOPMENT AND OPENING OF YOUR SCHOOL

5.1 Approved Location. If, as of the Effective Date, you have not located and we have not approved the location for your School, you will, within 60 days from the Effective Date, obtain our approval of a proposed site, and you and we will execute a revised Exhibit A to reflect the Approved Location. We will provide such site selection guidelines and consultation as we deem advisable in our discretion and provide our Approval of an approved site. You acknowledge and agree that our Approval of a site for the School, is not a representation or warranty of any kind, express or implied, of the site's suitability for the CoderSchool Business or any other purpose, only that we believe that the site meets our then-acceptable criteria, and is not intended to be relied on by you as an indicator of likely success. If a proposed location will overlap a neighboring franchisee's Territory we may deny the proposed location. You may request a reasonable extension if delays are caused by factors not in your control.

5.2 You must sign a lease for the Approved Location within 120 days from the Effective Date, and such lease must incorporate the language indicated in Exhibit 2 (Lease Rider) or other language explicitly approved by us in writing.

5.3 Construction. You shall construct and equip the School at your own expense, as necessary to satisfy the System Standards. Before commencing any construction, you must retain a qualified, licensed architect or engineer to prepare preliminary and final architectural drawings and specifications of the Premises in accordance with our standard specifications. You must comply with all federal, state or local laws, codes or regulations regarding the construction, design and operation of the School, including the ADA, all of which will be your sole responsibility. You or your contractor, at your or your contractor's expense, shall obtain such insurance, as described in Section 13.1, prior to beginning construction.

5.4 Permits. You will be responsible for obtaining all zoning classifications, business permits and licenses, certifications, and clearances required for the lawful construction and operation of the School.

5.5 Opening Deadline. If you have an Approved Location as of the Effective Date, you must complete all actions necessary to open the School and be prepared to commence operation of the School not later than 90 days after the Effective Date. If you do not have an Approved Location as of the Effective Date, you must complete all actions necessary to open the School and be prepared to commence operation of the School not later than 180 days after the Effective Date.

You may request a reasonable extension if delays are caused by factors not in your control. In no circumstance will your franchise fee be refunded. The parties agree that time is of the essence in the opening of the School and that your failure to open the School within the time periods described in this Section 5.4 shall be a material default under this Agreement and will entitle us to terminate this Agreement pursuant to Section 15 hereof.

5.6 Relocation. If you wish to relocate your School, you must submit a written request to relocate and provide us with all the information we request, including but not limited to your reason for requesting relocation, the proposed relocation site, and the proposed timeline. We have sole discretion with respect to whether to approve your request. We have 30 calendar days to evaluate your relocation request. We will base our decision on the same factors as we use for initial site selection. 14.3.6. That you remain liable for all of the obligations to us in connection with the School which arose prior to the effective date of the transfer and execute any and all instruments we reasonably request to evidence such liability;

14.3.7. That the transferee and any new approved manager, successfully complete any training programs then in effect upon such terms and conditions as we may reasonably require;

14.3.8. That the terms and conditions of the transfer agreement between the transferee and you be acceptable to us; and

14.3.9. That you pay to us a transfer fee in an amount equal to one-third (1/3) of our then-current initial franchise fee at the time of transfer.

Our consent to a transfer shall not constitute a waiver of any claims we may have against you nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms of this Agreement by you or transferee.

14.4 No Security Interest. You shall not grant a security interest in your rights under this Agreement, the School, or any of the assets of the School without our prior consent. We may impose such conditions on our consent (if we decide to grant it) that we believe are necessary to protect our rights under this Agreement and in and to the System and the Proprietary Marks.

14.5 Our Right of First Refusal. If any transfer is proposed, you shall notify us and shall provide such information and documentation relating to the proposed transfer (including any prospective transferee's offer) and transferee as we may require. We will have the right and option, exercisable within 30 days after our receipt of such written notification and information, to notify you that we intend to purchase the interests on the same terms and conditions offered by the third party. If we elect to purchase the interests, closing on such purchase shall occur within 30 days

from the date of our notice of our election to purchase. If the consideration, terms and/or conditions offered by a third party are such that we are not reasonably able to furnish the same types of consideration, terms and/or conditions, then we may purchase the interests proposed to be transferred for the reasonable equivalent in cash. If you and we cannot agree within 30 days on the reasonable equivalent in cash, an independent appraiser shall be designated by us at our expense, and the appraiser's determination shall be binding. If we elect not to purchase the interests or fail to timely notify you of our election, you may proceed, subject to our consent and satisfaction of any conditions we impose on such consent to conclude the transfer on the terms set forth in your notice to us. Any material change in the terms of the offer from a third party shall constitute a new offer subject to our same rights of first refusal as in the case of the third party's initial offer. Our failure to exercise the option afforded by this Section shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 14, with respect to a proposed transfer.

14.6 Death or Incapacity. Upon your death, physical, or mental incapacity or that of any of your owners, the executor, administrator, or personal representative of such person shall transfer such interest to a third party we approve within six (6) months after such death or incapacity. Such transfers, including transfers by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. In the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section 14, the executor, administrator, or personal representative of the decedent shall transfer the decedent's interest to another party we approve within six (6) months, which disposition shall be subject to all the terms and conditions for transfers contained in this Agreement.

14.7 Transfer to a Wholly Owned Legal Entity. If you are in full compliance with this Agreement, you may, with 30 days' prior notice to us, transfer this Agreement and the School to a corporation or limited liability company which conducts no business other than your School and, if applicable, other theCoderSchool Businesses, in which you maintain management control, and of which you own and control at least 51% of the equity and voting power of all issued and outstanding ownership interests, provided that all of the assets of your School are owned, and the business of your School is conducted, only by that single corporation or limited liability company. The corporation or limited liability company must expressly assume all of your obligations under this Agreement, and you must agree to remain personally liable under this Agreement as if the transfer to the corporation or limited liability company did not occur. You will not be required to pay a transfer fee in connection with a transfer under this Section.

15. DEFAULT AND TERMINATION

15.1 Automatic Termination. You shall be deemed to be in default under this Agreement, and all rights granted to you herein shall automatically terminate without notice or opportunity to cure, if: you become insolvent or make a general assignment for the benefit of creditors; a petition in bankruptcy is filed by you or such a petition is filed against and not opposed by you; you are adjudicated bankrupt or insolvent; a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you; a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; proceedings for a composition with creditors under any state or federal law should be instituted by or against you;

15.2 Termination Without Opportunity to Cure. In addition to the foregoing, upon the occurrence of any of the following events of default, we may, at our option, terminate this Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, effective immediately upon notice to you, if:

15.2.1. you fail to locate an approved site or to construct and open the School within the time limits provided in Section 5;

15.2.2. you at any time cease to operate or otherwise abandon the operation of the School, or lose the right to possession of the Premises, or otherwise forfeit the right to do or transact business in the jurisdiction where the School is located; however, if, through no fault of yours, the Premises are damaged or destroyed by an event such that repairs or reconstruction cannot be completed within 60 days thereafter, then you shall have 30 days (you may request a reasonable extension) after such event in which to apply for our approval to relocate and/or reconstruct the Premises within the Territory, which approval shall not be unreasonably withheld;

15.2.3. you or any of your owners, officers, or directors, or approved manager, are convicted of a felony, a crime involving moral turpitude, or any other crime or offense that we believe is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith or our interest therein; or if you or any of your owners, officers, or directors commit any acts or engage in any behavior that we believe is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or our interest therein, including conduct that is fraudulent, unfair, unethical, or deceptive;

15.2.4. a threat or danger to public health or safety results from the construction, maintenance, or operation of the School;

15.2.5. any purported transfer is made to any third party without our prior written consent, or otherwise contrary to the terms of Section 14 hereof;

15.2.7. you fail to comply with the covenants in Section 17 (in-term covenants) or fail to obtain execution of the covenants required under Section 10;

15.2.8. you or your owners disclose or divulge the contents of the Manual or other Confidential Information contrary to the terms of Section 10;

15.2.9. you underreport Net Sales after we have identified such underreporting previously, or you underreport by any amount and fail to correct the underreporting by submitting correct Net Sales and all amounts due on such sales, within 30 days of our identifying the same;

15.2.10. you knowingly maintain false books or records or submit to us any false reports or other documentation (including your application for the franchise);

15.2.11. you misuse or make any unauthorized or improper use of the Proprietary Marks or any other identifying characteristics of the System, or otherwise materially impair the goodwill associated therewith or our rights therein; or if you fail to utilize the Proprietary Marks solely in the manner and for the purposes we direct;

15.2.12. you refuse to allow us to inspect the Premises or your books, records or accounts upon demand as provided for herein;

15.2.13. upon receiving a notice of default under Section 15.3, you fail to initiate immediately a remedy to cure such default;

15.2.14. after curing any default pursuant to Section 15.3, you commit the same default again, whether or not cured after notice;

15.2.15. you offer or sell products, programs or services that we have not approved or purchased any product or service from a supplier we have not approved; or

15.2.16. you fail to comply with any loan agreements pursuant to which you have granted a security interest, regardless of whether or not we have consented to such grant.

15.3 Notice With Opportunity to Cure. Except as otherwise provided in Sections 15.1 and 15.2 of this Agreement, upon any other default by you, we will give you written notice of such default and an opportunity to substantially cure such default within 60 days of your receipt of such notice (or such longer time period as required by applicable law). We will have the right to terminate this Agreement immediately upon notice to you if you fail to cure any default to our satisfaction, and provide proof thereof, within the 60 day period. Defaults which are curable hereunder include, but are not limited to, the following illustrative events:

15.3.1. If you fail to substantially comply with any of the requirements imposed by this Agreement, as it may from time to time reasonably be supplemented by the Manual, or to carry out the terms of this Agreement in good faith;

15.3.2. If you and/or an approved manager fails to complete the Initial Training Program to our satisfaction;

15.3.3. If you fail, refuse or neglect promptly to pay any monies owing to us or our affiliates or any third party when due, or to submit the financial or other information required by us under this Agreement;

15.3.4. If you fail to maintain or observe any of the standards or procedures prescribed by us in this Agreement, the Manual or otherwise in writing;

15.3.5. If you fail, refuse or neglect to obtain our prior written approval or consent as required by this Agreement;

15.3.6. If you act, or fail to act, in any manner which is inconsistent with or contrary to its lease or sublease for the Premises, or in any way jeopardizes its right to renewal of such lease or sublease;

15.3.7. If you engage in any business or markets any service or product under a name or mark which, in our opinion, is confusingly similar to the Proprietary Marks; or

15.3.8. If you fail to comply with all applicable laws, rules and regulations related to the operation of the School.

15.4 Limitation of Services or Benefits. If we issue you a notice of default and you fail to cure such default within any applicable time period, we may, without waiving our right to terminate this Agreement as a result of such failure, temporarily or permanently limit, curtail, or remove certain services or benefits provided or required to be provided to you hereunder, including restricting your or any of your staff's attendance at any training, meetings, workshops, or conventions; refusing to sell or furnish to you any advertising or promotional materials; refusing to provide you with ongoing advice about the operation of the School; terminating your right to use any Required Software.

You shall hold us harmless with respect to any action we take pursuant to this Section; and you agree that we shall not be liable for any loss, expense, or damage you incur because of any action we take pursuant to this Section. Nothing in this Section constitutes a waiver of any of our rights or remedies under this Agreement or any other agreement between us and you, including the right to terminate this Agreement. You agree that our exercise of our rights pursuant to this Section shall not be deemed a constructive termination of this Agreement or of any other agreement between us and you, and shall not be deemed a breach of any provision of this Agreement. We may, in our discretion, reinstate any services or benefits removed, curtailed, or limited pursuant to this Section, and you agree to accept immediately any such reinstatement of services or benefits so removed, curtailed, or limited. If we limit any services or benefits under this Section, you shall continue to pay timely all fees and payments required under this Agreement and any other agreement between us and you, including any fees associated with services or benefits limited by us. You shall have no right to a refund of any fees paid in advance for such services or benefits.

15.5 Cross-Default. Any default by you under any other agreement between us or our affiliates as one party, and you or any of your owners or affiliates as the other party, that is so material as to permit us or our affiliates to terminate such other agreement, shall be deemed to be a default of this Agreement, and we shall have the right, at our option, to terminate this Agreement without affording you an opportunity to cure, effective immediately upon notice to you.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to you shall immediately terminate, and:

16.1 Cease Operations. You shall immediately cease to operate the School, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as our present or former franchisee.

16.2 Cease Use of and Return Confidential Information and Proprietary Marks. You shall immediately and permanently cease to use, in any manner whatsoever, and return to us, at your expense, any Confidential Information (and any copies thereof, even if such copies were made in violation of this Agreement), the Proprietary Marks and any other distinctive forms, slogans, signs, symbols and devices associated with the System, including all signs, advertising materials, displays, stationery, forms, products and any other articles which display the Proprietary Marks. You shall retain no copy or record of any of the foregoing, with the exception of your copy of this Agreement, any correspondence between the parties and any other documents which you reasonably need for compliance with any provision of law

16.3 Cancellation of Registrations. You shall take such action as may be necessary to cancel any assumed name registration or equivalent registration you obtained, which contains any Proprietary Mark.

16.4 Assignment of Lease. You shall, at our option, assign to us or our designee any interest which you have in any Lease for the Premises. In the event we do not elect to exercise our option to have you assign the Lease, you shall make such modifications or alterations to the Premises (including assigning to us the telephone number) immediately upon termination or expiration of this Agreement as may be necessary to distinguish the appearance of the Premises from that of the School under the System, and shall make such specific additional changes thereto as we may reasonably request for that purpose. If you fail or refuse to comply with the requirements of this Section, we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required, at your expense, which expense you agree to pay upon demand.

16.5 Payment. You shall promptly pay all sums owing to us and our affiliates. If the termination is due to your default, such sums shall include all damages, costs, and expenses, including reasonable attorneys' fees, we incur as a result of the default.

16.6 Subsequent Use of Proprietary Marks Prohibited. You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which, in our discretion, is likely to cause confusion, mistake or deception, or which is likely to dilute our rights in and to the Proprietary Marks. You further agree not to utilize any designation of origin, description or representation (including reference to us, the System or the Proprietary Marks), which, in our discretion, suggests or represents a present or former association or connection with us, the System or the Proprietary Marks.

16.7 Return Manual. You shall immediately deliver to us the Manual and all other records, correspondence and instructions containing confidential information relating to the operation of the School (and any copies thereof, even if such copies were made in violation of this Agreement), all of which are acknowledged to be our property, and shall retain no copy or record of any of the foregoing, with the exception of your copy of this Agreement, any correspondence between the parties and any other documents which you reasonably need for compliance with any provision of law.

16.8 Websites/Telephone numbers. You shall immediately irrevocably assign and transfer to us or our designee any and all interests you may have in any websites, domains and telephone numbers you maintain in connection with the School. You shall immediately execute any documents and perform any other actions we require to effectuate such assignment and transfer and otherwise ensure that all rights in such website, domains, telephone numbers revert or transfer to us or our designee, and hereby appoint us as your attorney-in-fact to execute such documents on your behalf if you fail to do so. You shall cease use of any theCoderSchool domain name, URL, or home page address, and shall not establish any website using any similar or confusing domain name, URL, and/or home page address.

16.9 Our Option to Purchase Equipment. We shall have the option, to be exercised within 30 days after termination, to purchase from you any or all of the furnishings, equipment, signs, fixtures, supplies, and inventory related to the operation of the School at fair market value or at your depreciated book value, whichever is less. No value shall be given to the franchise or the Marks. If you and we are unable to agree as to a purchase price and terms, the fair market value of such equipment and property shall be determined by an independent appraiser. The cost shall be shared equally by us and you. You may hire your own independent appraiser to supplement the jointly hired independent appraiser. If we elect to exercise our option to purchase, we shall have the right to set off all amounts due from you, including your half cost of the appraisal, against any the price we pay you according to the appraisal. If we take over your lease pursuant to section 16.4 above, or otherwise prevent you from maintaining control over the location, we will have the obligation, not the option to purchase your equipment, etc., as provided in this section.

16.10 Compliance With Covenants. You, your owners and members of your and their immediate families shall comply with the covenants contained in Section 17.

16.11 Student Contracts. On our written request, you shall either assign existing student contracts to us or our designee, or immediately refund to existing customers any and all monies paid to you by such customers for services that have not been rendered and, as a result of the termination or expiration of this Agreement, will not be rendered to such customers. You shall provide us with all current and prospective customer lists and information in your possession.

16.12 Evidence of Compliance. You shall furnish us with evidence satisfactory to us of compliance with the obligations of this Section 16 within 30 days after termination or expiration of this Agreement.

17. COVENANTS

17.1 Best Efforts. You covenant that, during the Term, except as we might otherwise approve, you and your owners, and a full-time approved manager, shall devote best efforts to the management and operation of the School.

17.2 In-Term Covenants. You acknowledge that you will receive valuable, specialized training and confidential information, including information regarding us and the operational, sales, promotional, and marketing methods and techniques of the System. You covenant that during the Term of this Agreement, except as we might otherwise approve, you, your owners and

members of your and their immediate families shall not, either directly or indirectly, or through, on behalf of, or in conjunction with any person or legal entity:

17.2.1. Divert or attempt to divert any present or prospective business or customer of any theCoderSchool Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System;

17.2.2. Employ or seek to employ any person who is at that time employed by us or by any other theCoderSchool Business, or otherwise directly or indirectly induce such person to leave his or her employment without the employer's prior written consent;

17.2.3. Own, maintain, operate, engage in, be employed by, provide any assistance or advice to, or have any interest in (as owner or otherwise) any business that: (a) is substantially similar to theCoderSchool Business; or (b) offers or sells services that are the same as or similar to the services being offered by the School under the System.

17.3 Post-Term Covenants. Unless otherwise regulated under your state's laws, you covenant that, except as we might otherwise approve, you, your owners and the members of your and their immediate families shall not, for a continuous uninterrupted period of two (2) years commencing upon the date of: (a) a transfer permitted under Section 14 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction or (e) any or all of the foregoing; either directly or indirectly, or through, on behalf of, or in conjunction with any person or legal entity, or cause or direct any 3rd party or entity own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any business that: (i) is substantially similar to theCoderSchool Business; or (ii) offers or sells services that are the same as or similar to the services being offered by the School under the System:

17.3.1. In the Territory;

17.3.2. Within Ten (10) miles of the Premises; or

17.3.3. Within Ten (10) miles of any theCoderSchool Business; provided however, that Sections 17.2.3 and this Section 17.3 shall not apply to the authorized operation by you of theCoderSchool Business under the System pursuant to this Agreement or another franchise agreement with us. You agree that, except where state law provides otherwise, the covenants contained in this Section are a reasonable restriction on post-term activities regarding the scope of the restrictions; however, if such restrictions are held to violate state, such restrictions shall be read to reduce the scope of restrictions to comply with state, and such decision shall be final and binding upon the parties. You shall not engage in any competitive activities in violation of this Section pending resolution of the dispute. Any violation of the activity restrictions may be enforced in a court of law by injunction where appropriate in accordance with Section 26 of this Agreement.

17.4 No Application to Public Company. Sections 17.2.3 and 17.3 shall not apply to ownership of a less than five percent (5%) beneficial interest in the outstanding equity securities of any corporation which has securities registered under the Securities Exchange Act of 1934.

17.5 Reduction of Scope of Covenants. We shall have the right, in our discretion, to reduce the scope of any covenant set forth in Sections 17.2 and 17.3, or any portion thereof, without your consent, effective immediately upon your receipt of written notice thereof; and you agree that you shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 24 hereof.

17.6 No Defense. You agree that the existence of any claims you may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants in this Section 17. You agree to pay all costs and expenses (including reasonable attorneys' fees) we incur in connection with the enforcement of this Section 17.

17.7 Independent Covenants. Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 17 is held unreasonable or unenforceable by a court, arbitrator, or agency having valid jurisdiction in an unappealed final decision to which we are a party, you shall be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 17.

17.8 Irreparable Injury. Certain violation of any of the terms of this Section 17 could result in irreparable injury to us for which no adequate remedy at law may be available, and you accordingly consent to the issuance of an injunction prohibiting any conduct in violation of the terms of this Section 17.

17.9 Our Costs and Expenses. You shall pay us all damages, costs, and expenses, including reasonable attorneys' fees, we incur in obtaining injunctive or other relief for the enforcement of any provision of this Section 17 as well as enforcement of this Agreement.

17.10 Confidentiality and Non-Competition Agreements. You shall require your approved manager, and other employees having access to any of our Confidential Information to execute confidentiality and non-competition covenants in the form attached as Exhibit 3 as a condition of their employment or hire.

18. CORPORATION, PARTNERSHIP OR LIMITED LIABILITY COMPANY

18.1 Legal Entity. If you are a corporation, partnership, limited liability company or other legal entity, then all of your owners shall execute a Guarantee, Indemnification, and Acknowledgment in the form attached hereto as Exhibit 4.

19. TAXES, PERMITS, AND INDEBTEDNESS

19.1 Payment of Taxes. You shall promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred in the operation of the School. You shall pay to us an amount equal to any sales tax, gross receipts tax, or similar tax (other than income tax) imposed on us with respect to any payments to us required under this Agreement.

19.2 Contesting Tax Liability. In the event of any bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event shall you permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Premises, or any improvements thereon.

19.3 Permits and Licenses. You shall comply with all federal, state, and local laws, rules, and regulations and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the School, including licenses to do business, fictitious name registrations, occupancy licenses, sales tax permits, construction permits, health permits, building permits, handicap permits and fire clearances.

19.4 Notification of Adverse Action. You shall immediately notify us in writing of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of the School.

20. INDEPENDENTLY OWNED BUSINESS; INDEMNIFICATION

20.1 Independent Owner. This Agreement does not create a fiduciary relationship between us and you for any purpose. You are an independent owner, and nothing in this Agreement is intended to constitute either a branch office, a partnership, joint venture, or employment relationship for any purpose whatsoever, and you shall not hold yourself out as an agent or representative of Us. During the Term, upon our request, you shall hold yourself out to the public and post a sign at your Premises and on literature with "*your legal name as franchisee, operating as theCoderSchool, an Independently Owned Franchise*".

20.2 No Authority to Contract. You are not authorized to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name; and we shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall we be liable by reason of any of your acts or omissions in the development or operation of the School or for any claim or judgment arising therefrom.

20.3 Indemnification. You shall indemnify and hold us and our affiliates, and their respective officers, directors and employees (the "**Indemnitees**") harmless against any and all claims, losses, costs, expenses, liabilities and damages arising directly or indirectly from, as a result of, or in connection with the development and operation of the School, the business conducted under this Agreement, or your breach of this Agreement, including those alleged to be caused by an Indemnitee's negligence, unless (and then only to the extent that) the claims, obligations, and damages are determined to be caused solely by the Indemnitee's gross negligence or willful misconduct according to a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction, as well as the costs, including reasonable attorneys' fees, of defending against them. In the event we incur any costs or expenses, including legal fees, travel expenses, and other charges, in connection with any proceeding involving you in which we are not a party, you shall reimburse us for all such costs and expenses promptly upon presentation of invoices. Your indemnification and hold harmless obligations under this Section shall survive the

termination or expiration of this Agreement. Nothing herein shall preclude an Indemnitee from choosing its own legal counsel to represent it in any lawsuit, arbitration, or other dispute resolution.

21. APPROVALS AND WAIVERS

21.1 Approval and Consent. Whenever this Agreement requires our prior approval or consent, you shall make a timely written request to us therefor. Wherever our consent or approval is required or we are authorized to make a determination, such consent, approval or determination will be valid only if in writing signed by us, or via an email validly sent by a duly authorized officer. Except where this Agreement expressly obligates us reasonably to approve, consent or determine or not unreasonably to withhold our approval of or consent to any action or request, we have the absolute right to make the determination or to grant, grant subject to conditions we impose, or refuse to grant our approval or consent.

21.2 No Warranties or Guarantees. We make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you, by providing any waiver, approval, consent, or suggestion to you in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

21.3 No Waiver. No failure to exercise any power reserved to us by this Agreement, or to insist upon your strict compliance with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms hereof. Our waiver of any of your defaults shall not affect or impair our rights with respect to any subsequent default of the same, similar, or different nature; nor shall our delay or failure to exercise any power or right arising out of any of your defaults of any of the terms, provisions, or covenants hereof, affect or impair our right to exercise the same, nor shall such constitute a waiver by us of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its Term. Our subsequent acceptance of any payments due to us hereunder shall not be deemed to be our waiver of any preceding breach by you of any terms, covenants, or conditions of this Agreement.

22. GRANT OF SECURITY INTEREST

As security for the payment of all amounts from time to time owing by you to us or our affiliates under this Agreement and all other agreements, and performance of all obligations to be performed by you, you hereby grant to us a security interest in all of your assets, including all equipment, furniture, fixtures, signs, customer lists used in the operation of the School, as well as all proceeds of the foregoing (the "Collateral"). You warrant and represent that the security interest granted hereby is prior to all other security interests in the Collateral except bona fide purchase money security interests, or security interests held by financial institutions, if any, to which we have provided a written subordination. You agree not to remove the Collateral, or any portion thereof, from the Premises without our prior written consent. Upon the occurrence of any event entitling us to terminate this Agreement or any other agreement between the parties, we shall have all the rights and remedies of a secured party under the Uniform Commercial Code of the State in which the School is located, including the right to take possession of the Collateral. You authorize us to file one or more financing statements to perfect our security interest in and to the Collateral

and agree to execute and deliver to us financing statements or such other documents as we reasonably deem necessary to perfect our interest in the Collateral within 10 days of your receipt of such documents from us.

23. NOTICES

Except as permitted in Section 21.1 above, any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, private delivery, courier service, to the respective parties at the addresses shown in the opening paragraph of this Agreement, unless and until a different address has been designated by written notice to the other party, if to us, at our corporate address, and if to you, at the School address, or to the address in your application if the School address has not been determined or such other address as either party may notify the other in writing. All notices shall be deemed, delivered, if by U.S. Mail, on the 3rd day after mailing, or on the date of actual receipt if proof of receipt is available, and if by courier, on the date of indicated delivery by the courier.

24. ENTIRE AGREEMENT

This Agreement, the attachments hereto, and the documents referred to herein constitute the entire Agreement between us and you concerning the subject matter hereof, and supersede any prior agreements, no other representations having induced you to execute this Agreement. Except for those permitted to be made unilaterally by us hereunder, no amendment, change, or variance from this Agreement shall be binding on either of us unless mutually agreed to and executed by you and our authorized officers or agents in writing. Nothing in this or any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

25. SEVERABILITY AND CONSTRUCTION

25.1 Severability. If, for any reason, any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions, and/or covenants of this Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions, and/or covenants shall be deemed not to be a part of this Agreement.

25.2 Survival. Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), shall survive such expiration, termination or assignment, including Sections 10, 17, and 26.

25.3 No Rights or Remedies Conferred. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than us and you any rights or remedies under or by reason of this Agreement.

25.4 Promises and Covenants. You agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any

provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court, arbitrator, or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an unappealed final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court or agency order. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement, and are not binding on us.

25.5 Captions and Headings. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

25.6 Construction. Wherever we have reserved the right to take action "in our discretion," we may do so in our "sole" discretion unless otherwise provided. References in this Agreement to "including" mean "including, without limitation" or "including but limited to," as the context requires, unless otherwise provided. This Agreement may be executed in multiple copies, each of which will be deemed an original. Signatures delivered by facsimile or electronically shall be deemed and have the same force as an original.

26. APPLICABLE LAW

26.1 Applicable Law. This Agreement shall be interpreted and construed exclusively under the laws of the State of California without regard to the application of California conflict-of-law rules. If, however, any provision of this Agreement would not be enforceable under the laws of California and if you are located outside of California and such provision would be enforceable under the laws of the state in which you are located, then such provision shall be interpreted and construed under the laws of that state.

26.2 Arbitration. Except as otherwise provided herein, any dispute, claim or controversy arising out of or relating to this Agreement, the breach hereof, the rights and obligations of the parties hereto, or the entry, making, interpretation, or performance of either party under this Agreement shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules. Such arbitration shall take place before a sole arbitrator in Santa Clara County, California, or in any other county as our corporate offices relocate, or in a county where your School is located, at our discretion, and you agree not to file an objection to such locale. Judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. The arbitrator shall award all of the costs of the arbitration, including the fees of the arbitrator and the reasonable attorneys' fees of the prevailing party, against the party who did not prevail. This agreement to arbitrate shall survive any termination or expiration of this Agreement. A party who is related to you, or a current or former employee, (or an entity owned by a party related to you, or a current or former employee) is involved in a dispute under this Agreement may be added as a party to the arbitration, to the extent it would facilitate a more expeditious proceeding, if such other party has specific involvement with the facts being disputed. The arbitrator shall not have the power to vary or change the terms of the royalty or Brand Fund or other required payments for use of our trademarks and proprietary information.

26.3 Jurisdiction and Venue. Notwithstanding the above, we reserve the right to bring any actions for trademark infringement, or enforcement of the prohibitive covenants, at our discretion, by way of in the Courts of Santa Clara County, California, or the County you are located in. You waive all objections to personal jurisdiction or venue for purposes of this Section, and agree that nothing in this Section shall be deemed to prevent us from removing an action brought by you from state court to federal court, or from bringing a motion to compel arbitration.

26.4 No Exclusivity. No right or remedy conferred upon or reserved to us or you by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

26.5 Injunctive Relief. Nothing in this Agreement shall bar our right to obtain injunctive relief from any court of competent jurisdiction against threatened conduct that will cause us loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions.

26.6 Limitation of Claims. You agree that any and all claims you have against us arising out of, or relating to, this Agreement may not be commenced unless you bring them before the earlier of (a) the expiration of one (1) year after the act, transaction, or occurrence upon which such claim is based; or (b) one (1) year after this Agreement expires or is terminated for any reason. You agree that any claim or action not brought within the periods required under this Section shall forever be barred as a claim, counterclaim, defense, or set off.

26.7 WAIVER OF RIGHT TO A JURY AND PUNITIVE DAMAGES. YOU AND WE KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE OUR RESPECTIVE RIGHTS TO A TRIAL BY JURY AND WAIVE ANY CLAIM FOR PUNITIVE, MULTIPLE, AND/OR EXEMPLARY DAMAGES, EXCEPT THAT WE SHALL BE FREE AT ANY TIME HEREUNDER TO BRING AN ACTION FOR WILLFUL TRADEMARK INFRINGEMENT AND, IF SUCCESSFUL, TO RECEIVE AN AWARD OF MULTIPLE DAMAGES AS PROVIDED BY LAW.

27. REPRESENTATIONS AND ACKNOWLEDGEMENTS

27.1 You acknowledge that under applicable U.S. law, including Executive Order 13224, signed on September 23, 2001 (the "**Anti-Terrorism Order**"), we are prohibited from engaging in any transaction with any person engaged in, or with a person aiding any person engaged in, acts of terrorism, as defined in the Anti-Terrorism Order, the text of which is published at the Internet website address, www.ustreas.gov/offices/enforcement/ofac. IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement to be effective upon the signature of the Franchisor.

THECODERSCHOOL FRANCHISE AGREEMENT

CONFIDENTIALITY AND NON-COMPETITION AGREEMENT

This Agreement is between The Coder School San Francisco, LLC ("Franchisor") and the undersigned, (Franchisee").

In consideration of my being a franchisee of theCoderSchool franchise system, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that:

By agreement dated _____ 20__ ("Franchise Agreement") between the Franchisee and The Coder School San Francisco, LLC, the Franchisee has acquired the right and obligation to establish and operate theCoderSchool business (the "School") under the Franchisor's trade names, service marks, trademarks, trade dress, logos, emblems, and indicia of origin (the "Proprietary Marks") and the Franchisor's unique and distinctive format and system relating to the establishment and operation of theCoderSchool businesses (the "System"), as they may be changed, improved and further developed from time to time in the Franchisor's sole discretion.

1. The Franchisor possesses certain confidential information, knowledge or know-how concerning the methods of operation of the School, including operating manuals and teaching programs, methods and materials, which may be communicated to the Franchisee or of which the Franchisee may be apprised by virtue of the Franchisee's operation under the terms of the Franchise Agreement (the "Confidential Information"). Any and all information, knowledge, know-how, and techniques which the Franchisor specifically designates as confidential shall be deemed to be Confidential Information for purposes of the Franchise Agreement and this Agreement.

2. I understand and acknowledge that, as a Franchisee, the Franchisor will disclose Confidential Information to me in furnishing to me initial and ongoing training, the operating manual, and other general assistance during the term of the Franchise Agreement.

3. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchisee's business and the School during the term of the Franchise Agreement, and I understand and acknowledge that the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

4. I understand and acknowledge that the Confidential Information is proprietary to the Franchisor, involves trade secrets of the Franchisor, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I will hold in strict confidence all Confidential Information and all other information designated by the Franchisor as confidential. Unless the Franchisor otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my owning and operating the School.

5. Except as otherwise approved in writing by the Franchisor, I will not, during the term of the Franchise Agreement, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any business which: (a) is substantially similar to theCoderSchool business; or (b) offers or sells services that are the same as or similar to the services being offered by theCoderSchool business under the System, including computer programming instruction, and for two (2) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any business which: (a)(i) is substantially similar to theCoderSchool business; or (ii) offers or sells services that are the same as or similar to the services being offered by theCoderSchool business under the System, including computer programming instruction, and (b) is, or is intended to be, located at or within: (i) the Territory, which I acknowledge has been described to me; or (ii) ten (10) miles of any theCoderSchool business operating under the System and the Proprietary Marks.

6. The prohibitions in this Section 6 do not apply to my interests in or activities performed in connection with theCoderSchool business. This restriction does not apply to my ownership of less than five percent beneficial interest in the outstanding securities of any publicly-held corporation.

7. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Franchisor is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

8. I understand and acknowledge that the Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

WHEREAS, the Company possesses certain confidential information pertaining to its businesses, and the Franchisor's business; and,

WHEREAS, the Recipient may, from time to time, receive a disclosure of such confidential information from the Company or its agents, consultants or affiliates or the Franchisor for the purpose of enabling the Recipient to perform its duties, and,

THEREFORE, the Recipient agrees to hold in confidence and to refrain from the unauthorized use of Confidential Information (as hereinafter defined) as set forth below:

1. Confidential Information.

(a) As used herein, "Confidential Information" means information about the Company, and the franchised business, and all information received from the Franchisor, in whatever format, furnished to the Recipient pursuant to his or her employment or as a result of such employment, by or on behalf of the Company, including, but not limited to, information regarding policies and procedures; concepts; tools; techniques; contracts; business records; marketing information and plans; demographic information; operations; basic store inventory; sales; costs; employees; vendors; suppliers; expansion plans (e.g. existing, and entry into new, geographic and/or product markets); location of stores and offices (including proposed locations); lawsuits and/or claims; management philosophy; customer lists; rental activity reports; sell-through activity reports; and confidential information received from third parties pursuant to a confidential disclosure agreement,

(b) Confidential Information does not include information that (i) was available to the public prior to the time of disclosure, (ii) becomes available to the public through no act or omission of the Recipient, or (iii) communicated rightfully to Recipient free of any obligation of nondisclosure and without restriction as to its use. Recipient shall bear the burden of demonstrating that the information falls under one of the above-described exceptions.

2. Non-Use and Non-Disclosure.

Recipient agrees to (i) hold the Confidential Information in confidence and refrain from disclosing Confidential Information, or transmitting any documents or copies containing Confidential Information, to any other party except as permitted under the terms of this Agreement, (ii) use the Confidential Information only to assist the Recipient in performing such Recipient's duties, and will not disclose any of it except to the Recipient's directors, officers, employees and

Recipient shall use at least the standard of care with respect to protecting the Confidential Information that it accords or would accord its own proprietary and confidential information.

3. Ownership and Implied Rights.

All Confidential Information shall remain the exclusive property of the Company or the Franchisor and nothing in this Agreement, or any document, or any course of conduct between the Company and the Recipient, shall be deemed to grant the Recipient any rights in or to the Confidential Information, or any part thereof.

4. Restrictions on Copying.

Recipient shall not make any copies of any Confidential Information, except as may be strictly necessary for Recipient to perform its duties. Any copies made by Recipient shall bear a clear stamp or legend indicating their confidential nature. Recipient shall not remove, overprint or deface any notice of copyright, trademark, logo, or other notices of ownership from any originals or copies of Confidential Information.

5. Return of Materials.

At the request of the Company at any time, and upon termination of Recipient's employment or contractor relationship, the Recipient shall promptly return to the Company all Confidential Information that may be contained in printed, written, drawn, recorded, computer disk or any other form whatsoever which is in the possession or control of the Recipient or the location of which is known by the Recipient, including all originals, copies, reprints and translations thereof and any notes prepared by the Recipient or its Representatives in connection with the Confidential Information.

6. Breach.

(a) In the event of Recipient's breach of its obligations under this Agreement or any other agreement with the Company, Company shall have the right to (i) demand the immediate return of all Confidential Information, (ii) recover its actual damages incurred by reason of such breach, including, but not limited to, its attorneys' fees and costs of suit, (iii) obtain injunctive relief to prevent such breach or to otherwise enforce the terms of this Agreement, and (iv) pursue any other remedy available at law or in equity.

(b) The Recipient recognizes that the Company would suffer irreparable harm for which it would not have an adequate remedy at law if the Recipient were to violate the covenants and agreements set forth herein. Accordingly, the Recipient agrees that the Company shall be entitled to specific performance and injunctive relief as remedies for any such breach and that, in such event, no bond shall be required. This remedy shall be in addition to any other remedy available at law or in equity.

7. Governing Law.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN STRICT ACCORDANCE WITH THE SUBSTANTIVE LAW OF THE STATE OF CALIFORNIA (OR THE STATE THE COMPANY IS LOCATED IF NOT CALIFORNIA) WITHOUT REFERENCE TO CONFLICT OF LAW RULES. Any failure on the part of the Company to insist upon the performance of this Agreement or any part thereof, shall not constitute a waiver of any right under this Agreement. No wavier of any provision of this Agreement shall be effective unless in writing and executed by the party waiving the right. If any provision of this Agreement, or the application thereof to any person or circumstance shall, for any reason or to any extent, be invalid or unenforceable, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby, but rather shall be enforced to the greatest extent permitted by law.

The Recipient further acknowledges that the Confidential Information is unique to the business of the Company and would not be revealed to Recipient were it not for its willingness to agree to the restrictions set forth herein.

STATE ADDENDA

(See Attached)

THE CODER SCHOOL SAN FRANCISCO, LLC
MULTI-STATE ADDENDUM TO
DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

CALIFORNIA

Item 17. Item 17 of the disclosure document is amended to provide as follows:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Any interest rate charged to a California franchisee shall comply with the California Constitution. The interest rate shall not exceed either (a) 10% annually or (b) 5% annually plus the prevailing interest rate charged to banks by the Federal Reserve Bank of San Francisco, whichever is higher.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Orange County, California with the costs being borne equally by both parties. Franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement that restricts venue to a forum outside of California.

For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

YOU MUST SIGN A GENERAL RELEASE IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE SECTION 31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE SECTIONS 31000 THROUGH 31505). BUSINESS AND PROFESSIONS CODE SECTION 20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE

FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE SECTIONS 20000 THROUGH 20043).

Neither the Franchisor, nor any person in Item 2 of the disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all its pre-opening obligations and franchisee is open for business. For any development agreement, the payment of the development and initial fee attributable to a specific unit is deferred until that unit is open.

OUR WEB SITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEB SITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

Under California's Child Abuse and Neglect Reporting Act, certain businesses qualify as "youth service organizations" because they directly contact and supervise children as part of educational services they provide to those children. Your School may qualify as a youth service organization under this definition, which will make your employees who directly supervise children mandated reporters of child abuse or neglect. Those employees will be subject to specific state-mandated background checks (starting in 2024) and to training in identifying and reporting child abuse and neglect. California also requires businesses that provide services to minors to provide a written notice to parents or guardians about the business's policies regarding criminal background checks for employees. That notice must disclose whether the background checks

include state and federal criminal history information and the types of offenses that the business searches for in those background checks.

FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

The Department of Commerce and Consumer Affairs has imposed a financial condition. The Franchisor has agreed to defer the collection of all initial fees in Hawaii until the Franchisor has performed all of its pre-opening obligations to the Franchisee and the Franchisee has commenced doing business. Therefore, you would instead pay the initial franchise fees described in Item 5 to the Franchisor when your business opens. However, you would still be required to enter into a franchise agreement in order to be granted a franchise.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal of an agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or other law of Illinois is void.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The initial franchise fee is deferred until the franchisor has completed all of its pre-opening obligations and the franchisee is open for business. The Illinois Attorney General imposed the deferral requirement because of the Franchisor’s financial condition.

MARYLAND AMENDMENT TO FRANCHISE DISCLOSURE DOCUMENT

Item 5: Item 5 of the disclosure document and the franchise agreement are hereby amended to add: Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

Item 17: Item 17 of the disclosure document is amended to provide as follows:

The Franchise Agreement provides for termination if you are insolvent under any applicable state or federal law. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Section 101 et seq.).

The Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

The general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claim under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable."

Section 26 of the Franchise Agreement is amended to add, "Notwithstanding the anything to the contrary herein, any limitation on the period of the time arbitration and/or litigation claims must be brought shall not act to reduce the 3 year statute of limitations afforded a franchisee for bringing claims arising under the Maryland Franchise Law."

Acknowledgments. Section 27 of the Franchise Agreement is amended to add, "All representations requiring a prospective franchisee to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law."

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claim under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

NEW YORK

The following information amends the Franchise Disclosure Document or Franchise Agreement, as indicated, for franchisees in New York.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE OFFERING CIRCULAR IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following information is to be added to ITEM 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national

securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Section 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”: You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” section of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”: The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

NORTH DAKOTA

Sections of the Franchise Disclosure Document and Franchise Agreement containing covenants restricting competition may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement require resolution of disputes to be outside North Dakota. The Commissioner has held that requiring franchisees to consent to the jurisdiction of courts outside of North Dakota is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. As a result, these provisions may not be enforceable, and are amended accordingly to the extent required by law.

Sections of the Franchise Disclosure Document and Franchise Agreement requiring you to consent to the waiver of a trial by jury may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

Sections of the Franchise Disclosure Document and Franchise Agreement requiring you to sign a general release upon renewal of the franchise agreement may not be enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law, and are amended accordingly to the extent required by law.

The Franchise Disclosure Document and the Franchise Agreement require arbitration to be outside North Dakota. The Commissioner has held that requiring franchisees to consent to arbitration that is remote from the site of the franchisee's business is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. As a result, this provisions may not be enforceable, and is amended accordingly to the extent required by law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

VIRGINIA

Item 5. Item 5 of the disclosure document is amended to include the following:

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

The following statements are added to Item 17.h.:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any

such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise

19. **No Warranties or Guarantees Provision.** Section 21.2 of the Franchise Agreement titled “No Warranties or Guarantees” shall not apply to franchisees located in the State of Washington.

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

Exhibit H to the Franchise Disclosure Document is amended to state that the General Release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

The undersigned does hereby acknowledge receipt of this addendum.
