What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit “F.”

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation only in Florida. Out-of-state mediation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate with the franchisor in Florida than in your own states.
2. **Financial Condition**. The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Spousal Liability**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Mandatory Minimum Payments**. You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments, may result in termination of your franchise and loss of your investment.
5. **Sales Performance Required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Our Franchise Program

i9 Sports® Franchises create and supervise youth amateur sport leagues, camps, tournaments, sport clinics, child development, after-school programs, sport or social activities, umpire/referee training, sport-related training programs, and other related products or services that we may develop (as applicable, collectively, the “**Services**”), and market and sell products that we designate or approve, like uniforms, jerseys, t-shirts, jackets, shorts, trophies, medals/pins, awards, hats, caps, sporting equipment and supplies, apparel, beverages and food, and other products we designate or approve from time to time (collectively, the “**Products**”), within a defined geographic area (the “**Network Area**”). We refer to events or activities relating to youth sports-related leagues, tournaments, camps, clinics, training programs (including umpire or referee training programs), or activities; youth after-school programs; youth social activities, events, or camps; and similar events or activities that we designate or approve that are conducted by i9 Sports® Franchises as “**Events**.”

We only permit you to provide the Services to individuals under the age of 18 (“**Participants**”) and only permit you to market the Products and Services to adult parents or guardians (“**Customers**”). Customers purchase products or services on behalf of Participants (e.g., parent or guardian registers a child for an Event or purchases a related Product or Service). You may not offer any other Product or Service to Customers, including, but not limited to, coaches and/or parent games.

At times in this Disclosure Document, we refer to our franchisees as “**Area Developers**” and the form of agreement you must execute to own and operate an i9 Sports® Franchise as an “**Area Developer Agreement**.” This is because we expect you to actively develop your Network Area and use your best efforts to promote and advertise the Services, Products and Events that you will be offering through your i9 Sports® Franchise to customers located within your Network Area. Please note that our form of franchise agreement, or “**Area Developer Agreement**,” only grants you the right to operate a single i9 Sports® Franchise within the Network Area we grant to you.

Each i9 Sports® Franchise uses our distinctive business format and set of specifications and operating procedures (collectively, the “**System**”). The distinguishing characteristics of the System include our guidelines, methods, policies, procedures, league systems, standards, requirements, and specifications that we establish (collectively, the “**System Standards**”); confidential operations manual and various other confidential manuals and writings prepared by us for your use in operating an i9 Sports® Franchise (collectively, the “**Manual**”); confidential information; e-commerce systems; methods for affiliation with public and private sector organizations; Computer System (as defined below); Billing System (as defined below); automated registration program; training programs; and business relationships. We may register, change, cancel, alter, amend, further improve, discontinue, develop or otherwise modify elements of the System from time to time.

We have established and operate a technology-based system for (i) administrative, customer account coordination, billing, revenue collection and commission payment services; and (ii) Product or Service ordering, billing and distribution, (collectively, the “**Billing System**”). The Billing System is a key component to your i9 Sports® Franchise operations. You will enter into agreements with Customers where you will provide Products and Services. A critical part of the Billing System is the interactive website(s), our cloud-based franchise management software (“**Franchise Manager Software**”), and related web pages and links. Customer registration, payment and coordination must take place via the Billing System and the applicable website we designate (e.g., www.i9sports.com or others we may designate).

We identify the System by means of certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including, but not limited to, the mark “i9 Sports®,” distinctive trade dress and such other trade names, trademarks, and service marks as we now or in the future may designate in writing for use in connection with the System (the “**Marks**”). We continue to develop, use, and control the use of such Marks in order to identify for the public the source of products and services marketed under the System, and to represent the System's high standards of quality, appearance and service.

The types of sports you are currently authorized to provide products and services for include flag football, basketball, soccer, baseball, volleyball, and tennis (the “**Authorized Sports**”). You may only offer the Authorized Sports, Products, Services and Events designated in your Network Area in accordance with your Area Developer Agreement and our Manual. We have the right at any time to add, delete, or modify the type, timing, or number of Authorized Sports that you may offer or the age of Participants who can participate in Events.

From time to time, we or our affiliates may enter into a sponsorship or licensing arrangement (a “**Sponsorship Program**”) with third parties (“**Sponsors**”) in which the Sponsor agrees to sponsor certain programs nationwide or in certain markets in exchange for us, our affiliates, and/or our franchisees licensing and displaying the Sponsor’s logo on uniforms, signage, marketing materials, and other items or providing the opportunity for the Sponsor to offer or promote products or services to Customers or Participants. We may, in our sole discretion, require you to, or offer you the option to, participate in certain Sponsorship Programs, which may require you to enter into separate participation or licensing agreements (“**Program Agreements**”). Currently, we and our affiliate, USSC, have a Sponsorship Program in which our franchisees may opt in to offering Nike® Kids Camps Powered by i9 Sports, which are multi-sport camps that are designed and supported by our affiliate, USSC (“**Nike Kids Camps**”). To offer Nike Kids Camps, you must sign a Program Agreement with USSC, the current form of which is attached as Exhibit I to the Area Developer Agreement. We may add, modify, or discontinue Sponsorship Programs or related Program Agreements at any time.

You must appoint an individual owner with at least a 10% ownership interest in your Franchised Business or franchisee entity as your “**Operating Principal**.” If you are the only individual signing the Area Developer Agreement or the sole owner of your franchisee entity, you will serve as the Operating Principal. If there are multiple individuals signing the Franchise Agreement or multiple owners of your franchisee entity, you must select one of them to serve as the Operating Principal. Your Operating Principal must have authority over all business decisions related to your Franchised Business and must have the power to bind you in all dealings with us. In addition, you must appoint a manager to actively manage the day-to-day operations of your Franchised Business on a full-time basis (the “**Key Manager**”). Your Operating Principal or one of your employees may serve as your Key Manager. Your Key Manager may not serve in such role for more than one i9 Sports® Franchise. Your Operating Principal and Key Manager must satisfy any standards that we require for their position, including successfully completing any training programs we require, and must receive our written approval prior to their appointment.

You will recruit, train and develop event coordinators, coaches, volunteers, officials, operations staff and other personnel needed to conduct the Events (“**Event Personnel**”). You will also establish training programs to teach Customers how to help you conduct and develop the Events and to work with Event Personnel (“**Customer**

Liaisons”). You and the Customers agree on the fees paid to you for development or operation of an Event, the sale or distribution of the Products or performing, rendering or providing the Services.

You may not market, offer, or sell the Products and the Services until the date on which your Required Trainees (as defined in Item 11) successfully complete our Phase I Training (as defined in Item 11) (the “**Business Launch Date**”). After the Business Launch Date, you must begin actively soliciting registrations for Events. You must complete additional training programs and obtain 100 registrations before you may begin conducting Events and providing the Services to Participants. We refer to the date that you begin conducting Events and providing the Services to Participants as the “**Service Start Date.**”

Competition

You may compete with other sports franchise systems, or similar non-franchised sports and recreational organizations or systems, and may face competition from locally, regionally or nationally recognized sports associations. You may also face competition from public, private, and not-for profit organizations which currently operate amateur sports programs and sell sporting related products or services via store front, mail order, catalogue or the internet. The Products and Services you offer to the general public, organizations or municipalities may be similar to those already offered by others. The market for amateur sports, recreation, sport and social events, sports training, officials training, internet, mail order catalogue and store front sporting products and apparel sales and the like is relatively undeveloped or highly fragmented in some areas and developed in other areas, depending on the number and types of businesses operating or offering such events or products in the particular area.

Specific Industry Laws

You must comply with all laws and regulations pertaining to the provision of youth sports leagues and instruction, including, without limitation, all government regulations relating to occupational hazards and health, consumer protection, trade regulations, use of public facilities (like parks and sports complexes), educational standards, public safety, and certain health, sanitation, food, safety, state and local concussion protocols and player safety regulations, and fire standards. Your i9 Sports Franchise will also be subject to laws or regulations that are not specific to the youth sports industry, but applicable to businesses in general, including zoning laws, labor laws and the Fair Labor Standards Act, workers’ compensation laws, business licensing laws, tax regulations, the Americans with Disabilities Act, and the federal Child Online Privacy Protection Act (COPPA), which will regulate the manner in which you and we gather information relating to Participants.

You must also comply with all child safety laws and regulations. In addition, you are required to authorize us, at any time, to conduct a criminal background check on you, and each of your Event Personnel and employees will be required to undergo criminal background checks completed by you as well.

ITEM 3
LITIGATION

Actions Involving the Franchise Relationship

Valley Youth Sports, LLC and Finest City Youth Sports LLC v. i9 Sports, LLC, Youth Enrichment Brands, LLC, Bill Sixsmith, Lincoln Sports Group, LLC, and Does 1 through 50 (C.A. Superior Court for the County of San Diego, Case No. 25CU052140C, filed 9/29/2025). On September 29, 2025, two franchisees under common ownership (“**Plaintiffs**”) filed a lawsuit against us, YEB, and another Area Developer alleging that we and YEB had permitted the other Area Developer to operate i9 Sports programs in the Plaintiffs’ exclusive territories and to operate without adequate insurance. The Plaintiffs are seeking compensatory and punitive damages and injunctive

relief and have asserted the following claims: breach of contract, breach of the implied covenant of good faith and fair dealing, violation of the California Franchise Relations Act, violation of the California Unfair Competition Law, violation of the California False Advertising Law, intentional interference with prospective economic advantage, and common law unfair competition.

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. ("DBI"), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees and/or DBI's employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and DBI from hiring each other's employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties' stipulation of judgment.

New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General ("NYAG") filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals' credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin' gift card. The NYAG further alleged that DBI failed to

adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

In the Matter of Jimmy John’s Franchisor SPV LLC (Securities Commissioner of Maryland, Case No. 2025-0122). On March 28, 2022, Jimmy John’s Franchisor SPV LLC (“**JJF**”) filed a Franchise Disclosure Document (FDD) with the Maryland Securities Division as part of a notice of exemption from franchise registration. In this filing, JJF listed the former franchisees but omitted the required contact information for the majority of those franchisees. The Maryland Securities Commissioner asserted that this omission violated the Maryland Franchise Registration and Disclosure Law, the Federal Trade Commission Franchise Rule, and the North American Securities Administrators Association Guidelines, all of which require franchisors to provide contact information for former franchisees in their FDDs. JJF asserted that the omission was inadvertent and not material, but, in order to avoid the time commitment and expense of administrative or judicial proceedings, the Maryland Securities Commissioner and JJF entered into a Consent Order on June 9, 2025. Under the terms of the Consent Order, JJF agreed to pay a \$30,000 civil monetary penalty, permanently cease and desist from the offer or sale of franchises in violation of the Maryland Franchise Law, and disclose the existence of the Consent Order in future franchise disclosure documents.

ITEM 4 **BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 **INITIAL FEES**

We offer two purchase options: (i) a 10-year agreement (“**10-Year Agreement**”); and (ii) a 5-year agreement (“**5-Year Agreement**”). For the purposes of this disclosure document, provisions that apply to both purchase options will use the defined term “Area Developer Agreement”. In the 10-Year Agreement, the initial fees payable to us when you sign the Area Developer Agreement include both the Franchise Fee and the Territory Fee (as both terms are defined below) in a lump sum amount of \$39,900. In the 5-Year Agreement, only the Territory Fee is required as an initial fee when you sign the Area Developer Agreement. The initial fees for both options are as follows:

PURCHASE OPTIONS	FRANCHISE FEE	TERRITORY FEE	TOTAL INITIAL FEES
10-Year Agreement	\$24,900	\$15,000	\$39,900
5-Year Agreement	\$500 per month	\$15,000	\$16,500

Franchise Fee

In connection with the 10-Year Agreement, we charge a non-refundable franchise fee (the “**Franchise Fee**”) of \$24,900 which is payable to us in a lump sum when you sign the Area Developer Agreement. In connection with the 5-Year Agreement, we charge a monthly non-refundable Franchise Fee of \$500 for the term of the 5-Year Agreement. Beginning the first calendar month after you sign the 5-Year Agreement, the monthly Franchise Fee will be deducted via our Billing System and electronic fund transfer (“**EFT**”). Because there may be up to 3 months

from the time you sign the Area Developer Agreement until the Business Launch Date, we estimate that you will pay 3 months' worth of the monthly franchise fee due under the 5-Year Agreement prior to the Business Launch Date, which would total \$1,500. The \$1,500 paid in monthly Franchise Fees under the 5-Year Agreement plus the \$15,000 Territory Fee total \$16,500 in total initial fees prior to the Business Launch Date. If you do not successfully complete our Phase I Training within 3 months of signing the Area Developer Agreement, you will incur additional monthly franchise fees prior to the Business Launch Date.

The Franchise Fee, whether paid initially as a lump sum in connection with a 10-Year Agreement or monthly in connection with a 5-Year Agreement, is fully earned upon payment, and is non-refundable under any circumstances. If your Area Developer Agreement is terminated for any reason or you elect to transfer a 5-Year Agreement before you have paid the balance of the Franchise Fee, payment of the remaining balance will be due immediately upon such termination or transfer. The Franchise Fee includes the cost for us to train up to two persons at our headquarters in Florida or a designated training facility, technology license to use the Franchise Manager Software, website customization, software configuration, and set-up and installation.

The Franchise Fee is uniformly imposed on our franchisees, except that you will be entitled to a 10% discount on our then-current Franchise Fee you must pay if: (i) you are an existing franchisee; and (ii) you decide to enter into our then-current 10-Year Agreement for an additional i9 Sports Franchise (provided you meet our then-current criteria to become a multi-unit operator).

We also participate and support the International Franchise Association's VetFran program which provides special financial incentives to U.S. Armed Forces veterans. If you are a veteran of the U.S. Armed Forces, we will discount 10% (\$2,490) off the \$24,900 Franchise Fee due in connection with a 10-Year Agreement.

Territory Fee

We charge a non-refundable territory fee in the amount of \$15,000 (the "Territory Fee"). The Territory Fee is due in lump sum when you sign an Area Developer Agreement.

Other Relevant Disclosures

The fees described above in this Item are: (i) deemed fully earned upon receipt and non-refundable under all circumstances; and (ii) uniformly imposed on our franchisees.

1. Unless otherwise indicated, all fees are imposed by and payable to us. All fees are non-refundable and are uniformly imposed on our franchisees. We may require you to pay any fees to us via electronic funds transfer and via the Billing System.
2. We may, at our option, operate the Billing System through the e-commerce methods we may designate. Through the Billing System, we may host some or all of the billing and invoicing for the Products and the Services you sell or provide through the i9 Sports® Franchise. Any of the Products or the Services which we designate for sale or directly to the Customers must be reported to us as per our System Standards. Unless we give you prior written permission to the contrary, all Network Revenues must be paid to you and be deposited directly with you in the manner we designate. At any time, we may choose to alter or amend the types of

Network Revenues that must be paid through the Billing System by designating this change in our System Standards.

3. “**Network Revenues**” means all revenues derived from operating your i9 Sports® Franchise, whether from cash, check, barter, credit or debit card, or credit transactions, including the redemption value of gift certificates redeemed by you regardless of whether those gift certificates are issued by you or someone else. Network Revenues include amounts from, or related to, the use, lease, barter, sale, distribution, rendering, performing, or providing of any products, services, or activities whatsoever, including the Products and Services and any other products, services, or activities that are in any way associated with the System, Marks, Copyrights, or your i9 Sports® Franchise and including any related registration fees or other fees charged to Customers. Network Revenues exclude: (a) all federal, state or municipal sales, use or service taxes collected from Customers and paid to the appropriate taxing authority; (b) Customer refunds, adjustments, credits and allowances actually made by you, if approved by us; (c) complimentary products or sales actually provided to Customers or others, if approved by us; (d) the value of gift certificates and amounts paid for them, if approved by us; (e) the amount of over-rings, allowances, discounts to Customers, tips to employees (including discounts attributable to coupon sales, provided they have been included in Network Revenues); and (f) any revenue related to products sold by us or our affiliates directly to Customers through an e-commerce site (“**Online Retail Products**”), including any commissions or payments that we may make to you related to such Online Retail Product sales.
4. We currently require you to collect all types of Network Revenues via a merchant account and gateway we designate or approve, and if we do so you must pay the Royalty Fee, National Brand Fund Contributions, and Customer Service Center Fee due on them to us via EFT, on or before each payment day we designate (the “**Payment Day**”), if and as required by us. We reserve the right to change the interval of the Payment Day in the future. We reserve the right to require you to send us reports, at an interval we designate, of your Network Revenues if we cannot independently access the Network Revenues or any other financial/Customer information related to the operation of your i9 Sports® Franchise through the Billing System, your Computer System, or otherwise.

We reserve the right to require Customers to pay us directly for the sale or distribution of the Products and Services. In that instance, we or our designee will: (i) invoice Customers for all Products and Services provided through your i9 Sports Franchise since the date invoices were last issued; (ii) remit to you your Network Revenues that were actually collected during the immediately preceding month via EFT net of (a) Royalty Fee, (b) National Brand Fund Contribution, (c) Customer Service Center Fee, (d) credit card processing fees, (e) Mandatory Insurance Program Fees, and (f) any other amounts due and owing to us for services rendered to you within the Network Area during the immediately preceding month (currently, we intend to remit this amount on or about the 1st of each month). If we opt to have Customers pay us directly, you will not be required to maintain merchant account and gateway services.

We shall have the right to charge you an insufficient funds fee of \$25.00 per occurrence for insufficient EFT funds. Three or more charges of insufficient funds within any 12-month period will be a default under the Area Developer Agreement.

5. We will use the Technology Fee to defray our costs of developing, implementing, upgrading, operating, maintaining, supporting, or providing any technology-related products, services, programs, systems, or platforms that we, in our sole discretion, deem appropriate. We may add, delete, or otherwise modify the products, services, programs, systems, and platforms that are funded by the Technology Fee from time to time.
6. You must participate in the Mandatory Insurance Program, and you must submit any applications or sign any participation agreements required by the Designated Insurer to participate in such programs and pay all associated fees and premiums (“**Mandatory Insurance Program Fees**”). If you choose participate in certain Sponsorship Programs, you must participate in an additional insurance coverage program as part of our Mandatory Insurance Program. Currently, we deduct the Mandatory Insurance Program Fees from your Network Revenues the first time that a player registers for a program during the applicable insurance policy year and pay it to the Designated Insurer on your behalf. The fee is currently collected one time per insurance

policy year for each unique player/registrant no matter how many programs such individual registers for in such year. In the future, we may (i) require you to pay the Mandatory Insurance Program Fees directly to the Designated Insurer or (ii) collect the Mandatory Insurance Program Fees from you as a separate fee. We may at any time change, in our sole discretion, (a) the Designated Insurer, (b) the amount, method of payment, or timing of payment of the Mandatory Insurance Program Fees, and/or (c) the coverage that is included in the Mandatory Insurance Program. We may, in our sole discretion, discontinue the Mandatory Insurance Program at any time upon 60 days' written notice to you, in which case you will be responsible for procuring insurance that meets our minimum requirements.

7. If we determine in our sole judgment that the operation of your business is in jeopardy, or if a default occurs, then in order to prevent an interruption of the franchised business which would cause harm to the System and thereby lessen its value, you authorize us to operate your business for as long as we deem necessary and practical, and without waiver of any other rights or remedies which we may have under this Agreement. In our sole judgment, we may deem you incapable of operating the franchised business if, without limitation, you are absent or incapacitated by reason of illness or death; you have failed to pay when due or have failed to remove any and all liens or encumbrances of every kind placed upon or against your business; or we determine that operational problems require that we operate your business for a period of time that we determine, in our sole discretion, to be necessary to maintain the operation of the business as a going concern.
8. If you fail to comply with any of the System Standards or any provision of the Area Developer Agreement, in addition to any other remedies we may be entitled to, we may charge you one or more non-compliance fees upon written notice to you. The non-compliance fees (i) shall be specified in the Manual or otherwise in writing and may be changed from time to time, provided that the fee per violation shall not exceed \$1,000, (ii) may be charged repeatedly (as frequently as daily) if the non-compliance is ongoing, and (iii) may vary based on the severity of the defaults, the number of the defaults, and whether the defaults have been repeated. If you fail to make a payment when due, we will not charge a non-compliance fee, other than the interest and late charge described above, for such non-compliance.
9. You may increase the size of your Network Area by purchasing additional territory during the term of your Area Developer Agreement, provided you: (i) pay our then-current Territory Fee for the amount of additional territory you wish to purchase; (ii) enter into our prescribed form of addendum to your Area Developer Agreement, under which we will grant you the additional territory (the "**Addendum**"); and (iii) meet our then-current prerequisites for the right to purchase additional territory, as set forth in our Manual. The minimum population that can be purchased is 5,000 children. A zip code with fewer children must be bundled with other zip codes bringing the total number of children to or above 5,000, or the zip code may not be purchased. If an Area Developer wishes to purchase a zip code with more than 5,000 children, then the purchase price will equate to \$1.00 per child (for example, an area with 6,235 children would have a purchase price amounting to \$6,235.00).
10. Bookkeeping fees allow access to our preferred bookkeeping partners to access and pull select monthly financial reports from the Franchise Manager Software. Level 4 provides access to email accounts and includes the set-up of one email address. Level 3 adds access to select business accounts, including the Franchise Manager Software and franchisee portal, and the set-up of one email address. Level 2 is available to an owner with a 25% or greater ownership interest in Area Developer and adds access to our online training subscription. All e-mail accounts are subject to the ongoing Email Fees described in the table. Any change in levels incurs a \$25 fee, in lieu of the set-up fee for the new account level.

Explanatory Notes:

1. In the 5-Year Agreement, the Franchise Fee is not paid as an initial fee upon signing but is paid as an ongoing monthly fee over the term of the agreement. The low amount is 3 months' worth of the \$500/month Franchise Fee payable during the initial 3 months after signing the 5-Year Agreement prior to the Business Launch Date. If you do not successfully complete our Phase I Training within 3 months of signing the Area Developer Agreement, you will incur additional monthly franchise fees prior to the Business Launch Date. In the 10-Year Agreement, the Franchise Fee of \$24,900 is paid and deemed fully earned upon signing the 10-Year Agreement. We offer a VetFran discount of 10% (\$2,490) off the Franchise Fee for a 10-Year Agreement. This discount is not included in the above Chart B. See Item 5 for more details. If you are an existing i9 Sports franchisee and wish to purchase an additional i9 Sports Franchise, you will be entitled to receive a discounted Franchise Fee (10% of our then-current Franchise Fee) in connection with this additional i9 Sports Franchise, provided: (i) you meet our then-current criteria to own and operate an additional i9 Sports franchise; (ii) enter into our then-current form of 10-Year Agreement; and (iii) also pay us the appropriate Territory Fee upon execution. Please be advised that entering into an Area Developer Agreement does not grant you any automatic right or option to own or operate any additional i9 Sports franchises.
2. The Territory Fee is \$15,000. See Item 5 for more details.
3. The low amount of \$6,000 is the minimum required amount you need to spend on your grand opening advertising to promote your initial sports programs (this is a total amount which will be budgeted over a period 90 days before your Service Start Date) as per our marketing plan System Standards. The high amount of \$8,000 includes additional recommended marketing efforts.
4. Insurance must be obtained to meet the minimum requirements established by the System Standards. This estimate includes the cost to obtain insurance other than the insurance included in the Mandatory Insurance Program, which is paid for through a fee deducted from your Network Revenues. If you fail to obtain the required insurance, our System Standards provide that we may purchase insurance on your behalf and charge you for doing so. See Item 8 for more details.
5. This item includes an estimate of the cost to incorporate as an entity and an initial consultation with an accountant.

6. This item includes a laptop computer, a mobile smartphone (with contracted service), printer, desk, chair, phone/fax, filing cabinets and office supplies. The low end of the range assumes that you use an existing home office space with some of these items already in place or due to purchase of used equipment. The high end of the range assumes that all new equipment is purchased. See Item 11, Computer System/Mobile Smart Phone for the hardware and software requirements. We require you to sign our then current form of Conditional Assignment of Telephone Numbers and Listings in the form attached as Exhibit “D” in the Area Developer Agreement.
7. You must pay for all travel, living expenses and compensation for all persons attending the Phase I Training (as defined in Item 11), Phase II Training (as defined in Item 11), or additional training at our headquarters or designated facility. The cost can vary dramatically due to airfare (including the distance you must travel), lodging (the type of accommodations you choose), and meal costs.
8. The range in the chart reflects the amount of additional working capital you will need during the first three months after your Business Launch Date, including a wide variety of miscellaneous expenses, such as second season marketing, additional payroll costs, costs of maintaining and using your automobile in connection with your business activities, and the cost of purchasing from us additional branded goods that you will use in conducting events, such as uniforms, game-day apparel, field signage, and equipment. We anticipate that you and your personnel will use your personal automobiles to visit Customers, events and to provide certain Products or Services. We have not estimated the cost to purchase or lease vehicles since we assume that personal vehicles will be used. Since we expect most i9 Sports® Franchises to be operated out of existing homes, our estimate does not include leasehold improvements or rent. We have estimated the Additional Funds that you will need based on our affiliates’ experience operating i9 Sports® businesses and the experience of our franchisees.

We and our affiliates do not offer financing in connection with your i9 Sports® Franchise.

ITEM 8 **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

You must operate and develop your i9 Sports® Franchise in strict conformance with our System Standards. Our System Standards are prescribed in in our Manual. We may periodically change our standards and specifications at our sole discretion.

Approved Products, Services, and Suppliers

In order to maintain the quality of the goods and services provided by i9 Sports® Franchises and the reputation of our System, we require you to develop and operate Events and to offer and sell Products and Services in accordance with our specifications. Under the Area Developer Agreement, you must purchase or lease and use only the services, equipment and supplies that we may specify or approve. We provide you with advice and assistance in connection with most aspects of establishing your i9 Sports® Franchise and the Events.

In addition, you must purchase certain products and services from suppliers approved by us (“**Approved Suppliers**”). We issue standards/criteria for these Approved Suppliers which are available to you in the Manual. You must also purchase or lease business materials or services, and other goods, services, supplies, fixtures, equipment, or inventory relating to the establishment or operation of an i9 Sports® Franchise as per our Manual.

Currently, you must purchase the following goods and services from Approved Suppliers, which may include us or our affiliates, and in accordance with our specifications: (i) all goods that bear our Marks, including apparel (t-shirts, polo shirts, jerseys, uniforms, shorts, etc.), venue canopies, flag belts, certain balls and athletic equipment, trophies, medals/pins, awards, certificates, banners, stationary, and all promotional and collateral material (brochures, registration forms, direct mail, posters, flyers, road signage, and other marketing pieces), (ii) criminal

background checks for youth coaches and employees, (iii) financial benchmarking services, (iv) insurance, and (v) certain other services, supplies, assets, products or materials we designate.

Computer Hardware and Software

You must purchase computer hardware and software meeting our standards and specifications prior to the Business Launch Date. Our present computer hardware and software requirements are listed in detail in Item 11 of this Franchise Disclosure Document. Part of your Computer System related activities will relate to merchant accounts and gateway providers for billing purposes. We require you to use an Approved Supplier for merchant account and gateway services to accept Visa, MasterCard, American Express, and Discover card.

Financial Benchmarking

You must participate in the Financial Benchmarking (defined below) that we have implemented and within the timeframes that we stipulate. We reserve the right to require you to pay fees associated with our provision of Financial Benchmarking services and we may modify the amount and/or manner of payment for such fees from time to time. We also reserve the right to modify or terminate the Financial Benchmarking services at any time upon 60 days' written notice to you.

“Financial Benchmarking” refers to the practice of franchisee's reporting on certain key metrics of the Franchised Business, which are then aggregated such that the system develops a picture of what other franchised businesses are doing and what metrics drive success as demonstrated by leading/successful franchisees. Franchisees, and i9 Sports franchise field support teams, can use this data to drive improvements in their own results.

Insurance

We have established, and you must participate in, the Mandatory Insurance Program in which a Designated Insurer will provide you with some, but not all, of the minimum insurance coverage that we currently require. You must submit any applications or sign any participation agreements required by the Designated Insurer to participate in the Mandatory Insurance Program and pay all associated Mandatory Insurance Program Fees (as described in Item 6). We may at any time change, in our sole discretion, (i) the Designated Insurer, (ii) the amount, method of payment, or timing of payment of the Mandatory Insurance Program Fee, and/or (iii) the coverage that is included in the Mandatory Insurance Program. We may, in our sole discretion, discontinue the Mandatory Insurance Program at any time upon 60 days' written notice to you, in which case you will be responsible for procuring insurance that meets our minimum requirements.

Unless such coverage is included in the Mandatory Insurance Program, you must, at your expense, procure and maintain in force from an Approved Supplier or insurance carrier acceptable to us insurance policies that (a) contain such types and minimum amounts of coverage, exclusions, and maximum deductibles as we prescribe from time to time in the Manual or otherwise in writing from time to time; (b) name us and our affiliates as additional insureds; (c) provide for 30 days' prior written notice to us of any, cancellation, renewal, material modification, or expiration of such policy; and (d) include such other provisions as we may require from time to time. We may change the required insurance requirements, upon reasonable notice to you, to conform to reasonable business practices. We may require you to maintain higher coverage amounts or obtain additional policies in order to participate in certain Sponsorship Programs, offer certain Services, or conduct certain Events.

Currently, the Mandatory Insurance Program includes the following coverage that meets our minimum requirements: (1) comprehensive general liability insurance with a minimum policy limit of \$1,000,000 per occurrence with a \$2,000,000 aggregate, covering third-party claims of bodily injury, property damage liability, and personal and advertising injury claims; (2) property damage liability insurance with a minimum policy limit of \$1,000,000 per occurrence, covering third-party claims of property damage liability to short-term leased or borrowed space; and (3) liability and abuse & molestation coverage with a minimum policy limit of \$2,000,000 per occurrence, related to participation in an i9 Sports® program, use of related equipment, gear, facilities, and certain

claims that may be asserted against coaches, directors, franchisees, and others. If you participate in certain Sponsorship Programs, the Mandatory Insurance Program will include commercial general liability insurance, covering liability arising from premises, operations, independent contractors, products-completed operations, personal injury, and advertising injury, athletic participants' bodily injury liability and contractual liability, with limits of at least \$5,000,000 per occurrence and in the aggregate, with no exclusions from coverage for sexual molestation claims or concussions.

In addition, currently, we require you to maintain and procure from an insurance carrier acceptable to us the following policies: (1) commercial automobile liability insurance, including non-owned auto insurance, with a minimum policy limit of \$1,000,000 combined single limit; (2) professional negligence insurance with a minimum policy limit of \$1,000,000 per occurrence; (3) errors and omissions liability insurance with a minimum policy limit of \$1,000,000; (4) media liability insurance with a minimum policy limit of \$1,000,000 per occurrence; (5) employer's liability insurance with a minimum policy limit of \$1,000,000 per occurrence; (6) employment practices liability insurance with a minimum policy limit of \$2,000,000 per occurrence, including coverage for claims of discrimination and sexual harassment; (7) comprehensive casualty, fire, and theft coverage in an amount sufficient to replace the business personal property of the i9 Sports® Franchise; (8) any other insurance required by law (such as workers' compensation insurance and stop gap insurance); and (9) any other insurance we may reasonably require. The cost of these policies will vary depending on the insurance carrier charges, terms of payment and your history.

Upon our request, you must submit a certification of insurance to us which demonstrates compliance with such insurance requirements. If you fail to obtain the required insurance coverage, we may, at our option and in addition to our other rights and remedies, obtain such insurance coverage on your behalf, and you must reimburse us for any costs and premiums we incur.

Our standards and specifications for insurance coverage are intended as "minimum" standards. Therefore, it is your responsibility to review your insurance coverage and policies with your insurance agent/broker to determine if additional coverage is necessary, appropriate, or desired by you.

Standards and Specifications

We reserve the right to formulate and modify our standards and specifications for operating an i9 Sports Franchise. Our standards and specifications are described in the Area Developer Agreement, the Manual, and other written documents. We have the right under the Area Developer Agreement to change the standards and specifications applicable to your operation of an i9 Sports Franchise, including standards and specifications for approved services and products, and related issues by written notice to you or through changes in the Manual. You may incur an increased cost to comply with these changes at your own expense. We will notify you of any change to our standards and specifications by way of written amendments to the Manual or otherwise in writing.

We or Our Affiliates as Approved Suppliers

We require you to order through us certain apparel and other business materials as we may specify from time to time, which will be drop shipped directly to you or the Customer from our designated supplier. Currently, we are the only Approved Supplier for uniforms, game-day apparel, financial benchmarking services, email accounts, and Text Message services. We are an Approved Supplier for certain other branded goods, but you are not required to purchase such goods from us. We may derive revenue from your required purchases ordered through us.

Interest in Approved Suppliers

No franchisor officer owns an interest in any supplier.

Proportion of Purchases Subject to Specifications

We estimate that the costs of your purchases from designated or approved sources, or according to our standards and specifications, will range from 15% to 30% of the total cost to establish an i9 Sports® Franchise and approximately 30% to 50% of the cost to operate an i9 Sports® Franchise after that time.

Change of Suppliers, Products or Services

If you wish to purchase any items that do not comply with our specifications or are to be purchased from a supplier that has not yet been approved by us, you can make a written request to us. Based on information obtained by inspection, testing of samples, and other factors, we will determine whether the proposed suppliers, products or services are acceptable. We may limit our approval to those suppliers in our sole judgment, including a condition that they are willing to sign Approved Supplier agreements. Generally, we will do so within 60 days of the date you provide us all of the information we request, but if we do not notify you of our decisions within 120 days, we are deemed to have rejected the request. We may occasionally change, alter or amend our review and approval periods in the Manual. We may revoke an approval at any time for any reason we deem relevant. Our approval may be revoked at any time if the supplier, product or service no longer meets our then-current standards or if we change our System Standards for any reason, and we will give you 30 days' notice of this revocation. After your receipt of this revocation notice, you must not purchase the revoked product or service or make purchases from a revoked supplier.

Revenue from Required Purchases

We reserve the right to derive revenue from your required purchases ordered through us. In our fiscal year that ended on December 31, 2025, we derived \$10,974,280 (which is 35% of our total revenue of \$31,253,630) from franchisees' required purchases and leases from us.

We may negotiate with manufacturers to receive rebates on certain items you must purchase. We may require that certain Approved Suppliers sign agreements with us to be an Approved Supplier and that you sign agreements with them under which we may receive payments based on your purchases from them. These payments may be either a percentage of sales or a flat amount. We currently receive rebates from Approved Suppliers, including payments ranging from 10 to 13% for product purchases, 7.5% for trophy purchases, and \$0.25 per medal. In our fiscal year that ended on December 31, 2025, we derived \$314,414 (which is 1% of our total revenue of \$31,253,630) from rebates related to franchisees' required purchases and leases from third parties.

Cooperatives and Purchasing Arrangements

We have the right to negotiate purchase arrangements with suppliers for the benefit of Area Developers. We have negotiated programs with certain Approved Suppliers so that i9 Sports® Franchises may receive preferred pricing, delivery, credit or other terms (each, an "**Approved Supplier Program**"). You are required to participate in the Approved Supplier Program(s) that we designate. We may terminate your participation in any Approved Supplier Program without terminating any of your other rights under your Area Developer Agreement if you breach any agreement with us or any Approved Supplier, or if you otherwise fail to comply with the rules of an Approved Supplier Program.

There are currently no purchasing or distribution cooperatives. Except as described above, we do not have any other purchase arrangements with suppliers for the benefit of Area Developers, but we may pursue these arrangements in the future.

Material Benefits

When determining whether to grant new or additional franchises, we consider many factors, including your compliance with the requirements described in this Item 8. You do not receive any further benefit as a result of your compliance with these requirements.

ITEM 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

A. Pre-Opening Obligations

Before you open your i9 Sports® Franchise (prior to the Business Launch Date), we will:

1. Assist you with connecting to the Billing System. (Area Developer Agreement – Section 4.16)
2. Provide you with Phase I Training, as well as other pre-opening instruction/training, to you and one other person. This Phase I Training will include marketing, sales, financial, technology, operations and program launch training. Please see Subsection C of this Item for additional information. (Area Developer Agreement – Sections 5.1 and 5.2)
3. Grant you access to our Manual or other publications via our intranet portal or other digital format in which we designate our System Standards. (Area Developer Agreement – Section 8.1). The table of contents of our Manual is specified in Exhibit “C.” Our Manual includes approximately 381 pages.
4. Sublicense to you certain software we designate, including our Franchise Manager Software, and provide certain hosting services as we may designate. (Area Developer Agreement – Section 9.2)
5. Provide you with guidance related to the models, formats, providers, performers or suppliers of any Products or Services, and any of the equipment, uniforms, jerseys, t-shirts, awards, trophies, insurance carriers, background check services, supplies, bookkeeping, financial benchmarking, and other financial services, employee benefit plans, merchant accounts and gateway services, and other services, assets, products, or

materials utilized by you to operate your i9 Sports® Franchise (“**Business Materials or Services**”). (Area Developer Agreement – Section 8.3)

6. Provide you with access to an online ordering system from which you can order uniforms and game-day apparel and equipment from an approved supplier. The approved supplier will drop ship any orders directly to you. (Area Developer Agreement – Section 8.3)

B. Site Selection and Time to Open

You must operate your i9 Sports® Franchise from an office location within your Network Area, unless otherwise approved by us. We expect that you will operate your franchise from your home, but you may choose to operate your franchise from a commercial office space. We do not provide site selection assistance. (Area Developer Agreement – Section 2.2)

We estimate that it will be approximately 4 to 12 weeks from signing the Area Developer Agreement to the Business Launch Date (the date that you begin operating your i9 Sports® Franchise by marketing, offering, and selling the Products and the Services) and approximately 14 to 30 weeks from the Business Launch Date to the Service Start Date (the date you will begin conducting Events and providing the Services to Participants). The actual length of these periods will depend upon factors including the timing of marketing sports programs, venue procurement, your purchase of the Computer System, obtaining phone service, insurance, merchant account services, and background check services, the delivery schedule for equipment and supplies, hiring of staff, delays in securing financing arrangements and completing training, and your compliance with local laws and regulations.

After the Business Launch Date, you must designate your intended Service Start Date and must begin actively soliciting and selling registrations for Events. You must achieve a minimum of 100 registrations at least four weeks prior to your Service Start Date, and your Required Trainees must successfully complete the Post-Phase I Online Training and Phase II Training (as each are defined in Section C) prior to the Service Start Date. If you fail to obtain the required registrations or complete the required training, in order to ensure a quality customer experience, we may require you to delay the Service Start Date and may restrict you from beginning to conduct the Events and providing the Services. The actual Service Start Date must take place within six months from the Business Launch Date or we will have the right, in our sole discretion, to terminate this Agreement. (Area Developer Agreement – Sections 2.6 and 19.2)

C. Training

All owners directly or indirectly holding 25% or more of the ownership interests in your i9 Sports® Franchise or your entity (if you are an entity), your Operating Principal, and your Key Manager (the “**Required Trainees**”) must attend, and complete to our satisfaction, our initial training program (the “**Training Program**”). The training program takes you on a learning journey using a combination of in-classroom trainings, virtual training, webinars, and online courses via our learning management system. Our entire Training Program is conducted in six components, including: (i) pre-training tasks (“**Pre-Training Tasks**”); (ii) up to 4 consecutive days of classroom training furnished at our headquarters in Riverview, Florida, a designated training facility, or via virtual format at our discretion (“**Phase I Training**”); (iii) post-phase I webinars and/or online learning modules (“**Post-Phase I Online Training**”); (iv) grand opening day training (“**Phase II Training**”); (v) post first season supplemental training (“**Phase III Training**”); and (vi) annual strategic planning (“**Phase IV Training**”). The Pre-Training Tasks and Phase I Training must be successfully completed by your Required Trainees before you may begin marketing, offering, and selling the Products and the Services. The Post-Phase I Online Training and Phase II Training must be successfully completed by your Required Trainees prior to the Service Start Date. Phase I and Phase II Training may be conducted at the i9 Sports® Training Facility in Riverview, Florida, at an i9 Sports® operating location, or virtually, as determined by us at our sole discretion. (Area Developer Agreement — Sections 5.1 and 5.2)

We do not charge a fee for your first two trainees to attend the Training Program, provided both individuals attend the Training Program prior to the Service Start Date. We reserve the right to charge you a training fee, which will not exceed \$750 per trainee per program, if (i) you elect to bring additional trainees, other than the Required Trainees, to the Training Program, (ii) any of your Required Trainees fail to successfully complete the Training Program and re-enroll in the program or are replaced with new trainees that enroll in the program, or (iii) we provide the Training Program to any subsequent trainees. You must pay all expenses you and your trainees incur for any training programs, including your/their travel, food, lodging, compensation, and benefit expenses. (Area Developer Agreement — Section 5.1)

There is no specific schedule for our Training Program, which is held on an as-needed basis depending on the number of new Area Developers entering the System, other individuals requiring training and similar factors. The materials we use in our Training Program include our Manual and any other materials that we believe will be beneficial to the trainees. We reserve the right to modify our Training Program based on the individual needs and/or experience of a particular trainee. We provide advice to you in connection with training Event Personnel, Sales Staff, Customer Liaisons and others we may designate in our sole judgment. We may require you, your Required Trainees, your other managers, owners, Event Personnel or other staff to attend additional, periodic, refresher, or remedial training courses that we periodically provide (“**Additional Training**”)

or to receive additional assistance from us. If you request Additional Training or assistance, we may, in our sole discretion, agree to provide such training or assistance at the times, in the manner (i.e., virtually, via phone or videoconference, in writing, or in-person), and at the locations that we specify. For any Additional Training we provide, we may require you to pay to us our then-current Additional Training Fee (which will not exceed \$1,000 per trainee per day), and you will be responsible for all of your and your trainees' wages, travel, living and miscellaneous expenses incurred in connection with such Additional Training. In addition to the per trainee Additional Training Fee, if we provide any Additional Training or in-person assistance at a location in your Network Area, we may require you to pay to us an additional fee for each of our representatives (which will not exceed \$1,000 per representative per day), plus you must reimburse us for any travel, living, and miscellaneous expenses incurred by our representatives. We may limit certain aspects of any Additional Training that we provide to your Operating Principal, Key Manager, or other people that we designate. (Area Developer Agreement – Section 5.3)

Annual Conference

We may, in our discretion, hold an annual i9 Sports® conference (the “**Annual Conference**”) at a location to be selected by us. We shall determine the topics and agenda for the conference to serve the purpose among other things, of updating Area Developers on new developments affecting Area Developers, exchanging information between Area Developers and our personnel regarding i9 Sports® Franchise operations and programs, and recognizing Area Developers for their achievements. We may use contributions from the National Brand Fund for purposes related to the Annual Conference, including costs related to productions, programs, and materials.

If you, your owners, and your affiliates own only one i9 Sports Franchise, your Operating Principal must attend the Annual Conference, and you must pay the then-current registration fee for them, even if they fail to attend. If you, your owners, and your affiliates own multiple i9 Sports Franchises, your Operating Principal and Key Manager (for each i9 Sports Franchise) must attend the Annual Conference, and you must pay the then-current registration fee for each of them, even if any or all of them fail to attend. We permit your other owners, your Key Manager (if they are not already required to attend), and any other individuals we specify to attend the Annual Conference. You must pay our then-current registration fee for each of your representatives that attends the Annual Conference, which is currently \$600 per attendee and will not exceed \$1,500 per attendee. All expenses, including your representatives' transportation to and from the Annual Conference, and lodging, meals, and salaries during the Annual Conference, are your sole responsibility. We reserve the right to modify in the Manual from time to time the individuals who are required or permitted to attend the Annual Conference, as well as the applicable registration fee and related attendance policies. (Area Developer Agreement – Section 5.4)

D. Post-Opening Obligations

During your operation of the i9 Sports® Franchise (beginning after the Business Launch Date), we will:

1. Provide, to the extent we may periodically designate, administrative, customer account coordination, and commission payment services, and Product or Service ordering, billing and distribution systems as we designate from time to time in our Manual or intranet, through the Billing System. (Area Developer Agreement – Section 4.16)
2. Provide additional periodic or refresher training and assistance as we deem necessary. (Area Developer Agreement – Section 5.3 and 5.4)
3. Continue to provide you with access to our Manual (which may include audio, video, computer software and written materials) that we generally furnish to Area Developers for use in operating i9 Sports® Franchises, including any updates or modifications to our Manual. (Area Developer Agreement – Section 8.1)
4. Issue, modify and supplement System Standards for i9 Sports® Franchises, as we deem appropriate in our discretion. (Area Developer Agreement – Section 8.1)

5. Provide you with guidance and assistance with respect to the System Standards and any required or recommended Business Materials or Services, as we deem appropriate. (Area Developer Agreement – Sections 8.1, 8.2, and 8.3)
6. Continue to provide you with access to an online ordering system from which you can order uniforms and game-day apparel and equipment from an approved supplier. The approved supplier will drop ship any orders directly to you. (Area Developer Agreement – Section 8.3)
7. Provide you with assistance in establishing prices for the Products and Services offered through your i9 Sports® Franchise, as we deem appropriate in our discretion. (Area Developer Agreement – Section 8.5)
8. Provide limited software support services as well as updates, patches, bug fixes, modifications, enhancements and new versions of any proprietary software that we license to you, which currently includes the Franchise Manager Software. We may charge you a fee for such modifications and services. (Area Developer Agreement - Section 9.7)
9. Provide you with designated marketing materials as we deem appropriate. (Area Developer Agreement – Section 11.5)
10. Maintain a National Brand Fund. (Area Developer Agreement – Section 12.4)
11. Provide you with our Customer Service Center program, which is a required program and will provide you with customer support services, process Customer registrations for your programs, answer participation inquiries, and forward other calls to you, including sales inquiries. You must pay the related Customer Service Center Fee. The customer phone number associated with your i9 Sports Franchise must be directed to, and managed by, the third-party Customer Service Center. If you are an existing Area Developer or a transferee with an i9 Sports Franchise that has not previously ported the phone number to the Customer Service Center, you must do so upon signing the Area Developer Agreement. We reserve the right to terminate our Customer Service Center at any time upon 60 days’ written notice to you. (Area Developer Agreement – Section 11.10)

E. Advertising and Marketing

National Brand Fund

We have established a national advertising fund (“**National Brand Fund**”) for the common benefit of Area Developers. We currently require you to participate in and contribute a percentage of your Network Revenues (currently 2% of Network Revenues or a minimum of \$275 per month, whichever is greater) to the National Brand Fund in the manner we prescribe (Area Developer Agreement – Section 4.7). We may increase or decrease the contribution amount in the future, in our sole discretion, provided that the fee shall not exceed 3% of Network Revenues or a minimum of \$550 per month, whichever is greater. We will direct all programs financed by the National Brand Fund, and may determine the creative concepts, materials and endorsements used and the geographic, market and media placement and allocation of the programs. The National Brand Fund may be used to pay the costs of (i) developing, preparing and producing video, audio, printed and digital advertising materials; (ii) developing and servicing corporate accounts; (iii) evaluating new Event development, operation or marketing techniques, services or products; (iv) administering regional and multi-regional advertising programs, including, without limitation, purchasing e-commerce rights, services, and other media advertising and employing advertising, promotion and marketing agencies; (v) supporting public relations; (vi) conducting market research; (vii) establishing, developing, maintaining, servicing or hosting Websites or other e-commerce programs; (viii) advertising and promoting the sale of franchises; and (ix) other advertising, promotion and marketing activities. The National Brand Fund will periodically furnish you with samples of advertising, marketing and promotional formats and materials at its cost. Multiple copies of these materials will be furnished to you at our direct cost of

producing them, plus any related shipping, handling and storage charges. (Area Developer Agreement – Section 12.5)

The National Brand Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for reasonable administrative costs and overhead we incur in activities reasonably related to managing, developing, and implementing advertising, marketing, and National Brand Fund-supported programs (including the salaries of our marketing personnel and retainers and fees for outside agencies). We may spend, on behalf of the National Brand Fund, in any fiscal year an amount greater or less than the aggregate contribution of all i9 Sports® to the National Brand Fund in that year, and the National Brand Fund may borrow from us or others to cover deficits or invest any surplus for future use. Any sums paid to the National Brand Fund that are not spent in the year they are collected will be rolled over into the National Brand Fund for use in the following year. All interest earned on monies contributed to the National Brand Fund will be used to pay advertising costs before other assets of the National Brand Fund are used. We will prepare an annual statement of monies collected and costs incurred by the National Brand Fund and furnish the statement to you upon written request. There is no requirement that the National Brand Fund be audited. We may use the National Brand Fund for promoting the sale of franchises. We have the right to cause the National Brand Fund to be incorporated or operated through a separate entity when it is appropriate to do so, and the successor entity will have all of the rights and duties described in the Area Developer Agreement. (Area Developer Agreement – Section 12.6)

The National Brand Fund will be intended to maximize recognition of the Marks and patronage of i9 Sports® Franchises. Although we will try to use the National Brand Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all i9 Sports® Franchises, we cannot ensure that expenditures by the National Brand Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the National Brand Fund by i9 Sports® Franchises operating in that geographic area or that any i9 Sports® Franchise will benefit directly or in proportion to its contribution to the National Brand Fund from the development of advertising and marketing materials or the placement of advertising. We have no other direct or indirect liability or obligation to you regarding the collection of amounts due to, or maintaining, directing or administering, the National Brand Fund. (Area Developer Agreement – Section 12.7)

Contributions to the National Brand Fund will generally be on a uniform basis, but we reserve the right to defer or reduce contributions of a particular Area Developer and, upon 30 days' prior written notice to you, to reduce or suspend contributions to and operations of the National Brand Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the National Brand Fund. If the National Brand Fund is terminated, all unspent monies on the date of termination will be distributed to Area Developers in proportion to their respective contributions to the National Brand Fund during the preceding 12-month period. We will contribute to the National Brand Fund on the basis as franchise owners for any i9 Sports® Franchise they own or operate. (Area Developer Agreement – Section 12.4)

During the fiscal year that ended December 31, 2025, the following percentages of National Brand Fund contribution were spent in these areas: (i) production: 4%; (ii) media placement: 72%; and (iii) administrative: 24%. Any contributions that we did not spend in the last fiscal year were rolled over into this year's National Brand Fund.

Local Advertising

In addition to the National Brand Fund contributions described above, we require you to spend a minimum of 2% of your Network Revenues on local advertising in accordance with an annual plan approved by us (the “**Local Advertising Requirement**”). You must spend the Local Advertising Requirement as we prescribe in the Manual or otherwise in writing, which may include, without limitation, requirements that you place a certain number and/or type(s) of media advertisements to assist you in promoting your i9 Sports® Franchise. We may require you to use Local Advertising Requirement funds to participate in any local marketing programs we may implement, including local events, partnership activities, paid search, social media advertising or other digital or grassroots marketing campaigns. You may spend any additional sums you wish on local advertising. You acknowledge and agree that

your local advertising obligation must be expended regardless of the amount(s) spent by other area developers on local advertising. You may only use the advertising and promotional materials we have previously approved in writing. We are not required to spend any amount on advertising in a particular franchisee's Network Area. (Area Developer Agreement – Section 12.2)

Prior to your Service Start Date, you must spend a minimum of \$6,000 in local marketing expenses for grand opening advertising, which must be conducted in accordance with any standards and requirements that we may specify.

You must submit proof of your compliance with the Local Advertising Requirement and grand opening advertising obligation on a monthly basis or in another manner we specify. Currently, you must report marketing expenditures in the marketing categories that we specify in the chart of accounts for the preceding month, quarter, and/or year-to-date. If you fail to spend the Local Advertisement Requirement in any month, in addition to other remedies, we may require you to contribute the amount of the deficiency to the National Brand Fund within 30 days of your receipt of our invoice.

All advertising, promotion and marketing must be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the standards and specifications described in the Manual or otherwise in writing by us. Samples of all advertising, promotional and marketing materials that we have not prepared or previously approved must be submitted for approval before you may use them. If you do not receive written approval from us within 30 days after we receive the materials, the materials are deemed not approved. You may not use any advertising or promotional materials that we have not approved or disapproved. (Area Developer Agreement – Section 12.1) (See Items 6, 8 and 9)

Advertising Cooperatives

There are presently no advertising councils or local or regional advertising cooperatives, but one may be formed in the future. If an advertising cooperative is formed by us, or by our Area Developers and approved by us, you must agree to contribute to the cooperative the amount agreed upon by a majority of the members of the cooperative, to pay that amount to the advertising cooperative at the times agreed upon by a majority of the members, and to abide by the cooperative's rules. The cooperative will determine who will administer the cooperative. The written governing documents will be available for review by you. Cooperatives need not prepare annual or periodic financial statements, but if they are prepared, they may be reviewed by you. We will have the power to require cooperatives to be formed, changed, dissolved or merged.

Sponsorships

From time to time, we or our affiliates may enter into a Sponsorship Programs with Sponsors in which the Sponsor agrees to sponsor certain programs nationwide or in certain markets in exchange for us, our affiliates, and/or our franchisees licensing and displaying the Sponsor's logo on uniforms, signage, marketing materials, and other items or providing the opportunity for the Sponsor to offer or promote products or services to Customers or Participants. We may, in our sole discretion, require you to, or offer you the option to, participate in certain Sponsorship Programs. We may add, modify, or discontinue Sponsorship Programs from time to time in our sole discretion. If you participate in a Sponsorship Program, you must comply with any standards or requirements that we, our affiliates, or such Sponsors specify. To participate in some Sponsorship Programs, we may require you to enter into a Program Agreement directly with us, our affiliates, or the Sponsor. Currently, we require you to sign a Program Agreement to offer Nike Kids Camps, but we may add, modify, or remove such agreements in the future. Your participation in a Sponsorship Program may preclude you from obtaining certain local sponsorships. In some cases, we may enter into a Sponsorship Program solely because we believe it will be beneficial to associate the Marks and System with the Sponsor's brand.

F. Computer Systems and Communication Systems

We require that you buy and use one or more laptop computer systems that must meet our specifications and standards and include wireless internet access and software that we specify from time to time (the “**Computer System**”). We provide certain hosting services to you as part of the Billing System.

If you already have computer hardware and/or software that meet our then-current standards for the Computer System, then you may use these items in connection with your Franchised Business provided you obtain our approval. Otherwise, we estimate the costs to purchase the entire current Computer System to be approximately \$1,000.

We expect that the Computer System and Billing System will need to be maintained and updated. We anticipate that annual software upgrades and maintenance will cost less than \$1,000 per year. This amount does not include amounts that a franchisee might choose to expend on annual hardware updates, upgrades or support, but we do not currently require that you: (i) upgrade/update the hardware used in connection with your Computer System on an annual basis; or (ii) enter into any annual support contracts with respect to such hardware.

Other than providing you with limited Billing System support services and updates, patches, bug fixes, modifications, enhancements and new versions of the Billing System, currently, neither we nor our affiliates provide you with any maintenance, updates or upgrades for your Computer System. We have not yet arranged for a mandatory software or hardware maintenance contract for the Computer System to be purchased by you but may do so in the future. We do not anticipate that you will incur any additional costs in connection with any optional or required maintenance/upgrades/updates with this hardware. Due to the changing nature of the computer and information technology industry, however, hardware and software upgrade costs in the future may vary significantly from our current expectations. Thus, we reserve the right to charge you reasonable systems fees for modifications of and enhancements made to any proprietary software that we license to you and other maintenance and support services that we or our affiliates furnish to you related to the Computer System, provided that the fees shall not exceed 110% of our actual costs and expenses to provide such modifications and services. (Area Developer Agreement – Section 9.1)

We require you to use a merchant account and gateway to facilitate payments to you made by credit cards or other electronic medium. We have designated an approved supplier for merchant account or gateway services. (Area Developer Agreement – Section 9.1)

We may require you to provide us with independent access to the information and data compiled on the Computer System if that data is released to Franchised Businesses. Generally, we may access the Computer System to obtain gross and net sales information, product mix, labor reports and customer counts. There are no limitations on our right to do so. We reserve the right at any time to modify our specifications for, or components of, your Computer System and you must comply with our modifications at your own expense. There are no contractual limitations on our right to make these modifications or the cost of these modifications. (Area Developer Agreement – Section 9.1)

Apart from the Computer System, we require that you obtain a mobile smart phone (the “**Smart Phone**”) and maintain a contract with a service provider (*e.g.*, Verizon, AT&T) for that smart phone over the term of your Area Developer Agreement, all of which meet our System Standards and specifications. (Area Developer Agreement – Section 9.1).

Websites

Except as approved in advance in writing by us, you may not establish or maintain a separate website, splash page, profile or other presence on the Internet, or otherwise advertise on the Internet or any other public computer network in connection with your Franchised Business on any social media site (such as Facebook, X, LinkedIn, Pinterest, Instagram, TikTok, Snapchat, Google My Business, Yelp, YouTube or any other networking site). Any such Internet website or presence is considered “advertising” and must be approved by us prior to use, as described in

this Item. If we do permit you to establish one or more of the above presences on the Internet, you must: (i) establish and operate your World Wide Web or Internet site in accordance with System Standards and any other policies we designate in the Manual or otherwise in writing from time to time; (ii) utilize any templates that we provide to you to create and/or modify such site(s); and (iii) remove any content that is posted or otherwise displayed (whether by you or a third party) on such website, social media page or other Internet presence that does not comply with our System Standards or then-current policies within two (2) days of the date you receive our removal request in writing. (Area Developer Agreement – Section 9.11)

We have the right to establish and maintain a website, that may, without limitation, promote the Marks and/or the System (the “**Website**”), including the contact information of your Franchised Business. We have sole control over all aspects of the Website, including without limitation its design, content, functionality, links to other websites, legal notices, and policies and terms of usage. We also have the right to discontinue operation of the Website at any time without notice to you. We have the right to modify our policies regarding your use of social media and Internet websites in connection with your Franchised Business as we deem necessary or appropriate in the best interest of the System. We are the sole registrant of the Internet domain name www.i9sports.com and www.i9sportsfranchise.com, as well as any other Internet domain names that we or our affiliates register in the future. You must not register any Internet domain name that contains words used in or similar to any brand name owned by us or our affiliates or any abbreviation, acronym, phonetic variation or visual variation of those words. (Area Developer Agreement – Section 9.11)

You may not accept any payments or funds from any Customer of your franchised business, or otherwise engage in any e-commerce in connection with your franchised business, through any website/channel other than the specific website/channels that we specify or approve in writing. You must participate in any e-commerce channels we designate, including our Billing System. (Area Developer Agreement – Section 9.11)

Communication Systems

You must have a general phone number (which may be your phone number) dedicated to your Franchised Business. You will be provided with a customer phone number by our third-party Customer Service Center, and you must pay the Telecommunication Platform Fee for this phone number (which is currently \$15 or \$30 per month). You must also have a “Weather Hotline”, which will automatically provide callers with your pre-recorded message regarding the cancellation or postponement of any games. You must maintain the customer phone number and Weather Hotline at all times. (Area Developer Agreement – Section 11.10(a))

You must use the email addresses that we provide for all email communications related to your Franchised Business, unless we provide our prior written consent. You will be billed an Email Fee for each email address associated with your Franchised Business. The current fee is \$14.72 per email address per month; however, this amount may be modified by us from time to time. Currently, we will apply to your account a Technology Fee credit equal to the monthly service fee for two email addresses, but we may discontinue or modify the credit (including the number of email addresses or the amount of the credit) at any time. (Area Developer Agreement – Section 11.10(b))

You must use the Text Message system that we designate for sending Text Messages to Customers and prospective customers. Currently, you must pay us \$0.01 per Text Message that you send, but the fee may change from time to time. (Area Developer Agreement – Section 11.10(c))

ITEM 12 **TERRITORY**

The franchise is granted for a Network Area that first must be approved by us. You must operate your i9 Sports® Franchise from an office or home office located in your Network Area, unless otherwise approved by us. We may approve a home office located outside of your Network Area, but we will not approve a commercial office located outside of your Network Area. You may not relocate your office or add additional offices for your i9 Sports®

Franchise without our written consent, which we will provide if such office is located in your Network Area and meets our then-current System Standards.

You will be granted a Network Area wherein you must operate your i9 Sports® Franchise. Generally, each Network Area is determined by the number of children (ages 14 and under) in the Network Area at the time of signing your Area Developer Agreement, as determined using the latest statistics released by our mapping service. A single Network Area must be a contiguous geographic area and will be delineated by metropolitan boundaries, street boundaries, zip codes or housing subdivisions or other criteria we choose. If the United States Postal Service or similar agency modifies the composition of certain zip codes or removes a zip code altogether that comprises your Network Area which, in turn, results in a change to your Network Area, then we may unilaterally modify upon written notice to you the description of your Network Area to maintain the original delineation of your Network Area, as we deem appropriate in our discretion. Except for the foregoing sentence, as long as you are in compliance with the Area Developer Agreement, we will not modify your Network Area during the term of your Area Developer Agreement.

You are granted a protected Network Area to operate an i9 Sports® Franchise for the Participants of the ages we designate and for the types of Authorized Sports within the protected Network Area. We determine the size of the Network Area based on the number of children aged 14 and under within the area. Network Areas typically range between 50,000 and 150,000 children depending on the density of the market.

Except as provided in this Item, neither we nor our affiliates will open or operate, or grant any third party the right to open or operate, an i9 Sports® Franchise in your Network Area during the term of your Area Developer Agreement, provided you comply with the terms and conditions of your agreement. We will not provide, or license a third party the right to provide, any Authorized Sports at any location within your Network Area. However, (i) any Customers residing or otherwise located within your Network Area may elect for their Participants to participate in any Authorized Sports or Events at any location, whether inside or outside of your Network Area; and (ii) other Area Developers may be permitted by us to maintain a home office (but not a commercial office) located in your Network Area, provided that they (a) may not provide any Authorized Sports at any location within your Network Area and (b) may not market the Products and Services to any Customers located in the Network Area, except in the event that a person in your Network Area elects to become a Customer of theirs by having their Participants participate in Events within their Network Area, in which case such other Area Developer may employ Customer-specific direct marketing communications.

Similarly, you are prohibited from marketing your i9 Sports® Franchise, soliciting Customers, or holding Events outside of your Network Area, except in the event a person from outside your Network Area elects to become a Customer of yours by participating in Events within your Network Area (in which case you may employ Customer-specific direct marketing communication with such Customer(s)).

Our grant of the i9 Sports® Franchise does not include any option or promise to allow you to purchase any additional franchises, authorization for new types of Customers or Participants, additional sports or to expand your Network Area contiguously, or elsewhere. We operate the i9sports.com website and may operate other websites we designate. We sell similar Products and Services through these websites to Customers located anywhere.

After you have operated your i9 Sports® Franchise, you may increase the size of your Network Area by purchasing additional territory during the term of your Area Developer Agreement, provided: (i) you pay our then-current Territory Fee for the amount of additional territory you wish to purchase (please see Item 5 for our current Territory Fees); (ii) enter into our prescribed form of Addendum to your Area Developer Agreement, under which we will grant you the additional territory; and (iii) you meet our then-current prerequisites for the right to purchase additional territory as described more fully in (a) Item 5, and (b) Note 8 to Item 6 of this Disclosure Document.

Performance Standards

Your rights within your Network Area will not be modified by a subsequent change in population, however, you must meet the “**Performance Standards**” we designate for minimum performance, sales, distribution and performance as a provision of the Products or Services in order to maintain your exclusive operating rights in your Network Area. Performance Standards are specified in the Area Developer Agreement and may be changed at our sole discretion. After one year from the date you complete Phase I Training, currently, the minimum Performance Standards require you to: (i) meet or exceed a minimum annual player registration revenue of \$80,000; (ii) not fall within the bottom 25% of all Area Developers (that have also been in the system at least 1 year) on the Network Scorecard that is currently published monthly; and (iii) not fall within the bottom 25% of all Area Developers (that have also been in the system at least 1 year) in customer satisfaction (as currently measured by Net Promoter Score determined by in-season surveys of your customers on a rolling 12-month basis).

The “**Network Scorecard**” is a rating system used by us to rank the overall performance of our Area Developers on a relative basis. Metrics measured in the Network Scorecard are currently: (i) new member growth versus prior year; (ii) total new members on a rolling 12-month basis; (iii) revenue growth versus prior year; (iv) total revenue on a rolling 12-month basis; (v) customer satisfaction (as currently measured by Net Promoter Score determined by in-season surveys of your Customers); (vi) retention rate of your Customers versus prior year; (vii) frequency of play (currently measured by the percent of your Participants who played two or more programs in the preceding 12 months); (viii) number of core sports offered on a rolling 4-season basis; (ix) number of venue locations on a rolling 4-season basis; (x) attendance at national/regional meetings; and (xi) participation in quarterly financial benchmarking. At our sole discretion, we may change the scorecard by adding or removing metrics.

If you do not meet the minimum Performance Standard, we may require that you attend our then-current remedial training. If you refuse to attend this remedial training, or if you do not improve your Network Scorecard and/or Net Promoter Score (as applicable), we may either: (i) terminate your exclusive rights to the Network Area and sell the Products and the Services directly or through others; (ii) reduce the scope of the geographic area comprising the Network Area in which you will have exclusive marketing rights; (iii) reduce the number of Authorized Sports or authorized Participants; or (iv) terminate the Area Developer Agreement.

Reservation of Rights

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We and our affiliates reserve the right to: (i) own and operate i9 Sports® Franchises, or license third parties the right to own and operate i9 Sports® Franchises, utilizing the Marks and System at any location outside of your Network Area; (ii) own and operate, and license third parties the right to own and operate, i9 Sports® Franchises that offer sports other than the Authorized Sports at any location inside or outside of your Network Area; (iii) own and operate businesses, or license third parties the right to own and operate businesses, under marks that are different than the Marks at any location inside or outside of your Network Area; (iv) offer and provide, or license or authorize third parties to offer and provide, sports in your Network Area, other than the Authorized Sports that you are authorized to provide; (v) solicit Customers located in your Network Area, whether or not you currently sell, distribute, render, perform or provide the Products, the Services or other products or services to them or their Participants; (vi) send out marketing materials, and otherwise promote the i9 Sports® brand, Marks and System and various Events and Authorized Sports offered, at any location, inside or outside of your Network Area, utilizing the Marks (including sending emails and other materials to Customers with links to our Website so such Customers can determine what Events, venues and leagues are being conducted near the zip code the input); (vii) utilize the Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including products and services authorized for i9 Sports® Franchises and related merchandise under the Marks or other marks (“**Proprietary Products**”) through wholesale and retail outlets, via the Internet, and through mail order catalog, without regard to location; (viii) retain some or all of the profits derived from the sale of Online Retail Products and distribute to i9 Sports® Area Developers some or all of those monies

on a periodic basis and according to the rules we establish; and (ix) use the Marks and System, and license others to use the Marks and System, to engage in any other activities not expressly prohibited in this Agreement.

In addition, if you fail or refuse to offer an Authorized Sport at any time in your Network Area, (i) we, or another party we designate (including our affiliate or another Area Developer), may offer such sport in your Network Area without paying you any compensation in connection with any of our or our designees' activities related to such sport and/or (ii) we may, in our sole discretion, temporarily or permanently remove such sport as an Authorized Sport under your Area Developer Agreement.

Alternative Distribution Channels

We and our affiliates retain the right, in our sole discretion, to sell products under the Marks within and outside your Network Area through any method of distribution other than a dedicated i9 Sports® Franchise, including sales through channels of distribution such as the Internet, retail or wholesale stores, catalog sales, telemarketing or other direct marketing sales (together, "**Alternative Channels of Distribution**"). Goods to be provided through Alternative Channels of Distribution include our Proprietary Products, and other youth sports related products. We reserve the right, among others, as to any service arrangements relating to our sale of products and services through Alternative Channels of Distribution. You may not use Alternative Channels of Distribution to make sales outside or inside your Network Area, except as described in the following paragraph, and you will not receive any compensation for our sales through Alternative Channels of Distribution except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other Alternative Channels of Distribution, and we receive orders for any proprietary products or other products offered by an i9 Sports Franchise calling for delivery or performance in your Network Area, then we may in our sole judgment, offer the order to you at the price we establish. If you choose not to fulfill the order or are unable to do so, then we, or a third party we designate (including another Area Developer) may fulfill the order, and you will not be entitled to any compensation in connection with this.

We have not established, nor presently intend to establish, other franchised or company-owned businesses which sell our proprietary products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

Other Businesses

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell.

Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13
TRADEMARKS

License of the Marks

There are no agreements currently in effect which significantly limit our rights to use or license the use of our Marks in a manner material to the franchise. There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, cancellation or opposition proceedings or material litigation, involving the Marks. All required affidavits have been filed.

Infringements

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and you may not communicate with any person other than us, our attorneys and your attorneys in connection with any infringement, challenge or claim. We, in our sole judgment, may take any action that we deem appropriate, and we have the right to control exclusively any litigation, PTO proceeding or any other administrative proceeding arising from any infringement, challenge or claim or otherwise relating to any Mark. You must sign any instruments and documents, provide assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or PTO or other proceeding or otherwise to protect and maintain our interests in the Marks. The Area Developer Agreement does not require us to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed to you by us or if the proceeding is resolved unfavorably to you.

We are not aware of any superior prior rights or infringing uses that could materially affect your use of our principal trademarks in any state; however, a federal trademark registration does not necessarily protect the use of the concerned mark against a prior user in a given relevant market area. Therefore, before entering into the Area Developer Agreement, you should make every effort to ascertain that there are no existing uses of the Marks or confusingly similar marks being used in the market area where you wish to do business. You should immediately notify us of any confusingly similar marks you discover.

Changes to the Mark

If we determine that it becomes advisable for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you must comply with our directions within a reasonable time after receiving notice. You will pay the expense of changing your i9 Sports® franchise signs.

Further, we will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE
ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Operating Principal (which will be you, if you are the only individual signing the Franchise Agreement) and your Key Manager (which may be the same person as your Operating Principal) must satisfactorily complete our Training program, criminal background check, and any other training programs we require during the term of your Area Developer Agreement.

Your Operating Principal must have authority over all business decisions related to your Franchised Business and must have the power to bind you in all dealings with us. We may rely solely on the decisions and representations of your Operating Principal. Your Operating Principal must satisfy any standards that we require for their position, including successfully completing any training programs we require. You must obtain our written approval of your Operating Principal, which we may withhold in our sole discretion.

Your Key Manager must actively manage the day-to-day operations of your Franchised Business on a full-time basis. Your Operating Principal or one of your employees (who does not need to have an ownership interest in your Franchised Business or Business Entity) may serve as your Key Manager, provided that you must obtain our written approval of such individual, which we may withhold in our sole discretion. Your Key Manager may not serve in such role for more than one i9 Sports® Franchise. Your Key Manager must satisfy any standards that we require for their position, including successfully completing any training programs we require.

You may not appoint an Operating Principal or Key Manager without our prior written approval, which we may withhold in our sole discretion. You must provide us with written notice of your proposed initial Operating Principal and Key Manager at least 30 days prior to opening. You must notify us immediately of the death, disability, termination, removal, or departure of your Operating Principal or Key Manager and must obtain our approval of a successor Operating Principal within 30 days after such event and of a successor Key Manager within 60 days after such event. We may withdraw our approval for such an appointment at any time, in which case you must propose a new appointment and obtain our approval of such successor within 30 days after such event.

You must at all times faithfully, honestly and diligently perform your obligations under the Area Developer Agreement, continuously exert your best efforts to promote and enhance the i9 Sports® Franchise and not engage in any other business or activity that conflicts with your obligations to operate the i9 Sports® Franchise in compliance with the Area Developer Agreement. Our System Standards require that you, your Operating Principal, or your Key Manager participate personally on a daily basis in the direct operation of the i9 Sports® Franchise.

You must employ sufficient number of qualified, competent personnel to offer prompt, courteous and efficient service to the public in accordance with our System Standards. You are solely responsible for all labor and employment-related matters and decisions related to your Franchised Business, including hiring, firing, promoting, demoting, and compensating (including through wages, bonuses, or benefits) your employees and contractors. You must ensure that your employees and contractors (a) are qualified to perform their duties in accordance with our System Standards, (b) successfully pass an appropriate screening and background check, (c) do not pose a threat to any individuals, and (d) are not reasonably likely to have an adverse effect on you, the reputation of you or your owners, our franchise system, our concept, your Franchised Business, the Marks, and any associated goodwill (an “**Adverse Effect**”). We do not require you to implement any employment-related policies or procedures that we

(at our option) may make available to you in the Manual or otherwise for your optional use other than policies and procedures related to background checks and risk management that are fundamental components of our System Standards. You shall determine if and to what extent any optional policies and procedures may be applicable to your operations at the Franchised Business.

If you are a corporation, limited liability company, limited partnership or limited liability partnership, each of your owners, and their spouses, must not only personally guarantee your obligations under the Area Developer Agreement, but also agree to be personally bound by, and personally liable for the breach of, every provision of the Area Developer Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities.

You must adopt and implement reasonable procedures to prevent the unauthorized use or disclosure of the Confidential Information including, but not limited to, restricting its disclosure to your owners, personnel and others and using non-disclosure agreements with those having access to Confidential Information, a form of which is attached as Exhibit “F” to the Area Developer Agreement (“**Confidentiality Agreement**”). We have created the Confidentiality Agreement to assist you in complying with your obligation to obtain signed agreements from your personnel and others to protect our Confidential Information. However, it is your obligation to have the form reviewed by your local attorney and otherwise to ensure it is valid and enforceable under applicable law. If you are taking over an existing i9 Sports® Franchise, you will be required to ensure that any personnel you retain sign a new form of Confidentiality Agreement with you directly (if so required).

We also require you to complete an Owners’ Statement in the form attached as Exhibit “B” to the Area Developer Agreement. The Owners’ Statement describes all of your owners and their interests in you.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You must offer for sale all Products, and perform, provide or render all Services which we authorize for your Network Area and may periodically require for i9 Sports® Franchises. We only permit you to provide the Services to Participants and only permit you to market the Products and Services to Customers. You may not offer for sale any Products or perform, provide or render any Services that we have not authorized or to Customers or Participants for which you are not authorized (i.e., non-youth Participants). Our System Standards may regulate required or authorized Products or Services, Product or Service categories and supplies. We have the right to change the types of required and/or authorized goods and services at any time and there are no limits on our right to do so. You are not allowed to solicit Customers, provide Events, or distribute Proprietary Products or other merchandise outside of your Network Area without our prior written approval. You must at all times maintain sufficient levels of inventory to adequately satisfy consumer demand. You must stop using disapproved products or services immediately upon notice that such services or products have been discontinued. If the law prohibits the use or sale of any product or service, use must cease immediately. We may terminate your Area Developer Agreement if you fail to meet our quality standards as prescribed in the Area Developer Agreement and our Manual.

We designate the type of Authorized Sports you may offer at Events (e.g., in connection with Products and Services) and the age of Participant that may participate in them. If you fail or refuse to offer an Authorized Sport at any time in your Network Area, then (i) we, or another party we designate (including our affiliate or another area developer), may offer such sport in your Network Area without paying you any compensation in connection with any of our or our designees’ activities related to such sport and/or (ii) we may, in our sole discretion, temporarily or permanently remove such sport as an Authorized Sport under your Area Developer Agreement.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

PART I: REGISTRATION REVENUE AND KEY PERFORMANCE INDICATORS

Part I of this Financial Performance Representation reflects the historical average and median of the registration revenue and certain key performance indicators including the number of venues operated, the number of sports offered, and the market penetration rate of certain i9 Sports Franchises (“**Franchise Units**”) for the period January 1, 2025 through December 31, 2025 (the “**Measurement Period**”).

For the purposes of Charts 1 and 2 in this Part I, please note that: (i) the term “**Registration Revenue**” means all registration sales generated by a Franchise Unit during the Measurement Period and does not include other types of revenue earned by Franchise Units, such as sponsorships, commissions, merchandise sales, and concession sales; (ii) the term “**Venue**” is defined as the number of playing locations operated by a Franchise Unit with a unique address during the Measurement Period; (iii) the term “**Market Penetration Rate**” is defined as the total number of unique player registrations generated by a Franchise Unit during the Measurement Period divided by that Franchise Unit's territory population of kids ages 14 and under (as determined by using SiteSeer Technology’s software); (iv) the term “**Average**” is calculated by taking the cumulative Registration Revenue of the Franchise Units in that particular subset divided by the number of Franchise Units in that subset; and (v) the term “**Median**” for a particular subset of the Franchise Units in these Charts is the middle value in the sorted list of all reported Registration Revenue results with half of the Reporting Unit results for each Chart being higher than the median and half being lower than the median.

As of December 31, 2025, there were 294 Franchise Units that had completed their Business Launch Date and remained active franchises. Charts 1 and 2 in this Part I include the results of 213 Franchise Units, which are all of the Franchise Units that had a Service Start Date prior to 2025 and provided Services to customers throughout the

entire Measurement Period (the “**Covered Units**”). The Covered Units do not include 81 Franchise Units that were not providing Services throughout the entire Measurement Period, including (i) 37 Franchise Units that began providing Services during the Measurement Period, (ii) 26 Franchise Units that had provided Services prior to the Measurement Period but did not have at least one Venue operating in each of the four seasons that comprise the Measurement Period, and (iii) 18 Franchise Units that had completed their Business Launch Date (which permitted them to begin soliciting registrations for Events) but had not begun providing Services in the Measurement Period. Six Franchise Units permanently closed during the Measurement Period, one of which closed within 12 months of opening.

As of September 30, 2025, there were 280 Franchise Units that had completed their Business Launch Date and remained active franchises. Independent Auditor's Report

Board of Managers
i9 Sports, LLC

Opinion

We have audited the financial statements of i9 Sports, LLC (the Company), which comprise the balance sheets as of December 31, 2025 and 2024, the related statements of income, member's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies

Nature of business: i9 Sports, LLC (formerly i9 Sports Corporation) (the Company) was incorporated in Florida on July 29, 2002. On October 18, 2021, the Company sold 100% of its outstanding stock and converted into a limited liability company (LLC) organized in the state of Delaware and became a wholly owned subsidiary of i9 Holdings, LLC (a newly formed Delaware limited liability company) (i9 Holdings). i9 Holdings is a wholly owned subsidiary of YEB Blocked Parent, LLC, which is a wholly owned subsidiary of YEB Holdco, Inc., a Subchapter C corporation (the Member).

The Company, based in Tampa, Florida, is a youth sports franchisor. The Company offers franchise opportunities for individuals throughout the United States to own and operate, market, sell and provide local youth sports leagues, tournaments, camps, clinics, training and special events across multiple sports for children.

A summary of the Company's significant accounting policies as follows:

Basis of presentation: The financial statements have been prepared using the accrual method in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements, in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenue and expenses in the financial statements, and related disclosures. Accordingly, actual amounts could differ from those estimates.

Cash and concentration of credit risk: Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of cash. The Company maintains its cash deposits in a bank account, which exceeded the Federal Deposit Insurance Corporation's (FDIC) insurable limit at December 31, 2025 and 2024. The Company has not experienced any losses in such accounts.

Accounts receivable: Accounts receivable are unsecured obligations due from sponsorship partners under terms requiring payments generally within 30 days from the agreement date. Accounts receivable balances that aged over 30 days are reviewed for delinquency. Management reviews these accounts taking into consideration the size of the outstanding balance and the past history with the sponsorship partner. Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. The carrying amount of receivables is reduced by an allowance for credit losses that reflects management's best estimate of the amount that will not be collected. As of December 31, 2025 and 2024, the Company concluded that no allowance for credit losses was necessary.

Payments on accounts receivable are allocated to specific invoices identified on the sponsorship's remittance advice or, if unspecified, are applied to earliest unpaid invoices.

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Contract balances: The Company records accounts receivable, and contract assets when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability (deferred revenue) also is recorded. Opening balances as of January 1, 2024, were as follows:

	<u>2024</u>
Accounts receivable, net of allowance for credit losses	\$ 68,175
Contract assets	117,612
Deferred revenue	2,592,161

Contract assets: Contract assets consist of sales commission and referral fees for franchise agreements. These costs are considered incremental and recoverable costs of obtaining a contract with a customer. These contract assets are deferred and amortized on a straight-line basis over an average contract term ranging from five to 10 years. Amortization expense is included in the selling, general and administrative expenses on the accompanying statements of income.

Deferred revenue: Deferred revenue is a contract liability consisting of cash received for franchise fee revenue that is recognized over time, based on the term of the franchise agreement, as well as league revenue collected for games not held yet. The current portion of deferred revenue represents the unearned revenue collected in advance and to be earned within 12 months of the balance sheet date. Correspondingly, noncurrent deferred revenue represents the unearned revenue to be earned after 12 months from the balance sheet date.

Property and equipment: Property and equipment are stated at cost, net of accumulated depreciation. Major improvements that substantially extend an asset's useful life are capitalized. Repairs, maintenance and minor improvements are charged to operations as incurred. Leasehold costs and improvements are amortized over the lesser of the estimated useful lives or the remaining lease terms. Depreciation is charged to expense over the estimated useful lives of the related assets and is computed using the straight-line method, which range from five to seven years.

Capitalized website development costs: The Company accounts for website and software development costs in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 350-50, Website Development Costs. As such, the Company expenses all costs incurred relating to the planning and post-implementation phases of development, as well as costs incurred related to content training and maintenance. Costs incurred in the development phase are capitalized as website and software and amortized over an estimated useful life of five years.

Accounting for impairment of long-lived assets: The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of their carrying amount or fair value less cost to sell. The Company did not record an expense related to impairment of long-lived assets in 2025 and 2024.

(A Limited Liability Company)

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Leases: The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the customer obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company recognizes most leases on its balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the income statement.

The Company made an accounting policy election available not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of ASC Topic 842, Leases). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives received. To determine the present value of lease payments, the Company made an accounting policy election available to nonpublic companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

Future lease payments may include fixed-rent escalation clauses or payments that depend on an index (such as the consumer price index), which is initially measured using the index or rate at lease commencement. Subsequent changes of an index and other periodic market-rate adjustments to base rent are recorded in variable lease expense in the period incurred. Residual value guarantees or payments for terminating the lease are included in the lease payments only when it is probable they will be incurred.

The Company has made an accounting policy election to account for lease and nonlease components in its contracts as a single lease component for its real estate, vehicle and equipment asset classes. The nonlease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Revenue recognition: The Company recognizes revenue in accordance with FASB ASC Topic 606, Revenue from Contracts with Customers (Topic 606). Under this Topic 606, an entity is required to recognize revenue upon transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. The Company's revenue is generated primarily from royalties, franchise fees, technology and administrative fees, marketing fund revenue, and merchandise sales to consumers and franchisees.

i9 Sports, LLC
(A Limited Liability Company)

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company generates revenue from the sale of sports franchises. In general, the Company's franchise agreements provide for the payment of an initial franchise fee in connection with the right to own and operate a sports franchise. Franchisees bear all direct costs involved in the development and operation of their franchise. The Company provides franchisees with support for training, technology licensing, website customization, software configuration, set-up and installation. The current standard franchise agreement provides that the initial franchise fee is nonrefundable. The franchise agreements also generally require the franchisees to pay the Company a royalty based on a percentage of sales, customer service center fees based on minutes utilizing the service, and national brand fund contributions, each subject to minimum monthly requirements.

The Company also charges other fees associated with changes to continuing franchise agreements. These include transfer fees, additional territory fees and renewal fees. These are recognized over time based on the new or remaining term.

Deposits received for new franchises that have not opened have been recorded as deferred revenue on the balance sheets. Such amounts will be recognized over time based on the term of the franchise agreement, beginning on the date franchisees complete required training.

The Company recognizes fund contribution fees and customer service center fees under its franchise agreements as earned. The Company recognizes royalties at a point in time when each sale occurs. The Company recognizes merchandise sales revenue for items sold directly to customers and to franchisees, which are fulfilled by third-party vendors. Merchandise revenue is recognized at a point in time when the items are shipped from the vendor.

The Company's revenue is as follows for the years ended December 31, 2025 and 2024:

	2025	2024
Royalties and merchandise sales (point in time)	\$ 24,593,501	\$ 25,464,275
Customer service contract fees, fund contributions and other (point in time)	5,365,990	5,263,304
Franchise and league fees (over time)	1,294,139	1,275,418
	<u>\$ 31,253,630</u>	<u>\$ 32,002,997</u>

Cost of revenue: Cost of revenue primarily includes cost of merchandise, league expenses and credit card fees.

Advertising costs: Under the terms of the Company's franchise agreements, the Company bills and collects from its franchisees monthly national brand fund contributions (fund contributions) that generally range from 1% to 2% of sales, subject to a minimum monthly fee of \$275. These fees are used by the Company to supply the franchises with advertising services. The amounts billed and collected are restricted to pay for costs of preparing and producing various advertising and marketing materials for the franchised locations. Franchise advertising expense was approximately \$1,542,000 and \$1,201,000 in 2025 and 2024, respectively, and is included in revenue and selling, general and administrative expenses in the accompanying statements of income.

The Company expenses the cost of nonfranchise advertising as incurred. Advertising expense, excluding franchise advertising, was approximately \$579,000 and \$639,000 in 2025 and 2024, respectively.

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Income taxes: As a limited liability company, the Company's taxable income or loss is allocated to the Member. Therefore, no provision or liability for income taxes has been included in the financial statements.

U.S. GAAP requires management to evaluate tax positions taken by the Company and recognize a tax liability if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

Risks and uncertainties: The Company is subject to a number of risks associated with companies at a similar stage, including dependence on key individuals, competition from similar products and larger companies, volatility of the industry, ability to obtain adequate financing to support growth and general economic conditions.

Reclassifications: Certain items have been reclassified in the prior year's financial statements in order to conform to the current year presentations. Such reclassifications had no effect on total assets, net income or cash flows.

Subsequent events: Management has evaluated subsequent events through March 26, 2026, which is the date the financial statements were available to be issued. Management has determined that no events or transactions have occurred subsequent to the balance sheet date that require disclosure in the financial statements.

Note 2. Property and Equipment

Note 3. Leases

The Company leases an office facility in Riverview, Florida under a noncancelable operating lease agreement, which expires in June 2027. Operating lease cost is recognized on a straight-line basis over the lease term. Under terms of the lease, the Company is responsible for certain insurance, property taxes and maintenance expenses. The components of lease expense are as follows for the years ended December 31, 2025 and 2024:

	2025	2024
Operating lease cost	\$ 162,715	\$ 155,591
Variable lease cost	36,295	55,764
Total lease cost	\$ 199,010	\$ 211,355

Total rent expense for operating leases was approximately \$199,000 and \$211,000 for the years ended December 31, 2025 and 2024, and is included in selling, general and administrative expenses on the accompanying statements of income.

Future undiscounted cash flows for each of the next five years and thereafter, and a reconciliation to the lease liabilities recognized on the balance sheets, are as follows as of December 31, 2025:

Supplemental weighted-average remaining lease term and discount rate information related to leases is as follows as of December 31, 2025 and 2024:

	2025	2024
Weighted-average remaining lease term—operating leases	1.5 years	2.5 years
Weighted-average discount rate—operating leases	1.46%	1.46%

Note 4. Related-Party Transactions

Guarantee: The Company has guaranteed the long-term debt of YEB Intermediate Holdings, LLC (Intermediate), an upstream affiliate of the Company. In the event of a default by Intermediate, the Company and certain affiliates could be obligated to repay the full amount outstanding on this debt. As of December 31, 2025 and 2024, the potential future obligation under this guarantee totaled approximately \$265,000,000 and \$273,000,000, respectively, and is payable through October 2027.

Management evaluated the guarantee under ASC 460, Guarantees, and concluded that no liability was required to be recorded as of December 31, 2025 and 2024. This conclusion reflects management's assessment that (i) the likelihood of the Company being required to perform under the guarantee is remote, and (ii) the fair value of the guarantee at inception was not material.

Notes to Financial Statements

Note 4. Related-Party Transactions (Continued)

The Company's assets and franchise license agreements are pledged as collateral under the long-term debt of Intermediate.

Administrative fee from member: During the year ended December 31, 2025, the Company entered into an administrative services arrangement with its sole member, pursuant to which the member incurs certain shared costs on behalf of the Company, including salaries and benefits, marketing, and other overhead costs. Such costs are allocated to the Company based on an allocation methodology developed by management and are included in selling, general and administrative expenses in the accompanying statements of income. Administrative fees charged to the Company under this arrangement totaled approximately \$1,692,000 for the year ended December 31, 2025.

Amounts due to the member under this arrangement are unsecured, non-interest-bearing, and have no stated repayment terms. Repayments, if any, are made at the discretion of the Company based on liquidity and working capital needs. As of December 31, 2025, the Company recorded a due to member balance of approximately \$361,000, which is included in current liabilities.

As of December 31, 2025 and 2024, the Company recorded a due from member balance of approximately \$0 and \$151,000, respectively, which was included in current assets. No other amounts were due to or from related parties as of December 31, 2025 and 2024.

Note 5. Commitments and Contingencies

Legal matters: The Company may become a party to various litigation matters and disputes in the ordinary course of the business. In the opinion of management, the ultimate disposition of any matters that may exist as of the date of this report will not have a material adverse effect on the Company's financial position. As a result, no liability for potential legal claims has been recorded through December 31, 2025 and 2024.

Independent Auditor's Report

Board of Managers
i9 Sports, LLC

Opinion

We have audited the financial statements of i9 Sports, LLC (the Company), which comprise the balance sheets as of December 31, 2024 and 2023, the related statements of income, member's equity (deficit) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Note 1. Nature of Business and Significant Accounting Policies

Nature of business: i9 Sports, LLC (formerly i9 Sports Corporation) (the Company) was incorporated in Florida on July 29, 2002. On October 18, 2021, the Company sold 100% of its outstanding stock and converted into a limited liability company (LLC) organized in the state of Delaware and became a wholly owned subsidiary of i9 Holdings, LLC (a newly formed Delaware limited liability company) (i9 Holdings). i9 Holdings is a wholly owned subsidiary of YEB Blocked Parent, LLC, which is a wholly owned subsidiary of YEB Holdco, Inc., a Subchapter C corporation (the Member).

The Company, based in Tampa, Florida, is a youth sports franchisor. The Company offers franchise opportunities for individuals throughout the United States to own and operate, market, sell and provide local youth sports leagues, tournaments, camps, clinics, training and special events across multiple sports for children.

A summary of the Company's significant accounting policies as follows:

Basis of presentation: The financial statements have been prepared using the accrual method in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

These financial statements do not reflect the effects of the Company being acquired in 2021, as the Company has not elected pushdown accounting related to this acquisition.

Use of estimates: The preparation of financial statements, in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenue and expenses in the financial statements, and related disclosures. Accordingly, actual amounts could differ from those estimates.

Cash and concentration of credit risk: Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of cash. The Company maintains its cash deposits in a bank account, which exceeded the Federal Deposit Insurance Corporation's (FDIC) insurable limit at December 31, 2024 and 2023. The Company has not experienced any losses in such accounts.

Accounts receivable: Accounts receivable are unsecured obligations due from sponsorship partners under terms requiring payments generally within 30 days from the agreement date. Accounts receivable balances that aged over 30 days are reviewed for delinquency. Management reviews these accounts taking into consideration the size of the outstanding balance and the past history with the sponsorship partner. Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. The carrying amount of receivables is reduced by an allowance for credit losses that reflects management's best estimate of the amount that will not be collected.

Payments on accounts receivable are allocated to specific invoices identified on the sponsorship's remittance advice or, if unspecified, are applied to earliest unpaid invoices.

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Contract balances: The Company records accounts receivable, and contract assets when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability (deferred revenue) also is recorded. Opening balances as of January 1, 2023, were as follows:

	<u>2023</u>
Accounts receivable, net of allowance for credit allowances	\$ 68,817
Contract assets	441,978
Deferred revenue	2,379,641

Contract assets: Contract assets consist of sales commission and referral fees for franchise agreements. These costs are considered incremental and recoverable costs of obtaining a contract with a customer. These contract assets are deferred and amortized on a straight-line basis over an average contract term ranging from five to 10 years. Amortization expense is included in the selling, general and administrative expenses on the accompanying statements of income.

Deferred revenue: Deferred revenue is a contract liability consisting of cash received for franchise fee revenue that is recognized over time, based on the term of the franchise agreement, as well as league revenue collected for games not held yet. The current portion of deferred revenue represents the unearned revenue collected in advance and to be earned within 12 months of the balance sheet date. Correspondingly, noncurrent deferred revenue represents the unearned revenue to be earned after 12 months from the balance sheet date.

Property and equipment: Property and equipment is recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally five to seven years. Leasehold improvements are amortized over the shorter of the asset's estimated useful life or the remaining lease term.

Capitalized website development costs: The Company accounts for website and software development costs in accordance with FASB ASC Topic 350-50, Website Development Costs. As such, the Company expenses all costs incurred relating to the planning and post-implementation phases of development, as well as costs incurred related to content training and maintenance. Costs incurred in the development phase are capitalized as website and software and amortized over an estimated useful life of five years.

Accounting for impairment of long-lived assets: The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of their carrying amount or fair value less cost to sell. The Company did not record an expense related to impairment of long-lived assets in 2024 and 2023.

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Leases: The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the customer obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company recognizes most leases on its balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the income statement.

The Company made an accounting policy election available not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of ASC Topic 842, Leases). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives received. To determine the present value of lease payments, the Company made an accounting policy election available to nonpublic companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

Future lease payments may include fixed-rent escalation clauses or payments that depend on an index (such as the consumer price index), which is initially measured using the index or rate at lease commencement. Subsequent changes of an index and other periodic market-rate adjustments to base rent are recorded in variable lease expense in the period incurred. Residual value guarantees or payments for terminating the lease are included in the lease payments only when it is probable they will be incurred.

The Company has made an accounting policy election to account for lease and nonlease components in its contracts as a single lease component for its real estate, vehicle and equipment asset classes. The nonlease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Revenue recognition: The Company recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers (Topic 606). Under this Topic 606, an entity is required to recognize revenue upon transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. The Company's revenue is generated primarily from royalties, franchise fees, technology and administrative fees, marketing fund revenue, merchandise sales to consumers and franchisees, and from a Company-owned business.

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company generates revenue from the sale of sports franchises. In general, the Company's franchise agreements provide for the payment of an initial franchise fee in connection with the right to own and operate a sports franchise. Franchisees bear all direct costs involved in the development and operation of their franchise. The Company provides franchisees with support for training, technology licensing, website customization, software configuration, set-up and installation. The current standard franchise agreement provides that the initial franchise fee is nonrefundable. The franchise agreements also generally require the franchisees to pay the Company a royalty based on a percentage of sales, with a minimum per month, customer service center fees based on minutes utilizing the service, with a minimum per month, and national brand fund contributions (fund contributions) of the greater of 1% of sales or a minimum dollar amount per month.

The Company also charges other fees associated with changes to continuing franchise agreements. These include transfer fees, additional territory fees and renewal fees. These are recognized over time based on the new or remaining term.

Deposits received for new franchises that have not opened have been recorded as deferred revenue on the balance sheets. Such amounts will be recognized over time based on the term of the franchise agreement, beginning on the date franchisees complete required training.

The Company recognizes fund contribution fees and customer service center fees under its franchise agreements as earned. The Company recognizes royalties at a point in time when each sale occurs. The Company recognizes merchandise sales revenue for items sold directly to customers and to franchisees, which are fulfilled by third-party vendors. Merchandise revenue is recognized at a point in time when the items are shipped from the vendor.

Company-owned business: The Company recognizes revenue for registrations sold by the Company-owned location over time based on the period of the league play, which is on average approximately seven weeks. Effective February 24, 2023, the Company no longer owns any Company-owned locations as it entered into two asset purchase and sale agreements and two area development agreements with a third-party to sell certain Company assets and grant the buyer the rights to operate two territories for cash consideration.

The Company's revenue is as follows for the years ended December 31, 2024 and 2023:

	2024	2023
Royalties and merchandise sales (point in time)	\$ 25,464,275	\$ 24,595,054
Customer service contract fees, fund contributions and other (point in time)	5,263,304	3,414,613
Franchise and league fees (over time)	1,275,418	1,036,230
	<u>\$ 32,002,997</u>	<u>\$ 29,045,897</u>

Cost of revenue: Cost of revenue primarily includes cost of merchandise, league expenses and credit card fees.

Notes to Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Advertising costs: Under the terms of the Company's franchise agreements, the Company bills and collects from its franchisees monthly national brand fund contributions (fund contributions) of 1% of sales or a minimum of \$275 per month. These fees are used by the Company to supply the franchises with advertising services. The amounts billed and collected are restricted to pay for costs of preparing and producing various advertising and marketing materials for the franchised locations. Franchise advertising expense was \$1,200,743 and \$1,348,261 in 2024 and 2023, respectively, and is included in revenue and selling, general and administrative expenses in the accompanying statements of income.

The Company expenses the cost of nonfranchise advertising as incurred. Advertising expense, excluding franchise advertising, was \$638,976 and \$317,394 in 2024 and 2023, respectively.

Income taxes: As a limited liability company, the Company's taxable income or loss is allocated to the Member. Therefore, no provision or liability for income taxes has been included in the financial statements.

U.S. GAAP requires management to evaluate tax positions taken by the Company and recognize a tax liability if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

In December 2019, the FASB issued Accounting Standards Update (ASU) 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*, which is intended to simplify various areas related to the accounting for income taxes and improve consistent application of Topic 740. The new standard clarifies that companies are permitted, but not required, to allocate income tax expense to legal entities that are not subject to tax. The Company has adopted this standard as of January 1, 2022, and is not electing to allocate income tax expense to these financial statements.

Risks and uncertainties: The Company is subject to a number of risks associated with companies at a similar stage, including dependence on key individuals, competition from similar products and larger companies, volatility of the industry, ability to obtain adequate financing to support growth and general economic conditions.

Subsequent events: Management has evaluated subsequent events through March 26, 2025, which is the date the financial statements were available to be issued. Management has determined that no events or transactions have occurred subsequent to the balance sheet date that require disclosure in the financial statements.

The business you conduct as an i9 Sports® Franchise is referred to as the “**Franchised Business**” or your “**i9 Sports® Franchise**.” You recognize our legitimate business interest in preserving the Customer base for the Products and the Services and the associated goodwill, as well as our relationships with other i9 Sports® Franchises, suppliers, Customer-affiliated organizations, designees or affiliates. This Agreement contains the terms and conditions of your performance as one of our i9 Sports® Franchises and our obligations to you.

We hereby grant to you, upon the express terms and conditions contained in this Agreement, and you hereby accept, during the Term (as defined in Section 2.3), a franchise for the right to:

2.3 Term

Your grant to own and operate as an i9 Sports® Franchise begins on the Effective Date and ends on the 10th anniversary of the Effective Date (the “**Term**”), unless sooner terminated pursuant to this Agreement. The word “Term” means the initial time period and any renewal or extension of that time period, unless the context is otherwise.

2.4 **Renewal**

In addition, we have the right to charge you for services we render to you and expenses we incur in conjunction with the grant of a renewal. Payment of those charges is due upon your receipt of our invoice.

2.5 **Full Term Performance**

You agree to perform your obligations under this Agreement faithfully and honestly, and to continuously exert your best efforts to promote and enhance your Franchised Business and the System, for the full term of this Agreement. Furthermore, you agree not to engage in any other business or activity that may conflict with your obligations under this Agreement. You must not offer any other line of business, services or products without our prior written consent. You may use the Marks, the Copyrights and the System only for purposes of operating as an i9 Sports® Franchise for the marketing and sale of, and to perform, render, provide or distribute, the Products and the Services in accordance with this Agreement and our System Standards.

Your Required Trainees also must successfully complete the Post-Phase I Online Training and the Phase II Training (as each of those terms are defined in Section 5.2) prior to the Service Start Date. If you fail to obtain the required registrations or complete the required training, in order to ensure a quality customer experience, we may require you to delay the Service Start Date and may restrict you from beginning to conduct the Events and providing the Services. The actual Service Start Date must take place within six months from the Business Launch Date or we will have the right, in our sole discretion, to terminate this Agreement.

You must appoint an individual owner with at least a 10% ownership interest in your Franchised Business or Business Entity as your “**Operating Principal.**” A “**Business Entity**” is a corporation, limited liability company, partnership, or other entity or organization. If you are the only individual signing this Agreement or the sole owner of your Business Entity, you will serve as the Operating Principal. If there are multiple individuals signing this Agreement or multiple owners of your Business Entity, you must select one of them to serve as the Operating Principal. You must obtain our written approval of your Operating Principal, which we may withhold in our sole discretion. Your Operating Principal must have authority over all business decisions related to your Franchised Business and must have the power to bind you in all dealings with us. We may rely solely on the decisions and representations of your Operating Principal. Your Key Manager may not serve in such role for more than one i9 Sports® Franchise. Your Key Manager must satisfy any standards that we require for their position, including successfully completing any training programs we require.
- (c) Appointment and Changes. You may not appoint an Operating Principal or Key Manager without our prior written approval, which we may withhold in our sole discretion. You must provide us with written notice of your proposed initial Operating Principal and Key Manager at least 30 days prior to opening. You must notify us immediately of the death, disability, termination, removal, or departure of your Operating Principal or Key Manager and must obtain our approval of a successor Operating Principal within 30 days after such event and of a successor Key Manager within 60 days after such event. We may withdraw our approval for such an appointment at any time, in which case you must propose a new appointment and obtain our approval of such successor within 30 days after such event.

3. TERRITORIAL RIGHTS AND RESTRICTIONS

3.1 Protected Rights / Restrictions

(a) Protected Rights. During the Term of this Agreement, we will not own or operate, or license a third party the right to own or operate, another i9 Sports® Franchise offering any of the Authorized Sports you are authorized to offer, within your Network Area. We will not provide, or license a third party the right to provide, any Authorized Sports at any location within your Network Area. You acknowledge and agree that (i) any Customers residing or otherwise located within your Network Area may elect for their Participants to participate in any Authorized Sports or Events at any location, whether inside or outside of your Network Area; and (ii) other i9 Sports® area developers may be permitted by us to maintain a home office (but not a commercial office) located in your Network Area, provided that they (a) may not provide any Authorized Sports at any location within your Network Area and (b) may not market the Products and Services to any Customers located in the Network Area, except in the event that a person in your Network Area elects to become a Customer of theirs by having their Participants participate in Events within their network area, in which case such other area developer may employ Customer-specific direct marketing communications.

(b) Restrictions on Your Operations. Unless you obtain our prior written consent, you must not sell, distribute, perform, render or provide the Products or the Services: (i) to Customers or Participants for whom you are not authorized; (ii) in connection with any Authorized Sports, Events, venues, leagues or other business that are located outside of your Network Area; (iii) in connection with any sports other than your Authorized Sports defined in Section 1.1(b). You may not market the Products or Services outside of your Network Area except in the event that a person from outside your Network Area elects to become a Customer of yours by having their Participants participate in Events within your Network Area, in which case you may employ Customer-specific direct marketing communication. Should you market any Products or Services or conduct any activity related to the Authorized Sports or Events outside of your Network Area, not only will such actions constitute a default under this Agreement, but you must also disgorge all monies paid to you on account of carrying out such activities to the National Brand Fund (as described in Section 12 of this Agreement).

3.2 Rights We Reserve

We and our affiliates reserve the right to:

- (a) own and operate i9 Sports® Franchises, or license third parties the right to own and operate i9 Sports® Franchises, utilizing the Marks and System at any location outside of your Network Area;
- (b) own and operate, and license third parties the right to own and operate, i9 Sports® Franchises that offer sports other than the Authorized Sports at any location;

- (f) send out marketing materials, and otherwise promote the i9 Sports® brand, Marks and System and various Events and Authorized Sports offered, at any location utilizing the Marks (including sending emails and other materials to Customers with links to our Website (as defined in Section 9.11) so such Customers can determine what Events, venues and leagues are being conducted near the zip code they input);
- (g) utilize the Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including products and services authorized for i9 Sports® Franchises and related merchandise under the Marks or other marks (“**Proprietary Products**”) through wholesale and retail outlets, via the Internet, and through mail order catalog, without regard to location;
- (h) retain some or all of the profits derived from the sale of products sold by us or our affiliates directly to Customers through an e-commerce site (“**Online Retail Products**”) and distribute to i9 Sports® area developers some or all of those monies on a periodic basis and according to the rules we establish; and
- (i) use the Marks and System, and license others to use the Marks and System, to engage in any other activities not expressly prohibited in this Agreement.

3.3 **Failure to Offer Authorized Sports**

If you fail or refuse to offer an Authorized Sport at any time in your Network Area, then (a) we, or another party we designate (including our affiliate or another area developer), may offer such sport in your Network Area without paying you any compensation in connection with any of our or our designees’ activities related to such sport and/or (b) we may, in our sole discretion, temporarily or permanently remove such sport as an Authorized Sport under this Agreement.

3.4 **Other Channels of Distribution**

You acknowledge and agree that certain of our and our affiliates’ products and services, whether now existing or developed in the future, may be distributed in your Network Area by us, our affiliates, or our area developers, licensees, or designees, in such manner and through such channels of distribution as we, in our sole discretion, will determine. Such alternate channels of distribution include, but are not limited to, the sale of Proprietary Products and other youth sports related products through wholesale and retail stores, via the Internet, telemarketing or other direct marketing sales, and through mail order catalog, without regard to location using the Marks or any other marks. You understand that this Agreement grants you no rights: (i) to distribute products or services as described in this Section 3.4; or (ii) to share in any of the proceeds received by any such party therefrom.

3.5 **Minimum Performance Standard**

Beginning one year from the Business Launch Date, you must meet a minimum performance standard in connection with the operation of your Franchised Business (the “**Minimum Performance Standard**”), which we may change from time to time in our sole discretion. Currently, the Minimum Performance Standard is that you must: (i) meet or exceed a minimum annual player registration revenue of \$80,000; (ii) not fall within the bottom 25% of all area developers (who have been in the system at least one year) on the network scorecard that we currently publish monthly (the “**Network Scorecard**”); and (iii) not fall within the bottom 25% of all area developers (who have been in the system at least one year) in customer satisfaction (as currently measured by Net Promoter Score as determined by in-season surveys submitted by the Customers of your Franchised Business on a rolling 12-month basis).

The Network Scorecard is currently published monthly and is a rating system used by i9 Sports to rank the overall performance of our area developers on a relative basis. If you do not meet the Minimum Performance Standard, we may require you to attend our then-current remedial training program (at the location we designate). If you refuse to attend this remedial training, or if you do not improve your customer satisfaction (as currently measured by the Network Scorecard or net promoter score (as applicable)), we may either: (a) terminate your exclusive rights to the Network Area and sell the Products and Services directly or through others; (b) reduce the scope of the geographic area comprising the Network Area in which you will have exclusive marketing rights; (c) reduce the number of Authorized Sports or authorized Participants; or (d) terminate this Agreement upon notice.

3.6 **Additional Territory**

We may grant you the right to increase the size of your Network Area by purchasing additional territory during the term of this Agreement, provided you: (i) pay our then-current Territory Fee (as described in Section 4.2) that corresponds to the children population of the additional territory you wish to purchase; (ii) enter into our prescribed form of addendum to this Agreement (the “**Addendum**”), under which we will grant you the additional territory; and (iii) meet our then-current prerequisites for the right to purchase additional territory, as set forth in our Manual, which are subject to change.

4. **FEES AND PAYMENT**

4.1 **Franchise Fee**

In consideration of the franchise granted to you by us, you must pay us an initial franchise fee of Twenty-Four Thousand Nine Hundred Dollars (\$24,900) (the “**Franchise Fee**”) upon execution of this Agreement.

4.2 **Territory Fee**

In addition to the Franchise Fee, you must pay to us a territory fee in the amount of \$15,000 (the “**Territory Fee**”) The Territory Fee is due in lump sum when you sign this Agreement. The Territory Fee for additional territory is \$5,000 for each additional 5,000 children (aged 14 and under) in population. The Territory Fee is fully earned upon receipt, and is non-refundable under all circumstances.

4.3 **Discount on Initial Fees**

In certain circumstances, we will discount the initial fees due. The discounts available are as follows: (a) if you are a U.S. military veteran and you qualify under the International Franchise Association’s VetFran Discount Program, we will discount the Franchise Fee by \$2,490; or (b) if you are an existing i9 Sports franchisee and are approved to purchase an additional i9 Sports franchise, you must sign our then-current area developer agreement and we will give you a discount of 10% off the then-current Franchise Fee.

4.4 **No Financing by Us**

We do not offer financing in connection with your Franchised Business.

4.5 **Payment Terms**

The Franchise Fee and Territory Fee are due in full upon execution of this Agreement, are non-refundable, and are deemed fully earned upon payment in consideration of administrative and other expenses we incur in granting the franchise and for our lost or deferred opportunity to franchise others.

4.6 **Royalty Fees**

You must pay to us a royalty fee (the “**Royalty Fee**”), which is billed on a daily basis with the minimum being applied at the end of the month if the minimum is not exceeded. The Royalty Fee for franchisees with a Territory with fewer than 80,000 children (ages 14 and under) is the greater of: (a) 7.5% of the Network Revenues for the immediately preceding period; or (b) a minimum of \$425 per month. The Royalty Fee for franchisees with a Territory of 80,000 or more children (ages 14 and under) is the greater of: (a) 7.5% of the Network Revenues for the immediately preceding period; or (b) a minimum of \$450 per month. The Royalty Fee for transfers from existing franchisees whose Territory contains 80,000 or more children (ages 14 and under) is the current Royalty Fee as set forth in such prior Area Developer Agreement.

The minimum does not take effect until 60 days after the Business Launch Date. The Royalty Fee is currently payable via Electronic Funds Transfer. We may change the payment day or interval and/or manner of payment as we deem appropriate in our discretion.

4.7 **National Brand Fund**

You must pay us a contribution to the National Brand Fund that we establish, which is billed on a daily basis with the minimum being applied at the end of the month if the minimum is not exceeded, that amounts to the greater of: (i) 2% of Network Revenues for the immediately preceding period; or (ii) a minimum monthly amount of \$275 per month (the “**National Brand Fund Contribution**”). The minimum described in this Section does not take effect until 60 days after the Business Launch Date. We may, in our sole discretion, change the National Brand Fund Contribution (the percentage of Net Revenues and/or the minimum monthly amount), the payment day or interval, and/or manner of payment upon written notice to you, provided that the fee shall not exceed 3% of Network Revenues or a minimum of \$550 per month, whichever is greater.

4.8 **Customer Service Center Fee and Telecommunications Platform Fee**

You must pay to us a customer service center fee, which is billed on a daily basis with the minimum being applied at the end of the month if the minimum is not exceeded, that amounts to the greater of: (i) \$332.50 per month or (ii) \$0.95 per minute per month (collectively, the “**Customer Service Center Fee**”). The Customer Service Center Fee described in this Section will be based on the per minute rate until 60 days after the Business Launch Date. You must also pay a telecommunication platform fee which is currently \$15 or \$30 per month (the “**Telecommunication Platform Fee**”). We reserve the right to modify the amount and/or manner of payment of the Customer Service Center Fee and Telecommunications Platform Fee upon 60 days written notice to you, provided that the Customer Service Center Fee shall not exceed the greater of \$2.50 per minute or \$800 per month and the Telecommunication Platform Fee shall not exceed \$60 per month. We may change the payment day or interval and/or manner of payment as we deem appropriate in our discretion. The Customer Service Center Fee shall be payable by you for as long as we operate a Customer Service Center. We reserve the right to terminate and/or modify the Customer Service Center and this Agreement by providing 60 days advance written notice to you of such termination. If we choose to terminate the Customer Service Center, you will no longer have to pay the Customer Service Center Fee. Your full participation in the Customer Service Center is mandatory, and you are required to strictly comply with all policies and procedures relate to the Customer Service Center as set forth in our Manual.

4.9 **Technology Fee**

We may require you to pay to us, or a third party that we designate, directly or indirectly, the then-current technology fee that we specify from time to time (the “**Technology Fee**”). The Technology

Fee may be either, at our option, (a) a fee that will not exceed 2% of Network Revenues per month or (b) a Customer processing or registration fee that we may collect directly from your Customers through an additional fee on their invoice that will not exceed \$9 per registration. We may modify the Technology Fee, method of payment, and payment frequency from time to time, subject to the maximum amounts specified above. We will use the Technology Fee to defray our costs of developing, implementing, upgrading, operating, maintaining, supporting, or providing any technology-related products, services, programs, systems, or platforms that we, in our sole discretion, deem appropriate. We may add, delete, or otherwise modify the products, services, programs, systems, and platforms that are funded by the Technology Fee, from time to time.

4.10 **Network Revenues**

The term “**Network Revenues**” means all revenues derived from operating your Franchised Business, whether from cash, check, barter, credit or debit card, or credit transactions, including the redemption value of gift certificates redeemed by you regardless of whether those gift certificates are issued by you or someone else. Network Revenues include amounts from, or related to, the use, lease, barter, sale, distribution, rendering, performing, or providing of any products, services, or activities whatsoever, including (i) the Products and Services and any other products, services, or activities that are in any way associated with the System, Marks, Copyrights, or your Franchised Business and (ii) any related registration fees or other fees charged to Customers. Network Revenues exclude: (a) all federal, state or municipal sales, use or service taxes collected from Customers and paid to the appropriate taxing authority; (b) Customer refunds, adjustments, credits and allowances actually made by you, if approved by us; (c) complimentary products or sales actually provided to Customers or others, if approved by us; (d) the value of gift certificates and amounts paid for them, if approved by us; (e) the amount of over-rings, allowances, discounts to Customers, tips to employees (including discounts attributable to coupon sales, provided they have been included in Network Revenues); and (f) any revenue related to Online Retail Products, including any commissions or payments that we may make to you related to such Online Retail Product sales.

4.11 **Network Revenue Reports**

In the event that we are not able to independently and remotely access your Computer System and/or Software as necessary to obtain the Network Revenues and/or any other financial information or Customer or Participant data related to the operation of your i9 Sports® Franchise at any time during the term of this Agreement, then you will be required to submit a signed Network Revenue report (the “**Network Revenue Report**”) setting forth (a) Network Revenues generated during the immediately preceding calendar month (or other period that we prescribe in writing), (b) your calculation of the Royalty and Advertising Fee (as described below), (c) a list of the Franchised Business’s present and prospective clients, (d) jobs completed and in progress, and (e) any other information we may reasonably request. We may change the form and content, as well as the reporting interval, associated with the Network Revenue Report periodically.

4.12 **Manner of Payment**

The Royalty Fee, National Brand Fund Contribution, Customer Service Center Fee, and Telecommunication Platform Fee must currently be paid: (a) on a daily basis (unless we designate a different payment interval in writing), with the minimum being applied at the end of the month if the minimum is not exceeded; and (b) via an electronic funds transfer program (the “**EFT Program**”), under which we automatically deduct all payments owed to us under this Agreement, or any other agreement between you and us, from your bank account. We may, with written notice, designate another method of payment, payment day or payment interval. You must deposit all revenues from operating the Franchised Business into one bank account within one day of receipt, including cash, checks, and credit card receipts. Before the Business Launch Date, you must provide

us with your bank's name, address and account number, a voided check from such bank account, and sign and give to us and your bank, all documents, including Exhibit "C" to this Agreement, necessary to effectuate the electronic funds transfer ("EFT") program and our ability to withdraw funds from such bank account via electronic funds transfer. You must immediately notify us of any change in your banking relationship, including changes in account numbers. We reserve the right to require you to pay any fees due under this agreement by such other means as we may specify from time to time. If we have required that you submit a Network Revenue Report (as described under Section 4.11) and this report has not been received within the time period required by this Agreement, then we may process an EFT for the subject week based on the most recent Network Revenue Report provided by you to us, provided, that if a Network Revenue Report for the subject period is subsequently received and reflects (i) that the actual amount of the fee due was more than the amount of the EFT, then we will be entitled to withdraw additional funds through EFT from your designated bank account for the difference; or (ii) that the actual amount of the fee due was less than the amount of the EFT, then we will credit the excess amount to the payment of your future obligations.

4.13 Insufficient Funds Fee

We shall have the right to charge you an insufficient funds fee of Twenty-Five Dollars (\$25.00) per occurrence for insufficient EFT funds. Three or more charges of insufficient funds fee within any 12-month period will be a default under this Agreement.

4.14 Interest on Late Payments

If any fee or other payment due to us or our affiliates under this Agreement is not paid on or before its due date, you agree to pay us, in addition to the overdue amount, interest on any overdue payment at the rate of 18% per year or the highest contract rate allowable by law, whichever is less. Interest on any overdue amount shall accrue from the original due date until payment in full is received. Interest as enumerated in this Section 4.14 shall also apply to any understated amounts as revealed by an audit of your financial records. You acknowledge that this Section 4.14 is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, the Franchised Business. You further acknowledge that your failure to pay all amounts that you owe us when due constitutes grounds for our terminating this Agreement under Section 19 of this Agreement, notwithstanding this Section.

4.15 Late Charges and Non-Compliance Fees

- (a) Late Charges. In addition to applicable interest on any overdue payment, you also agree to pay to us a late charge equal to 5% of the overdue amount.
- (b) Non-Compliance Fees. If you fail to comply with any of the System Standards or any provision of this Agreement, in addition to any other remedies we may be entitled to, we reserve the right to charge you one or more non-compliance fees upon written notice to you. 4.16 **Billing System**

We may, to the extent we designate from time to time, be responsible for and provide administrative, customer account coordination, and commission payment services, and Product or Service ordering, billing and distribution systems as we designate from time to time in our Manuals or intranet (collectively, the “**Billing System**”). Any of the Products or the Services which we designate for sale directly to the Customers must be reported to us in accordance with our Systems Standards. With respect to those Network Revenues, we designate for our collection through the Billing System, we will exercise all reasonable efforts as we consider appropriate to collect amounts due for the Products or the Services you sell, render, provide or perform in conducting the Franchised Business. We may utilize our experience and policies developed for i9 Sports® Franchises, and we may compromise, settle, discount, factor, write-off, and assign to collection agencies or pursue through legal action all amounts due for services provided by you. You understand that in fulfilling this obligation, at our expense, we may use other firms or designees and supervise their performance. In general, you will enter into an agreement with each Customer under which you will agree to provide the Products and the Services, and such other services as you and the Customer mutually agree. You and the Customer or its designee will mutually agree on the fees paid to you for the sale or distribution of the Products and Services you’re performing, rendering or providing. In all instances where third parties make payments directly to you, all monies due to us relating to such Network Revenues paid to you, or which you receive in connection with the Franchised Business, must be paid to us via EFT.

We reserve the right to require Customers to pay us directly for the sale or distribution of the Products and Services. You must not register any Internet domain name that contains words used in or similar to any brand name owned by us or our affiliates or any abbreviation, acronym, phonetic variation or visual variation of those words, unless we provide our prior written consent.
- (c) You must, at your expense, participate in the Billing System and otherwise operate certain aspects of the i9 Sports® Franchise that we designate from time to time through the e-commerce methods and channels that we designate, and in the manner we designate from time to time. You may not (i) accept any payments or funds from any Customer of your Franchised Business, (ii) engage in the sale of any Products or Services, or (iii) otherwise participate in any e-commerce in connection with your Franchised Business, through any website/channel other than the specific website/channels that we specify or approve in writing. We may require that you provide Customers of your Franchised Business access to certain e-commerce activities that we designate from time to time and that your Customers purchase the Products and the Services directly from us through a website or portal designated by us. If we do so, we will allocate Network Revenues to you or other i9 Sports® Franchises from such purchases to you in the manner we designate from time to time in our System Standards, subject to our System Standards. You must follow all of our policies and procedures for the use and regulation of e-commerce.

- (d) We may require that you provide graphical, photographic, written or other forms of artistic or literary content to us for use in e-commerce activities associated with the Marks, the Copyrights or the System which we may designate.
- (e) You recognize and agree that between you and us, we own all rights to all interest in and to any data collected via e-commerce related to the System, the Copyrights and the Marks, including any Customer or Participant data, click-stream data, cookies, user data, hits and related information. This information is deemed by us to be and constitutes our Confidential Information.

10. MARKS AND COPYRIGHTS

10.1 Ownership and Goodwill

You also recognize that various materials we give you are subject to copyrights we own or license from others. Your right to use the Marks and Copyrights is derived solely from this Agreement and is limited to the operation of your Franchised Business pursuant to and in compliance with this Agreement and all applicable standards and operating procedures we prescribe during the Term of this Agreement. If you make any unauthorized use of any of the Marks or Copyrights, it will constitute a breach of this Agreement and an infringement of our rights in and to the Marks or Copyrights. Your use of the Marks or Copyrights and any goodwill established by your use, will inure to our benefit exclusively. This Agreement does not confer any goodwill or other interests in the Marks or Copyrights on you (other than the right to operate your Franchised Business in compliance with this Agreement).

10.2 Additional Marks

All provisions of this Agreement which apply to the Marks or the Copyrights will apply to any additional trademarks, service marks, commercial symbols, designs, artwork, trade dress, logos and other copyrights we may authorize and license you to use during the Term of this Agreement.

10.3 Limitations on Use

Your limited license extends only to use of the Marks in accordance with (i) all applicable standards, operating procedures, policies and guidelines that we prescribe—and from time to time amend—during the duration of this Agreement, including, without limitation, those set forth in the Manual and other publications, if any, dedicated to proper use of the Marks; and (ii) all applicable laws and regulations pertaining to advertising and marketing, including, without limitation, federal and state laws pertaining to telemarketing (including the Telephone Consumer Protection Act (“TCPA”)), false advertising, unfair competition, and unfair practices. You must use the Marks we designate as the sole trade identification of your Franchised Business; except that you must also identify yourself as an independent owner in the form we prescribe. You must not: (a) use any Mark or Copyright as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs, or symbols, or in any modified form; (b) use any Mark or Copyright or any commercial symbol similar to any Mark or the Copyrights in connection with the performance or sale of any unauthorized services or products, or in any other manner we have not expressly authorized in writing; (c) employ any of the Marks or the Copyrights in any manner that we have determined may result in our liability for any indebtedness or obligation of yours. You will display the Marks or Copyrights in the manner we prescribe at your Franchised Business and in connection with advertising and marketing materials, along with any notices of copyright, trademark and service mark ownership registrations that we specify. You will also be required to obtain any fictitious name, assumed name or “doing business as” registrations that may be required under applicable law.

10.4 **Infringements and Claims**

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Mark or Copyright or claim by any person of any rights in any Mark or Copyright or similar copyright, trade name, trademark or service mark of which you become aware. You must not communicate with anyone except us and our attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take whatever action we deem appropriate. We have the sole right to control exclusively any U.S. Patent and Trademark Office, U.S. Copyright Office, litigation or other proceeding or any other litigation or other proceeding arising out of any infringement, challenge or claim relating to any Mark or Copyright. You must sign any documents, give any assistance, and do any acts that our attorneys believe are necessary or advisable in order to protect and maintain our interests in any litigation or proceeding related to the Marks or Copyrights or otherwise to protect and maintain our interests in the Marks or Copyrights. You may not, at any time, contest the validity or ownership of any of the Marks or Copyrights, or assist any other person in contesting the validity or ownership of any of the Marks or Copyrights.

10.5 **Discontinuance of Use**

If it becomes advisable at any time in our sole judgment for your Franchised Business to modify or discontinue the use of any of the Marks or Copyrights or for your Franchised Business to use one or more additional or substitute trademarks or service marks, you agree at your expense to comply with our directions to modify or otherwise discontinue the use of such Mark or Copyright, or use one or more additional or substitute trademarks or service marks, within a reasonable time after our notice to you.

10.6 **Consent**

You acknowledge and agree that we may grant franchises to others to operate i9 Sports® Franchises using the Marks or Copyrights, in accordance with this Agreement. You agree that, whenever we may request from time to time, you will give your written consent to such use of the Marks and Copyrights by such i9 Sports® Franchises.

11. **DUTIES AND RESPONSIBILITIES**

11.1 **Solicitation**

No sale of any Products or Services which we may designate from time to time is final until we accept it in writing or by such other method, we designate in connection with the Billing System. Although you solicit Customers for us and market the Services, the sales of certain of the Services and the Products we designate from time to time in the Manual are made only by us. With respect to them, you do not have authority to bind us in any way and we may refuse any Customer or prospect. You agree to follow all of our policies and procedures we may develop from time to time in the Manual for the consummation of sales of the Products or the Services.

11.2 **Sales Methods**

You must follow our System Standards when marketing and selling the Products or the Services. You must not make any misrepresentations to prospective purchasers regarding the qualities of the Products or the Services or concerning us or our business. Moreover, you must not alter, modify, change or misrepresent the Products or the Services or their marketing materials in any manner whatsoever. Accordingly, in marketing, promoting, selling distributing, providing, rendering or performing the Products or the Services, you will not disseminate any information, or represent to prospective Customers or others, any information that conflicts with any of the materials we provide you to assist in the sale of the Services.

11.3 **Record Keeping**

In order for us to monitor your performance, you must keep and maintain full and accurate records of (i) your meetings with referral sources, Customers, Participants, venue/field/facility owners and prospects; and (ii) all Products sold or provided or Services sold or rendered. We may keep certain of these records for you via the Billing System. However, you remain responsible for them. The records must include whatever information we consider necessary from time to time (and will include information relating to meetings, follow-up calls, etc.). We may require you to complete and transmit to us weekly and monthly reports detailing your activities. You must supply us with monthly reports due by the 5th day of each month following the end of the immediately preceding calendar month.

11.4 **Access to Facilities**

Notwithstanding the fact that you will be operating from your home, you must nevertheless give us access to the Franchised Business for meetings with referral sources, venue/field/facility owners, and Customers, for meetings with us, or for us to meet with your staff. We may schedule mandatory meetings for you and/or your Event Personnel or other staff at reasonable times after reasonable coordination efforts. You must follow the policies and procedures we periodically establish for operating procedures, record keeping and reporting and other matters.

11.5 **Marketing Support**

We will provide you with certain marketing materials including literature concerning the Products and the Services, descriptive literature, manuals, brochures and related information that we have designed or otherwise acquired to assist you in the market, sale and promotion of the Products and the Services. You must not use any other marketing materials unless we have approved them prior to your use, in writing.

11.6 **Delegation**

Although you may delegate some of your duties under this Agreement to your Key Manager, other managers, Event Personnel, Customer Liaisons, or other personnel, you remain fully responsible for your and their performance. You must use your best efforts to ensure that your employees and representatives do not cause a breach of this Agreement and meet the standards of customer service and support.

11.7 **Collections**

You must assist us in the collection of amounts owed to us by Customers for the Products or the Services sold by you.

11.8 **Insurance**

(a) **Mandatory Insurance Program**. We have established a mandatory insurance coverage program, as amended from time to time in our sole discretion (the “**Mandatory Insurance Program**”), in which we have arranged for an insurance carrier that we designate (the “**Designated Insurer**”) to provide certain insurance coverage to franchisees. You must participate in the Mandatory Insurance Program, which will provide some, but not all, of the insurance coverage that we require you to maintain. You must submit any applications or sign any participation agreements required by the Designated Insurer to participate in the Mandatory Insurance Program and pay all associated fees and premiums (“**Mandatory Insurance Program Fees**”). We may (i) require you to pay the Mandatory Insurance Program Fees directly to the Designated Insurer or (ii) collect the Mandatory Insurance Program Fees from you (either as a separate fee or a deduction from Network Revenues that we collect) and pay such fees to the Designated Carrier on your behalf.

We may at any time change, in our sole discretion, (a) the Designated Insurer, (b) the amount, method of payment, or timing of payment of the Mandatory Insurance Program Fee (which shall be no more than 120% of the actual costs and expenses that we or our affiliates incur to procure and maintain such coverage), and/or (c) the coverage that is included in the Mandatory Insurance Program. We may, in our sole discretion, discontinue the Mandatory Insurance Program at any time upon 60 days' written notice to you, in which case you will be responsible for procuring insurance that meets our minimum requirements.

- (b) **Required Insurance.** Unless such coverage is included in the Mandatory Insurance Program, you must, at your expense, procure and maintain in force from an Approved Supplier or insurance carrier acceptable to us insurance policies that (A) contain such types and minimum amounts of coverage, exclusions, and maximum deductibles as we prescribe from time to time in the Manual or otherwise in writing from time to time; (B) name us and our affiliates as additional insureds; (C) provide for 30 days' prior written notice to us of any, cancellation, renewal, material modification, or expiration of such policy; and (D) include such other provisions as we may require from time to time. We may change the required insurance requirements, upon reasonable notice to you, to conform to reasonable business practices. Currently, we require you to maintain, in accordance with minimum coverage amounts specified in the Manual, (i) comprehensive general liability insurance, (ii) property damage liability insurance, (iii) liability and abuse and molestation coverage, (iv) commercial automobile liability insurance, (v) professional negligence insurance, (vi) errors and omissions media liability insurance, (vii) employer's liability insurance, (viii) employment practices liability insurance, including coverage for claims of discrimination and sexual harassment, (ix) comprehensive casualty, fire and theft insurance, (x) any other insurance required by law (such as workers' compensation insurance and stop gap insurance), and (xi) any other insurance we may reasonably require. The cost of these policies will vary depending on the insurance carrier charges, terms of payment, and your history. We may require you to maintain higher coverage amounts or obtain additional policies in order to offer certain Services or conduct certain Events.
- (c) **Our Right to Acquire.** Upon our request, you must submit a certification of insurance to us which demonstrates compliance with this Section 11.8. If you fail to obtain the required insurance coverage, we may, at our option and in addition to our other rights and remedies, obtain such insurance coverage on your behalf. If we do so, you must fully cooperate with us in our effort to obtain such insurance policies and pay us any costs and premiums we incur.
- (d) **Additional Coverage.** Our standards and specifications for insurance coverage, as specified in the Manual, are intended as "minimum" standards. Therefore, you are responsible for reviewing your insurance coverage and policies with your insurance agent/broker to determine if additional coverage is necessary, appropriate, or desired by you.

11.9 **Compliance with Laws and Good Business Practices**

- (a) **Compliance with Laws.** You will secure and maintain in force in your name all required licenses, permits, approval and certificates relating to the operation of the Franchised Business and each Event you operate, organize or develop the Products or the Services you market, sell, distribute, perform, render or provide. You will operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, all government regulations relating to occupational hazards and health, parks and recreational activities, sporting and social activities, safety, privacy, worker's compensation insurance, unemployment insurance, event permitting, workplace safety, and withholding and payment of federal and state income

taxes, social security taxes and sales taxes. It is your sole and absolute obligation to research all applicable federal, state and local laws and regulations governing the operation of your business and to ensure that such operation does not violate any federal, state or local law or regulation. For example, there are various federal laws that could affect your business and that you must comply with such as the American with Disabilities Act, the CAN-SPAM Act, the TCPA, the Telemarketing Sales Rule, and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including, but not limited to, the use, storage, transmission, and disposal of data regardless of media type). You should investigate these laws to understand your potential legal obligations.

- (b) Good Business Practices. You will, in all dealings with Customers, Participants, suppliers, us and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to our business and the goodwill associated with the System, the Marks and other i9 Sports® Franchises.

11.10 Communications and Customer Service Center

- (a) Required Telephone Numbers. You must have a general phone number (which may be your cell phone number) dedicated to your Franchised Business. You will be provided with a customer phone number by our third-party Customer Service Center, and you must pay the Telecommunication Platform Fee for this phone number. We reserve the right to forward calls to your Owners' personal cell phone numbers if you are not responding to Customer calls in accordance with the System Standards. You must also have a "Weather Hotline", which will automatically provide callers with your pre-recorded message regarding the cancellation or postponement of any games. You must maintain the customer phone number and Weather Hotline at all times during the Term. You must pay for all phone charges, including applicable call forwarding fees.
- (b) Email Addresses. You may not use any other email address in connection with your Franchised Business other than those we provide to you, unless we provide our prior written consent. In addition to all other fees set forth in this Agreement, you specifically authorize us to deduct our then-current monthly service fee for each e-mail address we provide to you that contains any of our Marks (in either the local or domain part of the address), which will not exceed 130% of our or our affiliates' costs and expenses related to such e-mail services. We may, in our sole discretion, apply to your account a Technology Fee credit equal to the monthly service fee for two email addresses, but we may discontinue or modify the credit (including the number of email addresses or the amount of the credit) at any time.
- (c) Text Messages. You may only send short message service (SMS) messages ("**Text Messages**") to Customers and prospective customers through the Text Message system that we designate, which will be supplied and supported by a vendor that we designate (which may be us or our affiliates). You will be responsible for paying the applicable vendor any fees for such Text Message services, provided that if we or our affiliates charge you such fees, the fees will not exceed 130% of our or our affiliates' costs and expenses related to such services.
- (d) Customer Service Center. You must participate in our Customer Service Center program, which will provide you with customer support services, process Customer registrations for your programs, answer participation inquiries, and forward other calls to you, including sales inquiries, and you must pay the related Customer Service Center Fee. The customer phone number

associated with your i9 Sports Franchise must be directed to, and managed by, the third-party Customer Service Center. If you are an existing franchisee or a transferee with an i9 Sports Franchise that has not previously ported the phone number to the Customer Service Center, you must do so upon signing this Agreement. We reserve the right to terminate our Customer Service Center at any time upon 60 days' written notice to you.

11.11 Authorized Products and Services

You shall offer for sale all products and services which we designate for the System, including any additional Authorized Sports, Services, or Products we may now or in the future specify and any other ancillary products and services which we prescribe. You further agree to only sell those goods and services which we prescribe or otherwise authorize. You may not offer any other products for sale, rent or lease without having received our prior written authorization. You shall at all times maintain sufficient levels of inventory as specified in the Manual, to adequately satisfy consumer demand. You must offer and sell all private label products which we may now or in the future designate for sale by System area developers.

11.12 Operations

You must:

- (a) operate your Franchised Business for at least those months, hours and days that we specify in the Manual;
- (b) operate the Franchised Business in compliance with the System so as to preserve, maintain and enhance the reputation and goodwill of the System;
- (c) perform appropriate screening and background checks on Event Personnel (i.e., volunteer coaches, coordinators, referees, etc.) and other employees as and when directed by us, using vendors approved by us and screening standards that are consistent with our System Standards, and make such information available to us;
- (d) implement and enforce risk management policies (policies related to preventing, identifying, and reporting any instances of physical, emotional, or sexual abuse involving Customers, Event Personnel, or other individuals) that meet or exceed our System Standards and regularly train all Event Personnel to comply with such risk management policies;
- (e) sell and honor coupons in accordance with our standards and specifications;
- (f) when entering into contracts to offer any Events, Authorized Sports, Products and/or Services at a facility/field/venue (each, a "**Venue**"), you must enter into a contract with the owner of that Venue that complies with the terms set forth in the Conditional Assignment of Venue Contracts attached hereto as Exhibit "E"; and
- (g) authorize us, at any time, to perform a criminal background check on you, your Operating Principal, and Key Manager.

11.13 Duty to Notify

You must notify us in writing within three days after the commencement of any action, suit or proceeding, or of the issuance of any inquiry, subpoena, order, writ, injunction, award, charge, warrant, or decree of any court, agency, or other governmental instrumentality, related to (i) the operation or financial condition of your Franchised Business or your entity (including claims

asserted by you against any person or entity or asserted by any person or entity against you, your owners, or your employees) or (ii) a felony, a crime involving moral turpitude or consumer fraud, or any other crime or offense that involves you or any of your owners or employees that is reasonably likely to have an Adverse Effect. You must also forward to us, within three days after your receipt of such notice, copies of all inspection reports, warnings, certificates, orders, and ratings issued by any governmental authority during the Term in connection with the operation of your Franchised Business, which indicate your failure to meet or maintain the highest governmental standards or less than full compliance by you with any applicable laws.

12. ADVERTISING AND PROMOTION

12.1 Generally

All your advertising must conform to all provisions of this Agreement. All advertising, promotion and marketing must be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the standards and specifications described in the Manual or otherwise in writing by us. You may not market or advertise in violation of federal laws regulating advertising, such as the CAN-SPAM Act and the TCPA, and state advertising laws applicable to your Franchised Business. In no event will your advertising contain any statement or material which may be considered: (a) in bad taste or offensive to any group or person; (b) defamatory on any person or an attack on a competitor; (c) inconsistent with our public image; or (d) not in accord with System Standards. Samples of all advertising, promotional and marketing materials which we have not prepared or previously approved must be submitted to us for approval before you use them. If you do not receive our written disapproval or approval within 30 days after our receipt of such materials, we will be deemed not to have given the required approval. You may not use any advertising or promotional materials that we have disapproved or have not approved in writing.

12.2 Local Advertising and Promotion

You are required to spend a minimum of 2% of Network Revenues monthly on local advertising and promotion in accordance with an annual plan approved by us and our standards and specifications (the “**Local Advertising Requirement**”). You must spend the local advertisement requirement as we prescribe in the Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number and/or type(s) of media advertisements or for participating in any local marketing programs we may implement, including local events, partnership activities, paid search, social media advertising or other digital or grassroots marketing campaigns. The Local Advertising Requirement must be expended within your Network Area. You acknowledge and agree that your local advertising obligation must be expended regardless of the amount(s) spent by other System area developers on local advertising. You may spend any additional sums you wish on local advertising. You must submit samples of all local advertising and promotional materials, not prepared or previously approved by us, for approval at least 14 days prior to their use. You will submit to us an annual plan for your expenditure of your local marketing budget. You must send us proof of these expenditures on a monthly basis or in any other manner as we may specify. If you fail to spend the Local Advertisement Requirement in any month, in addition to other remedies, we may require you to contribute the amount of the deficiency to the National Brand Fund within 30 days of your receipt of our invoice.

12.3 Grand Opening Advertising

Prior to the Service Start Date, you must spend a minimum of Six Thousand Dollars (\$6,000) for grand opening advertising, which must be conducted in accordance with any standards and requirements that we may specify. You must send us proof of these expenditures on a monthly basis in a manner that we specify or in any other manner as we may specify.

12.4 **National Brand Fund**

Recognizing the value of advertising and marketing to the goodwill and public image of i9 Sports® Franchises, we have established a system-wide national brand fund (the “**National Brand Fund**” or “**Brand Fund**”) for such advertising, marketing and public relations programs and materials we deem necessary or appropriate. We reserve the right to defer or reduce National Brand Fund Contributions of an i9 Sports® Franchise and, upon 30 days' prior written notice to you, to reduce or suspend contributions to and operations of the Brand Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the Brand Fund. If the Brand Fund is terminated, all unspent monies on the date of termination will be distributed to our Area Developers in proportion to their respective contributions to the Brand Fund during the preceding 12-month period. We and our affiliates will contribute to the Brand Fund on the same basis as franchise owners for any i9 Sports® Franchise we or they own and operate.

12.5 **Use of the Funds**

We or our designee will direct all programs financed by the Brand Fund, including the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that the Brand Fund may be used to pay the costs of (i) developing, preparing and producing video, audio, printed and digital advertising materials; (ii) developing and servicing corporate accounts; (iii) evaluating new Event development, operation or marketing techniques, services or products; (iv) administering regional and multi-regional advertising programs, including, without limitation, purchasing e-commerce rights, services, and other media advertising and employing advertising, promotion and marketing agencies; (v) supporting public relations; (vi) conducting market research; (vii) establishing, developing, maintaining, servicing or hosting Websites or other e-commerce programs; (viii) advertising and promoting the sale of franchises; and (ix) other advertising, promotion and marketing activities. The Brand Fund periodically will furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

12.6 **Accounting for the Fund**

The Brand Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for reasonable administrative costs and overhead we incur in activities reasonably related to managing, developing, and implementing advertising, marketing, and Brand Fund-supported programs (including the salaries of our marketing personnel and retainers and fees for outside agencies). We may spend on behalf of the Brand Fund, in any fiscal year an amount greater or less than the aggregate contribution of all i9 Sports® Franchises to the Brand Fund in that year, and the Brand Fund may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Brand Fund will be used to pay advertising costs before other assets of the Brand Fund are expended. We will prepare a periodic statement of monies collected and costs incurred by the Brand Fund and furnish the statement to you upon written request. We have the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified in this Agreement.

12.7 **Brand Fund Limitations**

You acknowledge that the Brand Fund is intended to maximize recognition of the Marks, Copyrights and patronage of i9 Sports® Franchises. Although we will endeavor to utilize the Brand Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all i9 Sports® Franchises, we undertake no obligation to ensure that expenditures by the Brand Fund

in or affecting any geographic area are proportionate or equivalent to the contributions to the Brand Fund by i9 Sports® Franchises operating in that geographic area or that any i9 Sports® Franchise will benefit directly or in proportion to its contribution to the Brand Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the Brand Fund.

12.8 **Telephone Directory Advertisements**

At your expense, we will obtain your customer telephone number from the approved Customer Service Center company and you must list and advertise your Franchised Business as we specify, utilizing our standard forms of listing and classified directory advertisements. You must sign and deliver to us our Conditional Assignment of Telephone Numbers and Listings in the form attached as Exhibit “D” to this Agreement.

12.9 **Sponsorship Programs**

From time to time, we or our affiliates may enter into a sponsorship or licensing arrangement (a “**Sponsorship Program**”) with third parties (“**Sponsors**”) in which the Sponsor agrees to sponsor certain programs nationwide or in certain markets in exchange for us, our affiliates, and/or our franchisees licensing and displaying the Sponsor’s logo on uniforms, signage, marketing materials, and other items or providing the opportunity for the Sponsor to offer or promote products or services to Customers or Participants. We may, in our sole discretion, require you to, or offer you the option to, participate in certain Sponsorship Programs. We may add, modify, or discontinue Sponsorship Programs from time to time in our sole discretion. If you participate in a Sponsorship Program, you must comply with any standards or requirements that we, our affiliates, or such Sponsors specify. To participate in some Sponsorship Programs, we may require you to enter into a participation or licensing agreement directly with us, our affiliates, or the Sponsor (a “**Program Agreement**”). The Program Agreements that you must sign in order to be able to participate in certain Sponsorship Programs as of the Effective Date are attached as Exhibit “G”, but we may add, modify, terminate, or cease using such agreements in the future. You acknowledge that your participation in a Sponsorship Program may preclude you from obtaining certain local sponsorships. In some cases, we may enter into a Sponsorship Program solely because we believe it will be beneficial to associate the Marks and System with the Sponsor’s brand.

13. **CUSTOMER SERVICE.** You are responsible for providing customer service to Customers who purchase the Products or the Services and to all referral sources. In that connection, you will act as our intermediary with Customers to timely respond to any of their concerns and questions. You agree to provide the highest standard of Customer service in connection with the provision or sale of the Services to ensure complete Customer satisfaction. You must also cooperate with us to honor any refund policies that we develop from time to time. We may, in our sole discretion, refund Customers or issue Customer credits on your behalf. In that connection, to the extent we (a) refund any fees we have received from Customers in the Network Area, (b) refund any Customer credits issued to Customers in the Network Area, or (c) issue any Customer credits to Customers in the Network Area, you must reimburse us for such refunds or credits (which may be exercised by setoff or by debiting the refunded amounts from your account via EFT).

14. **RELATIONSHIP OF THE PARTIES**

14.1 **Independent Contractors**

We do not have a fiduciary relationship with you. You and we are independent contractors. Neither you nor we are general or special agents, representatives, joint venturers, partners or employees of

the other for any purpose whatsoever. Since you are an independent contractor, you will not be entitled to workers' compensation, unemployment compensation, or any other statutory or regulatory benefit or right predicated on an employer-employee relationship. We have no obligation to carry workers' compensation coverage or pay unemployment compensation taxes or withhold any amounts from payment to you for federal income taxes or for federal social security taxes, unless otherwise required by applicable laws and regulations. You will file all federal income tax forms required of an independent contractor. We have no obligation to provide you with any employment and fringe benefits that we may provide to employees, such as health insurance, for example. The foregoing also applies to any relationship we have with your sales associates, Event Personnel, agents or other employees.

14.2 **Safety**

You recognize and agree that although we may provide you training, general advice or guidance regarding the manner in which you, your Event Personnel and other personnel are to conduct themselves in connection with the operation of your Franchised Business, we do not establish, designate or approve, and you are solely responsible for training your personnel with respect to procedures and policies for the safe operation of your Franchised Business and the provision or rendering, performance or distribution of the Products or the Services. You, not us, are solely responsible for training your personnel to conduct sporting and other activities in a manner that does not expose us, you, your personnel or others to risk of danger or prosecution. Any guidance, training or assistance we provide to you is not construed to be a designation or approval of safety techniques.

14.3 **Taxes**

We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, payroll, property or other taxes, whether levied upon you or your Franchised Business, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

15. **INDEMNIFICATION**

15.1 **By You**

From and after the Effective Date, you and your owners, jointly and severally, shall indemnify us and our affiliates and our and their respective officers, directors, stockholders, members, managers, partners, employees, agents, attorneys, contractors, legal predecessors, legal successors, and assigns of each of the forgoing entities/individuals (in their corporate and individual capacities) (collectively, all such individuals and entities are referred to herein as the “**Franchisor Indemnitees**”) and hold Franchisor Indemnitees harmless to the fullest extent permitted by applicable laws, from any and all Losses and Expenses incurred in connection with any litigation or other form of adjudicatory procedure, claim, demand, investigation, or formal or informal inquiry (regardless of whether it is reduced to judgment) or any settlement thereof which arises directly or indirectly from, or as a result of, a claim of a third party in connection with the selection, development, ownership, operation or closing of the Franchised Business, including your failure to perform any covenant or agreement under this Agreement or any of your activities on or after the Effective Date, or any claims by any of your employees arising out of or relating to his or her employment with you, and regardless of whether it resulted from any strict or vicarious liability imposed by law on the Franchisor Indemnitees; provided, however, that this indemnity will not apply to any liability arising from a breach of this Agreement by any of the Franchisor Indemnitees or the gross negligence or willful acts of any of the Franchisor Indemnitees (except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to you). “**Losses and Expenses**” means

losses, liabilities, claims, penalties, damages (compensatory, exemplary, and punitive), fines, payments, attorneys' fees, experts' fees, court costs, costs associated with investigating and defending against claims, settlement amounts, judgments, assessments, compromises, compensation for damages to Franchisor's reputation and goodwill, and all other costs associated with any of the foregoing losses and expenses.

Promptly after the receipt by any Franchisor Indemnitee of notice of the commencement of any action against such Franchisor Indemnitee by a third party (such action, a "**Third-Party Claim**"), the Franchisor Indemnitee will, if a claim with respect thereto is to be made for indemnification pursuant to this Section 15.1 give a claim notice to you with respect to such Third-Party Claim. No delay or failure on the part of the Franchisor Indemnitee in so notifying you will limit any liability or obligation for indemnification pursuant to this Section 15.1, except to the extent of any material prejudice to you with respect to such claim caused by or arising out of such delay or failure. We will have the right to assume control of the defense of such Third-Party Claim, and you and your owners will be responsible for the costs incurred in connection with the defense of such Third-Party Claim. You and your owners will furnish us with such information as you may have with respect to such Third-Party Claim (including copies of any summons, complaint or other pleading which may have been served on such party and any written claim, demand, invoice, billing or other document evidencing or asserting the same) and will otherwise cooperate with and assist us in the defense of such Third-Party Claim. The fees and expenses of counsel incurred by us will be considered Losses and Expenses for purposes of this Agreement. We may as we deem necessary and appropriate take such actions to take remedial or corrective action with respect thereof as may be, in our reasonable discretion, necessary for the protection of the Franchisor Indemnitees or i9 Sports® franchises generally. We will not agree to any settlement of, or the entry of any judgment arising from, any Third-Party Claim without the prior written consent of you and your owners, which will not be unreasonably withheld, conditioned or delayed. Any settlement or compromise of any Third-Party Claim must include a written release from liability of such claim for all Franchisor Indemnitees.

This Section 15.1 will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

15.2 **Contribution**

Without limiting any rights or obligations to indemnify and defend, if for any reason the parties are found by a court of competent jurisdiction to be liable or otherwise responsible and that indemnification will not be permitted, you will pay to us an amount equal to 95% of that amount (and we will pay only 5% of that amount). We may pay such apportionment without any waiver of our right to challenge or otherwise appeal any award against us.

15.3 **Survival**

All indemnification obligations described in this Agreement will continue in full force and effect after the expiration or termination of this Agreement.

15.4 **Defense Costs**

All indemnification obligations include the reimbursement of attorneys' fees and associated costs of defending against the claims.

You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. If our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis, or if the information is not accurate (i.e., your Network Revenues are understated by 2% or more or Royalty Fees or advertising requirements are underpaid by 3% or more), you agree to reimburse us for the cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. You also must immediately pay us any shortfall in the amounts you owe us, including late fees and interest as described in Section 4. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

16.3 Books and Records

You shall establish and maintain, at your expense, a bookkeeping, accounting, and record keeping system conforming to the requirements prescribed by us from time to time. You shall sign, verify, and furnish the following reports, financial statements, and returns to us in the form prescribed by us.

- (a) Within 30 days after the end of each quarter, a profit and loss statement.

- (b) You must participate in the financial benchmarking that we have implemented and within the timeframes that we stipulate, including submitting any related records upon our reasonable request.
- (c) Within 60 days after the end of the fiscal year a profit and loss statement, balance sheet, and cash flow statement for the immediately preceding fiscal year reflecting all year-end adjustments.

16.4 **Risk Management Investigations**

If we become aware of any risk management incidents relating to the operation of the Franchised Business (including any allegations of physical, emotional, or sexual abuse involving any Participants, Customers, Customer Liaisons, or Event Personnel), we shall have the right to investigate all such incidents and you agree to cooperate fully with us and any representatives we hire to conduct such investigations. You agree to reimburse us for the costs of such investigations, including without limitation, all travel expenses, room and board and compensation of our employees, as well as all costs of representatives hired to conduct such investigations. In addition, you agree to reimburse us for all expenses which we may incur to mitigate the results of our investigation, including the expenses incurred by public relations firms, attorneys or any other third parties we retain which we deem necessary to protect the System and the i9 Sports® brand.

17. **TRANSFER**

17.1 **By Us**

This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests.

17.2 **By You**

You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a Business Entity, to your owners) and that we have granted the Franchised Business to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Accordingly, neither this Agreement (nor any interest in it) nor any ownership or other interest in you or the Franchised Business may be transferred without our prior written approval. Any transfer without such approval constitutes a breach of this Agreement and is void and of no effect. As used in this Agreement, the term “**transfer**” includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: (a) this Agreement; (b) you; or (c) the Franchised Business.

An assignment, sale, gift or other disposition includes the following events:

- (a) transfer of ownership of 25% of the capital stock, membership interest or a partnership interest;
- (b) merger or consolidation or issuance of additional securities or interests representing an ownership interest in you;
- (c) any issuance or sale of your stock or any security convertible to your stock;

- (f) pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon the Franchised Business or your transfer, surrender or loss of possession, control or management of the Franchised Business.

17.3 **Conditions for Approval of Transfer**

If you (and your owners) are in full compliance with this Agreement, then subject to the other provisions of this Section, we will approve a transfer that meets all the applicable requirements of this Section. The proposed transferee and its direct and indirect owners must be individuals of good character and otherwise meet our then applicable standards for i9 Sports® Franchise owners. A transfer of ownership, possession or control of the Franchised Business may be made only in conjunction with a transfer of this Agreement. If the transfer is of this Agreement or a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of this Agreement or a controlling interest in you, all of the following conditions must be met prior to or concurrently with the effective date of the transfer:

- (a) you received written approval from us of all advertising and promotional materials in connection with the franchise for sale opportunity prior to your use of such materials, if not prepared or previously approved by us;
- (b) the transferee has sufficient business experience, aptitude and financial resources to operate the Franchised Business;
- (c) you have paid all amounts owed for purchases from us and all other amounts owed to us or to third-party creditors and have submitted all required reports and statements;
- (d) the transferee (or its owners) have agreed to complete our standard training program, at their expense;
- (e) the transferee has agreed to be bound by all of the terms and conditions of this Agreement;
- (f) the transferee has entered into our then-current form of area developer agreement for a new term as set forth in such area developer agreement and requiring no initial franchise fee;
- (g) the transferee agrees to upgrade the Franchised Business to conform to our then-current System Standards and other standards and specifications including, but not limited to, territory size and make-up;
- (h) prior to the date the parties close on the contemplated assignment/transfer at issue, you or the transferee pay us a transfer fee in the amount of the greater of: (a) 50% of the then-current Franchise fee; or (b) \$12,450 for each Franchised Business being transferred to defray expenses we incur in connection with the transfer, including the costs of technology licensing, software/website configuration, administrative costs, and training the transferee (or its owners) and other personnel. You and/or transferee must also pay any and all broker fees associated with the proposed assignment as a condition to our approval;

- (i) you (and your transferring owners) have signed a general release, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees and agents;
- (j) we have approved the material terms and conditions of such transfer and determined that the price and terms of payment will not adversely affect the transferee's operation of the Franchised Business;
- (k) if you or your owners finance any part of the sale price of the transferred interest, you and/or your owners have agreed that all of the transferee's obligations pursuant to any promissory notes, agreements or security interests that you or your owners have reserved in the Franchised Business are subordinate to the transferee's obligation to pay Royalty Fees, National Brand Fund Contributions and other amounts due to us and otherwise to comply with this Agreement;
- (l) you and your transferring owners (and your and your owners' spouses) have signed a non-competition covenant in favor of us and the transferee agreeing to be bound, commencing on the effective date of the transfer, by the restrictions contained in this Agreement;
- (m) you and your transferring owners have agreed that you and they will not directly or indirectly at any time or in any manner (except with respect to other i9 Sports® Franchises you own and operate) identify yourself or themselves or any business as a current or former licensee or area developer of ours, use any Mark, any colorable imitation of a Mark or Copyright, or other indicia of an i9 Sports® Franchise in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us; and
- (n) you and your transferring owners have agreed that you will provide guidance and support related to existing Customers, venues, officials, personnel, marketing, and compliance of System Standards at the discretion of the transferee for a period amounting to the longer of (i) 60 days from the date of the transfer, or (ii) the first three weeks of first season operated by transferee.

17.4 **Transfer to a Business Entity**

If you are in full compliance with this Agreement, you may transfer this Agreement to a Business Entity that conducts no business other than the i9 Sports® Franchise and, if applicable, other i9 Sports® Franchises so long as you own, control and have the right to vote 51% or more of the Business Entity's issued and outstanding ownership interests (like stock, membership interests or partnership interests) and you guarantee its performance under this Agreement. All other owners are subject to our approval. The organizational or governing documents of the Business Entity must recite that the issuance and transfer of any ownership interests in the Business Entity are restricted by the terms of this Agreement, are subject to our approval, and all certificates or other documents representing ownership interests in the Business Entity must bear a legend referring to the restrictions of this Agreement. As a condition of our approval of the issuance or transfer of ownership interests to any person other than you, we may require (in addition to the other requirements we have the right to impose) that the proposed owner sign an agreement, in a form provided or approved by us, agreeing to be bound jointly and severally by, to comply with, and to guarantee the performance of, all of your obligations under this Agreement. We will not charge you a transfer fee if you transfer your Franchised Business to an existing co-owner, spouse, or direct descendant.

17.5 **Transfer Upon Death or Disability**

Upon your death or disability or, if you are a Business Entity, the death or disability of the owner of a controlling interest in you, we may require you (or such owner's executor, administrator, conservator, guardian or other personal representative) to transfer your interest in this Agreement (or such owner's interest in you) to a third party. Such disposition (including, without limitation, transfer by bequest or inheritance) must be completed within the time we designate, not less than one month but not more than six (6) months from the date of death or disability. Such disposition will be subject to all of the terms and conditions applicable to transfers contained in this Section. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes of this Agreement, the term "**disability**" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent you or an owner of a controlling interest in you from managing and operating the Franchised Business.

17.6 **Operation Upon Death or Disability**

If, upon your death or disability or the death or disability of the owner of a controlling interest in you, the Franchised Business is not being managed by a Key Manager, your or such owner's executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed fifteen (15) days from the date of death or disability, appoint a manager to operate the Franchised Business. Such manager will be required to complete training at your expense. Pending the appointment of a manager as provided above or if, in our judgment, the Franchised Business is not being managed properly any time after your death or disability or after the death or disability of the owner of a controlling interest in you, we have the right, but not the obligation, to appoint a manager for the Franchised Business. All funds from the operation of the Franchised Business during the management by our appointed manager will be kept in a separate account, and all expenses of the Franchised Business, including compensation, other costs and travel and living expenses of our manager, will be charged to this account. We also have the right to charge a management fee (in addition to the Royalty Fees, monies retained by us for Online Retail Product sales and National Brand Fund Contributions payable under this Agreement) during the period that our appointed manager manages the Franchised Business, which will be equal to \$500 per day, plus any direct out-of-pocket costs and expenses that we incur, including the wages, travel, and living expenses of our representatives. Operation of the Franchised Business during any such period will be on your behalf, provided that we only have a duty to utilize our best efforts and will not be liable to you or your owners for any debts, losses or obligations incurred by the Franchised Business or to any of your creditors for any products, materials, supplies or services the Franchised Business purchases during any period it is managed by our appointed manager.

17.7 **Effect of Consent to Transfer**

Our consent to a transfer of this Agreement and the Franchised Business or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the Franchised Business or transferee or a waiver of any claims we may have against you (or your owners) or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.

17.8 **Our Right of First Refusal**

If you (or any of your owners) at any time determine to sell, assign or transfer for consideration an interest in this Agreement and the Franchised Business or an ownership interest in you, you (or such owner) agree to obtain a bona fide, executed written offer and earnest money deposit (in the amount of 5% or more of the offering price) from a responsible and fully disclosed offeror (including lists of the owners of record and all beneficial owners of any corporate or limited liability company offeror and all general and limited partners of any partnership offeror and, in the case of a publicly held

corporation or limited partnership, copies of the most current annual and quarterly reports and Form 10K) and within five days of receipt submit to us a true and complete copy of such offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in you or in this Agreement and the Franchised Business and may not include an offer to purchase any of your (or your owners') other property or rights. However, if the offeror proposes to buy any other property or rights from you (or your owners) under a separate, contemporaneous offer, such separate, contemporaneous offer must be disclosed to us, and the price and terms of purchase offered to you (or your owners) for the interest in you or in this Agreement and the Franchised Business must reflect the bona fide price offered and not reflect any value for any other property or rights.

We have the right, exercisable by written notice delivered to you or your selling owner(s) within 30 days from the date of the delivery to us of both an exact copy of such offer and all other information we request, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that:

- (a) we may substitute cash for any form of payment proposed in such offer (with a discounted amount if an interest rate will be charged on any deferred payments);
- (b) our credit will be deemed equal to the credit of any proposed purchaser;
- (c) we will have not less than 30 days after giving notice of our election to purchase to prepare for closing; and
- (d) we are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:
 - (i) ownership and condition of and title to stock or other forms of ownership interest and/or assets;
 - (ii) liens and encumbrances relating to the stock or other ownership interest and/or assets; and
 - (iii) validity of contracts and the liabilities, contingent or otherwise, of the corporation whose stock is being purchased.

If we exercise our right of first refusal, you and your selling owner(s) agree that, for a period of two years commencing on the date of the closing, you and they will be bound by the non-competition covenant contained this Agreement. You and your selling owner(s) further agree that you and they will, during this same time period, abide by the restrictions of this Agreement.

If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the exact terms of such offer, subject to our approval of the transfer, provided that, if the sale to such purchaser is not completed within 120 days after delivery of such offer to us, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the 30-day period following either the expiration of such 120-day period or notice to us of the material change(s) in the terms of the sale,

either on the terms originally offered or the modified terms, at our option. You also agree that, for a period of two years commencing on the date of the closing, you and your selling owner(s) will be bound by the non-competition covenant contained this Agreement. You and your selling owner(s) further agree that you and they will, during this same time period, abide by the restrictions of this Agreement.

18. RESTRICTIVE COVENANTS

18.1 Confidential Information

During the Term, we will give you, and you will have access to, a variety of information concerning us and our business including: the Manual; System Standards; Services; methods for operating, managing, developing or coordinating Events; Product or Service sales, marketing, distribution, performance, provision or rendering methods, techniques, equipment or supplies; Customer Liaison recruitment, training, coordination, recruiting, marketing or compensation methods; Event registration and sports statistics tracking and reporting methods, and techniques; Customer and Participant lists; referral sources; billing and collection methods; financial information; makeup and functions of the Software, Computer System or Billing System; other information about us and information about our Approved Suppliers; strategic partners, business plans, employees, and independent contractors (collectively, the “**Confidential Information**”). You acknowledge that we have expended and continue to expend great amounts of time, money and effort in devising and processing the Confidential Information. We consider the Confidential Information confidential and our trade secrets, where applicable.

18.2 Restrictions On Use

You will use your best efforts and diligence both during and after your engagement by us to protect the Confidential Information and our Customer goodwill. You will not, directly or indirectly, use (for yourself or others) or disclose any of the Confidential Information for so long as it remains proprietary or protectable as confidential or trade secret information, except as may be necessary for the performance of your duties on our behalf.

18.3 Notices

If you or anyone to whom you transmit the Confidential Information becomes legally compelled (by oral questions, interrogatories, requests for information or documents, subpoenas, civil investigative demands or similar process) to disclose any Confidential Information, you must immediately notify us in writing so that we may seek a protective order or other remedy. In any event, you will furnish only that portion of the Confidential Information which is legally required and exercise your best efforts to obtain reliable assurance that confidential treatment will be accorded to the Confidential Information.

18.4 Return

Upon termination, expiration or non-renewal, or any other time at our request, you must promptly deliver to us any and all documents or other materials (including information embodied in intangible form, e.g., in computer memory) in your possession or control relating, directly or indirectly, to any Confidential Information and all copies of it without retaining any copies, duplicates, extracts or portions of it.

18.5 Competitive Activities

- (a) Acknowledgement. You acknowledge that you will receive valuable, specialized training and confidential information regarding the operational, sales, promotional, and marketing methods of us and i9 Sports® Franchises. Accordingly, you acknowledge that you will be restricted from participating in certain competitive activities, in accordance with this Section 18.5.
- (b) During Term. During the Term, you and your guarantors must not, without our prior written consent, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any other person or Entity:
- (i) own, manage, engage in, be employed by, advise, make loans to, lease or sublease space to, or have any other interest in (i) any business offering, developing, marketing, organizing, providing, promoting, coordinating, or selling youth sports-related leagues, tournaments, camps, clinics, training programs (including umpire or referee training programs), or activities; youth after-school programs; youth social activities, events, or camps; or any related services or products (such as uniforms, t-shirts, jackets, shorts, hats, caps, visors, sporting equipment, trophies, and beverages and food served at such events), (ii) any business that offers products or services that are similar to those offered by an i9 Sports® Franchise, or (iii) any entity that grants franchises or licenses for any of the businesses in (i) or (ii) (collectively, each, a “**Competitive Business**”) at any location in the United States;
 - (ii) divert or attempt to divert any business or customer or potential business or customer of an i9 Sports® Franchise to any Competitive Business, by direct or indirect inducement or otherwise;
 - (iii) perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System; or
 - (iv) use any vendor relationship established through your association with us for any purpose other than to purchase products or equipment for use or retail sale in the Franchised Business.
- (c) After Termination, Expiration, or Transfer. For two years after the expiration or termination of this Agreement or an approved transfer to a new franchisee, you and your guarantors will be subject to the same restrictions as in Section 18.5(b) (During Term), except the restrictions in Section 18.5(b)(i) and 18.5(b)(ii) shall be geographically limited to any Competitive Business that operates or offer products or services within, or within a 10-mile radius of, (i) your Network Area or (ii) any marketing area that we have assigned to an i9 Sports® Franchise (including a corporate unit operated by us or our affiliates) that is operating or under development at the time of such expiration, termination, or transfer. With respect to your guarantors, the time period in this Section 18.5(c) will run from the expiration, termination, or transfer of this Agreement or from the termination of the guarantor’s relationship with you, whichever occurs first.
- (d) Enforcement of Covenants. You acknowledge and agree that (i) the time, territory, and scope of the covenants provided in this Section 18.5 are reasonable and necessary for the protection of our legitimate business interests; (ii) you have received sufficient and valid consideration in exchange for those covenants; (iii) enforcement of the same would not impose undue hardship; and (iv) the period of protection provided by these covenants will not be reduced by any period

of time during which you are in violation of the provisions of those covenants or any period of time required for enforcement of those covenants. To the extent that this Section 18.5 is judicially determined to be unenforceable by virtue of its scope or in terms of area or length of time but may be made enforceable by reductions of any or all thereof, the same will be enforced to the fullest extent permissible. You agree that the existence of any claim you may have against us, whether or not arising from this Agreement, will not constitute a defense to our enforcement of the covenants contained in this Section 18.5.

18.6 **Injunction**

Due to our interest in the Confidential Information and Customer goodwill, you agree that damages cannot fully compensate us if you breach this Agreement. Thus, if you breach this Agreement, we are entitled to an injunction restraining you from any further breach. We may obtain the injunction without bond and without notice. Your only remedy if such an injunction is issued is its dissolution, if warranted, upon an appropriate hearing. You waive any claims for damages as a result of the obtaining of any such injunction.

18.7 **Extension of Time Period**

The time period during which you are to refrain from the activities described in this Section, will be extended by any length of time during which you are in breach of this Agreement. This Agreement will continue through the duration of the extended time periods.

18.8 **Suspension of Compensation**

We will not be required to pay you any commissions due you during any period of time in which you are in breach of this Section of this Agreement. Upon such a breach, you forfeit payment of all commissions then due as a setoff against our damages until the amount has been otherwise determined in judicial proceedings. This setoff does not constitute liquidated damages.

19. **TERMINATION AND DEFAULT**

19.1 **Events of Default**

Any one or more of the following constitutes an “**Event of Default**” under this Agreement:

- (a) you or any of your owners: (i) are convicted by a trial court of, plead no contest to, or enter into a consent decree in connection with any violation of the rules of the Securities and Exchange Commission or NASDAQ, franchise laws, state securities laws, or any felony or other crime or offense that we believe is likely to have an Adverse Effect; or (ii) engage in, or are alleged to have engaged in, any activities that, in our reasonable opinion, are reasonably likely to have an Adverse Effect (including, but not limited to, sexual misconduct, stalking, child abuse or other mistreatment, health or safety hazards, drug or alcohol problems, or allowing unlawful activities or unauthorized or illegal items to be used or distributed in connection with the Franchised Business).

- (h) you or any of your owners abandon or fail to operate the Franchised Business for five consecutive days during which you are required to operate the business under the terms of this Agreement, or any shorter period after which it is not unreasonable under the facts and circumstances for us to conclude that you do not intend to continue to operate the business (recognizing that your failure to conduct all scheduled events on any day of a season shall be deemed to be evidence of an immediate abandonment of the Franchised Business), unless such failure to operate is due to fire, flood, earthquake, weather events, or similar causes beyond your control; or
- (i) you fail to comply with any federal, state or local law or regulation applicable to the operation of the Franchised Business and do not cure such failure within 10 days after receipt of notification of such non-compliance from us or a third party, except there will not be an opportunity to cure if we determine, in our reasonable discretion, that a threat or danger to public health or safety results from the continued operation of the Franchised Business or from your breach or failure to comply with such applicable laws or regulations;
- (j) you or your owners fail to comply with all Anti-Terrorism Laws (defined below) or your or any of your owners' assets, property, or interests are blocked under any Anti-Terrorism Laws; or

- (k) there are five or more Customer complaints with respect to your Franchised Business in any 12-month period, whether or not resolved; or

- (n) you or your owners make any unauthorized use of the Marks; or
- (o) you offer any unauthorized and unapproved products or services at or from the Franchised Business; or

- (x) you, your owners, or your affiliates default under any other agreements between any of them, on one hand, and us, our affiliates, and/or our approved vendors, on the other hand, provided that the default would permit the other party to terminate such agreement, regardless of whether such other party terminates such agreement; or
- (y) you, your owners, or your affiliates fail to comply with any other provision of this Agreement, or any other agreement with us and/or any affiliate of ours, or any specification, standard or operating procedure or rule prescribed by us (including reporting requirements); and, in any such case, do not: (i) correct such failure within 30 calendar days after written notice of such failure to comply is sent to you; or (ii) if, in our reasonable judgment, such failure cannot reasonably be corrected within such 30-day period, undertake within 30 calendar days after such written notice is sent to you, and diligently continue until completion, efforts to bring the Franchised Business into full compliance and furnish, at our request, proof acceptable to us of such efforts and the date full compliance will be achieved; provided that, in any event, such defaults must be fully cured within 90 calendar days after such written notice is sent to you; or
- (z) you or your owners have (i) defaulted, on two or more separate occasions within any period of 12 consecutive months, or on three or more separate occasions within any period of 24 consecutive months, in any obligation(s) (whether the same or different) under this Agreement, whether or not such defaults are timely corrected; or (ii) have committed any material default under this Agreement, which is, in our reasonable discretion, incurable.

19.2 **Remedies After an Event of Default**

- (a) **Right to Terminate.** If an Event of Default occurs, we may, at our sole election and without notice or demand of any kind, declare this Agreement and any and all other rights granted under this Agreement to be immediately terminated and, except as otherwise provided herein, of no further force or effect. Upon expiration or termination of this Agreement, you will not be relieved of any of your obligations, debts, or liabilities under this Agreement, including without limitation any debts, obligations, or liabilities that you accrued prior to such expiration or termination.
- (b) **Other Remedies.** If an Event of Default occurs, we may, at our sole election and upon delivery of written notice to you, take any or all of the following actions without terminating this Agreement:
 - (i) temporarily or permanently reduce the size of the Network Area, in which event the restrictions on us and our affiliates under Section 3.1 will not apply in the geographic area that was removed from the Network Area;
 - (ii) temporarily or permanently eliminate any exclusive territorial rights you may have in the Network Area, in which event the restrictions on us and our affiliates under Section 3.1 will not apply in the Network Area;

- (iii) suspend your right to participate in one or more programs or benefits that we provide, including the registration system, access to the Software, the Billing System, or programs funded through the Brand Fund;
 - (iv) remove or de-elevate from our website or registration system the Services or Products that you intend to offer through your Franchised Business;
 - (v) temporarily suspend your right to offer the Services or Products for one or more seasons and refund, on your behalf, any monies collected from Customers for such Services or Products or provide, at your expense, Customer credits for Services or Products. You must reimburse us upon demand for all refunds (including refunds of unused Customer credits) and Customer credits that we process;
 - (vi) direct customer calls to your or your owners' personal cell phone numbers or e-mail addresses;
 - (vii) suspend our or our affiliates' performance of, or compliance with, any of our or our affiliates' obligations to you under this Agreement or any other agreement;
 - (viii) suspend or terminate any temporary or permanent fee reductions or rights of first refusal to which we might have agreed (whether as a policy, in an amendment to this Agreement, or otherwise);
 - (ix) undertake or perform on your behalf any obligation or duty that you are required to, but fail to, perform under this Agreement. You must reimburse us upon demand for all costs and expenses that we reasonably incur in performing any such obligation or duty; and/or
 - (x) exercise the step-in rights specified in Section 19.4.
- (c) Exercise of Other Remedies. Our exercise of our rights under Section 19.2(b) will not (i) be a defense for you to our enforcement of any other provision of this Agreement or waive or release you from any of your other obligations under this Agreement, (ii) constitute an actual or constructive termination of this Agreement, or (iii) be our sole or exclusive remedy for your default. You must continue to pay all fees and otherwise comply with all of your obligations under this Agreement following our exercise of any of these rights. If we exercise any of our rights under Section 19.2(b), we may thereafter terminate this Agreement without providing you with any additional corrective or cure period, unless the default giving rise to our right to terminate this Agreement has been cured to our reasonable satisfaction.

19.3 Cross Defaults

Any default by you (or any person/company affiliated with you) under this Agreement may be regarded as a default under any other agreement between us (or any affiliate of ours) and you (or any of your affiliate).

19.4 Step-in Rights

If we determine in our sole judgment that the operation of your business is in jeopardy, or an Event of Default occurs, then in order to prevent an interruption of the Franchised Business which would cause harm to the franchise system and thereby lessen its value, you authorize us to operate your

business for as long as we deem necessary and practical, and without waiver of any other rights or remedies which we may have under this Agreement. In our sole judgment, we may deem you incapable of operating the Franchised Business if, without limitation, you are absent or incapacitated by reason of illness or death; you have failed to pay when due or have failed to remove any and all liens or encumbrances of every kind placed upon or against your business; or we determine that operational problems require that we operate your business for a period of time that we determine, in our sole discretion, to be necessary to maintain the operation of the business and reduce the chances of an Adverse Effect.

We shall keep in a separate account all monies generated by the operation of your business, less the expenses of the business. We may charge you (in addition to the amounts due under this Agreement) a management fee equal \$500 per day during the period of management, plus any direct out-of-pocket costs and expenses that we incur (including the wages, travel and living expenses of our representatives). In the event of the exercise of these step-in rights by us, you agree to hold harmless us and our representatives for all actions occurring during the course of such temporary operation. You agree to pay all of our reasonable attorneys' fees and costs incurred as a consequence of our exercise of these step-in rights.

19.5 **Obligations Upon Termination**

Upon any expiration or termination of this Agreement for any reason, you must, at your cost and expense:

- (a) immediately cease to use any of the Confidential Information, the Copyrights and the Marks;
- (b) immediately return to us all of your copies of any materials containing any of the Confidential Information or any materials bearing the Copyrights or the Marks;
- (c) cooperate in assigning to us any and all vendor agreements or sales or service contracts for the Products or the Services with Customers of your Franchised Business, which will be automatic at our option as a result of the termination or expiration;
- (d) immediately cease all use of our Marks and Copyrights, including any of our marketing materials, brochures, and/or social media accounts, and stop holding yourself out to the public as associated with us in any way;
- (e) immediately terminate your access to the e-commerce activities we designate and assign to us all telephone numbers, e-name and directory listings associated in any way with the Franchised Business, our trade name, Marks or Copyrights, and/or any social media or social networking sites associated with your i9 Sports Franchise, and direct the appropriate service provider to transfer all such numbers and listings to us or our designee pursuant to the Assignment of Telephone Numbers and Listings attached hereto as Exhibit "D" or, if we direct, to disconnect the numbers;
- (f) immediately pay us all unpaid fees and pay us, our affiliates, and our approved and designated suppliers and vendors, all other monies owed, including, but not limited to, all applicable Customer refunds (including refunds of unused Customer credits) and issued Customer credits;

- (g) comply with the post-termination covenants set forth in Section 18 and otherwise in this Agreement, all of which will survive the transfer, termination or expiration of this Agreement; and
- (h) at our option, assign us any and all existing Venue contracts that we designate pursuant to the form of Conditional Assignment of Venue Contracts attached hereto as Exhibit “E”, which you must sign contemporaneously with this Agreement.

19.6 **Liquidated Damages**

Upon early termination of this Agreement for any reason (including for cause or by mutual agreement) prior to the expiration of the then-current Term, you agree to pay to us upon demand, in addition to the amounts owed hereunder, liquidated damages equal to the average monthly Royalty Fees you paid during the 12 months of operation preceding the effective date of termination multiplied by (a) 24 (being the number of months in two full years), or (b) the number of months remaining in the Agreement had it not been terminated, whichever is lower.

The parties acknowledge and agree that it would be impracticable to determine precisely the damages we would incur from this Agreement’s termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determining what costs, if any, we might have saved and how much the Royalty Fees would have grown over what would have been this Agreement’s remaining term. The parties hereto consider these liquidated damages provision to be a reasonable, good faith pre-estimate of those damages.

The liquidated damages provision only covers our damages from the loss of cash flow from the Royalty Fees. It does not cover any other damages, including damages to our reputation with the public and landlords and damages arising from a violation of any provision of this Agreement other than the Royalty Fee section. You and each of your owners agree that the liquidated damages provision does not give us an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Royalty Fee section.

19.7 **Survival**

All obligations under this Agreement (whether yours or ours) which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect after and notwithstanding the expiration or termination of this Agreement until such provisions are satisfied in full or by their nature expire.

20. **NOTICE**

22. REPRESENTATIONS

- (a) in all of your dealings with us, our officers, directors, employees and agents act only in a representative capacity or agency capacity for an i9 Sports® Franchise and not in an individual capacity;
- (b) this Agreement, and all business dealings between you and such individuals as a result of this Agreement, are solely between you and us;
- (c) you have made no misrepresentations in obtaining the Franchised Business; and
- (d) you understand that we do not grant a Franchise to you and this Agreement is not effective until we sign this Agreement (and all associated agreements between you and us or our affiliates).

23. BUSINESS ORGANIZATION

If you are (at any time) a Business Entity, you agree and represent that:

- (a) You have the authority to execute, deliver and perform your obligations under this Agreement and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

24. DISPUTE RESOLUTION

24.1 Governing Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C. §1051 and the sections following it) or other federal law, this Agreement and the franchise are governed by Florida law, excluding any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee associate, unless the jurisdictional requirements of such laws are met independently without reference to this Section.

24.2 Internal Dispute Resolution

You must first bring any claim or dispute between you and us to our President and/or Chief Executive Officer, after providing notice as set forth in Section 20 above. You must exhaust this internal dispute resolution procedure before you may bring your dispute before a third party. This agreement to first attempt resolution of disputes internally will survive termination or expiration of this Agreement.

24.3 Mediation

At our option, all claims or disputes between you and us or our affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between you and us or our affiliates, or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 24.2 above, must be submitted first to mediation, in Hillsborough County, Florida under the auspices of the American Arbitration Association (“AAA”), in accordance with AAA’s Commercial Mediation Rules then in effect. Before commencing any legal action against us or our affiliates with respect to any such claim or dispute, you must submit a notice to us, which specifies, in detail, the precise nature and grounds of such claim or dispute. We will have a period of 30 days following receipt of such notice within which to notify you as to whether we or our affiliates elect to exercise its option to submit such claim or dispute to mediation. You may not commence any action against us or our affiliates with respect to any such claim or dispute in any court unless we fail to exercise our option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by us. Our rights to mediation, as set forth herein, may be specifically enforced by us. Each party will bear its own cost of mediation and we and you will share mediation costs equally. This agreement to mediate will survive any termination or expiration of this Agreement.

- (a) The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 24.3 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating):
 - (i) Any federally protected intellectual property rights in the Marks, the System, or in any Confidential Information;
 - (ii) Any claims pertaining to or arising out of any warranty issue; or
 - (iii) Any of the restrictive covenants contained in this Agreement.

24.4 Jurisdiction and Venue

Any litigation under this Agreement will be filed exclusively in the United States District Court for the district in which we have our principal place of business at the time of filing (which is currently

the Middle District of Florida) (or, if federal jurisdiction cannot be obtained, the state court in which we have our principal place of business at the time of filing), and you irrevocably consent to these courts' jurisdiction over you.

24.5 **Third-Party Beneficiaries**

Our officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the mediation provision set forth in this Section 24, each having authority to specifically enforce the right to mediate/litigate claims asserted against such person(s) by you.

24.6 **Prior Notice of Claims**

As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, you must notify us within 30 days after the occurrence of the violation or breach, and failure to timely give such notice will preclude any claim for damages.

24.7 **No Right to Offset**

You will not withhold all or any part of any payment to us or any of our affiliates on the grounds of our alleged nonperformance or as an offset against any amount we or any of our affiliates allegedly may owe you under this Agreement or any related agreements.

24.8 **Cumulative Remedies**

The remedies available to any party if the other party breaches this Agreement are cumulative. The exercise of any remedy will not limit any other remedies that may be available. Both parties will also be entitled to any and all remedies available under applicable law.

24.9 **Limitation of Liability**

Neither of the parties will be liable for loss or damage or deemed to be in breach of this Agreement if failure to perform obligations results from:

- (a) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state or municipal government or any department or agency thereof;
- (b) acts of God;
- (c) acts or omissions of a similar event or cause; or
- (d) any such delay as may be reasonable.

However, such delays or events do not excuse payments of amounts owed at any time.

24.10 **Waiver of Punitive Damages**

WITHOUT LIMITING YOUR OBLIGATIONS TO INDEMNIFY US PURSUANT TO SECTIONS 4, 11, 12, 15 and 16 OF THIS AGREEMENT, YOU AND WE EACH WAIVE TO THE FULL EXTENT PERMITTED BY LAW ANY RIGHT TO, OR CLAIM FOR, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. YOU AND WE ALSO AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN YOU AND US, THE PARTY MAKING A CLAIM WILL BE LIMITED TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

24.11 **Limitations of Claims**

ANY AND ALL CLAIMS ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP AMONG YOU AND US MUST BE MADE BY WRITTEN NOTICE TO THE OTHER PARTY WITHIN 1 YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHEN IT BECOMES KNOWN); EXCEPT FOR CLAIMS ARISING FROM: (A) CLAIMS FOR INDEMNIFICATION; AND/OR (B) UNAUTHORIZED USE OF THE MARKS OR CONFIDENTIAL INFORMATION. HOWEVER, THIS PROVISION DOES NOT LIMIT THE RIGHT TO TERMINATE THIS AGREEMENT IN ANY WAY.

24.12 **Waiver of Jury Trial**

YOU AND WE EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER YOU OR US.

24.13 **Litigation Expenses**

In any action or dispute, at law or in equity, that may arise under or otherwise relate to the terms of this Agreement, the prevailing party will be entitled to full reimbursement of its litigation expenses from the other party. Litigation expenses include reasonable attorneys' fees, defense costs, witness fees and other related expenses including paralegal fees, travel and lodging expenses and court costs. Reimbursement is due within 30 days of written notice after prevailing.

25. MISCELLANEOUS

25.1 **Approval and Consents**

Whenever this Agreement requires our advance approval, agreement or consent, you agree to make a timely written request for it. Our approval or consent will not be valid unless it is in writing. Except where expressly stated otherwise in this Agreement, we have the absolute right to make decisions on our part with or without cause and to refuse any request by you or to withhold our approval of any action or omission by you. If we provide to you any waiver, approval, consent, or suggestion, or if we neglect or delay our response or deny any request for any of those, we will not be deemed to have made any warranties or guarantees and will not assume any liability or obligation to you.

25.2 **Severability**

If any of the provisions of this Agreement are held invalid for any reason, the remainder will not be affected and will remain in full force and effect in accordance with its terms.

25.3 **Waivers**

Waiver of any provision of this Agreement will not be valid unless in writing and signed by the person against whom it is sought to be enforced. The failure by either party to insist upon strict performance of any provision will not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same provision at any other time, or any other provision of this Agreement.

25.4 **Entire Agreement**

This Agreement, including any amendments, addenda, and the Disclosure Document compose the entire Agreement between the parties relating to its subject matter, and supersedes all prior agreements, proposals, representations and commitments, oral or otherwise; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by us in

the Disclosure Document that was furnished to you by us. This Agreement may only be amended by an instrument signed by the authorized representatives of both parties.

25.5 **Background Information**

Both parties agree that the background information at the beginning of this Agreement is accurate.

25.6 **Construction**

The headings of sections are for convenience only and do not define, limit or construe the contents of such sections. In computing periods from a specified date to a later specified date, the words “from” and “commencing on” or “beginning on” (and the like) mean “from and including” and the words “to,” “until” and “ending on” (and the like) mean “to but excluding.” “Including” means “including, but not limited to.” “A or B” means A or B or both.

25.7 **Continuing Obligations**

All obligations of the parties which expressly or by their nature survive the expiration or termination of this Agreement continue in full force and effect subsequent to and regardless of the expiration or termination of this Agreement and until they are satisfied or by their nature expire.

25.8 **Counterparts**

The parties may sign this Agreement in counterparts. Each signed counterpart will be an original; and all of them constitute one and the same Agreement.

25.9 **Pronouns**

All words used in this Agreement, regardless of the number or gender in which they are used, will be construed to include any other number, singular or plural, in any other gender, masculine, feminine or neuter, as the context of this Agreement may require.

25.10 **Timing**

Time is of the essence of this Agreement. However, whenever the time for the performance of any action or condition contained in this Agreement falls on a Saturday, Sunday or legal holiday, such time will be extended to the next business date. Indications of time of day mean time at Tampa, Florida.

25.11 **Operation in the Event of Absence or Disability**

In order to prevent any interruption of the business operations which would cause harm to the business, thereby depreciating the value thereof, you authorize us, and we may, at our option, in the event that you are absent for any reason or is incapacitated by reason of illness and is unable, in our sole and reasonable judgment, to operate the business, operate the business for so long as we deem necessary and practical, and without waiver of any other rights or remedies we may have under this Agreement. All monies from the operation of the business during such period of operation by us shall be kept in a separate account, and the expenses of the business, including reasonable compensation and expenses for our representative, shall be charged to said account. If, as herein provided, we temporarily operate the business franchised herein for you, you agree to indemnify and hold harmless us and any representative of ours who may act hereunder, from any and all acts which we may perform, as regards the interests of you or third parties.

25.12 **Compliance with Anti-Terrorism Laws**

You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being

blocked under, and that you and your owners otherwise are not in violation of, any of the Anti-Terrorism Laws. “**Anti-Terrorism Laws**” mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your owners, or any blocking of your or your owners’ assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

25.13 **No Recourse**

You acknowledge and agree that except as provided under an express statutory liability for such conduct, none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for (a) any of our obligations or liabilities relating to or arising from this Agreement, (b) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (c) any claim against us based on any of our alleged unlawful act or omission. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, unless such vicarious claims are authorized by a guarantee of performance or statutory obligation. It is not meant to bar any direct contractual, statutory or common law claim that would otherwise exist.

25.14 **No Waiver or Disclaimer of Reliance in Certain States**

The following provision applies only to franchisees and Franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

7. **Internal Dispute Resolution.** You must first bring any claim or dispute arising out of or relating to the Area Developer Agreement or this Personal Guaranty to our Chief Executive Officer and/or President. Our rights to mediation, as set forth herein, may be specifically enforced by us. Each party shall bear its own cost of mediation and the parties shall share the cost of mediator. This agreement to mediate at our option shall survive the termination or expiration of the Area Developer Agreement.
- (a) The parties shall not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 8 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating):

 - (ii) Any claims arising out of or pertaining to any warranty issued; or
 - (iii) Any of the restrictive covenants contained in this agreement.
9. **Third Party Beneficiaries.** Our officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the Area Developer Agreement and this Guaranty, and the mediation provisions contained herein, each having authority to specifically enforce the right to mediate and litigate claims asserted against such person(s) by you.
10. **Injunctive Relief.** Nothing contained in this Guaranty shall prevent us from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect our interest prior to the filing of any mediation proceeding or pending the trial or handing down of a decision or award pursuant to any mediation or judicial proceeding conducted hereunder.
11. **Jurisdiction and Venue.** With respect to any proceeding not subject to mediation, the parties expressly agree submit to the jurisdiction and venue of any court of general jurisdiction in Hillsborough County, Florida and the jurisdiction and venue of the United States District Court for the Middle District of Florida.
12. **Jury Trial Waiver.** THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. CONDITIONAL ASSIGNMENT OF VENUE CONTRACTS

THIS CONDITIONAL ASSIGNMENT OF VENUE CONTRACTS (this "**Agreement**") is effective as of _____, 20__, between: (i) **i9 SPORTS, LLC**, a Delaware limited liability company with a principal place of business at 9410 Camden Field Parkway, Riverview, FL 33578 ("**Franchisor**," "**we**," "**us**" or "**our**"); and (ii) _____, a/an _____ with a principal place of business at _____ ("**Area Developer**," "**you**" or "**your**").

BACKGROUND

A. Contemporaneous with this Agreement, you entered into an area developer agreement with Franchisor (the "**Area Developer Agreement**"), under which you obtained the right and undertook the obligation to actively operate and promote an i9 Sports® Franchise (the "**Franchised Business**") within a designated geographical area (the "**Network Area**"). For purposes of this Agreement, all capitalized terms in this Agreement that are not specifically defined herein will be afforded the same definition they are afforded in the Area Developer Agreement.

B. Under the Area Developer Agreement, you agreed and acknowledged that: (i) you are required to actively establish, conduct and administer Events and related leagues through which you will offer your Authorized Sports, Products and Services as part of your Franchised Business; (ii) the majority of these Events and leagues will be conducted at a venue (each, a "**Venue**"); and (iii) you will be required to enter into contracts with the party that owns or otherwise manages such Venues for the right to conduct and administer Events and leagues involving the Authorized Sports at these Venues (each, a "**Venue Contract**").

C. As part of the material consideration for us entering into the Area Developer Agreement, the parties now wish to memorialize our option (but not obligation) to assume those Venue Contracts we designate upon the termination or expiration of your Area Developer Agreement, subject to the terms and conditions of this Agreement.

AGREEMENT

1. **Our Right to Assume Designated Venue Contracts.** The parties hereby agree as follows:

Each Venue Contract that you enter into must contain a provision that: (i) expressly permits you to assign, and permits us (or our designee) to assume, such Venue Contract, to us (or our designee) upon the expiration or termination of your Area Developer Agreement for any reason; and (ii) the foregoing assignment and assumption will not require the prior approval of the party with whom you entered into the Venue Contract, and will instead be effective once we have provided notice to that party.

Upon expiration or termination of the Area Developer Agreement for any reason, we will notify you within 10 days which Venue Contracts we wish to assume (the "**Designated Venue Contracts**"). Once you receive such notice, you must ensure that steps are taken to assign the Designated Venue Contracts to us within 10 days, including ensuring that all monetary and non-monetary obligations under these Designated Venue Contracts as of the date these agreements that are assigned to us are fully satisfied prior to the assignment and assumption contemplated herein (collectively, the "**Assignment**"). Developer also agrees to execute any documents and cooperate in any manner with respect to such Assignment.

Subject to the terms of this Agreement, the assuming party with respect to the Designated Venue Contracts (which will be us or our designee) shall assume all of your obligations, assignments, commitments, duties and liabilities under the Venue Contracts that arise after the Assignment is effectuated.

You agree and acknowledge that this Agreement does not require us to assume any Venue Contract that we do not wish to assume, and that you will be solely responsible for all continuing obligations under any Venue Contract that are not designated by us and subsequently assigned to us (or our designee) as part of the Assignment described herein.

In the event we are required to pay off of your monetary obligations under any Designated Venue Contract that you are otherwise required to pay under Section 1(b) of this Agreement, you will be required to immediately reimburse us for such payments upon our written demand. You must also agree to indemnify, defend and hold us (and, if appropriate, our designee) harmless from any and all claims, causes of action, damages, attorneys' fees and other amounts that arise out of any Designated Venue Contract(s) prior to the date of the Assignment.

2. **Conditional Assignment Only.** The rights under this Agreement are conditioned on our exercising such rights in writing only and, except as specified herein, we shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment or any Venue Contract, unless such Venue Contract is a Designated Venue Contract assigned to us pursuant to the terms hereof.

3. **Authority of Developer.** You represent and warrant that you will have full power and authority to so assign the Venue Contracts we designate and that you will not, prior to the Assignment, assign, transfer, or otherwise dispose of any interest in any Venue Contract without our prior written consent (unless such Venue Contract expires pursuant to its own terms).

4. **No Defense or Setoff.** You must not assert, by way of defense or setoff, any alleged breach or damage caused by you if we must enforce this Agreement against you.

5. **Injunctive Relief.** You and we agree that the breach of this Agreement will result in irreparable harm to us, and that no monetary award can fully compensate us if you violate it. Thus, if you breach this Agreement, you agree that we will be entitled to an injunction restraining you from any further breach. Such injunctive relief may be obtained without bond, and such injunctive relief shall be in addition to such other and further remedies or relief as may be available to us at equity or law.

6. **Governing Law and Venue.** This Agreement is governed by the law of the county and state in which we are located. All litigation arising under this Agreement must be brought in the appropriate courts of the county and state in which we are located (as set forth more fully in the Area Developer Agreement). The parties irrevocably submit to the jurisdiction of such courts and waive any rights to a change of venue or otherwise. The prevailing party in any litigation involving this Agreement must be reimbursed its attorneys' fees from the non-prevailing party.

7. **Entire Agreement.** This Agreement, as well as the Area Developer Agreement, contains the complete agreement between the parties concerning this subject matter. This Agreement supersedes any prior or contemporaneous agreement, representation or understanding, oral or written, between them. The continued relationship between the parties described in this Agreement constitutes full and sufficient consideration for the binding commitment of the parties to this Agreement.

8. **Waiver and Amendment.** A waiver or amendment of this Agreement, or any provision of it, will be valid and effective only if it is in writing and signed by both parties or the party waiving such provision. No waiver Agreement will operate as a waiver of any other term of this Agreement or of that same term at any other time.

9. **Rights Cumulative.** No right or remedy available to any party is exclusive of any other remedy. Each and every remedy will be cumulative to any other remedy given under this Agreement, or otherwise legally existing upon the occurrence of a breach of this Agreement.

5-YEAR ADDENDUM TO THE i9 SPORTS, LLC AREA DEVELOPER AGREEMENT

This 5-Year addendum (the “**5-Year Addendum**”) to the i9 Sports, LLC Area Developer Agreement is made and entered into this __ day of _____, _____, by and between i9 Sports, LLC, a Delaware limited liability company, whose address is 9410 Camden Field Parkway, Riverview, Florida 33578 (“**Franchisor**”) and _____ (“**Area Developer**”).

BACKGROUND

A. Contemporaneous with the execution of this 5-Year Addendum, Area Developer has entered into an Area Developer Agreement (the “**Area Developer Agreement**”) with Franchisor pursuant to which Area Developer obtained the right and undertook the obligation to establish and operate an i9 Sports® Franchise (the “**Franchised Business**”).

B. The parties wish to amend the terms of the Area Developer Agreement pursuant to the terms and conditions set forth in this Addendum.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises, commitments and understandings contained herein, Franchisor and Area Developer hereby agree as follows:

1. **Term.** Section 2.3 of the Area Developer Agreement is hereby amended such that the grant to own and operate as an i9 Sports® Franchise ends on the fifth (5th) anniversary of the Effective Date (the “**Term**”).

2. **Franchise Fee.** Section 4.1 of the Area Developer Agreement is hereby deleted in its entirety and replaced with the following:

No franchise fee is due or payable contemporaneous with the execution of the Area Developer Agreement. Instead, you must pay a monthly franchise fee of \$500 beginning the first calendar month after you sign the Area Developer Agreement and continuing for the term of your Agreement (the “**Franchise Fee**”). The monthly Franchise Fee will automatically be deducted from your bank account via electronic fund transfer (“**EFT**”) and our Billing System. The total Franchise Fee is equal to \$500, multiplied by the number of months in the Term of the Area Developer Agreement.

3. **No Discount on Initial Fees.** Section 4.3 of the Area Developer Agreement is hereby deleted in its entirety.

4. **Payment Terms.** Section 4.5 of the Area Developer Agreement is hereby amended such that only the Territory Fee is due in full upon execution of the Area Developer Agreement, however both the Franchise Fee (as defined in this 5-Year Addendum) and the Territory Fee are deemed fully earned upon payment in consideration of administrative and other expenses we incur in granting the franchise and for our lost or deferred opportunity to franchise others.

5. **Manner of Payment.** Section 4.12 of the Area Developer Agreement is hereby amended to include the Franchise Fee in the list of fees and contributions that must be paid via the EFT Program.

6. **Transfer Fee.** Section 17.3(h) of the Area Developer Agreement is hereby amended to require Area Developer to pay a transfer fee equal to exactly \$12,450 for each i9 Sports® Franchise being transferred.

7. **Franchise Fee Due in Full upon Transfer.** Notwithstanding anything to the contrary contained in the Area Developer Agreement, the balance of the Franchise Fee set forth in Section 2 of this 5-Year Addendum must be paid in full immediately upon execution of any agreement which purports to transfer Area Developer’s rights and obligations under the Area Developer Agreement.

8. **Liquidated Damages.** Section 19.6 of the Area Developer Agreement is hereby amended by adding the follow to the end of the first paragraph:

In addition to the liquidated damages in the prior sentence, upon early termination of this Agreement for any reason (including for cause or by mutual agreement) prior to the expiration of the then-current Term, you must also pay us liquidated damages equal to the number of months remaining in the Term multiplied by the monthly Franchise Fee of \$500.

9. **Release.** Area Developer, for themselves and all persons and entities claiming by, through, or under them, hereby release, acquit and forever discharge Franchisor and its present and former officers, employees, shareholders, directors, agents, servants, representatives, affiliates, successors, and assigns (the “**Franchisor Releasees**”) from all obligations, claims, debts, demands, covenants, contracts, promises, agreements, liabilities, costs, attorney’s fees, actions or causes of action whatsoever, whether known or unknown, which it, by itself, on behalf of, or in conjunction with any other person, persons, partnership or corporation, has, had or claims to have against the Franchisor Releasees arising out of or related to the offer or sale of the Area Developer Agreement, or the operation of the Franchised Business, and the parties’ rights or obligations under the Area Developer Agreement, up to and including the date of this 5-Year Addendum.

10. **Defined Terms.** Terms defined in the Area Developer Agreement and not defined in this 5-Year Addendum have the meaning defined in the Area Developer Agreement.

11. **Entire Agreement.** The Area Developer Agreement and this 5-Year Addendum constitute the entire, full, and complete agreement between Franchisor and Area Developer concerning the Franchised Business, and supersede any and all prior agreements. In the event of a conflict between the terms of the Area Developer Agreement and the terms of this 5-Year Addendum, the terms of the 5-Year Addendum will control. Except as amended hereby, all the other terms and conditions of the Area Developer Agreement are ratified and confirmed.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed and delivered this Addendum the date and year first written above.

- C. Camp administrative activities by Operator, while generally left to the discretion of Operator, shall include designating a Camp Director who, together with and under the direction of Operator, will be in charge of and responsible for (i) prior to the start of the first session of the Camps, conducting a training session for all persons who will provide coaching or other services at a Camp or will otherwise interact with campers in any manner (each, a “staff employee”), of a length sufficient to thoroughly prepare staff employees in all aspects of Camp operation, including safety, supervision and emergency procedures and (ii) promoting the Camps and helping to create goodwill. To the extent reasonably possible, the Camp Director and each staff employee will exclusively wear NIKE apparel at any Camp location and during all activities related to the Camps. In the event there is a site administrator on site for any Camp, Operator and the Camp Director shall oversee said site administrator. During the Camp and training sessions, the Camp Director shall be present at the Camp and shall devote his/her full time and attention to the Camp.
- D. Operator is responsible for ensuring that, before the Camp Director or any given staff employee performs any services related to the Camps, the Camp Director or staff employee, as applicable, (1) signs the rules of conduct agreement (“Rules of Conduct”) in a form mutually agreed to by Operator and US SPORTS, (2) submits to and passes a mandatory background check in accordance with specifications mutually agreed to by Operator and US SPORTS, and (3) attends an abuse prevention training mutually agreed to by Operator and US SPORTS. Operator is also responsible for ensuring that the Camp Director and each staff employee abides by the Rules of Conduct. For the convenience of Operator, the Rules of Conduct, background check, and abuse prevention training will be made available through an online portal hosted by i9 Sports.
- E. Operator and the Camp Director will hire staff for the Camps in accordance with staff-to-camper ratios as mutually agreed to by Operator and US SPORTS. Operator acknowledges that in connection with Operator’s payment of Camp Director and staff employee wages, it is Operator’s responsibility to deduct payroll taxes and any other applicable withholding amounts from those payments and to maintain workers’ compensation insurance for Operator’s employees.
- F. Operator shall not change the character or essential structure of the Camp without the written permission of US SPORTS.
- G. Without limiting the breadth of Paragraph III.B above, Operator and the Camp Director are obligated and expected to operate the Camps in accordance with the highest standards and in compliance with all applicable laws, including (but not limited to) those governing safety, health, labor, hazardous substances, sanitation,

and athlete eligibility rules; they and each staff employee must refrain from any act of moral turpitude and from engaging in any conduct that is generally perceived by the public to be socially reprehensible and significantly beyond generally accepted norms in conducting the Camps; their personal conduct, their supervision of the Camps, and the personal conduct of staff employees must in no way reflect adversely upon US SPORTS, NIKE, or i9 Sports or expose US SPORTS, NIKE, or i9 Sports to public disrepute, contempt, scandal or ridicule; and they shall comply with all rules, standards, guidelines and procedures applicable to the Camps and the services provided by Operator, specifically including (but not limited to) any rules, standards, guidelines and procedures delivered by US SPORTS or i9 Sports to Operator outside of this Agreement. Operator acknowledges that it is essential to the reputation of the Camps and the safety of the campers that neither the Camp Director nor any staff employee (i) has any past criminal record, or (ii) has ever been alleged (whether criminally or otherwise) to have engaged in or committed any sexual assault, sexual abuse, child abuse, child molestation or other similar misconduct. Operator represents and affirms that neither Operator nor the Camp Director nor any staff employee has a past criminal record or has been alleged (whether criminally or otherwise) to have engaged in or committed any sexual assault, sexual abuse, child abuse, child molestation or other similar misconduct.

- H. Operator agrees to indemnify and hold harmless US SPORTS, NIKE, i9 Sports, and their respective officers, directors, shareholders, employees, affiliates, contractors, and parent and subsidiary companies (collectively, “Indemnified Parties”) from and against any and all losses, damages, injuries, claims, demands, judgments, attorneys’ fees, expenses, causes of action, lawsuits and other liabilities of any kind or nature (collectively, “Claims”) related to or arising out of or in connection with the management, operation and conduct of the Camps, regardless of any negligence or fault, actual or vicarious, of US SPORTS, of NIKE, of i9 Sports, or of any other Indemnified Party, except for Claims arising from the sole negligence or willful misconduct of US SPORTS, NIKE, or i9 Sports.
- I. Operator shall provide and maintain throughout the Term of this Agreement (including any extensions thereof) Commercial General Liability Insurance, covering liability arising from premises, operations, independent contractors, products-completed operations, personal injury, and advertising injury, athletic participants’ bodily injury liability and contractual liability, with limits of at least five million dollars (\$5,000,000) per occurrence and in the aggregate, with no exclusions from coverage for sexual molestation claims or concussions. Operator shall cause US SPORTS, NIKE, i9 Sports, and their respective affiliates to be named as additional insureds on each such liability insurance policy purchased or maintained by Operator, and on any excess or umbrella policy following any such liability coverage. Operator shall also provide and maintain throughout the Term of this Agreement (including any extensions thereof) (a) workers’ compensation insurance at least meeting statutory required limits, (b) employer’s liability insurance with limits of at least one million dollars (\$1,000,000) per occurrence and in the aggregate, and (c) business automobile liability insurance for any auto or other vehicle, owned or non-owned, used in connection with the Camps, with limits of at least one million dollars (\$1,000,000) per accident. All liability insurance policies maintained by Operator shall be primary with respect to any insurance or self-insurance programs maintained by US SPORTS, NIKE, or i9 Sports. Operator shall provide to US SPORTS and/or i9 Sports, prior to each year’s commencement of any training sessions or Camp sessions under this Agreement, a certificate of insurance showing all insurance coverages maintained by Operator in connection with the Camps (including, but not limited to, insurance meeting the required minimum coverage standards under this Paragraph III.I) and confirming that US SPORTS, NIKE, and i9 Sports are named as additional insureds on all liability insurance policies.

IV. Responsibilities and Obligations of US Sports

US SPORTS shall have the following responsibilities:

- A. Reviewing and providing approval for the marketing and promotion of the Camps, including the provision of a website on which the Camps are described and promoted, and placement of advertisements in consumer vertical and other digital outlets where appropriate.

- B. Reviewing and providing approval for the registration of campers, provision of information packets to campers, collection of Camp fees, and disbursement of such collected fees in accordance with Paragraph VII below.
- C. Reviewing and providing approval for the provision of Camp apparel for the Camp Director and staff employees.
- D. Reviewing and providing approval for the provision of camper amenity packages and prizes (if applicable).
- E. Any other responsibilities specifically assigned to US SPORTS in the Supplemental Information Statement.

V. Intellectual Property Rights

- A. Camp name(s), logos, advertising and promotional material, trade dress and style, trade name, and other similar rights, including all intellectual property rights, shall be the property of US SPORTS (or its licensors, if applicable), and shall not be used by Operator without express prior written approval by US SPORTS. Although US SPORTS and i9 Sports are licensed under the Sponsorship Agreement to use the NIKE trade name, trademarks and logo (collectively, "NIKE IP") in connection with the marketing and operation of the Camps, US SPORTS and i9 Sports are not authorized to sublicense the use of such NIKE IP. Accordingly, Operator shall not independently make any use of the NIKE IP; any use of NIKE IP in connection with the marketing or operation of the Camps shall be limited to materials and products prepared, obtained and/or distributed by US SPORTS or i9 Sports; and nothing in this Agreement shall be construed to create a license or sublicense in favor of Operator to use any NIKE IP. If and to the extent Operator is authorized, by express prior written approval from US SPORTS or i9 Sports, to use the names, trade names, logos and/or other intellectual property of US SPORTS or i9 Sports in connection with the marketing or operation of the Camps, Operator acknowledges and agrees that such authorization and use is subject to Paragraph V.C below.
- B. All data and information generated through the marketing of the Camps and registration of campers for the Camps, including (but not limited to) camper names, addresses (both residential and email) and telephone numbers, similar information for camper parents, guardians or other emergency contacts, and all other account information and records relating in any manner whatsoever to the campers who attend the Camps, whether collected or prepared by US SPORTS, i9 Sports, or by Operator or otherwise coming into Operator's possession in any manner (collectively, "Camper Information"), shall be and remain the property of i9 Sports. Operator has a limited license to use such Camper Information in connection with this Agreement, subject to Paragraph V.C below. Operator agrees that following any termination or expiration of this Agreement, neither Operator nor the Camp Director nor any staff employee will keep copies of any Camper Information or use any Camper Information in any way to contact any campers or their respective parents or guardians. Operator further agrees that following any termination or expiration of this Agreement, or at any time during the Term of this Agreement upon written request from US SPORTS or i9 Sports, Operator will return all documents, records and materials containing any Camper Information, whether in electronic or paper form or in any other form, to i9 Sports or, if requested or permitted by i9 Sports, destroy such documents, records, and materials in a secure and confidential manner and certify to the satisfaction of i9 Sports that all such documents, records and materials have been so destroyed.
- C. Operator acknowledges and agrees that any authorization for Operator to use intellectual property of US SPORTS or i9 Sports in connection with the marketing and operation of the Camps pursuant to Paragraph V.A and/or V.B above, as applicable, constitutes a limited license that is (i) applicable only during the Term of this Agreement, (ii) revocable by US SPORTS in its discretion at any time by written notice to Operator, (iii) non-transferable and non-sublicensable, (iv) for the limited purpose of marketing and operating the Camps (or for such other or more limited purposes as may be specified by US SPORTS from time to time), and (v) subject to all applicable provisions of this Agreement and to all guidelines, rules and restrictions imposed by US SPORTS or i9 Sports from time to time by written notice to Operator.
- D. If any person or entity requests, subpoenas, or otherwise seeks to obtain from Operator, the Camp Director or any other employees, agents, contractors or representatives of Operator any testimony or materials that relate to or refer in any way to the Camps conducted under this Agreement or the campers participating in

such Camps, Operator shall immediately inform US SPORTS. Should US SPORTS so request, Operator will cooperate in any legal action to seek protection against such testimony or against disclosure of such materials. Unless and until legally compelled by court or other competent authority or expressly authorized in writing by US SPORTS to do so, Operator will not provide any such testimony or disclose or transmit any such materials to any person or entity.

VI. Non-Disclosure and Confidentiality

Operator acknowledges that the nature of its relationship to US SPORTS under this Agreement and in marketing and operating the Camps may result in Operator obtaining, receiving or becoming aware of highly confidential and sensitive information owned by or relating to US SPORTS and/or i9 Sports. Therefore, Operator agrees as follows:

- A. Operator acknowledges and agrees that all Confidential Information and Trade Secrets, including all physical embodiments thereof, are confidential to US SPORTS and/or i9 Sports, and will remain the sole and exclusive property of US SPORTS and/or i9 Sports. Operator warrants and agrees that, except as may be necessary to perform Operator's obligations under this Agreement (and then only to the limited extent of such necessity), Operator will not reproduce, use, distribute, disclose, publish, misappropriate or otherwise disseminate any Confidential Information or Trade Secrets. Operator may disclose Confidential Information and Trade Secrets to the Camp Director and staff employees who need to know such information for purposes consistent with this Agreement and who have signed confidentiality agreements containing protections no less stringent than those in this Agreement. Operator will treat and maintain the Confidential Information and Trade Secrets with at least the same degree of care that it uses to protect the confidentiality of its own similar information (but not less than reasonable care). Upon expiration or termination of this Agreement, Operator will return to US SPORTS or i9 Sports or, if consented to in writing by US SPORTS or i9 Sports, certify the destruction of, all Confidential Information and Trade Secrets in its possession or control. "Confidential Information" means data and information relating to US SPORTS or i9 Sports, its business, its business models and practices, or its financial affairs that (i) is disclosed to Operator or of which Operator became aware as a consequence of its association with US SPORTS, (ii) has value to US SPORTS, and (iii) is not generally known to competitors of US SPORTS. "Trade Secret" means any Confidential Information described above, without regard to form, that may be designated as a trade secret under applicable federal or state law. Confidential Information and Trade Secrets may include, but are not limited to, Camper Information and other participant, registration and marketing information of US SPORTS, and information concerning the business model and business practices of US SPORTS.
- B. Operator understands that the nature of Operator's position gives Operator access to and knowledge of Confidential Information and Trade Secrets of US SPORTS and i9 Sports, and places Operator in a position of trust and confidence with respect to US SPORTS. Because of the legitimate business interests of US SPORTS and i9 Sports as described in this Agreement, during and after the Term of this Agreement, except as may be necessary to perform Operator's obligations under this Agreement, Operator agrees and covenants not to use any Confidential Information (including, but not limited to, Camper Information) or any Trade Secrets in order to directly or indirectly solicit, contact, or attempt to solicit or contact, using any form of oral, written, or electronic communication, including, but not limited to, email, regular mail, express mail, telephone, fax, instant message, or social media, including but not limited to Facebook, LinkedIn, TikTok, Instagram or Twitter, or any other social media platform, any campers participating in the Camps or any other current or potential participants in US SPORTS or i9 Sports camps for the purpose of offering or providing goods, services or duties similar to the goods, services or duties Operator provided in connection with and during the Term of this Agreement. The parties understand and agree that the scope of the covenants contained in this Paragraph, both as to time and as to subject matter, are necessary to protect the rights of US SPORTS and i9 Sports in their Trade Secrets and Confidential Information. It is the parties' intention that these covenants be enforced to the greatest extent (but to no greater extent than) permitted by the laws of the State in which the Camps are conducted. Operator's obligations under this Paragraph VI.B are independent of and in addition to, and do not limit in any way, Operator's obligations under Paragraph V.B above, including (but not limited to) the obligation to return Camper Information under the circumstances described therein.

- C. In the event of a breach or a threatened breach by Operator of the non-disclosure provisions of this Paragraph VI, US SPORTS or i9 Sports shall be entitled to an injunction restraining Operator from such breach or threatened breach, as well as recovery of its costs and reasonable attorneys' fees. Nothing herein shall be construed as prohibiting US SPORTS or i9 Sports from pursuing any other remedies available to it for such breach or threatened breach, including the recovery of damages from Operator. In the event that US SPORTS or i9 Sports should seek an injunction hereunder, Operator waives any requirement that US SPORTS or i9 Sports post a bond or any other security.

VII. Allocation of Revenue and Expenses; Accounting; No Agency; Delegation

- A. i9 Sports, on behalf of US SPORTS, will process camper registrations and payments related to the Camps through its billing system. i9 Sports will distribute to Operator revenue generated by the Camps operated by Operator in accordance with the terms of the Franchise Agreement. For the avoidance of doubt, all revenue derived from the operation of the Camps shall be deemed to be "Network Revenues" as such term is defined in the Franchise Agreement. i9 Sports will deduct from such revenue all royalty fees, brand fund contributions, customer service center fees, credit card processing fees, and other fees owed under the Franchise Agreement. Operator will not pay any fees directly to US SPORTS.
- B. At all times during the Term of this Agreement, Operator shall keep accurate books of account in which all matters relating to the operation of the Camps, including all income, expenditures, assets, and liabilities thereof, shall be entered. i9 Sports shall have the right to inspect and audit such books and records in accordance with the terms of the Franchise Agreement.
- C. Operator and US SPORTS acknowledge that this Agreement is solely a contractual arrangement and is not intended, nor shall it be construed, to create a joint venture, partnership, principal-agent relationship, or any other relationship between the parties except as independently contracting parties. Neither party has any power or authority as agent, or in any other capacity to represent, act for, bind, or otherwise create or assume an obligation on behalf of the other party for any purpose whatsoever. Each of the parties will be solely responsible for (i) all obligations relating to reporting, withholding and payment of taxes and to maintenance of any required workers' compensation insurance with respect to its respective employees, and (ii) all obligations relating to reporting, withholding and payment of income taxes, and any other taxes with respect to all payments received by or allocated to such party under or in connection with this Agreement. Each party is free to provide services to and enter into contractual relationships with any other person, entity or business, subject to any applicable restrictions contained in this Agreement. Operator acknowledges that the success of its business depends on the relationship of its business receipts to expenditures, that it may realize a profit or loss in connection with the performances of its obligations pursuant to this Agreement, and that US SPORTS and/or i9 Sports have made no representations or assurances to Operator regarding the potential profitability (or unprofitability) of this Agreement for Operator.
- D. Operator acknowledges and agrees that US SPORTS may delegate any of its rights or responsibilities under this Agreement to i9 Sports. US SPORTS will remain fully responsible for the acts and omissions of i9 Sports related to the operation of the Camps and/or any rights i9 Sports exercises or responsibilities i9 Sports undertakes on behalf of US SPORTS under this Agreement.

VIII. Termination

This Agreement may be terminated automatically or by written notice from a party eligible to terminate (as indicated below), prior to the scheduled expiration of the Term, upon the occurrence of any one of the following events:

- A. By either party, upon the occurrence of circumstances that make it impractical or impossible for the operation of the Camps to be continued at the intended location as set forth in the Supplemental Information Statement, including (but not limited to) unavailability of the intended Camp venue during the scheduled time of Camp, unless US SPORTS and Operator mutually agree upon a feasible alternate venue (provided, that no termination pursuant to this subparagraph is intended to release either party from liability for breach of any other applicable provision of this Agreement if the impossibility of operating the Camps or unavailability of the intended venue arises out of or in connection with such a breach by such party);
- B. Automatically, upon the bankruptcy or insolvency of US SPORTS;

- C. Automatically, upon the expiration or termination of the Franchise Agreement for any reason;
- D. By US SPORTS, upon the bankruptcy or insolvency of Operator;
- E. By US SPORTS, upon the wind-up or dissolution of Operator;
- F. By either party, upon any purported assignment of this Agreement by the other party without the written consent of the party seeking to terminate, except US SPORTS may assign this Agreement to i9 Sports without the written consent of Operator;
- G. By US SPORTS, upon (i) any material breach by Operator of any of the provisions of this Agreement, which breach either is uncurable in nature or, if curable, remains uncured for more than five (5) days after written notice of the breach is given by US SPORTS to Operator; (ii) any determination by US SPORTS in its reasonable judgment that any representation by Operator in this Agreement was inaccurate in any material respect when made or has become inaccurate in any material respect, specifically including (but not limited to) the representations made by Operator in Paragraph III.G above; (iii) any Claim that Operator, the Camp Director or any staff employee is alleged (whether criminally or otherwise) to have engaged in or committed any sexual assault, sexual abuse, child abuse, child molestation or other similar misconduct; or (iv) the issuance of any default notice by i9 Sports for any breach of the Franchise Agreement that is uncurable in nature or, if curable, is not cured within the applicable cure period, even if i9 Sports does not exercise its right to terminate the Franchise Agreement; or
- H. By Operator, upon any material breach by US SPORTS of any of the provisions of this Agreement, which breach is either uncurable in nature or, if curable, remains uncured for more than five (5) days after written notice of the breach is given by Operator to US SPORTS.

IX. Notices

Any and all notices or other communications required or permitted by this Agreement or by law to be delivered to, served on, or given to either party to this Agreement by the other party to this Agreement shall be in writing and shall be effective if delivered (a) by personal delivery to the recipient party (deemed effective upon such personal delivery), (b) by delivery to the recipient party by a widely used overnight delivery service (deemed effective upon actual delivery or refusal of delivery by the recipient party, as evidenced by the business records of such delivery service), or (c) by transmittal via electronic mail (“email”) to the recipient party, provided that the recipient party acknowledges receipt of such email notice by return email, telephone or other method of communication (deemed effective upon such acknowledgment of receipt). Delivery by overnight delivery service or by email shall be to the recipient party’s applicable physical address or email address listed in the signature block to this Agreement, provided that either party may change its address for such purpose by giving written notice of such change to the other party. Any notices that are to be delivered to US SPORTS must, in order to be deemed effective, also be delivered to i9 Sports at i9 Sports, LLC, Attn: Brian Sanders, President, 9410 Camden Field Parkway, Riverview, Florida 33578, brian.sanders@i9sports.com.

X. Dispute Resolution

- A. Except to the extent otherwise expressly provided in Paragraph VI.C of this Agreement, the parties agree that any dispute, claim or controversy arising out of or related to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the scope or applicability of this agreement to arbitrate, shall be determined by binding arbitration in San Francisco, California before a single arbitrator. The arbitration shall be administered by JAMS pursuant to the JAMS Comprehensive Arbitration Rules then in effect. Judgment on the award may be entered in any court having jurisdiction. Any arbitration conducted pursuant to the terms of this Agreement shall be governed by the Federal Arbitration Act. In any arbitration arising out of or relating to this Agreement, the arbitrator shall award the prevailing party, if any, the costs and attorneys’ fees reasonably incurred by such prevailing party in connection with the arbitration. This arbitration provision shall not preclude either party from seeking, through judicial process in a court of appropriate jurisdiction, preliminary injunctive relief pending the resolution of the arbitration proceedings. The parties shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a court application for a provisional remedy, a judicial challenge to

an award or its enforcement, or as otherwise required by law or by judicial decision. **THE PARTIES HERETO UNDERSTAND AND ACKNOWLEDGE THAT THEY ARE WAIVING THEIR RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY MATTER REQUIRED TO BE SUBMITTED TO ARBITRATION HEREUNDER.**

- B. The parties may bring claims against one another only in an individual capacity and not as a plaintiff, class representative, or member of any purported class, collective, representative, or aggregate proceeding. The parties expressly waive, to the maximum extent permitted by law, the right to bring, or participate in, any claim as part of any class, collective, representative, or aggregate proceeding. The arbitrator shall not consolidate proceedings involving more than one person's or entity's claims and shall not authorize or preside over any form of a class, collective, representative, or aggregate proceeding. This Section X.B. shall not apply to actions or claims asserted collectively by US SPORTS and i9 Sports against Operator.
- C. Operator acknowledges and agrees that (i) it will be operating the Camps through its Franchise, which is governed by the Franchise Agreement; (ii) any breach of this Agreement by Operator may be regarded as a default under the Franchise Agreement; (iii) i9 Sports is not a party to this Agreement; (iv) i9 Sports is a third-party beneficiary of this Agreement with an independent right to enforce it; (v) i9 Sports shall not have any liability to Operator under this Agreement, including, without limitation, for the acts or omissions of US SPORTS or any acts or omissions of i9 Sports related to rights or responsibilities delegated to i9 Sports by US SPORTS; and (vi) Operator shall not assert or bring any claims against i9 Sports related to the operation of the Camps or this Agreement. For the avoidance of doubt, Operator may only assert claims related to this Agreement against US SPORTS and such claims may only be brought in accordance with this Paragraph X. Any claims or disputes asserted or brought by i9 Sports against Operator related to Operator's alleged breach of this Agreement shall be governed, at i9 Sports's option, by the dispute resolution provisions of the Franchise Agreement or this Agreement.

XI. Attorneys' Fees

If any judicial action at law or in equity is instituted by any party arising out of or related to this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs of suit in connection with such action, regardless of whether the action proceeds to final judgment, as well as its reasonable attorneys' fees and costs of suit in connection with any appellate proceedings and/or any proceedings necessary or appropriate for the enforcement of any judgment obtained by such prevailing party in such proceedings. Attorneys' fees and costs of suit in connection with any arbitration proceeding arising out of or related to this Agreement shall be governed by Paragraph X.

XII. Governing Law

Except as otherwise expressly provided in Paragraph VI.B above, any action arising out of or related to this Agreement shall be governed by the laws of the State of California, irrespective of the principles of conflicts of law applicable therein, and the parties agree to be subject to the exclusive jurisdiction of any state or federal court encompassing Marin County, California, subject to any applicable law prohibiting this forum selection requirement, and subject to the arbitration provisions set forth in Paragraph X of this Agreement.

XIII. Sole Agreement

This instrument contains the sole agreement of the parties and correctly sets forth the rights, duties, and obligations of each to the other in connection therewith. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force or effect. If any provision in this Agreement is held by any court to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force and effect.

XIV. Amendment

This Agreement may be amended or modified only by an instrument in writing, which written instrument expressly refers to this Agreement, states the amendment or modification and is signed by the parties hereto.

XV. Counterparts; Execution

This Agreement may be executed in several counterparts, and by separate parties on separate counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Signatures delivered by electronic mail, facsimile or other electronic means, or by DocuSign, Adobe Sign or other commonly accepted digital signature platform, shall be valid and binding and shall have the same force and effect as delivery of manually executed signatures.

**ADDENDUM TO THE i9 SPORTS, LLC
DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND,
MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA,
VIRGINIA, WASHINGTON, AND WISCONSIN**

No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and Franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Franchise.

**ADDENDUM TO i9 SPORTS, LLC
DISCLOSURE DOCUMENT AND AREA DEVELOPER AGREEMENT
REQUIRED BY THE STATE OF CALIFORNIA**

CALIFORNIA APPENDIX

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer, or non-renewal of a franchise. If the Area Developer Agreement contains provisions that are inconsistent with the law, the law will control.
2. The Area Developer Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).
3. The Area Developer Agreement contains a covenant not to compete which extend beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.
4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.
6. Prospective Area Developers are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of an Area Developer Agreement restricting venue to a forum outside the State of California.
7. The Area Developer Agreement requires application of the laws of Florida. This provision may not be enforceable under California law.
8. For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Area Developer Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.
9. Sections 1.2(b), (c), and (d) and Section 22(c) of the Area Developer Agreement and Exhibit H of the Disclosure Document are deleted in their entirety. These provisions may not be enforceable under California law.
10. The Area Developer Agreement contains provisions requiring you to agree to shorten the statute of limitations to bring claims and waive your right to punitive or exemplary damages against the franchisor or any of its representatives, limiting your recovery to actual damages. Under California Corporations Code section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.
11. You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

12. The Area Developer Agreement contains liquidated damages clauses. Under California Civil Code, Section 1671, certain liquidated damages clauses are unenforceable.
13. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.
14. OUR WEBSITE, www.i9sports.com OR www.i9sportsfranchise.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION at www.dfpi.ca.gov.
15. The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations, and you are open for business. For California franchisees who sign an area developer agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.
16. The Area Developer Agreement Section 21 is amended by deleting the first sentence and adding the following in its place:

“Except as otherwise provided in Item 19 of the FDD, we disclaim the making of, and you acknowledge that you have not received, any warranty or guaranty, express or implied, as to the revenues, sales, profits or success of sports and recreational related businesses generally, the business venture contemplated by this Agreement or the extent to which we will continue to develop and expand the network of i9 Sports® Franchises.”
17. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
18. As required by Corporations Code section 31114: **The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.**

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Addendum dated this _____ day of _____, 20__.

REQUIRED BY THE STATE OF ILLINOIS**

1. The following item is required to be included within the Disclosure Document and shall be deemed to supersede the language that is in the Disclosure Document itself:

Section 4 of the Illinois Franchise Disclosure Act (“Act”) dictates that “any provision in the Area Developer Agreement which designates jurisdiction or venue in a forum outside of this State if void with respect to any cause of action which otherwise is enforceable in this State, provided that an Area Developer Agreement may provide for arbitration in a forum outside of this State.” Therefore, the Act supersedes any contrary provisions contained in the Area Developer Agreement.

2. Article XI of the Area Developer Agreement and Item 23 of the Disclosure Document are hereby amended to reflect Illinois minimum disclosure period of 14 calendar days as required by Section 5(2) of the Act.
3. Illinois law governs the Franchise Agreement(s).
4. Any releases that the Franchisor requests the Area Developer to sign must conform with the Act.

8. Section 24.4 (Jurisdiction and Venue) of the Area Developer Agreement are amended to comply with Section 705/4 of the Illinois Franchise Disclosure Act.
9. Your rights upon Termination and Non-Renewal of an agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.
10. No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
11. In this franchise system, the agreement you sign is called an “Area Developer Agreement.” This agreement gives you the right to open and operate one franchise business.
12. Payment of Initial Franchise/Development Fees will be deferred until Franchisor has met its initial obligations to franchisee, and franchisee has commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor’s financial condition.

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

1. A prohibition on the right of an Area Developer to join an association of franchises.
2. A requirement that an Area Developer assent to a release, assignment, novation, waiver or estoppel which deprives an Area Developer of rights and protections provided in this act. This shall not preclude an Area Developer, after entering into an Area Developer Agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Area Developer to comply with any lawful provision of the Area Developer Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the Area Developer by repurchase or other means for the fair market value at the time of expiration of the Area Developer's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the Area Developer is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the Area Developer does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other Area Developers of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Area Developer from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - A. Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - B. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - C. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - D. The failure of the Area Developer or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Area Developer Agreement existing at the time of the proposed transfer.

- 8. A provision that requires the Area Developer to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Area Developer has breached the lawful provisions of the Area Developer Agreement and has failed to cure the breach in the manner provided in subdivision (c).
- 9. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the Area Developer unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor’s most recent financial statements are unaudited and show a net worth of less than \$100,000, Area Developer has the right to request an escrow arrangement.

**ADDENDUM TO THE i9 SPORTS, LLC
WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT, AREA DEVELOPER
AGREEMENT, AND RELATED AGREEMENTS**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the Area Developer Agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the Area Developer Agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the Area Developer Agreement or related agreements concerning your relationship with the franchisor. Area Developer Agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Area Developer Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the Area Developer Agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the Area Developer Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the Area Developer Agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the Area Developer Agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the Area Developer Agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the Area Developer Agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the Area Developer Agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the Area Developer Agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the Area Developer Agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the Area Developer Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the Area Developer Agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Initial Fee Deferral.** In lieu of an impound of franchise fees, we will not require or accept the payment of any initial franchise fees until you have (a) received all pre-opening and initial training obligations that you are entitled to under the Area Developer Agreement or Franchise Disclosure Document, and (b) are open for business.
