Fujisan Franchising Corp. will grant you a franchise to operate one Omari™ service kiosk (each, a “Kiosk”) serving Asian style sushi and related food products in a host location, such as a retail grocery outlet or college campus site, using a distinctive system. A Satellite Kiosk may only be operated in companionship with a Traditional or Reduced Operating Hours Kiosk. This includes \$19,168 to \$57,880 for a Traditional Kiosk, \$1,250 to \$7,850 for a Satellite Kiosk and \$13,168 to \$29,697 for a Reduced Operating Hours Kiosk that must be paid to the franchisor and/or its affiliate.

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibits C-1 and C-2.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the estimated initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit A includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Omari sushi kiosk in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What’s it like to be a Omari sushi franchisee?	Item 20 or Exhibits C-1 and C-2 lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in the disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchised business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisor to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider about *This Franchise*

Certain states require the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve almost all disputes with us by arbitration or litigation only in California. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate or litigate with us in California than in your own state.
2. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from us, from our affiliates, or from suppliers we designate at prices we or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for your financial obligations under the franchise agreement, even though your spouse has no ownership interest in the business. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see item 21), calls into question the franchisor's financial ability to provide services and support to you.
5. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY MICHIGAN LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of the franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

FUJISAN FRANCHISING CORP.

*Omari Sushi Franchise Disclosure Document – Multistate
March 2026*

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Michigan law provides that a franchisor whose most recent statements are unaudited and which show a net worth of less than \$100,000 shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee or subfranchisor until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow. In the event that an escrow is so established, the escrow agent shall be a financial institution authorized to do business in the State of Michigan. The escrow agent may release to the franchisor those amounts of the escrowed funds applicable to a specific franchisee or subfranchisor upon presentation of an affidavit executed by the franchisee and an affidavit executed by the franchisor stating that the franchisor has fulfilled its obligation to provide real estate, improvements, equipment, inventory, training, or other items. This portion of the Michigan law does not prohibit a partial release of escrowed funds upon receipt of affidavits of partial fulfillment of the franchisor's obligation.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

We are Fujisan Franchising Corp. We are a California corporation formed on June 14, 2016. Since we require our franchisees to be a corporation or a limited liability company with a minimum of 1 employee, “you” means the company that buys the franchise and each shareholder or member of that franchisee entity. Capitalized terms not defined in this Disclosure Document have the meaning described in the franchise agreement (the “Franchise Agreement” or “Agreement”) attached as Exhibit B to this Disclosure Document.

Our business address is 14420 Bloomfield Avenue, Santa Fe Springs, CA 90670. Our telephone number is (562) 404-2590. Exhibit E identifies our agents for service of process in various states.

We have offered franchises for Omari™ sushi Kiosks since 2024. Our franchisees will be required to purchase proprietary, branded and other products from us to maintain the quality essential to the Omari™ brand. We have offered and sold similar sushi kiosk franchises under the “FujiSan®” trademarks since 2016. We are currently running a pilot program offering franchises to certain existing FujiSan Asian Bar Kiosk franchisees to sell fresh-cut fruit, vegetables and related products from kiosks in a limited number of states under the “Fujisan Fresh Harvest™” trademarks. We have never offered any franchises in any other line of business. We anticipate converting some existing Fujisan® branded kiosks to the Omari™ brand.

We do not have any predecessors or parents. We have no affiliates which grant franchises in any line of business.

Our affiliate, Fuji Food Products, Inc. (“FFP”), was founded in 1990 and incorporated in California in 1998. FFP previously had kiosks which operated under concessions arrangements with various grocery outlets and food retailers and were managed by independent third parties under services agreements (collectively, “Contract Managers”), but has not offered these services agreements since approximately 2016. FFP also sells Asian style food products at wholesale to retailers under the “Okami” brand. FFP’s address is 14420 Bloomfield Ave., Santa Fe Springs, California, 90670. We will buy most, if not all, of the food products and other items/services that we sell to you from FFP. FFP often provides management and administrative support services to us.

We grant franchises for the operation of an Omari™ Kiosk located on premises owned, leased, operated and/or managed by a third party, and/or a party to a Third-Party Contract (a “Premises Host”) and specializing in producing, merchandising and selling sushi, appetizers, salads, soups, entrees and other Asian-style food and related items according to the System. A Premises Host may be a company conducting business as a retail grocery outlet, a food service provider at an institutional venue or another location manager and generally will have an agreement with us, an affiliate of ours or with a party with whom we have contracted to establish a Kiosk on their premises. You do not separately enter into any agreement with the Premises Host. We have the right, in our sole discretion, to designate the particular Premises Host for each kiosk location that we offer to you. We may exclude certain grocery chains and other host locations from any franchise offered to you and limit the particular host locations to, for example, one premises host with whom we have a particular business arrangement for a particular brand or System offered by us. We may also require that all of your Kiosks be located in stores owned by one particular Premises Host. We will provide details concerning these requirements prior to asking you to sign any franchise agreement or addendum with us.

Under our Franchise Agreement (attached as Exhibit B to this Disclosure Document) and a Location Addendum, you will be granted the right to operate one Kiosk at an initial location using the Omari™ System. The System includes the Marks, as well as Kiosk design and layout, operational procedures, recipes and product preparation techniques, certification programs, ingredient information and sources, trade secrets and copyrighted works, and confidential manuals, operations information and instructions, all of which can continue to develop and change over time. Your use of the Marks and System potentially can be limited by a Premises Host, which might require you to operate the Kiosk under a different name, for example, or may restrict use of in-store signage.

We offer different kinds of Kiosk locations – currently, these include, Traditional Kiosks (each a “Traditional Kiosk”), Reduced Operating Hours Kiosks (each a “Reduced Operating Hours Kiosk”) and ancillary Kiosks (each a “Satellite Kiosk”) but can change from time to time. The type of location that is being granted in each instance is identified on an addendum to the Franchise Agreement, and the kind of addendum we offer (if any) is up to us. If we choose to offer you the right to operate more than one Kiosk, each location will have its own addendum with terms that apply for the business operated there. You will sign the then current form of the applicable addendum, which we can change over time. Our current forms of location addenda are included as Schedules D-1, D-2 and D-3 to the Franchise Agreement.

A Traditional Kiosk is a facility that prepares select menu items on site and includes a customer service counter staffed by you and is generally operated each day the Premises Host is open for business.

A Satellite Kiosk is only available to an existing franchisee that is operating a Traditional or Reduced Operating Hours Kiosk. If you have a Satellite Kiosk, you use your Traditional or Reduced Operating Hours Kiosk to prepare the food products with which you stock the Satellite Kiosk, which must be done daily when the Premises Host is open for business. The Satellite Kiosk is a self-service operation, with customers making their product selections without any customer service assistance from you.

A Reduced Operating Hours Kiosk is a facility that prepares select menu items on site and includes a customer service counter staffed by you and is operated on a part-time basis each day during the year or on a full-time daily basis during part of the year and part-time daily basis during the remainder of the year, as required by the Premises Host and/or the Franchisor.

We can vary the types of Kiosks, operating and other criteria for the various Kiosks through the Manuals, and the Premises Host’s requirements also might mean you will have to deviate from these standards.

As with any retail food preparation operation, you must comply with local, state and federal regulations and laws governing health, safety, sanitation and food labeling. You also will be required to follow the Hazard Analysis and Critical Control Point program established by the U.S. Food and Drug Administration, and all other applicable government requirements, including food handling certification standards and regulations. Your Kiosk is subject to health and safety audits performed by state and local agencies and other public authorities and you must follow their instructions. You must also comply with employment laws covering matters like minimum wages, overtime, child labor and working conditions. Under California Labor Code §§1474-1477 (also known as AB 1228), national fast-food chains of more than 60 stores operating certain “limited service restaurants” under a common brand must comply with minimum hourly wage and other requirements, unless exempt under applicable law. You and your staff may be required to undergo background checks and drug testing, tuberculosis and other physical testing.

FUJISAN FRANCHISING CORP.

Sushi is now widely accepted and served year round from a broad range of establishments, ranging from high end sushi restaurants to quick service or satellite operations and which can be free standing or housed inside another facility, like a grocery store, or in a setting with a distinct and separate purpose, such as an airport or a university. The market for your products is developing in some markets and well-developed in others, and is highly fragmented. You will compete with local restaurants that offer sushi as a menu item, some of which may be national or regional chains or franchised locations, such as the Fujisan® branded sushi kiosk franchises we offer and sell, as well as other grocery stores, food service counters and competing food concepts. We or our affiliates also can operate Kiosks and other businesses trading in competitive products in locations near your Kiosk or in the general market area, and a Premises Host is not restricted from selling competitive products.

A fundamental requirement of your joining and remaining part of the Omari franchise community will be your commitment to the operation of your Franchised Business according to the Franchise Agreement, System standards/requirements, our Operations Manual, and our policies and procedures. You must at all times develop and operate your Franchised Business in compliance with the mandatory requirements of each of these, and we can change them over time. These mandatory requirements are established to maintain the goodwill, quality and consistency associated with the Omari brand and are important to your business and to our business. System standards do not include any employment policies.

You should understand that if you become an owner of an Omari franchisee, you will be an independent business owner and solely responsible for the day to day operations of that business, including the hiring, firing, scheduling, compensation and discipline of your own employees and all of the terms and conditions of their employment.

We currently offer existing Omari franchisees a \$250-\$500 inventory credit if they refer a candidate who becomes a franchisee for certain Kiosk Locations. Other conditions apply including, signing and opening deadlines as well as remaining in good standing. We can change this policy at any time. Franchisees who receive financial incentives for such referrals may be required to register as franchise brokers under applicable state laws. (See State Law Addenda at Section 44 of the Franchise Agreement.)

On October 18, 2019, we entered into an Assurance of Discontinuance (“AOD”) with the Washington Attorney General’s office (“AGO”). Under the AOD we agreed to permanently discontinue the use of and to no longer enforce “no-poach” language in our Fujisan franchise agreements which restrict the ability of franchisees to hire the employees from competing franchisees and from any locations owned and operated by us. We further agreed to notify the AGO of any efforts by a franchisee in Washington to enforce any existing “no-poach” provision, to proactively remove “no-poach” language from each Washington franchisee’s franchise agreement and to remove “no-poach” language from all other Fujisan franchisee’s agreements upon renewal.

Ya Ming Aung and Terrance Taylor v. Fujisan Franchising Corporation and Rogeih Meshreki, Case No. CL220000693-00 (Danville Circuit Court, Virginia), filed October 14, 2022.

Aung is a former Fujisan franchisee. Taylor, her husband, was an employee of the franchise. We cancelled the franchise agreement in August, 2022 for abandonment of the franchise business. Plaintiffs claim breach of contract, failure to remit monies due, failure to provide product, removal of equipment by Mr. Meshreki, and misrepresentation. Plaintiffs sought compensatory damages of \$150,000 and post-judgement interest and attorney’s fees. Counsel for Aung and Taylor withdrew from the case and the action was dismissed May 21, 2024.

Other than these two actions, no litigation is required to be disclosed in this Item.

FUJISAN FRANCHISING CORP.

ITEM 4 BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Initial Franchise Fee: You pay us a franchise fee to operate a Kiosk at an initial location identified in an addendum to your Franchise Agreement. The franchise fee is paid in a lump sum when you sign your franchise agreement. Unless pro-rated if we, at our option, grant you a term of less than 3-years, the franchise fee is \$3,750 for a Traditional Kiosk; the franchise fee for a Reduced Operating Hours Kiosk is \$1,000 and the franchise fee for a Satellite Kiosk is \$500. A Satellite Kiosk may only be operated in companionship with a Traditional or Reduced Operating Hours Kiosk.

If an existing Fujisan franchisee is offered and chooses to sign our OMARI™ Franchise Agreement for its existing Fujisan® Kiosk location, the Fujisan franchisee will sign the Conversion Addendum to the OMARI™ Franchise Agreement (Schedule F of the Franchise Agreement) and will not pay an initial franchise fee, Initial Certification Program Fee for the initial chef and Designated Owner, Background Investigation/Testing/Credit Check fee, Manual Loan Deposit, or costs of re-branding signage, uniforms, initial marketing materials, prior to opening as an OMARI™ Kiosk.

Limited Refund Requirements: The initial franchise fee is partially refundable in limited circumstances. If you are operating a single Kiosk location, are in good standing under your Franchise Agreement, and lose the right to operate it in the first 12 months of your Franchise Agreement through no fault of yours, you may be entitled to a refund. Any refund is a pro-rated portion of your initial franchise fee based on the number of months remaining before the first anniversary of the effective date (for example, if you paid a \$3,750 initial franchise fee, and the franchise agreement was effective January 1, 2016 and it was mutually terminated in this way on July 1, 2016, then you would receive ½ of your initial franchise fee as a refund). We require you to sign a general release as a condition to the refund.

Background Investigation and Credit Checks: We can require you to pay us a non-refundable candidate evaluation fee of up to \$300 per person to offset credit check costs, background investigation costs and similar expenses before you can be offered a franchise. The fee may vary depending on the location of your Kiosk and the information you provide to us. The fee payment does not obligate you or us to offer/accept a franchise or enter into a franchise relationship. We can adjust the amount of the candidate evaluation fee in the future, as well. The fee is nonrefundable.

Initial Certification/Training Fee: We typically conduct training online and at our North Carolina training facility (“Fuji-NC Facility”) or our California training facility (“Fuji-CA Facility”). Depending on timing before opening your Kiosk, course and space availability, travel restrictions and other factors, your training may be conducted at one or more of the following: our Fuji-NC Facility, our Fuji-CA Facility, on-site at your Omari™ Kiosk or at another site we designate.

We charge a non-refundable Initial Certification Fee of \$6,000 when you sign the Franchise Agreement for up to 2 participants to attend our Initial Certification Program. If more than 2 attendees participate, one or more additional instructors will be required and you will pay an additional fee of \$6,000 per additional instructor. We may reduce the duration of any certification program under circumstances we deem warranted, such as when the attendee has prior pertinent experience. If we reduce the duration of the Kiosk Certification, we typically charge a reduced rate of \$750 per day for the Kiosk Certification plus \$3,750 for the Owner Certification Program. You are required to pay

for any travel, lodging, meals, wages (as applicable) and other incidental costs you and any of your attendees incur while attending any of our training/certification programs.

Manual Deposit: You must pay us a Manual Loan Deposit of \$300 per Traditional or Reduced Operating Hours Kiosk. The deposit is refundable on return of the loaned Manual to us, and/or if your electronic access to the Manual is discontinued.

Initial Inventory Purchases: You will be required to purchase from us an initial inventory of food and equipment, including signage and grand opening and initial marketing materials, products, uniforms and supplies that we consider necessary for you to begin operations. We estimate that it will be in the range of \$11,368 to \$47,230 for a Traditional Kiosk, \$8,118 to \$21,797 for a Reduced Operating Hours Kiosk and \$750 to \$7,350 for a Satellite Kiosk, but cannot assure you that you will not spend more. We will invoice you for the dollar amount of the initial inventory, which is non-refundable and due to us on demand and according to the invoice terms. Amounts due for Freight Charges are not included in the estimated ranges.

We are not required to offer you more than one Omari Kiosk location addendum. But if we choose to offer you more than one, all “Initial Fees”, “Other Fees” and required purchases will apply to each location.

**Notes to Chart on Other Fees
For an Omari™ Franchise**

Note 1: Unless otherwise noted, all fees are nonrefundable and payable to us on demand and/or we can deduct them from amounts we owe you. Except as indicated in the table or notes, the fees are uniform. There may be instances in which we have varied, or will vary, the terms on which we offer franchises to suit the circumstances of a particular transaction, to the extent lawful. We can choose to waive and/or credit, reduce or defer payment of any and all fees and charges of any kind in connection with a franchise on a case-by-case basis, as we consider appropriate and as permitted by law. Conversion franchisees may have more favorable fee structures than other franchisees. We do not currently offer franchisees a food protection manager certification program or any background services/health/drug testing services. If we choose to implement them at a future date, we can charge a fee for those services and possibly require their purchase from us or an affiliate.

Note 2: You and any specified personnel must undergo drug, TB and other physical testing and/or criminal background checks at your expense if we or the Premises Host require it, and if allowed by law. You authorize the results to be shared with us and the Premises Host. If you fail any test or check, then we can terminate your franchise agreement and any Addendum without liability or refund.

Note 3: "Gross Revenues" means all amounts you or the Premises Host receive from the sale of Products and Services, whether approved or otherwise, or made under the Marks, less customer

refunds, credits and sales taxes paid by you or the Premises Host. Generally, the Premises Host collects your Gross Revenues. After the Premises Host deducts its share (the “Premises Host Share”), we deduct our share (the “Franchisor Share”) from your Gross Revenues. “Wholesale Gross Revenues” means amounts received from Products and Services prepared and provided by Franchisee, whether approved or otherwise, at established Wholesale Prices, to the Premises Host and sold at retail. Wholesale Prices for the Location are negotiated and established according to the Third-Party Contract, subject to change from time to time. Generally, the Premises Host collects the Wholesale Gross Revenues which is usually the difference between the retail price and Wholesale Price. After the Premises Host deducts its share (the “Premises Host Share”), we deduct our share (the “Franchisor Share”) from your Wholesale Gross Revenues. We pay you your portion of your Gross Revenues and/or Wholesale Gross Revenues, as applicable, (less any other amounts payable to us or our associates) on a calendar month basis. When you sign your addendum for a Kiosk location it will describe the percentage of Gross Revenues and/or Wholesale Gross Revenues that is due you (the “Franchisee Share”), less deductions for inventory purchases or other amounts you owe to us. For example, the Gross Revenues and/or Wholesale Gross Revenues you generate in June would be used to reconcile amounts owed to the Premises Host and to us, and then we would pay you your share in July. The ranges shown above may vary depending on various economic factors, including, distribution constraints or market disruption, among other forces. A Premises Host occasionally may require an adjustment to Gross Revenues, Wholesale Gross Revenues share portions and/or Wholesale Price. In that case, we will inform you of the adjusted shares requirement and offer you a revised share. If you accept within 30 days, the applicable Kiosk Addendum will be amended to reflect your adjusted share. If you decline, the Addendum is mutually cancelled at the end of the 30 day period. You can request a substitute Kiosk location. We will try to accommodate your request, but cannot guarantee an alternative Kiosk location will be identified or that it will be comparable. We also have the right to implement an alternative compensation process, including the right to require that you collect customer payments and pay us a percentage royalty based on your Gross Revenues and/or Wholesale Gross Revenues. This type of change would result in your share being approximately the same as the amount/percentage originally stated in your Kiosk Addendum.

Note 4: These fees are subject to annual inflation adjustment in proportion to the changes in the Consumer Price Index (U.S. Average, all items) maintained by the U.S. Department of Labor.

Note 5: We have product sampling and in-store promotions policies that we publish in our Manuals. You are required to meet mandatory policies at your expense and to participate in promotions. You may be required to purchase related products and promotional materials from us or our affiliates.

Note 6: All franchisees currently pay a uniform Technology Fee of \$51 per month (per Kiosk), for ongoing tablet technology support. This fee is subject to change. Currently, Kiosks located on the premises of a certain Premises Host pay an additional Technology Fee of \$58 per month, which is imposed by the Premises Host.

**Notes to Chart on Your Estimated Initial Investment
For an Omari Traditional Kiosk Location**

Note 1: These estimates are for 1 Traditional Kiosk in a Premises Host location. If an existing Fujisan franchisee is offered and chooses to sign our OMARI™ Franchise Agreement for its existing Fujisan® Kiosk location, the Fujisan franchisee will sign the Conversion Addendum to the OMARI™ Franchise Agreement (Schedule F of the Franchise Agreement) and will not pay an initial franchise fee, Initial Certification Program Fee for the initial chef and Designated Owner, Background Investigation/Testing/Credit Check fee, Manual Loan Deposit, or costs of re-branding signage, uniforms, initial marketing materials, prior to opening as an OMARI™ Kiosk.

Note 2: This table provides certain estimated costs related to pre-opening expenses for a Traditional Kiosk and certain costs you can anticipate to occur during the first 3 months of the Kiosk's operations. We used our experience with franchisees to make these estimates. These are only estimates. We may extend credit for certain expenses involved in starting a Kiosk business, like opening inventory, small wares/equipment, uniforms, marketing expenses and costs of licenses and permits. We also might finance some of your opening expenses, like certification program fees. See Item 10 for details regarding financing.

Note 3: As of the date of this Disclosure Document, we have training facilities in North Carolina ("Fuji-NC Facility") and California ("Fuji-CA Facility") and conduct a portion of the training online. Depending on course and space availability, timing before opening, travel restrictions and other factors, you will receive your training at one or more of the following: the Fuji-NC Facility, the Fuji-CA Facility, on-site at your Kiosk or at another site we designate.

We charge a non-refundable Initial Certification Fee of \$6,000 when you sign the Franchise Agreement for 1 to 2 participants to attend our Initial Certification Program. Typically, our Initial Certification Program involves 2 days of online training, a 1 - 3 day Kiosk Certification Program and a 5 day Owner Certification Program. If more than 2 attendees participate, one or more additional instructors will be required and you will pay an additional fee of \$6,000 per additional instructor. We may reduce the duration of any certification program under circumstances we deem warranted, such as when the attendee has prior pertinent experience. If we reduce the duration of the Kiosk

FUJISAN FRANCHISING CORP.

Certification, we typically charge a reduced rate of \$750 per day for the Kiosk Certification plus \$3,750 for the Owner Certification Program.

You also must pay for any travel, lodging, meals, wages (as applicable) and other incidental costs you and any other of your attendees incur while attending the Initial Certification Program and/or any of our other instructional programs they attend. The figures provided range from \$940 to \$3,175 for lodging, airfare, meals and fuel costs related to local and non-local candidates attending our program.

Note 4: Please see Item 5 for additional information regarding the Background Investigation and Credit Check fees. The fees may vary depending on the location of your Kiosk and local requirements and the information you provide to us. The high-end figure assumes evaluations for 2 individuals.

Note 5: Low end is for no testing or criminal background check. High end is for TB testing, drug testing, and criminal background check for 1 person. Drug/TB testing services are currently offered by a third-party vendor, we do not currently offer any drug testing services but may do so in the future.

Note 6: This is for the purchase of rice cookers, tables, racks, trays, knives, utensils, storage containers, sampler kit, delivery containers, tablet, stylus, label printer, rice sheeter, kitchen log and handbook and related items. Low end vs. high end depends on the quantity of each item purchased. Refer to Item 10 for information regarding possible financing of this expense.

Note 7: This is for food protection manager testing and certification per person. This certificate must be obtained through a 3rd party approved source as required under applicable law.

Note 8: This is for the initial fee, which you pay in cashier's check or wire transfer on signing your franchise agreement. Please see Item 5 for additional information regarding initial franchise fees.

Note 9: This is the estimated insurance premium for one year. Premium costs depend on sales and size of operation, carrier selected and other factors. You must give us proof of required insurance before your Kiosk can begin operation, and then must give us complete copies of each policy within 21 days after that. All policies must name us, our Affiliates, certain related persons and the Premises Host as additional insureds via an endorsement; contain waivers of subrogation endorsement; and give notices to us. If you fail to purchase, maintain or provide proof of insurance and copies of policies, then we can buy that insurance on your behalf and charge you an administrative fee. The administrative fee is currently \$200, but is subject to change. We are not obligated to do this, but if we do, you reimburse us for the premiums and administrative fee. We can offset any unpaid premiums against any amount we owe you. We may, from time to time, modify the types and/or limits of required insurance policies, and you are required to comply with any new requirements. We do not guarantee that our minimum insurance requirements will be adequate coverage for your business; you are advised to consult a qualified insurance broker to discuss your insurance needs.

Commercial General:	not less than \$2,000,000 per occurrence and \$4,000,000 aggregate and a deductible of no more than \$1,000;
Worker's Compensation:	statutory amounts required by the states;
Employer's Liability:	limits of \$1,000,000 per occurrence;

Unemployment:	covering your employees (as required by state law);
Property:	covering the Kiosk(s) for perils (flood and earthquake coverage is recommended, but not required at this time);
Business Income:	to insure profits and business expenses for 1 year in the event of perils including flood and earthquake;
State Disability	covering your employees (as required by state law);
Auto liability	at least \$1,000,000 per occurrence of bodily injury and property damage combined for autos you own, lease, hire or borrow; and
Employment Practices Liability	for franchisees with multiple locations only at this time

Note 10: The addendum you sign for your Kiosk location will describe the Gross Revenues and/or Wholesale Gross Revenues percentage applicable to your Kiosk location (“Franchisee Share”), less deductions for kiosk placement, additional inventory purchases or other amounts you owe to us and the Premises Host. These rates vary depending on the Kiosk addendum you sign and the specific Premises Host negotiations. Also, various economic factors, including, distribution constraints or market disruption, among other forces, can result in a variance in these ranges. We cannot estimate the dollar amount the Premises Host Share represents because it is a percentage of revenues and we cannot project your revenues at a Kiosk. The Premises Host commonly develops and builds out the Kiosk before you occupy it and there generally is no separate charge to you associated with the facility layout or build out. You typically will not pay a traditional ‘rent’ or “occupancy” fee directly to the Premises Host, instead, part of the expenses deducted by the Premises Host relate to the placement and use of your kiosk at that Host location, as provided in the contract between us and the Premises Host. Refer to Item 6 for more information on Gross Revenue sharing.

Note 11: Costs vary by city, county, and state. You must obtain all licenses, permits and approvals needed before you begin operating. If we or an affiliate obtain them on your behalf, then you reimburse us the related costs. The above range also includes an estimate of costs in forming a kind of Business Entity to conduct your Kiosk business and in filing a fictitious business name, if required. Professional fees, like legal or accounting fees, are not included in this range, but would be additional expenses and would vary significantly depending on the firms engaged to perform the services and on your particular ownership circumstances.

Note 12: Before you begin operating your Kiosk, we can choose to stock your Kiosk with the opening food inventory, but we are not obligated to do so (see Item 11 regarding our pre-opening obligations). The range is based primarily on the menu that the Premises Host approves for the Kiosk. You pay us for the opening inventory/supplies we deliver. See Item 8 for additional information regarding food products. Refer to Item 10 for information regarding possible financing of this expense.

Note 13: This fee is refundable when you return the Operations Manual upon the termination or expiration of the Franchise Agreement.

Note 14: We recommend that you consult with independent professional advisors like a lawyer and CPA concerning the operation of your Kiosk.

Note 15: Low end is when a Grand Opening Kit and/or the purchase of any signs, banners, or point of sale décor is not required, or if the Premises Host provides them for you or won't permit you to display them. High end is for the full range of signs, banners, and point of sale décor. You must keep the appearance of your Kiosk consistent with our required quality and trademark standards, our Manual and the Premises Host rules. We can notify you if your Kiosk's appearance, signs or decor does not meet our standards, and can require you to correct any deficiency.

Note 16: You must have additional funds available to pay employee wages, supplies, taxes, administrative and other operational costs that may arise in the first three months of operation. These "Additional Funds" amounts do not take into consideration any of your personal living expenses or other expenses, such as finance charges, interest or debt service obligations, sales and/or use taxes on goods and services, income taxes, and a variety of other amounts not described above. These expenses may be offset by any revenue you earn during the same period. The estimates include compensation for 1 part time employee on the low end of the range and 3 full time employees at the top end of the range, at \$16/hour. Your costs will vary depending on applicable law, your chosen compensation program, the number of employees you hire and the schedules you set for them. We used our affiliate's 13 years of experience with Kiosks in Premises Host locations and the experience of our franchisees to formulate our estimates.

Note 17: The total range listed in the above chart does not include compensation for your time or labor and other material costs or any sort of owner's draw. The estimates presented relate only to certain costs associated with the franchised business and do not cover any personal, "living" expenses or certain other business expenses you may have, such as the share of Gross Revenues or Wholesale Gross Revenues retained by us or your Premises Host, debt service on any loans or financing arrangements, tax expenses and a variety of other amounts not described in the above charts. You should also note that the 3-month period from beginning business used for purposes of the above chart does not mean that you will have reached "break-even", "positive cash flow", or any other particular financial position within that timeframe or afterwards. We do not know when your Kiosk will generate a positive cash flow, if at all. You should check with your financial and other advisors.

Note 1: These estimates are for 1 Reduced Operating Hours Kiosk in a Premises Host location. If an existing Fujisan franchisee is offered and chooses to sign our OMARI™ Franchise Agreement for its existing Fujisan® Kiosk location, the Fujisan franchisee will sign the Conversion Addendum to the OMARI™ Franchise Agreement (Schedule F of the Franchise Agreement) and will not pay an initial franchise fee, Initial Certification Program Fee for the initial chef and Designated Owner, Background Investigation/Testing/Credit Check fee, Manual Loan Deposit, or costs of re-branding signage, uniforms, initial marketing materials, prior to opening as an OMARI™ Kiosk.

Note 2: This table provides certain estimated costs related to pre-opening expenses for a Reduced Operating Hours Kiosk and certain costs you can anticipate to occur during the first 3 months of the Kiosk's operations. We used our experience with franchisees to make these estimates. These are only estimates. We may extend credit for certain expenses involved in starting a Kiosk business, like opening inventory, small wares/equipment, uniforms, marketing expenses and costs of licenses and permits. We also might finance some of your opening expenses, like certification program fees. See Item 10 for details regarding financing.

Note 3: As of the date of this Disclosure Document, we have training facilities in North Carolina ("Fuji-NC Facility") and California ("Fuji-CA Facility") and conduct a portion of the training online. Depending on course and space availability, timing before opening, travel restrictions and other factors, you will receive your training at one or more of the following: the Fuji-NC Facility, the Fuji-CA Facility, on-site at your Kiosk or at another site we designate.

We charge a non-refundable Initial Certification Fee of \$6,000 when you sign the Franchise Agreement for 1 to 2 participants to attend our Initial Certification Program. Typically, our Initial Certification Program involves 2 days of online training, a 1 - 3 day Kiosk Certification Program and a 5 day Owner Certification Program. If more than 2 attendees participate, one or more additional instructors will be required and you will pay an additional fee of \$6,000 per additional instructor. We may reduce the duration of any certification program under circumstances we deem warranted, such as when the attendee has prior pertinent experience. If we reduce the duration of the Kiosk Certification, we typically charge a reduced rate of \$750 per day for the Kiosk Certification plus \$3,750 for the Owner Certification Program.

You also must pay for any travel, lodging, meals, wages (as applicable) and other incidental costs you and any other of your attendees incur while attending the Initial Certification Program and/or any

of our other instructional programs they attend. The figures provided range from \$940 to \$3,175 for lodging, airfare, meals and fuel costs related to local and non-local candidates attending our program.

Note 4: Please see Item 5 for additional information regarding the Background Investigation and Credit Check fees. The fees may vary depending on the location of your Kiosk and local requirements and the information you provide to us. The high-end figure assumes evaluations for 2 individuals.

Note 5: Low end is for no testing or criminal background check. High end is for TB testing, drug testing, and criminal background check for 1 person. Drug/TB testing services are currently offered by a third-party vendor, we do not currently offer any drug testing services but may do so in the future.

Note 6: This is for the purchase of rice cookers, tables, racks, trays, knives, utensils, storage containers, sampler kit, delivery containers, tablet, stylus, label printer, kitchen log and handbook and related items. Low end vs. high end depends on the quantity of each item purchased. Refer to Item 10 for information regarding possible financing of this expense.

Note 7: This is for food protection manager testing and certification per person. This certificate must be obtained through a 3rd party approved source as required under applicable law.

Note 8: This is for the initial fee, which you pay in cashier's check or wire transfer on signing your franchise agreement. Please see Item 5 for additional information regarding initial franchise fees.

Note 9: This is the estimated insurance premium for one year. Premium costs depend on sales and size of operation, carrier selected and other factors. You must give us proof of required insurance before your Kiosk can begin operation, and then must give us complete copies of each policy within 21 days after that. All policies must name us, our Affiliates, certain related persons and the Premises Host as additional insureds via an endorsement; contain waivers of subrogation endorsement; and give notices to us. If you fail to purchase, maintain or provide proof of insurance and copies of policies, then we can buy that insurance on your behalf and charge you an administrative fee. The administrative fee is currently \$200, but is subject to change. We are not obligated to do this, but if we do, you reimburse us for the premiums and administrative fee. We can offset any unpaid premiums against any amount we owe you. We may, from time to time, modify the types and/or limits of required insurance policies, and you are required to comply with any new requirements. We do not guarantee that our minimum insurance requirements will be adequate coverage for your business; you are advised to consult a qualified insurance broker to discuss your insurance needs.

Commercial General:	not less than \$2,000,000 per occurrence and \$4,000,000 aggregate and a deductible of no more than \$1,000;
Worker's Compensation:	statutory amounts required by the states;
Employer's Liability:	limits of \$1,000,000 per occurrence;
Unemployment:	covering your employees (as required by state law);
Property:	covering the Kiosk(s) for perils (flood and earthquake coverage is recommended, but not required at this time);

Business Income:	to insure profits and business expenses for 1 year in the event of perils including flood and earthquake;
State Disability	covering your employees (as required by state law);
Auto liability	at least \$1,000,000 per occurrence of bodily injury and property damage combined for autos you own, lease, hire or borrow; and
Employment Practices Liability	for franchisees with multiple locations only at this time

Note 10: The addendum you sign for your Kiosk location will describe the Gross Revenues and/or Wholesale Gross Revenues percentage applicable to which your Kiosk location (“Franchisee Share”), less deductions for kiosk placement, additional inventory purchases or other amounts you owe to us and the Premises Host. These rates vary and could be higher or lower depending on the Kiosk addendum you sign and the specific Premises Host negotiations. Also, various economic factors, including, distribution constraints or market disruption, among other forces, can result in a variance in these ranges. We cannot estimate the dollar amount the Premises Host Share represents because it is a percentage of revenues and we cannot project your revenues at a Kiosk. The Premises Host commonly develops and builds out the Kiosk before you occupy it and there generally is no separate charge to you associated with the facility layout or build out. You typically will not pay a traditional ‘rent’ or “occupancy’ fee directly to the Premises Host, instead, part of the expenses deducted by the Premises Host relate to the placement and use of your kiosk at that Host location, as provided in the contract between us and the Premises Host. Refer to Item 6 for more information on Gross Revenue sharing.

Note 11: Costs vary by city, county, and state. You must obtain all licenses, permits and approvals needed before you begin operating. If we or an affiliate obtain them on your behalf, then you reimburse us the related costs. The above range also includes an estimate of costs in forming a kind of Business Entity to conduct your Kiosk business and in filing a fictitious business name, if required. Professional fees, like legal or accounting fees, are not included in this range, but would be additional expenses and would vary significantly depending on the firms engaged to perform the services and on your particular ownership circumstances.

Note 12: Before you begin operating your Kiosk, we can choose to stock your Kiosk with the opening food inventory, but we are not obligated to do so (see Item 11 regarding our pre-opening obligations). The range is based primarily on the menu that the Premises Host approves for the Kiosk. You pay us for the opening inventory/supplies we deliver. See Item 8 for additional information regarding food products. Refer to Item 10 for information regarding possible financing of this expense.

Note 13: This fee is refundable when you return the Operations Manual upon the termination or expiration of the Franchise Agreement.

Note 14: We recommend that you consult with independent professional advisors like a lawyer and CPA concerning the operation of your Kiosk.

Note 15: Low end is when a Grand Opening Kit and/or the purchase of any signs, banners, or point of sale décor is not required, or if the Premises Host provides them for you or won’t permit you to display them. High end is for the full range of signs, banners, and point of sale décor. You must keep the appearance of your Kiosk consistent with our required quality and trademark standards,

our Manual and the Premises Host rules. We can notify you if your Kiosk's appearance, signs or decor does not meet our standards, and can require you to correct any deficiency.

Note 16: You must have additional funds available to pay employee wages, supplies, taxes, administrative and other operational costs that may arise in the first three months of operation. These "Additional Funds" amounts do not take into consideration any of your personal living expenses or other expenses, such as finance charges, interest or debt service obligations, sales and/or use taxes on goods and services, income taxes, and a variety of other amounts not described above. These expenses may be offset by any revenue you earn during the same period. The estimates include compensation for 1 part time employee on the low end of the range and 1 full time employee at the top end of the range, at \$16/hour. Your costs will vary depending on applicable law, your chosen compensation program, the number of employees you hire and the schedules you set for them. We used our affiliate's 13 years of experience with Kiosks in Premises Host locations and the experience of our franchisees to formulate our estimates.

Note 17: The total range listed in the above chart does not include compensation for your time or labor and other material costs or any sort of owner's draw. The estimates presented relate only to certain costs associated with the franchised business and do not cover any personal, "living" expenses or certain other business expenses you may have, such as the share of Gross Revenues or Wholesale Gross Revenues retained by us or your Premises Host, debt service on any loans or financing arrangements, tax expenses and a variety of other amounts not described in the above charts. You should also note that the 3-month period from beginning business used for purposes of the above chart does not mean that you will have reached "break-even", "positive cash flow", or any other particular financial position within that timeframe or afterwards. We do not know when your Kiosk will generate a positive cash flow, if at all. You should check with your financial and other advisors.

**Notes to Chart on Your Estimated Initial Investment
For an Omari™ Satellite Kiosk Location**

Note 1: These estimates are for 1 Satellite Kiosk in a Premises Host location. We may give you an addendum for a Satellite Kiosk, but only if you already have an existing Traditional or Reduced Operating Hours Kiosk location. We may extend credit for certain expenses involved in starting a Kiosk business, like opening inventory, small wares/equipment, uniforms, marketing expenses and costs of licenses and permits. We also might finance some of your opening expenses, like certification program fees. See Item 10 for details regarding financing. If an existing Fujisan franchisee is offered and chooses to sign our OMARI™ Franchise Agreement for its existing Fujisan® Kiosk location, the Fujisan franchisee will sign the Conversion Addendum to the OMARI™ Franchise Agreement (Schedule F of the Franchise Agreement) and will not pay an initial franchise fee, Initial Certification Program Fee for the initial chef and Designated Owner, Background Investigation/Testing/Credit Check fee, Manual Loan Deposit, or costs of re-branding signage, uniforms, initial marketing materials, prior to opening as an OMARI™ Kiosk.

Note 2: This table provides certain estimated costs related to pre-opening expenses for a Satellite Kiosk and certain costs you can anticipate occurring during the first 3 months of the Kiosk's operations. We used our experience with franchisees to make these estimates. These are only estimates.

Note 3: You will use the tablet and stylus for product ordering and the label printer for printing product labels. You will use coolers and ice packs to transport your food products to your Satellite Kiosk location. The Sample Kit will be used to sample at the Satellite Kiosk location. Low end is if you already have the necessary equipment. High end is to purchase all necessary coolers and ice packs.

Note 4: This is the estimated insurance premium for one year at your Satellite Kiosk location. Refer to Note 9 of the previous chart for current coverage specifics. Premium costs depend on sales and size of operation, carrier selected and other factors. You must give us proof of required insurance before your Kiosk can begin operation, and then must give us complete copies of each policy within 21 days after that. All policies must name us, our Affiliates, certain related persons and the Premises Host as additional insureds via an endorsement; contain waivers of subrogation endorsement; and give notices to us. If you fail to purchase, maintain or provide proof of insurance and copies of policies, then we can buy that insurance on your behalf and charge you an administrative fee. The administrative fee is currently \$200, but is subject to change. We are not obligated to do this, but if we do, you grant us the authority, and you pay us for the insurance premiums. We can offset any unpaid premiums against any Gross Revenues or Wholesale Gross Revenues due you. Our insurance requirements for a Satellite Kiosk location are the same as for a Traditional or Reduced Operating Hours Kiosk location. We may, from time to time, modify the types and/or limits of required insurance policies, and you are required to comply with any new requirements. We do not guarantee that our minimum insurance requirements will be adequate coverage for your business; you are advised to consult a qualified insurance broker to discuss your insurance needs.

Auto liability	at least \$1,000,000 per occurrence of bodily injury and property damage combined for autos you own, lease, hire or borrow; and
Employment Practices Liability	for franchisees with multiple locations only at this time

Note 5: Costs vary by city, county, and state. You must obtain all licenses, permits and approvals needed to conduct business lawfully at your Kiosk before you begin operating. If we or an affiliate obtain them on your behalf, then you reimburse us the related costs.

Note 6: Food inventory will be delivered to your Traditional or Reduced Operating Hours Kiosk for preparation there.

Note 7: Low end is if you already have the signs, banners, or point of sale décor as currently-approved by us, or if the Premises Host provides them for you or won't permit you to display them. High end is for a full display. You must keep the appearance of your Kiosk consistent with our required quality or trademark standards, our Manual and the Premises Host rules. We can notify you if your Kiosk's appearance does not meet our standards and can require you to correct any deficiency.

Note 8: This fee is refundable when you return the Operations Manual upon the termination or expiration of the Franchise Agreement.

Note 9: The addendum you sign for your Kiosk location will describe the Gross Revenues and/or Wholesale Gross Revenues percentage applicable to your Kiosk location ("Franchisee Share"), less deductions for kiosk placement, additional inventory purchases or other amounts you owe to us and the Premises Host. These rates vary and could be higher or lower depending on Kiosk addendum you sign and the specific Premises Host negotiations. Also, various economic factors, including, distribution constraints or market disruption, among other forces, can result in a variance in these ranges. We cannot estimate the dollar amount the Premises Host Share represents because it is a percentage of revenues and we cannot project your revenues at a Kiosk. The Premises Host commonly develops and builds out the Kiosk before you occupy it and there generally is no separate charge to you associated with the facility layout or build out. Refer to Item 6 for more information on Gross Revenue sharing.

Note 10: You must have additional funds available to pay employee wages, supplies, taxes, gasoline for product delivery, administrative and other operational costs that may arise in the first three months of operation of your Satellite Kiosk location. These Additional Funds amounts do not take into consideration any of your personal living expenses or other expenses, such as finance charges, interest or debt service obligations, sales and/or use taxes on goods and services, income taxes, and a variety of other amounts not described above. These expenses may be offset by any revenue you earn during the same period.

We used our affiliate's 13 years of experience with Kiosks in Premises Host locations and the experience of our franchisees to formulate our estimates.

Note 11: There could be other factors not listed that may affect your initial investment. You should check with your financial and other advisors. The total range listed in the above chart also does not include compensation for your time or labor and other material costs or any sort of owner's draw or certain other business expenses you may have, such as the share of Gross Revenues or Wholesale Gross Revenues retained by us or your Premises Host, debt service on any loans or financing arrangements, tax expenses and a variety of other amounts not described in the above charts. Additionally, our estimates assume that you already have a vehicle capable of delivering to the

Satellite Kiosk location the product you prepare at the Traditional or Reduced Operating Hours Kiosk for delivery to that site. You should also note that the 3-month period from beginning business used for purposes of the above chart does not mean that you will have reached "break-even", "positive cash flow", or any other particular financial position within that timeframe or afterwards. We do not know when your Kiosk will generate a positive cash flow, if at all. You should check with your financial and other advisors.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must offer only Products and Services at your Kiosk that we and the Premises Host authorize. We can require you to buy these and other goods and services that we designate only from us, our affiliates or from suppliers we choose. If we set standards and any specifications or requirements for any Products and Services or suppliers then you can only use/offer suppliers, Products and/or Services that meet those requirements. We may reconsider our approval of any goods, services or suppliers. We will notify you if we revoke an approval, and you must stop purchasing disapproved goods or services and must not make purchases from a disapproved supplier. Any negotiated volume discount may not be available to franchisees located in markets that a particular supplier does not serve or does not serve in sufficient volume. Presently, there are no purchasing or distribution cooperatives that you must join.

We and our franchisees have a substantial interest in having consistent quality Products and Services associated with the Omari Kiosk Marks and System. Additionally, the ingredient statements and nutritional facts with which our approved products are labeled are based upon the food products, sauces, and spices used and/or produced by us according to proprietary recipes. These are some of the reasons that we currently are the only approved supplier for core products you are required to purchase for your Franchised Business, currently including rice, vinegar, pre-packaged food products and condiments, seafood products, branded items, labels, sauces and sushi trays. You can request our approval of another supplier that you source locally, but the products you want to purchase from them must meet our standards and specifications, as noted above.

You will have an opportunity to review our current product/service price list before you sign the Franchise Agreement, but prices and products/services are subject to change. We can require that you sign our then current form non-disclosure agreement. We purchase almost all of the products we sell to you from our affiliate, Fuji Food Products (FFP). FFP will make a profit on items we purchase from them for resale to you. We anticipate their mark up on sales to us will be approximately 33% - 45%, which mark-up we pass down on resale to you, unless we determine additional amounts are needed to cover market fluctuations or other circumstances. We, our associates and approved suppliers may use discretion in allocating Products or Services, especially if there are shortages, interruptions or delays. No other affiliate of ours supplies Products and Services that are purchased by our franchisees.

We are a supplier of Products and Services we can require you to buy before you begin service at your Kiosk, including a credit and background check, our certification program, initial inventory of food and equipment, and signs and other point of sale materials. You pay us a fee for all of these Products and Services. A Manuals deposit also is required, but is refundable if you return the Manuals when the Franchise Agreement is over. You also can be required where it is lawful to undergo drug testing, other physical testing and/or a background investigation. Currently, you pay us \$200 for any background investigation required after the Franchise Agreement is signed. (Refer to Items 5 and 6 for additional information on these costs.)

FUJISAN FRANCHISING CORP.

*Omari Sushi Franchise Disclosure Document – Multistate
March 2026*

You are required to purchase tablet technology support services from a designated vendor that is unaffiliated with us. We may change vendors or discontinue this requirement, and the fees may change. We collect these fees on behalf of the vendor without marking up the price, but we reserve the right to do so in the future.

Typically, you will have to locate your Kiosk in a grocery store or other Premises Host's facility according to agreements that we or our affiliate have with the Premises Host. We and/or our affiliate and the Premises Host keep a portion of the revenues you generate with your Kiosk. (Refer to Item 6 for additional information on revenue sharing).

Occasionally, we may provide you a list of approved or designated suppliers and distributors for certain products and/or services for use or sale at your Kiosk. Currently, we have a list of approved suppliers for some equipment. If you would like us to consider an alternative or additional supplier, product or service, you pay us a \$500 internal processing fee and also pay any costs we incur in the evaluation. We can approve or disapprove as we see fit and are not required to make available to prospective suppliers, standards and specifications that are confidential and/or proprietary to us or any other affiliate of ours. In evaluating suppliers, we will consider a variety of factors, which can include whether the supplier is able to supply the products or services according to our standards, is able to produce and deliver products timely and with good quality service, is financially stable, offers appropriate sales terms and meets other applicable criteria. We will tell you our decision within about 60 days of your written request.

You must obtain and maintain insurance coverage meeting our specifications and through carriers satisfactory to us. Current requirements include commercial general liability (\$2,000,000 per occurrence and \$4,000,000 aggregate and a deductible of no more than \$1,000), worker's compensation (as required by state law), employer's liability (\$1,000,000 per occurrence), unemployment insurance, property insurance, business income insurance, state disability insurance (as required by state law), automobile insurance (\$1,000,000 per occurrence for owned, leased, hired or borrowed automobiles), and Employment Practices Liability Insurance (for franchisees with multiple kiosks).

We and our affiliates can receive discounts, volume rebates, administration fees, commissions, advertising allowances or other advantages that we can obtain from suppliers. We do not currently have arrangements to earn money from your purchases or leases from unrelated suppliers, but we could make these arrangements in the future. Additionally, we and/or our affiliates have the right to be an approved supplier, exclusive or otherwise, and to earn a profit on any Products or Services sold to you. We do not currently markup items/services we sell you, but reserve the right to do so. Any affiliate will make a profit on items we purchase from them for resale to you, as noted above.

For the fiscal year ended December 31, 2025, our revenues from franchisees' purchases or leases of products/services from us were \$68,451,608, or 23.6% of our total revenues of \$290,614,489.

Our Directors, Mr. Meruelo, Mr. Armona and Ms. Christy, and our Secretary, Mr. Tapanes, have an ownership interest in us and our affiliate, FFP.

Unless you receive a specific written warranty for a particular item or service, all items we or an affiliate sell are provided "as is" and without any warranties, express or implied. You have to follow our policies and procedures about our or our affiliate's product shipments.

We do not provide you with any material benefit, such as the grant of an additional franchise or a renewal franchise, based on your use of or purchases from approved suppliers.

Assuming that the estimated minimum initial costs to begin operations and other financial obligations are within the ranges described in Item 7, we estimate that your required purchases and leases will represent approximately 95% of all purchases and leases you make in the establishment and opening of your Kiosk. We also estimate that the required purchases and leases you make on an ongoing basis will represent approximately 95% of all purchases and leases you make in operating the business on an ongoing basis.

ITEM 10. FINANCING

We expect that we sometimes will sell Products and Services on an open account basis to certain franchisees and payment generally will be due within 30 days of purchase, although we can vary terms. We can deduct these purchases from your share of Gross Revenues or Wholesale Gross Revenues. We also may extend financing to franchisees to which our accounting department decides to extend credit for certain expenses involved in starting a Kiosk business, like opening inventory, small wares/equipment and costs of licenses and permits, and various other costs (refer to the chart below). We also might finance some of your opening expenses, like certification program fees. You cannot rely on our financing and will need to discuss it with us on a case by case basis. We deduct your monthly payment(s) to us from your share of Gross Revenues or Wholesale Gross Revenues. If your share of Gross Revenues or Wholesale Gross Revenues is less than the amount you owe us for a particular month, we may finance the shortfall. We will make deductions from your share of Gross Revenues or Wholesale Gross Revenues in the following months according to the credit terms and until the balance is paid. The chart below represents terms that we expect will apply, but the amounts financed and the time period for repayment may vary. We and our affiliates

do not offer other direct or indirect financing or sell any debt to a third party. We and our affiliates do not guarantee any of your obligations.

Under the Franchise Agreement, if you do not pay us any money you owe us, we can charge an interest rate of 1.5% per month (or the highest rate allowed by the state where you are located, whichever is higher) on overdue amounts and can terminate the Franchise Agreement for an uncured failure to pay.

training facility in North Carolina and at least once a month from our training facility in California, but some or all of our curriculum may be offered online, on-site at your Kiosk or at a location we designate, depending on timing before opening, program and space availability, travel restrictions such as during COVID-19, and other factors.

If the Kiosk is ready to operate when you sign the Franchise Agreement, you must complete the Initial Certification Program and begin operating the Kiosk within 30 days after you sign the Franchise Agreement. If at least one of your Designated Owners fails to complete the entire Initial Certification Program to our satisfaction, we may terminate the Franchise Agreement.

You pay us an Initial Certification Program fee of \$6,000 for up to 2 participants attending the Initial Certification Program with a single instructor at the time you sign a franchise agreement with us. If there are more than 2 participants one or more additional instructors will be required and you will pay an additional fee of \$6,000 per instructor. We may reduce the duration of training under circumstances we deem warranted, such as when the attendee has prior pertinent experience. If we reduce the duration for the Kiosk Certification, we typically charge a reduced rate of \$750 per day for the Kiosk Certification in addition to a \$3,750 certification fee for the Owner Certification Program. You are required to pay for any travel, lodging, meals, wages (as applicable) and other incidental costs you and any of your attendees incur while attending any of our training/certification programs.

Classes will be taught by members of our staff, which include; Philip Schoen our Director of Operations who is currently in charge of our training and Initial Certification Program. Mr. Schoen has been with us or our affiliate, Fuji Food Products, Inc. for a total of 11 years, his complete bio is provided in Item 2 of this Disclosure Document; others in our rotation of instructors include Aung Lin, who has over 6 years' experience as a Regional Training Manager with us; Trairat Uthum who has been our Regional Training Manager since May 2021; and Elizabeth Yap who has been our Regional Training Manager since March 2020.

We may, but are not required to, perform additional on-site consultation services. If you request that we provide additional on-site consultation and we decide to do it, or if we require you to receive additional on-site remedial consultation, you must pay our then-current daily consultant fee, plus any related expenses we incur, including transportation, meals, lodging and other related expenses. (Franchise Agreement, Section 5.H). The current fee is \$750/day, but we can adjust that amount.

We can require that the Designated Owner and/or your Kiosk Manager(s) attend additional informational programs at locations we select to keep up to date on Products, techniques and other Omari required System elements. If we do, you will pay the then published fee for the program and any costs you or your staff incur to participate, including travel related expenses. We can charge up to \$250 for an unexcused failure to attend a required program, and we can adjust that amount for inflation. (Franchise Agreement, Section 5.H).

You are responsible for hiring and then training each employee of yours to perform his/her job capably and according to Omari required quality standards and your Premises Host requirements. You must conduct in-house training with your staff if we request it to be sure that their training is up to date and product standards met. You are responsible for ensuring that the Designated Owner, chef(s) and other applicable Franchisee staff obtain and maintain food protection manager certifications, as required by applicable law. If you have more than one Kiosk location, you train your Kiosk Manager(s). If we believe any Kiosk is not operating to System standards, we can require that you and/or the Kiosk Manager participate in a remedial certification program at your expense. You pay the then published fee, as well as any consultant expenses, such as lodging, food and transportation. (Franchise Agreement, Section 5.G).

Manuals

During the term of your franchise agreement, we will lend you a copy of our Operations Manual, Recipe Book and the U.S. Food and Drug Administration’s Hazard Analysis and Critical Control Point (“HACCP”) food safety program (the “Manuals”). We may choose to deliver the Manuals in electronic, rather than tangible, form and they can consist of 1 or more separate manuals and components. (Franchise Agreement, Section 9.A). The following is the Table of Contents of our Manuals as of the date of this disclosure document, but can vary based on the Kiosk location and the applicable Premises Host:

Topic	Number of Pages
Recipe Books (separate Manuals)	110
Ancillary Recipes (Depend on Premises Host)	
Introduction to the Omari Brand	5
Omari Support Services	2
Preparations for Your Opening Day	11
Daily Operations	6
Continued Support	4

Systems and Procedures	35

TOTAL PAGES	227

The Manuals can include mandatory standards, procedures, policies and specifications pertaining to our System and to operation of a franchised Omari™ Kiosk location and other elements of our System to maintain the quality of the products and services associated with the Omari™ brand, as well as information intended to be helpful to you in managing your business, but which is not part of the System standards and requirements. You must operate your Kiosk in compliance with the required elements of the System and all mandatory standards, procedures, policies, and methods. (Franchise Agreement, Section 9.E). While the Manuals inform you of System standards, you should understand that your Franchised Business is an independent business and that you are free to conduct your Franchised Business as you think best, so long as your operations remain consistent with the Franchise Agreement, System standards and all applicable codes, laws, regulations, ordinances and other legal requirements. Within those parameters, you are solely responsible to supervise, manage and control the day to day operations of your Franchised Business, and you determine the methods and hours necessary to fulfill your obligations. The Premises Host at your location may designate particular hours, shifts (day or night) and other operating requirements with

which you must comply. We can change the System and the contents of the Manuals. You must follow the mandatory changes and keep the Manuals up to date. (Franchise Agreement, Section 9.D). You also must keep the contents confidential. When your Franchise Agreement expires or is terminated you must return to us and stop all use of the Manuals. We refund your \$300 deposit fee when the Manuals are returned. (Franchise Agreement, Section 9.A).

Advertising

We do not currently have a formal advertising program, an advertising fund or an advertising council composed of franchisees, although we may provide you, at your expense, with advertising templates or promotional items that you can use in promoting your Kiosk. If you want to modify these templates or use any other advertising, you must ask us to review them first and cannot use any advertising or promotional materials that we or your Premises Hosts ask you not to use. (Franchise Agreement, Section 11.A).

We can require you to advertise in the Yellow Pages and White Pages of the local telephone directory covering your Kiosk location(s) and in Internet directories (Franchise Agreement, Section 11.A). However, our current policy is not to require franchisees to advertise in local telephone or internet directories and incur those expenses. We also may require you to display at your Kiosk informational material regarding our franchise opportunities (Franchise Agreement, Section 11.A).

You must purchase Grand Opening or Initial Marketing Materials, including any signs, banners, or point of sale décor, before your Kiosk opens as directed by us and/or the Premises Host. You must keep the appearance of your Kiosk consistent with quality and trademark standards, any Manual and the Premises Host rules. We will notify you if your Kiosk's appearance, signs or decor does not meet our standards, and can require that you correct any deficiency. These expenditures are in addition to required Marketing Fund contributions and to any Local Marketing Co-op payment requirements.

We recommend prices and pricing practices and may provide product labels that reflect our practices. If you charge other prices, then you pay for the cost of re-labeling and system changes made to accommodate your pricing. (See Item 6 for cost information). However, we reserve the right to establish minimum and maximum prices for items you sell to the extent the law allows us. (Franchise Agreement, Section 14.R.). You also must comply at your expense with required policies we may establish in the Manuals or other written instruction to you regarding product samples to be made available to customers and other menu promotions.

Fujisan® franchisees converting to the Omari™ brand will not be required to pay costs for re-branding signage, uniforms, or initial marketing materials prior to opening as an OMARI™ Kiosk.

You will participate at your expense in any coupon, discount or similar product promotions/campaigns established by us or your Premises Host. If we establish a Marketing Fund, these expenses will not be considered to be Marketing Fund contributions or fees, but will count towards your fulfillment of any Local Marketing Co-op requirements if a Local Co-Op is formed. (Franchise Agreement, Section 11.A.)

Local Marketing Co-Op

We can require Franchisees to join a local marketing group (a "Co-op") if one is prescribed by us for an area in which your Kiosk is located. Any Co-op will include one or more Omari Kiosks. All Omari Franchisees in the prescribed area will be obligated to participate in the Co-op, with each Omari Kiosk having a single vote, including any Kiosks owned by us or our Franchisor Associates. If

FUJISAN FRANCHISING CORP.

established, you must contribute up to 2% of Gross Revenues and/or Wholesale Gross Revenues to the Co-op program monthly. Your Co-op contribution cannot exceed 2% of Gross Revenues and/or Wholesale Gross Revenues, unless a greater amount is approved by more than two thirds of the Kiosks in the Co-op, whether franchised or owned by us or our Franchisor Associates. (Franchise Agreement, Section 11.G.)

There are no advertising cooperatives at this time.

Marketing Fund

We may, but are not obligated to, establish a fund (the "Marketing Fund" or "Fund") for the purpose of promoting and enhancing the Kiosks, the System and the Marks. If we establish a Marketing Fund, you must participate in all Marketing Fund programs and pay a Marketing Fund contribution. The current Marketing Fund Fee is 1% of your Gross or Wholesale Revenue (as applicable) and the payment period will be twice monthly, however, we hereby reserve the right to increase the Marketing Fund Fee up to a maximum of 3% of Gross or Wholesale Revenues and/or change to a different payment period (e.g., weekly, etc.), on 30 days' written notice to you. Any Omari Kiosk owned by us or a Franchisor Associate may, but is not obligated to, make contributions to any Marketing Fund. (Franchise Agreement, Section 11.C.)

We will have sole discretion over all matters relating to its operations and be solely responsible for its financial management. The Marketing Fund will be accounted for separately and contributions may be used to pay for taxes related to the Fund and all administrative, accounting, audit, legal and other costs related to Fund activities and purposes and/or as authorized by the relevant franchise agreements. We will prepare and give to you an annual summary of revenues and expenditures for the Marketing Fund upon a written request from you. The Marketing Fund may be used as we consider appropriate, including for, but not limited to, product development; signage; creation, production and distribution of marketing, advertising, public relations and other materials in any medium, including the Internet; in-house agency services and expenses; all outside costs of administering the Fund, including related legal, insurance, accounting, auditing, and collection fees/costs; brand/image campaigns; media; national, regional, local and other marketing programs; agency and consulting services; research; web site development, maintenance and web-based campaigns; 800 numbers and advertising fulfillment costs; any expenses approved by us and associated with franchisee advisory groups; and research costs. A brief statement regarding the availability of franchises may be included in advertising and other items produced or disseminated using the Marketing Fund, but Marketing Fund contributions will not be used for the direct solicitation of franchise sales. We can compensate ourselves and/or any Franchisor Associate for internal costs of administering the fund, including applicable salary expenses; administrative costs; accounting and record keeping costs; internal production, research and creative expenses; goods and services delivered by us to the Marketing Fund; and related overhead costs and other internal expenses incurred by us.

If/when we implement a Fund, we have the right to spend in any fiscal year an amount greater or less than the aggregate contributions to the Marketing Fund in that year, and the Marketing Fund may borrow from us or other lenders to cover Marketing Fund deficits. We can accumulate funds over time until we determine in our sole discretion that sufficient funds are available to adequately conduct Fund activity(ies). We can cause the Marketing Fund to invest any surplus. We can at our discretion defer, waive and/or compromise claims for contributions to, and/or claims against or with respect to, the Marketing Fund and take legal or other action against any franchisee in default of its obligations and/or deny it access to programs, materials and/or other benefits funded by the Marketing Fund. We do not guarantee that any particular franchisee will benefit directly or in

proportion to its contribution from the placement of advertising by the Marketing Fund, and we do not ensure that expenditures will be proportionate to contributions made by franchisees in any geographic area. No profit or gain will accrue directly to us from the Marketing Fund. Any interest earned on Marketing Fund contributions will be paid to the Marketing Fund. Franchisor Associates and us will not be liable for any act or omission in connection with the Marketing Fund. Any Marketing Fund is not a “trust,” and does not create and is not in the nature of a “fiduciary” or similar special arrangement.

Although we intend the Marketing Fund to be ongoing, we have the right to terminate the Marketing Fund, but only after we expend all Marketing Fund contributions or return the contributions to you and other franchisees on a pro rata basis.

As we have not yet begun a fund, we did not receive Marketing Fund contributions or make any expenditures in the prior fiscal year.

We can establish an Omari™ or other branded websites, and can require you to participate and provide pertinent information for content development. (Franchise Agreement, section 11 D.)

Computer System

Except as described below, we do not currently require you to have any computer equipment, software or similar systems because purchases from your Kiosk are normally made through the Premises Host's POS equipment. We do not have independent access to the Premises Host's POS system. You currently do not have to purchase a POS System or pay the Premises Host any fees relating to its equipment. But we have the right to require you to buy, use, maintain and upgrade any required computers and systems under the Franchise Agreement and, if we do so, also have the right to independently access data on those systems. We have no obligation to update, maintain or provide any systems. (Franchise Agreement, Section 13.C).

You must purchase a tablet, stylus pen and label printer from us for placing product orders and printing product labels as part of your initial equipment purchase. The cost of the equipment is approximately \$1,300, and it comes with the manufacturers' 1-year limited warranties (defective parts, etc.). We do not provide a warranty or other ongoing maintenance, repairs, upgrades, or updates. You must upgrade/update these items as we require. You must purchase tablet technology support services from a designated vendor.

Under our current business model, the Premises Host reports to us the volume of business you do and the product sales data in its system that come from your Kiosk. We share this information with you in a monthly Reconciliation report that we use to calculate your share of Kiosk sales revenues. (Refer to Item 7 for more information on Revenue Sharing arrangements). You generally have 30 days to dispute the report if you think it is in error and also can follow our request process if you need further substantiation. (Franchise Agreement, Sections 13.B and F).

We can choose to create and/or maintain an Omari website(s). If we do, you will follow our policies and procedures for participating in the website, email protocols and usage policies that we give you in the Manuals or publish in another way.

Site Selection

We currently expect that your Kiosk will be located in a grocery store or other retail location that is operated by the store owner, manager or a food service provider (your Premises Host). We or our

FUJISAN FRANCHISING CORP.

March 2026*

affiliate usually enter into an agreement with the Premises Host in advance and identify locations for Kiosk operations. The Premises Host is primarily in charge of building out the space for the Kiosk in its facility, but you are responsible for making sure that you have all required licenses/permits/certifications/approvals that are necessary for you to meet local legal requirements. You give us permission in the Franchise Agreement to apply for some of these documents on your behalf. If we decide that we want to facilitate the process in this way, you reimburse us for the costs we incur on your behalf.

We or our affiliate selects a kiosk site in the sense that an agreement for the same is reached by us/them with a Premises Host to locate a kiosk in the facility. Factors we consider before agreeing to such an arrangement with a Premises Host include the economic terms, demographics of the area and prior experiences, if applicable, with the specific Host. You and we ordinarily will have agreed upon a location before you sign your Franchise Agreement and a Location Addendum to the Franchise Agreement will include the address and Revenue Sharing terms. However, the Agreement does not impose a time limit on us for locating or approving a site. Sometimes delays in beginning operations occur because of your availability, delays in Kiosk build out, or changes in or difficulties with location selection. If the Premises Host has the Kiosk ready for you and you and we have not agreed otherwise, you must complete the Certification Program and begin operating the Kiosk within 30 days after signing the Franchise Agreement. If you don't begin operating timely, we can cancel the agreement without a refund to you (except for return of your Manuals deposit when you give the Manuals back to us). (Refer to Item 12 for more information about your Kiosk location).

ITEM 12. TERRITORY

We grant you a franchise to operate an Omari Kiosk at a location identified on a Location Addendum to your Franchise Agreement. If we choose to offer you the opportunity to operate more than one Kiosk, you will sign the then current form of the applicable Location Addendum for each Kiosk and the Franchise Agreement will apply to each Location Addendum that you sign. You have no right to acquire another Kiosk location. You are not granted any minimum territory.

You can operate only your Omari Franchised Business at a Kiosk identified on a Location Addendum and can only sell products that we approve and which are acceptable to the Premises Host. We have the right, in our sole discretion, to designate the particular Premises Host for each kiosk location that we offer to you. We may exclude certain grocery chains and other host locations from any franchise offered to you and limit the particular host locations to, for example, one premises host with whom we have a particular business arrangement for a particular brand or System offered by us. We may also require that all of your Kiosks be located in stores owned by one particular premises host. We will provide details concerning these requirements prior to asking you to sign any franchise agreement or Addendum with us.

We will not franchise or operate an Omari Kiosk or FujiSan Sushi Kiosk at your specific Premises Host address. You will not receive an exclusive territory. You may face competition from other franchises, from outlets that we own, or from other channels of distribution or competitive brands that we control. Our affiliate, FFP, manufactures, distributes and sells sushi and various related products under Marks other than Omari, which are like the products that you will sell. It also sells to grocery retailers and others prepared Asian style food products under the "Okami" brand, which may be stocked in any of their locations, including possibly by your Premises Host. Additionally, we or FFP may ourselves or through a designee/licensee choose to establish Omari or other branded Kiosks or to sell competitive products through a variety of other venues, such as universities, airports, shopping centers and others, any of which could compete with your Kiosk. Neither we nor our affiliates must pay you for soliciting or accepting orders within your territory.

FUJISAN FRANCHISING CORP.

*Omari Sushi Franchise Disclosure Document – Multistate
March 2026*

We and our affiliates have all rights involving your Kiosk location not expressly granted to you in your Franchise Agreement. You have no marketing or customer exclusivity or other area rights under the Franchise Agreement and no right to object to or make any claims about any FujiSan or Omari Kiosk or any other operations or activities outside of your Kiosk location, no matter how close they may be to your Kiosk location, the customers serviced, the products/services sold or the trademarks used. Except for another Kiosk physically located in your Premises Host's store, we can locate and operate anywhere, and authorize others to locate and operate anywhere, a Omari Kiosk and/or any other kind of business, using any channel of distribution, including the Internet, catalogues, mobile services and temporary facilities, and offering any type of product or service to customers located anywhere under any brand or trademark, including the Marks. We and FFP (and the applicable Premises Host) may offer and sell "Omari," "Fuji" and "FujiSan" brand sushi and other food products in any facility so long as a franchised Kiosk is not operated on the facility premises. We or other Franchisor or Franchisor Associate-branded Kiosks selling different products and owned by different Fujisan Franchisees may be granted within the same Premises Host location.

We also can acquire, be acquired by, merge, affiliate or co-brand with, or engage in any transaction with other businesses with outlets located anywhere, whether or not competitive or franchised. Any of these business activities can result in changes to the Marks and System, including possibly the need to convert to another brand.

You can solicit customers who are located anywhere, but you can only offer product to them and sell to them from the physical location of your Traditional or Reduced Operating Hours Kiosk and any Satellite Kiosk location at the Premises Host facility in which your Omari Kiosk is located. You cannot use any other channels of distribution, including without limitation the Internet, direct marketing, catalogues or any channel other than your Kiosk operation. You cannot establish any website, Internet directory listing or any other presence on the Internet relating to the Kiosk or your franchised business or publish any information using the Marks, including on social networks and other media, without our written permission. You have to follow any policies we have for using the Marks in any media, including the Internet. (Franchise Agreement, Section 6.H).

There is no minimum sales quota or other sales minimum that we set, but a Premises Host may do so and the amount of sales you make can always influence whether or not the Premises Host will allow you and/or the Kiosk to keep operating. Your operation requires the ongoing consent of the Premises Host and you can be required to stop operating a Kiosk at their facility at any time. You cannot continue to operate a Kiosk if the Premises Host decides you have to stop operating the Kiosk or closes the retail facility in which your Kiosk is located. We and our affiliates are not required to maintain any agreement that we/they have with the Premises Host and are not responsible for any costs or damages you have because you have to close and possibly relocate a Kiosk business.

If you have to stop operating a Kiosk, the Location Addendum is automatically cancelled and considered to be a mutual termination of the Addendum. If you are not at fault for the cancellation and are complying with the Franchise Agreement, we will use commercially reasonable efforts to find an alternative Kiosk location to which you can relocate. We do not promise that an alternative site will be found or that it will be as successful as the Kiosk you had to vacate, and we and our affiliates are not responsible when you have to close a Kiosk location. If you are not operating another Kiosk under a Location Addendum within 60 days of the day you had to vacate your Kiosk, the Franchise Agreement is mutually terminated unless you and we agree to extend it in writing. You will not receive any refunds from us unless the mutual termination happens in the first 12 months after the date of the Franchise Agreement. In any case, you may not relocate any Kiosk without having a signed Location Addendum with us for that Kiosk.

FUJISAN FRANCHISING CORP.

Neither we nor any affiliate of ours has established, or presently intends to establish, other franchised or company-owned Kiosks which sell our Products or Services under a different trade name or trademark in the United States (but we reserve the right to do so in the future, without first obtaining your consent).

ITEM 13. TRADEMARKS

We own and grant you a license to use certain “Omari™” Marks, logos and commercial symbols in connection with your Kiosk and the Franchised Business. We have filed applications to register the principal trademarks listed below. We do not have federal registrations for our principal trademarks. Therefore, our trademarks do not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

All of the primary marks are pending registration on the Principal Register of the United States Patent and Trademark Office (USPTO).

There are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in any manner material to the franchise. All required affidavits have been filed for the registered trademarks listed above.

No decision of any court or government agency limits our right to use or license the use of the Omari™ trademarks. There are no currently effective material determinations of the USPTO, Trademark Trial and Appeal Board or any other government agency or court concerning our marks. There is no pending infringement, opposition or cancellation proceeding. There are no currently effective agreements that significantly limit our rights to use or license the Marks. We are not aware of any infringement in the U.S. that could materially affect the franchise in the U.S.

You must not claim any ownership of the Marks or devalue the Marks. You must not use any of the Marks in connection with any good or service that is not an approved Product or Service or in any way we do not expressly authorize in writing. You will use the Marks only for the operation of your Kiosk and the promotion of your franchised business. You must not use the Marks in your legal Business Entity name.

You must notify us immediately when you learn about an infringement of or challenge to your use of any of our Marks. We will take any action we think appropriate and may control the defense of any proceeding arising from your use of our Marks. You cannot commence any investigation, complaint or legal action without first getting our written consent. We will indemnify you for your costs if you are held liable in an infringement action, as long as you are in compliance with your franchise agreement and the infringement action is not between you and us. We do not have a duty to indemnify you for any separate legal fees or costs you incur in seeking independent counsel.

You must modify or discontinue the use of any of our trademarks if we modify or request you cease to use any of them and must adopt any additional or substitute marks we require. If any of these things occur after 16 months from signing the franchise agreement, we do not have to reimburse you for any related expenses.

A Premises Host may prohibit the use of the Marks or may impose limitations on use at a Kiosk, just as a shopping center or other commercial leased site may limit or eliminate any business's ability to display its tradename. You must comply with the applicable Host's rules.

You may not display in or on the Kiosk, or in any advertising, sales or promotion materials or information, stationery or other items or publish in any medium any other trademark, logo or symbol nor use any such other marks relating to the Kiosk or the Franchised Business, without our prior written consent or as required by a Premises Host.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or registered copyrights that are material to the franchise, but we own or license common law copyrights in our Operations Manuals, recipes, and other works that are protected by copyright law. You give us the right to use and license, without charge, any enhancement, adaptation, derivative work, modification or new process you develop or acquire for the operation, advertisement or promotion of your Kiosk. This does not mean we authorize you to make any modification to the operation of your Kiosk or to operate other than according to our Operations Manual. You will also learn information that belongs to us as trade secrets. This includes methods and techniques for food preparation and service, food labeling and ingredient information, vendor data and information, proprietary recipes, sauces and product formulas, nutritional analysis, customer information and data, and other methods, formulas, specifications and procedures for developing and operating sushi kiosks and franchises, as well as the contents of our Operations Manual and training. Your franchise agreement requires you to keep all of this confidential.

You must keep our secrets confidential while you are a franchisee and afterward. You cannot use our secrets in any activity other than operating your franchise. You must use reasonable procedures that we request to help protect our secrets.

There are no current determinations of the U.S. Patent and Trademark Office, U.S. Copyright Office or court regarding our claimed patents and copyrights. We are not aware of any infringement in the U.S. that could materially affect the franchise in the U.S.

You must notify us when you learn of an unauthorized use of our confidential information or any copyrighted work. We do not have to take any action against an unauthorized user, and we can respond as we think appropriate. We do not have a duty to indemnify you for losses brought by a third party concerning your use of this information. You must cooperate with us when requested. You assign all telephone numbers appearing under our trademarks to us and we keep them when you no longer are our franchisee. (Franchise Agreement Section 19).

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are responsible for managing your Kiosk and must maintain competent and conscientious personnel to staff your Kiosk and maintain its condition and appearance, while following our mandatory standards and specifications and required procedures and meeting your Premises Host's rules. These are all established to protect the value of the brand, the quality of the products/services offered under the brand and the good will the brand has earned. We can require that you or your staff undergo background checks or specific physical tests (like drug testing) and as requested by the Premises Host, all at your expense. This information can be shared with the Premises Host. You must use your best efforts to maximize and promote sales of your Kiosk's Products and Services. You must operate your Kiosks each day that the Premises Host is open and according to the business hours and shift (day or night) requirements set by the Premises Host and as outlined by the Manuals and the Location Addendum for the applicable Kiosk. A few Premises Hosts require night-shift hours with which you will be required to comply if applicable. We can require that you meet certain eligibility requirements to participate in a particular program or product offering, like meeting any necessary professional or certification requirements or conditions on the ability to offer a certain menu item. You must conduct the Franchised Business in compliance with Premises Host requirements in order to preserve the good will associated with the Omari™ brand.

You are solely responsible for the following: a) having a minimum of 1 employee but always maintaining sufficient personnel to staff your Kiosk business during operating hours and as required by the Premises Host, b) for determining the terms of your staff's employment, compensation, scheduling and to ensure their compliance with System standards and c) for providing ongoing staff development to meet mandatory Omari System standards. System standards do not include any employment policies or requirements. The people you select to work in your Franchised Business are exclusively your agents and employees. They are not our or FFP's agents or employees and neither we nor FFP nor any of our other affiliates are joint employers of theirs. You also are solely responsible for state, federal and/or local taxes, fees and withholdings of every kind, including business and/or personal self-employment taxes and income taxes; payroll and payroll taxes for Franchised Business employees; and social security and other amounts required to be paid or withheld, as well as for worker's compensation insurance as required by law. Neither we nor FFP nor any of our other affiliates are responsible for any item or expense associated with your Franchised Business payroll or for any other compensation or benefits related to your Franchised Business employees or independent contractors.

If you have not already done so, you must form a separate legal business entity (corporation or limited liability company) to operate the Kiosk and maintain at least one employee, unless we consent otherwise in writing. We have an unrestricted right to grant or deny our consent, as we deem appropriate and on a case by case basis. Franchisee must remain a corporation or limited liability company, as applicable, in good standing under local law. Occasionally, we permit individuals to sign the Franchise Agreement as individuals on the understanding that they will assign the franchise to a wholly owned business entity as soon as it is formed and cannot participate in the certification program until they do so. In these cases, a sample of the assignment and consent agreement used for this purpose is attached to this Disclosure Document as Exhibit F and is subject to change by us in the future.

A Designated Owner is the person named in Schedule A of the Franchise Agreement and we deal with this individual on all matters about the Franchise Agreement. A Designated Owner has to have at least a 51% interest in the franchisee, unless we permit otherwise with a written exception. If no single individual has a 51% or better ownership interest, then we can require that 1 of every 2 owners meet certification requirements. Any proposed change in the Designated Owner requires our prior written consent and the proposed individual's compliance with applicable certifications and other owner requirements. In the absence of the Designated Owner, we may communicate with the manager of any Kiosk about routine operations and reporting requirements. You must keep us informed at all times of the identities of each Designated Owner and each Kiosk Manager. Changes are to be reported to us within 24 hours.

We recommend on-premises supervision by your Designated Owner. Your Designated Owner must successfully complete our initial certification program. If the Designated Owner is not the chef, your selected chef also must complete the program. If you have additional Kiosk locations, you may choose to hire a Kiosk Manager for on-premises supervision, but the Designated Owner must still supervise the operations of the Kiosk and is responsible for training the Kiosk Manager about the Omari™ System and mandatory standards for quality purposes. We can require that your Designated Owner and/or your Kiosk Manager participate in additional/remedial informational programs if we decide it is necessary to correct, improve, update and/or enhance the products and service at your Kiosk(s) to preserve quality/consistency standards and the positive Omari™ image.

We can require all Owners of a Business Entity franchisee, and their respective spouses or domestic partners, to sign a personal guarantee of the franchisee's performance. Our current form of personal guarantee is attached to the Franchise Agreement as Schedule B, but the form can change. The Franchisee and all Owners commit to personal covenants to protect our Trade Secrets, Copyrighted Works and confidential information which restrict their ability to own or provide services to a competitive business both during and after the Franchise Agreement term (Section 17 of the Franchise Agreement). Our current form is attached as Schedule E-1 (For Non-California Franchisees) and E-2 (For California Franchisees) to the Franchise Agreement. We can require that you have similar agreements made with your Kiosk Manager and other personnel with access to our intellectual property.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only goods and services we and the Premises Host approve (the "Products and Services") for sale at your Kiosk, subject to any applicable Premises Host rules and/or requirements. A Premises Host may require that specific grocery items be obtained from them so they can trace the product source for quality and liability reasons. In that case, we will notify you of these requirements before you sign the applicable Kiosk location Addendum. All food menu items must be prepared and made according to the Omari Kiosk System recipes, techniques and

processes. If you want to offer other items, you must first get our written consent, which we may withhold.

We can require that you offer the full range of Products and Services. Additionally, a Premises Host occasionally may require a Kiosk to offer and sell a product outside of our standard menu items. In that case, we will sell you the product and equipment you need to produce the item and give you the recipe for its preparation. You can ask us for approval to carry a smaller line of approved Product menu items with input from your Premises Host for that Location. You must not offer for sale or sell any unapproved Products or Services or use the Kiosk for any purpose other than the operation of the Omari Kiosk unless you have our written permission. If you want to stop offering any Product or Service, you must first get our approval in writing. As it is important for the System to be flexible, we can add, delete or modify approved suppliers, as well as the Services and Products you must offer from your Kiosk, and the Manuals and all other components of the Omari System to respond to commercial opportunities and challenges. However, you cannot make changes without our written consent. When you sign a Franchise Agreement you commit to the mandatory elements of the System and all related requirements and changes to the System and understand that changes can require additional investment from you. There are no restrictions on our rights to change the System, Products, Services, Manuals or approved suppliers.

You will determine spoilage, display, sampling and product combinations based on applicable handling and safety standards and related requirements, if any, set by us and/or the Host. You and your staff must wear branded uniforms from approved suppliers. All Products you prepare at the Kiosk must be sold only from the Kiosk and through the Premises Host, except for Products you make for sale at a Satellite Kiosk under a specific location Addendum. If we introduce new Products you must meet any related inventory requirements for testing/launching the Products. You will not conduct any business or engage in any activity at the Kiosk or offer or sell any goods or services other than the Products and Services according to requirements of the System and the Manuals.

You may not make material alterations to or replacements of equipment, fixtures, signs, layout or décor of any Kiosk, or any material change in the facility or its operations without our prior written consent.

Independent Auditors' Report

To the Board of Directors of
Fujisan Franchising Corp.

Opinion

We have audited the consolidated financial statements of Fujisan Franchising Corp. (the Company), which comprise the consolidated balance sheets as of December 31, 2025, 2024 and 2023, and the related consolidated statements of income, changes in stockholders' equity and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, 2024 and 2023, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Fujisan Franchising Corp.

Notes to Consolidated Financial Statements
December 31, 2025, 2024 and 2023

1. Organization of Business

Description of Business

Fujisan Franchising Corp. (Fujisan) and its wholly owned subsidiary, Fujisan Franchising Mexico S. DE. R.L. DE C.V. (Fujisan Mexico), (collectively, the Company), manage franchises for the operation of sushi outlets within supermarkets and other locations within the United States, Puerto Rico, and Mexico, respectively.

Fujisan was incorporated on June 14, 2016, under the laws of California as a privately held corporation and commenced operations August 1, 2016.

Currently, Fujisan operates throughout the United States of America and Puerto Rico. As of December 31, 2025, 2024 and 2023, 787, 742 and 688 franchise outlets were in operation, respectively (Note 6). Fujisan is required to comply with the requirements of the Hazard Analysis and Critical Control Points (HACCP), the U.S. Food and Drug Administration (FDA) and the U.S. Department of Health and Human Services (HHS).

Fujisan Mexico was incorporated on August 14, 2024. The entity was formed with the intention of performing international franchising transactions. In December 2025, the Company initiated the process of liquidating Fujisan Mexico. Management assessed the transaction against the requirements of Accounting Standards Codification (ASC) 205-20—*Presentation of Financial Statements—Discontinued Operations* and determined it did not qualify as a discontinued operation because Fujisan Mexico never began substantive operations. As the entity represented neither a major line of business or significant geographical area of operations, nor was it material to the consolidated financial statements, the write-off has been presented within continuing operations.

2. Summary of Significant Accounting Principles

Basis of Preparation

The accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). The consolidated financial statements presented include the accounts of Fujisan Franchising Corp., and Fujisan Mexico. All significant intercompany accounts and transactions have been eliminated in the consolidation.

Uses of Estimates in Preparation of Consolidated Financial Statements

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Actual results could materially differ from management's estimates. Significant estimates include the allowance for credit losses.

Cash

The Company considers all highly liquid investments purchased with an original maturity of three months or less to be cash. As of December 31, 2025, 2024, and 2023, the Company had no cash equivalents.

Fujisan Franchising Corp.

Notes to Consolidated Financial Statements
December 31, 2025, 2024 and 2023

Accounts Receivable, Net

The Company utilizes the loss rate method in determining its lifetime expected credit losses on its receivables. This method is used for calculating an estimate of losses based primarily on the Company's historical loss experience. In determining its loss rates, the Company evaluates information related to its historical losses, adjusted for current conditions and further adjusted for the period of time that can be reasonably forecasted. Qualitative and quantitative adjustments related to current conditions and the reasonable and supportable forecast period consider all the following: past due receivables, the customer creditworthiness, changes in the terms of receivables, effect of other external forces such as competition, and legal and regulatory requirements on the level of estimated credit losses in the existing receivables. For receivables that are not expected to be collected within the normal business cycle, the Company considers current and forecasted direction of the economic and business environment. Such forecasted information includes: GDP growth, unemployment rates and interest rates amongst others.

The Company had an allowance for credit losses of \$410,417, \$316,964 and \$178,205 as of December 31, 2025, 2024 and 2023, respectively. The Company generally does not charge interest on past due accounts.

Intangible Assets Subject to Amortization

Intangible assets that are subject to amortization are comprised of internally developed website and software, which are amortized over their estimated useful life based on the period and usage of the benefit derived from such intangible assets.

Revenue Recognition

The Company recognizes revenue in accordance with ASC No. 606, *Revenue From Contracts With Customers*. ASC No. 606 provides that revenue is recognized when or as the performance obligation has been satisfied and control of the goods or services has transferred to the customer, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. In evaluating the timing of the transfer of control of goods and services to customers, the Company considers several indicators, including significant risks and rewards of products, the right to payment, and the legal title of the goods and services.

The Company's revenue is derived from three primary revenue sources: (a) revenue-sharing arrangements with participating grocery store customers that sell made-to-order sushi products on site, (b) initial and continuing franchise fees and (c) sales of raw materials to franchisees.

Revenue from revenue-sharing arrangements is derived from fees on the sale of products to the consumer and are recognized once a transaction has been completed and collectability has been assured.

The initial and continuing franchise fees collected from franchisees for franchise rights are amortized over the term of each respective franchise agreement. ASC No. 606 requires that the transaction price received from customers is allocated to each separate and distinct performance obligation. The transaction price attributable to each separate and distinct performance obligation is then recognized as the performance obligations are satisfied as specified in the contract. As the Company elected to use the practical expedient under Accounting Standards Update (ASU) No. 2021-02, *Franchisors - Revenue from Contracts with Customers*, it treats the pre-opening services as a single performance obligation and related franchise fee revenue is recognized upon franchise location's opening. Part of the franchise fee is related to the franchise right provided to the franchisee and the related revenue is recognized as revenue over the term of the franchise agreement, which is consistent with the franchisee's right to use and benefit from intellectual property. The election of this standard does not impact the recognition of sales-based revenue from franchisees.

Fujisan Franchising Corp.

Notes to Consolidated Financial Statements
December 31, 2025, 2024 and 2023

Revenue from sales of raw materials to franchisees is recognized upon delivery to and acceptance by the franchisee customers.

In 2025, the Company operated under two franchise trademarks: Fujisan Sushi and Omari Sushi. For the year ended December 31, 2025, the Omari Sushi trademark generated \$928,487 in sales, representing approximately 0.32% of the Company's total sales.

Income Taxes

The Company has elected to be taxed as an S corporation for Federal and state purposes. Under these provisions, the Company does not pay Federal corporate taxes on its income. Instead, the stockholders are liable for income taxes on their respective share of the Company's taxable income and other distributable items. The California tax treatment is substantially the same as for Federal, except for a 1.5% surtax imposed on the Company's taxable income.

The tax years subject to examination by major tax jurisdictions include the years 2022 and forward for Federal and years 2021 and forward for certain states. The Company follows the guidance related to uncertain tax positions. This guidance clarifies the accounting for uncertainty in income taxes, prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return and requires expanded tax disclosures. The Company accounts for uncertainty in tax positions by determining whether a tax position of the Company is more likely than not to be sustained upon examination, including the resolution of any related appeals or litigation processes, based on the technical merits of the position. The Company has determined it does not have a liability for uncertain tax positions or unrecognized benefits. Accordingly, no provision for taxes is made in the accompanying consolidated financial statements. The Company does not expect that the total amount of unrecognized tax benefits will materially change over the next 12 months.

3. Contract Balances

The beginning and ending contract balances were as follows as of December 31, 2025, 2024, 2023 and 2022:

	<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>2022</u>

Deferred revenue	1,062,095	1,321,010	1,545,447	1,298,937

4. Commitments and Contingencies

Litigation

The Company is not currently subject to any material corporate lawsuits, actions or other legal proceedings or pending claims. From time to time, the Company has been and may be in the future, subject to other legal proceedings, claims and investigations (collectively Litigation) in the ordinary course of business. It has received and may receive claims from third parties in the future. There are no currently pending legal proceedings that the Company believes will have a material adverse impact to the business or consolidated financial statements.

OMARI SUSHI™

FRANCHISE AGREEMENT

This Franchise Agreement (“this Agreement”) is made and entered into on _____, 20__ (the “Effective Date”) by and between Fujisan Franchising Corp., a California corporation with its principal address at 14420 Bloomfield Avenue, Santa Fe Springs, California 90670 (“Franchisor”), and _____, a _____ (insert state _____) (corporation or limited liability company) with a principal address at _____ (“Franchisee”).

RECITALS

Franchisor grants franchises for a distinctive system of producing, merchandising and selling sushi, appetizers, salads, entrees, soups, drinks, other Asian-style food and related items at retail locations owned, leased, operated and/or managed by a third party and arranged by Franchisor directly, or by virtue of a contract that Franchisor or a Franchise Associate has entered into with a party that has a business relationship with the owner, lessor, manager, operator or host of the retail location (“Third-Party Contract”). The System includes sushi bar kiosk design and layout, operational procedures, recipes and product preparation techniques, certification programs, ingredient information and sources, trade secrets and copyrighted works, and confidential manuals, operations information and instructions, all of which will continue to develop and change over time. The System also includes the licensed use of trademarks, currently including “Omari™”, “Omari Sushi™” and the “Omari™” design marks and slogans. Franchisee wants to obtain a Franchise to operate a sushi bar kiosk providing only products and services approved by Franchisor and using the System and Marks and must comply with this Agreement and the Operations Manual in order to use the Marks and System. Franchisor is willing to grant Franchisee a Franchise on the terms contained in this Agreement.

Certain capitalized terms used in this Agreement are defined in Section 43, below. Capitalized terms that are not defined in Section 43 are defined in the Section where they first appear. Accordingly, the parties now agree as follows:

AGREEMENT

1. Grant of Franchise

A. Grant

Franchisor grants to Franchisee, and Franchisee accepts, the non-exclusive right to use the System and Marks according to the terms of this Agreement to operate a Kiosk providing sushi and the other Franchisor-approved Products and Services to the general public at a Kiosk location identified in an addendum attached to this Agreement (the “Addendum”). Franchisee cannot offer, sell or distribute the Products and Services from or at any location other than a Kiosk location stated on an Addendum without Franchisor’s express written consent, which Franchisor has an unrestricted right to grant, condition or deny. Franchisee cannot use any other channels of distribution, including without limitation the Internet, direct marketing, catalogues or any channel other than a Franchisee Kiosk operation. Franchisee cannot engage in any resale and/or sublicensing or franchising of the Marks, System, Manuals, certification program and

materials, Trade Secrets or any other elements of the Franchise. Franchisor is not required to grant Franchisee any additional Kiosk location Addendum. Franchisor and Franchisee will enter into an Addendum for each Kiosk location awarded under this Agreement. Franchisor can condition the award of another Addendum on various business factors in Franchisor's sole discretion, as well as Franchisee being in good standing and the execution of a General Release by Franchisee and any Franchisee Affiliate/Owner, excluding only those claims solely related to the grant of the additional Addendum or where such releases are expressly prohibited by applicable law.

B. Limited Territory Rights

Franchisee is not given any exclusive or protected territory except each Franchisee Kiosk location identified in an Addendum and subject to the terms of this Agreement. Franchisor and its Affiliates can locate and operate anywhere, and can authorize others to locate and operate anywhere, any type of Fujisan® or other branded Kiosk at any location other than an Omari™ Kiosk at the same Host location as Franchisee's Omari™ Kiosk, as specified on a Location Addendum. Franchisee acknowledges that Franchisee has no marketing or customer exclusivity or other area rights under this Agreement and no right to object to or make any claims about any Omari Kiosk or any other operations or activities outside of Franchisee's Kiosk location, no matter how close they may be to Franchisee's Kiosk location, the customers serviced, the products/services sold or the trademarks used. Except as provided above, Franchisor and its Affiliates reserve all other rights, including expressly the rights to locate and/or operate anywhere, and to authorize others to locate and/or operate anywhere, any kind of business using any channel of distribution, including the Internet, and offering/selling any type of product or service, competitive or otherwise, from sites and to customers located anywhere under any brand or trademark, including the Marks. For avoidance of doubt, i) a Premises Host may sell Asian style, non-sushi products supplied by Franchisor or a Franchisor Affiliate under the "Okami" brand or another brand at the same facility in which an Omari Kiosk may be located, and ii) "Omari" brand sushi products and/or sushi products supplied by Franchisor or a Franchisor Associate under another brand of sushi and other food products, can be sold by Franchisor and its Affiliates (and the applicable Premises Host) in any facility so long as a franchised Kiosk is not operated on such facility premises.

C. Changes

Franchisor can acquire, be acquired by, merge, affiliate or co-brand with, or engage in any transaction with other businesses with outlets located anywhere, whether or not competitive or franchised without notice to or consent of Franchisee. Franchisee agrees to participate at Franchisee's expense in any brand/chain conversion, as Franchisor directs.

D. Best Efforts

Franchisee must use best efforts to promote and increase sales and service of Kiosk Products and Services in a manner consistent with this Agreement and the Addendum.

E. Franchisor and Franchisor Associate Operations

Franchisee understands that a Franchisor Associate, Fuji Food Products, Inc., operates a business that manufactures, distributes and sells under the Marks, sushi and other products like those Franchisee will sell and further understands that Franchisor is involved in establishing sushi bars like Franchisee's Kiosk in many locations under other trademarks. Franchisee acknowledges that Franchisor is solely responsible for performance of its obligations under this Agreement and that Franchisor Associates have no liability to Franchisee under this Agreement. A "Franchisor Associate" is a defined term under Section 43 and includes Franchisor's Affiliates, such as Fuji Food Products, Inc., among others. Franchisor has no authority to bind

any Franchisor Associate to any obligation. Franchisee further understands and agrees that Franchisor has the right, in its sole discretion, to designate the particular Premises Host for each kiosk location that is offered to Franchisee. Franchisor may exclude certain grocery chains and other host locations from any franchise offered to you and limit the particular host locations offered to Franchisee to, for example, one premises host with whom Franchisor has a particular business arrangement for a particular brand or System offered. Franchisor may also require that all of Franchisee's Kiosks be located in stores owned by one particular premises host. Franchisor will provide details concerning these requirements prior to asking Franchisee to sign any franchise agreement or Addendum.

2. Franchise Fee

Franchisee shall pay Franchisor an initial franchise fee per Kiosk applicable to the type of Kiosk Franchisee shall operate, whether a Traditional Kiosk, a Satellite Kiosk and/or a Reduced Operating Hours Kiosk, as those terms are defined in Section 43 of this Agreement. The amount of the applicable fee is identified on Schedule A of this Agreement. This fee is fully earned and payable when this Agreement is signed (and when any Location Addendum thereafter is signed, as applicable) and is non-refundable, except as stated in Section 4.C.

3. Term and Renewal

A. Term

i) If this Agreement is awarded for a new Franchise, the term starts on the Effective Date and expires on the third (3rd) anniversary of the Effective Date (the "initial term"), unless terminated sooner as provided in Section 18. Unless earlier terminated as provided under this Agreement or pursuant to the terms of an applicable Addendum, the term of each Addendum expires or is terminated concurrently with the expiration or termination of this Agreement or any renewal agreement granted pursuant to this Section 3.

ii) If Franchisee is entering the Franchised Business as a transferee of an existing Omari™ Franchise or is converting from an existing Fujisan branded kiosk franchisee to an Omari™ branded Franchise business, then the term will, at Franchisor's option, be; three (3) years, will end on the expiration date of the transferor's Omari franchise agreement or will end on the expiration date of the Fujisan branded franchise agreement being converted out, as applicable.

iii) The term of any successor ("renewal") Franchise Agreement is established under the preceding expired franchise agreement, regardless of the franchise brand under which the expired franchise agreement was operated previously.

iv) The applicable Expiration Date appears on the first page of this Agreement. Regardless of the stated Expiration Date, this Agreement can be terminated sooner as provided in Section 18 or by Franchisee by giving Franchisor not less than ninety (90) days advance written notice of an early termination date and paying Franchisor any applicable cancellation fee as provided in Section 18.A.

B. Renewal

Franchisee has the right to renew this Franchise at the expiration of an initial term of the Franchise for the lesser of; a) one additional three (3) year term or b) the term remaining in Franchisor's or Franchisor Affiliate's applicable agreement with one or more of Franchisee's Premises Hosts, if Franchisee satisfies the following conditions before renewal and subject to Section 3.E, below:

- i) Franchisee is in full compliance with this Agreement and all other agreements and each Addendum with Franchisor;
- ii) Franchisee has by the Expiration Date of this Agreement brought the Kiosk into full compliance with the specifications and standards then applicable for a new or renewing Kiosk;
- iii) Continuing occupancy of the Kiosk location under each then-current Addendum is permitted by the Premises Host;
- iv) Franchisee meets Franchisor's then-current qualification and certification requirements;
- v) Franchisee gives written notice of Franchisee's request to renew at least sixty (60) days, but not more than one hundred fifty (150) days, before the Expiration Date, and any notice is accompanied by payment of a renewal fee in the amount stated in Schedule A.
- vi) Franchisee has paid all amounts due to Franchisor and any Franchisor Associate;
- vii) Franchisee and all Franchisee Owners sign a General Release in favor of Franchisor and Franchisor Associates in a form specified by Franchisor; and
- viii) On renewal, Franchisee signs Franchisor's then-current form of franchise agreement, renewal addenda and related documents then customarily used by Franchisor for a renewal Franchise, the terms of which may differ from the terms of this Agreement in material ways (including possibly different payment amounts or arrangements and new fee requirements). The new franchise agreement shall be modified to the extent Franchisor considers appropriate to reflect the grant of the renewal term.
- ix) Franchisee has not received written notice of default of this Agreement on more than one (1) occasion during the initial term.

C. *Notice of Deficiencies*

Subject to applicable state law, within a reasonable time after receipt of a written renewal notice, Franchisor shall provide Franchisee with written notice of (i) any reasons that could cause Franchisor to deny a request for renewal; and (ii) Franchisor's then-current image, upgrading, operating and related requirements for a Kiosk business. Renewal of the Franchise is conditioned on Franchisee's compliance with these requirements and all terms of this Agreement.

D. *Renewal Documents; Legal Compliance*

If Franchisor determines that Franchisee is eligible for renewal, Franchisor will give to Franchisee applicable renewal documents. Franchisee shall execute the applicable agreement(s) and return it or them to Franchisor at least twenty (20) days before the Expiration Date. Franchisee must be in full compliance with the Franchise Agreement both at the time Franchisor notifies Franchisee of its intention to grant Franchisee a renewal Franchise and at the time of signing. If an extension of the term of this Agreement is required to allow Franchisor to provide a lawful notice of non-renewal or to enable Franchisor to otherwise comply with legal requirements for the renewal Franchise, the terms of this Agreement shall be deemed to be in effect for any related extension period.

E. Market Withdrawal and No Renewal

If Franchisor publishes an announcement that it has determined that continued franchising in the state, region or standard metropolitan statistical area (as established by the United States Office of Management and Budget) within which Franchisee's Kiosk is located is not appropriate for reasons that relate to Franchisor's economic or other interests and that it is withdrawing from franchise activity in such state/region/area (provided that Franchisor can continue to support existing franchisees under outstanding agreements), then Franchisor will be considered to have made a general market area withdrawal, will have no liability to Franchisee therefore and will not be required to repurchase any of Franchisee's assets, offer Franchisee any renewal Franchise or similar rights (a "Market Withdrawal") as provided in Section 3. In that case, and if Franchisee is not in default of this Agreement, Franchisee will not be required to comply with its non-competition obligations under Section 17.E after the expiration of the term of this Agreement. Franchisee agrees that if any applicable statute or court decision requires "good cause" (or any similar standard) for non-renewal, Franchisor's compliance with the provisions of this clause will be deemed to be good cause. Franchisee agrees that this Section is commercially reasonable because commercial and other developments may make further participation in franchising by Franchisor or Franchisee inappropriate. Therefore, just as Franchisee has the option to not accept a renewal franchise, Franchisor has the option to discontinue awarding franchises in the circumstances noted herein.

4. Location

A. Location Addendum

Each Kiosk Addendum to this Agreement identifies a Kiosk location mutually accepted by Franchisee and Franchisor and the basis on which the Kiosk is to be operated, which can be under a Traditional Kiosk Addendum, a Satellite Kiosk Addendum and/or a Reduced Operating Hours Kiosk Addendum (each, an "Addendum"). Franchisor may add to or eliminate any one or more of these Kiosk Addendum types from those offered by Franchisor in the future, without notice to Franchisee. Franchisor can in its sole discretion, choose, but is not required, to offer Franchisee an Addendum for more than one location. Franchisor can condition the grant of any additional Kiosk location Addendum on Franchisee's payment of the then current fee for a credit and background check and any drug/health testing required by a Premises Host. Each Kiosk location will be subject to a separate Addendum.

B. Location Arrangements; No Set Term

Franchisee understands and acknowledges that Franchisee's ability to operate at any particular Kiosk location can be dependent upon the terms of one or more agreements or arrangements, that Franchisor or a Franchisor Associate has directly with the owner, lessor, food service provider, manager, and/or operator of the premises upon which the Kiosk is located or at which Franchisee's current Kiosk is located, and/or a party to a Third-Party Contract (the "**Premises Host**"). Fujisan or other Franchisor or Franchisor Associate-branded Kiosks selling different products and owned by different Fujisan Franchisees may be granted within the same Premises Host location. Franchisee is not assured in any manner that the Premises Host will permit Franchisee's Kiosk operation for any length of term or will not object to Franchisee and/or Franchisee's Kiosk business operation. Franchisee's Kiosk operation is expressly subject to the ongoing consent of the Premises Host, and Franchisee can be required to discontinue Kiosk operations under any Addendum at any time. Franchisor and Franchisor Associates are not obligated to continue and/or maintain in effect any arrangement or agreement with any Premises Host. Franchisee agrees that Franchisor and Franchisor Associates are not liable in any manner for any costs, lost profits, relocation expenses, or any other damages or amounts incurred by Franchisee if Franchisee is required to discontinue Kiosk operations at any particular location.

C. Possible Relocation

If Franchisee is in good standing and loses the right without Franchisee fault or cause to operate at a location identified on an Addendum to this Agreement, Franchisor will use reasonable commercial efforts to propose an alternative location acceptable to Franchisee and Franchisor. Any relocation will be at Franchisee's sole expense. Franchisor does not warrant or represent that an alternate site can or will be identified, or will be identified within any particular period of time, or will be comparable to Franchisee's initial location in terms of revenues, geographical area, size, customer traffic, or otherwise. The Addendum for the vacated Kiosk location is deemed cancelled effective as of the date Franchisee's Franchised Business at the location is discontinued (the "Cancellation Date"). If an Addendum is cancelled as provided in this Section, and Franchisee is not operating a Kiosk under any Addendum sixty (60) days after the Cancellation Date, this Agreement shall be deemed to be mutually terminated unless extended by the parties in writing. Franchisee is not entitled to payment or refunds of any kind in connection with the cancelled Addendum, terminated Agreement or the lost location, unless this Agreement is terminated under this Section within twelve (12) months of the Effective Date of this Agreement; in which case Franchisor will refund to Franchisee a portion of the initial franchise fee paid by Franchisee under Section 2, above, if Franchisee gives Franchisor and its affiliates a release of claims in a form that Franchisor accepts. The amount of the refund will be calculated by dividing the amount of the initial franchise fee by twelve (12) and then multiplying the quotient by the number of full or partial calendar months remaining before the end of the first contract year. Franchisor shall have no further obligation to Franchisee. By way of example only, if Franchisee paid an initial franchise fee of \$3,750 under a franchise agreement effective on January 1, 2016 and the franchise agreement is terminated under this Section on July 1, 2016, then Franchisor would pay Franchisee a refund of \$1,875 ($\312.50×6).

D. Use of Kiosk Location and Facility Changes

Franchisee must use each Kiosk location for the sole purpose of conducting the sushi Kiosk business and providing only Products and Services as approved by Franchisor under the Marks and System (the "Franchised Business") and not for any other purpose or activity. Franchisee shall not make material alterations to or replacements of equipment, fixtures, signs, layout or décor of any Kiosk, or any material change in the facility or its operations without Franchisor's prior written consent.

5. Certification

A. Certification Programs

Franchisee must pay to Franchisor at the time of the signing of this Agreement a certification program fee in the amount stated on Schedule A of this Agreement. Franchisor will provide Franchisee with a certification program for Franchisee's first Kiosk, which will be held at Franchisor's training facility, at Franchisee's Kiosk and/or a location designated by Franchisor. Certification is designed to enable Franchisee to learn the Franchisor's (and/or a Franchisor Associate's) sushi preparation and service methods, techniques and processes for other Kiosk menu items, Kiosk guidelines and requirements, and other information valuable to the Franchised Business. The initial certification program currently includes an 8 business day (up to 10 hours/day) curriculum, but is subject to change by Franchisor. Franchisor may reduce the training period and/or the location of training in circumstances that it thinks warrant it, such as when the attendee has prior pertinent experience. Franchisee's Designated Owner(s) must diligently attend and complete all required certification programs to Franchisor's satisfaction. If the Designated Owner is not the Kiosk chef, then Franchisee's selected chef also must complete those portions of the certification program as Franchisor may require.

B. Failure to Complete Initial Certification

Franchisor has an unrestricted right to terminate this Agreement if, in Franchisor's sole discretion, Franchisee fails to successfully complete all required certification programs, in which case Franchisee is not entitled to any refund or payment of any kind.

C. Scope of Certification

Franchisor has the right solely to determine and modify from time to time the duration, location(s), subjects to be covered, composition and mix of attendees and number of attendees who may participate in any and all certification programs. Additionally, Franchisor has the right to diminish and/or eliminate certification program components to be delivered to Franchisee, if Franchisor is satisfied that an attendee has demonstrated the expertise, knowledge, and experience in the applicable subject area(s) and holds any certifications required.

D. Certification Program Attendees

Since “Franchisee” is not an individual, the Designated Owner(s) (as defined below), must attend and participate in all required certification programs and any other certification/instructional sessions required by Franchisor from time to time. A Designated Owner is an individual identified as such on Schedule A and who must satisfy all certification and other franchise operations requirements. A person who holds an equity interest of at least 51% in the Franchised Business shall be the Designated Owner, unless Franchisor permits otherwise. If no single person has a 51% or greater ownership interest in the Franchise, then one of every two Owners acceptable to Franchisor shall be identified as a Designated Owner for purposes of this Agreement and must satisfy certification and other applicable requirements. Any proposed change in a Designated Owner requires Franchisor’s prior written consent and the proposed individual’s compliance with applicable certification standards and other Owner requirements under this Agreement.

E. Certification Expenses

In addition to any applicable certification program fee, Franchisee must pay all incidental expenses incurred in connection with Franchisee and Franchisee’s personnel attending the certification program and any other instructional programs or conferences, including costs of transportation, meals, lodging, other living expenses and employee wages, as applicable.

F. Personnel Certification

Franchisee agrees to conduct in-house training, meetings and other programs to impart to Franchisee's employees the latest procedures, techniques, standards and other information relating to the System to ensure quality and uniformity and protect the goodwill associated with the Marks.

G. Designated Owner; Additional Location Managers

If Franchisee has multiple Kiosk locations, the Designated Owner must identify and supervise a manager (“Kiosk Manager”) for each location. Franchisee agrees to train the Kiosk Manager and any other staff in the skills and subject areas required of their positions and according to applicable System specifications and standards. Franchisee is solely responsible for hiring sufficient personnel to adequately staff each Kiosk. If any Kiosk is not operating according to mandatory System Standards, Franchisor reserves the right to require the Designated Owner and/or any applicable Kiosk Manager to participate in remedial certification program instruction to correct, improve, update and/or enhance the operations of the Kiosk. Franchisee is

responsible for payment to Franchisor of the then current fee for any such remedial certification program participation, as published in the Operations Manual or other written publication to Franchisees, as well as any incidental costs that Franchisee's attendees may incur, such as lodging, transportation, compensation, meals and other related expenses. Franchisee shall require each Kiosk Manager and chef to sign a limited use and non-disclosure agreement in a form acceptable to Franchisor that protects the Copyrighted Works, Trade Secrets and other materials and information proprietary to Franchisor and/or Franchisor Associates and the System.

H. Additional Instructional Opportunities and Possible On-Site Consultation

Franchisor can require Franchisee's Designated Owner and Kiosk Managers to attend additional certification and instructional programs at Franchisor headquarters or another location selected by Franchisor from time to time so that they remain up to date on Products and Services, quality control requirements, preparation techniques and other System elements. Franchisee will be required to pay the then current program fees, which can be published in the Manuals or through other written communication to Franchisees. Franchisee is responsible for any incidental costs of attendance, such as lodging, food and transportation. Franchisor reserves the right to assess a fee for any unexcused failure to attend a scheduled mandatory session, including any initial, on-site or additional required session (the "Missed Session Fee"). The Missed Session Fee is stated on Schedule A to this Agreement. If Franchisor determines, in its sole discretion, that additional or unscheduled field services or support are needed in connection with Franchisee's Kiosk, it may provide on-site consultation services; in such event, Franchisee shall pay Franchisor the then current consultation services fee (the "Consultation Services Fee"). The Consultation Services Fee is described on Schedule A to this Agreement and is subject to change by Franchisor. Franchisee also must pay any incidental expenses incurred by Franchisor's personnel participating in any such additional on-site consultation, including, without limitation, costs of transportation, meals, lodging, and other living expenses.

I. Amounts Payable

All amounts payable to Franchisor by Franchisee under this Section 5 are due on demand and payable in the manner specified by Franchisor, which can include deduction from any amount otherwise due Franchisee as Franchisee's portion of Gross Revenues and/or Wholesale Gross Revenues, as applicable.

6. Trademarks

A. Ownership; Location Limits

Franchisee shall have no right, title or interest in or to any of the Marks, except the limited, non-exclusive right to use them as provided in this Agreement. Franchisee shall not represent that Franchisee has acquired any ownership rights in any of the Marks. Franchisee shall not, during or after the term of this Agreement, dispute or impugn the validity of or Franchisor's rights in the Marks. Franchisee shall use only those Marks designated by Franchisor from time to time in connection with the Kiosk and the Franchised Business, except that Franchisee acknowledges and accepts that a Premises Host may prohibit the use of the Marks or may impose limitations on use at a Kiosk, just as a shopping center or other commercially leased site may limit or eliminate any business's ability to display its tradename. Franchisee agrees to comply with the applicable Host's rules.

B. Registration

Franchisee shall not apply for, attempt to obtain or accept any registration in any of the Marks.

C. Goodwill

As between Franchisee and Franchisor, all Franchisee's uses of and all goodwill associated with the Marks shall benefit and be the property of Franchisor (or a Franchisor Associate, as applicable). Franchisee's Franchised Business shall not attribute any monetary value to goodwill associated with the Marks. Franchisee shall not assert any claim of ownership of any goodwill or other interest in the Marks.

D. Acts in Derogation

Franchisee shall not do or permit any act or thing to be done in derogation of any of Franchisor's/Franchisors Associate's rights in the Marks during or after termination or expiration of this Agreement.

E. Use

Franchisee shall use and display the Marks and applicable trademark notices on signs, advertising, sales and promotional materials, point of purchase items, stationery, and other items and publications in any medium, including the Internet, only as specified by Franchisor. Franchisee shall not use any Mark in connection with selling any good or service that is not an approved Product or Service or in any manner not expressly authorized in writing by Franchisor. Franchisee shall use the Marks only for the operation of the Kiosk and for the promotion of the Franchised Business as authorized by Franchisor.

F. Other Marks

Franchisee shall not display in or on the Kiosk, or in connection with any advertising, sales or promotion materials or information, stationery or other objects or publish in any medium any other trademark, logo or symbol nor use any such other marks in connection with or relating to the Kiosk or the Franchised Business, without Franchisor's prior written consent or as required by a Premises Host.

G. Trade Name

Franchisee shall not use the words "Omari™", "Omari Sushi™" or any derivative or variation thereof or any of the Marks Franchisor authorizes Franchisee to use from time to time, or any words or symbols confusingly similar to any of them, in any corporate, limited liability company, partnership or other entity name.

H. Internet Advertising and Other Use of the Marks

Franchisor shall have the sole right to advertise, market and promote the System on the Internet. Franchisee shall not establish any website, Internet directory listing or any other presence on the Internet relating to the Kiosk or the Franchised Business or publish any information or statements using the Marks in any manner, including, but not limited to, social networks and related media, without Franchisor's prior written consent. If requested by Franchisor, Franchisee shall within five (5) days discontinue any website, Internet directory listing or advertising or any other posting or presence on the Internet that incorporates or uses the Marks or other System component, or modify it as Franchisor requires. To assist Franchisor in managing and preserving the Marks and System, Franchisee will follow Franchisor's policies and requirements regarding domain names, e-mail addresses, Internet key word purchases, social network

pages, videos and any other publication on the Internet, including, but not limited to, Facebook, Instagram X (previously Twitter), YouTube, or other social media sites or web applications.

I. Defense of Claims

Franchisee shall immediately notify Franchisor in writing on learning or receiving notice of any claim, suit or demand alleging trademark infringement by Franchisee and involving Franchisee's use of the Marks. Franchisor shall take such action as Franchisor deems appropriate, if any. Franchisor agrees to indemnify and hold Franchisee harmless from and against all costs, expenses and damages (including reasonable Attorneys' Fees and costs) incurred by Franchisee in connection with any trademark infringement proceeding or action in which Franchisee is held liable arising out of Franchisee's proper use of the Marks, so long as Franchisee has timely notified Franchisor of the claim and otherwise complied with this Agreement. At Franchisor's option, Franchisor or its designee may defend and control the defense of any proceeding arising directly from Franchisee's use of any Mark. This indemnification shall not apply to litigation between Franchisor and Franchisee in which Franchisee's use of the Marks is disputed or challenged by Franchisor or to any separate legal fees or costs incurred by Franchisee in seeking independent counsel.

J. Defense Alternatives

Franchisor and Franchisor Associates shall have the right to defend and settle any claim or suit relating to the Marks using counsel selected by Franchisor. Franchisee shall cooperate fully in the defense of such actions. Franchisee irrevocably appoints Franchisor as its attorney in fact to defend or settle all such claims or suits. Franchisee shall not attempt to settle or compromise any such claim or suit without Franchisor's prior written consent.

K. Franchisee Participation

Franchisee shall have the right to participate at Franchisee's own expense in the defense or settlement of any claim or suit alleging infringement by Franchisee, provided that Franchisor shall have the right to control the defense and any settlement.

L. Third Party Infringers

Franchisee shall notify Franchisor in writing immediately on learning that any third party is or may be using any mark that is the same as or confusingly similar to the Marks, and who Franchisee believes is not authorized to use the Marks. Franchisor shall have the sole right to determine which, if any, action to take regarding that alleged use. Franchisee shall have no right to make any demand or prosecute any claim against any third party with respect to such use of the Marks or any infringement.

M. Stopping or Changing Use of Marks

If it becomes necessary or desirable, in Franchisor's sole discretion, during the first 16 calendar months after signing the franchise agreement, to modify or cease the use of any Mark or to adopt or use one or more additional or substitute Marks, then Franchisee shall comply with Franchisor's direction and adopt any such change at Franchisee's expense. Franchisor will cover the necessary and reasonable expenses, losses or damages sustained by Franchisee as a result of any such change in, addition to or elimination of any Marks. Franchisor and Franchisor Associates will have no obligation for any expenses, losses or damages sustained by Franchisee as a result of any change in, addition to or elimination of any Marks, as desired by Franchisor, in its sole discretion, during the remainder of the franchise agreement term.

N. Notices

Franchisee shall accompany all use of the Marks with trademark symbols and notices, as specified by Franchisor, including a notice that the Kiosk is independently owned and operated by Franchisee and that the Marks are used under a license from Franchisor.

O. No Incurring Obligation

Franchisee must not use the Marks in any manner that may result in any obligation or debt on behalf of Franchisor. Franchisee shall comply with Franchisor's instructions for filing and maintaining fictitious business name registrations. Franchisee shall sign any documents that Franchisor deems necessary to protect the Marks.

7. Ownership and Use of Copyrights

A. Ownership

Franchisee acknowledges and agrees that Franchisor owns or is the licensee of operating manuals, recipes, advertising and other works that are protected by copyright law and that Franchisor may create, acquire or obtain licenses for additional works subject to copyright law that will be used in operating the Kiosk (the "Copyrighted Works").

B. Notice of Unauthorized Use

Franchisee shall notify Franchisor immediately on learning of unauthorized use of any of the Copyrighted Works. Franchisor shall have the right, but not the obligation, to take any action that Franchisor deems appropriate with regard to the possible unauthorized use. Franchisee shall cooperate with Franchisor to protect Franchisor's interests in the Copyrighted Works.

C. Improvements and Inventions

Franchisee hereby grants to Franchisor the unrestricted, perpetual right without charge to use and license the use of any enhancement, adaptation, derivative work, modification or new process developed or acquired by Franchisee concerning any aspect of the Kiosk or its operation, advertisement or promotion (the "Improvements"). This grant extends to any Improvement in the operations, materials and all other aspects of food preparation and processes, as well as operating, advertising and promoting Kiosks. Nothing in this Section 7.C authorizes Franchisee to make any modification to the System and the Operations Manual and the mandatory requirements it contains. Upon Franchisor's request, Franchisee will take such steps as Franchisor considers are necessary to enable Franchisor to establish a right to use and license the Improvements, including executing and delivering further documents to that effect so as to allow Franchisor to secure and maintain its interest in those rights.

8. Trade Secret Protection

A. Ownership

Franchisor possesses confidential information consisting of methods and techniques for food preparation, display and service, food labeling and ingredient information, advertising, vendor data and information, proprietary recipes, sauces and product formulas, nutritional analysis, customer information and data, and other methods, formulas, specifications and procedures for developing and operating Kiosks

and franchises. All of the foregoing information, as well as the contents of the Operations Manual, are referred to in this Agreement as the “Trade Secrets.”

B. Source

Franchisor will disclose certain Trade Secrets to Franchisee in lending Franchisee the Operations Manual and in performing training and other obligations and exercising rights under this Agreement. Franchisee acknowledges that Franchisee's knowledge of all material aspects of an Omari™ Franchise and the operation of an Omari™ Kiosk business come from the Trade Secrets that Franchisor discloses to Franchisee.

C. Acknowledgments

Franchisee acknowledges that the Trade Secrets are proprietary, confidential information of Franchisor (or an applicable Franchisor Associate), having economic value to their owner, in part because they are not known to the public, competitors or others. Franchisee shall acquire no interest in the Trade Secrets, other than the right to use them in developing and operating the Kiosk during the term of this Agreement.

D. Protection

Franchisee shall maintain absolute confidentiality of the Trade Secrets during and after the term of this Agreement. Franchisee shall not use any Trade Secrets, Marks or Copyrighted Works in any other business or venture and shall not use the Trade Secrets in any manner not authorized or approved in writing by Franchisor.

E. No Copying

Franchisee shall not make any unauthorized copy of any Trade Secrets or Copyrighted Works.

F. Procedures to Protect Secrets

Franchisee shall implement reasonable procedures and all procedures prescribed from time to time by Franchisor to prevent unauthorized use and disclosure of the Trade Secrets, Marks or Copyrighted Works, including, without limitation, restrictions on disclosure to Franchisee's personnel and use of non-disclosure and/or noncompetition agreements as prescribed by Franchisor with Franchisee's shareholders, directors, members, officers, partners, Kiosk Managers, employees and other personnel. Franchisee shall divulge the Trade Secrets and Copyrighted Works only to personnel who must know them to do their jobs, and shall divulge only those portions that the personnel need to know.

G. Public Information

The restrictions in this Section 8 on Franchisee's disclosure of Trade Secrets shall not apply to information that is or becomes generally known and used by other similar businesses, other than through disclosure (whether deliberate or not) by Franchisee.

9. Confidential Operations Manual

A. Loan

To protect Franchisor's reputation, to maintain uniform standards for Products and Services among Kiosk franchisees, and to promote the goodwill of the Marks, Franchisor shall lend to Franchisee one (1) copy of the Operations Manual for each Traditional or Reduced Operating Hours Kiosk operated by Franchisee. Franchisor can also elect to provide Franchisee with electronic, on-line access to the Operations Manual instead of lending a tangible copy. The Operations Manual may consist of one (1) or more separate manuals, forms template books and other materials as designated by Franchisor, which may be in tangible or electronic form. As a condition to the loan of each Operations Manual, Franchisee must pay to Franchisor a lending deposit (the "Manual Loan Deposit") in the amount stated on Schedule A of this Agreement, which amount is refundable only upon return of the Operations Manual at the transfer, expiration or termination of this Agreement or the applicable Addendum, whichever happens first. Franchisor can offset any refund amount due Franchisee against any amount Franchisee owes Franchisor when an Operations Manual is returned or electronic access discontinued. Franchisor will not acquire any right, title, or interest of any kind in the Operations Manual as a result of Franchisee's failure to return it to the Franchisor, and Franchisor's retention of the deposit shall not be deemed consideration for the Operations Manual.

B. Contents

The Operations Manual may include, but need not be limited to, some or all of the standards, procedures, policies and specifications pertaining to an Omari Kiosk and its operation, including food preparation and display methods, recipes and ingredient information, supplier information, processes and systems, advertising, equipment, forms and supply specifications and standards, rules for usage of the Marks, and other matters that Franchisor deems appropriate. Some of the terms contained in the Operations Manual will describe mandatory requirements, which are established by Franchisor to ensure the consistency and quality associated with the Omari Marks and System. If all or a part of the Operations Manual and/or other specifications, standards or operating procedures are posted on an Omari or other website, Franchisee agrees that it is Franchisee's responsibility to monitor the applicable website for any changes, additions or deletions in the information provided.

C. Supplements

Franchisor reserves the right to issue written additions to, deletions from or revisions of the Operations Manual (the "Manual Supplements") in hard copy or electronic form. References in this Agreement to the Operations Manual refer to the Operations Manual as amended from time to time by Manual Supplements. Franchisee shall adopt and comply at Franchisee's expense with Manual Supplements immediately on delivery/publication of the Manual Supplement containing the amendment or as otherwise directed by Franchisor.

D. Updating

Franchisee shall at all times assure that the loaned copy of the Operations Manual is kept up-to-date by immediately inserting all Manual Supplements into the Operations Manual. In any dispute about the contents of Franchisee's loaned copy of the Operations Manual, the contents of the master copy maintained by Franchisor shall control.

E. Operation of Kiosk

Franchisee agrees at all times to operate the Kiosk and maintain the Franchised Business in compliance with the mandatory procedures, policies, methods and requirements in the Operations Manual and any Manual Supplements and with all legal requirements and Premises Host policies and rules, to the extent lawful. Franchisee agrees to sign and comply with any code of conduct or other such form provided by the Premises Host.

F. Ownership

The copy of the Operations Manual loaned to Franchisee shall at all times remain the property of Franchisor. On the expiration, transfer or termination, for any reason, of this Agreement and/or any applicable Kiosk location Addendum, Franchisee shall return the Operations Manual to Franchisor and, if the Operations Manual or any part thereof is in electronic form, permanently delete the same from all electronic equipment. Franchisor will not acquire any right, title, or interest of any kind in the Operations Manual as a result of Franchisee's failure to comply with the foregoing obligations.

G. Confidentiality

Franchisee shall take all steps and implement all procedures necessary to maintain the confidentiality of the Operations Manual and its contents. Franchisee shall not copy, duplicate, record or otherwise reproduce any or all of the Operations Manual, except as may be authorized by Franchisor in writing, and shall not make any of the Operations Manual available to any unauthorized person. Franchisee shall assure that Franchisee's employees, agents, independent contractors and any other personnel do not copy, duplicate, record or otherwise reproduce any or all of the Operations Manual.

10. System Changes

A. Changes

Franchisee understands that it is important for the System to be flexible to respond to commercial opportunities and challenges. Franchisee anticipates and agrees that Franchisor will change the Manuals and the System from time to time to promote the System standards and their efficient operation, to protect or maintain the goodwill associated with the Marks, to meet competition and/or otherwise as Franchisor considers appropriate. Franchisee agrees to comply with mandatory provisions of the Manuals, the System and System standards as they are changed and understands that such changes can require additional investments and/or changes by Franchisee in operations and other areas of the Franchised Business. Franchisor has the unrestricted right to change or modify any elements of the System in response to or anticipation of changing market conditions, in an effort to improve the operation of the Kiosk or for other reasons and purposes. Franchisor also may adopt and use new or modified Marks, computer programs, operational techniques, menu items and ingredients, or change any other aspects of the System. Franchisee shall, at Franchisee's expense implement all changes and modifications as and when requested by Franchisor, as if they were a part of this Agreement when it was signed. Franchisee acknowledges that without Franchisee's commitment to the System and to fulfill each of the obligations detailed in this Agreement, Franchisor would not form this franchise relationship with Franchisee. Additionally, and to the extent that Franchisor's or its Affiliate's agreement with the Premises Host contains requirements, such as, but not necessarily limited to, requirements regarding insurance, permits, standards, or conduct, which are different from, more restrictive than or in addition to the requirements contained in this Franchise Agreement or the Manuals, then Franchisee agrees to comply with such Premises Host requirements.

B. No Franchisee Changes

Franchisee agrees to operate the Kiosk according to the System, and Franchisee shall neither deviate from any mandatory element of the System nor purport to change or modify any aspect of the System without Franchisor's prior written consent.

11. Advertising

A. Marketing and Kiosk Pricing

From time to time, Franchisor may provide or sell to Franchisee, point of sale promotional material, advertising templates for promoting the Kiosk and other marketing items and Franchisee shall use and display any such items as required and instructed by Franchisor. Franchisor may choose to charge a reasonable fee for any such item. Such charges shall not be considered as or deemed to be Marketing Fund contributions or fees and are separate and distinct from Franchisee's marketing fee obligations as provided in Section 11 C., below, but such charges shall count towards Franchisee's fulfillment of any Local Marketing Co-op requirements under Section 11 G., below. If Franchisee desires to use any advertising or promotional items/materials bearing the Marks but not provided or previously approved by Franchisor, Franchisee shall first submit to Franchisor for prior approval all such advertising/materials that Franchisee proposes to use. Such proposed advertising may include, without limitation, proposed print, broadcast and Internet advertising, flyers, containers, novelty items, brochures and all other forms of advertising or promotion. Franchisee advertising and promotional materials shall include trademark and copyright ownership notices (for example: ®, TM, SM, ©) and notices of independent business operation, as specified by Franchisor. All advertising and promotion for Franchisee's Kiosk must be conducted in a dignified and professional manner and accurately describe the type, quality and other features of the Kiosk Products and Services. Franchisee shall not conduct any advertising/promotions objectionable to the Premises Host and, at Franchisor's request, Franchisee shall immediately cease using any advertising that Franchisor deems outdated, incorrect, misleading, unlawful, inconsistent with the then-current image that Franchisor desires to present, or potentially harmful to the System or Marks, even if Franchisee disagrees with Franchisor's assessment. Franchisor reserves the right to use for Franchisor's own purposes and to authorize other franchisees to use, any and all advertising materials, procedures and concepts use, developed by or submitted by Franchisee, without charge or cost to Franchisor or any other franchisee. Franchisee agrees not to use any materials, publications, promotions or programs disapproved by Franchisor. Franchisor has the right to require that Franchisee maintain listings in major local telephone directories, including Yellow and White Pages, and in Internet directories designated from time to time by Franchisor. At Franchisor's expense, Franchisor has the right to require that Franchisee display in a conspicuous location at Franchisee's Kiosk(s) informational materials, including, without limitation, a brochure rack, relating to OmariTM franchise opportunities. Franchisee agrees to participate, at Franchisee's expense, in any advertising/marketing campaigns implemented by Franchisor and/or Premises Host from time to time, including any such campaigns involving discount coupons, menu promotions or other customer incentives. Such expenses shall not be considered as or deemed to be Marketing Fund contributions or fees and are separate and distinct from Franchisee's marketing fee obligations as provided in Section 11 C., below, but such charges shall count towards Franchisee's fulfillment of any Local Marketing Co-op requirements under Section 11 G., below.

B. Gift Card, Certificates and Customer Loyalty Programs, Mobile or Other Payment Capability/App/Programs

Franchisee agrees not to implement any gift card, gift certificate, customer loyalty or similar rewards program or any mobile or other payment capability/app/program for its Kiosk without Franchisor's prior written approval or as may be authorized in the Manuals or through other written communication to

Franchisees. Franchisor can condition any such consent upon Franchisee's compliance with or inclusion of particular program terms or practices designed to protect the good will associated with Marks. Franchisee agrees to accept credit cards, debit cards, and such other means of payment; to sell and accept Franchisor approved gift cards, gift certificates, and other comparable items, as provided or designated by Franchisor or which are prepared using any standard form Franchisor prescribes; and to abide by the terms of any gift card or gift certificate or loyalty program Franchisor specifies, all as provided in the Manuals or through other written communication to Franchisees and at Franchisee's expense, including without limitation all policies and procedures relating to sales, issuance and redemption and payment of related fees and costs. Franchisee agrees to honor gift cards in the form and manner Franchisor provides or approves, if any, regardless of whether issued directly or indirectly by Franchisee, Franchisor or another Omari™ Kiosk, and to timely make any payments due to Franchisor or a designee for gift cards sold by Franchisee and to comply with processes for requests for reimbursement for Products and Services sold in exchange for gift cards. Franchisee further agrees to implement and accept in its Franchised Business any mobile or any other payment capability/app/program Franchisor designates from time to time and to abide by the terms of any related mobile or any other payment program policies and procedures, all as provided in the Manuals or through other written communication to Franchisees and at Franchisee's expense. Franchisee agrees to purchase or lease, install and use all equipment components and software that meet any standards and specifications Franchisor establishes and which allow Franchisee to accept and process any such gift/loyalty cards, certificates or programs and mobile or any other payment programs, as Franchisor and/or the Premises Host may require. Franchisee shall give Franchisor independent access to related system information. Expenses incurred by Franchisee in connection with any gift card, certificate or customer loyalty program or any mobile or other payment capability/app/program shall not be considered or deemed to be Marketing Fund contributions or to satisfy any Local Marketing Co-op requirement and are separate and distinct from Franchisee's marketing fee obligations, as provided in Section 11 C. and Franchisee's Local Marketing Co-Op requirements under Section 11 G. below.

C. Marketing Fund and Marketing Fund Fees

With respect to any marketing fund implemented by Franchisor:

i) Franchisor may, but is not obligated to, establish a fund (the "Marketing Fund" or "Fund") for the purpose of promoting and enhancing the Kiosks, the System and the Marks. If Franchisor establishes a Marketing Fund, Franchisee shall participate in all Marketing Fund programs and pay to Franchisor or its designee the then-current Marketing Fund Fee (the "Marketing Fund Fee"). The Marketing Fund Fee amount and timing, as of the Effective Date, is as stated on Schedule A to this Agreement. Any Omari™ Kiosk owned by Franchisor or a Franchisor Associate may, but is not obligated to, make contributions to any Marketing Fund.

ii) If Franchisor establishes a Marketing Fund, the Marketing Fund will have the characteristics and be operated according to the terms contained in this Section 11 C. Franchisor will have sole discretion over all matters relating to its operations and be solely responsible for its financial management. The Marketing Fund will be accounted for separately and contributions may be used to pay for taxes related to the Fund and all administrative, accounting, audit, legal and other costs related to Fund activities and purposes and/or as authorized by the relevant franchise agreements. Franchisor will prepare and provide to Franchisee an annual summary of revenues and expenditures for the Marketing Fund upon written request from Franchisee. The Marketing Fund may be used as Franchisor considers appropriate, including for, but not limited to, product development; signage; creation, production and distribution of marketing, advertising, public relations and other materials in any medium, including the Internet; in-house agency services and expenses; all outside costs of administering the Fund, including related legal, insurance, accounting, auditing, and collection fees/costs; brand/image campaigns; media; national, regional, local and other marketing programs; agency and consulting services; research; web site development, maintenance and web-based campaigns; 800 numbers and advertising fulfillment costs; any expenses approved by

Franchisor and associated with franchisee advisory groups; and research costs. A brief statement regarding the availability of franchises may be included in advertising and other items produced or disseminated using the Marketing Fund, but Marketing Fund contributions will not be used for the direct solicitation of franchise sales. Franchisor can compensate itself and/or any Franchisor Associate for internal costs of administering the fund, including, but not limited to, applicable salary expenses; administrative costs; accounting and record keeping costs; internal production, research and creative expenses; goods and services delivered by Franchisor to the Marketing Fund; and related overhead costs and other internal expenses incurred by Franchisor.

iii) If/when Franchisor implements a Fund, Franchisor has the right to spend in any fiscal year an amount greater or less than the aggregate contributions to the Marketing Fund in that year, and the Marketing Fund may borrow from Franchisor or other lenders to cover Marketing Fund deficits. Franchisor can accumulate funds over time until such time as Franchisor determines in its sole discretion that sufficient funds are available to adequately conduct Fund activity(ies) as contemplated herein. Franchisor can cause the Marketing Fund to invest any surplus. Franchisor can at its discretion defer, waive and/or compromise claims for contributions to, and/or claims against or with respect to, the Marketing Fund and take legal or other action against any franchisee in default of its obligations and/or deny it access to programs, materials and/or other benefits funded by the Marketing Fund. Franchisee acknowledges and agrees that Franchisor has no obligation to ensure that expenditures by the Marketing Fund are or will be proportionate or equivalent to contributions to the Marketing Fund by Kiosk franchisees operating in any geographic area, or that any Kiosk franchisee will benefit directly, indirectly or in proportion to its contribution to the Marketing Fund. No profit or gain will accrue directly to Franchisor from the Marketing Fund. Any interest earned on Marketing Fund contributions will be remitted to the Marketing Fund. Franchisor Associates and Franchisor will not be liable for any act or omission in connection with the Marketing Fund that is consistent with this Agreement. Franchisee acknowledges that any Marketing Fund is not a “trust,” and does not create and is not in the nature of a “fiduciary” or similar special arrangement.

iv) Although Franchisor intends any Marketing Fund it may establish to be ongoing, Franchisor has the right to terminate any Marketing Fund. The Marketing Fund shall not be terminated, however, until all Marketing Fund contributions have been expended for purposes consistent with this Section 11 C. or returned to then current franchisees in good standing on a pro rata basis based on total Marketing Fund contributions made in the immediately preceding calendar year by each such franchisee.

D. The Omari™ Website(s) and Related Policies

Franchisor has the right, but is not obligated to, license, create and/or maintain an Omari™ or other branded website(s) (individually and collectively, the “Kiosk Website”). If requested by Franchisor, Franchisee will participate in any Kiosk Website and use related e-mail addresses, subject to usage policies and procedures provided by Franchisor in the Manuals or otherwise. Franchisee agrees to give Franchisor such data and information as Franchisor may require to enable Franchisor to develop and maintain the Kiosk Website content. Franchisee agrees to comply with Franchisor’s then-current use, privacy and other system policies and requirements. Franchisee is responsible for ensuring the compliance of employees, agents and others involved in Franchisee’s Franchised Business. Franchisee agrees to comply with the terms of use established by any third-party system host or website provider in connection with any Kiosk systems, Websites or programs and to arrange for any related maintenance, support or other services required for ongoing operation and participation in any of them. Neither Franchisor nor any Franchisor Associate will have any liability and/or obligation to Franchisee for failures, errors or other occurrences relating to any system, program, or Website, or to any computer hardware or software, even if recommended, maintained, created and/or specified by Franchisor. Franchisee shall not establish any website, Internet directory listing or any other presence on the Internet relating to the Kiosk or the Franchised Business or publish any information or statements using the Marks in any manner, including but not limited to social networks and related media, without the prior written consent of Franchisor. Franchisee shall not operate or be involved with any on line Kiosk offering or selling products or services

the same as or competitive with the Products and Services available through the Franchised Business. Franchisee acknowledges that the domain names *omarisushi.com* and *omarifranchising.com* are Franchisor's sole property, and Franchisee shall not register or use any domain name or URL that contains, uses or displays the words "OMARI™", "OMARI SUSHI™" or any Marks or other words or symbols related or confusingly similar to any of the foregoing without the express written authorization of Franchisor. Franchisee must seek Franchisor's advance written approval when selecting and using any domain name(s) for the Franchise contemplated under this Agreement. On termination or expiration of this Agreement any previous consent or approval given by Franchisor to use a domain name as provided herein, if any, shall automatically terminate, and Franchisee shall take all actions that Franchisor requires to disassociate Franchisee from the Kiosk Website and domain name and transfer such domain name to Franchisor immediately upon termination or expiration of this Agreement. This provision shall survive the termination or expiration of this Agreement.

E. Marketing Policies

Franchisor's policy as of the Effective Date of this Agreement is to allow Franchisee to market to customers located anywhere, but Franchisor reserves the right to change this policy and to implement other marketing policies and requirements from time to time. Franchisee agrees to comply with any such mandatory policies and requirements as they may be implemented or modified.

F. Grand Opening Promotion

Franchisee will purchase Grand Opening or Initial Marketing Materials, including any signs, banners, or point of sale décor, before the Kiosk opens as directed by Franchisor and/or the Premises Host. Franchisee must keep the appearance of the Kiosk consistent with quality and trademark standards, any Manual and the Premises Host rules. Franchisor will notify Franchisee if the Kiosk's appearance, signs or decor does not meet Franchisor's standards, and can require that Franchisee correct any deficiency. Such expenditures are in addition to Franchisee's required Marketing Fund contributions, as provided in Section 11. C, above, and to any Local Marketing Co-op payment requirements under Section 11 G., below.

G. Local Marketing Co-op

Franchisor reserves the right to require Franchisee to join a local marketing group (a "Co-op") if one is prescribed by Franchisor for an area in which Franchisee's Kiosk is located. Any Co-op will include one or more Omari™ Kiosks. All Omari™ Franchisees in the prescribed area will be obligated to participate in the Co-op, with each Omari™ Kiosk having a single vote, including any Kiosks owned by Franchisor or a Franchisor Associate. If established, Franchisee must contribute up to two percent (2%) of Gross Revenue and/or Wholesale Gross Revenue to the Co-op program monthly or as otherwise specified by at least one half of the Kiosks in the Co-op. Franchisee's Co-op contribution cannot exceed two percent (2%) of Gross Revenues and/or Wholesale Gross Revenue, unless a greater amount is approved by more than two thirds of the Kiosks in the Co-op, whether franchised or owned by Franchisor or Franchisor Associates. Franchisee's payments to any such Co-op shall not be considered as or deemed to be Marketing Fund contributions or fees and are separate and distinct from Franchisee's marketing fee obligations as provided in Section 11 C., above, or any program participation costs, as described in Section 11 B., above.

12. Other Fees and Revenue Sharing

A. Revenue Models

Franchisee understands that Franchisor's business model as of the date of this Agreement is based on a revenue sharing arrangement among the Premises Host, Franchisor and Franchisee. Franchisee will

not have or use a cash register or Point of Sales (“POS”) system at the Kiosk, except with express written authorization from Franchisor. Without such an authorization, Franchisee’s customers’ payments for Products and Services will be accepted by the Premises Host. Under this compensation model and by agreement with Franchisor or a Franchisor Associate, the Premises Host is to keep a negotiated amount of Gross Revenues and/or Wholesale Gross Revenues, as applicable, generated by Franchisee’s Kiosk (the “Host Share”), with the remaining balance of Gross Revenues and/or Wholesale Gross Revenues, as applicable, to be received by Franchisor. Franchisor deducts its portion of the Gross Revenues and/or Wholesale Gross Revenues, as applicable, actually received by Franchisor (the “Franchisor Share”) and pays Franchisee’s portion of such Gross Revenues and/or Wholesale Gross Revenues, as applicable, (the “Franchisee Share”), less offsets and deductions for fees, advances, product/service purchases and other amounts payable to Franchisor and/or a Franchisor Associate, as described in this Agreement (the “Reconciliation”). As of the Effective Date of this Agreement, Franchisor performs the Reconciliation and makes any payment due Franchisee on a calendar month basis, regardless of when payments are received by Franchisor from the Premises Host. By way of illustration only, Franchisee’s Gross Revenues and/or Wholesale Gross Revenues, as applicable, generated in June would be employed in a Reconciliation and the related Franchisee Share payment made by Franchisor in July, as provided in Section 12.B, below. For purposes of this Agreement, “**Gross Revenues**” are the amounts received from Franchisee sales of Products and Services, whether approved or otherwise, or made under the Marks, excluding customer refunds, credits and sales taxes paid by Franchisee and “**Wholesale Gross Revenues**” are amounts received from Products and Services prepared and provided by Franchisee, whether approved or otherwise, at established Wholesale Prices, to the Premises Host and sold at retail. Wholesale Prices for the Location are negotiated and established pursuant to the applicable Third-Party Contract, subject to change from time to time. Franchisor can, but is not required, to deviate from this payment model on a case by case basis according to arrangements with the applicable Premises Host. Franchisee agrees that Franchisor also has the right to implement an alternative compensation process/model during the term of this Agreement through Manual Supplements or other written direction, including the right to require that Franchisee collect customer payments and pay Franchisor a percentage royalty on related Gross Revenues and/or Wholesale Gross Revenues, which, as to then operating Franchisee Kiosk locations, will result in a Franchisee Share of Gross Revenues and/or Wholesale Gross Revenues, as applicable, that is approximately equivalent to the portion originally contemplated in the applicable Addendum. Franchisor’s exercise of any such rights granted under this Agreement is not an amendment to or modification of this Agreement.

B. Franchisee Share

(i) Franchisee’s Share of Gross Revenues and/or Wholesale Gross Revenues, before any offset or deductions by Franchisor as provided in Section 26, below, is stated on the applicable Kiosk location Addendum and can vary by location, as can payment frequency. Franchisee acknowledges and agrees that Franchisee is entitled under this Agreement only to a portion of Gross Revenues and/or Wholesale Gross Revenues, as applicable, payments actually received by Franchisor through the Premises Host. Franchisee further acknowledges that the Premises Host may from time to time require an increase in the Premises Host share of Gross Revenues and/or Wholesale Gross Revenues, which requires a corresponding adjustment to Franchisee’s and/or Franchisor’s Share of Gross Revenues and/or Wholesale Gross Revenues. Franchisor shall inform Franchisee of any such Premises Host adjustment requirement and offer Franchisee a revised Share of Gross Revenues and/or Wholesale Gross Revenues, as applicable, in writing. Franchisee shall have thirty (30) days to accept or reject the revised Share offer in writing. If Franchisee accepts, the applicable Kiosk location Addendum shall be modified accordingly and signed by both parties. If the offer is not acceptable to Franchisee, Franchisee may elect to cancel this Agreement or the applicable Kiosk location Addendum in writing within such thirty (30) day period. Franchisee also may request possible relocation in the manner described in and subject to the terms of Section 4.C, above, provided that for purposes of this provision the Addendum for the applicable Kiosk location is deemed cancelled effective

as of the expiration of the thirty (30) day period noted above, unless otherwise agreed by Franchisor and Franchisee in writing (the “Cancellation Date”).

(ii) Franchisor does not guarantee any funds or payments. However, at its option, Franchisor may advance monies uncollected from the Premises Host for up to thirty (30) days. Franchisor will use reasonable commercial efforts to collect Gross Revenues and/or Wholesale Gross Revenues, as applicable, owed by the Premises Host, but shall not be obligated to engage attorneys or any other third party or to file suit to collect any account. Franchisor can choose to discontinue any further collection activity after expending reasonable efforts and any advanced funds given to Franchisee applicable to such Host (an “Uncollected Account”) will be deducted by Franchisor from other amounts payable, or to be paid, to Franchisee under this Agreement. Franchisor is not liable for Franchisee’s Share of Gross Revenue and/or Wholesale Gross Revenues if the Premises Host or Premises owner declares bankruptcy or is involved in a similar proceeding and fails to pay Franchisor Gross Revenue and/or Wholesale Gross Revenues received in connection with Franchisee’s Kiosk operations.

C. Franchisee Payment Obligations

Franchisee is exclusively responsible for paying in full and on time all costs and expenses of Franchisee’s Kiosk(s) locations and the Franchised Business, including food product and other inventory items, employee compensation, related utilities, taxes (such as self-employment taxes, income taxes, sales taxes and payroll taxes to the extent applicable), packaging and labeling materials and related hardware and assumes full responsibility for social security and any other taxes required to be withheld and for worker’s compensation insurance, all as required by law.

E. Payments; Electronic Transfer

Franchisee agrees to pay any amount owed to Franchisor in the manner Franchisor instructs, including possibly by credit card or pre-authorized electronic debit to Franchisor’s bank or other financial institution. Franchisee agrees to complete and execute any bank authorization or other form required by Franchisor for the purpose of authorizing Franchisor’s selected payment method. Franchisee agrees to maintain an account at a bank or other financial institution that has the capacity to perform electronic debits to its account and to maintain account balances sufficient to meet any electronic payments that Franchisor requires.

F. Interest and Administrative Fees; No Payment Withholding

Amounts payable to, but not received by, Franchisor from Franchisee on the date due, bear interest, as provided in Section 25, below. Franchisee does not have the right to offset or withhold payments of any kind owed or to be owed to Franchisor or any Franchisor Associate as a result of any dispute with Franchisor or otherwise, except as authorized by an arbitration award or in a judicial proceeding.

G. Inflation Adjustments

Franchisor can adjust any amount in this Agreement or the Operations Manual which is described as subject to inflation adjustment on an annual basis and in proportion to the changes in the Consumer Price Index (U.S. Average, all items) maintained by the U.S. Department of Labor (or any successor index) as compared to the previous year. Franchisor does not offer franchisees such a program as of the Effective Date of this Agreement.

J. Standards Administration Charge

Franchisee shall pay Franchisor a fee to assist Franchisor in recouping internal costs incurred in connection with the administration of complaints and/or defaults involving Franchisee's Kiosk or Franchised Business and/or Franchisee's failure to maintain quality and consistency in Kiosk operations (the "Standards Administration Fee"). The Standards Administration Fee is in the amount stated on Schedule A to this Agreement and is payable on demand. Such payment shall not be considered a measure of any actual damages incurred by Franchisor or act to waive any rights or remedies available to Franchisor for a default by Franchisee under this Agreement and otherwise as may be available under law or equity. In any event, Franchisee is primarily responsible for resolving such complaints to the complainant's satisfaction.

K. Testing Costs

If Franchisor determines in its sole discretion that testing of items from a Franchisee Kiosk is advisable as a result of complaints, audits or other business reasons, Franchisee shall pay Franchisor or its designee upon receipt of invoice the then current lab testing fee (the "Lab Testing Fee"). The Lab Testing Fee as of the Effective Date is as stated on Schedule A to this Agreement and is payable on demand.

If and to the extent that a Premises Host specifies more rigorous record keeping or related business practices than are prescribed in the Operations Manual, Franchisee shall meet such requirements for each applicable Kiosk. Franchisee acknowledges that Franchisor shall have the right to use and/or disclose any information collected, produced or maintained under any program implemented by Franchisor, including prior sales data for comparative purposes related to franchisee incentive programs.

B. Reporting and Discrepancies with Premises Host Data

At such time and using such forms and in the manner as Franchisor requests, Franchisee shall provide to Franchisor information about or relating to the Franchised Business, including without limitation, inventory information, customer profiles and counts, profit and loss statements, balance sheets, tax returns and other business information, and Franchisee shall certify the accuracy of the information provided. Premises Host data/reports will control if there is any inconsistency between Franchisee's information and the Premises Host revenue or other data. Franchisee has thirty (30) days from receipt of a Reconciliation Statement regarding a Kiosk to notify Franchisor in writing of any alleged discrepancy. Franchisor may establish policies and procedures in the Operations Manuals for addressing an alleged discrepancy and Franchisee shall follow them as they are established. Franchisee waives any right to seek an adjustment on an alleged discrepancy for which written notice is not delivered to Franchisor within thirty (30) days of Franchisee's receipt of a Reconciliation Statement, except as provided in Section 13.F. For purposes of this provision, a Reconciliation Statement is a report of sales revenues generated by Franchisee on a per Kiosk basis within a specified time period and the portion of such revenues attributed to Franchisee, as provided under Section 12.B, above, and in the applicable Kiosk Addendum.

D. Inspection and Audit

Franchisee must make available to Franchisor for inspection at a time and in the manner that Franchisor requests from time to time, all original books and records that Franchisor specifies. Franchisor or its designee shall have the right, at all reasonable times, to examine, copy, inspect and audit Franchisee's books and records.

E. Results of Inspection and Audit

If an inspection or audit reveals any underpayment or understatement to Franchisor, then Franchisee shall immediately pay the amount of the underpayment, plus interest from the date the amount was due until paid, at the rate stated in Section 25. If an inspection or audit discloses an underpayment or understatement of two percent (2%) or more, then Franchisee shall also reimburse Franchisor's costs and expenses of the inspection or audit. The provisions of this Section 13.E are not intended to waive or excuse any breach made by the underpayment or understatement, and are additional to all of Franchisor's other rights and remedies, including Section 18.B(iii).

F. Franchisee's Request for Reasonable Substantiation

Franchisee may from time to time request Franchisor in writing to provide reasonable written substantiation in support of a calculation of Franchisee's Share of Gross Revenues and/or Wholesale Gross Revenues, as applicable, for a particular Kiosk. Franchisor shall make commercially reasonable efforts to comply with Franchisee's request within fifteen (15) days of receipt of such a request; provided that Franchisee's requests are reasonable in number and frequency. If and to the extent that the substantiation proves a shortfall in revenues actually paid Franchisee after deduction for amounts payable by Franchisee under this Agreement, Franchisor shall pay Franchisee any proven shortfall amount within thirty (30) days of receipt of Franchisee's request. Franchisee waives any right to seek an adjustment on an alleged discrepancy for which written notice is not delivered to Franchisor within thirty (30) days of Franchisee's receipt of the substantiation from Franchisor.

14. Standards

A. Quality and Performance

Franchisee shall adhere to high standards of quality, honesty, fair dealing, and ethical conduct in all dealings with customers, suppliers, the public, government agencies, Franchisor, Premises Hosts, and all other persons and entities for the protection of the Marks and associated goodwill. Franchisee shall always provide prompt, courteous and efficient service to customers.

B. Commencing Operations

Unless otherwise permitted or arranged by Franchisor, Franchisee shall participate in the initial certification program and begin operation of an initial Kiosk location within thirty (30) days after signing this Agreement, provided that the Premises Host then allows Franchisee to occupy and operate the Kiosk. Before operating any Kiosk, Franchisee shall at its expense ensure that the Designated Owner, chef(s) and other applicable Franchisee staff obtain food protection manager or food handler certifications, as well as licenses, permits and approvals needed to conduct business lawfully at the Kiosk. Franchisor reserves the right to require proof that such certifications, licenses and other such documents have been obtained and are maintained as required under applicable law. Franchisee is solely responsible for hiring any necessary personnel and obtaining and installing all necessary equipment and furnishings needed to start and operate the business at the Kiosk in compliance with all insurance requirements, as specified in this Agreement, Franchisor standards and specifications, the Premises Host requirements and applicable law. Franchisee hereby grants Franchisor and its Affiliates authority to apply on Franchisee's behalf for any required permits or licenses for a location and shall reimburse Franchisor or an applicable Affiliate for any costs incurred in obtaining the applicable permits/licenses for the Kiosk for Franchisee's benefit. Franchisor is not obligated to obtain any such license or permit for Franchisee's Kiosk.

C. Condition of the Kiosk

Franchisee shall maintain the condition and appearance of the Kiosk consistent with Franchisor's standards and the Manuals and subject to all requirements and rules established by a Premises Host, as well as health, safety, sanitation and other legal requirements. Franchisor shall have the right to notify Franchisee that in Franchisor's judgment, the Kiosk's repair, cleanliness, operations, appearance, equipment, signs or decor does not meet Franchisor's standards or the standards of the Premises Host, and to state what action Franchisee must take to correct the deficiency(s). Franchisee shall take all steps needed to correct each deficiency within the timeframe(s) then required by Franchisor.

D. All Products and Services

Franchisee shall offer for sale and use at the Kiosk on a retail basis only all Franchisor-required Services and Products, subject to any applicable Premises Host rules and/or requirements. Franchisee shall not offer for sale or sell any services or items at any location that are not approved by Franchisor or the Premises Host in connection with the Franchised Business and the applicable Kiosk. A Premises Host may require that specific grocery items be obtained from it to facilitate tracing the product source for quality and liability reasons or for other business purposes. Franchisee will be notified of any such requirements prior to signing the applicable Kiosk Location Addendum. Franchisor may introduce new Products and menu items from time to time and Franchisee agrees to comply with related inventory requirements for testing/launching such Products. Franchisee shall not conduct any business or engage in any activity at the Kiosk or offer or sell any goods or services other than the Products and Services according to the System and the Manuals. All Products prepared at or for the Kiosk must be offered and sold only at the Kiosk, except for Products Franchisee prepares for sale at a Satellite Kiosk location under an applicable Addendum with the same Premises Host. Franchisor can condition Franchisee's offer or use of any Product or Service, or Franchisee's participation in any program or promotion, on Franchisee's ability to meet any prescribed certification, professional, operational or experience qualifications, or other requirement.

E. Approved Suppliers

Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality services and products under the Marks. Franchisee shall provide or offer for sale or use in the Franchised Business only those products, equipment and services that Franchisor from time to time approves (and which are not later disapproved) and that comply with Franchisor's specifications and quality standards (collectively, "Products and Services"). If required by Franchisor, Products and Services must be purchased only from vendors that Franchisor designates or approves ("Approved Suppliers"). Franchisor or an Affiliate can be Approved Suppliers, and may be exclusive Approved Suppliers of Products and Services. Franchisee must not offer for sale, sell, use or provide any goods or services in the Franchised Business that Franchisor has not approved for sale or use at the Kiosk and must offer and sell at the Kiosk all Products and Services required by Franchisor. Franchisor has no liability of any kind for an Approved Supplier's performance or any of their prices, Products and/or Services. Unless Franchisor or a Franchisor Associate gives to Franchisee a specific written warranty for a particular item or service, as to Franchisor and any Franchisor Associate, such items/services are offered, provided and/or "approved" without any warranties, express or implied, from Franchisor or any Franchisor Associate, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE BEING EXPRESSLY DISCLAIMED.

F. Other Supplies and Suppliers

If Franchisee wants to deviate from any required Product, Service or Approved Supplier or other specifications established by Franchisor, Franchisee must submit to Franchisor samples and other

information that Franchisor requests to permit evaluation of the proposed product, service or supplier. Franchisee must pay Franchisor a fee for internal processing and also pay Franchisor's costs incurred in conducting the evaluation, which amounts will be invoiced by Franchisor and payable on demand, regardless of whether or not approval is received (the "New Product/Supplier Evaluation Fee"). The New Product/Supplier Evaluation Fee as of the Effective Date is stated on Schedule A to this Agreement and is subject to change by Franchisor. Franchisor shall either approve or disapprove in writing the proposed supplies and/or suppliers within sixty (60) days of Franchisor's receipt of the evaluation request and related fee, or within a reasonable time afterwards. Nothing in this Section shall be construed to require Franchisor to approve any particular supplier, product or service, or to require Franchisor to make available to prospective suppliers, standards and specifications that Franchisor deems to be confidential and/or proprietary.

G. Revocation of Approval

Franchisor has the right to re-evaluate any products, services or suppliers previously approved and to revoke or condition the prior approval.

H. Quality Standards

All items used in operating the Kiosk that are not specifically required to be purchased according to a list of approved suppliers, products or services, shall conform to any related specifications and quality standards that Franchisor establishes from time to time. Only fresh ingredients and items of the highest quality will be used in preparing Products. All food menu items shall be prepared only by personnel meeting Franchisor's certification and training standards and according to Omari™ System recipes, techniques, and processes.

I. Supervision and Relationship Clarity

The Kiosk shall at all times be under the direct supervision of the Designated Owner or Kiosk Manager, as applicable. Franchisee shall maintain competent personnel to staff each Kiosk and shall ensure that each of them fully understands that Franchisee and Franchisor, as well as Franchisor's Affiliates, are separate and distinct business entities and that Franchisee's employees are employed exclusively by Franchisee, which is the sole decision-maker related to issues or questions involving their employment. Franchisee shall ensure that each employee signs an acknowledgment of such understanding in a form acceptable to Franchisor and shall provide Franchisor copies of the same upon request. If Franchisee employs a Kiosk Manager, Franchisee and the Designated Owner shall remain obligated to supervise the operations of the Kiosk. Franchisee shall keep Franchisor informed at all times of the identity of each Kiosk Manager, notifying Franchisor within twenty-four (24) hours of any departures or hiring of Kiosk Managers, and shall provide Franchisor upon request with a copy of the applicable limited use and non-disclosure agreement, as provided in Section 5.G.

J. Legal Compliance; Anti-Terrorism Laws

Franchisee shall obtain and maintain all required licenses, permits and certificates to permit lawful operation of the Kiosk, including any lawful requirements imposed by the Premises Host. If Franchisee has not already done so as of the Effective Date of this Agreement, Franchisee must form a separate legal business entity (corporation or limited liability company) to operate the Kiosk and maintain at least one employee, unless Franchisor consents otherwise in writing. Franchisor has an unrestricted right to grant or deny such a consent, as it deems appropriate and on a case by case basis. Franchisee shall remain a corporation or limited liability company, as applicable, in good standing under local law. Franchisee agrees to operate the Kiosk in full compliance with all applicable laws, ordinances and regulations and Premises

Host rules and requirements, including without limitation those pertaining to wages, hours, working conditions, employment verification, and all other labor laws; social security and income tax laws and regulations; health, safety, sanitation and restaurant operation laws and regulations, including health department inspections and orders; food labeling and nutrition requirements, and the Hazard Analysis and Critical Control Point (“HACCP”) food safety program adopted by the U.S. Food and Drug Administration and rules on handling, preparing and serving foods by people with communicable or infectious diseases. Franchisee and its owners certify, represent, and warrant that none are or will be in violation of the Fair Labor Standards Act, the Occupational Safety and Health Act, any state wage and hour or workers compensation act, any state unemployment compensation benefit law or regulation, or any other federal, state or local employment-related or employee benefit law or regulation or any of the Anti-Terrorism Laws. “Anti-Terrorism Laws” mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, the USA Freedom Act of 2015 and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war.

K. Forms

Franchisor may from time to time provide Franchisee with template or sample forms/agreements and other materials and/or require through the Manuals or other written instruction that forms used by Franchisee in the Franchised Business contain certain terms and/or protections for Franchisor. Franchisor does not warrant the legal sufficiency or quality of any such documents that Franchisor may approve or provide, and Franchisee is responsible to have all such items reviewed and modified for compliance with local law by an attorney licensed to practice in the state(s) where Franchisee’s Franchised Business will be located.

L. Customer Complaints and Legal Actions

Franchisee must notify Franchisor in writing immediately but in no event more than twenty-four (24) hours after learning of i) any action, suit or proceeding, or of the issuance of any order, notice of violation, writ, injunction, award or decree of any court or government agency that may adversely affect the operation or financial condition of the Kiosk, the Marks or the System, or ii) any complaints or objections by the Premises Host or a Kiosk customer.

M. Physical Testing, Credit and Background Checks

Franchisee (and any specified personnel, as applicable) shall undergo drug, tuberculosis and other physical testing and/or credit/background investigations as required by Franchisor and/or a Premises Host and to the extent lawful, and authorizes the results to be shared with Franchisor and the Premises Host. Franchisee shall complete all required forms and consents and take such action as is necessary to comply with the applicable requirements and shall pay on demand all associated costs and expenses. If any such testing/check is conducted by or through Franchisor, Franchisee shall pay Franchisor the then current fee (the “Testing/Investigation Fee”) as stated on Schedule A attached to this Agreement. The Testing/Investigation Fee is payable to Franchisor on demand, regardless of outcome, and is subject to change by Franchisor. If Franchisee fails any such test or check Franchisor has the right to terminate this Agreement and any Addendum without liability or refund of any kind.

N. Franchisor and Affiliates as Suppliers; Benefits from Suppliers

Franchisee acknowledges that Franchisor will require Franchisee to offer for sale and purchase at the Kiosk Products and Services for which Franchisor and/or its Affiliates are Approved Suppliers and for which Franchisor or an Affiliate may be an exclusive Approved Supplier. Franchisor and/or its Affiliates

will make a profit on such sales to franchisees and also have the right to receive monetary and other consideration from suppliers, distributors and manufacturers in connection with sales of Products and Services to Kiosk businesses, or in consideration for services provided or rights licensed to such persons. Franchisee agrees that Franchisor and its Affiliates have the right to keep all such profit and consideration, including any volume rebates, markups and other benefits. Additionally, Franchisor has developed and may continue to develop proprietary products using Trade Secrets and which Franchisee must obtain only from Franchisor or another designated Approved Supplier. In order to maintain consistent quality associated with the Omari™ brand and image, Franchisee must purchase from Franchisor or an Approved Supplier as of the Effective Date of this Agreement a significant percentage of required Products and Services, including, without limitation, rice, vinegar, pre-packaged food products and condiments, seafood products, Franchisor-branded items, labels, sauces and sushi trays. This list and Products and Services are subject to change by Franchisor. Franchisee will have an opportunity to review a current price list for Products/Services sold by Franchisor and/or Franchisor Associates before signing the Franchise Agreement, but prices are subject to change at the discretion of Franchisor and/or Franchisor Associates, as the case may be. Franchisor can require that Franchisee sign a non-disclosure agreement before sharing this information. If Franchisee identifies a possible alternative supplier for any of such Products and Services, Franchisee can request Franchisor's approval of the same as provided in Section 14.F, above. Franchisor and any Franchisor Associate has the right to allocate its Products or Services in its sole discretion, and particularly if Franchisor or a Franchisor Associate experiences shortages of material or products or interruptions or delays in services which are related to the Franchised Business. Franchisee excuses Franchisor and its Franchisor Associates from any and all liability resulting from shortages or allocation choices. Franchisee agrees to comply with Franchisor's policies and procedures regarding product shipments from Franchisor or a Franchisor Associate, as provided in the Operations Manual or other written instruction to Franchisee.

O. Conduct Towards Premises Host

Franchisee shall not interfere or disrupt Franchisor's relationship with the Premises Host or disparage either to the other in any manner and shall always claim to be an independent contractor and not Franchisor's agent or employee. Franchisee's communications with the Premises Host shall be limited to those required for the day to day operation of the Kiosk.

P. Sampling and Inventory

Franchisee shall have and maintain food, product and supplies inventories and staffing sufficiently adequate to operate the Kiosk at a high level of capacity and to satisfy the needs of customers at the applicable locations and in compliance with the Addendum. Franchisee also shall comply at Franchisee's expense with any sampling policies or requirements Franchisor establishes in the Manuals or through other written communication or as requested by Premises Host from time to time.

Q. Uniforms and Operating Hours

Franchisee shall provide its staff with Franchisor's branded uniforms according to Franchisor specifications and which must be worn at the Kiosk at all times. Franchisee shall staff and operate each Kiosk every day that the Premises Host facility is open for business, subject to the applicable Addendum requirements.

R. Pricing

Franchisee shall have the right to establish its retail prices for Products and Services it delivers at the Kiosk, subject to any legal requirements established by the Premises Host. Franchisor also may

recommend prices and pricing practices and may provide conforming labels consistent with such recommendations. If Franchisee chooses to charge a different price for the Products and Services, Franchisee shall pay and/or reimburse Franchisor for costs incurred in preparation of labels modified to conform to Franchisee's pricing decisions. In any event, Franchisor reserves the right to establish minimum and maximum prices to the extent permitted under applicable law.

15. Franchisor's Assistance

A. Kiosk Layout

Franchisee acknowledges that the layout of a Kiosk is principally determined by the Premises Host and that Franchisee will have to adapt the Kiosk operations to the physical facility as developed by the Premises Host.

B. Opening Assistance

Franchisor shall provide Franchisee set up and opening assistance for its initial Kiosk location in connection with the on-site curriculum provided during the initial certification program. Franchisor shall not be obligated to provide the initial certification program or any such assistance until such time as Franchisee has satisfied Franchisor's then current pre-opening requirements. Franchisee will be notified in writing as to when the initial certification program services will be available on-site and the Kiosk can be opened for business. Franchisee shall not offer or sell any products or services or prepare any product at the Kiosk until the initial certification program is completed and consent to open obtained from Franchisor in writing.

C. Additional Assistance

Franchisor shall provide, from time to time, additional guidance, advice and consultation concerning operation of the Kiosk to the extent and at such times and in such a manner as Franchisor determines, including by telephone or electronic media. Franchisee shall cooperate in receiving and participating in any of these services that Franchisor elects to provide.

D. Kiosk Inspections

Franchisor has the right to conduct inspections of the Kiosk at times that Franchisor deems appropriate, either with or without prior notice to Franchisee. Franchisee shall cooperate in permitting Franchisor to inspect any and all aspects of the Kiosk operation and to interview, question and otherwise communicate directly with customers, employees, vendors and others who may have contact with the Kiosk. Franchisee shall take such action as and when Franchisor requests to correct deficiencies identified by any such inspections and shall cooperate in and be responsible for costs associated with any lab testing that Franchisor determines is warranted in its sole discretion as a result of the inspections, complaints received or other quality considerations, as provided in Section 12.K, above.

16. Risk Management Provisions

A. Required Insurance

Franchisee shall obtain and maintain the following minimum insurance coverage through carriers satisfactory to Franchisor. Franchisee shall meet any additional or varied requirements for a particular Kiosk as established by the Premises Host:

- i) Commercial General Liability coverage covering the premises and Franchisee's operations for bodily injury, including death, and property damage liability including contractual liability, personal injury, advertising liability and product liability coverage in amounts not less than \$2,000,000 per occurrence and \$4,000,000 aggregate and a deductible of no more than \$1,000;

- ix) Employment Practices Liability Insurance (for Franchisees with multiple Kiosk locations).

Policies shall i) name Franchisor, Franchisor Affiliates and each of their respective shareholders, directors, members, managers, officers, partners, employees, representatives, agents, and other personnel (i.e. "Indemnified Parties") and the applicable Premises Host as additional insureds and entitled to receive at least thirty (30) days' prior written notice of any intention to reduce coverage or policy limits or to cancel or otherwise amend the policy; ii) contain waivers of subrogation in favor of Franchisor and Franchisor Affiliates (which shall be operative only so long as available in the state having jurisdiction over an affected claim and provided further that no policy of insurance is invalidated thereby); and iii) be written as primary policies which provide that any insurance carried by Franchisor and/or Franchisor Affiliates is strictly excess, secondary and non-contributing with any insurance Franchisee carries. Franchisor shall have the right from time to time to revise coverage types and policy amounts that Franchisee must obtain and maintain.

B. Proof of Insurance

Franchisee shall provide Franchisor with certificates of insurance evidencing the coverage described in Section 16.A before the Kiosk can begin operation. Franchisee shall deliver to Franchisor a complete copy of each insurance policy within twenty-one (21) days after delivery of the certificates of insurance and of each new or renewal policy on receipt of the policy. Franchisor shall have the right at any time to require Franchisee to provide to Franchisor full copies of Franchisee's insurance policies and certificates of insurance.

C. Franchisor's Right to Secure Insurance

If Franchisee fails to purchase, maintain or provide proof of insurance and copies of policies, then Franchisor shall have the right, but not the obligation, to obtain that insurance, or other insurance that Franchisor is able to obtain for the intended purpose, and Franchisee grants Franchisor a power of attorney to obtain the insurance on Franchisee's behalf. Franchisee shall pay all premiums for the insurance and shall reimburse any premium payments made by Franchisor. Franchisor may charge Franchisee an administrative fee if Franchisor obtains insurance on Franchisee's behalf, which shall be payable on demand. Franchisor has the right to offset the cost of any unpaid premiums and administrative charges against any amount payable to Franchisee.

D. Disclaimer

Franchisor shall have no obligation to obtain or maintain any insurance for or on behalf of Franchisee. Nothing in this Agreement is an undertaking or representation that any insurance Franchisee is required to obtain and maintain will be a sufficient amount or scope of insurance for any purpose.

E. Claims

Franchisee shall notify Franchisor in writing of any and all claims or demands against Franchisee, the Kiosk or Franchisor immediately, but in no event more than twenty-four (24) hours after Franchisee receives actual notice of the claim or demand. Franchisee shall respond to all claims within the time required by law. Franchisee shall cooperate with Franchisor or Franchisor's designee in defending Franchisor and Franchisee against any and all claims.

F. Indemnification

Franchisee shall defend, at its own cost, and indemnify and hold harmless Indemnified Parties, as defined in Section 16.A, above, from and against any and all losses, costs, expenses (including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses), damages and liabilities, however caused, resulting directly or indirectly from, or pertaining to actual or alleged acts or omissions of Franchisee, Franchisee's personnel or others, or the use, condition or construction, equipment, decoration, maintenance or operation of, the Kiosk and/or the Franchised Business, including the sale or distribution of any product or service from the Kiosk, or from or pertaining to any breach of this Agreement by Franchisee. Franchisee acknowledges that this obligation to defend, indemnify and reimburse Indemnified Parties as described above, applies to any action or proceeding or legal matter of any kind in which one or more Indemnified Parties is/are named or involved and which also involves this Agreement and/or Franchisee's Franchised Business, including any administrative actions or investigations and appellate, post judgment or bankruptcy proceedings, and also applies to claims from persons employed by or providing services to Franchisee involving allegations of a violation of the Fair Labor Standards Act, the Occupational Safety and Health Act, any state workers' compensation act, any state unemployment compensation benefit law or regulation, or any other federal, state or local employment or employee benefit law or regulation, and regardless of the basis of the alleged liability, whether joint employer, ostensible agency, vicarious liability or otherwise. All such indemnification obligations survive termination, transfer or expiration of this Agreement.

G. *No Assumption of Liability*

Franchisor shall not by virtue of any approvals, advice, or Products or Services provided to Franchisee assume responsibility or liability to Franchisee or any third parties to which Franchisor would not otherwise be subject.

17. Covenants

A. *Personal Effort*

Franchisee is solely responsible for managing the Franchised Business and the Designated Owner must participate in the daily Kiosk operation and directly supervise the Kiosk. Franchisee authorizes Franchisor to deal with any Designated Owner on all matters relating to this Agreement and the Franchised Business and, if Franchisee has multiple Kiosks, with any Kiosk Manager regarding routine operations and reporting requirements. Franchisee is solely responsible for the hiring and management of Franchisee's employees, for the terms of their employment and for ensuring their compliance with any certification or other standards Franchisor establishes. The Designated Owner must keep Franchisor informed as to the identity of each Kiosk Manager for a Kiosk and give to Franchisor in writing an updated manager list within twenty-four (24) hours of a manager's departure or hiring. Franchisee and each Designated Owner/Kiosk Manager must always meet then current certification and operational standards, as specified by the Franchisor.

B. *No Diversion or Prejudicial Actions*

To fullest extent permitted under the law, during the term of this Agreement and for 12 months after the transfer, termination or expiration of this Agreement, Franchisee, Franchisee Affiliates and Owners shall not, either directly or indirectly, for itself/themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other entity i) divert or attempt to divert any business or customers of any Omari™ Kiosk to any competitor, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System.

C. *Premises Host Acceptance*

Franchisee acknowledges that, while Franchisee is solely responsible for the employment practices of the Franchised Business and hiring/firing/discipline/scheduling of employees and the terms and conditions of their employment, Franchisee must conduct the Franchised Business in compliance with Premises Host requirements in order to preserve the goodwill associated with the Omari™ brand.

D. *No Engaging in Competing Business During the Term of This Agreement*

During the term of this Agreement Franchisee, each Franchisee Affiliate, each shareholder, member, director, manager, trustee or partner of Franchisee, and each Family Member of each of the foregoing, shall not:

- i) have any direct or indirect interest anywhere in any Similar Business or in any entity granting franchises or licenses or establishing joint ventures for the operation of Similar Businesses; or
- ii) provide any financial support or perform any services anywhere as an employee, agent, representative, consultant or in any capacity of any kind for any Similar Business, or for

any entity granting franchises or licenses or establishing joint ventures to operate Similar Businesses.

For purposes of this Agreement, i) a “Similar Business” is any business or enterprise, other than a sushi kiosk operated by Franchisee, a Franchisee Affiliate, a shareholder, member, director, manager, trustee or partner of Franchisee, under another brand and pursuant to a franchise agreement and/or kiosk addendum with Franchisor or a Franchisor Associate, that sells sushi (and such product sales represent 15% or more of such business/enterprise’s sales) and any enterprise granting franchises or licenses to operate a Similar Business; and ii) “Family Members” include an individual and his/her spouse and/or domestic partner, and their respective mother, father, brother, sister, son, daughter and relatives.

E. Post Term Covenants

Franchisee agrees that for two (2) years after any transfer, repurchase, termination or expiration of this Agreement, Franchisee, each Franchisee Affiliate, and each Franchisee shareholder, member, director, manager, trustee or partner, and each Family Member of any of the foregoing, shall be subject to all of the restrictions stated in Section 17.D, above, with respect to Similar Businesses located, and/or services to be performed, within the following areas, except as restricted by law or as otherwise agreed to by Franchisor in writing:

- i) 5 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a major city (as defined below);
- ii) 10 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a metropolitan area (as defined below);
- iii) 15 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a rural area (as defined below);
- iv) In this Agreement, a “major city” means any of the top 25 cities in the U.S. measured by population; a “metropolitan city” means any city other than a major city where the population density is greater than 1,000 people per square mile; and a “rural area” means an area with a population density of 1,000 people per square mile or less. Population figures at the time of expiration or termination will be used in the application of this term, and Franchisor will provide Franchisee a list of then current Kiosk locations upon request.

Franchisee agrees that it is Franchisee’s obligation under this Agreement to ensure the compliance of each of the persons/entities named in Sections 17.B, D and E with the limitations described in those Sections. Franchisor shall use reasonable judgment in evaluating whether or not the conduct of a Family Member warrants the exercise of rights under this provision. The restrictions of Section 17.D and E do not apply to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent less than three percent (3%) of the number of shares of that class issued by a Similar Business and outstanding.

F. Franchisee Acknowledgment

Franchisee and Franchisor share a mutual interest in ensuring compliance with the restrictions on competition described in Sections 17.B, D and E. Franchisee acknowledges and agrees that such protections can enhance the value of the Omari™ System to Franchisee as a franchisee, represent a reasonable balancing of Franchisee and Franchisor interests and have been expressly bargained for. Franchisee confirms that Franchisee and Owners possess valuable skills unrelated to the Franchised

Business and have the ability to be self-supporting and employed regardless of the restrictions on competition to which Franchisee and Owners have agreed.

G. Covenants are Severable; Trade Secret Protection Essential

Each of the above covenants shall be deemed independent of any other covenant or provision of this Agreement. If any of the restrictions of this Section are determined to be unenforceable to an extent because of excessive duration, geographic scope, business coverage or otherwise, they will be reduced to the level that provides the greatest protection to Franchisor and the System, but which is still enforceable. Franchisee and Franchisor agree and intend that covenants undertaken by Franchisee and Owners in Section 17 shall in all instances be enforced if the fulfillment of Franchisee's duties and responsibilities with respect to any Similar Business (or the duties and responsibilities of another person/entity identified in Sections 17.D and E) would inherently call upon Franchisee or such person/entity to disclose and/or use Copyrighted Works or Trade Secrets.

H. Similar Covenants from Franchisee's Personnel

Franchisor shall have the right to require Franchisee to cause its personnel performing managerial, supervisory and chef services to execute covenants imposing requirements the same as or equivalent to those provided in this Section 17 to the extent permitted by law.

I. Injunctive Relief

Franchisee acknowledges that money damages would not be a sufficient remedy for breach of the obligations in this Section 17. Accordingly, Franchisor shall be entitled to seek and obtain equitable remedies, including, without limitation, immediate restraining orders and injunctive relief for the actual or threatened breach of any obligation in this Section 17. Franchisor's remedies for a breach of Sections 17.D and E will include, but not be limited to, the right to receive all profits generated in connection with the operation of any Similar Business. All competitive restrictions will be extended for the length of time that any breach of any such post termination obligation is ongoing.

18. Default and Termination

A. Early Cancellation

If this Agreement and/or any related Addendum is terminated and/or if Franchisee ceases to operate any Kiosk before the Expiration Date of this Agreement, Franchisor reserves the right to charge Franchisee an early cancellation fee per discontinued Kiosk location (the "Cancellation Fee"). The amount of the Cancellation Fee is stated on Schedule A to this Agreement and is assessed to assist Franchisor in covering re-marketing expenses and unanticipated costs associated with a cancellation prior to the Expiration Date. The post termination provisions of Section 19 will survive the cancellation of the Agreement, as will all other provisions of this Agreement which by their terms or nature survive. Franchisor's right to receive a Cancellation Fee is intended to offset costs Franchisor will incur in preserving its goodwill with a Premises Host and otherwise meeting its requirements. The Cancellation Fee is in addition to all other remedies available in law and/or equity and is not, and shall not be construed to be, a liquidated damages provision or a waiver of damages or any other relief available upon a breach or cancellation of this Agreement, other than as provided in Section 4.C, above.

B. Termination by Franchisor With No Opportunity to Cure

Franchisor shall have the right at Franchisor's option to terminate this Agreement and/or any Addendum effective upon delivery of notice of termination to Franchisee, without opportunity to cure, if Franchisee or any Owner as applicable:

i) Interferes, or attempts to interfere, with any contract Franchisor or a Franchisor Affiliate has with any third party, including any Premises Host, supplier or Kiosk franchisee;

ii) Fails to satisfactorily complete any certification and/or training program or other instructional program required by Franchisor or fails to begin operating the Kiosk by the time provided under Section 14.B;

iii) Has made any material misrepresentation or omission in the application for the Franchise;

v) Makes any unauthorized use, disclosure or duplication of any portion of the Operations Manual or duplicates or discloses or makes any unauthorized use of any Trade Secret or confidential information or Copyrighted Works provided to Franchisee by Franchisor or commits a breach of Section 17. B, D or E;

vi) Abandons, fails or refuses to operate actively a Kiosk for three (3) or more consecutive days in which Franchisee is obligated to be open and operating, or for any shorter period of time in which it is reasonable under the circumstances to conclude that Franchisee intends to discontinue operating the Kiosk;

vii) Surrenders or transfers control of the Kiosk, makes or attempts to make an unauthorized direct or indirect assignment of the Franchise or an ownership interest in Franchisee or in the assets of the Franchised Business, or fails or refuses to assign the Franchise or the interest in Franchisee held by a deceased or incapacitated controlling owner, as required;

viii) Is found by Franchisor as the result of any inspection or audit to have understated any amounts reported or paid to Franchisor by five percent (5%) or submits to Franchisor on two (2) or more separate occasions at any time during the term of the Franchise any false or inaccurate reports or other information required by Franchisor;

ix) Is dissolved or is adjudicated as bankrupt, becomes insolvent, commits any affirmative act of insolvency or files any action or petition of insolvency; a receiver (permanent or temporary) is appointed by a court of competent authority over the property; makes a general assignment for the benefit of creditors; if a final judgment remains unsatisfied of record for thirty (30) days or longer (unless a supersedeas bond is filed); execution is levied against Franchisee's business or property; or suit to foreclose any lien involving the Kiosk or equipment is instituted against Franchisee and not dismissed within thirty (30) days or is not in the process of being dismissed;

x) Makes an unauthorized use of any of the Marks or commits any other act that can reasonably be expected to impair materially the goodwill associated with any of the Marks and fails to correct such action within 48 hours of written notice to correct;

xi) Fails on two (2) or more separate occasions within any period of twelve (12) consecutive months to submit required reports or other information when due, to pay when due any amounts owed Franchisor or any Franchisor's Affiliate or any supplier or business creditor, or otherwise fails to comply with this Agreement, whether or not the failures to comply are corrected after notice is delivered to Franchisee;

xii) Receives a written notice of default under Section 18.C.ii, below, more than once during the term of this Agreement;

xiii) Violates any safety or health law, ordinance or regulation or operates the Kiosk in a manner that Franchisor believes presents or threatens to present a safety or health hazard to Kiosk customers, Franchisor's staff, Premises Host's staff or the general public;

xiv) Fails to comply with all applicable laws and ordinances relating to the Kiosk and/or the Franchised Business, including Anti-Terrorism Laws, or if Franchisee's or any of its Owners' assets, property, or interests are blocked under any law, ordinance, or regulation relating to terrorist activities;

xv) Fails in Franchisor's sole determination to pass any criminal background check and/or drug, tuberculosis or other chemical or required physical testing; or

xvi) Franchisee or Franchisee's Kiosk is the subject of a complaint from a Premises Host that Franchisee fails to resolve or the Premises Host objects to Franchisee's continued operations at the Premises Host facility and the Franchisor finds the Franchisee's relationship with the Premises Host to be damaging to the goodwill associated with the Marks; or

xvii) Franchisee, after timely curing any failure to comply with the terms of this Agreement, if notice and opportunity to cure are required under applicable law, engages in the same noncompliance whether or not corrected after notice.

C. Termination by Franchisor With Opportunity to Cure

Except for those defaults identified in Section 18.B, above, this Agreement and/or an Addendum shall terminate, at Franchisor's sole election, without further action by Franchisor or notice to Franchisee, if Franchisee or any Owner, as applicable:

i) Fails or refuses to make payments of any amounts due Franchisor or any Franchisor Associate, or fails or refuses to maintain a bank account with sufficient funds to permit Franchisor to make electronic debits as provided in this Agreement, or otherwise prevents Franchisor from electronically debiting Franchisee's bank account and does not correct any such failure or refusal within five (5) days after written notice thereof is delivered to Franchisee; or

ii) Fails or refuses to use and/or offer for sale Products and Services and/or use Approved Suppliers, as required by Franchisor, or offers/sells/uses unauthorized products/services/suppliers without first obtaining Franchisor's advance written consent, and does not correct such default within five (5) days after written notice of the default is delivered to Franchisee; or

iii) Fails or refuses to comply with any other provision of this Agreement, or any mandatory requirement prescribed in the Operations Manual or otherwise in writing, and does not correct the failure within thirty (30) days after written notice is delivered to Franchisee.

D. Discontinued Products/Services; Program Participation

If Franchisor delivers a notice of default to Franchisee, Franchisor and its Affiliates have the right to require that Franchisee pay C.O.D (i.e., cash on delivery) or by certified or cashier's check for goods/services and/or to stop selling and/or providing any goods and/or services until Franchisee has cured all defaults. Franchisor can deny Franchisee the ability to participate in any System benefit or program so long as Franchisee is in default of this Agreement, including website listings, supplier discounts and other System features.

E. Cross Default

Franchisee or any Owner's default under this Agreement or any Addendum is a default under any other agreement or Addendum between Franchisee or any Owner and Franchisor or any Franchisor Affiliate, whether the other agreement or addendum involves the Fujisan® brand or another Franchisor or Franchisor Affiliate brand. An election not to enforce any such default is not a waiver by Franchisor of any rights or remedies available under law or equity or by contract.

19. Rights and Duties on Expiration or Termination

On termination or expiration of this Agreement or any applicable Addendum:

i) Franchisee or any Owners shall immediately vacate and cease operating the Kiosk and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor in connection with the Kiosk.

ii) Franchisor shall have the immediate right (but not the obligation) to occupy the Kiosk space, and Franchisee shall immediately in writing assign all such interest in and facilitate Franchisor's occupancy of the space and operation of the Kiosk on Franchisor's request.

iii) Franchisee shall immediately and permanently cease using i) any proprietary methods, procedures and techniques associated with the System (including, without limitation, the Copyrighted Works and the Trade Secrets); ii) the Marks and any distinctive forms, slogans, signs, and logos associated with the Marks or System; iii) all advertising materials, stationery, forms, menus, signage and other branded items, and any other article displaying any of the Marks; and iv) any sauces, recipes or other products or services proprietary to the Franchisor and/or Franchisor Associates.

iv) Franchisee shall take such action as may be necessary to cancel or assign to Franchisor or Franchisor's designee, at Franchisor's option, any assumed name or equivalent registration filed with state, city or county authorities that contains the name "Omari™", "Omari Sushi™" or any of the Marks or any derivative of any of them. Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within ten (10) days after termination or expiration of this Agreement.

v) Franchisee shall pay to Franchisor and any applicable Franchisor Associate on demand, all damages, costs and expenses, including reasonable Attorneys' Fees, incurred as a result of Franchisee's breach of any term of this Agreement, including this Section 19.

vi) Franchisee shall immediately discontinue any use of, and shall return or destroy at Franchisor's option, the Operations Manual and all other Kiosk manuals and certification materials; customer lists and data, promotional materials and items bearing the Marks, form agreements/templates and all other Franchisor property.

vii) Franchisee immediately shall cease using and shall assign to Franchisor or its designee at Franchisor's request all of Franchisee's telephone and facsimile numbers relating to the Kiosk and shall notify the telephone company and all internet and other listing agencies of the termination or expiration of Franchisee's right to use the numbers or any classified or other telephone directory listings associated with the Marks. Franchisee shall authorize a transfer of the same to Franchisor or its designee upon request and irrevocably appoints Franchisor as Franchisee's attorney-in-fact to instruct all such companies to make such transfers of service. Franchisee shall execute all documents and authorization forms Franchisor requires to accomplish the assignment of these assets. Further, Franchisee will stop all use of the Marks in all media, including, but not limited to, web-sites, web pages and social media. Franchisee will instruct in writing all online directories, search engines, and other advertising publishers as necessary to take down and remove any directory listings and advertisements for Franchisee containing the Marks and will deliver copies of such instructions to Franchisor within three (3) days of the termination or expiration of this Agreement. Franchisee will give Franchisor on request at any time an instruction letter signed by Franchisee and hereby authorizes Franchisor to deliver the instructions to directory publishers and others when this Agreement is terminated or expires. Franchisee agrees that electronic commerce is a rapidly developing field and additional/modified System policies and requirements can be established concerning use of the Internet and electronic media and Franchisee will follow them.

viii) Franchisor shall have the right (but not the obligation) exercisable within thirty (30) days after termination or expiration and upon written notice to Franchisee to purchase for cash any or all assets at the Kiosk, at Franchisee's cost or fair market value, whichever is less and as determined by Franchisor. Franchisor also shall have the right to purchase such Kiosk food inventory items as Franchisor selects in its discretion at the price paid by Franchisee. Franchisor shall have the right to set off all amounts due from Franchisee to Franchisor against any payment to be made under this Section. Franchisor shall be entitled to receive customary warranties and representations from Franchisee, including clear title to the assets and such other provisions as are stated in Section 22.B, below, and closing shall occur not more than ninety (90) days after the termination or expiration of the Agreement, unless a longer period is required to comply with applicable law.

ix) Franchisee shall not destroy, damage, hide or take any equipment or inventory from any Kiosk without Franchisor's advance written consent and shall cooperate with Franchisor in providing all Kiosk-related records and other pertinent information relating to its operation.

x) Franchisee and Owners shall comply with the covenants contained in Section 17 of this Agreement to the fullest extent permitted by law.

xi) All obligations of Franchisor and Franchisee that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect after and notwithstanding its expiration or termination until they are satisfied or by their nature expire.

20. Transfer Restrictions

A. Assignment by Franchisor

This Agreement, and any or all of Franchisor's rights and/or obligations under it, are fully transferable by Franchisor in its sole and absolute discretion, in whole or in part, without Franchisee's consent. Franchisee acknowledges and agrees that Franchisor may be sold and/or sell any or all of Franchisor's rights in or licenses to the Marks, Trade Secrets, Copyrighted Works or the System and/or other assets, and go public, merge, or acquire other entities, whether or not competitive to Franchisee or Franchisor, without Franchisee's consent.

B. Assignment by Franchisee

The rights and duties created by this Agreement are personal to Franchisee and its Owners. Franchisor has awarded the Franchise relying on the individual integrity, ability, experience and financial resources of Franchisee and such Owners. Therefore, this Agreement, the Franchise, the Franchisee and Franchisee's Franchised Business (or any interest in, or the assets of, any of them) can only be transferred after the expiration of twelve (12) calendar months from the Effective Date and with Franchisor's prior written approval. Any transfer, or attempted transfer, of any interest in, or the assets of, the Franchise, the Franchisee, the Franchised Business, a Kiosk or this Agreement without Franchisor's approval is null and void. A transfer of ownership, possession or control of Franchisee's Franchised Business, or of its assets, can only be made with a transfer of the Franchise, unless Franchisor consents otherwise in writing. Franchisor has the right to withhold approval to any proposed sale or transfer of fewer than all of Franchisee's Kiosk locations and each related Addendum. Section 21 will govern any transfer in the event of death or disability.

C. Conditions to Consent to Transfer to an Entity

Franchisor shall not unreasonably withhold consent to a transfer by Franchisee to a Business Entity controlled by Franchisee, if requested, or permission for the Franchisee under this Agreement to become a Business Entity; provided, that if Franchisee executes this Agreement as a Business Entity or desires to assign and transfer its rights to a controlled Business Entity, then it shall be deemed to be reasonable for Franchisor to impose any or all of the following as conditions to granting consent and/or entering into this Agreement, as Franchisor deems applicable:

i) The transferee shall be a separate legal entity/Franchisee, shall agree that its activities shall be confined exclusively to operating a Kiosk as franchised under this Agreement and/or any other Fujisan Kiosk franchise agreement. Transferee may operate an Omari Sushi franchise under the same entity as Transferee operates one or more Fujisan Fresh Harvest Kiosks. Transferee shall give to Franchisor all entity governing articles, operating agreements, bylaws or other such documents upon Franchisor's request and as they are amended from time to time;

ii) The individual(s) approved by Franchisor as the majority Owner(s) of the Franchised Business shall be and shall remain the Owner(s) of the majority interest of the securities or other form of ownership of the transferee entity;

iii) The individual approved by Franchisor as the principal executive and Owner of the Franchised Business (or, if Franchisee is a partnership, one of the partners) shall be the Designated Owner under this Agreement;

iv) The transferee entity shall enter into a written agreement (in a form satisfactory to Franchisor) in which the transferee entity assumes all of Franchisee's obligations hereunder;

v) All transferee entity Owners shall enter into a written agreement, in a form satisfactory to Franchisor, jointly and severally guaranteeing full payment and performance of the transferee entity's obligations to Franchisor under the Franchise Agreement;

vi) Each certificate representing an ownership interest in the transferee entity and/or the Franchisee shall have conspicuously endorsed on it, and/or the operating agreement shall include, as applicable, a statement that ownership interests are held subject to, and that further assignment or transfer of such interest are subject to, all restrictions imposed on assignments by this Agreement;

vii) No new shares of stock or membership interests or other indicia of ownership in the transferee entity shall be issued to any person or entity without obtaining Franchisor's prior written consent;

viii) All accrued money obligations of Franchisee to Franchisee's suppliers, Franchisor, its Affiliates or assignees shall be satisfied before an assignment or transfer;

ix) Franchisee and all Owners, prior to any transfer, shall execute a General Release, in a form prescribed by Franchisor; and

x) The transfer fee described in Section 20.D.v below shall be waived, one (1) time only, for a transfer by Franchisee, individually, to a controlled Business Entity as described in this Section 20.C.

D. Additional Conditions for Unaffiliated Third Party

Franchisor shall have the right to impose any or all of the following conditions to any proposed transfer to an unaffiliated third party, in addition to the conditions provided in Section 20.C, above:

i) The transferee(s) shall be of good character and reputation in Franchisor's subjective opinion, and shall have a good credit rating and competent business qualifications reasonably acceptable to Franchisor; and Franchisee shall provide Franchisor with information as Franchisor may require and facilitate Franchisor's determinations, including by coordinating a personal interview with transferee at Franchisor's request;

ii) The transferee(s) or other individual(s) who shall be the Designated Owner of the Franchised Business shall have paid Franchisor the then-current Certification Program fee and successfully completed and passed Franchisor's Certification Program then in effect for franchisees, or shall have otherwise demonstrated to Franchisor's satisfaction sufficient ability to operate the Kiosk being transferred;

iii) The transferee(s), including all shareholders, officers, directors, members, managers, and partners of the transferee(s), shall jointly and severally execute any or all of the following, at Franchisor's sole discretion and as Franchisor shall direct: (a) Franchisor's franchise agreement and other standard ancillary agreements with Franchisor on the current standard forms being used by Franchisor and an initial franchise fee shall be charged and pro-rated if the term granted on transfer is for less than a full 3-year term; (b) personal guarantees; (c) a written assignment from Franchisee in a form satisfactory to Franchisor and under which transferee shall assume all of Franchisee's obligations under this Agreement, and/or (d) Franchisor's consent to transfer agreement or an equivalent document in a form satisfactory to Franchisor;

iv) The term of the transferee's Franchise Agreement shall, at Franchisor's option, be for the unexpired term of this Agreement and for any extensions or renewals as provided herein or for the term granted by Franchisor under any new franchise agreement signed in connection with the transfer, as provided in Section 20.D.iii, above; and

v) Franchisee shall have fully paid and satisfied all of Franchisee's obligations to Franchisor, any Franchisor Affiliate, the Premises Host and/or business creditors, and, except as provided in Section 20.C.x, the transferee or Franchisee shall have fully paid to Franchisor a transfer fee (the "Transfer Fee") and, as applicable, an initial franchise fee (the "Initial Franchise Fee"), in the amounts stated on Schedule A attached to this Agreement.

vi) The Premises Host shall have given its written consent to the transfer, if so required as a condition to transfer as contained in the Franchisor/Franchisor Associate's agreement with the Premises Host.

vii) Franchisee shall not take or maintain a security interest after a transfer in the Franchise or the Franchise Agreement or any Franchised Business assets without Franchisor's prior written consent, which Franchisor has an unrestricted right to condition or withhold. If permitted, any security interest will be subordinated to the Franchisor's rights to payment under the applicable franchise agreement and any addendum.

viii) The terms and conditions of sale cannot be unduly burdensome on the transferee in Franchisor's sole judgment.

E. No Release

Franchisor's consent to a transfer of the Franchise shall not constitute or be interpreted as a consent to any future transfer or as a release of any of Franchisee's obligations under the Franchise Agreement. Any release must be expressly stated in writing and signed by the Franchisor.

21. Death or Incapacity

A. Opportunity of Heirs

If the Franchisee, or if the Owner having a controlling interest in a Business Entity Franchisee, dies or is permanently disabled, then his or her interest in this Agreement, the Franchised Business and/or the Franchisee shall be transferred to a third party, subject to compliance with the provisions of Section 20. A "Permanent Disability" occurs if Franchisee or the controlling Owner is not able to personally, actively participate in the management of the Franchised Business for 180 consecutive days as certified by an independent physician licensed in the state in which the Kiosk is located. A transfer under this Section shall be completed within 180 consecutive days from the date of death or permanent disability. The transfer fee is waived for any transfer under this Section. If no transfer occurs within the prescribed 180-day period, the Franchise will automatically terminate at the end of such period, unless Franchisor grants a written extension in its sole discretion or in compliance with local law.

22. Right of First Refusal

A. Franchisor's Right

Franchisor shall have a right of first refusal to accept the terms of any proposed sale, transfer or assignment of any interest in this Agreement or in Franchisee or the Franchised Business.

B. Additional Rights

If Franchisor exercises its right of first refusal, then in addition, i) Franchisor shall have the right to substitute cash for any form of payment proposed in the offer; ii) Franchisor's credit-worthiness shall not be deemed to be less than that of any proposed purchaser; iii) Franchisor shall have at least sixty (60) days after notifying Franchisee of its election to exercise its right of first refusal to prepare for closing; and iv) Franchisor shall be entitled to receive written representations and warranties from Franchisee that Franchisee owns clear title to all assets being sold, transferred or assigned; that all tangible assets being sold, transferred or assigned are in good working condition; that there are no breaches of any contracts affecting the Kiosk; that there are no liabilities of Franchisee that have not been disclosed to Franchisor in writing; that Franchisee and each Owner and Franchisee Affiliate will comply with indemnification, non-disclosure, and non-competition obligations substantially similar to those required in Sections 16.G, 17.B, D and E, and 19 of this Agreement; that all sales, transfer and/or similar taxes are to be paid by the transferor; and that all applicable licenses and permits will be transferred to Franchisor at closing.

C. Notice

To enable Franchisor to exercise its right of first refusal, Franchisee shall deliver to Franchisor a written notice stating all the terms of any proposed sale, transfer or assignment and shall provide any additional information Franchisor requests about the proposed transaction.

D. Consent

Within sixty (60) days after Franchisor receives the notice and all requested information, Franchisor shall, in writing, consent or withhold consent to the proposed sale, assignment or transfer, or in accordance with this Section 22, accept for itself or its nominee the sale, assignment or transfer on the terms specified in the notice. Franchisor's failure to notify Franchisee of its decision shall be deemed a withholding of consent.

E. Completion

If Franchisor elects not to exercise its right of first refusal and consents to the proposed sale, assignment or transfer, then Franchisee shall be authorized to complete the proposed transaction with the proposed transferee on the terms in the original notice to Franchisor and subject to satisfaction of the conditions contained in Sections 20.B, C and D. Any change to any such terms shall constitute a new proposal, which shall again require compliance with the procedures in this Section 22.

F. Other Transactions

An election by Franchisor not to exercise its right of first refusal for any proposed transaction shall not affect Franchisor's right of first refusal for any other proposed transaction.

23. Nature of Relationship

A. Independent Contractors

The parties desire, acknowledge and agree that they shall be independent contractors. Nothing in this Agreement or in Franchisee's and Franchisor's course of conduct shall be construed to create an employer-employee, co-employer or joint relationship, partnership, joint venture, agency or any fiduciary or special relationship. At no time will Franchisee's employees be, or be deemed to be, Franchisor's employees or the employees of any Franchisor Affiliate. Franchisee shall have no power to, and shall not purport to, obligate Franchisor for any expense, liability or other obligation. Franchisee shall be responsible for all acts and omissions of Franchisee's employees, Kiosk Managers, independent contractors, Family Members and representatives, regardless of whether or not Franchisee had actual knowledge of such act or omission. Franchisee is and shall remain at all times completely independent and in business for itself, and shall have no right or interest in any of Franchisor's property or business. Franchisor is not engaged in the same business as Franchisee, but rather is in the business of licensing others to use Franchisor's intellectual property. Franchisee is not, and shall not hold itself out as, an agent, representative, employee, officer, director, partner, owner or affiliate of Franchisor. Franchisee is solely responsible for the day to day operations of the Kiosk and free to conduct its business as it deems best in providing the Kiosk Products and Services, independently of the supervision, management and control of Franchisor; provided that mandatory System standards are maintained by Franchisee to preserve the goodwill and quality associated with the Omari™ brand. Franchisee agrees to abide by all Federal, State and Local laws and ordinances of all government agencies or political subdivisions having jurisdiction over the Kiosk premises or the activities conducted by Franchisee. Franchisee acknowledges that as of the Effective Date of this Agreement, Franchisor is not engaged in the operations of any Kiosk, although Franchisor reserves the right

to do so. As of the Effective Date, Franchisor is only engaged in the business of franchising the System and of selling certain of the related Products and Services and providing certification and support services to franchisees.

B. Public Notice

Franchisee agrees to comply with Franchisor's requirements for identifying Franchisee's franchised business and its operations as independently owned and operated and will include notices of independent ownership on forms, business cards, stationery, advertising, signs and other materials as Franchisor requires. Franchisee will hold itself out as an independent business in all dealings and communications with the public and with the Premises Host.

24. Non-Waiver

No delay in enforcing a party's rights after any breach of any term of this Agreement (including Franchisor's rights of termination) shall be construed as a waiver of any such breach or the right to enforce such rights. No waiver will be effective unless in writing and signed by an authorized representative of the signing party. A waiver of any breach of any provision of this Agreement or right of enforcement shall not be deemed to be a waiver of any other breach of such provision or any other provision or right. A party's acceptance of any payment from the other shall not be construed to be a waiver of any breach of this Agreement, unless such waiver is made in writing and signed by the waiving party.

25. Late Payment

All payments, fees, amounts due for purchases by Franchisee from Franchisor and/or any Franchisor Affiliate, and other amounts that Franchisee owes to Franchisor or any Franchisor Affiliate shall bear interest after the due date at the higher of the rate of one and one-half percent (1.5%) per month or the highest applicable legal rate for open account business credit allowed under applicable law. Franchisee acknowledges that this Section 25 is not an agreement to permit or accept payments after they are due or a commitment by Franchisor to extend credit to, or otherwise finance, Franchisee's operation of the Kiosk. Franchisee acknowledges that failure to pay all amounts when due shall be grounds for termination of this Agreement, as provided in Section 18.C, regardless of this Section 25.

26. No Accord or Satisfaction; Application of Funds

i) If Franchisee pays, or Franchisor otherwise receives, a lesser amount than the full amount due under this Agreement for any payment due, such payment or receipt shall be applied against the longest outstanding amount due Franchisor. Franchisor may accept any check or payment in any amount without prejudice to Franchisor's right to recover the balance of the amount due or to pursue any other right or remedy. No endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere shall constitute or be construed as an accord or satisfaction. Franchisor and any of its Affiliates' acceptance of any payments made by Franchisee shall not be construed to be a waiver of any breach or default of any provision in this Agreement.

ii) Franchisor has the unrestricted right to i) apply any payments received from Franchisee to any Franchisee indebtedness in Franchisor's sole discretion, no matter how payment is directed by Franchisee; ii) deduct from any amount that may be owed by Franchisor to Franchisee, any amount owed by Franchisee to Franchisor or a Franchisor Affiliate; and iii) keep any amounts received for Franchisee's account, whether rebates from suppliers, payments from the Premises Host or otherwise, as a payment against any amounts owed by Franchisee to Franchisor or a Franchisor Affiliate.

27. Tax Payments

Franchisee shall pay to Franchisor an amount equal to all sales taxes, excise taxes, use taxes, withholding taxes, and similar taxes imposed by taxing authorities on the fees or other amounts payable by Franchisee to Franchisor and on goods or services furnished to Franchisee by Franchisor at the same time as Franchisee remits such payments to Franchisor, unless the tax is an income tax assessed on Franchisor for doing business in the state where the Franchised Business is located.

28. Notices

Any and all notices required or permitted under this Agreement shall be sent to the applicable parties at the addresses specified on Schedule A attached to this Agreement unless and until a different address has been designated by written notice to the other party, shall be in writing and shall be personally delivered, delivered by messenger or delivery services, mailed by certified mail, return receipt requested, or by facsimile or electronic mail transmission, and shall be effective at the earlier of i) the time of actual receipt; or ii) immediately on transmission by facsimile or email transmission; or iii) one (1) business day after being placed in the hands of a commercial delivery service for overnight delivery; or iv) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed.

29. Enforcement Cost

i) If legal action is necessary to enforce the terms and conditions of this Agreement the prevailing party shall be entitled to recover reasonable compensation for preparation, investigation, court costs, arbitration costs (if applicable), accounting fees and expenses and reasonable Attorneys' Fees, as fixed by a court of competent jurisdiction.

ii) Separate and distinct from the right of a prevailing party, as defined in Section 34.G, to recover expenses, costs and fees in connection with any legal proceeding, the prevailing party shall also be entitled to receive all expenses, costs and reasonable Attorney's Fees incurred in connection with the enforcement of any judgment entered. Furthermore, the right to recover post-judgment expenses, costs and Attorneys' Fees shall be severable, survives any judgment and shall not be merged into such judgment.

30. Approvals

Any requests by Franchisee for approval or consent, and any approval or consent by Franchisor, shall be in writing for any matter requiring such approval or consent under this Agreement.

31. Entire Agreement

This Agreement, and all Addenda and all ancillary agreements signed concurrently with this Agreement, are the parties' entire agreement, and supersede any and all prior or contemporaneous negotiations, understandings, representations, disclosures and agreements; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by Franchisor in the Disclosure Document that was furnished to Franchisee by Franchisor. This Agreement shall not be binding on either party unless executed in writing by both parties. This Agreement shall not be modified, except in writing, when signed by both parties; except that Franchisor reserves the right to make changes to the Operations Manual as provided under this Agreement without Franchisee's consent.

32. Severability and Construction

A. Law Controls

In any conflict between this Agreement and any applicable law, the law shall prevail, but the term of this Agreement that is affected shall be curtailed and limited only to the extent needed to be lawful. If any provision of this Agreement is held to be indefinite, overbroad, invalid or otherwise unenforceable, the remainder of this Agreement shall continue in effect.

B. Third Party Beneficiaries

Except for indemnification rights of third-party indemnitees as expressly provided in this Agreement, nothing in this Agreement is intended, nor shall be deemed, to confer on any person or legal entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

C. Headings

Captions and headings are intended solely for the convenience of the parties and shall not be deemed to affect the meaning or construction of any provision of this Agreement.

D. Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

E. Franchisor Exercise of “Sole Discretion” and Other Choices; Express Agreement

When this Agreement includes the phrases “Franchisor’s sole and absolute discretion” and/or “sole discretion” and/or “sole judgment” and whenever Franchisor exercises a right, prescribes an action or thing, or otherwise makes a choice or uses discretion, Franchisee and Franchisor agree that Franchisor has the express, unrestricted right to make decisions and/or take (or refrain from taking) actions, as Franchisor deems appropriate. Franchisor shall use its judgment in exercising such discretion based on its assessment of the interests Franchisor considers appropriate and will not be required to consider Franchisee’s individual interests or the interests of any other particular franchisee(s). Franchisor has this right even if a particular decision/action may have negative consequences for Franchisee, a particular franchisee or group of franchisees.

F. Extension for Compliance

This Agreement will be deemed automatically modified to comply with governing law, if such law requires a greater time period for notice of termination of, or refusal to renew, this Agreement or otherwise.

33. Law

A. California Law

Except to the extent of the applicability of the Federal Arbitration Act and related federal preemption requirements, this Agreement and all other matters concerning Franchisor and Franchisee and/or their respective rights and obligations will be governed by, and construed and enforced in accordance with, the laws of the state of California, without giving effect to any conflict of laws; PROVIDED, that i)

the provisions of Section 17 shall be construed and enforced in accordance with the laws of the state in which any claimed breaching activity occurs; and ii) the provisions of any California statute, regulation or law regarding franchises (including without limitation the California Franchise Investment Law and the California Franchise Relations Act) and/or covenants not to compete shall not apply unless jurisdictional, definitional and other requirements thereof are met independently of this Section.

B. Venue for Disputes

Subject to Section 34 and except to the extent prohibited by law or as otherwise provided in any state addenda applicable to Franchisee's state of residence or of Franchisee's Kiosk, the parties agree that the venue for any litigation arising under this Agreement will be an appropriate state or federal court with jurisdiction in Los Angeles County, California. The parties consent to such jurisdiction and waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision.

34. Dispute Resolution

A. General

Except as provided in Section 34.D and except as precluded by law, any dispute, controversy, action or proceeding of any type, including any claim for equitable relief and/or for which Franchisee is acting as a "private attorney general," suing pursuant to a statutory claim or otherwise (individually and collectively, a "Claim") between Franchisor, its Affiliates, shareholders, directors, officers, members, agents and/or employees, on the one hand, and Franchisee and/or its Affiliates, Owners, guarantors, directors, officers, members, agents and/or employees, on the other hand, shall be resolved by binding arbitration as provided in this Section 34. Arbitration shall be conducted before and in accordance with the then-prevailing Commercial Rules of the American Arbitration Association ("AAA") or its successor, by one arbitrator who must be a lawyer substantially experienced in franchising. Any award must be in writing and judgment upon any award rendered may be entered in any court having jurisdiction thereof. Upon request by either party, the arbitrator shall provide a reasoned opinion with findings of fact and conclusions of law and the party so requesting shall pay the arbitrator's fees and costs connected therewith. The parties shall hold arbitration proceedings, awards, and related discussions confidential, except for such disclosure as may be required by law. Claims which would constitute a compulsory counter-claim, if brought in court under the state law provided in Section 33.A, must be filed in an arbitration proceeding brought under this Agreement or be barred. The substantive law applied in such arbitration shall be as provided in Section 33.A. The arbitration and the parties' agreement therefor shall be deemed to be self-executing, and if either party fails to appear at any properly-noticed arbitration proceeding, an award may be entered against such party despite said failure to appear. The arbitral decision shall be binding and conclusive on the parties.

B. Arbitrator's Authority

The arbitrator shall decide any questions relating in any way to the parties' agreement to arbitrate, including but not limited to arbitrability, applicability, subject matter, timeliness, scope, remedies, and any alleged fraud in the inducement, or purportedly void or voidable provisions of the Agreement. The arbitrator can issue summary orders disposing of all or part of a Claim and provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other equitable and/or interim/final relief. Each party consents to the enforcement of such orders, injunctions, and other relief by any court having jurisdiction. The subpoena powers of the arbitrator with respect to witnesses to appear at the arbitration proceeding shall not be subject to any geographical limitation. No award in arbitration will have any effect of preclusion or collateral estoppel in any other adjudication or arbitration. Arbitrators in any proceeding under this Section 34 will apply all applicable law, and a failure to apply the applicable law in accord with Section 33.A will be deemed an act

in excess of authority and reviewable by the courts and the parties expressly agree that any arbitration award can be reviewed and overturned by a court for legal error.

C. Location

Any arbitration will be conducted exclusively at a neutral location in Los Angeles County, California. Franchisee and Franchisor agree that the provisions of this Article will control, notwithstanding any language included in Franchisor's franchise disclosure documents due to state requirements suggesting that the provisions of any section might be unenforceable due to a failure to have a meeting of the minds or otherwise. Neither Franchisee nor Franchisor has any expectation that the provisions of this (or any other) section will be unenforceable or that they will not be enforced. Franchisee understands and agrees that one effect of this paragraph may be that arbitration and other related costs may be greater, and it may be more difficult for Franchisee to proceed, than if those proceedings took place in a location near Franchisee's residence or business. If this provision is unenforceable for any reason, arbitration will be conducted at a neutral location reasonably near Franchisee's residence.

D. Preliminary Relief; Undisputed Debt

Either party shall be entitled to seek preliminary or interim injunctive or provisional relief by a court or by arbitration or by a court in aid of arbitration (including, but not limited to, a temporary restraining order and preliminary injunction, all without bond) without showing or proving any actual damage, until such time as a final and binding determination is made by the arbitrator. An action for collection of overdue debts owed can be pursued in either a court or arbitration proceeding when the right to payment has not been in dispute prior to the filing of such action. The foregoing equitable remedies shall be in addition to, and not in lieu of, all other remedies or rights which the parties might otherwise have by virtue of any breach of this Agreement by the other party.

E. Intention to Arbitrate

Franchisee and Franchisor expressly agree that, notwithstanding any contrary provisions of state or other law, and/or any statements in any disclosure document required by a state or other government as a condition to franchise registration or for some other purpose:

i) all issues relating to arbitration and/or the enforcement of arbitration-related provisions will be decided by the arbitrator and governed only by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) and the federal common law of arbitration and exclusive of state statutes and/or common law;

ii) all provisions of this Agreement shall be fully enforced, including but not limited to those provisions relating to arbitration, venue, and choice of law; and

iii) Franchisee and Franchisor intend to rely upon federal preemption under the Federal Arbitration Act (9 U.S.C. § 1 et seq.) and, as a result, the provisions of this Agreement will be enforced only according to their terms.

F. Survival and Enforcement

The terms of Section 34 shall survive termination, expiration or cancellation of this Agreement. If any portion of Section 34 is deemed to be unenforceable for any reason, it shall be modified or restricted, or severed, so as to comply with applicable law and shall be otherwise enforced according to its terms.

G. Costs and Class Action Waiver

Should any party to this Agreement commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision, whether by arbitration or by judicial or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision of this Agreement, or for a declaration of such party's rights or obligations hereunder, each party shall bear its own costs and expenses incurred in connection therewith, including, but not limited to, Attorneys' Fees; provided, i) that either party can advance the other party's portion of the initial case filing fees paid to the American Arbitration Association, or successor organization, for an arbitration matter pursuant to this Agreement, as stated in Section 34, and ii) that the prevailing party in any such arbitration shall be entitled to recover from the non-prevailing party reasonable costs and expenses (including reasonable Attorneys' Fees, arbitrator's fees and expert witness fees, and costs of investigation and other arbitration expenses) incurred in connection with the claims on which it prevailed. For purposes of this Agreement, "prevailing party" includes, without limitation, a party who agrees to dismiss a Claim upon the other party's payment of sums allegedly due or performance of covenants allegedly breached, or who obtains substantially the relief sought. If required by applicable law for any arbitration provision to be enforceable (for example, to preserve constitutionally or statutorily provided rights), the arbitrator or a court can, as soon as possible, appropriately allocate between Franchisee and Franchisor the fees of the arbitrator(s) and/or his/her related organization, or require an advance of a portion of such fees subject to possible reimbursement, or otherwise address such issues so as to allow the arbitration to proceed and may adjust such allocations appropriately during the arbitration process for such purpose. **THE PARTIES AGREE THAT ANY ARBITRATION OR OTHER ACTION OR PROCEEDING BETWEEN FRANCHISOR AND FRANCHISEE SHALL BE OF FRANCHISEE'S INDIVIDUAL CLAIM AND THAT NO CLAIM SHALL BE BROUGHT AS A MEMBER OF A CLASS IN A CLASS ACTION OR IN ANY SIMILAR TYPE ACTION, TO THE FULLEST EXTENT PERMITTED BY LAW.**

35. Force Majeure

Other than any payment obligation of Franchisee set forth in this Agreement or any Addendum hereto, whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, neither party shall be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, pandemics, acts of terrorism, government regulation or control or other causes beyond the reasonable control of the parties. Any time period for the performance of an obligation shall be extended for the amount of time of the delay. This clause shall not apply or result in an extension of the term of this Agreement.

36. "Franchisee" Defined and Guarantee

A. Franchisee

As used in this Agreement, the term "Franchisee" shall include the entity identified as "Franchisee" in the introductory paragraph of this Agreement and all persons who succeed to the interest of the original Franchisee by transfer or operation of law. The term "Franchisee" shall also include all partners of the entity that executes this Agreement (if the entity is a partnership); all shareholders, officers and directors of the entity that executes this Agreement (if the entity is a corporation); and all members, managers or governors of the entity that executes this Agreement (if the entity is a limited liability company).

B. Individual Undertakings

In executing this Agreement, all partners, shareholders, officers, directors, members, managers and governors of the entity that signs this Agreement as Franchisee personally and individually acknowledge and accept the duties and obligations imposed on Franchisee by the terms of this Agreement. As a condition to the granting of the franchise or to the consent to a transfer under this Agreement by Franchisor, Franchisor may require each of Franchisee's Owners and each of their respective spouses or domestic partners to execute a Guarantee in the form of Schedule B attached hereto.

37. Operation in the Event of Absence or Disability

In order to prevent any interruption of the Kiosk operations which would cause harm to the Kiosk and the goodwill associated with the Omari™ brand, if Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Kiosk, Franchisee authorizes Franchisor, who may, at its option choose, to operate the Kiosk for so long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies Franchisor may have under this Agreement. Any monies received by Franchisor from the operation of the Kiosk during such period of operation shall be kept in a separate account, and the expenses of the Kiosk, including reasonable compensation and expenses for Franchisor's representatives, shall be charged to the account. If Franchisor temporarily operates any Kiosk for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor, from any and all acts which Franchisor may perform, or refrain from performing, while operating Franchisee's Kiosk pursuant to this Section.

38. Intentionally deleted.

39. Franchisor Practices

Franchisee understands, acknowledges and agrees that Franchisor may have offered franchises in the past, may currently be offering Franchises and/or may offer Franchises in the future on economic and/or other terms, conditions and provisions which may significantly differ from those stated in this Agreement and any related documents, and that there may be instances in which Franchisor has varied, or will vary, the terms on which Franchisor offers Franchises, the charges Franchisor receives and other arrangements with a particular franchisee to suit the circumstances of a particular transaction, the particular franchisee's situation or otherwise, in each case in its sole discretion and without liability, to the extent permitted by law.

40. Cumulative Remedies

Except as provided herein, the rights and remedies specifically granted to either Franchisee or Franchisor by this Agreement will not be deemed to prohibit either of Franchisee or Franchisor from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

41. Discretionary Enforcement

Franchisor has the right to elect in its discretion to not enforce (or to selectively enforce) any provision of this Agreement or any agreement, standard or policy, whether with respect to Franchisee and/or any other franchisee or other person, in a lawful manner without liability.

42. Franchisee Acknowledgments

A. Receipt of this Agreement and the Franchise Disclosure Document

Franchisee represents and acknowledges that Franchisee has received this Agreement and Franchisor's Franchise Disclosure Document. Franchisee represents and acknowledges that Franchisee has received, at least fourteen (14) calendar-days prior to the date on which this Agreement was signed, the Franchisor's Franchise Disclosure Document required by law, as modified by any applicable state addenda attached to it.

D. Risk

44. State Law Addenda

The following terms will apply only in the specific state indicated below.

California.

1. If Franchisee is a resident of California or if the Franchise is to be operated in California, Section 17.E of the Franchise Agreement is as follows:

17 E. Post Term Covenants

Franchisee agrees that for two (2) years after any transfer, repurchase, termination or expiration of this Agreement Franchisee, each Franchisee Affiliate, and each Franchisee shareholder, member, director, manager, officer, trustee or partner, and each Family Member of any of the foregoing, shall be subject to all of the restrictions stated in Section 17.D, with respect to Similar Businesses located, and/or services to be performed, within the following areas, if the fulfillment of any of their respective duties and responsibilities relating to the Similar Business would inherently call upon such person/business entity to disclose and/or use any portion of the Operations Manual or Trade Secrets:

- i) 5 miles of any Kiosk operated in a major city (as defined below) by Franchisor or by any franchisee, licensee or Affiliate of Franchisor;
- ii) 10 miles of any Kiosk operated in a metropolitan area (as defined below) by Franchisor or by any franchisee, licensee or Affiliate of Franchisor;

- iv) In this Agreement, a “major city” means any of the top 25 cities in the U.S. measured by population; a “metropolitan city” means any city other than a major city where the population density is greater than 1,000 people per square mile; and a “rural area” means an area with a population density of 1,000 people per square mile or less. Population figures based upon the then most current U.S. Census Bureau statistics at the time of

expiration or termination of this Agreement will be used in the application of this term, and Franchisor will provide Franchisee a list of then current Kiosk locations upon request.

Franchisee agrees that it is Franchisee's obligation under this Agreement to ensure that each of the persons/entities named in Sections 17.B, D and E complies with the limitations described in those Sections. Franchisor shall use reasonable judgment in evaluating whether or not the conduct of a Family Member warrants the exercise of rights under this provision. The restrictions of Section 17.D and E do not apply to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent less than three percent (3%) of the number of shares of that class issued by a Similar Business and outstanding.

2. To the extent that the provisions of the Franchise Agreement regarding transfer, termination and renewal and any other terms of the Franchise Agreement are inconsistent with the California Franchise Relations Act (CA. Bus. & Prof. Code §20020, et. seq.), the terms of the statute will control and the applicable term shall be modified only to the extent required to comply with such law. The parties agree that in no event shall a reasonable opportunity to cure to the extent required under such statute be greater than seventy five (75) days.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

4. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

5. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

6. The franchise agreement requires binding arbitration. The arbitration will occur at Los Angeles County, California with the costs being borne by equally by both parties. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

7. Any provision of a franchise agreement, franchise disclosure document, acknowledgement, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable:

(a) Representations made by the franchisor or its personnel or agents to a prospective franchisee.

(b) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents.

(c) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto.

**SCHEDULE E-1 TO THE FRANCHISE AGREEMENT
OWNER NON-COMPETE, NON-DISCLOSURE AND
CONFIDENTIALITY AGREEMENT**

(FOR NON-CALIFORNIA FRANCHISES)

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement for the operation of an Omari™ Kiosk, and any revisions, modifications and amendments thereto, (hereinafter collectively the "Franchise Agreement") dated _____, 20____, by and between Fujisan Franchising Corp. (hereinafter "Franchisor") and _____ (hereinafter "Franchisee"), the undersigned ("Owner") agrees as follows:

1. In Term Non-Competition Covenants. Owner acknowledges that as a result of Owner's equity position in Franchisee, Owner may receive valuable Confidential Information and other proprietary information of Franchisor's or its affiliates. Owner covenants that, during the term of the Franchise Agreement and subject to the post-termination provisions contained therein and any applicable addendum to the Agreement, Owner will not, either directly or indirectly, for himself/herself or through, on behalf of or in conjunction with any Family Members or other person, persons, partners or entity:

- i) have any direct or indirect interest anywhere in any Similar Business, or in any entity granting franchises or licenses or establishing joint ventures for the operation of Similar Businesses; or
- ii) provide any financial support or perform any services anywhere as an employee, agent, representative, consultant or in any capacity of any kind for any Similar Business, or for any entity granting franchises or licenses or establishing joint ventures to operate Similar Businesses.

For purposes of this Agreement, i) a "Similar Business" is any business or enterprise, other than a sushi kiosk operated by Franchisee, a Franchisee Affiliate, a shareholder, member, director, manager, trustee or partner of Franchisee, under another brand and pursuant to a franchise agreement and/or kiosk addendum with Franchisor or a Franchisor Associate, that sells sushi (and such product sales represent 15% or more of such business/enterprise's sales) and any enterprise granting franchises or licenses to operate a Similar Business; and ii) "Family Members" include an individual and his/her spouse and/or domestic partner, and their respective mother, father, brother, sister, son, daughter and relatives.

2. Post Term Covenants. Owner covenants that, that for two (2) years after any transfer, repurchase, termination or expiration of the Franchise Agreement, Owner shall be subject to all of the restrictions stated in Section 1, above, with respect to Similar Businesses located, and/or services to be performed, within the following areas, unless Franchisor otherwise consents in writing:

- i) 5 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a major city (as defined below);
- ii) 10 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a metropolitan area (as defined below);
- iii) 12 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a rural area (as defined below);
- iv) In this Agreement, a "major city" means any of the top 25 cities in the U.S. measured by population; a "metropolitan city" means any city other than a major city where the

population density is greater than 1,000 people per square mile; and a “rural area” means an area with a population density of 1,000 people per square mile or less. Population figures at the time of expiration or termination will be used in the application of this term, and Franchisor will provide Owner a list of then current Kiosk locations upon request.

- v) The provisions stated in this Paragraph 2 shall be subject to and limited in scope and/or time by applicable state law.

3. Non-Use and Non-disclosure Covenants. Owner agrees to protect as confidential, and not to disclose to any person or entity any Trade Secrets, either directly or indirectly, except as may be required for the fulfillment of Owner’s and/or Franchisee’s obligations under the Franchise Agreement. For purposes of this Agreement, Trade Secrets includes in any form current and future: Operations Manuals, methods and techniques for food preparation and service, food labeling and ingredient information, vendor data and information, proprietary sauces and product formulas, nutritional analysis, customer information and data, and other methods, formulas, specifications and procedures for developing and operating Kiosks and franchises.

Owner further agrees:

- i. to maintain absolute confidentiality of the Trade Secrets during and after the term of the Franchise Agreement. Owner shall not use any Trade Secrets, Marks or Copyrighted Works in any other business or venture and shall not use the Trade Secrets in any manner not authorized or approved in writing by Franchisor;
- ii. Owner shall not make any unauthorized copy of any Trade Secrets or Copyrighted Works; and
- iii. Owner shall implement reasonable procedures and all procedures prescribed from time to time by Franchisor to prevent unauthorized use and disclosure of the Trade Secrets, Marks or Copyrighted Works. Owner shall divulge the Trade Secrets and Copyrighted Works only to Kiosk personnel who must know them to do their jobs, and shall divulge only those portions that the personnel need to know.

4. No Undue Hardship. Owner acknowledges and agrees that the covenants set forth above are fair and reasonable and will not impose any undue hardship on Owner since Owner has other considerable skills, experience and education which afford him/her the opportunity to derive income from other endeavors.

5. Inapplicability of Restrictions. The restrictions described in paragraphs 1 and 2 do not apply to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent less than three percent (3%) of the outstanding number of shares of that class issued by a Similar Business.

6. Independence of Covenants. Each of the above covenants shall be deemed independent of any other covenant or provision of this Agreement. If any of the restrictions in this Agreement are determined to be unenforceable to an extent because of excessive duration, geographic area, scope of business or otherwise, they will be reduced to the level that provides the greatest protection to Franchisor and the System, but which is still enforceable. If a court of competent jurisdiction deems any provision of this Agreement unreasonable, the court may declare a reasonable modification, and this Agreement shall be valid and enforceable as so modified.

7. Modification of Covenants. Owner understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any of the above covenants without Owner's

consent, effective immediately upon receipt by Owner of written notice thereof, and Owner shall comply with any covenant as so modified.

8. Enforcement of Covenants. Owner expressly agrees that the existence of any claims Owner may have against Franchisor shall not act as a defense to the enforcement by Franchisor of the covenants contained in this Agreement. Owner agrees to pay all costs and expenses (including reasonable Attorneys' Fees) incurred by Franchisor in connection with the enforcement of the covenants set forth in this Agreement.

9. Specific Performance. Owner acknowledges that any breach of Owner's obligations herein may cause Franchisor great and irreparable injury that cannot be adequately compensated by the payment of damages in an action at law. Accordingly and notwithstanding any contrary or inconsistent term of the Franchise Agreement, Franchisor shall be entitled to the remedies of injunction, specific performance and other equitable relief to redress any breach, or to prevent any threatened breach (and Franchisor shall not be required to post any bond or prove special damages) and Owner shall pay any and all costs and expenses (including reasonable Attorneys' Fees and expenses) incurred by Franchisor in enforcing its rights hereunder. Nothing contained in this Agreement shall, however, be construed as a waiver by Franchisor of any other right, including, without limitation, Franchisor's right to damages.

10. Binding. This Agreement shall be binding on and inure to the benefit of the parties and their successors and permitted assigns. Franchisor may assign its rights and obligations under this Agreement to anyone without the consent of Owner. Owner shall not assign any of Owner's rights or obligations under this Agreement.

11. Laws. This Agreement and the parties' respective rights and obligations hereunder will be governed by, and construed and enforced in accordance with, the laws of the state where a claimed breach occurs, PROVIDED, that the provisions of any statute, regulation or law regarding franchises shall not apply unless jurisdictional, definitional and other requirements thereof are met independently of this Section.

12. Survival. Owner's obligations shall survive termination of the Franchise Agreement. Any failure on the part of Franchisor to insist upon the performance of this Agreement in whole or in part shall not constitute a waiver of any right under this Agreement. No waiver of any provision of this Agreement shall be effective unless in writing and executed by the party waiving the right. The parties agree that the covenants included in this Agreement, taken as a whole, are reasonable in duration and scope and necessary to protect Franchisor and the System, and it is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If in any judicial proceeding a court shall refuse to enforce any of the separate covenants included in this Agreement, then such unenforceable covenant shall be deemed modified so as to be enforceable (or if not subject to modification, then eliminated) to the extent necessary to permit the remaining covenants to be enforced.

13. Defined Terms. Capitalized terms used in this Agreement, unless otherwise defined herein, shall have the meanings ascribed to such terms in the Franchise Agreement. **Owner acknowledges having received, reviewed and understood the terms of the Franchise Agreement and having had ample opportunity to consult with independent counsel of Owner's choosing prior to execution of this Agreement.**

IN WITNESS WHEREOF, the undersigned have set their hands as of this _____ day of _____, 20__.

OWNER NON-COMPETE, NON-DISCLOSURE AND
CONFIDENTIALITY AGREEMENT**

(FOR CALIFORNIA FRANCHISES)

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement for the operation of an Omari™ Kiosk , and any revisions, modifications and amendments thereto, (hereinafter collectively the "Franchise Agreement") dated _____, 20____, by and between Fujisan Franchising Corp. (hereinafter "Franchisor") and _____ (hereinafter "Franchisee"), the undersigned ("Owner") agrees as follows:

1. In Term Non-Competition Covenants. Owner acknowledges that as a result of Owner's equity position in Franchisee, Owner may receive valuable Confidential Information and other proprietary information of Franchisor's or its affiliates. Owner covenants that, during the term of the Franchise Agreement and subject to the post-termination provisions contained therein and any applicable addendum to the Agreement, Owner will not, either directly or indirectly, for himself/herself or through, on behalf of or in conjunction with any Family Members or other person, persons, partners or entity:

- i) have any direct or indirect interest anywhere in any Similar Business, or in any entity granting franchises or licenses or establishing joint ventures for the operation of Similar Businesses; or
- ii) provide any financial support or perform any services anywhere as an employee, agent, representative, consultant or in any capacity of any kind for any Similar Business, or for any entity granting franchises or licenses or establishing joint ventures to operate Similar Businesses.

For purposes of this Agreement, i) a "Similar Business" is any business or enterprise, other than a sushi kiosk operated by Franchisee, a Franchisee Affiliate, a shareholder, member, director, manager, trustee or partner of Franchisee, under another brand and pursuant to a franchise agreement and/or kiosk addendum with Franchisor or a Franchisor Associate, that sells sushi (and such product sales represent 15% or more of such business/enterprise's sales) and any enterprise granting franchises or licenses to operate a Similar Business; and ii) "Family Members" include an individual and his/her spouse and/or domestic partner, and their respective mother, father, brother, sister, son, daughter and relatives.

- i) 5 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or other Affiliate of Franchisor in a major city (as defined below);
- ii) 10 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a metropolitan area (as defined below);
- iii) 12 miles of any Kiosk operated by Franchisor or by any franchisee or licensee or Affiliate of Franchisor in a rural area (as defined below);

- iv) In this Agreement, a “major city” means any of the top 25 cities in the U.S. measured by population; a “metropolitan city” means any city other than a major city where the population density is greater than 1,000 people per square mile; and a “rural area” means an area with a population density of 1,000 people per square mile or less. Population figures at the time of expiration or termination will be used in the application of this term, and Franchisor will provide Owner a list of then current Kiosk locations upon request.
- v) The provisions stated in this Paragraph 2 shall be subject to and limited in scope and/or time by applicable state law.

3. Non-Use and Non-disclosure Covenants. Owner agrees to protect as confidential, and not to disclose to any person or entity any Trade Secrets, either directly or indirectly, except as may be required for the fulfillment of Owner’s and/or Franchisee’s obligations under the Franchise Agreement. For purposes of this Agreement, Trade Secrets includes in any form current and future: Operations Manuals, methods and techniques for food preparation and service, food labeling and ingredient information, vendor data and information, proprietary sauces and product formulas, nutritional analysis, customer information and data, and other methods, formulas, specifications and procedures for developing and operating Kiosks and franchises.

Owner further agrees:

- i. to maintain absolute confidentiality of the Trade Secrets during and after the term of the Franchise Agreement. Owner shall not use any Trade Secrets, Marks or Copyrighted Works in any other business or venture and shall not use the Trade Secrets in any manner not authorized or approved in writing by Franchisor;
- ii. Owner shall not make any unauthorized copy of any Trade Secrets or Copyrighted Works; and
- iii. Owner shall implement reasonable procedures and all procedures prescribed from time to time by Franchisor to prevent unauthorized use and disclosure of the Trade Secrets, Marks or Copyrighted Works. Owner shall divulge the Trade Secrets and Copyrighted Works only to Kiosk personnel who must know them to do their jobs, and shall divulge only those portions that the personnel need to know.

4. No Undue Hardship. Owner acknowledges and agrees that the covenants set forth above are fair and reasonable and will not impose any undue hardship on Owner since Owner has other considerable skills, experience and education which afford him/her the opportunity to derive income from other endeavors.

5. Inapplicability of Restrictions. The restrictions described in paragraphs 1 and 2 do not apply to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent less than three percent (3%) of the outstanding number of shares of that class issued by a Similar Business.

6. Independence of Covenants. Each of the above covenants shall be deemed independent of any other covenant or provision of this Agreement. If any of the restrictions in this Agreement are determined to be unenforceable to an extent because of excessive duration, geographic area, scope of business or otherwise, they will be reduced to the level that provides the greatest protection to Franchisor and the System, but which is still enforceable. If a court of competent jurisdiction deems any provision of this Agreement unreasonable, the court may declare a reasonable modification, and this Agreement shall be valid and enforceable as so modified.

7. Modification of Covenants. Owner understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any of the above covenants without Owner's consent, effective immediately upon receipt by Owner of written notice thereof, and Owner shall comply with any covenant as so modified.

8. Enforcement of Covenants. Owner expressly agrees that the existence of any claims Owner may have against Franchisor shall not act as a defense to the enforcement by Franchisor of the covenants contained in this Agreement. Owner agrees to pay all costs and expenses (including reasonable Attorneys' Fees) incurred by Franchisor in connection with the enforcement of the covenants set forth in this Agreement.

9. Specific Performance. Owner acknowledges that any breach of Owner's obligations herein may cause Franchisor great and irreparable injury that cannot be adequately compensated by the payment of damages in an action at law. Accordingly and notwithstanding any contrary or inconsistent term of the Franchise Agreement, Franchisor shall be entitled to the remedies of injunction, specific performance and other equitable relief to redress any breach, or to prevent any threatened breach (and Franchisor shall not be required to post any bond or prove special damages) and Owner shall pay any and all costs and expenses (including reasonable Attorneys' Fees and expenses) incurred by Franchisor in enforcing its rights hereunder. Nothing contained in this Agreement shall, however, be construed as a waiver by Franchisor of any other right, including, without limitation, Franchisor's right to damages.

10. Binding. This Agreement shall be binding on and inure to the benefit of the parties and their successors and permitted assigns. Franchisor may assign its rights and obligations under this Agreement to anyone without the consent of Owner. Owner shall not assign any of Owner's rights or obligations under this Agreement.

11. Laws. This Agreement and the parties' respective rights and obligations hereunder will be governed by, and construed and enforced in accordance with, the laws of the state where a claimed breach occurs, PROVIDED, that the provisions of any statute, regulation or law regarding franchises shall not apply unless jurisdictional, definitional and other requirements thereof are met independently of this Section.

12. Survival. Owner's obligations shall survive termination of the Franchise Agreement. Any failure on the part of Franchisor to insist upon the performance of this Agreement in whole or in part shall not constitute a waiver of any right under this Agreement. No waiver of any provision of this Agreement shall be effective unless in writing and executed by the party waiving the right. The parties agree that the covenants included in this Agreement, taken as a whole, are reasonable in duration and scope and necessary to protect Franchisor and the System, and it is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If in any judicial proceeding a court shall refuse to enforce any of the separate covenants included in this Agreement, then such unenforceable covenant shall be deemed modified so as to be enforceable (or if not subject to modification, then eliminated) to the extent necessary to permit the remaining covenants to be enforced.

13. Defined Terms. OMARI™ FRANCHISE
FRANCHISE BACKGROUND INVESTIGATION/CREDIT CHECK FEE RECEIPT
FOR PROSPECTIVE FRANCHISEES

You (the Prospective Franchisee) have indicated your interest in obtaining an OMARI™ Franchise, under which you would be licensed to operate an OMARI franchised Kiosk business. You understand that Franchise candidates may be required to pay us a non-refundable Background Investigation/Credit Check fee as part of our evaluation process.

By signing and dating this receipt in the places noted below, you acknowledge and agree to the following:

**ADDENDUM TO THE FUJISAN FRANCHISING CORP.
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF CALIFORNIA**

1. **The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.**
2. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning transfer, termination or non-renewal of a franchise. If the franchise agreement contains provisions that are inconsistent with the law, the law will control.
3. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).
4. The franchise agreement contains covenants not to compete which extend beyond the termination of the franchise. These provisions may not be enforceable under California law.
5. Section 31125 of the California Corporation Code requires the franchisor to provide you with a Disclosure Document before asking you to agree to a material modification of an existing franchise.
6. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
7. You must sign a general release if you renew or transfer your franchise agreement. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
8. **THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO THE EXECUTION OF THE AGREEMENT.**
9. The franchise agreement requires binding arbitration. The arbitration will occur in Los Angeles County, California with each party bearing its own costs. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California. Business and Professions Code Section 20040.5 relating to forum selection clauses restricting venue outside the state of California or arbitration may be preempted by the Federal Arbitration Act. Section 20040.5 may still apply to any provision relating to judicial proceedings. A binding arbitration provision may not be enforceable under generally applicable contract defenses, such as fraud, duress, or unconscionability.
10. OUR WEBSITE, WWW.FUJIFRANCHISING.COM, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.
11. The California Department of Financial Protection and Innovation has required as a condition to our franchise registration that we satisfy a financial assurance condition, which we have

done by posting a surety bond in the amount of \$437,000. A copy of the surety bond is on file with the California Department of Financial Protection and Innovation.

12. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
13. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.
14. We do not have a federal registration for one or more of our principal marks. Therefore, such trademarks do not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.
15. Any provision of a franchise agreement, franchise disclosure document, acknowledgement, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable:
 - (a) Representations made by the franchisor or its personnel or agents to a prospective franchisee.
 - (b) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents.
 - (c) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto.
 - (d) Violations of any provision of this division.

2. Situs of Arbitration Proceedings: Franchise agreements providing that the parties must agree to the arbitration of disputes at a location that is remote from the site of the franchisee's business.
3. Restrictions on Forum: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.
4. Liquidated Damages and Termination Penalties: Requiring North Dakota franchisees to consent to liquidated damages or termination penalties.

DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF RHODE ISLAND**

In connection with Item 17 of the Franchise Disclosure Document, the following paragraph is included pursuant to Rhode Island law:

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in the franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF SOUTH DAKOTA**

Item 5 of the Disclosure Document is amended to state that the South Dakota Securities Regulation Office has required as a condition to our franchise registration that we satisfy a financial assurance condition, which we have done by posting a surety bond on file with the Office.

**ADDENDUM TO THE FUJISAN FRANCHISING CORP.
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF VIRGINIA**

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Fujisan Franchising Corp. for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure:

The following statements are added to Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE FUJISAN FRANCHISING CORP.
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF WASHINGTON**

This Franchise Disclosure Document and Section 44 of the Franchise Agreement are amended to state that the Washington Department of Financial Institutions has required as a condition to our franchise registration that we satisfy a financial assurance condition, which we have done by posting a surety bond on file with the Department.

This Franchise Disclosure Document is amended to state that we entered into an Assurance of Discontinuance with the Attorney General of the State of Washington on or about October 18, 2019, relating to franchise agreement provisions prohibiting our franchisees from soliciting or hiring our employees or employees of our affiliates or of another FujiSan franchisee (“no poach” provisions). We agreed, among other things, to discontinue the use of no poach provisions in future franchise agreements in Washington State and not to enforce such provisions in existing franchise agreements.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

In connection with Item 17 of the Franchise Disclosure Document, the following paragraph is included pursuant to Wisconsin law:

The conditions under which the Franchise Agreement can be terminated or not renewed may be affected by the Wisconsin Fair Dealership Law, Wisconsin Statutes, 1981-82, Title XIV-A, Chapter 135.

g. Any representation, warranty, certification, or statement made by or on behalf of Borrower or any guarantor of this Note made in the Franchise Agreement or in any certificate, writing or other document delivered pursuant to either of those documents proves to have been incorrect in any material respect when made.

h. A good faith determination, in the sole opinion of Lender, that the financial responsibility of Borrower or any guarantor of this Note has become unreasonably impaired or unsatisfactory and either one of those parties does not, on demand, furnish further collateral or make payment on account satisfactory to the Lender.

6. Interest on Past Due Amounts. Any amounts owed under this Note that are not paid when due shall bear interest after the due date at the legal rate until paid ("Default Interest").

7. Remedies. The rights, remedies and powers of Lender, as provided in this Note, are cumulative and concurrent, and may be pursued singly, successively or together against Borrower, any guarantor of Borrower's obligations, and any other security given at any time to secure the payment of Borrower's obligations, all at the sole discretion of Lender. Lender may resort to every other right or remedy available at law or in equity without first exhausting the rights and remedies contained in this Note, all in Lender's sole discretion.

8. Waivers and Consent. Borrower and each endorser, guarantor, surety, or accommodation party of this Note and each other person liable or to become liable for any part of the indebtedness evidenced by this Note: (a) waive presentment for payment, demand, notice of nonpayment, notice of dishonor, protest of any dishonor, notice of protest and protest of this Note, and all other notices in connection with the delivery, acceptance, performance, default or enforcement of the payment of this Note, (b) agree that their liability shall be unconditional and without regard to the liability of any other party and shall not be in any manner affected by any indulgence, extension of time, renewal, waiver or modification granted or consented to by Lender, (c) consent to every extension of time, renewal, waiver or modification that may be granted by Lender with respect to the payment or other provisions of this Note and to the release of any collateral given to secure the payment of amounts owing under this Note, with or without substitution, and (d) agree that additional makers or guarantors or endorsers may become parties to this Note without notice to Borrower or any other parties and without affecting the liability of Borrower or any other parties under this Note.

9. General Provisions.

a. Governing Law and Jurisdiction. The laws of the state governing the Franchise Agreement shall govern all questions with respect to the construction of this Note and the rights and liabilities of the parties to this Note without giving effect to any conflict or choice of law provision that would result in the imposition of another state's law. Borrower consents to the exclusive jurisdiction of, and any actions arising under this Note shall be heard and resolved in, the state for federal courts designated as the venue for any litigation in the Franchise Agreement.

b. Usury. In no event shall the amount of interest or any other amount paid or agreed to be paid to Lender for the use, forbearance, or detention of money exceed the highest lawful rate permissible under applicable usury laws. If for any reason amounts payable under this Note are deemed by a court of competent jurisdiction to involve the payment of interest in excess of the maximum amount permissible by law, then the obligation shall be reduced to the limit of such validity, and any amount received by Lender in excess of the maximum rate shall be applied to reduce the unpaid principal balance of this Note and not to the payment of interest. Such application shall be made with the same force and effect as though

Borrower had specifically designated such sums to be applied to principal and Lender had agreed to accept such sums as a penalty for prepayment.

c. Attorney Fees & Costs.

(1) Borrower shall reimburse Lender for all reasonable attorneys' fees, costs and expenses, incurred by Lender in connection with the enforcement of Lender's rights under this Note, including, without limitation, reasonable attorneys' fees, costs and expenses for trial, appellate proceedings, out-of-court negotiations, workouts and settlements or for enforcement of rights under any state or federal statute, including, without limitation, reasonable attorneys' fees, costs and expenses incurred to protect Lender's security and attorneys' fees, costs and expenses incurred in bankruptcy and insolvency proceedings such as (but not limited to) seeking relief from stay in a bankruptcy proceeding. The term "expenses" means any expenses incurred by Lender in connection with any of the out-of-court, or state, federal or bankruptcy proceedings referred to above, including, without limitation, the fees and expenses of any appraisers, consultants and expert witnesses retained or consulted by Lender in connection with any such proceeding.

(2) Lender shall also be entitled to its attorneys' fees, costs and expenses incurred in any post-judgment proceedings to collect and enforce the judgment. This provision is separate and several and shall survive the merger of this Note into any judgment on this Note.

d. Waivers. Waiver by Lender of any term, covenant or condition under this Note, or of any default by Borrower under this Note, or any failure by Lender to insist upon strict performance by Borrower of any term, covenant or condition contained in this Note, shall be effective or binding on Lender only if made in writing by Lender. No waiver shall be implied from any omission by Lender to take action with respect to any term, covenant, condition or default. No express written waiver by Lender of any term, covenant, condition or default shall affect any other term, covenant, condition or default or cover any other time period than the application of any such term, covenant or condition to the matter as to which a waiver has been given or the default or time period specified in the express waiver.

e. Binding on Successors. This Note shall inure to the benefit of, and shall be binding upon, the successors and assigns of each of the parties to this Note.

f. Amendments. This Note may be amended only by an instrument in writing signed by Borrower and Lender.

g. Severability. If any part of this Note is declared invalid for any reason, the declaration shall not affect the validity of the rest of the Note. The other parts of this Note shall remain in effect as if this Note had been executed without the invalid part.

h. Waiver of Trial by Jury. TO THE FULLEST EXTENT PERMITTED BY LAW, BORROWER WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS NOTE. BORROWER HAS EITHER (1) OBTAINED THE ADVICE OF INDEPENDENT LEGAL COUNSEL BEFORE SIGNING THIS NOTE AND ACKNOWLEDGES THE VOLUNTARY WAIVER OF THE RIGHT TO A TRIAL BY JURY WITH FULL KNOWLEDGE OF ITS SIGNIFICANCE AND LEGAL CONSEQUENCE OR (2) HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL BEFORE SIGNING THIS NOTE BUT HAS VOLUNTARILY CHOSEN NOT TO DO SO.

UNCONDITIONAL GUARANTY OF NOTE

With full knowledge of Lender's reliance on this Guaranty, and in consideration of the execution of the Note and the making of the loan evidenced thereby, the undersigned ("Guarantor") personally guarantees to Lender the prompt and full payment of Borrower's obligations in accordance with the terms of the Note and any related documents (the "Obligations").

This Guaranty is a continuing guaranty until all terms of the Note and any related documents are fully paid, satisfied, and discharged and may be proceeded upon immediately after failure by Borrower to pay any Obligations. This Guaranty is one of payment and not of collection. Guarantor waives any right to require that any action be brought against the Borrower or any other person or to require that resort be had to any security or to any balance of any deposit account or credit on the books of Lender in favor of the Borrower or any other person.

This Guaranty is entered into under and pursuant to the laws of the state governing the Note and will be in all respects governed, construed, applied and enforced in accordance with the laws of that State, without giving effect to any conflict or choice of law provision that would result in the imposition of another state's law.

This Guaranty may not be changed or terminated except in writing. This Guaranty shall be binding upon and insure to the benefit of the parties to it and their respective heirs, executors, administrators, successors and assigns. If any part of this Guaranty is found to be unenforceable, all other parts will remain in effect

Guarantor further represents that there are no judgments, federal or state tax liens, or any other liens against Guaranty in any jurisdiction and that Guarantor is not a defendant in any pending litigation and has no knowledge or notice of any lawsuit not yet commenced as of the date of this Guaranty.

TO THE FULLEST EXTENT PERMITTED BY LAW, GUARANTOR WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS GUARANTY OR THE NOTE.
