What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only where our then-current headquarters are located, which is currently Wisconsin. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Wisconsin than in your own state.

2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

**THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE
RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.**

- (f) A provision requiring that arbitration or litigation is conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “KSLCILLC,” “we,” “us” or “our” means KS La Crosse Investments, LLC the franchisor. “You” means the person who buys the franchise. If the franchisee is a corporation, partnership or other entity, “you” may also mean its owners. Certain provisions of the Franchise Agreement will apply to your owners and will be noted in this disclosure document.

The Franchisor

We are a Wisconsin limited liability company formed on December 1, 2010. Our principal business address is 528 Loomis Street, La Crosse, Wisconsin 54603; telephone: 888-484-8468; website: www.kitchensolversfranchise.com. We do business under our corporate name and Kitchen Solvers.

Our Parents, Affiliates and Predecessors

We do not have any parents, predecessors, or affiliates that must be disclosed in this disclosure document.

Our agents for service of process are disclosed in Exhibit A to this disclosure document.

Our Business Experience

We began offering franchises in February 2011 under the KITCHEN SOLVERS® name, although our predecessors have offered franchises under the KITCHEN SOLVERS® name since 1987. We do not offer and have not offered franchises in any other line of business. We have never operated a business similar to the business being franchised under this Disclosure Document. As of the date of this Disclosure Document, we do not have any affiliates or predecessors that offer franchises in any other line of business, or that operate a business similar to the business being franchised under this Disclosure Document.

The Franchise

We grant franchises to qualified persons for the right to own and operate a retail KITCHEN SOLVERS® Business (the “Business” or “Franchised Business”) within a particular geographic territory (the “Territory”) and under the terms of our standard franchise agreement (the “Franchise Agreement”), a copy of which is included in this disclosure document as Exhibit B. Depending upon location and availability, we also grant qualified persons the right to execute multiple Franchise Agreements to operate a Business in multiple Territories. We also are in the business of the administration of our franchise system. As of December 31, 2025, there were 57 KITCHEN SOLVERS® franchised businesses in the United States, 1 KITCHEN SOLVERS® franchise in Canada and no company owned KITCHEN SOLVERS® businesses.

During the operation of your Business, you will use our Marks (as defined in Item 13), as well as our distinctive products and services, supplies, sales and business techniques, measuring and installation methods and procedures. Your Business will feature kitchen and bathroom update, beautification, and remodeling options such as kitchen and bathroom design and decorating consulting; refacing, installing and replacing of kitchen and bathroom cabinets and appliances; accessorizing cabinet interiors and exteriors; installing and replacing countertops; and other kitchen and bathroom remodeling services for residential and commercial buildings. Each KITCHEN SOLVERS® business is an independently owned and operated business and you, as the franchisee, are solely responsible for your day-to-day conduct and activities. Accordingly, no KITCHEN SOLVERS® business is our agent (actual or implied).

Area Development Offering

We may offer qualified parties the right to own and operate multiple Businesses within a defined development area (the “Development Area”) and in accordance with a mandatory development schedule (the “Development Schedule”). To operate multiple Businesses, you must enter into our then-current form of area development agreement attached to this Disclosure Document as Exhibit C (the “Development Agreement” or the “ADA”) and pay to us a one-time development fee that will be calculated based on the number of Franchised Businesses we grant you permission to develop under the Development Agreement (the “Development Fee”).

Your right to develop multiple Franchised Businesses in your Development Schedule will depend on your ability to meet your “Minimum Productivity Levels” (discussed more fully in Item 12 of this Disclosure Document) in connection with any existing Businesses. You must execute a Franchise Agreement for the initial Business at the same time you execute your Development Agreement. You will also need to execute our then-current form of Franchise Agreement, which may differ from the Franchise Agreement disclosed in this Disclosure Document, for each subsequent Business you open under the Development Schedule.

The Market and Competition

You will sell the services and products from your Business to the general public primarily in refacing and replacing their existing kitchen cabinet framework or bathroom cabinets. Your business also may sell our products and services to other businesses such as general contractors, interior decorators, insurance adjustors or other professionals in need of our products and services. Your sales may be seasonal with more than 65%-75% of sales through the beginning March until end of October when many customers do kitchen or bathroom remodeling.

You will compete with other businesses performing similar refacing, replacing, or restoring services, including other regional franchise systems, smaller independent businesses and national non-franchised companies.

Licenses and Permits

There may be laws applicable to your Business, which may include bonding or licensing requirements for businesses performing home improvement work like the installation of kitchens, and we urge you to make further inquiries about these laws. You will be required to comply with all local, state and federal laws in the operation of your Business.

INITIAL FEES

Initial Franchise Fee

At the time you sign your Franchise Agreement, you must pay us a nonrefundable Initial Franchise Fee of \$60,000 for a single Territory. The Initial Franchise Fee is earned upon receipt and not refundable under any circumstances. The Initial Franchise Fee includes your rights to your initial Territory (as defined in Item 12). During our fiscal year ending December 31, 2025, the lowest initial franchise fee we collected was \$60,000.

Development Agreement

If we grant you the right to enter into a Development Agreement, you must pay to us a one-time Development Fee, which is due when you sign your Development Agreement. The minimum number of Franchised Businesses you may be permitted to open under a Development Agreement is two and we anticipate limiting the maximum Franchised Businesses to be developed to five. The Development Fee will depend on the number of Franchised Businesses you are obligated to open within the Development Area and will be (a) \$105,000 for the right to develop two Franchised Businesses, (b) \$140,000 for the right to develop three Franchised Businesses, (c) \$170,000 for the right to develop four Franchised Businesses, and (d) \$200,000 for the right to develop five Franchised Businesses.

You will be required to enter into our then-current form of franchise agreement for each Franchised Business you wish to open under your Development Agreement, but you will not be required to pay any additional Initial Franchise Fee at the time you execute each of these franchise agreements. If you enter into a Development Agreement, you must execute our current form of Franchise Agreement for the first Franchised Business we grant you the right to open within your Development Area concurrently with the Development Agreement.

The Development Fee will be deemed fully earned upon execution of your Development Agreement.

Additional Population Fee

If we permit you to purchase additional contiguous zip codes for a specific Territory so that the Territory exceeds 85,000 owner occupied households, then you must pay us an additional fee in an amount equal to the number of owner occupied households in your Territory in excess of 85,000 multiplied by 75 cents (\$0.75) (the “Additional Population Fee”) and we may require you to sign a general release of claims. The Additional Population Fee is earned upon receipt and not refundable under any circumstances.

For example, if we permit you to purchase additional zip codes for your Territory so that the Territory consists of a total of 100,000 owner occupied households, then you must pay us an Additional Population Fee equal to \$11,250 (i.e., a total Initial Franchise Fee of \$71,250).

You may not purchase any additional zip codes so that the number of owner-occupied households in any individual Territory exceeds 110,000. Once a Territory contains 110,000 owner occupied households, then you will be required to sign a new Franchise Agreement for an additional Territory in order to acquire any additional owner-occupied households.

Supplies Package

We have identified a “Supplies Package” that you must purchase from us for use in your Business. A detailed list of the items currently included in the Supplies Package is included as Appendix C to the Franchise Agreement (which is attached to this Disclosure Document as Exhibit B). As of the issuance date of this disclosure document, the cost of the Supplies Package is \$7,000. You must pay for the Supplies Package upon execution of the Franchise Agreement, and it is nonrefundable.

(1) The above chart assumes that you did not qualify for any discounts, and that you paid the standard Initial Franchise Fee.

(2) These are the estimated initial investments for beginning operations for a KITCHEN SOLVERS Business. The estimated initial investments will vary depending on factors like whether you operate your Business out of your home or lease an office and showroom, your financial condition and the arrangements and business decisions you make. Except where otherwise noted, all fees that you pay to us are nonrefundable. Third-party lessors and suppliers will decide if payments to them are refundable. Neither we nor our affiliate finance any portion of the initial investment.

(3) See Items 6 and 11 for additional information on training.

(4) As described in Item 5, you must purchase a Supplies Package from us for use in your Business. A detailed list of the items currently included in the Supplies Package is included as Appendix C to the Franchise Agreement (which is attached to this Disclosure Document as Exhibit B).

(5) You must spend 5% of your expected annual gross sales on localized and digital marketing efforts, unless we approve otherwise in writing. During the initial 3-month operation period of your business, you are required to spend a minimum of \$3,000 per month on marketing, unless we approve otherwise in writing. We reserve the right to approve all local marketing and advertising, and we can request you to provide copies of your invoices and receipts evidencing your local marketing activities at any time. Your local marketing requirements for the first partial calendar year after you sign the Franchise Agreement will be identified on Appendix B to the Franchise Agreement. The amount identified in the table above reflects three (3) months of local marketing expenses.

(6) Your initial investment may not include any amount for office space, and we recommend that you initially operate your Business from your home. If you lease an office, showroom or shop space outside of your home, this expense will vary based upon local real estate market conditions and the size of the space you lease. The estimate provided assumes a high end of \$4,500 per month for a warehouse or shop. If you choose to have a showroom for your Business it must meet our specifications and standards for showrooms and you may incur additional expenses for furniture, fixtures, equipment and signage. Typically, a showroom is a minimum of 200-300 square feet of office space with 400-600 square feet of shop space and would be located in a light industrial park that will allow you to receive merchandise.

(7) You must use a computer system and Apple iPad in connection with the operation of your Business. The low range assumes you already have a computer system, iPad, and office equipment necessary to operate your Business.

(8) You must use either a motor vehicle or an enclosed trailer in connection with your Business. You may use your existing vehicle if it meets our standards and specifications. The low end of the range assumes you will use your existing vehicle with required signage as described below. If you do not currently own a vehicle capable of pulling a trailer, or if your existing vehicle does not meet our standards and specifications, you must purchase or lease a vehicle suitable for that purpose. Based on current market conditions, the estimated lease cost for a vehicle suitable for use as an installation and sales vehicle ranges from \$700 to \$900 per month, including sales

tax and license and title fees. Actual lease costs may vary depending on vehicle type, lease terms, mileage allowance, credit qualifications, and market conditions. If you elect to purchase an enclosed trailer, the estimated cost ranges from \$6,000 to \$8,000.

(9) You must wrap your motor vehicle or enclosed trailer with the approved branded vehicle wrap before you open your location. This is a one (1) time fee paid to our locally recommended vendor. The low end suggests one (1) motor vehicle or trailer is being wrapped. The high end of the range suggests you are wrapping a motor vehicle and a trailer. Materials and labor availability may cause you to use a different vendor.

(10) Insurance premium estimates are for general liability, workers compensation and commercial auto and such other insurance coverage that we designate. The amount indicated in the Chart above is the estimated cost for three (3) months of insurance premiums for a single Territory. See Item 8 for additional information on insurance.

(11) This amount includes utility deposits and business licenses. Deposits are generally refundable, but license fees are not. Business licenses include specialty or general contracting fees that are required on a per state or per county basis. Also, includes any other general business permits or fees required to create your business entity in your state. This range can change on a per state and/or county basis.

(12) This amount is an estimate for attorneys' fees in connection with your purchase of the franchise.

(13) This amount is an estimate of the third-party software fees that you will need to spend in connection with establishing and maintaining proper records and financial statements during the first three months.

(14) This estimates the amount that you may pay an accountant during the first three months. The low amount estimates the amount you may spend if you use our recommended accounting firm for their bookkeeping services. The high amount estimates the amount you may spend if you use your own accounting firm or if you engage an accounting firm for more than minimal services.

(15) This estimates the amount that you may spend during the first three months on back office services such as payroll services and general human resource services. The low estimates the amount that you may spend on these services if you do not have any employees during the first three months. The high end estimates the amount that you may spend during the first three months if you either use our recommended PEO (professional employment organization) if or you purchase separate payroll and human resource services for your Business.

(16) You may need to purchase approved tools for installation. We will supply you a suggested complete tool list upon request for your use in determining which tools you may need to purchase. The low end of the range assumes that you already have the tools necessary to complete the work.

(17) This estimate is for three (3) months of the Technology Fee, currently \$317 per month. See Item 6 for additional information.

(18) The estimate of Additional Funds for the initial phase of your KITCHEN SOLVERS Business is based on recurring expenses and operating expenses for the first 3 months of operation. This estimate is based on costs experienced by our current franchisees, as well as our management team's and our predecessors' more than 30 combined years of industry experience and knowledge of average costs and market conditions prevailing as of the date of this Disclosure Document.

(19) This total is an estimate of your initial investment. This estimate is based on costs experienced by our current franchisees, as well as our management team's and our predecessors' more than 30 combined years of industry experience and knowledge of average costs and market conditions prevailing as of the date of this Disclosure Document.

See Note 3.		

Explanatory Notes to Chart B:

1. All fees and payments are non-refundable, unless otherwise stated or permitted by us. This Chart details the estimated initial investment associated with executing a Development Agreement for between two and five or more Franchised Businesses, as well as the initial investment to open your first Franchised Business under your Development Schedule.
2. The Development Fee is described in greater detail in Item 5 of this Disclosure Document. The low range of the Development Fee is for the right to open two Franchised Businesses and the high range is for the right to open five or more Franchised Businesses.

3. This figure represents the total estimated initial investment required to open the initial Franchised Business under the Development Agreement. You will be required to enter into our then-current form of franchise agreement for the initial Franchised Business you open under your Development Agreement. The range includes all the items outlined in Chart 7.A. of this Item, except for the \$60,000 Initial Franchise Fee (because you are not required to pay any Initial Franchise Fee for those Franchised Businesses you open under the Development Agreement). It does not include any of the costs you will incur in opening any additional Franchised Business(es) under your Development Agreement, which may be different and higher than those currently disclosed in Chart 7.A.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To help assure a uniform image and uniform quality of products and services in all KITCHEN SOLVERS® businesses, you must maintain and comply with our quality standards. Although you are not required to purchase or lease real estate from us, if you lease office space for your business or choose to have an office outside your home or a showroom, you must improve and equip the space in accordance with our then current approved design, specifications and standards. You also must use equipment (which includes hardware and software for the Technology Suite as described in Item 11), signage, fixtures, furnishings, an accounting firm, payroll and human resources services, products, supplies and advertising and sales promotion materials that meet our specifications and/or standards. You must offer for sale all programs, products and services we require in the manner and style we require.

The Franchise Agreement requires you to sell or use only those products and services that we have approved in writing. The purpose of this requirement is to ensure that all franchisees adhere to the uniformity and quality standards associated with KITCHEN SOLVERS® businesses. Upon request, we will periodically provide you with the names of approved vendors and suppliers for products, goods, supplies, fixtures, and equipment. The approved products will include “Primary Products and Services” for your Business such as new cabinet units, doors, drawer fronts, closet organizers, panels, trim and molding required for installing new cabinets or cabinet refacing and other supplies, products, and equipment. The approved suppliers for the Primary Products and Services may be Preferred Vendors as further described below.

We may modify the standards and specifications for products and services from time to time and add or delete from the list of approved vendors and suppliers. Standards may include minimum standards for delivery, performance, warranties, design, appearance and other restrictions. We may disapprove of a previously approved vendor, item, product and/or service at any time and you must discontinue offering for sale any such disapproved vendor, item, product and/or service immediately upon receipt of written notice. You may not manufacture any products for sale at or from your Business, including Primary Products, without our prior written consent. We reserve the right to limit the number of vendors and suppliers. From time to time, and at any time, we, an affiliate, or a third-party vendor or supplier may be the only approved supplier for certain products. You will pay the then-current price in effect for all purchases you make from us, our affiliate, or any third-party vendor we designate. As of the issuance date of this disclosure document, neither

we nor any affiliate is the sole supplier of any items other than the Supplies Package. We and our affiliates reserve the right to become an approved or designated supplier (including an exclusive supplier) of any product or service at any time in the future, without restriction.

You may make written request for approval of a specific product of an additional qualified vendor or supplier. Except as noted below, we may, but are not required to, grant our approval of the product if doing so will not create an inordinate number of vendors/suppliers (usually not more than 2) of the product. In addition, each vendor/supplier of a product must meet the following requirements: its product must comply with the applicable specifications and/or standards; the vendor/supplier's facilities must be adequate to meet the needs of franchisees; and the vendor/supplier and its facilities must be accessible to our periodic evaluation. We do not charge a fee for evaluating a proposed new vendor/supplier and/or a new product, but we reserve the right to do so in the future.

You must initiate the formal approval process to have a specific product of an additional vendor/supplier approved. As part of this approval process, we may request that the vendor/supplier submit samples of its specific product to us. We then conduct an evaluation of the samples to determine whether the product conforms to our specifications and/or standards. We will notify the vendor/supplier of our evaluation results by mail usually within 30 days after our receipt of the sample.

As part of the approval process for a specific product, the vendor/supplier may be required to sign an applicable supplier agreement. We may revoke our agreement at any time, including if the vendor/supplier is in violation of any of the terms of the applicable supplier agreement or if we determine in our good faith but exclusive judgment that the vendor/supplier is not meeting the standards and specifications that we have established for that product or service.

While we do not require you to purchase your computer hardware or software from a specific source, your computer hardware and software must meet our standards and specifications.

Other than our members' ownership interest in us, as of the date of this Disclosure Document no officer has an ownership interest in any approved supplier.

We and our affiliates reserve the right to receive rebates and other consideration from suppliers in connection with your purchase or lease of goods, products, and services. Without limiting this broad right, some of these payments may be based on services we provide to the supplier, other payments may be calculated on an amount based on products or services sold or leased to you. We and/or our affiliates will retain and use such payments as we deem appropriate. We consider these suppliers Preferred Vendors. We also may occasionally negotiate with Preferred Vendors so that the Preferred Vendors may offer their products or services to franchisees at favorable or discount prices, although this is not a guarantee that the prices for these products or services will be lower than other similar products on the market. For items you purchase from us, our affiliates and approved suppliers, you will pay the then-current price in effect which may be higher than the cost of similar products on the market.

During our last fiscal year ending December 31, 2025, we derived revenue of \$182,143.75, or eight percent (8%) of our total revenue of \$2,301,394.76, on account of required purchases and leases by franchisees.

Our revenues from sale of products include amounts received from franchisees for items we purchase from vendors on their behalf. We and/or our affiliates also will derive revenue from the sale of products to you by charging more than our wholesale purchase price or by receiving commissions, rebates and other payments from the manufacturers or suppliers. We and/or our affiliates may provide certain services and data to manufacturers and suppliers in return for a fee as a result of transaction with franchisees. As of the issuance date of this Disclosure Document, the fee may range from 0% to 10% of the manufacturers or suppliers' sales to franchisees and is subject to increase in the future. During our last fiscal year ending December 31, 2025, we derived revenue of \$216,427.23 as commissions from suppliers.

In addition to approved products, you must purchase and maintain in force such insurance coverage, including general liability, damage to rented premises, medical expense, personal and advertising injury occurrence, general aggregate, products liability aggregate, occurrence form, stop gap (applicable in ND, OH, WA and WY), auto liability, workers compensation and employers liability, property and such other insurance coverage that we designate, and any other insurance required by local, state or federal law. Our current minimum requirements as of the Issuance Date of this Disclosure Document are as follows:

(a) General Liability coverage with minimums of \$1,000,000 per occurrence, \$2,000,000 general and products/completed operations aggregate, \$1,000,000 personal/advertising injury, \$50,000 rented premises damage, and \$5,000 medical expenses;

(b) Commercial Auto Insurance with a \$1,000,000 combined single limit, covering uninsured/underinsured motorists, owned, hired, and non-owned autos;

(c) Workers' Compensation & employer's liability insurance with minimum coverage of \$1,000,000 per employee, \$1,000,000 per accident, and a minimum policy limit of \$1,000,000, or in such larger amounts as may be required by the statute or rule in the jurisdiction in which your business is located; and

(d) any other insurance, in such amounts as may be required by statute or rule in the jurisdiction in which your business is located.

We may reasonably increase the minimum liability protection requirements annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public or product liability litigation or other relevant changes in circumstances. Premiums are payable in amounts and at times as required by your insurers. All insurance policies must be from an A-VII or higher AM Best-rated carrier, name us and other related entities or persons, as designated by us, as additional insured parties, provide a waiver of subrogation in favor of us and our designees, and must provide that we will receive 30 days' prior written notice of amendment, termination, expiration or cancellation of any policy. You must submit to us each year a copy of the certificate, endorsement or other evidence of the issuance, renewal or extension of each insurance policy. If you fail to obtain insurance coverage, we may,

but are not required to, obtain insurance coverage on your behalf and you must reimburse us for all costs and expenses we incur.

You may use only marketing and promotional materials that meet the standards described in Item 11 (see Items 6 and 11 for more information on marketing).

We estimate that your purchase of products, supplies, and marketing materials that meet our specifications and standards will represent approximately 55% to 85% or more of the cost to establish the franchise business and 45% to 60% or more of the cost to operate the franchise business on an ongoing basis.

When your franchise is up for renewal or you apply for an additional franchise, among the factors we consider are your compliance with your Franchise Agreement and support of our programs and policies, which would include compliance with the requirements described in this Item 8.

We do not guarantee the availability of independent sources of supply for any particular item, product or service required to establish or operate your Franchised Business. We do not provide material benefits to you (including renewal rights or the right to additional franchises) based on whether you purchase through the sources we designate or approve. As of the issuance date of this Disclosure Document, we are not aware of any purchasing or distribution cooperatives in the KITCHEN SOLVERS system that offer to you certain products used in the franchise business.

Commencing on the first full calendar year after you sign the Franchise Agreement and continuing for each successive calendar year that you operate your KITCHEN SOLVERS Business, you must spend a minimum of \$3,000 per month during the initial 3-month opening period of your business on approved local marketing and advertising. You are required to spend at least 5% of expected annual gross sales on local advertising each month during the term, commencing with the fourth month of operations. Your local marketing requirements for the first partial calendar year after you sign the Franchise Agreement will be identified on Appendix B to the Franchise Agreement. You must submit your marketing materials (print, electronic or other form of media, including the internet and social media) to us for approval. We will not unreasonably withhold approval of your marketing materials if they are factually accurate and current, dignified and in good condition and accurately depict the KITCHEN SOLVERS Marks. The marketing materials will be deemed approved if we do not disapprove or comment within 10 business days of receipt. We may revoke approval of any previously approved marketing materials at any time, effective on notice to you. Other items like the use of our approved kiosk/mall display will count towards your local marketing requirements. Upon our request, you must provide to us copies of all invoices and receipts evidencing your local marketing activities.

In addition to your local marketing obligations, you must pay us a Brand Fund Fee in an amount equal to 1% of your monthly Gross Sales. We may increase the maximum annual contribution upon 30 days' prior written notice to you.

The Brand Fund Fee will be deposited into a Brand Fund (the "Fund"). We will administer the Fund in our sole and absolute discretion. We may administer the Fund ourselves or designate or license one or more third parties to do so. Any company-owned or affiliate-owned KITCHEN SOLVERS® businesses we (or our affiliates) operate will contribute to the Fund at the same rate as similarly situated franchisees. We may formulate, develop, and conduct marketing and promotion programs out of the Fund to promote the KITCHEN SOLVERS® system and products in a form and media we determine in our sole judgment to be appropriate. We have sole discretion over the creative concepts, materials, media, type, nature, scope, frequency, place, form, copy, layout and content of all advertising and marketing paid out of the Fund. Media used for any marketing program may include internet, social media, television, radio, newspapers, magazines and other written publications, which all may be local, regional or national in coverage. We may use national and regional marketing and advertising agencies from time to time to create and place advertising and other marketing communications. We reserve the right to use the Fund to reimburse us for all costs that we incur related to the marketing and promotion programs, including the proportionate compensation of employees who devote time and render service in the conduct, formulation, development and production of the marketing and promotion programs or the administration of the Fund.

We have no obligations to spend any amount on marketing in the area or Territory where you are located. We are not required to ensure that you benefit directly or pro-rata from placement of advertising or marketing. Excess Fund contributions not spent in any fiscal year will be carried over for future use. The Fund is not a trust or escrow account, creates no fiduciary duties or obligations, and is our property. You have no property rights of any kind with respect to the monies in the Fund. We will provide you with a copy of an unaudited financial report showing

receipts and disbursements of the Fund for the most recently concluded fiscal year within 30 days of the completion of the report if you send a written request for the report on or before March 31. The Fund program will not be used for advertising principally directed at the sale of franchises, however media, materials and programs prepared using the Fund may describe our franchise program, reference the availability of franchises and related information, and process franchise leads.

During our last fiscal year ending December 31, 2025, we used the Fund as follows:

- 23% on support staff
- 72% on branding, promotion and advertising
- 5% on website hosting and security

Although we currently do not do so, we reserve the right to require advertising or marketing cooperatives to be formed, changed, dissolved or merged. We also have a franchisee advisory council that will provide advisory input on marketing and related matters from time to time. If established, members to the franchisee advisory council will be selected by us. The franchise advisory council will serve in an advisory capacity only. We reserve the right to form, change or dissolve the franchise advisory council.

Computer System/Technology Suite: You must use a computer system in connection with the operation of your KITCHEN SOLVERS® Business. (Subparagraph 8E of the Franchise Agreement). You must participate in the KITCHEN SOLVERS® Internet web site. At no time during the franchise agreement period will a franchise have a separate or a conflicting website representing KSLCILLC, the KITCHEN SOLVERS® franchise system or your KITCHEN SOLVERS® franchise. The only website that franchisees can use is the website or landing page provided by KSLCILLC. You must use the e-mail address and system that we provide to you for electronic communication between you, your customers, and our support staff. We will have independent access to the information and data that is electronically generated. You must provide financial and business records and information to us according to reporting formats, methodologies and time schedules that we establish from time to time. You must provide financial and business records and information to us according to reporting formats, methodologies and time schedules that we establish from time to time. We also reserve the right in the future to require you to install computerized management systems meeting our standards, as modified from time to time in response to business, operations and marketing conditions. You may be required to license proprietary software from us or a third-party and to pay for all future updates, licensing fees, supplements and modifications to the system. For example, as of the date of this Disclosure Document, you must pay us a Technology Fee of \$317 per month for access to the technology system. We may increase this fee upon 30 days' prior written notice to you. One (1) "Core Lite" email account is currently included in the monthly fee. Additional accounts may be added for between \$45 to \$200 per account per month, which if purchased from us would be added to your Technology Fee.

We estimate the cost of purchasing the computer system will range from \$700.00 to \$1500.00. You will be solely responsible for the acquisition, operation, maintenance, and upgrading of your computer. Neither we nor our affiliates are obligated to provide ongoing maintenance, repairs upgrades or updates to your computer. We currently do not require you to purchase a maintenance,

repair, upgrade or update service contract for your computer, but we reserve the right to do so in the future.

Site Selection: You are responsible for locating a Territory that meets our standards and criteria and that is acceptable to us. We may designate the boundaries of the Territory you identify. We generally will respond within 30 days of your request for approval of a proposed Territory. If we do not approve the Territory you propose, we will permit you to examine alternative search areas for your Territory until you and we agree on the Territory. The Franchise Agreement does not identify any time limit for locating or approving a site or any consequences if we cannot agree on a site. The Territory will be identified before you sign the Franchise Agreement and you may operate your KITCHEN SOLVERS® Business out of your home without obtaining our consent. When approving a Territory, we will consider local competition, population and character of the Territory, demographic surveys and customer information, the comparative advantages of a particular market and market penetration. A Territory will have a minimum of 85,000 owner occupied households. If you operate your KITCHEN SOLVERS® Business outside your home, you must provide a site for the showroom that meets our site selection guidelines and the showroom must be located in your Territory. You must provide the proposed lease agreement for the office site (if outside your home) and for the showroom before you sign the lease, and you and the landlord must enter into our designated form of Collateral Assignment of Lease Agreement (see Appendix E to the Franchise Agreement) for each lease agreement. We have no responsibility for the lease, as it is your sole responsibility to evaluate, negotiate and enter into the lease. If you choose to have an office location or showroom, you must obtain our consent to the site. If we do not consent to a site, you may propose another site or continue to operate the business from your home.

If you enter into a development agreement, we do not determine location of future KITCHEN SOLVERS® Businesses. You must, however, submit each proposed site to us for approval in accordance with the process disclosed above.

Development Time: The length of time between the signing of the Franchise Agreement and the opening of your Business may be 1 month to 4 months. Factors affecting this length of time usually include arranging financing, successfully completing training and other possible factors. If you fail to open your Business within 6 months of the effective date of the Franchise Agreement, we may terminate your Franchise Agreement.

You should not expend funds or make any other commitment in connection with the franchise and should not resign from existing employment, relocate or take any similar action until our approval of the franchise, which we will specifically communicate to you in writing.

Training All franchisees must participate in our Pre-Opening Training Program. The Pre-opening Training Program is available to you and any approved manager for your Business. If your Business is run by a manager, the manager must attend and successfully complete, to our satisfaction, the Pre-Opening Training Program. Currently, if you have more than 2 people attend our Pre-Opening Training Program, we do not charge a fee for the additional attendees. We reserve the right to charge a fee for additional attendees in the future.

Pre-Opening Training: You must complete the Pre-Opening Training Program to our satisfaction before you begin to operate your Business. The Pre-Opening Training Program is held at our headquarters in La Crosse, Wisconsin as well as virtually, via telephone and internet. There will be virtual training that must be completed prior to the in-person training at our corporate office in La Crosse, Wisconsin (unless we designate otherwise – we reserve the right to hold the entire Pre-Opening Training Program remotely via any virtual platform we designate). You must pay for the salaries, fringe benefits, travel costs and expenses, and all related costs for all persons associated with you who attend the Pre-Opening Training Program.

Our Pre-Opening Training Program includes the following:

Item 12

TERRITORY

Franchise Agreement

We grant you the right to operate a KITCHEN SOLVERS® Business within a particular Territory. The method used to describe territorial boundaries of franchises will be one or a combination of the following: county lines, highways or streets, or zip codes. A standard Territory will consist of a maximum of 85,000 owner occupied households. If we permit you to acquire additional contiguous zip codes so that your Territory consists of more than 85,000 owner occupied households, then you must pay us the Additional Population Fee. In any event, your Territory may not contain more than 110,000 owner occupied households.

During the term of your Franchise Agreement, we will not establish either a company owned KITCHEN SOLVERS® business or another KITCHEN SOLVERS® franchise within your Territory or modify your Territory without your written permission, provided that you are in complete compliance with the terms and conditions of your Franchise Agreement. Your Territory is not dependent on achieving any particular sales volume or market penetration.

You are not permitted to operate your KITCHEN SOLVERS® Business outside of your Territory without first securing our prior written consent. You will not receive any right of first refusal under your Franchise Agreement.

You may not purchase or engage in marketing including via the Internet or other direct marketing, targeted at areas outside your Territory without our prior written approval. Marketing that is

directed to your Territory, but also reaches outside your Territory (for example, radio, television or home shows) is permissible provided the marketing content must be approved by us prior to use. Other than as described in this paragraph, you may not operate your Business or offer services outside your Territory.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Development Agreement: Development Area Rights

We may offer qualified candidates the right to enter into our form of Development Agreement (attached to this Disclosure Document as Exhibit C). If you enter into a Development Agreement with us, you will be granted the right and will undertake the obligation to develop multiple Franchised Businesses within your Development Area in accordance with your specified Development Schedule.

In order to develop a second or any subsequent Franchised Business pursuant to a Development Agreement you enter into with us, you must: (i) be in compliance with the terms of any and all Franchise Agreements by and between you (and/or any of your affiliates) and us; (ii) sign our then-current form of franchise agreement to govern that Franchised Business; and (iii) as of the date you sign, demonstrate that you have met the applicable Minimum Productivity Levels for each and every existing Franchised Business for at least the three (3) full calendar months preceding the date you wish to sign the franchise agreement for that subsequent Franchised Business. We reserve the right to designate and/or approve the locations and Territories of any subsequent Franchised Business that you open pursuant to a Development Agreement in accordance with our then-current standards and specifications. If you fail to meet your Development Schedule requirements, we may terminate your Development Agreement and/or elect to remove your territorial rights in your Development Area. Otherwise, we will not modify your Development Area except by mutual agreement of the parties in a separate writing.

During the term of the Development Agreement, we will not open or operate, or license any third party the right to open or operate, any other Franchised Business within the Development Area.

Once the Development Agreement expires or is terminated, you will not have any territorial rights within the Development Area (other than rights you were granted under any valid and existing Franchise Agreement(s) you entered into as of the date the Development Agreement expires).

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

HISTORICAL FINANCIAL PERFORMANCE INFORMATION

As of December 31, 2025, there were fifty-eight (58) franchised outlets (with each “outlet” representing one franchised territory) open. Out of these fifty-eight (58) franchised outlets: (a) fifteen (15) were not in operation for a full twelve (12) months as of December 31, 2025; and (b) one (1) outlet is located in Canada. We sent unaudited Item 19 surveys to all remaining forty-two (42) franchised outlets requesting the financial performance information detail disclosed in this Item 19 (each an “Item 19 Survey”) for the 2025 calendar year (the “Measurement Period”). Twenty-two (22) franchise owners representing thirty-six (36) of the franchised outlets responded to the survey. We refer to these thirty-six (36) outlets as the “Item 19 Outlets” and the twenty-two (22) franchise owners as the “Item 19 Franchise Owners” in this Item 19 financial performance representation.

Of the twenty-two (22) Item 19 Franchise Owners disclosed below, eighteen (18) such owners were compliant with System reporting and marketing requirements during the Measurement Period (the “Compliant Owners”), while four (4) were not (the “Noncompliant Owners”). Of the thirty-six (36) Item 19 Outlets disclosed below, thirty-two (32) outlets were in compliance with System reporting and marketing requirements during the Measurement Period (the “Compliant Outlets”), while four (4) were not (the “Noncompliant Outlets”). Tables 1 and 2 of this Item 19 set forth the disclosed financial performance of the Compliant Owners and Compliant Outlets during the Measurement Period, while the disclosed financial performance of the Noncompliant Owners and Noncompliant Outlets during the Measurement Period is set forth in Table 3.

The financial performance information disclosed in this Item 19 was reported to us by the Item 19 Franchise Owners in response to the Item 19 Surveys. We have not audited this information. Written substantiation for the financial performance representation will be provided to the prospective franchisee upon reasonable written request.

ADDITIONAL NOTES:

A. Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

B. You should develop your own business plan for your franchise, including capital budgets, financial statements, projections, pro forma financial statements and other elements appropriate to your particular circumstances. We encourage you to consult with your own accounting, business and legal advisors to assist you in preparing your business plan.

C. The information presented in this Item 19 does not reflect all of the operating expenses or other costs or expenses that must be deducted from the average total sales price or gross revenue to obtain net income or profit. For example, royalty fees and marketing expenses are not included. You should conduct an independent investigation of the costs and expenses you will incur in operating your Business. Franchisees or former franchisees listed in Exhibit D to this Disclosure Document may be one source of this information.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Thomas Miskowski at 528 Loomis Street, La Crosse, Wisconsin 54603, 888-484-8468, the Federal Trade Commission, and the appropriate state regulatory agencies.

You have the option to renew your license for up to two (2) additional terms of ten (10) years each, provided that as to each renewal you have met the following conditions:

- (i) you must give written notice to us not less than six (6) months prior to the end of the expiring term of your intent to renew the license;
- (ii) you must execute the then-current form of franchise agreement and all other agreements, legal instruments and documents then customarily used by us in the renewal of franchises. These agreements, legal instruments and documents may vary materially from those agreements, legal instruments and documents currently in use by us. There will not be, however, another initial franchise fee charged for renewal of the license. Your failure or refusal to execute such agreements, instruments and documents within thirty (30) days after their delivery to you will be deemed an election by you not to renew the license;
- (iii) you are in compliance with all of the terms and conditions of this Agreement and are in compliance with our operating and quality standards and requirements;
- (iv) you have satisfied, prior to renewal, all monetary obligations owed by you to us, our affiliates or your suppliers or creditors, whether pursuant to this Agreement or otherwise;
- (v) you have agreed, in writing, to make such reasonable expenditures necessary to replace and modernize your sample doors and other sample materials, showcase display and all items displaying the Trademarks so that your Business will conform to our then-current standards;
- (vi) you attend any training program, at your expense, that we deem necessary for you to operate your Business in accordance with our then-current standards;
- (vii) you have continuously and actively operated the Business; and
- (viii) you and your Personal Guarantors sign a general release of claims in a form we prescribe.

5. PREMISES STANDARDS AND MAINTENANCE

The following provisions control with respect to your premises:

A. Location, Lease. You must, at your expense, provide the premises where the Business will be located and operated. You may operate your Business out of your residence or office space, although we must consent to the office location. Your office (if you operate your Business out of an office) must be located in the Territory. The office (including any showroom that you establish, although a showroom is not required) must be constructed, maintained and operated in accordance with our specifications and standards that we establish periodically pertaining to signage, fixtures, accessory features and design and layout. If your location is outside of your home, we must consent to the site in writing. We make no guarantees concerning the success of your Business located at any site consented to by us. You are solely responsible for obtaining all necessary permits and/or licenses, and in all other respects complying with applicable legal requirements relating to your Business.

You must not use the office and showroom premises for any purpose other than the operation of your Business without our prior written approval.

If your location is outside of your home, you must provide the lease to us and receive our prior written approval of the lease before you execute it. You and the landlord must enter into our designated form of Collateral Assignment of Lease Agreement (see Appendix E to this Agreement) for the showroom premises and for your office, if located outside of your home. We have no responsibility for the lease; it is your sole responsibility to evaluate, negotiate and enter into the lease. You must provide us a signed copy of the lease and Collateral Assignment of Lease Agreement within five (5) days of its execution.

You also are required to use a motor vehicle or enclosed trailer in connection with your Business. The motor vehicle or enclosed trailer must meet the standards and specifications set forth in our Manuals, as defined below in Subparagraph 6.C. If you use our Trademarks on your motor vehicle or trailer, you must follow the business identification requirements in Subparagraph 3.C.

B. Construction; Future Alteration. If you choose to construct and equip any location outside of your home for an office or showroom, you must do so in accordance with our current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, accessory features and design and layout of the building. You may not commence construction of the location until you have received our written consent to your building plans.

Without limiting the generality of the prior paragraph, you must promptly after obtaining possession of the site: (i) have prepared and submitted for our approval a site survey and basic architectural plans and specifications consistent with our general atmosphere, image and color scheme requirements as set forth from time to time in the Manuals (including requirements for dimensions, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating); and (ii) complete the equipment, fixtures, furniture and sign installation and construction of the location in full compliance with plans and specifications we approve and all applicable ordinances, building codes, permit and other legal requirements without any unauthorized alterations. It is your responsibility to comply with the foregoing conditions.

Any change to the building plans or any replacement, reconstruction, addition or modification in the building, interior or exterior decor or image, equipment or signage of the location to be made after our consent is granted for initial plans, whether at the request of you or of us, must be made in accordance with specifications that have received our prior written consent. You may not commence such replacement, reconstruction, addition or modification until you have received our written consent to your revised plans.

C. Maintenance. If your location is outside of your home, the building, equipment, fixtures, furnishings, signage and trade dress (including the interior and exterior appearance) employed in the operation of your office and showroom must be maintained and refreshed in accordance with our requirements established periodically and any of our reasonable schedules prepared based upon our periodic evaluations of the premises. Within a period of 30-60 days (as we determine depending on the work needed) after the receipt of any particular report prepared following such an evaluation, you must affect the items of maintenance we designate, including the repair of defective items and/or the replacement of irreparable or obsolete items of equipment and signage. If, however, any condition presents a threat to customers or public health or safety, you must affect the items of maintenance immediately.

D. Relocation. If your location is outside of your home, you may not relocate your location without our prior written consent, which we will not unreasonably withhold.

E. Modernization or Replacement. If you establish a showroom or your office is outside of your home, from time to time as we require, you must effect items of modernization and/or replacement of the building, premises, trade dress, equipment and grounds as may be necessary for your showroom and office to conform to the standards for similarly situated new KITCHEN SOLVERS showroom and office. The maximum cumulative amount (the “Maximum Modernization Amount”) that you will be required to spend during the initial term of this Agreement is \$30,000.

The Maximum Modernization Amount does not include any required expenditures for equipment or leasehold improvements necessary to prepare new product offerings. Furthermore, you must perform general, continued maintenance and refreshing of the location premises whenever necessary as set forth in subparagraph 5.C and at a cost not included in the Maximum Modernization Amount. Each and every transfer of any interest in this Agreement or your business governed by Paragraph 11 or renewal covered by Paragraph 4 is expressly conditioned upon your compliance with these requirements at the time of transfer or renewal without regard to the Maximum Modernization Amount.

You acknowledge and agree that the requirements of this subparagraph 5.E are both reasonable and necessary. If you fail to make any improvement or perform the maintenance listed above, we may, in addition to our other rights in this Agreement, effect such improvement or maintenance and you must reimburse us for the costs we incur.

F. Signage. If you have a showroom or your office is outside of your home, the outdoor signage at your location must comply with our specifications, which we may modify and change from time to time due to modifications to the System, including changes to the Trademarks. You

must make such changes to the outdoor signage as we require. Your costs for the signage will be included in the Maximum Modernization Amount under subparagraph 5.E.

G. Business Telephone Line; Answering Service. You must have a business telephone number assigned to your Business.

H. Time to Open. You must open the Business to the public no later than the earlier to occur of (a) the Operational Start Date, or (b) six (6) months from the Effective Date of this Agreement.

6. OPERATIONS STANDARDS AND REQUIREMENTS

You acknowledge and agree that we have established and may revise, from time to time, quality standards regarding the operations of KITCHEN SOLVERS businesses so as to protect the distinction, goodwill and uniformity symbolized by the Trademarks and the System. Accordingly, you agree to maintain and comply with our quality standards and requirements for the System and agree to the following terms and conditions:

A. Products and Services. You may sell only those products and services in connection with the Trademarks and Business that we have approved in writing. The approved products and services may be identified by us in the Manuals or otherwise in writing. These products and services meet standards and/or specifications prescribed by us, which we may modify from time to time. You must conform to all quality and customer service standards we prescribe in writing. You agree to promote and market, actively and aggressively, the KITCHEN SOLVERS Business, products and services within the Territory.

B. Vendors and Suppliers. You must purchase from approved vendors and suppliers all new cabinet units, doors, drawer fronts, panels, trim and molding required for installing new cabinets or cabinet refacing, flooring, the components of the closet organizer systems, and other supplies, products, and equipment, as we designate, (sometimes referred to in this Agreement as “Primary Products and Services”). The Primary Products and Services are those items that we determine meet our standards and specifications of quality required to protect the valuable goodwill and uniformity symbolized by and associated with the Trademarks and Business. You acknowledge that we may designate a single source of supply for Primary Products and Services and that we, a third party, or an affiliate of ours, may be that source. Upon request, we will provide and update you with a written list of the Primary Products and Services and other approved vendors, products and services, which list will include approved vendors and suppliers for many of the items. The approved vendors and suppliers may be “Preferred Vendors,” as further noted in Subparagraph 16.N of this Agreement. **ALTHOUGH APPROVED BY US, WE MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, SERVICES, EQUIPMENT, SUPPLIES, FIXTURES, FURNISHINGS OR OTHER APPROVED PRODUCTS.** We reserve the right to limit the number of vendors and suppliers and we and our affiliates reserve the right to become an approved or designated supplier (including, as stated above, an exclusive supplier) of any product, item and/or service at any time in the future without restriction. You must pay the then-current price in effect for all purchases you make from us, our affiliate, or any third party vendor we designate. You may

not manufacture any products for sale at or from the Business, including any Primary Products, without our prior written consent.

C. Kitchen Solvers Business Manual. To help protect our reputation and goodwill and to maintain uniform operating standards under the Trademarks and Business, you must conduct your Business in accordance with the required standards and procedures contained in our operations manual and in accordance with any other manuals created by or designated for use by us (collectively the “Manuals” or “Kitchen Solvers Business System Online Manual”). Any required standards exist to protect our interest in the System and the Trademarks and not for the purpose of establishing any control, or the duty to take control, over those matters that clearly are reserved to you.

You acknowledge having received access to our Kitchen Solvers Business System Online Manual for the term of this Agreement. You must at all times treat and maintain the Kitchen Solvers Business System Online Manual and the information contained therein and any other proprietary information created for or approved for use in the operation of your Business as secret and confidential. The Kitchen Solvers Business System Online Manual will at all times remain our sole property. We may from time to time revise the contents of the Manuals and you expressly agree to comply with each new or changed requirement. You must at all times ensure that your copy of the Manuals is kept current and up to date. In the event of any dispute as to the contents of the Manuals, the terms of the master copy of the Manuals we maintain will be controlling. You acknowledge and agree that in the future the Manuals and other system communications may only be available on the internet, our intranet system or other online or computer data transfer communications, as described in Subparagraph 6.K.

D. Operating Procedures. The Kitchen Solvers Business System Online Manuals contain both requirements and recommendations for the operation of a KITCHEN SOLVERS Business. You must adopt and use the required standards, procedures, techniques and systems described in the Kitchen Solvers Business System Online Manual. We will revise the Kitchen Solvers Business System Online Manual and their standards, procedures, techniques and systems periodically to meet changing conditions of operation in the best interest of all businesses operating under the Trademarks.

E. Confidential Information. You and your Personal Guarantors (as described in Subparagraph 16.F) must not, during the term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person or entity any Confidential Information, except to such employees as must have access to it to operate your Business. For purposes of this Agreement, “Confidential Information” means proprietary information, knowledge and know-how, including processes, materials, methods, procedures, suggested pricing, specifications, techniques and other data concerning the methods of operation of a KITCHEN SOLVERS Business. Any and all Confidential Information must not be used for any purpose other than conducting your Business in the Territory. We may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from any persons owning a minority interest in your Business and from other key employees. You must provide copies of the executed agreements to us upon request.

F. Customer Information. You must provide us with up-to-date customer information and copies of customer invoices in the form we prescribe. You must submit this information through

our designated software system, or other online communications as we prescribe. We have the right to contact the customers to ascertain your quality of work and the level of customer satisfaction. You may not use the customer lists or information for any purpose whatsoever other than in the normal conduct of your Business.

G. Evaluations. We or our authorized representative have the right to enter your Business premises at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain whether you are observing the provisions of this Agreement, to inspect and evaluate your premises used for your Business, to observe completed projects and accompany you on sales calls, and to test, sample, inspect and evaluate your supplies, products and services.

H. Adaptations. Complete and detailed uniformity under many varying conditions may not always be possible or practical, and we reserve the right to vary the standards for any franchisee based upon the customs or circumstances of a particular territory, density of population, number of households, existing business practices, or any condition that we deem to be of importance to the operation of the franchisee's Business. You will not be entitled to require us to grant to you a like or other variation hereunder on account of any variation from standards, specifications and practices granted to any other franchisee. You acknowledge and agree that we have the right to make periodic modifications or rescind any requirement, standard or specification under this Agreement as may be necessary in to adapt our System to changing conditions and competitive circumstances.

I. Continuous Operation of Business. You acknowledge and agree that if your Business is closed or otherwise not operated for a period of thirty (30) consecutive days or more without our prior written consent, the closure or failure to operate will constitute your voluntary abandonment of the franchise, and we have the right, in addition to other remedies provided for herein, to terminate this Agreement and the franchise operated hereunder. Acts of God, war, strikes or riots preventing you temporarily from complying with the foregoing will suspend compliance therewith for the duration of the interference.

J. Compliance with Law. You must at all times conduct your Business in compliance with all applicable laws, regulations, codes and ordinances. You acknowledge that you are solely responsible for all employment decisions and functions of your Business including, without limitation, those related to hiring, firing, training, compliance with wage and hour requirements, personnel policies, benefits, recordkeeping, scheduling, supervision, and discipline of employees, regardless of whether you receive any advice from us on these subjects. You acknowledge and agree that all personnel decisions will be made by you, without any influence or advice from us, and that such decisions and actions will not be, or be deemed to be, a decision or action of ours. You acknowledge that we have no power, responsibility or liability in respect to employee relations issues including hiring, firing, discipline, and related matters. You must promptly notify us of any claim or litigation in which you are involved that arises from the operation of your Business.

K. Technology Compliance. We require you, at your expense, to participate in our KITCHEN SOLVERS® web site on the internet as well as in any intranet system we designate. We have the right to determine the content and use of our web site and our intranet system and will establish the rules under which franchisees will participate. You may not separately register any domain

name or operate any web site containing any of the Trademarks without our written approval. At no time during the term of this Agreement, will you have a separate or a conflicting website or engage in another electronic media (including social media) representing us, KSLILLC, Kitchen Solvers franchise system or your Kitchen Solvers franchise. The only website approved is the website or landing page provided by us. We will retain all rights relating to our web site and our intranet system and may alter or terminate our web site or our intranet system without prior notice to you. Your general conduct on our web site, our intranet system or on other online communications and specifically your use of the Trademarks or any advertising on any web site or other online communications is subject to the provisions of this Agreement. You acknowledge that certain information obtained through your participation in our web site and our intranet system may be considered Confidential Information, including access codes and identification codes. Your right to participate in our web site and our intranet system or otherwise use the Trademarks or System on the internet or other online communications will terminate when this Agreement expires or terminates.

L. Participation in Special Programs. You must, at your expense, fully participate in and honor all designated, sponsored, and approved loyalty benefit programs we establish or modify as set forth in the Manuals or otherwise in writing (collectively, the “Special Programs”), and in accordance with our System standards and specifications. We may establish, modify, or terminate any of the Special Programs at any time upon notice to you.

7. PERSONNEL AND TRAINING STANDARDS

The following provisions and conditions control with respect to personnel, training and supervision.

A. Supervision of the Business. Your Business must at all times be under your direct supervision or a designated principal owner in the event you are a corporation, partnership, or other business entity. Your principal owners must be those persons who are actively involved in the Business and the principal owners must be Personal Guarantors and sign an undertaking and guarantee in accordance with Subparagraph 16.F of this Agreement.

B. Training. You must, at your expense for room, board and travel, attend and successfully complete our KITCHEN SOLVERS Pre-Opening Training Program at a place we designate. You may not begin operating your Business until you successfully complete the KITCHEN SOLVERS Pre-Opening Training Program. In the event that you are given notice of default as set forth in Subparagraph 11.A and the default relates, in whole or in part, to your failure to meet any operational standards, we may require as a condition of curing the default that you again attend and successfully complete any additional training we deem appropriate, at a place we designate, and at your expense. If you desire to operate your Business with a manager other than you, then in addition to you, such manager must attend and successfully complete our Pre-Opening Training Program, at your expense, prior to undertaking such operations.

If you request and if we agree, we will provide you in-field training at our then current rate for this training.

We will provide any additional ongoing support training as we determine necessary.

C. Staffing. You must hire and supervise efficient, competent, and courteous persons as your employees for the operation of your Business and set and pay their wages, commissions and incentives with no liability on us. No employee of yours will be deemed to be an employee of us for any purpose whatsoever.

D. Annual Conference and Other Meetings. You are required to attend, at your expense, the annual Kitchen Solvers conference, and we may require you to pay our then-current registration fee. If you fail to attend the annual Kitchen Solvers conference, then you must pay us a fee equal to \$1,000, unless you have obtained our prior written approval not to attend. We also strongly recommend that you, at your expense, attend all other conferences, seminars or meetings that we sponsor for KITCHEN SOLVERS franchisees to set forth new methods and programs for operation, training, management, sales or marketing. If you are unable to attend any such meeting, you must notify us prior to the meeting and attempt to have a substitute person from your Business, acceptable to us, attend and represent you at such meeting. You acknowledge and agree that we are not obligated to hold annual meetings and/or conferences.

8. FEES, REPORTING AND AUDIT RIGHTS

You must pay the fees described below and comply with the following provisions:

A. Initial Franchise Fee. You must pay to us a non-refundable Initial Franchise Fee in the amount set forth in Appendix B to this Agreement. The Initial Franchise Fee, payable in full on the date you sign this Agreement, is earned upon receipt, and is in consideration for our expenses incurred and services included in granting you franchise rights.

B. Supplies Package. You must purchase a “Supplies Package” from us consisting of those items identified on Appendix C to this Agreement.

C. Royalty Fee. In addition to the Initial Franchise Fee, during the full term of this Agreement commencing as of the Operational Start Date, and in consideration of the rights licensed hereunder, you must pay us as a Royalty Fee equal to the greater of: (i) the Monthly Minimum Fee (as provided in Table 1 below), or (ii) a specified percentage of your monthly Gross Sales (as provided in Table 2 below).

D. Computations and Remittances; Application of Payments. All amounts due and owing hereunder, except the Initial Franchise Fee, must be computed at the end of each month's operation and you must pay the same to us on or before the 10th day of the following month, accompanied by the reports required by Subparagraph 8.G of this Agreement. You must certify the computation of said amounts in the manner and form we specify, and you must supply to us the supporting or supplementary materials as we may reasonably require to verify the accuracy of such remittances. You may not withhold payment of any amounts owed to us and hereby waive any and all existing and future claims and offsets against any amounts due us, which amounts must be paid when due. Notwithstanding any designation by you, we will be entitled to apply your payments against any amounts due us. We also may set off any amounts that may be held by us or our affiliates on your behalf or owed to you by us or our affiliates against amounts you owe to us or our affiliates.

E. Technology Suite. You must use a computer system that we designate for your Business, including all future updates, supplements and modifications (the "Technology Suite"). The computer software package developed for use in your Business may include proprietary software. You must pay us a monthly technology fee (the "Technology Fee"), currently \$317 per month, for access to our designated software system. We may increase this fee upon thirty (30) days' prior written notice to you. We reserve the right to require you to purchase the Technology Suite, and/or any component thereof, from our designated suppliers at any time during the term. As of the Effective Date of this Agreement, one (1) "Core Lite" email account is included in the monthly fee, however this is subject to change at any time in the future and you will be required to bear all costs associated with any modifications. You may upgrade your email security to a "Core Standard" account for an additional \$155 per month per account, which amount will be added to the Technology Fee. You may purchase additional accounts for the then-current monthly fee per account. As of the Effective Date of this Agreement, the additional fee is between \$45 to \$200 per account per month and is subject to change at any time during the term. We may offer you the opportunity to purchase subscriptions to certain software at the prices we designate, which specifications may be set forth in the Manual or other written communications. We may add the cost of any such subscriptions to your Technology Fee.

You may be required to license other forms of proprietary software from us, an affiliate or a third party and you also may be required to pay a software licensing fee in connection with your use of the proprietary or designated software. All right, title and interest in the software will remain with the licensor of the software. The computer hardware component of the Technology Suite must conform to specifications we develop and must be configured in a package unit as we designate.

If we are requested to configure your computer hardware component to conform to the designated computer software component of the Technology Suite, we may provide such assistance for additional agreed upon compensation. You acknowledge and agree that we will have full and complete access to information and data produced by or stored in the Technology Suite. We may use the information accessed for any purpose we deem appropriate in our sole discretion, including in connection with the preparation and presentation of financial performance representations to be included in one or more forms of our franchise disclosure document. You will be required to use and pay for all future updates, supplements and modifications to the Technology Suite.

F. Reports and Audit. You must submit to us reports with respect to your Business in such form and content as we may prescribe periodically. The reports must include, but not be limited to, the following information: (i) within ten (10) days after the end of each month, the amount of Gross Sales of your Business for sales made during the previous calendar month, the amount of sales tax thereon, and the computation of the Royalty Fee and Brand Fund Fee along with copies of your Customer Contracts; (ii) on a quarterly basis, but no later than thirty (30) days after the end of each calendar quarter, a balance sheet and statement of profit and loss for the previous quarter; (iii) on an annual basis but no later than May 15 of each year, copies of your most recent annual tax returns, a balance sheet and statement of profit and loss for the previous year, and monthly sales summaries for the previous year; and (iv) if requested by us to verify your Gross Sales, all books and records as we may require under our audit policies published from time to time.

We or our authorized representative have the right at all times during the business day to enter the premises where your books and records relative to your Business are kept and to evaluate, copy and audit such books and records. In the event that any such evaluation or audit reveals an understatement of your Gross Sales, Royalty Fee or other material financial information related to your Business of 5% or more from data reported to us, in addition to any other rights we may have (including collection of amounts owed with respect to any understatement), you must reimburse us for all audit costs including, without limitation, the related professional fees, travel, and room and board expenses. Furthermore, we may conduct further periodic audits and/or evaluations of your books and records, at your sole expense, as we reasonably deems necessary for up to two years thereafter. You acknowledge and agree that if a subsequent audit or evaluation conducted within the two year period reveals any such understatement or variance of 5% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we will have the right to terminate this Agreement in accordance with Subparagraph 11.B of this Agreement.

G. Late Fees. You must pay to us a service charge of \$25 for each delinquent report or payment owed to us under this Agreement, which we receive one day after its due date. An additional \$10 shall be added to the \$25 service charge for each additional day the report or payment remains delinquent. The service charge is not interest or a penalty. It is only to compensate us for increased administrative and management costs due to late payment. Your failure to pay all amounts when due is a default and grounds for termination under this Agreement. In addition, we or our affiliates expressly reserve the right to withhold or delay the shipment of products and services to you if you are in arrears with respect to any amount owed to us or our affiliates. Vendors and suppliers of products and services also may withhold or delay the shipment of goods and services to you if you are in arrears with respect to any amount owed to the vendor or supplier.

9. MARKETING FEES AND CONTROLS

You agree to actively promote your Business, to abide by all of our marketing requirements and to comply with the following provisions:

A. Brand Fund Fee. Commencing as of the Operational Start Date (as defined in Appendix B), you will be required to pay the 1% Brand Fund Fee, which is based on the Gross Sales generated each month.

We may increase the maximum annual contribution required upon thirty (30) days' prior written notice to you. All Brand Fund Fees will be placed in a Brand Fund managed by us, our affiliate, or our designee. We have the right to determine the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs, and we have no fiduciary obligation to franchisees with respect to the Brand Fund. Reasonable disbursements from the Brand Fund will be made for the payment of expenses incurred in connection with the cost of formulating, developing and implementing marketing, advertising and promotional campaigns; and the reasonable cost of administering the Brand Fund, including accounting expenses and the actual cost of salaries and fringe benefits paid to our employees or designees engaged in administration of the Brand Fund. You acknowledge and agree that media, materials and programs prepared using the Brand Fund may describe our franchise program, reference the availability of franchises and related information, and process franchise leads. If requested in writing by March 31st, we will provide you with an annual unaudited statement showing the receipts and disbursements of the Brand Fund for the immediately preceding calendar year within thirty (30) days after the issuance of the unaudited statement.

B. Local Marketing. You must use your best efforts to promote and advertise your Business in the Territory and participate in any local marketing and promotional programs we establish from time to time. In addition to the Brand Fund Fee, and except if you receive our prior written approval stating otherwise, commencing on the first full calendar year after you sign this Agreement, and continuing for each successive calendar year that you operate your Business, you must spend (a) 5% of your expected annual gross sales on local and digital marketing, unless we approves in writing otherwise, and (b) during the initial 3-month operating period of your business, a minimum of \$3,000 per month, unless we approve otherwise in writing. We reserve the right to require you to expend your required local marketing funds over a more concentrated period (including higher expenditures following the initial opening of the Business) effective on notice to you. Your local marketing requirements for the first partial calendar year after you sign this Agreement are identified on Appendix B. You must use only such marketing materials as we furnish, approve or make available, and the materials must be used only in a manner that we prescribe. You must submit your marketing materials (print, electronic or other form of media, including the internet and social media) to us for approval. We will not unreasonably withhold approval of your marketing materials if they are factually accurate and current, dignified and in good condition and accurately depict the KITCHEN SOLVERS Trademarks. Any local advertising materials you submit to us will be deemed approved if we do not disapprove or comment within 10 business days of receipt. We may revoke approval of any previously approved marketing materials at any time, effective on notice to you. Other items like the use of our approved kiosk/mall display will count towards your local marketing requirements. Upon our request, you must provide to us copies of all invoices and receipts evidencing your local marketing

activities. We and other franchisees are restricted from marketing their KITCHEN SOLVERS Businesses in your Territory, except when such marketing is part of a Brand Fund program under Subparagraph 9.A or contained in a publication with general distribution in the Territory and also in the area in which the company-owned outlet or another franchisee's territory is located.

10. FRANCHISEE'S OTHER OBLIGATIONS

You agree to comply with the following terms and conditions:

A. Payment of Debts. You agree to pay promptly when due: (i) all payments, obligations, assessments and taxes due and payable to us, vendors, suppliers, lessors, federal, state or local governments, or creditors in connection with your Business or products or services used in connection with your Business, (ii) all liens and encumbrances of every kind and character created or placed upon or against any of said property; and (iii) all accounts and other indebtedness of every kind incurred by you in the conduct of your Business. In the event you should default in making any payment, we will be authorized, but not required, to pay the same on your behalf and you covenant promptly to reimburse us on demand for any such payment.

B. Indemnification; Insurance. You hereby waive all claims against us (and any affiliates, officers, directors, agents and employees) for damages to property, death, or injuries to persons arising directly or indirectly out of the management or operation of your Business. You must, at all times, defend, indemnify, reimburse and hold harmless to the fullest extent permitted by law, us, or subsidiaries, affiliates, successors and assigns and the representative directors, officers, shareholders, employees, agents and representatives (collectively, the "Indemnitees") from all losses and expenses (including attorneys' fees), incurred in connection with any action, suit, proceedings, claims, demands, investigations, inquiries or liabilities, or any settlement thereof (whether or not a formal proceeding or action is instituted) of any nature whatsoever arising in any manner, directly or indirectly, from or in connection with: (a) the operation, use, or occupancy of your Business, showroom and/ or premises, (b) the operation or use of any vehicle, (c) any breach by you or your failure to comply with the terms and conditions of this Agreement, and/or (d) in connection with your or your employees' actions or inactions, regardless of cause or any concurrent or contributing fault or negligence of us or our affiliates.

Throughout the entire term of this Agreement, and any renewal or extensions thereof, you must maintain such types of insurance, in such amounts, as we may require. Currently, you must purchase and maintain in full force and effect, solely at your expense, liability insurance in an aggregate amount designated periodically by us, but currently not less than \$1,000,000 combined single limit per occurrence. In addition, you agree to purchase and maintain in full force and effect, at your expense, insurance in amounts designated periodically by us covering operation or maintenance of any building, equipment or motor vehicle owned or leased by you in connection with your Business and any other insurance we specify in writing from time to time or required by local, state or federal law. Such policies must name us and our respective officers, directors, partners, members, affiliates, subsidiaries and employees as additional insured parties on all of the policies. Additional insured status shall include, without limitation, coverage for ongoing and completed operations. The additional insured endorsement form shall be ISO CG 20-26 or any other form that we approve in writing that provides comparable coverage. You agree to deliver to us periodically, or at our request, the additional insured endorsement form and such other

documentation as we request evidencing the existence of such insurance coverage and your compliance with the provisions of this Subparagraph. All insurance coverage must provide that we will be given 30 days' prior written notice of material change in or termination or cancellation of the policy. This insurance coverage must commence as of the date you commence operating the Business. Your obligation to obtain and maintain the foregoing insurance policies shall not be limited in any way by reason of any insurance that may be maintained by us. We do not represent or warrant that any insurance that you are required to purchase, or which we procure on your behalf, will provide you with adequate coverage. You should consult with your own insurance agents, brokers, attorneys or other insurance advisors to determine the level of insurance protection you need in addition to the coverage and limited we require.

C. Taxes. You must also pay all state and local taxes, including, without limitation, taxes denominated as income or franchise taxes, that may be imposed on us as a result of our receipt or accrual of the Initial Fee, the Royalty Fee, or other fees referenced in this Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you shall pay us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amount that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

D. Non-compete Covenants. You agree that you will receive valuable training, confidential information and goodwill that you otherwise would not receive or have access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants:

1. Unless otherwise specified, the term "you" as used in this subparagraph 10.D includes, collectively and individually, all owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you. We may require you to obtain from the individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this subparagraph 10.D.

2. You covenant that during the term of this Agreement you will not, except as we otherwise agree to in writing, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any construction or remodeling business or any other business selling products and services similar to your KITCHEN SOLVERS Business other than the one authorized by this Agreement or any other agreement between us and you.

3. You covenant that you will not, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, or within two (2) years of the sale of the KITCHEN SOLVERS Business or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a Competing Business:

a. Inside the Territory;

- b. Within twenty –five (25) miles of the outer boundary of the Territory; or
- c. Within any other franchisee’s territory; or
- d. Within twenty-five (25) miles of the outer boundary of another franchisee’s territory.

For purposes of this Section 10.D, a Competing Business includes any: (a) kitchen and/or bathroom remodeling business, cabinet refacing business and/or any other business that sells products and services similar to the products and services sold at your KITCHEN SOLVERS Business; and/or (b) business that franchises or licenses the right to open and operate a business of the type identified in (a) of this provision.

4. You agree that the length of time in subpart (3) will be tolled for any period during which you are in breach of the covenants or any other period during which we seek to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

11. DEFAULT AND TERMINATION

The following provisions apply with respect to default and termination:

A. Defaults. You will be in default hereunder if we determine that you or any Personal Guarantor has breached any of the terms of this Agreement or any other agreement between you and us or our affiliates, which without limiting the generality of the foregoing, includes (i) voluntary abandonment of your Business, (ii) making any false report to us, (iii) failure to submit any required report, (iv) failure to pay when due any amounts required to be paid to us or any of our affiliates whether pursuant to this Agreement or otherwise or to any third party (including vendors and suppliers) as required by this Agreement, (v) conviction of you or any Personal Guarantor (or pleading no contest to) any felony or an offense that brings or tends to bring any of the Trademarks into disrepute or impairs or tends to impair the goodwill of any of the Trademarks, (vi) failure to abide by our standards and requirements in connection with the operation of your Business, (vii) filing of any tax liens or voluntary or involuntary bankruptcy by or against you or any Personal Guarantor, (viii) your insolvency or any Personal Guarantor’s insolvency, (ix) making an assignment or entering into any similar arrangement for the disposition of assets for the benefit of creditors, (x) any unauthorized assignment or transfer of your Business, this Agreement or the stock of franchisee, (xi) any breach of the noncompete covenants or (xii) failure to meet any requirements or specifications we establish with respect to product and service quality, sales or installation procedures, conditions of materials used, or use of approved products and services.

B. Termination by Us. We have the right to terminate this Agreement in accordance with the following provisions:

Termination After Opportunity to Cure. Except as otherwise provided in this Subparagraph 11.B: (i) you will have thirty (30) days from the date of a written notice of default to cure any default under this Agreement; (ii) your failure to cure a default within the thirty (30)-day period will provide us with good cause to terminate this Agreement; (iii) the termination will be accomplished by mailing or delivering to you written notice of termination that will identify the grounds for the

termination; and (iv) the termination will be effective thirty (30) days after the date of the written notice of termination.

Immediate Termination With No Opportunity to Cure. In the event any of the following defaults occurs, you will have no right or opportunity to cure the default and this Agreement will terminate effective immediately on our issuance of written notice of termination: voluntary abandonment of your Business, the loss of your lease, the failure to timely cure a default under the lease, the loss of your right to possession or failure to reopen or relocate under subparagraph 5.D, any unauthorized use of the Confidential Information, you willfully and materially falsify any report, statement or other written data furnished to us; conviction of you or any Personal Guarantor of (or pleading no contest to) any felony or offense that brings or tends to bring any of the Trademarks into disrepute or impairs or tends to impair the goodwill of any of the Trademarks; your insolvency or any Personal Guarantor's insolvency; making an assignment or entering into any similar arrangement for the disposition of assets for the benefit of creditors; any unauthorized assignment or transfer of your Business, this Agreement or the stock of franchisee; any instance where you willfully deceive customers relative to the source, nature or quality of goods sold; any default that results from a subsequent audit of your Business conducted within two years of a previous audit and both audits reveal an understatement of 5% or more in financial information provided to us; or any default by you that is the third similar default within any 12 month consecutive period. Furthermore, we may declare this Agreement null and void if you make any material misrepresentation on the franchise application or otherwise relating to the acquisition of the franchise.

Immediate Termination After 24 Hours to Cure. In the event that a default under this Agreement occurs that materially impairs the goodwill associated with any of the Trademarks (i) you will have twenty –four (24) hours after we provide written notice of the default to cure the default; and (ii) the termination will be effective immediately upon our issuance of written notice of termination.

Effect of Other Laws. We may terminate this Agreement upon any other ground or by any shorter period of notice (but not less than thirty (30) days except as provided above) as may be permitted from time to time by applicable law or regulation. The provisions of any valid, applicable law or regulation prescribing permissible grounds, cure rights or minimum periods of notice for termination of this franchise will supersede any provision of this Agreement that is less favorable to you than such law or regulation.

12. POST-TERM OBLIGATIONS

Upon the expiration or termination of this Agreement:

A. Reversion of Rights; Discontinuation of Trademark Use. All of your rights to the use of the Trademarks and all other rights and licenses granted herein and the right and license to conduct your Business under the Trademarks in your Territory will revert to us without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. You must immediately pay all sums due to us, our affiliates or designees. You must immediately cease all use and display of the Trademarks and of any material copyrighted by us (including without limitation the Manuals and other Confidential Information). You must immediately return to us all copies of the Manuals, any training videos and licensed software.

You must promptly, and in any event within thirty (30) days, at your expense, remove or obliterate all signage, displays or other materials in your possession that bear any of the Trademarks or names or material confusingly similar to the Trademarks and so alter the appearance of your Business premises (including motor vehicles or enclosed trailers, if any) as to differentiate your Business unmistakably from duly licensed KITCHEN SOLVERS businesses identified by the Trademarks. Upon your receipt of the written notice of termination, you may only complete previously ordered remodeling jobs or other types of projects and may not accept any new orders. Alternatively, at our option, we may require you to assign all existing customer contracts to us and pay to us any amounts (or a pro rata portion of any amounts) paid by your customers for services you have not yet performed, as we determine. For example, if a customer pre-paid for services and we determine that you had performed only 50% of the contracted services, we may require you to pay us 50% of the amount the customer paid to you. You must cease your participation in any KITCHEN SOLVERS web site and our intranet system and must discontinue your use of the Trademarks or System on the internet or other online communications. Furthermore, you must not use any of the KITCHEN SOLVERS Trademarks in a derogatory, negative, or other inappropriate manner in any media, including but not limited to print or electronic media. You also must take such action as may be required to cancel all assumed name or equivalent registrations relating to the use of any trade name or Trademarks and notify the telephone company and listing agencies of the termination or expiration of your right to use all telephone numbers of your Business and all classified and other directory listings of your Business and authorize the transfer of such numbers and directory listings to us or as we direct, all in accordance with the Assignment of Telephone Numbers attached as Appendix D. This agreement by you regarding the telephone numbers and listings is for the benefit of such telephone company serving you. You agree to hold any such telephone company harmless from any and all claims against it arising out of any orders given by us to terminate, transfer or put on referral such telephone service. Notwithstanding the foregoing, in the event of expiration or termination of this Agreement, you will remain liable for your indemnification obligations specified in Subparagraph 10.B or under common law and other obligations pursuant to any applicable lease for your Business premises or otherwise, which by their very nature are intended to survive the expiration or termination of this Agreement. Finally, you must comply with all noncompete covenants outlined in Subparagraph 10.D.

13. DISPUTE RESOLUTION; INJUNCTIVE RELIEF

We and you agree as follows:

A. Dispute Resolution.

1. Mediation. The parties have reached this Agreement in good faith and in belief that it is advantageous to each of them. In recognition of the enormous strain on time, unnecessary expense and wasted resources potentially associated with litigation and/or arbitration, and in the spirit of cooperation, the parties pledge to try to resolve any dispute amicably, without litigation or arbitration. Other than an action by us under Section 13.A.3 or 13.B of this Agreement, before beginning any legal action or arbitration, the parties agree to mediate any dispute, controversy or claim between you and/or any of your owners, affiliates, officers, directors, shareholders, guarantors, employees, owners or members (each a “Franchisee Related Party”), on the one hand, and us, and/or any of our affiliates, officers, directors, shareholders, members, guarantors, employees, representatives, independent contractors or owners (each a “Franchisor Related

Party”), on the other hand, including, without limitation, in connection with any dispute, controversy or claim arising under, out of, in connection with or in relation to: (a) this Agreement; (b) any lease or sublease for your Franchised Business; (c) any loan or other finance arrangement between us and our affiliates and you; (d) the parties’ relationship; (e) events occurring prior to the entry into this Agreement; (f) the Business; or (g) any System standard, in accordance with the procedures set forth in this Section 13.A.1, inclusive of all subparts. Good faith participation in these procedures to the greatest extent reasonably possible, despite lack of cooperation by one or more of the other parties, is a precondition to initiating any arbitration or legal action, including any action to interpret or enforce this Agreement. The Mediation shall be conducted in accordance with the following provisions:

a. **Initiation Procedure.** The party seeking mediation (the “Initiating Party”) must commence mediation by sending the other party/parties a written notice of its request for mediation (the “Dispute Notice”). The Dispute Notice will specify, to the fullest extent possible, the nature of the dispute, the Initiating Party’s version of the facts surrounding the dispute, the amount of damages, and the nature of any injunctive or other relief such party claims, and must identify one or more persons with authority to settle the dispute for the Initiating Party.

b. **Direct Negotiations.** Upon receipt of a Dispute Notice, the parties will endeavor, in good faith, to resolve the dispute outlined in the Dispute Notice. If the parties have been unable to resolve any such dispute(s) outlined in a Dispute Notice within twenty (20) days after the issuance of the Dispute Notice, either party may initiate a mediation procedure in accordance with the American Arbitration Association (“AAA”), pursuant to its Commercial Mediation Procedures, and unless otherwise agreed by the parties will take place in the city and state in which our then-current headquarters are located, currently, La Crosse, Wisconsin.

c. **Selection of the Mediator.** If the parties cannot mutually agree upon a mediator, the parties shall submit to one another written lists of acceptable mediators who are not associated with either of the parties. Each party must rank all the mediators in numerical order of preference and exchange the rankings. If one or more names are on both lists, the highest ranking one of these will be designated the mediator.

d. **Time and Place for Mediation.** In consultation with the parties, the mediator shall promptly designate a mutually acceptable time and place (located in the city and state in which our then-current headquarters are located, currently La Crosse, Wisconsin) for the mediation. Unless the circumstances make it impossible, the time may not be later than thirty (30) days after the selection of the mediator.

e. **Exchange of Information.** If either party to this Agreement believes he, she, or it needs information in the possession of another party to this Agreement to prepare for the mediation, all parties must attempt in good faith to agree on procedures for an exchange of information, with the help of the mediator if required.

f. **Summary of Views.** At least seven (7) days before the first scheduled mediation session, each party must deliver to the mediator and to the other party a concise

written summary of its views on the matter in dispute and on any other matters that the mediator asks them to include. The mediator may also request that each party submit a confidential paper on relevant legal issues, which may be limited in length by the mediator, to him or her.

g. Representatives. In the mediation, each party must be represented by a person with requisite authority to settle the dispute (each an “Authorized Person”) and may be represented by counsel. In addition, each party may, with permission of the mediator, bring with him, her, or it any additional persons who are needed to respond to questions, contribute information, and participate in the negotiations.

h. Conduct of Mediation. The mediator shall advise the parties in writing of the format for the meeting or meetings. If the mediator believes it will be useful after reviewing the position papers, the mediator shall give both himself or herself and the Authorized Persons an opportunity to hear an oral presentation of each party’s views on the matter in dispute. The mediator shall assist the Authorized Persons to negotiate a resolution of the matter in dispute, with or without the assistance of counsel or others. To this end, the mediator is authorized both to conduct joint meetings and to attend separate private caucuses with the parties. All mediation sessions will be strictly private. The mediator must keep confidential all information learned unless specifically authorized by the party from which the information was obtained to disclose the information to the other party. The parties commit to participate in the proceedings in good faith with the intention of resolving the dispute if at all possible.

i. Termination of Procedure. The parties agree to participate in the mediation procedure to its conclusion, as set forth in this section. The mediation may be concluded (1) by the signing of a settlement agreement by the parties, (2) by the mediator’s declaration that the mediation is terminated, or (3) by a written declaration of either party, no earlier than at the conclusion of a full day’s mediation, that the mediation is terminated. Even if the mediation is terminated without resolving the dispute, the parties agree not to terminate negotiations and not to begin any arbitration or legal action or seek another remedy before the expiration of five (5) days following the mediation. A party may begin arbitration within this period only if the arbitration might otherwise be barred by an applicable statute of limitations or in order to request an injunction from a Court of competent jurisdiction to prevent irreparable harm.

j. Fees of Mediator; Disqualification. The fees and expenses of the mediator must be shared equally by the parties. The mediator may not later serve as a witness, consultant, expert or counsel for any party with respect to the dispute or any related or similar matter in which either of the parties is involved.

k. Confidentiality. The mediation procedure is a compromise negotiation or settlement discussion for purposes of federal and state rules of evidence. The parties agree that no stenographic, visual or audio record of the proceedings may be made. Any conduct, statement, promise, offer, view or opinion, whether oral or written, made in the course of the mediation by the parties, their agents or employees, or the mediator is confidential and shall be treated as privileged. No conduct, statement, promise, offer, view or opinion made

in the mediation procedure is discoverable or admissible in evidence for any purpose, not even impeachment, in any proceeding involving either of the parties. However, evidence that would otherwise be discoverable or admissible will not be excluded from discovery or made inadmissible simply because of its use in the mediation.

2. Except as qualified below in Subparagraph 13.A.3 or 13.B, any dispute involving us, you, or any Personal Guarantor (including the directors, officers, heirs, beneficiaries or other similar parties claiming an interest through any of these entities), arising under, out of, or in any way connected with or related to this Agreement, the relationship between the parties, statutory claims arising out of this Agreement or the franchise relationship, or your Business, must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be arbitrated in accordance with the rules and procedures and under the auspices of the American Arbitration Association. The arbitration will take place in where our then-current headquarters are located, which is currently La Crosse, Wisconsin, or at such other place as may be mutually agreeable to the parties. Any arbitration must be resolved on an individual basis and not joined as part of a class action or the claims of other parties. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitration will be conducted by one (1) arbitrator who must have at least 5 years' experience in franchising or in franchise law.

The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (i) stay the effectiveness of any pending termination of this Agreement; (ii) assess punitive or exemplary damages; or (iii) make any award that extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance set by us. Judgment upon the award may be entered in any court having jurisdiction thereof.

3. **Exceptions to Mediation/Arbitration.** Notwithstanding anything contained in Sections 13.A.1 or 13.A.2 to the contrary, the parties agree that the following claims will not be subject to mediation or arbitration: Any controversy, dispute, or claim that concerns an allegation that you and/or any Personal Guarantor has violated (or threatens to violate, or poses an imminent risk of violating): (i) any provision relating to use of the Trademarks, the System or any Confidential Information; (ii) any federally or state protected intellectual property rights in the Trademarks, the System, or in any Confidential Information; (iii) any of the restrictive covenants contained in this Agreement, including the confidentiality and non-competition covenants; or (iv) any claims to collect past due amounts owed to us and/or our affiliates.

B. **Injunctive Relief; Civil Action.** Notwithstanding Subparagraph 13.A.1 and 13.A.2 above, you recognize that your Business is one of a number of businesses identified by the Trademarks and similarly situated and selling to the public similar products and services, and hence the failure on the part of a single franchisee to comply with the terms of its agreement could cause irreparable damage to us and/or to some or all of our other franchisees. Therefore, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement, the other party will be entitled to an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrator. The foregoing equitable remedies are in addition to, and

not in lieu of, all other remedies or rights that the parties might otherwise have by virtue of any breach of this Agreement by the other party.

C. Enforcement. During the term of this Agreement, if you do not give us written notice of the alleged breach of this Agreement within one (1) year from the date that you have knowledge of circumstances reasonably causing you to believe you may have a claim for a breach of this Agreement by us, then the alleged breach will be deemed to be waived by you in all respects and you will be barred from bringing any legal or other action against us for the alleged breach. Furthermore, upon expiration or termination of this Agreement, you may not assert any claim or cause of action against us arising under, out of, or in any way connected with or related to this Agreement, the relationship between the parties, or your Business unless the claim or cause of action is commenced within one year after the effective date of the expiration or termination of this Agreement. Notwithstanding the preceding two sentences, if the one year time limitation is prohibited by or invalid under any applicable law, then no suit or action may be commenced or maintained unless it is commenced within the shortest applicable statute of limitations.

14. ASSIGNMENT BY FRANCHISEE

You agree that the following provisions will govern any transfer or proposed transfer by you:

A. Transfers. This Agreement is entered into by us with specific reliance upon your financial qualifications and your personal experience, skills and managerial and financial qualifications as being essential to the satisfactory operation of your Business licensed hereunder. Consequently, neither your interest in this Agreement nor in your Business may be transferred or assigned to or assumed by any other person or entity (the “assignee”), in whole or in part, unless you have first tendered to us the right of first refusal to acquire such interest in accordance with Subparagraph 14.E, and if we fail to exercise such right, unless our prior written consent is obtained and the transfer conditions described in Subparagraph 14.C are satisfied. Any sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, gift or otherwise or any arrangement pursuant to which you turn over all or part of the daily operation of your Business to a person or entity who shares in the losses and/or profits of your Business in a manner other than as an employee will be considered a transfer for purposes of this Agreement.

In the event of your insolvency or the filing of any petition by or against you under any provisions of any bankruptcy or insolvency law, if your legal representative, successor, receiver or trustee desires to succeed to your interest in this Agreement or your Business, such person first must so notify us, must tender the right of first refusal provided for in Subparagraph 14.E, and if we fail to exercise such right, must apply for and obtain our consent to the transfer and satisfy the transfer conditions described in Subparagraph 14.C. In addition, you or the assignee must pay our attorneys’ fees and costs incurred in any bankruptcy or insolvency proceeding pertaining to you.

B. Consent to Transfer. We will not unreasonably withhold our consent to transfer, provided that the proposed assignee is, in our reasonable judgment, qualified to provide active supervision over the operation of your Business, the proposed assignee possess sufficient net worth and sources of capital to meet our standards for your Business, and the conditions defined in Subparagraph 14.C are satisfied. Application for our consent to a transfer and tender of the right of first refusal provided for in Subparagraph 14.E must be made by submission of our form of application for

consent to transfer, which must be accompanied by the documents (including a copy of the proposed purchase or other transfer agreement) or other information required therein. The application must indicate whether you propose to retain a security interest in the property to be transferred. No such security interest will be created without our prior written consent and except upon conditions acceptable to us. Any agreement used in connection with a transfer will be subject to our prior written approval, which approval will not be withheld unreasonably. You immediately must notify us of any proposed transfer hereunder and must submit promptly to us the application for consent to transfer. Any attempted transfer by you without our prior written consent or otherwise not in compliance with the terms of this Agreement will be void and will give us the right to either terminate this Agreement or to collect from you a transfer fee equal to two times the transfer fee provided for in this Agreement.

C. Conditions of Transfer. Whether the transfer be to an individual, a corporation, a partnership or to any other entity, the following provisions apply:

1. We may condition our consent to any proposed transfer upon the following:
 - a. the assignee (and, if corporation or partnership, its owners), at our option, has signed and agreed to be bound by:
 - i. an assignment and assumption agreement satisfactory to us, whereby the assignee assumes your obligations under this Agreement; or
 - ii. the form of franchise agreement and such ancillary agreements as we then customarily use in the grant of franchises, which form agreement may contain materially different terms than the terms of this Agreement including increased fees;
 - b. all of your ascertained or liquidated debts in connection with your Business, including all amounts owed to us or any of our affiliates or your suppliers have been paid in full;
 - c. you are not in default under any provision of this Agreement;
 - d. the assignee has completed the training program required of new franchisees;
 - e. you or the assignee has paid \$5,000 as a transfer fee. If the transferee is a person or entity that was referred to us as a potential franchisee by a broker organization under terms that require us to pay a referral fee to the broker organization if the transferee signs a Franchise Agreement with us, you agree that you will pay us the total broker referral fee we are required to pay before the franchise is transferred;
 - f. you and all Personal Guarantors execute a general release in our favor;
 - g. you and all Personal Guarantors agree to comply with the covenant not to compete set forth in Subparagraph 10.D of this Agreement; and

E. Right of First Refusal. If you propose to transfer or assign this Agreement or your interest herein or in your Business, in whole or in part, to any third party, you first must offer to sell to us your interest as provided herein. In the event of a bona fide offer from such third party, you must obtain from the third-party offeror and deliver to us a statement in writing, signed by the offeror and by you, of the terms of the offer. In the event of (i) a transfer or assignment of stock or similar ownership interests in you or (ii) your or a Personal Guarantor's insolvency or the filing of any petition by or against you or a Personal Guarantor under any provisions of any bankruptcy or insolvency law, our offer will be to purchase your interest in this Agreement and your Business. An amount and terms of purchase must be established by a qualified appraiser selected by you and us. If the parties cannot agree upon the selection of an appraiser, one will be appointed by the American Arbitration Association upon petition of either you or us to appoint an appraiser to establish such price in accordance with the rules and procedures of the Association. You or your legal representative must deliver to us a statement in writing incorporating the appraiser's report.

We will have thirty (30) days from our receipt of the statement setting forth the third-party offer or the appraiser's report to accept the offer by delivering written notice of acceptance to you. The acceptance will be on the same price and terms set forth in the statement delivered to us; provided, however, we will have the right to substitute equivalent cash for any noncash consideration included in the offer. If we fail to accept the offer within the thirty (30) day period, you will be free for six (6) months from the date the offer was submitted to us to effect the disposition described in the statement delivered to us; provided the transfer is not at a lower price or with more favorable terms than have been offered to us and is otherwise in accordance with this Paragraph 14. If the disposition is not closed within the six-month period with the proposed assignee, then you must reoffer to sell to us prior to the sale to a third party. You may effect no other sale or assignment of you, this Agreement or your Business without first offering the same to us in accordance with this Subparagraph 14.E.

15. ASSIGNMENT BY FRANCHISOR

We reserve the right to sell or assign, in whole or in part, our interest in this Agreement. Any such sale or assignment will inure to the benefit of any assignee or other legal successor.

16. GENERAL PROVISIONS

The parties hereby agree to the following provisions:

A. Severability. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement will be deemed to be valid and in full force and effect and the terms of this Agreement will be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding hereunder will, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Waiver/Integration. Except as set forth in Subparagraph 13.C, no waiver by either party of any breach by the other party, nor any delay or failure by either party to enforce any provision of this Agreement, will be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce the non-breaching party's rights with respect to that or any other or subsequent breach. Our subsequent acceptance of any payments due to us hereunder shall not be deemed to be a waiver by us of any preceding or succeeding breach by you of any terms, provisions, covenants, or conditions of this Agreement. Subject to our rights to modify the Exhibits to this Agreement, the Manual and/or System standards and requirements and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us. This Agreement together with any exhibits, addenda and appendices hereto constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or any other related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document we furnished to you.

You acknowledge that you are entering into this Agreement as a result of your own independent investigation of the KITCHEN SOLVERS franchise program and not as a result of any representation about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors or franchisees that is contrary to the terms identified in this Agreement or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

C. Notices. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be signed by the party serving the same and either delivered personally or by a reputable overnight service or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by registered or certified mail, and forwarded to the address specified on page 1 of this Agreement or to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this Subparagraph.

D. Authority. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our President. You must neither create nor purport to create any obligation on behalf of us, nor agree to any other term, condition, or covenant that is inconsistent with any provision of this Agreement.

E. References. If a franchisee consists of two or more individuals, such individuals will be jointly and severally liable, and references to the franchisee in this Agreement include all such individuals. Headings and captions contained herein are for convenience of reference and must not be taken into account in construing or interpreting this Agreement.

F. Guarantee. All principal owners of a franchisee that is a corporation, partnership or other entity must execute the form of undertaking and guarantee at the end of this Agreement. Each such person is considered a Personal Guarantor of the franchisee's obligations as noted in the undertaking and guarantee. Any person or entity that at any time after the date of this Agreement becomes a principal owner of the franchisee must, as a condition of becoming a principal owner,

execute the form of undertaking and guarantee in the form attached to this Agreement as Appendix A.

G. Relationship of Parties. You and we understand and agree that this Agreement does not create a fiduciary relationship between us; that you are an independent contractor and that nothing in this Agreement is intended to make either party a general or special agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose. We are not your employer or the employer of any of your employees. Your Business is separate and apart from any that we may operate. Neither party to this Agreement may make any representations tending to create apparent agency, employment, or partnership. At all times during the term of this Agreement and any extension hereof, you must hold yourself out to the public as an independent contractor operating your Business pursuant to a franchise agreement with us.

H. Successors/Assigns. Subject to the terms of Paragraphs 14 and 15, this Agreement is binding upon and inures to the benefit of the administrators, executors, heirs, successors and assigns of the parties.

I. Interpretation of Rights and Obligations. The following provisions will apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:

1. Applicable Law. Except to the extent governed by the Federal Arbitration Act and the United States Trademark Act of 1946, as amended (Lanham Act, 15 U.S.C. Section 1051 et seq.), this Agreement is governed by and interpreted in accordance with the laws of the state of Wisconsin. You expressly waive any rights or protections you have or may have under any statute or law of any other state to the fullest extent permitted by law. This Agreement may be deemed to be amended from time to time as may be necessary to bring any of its provisions into conformity with valid applicable laws or regulations. Subject to Subparagraph 13.A, any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties must be brought in the Federal District Court for the District of Wisconsin or in La Crosse County District Court, La Crosse, Wisconsin. Both parties hereto irrevocably admit themselves to, and consent to, the exclusive jurisdiction of said courts. **ANY SUCH ACTION WILL BE CONDUCTED ON AN INDIVIDUAL BASIS, AND NOT AS PART OF A CONSOLIDATED, COMMON, OR CLASS ACTION, AND YOU AND YOUR OWNERS WAIVE ANY AND ALL RIGHTS TO PROCEED ON A CONSOLIDATED, COMMON, OR CLASS BASIS.**

The provisions of this Subparagraph will survive the termination of this Agreement. You are aware of the business purposes and needs underlying the language of this Subparagraph, and with a complete understanding thereof, agree to be bound in the manner set forth.

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve or are deemed to have reserved discretion in a particular area or where we agree or are deemed to be required to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. A decision or action by us will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of us. Examples of items that will promote or benefit the System include enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System.

J. Attorneys' Fees. The prevailing party in any legal proceeding before a court, arbitrator or other tribunal will be entitled to recover its reasonable attorneys' fees, costs and interest. This Subparagraph 16.J will survive termination or expiration of this Agreement under any circumstances. Additionally, if we incur costs and expenses due to your failure to pay when due amounts owed to us our affiliates, to submit when due any reports, information, or supporting records, or otherwise comply with this Agreement, you agree, whether or not we initiate a formal arbitration or legal proceeding, to reimburse us for all of the costs and expenses that we incur including, without limitation, reasonable accounting, attorneys' and related fees and costs.

K. **JURY WAIVER.** THE PARTIES (AND THEIR RESPECTIVE OWNERS AND PERSONAL GUARANTORS, IF APPLICABLE) HEREBY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN CONNECTION WITH THE ENFORCEMENT OR INTERPRETATION BY JUDICIAL PROCESS OF ANY PROVISION OF THIS AGREEMENT, AND IN CONNECTION WITH ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION OR SIMILAR CAUSES OF ACTION OR ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES FOR BREACH OF THIS AGREEMENT.

L. **WAIVER OF PUNITIVE DAMAGES.** THE PARTIES (AND THEIR RESPECTIVE OWNERS AND PERSONAL GUARANTORS, IF APPLICABLE) HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY IT.

M. Acts Beyond Control of Parties. In the event of any failure of performance of this Agreement according to its terms by any party the same will not be deemed a breach of this Agreement if it arose from a cause beyond the control of and without the negligence of the party. Such causes include strikes, wars, riots, and acts of government except as may be specifically provided for elsewhere in this Agreement.

N. Notice of Potential Franchisor Profit. We hereby advise you that we and/or our affiliates may from time to time make available to you goods, products and/or services for use in your Business on the sale of which we and/or our affiliates may make a profit. We further advise you that we and/or our affiliates may from time to time receive consideration from suppliers and/or

vendors (“Preferred Vendors”) in respect to sales of Primary Products and Services and other goods, products or services to you or in consideration of services rendered or rights licensed to such persons. You agree that we and/or our affiliates are entitled to said profits and/or consideration. You will pay the then-current price in effect for products you purchase from us or Preferred Vendors which may be higher than the cost of other similar products on the markets.

O. Effective Date. This Agreement is deemed made when accepted by us at our offices in La Crosse, Wisconsin, and signed by our Managing Member.

IN WITNESS WHEREOF, the parties have entered into this Franchise Agreement Effective as of Effective Date.

Appendix E to the Franchise Agreement

Collateral Assignment of Lease

COLLATERAL ASSIGNMENT OF LEASE

THIS COLLATERAL ASSIGNMENT OF LEASE is made as of the last date below written by and among _____ ("Tenant"), KS LA CROSSE INVESTMENTS, LLC ("Franchisor"), and _____ ("Landlord").

WHEREAS, Tenant is the tenant under a certain lease (or sublease), dated _____ (the "Lease"), wherein Landlord leased to Tenant certain premises at _____ (the "Premises"); and

WHEREAS, Tenant and Franchisor have, or will, enter into a Franchise Agreement (the "Franchise Agreement"), whereby Franchisor will grant to Tenant the right to open and operate a KITCHEN SOLVERS® franchised business under Franchisor's system at the Premises; and

WHEREAS, as a condition to Franchisor entering into the Franchise Agreement, Franchisor has required that Tenant assign its right, title and interest in the Lease, with the right to reassign (as provided therein), as security for Tenant's obligations and Franchisor's rights under the Franchise Agreement; and

WHEREAS, in order to induce Franchisor to enter into the Franchise Agreement, Tenant has agreed to assign its right, title and interest in the Lease, with the right to reassign (as provided therein), as security for Tenant's obligations and Franchisor's rights under the Franchise Agreement.

NOW THEREFORE, in consideration for the foregoing premises and the mutual promises contained herein and in the Franchise Agreement, and in order to secure Tenant's obligations and Franchisor's rights under the Franchise Agreement, Tenant does hereby collaterally assign, transfer and set over unto Franchisor, with the right to reassign (as provided herein), all of its right, title and interest in and to the Lease and in and to the Premises; it being nevertheless expressly understood and agreed that this assignment is made and is consented to by the Landlord contingent upon the following terms, covenants, limitations and conditions:

1. Tenant's Right to Possession. Tenant shall retain right to possession of the Premises in accordance with the terms and conditions of the Lease until the occurrence of an Assignment Event (as defined in paragraph 2 of this Agreement).

2. Assignment Events.

2.1 Franchisor shall have the right to exercise either of the options set forth in paragraphs 2.1(i) or 2.1(ii) below upon: (a) Franchisor's declaration of a default by Tenant under the Franchise Agreement which remains uncured beyond all applicable notice and cure periods; (b) the expiration or earlier termination of the Franchise Agreement; or (c) an expression by Tenant

of its desire to terminate the Lease (each an “Assignment Event”). Upon the occurrence of an Assignment Event, Franchisor shall have the option to either:

(i) assume and occupy the Premises upon written notice to Landlord and Tenant, in which event Franchisor shall be deemed to be substituted as the tenant under the Lease in the place and stead of Tenant and shall be deemed to have assumed expressly all of the terms, covenants and obligations of the Lease theretofore applicable to Tenant and shall likewise be entitled to enjoy all of the rights and privileges granted to Tenant under the terms and conditions of the Lease; or

(ii) assign the Lease to an affiliate or an approved System franchisee, without obtaining Landlord’s prior written consent, provided that, in the event of an assignment to a franchisee, such franchisee: (a) has a net worth equal to or greater than the net worth of Tenant at the time of Lease execution; (b) assumes all of Tenant’s obligations under the Lease; and (c) completes Franchisor’s initial training program to Franchisor’s satisfaction.

2.2 If Franchisor exercises either of the rights set forth in paragraphs 2.1(i) or 2.1(ii) above, Tenant shall remain obligated under the Lease and Tenant shall be liable to Franchisor for all payments by Franchisor for rent and other Lease obligations. The parties acknowledge that such payments are reasonable expenses of foreclosure.

2.3 If Franchisor exercises either of the rights set forth in paragraphs 2.1(i) or 2.1(ii) above, Landlord shall not terminate or accelerate the rent owed under the Lease in connection with any such assignment, so long as Franchisor, or its franchisee, assumes, in writing, the obligations of Tenant under the Lease. Nothing in this Paragraph 2.3 shall serve to extend the term of the Lease or provide Franchisor with occupancy rights, options to renew or other rights not expressly set forth to Tenant in the Lease.

3. Agreement of Landlord.

3.1 Landlord agrees to furnish Franchisor with copies of any and all letters and notices to Tenant pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Tenant.

3.2 Landlord further agrees that, if it intends to terminate the Lease, Landlord will give Franchisor the same advance written notice of such intent as provided to Tenant, specifying in such notice all defaults that are the cause of any proposed termination. Franchisor shall have the right to cure, at its sole option, any such default within the time periods granted to Tenant under the Lease.

3.3 If neither Tenant or Franchisor cures all such defaults within the prescribed time periods (or such longer period as may be specifically permitted by the Lease), then the Landlord may terminate the Lease, re-enter the Premises and/or exercise all other rights as set forth in the Lease. Landlord will promptly notify Franchisor of any expression by Tenant of its desire to terminate the Lease.

4. Right to Enter and Make Modifications to Premises. Before the expiration or termination of the Lease, Franchisor shall have the right to enter the Premises to make any reasonable modifications or reasonable alterations necessary to protect Franchisor's interest in the franchise system, Franchisor's proprietary marks and system, or to cure any default under the Franchise Agreement entered into by Franchisor and Tenant, or any affiliate of Tenant. Landlord and Tenant agree that Franchisor shall not be liable for trespass or any other crimes or tort.

5. Notices. All notices and demands required to be given hereunder shall be in writing and shall be sent by personal delivery, expedited delivery service, certified or registered mail, return receipt requested, first-class postage prepaid, facsimile, telegram or telex (provide that the sender confirm the facsimile, telegram or telex by sending an original confirmation copy by certified transmission), to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other parties.

Any change in the foregoing addresses shall be effected by giving fifteen (15) days written notice of such change to the other parties.

6. No Material Modification of Lease. Landlord and Tenant will not amend, renew, extend or otherwise modify the Lease in any manner which would materially affect any of the foregoing provisions without Franchisor's prior written consent.

7. Acknowledgment. The parties hereby acknowledge and agree that, so long as Franchisor shall not have exercised its option to take possession of the Premises under this Agreement, Franchisor shall not be liable for rent or any other obligations under the Lease.

AREA DEVELOPMENT AGREEMENT

KS LA CROSSE INVESTMENTS, LLC
AREA DEVELOPMENT AGREEMENT

DEVELOPER

DATE

AREA DEVELOPMENT AGREEMENT

KS LA CROSSE INVESTMENTS, LLC

This Area Development Agreement (the "Agreement") is made and entered into on _____, 20____ (the "Effective Date") by and between KS La Crosse Investments, LLC, a Wisconsin limited liability company with an address at 528 Loomis Street, La Cross, Wisconsin 54603 ("we", "us", "our", or "Franchisor") and _____, a _____ with an address at _____ ("you", "your" or "Developer") on the date this Agreement is executed by us below (the "Effective Date"). Franchisor and Developer are sometimes hereinafter collectively referred to as the "parties".

BACKGROUND

A. Franchisor, as the result of the expenditure of time, skill, effort and money, owns and continues to develop a franchise system (the "System") involving the establishment and operation of franchised businesses (each, a "Business" or "Franchised Business"), which offer kitchen and bathroom update, beautification and remodeling services for residential and commercial buildings under the mark KITCHEN SOLVERS® and/or such other marks as designated by Franchisor (the "Marks").

B. The characteristics of the System may include, without limitation, sales and operating methods; equipment; class structure and instruction; customer service and development techniques; uniform standards and procedures; training and assistance; pricing specifications; all of which may, at times, be changed, improved and further developed from time to time by Franchisor.

C. Franchisor identifies the System by means of certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including, but not limited to, the mark KITCHEN SOLVERS® and the KITCHEN SOLVERS® logo, and/or such other different and/or additional trade names, trademarks, and service marks as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the System (the "Proprietary Marks" or "Marks").

D. Franchisor has the right to establish System "Standards and Specifications" for various aspects of the System, including, without limitation, standards and specifications related to operating procedures, products and services offered, supplier qualifications, training, marketing and other aspects that affect and/or relate to the experience of System customers. You are required to comply with the Standards and Specifications, which Franchisor has the right to (and expects to) change and modify over time.

E. You have had a full and adequate opportunity to be thoroughly advised of the terms and conditions of this Agreement and have had sufficient time and opportunity to evaluate and investigate the business concept and the procedure and financial requirement associated with the business as well as the competitive market in which it operates.

F. You have expressed an interest in obtaining the right to open multiple Businesses within a specific geographic area, and we are willing to grant such right upon the terms and conditions set forth in this Agreement.

AGREEMENT

In consideration of the above recitals, the covenants, agreements and conditions set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. APPOINTMENT, DEVELOPMENT TERRITORY AND MINIMUM DEVELOPMENT OBLIGATION

1.1 Development Area

Subject to your strict compliance with the terms and conditions of this Agreement, we grant to you, and you accept, the right during the term of this Agreement to open and operate the number of Businesses designated in Exhibit A within the “Development Area” described in Exhibit A. All of your Businesses must be located within the Development Area. Except as otherwise set forth in this Agreement, including, without limitation, as set forth in Section 1.4 below, for so long as you are in compliance with your obligations under this Agreement, we will not open or operate, and will not license any other person or entity the right to open or operate, one or more Businesses within the Development Area.

This grant is upon the terms and subject to the conditions of this Agreement. You acknowledge and agree that our initial service under this Agreement is solely to identify the Development Area, and that we have no ongoing obligations such as training or operational assistance to you under this Agreement. All ongoing and further obligations to you in opening the Businesses shall be provided pursuant to the applicable Franchise Agreement between you and us for each Business you are required to open under this Agreement.

1.2 Minimum Development Obligations

1.2.1 You shall comply with the terms and conditions of this Agreement and you shall comply with the following “Minimum Development Obligations”: (i) develop and open each Business you are required to develop under this Agreement on or before the opening deadline set forth in Exhibit A attached hereto (the “Opening Deadlines”), and (ii) have open and in operation within the Development Area, not less than the cumulative number of Businesses identified in Exhibit A to this Agreement; (collectively, “the Minimum Development Obligation”). **YOU ACKNOWLEDGE AND AGREE THAT TIME IS OF THE ESSENCE UNDER THIS AGREEMENT AND THAT YOUR RIGHTS UNDER THIS AGREEMENT ARE SUBJECT TO TERMINATION IF YOU DO NOT STRICTLY COMPLY WITH THE MINIMUM DEVELOPMENT OBLIGATIONS.**

1.2.2 For each Business you are required to develop under this Agreement, you shall enter into our then-current form of Franchise Agreement within the time periods set forth in this Agreement. You may form newly established, separate affiliate entities in which the “Control

Group” owns a minimum of a 75% interest in each such entity, to enter into the franchise agreements for each Business you are required to open under this Agreement (each a “Developer Affiliate”). If Developer is a legal entity, the term “Control Group” means all owners of the Developer entity. If Developer is one or more individuals, the term Control Group means all such individuals. You and each of your owners shall enter into a personal guaranty agreement in the form attached to this agreement as Exhibit B. Additionally, each direct and indirect owner of each Developer Affiliate must sign the form of personal guarantee agreement attached to each Franchise Agreement executed pursuant to this Agreement. You also acknowledge and agree that the estimated initial investment figures presented in the FDD you received prior to entering into this Agreement are estimates only and are subject to modification, including increases related to modifications to specifications and requirements to develop Businesses. You shall designate one (1) individual who shall be designated in Exhibit A attached hereto, who has the authority to, and does in fact, actively direct your business affairs related to your obligations under this Agreement and has the authority to sign on your behalf all contracts and commercial documents (your “Responsible Owner”). Your Responsible Owner shall exert his or her best efforts to the development of the Businesses pursuant to this Agreement and, absent our prior approval, may not engage in any other business or activity that requires substantial management responsibility or time commitments.

1.2.3 In order to proceed with the development and commencement of operation of the second and each subsequent Business you are obligated to open under this Agreement, you must: (a) be in compliance with the terms of any and all franchise agreements entered into by and between you and/or any of your affiliates, and us; (b) sign our then current form of franchise agreement (as set forth in Section 1.2.1 above); and (c) demonstrate that you have met the applicable Minimum Productivity Levels, as such term is defined in each franchise agreement entered into by and between you and/or any of your affiliates, and us. You understand and acknowledge that if you fail to meet the criteria set forth in this subparagraph, you may not be permitted to develop or open the Businesses you are required to open by the deadlines set forth in this Agreement and that such failure may result in a default under the terms of this Agreement which, if not cured, may result in termination of this Agreement.

You have no right to sublicense or subfranchise your rights under this Agreement.

1.3 Force Majeure

If you are unable to meet the Minimum Development Obligation requirement solely as the result of force majeure, including, but not limited to, war, riot, strikes, material shortages, floods, earthquakes, and other acts of God, or by governmental action or force of law, which results in the inability of you to construct or operate Businesses in the Development Area, and which you could not, by the exercise of due diligence, have avoided, the Development Periods will be extended by the amount of time the force majeure exists, provided that if any force majeure continues for a period in excess of six months, we may terminate this Agreement upon written notice to you.

1.4 Reservation of Rights

You acknowledge and agree that we have the right to open and operate, and to grant others the right to open and operate Businesses anywhere outside of the Development Area as we deem

appropriate in our sole and absolute discretion. This Agreement is not a franchise agreement and you do not have any right to use the Marks in any manner by virtue of this Agreement. You have no right under this Agreement to subfranchise or sublicense others to operate a Business or use the System or the Marks. Without limiting the foregoing, we reserve all rights to do anything within the Development Area, including, without limitation, the following: (i) offer and sell, and authorize others to offer and sell, any goods and services in, at or from any location outside of the Development Area; (ii) manufacture, distribute, offer and sell, and authorize others to manufacture, distribute, offer and sell, any goods and/or services in, at or from any location, including any location within the Development Area: (a) through alternative channels of distribution, including sales on the Internet, through kiosk locations, through print and online catalogs, and in retail locations under any trademark, including the Marks; and/or (b) under any names or trademarks other than the Marks. For the purposes of this provision, alternative channels of distribution include any channels not explicitly authorized for use by Developer under any franchise agreement executed pursuant to this Agreement; (iii) merge with, acquire, or be acquired by, including through purchase or sale of substantially all assets, any other person or entity, including any competitor of Franchisor or Developer (each an “M&A Transaction”), and continue to conduct in any location any business engaged in by the merging, acquiring, or acquired person or entity, including any business directly competitive with Businesses developed by Developer under this Agreement regardless of where the business is located and to permit the business to operate under the Marks or any other name; (iv) use the Marks and System in connection with services and products, promotional and marketing efforts or related items, or in alternative channels of distribution, including the sale of products through retail stores and via the internet, without regard to location; (v) develop, or become associated with, other concepts (either directly or through affiliate entities) and grant franchises under such concepts for locations anywhere, including in the Development Area; and (vi) use and license to engage in any other activities not expressly prohibited in this Agreement. In the event of an M&A Transaction, Franchisor has the right to require you to convert the Businesses developed pursuant to this Agreement to a different name and Developer hereby agrees to: (a) participate, at Developer’s expense in any such conversion; and (b) waive any and all claims, demands or damages arising from or related to the loss of the Mark, the System or any association or affiliation with the Marks or the System.

1.5 Non-Public Access Venues; Multi-Project Customers.

1.5.1 We have the right to develop, open and operate, and to license others the right to develop, open and operate, Businesses located in Non-Public Access Areas, including within the Development Area. For purposes of this Agreement, the term Non-Public Access Area shall mean military bases, government institutions, and other areas that are not accessible to the general public.

1.5.2 We and/or our affiliates reserve the right to negotiate and enter into agreements with “Multi-Project Customers” and to, directly or indirectly (including through franchisees and licensees) provide KITCHEN SOLVERS® services under the Marks, even if those customers are located in the Development Area. The term “Multi-Project Customer” means a customer that wishes to contract for the completion of fifty or more projects for KITCHEN SOLVERS® services, including, without limitation owners or managers of apartment and/or condominium buildings, residential home builders and/or developers, and hotel chains. We may provide such services to Multi-Project Customers ourselves or through an affiliate, or we may contract with a

third-party including another KITCHEN SOLVERS® franchisee, to perform such services in the Development Area without providing you with any compensation. If you qualify to service a Multi-Project Customer and we offer you the option to perform such work, you will be required to comply with our designated standards, specifications and procedures, and you may be required to enter into our then-current form of Multi-Project Customer Participation Agreement. We retain the right to set and modify the parameters for any Multi-Project Customer program, including the right to terminate your participation in the program, at any time.

2. DEVELOPMENT FEE.

2.1 Development Fee. You shall pay to us a “Development Fee” in the amount designated in Exhibit A immediately upon execution of this Agreement. The Development Fee is paid to us in consideration of the rights we grant you pursuant to this Agreement. Accordingly, the Development Fee is deemed fully earned by us upon execution of this Agreement and is non-refundable, even if you fail to develop one or more of the Businesses.

3. FRANCHISE AGREEMENT EXECUTION PROCEDURES.

3.1 Franchise Agreement Execution Requirements.

For each Business you are required to develop under this Agreement, you (or a Developer Affiliate approved by us) shall sign our then-current form of franchise agreement, which agreement may contain materially different terms and conditions as compared to the form of franchise agreement attached to the FDD provided to you prior to your execution of this Agreement, on or before the Franchise Agreement execution deadline set forth on Exhibit A. Upon the execution of each Franchise Agreement, the terms and conditions of such Franchise Agreement shall control the establishment and operation of the Business that is the subject of such Franchise Agreement.

4. RELATIONSHIP OF PARTIES

4.1 Relationship of Parties

4.1.1 You will function as an independent party and not as our agent or representative, but rather as a franchisee under our Franchise Agreements. You and we are not and will never be considered joint ventures, partners, employees, employer or agents one for the other. Neither will have the power to bind or obligate the other except as otherwise outlined in this Agreement and/or the Franchise Agreements. No representation will be made by either party to anyone that would create any apparent agency, employment or partnership except as otherwise outlined in this Agreement.

4.1.2 In all public and private records, documents, relationships, and dealings, you will indicate that you are an independent contractor operating pursuant to this Agreement.

4.1.3 You will maintain your records and accounts to clearly indicate that you and your employees are not our employees. You will be solely responsible to hire your own employees, including determinations about a prospective person’s background, experience,

character, and immigration status. You shall provide written notification to each person you intent to hire as an employee advising such person that the Franchisor is not their employer.

4.1.4 You will pay all of your development, travel, tax, operating, sales, and other costs and expenses directly or indirectly incurred in fulfilling your obligations under this Agreement. You will hold us harmless for all such costs and expenses.

5. TERM AND TERMINATION

5.1 Term

Unless sooner terminated, the term of this Agreement (“the Term”) will begin on the Effective Date and will end on the earlier to occur of: (a) the date the final Business you are required to develop under this Agreement has opened; or (b) the Opening Deadline for the last Business you are required to open under this Agreement. You do not have any right to renew this Agreement.

5.2 Termination

We have the right to terminate this Agreement, effective immediately upon delivery of written notice to you, if you commit a Material Default under this Agreement.

Each of the following events shall be deemed a “Material Default” under this Agreement:

- (a) Your failure to meet any of your Minimum Development Obligations.
- (b) Any conduct on your part that impairs the goodwill associated with the marks or otherwise causes harm to us or the reputation of the brand or System.
- (c) The termination of any Franchise Agreement entered into by and between Franchisor, its successors or assigns, and you and/or any Developer Affiliate.
- (d) If you or any Developer Affiliate commits a default under any Franchise Agreement or other agreement between us and you or any Developer Affiliate, which default remains uncured beyond all applicable notice and cure periods.
- (e) If you violate any of your confidentiality or non-competition obligations under this Agreement.
- (f) If you default under any other obligation under this Agreement and such default is not cured before the expiration of fifteen (15) calendar days following your receipt of a written notice of default from us.

A termination of this Agreement is not deemed to be a termination of any Franchise Agreement entered into by and between you and us, or any Developer Affiliate and us. You shall not be entitled to any refund of any of the Development Fee if we terminate this Agreement in accordance with the terms hereof.

5.3 Effects of Termination

Upon the expiration of the term, or upon termination of this Agreement, regardless of the cause for termination, you will have no further right to open or operate additional Businesses which are not, at the time of such termination or expiration, the subject of a then existing Franchise Agreement between you and us which is in full force and effect. You acknowledge that during and after the expiration or earlier termination of this Agreement, we may open and operate, and license others the right to open and operate one or more Businesses anywhere in the Development Area, subject to any territorial rights granted to you or any Developer Affiliate, as applicable, under any Franchise Agreement then in effect.

6. TRANSFER AND SUCCESSION

6.1 Assignment by Us

We may assign this Agreement, or any of our rights and privileges to any other person, firm or corporation without your prior consent; provided that, in respect to any assignment resulting in the subsequent performance by the assignee of our functions, the assignee will expressly assume and agree to perform our obligations.

6.2 Assignment by You

Your rights and obligations under this Agreement are personal to you and are not assignable at all. Without our prior written permission, you will not voluntarily or involuntarily sell, transfer, assign, encumber, give or otherwise alienate the whole or any part of this Agreement, your assets, or the ownership of any of your rights under this Agreement. We have entered this Agreement in reliance upon and in consideration of the singular personal skill, qualifications and trust and confidence we repose in you or your principal officers or partners who will actively and substantially participate in the development and operation of the Businesses you are required to develop under this Agreement.

7. COVENANTS: NON COMPETITION/CONFIDENTIALITY/COMPLIANCE WITH LAWS

7.1 Non-Compete

7.1.1 You and each of your owners, officers and agents will not, during the Term of this Agreement, directly, indirectly or through, on behalf of, or in conjunction with any person or legal entity:

(a) participate as an owner, director, partner, officer, franchisee, employee, consultant, advisor, salesperson, distributor, or agent or serve in any other capacity in any Competitive Business (as defined below); or

(b) divert, or attempt to divert any present or prospective business or customer of any Business to any competitor, by direct or indirect inducement or otherwise, or do

or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System.

For purposes of this Agreement, the term “Competitive Business” shall mean any: (a) kitchen and/or bathroom remodeling business, cabinet refacing business and/or any other business that sells products and services similar to the products and services sold at your KITCHEN SOLVERS Business; and/or (b) business that franchises or licenses the right to open and operate a business of the type identified in (a) of this provision.

7.1.2 During the two (2) year period after expiration or termination of this Agreement, you and your owners, officers and agents **will not** directly or indirectly participate as an owner, director, partner, officer, franchisee, employee, consultant, advisor, salesperson, distributor, or agent or serve in any other capacity in any Competitive Business that is located: (a) anywhere in the Development Area; (b) within a twenty-five (25) mile radius of the Development Area; (c) within any other KITCHEN SOLVERS® franchisee’s territory or within any area developer’s development area; or (d) within twenty-five (25) mile radius of another franchisee’s territory or another area developer’s development area. During the two (2) year period after expiration or termination of this Agreement, you and your owners, officers and agents **will not** directly or indirectly participate as an owner, director, partner, officer, franchisee, employee, consultant, advisor, salesperson, distributor, or agent or serve in any other capacity in any franchise system that is offering or selling the right to develop, open or operate Competitive Businesses anywhere in the United States. The covenants not to compete are in addition to and not in lieu of your express agreements set forth above to not use any trade secrets, confidential information or personal contacts except as authorized by us.

7.1.3 You acknowledge and agree that the restricted periods set forth in Section 7.1 (inclusive of all subparts) shall be tolled during any time in which you are in violation of your obligations. We may require you to obtain written agreements from your owners, officers, directors, employees and agents to not compete against us and to not disclose our trade secrets and confidential information. These agreements will be in a form we approve.

7.1.4 If for any reason, any provision of any of the covenants not to compete set forth in Section 7.1 (inclusive of all subparts) is determined to exceed any lawful scope and limit as to duration, geographic coverage, or otherwise, it is agreed that provision will nevertheless be binding to the full scope or limit allowed by applicable laws or by a court of law. The duration, geographic coverage and scope allowable by law or court of law shall apply to this Agreement.

7.1.5 You agree that damages alone cannot adequately compensate us if there is a violation of any of your non-competition covenants and that injunctive relief is essential for our protection. You therefore agree that in any case of any alleged breach or violation of this section, we may seek injunctive relief without posting any bond or security, in addition to all other remedies that may be available to us at equity or law.

7.2 Communication of Information

During the Term of this Agreement and thereafter, you will not communicate or divulge to any person or entity the contents of the System Manuals, or any other non-public information

related to the System or the operation of the Businesses. Under no circumstances will you or your agents communicate or divulge to any person or entity any trade secrets, confidential information or personal contacts relating to the System or Businesses operating under the System during the Term of this Agreement or thereafter.

7.3 You to Cease Using Names and Marks

Except to the extent permitted under then current Franchise Agreements, upon expiration or termination of this Agreement, whatever the cause for termination, you will immediately cease using the Marks and our names, logos, service marks, trademarks and other marks, symbols or materials suggesting that you were related to us or the System in any way. You acknowledge that all of these are our exclusive property and that you are allowed to use them only in connection with your work as our sales and service agent or franchisee. You may use them only pursuant to the provisions of any relevant franchise agreements between the parties.

7.4 Compliance with Applicable Laws.

You shall, at your sole cost and expense, comply with all federal, state, city, municipality and local laws, ordinances, rules and regulations applicable to your obligations under this Agreement. You must, at your expense, be absolutely and exclusively responsible for determining all licenses and permits required by law for your Businesses, for qualifying for and obtaining all such licenses and permits, and maintaining all such licenses and permits in full force and effect.

8. DISPUTE RESOLUTION

8.1 Mediation.

8.1.1 The parties have reached this Agreement in good faith and with the belief that it is advantageous to each of them. In recognition of the strain on time, unnecessary expense and wasted resources potentially associated with litigation and/or arbitration, and in the spirit of cooperation, the parties pledge to try to resolve any dispute amicably, without litigation or arbitration. Other than an action brought by us under Section 8.3 of this Agreement, and with the exception of injunctive relief or specific performance actions, before the filing of any arbitration, you and we agree to mediate any dispute, controversy or claim between us and/or any of our affiliates, officers, directors, managers, shareholders, members, owners, guarantors, employees or agents (each a “Franchisor Related Party”), on the one hand, and you and/or any of your affiliates, officers, directors, managers, shareholders, members, owners, guarantors, employees or agents (each a “Developer Related Party”), including without limitation, in connection with any dispute, controversy or claim arising under, out of, in connection with or in relation to: (a) this Agreement; (b) the parties’ relationship; or (c) the events occurring prior to the entry into this Agreement. Good faith participation in these procedures to the greatest extent reasonably possible, despite lack of cooperation by one or more of the other parties, is a precondition to instituting any arbitration or legal action, including any action to interpret or enforce this Agreement.

8.1.2 Mediation will be conducted La Crosse County, Wisconsin (or, if Franchisor’s corporate headquarters is no longer in La Crosse County, Wisconsin, the county where Franchisor’s corporate headquarters is then located). Persons authorized to settle the dispute

must attend each mediation session in person. The party seeking mediation (the “Initiating Party”) must commence mediation by sending the other party/parties a written notice of its request for mediation (the “Mediation Notice”). The Mediation Notice must specify, to the fullest extent possible, the nature of the dispute, the Initiating Party’s version of the facts surrounding the dispute, the amount of damages and the nature of any injunctive or other such relief such party claims, and must identify one or more persons with authority to settle the dispute for the Initiating Party. Upon receipt of the Mediation Notice, the parties will endeavor, in good faith, to resolve the dispute outlined in the Dispute Notice. If the parties have been unable to resolve any such dispute within twenty (20) days after the date the Mediation Notice is provided by the Initiating Party to the other party, either party may initiate a mediation procedure in accordance with this provision. The parties agree to participate in the mediation proceedings in good faith with the intention of resolving the dispute if at all possible within sixty (60) days of the notice from the party seeking to initiate the mediation procedures. The parties agree to participate in the mediation procedure to its conclusion, as set forth in this section.

The mediator shall advise the parties in writing of the format for the meeting or meetings. If the mediator believes it will be useful after reviewing the position papers, the mediator shall give both himself or herself and the authorized person designated by each party an opportunity to hear an oral presentation of each party’s views on the matter in dispute. The mediator shall assist the authorized persons to negotiate a resolution of the matter in dispute, with or without the assistance of counsel or others. To this end, the mediator is authorized both to conduct joint meetings and to attend separate private caucuses with the parties. All mediation sessions will be strictly private. The mediator must keep confidential all information learned unless specifically authorized by the party from which the information was obtained to disclose the information to the other party.

The parties commit to participate in the proceedings in good faith with the intention of resolving the dispute if at all possible. The mediation may be concluded: (a) by the signing of a settlement agreement by the parties; (b) by the mediator’s declaration that the mediation is terminated; or (c) by a written declaration of either party, no earlier than at the conclusion of a full day’s mediation, that the mediation is terminated. Even if the mediation is terminated without resolving the dispute, the parties agree not to terminate negotiations and not to begin any arbitration or legal action or seek another remedy before the expiration of five (5) days following the mediation. A party may begin arbitration within this period only if the arbitration might otherwise be barred by an applicable statute of limitations or in order to request an injunction from a Court of competent jurisdiction to prevent irreparable harm.

8.1.3 The fees and expenses of the mediator shall be shared equally by the parties. The mediator may not later serve as a witness, consultant, expert or counsel for any party with respect to the dispute or any related or similar matter in which either of the parties is involved. The mediation procedure is a compromise negotiation or settlement discussion for purposes of federal and state rules of evidence. The parties agree that no stenographic, visual or audio record of the proceedings may be made. Any conduct, statement, promise, offer, view or opinion, whether oral or written, made in the course of the mediation by the parties, their agents or employees, or the mediator is confidential and shall be treated as privileged. No conduct, statement, promise, offer, view or opinion made in the mediation procedure is discoverable or admissible in evidence for any

purpose, not even impeachment, in any proceeding involving either of the parties. However, evidence that would otherwise be discoverable or admissible shall not be excluded from discovery or made inadmissible simply because of its use in the mediation.

8.2 Arbitration

8.2.1 Except as qualified below and in Section 8.3, and if not resolved by the negotiation and mediation procedures set forth in Section 8.1, any dispute, controversy or claim between Developer and/or a Developer Related Party, on the one hand, and Franchisor and/or any Franchisor Related Party, on the other hand, including, without limitation, any dispute, controversy or claim arising under, out of, in connection with or in relation to: (a) this Agreement, (b) the parties' relationship, (c) the events leading up to the entry into this Agreement, (d) the Development Area, (e) the scope or validity of the arbitration obligation under this Agreement, (f) any System standard; (g) any claim based in tort or any theory of negligence; and/or (h) any lease or sublease for any Business, shall be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the American Arbitration Association pursuant to its then-current commercial arbitration rules and procedures.

8.2.2 Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action, associational claim, or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. In the event a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then this entire commitment to arbitrate shall become null and void and the parties shall submit all claims to the jurisdiction of the courts. The arbitration must take place in La Crosse County, Wisconsin (or, if our corporate headquarters is no longer in La Crosse County, Wisconsin, the county where our corporate headquarters is then-located). The arbitration will be heard before one arbitrator. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least five (5) years of significant experience in franchise law. Any issue as to whether a matter is subject to arbitration will be determined by the arbitrator. A judgment may be entered upon the arbitration award by any state or federal court in La Crosse County, Wisconsin.

8.2.3 In connection with any arbitration proceeding, each party will submit or file any claim which would constitute a compulsory counterclaim (as defined by the then-current Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed in such proceeding will be forever barred. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; (3) certify a class or a consolidated action; or (4) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set. The arbitrator shall have the right to make a determination as to any procedural matters that court of competent jurisdiction would be permitted to make in the state in which our main office is located. Further, the arbitrator shall decide all factual, procedural, or legal questions relating in any way to the dispute between the parties, including, without limitation, questions relating to whether Section 8.2 is applicable and enforceable as against the parties; the subject matter, timeliness, and scope

of the dispute; any available remedies; and the existence of unconscionability and/or fraud in the inducement.

8.2.4 The arbitrator can issue summary orders disposing of all or part of a claim and provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships, and other equitable and/or interim/final relief. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction.

8.2.5 The arbitrator shall have subpoena powers limited only by the laws of the State of Wisconsin. The parties ask that the arbitrator limit discovery to the greatest extent possible consistent with basic fairness in order to minimize the time and expense of arbitration. The parties to the dispute shall otherwise have the same discovery rights as are available in civil actions under the laws of the State of Wisconsin. All other procedural matters shall be determined by applying the statutory, common laws, and rules of procedure that control a court of competent jurisdiction in the State of Wisconsin.

8.2.6 Other than as may be required by law, the entire arbitration proceedings (including, without limitation, any rulings, decisions or orders of the arbitrator), shall remain confidential and shall not be disclosed to anyone other than the parties to this Agreement.

8.2.7 The judgment of the arbitrator on any preliminary or final arbitration award shall be final and binding and may be entered in any court having jurisdiction.

8.2.8 We reserve the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so shall not be deemed to have waived or relinquished our right to seek recovery of those costs against you.

8.3 Exceptions to Mediation and Arbitration

Notwithstanding Section 8.1 or Section 8.2, the parties agree that the following claims will not be subject to mediation or arbitration:

(a) any action for declaratory or equitable relief, including, without limitation, seeking preliminary or permanent injunctive relief, specific performance, other relief in the nature of equity to enjoin any harm or threat of harm to such party's tangible or intangible property, brought at any time, including, without limitation, prior to or during the pendency of any arbitration proceedings initiated hereunder;

(b) any action in ejectment or for possession of any interest in real or personal property; or

(c) any claim by us: (a) relating to your failure to pay any fee due to us under this Agreement; (b) relating to your failure to comply with the confidentiality and non-competition covenants set forth in this Agreement; and/or (c) and/or our affiliates relating

to your use of the Marks and/or the System, including, without limitation, claims for violations of the Lanham Act.

9. MISCELLANEOUS PROVISIONS

9.1 Choice of Law and Venue; Limitation of Claims; Jury Trial Waiver; Class Action Waiver; Waiver of Damages

9.1.1 You acknowledge that we have appointed and intend to appoint many franchisees on terms and conditions similar to those set forth in this Agreement and the Franchise Agreement. It mutually benefits those franchisees, you and us if the terms and conditions of these license agreements are uniformly interpreted. This Agreement shall take effect upon its acceptance and execution by Franchisor. All matters relating to mediation or arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1, et. seq.). Except to the extent governed by the Federal Arbitration Act or other federal law, this Agreement, the franchise and all claims arising from or in any way related to the relationship between Franchisor, and/or any of its affiliates, on the one hand, and Developer, and any of Developer's owners, guarantors and/or affiliates, on the other hand, shall be interpreted and construed under the laws of the State of Wisconsin, which laws shall prevail in the event of any conflict of law, except that any law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless jurisdictional requirements are met independently without reference to this paragraph.

9.1.2 In the event the arbitration clause set forth in Section 8.2 is inapplicable or unenforceable, and subject to Franchisor's right to obtain injunctive relief in any court of competent jurisdiction, the following provision shall govern: The parties hereby expressly agree that the United States District Court for Western District of Wisconsin (or, if our corporate headquarters is no longer in La Crosse County, Wisconsin, the applicable District Court where our corporate headquarters is then-located), or if such court lacks subject matter jurisdiction, the State Superior Court in La Crosse County, Wisconsin (or, if our corporate headquarters is no longer in La Crosse County, Wisconsin, the county where our corporate headquarters is then-located), shall be the exclusive venue and exclusive proper forum in which to adjudicate any case or controversy arising out of or related to, either directly or indirectly, this Agreement, ancillary agreements, or the business relationship between the parties. The parties further agree that, in the event of such litigation, they will not contest or challenge the jurisdiction or venue of these courts. Developer acknowledges and agrees that this Agreement has been entered into in the State of Wisconsin and that Developer is to receive valuable and continuing services emanating from Franchisor's headquarters. Without limiting the generality of the foregoing, the parties waive all questions of jurisdiction or venue for the purposes of carrying out this provision. Developer acknowledges and agrees that this location for venue is reasonable and the most beneficial to the needs of and best meets the interest of all of the members of the System.

9.1.3 Except for claims arising from your non-payment or underpayment of amounts you owe to us, or claims related to your unauthorized use of the Marks, any and all claims arising out of or related to this Agreement or the relationship of the parties will be barred unless a judicial or arbitration proceeding, as required under this Agreement, is commenced within one (1) year from the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims, and that any action not so brought shall be barred, whether as a claim,

counterclaim, defense or setoff. You hereby acknowledge and agree that you may not maintain any action against us or any of our principals, officers, directors, agents, employees, parents, subsidiaries, affiliates, successors or assigns (each a “Franchisor Related Party”) unless (a) you deliver written notice of any claim to the other party within one hundred eighty (180) days after the event complained of becomes known to you, (b) you strictly adhere to the negotiation and mediation procedures set forth in this Agreement, and (c) you file an arbitration within one (1) year after the notice is delivered.

9.1.4 Waiver of Rights. THE PARTIES HERETO AND EACH OF THEM KNOWINGLY, VOLUNTARILY AND INTENTIONALLY AGREE AS FOLLOWS:

9.1.5 Jury Trial. The parties hereto and each of them EXPRESSLY WAIVE(S) THE RIGHT ANY MAY HAVE TO A TRIAL BY JURY IN ANY ARBITRATION, ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, INCLUDING, WITHOUT LIMITATION, FOR ANY CLAIMS RELATING DIRECTLY OR INDIRECTLY TO THIS AGREEMENT, THE NEGOTIATION OF THIS AGREEMENT, THE EVENTS LEADING UP TO THE SIGNING OF THIS AGREEMENT, OR THE BUSINESS RELATIONSHIP RELATING TO THIS AGREEMENT OR THE FRANCHISE, WHETHER BROUGHT IN STATE OR FEDERAL COURT, WHETHER BASED IN CONTRACT THEORY, NEGLIGENCE OR TORT, AND REGARDLESS OF WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING. This waiver is effective even if a court of competent jurisdiction decides that the arbitration provision in this Agreement is unenforceable. Each party acknowledges that it has had full opportunity to consult with counsel concerning this waiver, and that this waiver is informed, voluntary, intentional, and not the result of unequal bargaining power.

9.1.6 Damage Waiver. The parties hereto and each of them EXPRESSLY WAIVE(S) ANY CLAIM FOR PUNITIVE, MULTIPLE AND/OR EXEMPLARY DAMAGES; *except that* this waiver and limitation shall not apply with respect to (a) your obligation to indemnify us pursuant to any provision of this Agreement, or (b) any claims we bring against you and/or your guarantors and/or your owners for unauthorized use of the Marks, unauthorized use or disclosure of any Confidential Information, unfair competition, breach of your confidentiality or non-competition covenants under this Agreement, and/or any cause of action under the Lanham Act, and we shall be entitled to receive an award of multiple damages, attorneys’ fees and all damages as provided by law.

9.1.7 The parties hereto and each of them EXPRESSLY AGREE(S) THAT IN THE EVENT OF ANY FINAL DETERMINATION, ADJUDICATION OR APPLICABLE ENACTMENT OF LAW THAT PUNITIVE, MULTIPLE AND/OR EXEMPLARY DAMAGES MAY NOT BE WAIVED, ANY RECOVERY BY ANY PARTY IN ANY ARBITRATION OR OTHER FORUM SHALL NEVER EXCEED TWO (2) TIMES ACTUAL DAMAGES, except that we may recover more than two (2) times its actual damages if you commit acts of willful trademark infringement or otherwise violate the Lanham Act, as provided by law.

9.1.8 No Class or Collective Actions. You agree that any arbitration, or, if applicable, litigation, between you (or any of your owners or guarantors), on the one hand, and us

or any Franchisor Related Party, on the other hand, will be on such party's individual claim and that the claim or claims subject to arbitration and/or litigation shall not be arbitrated or litigated on a class-wide, associational or collective basis.

9.2 Enforcement

9.2.1 Either party may seek to obtain in any court of competent jurisdiction specific performance and injunctive relief to restrain a violation by the other party of any term or covenant of this Agreement. No right or remedy conferred upon us is exclusive of any other right or remedy in this Agreement or provided by law or equity. Each will be cumulative of every other right or remedy.

9.2.2 We shall be entitled to recover from you all of our costs and expenses, including attorneys' fees, accounting fees, expert witness fees, and any other reasonably incurred fees, if we are the prevailing party in any action, including arbitration, litigation, any motion to compel arbitration, and/or any action on appeal, with you and/or any of your owners or Guarantors, including, without limitation, any action: (a) to enforce the terms of this Agreement; (b) for violation of this Agreement; or (c) for violation of the Lanham Act or other state or federal statutes. Without limiting the generality of the foregoing, if we incur costs and expenses due to your failure to pay when due amounts owed to us our affiliates, to submit when due any reports, information, or supporting records, or otherwise comply with this Agreement, you agree, whether or not we initiate a formal arbitration or legal proceeding, to reimburse us for all of the costs and expenses that we incur including, without limitation, reasonable accounting, attorneys' and related fees and costs.

9.3 Relationship of You to Us

The parties intend by this Agreement to establish the relationship of franchisor and developer and/or independent contractors. You have no authority to create or assume in our name or on our behalf, any obligation, express or implied, or to act or purport to act as agent or representative on behalf of us for any purpose whatsoever. Neither party is the employer, employee, agent, partner or co-venturer of or with the other, each being independent. You agree that you will not hold yourself out as our agent, employee, partner or co-venturer. All employees hired by or working for you will be your employees and will not, for any purpose, be deemed our employees or subject to our control. You must provide written notification to each of your employees that each such employee is employed by you, and not us. You shall file your own tax, regulatory and payroll reports with respect to your employees and operations.

9.4 Your Indemnification

9.4.1 You agree to protect, defend and indemnify us, and all of our past, present and future shareholders, direct and indirect parent companies, subsidiaries, affiliates, officers, directors, employees, attorneys and designees (the "Indemnified Parties") and hold each of the Indemnified Parties harmless from and against any and all damages, costs and expenses, including attorneys' fees, court costs, losses, liabilities, damages, claims and demands of every kind or nature on account of any actual or alleged loss, injury or damage to any person, firm or corporation or to any property arising out of or related to your rights or obligations under this Agreement.

9.4.2 You represent and warrant that you have full and legal capacity to enter into this Agreement and into the Franchise Agreements and that they will not violate any provision or restriction in any contractual relationship you or your owners have with any third party.

9.5 Waiver and Delay

9.5.1 The following will not constitute a waiver of the provisions of this Agreement with respect to any subsequent breach or a waiver by us of our right at any time to require exact and strict compliance with the provisions of this Agreement or of the franchise agreements:

(a) Waiver by us of any breach or series of breaches or defaults in your performance,

(b) Our failure, refusal or neglect to exercise any right, power or option given to us under this Agreement or under any franchise agreement between us and you, or

(c) Our failure, refusal or neglect to insist upon strict compliance with or performance of your obligations under this Agreement or any other franchise agreement between you and us.

This applies to this Agreement and to any franchise agreement between the parties whether entered into before, after or contemporaneously with the execution of this Agreement and whether or not related to the Businesses.

9.6 Survival of Covenants

The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement, will be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

9.7 Successors and Assigns

This Agreement will be binding upon and inure to the benefit of our successors and assigns and will be binding upon and inure to your benefit and your heirs, executors, administrators, successors and assigns, subject to the prohibitions against assignment contained above.

9.8 Joint and Several Liability

If you consist of more than one person or entity, or a combination thereof, the obligations and liabilities of each such person or entity to us are joint and several.

9.9 Agreements with Other Developers. You acknowledge that other KITCHEN SOLVERS® franchisees and/or developers have or may be granted franchises or development rights at different times and in different situations, and further acknowledge that the provisions of such agreements may vary substantially from those contained in this Agreement.

9.10 Entire Agreement

Except for the Franchise Agreements that may be executed between the parties, this Agreement expresses the sole and complete understanding between the parties concerning the subject matter hereof. This Agreement, including the Exhibits attached hereto, is the entire agreement between the parties with respect to the subject matter hereof. No other prior agreements concerning the subject matter hereof, written or oral, will be deemed to exist or to bind the parties, and all prior agreements, understandings and representations, are merged into this Agreement and superseded by it. Nothing in this Agreement is intended to disclaim the representations we made in the FDD provided to you prior to your execution of this Agreement. You represent that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of this Agreement that are not contained in this Agreement. No officer, employee, or agent of ours has any authority to make any representation or promise not contained in this Agreement or in the FDD. You agree that you have executed this Agreement without reliance upon any such representation or promise. This Agreement cannot be modified or changed except by written instrument signed by all of the parties. **Time is of the essence for this Agreement.**

9.11 Titles for Convenience

Section and paragraph titles used in this Agreement are for convenience only and will not affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement.

9.12 Gender

All terms used in any number or gender will extend to mean and include any other number and gender as the facts, context, or sense of this Agreement or any section or paragraph may require.

9.13 Severability

Nothing contained in this Agreement will require the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement and any present or future statute, law, ordinance or regulation contrary to which the parties have no legal right to contract, the latter will prevail. In such event the provisions of this Agreement thus affected will be curtailed and limited only to the extent necessary to bring it within the requirements of the law. If any part, section, paragraph, sentence or clause of this Agreement is held to be indefinite, invalid or otherwise unenforceable, the indefinite, invalid or unenforceable provision will be deemed deleted, and the remaining part of this Agreement will continue in full force and effect.

9.14 Counterparts

This Agreement may be executed in any number of counterparts; each of which will be deemed an original and all of which together will be deemed the same instrument.

EXHIBIT B TO AREA DEVELOPMENT AGREEMENT
PERSONAL GUARANTEE TO AREA DEVELOPMENT AGREEMENT

This Guaranty and Assumption of Obligations is given this ___ day of _____, 20___, by _____ (whether one or multiple persons or entities, the “Guarantor”).

1. In consideration of, and as an inducement to, the execution of the Area Development Agreement (the “ADA” or the “Area Development Agreement”) by KS La Crosse Investments, LLC (“Franchisor”), and _____ (“Developer”), Guarantor hereby personally and unconditionally: (i) guarantees to Franchisor, and its successor and assigns, for the term of the ADA and as provided in the ADA, that Developer will punctually pay and perform each and every undertaking, agreement and covenant set forth in the ADA; and (ii) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the ADA, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities. Guarantor waives the right to assert as a defense to Franchisor’s claims under this Guaranty that Franchisor had the right to procure any insurance on Developer’s account.

2. Guarantor waives: (i) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (ii) notice of demand for payment of any indebtedness or nonperformance of any obligations guaranteed; (iii) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations guaranteed; (iv) any right Guarantor may have to require that an action be brought against Developer or any other person as a condition of liability.

3. Guarantor consents and agrees that: (i) Guarantor’s direct and immediate liability under this Guaranty is joint and several; (ii) Guarantor will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (iii) liability is not contingent or conditioned upon pursuit by Franchisor of any remedies against Developer or any other person; and (iv) liability is not diminished, relieved or otherwise affected by any extension of time, credit or other indulgence that Franchisor may grant to Developer or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which is continuing and irrevocable during the term of the ADA.

4. Guarantor represents and warrants that, by signing the Guaranty: (i) any financial statements and other financial information that Guarantor has submitted to Franchisor are limited to the separate property of Guarantor and any marital property (community property) against which Franchisor is entitled to enforce its rights under this Guaranty and do not include any separate property of Guarantor’s spouse against which Franchisor may not enforce this Guaranty; and (ii) if no signature appears below for Guarantor’s spouse, Guarantor is either not married or, if married, is a resident of a state that does not require the consent of both spouses to encumber the assets of a marital estate (i.e., community property).

5. Guarantor hereby consents and agrees that:

(a) Guarantor's liability under this undertaking is direct, immediate, and independent of the liability of, and is joint and several with, Developer and the other parties who may be held liable for Developer's performance of the ADA;

(b) Guarantor will render any payment or performance required under the ADA upon demand if Developer fails or refuses punctually to do so;

(c) Franchisor is entitled to proceed against Guarantor and Developer jointly and severally, or Franchisor may, at its option, proceed against Guarantor, without having commenced any action or having obtained any judgment against Developer; and

(d) Guarantor agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this undertaking (including any amounts expended in pursuing payment from Developer) or any negotiations relative to the obligations hereby guaranteed or in enforcing this undertaking against Guarantor.

INDEPENDENT AUDITOR'S REPORT

La Crosse, Wisconsin

Opinion

We have audited the accompanying financial statements of KS La Crosse Investment, LLC, ("the Company"), which comprise the balance sheets as of December 31, 2025, 2024 and 2023, and the related statements of income and members' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KS La Crosse Investment, LLC as of December 31, 2025, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of general and administrative expenses and cost of sales are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 Summary of Significant Accounting Policies

Principal Business Activity

KS La Crosse Investment, LLC (the "Company") is a franchisor of retail outlets in cabinetry. The majority of the Company's revenue results from initial sales and continuing franchise fees and rebills.

During 2023, the Company began manufacturing and selling cabinets to its franchisees. The Company's raw materials are readily available, and the Company is not dependent on a single or few suppliers.

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities in accordance with accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all deposits in financial institutions with a maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management evaluates receivables for collectibility on an ongoing basis, considering historical collection experience, the financial condition of customers, including related parties, and current economic conditions.

As of December 31, 2025, accounts receivable include amounts due from a related party, which are separately presented on the accompanying balance sheets (see Note 10). The related party receivable is expected to be collected in the ordinary course of business. Based on management's evaluation of all outstanding balances, no allowance for doubtful accounts has been recorded as of December 31, 2025, 2024, and 2023.

Revenue and Revenue Recognition

The Company recognizes revenue from franchisees for continuing services as they are provided. The performance obligation consists of providing continuous access to the CRM advertising, email, and reporting system, as well as providing continuous access to all licenses and products of the Company and is recognized monthly. The fees consist of a monthly technology fee of \$264, and monthly business development and royalty fees, which are variable and based on sales of the franchisees. A nonrefundable initial franchise fee is required of each new franchisee and is recognized over the life of the franchisee agreement, which is generally 10 years.

Product sales are recognized when the product is shipped, and all obligations of the Company have been satisfied.

Note 1 Summary of Significant Accounting Policies (Continued)

Property, Equipment, and Depreciation

Property, plant and equipment is stated at cost. Expenditures for repairs and maintenance are charged to income as incurred. Additions and betterments with a unit acquisition cost of \$5,000 or more will be capitalized. The cost and related accumulated depreciation on property, plant and equipment sold or otherwise disposed of are removed from the accounts and any gain or loss is reported as current year's revenue or expense.

Depreciation is computed on the straight-line method for financial reporting purposes, based on their estimated useful lives from 5 to 40 years. Depreciation expense for 2025, 2024, and 2023 was \$16,360, \$10,880, and \$6,556, respectively.

Long-Lived Assets

GAAP requires that long-lived assets be reviewed for impairment when events or circumstances indicate the carrying value of an asset may not be recoverable. Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on fair value of the asset. Long-lived assets to be disposed of are reported at the lower of carrying amount or fair value, less estimated cost to sell. As of December 31, 2025, there have been no such losses incurred by the Company.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of identifiable net assets acquired in a business combination. Goodwill is not amortized but is evaluated for impairment at least annually, or more frequently if events or changes in circumstances indicate that the carrying value may not be recoverable.

Goodwill arose from the acquisition of the Company's assets in 2010. The Company performs its annual impairment test as of December 31. As of December 31, 2025, management determined that the fair value of the reporting unit exceeded its carrying amount and no impairment was recognized.

Inventories

Inventories consist primarily of raw materials and are priced at the lower of cost (first-in, first-out) or market.

Income Taxes

The Company, with the consent of its members, has elected under the Internal Revenue Code to be an S corporation. In lieu of corporation income taxes, the members of an S corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements.

The federal and state income tax returns remain open to examination by taxing authorities through their statutory periods. The Company has evaluated its tax positions and determined there are no uncertain tax positions requiring recognition.

Leases

The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Note 1 Summary of Significant Accounting Policies (Continued)

Leases (Continued)

Operating leases are included in operating lease right-of-use ("ROU") assets, other current liabilities, and operating lease liabilities in our balance sheets. Finance leases are included in property and equipment, other current liabilities, and other long-term liabilities in our balance sheets.

ROU assets represent the Company's right to use an underlying asset for the lease term, and lease liabilities represent the Company's obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Company uses the implicit rate when it is readily determinable. Operating lease ROU assets also includes any lease payments made and excludes any lease incentives. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Company's lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise the option.

The Company has elected the short-term lease recognition exemption for all applicable classes of underlying assets. Leases with an initial term of 12 months or less, that do not include an option to purchase the underlying asset that we are reasonably certain to exercise, are not recorded on the balance sheet.

Advertising Costs

The Company uses advertising to promote its activities as a franchiser of retail outlets in cabinetry. In addition, advertising is used in retail lead generation programs for franchisees participating in the Company's national advertising programs. Accordingly, advertising costs are expensed as incurred. Advertising costs charged to expense for the years ended December 31, 2025, 2024, and 2023, were \$57,640, \$39,480, and \$37,809, respectively.

Estimates

The preparation of the accompanying financial statements in conformity with generally accepted accounting principles requires the use of certain estimates and assumptions that affect the results of reported assets and liabilities and disclosure of contingent assets, liabilities, revenue, and expenses. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through February 26, 2026, which is the date the financial statements were available to be issued.

Compensated Absences

Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. The Company's policy is to recognize these costs when actually paid.

Concentration of Revenue and Credit Risk

For the year ended December 31, 2025, one franchisee accounted for approximately 11% of total revenue. No individual franchisee accounted for more than 10% of total revenue for the years ended December 31, 2024 or 2023.

At December 31, 2025, accounts receivable from this franchisee totaled approximately \$5,494. Management monitors credit quality and believes the balance is fully collectible.

Note 1 Summary of Significant Accounting Policies (Continued)

Concentration of Revenue and Credit Risk (Continued)

The Company maintains cash accounts at one financial institution. The Federal Deposit Insurance Corporation (FDIC) insures substantially all depository accounts up to \$250,000 per financial institution. At various times during the year, the Company's cash deposits may exceed the federally insured limits. As of and for the years ended December 31, 2025, 2024, and 2023, the Company's uninsured cash balances were approximately \$345,500, \$158,000, and \$0, respectively. The Company has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on its cash and cash equivalents.

Note 2 Leases

The Company previously leased office and manufacturing space under a noncancelable operating lease agreement. The lease expired during the year ended December 31, 2025 and was not renewed. The Company's facility arrangement with a related party (Note 10) is month-to-month and qualifies for the short-term lease exemption under ASC 842; accordingly, no right-of-use asset or lease liability is recorded as of December 31, 2025. Rent expense related to facility arrangements is included in rent expense in the accompanying statements of income.

Note 3 Revenue from Contracts with Customers

The Company's contracts with customers consist of the franchise agreements that are signed with each new franchisee. The components of those contracts and the Company's performance obligations are summarized below:

Initial Franchise Fee – A nonrefundable initial franchise fee is required of each new franchisee. The Company has determined that there is no separately identifiable performance obligation related to this fee that is separate from the franchise license itself, and therefore recognizes the revenue over the life of the agreement, which is generally 10 years.

Supplies Package – Each new franchisee is required to purchase a supplies package from the Company. The performance obligation for the Company is to provide the items specified in the contract as the supplies package. The revenue from the fee for the supplies package is recognized when the supplies package has been provided to the franchisee.

Technology Fee – The Company provides continuous access to their CRM advertising, email, and reporting systems for each franchise. The fee for this access is \$269 per month. The performance obligation is satisfied continuously as these services are provided. The revenue is recognized monthly as the fees are paid.

Brand Fund Fee and Royalty Fee – Each franchise is required to pay two monthly fees to the Company. The brand fund fee is 1% of a franchisee's gross monthly sales. The royalty fee is a percentage of gross sales that ranges from 2.5% to 6.0% depending on the amount of gross sales. The Company's performance obligation is providing the franchisees with continuous access to the Company's licenses, products, and materials. Accordingly, the revenue for these fees is recognized monthly.

Note 4 Contract Assets and Liabilities

The Company amortizes the initial franchise fees as a contract liability over the life of the contract, which is 10 years. The Company pays sales commissions and brokerage fees to outside sales representatives and lead companies, which are considered incremental and only paid if the contract is obtained, therefore these costs are recognized as contract assets over the life of the contract, which is 10 years. The contract assets and liabilities are included on the accompanying balance sheets as follows:

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement and area development agreement both contain provisions shortening the statute of limitations to bring claims and requiring you to waive your right to punitive or exemplary damages against the franchisor, limiting your recovery to actual damages for any claims related to your franchise. Under California Corporations Code section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.

The Franchisor will not require you to execute the Franchise Acknowledgement/Compliance Certification that is attached to the Franchise Agreement. If you do execute the Franchisee Acknowledgement/Compliance Questionnaire, we will disregard it and not rely on it.

Nothing in the Franchise Agreement prevents the franchisee from bringing a lawsuit in California for claims arising under the California Corporations Code section 31201 and 31521.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. STATE OF MINNESOTA

This Addendum pertains to franchises sold in the State of Minnesota and is for the purpose of complying with Minnesota statutes and regulations. Notwithstanding anything which may be contained in the body of the Franchise Agreement to the contrary, the Agreement is amended as follows:

1. We will undertake the defense of any claim of infringement by third parties involving the KITCHEN SOLVERS mark, and you will cooperate with the defense in any reasonable manner prescribed by us with any direct cost of such cooperation to be borne by us.
2. Minnesota law provides franchisees with certain termination and nonrenewal rights. As of the date of this Franchise Agreement, Minn. Stat. Sec. 80C.14, Subd. 3, 4 and 5 require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the franchise agreement.
3. Minn. Stat. § 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the disclosure document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Therefore, the fourth and fifth sentences of Subparagraph 16.I are hereby deleted in their entirety.
4. Subparagraph 16.K is hereby deleted in its entirety.
5. The second sentence of Subparagraph 13.B of the Agreement is deleted in its entirety and will have no further force and effect and the following is substituted in lieu thereof:

Therefore, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement the other party will forthwith be entitled to seek an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrators.

6. No Section providing for a general release as a condition of renewal or transfer will act as a release or waiver of any liability incurred under the Minnesota Franchise Act; provided that this part shall not ban the voluntary settlement of disputes.
7. Franchisor shall be entitled to the entry of temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement relating to: (1) Franchisee's use of the Trademarks; (2) the construction and equipping of the Franchised Business; (3) the obligations of Franchisee upon termination or expiration of this Agreement; (4) a Transfer of this Agreement, any ownership interest therein or in the lease for the Franchised Business; and (5) as necessary to prohibit any act or omission by Franchisee or its employees that would constitute a violation of any applicable law, ordinance, or regulation, or which is dishonest or misleading to Franchisor and/or Franchisor's other licensees.

8. The following provision in Section 16.B of the Franchise Agreement is hereby deleted: “You acknowledge that you are entering into this Agreement as a result of your own independent investigation of the KITCHEN SOLVERS franchise program and not as a result of any representation about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors or franchisees that is contrary to the terms identified in this Agreement or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.”.

9. Except as amended herein, the Franchise Agreement will be construed and enforced in accordance with its terms.

10. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, DEVELOPMENT AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions in this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchise, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal of transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in a franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary and Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgment.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgements.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by the franchisor franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any of term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor

and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this Addendum.
