What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and multi-unit development agreement require you to resolve disputes with us by arbitration or litigation in California. Out of state arbitration and litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate and litigate with us in California than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Supplier Control.** You must purchase all or nearly all of the inventory & supplies necessary to operate your business from Franchisor, its affiliate, or from suppliers that Franchisor designates at prices that the Franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.
5. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
6. **Unopened Franchises.** The franchisor has a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you may also experience delays in opening your own outlet.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the

franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

As of December 31, 2025, there were 2 area representatives in the everbowl system. Except as disclosed above, we have never conducted any other business or offered franchises in any other line of business. While our affiliates have owned and operated everbowl Stores since 2016, we have never owned or operated everbowl Stores.

Our Chief Financial Officer, Matthew Lisowski, is our agent for service of process in California. Our other agents for service of process in states where we are seeking to register this disclosure document are listed in Exhibit A.

Description of Franchise

Under this disclosure document, we offer franchises for the right to develop, own and operate retail establishments that offer and sell superfood-based bowls, smoothies, and other related retail products and services that we periodically designate (each, an “everbowl Store”). everbowl Stores operate using our System Standards (as defined in Item 8) and are identified by the “everbowl®” trademark as well as other trademarks, trade names, symbols and/or logos that we designate, both now and in the future (the “Marks”). The everbowl Store you would operate is referred to in this Disclosure Document as the “Store.” To acquire the franchise to develop and operate the Store, you would be required to sign a written franchise agreement, the current form of which is attached as Exhibit B to this Disclosure Document (the “Franchise Agreement”). The Franchise Agreement will allow you to establish and operate the Store at a specifically identified location.

If you request, and we determine you are qualified, we will offer to you the right to enter into a multi-unit development agreement in the form attached as Exhibit C to this Disclosure Document (the “Multi-Unit Development Agreement”). Under the Multi-Unit Development Agreement, you will commit to acquiring franchises for 3 to 5 everbowl Stores within a specifically described geographic territory (“Development Area”). Prior to signing the Multi-Unit Development Agreement, you and we will agree on, and the Multi-Unit Development Agreement will reflect, a description of the Development Area and the development schedule by which you must open the required number of everbowl Stores to fulfill your development obligation (the “Development Schedule”). You will acquire each franchise by signing a Franchise Agreement. You will be required to sign the 1st Franchise Agreement (in the form attached hereto as Exhibit B) when you sign the Multi-Unit Development Agreement. You will sign each subsequent Franchise Agreement as we approve your proposed sites for everbowl Stores. The form of Franchise Agreement you will sign at that time will be our then-current form, and it may contain terms and conditions that are materially different than those in the form attached as Exhibit B to this Disclosure Document, except that your initial franchise fee under each Franchise Agreement will remain unchanged.

Market and Competition

The health food and smoothie markets are developed and competitive. You will be in competition generally with any restaurant, food service, supermarket, retail business, delivery service and other businesses, including those that are owned, operated or franchised by our affiliates, that offer health food items and smoothies, and, particularly with those that offer superfood bowls and smoothies with various healthy toppings (including those products that are similar to the health food, smoothies and yogurt based products that are offered by everbowl Stores), or whose menu, concept, business model or method of operation is similar to that employed by an everbowl Store. While the products sold by everbowl Stores are generally healthy products, they are of interest to all consumers and are not targeted to a specific type of consumer. everbowl Stores are generally no more seasonal than any other business that sells freshly prepared food products to consumers.

Industry Regulations

A wide variety of federal, state, and local laws, rules and regulations have been enacted that may impact the operation of the Store. Federal, state, and local agencies have enacted laws and regulations concerning the preparation, handling, storage, and disposal of food; extended producer liability and other obligations concerning food service ware and/or food packaging materials; display of nutrition facts; availability of and requirements for public accommodations and requirements for fire safety and general

emergency preparedness; advertising; employee benefits, health, and safety; sanitary conditions of restaurant facilities and matters affecting the health, safety and welfare of your customers; emissions resulting from commercial food preparation; and other aspects related to the operation of the Store. State and local agencies routinely conduct inspections for compliance with these requirements. There may be other laws applicable to your business.

ITEM 3

LITIGATION

Everbowl Franchise, LLC v. Sorensen Ventures, Inc., Wealthweapon, Inc., CCSA, Inc., CHSA, Inc., Scott Sorensen, Alana Sorensen, Colin Higginbottom, and Melissa Higginbottom (American Arbitration Association, AAA Case No. 01-25-0005-3264; AAA Case No. 01-25-0005-3265; and AAA Case No. 01-25-0005-3266) (the "Arbitrations").

Sorensen Ventures, Inc., Wealthweapon, Inc., and CCSA, Inc. v. Everbowl Franchise, LLC, Jeff Fenster, and Does 1 through 20 (Superior Court of the State of California, County of San Diego, Case No. 25-CU-057976C) (the "Lawsuit").

On October 24, 2025, we initiated the Arbitrations by filing three arbitration demands against the above-named defendants. Each defendant in the Arbitrations that is an entity, except CHSA, Inc., is our former franchisee, and each defendant in the Arbitrations that is a natural person is an owner of the franchisee(s). We sought damages on the grounds of breach of the Franchise Agreements and CHSA, Inc.'s unauthorized attempt to acquire and operate Sorensen Ventures' franchised business.

On October 26, 2025, the plaintiffs in the Lawsuit filed a complaint against us and Jeff Fenster alleging violation of the California Franchise Relations Act, Cal. Bus. & Prof. Code § 20000 et seq., breach of the implied covenant of good faith and fair dealing, intentional interference with contractual relations, intentional interference with prospective economic advantage, conversion, trespass to land and chattels,

violation of the California Unfair Competition Law, California Business and Professions Code § 17200, civil conspiracy, breach of contract, and declaratory and injunctive relief in connection with the termination of plaintiffs' Franchise Agreements and our exercise of step-in rights to certain of the formerly franchised stores, and sought damages. The Lawsuit plaintiffs filed *an ex parte* application for a temporary restraining order against the Company, which the Court denied. To date, plaintiffs have not served us or Jeff Fenster with the Lawsuit.

In January 2026, after several rejected attempts, the defendants filed counterclaims against us in the Arbitrations, mirroring the allegations, claims, and requested relief in the unserved Lawsuit. No scheduling orders have been set in the Arbitrations and all claims remain pending.

No other litigation is required to be disclosed in this Item.

ITEM 4 **BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 **INITIAL FEES**

Initial Franchise Fee: You must pay us an initial franchise fee of \$39,950 upon executing the Franchise Agreement. The initial franchise fee is payable in a lump sum, fully earned upon your execution of the Franchise Agreement, uniformly imposed, and is not refundable under any circumstances. However, in 2025, we discounted the initial franchise fee to \$30,000 for some franchisees who signed a Multi-Unit Development Agreement and/or acquired certain everbowl Stores that were previously owned by our affiliates.

We currently discount the initial franchise fee payable for purchase of a single everbowl unit franchise by qualifying veterans who have been honorably discharged from any branch of the United States military before applying to become a franchisee. The veteran's discount is 15% off the initial franchise fee (\$5,992.50) and is only available for the first Franchise Agreement executed by an eligible veteran or its affiliate; however, Franchise Agreements executed under a Multi- Unit Development Agreement are not eligible for the veteran's discount. If the franchisee is not a natural person, the veteran participant must maintain at least a 51% ownership interest in the entity to qualify for this discount.

Site Selection: You must pay us the following fees and expenses in connection with the site selection of the Store:

- Site Selection Fee: You must pay us a site selection fee of \$2,500 upon executing the Franchise Agreement. This amount is payable in a lump sum, as invoiced, and is not refundable.
- Real Estate Vendor Fee: You must pay us a real estate vendor fee of \$2,500 upon executing the Franchise Agreement. This amount is payable in a lump sum, as invoiced, and is not refundable.
- Site Survey Expense: We may, at our option, conduct a survey of the site you propose for the Store, and, if we do, you must pay us a site survey fee of \$2,500 and reimburse our expenses in conducting the survey, which we estimate will be up to \$2,500. This amount is payable in a lump sum, as invoiced, and is not refundable.

Pre-Opening Purchases and Supplies: You must purchase the following items from our affiliates. Each amount is payable in lump sum on invoice, uniformly imposed, and is non-refundable.

- Store Build Kit and Installation: You must purchase the store build kit from WeBuild Stuff, which costs between \$75,000 and \$95,000. The store build kit includes certain interior signage, wallpaper, certain millwork, and related items. Depending on the size and layout of the Store. In 2025, WeBuild Stuff charged \$41,000 for store build kit and installation services to a franchisee operating its everbowl Store at a non-traditional location with a smaller store size.
- Furniture, Fixture, and Equipment: You must purchase the furniture, fixture, and equipment package from WeBuild Stuff, which costs between \$10,000 and \$45,000 depending on the number and specifications of the products you choose to purchase. The furniture, fixture, and equipment package includes tables, chairs, dipping cabinets, topping stations, grab-and-go merchandisers, freezers, racks, preparation tables, lockers, refrigerators, and TVs.
- Operation Kit: You must purchase the operation kit from WeBuild Stuff, which costs between \$5,000 and \$7,000. The operation kit includes knives, chopping boards, shelf tags, drying racks, trash cans, and certain other kitchen tools.
- Branded Merchandise & Employee Uniforms: You must purchase branded merchandise and employee uniforms from Unevolve Products, which cost between \$1,250 and \$4,000.

Technology Fee: You must pay us a technology fee of \$250 per month throughout the term of the Franchise Agreement. This fee is payable in lump sum, uniformly imposed, and nonrefundable.

Grand Opening Advertising Campaign: We require you to pay us in lump sum a non-refundable amount of \$5,000 out of your minimum grand opening advertising spend of \$12,500 to conduct the digital advertising campaign for the Store. You must spend the remainder of the minimum grand opening advertising amount within 90 days of the opening of the Store in the manner approved by us. This amount is uniformly imposed.

On-Site Opening Assistance Fee: We will send 1 of our personnel to the Store to provide on-site pre-opening and opening assistance for up to 2 weeks, and you must pay us the on-site opening assistance fee of \$13,000 for providing such assistance to you. You must also reimburse us for the travel, lodging, and other incidental expenses incurred by our personnel, which may range from \$2,000 to \$5,000. These amounts are payable in lump sum, as invoiced, uniformly imposed, and are nonrefundable.

Development Fee:

If we award you the right to acquire multiple franchises for everbowl Stores within a given Development Area, you will commit to develop and open between 3 and 5 everbowl Stores. You will pay a one-time, non-refundable development fee in a lump sum upon execution of the Multi-Unit Development Agreement, and you must sign your first Franchise Agreement simultaneously with that Agreement. The development fee will be \$99,875 if the Development Schedule requires you to develop 3 everbowl Stores, \$119,850 if it requires you to develop 4 everbowl Stores, and \$139,825 if it requires you to develop 5 everbowl Stores.

ITEM 6
OTHER FEES

Fees ¹	Amount	Due Date	Remarks
Royalty Fee	6% of Gross Sales.	Weekly, on the date we specify (currently, Monday)	Royalty Fees are calculated based on Gross Sales for the previous week and are paid electronically. See Note 2 below for the definition of “Gross Sales.”
Non-Compliance Charge	Increase of either 1 or 4 percentage points to your Royalty Fee rate	As incurred	Payable only if you fail to comply with your obligations under the Franchise Agreement as follows: 1. If you fail to process any sales through the authorized point-of-sale system of the Store or otherwise under-report the Store’s Gross Sales to us, and if the aggregate under-reported amount in any 12-month period exceeds \$10,000, we may, upon notice to you, increase your Royalty Fee to up to 10% of Gross Sales for the remainder of the term of the Franchise Agreement. 2. If you fail to comply with any other of your obligations under the Franchise Agreement, your Royalty Fee will be increased to 7% of Gross Sales until we have determined that you have cured your deficiencies. However, if you default under the Franchise Agreement more than 2 times during any 6-month period, we may upon notice to you, permanently increase your Royalty Fee to 7% of Gross Sales for the remainder of the term of the Franchise Agreement. These increases to your Royalty Fee are intended to compensate us for administrative and management costs that we will incur as a result of your non-compliance and are not a penalty. Assessment of these increases is in addition to any other rights we have under the Franchise Agreement as a result of the non-compliance, and payment of the increases in Royalty Fee does not cure the non-compliance that triggered its payment.
Marketing Fee	Currently, 2% of Gross Sales, but may increase subject to the Marketing Cap.	Weekly, payable in the same manner as the Royalty Fee	We may increase this amount by providing 30 days written notice to you; however, we will not require the Marketing Fee and the minimum required local advertising expense to exceed 5% of Gross Sales (“Marketing Cap”). Your grand opening expenses for the Store will not count towards the Marketing Cap.

Fees ¹	Amount	Due Date	Remarks
Collection of Local Advertising Expense Upon Default	Currently, 1% of Gross Sales, but may increase subject to the Marketing Cap, plus an administrative fee of \$500 per month	Monthly	If you fail to comply with your local advertising obligations, then, in addition to our other remedies under the Franchise Agreement, we may require you to pay to us or our designee the required spending amount, plus a monthly administration fee of \$500, until we are satisfied that you will spend it yourself as required.
Technology Fee	Currently, \$250 per month	Monthly, as invoiced	We may periodically change the amount of the technology fee payable to us. If we exercise this right due to your failure to pay outstanding amounts to our affiliate or vendor then we will pay the debited amount to our affiliate and/or the vendor (as applicable) on your behalf.

Notes:

1. Unless noted differently, all the fees in this Item 6 are payable to us or our affiliates and non-refundable. We have negotiated some of the fees disclosed in Item 6 with certain franchisees on a case by case basis.

2. “Gross Sales” means the total selling price of all services and products and all income of every other kind and nature related to the Store, whether received in cash or credit (regardless of collection in the case of credit), and regardless of whether generated in compliance with the Franchise Agreement. Gross Sales includes revenue from all catering, off-site, and delivery orders, including third-party delivery. Gross Sales also includes all insurance proceeds you receive for loss of business and loss of revenue, due to a casualty to or similar event at the Store. If a cash shortage occurs, the amount of

Gross Sales will be determined based on the records of the electronic cash register system and any cash shortage will not be considered in the determination. Gross Sales expressly excludes the following:

- (a) receipts from products sold from pre-approved vending machines located at the Store, except for any amount representing your share of the revenues;
- (b) sales taxes collected directly from customers and actually paid to the appropriate taxing authority; and
- (c) proceeds from isolated sales of trade fixtures neither constituting any part of your products and services offered for resale at the Store, nor having any material effect on the ongoing operation of the Store required under the Franchise Agreement.

If any state imposes a sales or other tax on the Royalty Fees, then we have the right to collect this tax from you.

We have the right to poll your point-of-sale system directly to obtain Gross Sales and other information regarding the operation of the Store. You will report your Gross Sales to us on the date and in such format as we may require. If we are unable to independently verify or you fail to timely report the Store's Gross Sales, we may debit your account for 120% of the last Royalty Fee and Marketing Fee that we debited. If the Royalty Fee and Marketing Fee we debit are less than the Royalty Fee and Marketing Fee that you actually owe us, once we are able to determine the Store's true and correct Gross Sales, we will debit your account for the balance on a day we specify. If the Royalty Fee and Marketing Fee we debit are greater than the Royalty Fee and Marketing Fee you actually owe, we will credit the excess against the amount we would otherwise debit from your account during the following week.

Notes:

1. If the Franchise Agreement is signed in connection with a Multi-Unit Development Agreement, then we will credit a portion of the development fee (i.e., \$39,950) towards the initial franchise fee payable under each Franchise Agreement signed in connection with the Multi-Unit Development Agreement; as a result, you will not be required to pay any initial franchise fee under the Franchise Agreements that you may sign in connection with the Multi-Unit Development Agreement, subject in the aggregate, to a maximum amount equal to the development fee.

2. You must pay us the following fees and expenses in connection with the site selection of the Store: (i) site selection fee of \$2,500; (ii) real estate vendor fee of \$2,500; and (iii) site survey expenses of up to \$5,000, if we choose to conduct a survey of the site you propose for the Store.

3. We will provide you with our standard plans for the build-out of an everbowl Store. You must hire your own architect to adapt our plans to the specific shape and dimensions of the approved location for the Store. This range reflects the estimated amount that you will spend to engage an architect and an engineer in connection with the development of the Store and to secure the necessary construction permits from the applicable government authorities.

4. Leasehold improvement and construction costs depend on the condition, location, size and configuration of the premises, the layout of the mall or retail center, and other factors relating to the geographic location of the business, suppliers, government regulations, labor costs and other considerations. You will contract directly with the construction contractor and possibly other construction suppliers on terms negotiated by you. everbowl Stores generally occupy between 400 square feet (kiosk model) and between 700 and 1,100 square feet for a traditional everbowl Store; however, in some instances, everbowl Stores may be larger depending on the size of available sites and/or franchisee preferences. Leasehold improvements and construction costs generally include: electrical, plumbing, HVAC, certain exterior renovations, and patio construction. If you are able to locate a site that previously operated as a restaurant, your estimated cost for leasehold improvements may be significantly lower. This range includes the cost of hiring the required real estate vendor.

5. WeBuild Stuff sells and installs the Store build kits at everbowl Stores. The Store build kit includes certain interior signage, wallpaper, millwork, and related items. (See Item 5)

6. This range includes the cost of purchasing tables, chairs, dipping cabinets, topping stations, grab and go merchandisers, freezers, racks, preparation tables, lockers, refrigerators, and TVs. (See Item 5)

7. This range includes the cost of knives, chopping boards, shelf tags, drying racks, trash cans, and certain other kitchen tools that you will need to operate the Store. (See Item 5)

8. This range includes the cost of branded merchandise and employee uniforms that you must purchase. (See Item 5)

9. You must purchase the computer system (which includes the point-of-sale system and certain other required hardware and software that are designated by us periodically) from our designated third-party supplier.

10. This range includes the technology fee covering payments for 9 months during the pre-opening period (See Item 5), and the first 3 months after the Store opens.

11. Signs include exterior signs. Local code restrictions may restrict the signage available for certain everbowl Stores and affect the costs. The interior signage is included in the Store build kit, which is referenced in Note 5.

12. Our typical franchise offering assumes that you rent your premises from a third-party. The provided estimate is for the initial 3-month rent payment you will pay to such third party, assuming that the premises of the Store will be in a strip shopping center, mall or urban location. Landlords may vary the base rental rate and charge rent based on a percentage of Gross Sales. In addition to base rent, the lease may require you to pay common area maintenance charges, your pro rata share of the real estate taxes and insurance, and your pro rata share of other charges. The actual amount you pay under the lease will depend on the size of the Store, the types of changes that are allocated to tenants under the lease, your ability to negotiate with landlords and the prevailing rental rates in the region.

13. These estimates include only your out-of-pocket costs associated with attending our initial training program, including travel, lodging, meals and applicable wages for the first three trainees. You may not incur these expenses if we choose to provide training virtually via the Internet or pre-recorded videos instead of in-person training.

14. Your landlord, local utility companies and other vendors may require you to pay security deposits, all of which are accounted for in this estimate.

15. You may also wish to use an attorney or commercial real estate professional to assist you in lease negotiations and/or to form an entity that will own the franchise.

16. Our estimate includes the cost of obtaining local business permits and licenses, which typically remain in effect for one year. The cost of these permits and licenses will depend on the location of the Store. Our estimate does not include tap-in, fixture or similar fees which, depending on the municipality, can cost several thousand dollars. We strongly recommend that you verify the cost for all licenses and permits required in your jurisdiction before signing the Franchise Agreement.

17. You must purchase and maintain insurance coverage as necessary to comply with all state and local laws, with the Franchise Agreement and/or Multi-Unit Development Agreement (if applicable), and with our Operations Manual. See Item 8 for a description of our current insurance requirements.

18. You will work with our marketing team to design a grand opening advertising plan and budget. We require you to pay us in lump sum a non-refundable amount of \$5,000 out of your minimum grand opening advertising spend of \$12,500 to conduct the digital advertising campaign for the Store. You must spend the remainder of the minimum grand opening advertising amount within 90 days of the opening of the Store in the manner approved by us (See Item 5). Although we do not require our franchisees to spend more than \$12,500 on grand opening of their everbowl Stores some of our franchisees have opted to do so.

19. This range includes the cost of purchasing the Store's opening inventory of food items, paper goods, and other supplies that you need to purchase from third-party suppliers before opening the Store.

20. You must pay us the on-site opening assistance fee prior to the opening of the Store (See Item 5).

21. You will need additional funds during the start-up phase of the Store to pay employees, purchase supplies and pay other expenses. We estimate the start-up phase to be 3 months from the date you open the Store. These amounts do not include any estimates for debt service, payroll costs, or any revenues you may earn during the 3-month start-up phase.

Unless noted, all amounts reflected in this Item 7 will be non-refundable unless you are able to negotiate a refund with a particular supplier. We do not finance any portion of your initial investment. The estimated investment shown in the above table is for a single everbowl Store. We relied on our affiliates' and franchisees' experience in developing everbowl Stores when preparing the estimates shown in the charts above. The above estimate assumes that you will develop and commence the operations of the Store within the time frame described in the Franchise Agreement.

YOUR ESTIMATED INITIAL INVESTMENT – MULTI-UNIT DEVELOPMENT AGREEMENT

Type of Expenditure	Amount	Method of Payment	When Due	To Whom Payment is to be Made
Development Fee ¹	\$99,875 to \$139,825	Lump Sum	Simultaneously with the signing of the Multi-Unit Development Agreement	Us
Total	\$99,875 to \$139,825			

Notes:

1. If we award you the right to acquire multiple franchises for everbowl Stores within a given Development Area, you will commit to develop and open between 3 and 5 everbowl Stores. You will pay us a one-time, non-refundable development fee in a lump sum upon execution of the Multi-Unit Development Agreement, and you must sign your first Franchise Agreement simultaneously with that Agreement. The development fee will be structured as follows:

Development Obligation	Development Fee	Credit Against Initial Franchise Fees
3 everbowl Stores	\$99,875	\$39,950 will be applied to each of the first and second Franchise Agreements executed under the Multi-Unit Development Agreement, and \$19,975 will be applied to the third Franchise Agreement. The remaining initial franchise fee of \$19,975 for the third Franchise Agreement will be due upon execution of that agreement.
4 everbowl Stores	\$119,850	\$39,950 will be applied to each of the first and second Franchise Agreements, and \$19,975 will be applied to each of the third and fourth Franchise Agreements executed under the Multi-Unit Development Agreement. The remaining initial franchise fee of \$19,975 for each of the third and fourth Franchise Agreements will be due upon execution of those agreements; provided, you are in compliance with your obligations under the Multi-Unit Development Agreement.
5 everbowl Stores	\$139,825	\$39,950 will be applied to each of the first and second Franchise Agreements, and \$19,975 will be applied to each of the third, fourth, and fifth Franchise Agreements executed under the Multi-Unit Development Agreement. The remaining initial franchise fee of \$19,975 for each of the third, fourth, and fifth Franchise Agreements will be due upon execution of those agreements.

2. If you are in default under the Multi-Unit Development Agreement, we may, upon notice to

you, accelerate and require immediate payment of all initial franchise fees for any everbowl Store to be developed pursuant to the Development Schedule for which such fees were not fully paid to us. Upon our receipt of the initial franchise fees for the remaining everbowl Stores required to be developed pursuant to the Multi-Unit Development Agreement, we will credit a portion of the development fee against the respective initial franchise fee due under the Franchise Agreements

3. As noted above, when you sign the Multi-Unit Development Agreement, you will also sign your 1st Franchise Agreement. Although not an expense payable under the Multi-Unit Development Agreement, you will concurrently, but separately, obligate yourself under the Franchise Agreement to incur the expenses associated with developing the 1st Store. You should consult the chart above entitled Your Estimated Initial Investment – Franchise Agreement for a description of that investment.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases, System Standards

You must purchase and use, in the development and operation of the Store, and offer for sale from the Store all products, services and other items (and only those products, services and other items) that we periodically designate or approve in writing; all of which must conform to the mandatory standards and specifications in our confidential operations manual (the “Manual”) or otherwise in writing (collectively, the “System Standards”) and must be purchased from our designated suppliers (which may be limited to us or affiliates). To ensure that the highest degree of quality and service is maintained, you must operate the Store in strict conformity with the System Standards. All menu items must be prepared using the recipes and procedures specified in the Manual or other written materials. You must not deviate from the System Standards by the use or sale of non-conforming items or differing amounts of any items. We may, and expect to, modify our System Standards as we deem necessary. We will provide you notice of any changes in the System Standards, the Manual or otherwise in writing. However, we do not issue specifications or standards to any third-party suppliers.

As of the issuance date of this Disclosure Document, our affiliates are the sole supplier of (i) branded merchandise; (ii) the furniture, fixture, and equipment package (which includes tables, chairs, dipping cabinets, topping stations, grab and go merchandisers, freezers, racks, preparation tables, lockers, refrigerators, and TVs); and (iii) the operation kit (which includes knives, chopping boards, shelf tags, drying racks, trash cans, and certain other kitchen tools that you will need to operate the Store). Our affiliate is also the sole supplier and installer of store build kit which includes certain interior signage, wallpaper, millwork, and related items. We require you to purchase the following from our designated third-party vendors: computer system and certain technology services, certain food items, and packaging and cleaning supplies. We may also require you to use the services of designated third-party architectural and engineering firms to design the Store.

Alternate Suppliers

If we have not designated a supplier for any product or service that you wish to use for the development or operation of the Store, you may purchase such product or service from a supplier of your choosing that demonstrates the ability to meet our then-current System Standards and possesses adequate quality controls and capacity to supply your needs promptly and reliably. However, if we have designated a supplier for any product or service and you wish to purchase such product or service from an alternate supplier, you or such supplier must submit a written request for our approval and we may charge you a fee (currently estimated to be \$1,000 per product per request) for testing such products at laboratories of our choice. We must approve any supplier in writing before you make any purchases from an alternate supplier. We may require that our representatives be permitted to inspect the supplier's facilities and that samples from the supplier be delivered either to us or to an independent laboratory for testing. We may re-inspect any approved product and/or the facilities and products of any approved supplier and to revoke our approval if the product or supplier fails to continue to meet any of our then-current standards. Our approval procedure does not obligate us to approve any particular product or supplier. We may periodically re-inspect the facilities and products of any approved supplier and revoke our approval if the supplier does not continue to meet any of our criteria.

We will notify you in writing (which may include email and/or updates to the Manual) within 30 days after we complete the inspection and evaluation process of our approval or disapproval of any proposed supplier. We may also revoke our prior approval of any product or supplier at any time upon written notice to you. If we revoke a previously approved product or supplier, you must immediately stop purchasing that product and/or stop purchasing from that supplier.

As of the date of this Disclosure Document, our officers do not own any interest in any approved suppliers for the everbowl franchise system other than our affiliates i.e., Everbowl GC and WeBuild Stuff.

During our last fiscal year, which ended on December 31, 2025: (i) we did not sell any products or services to our franchisees, but we received rebates from third-party vendors of \$11,805 (i.e., 0.3% of our total revenue of \$4,329,181) based on franchisee purchases of required good and services, (ii) WeBuild Stuff generated revenue of \$1,516,144 from the sale of products or services to our franchisees; (iii) Unevolve Products generated revenue of \$84,285 from the sale of products or services to our franchisees; and (iv) Unevolve Products received a rebate of \$22,823 based on our franchisees' purchases of goods and services from third-party vendors.

We and/or our affiliates may continue to derive revenue from the sale of products and services directly to our franchisees and payments from third-party vendors based on our franchisees' purchases of products and service. Currently, we and/or our affiliates have contracts with designated third-party suppliers under which they pay rebates based on a percentage of the franchisees' purchases (currently up to 1% of such purchases) or a specified dollar amount (currently \$1,000) for each new everbowl Store that is developed by our franchisees.

We estimate that your purchases from approved suppliers, or purchases that are restricted by us in some way, will represent approximately 85% to 90% of your total purchases in establishing the Store, and approximately 85% to 90% of your total purchases in the continued operation of the Store.

Insurance

Before you begin construction of the Store, you must obtain the insurance coverage we require, as specified below. This insurance coverage must be maintained during the term of the Franchise Agreement and must be obtained from a responsible carrier or carriers acceptable to us.

1. Comprehensive General Liability Insurance, including broad form contractual liability, broad form property damage, personal injury, advertising injury, completed operations, products liability, and fire damage coverage, in the amount of \$2,000,000 combined single limit.
2. “All Risks” coverage for the full cost of replacement of the premises and all other property in which you may have an interest with no coinsurance clause.
3. Crime insurance for employee dishonesty in the amount of \$10,000 combined single limit.
4. Business Interruption insurance to cover expenses for a period of at least 365 days.
5. Automobile liability coverage, including coverage of owned, non-owned and hired vehicles, with coverage in amounts not less than \$2,000,000 combined single limit.
6. Workers’ compensation insurance in amounts provided by applicable law or, if permissible under applicable law, any legally appropriate alternative providing substantially similar compensation to injured workers, subject to the conditions stated in the Franchise Agreement.
7. Any other insurance required by the state or locality in which the Store is located and operated, as may be required by your lease, or as we may require in the future.

You may, after obtaining our written consent, elect to have reasonable deductibles under the insurance coverage we require. Related to any construction, renovation or remodeling of the Store, you must maintain builders’ risks insurance and performance and completion bonds in forms and amounts and written by a carrier satisfactory to us. All the policies must name us, our affiliates, and the respective officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them as additional insureds and must include a waiver of subrogation in favor of all those parties. All insurance policies shall expressly provide that not less than 30 days’ prior written notice shall be given to us in the event of a material alteration to or cancellation of the policies. You must provide us with a certificate of insurance showing that you have obtained the required policies before construction of the Store begins and upon each policy’s renewal. We may require that you obtain from your insurance company a report of claims made and reserves set against your insurance. We may change our insurance requirements during the term of your Franchise Agreement, including the types and amounts of coverage, and you must comply with those changes. If you do not maintain the insurance coverages that we require we may, but are not obligated to, obtain insurance coverage on your behalf, in which case you must reimburse the premium costs paid by us, plus a 15% administrative fee.

Cooperatives

As of the date of this Disclosure Document, there are no purchasing or distribution cooperatives for any of the items described above. However, we may in the future establish purchasing or distribution cooperatives and require you to participate in them by providing you prior written notice.

Negotiated Prices

We or our affiliates may negotiate purchase arrangements, including prices and terms, with designated and approved suppliers for Stores. If we enter into a purchase arrangement with any distributor or supplier that services the geographic territory in which the Store is located then you must purchase required goods and services from such distributor or supplier. As of the date of this Disclosure Document, we have negotiated purchase arrangements for general food items, packaging, and cleaning supplies with a designated supplier.

Material Benefits

Except as disclosed above, we and our affiliates do not currently provide any material benefits to franchisees based on their use of designated or approved suppliers.

FINANCING

We do not directly or indirectly offer any financing arrangements to you. We do not guarantee your notes, leases or other obligations.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING,
COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations – Before you open the Store, we or our affiliates will provide you with the following:

1. our site selection guidelines (Franchise Agreement, Section 2.2; Multi-Unit Development Agreement, Section 4.4);
2. proposed site evaluations and site survey report at your expense (Franchise Agreement, Section 2.2; Multi-Unit Development Agreement, Section 4.5);
3. one set of our prototypical architectural and design plans and specifications for everbowl Stores (Franchise Agreement, Section 2.4);
4. access to our Manual, which we may revise. (Franchise Agreement, Recital B);
5. list of our approved suppliers (Franchise Agreement, Section 6.3);
6. certain equipment, signs, fixtures, opening inventory, and supplies, sold to you by us or our affiliates (Franchise Agreement, Section 2.4 and 6.3); and
7. supply and install the store build kit (i.e., certain interior signage, wallpaper, millwork, and related items) at the Store (Franchise Agreement, Sections 2.4, 6.3 and 6.4);
8. initial training and additional training for you or your Operating Principal, Store Lead, and 2 of the Store employees (Franchise Agreement, Section 5.5).

Site Selection and Opening

You will assume all costs, liabilities, expenses and responsibility for locating, obtaining and developing a site for the Store and for constructing and equipping the Store at the accepted site. You will select the site for the Store subject to our approval. We will introduce you to a vendor who can assist you with site selection, but you are not required to use its services.

Before you lease or purchase the site for the Store, you must locate a site that satisfies our site selection guidelines. Our guidelines for site approval take into account: the general location of the site; the neighborhood and its demographics; and the traffic patterns, parking, and physical characteristics of the premises. You must submit to us in the form we specify a description of the site, including evidence that the site satisfies our site selection guidelines, together with other information and materials that we may reasonably require, including a letter of intent or other evidence that confirms your favorable prospects for obtaining the site. You must submit information and materials for the proposed site to us for approval within 30 days after you have signed the Franchise Agreement. We will conduct an on-site evaluation of your proposed site, at your expense. We will have 15 days after we receive this information and materials from you to accept or not accept the proposed site as the location for the Store. Our acceptance only indicates that the site meets our minimum criteria for a Store. Generally, we do not own or lease the premises for everbowl Stores.

If you are unable to locate a suitable site for the Store within 90 days after you sign the Franchise Agreement, we may choose to terminate the Franchise Agreement.

We estimate that the time from the signing of the Franchise Agreement to the opening of the Store will be approximately 180 to 270 days. This time may be shorter or longer depending on the time necessary to obtain an accepted site; to obtain financing, permits and licenses for the construction and operation of the Store; to complete construction or remodeling as it may be affected by weather conditions, shortages, delivery schedules and other similar factors; to complete the interior and exterior of the Store, including decorating, purchasing and installing fixtures, equipment and signs; and to complete preparation for operating the Store, including purchasing inventory and supplies. You must open the Store and begin business within 270 days after you sign the Franchise Agreement. We may provide you with an extension of this timeframe; however, we may terminate the Franchise Agreement without refunding the initial franchise fee or any other expenses incurred by you under the Franchise Agreement.

Under the Multi-Unit Development Agreement, each everbowl Store you develop must be opened according to the dates on your Development Schedule, subject to any extensions of time granted by us. You will select the site for each Store that you develop under the Development Agreement subject to our approval and using our then-current site submittal forms and/or our then-current site selection criteria.

Post-Opening Obligations

We are not obligated to provide you any continued services under the Multi-Unit Development Agreement.

Under the Franchise Agreement, we will provide the following services and assistance to you after the opening of the Store:

1. continued access to our System Standards and Manual, which will include information regarding our approved and designated suppliers (Franchise Agreement, Section 9.1);
2. administration of the Marketing Fund (Franchise Agreement, Section 7.3);
3. additional or refresher training (Franchise Agreement, Section 5.5); and

We may, subject to applicable laws, periodically set a maximum or minimum price that you may charge for products and services offered by the Store (Franchise Agreement, Section 6.9).

We are not required to provide any other service or assistance to you for the continuing operation of the Store.

Advertising

Except for the administration of the Marketing Fund described below, we have no obligations to conduct advertising on your behalf, including any obligation to spend any amount on advertising in the area or territory in which the Store will be located.

Grand Opening Advertising: You must spend between at least \$12,500 on a grand opening advertising campaign to advertise the Store. We require you to pay us in lump sum a non-refundable amount of \$5,000 out of your minimum grand opening advertising spend of \$12,500 to conduct the digital advertising campaign for the Store. You must spend the remainder of the minimum grand opening advertising amount within 90 days of the opening of the Store in the manner approved by us. Your grand opening expenses for the Store will not count towards the Marketing Cap.

Marketing Fund: We require you to contribute to a national marketing fund (the “Marketing Fund”), currently in an amount equal to 2% of the Store’s Gross Sales, to be paid at the same time and in the same manner as the Royalty Fee. We may increase this amount subject to the Marketing Cap. everbowl Stores owned by us or our affiliates are not required to but may contribute the Marketing Fund at the same rate as you. Franchisees that operate their everbowl Stores at certain non-traditional locations such as airports may contribute to the Marketing Fund at a different rate than you.

The following is a percentage breakdown of our use of the Marketing Fund during its last fiscal year, which ended on December 31, 2025: 22% for production, 63% for media placement, 7% for public relations, and 8% administrative expenses.

We will direct all advertising programs that the Marketing Fund finances and approve the creative concepts, materials and media used in the programs and their placement and allocation. Advertising materials may be developed in-house by us or we may employ one or more advertising agencies to develop advertising. The Marketing Fund is intended to maximize general public recognition and acceptance of the Marks and improve the collective success of all everbowl Stores operating under the everbowl system (the “System”). We may use monies from the Marketing Fund to support development and maintenance of our website, website and email hosting, social media initiatives, and menu and product development. In administering the Marketing Fund, we and our designees will not be required to make expenditures for you that are equivalent or proportionate to your contribution or make sure that any particular franchisee benefits directly or pro rata from the placement of advertising.

We are not required to segregate monies contributed to the Marketing Fund from our general operating funds, but we will account for them separately. We may reimburse ourselves out of the Marketing Fund for the total costs that we incur (including indirect costs such as salaries for our employees who devote time and effort to Marketing Fund related activities and overhead expenses) in the administration or direction of the Marketing Fund and advertising programs for you and the System, and collecting contributions to the Marketing Fund (including attorneys’, auditors’ and accountants’ fees and other expenses incurred in connection with collecting any such contribution). The Marketing Fund and its earnings will not otherwise benefit us. The Marketing Fund is operated solely as a conduit for collecting and expending the monies contributed to it as outlined above. Any sums paid to the Marketing Fund that are not spent in the year they are collected will be carried over to the following year.

No portion of the Marketing Fund will be used for advertising that is primarily a solicitation of franchise sales. We will prepare an annual statement of the contributions received and the expenses incurred by the Marketing Fund. You may obtain copy of such annual statement by making a written request to us. We are not required to have the Marketing Fund statements audited. Although the Marketing Fund is intended to be perpetual, we may terminate the Marketing Fund at any time. The Marketing Fund will not be terminated until all monies in the Marketing Fund have been spent for advertising or promotional purposes or returned to contributors on a pro rata basis. If we terminate the Marketing Fund, we have the option to reinstate it at any time and it will be operated as described above.

The Marketing Fund may pay for preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining a website that promotes Stores and/or related strategies; administering regional and multi-regional marketing and advertising programs, including, without limitation, purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities.

Local Advertising: You must conduct local advertising, and currently we require you to spend at minimum 1% of the Store's Gross Sales each month on local advertising for the Store; however, we may increase this amount subject to the Marketing Cap. Within 30 days of our request, you must provide us with proof of your local advertising expenditures, including verification copies of the advertisements.

We must approve all advertising before you use it. You must not advertise or use our Marks in any fashion on the Internet or via other means of advertising without our express written consent. Any advertising that you propose to use that has either not been prepared by us or has not been approved by us in the immediately preceding 12-month period must be submitted to us for our approval before you may use it. We will have 15 days after receipt of all materials to approve or disapprove of the proposed advertising materials. Unless we provide our specific approval of the proposed advertising materials, the materials are deemed not approved. Any materials you submit to us for our review will become our property, and there will be no restriction on our use or distribution of these materials. We may require you to include certain language in your local advertising, such as "Franchises Available" and our website address and phone number.

Advertising Cooperatives: There are no existing cooperatives at this time. In the future, we may approve of their formation.

Advisory Council: There is no existing advisory council at this time. In the future, we may approve of its formation.

Websites; Intranet: We alone may establish, maintain, modify or discontinue all Internet and electronic commerce activities pertaining to the System. We may establish one or more websites accessible through one or more uniform resource locators ("URLs") and, if we do, we may design and provide for the benefit of the Store a "click-through" subpage at our website for the promotion of the Store. If we establish one or more websites or other modes of electronic commerce and if we provide a click-through subpage at the website(s) for the promotion of the Store, you must routinely provide us with updated copy, photographs and news stories about the Store suitable for posting on your click-through subpage. We may specify the content, frequency and procedure you must follow for updating your click-through subpage.

In addition to advertising and promoting the products or services available at everbowl Stores, any websites or other modes of electronic or digital commerce that we establish or maintain may also be devoted in part to offering everbowl franchises for sale and be used by us to exploit the electronic or digital commerce rights which we alone reserve.

In addition to these activities, we may also establish an intranet through which downloads of operations and marketing materials, exchanges of franchisee email, System discussion forums and System-wide communications (among other activities) can be done. You may not maintain your own website; otherwise maintain a presence or advertise on the internet or any other mode of electronic commerce in connection with the Store; establish a link to any website we establish at or from any other website or page; or at any time establish any other website, electronic commerce presence or URL which in whole or in part incorporates the "everbowl" name or any name confusingly similar to the Marks.

You are not permitted to promote the Store or use any of the Marks in any manner on any social or networking websites, such as Facebook, Instagram, LinkedIn or Twitter, without our prior written consent. We will control all social media initiatives.

We alone will be, and at all times will remain, the sole owner of the copyrights to all material which appears on any website we establish and maintain, including any and all material you may furnish to us for your click-through subpage.

Training

Not later than 45 days before the date the Store is scheduled to begin operation, your owners who we designate, your Operating Principal, and the Store Lead must attend and complete, to our satisfaction, our initial training program. You must also pay all expenses your trainees incur while attending our initial training program, including travel, lodging, meals and applicable wages. Our initial training program is mandatory; however, you may not incur these expenses if we choose to provide training virtually via the Internet or pre-recorded videos instead of in-person training. If you wish to send additional trainees to our pre-opening initial training program, you must pay our training fee of \$2,000 per person for each additional trainee.

The initial training program will be offered at various times during the year depending on the number of new franchisees entering the System, replacement Operating Principals and general managers and other personnel needing training, the number of new Stores being opened and the timing of the scheduled openings of Stores to be operated by our franchisees generally. The initial training program will generally last for 5 days.

We will determine whether your owners, the Operating Principal and the Store Lead, have completed the initial training program to our satisfaction. If any of your owners, the Operating Principal and the Store Lead do not or cannot satisfactorily complete the initial training program to our satisfaction, you must designate a replacement owner, Operating Principal, and the Store Lead, as applicable, to satisfactorily complete the training, at your expense and our training fee of \$2,000 per person. Any owner, Operating Principal, or Store Lead that is subsequently designated by you must also receive and complete the initial training. We may charge a training fee of \$2,000 per person for the initial training we provide for training such replacements.

You and your trainees that we designate must attend the additional training programs and seminars we offer. We may also offer optional training programs and seminars. For these programs and seminars, we will provide the instructors and training materials. You will be responsible for all expenses incurred by you and your trainees in participating in any additional training, including costs of travel, lodging, meals, and wages.

For the opening of the Store, we will send 1 of our personnel to the Store to provide on-site pre-opening and opening assistance for up to 2 weeks, and you must pay us the on-site opening assistance fee of \$13,000 for providing such assistance to you. You must also reimburse us for the travel, lodging, and other incidental expenses incurred by our personnel, which may range from \$2,000 to \$5,000.

On your reasonable request, or as we deem appropriate, we may, subject to the availability of our personnel, send our representatives to the Store to provide additional on-site training to the Store personnel. If we agree to provide such additional on-site training, you must us the additional on-site training fee of \$4,000 per trainer for the first two days, and thereafter, \$2,000 per trainer per day. You must also reimburse us for the travel, lodging, and other incidental expenses incurred by our trainers in providing such training.

The instructional materials used in the initial training program include our Manual, training videos, marketing and promotion materials, programs related to the operation of the computer system, videos, and any other materials that we believe will benefit our franchisees during the training process.

We do not anticipate charging a fee to attend the meeting, but you will pay for all of the expenses incurred by your attendees at the meeting, including travel, lodging, meals and wages. We will designate the location of any franchisee meeting, but we will not designate an unreasonably expensive site.

Confidential Operations Manual

The current Manual consists of 76 pages and its Table of Contents is attached as Exhibit G to this Disclosure Document.

Computer System

You must purchase and use the computer system (which includes the point-of-sale system and certain other required hardware and software) that is designated by us. The computer system must be set up as specified by us and will enable us to have uninterrupted and independent access to certain information designated by us that is stored on or processed via the computer system. You must install and maintain equipment and a high-speed internet connection in accordance with our specifications. All business communications relating to the Store, including communications with vendors, customers, governmental agencies, and other third parties, shall be conducted exclusively through the branded email address that we assign to the Store, which will serve as the official email address of record for the Store.

We expect that the computer system will cost approximately \$3,000 to \$3,500. We may require you to update or upgrade all or a portion of your computer system during the term of your Franchise Agreement at your expense. We currently estimate the cost of optional and required updates or upgrades to be up to \$2,500 annually (excluding the technology fee that you must pay us). The Franchise Agreement does not limit our ability to require you to update and/or upgrade your computer system or pay the cost of any update or upgrade. Neither we nor any of our affiliates are responsible for providing you with any upgrades, updates or maintenance for your computer system.

You must participate in the on-line ordering, mobile app program, gift card program, and loyalty program, that we designate. As of the issuance date of this Disclosure Document, all these programs are managed through the point-of-sale system.

Remodeling and Redecorating of Store

You must, upon our request, remodel and/or redecorate the Store, equipment (including the computer system), signs, interior and exterior décor items, fixtures, furnishing, supplies and other products and materials required for the operation of the Store to our then-current System Standards. We will not request such remodeling and/or redecorating more than once every five (5) years during the initial term of the Franchise Agreement, except that if the Store is transferred, we may request that the transferee remodel and/or redecorate the Store premises.

ITEM 12

TERRITORY

Franchise Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from everbowl Stores that we or our affiliates own or from other channels of distribution or competitive brands that we control.

We and our affiliates may, without the requirement to compensate you in any way and without regard to the competitive impact it might have on the Store: (a) operate, anywhere in the world, any business identified in whole or in part by any trademarks, including the Marks, and/or utilizing any systems or operating platforms, including the System; (b) sell products under any trademarks (including the Marks) anywhere in the world (including within the vicinity of the Store) and through any distribution method, channel or platform, including the Internet; (c) develop and/or own other franchise systems for the same or similar products and services using trade names and trademarks other than the Marks; and (d) to purchase, be purchased by, merge or combine with, businesses that we deem to offer direct competition to the everbowl Stores in general or the Store in particular.

Under the Franchise Agreement we grant you the right to operate the Store at a specific location. You will select the site for the Store subject to our approval and using our site submittal forms and/or criteria. You may not relocate the Store without our prior-written consent, which we will not unreasonably withhold. Our approval of a relocation may be based on all factors we consider appropriate at the time of your request, including, for example, whether you are otherwise in compliance with the Franchise Agreement, whether the proposed new site meets our criteria for new everbowl Store sites, how the rent and other economics relating to the rental of the new site compare to those of the existing site, whether and to what extent you will be required to close the existing Store before opening at the new site, whether there will be a period of time during which you might operate at both locations, your willingness to grant us a general release of all claims you and your related parties may have against us and our related parties (subject to state law), and your payment to us of a relocation fee of \$5,000 and reimbursement of our out-of-pocket expenses related to evaluating the new site.

You may not use any other channels of distribution, including the Internet, wholesale distribution, catalog sales, telemarketing, or other direct marketing to make sales, without our prior written consent. You are not otherwise restricted with respect to soliciting or accepting customers elsewhere.

We and our affiliates do not currently operate or franchise, or currently have plans to operate or franchise, a business that operates a different Mark but that sells or would sell goods or services that are the same or similar to those you will be authorized to sell under the Franchise Agreement.

The Franchise Agreement does not give you any options, rights of first refusal or similar rights to acquire additional franchises.

Multi-Unit Development Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, except as described below, during the term of the Multi-Unit Development Agreement, we and our affiliates will not operate or grant a franchise for the operation of an everbowl Store to be located within the Development Area so long as you are in full compliance with all the terms and conditions of the Multi-Unit Development Agreements and Franchise Agreements signed under it.

We and our affiliates retain all rights with respect to everbowl Stores, the Marks, and any products and services anywhere in the world including the right: (i) to establish, and license others to establish, everbowl Store, and otherwise sell proprietary products and branded merchandise under the Marks at or from any location outside of the Development Area; (ii) to establish, and license others to establish, everbowl Stores and otherwise sell proprietary products and logoed merchandise under the Marks at or from any non-traditional site (such as includes gas stations, convenience stores, transportation facilities, military bases, sports facilities, amusement parks, hospitals, casinos, or any similar captive market location), wherever located; (iii) develop other businesses or franchise systems or purchase, be purchased by, merge or combine with, businesses that we deem to offer direct competition to the everbowl Stores in and outside the Development Area; and (iv) to sell and distribute anywhere, directly and indirectly, proprietary products and logoed merchandise under the Marks using any alternative distribution channels. We are not required to seek your approval or pay you any compensation should we exercise any of these rights.

Under the Multi-Unit Development Agreement, you are assigned a Development Area in which you will be required to locate and secure our approval of site for the everbowl Stores according to a specified Development Schedule which will be described in the Multi-Unit Development Agreement and agreed to before it is signed. The Development Area will be described by city limits or official geopolitical boundaries, or it may be drawn on a map that is attached to the Multi-Unit Development Agreement. You will select the site for each Store that you develop under the Development Agreement subject to our approval and using our then-current site submittal forms and/or our then-current site selection criteria. Your territorial rights to the Development Area do not include the right to develop everbowl Stores at any non-traditional site.

The Multi-Unit Development Agreement does not grant you the right or option to operate any everbowl Store or solicit or accept orders from any customers. Therefore, under the Multi-Unit Development Agreement, you shall not use any other channels of distribution, including the Internet, catalog sales, telemarketing, or other form of marketing.

Once the final everbowl Store required to be developed under the Development Schedule has opened (or the date it is required under the Development Schedule to be opened), your rights to the Development Area will expire and you will have no more rights to develop everbowl Stores within the Development Area, and we will have the right to develop ourselves, or grant rights to others to develop, everbowl Stores within the Development Area. You are not granted a right of first refusal to develop additional everbowl Stores.

The territorial rights granted to you under the Multi-Unit Development Agreement are not dependent on achieving a certain sales volume, market penetration or other contingency, but you must develop and open everbowl Stores according to the Development Schedule. Also, except as stated below, the Development Area may not be altered before the Multi-Unit Development Agreement expires or is terminated.

If you fail to open everbowl Stores in compliance with the Development Schedule or if you are in default under the Multi-Unit Development Agreement, we may, in addition to our other remedies, terminate or modify your Development Area, reduce the size of your Development Area, reduce the number of

everbowl Stores that you may develop, or accelerate the Development Schedule under the Multi-Unit Development Agreement.

ITEM 13 **TRADEMARKS**

We grant you the non-exclusive right and obligation to use the Marks under the Franchise Agreement. You must use the Marks as we require. You may not use any of the Marks as part of your firm or corporate name. You may not use the Marks in the sale of unauthorized products or services or in any manner we do not authorize. You may not use the Marks in any advertisement for the transfer, sale or other disposition of your everbowl Store or any interest in the franchise that would require our approval under the Franchise Agreement.

The Marks are owned by our affiliate, Everbowl IP, which, under an Intellectual Property and Products Designation License Agreement, dated July 7, 2020 (the “License Agreement”), granted us a license to use and sublicense the use of the Marks. The License Agreement has a term of 99 years from its date and can be terminated on 30 days’ notice if we materially breach the License Agreement and fail to cure the breach or cease to be an affiliate of Everbowl IP. A termination of the License Agreement will result in the loss of our right to use and to sublicense the use of the Marks in franchise agreements signed after that termination. However, your rights to use the Marks under the Franchise Agreement will not be affected by the termination of our license. All rights in and goodwill from the use of the Marks accrue to us and our affiliates.

The following table sets forth the status of registrations and applications with the U.S. Patent and Trademark Office (“USPTO”) for federal registration of our principal trademarks. All Marks are registered or have applications for registration pending on the Principal Register.

Mark	Registration Number and Date of Registration	Class
	5399183 February 13, 2018	43
	5399184 February 13, 2018	43
EVERBOWL	5898209 October 29, 2019	43
EVERBOWL	6037503 April 21, 2020	25

All required affidavits have been filed, and Everbowl IP intends to renew these registrations and file additionally required affidavits at the appropriate time. There are no effective material determinations of the USPTO, the Trademark Trial and Appeals Board, the Trademark Administrator of any state or any court in the United States concerning the Marks. There is no pending infringement, opposition, or cancellation action

in the United States. There is no pending material litigation involving the Marks in the United States. There are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in a manner material to the franchise. We know of no superior prior rights or infringing uses of any Mark that could materially affect your use of the Marks.

You must immediately notify us of any apparent infringement of the Marks or challenge to your use of any of the Marks or component of the System or claim by any person of any rights in any of the Marks or the System. You and your owners are not permitted to communicate with any person other than us, or any designated affiliate, our counsel and your counsel involving any infringement, challenge or claim. We may take action and have the right to exclusively control any litigation or USPTO or other administrative or agency proceeding caused by any infringement, challenge or claim or otherwise relating to any of the Marks or the System. You must sign any and all documents, and do what may, in our counsel's opinion, be necessary or advisable to protect our interests in any litigation or USPTO or other administrative or agency proceeding or to otherwise protect and maintain our interests and the interests of any other person or entity having an interest in the Marks and the System.

We will indemnify you against and reimburse you for all damages for which you are held liable for your use of any of the Marks and the System, provided that you and your owners have acted in full compliance with the terms of the Franchise Agreement and otherwise according to our instructions regarding any proceeding related to the Marks and the System.

Except as provided above, we are not obligated by the Franchise Agreement to protect any rights granted to you to use the Marks and the System, or to protect you against claims of infringement or unfair competition with respect to them. Although we are not contractually obligated to protect the Marks or your right to use them, we intend to defend the Marks and the System vigorously.

We may require you, at your expense, to discontinue or modify your use of any of the Marks or any components of the System, or to use one or more additional or substitute trade names, service marks, trademarks, symbols, logos, emblems and/or indicia of origin, or component of the System, if we determine that an addition or substitution will benefit the System.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. We do not have any pending patent applications that are material to the franchise. We and/or our affiliates claim copyrights in the Manual (which contains our trade secrets), handbooks, all websites, advertising and marketing materials, all or part of the Marks, and other portions of the System and other similar materials used in operating Stores. We have not registered these copyrights with the United States Registrar of Copyrights, but need not do so at this time to protect them. You may use these items only as we specify while operating the Store (and must stop using them if we so direct you).

There currently are no effective adverse determinations of the United States Copyright Office (Library of Congress) or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the Confidential Information (defined below) or copyrighted materials. We know of no infringing uses of our copyrights which could materially affect your using the copyrighted materials in any state. We need not protect or defend our copyrights, although we intend to do so if we determine that it is in the System's best interests. We may control any action involving the copyrights, even if you voluntarily bring the matter to our attention. We need not participate in your defense nor indemnify you for damages or expenses in a proceeding involving a copyright.

You and your owners and personnel may periodically be provided with and/or have access to our “Confidential Information,” which includes any and all non-public information, knowledge, know-how, techniques and any materials used in or related to the System or to the Store which we provide or make available to you in connection with the Franchise Agreement, including but not limited to the Manual, plans and specifications, marketing information and strategies and site evaluation, selection guidelines and techniques, recipes, personal data collected by you. Confidential Information does not include information, knowledge, or know-how, which is lawfully known to the public without violation of applicable law or an obligation to us or our affiliates, any personal information of the employees, officers, contractors, owners or other personnel of you, your affiliates, or the Store, such other personal information as we periodically designate as restricted data.

All Confidential Information will be owned by us and our affiliates. You acknowledge and agree that (i) you will not acquire any interest in any of our Confidential Information, other than the right to use it as we specify in operating the Store during the Term, and (ii) that our Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you will protect it. You acknowledge that any unauthorized use or disclosure of our Confidential Information would be an unfair method of competition and a breach of trust and confidence and will result in irreparable harm to us and our affiliates. You agree that during and after the term of the Franchise Agreement you will, and to cause your owners and personnel and assigns who have access to our Confidential Information to: (i) process, retain, use, collect, and disclose our Confidential Information strictly to the limited extent, and in such a manner, as necessary for the development and operation of the Store in accordance with the Franchise Agreement, and not for any other purpose of any kind; (ii) process, retain, use, collect, and disclose our Confidential Information strictly in accordance with the privacy policies and System Standards we establish periodically, and our and our representative’s instructions; (iii) keep confidential and not disclose, sell, distribute, or trade our Confidential Information to any person other than those of your employees and representatives who need to know such Confidential Information for the purpose of assisting you in operating the Store in accordance with the Franchise Agreement; and you agree that you will be responsible for any violation of this requirement by any of your representatives or employees; (iv) not make unauthorized copies of any of our Confidential Information; (v) adopt and maintain administrative, physical and technical safeguards to prevent unauthorized use or disclosure of any of our Confidential Information, including by establishing reasonable security and access measures, restricting its disclosure to key personnel, and/or by requiring persons who have access to such Confidential Information to be bound by contractual obligations to protect such Confidential Information and preserve our rights and controls in such Confidential Information, in each case that are no less protective or beneficial to us than the terms of the Franchise Agreement; and (vi) at our request, destroy or return any of the Confidential Information.

All ideas, concepts, techniques, or materials relating to the Store and/or the System created by you, your owners or your employees (or for you, your owners or your employees), whether or not protectable intellectual property, must be promptly disclosed to us and will be our sole and exclusive property, part of the System, and works made-for-hire for us (collectively, “Innovations”). To the extent that any Innovation does not qualify as a “work made-for-hire” for us, you hereby waive all moral rights in that item, assign ownership of that item, and all related rights to that item, to us and agree to take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in such Innovation.

If we require you to discontinue or modify your use of any subject matter covered by patent or copyright, we are not obligated to compensate you, protect any rights granted to you to use the subject matter, or to protect you against claims with respect to them.

The Store Lead must complete our training program to our satisfaction and other training programs that we require you to participate in. All replacement Store Leads must complete our initial training program before servicing the customers of the Store. We may require the Store Lead and other personnel who have received or will have access to the Confidential Information to execute and bind themselves to confidentiality covenants that we approve.

We may also require you, your owners and the spouse of each such person, to jointly, severally and personally guaranty and assume your obligations under the Franchise Agreement by signing the Guaranty and Assumption of Obligations which is attached as Attachment A of the Franchise Agreement.

We have the right to change the types of menu items, products and services offered by you at the Store at any time, and there are no limits on our right to make those changes.

You must maintain in sufficient supply and use and sell only the food and beverage items, ingredients, products, materials, supplies, and paper goods that conform to our standards and specifications. ITEM 18

PUBLIC FIGURES

Drew Christopher Brees is a minority owner of our Parent and will, at times, endorse and encourage prospects to purchase franchises from us. He does not own interests directly in us, he does not manage or control us, and he is not directly compensated by us or our Parent for promoting everbowl franchise opportunities. However, the value of his investment in Parent may increase if the sale of franchises increases Parent's value.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Data Set and Methodology

As of December 31, 2025, there were 95 franchised everbowl Stores open and operating. For the purpose of this Item 19, we have included data for 58 out of 95 franchised everbowl Stores that were in operation as of the end of our 2025 fiscal year (the "Data Set"). We excluded from the Data Set the following 37 franchised everbowl Stores because: (i) 16 everbowl Stores that commenced operations for the first time in fiscal year 2025, and therefore, did not operate for the entire year; (ii) 2 everbowl Stores that opened before January 1, 2025 but were closed during 2025 for more than 1 month due to relocation; (iii) 7 everbowl Stores because they failed to offer and sell all required menu items during 2025 because required vendors refused to ship inventory after those everbowl Stores failed to timely pay amounts owed to such vendors; and (iv) 12 franchised everbowl Stores that operated at Non-Traditional Venues or have other operational characteristics that are atypical of franchised everbowl Stores such as everbowl Stores that are regularly used as our training centers. "Non-Traditional Venues" means mixed-use real estate space (i.e., a combination of residential and commercial real estate) or locations with a captive audience such as hospitals, universities, airports, etc.

The Data Set includes (i) 2 franchised everbowl Stores that were operated by our affiliate for approximately 3 weeks during 2025, and (ii) 8 franchised everbowl Stores that were sold by our affiliates to franchisees in March 2025; however, the performance of these 10 everbowl Stores during the period in which they were owned or operated by our affiliates was not materially different from their performance while they were owned by franchisees.

Using historical data from the Data Set, the tables below present the average Gross Sales of the everbowl Stores in the Data Set during fiscal year 2025, sorted by the top and bottom 10%, 25%, 33%, and 50%. For each group, we have also described the median and range of Gross Sales, the number of everbowl Stores from the Data Set that are included, and the number and percentage of Stores in the Group that met or exceeded the average. Except as described below, we obtained the Gross Sales of the everbowl Stores in the Data Set by polling the information directly from the franchisees' point-of-sale systems and from the information reported to us by franchisees. We do not anticipate that the characteristics of the everbowl Stores included in this Item 19 will materially differ from the everbowl Stores operated by new franchisees.

"Gross Sales" is calculated by adding the total selling price of all services and products and all income of every other kind and nature related to an everbowl Store, whether received in cash or credit

(regardless of collection in the case of credit), and regardless of whether generated in compliance with the Franchise Agreement. Gross Sales includes revenue from all catering, off-site, and delivery orders, including third-party delivery. Gross Sales also includes all insurance proceeds you receive for loss of business and loss of revenue, due to a casualty to or similar event at the everbowl Store. Gross Sales does not include (i) receipts from the operation of any pre-approved vending machines located at the everbowl Store, except for any amount representing franchisee's share of the revenues from such machines; (ii) sales and related taxes collected directly from customers and actually paid to any federal, state, municipal or local authority; and (iii) proceeds from isolated sales of trade fixtures that do not constitute products and services offered for sale at the everbowl Store and that do not have any material effect on the ongoing operation of the everbowl Store.

Average Gross Sales is the mathematical average of Gross Sales. The median is the middle data point. Where the number of data points is an even number, the median is the average of the two middle data points.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.

Written substantiation of the data used in preparing the financial performance representation will be made available to a prospective franchisee on reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Trevor Sacco at 1300 Specialty Dr., #100, Vista, CA 92081 and (760) 330-9001, the Federal Trade Commission, and the appropriate state regulatory agencies.

EVERBOWL® FRANCHISE AGREEMENT

TERMS AND CONDITIONS

The following terms and conditions (these “**Terms**”) are an integral part of the Agreement and define the rights and obligations of, and the relationship between, **Everbowl Franchise, LLC**, a California limited liability company whose address is 1300 Specialty Drive, #100, Vista, CA 92081, Attention: Chief Operating Officer (“**us**”), and the franchisee identified on the attached Data Sheet (“**you**”). References to the Agreement include these Terms and the Data Sheet to which they are attached.

RECITALS

A. We and our affiliates have developed (and may continue to develop, revise and evolve) and claim ownership of a system for establishing and operating stores that are identified by and operate under the name and brand “everbowl” and offer, among other things, a variety of superfood-based bowls and smoothies with various toppings. In the Agreement, the term “**everbowl Stores**” refers generally to everbowl-branded stores that operate as part of our System, the “**Store**” refers to the everbowl Store that you will own, develop and operate pursuant to the Agreement, and “**System**” refers to the network of authorized everbowl Stores.

B. everbowl Stores are developed and operate in accordance with our mandatory standards and specifications (the “**System Standards**”), including the use of trademarks and service marks and trade names we designate from time to time to identify the business and the products and services they offer (the “**Marks**”); specified trade dress, including exterior and interior design, décor, color scheme, and furnishings; proprietary products and ingredients; proprietary recipes and special menu items; uniform standards, specifications, and procedures for operations; quality and uniformity of products and services offered; inventory, management and financial controls and processes; training and assistance; and advertising and promotional programs. We may change System Standards from time to time, and those changes will become effective when we incorporate them into our confidential manual (“**Manual**”) or otherwise notify you of them in writing.

C. everbowl Stores may be operated by us, our affiliates, and third parties who we believe meet our criteria and to whom we grant the right and license to develop, own and operate an everbowl Store (a “**Franchise**”).

D. You have requested that we grant you a Franchise, and in support of your request, you and, as applicable, your owners have provided us with information regarding your qualifications and financial capacity (the “**Application Materials**”). In reliance, in part, on the Application Materials, we are willing to grant your request on the terms and conditions contained in the Agreement.

SECTION 1. GRANT

1.1 Grant of Franchise. We grant to you, and you accept, the Franchise to develop, own and operate the Store at, and only from, the Location (defined below) described in the Data Sheet and strictly in accordance with the Agreement.

1.2 Our Reserved Rights. You acknowledge that you are not granted any exclusivity or territorial protection around the Store. We reserve for ourselves and our affiliates any rights that we have not expressly granted to you in the Agreement, and we are prohibited from doing only those things that we have expressly agreed in the Agreement not to do. Among our reserved rights are the right, directly or through our and our affiliates’ permittees, without the requirement to compensate you in any way, and without regard to the competitive impact it might have on the Store: (a) to operate, anywhere in the world, any business identified in whole or in part by any trademarks, including the Marks, and/or utilizing any systems or operating platforms, including the System; (b) to, anywhere in the world and through any distribution method, channel or platform, sell products under any trademarks, including the Marks; (c) to develop and/or own other franchise systems for the same or similar products and services using trade names and trademarks, including the Marks; and (d) to purchase, be purchased by, merge or combine with, businesses that we deem to offer direct competition to the everbowl Stores in general or the Store in particular.

SECTION 2. SITE SELECTION, LEASE AND DEVELOPMENT

2.1 Your Responsibility to Locate and Procure the Location. You assume all cost, liability, expense and responsibility for locating, obtaining and developing a site for the Store, and for constructing and equipping the Store at such site in accordance with our System Standards. You shall not make any binding commitment with respect to any proposed site for the Store unless the site is accepted by us as set forth below.

2.2 Site Selection and Acceptance. Concurrently with the execution of the Agreement, you must pay us the Site Selection Fee and the Real Estate Vendor Fee in the amounts described in the Data Sheet. If we have accepted the location for the Store when we sign the Agreement, it is identified on the attached Data Sheet. If your proposed location has not been accepted by us as of the Effective Date, we will provide you with our standard site guidelines, and you are required, using your resources and at your expense, to propose one or more sites for our consideration, including providing information about the site that we request. You will have 90 days after the Effective Date to identify and get our acceptance of the site at which the Store will be developed. We may, at our option, conduct a survey of the site you propose for the Store, and, if we do, you must pay us the Site Survey Expenses as described in the Data Sheet. Our acceptance of your proposed site signifies only that it meets the then-current minimum criteria that we have established for our own purposes and does not constitute our representation, promise, warranty or guarantee, express or implied, that the Store operated at that site will be profitable or otherwise successful. We will have 15 days after receipt of all of the information and materials we request to evaluate your proposed site to notify you that we have either accepted or declined it, in our sole discretion. If we do not provide you with notice of our decision within that period, the proposed site will be deemed to have been declined. The site we accept in accordance with this Section is referred to herein as the “**Location**.”

2.3 Acceptance of Lease. You must submit a copy of the proposed lease (the “**Lease**”) and all other information and documents related to the Lease that we require for our review and evaluation. We must accept the Lease in writing before you sign it. The Lease shall contain certain provisions we require, from time to time, for the protection and continuity of the everbowl brand at the Location. Our current form of Lease Rider, which incorporates the lease provisions we currently require, is attached as Attachment B hereto. If we do not provide our written acceptance of the Lease within a reasonable time after you submit a copy of the Lease and the Lease Rider to us, then it will be deemed to have been declined. After the Location and Lease have been accepted by us in accordance with Section 2.2 and this Section 2.3, we will insert the Location’s address on the attached Data Sheet. You must provide us with a copy of the executed Lease within 15 days after its execution.

2.4 Development and Opening of the Store. Once the Lease has been signed, we will design the Store. You agree to purchase from our affiliate or other designated source a leasehold improvement, millwork, and FF&E package (collectively, the “**Build-Out Package**”) and to prepare the premises, or cause them to be prepared, for installation by our affiliate or other designee of the Build-Out Package. Other than the initial design of the Store, you are responsible, at your expense, for doing, and you agree to do, all things necessary to develop and prepare the Store for opening in accordance with the Agreement, our System Standards, and all applicable federal, state, local, municipal, or other governmental laws, ordinances and regulations. Within a reasonable time after the date of completion of construction and installation of the Build-Out Package, we may, at our option, conduct an inspection of the completed Store. You agree that you will not open the Store for business without our prior written authorization.

You acknowledge that time is of the essence and that the Store must be open and conducting business pursuant to the Agreement within two hundred and seventy (270) days after the Effective Date (“**Opening Deadline**”). Once you commence the operations of the Store, you must operate it continuously throughout the remainder of the Initial Term in compliance with the Agreement.

2.5 Relocation. If the Location or the characteristics of the area in which the Location is situated change during the Term, you may request our approval to relocate the Store to another location. If, in our sole discretion, we grant your request, the new location and the development of the Store at the new location will be subject to the same requirements in the Agreement that apply to the Location, but the identity of the new location, the timeline for closing the Location and reopening in the new location, and other acceptable conditions will be set forth in an amendment to the Agreement which will include those conditions and a general release of claims you and your related parties might

have against us and our related parties as of that time. When you and we sign that amendment, you will be required to pay us a relocation fee of \$5,000. You will also be required to reimburse our out-of-pocket expenses related to your relocation.

SECTION 3. TERM AND SUCCESSOR FRANCHISES

3.1 Term and Successor Franchises. The initial term of the Agreement (the “**Initial Term**”) begins on the Effective Date and ends as set forth on the attached Data Sheet. You may acquire successor franchises as described in the attached Data Sheet, subject in each case to the following conditions:

3.1.1 You must notify us, in writing, of your desire to acquire a successor franchise not more than 120 days or less than 90 days prior to expiration of the Initial Term.

3.1.2 You must have been, throughout the expiring term, in substantial compliance, and, at the expiration of such term, be in full compliance, with the Agreement (or applicable successor franchise agreement), your Lease, and all other agreements between you and us or our affiliates.

3.1.3 You must be able to maintain possession of the Location (or at an approved relocated premises) pursuant to the Lease or a lease reasonably acceptable to us.

3.1.4 If you qualify to acquire a successor franchise, we will, before the expiration of the Initial Term, provide you with any documents that you are required to execute for the successor term, which documents may include, but are not limited to, a general release, our then-current form of Franchise Agreement and all other ancillary agreements, instruments and documents then customarily used by us in the granting of everbowl Store franchises, all of which will, except for the successor franchise provision (which will be governed by this Section 3.1), contain terms and fees substantially the same as those included in our then-standard forms of franchise agreement and which will not obligate you to pay a further initial franchise fee (the “**Successor Franchise Documents**”). However, for each successor term, you must pay us the successor term fee set in an amount equal to 50% of our then-current Initial Franchise Fee.

3.1.5 By no later than expiration of the then-expiring term, you must execute and return to us the Successor Franchise Documents and all other documents and instruments that we require in order to acquire the successor term, along with payment of the applicable fee. If we do not timely receive the executed documents and fee, then the Agreement or successor agreement shall expire, you will have no further rights to acquire a successor franchise, and you shall comply with the provisions of Section 17, and Section 20.2, and any other provisions that survive termination or expiration of the Agreement.

3.1.6 After we have received from you all executed Successor Franchise Documents and the successor franchise fee, we will inspect the Store to determine the extent of any required updating, remodeling, redecorating or other refurbishment for the Store in order to bring the Store up to our then-current image and standards for new everbowl Stores. You will have 180 days from the date we provide you with notice of the required modifications to complete them. If you fail or refuse to make the required modifications, we will have the right to terminate the Successor Franchise Documents.

3.1.7 We are then-granting Franchises for everbowl Stores in the state in which the Store operates.

3.2 Refusal to Grant Successor Franchise. We may refuse to grant a successor Franchise, if you fail to satisfy any of the requirements set forth in Section 3.1

SECTION 4. CERTAIN FEES

4.1 Initial Franchise Fee. By no later than your execution of the Agreement, you shall pay to us the Initial Franchise Fee identified on the attached Data Sheet. The amount of the Initial Franchise Fee when so paid shall be deemed fully earned in consideration of the administrative and other expenses incurred by us in granting the Franchise hereunder and for our lost or deferred opportunity to grant such franchise to any other party.

4.2 Royalty Fees. During the Initial Term, you shall pay to us, a continuing weekly royalty fee in the amount set forth on the attached Data Sheet (the “**Royalty Fee**”). The Royalty Fee will be due and payable on such day of the week that we require from time to time.

“**Gross Sales**” means the total selling price of all services and products and all income of every other kind and nature related to the Store, whether received in cash or credit (regardless of collection in the case of credit), and regardless of whether generated in compliance with the Agreement. Gross Sales includes revenue from all catering, off-site, and delivery orders, including third-party delivery. Gross Sales also includes all insurance proceeds you receive for loss of business and loss of revenue, due to a casualty to or similar event at the Store. If any state imposes a sales or other tax on the Royalty Fees, then we have the right to collect this tax from you. If a cash shortage occurs, the amount of Gross Sales will be determined based on the records of the electronic cash register system and any cash shortage will not be considered in the determination. Gross Sales does not include the following:

4.2.1 receipts from the operation of any pre-approved vending machines located at the Store, except for any amount representing your share of the revenues from such machines;

4.2.2 sales and related taxes collected directly from customers and actually paid to any federal, state, municipal or local authority; and

4.2.3 proceeds from isolated sales of trade fixtures not constituting any part of your products and services offered for resale at the Store nor having any material effect on the ongoing operation of the Store required under the Agreement.

4.3 Non-Compliance Charge. The Royalty Fee we charge under the Agreement was determined based on the assumption that you will comply with your obligations hereunder. If you do not comply with your obligations, we will incur additional costs and expenses. Therefore, if we determine that you are not in compliance with your obligations under the Agreement, your Royalty Fee rate will be increased to seven percent (7%) of Gross Sales until we determine that you have cured all deficiencies and are compliant with all terms of the Agreement, at which time it will revert to the rate provided on the Data Sheet; provided, however, if we determine that (a) you have committed more than two (2) defaults of your obligations under the Agreement within any six (6)-month period, we may, upon notice to you, permanently increase your Royalty Fee rate to seven percent (7%) for the remainder of the Initial Term, regardless of whether you subsequently cure such defaults, and/or (b) you failed to process any sale through the authorized Point-of-Sale System (as defined in Section 20.1.3) of the Store or otherwise underreport the Store’s Gross Sales to us (of which such underreported amount exceeds \$10,000 in any 12-month period), we may, upon notice to you, permanently increase your Royalty Fee rate to 10% of Gross Sales for the remainder of the Initial Term. These increases to your Royalty Fee rate are intended to compensate us for certain incurred administrative and management costs and expenses due to your non-compliance and are not a penalty or an expression of the total amount of such damages. Nothing in this Section limits any of our other rights and remedies available under the terms of the Agreement.

4.4 Manner of Payment. All fees are payable to us at the times and in the manner that we specify from time to time in the Manual or otherwise. You agree that we will have the right to withdraw funds from your designated bank account each week by electronic funds transfer (“EFT”) in the amount of the Royalty Fee and any other payments due to us and/or our affiliates. You agree to execute any documents required by us, our bank, your bank, and our Point-of-Sale System provider to effectuate EFTs.

4.5 Royalty Reporting. We have the right to poll your Point-of-Sale System directly to obtain Gross Sales and other information regarding the operation of the Store. You will report your Gross Sales to us (a “**Royalty Report**”) on the date and in such format as we may require. If we are unable to independently verify or you fail to timely report the Store’s Gross Sales as provided in this Section, we may debit your account for 120% of the last Royalty Fee and Marketing Fee (defined below) that we debited. If the Royalty Fee and Marketing Fee we debit are less than the Royalty Fee and Marketing Fee you actually owe to us, once we have been able to determine the Store’s true and correct Gross Sales, we will debit your account for the balance on a day we specify. If the Royalty Fee and Marketing Fee we debit are greater than the Royalty Fee and Marketing Fee you actually owe, we will credit the excess against the amount we otherwise would debit from your account during the following week.

4.6 Technology Fee. During the Initial Term, you must pay us a monthly Technology Fee as described on the Data Sheet. We may, from time to time, change the amount of the Technology Fee payable to us. We may increase the Technology Fee to \$500 per month at any time upon notice to you; however, any additional increase in the Technology Fee may not, in a given calendar year, exceed 50% of the Technology Fee in effect during the last month

of the immediately preceding calendar year on a compounded basis. The Technology Fee is payable in addition to any other technology that we require you to license or purchase directly from a third party.

4.7 Interest on Overdue Amounts. You shall not be entitled to withhold payments due to us under the Agreement for any reason. Any payment or report not actually received by us on or before its due date shall be deemed overdue. All overdue payments shall bear interest from the date due at the greater of 18% per annum or the maximum rate allowed by applicable law.

4.8 Late Reporting Fee. If you do not timely provide us with reports of the Store's Gross Sales or any other report that we may reasonably request in accordance with the Agreement, we may assess you a fee of \$100 per day for each day that we do not receive the required report. This fee is reasonably related to our costs resulting from the delay in receipt of any report, is not a penalty, and is in addition to any other remedy available to us under the Agreement.

4.9 Application of Payment; Set Off. Despite any designation you make, we may apply any of your payments to any amounts you owe us or our affiliates. We may reduce any amounts we or our affiliates owe you (if any) by any amounts you owe us or our affiliates. You may not withhold payment of any amounts owed to us on the grounds of our alleged non-performance of any of our obligations under the Agreement or for any other reason, and you specifically waive any right you may have at law or in equity to offset any funds you may owe us or to fail or refuse to perform any of your obligations under the Agreement. If you fail to pay any outstanding or overdue amounts to us, our affiliates, or any third-party vendor of the Store, we may, after providing you with a written notice of default, directly debit your bank account to collect the outstanding amount or offset such amount against the deposits owed to you by the Point-of-Sale System provider. If we exercise this right due to your failure to pay outstanding amounts to our affiliates or third-party vendor then we will pay the debited amount to our affiliates and/or the third-party vendor (as applicable) on your behalf.

SECTION 5.

YOUR AGREEMENTS, REPRESENTATIONS, WARRANTIES AND COVENANTS

5.1 Operation of the Store. You and the Controlling Principals (as defined below in Section 5.3) are responsible for the management and operation of the Store. After commencing operations, you must operate the Store at all times during the Initial Term so as to achieve optimum sales. You will, at all times, maintain sufficient working capital reserves as necessary and appropriate to comply with your obligations under the Agreement. On our request, you will provide us with evidence of working capital availability. We reserve the right, from time to time, to establish certain levels of working capital reserves, and you will comply with such requirements. We may from time to time designate the maximum amount of debt that the Store may service, and you will comply with such limits. You agree to apply for and diligently pursue any government-issued, government-sponsored, or governmental-guaranteed grants, non-recourse loans, and/or bail-outs for which you qualify and that are made available to small businesses as an economic stimulus.

5.2 Legal Entities. If you are not a natural person, you and the Controlling Principals represent, warrant and covenant that:

5.2.1 you are duly organized and validly existing under the state law of your formation;

5.2.2 you are duly qualified and are authorized to do business in each jurisdiction in which your business activities or the nature of the properties owned by you require such qualification;

5.2.3 the execution of the Agreement and the consummation of the transactions contemplated hereby are within your power as provided under your organizational and governing documents and have been duly authorized by you and your owners;

5.2.4 your governing documents shall not be amended in any way that impacts your ability to comply with your obligations under the Agreement without our prior written consent;

5.2.5 all your direct and indirect owners, as of the Effective Date, are as reflected on the attached Data Sheet and will not hereafter change unless done in accordance with restrictions regarding Transfers under the Agreement; and

5.2.6 Your Controlling Principals and Operating Principal (defined below) shall, jointly and severally, assume and guarantee the performance of all of your obligations, covenants and agreements hereunder pursuant to the

terms and conditions of the guaranty contained in Attachment A hereto. All other owners must sign agreements, on forms we approve from time to time, that are enforceable under applicable state law and under which they agree to the same confidentiality and noncompetition obligations to which you are bound under the Agreement.

5.3 Operating Principal and Controlling Principals. The “**Controlling Principals**” are those of your owners who we reasonably determine from time to time, either because of the extent of their direct or indirect ownership interests in you or the nature of the authority you grant to them, control you or any governing board, your management decisions, or your activities under the Agreement. You shall designate, subject to our approval, one of your owners holding at least a 10% direct or indirect ownership interest in you to serve as your Operating Principal (“**Operating Principal**”). Your initial Operating Principal is designated on the attached Data Sheet. The Operating Principal shall, at all times, supervise the management of the Store, meet our reasonable standards and criteria for an Operating Principal, and satisfy the training requirements set forth in Section 5.5.

If the Operating Principal ceases to serve or to be qualified to serve in that capacity, you shall promptly notify us and designate a replacement within 30 days after that event occurs or the determination is made. The replacement Operating Principal shall be subject to our approval and all other requirements listed above. You shall provide for interim management of the Store until such replacement is so designated, such interim management to be conducted in accordance with the terms of the Agreement.

5.4 Store Lead. You may appoint a Store lead (“**Store Lead**”) to manage the day-to-day operations of the Store. The Store Lead must meet our qualifications. The Store Lead may, but need not, be one of your owners. The Store Lead shall, at all times, satisfy our educational and business experience criteria, devote full time and best efforts to manage the Store, and satisfy the training requirements set forth in Section 5.5.

5.5 Training. You agree that it is necessary to the continued operation of the System and the Store that your personnel receive such training as we may reasonably require, and accordingly agree as follows:

5.5.1 Not later than 45 days prior to the scheduled opening of the Store, your owners who we designate, the Operating Principal, and the Store Lead (collectively, “**Required Trainees**”) shall have completed, to our reasonable satisfaction, our initial training program.

5.5.2 We will provide instructors and training materials for the initial training program for your Required Trainees, at no additional charge to you. We may vary the contents of the initial training program based on the experience and skill level of your Required Trainees. We may charge a training fee of \$2,000 per person for participation in the initial training program by (a) persons other than the Required Trainees, and (b) replacements for the Required Trainees.

5.5.3 If the initial training program is (a) not completed within the timeframe required by us, (b) not satisfactorily completed by your Required Trainees, or (c) if we in our reasonable business judgment, based upon your performance or the performance of your Required Trainees determine that the training program cannot be satisfactorily completed by any such person, you shall designate a replacement to satisfactorily complete such training. Any replacement Required Trainee subsequently designated by you shall also receive and complete, to our reasonable satisfaction, such initial training. You will be responsible for any and all expenses incurred by the Required Trainees and any other personnel that, at your request, we allow to participate in the initial training program, including costs of travel, lodging, meals and applicable wages.

5.5.4 We will send one (1) of our personnel to the Store to provide on-site pre-opening and opening assistance for up to two (2) weeks, including after your soft opening. The identity of the personnel will be determined by us, in our discretion. You must pay us the On-Site Opening Assistance Fee in the amount described on the Data Sheet hereto.

5.5.5 On your reasonable request, or as we deem appropriate, we may, subject to the availability of our personnel, send our representatives to the Store to provide additional on-site training. For additional on-site training we provide under this Section 5.5.5, you must pay the Additional On-Site Training Fee in the amount described in the Data Sheet.

5.5.6 We reserve the right to conduct additional or refresher training programs, seminars and other related activities regarding the operation of the Store. Such training programs and seminars may be offered to you, your

managers or other personnel generally, and we may designate that such training programs and seminars are mandatory for one or more of the Required Trainees and/or other personnel. We do not anticipate charging a fee for such training, but you will pay for all of the expenses incurred by your personnel, including travel, lodging, meals and wages.

5.5.7 We reserve the right to hold annual meetings for all franchisees and other everbowl Store operators to provide additional training, introduce new products or changes to the System, or for other reasons. We reserve the right to designate that attendance at any annual meeting is mandatory for the Required Trainees and/or other personnel. We charge an Annual Franchisee Meeting Fee in the amount described in the Data Sheet to attend these meetings. Any increase in the Annual Franchisee Meeting Fee will not exceed 10% of the fee charged in the prior year on a compounded basis. You will be responsible for paying the Annual Franchisee Meeting Fee for one (1) attendee regardless of whether you or your representatives attend, and for all travel, lodging, and other expenses associated with attendance.

5.5.8 Notwithstanding anything to the contrary, for any training program or national or regional meeting or conferences that we conduct, we may, in our discretion, supplement or replace in-person training with live or recorded online training modules.

5.6 Compliance with Laws. You shall, and shall ensure that your owners and personnel, comply with all requirements of federal, state and local laws, rules, regulations, and orders, including but not limited to obtaining the appropriate licenses and permits required by your local or state government. You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your Principals otherwise are not in violation of, any of the Anti-Terrorism Laws. “Anti-Terrorism Laws” mean Executive Order 13224 issued by the President of the United States, the U.S. Patriot Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Notwithstanding any non-mandatory suggestion by a governmental agency that you suspend your operations, you will not close the Store without our prior written consent.

SECTION 6. FRANCHISE OPERATIONS

6.1 Maintenance of Store. You shall maintain the Store in a high degree of sanitation, repair and condition, and in connection therewith shall make such additions, alterations, repairs and replacements thereto (but no others without our prior written consent) as may be required for that purpose, including such periodic repainting or replacement of obsolete signs, furnishings, equipment (including the Computer System (as defined in Section 20.1.1)), and décor as we may reasonably direct in order to maintain System-wide integrity and uniformity. You shall also obtain, at your cost and expense, any new or additional equipment (including the Computer System), fixtures, supplies and other products and materials which may be reasonably required by us for you to offer and sell new menu items from the Store or to provide the Store services by alternative means, such as through catering arrangements. Except as may be expressly provided in the Manuals, no material alterations or improvements or changes of any kind in design, equipment, signs, interior or exterior décor items, fixtures or furnishings shall be made in or about the Store or its premises without our prior written approval. If we notify you of any additions, alterations, repairs and replacements required to be made to the Store or the Location and you fail to make such additions, alterations, repairs and replacements within the timeframe we require, we shall have the right, without liability for trespass or tort, to enter the Location and make the additions, alterations, repairs and replacements, and you agree to promptly reimburse us for our expenses in so acting.

6.2 Remodeling and Redecorating. You shall, upon our request, remodel and/or redecorate the Store premises, equipment (including the Computer System), signs, interior and exterior décor items, fixtures, furnishings, supplies and other products and materials required for the operation of the Store to our then-current System Standards. We agree that we shall not require major remodeling and/or redecorating to reflect changes to System Standards more frequently than every five (5) years during the Initial Term of the Agreement, except that if the Store franchise is transferred pursuant to Section 13, we may request that the transferee remodel and/or redecorate the Store premises as described herein.

6.3 Approved Suppliers. You shall comply with all of our System Standards relating to the purchase of all food and beverage items, ingredients, supplies, materials, fixtures, furnishings, equipment (including the Computer System) and other products or services used, or offered for sale, at the Store, and purchase such items from suppliers (including manufacturers, distributors and other sources) approved or designated by us, which may include or be limited to us and/or affiliates. We may also establish commissaries and distribution facilities or negotiate purchase arrangements with suppliers, and require you to purchase goods and services for the development and operation of the Store from such commissaries, distribution facilities or pursuant to the terms of such purchase arrangements. If you wish to purchase any products or services from suppliers (including manufacturers, distributors, or other sources) that we have not designated, you must demonstrate to our reasonable satisfaction that the quality and functionality of the product or service are equivalent to those it replaces and that the supplier or distributor is reputable, financially responsible, and adequately insured for product-liability claims, and you must pay us a Product and Supplier Evaluation Fee of \$1,000 per product or supplier. We may withdraw our approval of any proposed product or supplier at any time. If we have not designated a supplier for any item or service that you wish to use for the development or operation of the Store, you may purchase such item or service from a supplier of your choosing who demonstrates the ability to meet our then-current standards and specifications and possess adequate quality controls and capacity to supply your needs promptly and reliably. You agree that we and our affiliates may periodically receive payments from approved suppliers, such as in the form of rebates, based on such approved suppliers' sales of products and services to our franchisees. We and our affiliates reserve the right to use or distribute or to not use or distribute, in our sole discretion, any supplier rebates, refunds, advertising allowances or other consideration payable or paid as a result of your purchases of goods, services or equipment. You hereby agree that you will not assert any interest in such monies.

6.4 Operation of Store in Compliance with Our Standards. You understand the importance of maintaining uniformity among all Stores and the importance of complying with all of our standards and specifications relating to the operation of the Store. Therefore, to ensure that the highest degree of quality and service is maintained, you shall operate the Store in strict conformity with such of our methods, standards and specifications set forth in the Manuals and as we may from time to time otherwise prescribe in writing. In particular, you also agree to:

6.4.1 sell or offer for sale all menu items, products and services required by us and in the method, manner and style of distribution prescribed by us from time to time;

6.4.2 sell and offer for sale only the menu items, products and services that have been expressly approved for sale in writing by us; to refrain from deviating from our standards and specifications without our prior written consent; and to discontinue selling and offering for sale any menu items, products or services which we may, in our sole discretion, disapprove in writing at any time;

6.4.3 maintain a sufficient supply of, and use, at all times only such ingredients, products, materials, merchandise, supplies and paper goods that conform to our standards and specifications;

6.4.4 use only our approved recipes and preparation techniques in preparing products to be sold at the Store;

6.4.5 permit us or our agents, during normal business hours, to remove a reasonable number of samples of food or non-food items from your inventory or from the Store, without payment therefor, in amounts reasonably necessary for testing by us or an independent laboratory to determine whether such samples meet our then-current standards and specifications. In addition to any other remedies we may have under the Agreement, we may require you to bear the cost of such testing if the supplier of the item has not previously been approved by us or if the sample fails to conform with our reasonable specifications;

6.4.6 purchase or lease and install, at your expense, all fixtures, furnishings, equipment (including the Computer System), décor items, signs, and related items as we may reasonably direct from time to time in the Manuals or otherwise in writing; and to refrain from installing or permitting to be installed on or about the Store premises, without our prior written consent, any fixtures, furnishings, equipment, décor items, signs, games, vending machines or other items not previously approved as meeting our standards and specifications. If any of the property described above is leased by you from a third party, such lease shall be approved by us, in writing, prior to execution;

6.4.7 grant us and our agents the right to enter upon the Store premises, during normal business hours, for the purpose of conducting inspections; to cooperate with our representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from us or our agents and without limiting our other rights under the Agreement, to take such steps as may be necessary to correct immediately any deficiencies detected during any such inspection. Should you, for any reason, fail to correct such deficiencies within a reasonable time as determined

by us, we shall have the right and authority (without, however, any obligation to do so) to correct such deficiencies and charge you a reasonable fee for our expenses in so acting, payable by you immediately upon demand;

6.4.8 maintain a competent, conscientious, trained staff and to take such steps as are necessary to ensure that your employees preserve good customer relations and comply with such dress code as we may reasonably prescribe from time to time;

6.4.9 install and maintain equipment and a high speed telecommunications line in accordance with our specifications to permit us to access and retrieve by telecommunication any information stored on the Point-of-Sale System (or other computer hardware and software) you are required to utilize at the Store premises as specified in the Manuals, thereby permitting us to inspect and monitor electronically information concerning the Store, Gross Sales and such other information as may be contained or stored in such equipment and software. You shall obtain and maintain high speed Internet access or other means of electronic communication, as specified by us from time to time. We shall have access as provided herein at such times and in such manner as we shall from time to time specify;

6.4.10 operate the Store strictly and in all respects in compliance with the Manuals;

6.4.11 sell or otherwise issue gift cards or certificates (together “**Gift Cards**”) through the approved Point-of-Sale system, and only in the manner specified by us in the Manuals or otherwise in writing. You shall fully honor all Gift Cards that are in the form provided or approved by us regardless of whether a Gift Card was issued by you or another everbowl Store. You shall sell, issue, and redeem (without any offset against any Royalty Fees) Gift Cards in accordance with procedures and policies specified by us in the Manuals or otherwise in writing. Currently, we do not require you to add to the Gross Sales the payment received by you at the time of the sale of the Gift Card. However, the value of the Gift Card redeemed at the Store must be added to your Gross Sales. We reserve the right to alter the terms and conditions of any gift card or loyalty programs, including reserving the right to apply changes retroactively to benefits already accrued under such programs;

6.4.12 require all advertising and promotional materials, signs, decorations, paper goods (including menus and all forms and stationery used in the Store), and other items which may be designated by us to bear the Marks in the form, color, location and manner prescribed by us, including notations about the ownership of the Marks;

6.4.13 process and handle all consumer complaints connected with or relating to the Store, and promptly notify us by telephone and in writing of all of the following complaints: (i) food related illnesses, (ii) environmental, safety or health violations, (iii) claims exceeding \$500.00, and (iv) any other material claims against or losses suffered by you. You shall maintain for our inspection any governmental or trade association inspection reports affecting the Store or equipment located in the Store during the Initial Term and for 30 days after the expiration or earlier termination of the Agreement;

6.4.14 participate in all customer surveys and satisfaction audits, which may require that you provide discounted or complimentary products, provided that such discounted or complimentary sales shall not be included in the Gross Sales of the Store. Additionally, you shall participate in any complaint resolution and other programs as we may reasonably establish for the System, which programs may include, without limitation, providing discounts or refunds to customers;

6.4.15 participate, at your expense, in any “mystery shop” quality control and evaluation program we establish or mandate with respect to everbowl Stores;

6.4.16 participate, at your expense, in third-party delivery programs that we designate from time to time;

6.4.17 participate, in online ordering, app ordering, as well as loyalty programs, as available by the Point-of-Sale system; and

6.4.18 operate the Store on the days of the week and for the hours and duration that we designate.

6.5 Proprietary Products. You acknowledge and agree that we and our affiliates have developed, and may continue to develop, for use in the System and for retail sale certain products which are prepared from confidential proprietary recipes and which are trade secrets of us and our affiliates, and other proprietary products bearing the Marks. You agree to use only our secret recipes, proprietary products, and other designated products to prepare various menu items. You shall purchase all such products solely from us or from a source designated by us, which may include or be limited to us or our affiliates. You further agree to purchase from us, our affiliates, or our designated supplier for resale to your customers certain merchandise identifying the System as we shall require, such as logoed merchandise, memorabilia and promotional products, in amounts sufficient to satisfy your customer demand.

6.6 Telephone and Online Presence. You agree that all telephone listings and Online Presence (as defined in Section 17.1.10) related to the Store shall be associated only with the Store and comply, in all respects, with the Manuals and the System Standards, which include our social media policy. You hereby appoint us as your true and lawful attorney-in-fact with full power and authority for the sole purpose of assigning to us only upon the termination or expiration of the Agreement, as required under Section 17.3: (i) all rights to the telephone numbers of the Store and any related and other business listings; and (ii) Online Presence related to the Store. You agree that you have no authority to and shall not establish any Online Presence without our express written consent, which consent may be denied or withdrawn without reason. You agree to sign any documents we deem necessary, from time to time, to effectuate the foregoing.

6.7 Power of Attorney for Taxes. You hereby appoint us as your true and lawful attorney-in-fact with full power and authority for the sole purpose of obtaining any and all returns and reports filed by you with any state or federal taxing authority relating to the Store. You agree to execute any forms or separate authorizations required by the taxing authority for this purpose.

6.8 Unapproved Products and Services. You must not sell any goods or services at or from the Store for wholesale or for resale, unless otherwise approved by us in writing. If you sell, from or associated with the Store or the Marks, any item or service that we have not prescribed, approved or authorized, you shall, immediately upon notice from us: (i) cease and desist offering or providing the unapproved or unauthorized item or service and (ii) pay to us, on demand, an amount equal to \$500 per product per day for each day such unauthorized or unapproved item or service is offered or provided by you after written notice from us as compensation for the expenses we are likely to incur as a result of your noncompliance. This payment is in addition to all other remedies available to us under the Agreement or at law.

6.9 Pricing. Unless prohibited by applicable law, we may periodically set a maximum or minimum price that you may charge for products and services offered by the Store. If we impose such a maximum or minimum price, you may charge any price for the product or service up to and including our designated maximum price or down to and including our designated minimum price. The designated maximum and minimum prices for the same product or service may, at our option, be the same. For any product or service for which we do not impose a maximum or minimum price, we may require you to comply with an advertising policy adopted by us which will prohibit you from advertising any price for a product or service that is different than our suggested retail price. Although you must comply with any advertising policy we adopt, you will not be prohibited from selling any product or service at a price above or below the suggested retail price unless we impose a maximum price or minimum price for such product or service.

SECTION 7. ADVERTISING AND PROMOTION

7.1 Participation in Advertising and Marketing Program. We may from time to time develop and create advertising and sales promotion programs designed to promote and enhance the collective success of all Stores operating under the System. You shall participate in all such advertising and sales promotion programs in accordance with the terms and conditions established by us for each program. In all aspects of these programs, including, without limitation, the type, quantity, timing, placement and choice of media, market areas and advertising agencies, the standards and specifications established by us shall be final and binding upon you. We may, from time to time, incorporate into the System, programs, products or services which we either develop or otherwise obtain rights to, which are offered and sold under names, trademarks and/or service marks other than the Marks and which the Store will be required to offer and sell. This activity, referred to as “cobranding”, may involve changes to the Marks and may require you to make modifications to your premises and the furniture, fixtures, equipment, signs and trade dress of the Store. If you receive written notice that we are instituting a cobranding program, you agree promptly to implement that program at the Store at the earliest commercially reasonable time and to execute any and all instruments required to do so. Under no circumstance will any cobranding program increase your Royalty Fees, Marketing Fee or Local Advertising expenditure obligations under the Agreement.

7.2 Local Advertising. In addition to the Marketing Fee set forth below, throughout the Initial Term, you must spend on a monthly basis an amount equal to one percent (1%) of Gross Sales on advertising and promotion of the Store (“**Local Advertising**”); however, we may upon notice to you, change the amount you must spend on Local

Advertising, but we cannot require that your required Local Advertising expenses and the Marketing Fee (collectively, the “**Required Marketing**”) to exceed five percent (5%) of the Store’s Gross Sales (“**Marketing Cap**”). However, you must provide us with written notice if the Required Marketing exceeds the Marketing Cap, and until we receive your written notice (the “**Marketing Notice**”), you must comply with the Required Marketing requirements, and no excess amounts will be refunded to you. If the Required Marketing exceeds the Marketing Cap, you may, after we receive your Marketing Notice, reduce the Local Advertising expense, but only to the extent and for the time necessary to stay below the Marketing Cap. You must immediately return to full compliance with Required Marketing once the Marketing Cap is no longer exceeded. You shall submit to us, within 30 days of our request, advertising expenditure reports accurately reflecting your Local Advertising expenditures, including verification copies of all marketing and any other information that we require. If you fail to comply with your Local Advertising obligations, then, in addition to our other remedies under the Agreement, we may require you to pay to us or our designee the required spending amount, plus a monthly administration fee of \$500, until we are satisfied, in our discretion, that you will spend it yourself as required. If we exercise this option, we will then spend such amounts, in accordance with local marketing guidelines and programs that we periodically develop, to advertise and promote the Store on your behalf. We may instead, in our discretion, contribute any such amounts to the Marketing Fund (as defined below).

7.3 Marketing Fund. We have established a marketing fund for the purpose of advertising the Marks and System on a regional or national basis (the “**Marketing Fund**”). In addition to the Royalty Fee described in Section 4.2 above, you agree to pay to us a Marketing fee (“**Marketing Fee**”) in the amount set forth on the attached Data Sheet. Such amount shall be contributed to the Marketing Fund and used as described in this Section. The Marketing Fee is payable to us at the same time and in the same manner as the Royalty Fee. You agree that the Marketing Fund shall be maintained and administered by us or our designee as follows:

7.3.1 We or our designee will direct all advertising programs and will have sole discretion to approve or disapprove the creative concepts, materials and media used in such programs and the placement and allocation thereof. You acknowledge that the Marketing Fund is intended to maximize general public recognition and acceptance of the Marks and System, generally. In administering the Marketing Fund, we and our designees undertake no obligation to make expenditures for you which are equivalent or proportionate to your contribution or to ensure that you or any particular franchisee benefits directly or *pro rata* from the placement of advertising. We will be entitled to reimbursement from the Marketing Fund for our reasonable expenses in managing the Marketing Fund (including indirect costs such as salaries for our employees who devote time and effort to Marketing Fund related activities and overhead expenses) and collecting the Marketing Fee (including attorneys’, auditors’ and accountants’ fees and other expenses incurred in connection with collecting any Marketing Fee). The Marketing Fund and its earnings shall not otherwise inure to our benefit.

7.3.2 The Marketing Fund may be used to satisfy any and all costs of maintaining, administering, directing and preparing advertising (including, without limitation, the cost of preparing and conducting television, radio, magazine and newspaper advertising campaigns; direct mail and outdoor billboard advertising; internet marketing; product research and development; public relations activities; employing advertising agencies to assist therein; menu and product development; development and maintenance of our website; website and email hosting; social media initiatives; and costs of our personnel and other departmental costs for advertising that is internally administered or prepared by us). All sums paid by you to the Marketing Fund may be commingled with our general funds but we account for them separately. The Marketing Fund is operated solely as a conduit for collecting and expending the Marketing Fees as outlined above.

7.3.3 We will prepare an annual statement of the operations of the Marketing Fund and will make the most recent year’s statement available to you upon request. This statement of operations is not required to be audited.

7.3.4 Any monies remaining in the Marketing Fund at the end of any year will carry over to the next year. Although the Marketing Fund is intended to be of perpetual duration, we may terminate the Marketing Fund. The Marketing Fund shall not be terminated, however, until all monies in the Marketing Fund have been expended for advertising or promotional purposes or returned to contributing Stores or those operated by us, without interest, on the basis of their respective contributions.

7.3.5 If we elect to terminate the Marketing Fund, we may, in our sole discretion, reinstate the Marketing Fund at any time. If we so choose to reinstate the Marketing Fund, said reinstated Marketing Fund shall be operated as described herein.

7.3.6 Notwithstanding the foregoing, money in the Marketing Fund can be used to produce commercials and ad layout templates that you must adapt for the Store and use in Local Advertising, at your expense. The Marketing Fund may also develop new menus and table tents for use by all Stores in the System, and we may designate that our approved supplier will automatically ship these items to you, at your expense, when they are to be used.

7.4 Your Advertising; Our Approval. All advertising and promotion by you in any medium shall be conducted in a professional and ethical manner, in compliance with all applicable laws and regulations, and in conformity with our System Standards. You shall obtain our approval of all advertising and promotional plans and materials prior to use if such plans and materials have not been prepared by us or previously approved by us during the 12 months prior to their proposed use. You shall submit such unapproved plans and materials to us, and we shall have 15 days to notify you of our approval or disapproval of such materials. If we do not provide our specific approval of the proposed materials within this 15-day period, the proposed materials are deemed to be not approved. We may upon notice to you withdraw our approval of any advertising plan or materials. Any plans and materials that you submit to us for our review will become our property and there will be no restriction on our use or dissemination of such materials. You shall not advertise or use the Marks in any fashion on the Internet, including social media, or via other means of advertising through telecommunication without our express written consent. We reserve the right to require you to include certain language on all advertising to be used locally by you, including, but not limited to, “Franchises Available” and reference to our telephone number and/or website.

7.5 Grand Opening Advertising. In addition to the ongoing advertising contributions set forth herein, you must spend at least \$12,500 on a grand opening advertising campaign to advertise the opening of the Store. The grand opening advertising campaign must commence thirty (30) days prior to the opening of the Store and continue until ninety (90) days after the opening of the Store or such other time and in such manner that we designate. We may require you to pay a portion of or the entire grand opening advertising campaign spend amount to us. If we do so, we will conduct the grand opening advertising campaign on your behalf.

7.6 Websites. We alone may establish, maintain, modify or discontinue all internet, world wide web and electronic commerce activities pertaining to the System. We may establish one or more websites for everbowl Stores and, if we do, we may design and provide for the benefit of the Store a “click through” subpage at our website for the promotion of the Store. If we establish one or more websites or other modes of electronic commerce and if we provide a “click through” subpage at the website(s) for the promotion of the Store, you must routinely provide us with updated copy, photographs and news stories about the Store suitable for posting on your “click through” subpage. We reserve the right to specify the content, frequency and procedure you must follow for updating your “click through” subpage.

Any websites or other modes of electronic or digital commerce that we establish or maintain may – in addition to advertising and promoting the products, programs or services available at Stores– also be devoted in part to offering everbowl Store Franchises for sale and be used by us to exploit the electronic commerce rights which we alone reserve.

In addition to the foregoing, we have established an intranet through which downloads of operations and marketing materials, exchanges of franchisee email, System discussion forums and system-wide communications (among other activities) can be done.

Except as expressly provided in the Agreement or in the Manuals, you may not maintain your own website; otherwise maintain a presence or advertise on the internet or any other mode of electronic commerce in connection with the Store; establish a link to any website we establish at or from any other website or page; or at any time establish any other website, electronic presence, or social media page or account which in whole or in part incorporates the “everbowl” name or any name confusingly similar to the Marks. Unless we give you our written permission, you are not permitted to promote the Store or use any of the Marks in any manner on websites or apps, such as Facebook, Snapchat, Instagram, LinkedIn or Twitter. We will control all social media initiatives for everbowl Stores.

We alone will be, and at all times will remain, the sole owner of the copyrights to all material which appears on any website we establish and maintain, including any and all material you may furnish to us for your “click through” subpage.

SECTION 8. INTELLECTUAL PROPERTY

8.1 Use of Intellectual Property. We grant you the non-exclusive right to use the Marks and the System during the Initial Term strictly in accordance with the System and related standards and specifications.

8.2 Ownership of Intellectual Property; Limited License. You expressly understand and acknowledge that:

8.2.1 We or our affiliates are the owner of all right, title and interest in and to the Marks and the System and the goodwill associated with and symbolized by them. All references herein to our right, title and interest in the Marks and the System shall be deemed to include the owner's right, title and interest in the Marks and the System.

8.2.2 Neither you nor any of your owners shall take any action that would prejudice or interfere with the validity of our rights with respect to the Marks or the System. Nothing in the Agreement shall give you any right, title, or interest in or to any of the System or the Marks or any service marks, trademarks, trade names, trade dress, logos, copyrights or proprietary materials, except the right to use the Marks and the System in accordance with the terms and conditions of the Agreement for the operation of the Store and only at or from its Location or in approved advertising related to the Store.

8.2.3 You understand and agree that the limited license to use the Marks and the System granted hereby applies only to such Marks and System as are designated by us, and which are not subsequently designated by us as being withdrawn from use, together with those which may hereafter be designated by us in writing. You expressly understand and agree that you are bound not to represent in any manner that you have acquired any ownership or equitable rights in any of the Marks or the System by virtue of the limited license granted hereunder, or by virtue of your use of any of the Marks or the System.

8.2.4 You understand and agree that any and all goodwill arising from your use of the Marks and the System shall inure solely and exclusively to our and our affiliates' benefit, and upon expiration or termination of the Agreement and the license herein granted, no monetary amount shall be assigned as attributable to any goodwill associated with your use of the Marks.

8.2.5 You shall not contest the validity of our or our affiliates' interest in the Marks or the System or assist others to contest the validity of, or our interest in, the Marks or the System.

8.2.6 You acknowledge that any unauthorized use of the Marks or the System shall constitute an infringement of our and our affiliates' rights in the Marks and the System and a material event of default hereunder. You agree that you shall provide us with all assignments, affidavits, documents, information and assistance we reasonably request to fully vest in us all such rights, title and interest in and to the Marks, including all such items as are reasonably requested by us to register, maintain and enforce such rights in the Marks and the System.

8.2.7 You understand that the Marks and the System may evolve over time, including after you sign the Agreement. If we decide to modify or discontinue use of any Marks or any components of the System and/or to adopt or use one or more additional or substitute proprietary marks or System components, then you, at your expense, shall be obligated to comply with any such instruction by us. You waive any claim arising from or relating to any Mark or System change, modification or substitution. We will not be liable to you for any expenses, losses or damages sustained by you as a result of any Mark or System addition, modification, substitution or discontinuation. You covenant not to commence or join in any litigation or other proceeding against us for any of these expenses, losses or damages.

8.3 Limitation on Use of Intellectual Property. With respect to your licensed use of the Marks and the System pursuant to the Agreement, you further agree that:

8.3.1 Unless otherwise authorized or required by us, you shall operate and advertise the Store only under the Marks. You shall not use the Marks as part of your corporate or other legal name and shall obtain our approval of a trade name or "d/b/a" prior to filing it with the applicable state authority.

8.3.2 You shall identify yourself as the independent owner of the Store in conjunction with any use of the Marks or the System, including, but not limited to, uses on invoices, order forms, receipts and contracts, as well as the display of a notice in such content and form and at such conspicuous locations on the premises of the Store as we may designate in writing.

8.3.3 You shall not use the Marks to sign any contracts or incur any obligation or indebtedness on our behalf, or in connection with any prospective transfer that would require our approval under Section 13;

8.3.4 You shall comply with all applicable laws regarding filing and maintaining the requisite trade name or fictitious name registrations, and shall execute any documents deemed necessary by us or our counsel to obtain protection of the Marks or to maintain their continued validity and enforceability.

8.4 Notification of Infringement or Claim. You must notify us immediately by telephone and thereafter in writing of any apparent infringement of or challenge to your use of any Mark or component of the System, of any claim by any person of any rights in any Mark or component of the System, and you and your owners or representatives shall not communicate with any person other than us, our counsel and your counsel in connection with any such infringement, challenge or claim. We shall have complete discretion to take such action as we deem appropriate in connection with the foregoing, and the right to control exclusively, any settlement, litigation or Patent and Trademark Office or other proceeding arising out of any such alleged infringement, challenge or claim or otherwise relating to any Mark or component of the System. You agree to execute any and all instruments and documents, render such assistance, and do such acts or things as may, in our opinion, reasonably be necessary or advisable to protect and maintain our interests in any litigation or other proceeding or to otherwise protect and maintain the interests of us or any other interested party in the Marks and the System. We will indemnify you and hold you harmless from and against any and all claims, liabilities, costs, damages and reasonable expenses for which you are held liable in any proceeding arising out of your use of any of the Marks and the System (including settlement amounts), provided that your and your owners' and representatives' conduct with respect to such proceeding and use of the Marks and the System is in full compliance with the terms of the Agreement.

8.5 Non-Disparagement. You agree not to (and cause your current and former owners, officers, directors, agents, employees, representatives, attorneys, spouses, affiliates, successors and assigns not to) disparage or otherwise speak or write negatively, directly or indirectly, of us, our affiliates, any of our or our affiliates' directors, officers, employees, representatives, current and former franchisees or developers, the everbowl® brand, the System, any everbowl Store (including the Store), any business using the Marks, any other brand or concept of us or our affiliates, or which would subject the everbowl® brand or such other brands to ridicule, scandal, reproach, scorn, or indignity, or which would negatively impact the goodwill of the Marks or the System.

SECTION 9.

CONFIDENTIALITY AND NON-COMPETITION COVENANTS

9.1 Confidential Operations Manuals. During the Initial Term, we will give you access to the Manual. You agree to conduct your business in strict accordance with the Manuals, other written directives which we may issue to you from time to time whether or not such directives are included in the Manuals. We reserve the right to provide such Manuals, materials and/or directives electronically. The Manuals, any of our other written directives, and any other manuals and materials, and the information contained therein form part of our Confidential Information (defined below) and, as such, will be afforded the same protections as are provided to all other Confidential Information. The Manuals, written directives, other manuals and materials and any other confidential communications provided or approved by us shall at all times remain our sole property, shall at all times be kept in a secure place on the Store premises, and shall be returned to us immediately upon request or upon termination or expiration of the Agreement. You shall at all times ensure that the Manuals are kept current and up to date. In the event of any dispute as to the contents of the Manuals, the terms of the master copy of the Manuals maintained by us at our headquarters shall control. We reserve the right to charge a replacement fee for any replacement copy of the Manuals or video requested by you.

9.2 Confidential Information. In connection with your business under the Agreement, you and your owners and personnel may from time to time be provided with and/or have access to "Confidential Information," which includes any and all non-public information, knowledge, know-how, techniques and any materials used in or related to the System or to the Store which we provide or make available to you in connection with the Agreement, including but not limited to the Manual, plans and specifications, marketing information and strategies and site evaluation, selection guidelines and techniques, recipes, and Personal Information in connection with the Store (as defined in Section 20.2). Confidential Information does not include Restricted Data and information, knowledge, or know-how, which is lawfully known to the public without violation of applicable law or an obligation to us or our affiliates. All Confidential Information will be owned by us and our affiliates. You acknowledge and agree that (i) you will not acquire any interest

in any of our Confidential Information, other than the right to use it as we specify in operating the Store during the Term, and (ii) that our Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you will protect it. You acknowledge that any unauthorized use or disclosure of our Confidential Information would be an unfair method of competition and a breach of trust and confidence and will result in irreparable harm to us and our affiliates. You agree that during and after the Term you will, and to cause your owners, affiliates, personnel and assigns who have access to our Confidential Information to:

- (a) process, retain, use, collect, and disclose our Confidential Information strictly to the limited extent, and in such a manner, as necessary for the development and operation of the Store in accordance with this Agreement, and not for any other purpose of any kind;
- (b) process, retain, use, collect, and disclose our Confidential Information strictly in accordance with the privacy policies and System Standards we establish from time to time, and our and our representative's instructions;
- (c) keep confidential and not disclose, sell, distribute, or trade our Confidential Information to any person other than those of your employees and representatives who need to know such Confidential Information for the purpose of assisting you in operating the Store in accordance with this Agreement; and you agree that you will be responsible for any violation of this requirement by any of your representatives or employees;
- (d) not make unauthorized copies of any of our Confidential Information;
- (e) adopt and maintain administrative, physical and technical safeguards to prevent unauthorized use or disclosure of any of our Confidential Information, including by establishing reasonable security and access measures, restricting its disclosure to key personnel, and/or by requiring persons who have access to such Confidential Information to be bound by contractual obligations to protect such Confidential Information and preserve our rights and controls in such Confidential Information, in each case that are no less protective or beneficial to us than the terms of this Agreement; and
- (f) at our request, destroy or return any of the Confidential Information.

We are not making any representations or warranties, express or implied, with respect to the Confidential Information. We and our affiliates have no liability to you and your affiliates for any errors or omissions from the Confidential Information.

9.3 Innovations. All ideas, concepts, techniques, or materials relating to the Store and/or the System created by you, your owners or your employees (or for you, your owners or your employees), whether or not protectable intellectual property, must be promptly disclosed to us and will be our sole and exclusive property, part of the System, and works made-for-hire for us (collectively, "Innovations"). To the extent that any Innovation does not qualify as a "work made-for-hire" for us, you hereby waive all moral rights in that item, assign ownership of that item, and all related rights to that item, to us and agree to take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in such Innovation. You represent, warrant, and covenant that your employees and contractors are bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in such Innovations, you hereby agree to assign, and do assign, all right, title and interest in and to such Innovations to us. To that end, you shall execute, verify, and deliver such documents (including, without limitation, assignments) and perform such other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment thereof. Your obligation to assist us with respect to such ownership rights shall continue beyond the expiration or termination of the Agreement. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this Section, you hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment is coupled with an interest and is irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section with the same legal force and effect as if executed by you. The obligations of this Section shall survive any expiration or termination of the Agreement.

9.4 Non-Competition. You acknowledge that, pursuant to the Agreement, you and your owners will receive valuable training and access to Confidential Information and other trade secrets which are beyond your, your owners' and your Required Trainees' and other employees' present skills and experience. You, therefore, agree that neither you nor any of your owners shall, either directly or indirectly, for themselves or through, on behalf of or in conjunction with any person(s), partnership or corporation engage in or with a Competitive Business, as follows:

9.4.1 During the Initial Term: While the Agreement is in effect and, as to your owners, while they have a direct or indirect ownership interest in you, you, they, and your and their immediate family members will not (a) divert, or attempt to divert, any business or customer of the Store to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System, (b) interfere or attempt to interfere with our or our affiliates' relationships with any vendors, franchisees or consultants, or (c) own, maintain, operate, engage in, or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, act as a landlord to, or otherwise provide service, advice, or counsel to any Competitive Business. A "**Competitive Business**" means (i) any business which is of a character and concept similar to everbowl Stores, including a food service business which offers and sells the same or substantially similar food products, or (ii) any business that grants franchises or licenses for the operation of any of the foregoing or provides services to the franchisor or licensor of any of the foregoing.

9.4.2 Following Expiration or Termination: Upon expiration or termination of the Agreement, for any reason, and for two years thereafter and, further, with respect to your owners who cease being owners prior to expiration or termination of the Agreement, for two (2) years following their no longer having any direct or indirect ownership interest in you, you, your owners, and your and your owners' immediate family members will not, directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, persons, partnership, or corporation (a) divert, or attempt to divert, any business or customer of the Store hereunder to any competitor, by direct or indirect inducement or otherwise, or (b) own, maintain, operate, engage in, or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist, or make loans to, act as a landlord to, or otherwise provide service, advice, or counsel to any Competitive Business, which business is, or is intended to be, located at the Location, within a 25-mile radius of the Location, or within a 25-mile radius of the location of any then-existing everbowl Store.

9.4.3 The parties agree that each of the covenants herein shall be construed as independent of any other covenant or provision of the Agreement. If all or any portion of a covenant in this Section is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which we are a party, you and your owners expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section. We will have the right, in our sole and absolute discretion, to reduce the scope of any covenant set forth in this Section 9.4, or any portion thereof, without their consent, effective immediately upon notice to you; and you and your owners agree that they shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 18.2 hereof. The existence of any claims you or your owners may have against us, whether or not arising from the Agreement, shall not constitute a defense to our enforcement of the covenants in this Section.

The restrictions contained in this Section 9.4 shall not apply to ownership of less than a 5% beneficial interest in the outstanding equity securities of any publicly held corporation.

9.5 Failure to Comply. You acknowledge that any failure to comply with the requirements of this Section will result in irreparable injury to us for which no adequate remedy at law may be available, and, therefore, we may seek injunctive relief to enforce the restrictions set forth in Section 9. You agree to pay all court costs and reasonable attorneys' fees incurred by us in connection with the enforcement of this Section, including payment of all costs and expenses for obtaining specific performance of, or an injunction against violation of, the requirements of such Section.

SECTION 10. BOOKS AND RECORDS

10.1 Books and Records. You shall maintain during the Initial Term and for at least three (3) years from the dates of their preparation, full, complete and accurate books, records and accounts, including, but not limited to,

sales slips, coupons, purchase orders, payroll records, check stubs, bank statements, sales tax records and returns, cash receipts and disbursements, journals and ledgers, records of EFT transactions, and backup or archived records of information maintained on any computer system in accordance with generally accepted accounting principles and in the form and manner prescribed by us from time to time in the Manuals or otherwise in writing.

10.2 Reports. In addition to the Royalty Report required by Section 4.4 hereof, you shall comply, at your expense, with the following reporting obligations:

10.2.1 submit to us, in the form we prescribe, a report of Gross Sales and a profit and loss statement for each calendar month (which may be unaudited) for you within 15 days after the end of each calendar month during the term hereof;

10.2.2 submit to us, in the form we prescribe, a report of Gross Sales and a profit and loss statement for each calendar quarter (which may be unaudited) for you within 15 days after the end of each calendar quarter during the term hereof;

10.2.3 submit to us a complete annual financial statement (which shall be reviewed) prepared by an independent certified public accountant, within 90 days after the end of each fiscal year during the term hereof, showing the results of your operations during such fiscal year; we reserve the right to require such financial statements to be audited by an independent certified public accountant satisfactory to us at your cost and expense if an inspection discloses an understatement of payments due to us of two percent (2%) or more in any report, pursuant to Section 10.3;

10.2.4 submit to us, in the form we prescribe, an inventory report for the Store detailing the quantities of inventory of raw materials and supplies purchased and used for each calendar month, within 15 days after the end of each calendar month during the term hereof; and

10.2.5 submit to us, for review or auditing, such other forms, reports, records, information and data as we may reasonably designate, and which pertain to the Store, in the form and at the times and places reasonably required by us, upon request and as specified from time to time in writing.

10.3 Inspections; Audits. We or our designees shall have the right, during normal business hours, to review, audit, examine and copy any or all of your books and records as we may require at the Store. You shall make such books and records available to us or our designees immediately upon request. If any required payments due to us are delinquent, or if an inspection should reveal that such payments have been understated in any report to us, then you shall immediately pay to us the amount overdue or understated upon demand with interest determined in accordance with the provisions of Section 4.5 above. If an inspection discloses an understatement in any report you have provided to us of two percent (2%) or more, or if the inspection is caused by your failure to timely submit required reports, you shall pay us 50% of the underreported Gross Sales and interest thereon and reimburse us for all costs and expenses connected with the inspection (including, without limitation, reasonable accounting and attorneys' fees). These remedies shall be in addition to any other remedies we may have at law or in equity.

10.3.1 We and our designated agents or representatives, may at all times and without prior notice to you: (1) inspect the Store; (2) observe, photograph, and record (audio and/or video) the Store's operation for consecutive or intermittent periods we deem necessary; (3) remove samples of any products and supplies; (4) speak with the Store's personnel and customers; (5) inspect your Computer Systems including hardware, software, security, configurations, connectivity, and data access; and (6) inspect and copy any books, records, and documents relating to the Store's operation. Additionally, we may contract with third parties to conduct mystery shopper, customer survey or other market research testing, and quality assurance inspections at the Store. You consent to all photos and video and/or audio recordings and agree to cooperate with us fully during the course of these inspections and tests. You further agree to obtain all third-party consents required under applicable law to permit such photos and video and/or audio recordings in connection with the Store. You agree to reimburse us for the cost of any quality assurance inspection and mystery shoppers that we engage to inspect the Store from time to time.

10.3.2 You agree to pay us a re-inspection fee of \$500 per inspection and reimburse all of our costs (including supplier fees, travel expenses, room and board, and compensation of our employees) associated with re-inspections or follow-up visits that we conduct after any audit or inspection of the Store identifies one or more failures of System Standards, and/or if any follow-up visit is necessary because we or our designated representatives were for any reason prevented from properly inspecting any or all of the Store (including because you or your owners or personnel refuse entry to the premises of the Store).

10.4 Correction of Errors. You understand and agree that our receipt or acceptance of any of the statements furnished or Royalty Fee paid to us (or the cashing of any royalty checks or processing of any EFTs) shall not preclude us from questioning the correctness thereof at any time and, in the event that any inconsistencies or mistakes are discovered in such statements or payments, they shall immediately be rectified by you and the appropriate payment shall be made by you.

10.5 Authorization Regarding Third Parties. You hereby authorize (and agree to execute any other documents deemed necessary to effect such authorization) all banks, financial institutions, businesses, suppliers, manufacturers, contractors, vendors and other persons or entities with which you do business to disclose to us any requested financial information in their possession relating to you or the Store. You authorize us to disclose data from your reports, if we determine, in our sole and absolute discretion, that such disclosure is necessary or advisable, which disclosure may include disclosure to prospective or existing franchisees or other third parties.

SECTION 11. INSURANCE

11.1 Required Insurance. You shall procure, before beginning construction or build-out of the Store, and shall maintain in full force and effect at all times during the Initial Term of the Agreement (and for such period thereafter as is necessary to provide the coverages required hereunder for events having occurred during the Initial Term of the Agreement) at your expense, an insurance policy or policies protecting you and us, our successors and assigns, our affiliates, and our respective officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of each of them against any demand or claim with respect to personal injury, death or property damage, or any loss, liability or expense whatsoever arising or occurring upon or in connection with the Store. The types and amounts of coverages will be set forth in the Manuals from time to time. All required policies shall be written by responsible, duly licensed carriers reasonably acceptable to us and shall include, at a minimum (except as additional coverages and higher policy limits may reasonably be specified by us from time to time), any insurance that you must have according to the terms of the lease for the Location and as required by applicable law. You agree to provide us with proof of compliance with these requirements. Should you, for any reason, fail to procure or maintain the insurance required by the Agreement, as such requirements may be revised from time to time by us in writing, we shall have the right and authority (without, however, any obligation to do so) immediately to procure such insurance. If we do so, then you must reimburse the cost and expenses incurred by us in procuring such insurance coverages together with a 15% administrative fee. The foregoing remedies shall be in addition to any other remedies we may have at law or in equity.

SECTION 12. DEBTS AND TAXES

12.1 Taxes. You shall promptly pay when due all Taxes (as defined below), levied or assessed, and all accounts and other indebtedness of every kind incurred by you in the conduct of the Store under the Agreement. Without limiting the provisions of Section 14, you shall be solely liable for the payment of all Taxes and shall indemnify us for the full amount of all such Taxes and for any liability (including penalties, interest and expenses) arising from or concerning the payment of Taxes, whether such Taxes were correctly or legally asserted or not. You shall submit a copy of all tax filings sent to federal, state and local tax authorities to us within 10 business days after such filing has been made with the appropriate taxing authority. The term “Taxes” means any present or future taxes, levies, imposts, duties or other charges of whatever nature, including any interest or penalties thereon, imposed by any government or political subdivision of such government on or relating to the operation of the Store, the payment of monies, or the exercise of rights granted pursuant to the Agreement.

12.2 Payments to Us. Each payment to be made to us hereunder shall be made free and clear and without deduction for any Taxes.

12.3 Tax Disputes. In the event of any bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with the procedures of the taxing authority or applicable law. However, in no event shall you permit a tax sale or seizure by levy of execution or similar writ or warrant or attachment by a creditor to occur against the premises of the Store or any improvements thereon. You shall notify and deliver to us, in writing within five (5) days of the commencement of any action, suit or

proceeding and of the issuance of any order, writ, injunction, award or decree of any court, agency, other governmental instrumentality or by a third party against you or an insurer, which may adversely affect the operation or financial condition of the Store.

SECTION 13. TRANSFER OF INTEREST

13.1 Transfer by Us. We may, without restriction, assign the Agreement and all of our attendant rights and privileges, or delegate our performance hereunder, to any person, firm, corporation or other entity.

13.2 Transfer by You. You understand and acknowledge that the rights and duties set forth in the Agreement are personal to you, and that we have granted rights under the Agreement in reliance on the business skill, financial capacity and personal character of you and, as applicable, your owners. Accordingly, neither you nor any owner, nor any successor or assignee of you or any owner, shall sell, assign (including but not limited to by operation of law, such as an assignment under bankruptcy or insolvency laws, in connection with a merger, divorce or otherwise), transfer, convey, give away, pledge, mortgage or otherwise encumber any direct or indirect interest in the Agreement, the operation, management, or the Lease of the Store, any of the Store's material assets (other than in connection with replacing, upgrading or otherwise dealing with such assets as required or permitted by the Agreement), or in you (each referred to herein as a "**Transfer**"), in each case without our prior written consent. Any purported assignment or transfer, by operation of law or otherwise, made in violation of the Agreement shall be null and void and shall constitute a material event of default under the Agreement.

13.3 Our Consent to Transfer. If you or your owners wish to engage in a Transfer, the transferor and the proposed transferee shall apply to us for our consent. We will not unreasonably withhold our consent to a Transfer, but we will be entitled to reasonably condition our consent, including in some or all of the following ways:

13.3.1 all of the accrued monetary and other obligations arising under the Agreement or any other agreement between us or our affiliates and you or your affiliates (or, as applicable, the proposed transferor) and all trade accounts and other debts of the Store, of whatever nature or kind, shall be satisfied;

13.3.2 you and your affiliates provide us all information or documents we request about the proposed transfer, the transferee, and its owners;

13.3.3 you and your affiliates shall not be in default of any provision of the Agreement, any amendment hereof or successor hereto, or any other agreement between you or any of your affiliates and us or any of our affiliates at the time of transaction;

13.3.4 you, the transferor and its principals (if applicable) shall have executed a general release, in a form reasonably satisfactory to us, of any and all claims against us, our officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them, in their corporate and individual capacities, including, without limitation, claims arising under the Agreement and federal, state and local laws, rules and regulations;

13.3.5 the transferee shall demonstrate to our reasonable satisfaction that transferee meets the criteria considered by us when reviewing a prospective franchisee's application for a Franchise;

13.3.6 the transferee shall execute, for a term ending on the expiration of the Initial Term and with such successor terms as may be provided by the Agreement, the standard form franchise agreement then being offered to new everbowl Store franchisees and other ancillary agreements as we may require for the Store, which agreements shall supersede the Agreement and its ancillary documents in all respects and the terms of which agreements may differ from the terms of the Agreement, including, without limitation, the then-current Royalty Fee and Marketing Fee; provided, however, that the transferee shall not be required to pay an initial franchise fee;

13.3.7 the transferee, at its expense, shall renovate, modernize and otherwise upgrade the Store to conform to the then-current System Standards, and shall complete the upgrading and other requirements which conform to the System-wide standards within the time period reasonably specified by us;

13.3.8 the transferor shall remain liable for all of the obligations to us in connection with the Store incurred prior to the effective date of the Transfer and shall execute any and all instruments reasonably requested by us to evidence such liability;

13.3.9 at the transferee's expense, the transferee, the transferee's Operating Principal, Store Lead and/or any other applicable personnel shall complete any training programs then in effect for franchisees of Stores upon such terms and conditions as we may reasonably require;

13.3.10 you shall pay to us a transfer fee in an amount equal to the greater of \$5,000 or 5% of the purchase price. You must also pay us \$5,000 to cover our expenses associated with the Transfer; and

13.3.11 you shall not take from the transferee a security interest in the Store or in any of the Store's assets without our prior written consent, which shall not be unreasonably withheld. In connection therewith, the secured party will be required by us to agree that its security interests will be subordinate to our security interests in the Store and its assets.

13.4 Our Right of First Refusal. If you wish to transfer all or part of your interest in the Store or the Agreement or if your owners wish to transfer any ownership interest in you, pursuant to any bona fide offer received from a third party to purchase such interest, then such proposed seller shall promptly notify us in writing of each such offer and provide such information and documentation relating to the offer as we may require. We shall have the right and option, exercisable within 30 days after receipt of such written notification and copies of all documentation required by us describing such offer, to send written notice to the seller that we intend to purchase the seller's interest on the same terms and conditions offered by the third party, except that (a) we may substitute cash for any non-cash consideration proposed to be paid by the buyer, and (b) we may deduct from the purchase price any monies that are then owed to us or our affiliates under the Agreement or any other agreement. If we elect to purchase the seller's interest, closing on such purchase must occur within the latest of (i) 60 days from the date of notice to the seller of the election to purchase by us, (ii) 60 days from the date we receive or obtain all necessary documentation, permits and approvals, or (iii) such other date as the parties agree upon in writing. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by us as in the case of an initial offer. Our failure or refusal to exercise the option afforded by this Section 13.4 shall not constitute a waiver of any other provision of the Agreement, including all of the requirements of Section 13.2 or Section 13.3 with respect to a proposed transfer. We may assign our rights under this Section 13.4 to any other person or entity, subject to Section 13.1 above.

13.5 No Waiver of Claims. Our consent to a Transfer shall not constitute a waiver of any claims we have against the transferring party, nor shall it be a waiver of our right to demand material and full compliance with any of the terms of the Agreement by the transferee.

13.6 Certain Transfers Among Owners. Notwithstanding the foregoing, Transfers of direct or indirect ownership interests in you by one owner to another existing owner shall not require our prior written consent or be subject to our right of first refusal as long as the Transfer, alone or together with any other Transfers, does not result in the creation of a new Controlling Principal or causing a Controlling Principal to no longer be a Controlling Principal. You shall promptly notify us of such proposed Transfer in writing and shall provide such information relative thereto as we may reasonably request prior to such Transfer, together with payment of \$1,000.

SECTION 14. INDEMNIFICATION

14.1 Indemnification by You. You shall, at all times, indemnify and hold harmless to the fullest extent permitted by law, us, our successors and assigns, our and their respective partners and affiliates, and the officers, directors, owners, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them ("Indemnitees"), from all "losses and expenses" (as defined in Section 14.4 below) incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) that arises out of your breach of the Agreement, that arises out of or is based upon the development or operation of the Store (whether or not in compliance with the Agreement), your employment practices, any activity that occurs at the Location, or that are alleged to have been caused by you or your employees acting as our employees or agents.

14.2 Notification of Action or Claim. You agree to give us prompt notice of any such action, suit, proceeding, claim, demand, inquiry, investigation, and/or audit or similar proceeding. At your expense and risk, we may elect to assume (but under no circumstance are we obligated to undertake) or appoint associate counsel of our own

choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation. Such an undertaking by us shall, in no manner or form, diminish your or any guarantor's obligation to indemnify the Indemnitees and to hold them harmless.

14.3 We May Settle. In order to protect persons or property, or our reputation or goodwill, or the reputation or goodwill of others, we may, at any time and without notice, as we in our reasonable judgment deem appropriate, consent or agree to settlements or take such other remedial or corrective action as we deem expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation.

14.4 Losses and Expenses. All losses and expenses incurred under this Section 14 shall be chargeable to and paid by you or your owners pursuant to your obligations of indemnity under this Section, regardless of any actions, activity or defense undertaken by us or the subsequent success or failure of such actions, activity, or defense. As used in this Section 14, the phrase "losses and expenses" shall include, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, reasonable attorneys' fees, court costs, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

14.5 Recovery from Third Parties. Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against you or any of your owners. You and each of your owners agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from you or any of your owners by the Indemnitees.

14.6 Survival of Terms. You, for yourself and your owners, expressly agree that the terms of this Section 14 shall survive the termination, expiration or transfer of the Agreement or any interest herein.

SECTION 15. RELATIONSHIP OF THE PARTIES

15.1 No Fiduciary Relationship. You understand and agree that you are and will be an independent contractor, and nothing in the Agreement may be interpreted as creating a partnership, joint venture, agency, employment or fiduciary relationship of any kind. You agree that you alone are to exercise day-to-day control over all operations, activities and elements of the Store, and that under no circumstance shall we do so or be deemed to do so. You further acknowledge and agree, and will never claim otherwise, that the various restrictions, prohibitions, specifications and procedures of the System which you are required to comply with under the Agreement, whether set forth in our Manuals or otherwise, do not directly or indirectly constitute, suggest, infer or imply that we control any aspect or element of the day-to-day operations of the Store, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of the Store.

15.2 Your Employees. You hereby irrevocably affirm, attest and covenant your understanding that your employees are employed exclusively by you or, as applicable, your affiliates and in no fashion is any such employee employed, jointly employed or co-employed by us. You further affirm and attest that each of your employees is under your exclusive dominion and control and never under our direct or indirect control in any fashion whatsoever. You alone hire each of your employees; set their schedules; establish their compensation rates; and pay all salaries, benefits and employment-related liabilities (such as workers' compensation insurance premiums/payroll taxes/Social Security contributions/unemployment insurance premiums). You alone have the ability to discipline or terminate your employees to the exclusion of us, and you acknowledge that we have no such authority or ability. You further attest and affirm that any minimum staffing requirements established by us are solely for the purpose of ensuring that the Store is at all times staffed at those levels necessary to operate the Store in conformity with the System and the products, services, standards of quality and efficiency, and other everbowl brand attributes known to and desired by the consuming public and associated with the Marks. You may staff the Store with as many employees as you desire at any time so long as our minimal staffing levels are achieved. Moreover, you affirm and attest that any training provided by us for your employees is geared to impart to those employees, with your ultimate authority, the various procedures, protocols, systems and operations of a Store and in no fashion reflects any employment relationship between us and

such employees. Finally, should it ever be asserted that we are the employer, joint employer or co-employer of any of your employees in any private or government investigation, action, proceeding, arbitration or other setting, you irrevocably agree to assist us in defending said allegation, including (if necessary) appearing at any venue requested by us to testify on our behalf (and, as may be necessary, submitting yourself to depositions, other appearances and/or preparing affidavits dismissive of any allegation that we are the employer, joint employer or co-employer of any of your employees). To the extent we are the only named party in any such investigation, action, proceeding, arbitration or other setting to the exclusion of you, should any such appearance by you be required or requested by us, we will recompense you the reasonable costs associated with your appearing at any such venue.

15.3 You are Not Authorized. You understand and agree that nothing in the Agreement authorizes you or any of your owners to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name or the Marks, and that we shall in no event assume liability for, or be deemed liable under the Agreement as a result of, any such action, or for any act or omission of you or any of your owners or any claim or judgment arising therefrom. It is understood that you may not, without our prior written approval, have any authority to obligate us for any expenses, liabilities or other obligations, other than as specifically provided in the Agreement. Unless otherwise explicitly authorized by the Agreement, neither party will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between us and you is other than that of franchisor and franchisee. We do not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by you which are not expressly authorized under the Agreement. We will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to your operation of the Store.

SECTION 16. TERMINATION

16.1 Automatic Termination – No Right to Cure. You acknowledge and agree that each of your obligations described in the Agreement is a material and essential obligation of yours; that non-performance of such obligations will adversely and substantially affect us and the System; and that our exercise of the rights and remedies set forth herein is appropriate and reasonable. You shall be in default under the Agreement, and all rights granted to you herein shall automatically terminate without notice to you, if you, or any of your Controlling Principals become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or a Controlling Principal, or such a petition is filed against and not opposed by you or a Controlling Principal; if you or a Controlling Principal is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver or other custodian for you, a Controlling Principal, or your or its business or assets is filed and consented to by you or such Controlling Principal; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a *supersedeas* bond is filed); if you are dissolved; if execution is levied against your business or property; if suit to foreclose any lien or mortgage against the premises or equipment is instituted against you and not dismissed within thirty (30) days; or if the real or personal property of the Store shall be sold after levy thereupon by any sheriff, marshal, or constable.

You shall be deemed to be in material default and we may, at our option, terminate the Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, (except as otherwise stated below), effective immediately upon notice to you, if:

16.2.1 you operate the Store or sell any products or services authorized by us for sale at the Store at a location other than the Location;

16.2.2 you fail to timely acquire a Location, construct the Store, or open the Store by the Opening Deadline;

16.2.3 you (i) close the Store for business or inform us of your intention to cease operation of the Store, (ii) fail to actively operate the Store for three (3) or more consecutive days, or (iii) otherwise abandon or appear to have abandoned your rights under the Agreement;

16.5 Other Remedies Upon Default. If you are in breach of any obligation under the Agreement, and we deliver to you a notice of default, then in addition to our other rights under the Agreement, at law, or in equity, (i) we have the right to suspend our performance of any of our obligations under the Agreement including, without limitation, the sale or supply of any services or products for which we are an approved supplier to you and/or suspension of your “click through” subpage on our website, until such time as you correct the breach; and (ii) you agree to sign our then-

current form of Franchise Agreement (the terms of which will materially differ from the terms of the Agreement), which will replace the Agreement and thereafter govern the operation of the Store for the remainder of the Initial Term.

SECTION 17. POST-TERMINATION

17.1 On Expiration or Termination of the Agreement. Upon expiration or termination, for any reason, of the Agreement, all rights granted hereunder to you shall forthwith terminate, and:

17.1.1 **Cease Operations.** You shall immediately cease to operate the Store under the Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of ours.

17.1.2 **Stop Using the System.** You shall immediately and permanently cease to use, in any manner whatsoever, the Marks, and any confidential methods, computer software, procedures, and techniques associated with the System and will de-image the Location and exterior and interior of the Store to remove any indication that the premises or building are or were part of the System.

17.1.3 **Cancellation of Assumed Names.** You shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the Marks, and you shall furnish us with evidence satisfactory to us of compliance with this obligation within five (5) days after termination or expiration of the Agreement.

17.1.4 **No Use of Similar Marks.** You agree, if you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks, including any trade dress, either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our rights in and to the Marks, and further agree not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us constituting unfair competition.

17.1.5 **Payment of Sums Owed.** You shall promptly pay all sums owing to us. Such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by us as a result of any default by you and the enforcement of your obligations under the Agreement.

17.1.6 **Return of Manuals and Materials.** You shall immediately deliver to us all Manuals, videos, software licensed by us (if any), records, files, instructions, correspondence, all materials related to operating the Store, including, without limitation, agreements, invoices, and any and all other materials relating to the operation of the Store in your possession or control, and all copies thereof (all of which are acknowledged to be our property), and shall retain no copy or record of any of the foregoing, except your copy of the Agreement and of any correspondence between the parties and any other documents which you reasonably need for compliance with any provision of law. Notwithstanding the foregoing, if any of the aforesaid information is in digital format, we reserve the right to require you to return the digital files to us or to destroy the digital files and provide proof of their destruction.

17.1.7 **Other Confidential Information.** You shall comply with the restrictions on Confidential Information contained in Section 9.2 of the Agreement and shall also comply with the non-competition covenants contained in Section 9.4. Any other person required to execute similar covenants pursuant to Section 9 shall also comply with such covenants.

17.1.8 **Advertising and Promotional Material.** You shall also immediately furnish us with an itemized list of all advertising and sales promotion materials bearing the Marks or any of our distinctive markings, designs, labels, or other marks thereon, whether located on your premises or under your control at any other location. We shall have the right to inspect these materials. We shall have the option, exercisable within 30 days after such inspection, to purchase any or all of the materials at your cost, or to require you to destroy and properly dispose of such materials. Materials not purchased by us shall not be utilized by you or any other party for any purpose unless authorized in writing by us.

17.1.9 **Signage.** Upon execution of the Agreement, in partial consideration of the rights granted hereunder, you acknowledge and agree that all right, title and interest in the signs used at the Store are hereby assigned to us, and that upon termination or expiration of the Agreement, neither you nor any lien holder of yours shall have any further interest therein.

17.1.10 **Contact Identifiers and Online Presence.** You shall cease using or operating with any Contact Identifiers or Online Presence related to the Store or the Marks, and take any action as may be required to transfer exclusive control and access of such Contact Identifier or Online Presence to us or our designee or, at our option, to

disable such Contact Identifier or Online Presence. “**Contact Identifiers**” are each telephone or facsimile number, directory listing, and any other type of contact information used by or that identifies or is associated with the Store, and “**Online Presence**” is any website, domain name, email address, social media account, user name, other online presence or presence on any electronic, virtual, or digital medium of any kind;

17.1.11 Assignment of Lease. If the Lease is with a third party or you have leased any equipment used in the operation of the Store, then you shall, at our option, assign to us any interest which you have in the Lease or any such equipment lease. We may exercise such option at or within 30 days after either termination or (subject to any existing right to successor franchise) expiration of the Agreement. If we do not elect to exercise our option to acquire the Lease, you shall make such modifications or alterations to the Store premises as are necessary to distinguish the appearance of the Store from that of other everbowl Stores and shall make such specific additional changes as we may reasonably request. If you fail or refuse to comply with the requirements of this Section 17.1.11, we shall have the right to enter upon the premises of the Store, without being guilty of trespass or any other crime or tort, to make or cause to be made such changes as may be required, at your expense, which expense you agree to pay upon demand. Notwithstanding the provisions of this Section 17.1.10 to the contrary, if the Lease is assigned to us, we hereby indemnify and hold harmless you and any guarantors under said lease, for any breach by us or our successors or assigns from any liability arising out of the lease for the Store premises from and after the date of the assignment of Lease.

17.1.12 Restrictive Covenants. You and your owners must comply with the post-termination non-compete covenants described in Section 9.4 and non-disparagement covenants described in Section 8.5. You and your owners will not interfere or attempt to interfere with our or our affiliates’ relationships with any vendors, franchisees or consultants.

17.2 Our Right to Purchase. On expiration or termination of the Agreement, we shall have the option, to be exercised within 30 days after termination or expiration of the Agreement (the “**Election Period**”), to purchase from you, free and clear of all liens and with customary representations and warranties, any or all of the furnishings, equipment (including Computer System), signs, fixtures, motor vehicles, supplies, inventory, and other assets related to the operation of the Store, at fair market value; provided that the fair market value will not include any value for (i) the Franchise or any rights granted by the Agreement, or (ii) goodwill arising from the operations of the Store or attributable to our Marks, brand image and other intellectual property. We shall be purchasing your assets only and shall be assuming no liabilities whatsoever, unless otherwise agreed to in writing by the parties. If we elect to exercise this purchase option, we shall have the right to set off against the purchase price (i) all amounts due from you and your affiliates to us and our affiliates, and (ii) any costs incurred in connection with any escrow arrangement (including reasonable legal fees), against any payment therefor.

If you dispute the calculation of the purchase price, the purchase price will be determined by one independent accredited appraiser designated by us who will calculate the purchase price applying the criteria specified above. We agree to select the appraiser within 15 days after we receive the financial and other information necessary to calculate the purchase price (if you and we have not agreed on the purchase price before then). You and we will share equally the appraiser’s fees and expenses. The appraiser must complete its calculation within 30 days after its appointment. The purchase price will be the appraiser’s determination of the value, applying the appropriate mechanism as described above.

The time for closing of the purchase and sale of the properties described in this Section shall be a date not later than 30 days after the purchase price is determined by the parties or the determination of the appraisers, or such date we receive and obtain all necessary permits and approvals, whichever is later, unless the parties mutually agree to designate another date. The closing shall take place at our corporate offices or at such other location as the parties may agree. Upon our request, you agree to execute and deliver to us (or our assignee):

- (i) an asset purchase agreement and all related agreements, in form and substance acceptable to us and in which you provide all customary warranties and representations, including representations and warranties as to ownership and condition of and title to assets, liens and encumbrances on assets, validity of contracts and agreements, and liabilities affecting the assets, contingent or otherwise;

- (ii) a transfer of good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to us), with all sales and other transfer taxes paid by you;
- (iii) an assignment of all of the licenses and permits for the Store which may be assigned or transferred;
- (iv) an assignment of the Lease signed by the landlord and the tenant of the Store Location. If you or any of your affiliates, owns the premises of the Location of the Store, you agree to (or cause your affiliate to) lease the Store premises to us or our designated affiliate on terms and conditions that are commercially reasonable in light of the location and condition of the premises and other relevant circumstance; and
- (v) general releases, in form and substance satisfactory to us, of any and all claims you and your owners have against us and our shareholders, officers, directors, employees, agents, successors, and assigns.

During the Election Period and through the closing (if we elect to exercise the option to purchase the Store), we shall have the right to (i) assume the operations of the Store, or (ii) require you to close the Store. In either case, you shall maintain in force all insurance policies, the Lease, and business licenses required pursuant to this Agreement through the closing date, unless we do not exercise the purchase option prior to the expiration of the Election Period. If we elect to assume operations, you acknowledge and agree that any and all revenue of the Store during such period will belong to us.

We may assign any and all of our options in this Section to any other party, without your consent.

17.3 Liquidated Damages. If we terminate the Agreement with cause, you must pay us, within 15 days after the date of termination, liquidated damages equal to the average value of the Royalty Fees you paid or owed (per week) to us during the 52 weeks preceding the last date of regular operations of the Store multiplied by (i) 104, being the number of weeks in two (2) full years, or (ii) the number of weeks remaining during the Initial Term, whichever is less. The parties agree that it would be impracticable to determine precisely the damages we would incur from the Agreement's termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determining what costs, if any, we might have saved and how much the Royalty Fees would have grown over what would have been the Agreement's remaining term. The parties hereto consider this liquidated damages provision to be a reasonable, good faith pre-estimate of those damages. This liquidated damages provision only covers our damages from the loss of cash flow from the Royalty Fees. It does not cover any other damages, including damages to our reputation with the public and landlords and damages arising from a violation of any provision of the Agreement other than the Royalty Fee section. You and each of your owners agree that the liquidated damages provision does not give us an adequate remedy at law for any default under, or for the enforcement of, any provision of the Agreement other than the Royalty Fee section.

SECTION 18. MISCELLANEOUS

18.1 Notices. Any and all notices required or permitted under the Agreement shall be in writing and shall be directed to the respective parties at the addresses shown on the attached Data Sheet or these Terms, as applicable, unless and until a different address has been designated by written notice to the other party. Notices shall be deemed to have been delivered on the earlier of the date of actual delivery to the physical address or email server (as applicable) or one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery.

18.2 Entire Agreement. The Agreement, including the attached Data Sheet and attachments, constitutes the entire, full and complete agreement between us and you concerning the subject matter hereof and shall supersede all prior related agreements between us and you. Except for those permitted to be made unilaterally by us hereunder, no amendment, change or variance from the Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in the Agreement or in any related agreement or exhibit to the Agreement is intended to disclaim the representations we made in the franchise disclosure document.

18.3 No Waiver. The following provision applies if you or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

No delay, waiver, omission or forbearance on our part to exercise any right, option, duty or power arising out of any breach or default under the Agreement shall constitute a waiver by us to enforce any such right, option, duty or power against you, or as to a subsequent breach or default by you. Acceptance by us of any payments due to us hereunder subsequent to the time at which such payments are due shall not be deemed to be a waiver by us of any preceding breach by you of any terms, provisions, covenants or conditions of the Agreement.

18.4 No Warranty or Guaranty. We make no warranties or guarantees upon which you may rely and assume no liability or obligation to you or any third party to which we would not otherwise be subject, by providing any waiver, approval, advice, consent or suggestion to you in connection with the Agreement, or by reason of any neglect, delay or denial of any request therefor.

18.5 Arbitration. We and you agree that all controversies, disputes, or claims between us or our affiliates, and our and their respective shareholders, officers, directors, agents, and employees, on the one hand, and you (and your owners, guarantors, affiliates, and employees), on the other hand, arising out of or related to: (1) the Agreement or any other agreement between you (or any of your affiliates) and us (or any of our affiliates); (2) our relationship with you; (3) the scope or validity of the Agreement or any other agreement between you (or any of your affiliates) and us (or any of our affiliates) or any provision of any of such agreements (including the validity and scope of the arbitration provision under this Section 18.5, which we and you acknowledge is to be determined by an arbitrator, not a court); or (4) any standard which forms part of the System must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Section otherwise provides, according to the then-current Commercial Arbitration Rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator in San Diego, California, or, at our option, in the city in which our (or our successor's or assign's) headquarters are then located (currently, Vista, California). All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). The decision of the arbitration shall be final and binding upon each party and may be enforced by any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any of the trademarks owned by us or our affiliates generic or otherwise invalid or, except as expressly provided in this Section 18.5, award any punitive, exemplary, or multiple damages against any party to the arbitration proceeding (we and you hereby waiving to the fullest extent permitted by law any such right to or claim for any punitive, exemplary, or multiple damages against any party to the arbitration proceedings).

We and you agree to be bound by the provisions of any applicable contractual or statutory limitations provision, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each party must submit or file any controversy, dispute, or claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding. Any controversy, dispute, or claim which is not submitted or filed as required will be forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us.

We and you agree that arbitration will be conducted on an individual basis and that an arbitration proceeding between us and our affiliates, or our and their respective shareholders, officers, directors, agents, and employees, on the one hand, and you (or your Controlling Principals, guarantors, affiliates, and employees) may not be: (i) conducted on a class-wide basis, (ii) commenced, conducted or consolidated with any other arbitration proceeding, (iii) or brought

on your behalf by any association or agency. Notwithstanding the foregoing, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a controversy, dispute, or claim that otherwise would be subject to arbitration under this Section, then all parties agree that this arbitration clause shall not apply to that controversy, dispute, or claim and that such controversy, dispute, or claim shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of the Agreements.

Despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit our controversy, dispute or claim for arbitration on the merits as provided in this Section.

The provisions of this Section are intended to benefit and bind certain third-party non-signatories and will continue in full force and effect subsequent to and notwithstanding the expiration or termination of the Agreements.

Any provisions of the Agreement below that pertain to judicial proceedings shall be subject to the agreement to arbitrate contained in this Section.

18.6 Venue; Governing Law. Except to the extent governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.), the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other United States federal law, the Agreement and the relationships created hereunder will be interpreted under, and any controversy, dispute, or claim shall be governed by, the laws of the state in which the Store is operated or is to be located, which laws shall prevail in the event of any conflict of law. Subject to the obligation to arbitrate under Section 18.5 above, you and your Controlling Principals agree that all actions arising under the Agreement (or any other agreement between us and our affiliates and you and your affiliates), the Store, and all controversies, disputes, or claims arising from the relationship between you and us must be commenced in the court nearest to San Diego, California, or, at our option, the city in which our (or our successor's or assign's) headquarters are then located (currently, Vista, California), and you (and each owner) irrevocably submit to the jurisdiction of that court and waive any objection you (or the owner) might have to either the jurisdiction of or venue in such courts.

18.7 WAIVER OF PUNITIVE DAMAGES; WAIVER OF JURY TRIAL. YOU, THE CONTROLLING PRINCIPALS AND WE HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OR ANY PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR OTHER DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS) AGAINST EITHER PARTY, THEIR OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, AGENTS, REPRESENTATIVES, INDEPENDENT CONTRACTORS, SERVANTS AND EMPLOYEES, IN THEIR CORPORATE AND INDIVIDUAL CAPACITIES, ARISING OUT OF ANY CAUSE WHATSOEVER (WHETHER SUCH CAUSE BE BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE) AND AGREE THAT IN THE EVENT OF A DISPUTE, EITHER PARTY SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT. IF ANY OTHER TERM OF THE AGREEMENT IS FOUND OR DETERMINED TO BE UNCONSCIONABLE OR UNENFORCEABLE FOR ANY REASON, THE FOREGOING PROVISIONS OF WAIVER BY AGREEMENT OF PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR OTHER DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS) SHALL CONTINUE IN FULL FORCE AND EFFECT.

WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY CONTROVERSY, DISPUTE, OR CLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF US AGAINST THE OTHER. ANY AND ALL CONTROVERSIES, DISPUTES, AND CLAIMS ARISING OUT OF OR RELATING TO THE AGREEMENT, THE RELATIONSHIP OF YOU AND US, OR YOUR OPERATION OF THE STORE, BROUGHT BY EITHER PARTY HERETO AGAINST THE OTHER, WHETHER IN ARBITRATION OR A LEGAL ACTION, SHALL BE COMMENCED WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CONTROVERSY, DISPUTE, OR CLAIM, OR SUCH CONTROVERSY, DISPUTE, OR CLAIM SHALL BE BARRED; EXCEPT FOR: (1) CLAIMS ARISING FROM YOUR NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS YOU OWE US FOR ROYALTY FEE OR ANY OTHER AMOUNTS THAT WOULD ACCRUE UNDER THIS AGREEMENT; AND (2) OUR (AND CERTAIN OF OUR RELATED PARTIES') RIGHT TO SEEK INDEMNIFICATION FROM YOU FOR THIRD-PARTY CLAIMS AS PROVIDED IN THIS AGREEMENT.

18.8 Execution in Multiple Counterparts. The Agreement may be executed in multiple counterparts, each of which when so executed shall be an original, and all of which shall constitute one and the same instrument.

18.9 Captions. The captions used in connection with the sections and subsections of the Agreement are inserted only for the purpose of reference. Such captions shall not be deemed to govern, limit, modify or in any other manner affect the scope, meaning or intent of the provisions of the Agreement or any part thereof nor shall such captions otherwise be given any legal effect.

18.10 Survival of Terms. Any obligation of you or the Controlling Principals that contemplates performance of such obligation after termination or expiration of the Agreement or the transfer of any interest of you or the Controlling Principals therein, shall be deemed to survive such termination, expiration or transfer.

18.11 Severability of Provisions. Except as expressly provided to the contrary herein, each portion, section, part, term and provision of the Agreement shall be considered severable; and if, for any reason, any portion, section, part, term or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, this shall not impair the operation of, or have any other effect upon, the other portions, sections, parts, terms or provisions of the Agreement that may remain otherwise intelligible, and the latter shall continue to be given full force and effect and bind the parties; the invalid portions, sections, parts, terms or provisions shall be deemed not to be part of the Agreement; and there shall be automatically added such portion, section, part, term or provision as similar as possible to that which was severed which shall be valid and not contrary to or in conflict with any law or regulation.

18.12 Construction. All references herein to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable. The term “**your owners**” shall include your direct and indirect owners. The term “**including**” shall mean including, without limitation. Without limiting the obligations individually undertaken by the Controlling Principals under the Agreement, all acknowledgments, promises, covenants, agreements and obligations made or undertaken by you in the Agreement shall be deemed, jointly and severally, undertaken by all of the Controlling Principals.

18.13 Rights and Remedies Cumulative. All rights and remedies of the parties to the Agreement shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of the Agreement or any other agreement between you or any of your affiliates and us.

18.14 No Rights or Remedies Except to the Parties. Except as expressly provided to the contrary herein, nothing in the Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than you, us, our officers, directors, members and employees and such of your and our respective successors and assigns as may be contemplated (and, as to you, authorized by Section 13), any rights or remedies under or as a result of the Agreement.

18.15 Modification of the System. You understand and agree that the System must not remain static if it is to meet presently unforeseen changes in technology, competitive circumstances, demographics, populations, consumer trends, societal trends and other marketplace variables, and if it is to best serve the interests of us, you and all other franchisees. Accordingly, you expressly understand and agree that we may from time to time change the components of the System including, but not limited to, altering the products, programs, services, methods, standards, forms, policies and procedures of that System; abandoning the System altogether in favor of another system in connection with a merger, acquisition, other business combination or for other reasons; adding to, deleting from or modifying those products, programs and services which the Store is authorized and required to offer; modifying or substituting entirely the building, premises, equipment, signage, trade dress, décor, color schemes and uniform specifications and all other unit construction, design, appearance and operation attributes which you are required to observe hereunder; and changing, improving, modifying, or substituting other words or designs for, the Marks. You expressly agree to comply with any such modifications, changes, additions, deletions, substitutions and alterations; provided, however, that such changes shall not materially and unreasonably increase your obligations hereunder.

You shall accept, use and effectuate any such changes or modifications to, or substitution of, the System as if they were part of the System at the time that the Agreement was executed.

We shall not be liable to you for any expenses, losses or damages sustained by you as a result of any of the modifications contemplated hereby. You hereby covenant not to commence or join in any litigation or other proceeding against us or any third party complaining of any such modifications or seeking expenses, losses or damages caused thereby. You expressly waive any claims, demands or damages arising from or related to the foregoing activities including any claim of breach of contract, breach of fiduciary duty, fraud, and/or breach of the implied covenant of good faith and fair dealing.

18.16 Step-In Rights. If we determine in our sole judgment that the operation of the Store is in jeopardy, you incapable of operating the Store, or if a default occurs, then in order to prevent an interruption of the Store which would cause harm to the System and thereby lessen its value, you authorize us or our designee to operate the Store for as long as we deem necessary and practical, and without waiver of any other rights or remedies which we may have under the Agreement (the “**Step-In Rights**”). In our sole judgment, we may deem you incapable of operating the Store if, without limitation, you are, or your Operating Principal is, absent or incapacitated by reason of illness or death; you have failed to pay when due or have failed to remove any and all liens or encumbrances of any and every kind placed upon or against the Store; or we determine that operational problems require that we operate the Store for a period of time that we determine, in our sole discretion, to be necessary to maintain the operation of the business as a going concern. If we exercise our Step-In Rights, you must pay us a fee in an amount equal to 15% of the Gross Sales of the Store during the time we exercise the Step-In Rights and reimburse us for the expenses incurred by us or our designee in exercising the Step-In Rights. We shall keep in a separate account all monies generated by the operation of the Store, less (i) the expenses of the Store, (ii) our fee for exercising the Step-In Rights, and (iii) the expenses incurred by us in exercising our Step-In Rights. In the event of our exercise of the Step-In Rights, you agree to hold harmless us and our representatives for all actions occurring during the course of such temporary operation. You agree to pay all of our reasonable attorneys’ fees and costs incurred as a consequence of our exercise of the Step-In Rights. Nothing contained herein shall prevent us from exercising any other right which we may have under the Agreement, including, without limitation, termination. Your indemnification obligations under the Agreement will continue to apply during any period that we or our designee operate the Store. We may freely assign any part of our rights under this Section to a third party. You agree that we or our designee need to exercise only a reasonable degree of care in operating the Store and are under no duty to take extraordinary measures or, in any way, fund the operations to ensure the Store’s success or continued operations during or after such period. You agree that you will continue to bear sole liability for any and all accounts payable, obligations, and/or contracts, including all obligations under the Store’s Lease and all obligations to your vendors and employees and contractors, unless and until we expressly assume them in connection with the purchase of your Center under Section 17.2.

18.17 Costs and Legal Fees. If we are required to enforce the Agreement in a judicial or arbitration proceeding, you shall reimburse us for our costs and expenses, including, without limitation, reasonable accountants’, attorneys’, attorney assistants’, and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If we are required to engage legal counsel in connection with any failure by you to comply with the Agreement, you shall reimburse us for any of the above-listed costs and expenses incurred by us.

18.18 Prohibited Parties. You hereby represent and warrant to us, as an express consideration for the franchise granted hereby, that neither you nor any of your employees, agents, or representatives, nor any other person or entity associated with you, is now, or has been:

(1) Listed on: (a) the U.S. Treasury Department’s List of Specially Designated Nationals, (b) the U.S. Commerce Department’s Denied Persons List, Unverified List, Entity List, or General Orders, (c) the U.S. State Department’s Debarred List or Nonproliferation Sanctions, or (d) the Annex to U.S. Executive Order 13224.

(2) A person or entity who assists, sponsors, or supports terrorists or acts of terrorism, or is owned or controlled by terrorists or sponsors of terrorism.

You further represent and warrant to us that you are now, and have been, in compliance with U.S. anti-money laundering and counter-terrorism financing laws and regulations, and that any funds provided by you to us or our affiliates are and will be legally obtained in compliance with these laws. You agree not to, and to cause all employees, agents, representatives, and any other person or entity associated with you not to, during the Initial Term, take any action or refrain from taking any action that would cause such person or entity to become a target of any such laws and regulations.

SECTION 19. SECURITY INTERESTS

As security for the performance of your obligations under the Agreement, including payments owed to us for purchase by you, you hereby collaterally assign to us the Lease and grant us a security interest in all of the assets of the Store, including but not limited to inventory, accounts, supplies, contracts, cash derived from the operation of the Store and sale of other assets, and proceeds and products of all those assets. You agree to execute such other documents as we may reasonably request in order to further document, perfect and record our security interest. If you default in any of your obligations under the Agreement, we may exercise all rights of a secured creditor granted to us by law, in addition to our other rights under the Agreement and at law. If a third party lender requires that we subordinate our security interest in the assets of the Store as a condition to lending you working capital for the construction or operation of the Store, we will agree to subordinate pursuant to terms and conditions determined by us. The Agreement shall be deemed to be a Security Agreement and Financing Statement and may be filed for record as such in the records of any county and state that we deem appropriate to protect our interests.

SECTION 20. TECHNOLOGY

20.1 Computer System. The following terms and conditions shall apply with respect to your computer system:

20.1.1 You must acquire and use all hardware, required software, technology, and other IT systems that we specify from time to time, including computer, Point-of-Sale Systems, financial and reporting software, telecommunications systems, together with the associated hardware, software, applications, integrations, and related equipment and services (collectively, the “**Computer System**”). We may establish System Standards for the Computer System and/or require the use of designated Computer System for any purpose associated with the Store, including purchasing equipment and supplies, pricing, scheduling, accounting, security, data management, information storage, retrieval and transmission, customer information, customer programs, marketing, communications, or any other business purpose. You and we acknowledge and agree that changes to technology are dynamic and not predictable. You shall at your cost make, from time to time, such upgrades and other changes to the Computer System as we may request in writing.

20.1.2 You shall record all sales, including third-party and catering, on the computer-based point-of-sale system approved and provided by us or on such other types of systems as may be designated by us in the Manual or otherwise in writing (“**Point-of-Sale System**”).

20.1.3 You also agree to obtain and use, according to our then-current System Standards, a branded email address in connection with the operations of the Store. You further agree that all business communications relating to the Store, including communications with vendors, customers, governmental agencies, and other third parties, shall be conducted exclusively through the branded email address, which will serve as the official email address of record for the Store. We may charge a Branded Email Address Fee for providing a second and each subsequent branded email address for the Store. We may increase the Branded Email Address Fee depending on our third-party vendor cost related to such services. ATTACHMENT B TO AGREEMENT

FORM LEASE RIDER

TO LEASE AGREEMENT DATED _____
BY AND BETWEEN

_____, AS "LANDLORD"
AND

_____, AS "TENANT" FOR THE DEMISED PREMISES
("PREMISES") DESCRIBED THEREIN

This Rider and the provisions hereof are hereby incorporated into the body of the lease to which this Rider is attached (the "Lease"), and the provisions hereof shall be cumulative of those set forth in the Lease, but to the extent of any conflict between any provisions of this Rider and the provisions of the Lease, this Rider shall govern and control.

1. Consent to Collateral Assignment to Franchisor; Disclaimer. Landlord acknowledges that Tenant intends to operate an everbowl store in the Premises, and that Tenant's rights to operate an everbowl store and to use the everbowl name, trademarks and service marks are solely pursuant to a franchise agreement ("Franchise Agreement") between Tenant and EVERBOWL FRANCHISE, LLC ("Franchisor"). Tenant's operations at the Premises are independently owned and operated. Landlord acknowledges that Tenant alone is responsible for all obligations under the Lease unless and until Franchisor or another franchisee expressly, and in writing, assumes such obligations and takes actual possession of the Premises. Notwithstanding any provisions of this Lease to the contrary, Landlord hereby consents, without payment of a fee and without the need for further Landlord consent, to (i) the collateral assignment of Tenant's interest in this Lease to Franchisor to secure Tenant's obligations to Franchisor under the Franchise Agreement, or (ii) Franchisor's (or any entity owned or controlled by, or under common control with, Franchisor) succeeding to Tenant's interest in the Lease by mutual agreement of Franchisor and Tenant, or as a result of Franchisor's exercise of rights and remedies under such collateral assignment or as a result of Franchisor's termination of, or exercise of rights or remedies granted in or under, any other agreement between Franchisor and Tenant, or (iii) Tenant's, Franchisor's or any other franchisee of Franchisor's assignment of the Lease to another franchisee of Franchisor with whom Franchisor has executed its then-standard franchise agreement. Landlord, Tenant and Franchisor agree and acknowledge that simultaneously with such assignment pursuant to the immediately preceding sentence, Franchisor shall be released from all liability under the Lease or otherwise accruing after the date of such assignment (in the event Franchisor is acting as the assignor under such assignment), but neither Tenant nor any other franchisee shall be afforded such release in the event Tenant/such franchisee is the assignor unless otherwise agreed by Landlord. Landlord further agrees that all unexercised renewal or extension rights shall not be terminated in the event of any assignment referenced herein but shall inure to the benefit of the applicable assignee.

2. Notice and Cure Rights to Franchisor. Prior to exercising any remedies hereunder (except in the event of imminent danger to the Premises), Landlord shall give Franchisor written notice of any default by Tenant, and commencing upon receipt thereof by Franchisor, Franchisor shall have 10 additional days to the established cure period as is given to Tenant under the Lease for such default, provided that in no event shall Franchisor have a cure period of less than (i) 10 days after Franchisor's receipt of such notice as to monetary defaults or (ii) 30 days after Franchisor's receipt of such notice as to non-monetary defaults. Landlord agrees to accept cure tendered by Franchisor as if the same was tendered by Tenant, but Franchisor has no obligation to cure such default. The initial address for notices to Franchisor is as follows:

Everbowl Franchise, LLC
1300 Specialty Drive, #100
Vista, California 92081

3. Non-disturbance from Mortgage Lenders. Notwithstanding anything contained in the Lease to the contrary or in conflict, it shall be a condition of the Lease being subordinated to any mortgage, deed of trust, deed to secure debt

Attachment B-1

or similar encumbrance on the Premises that the holder of such encumbrance agree not to disturb Tenant's rights under this Lease or Tenant's possession of the Premises, so long as Tenant is not in default of its obligations hereunder beyond an applicable grace or cure period provided herein (as may be extended from time to time pursuant to paragraph 6 immediately above).

CHECK THE FOLLOWING PARAGRAPH THAT APPLIES. CHECK ONLY ONE. IF NONE IS CHECKED, THEN CLAUSE a) BELOW WILL BE APPLICABLE, AND CLAUSE b) BELOW WILL BE DEEMED DELETED

A) ☐ Landlord represents and warrants that on the date hereof no mortgage, deed of trust, deed to secure debt or similar encumbrance encumbers the Premises.

B) ☐ A mortgage, deed of trust or deed to secure debt currently encumbers the Premises. It is a condition precedent to Tenant's obligations under this Lease that the holder of such encumbrance enter into a written subordination and non-disturbance agreement with Tenant, in form acceptable to Franchisor.

4. Financing of Trade Fixtures by Franchisor and Security Interest. Any security interest or Landlord's lien in Tenant's trade fixtures, 'trade dress', equipment and other personal property in the Premises is hereby subordinated to any security interest and pledge granted to Franchisor in such items. The parties acknowledge that there may be certain personal property in the Premises which are not owned by Tenant, which property shall not be subject to any lien of Landlord. Upon request, Landlord shall grant the party who owns such property reasonable access to the Premises for the sole purpose of removing such property, provided such party repairs any damage caused by such removal and otherwise complies with Landlord's reasonable requirements with respect to such access.

5. Third Party Beneficiary. For so long as Franchisor holds a collateral assignment of the Lease, Franchisor is a third party beneficiary of the Lease, including, without limitation, this Rider, and as a result thereof, shall have all rights (but not the obligation) to enforce the same.

6. Franchisor Right to Enter. Landlord acknowledges that, under the Franchise Agreement, Franchisor or its appointee has the right to assume the management and operation of the Tenant's business, on Tenant's behalf, under certain circumstances (to-wit: Tenant's abandonment, Tenant's failure to timely cure its default of the Franchise Agreement, and while Franchisor evaluates its right to purchase the store). Landlord agrees that Franchisor or its appointee may enter upon the Premises for purposes of assuming the management and operation of Tenant's store as provided in the Franchise Agreement and, if it chooses to do so, it will do so in the name of the Tenant and without assuming any direct liability under the Lease unless Franchisor exercises such rights to assume the Lease as set forth in Section 1 of this Rider. Further, upon the expiration or earlier termination of this Lease or the Franchise Agreement, Franchisor or its designee may enter upon the Premises for the purpose of removing all signs and other material bearing the everbowl name or trademarks, service marks or other commercial symbols of Franchisor.

7. Amendments. Tenant agrees that the Lease may not be terminated, modified or amended without Franchisor's prior written consent, nor shall Landlord accept surrender of the Premises without Franchisor's prior written consent. Tenant agrees to promptly provide Franchisor with copies of all proposed modifications or amendments and true and correct copies of the signed modifications and amendments.

8. Counterparts. This Rider may be executed in one or more counterparts, each of which shall cumulatively constitute an original. PDF/Faxed signatures of this Rider shall constitute originals of the same.

DO NOT SIGN THIS QUESTIONNAIRE IF YOU ARE LOCATED, OR YOUR EVERBOWL FRANCHISE WILL BE LOCATED, IN: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, OR WISCONSIN.

REPRESENTATIONS AND ACKNOWLEDGMENT STATEMENT

The purpose of this Statement is to demonstrate to Everbowl Franchise, LLC (“Franchisor”) that the person(s) signing below (“I,” “me” or “my”), whether acting individually or on behalf of any legal entity established to acquire the multi-unit development and/or franchise rights (“Franchisee”), (a) fully understands that the purchase of an everbowl Store franchise is a significant long-term commitment, complete with its associated risks, and (b) is not relying on any statements, representations, promises or assurances that are not specifically set forth in Franchisor’s Franchise Disclosure Document and Exhibits (collectively, the “FDD”) in deciding to purchase the franchise.

In that regard, I represent to Franchisor and acknowledge that:

I understand that buying a franchise is not a guarantee of success. Purchasing or establishing any business is risky, and the success or failure of the franchise is subject to many variables such as my skills and abilities (and those of my partners, officers, employees), the time my associates and I devote to the business, competition, interest rates, the economy, inflation, operation costs, location, lease terms, the market place generally and other economic and business factors. I am aware of and am willing to undertake these business risks. I understand that the success or failure of my business will depend primarily upon my efforts and not those of Franchisor.	INITIAL:
I received a copy of the FDD, including the Franchise Agreement and Multi-Unit Development Agreement, at least 14 calendar days before I executed the Franchise Agreement and/or the Multi-Unit Development Agreement, as applicable. I understand that all of my rights and responsibilities and those of Franchisor in connection with the franchise are set forth in these documents and only in these documents. I acknowledge that I have had the opportunity to personally and carefully review these documents and have, in fact, done so. I have been advised to have professionals (such as lawyers and accountants) review the documents for me and to have them help me understand these documents. I have also been advised to consult with other franchisees regarding the risks associated with the purchase of the franchise.	INITIAL:
Neither the Franchisor nor any of its officers, employees or agents (including any franchise broker) has made a statement, promise or assurance to me concerning any matter related to the franchise (including those regarding advertising, marketing, training, support service or assistance provided by Franchisor) that is contrary to, or different from, the information contained in the FDD.	INITIAL:
My decision to purchase the franchise has not been influenced by any oral representations, assurances, warranties, guarantees or promises whatsoever made by the Franchisor or any of its officers, employees or agents (including any franchise broker), including as to the likelihood of success of the franchise.	INITIAL:
I have made my own independent determination as to whether I have the capital necessary to fund the business and my living expenses, particularly during the start-up phase.	INITIAL:

PLEASE READ THE FOLLOWING QUESTION CAREFULLY. THEN SELECT YES OR NO AND PLACE YOUR INITIALS WHERE INDICATED.

INITIAL:

Have you received any information from the Franchisor or any of its officers, employees or agents (including any franchise broker) concerning actual, average, projected or forecasted sales, revenues, income, profits or earnings of the franchise business (including any statement, promise or assurance concerning the likelihood of success)?

☐ Yes ☐ No (Initial Here: ____)

If you selected "Yes," please describe the information you received on the lines below:

_____.

Prohibited Parties Clause. I acknowledge that Franchisor, its employees and its agents are subject to U.S. laws that prohibit or restrict (a) transactions with certain parties, and (b) the conduct of transactions involving certain foreign parties. These laws include, without limitation, U.S. Executive Order 13224, the U.S. Foreign Corrupt Practices Act, the Bank Secrecy Act, the International Money Laundering Abatement and Anti-terrorism Financing Act, the Export Administration Act, the Arms Export Control Act, the U.S. Patriot Act, and the International Economic Emergency Powers Act, and the regulations issued pursuant to these and other U.S. laws. As part of the express consideration for the purchase of the franchise, I represent that neither I nor any of my employees, agents, or representatives, nor any other person or entity associated with me, is now, or has been listed on:

1. the U.S. Treasury Department's List of Specially Designated Nationals;
2. the U.S. Commerce Department's Denied Persons List, Unverified List, Entity List, or General Orders;
3. the U.S. State Department's Debarred List or Nonproliferation Sanctions; or
4. the Annex to U.S. Executive Order 13224.

I warrant that neither I nor any of my employees, agents, or representatives, nor any other person or entity associated with me, is now, or has been: (i) a person or entity who assists, sponsors, or supports terrorists or acts of terrorism; or (ii) is owned or controlled by terrorists or sponsors of terrorism. I warrant that I am now, and have been, in compliance with U.S. anti-money laundering and counter-terrorism financing laws and regulations, and that any funds provided by me to Franchisor were legally obtained in compliance with these laws.

I further covenant that neither I nor any of my employees, agents, or representatives, nor any other person or entity associated with me, will, during the term of the Franchise Agreement become a person or entity described above or otherwise become a target of any anti-terrorism law.

RECITALS

A. We and our affiliates have developed (and may continue to develop, revise and evolve) and claim ownership of a system for establishing and operating stores that operate under the name and brand “**everbowl**” and offer, among other things, a variety of superfood-based bowls and smoothies with various toppings. In the Agreement, we use “**everbowl Stores**” to refer to everbowl-branded stores that operate as part of our System, and we use “**Store**” to refer to the everbowl Store for which you will acquire franchise rights pursuant to the Agreement. We use “**System**” to refer to the network of authorized everbowl Stores;

B. everbowl Stores are required to operate in accordance with our standards and specifications (the “**System Standards**”), including, without limitation, specified exterior and interior design, décor, color scheme, and furnishings; proprietary products and ingredients; proprietary recipes and special menu items; uniform standards, specifications, and procedures for operations; quality and uniformity of products and services offered; procedures for inventory, management and financial control; training and assistance; and advertising and promotional programs; all of which may be changed, improved, and further developed by us from time to time;

C. everbowl Stores and the products and services they offer are identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including, but not limited to, the mark “**everbowl**”, and such other trade names, service marks, and trademarks as are now designated (and may hereafter be designated by us in writing) for use in connection with the System (hereinafter referred to as “**Marks**”);

D. We grant to persons and entities we believe meet our criteria the right and license to develop, own and operate an everbowl Store (a “**Franchise**”), and, in some cases, to enter into multiple franchise agreements for everbowl Stores at locations within a development area; and

E. You have requested that we grant you rights to acquire franchises to develop multiple everbowl Stores and, in support of your request, you and, as applicable, your owners have provided us with information regarding your qualifications and financial capacity (the “**Application Materials**”). In reliance on the Application Materials, we are willing to grant your request on the terms and conditions contained in the Agreement.

SECTION 1. GRANT

1.1 Grant of Development Rights. In reliance on the Application Information and the representations and warranties of you and your Controlling Principals (as defined in Section 13.5) hereunder, we hereby grant to you the right (and you hereby accept the obligation), as described herein, to acquire multiple franchises (“**Development Rights**”) to develop everbowl Stores in the Development Area described in the attached Data Sheet. In this regard, the parties further agree that:

Concurrently with the execution of the Agreement, you must execute the first Franchise Agreement for the first Store to be developed in satisfaction of your development obligation hereunder and pay the entire initial franchise fee under such Franchise Agreement. You shall exercise the Development Rights granted hereunder only by entering into a separate Franchise Agreement with us for each everbowl Store for which a Development Right is granted. We may, in our reasonable discretion, permit you to exercise such Development Rights through affiliated entities that are either wholly owned subsidiaries of yours or commonly controlled entities with ownership determined by you, provided you first deliver timely notice of such affiliated entities to us for our review prior to signing the applicable Franchise Agreement. All Franchise Agreements to be executed pursuant to the Agreement shall be on our then-current form and shall be executed and delivered to us when you propose, and we approve, a site for the Store. The then-current form of Franchise Agreement may differ from the form we were using at the time you executed the Agreement, except that the initial franchise fee will be as provided on the Data Sheet.

3.2 Compliance with Development Schedule. Acknowledging that time is of the essence, and subject to the requirements of Section 4, you agree to exercise your Development Rights according to the Development Schedule. You

shall open each Store developed hereunder and shall commence business in accordance with the time periods set forth in the Development Schedule.

3.3 Failure to Comply with Development Schedule. Your failure to adhere to the Development Schedule shall constitute a material event of default under the Agreement, and the remaining for portion of the Development Fee will be accelerated as provided on the Data Sheet.

SECTION 4. PREREQUISITES TO OBTAINING FRANCHISES

4.1 You understand and agree that the Agreement does not confer upon you a right or franchise to operate any everbowl Store or to use our Marks or our System, but is rather intended by the parties to set forth the terms and conditions which, if fully satisfied by you, shall entitle you to obtain the right to develop everbowl Stores within the Development Area.

4.2 Each of the following conditions and approvals must have occurred or be obtained before the grant of the right by us to develop each Store shall become effective. You must meet each of the operational, financial, and legal conditions set forth below (collectively, the “**Conditions**”) before such rights shall become effective:

4.2.1 **Operational:** You must be in compliance with the Development Schedule and each other provision of the Agreement. You and each entity that is controlled by, controlling or under common control with you (collectively, “**your Affiliate**”) must be in material compliance with all other agreements to which we and/or our affiliates are a party (including, without limitation, the Franchise Agreements and any other Multi-Unit Development Agreements). You must be properly conducting the operation of your existing Stores, if any, and must be capable of conducting the operation of the proposed Store (a) in accordance with the provisions of the respective Franchise Agreement, and (b) in accordance with the standards, specifications, and procedures set forth and described in the “**Manuals**” (as such term is defined in the Franchise Agreement), as such Manuals may be amended from time to time, or otherwise in writing.

4.2.2 **Financial:** You and your Affiliates must not then be in default, and for the 12 month period preceding your request for financial approval must not have been in default, of any monetary obligations owed to us or our affiliates under any other agreement to which we and/or our affiliates are a party (including, without limitation, the Franchise Agreements and any other Multi-Unit Development Agreements). You acknowledge and agree that it is vital to our interest that each of our franchisees is financially sound to avoid failure of an everbowl Store and that such failure would adversely affect the reputation and good name of us and our System of franchisees.

4.2.3 **Legal:** You must have submitted to us, in a timely manner and in accordance with all applicable federal and state franchise disclosure laws, all information and documents requested by us prior to and as a basis for the issuance of individual franchises or pursuant to any right granted to you by the Agreement or by any Franchise Agreement, and must have taken such additional actions in connection therewith as may be reasonably requested in writing by us from time to time.

If we determine, in our reasonable discretion, that you and your Controlling Principals have met all the Conditions described above, then we will allow you to enter into a Franchise Agreement to develop such additional Stores pursuant to the Development Schedule.

4.3 You assume all cost, liability, expense and responsibility for locating, obtaining and developing a site for the Store, and for constructing and equipping the Store at such site. You acknowledge that the location, selection, procurement and development of a site for the Store is your responsibility; that in discharging such responsibility you shall consult with real estate and other professionals of your choosing; and that our approval of a prospective site and the rendering of assistance in the selection of a site does not constitute a representation, promise, warranty or guarantee, express or implied, by us that the Store operated at that site will be profitable or otherwise successful.

4.4 You shall locate a site for the Store that satisfies the site selection guidelines provided to you by us and shall submit to us in the form specified by us a description of the site, including evidence reasonably satisfactory to us demonstrating that the site satisfies our site selection guidelines, together with such other information and materials as we may reasonably require, including, but not limited to, a letter of intent or other evidence satisfactory to us which confirms your favorable prospects for obtaining the site. We shall have 15 days after receipt of this information and materials to accept or decline, in our sole discretion, the proposed site as the location for the Store.

4.5 No site may be used for the location of the Store unless it is first accepted in writing by us. You acknowledge and agree that our acceptance of a location for the Store is not a warranty or guaranty, express or implied, that you will achieve any particular level of success at the location or that your Store will be profitable. Our acceptance of a location for the Store only signifies that the location meets our then-current minimum criteria for an everbowl Store that we have established solely for our own purposes. We reserve the right to approve deviations from our site selection standards based on the individual factors and components of a particular site, but any such approvals shall be granted in our sole discretion.

SECTION 5. TERM

5.1 **Term.** Unless sooner terminated in accordance with the Agreement, the term of the Agreement and all rights granted by us under the Agreement shall expire on the date on which the final Store to be developed hereunder has opened for business or the last day of the last day by which you are required under the Development Schedule to open Stores, whichever is earlier.

SECTION 6. YOUR DUTIES, REPRESENTATION AND WARRANTIES

You and your Controlling Principals, as applicable, make the following representations, warranties and covenants and accept the following obligations:

6.1 **Representations of Non-Individual.** If you are a corporation, limited liability company, partnership, or other form of non-individual legal entity, you and the Controlling Principals represent, warrant and covenant that:

6.1.1 You are duly organized and validly existing under the state law of your formation;

6.1.2 You are duly qualified and are authorized to do business in each jurisdiction in which your business activities or the nature of the properties owned by you require such qualification;

6.1.3 The execution of the Agreement and the performance of the transactions contemplated hereby are within your power as provided under your organizational and governing documents and have been duly authorized by you and your owners;

6.1.4 Your governing documents shall not be amended in any way that impacts your ability to comply with your obligations under the Agreement without our prior written consent;

6.1.5 Your owners, as of the Effective Date, are as reflected on the Data Sheet hereto and will not hereafter change unless done so in accordance with the Agreement;

6.1.6 You will maintain sufficient working capital to fulfill your obligations under the Agreement; and

6.1.7 The Controlling Principals and Operating Principal (defined below) shall, jointly and severally, assume and guarantee the performance of all of your obligations, covenants and agreements hereunder pursuant to the terms and conditions of the guaranty contained in Attachment A hereto.

6.2 Operating Principal and Controlling Principals.

6.2.1 The Controlling Principals are those of your owners who we reasonably determine from time to time, either because of the extent of their direct or indirect ownership interests in you or the nature of the authority you grant them, control you or any governing board, your management decisions, or your activities under the Agreement. On execution of the Agreement, you shall designate, subject to our approval, one of your owners holding at least a 10% direct or indirect ownership interest in you to serve as your Operating Principal (the "Operating Principal"). The Operating Principal shall, during the entire period he/she serves as such, meet and maintain the following qualifications:

(a) work on a full-time basis and devote substantially all of his or her time and best efforts to the supervision and conduct of the business contemplated by the Agreement;

(b) meet our reasonable standards and criteria for such individual, as set forth in the Manuals or otherwise in writing by us;

If the Operating Principal or any designee ceases to serve or to be qualified to serve in that capacity, you shall promptly notify us and designate a replacement within 60 days after that event occurs or the determination is made. The replacement of the Operating Principal or such designee shall be subject to our approval and all other requirements listed above. You shall provide for interim management of the activities contemplated under the Agreement until such replacement is so designated, such interim management to be conducted in accordance with the Agreement.

6.2.2 You shall comply with all requirements of federal, state and local laws, rules, regulations, and orders.

6.3 You shall comply with all other requirements and perform such other obligations as provided hereunder. You and the Controlling Principals acknowledge and agree that the representations and warranties set forth above are continuing obligations of yours and the Controlling Principals, as applicable, and that any failure to comply with such representations, warranties and covenants shall constitute a material event of default under the Agreement. You will fully cooperate with us in any efforts taken by us to verify your compliance with such representations, warranties and covenants.

6.4 You will, at all times, maintain sufficient working capital reserves as necessary and appropriate to comply with your obligations under the Agreement. On our request, you will provide us with evidence of working capital availability. We reserve the right, from time-to-time, to establish certain levels of working capital reserves, and you will comply with such requirements. We may from time-to-time designate the maximum amount of debt that you and your Affiliates may service, and you will ensure that you will comply with such limits. You agree to apply for and diligently pursue any government-issued, government-sponsored, or governmental-guaranteed grants, non-recourse loans, and/or bail-outs for which you qualify and that are made available to small businesses as an economic stimulus.

SECTION 7. DEFAULT AND TERMINATION

7.1 Automatic Termination – No Right to Cure. You shall be deemed to be materially in default under the Agreement and all rights granted herein shall automatically terminate without notice to you, if you, or any of your Controlling Principals become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or a Controlling Principal, or such a petition is filed against and not opposed by you or a Controlling Principal; if you or a Controlling Principal is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver or other custodian for you, a Controlling Principal, or your or its business or assets is filed and consented to by you or such Controlling Principal; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; if a final judgment remains unsatisfied or of record for 60 days or longer (unless a *supersedeas* bond is filed); if you are dissolved; if execution is levied against your business or property; if suit to foreclose any lien or mortgage against your premises or equipment is instituted against you and not dismissed within 60 days; or if the real or personal property of the Store or your business shall be sold after levy thereupon by any sheriff, marshal, or constable.

7.2 Termination on Notice – No Right to Cure. You shall be deemed to be materially in default and we may, at our option, terminate the Agreement and all rights granted hereunder, without affording you any opportunity to cure the default (except as otherwise provided below), effective immediately upon written notice to you, if:

7.2.1 you fail to meet your obligations under the Development Schedule;

7.2.2 you fail to execute each Franchise Agreement in accordance with Section 3.1 (or any extension thereof approved by us in writing);

7.2.3 you or your owners made any material misrepresentations or omissions in the Application Materials, breach any of your or their representations or warranties set forth in the Agreement, or are convicted of, or shall have entered a plea of *nolo contendere* to, a felony, a crime involving moral turpitude or any other crime or offense that we believe is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith or our interests therein;

7.2.4 a threat or danger to public health or safety results from the construction, maintenance or operation of any Store developed under the Agreement, following 24 hours' notice from us;

7.2.5 you fail to designate a qualified replacement Operating Principal within 60 days after any initial or successor Operating Principal ceases to serve as such, all as required under the Agreement;

7.2.6 you or your owners engage in a Transfer without complying with the provisions of Sections 8.2 or 8.3 with respect to such Transfer;

7.2.7 an approved transfer upon death or permanent disability is not affected within the time and in the manner prescribed by Section 8.4;

7.2.8 you or any of the owners misuse or make any unauthorized use of the Marks or otherwise materially impair the goodwill associated therewith or with the System or our rights therein;

7.2.9 you or any of your Affiliates fail, refuse or neglect promptly to (i) pay when due any monetary obligation owing to us or any of our affiliates or vendors under the Agreement, any Franchise Agreement or any other agreement, and you do not cure such default within five (5) days following notice from us (or such other cure period specified in such other agreement, unless no cure period is stated or such period is less than five (5) days, in which case the five (5) day cure period shall apply), or (ii) comply with any obligation to a third party arising in connection with connection with your business and do not correct such failure within any cure periods, if any;

7.2.10 you have received more than one (1) notice from us that you, your Controlling Principals, or your Operating Principal have acted inappropriately or abusively towards us or our representatives, other franchisees, and/or customers of everbowl Stores; or

7.2.11 you or any Controlling Principal (or any person or entity affiliated with or controlled by you or any Controlling Principal) is determined by us to be either (i) in default for failure to comply with the requirements of any Franchise Agreement, other Multi-Unit Development Agreement, or other agreement to which we (or an affiliate of ours) is a party (collectively, and as each may be amended from time to time, “**Other Agreements**”), whether or not such default is of the same or different nature and whether or not such default has been cured after notice by us, *or* (ii) in material default for failure to substantially comply with the requirements of any Other Agreement, we may terminate the Agreement by giving written notice of termination stating the nature of such default to you at least 30 days prior to the effective date of such termination.

7.3 Notice of Termination – 30 Days to Cure. We may terminate the Agreement, on notice to you, if you fail to comply with any provision of the Agreement, other than those referenced in Section 7.1 and 7.2 of the Agreement, and do not correct such failure within 30 days following our written notice of the failure.

7.4 Termination Alternative. Upon your default under Section 7.2 or 7.3, we may elect, in lieu of termination, to reduce or eliminate all or only certain of your rights under the Agreement (including, without limitation, reduce the size of the Development Area, reduce the number of Stores which you may establish under the Development Schedule, or accelerate the Development Schedule); and if we exercise said election, we shall not have waived our right to, in the case of future defaults, exercise all other rights and invoke all other provisions (including, without limitation, our option to terminate the Agreement) that are provided in law and/or set out under the Agreement.

7.5 Rights Upon Expiration or Termination. Upon termination or expiration of the Agreement, you shall have no right to establish or operate any everbowl Store for which a Franchise Agreement has not been executed by us at the time of termination. Thereafter, we shall be entitled to establish, and to license others to establish, everbowl Stores in the Development Area (except as may be otherwise provided under any Franchise Agreement that has been executed between us and you or your Affiliates). You acknowledge our right under Section 2.1 of the Agreement to retain all fees paid by you pursuant to the terms hereof.

7.6 Cross-Defaults. If you (or your affiliates or your or their owners) are in default under any other agreement with us (or our affiliates) or if we (or our affiliates) terminate any such agreement with you (or your affiliates or your or their owners) for cause, then we may terminate the Agreement on notice to you if you (or your affiliates or your or their owners) fail to cure the default, if applicable, within the cure period specified under such other agreement.

7.7 Non-Exclusive Remedies. No right or remedy herein conferred upon or reserved to us is exclusive of any other right or remedy provided or permitted by law or in equity.

7.8 Continuing Obligations. All of our and your (and your owners’) obligations which expressly or by their nature survive the Agreement’s expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire, including,

without limitation, all obligations relating to non-disparagement, non-competition, non-interference, confidentiality, and indemnification.

SECTION 8. TRANSFER OF INTEREST

8.1 Transfer by Us. We may, without restriction, assign the Agreement and all of our attendant rights and privileges, or delegate our performance hereunder, to any person, firm, corporation or other entity.

8.2 Transfer by You.

8.2.1 You understand and acknowledge that the rights and duties set forth in the Agreement are personal to you, and that we have granted rights under the Agreement in reliance on the business skill, financial capacity and personal character of you and, as applicable, your owners. Accordingly, except as provided herein below, neither you nor any owner, nor any successor or assign of you or any owner, shall sell, assign (including but not limited to by operation of law, such as an assignment under bankruptcy or insolvency laws, in connection with a merger, divorce or otherwise), transfer, convey, give away, pledge, mortgage or otherwise encumber any direct or indirect rights granted under the Agreement, interest in the Agreement, or interest in you (each referred to herein as a “**transfer**”). Any purported transfer, by operation of law or otherwise, made in violation of the Agreement shall be null and void and shall constitute a material event of default under the Agreement.

8.2.2 Upon your death (if you are a natural person) or the death of any of your owners (the “**Deceased**”), the executor, administrator or other personal representative of the Deceased shall transfer the Deceased’s interest to either the beneficiary named in the Deceased’s will or, if no such beneficiary has been designated, to the deceased’s spouse, heirs, or other blood relatives through operation of law; *provided, however*, any such transferee(s) must be approved by us. If we, in our sole and absolute discretion, disapprove of such transferee(s), then such transferee(s) shall transfer the Deceased’s interest to a third-party transferee approved by us within 12 months after the Deceased’s death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by us, which approval may not be unreasonably withheld or delayed. If the distributee is not approved by us, then the distributee shall transfer such interest to a third party approved by us within 12 months after the death of the Deceased.

8.2.3 Upon your permanent disability (if you are a natural person) or the permanent disability of any of your Controlling Principals, we may, in our reasonable discretion, require such interest to be transferred to a third party approved by us within six (6) months after notice to you (or your authorized representative). “**Permanent disability**” shall mean any physical, emotional or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in the Agreement or in the guaranty made part of the Agreement for at least 90 consecutive days and from which condition recovery within 90 days from the date of determination of disability is unlikely. Permanent disability shall be determined upon examination of the person by a licensed practicing physician approved by us; or if the person refuses to submit to an examination, then such person shall be automatically deemed permanently disabled as of the date of such refusal for this Section 8.2.3. The costs of any examination required by this Section shall be paid by us. For purposes of clarification, you (or your authorized representative) will have the right to select the licensed physician for such examination. We only reserve the right to approve of the physician selected if we will be paying the costs. Our approval of a physician that you (or your authorized representative) select will not be unreasonably withheld, delayed, or conditioned. Our review and approval process of the selected physician will primarily include (i) whether the physician is in fact licensed to practice and is in good standing, and (ii) whether the costs charged by the physician are commensurate with the costs typically charged by other physicians in his/her field.

8.2.4 Upon the death of any of your owners or certification of your or your Controlling Principal’s permanent disability, you or a representative of yours must promptly notify us of such death or claim of permanent disability. Any transfer upon death or certification of permanent disability shall be subject to the same terms and conditions as described in this Section 8 for any *inter vivos* transfer. If an interest is not transferred upon death or permanent disability as required in this Section 8.2.4, then such failure shall constitute a material event of default under the Agreement.

8.2.5 The transfer of any interest in you or in the Agreement as described herein shall not constitute a waiver of any claims we may have against the transferring party, and it shall not be deemed a waiver of our right to demand material compliance with any of the terms of the Agreement by the transferee.

SECTION 9. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

9.1 No Fiduciary Relationship. You understand and agree that you are and will be an independent contractor under the Agreement. Nothing in the Agreement may be interpreted as creating a partnership, joint venture, agency, employment or fiduciary relationship of any kind. Your employees are not our employees. Neither you nor any of your employees whose compensation you pay may in any way, directly or by implication, shall be considered our employee for any purpose, regardless of inclusion in mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state or federal governmental agency. We will not have the power to hire or terminate the employment of your employees. You expressly agree, and will never claim otherwise, that our authority under the Agreement to determine that certain of your employees are qualified to perform certain tasks for you does not directly or indirectly vest in us the power to influence the employment terms of any such employee.

You agree that you alone are to exercise day-to-day control over all operations, activities and elements of your business, and that under no circumstance shall we do so or be deemed to do so. You further acknowledge and agree, and will never claim otherwise, that the various restrictions, prohibitions, specifications and procedures of the System which you are required to comply with under the Agreement, whether set forth in our Manuals or otherwise, do not directly or indirectly constitute, suggest, infer or imply that we control any aspect or element of the day-to-day operations of your Store, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of your Store.

9.2 You are Not Authorized. You understand and agree that nothing in the Agreement authorizes you or any of your owners to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name and that we shall in no event assume liability for, or be deemed liable under the Agreement as a result of, any such action, or for any act or omission of yours or any of your owners or any claim or judgment arising therefrom. It is understood that you may not, without our prior written approval, have any authority to obligate us for any expenses, liabilities or other obligations, other than as specifically provided in the Agreement. Unless otherwise explicitly authorized by the Agreement, neither party will make any express or implied agreements, warranties, guarantees, or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between us and you is other than that of franchisor and multi-unit developer. We do not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by you which are not expressly authorized under the Agreement. We will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to your operation of your business.

9.3 Indemnification by You.

9.3.1 You shall, at all times, indemnify and hold harmless to the fullest extent permitted by law us and our affiliates, successors and assigns, their respective partners and affiliates, and the officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them (“**Indemnitees**”) from all “losses and expenses” (as defined in Section 9.6(b) below) incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) which arises out of or is based upon any of the following:

- (a) the infringement, alleged infringement, or any other violation or alleged violation by you or your owners of any patent, mark, copyright or other proprietary right owned or controlled by third parties (except as such may occur with respect to any rights to use the Marks, any copyrights or other proprietary information granted to you under an Franchise Agreement);
- (b) the violation, breach or asserted violation or breach by you or any of your owners of any federal, state or local law, regulation, ruling, standard or directive, or any industry standard;

(c) libel, slander or any other form of defamation of us, the System, or any developer or franchisee under the System, by you or by any of your owners;

(d) the violation or breach by you or any of your owners of any warranty, representation, agreement or obligation in the Agreement or in any Franchise Agreement or other agreement between you or any of your Affiliates and us or any of our affiliates, their respective partners, or the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of any of them; and

(e) acts, errors or omissions of you, any of your Affiliates and any of your owners and the officers, directors, shareholders, partners, agents, independent contractors, servants, employees and representatives of each in connection with the performance of the development activities contemplated under the Agreement or the establishment and operation of any Store pursuant to a Franchise Agreement.

9.4 Notification of Action or Claim. You agree to give us immediate notice of any such action, suit, proceeding, claim, demand, inquiry or investigation. At your expense and risk, we may elect to control (but under no circumstance are we obligated to undertake), and associate counsel of our own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation. Such an undertaking by us shall, in no manner or form, diminish your or any guarantor's obligation to indemnify the Indemnitees and to hold them harmless.

9.5 We May Settle. In order to protect persons or property or our reputation or goodwill, or the reputation or goodwill of others, we may, upon written notice to and written consent from you (which consent shall not be unreasonably withheld, delayed, or conditioned), consent or agree to settlements or take such other remedial or corrective action as we deem expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation.

9.6 Losses and Expenses.

(a) All losses and expenses incurred under this Section 9 shall be chargeable to and paid by you or your owners pursuant to your and their obligations of indemnity under this Section, regardless of any action, activity or defense undertaken by us or the subsequent success or failure of such action, activity or defense.

(b) As used in this Section 9, the phrase "losses and expenses" shall include, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, legal fees, court costs, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space and costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

9.7 Recovery from Third Parties. Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses to maintain a claim against you or any of your owners. You and each of your owners agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from you or any of your owners by the Indemnitees.

9.8 Survival of Terms. You, for yourself and your owners, expressly agree that the terms of this Section 9.8 shall survive the termination, expiration or transfer of the Agreement or any interest herein.

SECTION 10. APPROVALS

10.1 Whenever the Agreement requires our prior approval or consent, you shall make a timely written request to us and such approval or consent shall be obtained in writing.

10.2 By providing any waiver, approval, advice, consent or suggestion to you in connection with the Agreement (or by reason of any neglect, delay or denial of any request therefor), we make no warranties or guarantees upon which you may rely and assume no liability or obligation to you or any third-party to which we would not otherwise be subject.

SECTION 11. NON-WAIVER AND REMEDIES

11.1 **No Waiver.** No statement, questionnaire, or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise. No delay, waiver, omission or forbearance on our part to exercise any right, option, duty or power arising out of any breach or default under the Agreement shall constitute our waiver to enforce any such right, option, duty or power against you, or as to a subsequent breach or default by you. Our acceptance of any payments due to us hereunder after the time at which such payments are due shall not be deemed to be a waiver by us of any preceding breach by you of any terms, provisions, covenants or conditions of the Agreement.

11.2 **Rights and Remedies Cumulative.** All rights and remedies of the parties to the Agreement shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of the Agreement or any other agreement between you or any of your Affiliates and us or any of our affiliates. The rights and remedies of the parties to the Agreement shall be continuing and shall not be exhausted by any one or more uses thereof and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration, earlier termination or exercise of our rights pursuant to Section 7 of the Agreement shall not discharge or release you or any of the Controlling Principals from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination or the exercise of such rights under the Agreement. Additionally, the non-prevailing party shall pay all court costs and reasonable attorneys' fees incurred by the prevailing party in obtaining any remedy available for any violation of the Agreement.

SECTION 12. NOTICES

12.1 **Notices.** Any and all notices required or permitted under the Agreement shall be in writing and shall be directed to the respective parties at the addresses shown on the attached Data Sheet or these Terms, as applicable, unless and until a different address has been designated by written notice to the other party. Notices shall be deemed to have been delivered on the earlier of the date of actual delivery or one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery.

SECTION 13. SEVERABILITY AND CONSTRUCTION

13.1 **Severability of Provisions.** Except as expressly provided to the contrary herein, each portion, section, part, term and provision of the Agreement shall be considered severable; and if, for any reason, any portion, section, part, term or provision is determined to be invalid and contrary to or in conflict with any existing or future law or regulation by a court or agency having valid jurisdiction, this shall not impair the operation of, or have any other effect upon, the other portions, sections, parts, terms or provisions of the Agreement that may remain otherwise intelligible, and the latter shall continue to be given full force and effect and bind the parties; the invalid portions, sections, parts, terms or provisions shall be deemed not to be part of the Agreement; and there shall be automatically added such portion, section, part, term or provision as similar as possible to that which was severed which shall be valid and not contrary to or in conflict with any law or regulation.

13.2 **No Rights or Remedies Except to the Parties.** Except as expressly provided to the contrary herein, nothing in the Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than you and us, our officers, directors and personnel and such of your and our respective successors and assigns as may be contemplated (and, as to you, authorized by Section 8) any rights or remedies under or as a result of the Agreement.

13.3 **Captions.** The captions used in connection with the sections and subsections of the Agreement are inserted only for purpose of reference. Such captions shall not be deemed to govern, limit, or modify or in any other manner affect the scope, meaning or intent of the provisions of the Agreement or any part thereof nor shall such captions otherwise be given any legal effect.

13.4 Joint and Several Obligations. All references to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable. Without limiting the obligations individually undertaken by the Controlling Principals under the Agreement, all acknowledgments, promises, covenants, agreements and obligations made or undertaken by you in the Agreement shall be deemed jointly and severally undertaken by all the Controlling Principals.

13.5 Terminology. The term “**Controlling Principals**” shall include, collectively and individually, (i) all holders of ten percent (10%) or more of the total ownership interest in you or of any entity directly or indirectly controlling you, and (ii) any other person or entity controlling, controlled by or under common control with you. As used in this Section 13.5, the terms “**control**” and “**controlling**” shall mean the power to influence the management decisions of the specified person and shall in any case be deemed to exist where such person holds ten percent (10%) or more of the total ownership interest in you, serves on any board of directors or comparable body of you, or acts as an officer, general partner or manager thereof. If you are operating as a legal entity as contemplated hereunder, the persons holding an interest in your capital stock shall each be listed on the attached Data Sheet. All reference to “**your owners**” shall include your direct and indirect owners. The term “**including**” means including without limitation.

13.6 Execution in Multiple Counterparts. The Agreement may be executed in counterparts and each copy so executed shall be deemed an original. Photocopied signatures and those transmitted electronically will have the same full force and effect given originals.

SECTION 14. ENTIRE AGREEMENT; APPLICABLE LAW; DISPUTE RESOLUTION

14.1 Entire Agreement. The Agreement, the documents referred to herein and the attachments hereto constitute the entire, full and complete agreement between us and you concerning the subject matter hereof and shall supersede all prior related agreements between us and you. Except for those permitted to be made unilaterally by us hereunder, no amendment, change or variance from the Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in the Agreement or in any related agreement or exhibit to the Agreement is intended to disclaim the representations we made in the franchise disclosure document.

14.2 Arbitration. Except to the extent we elect to enforce the provisions of the Agreement by judicial process and injunction in our sole discretion, we and you agree that all controversies, disputes, or claims between us or our affiliates, and our and their respective shareholders, officers, directors, agents, and employees, on the one hand, and you (and your owners, guarantors, Affiliates, and employees), on the other hand, arising out of or related to: (1) the Agreement or any other agreement between you (or any of your Controlling Principals) and us (or any of our affiliates); (2) our relationship with you; (3) the scope or validity of the Agreement or any other agreement between you (or any of your Controlling Principals) and us (or any of our affiliates) or any provision of any of such agreements (including the validity and scope of the arbitration provision under this Section, which we and you acknowledge is to be determined by an arbitrator, not a court); or (4) any standard which forms part of the System must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Section otherwise provides, according to the then-current Commercial Arbitration Rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator in San Diego, California, or, at our option, the city in which our (or our successor's or assign's) headquarters are then located (currently, Vista, California). All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). The decision of the arbitration shall be final and binding upon each party and may be enforced by any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any of the trademarks owned by us or our affiliates generic or otherwise invalid or, except as expressly provided in this Section, award any punitive, exemplary, or multiple damages against any party to the arbitration proceeding (we and you hereby waiving to the fullest extent permitted by law any such right to or claim for any punitive, exemplary, or multiple damages against any party to the arbitration proceedings).

We and you agree to be bound by the provisions of any applicable contractual or statutory limitations provision, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each party must submit or file any

controversy, dispute, or claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding. Any controversy, dispute, or claim which is not submitted or filed as required will be forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us.

We and you agree that arbitration will be conducted on an individual basis and that an arbitration proceeding between us and our affiliates, or our and their respective shareholders, officers, directors, agents, and employees, on the one hand, and you (or your owners, guarantors, affiliates, and employees) may not be: (i) conducted on a class-wide basis, (ii) commenced, conducted or consolidated with any other arbitration proceeding, or (iii) or brought on your behalf by any association or agency. Notwithstanding the foregoing, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute, controversy or claim that otherwise would be subject to arbitration under this Section, then all parties agree that this arbitration clause shall not apply to that dispute, controversy or claim and that such dispute, controversy or claim shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of the Agreements.

Despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit our dispute, controversy or claim for arbitration on the merits as provided in this Section.

The provisions of this Article are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding the expiration or termination of the Agreements.

Any provisions of the Agreement below that pertain to judicial proceedings shall be subject to the agreement to arbitrate contained in this Section.

14.3 Venue; Governing Law. Except to the extent governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.), the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other United States federal law, the Agreement and the relationships created hereunder will be interpreted under, and any dispute shall be governed by, the laws of the state in which your Multi-Unit Developer business is operated or is to be located, which laws shall prevail in the event of any conflict of law. Subject to the obligation to arbitrate under Section 14.2 above, you and your Controlling Principal agree that all actions arising under the Agreement (or any other agreement between us and our affiliates and you and your affiliates), the Store, and all controversies, disputes, or claims arising from or otherwise as a result of the relationship between you and us must be commenced in the court nearest to San Diego, California, or, at our option, the court nearest to the city in which our (or our successor's or assign's) headquarters are then located (currently, Vista, California) and you (and each owner) irrevocably submit to the jurisdiction of that court and waive any objection you (or the owner) might have to either the jurisdiction or venue in such courts.

14.4 Waiver of Punitive Damages. You, the Controlling Principals and we hereby waive, to the fullest extent permitted by law, any right to or claim or any punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) against either party, their officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, either party shall be limited to the recovery of any actual damages sustained by it. If any other term of the Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions of waiver by agreement of punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) shall continue in full force and effect.

14.5 Waiver of Jury Trial. WITHOUT NEGATING THE OBLIGATION TO ARBITRATE DISPUTES UNDER SECTION 14.2 ABOVE, WE AND YOU IRREVOCABLY **WAIVE TRIAL BY JURY** IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF US AGAINST THE OTHER. ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THE AGREEMENT, THE RELATIONSHIP OF YOU AND US, OR YOUR OPERATION OF THE STORE, BROUGHT BY EITHER PARTY HERETO AGAINST THE OTHER, WHETHER IN ARBITRATION OR A LEGAL ACTION, SHALL BE COMMENCED WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE BARRED. WE AND YOU AGREE THAT ANY

ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, WILL BE CONDUCTED ON AN INDIVIDUAL BASIS AND THAT A PROCEEDING BETWEEN US AND OUR AFFILIATES, OR OUR AND THEIR RESPECTIVE SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES, ON THE ONE HAND, AND YOU (OR YOUR OWNERS, GUARANTORS, AFFILIATES, AND EMPLOYEES) MAY NOT BE: (I) CONDUCTED ON A CLASS-WIDE BASIS, (II) COMMENCED, CONDUCTED OR CONSOLIDATED WITH ANY OTHER PROCEEDING, OR (III) OR BROUGHT ON YOUR BEHALF BY ANY ASSOCIATION OR AGENCY.

14.6 **Costs and Legal Fees.** If we are required to enforce the Agreement in a judicial or arbitration proceeding, you shall reimburse us for our costs and expenses, including, without limitation, reasonable accountants', attorneys', attorney assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If we are required to engage legal counsel in connection with any failure by you to comply with the Agreement, you shall reimburse us for any of the above-listed costs and expenses incurred by us.

14.6 **No Waiver.** The following provision applies if you or the Development Rights granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

END OF TERMS

Attachment A to the Multi-Unit Development Agreement
GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of _____, 20 __, by _
_____.

In consideration of, and as an inducement to, the execution of that certain Multi-Unit Development Agreement (as amended, modified, restated or supplemented from time to time, the “**Agreement**”) on this date by **EVERBOWL FRANCHISE, LLC (“us”)**, each of the undersigned personally and unconditionally (a) guarantees to us and our successors and assigns, for the term of the Agreement and afterward as provided in the Agreement, that _____ (“**Developer**”) will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Developer and among other guarantors; (2) he or she will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Developer or any other person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may from time to time grant to Developer or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement; and (5) at our request, the undersigned shall present updated financial information to us as reasonably necessary to demonstrate his or her ability to satisfy the financial obligations of Developer under the Agreement.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Developer arising as a result of the undersigned’s execution of and performance under this Guaranty; and (ii) acceptance and notice of acceptance by us of his or her undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices to which he or she may be entitled.

Each of the undersigned represents and warrants that, if no signature appears below for such undersigned’s spouse, such undersigned is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

If this guaranty is executed by and on behalf of a business entity, retirement or investment account, or trust, then such business entity, retirement or investment account, or trust acknowledges and agrees that if the Developer (or any of its affiliates) is delinquent in payment of any amounts owed to us (and/or our affiliates) that are guaranteed hereunder, then no dividends or distributions may be made by such business entity, retirement or investment account, or trust to its owners, accountholders or beneficiaries, for so long as such delinquency exists, subject to applicable law.

The provisions contained in the Agreement pertaining to dispute resolution, including Section 14.2 regarding arbitration are incorporated into this Guaranty by reference and shall govern this Guaranty and any disputes between the undersigned and us. If we are required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse us for any of the above-listed costs and expenses we incur.

Independent Auditors' Report

To the Member of
everbowl Franchise, LLC
Vista, California

Opinion

We have audited the financial statements of everbowl Franchise, LLC (the Company), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income and changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in

accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

The financial statements of everbowl Franchise, LLC as of and for the year ended December 31, 2023, were audited by another auditor, who issued an unmodified opinion on June 11, 2024. The audit was conducted in accordance with generally accepted auditing standards (GAAS). everbowl FRANCHISE, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

NOTE 1 - NATURE OF OPERATIONS

everbowl Franchise, LLC (the Company), was formed as a single member LLC in California on September 20, 2018. Formerly named everbowl Management, LLC, the Company changed its name to everbowl Franchise, LLC on October 31, 2019. The Company's single member is everbowl Holdings, LLC, (Holdings or Parent), a Delaware LLC. The Company was formed to operate as the licensor of everbowl franchises to individual franchisees throughout the United States. At December 31, 2025, 2024, and 2023, the Company had 95, 82, and 72 open franchised restaurants, respectively.

The Assignment of Membership Interest Agreement (the Agreement), dated May 25, 2020, specifies, among other things, the term of the limited liability company (continue until the Company terminates under the terms of the Agreement) and the rights and powers of the Member. The Agreement limits the liability of the Member.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable and Credit Loss Evaluation - Accounts receivable are stated net of a reserve for credit losses.

The Company recognizes an allowance for current expected credit losses (CECL) for trade and other receivables to present the net amount expected to be collected as of the balance sheet date. Such allowance is based on the credit losses expected to arise over the life of the asset which includes consideration of past events and historical loss experience, current events and also future events based on our expectation as of the balance sheet date. Receivables are written off when the Company determines that such receivables are deemed uncollectible. The Company pools its receivables based on similar risk characteristics in estimating its expected credit losses. In situations where a receivable does not share the same risk characteristics with other receivables, the Company measures those receivables individually. The Company also continuously evaluates such pooling decisions and adjusts as needed from period to period as risk characteristics change.

The Company utilizes the loss rate method in determining its lifetime expected credit losses on its receivables. This method is used for calculating an estimate of losses based primarily on the Company's historical loss experience. In determining its loss rates, the Company evaluates information related to its historical losses, adjusted for current conditions and further adjusted for the period of time that can be reasonably forecasted. Qualitative and quantitative adjustments related to current conditions and the reasonable and supportable forecast period

everbowl FRANCHISE, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

consider all the following: past due receivables, customer creditworthiness, changes in the terms of receivables, effect of other external forces such as competition, and legal and regulatory requirements on the level of estimated credit losses in the existing receivables. For receivables that are not expected to be collected within the normal business cycle, the Company considers current and forecasted direction of the economic and business environment. As of December 31, 2025, 2024, and 2023, there were no receivables that the Company does not expect to collect within the normal business cycle. As of December 31, 2025, 2024, and 2023, no allowance for credit losses has been recorded as management deemed all receivables were fully collectible.

Inventory - Inventories are stated at the lower of cost or net realizable value. The Company's inventory consists of printed collateral (such as operations manuals, etc.) and vending machine toys, which are kept in-house in the event any franchises would like to purchase these materials. The Company had sold all inventory as of December 31, 2025, and 2024. All items were sold at or above cost.

Property and Equipment - The Company policy is to capitalize assets over \$2,500. However, the company holds very few capital assets. The Company calculates depreciation expense on a straight-line method over the useful life of five years. The depreciation expense for December 31, 2025, 2024, and 2023, was not significant.

Revenue Recognition - The company follows ASC 606, *Revenue from Contracts with Customers* and recognizes franchise fee revenue when the company has performed the performance obligations to the franchisee, per the Franchise Agreement. The Company executes Franchise Agreements that set the terms of its arrangement with each franchisee. The Franchise Agreements may require the franchisee to pay initial, nonrefundable franchise fees for the use of the everbowl name for a term of ten years with renewal options. The franchise fees are nonrefundable and generally due upon signing of the Franchise Agreement. Franchise fee revenue from the sale of individual franchises is partly recognized over the term of the individual Franchise Agreement and partly upon distinct pre-opening performance obligations being satisfied. The company has elected accounting policy to treat pre-opening services as a single performance obligation for revenue recognition. Unamortized non-refundable fees collected in relation to the sale of franchises is recorded as deferred revenue. Subject to the Company's approval and payment of a renewal fee, a franchisee may generally renew its agreement upon its expiration. In the event a franchisee does not comply with their development timeline for opening a location, the franchise rights may be terminated, and franchise fee revenue is recognized for non-refundable deposits. Initial and renewal fees, net of pass-through fees, included in franchise fee revenues for the years ended December 31, 2025, 2024, and 2023, amounted to \$270,037, \$453,340, and \$537,808, respectively.

The Company has entered into agreements with franchisees granting exclusive rights to develop specific geographic areas. Pursuant to these agreements, the Company receives an upfront area development fee. The Company recognizes revenue from these agreements ratably over the agreement term, as performance obligation is satisfied.

Franchise royalties are recognized weekly. Franchise royalties revenue for the years ended December 31, 2025, 2024, and 2023, amounted to \$2,420,043, \$1,937,286, and \$1,328,617, respectively.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

Deferred revenue represents billings or collections in advance of the recognition of the revenue of franchisees' payments.

Advertising and Promotional Expenses - Advertising and promotion costs are expensed as incurred. Advertising and promotional expenses were \$473,495, \$466,834, and \$506,440 for the years ended December 31, 2025, 2024, and 2023, respectively. See Note 5 for discussion of the brand development fund.

Income Taxes - The Company has elected to be taxed as a disregarded entity. In lieu of corporation income taxes, the sole member everbowl Holdings, LLC is taxed on the Company's taxable income. Accordingly, no provision for income taxes has been reflected in the financial statements for the years ended December 31, 2025, 2024, and 2023, except for the required minimum California states taxes applicable to limited liability companies of \$800, which is paid by the parent everbowl Holdings, LLC.

The Company has no unrecognized tax benefits as of December 31, 2025, 2024, and 2023.

If necessary, the Company recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with the related tax liability on the balance sheet. No interest and penalties were recognized for the years ended December 31, 2025, 2024, and 2023.

Previously Adopted Accounting Pronouncements - On January 1, 2023, the Company adopted ASU 2016-13 Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. Effective January 1, 2025, the measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including trade accounts receivable. The Company adopted ASC 326 using the modified retrospective method for its trade accounts receivable. This adoption did not have a material impact on the financial statements.

Reclassifications - Certain accounts from the prior year may be reclassified to conform to the current year presentation.

NOTE 3 - DEFERRED REVENUE

The deferred franchise fee revenues presented on the accompanying balance sheets are comprised of unamortized and unrecognized upfront fees received from franchisees. A summary of changes to the balance during 2025, 2024, and 2023 is as follows.

	<u>2025</u>	<u>2024</u>	<u>2023</u>
Balance, beginning of year	\$ 1,455,954	\$ 1,422,076	\$ 658,164

Increase for upfront fees associated with contracts that became effective during the period, net of amounts recognized as revenue during the period.	724,973	270,812	1,087,979
Balance, end of year	<u>\$ 1,319,436</u>	<u>\$ 1,455,954</u>	<u>\$ 1,422,076</u>

NOTE 4 - BUSINESS AND CREDIT CONCENTRATIONS

Cash - The Company has cash in financial institutions which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 at each institution. At various times throughout the period, the Company may have cash balances at financial institutions which exceed the FDIC insurance limit. Management reviews the financial condition of these financial institutions on a periodic basis and does not believe this concentration of cash results in an elevated level of risk for the Company.

Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of cash and accounts receivable. The Company maintains its cash with high-credit quality financial institutions. At times, such amounts may exceed federally insured limits. The concentration of credit risk with respect to accounts receivable is mitigated by the generally short payment terms. In addition, the Company closely monitors the extension of credit to its customers and franchisees while maintaining allowances for potential credit losses. The Company had no credit concentration with any particular franchisee for the years ended December 31, 2025, 2024, and 2023.

NOTE 5 - BRAND DEVELOPMENT FUND AND RESTRICTED CASH

The Company has established a brand development fund (the Fund) for the creation and development of promotional marketing, advertising, public relations and related programs and materials for all everbowl stores. On behalf of the Fund, the Company acts as an agent and

everbowl FRANCHISE, LLC

collects 1% of gross monthly revenues from participating franchisees, in accordance with the provisions of the franchise agreements. The use of amounts received by the Fund is restricted to promotional, marketing, advertising, and public relations purposes and for everbowl brand promotion. The Company has complete discretion over the usage of the funds. The Fund is accounted for separately from the Company's other funds and is not used to pay any of the Company's general operating expenses, except for reasonable salaries, administrative costs, travel expenses and overhead that is spent on activities administering the Fund and its programs. Fund revenue for the years ended December 31, 2025, 2024, and 2023, was \$729,386, \$383,363, and \$218,192, respectively. No management or administrative fees were charged to the Fund during the years ended December 31, 2025, 2024, and 2023. The restricted cash balances as of December 31, 2025, 2024, and 2023 were \$224,249, \$179,393, and \$61,514, respectively, as reported on the accompanying balance sheet.

NOTE 6 - RELATED-PARTY TRANSACTIONS

Until April 2024, the Company advanced funds for operational purposes between itself and its parent company as due to/from parent with no interest charged. After April 2024, the amounts advanced to and from the parent were accounted for as equity contributions and distributions.

During the year ended December 31, 2022, the Company transferred \$500,000 to Holdings in the normal course of business with the intention of the entire balance being paid back by the Parent. However, during the year ended December 31, 2023, the Company and the Parent agreed the balance was not to be repaid. As a result, the due from related party balance of \$500,000 was derecognized and recorded as a noncash equity distribution on the accompanying statements of operations and changes in member's (deficit) equity.

During the year ended December 31, 2023, the Company paid advanced payment for certain expenses on behalf of the Parent. These are expected to be reimbursed by the Parent. Therefore, the Company has recorded a due from related party balance of \$2,954 as of December 31, 2023, on the accompanying balance sheets. No interest is charged on such advances.

The Company's parent, everbowl Holdings, pays for certain administrative expenses such as rent and management fees and allocates a portion of the shared expenses to the Company. There is no formalized agreement between the Parent and the Company for these expenses. Rent payments made to the Parent for the years ended December 31, 2025, 2024, and 2023, was \$33,000, \$33,000, and \$33,000, respectively.

The Parent charged until April 2024 management fees to the Company in relation to the maintenance of certain area development agreements.

During the year ended December 31, 2023, the Company paid a total of \$232,260 in management fees of which \$46,452 was recorded in general and administrative expenses on the accompanying statements of income and changes in member's deficit, and \$185,808 was recorded in due to related party on the accompanying balance sheet as of December 31, 2023.

During the year ended December 31, 2024, the Company paid a total of \$100,000 in management fees which was recorded in the general and administrative expenses on the accompanying statements of income and changes in member's equity.

AND AGREEMENT RIDERS

**ADDITIONAL DISCLOSURES FOR THE

The following are additional disclosures for the Franchise Disclosure Document of Everbowl Franchise, LLC required by various state franchise laws. Each provision of these additional disclosures will only apply to you if the applicable state franchise registration and disclosure law applies to you.

FOR THE FOLLOWING STATES: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, OR WISCONSIN.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

3. OUR WEBSITE, www.everbowl.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION AT www.dfpi.ca.gov.

4. Section 31512.1 of the California Corporations Code requires that any provision of the Franchise Agreement, Disclosure Document, acknowledgement, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable: (a) representations made by the franchisor or its personnel or agents to a prospective franchisee; (b) reliance by a franchisee on any representations made by the franchisor or its personnel or agents; (c) reliance by a franchisee on the franchise disclosure document, including any exhibit thereto; or (d) violations of any provision of this division.

5. The following is added at the end of Item 3:

Neither we, our parent, predecessor or affiliates nor any person in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. Sections 78a et seq., suspending or expelling such persons from membership in that association or exchange.

6. The following is added at the end of Item 6:

The maximum interest rate in California is 10% annually.

7. The following paragraphs are added at the end of Item 17:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or nonrenewal of a franchise. If the Franchise Agreement or Multi-Unit Development Agreement contains a provision that is inconsistent with the law, and the law applies, the law will control.

The Franchise Agreement and Multi-Unit Development Agreement contain a covenant not to compete that extends beyond termination of the franchise. This provision might not be enforceable under California law.

The Franchise Agreement and Multi-Unit Development Agreement provides for termination upon bankruptcy. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.).

Except to the extent governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.), the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other United States federal law, the Franchise Agreement and Multi-Unit Development Agreement and the relationships created thereunder will be interpreted under, and any dispute shall be governed by, the laws of the state in which the Store is operated or is to be located, which laws shall prevail in the event of any conflict of law. This provision may not be enforceable in California if the Store is not located in California.

The Franchise Agreement and Multi-Unit Development Agreement require application of the laws of the state in which the Store or business is located or operating in. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement and Multi-Unit Development Agreement require binding arbitration. The arbitration will be conducted at a suitable location chosen by the arbitrator in San Diego, California, or, at our option, in the city in which our headquarters are then located (currently Vista, California). In any arbitration, the prevailing party will be entitled to recover from the other party all damages, costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in connection with such arbitration. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any

provisions of the Franchise Agreement or Multi-Unit Development Agreement restricting venue to a forum outside the State of California.

The Franchise Agreement and Multi-Unit Development Agreement require you to sign a general release of claims upon renewal or transfer. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 might void a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 – 31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

THE REGISTRATION OF THIS FRANCHISE OFFERING BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE COMMISSIONER.

8. The following paragraph is added at the end of Item 19:

The financial performance representations figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Store. Franchisees or former franchisees, listed in the Franchise Disclosure Document, may be one source of this information.

HAWAII

This provision supersedes any other term of any document executed in connection with the franchise.

THIS OFFERING CIRCULAR CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL

PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in a franchise agreement or Multi-Unit Development Agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a Franchise Agreement or Multi-Unit Development Agreement may provide for arbitration outside of Illinois.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Your rights upon termination and non-renewal of a Franchise Agreement or Multi-Unit Development Agreement are subject to sections 19 and 20 of the Illinois Franchise Disclosure Act.

MARYLAND

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. The following language is added to the end of Item 5:

Pursuant to the order of the Maryland Securities Commissioner, we have posted a surety bond in the amount of \$382,000.00 from Travelers Casualty and Surety Company of America. The terms of the surety bond will remain in effect until we have completed all of our initial obligations to you under the Franchise Agreement and you have begun operating the Store. A copy of that surety bond is on file with the Maryland Securities Commissioner.

2. The following is added to the end of the “Summary” sections of Item 17(c), entitled “Requirements for franchisee to renew or extend” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, any release required as a condition of renewal, sale and/or assignment/transfer will not apply to claims or liability arising under the Maryland Franchise Registration and Disclosure Law.

3. The following is added to the end of the “Summary” section of Item 17(h), entitled “‘Cause’ defined – non-curable defaults”:

The Franchise Agreement and Multi-Unit Development Agreement provide for termination upon bankruptcy. This provision might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 et seq.), but we will enforce it to the extent enforceable.

4. The following sentence is added to the end of the “Summary” sections of Item 17(v), entitled “Choice of forum”:

A franchisee may bring suit in Maryland for claims arising under the Maryland Franchise Registration Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

5. The following language is added to the end of the chart in Item 17:

The Franchise Agreement and Multi-Unit Development Agreement provide that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor.

Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgements.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

**RIDER TO THE EVERBOWL FRANCHISE, LLC
FRANCHISE AGREEMENT AND RELATED-AGREEMENTS
FOR USE IN WASHINGTON**

THIS RIDER is made and entered into by and between **EVERBOWL FRANCHISE, LLC**, a California limited liability company with its principal business address at 1300 Specialty Drive, #100, Vista, California 92081 (“we”) and _____, a(n) _____, having its principal business address at _____ (“you”).

1. **BACKGROUND.** We and you are parties to that certain Franchise Agreement dated _____, 20____, (the “**Franchise Agreement**”) that has been signed concurrently with the signing of this Rider. This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) the offer is directed into the State of Washington and is received where it is directed; or (b) you are a resident of the State of Washington; or (c) the everbowl Store that you develop under your Franchise Agreement is or will be located or operated, wholly or partly, in the State of Washington.

2. **WASHINGTON LAW.** The following paragraphs are added to the end of the Franchise Agreement:

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under

RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

**RIDER TO THE EVERBOWL FRANCHISE, LLC
MULTI-UNIT DEVELOPMENT AGREEMENT AND RELATED-AGREEMENTS
FOR USE IN WASHINGTON**

THIS RIDER is made and entered into by and between **EVERBOWL FRANCHISE, LLC**, a California limited liability company with its principal business address at 1300 Specialty Drive, #100, Vista, California 92081 (“we”) and _____, a(n) _____, having its principal business address at _____ (“you”).

1. **BACKGROUND.** We and you are parties to that certain Multi-Unit Development Agreement dated _____, 20____, (the “**Multi-Unit Development Agreement**”) that has been signed concurrently with the signing of this Rider. This Rider is annexed to and forms part of the Multi-Unit Development Agreement. This Rider is being signed because (a) the offer is directed into the State of Washington and is received where it is directed; or (b) you are a resident of the State of Washington; or (c) your Development Area is located, wholly or partly, in the State of Washington.

2. **WASHINGTON LAW.** The following paragraphs are added to the end of the Multi-Unit Development Agreement:

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations

period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted

annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
