NTV 360 franchisees operate businesses that find host locations to place TVs which will loop local and/or regional advertising and marketing that is sold by the franchisee to local businesses and through our NTV 360 network (“NTV 360 Business(es)”).

The total investment necessary to begin operation of an NTV 360 franchised business is between \$50,150 and \$114,405. This includes between \$39,000 and \$79,600 that must be paid to the franchisor or its affiliate(s).

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Inventory Control.** You must make annual component player purchases, even if you do not need that much. Your inability to make these purchases or to maintain the annual development schedule may result in loss of territorial rights.
5. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
6. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that the franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its terms except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type or under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Franchise Disclosure Document, “N3,” “we,” “us” and “our” means NTV 360 LLC, the franchisor. “You,” “your” and “Franchisee” means the person, and its owners if the Franchisee is a business entity, who buys the franchise from N3.

The Franchisor

N3 is a Nevada limited liability company formed on October 4, 2022. We operate under our corporate name and the name NTV 360. Our principal business address is 1546 Cole Blvd, Bldg 5, Suite 100, Lakewood, Colorado 80401. We offer franchises (“NTV 360 Franchise(s)” or “Franchise(s)”) for NTV 360 Businesses and have done so since February 2025. We are the only approved suppliers of the Component Players (defined below) that franchisees use in their NTV 360 Businesses and an approved supplier of digital marketing services. We do not conduct business under any other name or in any other line of business and we do not offer franchises in any other line of business. We do not conduct, and have never conducted, a business of the type described in this Franchise Disclosure Document.

We have one parent entity, Evergreen Digital Media Corp. (“EDM”). EDM owns and controls all the intellectual property utilized by NTV 360 Franchises, including the technology for the Advertising Services (defined below) used by NTV 360 franchisees, and licenses it to us. EDM shares our principal business address. We have entered into a management agreement with EDM to provide N3 with certain management services. EDM does not offer franchises in any line of business or provide products or services to our franchisees. EDM has agreements with authorized dealers to provide customers with access to the same and similar technologies as that of NTV 360 Franchises but these dealers do not operate under the NTV 360 trademark and brand. We do not have a predecessor or any other affiliates.

Our agent for service of process in Nevada is V-Corp Services, LLC, 701 S. Carson Street, Suite 200, Carson City, Nevada 89701. Our agents for service of process for other states are identified by state in Exhibit A. If a state is not listed, we have not appointed an agent for service of process in that state in connection with the requirements of franchise laws. There may be states in addition to those listed above in which we have appointed an agent for service of process. There may also be additional agents appointed in some of the states listed.

The Franchise

NTV 360 franchisees find locations (“Host Location(s)”), such as local businesses, to install screens and/or televisions (“Screens”) that will play looped advertising content (“Advertising Services”) that we and Franchisees will sell to local businesses from one of our mini-computers that is connected to EDM’s network (the “Component Player(s)”). NTV 360 franchisees will sell Advertising Services to local businesses and construct the schedule for the Component Players through our proprietary network (“SYSTEMTV Network”). You will be solely responsible for locating and setting up Host Locations in your designated “Territory” (See Item 12). The content of the Advertising Services on the Component Players will be a mix of national advertisements agreed to by N3 or EDM, as well as local advertisements negotiated and set up by you. Our operating system includes: recognizable designs; standards; specifications; rules and procedures of operation; techniques; philosophies; quality and uniformity of products and services offered; and procedures (“System”). We grant franchises to operate NTV 360 Businesses using the System and our trade names, trademarks, service marks, emblems, logos, slogans and copyrights (“Marks”) as authorized by us. Because an NTV 360 Business is a mobile business, you will most likely operate your Franchise from your home, but you may choose to rent an executive suite office or other commercial office or retail space.

You must sign our standard franchise agreement attached to this Franchise Disclosure Document as Exhibit C (“Franchise Agreement”). You may operate one NTV 360 Business for each Franchise Agreement you sign.

Conversion Franchises

We also offer conversion opportunities to existing independent businesses that provide services and products similar to those offered by NTV 360 Businesses (“Conversion Owners”). Conversion Owners will sign a Franchise Agreement that will include a “Conversion Owner Addendum,” which is attached to this Franchise Disclosure Document in Exhibit G. Conversion Owners must modify their business operations to our specifications, use our Marks and complete our training if deemed necessary by us.

Market and Competition

The primary market for the products and services offered by the NTV 360 Business is small and medium sized businesses. The products and services offered by NTV 360 Businesses are not seasonal. You may have to compete with numerous other independent and chain-affiliated businesses, some of which may be franchised.

Industry-Specific Laws

You must obtain all required licenses, permits, and approvals to operate your NTV 360 Business. Some states and local jurisdictions may have enacted or may in the future enact laws, rules, regulations, and ordinances which may apply to the NTV 360 Business. These regulations may establish certain standards, specifications, and requirements that must be followed by you.

The Payment Card Industry Data Security Standard (“PCI”) requires that all companies that process, store, or transmit credit or debit card information maintain a secure environment. PCI applies to all organizations or merchants, regardless of size or number of transactions, that accept, transmit or store any cardholder data. Franchisees must also be sure to comply with applicable federal and state laws regulating the privacy and security of sensitive consumer and employee information.

You are responsible for investigating, understanding and complying with all applicable laws, rules, regulations, ordinances and requirements applicable to you and your NTV 360 Business. You should consult with a legal advisor about whether these and/or other requirements apply to your NTV 360 Business. Failure to comply with laws and regulations is a material breach of the Franchise Agreement.

**ITEM 4
BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

**ITEM 5
INITIAL FEES**

Initial Franchise Fee

You will pay an “Initial Franchise Fee” for your NTV 360 Business as part of your Franchise Agreement which includes an initial inventory of Component Players. Your Initial Franchise Fee and initial number of Component Players will be based on the population of the territory of your NTV 360 Business, according to the following table:

Territory Population*	Initial Franchise Fee	Initial Component Players Included
Less than 125,000	\$39,000	20
125,001 to 250,000	\$50,000	30
250,001 – 600,000	\$69,000	50

*The population of your territory will be based on numbers derived from the current U.S. Census report and supplemented with other information available and other population statistical sources of our choosing to determine populations.

The Initial Franchise Fee is payment for the pre-opening assistance that we provide to you to allow you to open your NTV 360 Business and also offsets some of our franchise recruitment expenses. The Initial Franchise Fee is uniform, fully earned by us once paid and is non-refundable under any circumstances. You will pay \$5,000 of the Initial Franchise Fee when you sign your Franchise Agreement and the remaining amount is due within 45 days of signing your Franchise Agreement.

During our last fiscal year ended December 31, 2025, we collected initial franchise fees ranging from \$32,250 (offered as a military discount) to \$35,000 (for territories with populations less than 150,000); we collected initial franchise fees ranging from \$47,500 (offered as a military discount) to \$50,000 (for territories with populations between 150,001 to 300,000); and we collected initial franchise fee of \$75,000 (for territories with populations of 300,001 to 600,000).

Conversion Owner Discount

If you are a Conversion Owner, we offer a reduced Initial Franchise Fee ranging from \$0 to \$69,000. The range of the fee will be based on the territory you purchase, as well as your experience, length of time in business, sales volume, growth, and future potential. Conversion Owners that have been in business longer and have larger sales volume, growth, and potential will qualify for a greater reduction in the Initial Franchise Fee, while those Conversion Owners that have been in business for a short period of time will receive a smaller reduction. Conversion Owners may still be required to purchase Component Players for their NTV 360 Business. We sold six franchises to Conversion Owners and collected \$0 in initial franchise fees for those sales during our last fiscal year.

Additional Component Player Fees

You can purchase additional Component Players for our then-current fee (currently \$200 per Component Player). You are not required to purchase additional Component Players prior to opening, but will be subject to a minimum purchase requirement during the term of the Franchise Agreement as discussed in Item 6. There is no minimum or maximum number of additional Component Players you are required to purchase before opening your NTV 360 Business. Conversion Owners will be required to purchase a minimum number of Component Players before they open their NTV 360 Business. This fee is uniform and non-refundable under any circumstances.

Additional Field Training Fee

We provide initial training at no charge either virtually or at our corporate headquarters. We offer the option of additional onsite field assistance (“Additional Field Training”) during your opening week for an extra charge (currently \$5,000). The additional field training will last approximately four days. This fee is payable a minimum of 14 days prior to the scheduled Additional Field Training and is uniform and non-refundable.

Additional Territory ROFR Fee

You may also purchase up to three rights of first refusal (“Additional Territory ROFR”) to develop other NTV 360 Businesses in separate territories (each a “Reserved Territory”) subject to availability and our approval by paying a reservation fee of \$5,000 (“Additional Territory ROFR Fee”) and signing our “Additional Franchise Reservation Agreement” which is attached as Exhibit G-6 to this Franchise

Disclosure Document. The Reserved Territory will be protected for 12 months from the date you sign the Additional Franchise Reservation Agreement. If we receive a bona-fide inquiry regarding an NTV 360 franchise in the Reserved Territory, we will notify you and you will have seven days to provide us with written notice of your election to exercise your Additional Territory ROFR. If you elect to exercise your Additional Territory ROFR, you must sign our then-current franchise agreement for the Reserved Territory and pay the then-current initial franchise fee within 30 days after you receive our notice. If you purchase the Reserved Territory, the Additional Territory ROFR Fee will be credited towards the Initial Franchise Fee for the Reserved Territory. The Additional Territory ROFR Fee is uniform and nonrefundable even if you do not open an additional NTV 360 Franchise.

Notes:

We do not offer direct or indirect financing. All expenditures payable to us are uniform and non-refundable under any circumstances once paid. All expenditures paid to us or our affiliates are uniform and non-refundable under any circumstances once paid. All expenses payable to third parties are non-refundable, depending on their policies or your arrangements with them.

1. Initial Franchise Fee and Additional Territory ROFR Fee. See Item 5 for more information. The low end of the Initial Franchise Fee assumes your territory population is less than 125,000 and the high end assumes your territory population is 250,001 or greater. The low end of the Additional Territory ROFR Fee assumes you do not purchase the right to an Additional Territory and the high end assumes you purchase the right to one Additional Territory.
2. Additional Component Player Fee. The low end of this estimate assumes you do not purchase additional Component Players beyond what is included in the Initial Franchise Fee. The high end assumes you purchase three additional Component Players.
3. Vehicle. You must have a suitable vehicle for your NTV 360 Business (“Vehicle”) which can be your personal vehicle so long as it is capable of transporting equipment, supplies, and materials. The high end of this estimate includes the registration costs, down payment and three months of lease payments for one Vehicle. The low end of this estimate assumes you already own the registered Vehicle used for your NTV 360 Business.
4. Inventory, Equipment and Supplies. This item estimates the cost of the start-up initial inventory for your NTV 360 Business, which will include items such as televisions, mounts, cables and associated fees. This figure does not include the cost of inventory provided by us as a part of your Initial Franchise Fee. You will pay the vendor directly for these items.
5. Training Expenses. Initial training is provided at no charge for up to two people, including you and/or, if applicable, your manager. Initial training classes are held whenever necessary to train new franchisees. Your initial training may be done virtually, or at our corporate headquarters, in which case we will cover the travel expenses of up to two attendees. If you request additional field training at your NTV 360 Business, you must pay us our additional field training fee, which is reflected in the high end of this estimate.
6. Insurance. You must obtain and maintain, at your own expense, the insurance coverage we require, and satisfy other insurance-related obligations. If you have had prior issues or claims from previous operations unrelated to the operation of an NTV 360 Business, your rates may be significantly higher than those estimated above.
7. Lease, Utility and Security Deposits, Storage. Most of our franchisees will operate their NTV 360 Businesses out of their Vehicle(s) and their homes, but the NTV 360 Business may be operated from office buildings, business parks, and other commercial real estate locations. If

you decide to operate your NTV 360 Business out of an office, you are responsible for compliance with all applicable business ordinances and building codes, and for obtaining all necessary health, building, sign, and other permits, licenses, and bonds as may be required for the operation of the office. While we have no restrictions or requirements for square footage, building type, and/or location of office space, we have found that franchisees who decide to rent office and/or storage space typically rent a self-storage unit and/or move into a small industrial park office sized between 100 sq. ft. to 500 sq. ft. Your actual rent payments may vary depending upon your location and your market's retail lease rates. You will be required to store the Vehicle(s). If you have adequate storage space at your residence for the Vehicle(s), you may store them there. If you do not have adequate storage space at your residence or office, you will be required to rent such space. The low estimate assumes you will operate the NTV 360 Business from your residence. The high end of this estimate is based on renting a storage space at \$250 per month for 3 months.

8. **Additional Funds.** These amounts represent our estimate of the amount needed to cover your expenses for the initial three-month start-up phase of your NTV 360 Business. These expenses include payroll costs during the first three months of operation, but not any draw or salary for you. These figures do not include standard pre-opening expenses or Service Fees payable under the Franchise Agreement or debt service, and assume that none of your expenses are offset by any sales generated during the start-up phase. For purposes of this disclosure, we estimated the start-up phase to be three months from the date your NTV 360 Business opens for business.

Our estimates are based on our experience, the experience of our affiliates, and our current requirements for NTV 360 Businesses.

9. This is an estimate of your initial startup expenses for one NTV 360 Franchise.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your NTV 360 Business according to our System and specifications. This includes purchasing or leasing all products, services, supplies, fixtures, equipment, inventory, computer hardware and software, and real estate related to establishing and operating the NTV 360 Franchise under our specifications, which may include purchasing these items from: (i) our designees; (ii) approved suppliers; and/or (iii) us or our affiliates. You must not deviate from these methods, standards and specifications without our prior written consent, or otherwise operate in any manner which reflects adversely on our Marks or the System.

Our confidential online "Knowledge Base" states our standards, specifications and guidelines for all products and services we require you to obtain in establishing and operating your NTV 360 Franchise and approved vendors for these products and services. We will notify you of new or modified standards, specifications and guidelines through periodic amendments or supplements to the Knowledge Base or through other written communication (including electronic communication such as email or through a system-wide intranet).

You must purchase, install, maintain in sufficient supply and use fixtures, furnishings, equipment, signs and supplies that conform to the standards and specifications described in the Knowledge Base or otherwise in writing.

We are an approved supplier of digital marketing services but not the only approved supplier. You may choose to use us for your digital marketing services and the costs will vary depending on the type of services you require.

We are currently the only approved supplier of the Component Players used in an NTV 360 Franchise Business. Some of our officers own an interest in us, an approved supplier. The Component Players are set up for various types of digital content and stream the Advertising Services through our SYSTEMV Network. We will provide digital advertisement templates for you utilizing our graphic design resources. You must provide the content of the Advertising Services for the Component Players and specific directions as to how the content will appear, following our guidelines for advertisement submission in our Knowledge Base, or as directed otherwise by us in writing. We may, in our sole discretion, provide additional content to be streamed on your Component Players during our Reserved Time as described below. We reserve the right to modify, cancel, or add to the format of any advertisement that we utilize at any time in our sole discretion.

We reserve five minutes out of every hour (“Reserved Time”) on the advertising inventory on the Screens used in your NTV 360 Business, which we may use to run advertisements with our clients and/or national accounts. The remaining 55 minutes will be yours to use to sell advertisements to local businesses. We also reserve the exclusive right to contract with state, regional and national aggregators, and to sell programmatic ads. We may establish a buyback program in the future where we offer franchisees the option to sell additional Screen time back to us (“Buyback Time”), provided that any such buyback program will be optional for NTV 360 franchisees. We may derive income from the advertisements aired during the Reserved Time and any Buyback Time and are under no obligation to share or distribute any of that income to our franchisees.

You must use the computer hardware and software that we periodically designate to operate your NTV 360 Business. You must obtain the computer hardware, software licenses, maintenance and support services and other related services that meet our specifications from the suppliers we specify. We may require you to use approved suppliers for certain technology business solutions at your expense that will support your business efficiencies, which may include phone systems, security systems, scheduling software, employee shift/task management software, inventory solutions and any other solutions we may periodically require in the Knowledge Base.

You must obtain the insurance coverage required under the Franchise Agreement. We currently require you to maintain the following insurance coverages in amounts that meet your state’s minimum requirements or as otherwise consistent with applicable law: (1) commercial general liability insurance; (2) automobile vehicle liability insurance covering the driving of your NTV 360 Business vehicle; and (3) workers compensation insurance, in the event you hire employees for your NTV 360 Business.

The insurance company must be authorized to do business in the state where your NTV 360 Business is located, and must be approved by us. It must also be rated “A” or better by A.M. Best & Company, Inc. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage at any time. All insurance policies must name us and any affiliates we designate as additional named insured parties. Your policy must provide that the insurer will not cancel or materially alter the policies without giving us at least 30 days’ prior written notice.

We will provide you with a list of any designated and approved suppliers in our Knowledge Base. If you want to use or sell a product or service that we have not yet evaluated, or if you want to purchase or lease a product or service from a supplier or provider that we have not yet approved (for products and services that require supplier approval), you must notify us and submit to us the information, specifications

and samples we request. We will use commercially reasonable efforts to notify you within 30 days after receiving all requested information and materials whether you are authorized to purchase or lease the product or service from that supplier or provider. We charge a \$250 fee to evaluate the proposed product, service or supplier. Our criteria for approving suppliers are made available to franchisees upon request. The supplier may also be required to sign a supplier agreement with us. We may periodically re-inspect approved suppliers' facilities and products, and we reserve the right to revoke our approval of any supplier, product or service that does not continue to meet our specifications. We will send written notice of any revocation of an approved supplier, product or service. We do not provide material benefits to you based solely on your use of designated or approved sources.

We estimate that approximately 25% of purchases required to open your NTV 360 Business and 10% of purchases required to operate your NTV 360 Business will be from us or from other approved suppliers or under our specifications. We and our affiliates may receive rebates from some suppliers based on your purchase of products and services and we have no obligation to pass them on to our franchisees or use them in any particular manner. During our last fiscal year ended December 31, 2025, neither we nor our affiliates derived revenue or other material consideration as a result of franchisees' required purchases or leases.

We may negotiate purchase arrangements with suppliers and distributors for the benefit of our franchisees, and we may receive rebates or volume discounts from our purchase of equipment and supplies that we resell to you. We currently do not have any purchasing or distribution cooperatives.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, N3 is not obligated to provide you with any assistance.

Pre-opening Obligations

Before you open your NTV 360 Business, we (or our designee) will provide the following assistance and services to you:

1. Provide an initial training program (See Franchise Agreement - Section 4.3.1). We will not provide general business or operations training to your employees or independent contractors; however, we may provide limited training on the System and brand standards to your key employees. You will be responsible for hiring, training, directing, scheduling and supervising your employees and independent contractors in the day-to-day operations of the NTV 360 Business.

2. Provide you with access to our online Knowledge Base. The Knowledge Base contains approximately the equivalent of 240 pages. The table of contents for the Knowledge Base is attached to this Franchise Disclosure Document as Exhibit E (See Franchise Agreement - Section 4.1).

3. Designate your territory (See Franchise Agreement - Section 2.1).

4. Assist you in designing your own website for your NTV 360 Business, which you will own and operate separately from our corporate website (See Franchise Agreement – Section 4.2).

5. Provide you with your initial Component Players as a part of your Initial Franchise Fee, which will vary depending on the size of your Territory, and any additional Component Players that you purchased

(See Franchise Agreement – Section 6.1). We do not provide the above services to renewal franchisees (except for access to our online Knowledge Base) and may not provide all of the above services to franchisees that purchase existing NTV 360 Businesses.

Schedule for Opening

The typical length of time between signing the Franchise Agreement or the payment of any fees and the opening of the NTV 360 Business can vary from 30 to 90 days. Some factors which may affect this timing are your ability to secure any necessary financing; your ability to obtain any necessary permits and certifications; the time to complete required training; the timing of the delivery of any inventory or equipment; and hiring and training of any staff.

Continuing Obligations

During the operation of your NTV 360 Business, we (or our designee) will provide the following assistance and services to you:

1. Inform you of mandatory standards, specifications and procedures for the operation of your NTV 360 Business (See Franchise Agreement – Section 4).
2. Upon reasonable request, provide advice regarding your NTV 360 Business' operation based on reports or inspections. Advice will be given during our regular business hours and through written materials, electronic media, telephone or other methods in our discretion (See Franchise Agreement - Section 4.3.2).
3. Provide additional training to you for newly hired personnel on the NTV 360 brand and System guidelines, refresher training courses and additional training or assistance that, in our discretion, you need or request.
4. Allow you to continue to use confidential materials, including the Knowledge Base and the Marks (See Franchise Agreement - Sections 4.1, 5.3, and 5.4).
5. Provide you with additional Component Players which you must purchase in accordance with the Component Player Development Schedule described in Item 6 (See Franchise Agreement – Section 5.11).
6. Pay you a referral bonus of 25% of any consideration we receive from a national account or advertiser referred to us by you, who we ultimately enter into an advertising agreement with to provide Advertising Services on a regional or national level (See Franchise Agreement – Section 6.6).
7. Pay you a referral bonus of 10% of the Initial Franchise Fee we received from a third-party franchise prospect referred to us by you, who ultimately becomes an NTV 360 franchisee (See Franchise Agreement – Section 6.7). You are authorized only to identify the prospect to our franchise sales staff. You are not authorized to act as our agent or franchise broker. If you receive a referral bonus, notice will be given to the prospective franchisee receiving the Franchise Disclosure Document.

Optional Assistance

During the term of the Franchise Agreement, we (or our designee) may, but are not required to, provide the following assistance and services to you:

1. Modify, update or change the System, including the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new products, new menu items, new equipment or new techniques.

2. Make periodic visits to the NTV 360 Business for the purpose of assisting in all aspects of the operation and management of the NTV 360 Business, prepare written reports concerning these visits outlining any suggested changes or improvements in the operation of the NTV 360 Business, and detailing any problems in the operations which become evident as a result of any visit. If we provide this at your request, you must reimburse our expenses and pay our then-current training charges.

3. Hold periodic national or regional conferences to discuss business and operational issues affecting NTV 360 franchisees.

We do not provide the above services to renewal franchisees and may not provide all of the above services to franchisees that purchase existing NTV 360 Businesses.

Advertising

Local Advertising

We do not require you to engage in any local advertising, nor do we operate a system-wide brand fund or similar collective advertising fund. We do not require you to participate in any advertising cooperative. We do not have an advertising council. We are not obligated to conduct advertising for the franchise system.

If you elect to advertise, using your own advertising materials, you must obtain our prior approval, which may be granted or denied in our sole discretion. We will review your request and we will respond in writing within five days from the date we receive all requested information. If revisions to your advertising materials are required, each resubmission will be reviewed within two business days until the final submission is approved. Our failure to notify you in the specified time frame will be deemed a disapproval of your request. Use of logos, Marks and other name identification materials must follow our approved standards. You may not use our logos, Marks and other name identification materials on items to be sold or services to be provided without our prior written approval.

System Website

We will assist you in designing your own website for your NTV 360 Business, which you will own and operate separately from our corporate NTV 360 website. You must take down this website no later than 30 days after your Franchise Agreement is terminated or not renewed.

Computer System

You must purchase a tablet for your NTV 360 Business, and we estimate the cost of purchasing the tablet will be between \$200 to \$750. You must report data and information in the manner we specify. You must accept all payment methods that we determine.

We are not required to provide you with any ongoing maintenance, repairs, upgrades, updates or support for the tablet, except that we, or our affiliate, operates and maintains the SYSTEMTV Network (Franchise Agreement - Section 4.7). We or our affiliate will also fulfill any warranty claims on Component Players that qualify for such claim. You must arrange for installation, maintenance and support of the Screens and Component Players at your cost. There are no contractual limitations in the Franchise

Agreement regarding the frequency or costs of such required support, maintenance, repairs or upgrades relating to the Screens, Component Players or tablet during the term of the Franchise Agreement.

The cost of maintaining, updating, or upgrading the tablet or its components will depend on your repair history, costs of computer maintenance services in your area, and technological advances. We estimate the annual cost will be approximately \$0 to \$100, but this could vary (as discussed above). We may revise our specifications for the tablet periodically.

We (or our designee) have the right to independently access the electronic information and data relating to your NTV 360 Business and to collect and use your electronic information and data in any manner, including to promote the System and the sale of NTV 360 Franchises. This may include posting financial information of each franchisee on an intranet website. There is no contractual limitation on our right to receive or use information through our proprietary data management and intranet system. We may access the electronic information and data from your Computer System remotely, in your NTV 360 Business or from other locations.

Training

Initial Training

You, or your manager, must complete the initial training to our reasonable satisfaction, as determined by the specific program instructors, before you open your NTV 360 Business. You must begin the initial training within 30 days of paying the Initial Franchise Fee in full and complete the training within 90 days. We provide initial training at no cost for up to two people so long as everyone attends the initial training at the same time. Initial training classes are held whenever necessary to train new franchisees. Your initial training may be done virtually, or at our corporate headquarters, in which case we will cover the travel expenses of up to two attendees. You will be required to cover the cost of any additional attendees. You may also request additional field training by a representative of ours at your NTV 360 Business, and you will pay us our \$5,000 additional field training fee for providing that training. We plan to provide the training listed in the table below.

Notes:

1. We reserve the right to vary the length and content of the initial training program based upon the experience and skill level of the individual attending the initial training program. We will use the Knowledge Base as the primary instruction materials during the initial training program.
2. Jeff Dewey and Quinn Varela currently oversee our training program. Mr. Dewey is a field trainer and has over 15 years' experience in digital out-of-home advertising. Mr. Dewey has been with us for more than four years, since our inception in 2022. Ms. Varela is a specialist in sales and training and has over five years' experience in digital out-of-home advertising. Ms. Varela has been with us for more than four years, since our inception in 2022. We reserve the right to appoint and substitute other individuals to assist in providing training, but all of our training personnel will have at least one year of experience in the subject matters that they teach.

Ongoing Training

We may periodically require that you or your other employees attend system-wide refresher or additional training courses. Some of these courses may be optional, while we may require attendance at others. You may also request that we provide additional training (either virtually or at your NTV 360 Business). If you request additional field training by a representative of ours at your NTV 360 Business, you will pay us our \$5,000 additional field training fee. The length of the additional field training may vary, but will last at least four days. If we determine that you are not operating your NTV 360 Business in compliance with the Franchise Agreement or the Knowledge Base, we may require that you and other employees attend remedial training.

In addition to participating in ongoing training, you may be required to attend any national or regional meeting or conference of franchisees. You are responsible for any conference fee and all travel and expenses for your attendees.

ITEM 12 TERRITORY

The “Territory” is a mutually agreed upon geographic area determined based on the geographic area and populations properties within that area and other relevant demographic characteristics. Your Initial Franchise Fee, Component Player Development Schedule and Component Player Development Requirement are determined by the size of your Territory according to the tables provided in Item 5 and Item 6, but in no event will a single territory exceed 600,000 persons. The Territory will be at least 125,000 persons. The population statistics used in determining your Territory will be based on numbers derived from the current U.S. Census report and supplemented with other information available and other population statistical sources of our choosing to determine populations.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will receive a protected Territory which means that during the term of the Franchise Agreement, we will not establish or franchise others to establish another NTV 360 Business within your designated territory, provided you meet your Component Player Development Requirement and meet your Component Player Development Schedule. In the event you fail to meet your Component Player Development Requirement or Component Player Development Schedule, you will still be permitted to operate your NTV 360 Business under your Franchise Agreement, but we can then open or license another to open and operate an NTV 360 business within the Territory. Additionally, if you fail to meet your Component Player Development Schedule, you will be permitted to keep operating your NTV 360 Business at your existing Host Locations, but you will lose the right to add additional Host Locations to your NTV 360 Business.

Because you will most likely operate your Franchise from your home and you do not need our approval of a site if you choose to open an office or obtain storage space, you also do not need our approval to relocate. You must comply with all other territorial requirements under the Franchise Agreement.

You are prohibited from directly marketing to, soliciting or providing services to Host Locations, or joining BNI networking groups or Chamber of Commerce whose principal location is outside of your Territory. With our prior written consent, you may be permitted to market and provide services to customers outside of your Territory provided that it does not infringe on the territory rights of any other NTV 360 franchisee or one of EDM’s authorized dealers. You may also offer digital marketing services to customers within and outside your Territory, including within the territory of other NTV 360 franchisees, and those franchisees may offer those same digital marketing services to customers within your Territory. You may not sell products through other channels of distribution such as wholesale, Internet or mail order sales. Upon renewal, we reserve the right to adjust your Territory's boundaries to reflect significant changes in

local demographics, population density, or market conditions, ensuring the territory remains aligned with our then-current criteria for a viable market.

We may use the Marks or the System to sell any products or services similar to those which you will sell through any alternate channels of distribution within or outside of the Territory. We and our affiliates have the right to operate, and to license others to operate, NTV 360 Businesses or dealerships outside the Territory, even if doing so will or might affect your operation of your NTV 360 Business. You are not granted any rights to use the internet as a channel of distribution and may not independently market on the internet or conduct e-commerce unless we have expressly allowed you to do so under our online policy. These reservations include the right to advertise on your Screens for a total of five minutes out of every hour, which may include advertisements for our national accounts and partners, as well as advertisements for owning an NTV 360 Business.

We may use trademarks other than the Marks to sell any products or services similar to those which you will sell within or outside of the Territory. We may purchase, be purchased by, merge or otherwise acquire competitive businesses within and outside the Territory. If such a situation occurs, the newly acquired businesses may not operate under the Marks in the Territory but may operate under the System. Although we reserve the rights described, neither we nor any affiliate, operates, franchises or has plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those offered by you or our other Franchises. We may implement multi-area marketing programs which may allow us or others to solicit or sell to customers anywhere. We are not required to pay you if we exercise any of our rights within your Territory.

We may also allow you to reserve the right of first refusal to develop another NTV 360 Franchise in an additional territory for 12 months, subject to availability and our approval. If we permit you to reserve the right of first refusal for an additional territory, you must pay the Additional Territory ROFR Fee and sign our Additional Franchise Reservation Agreement which is attached as Exhibit G-6 to this Franchise Disclosure Document. We may permit you to enter into an Additional Franchise Reservation Agreement at any point during the term of your franchise agreement.

If you wish to purchase an additional NTV 360 Franchise, you must apply to us, and we may, at our discretion, offer an additional NTV 360 Franchise to you. We consider a variety of factors when determining whether to grant additional NTV 360 Franchises. Among the factors we consider, in addition to the then-current requirements for new NTV 360 franchisees, are whether or not the franchisee is in compliance with the requirements under their current Franchise Agreement.

ITEM 13 TRADEMARKS

The Marks and the System are owned by EDM, and are licensed exclusively to us. EDM has granted us an exclusive license (“Trademark License”) to use the Marks to franchise the System around the world. The Trademark License is for 5 years and began on October 4, 2022. It will automatically renew for subsequent five-year periods so long as we are not in default and do not materially breach the Trademark License by engaging in any activity which damages the Marks or the goodwill of the System. If the Trademark License is terminated, EDM has agreed to license the Marks directly to our franchisees until each franchise agreement expires or is otherwise terminated. Except for the Trademark License, no agreement significantly limits our right to use or license the Marks in any manner material to the NTV 360 Franchise. EDM has registrations with the United States Patent and Trademark Office (“USPTO”) for the following Mark:

Trademark	Registration Number	Registration Date	Register
NTV 360	7,356,820	April 9, 2024	Principal

There are no effective adverse material determinations of the USPTO, the Trademark Trial and Appeal Board or the trademark administrator of any state, or any court, and no pending infringement, opposition or cancellation proceedings or material litigation involving the Marks. All required affidavits and renewals have been filed.

We do not know of any superior prior rights or infringing uses that could materially affect your use of the trademarks.

We will defend you against any claim brought against you by a third party that your use of the Marks, in accordance with the Franchise Agreement, infringes upon that party’s intellectual property rights. We will exclusively control any proceeding or litigation relating to our Marks. We have no obligation to pursue any infringing users of our Marks. If we learn of an infringing user, we will take appropriate action, but we are not required to take any action if we do not feel it is warranted. You may not establish an account or participate in any social networking sites, crowdfunding campaigns or blogs or mention or discuss the NTV 360 Franchise, us or any of our affiliates without our prior written consent and as subject to our online policy. Our online policy may completely prohibit you from any use of the Marks in social networking sites or other online use. You may not sell products through other channels of distribution such as wholesale, internet or mail order sales. Otherwise, we place no restrictions upon your ability to serve customers, provided you do so from the location of your NTV 360 Business in accordance with our policies.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our Franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

As of December 31, 2025, we had 37 franchised NTV 360 Businesses (“Franchised Businesses”) and two affiliate-owned NTV 360 Businesses in operation (the “Affiliate Businesses”). One of the Affiliate Businesses operates similarly to how an NTV 360 franchised business will operate (the “Reporting Location”). The other Affiliate Business is located in our principal city, and benefits from being able to sell

to national accounts and aggregators, which differs from that of an NTV 360 franchised business. That location also has the benefit of using our corporate marketing team, and hosting trainings for staff at our corporate offices, which typical NTV 360 franchisees will not receive. Accordingly, that Affiliate Business has been excluded. Similar to a franchised NTV 360 business, the Reporting Location is operated by an individual person and does not receive those same benefits. We are providing the Reporting Location's historical results because the Reporting Location uses our System and offers the same core products and services as the franchised business. However, the Reporting Location differs from a franchised outlet in several respects described below, and prospective franchisees should consider those differences when evaluating the data.

The information in the table below is a historical financial performance representation for the Reporting Location for the 2025 calendar year ("Reporting Period"). The table includes one affiliate-owned outlet. We excluded all 37 franchised outlets because none operated during the entire Reporting Period. We excluded one other affiliate-owned outlet because it serves national accounts and aggregators, uses our corporate marketing team, and hosts training at our corporate offices, which we believe make it materially different from the franchised business offered under this FDD. The financial information was prepared from internal accounting records and reports. The numbers have not been audited.

The information provided in this Item 19 consists of the Reporting Location's actual Gross Revenues for the Reporting Period, together with Franchise-Related Adjustments for Service Fees and Digital Marketing Fees that the Reporting Location did not actually pay. The Reporting Location has operated in Long Island, New York since 2018 and may benefit from local brand awareness, which may differ from a franchisee's circumstances. The Reporting Location has not historically operated with a defined territory, but the vast majority of its Host Locations are within an area that would fall within the middle tier population for franchised NTV 360 Businesses. Certain costs incurred by the Reporting Location are similar to costs a franchised outlet may incur, but franchisees may incur different or additional costs, including the fees and required expenditures described in Items 6 and 7 and other market-specific operating expenses. The Reporting Location does not pay the Service Fees that franchisees are required to pay or the Digital Marketing Fees that franchisees would pay if they elect to use our digital marketing services. The Reporting Location offers similar products and faces a similar degree of competition anticipated for the NTV 360 Businesses offered under this Franchise Disclosure Document. The Reporting Location utilizes our System and is substantially similar to the franchise we offer. Because the Reporting Location is affiliate-owned, the Service Fees and Digital Marketing Fees shown in the table are Franchise-Related Adjustments and were not actual expenses of the Reporting Location. In this Item 19, "Franchise-Related Adjustments" means the Service Fees and Digital Marketing Fees shown in the table, which are imputed amounts reflecting fees a franchised outlet would have paid during the Reporting Period based on the Reporting Location's historical operations, but which were not actually paid by the Reporting Location.

**Gross Profit for Reporting Location⁽¹⁾
for January 1, 2025 to December 31, 2025**

	Gross Revenues⁽²⁾	Service Fees⁽³⁾	Digital Marketing Fees⁽⁴⁾	Gross Profit⁽⁵⁾

June	\$22,223	\$5,750	\$2,574	\$13,899
July	\$26,163	\$5,750	\$2,740	\$17,673
August	\$28,463	\$5,750	\$2,541	\$20,172
September	\$24,924	\$5,750	\$2,541	\$16,633
October	\$25,769	\$5,750	\$2,459	\$17,560
November	\$24,294	\$5,750	\$2,459	\$16,085
December	\$22,528	\$5,750	\$2,203	\$14,575
2025 Total	\$293,219	\$69,000	\$31,040	\$193,179

Notes:

1. Operating History. The Reporting Location has been in operation since 2018.
2. “Gross Revenues” means the total revenue derived from the sale of goods or services less sales tax, discounts, allowances, and returns.
3. “Service Fees” reflects the Service Fees a franchised outlet would have paid during the Reporting Period based on the Reporting Location’s actual operation of 70 Component Players (\$500 plus \$75 per Component Player per month). Service Fees is a Franchise-Related Adjustment. The Reporting Location did not actually pay these Service Fees.
4. “Digital Marketing Fees” reflects the digital marketing fees a franchised outlet would have paid during each month of the Reporting Period based on digital marketing campaigns and products actually provided for downstream clients of the Reporting Location in that month. Digital Marketing Fees is a Franchise-Related Adjustment. The Reporting Location did not actually pay these Digital Marketing Fees. Franchisees are not required to use our digital marketing services, but those that elect to do so will pay us digital marketing fees.

5. “Gross Profit” equals Gross Revenues less Service Fees and Digital Marketing Fees. Gross Profit is not net profit, operating income, EBITDA, or any other measure of profitability. Gross Profit does not include operating expenses such as accounting expenses, advertising and promotion expenses (other than Digital Marketing Fees), bank service charges, charitable contributions, insurance expenses, legal fees, merchant account fees, software expenses, payroll expenses (including payroll taxes), postage and stationery, recruitment expenses, repair and maintenance, telephone expenses, and website expenses and any other material operating or non-operating expenses to the extent incurred.
6. To determine net profit, you would need to deduct from Gross Profit all operating expenses and other expenses not included in the table, including the expenses identified in Note 5.

Some NTV 360 Businesses have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, NTV 360 LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting David Alpert 13949 W. Colfax Ave., Suite 110, Lakewood, Colorado 80401, the Federal Trade Commission and the appropriate state regulatory agencies.

Independent Auditor's Report

To the Member
NTV 360 LLC
Carson City, NV 89701

Opinion

We have audited the accompanying financial statements of NTV 360 LLC, which comprise the balance sheet as of December 31, 2025 and 2024, and the related statements of operations, member's equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NTV 360 LLC as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NTV 360 LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

NTV 360 LLC (the “Company”) was organized in the State of Nevada on October 4, 2022, as a limited liability company. The Company was formed for the principal purpose of selling and supporting the NTV 360 franchise system, which specializes in digital signage and marketing solutions. The Company did not commence operations until 2024.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

(b) Accounting Standards Codification

The Financial Accounting Standards Board (“FASB”) has issued the FASB Accounting Standards Codification (“ASC”) that became the single official source of authoritative U.S. generally accepted accounting principles (“GAAP”), other than guidance issued by the Securities and Exchange Commission (SEC), superseding existing FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d)

(e) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities.

(f) Concentration of Risk

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

(g) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase.

(h) Income Taxes

The Company is structured as a limited liability company under the laws of the state of Nevada. Accordingly, the income or loss of the Company will be included in the income tax returns of the members. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under Accounting Standards Codification (“ASC”) Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If

NTV 360 LLC
NOTES TO THE FINANCIAL STATEMENTS

taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2025, the 2024 and 2023 tax years were subject to examination.

(i) Revenue Recognition

Upon inception, the Company adopted ASC 606, Revenue from Contracts with Customers. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluated all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue. For each franchised location, the Company enters into a formal franchise agreement that clearly outlines the various components of the transaction price and the Company's performance obligations.

The Company's revenues consist of initial franchise fees and royalty fees.

Royalty fees

Upon evaluation of the five-step process, the Company has determined that royalties are to be recognized in the same period as the underlying sales.

Initial franchise fees

Under the Company's franchise agreements, an initial franchise fee is charged to franchisees at contract inception. Based on the Company's assessment of the promised goods and services, a portion of the initial franchise fee relates to services that are satisfied at or near the commencement of the franchise term. This portion represents a distinct performance obligation and is recognized as revenue when control of these initial services transfers to the franchisee. The remaining portion of the initial franchise fee relates to ongoing rights and support provided throughout the term of the franchise agreement, including access to the Company's brand, operating system, and continuing services. Accordingly, the remaining balance of the initial franchise fee is deferred and recognized as revenue on a straight-line basis over the 5 year life of the franchise agreement, which reflects the pattern in which the underlying services are provided.

(j) Advertising Costs

The Company expenses advertising costs as incurred. No advertising expenses were incurred during the years ended December 31, 2025 and 2024.

(k) Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, royalties and other sales transactions. These accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of outstanding amounts. When determining the allowance for doubtful receivable, the Company has adopted ASC 326, Financial Instruments—Credit Losses. This standard requires that management utilize the Current Expected Credit Losses ("CECL") model to recognize the appropriate allowance for doubtful receivables. This model requires entities to estimate and recognize expected credit losses over the life of the financial instrument. For trade receivables, management has elected to apply a simplified approach, based on historical loss experience and adjustments for current and forecasted economic conditions. Management regularly evaluates individual customer receivables, considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts

NTV 360 LLC
NOTES TO THE FINANCIAL STATEMENTS

receivable previously written off are recorded as income when received. As of December 31, 2025 and 2024, the Company had no allowance for doubtful accounts.

(2) Accounts Payable

Accounts payable primarily consist of commissions earned by third-party agents but not yet remitted by the Company as of the reporting date. These amounts are typically settled in the ordinary course of business according to the Company's commission payment terms. As of December 31, 2025 and 2024 the amounts were \$187,500 and \$0, respectively. They are classified as current on the balance sheet.

(3) Related Party

The Company routinely shares certain operating costs with its parent company. To allocate these shared expenses, the parent company charges the Company a management fee. For the years ended December 31, 2025 and 2024, the management fee incurred by the Company was \$1,325,986 and \$0, respectively. As of December 31, 2025, \$208,603 of this fee remained payable to the parent company.

(4) Disaggregation of Revenue

Disaggregated franchise fee revenue based on the satisfaction of performance obligations in the Company's contracts with franchisees is as follows for the years ended December 31:

	2025	2024
Performance obligations satisfied at a point in time	\$ 1,515,364	\$ -
Performance obligations satisfied over the life of the contract	437,636	-
Total initial franchise fee revenue	\$ 1,953,000	\$ -

(5) Franchise Agreements

The Company's franchise agreements generally provide for payment of initial fees as well as continuing royalty fees paid to the Company based on a set formula. Under the franchise agreement, franchisees are granted the right to operate a location using the NTV360 LLC system for a period of five years. Under the Company's revenue recognition policy, the Company recognizes a portion of the initial franchise fee and the remaining portion is amortized over the life of the contract. In addition, the Company recognizes a portion of the initial costs and the remaining portion is amortized over the life of the contract.

The Company's deferred commissions activity is as follows for the years ended December 31:

	2025	2024
Beginning deferred commissions	\$ -	\$ -
Additions	733,750	-

Revenue is recognized in the period the services are performed. As of December 31, 2025 and 2024, current and non-current portions of contract receivables and liabilities are as follows:

(7) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(8) Subsequent Events

Management has reviewed and evaluated subsequent events through March 25, 2026, the date on which the financial statements were issued.

STATE ADDENDA

STATE ADDENDA AND AGREEMENT RIDERS

ADDENDUM TO FRANCHISE AGREEMENT, SUPPLEMENTAL AGREEMENTS, AND FRANCHISE DISCLOSURE DOCUMENT FOR CERTAIN STATES FOR NTV 360 LLC

The following modifications are made to the NTV 360 LLC (“Franchisor,” “us,” “we,” or “our”) Franchise Disclosure Document (“FDD”) given to franchisee (“Franchisee,” “you,” or “your”) and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement between you and us dated _____, 20__ (“Franchise Agreement”). When the term “Franchisor’s Choice of Law State” is used, it means Colorado. When the term “Supplemental Agreements” is used, it means “none”.

Certain states have laws governing the franchise relationship and franchise documents. Certain states require modifications to the FDD, Franchise Agreement and other documents related to the sale of a franchise. This State-Specific Addendum (“State Addendum”) will modify these agreements to comply with the state’s laws. The terms of this State Addendum will only apply if you meet the requirements of the applicable state independently of your signing of this State Addendum. The terms of this State Addendum will override any inconsistent provision of the FDD, Franchise Agreement or any Supplemental Agreements. This State Addendum only applies to the following states: California, Hawaii, Illinois, Iowa, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Ohio, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin.

If your state requires these modifications, you will sign this State Addendum along with the Franchise Agreement and any Supplemental Agreements.

CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the Franchise be delivered together with the FDD 14 days prior to execution of agreement.

California Corporations Code Section 31125 requires us to give to you an FDD approved by the Department of Financial Protection and Innovation before we ask you to consider a material modification of your Franchise Agreement.

The Franchise Agreement contains provisions requiring binding arbitration with the costs being awarded to the prevailing party. The arbitration will occur in Colorado. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside the State of California. The Franchise Agreement contains a mediation provision. The parties shall each bear their own costs of mediation and shall share equally the filing fee and the mediator’s fees.

The Franchise Agreement requires the application of the law of the State of Colorado. This provision may not be enforceable under California law.

Neither Franchisor nor any other person listed in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the

Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the California Franchise Investment Law, the California Franchise Investment Law will control.

The Franchise Agreement provides for termination upon bankruptcy. Any such provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. SEC. 101 et seq.).

The Franchise Agreement contains a covenant not to compete provision which extends beyond the termination of the Franchise. Such provisions may not be enforceable under California law.

Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable. Any such provisions contained in the Franchise Agreement may not be enforceable.

You must sign a general release of claims if you renew or transfer your Franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Item 6 of the FDD is amended to state the highest interest rate allowed by law in California is 10% annually.

Our website has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS

Sections 4 and 41 and Rule 608 of the Illinois Franchise Disclosure Act states that court litigation must take place before Illinois federal or state courts and all dispute resolution arising from the terms of this Agreement or the relationship of the parties and conducted through arbitration or litigation shall be subject to Illinois law. The FDD, Franchise Agreement and Supplemental Agreements are amended accordingly.

The governing law or choice of law clause described in the FDD and contained in the Franchise Agreement and Supplemental Agreements is not enforceable under Illinois law. This governing law clause shall not be construed to negate the application of Illinois law in all situations to which it is applicable.

Section 41 of the Illinois Franchise Disclosure Act states that “any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void.” The Franchise Agreement is amended accordingly. To the extent that the Franchise Agreement would otherwise violate Illinois law, such Agreement is amended by providing that all litigation by or between you and us, arising directly or indirectly from the Franchise relationship, will be commenced and maintained in the state courts of Illinois or, at our election, the United States District Court for Illinois, with the specific venue in either court system determined by appropriate jurisdiction and venue requirements, and Illinois law will pertain to any claims arising under the Illinois Franchise Disclosure Act.

Item 17.v, Choice of Forum, of the FDD is revised to include the following: “provided, however, that the foregoing shall not be considered a waiver of any right granted upon you by Section 4 of the Illinois Franchise Disclosure Act.”

Item 17.w, Choice of Law, of the FDD is revised to include the following: “provided, however, that the foregoing shall not be considered a waiver of any right granted upon you by Section 4 of the Illinois Franchise Disclosure Act.”

The termination and non-renewal provisions in the Franchise Agreement and the FDD may not be enforceable under Sections 19 and 20 of the Illinois Franchise Disclosure Act.

Under Section 705/27 of the Illinois Franchise Disclosure Act, no action for liability under the Illinois Franchise Disclosure Act can be maintained unless brought before the expiration of three years after the act or transaction constituting the violation upon which it is based, the expiration of one year after you become aware of facts or circumstances reasonably indicating that you may have a claim for relief in respect to conduct governed by the Act, or 90 days after delivery to you of a written notice disclosing the violation, whichever shall first expire. To the extent that the Franchise Agreement is inconsistent with the Illinois Franchise Disclosure Act, Illinois law will control and supersede any inconsistent provision(s).

During the term of this franchise, the Franchisor reserves the right to modify, cancel or add to the format of any advertisement it requires YOU to utilize at any time in its sole discretion. This may increase your expenses.

The Franchisor will reserve five minutes of every hour on the advertising content on YOUR Screens used in YOUR NTV 360 Business to run ads for its clients and/or national accounts.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Franchise Fee Deferral

Item 5 and Item 7 of the FDD, and the Franchise Agreement are hereby revised to state that payment of all initial fees, including the Franchise Fee, shall be deferred until after all of Franchisor’s initial obligations are complete and the Franchise is open for business. The Illinois Attorney General’s Office imposed this deferral requirement due to Franchisor’s financial condition.

See the last page of this Exhibit F for your required signature.

INDIANA

Item 8 of the FDD is amended to add the following:

Under Indiana Code Section 23-2-2.7-1(4), we will not accept any rebates from any person with whom you do business or associate in relation to transactions between you and the other person, other than for compensation for services rendered by us, unless the rebate is properly accounted for and submitted to you.

Item 17 of the FDD is amended to add the following:

Indiana Code 23-2-2.7-1(7) makes it unlawful for us to unilaterally terminate your Franchise Agreement unless there is a material violation of the Franchise Agreement and termination is not in bad faith.

Indiana Code 23-2-2.7-1(5) prohibits us to require you to agree to a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Act.

The “Summary” column in Item 17.r. of the FDD is deleted and the following is inserted in its place:

No competing business for two years within the Territory.

The “Summary” column in Item 17.t. of the FDD is deleted and the following is inserted in its place:

Notwithstanding anything to the contrary in this provision, you do not waive any right under the Indiana Statutes with regard to prior representations made by us.

The “Summary” column in Item 17.v. of the FDD is deleted and the following is inserted in its place:

Litigation regarding Franchise Agreement in Indiana; other litigation in Colorado. This language has been included in this Franchise Disclosure Document as a condition to registration. The Franchisor and the Franchisee do not agree with the above language and believe that each of the provisions of the Franchise Agreement, including all venue provisions, is fully enforceable. The Franchisor and the Franchisee intend to fully enforce all of the provisions of the Franchise Agreement and all other documents signed by them, including but not limited to, all venue, choice-of-law, arbitration provisions and other dispute avoidance and resolution provisions and to rely on federal pre-emption under the Federal Arbitration Act.

The “Summary” column in Item 17.w. of the FDD is deleted and the following is inserted in its place:

Indiana law applies to disputes covered by Indiana franchise laws; otherwise Colorado State law applies.

Despite anything to the contrary in the Franchise Agreement, the following provisions will supersede and apply to all Franchises offered and sold in the State of Indiana:

1. The laws of the State of Indiana supersede any provisions of the FDD, the Franchise Agreement, or Colorado State law, if such provisions are in conflict with Indiana law.

2. The prohibition by Indiana Code 23-2-2.7-1(7) against unilateral termination of the Franchise without good cause or in bad faith, good cause being defined under law as including any material breach of the Franchise Agreement, will supersede the provisions of the Franchise Agreement relating to termination for cause, to the extent those provisions may be inconsistent with such prohibition.
3. Any provision in the Franchise Agreement that would require you to prospectively assent to a release, assignment, novation, waiver or estoppel which purports to relieve any person from liability imposed by the Indiana Deceptive Franchise Practices Law is void to the extent that such provision violates such law.
4. The covenant not to compete that applies after the expiration or termination of the Franchise Agreement for any reason is hereby modified to the extent necessary to comply with Indiana Code 23-2-2.7-1 (9).
5. The following provision will be added to the Franchise Agreement:

No Limitation on Litigation. Despite the foregoing provisions of this Agreement, any provision in the Agreement which limits in any manner whatsoever litigation brought for breach of the Agreement will be void to the extent that any such contractual provision violates the Indiana Deceptive Franchise Practices Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IOWA

Any provision in the Franchise Agreement or Compliance Questionnaire which would require you to prospectively assent to a release, assignment, novation, waiver or estoppel which purports to relieve any person from liability imposed by the Iowa Business Opportunity Promotions Law (Iowa Code Ch. 551A) is void to the extent that such provision violates such law.

The following language will be added to the Franchise Agreement:

AMENDMENTS TO FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENTS

Item 17 of the FDD and the Franchise Agreement are amended to state: “The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.”

Representations in the Franchise Agreement are not intended to, nor shall they act as, a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

Item 17 of the FDD and sections of the Franchise Agreement are amended to state that you may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the Franchise.

The Franchise Agreement is amended to state that all representations requiring prospective franchisees to assent to a release, estoppel, or waiver of liability are not intended to, nor shall they act as, a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A Sec. 101 et seq.).

Item 17 of the Franchise Disclosure Document and the Franchise Agreement is amended to provide as follows: This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Fee Deferral

Item 5 and 7 of the FDD and the Franchise Agreement are revised to state: Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

The undersigned parties do hereby acknowledge receipt of this Addendum.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on your right to join an association of franchisees.

(b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel which deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.

(c) A provision that permits us to terminate a Franchise prior to the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits us to refuse to renew your Franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the Franchise

business are not subject to compensation. This subsection applies only if: (i) the term of the Franchise is less than five years; and (ii) you are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the Franchise or you do not receive at least six months' advance notice of our intent not to renew the Franchise.

(e) A provision that permits us to refuse to renew a Franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits us to refuse to permit a transfer of ownership of a Franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the Franchise. Good cause shall include, but is not limited to:

(i) the failure of the proposed transferee to meet our then-current reasonable qualifications or standards.

(ii) the fact that the proposed transferee is a competitor of us or our subfranchisor.

(iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) your or proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a Franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be directed to:

State of Michigan
Department of Attorney General
Consumer Protection Division
Attn: Franchise
670 Law Building
525 W. Ottawa Street
Lansing, Michigan 48913
Telephone Number: (517) 373-7117

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MINNESOTA

Despite anything to the contrary in the Franchise Agreement, the following provisions will supersede and apply to all Franchises offered and sold in the State of Minnesota:

1. Any provision in the Franchise Agreement which would require you to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22 will be void to the extent that such contractual provision violates such law.
2. Minnesota Statute Section 80C.21 and Minnesota Rule 2860.4400J prohibit the franchisor from requiring litigation to be conducted outside of Minnesota. In addition, nothing in the FDD or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of Minnesota.
3. Minn. Rule Part 2860.4400J prohibits a franchisee from waiving his rights to a jury trial or waiving his rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes. Any provision in the Franchise Agreement which would require you to waive your rights to any procedure, forum or remedies provided for by the laws of the State of Minnesota is deleted from any agreement relating to Franchises offered and sold in the State of Minnesota; provided, however, that this paragraph will not affect the obligation in the Franchise Agreement relating to arbitration.
4. With respect to Franchises governed by Minnesota law, we will comply with Minnesota Statute Section 80C.14, Subds. 3, 4 and 5, which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement; and that consent to the transfer of the Franchise will not be unreasonably withheld.
5. Item 13 of the FDD is hereby amended to state that we will protect your rights under the Franchise Agreement to use the Marks, or indemnify you from any loss, costs, or expenses arising out of any third-party claim, suit or demand regarding your use of the Marks, if your use of the Marks is in compliance with the provisions of the Franchise Agreement and our System standards.

6. Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release. As a result, the FDD and the Franchise Agreement, which require you to sign a general release prior to renewing or transferring your Franchise, are hereby deleted from the Franchise Agreement, to the extent required by Minnesota law.
7. The following language will appear as a new paragraph of the Franchise Agreement:

No Abrogation. Pursuant to Minnesota Statutes, Section 80C.21, nothing in the dispute resolution section of this Agreement will in any way abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80.C.
8. Minnesota Statute Section 80C.17 states that no action for a violation of Minnesota Statutes, Sections 80C.01 to 80C.22 may be commenced more than three years after the cause of action accrues. To the extent that the Franchise Agreement conflicts with Minnesota law, Minnesota law will prevail.
9. This provision supersedes any other term of any document executed in connection with the franchise.
10. Fee Deferral: Items 5 and 7 of the FDD and the Franchise Agreement are amended to state: Payment of the Initial Franchise Fee shall be deferred until Franchisor has satisfied its pre-opening obligations to Franchisee and Franchisee has commenced doing business.

NEW YORK

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CAN NOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A.No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices or comparable civil or misdemeanor allegations.

B.No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C.No such party has been convicted of a felony or pleaded nolo contendere to a felony charge, or within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D.No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" sections of Item 17(c), titled "**Requirements for franchisee to renew or extend,**" and Item 17(m), entitled "**Conditions for franchisor approval of transfer:**"

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "**Termination by franchisee**": You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the "Summary" sections of Item 17(v), titled "**Choice of forum,**" and Item 17(w), titled "**Choice of law**":

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements - No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts - Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

Item 17(r) of the FDD and Section 5.8 of the Franchise Agreement disclose the existence of certain covenants restricting competition to which Franchisee must agree. The Commissioner has held that covenants restricting competition contrary to Section 9-08-06 of the North Dakota Century Code, without further disclosing that such covenants may be subject to this statute, are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The FDD and the Franchise Agreement are amended accordingly to the extent required by law.

Section 9.5 of the Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by the franchisor in enforcing the agreement. The Commissioner has determined this to

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Items 5 and 7 of the Franchise Disclosure Document and the Franchise Agreement regarding payment of the initial franchise fee are amended to state that the franchise fee will be deferred until all initial obligations owed to the Franchisee by the Franchisor have been fulfilled and the franchisee has commenced doing business pursuant to the Franchise Agreement.

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.” The FDD, the Franchise Agreement, and the Supplemental Agreements are amended accordingly to the extent required by law.

The above language has been included in this FDD as a condition to registration. The Franchisor and the Franchisee do not agree with the above language and believe that each of the provisions of the Franchise Agreement and the Supplemental Agreements, including all choice of law provisions, are fully enforceable. The Franchisor and the Franchisee intend to fully enforce all of the provisions of the Franchise Agreement, the Supplemental Agreements, and all other documents signed by them, including, but not limited to, all venue, choice-of-law, arbitration provisions and other dispute avoidance and resolution provisions and to rely on federal pre-emption under the Federal Arbitration Act.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

SOUTH DAKOTA

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

VIRGINIA

Item 17(h). The following is added to Item 17(h):

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement or Supplemental Agreements involve the use of undue influence by the Franchisor to induce a franchisee to surrender any rights given to franchisee under the Franchise, that provision may not be enforceable.”

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the FDD for NTV 360 LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure. The following statements are added to Item 8 and Item 17.h.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such

release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any

provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. Franchisees who receive financial incentives to refer franchise prospects to franchisors may be required to register as franchise brokers under the laws of Washington.

The undersigned parties do hereby acknowledge receipt of this Addendum.

WHEREAS, Franchisor and Franchisee have entered into a Franchise Agreement (“Agreement”) pursuant to which Franchisee was granted the right to own and operate an NTV 360 business;

WHEREAS, (Franchisee has notified Franchisor of its desire to transfer the Agreement and all rights related thereto, or an ownership interest in Franchisee, to a transferee/enter into a successor franchise agreement/amend the Agreement) or (the Agreement is being terminated/or indicate other reason for the requirement of this waiver and release), and Franchisor has consented to such (transfer/successor franchise agreement/amendment/termination/other reason); and

1. **Representations and Warranties**. Releasor represents and warrants that it is duly authorized to enter into this Release and to perform the terms and obligations herein contained, and has not assigned, transferred, or conveyed, either voluntarily or by operation of law, any of its rights or claims against Franchisor or any of the rights, claims, or obligations being terminated and released hereunder. Each individual executing this Release on behalf of Franchisee represents and warrants that he/she is duly authorized to enter into and execute this Release on behalf of Franchisee. Releasor represents and warrants to the Released Parties, and agrees,

that it may later learn of new or different facts, but that still, it is Releasor's intention to fully, finally, and forever release all of the claims that are released above. This includes the Releasor's waiver of state laws that might apply to limit a release (such as Calif. 3. Nondisparagement. Releasor expressly covenants and agrees not to make any false representation of facts, or to defame, disparage, discredit, or deprecate any of the Released Parties or otherwise communicate with any person or entity in a manner intending to damage any of the Released Parties, their business, or their reputation.

This Release may not be modified except in a writing signed by all of the Parties. This Release may be executed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same document.

g. If one or more of the provisions of this Release shall for any reason be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect or impair any other provision of this Release, but this Release shall be construed as if such invalid, illegal, or unenforceable provision had not been contained herein.

The term “Marks” also includes any distinctive trade dress used to identify an NTV 360 business, whether now in existence or hereafter created.

“*Prohibited Activities*” means any or all of the following: (i) owning, operating, or having any other interest (as an owner, partner, director, officer, employee, manager, consultant, shareholder, creditor, representative, agent, or in any similar capacity) in a Competitive Business (other than owning an interest of five percent (5%) or less in a publicly-traded company that is a Competitive Business); (ii) diverting or attempting to divert any business from us (or one of our affiliates or franchisees); and/or (iii) inducing or attempting to induce any customer of ours (or of one of our affiliates or franchisees) to transfer their business to you or to any other person that is not then a franchisee of ours.

“*Restricted Period*” means the one-year period after you cease to be a manager or officer of Franchisee’s NTV 360 business; provided, however, that if a court of competent jurisdiction determines that this period of time is too long to be enforceable, then the “Restricted Period” means the six-month period after you cease to be a manager or officer of Franchisee’s NTV 360 business.

“*Restricted Territory*” means the geographic area within: (i) the Franchisee Territory; and (ii) the territory of all other NTV 360 businesses that are operating or under construction as of the beginning of the Restricted Period; provided, however, that if a court of competent jurisdiction determines that the foregoing Restricted Territory is too broad to be enforceable, then the “Restricted Territory” means the geographic area within a 50-mile radius from Franchisee’s NTV 360 business (and including the premises of the approved location of Franchisee).

“*System*” means our system for the establishment, development, operation, and management of an NTV 360 business, including Know-how, proprietary programs and products, Manual, and operating system.

2. Background. You are a manager or officer of Franchisee. As a result of this relationship, you may gain knowledge of our System. You understand that protecting the Intellectual Property and our System are vital to our success and that of our franchisees and that you could seriously jeopardize our entire System if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this SP Agreement.

3. Know-How and Intellectual Property. You agree: (i) you will not use the Know-how in any business or capacity other than the NTV 360 business operated by Franchisee; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer a manager or officer of Franchisee’s NTV 360 business. You further agree that you will not use all or part of the Intellectual Property or all or part of the System for any purpose other than the performance of your duties for Franchisee and within the scope of your employment or other engagement with Franchisee. These restrictions on Know-how, Intellectual Property and the System shall not apply to any information which is information publicly known or becomes lawfully known in the public domain other than through a breach of this SP Agreement or is required or compelled by law to be disclosed, provided that you will give reasonable notice to us to allow us to seek protective or other court orders.

4. Unfair Competition During Relationship. You agree not to unfairly compete with us at any time while you are a manager or officer of Franchisee’s NTV 360 business by engaging in any Prohibited Activities.

5. Unfair Competition After Relationship. You agree not to unfairly compete with us during the Restricted Period by engaging in any Prohibited Activities; provided, however, that the Prohibited Activity relating to having an interest in a Competitive Business will only apply with respect to a Competitive Business that is located within or provides competitive goods or services to customers who are located within the Restricted Territory. If you engage in any Prohibited Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the Prohibited Activity.

6. Immediate Family Members. You acknowledge that you could circumvent the purpose of this SP Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, grandparent or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this SP Agreement if any member of your immediate family: (i) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities; or (ii) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

7. Covenants Reasonable. You acknowledge and agree that: (i) the terms of this SP Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this SP Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS SP AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE, OR OTHERWISE UNENFORCEABLE.**

8. Breach. You agree that failure to comply with the terms of this SP Agreement will cause substantial and irreparable damage to us and/or other NTV 360 franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of the terms of this SP Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours in the event of the entry of such injunction will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this SP Agreement are exclusive of any other, but may be combined with others under this SP Agreement, or at law or in equity, including injunctive relief, specific performance, and recovery of monetary damages. Any claim, defense, or cause of action that you may have against us, our owners or our affiliates, or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this SP Agreement.

9. Miscellaneous.

a. If we pursue legal remedies against you because you have breached this SP Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

b. This SP Agreement will be governed by, construed, and enforced under the laws of Colorado, and the courts in that state shall have jurisdiction over any legal proceedings arising out of this SP Agreement.

c. Each section of this SP Agreement, including each subsection and portion thereof, is severable. If any section, subsection, or portion of this SP Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection, or portion; and each party to this SP Agreement agrees that the court may impose such limitations on the terms of this SP Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration, and geographic area.

d. You and we both believe that the covenants in this SP Agreement are reasonable in terms of scope, duration, and geographic area. However, we may at any time unilaterally modify the terms of this SP Agreement upon written notice to you by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Restricted Period, reducing the geographic scope of the Restricted Territory, and/or reducing the scope of any other covenant imposed upon you under this SP Agreement to ensure that the terms and covenants in this SP Agreement are enforceable under applicable law.

In order to avoid such damage, you agree to comply with this Confidentiality Agreement.

3. Know-How and Intellectual Property: Nondisclosure and Ownership. You agree:

4. Immediate Family Members. You acknowledge you could circumvent the purpose of this Confidentiality Agreement by disclosing Intellectual Property to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Intellectual Property to family members. Therefore, you agree you will be presumed to have violated the terms of this Confidentiality Agreement if any member of your immediate family uses or discloses the Intellectual Property. However, you may rebut this presumption by furnishing evidence conclusively showing you did not disclose the Intellectual Property to the family member.

5. Covenants Reasonable. You acknowledge and agree that: (i) the terms of this Confidentiality Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Confidentiality Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS CONFIDENTIALITY AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE, OR OTHERWISE UNENFORCEABLE.**

7. Miscellaneous.

a. Although this Confidentiality Agreement is entered into in favor of NTV 360 LLC, you understand and acknowledge that your employer/employee, independent contractor, agent, representative,

or supplier relationship is with Franchisee and not with us, and for all purposes in connection with such relationship, you will look to Franchisee and not to us.

b. If we pursue legal remedies against you because you have breached this Confidentiality Agreement and prevail against you, you agree to pay our reasonable attorney fees and costs in doing so.

c. This Confidentiality Agreement will be governed by, construed, and enforced under the laws of Colorado, and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Confidentiality Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements herein contained, the parties hereto hereby covenant, promise, and agree as follows:

This Additional Franchise Reservation Agreement ("AFR Agreement") is entered into on _____, 20____ ("Effective Date"), between NTV 360 LLC ("Franchisor"), a Nevada limited liability company, _____ and _____, ("Franchisee").

RECITALS

WHEREAS, Franchisor and Franchisee entered into that certain franchise agreement dated _____, 20____ ("Franchise Agreement"), in which Franchisor granted Franchisee the right to operate an NTV 360 franchise located at _____ ("Franchised Business"); and

WHEREAS, Franchisee desires to purchase the right to match any offer for an additional territory that is separate from the Territory assigned in the Franchise Agreement ("Territory ROFR") and Franchisor desires to approve the Territory ROFR upon the terms and conditions contained in this AFR Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements herein contained, the parties hereto hereby covenant, promise, and agree as follows:

1. Payment of Fees. In consideration for the Territory ROFR, Franchisee acknowledges and agrees to pay Franchisor the Additional Territory ROFR Fee, as required under the Franchise Agreement ("ROFR Fee"). The ROFR Fee is fully earned and non-refundable, regardless of whether Franchisee exercises its Territory ROFR.

2. Term. The term of this AFR Agreement shall commence on the Effective Date and, unless otherwise negotiated, terminated or extended as provided herein, shall continue until the earlier of (i) 12 months after the Effective Date; (ii) the date of execution of the New Franchise Agreement for the Reserved Territory as defined below; or (iii) Franchisee's default under the Franchise Agreement ("Term").

3. Reserved Territory. The territory covered under this AFR Agreement is referred to as the "Reserved Territory." The specific Reserved Territory is:

[RESERVED TERRITORY DESCRIPTION]

4. Right to Match Offer. If, during the Term, a qualified prospective franchisee has applied to operate an NTV 360 franchise in the Reserved Territory, Franchisor shall provide Franchisee with written notification stating the same. Franchisee shall have 7 days from the receipt of said notice to notify Franchisor of its election to exercise or not exercise the Territory ROFR provided under this AFR Agreement. If Franchisee does not provide Franchisor with written notice of its decision within 7 days, it shall be deemed to have declined its option to exercise the Territory ROFR under this AFR Agreement.

5. New Franchise Agreement. In the event Franchisee exercises its Territory ROFR under this AFR Agreement, Franchisee shall execute Franchisor's then-current form franchise agreement (along with any other required contracts for the operation of an NTV 360 franchise as stated in Franchisor's Franchise Disclosure Document, together, the "New Franchise Agreement") for the franchised business in the

Reserved Territory within 30 days of providing Franchisor with notice of its election to exercise its Territory ROFR. The ROFR Fee paid by Franchisee under this AFR Agreement shall be applied to the Franchisee's initial franchise fee under the New Franchise Agreement. In the event Franchisee fails to execute the New Franchise Agreement within 30 days of notifying Franchisor of its intent to exercise its Territory ROFR, it shall be deemed to have forfeited its Territory ROFR under this AFR Agreement.

6. Assignment. Franchisor has the unrestricted right to assign this AFR Agreement without prior notice to Franchisee. Franchisee may not assign this AFR Agreement without prior written approval of Franchisor, which Franchisor may withhold in its sole discretion.

7. Notices. Any notices given under this AFR Agreement shall be in writing, and if delivered by hand, or transmitted by U.S. certified mail, return receipt requested, postage prepaid, or via telegram or telefax, shall be deemed to have been given on the date so delivered or transmitted, if sent to the recipient at its address or telefax number appearing on the records of the sending party.

8. Entire Agreement. This AFR Agreement incorporates the full and complete agreement between the parties concerning the subject of this AFR Agreement, and supersedes any and all prior correspondence, conversations, representations, or statements of whatever nature concerning the subject of this AFR Agreement.

9. Miscellaneous. This AFR Agreement may not be changed or modified except in a writing signed by all of the parties hereto. This AFR Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same document. This AFR Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

10. Governing Law. This AFR Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Colorado.
