What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Virginia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Virginia than in your own state.
2. **Limited Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in writing

to comply with all lawful obligations; (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Hewitt, ATAX, LLC, and Loyalty, LLC (Case No 250503829) Court of Common Pleas of Philadelphia County, Pennsylvania, filed May 30, 2025, amended August 19, 2025. Plaintiffs are minority investors in ATAX, LLC, who allege they were solicited to invest in ATAX as a qualified opportunity zone business and that ATAX failed to qualify. Plaintiffs further allege that Defendants failed to perform certain remedial commitments, including an amendment to ATAX's Operating Agreement and certain financial controls, and that Hewitt caused unauthorized cash transfers from ATAX's accounts to himself and affiliated entities without Board approval. Plaintiffs assert the following claims: (1) Fraud (against Hewitt); (2) Aiding and Abetting Fraud (against Loyalty); (3) Breach of Fiduciary Duty (against Hewitt and Loyalty); (4) Conversion (against Hewitt and Loyalty); (5) Breach of Contract (against Hewitt, Loyalty, and ATAX); (6) Unjust Enrichment (against Hewitt and Loyalty); (7) Breach of the Virginia Stock Corporation Act (against Hewitt and Loyalty); and (8) Violation of the Pennsylvania Voidable Transfers Act (against Hewitt and Loyalty). The Claimants are an investment advisory and insurance products sales organization, and they entered a joint venture with Ledgers to develop or acquire accounting offices and then convert them to franchise locations. The

Claimants filed an Amended Statement of Claim on January 21, 2026, alleging breach of contract, breach of implied duty of good faith and fair dealing, fraud in the inducement, common-law fraud, negligent misrepresentation or in the alternate rescission/restitution. The Respondents deny the allegations and have asserted counterclaims alleging that the Claimant breached the joint venture agreement by failing to enter into franchise agreements, and failing to operate as a franchise and pay advertising fees, royalties, training fees, and other required fees, along with failure to comply with operational requirements, unauthorized use of registered trademarks, false advertising, and failure to pay for certain support services. The Claimant seeks approximately \$1,945,301.11 in damages, together with interest, attorneys' fees, arbitration costs, and such other relief as permitted by law or agreement. The Respondents seek \$225,000 on the counterclaims. No conclusions of law or fact have been made. An evidentiary hearing has been scheduled for November 2026.

The Complaint asserted claims for breach of fiduciary duty and breach of fiduciary duty by violation of the nominating committee charter. A mediation took place on November 12, 2018 but did not result in a resolution. On March 15, 2019, the parties entered into a stipulation of settlement of which the material terms of the settlement are as follows: (i) Liberty Tax agreed to implement an anti-harassment policy; (ii) Liberty Tax will conduct yearly code of conduct training; (iii) Liberty Tax will terminate for cause any employee who violates the anti-harassment policy that has been substantiated as such; (iv) Liberty Tax will revise its audit committee charter to reflect that SEC filings must be pre-approved by the Audit Committee; (v) Liberty Tax will take reasonable steps to be listed on NASDAQ or NYSE; (vi) Hewitt agrees not to solicit company employees; and (vii) No party admits any liability. On June 28, 2019, the Court of Chancery approved a Derivative and Class Action Settlement. All issues have been resolved and the Delaware derivative actions were dismissed with prejudice in 2019 without any finding of liability on the part of the Defendants.

RSL Senior Partners, LLC, derivatively and on behalf of Liberty Tax, Inc. v Brunot et al., (Case No. 2:18-cv-00127-HCM-DEM), filed on March 7, 2018, in the United States District Court for the Eastern District of Virginia. This purported shareholder derivative action was filed on behalf of LT Inc. seeking to address the alleged wrongs of LT Inc.'s directors and officers. The Complaint claimed that certain conduct created an inappropriate tone at the top, resulting in the loss of key executives, employees, directors and otherwise harmed LT Inc. The Complaint asserted claims under Section 14(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Section 10(b) and Rule 10b-5 and Section 20(a) of the Exchange Act, breach of fiduciary duty, unjust enrichment, abuse of control, gross mismanagement, and waste of corporate assets. The Complaint sought the following relief: (a) declaring that the Plaintiff may maintain this action on behalf of LT Inc., and that the Plaintiff is an adequate representative of LT Inc.; (b) declaring that the Individual Defendants have breached and/or aided and abetted the breach of their fiduciary duties to LT Inc.; (c) determining and awarding to LT Inc. the damages sustained by it as a result of the violations set forth above from each of the Individual Defendants, jointly and severally, together with pre-judgment and post-judgment interest thereon; (d) directing LT Inc. and the Individual Defendants to take all necessary actions to reform and improve its corporate governance and internal procedures to comply with applicable laws and to protect LT Inc. and its shareholders from a repeat of the damaging events (e) awarding LT Inc. restitution from Individual Defendants; and (f) awarding the Plaintiff the costs and disbursements of the action, including reasonable attorneys' and experts' fees, costs, and expenses. The parties to this action have agreed that all claims have been settled and agreed to dismiss the action within five business days of the *In Re: Liberty Tax, Inc. Stockholder Litigation* action in Delaware Chancery Court becoming final. On September 11, 2019, the Court conducted a hearing for approval of the settlement and for attorney's fees. On September 12, 2019, the Court found the shareholder notice to be adequate and in compliance with the requirements of rule 23.1(c). The Court approved the settlement ordered in the *In Re: Liberty Tax, Inc. Stockholder Litigation* which incorporated the

Plaintiff's claims in this action and approved the \$295,000 in attorneys' fees, including the case contribution award of \$2,000 to Plaintiff. This matter was dismissed with prejudice.

Bablu Shahabuddin v. JTH Tax, Inc., Siempre Tax, and John Hewitt, (Case No. 2:18-cv-00016-MDS-DEM) filed on January 11, 2018 in the United States District Court for the Eastern District of Virginia. The plaintiff filed suit which, as amended, claimed that JTH Tax and Siempre Tax failed to pay to him certain monies owed under various Purchase and Sale Agreements, that a constructive trust should be imposed on certain monies received by Liberty Tax and Siempre for the subsequent sale of those territories, that the defendants committed fraud in the inducement, and that Hewitt orally guaranteed the Purchase and Sale obligations. Shahabuddin sued for \$600,000 in compensatory damages, \$350,000 in punitive damages, plus pre-judgment and post-judgment interest. The parties reached a settlement of all claims whereby JTH Tax paid \$775,000 and a portion of certain upcoming Net Revenue at offices previously owned by the plaintiff to him. The case was dismissed on November 14, 2018.

JTH Tax LLC d/b/a Liberty Tax Service v. John T. Hewitt, Loyalty LLC, ATAX LLC, ATAX Franchise, Inc. and Yneva Marte (Case No.2:21-cv-00076-RBS-LRL) filed February 4, 2021 in the United States District Court for the Eastern District of Virginia. Plaintiff filed the action alleging that ATAX franchisees maintained signage that is confusingly similar to trade dress and logos of the plaintiff. The Plaintiff also alleges that Mr. Hewitt tortiously interfered with certain contractual relations by discussing with existing and former franchisees of the Plaintiff opportunities at ATAX. The complaint alleges that Mr. Hewitt breached his employment agreement by sharing and using trade secrets, confidential and proprietary information for his own benefit or the benefit of a third party by convincing existing and prospective franchisees of the Plaintiff to leave and instead open ATAX franchises. Lastly, the complaint alleges that Mr. Hewitt engaged in a conspiracy to unfairly compete against and damage Liberty Tax by convincing customers and prospective customers to pick ATAX over Liberty Tax. Plaintiffs sought \$20 million in actual damages, treble damages, costs, and legal fees along with injunctive relief. The Defendants have denied the allegations. The matter was settled on December 31, 2021. Under the Settlement Agreement, Defendants agreed to pay the Plaintiff \$545,000 over 6 years, and to refrain from: (1) unfairly competing with Liberty Tax by tortiously interfering with its franchise agreements; (2) diverting or attempting to interfere with or divert any leases from Liberty; (3) palming off any of ATAX's products or services as those of Liberty; (4) any action or statement that could reasonably cause likelihood of confusion that any ATAX location is associated with Liberty; (5) possessing, misappropriating, using or disclosing Liberty's confidential information; and (6) accessing any of Liberty's computer systems or databases. ATAX agreed to permanently close three specific ATAX locations and use their best efforts to assign leases for those locations to Liberty. The Court retained jurisdiction to enforce the final consent order.

Governmental Actions Against John T. Hewitt:

In the Matter of a Consent Order between The Commissioner of Financial Protection and Innovation and John T. Hewitt, before the Commissioner of Financial Protection and Innovation for the State of California. The Commissioner is the head of the Department of Financial Protection and Innovation (Department) and is responsible for administering and enforcing the Franchise Investment Law (FIL) (Corp. Code, § 31000 et seq.), The Commissioner has determined

pursuant to her authority under the FIL that John T. Hewitt is “subject to” the Final Order entered in the matter of United States of America v. Franchise Group Intermediate L 1, LLC d/b/a Liberty Tax Service (Case No. 2:19-cv-00653-RAJ-DEM) filed on or around December 3, 2019 in the United States District Court for the Eastern District of Virginia (the Final Order). John T. Hewitt agreed that he is required to disclose the Final Order in Item 3 of any Franchise Disclosure Document filed by any present or future Franchisor where John T. Hewitt is a director, trustee, general partner, principal officer, or maintains management responsibility relating to the sale or operation of the respective Franchisor, along with disclosure of this governmental action.

Governmental Actions against Unrelated Entities:

United States of America v. Franchise Group Intermediate L 1, LLC d/b/a Liberty Tax Service, (Case No. 2:19-cv-00653-RAJ-DEM) filed on or around December 3, 2019 in the United States District Court for the Eastern District of Virginia. The Department of Justice (DOJ) filed a complaint asserting that Liberty Tax failed to maintain adequate controls over the tax returns prepared by its franchisees and failed to take steps to prevent the filing of potentially false or fraudulent returns prepared by its franchises despite notice of fraud at some of its franchisee stores. The primary focus of the DOJ’s investigation that preceded the complaint related to the alleged operational wrongdoing of 12 franchisees. Also on December 3, 2019, the DOJ and Liberty Tax filed a joint motion asking the court to approve a proposed settlement order setting forth certain enhancements to the Liberty Tax service compliance program and requiring Liberty Tax to retain an independent monitor to oversee the implementation of the required enhancements to the compliance program; and work with Liberty Tax to make further enhancements to improve the compliance program. As part of the proposed order, Liberty Tax agreed not to rehire John T. Hewitt, under whose supervision the alleged conduct at issue occurred. Liberty Tax further agreed not to grant John T. Hewitt any options or other rights to acquire equity in Liberty Tax or to nominate him to the company’s board of directors. On December 20, 2019, the court granted the joint motion and the motion to seal, which fully resolved the legal proceedings initiated by the DOJ. Although he is referenced in the court’s order, John T. Hewitt was not a named party to this case.

Other than these actions, no litigation is required to be disclosed in this Item.

*The initial fees listed above that are paid to us are nonrefundable as paid. Whether such fees paid to third parties are refundable would depend upon their policies.

Note 1 – Initial Franchise Fee. We base the table above on the purchase of a single franchise.

Note 2 – Brand Identity Package. You are required to purchase a “Brand Identity Package” of initial marketing supplies within 30 days of signing the Franchise Agreement.

Note 3 – Bus, Bus Upfitting & Dog Transportation Equipment. This estimate includes one Hike Doggie Bus and the cost of outfitting the Bus, which you will use in the operation of your Hike Doggie Business. The estimate includes the price of outfitting the Bus, including the installation of 12 “Zen Dens,” registration, taxes, and fees. The estimate also includes the “Zen Dens” you will use to transport dogs in your vehicle and this equipment must be installed on your Bus prior to opening. The low estimate assumes that you will finance the purchase of the Bus (Rear Wheel Drive) and the Bus outfitting expenses and will not incur transport/delivery costs. The high estimate assumes that you will purchase the Bus (All Wheel Drive) and pay for the Bus and outfitting up front. The low estimate includes one monthly payment for a financed Bus, assuming you will open within one month of obtaining your Bus and will not be required to make a down payment.

Note 4 – Bus Vehicle Wrap. The bus must be branded and display our Marks in the manner specified in the guidelines we provide. This item estimates the cost of a wrap for one vehicle.

Note 5 – Bus Transport/Delivery. The low estimate assumes you will not incur freight costs and will pick up your Bus while attending the initial training program. The high estimate assumes that our designated supplier will ship your Bus from Golden, Colorado, to you via common carrier. This high-end estimates the freight charges to ship one Bus.

Note 6 – Hike Doggie Bus Inventory and Supplies. This item estimates the cost of the start-up initial inventory for your Bus, which will include harnesses, leashes, muzzles, cleaning supplies, mats, card holders, and phone accessories. Additional inventory may be needed to begin operating your Hike Doggie Business, depending on your location and the time of the year. We will determine a satisfactory start-up inventory amount on a case-by-case basis, and the preferred vendors to purchase from. You will pay the vendor directly for the start-up inventory.

Note 7 – Computer System. You must comply with our computer hardware, software, and POS specifications, which we have outlined in Item 11.

Note 8 – Hike Doggie Bus Stop Equipment and Supplies. This estimate includes the equipment and supplies that you must maintain at your Bus Stop, which may be at your home or rented facility. The low estimate assumes you already have access to a sink, washer, and dryer. The high estimate assumes you will purchase these items along with all other required cleaning supplies.

Note 9 – Training Expenses. These are the estimated expenses to attend initial training.

Note 10 – Insurance. You will need insurance, as we describe in detail in Item 8.

Note 11 – Professional Expenses. You will incur professional legal and accounting fees to assist with your entity setup, licensing, and other legal and accounting issues.

Note 12 – Licenses and Permits. These are the estimated costs of obtaining the required licenses and permits to operate your business. Some costs can vary depending on the location of the Franchised Business.

Note 13 – Grand Opening Advertising. We require you to engage in a Grand Opening Advertising campaign pursuant to our guidelines to draw attention to the opening of your business.

Note 14 – Lease, Utilities, Security Deposits, Storage. Most of our franchisees will operate their Hike Doggie Businesses out of their Bus(es) and their homes, but the Hike Doggie Business may be operated from office buildings, business parks, and other commercial real estate locations. If you decide to operate your Hike Doggie Business out of an office, you will be solely liable for its compliance with all applicable business ordinances and building codes, and for obtaining all necessary health, building, sign, and other permits, licenses, and bonds as may be required for the operation of the office. While we have no restrictions or requirements for square footage, building type, and/or location of office space, we have found that franchisees who decide to rent office and/or storage space for their office and/or Bus Stop typically rent a self-storage unit and/or move into a small industrial park office sized between 800 and 1,500 square feet. Your actual rent payments may vary depending upon your location and your market's retail lease rates. You will be required to store the Bus at your Bus Stop. If you have adequate storage space at your residence for a Bus Stop, you may store them there. If you do not have adequate storage space at your residence or office, you will be required to rent such space within your Territory. The low end of this estimate assumes you operate your Hike Doggie Business out of your Bus and home and do not incur these expenses.

Note 15 – Additional Funds-90 Days. Additional funds are to cover daily operational expenses for the first three months of operations, including wages for two dog hikers. The estimate of additional funds does not include owner’s salary or draw. We base this estimate on the years of industry experience our management team has.

Note 16 – Total. Does not include recurring fees, interest expenses, or taxes. We do not offer financing directly or indirectly for any part of the initial investment.

B. MULTI-TERRITORY PURCHASE

Expenditure	Amount		Method of Payment	When Due	To Whom Payment is to be Made
	Low	High			
Initial Franchise Fee (Note 1)	\$72,000	\$125,000	Lump Sum	Upon entering into the Multi-Territory Addendum (“MTDA”)	Us
Initial Investment for Your Initial Franchised Business (Note 2)	\$38,100	\$160,400	See Chart 7(A) above.		
TOTAL	\$110,100	\$285,400			

Note 1- The low-end comprises the initial franchise fee for two territories. The high-end comprises the initial franchise fee of five territories. We show the initial franchise fees for the purchase of 2-5 territories in the table below:

Franchise Package	Initial Franchise Fee
Multi-2 Territory	\$72,000
Multi-3 Territory	\$96,000
Multi-4 Territory	\$116,000
Multi-5 Territory	\$125,000

Note 2-If you purchase a Multi-Territory Franchise under the Multi-Territory Addendum, you will incur all of the costs listed from the Item 7A table, less the initial franchise fee. The low-end comprises the low-end estimate from the Item 7A table, minus the initial franchise fee, as the initial franchise fee is already included in the Initial Franchise Fee in the table above ($\$83,100 - \$45,000 = \$38,100$). The high-end comprises the high-end estimate from the Item 7A table, minus the initial franchise fee, as the initial franchise fee is already included in the Initial Franchise Fee in the table above ($\$205,400 - \$45,000 = \$160,400$).

The estimates in this Chart 7(B) assume that you will be entering into an MTDA for the right to open and operate two to five total Franchised Businesses and the cost of opening the first Franchised Business.

This figure represents the total estimated initial investment required to open your initial Franchised Business under the Franchise Agreement you must enter into with us at the same time as the execution of your MTDA.

Other than the Initial Franchise Fee, this figure does not include the costs associated with operating multi-territories, such as purchasing additional Upfitted Buses under the Bus Development Schedule in the MTDA.

ITEM 10. FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations:

Initial Training. We provide an initial training program ("Initial Training"). The topics covered in Initial Training are described in the chart below in this Item 11. (Franchise Agreement, Section 5.1).

Site Selection. You are permitted to work from home and we do not require that you have an office or work from a particular site. We do not provide site selection assistance. However, if you rent a location to operate your Franchised Business and Bus Stop, then you are required to obtain our written approval before you sign a lease for that location. We consider the following factors when reviewing a proposed site: (i) population, (ii) visibility, and (iii) proximity to our other locations. We will typically approve or disapprove a proposed site within 14 days of receiving the required information on the proposed site from you. If we cannot agree on the proposed site, you will not be able to operate from that site but can continue to operate from home. Any proposed site within your Territory will be deemed approved if we do not approve or disapprove within 60 days. We do not

own the premises or lease them to you. We do not assist in conforming the premises to local ordinances and building codes or obtaining any required permits or construction, remodeling, or decorating the premises. (Franchise Agreement, Section 5.2). It is your responsibility to conform the premises to federal, state or local ordinances, building codes, licensing requirements and obtain any required permits. (Franchise Agreement, Section 6.2(b)). If you purchase Multiple Territories, you will operate them from one location.

Assistance to obtain Bus, Bus Wrap, Equipment, and Supplies. We provide our criteria and guidance to obtain a bus, bus wrap, equipment, and supplies. Otherwise, we provide the names of approved vendors or specifications for these items. We do not deliver or install these items. (Franchise Agreement, Section 5.3).

Operations Manual. We provide access to our Operations Manual (“Manual”) to offer guidance in operating your Franchised Business. (Franchise Agreement, Section 5.4).

Length of Time Before Opening. The typical length of time between the signing of the Franchise Agreement and the opening of your outlet is between 60-90 days. You must begin operations and be open for business no later than 90 days from the time both parties execute the franchise agreement. (Franchise Agreement, Section 6.3).

Factors that can affect the time to open for business include: (1) obtaining financing; (2) obtaining licenses and permits; (3) acquiring and wrapping vehicle; (4) acquiring computer hardware, software, equipment, and supplies; and (5) hiring and training staff.

The typical length of time for opening Multiple Territories is below:

Bus Development Schedule

Bus	Additional Bus Development Deadline
Second Bus	18 months after execution of the Multi-Territory Addendum
Third Bus	36 months after execution of the Multi-Territory Addendum
Fourth Bus	54 months after execution of the Multi-Territory Addendum
Fifth Bus	72 months after execution of the Multi-Territory Addendum

During the Operation of the Franchise:

Operational Support. We offer assistance with operating problems and issues that you may encounter. (Franchise Agreement, Sections 5.4, 5.5 & 9.3).

Establishing Prices. We may make pricing recommendations based on industry-wide standards and the rates in the particular market as part of the initial and ongoing training. We may also include such pricing recommendations in the Manual. (Franchise Agreement, 5.4)

Computer Hardware and Software. We specify computer hardware and software to assist in operating your Franchised Business. You must always use the CRM scheduling software we designated, which may change as new products are offered and technology develops. (Franchise Agreement, Section 5.6).

Additional Training or Seminars. We may offer additional training, seminars, and webinars, which may require your attendance. You must pay for any travel and living expenses to attend. If you request or are required to undergo additional training other than training scheduled by us, you must pay us and pay for all related expenses to attend. (Franchise Agreement, 5.7).

Marketing Support. We approve advertising you provide to us and offer marketing assistance and support. (Franchise Agreement, Section 7).

Advertising Program and Fund:

Grand Opening Advertising. You must spend \$2,500 around the time of the opening of your Franchised Business to promote its opening, pursuant to our guidelines. You are also required to purchase a Brand Identity Package for \$4,500 of initial marketing supplies within 30 days of signing the Franchise Agreement. (Franchise Agreement, Section 7.2).

Local Advertising. You must spend a minimum of \$500 per month, per territory, on local advertising and promotion on digital marketing, directory listing, or other marketing to solicit clients in your Territory. (Franchise Agreement, Section 7.3).

Brand Fund. You will contribute 2% of your Gross Revenues to our Brand Fund. Franchisor or affiliate-owned outlets may not be required to contribute to the Fund. We administer the Fund. The Fund is not audited. Unaudited financial statements will be made available to you upon written request. (Franchise Agreement, Section 7.4).

If not all Fund fees are spent in the fiscal year in which they accrue, we will carry over those fees and apply them to the next fiscal year.

In our last fiscal year ending December 31, 2025, we raised \$114.54 in Brand Fund fees but did not spend any amount of the Brand Fund.

We will not use Fund fees to solicit new franchise sales.

Our Obligation to Conduct Advertising. We use the Brand Fund to advise you on the conduct of advertising or conduct advertising ourselves using online, radio, television, direct mail, billboards, print or other advertising. We may conduct local, regional, or national advertising. We may produce advertising material in-house or through outside national or regional agencies. We are not required to spend any amount on advertising in your area or Territory. (Franchise Agreement, Section 7.4).

Digital Marketing. We may create, operate and promote websites, social media accounts (including but not limited to Facebook, X, and Instagram), applications, digital advertising (including pay-per-click and display ads) or other means of digital marketing to promote the brand, the Franchised Business, and franchise opportunities. We have the sole right to control all aspects of any digital marketing including all digital marketing related to your Franchised Business. (Franchise Agreement, Section 7.6).

Digital Campaigns. We may negotiate contracts with vendors such as Google AdWords. If you choose to participate, you must pay your pro-rata share either directly to the vendor or reimburse us if we are paying the vendor. (Franchise Agreement, Section 7.7).

Use of Your Own Advertising. You may use your own advertising materials provided that you submit them to us, and we approve them in writing, and they adhere to federal, state, and local law. If our written approval is not received within 15 days from the date we received the material, the material is deemed disapproved. You must stop using any advertising immediately upon our request. You must participate in all promotional programs that we create, offer or advertise. (Franchise Agreement, Section 7.8).

Private Websites & Email. You are not allowed to have an independent website, social media accounts, or obtain or use any domain name (Internet address) for your Franchised Business, without first obtaining our written approval. You are also not allowed to utilize any other email other than the email provided by us to deliver services by your Franchised Business. (Franchise Agreement, Section 7.9).

Advertising Council. We do not have an advertising council.

Advertising Cooperative. You are not required to participate in a local or regional advertising cooperative. (Franchise Agreement, Section 7.17).

Computer and POS System:

There are no contractual limitations regarding the frequency or costs of required upgrades or updates relating to the computer system. The estimated annual cost of optional or required maintenance, updating, upgrading, or support contracts for your computer systems is approximately \$500.

Independent Access to Information. We have, and you are required to provide independent access to, the information that will be generated or stored in your computer systems. You will store all customer, financial, transaction, and operational information in your computer systems. Note 1 – We hold Initial Training when necessary in Golden, Colorado, another designated training center, or online, at our choosing. Initial training is 5 days long.

Initial Training is subject to change due to updates in materials, methods, manuals, and personnel. The subjects and time periods allocated to the subjects taught to a specific franchisee and its personnel may vary based on the individual needs or experience of those people being trained.

Cory Hughes, Kathleen Allen, Abbey Lee supervise the training program and serve as instructors. Mr. Hughes has over 21 years of experience in franchising, sales, management, and operations, and 1 year of experience with us. Ms. Allen has over 10 years of experience in the pet industry in all facets of dog hiking, client relationships and company culture and 10 years of experience

with us or an Affiliate. Ms. Lee has over 9 years of experience in the pet industry, as well as onboarding, coaching, hiring, training and mentoring new team members and 9 years of experience with us or an Affiliate. All instructors will have at least one year of experience in the field.

We use the Operations Manual to conduct initial training.

We do not charge you to attend initial training, but you are responsible for travel, lodging, transportation, meal costs, and your employees' wages to attend initial training.

We require that you or, in the case of an entity, your principals attend initial training and complete the program to our satisfaction before you are authorized to open for business. Successful completion of initial training is determined by us in our sole discretion and may include both objective criteria and subjective criteria. Objective criteria may include attendance, completion of required coursework or training modules, passing required assessments, and completion of required field training. Subjective criteria may include demonstrated competence, readiness to operate the franchised business independently, professionalism, judgment, and the ability to comply with our system standards. If we determine that you or, in the case of an entity, your principals have not successfully completed our initial training, we may require additional or remedial training, delay the opening of your business, or take other actions permitted under this Agreement.

The Initial Training must be completed before opening but no later than 90 days after executing the Franchise Agreement.

Additional Training or Seminars. We may offer additional training, seminars, and webinars, which may require your attendance. You must pay for any travel and living expenses to attend. If you request or are required to undergo additional training other than training scheduled by us, you must pay us an agreed-upon fee and pay for all related expenses to attend. (Franchise Agreement, Sections 4.5, 5.8).

ITEM 12. TERRITORY

The Territory will be for a specific geographic region that we define by zip codes, natural, or political boundaries as set forth on Schedule 1 to the Franchise Agreement ("Territory"). A territory will have a minimum population of approximately 125,000 residents, as determined by the U.S. Census Bureau or mapping software that we feel is reliable.

You are permitted to work from home or at a commercial location approved by us within your Territory. You can relocate your Franchised Business within the Territory without our approval but must notify us in writing.

We would not normally grant you approval to open an additional outlet within your Territory, but we may grant you additional franchise territories if we determine you have the time, energy, capital, and management structure to open and operate another territory successfully.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises, unless you execute a Multi-Territory Addendum.

You will receive an exclusive territory, meaning a geographic area within which we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

All services must be conducted within your Territory. You and other franchisees may not solicit or accept orders outside of your Territory, and you may not use other channels of distribution, such as catalog sales, telemarketing, or other direct marketing to make sales outside of your Territory, without our prior written permission. We reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

If we grant permission for you to operate in an undeveloped neighboring territory, our permission will be freely revocable by us for any reason or no reason. Further, you will be required to immediately stop providing services to any client located outside of your Territory upon verbal or written notice from us that a new franchisee has purchased such territory, and you will provide a list of all customers previously served by you in such territory to the new franchisee. Should you fail to stop providing services or otherwise operate the Franchised Business immediately after being advised that our permission to provide services or otherwise operate the Franchised Business outside the Territory is revoked because a new franchisee purchased certain rights, then you may be required to forfeit any fees earned for services performed outside of the Territory.

Continuation of your territorial rights in the franchise agreement does not depend on achieving a certain sales volume, market penetration, or other contingency, and we may not alter your franchise territory, even if there is a population increase in your territory.

We or an affiliate reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet. We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement. We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

We can own, develop, acquire, be acquired by, merge with, or otherwise engage in any transaction with another business (competitive or not), which may offer products and services like your Franchised Business and may have one or more competing outlets within your Territory, however, we will not convert any acquired business in your Territory to a franchise using our primary trademarks during the Term of your Franchise Agreement.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark in which such business sells or will sell goods or services similar to those you will offer, but we can do so.

Multi-Territory Franchisees:

If you enter into a Multi-Territory Addendum, you will be granted additional Territories at the time you sign your Franchise Agreement. You must purchase at least one additional Bus for each additional Territory in accordance with the Bus Development Schedule set forth in your Multi-Territory Addendum. We determine the additional Territories using the same criteria as we use in deciding the original Territory.

You will receive an exclusive territory, meaning a geographic area within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

If you desire to have additional Bus Stops, we apply our then current site selection criteria to approve or disapprove of such outlets.

Upon your first failure to adhere to the Bus Development Schedule, we may terminate your rights to any one of the Territories operated under your Multi-Territory Addendum. Any second or additional failures to adhere to the Bus Development Schedule will constitute a material event of default under the Multi-Territory Addendum and we may: (i) terminate the Multi-Territory Addendum; (ii) further reduce the area of any or all of the Territories, including, without limitation, terminating Franchisee’s right to each of the additional territories in our sole and absolute discretion; (iii) permit you to extend the Bus Development Schedule; or (iv) pursue any other remedy we may have at law or in equity, including, but not limited to, a suit for non-performance.

ITEM 13. TRADEMARKS

The Franchise Agreement licenses to you the right to use the following principal trademarks (“Marks”) registered or applied for with the U.S. Patent and Trademark Office (“USPTO”):

Trademark	Registration Number	Registration Date	Register
	5,136,563	February 7, 2017	Principal
DOGS AS HAPPY AS THEY MAKE US	7,439,876 & 7,439,877	July 9, 2024	Principal

We have filed all required affidavits and renewals for registered Marks.

There are currently no effective determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or any court; or any pending infringement, opposition, or cancellation proceeding in which we unsuccessfully sought to prevent registration of a trademark in order to protect a trademark licensed by us. There is no pending material federal or state court litigation regarding our use or ownership rights in the Marks.

HDI owns the trademarks listed in the chart above and licenses them to us pursuant to a written License Agreement dated September 15, 2025. We have the exclusive right to use and sublicense the Marks in connection with the franchise system. The License Agreement is perpetual in duration and may be terminated upon a material breach not remedied after 60 days of notice. If the License Agreement is terminated, you could lose the right to use the trademarks licenses to us, however, HDI has agreed to cooperate in good faith to ensure that franchisees are not harmed by any transition of the Marks.

Other than as disclosed, there are no currently effective agreements that significantly limit our rights to use or license the use of our trademarks listed in this section.

If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Marks, you must promptly notify us in writing. We are not required to take affirmative action when notified of these uses or claims.

We have the sole right to control any administrative proceedings or litigation involving a trademark licensed by us to you. The Franchise Agreement does not require us to participate in your defense or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed by us to you or if the proceeding is resolved unfavorably to you.

If, in our sole discretion, we discontinue or modify our Marks, you must adopt and use any new marks as required by us. Any expenses you incur because of adopting and using these marks are your responsibility.

We do not know of any superior prior rights or infringing uses that could materially affect your use of our Marks anywhere.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not currently hold any patents or have any pending patent applications that are material to this franchise. We claim copyrights to our Operations Manual, marketing material such as our website text, and other printed material, although we have not presently filed a registration of those copyrights.

There are no currently effective determinations of the U.S. Copyright Office or any court or any pending litigation or other proceedings, regarding any copyrighted materials. No agreement limits our rights to use or allow you to use the copyrighted materials.

We do not have an obligation in the Franchise Agreement to protect our copyrights. We will remain in control of any such litigation. We are not required to participate in the defense of, or indemnify you for expenses or damages in, a proceeding involving a copyright licensed to you. We may modify or change the copyrighted materials and compel you to accept and adopt such modifications or changes at your expense. We know of no superior rights or infringing uses that could materially affect your use of the copyrighted materials.

We claim proprietary rights in our Operations Manual and business methods. You must use these items per the terms of your Franchise Agreement. We consider all of these items confidential and proprietary.

You will not directly or indirectly disclose, publish, disseminate, or use our “Confidential Information” except as authorized in the Franchise Agreement.

“Confidential Information” means our information or data (oral, written, electronic or otherwise), including, without limitation, a trade secret, that is valuable and not generally known or readily available to third parties obtained by you from us during the term of the Franchise Agreement. The Confidential Information of ours includes all intellectual property associated with our Franchise system, Customer Data, all other materials relating to our Franchise system that are not a matter of public record, and all information generated during the performance of the Franchise Agreement.

“Customer Data” is considered Confidential Information and includes all information about Customers that may be collected in connection with their use of your services, including, but not limited to, name, telephone number, address, and email address.

You may use our Confidential Information to perform your obligations under the Franchise Agreement, but in doing so you will only allow dissemination of our Confidential Information on a need-to-know basis and only to those individuals that have been informed of the proprietary and confidential nature of such Confidential Information. We may share performance data of your Franchised Business between us, our employees and affiliates, our franchisees and their employees. You will keep such performance data confidential.

Upon termination of your Franchise Agreement, you must return to us our Manuals and any Confidential Information, including Customer Data. You may never - during the initial term, any renewal term, or after the Franchise Agreement expires or is terminated - reveal any of our Confidential Information to any other person or entity or use it for the benefit of any other person or business.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are required to participate personally in the direct operation of the Franchised Business or have a General Manager who attends and successfully completes our initial training to our satisfaction. Any replacement General Manager must also attend and successfully complete our initial training to our satisfaction. Any General Manager must also sign a Confidentiality and Non-Compete Agreement as we may specify, subject to state law. A General Manager is not required to have any equity interest in the franchisee’s business.

All owners of this franchise must guarantee the obligations under the Franchise Agreement and are subject to a covenant not to compete along with confidentiality requirements. Spouses are not required to sign a personal guaranty unless they are owners of the Franchised Business.

You will accurately and completely furnish us the names, contact information, and ownership percentage of anyone who owns an interest in the Franchised Business. No change to the owners or ownership percentages is permitted without our prior written consent.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may offer for sale through your Franchised Business only the services and products specified and approved by us in writing. You may not sell any goods or services that we have not authorized or approved.

You are required to sell all goods or services that we authorize, unless prohibited by your applicable local law, or approved by us. We may change the types of authorized goods and services sold by franchisees. There are no limits on our right to make changes to the authorized goods and services sold by franchisees, however, we may not fundamentally alter the nature of the franchise offered. We may, at our sole discretion, revoke approval of previously approved goods or services, in which case you must immediately stop selling the revoked services or products.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

2025 Historic Financial Performance Representations-Gross Revenues

We present below the gross revenue data for both our affiliate-owned outlet and our franchised outlet, shown separately, for the period January 1, 2025, through December 31, 2025 (the “Period”).

During the Period, one affiliate-owned outlet and one franchised outlet operated for the full calendar year. We excluded four additional franchised outlets that opened during 2025 and therefore had not been in operation for a full calendar year as of December 31, 2025. We also present the franchised outlet's first-quarter 2026 gross revenue data, shown separately below.

The data was extracted from our internal reports as Gross Revenue. Gross Revenue means all revenues that you derive or receive, directly or indirectly, from the operation of the Franchised Business, excluding only sales and use taxes and gratuities or tips paid to employees by customers.

Affiliate-Owned Outlet- Denver Metro, CO

Below, we set forth the Gross Revenues for our affiliated outlet during the Period.

Denver Metro, CO 2025	
Gross Revenue	\$1,012,795

Material financial and operational differences between the affiliate outlet and a franchised outlet: There are material operational differences between the affiliate-owned outlet, whose results are reported above, and a franchised outlet that you would operate. The affiliate-owned outlet opened in 2016, operates four buses, and holds rights to 10 territories containing approximately 1,502,004 people. 87% of the affiliate's gross revenue was generated in five territories, with a total population of 739,536 people.

A franchised outlet would also incur a royalty of 8% of Gross Revenue, a Brand Fund Contribution of 2% of Gross Revenue, and a Local Advertising requirement of \$500 per month per territory.

Franchised Outlet-Centennial, CO

Below, we set forth the Gross Revenues for our franchised outlet during the Period and the first quarter of 2026.

Centennial, CO Franchisee Quarterly Gross Revenues	
2025 – Q1	\$16,760
2025 – Q2	\$17,360
2025 – Q3	\$21,730
2025 – Q4	\$31,190
2026 – Q1	\$39,225

The franchised outlet included above has been in operation for less than 24 months as of December 31, 2025, and operated one bus to achieve the above-stated results in an area comprising three territories, with a population of 383,645 people.

Written substantiation for this financial performance representation is available to you upon reasonable written request.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Other than as disclosed above, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Cory Hughes at 780 Lynnhaven Parkway Suite 240, Virginia Beach, VA 23452, 855-825-7387; the Federal Trade Commission; and the appropriate state regulatory agencies.

As to franchises governed by the California Franchise Investment Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.

Item 3 of the Disclosure Document is amended by adding the following paragraph:

Neither we nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

Item 17 of the Disclosure Document is amended by adding the following paragraphs:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Item 17.g. of the Disclosure Document is modified to state that, in addition to the grounds for immediate termination specified in Item 17.h., the franchisor can terminate upon written notice and a 60 day opportunity to cure for a breach of the Franchise Agreement.

Item 17.h. of the Disclosure Document is modified to state that the franchisor can terminate immediately for insolvency, abandonment, mutual agreement to terminate, material misrepresentation, legal violation persisting 10 days after notice, repeated breaches, judgment, criminal conviction, monies owed to the franchisor more than 5 days past due, and imminent danger to public health or safety.

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The highest interest rate allowed by law in California is ten percent (10%) annually.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

Item 5 of the Disclosure Document is amended by adding the following:

The California Department of Financial Protection and Innovation has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a Multi-Territory Addendum, the payment of the initial franchise fees attributable to a specific territory in your development schedule is deferred until that territory is open.

**ILLINOIS ADDENDUM
TO THE FRANCHISE DISCLOSURE DOCUMENT**

As to franchises governed by the Illinois Franchise Disclosure Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17.w. is modified to provide that Illinois law governs the Franchise Agreement.

2. In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

3. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision of the Franchise Agreement purporting to bind you to waive compliance with any provision of the Illinois Franchise Disclosure Act **or any other law of the State of Illinois** is void.

4. The conditions under which your Franchise Agreement can be terminated and your rights upon nonrenewal may be affected by Sections 19 and 20 of the Illinois Franchise Disclosure Act.

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. Payment of the initial franchise fee shall be deferred until Franchisor has satisfied its preopening obligations to Franchisee and Franchisee has commenced doing business. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

**MARYLAND ADDENDUM
TO THE FRANCHISE DISCLOSURE DOCUMENT**

As to franchises governed by the Maryland Franchise Registration and Disclosure Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

2. Item 17.u. is modified to also provide, “This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.”

3. Item 17.v. is modified to also provide, “Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.”

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

5. **Litigation History.** The litigation history of certain members of the management team may increase the risk of your investment. You should do your own research. Be sure to review the litigation disclosure (Item 3) in the FDD and do an Internet search of the franchisor and its officers.

6. **Initial Fee Deferral**

Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming

TO THE FRANCHISE DISCLOSURE DOCUMENT**

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

Item 17.h. of the Disclosure Document is amended to also provide that under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Item 17.r. of the Disclosure Document is amended to also provide: No post-term noncompete provision shall be of any force or effect, however, a post-term noncompete clause will apply for a 2 year period if the Franchisee sells the Franchised Business to a third party or the Franchisor at a mutually agreed upon price.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**WASHINGTON ADDENDUM
TO THE FRANCHISE DISCLOSURE DOCUMENT AND ALL RELATED
AGREEMENTS**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee or any guarantor to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee and each guarantor have no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or

elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. Franchisor will defer collection of all initial franchise fees until the franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business. The Franchisor will prorate the development fee, such that the franchisee will pay the Franchisor the development fee proportionally upon the opening of each unit franchise.

Special Risks to Consider About *This* Franchise

Litigation History. The litigation history of certain members of the management team may increase the risk of your investment. You may wish to further review this litigation history, whether or not it has been required to be disclosed in this FDD.

Franchisor has been required to supplement Item 3 in Washington in furtherance of the objectives of the Washington Franchise Investment Protection Act. Accordingly, Franchisor makes the following additional disclosures related to its litigation history:

Asbestos Workers’ Philadelphia Pension Fund, derivatively on behalf of Liberty Tax, Inc., v. John Hewitt. Defendant, and Liberty Tax, Inc., Nominal Defendant, (Case No. 2017-0883), Erie County Employees Retirement. System, on behalf of Liberty Tax, Inc. v. John T. Hewitt. Defendant, and Liberty Tax, Inc. Nominal Defendant, Case No. 2017-0914, and RSL Senior Partners, LLC,

derivatively and on behalf of Liberty Tax, Inc. v Brunot et al, (Case No. 2:18-cv-00127-HCM-DEM).

Description of the allegations of misconduct: It was alleged that John Hewitt (“Hewitt”) maintained romantic relationships with company employees and franchisees and gave them preferential treatment.

John Hewitt’s post termination involvement: Hewitt was Chairman of the Board and CEO at Liberty Tax. Although he was terminated as CEO, Hewitt remained Chairman of the Board because he was the sole holder of the Class B common stock of Liberty. During a period of infighting, Hewitt replaced two of the directors of the board and another member resigned. The Chief Financial Officer also resigned. Ultimately, Hewitt reached an agreement to sell his ownership interest in Liberty and relinquish control of the Board. It was alleged that Hewitt continued to interact with franchisees and area representatives for Liberty during the transition. The Audit Committee of the Board of Directors of Liberty oversaw the investigation of the allegations and the report prepared by the Audit Committee was not provided to Hewitt.

Description of KPMG’s reasons for resigning as independent auditor: Liberty filed a Form 8-K on December 11, 2017 with the SEC to publicly disclose that KPMG’s resignation was accepted and approved by the Audit Committee of the Board of Directors of Liberty. The 8-K contains a description of the reasons provided by KPMG for his resignation. A copy of the 8-K is attached and incorporated into this Addendum by reference.

Item 4.01. Changes in Registrants Certifying Accountant.

On December 8, 2017, KPMG LLP ("KPMG") resigned as the independent registered public accounting firm of Liberty Tax, Inc. (the "Company"), effective immediately, and KPMG's resignation was accepted and approved by the Audit Committee of the Board of Directors of the Company (the "Board"). The Company is currently in the process of finding a successor independent registered public accounting firm in the hope that the Company's financial statements for the second quarter ended October 31, 2017 can be completed with as little delay as possible.

KPMG's reports on the Company's financial statements for the fiscal years ended April 30, 2017 and April 30, 2016 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In addition, there were no disagreements between the Company and KPMG on accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of KPMG, would have caused them to make reference to the disagreement in their reports for such periods, or any subsequent interim period preceding KPMG's resignation. The Company will authorize KPMG to respond fully to the inquiries of the successor independent registered public accounting firm, which has yet to be selected.

KPMG expressed to the Audit Committee and Company management its concern that the actions of former Chief Executive Officer John T. Hewitt, who remains the Chairman of the Board and controlling stockholder as the sole holder of the Company's outstanding Class B common stock, have created an inappropriate tone at the top which leads to ineffective entity level controls over the organization. Prior to the termination of Mr. Hewitt's employment as Chief Executive Officer of the Company on September 5, 2017, the Audit Committee oversaw an investigation of allegations of misconduct by Mr. Hewitt. In particular, KPMG noted that Mr. Hewitt took actions to replace two independent members of the Board around the time information relating to this investigation appeared in media reports. KPMG also noted that following the replacement by Mr. Hewitt of two Class B directors, the chair of the Audit Committee retired from the Board, the Company's Chief Financial Officer announced her intention to resign from the Company, and another independent member of the Board announced that he would not stand for reelection at the Company's next annual meeting. Further, KPMG was made aware that following his termination as Chief Executive Officer, Mr. Hewitt may have continued to interact with franchisees and area developers of the Company. Although Mr. Hewitt stated to KPMG during a meeting on November 9, 2017 that he would not reinsert himself into the management of the Company, in light of Mr. Hewitt's actions and his ability to control the Board as the sole holder of the Class B common stock, KPMG informed the Audit Committee and management that it has concerns regarding the Company's internal control over financial reporting as related to integrity and tone at the top and such matters should be evaluated as potential material weaknesses.

Specifically, KPMG informed the Audit Committee and management that Mr. Hewitt's past and continued involvement in the Company's business and operations, including his continued interactions with franchisees and area developers of the Company, has led it to no longer be able to rely on management's representations, and therefore has caused KPMG to be unwilling to be associated with the Company's consolidated financial statements. In notifying the Company of its resignation, KPMG advised the Audit Committee and management that it is not aware of any information that cause it to question the integrity of current management, but rather that the structural arrangement by which Mr. Hewitt controls the Company is the cause of KPMG's concerns. KPMG also noted that because certain information known to the Board regarding the reasons that the Board terminated Mr. Hewitt as Chief Executive Officer had not been disclosed to the current Chief Executive Officer and Chief Financial Officer, KPMG was uncertain as to whether it could continue to rely on management's representations.

The Company has provided KPMG with a copy of the disclosures required by Item 304(a) of Regulation S-K contained in this Current Report on Form 8-K, and has requested that KPMG furnish the Company with a letter addressed to the Securities and Exchange Commission (the "SEC") stating whether it agrees with the statements made by the Company in this Current Report on Form 8-K and, if not, stating the respects in which it does not agree. A copy of KPMG's letter, dated December 11, 2017, confirming KPMG's agreement with these statements is filed as Exhibit 16.1 to this Current Report on Form 8-K.

Item 8.01. Other Events.

On December 11, 2017, the Company issued a press release announcing the resignation of KPMG as the Company's independent registered public accounting firm and that the Company will delay the filing of its Quarterly Report on Form 10-Q for the quarter ended October 31, 2017. A copy of the press release is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Forward Looking Statements

This report contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, which provides a "safe harbor" for such statements in certain circumstances. The forward-looking statements include statements or expectations regarding potential impacts of KPMG's resignation, ability and timing to complete the accounting review and audits,

comprehensiveness of the Company's accounting review and ability to engage an independent accounting firm and related matters.

These statements are based upon current expectations, estimates, projections, beliefs and assumptions of Company management, and there can be no assurance that such expectations will prove to be correct. Because forward-looking statements involve risks and uncertainties and speak only as of the date on which they are made, actual events or results could differ materially from those discussed in the forward-looking statements as a result of various factors, including but not limited to loss of key personnel or inability to engage accounting personnel as needed; inability to address the previously disclosed accounting matters; identification of additional material weaknesses or significant deficiencies; disagreements or additional reportable events that KPMG may identify in a letter addressed to the SEC pursuant to Item 304 of Regulation S-K; failure to engage an independent accounting firm, complete the audits and re-audits and file any required restatements and periodic reports; adverse effects resulting from the Company's common stock being delisted from the Nasdaq Stock Market LLC; risks relating to the substantial costs and diversion of personnel's attention and resources due to these matters and related litigation and other factors discussed in greater detail in the Company's filings with the SEC. You are cautioned not to place undue reliance on such statements and to consult the Company's most recent Annual Report on Form 10-K and other SEC filings for additional risks and uncertainties that may apply to the Company's business and the ownership of the Company's securities. The Company's forward-looking statements are presented as of the date made, and the Company does not undertake any duty to update any forward-looking statements, whether as a result of new information, future events, or otherwise.

As to franchises governed by the Wisconsin Fair Dealership Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. Item 17 is modified to also provide:

If the franchise agreement contains any provisions that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

WHEREAS, Happie Doggie, LLC d/b/a Hike Doggie (“we,” “us,” or “our”) offers a dog hiking business franchise program that provides transportation and outdoor activities for dogs (“System”). Our system utilizes specified marketing techniques and operating procedures; and

WHEREAS, Franchisee and all Signators identified on the signature page to this Agreement, in your personal capacity, (collectively “Franchisee,” “you,” or “your”) desire to utilize our System and our trade names, service marks, and trademarks (collectively, the “Marks”); and

NOW, THEREFORE, for value received, we and Franchisee (“the Parties”) agree as follows:

1. GRANT OF FRANCHISE

Subject to the terms of this franchise agreement (“Agreement” or “Franchise Agreement”), we grant to you a franchise (“Franchised Business”) using our System and our Marks in the territory described in Schedule 1 (“Territory”).

2. TERM AND RENEWAL

2.1 Term. This Agreement will be effective for a ten (10) year term beginning on the Effective Date specified in this Agreement.

2.2 Renewal. You may renew for another term by signing our then current franchise agreement if you are in compliance with this Agreement and meet the other conditions for renewal. You may also renew future franchise agreements if you are in compliance with such agreements and meet the other conditions for renewal by signing our then current franchise agreement. To renew, you must exercise a general release of all claims that you might have against us. Other terms, conditions, and fees may vary. If you wish to renew, you must notify us in writing at least 180 days before the expiration of this Agreement.

3. TERRITORY

The Territory will be as set forth on Schedule 1 to the Franchise Agreement (“Territory”).

You are permitted to work from home or at a commercial location approved by us within your Territory. You can relocate your Franchised Business within the Territory without our approval but must notify us in writing.

We would not normally grant you approval to open an additional outlet within your Territory, but we may grant you additional franchise territories if we determine you have the time, energy, capital, and management structure to open and operate another territory successfully.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive an exclusive territory, meaning a geographic area within which we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

All services must be conducted within your Territory. You and other franchisees may not solicit or accept orders outside of your Territory, and you may not use other channels of distribution, such as catalog sales, telemarketing, or other direct marketing to make sales outside of your Territory, without our prior written permission. We reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

If we grant permission for you to operate in an undeveloped neighboring territory, our permission will be freely revocable by us for any reason or no reason. Further, you will be required to immediately stop providing services to any client located outside of your Territory upon verbal or written notice from us that a new franchisee has purchased such territory, and you will provide a list of all customers previously served by you in such territory to the new franchisee. Should you fail to stop providing services or otherwise operate the Franchised Business immediately after being advised that our permission to provide services or otherwise operate the Franchised Business outside the Territory is revoked because a new franchisee purchased certain rights, then you may be required to forfeit any fees earned for services performed outside of the Territory.

We or an affiliate reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet. We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement. We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

We can own, develop, acquire, be acquired by, merge with, or otherwise engage in any transaction with another business (competitive or not), which may offer products and services like your Franchised Business and may have one or more competing outlets within your Territory, however, we will not convert any acquired business in your Territory to a franchise using our primary trademarks during the Term of your Franchise Agreement.

If you are an existing franchisee of one of our affiliate brands, you must pay us an Initial Franchise Fee of \$10,000.

We offer a 10% discount of the Initial Franchise Fee to all qualified veterans and first responders.

You must pay us \$5 for each customer service call made by us or on our behalf. A "call" includes a live call with a customer and any attempted call, whether or not we reach the customer (including no answer or voicemail). We may charge this fee for up to four calls per customer per calendar year. Upon your written request, we may allow you to make customer service calls instead of us, subject to our approval. If we grant approval, you must make the calls in accordance with our instructions. We may revoke such approval at any time, with or without cause, and resume making the calls, in which case you will be required to pay this fee. You will not owe this fee for any calls that you make with our prior approval.

4.6 Additional Training Fee. If you request or are required to undergo additional training other than training scheduled by us, you must pay us an agreed-upon fee up to \$15,000 and pay for all related travel expenses.

4.11 Transfer Fee. You agree to pay us a Transfer Fee of \$5,000 per territory for any transfer of a territory, this Agreement, or the majority interest of the franchisee or Franchised Business. We must approve of any transfer and the transfer fee must be paid before the transfer is complete.

4.12 Audit Fee. You agree to pay us our cost in performing an audit, inspection or review of your Franchise Business, including travel expenses and reasonable accounting and attorney fees, if the audit discloses an underpayment of more than 2%. If an audit or inspection shows that you have underpaid the amount owed to us, you must pay us the amount of the underpayment plus Late Fees.

4.13 Customer Refunds. If you do not resolve a customer service complaint and we believe a reasonable basis exists for a refund to the client, all or a portion of the customer's fees, we may pay the client directly and bill you. You agree to pay the charges.

4.14 Fees to Third Parties. You agree to reimburse us for the actual cost of any third-party charges or expenses that we pay or incur on your behalf as a result of your failure to timely pay or satisfy any obligation to such third party in connection with the operation of your Franchised Business. You remain solely responsible for all fees and expenses owed to third parties as required to operate your Franchised Business under the Manual or this Agreement.

4.15 Sales, Excise, or Gross Receipts Taxes. If required by federal, state, or local law, you must pay us any sales, excise, gross receipts, or similar taxes imposed on the initial franchise fee, royalties, or other goods or services we provide to you, at the same time and in the same manner as you pay those fees.

4.16 Payment Period and Method. Royalties, Advertising, and Technology Fees are collected weekly. You must pay to us other recurring fees by the 5th of the month incurred or accrued in the prior month. You must pay us all other fees when incurred. We may adjust all fixed dollar amounts under the Franchise Agreement for inflation.

Before you may open for business, you must sign and deliver to us all bank documents needed to permit us to debit your bank account via ACH Electronic Transfer for all fees and payments due to us or our affiliates. See Schedule 2. If you change your bank account or transfer your account to a different bank, you must notify us within one day, and sign and deliver to us and the bank new documents to permit us to debit your bank account within three days. We reserve the right to modify the payment methods and schedule in our Manual.

14.1 Assignment by Us. We may assign this Agreement to an assignee who agrees to remain bound by its terms. We do not permit a sub-license of the Agreement.

14.2 Transfer by You. You may transfer this Franchise Agreement, any interest under this Agreement, or substantially all the assets of the Franchised Business only if we approve, and you comply with the provisions in this Section 14. We shall not unreasonably withhold approval. If this Agreement is held by joint tenants or tenants in common, all joint tenants or tenants in common must join in any transfer of an ownership interest in this Agreement, except any person who is deceased or under a legal disability.

14.3 Transfer to a Controlled Entity. A "Controlled Entity" is an entity in which you are the beneficial owner of 100% of each class of voting ownership interest. A transfer to a Controlled Entity shall not trigger the Right of First Refusal, described in Section 14.6 below. At the time of the desired transfer of interest to a Controlled Entity, you must notify us in writing of the name of the Controlled Entity and the name and address of each officer, director, shareholder, member, partner, or similar person and their respective ownership interest. We do not charge a transfer fee for this change.

14.4 Transfer within an Entity. A transfer of interest within an entity shall not trigger the Right of First Refusal described in Section 14.6 below if only the percentage ownership, rather than the identity of the owners, is changing. Prior to the time of the desired transfer of interest within an entity, you must notify us in writing of the name and address of each officer, director, shareholder, member, partner or similar person and their respective ownership interest.

14.5 Conditions for Approval of Transfer. We may condition our approval of any proposed sale or transfer of the Franchised Business or of your interest in this Agreement upon satisfaction of the following occurrences:

- a) You are current in all monetary obligations to us, our affiliates, and our designated/approved suppliers and vendors;
- b) You are in full compliance with this Agreement;
- c) You execute any transfer, amendment, or release forms that we may require;
- d) You or the transferee will provide to us a copy of the proposed documents as we may request to evidence the transfer;

For a transfer under Section 14.2 above, the following conditions also apply:

- a) The transferee must be approved by us and demonstrate to our satisfaction that s/he meets our educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement;
- b) The transferee must execute our then-current Franchise Agreement;
- c) You or the transferee must pay to us the Transfer Fee specified in Section 4 above;
- d) The transferee must satisfactorily complete our initial training program at the transferee's expense within the time frame we establish;
- e) You must comply with the post-termination provisions of this Agreement;
- f) The transferee must obtain within the time limits set by us and maintain thereafter, all permits and licenses required for operation of the Franchised Business;
- g) To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;
- h) The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;

i) The purchase price and terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation and performance under its franchise agreement;

j) You must request that we provide the prospective transferee with our current franchise disclosure document;

k) Our approval of the transfer will not constitute a waiver of any claims we may have against the transferring party;

l) We will have the right to disclose to any prospective transferee such revenue reports and other financial information concerning the Franchised Business as you have supplied us hereunder; and

m) In any event, we may withhold or condition our consent to any transfer as we deem appropriate based on the circumstances of the transfer or otherwise.

14.6 Right of First Refusal. If you have received and desire to accept a signed, bona fide offer to purchase or otherwise transfer the Franchise Agreement, any interest in it, or substantially all the assets of the Franchised Business, you shall grant us the option (the "Right of First Refusal") to purchase the Franchised Business as provided here:

a) Within 14 days of receipt of the offer, you shall offer the Right of First Refusal to us by notice in writing, including a copy of the signed offer to purchase which you received ("Notice"). We shall have the right to purchase the Franchised Business or interest in the Franchised Business at and for the price and upon the terms set out in the Notice, except that we may substitute cash for any non-cash form of payment proposed and we shall have 60 days after the exercise of our Right of First Refusal to close the said purchase. Should we wish to exercise our Right of First Refusal, we will notify you in writing within 15 days from its receipt of the Notice. Upon the giving of such notice by us, there shall immediately arise between us and you, or its owners, a binding contract of purchase and sale at the price and upon the terms contained in the Notice.

b) If we do not exercise our Rights of First Refusal, you may transfer the Franchised Business or your ownership interest per the terms set forth in the Notice, if you satisfy the conditions in Section 14.5 above and complete the sale within 90 days from the day on which we received the Notice. If you do not conclude the proposed sale transaction within the 90-day period, the Right of First Refusal granted to us shall continue in full force and effect.

15. DEATH OR INCAPACITY

In the event of your death or incapacity, you, or your estate must actively begin the process to seek a transfer of your rights under this Agreement within 60 days and must complete the transfer within 6 months of your death or incapacity. If you or your estate fails in either respect, then we may terminate this Agreement. The new Franchisee must pay the transfer fee specified above, meet

our qualifications, complete initial training, and enter into a new Franchise Agreement. In the event of your death or incapacity, you agree we are entitled to reimbursement from you or your estate for any reasonable expenses incurred continuing operation of your Franchised Business, plus a \$250 per day Management Fee for the period in which we operate or assist in the operation of the Franchised Business. The term “incapacity” means a condition that prevents you from reasonably carrying out your duties under this Agreement.

16. MODIFICATION

No modifications to this Agreement will have any effect unless such modification is in writing and signed by you and by our authorized officer. We may, however, modify the provisions of the Manual, without your consent, as provided by this Agreement.

17. NON-WAIVER OF BREACH

The failure of either party to enforce any one or more of the terms or conditions of this Agreement shall not be deemed a waiver of such term or condition or of either party's right to enforce each and every term and condition of this Agreement.

18. FULL UNDERSTANDING

This Agreement and all schedules to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

19. GOVERNING LAW

19.1 Governing Law. Except as to claims governed by federal law, the laws of Virginia, without regard to its conflict of laws principles, govern all claims that in any way relate to or arise out of this Agreement or any dealings of the parties ("Claims"). However, no laws regulating the offer or sale of franchises or business opportunities, or governing the relationship between franchisor and franchisee, apply unless the jurisdictional requirements of those laws are independently satisfied apart from this paragraph.

19.2 Jurisdiction and Venue. You and we agree that venue and jurisdiction for any Claims, shall be proper solely in the state and federal court nearest to our corporate headquarters, presently located in Virginia Beach, Virginia.

19.3 Jury Waiver. In any trial between any of the parties as to any Claims, you and we agree to waive our rights to a jury trial and instead have such action tried by a judge.

19.4 Class Action Waiver. You agree to bring any Claims, if at all, individually and you shall not join such claim with claims of any other person or entity or bring, join or participate in a class action against us.

19.5 Punitive Damages Waiver. As to any Claims, you and we agree to waive our rights, if any, to seek or recover punitive damages.

19.6 Limitation of Actions. You agree to bring any Claims against us, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off.

19.7 Prior Notice of Claims. As a condition precedent to commencing an action for a Claim, you must notify us within 30 days after the occurrence of the violation or breach, details of the claim and failure to timely give such notice shall preclude any claim for damages.

19.8 Internal Dispute Resolution. You must first bring any Claim to our President, after providing notice as required in Section 19.7 above. You must exhaust this internal dispute resolution procedure before you may bring your Claim before a third party.

19.9 Mediation and Arbitration. Before you may bring any Claim against us in court, you agree to try for a period of 60 days to mediate such claim before a mutually agreed to mediator in the city or county where our headquarters are located. If we cannot mutually agree on a mediator, you and we agree to use the mediation services of the American Arbitration Association (“AAA”) and split any AAA and mediator fees equally.

If mediation is unsuccessful and you decide to pursue a legal claim against us, you agree to bring such claim solely in binding arbitration conducted in the city or county where our headquarters is located, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings will be held by a single arbitrator. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction.

19.10 Arbitration Exclusions. If we choose, we may bring any claims in the state and federal courts located nearest to our headquarters or in such other location where jurisdiction and venue may be proper.

19.11 Waiver of Bond. You agree that if we are forced to bring suit to enforce any provision of this Agreement, you agree to waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce these duties.

19.12 Attorney Fees. If we are the substantially prevailing party as to any Claims, you agree to reimburse our costs and attorney fees incurred in pursuing or defending the Claims.

19.13 Third Party Beneficiaries. Our officers, directors, members, shareholders, agents, and employees are express third-party beneficiaries of the terms of the Governing Law provisions contained herein. You acknowledge and agree that you are not a third-party beneficiary to any agreement between us and any other franchisee.

19.14 Survival. All the covenants contained in this Agreement that may require performance after the termination or expiration of this Agreement will survive any termination or expiration of this Agreement.

19.15 Severability Clause. If any covenant or provision in this Agreement is determined to be void or unenforceable, in whole or in part, it shall be deemed severed and removed from this Agreement and shall not affect or impair the validity of any other covenant or provision of this Agreement.

19.16 Force Majeure. Neither party is liable for any delay or failure to perform (except payment obligations) to the extent caused by events beyond its reasonable control, including acts of God, fire, flood, pandemic, war, terrorism, government action, labor disputes (other than involving the affected party's employees), or supply chain disruptions. The affected party must promptly give written notice and use reasonable efforts to resume performance, and any applicable deadlines will be extended for the period of delay. If such event continues for more than ninety (90) days, Franchisor may terminate this Agreement by written notice. This Section does not extend the Term, and all accrued obligations remain due.

20. RELEASE OF PRIOR CLAIMS

By executing this Agreement, the undersigned entity, if any, and individuals, on behalf of yourselves and your heirs, legal representatives, successors and assigns, and each assignee of this Agreement, forever releases and discharges us, our past and present employees, agents, members, officers, and directors, including any of our parent, subsidiary and affiliated entities, their respective past and present employees, agents, members, officers, and directors, from any and all claims relating to or arising out of any franchise agreement between the parties executed prior to the date of this Agreement, and all other claims relating to any dealings between any of the parties. SCHEDULE 4 TO THE FRANCHISE AGREEMENT

PERSONAL GUARANTY

This Personal Guaranty (this “Guaranty”) is made as of _____ (the “Effective Date”) by the undersigned individual(s) (each a “Guarantor” and collectively, “Guarantors”) in favor of Happie Doggie, LLC (“Franchisor”) in connection with the Franchise Agreement dated _____ (as amended or renewed) (the “Franchise Agreement”) between _____ (“Franchisee”) and Franchisor.

Each Guarantor, jointly and severally, unconditionally and irrevocably guarantees to Franchisor the full and prompt payment and performance of all obligations of Franchisee under the Franchise Agreement (and any other agreement between Franchisee and Franchisor related to the Franchised Business) (the “Guaranteed Obligations”).

Upon Franchisor’s demand, each Guarantor will immediately pay any amounts due and perform the Guaranteed Obligations, without setoff, counterclaim, or deduction, as a direct and primary obligation.

This is a guaranty of payment and performance and is independent of Franchisee’s obligations. Each Guarantor personally agrees to comply with and perform all terms of the Franchise Agreement, including confidentiality, non-competition, and non-solicitation provisions, and agrees that Franchisor may enforce such obligation directly against such Guarantor, including through injunctive and other equitable relief. This Guaranty is continuing and irrevocable and will remain in effect until the Guaranteed Obligations are fully and finally satisfied, notwithstanding any termination of the Franchise Agreement or any bankruptcy, insolvency, dissolution, or reorganization of Franchisee. A Guarantor’s death will not revoke this Guaranty, and such Guarantor’s estate and legal representatives will remain liable to the extent permitted by law.

To the fullest extent permitted by law, each Guarantor irrevocably waives notice of acceptance, default, presentment, demand, dishonor, and protest; any right to require Franchisor to proceed first against Franchisee, any other guarantor, or any collateral or to exhaust any remedy; all suretyship and impairment-of-collateral defenses; any homestead, marshaling, or similar rights. Franchisor may modify, compromise, or release any Guaranteed Obligation or deal with collateral or other guarantors without notice to any Guarantor, and no such action will affect any Guarantor’s liability under this Guaranty.

No delay or failure by Franchisor to exercise any right or remedy will operate as a waiver.

Guarantors jointly and severally agree to indemnify and hold Franchisor harmless from and against all losses, liabilities, and reasonable costs and expenses (including reasonable attorneys’ fees and court or arbitration costs) arising out of or relating to (1) any failure by Franchisee or any Guarantor to pay or perform the Guaranteed Obligations, and (2) enforcement of this Guaranty.

Upon request, each Guarantor will provide financial statements and other financial information reasonably requested by Franchisor for credit evaluation. Each Guarantor authorizes Franchisor,

to the extent permitted by law, to obtain and use consumer credit reports from time to time for that purpose.

Franchisor may assign this Guaranty without notice to or consent from any Guarantor. This Guaranty binds each Guarantor and such Guarantor's heirs, executors, administrators, and legal representatives, and inures to the benefit of Franchisor and its successors and assigns.

Each Guarantor agrees to be bound by the dispute resolution provisions of the Franchise Agreement, which are incorporated by reference. This Guaranty will be governed by the governing law provisions of the Franchise Agreement.

This Guaranty is the entire agreement regarding its subject matter and may be amended only by a writing signed by Franchisor and the Guarantor to be bound; no waiver will be effective unless in a writing signed by Franchisor.

If any provision is unenforceable, it will be modified to the minimum extent necessary to make it enforceable, and the remaining provisions will remain effective. This Guaranty may be executed in counterparts and by electronic signatures, each of which will be deemed an original, and all of which together will constitute one instrument.

SCHEDULE 5 TO THE FRANCHISE AGREEMENT

STATE ADDENDA TO THE FRANCHISE AGREEMENT

CALIFORNIA ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

Cal. Bus. & Prof. Code § 20020 and Cal. Bus. & Prof. Code § 20021 supersede the Franchise Agreement in your relationship with us. As such, Sections 10.2 and 10.3 are deleted and replaced by the following:

CA Bus & Prof Code Section 20021

Except as otherwise provided by this chapter, no franchisor may terminate a franchise prior to the expiration of its term, except for good cause. Except as provided in Section 20021, good cause shall be limited to the failure of the franchisee to substantially comply with the lawful requirements imposed upon the franchisee by the franchise agreement after being given notice at least 60 days in advance of the termination and a reasonable opportunity, which in no event shall be less than 60 days from the date of the notice of noncompliance, to cure the failure. The period to exercise the right to cure shall not exceed 75 days unless there is a separate agreement between the franchisor and franchisee to extend the time.

CA Bus & Prof Code Section 20021

If during the period in which the franchise is in effect, there occurs any of the following events which is relevant to the franchise, immediate notice of termination without an opportunity to cure, shall be deemed reasonable:

- (a) The franchisee or the business to which the franchise relates has been the subject of an order for relief in bankruptcy, judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;
- (b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;
- (c) The franchisor and franchisee agree in writing to terminate the franchise;

- (d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;
- (e) The franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;
- (f) The franchisee, after curing any failure in accordance with Section 20020 engages in the same noncompliance whether or not such noncompliance is corrected after notice;
- (g) The franchisee repeatedly fails to comply with one or more requirements of the franchise, whether or not corrected after notice;
- (h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;
- (i) The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;
- (j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or
- (k) The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.
- (l) If the franchise expressly permits termination under such circumstances, there is a lawful termination or nonrenewal of a separate motor fuel franchise governed by provisions of the Petroleum Marketing Practices Act (15 U.S.C. Secs. 2801 to 2807, inclusive) that is operated by the franchisee or affiliate of the franchisee located at the same business premises if both franchises are granted by the same franchisor or an affiliate of the franchisor. "Affiliate" shall have the same meaning as set forth in subdivision (k) of Section 31005.5 of the Corporations Code.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 5 of the Disclosure Document is amended by adding the following:

Initial Fee Deferral:

The California Department of Financial Protection and Innovation has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a Multi-Territory Addendum, the payment of the initial franchise fees attributable to a specific territory in your development schedule is deferred until that territory is open.

3. Franchisee rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.
4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act **or any other law of Illinois** is void.

**MARYLAND ADDENDUM
TO THE FRANCHISE AGREEMENT**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

2. A general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. Section 22 of the Franchise Agreement is deleted.

7. Initial Fee Deferral. The Franchise Agreement is modified to also provide: “Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.”

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

- Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4, and 5 which require (except in certain specified cases), that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The Franchise Agreement is amended to limit any Non-Sufficient Fund fee to \$30 per occurrence pursuant to Minnesota Statute 604.113
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Also, a court will determine if a bond is required.

Any Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims

under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Initial Fee Deferral:

The franchise agreement is amended to also state that the franchisor defers the receipt of the initial franchise fee until the franchised business opens.

**WASHINGTON ADDENDUM
TO THE FRANCHISE AGREEMENT AND ALL RELATED AGREEMENTS**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. Franchisor will defer collection of all initial franchise fees until the franchisor has fulfilled its initial pre-opening obligations to the franchisee and the franchisee is open for business. The Franchisor will prorate the development fee, such that the franchisee will pay the Franchisor the development fee proportionally upon the opening of each unit franchise.

20. Section 19.7 of the Franchise Agreement does not apply.

21. Section 20 of the Franchise Agreement does not apply to claims arising under the Franchise Investment Protection Act, Chapter 19.100 RCW, or the rules adopted thereunder.

22. Section 22 of the Franchise Agreement does not apply.

The undersigned does hereby acknowledge receipt of this addendum.

Independent Auditor's Report

To the Members
Happie Doggie LLC
Virginia Beach, VA 23452

Opinion

We have audited the accompanying financial statements of Happie Doggie LLC, which comprise the balance sheet as of December 31, 2025, and the related statement of operations, members' equity, and cash flows for the period from inception (September 16, 2025) to December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Happie Doggie LLC as of December 31, 2025, and the results of its operations and its cash flows For the period from inception (September 16, 2025) to December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HAPPIE DOGGIE LLC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

Happie Doggie LLC (the "Company") was formed on September 16, 2025, in the State of Delaware, for the principal purpose of conducting franchise sales, marketing, and management. The Company's activities are subject to the typical risks and uncertainties of the markets in which they operate.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

(b) Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission ("SEC"), superseding existing FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase.

(e) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, operating notes receivable, and accounts payable, the carrying amounts approximate fair value due to their short maturities. The amounts shown for notes payable also approximate fair value because current interest rates and terms offered to the Company for similar debt are substantially the same. Related party transactions may not be stated at fair market value.

(f) Concentration of Risk

The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

(g) Revenue Recognition

The Company has adopted ASC 606, *Revenue from Contracts with Customers*. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluated all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue. For each

HAPPIE DOGGIE LLC
NOTES TO THE FINANCIAL STATEMENTS

franchised location, the Company enters into a formal franchise agreement that clearly outlines the various components of the transaction price and the Company's performance obligations.

The Company's revenues consist of initial franchise fees, royalties and marketing fees based on a percentage of gross revenues, and product sales.

Royalties and marketing fees

Upon evaluation of the five-step process, the Company has determined that royalties and marketing fees are to be recognized in the same period as the underlying sales.

Initial franchise fees

The Company recognizes the initial franchise fee as revenue on a straight-line basis over the term of the franchise agreement, which represents the period over which the franchise license performance obligation is satisfied, and control of the license is transferred to the franchisee.

(h) Income Taxes

The Company is a limited liability company ("LLC") that has elected to be taxed as a corporation for federal and state income tax purposes. As a result, the Company is subject to corporate income taxes and accounts for income taxes in accordance with applicable accounting standards.

The Company has adopted the liability method of accounting for income taxes ASC 740, *Income Taxes*. Under ASC 740, deferred income taxes are recorded to reflect tax consequences on future years for the differences between the tax basis of assets and liabilities and their financial reporting amounts at each year-end. Deferred tax assets, including tax loss and credit carryforwards, and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

Deferred income tax expense represents the change during the period in the deferred tax assets and deferred tax liabilities. The components of the deferred tax assets and liabilities are individually classified as current and non-current based on their characteristics. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized.

The Company adopted the provisions ASC 740-10-25, *Accounting for Uncertainty in Income Taxes*. This provision prescribes recognition thresholds that must be met before a tax position is recognized in the financial statements and provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Under the provision, an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold.

Based on its evaluation, the Company has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Company's evaluation was performed for the tax year ended December 31, 2025. The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2025, no tax year was open to examination.

(i) Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, royalties and other sales transactions. These accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of outstanding amounts. When determining the allowance for doubtful receivable, the Company has adopted ASC 326, *Financial Instruments—*

HAPPIE DOGGIE LLC
NOTES TO THE FINANCIAL STATEMENTS

Credit Losses. This standard requires that management utilize the Current Expected Credit Losses (“CECL”) model to recognize the appropriate allowance for doubtful receivables. This model requires entities to estimate and recognize expected credit losses over the life of the financial instrument. For trade receivables, management has elected to apply a simplified approach, based on historical loss experience and adjustments for current and forecasted economic conditions. Management regularly evaluates individual customer receivables, considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded as income when received. For the year ended December 31, 2025 management determined no allowance for doubtful accounts receivable was necessary.

(j) Advertising Costs

The Company expenses advertising costs as incurred.

(2) Franchise Agreements

The Company’s franchise agreements generally provide for payment of initial fees as well as continuing royalty, the Company based on a percentage of sales. Under the franchise agreement, franchisees are granted the right to operate a location for a period of ten years. Under the Company’s revenue recognition policy, franchise fees are amortized over the life of the agreement. All amounts that will be recognized within the following year are categorized as current, while all others are classified as non-current.

For the year ended December 31, 2025, the change in the Company’s deferred revenue is as follows:

	2025
Beginning deferred revenue	\$ -
Additions (cash received from franchisees)	164,900
Revenue recognized from beginning deferred revenue	(1,748)
Ending deferred revenue	\$ 163,152
Deferred revenue, current	\$ 16,490
Deferred revenue, non-current	146,662
	\$ 163,152

(3) Accrued Expenses

The Company’s accrued expenses consist of accrued payroll and legal expense. The balance as of December 31, 2025, is \$12,848 and is classified as a current liability on the Company’s balance sheet.

(4) Due to related party

The Company has receivables and payables due to related parties for advances made and advances received. As of December 31, 2025 the balance was in a net payable amount of \$83,373.

HAPPIE DOGGIE LLC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025

(5) Income Taxes

As of December 31, 2025, the components of the Company's deferred income tax asset are as follows:

	<u>2025</u>
Deferred tax asset (liability)	
Net operating loss	\$ 17,513
Deferred revenue/commissions	41,995
Allowance on deferred tax asset	<u>(59,508)</u>
Net deferred tax asset (liability)	<u>\$ -</u>

(6) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is "probable" and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is "probable" but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is "reasonably possible," disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are "remote" are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(7) Subsequent Events

Management has reviewed and evaluated subsequent events through April 16, 2026, which is the date the financial statements were issued.
