What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees

even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location your access to customers, what you sell, how you market and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risk(s) to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve

disputes with the franchisor by mediation, arbitration, and/or litigation only in Maryland. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Maryland than in your own state.

Certain states may require other risks to be highlighted. Check the “State-Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a) A prohibition of the right of a franchisee to join an association of franchisees.
- b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market values at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.
- e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

The Franchisor and Our Business.

We are a Delaware corporation formed under the name Quality Courts Motels, Inc. We changed our corporate name to Choice Hotels International, Inc. on July 25, 1990. From November 1, 1996 to October 15, 1997, our corporate name was Choice Hotels Franchising, Inc. Our corporate name has been Choice Hotels International, Inc. since October 15, 1997. Our principal business address (as well as the principal place of business of the Radisson companies listed in this Item 1) is 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852. Our agents for service of process are disclosed in Exhibit B of this Disclosure Document.

Our business began in 1939 when seven independent motel owners in Florida met to discuss how they could better satisfy the needs of their customers. Over the next few years, the group continued to meet and share best practices. In 1941, the group formalized its relationship by creating a membership association called Quality Courts United, thereby creating the nation’s first hotel chain. The vision of the members of Quality Courts United was to develop quality and other standards for their customers, as well as to refer guests to each other’s motels.

In January 1963, the organization officially became a for-profit corporation operating under the name Quality Courts Motels, Inc. Shortly thereafter, a training school, a central reservations system and hotel directory were added to the organization. Since that time, the company has changed its name to Choice Hotels International, Inc. and has expanded and further developed the Choice franchise system of hotels through the development of additional hotel brands and expansion into new markets.

Our indirect subsidiaries have conducted international franchise operations through a combination of direct franchising and master franchising or master development relationships since

approximately 1958. Our indirect subsidiary, Choice Hotels Licensing B.V. (“Choice BV”), a private limited liability company formed in the Netherlands on June 8, 2000, has been a franchisor or a master franchisor of our various Choice hotel brands internationally. Since July 2024, we have been the franchisor of our brands in the Caribbean and Latin America region. Under the Purchase Agreement, Choice purchased 100% of Radisson Holdings, Inc.’s equity interest in Radisson Hospitality, LLC (a Minnesota limited liability company originally incorporated as Radisson Hospitality, Inc. on March 3, 1998, and converted to a limited liability company on December 26, 2023) and its subsidiaries (collectively, “Radisson”). location, size and type of operation (for example, resort location, hotel for frequent business travelers, etc.). Depending on the location of the hotel, sales may increase or decrease significantly on a seasonal basis.

ITEM 3 LITIGATION

I. PENDING LITIGATION AND ARBITRATION DEMANDS

- (1) Norma Knuth v. Radisson Hotels International, Inc., et al.
Court of Queen's Bench for Saskatchewan, Court File No. QBG No. 2560 of 2014

On December 5, 2014, Norma Knuth filed a complaint under the Class Actions Act against over 25 named defendants, including Country, alleging that the defendants wrongfully collected undisclosed destination marketing fees ("DMF") charged to the plaintiff and other class members by hotels located in Canada that were owned, operated or managed by the defendants. On December 29, 2015, the plaintiff amended and expanded its complaint alleging, among other things, that the class included those who paid the fee to a hotel in Canada branded by one of the defendants and that the defendants that did not directly charge or collect the fee approved of it and encouraged the imposition of the DMF. The plaintiff has alleged that the collection of the DMF violated The Consumer Protection Act, was negligent, unjustly enriched the defendants and constituted a Waiver of Tort. The plaintiff has demanded, on behalf of the class, disgorgement of any fees and revenue received by the defendants generated by imposition of the fee, and an order that the defendants are jointly and severally liable for restitution of \$403,000,000, general and punitive damages, costs of notice, interest and any other relief the court deems appropriate. The class has yet to be certified. We filed a motion for summary judgment on October 3, 2016. On June 2, 2017, Radisson and Country filed a Statement of Claim against 2 current and 3 former franchisees/licensees, that had not entered into tolling agreements, seeking contribution and indemnification. On August 29, 2019, the court denied Radisson's motion for summary judgment, holding that it was premature. Radisson intends to reassert its summary judgment motion arguments at the appropriate time. [Plaintiff offered to discontinue this action in exchange for a waiver of costs. The parties anticipate that the action will be dismissed imminently.](#)

- (2) Jai Sai Baba, LLC, et al. v. Choice Hotels International, Inc., et al.
United States District Court for the Eastern District of Pennsylvania, Case No. 2:20-cv- 02823

On June 12, 2020 (amended on July 15, 2020), approximately ninety current and former franchise owners that own and operate one or more Choice branded hotels ("Plaintiffs") filed suit against Choice and Choice Hotels Owner Council ("CHOC") (Choice and CHOC collectively referred to as "Defendants"). In the complaint, the Plaintiffs allege that the Defendants engaged in discriminatory and anti-competitive practices and violated the Racketeer Influenced and Corrupt Organizations Act, the Sherman Act, the Civil Rights Act, and various state franchise laws. Additionally, the Defendants have claimed that Choice is in breach of contract, has breached the implied duty of good faith and fair dealing and committed common law fraud. The Plaintiffs are seeking unspecified actual damages, punitive damages, consequential and/or compensatory damages, attorneys' fees, costs and interest, a declaratory

judgment that certain allegedly unconscionable provisions are unenforceable, an accounting of all fees paid by Plaintiffs, an order for restitution and the rescission of Maryland franchise agreements, a declaratory judgment that some or all franchise agreements are terminated, and certain permanent injunctive relief. On July 29, 2020, Choice filed a motion to stay the litigation and compel individual arbitration proceedings. On March 19, 2021, the Court granted motion. This case remains stayed, and the parties provide the Court with monthly status updates.

- (3) [T&T Management, Inc. v. Choice Hotels International, Inc., Country Inn & Suites by Radisson, Inc. and Sunshine Fund Port Orange, LLC](#)
United States District Court for the Middle District of Florida, Case No. 6:23-cv-01187

On June 26, 2023, Plaintiff T&T Management, Inc. (“Licensee”) commenced a federal district court action in Florida against, among others, Radisson Hotels International, Inc. (“RHI”) and Choice alleging that RHI and Choice (1) breached the applicable License Agreement and the implied covenant of good faith and fair dealing by (a) permitting another Choice branded hotel to be constructed near Licensee’s Country Inn & Suites® hotel and (b) disclosing or using guest data associated with Licensee’s hotel; and ~~(2) (2)~~ misappropriated the guest data associated with Licensee’s hotel in violation of the Defend Trade Secrets Act of 2016. The complaint was subsequently amended to remove RHI and add Country Inn & Suites by Radisson, Inc. (“Country”) as a defendant. In response to the amended complaint, on November 6, 2023, Country and Choice filed a Motion to Dismiss the Licensee’s claims and, alternatively, a Motion to Transfer Venue of the case to the United States District Court for the District of Minnesota in accordance with the License Agreement’s forum selection clause. The Florida Court granted the Motion to Transfer and subsequently transferred the case to the Federal Court in Minnesota in April 2024. After ~~Plaintiff Licensee~~ amended its complaint, Country and Choice filed another Motion to Dismiss the Licensee’s claims, [which the Minnesota Court granted on February 27, 2025](#). The Minnesota Court ~~heard the Motion on November 1, 2024, and the parties are waiting for also awarded Choice and Country’s attorneys’ fees and costs in the amount of \$181,513.88 by order dated August 4, 2025. Licensee has appealed the Minnesota Court’s dismissal of the case and award of attorneys’ fees. Those appeals are pending before the 8th Circuit Court’s decision of Appeals.~~

- (4) [CS Anaheim Hotel Investments, LLC v. Choice Hotels International, Inc.](#)
United States District Court for the Central District of California, Case No. 8:24-cv-02131. [American Arbitration Association, Case No.: 01-25-0003-4509](#)

On October 1, 2024, Plaintiff CS Anaheim Hotel Investments, LLC filed a complaint against Choice alleging a fraudulent rebate scheme with vendors, misuse of system fees, misrepresentation of our system (inadequate for a resort), unenforceable arbitration clause, breach of contract and implied covenant of good faith and fair dealing, violations of the California franchise investment law (CFIL) and California’s unfair competition law and a declaratory judgment that Choice is in default of the franchise agreement therefore not entitled to liquidated damages. On November 18, 2024, Choice filed a motion to stay the litigation and compel arbitration. This motion is currently pending before the Court, [and the Court granted this motion on May 9, 2025. On July 22, 2025, CS Anaheim Hotel Investments, LLC filed an arbitration demand against Choice Hotels International, Inc. in conjunction with the underlying action. On January 30, 2026, Choice filed a counterclaim for various relief, including payment of liquidated damages and the balance of the Incentive Promissory Note. A hearing has been set in this matter for March 8, 2027 through March 22, 2027.](#)

- (5) [Proulx, et al. v. Orsini Bros. Inns, Inc., et al.](#)
[Ontario Superior Court of Justice, Court File No. CV-25-00747070-00CP](#)

[On July 8, 2025, a proposed class action lawsuit was filed in the Ontario Superior Court of Justice, against multiple hotel operators including Choice Hotels Canada Inc. and Choice Hotels](#)

International, Inc., alleging that consumers were charged misleading fees during hotel stays in Niagara Falls, Ontario. The plaintiffs claim that fees such as “D MDF,” “DMC,” “Local Fee,” “Hotel Fee,” “Resort Fee,” “LF&T,” and “Amenity Fee” were falsely represented as taxes or government-mandated charges, but were actually discretionary fees retained by the hotels. The allegations include violations of Ontario’s Consumer Protection Act, 2002, for misrepresenting the nature, purpose, and source of these fees and combining them with legitimate taxes like HST and MAT on invoices and booking pages. The plaintiffs seek certification, injunctive relief, restitution, damages including aggregate and punitive damages, and costs. The case is currently pending, and Choice Hotels intends to defend the action.

- (6) Gurpreet Kaur v. Choice Hotels International, Inc., et al.
United States District Court for the Central District of California, Case No. 5:26-cv-00090

On January 9, 2026, Plaintiff Gurpreet Kaur, in her individual capacity, filed a lawsuit against Choice Hotels and the American Arbitration Association alleging each entity owes her damages due to alleged violations of her federal civil rights and RICO. More specifically, franchisee raises four claims under (1) 42 U.S.C. Section 1981; (2) 42 U.S.C Section 1982; (3) 18 U.S.C. Section 1964(c); and (4) California Business & Professions Code 17200, et. Seq., broadly claiming that each law has been violated on the basis that the franchise agreement and guaranty are void and further, that her Asian-Indian descent somehow factors into each entities decision to pursue breach of contract suits. Notably, there is minimal factual background provided by the franchisee in this suit to corroborate any of these high-level, broad allegations.

ITEM 4 BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

APPLICATION AND AFFILIATION FEE

You must pay us, for the rights granted to you in the RODEWAY INN hotel franchise agreement, an affiliation fee of \$250 per room to convert the hotel into a RODEWAY INN hotel and \$375 per room for transfers and renewals, with a minimum of \$25,000 payment to us for any conversion and \$15,000 for transfers and renewals. The entire affiliation fee is due [at no later than](#) the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. We will also collect a non-refundable application fee of \$5,000 that will be credited towards the affiliation fee. If for any reason we do not grant you a franchise, or a franchise agreement is not countersigned by us, the affiliation fee, less the \$5,000 application fee, will be refunded to you. Financing information is in Item 10. In the past, we have agreed to reduce the affiliation fee in certain [circumstances instances](#) for multiple unit franchisees, franchisees with larger properties, franchisees with whom we have previously dealt, franchisees that are departing other hotel chains or franchised systems and joining our system, and franchisees in other special circumstances. However, we do not always negotiate the affiliation fee even for franchisees possessing these characteristics, and we may freely choose not to negotiate with you, even if you possess some or all of these characteristics. During the 12 months ending December 31, ~~2024~~[2025](#), the affiliation fees ranged from \$2,500 to ~~\$22,875~~[25,000](#) for new RODEWAY INN franchise agreements.

EXTENSION FEE AND OTHER CONSTRUCTION-RELATED FEES

If you do not begin construction or do not complete renovations to an existing franchised hotel within the time required under your Franchise Agreement, you may apply for an additional 3 months in which to begin construction or complete renovations. If we agree to grant an extension, you must pay us an additional \$5,000 per extension. In special circumstances we may waive the extension fee, but we are not obligated to, and any decision to waive an extension fee will be determined solely by us.

If you request a waiver from using any pre-approved interior design schemes, then you must pay us our Interior Design Waiver Fee, which is \$20,000. The Interior Design Waiver Fee is payable at the time of the request. This fee must be paid regardless of whether the waiver is granted.

When transferring at least 50% ownership interest in your hotel, you must pay us a property improvement plan fee of \$3,000. This fee is for the inspection of your hotel and the creation of a property improvement plan that will be integrated into the new franchise agreement with the buyer/transferee.

CENTRAL RESERVATION SYSTEM AND PROPERTY MANAGEMENT SYSTEM

You are required to use our central reservation system (“CRS”). Our CRS consists of our toll-free telephone reservation system, our proprietary internet sites, mobile phone and tablet reservation applications, interfaces with global distribution systems, and other internet reservations sites (such as online travel agencies). Our CRS provides a data link to our franchised properties as well as to travel reservation systems such as Amadeus, Galileo, SABRE and Worldspan that facilitate the reservation process for travel agents and corporate travelers. We also offer rooms for rent on our website (<http://www.choicehotels.com>) and mobile applications as well as those of online travel agents (OTAs) and other third-party internet referral or booking services. Our toll-free telephone reservation system primarily utilizes third-party call center service providers. Reservation agents trained on the reservation system have the goal of matching each caller with a Choice-branded hotel meeting the caller’s needs. We also operate a call forwarding program through which our franchisees can leverage our CRS capabilities by forwarding reservation calls received directly by the property to one of our reservation centers. Some components of the CRS have separate fees, as further described in Item 6 below. We also continue to upgrade our technology to ensure that our CRS can effectively handle the current and future volume on digital channels and support the industry’s shift toward accelerated digital communications and guest experience personalization. In support of these initiatives, we developed choiceEDGE, which is a cloud-based software to manage all distribution for the company by optimizing rate, inventory, availability, shopping, booking, and reservations for its website, mobile apps, and third-party distribution partners.

As a part of the CRS, you are required to install, maintain, and use full functionality of the choiceADVANTAGE® property management and reservation system as specified by us. ChoiceADVANTAGE® synchronizes each hotel’s inventory with our CRS, which gives our reservation sales agents and other proprietary channels the last room sell capabilities at every hotel. You must purchase from us, an initial software license to use choiceADVANTAGE®. The software license includes one basic interface connected to choiceADVANTAGE®. Optional interfaces are available for an additional fee. You will receive dedicated support during your onboarding of choiceADVANTAGE®. The fees for the software license, the choiceADVANTAGE® systems onboarding, project management, and credit card interface are between \$5,250 and ~~\$11,250~~\$7,250 depending on the number of hotel rooms. The price is subject to increase depending on the number of additional interfaces you select. [This choiceADVANTAGE® software license fee is included in the Brand in a Box fee discussed below.](#) The initial software license and onboarding fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support (see Item 6). If you need to reschedule onboarding or if onboarding is not completed due to circumstances that are within your control, there will be a rescheduling fee between \$500 and \$2,100.

PRE-OPENING – BRAND IN A BOX

Through our Brand in the Box program, we will assist you with the upfront costs of opening your hotel. Your participation in this program is mandatory. As a part of this program, you will pay us a nonrefundable fee of approximately ~~\$6,000~~\$11,650-\$30,000 (based on brand and room count and excluding shipping charges) for certain pre-opening items that we will order on your behalf, including the purchase of the software for choiceADVANTAGE® (as discussed above in this Item 5) and the hardware to operate that system, and other pre-opening items as needed. In exchange, you will reimburse us by paying us in one lump sum or these costs will be billed to you on the monthly franchisee invoice over 12 months with no interest included.

~~ORIENTATION~~IMMERSION / HOSPITALITY TRAINING

We provide required training programs that you, your General Manager, or other key employees must complete before opening your hotel in the Choice franchise system or within 90 days of the hotel’s

opening or relicensing. The training fees you must pay for ~~orientation~~immersion and hospitality operations training include our Choice Onboard Immersion training ~~of~~ fee of \$1,950, and our Hospitality Operations Success Training (“HOST”) fee of \$1,395. The cost of attending the Choice Onboard training for any subsequent attendees beyond the Owner and the General Manager is 50% of the tuition (not to exceed \$975) per subsequent attendee. The HOST training fee covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs for both training programs do not include the cost of travel, lodging, or meals to attend the required training programs. The total training fee is between ~~\$1,395~~\$3,345 and ~~\$3,345~~\$5,295 per person, plus travel, lodging and meals for you and your General Manager. Training consists of a 3-day Choice onboarding program offered monthly at our Choice corporate location in North Bethesda, Maryland, as well as an operator certification program that is offered virtually. Some or all of the training may not be required if you have previously owned a Choice branded hotel, obtained Choice Hotels training certification for another existing Choice- branded hotel and/or a hotel staff member has previously completed the training in a prior position.

When a franchised hotel undergoes a 50% or greater change in its ownership and the new owners sign a franchise agreement with Choice (known as a “re-licensing”), the hotel is also required to have a customized re-licensing training. This training is delivered remotely via completion of a dedicated, self-paced Learning Map in the Choice University online learning management system (LMS). The fee for the re-licensing training is \$995.

Attendance is mandatory at the training programs identified in this Item 5. Failure to attend within the prescribed time frame may result in a non-compliance penalty of \$100 per month for failure to attend the Choice Onboard training or \$250 per month for failure to attend the HOST training until compliant and/or formal default, and the failure to cure the default could result in the termination of your franchise agreement. If a hotel registers for a Choice Onboard class and fails to attend or does not cancel at least one week prior to the scheduled start date, the hotel may incur a no-show fee. For more detailed information on each training program, see Item 11 of this Disclosure Document.

* * *

Except as identified in this Item 5, the affiliation fee, extension fee, property management system fees and training fees are uniform, are fully earned by us when paid by you, and we have no obligation to refund these fees. Except as set forth in Item 10, we do not offer financing for any part of the affiliation fee, and we do not offer financing for any other initial fees paid to us.

Note 1: This table is an estimate of the initial investment required to convert an existing hotel and the estimate provided is based on our experience and our brand standards. Estimates are based on a 57-guestroom hotel. Where the hotel is a newly constructed hotel, the initial investment may also fall outside of the estimated ranges provided since it depends in large part on the real estate you select to build the hotel and additional costs such as architectural plans and inspections, soil tests, lending and legal fees, market studies, or environmental impact studies to secure a location. We do not generally offer new construction franchise opportunities for RODEWAY INN hotels; however, if we do offer that opportunity, the construction costs for the development of a new construction RODEWAY INN hotel will be higher. The table does not include the cost of purchasing or leasing real estate, which cannot be estimated with any certainty due to variables such as location, acreage, terms and whether leased or purchased.

Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs paid to third parties are refundable will vary based on the particular third party and on where your hotel is located.

Note 3: The full affiliation fee is due at no later than the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. If for any reason we do not grant you a franchise or a franchise agreement is not countersigned by us, the affiliation fee, less a \$5,000 application fee, will be refunded to you.

Note 4: Renovation costs vary considerably and the estimate provided is based on a typical property improvement plan provided by us that the hotel must complete to upgrade to our standards. The costs provided ~~includes~~include an estimate for furniture, fixtures and equipment that must be refurbished, replaced, or removed; however, the costs provided do not include deferred maintenance

items such as the Hotel parking lot, HVAC, or exterior, and the costs provided also do not include required labor cost for these improvements. Upon application, we will provide you with a customized property improvement plan unique to your hotel. Your costs to upgrade the hotel to our standards may depend on local contractor and material costs in your area as well as the condition of your hotel at the time you apply for a franchise and may fall outside the estimated range provided.

Note 5: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the franchise agreement.

Note 6: Brand in a Box includes the cost of pre-opening items that we will order on your behalf, including pre-opening photography ranging from \$1,500-\$4,000, hardware required to operate choiceADVANTAGE® ranging from \$4,900-\$14,000, and the choiceADVANTAGE® software license and systems onboarding fee ranging from \$5,250-\$7,250. The choiceADVANTAGE® software license and onboarding fees include the costs of the initial software license, onboarding, eLearning modules, project management, and the credit card interface. Your costs may fall on the higher end of this range depending on the number of rooms, additional interfaces and integrations you select. The fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support.

Note 7: Opening inventory of supplies includes brand standards items, linen, paper supplies and housekeeping supplies that meet our system requirements.

Note 8: OrientationImmersion and Hospitality operations training includes the cost to attend Choice Onboard orientationimmersion training and HOST training. Our Choice Onboard training fee is \$1,950 and covers 3 days of orientationimmersion training provided monthly at our Choice corporate location in North Bethesda, Maryland. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Our HOST training fee is \$1,395 and covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you have previously owned a Choice branded hotel or have obtained a Choice training certification for another existing hotel.

Note 9: If you request a waiver from using a pre-approved interior design scheme or Qualified Vendor, you must pay our then-current fee, regardless of whether the waiver is granted.

Note 10: We estimate that you will need this amount in working capital before the hotel opens. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition.

Note ~~10~~11: We based these estimates on our experience with hotel franchises, discussions with hotel businesspeople and recent trends in pricing from other relevant companies.

Note ~~11~~12: The total investment above assumes the hotel is currently open and operating at the time you apply for a franchise and has real estate, furniture, fixtures, and equipment (“FF&E”), hotel staff, current marketing and advertising programs, and other standards to operate a hotel. If your current FF&E do not meet our standards, we estimate that the cost needed to meet our standards will range between \$3,500 and \$4,500 per room. In addition, your total investment may be higher if you are required to participate in our Re-Licensing Systems Training. This program is not required for all owners. The Re- Licensing Systems Training fee is \$995 and is payable only when a franchised hotel has changed ownership and the new owner signs a franchise agreement with us. The Re-Licensing Systems Training fee covers the cost of two days of remote training concerning our proprietary

choiceADVANTAGE® property management and reservation system.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

All RODEWAY INN hotels are required to meet the current minimum design standards for the brand, including Choice-approved product in the public space and guestrooms. You must design the hotel to meet the current minimum standards for guestroom size and facilities and equip the hotel with furniture, fixtures and equipment, bath and bed linens, draperies, bedcoverings, floor coverings, wall coverings, lighting, ice machines, telephone systems and other amenities for which we have established written specifications or minimum standards. We may modify our specifications in writing as we determine appropriate from time to time and may add new specifications or brand guidelines, in writing, including any manuals or policies regarding, among other things, our standards and requirements for construction, equipment, furnishings, supplies, maintenance and marketing that are applicable to RODEWAY INN hotels (“Rules and Regulations”).

Our Procurement Services Department maintains a list of “Qualified Vendors” of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as an exclusive supplier or as an approved non-exclusive preferred vendor. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. You do have to purchase certain Choice Mark-bearing items, such as signs and bath amenities, only from Qualified Vendors. You must also purchase bedding, computer hardware, and other brand standard items per brand specifications through a Qualified Vendor. Neither Choice nor any persons affiliated with Choice are currently Qualified Vendors.

Vendors that are not on the Qualified Vendor list may apply to become “Qualified,” and you may recommend new vendors to us. Among the criteria that we consider is the financial stability of the company, whether the product or service meets brand standards and if the product or service is of use to our franchisees. Our criteria are available to you for review upon your request. Where applicable, the vendor may be asked to submit product samples and specifications to us. We usually make our decision and notify the vendor within 90 days after all information and samples have been submitted, although a longer period may be required for products or services that, due to their cost or importance to the brand, may have significant financial impact on our franchisees. We may limit the number of Qualified Vendors for a variety of reasons, including: obtaining volume discounts; promoting consistent quality; and/or securing adequate supplies for a particular brand. We may revoke a vendor’s “Qualified” status if the vendor no longer meets our criteria, if they breach their agreement with us, or if the product or service offered is no longer competitive in price or quality, among other reasons.

None of our officers own a material interest in any privately-held suppliers, or a material interest in any publicly-held suppliers of our franchise system. From time to time, our officers may own non-material interests in publicly-held companies that are suppliers to our franchise system.

We receive certain commissions or rebates from Qualified Vendors that typically range from 1% to 2% (but may be up to 20%) of net sales volume to franchisees, as well as a flat fee that we typically receive annually from each Qualified Vendor. In exchange for these fees, we may provide each vendor with certain services, which may include one or more of the following: marketing services from our Procurement Managers and/or marketing personnel; space on our ChoiceBuys.com website; a booth at our annual convention; advertisements in our print and electronic publications (e.g., Marketplace and Single Vendor Emails); and sponsorship opportunities, among other benefits. We do not provide franchisees with any material benefits, such as opportunities to acquire additional franchises, based on their purchases of particular products or services from Qualified Vendors or use of particular Qualified

Vendors.

You must display at your hotel entrance the number and type of identity signs required by the Rules and Regulations. Such signs must display the approved brand name and logo of your hotel. Signs are available from manufacturers who must be approved by us and who must comply with brand specifications. Each sign manufacturer must meet certain business, financial and insurance requirements. We derive income from appointment fees, limited trademark licenses, drawing charges and commissions on signs sold and that are purchased through signage Qualified Vendors. All highway billboards and printed advertising, among other electronic or printed media, must use the Choice Marks in accordance with our specifications.

We also periodically negotiate preferred marketing agreements with corporations and other organizations for joint marketing efforts, which may result in commissionable stays at your hotel. If you make inventory available to these organizations, we may retain up to 50% of any commissions payable by you in consideration of our marketing services and program administration costs.

As described in Item 7, you must obtain and maintain insurance which will include, at a minimum, insurance policies of the kinds, and in the amounts, required by us (Franchise Agreement, Section 12). These written insurance policies include, at a minimum, the following coverage during construction or complete renovation of the hotel: commercial general liability insurance (including automobile liability, bodily injury and property damage) for all types of liabilities, together with the costs of defense and/or adjustments arising out of the operations to construct the hotel, providing limits of coverage of not less than \$1,000,000 per occurrence, and including coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability; all-risk builder's insurance to insure the hotel buildings under construction to 100% of their replacement cost value; and a workers' compensation policy as required by statute. During the operation of the hotel, required insurance policies include, at a minimum: all-risk physical damage coverage insuring the hotel and its contents for full replacement costs; commercial automobile (including hired and non-owned automobile) and commercial general liability insurance policies written on an occurrence form, which must include contractual, products and completed operations, independent contractors, personal injury, property damage, bodily injury and host liquor liability coverage, together with the costs and expenses of the defense and/or adjustment of injury or damage, providing limits of coverage, per location, of not less than \$5,000,000 (\$10,000,000 to \$15,000,000 if the hotel has 6 or more stories) per occurrence; cyber liability insurance coverage that provides minimum coverage of \$1,000,000 per location; workers' compensation and employers' liability insurance with minimum employers liability limits of \$1,000,000 bodily injury by accident (each accident); \$1,000,000 bodily injury by disease (policy limit); and \$1,000,000 bodily injury by disease (each employee), whether or not required by the state where the hotel is located; dram shop/liquor liability insurance with limits of not less than \$5,000,000 per occurrence if alcoholic beverages are sold at the hotel (whether or not you own the establishment that sells alcohol); pollution/environmental legal liability insurance \$500,000 per pollution incident/\$1,000,000 aggregate, covering bodily injury, property damage, cleanup costs and defense costs arising from, or associated with, a pollution condition at a covered location. There will be no exclusion for carbon monoxide, and affirmative coverage for Legionella and microbial matter/mold; employment practices liability insurance \$1,000,000 limit, including \$1,000,000 third party coverage; and business interruption insurance that provides coverage for a minimum of three months in the event the hotel is not operational.

You must also obtain and attach endorsements to your insurance policies adding us and our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds and provide waiver of subrogation on commercial automobile, commercial general, workers' compensation/employers' liability (if allowed), pollution liability, umbrella insurance policies

and dram shop/liquor liability (if applicable), and adding us as co-defendant under the employment practices liability policies. If you fail to procure or maintain the minimum insurance described above (or as designated by us from time to time in the brand standards or Rules and Regulations), we may procure the insurance on your behalf and charge you the cost of the insurance and, at our option, a reasonable penalty. You will be required to reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain the insurance on your behalf.

You must purchase from us a software license to onboard and use choiceADVANTAGE®. You also must purchase the mandatory hardware package we specify that meets or exceeds specifications needed to operate choiceADVANTAGE®. You are required to use a designated Qualified Vendor to purchase and install a dedicated, wired, business grade High Speed Internet Access solution located at the front desk for access to choiceADVANTAGE® (see Items 5, 7 & 11 for more details).

Unless mandated by the brand standards contained in the then-current version of the Rules and Regulations, you do not have to participate in any purchasing or distribution cooperative we maintain. However, the Choice Partner Services Department attempts to negotiate price terms believed to be beneficial from its Qualified Vendors for franchisees, and we may from time to time offer cooperative buying programs to provide additional savings. In addition, you will automatically become a member of a cooperative buying program at no additional cost to you. You may opt out of being a member of such program at any time by completing and sending us the opt out electronic form located within the FAQs on Choicebuys.com. Most product and services offerings are accessible via ChoiceBuys.com, a proprietary web-based electronic catalogue.

In the year ended December 31, ~~2024~~2025, our total revenues were about \$~~1,584.81~~1,596.8 million. Of this figure, revenues attributable to required purchases by franchisees of products and services were \$~~67.773.8~~ million, or about ~~4.274.62~~% of our total revenues in ~~2024~~2025, which includes revenues from Qualified Vendors and excludes choiceADVANTAGE® installation and support fees.

We estimate the cost for items that must be purchased from Qualified Vendors or subject to our standards or specifications to be less than 10% of your initial investment in a conversion or new construction facility. Your annual expenditures on these items may range between 10-15% of your annual purchases.

ITEM 10 FINANCING

AFFILIATION FEE PROMISSORY NOTE

In our sole discretion and on approval of your credit, we may offer to finance the affiliation fee without interest. In that event, you must sign a promissory note (see Exhibit [HG](#)). Note payment is due in one full lump sum generally within three months after the note is signed. The note may be accelerated upon default and provides for a waiver of presentment, demand for payment, notice of dishonor, protest, and includes a confession of judgment clause. If the principal amount of the note, or any portion of the amount, is not paid on or before the maturity date, the note will bear interest from the date on which the funds are due until paid at a default annual rate equal to eighteen percent (18%). In the event of default, you must pay all of our costs of suit and reasonable attorney's fees. The note contains no pre-payment penalty. The owners of the franchise entity may be required to sign the promissory note personally.

SELECTED CAPITAL SUPPORT

Except as otherwise described in this Item 10, in certain instances, we may provide select capital support to help offset the costs associated with developing and opening a hotel within the Choice franchise system. In our sole and absolute discretion, we may provide capital support for franchisees that develop a property with strategic importance to Choice. We do not offer capital support in every instance, and we may freely choose not to offer capital support to you. The terms of such capital support will vary and will always be determined in our sole and absolute discretion after your application has been submitted to us and we have approved your eligibility to own a hotel franchise. In the event you have been offered and agreed to accept capital support, you will be bound, in all ways, to the contracts, documents, and agreements related to and controlling the administration of that capital support.

Specifically, the principal amount of the financing will depend upon the franchisee's creditworthiness and various other factors. The franchisee will sign a promissory note evidencing the loan. The form of promissory note is attached at Exhibit H.A. (the "Capital Support Note"). Generally, forgiveness of the Capital Support Note will be amortized over ~~a period~~ the term of ~~10 or 20 years~~ the Franchise Agreement (beginning on the Opening Date of your hotel or completion of a property improvement plan) using a straight-line method, so that the Capital Support Note will be completely forgiven upon the expiration of your Franchise Agreement if you do not commit certain defaults under the Capital Support Note ~~beginning upon signing of the franchise agreement and ending 10 or 20 years after the Opening Date~~. Your individual owners will be required to sign the Capital Support Note, in

addition to the franchisee. We will fund the loan shortly after the Hotel opens and we receive the signed Capital Support Note from the franchisee. In limited circumstances, you may be eligible for additional loan amounts based on your Hotel's performance. We will not charge you interest unless you default under the Capital Support Note (Section 5). If you default, all outstanding amounts will bear interest at prime plus two percent. The maximum interest rate in California is 10% annually. The loan amount will be payable in equal yearly installments over the term of the Franchise Agreement. However, each yearly payment will be deemed paid so long as no default has occurred under the Capital Support Note (Section 4). Defaults under the Capital Support Note include the termination of the Franchise Agreement, an uncured default by franchisee under the Franchise Agreement, a transfer as defined in the Franchise Agreement and a breach of any provision of the Note or any document executed in connection with the Capital Support Note (Section 5). Following a default under the Note, we may declare the entire outstanding amount under the Capital Support Note plus all accrued interest immediately due and payable (Section 5.2). Franchisee must also pay all of our costs and attorneys' fees incurred in collecting the Capital Support Note (Section 5.4). Default under the Capital Support Note will constitute a default under the Franchise Agreement (Section 5.1). Based upon your creditworthiness, we may not require that you provide us security for repayment of the loan.

The terms of the guaranty signed in connection with the Franchise Agreement will also extend to the repayment obligations under the Capital Support Note. The loan can be prepaid at any time and there are no prepayment penalties. The franchisee waives various rights under the Capital Support Note including presentment, demand, and all other notices and demands (Capital Support Note – Section 5.6).

In addition, if you sign our Capital Support Note, you and we must agree to waive our right to terminate the franchise agreement, without cause, for the applicable 10th and 15th anniversaries of the Opening Date as provided in Section 3 of the Franchise Agreement.

INCENTIVE PROGRAM

We are committed to expanding access to hotel ownership opportunities, including for underrepresented entrepreneurs, and participate in the International Franchise Association's Veteran's Transition Franchise Initiative (known as VetFran®). We are currently offering an incentive program to encourage and broaden access to our franchise system and the hospitality industry as well as to encourage entrepreneurs who have served in the United States military and been honorably discharged from service ("Incentive"). The Incentive Program is intended to attract top hotel developers from diverse backgrounds and involves our commitment of capital to incentivize qualifying franchisees to develop either a newly constructed Choice-branded hotel or convert an existing hotel to a Choice-branded hotel. Qualifying franchisees who enter into franchise agreements to re-license Choice branded hotels that are currently part of the Choice franchise system are not eligible to receive an Incentive; however, these franchisees will be given a 50% discount on the then-current affiliation fee due in connection with the re-licensed franchise agreement (see below).

Qualifications

To qualify for the Incentive Program, you must meet all of the following conditions: you must make a good faith request for the Incentive at the time of application; you must meet our then-current qualifications for new franchisees (including our standard credit review); you must be a majority owner that is actively engaged in the deal process; if you are an individual, you must identify to us the characteristics and background that will contribute to broadening access to our franchise system and the hospitality industry or if you are veteran you must demonstrate that you have served in the United States military and have been honorably discharged from service; or if you are a legal entity, you must be at least 51% legally and beneficially owned by persons that can demonstrate to us characteristics and background that will contribute to broadening access to our franchise system and the hospitality industry or meet the requirements of a veteran stated above. We will have sole discretion in determining whether

you qualify for the Incentive Program. The Incentive Program may not be combined with any other incentive program that we may be offering at the time of your application and we may discontinue this Incentive Program at any time.

Incentive

Each Incentive for a hotel using the RODEWAY Marks will be \$1,000 per room in the hotel (with a maximum of \$50,000). Each Incentive will be evidenced by a 10-year forgivable incentive promissory note (see Exhibit H.B.) (the “Note”). We will pay the proceeds of the Note to you only after the Opening Date of your hotel. You may use the proceeds of the Note for any purpose related to the hotel. We do not require collateral for this Note, but may require you and/or the owners of a franchise entity to sign personally. Forgiveness of the Note will be amortized over 10 years (beginning on the Opening Date of your hotel) using a straight-line method, such that the Note will be completely forgiven if you do not commit certain defaults under the Note beginning upon signing of the franchise agreement and ending 10 years after the Opening Date. The Note is structured to provide for one payment at the end of 10 years; however, you do not have to make payments on the Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Note at an interest rate of prime plus 2%. The maximum interest rate in California is 10% annually. Under the Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys’ fees that we incur in collecting the Note. The Note contains no pre-payment penalty.

If you qualify for an Incentive, you may request amortization over 5 years instead (beginning on the Opening Date of your hotel) using a straight-line method, such that the Note will be completely forgiven if you do not commit certain defaults under your franchise agreement upon signing of the franchise agreement and ending 5 years after the Opening Date. If you request a 5 year Note, the incentive will be 50% of the amount of the 10 year Note, and will be limited to a maximum of \$25,000. Each incentive will be evidenced by a 5 year Note in the same form attached as Exhibit H.B. The Note is structured to provide for one payment at the end of 5 years; however, you do not have to make payments on the Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Note at an interest rate of prime plus 2%. If the Default Payment Amount (as defined in Exhibit H.B.) has not been paid in full fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually. Under the Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys’ fees that we incur in collecting the Note. The Note contains no pre-payment penalty.

Termination Rights

In addition, unless you have signed a 5 year promissory note, you and we must agree to waive our right to terminate the franchise agreement, without cause, on the 5th anniversary of the Opening Date.

RE-LICENSING INCENTIVE

If you: (1) qualify for the Incentive Program; and (2) purchase a hotel that is a RODEWAY branded hotel operating as part of the Choice franchise system at the time of purchase; and (3) enter into

a franchise agreement with Choice to re-license the hotel as a RODEWAY branded hotel, you will be granted a 50% discount on the then-current affiliation fee due in connection with your franchise agreement. Franchisees that enter into franchise agreements with Choice for the re-licensing of an existing Choice brand hotel and qualify and accept the Incentive are not eligible to participate in any other incentive program.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

PRE-OPENING ASSISTANCE. Before you open your hotel in the Choice franchise system, we will provide certain assistance, including:

SITE SELECTION

We must approve the site you select. (Franchise Agreement, Section 6(r).) Within 9 months after signing a franchise agreement with us, you must submit to us by or before that deadline, a site plan or other evidence of site control that is acceptable to us. We will accept a fully executed purchase and sale agreement or deed of trust or, if the hotel is to be leased, an executed lease agreement that shows you have possession of the hotel for the entire term stated in the franchise agreement. [We do not generally own and lease the premises to franchisees.](#)

We consider a number of factors, including the location, market and revenue potential as factors for approval. Our approval of your site does not assure that your business will be successful. Choice's Franchise Committee will review your application within 30 days of submission. If a site cannot be agreed upon and we reject your application, your affiliation fee will be refunded, less \$5,000 and any pre-application property improvement plan fees that you may have paid and no franchise agreement will be signed. (Franchise Agreement, Section 4(a).) The "typical" length of time to construct and open a new RODEWAY hotel between the signing of a franchise agreement (including paying the affiliation fee) until the opening of a newly constructed hotel is between 18 and 24 months. This period may vary and largely depend on a number of factors, such as the ability to obtain financing; local zoning laws and ordinances; the ability to obtain building permits on a timely basis; weather conditions; or any delays associated with the installation of equipment, fixtures and signs. For an existing hotel to be converted to a RODEWAY hotel, the timetable varies depending upon your ability to obtain any necessary financing, the amount of renovation required to meet our specifications and the process and time periods required to obtain all the necessary permits, licenses and approvals from various government agencies (Franchise Agreement, Section 6(r)).

CONSTRUCTION

We will review and comment on whether your preliminary drawings, final working drawings and architectural designs for the hotel to satisfy the prototype design specifications. Our approval of your designs does not ensure that they are adequate (Franchise Agreement, Section 6(r)).

At our discretion, we may provide additional consultation and services to assist you to construct, renovate, maintain, operate, and/or market the hotel on the same basis as provided to other hotels that are authorized to use our System under the Brand Mark; we reserve the right to charge you reasonable fees that we may establish in advance or on a project-by-project basis for such consultation and services. (Franchise Agreement, Section 5(d).) You must submit your preliminary drawings for our approval at least 6 months before the Construction Start Deadline (the deadline by which you must start construction), and final working drawings and final architectural designs for the hotel for our approval at least 3 months before the Construction Start Deadline (Franchise Agreement, Section 6(r)). If Construction Start does not commence within 30 days of your final architectural designs for the hotel, then you must resubmit final architectural designs for our approval for approval prior to Construction Start. Our review of your architectural designs is for compliance with our brand standards only and does not assure that your business will be successful, that your designs are suitable for architectural or engineering purposes, or that your designs are in compliance with local, state, or federal laws. It will be your responsibility to comply with all local, state, and national code requirements applicable to the construction of your hotel.

You must begin construction of your hotel within 18 months after the date the parties enter into the franchise agreement, and, within 5 days after this Construction Start, notify us that Construction Start has occurred (Franchise Agreement, Section 6(r)(2)), continue construction of the hotel in accordance with the designs without interruption, until the hotel is ready for our inspection and complete construction of the hotel, including furnishing, equipping and preparing for opening, within 12 months of

the Construction Start Deadline (Franchise Agreement, Section 6(r)(3)).

You must undertake any remodeling, renovations, and modifications to existing improvements, necessary to modernize and conform your hotel to the Rules and Regulations or other requirements of our System as described in your franchise agreement. (Franchise Agreement, Section 6(o).) We will provide you with our standards and brand guidelines for required equipment, signage, furnishings, and other inventory and supplies, along with a list of Qualified Vendors. We do not generally deliver or install any of these items.

RULES & REGULATIONS

Upon request, you may view the current Rules and Regulations at our proprietary intranet site, ~~ChoiceCentral~~ ChoiceConnect (Franchise Agreement, Section 5(a)). Once you become an RODEWAY franchisee you will have access to these Rules and Regulations without having to request them from us. We may periodically revise, add to or update brand standards and other requirements by issuing revisions to the Rules and Regulations and other manuals that we may publish. As of the date of this Disclosure Document, the Rules and Regulations were a minimum of 129 pages in length. The Table of Contents for our Rules and Regulations manual is attached as Exhibit J to this Disclosure Document.

OPENING SERVICES SUPPORT

Our Opening Services department will assist you to open your hotel in the Choice franchise system. (Franchise Agreement, Section 5.) We will assign an Onboarding Project Director and Opening Services Manager to monitor your project’s progress and to assist you to meet contractual milestones (for example architectural and/or property improvement plan reviews). Your Onboarding Project Director and Area Director will introduce you to Choice’s organizational support departments, enroll your hotel in appropriate marketing programs, and help coordinate training course attendance/resource utilization. Finally, your Onboarding Project Director will help you to make sure that your hotel meets brand standards and that you have the knowledge and tools to assist you to successfully pass the hotel’s first Quality Assurance Review (QAR). (Franchise Agreement, Section 5.) Once your hotel opens in the Choice franchise system, your Onboarding Project Director will arrange for a meeting with your assigned Area Director, who will be your ongoing liaison with Choice for most day-to-day questions related to our programs and policies. You must ensure your hotel opens in accordance with your franchise agreement. (Franchise Agreement, Section 6(s).)

TRAINING TRAINING PROGRAM

We will provide training, as described below (Franchise Agreement, Section 6(e)). You must comply with our training requirements by ensuring that you and the Hotel’s general manager(s) attend (at the times required by us) our then-current training programs, including our annual national convention for hotels authorized to use the System.÷

POST -OPENING ASSISTANCE. During your operation of the hotel in the Choice franchise system, we will provide the following services:

QUALITY ASSURANCE

We will administer a quality assurance program that may include periodic visits to your hotel (by us or our authorized representatives) and/or guest satisfaction surveys to evaluate your compliance with your franchise agreement and the Rules and Regulations. If necessary, we will advise you of changes that you must make to the hotel or its operations to comply with the Franchise Agreement and/or the Rules and Regulations (Franchise Agreement, Section 5(b)). Franchisees who fail to improve on identified quality issues may be subject to consequences ranging from written warnings, non-compliance penalties, attendance at mandatory training programs, reservation suspension, and ultimately to the termination of the franchise agreement. We may also require a franchisee to hire a third party Qualified Vendor to do a deep cleaning of the Hotel if a franchisee has repeatedly failed quality assurance reviews and the hotel's likelihood to recommend (LTR) score falls below the brand specific standard.

MARKETING AND RESERVATIONS

We will provide an advance reservation system for your hotel and other Choice branded hotels using the Marketing and Reservation Fee that you will pay each month during the term of your franchise agreement. (Franchise Agreement, Section 5(c).) We will also provide national, international and regional advertising, promotion, publicity, marketing research, system programs and related programs as we reasonably determine to be appropriate for the entire Choice franchise system, using the Marketing and Reservation Fee. (Franchise Agreement, Section 5(c).)

Marketing and advertising are primarily disseminated via media such as direct sales efforts, digital media, multi-brand television campaigns, trade publications, radio, directories and other collateral materials. National advertising and promotion agencies are primarily used to create and place advertisements with the participation and supervision of our in-house marketing department. Funding for the advertising program comes from the Marketing and Reservation Fee that each Choice Hotels franchisee pays each month during the term of their franchise agreement and which we control. We do not use any of the Marketing and Reservation Fee principally to solicit new franchise sales. The Marketing and Reservation Fee covers the ongoing development, maintenance and upgrading of the reservations system, as well as pay for expenditures associated with media, advertising, publicity, public relations, marketing, reservations and similar services, and certain franchise services. All franchisees contribute to the Marketing and Reservation Fee at a rate dependent on their individual franchise agreement. Company-owned outlets (if any) contribute to the Marketing and Reservation Fee at the standard rate as other franchised outlets. As of December 31, ~~2024~~2025, there were no RODEWAY company-owned outlets. See Item 6 for a description of the Marketing and Reservation Fee.

Currently, the Rodeway Owners' Association (ROA), the Econo Lodge Franchisee Association, and the Choice Hotels Owners Council (CHOC) administer 13 voluntary regional marketing cooperatives ("Marketing Cooperatives"), which we support. Each Marketing Cooperative establishes an annual fee for participating hotels, and we also provide funding. The participating hotels in a Marketing Cooperative, along with the assistance of a Choice representative, create an annual budget and an annual marketing plan. As of the date of this Disclosure Document, participation in the Marketing Cooperatives is voluntary, and you may opt out on an annual basis. However, we may require participation in the Marketing Cooperatives in the future and we have the right to audit the Marketing Cooperatives program at any time.

You may conduct your own local marketing program provided that all materials comply with brand standards, including proper trademark usage, and are either approved in writing by us through ChoiceNow, typically within 10 business days after you submit your materials to us for review. (Franchise Agreement, Section 6(s)(4).) The SmartMarketing program provides marketing and promotional materials that help you promote your hotel professionally and within brand standards. The fee for customizing materials is free. Some materials (for example, business cards and sales flyers) range from \$0 to \$45 to print and ship. We are not required to use any portion of the Marketing and Reservation Fee for advertising in your area. You are not required to participate in any local or regional advertising program or cooperatives.

Any website created for your hotel must follow the Choice Property Website Guidelines, Internet Distribution Policy and Domain Name Policy. (Franchise Agreement, Section 7(b).) We retain the right to pre-approve your hotel's website design and use of linking between your internet ~~web pages~~webpages (or other networks) and all other ~~web sites~~websites. All websites that are accessed from a domain name that uses one or more of the Choice Marks must conform to the Choice Hotels Property Website Guidelines and Internet Distribution Policy and cannot contain, or link to other web pages that contain, logos or information on non-Choice brand hotels. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the

Choice Marks unless it is first approved in writing by us. Your general conduct on the internet or other electronic media, including your use of the Choice Marks or any advertising is subject to the terms and conditions of the Franchise Agreement and any other rules, requirements or policies that we may identify from time to time.

We administer the allocation of the Marketing and Reservation Fee, which may be commingled with, but are accounted for separately, from our other funds. We do not prepare audited financial statements for our Marketing and Reservation Fee. However, upon receiving a reasonable request, we will provide an unaudited statement of the Marketing and Reservation Fee for the previous calendar year. We have no obligation to separate incomes or expenditures between the various Choice brands. Any unspent Marketing and Reservation Fees remaining at the end of the fiscal year generally are carried over for use in the following year unless there is a deficit from a preceding year. In that case, the monies will be applied to pay down the deficit and anything remaining will be carried over. We pay administrative costs to provide the goods and services described above using a portion of the Marketing and Reservation Fee. Our internal costs associated with marketing the goods and services of our franchise system are reflected in the percentages below, including our media (broadcast and digital), creative, supplies and graphics. In calendar year ~~2024~~2025, approximately ~~18.7~~36.6% of all Marketing and Reservation Fees collected from the Choice Franchise System was spent on media and other advertising, ~~7.9% on the Choice Privileges Loyalty Program, which includes national advertising (broadcast and digital), 67.3~~including national advertising (broadcast and digital), 3.5% on the Choice Privileges Loyalty Program, 51.6% on marketing and distribution (for example, reservations services, global sales, publicity, research & analytics), and ~~6.1~~8.3% on general and administrative expenses, including the salaries of applicable personnel.

FRANCHISE ADVISORY COUNCIL

As of the date of this Disclosure Document, we may periodically assemble franchise advisory councils who meet with corporate representatives to advise on issues relating to the System (including advertising issues). We select the franchisees that participate on this council. The council acts in an advisory capacity only and we maintain all decision-making power of the System. We may create, change, or dissolve this council at any time.

You will be required to refresh the choiceADVANTAGE® system with Dell hardware and required peripherals to comply with specifications mandated by us. Dell hardware and required peripherals should be refreshed every 48 months or upon expiration of your hardware warranty. We estimate that the cost to refresh and install new Dell hardware and peripherals will be between ~~\$3,800~~ and ~~\$10,800~~4,900 - \$14,000 depending on the configuration at your hotel (number of workstations, printers, etc.). However, there is no limit on the frequency or cost of this obligation.

You will make payments directly to Shift4. Shift4 is a Qualified Vendor. See Item 8 of this Disclosure Document.

CHANGE IN SLEEPING ROOM COUNT

We will review and, where appropriate, approve requests to add or remove guestrooms to your hotel after receipt of your room count change fee (if applicable) and construction plans (Franchise Agreement, Section 8).

ITEM 12 TERRITORY

We grant franchises for specific sites only. You will not receive an exclusive territory, unless we

grant to you an exclusive territory as further discussed below. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we may, depending on local market conditions or other factors such as your prior history with us (if any) and number of hotels franchised by us, grant exclusive territories in which no other hotel of the same brand will be franchised or operated for a period of time that we determine. Preferred regions or exclusive territories are determined by us. Our grant of a preferred region or exclusive territory can be terminated by us if you default under your franchise agreement, including failing to maintain quality standards or failing to pay fees due on a timely basis.

We expressly reserve the right to grant franchises or open company owned hotels at any location under any brand name other than the location specified in your franchise agreement. We may open company-owned hotels under any brand and offer hotel franchises for upscale, mid-priced and budget hotels under any of the Choice Marks.

If you wish to relocate or establish additional facilities, you must follow our usual application procedure and sign additional franchise agreements. Customarily, we do not grant to franchisees options, rights of first refusal or similar rights to acquire additional franchises.

We may take reservations for rooms through any method of distribution, including sales through such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales (“Alternative Distribution Channels”). You will receive no compensation for our sales through Alternative Distribution Channels, unless we make a reservation on your behalf.

You may solicit or accept reservations from customers at any location (including outside your territory, if applicable). You may use Alternative Distribution Channels to make sales if you comply with all of our standards, including any approval process that we may require (see Item 11). We, our affiliates and franchisees can use Alternative Distribution Channels to make sales anywhere (including within your territory, if applicable) of products or services under trademarks different from the trademarks that you are permitted to use under your franchise agreement. See Item 1 for additional information on other Choice brands.

We have implemented a Fair Franchising Policy (attached as Exhibit K) that sets general guidelines on how Choice will maintain the overall Choice franchise system of brands, including principles for informal resolution of disputes between Choice and our franchisees. In addition, we have adopted an Incremental Impact Policy (attached as Exhibit L) that establishes a procedure that our franchisees can use under certain circumstances, to object to an application for a new same brand hotel franchise within a designated area of protection. The Incremental Impact Policy is only offered to certain Choice brands. Both the Incremental Impact Policy and the Fair Franchising Policy are internal policies, not contractual obligations, and can be changed or revoked by us in our sole discretion and at any time on reasonable notice.

As noted in Item 1, we currently grant franchises for hotels operated under the following brands or extensions of these brands: ASCEND-~~HOTEL-COLLECTION~~[®], CAMBRIA[®], CLARION-~~HOTEL~~[®], CLARION-~~INN~~[®], CLARION-~~INN & SUITES~~[®], CLARION-~~SUITES~~[®], CLARION-~~RESORT~~[®], CLARION-~~COLLECTION~~[®], CLARION-~~POINTE~~[®], COMFORT-~~INN~~[®], COMFORT-~~INN & SUITES~~[®], COMFORT-~~SUITES~~[®], COMFORT-~~HOTEL~~[®], COMFORT-~~HOTEL & SUITES~~[®], COMFORT-~~RESORT~~[®],[®] COUNTRY INN & SUITES[®] BY RADISSON, ECONO LODGE[®], ~~ECONO LODGE INN & SUITES~~[®], EVERHOME SUITES[®], MAINSTAY SUITES[®], PARK INN[®] BY RADISSON, ~~PARK PLAZA~~[®], QUALITY-~~INN~~[®], QUALITY-~~INN & SUITES~~[®], QUALITY-~~SUITES~~[®], QUALITY-~~HOTEL~~[®],[®] RADISSON[®], RADISSON BLU[®], RADISSON INDIVIDUALS[®], ~~RADISSON-RED~~[®], ~~RODEWAY INN~~[®], ~~RODEWAY INN & SUITES~~[®], ~~SLEEP-INN~~[®], ~~SLEEP INN & SUITES~~[®], SUBURBAN STUDIOS[®] ~~AND~~and WOODSPRING SUITES[®]. We also have the right to operate or franchise a hotel or other business under a different trademark. We do not maintain physically separate offices or training facilities for the other Choice brands that may compete with your hotel.

You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us.

If you are required by law to register any of the Choice Marks, your application must specify that you use the Choice Marks: (1) only at your hotel and in advertising for your hotel; (2) only during the term of your franchise agreement; and (3) without claiming any property right in the Choice Marks during or after the term of your franchise agreement.

We do not know of any superior prior rights or material infringing uses of the Choice Marks that could materially and adversely affect your permitted use of the Choice Marks in any state.

You will not interfere with our use or registration of any of the Choice Marks, or with use of the Choice Marks by other hotels. You have no right to sublicense anyone else to use any Choice Marks and you have no right to use them for any purpose other than as permitted in connection with your hotel.

We may require your hotel to use a secondary name or an identifying descriptor (“Secondary Name”) in addition to the primary brand name. The Secondary Name may be assigned, modified, or withdrawn by us in our sole discretion as part of our brand standards and system-wide naming conventions. You may request a proposed Secondary Name, but any requested Secondary Name is subject to our approval in accordance with our naming policies and standards. You must use the Secondary Name we assign and must discontinue use upon our notice. You are solely responsible for ensuring that your use of the Secondary Name complies with all applicable trademark, copyright, and other intellectual property laws. You agree to promptly provide us with copies of any notice or communication from a third party alleging or challenging your right to use the Secondary Name.

You must promptly notify us of any suit filed or demand made against you challenging the validity of any of the Choice Marks (“Mark Claim”). Using our attorneys, we agree to protect and defend you against a Mark Claim, and to defend and indemnify you against your loss, cost or expense related to the Mark Claim, except where the Mark Claim arose because you used the Choice Marks in violation of your franchise agreement. You may not settle or compromise a Mark Claim without our prior written consent, and you agree to cooperate with us in defending against any Mark Claim.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

We have no patents or copyright registrations or pending patent or copyright applications that are material to the franchise. However, we claim copyrights on certain forms, advertisements, promotional materials, our proprietary software, our rules and regulations and other written materials. We also claim copyrights and other proprietary rights in the Rules and Regulations and the Choice Marks. There are no agreements currently in effect that significantly limit your right to use any of our copyrights. Also, there are no currently effective determinations of the U.S. Patent and Trademark Office, the U.S. Copyright Office (Library of Congress), or any court pertaining to or affecting any of our copyrights discussed above.

As of the date of this Disclosure Document, we are unaware of any infringing uses of, or superior rights to, any of our copyrights that materially and adversely affect your use of them in any state.

Your and our obligations to protect your rights to use our copyrights are the same as the obligations for Trademarks described in Item 13 of this Disclosure Document.

Proprietary Information

Except as provided in your franchise agreement, the Rules and Regulations, or as otherwise authorized by us, you may never – during the term of your franchise agreement or after your franchise agreement expires or is terminated – reveal any of our proprietary information to another person or use it for any other purpose or business. You may not copy any of our proprietary information or give it to a third party except as we authorize in writing prior to any such transfer.

Our proprietary information includes any manuals, feedback, automated advance reservation and property management methods, our ecommerce offerings, any other automated systems techniques, our business referral, gift card and credit card agreements, your franchise agreement, the Rules and Regulations, and those identifying brand characteristics of the Choice franchise system as we may reasonably designate. In addition, you are required to restrict your General Managers, Office Managers, Directors of Sales, and any third party property management company from revealing any of our proprietary information to another person or using it for any other person or business. This includes requiring your General Manager, Office Managers, Director of Sales, and any third party property management company to maintain Choice's trade secrets and proprietary information in confidence and to protect against such information being copied or given to a third party except as we authorize.

ITEM 15

PUBLIC

FIGURES

We do not use any public figure to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The tables below provide certain historic performance information for franchised RODEWAY INN hotels operating in the United States. As of December 31, ~~2024~~2025, there were ~~447~~432 open and operating RODEWAY INN hotels in the United States. Of these ~~447~~432 hotels, all were franchised RODEWAY INN hotels and ~~403~~388 were RODEWAY INN hotels that met the definition of the Performance Sample. The “Performance Sample” means all RODEWAY INN hotels that were open and operating as of December 31, ~~2024~~2025 and that were franchised by Choice and operating on or before January 1, ~~2024~~2025, excluding hotels that: (1) repositioned from another Choice brand to RODEWAY INN during the period beginning January 1, ~~2024~~2025 and ending December 31, ~~2024~~2025; (2) had incomplete performance numbers (e.g., missing supply, demand and revenue information) for at least 30 days during the period beginning January 1, ~~2024~~2025 and ending December 31, ~~2024~~2025; and (3) experienced an interruption in operations (for example, due to renovation or natural disaster) of more than 30 consecutive days during the period beginning January 1, ~~2023~~2025 and ending December 31, ~~2024~~2025. In Year ~~2024~~2025, there ~~was one~~were 3 RODEWAY INN ~~hotel~~hotels that closed after being open less than 1 year.

Notes: We used the following definitions in the above ~~table~~tables:

“Average Occupancy Rate” is the percentage of available guest rooms actually occupied by guests. “Average Daily Rate” is the gross room revenue divided by the number of occupied guest rooms. “RevPAR” is the gross room revenue divided by available guest rooms.

Table 2: For Year Ended December 31, 2024 – Total Choice Enterprise Contribution, Choice Privileges Contribution, and Choice Privileges Average Daily Rate for RODEWAY INN Hotels in the Performance Sample

	Aggregate or Average	Median	Low	High	Hotels Meeting or Exceeding Average

Choice Privileges Average Daily Rate	\$71.64	\$68.55	\$39.90	\$159.26	176	43.7%

~~Notes: We used the following definitions in the above table:~~

“Total Choice Enterprise Contribution” is the average of each hotel’s revenue generated through the CRS (including online travel agent bookings with whom we have negotiated relationships) and non-CRS marketing channels, including members of our Choice Privileges and affiliated guest loyalty programs that booked directly with Choice Hotels branded properties as well as reservation revenue from wholesale group accounts and global sales accounts, excluding cancelled reservations, divided by that hotel’s gross room revenues.

“Choice Privileges Contribution” is the average percentage of gross room revenue attributable to

members of Choice Privileges, or other affiliated programs, who occupy and pay for guest rooms and are awarded Choice Privileges or airline points for their stays or redeem points for a reward night.

“Choice Privileges Average Daily Rate” is the Average Daily Rate for reservations generated through our Choice Privileges guest loyalty program and other affiliated loyalty programs, including airline loyalty programs, excluding cancelled reservations.

“Likelihood to Recommend” or LTR is a guest satisfaction metric used by Choice Hotels to measure the likelihood that a guest would recommend a hotel to others. LTR scores are derived from responses to Choice-administered guest satisfaction surveys sent to guests following their stay (and, for longer stays, periodic in-stay surveys). Only surveys conducted and approved under Choice Hotels’ internal guest feedback processes are included in the LTR calculation; third-party review sites and social media reviews are not considered. For purposes of this Item 19, references to hotels performing “above the brand average” mean hotels that achieved an LTR score greater than the brand average LTR score during the applicable measurement period.

* * *

The data presented in the above tables relate to historical performance of franchised RODEWAY INN hotels in the United States and represent average performance of RODEWAY INN branded hotels in a specific performance sample.

The financial performance representations in the above tables do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your hotel. Franchisees or former franchisees, listed in this Disclosure Document, may be one source of this information.

The data presented in the above tables are based on information that individual franchise owners provided to us. Written substantiation of the financial information that forms the bases for our financial performance representations will be made available to you within a reasonable period of time following receipt of your written request.

Some franchised RODEWAY INN hotels have earned the results indicated above. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting our General Counsel at 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852 and at (301) 592-5000; the Federal Trade Commission; and the appropriate state regulatory agencies.

The number of franchises as of year-end may differ from that in the audited financial statements (Exhibit C to this Disclosure Document) as the financial statements also include franchises in Puerto Rico, Dominican Republic, Turks & Caicos, the Cayman Islands and the Bahamas.

Exhibit N lists the names of all of our U.S. operating franchisees and the addresses and telephone numbers of their RODEWAY INN Hotels as of December 31, ~~2024~~[2025](#), including franchisees who have signed Franchise Agreements for Hotels that were not yet operational as of December 31, ~~2024~~[2025](#).

Exhibit O lists the name, city and state, and business telephone number (or, if unknown, the last known home telephone number) of all franchisees who transferred their hotels or who had a RODEWAY INN Hotel terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to operate and/or conduct business under a Franchise Agreement during the most recently completed fiscal year, or who has not communicated with us within 10 weeks of the issuance date of this Disclosure Document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the past three years, franchisees have signed confidentiality clauses with us. In some instances, current and former franchisees have signed provisions restricting their ability to speak openly

about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all of these franchisees will be able to communicate with you.

Exhibit M lists, to the extent known, the names, addresses, telephone numbers, e-mail addresses and Web addresses of each trademark-specific franchisee organization associated with the franchise system being offered which we have created, sponsored or endorsed.

As of the date of this Disclosure Document, there is not a brand-specific franchise advisory council. However, we have the right to create such advisory council at any time. We will sponsor the council and select the franchisees that participate on the council. Contact information for the council will be the same as our contact information.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR CALIFORNIA

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions will supersede and apply to all franchises offered and sold in the State of California:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

CALIFORNIA CORPORATIONS CODE, SECTION 31125 REQUIRES CHOICE HOTELS INTERNATIONAL, INC. TO GIVE YOU A DISCLOSURE DOCUMENT, APPROVED BY THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

Each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property states such as California.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.

ITEM 3 LITIGATION

1. We are not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78 a et seq., suspending or expelling these persons from membership in such association or exchange.

1. The maximum interest rate in California is 10% annually.

ITEM 10 FINANCING

1. We will comply with all appropriate laws governing any direct financing offered by us to you including, if applicable, the California Finance Lenders Law.
2. Item 10 of the FDD is amended to provide that Balboa Capital Corporation, Ascentium Capital LLC, and Avana Capital all operate in California under a California Finance Lender license. PMC Commercial Trust holds a license issued directly by the Small Business Administration

ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
2. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

Rule 2860.4400J prohibit us from requiring litigation to be conducted outside of Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document shall abrogate or reduce any of your rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required.

Minnesota Statutes, Section 80C.14, Subdivisions 3, 4 and 5 require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.
2. Minnesota Rule 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. 3. The following is added to the end of the "Summary" sections of Item 17(c), "**Requirements for you to renew or extend,**" and Item 17(m) "**Conditions for our approval of transfer**":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), "**Termination by you**": You may terminate the agreement on any grounds available by law.
5. The following is added to the end of the "Summary" sections of Item 17(v), "**Choice of forum**", and Item 17(w), "**Choice of law**":

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchisee Questionnaires and Acknowledgements -

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming

reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions will supersede and apply to all franchises offered and sold in the State of Virginia.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of Choice Hotels International, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Choice Hotels International, Inc. and subsidiaries (the Company) as of December 31, 2025 and 2024, the related consolidated statements of income, comprehensive income, shareholders' equity (deficit) and cash flows for each of the three years in the period ended December 31, 2025, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2025, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 19, 2026 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Accounting for Choice Privileges Loyalty Program

Description of the Matter

The Company recognized \$125.6 million in revenues from loyalty points redeemed, net of the cost of redemptions, and had a point liability and deferred revenue of \$124.8 million and \$114.9 million, respectively, as of December 31, 2025, associated with the Choice Privileges Loyalty Program.

As discussed in Note 1 to the consolidated financial statements, loyalty points earned represent a performance obligation attributable to usage of the points, and thus revenues are recognized at the point in time when the loyalty points are redeemed by members for benefits. The liability for the Choice Privileges Loyalty Program is developed based on an estimate of the eventual redemption rates on future redemption behavior using various actuarial methods and point values. The amount of the Choice Privileges Loyalty Program fees in excess of the point liability represents deferred revenue, which is recognized to revenue as points are redeemed including an estimate of future forfeitures.

Auditing the Choice Privileges Loyalty Program results is complex due to: (1) the complexity of the models used and the high volume of data to monitor and account for Choice Privileges Loyalty Program results; and (2) the complexity of estimating the future redemption rate. Performing audit procedures to evaluate the reasonableness of these estimates requires a high degree of auditor judgment and an increased extent of effort, which includes the use of actuarial specialists.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's process of accounting for the Choice Privileges Loyalty Program during the year. For example, we tested controls over management's review of the assumptions and data inputs used in the accounting model and the actuarial methods used to estimate the ultimate redemption rate of Choice Privileges Loyalty Program points.

To test the recognition of revenues and liabilities associated with the Choice Privileges Loyalty Program, we performed audit procedures that included, among others, testing the completeness and accuracy of the data and significant assumptions used in the models and assessing the accounting models developed by the Company to recognize the related revenue and the liabilities. For example, we tested significant inputs into the accounting models, including the amounts received and paid by the Choice Privileges Loyalty Program as well as the recognition of points earned and redeemed during the period. With the assistance of our actuarial specialists, we evaluated management's methodologies as well as the actuarial assumptions used in estimating the Choice Privileges Loyalty Program expected redemption rates.

Description of the Matter

Choice Hotels Canada Acquisition

On July 2, 2025, the Company completed its acquisition of the remaining 50% of the outstanding shares of Choice Hotels Canada, Inc. ("Choice Hotels Canada") for a purchase price of approximately \$114.5 million, as disclosed in Note 17 to the consolidated financial statements.

Auditing the Company's accounting for its acquisition was complex due to the estimation uncertainty in the Company's determination of the fair value of identified intangible assets, which consisted of franchise agreements and reacquired territory rights. The estimation uncertainty was primarily due to the sensitivity of the respective fair values to underlying significant assumptions. The Company used a discounted cash flow model to measure the franchise agreements and reacquired territory rights intangible assets. The significant assumptions used to estimate the value of these assets included discount rates and the forecasted cash flows. These significant assumptions are forward-looking and could be affected by future economic and market conditions.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of the Company's controls over the accounting for the acquisition. For example, we tested controls over management's review of the valuation models, the significant assumptions used to develop the estimates, and the completeness and accuracy of the data used in the valuations.

To test the estimated fair value of the acquired intangible assets, including the franchise agreements and reacquired territory rights, we performed audit procedures that included, among others, evaluating the Company's selection of the valuation methodologies and testing the significant assumptions, including the forecasted cash flows and the selected discount rates used by the Company's valuation specialist. Our procedures included evaluating the completeness and accuracy of the underlying data supporting the significant assumptions in management's estimates. We involved our valuation specialists to assist with our evaluation of the valuation methodologies used by the Company and significant assumptions included in the fair value estimates. For example, we compared the significant assumptions to the Company's historical performance, to the historical results of the acquired business, and to current industry, market, and economic trends.

/s/ Ernst & Young LLP

We have served as the Company's auditor since 2014.

Revenue Recognition

Franchise Agreements

The Company's revenues are primarily derived from franchise agreements with third-party hotel owners. The majority of the Company's performance obligations are a series of distinct services, which are described in more detail below, for which the Company receives variable consideration through franchise fees. The Company enters into franchise agreements to provide franchisees with a limited non-exclusive license to utilize the Company's registered brand tradenames and trademarks, marketing and reservation services, and other miscellaneous franchise services. These agreements typically have an initial term of 10 to 30 years with provisions permitting the franchisees or the Company to terminate the franchise agreement upon designated anniversaries of the hotel opening before the end of the initial term. An up-front initial franchise fee is assessed to the third-party hotel owners to affiliate with our brands, which is typically paid prior to the execution of the franchise agreement and is non-refundable. After hotel opening, franchise fees are typically generated based on a percentage of gross room revenues

or as designated transactions and events occur (such as when a reservation is delivered to the hotel through a specified channel) and are invoiced by the Company in the following month.

The franchise agreements are comprised of multiple performance obligations, which may require significant judgment in identifying. The primary performance obligations are as follows:

- *License of brand intellectual property and related services* (“brand intellectual property”) - Grants the right to access the Company’s intellectual property associated with the brand tradenames, trademarks, reservation systems, property management systems, and related services.
- *Material rights for free or discounted goods or services to hotel guests* - Primarily consists of the points issued under the Company’s guest loyalty program, Choice Privileges.

License of Brand Intellectual Property and Related Services

The fees generated from brand intellectual property are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the franchise agreement. The franchise fees are typically based on the sales or usage of the underlying hotel (i.e., after the completion of a hotel stay), with the exception of fixed up-front fees that usually represent an insignificant portion of the transaction price. The variable transaction price is determined for the period when the underlying gross room revenues and the transactions or events which generate fees are known.

Franchise fees include the following:

- *Royalty fees* - Royalty fees are earned in exchange for a license to brand intellectual property typically based on a percentage of gross room revenues. The royalty fees are billed and collected monthly and the revenues are recognized in the same period that the underlying gross room revenues are earned by the Company’s franchisees. The royalty fees are presented within franchise and management fees in the consolidated statements of income.
- *Initial franchise fees* - Initial franchise fees are charged when (i) new hotels enter the franchise system, (ii) there is a change of ownership, or (iii) the existing franchise agreements are extended. The initial franchise fees are recognized as revenue ratably as the services are provided over the enforceable period of the franchise agreement, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred amounts are recognized to revenue in the period of termination. The enforceable period is the period from the hotel's opening to the first point the franchisee or the Company can terminate the franchise agreement without incurring a significant penalty. The initial franchise fees are presented within franchise and management fees in the consolidated statements of income.
- *System implementation fees* - System implementation fees charged to the franchisees are deferred and recognized as revenue over the enforceable period of the franchise agreement. The system implementation fees charged to the franchisees are primarily presented within franchise and management fees in the consolidated statements of income.
- *Other fees* - Other fees are a combination of miscellaneous non-marketing and reservation fees, which includes quality assurance, non-compliance, and franchisee training fees. Other fees are recognized in the period that the designated transaction or event has occurred. Other fees are presented within franchise and management fees and other revenues in the consolidated statements of income.

The Company’s franchise agreements require the payment of marketing and reservation fees. The Company is obligated to use these marketing and reservation fees to provide marketing and reservation services, such as marketing, media, advertising, access to centralized reservation systems, and certain franchise services to support the operation of the overall franchise system. The marketing and reservation fees are presented within revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income. These services are comprised of multiple fees including the following:

- Fees based on a percentage of gross room revenues are recognized in the period the gross room revenue was earned, based on the underlying hotel’s sales or usage.
- Fees based on the occurrence of a designated transaction or event are recognized in the period the transaction or event occurred.
- Marketing and reservation system activities also include revenues generated from the Company’s guest loyalty programs. The revenue recognition of these programs is discussed in the *Material rights for free or discounted goods or services to hotel guests* section below.

Marketing and reservation expenses are the expenses that are incurred to facilitate the delivery of the marketing and reservation services, including direct expenses and an allocation of costs for certain administrative activities that are required to carry out

marketing and reservation services. Marketing and reservation expenses are recognized when the services are incurred or the goods are received within reimbursable expenses from franchised and managed properties in the consolidated statements of income. As a result, the marketing and reservation expenses may not equal the marketing and reservation revenues in a specific period but are expected to equal the revenues earned from the franchisees over time. The Company's franchise agreements provide the Company the right to advance monies to the franchise system when the needs of the franchisor system surpass the balances currently available. The Company has the right to recover such advances in future periods through additional fee assessments or reduced spending.

Material Rights for Free or Discounted Goods or Services to Hotel Guests

Choice Privileges is the Company's guest loyalty program, which enable members to earn points based on their spending levels with the Company's franchisees or certain vendors (refer to the Partnership Agreements section below). The points, which the Company accumulates and tracks on the members' behalf, may be redeemed for free accommodations or other benefits (e.g. gift cards to participating retailers). The Company collects from the franchisees a percentage of the loyalty program members' gross room revenue from completed stays to operate the programs. At such time the points are redeemed for free accommodations or other benefits, the Company reimburses the franchisees or third parties based on a rate derived in accordance with the franchise or vendor agreement.

The loyalty points represent a performance obligation attributable to the usage of the points, and thus the revenues are recognized at the point in time when the loyalty points are redeemed by the members for benefits (with both franchisees and third-party partners), net of the cost of redemptions. For the years ended December 31, 2025, 2024, and 2023, the loyalty net revenues, inclusive of adjustments to the estimated redemption rates, were \$125.6 million, \$123.2 million, and \$93.1 million, respectively. The transaction price is variable and determined in the period when the loyalty points are earned and the underlying gross room revenues are known. No loyalty program revenues are recognized at the time the loyalty points are issued.

The Company is an agent in coordinating the delivery of the services between the loyalty program member and the franchisee or third party, and as a result, the revenues are recognized net of the cost of redemptions. The estimated value of the future redemptions is reflected in the current and non-current liability for guest loyalty program in the consolidated balance sheets. The liability for the guest loyalty program is developed based on an estimate of the eventual redemption rates and point values using various actuarial methods. These significant judgments determine the required point liability attributable to the outstanding points, which is relieved as the redemption costs are processed. The amount of the loyalty program fees in excess of the guest loyalty program point liability represents current and non-current deferred revenue, which is recognized to revenue as the points are redeemed including an estimate of the future forfeitures ("breakage"). The anticipated redemption pattern of the points is the basis for the current and non-current designation of each liability. As of December 31, 2025, the current and non-current deferred revenue balances were \$78.2 million and \$36.7 million, respectively. The loyalty points are typically redeemed within three years of issuance. The loyalty program point redemption revenues are presented within revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income.

Partnership Agreements

The Company is a party to various agreements with third-party partners, including the co-branding of the Choice Privileges credit card. The agreements typically provide for use of the Company's marks, limited access to the Company's distribution channels, and the sale of Choice Privileges loyalty points, in exchange for fees primarily comprising variable consideration that is paid each month. Loyalty members can earn points through participation in the partner's program.

The partnership agreements include multiple performance obligations. The primary performance obligations are for the brand intellectual property and material rights for free or discounted goods or services to hotel guests. The allocation of the fixed and variable consideration to the performance obligations is based on the standalone selling price, which is estimated based on the market and income methods, which contain significant judgments. The amounts allocated to the brand intellectual property are recognized on a gross basis over time using the output measure of the time elapsed and presented within partnership services and fees in the consolidated statements of income. The amounts allocated to the material rights for free or discounted goods or services to hotel guests are recognized to revenue as the points are redeemed including an estimate of the breakage and presented within revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income.

Qualified Vendors

The Company generates revenue from qualified vendors. The qualified vendor revenue is generally based on the marketing services provided by the Company on behalf of, and the access provided to, the qualified vendors to the hotel owners and guests. The Company provides these services in exchange for either fixed consideration or a percentage of the revenues earned by the qualified vendor pertaining to purchases by the Company's franchisees or guests. The fixed consideration is paid in

[Table of Contents](#)

installments based on a contractual schedule, with an initial payment typically due at contract execution. The variable consideration is typically paid quarterly after the sales to the franchisees or guests have occurred.

The qualified vendor agreements comprise a single performance obligation, which is satisfied over time based on the access afforded, and the services provided, to the qualified vendor for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined and recognized in the period when the vendors' sales to the franchisees or guests are known or the cash payment has been remitted. The qualified vendor revenues are presented within partnership services and fees in the consolidated statements of income.

SaaS Arrangements

The Company is a party to other non-franchising agreements that generate revenue, which are primarily SaaS arrangements for non-franchised hoteliers, and is presented within partnership services and fees in the consolidated statements of income. SaaS agreements typically include fixed consideration for installment and other initiation fees that are paid at the beginning of the contract, and variable consideration for recurring subscription revenue that is typically paid on a monthly basis. SaaS agreements comprise a single performance obligation, which is satisfied over time based on the access to the software for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined at the conclusion of each period, and allocated to and recognized in the current period.

Managed Hotels

The Company manages 13 hotels (inclusive of four owned hotels). The management agreements provide for the use of the Company's marks and hotel management services, which include providing day-to-day management services in the operation of the hotels for the hotel owners. The fees generated from the management agreements are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the management agreement, and include base and incentive management fees. Base management fees are generally based on a percentage of the hotel's monthly gross revenue and are invoiced and collected monthly. Incentive management fees are generally based on a percentage of the hotel's operating profits and are invoiced on an annual basis. Base and incentive management fee revenues are presented within franchise and management fees in the consolidated statements of income.

The Company's management agreements include amounts that are contractually reimbursed to the Company by the hotel owners, either directly or indirectly, relating to certain costs and expenses that are paid by the Company in support of the operations of these hotel properties. The reimbursements include payroll costs and certain other operating costs of the managed properties' operations, which are reimbursed to the Company by the hotel owners as the expenses are incurred. The revenue related to these direct reimbursements is recognized based on the amount of the expenses incurred by the Company, which are presented within reimbursable expenses from franchised and managed properties in the consolidated statements of income. The hotel owner typically reimburses the Company on a monthly basis, which results in no net effect to operating income or net income. The revenues related to marketing and reservations are recognized over time and are intended to reimburse the Company, indirectly, for the expenses incurred in performing the marketing and reservation services. These managed revenues are presented within revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income.

Owned Hotels

The Company owned 17 hotels, 12 hotels, and 10 hotels as of December 31, 2025, 2024, and 2023, respectively, from which the Company generates revenues. As a hotel owner, the Company has performance obligations to provide accommodations to hotel guests and in return, the Company earns a nightly fee for an agreed upon period that is generally payable at the time the hotel guest checks out of the hotel. The Company typically satisfies the performance obligations over the length of the stay and recognizes the revenue on a daily basis, as the hotel rooms are occupied and the services are rendered.

Other ancillary goods and services at the owned hotels are purchased independently of the hotel stay at the standalone selling prices and are considered separate performance obligations, which are satisfied at the point in time when the related good or service is provided to the guest. These primarily consist of food and beverage, incidentals, and parking fees. The hotel room night and other ancillary goods and services revenues are presented within owned hotels revenue in the consolidated statements of income.

Sales Taxes

The Company presents the taxes collected from customers and then remitted to governmental authorities on a net basis and, therefore, the taxes are excluded from revenues in the consolidated financial statements.

Business Combination, Diligence and Transition Costs

The Company incurs costs during the review of potential business combinations, including legal fees, financial advisory, and other professional service fees. If the Company is successful in completing a business combination, then the Company may incur transition and integration costs, including professional service fees, technology costs, and employee-related costs such as bonuses, retention, and severance. The business combination, diligence and transition costs are expensed as incurred in the consolidated statements of income.

Notes & Accounts Receivable and Allowances for Credit Losses

The Company provides financing in the form of notes receivable loans to franchisees to support the development or conversion of properties in strategic markets.

The Company accrues interest for notes receivable loans in accordance with loan provisions. The Company considers notes receivable loans past due and in default when payments are not made when due in accordance with the then-current loan provisions or the terms extended to the borrowers, including loans with concessions or interest deferral. The Company suspends the accrual of interest when payments on loans are more than 30 days past due or upon a loan being classified as collateral-dependent. The Company applies the payments received for loans on a non-accrual status first to interest and then to principal. The Company does not resume an interest accrual until all delinquent payments are received based on the then-current loan provisions.

The Company has developed a systematic methodology to determine its allowance for credit losses across our portfolio of notes receivable loans. The Company monitors the risk and performance of our portfolio by the level of security in the collateral (i.e., senior, subordinated, or unsecured), which is the Company's credit quality indicator. As each of the Company's notes receivable loans has unique risk characteristics, the Company deploys its methodology to calculate allowances for credit losses at the individual notes receivable loan level.

The Company primarily utilizes a discounted cash flow ("DCF") technique to measure the credit allowance, influenced by the key economic variables of each note receivable loan. The Company identified the key economic variables for these loans to be the loan-to-cost ("LTC") or loan-to-value ("LTV") ratios and a debt service coverage ratio ("DSCR"). The LTC or LTV ratio represents the loan principal relative to the project cost or value and is an indication of the loan principal's ability to be re-paid at loan maturity. The DSCR represents property-specific net operating income as a percentage of the interest and principal payments incurred (i.e., debt service) on all debt of the borrower for the property and is an indication of the borrower's ability to make timely payments during the term of the loan. The LTC or LTV ratios and DSCR are considered during the loan underwriting process as indications of risk and, accordingly, we believe these factors are the most representative risk indicators for calculating the allowance for credit loss. Loans with higher LTC or LTV ratios and lower DSCR ratios generally are representative of loans with greater risk and, accordingly, have higher credit allowances as a percentage of loan principal. Conversely, loans with lower LTC or LTV ratios and higher DSCR ratios generally are representative of loans with lesser risk and, accordingly, have lower credit allowances as a percentage of loan principal. In preparing or updating a DCF model to measure the credit allowance, the Company develops various recovery scenarios and, based on the key economic variables, the present status of the loan, and the underlying collateral, applies a probability-weighting to the outputs of the scenarios.

Collateral-dependent financial assets are financial assets for which repayment is expected to be derived substantially through the operation or sale of the collateral and when the borrower is experiencing financial difficulty. For collateral-dependent loans, the expected credit losses are based on the fair value of the collateral, less the selling costs if repayment will be from the sale of the collateral. The Company calculates the fair value of the collateral using a DCF technique to project the cash flows or a market approach via quoted market prices. In developing the cash flow projections, the Company will review the borrower's financial statements for the property, economic trends, industry projections for the market where the property is located, and comparable sales capitalization rates.

Management assesses the credit quality of the notes receivable portfolio and the adequacy of the credit loss allowances on a quarterly basis and recognizes the provisions for credit losses in selling, general and administrative expenses in the consolidated statements of income. Significant judgment is required in this analysis.

Accounts receivable consists primarily of the franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount. The allowance for credit losses is the Company's best estimate of the amount of expected credit losses inherent in the accounts receivable balance. The Company determines the allowance considering its historical write-off experience, a review of the aged receivable balances and customer payment trends, the economic environment, and other available evidence. The Company presents the provisions for credit losses on accounts receivable in selling, general and administrative expenses and reimbursable expenses from franchised and managed properties in the consolidated statements of income.

When the Company determines that a trade or note receivable is not collectible, then the account is written-off to the associated allowance for credit losses.

Refer to Note 3 for more information on the receivables and the allowances for credit losses.

Advertising Costs

The Company expenses advertising costs as incurred. Advertising expense was \$207.8 million, \$194.6 million, and \$195.2 million for the years ended December 31, 2025, 2024, and 2023, respectively. The Company presents advertising costs primarily in reimbursable expenses from franchised and managed properties in the consolidated statements of income.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents. The Company maintains cash balances at U.S. banks, which at times may exceed the limits of the amounts insured by the Federal Deposit Insurance Corporation. In addition, the Company also maintains cash balances at international banks which do not provide deposit insurance.

Capitalization Policies

Property and equipment are generally recorded at cost and depreciated for financial reporting purposes using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the lease term or the estimated useful lives of the assets. Major renovations and replacements incurred during construction are capitalized. The costs for computer software developed for internal use are capitalized during the application development stage and amortized using the straight-line method over the estimated useful lives of the software. The capitalized software licenses pertaining to cloud computing arrangements are amortized using the straight-line method over the shorter of the cloud computing arrangement term or the estimated useful lives of the software. The Company capitalizes the interest incurred during the construction and development of property and equipment, including software. The total interest capitalized as a cost of property and equipment was \$8.1 million and \$9.4 million during the years ended December 31, 2025 and 2024, respectively.

As construction in progress and software development are completed and then placed in service, the assets are transferred to the appropriate property and equipment categories and depreciation and amortization begins. Upon the sale or the retirement of the property, the cost and the related accumulated depreciation are eliminated from the accounts and any related gain or loss is recognized in the consolidated statements of income. Repairs and maintenance, and minor replacements, are charged to expense as incurred.

The Company has made certain acquisitions of hotel assets, which are recognized at the fair value of the consideration exchanged. The Company acquires land parcels with the intention to develop hotels, which are recognized at cost within property and equipment, net in the consolidated balance sheets. If the Company determines that it will not progress to active construction and development of a land parcel, then the land parcel is reclassified to other assets in the consolidated balance sheets.

The table below summarizes the estimated useful lives for the respective assets for depreciation and amortization purposes:

Computer equipment and software	2 - 7 years
Buildings and leasehold improvements	10 - 40 years
Furniture, fixtures, vehicles and equipment	3 - 10 years

Assets Held for Sale

The Company considers assets to be held for sale when all of the following criteria are met:

- Management commits to a plan to sell an asset;
- It is unlikely that the disposal plan will be significantly modified or discontinued;
- The asset is available for immediate sale in its present condition;
- Actions required to complete the sale of the asset have been initiated;
- The sale of the asset is probable and the Company expects the completed sale will occur within one year; and
- The asset is actively being marketed for sale at a price that is reasonable given its current market value.

Upon designation as an asset held for sale, the Company recognizes the carrying value of each asset as a component of other current assets at the lower of its carrying value or its estimated fair value, less the estimated costs to sell, and immediately ceases the recognition of depreciation or amortization expense on the asset.

If, at any time, these criteria are no longer met, subject to certain exceptions, then the assets previously classified as held for sale are reclassified as held and used and measured individually at the lower of (a) the carrying amount before the asset was classified as held for sale, adjusted for any depreciation or amortization expense that would have been recognized had the asset been continuously classified as held and used, or (b) the fair value at the date of the subsequent decision not to sell.

Long-Lived Assets, Goodwill, and Intangible Assets

The Company groups its long-lived assets, including property and equipment and definite-lived intangible assets (e.g., franchise rights and franchise agreement acquisition costs), at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities. The Company evaluates the potential impairment of its long-lived asset groups annually as of October 1st or earlier when other circumstances indicate that the Company may not be able to recover the carrying value of the asset group. During the year ended December 31, 2025, the Company changed its annual impairment assessment date from December 31st to October 1st. When indicators of impairment are present, then the recoverability is assessed based on undiscounted expected cash flows. If the undiscounted expected cash flows are less than the carrying amount of the asset group, then an impairment charge is measured and recognized, as applicable, for the excess of the carrying value over the fair value of the asset group. The fair value of the long-lived asset groups are estimated primarily using discounted cash flow analyses representing the highest and best use by an independent market participant. Significant management judgment is involved in evaluating any indicators of impairment and developing any required projections to test for the recoverability or the estimated fair value.

The Company did not identify any indicators of impairment of long-lived assets from the Hotel Franchising reporting unit during the years ended December 31, 2025, 2024, and 2023, other than impairments on franchise sales commission assets and franchise agreement acquisition cost intangible assets, which are presented within selling, general and administrative expenses and reimbursable expenses from franchised and managed properties in the consolidated statements of income. Refer to Note 2 for additional information.

During the year ended December 31, 2023, the Company recognized an impairment loss on the long-lived assets associated with the legacy Radisson corporate office lease. Refer to Note 5 for additional information.

The Company evaluates the impairment of goodwill and intangible assets with indefinite lives annually as of October 1st or earlier upon the occurrence of substantive unfavorable changes in economic conditions, industry trends, costs, cash flows, or ongoing declines in market capitalization that indicate that the Company may not be able to recover the carrying amount of the asset. During the year ended December 31, 2025, the Company changed its annual impairment assessment date from December 31st to October 1st. In evaluating these assets for impairment, the Company may elect to first assess qualitative factors to determine whether it is more likely than not that the fair value of the reporting unit or the indefinite-lived intangible asset is less than its carrying amount. If the conclusion is that it is not more likely than not that the fair value of the asset is less than its carrying value, then no further testing is required. If the conclusion is that it is more likely than not that the fair value of the asset is less than its carrying value, then a quantitative impairment test is performed whereby the carrying value is compared to the fair value of the asset and an impairment charge is recognized, as applicable, for the excess of the carrying value over the fair value. The Company may elect to forgo the qualitative assessment and move directly to the quantitative impairment tests for goodwill and indefinite-lived intangible assets. The Company determines the fair value of its reporting units and indefinite-lived intangible assets using the income and market methods.

Goodwill is allocated to the Company's reporting units. The Company's reporting units are determined primarily by the availability of discrete financial information relied upon by the chief operating decision maker ("CODM") to assess performance and make operating segment resource allocation decisions. As of December 31, 2025, the Company's goodwill is allocated solely to the Hotel Franchising reporting unit. The Company performed the qualitative impairment analysis for the Hotel Franchising reporting unit, concluding that it is more likely than not that the fair value of the reporting unit is greater than its carrying amount. As such, a quantitative test was not required and no impairment was recorded.

Variable Interest Entities

In accordance with the guidance for the consolidation of variable interest entities ("VIE"), the Company identifies its variable interests and analyzes to determine if the entity in which the Company has a variable interest is a VIE. The Company's variable interests include equity investments, loans, and guaranties. The determination of whether a variable interest is a VIE includes both quantitative and qualitative considerations. For those entities determined to be VIEs, a further quantitative and qualitative analysis is performed to determine if the Company is deemed to be the primary beneficiary. The primary beneficiary is the party who has the power to direct the activities of a VIE that most significantly impacts the entity's economic performance and who has an obligation to absorb the losses of the entity or a right to receive the benefits from the entity that could potentially be significant. The Company consolidates those entities in which it is determined to be the primary beneficiary. As of December 31, 2025, the Company is not the primary beneficiary of any VIE. The Company's qualitative analysis is based on its review of

the design of the entity, the organizational structure including its decision-making ability, and the relevant development, operating management, and financial agreements.

The investments in unconsolidated affiliates where the Company is not deemed to be the primary beneficiary but where the Company exercises significant influence over the operating and financial policies of the investee are accounted for using the equity method of accounting.

Investments in Affiliates

The Company evaluates an investment in an affiliate for impairment when circumstances indicate that the carrying value may not be recoverable, such as a loan default, significant under-performance relative to historical or projected operating performance, and/or significant negative industry, market, or economic trends. When there is an indication that a loss in value has occurred, the Company evaluates the carrying value compared to the estimated fair value of the investment. The fair value is based upon internally-developed discounted cash flow models, third-party appraisals, or current estimated net sales proceeds from pending offers. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three in the fair value measurement hierarchy, as the Company utilizes unobservable inputs which are significant to the overall fair value. If the estimated fair value is less than the carrying value, then management uses its judgment to determine if the decline in value is other-than-temporary. In determining this, the Company considers factors including, but not limited to, the length of time and extent of the decline, loss of value as a percentage of the cost, financial condition, near-term financial projections, the Company's intent and ability to recover the lost value, and current economic conditions. For declines in value that are deemed to be other-than-temporary, then the impairment charge is recognized to earnings.

Investments in Equity Securities

The Company's investments in equity securities are recognized at fair value in the consolidated balance sheets, and the unrealized gains and losses on the investments in equity securities are recognized as other (gains) losses, net in the consolidated statements of income. The realized gains and losses on the investments in equity securities are recognized upon the disposition of the equity securities using the specific identification method as other (gains) losses, net in the consolidated statements of income.

Foreign Operations

The U.S. dollar is the functional currency of the consolidated entities operating in the U.S. The functional currency for the consolidated entities operating outside of the U.S. is generally the currency of the primary economic environment in which the entity primarily generates and expends cash. The Company translates the financial statements of the consolidated entities whose functional currency is not the U.S. dollar into U.S. dollars. The Company translates the assets and liabilities at the exchange rate in effect as of the financial statement date, and translates income statement accounts using the approximate weighted average exchange rate for the period. The Company includes translation adjustments from foreign exchange and the effect of exchange rate changes on intercompany transactions of a long-term investment nature as a separate component of shareholders' equity (deficit). The Company presents foreign currency transaction gains and losses, and the effect of intercompany transactions of a short-term or trading nature, within other (gains) losses, net in the consolidated statements of income. For the year ended December 31, 2025, the foreign currency transaction losses were \$0.1 million. For the years ended December 31, 2024 and 2023, the foreign currency transaction gains were \$2.1 million and \$0.5 million, respectively.

Share-Based Compensation

The Company has stock compensation plans pursuant to which it is authorized to grant share-based awards, including restricted stock, stock options, stock appreciation rights, and performance-based share awards, to officers, key employees, and non-employee directors with contractual terms that are set by the Compensation and Management Development Committee of the Board of Directors.

Stock Options - The Company recognizes compensation expense related to the fair value of these awards on a straight-line basis over the requisite service period for the share-based awards that ultimately vest. The fair value of the stock options is estimated on the grant date using the Black-Scholes options-pricing model.

Restricted Stock Units ("RSUs") - The Company recognizes compensation expense related to the fair value of the restricted stock awards on a straight-line basis over the requisite service period for the restricted stock awards that ultimately vest. The fair value of the grants is measured by the market price of the Company's common stock on the date of grant. The restricted stock awards generally vest ratably over the service period beginning on the first anniversary of the grant date. The

restricted stock awards granted to retirement eligible non-employee directors are recognized over the shorter of the requisite service period or the length of time until retirement since the terms of the grant provide that awards will vest upon retirement.

Performance Vested Restricted Stock Units ("PVRsUs") - The Company has granted PVRsUs to certain employees. The Company grants three types of PVRsU awards: (i) PVRsUs with performance conditions based on internal performance metrics, (ii) PVRsUs with market conditions based on the Company's total shareholder return ("TSR") relative to a predetermined peer group, and (iii) PVRsUs with both performance and market conditions. The vesting of the PVRsU awards is contingent upon the Company achieving the internal performance and/or TSR targets over a specified period and the employees' continued employment over the service period. The performance and market conditions affect the number of shares that will ultimately vest.

The fair value of the PVRsUs with performance conditions based on internal performance metrics is measured by the market price of the Company's common stock on the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions.

The fair value of the PVRsUs with market conditions is estimated using a Monte Carlo simulation method as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period regardless of whether the market conditions are achieved and the awards ultimately vest.

The fair value of the PVRsUs with both performance and market conditions is estimated using a Monte Carlo simulation as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions, with subsequent adjustments being made for the performance-based leveraging of any unvested PVRsUs, as necessary.

Over the life of the share-based award grant, the Company's estimate of the share-based compensation expense for the share-based awards with performance and/or service requirements will be adjusted so that compensation expense is recognized only for the share-based awards that will ultimately vest. The expected forfeiture rate is calculated based on the number of shares that have historically been forfeited due to termination within one year of the grant date.

Leases

The Company determines if an arrangement is a lease, and the classification as either an operating lease or a financing lease, at lease inception. Operating leases are included in operating lease right-of-use assets, accrued expenses and other current liabilities, and operating lease liabilities in our consolidated balance sheets. As of December 31, 2025 and 2024, the Company did not have any leases classified as a financing lease.

On the commencement date, operating lease right-of-use assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term. The operating lease right-of-use assets are further offset by prepaid rent, lease incentives, and initial direct costs incurred. When a lease agreement does not provide an implicit rate, the Company utilizes its incremental borrowing rate based on the information available at the commencement date in determining the present value of the future minimum lease payments.

Lease expense for the minimum lease payments is recognized on a straight-line basis over the lease term. Variable lease payments include certain index-based changes in rent, certain non-lease components (such as maintenance and other services provided by the lessor), and other charges included in the lease. Variable lease payments are excluded from the future minimum lease payments and expensed as incurred.

The Company has made an election to not separate the lease and the non-lease components for all classes of underlying assets in which it is the lessee. In addition, the Company has made an election to not recognize short-term leases with an initial term of 12 months or less in the consolidated balance sheets. These short-term leases are expensed on a straight-line basis over the lease term.

Non-Qualified Retirement, Savings, and Investment Plans

The Company has an Executive Deferred Compensation Plan ("EDCP") and a Non-Qualified Retirement Savings and Investment Plan ("Non-Qualified Plan") (together, the "Deferred Compensation Plan"). Under the EDCP, certain executive officers may defer a portion of their salary into an irrevocable trust and invest these amounts in a selection of available diversified investment options. The Non-Qualified Plan allows certain employees who do not participate in the EDCP to defer a portion of their salary and invest these amounts in a selection of available diversified investment options. The long-term deferred compensation and retirement plan liabilities related to the deferrals and the credited investment returns under the Deferred Compensation Plan are presented in deferred compensation and retirement plan obligations in the consolidated balance sheets. The corresponding long-term deferred compensation and retirement plan assets are presented in investments for employee benefit plans, at fair value in the consolidated balance sheets. Compensation expense or benefit is recognized in

selling, general and administrative expenses in the consolidated statements of income based on the change in the deferred compensation and retirement plan obligations related to the earnings credited to the participants as well as the changes in the fair value of the diversified investments.

Business Combinations

The Company allocates the purchase price of an acquisition to the assets acquired and liabilities assumed based on their estimated fair values at the acquisition date. The Company recognizes goodwill as the amount by which the purchase price of an acquired entity exceeds the fair values assigned to the assets acquired and liabilities assumed. For a business combination achieved in stages, in which there is a change in ownership interest and control is obtained when there is a previously held equity interest, a gain or loss from remeasurement of the previously held equity interest to fair value is recognized in the period that control was obtained.

Recently Adopted & Issued Accounting Standards

In December 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-09, *Improvements to Income Tax Disclosures* ("ASU 2023-09"). ASU 2023-09 is designed to provide additional information to financial statement users in regards to how an entity's operations, risks, and planning affect its tax rate, opportunities, and future cash flows. ASU 2023-09 is effective for the annual reporting period beginning after December 15, 2024. The Company adopted ASU 2023-09 on a prospective basis effective December 31, 2025. The adoption of this standard did not have an impact on the Company's consolidated financial statements, but it did require enhanced income tax disclosures in the notes to the consolidated financial statements. Refer to Note 11 for more information.

In November 2024, the FASB issued ASU 2024-03, *Disaggregation of Income Statement Expenses* ("ASU 2024-03"). ASU 2024-03 requires public entities to provide detailed disclosure of the income statement expenses in the footnotes to the consolidated financial statements. ASU 2024-03 does not require any changes to the expense captions on the face of the consolidated income statement. ASU 2024-03 is effective for the annual reporting period beginning after December 15, 2026 and for the interim periods within the annual reporting period beginning after December 15, 2027. Early adoption is permitted. The Company is currently evaluating the potential impact that ASU 2024-03 will have on the Company's consolidated financial statements.

2. Revenue

Contract Liabilities

Contract liabilities relate to (i) advance consideration received related to services considered to be a part of the brand intellectual property performance obligation, such as initial franchise fees that are paid when a franchise agreement is executed and system implementation fees that are paid at the time of installation, and (ii) amounts received when loyalty points are issued but the associated revenue has not yet been recognized because the related loyalty points have not been redeemed.

Deferred revenues from initial franchise fees are typically recognized over a ten-year period, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred revenue amounts are recognized to revenue in the period of termination. As of December 31, 2025 and 2024, deferred revenues from initial franchise fees were \$103.0 million and \$111.2 million, respectively. Loyalty points are typically redeemed within three years of issuance. As of December 31, 2025 and 2024, deferred revenues from the loyalty program were \$114.9 million and \$110.4 million, respectively.

The following table summarizes the significant changes in the contract liabilities balances during the year ended December 31, 2025:

(in thousands)

Balance as of December 31, 2024	\$	216,697
Increases to the contract liability balance due to cash received		153,031
Revenue recognized in the period		(149,388)
Balance as of December 31, 2025	\$	<u>220,340</u>

Remaining Performance Obligations

The aggregate amount of the transaction price that is allocated to unsatisfied, or partially unsatisfied, performance obligations was \$220.3 million as of December 31, 2025. This amount represents the fixed transaction price that will be recognized as revenue in future periods, which is presented as current and non-current deferred revenue in the consolidated balance sheets.

Based on the practical expedient elections permitted by ASU 2014-09, *Revenue From Contracts with Customers (Topic 606)* and subsequent amendments ("Topic 606"), the Company does not disclose the value of unsatisfied performance obligations for (i) variable consideration subject to the sales or usage-based royalty constraint or comprising a component of a series (including franchise, partnership, qualified vendor, and SaaS agreements), (ii) variable consideration for which the Company recognizes revenue at the amount to which it has the right to invoice for the services performed, or (iii) contracts with an expected original duration of one year or less.

Capitalized Franchise Agreement Costs

Sales commissions earned by Company personnel upon execution of a franchise agreement ("franchise sales commissions") meet the requirement to be capitalized as an incremental cost of obtaining a contract with a customer. The capitalized franchise sales commissions are amortized on a straight-line basis over the estimated benefit period of the arrangement, unless the franchise agreement is terminated and the hotel exits the system whereby the remaining capitalized amounts will be expensed in the period of termination. The estimated benefit period is the Company's estimate of the duration a hotel will remain in the Choice system. As of December 31, 2025 and 2024, the capitalized franchise sales commissions were \$69.0 million and \$59.5 million, respectively, which are presented within other assets in the consolidated balance sheets. For the years ended December 31, 2025, 2024, and 2023, amortization expense and impairment charges were \$13.2 million, \$10.2 million, and \$13.1 million, respectively, which are presented within selling, general and administrative expenses in the consolidated statements of income.

The Company makes certain payments to customers as an incentive to enter into new franchise agreements ("franchise agreement acquisition costs"). These payments are recognized as an adjustment to the transaction price and capitalized as an intangible asset in the consolidated balance sheets. The franchise agreement acquisition cost intangible assets are amortized on a straight-line basis over the estimated benefit period of the arrangement as a reduction to franchise and management fees and revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income. For the years ended December 31, 2025 and 2023, the net impairments from adverse franchise agreement activity, including terminations and significant delinquencies in invoice payments, were \$1.1 million and \$7.3 million, respectively, which are presented within selling, general and administrative expenses and reimbursable expenses from franchised and managed properties in the consolidated statements of income. For the year ended December 31, 2024, the net recoveries from adverse franchise agreement activity, including terminations and significant delinquencies in invoice payments, were \$0.4 million, which is presented within selling, general and administrative expenses and reimbursable expenses from franchised and managed properties in the consolidated statements of income.

3. Receivables and Allowance for Credit Losses

Notes Receivable

The Company has provided financing in the form of notes receivable loans to franchisees in order to support the development of hotel properties in strategic markets. The Company's credit quality indicator is the level of security in the note receivable.

The following table summarizes the composition of the notes receivable balances by credit quality indicator and the allowance for credit losses:

(in thousands)	December 31,

(in thousands)	December 31,

Provision (reversal) for credit losses	1,150	(609)
Recoveries	—	(676)
Ending balance	\$ 8,481	\$ 7,331

During the year ended December 31, 2024, the recoveries were primarily associated with cash collections pursuant to a settlement agreement with a borrower.

As of December 31, 2025 and December 31, 2024, three and one note receivable loans, respectively, with senior credit quality indicators met the definition of collateral-dependent and are collateralized by the membership interests in the borrowing entities, the associated land parcel, or the operating hotel. The Company used both a market approach that uses quoted market prices and an income approach that uses discounted cash flows to value the underlying collateral. The Company reviewed the borrower's financial statements, economic trends, industry projections for the market, and comparable sales capitalization rates, which represent significant inputs to the cash flow projections. These nonrecurring fair value measurements are classified as Level 3 in the fair value measurement hierarchy because they are unobservable inputs which are significant to the overall fair value. Based on the Company's analysis, the fair value of the collateral secures substantially all of the carrying value of the respective note receivable loans. The allowance for credit losses attributable to the collateral-dependent note receivable loans were \$4.6 million and \$2.2 million as of December 31, 2025 and 2024, respectively.

The following table summarizes the past due balances by credit quality indicator of the notes receivable:

	\$ —	\$ —	\$ 18,248	\$ 18,248	\$ 97,266	\$ 115,514

The amortized cost basis of the notes receivable in a non-accrual status was \$42.9 million and \$17.5 million as of December 31, 2025 and 2024, respectively.

Variable Interest through Notes Receivable

The Company has issued notes receivable loans to certain entities that have created variable interests in the associated borrowers totaling \$103.2 million and \$103.1 million as of December 31, 2025 and 2024, respectively. The Company has determined that it is not the primary beneficiary of these variable interest entities ("VIEs"). For the collateral-dependent loans, the Company has no exposure to the borrowing VIE beyond the respective note receivable and the limited commitments which are addressed in Note 16.

Transactions with Unconsolidated Affiliates

The Company has extended loans to various unconsolidated affiliates or members of our unconsolidated affiliates. The Company had a total principal balance on these loans of \$65.3 million and \$66.2 million as of December 31, 2025 and December 31, 2024, respectively.

Accounts Receivable

Accounts receivable consists primarily of franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount.

During the year ended December 31, 2025, the Company recognized provisions for credit losses on accounts receivable of \$20.2 million in selling, general and administrative expenses, and \$15.0 million in reimbursable expenses from franchised and managed properties, in the consolidated statements of income. During the year ended December 31, 2024, the Company recognized provisions for credit losses on accounts receivable of \$11.0 million in selling, general and administrative expenses, and \$9.7 million in reimbursable expenses from franchised and managed properties, in the consolidated statements of income. For the years ended December 31, 2025 and 2024, the Company recorded write-offs, net of recoveries, through the accounts receivable allowance for credit losses of \$29.6 million and \$14.4 million, respectively.

4. Property and Equipment

The components of property and equipment were the following:

(in thousands)	December 31,	
	2025	2024
Land and land improvements	\$ 67,451	\$ 51,045
Construction in progress and software under development	88,125	151,756

For the years ended December 31, 2025, 2024, and 2023, the Company recognized depreciation and amortization expense of \$35.3 million, \$31.3 million, and \$25.2 million, respectively, in depreciation and amortization in the consolidated statements of income. Additionally, for the years ended December 31, 2025, 2024, and 2023, the Company recognized depreciation and amortization expense of \$18.4 million, \$17.4 million, and \$27.9 million, respectively, in reimbursable expenses from franchised and managed properties in the consolidated statements of income.

For the years ended December 31, 2025, 2024, and 2023, the Company recognized amortization of capitalized software development costs of \$27.6 million, \$22.8 million, and \$30.3 million, respectively, which are included in the total depreciation and amortization expense amounts that are disclosed in the paragraph above. As of December 31, 2025 and 2024, unamortized capitalized software development costs were \$65.1 million and \$65.3 million, respectively.

5. Goodwill and Impairment of Assets

Goodwill

The following table summarizes the carrying amount of the Company's goodwill:

(in thousands)	December 31,	
	2025	2024
Goodwill, excluding goodwill arising from the Choice Hotels Canada acquisition	\$ 227,765	\$ 227,765
Goodwill arising from the Choice Hotels Canada acquisition	86,194	—
Effect of foreign currency translation	(623)	—
Total goodwill, gross carrying amount	313,336	227,765
Accumulated impairment losses	(7,578)	(7,578)
Goodwill, net carrying amount	\$ 305,758	\$ 220,187

As of December 31, 2025 and 2024, goodwill is entirely attributable to the Hotel Franchising reporting unit. The Company assessed the qualitative factors attributable to the Hotel Franchising reporting unit and determined that it is not more likely than not that the fair value of the reporting unit is less than its carrying amount. The Hotel Franchising reporting unit is included in the Hotel Franchising & Management reportable segment in Note 15.

Long-lived Asset Group Impairments

Legacy Radisson Corporate Office Lease

On October 12, 2023, the Company executed an agreement to sublease the legacy Radisson corporate office space in Minneapolis, Minnesota. As a result of the intended change of use, the Company determined the assets associated with the legacy Radisson corporate office space represent their own long-lived asset group, inclusive of the head lease right-of-use asset and leasehold improvements, with a carrying value of \$9.5 million. The legacy Radisson corporate office space long-lived asset group was determined to be impaired due to the carrying value exceeding its fair value, which resulted in the recognition of a \$3.4 million impairment loss, which is presented within impairments of long-lived assets in the consolidated statements of income and the Corporate & Other segment in Note 15. This nonrecurring fair value measurement, which is based on a discounted cash flows analysis, is classified as Level 3 in the fair value measurement hierarchy because there are unobservable inputs which are significant to the overall fair value.

6. Intangible Assets

The components of the Company's intangible assets were the following:

(in thousands)	As of December 31, 2025			As of December 31, 2024

- (1) Represents the purchase price assigned to long-term franchise contracts. The unamortized balance relates primarily to the franchise rights established from the Radisson Hotels Americas acquisition, the Choice Hotels Canada acquisition, as well as the active WoodSpring franchise rights since the acquisition. The franchise rights are being amortized over useful lives ranging from 12 to 15 years on a straight-line basis.
- (2) Represents the reacquired territory rights for the use of certain Choice brands within Canada. The reacquired territory rights are being amortized on a straight-line basis over a useful life of 38 years.
- (3) Represents certain payments to customers as an incentive to enter into new franchise agreements, which are amortized as a reduction to franchise and management fees and revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income over useful lives generally ranging from 10 to 30 years on a straight-line basis commencing at hotel opening. The gross and accumulated amortization amounts are written off upon full amortization recognition, including the termination of an associated franchise agreement.
- (4) Represents definite-lived trademarks and other amortizing assets, including management agreements, which are generally amortized on a straight-line basis over a period of 10 years to 30 years.
- (5) Represents software licenses that have been capitalized under a SaaS agreement, which are generally amortized on a straight-line basis over an average period of 3 years.
- (6) Represents the purchase price assigned to the Radisson, WoodSpring, and Suburban trademarks and other intellectual property that were recognized at the time of their respective acquisitions. The trademarks and other intellectual property are non-amortizing assets because they are expected to generate future cash flows for an indefinite period of time.

For the years ended December 31, 2025, 2024, and 2023, the Company recognized amortization on the amortizing intangible assets of \$24.4 million, \$20.7 million, and \$19.8 million, respectively, in depreciation and amortization in the consolidated statements of income and \$1.2 million, \$1.5 million, and \$2.8 million, respectively, in reimbursable expenses from franchised and managed properties in the consolidated statements of income. Additionally, for the years ended December 31, 2025, 2024, and 2023, the Company recognized amortization on the amortizing intangible assets of \$20.6 million, \$16.2 million, and \$11.6 million, respectively, as a reduction to franchise and management fees in the consolidated statements of income and \$12.1 million, \$12.5 million, and \$8.3 million, respectively, as a reduction to revenue for reimbursable costs from franchised and managed properties in the consolidated statements of income.

The estimated annual amortization on the amortizing intangible assets for each of the next five years is as follows:

(in thousands)	
2026	\$ 63,758
2027	\$ 62,193
2028	\$ 60,689
2029	\$ 59,477
2030	\$ 53,910

7. Investments in Affiliates

The Company has equity method investments in affiliates primarily related to the Company's program to offer equity support to qualified franchisees to develop and operate Cambria Hotels and Everhome Suites in strategic markets.

As of December 31, 2025 and 2024, the Company had total investments in affiliates in the consolidated balance sheets of \$135.0 million and \$117.0 million, respectively, which included investments in affiliates that represent VIEs of \$134.4 million and \$104.2 million, respectively. The Company has determined that it is not the primary beneficiary of any of these VIEs, however the Company does exercise significant influence through its equity ownership and as a result, the investments in these affiliates are accounted for under the equity method of accounting. During the years ended December 31, 2025, 2024, and 2023,

the Company recognized losses of \$16.1 million, gains of \$6.9 million, and losses of \$3.4 million, respectively, from these investments that represent VIEs. The Company's maximum exposure to losses related to its investments in the VIEs is limited to the total of its respective equity investment as well as certain limited payment guaranties, which are described in Note 16 to these consolidated financial statements.

The Company has entered into franchise agreements with certain of its unconsolidated affiliates. Pursuant to these franchise agreements, the Company recognized royalty fees and marketing and reservation fees of approximately \$19.6 million, \$34.5 million, and \$30.9 million for the years ended December 31, 2025, 2024, and 2023, respectively.

On July 10, 2025 the Company entered into a joint venture agreement to develop and operate Everhome Suites in certain strategic markets (the "Joint Venture"). The Company contributed \$71.6 million in cash to the Joint Venture in exchange for an equity ownership interest. The Company concluded that the Joint Venture represents a VIE. The Company determined that it is not the primary beneficiary of the VIE, however, the Company does exercise significant influence through its equity ownership and as a result, the Company's investment in the Joint Venture is accounted for under the equity method of accounting and reported within investments in affiliates in the consolidated balance sheets.

Subsequent to the formation of the Joint Venture, the following transactions were completed:

- The Joint Venture entered into a loan facility for up to \$500 million. In connection with the loan facility, the Company has provided a limited payment guarantee, which applies to all hotel projects funded by the loan facility, with the applicable guaranteed amount being determined on a hotel project by hotel project basis. The Company's obligation under the limited payment guarantee with respect to any hotel project is effective upon the earlier of (a) the hotel's opening date or (b) 18 months after the date on which construction first started for the hotel. The maximum exposure to losses related to this limited payment guarantee is described in Note 16 to these consolidated financial statements.
- The Company sold four wholly-owned Everhome Suites hotels under construction to the Joint Venture for an aggregate sale price of \$52.0 million, resulting in a gain of \$0.7 million which is reported within gain on sale of assets in the consolidated statements of income. Prior to the sale, the four wholly-owned Everhome Suites hotels were reported within property and equipment in the consolidated balance sheets.
- Seven of the Company's unconsolidated affiliates, which the Company previously accounted for under the equity method of accounting, contributed their underlying assets to the Joint Venture. Prior to the transaction, the seven unconsolidated affiliates had an aggregate investment balance of \$42.1 million, which was reported within investments in affiliates in the consolidated balance sheets.

During the year ended December 31, 2024, the Company received distributions from the sale of affiliates of \$15.9 million and recognized net gains of \$7.2 million, which was recognized in equity in net gain of affiliates in the consolidated statements of income. During the year ended December 31, 2023, the Company received distributions from the sale of affiliates of \$0.9 million which resulted in no net gains (losses).

During the years ended December 31, 2025, 2024, and 2023, the Company recognized no impairment charges related to its equity method investments.

10. Fair Value Measurements

The Company estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The following summarizes the three levels of inputs, as well as the assets that the Company values using those levels of inputs on a recurring basis.

Level 1 - Quoted prices in active markets for identical assets and liabilities. The Company's Level 1 assets consist of mutual funds held in the Company's Deferred Compensation Plan.

Level 2 - Observable inputs, other than quoted prices in active markets for identical assets and liabilities, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, or other inputs that are observable. The Company's Level 2 assets consist of money market funds held in the Company's Deferred Compensation Plan.

Level 3 - Unobservable inputs, supported by little or no market data available, where the reporting entity is required to develop its own assumptions to determine the fair value of the instrument. The Company does not currently have any assets recorded at fair value on a recurring basis whose fair value was determined using Level 3 inputs and there were no transfers of Level 3 assets during the years ended December 31, 2025 and 2024.

The Company recognized the following assets at fair value on a recurring basis in the consolidated balance sheets:

(in thousands)	Fair Value Measurements at Reporting Date Using

(1) The current assets at fair value noted above are presented in prepaid expenses and other current assets in the consolidated balance sheets. The long-term assets at fair value noted above are presented in investments for employee benefit plans, at fair value in the consolidated balance sheets.

Other Financial Instruments Disclosure

The Company believes that the fair values of its current assets and current liabilities approximate their reported carrying amounts due to the short-term nature of these items. In addition, the interest rate on the senior unsecured revolving credit facility adjusts frequently based on current market interest rates; therefore, the Company believes the carrying amount approximates the fair value.

The fair values of the Company's senior unsecured notes are classified as Level 2 because the significant inputs are observable in an active market. Refer to Note 9 for additional information on debt. As of December 31, 2025 and 2024, the carrying amounts and the fair values were as follows:

(in thousands)	December 31, 2025		December 31, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
2019 Senior Notes Due 2029	\$ 397,643	\$ 389,612	\$ 397,042	\$ 371,600
2020 Senior Notes Due 2031	\$ 446,910	\$ 428,963	\$ 446,300	\$ 405,351
2024 Senior Notes Due 2034	\$ 589,936	\$ 612,612	\$ 588,764	\$ 601,836

The fair value estimates are determined at a specific point in time, are subjective in nature, and involve uncertainties and matters of significant judgment. The settlement of such fair value amounts may not be possible or a prudent management decision.

Based on this evaluation, the Company recorded a net change to its valuation allowance of \$3.9 million due to state tax credits and foreign NOLs.

[Table of Contents](#)

The Company has \$28.0 million of state income tax credit carryforwards as of December 31, 2025. It is unlikely that the Company will realize these benefits. Accordingly, the Company has provided a full valuation allowance against these carryforwards.

As of December 31, 2025, the Company had gross foreign net operating losses ("NOLs") of \$28.3 million, all of which have indefinite carryforward lives. The Company has recorded a tax-effected valuation allowance of \$2.4 million for these NOLs, primarily related to Australia and India. In addition, the Company has a Dutch deferred tax asset of \$7.6 million, for which it has recorded a valuation allowance of \$3.0 million. The Dutch valuation allowance did not change during the year ended December 31, 2025.

The following table presents a reconciliation of the statutory U.S. federal income tax rate to the effective income tax rate for continuing operations, in accordance with ASU 2023-09 for the year ended December 31, 2025. Refer to Note 1 for more information on the adoption of ASU 2023-09.

⁽²⁾ All other foreign jurisdictions do not exceed the 5% threshold at the jurisdiction level in total or for individual reconciling items of the same nature within each jurisdiction.

The Company's effective income tax rate from continuing operations was 19.0% for the year ended December 31, 2025.

The effective income tax rate for the year ended December 31, 2025 was lower than the U.S. federal income tax rate of 21.0% primarily due to the impact of a \$100.0 million non-taxable gain from an acquisition of a joint venture and federal income tax credits, which were partially offset by the impact of state income taxes and tax expense related to compensation.

The following table presents a reconciliation of the statutory U.S. federal income tax rate to the effective income tax rate for continuing operations as previously disclosed for the years ended December 31, 2024 and 2023, prior to the adoption of ASU 2023-09.

	Year Ended December 31,

Tax credits	(2.4)%	(2.4)%
Valuation allowance	0.6 %	0.6 %
Other	0.4 %	(0.9)%

The Company's effective income tax rates from continuing operations were 24.3% and 23.3% for the years ended December 31, 2024 and 2023, respectively.

The effective income tax rates for the years ended December 31, 2024 and 2023 were higher than the U.S. federal income tax rate of 21.0% primarily due to the impact of state income taxes and tax expense related to compensation, which were partially offset by federal income tax credits.

For the years ended December 31, 2025, 2024, and 2023, the Company's gross unrecognized tax benefits totaled \$5.8 million, \$6.9 million, and \$13.4 million, respectively. After considering the deferred income tax accounting impact, it is expected that approximately \$3.5 million of the total as of December 31, 2025 would reduce the effective income tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amounts of the unrecognized tax benefits:

The Company files income tax returns in the U.S. federal jurisdiction and various state, local, and foreign jurisdictions. The Company's federal income tax returns for the 2022, 2023, 2024, and 2025 tax years are subject to examination by the Internal Revenue Service.

The Company's policy is to recognize interest and penalties related to income tax matters in the provision for income taxes. The Company had \$0.3 million of accrued interest and penalties as of December 31, 2024.

Total fair value of stock options vested (in thousands)	\$ 5,108	\$ 5,032	\$ 4,857

[Table of Contents](#)

The fair value of the options granted was estimated on the grant date using the Black-Scholes option-pricing model with the following weighted average assumptions:

	2025	2024	2023
Risk-free interest rate	—	4.27 %	4.10 %
Expected volatility	—	31.34 %	30.90 %
Expected life of stock option	—	6.0 years	6.0 years
Dividend yield	—	1.03 %	0.90 %
Requisite service period	—	4 years	4 years
Contractual life	—	10 years	10 years
Weighted average fair value of the stock options granted (per stock option)	\$ —	\$ 38.85	\$ 42.59

The expected life of the stock options and the expected volatility are based on historical data which is believed to be indicative of future exercise patterns and volatility. The historical volatility is calculated based on a period that corresponds to the expected life of the stock option. The dividend yield and the risk-free interest rate are calculated on the grant date based on the then-current dividend rate and the risk-free interest rate for the period corresponding to the expected life of the stock option.

These redemptions were outside of the share repurchase program.

13. Earnings Per Share

The Company's shares of restricted stock contain rights to receive nonforfeitable dividends and thus are participating securities requiring the computation of basic earnings per share using the two-class method. The shares of restricted stock are both potential shares of common stock and participating securities so the Company calculates diluted earnings per share by using the more dilutive of the treasury stock method or the two-class method. The calculation of earnings per share for the net income available to common shareholders excludes the distribution of dividends and the undistributed earnings attributable to the participating securities from the numerator. The diluted earnings per share includes stock options, PVRsUs, and RSUs in the calculation of the weighted average shares of common stock outstanding.

The computation of basic and diluted earnings per share was as follows:

15. Reportable Segment Information

The Hotel Franchising & Management reportable segment includes the Company's hotel franchising operations which consists of its 22 brands and brand extensions and the hotel management operations of 13 hotels (inclusive of four owned hotels). The 22 brands and brand extensions and hotel management operations are aggregated together within this reportable segment because they have similar economic characteristics, types of customers, distribution channels, and regulatory business environments. The revenues from the hotel franchising and management business include royalty fees, initial franchise fees and relicensing fees, cost reimbursement revenues, partnership services and fees, base and incentive management fees, and other hotel franchising and management-related revenue. The Company provides certain services under its franchise and management agreements which result in direct and indirect reimbursements. The cost reimbursement revenues received from the franchisees are included in Hotel Franchising & Management revenues and are offset by the related expenses in order to calculate Hotel Franchising & Management operating income. The equity in the earnings or losses from the hotel franchising-related investment in affiliates is allocated to the Hotel Franchising & Management reportable segment.

The Company evaluates its Hotel Franchising & Management reportable segment based primarily on the operating income of the segment without allocating corporate expenses or indirect general and administrative expenses. The Corporate & Other column includes the operations of the Company's owned hotels.

Intersegment Eliminations to revenues is the elimination of Hotel Franchising & Management revenue which includes royalty fees, management and cost reimbursement fees charged to our owned hotels against the franchise and management fee expense that is recognized by our owned hotels in Corporate & Other operating income (loss).

Our President and Chief Executive Officer, who is our chief operating decision maker ("CODM"), utilizes budgeted and forecasted financial information as well as industry metrics, such as RevPar, Occupancy, and ADR, to assess the performance and to make resource allocation decisions. The CODM does not use assets by operating segment when assessing the performance or when making operating segment resource allocation decisions and therefore, assets by segment are not disclosed below.

16. Commitments and Contingencies

The Company is not a party to any litigation other than litigation in the ordinary course of business. The Company's management and legal counsel do not expect that the ultimate outcome of any of its current legal proceedings, individually or in the aggregate, will have a material adverse effect on the Company's financial position, results of operations, or cash flows.

Contingencies

The Company entered into various limited payment guaranties with regards to the Company's VIEs in order to support its efforts to develop and own hotels that are franchised under the Company's brands. Under these limited payment guaranties, the Company has agreed to guarantee a portion of the outstanding debt until certain conditions are met, such as (a) the loan matures, (b) certain debt covenants are achieved, (c) the maximum amount guaranteed by the Company is paid in full, or (d) the Company, through its affiliates, ceases to be a member of the VIE. As of December 31, 2025, the maximum unrecorded exposure of the principal associated with these limited payment guaranties was \$38.5 million, plus unpaid expenses and accrued but unpaid interest. The Company believes the likelihood of having to perform under these guaranties is remote. In the event of performance, the Company has recourse for certain of the guaranties in the form of partial guaranties from third parties.

Commitments

The Company had the following outstanding commitments as of December 31, 2025:

- As part of the acquisition of Radisson Hotels Americas in August 2022, the Company entered into a long-term management arrangement, with an expiration date of July 31, 2031, to manage hotels owned by a third-party. As of December 31, 2025, the Company managed seven hotels pursuant to the long-term management arrangement. In conjunction with the management arrangement, the Company entered into a guarantee with the third-party to fund any shortfalls in the payment of the third-party owner's priority that is stipulated in the management agreement. As of December 31, 2025, no liability was recognized in the consolidated balance sheets. For the year ended December 31, 2025, the Company recognized guarantee payments of \$3.8 million in selling, general and administrative expenses in the consolidated statements of income. As of December 31, 2025, the maximum unrecorded exposure of the guarantee was \$18.2 million.
- The Company strategically deploys capital in the form of franchise agreement acquisition cost payments across our brands to incentivize franchise development. These payments are typically made at the commencement of construction or the hotel's opening, in accordance with agreed upon provisions in the individual franchise agreements. The timing and the amount of the franchise agreement acquisition cost payments are dependent on various factors, including the implementation of various development and brand incentive programs, the level of franchise sales, and the ability of our franchisees to complete construction or convert their hotels to one of the Company's brands.
- The Company has committed to provide financing in the form of loans or credit facilities to franchisees for brand development efforts. As of December 31, 2025, the Company had remaining commitments of up to \$3.5 million, if certain conditions are met.
- The Company's franchise agreements require the payment of franchise fees, which include marketing and reservation fees. In accordance with the terms of our franchise agreements, the Company is obligated to use the marketing and reservation revenues it collects from the current franchisees to provide marketing and reservation services that are appropriate to support the operation of the overall system. To the extent the revenues collected exceed the expenditures incurred, the Company has a commitment to the franchisee system to make expenditures in future years. Conversely, to the extent the expenditures incurred exceed the revenues collected, the Company has the contractual enforceable right to assess and collect such amounts from the franchisees.
- The Company has committed to purchase transferable production tax credits generated by qualified solar energy facilities for an aggregate purchase price of approximately \$193 million over an eleven year period, from 2026 through 2036. The Company's commitments are contingent upon the satisfaction of certain legal and contractual conditions from the sellers, and the continued availability of the credits under federal tax laws. The Company expects to utilize these credits in the same quarter in which they are purchased, offsetting federal income tax estimated payments and reducing income tax expense each year.

In the ordinary course of business, the Company enters into numerous agreements that contain standard indemnities whereby the Company indemnifies another party for breaches of representations and warranties. Such indemnifications are granted under various agreements, including those governing (i) purchases or sales of assets or businesses, (ii) leases of real estate,

(iii) licensing of trademarks, (iv) access to credit facilities, (v) issuances of debt or equity securities, and (vi) certain operating agreements. The indemnifications issued are for the benefit of the (i) buyers in sale agreements and sellers in purchase agreements, (ii) landlords in lease contracts, (iii) franchisees in licensing agreements, (iv) financial institutions in credit facility arrangements, (v) underwriters in debt or equity security issuances, and (vi) parties under certain operating agreements. In addition, these parties are also generally indemnified against any third-party claim resulting from the transaction that is contemplated in the underlying agreement. While some of these indemnities extend only for the duration of the underlying agreement, many survive the expiration of the term of the agreement or extend into perpetuity (unless subject to a legal statute of limitations). There are no specific limitations on the maximum potential amount of the future payments that the Company could be required to make under these indemnities, nor is the Company able to develop an estimate of the maximum potential amount of the future payments that could be made under these indemnifications as the triggering events are not subject to predictability. With respect to certain of the aforementioned indemnities, such as the indemnifications of the landlords against third-party claims for the use of real estate property leased by the Company, the Company maintains insurance coverage that mitigates any potential liability.

17. Acquisitions

Choice Hotels Canada Acquisition

On July 2, 2025, the Company completed the acquisition (the "Transaction") of the remaining 50% of the outstanding shares of Choice Hotels Canada, Inc. ("Choice Hotels Canada") and amended the existing master franchise agreement for a purchase price of approximately \$114.5 million, inclusive of preliminary customary adjustments related to working capital and cash. The acquisition was funded with available cash and borrowings under the Company's senior unsecured revolving credit facility. Choice Hotels Canada franchises more than 26,000 rooms in Canada, which have historically been included in the Company's franchised hotel statistics as a result of the prior master franchise agreement. Choice Hotels Canada now has the ability to offer developers access to all of the Company's 22 hotel brands and brand extensions, including the Company's extended stay brands. Prior to the acquisition date, the Company owned 50% of the outstanding shares of Choice Hotels Canada, which was accounted for under the equity method of accounting and reported within investments in affiliates in the consolidated balance sheets. As a result of the Transaction, Choice Hotels Canada is now a wholly-owned and consolidated subsidiary of the Company, and the Transaction was accounted for as a business combination using the acquisition method.

In connection with the Transaction, the Company remeasured the value of its previously held 50% equity investment to its acquisition date fair value of \$114.5 million, which resulted in a gain of approximately \$100.0 million that is reported within gain from an acquisition of a joint venture in the consolidated statements of income. The fair value of the previously held equity investment was determined using a market approach based on the cash consideration exchanged for the newly acquired 50% equity interest.

The following is a summary of the purchase consideration transferred:

	Purchase Consideration (in thousands)
Cash consideration transferred for the newly acquired interest	\$ 114,470
Fair value of the previously held interest	114,470
Effective settlement of intercompany payables	3,280
Total consideration, including previously held interest	<u>\$ 232,220</u>

During the year ended December 31, 2025, the Company recognized transaction and transition costs of \$2.2 million in business combination, diligence and transition costs in the consolidated statements of income.

Preliminary Fair Values of the Assets Acquired and the Liabilities Assumed

The Company allocated the purchase price based upon a preliminary assessment of the fair value of the assets acquired and the liabilities assumed on July 2, 2025. The preliminary fair values are based on management's estimates and assumptions, using the best information available at the time of this filing. The final valuation and related allocation of the purchase price will be completed no later than 12 months after the closing date of the acquisition. The final acquisition accounting adjustments could be materially different and may include (1) changes in the allocations to the intangible assets as well as goodwill, and (2) other changes to assets and liabilities, such as working capital. The preliminary allocation of the purchase price is as follows:

Identified Intangible Assets

The following table presents the estimated fair values of the acquired identified intangible assets and their estimated useful lives:

	Estimated Useful Life (in years)	Estimated Fair Value (in thousands)
Reacquired territory rights	38	\$ 76,523
Franchise agreements	12	74,142
Total intangible assets		\$ 150,665

The reacquired territory rights represent the reacquired rights for the use of certain Choice brands within Canada. The fair value of the reacquired territory rights and the franchise agreements was estimated using a multi-period excess earnings method, which is a variation of the income approach. This method uses the present value of the incremental after-tax cash flows attributable to the intangible asset in order to estimate the fair value. This valuation methodology utilizes Level 3 inputs, and the Company is continuing to assess the assumptions used in estimating these values as well as the respective useful lives, which could result in changes to the provisional values.

Income Taxes

As the Transaction is accounted for as a business combination, deferred tax assets and liabilities are generally recognized on the differences between the fair value of the assets acquired and the liabilities assumed and the tax bases of the assets acquired and the liabilities assumed in the business combination. The Transaction consists of a foreign entity, so the Company asserts an indefinite reinvestment and has not recorded a deferred tax liability on the outside basis difference in its investment.

Pro Forma Results of Operations

The following unaudited pro forma information presents the combined results of operations of Choice and Choice Hotels Canada as if the Company had completed the Transaction on January 1, 2024, but using the preliminary fair values of the assets acquired and the liabilities assumed as of the acquisition date. The unaudited pro forma information reflects adjustments relating to (i) the allocation of the purchase price and related adjustments, including the incremental amortization expense based on the preliminary fair values of the intangible assets acquired, (ii) the incremental impact of the senior unsecured revolving credit facility draw on interest expense, (iii) nonrecurring transaction costs, and (iv) the income tax impact of the aforementioned pro forma adjustments.

As required by GAAP, these unaudited pro forma results do not reflect any cost saving synergies from operating efficiencies. Accordingly, these unaudited pro forma results are presented for informational purposes only and are not necessarily indicative of what the actual results of operations of the combined company would have been if the Transaction had occurred at the beginning of the period presented, nor are they indicative of the future results of operations.

Choice Hotels Canada Results of Operations

The Company's consolidated statements of income include Choice Hotels Canada's results of operations since the July 2, 2025 acquisition date. Choice Hotels Canada contributed \$24.9 million and \$9.4 million in total revenues and net income, respectively, for the year ended December 31, 2025.

Goodwill

The \$86.2 million of goodwill recognized is primarily attributable to the value that the Company expects to realize from the existing customer base, cost synergies, and new agreements signed with new franchisees and developers. The goodwill for the Transaction is fully attributable to the Hotel Franchising & Management reportable segment and is not deductible for tax purposes. Refer to Note 5 for the reconciliation of the Company's goodwill balance.

Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

None.

Item 9A. Controls and Procedures

Management's Evaluation of Disclosure Controls and Procedures

The Company has a disclosure review committee whose membership includes the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), among others. The disclosure review committee's procedures are considered by the CEO and CFO in performing their evaluations of the Company's disclosure controls and procedures and in assessing the accuracy and completeness of the Company's disclosures.

Our management, with the participation of our CEO and CFO, have evaluated the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, (the "Exchange Act"), as of the end of the period covered by this annual report as required by Rules 13a-15(b) or 15d-15(b) under the Exchange Act. Our management, including our CEO and CFO, does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system's objectives will be met.

An evaluation was performed under the supervision and with the participation of the Company's CEO and CFO, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based on that evaluation, the Company's management, including the CEO and CFO, concluded that the Company's disclosure controls and procedures were effective as of December 31, 2025.

Changes in Internal Control Over Financial Reporting

There have been no changes in the Company's internal control over financial reporting that occurred during the fourth quarter of 2025 that materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Management's Report on Internal Control Over Financial Reporting

The management of Choice Hotels International, Inc. and its subsidiaries (together "the Company") is responsible for establishing and maintaining adequate internal control over financial reporting as such term is defined in Exchange Act Rules 13a-15(f) and 15d-15(f). The Company's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

[Table of Contents](#)

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.

Management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2025. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in *Internal Control-Integrated Framework (2013)*. Based on management's assessment under those criteria, management concluded that the Company's internal control over financial reporting was effective as of December 31, 2025.

The effectiveness of the Company's internal control over financial reporting as of December 31, 2025 has been audited by Ernst & Young LLP, an independent registered public accounting firm, as stated in their report which appears herein.

Report of Independent Registered Public Accounting Firm

Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

We reserve the right to require you to purchase any or all approved products or services solely from us or our designated affiliate, and who may profit from

such purchases. We also reserve the right to receive a rebate or other benefit from Qualified Vendors based on purchases by you and other franchisees. If you desire to purchase designated products or services from a party other than a Qualified Vendor, you must submit to us a written request to approve the proposed supplier, together with such information as we may reasonably require. Among the criteria that we consider is the financial stability of the supplier, whether the product or service meets our standards and specifications, and whether the product or service is of use to our franchisees. Our complete written criteria are available for review upon your request. Where applicable, the proposed supplier must submit product samples and specifications to us. We will use our best efforts to notify the proposed supplier within 90 days after we receive all required information and samples, although a longer period may be required for certain products or services due to their cost or importance to the brand or their financial impact on our franchisees. We may revoke our approval of particular products or Qualified Vendors when we determine, in our sole discretion, that such products or suppliers no longer meet our standards or specifications. By entering into this Agreement, you consent to Choice sharing your contact information with Qualified Vendors who provide services to franchisees under the Brand Mark. If such contact information is deemed "personal information" under state or federal law, and you do not want us to share this information, you agree to contact us.

u. Confidential Information. Maintain the absolute confidentiality of the Confidential Information (as defined below) during and after the term of this Agreement. You agree that you: (i) will not use the Confidential Information in any capacity or business or purpose other than what is explicitly authorized under the terms of this Agreement; (ii) will not make unauthorized copies of any Confidential Information disclosed in written form or enter Confidential Information into artificial intelligence tools; and (iii) will adopt and implement all reasonable procedures we direct to prevent unauthorized use or disclosure of the Confidential Information. You shall divulge such Confidential Information only to such of your employees, attorneys, accountants, agents, lenders, or prospective purchasers of the Hotel as must have access to it in order to operate, loan money in connection with, or purchase the Hotel. "Confidential Information" includes the methods, techniques, formats, marketing and promotional techniques and procedures, specifications, information, Rules and Regulations, systems, costs and financial information that we communicate to you or that you otherwise acquire in operating the Hotel under the System. Confidential Information does not include information, processes or techniques that are generally known to the public, other than through disclosure (whether deliberate or inadvertent) by you.

7. Intellectual Property.

a. No Ownership Rights. You acknowledge and agree that except as expressly permitted by this Agreement or any ChoiceAdvantage Software Terms of Use, you do not have any right, title or interest in and to the Brand Mark or the Choice Marks, Rules and Regulations, System, our then current concept and method for providing hotel accommodations using any of the Choice Marks, Property Management System, Reservation System, trade secrets or business methods (collectively "Intellectual Property") and you will not contest our rights in and to such Intellectual Property or to current or future derivations of or improvements made to the Intellectual Property, nor our right to register our rights in the Intellectual Property or to grant to others the right to use the Intellectual Property or any other intellectual property that we own. You understand that the Intellectual Property will remain our property, and that your use of any portion of the Intellectual Property inures to our benefit. You also agree that you will not sub-license the Intellectual Property rights we have granted to you under this Agreement, to any other person or entity and you will not use such Intellectual Property for any purpose other than in connection with the Hotel in accordance with the terms of this Agreement. You agree to assign and you do hereby assign any and all rights you or any other party working on your behalf may have or develop in the Intellectual Property at no cost to us. You acknowledge and agree that all rights to our Intellectual Property that have not been granted to you in this Agreement will remain ours.

b. Limited Use; Web Sites. You acknowledge and agree that you will not include the Brand Mark (or any other Choice Marks), any words that constitute a portion of the Brand Mark (or any other Choice Marks), words that describe the Brand Mark (or any other Choice Marks), any portion of the names of our Property Management System or Reservation System, or anything confusingly similar to these marks or words ("Choice-Related Words") in your name or the name of any of your affiliates, whether a partnership,

corporation, limited liability company, joint venture or any other type of business organization, or as (or incorporated in) the name and/or design of any other building, business or business activity. You will not establish, or operate a previously established, web site on the internet (or on any other network, wireless or otherwise) using any domain name (or other identifying characteristics) that contains any of the Choice-Related Words, or any other portion of our Intellectual Property or anything similar to our Intellectual Property or which does not comply with our then-current domain name policy or our property website or mobile guidelines, internet distribution policy, or such similar policies or regulations adopted by us from time to time and made available to you. You acknowledge and agree that the restrictions on your use of the Choice-Related Words will survive the expiration or termination of this Agreement and that we retain the right to pre-approve your use of linking and framing between your internet (or other network) web pages and all other web sites. We have the right to determine and condition the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us.

c. Limited Use of Brand Mark. After the Effective Date but before the Opening Date, you may make the following limited use of the Brand Mark:

1. Temporary Signs. No earlier than 90 days prior to the Opening Date, use the Brand Mark on a temporary sign, meeting our standards, at the Location advising the general public that a hotel authorized to use the Brand Mark is under construction;

2. Local Media. No earlier than 90 days prior to the Opening Date, use the Brand Mark to promote the Hotel construction and opening in the local media;

3. Supplies. No earlier than 90 days prior to the Opening Date, purchase operating supplies and equipment bearing the Brand Mark required for Hotel operation; and

4. Permanent Signs. No earlier than 30 days prior to the Opening Date and only with our written consent, install permanent Hotel signs meeting our standards bearing the Brand Mark and the designated logo.

d. Permitted Registration. If you are required by law to register any of our Intellectual Property, your registration application must specify that you will use our Intellectual Property: (i) only at the Hotel and in advertising for the Hotel; (ii) only during the Term; and (iii) without claiming any rights in and to the Intellectual Property during or after the Term.

e. Notice of Suit; Injunctive Relief; Survival. You will promptly notify us of any suit filed or demand or claim made against you challenging the validity of our Intellectual Property ("IP Claim"). Following the receipt of such notice from you and using our attorneys, we agree to defend you against any IP Claim, and to defend and indemnify you against your loss, cost or expense related to such IP Claim, except where such IP Claim arose because you used our Intellectual Property in violation of our domain name policy, property website guidelines, internet distribution policy, this Agreement, the ChoiceAdvantage Software Terms of Use, or the Rules and Regulations. You will not settle or compromise any IP Claim without our prior written consent, and you agree to cooperate with us in defending against any such IP Claim. In connection with such IP Claim, you acknowledge and agree that if at any time during the Term you do not immediately discontinue the use of our Intellectual Property (including the Brand Mark) or the Choice-Related Words following our notice to you to discontinue such use, we will seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000. The provisions of this Section 7 will survive the expiration or termination of this Agreement.

f. Changes to Brand Mark. You agree and acknowledge that we have the right, in our sole discretion, to modify, add to, or discontinue use of the Brand Mark, or to substitute different proprietary marks, for use in identifying the System and/or the Hotel. You shall promptly comply with such changes,

revisions and/or substitutions, and bear all the costs of modifying your interior and exterior signage, advertising materials, interior graphics and any other items which bear the Brand Mark to conform therewith.

g. Secondary Name. You acknowledge and agree that we may, at our sole discretion, designate a secondary name, geographic descriptor, or other identifying modifier for the Hotel ("Secondary Name"). You must use the assigned Secondary Name strictly in the form and manner we prescribe. We reserve the right, at any time and in our sole discretion, to create, approve, assign, modify, or withdraw any Secondary Name. You may submit a request for a specific Secondary Name; however, all such requests are subject to our naming policies and may be approved, modified, or denied in our sole discretion. You must promptly implement any assigned Secondary Name and, upon our instruction, cease its use, in each case at your sole expense. Our approval of the Secondary Name does not take into account any potential third-party rights to the Secondary Name, and it is your sole obligation to comply with all applicable trademark, copyright, and related laws and regulations with respect to your use of the Secondary Name. You agree to immediately send us copies of any notices or letters received from any third party challenging or prohibiting your use of the Secondary Name or any portion thereof. You also acknowledge and agree that you are obligated to indemnify us from and against any Claim resulting from your use of the Secondary Name pursuant to Section 13 of the Agreement.

8. Change in Sleeping Room Count. You may change the Sleeping Rooms by 5% or less by constructing additional (or removing) Sleeping Rooms, but only after providing prior written notice to us. If you wish to change the Sleeping Rooms by more than 5% by constructing additional (or removing) Sleeping Rooms or if you wish to make substantial alterations to the Hotel, you may not do so without our prior written consent, which may be conditioned on, among other things, our inspection of the Hotel and the applicable rooms. If we consent to your expansion of the Hotel or to substantial alterations to the Hotel, you must send us your construction plans and pay us an expansion fee for each addition to the number of Sleeping Rooms equal to the then-current per-room charge for hotels that are permitted to use the Brand Mark, but the expansion fee will be not less than \$1,000. We will add any additional Sleeping Rooms or Meeting Rooms that you construct to the Rentable Rooms (or delete any Sleeping Rooms or Meeting Rooms that you remove from the Rentable Rooms), and you will include revenues from the additional Sleeping Rooms and any additional Meeting Rooms to calculate the Gross Room Revenues for determining the Monthly Fees due under this Agreement.

9. Assignment.

a. Our Assignment. We may sell or assign all or part of our rights or obligations under this Agreement to any person or legal entity without having to provide prior notice to you or seek your prior consent. Any such sale or assignment will inure to the benefit of any assignee or other successor.

b. Your Assignment. Your rights and duties under this Agreement are personal to you. We entered into this Agreement and granted the rights outlined in this Agreement to you in reliance on the business skill, financial capacity and personal character of you and your principal owners. You may not sell, assign, transfer, lease, or otherwise encumber any direct or indirect interest that you have in the Hotel, in you, or in any rights or obligations under this Agreement without giving us at least 15 days' prior written notice and obtaining our prior written consent, which will not be unreasonably withheld or delayed. Furthermore, if a Controlling Interest (as defined in Section 9(d)) of the originally approved ownership of the Hotel is being transferred or if you are conveying the Hotel or 50% or more of the undivided interest in the Hotel, you and the transferee must comply with all reasonable conditions we require before we will approve of such transfer, including, but not limited to: (i) the transferee signing our then-current form of the franchise agreement for hotels that are authorized to use the Brand Mark, (ii) the transferee signing a property improvement plan or other writing that we prepare to document the transferee's obligations to complete required Renovations (as defined in Section 6(o)), (iii) all of transferee's owners signing our then-current form of personal guaranty agreement, and (iv) payment of a re-licensing fee equal to the then-current affiliation fee we charge for new franchisees authorized to use the Brand Mark. We reserve the right to withhold our consent to any transfer if the Hotel fails to comply with our then-current brand image and standards or the transferee fails to demonstrate to our satisfaction that it meets our

educational, managerial and business standards, possesses a good moral character, business reputation and credit rating, has the experience, aptitude and ability to operate the Hotel, and has adequate financial resources and capital to operate the Hotel. So long as you promptly provide us with written notice, our consent is not required for the following: (1) a mortgage, deed of trust or other encumbrance, pledge or other grant of security interest in any direct or indirect interests in you or the Hotel to an unrelated and unaffiliated third party lender who is in the business of commercial lending or unrelated and unaffiliated bona fide third party preferred equity provider; or (2) the sale, assignment or transfer by you of securities in a publicly-traded corporation or entity that individually, or in the aggregate with other sales or transfers by you, constitute the sale or transfer of less than 5% of the outstanding capital stock or other equity interests in you or the Hotel. If you assign or transfer the Hotel or any rights granted to you or your obligations under this Agreement without our written consent, you breach this Agreement and we may terminate this Agreement pursuant to Section 10(b)(2)(d).

c. Transfer due to Death or Mental Incompetence; Transfer to Close Family Member. If you, or any natural person with an ownership interest in you, dies or becomes mentally incompetent, the executor, administrator, or personal representative of that person must transfer that person's ownership interest in you or the Hotel (within 12 months after death or determination of mental incompetence) in accordance with Section 9(b) to one or more of the remaining persons in your entity (if applicable) or to heirs of the deceased person that we approve. If you wish to transfer your ownership interest in the Hotel to a Close Family Member that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate the Hotel as required by Section 9(b) before we will approve a transfer. For purposes of this Agreement, "Close Family Member" shall mean your adult spouse, parent, child, sibling, grandchild, or grandparent. No additional fees will be payable for any transfers of an ownership interest in the Hotel due to death or determination of mental incompetence. However, if you wish to transfer your ownership interest in the Hotel to a Close Family Member, an application fee (not to exceed \$7,500) will be due to us, which will be fully refundable if we do not approve the transfer. Our approval(s) under this Section 9(c) will not be unreasonably withheld or delayed.

d. Controlling Interest. For purposes of this Agreement, "Controlling Interest" includes your interest if you are an individual and you own 50% or more ownership interest in the Hotel, any general partner's interest in a partnership entity, 50% or more of the voting stock of a corporate entity, 50% or more of the ownership interests in a limited liability company, or a 50% or more undivided interest in the Hotel.

10. Default and Termination

a. Termination By You. If we default in our material obligations under this Agreement, you may terminate this Agreement only if you first give us written notice of the defaults and of your intention to terminate this Agreement and we have not cured those defaults within 60 days after receiving your written notice. With regard to any defaults which are not reasonably capable of being cured within 60 days, the cure period shall be extended for a reasonable additional period of time provided that we have promptly commenced to cure or cause to be cured such default, and thereafter we diligently pursue our efforts in that regard.

b. Termination By Us

1. Termination with Notice and Opportunity to Cure. If you default in your material obligations under this Agreement, we may terminate this Agreement, effective on the date stated in our notice (or the earliest date permitted by applicable law) as follows:

(a) Non-Payment of Fees. If you do not pay us the Monthly Fees or any other fees, charges and amounts due under this Agreement (including travel agent commissions and global distribution system fees) or file required monthly reports of Gross Room Revenues, within 10 days of our written notice of default to you; or

(b) Other Breach. If you do not cure fully any other breach of your obligations or

warranties under this Agreement, or any other agreement between you and us or our affiliates, within 30 days of our written notice of default to you (or such longer period we designate in our sole discretion).

(c) Cure Periods. You acknowledge and agree that we may, in our sole discretion, extend the time period for you to cure any default but are under no obligation to do so, and any such extension shall not constitute a waiver of the cure periods set forth in this Agreement.

2. Immediate Termination Effective on Notice. Upon written notice to you, we may terminate this Agreement immediately, without giving you an opportunity to cure the default, if:

(a) Imminent Threat. There is an imminent threat or danger to public health or the safety of persons or property resulting from the construction, renovation, maintenance, or operation of your Hotel;

(b) Abandonment; Loss of Possession; Failure to Open. Subject to Section 14 of this Agreement, you stop operating the Hotel using the Brand Mark or according to the requirements of our System or this Agreement for any period of time, you abandon the Hotel or you attempt to abandon or cease to operate the Hotel, you temporarily or permanently lose the right to possess the Hotel (including, without limitation, due to the appointment of a receiver or an event of condemnation), you lose the right to operate the Hotel, you fail to open the Hotel using the Brand Mark or in accordance with this Agreement, or you lose the right to transact business in the jurisdiction in which the Hotel is located;

(c) Criminal Behavior. You (or a beneficial owner of you) are charged with or plead guilty to a felony, a fraud, a crime or offense involving moral turpitude or any other crime or offense that we reasonably believe is likely to have an adverse effect on the Brand Mark, the Choice Marks, our System, the Other Choice Brand Hotels, our business, our goodwill, our Intellectual Property, or our interest in this Agreement or any other instrument or agreement that we may have entered with you;

(d) Transfer. You (or a beneficial owner of you) transfer or purport to transfer any rights or obligations under this Agreement, any Controlling Interest in you, your interest in the Hotel, or a Controlling Interest in the Hotel without our prior written consent, except as otherwise permitted under Section 9(b) or 9(c) hereof or you enter into any agreement to sell, or sell, or purport or attempt to sell the real property upon which the Hotel is situated;

(e) False Records. You maintain false books or records, send us false reports, or make any materially false statement in your franchise application or any other document you are required to submit to us;

(f) Bankruptcy. You file a petition in bankruptcy, become insolvent, make a general assignment for the benefit of creditors, or are unable to pay your debts to creditors on a timely basis;

(g) Insurance. You do not buy, maintain or send us evidence of insurance as required by this Agreement, or if we opt to procure, on your behalf, insurance required by this Agreement and you fail to reimburse us as we require under Section 12(f);

(h) Multiple Defaults. We send you 2 or more written notices of default under this Agreement for the same or a similar cause or reason in any consecutive 12-month period during the Term, whether or not cured;

(i) Construction. You do not (i) begin construction or renovation of the Hotel on or before the date required by Section 6(r)(3) of this Agreement, (ii) submit Preliminary and Final Plans to us for our approval prior to the Construction Start Deadline, and in accordance with Section 6(r)(2), or (iii) once begun, continue, without unreasonable interruptions, the construction or renovation of the Hotel;

(j) Opening Deadline. You fail to open the Hotel by the Opening Deadline in accordance with Section 6(s)(6);

(k) Property Improvement Deadline. You fail to complete required improvements and/or repairs to upgrade the Hotel by the deadline(s) set forth in a property improvement plan;

(l) Goodwill. You engage in conduct that impairs the image, identity, value or goodwill associated with the Brand Mark (or any other Choice Marks) or the System;

(m) Confidential Information. You make a material unauthorized disclosure of Confidential Information; or

(n) Other Agreements. You or your affiliate (or a beneficial owner of you or your affiliate) materially breaches any other instrument or agreement with us or our affiliates, or any mortgage, deed of trust or lease covering the Hotel, unless cured within any applicable notice or grace periods contained in such document.

c. Suspension of Franchise Rights. If you breach any material obligation required by this Agreement or are in default hereunder, we may, after 10 days from our written notice of default (or longer time required by law) for financial defaults, or after 30 days from our written notice of default (or longer time required by law) for non-financial defaults, or immediately in the case of a breach under Section 10(b)(2), above: (i) suspend any or all services that we (or our authorized representative) provide to you in connection with our System including your access to our ~~Central~~ Reservations System; or (ii) suspend your right to use our Intellectual Property. In addition, while the default remains uncured, you will have no rights under the Impact Policy or the Fair Franchising Policy (as defined in Section 19(b)). In our sole discretion, we may reinstate the suspended System services or the right to use our Intellectual Property if you cure your default before this Agreement terminates and pay us the then-current reinstatement fee (as established in the Rules and Regulations). If we suspend System services or your right to use our Intellectual Property, we may use other remedies, including termination of this Agreement, after the appropriate time to cure, if any, has lapsed.

d. Our Remedies.

1. No System Services. If this Agreement expires or is terminated, we will cease to provide you with any services in connection with our System, which will include removal of the Hotel from any directories, websites, and other distribution channels, cessation of promotion programs and advertising, and cessation of your right to use our Intellectual Property. In addition, we may notify guests holding reservations that the Hotel is no longer authorized to use the Brand Mark, use our Intellectual Property or receive services in connection with our System, and we may relocate such guests upon their request.

2. Liquidated Damages – Post-Opening Termination. If we terminate this Agreement pursuant to Section 10(b), or if you terminate or purport to terminate this Agreement or if you cease operations of the Hotel for any reason, except pursuant to Section 3 or Section 10(a), after the Opening Date, you will pay us, within 30 days after termination, as liquidated damages for unrealized Royalty Fees and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) the average monthly Gross Room Revenues during the prior 12 full calendar months (or such shorter time that the Hotel has been open), multiplied by (ii) the maximum Royalty Fee payable under Section 4(b)(1), multiplied by (iii) the number of months (including partial months, which will be prorated) between the date of termination and the next date that you could have terminated this Agreement under Section 3, not to exceed 36 months. However, the product of (i) multiplied by (ii) will not be less than the product of \$25.00 multiplied by the number of contractually approved Sleeping Rooms.

3. Liquidated Damages – Pre-Opening Termination. If we terminate this Agreement pursuant to Section 10(b), or if you terminate or purport to terminate this Agreement for any reason, except pursuant to Section 3 or Section 10(a), prior to the Hotel opening with our authorization pursuant to Section 6(s)(5), you will pay us, within 30 days after the termination, as liquidated damages for unrealized Royalty Fees and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) the number of contractually approved Sleeping Rooms, multiplied by (ii) \$25.00, multiplied by (iii) the fewest number of months after the Opening Date that you would have been permitted

to terminate this Agreement under Section 3, not to exceed 36 months.

4. Reasonable Estimate. You acknowledge and agree that the injury to us caused by your breach of this Agreement and its termination is difficult or impossible to accurately estimate, and that the methods of calculating liquidated damages in Sections 10(d)(2), 10(d)(3), and 11(a) are reasonable estimates of our probable loss of our Royalty Fees resulting from your breach of this Agreement and its termination. Payment of liquidated damages by you does not affect your obligation to pay us all Monthly Fees and other fees and amounts due to us that accrued before the termination of this Agreement nor does it affect your continuing indemnification obligations pursuant to Section 13 of this Agreement. Any other losses or damages caused by the early termination of this Agreement are subject to any other remedy available under law, in equity, or under the terms of this Agreement.

e. Evidence of Breach. If the validity of the termination of this Agreement is disputed, we may introduce evidence of a breach of this Agreement or evidence of any claim associated with the Hotel, including any facilities that are managed by others at the Hotel, whether or not stated in the default or termination notice.

11. Obligations on Termination. On termination or expiration of this Agreement for any reason, you must, at your expense:

a. Intellectual Property. Immediately discontinue all use of our Intellectual Property, refrain from using the Brand Mark to identify the Hotel and cease to use the Choice-Related Words. If you do not immediately discontinue use of our Intellectual Property (including the Brand Mark) or use of the Choice-Related Words following the expiration or termination of this Agreement, you will pay us, as liquidated damages and not as a penalty, the sum of \$2,500 for each day following the expiration or termination of this Agreement that you continue to use our Intellectual Property (including the Brand Mark) or the Choice-Related Words, and we will have the right to seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000;

b. Registration. Cancel any assumed name or similar registration containing our Intellectual Property (including the Brand Mark) or any variation or portion of our Intellectual Property (including the Brand Mark) or the Choice-Related Words, discontinue all use of any web sites or other electronic media (including social media) that markets goods and services under the Choice Marks and furnish us with reasonable evidence showing that you complied with these obligations within 30 days after termination or expiration of this Agreement;

c. Payment. Promptly pay all sums owed to us and our subsidiaries or affiliates, and all damages, costs, and expenses, including reasonable attorneys' fees, that we incur, either before or following the expiration or termination of this Agreement, as a result of your default, including all outstanding Monthly Fees, any liquidated damages due under this Agreement, and any costs and expenses we incur to obtain injunctive relief or other remedies for the enforcement of any portion of this Agreement; and

d. Return or Destroy Materials. Immediately return to us, or at our option, destroy all originals and copies of any materials that we have provided to you relating to our System and your operation of the Hotel, including all copies of any manuals, the Rules and Regulations and any data stored in or generated by our Property Management System and Reservation System. Except for your copy of this Agreement and other documents that you reasonably need to comply with applicable laws, you may not retain any material that we provided to you during the Term.

12. Insurance.

a. Pre-Opening Coverage. You must purchase by Construction Start and maintain until the Opening Date, at your expense, directly or through your general contractor, the types and amounts of

insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. General Liability. Commercial General Liability Insurance (including automobile liability, bodily injury and property damage) protecting you and naming us and our affiliates and subsidiaries, our and their respective officers, directors, agents and employees as Additional Insureds (as defined in Section 12(c)) from and against all types of liabilities, including personal injury and property damage, together with the costs of defense and/or adjustments arising out of the operations to construct or renovate the Hotel. The insurance must include coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability and must be accompanied by waivers of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employers of us, our affiliates and subsidiaries.

2. Builder's Risk. All-risk builder's risk coverage to insure the Hotel buildings under construction or renovation to 100% of their replacement cost value, protecting you, us and the Additional Insureds, and a workers' compensation policy as required by statute.

b. Post-Opening Coverage. Beginning no later than the Opening Date and for the rest of the Term, you must purchase and maintain, at your expense, the types and amounts of insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. Physical Damage Coverage. All-risk physical damage coverage, insuring the Hotel and its contents for its full replacement cost. If the Hotel is damaged or destroyed, and unless a mortgagee requires otherwise, the proceeds of any insurance will be used to repair or restore the Hotel in accordance with your plans that we approve. Your insurance must contain a waiver of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employees of us, our affiliates and subsidiaries.

2. General Liability; Automobile. Commercial Automobile and Commercial General Liability Insurance policies written on an occurrence form protecting you and the Additional Insureds (as defined in Section 12(c)) from and against all manner of liability. The coverage described in the preceding sentence is primary to any coverage that we maintain and must include Contractual, Products and Completed Operations, Independent Contractors, Personal Injury, Property Damage, Bodily Injury and Host Liquor Liability coverage (if applicable), together with the costs and expenses of the defense and/or adjustment of injury or damage, without exception, from or in any way related to any operation or activity conducted under this Agreement and/or of the Hotel, including adjacent areas like swimming pools, parking lots, restaurants, and bars. Your Automobile Liability Policy must cover owned, hired and non-owned vehicles used in the operation of the Hotel. The policies described in this Section 12(b)(2) must cover lawsuits or actions brought anywhere in the world. These policies must provide limits per location and per occurrence as required in the Rules and Regulations and must be accompanied by a waiver of subrogation in favor of the Additional Insureds. You may meet the required total minimum limits through a combination of primary and umbrella policies. If alcoholic beverages are sold at the Hotel (whether or not you own the establishment that sells the alcohol), you must purchase and maintain Dram Shop/Liquor Liability Insurance with such limits as required in the Rules and Regulations.

3. Workers' Compensation. Statutory Workers Compensation and Employers Liability insurance with minimum Employers Liability limits per accident and per disease as required in the Rules and Regulations.

4. Business Interruption. Business Interruption insurance which shall provide for coverage of a minimum of three (3) months in the event the Hotel is not operational at any time during the Term. Your business interruption insurance policy must name us as a specific loss payee.

5. Cyber Liability. Cyber Liability insurance providing minimum coverage as required by the Rules and Regulations.

6. Other Insurance. Pollution Legal Liability insurance covering bodily injury, property damage, cleanup costs and defense costs arising from, or associated with, a pollution condition at a covered location. In addition, Employment Practices Liability insurance, including coverage for third-party violation claims and prior acts.

c. Additional Insured Requirement. You must also obtain and attach an endorsement for all commercial automobile, commercial general and umbrella policies used to meet the requirements in Sections 12(a) and 12(b) adding us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds ("Additional Insureds").

d. Rating; Primary Coverage; Notice of Change. You must place your insurance with insurance companies reasonably acceptable to us and with an A.M. Best Rating of A-, VI or better. All insurance, commercial automobile, commercial general liability, umbrella and dram shop/liquor liability (if applicable), that you purchase must be specifically endorsed to provide that the coverage will be primary and that any insurance carried by Additional Insureds will be excess and non-contributory. We may reasonably change the insurance coverage requirements set forth in this Section 12 during the Term by giving you at least 30 days' notice of the change. You must comply with our directions, at your expense, and deliver to us evidence of your compliance before the change becomes effective.

e. Certificates of Insurance. You must send us, by no later than ten (10) days prior to Construction Start and/or the Opening Date, as applicable under Sections 12(a) and 12(b), certificates of insurance, endorsements, declarations and/or other documents requested by us, indicating your property code, the Hotel name and address, and proof that you have purchased the required insurance coverage and the Additional Insureds endorsement has been accepted by your insurance carrier. You must also provide us with evidence of renewal before the expiration date of each insurance policy. You are responsible for providing us with 30 days' advance written notice if the certificate of insurance by the insurer has been canceled, reduced in coverage, or otherwise altered. Acceptance by Choice of an improper certificate of insurance shall not constitute a waiver, release or modification of any of the insurance coverage and endorsements required under this Agreement.

f. Procurement of Insurance. If you, for any reason, fail to procure or provide us with evidence that you maintain at least the minimum insurance required by Section 12(a) or 12(b), as applicable (or as designated by us from time to time in the Rules and Regulations) together with the endorsement required by Section 12(c), you acknowledge and agree that we will have the immediate right and authority, but not the obligation, to procure such insurance on your behalf, and charge you the cost of the insurance and, at our option, a reasonable penalty. You agree that you will reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain such insurance within 30 days of receipt of our notice that such costs are due and payable to us. The foregoing shall not limit our right to terminate this Agreement pursuant to Section 10(b)(2)(g).

g. No Waiver of Obligations. Your purchase and maintenance of insurance and your performance of your obligations under this Agreement are in addition to your obligation to indemnify us. If applicable, you should obtain additional insurance coverage since we do not require insurance against all potentially insurable risks, such as Employment Practices Liability insurance; if you do, for your protection, you should name us as an Additional Insured on this additional coverage.

13. Indemnification. To the fullest extent permitted by law, you must defend, indemnify and hold harmless us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees (each, an "Indemnified Party") from and against any claim, loss, cost, damage, expense judgment and liability, including, but not limited to, employment related liability and environmental liability (a "Claim"), including reasonable attorneys' fees (whether or not a lawsuit has been filed) and any court costs, resulting in whole or in part from any damage or loss, including personal injury, of any nature, connected with the Hotel construction, renovation or operation, or any facilities that are managed by others in the Hotel, or out of, or as a result of, in whole or in part your (or your agent's or employee's) error, omission, act or failure, even where negligence of an Indemnified Party is alleged, except to the

extent that the loss, costs, damage, expense or liability is solely and proximately caused by the negligence of an Indemnified Party. Notwithstanding the foregoing, if we are required by a court of law to contribute to any Claim, the amount of our contribution will be calculated by applying principles of comparative negligence where a Claim was jointly caused by your negligence and by our negligence. You must reimburse us for all amounts we reasonably spend, including attorneys' fees and court costs, to protect the Indemnified Parties from, or to remedy, your defaults under this Agreement or claims arising out of your operation of the Hotel. We will have the sole and exclusive control (including the right to be represented by attorneys of our choosing) over the defense of any Claims against an Indemnified Party and over their settlement, compromise or other disposition. This provision will be deemed divisible, such that if it is in any way (or to any extent) determined to be invalid or unenforceable, it will be deemed modified so as to be valid and enforceable and to be in full force and effect to the fullest extent permitted by law. This provision will survive the expiration or termination of this Agreement.

14. Casualty. If the Hotel is damaged by fire, natural disaster or other casualty, you must promptly and properly repair the damage. If the damage or repair requires closing the Hotel, you must immediately notify us, begin reconstruction within 6 months after that closing; reopen the Hotel for continuous business operation in accordance with the Rules and Regulations as soon as practicable (but in any event within 12 months after the Hotel closing), and send us at least 30 days' prior written notice of the date of reopening. Upon your written request, and so long as you are in compliance with this Section 14, we will extend the Term of this Agreement by the number of days between the date of the original closing of the Hotel and the date of reopening. If insurance proceeds are not available or are insufficient to repair or rebuild the Hotel and if you provide us with reasonable evidence that such proceeds are not available to you within 6 months after the original closing of the Hotel, and provided that you are not in default at the time of casualty and are not the cause of the insurance proceeds not being available, then we will terminate this Agreement in accordance with its terms without penalty to either party.

15. Notices. All notices required or permitted under this Agreement must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized delivery or courier service that allows tracking of packages or letters, to us at **Choice Hotels International, Inc., 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852, Attention: General Counsel**, or at such other address we require upon written notice to you, and to you at the Designated Representative's address set forth in Section 1 of this Agreement. You authorize the Designated Representative to submit written notices to us or receive our written notices to you as your agent. Any notice by registered or certified mail or by delivery or courier service is deemed given and received at the date and time of sending. You may change the Designated Representative and/or the Designated Representative's address by written notice to us.

16. Attorneys' Fees. Attorneys' fees must be paid according to the terms of this Section 16 and, as may be applicable, Section 13 of this Agreement. The prevailing party (as determined by the court or arbitrator) in any arbitration or claim filed to enforce the terms of this Agreement will recover from the other party reasonable fees of its attorneys calculated as the lesser of (1) the attorney's hourly rate multiplied by the number of hours worked (less any discounts provided to the party), or (2) the amount owed under the contractual payment arrangement between the party and its attorneys, along with any attorney costs and expenses, court costs, arbitration costs, arbitrator fees, the reasonable costs of necessary expert witnesses, and the reasonable travel costs (including food and lodging) of the prevailing party's witnesses in the proceeding. If such a claim seeks, in whole or in part, attorneys' fees under Section 13, that provision will control. Any judgment or arbitration award for fees or other amounts owed to us to enforce our rights under Section 4, Section 10(d) or Section 21 of this Agreement will bear interest at the rate referred to in Section 4(f) until paid.

17. Taxes, Permits; Notice of Legal Actions.

a. Taxes. You must pay when due all taxes related to the Hotel that may be levied or assessed by any federal, state, or local taxing authority, and all other indebtedness related to the Hotel. You shall comply with all federal, state, and local tax laws. You shall pay all property taxes imposed on your property when they are due. You shall be responsible for all state and local sales and transaction taxes that are

imposed on, or measured by, the gross receipts paid to Choice pursuant to this Agreement.

b. Permits. You must timely obtain and maintain all permits, certificates, and licenses necessary for the construction, renovation, operation and maintenance of the Hotel, including licenses to do business, fictitious name registration and sales tax permits, health and sanitation permits, and ratings and fire clearances. You must send us, within 10 days of your receipt, copies of all inspection reports, warnings, certificates, and ratings, received from any governmental entity.

c. Notice of Suit. You must notify us in writing and provide us with copies, within 5 days of your receipt, of any actual or threatened criminal or civil action, suit, proceeding, or the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality affecting you or the Hotel.

18. Approvals and Waivers.

a. Approvals. Our approvals and consents will not be effective unless signed by one of our duly-authorized representatives. We may withhold our consent in our reasonable discretion or at any time when you are in breach of any obligation under this Agreement.

b. Reliance; No Liability. Except as otherwise expressly stated in this Agreement (including any addenda or amendments), we make no warranties or guarantees on which you may rely. We assume no liability or obligation to you by providing any waiver, approval, consent, suggestion to you, or by reason of any delay or denial of any request that you make to us.

c. No Waiver/Forbearance. Failure to exercise any power or to insist on strict compliance with any obligation or condition under this Agreement is not a waiver of any future right to demand exact compliance with any of the terms in this Agreement. Waiver of any particular default or extension of any cure period will not affect or impair a party's rights with respect to any later default of the same, similar, or a different nature. No delay, forbearance, or omission to exercise any power or right of a party following any breach or default of any of the terms, sections, or covenants of this Agreement by the defaulting party, will affect or impair the rights of the party not in default.

19. Acknowledgments.

a. No Warranty or Guarantee. You acknowledge and agree that you have conducted an independent investigation of the benefits of signing this Agreement, and you understand that the business venture contemplated by this Agreement involves business risks, and that its success will be largely dependent on your ability as an independent businessperson. We have not made, and you acknowledge that you have not received from us or our agents, any representations, projection, warranty or guarantee, express or implied, as to the profitability or other potential success of the business venture contemplated by this Agreement.

b. Limited Rights. You acknowledge and agree that this Agreement and the limited rights to use the Intellectual Property granted to you in accordance this Agreement relate only to the Hotel and the Location. Except as may be specifically set forth in Section 2, this Agreement does not grant you any protected area, market or territorial rights. Subject to the terms of our then-current incremental impact policy ("Impact Policy") and our then-current version of the fair franchising policy, which we may amend, change or substitute from time to time ("Fair Franchising Policy"): (i) we may own, operate, or franchise other hotels and/or allow such hotels to use our Intellectual Property (including the Brand Mark), at any other location, either separately or combined; and (ii) we, and any of our affiliates and other franchisees may now or in the future engage in transient lodging or related business activities that may compete with the Hotel.

c. Control; No Duty; Independent Contractor. You acknowledge and agree that you are solely responsible for exercising ordinary, day-to-day business control over the Hotel, including all personnel and employment related matters and decisions and pricing of rooms and other services at the Hotel,

regardless of any advice or consultation received from us. This includes, but is not limited to, hiring and firing employees, supervising and controlling employees' work schedules and conditions of employment, determining employees' rate and method of payment, and maintaining employees' employment records. Neither this Agreement nor the Rules and Regulations create a fiduciary or joint employer relationship between you and us or between your employees and us. You are an independent contractor. Nothing in this Agreement or the Rules and Regulations makes, or is intended to make, either party an agent, legal representative, subsidiary, joint venturer, partner, employee, joint employer or servant of the other (except that you agree that we may act as your agent when making reservations for your Hotel).

d. No Right to Contract; No Third-Party Obligations; Truthfulness. You acknowledge and agree that you are not authorized to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and we shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action. You acknowledge and agree that you will not represent in any proposed financing agreement or to any proposed lender or participant in a public or private investment offering that we or any of our affiliates is, or will, become responsible for your obligations under the financing agreement, nor that we are, or will be, participating in any private or public investment offering. Before you distribute a prospectus of your intended private or public offering, you must send us a copy for our prior written approval, not to be unreasonably withheld, of references made to us in the prospectus. You warrant the truth and completeness of all your statements in your application and the content of all other documents that you send to us as part of the application process and that you are required to submit to us under this Agreement.

e. Disclosure. You acknowledge that you received from us the Franchise Disclosure Document required by the Federal Trade Commission and by the applicable state(s) in which you live and where the Hotel is located at least 14 days before you signed this Agreement or paid to us any consideration for the hotel franchise.

f. Ownership. You warrant that you are the true owner of, and record holder of title to, the Hotel, or that you are currently leasing the Hotel under a lease that allows you the right to enter into this Agreement. If you are a corporation, limited liability company, partnership, or other entity, all owners of the entity, including any subsequent person or entity that becomes an owner at any time after the Effective Date, shall sign our then-current form of personal guaranty agreement, unless expressly waived by us in our sole discretion.

g. Data Security. You acknowledge and agree that we and you each own the rights in and to any data captured by the Property Management System or Reservation System ("Guest Data") and that we may use Guest Data in any reasonable manner that we determine. You also acknowledge and agree that you are obligated to comply with all information security and data privacy standards and requirements contained in the Rules and Regulations and all applicable federal and state laws, regulations, and standards relating to information security and data privacy, including, without limitation, the Payment Card Industry Data Security Standard ("PCI DSS"). You must secure all Guest Data against loss or theft and against unauthorized or unintended access, disclosure, copying, use or modification. You agree to notify us in writing as soon as practicable (and at least within 24 hours) of any known, suspected, or alleged security breach of Guest Data in your possession or custody or under your control. You also acknowledge and agree that you are obligated to indemnify us from and against any Claim resulting from any such data security breach pursuant to Section 13 of this Agreement. Without limiting the foregoing, to the extent we possess or otherwise provide services that allow for the storage, processing, or transmittal of Guest Data as defined by the PCI DSS ("Services"), or to the extent we could impact the security of the Guest Data environment, we will remain in compliance with the applicable PCI DSS requirements with respect to those Services. We will also remain aware of changes to the PCI DSS and implement all procedures and practices as may be reasonably necessary for the Services to remain in compliance with the PCI DSS, in each case at our sole cost and expense.

h. Marketing and Reservation Fee. You acknowledge and agree that we may use the Marketing and Reservation Fee to meet any or all costs incident to providing the Hotel (and all Other Choice Brand Hotels) with marketing and advertising services and the Reservation System, and that such costs may

include certain of our overhead expenses that are reasonably allocated to provide such services. You further agree that we have the absolute and unilateral right to determine, when, how and what portion of the Marketing and Reservation Fee may be used for (i) marketing purposes, including the right to purchase and pay for marketing services, product research and development, production materials, ad slicks, brochures, videotapes, radio and television commercials, media advertising (internet, television, radio, cable, magazines, newspapers and other print), services provided by advertising agencies, market research, trade shows, conventions, promotions, research and design, public relations, and loyalty programs, (ii) the development, operation and maintenance of the Reservation System, and (iii) the cost of personnel, accounting services, travel expenses, office space, overhead costs, administrative costs, computers, other equipment, furniture, salaries and fringe benefits, development, design and maintenance of internet web-pages and websites, including internet service provider costs, network costs, and for other similar costs that we reasonably deem to be appropriate. You also acknowledge that other franchisees authorized to use our System may not contribute the same percentage or total amount that you must pay to us as the Marketing and Reservation Fee. You further acknowledge and agree that we are not obligated, in expending the Marketing and Reservation Fee, to make expenditures for your Hotel or Brand Mark which are equivalent or proportionate to your contribution.

i. ChoiceAdvantage Software Terms of Use. You acknowledge and agree that your right to use the Property Management System will be governed by the ChoiceAdvantage Software Terms of Use that are provided to you in an online format which you agree to review periodically. You acknowledge and agree that the ChoiceAdvantage Software Terms of Use are specifically incorporated as part of this Agreement and you will comply with the terms and conditions of the then-current ChoiceAdvantage Software Terms of Use. You agree that you, the Hotel's general manager, or any other authorized employee of the Hotel ("Authorized User") may accept and agree on behalf of you to the terms and conditions of the ChoiceAdvantage Software Terms of Use. You also acknowledge and agree that we have the right, in our sole discretion, to modify, add or remove any terms or conditions of the ChoiceAdvantage Software Terms of Use. Changes to the ChoiceAdvantage Software Terms of Use will be posted online and will be immediately effective. You agree that use by an Authorized User of the Property Management System after we post any such changes will indicate that you accept and agree to the ChoiceAdvantage Software Terms of Use, as modified.

j. No Liability. You acknowledge and agree that we will not assume liability for, or be deemed liable as a result of, any act or omission of yours relating to the construction, renovation, operation, maintenance or promotion of the Hotel or for any claim or judgment arising from such act or omission.

k. Anti-Terrorism/Anti-Bribery Laws. You individually represent and warrant to us that neither you (including your directors and officers, senior management and shareholders (or other persons) having a controlling interest in you), nor any affiliates or funding sources are (a) owned or controlled by, or acting on behalf of, the government of any country that is subject to an embargo imposed by the United States government; or (b) an entity or individual ("Person") identified by any government or legal authority under applicable laws as a Person with whom dealings and transactions by us are prohibited or restricted, including Persons designated on the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Other Blocked Persons (including known terrorists and narcotics and human traffickers). You will promptly notify us in writing upon the occurrence of any event which would render the foregoing representations and warranties incorrect. You further represent and warrant to us that you, including persons having a controlling interest in you, are not in violation of any anti- money laundering laws, anti-terrorism, anti-bribery, trade sanctions or other laws or embargoes, including without limitation the U.S. Patriot Act and the U.S. Foreign Corrupt Practices Act and related regulations and executive orders. You represent and warrant that you are qualified to do business in the United States, have the authority to execute this Agreement, and are eligible under applicable United States laws to carry out the obligations under this Agreement and any subsequent assumption of your rights and obligations under this Agreement.

l. Child Protection Code of Conduct. We are a member of "The Code of Conduct for the Protection of Children from Sexual Exploitation in Travel and Tourism" (www.thecode.org) ("The Code"), which is an industry-driven responsible tourism initiative with a mission to provide awareness, tools, and

support to the tourism industry in order to prevent the sexual exploitation of children. You agree to support the principles of The Code and to take all reasonable steps at the Hotel, including the training of staff, to recognize and prevent all forms of human trafficking.

20. Miscellaneous.

a. Severability. If any section of this Agreement is held to be illegal, invalid or unenforceable, both parties agree that (i) the section will be removed; (ii) this Agreement will be understood and enforced as if the illegal, invalid, or unenforceable section had never been in this Agreement; and (iii) the remaining sections will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable section or by its removal. A section similar to the removed section will be automatically added as a part of this Agreement to the maximum extent enforceable.

b. No Third-Party Beneficiaries. Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended, nor will anything in this Agreement be deemed, to confer on any person or legal entity other than us or you, or our respective successors and permitted assigns, any rights or remedies under or by reason of this Agreement.

c. Headings. All captions and headings in this Agreement are intended solely for the convenience of the parties and do not affect the meaning or construction of any section.

d. References. All references to the masculine, neuter, or singular, include the masculine, feminine, neuter, or plural. The word "include" and its derivatives are not to be construed as terms of limitation. If "you" consists of more than one person or entity, your acknowledgments, promises, covenants, agreements, and obligations made or undertaken in this Agreement are jointly and severally undertaken by each of you.

e. Counterparts. If this Agreement is executed in multiple counterparts, each executed copy is an original.

f. Governing Law. This Agreement becomes valid and effective only when we have signed it, and it will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction; except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law.

g. Cumulative Rights and Remedies. Rights and remedies stated in this Agreement are cumulative and not exclusive of any other right or remedy.

h. Attachments/Addenda. All attachments, addenda, and amendments to this Agreement are incorporated into and a part of this Agreement. Any addenda or amendments to this Agreement will not be effective unless signed by one of our duly-authorized representatives and by you. All duly-executed addenda and/or amendments are incorporated into and will become a part of this Agreement.

i. Survival. Those of your obligations and our obligations under this Agreement which expressly or by their nature survive the expiration or earlier termination of this Agreement will survive such expiration or termination, including, but not limited to, Sections 7, 10(d), 11, 13, 16, 17, 18, 19, 20, 21, 22, 23 and 24.

j. Seal. This Agreement is a contract under seal and is intended by the parties to be a specialty under Maryland law.

k. Electronic Signatures. The parties hereby acknowledge and agree that electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called "pdf" format shall be legal and binding and shall have the same full force and effect as if an original of this Agreement had been signed and delivered by hand. You and we both (i) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent by electronic means, (ii) are aware that the other party will rely on such signatures, and (iii) hereby waive any defenses to the enforcement of the terms of this Agreement

based on the foregoing forms of signature.

21. Arbitration. Except for our claims against you for indemnification or actions seeking to enjoin you from using any of our Intellectual Property (including the Brand Mark) or the Choice-Related Words in violation of this Agreement or any other related agreements (including the ChoiceAdvantage Software Terms of Use), any controversy or claim arising out of or relating to this Agreement or any other related agreements, or the breach of this Agreement or any other related agreements, including any claim that this Agreement or any part of this Agreement or any related agreements is invalid, illegal, or otherwise voidable or void, as well as any claim that we violated any laws in connection with the offering, granting, execution or enforcement of this Agreement or any related agreements and any claim for declaratory relief, will be sent to final and binding arbitration in the state of Maryland before either the American Arbitration Association, J.A.M.S., or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, ~~except to the extent.~~ The parties agree, however, that the Commercial Arbitration Rules of the American Arbitration Association ~~may be interpreted to require~~ are not applicable as it relates to discovery. More specifically, the rules surrounding discovery, including but not limited to, any requirements for you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim ~~without our mutual consent~~ will not be deemed applicable to any arbitration proceeding unless the parties mutually consent to any such discovery for purposes of economy and efficiency of the proceedings. In the event more than one demand for arbitration is filed in connection with this Agreement or any related agreements, the demand filed with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. The arbitrator will apply the substantive laws of Maryland, without reference to its conflict of laws provision, except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law. Judgment on the arbitration award may be entered in any court having jurisdiction. If any party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party, notwithstanding its failure to appear. Any arbitration will be conducted at our headquarters office in Maryland and the parties agree that any state laws attempting to prohibit arbitration in Maryland are pre-empted by the Federal Arbitration Act. Nothing in this Section 21 shall be construed to prohibit or limit an Arbitrator's authority under the American Arbitration Association Commercial Arbitration Rules to order submission of evidence by means other than in-person hearing at Choice's headquarters office in Maryland in the event that a party fails to respond to, appear during or participate in the arbitration process, or from conducting a hearing or from rendering an award at a location outside of the State of Maryland. Further, nothing in this Section 21 will be construed as requiring you or us to make a claim in arbitration before exercising any rights you or we may have to give notice of default or termination in accordance with the terms of this Agreement or any related agreements. All information related to and/or obtained through the arbitration process shall be strictly confidential and, under no circumstances, shall be disclosed to any person except as expressly permitted herein or used for any purpose other than the arbitration at any point in time without mutual consent.

22. NO CLASS ACTIONS. NEITHER YOU NOR WE SHALL SEEK TO LITIGATE OR ARBITRATE AGAINST THE OTHER PARTY TO THIS AGREEMENT OR SUCH PARTY'S AFFILIATES, EITHER AS A REPRESENTATIVE OF, OR ON BEHALF OF, ANY OTHER PERSON, CLASS, OR ENTITY, ANY DISPUTE, CONTROVERSY, OR CLAIM OF ANY KIND ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES, THE SALE OF THE FRANCHISE, OR OTHER CLAIMS OR CAUSES OF ACTION RELATING TO THE PERFORMANCE OF EITHER PARTY TO THIS AGREEMENT. NO ARBITRATION OR OTHER ACTION OR PROCEEDING UNDER THIS AGREEMENT SHALL ADD AS A PARTY, BY CONSOLIDATION, JOINDER, OR IN ANY OTHER MANNER, ANY PERSON OR PARTY OTHER THAN US AND YOU AND ANY PERSON IN PRIVITY WITH, OR CLAIMING THROUGH, IN THE RIGHT OF, OR ON BEHALF OF, US OR YOU, UNLESS BOTH WE AND YOU CONSENT IN WRITING. WE HAVE THE ABSOLUTE RIGHT TO REFUSE SUCH CONSENT. YOU AGREE AND ACKNOWLEDGE THAT ANY PROCEEDING

DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP BETWEEN THE PARTIES, OR ANY AGREEMENT OR RELATIONSHIP BETWEEN YOU AND US OR ANY AFFILIATE OF OURS WILL BE CONSIDERED UNIQUE ON ITS FACTS AND MAY NOT BE BROUGHT AS A CLASS OR GROUP ACTION.

23. WAIVER OF JURY TRIAL. EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

24. INTEGRATION. THIS AGREEMENT, ALL OF ITS ATTACHMENTS, AND ANY AGREEMENT SPECIFICALLY MADE A PART OF THIS AGREEMENT PURSUANT TO THE TERMS HEREOF, CONTAIN THE COMPLETE UNDERSTANDING OF THE PARTIES AND REPLACE ANY PREVIOUS WRITTEN OR ORAL AGREEMENT ON THE SAME SUBJECT MATTER.

GUARANTY

This Guaranty ("Guaranty") is made as of _____, by **(name of guarantors)** ("each, individually a Guarantor"), in favor of and for the benefit of Choice Hotels International, Inc., a Delaware corporation ("Choice"). In consideration of and as an inducement to Choice to execute a Franchise Agreement by and between Choice and «LIC_BLOCK» ("Franchisee"), Guarantor agrees as follows:

1. Guarantor unconditionally warrants to Choice and its successor and assigns that all of Franchisee's representations and warranties in (a) any application submitted by Franchisee to Choice; and (b) the Franchise Agreement are true, accurate and complete as of the time made as of the date of this Guaranty.

2. Guarantor personally and unconditionally guarantees that all of Franchisee's obligations under the Franchise Agreement, as amended, and all related agreements will be punctually paid and performed.

3. Guarantor agrees that the obligations of Guarantor under this Guaranty shall not be reduced, limited, terminated, discharged, impaired or otherwise affected by: (a) the occurrence or continuance of a default under the Franchise Agreement or any related agreement; (b) any assignment of the Franchise Agreement; (c) any modification or amendment of, or waiver or consent or other action taken with respect to the Franchise Agreement or any related agreement; (d) the voluntary or involuntary liquidation, sale or other disposition of Franchisee's assets, or the receivership, insolvency, bankruptcy, reorganization or similar proceedings affecting Franchisee or its assets or the release or discharge of Franchisee from any of its obligations under the Franchise Agreement; or (e) any change of circumstances, whether or not foreseeable, and whether or not any such change does or might vary the risk of Guarantor hereunder. Any failure by Choice to exercise any power or right or to insist upon Guarantor's compliance with any term under this Guaranty shall not constitute a waiver of Choice's right to demand full compliance with any term of this Guaranty.

4. Guarantor unconditionally and irrevocably waives notice of acceptance of this Guaranty, presentment, demand, diligence, protest and notice of dishonor or of any other kind to which Guarantor otherwise might be entitled under applicable law.

5. Guarantor agrees to promptly pay all sums owed to Choice and its subsidiaries or affiliates, and all damages, costs, and expenses, including reasonable attorneys' fees, that Choice or its subsidiaries or affiliates incur as a result of any default under this Guaranty, the Franchise Agreement, or any related Agreement, including all outstanding fees, any liquidated damages due under the Franchise Agreement, and any costs and expenses that Choice or its subsidiaries or affiliates incur to obtain injunctive relief for the enforcement of any portion of this Guaranty, the Franchise Agreement, or any related Agreement.

6. If more than one person or entity has signed this Guaranty as a Guarantor, the liability of each such Guarantor shall be joint, several and primary. Each Guarantor shall be bound by his/her/its/their signature block below, and such Guarantor's obligations hereunder are not contingent on any other Guarantor being bound hereby.

7. All notices required or permitted under this Guaranty must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Choice at **Choice Hotels International, Inc., 1 Choice Hotels Circle, 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852, Attention: General Counsel**, and to Guarantor at the address set forth below. Any notice by registered or certified mail or by courier service is deemed given and received at the date and time of sending. Guarantor may change its address only by written notice to Choice, and Choice may change our address by written notice to Guarantor.

8. This Guaranty will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction.

9. Except for our claims for indemnification or actions seeking to enjoin you the use of any of our Intellectual Property or the Choice-Related Words in violation of the Franchise Agreement, any controversy or claim founded upon or arising out of or relating to this Guaranty, the Franchise Agreement, or any related Agreement, or to the breach of this Guaranty, the Franchise Agreement, or any related Agreement, will be sent to final and binding arbitration before either the American Arbitration Association, J.A.M.S. or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, except to the extent that the Commercial Rules of the American Arbitration Association may be interpreted to require you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim without our mutual consent. In the event more than one demand for arbitration is filed in connection with this Guaranty, the Franchise Agreement, or any related Agreement, the demand filed with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. The arbitrator will apply the substantive laws of Maryland, without reference to its conflict of laws provision, except that nothing herein shall be construed to establish independently a right to pursue claims under Maryland's Franchise Registration and Disclosure Law. Judgment on the arbitration award may be entered in any court having jurisdiction. If any party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party, notwithstanding its failure to appear. Any arbitration will be conducted at Choice's headquarters office in Maryland. Nothing in this Section will be construed as requiring you or us to make a claim in arbitration before exercising any rights Choice or Guarantor may have to give notice of default or termination in accordance with the terms of this Guaranty.

IN WITNESS WHEREOF, the undersigned have set his/her/its/their hands and seals on the date noted above.

ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO
THE CALIFORNIA FRANCHISE INVESTMENT LAW

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of California. If and to the extent that the California Franchise Investment Law ("California Franchise Investment Law" or "Law") applies to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

The Franchise Agreement requires franchisee to execute a general release of claims upon renewal or transfer of the franchise agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043)).

The Franchise Agreement requires application of the laws of Maryland. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code §1671, certain liquidated damages clauses are unenforceable.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. The Federal Bankruptcy Code also provides rights to franchisee concerning termination of the Franchise Agreement upon certain bankruptcy-related events. If the Franchise Agreement is inconsistent with the law, the law will control.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Maryland with the cost being borne by the parties as determined by the arbitrator. Prospective franchisees are encouraged to consult with private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

This Addendum to the Franchise Agreement (the “Agreement”) pertains to franchises sold in the State of Minnesota. If and to the extent that the Minnesota Franchise Disclosure laws apply to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchisee be given 180 days’ notice for non-renewal of this Franchise Agreement.

2. The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee’s use of franchisor’s trademarks (“Marks”) infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee’s use of franchisor’s trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee’s use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor’s standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

3. Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

4. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days’ notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs

the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

5. According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

6. Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

7. The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

8. Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

9. The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

10. Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

11. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Issuance Date: _____

Maturity Date: _____

\$ _____

«PROP_CITY», «PROP_ST»

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally, hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum of _____ and 00/100 Dollars (\$ _____) ("Principal Amount") as provided for herein.:

1. **Franchise Agreement.** Maker and Holder are parties to a franchise agreement dated _____ (as may be amended or supplemented from time to time, the "Franchise Agreement"). The parties have agreed upon certain conditions pursuant to which Holder will make a loan to Maker pursuant to a promissory note in substantially similar form to this promissory note ("Note"). Capitalized terms used but not defined herein will have the meaning set forth in the Franchise Agreement.

2. **Payment.** Unless otherwise accelerated pursuant to Section 3, this Note matures on the Maturity Date, at which time the entire Principal Amount will be due and payable in full.

3. **Default.** The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note; (2) if any representation or warranty made in connection with this Note is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies ("Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt; and (6) the death of any Maker or the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets. If a Default occurs, the entire Principal Amount will be due and payable in full within fifteen (15) days after Maker's receipt of a written Notice of Default from Holder.

4. **Interest.** If the Principal Amount, or any portion thereof, is not paid on or before the Maturity Date (or such earlier date required by Section 3), this Note will bear interest from the date on which funds are due until paid in full at the annual rate of eighteen percent (18%). The maximum interest rate in California is 10% annually. Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of

the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

5. Confession of Judgment. Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Principal Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

6. General.

No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or will preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due.

If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee. This Note is not assignable by Maker.

If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

This Note shall be governed by and construed in accordance with the laws of the State

of Maryland. Negotiable and payable at the office of: CHOICE HOTELS

INTERNATIONAL, INC., 915 Meeting
Street, Suite 600, North Bethesda, Maryland 20852, Attention: Billing Department.

2. Interest.

2.1 This Note will bear interest on the outstanding Principal Amount only (and not on any previously accrued or unpaid interest) from the date on which funds are advanced to Maker (the "Distribution Date") until the Principal Amount is paid in full at the annual rate of Prime plus two percent (prime plus 2%) (the "Rate of Interest"). "Prime" initially refers to the prime rate quoted by the Wall Street Journal Prime Rate as of the Distribution Date, and during the period in which all or any portion of the Principal Amount remains outstanding, shall adjust from time to time as the rate quoted by the Wall Street Journal adjusts. Rate of Interest will be computed on the basis of a 360-day year ~~and~~ charged for the actual number of days elapsed in each interest calculation period and shall be applied solely to the outstanding Principal Amount. The maximum interest rate in California is 10% annually.

2.2 Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

3. Use of Proceeds. Maker agrees that the entire proceeds of this Note will be used solely for purposes related to the construction and operation of a **Brand** hotel pursuant to the Franchise Agreement.

4. Payment.

4.1 Unless otherwise accelerated pursuant to Section 5.2, this Note matures (.) years from the Opening Date (the "Maturity Date"), at which time the entire Principal Amount, all accrued and unpaid interest on this Note and all other sums due under this Note will be due and payable in full.

4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 5.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.

4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) 1/_th of the Principal Amount (the "Forgiven Amount"), and (b) all accrued interest on the Forgiven Amount.

4.4 Payments on this Note shall be made in lawful currency of the United States of America to Holder, at the address set forth in Section 6.3 of this Note or such other address as Holder may designate by written notice to Maker.

5. Default.

5.1 The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or guaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies

(the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Franchisee enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new **Brand** franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; and (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets.

5.2 If a Default occurs, at Holder's option, the Default Payment Amount (as defined below) will immediately become due and payable by Maker to Holder without notice to Maker or any other person or entity. The "Default Payment Amount" means the sum of: (a) the original Principal Amount less an amount equal to the product resulting from multiplying the original Principal Amount by a fraction, the numerator of which is the number of full calendar years that have elapsed since the Opening Date, and the denominator of which is ten (10) (the amount resulting from this calculation is referred to as the "Amount Due"); plus (b) interest on the Amount Due calculated from the Distribution Date at the Rate of Interest.

5.3 Interest will accrue on the Default Payment Amount at the Rate of Interest until the Default Payment Amount has been paid in full; provided, that if such Default Payment Amount has not been paid in full by the date that is fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually.

5.4 The following provisions are applicable upon the occurrence of a Default: (A) Maker will pay Holder all expenses, costs and attorneys' fees that Holder incurs in connection with Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note, and (B) Holder may exercise any or all other rights, powers and remedies provided for in any instrument, document or agreement now or later evidencing security or otherwise relating to the loan evidenced by this Note or now or later existing at law or in equity or by statute or otherwise.

5.5 **CONFESSION OF JUDGMENT.** Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Default Payment Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

5.6 Maker waives demand, presentment for payment, protest and notice of dishonor and agrees that at any time and from time to time and with or without consideration, Holder may, without notice to or further consent of Maker and without in any manner releasing, lessening, or affecting the obligations of any of them: (1) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to (a) this Note, (b) all or any part of any collateral or security for this Note, and (c) Maker or any of them; and (2) grant any extension or other postponements of the time of payment of this Note.

6. General.

6.1 Cumulative Rights. Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.

6.2 No Waiver; Application of Payment. No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.

6.3 Notices. All notices required under this Note must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Holder at **Choice Hotels International, Inc., 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852, Attention: General Counsel,** and to Maker at the Designated Representative's address identified in the Franchise Agreement. Either Holder or Maker may change the applicable address to which such notices are to be sent by written notice to the other party; provided, that Maker may only change the Designated Representative by written notice to Holder delivered in compliance with the Franchise Agreement. Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

6.4 Severability. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

6.5 Assignment. If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee.

6.6 Choice of Law. This Note is a contract made under, and for all purposes will be construed in accordance with, the internal laws and judicial decisions of the State of Maryland. Maker and Holder agree that any dispute arising out of this Note is subject to the jurisdiction of both the state and federal courts in the State of Maryland. For that purpose, Maker submits to the jurisdiction of the state and federal courts of the State of Maryland. Maker further agrees to accept service of process out of any of the before- mentioned courts in any dispute by registered, certified mail or international courier service addressed to Maker.

6.7 Confidentiality. You agree to keep the provisions of this Note in strict confidence and will not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors that have a need to know. Any unauthorized disclosure is a Default under this Note as defined in Section 5.1 hereto.

6.8 Integration. This document embodies the entire agreement of the parties with respect to this Note. There are no restrictions, promises, representations, warranties, or undertakings other than those expressly set forth or referred to in this document. This document supersedes all prior agreements and understandings between the parties with ~~the~~ respect to this Note.

6.9 Waiver of Trial by Jury. **THE MAKER AND THE HOLDER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH THE MAKER AND THE HOLDER MAY BE PARTIES, ARISING OUT OF OR IN ANY WAY PERTAINING TO THIS**

NOTE. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE.

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum of _____ Dollars (\$_____) (the "Principal Amount"), or such lesser amount as shall then equal the outstanding Principal Amount hereof on the terms and conditions set forth hereinafter, together with interest thereon, as provided for herein. Pursuant to the terms of the Franchise Agreement (defined below), Holder will lend Maker the sum of \$ _____ upon the occurrence of the Opening Date, as defined in the Franchise Agreement. Capitalized terms used but not defined herein will have the meaning ascribed to such terms in the Franchise Agreement.

1. Background and Certain Definitions. Maker and Holder are parties to a franchise agreement dated _____, (as may be amended or supplemented from time to time, the "Franchise Agreement"), which Franchise Agreement, among other items, set forth certain conditions pursuant to which Holder will make a loan to Maker pursuant to a promissory note in substantially similar form to this promissory note (the "Note").

2. Interest.

2.1 This Note will bear interest on the outstanding Principal Amount only (and not on any previously accrued or unpaid interest) from the date on which funds are advanced to Maker (the "Distribution Date") until the Principal Amount is paid in full at the annual rate of Prime plus two percent (2%) (the "Rate of Interest"). "Prime" initially refers to the prime rate quoted by the Wall Street Journal Prime Rate as of the Distribution Date, and during the period in which all or any portion of the Principal Amount remains outstanding, shall adjust from time to time as the rate quoted by the Wall Street Journal adjusts. Rate of Interest will be computed on the basis of a 360- day year ~~and~~ charged for the actual number of days elapsed in each interest calculation period and shall be applied solely to the outstanding Principal Amount. The maximum interest rate in California is 10% annually.

2.2 Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

3. Use of Proceeds. Maker agrees that the entire proceeds of this Note will be used solely for purposes related to the operation of a «**Brand_Name**» hotel pursuant to the Franchise Agreement.

4. Payment.

4.1 Unless otherwise accelerated pursuant to Section 5.2, this Note matures one hundred and twenty (120) months from the Opening Date (the "Maturity Date"), at which time the entire Principal Amount, all accrued and unpaid interest on this Note and all other sums due under this Note will be due and payable in full.

4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 5.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.

4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) 1/10th of the Principal Amount (the "Forgiven Amount"), and (b) all accrued interest on the Forgiven Amount.

4.4 Payments on this Note shall be made in lawful currency of the United States of America to Holder, at the address set forth in Section 6.3 of this Note or such other address as Holder may designate by written notice to Maker.

5. Default.

5.1 The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or guaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all of any portion of the premises to which the Franchise Agreement applies (the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new «**Brand_Name**» franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets; and (7) the death of any Maker unless (i) within 30 days

upon death of a Maker, Holder is notified of such death, and (ii) within 60 days of said notification, this Note is transferred to and assumed

by a new individual within Maker's family, that Holder approves in its sole discretion, by executing Holder's then-current form of Assumption of Promissory Note.

5.2 If a Default occurs, at Holder's option, the Default Payment Amount (as defined below) will immediately become due and payable by Maker to Holder without notice to Maker or any other person or entity. The "Default Payment Amount" means the sum of: (a) the original Principal Amount less an amount equal to the product resulting from multiplying the original Principal Amount by a fraction, the numerator of which is the number of full calendar months that have elapsed since the Opening Date, and the denominator of which is one hundred twenty (120) (the amount resulting from this calculation is referred to as the "Amount Due"); plus (b) interest on the Amount Due calculated from the Distribution Date at the Rate of Interest.

5.3 Interest will accrue on the Default Payment Amount at the Rate of Interest until the Default Payment Amount has been paid in full; provided, that if such Default Payment Amount has not been paid in full by the date that is fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually.

5.4 The following provisions are applicable upon the occurrence of a Default: (A) Maker will pay Holder all expenses, costs and attorneys' fees that Holder incurs in connection with Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note, and (B) Holder may exercise any or all other rights, powers and remedies provided for in any instrument, document or agreement now or later evidencing security or otherwise relating to the loan evidenced by this Note or now or later existing at law or in equity or by statute or otherwise.

5.5 CONFESSION OF JUDGMENT. Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Default Payment Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

5.6 Maker waives demand, presentment for payment, protest and notice of dishonor and agrees that at any time and from time to time and with or without consideration, Holder may, without notice to or further consent of Maker and without in any manner releasing, lessening, or affecting the obligations of any of them: (1) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to (a) this Note, (b) all

or any part of any collateral or security for this Note, and (c) Maker or any of them; and (2) grant any extension or other postponements of the time of payment of this Note.

6.1 Cumulative Rights. Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.

6.2 No Waiver; Application of Payment. No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.

6.3 Notices. All notices required under this Note must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Holder at **Choice Hotels International, Inc., 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852**, and to Maker at the Designated Representative's address identified in the Franchise Agreement. Either Holder or Maker may change the applicable address to which such notices are to be sent by written notice to the other party; provided, that Maker may only change the Designated Representative by written notice to Holder delivered in compliance with the Franchise Agreement. Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

6.4 Severability. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

6.5 Assignment. If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee.

6.6 Choice of Law. This Note is a contract made under, and for all purposes will be construed in accordance with, the internal laws and judicial decisions of the State of Maryland. Maker and Holder agree that any dispute arising out of this Note is subject to the jurisdiction of both the state and federal courts in the State of Maryland. For that purpose, Maker submits to the jurisdiction of the state and federal courts of the State of Maryland. Maker further agrees to accept service of process out of any of the before-mentioned courts in any dispute by registered, certified mail or international courier service addressed to Maker.

The Interim Term starts on the date of the funding of the loan evidenced by this Agreement. The Initial Term starts on the billing date specified by us in our sole discretion (the "Commencement Date"). We shall have no obligations under this Agreement whatsoever until we accept and sign this Agreement at our office and the satisfaction in our sole discretion of all conditions we may specify including our receipt of all documents we specify. COMMENCEMENT AGREEMENT

Ascentium Capital LLC

Agreement No. _____

Date: March

You, the Customer, and Ascentium Capital LLC ("we", "us", "our") have entered into the above referenced equipment lease, equipment finance agreement, secured loan or similar agreement (which may be one or more schedules to a master agreement) ("Agreement") pursuant to which we will be financing the Equipment or Collateral as defined in and described in the Agreement (in either case "Equipment") as set forth in this Commencement Agreement ("CA"). The Equipment is being delivered at various times and the vendor or vendors of the Equipment have to be paid for each item of Equipment at or before its delivery to you. You agree to commence the initial non-cancelable term of the Agreement immediately even though items of Equipment remain to be delivered to and accepted by you from one or more vendors.

NOW THEREFOR, you and we hereby agree as follows:

1. The term of the Agreement will commence on the date of this CA, with the interim term commencing on the date set forth above and the initial term commencing as provided in the Agreement. You acknowledge and agree that notwithstanding the fact that not all items of Equipment have been delivered to and accepted by you as of the date set forth above, the terms and conditions of the Agreement, including your obligation to pay all amounts of rent or debt service set forth in the Agreement, shall commence immediately and, except as otherwise specifically set forth in this CA, irrevocably.
2. You agree to inspect and accept for purposes of the Agreement all undelivered items of Equipment immediately upon their delivery to you. If, when delivered, an item of Equipment is damaged or non-conforming, you agree to cause the vendor in question to repair and/or replace any such item of Equipment and you agree to immediately accept any conforming replacement and/or repaired Equipment for all purposes under the Agreement while continuing to meet all of your payment and other obligations under the Agreement.
3. All amounts anticipated to be disbursed by us on your behalf that have not been disbursed as of the date of this CA will be deemed disbursed by us into a separate holding account for your benefit ("Account"), the contents of which shall be debited by the amount of each subsequent disbursement to vendor(s) as contemplated by this CA. To secure your obligations to us under the Agreement and this CA, you hereby grant to us a security interest in the contents of the Account and any proceeds.
4. The Agreement contemplates a pro-rata adjustment to the payments owed by you under the Agreement in the event the purchase price of the Equipment and other amounts, if any, paid by us on your behalf are higher or lower than those on which the payments set forth in the Agreement are based. Following the delivery and acceptance of all items of Equipment set forth in the Agreement, we shall make any necessary adjustments to the payments as contemplated by the Agreement. You agree that we will have no liability to you in the event we determine to terminate the funding of any vendor because we have determined, in our sole discretion, that there has been a material adverse change in your creditworthiness from that on which we based our approval of the Agreement. In any circumstance contemplated by the preceding sentence, we will continue the Agreement with the Equipment accepted by you and funded by us as of the date we determine to terminate funding the Agreement and we will reduce the amount of each payment of rent or debt service you owe under the Agreement proportionally, taking into account the higher payments made by you up to the date of that determination and any balance in the Account shall revert to us.
5. This CA sets forth the entire agreement of the parties with respect to its subject matter and it may only be amended by a written instrument executed by you and us. In the event of a conflict between this CA and the terms of the Agreement, the terms of this CA shall govern and control, provided however, except as explicitly set forth in Section 4 above, nothing set forth in this CA shall be deemed to affect your obligation to pay and perform all of your obligations as set forth in the Agreement without setoff, abatement or counterclaim. This CA shall terminate and be of no further force and effect following your acceptance and our funding of the last item of Equipment being financed under the Agreement. This CA will be governed by and construed in accordance with the laws of the jurisdiction governing the Agreement.

You agree that a facsimile or other copy of this CA, as executed, shall be deemed the equivalent of the originally executed copy for all purposes.

Such fees may not only cover Creditors costs they may also include a profit.

13-INSURANCE. Debtor agrees to maintain, at Debtor's expense, "Special Form" property insurance protecting the Equipment for its full replacement value, naming Creditor as a loss payee on a "Lender's Loss Payable" endorsement; and public liability insurance, in amounts acceptable to Creditor, naming Creditor as an additional insured (together "Required Insurance"). Debtor must provide Creditor satisfactory written evidence of Required Insurance within thirty

(30) days of the commencement date of this Equipment Finance Agreement or of any subsequent written request. If Debtor does not do so, Creditor may obtain insurance from an insurer of Creditor's choosing in such forms and amounts as Creditor selects ("Insurance"). Insurance covers the Equipment and Creditor only and not Debtor. Debtor shall pay Creditor periodic charges for Insurance ("Insurance Charges") that include: a premium that may be higher than if Debtor maintained Required Insurance separately; a finance charge of up to the implicit rate of the Equipment Finance Agreement on any premium advances made by Creditor or Creditors agents; and billing and processing fees; each of which may generate a profit to Creditor and Creditor agents. If Debtor fails to pay billed Insurance Charges within 30 days of their due date, Creditor may pay them by applying funds paid under the Equipment Finance Agreement or debiting Debtor's account under any previously authorized automatic payment. Debtor agrees to arbitrate any dispute with Creditor or Creditor agents regarding Insurance or Insurance Charges under the rules of the American Arbitration Association in Los Angeles, California; provided however, such agreement does not authorize class action arbitration. At Creditor's election, in lieu of obtaining or continuing Insurance, Creditor may require Debtor to pay a monthly additional fee up to 2% of the Equipment Cost. This fee is not calculated with reference to additional risk and constitutes additional profit for Creditor, but represents the basis on which Creditor is willing to forbear from exercising remedies and continue this Agreement without Required Insurance. Debtor will receive no insurance coverage and will not be released from any obligations. Creditor is not selling insurance. Creditor will cease charging the additional fee or billing for Insurance 30 days after Debtor provides satisfactory proof of Required Insurance and compliance with this section.

14-CREDITOR'S PAYMENT. If Debtor fails to perform any of its obligations hereunder, Creditor may perform such obligation, and Debtor shall (a) reimburse Creditor the cost of such performance and (b) pay creditor the service charge contemplated in paragraph 21.

Debtor shall indemnify, defend and hold Creditor harmless against any claim, action, liability or expense, including attorneys' fees and court costs, incurred by Creditor related to this agreement. 17-REMEDIES. Upon the occurrence of an event of default Creditor shall have the right, options, duties and remedies of a secured party, and Debtor shall have the rights and duties of a Debtor, under the Uniform Commercial Code (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction */herein the rights or remedies are asserted) and in connection therewith Creditor may: (a) declare the Casualty Value or such lesser amount as may be set by law immediately due and payable with respect to any or all Items of Collateral without notice or demand to Debtor; (b) take possession of and, if deemed appropriate, render unusable any or all Items of Collateral, without demand or notice, wherever located, without any process of law and without liability for any damages occasioned by such taking of possession including damages to contents; (c) require Debtor to assemble any or all Items of Collateral at a location in reasonable proximity to their designated location hereunder; (d) upon notice to Debtor required by law, sell or otherwise dispose of any Items of

This obligation includes the payment of such amounts whether an action is filed and whether an action which is filed is dismissed.

19-ASSIGNMENT. Without the prior written consent of Creditor, Debtor shall not sell, lease or create or allow any lien other than Creditor's security interest against an Item of Collateral or assign any of Debtor's obligations hereunder. Debtor's obligations are not assignable by operation of law. Consent to any of the foregoing applies only in the given instance.

Creditor may assign, pledge or otherwise transfer any of its rights but none of its obligations hereunder without notice to Debtor. If Debtor is given notice of any such assignment, Debtor shall acknowledge receipt thereof in writing and shall thereafter pay any amounts due hereunder as directed in the notice. The rights of an assignee to amounts due hereunder shall be free of any claim or defense Debtor may have against Creditor, and Debtor agrees not to assert against an assignee any claim or defense which Debtor may have against Creditor.

FAIR FRANCHISING POLICY

(Updated January ~~2025~~2026)

Choice Hotels International, Inc. (“Choice,” “we,” or “us”) and our franchisee(s) (“Franchisee”, “Franchisees”, or “you”) share substantial interests in the success of our brands, as well as the worldwide lodging system they comprise (“System”). Choice and its Franchisees all benefit when Choice considers System interests first when making policies. For these reasons, Choice has adopted the following guiding principles, which may be modified from time to time at our sole discretion. Any substantive changes to this policy will be conducted in consultation with our Franchisee Associations.

Mission Statement

Both Choice and our Franchisees have a responsibility to build and maintain the System. At the individual property level, it is your responsibility to represent your hotel’s brand in a manner that continually builds brand equity; and we are responsible for confirming that general System and individual brand standards are met throughout the entire Choice franchise System.

Even under the best of circumstances, however, we realize that situations can arise that may create conflict between Choice and our Franchisees. Accordingly, Choice maintains this fair franchising policy (“Fair Franchising Policy”) to help us mutually address these situations. The Fair Franchising Policy contains standards relating to the System and is available for review at any time. We also have an Ombudsperson and Vice President of Owner & Portfolio Strategy dedicated to addressing any conflicts between Choice and Franchisees in a manner that is fair and non-retaliatory to all parties concerned. We encourage you to contact any member of our Fair Franchising Department to discuss the Fair Franchising Policy or any concerns that you have regarding your relationship with Choice.

Impact

Choice and Franchisees agree that every Choice brand, each property, and the entire System benefit from strategic growth and strong brand awareness.

Impact Policy.¹ In some cases, a Franchisee may believe that a third party’s application for a new Choice franchise is too close in proximity to the Franchisee’s existing property. To address this concern, Choice has instituted an incremental impact policy (“Impact Policy”), which has been benchmarked with our competitors and tailored to carefully balance the rights of existing Franchisees with the need for growth that benefits our entire System. The Impact Policy permits a Franchisee (in good standing) to object to the grant of a same-brand franchise, if the applying franchise is within a specified radius of the existing Franchisee’s property.

Under the Impact Policy, we will notify both your designated representative and the general manager of your property: (i) by electronic mail, if we have received an application for a hotel of a different brand than your hotel, the proposed hotel is within 5 miles of your existing property, and your existing brand is covered by the Impact Policy; (ii) in writing (via express mail to the designated representative and via first-class mail to the general manager), if we have accepted an application for a same-brand hotel and the applying franchise is within a specified radius of your property; or (iii) by telephone, if you are an applicant and we have received an additional application for a same-brand hotel to be located within the Area of *Enhanced Protection* (as defined more fully in the Impact Policy) of your proposed hotel.

First opportunity to develop in franchisee’s Area of Enhanced Protection (AOEP). In addition to the

¹ As of the date of this Fair Franchising Policy, the Impact Policy applies only to the following brands: Clarion, Comfort, Econo Lodge, MainStay Suites, Quality, Rodeway Inn, and Sleep Inn.

objection rights described above, each existing franchisee in good standing with Choice will have the option of submitting an application for a new same-brand hotel within its AOEP before Choice will approve a same-brand application within that AOEP from another prospective franchisee. Specifically, Choice will permit existing franchisees to submit an application for a same-brand property within 15-calendar days of being notified of a proposed application by another prospective franchisee, and the existing franchisee will receive preference in the application for a same-brand property. In making a final decision, however, we will also consider other factors, such as site location, financing, relative strength of each application and Choice's past experience with the existing franchisee. Finally, our Franchise Development team will inform the existing franchisee of our decision before we grant final approval of an application for a same-brand hotel within that franchisee's AOEP.

Consultation. As has been our practice, we will continue to consult with our Franchisees on amendments and modifications to the Impact Policy. For more information, please refer to our **Impact Policy**, at www.choicecentral.com or call the Fair Franchising Department for a detailed explanation of our Impact Policy.

Exercise of Contractual Outs

Company Philosophy. Choice is committed to meeting the evolving needs of its guests across all of its brands and driving continued brand equity. It is imperative that each hotel delivers a top-notch, consistent experience to every guest, every time. Our brands are as strong as their weakest performer, so if a guest has a bad experience at one hotel, it adversely impacts us all and the System. Not only should each hotel be clean, in good condition and in working order, they should be modern, up-to-date, and competitive within their markets. Choice's contractual out evaluation process was created to ensure that we all meet these objectives.

Contractual Out Evaluation Process. For some brands the franchise agreement may include a mutual right to terminate the franchise agreement on the 5th, 10th, or 15th anniversary of the Opening Date by providing advance written notice.² Choice reviews every active property prior to these anniversaries and evaluates the following aspects of the hotel:

- How well does the hotel meet guest expectations as measured by Guest Insight System ("GIS") scores and customer complaints?
- How do the hotel's GIS scores and guest complaints compare to other hotels within its brand?
- How strongly does the hotel compete in its local market as determined by Smith Travel Research (STR) reports compared to both local competitive set and tract chain scale?
- What is the hotel's historic pass/fail rate for Quality Assurance ("QA") inspections?
- Has the hotel been defaulted in the past for any reason, including but not limited to QA, After Entering System ("AES"), credit or legal reasons?
- How does the physical plant of the hotel compare to its competitive set within its market?
- How does the physical plant of the hotel compare to other hotels within its brand?
- If there are gaps between the property and its competitive set or peers, can the property be updated cost-effectively?

² As of the date of this Fair Franchising Policy, there is no mutual right of termination in the standard form of franchise agreement for Woodspring. For Comfort, the standard form of franchise agreement includes a mutual right of termination on the 5th anniversary of the Opening Date for only conversion properties. For Cambria, the standard form of franchise agreement provides for a mutual right of termination on the 10th and 15th anniversary of the Opening Date. Similarly, the Mainstay and Sleep form of franchise agreements provide for the same mutual termination right but these apply only to new construction properties. For Rodeway, the standard form of franchise agreement includes an annual mutual termination right on each anniversary of the Opening Date.

Risk Factors. In keeping with Choice’s philosophy, we review in detail the aggregate results of these questions referenced above for each hotel. In particular, we take into account any unique aspects of the

hotel’s market or its guest base. There is no standardized formula that is applied to every hotel and each situation is evaluated independently. Furthermore, typically Choice reserves the right under the franchise agreement to exercise its contractual out for any reason or no reason at all, subject to state law. There are certain factors, however, that place a property at greater risk that Choice typically will exercise its contractual out, including but not limited to (subject to state law):

- The property’s Likelihood to Recommend (“LTR”) score places it in the bottom third of its brand for the most recent 12 month period.
- The property has guest complaints per thousand (“CPT”) higher than the brand average for the most recent 12 month period.
- The property has a history of shifting between passing and failing scores on QA inspections.
- The property passes its QA inspections but only minimally.
- The property performs below the tract chain scale as determined by STR.
- The physical plant of the property is outdated, worn, and/or in poor condition.

Note on Comfort Inn: To achieve the brand’s goal of becoming one of the top 3 brands in the Midscale without Food & Beverage segment, all Comfort Inn properties must be held to a higher standard in terms of both guest satisfaction and physical representation. For example, the outside appearance of the hotel must meet or be able to achieve a consistent, above-average guest experience when compared to other hotels within the brand and to its national competitive set, which includes Holiday Inn Express and Fairfield Inn.

If the physical plant of a Comfort Inn property resembles economy-level competitors in the market due to its room size, lobby size, public space, corridor type (interior v. exterior), single loaded v. double loaded, or other aspects, then Choice may elect to exercise its contractual out or, if desirable, discuss the potential for the property to reposition to another Choice brand.

Management Committee. Due to the importance of these decisions and their impact on both Choice and the Franchisee, no single person at Choice has the ability to exercise a contractual out. All decisions to exercise this right are made by a Committee and must be unanimously supported by each member of that Committee. The Management Committee is comprised of representatives from:

- Fair Franchising
- Owner & Portfolio Strategy
- Legal
- Development
- Services
- Credit

Contractual Out Notification Process. Approximately eighteen (18) months prior to a contractual out, a representative from Choice will contact the Franchisee’s Designated Representative if:

1. Choice is considering whether to exercise its contractual out and feels that a Product Improvement Plan (“PIP”) is necessary to continue the relationship.
 - The Franchisee’s Designated Representative will receive a letter explaining Choice’s position and the PIP process. A copy of the letter will be sent to the hotel’s General Manager.
 - Once the PIP is prepared, the Franchisee’s Designated Representative will receive a phone call from a member of Choice’s Owner & Portfolio Strategy department to discuss the scope of work to update the property. (See below)

2. Choice has decided to exercise its contractual out.

- The Franchisee's Designated Representative will receive a phone call from Choice to discuss the decision.
- If Choice is unable to reach the Franchisee's Designated Representative by phone, Choice will send a letter notifying the hotel of its attempts to contact the Designated Representative by phone and requesting the hotel contact Choice immediately. If Choice is unsuccessful in contacting the Franchisee, then Choice will release a formal Notice of Termination letter generally twelve (12) months prior to the contractual out date. Individual franchise agreements may contain different notice periods. If that is the case, those notice periods will apply, however Choice will attempt to provide as much notice as is reasonably possible.

Please note that each Franchisee is obligated to maintain accurate contact information with Choice. If the Franchisee's Designated Representative name, address, or telephone number on file is no longer valid, then Choice cannot be held responsible for any resulting delays in reaching the Franchisee.

Product Improvement Plans. In many cases, Choice will agree to continue its relationship based on an agreed scope of work to update and refresh the property and/or additional training. These requirements will be detailed in the PIP. If Choice and the Franchisee's Designated Representative cannot finalize and execute the PIP twelve (12) months prior to the contractual out date, then Choice may issue a Notice of Termination to the Franchisee's Designated Representative.

This Notice of Termination can be rescinded if subsequent discussions result in a mutually agreeable PIP Addendum that is executed by both parties within 30 days of the Notice of Termination letter.

Options Available to Properties. There are 4 options available to properties where Choice has exercised its contractual out:

1. Reposition to Another Choice Brand

In many cases, there will be another Choice brand available in the market for the hotel to consider. There may be many financial benefits to remaining with the Choice System rather than exiting the System completely. When Choice calls the Franchisee's Designated Representative to inform them that Choice is exercising its contractual out, he or she will discuss the availability of this option.

2. Replace the Existing Hotel

Many owners prefer to replace their hotel with a newer product in their market. Please let a Choice representative know your interest in this option and the appropriate person will contact you.

3. Appeal the Decision

If a Franchisee's Designated Representative would like to appeal a contractual out decision, then a letter detailing the request and the reasons for appeal should be emailed to the contact person on the termination notice. Upon receipt of the appeal request, a confirmation email will be sent within approximately 48 hours. The Management Committee will generally review the appeal within 7-10 business days following the receipt confirmation. The Franchisee's Designated Representative will receive the results of the Committee review via email.

4. Early Termination following Choice's exercise of a window.

When Choice exercises its option to terminate a franchise agreement at a contractual out, and a franchisee in good standing wishes to leave the Choice system before the agreed-upon termination date, Choice will take special consideration, on a case-by-case basis, in reviewing a franchisee's request to discount or waive any liquidated damages that may be owed due to the early termination.

Non-retaliation. In deciding whether to exercise our contractual out, Choice will not discriminate or retaliate against a property that has requested or is in the process of requesting an impact study or has challenged some other action taken by Choice.

Marketing and Reservation Services Funds:

Consultation. Choice is committed to the practice of consulting with its applicable franchisee association(s) on certain marketing campaigns the company undertakes and generally on the use of monthly fees designated for marketing, and reservation services. The franchise associations also are consulted on changing the amounts of those fees.

Disclosure. Upon request, Choice will make available to Franchisees its unaudited financial statements for those portions of Marketing and Reservation fees that are designated for marketing and reservation services purposes. Choice has no obligation to separate incomes or expenditures between Choice brands. Moreover, as a public company, Choice will continue to report its Marketing and Reservation fees (including marketing and reservations fees) in accordance with GAAP (generally accepted accounting principles) on its income statements, which are reviewed and published quarterly.

Corporate Ethics:

Ethical Conduct. Choice expects all Choice associates, franchisees and vendors to practice “good faith and fair dealing” in all business matters. All Choice associates are subject to a corporate ethics policy that mandates certain standards of conduct. In addition, your franchise agreement contains provisions that require you to operate your franchise in a manner that does not negatively impact Choice and the brand or violate any laws.

Termination for Cause:

Liquidated Damages. For most brands, if the standard franchise agreement is terminated before the end of its term, we have generally capped both pre-opening and post-opening liquidated damages at 36 months of historical royalty fees (membership fees for Ascend properties) and the formula applicable to each brand.³ The collection of liquidated damages is to account for Choice’s future lost royalty fees. Individual franchise agreements may contain different terms, and your agreement will control the amount of liquidated damages you will have to pay.

Extraordinary Circumstances. If you encounter extraordinary, unforeseen circumstances (such as the death of franchisee, environmental issues, permanent disabilities, etc.) that affect your ability to operate your franchise in good standing, it is your responsibility to contact us in a timely manner to work towards possible resolutions. In these instances, we will attempt in good faith to find a mutually acceptable resolution to the particular situation.

Transfers:

Family Transfer.⁴ If you wish to transfer your franchise to a close adult family member (e.g., current spouse, parent, child, sibling, grandchild or grandparent) (“Close Family Member”), that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate your franchise in accordance with Choice standards before we will approve a transfer, among

³ Typically, 60 months of historical royalty fees for Cambria. In addition, typically 60 months historical royalty fees for Post-Opening liquidated damages for Suburban and MainStay Hotels.

⁴ Ascend Membership Agreements allow a transfer to a close family member for estate planning purposes and does not include a transfer to a Close Family Member based on death and mental incapacity.

other requirements. If the transfer to a Close Family Member occurs outside of circumstances involving death and/or mental incapacity, you must pay an application fee (not to exceed \$7,500), which will be fully refunded if we do not approve the transfer. The terms of your franchise agreement may differ and, in that case, the terms of your agreement may override the family transfer provision described above.

Supplier Options:

Vendor Exclusivity. Our Procurement Services Department maintains a list of “Qualified Vendors” of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. We frequently solicit feedback from the elected members of our franchisee associations before implementing new brand standards or vendor requirements. Additionally, for most products and services, we attempt to identify 3 or more vendors who are capable of meeting our brand standards.

Building Brand Equity:

Quality Assurance Reviews. Our entire System benefits from positive brand equity. Building brand equity begins at the local level with how you operate your hotel and also includes Brand Standards or Rules and Regulations that we communicate to you in order to ensure that each of our hotels is meeting or exceeding customer expectations.

Brand Standards or Rules and Regulations, as applicable, change from time to time to reflect changing customer trends and in response to our competition. Where applicable, we will consult with the various brand associations regarding significant changes contemplated for the Brand Standards/Rules and Regulations before implementation, and we will provide our franchisees with a reasonable period to absorb such changes financially.

In addition, each of us has an obligation to your guests to require that your hotel meets or exceeds our brand-specific performance and quality standards. In that regard, we will continue to apply our Quality Assurance process in a fair and impartial manner. If at any time you wish to dispute your Quality Assurance scores, you may make an appeal to the Brand Standards & Compliance.

Database Information:

Prohibited Uses. We have agreed not to share individual, hotel-specific property reservation data for the sole purpose of selling new franchises.

Dispute Resolution:

There are two mechanisms for handling disputes. The first is an informal process, and the second is through arbitration.

Informal Process. We have found that certain disputes with our franchisees can be handled locally or through our established organizational structure. Our Ombudsperson and ~~Vice President~~[Head of Owner & Portfolio Strategy Relations](#) both provide a retribution-free outlet for our franchisees to share their concerns regarding fairness.

Arbitration. The terms of the franchise agreement (which control) generally require all franchise disputes to be resolved by submitting the claim to binding arbitration before the American Arbitration Association or alternative arbitration groups.

EXHIBIT L

Choice Hotels International Incremental Impact Policy

(Updated April 2025)

Choice Hotels International, Inc. ("Choice") establishes this domestic Incremental Impact Policy ("Policy") to assist Choice and Choice's franchisees ("you") in pursuing the important mutual goals of i) avoiding an unfair depletion of your room revenues through same-brand competition, and ii) expanding the various Choice hotel brand systems.

Under this Policy, your hotel will be granted an Area of Enhanced Protection in which Choice will not generally grant hotel franchises for the same brand as your hotel. Additionally, you will be granted the right to object to (and, possibly, to exclude) same-brand franchises that are proposed to be located within a specified radius from your hotel determined by the market and location of the applying franchise. Finally, this Policy grants you certain other objection rights if your hotel is newly constructed, is located within a declining market or has recently had an incremental impact study conclude in its favor. If you have a negotiated exclusive territory in your contract and waived rights outside of that negotiated territory, impact policy rights do not apply.

I. **Definitions:**

- **Incremental Impact** - For the purposes of this Policy, "incremental impact" means that portion of projected room revenue loss for an existing Choice hotel which is **solely** attributable to the subject applicant's proposed hotel being part of the same Choice hotel brand system.
- **Good Standing** - For the purposes of this Policy, a Choice hotel is in "good standing" if:
 - It is not 90 days past due on its franchise and related fees or assessments without Choice approved repayment plan in place; (See Interpretational Note No. 1);
 - It has not failed the most recent Quality Assurance or Property Improvement Plan ("PIP") Inspection;
 - It is not subject to a notice of non-renewal or termination; and
 - It is not subject to a notice of default for a material obligation under its Franchise Agreement (and other related agreements) after expiration of any applicable cure period.

II. **Area of Enhanced Protection:**

Each Choice hotel is hereby granted an Area of Enhanced Protection for such time as it remains in good standing. The Area of Enhanced Protection for your hotel is determined by identifying your hotel's appropriate market category in the chart below (e.g., Primary/Airport) and is expressed in terms of radial miles from your hotel. The pre-defined market categories set forth in the chart and your hotel's appropriate placement within these categories will be determined from Smith Travel Research data, if available (See Interpretational Note No. 3).

	Primary	Secondary	Tertiary
Airport	1	5	7
Highway	2	5	7
Urban	.5	1.5	5
Resort	1	5	7
Suburban	2	5	5
Small Town Metro	2	5	7

Except as set forth below, Choice will not grant a franchise for a same-brand hotel within your hotel's Area of Enhanced Protection.

- o ***When Choice Can Approve an Application Within Your Hotel's Area of Enhanced Protection:***

Notwithstanding the Area of Enhanced Protection granted to your hotel above, Choice will initiate an incremental impact study, providing your hotel is in good standing, when it receives a franchise application for a same-brand hotel to be located within your hotel's Area of Enhanced Protection if Choice determines that the market containing your hotel is inadequately served by that Choice brand system. You must formally object to the application in order for Choice to initiate the incremental impact study. If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections, Choice may grant the proposed franchise. You will select the consulting firm to perform the incremental impact study from the approved consultant list and Choice will pay for the study, regardless of the outcome.

III. Your Objection Rights for Applications Outside Your Hotel's Area of Enhanced Protection:

In addition to the Area of Enhanced Protection granted in Section II, you have the right to object to (and, possibly, to exclude) any franchise application for a same-brand hotel, if your hotel is located within a specified radius of the location of the applying franchise. The notification areas are determined by identifying the applying franchise's appropriate market category in the chart below and is expressed in terms of radial miles.

Primary	Secondary	Tertiary
7	10	15

You can object by following the procedures set forth below:

- o ***Notice to You of an Application Received by Choice:***

Choice will notify, in writing, your Designated Representative and the General Manager of your hotel of any franchise application for a same-brand hotel to be located within the specified notification areas noted above. In addition to same-brand notification, Choice will also notify by email all other Choice

branded hotels included in the Impact Policy within a 5-mile radius of the proposed hotel. You will have the right to object to a franchise application, however, only if it is for a same-brand hotel to be located within the specified notification areas. If requested, Choice will deliver the above notice by fax. You should address written requests for faxed notification to:

*Ms. Shellome Pinnock Ombudsperson
915 Meeting Street Suite 600
North Bethesda, MD 20852 (301) 592-6165
FAX (301) 592-6360*

Please include your property code and the name, address and fax number of the person to whom the notice should be faxed.

o ***Your options upon receiving a notice:***

You may object to a franchise application for a same-brand hotel to be located within the specified notification areas if your hotel is in good standing at the time Choice issues notification of the application, provided your hotel does not subsequently become subject to a notice of non-renewal or termination. You may object by electing either or both of the objection options set forth below:

Option A: Letter Objection

You may write a Letter Objection and deliver it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of a franchise application for a same-brand hotel, providing Choice with information you would like us to consider when reviewing the application. Before acting upon the application, Choice will fairly consider your letter and any information you submit in support.

Choosing to exercise Option A does not preclude you from also exercising Option B, provided you do so in a timely manner.

Option B: Formal Objection

You may file a Formal Objection to a franchise application for a same-brand hotel by completing an "Incremental Impact Form" (attached hereto) and delivering it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of the application. This option must be selected for you to be eligible to request an incremental impact study.

Upon sending your Formal Objection, contact the Ombudsperson or another representative of Choice if you would like to discuss your objection ("impact discussion"). If this impact discussion does not resolve your objection concerns, you may request an independent incremental impact study by an approved hotel consulting firm that you choose from the attached list. Each firm is a member of the International Society of Hospitality Consultants and is experienced in performing incremental impact studies. Your request for an incremental impact study must be made in writing to the Ombudsperson within 5 business days after receipt of the impact study correspondence sent

by Choice and must include a check for the full incremental impact study fee made payable to Choice Hotels International. During that 5-day period, you may request an extension of the 5-day period, which Choice may, in its sole discretion, grant under compelling circumstances. The amount of the incremental impact study fee charged by each individual consulting firm is set forth on the approved list (and may be exclusive of expenses). The consulting firm you select will be contacted by Choice. If the selected firm cannot complete the study within 28 days, you will be contacted by the Ombudsperson and asked to select another consulting firm. You must notify the Ombudsperson of your new selection within 48 hours.

Following receipt of the incremental impact study results (approximately 28 days), Choice will deny the subject application if the study concludes that the proposed franchise will result in incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. Moreover, if you signed your franchise agreement for a new construction hotel within 18 months prior to Choice's issuance of notification of the subject application, Choice will deny the application if the incremental impact study concludes that the proposed franchise will result in incremental impact of more than a 3% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. If Choice denies the application due to the results of the incremental impact study, Choice will refund the incremental impact study fee you paid.

If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction (or 3% reduction, if applicable) in your hotel's annual gross room revenues in each of the first 3 years of projections, Choice may approve the subject application in its sole discretion. In that event, you will forfeit the incremental impact study fee you paid and you will be obligated to remit the balance of any fees or expenses due the consulting firm by submitting a check payable to Choice Hotels International.

If your hotel is a designated winner of a Gold or Platinum Award at the time you file your Formal Objection, Choice will bear the cost of the incremental impact study regardless of the outcome.

Choice will refund any incremental impact study fees you paid if the franchise you objected to is terminated due to failure to commence construction or to complete a BES addendum.

IV. Your Additional Rights:

Along with the rights granted to you in Sections II and III, you are granted the following additional rights:

- If an incremental impact study concludes against your hotel's favor, you may request a second incremental impact study ("second study") not less than 365 days and not more than 400 days after the hotel you objected to ("new hotel") opens to the public. In the event the second study concludes that the new hotel resulted in an incremental impact of more than a 5% reduction in your hotel's gross room revenues in the first year of the new hotel's operation, you may terminate your Choice Franchise Agreement, without payment of liquidated damages. You must submit the applicable incremental impact study fee at the time you request the second study, and the fee will

be non-refundable, regardless of outcome.

- If an incremental impact study concludes in your hotel's favor, Choice will not, for a period of 12 months following the study, accept any franchise applications for a same-brand hotel to be located within your hotel's submarket (as such submarket is defined by the previous study).
- Choice will not approve any franchise application for a same-brand hotel to be located within your hotel's market tract (as such market tract is defined by Smith Travel Research) if your hotel is in a declining market, is operating below a 52% annual occupancy, is in good standing at the time Choice issues notification of the application and is operating at a RevPAR yield of at least 95% of your hotel's local competitive set. You must notify Choice in writing that you believe you qualify for the protections afforded by this paragraph within 15 days after Choice issues notification of a same-brand franchise application.

V. Choice's Right to Replace Franchises

Notwithstanding the Area of Enhanced Protection granted in Section II or the additional rights of exclusion granted in Sections III and IV, Choice reserves the right to replace any franchise which has departed or which is scheduled to depart from a Choice brand system ("departed/departing franchise") with a same-brand franchise, located anywhere within the Area of Enhanced Protection of the departed/departing franchise. Choice, however, will not grant a replacement franchise if it is to be located within the Area of Enhanced Protection of a same-brand hotel in good standing, unless the departed/departing franchise was/is already located in such same-brand hotel's Area of Enhanced Protection.

For the purpose of this provision, a "departed/departing franchise" means any open hotel, executed franchise agreement or approved franchise application. Moreover, Choice will not grant a replacement franchise if the replacement hotel would entail more than a 50% increase in the number of rooms over that of the departed/departing franchise. If a replacement franchise is to be granted for a hotel to be located within a specified radius from your hotel, determined by the market and location of the applying franchise, we will notify you of this action.

VI. Scope and Term of This Policy

This Policy shall apply to all Choice hotels that are part of the Clarion, Comfort, Quality, Sleep, Econo Lodge, Rodeway, or MainStay brands (including all hotels that are part of any sub-segment of those brands, such as Comfort Suites, for example) and that are located in the United States of America (including all not-yet-operating hotels that are subject to a Choice Franchise Agreement) and its provisions shall be in effect until such time this Policy is withdrawn, amended or modified. Any withdrawal, amendment or modification of this Policy shall be within Choice's sole discretion.

Interpretational Notes

1. In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, Choice will consider the payment history for the Monthly Franchise Services Invoice. The Monthly Franchise Services Invoice does not include Travel Agent Commissions.

In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, a hotel will be considered "past due" only if it has been 90 days late beyond the contractual due date in making payment on the Monthly Franchise Services Invoice over the payment history period being considered without a repayment plan in place.

2. If a property has expressly waived impact rights to a specific brand, such property's rights under this Policy, including the Area of Enhanced Protection, do not apply to applications within that specific brand system.
3. With respect to the Area of Enhanced Protection chart set forth in Section II of the Impact Policy, the following terms shall be defined as follows:

Primary: All market tracts contained **within any of the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply.

Secondary: All market tracts contained **within all BUT the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply

Tertiary: All market tracts contained **within any of the Non-Metropolitan Statistical Areas** identified by Smith Travel.

Resort hotels in cities located in Tertiary (Non-MSA) markets

Primary: Cities with over 2,000 resort rooms
Secondary: Cities with 1,000 – 1,999 resort rooms
Tertiary: Cities with less than 1,000 resort rooms

Re: «Contract_Brand» «Contract_Product» «Contract_Legal_Sec_Name»
(«Contract_Property» - «Contract_Contract_ID»)
«Contract_Property_Address_for_ChoiceMap» (the "Hotel")

Dear Lender:

Choice Hotels International, Inc. ("Franchisor") and «Customer_Customer_Name» ("Franchisee") are parties to a Franchise Agreement dated «Contract_EffectiveExecution_Date» (as amended, the "Franchise Agreement"). The Franchise Agreement permits Franchisee to operate the Hotel as a «Contract_Brand» «Contract_Product»® hotel.

As of the date of this letter agreement, the Franchise Agreement is in full force and effect, Franchisee is in good standing with Franchisor, and Franchisor has not issued a notice of default under the Franchise Agreement which has not been cured; and to the best of Franchisor's knowledge and belief, Franchisee is not currently in default of the Franchise Agreement. "Franchisor's knowledge" means the actual knowledge of obvious Hotel development, construction, and operational matters regularly reviewed by company employees who have given their attention to such matters in the ordinary course of business and does not include any investigation by those employees or others of other matters or beyond their usual and customary reviews of the Hotel, nor does it include constructive notice of matters or information located in public or Hotel records. "Default" means matters which have been the subject of an actual notice of default under the Franchise Agreement and does not include matters which are or may be in process, under discussion, or otherwise addressed.

_____ ("Lender") and Franchisee have informed Franchisor that Lender has issued a commitment to loan funds (the "Loan") to Franchisee to be used for the direct benefit of the Hotel and secured by the Hotel.

Lender and Franchisee have requested that Franchisor enter into this letter agreement (the "Comfort Letter") and have submitted the nonrefundable current processing fee. The undersigned parties agree as follows:

1. Opportunity to Cure Defaults.

(a) Notice and Cure Period. Franchisor will copy Lender on any notice of default or termination issued to Franchisee under the Franchise Agreement. To the extent any default is curable, Lender shall have the right, but not the obligation, to cure the default within a cure period of fifteen (15) calendar days for monetary defaults or forty-five (45) days for non-monetary defaults beyond the expiration of the cure period, if any, given to Franchisee ("Lender's Cure Period"). For non-monetary default, Lender must provide notice to Franchisor of Lender's intended method to cure the non-monetary default.

(b) Non-Monetary Default Requiring Possession to Cure. In the event of a non-monetary default, Lender must obtain Franchisor's prior written consent to apply for the right to acquire the Hotel (the "Acquisition"). Lender must provide notice to Franchisor in accordance with Section 1(a) of this

Lender Comfort Letter|2022- «Contract_Property» 3/4/24

Comfort Letter, and has, upon request, one hundred eighty (180) calendar days (“Additional Period”) commencing at the expiration of Lender’s Cure Period to complete the Acquisition, through foreclosure or other appropriate proceedings. To request the Additional Period, Lender must: (i) notify Franchisor no later than the date it commences proceedings (or promptly after action is stayed or enjoined) that Lender wants the Additional Period; (ii) commence proceedings within Lender’s Cure Period and diligently prosecutes such proceedings to completion; and (iii) comply with the obligations of Franchisee under the Franchise Agreement not being performed by Franchisee during the Additional Period, including payment of all monetary obligations but excluding those obligations that can only be performed by Franchisee or which Lender cannot perform without ownership of the Hotel. If requested by Lender, Franchisor may extend the Additional Period, at Franchisor’s determination taking into consideration the period of time that may be necessary to complete the foreclosure or other proceeding in the applicable jurisdiction and any period of time during which such action has been stayed or enjoined. If Lender fails to timely request the Additional Period, Lender acknowledges that the Franchise Agreement terminates pursuant to Franchisor’s notice of default and termination.

(c) Foreclosure. If Lender commences a foreclosure or other proceeding intended to result in the Acquisition but Franchisor has not issued a default notice to Franchisee or Lender has cured Franchisee’s default during Lender’s Cure Period, Lender may exercise the rights under this Comfort Letter if Lender (i) notifies Franchisor of its proceeding as required by this Comfort Letter and confirms its intention to proceed under the terms of this Comfort Letter and (ii) subsequently completes its Acquisition within one hundred eighty (180) calendar days of the date Lender commenced its proceeding (as such one hundred eighty (180) day period may be extended by Franchisor in its determination if requested by Lender, which determination shall take into consideration the period of time required to complete a foreclosure in the applicable jurisdiction, and any period of time in which Lender’s action has been stayed or enjoined). Lender must also comply with the obligations in Paragraph 1(b)(iii) while the Acquisition is pending. Franchisor acknowledges and agrees that an Acquisition shall not be deemed a sale or lease of the Hotel under the Franchise Agreement, nor a violation of any control or transfer provisions of the Franchise Agreement, and shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement.

(d) Franchisor’s Rights to Terminate Franchise Agreement. Notwithstanding any other provision of this Comfort Letter, and without limiting Franchisor’s right to terminate the Franchise Agreement, Franchisor may terminate the Franchise Agreement if any of the following occur:

(i) Franchisee’s default or any subsequent default, in the sole opinion of Franchisor, damages the image or reputation of Franchisor or any brand name owned and/or licensed by Franchisor; (ii) Franchisor is required to terminate the Franchise Agreement by court order or action of any trustee in bankruptcy or debtor in possession of the Hotel; (iii) the Additional Period expires without other arrangements, satisfactory to Franchisor in its sole discretion, having been entered into between Franchisor and Lender; or (iv), as applicable, Franchisor has the right to terminate the Franchise Agreement without cause under Section 3 of the Franchise Agreement.

(e) Expiration of Franchise Agreement. Nothing in this Comfort Letter will extend the Franchise Agreement beyond its stated Term.

2. Elections Upon Lender Acquisition.

(a) Election Not to Operate. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1, Lender may elect not to continue operating the Hotel under the terms of the Franchise Agreement. In such event, Lender must give written notice to Franchisor within thirty (30) calendar days after the Acquisition of its election not to operate. Upon receipt by Franchisor of such notice, Franchisor shall terminate the Franchise Agreement in accordance with the terms thereof. Upon such termination of the Franchise Agreement pursuant to this Paragraph, Lender shall not be liable for any termination fees or liquidated damages for early termination. Lender shall be solely liable for all fees and obligations of Franchisee that accrued during the time period from the date of the Acquisition through the date of Lender’s notice not to operate, and Lender shall be responsible for

complying with the de-identification obligations contained in the Franchise Agreement.

(b) **Election to Operate.** If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1 and Lender elects to continue operating the Hotel as a **«Contract_Brand» «Contract_Product»** hotel, Lender may, by notice and payment to Franchisor of an affiliation fee in the amount of \$15,000 by no later than thirty (30) days after the Acquisition and, enter into a new franchise agreement on Franchisor's then-current form. Lender and Franchisor will execute the new franchise agreement within thirty (30) days of Lender's Acquisition. Such franchise agreement shall be dated as of the later of (i) the date that Lender acquired the Hotel or (ii) the date that we sign the new franchise agreement.

The conditions contained in the Section 9 transfer provisions of the Franchise Agreement relevant to a new franchisee as determined appropriate by Franchisor shall apply with respect to the transfer to Lender, including but not limited to submission by Lender of its ownership structure, evidence of ADA compliance and evidence of insurance. Any renovation requirements imposed by Franchisor will not exceed those which Franchisor could have imposed had Franchisee remained as the Franchisee under the Franchise Agreement. Lender must diligently cure all defaults which it could not cure before the Acquisition under the terms of Paragraph 1(b), except for personal and non-curable defaults as defined below, within the time period determined by Franchisor based on the nature of the default and/or the condition of the Hotel at the time of Lender's Acquisition. The term "personal and non-curable defaults" as used in this Paragraph shall mean such defaults that (i) occurred before the date of Lender's Acquisition; (ii) are non- curable; (iii) are purely personal to Franchisee (e.g., failure to provide adequate notice or past failure to maintain Franchisee's company status); and (iv) are unrelated to the operation of the Hotel. However, Lender shall not be liable for any termination fees or liquidated damages.

3. Receivership. If a receiver is appointed by court order to operate the Hotel, and Lender desires the Hotel to continue to be operated as a **«Contract_Brand» «Contract_Product»** hotel, Lender may, by notice and payment to Franchisor of a non-refundable \$7,500 administrative fee within thirty (30) days of receiver's appointment and subject to Paragraph 2(b) above, elect to have receiver enter into an assumption of the franchise agreement on Franchisor's then-current form. The receiver must execute an assumption of the Franchise Agreement within thirty (30) days of receiver's appointment. Before Franchisor approves such assumption of the Franchise Agreement pursuant to this Paragraph 3, (i) Franchisor, Lender and receiver must reach agreement concerning the cure of any quality, service or other deficiencies in Franchisee's prior performance of its obligations under the Franchise Agreement, including any deficiencies under any other agreements with Franchisor and/or its affiliates relating to the Hotel but excluding liquidated damages; (ii) receiver must enter into an assumption of the Franchise Agreement containing all terms required by Franchisor, which will be dated as of receiver's possession date; and (iii) receiver must specifically be authorized by court order to operate the Hotel and enter into and comply with the agreements referenced in subsection (ii) above.

4. Notifications to Franchisor. Lender agrees to notify Franchisor: (i) contemporaneously with commencement of foreclosure proceedings regarding the Hotel; (ii) contemporaneously with the filing of any petition for appointment of a receiver, to obtain the entry of an order for relief, or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) contemporaneously with the acceptance of a deed for the Hotel in lieu of foreclosure; and (iv) promptly, after taking ownership, possession or control of the Hotel, directly or indirectly, in any manner. Lender's notice to Franchisor must identify the court in which any such action referred to in subsection (i) or subsection (ii) is or will be filed. Lender shall promptly notify Franchisor in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws after Lender receives notice of commencement of such proceedings.

5. No Consent to Assignment of Franchise Agreement. Lender and Franchisee acknowledge and agree that any current and any future collateral assignment, pledge, grant of a security interest or other transfer to Lender or its Affiliates of any interest in the Franchise Agreement: (i) has not been and will not be consented to by Franchisor; (ii) does not and will not affect Franchisor's rights under the Franchise

Agreement; (iii) does not and will not grant Lender or any person gaining ownership or possession of the Hotel any rights under the Franchise Agreement or with respect to the license granted thereunder, including the right to operate the Hotel as a «Contract_Brand» «Contract_Product» hotel; and (iv) is and will be limited by the terms and conditions of this Comfort Letter. If the Hotel is acquired by anyone other than Lender neither Lender nor Franchisee will have the right or authority to sell, convey, assign or in any manner transfer any rights under this Comfort Letter or under the Franchise Agreement without the prior written consent of Franchisor. Lender's only rights with respect to the Franchise Agreement and the license granted thereunder, including the right to operate the Hotel as a «Contract_Brand» «Contract_Product» hotel, are stated in this Comfort Letter.

6. Subsequent Sale. Any subsequent sale, assignment or transfer of the Hotel by Lender to a third party who desires to continue to operate the Hotel as a «Contract_Brand» «Contract_Product» Hotel must be in accordance with the transfer and assignment provisions of the Franchise Agreement, which require, among other things, submission of a relicensing application, payment of an affiliation fee, and payment of all amounts due to Franchisor. Franchisor will require the transfer applicant to sign the then-current form of franchise agreement, which will include a new property improvement plan.

7. No Claims. Franchisor may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, the terms of any agreement contemplated by this Comfort Letter and any of the matters to which Lender is entitled to notice. Franchisor and its respective owners, affiliates, agents, employees, officers, directors, successors, assigns and representatives ("Released Persons") shall not be liable to any person for taking any action or providing any information required or contemplated by this Comfort Letter ("Comfort Letter Acts") and Franchisee, on behalf of itself and its owners, affiliates, agents, officers, directors, employees, representatives, successors and assigns, hereby releases the Released Persons of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, for any Comfort Letter Acts.

Franchisee acknowledges that it may hereafter discover Claims presently unknown or unsuspected, or facts in addition to or different from those which it now knows or believes to be true, with respect to the matters released by this Comfort Letter. Nevertheless, Franchisee fully and finally settles and releases all such matters, and all Claims relative thereto, which do now exist, may exist or have existed between the Released Parties and Franchisee.

10. Lender Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Lender hereby:

(a) certifies to Franchisor that Lender is not a Sanctioned Person. “Sanctioned Person” means any person or entity (including financial institutions) who is: (i) or is controlled by or acting on behalf of the Government of any country subject to comprehensive U.S. sanctions in force and which currently include the Government of Cuba, Iran, North Korea, Sudan, and Syria (“Sanctioned Countries”); (ii) located in, organized under the laws of or ordinarily resident in Sanctioned Countries; and/or (iii) identified by any government or legal authority under applicable Trade Restrictions as a person with whom dealings and transactions by Lender and/or its affiliates are prohibited or restricted, including but not limited to persons designated under United Nations Security Council Resolutions, the U.S. Department of the Treasury’s Office of Foreign Assets Control (“OFAC”) List of Specially Designated Nationals and Other Blocked Persons; the U.S. Department of State’s lists of persons subject to non-proliferation sanctions; the European Union Financial Sanctions List; persons and entities subject to Special Measures regulations under Section 311 of the USA PATRIOT Act and the Bank Secrecy Act;

(b) agrees that this Comfort Letter shall remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented or restated; and

(c) fully and forever releases and discharges the Released Parties from any and all Released Claims by or through Lender based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to this Comfort Letter.

11. No Representations or Warranties. In no event shall this Comfort Letter or any other circumstances surrounding the provision of financing by Lender be construed to involve: (i) any representation by Franchisor that Franchisor endorses, approves, recommends or otherwise concurs in the financing; (ii) any guarantee or assurance by Franchisor that Franchisee or any other party to the Loan will be able to repay the Loan in accordance with its terms; (iii) any endorsement, approval, recommendation or concurrence in any financial projections submitted to Lender in connection with the

Loan; or (iv) any endorsement, approval or recommendation of Franchisee's character or reputation. Franchisor's representation in the second paragraph of this Comfort Letter regarding the status of the Franchise Agreement pertains to the status of the Franchise Agreement as of the date of this Comfort Letter only. As a result, Lender acknowledges that Franchisor makes no representation that it has or has not issued any default notice after the date hereof, and Lender is not relying on any such representation (or absence of a representation) in making any decision or representation or warranty in connection with any material modification, securitization, or sale of the Loan.

12. Replacement Comfort Letter. Franchisor will issue a replacement comfort letter, substantially similar in form to Franchisor's then current comfort letter and then current fee if Lender (a)(i) appoints a third-party loan servicing agent to service the Loan, (ii) transfers the Loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the Loan, provided that such transferee, designee, or appointee is not a Competitor, an affiliate of a Competitor, or a Person as defined in Section 19(k) of the Franchise Agreement (the "Anti-Terrorism/Anti-Bribery Laws"), and is not an affiliate of Franchisee, and (b) Franchisor receives a written request to issue a replacement comfort letter within sixty

(60) days of the date of such appointment or transfer, setting forth the name, address of the entity for which the replacement comfort letter is requested, the name, address, telephone number and email address for the contact person for such entity, and the date of such appointment or transfer.

"Competitor" means an individual person who directly, or indirectly through an affiliate, owns or controls a hotel brand (or brands) and brands hotels through branded management, licensing and/or franchising (or similar means) for at least ten (10) hotels; provided, however, that a financial investor (such as an investment bank, private equity fund, pension fund, hedge fund or similar institution or any investor therein) shall not be deemed a competitor solely because of its financial investment in any competitor so long as either such financing investor is a passive investor or such financial investor is not actively involved in the day-to-day business operations of the brand and an appropriate and sufficient barrier is established to prevent such financial investor from receiving any confidential information of Franchisee, as applicable. In addition, a bank or other institutional lender that provides commercial financing to a competitor shall not be deemed a competitor solely because in the ordinary course of business it has financed a competitor, whether or not such financing results in, or has the potential to result in, such lender having control of a competitor as a result of the enforcement of remedies in the applicable financing documents, provided that such lender does not assume active management of the day to day operations of such competitor. Franchisor reserves the right to require representations and warranties or certifications that the conditions in this Paragraph are satisfied prior to issuing any replacement comfort letter. Any such replacement comfort letter shall supersede and replace this Comfort Letter.

13. Possession of the Hotel. If Lender owns, controls or possesses the Hotel after termination of the Franchise Agreement for any reason and Lender has not entered into a franchise agreement with Franchisor pursuant to Paragraph 2(b) herein, Lender will (i) upon Franchisor's request immediately perform the requirements of the Franchise Agreement with respect to de-identifying the Hotel as a «Contract_Brand» «Contract_Product» hotel and (ii) indemnify, defend and hold harmless Franchisor and its affiliates from and against any loss, claim or other liability of any kind arising from or in connection with the operation of the Hotel as a «Contract_Brand» «Contract_Product» hotel during such ownership, control or possession. Lender's obligations under this Paragraph shall survive termination of this Comfort Letter, and nothing herein shall limit Franchisor's rights to seek legal redress for any unauthorized use of Franchisor's trademarks, service marks, or systems.

14. Termination. This Comfort Letter shall terminate and Lender shall have no rights hereunder if:

- (i) Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors has entered into or is subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency;

- (ii) Lender no longer holds a valid first mortgage or security deed for the Hotel unless (a) Lender has acquired the Hotel by foreclosure, deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, in which case Lender will have the rights stated in Paragraph 2 for the period stated in such Paragraph, or (b) there has been a securitization or transfer of the Loan, in which case Lender will have the rights stated in Paragraph 12 for the period stated in such Paragraph;
- (iii) the Franchise Agreement has expired or the Franchisee has exercised its right to terminate;
- (iv) the Franchise Agreement has been terminated, unless such a termination is the result of the timely exercise of Lender's rights under Paragraph 2 or Paragraph 3, in which case this comfort letter will terminate on the exercise or expiration of such rights, but in no event later than forty-five (45) days after such termination of the Franchise Agreement; or
- (v) Lender breaches this Comfort Letter.

15. Confidentiality. You agree to keep the grant of modifications contained in the Comfort Letter in strict confidence and to not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors who have a need to know for the sole purpose of the servicing, sale, administration, or securitization of the Loan. Any unauthorized disclosure is a default under the terms of the Comfort Letter, and we may, at our option, immediately terminate the Comfort Letter upon notice to you. The modifications outlined in this Comfort Letter are for the Hotel only and do not indicate that other hotels owned by you or by others will receive similar modifications. You acknowledge and agree that nothing in the Comfort Letter prohibits us from disclosing the terms of the Comfort Letter to any vendors, lenders, or other third parties as we determine in our reasonable discretion.

16. Final Agreement. Except as otherwise expressly set forth, this Comfort Letter is the final integration of the agreements between the parties with respect to the matters covered by it and supersedes any prior understanding or agreement, oral or written, with respect to the matters covered by the Comfort Letter.

17. Effectiveness. Franchisor shall have no obligations hereunder unless Lender and Franchisee have executed and delivered to the other parties this Comfort Letter, which may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which shall constitute, collectively, one and the same letter agreement. Delivery of an executed signature page to this Comfort Letter by electronic transmission is as effective as delivery of an original signed counterpart. This Comfort Letter is effective as of the date the Franchisor signs the letter agreement. Franchisor's offer to enter into this Comfort Letter will be automatically withdrawn if (i) Franchisor does not receive signed copies from lender and Franchisee within 30 days of the date on page 1 herein, or (ii) Franchisor does not receive proof of the date of Loan closing within 60 days of the date on page 1 herein.

Very truly yours,
