What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement and Area Development agreement require that all disagreements be mediated and arbitrated in Monmouth County, New Jersey. Out of state arbitration may force you to accept a less favorable settlement. It may also cost you more to arbitrate with us in New Jersey than in your home state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Supplier Control.** You must purchase all or nearly all of the inventory & supplies necessary to operate your business from the franchisor, its affiliates, or from suppliers that the franchisor designates at prices that the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ADDITIONAL COVER PAGE
FOR THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Act. This shall not preclude a franchisee, after entering into a franchise agreement and/or area development agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement or area development agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on the terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of these assets if the franchisee has breached the lawful provisions of the franchise agreement or area development agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Company

To simplify the language in this Disclosure Document, “Company” means A SUB ABOVE, LLC, the franchisor of this business. “You” means the person buying the franchise whether you are a person or a sole proprietorship, corporation, partnership, limited liability company, or other entity.

A SUB ABOVE, LLC was formed as a limited liability company in the State of Delaware on October 31, 2019, with its principal place of business and business address as ~~2251 Landmark Place, Manasquan~~ 1 Commvault Way, Suite 400, Tinton Falls, New Jersey ~~08736~~ 07724. Company conducts its business under its limited liability company name and “JERSEY MIKE’S” with the franchises offered by this Disclosure Document. Company began offering franchises for Jersey Mike’s restaurants in December 2019 and has never offered franchises in any other line of business.

Company’s agents for service of process in the states whose franchise laws require Company to name an agent for service are shown on Exhibit A to this Disclosure Document.

Predecessor and Certain Affiliates

Company is an indirect wholly owned subsidiary of Jersey Mike’s Franchise Systems, LLC, a Delaware limited liability company, with its principal place of business and business address at ~~2251 Landmark Place, Manasquan~~ 1 Commvault Way, Suite 400, Tinton Falls, New Jersey ~~08736~~ 07724 (“JMFS”). On December 30, 2024, JMFS, which had previously been a New Jersey corporation, converted into a Delaware limited liability company. JMFS was the former franchisor of the JERSEY MIKE’S franchise system before the closing of the 2019 Securitization Transaction (as defined below). From February 1987 to December 2019, JMFS offered franchises for ~~the~~ JERSEY MIKE’S Franchised Restaurants. JMFS has never offered franchises in any other line of business.

The 2019 Securitization Transaction/Other Affiliates

Under a securitization financing transaction which closed on December 23, 2019 (the “2019 Securitization Transaction”), JM SPV Guarantor, LLC (“SPV Guarantor”) and Jersey Mike’s Funding, LLC (“JM Funding”) were formed and became subsidiaries of JMFS and the direct and indirect parents of Company.

As part of the 2019 Securitization Transaction, JMFS transferred to Company, all the existing Franchise Agreements and Area Development Agreements, certain agreements related to the Franchise Agreements and Area Development Agreements, and all of the JERSEY MIKE’S trademarks, service marks and other intellectual property related to the JERSEY MIKE’S brand and franchise system (collectively, the “Marks”).

At the time of closing of the 2019 Securitization Transaction, JMFS entered into a management agreement, dated December 23, 2019, with Company and some of its affiliates (“Management Agreement”). JMFS’s responsibilities under the Management Agreement include performing certain franchise, marketing, development, intellectual property, technology and operational and reporting services on behalf of Company. JMFS also provides management services in relation to administration of the Corporate Advertising and Development Fund, and the National Media Fund, ~~and the Cooperative Advertising Fund (each~~ (described in Item 11).

Sale of Majority Ownership

On January 16, 2025, investment funds managed by affiliates of Blackstone Inc. acquired a majority ownership position in JMFS (and certain of its direct and indirect affiliates) and the JERSEY MIKE'S franchise system through the following intermediaries: Jersey Mike's MidCo II, LLC, Jersey Mike's MidCo I, LLC, Jersey Mike's HoldCo, LLC ("HoldCo"), Submarine Buyer LLC, and Submarine Buyer Holdco LLC. The parent companies disclosed in this Item 1 share Company's principal business address, except that the principal business address of Submarine Buyer LLC and Submarine Buyer Holdco LLC is c/o Blackstone Inc., 345 Park Avenue, New York, ~~NY~~New York 10154.

As a result of the transaction, the franchisors of the franchise programs listed below (none of which is involved in the JERSEY MIKE'S system or has offered franchises in another line of business) are affiliates of Company:

Company's Business Activities

Company does not conduct the type of business to be operated by you.

JMFS and its affiliates and subsidiaries have conducted business of the type to be operated by you since February 1987. The restaurant concept and business system for the JERSEY MIKE'S franchise is based on the original restaurant owned and operated by The Original Mike's, Inc. The restaurant had been doing business as "Mike's Submarines" and operated from 1956 to 2002.

Company's affiliate, Jersey Shore Construction LLC, will provide products and services to Company's franchisees. Jersey Shore Construction LLC has its principal place of business at ~~2251 Landmark Place, Manasquan~~ [1 Commvault Way, Suite 400, Tinton Falls, New Jersey 0873607724](#).

Company's affiliate, JM '75, LLC ("FoodCo") owns certain existing third-party vendor/supplier contracts for providing franchisees with material, equipment, supplies and/or services. FoodCo will provide products and services to Company's franchisees. FoodCo does not offer any franchises. FoodCo has its principal place of business at ~~2251 Landmark Place, Manasquan~~ [1 Commvault Way, Suite 400, Tinton Falls, New Jersey 0873607724](#).

JMFS previously entered into license agreements under which licensees are permitted to use Company's trademarks, pay royalties, and, to an extent, follow the System (as defined below). Such licensees typically operate JERSEY MIKE'S Restaurants in non-traditional locations. Because of the differences between non-traditional JERSEY MIKE'S Restaurants and Franchised Restaurants, the terms of these license agreements may differ from a Franchise Agreement. Company may continue to enter into such license agreements in certain circumstances. In addition, affiliates of Company own and operate JERSEY MIKE'S Restaurants pursuant to license or franchise agreements with Company, which are referred to as Company-Owned outlets.

Company does not engage in any other business activities and does not offer franchises in any other business. Except as described in Item 1, no affiliates of Company offer franchises in any line of business, provide products or services to franchisees, or operate a JERSEY MIKE'S ~~Franchised Restaurant~~.

Description of Franchise Company Offers

Company offers franchises for the establishment, development and operation of restaurant facilities for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine type sandwiches, other sandwiches and related food products and beverages ("Franchised Restaurant" or "Restaurant"). You are granted the right to use the Marks "JERSEY MIKE'S", "JERSEY MIKE'S ESTABLISHED IN '56 PT. PLEASANT, plus the design", "MIKE'S, plus the design", associated logos, commercial symbols and the System identified thereto in the operation of a JERSEY MIKE'S Franchised Restaurant.

Company offers a franchise grant for a single Franchised Restaurant at an approved location. With Company's approval, you may be allowed the opportunity to obtain franchises to develop and operate more than one JERSEY MIKE'S Franchised Restaurant. Regardless of the number of franchises you seek to acquire, you will execute an area development agreement, attached to this Disclosure Document as Exhibit B ("Area Development Agreement"), which will govern your development obligations for each Franchised Restaurant. Upon signing an Area Development Agreement, you will receive an exclusive development territory (the "Designated Territory") in which you will evaluate proposed site locations, execute leases for approved locations, and execute separate franchise agreements (each, a "Franchise Agreement"), for the establishment and operation of individual Franchised Restaurants; however, the required opening deadline for each Franchised Restaurant will be governed exclusively by the dates specified on a development schedule ("Development Schedule") in the Area Development Agreement. As soon as you execute a lease for a premises that Company has approved for a

Franchised Restaurant (the “Premises”), you will execute a Franchise Agreement, which governs your rights and obligations for a single Franchised Restaurant at such approved location. For each Franchised Restaurant, you will sign a copy of Company’s then-current Franchise Agreement, which terms may materially differ from the form of Franchise Agreement attached to this Disclosure Document as Exhibit C.

Previously, Company and JMFS offered to individuals and entities meeting its qualifications the opportunity to provide services for JERSEY MIKE’S franchisees and their Franchised Restaurants located within designated territories, under the terms of ~~our~~ Company’s area director agreement (the “Area Director Agreement”). Individuals who signed an Area Director Agreement are referred to as “Area Directors.” Area Directors are, in part, responsible for soliciting prospective franchisees who, with ~~our~~ Company’s approval, will execute ~~our~~ Company’s then-current form of franchise agreement for the right to develop a JERSEY MIKE’S Franchised Restaurant. Company does not currently offer new Area Director opportunities. Area Directors may provide various services to franchisees as described in Item 11. Area Directors do not exercise management responsibility with respect to sale or operation of JERSEY MIKE’S Franchised Restaurants.

Each JERSEY MIKE’S Franchised Restaurant will offer a wide assortment of made-to-order submarine type sandwiches, other hot sandwiches, and related food products and beverages for on-premises and off-premises consumption. JERSEY MIKE’S Franchised Restaurants will offer ~~its~~ products and services to the general public and will compete with other national, regional or local chains and independent businesses operating restaurants offering products similar to those offered and sold from the Franchised Restaurants.

Each Franchised Restaurant operates according to a distinctive System (“System”) regarding the establishment, development and operation of JERSEY MIKE’S Restaurants. The characteristics of the System include distinctive design of the Restaurant’s exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings and materials; methods and techniques for inventory and cost controls, record keeping and reporting; personnel management, purchasing, sales promotion and advertising, special recipes, formulas, menus and food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and a wide assortment of made-to-order submarine type sandwiches, other sandwiches and related food products and beverages for on-premises and off-premises consumption.

In certain situations, Company may grant a franchise to operate a JERSEY MIKE’S Restaurant at a “Non-Traditional Venue,” meaning a venue with limited-access shops and restaurants, including any JERSEY MIKE’S Restaurants, such as hotels and resorts, malls, stadiums and arenas, hospitals, airports, military installations, casinos, college campuses, national parks, schools, theme parks and highway rest stops. If you are granted the right to operate your Restaurant from a Non-Traditional Venue, you will sign the Non-Traditional Addendum, attached as Exhibit M.

Competition

The market for a wide assortment of made-to-order submarine type sandwiches, other hot sandwiches and related food products and beverages is fairly well developed and competitive. Company believes that the quality of its product is superior and that the proprietary ingredients offer a competitive advantage over its competitors.

Industry-Specific Laws and Regulations

You must comply with all local, state, and federal laws that apply to the operation of this business. These may include health, safety, and smoking regulations, United States Department of Agriculture, Equal Employment Opportunity Commission, and Occupational Safety and Health Administration regulations, other food and safety regulations, discrimination, immigration, federal and

state tax, employment, and sexual harassment laws. [Certain jurisdictions have also adopted or may adopt extended producer responsibility laws relating to packaging, recycling, and waste management.](#) The Americans with Disabilities Act requires readily accessible accommodations for people with disabilities and therefore may affect some of your operations. ITEM 3. LITIGATION

Concluded Litigation:

The State of Washington v. Jersey Mike's Franchise Systems, Inc.; Auburn JM, LLC; BCG-Northwest, LLC, Berry Investment Group, Ltd.; Elsterly, LLC; FM Restaurants, Inc.; Food Adventures, Inc.; Golden Springs, LLC; JM Northtown, LLC; JM Puyallup, Inc.; JM Restaurants, Inc.; JM Silverdale, LLC; JM Spokane, LLC; Larson & Associates, LLC; Majestic Eagle, LLC; Patrikor Corp.; Red Polo Ventures, LLC; Tin Star Subs, LLC; Trieb, LLC; Doe 1; Doe 2; Doe 3; Doe 4; and Doe 5, Case No. 18-2-25822-7 (State of Washington King County Superior Court, Oct. 15, 2018). On October 15, 2018, the State of Washington, through its Attorney General, sued JMFS, and each of its franchisees owning restaurants located the State of Washington ("Washington Franchisees"), alleging that JMFS and Washington Franchisees violated the Washington Consumer Protection Act based on the former inclusion in legacy franchise agreements of a so-called 'no-poach' provision prohibiting franchisees from soliciting or hiring JMFS's and other franchisees' current employees. Prior to the complaint's filing, JMFS had publicly announced that it would not enforce the provision in all existing franchise agreements nationwide and had removed the provision from its form franchise agreement. In addition, JMFS amended all of its franchise agreements for restaurants located in Washington. To resolve the dispute, JMFS and the State of Washington entered into an Assurance of Discontinuance on August 23, 2019, which required JMFS to continue its franchising practice by not including the 'no-poach' provision in any future franchise agreements and to refrain from enforcing the provision in any existing franchise agreements. Further, JMFS agreed to pay the State of Washington \$150,000 without admitting to any fact, liability, misconduct or wrongdoing on JMFS's part.

Sam Tsou v. A Sub Above, LLC and Does 1-10, Case No. 25STCV28811 (Superior Court of California, County of Los Angeles, Sep. 29, 2025). On September 29, 2025, Sam Tsou ("Tsou") filed a class action lawsuit against Company, alleging that Company violated California Civil Code §1749.5 et seq., the California False Advertising Act, and the California Unfair Competition Law after Tsou's request for cash redemption of an unused balance on a gift card had been denied at a franchised JERSEY MIKE'S Restaurant. Company denied all allegations, but to resolve the dispute without admitting any fault or liability, Company and Tsou, on an individual basis, entered into a Settlement Agreement on March 27, 2026, which required Company to pay Tsou \$25,000 in exchange for a full release from Tsou and related parties. The class was not certified.

Pending Litigation:

Justin Brewer v. Jersey Mike's Franchise Systems, Inc. et al, Case No. 5:26-cv-535-SSS (United States District Court, Central District of California, Feb. 6, 2026). On February 6, 2026, Justin Brewer ("Brewer") filed a class action lawsuit against JMFS, purporting that JMFS violated the California Consumer Legal Remedies Act, the California False Advertising Law, the California Unfair Competition Law, and similar state consumer protection statutes and committed common law fraud for allegedly misleading consumers when displaying and charging service fees on the JERSEY MIKE'S mobile application. JMFS was served with the complaint on February 19, 2026. Separately, on March 12, 2026, Brewer sent us a letter entitled "Notice of Violations of the California Consumers Legal Remedies Act," stating that, if we do not take certain corrective action as specified in the letter within 30 days, he intends to amend the complaint to add us to the lawsuit, asserting claims for violations of various states' consumer protection statutes, the California Unfair Competition Law, the California Consumers Legal Remedies Act, and the California False Advertising Law, and for common law unjust enrichment.

Other than the above actions, no litigation is required to be disclosed in this Item.

Company has the sole discretion to apply any payments by you ~~to any past due against any of your past-due~~ indebtedness ~~of yours for Continuing Royalty Fees, Advertising Contributions, purchases from~~ owed to Company and/or its affiliates, ~~interest or any other indebtedness.~~

Company is not obligated to accept from you any payments after they are due, extend credit to you, or otherwise finance your operation of the Franchised Restaurant.

⁹⁷ Supplier/Supplies Approval. If you wish to sell or use any product which is not on Company's Approved Supplies List or purchase any product from a supplier that is not on Company's Approved Suppliers List, you must notify Company in writing and, if requested, submit samples and other information for inspection and testing. You or the proposed supplier will pay the reasonable cost of the inspection and evaluation and the actual cost of the test.

⁴⁰⁸ General Contractor and Architect Approval. If you wish to utilize a general contractor or architect who is not on Company's Approved Contractor List or Approved Architect List, you must notify Company in writing prior to commencement of store construction, or relocation of your existing Restaurant, to obtain approval for the general contractor or architect. If Company approves your general contractor and architect, you will have to pay Company \$5,000 for each general contractor or architect approved to cover the costs for Company's construction department to communicate construction specifications with your general contractor and architect and to make periodic site visits. Such fee may be waived in Company's sole and absolute discretion.

~~¹¹ Operation of the Franchised Restaurant in Case of Your Absence, Incapacity or Death. You must also reimburse Company for all expenses incurred, including a fee of \$125 per hour (or any higher rate published in the Manual), plus expenses if Company or its representative operates the Franchised Restaurant if you are unable to operate your business by reason of illness, incapacity or death. You will indemnify and hold harmless Company and any representative of Company who will temporarily operate the Franchised Restaurant from any claims from the acts and omissions of Company and its representative.~~

⁴²⁹ Transfer Fee. Upon sale or other alienation of the franchise by you, you must pay to Company a non-refundable transfer fee equal to \$15,000 in lieu of payment of any franchise fee or other charge. The transfer fee is for administrative costs, overhead, legal fees, accounting and other Company expenses associated with the transfer. Company requires the purchaser of the unit and two other designees to complete Company's then-current training program.

⁴³¹⁰ Replacement Training. There is no fee for the initial Phase 1, 2, and 3 training required by Company before the opening of your Restaurant (although you are responsible for all expenses of such training, such as travel costs). However, if a replacement is required to be trained (even before your Restaurant opens), you will be responsible for paying Company's then-applicable rate for training a replacement. Such payment must be made in advance of training. The applicable rate, which is subject to change, is currently \$2,500 for Phases 1 and 3 ~~(360 hours)~~ and may be adjusted pro rata if a different number of training hours is required.

⁴⁴¹¹ Additional Assistance. ⁴⁶13 Maintenance. You must effect reasonable maintenance of the Premises to ensure that the image of a Restaurant is consistent with Company's System Standards (as defined in Item 8). Maintenance includes a procedure for replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If you fail to effect this maintenance and to maintain your Premises as required, and fail to take corrective action within 30 days of notice of this failure, Company has the right in addition to its rights to declare the Franchise Agreement in default, without obligation to enter upon the Premises to effect the necessary repairs, painting, decorating or replacements of equipment, signage or fixtures on your behalf. You must pay the entire cost of this maintenance to Company upon demand.

⁴⁷14 Cost of Enforcement or Defense. If either party to the Franchise Agreement must employ legal counsel or incur other expenses to enforce any obligation of the other party or to defend against any claim, demand, action or proceeding due to the other party's failure to perform any obligation imposed upon it, and if the settlement of the legal action establishes the other party's default under the Franchise Agreement, the prevailing party will be entitled to recover from the losing party attorneys' fees and other expenses incurred in enforcing the obligation or in defending against the claim, demand, action or proceeding.

⁴⁸15 Relocation Fee. Company may charge you for any costs incurred by Company, plus a fee of \$5,000 for its services, in any relocation of the Franchised Restaurant.

~~⁴⁹Bookkeeping/Accounting Fee. If you are a participant in the Coach Rod Smith Program, you may be required to use Company's in-house bookkeeping and accounting services, in which case you will be required to pay Company's then current rate for those services. The rate is currently estimated to be \$150 per week and is subject to change.~~

²⁰16 Indemnification. You are not Company's agent, and therefore, you must indemnify and hold Company, its affiliates, and their respective officers, directors, shareholders, partners, employees, agents, successors and assigns harmless against any claims arising directly or indirectly from, as a result of or with your operation of the JERSEY MIKE'S Franchised Restaurant, as well as all costs incurred by Company in enforcing the indemnification provision.

²²17 Liquidated Damages. ~~All fees are imposed by and are payable to Company, unless otherwise noted. These fees may not be uniform for all franchisees.~~

NOTES TO ITEM 7 CHART:

¹ **Development Fee.** You will execute an Area Development Agreement regardless of the number of Restaurants you are authorized to develop and operate. The development fee will be \$10,000 per Franchised Restaurant that you commit to develop and open under the Area Development Agreement, which amount is non-refundable and payable to Company when you sign the Area Development Agreement. No part of the Development Fee is applied toward the initial franchise fees due for the Restaurants to be developed under the Area Development Agreement. Regardless of the number of Restaurants you choose to develop, in addition to the development fee, an initial franchise fee of \$20,000 per franchise is due when you sign the franchise agreement for each franchise location.

² **Initial Franchise Fee.** In addition to your payment of the development fee, this is the initial fee that you will pay when you sign a Franchise Agreement.

³ **Rent/Lease CAM/Property Taxes/Lease and Utility Security Deposits.** Rent expense to operate the Franchised Restaurant will vary, based on location, square footage, age and condition of the structure, lease arrangements and other factors. It is anticipated that the typical JERSEY MIKE’S Restaurant will operate from a retail shopping center of approximately 1,000 to 2,000 square feet. The figure given represents an estimate of the rental expense for the first three months of operation, including lease and utility security deposits. Landlords and utility companies may require that you place a deposit before occupation of the Premises and before installing telephone, gas, electricity, water, sewer, and related utility services. These deposits may be refundable in accordance with the agreements made with the landlord and utility companies. The low end of the estimate accounts for situations where franchisees have received periods of free rent and no required security deposits, because landlords have been unable to provide a tenant improvement allowance.

⁴ **Leasehold Improvements.** The cost of construction and leasehold improvements depends upon the size and condition of the Premises, the local cost of contract work and the location of the Restaurant. The range of figures described for a Restaurant is the cost of reasonable renovation or leasehold improvements, and may be less if the Landlord provides a construction allowance to you, or more if additional HVAC, hood exhaust systems, or grease interceptors/traps are required or if you buildout a freestanding building.

⁵ **Equipment/Furniture/Small Wares.** The equipment, furniture, and small wares necessary for the operation of a JERSEY MIKE’S Restaurant are listed in the Manual, and include items such as refrigerators, freezers, meat cases, slicers, grills, ovens, hoods, sinks, small wares, tables, and chairs. You may purchase or lease approved brands and models only from suppliers which Company designates or approves. Company affiliates may be designated or approved suppliers of certain items. The cost of these items will depend on financing terms available, the size of the Restaurant, brands purchased and other factors.

⁶ Initial Inventory. Your initial inventory may be purchased from any supplier Company approves or designates in accordance with the Franchise Agreement, this Disclosure Document, and the Manual. Initial inventory includes food and beverage products, paper and plastic products, containers, accessories, merchandise and other products utilized in the operation of the Restaurant. The initial inventory expenditure will vary according to anticipated sales volume and current market prices for supplies.

⁷ Insurance. You must procure and maintain ~~the required~~all insurance coverage ~~as~~ required by Company in the Manual or otherwise in writing, with the minimum policy requirements Company periodically specifies. Company currently requires comprehensive public liability, general liability, personal injury liability, motor vehicle liability, property, product liability, workman's compensation, employment practices liability, commercial liability umbrella, and business interruption insurance. The cost of insurance will vary based on types and limits of insurance purchased, location of the Premises, payment terms available and other related factors. ~~Such policies must be issued by an insurance company with an A.M. Best rating of "A" or better and satisfactory to Company in accordance with the System Standards~~Company's current insurance requirements are set forth in Item 8.

~~You must maintain the following insurance coverage, protecting you, Company and JMFS, and Company's and JMFS's respective officers, directors, partners and employees, naming Company and JMFS each as an additional insured:~~

~~(iii) Medical Expense (any one person): \$5,000~~

~~(iv) Personal and Advertising Injury: \$1,000,000~~

~~(v) General Aggregate: \$2,000,000~~

~~(iv) Products—Completed Operations Aggregate: \$2,000,000~~

~~b. Property insurance covering fire, vandalism, theft, burglary and extended coverage insurance on a replacement value basis.~~

~~c. Business interruption insurance which provides for payment to Company of royalties and advertising payments lost during the business interruption.~~

~~d. Employment Practices Liability Insurance with a combined single limit of at least \$500,000, including full prior acts coverage, third party coverage, and Fair Labor Standards Act (FLSA) coverage (FLSA coverage to have a sub-limit of \$100,000).~~

~~e. Workers' Compensation, employer's liability, and other insurance required by statute or regulation in your state. You must obtain workers' compensation insurance regardless of whether it is required by state law. Non-subscriber's insurance is insufficient to meet this requirement.~~

~~Should you fail to procure the minimum required insurance coverage, Company has the right to procure the insurance for you and charge the cost of the insurance, as well as Company's expenses, to~~

~~you. Failure by you to maintain the required insurance coverage may result in termination of the Franchise Agreement. Company and JMFS each must be named an additional insured in such policy or policies using the following language: "For Store # _____, Jersey Mike's Franchise Systems, LLC and A Sub Above, LLC are named as additional insureds for general liability purposes and 30-day notice of cancellation applies." You must list "Jersey Mike's Franchise Systems, LLC, 2251 Landmark Place, Manasquan, New Jersey 08736" as certificate holder.~~

You are responsible for arranging transportation and paying the expenses for meals and lodging (as well as salary and benefits) for any persons attending the four-day ~~or five-day~~ Phase 2 training program in New Jersey or ~~in-market, as applicable~~ another location designated by Company. The amount expended will depend on the distance you must travel and the type of accommodation you choose. In addition, you are responsible for the salaries of your staff as they go through the in-store training program the week before the Restaurant opens.

⁹ Grand Opening Advertising. When you sign the Franchise Agreement, you must pay Company \$10,000, which Company will use to conduct a Grand Opening Advertising program to promote your Restaurant. Company will consult with you about the development and implementation of the program, but has sole discretion as to how the amount will be spent.

¹⁰ Exterior Signage. Exterior signage bears the service marks granted for your use to you by Company. The cost of signage may vary depending on the type, size and location of the signs, and may also be affected by applicable city code restrictions. If your Restaurant is located near a highway, you will be required to engage local advertising agencies and/or applicable departments of transportation to purchase and maintain highway signage to advertise for your Restaurant. If that requirement applies to you, Company estimates that the cost for such signage will be between \$500 and \$7,500. The high range of the cost estimate above includes this amount.

¹¹ Interior Graphics. The interior graphics package includes the menu boards, the interior oval illuminated JERSEY MIKE'S window sign, the murals and other artwork.

¹² Uniforms, Office Equipment and Supplies. You will purchase employee uniforms from a designated supplier and the cost will vary with the number of employees you hire and the items you purchase. You will also purchase an assortment of office equipment and supplies, including stationery, a safe, forms, miscellaneous supplies and related items. You may purchase these items meeting Company's System Standards from any source.

¹³ POS System. You must procure and, install the POS system from required suppliers which Company designates and approves as listed in the Manual and as described in Item 6 and Item 11 of this Disclosure Document. The costs of the POS system will vary depending on the number of registers you install (usually 1 or 2, sometimes 3 registers), the costs of the installation of the Internet connection, and if you have existing equipment that can be reused from a previous JERSEY MIKE'S Restaurant. The initial POS hardware equipment and software currently costs approximately \$7,500 per register. ~~The initial credit card processing software currently costs \$750 and covers all registers in a single location.~~ You must provide a dedicated Internet connection from the provider of your choice. In addition, you must pay Company a POS license fee at the current cost of \$2,000 per register. Your Restaurant will typically have 1 to 2 registers. You must also purchase the hardware, software and installation to connect to Company's private network at a current cost of \$4,500 from Company, the majority of which serves to reimburse Company for its pre-payment to its designated supplier. You must also pay Company a \$750 initial credit card processing software fee. All of the costs described in this paragraph may change.

¹⁴ Additional Funds. This amount is Company's estimate of what you will need to cover the gap between your revenues and your operating expenses, including employee's salaries during your first three

months of operation. These estimates do not include costs you may incur for debt service, living expenses, or your own salary, if you manage the Restaurant.

¹⁵ Experience; Financing. In preparing these figures, Company has relied upon its and its affiliates' 30-plus years of experience in operating JERSEY MIKE'S Restaurants. These numbers do not include any international, non-traditional, standalone, or drive-thru locations.

Company does not offer, either directly or indirectly, financing to you for any items, unless you are a participant in the Coach Rod Smith Program. Please refer to Item 10 for more details regarding the Coach Rod Smith Program. However, Company may provide assistance to you in obtaining financing. The initial cash required may also be reduced by utilization of various lending programs or a leasing program for the restaurant equipment.

ITEM 10. FINANCING

Other than as described in this Item 10, Company does not offer direct or indirect financing and does not guarantee your note, lease or obligation. If you are interested in obtaining a loan guaranteed by the United States Small Business Administration ("SBA"), Company is listed on the Franchise Registry, which means you will receive expedited loan processing through the SBA. Please visit the Franchise Registry's website at www.franchiseregistry.com for more information.

~~However, as~~ As part of the Coach Rod Smith Program, JMFS will provide participants with loans to pay for the capital costs associated with the development of the Restaurants. At JMFS's discretion, JMFS may provide such financing for up to 100% of the Restaurant's development costs, but the total amount of financing will vary by location. However, JMFS may require that the Coach Rod Smith Program participants contribute up to 20% of the development costs on their own, which JMFS would then only finance 80% of the Restaurant's development costs. At JMFS's discretion, a participant in the

Coach Rod Smith Program may be allowed to include the initial franchise fee in the amount financed with JMFS.

Candidates for the Coach Rod Smith Program will be managers of existing JERSEY MIKE'S restaurants nominated by senior management of JMFS. Not all nominees will be granted the right to participate in the Coach Rod Smith Program. JMFS will select individuals in its sole discretion. If you are selected to participate, and you enroll, in the Coach Rod Smith Program, you will be required to execute an amendment to the Franchise Agreement, a Promissory Note with Guaranty and Assumption of Obligations, and a Security Agreement, examples of which are attached as Exhibit G of this Disclosure Document.

If you are selected by JMFS for the Coach Rod Smith Program, and you choose to participate, the repayment term for the financing will be five years. However, at JMFS's discretion, the loan will be amortized either over a five-year or seven-year period, and if JMFS decides to amortize the loan over a seven-year period, you will pay the remaining balance in the form of a balloon payment after five years. The annual interest rate will be a fixed interest rate between 6% and 10.5%, depending on your qualifications. Repayment will begin on the earlier of (i) 60 days after you open your Restaurant or (ii) the 12- to 24-month anniversary of the date of the Promissory Note. Such time frame may vary depending on your qualifications and the amount of time anticipated for your Restaurant to open. You may prepay the note at any time without penalty. If your landlord reimburses you with a tenant improvement allowance upon the build out of your Restaurant, you must immediately pay JMFS the tenant improvement allowance amount, payable against the amount advanced under the Promissory Note. If your landlord provides you rent abatement under the lease for a period of time, you must pay JMFS the amount of the rent abatement, payable against the amount advanced under the Promissory Note, in addition to your already required payments under the Promissory Note. In addition, JMFS may require, at its discretion and upon prior notice to you, that you make additional payments in an amount up to 50% of the Restaurant's EBITDA to pay against the principal you owe under the terms of the Promissory Note. "EBITDA" means your Restaurant's earnings before deducting interest, taxes, depreciation and amortization expenses.

If you default [under the Promissory Note](#), JMFS may declare the entire remaining amount due. If you do not pay JMFS the entire balance, and any accrued unpaid interest, you may be responsible for the court costs and attorneys' fees JMFS incurs in collecting the debt from you. Company may terminate your Franchise Agreement if you do not pay JMFS. The principals of the franchisee entity, and the spouse of each principal, if applicable, will personally guaranty the note. JMFS will also have a security interest in the assets of your Restaurant, which means that if you do not pay JMFS, JMFS may foreclose upon those assets consistent with state law. You must make note payments to JMFS via auto-debit transfer, if so requested.

You must waive your rights to certain notices of a collection action in JMFS's promissory note and guaranty. If you form or use a legal entity to own the restaurant, your shareholders, members, partners and/or owners must personally guarantee the debt and agree to pay the entire debt and all collection costs. JMFS may sell, assign or discount any promissory note to a third party. If JMFS sells or assign your promissory note, it will not affect Company's obligation to provide the services to you that are described in the Franchise Agreement but the third party may be immune under the law to any defenses to payment you may have against JMFS or Company. JMFS and/or Company may partner with a third-party lender to provide financing for the Coach Rod Smith Program. If that happens, you will sign the financing documents required by the third-party lender which may contain materially different terms than JMFS's promissory note and guaranty. JMFS and/or Company may guaranty those obligations in such event.

~~1210.~~ 1210. Provide you with specifications and support for the point-of-sale ("POS") system you must use. Company will have full and independent access to certain of your data, systems and related information by Internet, Company private network, and direct access, whether in person or by telephone/modem. Company will be able to gather sales and product information from your point-of-sale system including but not limited to: gross total; tax total; employee discounts; coupons redeemed; voids; no sales; eat-in and take-out totals; delivery totals; non-taxable total; taxable total; vendor invoices and inventory for food, paper products, and cleaning products; bread sold; description and quantity of products sold; and employee work hours. The POS System runs proprietary software and transmits sales data over Company's private network via a local internet connection to Company's server for storage and reporting purposes. If your Restaurant is located within an Area Director's territory, such Area Director may also have access to this information.

You will need additional computer hardware or software to use the POS system. Company's approved POS System is comprised of a PC-based POS retail terminal with cash drawer, customer-facing terminal, and receipt printer. This equipment must be purchased through Company approved hardware and software vendors. Currently, all hardware and software must be purchased through ReSource Point of Sale, LLC at a cost of approximately \$7,500 per register. ~~This is subject to change without notice.~~ You must provide a dedicated Internet connection. You must also pay Company a POS license fee at the current cost of \$2,000 per register, which is subject to change. Your Restaurant will typically have 1 to 2 registers. You must reimburse Company for the hardware, software, and installation Company pays its designated supplier to connect your Restaurant to Company's private redundant network, at a cost of \$4,500 per JERSEY MIKE'S Restaurant. ~~This cost is subject to change without notice~~ You must also pay Company a \$750 initial credit card processing software fee. You are also responsible for additional charges incurred during installation through no fault of Company, including, ~~but not limited to,~~ cancellation fees, ~~Internet not ready fees,~~ and rush fees ~~and site not ready fees.~~

You will need to pay a monthly fee for secure network access and monitoring. Company may collect the fee, the majority of which is paid to a designated vendor, via your automatic clearing house (ACH) account, or you may be required to pay this fee through the designated vendor. This fee is ~~currently \$31.85 per month, but may increase up to \$39.85 per month within 12 months following the issuance date of this Disclosure Document and is subject to further change.~~

You will need to pay a monthly fee in an amount Company determines for the Software License and Support Package which includes all currently provided software programs, licensing fees, software upgrades, and support services (“Help Desk”). Company may collect the fee via your automatic clearing house (ACH) account, or you may be required to pay this fee through Company’s designated vendor. This fee is currently \$395 per month, but may increase up to \$795 per month ~~within the 12 months following the issuance date of this Disclosure Document~~ and is subject to further change.

You will need to set up a credit card processing system with Company’s designated credit card processing company. You must comply with PCI Security Council standards and/or any other requisite standard(s) required by the credit card processor, issuing banks or applicable law.

Company charges a one-time license fee for credit card software. ~~This fee, which~~ is unique to your processor-assigned merchant identification number. ~~This fee is currently approximately \$750 and is subject to change.~~

You must ~~pay Company a fee of \$30 per month for~~ secure back-up cellular service for your POS System, ~~regardless of whether you choose to use Company or~~ from an approved third-party provider for such services. ~~Company may collect the fee via your automatic clearing house (ACH) account, or you may be required to pay this fee through Company’s designated vendor. This fee is~~ vendor. You are not required to purchase the service from Company, but if you do, it is currently offered at \$30 per month. We estimate the same from an approved third-party vendor, but the actual costs imposed are subject to change by the third-party vendor.

Company may require you to upgrade or update your POS system periodically and may require you to purchase and install other and/or additional computer systems and software meeting ~~our~~ Company’s standards and specifications. There is no limitation on the frequency of the upgrades or updates, except that the cost of upgrades or updates will not exceed \$50,000 during the term of the Franchise Agreement (Franchise Agreement - Sections ~~4.1 and 9~~8).

Except as approved by Company in writing, you must not establish or create any domain names, websites, email addresses, usernames, profiles, screen names, social network accounts, other online presence or presence on any electronic medium (each, an “Online Presence”). You must grant Company access to each Online Presence and to take whatever action Company requests to help Company obtain exclusive administrative rights in the Online Presence. You may be required, at your expense, to list and advertise your Restaurant with the online directories prescribed by Company (such as Yelp® or Google®) or establish any other Online Presence that Company requires, each in accordance with the System Standards. If Company approves the use of any such Online Presence to be used in the operation of your Restaurant, or the posting of messages relating to your Restaurant, you will do so only in accordance with Company’s guidelines detailed in the Manual or otherwise in writing. Company may require its approval of any message you compose for a social networking website or commentary for any other website before you post such message or commentary. You must also comply with Company’s website privacy policy, as it may be periodically amended, and any data privacy requests, whether requested by Company or directly by a customer, as required by applicable data sharing and privacy laws.

ITEM 12. TERRITORY

Area Development Agreement

The Designated Territory granted in an Area Development Agreement may be defined by criteria such as (but not limited to) zip code boundaries, county boundaries, highways, physical landforms, city or municipality boundaries and other factors Company deems appropriate. Company defines the specific nature of the Designated Territory on a map attached to the Summary Pages of the Area Development Agreement. You will search for and select sites which Company must approve for Franchised Restaurants in the Designated Territory. Company's approval of a site for a Franchised Restaurant is conditioned on then-current factors, including site demographics, proximity to other businesses, neighborhood character, the size and appearance of the premises to be leased, and other characteristics and criteria that may periodically change. ~~If~~

So long as you (and your affiliates, as applicable) are in compliance with all obligations are not in default under the Area Development Agreement and all Franchise Agreements then in effect for the construction, development and operation of Franchised Restaurants, then during the term of the Area Development Agreement, Company (and its affiliates) will not establish and/or operate, or grant to authorize any others the right person to establish and/or operate, JERSEY MIKE'S Restaurants that have physical locations within the Designated Territory (except with regard to Non-Traditional Venues, as described below), a JERSEY MIKE'S Restaurant from a physical location within your Designated Territory; however, Company may establish and operate, and authorize others to establish and operate, within your Designated Territory: (i) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks; (ii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any Online Presence), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses; and (iii) JERSEY MIKE'S Restaurants at Non-Traditional Venues. Company may also acquire or be acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that

operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

~~If a location within the Designated Territory for a JERSEY MIKE'S Restaurant becomes available at or within a "Non-Traditional Venues," such as special-use, captive-market facility, including transportation facilities such as airports, train stations, subways, and rail and bus stations, gas stations or convenience stores, hotels, military bases and government offices, sports facilities (including stadiums and arenas), casinos, amusement parks, museums, zoos, convention centers, car and truck rest stops, travel centers, educational facilities, recreational theme parks, hospitals, and business or industrial foodservice venues, Company (or its affiliate(s)) has the right to pursue the Non-Traditional Venue opportunity and establish, or franchise or license another to establish, a Restaurant at or within that Non-Traditional Venue. Company and/or its affiliates have the right to engage in, and grant to others the right to engage in, any and all other activities of any nature whatsoever, within and throughout the Designated Territory,~~

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that Company and/or its affiliates own, or from other channels of distribution or competitive businesses that may be controlled by Company and/or its affiliates within the Designated Territory.

Franchise Agreement

Under the Franchise Agreement, you are granted the right to operate a JERSEY MIKE'S Restaurant at a specific location within a designated area prescribed by Company ("Designated Area") ~~described in the Franchise Agreement.~~ Company and its affiliates will not, as long as the Franchise Agreement is in effect and you are not in default, ~~enfranchise thereunder, establish or operate a Company-owned or franchised,~~ or authorize any other person to establish or operate, a JERSEY MIKE'S Restaurant from a location within your Designated Area; however, Company may establish and operate, and authorize others to establish and operate, within your Designated Area ~~as assigned in the Franchise Agreement, with the following exception: Company reserves the right to place company-owned or franchised:~~ (i) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks; (ii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any Online Presence), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses; and (iii) JERSEY MIKE'S Restaurants at Non-Traditional Venues ~~within your Designated Area.~~ Company may also acquire or be ~~sold to a competing franchise system, which may or may not include restaurants in your Designated Area~~ acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that Company and/or its affiliates own, or from other channels of distribution or competitive businesses that may be controlled by Company and/or its affiliates.

The Designated Area typically comprises a 0.5 to 1 mile radius from the front door of the Franchised Restaurant. At Company's sole discretion, the Designated Area could be smaller if there is a densely populated urban area, a readily definable market area like a resort or boardwalk, ~~a specific facility (stadium, hospital, airport, casino, etc.)~~ or a natural boundary like a body of water, bridge or expressway.

For Non-Traditional Venues, the Designated Area will be the host facility of the Non-Traditional Venue. The Designated Area will be determined by Company prior to signing the Franchise Agreement.

You may operate ~~the Franchised~~your Restaurant only at the location specified in the Franchise Agreement. Unless you sign an Area Development Agreement for the development of multiple Franchised Restaurants, you have no right to acquire additional Franchised Restaurants anywhere. Without Company's prior written approval, you may not solicit orders or engage in marketing outside of your Designated Area, although you may accept orders from outside your Designated Area which you do not solicit.

~~If the lease for the site of the Franchised Restaurant expires or terminates through no fault of your own, or if the site is destroyed, condemned or otherwise rendered unusable, or if in the judgment of Company there is a change in character of the location of the Franchised Restaurant sufficiently detrimental to its business potential to warrant its relocation, You have no right to relocate your Restaurant.~~ Company may at its option grant permission for relocation of ~~the Franchised~~your Restaurant within your Designated Area to a location and site acceptable to Company. Any relocation will be at your sole expense, and Company will have the right to charge you ~~for any costs it incurs,~~ up to \$5,000 for ~~its services, in~~ any relocation of ~~the Franchised~~your Restaurant, in addition to a Grand Re-Opening Advertising Fee of up to \$5,000.

Except as provided later in this Item 12 under the heading "Affiliate Franchise System," Company and/or its affiliates currently do not operate or franchise or have plans to operate or franchise a business under a different trademark which sells or will sell goods or services similar to those you will offer at your Restaurant. ~~However, Company and/or its affiliates may do so in the future.~~ Company and its affiliates may establish Restaurants or grant franchises for Restaurants anywhere outside your Designated Area. ~~Company and/or its affiliates may establish other franchises or Company-owned units under a different Mark in your Designated Area. Company may use any and all other channels of distribution selling or leasing similar products and services (but not one which primarily sells submarine-type sandwiches) under a different Mark, or under any other brand within your Designated Area. In addition, other Restaurants, food aggregators and third-party delivery service providers may deliver to customers located in your Designated Area.~~

Continuation of your territorial rights under a ~~f~~Franchise a Agreement is not dependent on the achievement of a certain sales volume, market penetration or other contingency.

~~The Franchise Agreement does not grant you rights to use any other channels of distribution, such as the internet, catalog sales, direct marketing, etc. Company retains the right to use other channels of distribution (e.g., the internet, catalog sales, telemarketing or other direct marketing) inside your territory using Company's principal trademarks. Company is not required to pay you any compensation if it solicits or accepts orders inside your Designated Area. All rights not expressly granted to you in the Franchise Agreement are reserved to Company and its affiliates.~~

Company and other franchisees also may attend conventions, trade shows and other public events within your Designated Area for the purpose of promoting products and services. Company is not required to pay you any compensation if it solicits or accepts orders inside your Designated Area. Neither Company nor other franchisees have a duty to compensate you for activities which do not violate your Area Development Agreement or Franchise Agreement.

Affiliate Franchise System

Tropical Smoothie Cafe Restaurants are generally not considered to be Company's direct competitors given the principal food or beverage products they sell under their own respective trademarks and proprietary recipes and formulas. However, there is some overlap with the products and services offered by Tropical Smoothie Cafe Restaurants given that they currently sell a limited line of sandwiches and

fountain beverage products. Tropical Smoothie Cafe Restaurants may solicit and accept orders from customers near your Restaurant. Company will have no obligation to resolve any perceived conflicts that might arise between Company's franchise system and this franchise system regarding territory, customers, or support. ITEM 18. PUBLIC FIGURES

Company does not use any public figures to promote the sale of its franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Definitions

As used in this Item 19, the following terms have the meanings given to them below:

- "Traditional Franchised Restaurants" means JERSEY MIKE'S Restaurants (other than Non-Traditional Restaurants) that were operated by third-party franchisees for greater than 360 days during the Measurement Period.
- "Non-Traditional Restaurants" means JERSEY MIKE'S Restaurants that were operated by third-party franchisees or licensees in an airport, casino, arena, hospital, military installation, school, stadium, ghost kitchen, or similar venue.
- "Measurement Period" means the ~~12-month~~ period beginning on January 1, ~~2024~~2025 and ending on December ~~31~~28, ~~2024~~2025.

- “Unit Volume” means the total of all sales of food products, beverages, other merchandise and products, and services to customers, whether or not sold or performed at or from the JERSEY MIKE’S Restaurant (including off site sales and catering sales), regardless of whether the sales were made in compliance with the Franchise Agreement, less sales, use or service taxes collected and paid to the appropriate taxing authority, and customer refunds, discounts, coupons, and donations.

Data Set and Methodology

As of December ~~31~~²⁸, ~~2024~~²⁰²⁵, there were ~~3,002~~^{3,235} JERSEY MIKE’S Restaurants open and operating. However, ~~five~~⁸ JERSEY MIKE’S ~~Restaurants operate at locations in Canada and eight JERSEY MIKE’S~~ Restaurants operate pursuant to license agreements under terms that differ from a Franchise Agreement, leaving ~~2,989 JERSEY MIKE’S~~^{3,227} Franchised Restaurants that were open and operating in the United States as of December ~~31~~²⁸, ~~2024~~²⁰²⁵.

The data presented below includes ~~2,255~~^{2,606} Traditional Franchised Restaurants. The remaining ~~734~~⁶²¹ JERSEY MIKE’S Restaurants open as of December ~~31~~²⁸, ~~2024~~²⁰²⁵ were excluded from the data presented below, because the Restaurant either (a) operated for fewer than 361 days during the Measurement Period (of which there were ~~683~~⁵⁸³ of those JERSEY MIKE’S Restaurants); (b) did not use Company’s designated POS System (of which there were ~~40~~⁸ of those JERSEY MIKE’S Restaurants); (c) operated for greater than 360 days during the Measurement Period but were Non-Traditional Restaurants (of which there were ~~12~~¹³ of those JERSEY MIKE’S Restaurants), or (d) was directly or indirectly owned or managed by Company, its affiliates, or by any person identified in Item 2 of this Disclosure Document, ~~or by the Company’s former Chief Executive Officer who was disclosed in Item 2 during the Measurement Period~~ (of which collectively there were ~~29~~¹⁷ of those JERSEY MIKE’S Restaurants).

The data presented in the chart below is data Company obtained by polling the information directly from the designated POS System. Company does not anticipate that the characteristics of the JERSEY MIKE’S Restaurants included in this Item 19 will materially differ from JERSEY MIKE’S Restaurants operate by new franchisees. This Item 19 contains certain historical data related to the operation of certain JERSEY MIKE’S Restaurants.

In each instance in which Company shows an average in this Item 19, Company also shows the high (maximum) and the low (minimum) of the data points and the median data point. The average was calculated by adding the Unit Volumes for each JERSEY MIKE’S Restaurant in the applicable group and dividing the sum by the number of JERSEY MIKE’S Restaurants in the same applicable group. The median is the middle data point; that is, the data point in the center of all data points. Where the number of data points is an even number, there is no middle data point, so the median is the average of the two middle data points. The numbers used in the underlying calculations, and displayed below, were rounded to the nearest dollar or whole number.

Unit Volume During Measurement Period

	Number of Restaurants	Average	Median	High	Low	Number / Percentage that Met or Exceeded the Average
Traditional Franchised Restaurants	~~2,255~~ ^{2,606}	\$ ~~1,338,874~~ ^{1,367,578}	\$ ~~1,285,259~~ ^{1,05,850}	\$ ~~4,131,736~~ ^{3,228,616}	\$ ~~472,525~~ ^{12,332}	~~1,013~~ ^{1,148} / ~~45~~ ⁴⁴ %

Some franchisees have sold these amounts. Your individual results may differ. There is no assurance that you will sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Company does not make any representations about a franchisee's future financial performance or the past financial performance of Company-owned or franchised Restaurants. Company also does not authorize its employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing Restaurant, however, Company may provide you with the actual records of that Restaurant. If you receive any other financial performance information or projections of your future income, you should report it to Company's management by contacting its Legal Department at ~~2251 Landmark Place, Manasquan~~ 1 Commvault Way, Suite 400, Tinton Falls, New Jersey ~~08736~~ 07724, (732) 223-4044; the Federal Trade Commission; and the appropriate state regulatory agencies.

INTRODUCTION

Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns a distinctive System (“**System**”) relating to the establishment, development and operation of restaurants for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine-~~type~~ type-sandwiches, other hot sandwiches and related food products and beverages ~~(each, a “JERSEY MIKE’S Restaurant”)~~. The distinguishing characteristics of the System include, ~~without limitation,~~ distinctive exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings, and materials; special recipes, formulas, menus and food and beverage designations; food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, personnel management, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

Franchisor is the owner of all right, title and interest together with all the goodwill connected therewith in and to the trade names, service marks and trademarks “JERSEY MIKE’S”, “JERSEY MIKE’S ESTABLISHED IN ‘56 PT. PLEASANT, plus the design”, “MIKE’S, plus the design”, associated logos, commercial symbols, and such other trade names, service marks, and trademarks as are now designated (and as may be later designated by Franchisor in writing) as part of the System (“**Marks**”), and Franchisor continues to develop, use and control such Marks for the benefit and use of itself and its developers in order to identify for the public the source of products and services marketed thereunder and to represent the System’s high standards of operations, quality, food products, appearance, and service. The rights and duties Developer undertakes as required by this Agreement are known as “**Developer’s Business**”; and

Developer desires to develop JERSEY MIKE’S ~~R~~Restaurants pursuant to this Agreement (each a “**Restaurant**,” and collectively, “**Restaurants**”) under Franchisor’s System within the area described in this Agreement (“**Designated Territory**”) and wishes to obtain franchises from Franchisor for that purpose; and

In consideration of the mutual rights and obligations contained in this Agreement, Developer and Franchisor agree as follows:

1.2 Developer shall be bound by the Development Schedule (“**Development Schedule**”) described on the Summary Pages. Time is of the essence in this Agreement. Each Restaurant shall be established and operated according to a separate Jersey Mike’s Franchise Agreement (“**Franchise Agreement**”) to be entered into by Developer (or an Affiliate of Developer) and Franchisor. Each

Franchise Agreement shall be in the form of Franchisor's then-current form of franchise agreement, any or all terms of which may differ substantially and materially from any or all terms contained in any previous franchise agreement signed by Franchisor and Developer or its Affiliate, provided that the initial franchise fee payable under each Franchise Agreement signed pursuant to this Agreement will be Twenty Thousand U.S. Dollars (US\$20,000).

a. establish and operate, and allow others to establish and operate:

(i) other JERSEY MIKE'S Restaurants using the Marks and the System at any location outside of the Designated Territory on such terms and conditions that Franchisor deems appropriate;

~~The exception referenced above to Developer's exclusive right to establish JERSEY MIKE'S Restaurants having their physical locations within the Designated Territory is as follows:-~~

(ii) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks in any location worldwide, including in the Designated Territory;

(iii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any online presence or presence on any electronic medium of any kind), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses;

(iv) any JERSEY MIKE'S Restaurant, or other business using the Marks and/or the System, and/or offer and sell any of the products or services that are similar to, the same as, and/or competitive with those products or services offered by JERSEY MIKE'S Restaurants, at or through any Non-Traditional Venue (defined below), at any location worldwide, including in the Designated Territory; and

Franchisor's, its Affiliate's, or another franchisee's or licensee's establishment and operation of a JERSEY MIKE'S Restaurant at or within a Non-Traditional Venue in the Designated Territory will not count toward Developer's compliance with the Development Schedule.

~~In this Agreement, a "Non-Traditional Venue" is defined to mean a special-use, captive-market facility, including transportation facilities such as airports, train stations, subways, and rail and bus stations, gas stations or convenience stores, hotels, military bases and government offices, sports facilities (including stadiums and arenas), casinos, amusement parks, museums, zoos, convention centers, car and truck rest stops, travel centers, educational facilities, recreational theme parks, hospitals, and business or industrial foodservice venues.~~

Franchisor and its Affiliates have the right to engage, and grant to others the right to engage, in any and all other activities of any nature whatsoever within and throughout the Designated Territory. After this Agreement is terminated (regardless of the reason for termination), Franchisor and its Affiliates have the right, without any restrictions whatsoever, to (a) establish and operate, and grant to others the right to establish and operate, JERSEY MIKE'S Restaurants having their physical locations within the Designated Territory and (b) continue to engage, and grant to others the right to engage, in any other activities Franchisor (and its Affiliates) desire within and throughout the Designated Territory.

1.6 Developer shall have no right under this Agreement to license or sublicense others to operate a business or use the System or the Marks.

2. DEVELOPMENT FEE

2.1 As consideration for the rights and options granted by this Agreement, Developer shall pay to Franchisor the Development Fee described on the Summary Pages. The Development Fee is payable to Franchisor upon execution of this Agreement, is fully earned by Franchisor upon execution of this Agreement, and is non-refundable. No part of the Development Fee is applied toward the Initial Franchise Fees due for the Restaurant(s) to be developed under this Agreement.

2.2 Developer shall submit a separate application for each Restaurant to be established within the Designated Territory by Developer or its Affiliates. Upon execution of a premises lease for, or a binding contract for the purchase of, each approved Restaurant site (each, a “**Premises**”), a separate Franchise Agreement for such Restaurant shall also be signed by Developer or its Affiliate, at which time the initial franchise fee due under the Franchise Agreement for that Restaurant is simultaneously due and owing. Upon the execution of each Franchise Agreement, the terms and conditions of such Franchise Agreement shall control the establishment and operation of such Restaurant (except that the required opening deadline is governed exclusively by the Development Schedule in the Summary Pages).

3. **DEVELOPMENT SCHEDULE; MANNER OF EXERCISING OPTIONS**

3.1 Developer must sign leases (and Franchise Agreements) for approved Restaurant sites, and then open such Restaurant(s), by the dates described in the Development Schedule (and Developer must pay Franchisor the required Initial Franchise Fee when it signs each Franchise Agreement). Developer shall at all times maintain in operation consistent with each Franchise Agreement at least the number of Restaurant(s) required under the Development Schedule; provided, however, that such obligation does not apply to businesses that are transferred in accordance with the provisions of the Franchise Agreement. Every provision of the lease for the proposed Restaurant site shall be consistent with Franchisor’s mandatory specifications, standards, operating procedures and rules prescribed by Franchisor for the System, as such specifications, standards, procedures and rules may be amended from time to time.

3.2 Developer shall exercise its rights granted by this Agreement only as follows:

(i) ~~(a)~~ Developer must submit a description of a proposed site to Franchisor, together with a letter of intent or other evidence satisfactory to Franchisor which confirms Developer’s favorable prospects for obtaining the proposed site. Franchisor must approve or disapprove of such location in writing. If Franchisor does not provide written notice of its approval or disapproval of the proposed site within fifteen (15) business days, then such request shall be deemed disapproved. The location of each Restaurant shall not be inconsistent with any of Franchisor’s mandatory specifications, standards, operating procedures and rules prescribed from time to time by Franchisor for the franchise system. Developer must work with a real estate broker approved by Franchisor in connection with securing the site for each Restaurant. Developer acknowledges that it shall be solely responsible to undertake site selection activities and otherwise secure the Premises following approval by Franchisor of the lease or purchasing contract.

(ii) ~~(b)~~ Upon receiving Franchisor’s written approval of the location of the Restaurant, Developer must obtain Franchisor’s acceptance of the lease or contract to purchase the approved Premises. Developer must give Franchisor written notice of Developer’s intention to execute a lease and Franchise Agreement for a new Restaurant at an approved site at least thirty (30) days before the anticipated date of execution of the Lease and Franchise Agreement. If Developer executes a premises lease for the accepted Premises, the lease must include a lease rider in the form provided by Franchisor.

(iii) ~~(c)~~ Franchisor shall counter-sign the Franchise Agreement only if Developer and its Affiliates are in compliance with all requirements and obligations of this Agreement and all other agreements between Franchisor and Developer and its Affiliates, including their respective obligations under all Franchise Agreements with Franchisor.

(iv) ~~(d)~~ Upon receiving Franchisor’s request, Developer and its Principals shall furnish to Franchisor financial statements (historical and pro forma), statements of the sources and uses of capital funds, budgets and other information about Developer, its Principals and each of Developer’s Affiliates which are, or may be, involved in the development, ownership or operation

of any Restaurant(s). All such information shall be verified in writing by Developer and its Principals as being true, complete and accurate in all respects.

(v) ~~(e)~~ Developer's right to execute each Franchise Agreement shall depend upon Developer satisfying all of Franchisor's operational, financial, legal and ownership conditions for new franchisees. To meet the Development Schedule, each Restaurant shall be opened on or before, and remain open as of, the date(s) specified in the Development Schedule. Developer (or its approved Affiliate) may not open any Restaurant unless it has signed a Franchise Agreement and paid the Initial Franchise Fee for that Restaurant.

3.3 Developer acknowledges that Franchisor's right to offer or grant Franchises depends on Franchisor's compliance with applicable franchise sales laws. Franchisor shall not be liable to Developer if Franchisor fails to grant Franchises to Developer while an amendment to a franchise disclosure document or an amendment or renewal or annual report required to maintain a franchise registration is being prepared or is awaiting approval.

4. **TERM**

The term of this Agreement and all rights granted hereunder to Developer shall commence on the Effective Date and continue until the date on which the opening of the last Restaurant occurs under the Development Schedule, upon which this Agreement will automatically expire, unless terminated prior to such date in accordance with the terms of this Agreement.

5. **DUTIES OF THE DEVELOPER**

5.1 Developer shall perform the following obligations:

(i) ~~(a)~~ Developer shall comply with all terms and conditions described in this Agreement.

(ii) ~~(b)~~ Developer shall comply with all of the terms and conditions of each Franchise Agreement.

(iii) ~~(c)~~ Developer shall at all times preserve in confidence any and all materials and information furnished or disclosed to Developer by Franchisor, and Developer shall disclose such information or materials only to such of its employees or agents who must have access to it in connection with their employment. Developer shall not at any time, without Franchisor's prior written consent, copy, duplicate, record or otherwise reproduce such materials or information, in whole or in part, nor otherwise make the same available to any unauthorized person.

(iv) ~~(d)~~ Developer shall comply with all requirements of federal, state and local laws, rules and regulations

6. **PROPRIETARY MARKS/CONFIDENTIALITY**

6.1 This Agreement does not grant Developer any right to use the Marks, any of Franchisor's trade secret and/or proprietary or confidential information, or any copyright or patent which Franchisor now owns or may own in the future. Rights to use the Marks, trade secrets (and/or proprietary or confidential information), copyrights, or patents are granted only under the Franchise Agreement(s) to be signed by Franchisor and Developer.

6.2 Developer acknowledges that its entire knowledge of the operation of a JERSEY MIKE'S Restaurant, including ~~without limitation~~ the method of preparation of sandwiches and other food products and other specifications, product formulae, standards, and restaurant operating procedures, will be derived from information disclosed to Developer by Franchisor and that certain of such information is

proprietary, confidential and a trade secret of Franchisor. Developer agrees that it shall maintain the absolute confidentiality of all such proprietary information during and after the term of the franchises and not use any such information in any other business or in any manner not specifically authorized or approved in writing by Franchisor.

6.3 Developer shall divulge such confidential information only to such of its employees as must have access to it in order to operate the Developer's Business. Any and all information, knowledge and know-how, including, ~~without limitation,~~ drawings, materials, equipment, techniques, restaurant systems, product formulas, recipes and other data, which Franchisor designated as confidential shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate came to its attention, directly or indirectly, prior to disclosure by Franchisor; or which, at the time of disclosure by Franchisor to Developer, had lawfully become ~~part of known to the public domain, through publication or communication by others, so long as such disclosure was not caused by Developer~~ without violation of applicable law or by Developer's breach of this Agreement or any other obligation owed to a third party.

6.4 Any and all information, knowledge and know-how that Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate came to its attention prior to disclosure by Franchisor or which, at the time of disclosure by Franchisor, had become part of the public domain, through publication or communication by others, so long as such disclosure was not caused by Developer.

6.5 Due to the special and unique nature of the confidential information, Developer agrees that Franchisor shall be entitled to immediate equitable remedies, including but not limited to restraining orders and injunctive relief, in order to safeguard such proprietary, confidential, unique, ~~and~~ special information of Franchisor and that money damages alone would be an insufficient remedy with which to compensate Franchisor for any breach.

7. **DEFAULT AND TERMINATION**

7.1 The options granted to Developer in this Agreement have been granted in reliance on Developer's representations and warranties, and strictly on the conditions described in this Agreement, including, ~~without limitation,~~ the condition that Developer comply strictly with the Development Schedule.

7.2 Developer shall be deemed in default under this Agreement if Developer and/or any of its Principals:

No default under this Agreement shall constitute a default under any Franchise Agreement between the parties, except to the extent that any default under this Agreement constitutes a default under any Franchise Agreement in accordance with the terms of the Franchise Agreement.

7.4 No right or remedy conferred upon or reserved to Franchisor by this Agreement is exclusive of any other right or remedy provided or permitted by law or equity.

8. TRANSFERABILITY OF INTEREST

8.1 Prohibition of Transfer by Developer. Developer's development rights under this Agreement are not assignable ~~at all~~whatsoever, either directly or indirectly, in whole or in part. This means Franchisor will not under any circumstances allow the development rights to be transferred. A transfer of the development rights would be deemed to occur (and is prohibited) if there is an assignment of this Agreement, a transfer of a Controlling Interest in Developer or in a Business Entity with a Controlling Interest in Developer, or any other event attempting to assign the development rights. An assignment (direct or indirect) of only a non-Controlling Interest in Developer is permitted (and will not be deemed to be a transfer of development rights), provided that, prior to the consummation of any such assignment, (i) Developer promptly provides to Franchisor an updated list of Principals of Developer, along with percentages of ownership; and (ii) any new Principal of Developer executes Franchisor's then-current form of Guaranty and Assumption of Obligations attached as Exhibit B-1 to this Agreement and any other documents Franchisor requires, as necessary to effectuate the documentation of such assignment. Specifically, and without limitation to the foregoing, Franchisor may sell its assets, Marks or the System to a third party; may offer its securities privately or publicly; may merge, spin-off, acquire other corporations, or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout, or other economic or financial restructuring; and with regard to any or all of the above sales, assignments, and dispositions, Developer expressly and specifically waives any claims, demands, or damages against Franchisor arising from or related to the transfer of the Marks (or any variation of such Marks) or the System from Franchisor to any other party. If Franchisor assigns its right in this Agreement, Franchisor will be released from all further liability under this Agreement. Nothing contained in this Agreement requires Franchisor to offer any services or products, whether or not bearing the Marks, to Developer if Franchisor assigns its rights in this Agreement.

(iii) ~~(c)~~ Within a radius of ten (10) miles of the premises of any other ~~Jersey-Mike's~~JERSEY MIKE'S Restaurant.

~~9.5~~ Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 9 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 9.

~~9.6 Developer understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant described in Section 9.3 or 9.4 of this Agreement, or any~~

11. INDEPENDENT CONTRACTOR; INDEMNIFICATION

11.1 This Agreement does not constitute Developer as an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties that Developer shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, debt or any other obligation of Developer.

11.2 Developer shall prominently display, by posting of a sign within public view, and on all forms and other written materials as required by Franchisor, a statement that clearly indicates that said business is independently owned and operated by Developer as a JERSEY MIKE'S ~~A~~ Area ~~D~~ Developer, and not as an agent of Franchisor.

separately insured, that arise out of any acts, errors, or omissions of Developer, its Principals, ~~Developer's~~ Affiliates, independent contractors, and employees of Developer and ~~Developer's~~ or its Affiliates and any such other third parties without limitation and without regard to the cause or causes of the acts, errors, or omissions or the negligence (whether that negligence is sole, joint, or concurrent, and whether active or passive) or strict liability of Franchisor or any other party or parties arising in connection therewith, including but not limited to Developer's operation of the Developer's Business or use of any internet site or intranet network Franchisor develops, acts or claims arising from this Agreement, or acts or claims instituted by Developer's employees or by others related to Developer's employment practices.

However, Developer shall pay the legal fees and other expenses Franchisor incurs in connection with the investigation, defense and settlement of any Indemnified Matter Franchisor undertakes to defend or assume. Franchisor's election to undertake or assume the defense or settlement of an Indemnified Matter will in no way or circumstance extinguishes or diminishes Developer's obligation to indemnify and hold the Indemnified Parties harmless for the same.

~~list from the AAA~~ to agree upon a mediator from the list. If neither party advises the AAA in writing of an agreement within ten (10) days of receipt of such list, the AAA shall appoint the mediator.

The fees and expenses of the AAA (or other administrator), if applicable, and the mediator's fee, shall be shared equally among the parties. Each party shall bear its own attorneys' fees and other costs incurred in connection with the mediation irrespective of the outcome of the mediation or the mediator's evaluation of each party's case. The mediation shall occur within thirty (30) days after selection of the mediator.

~~Regardless of which party initiates the mediation, the parties agree to conduct the mediation at a suitable location chosen by the mediator in Monmouth County, New Jersey. EXHIBIT B-1 TO THE AREA DEVELOPMENT AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

In consideration of, and as an inducement to, the execution of the Area Development Agreement of even date herewith (as amended, modified, restated or supplemented from time to time, the “**Agreement**”) by A SUB ABOVE, LLC (“**Franchisor**”), each of the undersigned (each, a “**Guarantor**”) hereby warrants, represents and agrees (1) that the Developer in the Agreement is correctly named, is validly incorporated or organized in all states where it does business and is in good standing in such state; (2) the organizational documents, shareholders’ and operating agreements of the Developer (“**Organizing Documents**”), and any stock or ownership certificates will recite that the terms of the Agreement restrict the transfer of any interest in the Developer; (3) that the list of persons having an ownership interest in the Developer on the Summary Pages is accurate and complete and there are no other owners of any beneficial or legal interest in the Developer; (4) that the person or persons listed on the Summary Pages as authorized signatories have the authority to bind the Developer; (5) that the Organizing Documents of the Developer shall not be modified or amended without first obtaining any necessary consent of Franchisor; (6) that there shall be no change in the Controlling Principal without prior consent of the Franchisor; (7) that they will refrain from any action which would constitute a breach of the provisions of the Agreement relating to transfers; and (8) that they will notify the Franchisor immediately if they become aware of any actions that would be a breach of the Agreement provisions relating to transfers and shall timely take such steps as are necessary to correct such breach. If Developer is not a corporation, limited liability company, or general, limited, or limited liability partnership, Sections 1, 2, 3, 4, and 5 of this paragraph shall not apply.

Each Guarantor also personally and unconditionally (1) guarantees to Franchisor and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____ (“**Area Developer**”) shall punctually pay and perform each and every undertaking, agreement and covenant described in the Agreement; (2) agrees personally to be bound by, and personally to be liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the provisions of Section 9; and (3) acknowledges that he is included in the term “**Principal**” as used in the Agreement and makes all of the covenants, representations, warranties and agreements of Principals set out in the Agreement. Each Guarantor waives: (1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (4) any right it may have to require that an action be brought against Area Developer or any other person as a condition of liability; and (5) any and all other notices and legal or equitable defenses to which it may be entitled.

Each Guarantor consents and agrees that: (1) its direct and immediate liability under this guarantee shall be joint and several; (2) it shall render any payment or performance required under the Agreement upon demand if Area Developer fails or refuses punctually to do so; (3) such liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Area Developer or any other person; and (4) such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Area Developer or to any other person including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guarantee, which shall be continuing and irrevocable during the term of the Agreement.

Each Guarantor represents and warrants that, if no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor's performance of this Guaranty. Franchisor confirms that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

IN WITNESS WHEREOF, each of the undersigned has affixed his, her, or its signature on the same day and year as the Agreement was executed.

This Agreement shall take effect on the date of its execution by Franchisor (the “**Effective Date**”).

INTRODUCTION

Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns a distinctive System (“**System**”) relating to the establishment, development and operation of restaurants ~~facilities~~ for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine-type sandwiches, other hot sandwiches and related food products and beverages. The distinguishing characteristics of the System include, ~~without limitation,~~ distinctive exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings, and materials; special recipes, formulas, menus and food and beverage designations; food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, personnel management, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

Franchisor is the owner of all right, title and interest together with all the goodwill connected therewith in and to the trade names, service marks and trademarks “JERSEY MIKE’S”, “JERSEY MIKE’S ESTABLISHED IN ‘56 PT. PLEASANT, plus the design”, “MIKE’S, plus the design”, associated logos, commercial symbols, and such other trade names, service marks, and trademarks as are now designated (and as may be later designated by Franchisor in writing) as part of the System (~~referred to as~~ the “**Marks**”), and Franchisor continues to develop, use and control such Marks for the benefit and use of itself and its franchisees in order to identify for the public the source of products and services marketed thereunder and to represent the System’s high standards of operations, quality, food products, appearance, and service; and

Franchisee desires to operate a JERSEY MIKE’S Restaurant under Franchisor’s System and wishes to obtain a franchise from Franchisor for that purpose, as well as to receive the training and other assistance provided by Franchisor in connection therewith; and

Franchisee shall ~~not relocate its Restaurant without the prior written approval of pay to~~ Franchisor. ~~Any change in the location identified~~ the Initial Franchise Fee described on the Summary Pages ~~shall be made in the form of an amendment to, which shall be deemed fully earned and non-refundable upon execution of~~ this Agreement, ~~which must be signed by Franchisor and Franchisee.~~

~~Franchisee shall not use any other channels of distribution, such as the Internet, catalog sales, direct marketing, etc., without Franchisor's prior written approval. Franchisor retains the right to use other channels of distribution (e.g., the Internet, catalog sales, telemarketing or other direct marketing) inside Franchisee's territory using Franchisor's principal trademarks.~~

1.3 Franchisor's Rights. Other than in the Designated Area, Franchisor and its Affiliates retain the right at all times during and after the Term to engage in any and all activities that Franchisor or its Affiliates deem appropriate, wherever and whenever Franchisor or its Affiliates desire, and whether or not such activities compete with the Restaurant, including the right, anywhere in the world, to do any of the following:

a. establish and operate, and allow others to establish and operate:

Upon execution~~ by a representative of Franchisor, Exhibit C-1 may be completed and executed on or after the Opening Date, and will be seen as having full force and effect, without formal amendment to this Agreement.

~~amendment for correction of such deficiencies by Franchisee; and (2) Franchisor's then current requirements relating to the image, appearance, decoration, furnishing, equipping and stocking of JERSEY MIKE'S Restaurants, and an amendment for effecting such upgrading or modifications in order to bring the Franchised Restaurant in compliance therewith, as a condition for renewal. ~~2.4 Franchisor shall give Franchisee written notice of its election not to renew the franchise at least one (1) month prior to the Expiration Date. If the lease for the site of the Franchised Restaurant expires or terminates without fault of Franchisee, or if the site is destroyed, condemned or otherwise rendered unusable, or if in the judgment of Franchisor there is a change in character of the location of the Franchised Restaurant sufficiently detrimental to its business potential to warrant its relocation, Franchisor may grant permission for relocation of the Franchised Restaurant within Franchisee's Designated Area to a location and site acceptable to Franchisor. In no event shall Franchisor's approval of a location be interpreted as a guarantee of success for such location. Any such relocation shall be at Franchisee's sole expense and Franchisor shall have the right to charge Franchisee for any costs incurred by Franchisor, and a fee of Five Thousand Dollars (\$5,000.00) for services provided to Franchisee, in connection with any relocation of the Franchised Restaurant, in addition to a Grand Re-Opening Advertising Fee of Five Thousand Dollars (\$5,000.00) (see Section 10.3).

~~4.2 Franchisor may provide Franchisee with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, cash registers, other equipment, fixtures, furniture, exterior and interior signs and decorating required to meet Franchisor's System Standards for the Franchised Restaurant. Franchisee acknowledges and agrees that Franchisor and/or its Affiliates may derive revenue based on Franchisee's purchases (including from

charging Franchisee for products and services Franchisor or its Affiliates provide to Franchisee and from promotional allowances, rebates, volume discounts and other payments, services or consideration that Franchisor receives from suppliers that Franchisor designates or approves for some or all of JERSEY MIKE'S franchisees). Franchisor and/or any of its Affiliates may use such revenue or profit without restriction.

Approval of a supplier may be conditioned on requirements relating to product quality, prices, consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria and may be temporary, pending Franchisor's continued evaluation of the supplier from time to time.

- ~~k. Franchisee and its Affiliates and their respective Principals and Guarantors shall provide to Franchisor an unconditional, general release of all claims it may have against Franchisor, its Affiliates, and their respective officers, directors, shareholders, partners and employees;~~
- ~~l. Franchisee shall submit any advertisement for the sale of the Restaurant or the franchise to Franchisor, and Franchisor shall provide written approval before such advertisement is used;~~
- ~~m. That the total sales price is not so excessive, in Franchisor's sole determination, that it jeopardizes the continued economic viability and future operations of the Restaurant; and~~
- ~~n. That Franchisee complies with the right of first refusal provisions as provided for in this Agreement.~~

~~19.3 Involuntary Asset Transfers. No involuntary Asset Transfer or partitioning of Franchisee's or its Principals' interest in this Agreement, whether in connection with a bankruptcy, foreclosure, divorce or other proceeding, will be effective against Franchisor unless (1) and until the transferee furnishes Franchisor a signed guaranty under which the transferee agrees to be jointly and severally liable for the payment of Franchisee's monetary obligations under this Agreement, whether or not such obligations are then delinquent, (2) and until the transferee agrees in writing to be personally bound by the confidentiality provisions and restrictive covenants in this Agreement, and (3) the Asset Transfer encompasses Franchisee's and the Principals' total interest in this Agreement, irrevocably designates and appoints Franchisee to be the transferee's agent and attorney-in fact with whom Franchisor may deal for all purposes expressed in or contemplated by this Agreement.~~

~~19.4 Conditions to Ownership Interest Transfer. Neither Franchisee nor any Principal shall effectuate an Ownership Interest Transfer (defined in Section 31) before the Franchised Restaurant opens for business under any circumstances. After the Franchised Restaurant opens for business, any Ownership Interest Transfer will be subject to Franchisor's prior written consent. Franchisor may condition its consent on compliance with certain requirements, including, without limitation, any of the following (which Franchisee agrees are reasonable):~~

- ~~a. At the time of the Ownership Interest Transfer, Franchisee is in full compliance with its obligations under this Agreement, and all other agreements with Franchisor and its Affiliates, including payment of all monetary obligations due Franchisor and its Affiliates.~~
- ~~b. Each principal of the proposed transferee meets Franchisor's criteria for qualifying as a new franchisee and delivers a signed Guaranty and Assumption of Obligations.~~

~~c. If the Ownership Interest Transfer involves Control of the Ownership Interests in Franchisee, the transferees comply with Section 19.2 and all its subsections.~~

d. ~~Franchisee (and each of its Principals) and Guarantors shall provide to Franchisor an unconditional, general~~the transferee (and its Principals) sign all of the documents that Franchisor is then requiring in connection with a Transfer, in a form satisfactory to Franchisor, including: (i) a release of any and all claims it may have (except for claims which cannot be released or waived pursuant to applicable law) against Franchisor, and its Affiliates, and its and their respective owners, officers, directors, shareholders, partners and employees employees, and agents, and (ii) covenants that Franchisee and its transferring Principals agree to satisfy all post-termination obligations under this Agreement;

~~19.5 Waiver of Interference Claims. Franchisee acknowledges that Franchisor has legitimate reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with Franchisee. Franchisee also acknowledges that Franchisor's contact with potential transferees for the purpose of protecting its business interests will not constitute improper or unlawful conduct. Franchisee expressly authorizes Franchisor to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms with the transferee, and to withhold consent to economically questionable transactions. Franchisee and its Principals waive any and all claims that actions taken by Franchisor or its representatives in relation to a proposed Transfer to protect Franchisor's business interests constitute tortious interference with contractual or business relationships.~~

~~19.6 Special Transfers.~~

~~a. If Franchisee is an individual or partnership who at any time advises Franchisor that Franchisee wants to assign the Franchise to a corporation or to limited liability company in which Franchisee will own one hundred percent (100%) of the Ownership Interest (and, in the case of a partnership, will share ownership in the corporation or limited liability company apportioned substantially the same as were the partnership interests), Franchisor will consent to the assignment and waive payment of a transfer fee and its right of first refusal under Section 19.7 upon its receipt of such documentation and information concerning the corporation or limited liability company and its Principals as Franchisor may request. The required documentation will include, without limitation, (i) a certified list of the corporation's Principals (designating the amount and percentage of stock or units of beneficial ownership each Principal owns), (ii) a Personal Guaranty and Assumption of Obligations signed by each Principal, and (iii) an express assumption by the corporation or limited liability company of Franchisee's obligations under this Agreement.~~

~~b. If Franchisee is a Business Entity (defined in Section 31), Franchisor will consent to Ownership Interest Transfers among Franchisee's original Principals and waive payment of a Transfer Fee and its right of first refusal under Section 19.7 if the Transfer does not result in a Transfer of a Controlling Interest. The transferor shall deliver to Franchisor such documentation and information concerning the Ownership Interest Transfer and the resulting ownership of Franchisee as Franchisor may request. The required documentation will include, without limitation, a Guaranty and~~

~~Assumption of Obligations signed by each Principal who has not previously signed such documents.~~

- e. all persons required to complete training under the transferee's franchise agreement satisfactorily complete the Initial Training Program, and transferee has paid all costs and expenses that Franchisor incurs to provide the Initial Training Program to such persons;
- f. if the proposed Transfer requires notice to or approval from the landlord of the Premises, or any other action under the terms of the Lease, Franchisee has taken such appropriate action and delivered to Franchisor evidence of the same;
- g. Franchisee has corrected any existing deficiencies of the Restaurant of which Franchisor has notified Franchisee, and/or the transferee agrees to upgrade, remodel, and refurbish the Restaurant in accordance with Franchisor's then-current specifications for JERSEY MIKE'S Restaurants within the time period that Franchisor specifies following the date of the Transfer and the transferee agrees to escrow an amount that Franchisor approves for payment of the required upgrade, remodel or refurbishment;
- h. the transferee must (if the Transfer is of this Agreement, the Restaurant, or controlling interest in Franchisee), sign Franchisor's then-current form of franchise agreement and related documents, any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Continuing Royalty Fee and the contributions to the Fund(s); provided, that the term of the new franchise agreement signed will equal the then-remaining Term;
- i. the transferee(s) must (if the Transfer is any beneficial or ownership interest in Franchisee), sign Franchisor's then-current form of guaranty undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between Franchisee and Franchisor, and an updated Summary Pages;
- j. Franchisee pays Franchisor a Transfer fee equal to \$15,000; and
- k. Franchisee provides Franchisor the evidence that Franchisor requests to show that appropriate measures have been taken to effect the Transfer as it relates to the operation of the Restaurant, including, transferring all necessary business licenses, insurance policies, and material agreements, or obtaining new business licenses, insurance policies and material agreements, each in accordance with the System Standards.

Franchisor may review all information regarding the Restaurant that Franchisee gives the transferee, correct any information that Franchisor believes is inaccurate, and give the transferee copies of any reports that Franchisee has given Franchisor or Franchisor has made regarding the Restaurant.

Franchisor's consent to a Transfer pursuant to this Section 18.2 is not a representation of the fairness of the terms of any contract between Franchisee and the transferee, a guarantee of the Restaurant's or transferee's prospects of success, or a waiver of any claims that Franchisor has against

Franchisee (or its Principals) or of Franchisor's right to demand the transferee's full compliance with this Agreement.

18.3 Transfer to a Wholly Owned Business Entity. If Franchisee does not originally sign this Agreement as a Business Entity, Franchisee may assign this Agreement to a Business Entity; provided, that: (a) such Business Entity conducts no business other than the Restaurant and, if applicable, other JERSEY MIKE'S Restaurants; (b) Franchisee maintains management control of such Entity; (c) Franchisee owns and controls 100% of the economic interests, equity and voting power of all issued and outstanding ownership interests in such Business Entity; (d) all of the assets of the Restaurant are owned, and the business of the Restaurant is conducted only by that single Business Entity; and (e) Franchisee satisfies all conditions applicable to a Transfer described in Section 18.2, except that Franchisor will not require payment of a transfer fee as described in Section 18.2.j (provided, that Franchisee may be required to reimburse Franchisor for any direct costs that Franchisor incurs in connection with documenting and otherwise processing such Transfer, including reasonable legal fees) and Franchisor's right of first refusal under Section 18.4 will not apply; and (vi) that Business Entity must expressly assume all of Franchisee's obligations under this Agreement, the Lease, and otherwise satisfy the conditions under this Agreement, including delivery of insurance certificates to Franchisor. Franchisee agrees to remain personally liable under this Agreement as if the Transfer to the Business Entity did not occur, including by signing Franchisor's then-current form of personal guaranty of the obligations of such Business Entity. Franchisee must also sign an assignment and assignment satisfactory to Franchisor which must include a release of any and all claims (except for claims which cannot be released or waived pursuant to an applicable franchise statute) against Franchisor and its Affiliates, and its and their owners, officers, directors, employees, and agents.

18.4 ~~19.7~~ Right of First Refusal. If Franchisee or one or more of its Principals wishes to effectuate a Transfer (in each case, such Franchisee and/or Principal(s) would be the "seller"), consistent with any bona fide binding offer received from a third party to purchase ~~that~~such interest, then the proposed seller ~~will~~(s) must promptly notify Franchisor in writing of the offer, at least ninety (90) days prior to the proposed Transfer, and ~~will~~ provide any additional information and documentation relating to the offer that Franchisor requires. Franchisor will have the option, exercisable within fifteen (15) Business Days after Franchisor's receipt of a fully executed purchase agreement, to send written notice to the seller(s) that Franchisor intends to purchase the ~~seller's~~ interest of seller(s) on the same terms and conditions provided under the fully executed purchase agreement received by Franchisor. If Franchisor elects to purchase ~~the seller's~~such interest, Franchisor must receive, and Franchisee and its ~~owners~~Principal(s) agree to make, all customary representations and warranties given by the seller(s) of the assets of a business or the ownership interests in a legal entity, as applicable. ~~Franchisor has the unrestricted right to assign the right of first refusal outlined in this Section 19.7.~~

If Franchisee receives a bona fide binding offer from a third party to purchase the ~~Franchised~~ Restaurant along with other JERSEY MIKE'S ~~R~~Restaurants that Franchisee, ~~and~~ or its Affiliates, ~~own~~, Franchisor may decide, in its sole discretion, whether to purchase only the ~~Franchised~~ Restaurant or a combination of the ~~Franchised~~ Restaurants of the other JERSEY MIKE'S ~~R~~Restaurants owned by Franchisee, ~~and~~ or its Affiliates, ~~on the same business terms as they relate to the Franchised Restaurant.~~

If an offer from a third party provides for payment of consideration other than cash, Franchisor may elect to purchase the interest proposed to be sold for the cash equivalent. If the parties cannot agree within a reasonable time on the cash equivalent of the non-cash part of the offer, then the cash equivalent will be determined by one independent accredited appraiser who will conduct an appraisal and, in doing so, be bound by the criteria specific herein. Franchisor and Franchisee agree to select the appraiser within

fifteen (15) days after Franchisor notifies Franchisee that it wishes to exercise its right of first refusal (if Franchisor and Franchisee have not agreed on the cash equivalent before then)-, and to share ~~the cost of the appraisal-shall be shared equally by Franchisor and Franchisee.~~ The appraiser must complete its appraisal within thirty (30) days after its appointment. ~~If Franchisor elects to purchase the seller's interest, e~~Closing on the purchase will occur no later than sixty (60) days after the date Franchisor gives notice to the seller ~~of the(s) of its~~ election to purchase, provided that Franchisor has received all necessary permits and approvals, ~~or on such~~ unless otherwise date as agreed by the parties agree in writing. If Franchisor exercises its right of first refusal, it may set off all amounts due from Franchisee or any of its Affiliates (including, if applicable, all fees charged by the appraiser) against any payment for the interest to be purchased.

A decision of Franchisor not to exercise the right of first refusal granted by this Section ~~19.7~~ 18.4 will not constitute a waiver of any other provision of this Agreement, including ~~all of~~ the requirements of this Section ~~19,18~~ with respect to a proposed Transfer. If Franchisor does not exercise its right of first refusal on any particular offer, any material change in the terms of the offer before closing will constitute a new offer subject to the same right of first refusal by Franchisor as in the case of the initial offer.

18.5 ~~19.8~~ Purchase Upon Franchisee's Death or Disability. Upon the death or disability of Franchisee (or if Franchisee is a Business Entity, Franchisee's Controlling Principal), such person's executor, administrator, conservator, guardian, or other personal representative must transfer such person's interest in this Agreement, the Restaurant, or ownership interest in Franchisee, to a third party that Franchisor approves (which may be such person's heirs, beneficiaries, or devisees). That Transfer must be completed within a reasonable time, not to exceed one hundred eighty (180) days from the date of death or disability, and is subject to all of the terms and conditions in this Section 18, except that any transferee that is the spouse or immediate family member of the deceased, will not have to pay the transfer fee described in Section 18.2.j if the Transfer meets all the other conditions in Section 18.2, and the transferee reimburses Franchisor for any direct costs that it incurs in connection with documenting and otherwise processing such Transfer, including reasonable attorneys' fees. The term "disability" means a mental or physical disability, impairment, or condition that is reasonably expected to or actually prevent(s) such person from fulfilling such person's respective duties under this Agreement, as applicable. If the Restaurant is not being managed properly at any time from and after the death or disability of Franchisee (if Franchisee is an individual), the Controlling Principal (if Franchisee is a Business Entity) or Franchisee's general manager, in Franchisor's sole judgment, Franchisor may, but need not, operate the Restaurant on an interim basis (or appoint a third party to operate the Restaurant on an interim basis) in accordance with Section 16.3.

18.6 Public or Private Offerings. Written information used to raise or secure funds can reflect upon Franchisor and the System. Franchisee agrees to submit any written information intended to be used for that purpose to Franchisor before inclusion in any registration statement, prospectus, or similar offering memorandum. Should Franchisor object to any reference to Franchisor or its Affiliates or any of Franchisor's business in the offering literature or prospectus, the literature or prospectus shall not be used until Franchisor's objections are withdrawn. Franchisee may not engage in a public offering of securities without Franchisor's prior written consent.

~~a. This Section 19.8 applies only if (i) a Controlling Principal dies or becomes Permanently Disabled (defined in Section 31), and (ii) the death or Permanent Disability results in a change in executive level responsibility for managing the Franchised Restaurant.~~

~~b. Upon the occurrence of an event described in Section 19.8(a), a Principal of Franchisee shall notify Franchisor of the event and indicate Franchisee's intention of continuing to operate the Restaurant according to this Section 19.8(b). During the first one hundred twenty (120) days after the death or Permanent Disability occurs, Franchisor will evaluate the interim management's willingness and ability to operate the Franchised Restaurant in compliance with this Agreement. By the end of the one hundred twenty (120) day evaluation period, Franchisor will decide whether the interim management is qualified to manage the Franchised Restaurant and become its Controlling Principal, and will notify Franchisee's known Principals of its decision. As conditions to continuing the Franchise relationship, each Principal shall furnish Franchisor a signed Guaranty and Assumption of Obligations and any deficiency in Franchisee's compliance with the requirements of this Agreement shall be cured. Further, Franchisor may require the new Controlling Principal or designated manager to attend and satisfactorily complete the Franchisor's initial training program.~~

~~c. If any of the conditions stated in Section 19.8(b) are not satisfied, or if Franchisor decides that the interim management has not adequately demonstrated its business qualifications or commitment to the franchise relationship, the surviving Principals will have one hundred twenty (120) days after delivery of Franchisor's notice to (i) locate a new Controlling Principal who is acceptable to Franchisor or (ii) sign a binding contract to sell the Franchise or a Controlling Interest in the Franchise to a buyer approved by Franchisor in accordance with, and in a transaction structured to comply with, Section 19.2 or 19.4, whichever is applicable. The proposed sale will be subject to Franchisor's right of first refusal under Section 19.7.~~

~~d. If any of the Franchise's Principals fail to sign a binding contract of sale before the one hundred twenty (120) day selling period expires, or (i) if a contract is signed, but the proposed sale is not concluded within thirty (30) days after Franchisor relinquishes its option under Section 19.7, Franchisor will have an additional option during the next following thirty (30) days to purchase the interest the deceased or Permanently Disabled person held at the date of death or Permanent Disability. Franchisor has the unrestricted right to assign the purchase right outlined in this Section 19.8. The purchase price for the interest will be its fair market value, determined through negotiations or by appraisal. Unless otherwise agreed by the parties, the purchase price will be payable in cash at closing. If Franchisor delivers written notice of its intention to exercise the option within the thirty (30) day period, the option will be considered effectively exercised whether or not the purchase is actually consummated within the thirty (30) day period.~~

~~e. If the parties fail to agree on a purchase price for the interest within twenty one (21) days after delivery of Franchisor's notice, the purchase price will be determined by an accredited appraiser in accordance with the appraisal process specified in Section 19.7.~~

18.7 ~~19.9~~ Transfer by Franchisor. Franchisor and any holder of an Ownership Interest in Franchisor may voluntarily, involuntarily, directly, or indirectly sell, assign, transfer, license, sublicense, sublease, collaterally assign, grant a security, collateral or conditional interest, inter vivos transfer, testamentary disposition or other disposition of all or any part of its rights or obligations under this

Agreement or any Ownership Interest in Franchisor to any person. Franchisee agrees not to interfere in or to attempt to interfere with a proposed transfer by Franchisor or its owners. ~~Specifically, and without limitation to the foregoing,~~ Franchisor may sell its assets, Marks or the System to any third party; may offer its securities privately or publicly; may merge, spin-off, acquire other corporations, and/or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout, or other economic or financial restructuring; and with regard to any or all of the above sales, assignments, and dispositions, Franchisee expressly and specifically waives any claims, demands, or damages against Franchisor arising from or related to the transfer of the Marks (or any variation of such Marks) or the System from Franchisor to any other party. ~~If Franchisor~~ Upon assignment of its rights ~~in~~ under this Agreement, Franchisor will be released from all further liability hereunder ~~this Agreement~~. Nothing contained in this Agreement requires Franchisor to offer any services or products, whether or not bearing the Marks, to Franchisee if Franchisor assigns its rights in this Agreement.

20. DEATH OR INCAPACITY OF FRANCHISEE

~~20.1 In the event of the death or incapacity of any owner owning fifty percent (50%) or more of the capital stock or outstanding ownership interest in Franchisee, the heirs, beneficiaries, devisees, or legal representatives of said shareholders, shall within one hundred eighty (180) days of such event:~~

- ~~a. Apply to Franchisor for the right to continue to operate the franchise for the duration of the term of this Agreement and any renewals, which right shall be granted upon the fulfillment of all of the conditions described in Section 19.4 of this Agreement (except that no transfer fee shall be required); or~~
- ~~b. Sell, assign, transfer or convey Franchisee's interest in compliance with provisions of Section 19 of this Agreement; provided, however, in the event a proper and timely application for the right to continue to operate has been made and rejected, the one hundred eighty (180) days to sell, assign, transfer or convey shall be computed from the date and said rejection. For purposes of this Section, Franchisor's silence on application made according to Section 20.2 through the one hundred eighty (180) days following the event of death or incapacity shall be deemed a rejection made on the last day of such period.~~

~~20.2 In the event of the death or incapacity of any shareholder of a Franchisee, where the aforesaid provisions of Section 19 have not been fulfilled within the time provided, all rights licensed to Franchisee under this Agreement shall, at the option of Franchisor, terminate forthwith and automatically revert to Franchisor.~~

19. ~~21.~~ INDEPENDENT CONTRACTOR; INDEMNIFICATION

19.1 ~~21.1~~ Independent Contractors. This Agreement does not constitute Franchisee as an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, debt or any other obligation of Franchisee.

19.2 ~~21.2~~ Notice of Franchise Relationship. Franchisee shall prominently display, by posting of a sign within public view, and on all forms and other written materials as required by Franchisor, a

statement that clearly indicates that said business is independently owned and operated by Franchisee as a JERSEY MIKE'S franchisee of Franchisor and not as an agent of Franchisor.

19.3 ~~21.3~~ Indemnification. Franchisee and each of its Principals shall indemnify, hold harmless and timely defend Franchisor, Franchisor's Affiliates and their respective officers, directors, shareholders, partners, employees, agents, successors and assigns (collectively, "**Indemnified Parties**") from and against any and all claims, demands, legal proceedings, administrative inquiries, investigations and proceedings, damages, losses, judgments, settlements, fines, penalties, remedial actions, costs and expenses (including attorneys' fees) asserted against, incurred or sustained by any Indemnified Party, whether or not separately insured, that relate to or arise out of (~~ia~~) Franchisee's operation of the ~~Franchised~~ Restaurant; (~~ib~~) use of any Online Presences; (~~ic~~) any acts or claims instituted by Franchisee's employees or ~~others~~ any third party related to Franchisee's employment practices; or (~~id~~) any acts, errors, or omissions of Franchisee, ~~the or any of its~~ Principals, ~~Franchisee's~~ Affiliates, independent contractors, and or employees ~~of Franchisee and Franchisee's Affiliates~~ and any such other third parties ~~without limitation and~~, without regard to the cause or causes of the acts, errors, or omissions or the negligence (whether that negligence is sole, joint, or concurrent, and whether active or passive) or strict liability of Franchisor or any other party or parties arising in connection therewith.

~~21.4~~ Franchisor may elect (but under no circumstance will be obligated) to undertake or assume the defense of any such claim, demand, inquiry, investigation or proceeding (an "**Indemnified Matter**"), and to conduct and supervise all settlement negotiations related to any Indemnified Matter. However, Franchisee shall pay the legal fees and other expenses Franchisor incurs in connection with the investigation, defense and settlement of any Indemnified Matter Franchisor undertakes to defend or assume. Franchisor's election to undertake or assume the defense or settlement of an Indemnified Matter will in no way or circumstance extinguishes or diminishes Franchisee's obligation to indemnify and hold the Indemnified Parties harmless for the same.

~~21.5~~ Franchisee alone shall be responsible for all loss or damage originating in or in connection with the operation of its business and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting from its JERSEY MIKE'S Restaurant operations and Franchisee agrees to indemnify and hold Franchisor harmless from any such claims, loss or damage.

20. ~~22~~ NON-WAIVER

No failure of Franchisor to exercise any power reserved to it ~~hereunder~~ in this Agreement, or to insist upon ~~strict~~ compliance by Franchisee with any obligation or condition ~~hereunder~~ in this Agreement, and no custom or practice of the parties ~~in at~~ variance with the terms of this Agreement, shall constitute a waiver of Franchisor's rights to demand exact compliance with the terms of this Agreement. Waiver by Franchisor ~~or of~~ any particular default ~~by Franchisee shall not be binding unless in writing and signed by the party sought to be charged and~~ shall not affect or impair Franchisor's right ~~with in~~ respect to any subsequent default of the same or of a different nature; nor shall ~~any~~ delay, ~~waiver~~, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee ~~or of~~ any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall ~~such~~ the same constitute a waiver by Franchisor of any rights hereunder or ~~of the rights~~ to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

The following provision applies if Franchisee or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of ~~(ia)~~ waiving any claims under any applicable state franchise law, including fraud in the inducement, or ~~(ib)~~ disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of ~~the f~~Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

23. ~~25.~~ ENTIRE AGREEMENT

Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that

Franchisor furnished to Franchisee. Except for those changes which Franchisor may make unilaterally, ~~consistent in accordance~~ with this Agreement, no amendment, change or variance from this Agreement shall be binding on either party unless signed in writing by both parties.

24. ~~26.~~ SEVERABILITY AND CONSTRUCTION; SURVIVAL

24.1 ~~26.1~~ Severability. Each paragraph, part, term and/or provision of Agreement shall be considered severable, and if, for any reason, any paragraph, part, term and/or provision of this Agreement is determined to be invalid and contrary to, or in conflict with any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties; and said invalid paragraphs, parts, terms and/or provisions shall be deemed not part of this Agreement; *provided*, however, that if Franchisor determines that said findings of illegality adversely affects the basic consideration of this Agreement, Franchisor may, at its option, terminate this Agreement.

~~26.4~~ The introductory recitals described in this Agreement are specifically incorporated into the terms of this Agreement and hereby constitute a material part of this Agreement. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision of this Agreement. 24.4 ~~26.7~~ Survival. The provisions of this Agreement relating to confidentiality, non-competition, information security, and indemnification, including ~~but not limited to~~ Sections ~~87,~~ 16 Section 15, and 21 Section 20 of this Agreement shall survive any termination or expiration of this Agreement for any reason.

~~26.8 Franchisee agrees that whenever this Agreement allows or requires Franchisor to take actions or make decisions, Franchisor may in doing so exercise its sole and unfettered discretion, even if Franchisee believes Franchisor’s action or decision is unreasonable, unless the Agreement expressly and~~

~~specifically requires that Franchisor acts reasonably or refrains from acting unreasonably in connection with the particular action or decision.~~

25. ~~27~~ APPLICABLE LAW, MEDIATION AND ARBITRATION

25.1 Applicable Law. This Agreement takes effect upon its acceptance and execution by Franchisor ~~in New Jersey. INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Parent of
A Sub Above, LLC:

Opinion

We have audited the financial statements of A Sub Above, LLC (the "Company"), which comprise the balance sheets as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the related statements of operations, changes in equity, and cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), from January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the results of its operations and its cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. DESCRIPTION OF BUSINESS AND NATURE OF OPERATIONS

Description of Business — A Sub Above, LLC (the “Company” or “Franchisor”) was formed as a Delaware limited liability company as a result of the initial 2019 Securitization Transaction, which is further described in Note 3—Securitization Transactions. The Company is a direct, wholly owned subsidiary of Jersey Mike’s Funding, LLC (the “Master Issuer” or the “Member”), which is a direct, wholly owned subsidiary of JM SPV Guarantor, LLC, which is a direct, wholly owned subsidiary of Jersey Mike’s Franchise Systems, LLC (the “Manager”), which is a direct, wholly owned subsidiary of Jersey Mike’s Holdco, LLC (“the Parent”). Jersey Mike’s HoldCo LLC, a new Delaware limited liability company, was formed on January 7, 2025, pursuant to the acquisition (“Sponsor Acquisition”) to indirectly hold all of the equity interest of Jersey Mike’s Franchise Systems, LLC, the historical operating entity prior to the formation of the Jersey Mike’s Holdco, LLC. The Company is in the business of franchising and operating Jersey Mike’s restaurants.

On January 16, 2025, 90% of the equity interest in Jersey Mike’s HoldCo, LLC was acquired by Submarine Buyer LLC, a Delaware limited liability company controlled by affiliates of Blackstone Inc. The remaining 10% noncontrolling interest was retained by Original 56ers, Inc. (formerly Jersey Mike’s Inc.), a Delaware corporation controlled by the Company’s founder. Refer to Note 3, Business Combinations, for additional information.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The accompanying financial statements includes all accounts of the Company, which has no subsidiaries.

As a result of the acquisition of Jersey Mike’s Holdco, LLC that occurred on January 16, 2025, the Company has presented the results for fiscal year 2025 as two separate periods. The Predecessor period refers to the timeframe prior to January 16, 2025, which was before the Sponsor Acquisition. The Successor period refers to the period beginning on January 16, 2025, and reflects the financial statements of the Company after the Sponsor Acquisition. The Parent elected to apply pushdown accounting to the Company’s separate financial statements and A Sub Above’s assets and liabilities were adjusted to fair value on the closing date of the Sponsor Acquisition. Due to the change in the basis of accounting, the financial statements for the Predecessor and the Successor are not necessarily comparable. Where applicable, a black line separates the Successor and Predecessor periods to highlight the lack of comparability. Refer to Note 3, Business Combinations for additional information.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions, primarily related to long-lived asset valuation, indefinite and finite lived intangible

asset valuation, and contingencies. These estimates and assumptions affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although management bases its estimates on historical experience and assumptions that are believed to be reasonable under the circumstances, actual results could differ from those estimates.

Fiscal Year

On December 12, 2025, the Board of Directors of Jersey Mike's Holdco, LLC approved a change in the Company's fiscal year end from December 31 to a 52/53-week fiscal year that ends on the last Sunday of the calendar year for Jersey Mike's Holdco, LLC and all of its subsidiaries. This change is effective for fiscal year ended December 28, 2025 and applied prospectively. Prior-period operating results were not adjusted and remain presented on a calendar basis. While the shift affects comparability of fiscal quarters and the annual period for the year ending December 28, 2025, the impact is not material. Due to the fiscal year change, the years ended December 28, 2025, December 31, 2024 and December 31, 2023 contained 362 days (comprised of 347 days in the Successor period and 15 days in the Predecessor period), 366 days and 365 days, respectively.

Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 31, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. Highly liquid investments with an original maturity of three months or less are considered cash equivalents.

Restricted Cash

During 2025, the Company adopted the Parent's restricted cash accounting policy. The change has been applied retrospectively to all periods presented and no balances met the definition of restricted cash in any periods presented. Accordingly, the adoption had no impact on total cash, net income, or cash flows.

Accounts Receivable

Accounts receivable, net of allowance for credit losses, primarily consists of accrued royalty fees, which are collected weekly in arrears. Historically, the Company has not incurred significant losses related to its Accounts receivable and do not believe there to be a meaningful risk of loss.

The Company determines the allowance for credit losses on Accounts receivable using the Current Expected Credit Losses model in accordance with Accounting Standards Codification ("ASC") 326. Expected credit losses are estimated based on historical collections experience, current economic conditions, and forecasts that affect the collectability of the receivables. Accounts are written off when they are deemed uncollectible, generally after they are 120 days past due and collection efforts have been exhausted. Recoveries of amounts previously written off are recorded upon receipt. The allowance for credit losses is evaluated at each reporting date and adjusted as necessary based on changes in expected credit losses.

Intangible Assets

Intangible assets with a finite life are amortized on a straight-line basis over the remaining estimated useful life of the asset. The Company's indefinite lived intangible assets, which are not subject to amortization, consist of

trademarks. On an annual basis (October 1st of each year) and whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable, the Company reviews the recoverability of its indefinite-lived intangible assets. No indications of impairment were identified for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023. It is possible that changes in circumstances or changes in management's judgments, assumptions, and estimates could result in an impairment charge of a portion or all of its intangible assets.

Intangible Assets	Estimated Useful Lives
Trade Name	Indefinite
Reacquired franchise rights	3 to 6 years
Franchise agreements	20 years
Technology	5 years
Other intangible assets	10 - 40 years

Capitalized Software

The Company capitalizes the costs of software developed for internal-use and website design when the preliminary project stage is completed and management believes it is probable that the project will be completed and the software or website design will be used to perform the function intended. These costs are amortized on a straight-line basis commencing when such software and website design is ready for its intended use. Software development costs related to preliminary project activities and post-implementation and maintenance activities are expensed as incurred. The Company states capitalized software at cost less accumulated amortization within Intangible assets, net on the Balance Sheets.

Impairment of Long-Lived Assets

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. Recoverability is assessed by comparing the carrying amount of an asset or asset group to the estimated future undiscounted cash flows expected to result from its use. If the carrying amount is not recoverable, an impairment loss is recognized for the amount by which the carrying amount exceeds fair value. The Company identified no triggering events and recorded no impairments losses for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023.

Change in Accounting Principle

During 2025, the Company adopted a change in accounting principle related to the identification of performance obligations under its customer contracts. Management believes this change improves financial reporting by aligning the identification of performance obligations with industry practice, enhancing comparability to peers, and reflecting updates to the Company's business arrangements with its franchise owners.

The change impacts the timing of revenue recognition and related classification of deferred revenue. The cumulative effect of the change was recorded as an adjustment to opening retained earnings (within Members' equity) as of January 1, 2023. As a result of the change, as of December 31, 2024, deferred revenue, net of current portion, increased by \$8.1 million, while current deferred revenue decreased by \$0.6 million on the Balance Sheets. On the Statements of Operations, Royalties, franchise fees and other revenues increased by \$0.1 million for the year ended December 31, 2024, and decreased by \$0.1 million for the year ended December 31, 2023,

with corresponding impacts to the Statements of Cash flows. As of January 1, 2023, the opening members' equity decreased by \$7.5 million. This changes did not impact total contract consideration.

Revenue Recognition

The Company provides goods and services in connection with its franchise agreements, consisting of (a) a franchise license, (b) pre-opening services, such as training, and (c) ongoing services, such as access to the supply chain network, management of the advertising contributions, development of training materials and menu items, and store monitoring. In exchange, the Company collects royalties, initial franchise fees and upfront development fees. As these goods and services are highly interrelated, they are accounted for as a single performance obligation, which is satisfied by providing a right to use the Company's intellectual property over the term of each franchise agreement.

Royalties represent sales-based fees calculated as a percentage of franchise store sales, and are recognized as revenue as franchised store sales occur. Amounts are generally payable on a weekly basis. Initial franchise fees and upfront development fees are generally deferred upon receipt and recorded within Unearned franchise fees and Unearned franchise fees - net of current portion on the Balance Sheets. As the Company's performance obligation under development agreements generally consists of an obligation to grant exclusive development rights over a stated term, these development rights are not distinct from franchise agreements, with upfront fees paid by franchise owners for development rights apportioned to each franchised store opened and accounted for as an initial franchise fee. These amounts are recognized as revenue ratably over the term of the related franchise agreement.

Income Taxes

The Company is a single-member limited liability company and is treated as a disregarded entity for federal and state income tax purposes. As a result, the Company does not incur U.S. federal income taxes and only incurs minimal state income taxes. Its earnings and losses are ultimately included in the consolidated income tax returns of the Parent. As a result, the accompanying statements of income includes a provision for minimal state income taxes.

Fair Value Measurements

Fair value is the price the Company would receive to sell an asset or pay to transfer a liability (exit price) in an orderly transaction between market participants. Assets and liabilities measured or disclosed at fair value are classified within the fair value hierarchy based on the nature of the inputs used in the valuation, as follows:

Level 1—Unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2—Observable other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly

Level 3—Unobservable inputs for the asset or liability whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determining fair value requires significant judgment or estimation by Management.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques utilized need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. BUSINESS COMBINATIONS

On November 8, 2024, Jersey Mike's Franchise Systems, LLC's and its equity holders entered into an Equity Purchase Agreement with Submarine Buyer LLC (the "Buyer"), a Delaware limited liability company controlled by affiliates of Blackstone Inc. Pursuant to the Equity Purchase Agreement, Original 56ers, Inc. (Formerly named Jersey Mike's Inc.) ("Seller") formed a new Delaware limited liability company, Jersey Mike's HoldCo LLC, to indirectly hold 100% of the equity interests of Jersey Mike's Franchise Systems, LLC. On January 16, 2025, Jersey Mike's Franchise Systems, LLC was acquired by the Buyer as a new portfolio investment for a purchase price of \$6,317 million, which includes a 10% noncontrolling interest attributable to shares retained by the Seller and a maximum additional \$250 million in cash payable once 4,000 Jersey Mike's stores are operational worldwide or upon a change in control event (the "Sponsor Acquisition").

The acquisition was accounted for using the acquisition method of accounting which requires, among other things, that the assets acquired and liabilities assumed be recognized at their estimated fair values (based on Level 3 measurements) as of the acquisition date. Estimates of fair value represent management's best estimate and require a complex series of judgments about future events and uncertainties.

Submarine Buyer LLC was identified as the accounting acquirer, and the Company elected to apply pushdown accounting to its separate financial statements in accordance with ASC 805.

As a result of the acquisition and pushdown accounting, A Sub Above, LLC recorded \$7,509 million of identifiable intangible assets and \$17 million of other acquired assets. The acquired identifiable intangible assets include Franchise Agreements (domestic only), Tradenames and Technology. The fair value of acquired receivables equals the gross contractual amounts receivable. The Company expects to collect all acquired receivables. The fair value of liabilities assumed was \$19 million. Goodwill was not pushed down to A Sub Above, LLC.

The Company has finalized the purchase accounting for the acquisition and the total consideration transferred and the fair value of net assets acquired and pushed down to A Sub Above, LLC are as follows:

Consideration transferred to Parent

Cash consideration	\$	5,475,086
Contingent consideration		210,000

	Acquisition Date Fair Value	Weight Average Useful Life (Years)

Total	<u>\$ 7,509,400</u>	

The Company amortizes the franchise agreements and technology on a straight-line basis over their respective useful lives.

The intangible assets were valued using the following valuation approaches:

Trade name

The trade name was valued using the relief-from-royalty method under the income approach. This method estimates the value of the intangible asset by forecasting the royalties the Company avoids by owning the trademark, adjusting those avoided royalties for taxes, and discounting the resulting after-tax cash flows to present value using an appropriate discount rate. The key inputs and assumptions include projected revenue, royalty rates, discount rates, cash flow forecasts, and obsolescence.

Franchise agreements

The domestic and Canadian franchise agreements were valued using the multi-period excess earnings method of the income approach. This involves discounting the projected after-tax cash flows associated with the agreements to present value. The key inputs and assumptions included the Company's estimates of the projected royalties received under the existing franchise agreements and the appropriate discount rate.

Technology

The technology was valued using the replacement method under the cost approach, which involves estimating the asset's economic value based on the total costs required to replace it, including both the direct replacement costs and the opportunity costs associated with the underlying technology. The key inputs and assumptions included the Company's historical technology spend, expected obsolescence, and estimated re-creation costs.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Jersey Mike's HoldCo, LLC and Subsidiaries:

Opinion

We have audited the consolidated financial statements of Jersey Mike's HoldCo, LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the related consolidated statements of operations, comprehensive income, changes in members' equity (deficit), and cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), from January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 (successor) and 2024 (predecessor), and the results of its operations and its cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

JERSEY MIKE’S HOLDCO, LLC AND SUBSIDIARIES

Notes to Consolidated Financial Statements

(Unless otherwise noted, all amounts are in millions, except share amounts)

1. DESCRIPTION OF BUSINESS

Jersey Mike’s HoldCo, LLC, and its wholly owned subsidiaries (collectively, “Jersey Mike’s” or the “Company”) is in the business of franchising and operating Jersey Mike’s restaurants.

As of December 28, 2025, there were a total of 3,256 stores in the Jersey Mike’s system, of which 99.2% are franchised (including 21 international restaurants) and 26 company-owned stores.

Jersey Mike’s HoldCo, LLC, a Delaware limited liability company, was formed on January 7, 2025, in connection with the acquisition (“Sponsor Acquisition”) to indirectly hold all of the equity interest of Jersey Mike’s Franchise Systems, LLC, the historical operating entity prior to the formation of the Company.

On January 16, 2025, 90% of the equity interest in Jersey Mike’s HoldCo, LLC was acquired by Submarine Buyer LLC, a Delaware limited liability company controlled by affiliates of Blackstone Inc. The remaining 10% noncontrolling interest was retained by Original 56ers, Inc. (formerly Jersey Mike’s Inc.), a Delaware corporation controlled by the Company’s founder. Refer to Note 3, Business Combinations, for additional information.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

As a result of the Sponsor Acquisition that occurred on January 16, 2025, the Company has presented the results for fiscal year 2025 as two separate periods. The Predecessor period refers to the timeframe prior to January 16, 2025, which was before the Sponsor Acquisition and reflects the financial statements of Jersey Mike’s Franchise Systems, LLC. The Successor period refers to the period beginning on January 16, 2025, and reflects the financial statements of the Company after the Sponsor Acquisition. The Company elected to apply pushdown accounting to the Company’s separate financial statements and the Jersey Mike’s Franchise Systems, LLC’s assets and liabilities were adjusted to fair value on the closing date of the Sponsor Acquisition. Due to the change in the basis of accounting, the Consolidated Financial Statements for the Predecessor and the Successor are not necessarily comparable. Where applicable, a black line separates the Successor and Predecessor periods to highlight the lack of comparability. Refer to Note 3, Business Combinations for additional information.

Principles of Consolidation

The Consolidated Financial Statements include the accounts of Jersey Mike’s HoldCo, LLC and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

Fiscal Year

On December 12, 2025, the Board of Directors of Jersey Mike’s HoldCo, LLC approved a change in the Company’s fiscal year end from December 31 to a 52/53-week fiscal year that ends on the last Sunday of the calendar year. This change is effective for fiscal year ended December 28, 2025 and applied prospectively. Prior-period operating results were not adjusted and remain presented on a calendar basis. While the shift affects comparability of fiscal quarters and the annual period for the year ending December 28, 2025, the impact is not material. Due to the fiscal year change, the years ended December 28, 2025, December 31, 2024 and December 31, 2023 contained 362 days

(comprised of 347 days in the Successor period and 15 days in the Predecessor period), 366 days and 365 days, respectively.

Use of Estimates

The preparation of the Consolidated Financial Statements in conformity with U.S. GAAP requires management to make estimates and assumptions, primarily related to long-lived asset valuation, indefinite and finite lived intangible asset valuation, leases, supplier payment program revenue, income taxes, equity-based compensation, and contingencies. These estimates and assumptions affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the Consolidated Financial Statements and the reported amounts of revenue and expenses during the reporting period. Although management bases its estimates on historical experience and assumptions that are believed to be reasonable under the circumstances, actual results could differ from those estimates.

Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 31, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. Highly liquid investments with an original maturity of three months or less are considered cash equivalents.

Restricted Cash

Restricted cash primarily represents cash and cash equivalents held for future principal and interest payments as required by the Company's Securitization Financing Facility (refer to Note 9, Long-Term Debt).

Accounts Receivable, net

Accounts receivable, net of allowance for credit losses, primarily consists of accrued royalty and advertising fees, which are collected weekly in arrears, as well as supplier program payments from certain food and beverage suppliers, which are generally due within 90 days. Historically, the Company has not incurred significant losses related to its Accounts receivable and does not believe there to be a meaningful risk of loss.

The Company determines the allowance for credit losses on Accounts receivable using the Current Expected Credit Losses ("CECL") model in accordance with Accounting Standards Codification ("ASC") 326. Expected credit losses are estimated based on historical collections experience, current economic conditions, and forecasts that affect the collectability of the receivables. Accounts are written off when they are deemed uncollectible, generally after they are 120 days past due and collection efforts have been exhausted. Recoveries of amounts previously written off are recorded upon receipt. The allowance for credit losses is evaluated at each reporting date and adjusted as necessary based on changes in expected credit losses.

Revenue Recognition

The Company provides goods and services in connection with its franchise agreements, consisting of a franchise license and ongoing services, management of the advertising contributions, development of training materials and menu items, and store monitoring and ongoing franchise owner support. In exchange, the Company collects royalties and advertising fees, with royalties recorded in Royalties and other revenues on the Consolidated Statement of Operations. As these goods and services are highly interrelated, they are accounted for as a single performance obligation, which is satisfied by providing a right to use the Company's intellectual property over the term of each franchise agreement. Royalties and advertising fees represent sales-based fees calculated as a percentage of franchise store sales, and are recognized as revenue as franchised store sales occur. Amounts are generally payable on a weekly basis.

Other revenues consist primarily of supplier payment programs, technology fees, initial franchise fees, upfront development fees and gift card income. Supplier payment programs reflect contractual arrangements with certain major food and beverage suppliers and distributors, pursuant to which the Company receives payments based on the dollar volume of food and beverage purchases and cases delivered, which are generally correlated with franchise store sales. These payments are recognized as earned throughout the year and classified within Royalties and other revenues on the Consolidated Statements of Operations. Actual dollar volumes are available on a monthly basis, but may lapse reporting deadlines. Goods and services related to technology fees are distinct from the franchise performance obligation as they are not dependent on, nor highly interrelated with, the franchise license. Accordingly, revenue is recognized as the related services are provided and the benefit is transferred to the franchise owner. Initial franchise fees and upfront development fees are interrelated to the franchise agreement and part of the same performance obligation as royalties and advertising fees. Accordingly, these fees are generally deferred upon receipt within Accrued expenses and other current liabilities and Other non-current liabilities on the Consolidated Balance Sheets, and recognized as revenue ratably over the term of the related franchise agreement. For gift card income, the Company estimates and records revenue based on historical redemption patterns, including the timing and channel in which the card was purchased or reloaded, and in accordance with government agencies under unclaimed property laws, where applicable. These gift cards do not have an expiration date, and no service fees are charged on them. The Company recognized gift card income within Royalties and other revenues on the Consolidated Statements of Operations.

Advertising Expenses

The Company administers advertising funds on behalf of its franchise owners, for which a percentage of gross sales is collected to be used for various forms of advertising for the JERSEY MIKE'S brand. Advertising expenses are generally expensed in the period incurred.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed on a straight-line basis over the estimated useful lives of the underlying assets, as indicated below:

Property and Equipment	Estimated Useful Lives
Buildings	39 years
Furniture and equipment	3 to 7 years
Leasehold improvements	Lesser of 5 to 10 years or the expected lease term

Expenditures for major renewals and improvements that extend the useful life of an asset are capitalized. Expenditures for repairs and maintenance are expensed as incurred.

Impairment of Long-Lived Assets

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. Recoverability is assessed by comparing the carrying amount of an asset or asset group to the estimated future undiscounted cash flows expected to result from its use. If the carrying amount is not recoverable, an impairment loss is recognized for the amount by which the carrying amount exceeds fair value. The Company identified no triggering events and recorded no impairment losses for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023.

Goodwill and Intangible Assets

Intangible assets with a finite life are amortized on a straight-line basis over the remaining estimated useful life of the asset. The Company's indefinite lived intangible assets, which are not subject to amortization, consist of

goodwill and trademarks. On an annual basis (October 1st of each year) and whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable, the Company reviews the recoverability of its indefinite-lived intangible assets. The goodwill impairment test is assessed at the reporting unit level. No indications of impairment were identified for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023. It is possible that changes in circumstances or changes in management's judgments, assumptions, and estimates could result in an impairment charge of a portion or all of its goodwill or other intangible assets.

Additionally, the Company may acquire operating stores from franchise owners. Goodwill arising from these acquisitions is recorded as the excess of the purchase price over the fair value of the net assets acquired, including identifiable intangible assets such as reacquired franchise rights, and liabilities assumed.

Intangible Assets	Estimated Useful Lives
Trade Name	Indefinite
Reacquired franchise rights	3 to 6 years
Franchise agreements	20 years
Technology	5 years
Other intangible assets	10 - 40 years

Capitalized Software

The Company capitalizes the costs of software developed for internal-use and website design when the preliminary project stage is completed and management believes it is probable that the project will be completed and the software or website design will be used to perform the function intended. These costs are amortized on a straight-line basis commencing when such software and website design is ready for its intended use. Software development costs related to preliminary project activities and post-implementation and maintenance activities are expensed as incurred. The Company states capitalized software at cost less accumulated amortization within Intangible assets, net on the Consolidated Balance Sheets.

Leases

In accordance with ASC 842, the Company determines whether an arrangement is a lease or contains a lease at inception and whether that lease conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company primarily leases office and retail store locations from third parties under operating leases. The lease term includes the non-cancellable period of the lease together with renewal options that the Company is reasonably certain to exercise, based on relevant economic and operational factors.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Given that most leases do not provide an implicit rate, the Company uses its incremental borrowing rate to calculate the present value of the lease payments. The Company estimates its incremental borrowing rate using information available at lease commencement, including recent borrowing activity and other market data, and applies updated rates upon remeasurement of the lease liability when required.

The Company's lease agreements typically include fixed costs, such as base rent and minimum fixed common area maintenance charges, and may also contain variable lease costs such as contingent rent based on sales volume, common area maintenance, real estate taxes and insurance. The other variable lease costs mentioned above are excluded from consideration and included in the period in which the obligation for those payments is incurred. Subsequent amortization of the right-of-use asset and accretion of the lease liability for an operating lease is

recognized as a single lease cost, on a straight-line basis, over the lease term. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Equity-Based Compensation

The Company accounts for the issuance of equity instruments to employees in accordance with accounting standards for share-based payments, which require the recognition of compensation expense for equity awards granted to employees and directors based on the grant-date fair value of the awards. Compensation cost for time-vested awards is recognized over the requisite service period for each award. For performance awards, the Company recognizes expense in the period in which the vesting becomes probable. The Company recognizes forfeitures as they occur.

Fair Value Measurements

Fair value is the price the Company would receive to sell an asset or pay to transfer a liability (exit price) in an orderly transaction between market participants. Assets and liabilities measured or disclosed at fair value are classified within the fair value hierarchy based on the nature of the inputs used in the valuation, as follows:

Level 1—Unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2—Observable other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly

Level 3—Unobservable inputs for the asset or liability whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determining fair value requires significant judgment or estimation by Management.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques utilized need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Income Taxes

Jersey Mike's HoldCo, LLC and its wholly owned subsidiaries have elected to be treated as a partnership for federal and most applicable state and local income tax purposes. As a result, the Company does not incur U.S. federal income taxes and incurs minimal state net worth and franchise taxes. Accordingly, the Company's earnings and losses are ultimately included on the income tax returns of the members of Jersey Mike's. The accompanying Consolidated Statements of Operations include income tax expenses, which is comprised of state net worth and franchise taxes, representing the minimum taxes due to various states.

Income taxes are accounted for under the asset and liability method. Under this method, a deferred tax asset or liability is recognized for the estimated future tax effects attributable to temporary differences between the carrying amounts of assets and liabilities and their respective tax basis, using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred assets and liabilities of a change in tax rates is recognized in the period of change. The Company assesses the income tax position and records the liabilities for all years subject to examination based upon management's evaluation of the facts, circumstances, and information available at the reporting date.

Business Combinations

The Company accounts for acquisitions under ASC 805, Business Combinations, which requires companies to record assets acquired and liabilities assumed at their respective fair market values at the date of acquisition. The accounting for acquisitions involves a considerable amount of judgment and estimates, including the fair value of certain forms of consideration: fair value of acquired intangible assets involving projections of future revenues and cash flows that are then discounted at an estimated discount rate; fair value of other acquired assets and assumed liabilities including potential contingencies, and the useful lives of the acquired assets. The Company allocates any

excess purchase price over the fair value of the tangible and identifiable intangible assets acquired and liabilities assumed to Goodwill. The assumptions used are determined at the time of the acquisition in accordance with accepted valuation models. Projections are developed using internal forecasts, available industry and market data and estimates of long-term rates of growth for the Company. The impact of prior or future acquisitions on the Company's financial position or result of operations may be materially impacted by the initial selection of or change in assumptions and estimates.

3. BUSINESS COMBINATIONS

On November 8, 2024, Jersey Mike's Franchise Systems, LLC and its equity holders entered into an Equity Purchase Agreement with Submarine Buyer LLC (the "Buyer"), a Delaware limited liability company controlled by affiliates of Blackstone Inc. Pursuant to the Equity Purchase Agreement, Original 56ers, Inc. (formerly named Jersey Mike's Inc.) ("Seller") formed a new Delaware limited liability company, Jersey Mike's HoldCo LLC, to indirectly hold 100% of the equity interests of Jersey Mike's Franchise Systems, LLC. On January 16, 2025, Jersey Mike's Franchise Systems, LLC was acquired by the Buyer as a new portfolio investment for a purchase price of \$6,317 million, which includes a 10% noncontrolling interest attributable to shares retained by the Seller and a maximum additional \$250 million in cash payable from the Buyer once 4,000 Jersey Mike's stores are operational worldwide or upon a change in control event (the "Sponsor Acquisition").

In connection with the Sponsor Acquisition, the 2251 Landmark Place, LLC and Farnborough, LLC entities were transferred to the Seller and decreased Property and equipment by approximately \$79 million and Current portion of long-term debt and Long term debt, net of current portion by approximately \$56 million in the aggregate. This was accounted for as a pro rata distribution to the existing owners of the Seller and did not result in the recognition of a gain or loss. Additionally, the deconsolidation of these entities resulted in \$23 million of noncash activity in the period from January 1 to January 15, 2025.

The Sponsor Acquisition was accounted for using the acquisition method of accounting which requires, among other things, that the assets acquired and liabilities assumed be recognized at their estimated fair values (based on Level 3 measurements) as of the acquisition date. Estimates of fair value represent management's best estimate and require a complex series of judgments about future events and uncertainties.

The fair value measurement of the contingent consideration liability is based on significant inputs not observable in the market and thus represents a Level 3 measurement as defined in ASC 820, Fair Value Measurements. Submarine Buyer LLC estimated the fair value of the contingent earn-out liability using a probability-weighted analysis of expected payments and applying a discount rate that reflects the risks associated with the obligation. The resulting liability was recognized at fair value on the acquisition date as part of the opening purchase accounting for Submarine Buyer, LLC. As of January 16, 2025, the fair value of the contingent consideration liability was \$210 million using a weighted average probability of success of 100% and a discount factor of 5.5%, which was not pushed down to the Company as it is not the Company's legal obligation to pay the contingent consideration. Unobservable inputs were weighted by the relative fair value of the contingent consideration.

Submarine Buyer LLC was identified as the accounting acquirer, and the Company elected to apply pushdown accounting to its separate financial statements in accordance with ASC 805.

As a result of the Sponsor Acquisition, the Company recorded \$7,517 million of identifiable intangible assets and \$660 million of other acquired assets. The acquired identifiable intangible assets include Franchise Agreements, Tradenames and Technology. The fair value of acquired receivables equals the gross contractual amounts receivable. The Company expects to collect all acquired receivables. The fair value of liabilities assumed was \$2,255 million. The Company recognized goodwill of \$395 million, none of which is expected to be deductible for tax purposes. Goodwill is primarily attributed to future growth potential, workforce, and franchise agreements to be established following the Sponsor Acquisition.

On the acquisition date, \$124 million of acquisition costs were paid by the Company comprised of (i) a \$120 million success fee that was recorded as an "on-the-line" expense in neither the Predecessor nor Successor periods and (ii) acquisition-related expenses incurred by the Company prior to the transaction close amounting to \$4 million, which was expensed in the Predecessor period. Additionally, a one-time discretionary transaction bonus of \$411 million was paid to employees, officers, and contractors and included within liabilities assumed. The Company facilitated the payment through payroll shortly after the acquisition date at the discretion of the Seller. As such, the transaction bonus is reflected as an operating cash outflow during the Successor period on the Company's Consolidated Statement of Cash Flows. Both the success fee and the discretionary bonus were contingent on the transaction

closing. All other transaction costs were recorded by the Buyer and were expensed as incurred within the Buyer's financial statements.

The Company has finalized the purchase accounting for the Sponsor Acquisition. The total consideration transferred, the fair value of net assets acquired and goodwill from the transaction are as follows:

Consideration transferred	
Cash consideration	\$ 5,475
Contingent consideration	210
Total GAAP consideration transferred	5,685
Noncontrolling interest of Jersey Mike's HoldCo, LLC	632
Total purchase price for allocation	\$ 6,317

Unearned franchise fees and deferred revenue	(19)
Operating lease liabilities and other liabilities	(10)
Total fair value of net assets acquired:	\$ 5,922
Goodwill	\$ 395

The fair value of non-controlling interest was measured based on the fair values of net assets acquired at the acquisition date and the portion of ownership not held by the acquirer.

The fair values of the identifiable intangible assets acquired at the acquisition date and their useful lives are as follows:

	Acquisition Date Fair Value	Weighted Average Useful Life (Years)
Trade Name	\$ 5,710	Indefinite
Franchise agreements ^(a)	1,757	20 years
Technology	50	5 years
Total	<u>\$ 7,517</u>	

(a) Franchise agreements include approximately \$1.749 billion related to domestic franchise agreements and \$8 million related to Canadian franchise agreements

The Company amortizes the franchise agreements and technology on a straight-line basis over their respective useful lives.

The intangible assets were valued using the following valuation approaches:

Trade name

The trade name was valued using the relief-from-royalty method under the income approach. This method estimates the value of the intangible asset by forecasting the royalties the Company avoids by owning the trademark, adjusting those avoided royalties for taxes, and discounting the resulting after-tax cash flows to present value using an appropriate discount rate. The key inputs and assumptions include projected revenue, royalty rates, discount rates, cash flow forecasts, and obsolescence.

Franchise agreements

The domestic and Canadian franchise agreements were valued using the multi-period excess earnings method of the income approach. This involves discounting the projected after-tax cash flows associated with the agreements to present value. The key inputs and assumptions included the Company's estimates of the projected royalties received under the existing franchise agreements and the appropriate discount rate.

Technology

The technology was valued using the replacement method under the cost approach, which involves estimating the asset's economic value based on the total costs required to replace it, including both the direct replacement costs and the opportunity costs associated with the underlying technology. The key inputs and assumptions included the Company's historical technology spend, expected obsolescence, and estimated re-creation costs.

4. REVENUE RECOGNITION

Deferred Revenues

Deferred revenue, or contract liabilities, consist of unearned fees resulting from initial franchise fees and upfront area development fees received from franchise owners, which are generally recognized on a straight-line basis over the term of the franchise agreement, and deferred revenue related to supplier payment programs, with changes in the balance primarily driven by annual contract renegotiations and the timing of revenue recognition. The Company may also recognize unamortized franchise fees and upfront fees when a contract with a franchise owner is modified and is accounted for as a termination of the existing contract. The Company classifies these contract liabilities within Accrued expenses and other current liabilities and Other non-current liabilities on the Consolidated Balance Sheets.

The following table reflects the change in deferred revenues on a consolidated basis during the period from January 16 to December 28, 2025, the period from January 1 to January 15, 2025 and year ended December 31, 2024:

Area Director Costs and Buyouts

The Company utilizes subcontractors under arrangements known as area development and service agreements. Under these agreements, subcontractors (referred to as area directors) are entitled to receive an agreed-upon fee in exchange for developing and providing ongoing support services to franchise owners within an assigned geographic territory.

Upon the termination or repurchase of the contractual rights held by an area director, the Company may make payments to acquire or extinguish those rights. Such payments are referred to as buyouts. Buyout costs are recognized in the period in which the buyout agreement is executed or the related obligation is incurred.

Buyout costs recognized were \$52 million, \$8 million and \$16 million in the periods from January 16 to December 28, 2025, and the years ended December 31, 2024 and 2023, respectively. The Company also recorded other area director expenses amounting to \$32 million, \$1 million, \$38 million, and \$44 million for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, respectively. Such amounts, including buyouts, are included within Selling, general and administrative expense on the Consolidated Statement of Operations.

5. FAIR VALUE MEASUREMENTS

As of December 28, 2025, the carrying values of Cash and cash equivalents, Restricted cash, Accounts receivable, net, Prepaid expenses and other current assets, Accounts payable, Accrued expenses and other current liabilities, notes payable and borrowings under our Variable Funding Facility approximate their fair values because of the short-term nature of these instruments. The fair value of notes receivable, net of allowances and lease guarantees, adjusted for subsequent amortization, also approximates their carrying value.

The carrying and fair value of debt is presented as follows:

	Successor		Predecessor

- (a) Includes a purchase accounting fair value adjustment of (\$35) million as of December 28, 2025; actual payments due are \$2,127 million.
- (b) Debt issuance costs are amortized using the straight-line method, which approximates the effective interest method, over the remaining term of the securitization transactions and notes payables.

In connection with the Sponsor Acquisition, the Company remeasured its long-term debt to fair value in accordance with purchase accounting. As a result, the Company recorded a \$50 million fair value discount to the carrying value of certain of the notes under its securitization facility due to changes in market interest rates and credit spreads since the issuance of the debt. This discount represents the difference between the contractual principal amount of the debt and its estimated fair value as of the acquisition date. The fair value discount is amortized to interest expense using the effective interest method over the remaining term of the respective notes. As of December 28, 2025, the net remaining unamortized fair value discount was \$35 million. For the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, the Company recognized interest expense of \$16 million, less than \$1 million, \$4 million, and \$4 million, respectively, related to the amortization of the fair value discount and debt issuance costs.

Securitization Financing Facility

On December 23, 2019, the Company entered into a securitization financing arrangement pursuant to which Jersey Mike's Funding, LLC (the "Master Issuer"), a limited-purpose, bankruptcy-remote, wholly owned indirect subsidiary of the Company, issued secured notes under a base indenture (the "Indenture"). The Indenture allows the Master Issuer to issue multiple series of notes (collectively, the "Securitization Notes"). The Securitization Notes are guaranteed by certain subsidiaries of the Company and secured by substantially all assets of the securitization entities, including intellectual property, such as trademarks and software, as well as all franchise agreements and area development agreements, and substantially all related rights associated with the JERSEY MIKE'S brand (collectively, the "Securitization Assets").

Series 2019 Notes

On December 23, 2019, the Master Issuer issued \$500 million Series 2019-1 4.433% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2019 Notes"). Interest and principal are payable quarterly. The Series 2019 Notes have a final maturity date of February 2050 and anticipated repayment date of February 2027. If the notes are not repaid or refinanced by the anticipated repayment date, additional interest will accrue in accordance with the Indenture. As of December 28, 2025, the aggregate principal outstanding amount of the Series 2019 Notes was \$491 million.

Series 2021 Notes

On December 9, 2021, the Master Issuer issued an additional \$500 million of senior secured notes (the "Series 2021 Notes") in two tranches:

- \$250 million of Series 2021-1 2.891% Fixed Rate Senior Secured Notes, Class A-2-I ("the Series 2021-1 Senior Notes, Class A-2-I")
- \$250 million of Series 2021-1A 2.493% Fixed Rate Senior Secured Notes, Class A-2-II ("the Series 2021-1A Senior Notes, Class A-2-II")

Interest and principal on these notes are payable quarterly. The Series 2021 Notes have a final maturity date of February 2052. The anticipated repayment date for the Class A-2-I notes is February 2027 and for the Class A-2-II notes is February 2029. If the notes are not repaid or refinanced by the respective anticipated repayment dates, additional interest will accrue in accordance with the Indenture. As of December 28, 2025, the aggregate principal outstanding amount of the Series 2021 Notes was \$493 million.

Series 2024 Notes

On December 18, 2024, the Master Issuer issued \$750 million of Series 2024-1 5.636% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2024 Notes”). Interest and principal are payable quarterly. The Series 2024 Notes have a final maturity date of February 2055 and an anticipated repayment date of February 2032. If the notes are not repaid or refinanced by the respective anticipated repayment date, additional interest will accrue in accordance with the Indenture. As of December 28, 2025, the aggregate principal outstanding amount of the Series 2024 Notes was \$744 million.

Series 2025 Notes

On July 24, 2025, the Master Issuer issued \$400 million Series 2025-1 5.610% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2025 Notes”). Interest and principal are payable quarterly. The Series 2025 Notes have a final maturity date of August 2055 and an anticipated repayment date of August 2032. If the notes are not repaid or refinanced by the anticipated repayment date, additional interest will accrue in accordance with the Indenture. As of December 28, 2025, the aggregate principal outstanding amount of the Series 2025 Notes was \$399 million.

Variable Funding Notes

The Company also maintains a revolving financing facility consisting of Series 2024-1 Variable Funding Senior Notes, Class A-1 (the “Variable Funding Notes”) that permits borrowings of up to \$100 million and may be used to issue letters of credit and provide additional liquidity. The Variable Funding Notes were included in the indenture from the Series 2024 Notes on December 18, 2024, yet not issued until January 16, 2025. Borrowings under the facility bear interest at variable rates based on the prime rate, federal funds rate, SOFR, or, in the each case plus an applicable margin. The facility also includes a commitment fee of 1.25% on the unused portion of the commitment. As of December 28, 2025 and December 31, 2024, the Company had no borrowings outstanding under the facility. As of December 28, 2025, the Company had available borrowing capacity of \$72 million, net of \$28 million of letters of credit, primarily related to interest reserve requirements.

Covenants and Restrictions

The Securitization Notes are subject to customary covenants and restrictions for transactions of this type. These provisions include, among other things, requirements that the Master Issuer maintain specified reserve accounts to fund required payments on the Securitization Notes, provisions governing optional and mandatory prepayments (including make-whole payments under certain circumstances), indemnification obligations relating to defects or impairments in the pledged collateral, and operational covenants relating to recordkeeping, reporting, and access to information. The securitization structure also includes restrictions that prioritize payment of principal and interest on the Securitization Notes through the related payment waterfall.

The Securitization Notes include provisions that allow for optional principal payments when a specified leverage ratio, defined as outstanding securitization debt to Adjusted EBITDA (as defined in the Indenture), is less than or equal to 5.0x. This leverage ratio is calculated quarterly and allows the Company to elect whether to make principal payments when the threshold is met.

As of December 28, 2025, the Company’s leverage ratio exceeded 5.0x and accordingly, the Company was required to make total principal payments of \$5 million related to the Series 2019 Notes, the Series 2021 Notes, the 2024 Notes and the 2025 Notes. As of December 31, 2024, the leverage ratio also exceeded 5.0x and the Company was required to make total principal payments of \$3 million related to the 2019 Notes and the 2021 Notes.

As of December 28, 2025 and December 31, 2024, the Company was in compliance with all financial covenants under the securitization agreements.

Notes Payable

The notes payable balance at December 31, 2024 related to two aircrafts that were transferred to an entity controlled by the Company's founder in connection with the Sponsor Acquisition. These notes payable are no longer obligations of the Company; accordingly, there is no balance as of December 28, 2025.

Prior to the Sponsor Acquisition, in September 2020, the Company had a loan and security agreement with a financial institution for \$37.5 million to finance the purchase of an aircraft (the "2020 Loan"). The loan bore interest at a stated interest rate of 4.53% and was payable in monthly installments with a balloon payment of \$17 million due in September 2027. The loan was secured by the aircraft.

Prior to the Sponsor Acquisition, in July 2024, the Company had a loan and security agreement providing for borrowings of approximately \$50 million to finance aircraft construction costs through a series of progress payments from July 2024 through June 2025 (the "2024" Loan). Borrowings bore interest at a variable interest rate equal to SOFR plus 2.25% and required interest-only payments during the construction period.

As of December 28, 2025, the principal payments on Long-term debt due over the next five years and thereafter are as follows:

2026	\$	22
2027		744
2028		14
2029		250
2030		12
Thereafter		1,085
Total	\$	<u>2,127</u>

10. INCOME TAXES

The Company is a limited liability company treated as a partnership for U.S. federal and most applicable state and local income tax purposes. Therefore, the Company generally does not incur or record U.S. federal or state incomes taxes since all taxable income is passed through to its members and reported on their respective income tax returns. The Company is subject to certain state and local taxes, including franchise and net worth taxes, which were not material and included within the income tax expense line in the Consolidated Statements of Operations.

As of December 28, 2025, the Company had a net deferred tax liability of \$14 million arising from book-tax basis differences in intangible assets recognized as part of purchase accounting for the Sponsor Acquisition recorded in Other non-current liabilities.

The Company files its tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the tax years that remain open under the statute of limitations will be subject to examinations by the appropriate tax authorities. The Company is generally no longer subject to state or local examinations by tax authorities for tax years prior to 2021. As of December 28, 2025 and December 31, 2024, the Company has no unrecognized tax benefits, or accrued interest and penalties.

11. LEASES

The Company leases primarily office space and retail store locations under operating leases with remaining terms expiring through July 2037. These arrangements are accounted for as operating leases. In accordance with ASC 842,

Leases, the Company recognizes a right-of-use asset and a corresponding lease liability for operating leases within the Consolidated Balance Sheets. Refer to Note 8, Supplemental Balance Sheet for additional information.

Operating lease cost recognized for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and for the years ended December 31, 2024 and 2023, was \$3 million, less than \$1 million, \$2 million and \$2 million, respectively in the Consolidated Statements of Operations. Variable lease cost, primarily related to common area maintenance, property tax and insurance, was less than \$1 million for the each of the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and for the years ended December 31, 2024 and 2023 in the Consolidated Statements of Operations.

As of December 28, 2025, December 31, 2024, and December 31, 2023, the weighted average remaining lease term and weighted average discount rate for the Company's operating leases were as follows:

	Successor	Predecessor	
	As of December 28, 2025	As of December 31, 2024	As of December 31, 2023
Weighted-average remaining lease terms (in years)	9.4	7.6	5.7
Weighted-average discount rate	6.54 %	6.19 %	6.37 %

Aggregate minimum future rental payments under operating leases having remaining terms in excess of one year as of December 28, 2025, for each of the next five years and thereafter are as follows:

2026	\$	4
2027		4
2028		5
2029		5
2030		5
Thereafter		26
Total		49
Less: Imputed interest		(14)
Present value of lease liabilities	\$	35

The amounts presented reflect the Company's lease obligations as of December 28, 2025 and exclude the effects of future lease renewals or replacement leases upon expiration. These amounts also do not reflect potential changes in lease payments that may result from adjustments based on an index or rate, such as the Consumer Price Index.

Cash paid for amounts included in the measurement of lease liabilities was \$3 million for the period January 16 to December 28, 2025, less than \$1 million for the period January 1 to January 15, 2025 and \$2 million each for the year ended December 31, 2024 and 2023. Right-of-use assets obtained in a non-cash exchange for new operating lease liabilities were \$29 million for the period January 16 to December 28, 2025, less than \$1 million for the period January 1 to January 15, 2025, \$6 million for the year ended December 31, 2024 and \$1 million for the year ended December 31, 2023.

12. COMMITMENTS AND CONTINGENCIES

Lease Guarantees

The Company periodically provides guarantees on lease agreements for certain Company-owned stores and franchise locations. These leases have varying terms, with the latest expiring July 2037. As of December 28, 2025,

the maximum potential undiscounted payments the Company could be required to make under these lease guarantees is approximately \$19 million, of which \$2 million relates to guarantees provided to related parties.

In the event of default by a franchise owner for which the Company has provided a guarantee, the Company has the right to pursue reimbursement from the franchise owner or any amounts paid under the guarantee. Because the Company does not control or receive the economic benefits associated with the leased asset, no liability has been recorded on the consolidated balance sheets for these guarantees. The estimated fair value of these guarantees is not material. As of December 28, 2025 and December 31, 2024, the Company had not been required to make any material payments under these lease guarantees.

Other Guarantees

The Company is also party to certain other guarantee arrangements, including guarantees of debt obligations of unaffiliated franchise owners and guarantees associated with certain notes receivable arrangements. Under these agreements, the Company has guaranteed repayment of certain obligations of the related parties. Historically, the Company has not been required to make material payments under these guarantees and does not expect these arrangements to have a material impact on the Company's consolidated financial results.

Purchase Commitments

As of December 28, 2025, the Company has entered into various marketing-related contracts including agreements related to sponsorships, promotional arrangements, and naming rights. Under the terms of these agreements, the Company had aggregate contractual commitments of approximately \$288 million extending through June 2041.

The Company also enters into other purchase commitments in the ordinary course of business, including commitments related to the purchase, construction, or remodeling of real estate and facilities; minimum inventory purchase commitments; equipment purchases; and information technology services. These commitments are generally short-term in nature and are recorded as liabilities when the related goods are received or services are rendered. In addition, the Company maintains long-term supply agreements with certain suppliers who provide food, beverages, and paper products, which include minimum purchase commitments.

Legal Proceedings

The Company is subject to various legal proceedings, claims and liabilities arising in the ordinary course of business, including matters involving employees, franchise owners, and guests. The Company records accruals for legal contingencies when it is probable that a liability has been incurred and the amount can be reasonably estimated. As of December 28, 2025 and December 31, 2024, management believes the ultimate resolution of these matters will not have a material adverse effect on the Company's consolidated financial position, results of operations, or cash flows.

13. MEMBERS' EQUITY (DEFICIT)

Prior to January 16, 2025, the Company operated as Jersey Mike's Franchise Systems, LLC, which had a single class of membership interests.

In connection with the Sponsor Acquisition and the formation of Jersey Mike's HoldCo, LLC, the Company amended and restated its operating agreements to establish three classes of membership interests: Class A-1 Units, Class A-2 Units, and Class B Units. The following table summarizes the authorized, issued, and outstanding membership interests as of December 28, 2025 (in millions):

	Authorized	Issued	Outstanding
Class A-1 Shares	6,071	6,071	6,071
Class A-2 Shares	13	13	13
Class B Shares	320	269	269

Class A-1 and Class A-2 Units have identical economic rights and participate ratably in distributions and allocations of profits and losses, except that the Class A-2 Units were issued to certain members, including as rollover equity in connection with the Sponsor Acquisition. Both Class A-1 and Class A-2 Units generally possess voting rights on matters submitted to the members.

Class B Units represent profit interest awards issued under the Company's equity incentive arrangements. These units participate in distributions only after the Class A Units have received the return thresholds specified in the operating agreement, and certain Class B Units include catch-up distribution provisions. Class B Units generally do not possess voting rights, other than with respect to limited protective matters. Refer to Note 14, Equity-Based Compensation for additional information.

14. EQUITY-BASED COMPENSATION

During the year ended December 28, 2025, the Company issued profit interest units in the form of Class B Units, ("Incentive Units") to certain employees and directors pursuant to the Jersey Mike's Management Aggregator LLC Equity Incentive Plan, which was established in June 2025, and related unit subscription agreements. The Incentive Units are equity-classified awards accounted for under ASC 718, Compensation – Stock Compensation.

One third of the total Incentive Units granted vest ratably over a five-year service period beginning on the grant date, subject to continued service through each applicable vesting date ("Time-Vesting Units"). The remaining two-thirds of the Incentive Units vest upon achievement of specified performance threshold based on Sponsor realized multiples of invested capital and internal rates of return ("Performance-Vesting Units").

The Company concluded that the performance conditions associated with the Performance-Vesting Units require the occurrence of a significant distribution or liquidity event and that such event, is not considered probable as of December 28, 2025. Accordingly, no compensation expense has been recognized for these awards. The Company will continue to assess the probability of achieving the performance conditions at each reporting date, and record associated compensation expense as required.

The grant-date fair value of the Class B Units is estimated using a current value method combined with a Monte Carlo simulation model, which incorporates management's assumptions regarding expected volatility, risk-free interest rates, and the expected time to a liquidity event. Expected volatility is derived from the historical volatility of publicly traded companies operating in the franchise and restaurant sectors that are considered comparable to the Company. The risk-free interest rate is based on the yield of the U.S. Treasury securities with maturities corresponding to the expected term of the awards at the grant date. Expected time to liquidity event represents the expected period until a liquidity event, such as an initial public offering, based on the Company's expectation as of the grant date. Note that such liquidity event will not automatically result in vesting, and awards will still be subject to the respective time and/or performance conditions previously disclosed.

The significant assumptions used in the valuation of awards granted during the period from January 16, 2025 to December 28, 2025 are as follows:

Risk-free interest rate	3.7 %
Volatility factor (average)	40 %

Dividend yield	— %
Expected time to liquidity event (years)	1.1

The following table summarizes activity for the Company’s Incentive Units for the year ended December 28, 2025:

	Time-Vesting Units		Performance-Vesting Units
	Number of Units	Grant Date Fair Value	Number of Units
Outstanding as of January 16, 2025	—	\$ —	—
Granted	99	58	198
Vested	—	—	—
Forfeited	(4)	(2)	(23)
Outstanding as of December 28, 2025	95	\$ 56	175

The Company recognized \$8 million of compensation expense related to the Time-Vesting Units during the period ended December 28, 2025. As of December 28, 2025, \$48 million of unrecognized compensation cost related to the Time-Vesting Units remains, which is expected to be recognized over a weighted-average period of 4.3 years.

15. RELATED-PARTY TRANSACTIONS

In the ordinary course of business, the Company enters into transactions with related parties. These transactions are described below.

The Company has relationships with certain franchisees that may be considered variable interest entities (“VIEs”). These franchisees are independently owned and operated, and the Company does not have an equity ownership interest in these entities. The Company’s involvement with these franchisees arises primarily from franchise agreements, as well as, in certain instances, limited guarantees or other forms of financial support.

The Company evaluated these entities and determined that, although certain franchisees may qualify as VIEs, the Company is not the primary beneficiary as it does not have the power to direct the activities that most significantly impact their economic performance. Such activities are primarily controlled by the franchisees, including day-to-day operations, staffing, and local business decisions. Accordingly, the Company does not consolidate these entities.

The Company’s maximum exposure to loss related to these franchisees is limited to the carrying value of any related receivables and any amounts subject to guarantee arrangements. As of December 28, 2025, the Company’s exposure was not material. All such exposures are presented below.

Due from Unconsolidated Affiliates and Notes Receivable

Amounts due from unconsolidated related party affiliates and notes receivable from related parties totaled less than \$1 million and \$13 million as of December 28, 2025 and December 31, 2024, respectively, and are recorded within Prepaid expenses and other current assets and Other assets. These balances represent advances and loans made by the Company to entities owned by a minority equity holder, and members of his immediate family. These advances and notes to franchise owners are unsecured, bear varying interest rates, and expected to be repaid to the Company in the normal course of business.

Operating Leases

The Company leases corporate office space from an entity owned by the family of the minority equity holder. Rent expense under this arrangement totaled \$1 million, less than \$1 million, \$1 million, and \$1 million for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, respectively. These amounts are included within Selling, general, and administrative expense on the Consolidated Statements of Operations. The operating lease right of use asset recorded within Other assets as of December 28, 2025 totaled \$4 million for these leases. The operating lease liability totaled \$4 million of which approximately \$1 million was recorded in Accrued expenses and other current liabilities and approximately \$3 million was recorded within Other non-current liabilities.

Revenue

Royalty revenues earned from related party franchise owners represented approximately 1% of total revenues for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and less than 2% of total revenues for each of the years ended December 31, 2024 and 2023. These amounts are included within Royalties and other revenues in the Consolidated Statements of Operations.

Transition Agreement

In connection with the Sponsor Acquisition, the Company entered into a transition agreement with its former Chief Executive Officer, pursuant to which he served as Chair of the Board of Directors of Jersey Mike's HoldCo, LLC through January 16, 2026. During this period, he continued to receive payment of his base salary and reimbursement for business expenses in accordance with the Company's expense policy. Total payments under this agreement were approximately \$5 million for the period ended December 28, 2025 and were recorded within Selling, general, and administrative expense on the Consolidated Statements of Operations.

Reimbursement Liability to Sponsor

In connection with the Sponsor Acquisition, the Company entered into an administrative service agreement with the Sponsor, pursuant to which the Company is required to pay or reimburse the Sponsor for certain expenses incurred in connection with the monitoring and evaluation of the Company's operations. As of December 28, 2025, no payments have been made under this agreement. The Company has recorded approximately \$2 million within Accrued expenses and other current liabilities as of December 28, 2025 related to this agreement.

16. EMPLOYEE BENEFITS PLANS

The Company sponsors the Jersey Mike's 401(k) Plan for eligible employees who meet certain age and service requirements. The Plan is administered by an independent third-party service provider, and participants direct the investment of their account balance among various investment options. The Company provides a matching contribution equal to 100% of employees contributions, up to 3% of the eligible compensation. For the period from January 16 to December 28, 2025 and the years ended December 31, 2024 and 2023, the Company made matching contributions of \$2 million, \$2 million and \$2 million, respectively. These amounts are included within Selling, general, administrative expenses in the Consolidated Statements of Operations. No matching contributions were made for the period from January 1 to January 15, 2025.

17. SUBSEQUENT EVENTS

The Company has evaluated events through April 8, 2026, the date these Consolidated Financial Statements were available to be issued, for consideration as a subsequent event to be included in the accompanying Consolidated Financial Statements.

On December 31, 2025, the Company entered into a Master Franchise and Operation Agreement with a related party providing for the development of a minimum of 300 stores to be opened in the United Kingdom and Ireland. The

Company is currently evaluating the accounting and disclosure implications of this agreement in accordance with ASC 606 and ASC 850. No amounts related to this agreement have been recorded in the accompanying financial statements.

On January 23, 2026, the Company acquired 10 franchise owner-operated stores located in the Monmouth County, New Jersey area for aggregate consideration of approximately \$23 million. No amounts related to this agreement have been recorded in the accompanying financial statements.

On February 9, 2026, the Company entered into a fifth securitization transaction. The Master Issuer issued \$760 million Senior Secured Notes (the “Series 2026 Notes”) in two tranches: Series 2026-1 4.952% Fixed Rate Senior Secured Notes, Class A-2-I (“the Series 2026-1 Notes”) and Series 2026-1A 5.481% Fixed Rate Senior Secured Notes, Class A-2-II (“the Series 2026-1A Notes”) with initial principal amounts of \$250 million and \$510 million, respectively. Interest and principal are payable quarterly. The Series 2026 Notes have a final maturity date of February 2056 and anticipated repayment date of February 2031 (Series 2026-1 Notes) and February 2034 (Series 2026-1A). If the notes are not repaid or refinanced by the anticipated repayment date, additional interest will accrue in accordance with the Indenture.

Pursuant to the Company’s strategy to buy out the remaining contractual rights of subcontracted area directors, the Company terminated area development and service agreements with two area directors effective February 15, 2026 and March 31, 2026 for a total cost of \$32 million. As of April 8, 2026, there is one remaining area director agreement accounting for less than 1% of systemwide sales.

SAMPLE OF LEASE RIDER

EXHIBIT J TO THE DISCLOSURE DOCUMENT

LEASE RIDER

This Lease Rider (this “Rider”) is executed as of this _____ day of _____, 20____, by and between _____ (“Franchisee Tenant”) and _____, (“Landlord”) as a Rider to the lease for the premises located at _____, (the “Location”) dated as of _____, 20____ (as amended, renewed, and/or extended from time to time, “the “Lease”) ~~for the Premises located at _____, state of _____ (the “Location”) dated as of _____.~~

WHEREAS, Franchisee Tenant has executed an Area Development Agreement (the “**Area Development Agreement**”) with A SUB ABOVE, LLC, (“**Franchisor**”) for the development of a JERSEY MIKE’S MIKE’S-branded restaurant at the Location; ~~and as a requirement of~~

WHEREAS, under the Area Development Agreement, any lease for the location of a JERSEY MIKE’S-branded restaurant is subject to Franchisor’s approval, and the lease for the Location shall include the provisions contained in this Rider; ~~and.~~

~~WHEREAS, Landlord and Franchisee agree that the terms contained in this Rider shall supersede any terms to the contrary set forth in the Lease;~~

NOW THEREFORE, in consideration of mutual covenants set forth in this Rider, the execution and delivery of the Lease, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Franchisee Tenant hereby agree as follows:

~~1. Under the Area Development Agreement, any lease for the location of the Franchised Restaurant is subject to Franchisor’s approval. Accordingly, the Lease is contingent upon such approval.~~

1. Acknowledgment of Tenant as a Franchisee. Landlord acknowledges that Tenant intends to operate a JERSEY MIKE’S-branded restaurant at the Location and that Tenant’s rights to do so are derived from and governed by the Area Development Agreement and/or any related franchise agreement executed thereunder (each, a “Franchise Agreement”). Landlord acknowledges that Tenant’s operations at the Location are independently owned and operated, that Tenant is not an agent, employee or partner of Franchisor, and that Tenant has no authority or power to act for or, in any way, bind Franchisor or any affiliate of Franchisor. Landlord further acknowledges that neither Franchisor nor its affiliates have any obligations under the Lease unless and until the Lease is assigned to them as described herein.

~~2. The Lease may not be modified, amended, renewed or extended in any manner or assigned by Franchisee without Franchisor’s prior written consent.~~

2. Franchisor’s Limited Right of Entry. Tenant hereby represents and warrants to Landlord that Tenant has agreed under the Area Development Agreement and/or any Franchise Agreement that Franchisor and its personnel or agents shall have the right to enter the Location for certain purposes, including upon the expiration or termination of this Lease or the Area Development Agreement or applicable Franchise, Franchisor or its designee may, at Franchisor’s cost, enter the Location for the purpose of removing signs and other material bearing Franchisor’s name or trademarks, service marks or other commercial symbols, provided such party repairs any damage caused by such removal and otherwise complies with Landlord’s reasonable requirements with respect to such access. Any lien of Landlord in Tenant’s trade fixtures, trade dress, signage and other property at the Location is hereby subordinated to Franchisor’s interest in such items as described in the Area Development Agreement.

~~3. Landlord and Franchisee hereby acknowledge that Franchisee has agreed under the Franchise Agreement that Franchisor and its personnel or agents shall have the right to enter the Location for certain purposes.~~

~~Landlord hereby agrees not to interfere with or prevent such entry by Franchisor, its personnel or agents. Landlord and Franchisee hereby further acknowledge that in the event of the expiration (without execution of a successor agreement) or termination of the Area Development Agreement or any subsequently executed franchise agreement for the operation of the Franchised Restaurant (the "Franchise Agreement"), as applicable, Franchisee is obligated to take certain steps under the Franchise Agreement to de-identify the location as a Restaurant. Landlord agrees to permit Franchisor, its personnel or agents, to enter the Location and remove signs, decor and materials displaying any marks, designs or logos owned by Franchisor, provided Franchisor shall bear the expense of repairing any damage to the Location that occurs solely as a result of Franchisor's actions.~~

3. **Franchisor's Right to Cure.** Prior to exercising any remedies under the Lease (except in cases of imminent danger to the Location), Landlord shall give Franchisor written notice of Tenant's default of the Lease, and Franchisor may, at its option, cure such default within fifteen (15) days after the later of (i) Franchisor's receipt of Landlord's notice of default, or (ii) the end of Tenant's cure period to do so. Landlord agrees to accept cure tendered by Franchisor as if it were tendered by Tenant. Franchisor's address for notice (unless subsequently changed upon written notice to Landlord by Franchisor) is: Franchisor, 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724, Attention: Legal Department.

~~4. Landlord shall deliver to Franchisor a copy of any notice of default or termination of the Lease at the same time such notice is delivered to Franchisee.~~

4. **Assignment Rights of Franchisor and Affiliates.** Tenant shall have the right, with prior written notice to Landlord but without the need for its consent or payment of any fees, to assign all of its right, title and interest in the Lease to Franchisor, to an affiliate of Franchisor, or to another JERSEY MIKE'S franchisee subject to an area development agreement with Franchisor (or otherwise with Franchisor's prior written consent). If Franchisor or its affiliates accepts assignment of the Lease, it will have the same rights as Tenant to further assign the Lease to another JERSEY MIKE'S franchisee. Each assignment will be effective upon the assignee providing Landlord written notice of its acceptance of the assignment (the "**Assignment Notice**"). Landlord will recognize the assignee as the lessee of the Location effective as of the date of the Assignment Notice. If Franchisor or its affiliate should lawfully assume the Lease, then, for as long as Franchisor or its affiliate is the tenant thereunder, none of the following shall constitute an assignment, transfer, or change of control requiring Landlord's consent under the Lease: (i) the transfer of equity interests among its or any direct or indirect parent's existing owners, to or among family members, or to trusts for the benefit of any of such parties, (ii) the transfer of equity interests in connection with a public offering or once an entity is a public company, and/or (iii) any change in the members of the board of managers, directors, management or organization of Franchisor or any affiliate thereof.

~~5. Copies of any and all notices required or permitted hereby or by the Lease shall also be sent to Franchisor at 2251 Landmark Place, Manasquan, New Jersey, 08736, Attn: General Counsel, or such other address as Franchisor shall specify by written notice to Landlord.~~

5. **Radius and Relocation Clauses Ineffective.** Landlord acknowledges that, under the Area Development Agreement and any applicable Franchise Agreement, the premises from which the franchisee is authorized to operate its franchised restaurant and the lease to which such premises are subject must be approved by Franchisor. Franchisor's approvals of the Location and the Lease in this instance are specific to the Location and Lease. Further, Franchisor does not allow its franchisees to agree to limitations on Franchisor's ability to expand its system as it determines to be appropriate. Therefore, any provisions of the Lease that allow Landlord to require the relocation of Tenant's restaurant or that restrict where another JERSEY MIKE'S-branded restaurant may be located are deemed deleted and of no force or effect.

~~6. Notwithstanding anything to the contrary contained in the Lease, Franchisee shall have the absolute right to sublet, assign or otherwise Transfer its interest in the Lease to Franchisor or its Affiliate, to another JERSEY MIKE'S franchisee, or to a corporation with which Franchisee or Franchisor may merge or consolidate, without Landlord's approval, written or otherwise, and without execution of a guarantee of Franchisor's obligations thereunder.~~

Franchisor/Company's Copy

- ~~7. Franchisee shall, if requested by Franchisor, assign to Franchisor or its Affiliate, and Landlord hereby irrevocably and unconditionally consents to such assignment, all of Franchisee's rights, title and interest to and under the Lease upon any termination or if no successor franchise agreement is executed, but no such assignment shall be effective unless: (a) the Franchise Agreement is terminated or expires without execution of a successor franchise agreement; and (b) Franchisor notifies the Franchisee and Landlord in writing that Franchisor assumes Franchisee's obligations under the Lease.~~
- ~~8. Franchisor shall have the right, but not the obligation, upon giving written notice of its election to Franchisee and Landlord, to cure any breach of the Lease and, if so stated in the notice, to also succeed to Franchisee's rights, title and interests there under.~~

96. Franchisee Written Assumption Required. Tenant and Landlord acknowledge and agree that Franchisor shall have no liability or obligation whatsoever under the Lease unless and until Franchisor assumes the Lease in writing ~~pursuant to Sections 6, 7, or 8 above~~. Franchisor will assume all of ~~Franchisee's~~ Tenant's obligations under the lease from and after the date of assignment, but shall have no obligation to pay any delinquent rent or to cure any other default under the lease that occurred or existed prior to the date of the assignment.

- ~~10. If Franchisor assumes the Lease, as above provided, Franchisor may further assign the Lease to another person or entity to operate the Franchised Restaurant at the Location, subject to Landlord's consent which consent will not be unreasonably withheld or delayed. Landlord agrees to execute such further documentation to confirm its consent to the assignments permitted under this Rider as Franchisor may request.~~

7. Estoppel Certificate; Reports. Landlord shall, no more than once per year, within 30 days after written request by Franchisor, deliver to Franchisor a written certification, in a form reasonably satisfactory to Franchisor: (i) that the Lease is unmodified and in full force and effect (or, if modified, describing the nature of such modification); (ii) as to the dates to which the rent and other charges arising under the Lease have been paid; (iii) as to the amount of any prepaid rent, security deposit held, or any credit due to Tenant under the Lease, (iv) the commencement date of the Lease; (v) as to whether, to the best of its knowledge, information and belief of Landlord, Landlord or Tenant is then in default in performing any of its obligations under the Lease (and, if so, specifying the nature of such default); and (vi) as to any other fact or condition reasonably requested by Franchisor. Landlord agrees to provide copies of all revenue and other information and data provided by Tenant related to the operation of Tenant's JERSEY MIKE'S-branded restaurant, as Franchisor may reasonably request, during the term of the Lease.

8. Modification of Lease. The Lease may not be terminated, modified or amended without Franchisor's prior written consent, nor shall Landlord accept surrender of the Location without Franchisor's prior written consent, which will not be unreasonably withheld. Franchisor will have 15 days after receipt of written notice describing any such proposed action to respond, failing which, Franchisor's consent will be deemed to have been withheld.

~~449.~~ Third-Party Beneficiaries. All rights of Franchisor shall inure to its benefit and to the benefit of its successors and assigns. Franchisor may assign its rights under this Lease Rider to any designee. Franchisor shall constitute a third-party beneficiary of the lease (including, without limitation, this Rider) and, as a result thereof, have all rights (but no obligation) to enforce the same.

10. Miscellaneous. The Lease provisions not expressly modified by this Rider shall remain in full force and effect. The terms contained in this Rider shall supersede any terms to the contrary set forth in the Lease. This Rider may be executed in one or more counterparts, each of which shall cumulatively constitute an original, and electronically signed signatures to this Rider shall constitute originals of the same.

IN WITNESS WHEREOF, the undersigned parties have executed this Rider, effective as of the date first written above.

5. DISBURSEMENTS. All amounts in respect of the Total Advance shall be disbursed by Holder or its agents and affiliates directly to the vendors set forth on the attached Exhibit A, on or about the dates set forth on such Exhibit A, in the amounts set forth on such Exhibit A, and in

Franchisor/Company’s Copy

MAKER HEREBY ACKNOWLEDGES THAT MAKER HAS REVIEWED THE ATTACHED EXHIBIT A CAREFULLY, AND THAT THE INFORMATION SET FORTH THEREIN IS ACCURATE AND COMPLETE. MAKER HEREBY IRREVOCABLY AUTHORIZES AND DIRECTS HOLDER TO FUND THE DISBURSEMENTS OF THE TOTAL ADVANCE IN ACCORDANCE THEREWITH.

6. PAYMENTS.

- a. Beginning on the earlier of (i) the date sixty (60) days after the date the Restaurant first opens for business or (ii) the [] month anniversary of the date of this Note (in each case provided Holder has made a disbursement of all or part of the Total Advance), Maker shall make monthly payments of principal and interest in the amounts set forth on Exhibit A until the [] year anniversary of the Loan, on which date all remaining principal and interest shall be paid in full.
- b. Maker shall make all payments hereunder to Holder in lawful money of the United States and in immediately available funds. Maker shall make payments via auto-debit transfer from an account provided by Maker, or as otherwise agreed upon by Maker and Holder.
- c. All payments under this Note shall be made unconditionally, indefeasibly and in full without deduction, setoff, recoupment, counterclaim, or other defense, all of which are hereby waived to the maximum extent permitted by applicable law. If the Maker has any claim, recoupment, set-off, defense or other right to the contrary, Maker shall notify Holder in writing immediately. Maker hereby represents and warrants that it presently has no such claims, recoupments, setoffs, defenses or other such rights.

7. MAKER'S FAILURE TO PAY AS REQUIRED.

- a. Default. Upon the occurrence of any one of the following events ("Events of Default"), the entire principal amount outstanding and all accrued interest thereunder shall at the option of the Holder, without any prior notice, presentment or demand, become immediately due and payable in full:
 - i. Failure of the Maker to make payments whenever due or upon demand, as the case may be, and the continuation of such failure for a period of thirty (30) days; or
 - ii. Failure of the Maker to perform or observe any of the Maker's covenants or agreements under this Note which continues for thirty (30) days after Maker knows or should have known of such failure; or
 - iii. An assignment by the Maker of any of its assets for the benefit of the Maker's creditors, or the commencement by or against the Maker of any bankruptcy, insolvency, liquidation, receivership or similar proceedings; or

- iv. Maker's (or any of Maker's guarantor's) default in performing any other obligation hereunder or under any other agreement now or hereafter entered into between Maker (or any of Maker's guarantors), on the one hand, and Holder or Franchisor or any of their affiliates, on the other hand, including, without limitation, the Franchise Agreement.
- b. Notice and Cure. Upon the occurrence of an Event of Default, Holder shall send Maker a written notice advising Maker of such default and requiring Maker to cure such default within thirty (30) days after the date on which the notice is mailed to Maker or delivered by other means. In the event the Maker is in default of this Note and the Holder does not require Maker to pay immediately pay in full all amounts due hereunder, Holder will still have the right to do so if Maker is in default at any subsequent time.
8. **MAKER'S PAYMENTS BEFORE THEY ARE DUE.** Maker has the right to make payment of the unpaid Principal in whole or in part at any time before the Maturity Date ("Prepayment"). If Maker makes Prepayment, Maker shall notify the Holder in writing that Maker is doing so. Maker may make Prepayment without paying any penalty; provided, however, that any such prepayment of principal shall be accompanied by the payment of interest accrued to the date of such prepayment and all costs, expenses or charges then owed to Holder pursuant to this Note. The Holder shall use Prepayment to reduce the amount of principal that is owed under this Note.
9. **COVENANTS, REPRESENTATIONS, AND WARRANTIES.**
- a. Maker's Representations and Warranties. Maker represents and warrants that [] holds [] percent ([]%) of the [membership interests/outstanding stock] of the Maker and [] holds [] percent ([]%) of the [membership interests/outstanding stock] of the Maker and covenants that such ownership shall not change while this Note remains outstanding unless the Holder consents.
- b. Holder's Representations and Warranties.
- i. Holder represents and warrants that (1) it has received all information it has requested from Maker that it considers necessary or appropriate for deciding whether to acquire this Note, (2) it has had an opportunity to ask questions and receive answers from Maker regarding the terms and conditions of this Note and to obtain any additional information necessary to verify the accuracy of the information given the Holder and (3) it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of purchasing this Note.
- ii. Holder represents and warrants that it is acquiring this Note solely for its own account and beneficial interest, not for sale or with a view to distribution of this Note, has no present intention of selling, granting any participation in, or otherwise distributing the same, and does not presently have reason to anticipate a change in such intention.

10. MAKER'S WAIVERS. Maker waives the right to require the Holder to do certain things. Those things are: (a) to demand payment of amounts due (known as "presentment"); (b) to give notice that amounts due have not been paid (known as "notice of dishonor"), except as expressly provided elsewhere in this Note; (c) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Holder if Maker fails to keep the promises under this Note, or who signs this Note to transfer it to someone else, also waives these rights. These persons are known as "guarantors, sureties and endorsers."
11. NO USURY. Maker and Holder intend to comply at all times with applicable usury laws. If, at any time, such laws would render usurious any amounts called for under this Note, it is Maker's and Holder's express intention that Maker shall never be required to pay interest on this Note at a rate in excess of the maximum lawful rate then allowed. The provisions of this Section 11 shall control over all other provisions of this Note, which may be in apparent conflict hereunder. Any excess amount shall be immediately refunded by Holder to Maker, and the provisions hereof shall be immediately reformed, and the amounts thereafter collectible under this Note shall be reduced, without the necessity of the execution of any further documents, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for under this Note. Any such refund shall not cure or waive any default by Maker under this Note. Maker agrees that in determining whether or not any interest payable under this Note exceeds the highest rate not prohibited by law, any non-principal payment (except payments specifically stated in this Note to be "interest"), including, without limitation, late charges, shall, to the maximum extent not prohibited by law, be an expense, fee, or indemnification amount rather than interest. The term "applicable law" as used in this Note shall mean the laws of the State of New Jersey or the laws of the United States, whichever laws allow the greater rate of interest, as such laws now exist or may be changed or amended or come into effect in the future.
12. GIVING OF NOTICES.
- a. Any notice that must be given to Maker under this Note shall be given by hand delivery or by certified mail addressed to Maker at [_____]. Notice shall be delivered or mailed to Maker at a different address only after Maker gives the Holder written notice of the different address.
 - b. Any notice that must be given to the Holder under this Note shall be given by hand delivery or by certified mail addressed to Holder at ~~2251 Landmark Place, Manasquan~~ 1 Commvault Way, Suite 400, Tinton Falls, New Jersey ~~0873607724~~, Attention: Office of the General Counsel. Notice shall be delivered or mailed to Holder at a different address only after Holder gives the Maker written notice of the different address.
13. EXTENSIONS/RENEWALS. Holder may in its sole and absolute discretion, without notice and without releasing the liability of Maker, grant extensions and/or renewals hereof from time to time or for any term or terms. Holder shall not be liable for or prejudiced by failure to collect or lack of diligence in bringing suit on this Note or any renewal or extension hereof, and the acceptance at any time by Holder of any past-due amount shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable.

14. ASSIGNMENTS. The Maker may not assign, transfer, or sell this Note to any party without the written consent of the Holder.
15. ATTORNEYS' FEES. In any litigation to enforce the terms of this Note, the prevailing party shall be entitled to receive from the non-prevailing party all its costs and expenses of obtaining such relief. This includes, but is not limited to, court costs, arbitration costs and attorneys' fees, which the prevailing party may incorporate into the terms of any judgment, order or relief granted to the prevailing party.
16. ENTIRE AGREEMENT; AMENDMENTS. This Note, including the Guaranty and Assumption of Obligations attached hereto as Exhibit B, contains the entire understanding of the parties with respect to the subject matter hereof and includes all of the oral and written agreements, representations, and arrangements between the parties with respect to the obligations to be incurred by the Maker herein, and no other representations or warranties are made or implied except as expressly set forth in this Note. This Note may not be changed or amended orally, but only by an agreement in writing, signed by Maker and the holders of a majority of the aggregate principal amount of the Notes then outstanding.
17. CAPTIONS. All paragraph and subparagraph captions are for convenience of reference only and shall not affect the construction of any provision herein.
18. GOVERNING LAW. Except as specifically provided in Section 11, this Note shall be construed in accordance with and governed by the laws of the State of New Jersey without regard to any conflict of law principles. ~~The federal and state courts of the State of New Jersey shall have sole and exclusive jurisdiction over any dispute arising from this Note, and shall be subject to the arbitration obligations set forth in the Franchise Agreement.~~
19. SEVERABILITY. If any provision of this Note shall for any reason be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of this Note, but this Note shall be construed as if this Note had never contained the invalid or unenforceable provision.
20. WAIVER BY HOLDER. Holder shall not be deemed, by any act or omission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by an authorized representative of Holder and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as continuing or as a bar to or waiver of any right or remedy as to a subsequent event.

EXHIBIT B TO PROMISSORY NOTE

GUARANTY AND ASSUMPTION OF OBLIGATIONS

1. In consideration of, and as an inducement to, the execution of the Note of even date herewith (the “Note”) by Jersey Mike’s Franchise Systems, LLC (“Holder”), [] (the “Guarantors”) hereby personally and unconditionally guarantee the punctual payment when due of all obligations of [] (the “Maker”) to Holder now or hereafter existing under the Note, whether for principal, interest, fees or otherwise (such obligations, the “Indebtedness”, and such guaranty, the “Guaranty”). Maker and Holder acknowledge and agree that the execution of this Guaranty by the Guarantors is a material inducement to Holder to execute the Note and that Holder would not have executed the Note without this Guaranty.
2. This Guaranty is and is intended to be a continuing guaranty of payment of the Indebtedness (irrespective of the aggregate amount thereof and whether or not the Indebtedness from time to time exceeds the amount of this Guaranty, if limited), independent of, in addition and without modification to and does not impair or in any way affect any other guaranty, endorsement or other agreement held by Holder therefor or with respect thereto, whether or not furnished by Guarantors. This Guaranty and Guarantors’ obligations hereunder shall not be modified, terminated, impaired or in any way affected by the execution, delivery or performance by Guarantors, Maker or any other person of any other guaranty, endorsement or other agreement or the delivery of collateral therefor.
3. This Guaranty is unlimited in amount, is absolute and unconditional and shall not be changed or affected by any representation, oral agreement, act or thing whatsoever, except as herein provided. This Guaranty is intended by Guarantors to be the final, complete and exclusive expression of the agreement between Guarantors and Holder regarding the subject matter hereof. Guarantors expressly disclaim any reliance on any course of dealing or usage of trade or oral representation of Holder including, without limitation, representations of Holder to make loans to Maker or enter into any other agreement with Maker or Guarantors. No modification or amendment of any provision of this Guaranty and no waiver of any right by Holder shall be effective unless in writing and signed by Holder (or a duly authorized officer thereof, if applicable). Guarantors guarantee that the obligations of the Maker under the Note will be paid strictly in accordance with its terms, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Holder with respect thereto. The liability of the Guarantors under this Guaranty shall be absolute and unconditional irrespective of any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of the Maker under the Note, or any other amendment or waiver of or any consent to departure from the Note.
4. This Guaranty shall remain in full force and effect until all Indebtedness outstanding, or contracted or committed for (whether or not outstanding), and any extensions, renewals or replacements thereof, together with interest accruing thereon, shall be finally and irrevocably paid in full, upon which this Guaranty shall automatically terminate. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the obligations of the Maker under the Note is rescinded or must otherwise be returned by the Holder

Franchisor/Company's Copy

upon the insolvency, bankruptcy or reorganization of the Maker or otherwise, all as though such payment had not been made. As of the date any payment is returned, the statute of limitations shall start anew with respect to any action or proceeding by Holder against Guarantors under this Guaranty. Guarantors shall defend and indemnify Holder against and from any claim or loss under this paragraph, including actual attorneys' fees and expenses in the defense of any such action or suit.

5. **THIS GUARANTY AND THE TRANSACTIONS EVIDENCED HEREBY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW JERSEY WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE FEDERAL AND STATE COURTS OF THE STATE OF NEW JERSEY SHALL HAVE SOLE AND EXCLUSIVE JURISDICTION OVER ANY DISPUTE ARISING FROM THIS GUARANTY.**
6. The Guarantors waive notice of acceptance of this Guaranty and notice of any liability of Maker to which this Guaranty may apply and waives notice of default, non-payment, partial payment, presentment, demand, protest, notice of protest or dishonor and all other notices to which the Guarantors might otherwise be entitled except any notices expressly set forth herein, or which might be required by law.
7. Each Guarantor represents and warrants that, if no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.
8. By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor's performance of this Guaranty. We confirm that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

3. DEFAULTS, ENFORCEMENT, AND APPLICATION OF PROCEEDS.

3.1 Upon the occurrence of any of the following events (herein sometimes called an “Event of Default”), the Debtor shall be in default under this Agreement:

(i) The occurrence of an event of default under any franchise agreement between the Debtor and Franchisor not timely cured in accordance with the terms of such agreement; or

(ii) The Secured Party, in good faith, shall believe that the prospect of payment of the Indebtedness or performance of this Agreement is materially impaired, or shall reasonably fear deterioration, removal or waste of the Collateral; or

(iii) Debtor shall deny or contest the enforceability of this Agreement or the security interest created hereby; or

(iv) Debtor shall fail to pay any sum due to Secured Party on or before its due date, not timely cured in accordance with the terms of the applicable agreement, including without limitation any failure to pay sums due under the Promissory Note of even date herewith; or

(v) [_____], or Debtor shall deny any obligations due under the Personal Guaranty, the Promissory Note or any franchise agreement.

3.2 Upon the occurrence of any Event of Default, the Secured Party may at its discretion and without prior notice to the Debtor (except for such notice, if any, as may be required by the applicable agreement) declare any or all of the Indebtedness to be immediately due and payable and shall have and may exercise any one or more of the following rights and remedies:

At any such sale pursuant to this Section 3.2, whether under the power of sale or by virtue of judicial proceedings, it shall not be necessary for the Secured Party or a public officer under order of a court to have present physical or constructive possession of the Collateral to be sold. The recitals contained in any conveyances and receipts made and given by the Secured Party or such public officer to any purchaser at any sale made pursuant to this Agreement shall, to the extent permitted by applicable law, conclusively establish the truth and accuracy of the matters therein stated (including, without limiting the generality of the foregoing, the amounts of the principal of and interest on the Indebtedness, the accrual and nonpayment thereof, and advertisement and conduct of such sale in the manner provided herein and by applicable law); and all prerequisites to such sale shall be presumed to have been satisfied and performed. Upon any sale hereunder of any of the Collateral or any interest therein, the receipt of the officer making such sale under judicial proceedings or of the Secured Party shall be sufficient discharge to the purchaser for the purchase money, and such purchaser shall not be obligated to see to the application thereof. The Debtor shall remain liable for any deficiency, which it shall pay to the Secured Party immediately upon demand.

3.5 Nothing herein contained is intended, nor should it be construed, to preclude the Secured Party from pursuing any other remedy provided by law for the collection of the Indebtedness or any portion thereof, or for the recovery of any other sum to which the Secured Party may be or become entitled for the breach of this Agreement by the Debtor, nor shall anything contained herein reduce in any way any rights of the Secured Party contained in any existing agreement between the Debtor and the Secured Party.

3.6 No waiver of default shall be effective unless in writing signed by the Secured Party, and no waiver of any default or forbearance on the part of the Secured Party in enforcing any of its rights

Franchisor/Company's Copy

3.7 The Debtor hereby irrevocably appoints the Secured Party (which appointment is coupled with an interest) the true and lawful attorney of the Debtor (with full power of substitution) in the name, place, and stead, and at the expense, of the Debtor to do any one or more of the following, but, except in the case of clause (iv) below, only upon (or ~~any~~ anytime after) the occurrence of an Event of Default:

(i) to give any necessary receipts or acquittances for amounts collected or received hereunder;

(ii) to make all necessary transfers of all or any part of the Collateral in connection with any sale, lease, or other disposition made pursuant hereto;

(iii) to execute and deliver for value all necessary or appropriate bills of sale, assignments, and other instruments in connection with any such sale, lease, or other disposition, the Debtor hereby ratifying and confirming all that its said attorney (or any substitute) shall lawfully do hereunder and pursuant hereto. Nevertheless, if so requested by the Secured Party or a purchaser or lessee, the Debtor shall ratify and confirm any sale, lease, or other disposition by executing and delivering to the Secured Party or such purchaser or lessee all proper bills of sale, assignments, releases, leases, and other instruments as may be designated in any such request;

(iv) to execute and file in the name of and on behalf of the Debtor all financing statements or other filings deemed necessary or desirable by the Secured Party to evidence or perfect the security interests herein granted;

(v) to demand, receive, sue for, and give receipts as acquittances for any moneys due or to become due on any pledged stock or Collateral; and

(vi) with respect to any Collateral, to assent to any or all extensions or postponements of the time of payment thereof or any other indulgence in connection therewith, to the substitution, exchange, or release of Collateral, to the addition or release of any party primarily or secondarily liable, to the acceptance of partial payments thereon and the settlement, compromise, or adjustment thereof, all in such manner and at such time or times as the Secured Party shall deem advisable.

3.8 The Debtor also agrees, upon request of the Secured Party, to assemble the Collateral and make it available to the Secured Party at any place designated by the Secured Party which is reasonably convenient to the Secured Party and the Debtor.

4. MISCELLANEOUS.

4.1 This Agreement shall in all respects be governed by and construed in accordance with the internal laws of the State of New Jersey, and shall be subject to the arbitration obligations set forth in the standard franchise agreement between Debtor and Franchisor.

4.2 This Agreement shall be terminated only by the filing of a termination statement in accordance with the applicable provisions of the Uniform Commercial Code or other relevant law. Until terminated, the security interest hereby created shall continue in full force and effect and shall secure and be applicable to all advances now or hereafter made by the Secured Party whether or not the Debtor is indebted to the Secured Party immediately prior to the time of any such advance.

4.5 In the event that any mandatory requirement of applicable law shall obligate the Secured Party to give prior notice to the Debtor of any action to be taken hereunder, the Debtor hereby agrees that a written notice, given to it at least five days before the date of any such act, shall be deemed to be reasonable notice of such act and, specifically, reasonably notification of the time after which any private sale, lease, or other disposition intended to be made hereunder is to be made, unless a shorter notice period is reasonable under the circumstances. RECITALS

WHEREAS, Franchisor and Franchisee are parties to that certain Franchise Agreement dated _____ (the “**Franchise Agreement**”) under which Franchisor granted Franchisee the right to operate a JERSEY MIKE’S® Restaurant located at _____ (the “**Restaurant**”); and

WHEREAS, Franchisor and Franchisee desire to amend certain provisions of the Franchise Agreement to account for the non-traditional nature of the Restaurant’s location.

AGREEMENT

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other, the receipt and sufficiency of which are acknowledged, hereby agree as follows:

1. Designated Area. Given the non-traditional nature of the Restaurant’s location, Franchisee acknowledges and agrees that the Designated Area shall only include the Host Facility (as referenced in Section 2 of this Addendum).

2. Restaurant and Location. The following language is added to the end of Section 3.1 of the Franchise Agreement:

Franchisor and Franchisee acknowledge that the Premises is located within or adjacent to a larger venue or facility (the “**Host Facility**”) located at the address identified on the Summary Pages. If the placement and operation of the Restaurant in or in connection with the Host Facility requires the consent of the owner, franchisor, and/or licensor of the Host Facility, Franchisee represents and warrants that it has obtained all necessary written consents and authorizations (and provided a copy thereof to Franchisor) to permit Franchisee’s operation of the Restaurant at the Premises. Franchisee acknowledges and agrees that the Premises will be strictly limited to the physical area within the Host Facility occupied by the Restaurant. The “Premises” cannot and will not under any circumstances be defined as a geographic area or be described in terms other than the specific location within the Host Facility. During the Term, the Premises shall be used exclusively to operate the Restaurant and Franchisee may not relocate the Restaurant to a different site within the Host Facility, or to another location and/or facility, without Franchisor’s express written consent.

3. Computer System. The following language is added to the end of Section 11.2 of the Franchise Agreement:

Franchisor acknowledges that Franchisee is required by the Host Facility to use, in the operation of the Restaurant, a designated computer and point-of-sale system that is common to other businesses operated in the Host Facility (the “**Host Facility Computer System**”). Franchisor consents to Franchisee’s use of the Host Facility Computer System

in the operation of the Restaurant so long as such use is required by the Host Facility, provided that (a) the Host Facility Computer System has the ability to generate sales reports and record transactions of the Restaurant required by this Agreement and/or Franchisor, separate and apart from any other business(es) within the Host Facility; and (b) Franchisor will have uninterrupted and independent remote access to such Host Facility Computer System. If Franchisee ceases to be obligated to use the Host Facility Computer System, Franchisee's computer-based POS System shall thereafter comply with the requirements of this Section. Franchisee agrees to comply with the Host Facility's requirements related to the Host Facility Computer System and, as between Franchisor and Franchisee, will be solely responsible for ensuring that (i) the Host Facility Computer System complies with all applicable laws and industry standards, (ii) all personal information collected, stored, and processed on the Host Facility Computer System is protected, stored, and used in accordance with this Agreement and applicable law, and (iii) all Confidential Information that is stored on or accessed through the Host Facility Computer System is protected as required in this Agreement.

4. Modification of System. The following language is added to the end of Section 12.3 of the Franchise Agreement:

Franchisor and Franchisee acknowledge and agree that the products and services offered for sale from the Restaurant may differ from that of a traditional Restaurant due to the non-traditional nature of the Premises. Franchisee may propose deviations to the menu items and product offerings sold or offered by the Restaurant, but Franchisee must receive Franchisor's prior written consent prior to the sale or offering of any such alternative products. Any requests for deviations of this nature must be submitted to and approved by Franchisor.

Franchisee agrees that it will not offer or sell any products or services offered by JERSEY MIKE'S Restaurants from or through the Host Facility in any way other than from or through the Restaurant.

Franchisee acknowledges and agrees that Franchisor may, in its discretion, modify the System Standards for the Restaurant to accommodate the specific circumstances inherent in the Premises (including the products and services that may be offered for sale therefrom; the appearance of the Restaurant; the equipment, fixtures, and décor used therein; and the hours of operation), and that such modifications may not apply to JERSEY MIKE'S Restaurants at traditional locations and/or other non-traditional locations. Franchisor will determine the scope and duration of such modifications, as necessary. Franchisee agrees to comply with all such modifications that Franchisor communicates to it in writing.

5. Inspections & Audits. Franchisor acknowledges and agrees that it will be required to comply with the protocols established by the Host Facility to inspect the Restaurant on the Premises, as permitted under Section 11 and Section 13.3 of the Franchise Agreement. If Franchisor is prohibited from inspecting the Restaurant, Franchisee shall promptly provide to Franchisor any photographs, videos, business records and/or additional evidence it requests, for purposes of off-site inspection by Franchisor.

6. Default and Termination. The following language is added as subsections (w) through (aa) of Section 16.2 of the Franchise Agreement:

w. Franchisee loses the right, for whatever reason, to operate the Restaurant within the Host Facility;

- x. the Host Facility engages in any conduct which, in Franchisor's opinion, adversely affects the reputation of the Restaurant or the goodwill associated with the Marks;
- y. the Host Facility materially reduces the size or configuration of the Premises, the business conducted by the Host Facility materially changes, and/or the Host Facility requires that Franchisee materially change the manner or location within the Host Facility in which the Restaurant is operated;
- z. the Host Facility violates any law, ordinance, rule, or regulation of a governmental agency in connection with the operation of the Restaurant; or
- aa. the Host Facility creates or allows to exist any condition in or at the Premises or the Host Facility, or otherwise in connection with the operation of the Restaurant, which Franchisor reasonably determines to present a health or safety concern for the Restaurant's customers or employees.

7. Purchase Option & Right of First Refusal. Franchisor and Franchisee acknowledge and agree that Franchisor's right to purchase the Restaurant under Section 17.10 of the Franchise Agreement and Franchisee's right of first refusal under Section 18.4 of the Franchise Agreement may be impacted by the rules established for businesses operated at the Host Facility, including the obligation to obtain the Host Facility's approval. Franchisee agrees to reasonably cooperate with Franchisor, at Franchisee's expense, to facilitate the exercise of Franchisor's purchase option and/or right of first refusal if Franchisor should exercise its rights under Section 17.10 and/or Section 18.4 of the Franchise Agreement.

8. Miscellaneous. This Addendum forms an integral part of the Franchise Agreement. The Franchise Agreement shall be amended only as described herein. All other provisions of the Franchise Agreement shall remain in full force and effect as provided therein. In the event of a conflict between the terms of the Franchise Agreement and this Addendum, the terms of this Addendum shall control. 9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgment. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Non-Competition Covenants. Pursuant to RCW 49.62.020, a non-competition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Non-Solicitation Covenants. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or

complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). WASHINGTON LAW MODIFICATIONS

1. **Conflict of Laws.** Washington Franchise Investment Protection Act (the “Act”), Chapter 19.100 RCW, shall prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable to the extent that they reflect our reasonable estimate or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee’s business for any reason during the term of the franchise agreement without the franchisee’s consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgment. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Non-Competition Covenants. Pursuant to RCW 49.62.020, a non-competition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Non-Solicitation Covenants. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale

of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
