The Franchisor, Parents and Predecessors

Kahala Franchising is an Arizona limited liability company which was formed on December 29, 2008. Kahala Franchising is in the business of franchising to others the right to own and operate quick service restaurants.

Our parent company is Kahala Brands, Inc., formerly known as Kahala Brands, Ltd. (“Kahala Brands”). Kahala Brands was formerly known as Kahala Corp. but changed its name to Kahala Brands in December 2014.

On July 26, 2016, Kahala Brands merged with a wholly-owned subsidiary of MTY Food Group, Inc. (“MTY”) having an address at 8150 Transcanada Highway, Suite 200, Saint Laurent, Québec H4S 1MF. Kahala Brands’ parent company became MTY Franchising USA, Inc. (“MTY USA”), originally known as The Extreme Pita Franchising USA, Inc., and having an address of 9311 E Via De Ventura, Scottsdale, AZ 85258. MTY USA’s parent corporation is MTY Franchising Inc. (“MTY Canada”), a Canadian corporation and a wholly owned subsidiary of MTY, formerly known as MTY Tiki Ming Enterprises Inc., and having an address at 8150 Route Transcanadienne, Suite 200, Ville Saint-Laurent, Quebec, H4S 1M5, Canada.

On June 19, 2017, the parties entered into a settlement agreement whereby Kahala repurchased Koho's Area Developer territory for the sum of \$75,000 and forgave the remaining damages owed in the amount of \$130,000.

The initial fees to be paid to us and/or our affiliate(s) before the franchisee’s business opens are indicated on the chart below and in the notes to the chart.– The initial fees to be paid to us and/or our affiliate(s) before the franchisee’s business opens are the total of the Initial Franchise Fee, Grand Opening Marketing, lease review fee (if any), lease guarantee fee (if any), and the cost of menu boards and, wall decordécor, and ranges from \$11,800 to ~~\$228,800~~ for a non-traditional location, and from \$26,800 to ~~\$556,300~~ for a traditional location. ~~These amounts do not include the Document Administration Fee.~~

For the 2025⁴ fiscal year, the formula used to calculate the range of initial fees paid to us and/or our affiliate(s) before the franchisee’s business opened was: the total of the Initial Franchise Fee, Grand Opening Marketing, lease review fee (if any), lease guarantee fee (if any), and the cost of ~~items~~ menu boards and wall decor purchased from Neptune Equipment.– The factors that determined these amounts were: (i) if the Initial Franchise Fee was discounted or waived; (ii) if the restaurant was traditional or non-traditional ~~(for the 2024 fiscal year, the cost of a non-traditional franchise was \$7,500 and was reduced to \$5,000 for the third and subsequent restaurant)~~; (iii) if the restaurant was the franchisee’s first, second, or subsequent franchise ~~(the initial franchise fee was reduced for the third and subsequent restaurant during the 2024 fiscal year)~~; (iv) the lease review fee if the franchisee requested a full lease review;– (v) the lease guarantee fee if the franchisee requested we guarantee their lease and Kahala Franchising or its affiliate agreed to be a guarantor on their lease; and (vi) the cost of ~~certain items~~ menu boards and wall décor purchased from our affiliate, Neptune Equipment, ~~which depended on the items purchased~~ and/or third party vendor.

There are no refunds of the Initial Franchise Fee under any circumstances.– We may periodically reduce the Initial Franchise Fee in connection with limited time promotions, new concepts and/or operational programs.- We may vary the terms of our franchises in connection with testing new marketing, branding and/or operational programs.– These tests are generally conducted with experienced, existing franchisees and may include incentives and other rights which are not available to all franchisees.- If you sign the Franchise Agreement in connection with a transfer or renewal, you will not pay the Initial Franchise Fee.

We may offer you the option to purchase a license to sell additional signature products in your *Kahala Coffee Traders* restaurant and to use the signature products trademark(s) as signature products are developed.- The signature products that would be available for *Kahala Coffee Traders* franchisees to sell in their restaurants are currently under development. -We estimate that the fees associated with acquiring license(s) to sell additional products will be between \$2,500 and \$5,000 although these license fees may be modified from time to time.

Notes:

(1) These fees are collected by us, are payable to Kahala Franchising, and are non-refundable. These fees are uniformly imposed by Kahala Franchising; however, Kahala Franchising, in its sole discretion, may reduce or waive a one-time fee (*i.e.*, transfer franchise fee, renewal franchise fee, etc.) or may waive or reduce an ongoing fee (*i.e.*, Royalty Fee or Advertising Fees) for a defined period of time.

(2) For traditional *Kahala Coffee Traders* restaurants, the Royalty Fee will be the greater of: (i) 6% of the total weekly Gross Sales or (ii) \$300 per week. For non-traditional *Kahala Coffee Traders* restaurants, the Royalty Fee is 6% of total weekly Gross Sales with no minimum royalty. In our sole discretion, we may charge, in addition to the Royalty Fee, a Surcharge of up to \$10 per week if your Franchised Business is located in a state that imposes additional reporting requirements on a franchisor. Currently, New York is the only state that has imposed the additional reporting requirements.

(3) At the time you sign the Franchise Agreement, you will set up a depository account of a minimum of \$3,000 with your local banking institution. You are required to maintain a minimum balance of \$3,000 in this account at all times. This will mean that you must replenish the depository account to \$3,000 after Kahala Franchising makes any withdrawals (A Pre-Authorized Electronic Funds Transfer Form by and payable to Franchisor is attached as Exhibit P).

If a Cooperative is formed for your region, you must financially contribute to the Cooperative as required by us. Failure to do so will be deemed a breach of the Franchise Agreement and you may also, in Franchisor's sole discretion, lose your right to vote on decisions the Cooperative makes. The membership of the Cooperative is defined by us according to your market area. For each of our company-owned or affiliate-owned restaurants, it's our policy that such restaurants make contributions to the Fund at a rate equal to the lowest rate a franchisee is then-required to contribute. Corporate or affiliate-owned outlets have the same voting power as franchisee-owned outlets.

(5) If we hold an annual meeting (“Meeting”), the Meeting will be held at various locations throughout the United States and/or online as we may designate in our sole discretion, and may offer valuable continuing education programs. Because the planning and funding of the Meeting must be done well in advance and requires a substantial financial commitment, we have the right to debit your Depository Account for the Annual Meeting Registration Fee up to \$1,000 at any time 60 to 90 days prior to the first day of the Meeting. The Royalties paid or owing to Franchisor with respect to the period during which Franchisee is in breach or default are referred to as “Breaching Royalties.” Breaching Royalties will be charged for a minimum fourteen (14) day period, regardless of the length of the actual breach or default.

(9)(10) If, in order to obtain the lease agreement for the site of your Kahala Coffee Traders restaurant, the landlord requires you to obtain a third party lease guarantee, and we or one of our affiliates agrees to serve as such guarantor (with such determination to be made in our sole and absolute discretion), you will pay to us a lease guarantee fee in the amount of 10% of the total amount of the rental obligations being guaranteed under the lease during its term up to a maximum payment of \$10,000.

Notes:

(1) The Initial Franchise Fee includes the training fee for two individuals.

(2) If you do not own a suitable premises approved by us, you must lease or purchase the premises for your *Kahala Coffee Traders* restaurant. If you decide to lease the premises, the landlord will generally require a security deposit, the amount of which generally ranges from one month of monthly rent to six months of monthly rent. The amount of your security deposit will vary according to your area, the type of location (enclosed mall, strip center, or free-standing building), and various other factors. A lease security deposit may be non-refundable and is paid directly to the landlord of the premises. If you decide to purchase land and construct your own building or buy an existing building, you can expect to add the cost of the real estate to the total investment. Real estate costs vary considerably depending on fair market values in your area; size, condition, and location of the premises; and municipal requirements.

(3) The Landlord may provide some leasehold improvements, but if not, they will be at your expense. The total amount of leasehold improvements for your *Kahala Coffee Traders* restaurant will vary greatly, depending on the type of premises for your restaurant, condition of the premises, and what improvements you require. To avoid excessive construction costs, it is strongly recommended that you choose contractors carefully by obtaining several competitive bids before construction begins. These estimates are based on constructing a 1,000 square foot vanilla shell for a traditional location or a 600 square foot vanilla shell for a non-traditional location, electrical requirements and HVAC per site standards of the brand. This amount is based upon a national average for labor costs and does not include extensive renovations. Construction costs also vary considerably depending on fair market values in your area; size, condition, and location of the premises; labor costs (union versus non-union); and equipment requirements. The typical traditional *Kahala Coffee Traders* restaurant is 1,000 square feet. The target square footage needed to establish your *Kahala Coffee Traders* restaurant is approximately 600 square feet for a non-traditional restaurant. There is a wide range of probable locations that a *Kahala Coffee Traders* restaurant could be in, and therefore, a wide range for the approximate size of the property and building. Typical locations for a traditional restaurant are strip shopping centers, lifestyle centers, business centers, regional centers, malls or downtown areas that could range in size from 1,000 square feet for a stand-alone location to over one million square feet for a large regional shopping mall. Typical locations for a non-traditional restaurant are airports, kiosks, convenience stores, malls, stadiums, entertainment pavilions, amusement parks, sports or entertainment venues, train stations, travel plazas, toll roads, cafeterias, retail stores, military bases, hospitals, hotels, casinos and high school and college campuses.

(4) This amount includes estimated costs of furniture, furnishings, installations, equipment, trade fixtures, and certain other items on the restaurant premises, the amount and specific items of which will vary depending upon the location, size and condition of a particular restaurant. You must purchase restaurant equipment for your *Kahala Coffee Traders* restaurant from approved vendors and according to our specifications. A list of approved distributors for our approved vendors is maintained by our purchasing department and will be provided to you during the pre-opening and/or construction phase for your Franchised Business. Updates will be provided to you as changes are made (i.e., additions and deletions) to the list of approved distributors for our approved vendors.

(5) As with any retail business, you will purchase inventory continuously as long as you operate your *Kahala Coffee Traders* restaurant.

(6) Initial premiums for commercial general liability insurance are subject to change due to market forces beyond either of our control. The cost of other coverages, including workers' compensation and employer liability coverage and your discretionary purchases, varies widely.

(7) The breakdown of the miscellaneous opening costs is as follows:

MISCELLANEOUS OPENING COSTS	ESTIMATED TYPICAL RANGE	
Pre-opening Employee Training Payroll	\$1,000	\$3,000
Utility Deposits (e.g., gas, water)	\$1,000	\$3,500
Petty Cash (including cash register "opening banks")	\$250	\$700
Licenses and Permits (including any required deposits)	\$500	\$3,000
Miscellaneous Expenses (e.g., food safety manager certification training fees, uniforms, menus, security system, interior/exterior landscaping, sound system, business telephone deposit (phone additional), banking pre-opening costs, accountants, lawyers)	\$2,000	\$7,000
ESTIMATED TOTAL	\$4,750	\$17,200

The telephone and utility deposits will generally be refundable in accordance with the terms fixed by the telephone company and the utility companies, respectively.

(8) You are required, to pay a Grand Opening Marketing fee of \$10,000 for a Traditional store or \$5,000 for a Non-Traditional store payable to US on the earlier of (i) prior to you executing a lease for the premises where the Franchised Business will be located; or (ii) prior to construction commencing at the premises where the Franchised Business will be located. We or our designated affiliate will create a marketing plan for (i) a grand opening event at your Franchised Business, and (ii) the initial advertising of your Franchised Business, and will work with you to obtain your input on the marketing plan. We or our designated affiliate will use the Grand Opening Marketing fee to pay for the grand opening and initial advertising, but may, in our sole discretion, reimburse you for some local store marketing expenses that you pay if you received our prior approval and we received your reimbursement request within six (6) months from the opening of your Franchised Business to the public. The Grand Opening Marketing fee should be used within six (6) months of the opening of your Franchised Business to the public. However, if a portion of the Grand Opening Marketing fee is not used within those six (6) months, we may, in our sole discretion, and without prior notice, spend transfer the remaining portion of the Grand Opening Marketing fee after six (6) months from the opening of your Franchised Business to the public to the National Advertising Fund.

(10) Cash flow from your operations may not be adequate to cover operating and other costs during the initial phase of business. The range shown estimates your expenses during the first three months of operation. These expenses include payroll costs (excluding any wage or salary paid to you), other miscellaneous expenses and working capital. We cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how closely you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for our product; the prevailing wage rate; competition; and the sales level achieved during the initial period. The amount required for additional funds was formulated based upon our years of experience as a franchisor and our affiliate's years of experience operating company restaurants in addition to information provided by other franchisees.

(11) Your initial investment for a new *Kahala Coffee Traders* restaurant depends primarily upon the size, configuration, location, who pays the costs to develop the real estate and/or construction of the restaurant, and the amount and terms of financing, if any. The initial funds required must be estimated as most costs are not within our control and may change at frequent intervals. These estimated ranges are based on our experience and information provided by franchisees.

A non-traditional restaurant will generally be located inside an existing primary business. As a result, if you open and operate a non-traditional restaurant, there may not be a Sublease between you and our Leasing Affiliate. If the circumstances make a Sublease appropriate, then you would sign a Sublease with our Leasing Affiliate.

You should carefully read the Direct Lease, or the Sublease and Master Lease, and, if applicable, the sublicense agreement. The Sublease provides that a default under your Franchise Agreement is a default under the Sublease. ITEM 10: FINANCING

~~We do not offer any direct or indirect financing or financing arrangement, nor will we guaranty your obligations under any note or other obligation, except potentially for the lease for your site or if you purchase a restaurant corporate-owned "as-is" by one of our affiliates, and only in our sole and absolute discretion to franchisees. However, in limited circumstances and in our sole discretion, we or one of our affiliates may provide financing in connection with your purchase of a corporate-owned restaurant sold on an "as-is" basis, or in other limited, one-off circumstances. In addition, we may in our sole discretion, provide a lease guarantee for an approved restaurant site.~~

Other than as described above, we do not guarantee franchisee obligations under any note or other obligation, except as specifically described below.

If you are an individual and married, your spouse must execute and deliver to us a Guaranty of Franchise Agreement (See Exhibit F-1: Guaranty of Franchise Agreement) and a Non-Disclosure and Non-Competition Agreement (See Exhibit F-2: Non-Disclosure and Non-Competition Agreement) at the same time that you sign the Franchise Agreement unless your spouse is also signing the agreement as an individual. If you are a corporation, limited liability company, or other business entity, each of your shareholders, members, or other owners (and their respective spouses, if married) must execute and deliver to us a Guaranty of Franchise Agreement, and their respective spouses must execute and deliver to us a Non-Disclosure and Non-Competition Agreement, at the same time that you sign this Agreement. In the event any person who has not previously signed a Guaranty of Franchise Agreement or a Non-Disclosure and Non-Competition Agreement becomes your spouse or the holder of any class of your stock or ownership interests or a spouse of such holder, at any time after the execution of such agreement, you must cause such person(s) to immediately execute and

deliver a Guaranty of Franchise Agreement and a Non-Disclosure and Non-Competition Agreement to us as appropriate.

Lease guarantee fees, if applicable, are disclosed in Item 6 (Other Fees) of this Disclosure Document.

~~If, in order to obtain the lease agreement for the site of your *Kahala Coffee Traders* restaurant, the landlord requires you to obtain a third party lease guarantee, and we or one of our affiliates agrees to serve as such guarantor (with such determination to be made in our sole and absolute discretion), you will pay to us a lease guarantee fee in the amount of 10% of the total amount of the rental obligations being guaranteed under the lease during its term up to a maximum payment of \$10,000. If the franchisee is an individual, the individual franchisee (and his/her spouse, if married) must personally guarantee the debt. If the franchisee is a corporation, limited liability company, partnership, or other entity, each of the principals of the entity (and each of their respective spouses, if married) must personally guarantee the debt. Once paid, the lease guarantee fee is non-refundable under all circumstances. We do not offer financing for the lease guarantee fee as it is payable in full upon the execution of the guarantee. Neither we, nor any of our affiliates, are required to serve as a guarantor of your lease for the site of your restaurant. The decision of whether to serve as a guarantor of your lease shall be made at our sole and absolute discretion.~~

If you purchase a corporate restaurant “as-is” that is owned and operated by one of our affiliates, we may finance up to 100% of the purchase price, at our sole discretion. When you purchase a corporate-owned restaurant from one of our affiliates, you will enter into an “Asset Purchase Agreement” (see Exhibit D: Asset Purchase Agreement (For Sale of a Corporate Store to a Franchisee)). If you finance any portion of the purchase price of the corporate-owned restaurant through Kahala Holdings or Kahala Restaurants, you will also enter into a “Promissory Note and Security Agreement” and a “Guaranty,” which are exhibits to the Asset Purchase Agreement (and also the form of agreement we would use in any other limited, one-off circumstance in which we or our affiliates, in our sole discretion, provide financing). The purchase price may include the initial franchise fee, any transferrable furniture, fixtures, and equipment, the leasehold, and/or any transferable leasehold improvements that are located in the restaurant at the time of purchase, along with any inventory in the restaurant at the time of purchase. The lender providing the financing is one of our affiliates, Kahala Holdings or Kahala Restaurants, whichever entity owns the restaurant. The annual rate of interest charged will be between 0% and 12% and will depend on the creditworthiness of the franchisee, the amount being financed, and the dollar amount being paid up-front by the franchisee. There are no finance charges associated with the Promissory Note and Security Agreement. The amount being financed will be required to be re-paid in equal monthly installments and the period of repayment will be between 12 months and 60 months, depending on the amount being financed. The security interest required by us is a first position lien on all equipment. If the franchisee is an individual, the individual franchisee (and his/her spouse, if married) must personally guarantee the debt. If the franchisee is a corporation, limited liability company, partnership, or other entity, each of the principals of the entity (and their respective spouses, if married) must personally guarantee the debt. The Promissory Note and Security Agreement may be pre-paid in full or in part at any time and from time to time without penalty. The franchisee’s potential liabilities upon default include: (i) an accelerated obligation to pay the entire amount due, including but not limited to all accrued and unpaid interest, if the default is not cured within seven calendar days; and the interest rate will be increased to an annual rate of 18%; (ii) obligation to pay costs and attorneys’ fees incurred in collecting the debt; (iii) termination of the franchise; and (iv) liabilities from cross defaults resulting from non-payment or from the loss of business property on franchisee’s other restaurants named in the Promissory Note and Security Agreement and granting either Kahala Holdings or Kahala Restaurants the right to take back the restaurant(s). Additional waiver provisions are set forth in the Promissory Note and Security Agreement attached as Exhibit D to this Disclosure Document. The Promissory Note and Security Agreement requires franchisees to waive the following legal rights: demand, notice, diligence, protest, presentment for payment, and notice of extension, dishonor, protest, demand and nonpayment of the

promissory note; any release or discharge by reason of any release or substitution of, or other change in, any security given for the indebtedness or the obligation of any person or entity who may become directly or indirectly liable for the note or any extension or other modification of the note; and rights to contest or appeal our exercise of the take back rights and not receiving compensation for the restaurant after the take back rights have been exercised. The Promissory Note and Security Agreement also bars the franchisee's right to contest the take back rights.

We require a first lien position in all equipment as a security interest to be given by the franchisee. We do not intend to sell, assign or discount to a third party any financing arrangement. We do not arrange financing from other sources; therefore, we do not receive direct or indirect payments from placing financing.

The lease for a corporate restaurant is entered into by one of our affiliates. When you purchase the corporate restaurant, you will enter into a Sublease with our affiliate using our standard form of Sublease where you pay all monies owing under the Master Lease directly to the property owner, or our standard form of Sublease in which you pay all monies owing under the Master Lease to our affiliate and the affiliate will pay the property owner, which are exhibits to the Asset Purchase Agreement. The Sublease will contain substantially the same terms as the Master Lease. The term of the Sublease will be for the entire term of the Master Lease, less one day. If you are an individual, you (and your spouse, if married) must sign the Guaranty of Sublease (see Exhibit O: Guaranty of Sublease). If you are a corporation, limited liability company, partnership or other business entity, each of your shareholders, members, partners or other owners (and their respective spouses, if married) must sign the Guaranty of Sublease.

~~We will, within 60 days after we receive the proposed Master Lease (and additional materials required by us), review the Master Lease to make sure it meets our minimum site requirements.~~

~~Upon submission of a proposed Master Lease, you must provide us with any additional documentation and information that we may require regarding the proposed site, the proposed lease, your financial condition and your Principals' financial condition. If we determine that you do not have the financial capacity to perform your obligations with respect to the site or the Master Lease, we may deny approval of the site and/or Master Lease. That disapproval will be deemed to be reasonable. In that event, we or our affiliates or franchisees may operate a *Kahala Coffee Traders* restaurant at that site.~~

We or our affiliates may, in our sole discretion, lease the site approved by us for your *Kahala Coffee Traders* restaurant and sublease the site to you. In addition, if and when you sign the Sublease, you must pay to us an amount equal to two months base rent under the Master Lease, plus a security deposit in an amount equal to the security deposit required under the Master Lease. (We reserve the right, however, to require a greater security deposit, based upon your creditworthiness.)

Please note, if you intend to lease the site of your restaurant, the lease must include certain required provisions (See Exhibit L: Required Lease Terms; Exhibit E-1: Franchise Agreement (New) – Section 2.2; Exhibit E-2: Franchise Agreement (Renewal) – Section 2.2; Exhibit E-3: Franchise Agreement (Transfer) – Section 2.2 (all the preceding three franchise agreements collectively known as "Exhibit E: Franchise Agreement").

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as disclosed below, Kahala Franchising is not required to provide you with any assistance.

If your Franchised Business will be located in an area that is serviced under an area representative agreement, the Area Representative in that area may be responsible for providing to you some or all of the services required to be provided by us, other than new owner training. However, Area Representatives are not authorized to make promises or agreements on our behalf or to agree to modifications to your Franchise Agreement or other agreements relating to your Franchised Business.

Pre-Opening Assistance

Before you open your business, we will provide the following assistance to you:

Site Selection

1. You will be required to lease or purchase the premises for your *Kahala Coffee Traders* restaurant from a third party. Generally, we do not own or lease the premises and Sublease it to you. Most restaurants are developed by franchisees who find their own locations and negotiate their own real estate interests. We may, upon your written request, assist you in selecting a site for your *Kahala Coffee Traders* restaurant. You must select, and we must approve, an acceptable location ~~that you open~~ within nine (9) months after the effective date of the Franchise Agreement. The lease or purchase agreement will be subject to our prior approval, and you must provide us with a copy of the lease or purchase agreement at least 30 days prior to execution. We will notify you if we do not approve the site within 30 days of receiving your site selection information. We will not unreasonably withhold our approval of the location. The location must be within a geographic area identified in Section 1.1 of the Franchise Agreement. The factors that we will consider in approving your proposed location include, among other things: occupancy costs, proximity to major retail activity and other *Kahala Coffee Traders* restaurants, sign visibility, traffic volume and speeds, parking availability, neighborhood economic profile, population density, accessibility, competition and other tenants in the shopping center, mall, or applicable retail structure. If you cannot secure a location acceptable to us ~~and open it~~ within nine (9) months after the effective date of the Franchise Agreement, we may terminate your Franchise Agreement after giving you written notice (See Exhibit E-1: Franchise Agreement (New)—Section 2.1). The decision to establish and operate your *Kahala Coffee Traders* restaurant at the location will be made solely by you, without any reliance upon any information provided (if any), recommendation made (if any) or approval given (if any) by us, any Area Representative or any of our or their respective shareholders, directors, officers, employees, representatives, agents or affiliates. You must purchase or lease your business location from independent third parties. If you intend to lease your business location, the lease must include certain required provisions (See Exhibit L: Required Lease Terms; Exhibit E-1, E-2 or E-3: Franchise Agreement—Section 2.2). We will, within 60 days after we receive a proposed Master Lease (and additional materials required by us), review the Master Lease to make sure it meets our minimum site requirements, in our sole discretion if deemed applicable. Upon submission of a proposed Master Lease, you must provide us with any additional documentation and information that we may require regarding the proposed site, the proposed lease, your financial condition and your Principals' financial condition.

2. If we determine that you do not have the financial capacity to perform your obligations with respect to the location or the Master Lease, we may deny approval of the location and/or Master Lease. Our disapproval will be deemed to be reasonable. In that event, we or our affiliates or franchisees may operate a *Kahala Coffee Traders* restaurant at that site.

Construction and Furnishings

3. We, or our designee, will direct all advertising programs to be undertaken through the use of the Fund. We will have sole discretion over all creative concepts, materials and media used in such programs and the placement and allocation of such programs. Advertisements generally will be in both print, digital, and broadcast media, initially with local coverage. We are not required to use any specific amounts from the Fund in your market. However, we in our sole discretion may use some amounts contributed by you to any approved regional advertising funds, if any, in the same geographic area in which your restaurant is located. We may use an outside advertising agency to create and place advertising or we may use our in-house marketing department. The Fund will be used to create new marketing material and promote the products and services offered by *Kahala Coffee Traders* restaurants.

The “other” expenses included public relations, research, concept development and communications. The remaining 100% of the Marketing Fund contributions collected were retained and carried forward. None of the Fund was used for the solicitation of franchises.

4. A telephone directory advertisement must be approved by us in advance (See Exhibit E: Franchise Agreement—Section 10.2). If your franchise is located outside of an enclosed shopping mall, health club, or other enclosed structure, you must also spend \$5,000 on advertising and promotion within the first six months following the opening of your restaurant (See Exhibit E: Franchise Agreement—Section 5.3).

5. In addition to contributions to the Fund and the telephone directory advertisements, if applicable, described above, we strongly recommend that you spend not less than 2% of your monthly Gross Sales on local advertising See Exhibit E: Franchise Agreement—Sections 5.3, 10.2).

6. All advertising by you in any medium must be conducted in a professional manner, must conform to the standards and requirements in our Confidential Manual, and must display our Proprietary Marks only in those forms approved by us. We may make available to you, from time to time, approved advertising, promotional plans and materials for purchase (See Exhibit E: Franchise Agreement—Sections 3.2 and 10.2).

7. You may not maintain a web site, software application, an App (application), social media account (including, but not limited to, an account, group or page on Facebook®, Flickr®, Foursquare®, Google+®, Instagram®, LinkedIn®, Pinterest®, Snapchat®, Tumblr®, X/Twitter®, YouTube®, Vine®, VKontakte or Weibo®), or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with the Franchised Business without our prior written approval (See Exhibit E: Franchise Agreement – Section 3.4).

8. We will not prevent the formation of franchisee cooperatives. Currently, there are no regional or national marketing cooperatives for *Kahala Coffee Traders* franchisees. We encourage our franchisees to form and operate Cooperatives. If a Cooperative is formed for your region, you must participate financially to the Cooperative as required by us. Failure to do so will be deemed a

software, ranges from ~~\$2,5103,000~~ to \$10,000. You must also purchase from us a POS Help Desk Phone Support Maintenance contract on both the software and hardware for your POS System, the cost of which is currently \$55 per month and subject to increase. It is recommended that you also purchase the hardware support for all modules for the first year you operate your restaurant. The cost is approximately \$150 to \$1,300 per year depending on the equipment installed. This cost is subject to change by the supplier. If you are required to purchase digital menu boards, you may also be required to purchase hardware to manage the digital menu board, the cost is approximately \$5,500.

b. The approved POS System has in its specifications integrated “card swipe” systems that process debit card, credit card, or other non-cash payment systems including our stored value gift cards, loyalty cards, frequency cards, gift certificates, vouchers, and any other similar electronic card and/or payment programs (collectively, the “Gift/Loyalty Card”) sponsored by us or our affiliates. You must obtain credit card and gift card processing services from our approved vendors. The charges associated with credit card and gift card transactions are compiled per transaction and therefore will vary from restaurant to restaurant. We estimate that the costs associated with credit card transactions will be between 1% and 4% of your gross sales. ~~Gift card transactions will cost you between a 5% to 911% gift card redemption amount may be charged in the future but as of the date of this disclosure is not currently collected by franchisor or an affiliate. of the gift card redemption and may increase at any time with a 30 day notice.~~ The Payment Card Industry (“PCI”) requires all companies that process, store, or transmit credit card information to protect the cardholders’ information by complying with the PCI Data Security Standard (“PCI DSS”). Therefore, as a franchisee who accepts credit cards, you are required to be PCI compliant by following and adhering to PCI DSS, completing an annual questionnaire and quarterly network PCI scans and installing a network firewall appliance for logging, tracking, reporting, and security assessment. We may require a particular firewall (hardware and/or software). The PCI compliance is mandated by the Payment Card Industry. The cost for the quarterly network security scans, network firewall appliance and annual questionnaire ranges from \$150 to \$1,300 per year. You are also required to validate with Kahala that your store is PCI compliant to show validation you must send Kahala your Passing Certificate showing your store is PCI compliant and also verify that you have a PCI compliant firewall appliance installed at your location if you process credit cards via high speed internet connectivity.

c. You must purchase a computer and connect to the Internet so that you can report your gross sales online, so you can receive online orders (if applicable), so that we can communicate by email, so that you can use Internet and Extranet services, and so that you can receive other electronic information we send. You also must, at your cost, maintain membership in a designated third party network, and maintain an active email account. We may revise our computer specifications. If we do so, we may require you to upgrade or update your computer, including but not limited to your operating system. There is no contractual limitation on the frequency and cost of this obligation. You are responsible for backing up and otherwise protecting your data on your computer. You are also responsible for recording and restoring all software license keys. We may require you to upgrade the hardware and software as reasonably necessary to provide reports and information required by us. All franchisees are required to participate in online ordering and delivery programs, which may, in Franchisor’s sole discretion, require you to pay for certain goods and/or services from Franchisor, Franchisor’s affiliate, and/or unaffiliated third-party providers. For example, as of the Disclosure Document’s Issuance Date, franchisees are required to enter into an agreement with, and pay corresponding fees to, Olo as established by Olo for such goods and/or services. Applicable fees may include, as of the Disclosure Document’s Issuance Date, a monthly fee of \$60, a dispatch fee of \$0.50 per order plus a portion of the delivery fee, a Technology Transaction Fee ranging from \$0.025 to \$0.035 per transaction, an Order with Google fee equal to 5% of the order subtotal, an Olo Pay fee ranging from 2.65% to 2.80%, a one-time store activation fee of \$250 for all new locations, and chargeback fees of \$5 per dispute; additional fees may apply if applicable, including a Catering Monthly Fee, Catering Order Transaction Fee, Billing Service Admin Fee, Post-Launch Transaction Fee, and a Location Transfer Fee. This provider and/or its fees may change, in

Franchisor's sole discretion, upon advance notice to you. Additionally, third-party delivery programs may charge varying fees, including commissions of 15% to 24%, order processing fees (for example, \$0.99 promo fees, 2.99% processing fees, or 3.05% plus \$0.30 per order), and pickup fees of 6% to 10%. Program terms and fees vary by provider and may change or increase under the provider's then-current terms.

2. We require that you permit us to poll your sales information on a daily basis, and that you execute a Pre-Authorized Electronic Funds Transfer Form by and payable to Kahala Franchising (which is attached to this Disclosure Document as Exhibit P), permitting us to weekly debit your account for payment of weekly royalty and advertising fees and debit your account as necessary for product purchases from us or our affiliates. (See Exhibit E: Franchise Agreement – Sections 5.2, 5.3 and 5.4). We may require you to enter weekly inventory information, and if so, would require that you permit us have remote access to that information (See Exhibit E: Franchise Agreement – Section 4.6). We may require you to permit us access to your POS System, restaurant management software, and financial records (or similar tools thereto) to poll your information daily, or more frequently, by electronic or other remote means (See Exhibit E: Franchise Agreement – Section 5.2).

3. The POS System and personal computers contain sales and labor data that can be generated and stored in the systems and that allows for the generation of financial and payroll reports.

ITEM 12: TERRITORY

The franchise is granted only for the location specified in the Franchise Agreement or a location to be approved by us. The specific site of your *Kahala Coffee Traders* restaurant is subject to our approval. We will not unreasonably withhold our approval of the location.

You will not receive an exclusive territory. You may face competition from other franchisees, from restaurants that we own, or from other channels of distribution or competitive brands that we control. You will not receive an option, right of first refusal or other rights under the Franchise Agreement to acquire additional franchises. We (and/or our affiliates) may establish other franchised or company-owned *Kahala Coffee Traders* restaurants that may compete with your location, including across the street from your location or in the same venue as your location. We (and/or our affiliates) may co-brand *Kahala Coffee Traders* with one or more of our other quick service restaurants or allow approved *Kahala Coffee Traders* stores to sell additional approved menu items under a trademark license agreement we may have with other third-party restaurant concepts. We presently intend to develop *Kahala Coffee Traders* restaurants throughout the United States and internationally. Except as expressly limited in the Franchise Agreement, we (for ourselves, our affiliates and our designees) retain all rights with respect to *Kahala Coffee Traders* restaurants, the Service Marks, all confidential and proprietary information, all copyrighted materials and the sale of *Kahala Coffee Traders* products anywhere in the world, including, without limitation, the right to implement multi-area marketing programs that may allow us or others to solicit or sell to customers anywhere. We also reserve the right to issue mandatory policies to coordinate such multi-area marketing programs. One or more future *Kahala Coffee Traders* restaurants may have an adverse effect on the revenues and profitability of existing *Kahala Coffee Traders* restaurants, including your *Kahala Coffee Traders* restaurant.

In addition, we (and/or our affiliates) may market and/or test, directly or indirectly, *Kahala Coffee Traders* products or services through channels of distribution other than *Kahala Coffee Traders* restaurants operated by us, our affiliates and franchisees, including through the Internet, catalog sales, telemarketing, grocery stores, movie theaters, limited access highway food facilities, mobile units, off-site sales accounts, electronic mail, converting other chains and other distribution opportunities, or vending machines and similar automated dispensing systems ("Other Channels") which generally are not available for us to franchise to you, and typically involve trademark

otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned.

On July 26, 2016, Franchisor's parent company, Kahala Brands, merged with a wholly-owned subsidiary of MTY. MTY's address is 8150 Transcanada Highway, Suite 200, Saint Laurent, Québec H4S 1MF. As described in Item 1, subsequent to the merger, in addition to the concepts franchised by Kahala Franchising or its current or former affiliates, MTY franchises over ~~sixty-fifty-five~~ (6055) different restaurant concepts and sub-franchises two (2) other different restaurant concepts.

Certain of the restaurant concepts franchised by MTY offer goods or services that are the same or similar to those that you will offer under the *Kahala Coffee Traders* brand. MTY offers the same or similar goods or services under the Cafe Depot, Country Style, Croissant Plus, Muffin Plus, Jugo Juice, Tutti Frutti, and Van Houtte trademarks. At this time, the Cafe Depot, Country Style, Croissant Plus, Muffin Plus, Jugo Juice, Tutti Frutti, and Van Houtte are not franchised or sub-franchised by MTY in the United States and are only offered in Canada by MTY Canada, with no plans at this time to expand to the United States.

You must obtain our prior approval to relocate your *Kahala Coffee Traders* restaurant. The approval or rejection by us of any proposed relocation shall be in our sole discretion. In order to relocate your restaurant, you must be in compliance with your Franchise Agreement, and you must sign a general release provided by us, the relocation must be for a legitimate business reason, and we must approve the new location. In connection with any relocation, your *Kahala Coffee Traders* restaurant may not be closed for business for more than thirty (30) days.

Your Franchise Agreement is for a specific location only, so you may not open additional *Kahala Coffee Traders* restaurants under the same Franchise Agreement. You must obtain our prior approval to purchase and open additional *Kahala Coffee Traders* restaurants. The approval or rejection by us shall be in our sole discretion. In order to purchase an additional *Kahala Coffee Traders* restaurant(s), you must be in compliance with your existing Franchise Agreement(s), you must qualify to operate additional restaurants, you must enter into our then-current form of Franchise Agreement and pay the initial franchise fee, and we must approve the location.

ITEM 13: TRADEMARKS

We will grant you the non-exclusive right to operate the *Kahala Coffee Traders* restaurant specified in your Franchise Agreement or any amendments to your Franchise Agreement under the *Kahala Coffee Traders* trademark. You will also be granted the right to use our other current or future trademarks that we may from time to time designate as being available for use by franchisees in the *Kahala Coffee Traders* System. By "trademarks" we mean trade names, trademarks, service marks, logos, Trade Dress (as defined below), and product identifiers used to identify your Franchised Business. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
- 1-14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
- 2-15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. ~~3. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. ~~7. If any provisions governing termination or non-renewal disclosed herein are inconsistent with Washington law, then Washington law shall apply. The applicable law reads as follows:~~

~~8.— Section 19.100.180. Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and the franchisees:~~

~~10.— (a) Restrict or inhibit the right of the franchisees to join an association of franchisees.~~

~~11.— (b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition: PROVIDED, That this provision shall not apply to the initial inventory of the franchise. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any other dispute, arbitration proceeding or litigation, except to the extent such issue may have been specifically determined in another proceeding between the Parties. This agreement to arbitrate shall survive any termination or expiration of this Agreement, however effected. The Parties agree that any arbitration shall be solely between them (including any affiliates) and shall not include as a Party, by consolidation, joinder, or in any other manner, any other person or entity, unless both Parties consent in writing. Both Parties shall have the absolute right to refuse such consent. Further, the Parties expressly waive any right to bring and/or participate in any class or other consolidated, joined or multi-party arbitration claim or proceeding, whether or not permissible under the AAA Commercial Arbitration Rules, including, but not limited to, any claim brought on their behalf by an association of which it, he or she is a member. At the request of any Party, the arbitration shall be conducted in a manner that maintains the confidentiality of the proceedings.

- (c) The arbitrator(s) will issue a reasoned award, with findings of fact and conclusions of law. Actions to enforce an express obligation to pay monies may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The Federal Arbitration Act shall govern, excluding all state arbitration laws. The laws of the state where the Franchised Business is located ~~Arizona law~~ will govern all other issues. With respect to discovery, the arbitrator shall require each Party to make a good cause showing before any discovery exceeding that specifically authorized by the AAA Commercial Arbitration Rules will be granted.
- (d) Prior to the commencement of an arbitration proceeding, the Parties must first submit any Dispute to non-binding mediation. At the request of any Party, the mediation will be confidential. The mediation shall be conducted in the county and state where the Franchised Business is located ~~Maricopa County, Arizona or in the county in which our headquarters are located at the time of mediation~~, unless the Parties shall mutually agree to a different location. The Parties to the mediation will share equally in its costs and expenses, except those costs and expenses incurred separately by each Party, including, without limitation, counsel fees and expenses. The mediation process will be deemed "Completed" when the Parties agree that it has been completed, the mediator declares that any impasse exists or sixty (60) days have elapsed since the date of the initiating Party's notice to the other Party that it is initiating the mediation process, whichever occurs first.
- (e) Notwithstanding anything contained in this Agreement to the contrary, the provisions of Sections 13(a), 13(b), 13(c) and 13(d) do not apply to a Dispute where: (i) Seller brings an action for an express obligation to pay monies, declaratory relief, preliminary or permanent equitable relief, any action at law for damage to Seller's goodwill, the confidential information, the proprietary marks or for fraudulent conduct by Purchaser; or (ii) the delay resulting from the mediation process may endanger or adversely affect the public (for example, unhealthy,

unsafe or unsanitary conditions would continue to exist). For such disputes, Seller may bring an action in any federal or state court having jurisdiction, whether for monetary damages and/or for temporary preliminary and permanent injunctive relief or specific performance in addition to, and not exclusive of, any other remedies available to Seller. Purchaser hereby consents to and waives any objection or defense and agrees not to contest venue, forum non conveniens or jurisdiction of such court or arbitration.

- (f) Disputes concerning the validity or scope of arbitration, including whether a dispute is subject to arbitration, are beyond the authority of the arbitrator(s) and will be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. § 1 et seq., as amended from time to time.
- (g) Either Party may appeal the final award of the arbitrator, if it is over One Hundred Thousand Dollars (\$100,000), to the appropriate U.S. District Court. The Court's review of the arbitrator's findings of fact will be under the clearly erroneous standard, and the Court's review of all legal rulings will be *de novo*. If it should be determined that this provision for federal court review is not enforceable, then either Party may appeal the arbitrator's final award, if it is over One Hundred Thousand Dollars (\$100,000), to a panel of three arbitrators chosen under AAA procedures, which will employ the same standards of review stated immediately above.

14. Applicable Law and Forum; Waiver of Jury; Statute of Limitations.

Except to the extent that the United States Trademark Act of 1946, as amended (15 U.S.C., § 1051 et seq.) or the franchising laws of any state that may be applicable, the laws of the state where the Franchised Business is located shall ~~State of Arizona~~ govern all rights and obligations of the Parties under this Agreement. Seller and Purchaser agree, subject to the mandatory mediation and arbitration provisions of Section 13 of this Agreement, that any appropriate state or federal court located in the county and state where the Franchised Business is located shall have ~~Maricopa County, Arizona has~~ exclusive jurisdiction over any Dispute arising under or in connection with this Agreement and is the proper forum in which to adjudicate the case or controversy. Notwithstanding the foregoing, any action initiated by Seller may, at Seller's election, be brought in any jurisdiction where Purchaser is domiciled or that has jurisdiction over Purchaser. The Parties hereto irrevocably submit to the jurisdiction of, and venue in, any such court, and hereby waive any objection or defense thereto. THE PARTIES AGREE THAT ALL DISPUTES SUBMITTED TO THE COURT PURSUANT TO THIS SECTION SHALL BE TRIED TO THE COURT SITTING WITHOUT A JURY, NOTWITHSTANDING ANY STATE OR FEDERAL CONSTITUTIONAL OR STATUTORY RIGHTS OR PROVISIONS.

Notwithstanding anything contained in this Agreement to the contrary, the Parties agree that any claims under, arising out of, or related to, this Agreement must be brought within two (2) years of the date on which the underlying cause of action accrued, and Seller and Purchaser hereby waive any right to bring any such action after such two-year period except for the collection of any unpaid amounts due to Seller or its affiliate.

15. Attorneys' Fees. In the event of any claim, controversy or dispute arising out of or relating to this Agreement, or the breach thereof, the prevailing Party may recover reasonable attorneys'

Unless expressly authorized and agreed to by us in writing, we disavow any agreements, whether verbal or written, entered into by an Area Representative that in any way attempts to bind us. Assignor and Assignee hereby agree to pay any and all attorneys' fees, expert costs, and any other fees and costs incurred by any Franchisor Affiliates to said selected counsel upon the request of any Franchisor Affiliates. In addition to any other rights or remedies available at law, in equity, or by statute, Assignor consents to the specific enforcement of this Non Disparagement Provision through an injunction or restraining order issued by an appropriate court, without the requirement of posting a bond. ~~32-30.~~ This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The signatures required for execution may be transmitted to the other party via facsimile or a scanned .pdf file sent via email and such signature shall be deemed a duplicate original, shall be effective upon receipt by the other party, may be admitted in evidence and shall fully bind the party and person making such signature.

~~33-31.~~ No amendment, addendum, modification, supplement or waiver of this Agreement or any of its provisions shall be binding on the parties unless made in writing and duly executed by an authorized representative of Company and Assignor and Assignee. A failure of any party to enforce at any time any of the provisions of this Agreement or to require at any time performance by another party or any provision of this Agreement, shall in no way be construed as a continuing waiver of those provisions or of any other rights under this Agreement.

~~34-32.~~ Except as otherwise specified in this Agreement, this Agreement shall not be construed in any way as modifying, waiving, or affecting any of the terms, covenants, conditions, or agreements contained in the Franchise Agreement and Sublease executed by Assignor, or the current form of franchise agreement or sublease to be executed by Assignee.

ADDENDUM TO FRANCHISE DOCUMENTS
(FOR THE STATE OF CALIFORNIA)

This ADDENDUM TO FRANCHISE DOCUMENTS (FOR THE STATE OF CALIFORNIA) ("Addendum") dated _____ ("Addendum Effective Date") to the [Franchise Agreement[, as amended], [Consent to Transfer and Release Agreement,] [General Release,] [Promissory Note and Security Agreement] [Sublease] [each] dated _____, and including any and all exhibits attached thereto (individually and collectively, "Franchise Documents") between _____ ("Franchisee") and KAHALA FRANCHISING, L.L.C., an Arizona limited liability company ("Franchisor") [and LEASING ENTITY, a[n] _____ "Sublessor"] hereby amends the Franchise Documents by the addition of the following language, which shall be considered an integral part of the Agreement. To the extent this Addendum contains terms and conditions that differ from those contained in the Franchise Documents, this Addendum shall control. The parties agree that a concept or principle covered in this Addendum shall apply and be incorporated into all other provisions of the Franchise Documents in which the concept or principle is also applicable, notwithstanding the absence of any specific cross-reference thereto. All capitalized terms not otherwise defined in this Addendum will have the same meanings ascribed to such terms in the Franchise Documents.

1. **CALIFORNIA LAW MODIFICATIONS**

- A. The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.
- B. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law. (11 U.S.C.A. Sec. 101 et seq.).
- C. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California Law.
- ~~D. The Franchise Documents may require application of the laws of the State of Arizona. Any provision that does may not be enforceable under California Law.~~
- DE. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.
- EF. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).
- EG. The Franchise Agreement requires binding arbitration. ~~The arbitration will occur at the American Arbitration Association office in Maricopa County, Arizona, or, if our headquarters are no longer located in Maricopa County, Arizona, then the arbitration shall take place in the county in which our headquarters are located at the time the arbitration is commenced, with all of the costs of the arbitration,~~

including the fees of the arbitrator and the reasonable attorney's fees of the prevailing party to be paid by the party that did not prevail. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

GH. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning transfer, termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

H. If the franchisee resides in the State of California or the franchised business is located within the State of California, the venue for any dispute may be within the State of California. Business and Professions Code Section 20040.5 voids restricting a venue to a forum outside California with respect to any claim arising under or relating to a franchise involving a franchise business operating in California.

IJ. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Franchise Documents shall remain in full force and effect.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum as of the Addendum Effective Date.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any

employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this Addendum.

Dated this _____ day of _____, 20_____.

ADDENDUM TO FRANCHISE DOCUMENTS
(FOR THE STATE OF WASHINGTON)

The state of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Documents in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Documents in your relationship with the Franchisor, including the areas of termination and renewal of your Franchise.

1. If any provisions governing termination or non-renewal disclosed herein are inconsistent with Washington law, then Washington law shall apply. The applicable law reads as follows:

Section 19.100.180. Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and the franchisees:

(2) For the purpose of this chapter and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition and therefore unlawful and violation of this chapter for any person to:

(a) Restrict or inhibit the right of the franchisees to join an association of franchisees.

(b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition: PROVIDED, That this provision shall not apply to the initial inventory of the franchise. In determining whether a requirement to purchase or lease goods or services constitutes an unfair or deceptive act or practice or an unfair method of competition the courts shall be guided by the decisions of the courts of the United States interpreting and applying the anti-trust laws of the United States.

(c) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is: (i) Reasonable, (ii) based on franchises granted at materially different times and such discrimination is reasonably related to such difference in time, or is based on other proper and justifiable distinctions considering the purposes of this chapter, and (iii) is not arbitrary. However, nothing in (c) of this subsection precludes negotiation of the terms and conditions of a franchise at the initiative of the franchisees.

(d) Sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price.

(e) Obtain money, goods, services, anything of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless such benefit is disclosed to the franchisee.

~~_____ (f) If the franchise provides that the franchisee has an exclusive territory, which exclusive territory shall be specified in the franchise agreement, for the franchisor or subfranchisor to compete with the franchisee in an exclusive territory or to grant competitive franchises in the exclusive territory area previously granted to another franchisee.~~

~~_____ (g) Require franchisee to assent to a release, assignment, novation, or waiver which would relieve any person from liability imposed by this chapter, except as otherwise permitted by RCW 19.100.220.~~

~~_____ (h) Impose on a franchisee by contract, rule, or regulation, whether written or oral, any standard of conduct unless the person so doing can sustain the burden of proving such to be reasonable and necessary.~~

~~_____ (i) Refuse to renew a Franchise Agreement without fairly compensating the franchisee for the fair market value, at the time of expiration of the Franchise Agreement, or the franchisee's inventory, supplies, equipment, and furnishings purchased from the franchisor and good will, exclusive of personalized materials which have no value to the franchisor, and inventory, supplies, equipment and furnishings not reasonably required in the conduct of the franchised business: PROVIDED, that compensation need not be made to a franchisee for good will if: (i) the franchisee has been given one year's notice of nonrenewal; and (ii) the franchisor agrees in writing not to enforce any covenant which restrains the franchisee from competing with the franchisor: PROVIDED FURTHER, that a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to franchisor.~~

~~_____ (j) Terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include, without limitation, the failure of the franchisee to comply with lawful material provisions of the franchise or other agreement between the franchisor and the franchisee and to cure such default after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such default, or if such default cannot reasonably be cured within thirty days, the failure of the franchisee to initiate within thirty days substantial and continuing action to cure such default: PROVIDED, that after three willful and material breaches of the same term of the Franchise Agreement occurring within a twelve month period, for which the franchisee has been given notice and an opportunity to cure as provided in this subsection, the franchisor may terminate the Franchise Agreement upon any subsequent month period without providing notice or opportunity cure: PROVIDED FURTHER, that a franchisor may terminate a Franchise Agreement without prior notice or opportunity to cure a default if the franchisee: (i) is adjudicated bankrupt or insolvent; (ii) makes an assignment for the benefit of creditors or similar disposition of the assets of the franchised business; (iii) voluntarily abandons the franchised business; or (iv) is convicted of or pleads guilty or no contest to a charge of violating any law relating to the franchised business. Upon termination for good cause the franchisor shall purchase from the franchisee at a fair market value at the time of termination, the franchisee's inventory and supplies, exclusive of: (i) personalized materials which have no value to the franchisor; (ii) inventory and supplies not reasonably required in the conduct of the franchised business; and (iii) if the franchisee is to retain control of the premises of the franchised business, any inventory and supplies not purchased from the franchisor or on his express requirement: PROVIDED, that a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to the franchisor."~~

~~(k) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other~~

~~person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.~~

~~2. In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the State of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.~~

~~3. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.~~

~~4. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.~~

~~5. Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.~~

~~Each provision of this Addendum to Franchise Documents shall be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Addendum. This Addendum to Franchise Documents shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum to Franchise Documents, the terms and provisions of the Franchise Documents shall remain in full force and effect.~~

~~IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum to the Franchise Documents on _____.~~

Report of Independent Auditors

To the Management and the Board of Directors of MTY Franchising USA, Inc.

Opinion

We have audited the accompanying consolidated financial statements of MTY Franchising USA, Inc. and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of November 30, 2025 and 2024, and the related consolidated statements of operations and comprehensive (loss) income, of changes in stockholder's equity and of cash flows for the years then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of November 30, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the consolidated financial statements

(In thousands of US dollars)

1. Nature of operations

MTY Franchising USA, Inc. (the "Company" or "MTY USA") was incorporated on March 14, 2001. The Company operates, develops and franchises restaurants under a multitude of different banners in the United States of America (the "US").

2. Significant accounting policies

Basis of presentation

The accounting policies of the Company are in accordance with accounting principles generally accepted in the US ("US GAAP"). The Company uses the US dollar as its functional and reporting currency, and tabular amounts are rounded to the nearest thousand (\$000) except when otherwise indicated. MTY USA is a wholly owned subsidiary of MTY Franchising Inc. which is a subsidiary of the ultimate parent MTY Food Group Inc.

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Presented below are those policies considered particularly significant:

Basis of consolidation

The consolidated financial statements reflect the financial position and operating results of the Company, including wholly owned subsidiaries and investees that it controls.

The principal subsidiaries of the Company are as follows:

Principal subsidiaries	Percentage of equity interest
	%
BF Acquisition Holdings, LLC	100
BQ Concepts, LLC	100
Famous Dave's of America Inc.	100
Kahala Franchising, LLC	100
La Salsa Franchise, LLC	100
Papa Murphy's International, LLC	100
VI Brandco, LLC	100
Wetzel's Pretzels, LLC	100

Revenues and expenses of subsidiaries are included in the consolidated statement of operations and comprehensive income (loss) from the effective date of acquisition. The subsidiaries are consolidated from the acquisition date until the date on which the Company ceases to control them.

All intercompany transactions, balances, revenues and expenses are eliminated in full upon consolidation.

Functional currency

The functional currency of the Company and its subsidiaries is the US dollar. The Company translates monetary assets and liabilities that are denominated in currencies other than the US dollar at the exchange rates prevailing at the end of the reporting period; non-monetary assets denominated in foreign currencies are translated using the exchange rate prevailing at the transaction date; all revenue and expense items denominated in foreign currencies are translated at the exchange rate prevailing at the transaction date. All foreign exchange gains and losses are reported in the statement of operations.

2. Significant accounting policies (continued)

Revenue recognition

Revenue is recognized upon the transfer of control of promised goods or services to customer in an amount that reflects the consideration the Company expects to receive for those goods or services:

Revenue from franchise locations

- i) Royalties are based either on a percentage of gross sales as reported by the franchisees or on a fixed monthly fee. They are recognized on an accrual basis in accordance with the substance of the relevant agreement, as they are earned.
- ii) Promotional fund contributions are based on a percentage of gross sales as reported by the franchisees. Corresponding promotional fund transfers are presented directly on the consolidated balance sheets. The Company is not entitled to retain these promotional fund payments received and is obligated to transfer these funds to be used solely for use in promotional and marketing-related costs for specific restaurant banners. The Company sometimes charges a fee for the administration of the promotional funds.
- iii) Initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement as the performance obligation relating to franchise rights is fulfilled. Amortization begins once the restaurant has opened.
- iv) Upfront fees related to master license agreements are recognized over the term of the master license agreements on a straight-line basis.
- v) Renewal fees and transfer fees are recognized on a straight-line basis over the term of the related franchise agreement.
- vi) The Company earns rent revenue on certain leases it holds; the Company's policy is described below.
- vii) Revenue from equipment sale and retail sales are recognized upon transfer of control, generally upon shipment of the equipment or goods. This revenue is recorded in resale material and retail sales.
- viii) The Company recognizes breakage income proportionately as each gift card is redeemed, based on the historical redemption patterns of the gift cards. The Company also charges various program fees to its franchisees as gift cards are redeemed.
- ix) The Company receives considerations from certain suppliers. Fees are generally earned based on the value of purchases during the period. Agreements that contain an initial upfront fee, in addition to ongoing fees, are recognized on a straight-line basis over the term of the respective agreement. Supplier contributions are recognized as revenue as they are earned and are recorded in franchising revenue.
- x) The Company earns e-commerce fees, which includes point-of-sale ("POS") support fees and transaction fees for purchase made through one of the Company's brands' e-commerce platforms. POS supports fees are received quarterly in advance and are recognized over the period they cover. Transaction fees are recognized when the food items purchased from a store are delivered or picked up by customers.

Revenue from corporate-owned locations

Revenue from corporate-owned locations is recorded when goods are delivered to customers.

2. Significant accounting policies (continued)

Contract cost asset

The Company recognizes incremental costs of obtaining a contract as an asset if they are expected to be recoverable, unless their amortization period would be less than one year, in which case they are expensed as incurred. The costs are amortized to operating expenses over the term of the related franchise agreement.

Leasing

In accordance with ASC 842, the Company determines if an arrangement is or contains a lease at contract inception and recognizes a right-of-use asset and a lease liability at the lease commencement date. Leases with an initial term of 12 months or less but greater than one month are not recorded on the balance sheet for select asset classes.

The lease liability is measured at the present value of future lease payments as of the lease commencement date. The right-of-use asset recognized is based on the lease liability adjusted for prepaid and deferred rent and unamortized lease incentives. An operating lease right-of-use asset is amortized on a straight-line basis over the lease term and is recognized as a single lease cost against the operating lease liability. A finance lease right-of-use asset is amortized on a straight-line basis, with interest costs reported separately, over the lesser of the useful life of the leased asset or lease term.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in Operating expenses. Variable lease payments are expensed as incurred. The Company uses its incremental borrowing rates as the discount rate for its leases, which is equal to the rate of interest the Company would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms. The lease terms for all the Company's leases include the contractually obligated period of the leases, plus any additional periods covered by Company options to extend the leases that the Company is reasonably certain to exercise. Certain leases provide that the lease payments may be increased annually based on the fixed rate terms or adjustable terms such as the Consumer Price Index. Future base rent escalations that are not contractually quantifiable as of the lease commencement date are not included in the lease liability.

Lease expense is comprised of operating and finance lease costs, short-term lease costs, and variable lease costs, which primarily include common area maintenance, real estate taxes, and insurance for the Company's real estate leases.

The Company enters into leases for franchised and corporately-owned locations, offices, and equipment in the normal course of business.

The Company as lessee

The Company recognizes operating lease liabilities with corresponding operating lease right-of-use assets, except for short-term leases and leases of low value assets, which are expensed on a straight-line basis over the lease term. The Company's leases are all classified as operating leases. The amortization of the operating lease right-of-use asset and interest expense related to the operating lease liability are recorded together as the lease expense to produce a straight-line recognition effect in the consolidated statement of operations. Under ASC 842, operating lease right-of-use assets are tested for impairment in accordance with ASC 360, Property, Plant and Equipment.

The Company as lessor

When the Company enters into a sublease arrangement as an intermediate lessor, the Company accounts for the head lease and the sublease as two separate contracts. All the subleases of the Company are classified as operating subleases by reference to the operating lease right-of-use asset arising from the underlying asset. For operating subleases, the Company recognizes an operating right-of-use asset relating to the head lease and recognizes a deferred rent asset or liability in the sublease. As the intermediate lessor, the Company retains the operating lease liability on the head lease in its consolidated balance sheet. During the term of the sublease, the Company recognizes both lease income on the sublease and lease expense on the head lease.

2. Significant accounting policies (continued)

Income taxes

The Company accounts for income taxes pursuant to ASC 740, Income Taxes ("ASC 740"). Deferred tax assets and liabilities are recorded for differences between the financial statement and tax basis of the assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is recorded for the amount of income tax payable or refundable for the period increased or decreased by the change in deferred tax assets and liabilities during the period.

The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

Expected Credit loss

The Company currently uses an expected credit loss ("ECL") model for its trade receivables, which permits the uses of the lifetime expected loss provision for all trade receivables and also incorporates forward-looking information. Lifetime ECL represents the ECL that will result from all probable default events over the expected life of a financial instrument.

Assets held for sale

Assets are classified as held for sale when management with the appropriate authority commits to a plan to sell the assets, the assets are available for immediate sale, the assets are actively marketed at a reasonable price, the sale is probable within a year, and certain other criteria met. Assets held for sale primarily include Company-owned stores and, in some instances, associated trademarks and right-of-use assets, when the Company has committed to their sale as part of an approved plan. Assets designated as held for sale are held at the lower of the net book value or fair value less costs to sell. Depreciation is not charged against property, plant and equipment or right-of-use assets classified as assets held for sale.

Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at their historical costs less accumulated depreciation (buildings) and accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset, including any costs directly attributable to bringing the asset to a working condition for its intended use.

Equipment, leasehold improvements, rolling stock and computer hardware are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognized so as to write off the cost or valuation of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation methods are reviewed at the end of each year, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of operations.

Depreciation is based on the following terms:

Buildings	Straight-line	25 to 50 years
Equipment	Straight-line	Three to 10 years
Leasehold improvements	Straight-line	Term of the lease
Rolling stock	Straight-line	Five to seven years
Computer hardware	Straight-line	Three to seven years

2. Significant accounting policies (continued)

Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if applicable. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful lives and amortization methods are reviewed at the end of each year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if applicable.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognized separately from goodwill are initially recognized at their fair value at the acquisition date.

Subsequent to initial recognition, intangible assets having a finite life acquired in a business combination are reported at cost less accumulated amortization and accumulated impairment losses, if applicable, on the same basis as intangible assets that are acquired separately. Intangible assets having an indefinite life are not amortized and are therefore carried at cost reduced by previous impairment losses, if applicable.

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the statement of operations when the asset is derecognized.

The Company currently carries the following intangible assets in its books:

Franchise rights

The franchise rights acquired through business combinations are recognized at the fair value of the estimated future cash inflows related to the acquisition of franchises. The franchise rights are generally amortized on a straight-line basis over the term of the agreements which typically range between 10 to 20 years.

Trademarks

Trademarks acquired through business combinations are recognized at their fair value at the time of the acquisition and are not amortized. Trademarks are determined to have an indefinite useful life based on their brand recognition and their ability to generate revenue through changing economic conditions with no foreseeable time limit.

Other

Included in other intangible assets are purchased software and liquor licences, which are being amortized over their expected useful life on a straight-line basis.

Impairment of long-lived assets other than goodwill

The Company continually reviews whether events or circumstances subsequent to the acquisition of any long-lived assets, including intangible assets with finite and infinite useful lives, have occurred that indicate the remaining estimated useful lives of those assets may warrant revision or that the remaining balance of those assets may not be recoverable. If events and circumstances indicate that the long-lived assets should be reviewed for possible impairment, the Company uses projections to assess whether future cash flows on an undiscounted basis related to the assets exceed the recorded carrying amount of those assets to determine if an asset is impaired. Should an impairment be identified, a loss would be recorded to the extent that the carrying value of the impaired assets exceeds their fair values as determined by valuation techniques appropriate in the circumstances that could include the use of similar cash flow projections on a discounted basis. The indefinite intangible assets are tested at the individual brand level, which is comprised of franchise rights, trademarks and perpetual licenses.

Impairment of goodwill

For the purposes of impairment testing, goodwill is allocated to the unit or group of units ("reporting unit") that are considered to represent the lowest level within the group.

As at November 30, 2025 and 2024, goodwill is allocated as follows:

	Goodwill unit description
US Goodwill Unit A	A group of reporting units comprised of all the brands, excluding Papa Murphy's and the brands acquired with BBQ Holdings, Inc. ("BBQ Holdings")
US Goodwill Unit B	A group of reporting units comprised of the BBQ Holdings brands and the Papa Murphy's brand

Goodwill is tested for impairment on an annual basis (September 1 for the Company) and between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying value. Fair value¹ is determined using a discounted cash flow methodology with a risk adjusted weighted average cost of capital.

Cash and restricted cash

Cash includes cash on hand, and short-term investments, if any, with maturities upon acquisition of generally three months or less or that are redeemable at any time at full value and for which the risk of a change in value is not significant. As at November 30, 2025, cash and restricted cash included \$104 of restricted cash (2024 – \$250) that is required as part of guarantees on certain lease commitments.

Inventories

Inventories are measured at the lower of cost and net realizable value. Costs of inventories are determined on a first-in-first-out basis and include acquisition costs and other costs incurred to bring inventories to their present location and condition.

Market value represents the current replacement cost, provided that the cost does not exceed the net realizable value or is not less than the net realizable value reduced by a normal profit margin.

Contingencies

Litigation, disputes and closed stores

Provisions for the expected cost of litigation, disputes and the cost of settling leases for closed stores, with the exception of operating lease liabilities already recorded pursuant to ASC 842, are recognized when it becomes probable the Company will be required to settle the obligation, at management's best estimate of the expenditure required to settle the Company's obligation.

Contingent liabilities acquired in a business combination

Contingent liabilities acquired in a business combination are initially measured at fair value at the acquisition date. At the end of subsequent reporting periods, such contingent liabilities are measured at the higher of the amount that would be recognized, and the amount initially recognized.

2. Significant accounting policies (continued)

Financial instruments

The Company's financial instruments consist of cash, restricted cash, accounts receivable, loans receivable, receivable from parent and ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company and long-term loan from parent and ultimate parent. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values for cash, restricted cash, accounts receivable, loans receivable, receivable from parent, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company approximate their carrying values due to their immediate or short-term maturities, unless otherwise noted. The long-term loan from parent and ultimate parent are measured at fair value.

Promotional funds

Pursuant to the franchise agreements, franchisees must pay a fee to the promotional funds. These amounts are collected by the Company in its capacity as agent and must be used for promotional and advertising purposes, since the amounts are set aside to promote the respective banners for the franchisees' benefit. The promotional funds collected, and the related expenditures are reported on a gross basis in the consolidated statements of operations and comprehensive income. To the extent that promotional funds received exceed the related promotional expenditures, the excess contributions will be recorded in accounts payable or accrued liabilities.

Cash held pursuant to the promotional funds received are classified as unrestricted cash as there are no legal restrictions on the use of these funds; however, the Company intends to use these funds solely to support the promotional funds rather than to fund its ongoing operations. As at November 30, 2025, promotional funds were in a net liability position amounting to \$3,018 (2024 – net liability position of \$7,694).

Subsequent events

Subsequent events were evaluated through the date that the consolidated financial statements were issued, which was February 5, 2026.

Estimates and assumptions

Goodwill and indefinite-lived intangible assets

The fair value calculation includes estimates of revenue growth, which are based on past performance and internal projections for the intangible asset group's forecasted growth, which are adjusted for our particular facts and circumstances. The discount rate is selected based on the estimated cost of capital that reflects the risk profile of the related business. These estimates are highly subjective, the ability to achieve the forecasted cash flows used in our fair value calculations is affected by factors such as the success of strategic initiatives, changes in economic conditions, changes in our operating performance and changes in our business strategies.

Gift card liabilities

Management is required to make certain assumptions in both the prorated recognition based on redemption pattern and remoteness recognition of gift card breakage. The significant estimate is the breakage rate based on redemption patterns.

4. Assets and liabilities held for sale

Assets and liabilities held for sale as at November 30, 2025 and 2024 are stated at fair value less costs to sell. During the reporting period, the Company designated certain assets and liabilities related to a casual dining brand as held for sale. This decision reflects management's formal commitment to a plan to divest these assets, which include both Company-owned stores and associated intangible assets.

The assets reclassified as held for sale primarily consist of inventories, prepaid expenses, deposits, right-of-use assets (Note 5), property plant, and equipment (Note 6) and intangible assets (Note 7). The liabilities included in the carrying value are the gift card payable and the lease liability (Note 5). This reclassification on November 30, 2025 led to an impairment charge of nil (2024 - \$849) to right-of-use-asset, nil (2024 - \$505) to property, plant and equipment and nil (2024 - \$1,088) to trademarks in Reporting Unit A. The total carrying amount reclassified as held for sale is comprised of assets of \$830 (2024 - \$3,116) and liabilities of \$441 (2024 - \$2,116) resulting in a net amount of \$389 (2024 - \$1,000).

9. Impairment – property, plant and equipment, intangible assets and goodwill

The Company performs quarterly impairment indicator analysis followed by its annual impairment test which is executed as at September 1, 2025. These assessments resulted in the recognition of \$1,261 of impairment losses on its intangible assets for one brand (2024 - \$6,679 for five brands). The Company did not have any impairment recognized as a result of the reclass to assets held for sale (2024 - \$1,088 for one brand) (Note 4).

As of September 1, 2024, the Company reassessed the reporting unit based on a strategic realignment and merger of business units in the US. The goodwill impairment for the reporting unit comprised of Papa Murphy's brand was subject to an impairment test prior to the strategic realignment and this resulted in an impairment of goodwill of \$29,685. There was no impact on the consolidated statements of operations and comprehensive income (loss) for the year ended November 30, 2025.

Additionally, the Company recorded \$3,813 of impairment losses on its property, plant and equipment (2024 – \$6,150), for a total of \$5,074 (2024 – \$43,602) of impairment charges on its property, plant and equipment, intangible assets and goodwill for the year ended November 30, 2025, which have been recognized in the consolidated statement of operations.

Impairment charges were based on the amount by which the carrying values of the assets exceeded the fair value, determined using expected discounted projected operating cash flows for trademarks and franchise rights.

Impairment by reporting unit for the year ended November 30, 2025:

	Intangible assets					Total
	Property, plant and equipment	Franchise rights	Trademarks	Other	Goodwill

9. Impairment (continued)

Impairment by reporting unit for the year ended November 30, 2024:

	Intangible assets					Total
	Property, plant and equipment	Franchise rights	Trademarks	Other	Goodwill	
	\$	\$	\$			\$
Reporting Unit A	1,886	205	2,069		—	4,160
Reporting Unit B	4,264	1,185	4,122	186	29,685	39,442
	6,150	1,390	6,191	186	29,685	43,602

The key assumptions used are those related to projected operating cash flows, as well as the discount rates. The sales forecasts for cash flows were based on the subsequent fiscal year's budgeted operating results, which were prepared by management and approved by the Board, and internal forecasts for subsequent years, which were prepared by management and developed from the budgeted operating results.

The following table presents the key assumptions used in the Company's impairment tests, as well as the recoverable amounts measured at fair value as at September 1, 2025 and 2024:

	2025		2024	
	Reporting Unit A	Reporting Unit B	Reporting Unit A	Reporting Unit B
<i>(\$, except percentage data)</i>				
Discount rates after tax	9.5%	9.5%	10.0%	10.0%
Discount rates pre-tax	10.3%	11.5%	12.7%	13.0%
Recoverable amounts	873,628	531,589	875,925	604,533

Long-term growth rates ranging from 0% to 2% (2024 – 0% to 2%) were used in the impairment test for Reporting Unit A. A change of 100 basis points in discount rates in Reporting Unit A would result in additional impairment charges on intangible assets of one brand (2024 – four brands) representing 0.4% (2024 – 0.5%) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in Reporting Unit A would not result in additional impairment charges on goodwill for the years ended November 30, 2025 and 2024. For Reporting Unit A, an increase of 443 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

Long-term growth rates of 0% to 2% (2024 – 2%) were used in the impairment test for Reporting Unit B. A change of 100 basis points in discount rates in Reporting Unit B would result in additional impairment charges on intangible assets of one brand (2024 – one brand) representing 0.9% (2024 – 0.1%) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in Reporting Unit B would result in additional impairment charges of \$25,520 on goodwill (2024 - nil). For Reporting Unit B, an increase of 54 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

The term loan is unsecured and bears interest at the rate set at the Applicable Federal Rates as issued by the US Internal Revenue Service for short-term instruments. Interest revenue of \$8,091 was recognized in Consolidated statements of operations and comprehensive income (loss) in the other revenue (2024 - \$12,119). The term loan may be repaid, in whole or in part, at any time, without premium or penalty. MTY USA may also request repayment, in whole or in part, at any time, without penalty.

14. Contingencies

The contingencies for litigation and disputes represent management's best estimate of the outcome of litigations and disputes that are ongoing at the date of the consolidated balance sheet. These contingencies consist of multiple items, a large part of which are insurance claims, including worker's compensation claims, at the Company's corporately owned locations. The timing of the settlement of these contingencies is unknown given their nature, as the Company does not control the litigation timelines.

Risk management policies

The Company, through its financial assets and financial liabilities, is exposed to various risks. The following analysis provides a measurement of risks as at November 30, 2025 and 2024.

Credit risk

The Company's credit risk is primarily attributable to its trade receivables, loans receivable and deposits. For accounts receivable and loans receivable, the amounts disclosed on the consolidated balance sheets are net of expected credit losses, estimated by the Company's management based on past experience and counterparty specific circumstances. The Company believes that the credit risk of accounts receivable is limited due to the Company's broad client base is spread mostly across the US, which limits the concentration of credit risk.

The credit risk on cash is limited because the Company invests its excess liquidity in high-quality financial instruments and with credit-worthy counterparties.

The credit risk on deposits is also limited as these are mostly with well-established and credit-worthy companies.

Interest rate risk

Interest rate risk is the Company's exposure to increases and decreases in financial instrument values caused by the fluctuation in interest rates. The Company has limited exposure to interest rate risk as its long-term loans from parent and ultimate parent have fixed interest rates.

Report of Independent Auditors

To the Management and Stockholder of MTY Franchising USA, Inc.

Opinion

We have audited the accompanying consolidated financial statements of MTY Franchising USA, Inc. and its subsidiaries (the Company), which comprise the consolidated statements of operations and comprehensive (loss) income for the years ended November 30, 2024 and 2023, the consolidated statements of changes in stockholder's equity for the years ended November 30, 2024 and 2023, the consolidated balance sheets as of November 30, 2024 and 2023, and the consolidated statements of cash flows for the years then ended, including the related notes (collectively referred to as the consolidated financial statements).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of November 30, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the consolidated financial statements

Years ended November 30, 2024 and 2023

(In thousands of US dollars)

1. Nature of operations

MTY Franchising USA, Inc. (the "Company" or "MTY USA") was incorporated on March 14, 2001. The Company operates, develops and franchises restaurants under a multitude of different banners in the United States of America (the "US").

2. Significant accounting policies

Basis of presentation

The accounting policies of the Company are in accordance with accounting principles generally accepted in the US ("US GAAP"). The Company uses the US dollar as its functional and reporting currency, and tabular amounts are rounded to the nearest thousand (\$000) except when otherwise indicated. MTY USA is a wholly owned subsidiary of MTY Franchising Inc. which is a subsidiary of the ultimate parent of MTY Food Group Inc.

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Presented below are those policies considered particularly significant:

Basis of consolidation

The consolidated financial statements reflect the financial position and operating results of the Company, including wholly owned subsidiaries and investees that we control.

The principal subsidiaries of the Company are as follows:

<u>Principal subsidiaries</u>	<u>Percentage of equity interest</u>
	%
BF Acquisition Holdings, LLC	100
BQ Concepts, LLC	100
Famous Dave's of America Inc.	100
Kahala Franchising, LLC	100
La Salsa Franchise, LLC	100
Papa Murphy's International, LLC	100
VI Brandco, LLC	100
Wetzel's Pretzels, LLC (Note 3)	100

Revenues and expenses of subsidiaries are included in the consolidated statement of operations and comprehensive income (loss) from the effective date of acquisition. The subsidiaries are consolidated from the acquisition date until the date on which the Company ceases to control them.

All intercompany transactions, balances, revenues and expenses are eliminated in full upon consolidation.

Business combinations

The Company accounts for acquired businesses using the acquisition method of accounting in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 805, Business Combinations. The consideration transferred for the acquisition is the fair values of the assets transferred, the liabilities incurred, and the equity interest issued. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value at the acquisition date.

MTY Franchising USA, Inc.
Notes to the consolidated financial statements

Years ended November 30, 2024 and 2023

(In thousands of US dollars)

2. Significant accounting policies (continued)

Business combinations (continued)

Goodwill is measured as the excess of the purchase price over the estimated fair values of the net assets acquired. If, after reassessment, the net of the acquisition date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held interest in the acquiree (if any), the excess is recognized immediately in the statement of operations as a bargain purchase gain.

Goodwill reflects how the acquisition will impact the Company's ability to generate future profits in excess of existing profits. The consideration paid mostly relates to combined synergies, related mainly to revenue growth. These benefits are not recognized separately from goodwill as they do not meet the recognition criteria for identifiable intangible assets.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination.

When a business combination is achieved in stages, the Company's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Company obtains control) and the resulting gain or loss, if any, is recognized in the statement of operations. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognized in income and other comprehensive income are reclassified to the statement of operations where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete.

Functional currency

The functional currency of the Company and its subsidiaries is the US dollar. The Company translates monetary assets and liabilities that are denominated in currencies other than the US dollar at the exchange rates prevailing at the end of the reporting period; non-monetary assets denominated in foreign currencies are translated using the exchange rate prevailing at the transaction date; all revenue and expense items denominated in foreign currencies are translated at the exchange rate prevailing at the transaction date. All foreign exchange gains and losses are reported in the statement of operations.

Revenue recognition

Revenue is recognized upon the transfer of control of promised goods or services to customer in an amount that reflects the consideration the Company expects to receive for those goods or services:

Revenue from franchise locations

- i) Royalties are based either on a percentage of gross sales as reported by the franchisees or on a fixed monthly fee. They are recognized on an accrual basis in accordance with the substance of the relevant agreement, as they are earned.
- ii) Promotional fund contributions are based on a percentage of gross sales as reported by the franchisees. Corresponding promotional fund transfers are presented directly on the consolidated balance sheets. The Company is not entitled to retain these promotional fund payments received and is obligated to transfer these funds to be used solely for use in promotional and marketing-related costs for specific restaurant banners. The Company sometimes charges a fee for the administration of the promotional funds.

Revenue recognition (continued)

Revenue from franchise locations (continued)

- iii) Initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement as the performance obligation relating to franchise rights is fulfilled. Amortization begins once the restaurant has opened.
- iv) Upfront fees related to master license agreements are recognized over the term of the master license agreements on a straight-line basis.
- v) Renewal fees and transfer fees are recognized on a straight-line basis over the term of the related franchise agreement.
- vi) The Company earns rent revenue on certain leases it holds; the Company's policy is described below.
- vii) Revenue from equipment sale and retail sales are recognized upon transfer of control, generally upon shipment of the equipment or goods. This revenue is recorded in resale material and retail sales.
- viii) The Company recognizes breakage income proportionately as each gift card is redeemed, based on the historical redemption patterns of the gift cards. The Company also charges various program fees to its franchisees as gift cards are redeemed. Notably, this does not apply to gift card liabilities assumed in a business acquisition, which are accounted for at fair value at acquisition date.
- ix) The Company receives considerations from certain suppliers. Fees are generally earned based on the value of purchases during the period. Agreements that contain an initial upfront fee, in addition to ongoing fees, are recognized on a straight-line basis over the term of the respective agreement. Supplier contributions are recognized as revenue as they are earned and are recorded in franchising revenue.
- x) The Company earns e-commerce fees, which includes point-of-sale ("POS") support fees and transaction fees for purchase made through one of the Company's brands' e-commerce platforms. POS support fees are received quarterly in advance and are recognized over the period they cover. Transaction fees are recognized when the food items purchased from a store are delivered or picked up by customers.

Revenue from corporate-owned locations

Revenue from corporate-owned locations is recorded when goods are delivered to customers.

Contract cost asset

The Company recognizes incremental costs of obtaining a contract as an asset if they are expected to be recoverable, unless their amortization period would be less than one year, in which case they are expensed as incurred. The costs are amortized to operating expenses over the term of the related franchise agreement.

Leasing

In accordance with ASC 842, the Company determines if an arrangement is or contains a lease at contract inception and recognizes a right-of-use asset and a lease liability at the lease commencement date. Leases with an initial term of 12 months or less but greater than one month are not recorded on the balance sheet for select asset classes.

The lease liability is measured at the present value of future lease payments as of the lease commencement date. The right-of-use asset recognized is based on the lease liability adjusted for prepaid and deferred rent and unamortized lease incentives. An operating lease right-of-use asset is amortized on a straight-line basis over the lease term and is recognized as a single lease cost against the operating lease liability. A finance lease right-of-use asset is amortized on a straight-line basis, with interest costs reported separately, over the lesser of the useful life of the leased asset or lease term.

2. Significant accounting policies (continued)

Leasing (continued)

Operating lease expense is recognized on a straight-line basis over the lease term and is included in Operating expenses. Variable lease payments are expensed as incurred. The Company uses its incremental borrowing rates as the discount rate for its leases, which is equal to the rate of interest the Company would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms. The lease terms for all the Company's leases include the contractually obligated period of the leases, plus any additional periods covered by Company options to extend the leases that the Company is reasonably certain to exercise. Certain leases provide that the lease payments may be increased annually based on the fixed rate terms or adjustable terms such as the Consumer Price Index. Future base rent escalations that are not contractually quantifiable as of the lease commencement date are not included in the lease liability.

Lease expense is comprised of operating and finance lease costs, short-term lease costs, and variable lease costs, which primarily include common area maintenance, real estate taxes, and insurance for the Company's real estate leases.

The Company enters into leases for franchised and corporately-owned locations, offices, and equipment in the normal course of business.

The Company as lessee

The Company recognizes operating lease liabilities with corresponding operating lease right-of-use assets, except for short-term leases and leases of low value assets, which are expensed on a straight-line basis over the lease term. The Company's leases are all classified as operating leases. The amortization of the operating lease right-of-use asset and interest expense related to the operating lease liability are recorded together as the lease expense to produce a straight-line recognition effect in the consolidated statement of operations. Under ASC 842, operating lease right-of-use assets are tested for impairment in accordance with ASC 360, Property, Plant and Equipment.

The Company as lessor

When the Company enters into a sublease arrangement as an intermediate lessor, the Company accounts for the head lease and the sublease as two separate contracts. All the subleases of the Company are classified as operating subleases by reference to the operating lease right-of-use asset arising from the underlying asset. For operating subleases, the Company recognizes an operating right-of-use asset relating to the head lease and recognizes a deferred rent asset or liability in the sublease. As the intermediate lessor, the Company retains the operating lease liability on the head lease in its consolidated balance sheet. During the term of the sublease, the Company recognizes both lease income on the sublease and lease expense on the head lease.

Income taxes

The Company accounts for income taxes pursuant to ASC 740, Income Taxes ("ASC 740"). Deferred tax assets and liabilities are recorded for differences between the financial statement and tax basis of the assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is recorded for the amount of income tax payable or refundable for the period increased or decreased by the change in deferred tax assets and liabilities during the period.

The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

Expected Credit loss

The Company currently uses an expected credit loss ("ECL") model for its trade receivables, which permits the uses of the lifetime expected loss provision for all trade receivables and also incorporates forward-looking information. Lifetime ECL represents the ECL that will result from all probable default events over the expected life of a financial instrument.

Assets held for sale

Assets are classified as held for sale when management with the appropriate authority commits to a plan to sell the assets, the assets are available for immediate sale, the assets are actively marketed at a reasonable price, the sale is probable within a year, and certain other criteria met. Assets held for sale primarily include Company-owned stores and, in some instances, associated trademarks and right-of-use assets, when the Company has committed to their sale as part of an approved plan. Assets designated as held for sale are held at the lower of the net book value or fair value less costs to sell. Depreciation is not charged against property, plant and equipment or right-of-use assets classified as assets held for sale.

Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at their historical costs less accumulated depreciation (buildings) and accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset, including any costs directly attributable to bringing the asset to a working condition for its intended use.

Equipment, leasehold improvements, rolling stock and computer hardware are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognized so as to write off the cost or valuation of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation methods are reviewed at the end of each year, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of operations.

Depreciation is based on the following terms:

Buildings	Straight-line	25 to 50 years
Equipment	Straight-line	Three to 10 years
Leasehold improvements	Straight-line	Term of the lease
Rolling stock	Straight-line	Five to seven years
Computer hardware	Straight-line	Three to seven years

Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if applicable. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful lives and amortization methods are reviewed at the end of each year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if applicable.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognized separately from goodwill are initially recognized at their fair value at the acquisition date.

Subsequent to initial recognition, intangible assets having a finite life acquired in a business combination are reported at cost less accumulated amortization and accumulated impairment losses, if applicable, on the same basis as intangible assets that are acquired separately. Intangible assets having an indefinite life are not amortized and are therefore carried at cost reduced by previous impairment losses, if applicable.

Intangible assets (continued)

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the statement of operations when the asset is derecognized.

The Company currently carries the following intangible assets in its books:

Franchise rights

The franchise rights acquired through business combinations are recognized at the fair value of the estimated future cash inflows related to the acquisition of franchises. The franchise rights are generally amortized on a straight-line basis over the term of the agreements which typically range between 10 to 20 years.

Trademarks

Trademarks acquired through business combinations are recognized at their fair value at the time of the acquisition and are not amortized. Trademarks are determined to have an indefinite useful life based on their brand recognition and their ability to generate revenue through changing economic conditions with no foreseeable time limit.

Other

Included in other intangible assets are purchased software and liquor licences, which are being amortized over their expected useful life on a straight-line basis.

Impairment of long-lived assets other than goodwill

The Company continually reviews whether events or circumstances subsequent to the acquisition of any long-lived assets, including intangible assets with finite and infinite useful lives, have occurred that indicate the remaining estimated useful lives of those assets may warrant revision or that the remaining balance of those assets may not be recoverable. If events and circumstances indicate that the long-lived assets should be reviewed for possible impairment, the Company uses projections to assess whether future cash flows on an undiscounted basis related to the assets exceed the recorded carrying amount of those assets to determine if an asset is impaired. Should an impairment be identified, a loss would be recorded to the extent that the carrying value of the impaired assets exceeds their fair values as determined by valuation techniques appropriate in the circumstances that could include the use of similar cash flow projections on a discounted basis. The reporting units of indefinite intangible assets are individual brands, comprised of franchise rights, trademarks, and perpetual licenses.

Impairment of goodwill

For the purposes of impairment testing, goodwill is allocated to the unit or group of units ("reporting unit") that are considered to represent the lowest level within the group at which the goodwill is monitored for internal management purposes. As of September 1, 2024, the Company reassessed the reporting units based on a strategic realignment and merger of business units in the US. With the change in management team and the overall change in decision making and overall synergies brought from the merger of these units, it was determined that the merger US Goodwill Unit A and D would be merged and that US Goodwill Unit B and C would be merged.

Impairment goodwill (continued)

As at November 30, 2024, goodwill is allocated as follows:

Goodwill unit description	2024	2023
US Goodwill Unit A	A group of reporting units comprised of all the brands, excluding Papa Murphy's and the brands acquired with BBQ Holdings, Inc. ("BBQ Holdings")	A group of reporting units comprised of all the brands, excluding Papa Murphy's and the brands acquired with BBQ Holdings, Inc. ("BBQ Holdings")
US Goodwill Unit B	A group of reporting units comprised of the BBQ Holdings brands and the Papa Murphy's brand	One reporting unit comprised of Papa Murphy's brand
US Goodwill Unit C		A group of reporting units comprised of the BBQ Holdings brands
US Goodwill Unit D		One reporting unit comprised of Wetzel's Pretzels brand

Impairment of goodwill (continued)

Goodwill is tested for impairment on an annual basis (September 1 for the Company) and between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying value. Fair value is determined using a discounted cash flow methodology with a risk adjusted weighted average cost of capital.

Cash and restricted cash

Cash and restricted cash include cash on hand and short-term investments, if any, with maturities upon acquisition of generally three months or less or that are redeemable at any time at full value and for which the risk of a change in value is not significant. As at November 30, 2024, cash and restricted cash included \$250 of restricted cash (2023 – \$271) that is required as part of guarantees on certain lease commitments.

Inventories

Inventories are measured at the lower of cost and net realizable value. Costs of inventories are determined on a first-in-first-out basis and include acquisition costs and other costs incurred to bring inventories to their present location and condition.

Market value represents the current replacement cost, provided that the cost does not exceed the net realizable value or is not less than the net realizable value reduced by a normal profit margin.

Contingencies

Litigation, disputes and closed stores

Provisions for the expected cost of litigation, disputes and the cost of settling leases for closed stores, with the exception of operating lease liabilities already recorded pursuant to ASC 842, are recognized when it becomes probable the Company will be required to settle the obligation, at management's best estimate of the expenditure required to settle the Company's obligation.

Contingencies (continued)

Contingent liabilities acquired in a business combination

Contingent liabilities acquired in a business combination are initially measured at fair value at the acquisition date. At the end of subsequent reporting periods, such contingent liabilities are measured at the higher of the amount that would be recognized, and the amount initially recognized.

Financial instruments

The Company's financial instruments consist of cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company, advances from companies under common control, long-term loan from company under common control and holdbacks payable. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values for cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company and advances from companies under common control approximate their carrying values due to their immediate or short-term maturities, unless otherwise noted. The long-term loan from company under common control, advances from ultimate parent and holdbacks payable are measured at amortized cost using the effective interest method.

Promotional funds

Pursuant to the franchise agreements, franchisees must pay a fee to the promotional funds. These amounts are collected by the Company in its capacity as agent and must be used for promotional and advertising purposes, since the amounts are set aside to promote the respective banners for the franchisees' benefit. The promotional funds collected, and the related expenditures are reported on a gross basis in the consolidated statements of operations and comprehensive income. To the extent that promotional funds received exceed the related promotional expenditures, the excess contributions will be recorded in accounts payable or accrued liabilities.

Cash held pursuant to the promotional funds received are classified as unrestricted cash as there are no legal restrictions on the use of these funds; however, the Company intends to use these funds solely to support the promotional funds rather than to fund its ongoing operations. As at November 30, 2024, promotional funds were in a net liability position amounting to \$7,694 (2023 – net liability position of \$11,357).

Subsequent events

Subsequent events were evaluated through the date that the consolidated financial statements were issued, which was January 31, 2024.

Estimates and assumptions

Business combinations

For business combinations, the Company must make assumptions and estimates to determine the purchase price accounting of the business being acquired. To do so, the Company must determine the acquisition date fair value of the identifiable assets acquired, including such intangible assets as franchise rights and master franchise rights, trademarks, step-in rights and liabilities assumed. Among other things, the determination of these fair market values involves the use of discounted cash flow analyses and future system sales growth. Goodwill is measured as the excess of the fair value of the consideration transferred including the recognized amount of any non-controlling interest in the acquiree over the net recognized amount of the identifiable assets acquired and liabilities assumed, all measured at the acquisition date. These assumptions and estimates have an impact on the asset and liability amounts recorded in the consolidated balance sheets on the acquisition date. In addition, the estimated useful lives of the acquired amortizable assets, the identification of intangible assets and the determination of the indefinite or finite useful lives of intangible assets acquired will have an impact on the Company's future statement of operations.

Estimates and assumptions (continued)

Goodwill and indefinite-lived intangible assets

The fair value calculation includes estimates of revenue growth, which are based on past performance and internal projections for the intangible asset group's forecasted growth, and royalty rates, which are adjusted for our particular facts and circumstances. The discount rate is selected based on the estimated cost of capital that reflects the risk profile of the related business. These estimates are highly subjective, the ability to achieve the forecasted cash flows used in our fair value calculations is affected by factors such as the success of strategic initiatives, changes in economic conditions, changes in our operating performance and changes in our business strategies.

Contingencies

The Company makes assumptions and estimations based on its current knowledge of future disbursements it will have to make in connection with various events that have occurred in the past and for which the amount to be disbursed and the timing of such disbursement are uncertain at the date of producing its consolidated financial statements. This includes contingencies for onerous contracts, litigations and disputes and other contingencies.

Gift card liabilities

Management is required to make certain assumptions in both the prorated recognition based on redemption pattern and remoteness recognition of gift card breakage. The significant estimates are breakage rate and the redemption patterns.

3. Business acquisitions

5. Assets and liabilities held for sale

Assets and liabilities held for sale as at November 30, 2024 and 2023 are stated at fair value less costs to sell. During the reporting period, the Company designated certain assets and liabilities related to a casual dining brand as held for sale. This decision reflects management's formal commitment to a plan to divest these assets, which include both Company-owned stores and associated intangible assets.

The assets reclassified as held for sale primarily consist of inventories, prepaid expenses, deposits, right-of-use assets (Note 6), property plant, and equipment (Note 7) and intangible assets (Note 8). The liabilities included in the carrying value are the gift card payable and the lease liability (Note 6). This reclassification on November 30, 2024 led to an impairment charge of \$849 to right-of-use-asset, \$505 to property, plant and equipment and \$1,088 to trademarks in Reporting Unit A. The total carrying amount reclassified as held for sale is comprised of assets of \$3,116 and liabilities of \$2,116 resulting in a net amount of \$1,000.

In November 2023 assets held for sale comprised of one locations leasehold improvement, land and building that were transferred from property, plant and equipment (Note 7). They did not meet the definition of assets held for sale at the acquisition date of BBQ Holdings.

10. Impairment – property, plant and equipment, intangible assets and goodwill

The Company performed its annual impairment test as at September 1, 2024, resulting in the recognition of \$6,679 (2023 – \$4,063) of impairment losses on its intangible assets for five of its brands (2023 – four brands). The Company also recorded an impairment of \$1,088 on one of its brands resulting from the reclass to assets held for sale (Note 5).

As of September 1, 2024, the Company reassessed the reporting unit based on a strategic realignment and merger of business units in the US. The goodwill impairment for the reporting unit comprised of Papa Murphy's brand was subject to an impairment test prior to the strategic realignment and this resulted in an impairment of goodwill of \$29,685 (2023 – \$nil).

Additionally, the Company recorded \$6,150 of impairment losses on its property, plant and equipment (2023 – \$169), for a total of \$43,602 (2023 – \$4,232) of impairment charges on its property, plant and equipment, intangible assets and goodwill for the year ended November 30, 2024, which have been recognized in the consolidated statement of operations.

Impairment charges were based on the amount by which the carrying values of the assets exceeded the fair value, determined using expected discounted projected operating cash flows for trademarks and franchise rights.

Impairment by reporting unit for the year ended November 30, 2024:

	Intangible assets					Total
	Property, plant and equipment	Franchise rights	Trademarks	Other	Goodwill	
	\$	\$	\$	\$	\$	\$
Reporting Unit A	1,886	205	2,069	—	—	4,160

10. Impairment (continued)

Impairment by reporting unit for the year ended November 30, 2023:

	Intangible assets			Total
	Property, plant and equipment	Franchise rights	Trademarks	
	\$	\$	\$	
Reporting Unit A	22	559	3,264	3,845
Reporting Unit B	—	—	—	—
Reporting Unit C	105	—	240	345
Reporting Unit D	42	—	—	42
	169	559	3,504	4,232

The key assumptions used are those related to projected operating cash flows, as well as the discount rates. The sales forecasts for cash flows were based on the subsequent fiscal year's budgeted operating results, which were prepared by management and approved by the Board, and internal forecasts for subsequent years, which were prepared by management and developed from the budgeted operating results.

The following table presents the key assumptions used in the Company's impairment tests, as well as the recoverable amounts measured at fair value as at September 1, 2024 and 2023:

	2024		2023			
	Reporting Unit A	Reporting Unit B	Reporting Unit A	Reporting Unit B	Reporting Unit C	Reporting Unit D
<i>(\$, except percentage data)</i>						
Discount rates after tax	10.0%	10.0%	10.5%	10.5%	10.5%	10.5%
Discount rates pre-tax	12.7%	13.0%	13.4%	13.8%	13.7%	13.6%
Recoverable amounts	875,925	604,533	539,407	266,604	313,644	270,246

Long-term growth rates ranging from 0% to 2% (2023 – 0% to 2%) were used in the impairment test for Reporting Unit A. A change of 100 basis points in discount rates in Reporting Unit A would result in additional impairment charges on intangible assets of four brands (2023 – three brands) representing 0.5% (2023 – 0.7%) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in Reporting Unit A would not result in additional impairment charges on goodwill for the years ended November 30, 2024 and 2023. For Reporting Unit A, an increase of 430 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

Long-term growth rates of 2.0% were used in the impairment test for Reporting Unit B. A change of 100 basis points in discount rates in Reporting Unit B would result in additional impairment charges on intangible assets of one brand (2023 – nil) representing 0.1% (2023 – nil) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in Reporting Unit B would not result in additional impairment charges on goodwill for the years ended November 30, 2024 and 2023. For Reporting Unit B, an increase of 130 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

13. Receivables and advances from ultimate parent, parent company and companies under common control

The receivable from ultimate parent is primarily comprised of a renewable one-year term loan facility of \$194,988 (2023 – \$148,670). The term loan is unsecured and bears interest at the rate set at the Applicable Federal Rates as issued by the US Internal Revenue Service for short-term instruments. The term loan may be repaid, in whole or in part, at any time, without premium or penalty. MTY USA may also request repayment, in whole or in part, at any time, without penalty.

The advance from ultimate parent is comprised of three loans totaling \$708,363 seen in note 14 (2023 – \$705,683). Those loans are unsecured and each tranche has a different interest rate spanning from non interest bearing to 9.26%. These loans may be repaid, in whole or in part, at any time, without premium or penalty.

The receivable from company under common control and advances from parent company and companies under common control are non-interest bearing and receivable/due on demand with no specified collection/repayment terms.

16. Contingencies

The contingencies for litigation and disputes represent management's best estimate of the outcome of litigations and disputes that are ongoing at the date of the consolidated balance sheet. These contingencies consist of multiple items, a large part of which are insurance claims, including worker's compensation claims, at the Company's corporately owned locations. The timing of the settlement of these contingencies is unknown given their nature, as the Company does not control the litigation timelines.

18. Financial instruments

In the normal course of business, the Company uses various financial instruments which by their nature involve risk, including market risk and the credit risk of non-performance by counterparties. These financial instruments are subject to normal credit standards, financial controls, risk management as well as monitoring procedures.

Fair value of recognized financial instruments

The Company has determined that the fair value of its financial assets and financial liabilities with short-term maturities approximates their carrying value. These financial instruments include cash, accounts receivable, receivable from ultimate parent, deposits loans receivable, accounts payable, accrued liabilities, promotional funds payable, advances from parent company and from companies under common control and holdbacks.

Risk management policies

The Company, through its financial assets and financial liabilities, is exposed to various risks. The following analysis provides a measurement of risks as at November 30, 2024.

Credit risk

The Company's credit risk is primarily attributable to its trade receivables, loans receivable and deposits. For accounts receivable and loans receivable, the amounts disclosed on the consolidated balance sheets are net of allowances for bad debts, estimated by the Company's management based on past experience and counterparty specific circumstances. The Company believes that the credit risk of accounts receivable is limited for the following reasons:

- The Company's broad client base is spread mostly across the US, which limits the concentration of credit risk.
- The Company accounts for specific bad debt provisions when management considers that the expected recovery is less than the actual account receivable.

The credit risk on cash is limited because the Company invests its excess liquidity in high-quality financial instruments and with credit-worthy counterparties.

(In thousands of US dollars)

18. Financial instruments (continued)

The credit risk on deposits is also limited as these are mostly with well-established and credit-worthy companies.

Interest rate risk

Interest rate risk is the Company's exposure to increases and decreases in financial instrument values caused by the fluctuation in interest rates. The Company has limited exposure to interest rate risk as its long-term loans from company under common control and ultimate parent as well as its long-term debt have fixed interest rates

23. Income taxes

The Company accounts for income taxes in accordance with ASC 740. ASC 740 prescribes the use of the liability method whereby deferred tax asset and liability account balances are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted tax rates. The effects of future changes in tax laws or rates are not anticipated.

Under ASC 740, income taxes are recognized for the following: a) amount of tax payable for the current year and b) deferred tax liabilities and assets for future tax consequences of events that have been recognized differently in the consolidated financial statements than for tax purposes.

	2024	2023
Income tax expense (recovery)	\$	\$
