What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out of State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Virginia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Virginia than in your own state.
2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support you.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM

- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 12 TERRITORY

The territory will be for a specific geographic region that we define and approve by zip codes, natural, or political boundaries as set forth on Schedule 1 to the Franchise Agreement.

A territory will normally include a population of approximately 500,000 people.

We may approve relocation of the franchised business if we feel that conditions have changed such that a relocation represents a sound business decision.

We would not normally grant to you approval to open an additional outlet within your territory, but may grant you additional franchise territories if we feel you have the time, energy, capital, and management structure to be able to successfully open and operate another territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive a Territory with a geographic area within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However,

We reserve the right to promote and solicit, and to enter into arrangements with contractors to promote and solicit, contracts for accounts that may involve furnishing Services within your Territory. You shall have a right of first refusal to perform any Services relating to such accounts within the Territory. However, should you fail to accept any request to perform such Services within a time period specified by us, fail to meet the requirements of a customer contract, or fail to perform the referred Services under a customer contract in accordance with its terms and to the satisfaction of the customer, we may perform or enter into arrangements with contractors to perform such Services and may locate employees, other franchisees or contractors within your Territory for these purposes, without any further obligation to you relating to such accounts. You may not use the Marks, the System, the Promotional Materials or any other indicia of the Franchised Business owned or licensed by us, and you may not perform any Services in any other jurisdiction or geographical area other than the Territory, without first requesting permission in writing and obtaining written permission from us to do so.

Continuation of your territorial rights depends on achieving the following sales volume:

Time Period*	Minimum Requirements (Gross Revenues)
First year	\$100,000
Second year	\$175,000
Third year	\$350,000
Fourth year	\$425,000
Fifth year and beyond	\$500,000

*A “year” is measured from the Effective Date of the Franchise Agreement. For the purchase of a developed territory, a “Year” is measured from the Effective Date of the first Franchise Agreement on the Territory.

Otherwise, we may not alter your franchise territory, even if there is a population increase in your territory.

We or an affiliate reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept sales within your

territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet.

We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

You and other franchisees may not solicit (but may accept) orders from consumers outside of your territory, including through the use of other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, but you may engage in internet and social media marketing pursuant to our guidelines which such marketing may extend outside your territory. We also reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

We do not place restrictions upon any orders or contracts you solicit inside your Territory, as long as the solicitation meets the criteria outlined in your agreement and does not otherwise violate the Operations Manual.

You must request permission from us to solicit contracts from customers outside your Territory (so long as the services are not to be performed in another franchisee's territory), such contracts will not be protected. If we sell a territory that includes the area where such contracts are to be performed, the servicing of the contracts must be transferred to the franchisee buying that area with no compensation to you.

However, you may only accept orders from consumers located in a territory that is not owned by another franchisee.

You may not solicit or accept orders from consumers located in a territory owned by another franchisee.

In the event we grant you the privilege to perform Services in a jurisdiction or geographic area other than your Territory, we may revoke such privilege at any time for any reason, in our sole discretion, and without any compensation to you.

In addition, once your Gross Revenues from work outside your Territory reaches \$10,000 per month in a vacant Territory, you must then purchase the vacant Territory at our then current initial franchise fee.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

Apportionment of Gross Revenue: The books and records of Outlet #1 (Hampton/ Newport News, Williamsburg, Yorktown, VA) and Outlet #2 (Chesapeake/ Norfolk/ Portsmouth/Suffolk/ Virginia Beach, VA) are kept as one set of books and records. The Gross Revenues of each outlet was estimated by apportioning total Gross Revenue for both outlets by the proportion of population residing in each territory (72% in Outlet #1 and 28% in Outlet #2).

Material financial and operational differences between the affiliated company outlet and a franchised outlet: There are operational differences between the company outlets whose results are reported in the table above and a franchised outlet that you would operate as follows: The affiliate company store outlets opened in 2016 and operate the territory sizes shown in the tables above.

The Gross Revenues of each outlet was estimated by apportioning total Gross Revenue for both outlets by the proportion of population residing in each territory (72% in Outlet #1 and 28% in Outlet #2).

Gross Revenue means all of your revenue from operating the franchise, but excluding taxes collected from customers and paid to taxing authority, tips collected from customers and paid to employees, and reduced by the amount of any documented refunds, credits, allowances, and chargebacks the Business in good faith gives to customers.

The financial performance representation figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit.

Written substantiation for this financial performance representation is available to you upon reasonable written request.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Brandon Dean, 133 Kempsville Road, Chesapeake, Virginia 23320; (757) 663-6400; the Federal Trade Commission; and the appropriate state regulatory agencies.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Item 17.g. of the Disclosure Document is modified to state that, in addition to the grounds for immediate termination specified in Item 17.h., the franchisor can terminate upon written notice and a 60 day opportunity to cure for a breach of the Franchise Agreement.

The franchise agreement requires application of the laws of Virginia. This provision may not be enforceable under California law.

Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. 2. Item 17.u. is modified to also provide, “This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.”

3. Item 17.v. is modified to also provide, “Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.”

4. The Special Risks page is amended to add the following disclosure:

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. Initial Fee Deferral-

Item 5 of the Disclosure Document is amended to also provide as follows: “Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has requested a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.”

Schedule 1-Territory

Schedule 2-Automatic Bank Draft Authorization

Schedule 3-Telephone Number & Internet Assignment

Schedule 4-Franchisee Questionnaire

Schedule 5-Promissory Notes

Schedule 6-State Addenda to the Franchise Agreement

WHEREAS, Silbar Franchise Group Corporation d/b/a Silbar Security (“we,” “us,” or “our”) offers a franchise opportunity for a security service (“System”). Our system utilizes specified marketing techniques and operating procedures; and

WHEREAS, Franchisee and all Signators identified on the signature page to this Agreement, in your personal capacity, (collectively “Franchisee,” “you,” or “your”) desire to utilize our System and our trade names, service marks, and trademarks (collectively, the “Marks”); and

NOW, THEREFORE, for value received, we and Franchisee (“the Parties”) agree as follows:

1. GRANT OF FRANCHISE

1.1 Grant of Franchise. Subject to the terms of this franchise agreement (“Agreement” or “Franchise Agreement”), we grant to you a franchise (“Franchised Business”) using our system and our Marks in the territory described in Schedule 1 (“Territory”). You agree to abide by the terms of this Agreement.

2. TERM AND RENEWAL

2.1. Term. This Agreement will be effective for a five (5) year term beginning on the Effective Date specified in this Agreement.

2.2 Renewal. You may renew for another term by signing our then current franchise agreement if you are in compliance with this Agreement and meet the other conditions for renewal. You may also renew future franchise agreements if you are in compliance with such agreements and meet the other conditions for renewal by signing our then current franchise agreement. To renew, you must exercise a general release of all claims that you might have against us. Other terms, conditions, and fees may vary. If you wish to renew, you must notify us in writing at least 180 days before the expiration of this Agreement.

3. TERRITORY

The territory will be for a specific geographic region that we define by zip codes, natural, or political boundaries as set forth on Schedule 1 to the Franchise Agreement.

We may approve relocation of the franchised business if we feel that conditions have changed such that a relocation represents a sound business decision.

We would not normally grant to you approval to open an additional outlet within your territory, but may grant you additional franchise territories if we feel you have the time, energy, capital, and management structure to be able to successfully open and operate another territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive a Territory with a geographic area within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However,

We reserve the right to promote and solicit, and to enter into arrangements with contractors to promote and solicit, contracts for accounts that may involve furnishing Services within your Territory. You shall have a right of first refusal to perform any Services relating to such accounts within the Territory. However, should you fail to accept any request to perform such Services within a time period specified by us, fail to meet the requirements of a customer contract, or fail to perform the referred Services under a customer contract in accordance with its terms and to the satisfaction of the customer, we may perform or enter into arrangements with contractors to perform such Services and may locate employees, other franchisees or contractors within your Territory for these purposes, without any further obligation to you relating to such accounts. You may not use the Marks, the System, the Promotional Materials or any other indicia of the Franchised Business owned or licensed by us, and you may not perform any Services in any other jurisdiction or geographical area other than the Territory, without first requesting permission in writing and obtaining written permission from us to do so.

Continuation of your territorial rights depends on achieving the following sales volume:

Time Period*	Minimum Requirements (Gross Revenues)
First year	\$100,000
Second year	\$175,000
Third year	\$350,000
Fourth year	\$425,000
Fifth year and beyond	\$500,000

*A “year” is measured from the Effective Date of the Franchise Agreement. For the purchase of a developed territory, a “Year” is measured from the Effective Date of the first Franchise Agreement on the Territory.

Otherwise, we may not alter your franchise territory, even if there is a population increase in your territory.

We or an affiliate reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept sales within your territory using our principal trademarks, however, we would normally direct inquiries for services from within your territory to your outlet.

We or an affiliate also reserves the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks different from the ones that you will use under the franchise agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your territory.

You and other franchisees may not solicit (but may accept) orders from consumers outside of your territory, including through the use of other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, but you may engage in internet and social media marketing pursuant to our guidelines which such marketing may extend outside your territory. We also reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

We do not place restrictions upon any orders or contracts you solicit inside your Territory, as long as the solicitation meets the criteria outlined in your agreement and does not otherwise violate the Operations Manual.

You must request permission from us to solicit contracts from customers outside your Territory (so long as the services are not to be performed in another franchisee's territory), such contracts will not be protected. If we sell a territory that includes the area where such contracts are to be performed, the servicing of the contracts must be transferred to the franchisee buying that area with no compensation to you.

However, you may only accept orders from consumers located in a territory that is not owned by another franchisee.

You may not solicit or accept orders from consumers located in a territory owned by another franchisee.

In the event we grant you the privilege to perform Services in a jurisdiction or geographic area other than your Territory, we may revoke such privilege at any time for any reason, in our sole discretion, and without any compensation to you.

In addition, once your Gross Revenues from work outside your Territory reaches \$10,000 per month in a vacant Territory, you must then purchase the vacant Territory at our then current initial franchise fee.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so.

19.9 Mediation. Before you may bring any Claim against us in court, you agree to try for a period of 60 days to mediate such claim before a mutually agreed to mediator in the city or county where our headquarters are located. If we can not mutually agree on a mediator, you and we agree to use the mediation services of the American Arbitration Association (“AAA”), and split any AAA and mediator fees equally.

19.10 Waiver of bond. You agree that if we are forced to bring suit to enforce any provision of this Agreement, you agree to waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce these duties.

19.11 Attorney Fees. If we are the substantially prevailing party as to any Claims, you agree to reimburse our costs and attorney fees incurred in pursuing or defending the Claims.

SCHEDULE 6 TO THE FRANCHISE AGREEMENT
STATE ADDENDA TO THE FRANCHISE AGREEMENT

CALIFORNIA ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

Sections 10.2 and 10.3 are deleted and in their place are substituted the following:

10.2 Termination by Us Without Right to Cure. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

(c) The franchisor and franchisee agree in writing to terminate the franchise;

(d) The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;

(e) The franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

(f) The franchisee, after curing any failure in accordance with Section 10.3 engages in the same noncompliance whether or not such noncompliance is corrected after notice;

(g) The franchisee breaches the franchise agreement three or more times in a 12-month period, whether or not corrected after notice;

(h) The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for 30 days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five days of such levy;

(i) The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

(j) The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

(k) The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.

10.3 Termination by Us with Opportunity to Cure. We may terminate this Agreement, after sending you notice and a 60 day opportunity to cure, for any other breach of this Agreement.

The following text is added to the Franchise Agreement:

“Both the governing law and choice of law for franchisees operating outlets located in California, will be the California Franchise Investment Law and the California Franchise Relations Act regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the franchise agreement or amendment to or any agreement to the contrary is superseded by this condition.”

“The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.”

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

Initial Fee Deferral:

The Franchise Agreement is modified by adding the following language: “The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all its pre-opening obligations and franchisee is open for business. For any development agreement, the payment of the development and initial fee attributable to a specific unit is deferred until that unit is open.”

**ILLINOIS ADDENDUM
TO THE FRANCHISE AGREEMENT**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. Illinois law governs the Franchise Agreement.

2. In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

3. Franchisee rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. Initial Fee Deferral. The Franchise Agreement is modified to also provide that we defer collection of all initial fees until we have satisfied our pre-opening obligations to you and you have commenced doing business under the Franchise Agreement. The Illinois Attorney General's Office imposed this deferral requirement due to our financial condition.

**MARYLAND ADDENDUM
TO THE FRANCHISE AGREEMENT**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

2. A general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. Section 22 of the Franchise Agreement, titled "Acknowledgments," is deleted.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Initial Fee Deferral-

The Franchise Agreement is amended to also provide as follows: "Based upon the franchisor's financial condition, the Maryland Securities Commissioner has requested a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement."

MINNESOTA ADDENDUM TO THE FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

- Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4, and 5 which require (except in certain specified cases), that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Also, a court will determine if a bond is required.

Any Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other

person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

Initial Fee Deferral:

The Franchise Agreement is amended to also add the following: The franchisor defers the receipt of the initial franchise fee until the franchised business opens.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders
of Silbar Franchise Group Corporation
Chesapeake, Virginia

Opinion

We have audited the accompanying financial statements of Silbar Franchise Group Corporation (a Virginia corporation), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income and shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Silbar Franchise Group Corporation as of December 31, 2025 and 2024 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Silbar Franchise Group Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silbar Franchise Group Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SILBAR FRANCHISE GROUP CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Silbar Franchise Group Corporation (the "Company") is a Virginia Corporation, formed in December 17, 2013, to offer franchises to operate security services businesses.

The Company offers armed and unarmed security officers, emergency response services, foot patrol services, roving vehicle patrol services, residential and commercial security services and special event security service either on an as-needed basis or at regularly schedule intervals at any franchised location.

The estimated initial investment to open a franchise ranges from \$92,000 to \$215,900. The Franchisee's initial investment will vary depending upon the location, time of year when Franchisee starts business, and the amount of equipment, products and supplies a Franchisee purchases.

The initial term of the franchise is 5 years. Franchisees have the option to renew the agreement for up to two additional terms of five (5) years each. There is a monthly royalty fee of 5% and 1% each for the system advertising fee and technology fee based on the franchises' monthly gross revenue. There is also a local minimum advertising requirement of \$500 per month.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. The accrual basis of accounting recognizes income when earned and expenses when incurred. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Credit Risk

Financial instruments, which potentially subject the Company to concentration of credit risk, consist principally of cash, temporary cash investments and receivables. The Company places its cash and cash equivalents on deposit with financial institutions in the United States. All of a depositor's accounts are at an insured depository institution, including all non-interest bearing transaction accounts, are insured by the Federal Deposit Insurance Corporation (FDIC) up to the standard deposit insurance amount of \$250,000, for each deposit insurance ownership category. As of December 31, 2025 and 2024, the Company did not have any demand deposits on hand in financial institutions which exceeded FDIC amounts.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

See independent auditor's report. Notes continued on next page.

SILBAR FRANCHISE GROUP CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of the executed franchise agreement for franchise sales, royalty fees, and other related revenues. These receivables are recognized and carried at original contracted amount less an allowance for any uncollectible amounts, if necessary. Management reviews the adequacy of the allowance for doubtful accounts on an ongoing basis using aging of receivables. Management also periodically evaluates individual customer's financial condition, credit history, and the current economic conditions to adjust the allowance when it is necessary. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Management has determined that an allowance for uncollectible accounts is not necessary at December 31, 2025 and 2024.

Advertising

Advertising costs are expensed as incurred or the first time the advertising takes place. During the years ending December 31, 2025 and 2024 the Company incurred marketing expenses of \$81,754 and \$47,649, respectively.

Revenue Recognition

The Company recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Per ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, the guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

The Company records its revenues based on the performance obligation under the contract with its franchisees and the determination of fee collectability. Initial franchise fees from the sales of franchises are recorded when the performance obligations are completed based on the franchise agreement related to the opening of the store. Royalty fees, which are based on the percentage of the franchisee's monthly gross sales, are recognized as earned upon recognition of sales by franchisees. Product sales are recognized when the delivery of the products has occurred, and the risk of loss is transferred to the franchisees.

Income Taxes

The Company has elected to be treated as an "S" corporation under Subchapter S of the Internal Revenue Code. Accordingly, no provision has been made for federal income taxes since the income or loss of the Company is allocated to the stockholder for inclusion in the individual's personal income tax. The Company's federal and state income tax returns remain open for examination for the years ending December 31, 2025, 2024, 2023 and 2022, generally for three years after they were filed.

The Company files its income tax return in the U.S. federal and state jurisdictions.

Compensated Absences

The Company does not have a compensated absences policy, and as such, no amount has been accrued.

See independent auditor's report. Notes continued on next page.

SILBAR FRANCHISE GROUP CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Capital assets are recorded at cost and included major expenditures, which increase productivity or substantially increase useful lives. Maintenance, repairs, and minor renewals are charged to expense when incurred. When assets are sold or otherwise disposed of, the asset and related accumulated depreciation are removed from the accounts, and any gain or loss included in the statement of income. Depreciation is computed on the straight-line method over 3-5 years.

NOTE 3 - RELATED PARTY TRANSACTIONS

In January 2, 2017, the Company loaned \$40,000 to a shareholder. A promissory note was formally executed, which provided for interest of 3% per annum, to be accrued, on the unpaid principal balance. The principal and accrued interest is payable on demand. As of December 31, 2025 and 2024, the total unpaid principal plus accrued interest is \$62,198 and \$60,385, respectively.

NOTE 4 - FURNITURE AND EQUIPMENT

Depreciation expense amounted to \$1,377 for the years ended December 31, 2025 and 2024.

NOTE 5 - DEFERRED REVENUE

In compliance with the Financial Accounting Standards Board ("FASB") new accounting standards for revenue recognition ("Topic 606") as adjusted by ASU 2021-02 deferred revenue represents the initial franchise fee as deferred revenues, to be allocated over the length of the franchise agreement. As of December 31, 2025 and 2024 deferred revenue was \$13,500 and \$20,250, respectively.

NOTE 6 - LIQUIDITY AND AVAILABILITY

NOTE 7 - SUBSEQUENT EVENTS

INDEPENDENT AUDITOR'S REPORT

To the Shareholders
of Silbar Franchise Group Corporation
Chesapeake, Virginia

Opinion

We have audited the accompanying financial statements of Silbar Franchise Group Corporation (a Virginia corporation), which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income and shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Silbar Franchise Group Corporation as of December 31, 2024 and 2023 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Silbar Franchise Group Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silbar Franchise Group Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SILBAR FRANCHISE GROUP CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Silbar Franchise Group Corporation (the "Company") is a Virginia Corporation, formed in December 17, 2013, to offer franchises to operate security services businesses.

The Company offers armed and unarmed security officers, emergency response services, foot patrol services, roving vehicle patrol services, residential and commercial security services and special event security service either on an as-needed basis or at regularly schedule intervals at any franchised location.

The estimated initial investment to open a franchise ranges from \$62,400 to \$102,400. The Franchisee's initial investment will vary depending upon the location, time of year when Franchisee starts business, and the amount of equipment, products and supplies a Franchisee purchases.

The initial term of the franchise is 5 years. Franchisees have the option to renew the agreement for up to two additional terms of five (5) years each. There is a monthly royalty fee of 5% and 1% each for the system advertising fee and technology fee based on the franchises' monthly gross revenue. There is also a local minimum advertising requirement of \$250 per month.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. The accrual basis of accounting recognizes income when earned and expenses when incurred. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Credit Risk

Financial instruments, which potentially subject the Company to concentration of credit risk, consist principally of cash, temporary cash investments and receivables. The Company places its cash and cash equivalents on deposit with financial institutions in the United States. All of a depositor's accounts are at an insured depository institution, including all non-interest bearing transaction accounts, are insured by the Federal Deposit Insurance Corporation (FDIC) up to the standard deposit insurance amount of \$250,000, for each deposit insurance ownership category. As of December 31, 2024 and 2023, the Company did not have any demand deposits on hand in financial institutions which exceeded FDIC amounts.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

See independent auditor's report. Notes continued on next page.

SILBAR FRANCHISE GROUP CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of the executed franchise agreement for franchise sales, royalty fees, and other related revenues. These receivables are recognized and carried at original contracted amount less an allowance for any uncollectible amounts, if necessary. Management reviews the adequacy of the allowance for doubtful accounts on an ongoing basis using aging of receivables. Management also periodically evaluates individual customer's financial condition, credit history, and the current economic conditions to adjust the allowance when it is necessary. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Management has determined that an allowance for uncollectible accounts is not necessary at December 31, 2024 and 2023.

Advertising

Advertising costs are expensed as incurred or the first time the advertising takes place. During the years ending December 31, 2024 and 2023 the Company incurred marketing expenses of \$47,649 and \$57,700, respectively.

Revenue Recognition

The Company recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Per ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, the guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

The Company records its revenues based on the performance obligation under the contract with its franchisees and the determination of fee collectability. Initial franchise fees from the sales of franchises are recorded when the performance obligations are completed based on the franchise agreement related to the opening of the store. Royalty fees, which are based on the percentage of the franchisee's monthly gross sales, are recognized as earned upon recognition of sales by franchisees. Product sales are recognized when the delivery of the products has occurred, and the risk of loss is transferred to the franchisees.

Income Taxes

The Company has elected to be treated as an "S" corporation under Subchapter S of the Internal Revenue Code. Accordingly, no provision has been made for federal income taxes since the income or loss of the Company is allocated to the stockholder for inclusion in the individual's personal income tax. The Company's federal and state income tax returns remain open for examination for the years ending December 31, 2024, 2023, 2022 and 2021, generally for three years after they were filed.

The Company files its income tax return in the U.S. federal and state jurisdictions.

Compensated Absences

The Company does not have a compensated absences policy, and as such, no amount has been accrued.

When assets are sold or otherwise disposed of, the asset and related accumulated depreciation are removed from the accounts, and any gain or loss included in the statement of income. Depreciation is computed on the straight-line method over 3-5 years.

NOTE 3 - RELATED PARTY TRANSACTIONS

INDEPENDENT AUDITOR'S REPORT

To the Shareholders
of Silbar Franchise Group Corporation
Chesapeake, Virginia

Opinion

We have audited the accompanying financial statements of Silbar Franchise Group Corporation (a Virginia corporation), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and shareholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Silbar Franchise Group Corporation as of December 31, 2023 and 2022 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Silbar Franchise Group Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silbar Franchise Group Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Silbar Franchise Group Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Management has determined that an allowance for uncollectible accounts is not necessary at December 31, 2023 and 2022.

In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

The Company records its revenues based on the performance obligation under the contract with its franchisees and the determination of fee collectability. Initial franchise fees from the sales of franchises are recorded when the performance obligations are completed based on the franchise agreement related to the opening of the store.
