In addition to the Initial Franchise Fee, you must pay us, at the time you sign the Franchise Agreement, the prorated Franchise Advisory Council fees (as defined in Item 6) of \$100. This amount is due annually on April 1 of each year. However, your first payment will be prorated for your first year based on your “Operations Start Date”, which is defined as the first calendar day of the month immediately following your completion of the Initial Franchise Training as required hereunder by which you must begin marketing, offering and selling the authorized programs and services included in the System.

Other than the prorated amount of certain of the fees listed above, each of these fees are uniform for all franchisees, except as noted below for an existing franchisee purchasing an additional Franchise. All fees are payable and deemed earned upon the signing of the Franchise Agreement and are non-refundable, in whole or in part, under any circumstances, except as expressly provided below.

Approved Supplies and Approved Suppliers

The Initial Franchise Fee includes a credit towards our merchandise shopping cart and a credit towards our marketing shopping cart to purchase initial marketing materials, supplies and other equipment. Currently, if you need additional equipment, services or supplies, you must purchase them from us or our approved designated supplier at the then-current price in effect. We may revise the Approved Supplies and the Approved Suppliers in our discretion. None of our officers own any interest in any of our suppliers.

We reserve the right to designate a primary or single source of supply for certain products, services and supplies, and we or our affiliates may be that single source. In the event we elect to sell products to you directly, we may require payment via ACH or other form of electronic funds transfer.

The cost of equipment, marketing materials and supplies purchased in accordance with specifications or from approved suppliers constitutes 80-100% of your total purchases in connection with the establishment of your Franchise and 30-60% of the operation of your Franchise.

If you wish to purchase from suppliers other than the Approved Suppliers, or propose to use in the operation of the Franchise any brand or supply which is not then approved by us as meeting our minimum specifications and quality standards, you must follow our supplier/supply approval procedures, as set forth in the Brand Standards Manual, and obtain our prior written approval. You must give us at least 30 days’ prior written notice. We may require that samples be delivered to us or our designee before our approval is given. Additional or different procedures may be required for approval of services, software or other special items. We reserve the right to revoke our approval at any time upon the supplier’s failure to meet our then-current criteria. Under any circumstances, we reserve the right, at our option, to re-inspect the facilities and products of any supplier of an approved item and to revoke its approval of any item that fails to continue to meet any of our criteria.

The marketing advisory council serves in an advisory capacity only and has no operational or decision-making power. The marketing advisory council is currently composed of 10 franchisee members and 1 corporate representative; however, this may expand based on our discretion. We retain the right and power to change this voting arrangement as well as all other aspects of the marketing advisory council and to dissolve the marketing advisory council at our sole discretion.

F. Location and Opening

You must establish the site of your office location for managing the operation of your Franchise (the “**Franchise Office Location**”). You may request that your Franchise Office Location be your residential home. We do not select the site for your Franchise Office Location, but as further discussed below your Franchise Office Location must be located within your Territory unless it is your primary residence. Your Franchise Office Location must at all times conform to our then-current specifications as set forth in the Brand Standards Manual, which at a minimum currently require you have continuing access to the Franchise Office Location and have enough interior space to hold your required computer system and store your on-field equipment and supplies. You may also request to establish a Franchise Office Location outside of your home. Although your Franchise Office Location is subject to our written acceptance, you are solely responsible for selecting the location and purchasing or leasing the property. We have no responsibility for any lease or purchase, and it is your sole responsibility to evaluate, negotiate and enter into a lease or a purchase agreement for the Franchise Office Location. Our approval does not constitute a guarantee of success at the Franchise Office Location. You may not open additional Franchise Office Locations within your Territory without our prior written approval. Your Franchise

**ITEM 18
PUBLIC FIGURES**

We do not currently use any public figure to promote our franchise, but reserve the right to do so in the future.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 includes revenue information for those franchisees with one Territory (“**Single Territory Franchisees**”) and franchisees with more than one Territory (“**Multi-Territory Franchisees**”) who were open for at least 75% (9 months) of each of the year ended December 31, 2024⁵ as well as **Company-Owned Territories**. The information below represents the financial and operating information for the 2024⁵ calendar year (the “**2024⁵ Calendar Year**”).

Of the 156 franchisees operating in 388³ “Territories” as of December 31, 2024⁵, we are excluding 5⁶ franchisees operating in 9⁶ Territories from the 2024⁵ Calendar Year financial data because they were either not open/being operated for at least 75% (9 months) of the 2024⁵ Calendar Year ~~or due to incomplete reporting~~. We are including the financial information for 58 Single Territory Franchisees and ~~93~~ that operated 58 “Territories”, and 9¹ Multi-Territory Franchisees that operated ~~in a total of collective~~ 288⁶ “Territories” during the 2024⁵ Calendar Year (the “**Reporting Franchisees**” or “**Reporting Franchisee**”). We are separately displaying the financial information for the 33 **Company-Owned Territories**.

Each “Territory” described in this Item 19 consists of a population size of approximately 500,000. Some of the older Soccer Shots franchisees have single territories in excess of 500,000 people. For those franchisees, we have broken down their “single territory” into Territories of approximately 500,000 people making the number of Territories in this Item 19 different from the number of franchised outlets in Item 20.

Schedule 1 includes the Gross Sales information for the Reporting Franchisees that own a single Territory. Schedule 2 includes Gross Sales information for the Reporting Franchisees with two Territories. Schedule 3 includes the Gross Sales information for the Reporting Franchisees with three Territories. Schedule 4 includes the Gross Sales information for the Reporting Franchisees with four or more Territories. Schedule 5 includes Gross Sales information per Reporting Franchisee and Company-Owned Territories. Schedule 6 includes Gross Sales information for each of the Territories. Schedule 7 includes Gross Sales for Reporting Franchisees whose Territories were open for less than 23 months as of December 31, 2024⁵, and who are not operated by individuals who already operate a Franchise (“**Early-Stage Reporting Franchisees**”).

1. “Gross Sales” means the entire amount of the sale price, whether for cash or credit (and regardless of collection in the case of credit), of all sales of products and services and all other receipts or receivables whatsoever of all business conducted from the enrolments, or revenues from any source arising out of the operation of Reporting Franchisee’s Franchise during a Measurement Period, but does not include (a) the amount of any sales tax or similar tax imposed by any federal, state, municipal or other government authority that the franchisee collects from clients and properly remits to the taxing authority; and (b) all returns, refunds and allowances if any.

2. The Variable Expense numbers are based on each Reporting Franchisee’s actual unaudited financial statements submitted to us. Variable Expenses includes everything to produce the products offered by each Reporting Franchisee including, but not limited to, staff coaching payroll, facility/rental costs, school fees, Season prizes, jersey costs, merchant provider fees, and royalty fees.

3. “Variable Profit” equals a Reporting Franchisee’s Gross Sales minus its Variable Expenses.

4. “Fixed Expenses” is a sum of all of the fixed expense categories for each Reporting Franchisee.
