What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and ~~store~~ development agreement require you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation in the state in which the restaurant is located. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in the state in which the restaurant is located than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (1) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1:
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this franchise disclosure document (“Franchise Disclosure Document” or “FDD”), “we” or “us” means Dunkin’ Donuts Franchising LLC. “You” means the person or entity that buys the franchise. If you are a corporation, partnership, or other entity, each person or entity holding a direct or indirect ownership interest in you must sign a guaranty, which means all the provisions of the ~~Store~~-Development Agreements (Exhibit D-1 and Exhibit D-2) and Franchise Agreements (Exhibit C-1 and Exhibit C-2) also will apply to them individually.

The Franchisor

We are a Delaware limited liability company formed on March 15, 2006. Our principal place of business is Three Glenlake Parkway, Atlanta, Georgia 30328. We do business under our name, Dunkin’ Donuts Franchising LLC, and the brand name “Dunkin’”. The Dunkin’ brand began in 1954 and we, through our predecessors, have offered Dunkin’ franchises since 1955. As of December ~~29, 2024~~28, 2025, our 2025 fiscal year end, there were ~~9,768~~9,999 Dunkin’ restaurants operating in the United States (~~9,734~~9,963 franchised and ~~34~~36 company-owned). Of those ~~9,768~~9,999 restaurants, ~~8,480~~8,744 were single-branded Dunkin’ restaurants, ~~19~~36 were Dunkin’ restaurants operating at Multi-Brand Locations, and ~~1,269~~1,219 were franchised Dunkin’ and Baskin-Robbins combo restaurants. Additionally, as of December ~~29~~28, 20242025, there were ~~4,328~~4,242 single-branded franchised Dunkin’ restaurants operating internationally.

We have not offered franchises in any other line of business, we have never operated a Dunkin’ Restaurant, and except as described in this FDD, we have no other business activities. If we have an agent for services of process, we disclose that agent in Exhibit A.

The Dunkin’® Franchise Opportunity

We grant franchises for restaurants that feature donuts, coffee, espresso, bagels, muffins, croissants, other bakery items, breakfast sandwiches, and other food and beverage products under the Proprietary Marks (defined below) and System (defined below) (each a “Dunkin’ Restaurant”).

We call the Dunkin’ Restaurant that you will operate under the Franchise Agreement your “Restaurant.” Your Restaurant will offer and sell Menu Items (defined below) from a location we accept (together with the parking area or other real estate appurtenant to the Restaurant, the “Premises”), and under the Proprietary Marks and System, all of which we may change periodically. “Menu Items” means the donuts, coffee, espresso, bagels, muffins, croissants, other bakery items, breakfast sandwiches, and other food and beverage products prepared according to our specified recipes and procedures, as we may modify from time to time and authorize for sale at your Restaurant. “System” means the Dunkin’ Restaurant franchise system, which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products, all of which we may periodically develop and modify.

We offer to qualified entities the right to develop and operate Dunkin’ Restaurants from non-traditional locations, including hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers,

travel plazas, department stores and big box super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers (collectively, “Special Distribution Opportunities” or “SDO”). If the Restaurant is located at an SDO location, “Premises” includes the Restaurant, any storage, seating or common areas used in connection with the Restaurant. Some Dunkin’ Restaurants that operate from an SDO location may be self-serve, meaning the guest obtains their own beverage and/or food rather than being served by a franchisee team member. If you wish to develop one or more Dunkin’ Restaurants that will be operated from an SDO location, you will sign our then-current form of Franchise Agreement and Non-Traditional Rider to the Franchise Agreement, which is attached to this disclosure document as Exhibit C-3 (the “Non-Traditional Rider”), for each Restaurant developed at an SDO location.

We also offer to qualified prospects the right to develop multiple Dunkin’ Restaurants within a designated territory (“~~Store-Development Area~~” or “~~SDA~~”) under the terms of the ~~Store-Development Agreement~~ (Exhibit D-1). The ~~Store-Development Agreement~~ will specify the number of Dunkin’ Restaurants you will develop over a specified period (“Development Schedule”). Certain Dunkin’ Restaurants operated from SDO locations may count towards your Development Schedule. Under the terms of the ~~Store-Development Agreement~~, you or an approved subsidiary must develop the Dunkin’ Restaurants in the ~~Store-Development Area~~, and sign our then-current form of Franchise Agreement for each Dunkin’ Restaurant developed under ~~to the Store-Development Area~~. However, if you fully comply with the ~~Store-Development Agreement~~, each Franchise Agreement developed under ~~to the Store-Development Agreement~~ will reflect the initial franchise fee specified in Item 5.

The Dunkin’ + Baskin-Robbins Combo Franchise

In addition to Dunkin’ Restaurants, we and our affiliate, Baskin-Robbins Franchising LLC (“BR”), grant franchises to develop and operate restaurants under the System and the Baskin-Robbins system, offering and selling Menu Items and Baskin-Robbins menu items, and using both the Proprietary Marks and the Baskin-Robbins trademarks (each a “Combo Restaurant”). We use the term “Combo Restaurant” to refer to the Restaurant that you will operate under the Combo Franchise Agreement (Exhibit C-2). We refer to the Franchise Agreement and Combo Franchise Agreement collectively as the “Franchise Agreement” throughout this FDD. If you are offered that opportunity, you will receive a separate FDD from BR.

We also offer to qualified prospects the right to develop multiple Combo Restaurants within a ~~Store-Development Area~~ under the terms of the “Combo ~~Store-Development Agreement~~” (Exhibit D-2). The Combo ~~Store-Development Agreement~~ will specify the Development Schedule. Either you or an approved subsidiary may develop the Combo Restaurants in the ~~Store-Development Area~~. Under the terms of the Combo ~~Store-Development Agreement~~, you or an approved subsidiary must develop the Combo Restaurants in the ~~Store-Development Area~~, and sign our then-current form of Combo Franchise Agreement for each Combo Restaurant developed under ~~to the Store-Development Area~~. However, if you fully comply with the Combo ~~Store-Development Agreement~~, each Combo Franchise Agreement developed under ~~to the Combo Store-Development Agreement~~ will reflect the initial franchise fee specified in Item 5. We refer to the ~~Store-Development Agreement~~ and Combo ~~Store-Development Agreement~~ collectively as the “~~Store-Development Agreement~~” throughout this FDD.

Multi-Brand Locations

We have an arrangement with Arby’s Franchisor, LLC, Buffalo Wild Wings International, Inc., Jimmy John’s Franchisor SPV, LLC, and Sonic Franchising LLC (each an “Other Franchisor”)

whereby we, together with the applicable Other Franchisor(s), may offer certain qualified prospects the right to develop and operate a Dunkin' Restaurant at the same location as, and in combination with, an Arby's® restaurant, Buffalo Wild Wings® Sports Bar, ~~BWW-GO~~[BWW GO](#)® restaurant, Jimmy John's® restaurant, and/or Sonic® restaurant (collectively, the "Other Restaurants" and together with a Dunkin' Restaurant, the "Multi-Brand Location").

Each Multi-Brand Location will offer and sell a range of products authorized to be sold under the System and Proprietary Marks, and the franchise system and trademarks of the Other Franchisor(s). The Dunkin' Restaurant and Other Restaurant(s) operating from the Multi-Brand Location may require separate point of sale systems, employees, uniforms, branding, and more for each restaurant.

To operate a Dunkin' Restaurant at a Multi-Brand Location, you (and/or your affiliate) must (i) enter into a Franchise Agreement and the Multi-Brand Addendum attached to this FDD as [Exhibit C-5](#) (the "Multi-Brand Addendum" or "MBA") with us for the operation of a Dunkin' Restaurant, and (ii) enter into a franchise or license agreement and multi-brand addendum for the applicable Other Restaurant(s) with each applicable Other Franchisor for the operation of the Other Restaurant (collectively, each an "Other Franchise Agreement"). We will not grant you the right to operate a Dunkin' Restaurant at a Multi-Brand Location unless each applicable Other Franchisor grants you the right to operate the Other Restaurant and permits that Other Restaurant to be operated at a Multi-Brand Location. The terms of each Other Franchisor's franchise offering, franchise agreement or license agreement, and related agreements are disclosed in the Other Franchisor's franchise disclosure document, which you must obtain from that Other Franchisor. Unless otherwise noted, the disclosures in this FDD apply to Dunkin' Restaurants that are operated at Multi-Brand Locations.

Market and Competition

Your Restaurant and/or Combo Restaurant will offer products and services to the general public throughout the year and compete with other national and regional chains and local restaurants that sell similar products and services. ~~The This market for Dunkin' products and services is well developed and very competitive. Despite this competition, we believe Dunkin' Restaurants appeal to consumers because of the System and the quality of products and services offered from Dunkin' Restaurants and Combo Restaurants.~~

Industry-Specific Laws, Rules, and Regulations

You must comply with all local, state, and federal laws and regulations applicable to the operation of restaurants, such as the following: labor and employment laws and regulations; health, sanitation, food handling, food preparation, and waste disposal laws and regulations; smoking restrictions; anti-solicitation practices (including the Telephone Consumer Protection Act, CAN-SPAM Act, and the Telemarketing Sales Rule); and consumer pricing advertising, menu, and point-of-sale disclosures (such as statements concerning the nutritional and dietary characteristics of the food served at your business). You must also comply with all other laws, regulations, ordinances, and licensing requirements that apply generally to all businesses. It is your responsibility to investigate and comply with all laws, regulations, ordinances, and licensing requirements that may affect your operations, and to investigate the need for obtaining and maintaining all licenses and permits necessary to open and operate. We encourage you to make additional inquiries into these laws, regulations, ordinances, and licensing requirements and to obtain the assistance of legal counsel.

~~You will have to comply with all federal, state and local laws, including minimum wage laws, health and sanitation laws, marketing and anti-solicitation practices (including the Telephone Consumer Protection Act, CAN SPAM Act, the Telemarketing Sales Rule), and other laws such as menu labeling laws that apply to restaurants in general. You also will have to comply with all other federal, state and local laws and regulations that apply generally to all businesses. We encourage you to make additional inquiries into those laws and regulations and obtain the assistance of legal counsel.~~

The plaintiff is a current multi-unit franchisee who previously operated a Dunkin' Restaurant at the Colby Corner shopping center in East Hampstead, New Hampshire under a franchise agreement with us. In September 2025, we terminated the franchise agreement based on the plaintiff's failure to timely comply with our remodel requirements and deadlines. Plaintiff now alleges the following causes of action arising from our termination of the franchise agreement: \(1\) breach of contract \(wrongful termination of the franchise agreement\), \(2\) a declaratory judgment that our termination of the franchise agreement was invalid, the franchise agreement remains in effect, and the plaintiff is entitled to continue to operate the Colby Corner Dunkin' Restaurant, \(3\) breach of the implied covenant of good faith and fair dealing, and \(4\) violations of the New Hampshire Consumer Protection Act, RSA 358-A. The Complaint also includes plaintiff's demand for, among other things, compensatory damages in an unspecified amount; preliminary and permanent injunctive relief enjoining us from enforcing the termination of the franchise agreement; an order requiring us to treat the franchise agreement as valid and enforceable; an order enjoining us from interfering with plaintiff's continued operation of the Colby Corner Dunkin' Restaurant; a declaration that we must cooperate in good faith regarding any remodel; a declaration that the remodel deadlines were waived, excused or extended; actual damages and enhanced damages including up to treble damages under RSA 358-A:10; and reasonable attorneys' fees and costs. This matter is in the preliminary stages of litigation, and our Answer is currently due on April 3, 2026. We intend to vigorously defend against these claims.](#)

On February 18, 2026, the defendants/counter-plaintiffs filed their Answer and Counterclaim in which the defendants/counter-plaintiffs allege: \(1\) that we and BR violated the New Jersey Franchise Practices Act, N.J.S.A. 56:10-1 et seq. because of our termination of the applicable franchise agreement \(effective on December 1, 2025\) arising out of what defendants/counter-plaintiffs claim were conflicting restaurant inspections and assessments, and \(2\) that we and BR intentionally interfered with the contractual relationship between defendants/counter-plaintiffs and their customers \(who are other Dunkin' franchisees\) who purchased baked products from defendants/counter-plaintiffs whose Restaurant defendants/counter-plaintiffs allege also operated as a Central Manufacturing Location \("CML"\). The Counterclaim includes defendants'/counter-plaintiffs' demand for compensatory damages in an unspecified amount, but including recovery of the purchase price of the franchise and reimbursement for all expenses incurred, as well as attorneys' fees, interest and costs of suit and for any other relief as the court deems appropriate.](#)

Fahrad Salari Lak, Lock Bakeries, Incorporated and F and J Holdings, Inc. v. Dunkin' Donuts Franchising LLC, et al., (Case No. GD 09 13755), Court of Common Pleas of Allegheny County, Pennsylvania, filed on September 28, 2011. This dispute involves contracts to supply bakery products to a Dunkin' network of restaurants in the Pittsburgh market. Fahrad Salari Lak, Lock Bakeries, Incorporated and F and J Holdings, Inc. (the "Fahrad Plaintiffs") claim that, on December 31, 2006, defendants entered into an Approved Bakery Manufacturers Agreement with Pittsburgh Baker's Dozen for a kitchen to the west of the city and with plaintiff, Fahrad Salari Lak, for a kitchen to be developed to the east of the city making up the Pittsburgh Supply Plan. Fahrad Plaintiffs claim that they invested hundreds of thousands of dollars to develop both kitchens. Fahrad Plaintiffs also claim that Pittsburgh Baker's Dozen ran into financial difficulties and that defendants encouraged them to take over the eastern bakery ownership. No written agreements were entered into in connection with these activities. Fahrad Plaintiffs claim that they acted upon promises and assurances by defendants that they would be supplying donuts for Dunkin' franchisees under the Pittsburgh Supply Plan. Fahrad Plaintiffs claim that, at some point, Dunkin' advised them that it had approved a "new option" for defendant Heartland that would allow it to purchase unfinished "frozen pre-fried" donuts instead of fresh baked donuts. Fahrad Plaintiffs further assert that Dunkin', knowing of Fahrad Plaintiffs' reliance on Dunkin's promises to them, inquired as to what damages they had incurred as a result of their reliance upon the continued assurances that they would be supplying fresh baked products and other goods to Heartland's stores. At that point, Fahrad Plaintiffs ceased development of the eastern bakery, did not continue with the purchase on the western bakery premises, and filed this lawsuit. Claims as to Dunkin' are promissory estoppel and fraud. However, the trial court granted Dunkin's motion for summary judgment, striking Fahrad Plaintiffs' damage claims for lost profits from the bakery and limiting any potential recovery to out of pocket expenses and lost business opportunities. ~~Discovery in this case is ongoing, and no~~ No trial date has been set. Defendants deny the claims alleged by Fahrad Plaintiffs and intend to vigorously defend the case.

~~Phoenix Food (Pvt) Limited v. Dunkin' Donuts Franchising LLC and DD-IP Holder LLC (Court of Senior Civil Judge, Lahore; Suit No. 33938 of 2023; filed July 25, 2023). Franchisor filed an application to enforce the mandatory arbitration provision in the agreement. On December 4, 2024, the court entered an order granting Franchisor's application and staying the case. Franchisor denies Phoenix's claims and intends to vigorously defend the case.~~

~~Dunkin' Donuts Franchising LLC v. Coffee Alliance, S.L. (Barcelona Court of First Instance No. 38; Ordinary Proceedings No. 216/2022-1B; filed March 2, 2022). Franchisor filed a lawsuit against its franchisee in Spain, Coffee Alliance, S.L. ("Coffee Alliance"), regarding the parties' Master Franchise Agreement ("MFA"). Franchisor claimed that Coffee Alliance breached the MFA by failing to comply with the development schedule, and Franchisor petitioned the court to order that Franchisor lawfully revoked Coffee Alliance's development rights pursuant to the MFA. Coffee Alliance filed a counterclaim alleging breach of contract and seeking declaratory and injunctive relief to prevent Franchisor from revoking Coffee Alliance's development rights. In April 2023, the court dismissed Coffee Alliance's claims, ruled Coffee Alliance breached the development schedule in the MFA, and ordered Coffee Alliance to comply with Franchisor's revocation of development rights. In May 2023, Coffee Alliance appealed the ruling. In June 2023, Franchisor filed its opposition to Coffee Alliance's appeal. The parties are awaiting a decision from the appeals court.~~

Priti Shetty v. Dunkin' Donuts Franchised Restaurants LLC, et al., (Case No. 3:15-cv-02664), U. S. District Court for the District of New Jersey, filed on February 17, 2015. Priti Shetty ("Shetty Plaintiff"), a former Dunkin' franchisee, and two business partners entered into a Store Development Agreement with the franchisor in 2003 for three potential locations in New Jersey. They opened their first store in 2004 and a second location in 2005. Shetty Plaintiff claims that Dunkin' unfairly turned down her efforts to open a third franchise. After one of her partners dropped out of the business, Shetty Plaintiff and her remaining partner sold both of her open Dunkin' franchises in March 2010. When those locations were abandoned by the new owner in December 2010, Shetty Plaintiff requested and was denied permission by Dunkin' to take over and resume operations at the two closed franchises. Based on these allegations, Shetty Plaintiff raised a civil rights claim against Dunkin' under 28 U.S.C. § 1981, as well as claims under the New Jersey Law Against Discrimination, tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. Shetty Plaintiff's civil rights claims are based on the allegation that franchisor discriminates against Asian Indian women. On December 11, 2015, the trial court granted Dunkin's motion to dismiss Shetty Plaintiff's claims under the New Jersey Law Against Discrimination, for tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. The case was settled on February 23, 2017, with the entire settlement amount paid by Dunkin's insurance carrier and with no admission of liability by defendants. The matter is now closed.

~~Bartosz Grabowski v. Dunkin' Brands, Inc., (Case No. 1:17-cv-05069) U.S. District Court for the Northern District of Illinois, filed on July 9, 2017. The complaint in this putative class action lawsuit alleged that the Dunkin' Brands engaged in deceptive practices with respect to its blueberry donut products by allegedly trying to convince consumers that certain products (such as the "Glazed Blueberry" donut and munchkin, the "Blueberry Butternut Donut," and the "Blueberry Crumb Cake Donut") contain real blueberries. The complaint claimed that Dunkin' Brands engaged in fraud by (1) using the word "blueberry" in the product names; (2) using imitation blueberries on both the inside and outside of the product that were "specifically made to resemble actual blueberries or pieces of actual blueberry due to their blue color and round shape"; and (3) charging consumers a "premium price" for blueberry donuts which, the complaint alleges, are "uniformly priced higher than other donuts on the Dunkin' menu such as the Glazed Donut." As a result, the complaint contended that consumers reasonably expect these products to contain actual blueberries and, therefore, the use of the word "blueberry" as a product description at franchises and in marketing is misleading. The legal claims brought against Dunkin' Brands in this case were: (1) violation of the Illinois Consumer Fraud and Deceptive Business Practices Act; (2) common law fraud; (3) intentional misrepresentation; (4) negligent misrepresentation; (5) breach of contract; and (6) unjust enrichment. The complaint sought a minimum of \$5 million dollars in damages. This case was settled on October 2, 2018 on an individual basis with no admission of liability by Dunkin' Brands and was dismissed with prejudice. The matter is now closed.~~

Airport Mart, Inc. v. Dunkin' Donuts Franchising LLC, (Case No. 7:18-cv-00170) U.S. District Court for the Southern District of New York, filed on January 9, 2018. Airport Mart, Inc. ("Airport Plaintiff") was a former Dunkin' franchisee that brought suit against us regarding the development, operation, and termination of the franchise agreement that was located at the Westchester Airport in White Plains, New York from 2010 to 2015. Airport Plaintiff alleged that we induced him into purchasing equipment for the Just Baked On Demand system and that he was instead "forced" to

purchase donuts from a commissary operated by another franchisee, rendering the Just Baked On Demand equipment “useless.” Airport Plaintiff also claimed that that our employees made derogatory comments about him to airport officials, failed to provide him with sufficient marketing and advertising support, and delayed the opening of his franchise by changing up the construction plans and site layouts. In addition, Airport Plaintiff claimed that we did not assist him in obtaining a new location at the airport after his initial lease expired, failed to help him obtain a lease extension, and refused to allow him to relocate the store. Airport Plaintiff raised several legal claims against us, including breach of the franchise agreement, violation of New York’s deceptive trade practices statute, fraud, and intentional misrepresentation and sought \$10 million in damages. On the September 16, 2019, the court dismissed Airport Plaintiff’s claims for fraud in the inducement, intentional misrepresentation, and deceptive trade practices, leaving only the breach of contract claim in the case. Following that ruling, the case was settled for a nominal amount on February 10, 2020, without any admission of liability on our part and the matter is now closed.

Dunkin’ Donuts Franchising LLC v. Coffee & Brands Sweden AB, et al.,⁻ (Case No. 01-1 8-0001-8486), American Arbitration Association, filed on May 9, 2018. Coffee & Brands Sweden AB (C&B) (“C&B Respondent”) was the Dunkin’ franchisee in Sweden. Dunkin’ terminated C&B Respondent’s master franchise agreement (MFA) for non-payment of almost \$500,000 in franchise fees and failure to secure an irrevocable letter of credit of \$1 million as required under the MFA and related agreements. We then filed this arbitration proceeding to enforce termination of the MFA. In response, C&B Respondent raised counterclaims against us for fraud, negligent misrepresentation, violation of the Massachusetts Unfair and Deceptive Trade Practices statute, breach of contract, and breach of the implied covenant of good faith and fair dealing. Generally, C&B Respondent alleged that Dunkin’ misrepresented the viability and success of its franchise system in Europe, made inaccurate representations as to the financial performance C&B Respondent could expect its shops to achieve, did not provide adequate support to C&B Respondent, and reneged on a promise to forgive or reduce C&B Respondent’s debts. In addition, C&B Respondent claimed that, despite an unambiguous merger clause in the MFA, Dunkin’ orally promised that C&B Respondent did not have to pay royalty fees until it became profitable. C&B Respondent sought damages in excess of \$8 million, rescission of the MFA, and an award of its costs and attorneys’ fees. On November 14, 2018, the parties agreed to settle all their claims without any admission of liability on Dunkin’s part and the matter is now closed.

Newburyport Donuts, Inc. v. Dunkin’ Donuts Franchising LLC, et al.,⁻ (Case No. 01-19-0000-7393), American Arbitration Association, filed on March 11, 2019. Newburyport Donuts, Inc. (“Newberry”) contended that the defendants rejected their proposal for the development of a new Dunkin’ restaurant due to the impact on the sales of a nearby existing Dunkin’ restaurant and then subsequently awarded the site to that same owner. Newberry further alleged that the defendants’ impact process would not have compensated them fairly and, furthermore, that the defendants unfairly dealt with smaller franchisees with respect to development matters. Defendants denied the allegations set forth in the complaint. On July 23, 2020, the parties agreed to settle all of their claims without any admission of liability on defendants’ part and the matter is now closed.

The People of the State of California v. Dunkin’ Brands, Inc.,⁻ (Case No. 19STCV09597), California Superior Court, Los Angeles County, filed on March 19, 2019. On March 14, 2019, Dunkin’ Brands entered into a settlement agreement with the Attorneys General of thirteen states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A

small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees or Dunkin's own employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and Dunkin' from hiring each other's employees. Under the terms of the settlement, Dunkin' Brands agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing such a provision. In addition, Dunkin' Brands agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. Dunkin' Brands expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of Dunkin' Brands. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record and the action was closed after the court approved the parties' stipulation of judgment.

The People of the State of New York v. Dunkin' Brands, Inc., (Index No., 451787/2019), New York Supreme Court, filed on September 26, 2019. The NY State Attorney General ("NYAG") filed a lawsuit against Dunkin' Brands related to credential stuffing attacks during 2015 and 2018 on a database that contained information for DD Perks members and individuals who had registered a Dunkin' gift card. The NYAG alleged that Dunkin' was notified by its firewall vendor that over 19,000 Dunkin' mobile customer accounts had been accessed by unauthorized parties over a sample five-day period and the vendor had identified nearly \$40,000 associated with those accounts. The NYAG claimed that attacks resulted in unlawful account acquisition by non-account owners and thus triggered an obligation by Dunkin' Brands under New York law to notify these customers. The NYAG also alleged that Dunkin' Brands failed to adequately investigate the 2015 attacks and that Dunkin' Brands' Customer Service Department misled customers about it. With respect to the 2018 attacks, the NYAG claimed that Dunkin' Brands' notification to customers did not adequately disclose that their accounts had been accessed without authorization. The NYAG also contended that Dunkin' Brands misrepresented its data security practices and procedures in its Privacy Policy to consumers. The statutory claims raised by the NYAG against Dunkin' Brands included: (1) GBL § 349, which prohibits deceptive acts and practices in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; (2) GBL § 350, which prohibits false advertising in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; and (3) GBL § 899-aa, which requires that businesses disclose a breach of security to all New York State residents whose private information was, or is reasonably believed to have been, acquired without valid authorization. On September 22, 2020, the parties entered into a settlement under which Dunkin' Brands agreed to communicate with certain DD Perks customers who lived in New York, to take certain data security measures and adopt certain investigative procedures regarding data security issues and pay the New York Attorney General's Office \$650,000 in penalties and costs. The matter is now closed.

Dunkin' Donuts Franchising LLC, Dunkin' Donuts Franchised Restaurants LLC, and DD IP Holder LLC ("Dunkin' Plaintiffs") filed an action against a group of franchise entities and their owners (collectively, the "Somerdale Defendants") to enforce the termination of 12 Dunkin' Franchise Agreements—10 involving franchises in New Jersey, and 2 involving franchises in Pennsylvania—due to Somerdale Defendants' breaches of multiple provisions of the franchise agreements. Somerdale Defendants also agreed to pay Dunkin' Plaintiffs \$97,000 for reimbursement of attorney fees and costs. On February 4, 2022, the parties filed a Stipulation of Dismissal Without Prejudice. The matter is now closed.~~

~~Dunkin' Donuts (Canada), Ltd. vs Camasa Ltd. & Camille McLaughlin, Case No. B/C/149/01 (New Brunswick). On March 8, 2001, the Canadian franchisor sued the franchisee to cancel the franchise agreements, enforce termination and claim royalties and other amounts owing. The franchisee contested the termination of the franchise agreements and counter-claimed for damages alleging, among other things, the non-fulfillment of the franchisor's obligations and various misrepresentations. In October 2012, the franchisee reactivated the file and pursued its counterclaim. In September 2014, the franchisee brought a motion to dismiss the proceedings for delay. The motion was heard August 31, 2015, and the trial judge permitted the proceedings, including the counterclaim to continue. The case was settled on September 17, 2017. The franchisee acknowledged in his release of claims that the settlement was not to be construed as an admission of liability by Dunkin' and that Dunkin' expressly denied liability for any of the franchisee's claims. The matter is now closed.~~

~~Les Services Alimentaires Kojo Inc., et al. v. Dunkin' Brands Canada, Ltd., Case No. 500-17-076969-131 (Quebec). On November 8, 2012, a group of 5 franchisees in Quebec representing 9 stores collectively sued the franchisor claiming damages in the amount of \$7,199,000 CDN alleging, among other things, that the franchisor failed to execute its obligations under the franchise agreements and abandoned them during the period of 2008 until the claim was settled on January 8, 2018. The matter is now closed.~~

~~Daniel Crooks and Matthew Miller v. Dunkin' Brands Group, Inc. and SVC Service II LLC, (United States District Court for the District of Massachusetts, Case No. 1:22-CV-10738, filed May 12, 2022). Plaintiffs, Daniel Crooks and Matthew Miller ("Crooks and Miller") filed a class action complaint against Dunkin' Brands Group, Inc. and SVC Service II LLC ("Dunkin' Defendants") alleging violations of the New Jersey Truth in Consumer Contract, Warranty, and Notice Act, unjust enrichment, breach of contract, violation of the Massachusetts Unfair and Deceptive Business Practices Act, and violation of the California Unfair Competition Law Business and Professions Code § 17200 for the alleged failure to redeem gift cards for cash. Crooks and Miller seek to establish a nationwide class and subclasses for New Jersey and California residents. On August 19, 2022, Dunkin' Defendants filed a motion to dismiss. On December 13, 2022, the court granted Dunkin' Defendants' motion to dismiss the New Jersey statutory claims and denied the motion to dismiss the other claims. In June 2023, the parties entered into a Settlement Agreement and Mutual Release of Claims whereby Dunkin' Defendants agreed to pay Crooks and Miller \$75,000 in exchange for a full release and dismissal of the case with prejudice. On June 23, 2023, the parties filed a Joint Stipulation of Voluntary Dismissal. The matter is now closed.~~

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby’s Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby’s Restaurant Group, Inc. (“ARG”), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other’s employees. The states alleged that the use of these provisions violated the states’ antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had

already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

In the Matter of Jimmy John’s Franchisor SPV LLC (Securities Commissioner of Maryland, Case No. 2025-0122). On March 28, 2022, JJF filed a Franchise Disclosure Document (FDD) with the Maryland Securities Division as part of a notice of exemption from franchise registration. In this filing, JJF listed the former franchisees but omitted the required contact information for the majority of those franchisees. The Maryland Securities Commissioner asserted that this omission violated the Maryland Franchise Registration and Disclosure Law, the Federal Trade Commission (FTC) Franchise Rule, and the North American Securities Administrators Association (NASAA) Guidelines, all of which require franchisors to provide contact information for former franchisees in their FDDs. JJF asserted that the omission was inadvertent and not material, but in order to avoid the time commitment and expense of administrative or judicial proceedings, the Maryland Securities Commissioner and JJF entered into a Consent Order on June 9, 2025. Under the terms of the Consent Order, JJF agreed to pay a \$30,000 civil monetary penalty, to permanently cease and desist from the offer or sale of franchises in violation of the Maryland Franchise Law, and to disclose the existence of the Consent Order in future franchise disclosure documents.

Except as specified below, all fees are uniformly applied to franchisees, however, we may waive or reduce some or all these fees for a particular franchisee in instances where we, in our sole discretion, decide it is appropriate to do so.

You agree to participate in our program or procedure that we periodically specify for Gross Sales reporting and payment of fees that are due, whether it is electronic fund transfer or some successor program, in accordance with our Standards. You agree to assume the costs associated with maintaining your capability to report Gross Sales and transfer funds to us. In no event will you be required to pay any sums before the date they are due, as described above.

If any tax or other fee (other than federal or state income tax based on our income) is imposed on us by any governmental agency due to our receipt of fees or other amounts that you pay to us under this Agreement, then you agree to pay us the amount of such tax or other fee as an additional Continuing Franchise Fee.

~~General Terms of the Select Developing Markets and Go West Incentive Programs. Under the SDM and Go West Incentive programs, if you satisfy the Incentive Eligibility Requirements for a Restaurant and meet the other conditions described above, then you will pay the reduced CFF for that Restaurant.~~

If you fail to satisfy any of the applicable conditions, then, ~~without limiting our other rights and remedies (including the right to terminate the Franchise Agreement and/or Store Development Agreement), the SDM and Go West~~the Standard, Strategic and Pacific Northwest Incentive programs will not apply to the Restaurant(s). The ~~SDM and Go West~~Standard, Strategic and Pacific Northwest Incentive programs do not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurant from an SDO location, as a relocation of an existing or closed Restaurant, or as part of a transfer or acquisition of an existing Restaurant. In the future, we may modify or eliminate any of our incentive programs.

Early Opening Incentive: The "Early Opening Incentive" is designed to incentivize franchisees to develop and commence operations of their Dunkin' Restaurants before the required opening date identified in their Franchise Agreement (and, if applicable, the ~~Store~~ Development Agreement). Under the Early Opening Incentive, if you open the Restaurant before the required opening date identified in the Franchise Agreement (or, if applicable, the ~~Store~~ Development Agreement), submit all development costs to us in the form we require within 120 days of opening the Restaurant, build the Restaurant in the design, to the specifications, and at the location we approve, and otherwise are in compliance with the terms of the Franchise Agreement (and, if applicable, the ~~Store~~ Development Agreement), then we will charge you a CFF equal to 0% of Gross Sales from the date you open and commence operations of the Restaurant until the required opening date identified in the Franchise Agreement (and, if applicable, the ~~Store~~ Development Agreement), up to ~~12~~6 months, then the applicable incentive rate will apply (if any). Opening Incentive with the ~~Brewed for Growth~~[Standard, Strategic or Pacific Northwest](#) incentive, ~~Select Development Markets incentive and Go West Incentive~~ programs.

VetFran Program: The “VetFran Program” is designed to provide career opportunities for honorably discharged military veterans or wounded warriors. It applies if you are a veteran or returning service member (who has not previously signed, or had an affiliate that signed, a ~~Store~~-Development Agreement or Franchise Agreement with us) who qualifies and signs a Franchise Agreement to develop one Dunkin’ Restaurant or a ~~Store~~-Development Agreement to develop one or more Dunkin’ Restaurants. We describe the conditions to qualify for the ~~Brewed-for-Growth~~Standard and Strategic incentive programs in Item 5 ~~and the conditions to qualify for the Select Developing Markets and Go-West Incentive programs in Note 2 above.~~

- (4) ~~Note 4.~~Loyalty Program Contribution Payment. Your Dunkin' Restaurant must participate in our and our affiliates' consumer loyalty program (the "Loyalty Program"). You must enter into the Loyalty Program Participation Agreement attached to this FDD as Exhibit J when you sign the Franchise Agreement. Under the Loyalty Program Participation Agreement, you must contribute the Loyalty Program Contribution Payment ("LCP") to the Loyalty Program fund (the "Loyalty Fund"). The LCP contribution percentage (the "LCP Rate") will vary based on when the Loyalty Program Sales accrue:

Year/Period Loyalty Program Sales Accrue (based on our fiscal years)	LCP Rate Maximum
2025 through 2026	1.4% of Loyalty Program Sales
2027 and beyond	1.2% of Loyalty Program Sales

"Loyalty Program Sales" means Gross Sales to Loyalty Program members for in-store sales of eligible products at the Restaurant. We and our affiliates will periodically determine product eligibility based on our and our affiliates arrangement with the Dunkin' Brand Advisory Council ("BAC").

When a Loyalty Program member redeems rewards at the Restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the "NAPC") for the redeemed item. We will reimburse you by ACH transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You must pay any taxes due on the reimbursements made to you under the Loyalty Program. We, our affiliates and the BAC will periodically determine the NAPC for each product. We or our affiliate will develop new reports to allow you to track your Loyalty Program Sales, redemptions and reimbursement payments.

We and our affiliates will administer the Loyalty Fund and have the right to establish, implement and change any Loyalty Program terms and conditions upon reasonable notice to you, provided that certain changes are subject to BAC approval, such as lowering

redemption point amounts, adding new redemption categories, or adding or removing membership tiers.

We will use the LCPs deposited into the Loyalty Fund to advance the Loyalty Program only and not for general or administrative expenses, such as our headcount. We or our affiliate will provide a loan to the Loyalty Fund, which we anticipate to be approximately \$3 million, to cover the expected initial shortfall of LCPs, which we plan to repay from available Loyalty Fund assets over time (without interest). The Loyalty Fund will be kept in a segregated interest-bearing bank account. Any excess amounts in the Loyalty Fund at the end of any calendar year will be rolled forward into the next calendar year. An independent, third-party accountant will audit the Loyalty Fund annually.

[\(5\)](#) **Note 5.-Relocation Fee.** If you are signing a Franchise Agreement to relocate the premises of your Restaurant, you must sign our then-current form of Franchise Agreement and pay us a relocation fee at the time you sign the Franchise Agreement. The relocation fee will be the IFF for the DMA where the relocation Premises are located, less an amount corresponding to the amount of term under the original franchise agreement. For example, if the franchise agreement for the original premises has 3 years left on the term, then you would sign a franchise agreement for the relocated Premises with a 20-year term and the IFF would be reduced such that you would only pay for 17 years.

[\(6\)](#) **Note 6.-Franchise Transfer Fee.** The term “transfer,” whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or the Restaurant (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or the Restaurant’s operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of the Restaurant, any of its Operating Assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or you.

A “Controlling Ownership Interest” in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) 50% or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A “Non-Controlling Ownership Interest” in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

At transfer, you must pay us a transfer equal to \$12,500 (if you have not operated the Dunkin' Restaurant for at least 3 years), or \$12,500 plus the amount calculated in accordance with the chart below (if you have operated the Dunkin' Restaurant 3 years or longer):

Gross Sales for Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$5,000
\$400,000 or more, but less than \$600,000	\$6,000
\$600,000 or more, but less than \$1,000,000	\$8,000
\$1,000,000 or more, but less than \$1,400,000	\$12,000
\$1,400,000 or more	\$20,000

At transfer, you must pay us a transfer equal to \$20,000 (if you have not operated the Dunkin' Restaurant for at least 3 years), or \$20,000 plus the amount calculated in accordance with the chart below (if you have operated the Dunkin' Restaurant 3 years or longer):

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$12,500
\$400,000 or more, but less than \$600,000	\$13,500
\$600,000 or more, but less than \$1,000,000	\$15,500
\$1,000,000 or more, but less than \$1,400,000	\$19,500
\$1,400,000 or more	\$27,500

If we elect to exercise our right of first refusal to purchase the Restaurant, you must still pay us the required transfer fee.

- (7) **Note 7. Fixed Documentation Fee.** In lieu of the Transfer Fee described in Note 6 above, we will only charge the then-current Fixed Documentation Fee for (a) a transfer of a Non-Controlling Ownership Interest; (b) any transaction in which the direct or indirect ownership interests in you are transferred to the spouse or children of any of the individuals who are Owners as of the Effective Date; (c) if an Owner who dies or becomes mentally incapacitated transfers all of their direct or indirect ownership interests in you to beneficiaries or heirs.
- (8) **Note 8. Lease Costs.** If you lease the Premises from one of our affiliates, then you will pay our affiliates a monthly the fixed rent set forth in your lease. You may also pay us percentage rent regardless of whether the prime lease requires percentage rent. The amount of percentage rent varies and will be set forth in your lease. Our affiliates typically use a net-net-net lease, which means you must pay all related costs of occupancy such as real estate taxes, insurance, maintenance and repair costs, utilities, common area maintenance charges, and other costs.
- (9) **Note 9. Multi-Brand Locations.** If we and one or more Other Franchisors grant you the right to open and operate a Dunkin' Restaurant and Other Restaurant(s) at a Multi-Brand Location, you must pay all ongoing fees due under each applicable Other Franchisor's franchise agreement or license agreement in addition to the ongoing fees described in this Item.

Notes:

- (1) ~~1-~~ Building & Site Development Costs. Building costs include the cost to construct a building, but does not include the cost to purchase the real estate. We estimate that it will cost approximately \$83–\$566 per square foot (estimating ~~750—3100~~750–3100 square feet) to develop a Dunkin’ Restaurant at a freestanding building, approximately \$59–\$378 per square

foot (estimating ~~600—2,800~~600—2,800 square feet) to develop a Dunkin' Restaurant at a Shopping Center/Storefront building, and approximately \$56–\$340 per square foot (estimating ~~600—2,300~~600—2,300 square feet) to develop a Gas & Convenience Restaurant. Building costs vary by geographic location. Site development costs include the costs to develop the land and other site improvements such as exterior landscaping, electrical and water hookup, paving, sidewalks, lighting, and more. The Site development costs estimate also includes the optional Site Design Fee and Kitchen Layout Design Fee for a PKL or PSL that are payable to our affiliates, if you request that we provide those services. Our affiliates only provide PSL services for Restaurants with a drive-thru window. Some local governments may charge an additional amount for utility connections to offset their costs for maintaining water and sewer plants, and these amounts are not included in the above figure. Costs may be higher if soil problems or other environmental issues are encountered. These ranges do not include unusual costs to bring utilities to the property for hookup or government imposed impact fees. Buildings that have a drive-thru window tend to cost more to build and take longer to build than Restaurants without a drive-thru window due to permitting, design and other factors.

The low end of the range above is the estimated cost for you to negotiate a build-to-suit lease in which the landlord incurs most development costs, and you make a lease deposit. These estimates are based on our experience and information provided by franchisees.

Rent may be based on development costs and reflect a rate of return on the ~~landlord's~~landlord's initial investment, as well as other factors. Commercial leases are typically net-net-net leases, requiring you to pay rent, all taxes, insurance, maintenance, repairs, common area maintenance costs, merchants' association fees and all other costs associated with the property. Rent may exceed the ~~landlord's~~landlord's cost of leasing or financing the purchase of the location. You may also have to pay percentage rent. When we lease or sublease to you, your rent will also likely exceed our cost of leasing or financing the location. You may also have to make an initial payment into an escrow fund to cover estimated real estate taxes. We cannot predict the cost if you choose to buy the land on which the Restaurant will be developed.

- (2) ~~2-Additional Development Costs:~~ Additional development costs may include, among others, architectural, engineering, and legal fees. These estimates do not include additional extraordinary costs including, among others, extensive redesign, permitting, variances, environmental issues, and/or legal obstacles.
- (3) ~~3-Equipment, Fixtures and Signs:~~ This amount includes estimated costs of furnishings, installations, equipment, trade fixtures, small-wares and certain other items on the Premises, the amount, and specific items of which will vary depending upon the location, size and condition of a particular Restaurant. Cost range includes tax and delivery estimated at 10%.
- (4) ~~4-Restaurant Technology System:~~ The price ranges reflect equipment configurations and solution costs, site preparation and installation for 2 to 4 POS Systems. The price ranges do not include any optional equipment. The number of POS Systems needed for your Restaurant will depend on the size and configuration of the Restaurant and whether you have a drive-thru window. The cost for drive-thru equipment is included in the above. If your Restaurant does not have a drive-thru, your costs will be less. The price ranges also reflect the configurations and solution costs, site preparation and installation for the Restaurant Technology System

components that are required (not including the POS System). Please note that in addition to the cost of the POS System equipment, you will be required to pay monthly and yearly maintenance and user fees.

- (5) ~~5. License, Permit Fees and Deposits:~~ The range does not include government imposed impact fees. We estimate such fees, when imposed, can be \$87,000 or more in some markets. Some local governments may also require a performance bond, which is not included in the range.
- (6) ~~6. Real Estate Costs:~~ Real estate costs vary considerably according to the type of Restaurant, real estate values in your area, your real estate interest (leasehold or ownership), location, size of the site, code requirements and other factors, including labor, as well as whether you, your landlord, or we develop the Restaurant. Depending upon how your deal is structured, you may pay some or all the actual cost. Factors that typically affect your real estate costs include your cost to negotiate your lease (or buy the property), fair market lease values and lease terms in your area, how the costs to renovate or develop the land, building and other site improvements are allocated between landlord and tenant and interest costs, among others. Lease terms are individually negotiated and may vary materially from one location or transaction to another.

Your building costs may be lower if we or your landlord develop the location, but your real estate costs, including your annual rent, may be higher. Your rent may be based on development costs and reflect a rate of return on the ~~landlord's~~ landlord's initial investment, as well as other factors. If you elect to buy land, it can cost an additional \$100,000 to \$1,200,000 (or more).

- (7) ~~7. Opening Inventory:~~ Before opening a Restaurant, you must purchase an initial inventory consisting of products from suppliers approved by us. The assortment and number of these items will be based upon the size and configuration of your Restaurant. The estimated cost for the opening inventory of these products varies for different locations, seasons, and the storage capacity of the restaurant. Your initial inventory of merchandise and supplies needed for the operation of your Restaurant will include raw ingredients and products for resale, containers and other paper, plastic or similar goods, maintenance and cleaning materials, office supplies and miscellaneous materials and supplies.
- (8) ~~8. Miscellaneous Opening Costs:~~ The range includes costs for pre-opening franchisee employee training payroll, utility deposits (e.g., gas, water, electricity, and telephone); petty cash; distribution center refundable fees for Restaurants that receive distribution center deliveries, and miscellaneous expenses (e.g., interior landscaping plants, sound system, office supplies, licenses, permits, and banking pre-opening costs).
- (9) ~~9. Insurance:~~ You must provide insurance coverage in accordance with our published standards (as amended from time to time), including but not limited to commercial general liability coverage with minimum limits in the amount of \$2,000,000 per occurrence, employment practices liability coverage with minimum limits in the amount of \$1,000,000 per occurrence, all risk property coverage including, but not limited to, flood and earthquake protection, plate glass coverage, and employers liability and workers' compensation insurance, and maintain other insurance in accordance with our published standards (subject to change), and maintain other insurance in accordance with state law requirements. Some property owners may require higher levels of commercial general liability insurance or other

insurance coverage under their leases. You also must name us ~~and~~ our owners and affiliates [\(including Inspire Brands, Inc.\)](#) as additional insureds under the required insurance policies. Initial premiums for commercial general liability are subject to change due to market forces beyond either of our control. The cost of other coverages, including required workers' compensation coverage and your discretionary purchases, varies widely. Your premium may be higher based upon your risk profile. You should discuss with your insurance carrier/agent whether or not these costs need to be paid in full before opening or whether they can be budgeted. Some insurance carriers will offer an installment option, requiring a 20% - 25% down payment, before opening. Failure to maintain such insurance may result in loss of your franchise and additional financial obligations.

- [\(10\)](#) ~~10.~~ Training Related Expenses. The Initial Training Fee for the first 2 to 4 people to attend the Dunkin' Training Program are included in the IFF as described in Item 11. However, you must pay for uniforms, accommodations, wages, and travel expenses, if any, for you and your employees. You will need to have an electronic device and Wi-Fi as necessary to access training. If you attend the initial training program in a location other than one of our training facilities, then you may be charged certain additional costs such as travel and related expenses for the trainers, the costs for the meeting room and such other costs as may reasonably be incurred. The above estimated ranges of costs are for 2 individuals attend the Dunkin' initial training program for 4 to 8 weeks (depending on production platform and the opportunity to support a new restaurant opening), including transportation, board, lodging, sanitation exam and uniforms. If a third or fourth person is required to attend the training (based on the size of your ~~Store~~ Development Area or network of Dunkin' Restaurants), the costs will increase proportionately. There may also be additional training time needed to achieve required competency levels. The amount of time required is a function of the individual's ability to personally demonstrate the competencies. This may increase your cost for travel, hotels and meals for you and/or your designated representative. If the initial training program needs to be taken again due to class failure, removal, or withdrawal, you will be responsible for the class cost for the replacement learner(s). If you live close to the training facility, your costs may be on the lower end of the range. Any wages or salaries that you may pay your employees while they attend training are not included in these estimates. You must also maintain ~~worker's~~ worker's compensation insurance coverage for your employees while they are in training. Our current cancellation ~~fee is \$1,000 per person if you cancel 8-14 days before the scheduled class, and \$2,000 per person if you cancel 7 days or fewer before the scheduled class~~ fees are described in Item 5.

- [\(11\)](#) ~~11.~~ Additional Funds for First 3 Months of Operation. You may or may not need working capital to support ongoing expenses that are not covered by sales revenue. New businesses may generate negative cash flow. These figures are estimates and we cannot guarantee that you will not have additional expenses in the first 3 months of operation. Your costs will depend on factors such as how well you follow our methods and procedures, the sales volume of your restaurant, your management skill, experience, and business acumen, local economic conditions, the local market for our product, the prevailing wage rate, competition, your rent structure, and your restaurant site type.

- [\(12\)](#) ~~12.~~ Other Costs and Variables. Your initial investment for a new Restaurant depends primarily upon: (1) the number of Restaurants you acquire and/or develop; (2) their size; (3) their configuration; (4) their location; (5) who develops the real estate for and/or constructs them; and (6) the amount and terms of financing. The initial funds required must be estimated

since most costs are not within our control and may change at frequent intervals. These figures are estimates only and we cannot and do not guarantee that your costs will fall within the stated ranges. These estimated ranges are based on our experience and information provided by franchisees. Costs are constantly changing, and your costs may be higher. You should diligently investigate all potential costs before proceeding.

The typical freestanding Restaurant has eating areas seating from 10 to 40 customers. Larger Restaurants have walk-in refrigeration/freezer unit included in the gross square footage. Some projects may allow the walk-in refrigeration/freezer unit to be located outside of the building structure. Restaurants may only be serviced by authorized manufacturing facilities.

To ensure that an adequate supply of acceptable product is available for sale at the Restaurant, products must be transported in a suitable vehicle and in suitable containers on a schedule and in a manner acceptable to us in compliance with federal, state, and local regulations, as well as our quality, freshness, and other standards. You will be required to purchase a delivery vehicle which meets certain standards. The estimated total does not include the cost of a delivery vehicle. Usually only one delivery vehicle is needed for each network of Restaurants. Additional vehicle(s) may be required, depending upon the size and design of the vehicle, the number, time, and number of deliveries, the distance between deliveries, and other factors.

Restaurants may vary from one another in many respects. For example, Restaurants in urban trade areas may be multi-level with kitchen, storage, sales, and seating areas on 2 or more levels, or have limited or no seating. Kitchen, storage, and sales areas may be smaller than Restaurants in other areas. Specially designed equipment may be necessary. Urban Restaurants may have no dedicated parking, require elevators, specially designed doorways, have limited access and require greater security measures. This may require special arrangements for deliveries of raw materials, products, and supplies to and from the Restaurant. Trash may require special handling, such as daily pickup. On average, urban Restaurants sell more individual products than, for example, dozens or half dozen donuts, which may increase the unit cost of products sold. Labor costs may be higher in urban Restaurants due to a wide variety of factors, including Restaurant configuration, competition for available workers, minimum wage requirements and other factors. We encourage you to talk to franchisees who operate Restaurants in similar trade areas to gain a better understanding of how your trade area may vary.

(13) ~~13-Combo Restaurants~~ The costs to develop a Combo Restaurant are similar to the costs to build a Baskin-Robbins Restaurant; however, Combo Restaurants will have an additional equipment requirement. You will find build costs for the Baskin-Robbins portion of the Combo Restaurant in the Baskin-Robbins disclosure document. We encourage you to talk to franchisees who operate Combo Restaurants in similar trade areas to gain a better understanding of how your costs may vary.

(14) ~~14-Multi-Brand Locations~~ If we permit you to develop a Dunkin' Restaurant at a Multi-Brand Location, you may incur additional expenses to establish the Other Restaurant(s), including initial franchise fee, initial training program, computer system, signage, fixtures, furniture, equipment, initial inventory, and other expenses. You will find the build costs and other costs to establish each applicable Other Restaurant(s) in the Other Franchisor's franchise disclosure document. You may pay less than the cumulative total estimated initial investments for both a Dunkin' Restaurant and Other Restaurant if certain expenses overlap, such as rent

and insurance. Also, if you operate your Dunkin' Restaurant at a Multi-Brand Location and the Other Restaurant that you operate at that Multi-Brand Location is a Jimmy John's® restaurant, then you may qualify for 1 or more incentives available to Jimmy John's® restaurants at Multi-Brand Locations. You will find those incentives in the Jimmy John's® franchise disclosure document.

~~*New Multi-Brand Incentive.* If you sign a new Franchise Agreement on or before March 31, 2026, or if you are a party to an existing Franchise Agreement and the site development package for the Restaurant was not approved as of the issuance date of this disclosure document, and you agree to develop the Restaurant at a Multi-Brand Location with a new Jimmy John's restaurant (for which you have or will sign a Jimmy John's franchise agreement on or before March 31, 2026 and for which the site development package has not yet been approved as of the date of this disclosure document), you may qualify for the "New Multi-Brand Incentive." Under the New Multi-Brand Incentive if (a) you satisfy the Incentive Eligibility Requirements; (b) you satisfy the Incentive Eligibility Requirements with respect to the applicable Jimmy John's restaurant; (c) you open and begin operating that Restaurant and the Jimmy John's restaurant at the Multi-Brand Location in compliance with the Franchise Agreement and Jimmy John's franchise agreement, respectively, on or before December 31, 2027, then you will receive, after the opening of both the Restaurant and the Jimmy John's restaurant at the Multi-Brand Location either (x) \$50,000, if the Restaurant is located outside of California; or (y) \$75,000, if the Restaurant is located in California. If you fail to satisfy any of the conditions listed above, the New Multi-Brand Incentive will not apply. The New Multi-Brand Incentive will be addressed in the Jimmy John's Incentive Amendment.~~

~~*Retrofit Multi-Brand Incentive.* If you are an existing franchisee and sign a new Jimmy John's franchise agreement on or before March 31, 2026, or if you are a party to an existing Jimmy John's franchise agreement and the site development package for the Jimmy John's restaurant was not approved as of the issuance date of this disclosure document, and you develop the Jimmy John's restaurant at a Multi-Brand Location with your existing Dunkin' Restaurant, you may qualify for the "Retrofit Multi-Brand Incentive." Under the Retrofit Multi-Brand Incentive, if (a) you satisfy the Incentive Eligibility Requirements for the Jimmy John's restaurant; (b) you open and begin operating the Jimmy John's restaurant at the Multi-Brand Location with the existing Dunkin' Restaurant you own and operate in compliance with the Jimmy John's franchise agreement on or before December 31, 2026; (c) as of the date the Jimmy John's restaurant opens, you are operating the Dunkin' Restaurant in compliance with the Dunkin' franchise agreement; and (d) you or your affiliate did not remove or extract from the Multi-Brand location a Baskin-Robbins® restaurant during the period beginning on January 1, 2025 and ending on March 31, 2026 (for reasons other than expiration of the Baskin-Robbins franchise agreement), then you will receive \$25,000 after the opening of the Jimmy John's restaurant. If you fail to satisfy any of the conditions listed above, the Retrofit Multi-Brand Incentive program will not apply. The Retrofit Multi-Brand Incentive will be addressed in the Jimmy John's Incentive Amendment.~~

ITEM 8:

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to ensure a uniform image and uniform quality of products and services throughout the Dunkin' network, you must maintain and comply with our Standards, as we periodically modify them. Our Standards may regulate various aspects of the System and the development and operation of Dunkin' Restaurants, including the location, physical characteristics and quality of operating systems and other aspects of restaurants; the products sold and services provided; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and our brand, including execution of marketing windows; and all other things

that we periodically specify affecting the experience of consumers who patronize Dunkin' Restaurants. We make the Standards available to you in our Manuals and in other forms of communication, which we may update from time to time.

You must purchase or lease all equipment, fixtures, furnishings, ~~fixtures,~~ and signage for the Restaurant (the "Operating Assets"), the retail information system and related equipment and programs (including the electronic point-of-sale cash register system ("POS System") that we approve), inventory, supplies, materials, and other products and services for the Restaurant only according to the Standards and, if we require, only from suppliers and/or distributors that we designate or approve from time to time (which may include or be limited to us or our affiliates). Currently you must acquire products for your Restaurant through NDCP (described below). From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products, subject to any then-existing arrangements with NDCP. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding.

You must use and participate in The Center, our online learning platform, for initial and on-going training obligations, and you must pay us the initial and on-going fees to access and participate in The Center, as described in Item 5 and Item 6 above. Additionally, you must sign contracts with approved suppliers and participate in our then-current gift card program operated by or through our approved suppliers (that may include us or our affiliates), currently attached here as Exhibit K.

Every supplier must demonstrate to our satisfaction that it can meet all of our specifications, standards, and requirements and has adequate capacity to supply our franchisees' quantity and delivery needs, which may mean, among other things, the ability to supply all franchisees in the System. We provide our relevant standards and specifications to approved suppliers and is not available to you. A list of approved suppliers is available in the Manuals.

If you wish to use a supplier we have not previously approved, you may request approval by submitting the request to us in writing. Our criteria for approving alternative suppliers is not available to you or your proposed supplier. We may require that samples from the supplier be delivered to us or to a designated independent testing laboratory for testing prior to approval and use. You must reimburse us for the costs we incur to test the samples from the suppliers, and we expect that the cost of testing will range from \$1,000 to \$10,000 depending on the complexity of the products or services. All requests will be reviewed in accordance with our then-current policies and procedures, and we will take into consideration our available resources, which may affect the timing of our response. The supplier must meet our then-current specifications, standards, and requirements, which may include signing a non-disclosure agreement and a guarantee of performance. We may change our specifications, standards, and requirements from time to time, and there is no limit on our right to change our specifications, standards and requirements. We will notify you and the supplier within 180 days of your initial request. If you do not receive a response from us within 180 days from your initial request, your request will be deemed disapproved. We may withdraw our approval of any supplier at any time if the ~~supplier's~~supplier's performance does not meet our specifications, standards, and requirements.

We may limit the number of suppliers that we may consider for approval and for certain products, and we may in the future designate ourselves, any of our affiliates, or any third-parties as an exclusive supplier for one or more products or services.

Currently, we have exclusive supplier arrangements for purchasing and distribution services, fountain and packaged beverage products, and certain restaurant technology. Additionally, in certain markets we have approved third-party suppliers to produce and deliver certain donut and bakery products to franchisees that operate Restaurants within select markets. Franchisees that operate a Restaurant within those select markets must purchase from such third-party the donut and bakery products that we designate for a specified period of time. You must also secure an approved back-up supplier to produce those products in the event your main supplier cannot or will not produce or deliver the required products to you. You may be required to transport your own donuts and bakery products using a delivery vehicle you have purchased and that meets our standards and specifications, using containers that meet our standards and specifications, and in accordance with a schedule and in a manner that meet both applicable legal requirements and our standards and specifications.

You may only develop the Restaurant at a site that we have accepted. The Restaurant and the Premises must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You may not deviate from our approved plans, specifications and requirements without our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises. At your option, our affiliates also may provide site and kitchen layout design services. Our affiliates only offer site layout services for Dunkin' Restaurants with a drive-thru window.

If you have not already done so before executing the Franchise Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of Option to Assume ~~the lease~~[Lease](#), attached here as [Exhibit F](#) of the FDD. If you or your affiliate directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute (or cause your affiliate to execute) our then-standard agreement giving us the option to lease the Premises from you (or your affiliate) upon expiration or termination of the Franchise Agreement or any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of the Franchise Agreement, including any extension or renewal, at triple-net fair market value rent for comparable Dunkin' Restaurant locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional. If you purchase or lease the Premises from one of our affiliates, we or our affiliates will derive revenue from the purchase or lease.

Except as otherwise stated in this Item, there are no items for which we or any of our affiliates are approved or designated suppliers or the only approved or designated suppliers.

Insurance

Before opening or operating the Restaurant for business, and before beginning construction of the Restaurant if you are developing the Restaurant, you must acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards and described in Item 7 above. You must maintain such coverage in full force and effect throughout the term of the Franchise Agreement. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

We and any affiliate we designate ([including Inspire Brands, Inc.](#)) must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without 30 days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage required under the Franchise Agreement. If such insurance coverage is not in effect, then in addition to our other remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums and costs. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us.

Loyalty and Hospitality Programs

You must participate in any loyalty program that we require, including the Loyalty Program. You must comply with all requirements of the Loyalty Program as we may periodically modify them. These requirements include supporting and participating in the Loyalty Program, maintaining sufficient funds in your account to enable the successful transfer of funds on a weekly basis, following required procedures for settlement of funds, and other matters we periodically determine. Other than the Loyalty Program, you must not, internally or through a third party, participate in any other mobile or online ordering, purchasing or payment program or other proprietary, closed network, online stored value card program at or through a Dunkin' or Baskin-Robbins Restaurant. You may participate in Hospitality Programs. "Hospitality Programs" are card programs that (1) the Restaurant is required to participate in based on the host of the Premises (where the host is an entity within whose broader rules of operation the Restaurant must operate, such as a school, university, or military post or base exchange); and (2) do not use the Proprietary Marks.

Interest in Approved Suppliers

~~Except as otherwise stated in this Item, there are no items for which we or any of our affiliates are approved or designated suppliers or the only approved or designated suppliers. Except for interests~~ Some of our officers ~~may hold down interests~~ in Inspire Brands and its subsidiaries, and Inspire Brands owns an interest in Checkmate.com, Inc. (one of our suppliers), so some of our officers have an indirect interest in Checkmate.com, Inc. Except as disclosed above, there are no approved or designated suppliers in which any of our officers or directors own an interest. ~~We do not provide any material benefits to franchisees in return for their purchase of particular products or services or using designated suppliers.~~

Proportion of Purchases Subject to Specifications

Collectively, the purchases and leases that you must make from us and our affiliates, from designated or approved suppliers, or under our standards and specification represent more than 95% of your purchases and lease to establish, and more than 95% of your purchases and leases to operate, the Restaurant.

Payments from Franchisee Purchases and Leases

During the ~~2024~~2025 fiscal year, we derived revenue from the franchisee's payment of the initial and on-going fees for the franchisee's access to and participate in The Center (~~\$2,889,555~~2,000,000, or ~~0.330.3~~% of our total revenue of approximately \$~~1,887,526,003~~944,000,000). Additionally, during the ~~2024~~2025 fiscal year, our affiliates received a total of \$~~132,638,293~~132,600,000 from the sale or lease of products and services to the franchisees, including all payments from franchisees under their leases with our affiliates. This amount does not include the pass-through payments that our affiliate collects from franchisees and pays over to vendors, because our affiliate does not classify those payments as revenue for accounting purposes. Other than these amounts, neither we nor our affiliates derived any revenue during the ~~2024~~2025 fiscal year from selling or leasing products or services to franchisees.

Cooperatives and Purchasing Arrangements

National DCP, LLC ("NDCP") is the designated supplier for purchasing and distribution services for the System. NDCP may, at its option, participate in certain purchasing arrangements negotiated by us or our affiliates. NDCP is an entity that is owned by Dunkin' franchisees and generally passes on savings to its members through lower prices and patronage dividends. Since we operate Dunkin' Restaurants, we participate as a member of the NDCP and as a voting member on the NDCP Board of Directors. When you sign a Franchise Agreement, you must become a participating franchisee of NDCP. To become a participating franchisee, you must sign a membership agreement, which requires you to, among other things, purchase all of your food and non-food products through NDCP, receive distribution services from NDCP, pay a one-time membership fee (currently \$2,500), sign a personal guarantee, and agree to the then-current terms and conditions. Please contact NDCP for a description of the then-current terms and conditions of the membership agreement. Except as described here, there are currently no purchasing or distribution cooperatives.

Material Benefits for Certain Purchases

We do not provide any material benefits to franchisees in return for their purchase of particular products or services or using designated suppliers.

Multi-Brand Locations

If we and you enter into the Multi-Brand Addendum and you operate your Dunkin' Restaurant at a Multi-Brand Location, we, at our option, may modify any of the terms of the Dunkin' system applicable to your Dunkin' Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Dunkin' Restaurants, to reflect

the Restaurant's status as a Multi-Brand Location. If you operate your Dunkin' Restaurant at a Multi-Brand Location, you must comply with all of these modifications.

If we permit you to operate your Dunkin' Restaurant at a Multi-Brand Location, (i) you must use paper products and other items bearing the Trademarks only at the Restaurant and with products served by the Dunkin' Restaurant, and you (or your affiliate) may not use them at the Other Restaurant or with products served by the Other Restaurant, (ii) you must ensure that all employees providing services to customers of the Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants, and (iii) you may be required to purchase or lease certain goods and services for each Other Restaurant from approved or designated suppliers (which may be the applicable Other Franchisor or its affiliate). You can find additional information in each Other Franchisor's franchise disclosure document.

Site Selection and Lease

~~Store~~-Development Agreement. If you sign the ~~Store~~-Development Agreement to develop multiple Restaurants, then you may look for sites within the ~~Store~~-Development Area. Although we may assist you in your search, it will be your sole responsibility to search for and propose to us the site on which you wish to develop the Restaurant. You must deliver to us a complete site report and other materials and information we request for suitable site(s) within the ~~Store~~-Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. You must also submit information to us concerning the proposed layout and other aspects of the proposed Restaurant's design and appearance. You must make the changes to the proposed design and appearance that we require, and you must develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

When determining whether a site meets our requirements, we consider the location, occupancy costs, proximity to major retail activity, traffic volume and speed, density of nearby population (resident or daytime), competition and potential for encroachment on other Restaurants of the same brand, site configuration, parking, accessibility, visibility, signage permitted by the landlord and local governmental authorities, and other factors. We generally issue a notice to proceed between 60 and 90 days after receiving the required information related to the proposed site. If we disapprove of a site, you must submit alternative proposed site locations for the Restaurant, including a complete site report, in time to open the Restaurant on or before the Required Opening Date identified in the ~~Store~~ Development Agreement. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of franchise agreement and related documents.

You must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant. We or our affiliates may own the Premises and lease or sublease the Premises to you. If you lease the Premises from a third-party landlord, you and the landlord must sign our then-current form of Option to Assume the lease. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you do not sign a Franchise Agreement and/or open the Restaurant on or before the Required Opening Date identified in the ~~Store~~-Development Agreement, we may terminate your ~~Store~~ Development Agreement.

Franchise Agreement. If you develop your Restaurant under a Franchise Agreement without first signing a ~~Store~~-Development Agreement, it is solely your responsibility to search for and propose to us a site on which to develop the Restaurant, and you must deliver to us for our review a complete site report and other materials and information we request for a suitable site in time to open the Restaurant on or before the Required Opening Date identified in the Franchise Agreement. You may only develop a Restaurant at a site that we have accepted. When determining whether a site meets our requirements, we consider the location, occupancy costs, proximity to major retail activity, traffic volume and speed, density of nearby population (resident or daytime), competition and potential for encroachment on other Restaurants of the same brand, site configuration, parking, accessibility,

visibility, signage permitted by the landlord and local governmental authorities, and other factors. We generally issue a notice to proceed between 60 and 90 days after receiving the required information related to the proposed site. If we disapprove of a site, you must submit alternative proposed site locations for the Restaurant, including a complete site report, in time to open the Restaurant on or before the Required Opening Date identified in the Franchise Agreement.

If you have not already done so before signing the Franchise Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of Option to Assume [Lease \(Exhibit F\)](#).

Construction and Opening [of](#) the Restaurant

The typical length of time between the signing of the Franchise Agreement and commencing operations of your Restaurant is between 8 to 15 months. You may not begin construction of your Restaurant until we have approved the site and you have signed a Franchise Agreement. The Restaurant and Premises must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You must also confirm the Restaurant and Premises to comply with local ordinances and building codes, and you must obtain the required licenses and permits to develop and operate your business. You may not deviate from our approved plans, specifications and requirements without our prior written approval. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises. You will be solely responsible for conforming the Premises to local ordinances and building codes and obtaining any required permits.

You must open and begin operating the Restaurant, in accordance with our Standards and other provisions of the Franchise Agreement, on or before the Required Opening Date specified in the Franchise Agreement. You may not open and begin operating the Restaurant until you have finished developing the Restaurant and Premises according to our Standards, you satisfy our other pre-opening requirements, and you obtain our approval to open. If you do not open your Restaurant on or before the Required Opening Date identified in the Franchise Agreement, we may terminate your Franchise Agreement.

No later than the Refurbishment Dates and the Remodel Dates identified in the Franchise Agreement, you must refurbish and remodel the Restaurant in accordance with our then-current refurbishment and remodel Standards. You are responsible for the costs of refurbishments and remodels. Our refurbishment Standards generally include enhancements, improvements or upgrades to exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology. Our remodel Standards generally include enhancements, improvements or upgrades to the site, building, equipment (including the Operating Assets), technology and operational systems as necessary to bring the Restaurant up to the then-current Brand image and Standards.

If we permit you to operate the Dunkin' Restaurant at a Multi-Brand Location, you may not open and begin operating the Restaurant unless the Other Restaurant is also open and in operation. (Section 4(d) of the MBA) If we permit you to operate the Restaurant at a Multi-Brand Location, you must design and construct, and/or make modifications to the Restaurants layout, design, equipment and fixtures that we periodically specify to reflect the Restaurant's operation at a Multi-Brand Location. You must notify customers, and the design and layout must reflect, in the manner we periodically specify that the operation of the Other Restaurant(s) is separate from and independent from the Restaurant. At our option, you may use certain areas of the Premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Restaurant or only for the business associated with the Other Restaurants. (Section 4 of the MBA)

Advertising and Marketing Obligations

Marketing Start-Up

In connection with a material branding or re-branding event at the Restaurant such as opening, re-opening, remodel, or any other event set forth in our Standards, you must undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of such activities. If we have established a minimum dollar expenditure for your Restaurant's initial opening promotional activities, that amount will be set forth on the Contract Data Schedule. Currently, the Standard Marketing Start-Up amount is \$10,000, and the SDO Marketing Start-Up Fee is \$5,000. If you fail to administer the promotional programs, we may require you to pay the Standard Marketing Start-Up Fee or SDO Marketing Start-Up Fee to us or our approved vendors to conduct these activities on your behalf.

Dunkin' Advertising and Sales Promotion Fund

We have established and administer the Dunkin' Advertising and Sales Promotion Fund (the "Fund"), and direct the development of all advertising, marketing, and promotional programs for the System.

We may use up to 20% of Continuing Advertising Fees for the administrative expenses of the Fund and for programs designed to increase sales and further develop the reputation and image of the Dunkin' brand. Administrative expenses may include payments to us, our affiliates, or third parties for the payment of travel, rent, salaries, benefits, and/or other expenses incurred in connection with our administration of the Fund. The balance of Continuing Advertising Fees, plus any interest earned by the Fund, will be used for advertising and related expenses. Advertising and related expenses may include marketing and promotional activities and the costs to prepare, produce and distribute advertising, marketing, and related materials. Advertising may be disseminated in various types of media (e.g., print, radio, television, the Internet, billboards, social media, mobile applications, and others). The content of all activities of the Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by us. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund's activities. At our discretion, the scope of individual advertising programs may be local, regional, or national.

All franchisees are required to contribute to the Fund, however, franchisees that operate their Restaurants from SDO locations, franchisees that operate in certain markets, and franchisees that qualify for certain incentives may contribute to the Fund at reduced rates. We and our affiliates contribute to Fund on at least the same basis as franchisees for any Dunkin' Restaurants that we or

they own. Contributions to the Fund not spent in the fiscal year in which they accrue are first used to offset any deficit carried over from the prior year, and then any additional amounts are carried forward to the next year. Upon your request, we will provide you with an audited statement of receipts and disbursements for the Fund that is audited by an independent, certified public accountant, for each fiscal year of the Fund.

During our ~~2024~~2025 fiscal year, the Fund spent ~~4~~11.5% on marketing materials production, ~~44~~35.5% on media placement, ~~22.6~~% on point of purchase materials, ~~54.7~~% on promotions, ~~14~~17.8% on administrative costs, and ~~31~~27.9% on other costs and expenses, including market research, sponsorships, readiness kits to prepare you and your staff for marketing programs, public relations, sports marketing, agency and professional fees and other costs and expenses.

Currently there are no advertising cooperatives. Except as described above, none of the advertising fees collected from franchisees are used to pay to advertise or promote the sale of our franchises. Restaurants owned by our affiliates (if any) contribute to the Fund on the same basis as other franchisees.

Dunkin' Brand Advisory Council

All franchisees in the System are members of a local District Advisory Council ("DAC"). These franchisees elect a DAC co-chair and other elected regional members within the geographic area assigned, who represent them on a Regional Advisory Council ("RAC"). They also elect regional members within the geographic area to serve on a Regional Marketing Committee ("RMC"). Each RAC then elects RAC co-chairs and other RAC members, who represent the region on the BAC. Similarly, each RMC then elects RMC co-chairs and other RMC members who represent the region on the MSC. The BAC advises us on ways to build, protect, and lead the Brand with guest satisfaction, franchisee profitability, and the long-term viability of the Brands. We may appoint additional members to the BAC, and we reserve the right to change one or more of the councils, to form new councils, or to dissolve one or more councils. All the councils serve in an advisory capacity only and do not have operational or decision-making power. All elected members must adhere to certain standards of eligibility as outlined in the BAC's bylaws. The Marketing Steering Committee ("MSC") is a sub-committee of the BAC and advises the brand on advertising, media, calendar windows, programs, and innovation, among other things. The MSC is comprised of the elected Regional Marketing Committee Co-Chairs and Vice Chairs, Core Market Co-Chairs and other elected Franchisee representatives covering the Brand-defined geographical regions.

Local Marketing

If you prepare any advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs for the Restaurant (collectively, "Local Marketing") materials or programs, then you must submit the materials and programs and their proposed use to us for our prior written approval in advance of any use. You may not use any Local Marketing materials or programs that we have not approved or have disapproved. Additionally, you also must comply with any Standards and guidelines that we periodically specify concerning Local Marketing.

Multi-Brand Locations

If we permit you to operate the Restaurant at a Multi-Brand Location, unless we otherwise specify or approve, none of the advertising, marketing or promotional materials associated with the Restaurant

may reference any Other Restaurant or the brand(s) under which they operate. (Section 4(f) of the MBA)

Technology and Computer Systems

Overview

All Restaurants are required to purchase or lease and use in the operation of the Restaurant the “Restaurant Technology System” that we designate for the size and configuration of your Restaurant only from our approved and designated suppliers (which may include us or our affiliates). We may grant limited exceptions for certain components of the Restaurant Technology System in atypical circumstances, such as unique contractual obligations of the Premises. In such circumstances, you may be required to purchase additional equipment and incur additional costs. You will use the Restaurant Technology System to process credit and gift cards, accept mobile orders and payments, accept online orders and payments, configure and present menu items, pricing, and taxation, access your back-office systems, access and run your video surveillance systems, run your drive thru, use the Dunkin’ learning and marketing programs and courses, and connect to the Internet.

We may periodically require changes or upgrades to the specific software, hardware and computer equipment. No contract limits the frequency or cost of your obligations. We will have unlimited, independent access to the information that your POS system and other internet-connected technology systems generate and stores, including detailed sales information. For clarity’s sake, we will not access individual employee personal data (including contact information, social security numbers, rate of pay or similar information) without your consent or a legal requirement. You must ensure that your POS system and internet-connected technology systems are online and available for access. You alone are responsible for analyzing, addressing, fixing, and assuring your own POS and technology compliance, including any required Payment Card Industry (“PCI”) compliance. You are required to complete the annual self-assessment questionnaire. You should assemble a team to understand the POS and related technology problems within your business.

We require that you maintain all components of the Restaurant Technology System in compliance with our Standards, and you must have maintenance agreements in place with approved and designated suppliers for all components of the Restaurant Technology System. You may be periodically required to upgrade the Restaurant Technology System, and those upgrades will be at your sole cost and expense. There are no contractual limitations on the frequency, or limitations on the cost, of your updating or upgrading obligations.

The Restaurant Technology System for Dunkin’ Restaurants is currently comprised of many components, including the POS System and peripherals, back of house (“BOH”) software, computer work station, internet access, digital signage, service desk services, drive-thru monitoring and audio system, credit card processing services and payment terminal devices, stored value cards, advance and remote ordering, monthly maintenance program for the POS and BOH systems, payment services, data availability package, in-restaurant music service, frictionless drive-thru, and security patching. The Restaurant Technology System for Combo Restaurants includes the above, plus additional components, including, nutritional labeling printer, retail transaction receipt marketing solution, coin changer, video surveillance, franchisee business intelligence, in restaurant self-ordering kiosk, line busting tablet, and back-up protection services.

Below is a breakdown of the total cost estimates for the Restaurants Technology System if you will develop and operate a Dunkin' Restaurant:

- (1) ~~(A)~~ POS System. We require you to process and record all your sales on the POS System. The POS System can record accumulated sales and cannot be turned back or reset. The POS System must retain data in the event of power loss. The table below assumes you purchase between 2 and 4 new POS terminals.

<u>Minimum POS Configurations/System Cost Ranges by Operating Model</u>		
Operating Model	Estimated Range of Initial Costs for Hardware, Software and Installation	Estimated Range of Cost for Annual Hardware and Software Maintenance
Dunkin' with Drive-Thru	\$32,340 to \$41,580	\$3,812 to \$3,927
Dunkin' without Drive-Thru	\$24,255 to \$31,185	\$3,119 to \$3,465
Combo with Drive-Thru	\$39,270 to \$46,200	\$4,274 to \$4,505
Combo without Drive-Thru	\$28,875 to \$35,805	\$3,465 to \$3,696
SDO with Drive-Thru	\$24,255 to \$31,185	\$3,119 to \$3,465
SDO without Drive-Thru	\$17,326 to \$24,225	\$2,426 to \$2,888

“Annual Hardware and Software Maintenance” includes POS System hardware maintenance, POS software maintenance, and service desk. Unless specifically listed below, the maintenance cost above includes updates and upgrades. And “Initial Cost” includes Hardware (POS, scanner, printer, etc.), software, staging, installation and training materials, service desk and maintenance. It does not include travel and other incidental costs associated with training, if necessary.

- (2) ~~(B)~~ POS System Peripherals - Barcode Scanners. Each front counter cashier unit and Drive-Thru cashier unit, except for the Drive-Thru order taker unit, will be required to have a barcode scanner integrated into the POS System.
- (3) ~~(C)~~ Back of House Software. We require you to utilize the BOH software system that supports functionality such as inventory to manage your franchise. This software is bundled by our approved BOH software vendor together with a labor management module, which is not required and which you may use or not use at your election. The BOH software cost currently ranges from \$51 to \$70 per Restaurant per month.
- (4) ~~(D)~~ Manager's Computer Workstation. We require you to have a dedicated in-restaurant manager's computer workstation comprised of a computer with access to the Internet and a printer. You may also use the workstation for other software and hosted services utilized in running your franchise.
- (5) ~~(E)~~ Store Network. We require you to use a specified managed high-speed network solution from an approved vendor to support POS Systems, front/back-office applications, video surveillance systems, Digital Menu Board (“DMB”) system, drive-thru timers, guest Wi-Fi, and other technologies that we may require. Firewall, Internet equipment and managed services for the Store Network range from \$225 to \$400 per Restaurant per month; this cost includes certain PCI/PA-DSS products and services. Installation costs will range from \$500 to \$1,500 per Restaurant.

In certain locations where terrestrial Internet service is not available, an optional satellite solution, managed and provided via our approved vendor, is available at the same managed services rate of \$225 to \$400 per Restaurant per month. There will be a one-time installation and setup fee of \$2,000 per Restaurant. In rural areas or areas where the cellular signal is weak and unable to support operations over a wireless primary or backup solution, a high-gain antenna will be required to increase signal strength for a one-time cost of approximately \$500 per Restaurant.

(6) ~~(F)~~ **Digital Signage.** We require all new Restaurants or any Restaurant undergoing a remodel to install interior digital signage from an approved vendor. We require all new Drive-thru Restaurants or any Drive-thru Restaurant undergoing a remodel to install exterior digital signage from an approved vendor. This includes a DMB system, as well as software, firmware, or cloud-based subscriptions necessary to maintain the digital signage in accordance with our standards. DMB equipment components include display panels, media players, installation kit and hardware, and a warranty for the display panels and media players. Interior DMB must be installed in Dunkin' standalone Restaurants and in the Dunkin' side of Combo Restaurants and are also required for the Baskin-Robbins side of Combo Restaurants. Exterior DMB must be installed in Dunkin' Restaurants with a drive-thru and are also required for Combo Restaurants with a Drive-thru. Estimated interior and exterior DMB equipment requirements and cost ranges are below but may vary depending on the size and configuration. Among other things, you may be required to install some or all the following:

~~(i)~~ The interior DMB system component is a 4-panel configuration, which includes 4 media players. Component prices range from \$7,700 to \$8,600 depending on the size and model of the display panels. Installation costs for a site survey, physical installation, mounting hardware, electrical and networking site preparation and vendor management fee to support a 4-panel interior DMB system will range from \$3,100 to \$4,900 depending upon scope of work required.

~~(ii)~~ If we determine based on the size and configuration of your Restaurant, a 2-panel component configuration may be used which includes 2 media players. Prices range from \$5,800 to \$6,300.

~~(iii)~~ We require you to install an exterior Drive-thru freestanding pedestal or 'All-in-One' canopy system, which includes a column structure and overhead canopy or canopy with a stand-alone stand, 2 exterior-rated digital panels featuring embedded POS System order confirmation detail, 2 media players, receptacles for housing Drive-thru order point communications (speaker & microphone), installation kit, and warranty for both the display panels and the media players. The component cost ranges from \$13,500 to \$14,300 depending upon the size/model of the freestanding pedestal or canopy structure and upon your site configuration. Costs for site survey, physical installation, electrical and networking site preparation and vendor management fee to support the exterior system will range from \$3,600 to \$4,700 depending upon scope of work required.

~~(iv)~~ We may require you to install an interior digital Order Status Board ("OSB") at Dunkin' standalone Restaurants and on the Dunkin' side of Combo Restaurants. The OSB includes an interior digital panel, media player, OSB pole or OSB bookcase fixture, and installation kit and warranty for both OSB and the media player. You will incur a one-time fee that we estimate to range from \$1,600 to \$2,000, depending upon site size and configuration. We

estimate that the costs for site survey, physical installation, electrical, and networking site preparation and vendor management fee to support the interior digital OSB will range from \$1,400 to \$1,825 depending upon scope of work required.

~~(v)~~ We may require you to install an exterior digital Drive-thru presell panel that includes a pedestal-mounted digital panel, media player, installation kit, and a warranty for both the digital panel and the media player. Prices currently range from \$8,200 to \$8,700 depending upon site size and configuration. We estimate that the cost for site survey, physical installation, electrical and networking site preparation and vendor management fee to support the exterior digital Drive-thru presell panel will range from \$4,300 to \$4,800, depending upon scope of work required.

~~(vi)~~ You must purchase monthly recurring managed services from our approved vendor, comprised of hosting of the DMB systems solution software, content management, storage, and distribution of DMB systems content, “Help Desk” or “Support Desk” support, and proactive monitoring of the DMB solutions at the Restaurant. The monthly recurring service fee ranges from \$13 to \$17 per panel, per Restaurant. Your cost will increase between \$13 to \$17 (each month) for each additional digital panel.

(7) ~~(G)~~ Service Desk Services. You must use our approved provider of Restaurant Technology System Service Desk services, who provide first point of contact assistance with your POS System and Restaurant Technology System. The Service Desk troubleshoots malfunctioning systems, arranges for hardware and software repairs, facilitates other technology processes and programs, and answers questions about certain technology operations. A current Service Desk contract is required for each of your Restaurants, covering any Restaurant Technology System components that the Service Desk supports. The cost of a Service Desk contract ranges from \$570 to \$825 per Restaurant, per year.

(8) ~~(H)~~ Drive-Thru Monitoring System. We require you to purchase and install the Drive-Thru monitoring system from our approved vendors to enable both in-Restaurant and remote measurement of the Drive-Thru servicing times by key activities. We estimate that this system will be in the range of \$2,500 to \$5,000, depending on the type of system installed. On-going fees range from \$400 to \$600 per year, depending on the type of system installed.

(9) ~~(I)~~ Drive-Thru Audio System. We require you to purchase, install, and maintain the digital Drive-Thru audio system from our approved vendor. The cost for digital Drive-Thru audio equipment is a one-time fee that we estimate to range between \$4,500 to \$9,000, depending on the type of system installed.

(10) ~~(J)~~ Credit Card Processing Services / Payment Terminal Device. You are required to participate in the approved credit card program with our approved vendor, which currently includes MasterCard, Visa, American Express, and Discover. You should expect to pay monthly bank and service fees for this service as well as fixed and variable transactional fees for processing. Each POS System terminal accepting tender must be interconnected to the payment terminal device with appropriate software to encrypt and tokenize the payment transactions provided by our approved vendor. The costs for the payment terminal hardware and accessories range from ~~\$0~~500 to ~~\$400~~700 per unit. Installation costs per Restaurant range from \$175 to \$500. Hardware and software maintenance for payment terminals range from \$320 to \$400 per year. Variable costs depend on the number of payment terminals present.

If we grant your Restaurant a limited exception to not use the required POS System, you may instead be required to install and maintain an external credit card and/or gift card payment processing device for each exception POS terminal that accepts tender. The range for such equipment is from \$500 to \$1,250 per POS terminal. In addition, Restaurants could purchase additional payment terminals for their Restaurants and the cost ranges from \$375 to \$450. Hardware and software maintenance for the additional payment terminals range from \$320 to \$400 per year. Installation costs per Restaurant range from \$175 to \$500.

You may be required to purchase fraud prevention services from our approved vendor for your Restaurant's online, mobile, and remote/advance ordering transactions from our approved vendor. The current cost of such fraud prevention services is between \$0 and \$0.02 per transaction.

- [\(11\)](#) ~~(K)~~ Stored Value Card. You are required to participate in the store value card ("SVC") program. Guests can add stored value to their cards with cash, credit or debit card, mobile wallets or card issuer tender programs, and the amount of the purchase they make with the card is automatically deducted from its stored value. The POS System has the SVC functionality integrated into the system; therefore, no additional hardware is required. You should expect to pay weekly and/or monthly bank and/or service fees as well as fixed and variable transactional fees for processing. A fee between \$0 and \$0.02 per transaction is applicable to in-store activations, reloads or purchases made using stored value cards in your Restaurant. These charges and fees may be adjusted as program and related costs change.
- [\(12\)](#) ~~(H)~~ Advance and Remote Ordering. We may require you to participate in advance and remote ordering programs through our approved vendor(s), which enables guests to place orders remotely, in advance. The on-going cost of the program may include fixed monthly fees ranging from \$0 to \$75 as well as transaction fees ranging from 2.0% to 15.0% of the order amount. Initial configuration, installation, and hardware costs range from \$150 to \$2,600 per Restaurant.
- [\(13\)](#) ~~(M)~~ POS System and BOH Technical Maintenance. We may require you to participate in a monthly maintenance program with our approved vendor with respect to your POS System and/or your BOH software, which will fund continuous improvements in the base software for the benefit of your Restaurant. Fixed monthly fees range from \$10 to \$25 per Restaurant.
- [\(14\)](#) ~~(N)~~ Payment Services. You may be required, in connection with your purchase of hardware, software and services from our approved vendors or from us, to pay a service fee to us or a third party for billing and administrative services they or we provide. We have entered into agreements with certain vendors under which we may assist such vendors with the billing and collection of fees from franchisees. While carrying out our responsibilities under such agreements, we may derive income for our services based on a percentage of the invoiced amounts, ranging from 0% to 6%.
- [\(15\)](#) ~~(O)~~ Data Availability Services. You may be required to purchase data availability services from our approved vendor for your Restaurants. Data availability includes the access to your time punch and transactional-level sales data for a rolling 18 months of data in the back-office system. Annual fees for data availability are \$36 per year, per Restaurant. Franchisees may opt out of data archiving, beginning in month 19, by providing 30 days' notice before the next

quarterly billing cycle; provided, however, a one-time re-activation fee of \$1,500 plus all past monthly fees will be charged to reinstate the data archiving services.

- (16) ~~(P)~~ In-Restaurant Music Service. You may be required to participate in an approved in-Restaurant music program to provide music and marketing content. We may require you to purchase, install, and maintain the system from our approved vendor. The cost of streaming hardware includes an initial charge of \$100-\$200 and then \$25-\$50 per month. All other associated costs related to sound distribution (speakers, amps, etc.) are dependent upon the type of system installed, and the size and configuration of your Restaurant. We do not permit playing music from other sources at your Restaurant.
- (17) ~~(Q)~~ Frictionless Drive-Thru. You may be required to participate in an approved frictionless drive-thru program with our approved vendor. This would include a \$32-\$45 cost per site per month.
- (18) ~~(R)~~ Security Patching. You are required to participate in a vendor approved security patching program. This would cover the Operating System and other third-party software patching/updating typically done once a month. The approximate cost would be \$5-\$10 per endpoint per month (example endpoints include each POS terminal and kiosk).

Below is a breakdown of the cost estimates for the additional, required aspects of the Restaurants Technology System if you will develop and operate a Combo Restaurant:

- (1) ~~1-~~ Nutritional Labeling Printer. As determined by controlling laws and regulations, you may be required to purchase, install, and maintain a label printer to provide information regarding the ingredients, components and/or nutritional information for products, which you sell in the Combo Restaurant. The initial cost of such a printer from our vendor ranges from \$75 to \$500 depending on the model selected.
- (2) ~~2-~~ Retail Transaction Receipt Marketing Solution. We may require you to participate in a monthly Retail Transaction Receipt Marketing Solution program, which will fund continuous support, maintenance, and improvements to the marketing solutions company whose software products transform traditional retail transaction receipts into engaging receipts that feature coupons and special offers for guests. Fixed monthly fees could range from \$17 to \$20.
- (3) ~~3-~~ Coin Changer. Franchisees are encouraged to install coin changers in their Restaurants. Approved coin changers can only be purchased through our approved POS System vendor as standard optional equipment. Price ranges for purchase, configuration, and installation are from ~~\$950~~ \$1,200 to ~~\$1,100~~ \$1,500 for one coin changer, depending upon the number of coin canisters installed. Annual maintenance prices range from \$90 to \$125 per Restaurant, per year. Prices vary depending on the number of coin changers and coin canisters installed.
- (4) ~~4-~~ Video Surveillance. To enable franchisees to have both Restaurant and remote view of activities, inclusive of a POS System overlay, we encourage you to purchase and install a video surveillance camera system that is integrated into the POS System. If integrated directly with the POS System, we require you to purchase this system from our approved vendor. Upfront installation and hardware costs range from \$300 to \$13,000 depending on the number of DVRs and cameras installed. We estimate that annual subscription or maintenance price ranges will be in the range of \$600 to \$5,200 per Restaurant, per year. Initial user setup fees

will likely range from \$25 to \$50. You may incur additional fees related to high levels of usage of cloud-based services, which range from \$99 to \$200 per user, per year.

- (5) ~~5.~~ Franchisee Business Intelligence (“BI”). BI is the above-store Business Intelligence reporting system that receives data nightly from the POS System (or other source application systems). This tool provides you with better insight into product sales trends as well as the effectiveness of programs and promotions in your network. All Restaurants with POS Systems may optionally enroll in the BI program at a cost of \$9 to \$15 per Restaurant, per month. Additionally, a network level data feed is available for a monthly cost of \$50 to \$75 per franchisee network. You may opt out of BI by unenrolling from the program before the next billing cycle. We may offer alternative business analytics tools, which may range in cost from \$8 to \$56 per Restaurant, per month.
- (6) ~~6.~~ In Restaurant Self-Ordering Kiosk. To enable guests to place orders without the assistance of a cashier, you may elect to purchase and install a Self-Ordering Kiosk from our approved vendor. We estimate that the initial per kiosk hardware and software costs could range from ~~\$10,000~~7,000 to ~~\$12,000~~11,000, plus on-going annual maintenance costs of approximately ~~\$1,000~~400 to ~~\$1,200~~500 per store, annually for the hardware maintenance, and ~~\$480~~400 to ~~\$540~~500 per kiosk for ~~the~~ software maintenance. Initial configuration and installation costs range from \$900 to \$1,200 per kiosk.
- (7) ~~7.~~ Line Busting Tablet. To enable a faster speed of service either inside or at the drive-thru, you may elect to purchase line busting tablet(s) from our approved vendor to at least take orders and potentially take payment. We estimate that the initial hardware and software costs could range from \$2,500 to \$4,000, plus on-going annual maintenance costs of approximately \$200 to \$300 for the hardware/software maintenance. Initial configuration and installation costs range from \$900 to \$1,200 per tablet.
- (8) ~~8.~~ Back-Up Protection Services. Computer systems are vulnerable in varying degrees to computer viruses, bugs, power disruptions, communication line disruptions, Internet access and content failures, and attacks by hackers and other unauthorized intruders (“Computer Problems”). It is your responsibility to protect yourself from these Computer Problems, which include taking steps to secure your systems (including continually updating firewalls, password protection, updating operating system service packs or patches, and anti-virus systems), and to use data backup systems. Our vendors may offer protection services or systems at costs ranging from \$85 to \$600 per Restaurant per year based on services provided.

Training

You must always manage your Dunkin’ Restaurant with at least 2 individuals, one of whom must be you or another Owner, and the other must be a designated representative, both of whom must have successfully completed our required initial training program. Successful completion of the initial training program means achieving a cumulative score of 90% on all the written or verbal tests in each class, completing all required homework and online learning, and adhering to our then-current student expectations. All attendees of the initial training program must have literacy and fluency in the English language sufficient to satisfactorily complete our training program and to communicate with employees, guests, and suppliers. Any person who fails to satisfy any of the foregoing will be dismissed from the training program. You must also achieve proficiency in all aspects of the business.

If you do not successfully complete our initial training requirements, we may terminate the Franchise Agreement.

If you sign a ~~Store~~-Development Agreement to develop and operate 6 to 19 Restaurants within 3 to 5 years, you must have 3 people attend and successfully complete the initial training program. In addition to the 2 individuals identified above, the third individual should be the person generally responsible for training your employees. If you sign a ~~Store~~-Development Agreement to develop and operate 20 or more Restaurants within 3 to 5 years, you must have 4 people attend and successfully complete the initial training program. In addition to the 3 individuals described above, the fourth individual should generally act as a multi-restaurant manager.

If you are developing or purchasing a Combo Restaurant, you must successfully complete training and any certification requirements for both brands before opening. If you wish to develop and operate multiple Restaurants, you must continuously manage your network with a minimum number of individuals who have successfully completed our training program according to our Standards. If additional individuals from your organization want or need to complete Brand training to meet these requirements, you must pay our then-current initial training fee for each individual per class. Currently, our initial training fee is \$4,000 per person to attend the initial training program.

You are solely responsible for the costs related to the attendees' attendance of the initial training program, including uniforms, salaries, accommodations, and travel expenses. Attendees of the initial training program are required to execute our then-current form of participation agreement and comply with our then-current training policies. If you cancel a scheduled training, you must pay us our then-current cancellation fee. Our current cancellation fee is \$1,000 per person if you cancel 8-14 days before the scheduled class, and \$2,000 per person if you cancel ~~57~~ days or fewer before the scheduled class.

Dunkin' Training Program:

The "Dunkin' Training Program" takes a minimum of 19 days to complete the virtual, classroom, and instructional phases, not including travel time, orientation and pre-requisite online course modules. The Dunkin' Training Program is offered a minimum of 8 times a year virtually or in a training-certified franchisee Restaurant ("Certified Training Restaurant"). Our online training platform referred to as “The Center” is for franchisees, their management, and their franchise team members. You will be required to have a broadband high-speed Internet connection and a PC (personal computer) or tablet capable of accessing the Internet and using The Center. For any ~~Baskin Robbins~~[Dunkin'](#) training programs, you will need to bring a laptop computer(s) with you so that you and your manager can individually access and complete the online portion of the training. [Multi-Brand Locations](#)

If we permit you to operate the Restaurant at a Multi-Brand Location, the services, guidance and assistance that we provide under the Franchise Agreement, including any training, may be intended for stand-alone Dunkin' Restaurants and not tailored or specific to Multi-Brand Locations. We may modify our training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Dunkin' Restaurant and the Other Restaurants. However, you must ensure that all employees who provide services to the Dunkin' Restaurant's customers or otherwise assist in the Dunkin' Restaurant's operation are properly trained to operate the Dunkin' Restaurant and otherwise satisfy our requirements. We have no obligation to provide training, services or other assistant with respect to the development or operation of any Other Restaurant. (Sections 4 and 5 of

the MBA). [However, you are required to complete all training required for the Other Restaurant\(s\), as described under each applicable Other Franchisor's franchise agreement.](#)

ITEM 12: **TERRITORY**

The Franchise Agreement

You will operate the Restaurant at a specific location that we first must accept. If you have not located the Premises as of the Franchise Agreement's effective date, you must secure, by lease or purchase, a suitable site with enough time to develop and open the Restaurant by the Required Opening Date identified in the Franchise Agreement. We may terminate the Franchise Agreement if you do not secure a site, develop, and open the Restaurant by the Required Opening Date identified in the Franchise Agreement. You will not receive an exclusive territory. You also do not have any type of nonexclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We retain the right to operate or license others to operate Dunkin' Restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

You may not distribute products other than Menu Items at and through your Restaurant, including alternative channels of distribution. We use alternative channels of distribution for our products and trademarks, and we may expand our sale of products on a local, regional, national, or international basis. We have the right to distribute (or license others to distribute) products identified by our trademarks (or by any other name or trademark) anywhere and in any form (for example, in packages or otherwise), regardless of the proximity to your location, through any distribution methods or channels. These other sources of distribution could compete with you. Among others, we reserve the right to distribute goods and services through the Internet and other electronic communications, telephone, mail or other methods, regardless of the destination of the products or services.

If you wish to relocate your Restaurant, you must seek our approval in writing and provide us all the information that we need to evaluate your proposal. Any such request will be subject to our prior written approval of the proposed new site and our determination that you have met our then-current criteria for relocation. Our approval process for a proposed relocation is substantially the same process as it is for considering a proposed new location. Among other requirements to be approved for a relocation, you must be current with all your obligations to us and our affiliates, and you may be required to sign our then-current form of Franchise Agreement (which may be materially different than your original form of Franchise Agreement), and you may be required to pay all required fees to us and our affiliates.

If we and any Other Franchisor grant you the right to operate a Dunkin' Restaurant and one or more Other Restaurants at a Multi-Brand Location, Other Franchisor(s) may grant you territorial exclusivity which will be described in Other Franchisor's FDD and/or Other Franchise Agreement.

~~The Store~~ Development Agreement

If we grant you the right to open more than one Dunkin' Restaurant, you must sign a ~~Store~~ Development Agreement. Under the ~~Store~~-Development Agreement, you will be granted the right to

develop 2 or more Dunkin' Restaurants within the ~~Store~~-Development Area. So long as you are fully complying with the terms of the ~~Store~~-Development Agreement, and you and your affiliates are fully complying with all other agreements between us and our affiliates, then during the term of the ~~Store~~-Development Agreement we will not operate, or authorize any other party to operate, another Dunkin' Restaurant within the ~~Store~~-Development Area, except (i) we may grant franchises to you and your Controlled Affiliates within the ~~Store~~-Development Area; (ii) for any Dunkin' Restaurants already located or under development within the ~~Store~~-Development Area that we identify on an exhibit to the ~~Store~~-Development Agreement, and (iii) for certain SDO opportunities in the ~~Store~~-Development Area. You will sign the first Franchise Agreement once we have approved the site for your first Restaurant.

Our rights are intended to maximize potential distribution of Dunkin' products within the ~~Store~~-Development Area. Typically, ~~Store~~-Development Areas are relatively limited in size and scope. The ~~Store~~-Development Area's size and development requirements may reflect other factors, including the ~~Store~~-Development Agreement's term, the number of Restaurants to be developed, length of time to develop Restaurants in the area, retail shopping facilities, major employment centers, transportation centers (train stations, bus terminals, etc.), key traffic intersections, interstate highway ramps, and population.

As part of your review of a particular trade area or territory, we may (but are not required to) provide you with certain information such as: (a) maps indicating existing Restaurants and/or competitor locations and may highlight potential areas of interest to us; and (b) demographic reports (including population and median household income) generated by third parties. It is important you validate the information we provide to you. We do not draw any inferences regarding Restaurant performance from the map or demographic information we share with you, and you may not draw any inferences from them either. We also do not represent or guarantee that the existence of a certain level of demographics, maps or trade area characteristics will translate to a certain level of financial performance, and you may not draw any such inferences based upon any of the information we provide to you. The information is not provided for that purpose.

If you sign a ~~Store~~-Development Agreement, you will be responsible for developing at least the minimum number of Restaurants set forth in the ~~Store~~-Development Agreement. We determine the size of the ~~Store~~-Development Area, the number of Restaurants, the duration of the ~~Store~~-Development Agreement and the development schedule across the ~~Store~~-Development Agreement. Each proposed location must be submitted to us for our review, must meet our design standards, and may be developed only if we provide our prior written approval. If you do not continue to meet our then-current guidelines for multi-restaurant development and ownership, then our approval of your development or opening of scheduled Restaurants may be withheld. You will be granted limited territorial protected rights during the term of the ~~Store~~-Development Agreement. You must open and continuously operate Dunkin Restaurants in the ~~Store~~-Development Area according to the Development Schedule to maintain your rights under the ~~Store~~-Development Agreement. If you do not comply with the Development Schedule or the other provisions of the ~~Store~~-Development Agreement or any Franchise Agreement, then, among other things, we may terminate the ~~Store~~-Development Agreement.

If you are offered and you sign a ~~Store~~-Development Agreement with one or more conditional options to extend, you will need to execute an Addendum to the ~~Store~~-Development Agreement and meet all conditions outlined in that Addendum to exercise those options. We do not anticipate making this option to extend available to anyone who is developing more than 3 Restaurants and it will not

necessarily be available for all ~~Store~~-Development Agreement of 3 Restaurants or less. We may modify or cancel this program at any time.

If we approve your addition of a Baskin-Robbins Restaurant to your Restaurant, you will be required to pay to our affiliate, Baskin-Robbins, an additional IFF, and you will need to execute a Combo Franchise Agreement. If we grant you the right to develop multiple Combo Restaurants, then you will execute a Combo ~~Store~~-Development Agreement. (See Item 5.)

In addition, if there are Restaurants operated by other Dunkin' franchisees in the ~~Store~~-Development Area, then we reserve the right to approve the relocation of each of those Restaurants within its already-existing trade area.

For each Restaurant you develop under the ~~Store~~-Development Agreement, you will sign a Franchise Agreement. Under the Franchise Agreement, you will be granted the right to operate one Restaurant at a specific location that is specified in the Franchise Agreement or its exhibits, and only at that location. You will not be granted any additional rights, any minimum territory, or other protected rights.

Unless your ~~Store~~-Development Agreement provides for additional development, you do not have a right to develop and open additional Restaurants. You also will not have any options or similar rights to acquire additional Restaurants. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution, from products we license, or competitive brands that we control.

Affiliated Franchised Brands

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13:
TRADEMARKS

The Franchise Agreement licenses you to use the Proprietary Marks. “Proprietary Marks” means the trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin we periodically designate. Our affiliate, DD IP Holder LLC (“IP Affiliate”) has registered the following principal trademarks on the Principal Register of the U.S. Patent and Trademark Office (the “USPTO”):

Principal Trademark	Registration Number	Registration Date
DUNKIN’ DONUTS	Reg. No. 748,901	April 30, 1963

DD cup logo (in color)	Reg. No. 3,282,278	August 21, 2007

Cup with D’	~~App~~ Reg. No. ~~97/882,330~~ 7,681,554	~~App. Date: April 11, 2023~~ February 4, 2025

IP Affiliate has made all required renewal and affidavit filings. There is no agreement that limits our right to use or license the use of the Proprietary Marks related to the franchise.

~~We do not have a federal registration for one of our principal trademarks. Therefore, that trademark does not have as many legal benefits and rights as a federally registered trademark. If our right to that trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.~~

There are no effective material determinations of the USPTO, Trademark Trial and Appeal Board, or any state trademark administrator or any court that would impede your right to use the Proprietary Marks under the terms of the Franchise Agreement. There are no pending infringement, opposition, or cancellation proceedings involving the Proprietary Marks and no pending material litigation involving the principal Proprietary Marks other than as may be stated in this FDD.

Your right to use the Proprietary Marks is derived only from the Franchise Agreement and is limited to operating the Restaurant according to the Franchise Agreement and all Standards we implement during the term of the Franchise Agreement. You may not sublicense the Proprietary Marks. Your unauthorized use of the Proprietary Marks is a breach of the Franchise Agreement and infringes our and IP Affiliate’s rights in the Proprietary Marks. Your use of the Proprietary Marks and any goodwill established by that use are for our and IP Affiliate’s exclusive benefit, and the Franchise Agreement does not confer any goodwill or other interests in the Proprietary Marks upon you (other than the right to operate the Restaurant under the Franchise Agreement). All provisions of the Franchise Agreement relating to the Proprietary Marks apply to any additional and substitute trademarks and service marks that we periodically authorize you to use. Neither you nor your Owners may directly or indirectly at any time during or after the term of the Franchise Agreement contest or assist others in contesting the validity, or our licensor’s ownership, of the Proprietary Marks or register, apply to register, or

otherwise seek to use or in any way control any Proprietary Mark or any confusingly similar form or variation of any Proprietary Mark.

You must use only the Proprietary Marks we periodically designate and in the manner that we periodically approve. You may not use the Proprietary Marks to advertise or sell products or services through the mail or by any electronic or other medium, including the Internet, without our prior written approval. Our right to approve any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet “home page” or other website using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees. You agree not to use the Proprietary Marks or the names “Dunkin’ Donuts”, “Dunkin’”, “DD”, “Dunk” or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social media accounts, or other identification of you or your business, in any medium. In all approved uses of the Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated in the manner that we periodically specify. You must modify or discontinue using any Proprietary Mark and/or use one or more additional or substitute trademarks or service marks as we periodically specify, and we are not required to reimburse you for your costs.

You must notify us promptly if you become aware of any actual or apparent infringement or litigation relating to the Proprietary Marks. We or IP Affiliate may take the action that we or it deems appropriate (including no action) and control exclusively any litigation or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. You agree to reasonably cooperate with us (at our expense) with respect to actions that, in the opinion of our or IP Affiliate’s attorneys, are necessary or advisable to protect and maintain our and our licensor’s interests in any litigation or other proceeding or otherwise to protect and maintain our and IP Affiliate’s interests in the Proprietary Marks. At our option, we or IP Affiliate may defend and control the defense of any claims disputing your use of, or challenging the validity of, or our or IP Affiliate’s rights in, any Proprietary Mark.

We agree to defend, indemnify and hold you and your successors and assigns harmless from, including by reimbursing any reasonable attorneys’ fees and other costs and expenses you incur in connection with, any claims disputing your use of, or challenging the validity of or our (or IP Affiliate’s) rights in, any Proprietary Mark we license you under the Franchise Agreement, as long as the claim does not arise from your use of any Proprietary Mark in breach of the Franchise Agreement, the Manual or the Standards.

If we permit you to operate the Dunkin’ Restaurant at a Multi-Brand Location, you may use the Other Franchisor’s trademarks licensed to you under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

ITEM 14: **PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

Patents and Copyrights

No patents or patent applications are material to the franchise. We claim copyrights in the Manuals, magazines, posters, toys, pamphlets, brochures, television advertisements, and all other printed and

pictorial materials that we produce (whether or not those are registered with the U.S. Copyright Office), and we will make these available to you for your use under the terms of the Franchise Agreement. We have not registered these copyrights with the United States Copyright Office but need not do so at this time to protect them. You may use these items only as we specify while operating your Restaurant and must stop using them if we so direct you.

There currently are no effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of copyrighted materials in any state. We need not protect or defend copyrights, although we may do so if in the system's best interests. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright.

Confidential Information

We will disclose certain confidential information to you during the terms of the Franchise Agreement. "Confidential Information" includes information relating to us or the Dunkin' System that is proprietary, provides a competitive advantage to Dunkin' Restaurants, and is not generally available to the public, including development plans for Dunkin' Restaurants; certain proprietary information in the Manuals and Standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Dunkin' Restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary Operating Assets and other products and services that Dunkin' Restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing the Restaurant. We and our affiliates own all right, title and interest in and to the Confidential Information.

Under the Franchise Agreement you will agree that you and your Owners (1) will not use any Confidential Information in any other business or capacity, whether during or after the term of the Franchise Agreement, and will not sell, trade or otherwise profit in any way from the Confidential Information, except during the term of the Franchise Agreement using methods we approve; (2) will keep the Confidential Information absolutely confidential, both during the term of the Franchise Agreement and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form; and (3) will adopt and implement all reasonable procedures that we periodically designate to prevent unauthorized use or disclosure of Confidential Information, including restricting its disclosure to Restaurant personnel and others needing to know such Confidential Information to operate the Restaurant, and using confidentiality agreements we specify with those having access to Confidential Information.

"Confidential Information" does not include information, knowledge or know-how that is or becomes generally known in the restaurant industry (without violating an obligation to us or our affiliates) or that you knew from previous business experience before we provided it to you (directly or indirectly). If we include any item in Confidential Information, anyone who claims that it is not Confidential Information must show by reasonable evidence that the exclusion in this paragraph is fulfilled.

Innovations

All ideas, concepts, techniques or materials relating to a Dunkin' Restaurant, whether or not protectable intellectual property and whether created by or for you or your Owners (including the ideas, concepts, techniques or materials developed for you by your employees or contractors to which you own the intellectual property rights) (collectively, "Innovations") must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, by this paragraph you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to execute (and to cause your Owners to execute) whatever assignment or other documents we reasonably request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Restaurant or otherwise without our prior approval.

ITEM 15:

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must devote continuous best efforts to the development, management, and operation of your business, which includes the devotion of sufficient time and resources to ensure full and complete compliance with your obligations to us under the Franchise Agreement, and if applicable, the ~~Store~~ Development Agreement. You must develop and operate the Restaurant in compliance with our Standards.

If you sign a ~~Store~~-Development Agreement, you or ~~you~~your Controlled Affiliate must locate sites for and develop the required number of Dunkin' Restaurants agreed to under the Development Schedule and located within the ~~Store~~-Development Area. A "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least 51% of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Dunkin' Restaurant developers and obtain our approval. Additionally, if you are an entity, then each Owner must sign our then-current form of guaranty to be personally bound by all provisions of the ~~Store~~-Development Agreement and any ancillary agreements between us and you.

Under the Franchise Agreement, you must develop and operate the Dunkin' Restaurant in compliance with the terms of the Franchise Agreement, including our Standards and Manuals. If you are a corporation, limited liability company, or other entity, then you agree that each Owner must sign our then-current form of guaranty to be personally bound by all provisions of the Franchise Agreement and any ancillary agreements between us and you.

As a new franchisee, you may expect to perform a substantial amount of manual labor, especially during the first year of operation. During the beginning of the term of the Franchise Agreement, you should expect to work a full shift in the Restaurant every day. However, your personal "on-premises" supervision is not required under the terms of the Franchise Agreement. Your on-premises manager must be trained in accordance with our training requirements. We recommend your on-premises manager have an ownership interest in you, but this is not required under the terms of the Franchise Agreement. Your on-premises manager cannot have an interest or business relationship with any a

Competitive Business. You must keep confidential the Confidential Information, although you may share this information with your employees to the extent necessary.

ITEM 16:
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to confine your business to the operation of a Restaurant. You may not conduct any other business or activity at the Restaurant without our prior written approval. You may only offer or sell products that we have approved, and you must offer for sale the full menu that we require. We may periodically add, delete, or change the list of products that you are required to offer at your Restaurant. There are no limits on our right to do so. If you operate a Dunkin' Restaurant from an SDO location, the menu that we require may be different from the full menu required at traditional Dunkin' Restaurants.

In offering products for sale, you may only use ingredients, products, materials, supplies, paper goods, uniforms, fixtures, furnishings, signs, and equipment that we have approved, and you also must follow our required methods of product preparation and delivery.

Your franchise is limited to one location and all sales must be made only from that location. You are not permitted to sell or distribute goods or services through the Internet or other electronic communications without our prior written authorization. We have the right to require which third party services are permitted relating to your Restaurant, under what conditions, and for how long, and to establish standards for your use of delivery or catering services and, we have the right to change those standards periodically as we see fit. You may incur costs associated with third party delivery services including hardware, software, delivery fees, service fees, and other expenses.

If we permit you to operate the Dunkin' Restaurant at a Multi-Brand Location, you may offer the products and services authorized by the Other Franchisor under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

ITEM 18: **PUBLIC FIGURES**

We do not use any public ~~figure~~figures in promoting the sale of our franchise.

ITEM 19: **FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

These financial performance representations provide actual, historical “AUVs,” or ~~average~~–“Annual Unit Volumes,” for specific groups of franchised Dunkin’ Restaurants. “Unit Volume” has the same meaning as Gross Sales, which we define in the note below. This Item 19 includes financial information for our ~~2024~~2025 fiscal year (which we will call simply “~~2024~~2025” in this Item 19), which is the period from ~~January 1~~December 30, 2024 until December ~~29~~28, ~~2024~~2025. Indeed, federal and state franchise laws permit us to include in Item 19 either (a) a historical financial performance representation about the franchise system’s existing outlets or a subset of those outlets, or (b) a forecast of the prospective franchisee’s future financial performance. The information in this

Item 19 reflects ~~2024~~2025 historical data for the ~~AUV~~AUVs of certain franchised Dunkin' Restaurants, and is not a forecast of future financial performance or a projection.

There were ~~8,465~~8,744 franchised Dunkin' Restaurants (excluding Combo Restaurants) operating in the United States at the end of ~~2024~~2025. ~~Of these, 6,584~~2025, of which 1,932 operated at ~~traditional locations and 1,881 operated at~~ non-traditional locations/SDOs. We excluded from these financial performance representations: (a) all ~~309~~314 of the franchised ~~restaurants~~Dunkin' Restaurants that first opened for business during ~~2024~~2025 and did not operate for the full year; (b) all ~~956~~1,261 of the franchised ~~restaurants~~Dunkin' Restaurants that were closed and reported no sales for extended periods during ~~2024~~2025, often for ~~2 weeks or more~~ than a month, either as part of remodeling or rebuilding the ~~restaurant~~Dunkin' Restaurant, due to a hurricane or weather-related casualty or fire/water damage, ~~due to a seasonal closure~~, or because of a ~~planned~~ relocation or planned transfer; ~~and~~ (c) all ~~183~~6 of the franchised Dunkin' Restaurants that operated at Multi-Brand Locations (613 of which ~~first opened for business in 2024, and 2 of which converted from a Combo Restaurant to a Multi-Brand Location and reopened as a Multi-Brand Location in 2024, such that all 8 of these openings are~~ were excluded under (a)) above because they first commenced operations during 2025); (d) all 111 self-serve Dunkin' Restaurants, which had no employees dedicated solely to the Dunkin' Restaurant operations and results that are not typical for Dunkin' Restaurants that are not self-serve and have dedicated employees; and (e) all 25 Dunkin' Restaurants that operate on a part-time basis or under a schedule that is materially different from a typical Dunkin' Restaurant schedule, including restaurants with seasonal operations and restaurants that are only open on certain days or for limited hours, like those at convention centers, stadiums, government buildings, theme parks, and banks. The financial performance representations in this Item 19 provide AUVs during ~~2024~~2025 for the remaining ~~7,190~~7,010 franchised Dunkin' Restaurants (called the "~~2024~~2025 Franchised Restaurants") or an identified portion of those ~~2024~~2025 Franchised Restaurants. Of the ~~2024~~2025 Franchised Restaurants, 5,592 operated at traditional locations, ~~and 1,598~~1,418 operated at non-traditional locations/SDOs.

We also excluded from these financial performance representations (a) the 9681 franchised Dunkin' Restaurants that closed in ~~2024~~2025, all of which were open for at least 12 months before they closed; (b) all of the 34 company-owned Dunkin' Restaurants that we or our affiliates operated as of the end of ~~2024~~2025; and ~~all 1,269~~(c) the 1,219 franchised Combo Restaurants that franchisees operated as of the end of ~~2024~~2025.

The ~~2024~~2025 Franchised Restaurants that operated at traditional locations were located in various types of structures, such as free-standing buildings and shopping centers/store fronts, some with a drive-thru window and others without a drive-thru window. Some traditional ~~2024~~2025 Franchised Restaurants are drive-thru only. The ~~2024~~2025 Franchised Restaurants that operated at traditional locations typically range in size from approximately 600 to 3,000 square feet. The ~~2024~~2025 Franchised Restaurants that operated at non-traditional locations/SDOs were located in gas and convenience stores, airports, casinos, hospitals, entertainment and sports complexes, schools and colleges, hotels, limited-access highway food facilities, military facilities, travel centers, travel plazas, department stores and big box super stores, supermarkets, enclosed malls, theme parks, and government locations. The ~~2024~~2025 Franchised Restaurants that operated at non-traditional locations/SDOs typically range in size from approximately 300 to 2,000 square feet. The ~~2024~~2025 Franchised Restaurants are located across the country and in a variety of urban, suburban and rural locations and in varied markets with wide-ranging levels of competition. Among the ~~2024~~2025 Franchised Restaurants, ~~94~~117 are drive-thru only, ~~4,643~~4,723 operate with drive-thru windows (but are not drive-thru only), and ~~2,453~~2,170 do not have drive-thrus. Notes:

(1) “AUV” or “Annual Unit Volume” for ~~a 2024~~the 2025 Franchised ~~Restaurant~~Restaurants is the same as Gross Sales, which means all revenue related to the sale of approved products and provision of services (including direct delivery, catering and/or delivery services through third parties) through the operation of the franchised Dunkin’ Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from guests on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale.

(2) We calculate the average AUVs in this Item 19 by adding the ~~Unit Volumes~~AUVs for each ~~restaurant~~Dunkin’ Restaurant in the applicable group and dividing the sum by the number of ~~restaurants~~Dunkin’ Restaurants in the applicable group. We obtain the ~~Unit Volumes~~AUVs for franchised Dunkin’ Restaurants from sales reports that franchisees submit to us and from data that we collected from franchisees’ POS systems. We have not independently audited that information. Prospective franchisees and sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form. Upon your reasonable request, we will provide written substantiation for these financial performance representations. ~~The sales of the 2024 Franchised Restaurants varied~~ A Dunkin’ Restaurant’s sales may vary depending on a number of factors, such as the restaurant’s location and physical condition, other characteristics of the site (such as access and signage), seasonality, competition and demographics in the market, pricing decisions, the level and types of marketing the restaurant ~~undertook~~undertakes, the quality of management and service, commitment to training staff, ~~the~~a franchisee’s business acumen, and the length of time the restaurant has been open. The ~~2024 Dunkin’~~2025 Franchised Restaurants offer essentially the same products and services, face the same kinds of competitive challenges, and receive the same level of support from us that we expect new franchisees will experience.

~~(3) We define the “Regions” and “Divisions” for purposes of these financial performance representations as follows:~~

- Non-traditional Dunkin’ Restaurants/SDOs: “Gas or C-stores” are typically located at gas filling stations and convenience stores. “Airport” locations are typically located in terminals of airports, ~~and “Casino” locations are in or adjacent to casinos.~~ “Other” non-traditional/SDO Dunkin’ Restaurants are located at casinos, hospitals, entertainment and sports complexes, schools and colleges, hotels, limited-access highway food facilities, military facilities, travel centers, travel plazas, department stores and big box super stores, supermarkets, enclosed malls, theme parks, and government locations.

(54) These financial performance representations do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the AUV figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Restaurant. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you’ll sell as much.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. Notes to the Tables Above Regarding Multi-Brand Locations:

~~Note 1: The total number of standalone or solo Dunkin' Restaurants may be affected by the closing of the Baskin Robbins portion of some Combo Restaurants. These former Combo Restaurants are now counted as solo Dunkin' Restaurants. The total number of solo Dunkin' Restaurants may be affected by the addition of a Baskin Robbins to an existing solo Dunkin' Restaurant. These former solo Dunkin' Restaurants are now counted as Combo Restaurants. We do not consider these as new restaurant openings or terminations of solo Dunkin' Restaurants.~~

~~Note 2: Openings of Multi-Brand Locations at existing outlets are reflected as new Dunkin' Restaurant openings. This may include outlets that were previously solo Dunkin' Restaurants or Combo Restaurants. These openings are denoted with a*.~~

~~Note 3: The charts do not include Dunkin' Restaurants located on U.S. military bases outside of the United States.~~

~~The tables above provide information during the periods labeled as 2022, 2023 and 2024. The fiscal year 2022 numbers represent the 12-month period between December 25, 2021 and December 31, 2022. The fiscal year 2023 numbers represent the 12-month period between January 1, 2023 and December 31, 2023. The fiscal year 2024 numbers represent the period between January 1, 2024 and December 29, 2024. If multiple events occurred affecting an outlet, this table shows the event that occurred last in time.~~

~~During the last 3 fiscal years, we have signed confidentiality agreements with some current and former franchisees. Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to communicate with you. See Exhibit G for a List of Current Dunkin' Franchisees and Area Developers and Exhibit H for a List of Former Dunkin' franchisees.~~

Contact information for those franchisees that have signed Dunkin' Franchise Agreements, but the Restaurant was not open as of fiscal year end is as follows:

Notes to the Tables Above Regarding Combo Restaurants:

If one brand of a Combo Restaurant is impacted by a closure or other change that is disclosed in the tables above (e.g., ceased operations), then the entire Combo Restaurant is disclosed as such (e.g., ceased operations) even when the other brand was not impacted (e.g., it remains in operation).

Notes to All Item 20 Tables:

~~Note 1: The total number of standalone or solo Dunkin' Restaurants may be affected by the closing of the Baskin Robbins portion of some Combo Restaurants. These former Combo Restaurants are now counted as solo Dunkin' Restaurants. The total number of solo Dunkin' Restaurants may be affected by the addition of a Baskin Robbins to an existing solo Dunkin' Restaurant. These former solo Dunkin' Restaurants are now counted as Combo Restaurants. We do not consider these as new outlet openings or terminations of solo Dunkin' Restaurants.~~

~~Note 2: Please note that if one brand of a Combo Restaurant is affected (e.g., terminated), then the Combo Restaurant will be included in the above statistics (e.g., terminated) even though the other brand remains unaffected.~~

~~Note 3: The charts do not include Dunkin' Restaurants located on U.S. military bases outside of the United States.~~

7. The tables above provide information during the periods labeled as ~~2022, 2023 and~~, 2024. ~~The fiscal year 2022 numbers represent the 12-month period between December 25, 2021 and December 31, 2022 and 2025.~~ The fiscal year 2023 numbers represent the 12-month period between January 1, 2023, and December 31, 2023. The fiscal year 2025 numbers represent the period between December 30, 2024, and December 28, 2025. If multiple events occurred affecting ~~an outlet, this~~ a restaurant, the table shows the event that occurred last in time.

8. The total number of standalone Dunkin' Restaurants may be impacted by the addition of a Baskin-Robbins to an existing Dunkin' Restaurant. These former standalone Dunkin' Restaurants are then counted as Combo Restaurants.
9. The total number of standalone Dunkin' Restaurants may be impacted by the closing of the Baskin-Robbins/Other Brand portion of a Multi-Brand Restaurant or Combo Restaurant. These former Multi-Brand Restaurants or Combo Restaurants are then counted as standalone Dunkin' Restaurants.

Independent Auditors' Report

Board of Managers and Member
Dunkin' Donuts Franchising LLC:

Opinion

We have audited the financial statements of Dunkin' Donuts Franchising LLC (the Company), which comprise the balance sheets as of December 28, 2025 and December 29, 2024, and the related statements of income, member's equity, and cash flows for each of the fiscal years in the three-year period ended December 28, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 and December 29, 2024, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 28, 2025, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

DUNKIN' DONUTS FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF BUSINESS

Dunkin' Donuts Franchising LLC (the "Company" or "DD Franchisor") is a wholly-owned subsidiary of DB Franchising Holding Company LLC ("Franchisor Holdco" or "Parent"), which is wholly owned by DB Master Finance LLC (the "Master Issuer"). The Master Issuer, Franchisor Holdco, and DD Franchisor are all indirect wholly-owned subsidiaries of Dunkin' Brands Group, Inc. ("DBGI"), whose ultimate parent company is Inspire Brands, Inc. ("Inspire"). Due to its limited liability status, the Company's sole member, Franchisor Holdco, shall not be obligated for any debt, obligation, or liability of the Company solely by reason of being a member.

DBGI franchises and licenses a system of both traditional and nontraditional quick service restaurants. DD Franchisor and related entities franchise restaurants featuring coffee, espresso, donuts, bagels, breakfast sandwiches, and related products.

The Company, along with Franchisor Holdco, the Master Issuer, and other affiliates, has entered into a management agreement with Dunkin' Brands, Inc. ("DBI"), a subsidiary of DBGI, under which DBI performs certain services related to franchise arrangements and other assets held by the Company, including collecting franchisee payments, causing the Company to enter into new franchise arrangements, and providing pre-opening and post-opening services for franchisees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

The Company consolidates entities in which it has a controlling financial interest, the usual condition of which is ownership of a majority voting interest. There are no other entities that consolidate into the Company. The Company also considers for consolidation an entity, in which it has certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity ("VIE"), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it.

The Company has entered into an agreement with SVC Service II Inc. ("SVC"), a wholly-owned subsidiary of DBI, through which SVC operates the gift card program as part of the marketing efforts under the Dunkin' brand. Through this agreement, SVC is entitled to receive from the Company a service fee in exchange for providing services, which could include reimbursement for any gift card administration expenses that are not otherwise funded through gift card breakage income or other sources. Therefore, although the Company does not possess any ownership interest, it possesses a variable interest in SVC. However, the Company does not have the power to direct the activities that most significantly impact SVC's economic performance, and therefore is not the primary beneficiary of SVC. The Company cannot quantify its maximum exposure to loss resulting from its involvement with SVC given the uncertainty in future unfunded gift card administration expenses. As of December 28, 2025 and December 29, 2024, the Company has not reimbursed any unfunded gift card administration expenses.

Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31. For the year 2023, the Company's fiscal reporting period ended on the last Saturday closest to December 31. DUNKIN' DONUTS FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS

Restricted Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 29, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

Restricted cash and cash equivalents primarily consist of cash held to meet certain reserve requirements in conjunction with the securitization transactions as described in Note 7.

Accounts and Notes Receivable, net

Accounts and notes receivable, net consist primarily of royalties, franchise fees and advertising fees due from franchisees. The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with the Company's franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Intangible Assets, net

The Company's intangible assets subject to amortization consist of franchise agreements. Franchise agreements are amortized on a straight-line basis using estimated useful lives (10 - 29 years).

The Company reviews definite-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the related asset groups may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value. During the fiscal years ended December 28, 2025, December 29, 2024, and December 30, 2023, the Company determined that no impairment was indicated for its intangible assets.

Contingencies

The Company records an accrual for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Franchise fees and royalty revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

DUNKIN' DONUTS FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. The master franchisee will also pay continuing fees, or royalty revenues, on a monthly basis based upon a percentage of sales. The master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

The franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are recognized over the renewal term for the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer. Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Fees received or receivable that are expected to be recognized as revenue within one year are classified as "Current portion of deferred revenue" in the balance sheets.

Franchise contributions for advertising

Domestically, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur. Additionally, the Company accrues advertising expenses, representing the Company's obligation to remit advertising fund contributions to affiliated entities of the Company to be used for advertising for the Dunkin' brand. When revenues of the advertising fund exceed the related advertising expenses, advertising expenses are accrued up to the amount of the revenues.

Other revenues

Other revenues primarily include online training fees that are recognized over the term of the related agreement.

Income Taxes

The Company is a single-member limited liability company and is treated as a disregarded entity for federal and state income tax purposes. As a result, the Company generally does not incur U.S. income taxes. Instead, its earnings and losses flow up to its sole member and are ultimately included in the consolidated income tax returns of Inspire. DD Franchisor has not entered into a tax sharing agreement with Inspire, nor does its limited liability company agreement provide for tax distributions. All cash is collected in an account held in the name of the Master Issuer regardless of the Company's or its affiliates' tax position. No specific dividends are required for tax payments. As a result, the accompanying statements of income do not include a provision for U.S. income taxes. The Company incurs foreign tax expense attributable to foreign withholding taxes, which is recorded as provision for income taxes in the accompanying statements of income.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the statements of member's equity and on a net basis as a financing activity on the statements of cash flows.

DUNKIN' DONUTS FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS

Fair Value Measurements

The Company's financial instruments include restricted cash and cash equivalents, accounts and notes receivable, and accounts payable and accrued expenses. The fair value of restricted cash and cash equivalents, accounts and notes receivable and accounts payable and accrued expenses approximates book value due to their short-term nature. Asset groups containing long-lived assets are tested for impairment if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs (Level 3). The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2025 or 2024.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

Recently Adopted Accounting Pronouncements

Income Taxes (ASU 2023-09)

In December 2023, the FASB issued ASU 2023-09, "*Income Taxes (Topic 740): Improvements to Income Tax Disclosures*" ("ASU 2023-09") which requires additional disclosures in the rate reconciliation about specific categories of reconciling items and any individual jurisdictions that result in a significant difference between the statutory tax rate and the effective tax rate. ASU 2023-09 also requires entities to disclose annual income taxes paid (net of refunds received) disaggregated by federal, state and foreign taxes and in some cases to disaggregate the information by jurisdiction based on a quantitative threshold. The Company adopted ASU 2023-09 during the year ended December 28, 2025 on a retrospective basis. The pronouncement did not have a material impact on the related disclosures in Note 6.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's financial statements when adoption is required in the future.

6. INCOME TAXES

"Income tax expense" consists of current taxes related to foreign jurisdictions of \$6.3 million, \$6.1 million and \$6.0 million for 2025, 2024 and 2023, respectively.

The Company does not record a provision for income taxes for the limited liability companies that are treated as disregarded entities for U.S. income tax purposes and for which there is no tax sharing agreement. As a result, the provision for income taxes differed from the expense computed using the statutory federal income tax rate of 21% for 2025, 2024 and 2023.

7. COMMITMENTS AND CONTINGENCIES

The 2019 Class A-1 Senior Variable Funding Notes ("2019 Variable Funding Notes") and 2023 Class A-1 Senior Variable Funding Notes ("2023 Variable Funding Notes") allow for the issuance of up to \$150.0 million and \$850.0 million, respectively, of variable funding notes and certain other credit instruments, each including letters of credit of \$100.0 million in support of various Dunkin' subsidiary obligations. As of December 28, 2025, the Master Issuer had outstanding borrowings of \$88.8 million under the 2019 Variable Funding Notes leaving \$61.2 million of remaining capacity for future borrowings. As of December 28, 2025, the Master Issuer had no outstanding borrowings exclusive of \$56.4 million of outstanding letters of credit under the 2023 Variable Funding Notes leaving \$793.6 million of remaining capacity for future borrowings.

The remaining net proceeds were distributed to Inspire. No amendments or terminations were made to the 2023 Variable Funding Notes in connection with the transaction.

Legal and Environmental Matters

The Company is involved in various litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its financial position, results of operations or cash flows.

8. RELATED PARTY TRANSACTIONS

Management Agreements

The Company, along with other affiliates, has entered into a management agreement with DBI, as the Company has no employees. Under the management agreement, DBI manages all franchise arrangements and third-party license agreements, including, among other things, performing the obligations and enforcing the rights of the Company under new franchise agreements, collecting distributions and other management services provided to affiliates that are subsidiaries of the Master Issuer. As compensation for the performance of its obligations under the management agreement, DBI is eligible to receive a management fee from the Master Issuer. Any management fees paid by the Master Issuer are not allocated to the Company or any other domestic subsidiary of the Master Issuer.

Transactions with Affiliated Entities

Continuing advertising fees are deposited into an account held in the name of the Master Issuer and are subsequently withdrawn by DBI and affiliates for purposes of maintaining and administering the advertising funds in accordance with the franchise agreements. "Franchise advertising expenses" in the statements of income consist solely of such advertising fees that have been earned by the Company that have been or will be transferred to DBI and affiliates for purposes of advertising. "Advertising due to affiliates" reported in the accompanying balance sheets consists of advertising fees receivable that will be remitted to DBI and affiliates upon collection by the Master Issuer.

9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the balance sheet date through March 19, 2026, the date the financial statements were available to be issued, and there are no items to disclose or that require adjustment.

Independent Auditors' Report

The Stockholder and Board of Directors
Dunkin' Brands, Inc.:

Opinion

We have audited the consolidated financial statements of Dunkin' Brands, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 28, 2025 and December 29, 2024, and the related consolidated statements of operations, comprehensive income, stockholders' equity, and cash flows for each of the fiscal years in the three-year period ended December 28, 2025, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 and December 29, 2024, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 28, 2025, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of DBI and subsidiaries and have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). All intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates in the Preparation of the Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31. For the year 2023, the Company's fiscal reporting period ended on the last Saturday closest to December 31. Fiscal reporting periods are referred to herein as (1) "the year ended December 28, 2025" or "2025," (2) "the year ended December 29, 2024" or "2024" and (3) "the year ended December 30, 2023" or "2023." The years 2025, 2024, and 2023 consisted of 52 weeks.

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 29, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

The Company holds restricted cash and cash equivalents which primarily represents interest, principal, and commitment fee reserves related to the Company's notes. In accordance with the Company's securitized financing facilities, certain cash balances are required to be held for the benefit of the noteholders and are restricted in their use.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Accounts and Notes Receivable, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements, including contributions due to advertising funds it consolidates. These receivables from franchisees are due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts and notes receivable, net" on the consolidated balance sheets. Receivables from third party gift card distributors and channel revenue receivables are also included within "Accounts and notes receivable, net" on the consolidated balance sheets. The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Property and Equipment, net

Property and equipment are stated at cost less accumulated depreciation. Depreciation of property and equipment is computed on the straight-line basis using estimated useful lives of the related major classes of property and equipment. Estimated useful lives are 1 to 10 years for equipment, 6 to 35 years for buildings, and 1 to 20 years for leasehold improvements. Leasehold improvements are depreciated over the shorter of the estimated useful life or the remaining lease term of the related asset, including periods covered by renewal options that the Company is reasonably assured of exercising.

Depreciation related to the advertising funds is included within "Franchise advertising and other services expenses" in the consolidated statements of operations.

Routine maintenance and repair costs are charged to expense as incurred. Major improvements, additions, or replacements that extend the life, increase capacity, or improve the safety or the efficiency of property are capitalized at cost and depreciated. Major improvements to leased property are capitalized as leasehold improvements and depreciated. Interest costs incurred during the acquisition period of capital assets are capitalized as part of the cost of the asset and depreciated. Long-lived assets to be disposed of are reported at the lower of their carrying amount or fair value less estimated costs to sell.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed. The Company tests goodwill by reporting unit for impairment annually, as of the first day of the fiscal fourth quarter, or more frequently if events or changes in circumstances indicate that it may be impaired.

The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, the Company performs a quantitative impairment test of goodwill. The Company estimates the fair value of the reporting unit using an income approach through a discounted cash flow analysis using unobservable inputs (Level 3) and relevant data from the guideline transaction approach and guideline public companies market approach (Level 3). Significant assumptions and estimates used in determining fair value include future revenues and cash flows, terminal values, discount rates that approximate the reporting units' weighted average cost of capital and a selection of multiples for comparable publicly traded companies as guidelines for determining fair value under the market approach.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Indefinite-Lived Intangibles and Other Long-lived Assets

Indefinite-lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually, as of the first day of the fiscal fourth quarter, and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method using unobservable inputs (Level 3) to determine the fair value of its trademarks/trade names. Significant assumptions and estimates used in determining fair value include future revenues, royalty rates, terminal values, and discount rates.

Long-lived Assets

Long-lived assets are amortized on a straight-line basis using estimated useful lives of the related classes of assets.

The Company reviews long-lived assets, including operating lease assets, property, equipment, and software, and allocated intangible assets subject to amortization for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

The Company uses unobservable inputs (Level 3) to determine the fair value of its asset groups. Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from the Company's estimates.

Equity-Method Investments

The Company's equity-method investments consist of interests in B-R 31 Ice Cream Co., Ltd. ("Japan JV"), BR-Korea Co., Ltd. ("South Korea JV"), and certain other investments, which are accounted for in accordance with the equity-method. These amounts are recorded in "Equity-method investments" in the consolidated balance sheets. In applying the equity-method, the Company records the investments at cost and subsequently increases or decreases the carrying amount of the investments by its proportionate share of the net earnings or losses of the equity-method investments. The share of earnings or losses are recognized in "Income from equity-method investments" in the Company's consolidated statements of operations. The Company records dividends or other equity distributions as reductions in the carrying value of the investments.

The Company evaluates its equity-method investments for impairment whenever an event or change in circumstances occurs that may have a significant adverse impact on the fair value of the investment. If a loss in value has occurred and is deemed to be other than temporary, an impairment charge is recorded. Several factors are reviewed to determine whether a loss has occurred that is other than temporary, including absence of an ability to recover the carrying amount of the investment, the length and extent of the fair value decline, and the financial condition and future prospects of the investee.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" or as an asset in "Other assets" related to line-of-credit arrangements and are amortized as interest expense over the term of the related debt using the effective interest method.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. Our contracts do not contain any material residual value guarantees or material restrictive covenants. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating, sales-type or direct financing lease where the Company is a lessor or sublessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation and amortization, interest and rent expense and income reported would vary if different estimates and assumptions were used.

The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate non-lease components from lease components for all classes of underlying assets.

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by Inspire's incremental borrowing rate ("IBR"). Inspire's IBR is used because the rates implicit in most of the Company's leases are not readily determinable. The IBR selected is based on Inspire's credit rating and respective lease term.

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the right of use ("ROU") asset and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets and are recognized on a straight-line basis over the lease term in the Company's consolidated statements of operations. Lease costs are recorded in the consolidated statements of operations based on the nature of the underlying lease as follows: (1) rental expense for leased property that are subsequently subleased to franchisees is recorded to "Occupancy expenses - franchise restaurants" and (2) rental expenses related to leases for corporate offices and equipment is recorded to "Selling, general and administrative expenses."

Finance Leases

Amounts of finance leases are recognized based on future unpaid lease payments over the lease term, discounted by the Company's IBR. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation and amortization," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense." Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Selling, General and Administrative Expenses

Selling, general and administrative expenses primarily consist of wages and benefits, professional service fees, and occupancy costs for corporate headquarters and regional offices.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Foreign Currency

The Company's reporting currency is the U.S. dollar, while the functional currency of the Company's foreign operations is primarily the local currency in each foreign country. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance sheet date, while revenues and expenses are translated at the average exchange rates for the period. The resulting translation adjustments are recorded as a separate component of other comprehensive income and stockholders' equity, net of deferred taxes. Foreign currency translation adjustments primarily result from the Company's equity-method investments, as well as subsidiaries located in foreign jurisdictions. Transactions resulting in foreign exchange gains and losses are included in the consolidated statements of operations in "Other income, net."

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Franchise fees and royalty revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. For the Dunkin' brand and in certain Baskin-Robbins international markets, the master franchisee will also pay continuing fees, or royalty revenues, on a monthly basis based upon a percentage of sales. The master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

The franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are recognized over the renewal term for the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer. Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Additionally, for Baskin-Robbins international markets that do not pay a royalty, a portion of the consideration from the sales of ice cream and other products is allocated to royalty revenues as consideration for the use of the franchise license, which is recognized when the related sales occur and is estimated based on royalty rates in effect for markets where the franchise license is sold on a standalone basis. Fees received or receivable that are expected to be recognized as revenue within one year are classified as "Deferred revenue" within current liabilities in the consolidated balance sheets.

Franchise contributions for advertising and other services

Domestically and in limited international markets, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company and its franchisees sell gift cards that are redeemable for products in its Dunkin' and Baskin-Robbins restaurants. The Company manages the gift card program, and therefore collects all funds from the activation of gift cards and reimburses franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards, as well as historical gift certificates sold, is included in "Other current liabilities" in the consolidated balance sheets.

There are no expiration dates or service fees charged on the gift cards. While the franchisees continue to honor all gift cards presented for payment, the likelihood of redemption may be determined to be remote for certain cards due to long periods of inactivity. In these circumstances, the Company may recognize revenue from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. For Dunkin' gift cards enrolled in the DD Perks® Rewards loyalty program and other cards with expected similar redemption behavior, breakage is estimated and recognized at the point in time when the likelihood of redemption of any remaining card balance becomes remote, after a period of sufficient inactivity. Breakage revenue on all other Dunkin' gift cards and all Baskin-Robbins gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. Significant judgment is required in estimating breakage rates and in determining whether to recognize breakage revenue over time or when the likelihood of redemption becomes remote.

The Company also collects gift card program service fees from franchisees to offset the costs to administer the gift card program. The gift card program service fees are based on the volume of gift card transactions processed and are recognized as the underlying transactions occur.

Rental income

Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under the leases are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as deferred revenue in current liabilities in the consolidated balance sheets.

Wholesale revenues

The Company distributes Baskin-Robbins ice cream products and, in limited cases, Dunkin' products to franchisees and licensees in certain international locations. Revenue from the sale of ice cream and other products, including distribution fees, is recognized when title and risk of loss transfers to the buyer, which is upon delivery. Payment for ice cream and other products is due within three months after delivery.

Other revenues

Other revenues include fees generated by licensing the Company's brand names and other intellectual property, as well as gains, net of losses and transactions costs, from the sales of restaurants to new or existing franchisees. Licensing fees are recognized over the term of the expected license agreement, with sales-based license fees being recognized based on the amount earned each period as the underlying sales occur. Gains on the refranchise or sale of a restaurant are recognized over the term of the related agreement.

Income Taxes

The Company is included in the consolidated U.S. federal and certain state income tax returns of Inspire. The Company has prepared its income tax provision under the pro rata method by recording the Company's relative contribution to the Inspire consolidated income tax provision. The Company is a party to a formal tax sharing agreement between Inspire and certain of its subsidiaries (the "Tax Sharing Agreement"). The Company makes tax payments directly to certain state governmental jurisdictions for itself and on behalf of its subsidiaries. Differences between the Company's income tax provision and income taxes pursuant to the terms of the Company's Tax Sharing Agreement have been recognized as contributions from and distributions to Parent. Current amounts due to or from IRB or affiliates are included in "Income taxes payable" or "Prepaid expenses and other current assets," respectively.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company records income tax liabilities based on known obligations and estimates of potential obligations. A deferred tax asset or liability is recognized whenever there are (i) future tax effects from temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases or (ii) operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to the years in which those differences are expected to be recovered or settled. Deferred tax assets related to U.S. federal and state attributes are measured based on the Company's relative contribution to the Inspire consolidated deferred tax assets in accordance with the Tax Sharing Agreement. When considered necessary, the Company records a valuation allowance to reduce the carrying amount of deferred tax assets if it is more likely than not that all or a portion of the assets will not be realized on the Inspire consolidated federal tax return.

The Company applies a recognition threshold and measurement attribute for consolidated financial statement recognition and measurement of potential tax benefits associated with tax positions taken or expected to be taken in the Company's income tax returns ("Uncertain Tax Positions"). The Company uses a two-step process when evaluating tax positions. The Company first determines if it is more likely than not that a tax position will be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. A tax position that meets the more likely than not recognition threshold is then measured for purposes of consolidated financial statement recognition as the largest amount of benefit that is greater than 50% likely of being realized once the position is considered effectively settled.

Interest and penalties accrued for Uncertain Tax Positions are charged to "Income tax expense."

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of stockholders' equity. The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Additional paid-in capital," if any, until the cumulative "Additional paid-in capital" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Additional paid-in capital."

The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Franchise Advertising and Other Services Expenses

"Franchise advertising and other services expenses" in the consolidated statements of operations includes advertising expenses incurred by the Company, primarily through advertising funds, including expenses for the administration of the gift card program and loyalty program. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Costs of print advertising and certain promotion-related items are deferred and expensed the first time the advertising is displayed.

At the end of each fiscal year, additional accruals for advertising costs are recorded to the extent that an advertising fund has a surplus balance, as the Company is obligated to expend such amounts on advertising. Additional advertising costs resulting from the Company's obligation to spend surplus advertising fund contributions are recorded as "Franchise advertising and other services expenses."

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Fair Value Measurements

The Company's financial instruments include cash, cash equivalents, restricted cash, accounts and notes receivable, accounts payable and other current liabilities. The fair value of cash, cash equivalents, restricted cash, accounts and notes receivable and accounts payable approximates book value due to their short-term nature. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2025.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

Income Taxes (ASU 2023-09)

In December 2023, the FASB issued ASU 2023-09, *"Income Taxes (Topic 740): Improvements to Income Tax Disclosures"* ("ASU 2023-09") which requires additional disclosures in the rate reconciliation about specific categories of reconciling items and any individual jurisdictions that result in a significant difference between the statutory tax rate and the effective tax rate. ASU 2023-09 also requires entities to disclose annual income taxes paid (net of refunds received) disaggregated by federal, state and foreign taxes and in some cases to disaggregate the information by jurisdiction based on a quantitative threshold. The Company adopted ASU 2023-09 during the year ended December 28, 2025 on a retrospective basis. The updated disclosures are reflected in Note 9.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's consolidated financial statements when adoption is required in the future.

Total deferred tax liabilities	(2,102,631)	(2,131,798)
Deferred tax liabilities, net	\$ (1,858,961)	\$ (1,883,406)

Deferred tax assets and liabilities are presented on a net basis by jurisdiction in the consolidated balance sheets. Deferred tax assets for certain foreign jurisdictions totaling \$2.7 million and \$2.6 million as of December 28, 2025 and December 29, 2024, respectively, are included in other assets in the consolidated balance sheets. At December 28, 2025 the Company had net operating loss and capital loss carryforwards in certain international jurisdictions of approximately \$13.3 million and recorded deferred tax assets of \$2.3 million, net of valuation allowance, related to such loss carryforwards. In addition, the Company recorded \$0.2 million of deferred tax assets related to U.S. federal credit carryforwards. Operating loss and tax credit carryforwards primarily consist of net operating losses related to various international and U.S. state jurisdictions and unused U.S. foreign tax credits that expire from 2032-2045, and an immaterial amount that have no expiration.

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based upon the level of historical taxable income, and projections for future taxable income over the periods for which the deferred tax assets are deductible, management believes, as of December 28, 2025, with the exception of certain foreign net operating loss carryforwards for which valuation allowances have been recorded, it is more likely than not that the Company will realize the benefits of the deferred tax assets.

Undistributed earnings of the Company's foreign subsidiaries and foreign equity method investments continue to be indefinitely reinvested outside the United States unless such amounts would not be subject to tax, if repatriated. As a result, the Company has not recognized domestic or foreign deferred taxes on these undistributed earnings. As of December 28, 2025, the amount of the unrecognized foreign deferred tax liability related to the foreign equity investments is \$12.1 million. Determination of the amount of the unrecognized deferred tax liability related to earnings of its foreign subsidiaries is not practicable.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Organization for Economic Co-operation and Development (OECD) has released the Base Erosion and Profit Shifting framework 2.0 (Pillar Two) to introduce a global minimum corporate tax of 15% for companies with global revenues and profits above certain thresholds. As of December 28, 2025, certain countries we operate in have enacted legislation related to the global minimum tax rules under Pillar Two. The United States has not yet enacted legislation to adopt Pillar Two. There was an immaterial impact to our 2025 consolidated financial statements for Pillar Two. We will continue to monitor the impact as additional countries enact legislation going forward.

In July 2025, the One Big Beautiful Bill Act ("OBBBA") was enacted into law in the United States. The OBBBA includes numerous provisions that affect corporate taxation, including changes to bonus depreciation, the business interest expense limitation, the expensing of domestic research costs, and modifications to certain U.S. international tax rules. The Company evaluated all deferred tax balances and any other changes under the newly enacted tax law and reflected the results of such evaluations in its consolidated financial statements for the year ended December 28, 2025.

The U.S. federal income tax returns for all fiscal years ended through December 14, 2020 are settled. The U.S. federal income tax returns for Inspire remain subject to examination for all subsequent fiscal periods except for fiscal year ended January 3, 2021. With limited exceptions, certain of the Company's state income tax returns from fiscal year 2020 forward remain subject to examination. Various state income tax returns are currently under examination.

As of December 28, 2025, December 29, 2024, and December 31, 2023, the Company had unrecognized tax benefits of \$1.1 million, \$0.6 million, and \$0.3 million, respectively, which if resolved favorably would reduce income tax expense by \$1.0 million, \$0.5 million, and \$0.2 million, respectively.

A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

<i>(in thousands)</i>	2025	2024
Beginning balance	\$ 557	\$ 250
Additions:		
Tax positions related to current year	—	128
Tax positions of prior years	544	235
Reductions:		
Lapse of statute of limitations	—	(56)
Ending balance	<u>\$ 1,101</u>	<u>\$ 557</u>

As of December 28, 2025 and December 29, 2024, the Company had approximately \$1.1 million and \$0.1 million, respectively, accrued for interest and penalties related to unrecognized tax benefits recorded as tax expense. During the years ended December 28, 2025 and December 29, 2024, the Company accrued interest and penalties expense related to unrecognized tax benefits of \$1.0 million and \$0.1 million, respectively. During the year ended December 31, 2023, the Company recorded a net interest and penalty benefit related to unrecognized tax benefits of \$0.1 million.

10. GUARANTEES AND OTHER COMMITMENTS AND CONTINGENCIES

Lease Guarantees

The Company guarantees the performance of lease obligations, primarily related to affiliate restaurant locations. The guarantees, which extend through 2041, aggregated to a maximum of \$41.4 million as of December 28, 2025. At this time, the Company does not anticipate any material defaults under the foregoing leases; therefore, no liability has been recognized.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Supply Chain Guarantees

Certain subsidiaries of the Company have entered into various agreements with suppliers of franchisee products, the majority of which contain guarantees by such subsidiaries related to franchisees' purchases of certain volumes of products over specified periods. The guarantees decrease as franchisees purchase products over the respective terms of the agreements. The guarantees have varying terms, many of which are one year or less, and the latest of which expires in 2029. As of December 28, 2025, the Company was contingently liable under such supply chain agreements for approximately \$168.9 million. The Company assesses the risk of performing under each of these guarantees on a quarterly basis, and, based on various factors including internal forecasts, prior history, and ability to extend contract terms, the Company accrued an inconsequential amount of reserves related to supply chain guarantees as of December 28, 2025.

Legal and Environmental Matters

The Company is involved in various litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

11. TRANSACTIONS WITH RELATED PARTIES

On December 15, 2020, the Company entered into an intercompany services agreement with Inspire. Under the agreement, Inspire provides certain management advisory and tax consulting services to the Company. On January 1, 2025, the Company entered into an additional agreement with Inspire for procurement and supply chain services. During fiscal years 2025, 2024 and 2023, the Company paid the following to Inspire as a result of these agreements.

<i>(in thousands)</i>	2025	2024	2023
Advisory and tax consulting services	\$ 135,570	\$ 100,798	\$ 97,068
Procurement and supply chain services	65,960	—	—
Total	<u>\$ 201,530</u>	<u>\$ 100,798</u>	<u>\$ 97,068</u>

Inspire's methodology for each agreement is to allocate expenses based on charges directly incurred by the Company. As a result of these allocations, the Company's results of operations may not be indicative of those that would be achieved if they had operated on a stand-alone basis. These amounts are included within "Management fee to parent" within the consolidated statements of operations.

In December 2022, the Company invested in a note receivable from affiliate due on demand and in no case later than January 30, 2023. This note was subsequently repaid on the stated due date.

In February 2023, the Company invested in a note receivable from affiliate due on demand and in no case later than February 28, 2028. These amounts are included within "Notes receivable from affiliate" as a current asset in the accompanying consolidated balance sheets. This note was subsequently repaid during the year ended December 28, 2025.

In September 2024, the Company invested in a note receivable from affiliate due on demand and in no case later than August 20, 2029. This amount is included within "Notes receivable from affiliate" as a current asset in the accompanying consolidated balance sheets.

12. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the balance sheet date through March 19, 2026, the date the consolidated financial statements were available to be issued, and there are no items to disclose or that require adjustment.

EXHIBIT A - STATEMENT OF LEGAL COMPOSITION

TERMS AND CONDITIONS
© AND EFFECTIVE AS OF MARCH 2026

SECTION 1. PARTIES AND SYSTEM

1.A Parties. This Agreement is our grant of a non-exclusive license to you, and your assumption of your obligation, to develop and operate a Dunkin' restaurant business operating under the System (defined below) and the Proprietary Marks (defined below) (a "Dunkin' Restaurant"). The franchisee, location of the Dunkin' Restaurant covered by this Agreement (the "Restaurant"), Term and certain other terms of this Agreement are as specified in the accompanying Contract Data Schedule.

1.B Business Entity Franchisee. If you are a corporation, limited liability company or other entity, then you agree that:

(1) your organizing documents shall provide that your purpose is limited to, and your business, operations and assets shall be limited to, developing, acquiring, owning and operating one or more Dunkin' Restaurants (and, if applicable, Baskin-Robbins restaurants) and conducting all business and financing activities related to those restaurants or as otherwise permitted by this Agreement, and except as provided below, you may not guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets with respect to any business that is not related to those restaurants (although, if the Restaurant is in a shopping center or other site with multiple retail locations that your affiliate owns, then we will not unreasonably withhold our approval if you request to guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets to secure a mortgage or other loan to that affiliate covering that site);

(2) Exhibit A to this Agreement completely and accurately describes all of your Owners (defined below) and their ownership interests in you. "Owner" means any person or entity holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) in you; and

(3) each Owner must execute an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement ~~as Exhibit B~~.

1.C System. As a result of the expenditure of time, effort and money, we have acquired experience and skill in the continued development of the Dunkin' franchise system, which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products, all of which we may periodically develop and modify (the "System"). In connection with the System, we own or have the right to license certain intellectual property. This property, all of which we may periodically develop and modify, includes trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin (collectively, the "Proprietary Marks"), as well as copyrights. We also have the right to periodically establish and modify "Standards" for various aspects of the System and the development and operation of Dunkin' Restaurants that include the location, physical characteristics and quality of operating systems and other aspects of restaurants; the products sold and services provided; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and our brand, including execution of marketing windows; and all other things that we periodically specify affecting the experience of consumers who patronize Dunkin' Restaurants. We make those Standards available to you in our Manuals and in other forms of communication, which we may update from time to time. Complete uniformity may not be possible or practical throughout the System, and we may from time to time vary Standards as we deem necessary or desirable for one or more Dunkin' Restaurants. As franchisee, you

have the right and accept the obligation and responsibility to exercise day-to-day control over your franchised business to meet the Standards.

SECTION 2. GRANT OF FRANCHISE, TERM AND RENEWAL

2.A **Grant of Rights.** Accordingly, for the Term, we grant you the license, and you accept the obligation, to operate the Restaurant at the location specified in the accompanying Contract Data Schedule as a Dunkin' Restaurant using our System and the Proprietary Marks, only in accordance with our Standards and the other terms of this Agreement.

2.B **Term and Renewal Term.** This Agreement shall not automatically renew upon the expiration of the Term. When the Term expires, you will have an option to renew the right and obligation to operate the Restaurant as a Dunkin' Restaurant for one (1) additional term of twenty (20) years (the "Renewal Term") if, and only if, each and every one of the following conditions has been satisfied:

(1) you must have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than thirty-six (36) months before the end of the Term (the "Renewal Notice Period");

(2) you must have maintained the Standards and otherwise substantially complied with the terms and conditions of this Agreement (and any lease with us or our affiliate, if applicable) throughout the Term; we have not sent you more than three (3) notices to cure or other notices of default under this Agreement over the course of the ten (10)-year period immediately preceding your delivery of the notice to renew in Section 2.B(1) and have not sent you any notice to cure or other notice of default under this Agreement after you provide that notice until the end of the Term; you must not have any uncured defaults under this Agreement at the time you provide that notice; and all your payments and other liabilities and obligations to us under this Agreement (and any lease with us or our affiliate) or otherwise must be current through the expiration of the Term; and

(3) you (a) have demonstrated to us that you have obtained a lease extension or new lease for the Premises (defined below) covering the Renewal Term on terms that meet our requirements and you Remodel the Restaurant on or before the expiration of the Term, in accordance with Section 8.A; or (b) if we reasonably determine, based on our review of the site and other economic factors impacting the market, that the Restaurant should be relocated, you secure a substitute premises that we accept and develop the Dunkin' Restaurant at those premises according to our then current standards and process before the expiration of the Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party's indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and (ii) our then-current form of Franchise Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new franchisees at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you execute that Franchise Agreement.

2.C **Non-Exclusive License.** This license is non-exclusive and relates solely to the single Restaurant location set forth in the Contract Data Schedule. We retain the right to operate or license others to operate

Dunkin' Restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

SECTION 3. DEVELOPMENT AND OPENING OF THE RESTAURANT

3.A Development. If you have not yet located an accepted Premises as of the Effective Date, then although we may assist you in your search, it is solely your responsibility to search for and propose to us a site on which to develop the Restaurant, and you must deliver to us for our review a complete site report and other materials and information we request for a suitable site in time to open the Restaurant on or before the Required Opening Date. You may only develop the Restaurant at a site that we have accepted. You agree that the Restaurant and any parking area or other real estate appurtenant to the Restaurant (collectively, the "Premises") must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You may not deviate from our approved plans, specifications and requirements without our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises.

3.B Lease or Purchase. If you have not already done so before executing this Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of "Option to Assume Lease." If you or your affiliate directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute (or cause your affiliate to execute) our then-standard agreement (containing reasonable and customary terms and conditions) giving us the option to lease the Premises from you (or your affiliate) upon expiration or termination of this Agreement or any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of this Agreement, including any extension or renewal, at "triple-net" fair market value rent for comparable Dunkin' Restaurant locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional.

3.C Opening. You must open and begin operating the Restaurant, in accordance with the Standards and other provisions of this Agreement, on or before the Required Opening Date specified in the Contract Data Schedule. You may not open and begin operating the Restaurant until you have finished developing the Restaurant and Premises according to our Standards, you satisfy our other pre-opening requirements, and you obtain our approval to open.

SECTION 4. TRAINING AND ASSISTANCE

4.A Training. Before the Restaurant opens for business, and from time to time thereafter, we will make various mandatory and optional training programs regarding Standards that we have developed or obtained available to you, your management and other Restaurant personnel to assist you in meeting Standards. We will conduct some training programs regarding Standards, and we may require you to conduct training programs through your own properly certified (by us) trainers or supervisors. These programs may be conducted, at our option, at the Restaurant or other site, or through the Internet or other electronic media. You agree to timely and successfully complete, and to require your management and other employees to timely and successfully complete, all training that we designate as mandatory regarding Standards. Some training programs or systems may require the payment of fees.

4.B Costs for Training. You are responsible for your costs incurred in receiving any Standards training and in conducting your own training, including the cost of any materials and the salaries and travel expenses of yourself, your management, and your employees. If the Restaurant fails to meet Standards, then in addition to our other remedies, we may require you, your management and other Restaurant personnel to participate in additional training programs at your expense, and you may be required to reimburse us for the costs of providing such training.

4.C Assistance. We will maintain a continuing advisory relationship with you by providing such assistance as we periodically deem appropriate regarding the development and operation of a Dunkin' Restaurant. We may require that you designate an individual who satisfies the training and other requirements we periodically specify as our primary contact. We may advise you on the Restaurant's construction, design, layout, equipment, maintenance, repair and remodeling; on the training of your Restaurant's managers and crew personnel; on marketing and merchandising; on inventory control and record-keeping; and on other aspects of Dunkin' Restaurant operations. We will make available to you our then-current Manuals setting out our Standards, together with explanatory policies, procedures and other materials to assist you in complying with those Standards.

4.D Franchisee Advisory Council. We have established a franchisee advisory council comprised of members elected by franchisees in accordance with an election process we periodically specify as well as members appointed by us. We will consult with this group or its successor from time to time. This council will serve solely in an advisory capacity with respect to the matters contemplated by this Agreement, provided that the council currently has, and may have from time to time, particular consent, approval, and other rights pursuant to specific programs, arrangements or policies that we periodically establish and modify, or under other agreements with us.

SECTION 5. FEES, PAYMENTS AND REPORTING OF SALES

5.A Initial Franchise Fee. You must pay us the Initial Franchise Fee specified in the Contract Data Schedule in accordance with the ~~SDA~~DA or, if this Agreement is not being executed pursuant to ~~an SDA~~a DA, then upon executing this Agreement.

5.B Marketing Start-Up Payment. In connection with a material branding or re-branding event at the Restaurant such as opening, re-opening or remodel or any other event set forth in our Standards, you agree to undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of such activities. If we have established a minimum dollar expenditure for your Restaurant's initial opening promotional activities, that amount will be set forth on the Contract Data Schedule.

5.C Continuing Franchise Fee. On or before Thursday of each week, you agree to pay us a Continuing Franchise Fee in an amount equal to (1) the Gross Sales (defined below) of the Restaurant for the seven (7)-day period ending at the close of business on Saturday, twelve (12) days previous, multiplied by (2) the Continuing Franchise Fee percentage stated in the Contract Data Schedule. We will specify the means and manner of payment from time to time, in writing.

5.D Continuing Advertising Fee. On or before Thursday of each week, you agree to pay us a Continuing Advertising Fee in an amount equal to (1) the Gross Sales of the Restaurant for the seven (7)-day period ending at the close of business on Saturday, twelve (12) days previous, multiplied by (2) the Continuing Advertising Fee percentage stated in the attached Contract Data Schedule. The Continuing Advertising Fee should be paid at the same time and in the same manner as the Continuing Franchise Fee, unless we specify otherwise, in writing.

5.E Gross Sales. “Gross Sales” means all revenue related to the sale of approved products and services through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the Dunkin’ Restaurant network; taxes collected from customers on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale. All sales are considered to have been made at the time the product is delivered to the purchaser, regardless of timing or form of payment. Revenues lost due to employee theft are not deductible from Gross Sales. Sales made to approved wholesale accounts are included in Gross Sales for purposes of calculating the Continuing Franchise Fee but not the Continuing Advertising Fee. You must submit any wholesale account for our prior approval using the procedure we specify from time to time. We may withdraw our approval at any time.

5.F Taxes on Fees. If any tax or other fee (other than federal or state income tax based on our income) is imposed on us by any governmental agency due to our receipt of fees or other amounts that you pay to us under this Agreement, then you agree to pay us the amount of such tax or other fee as an additional Continuing Franchise Fee.

5.G Late Fees, Interest and Costs. If you are late in paying all or part of any fee or other amount due to us or our affiliate, then without limiting our other remedies, you must also pay us our then-current late fee and interest on the unpaid amount calculated from the date due until paid at the rate of one and one-half percent (1.5%) per month, or the highest rate allowed by law, whichever is less. You must also pay all collection charges, including reasonable attorneys’ fees, that we and our affiliates incur to collect fees that are due.

5.H Gross Sales Reporting and EFT. You agree to participate in our program or procedure that we periodically specify for Gross Sales reporting and payment of fees that are due, whether it is electronic fund transfer (“EFT”) or some successor program, in accordance with our Standards. You agree to assume the costs associated with maintaining your capability to report Gross Sales and transfer funds to us. In no event will you be required to pay any sums before the date they are due, as described above.

SECTION 6. ADVERTISING AND MARKETING

6.A Fund. We have established and administer The Dunkin’ Advertising and Sales Promotion Fund (the “Fund”), and direct the development of all advertising, marketing and promotional programs for the System. We may use up to twenty percent (20%) of Continuing Advertising Fees for the administrative expenses of the Fund and for programs designed to increase sales and further develop the reputation and image of the brand. The balance, including any interest earned by the Fund, will be used for advertising and related expenses. The content of all activities of the Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by us. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund’s activities. Upon your request, we will provide you with an audited statement of receipts and disbursements for the Fund that is audited by an independent, certified public accountant, for each fiscal year of the Fund.

6.B Local Marketing. If you prepare (or cause to be prepared) any advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs for the Restaurant (collectively, “Local Marketing”) materials or programs, then you must submit the materials and programs and their proposed use to us for our prior written approval in advance of any use. You may not use any Local Marketing materials or programs that we have not approved or have disapproved. You also must comply with any Standards and other guidelines that we periodically specify concerning any Local Marketing that you implement.

SECTION 7. RESTAURANT OPERATIONS

7.A Standards. You agree at all times to operate the Restaurant in accordance with all of our Standards, as we may implement and modify them from time to time. Without limiting the generality of the foregoing, among other things, you agree to:

- (1) keep the Restaurant open and in continuous operation for the days and hours we periodically prescribe, and use the Restaurant and Premises only as a Dunkin' Restaurant business, unless we give written approval to do otherwise (and we may vary the hours of operation for specific restaurants in our sole judgment based on, among other things, economic factors, the restaurant's market, and/or other factors we deem relevant);
- (2) install and use only equipment, fixtures, furnishings, and signage for the Restaurant (the "Operating Assets") that we approve, and replace them as we may specify;
- (3) install and use a retail and back office information system and related equipment and programs that we periodically specify and whose information relating to the Restaurant or the business you operate under this Agreement is continuously accessible to us, for our access and use, through polling or other direct or remote means that we periodically specify;
- (4) use only the inventory, supplies, materials, and other products and services for the Restaurant that we periodically specify;
- (5) sell all products that we periodically specify as mandatory, sell only those products that we periodically approve, and maintain a sufficient supply of all approved products to meet customer demands at all times;
- (6) adopt and implement the training programs and materials for Restaurant personnel that we periodically specify, maintain a sufficient number of properly-trained managers and employees to render quick, competent and courteous service to Restaurant customers in accordance with our Standards, and use only employees that have literacy and fluency in the English language sufficient, in our reasonable opinion, to adequately communicate with customers if their duties include customer service;
- (7) comply with all of requirements that we periodically specify, or that applicable law requires, relating to health, safety and sanitation;
- (8) comply with Standards from us, prevailing industry standards (including payment card industry data security standards), all contracts to which you are a party or otherwise bound, and all applicable laws and regulations, as any of them may be modified from time to time, regarding the organizational, physical, administrative and technical measures and security procedures to safeguard the confidentiality and security of customer data on your computer system or otherwise in your possession or control and, in any event, employ reasonable means to safeguard the confidentiality and security of customer data;
- (9) offer or sell any products to a third party for subsequent resale only with our prior written approval; and
- (10) comply with all requirements that we periodically specify relating to delivery service from the Restaurant (if we approve the Restaurant to offer delivery).

7.B Compliance with Laws. You agree to comply at all times with all laws, ordinances, rules, regulations and orders of public authorities pertaining to the occupancy, operation and maintenance of the Restaurant and Premises. You represent and warrant to us that none of your (or your Owners') property or interests is subject to being blocked under, and you and your Owners otherwise are not in violation of, Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, or any other federal, state, or local law, ordinance, regulation, policy, list or other requirement of any governmental authority addressing or in any way relating to terrorist acts or acts of war.

7.C Inspections. You agree that our employees, representatives and agents have the right to enter the Restaurant and Premises, without notice during business hours, to determine your compliance with Standards and this Agreement. During the course of any such inspection, we may (among other things) photograph or video any part of the Restaurant; discuss Restaurant-related operations with the Restaurant's personnel, customers and prospective customers; and select ingredients, products, supplies, equipment and other items from the Restaurant to evaluate whether they comply with our Standards. We agree to establish (and may periodically modify) Standards requiring our employees, representatives and agents, as well as vendors and other third parties with whom we contract, to present reasonable identification upon your or your Restaurant manager's request before entering into restricted areas of the Restaurant which customers cannot typically access. We may require you to immediately remove non-conforming items from the Restaurant at your expense, and we may remove them at your expense if you do not remove them upon request.

7.D Determination of Prices. Except as we may be permitted by law to require a particular price, you are free to determine the prices you charge for the products you sell.

7.E Standards and Conditions of Employment. We and you agree that any materials, guidance or assistance that we provide with respect to the terms and conditions of employment for your employees, employee hiring, firing and discipline, and similar employment-related policies or procedures, whether in the Manuals or otherwise, are solely for your optional use. Those materials, guidance and assistance do not form part of the mandatory Standards. You will determine to what extent, if any, these materials, guidance or assistance should apply to the Restaurant's employees. You acknowledge that we do not dictate or control labor or employment matters for franchisees and their employees and will not be responsible for the safety and security of Restaurant employees or patrons. You are solely responsible for determining the terms and conditions of employment for all Restaurant employees, for all decisions concerning the hiring, firing and discipline of Restaurant employees, and for all other aspects of the Restaurant's labor relations and employment practices.

7.F Designated and Approved Suppliers. During the Term you must purchase or lease all Operating Assets, the retail information system and related equipment and programs, inventory, supplies, materials, and other products and services for the Restaurant only according to the Standards and, if we require, only from suppliers and/or distributors that we designate or approve from time to time (which may include or be limited to us or our affiliates). Currently you must acquire products for your Restaurant through the National DCP, LLC, the purchasing and distribution entity for the Dunkin' Restaurant network. From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products, subject to any then existing arrangements with National DCP, LLC. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding.

7.G Customer Complaints, Hazardous Conditions and Violations. You must promptly submit to us copies of any customer complaints relating to the Restaurant or Premises. You also must promptly submit to us any communications from public authorities about actual or potential violations of laws or regulations relating to

the operation or occupancy of the Restaurant or Premises and otherwise notify us immediately if there exists any event or condition at the Restaurant or Premises that poses a threat to the health or safety of your customers. We may specify from time to time the manner of submission of this information to us.

SECTION 8. REPAIRS, MAINTENANCE, REFURBISHMENT AND REMODEL

8.A Repairs and Maintenance. You agree to continuously maintain the Restaurant and Premises, including all Operating Assets, in the degree of cleanliness, orderliness, sanitation and repair as prescribed by our Standards. You agree to make needed repairs (and replacements) to the Restaurant and Premises, including all Operating Assets, on an ongoing basis to ensure that your use and occupancy of the Restaurant and Premises conform to our Standards at all times. You are responsible for the costs associated with maintenance, repairs and replacements, alterations and additions. You may not defer your ongoing obligation to maintain, repair and replace because of a forthcoming refurbishment or remodel.

8.B Refurbishment and Remodel. No later than the Refurbishment Dates described in the Contract Data Schedule, you must refurbish the Restaurant in accordance with our then-current refurbishment Standards as generally described below. No later than the Remodel Dates described in the Contract Data Schedule, you must remodel the Restaurant in accordance with our then-current remodel Standards as generally described below, including those relating to Operating Assets. You are responsible for the costs of refurbishments and remodels. Our refurbishment Standards generally include enhancements, improvements or upgrades to exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology. Our remodel Standards generally include enhancements, improvements or upgrades to the site, building, equipment, technology and operational systems as necessary to bring the Restaurant up to the then-current Brand image and Standards.

SECTION 9. PROPRIETARY MARKS, CONFIDENTIAL INFORMATION AND INNOVATIONS

9.A Ownership of Proprietary Marks. Your right to use the Proprietary Marks is derived only from this Agreement and is limited to operating the Restaurant according to this Agreement and all Standards we implement during the Term. You may not sublicense the Proprietary Marks. Your unauthorized use of the Proprietary Marks is a breach of this Agreement and infringes our and our licensor's rights in the Proprietary Marks. Your use of the Proprietary Marks and any goodwill established by that use are for our and our licensor's exclusive benefit, and this Agreement does not confer any goodwill or other interests in the Proprietary Marks upon you (other than the right to operate the Restaurant under this Agreement). All provisions of this Agreement relating to the Proprietary Marks apply to any additional and substitute trademarks and service marks that we periodically authorize you to use. Neither you nor your Owners may directly or indirectly at any time during or after the Term contest or assist others in contesting the validity, or our licensor's ownership, of the Proprietary Marks or register, apply to register, or otherwise seek to use or in any way control any Proprietary Mark or any confusingly similar form or variation of any Proprietary Mark.

9.B Use of Proprietary Marks. You agree to use only the Proprietary Marks we periodically designate and in the manner that we periodically approve. You may not use the Proprietary Marks to advertise or sell products or services through the mail or by any electronic or other medium, including the Internet, without our prior written approval. Our right to approve any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet "home page" or other website using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees. You agree not to use the Proprietary Marks or the names "Dunkin' Donuts", "Dunkin'", "DD", "Dunk" or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social media accounts, or other identification of you or your business, in any medium. In all approved uses of the

Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated in the manner that we periodically specify. You must modify or discontinue using any Proprietary Mark and/or use one or more additional or substitute trademarks or service marks as we periodically specify.

9.C Notification of Infringements and Control of Proceedings. You agree to notify us promptly if you become aware of any actual or apparent infringement or litigation relating to the Proprietary Marks. We or our licensor may take the action that we or it deems appropriate (including no action) and control exclusively any litigation or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. You agree to reasonably cooperate with us (at our expense) with respect to actions that, in the opinion of our or our licensor's attorneys, are necessary or advisable to protect and maintain our and our licensor's interests in any litigation or other proceeding or otherwise to protect and maintain our and our licensor's interests in the Proprietary Marks. At our option, we or our licensor may defend and control the defense of any claims disputing your use of, or challenging the validity of, or our (or our licensor's) rights in, any Proprietary Mark.

9.D Indemnification for Use of Proprietary Marks. We agree to defend, indemnify and hold you and your successors and assigns harmless from, including by reimbursing any reasonable attorneys' fees and other costs and expenses you incur in connection with, any claims disputing your use of, or challenging the validity of or our (or our licensor's) rights in, any Proprietary Mark we license you under this Agreement, as long as the claim does not arise from your use of any Proprietary Mark in breach of this Agreement, the Manual or the Standards.

9.E System Confidential Information. In this Agreement, "Confidential Information" means information relating to us or the Dunkin' System that is proprietary, provides a competitive advantage to Dunkin' Restaurants, and is not generally available to the public, including development plans for Dunkin' Restaurants; certain proprietary information in the Manuals and Standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Dunkin' Restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary Operating Assets and other products and services that Dunkin' Restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing the Restaurant. We and our affiliates own all right, title and interest in and to the Confidential Information. You agree that you and your Owners:

- (1) will not use any Confidential Information in any other business or capacity, whether during or after the Term, and will not sell, trade or otherwise profit in any way from the Confidential Information, except during the Term using methods we approve;
- (2) will keep the Confidential Information absolutely confidential, both during the Term and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form; and
- (3) will adopt and implement all reasonable procedures that we periodically designate to prevent unauthorized use or disclosure of Confidential Information, including restricting its disclosure to Restaurant personnel and others needing to know such Confidential Information to operate the Restaurant, and using confidentiality agreements we specify with those having access to Confidential Information.

"Confidential Information" does not include information, knowledge or know-how that is or becomes generally known in the restaurant industry (without violating an obligation to us or our affiliate) or that you knew from previous business experience before we provided it to you (directly or indirectly). If we include any item in

Confidential Information, anyone who claims that it is not Confidential Information must show by reasonable evidence that the exclusion in this paragraph is fulfilled.

9.F Innovations. All ideas, concepts, techniques or materials relating to a Dunkin' Restaurant, whether or not protectable intellectual property and whether created by or for you or your Owners (including the ideas, concepts, techniques or materials developed for you by your employees or contractors to which you own the intellectual property rights) (collectively, "Innovations") must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, by this paragraph you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to execute (and to cause your Owners to execute) whatever assignment or other documents we reasonably request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Restaurant or otherwise without our prior approval.

9.G Franchisee Proprietary Information. We agree to keep confidential any Franchisee Proprietary Information (defined below), except: (1) in connection with anonymous general information disseminated to our franchisees, prospective franchisees or other parties; (2) in the formulation of plans and policies in the interest of the Dunkin' Restaurant network; or (3) if required by law or any legal proceeding. "Franchisee Proprietary Information" means information about your or your Owners' (and/or your or their affiliates') ownership, capital structure or financial results that would by its nature, be considered by a reasonable person to be confidential; provided that Franchisee Proprietary Information does not include any information that is owned by us (or our affiliates) or otherwise is part of the definition of Confidential Information.

SECTION 10. RESTRICTIVE COVENANTS

10.A Acknowledgements. You acknowledge that as our franchisee, you (and your Owners and Restaurant personnel) will receive specialized training, including operations training, in the System that is beyond your present skills and those of your managers and employees. You further acknowledge that you will receive access to our Confidential Information which will provide a competitive advantage to you. As a condition of training you, sharing our Confidential Information with you and granting you a license to operate the Restaurant and use our intellectual property, we require the following covenants in order to protect our legitimate business interests and the interests of other franchisees in the Dunkin' Restaurant network.

10.B Covenants During the Term. During the Term, neither you nor any of your Owners, officers, directors or guarantors may:

- (1) have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any business or venture that derives, or is reasonably expected to derive, more than twenty percent (20%) of its overall revenue from a combination of coffee and/or baked goods (other than another Dunkin' Restaurant operating under a franchise agreement with us) (a "Competitive Business");
- (2) divert or attempt to divert any Dunkin' Restaurant business or customer or prospective customer away from the Restaurant or another Dunkin' Restaurant;
- (3) oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Dunkin' Restaurant; or
- (4) perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks or any Dunkin' Restaurant.

10.C Covenants After the Term. For the first twenty-four (24) months following the expiration or termination of this Agreement or transfer pursuant to Section 13 (the “Post-Term Period”), neither you nor any of your Owners, officers, directors or guarantors may have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any Competitive Business that is located at the Premises or within five (5) miles from the Premises or any other Dunkin’ Restaurant that is then open or under development. The Post-Term Period will be automatically extended, with respect to any persons covered by this Section 10.C who are not complying fully with this Section 10.C, for each day during which that person is not complying fully with this Section 10.C.

10.D Exclusions. The restrictions in Sections 10.B and 10.C shall not apply to the ownership of (1) less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange; or (2) a passive investment interest of less than fifteen percent (15%) in any real estate development company, provided that such interest does not include any management control, voting rights, or other direct or indirect control over the policies or operations of that development company, such as any rights or control with respect to the tenants, owners or other concepts in any real estate development.

10.E Acknowledgements. You acknowledge that a breach of the covenants contained in this Section 10 will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 10 determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in this Section 10 will be valid and enforceable.

SECTION 11. MAINTENANCE AND SUBMISSION OF BOOKS, RECORDS AND REPORTS

11.A Maintaining Records. You must keep business records in the manner and for the time required by law and our Standards, and in accordance with generally accepted accounting principles. All records must be in English, and whether on paper or in an electronic form, must be capable of being reviewed by us without special hardware or software. You must retain copies of each state and federal tax return for the franchised business for a period of five (5) years.

11.B Reporting. You must submit to us, in the form and manner we periodically specify, profit and loss statements for the Restaurant on a monthly basis, and, at our request, balance sheets for your fiscal half-year and year-end. If we specify additional records for periodic reporting, you agree to submit those records as required.

11.C Audit of Records. Within fifteen (15) days after our request and at our option, you agree to (1) photocopy and deliver to us those required records that we specify, or (2) at a location acceptable to us, provide us access to any required records that we specify for examination and photocopying by our representatives. You also hereby grant us the right (to the extent you have that right) to examine the records of your purchases kept by any of your suppliers or distributors, including the National DCP or any successor entities, and hereby authorize those suppliers and distributors to allow us to examine and copy those records at our own expense. If after we review your business records, which may include your business tax returns, we believe that intentional underreporting of Gross Sales may have occurred, then upon request, and in addition to our other remedies, you and any signatory and guarantor of this Agreement must provide us with personal federal and state tax returns and personal bank statements for the periods requested.

SECTION 12. INSURANCE AND INDEMNIFICATION

12.A Insurance.

(1) Before opening or operating the Restaurant for business, and before beginning construction of the Restaurant if you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the Term. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

We and any affiliate we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty (30) days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement. If such insurance coverage is not in effect, then in addition to our other remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums and costs. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions below.

(2) Both you and we waive any and all rights of recovery against each other and our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section 12.B.

12.B Indemnification. You agree to defend, indemnify and hold us, our affiliates, and our and their respective owners, officers, directors, employees, agents, successors and assigns (collectively, the "Indemnified Parties"), harmless from all claims related in any way to your development, operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, except as provided below, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us or any other Indemnified Party by law. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer. You will have the right to assume control of the defense of and otherwise respond to and address any claim or proceeding that is subject to this Section 12.B, provided however, that each Indemnified Party may at its election, by written notice to you, assume control of the defense of and otherwise respond to and address any such claim or proceeding, but only if (1) the claim or proceeding involves a class action or action that involves more than just the Restaurant and other Dunkin' Restaurants that you or your affiliates own, (2) a negative decision in the claim or proceeding would reasonably be expected to have a material adverse impact on the Dunkin' brand or goodwill associated with the Proprietary Marks, or (3) you (or your insurance carrier) does not actively defend the Indemnified Party's interests in the claim or proceeding. If the Indemnified Party assumes control of the defense of any claim or proceeding pursuant to the preceding sentence, then (a) the Indemnified Party shall be responsible for its own fees (including reasonable attorneys' fees), costs and other

expenses, and you may at your option retain separate co-counsel and otherwise participate in the defense at your sole cost and expense; and (b) your indemnification, defense and hold harmless obligations under this Section 12.B shall not apply with respect to that claim or proceeding. Your obligations under this Section 12.B will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. To the extent that this Section 12.B directly conflicts with any specific defense, hold harmless or indemnification provisions in any other written contract between us or in any program or offering in which you participate, such as our Loyalty Program, such provisions will govern to the extent of such conflict.

SECTION 13. TRANSFERS

13.A Transfer by Us. We may change our ownership or form and/or assign this Agreement and any other agreement between us and you (or any of your Owners or affiliates) without restriction. This Agreement inures to the benefit of our successors and assigns. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

13.B Transfer by You – Defined. We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights or obligations under this Agreement, nor the Restaurant or all or substantially all of the Operating Assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control of the Restaurant or the Operating Assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or the Restaurant (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or the Restaurant's operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of the Restaurant, any of its Operating Assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A "Non-Controlling Ownership Interest" in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

13.C Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then

applicable standards for non-controlling owners of Dunkin' Restaurants, and execute our then-current form of Guaranty.

13.D Conditions for Our Approval of Control Transfer. Subject to Sections 13.E and 13.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any rights or obligations under this Agreement, any direct or indirect interest in the Restaurant or all or substantially all of the Operating Assets, or any Controlling Ownership Interest in you (if you are a business entity) (each a "Control Transfer"), that complies with the following:

(1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor executes our then current form of Guaranty;

(2) you have satisfied all of your outstanding obligations to us, the Restaurant and Premises are in compliance with our Standards, and you are otherwise in full compliance with this Agreement and all related agreements with us and our affiliates;

(3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would be unable to properly operate, maintain, upgrade and promote the Restaurant and meet all financial and other obligations to us and to third parties;

(4) at the time of transfer, you and all of your Owners execute our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the franchised business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations);

(5) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agree to repair and/or replace any Operating Assets and otherwise correct any deficiencies that we identify in the Restaurant or the Premises, and, if we require, refurbish or remodel the Restaurant and Premises according to our requirements; and

(6) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agrees, at our option, to (a) be bound by all terms and conditions of this Agreement for the remainder of the Term, or (b) execute our then-current form of franchise agreement and related documents, which may contain terms and conditions (including the fees) that differ materially from any or all of those in this Agreement, except that the term of such franchise agreement shall be the remaining Term of this Agreement and the refurbishment and remodel dates shall be as set forth in this Agreement.

13.E Transfer Fee. At transfer, you must pay us a Transfer Fee as follows, whether or not we exercise our rights in Section 13.G.

(1) If you have not owned and operated the Restaurant for at least three (3) full years on the date the transfer occurs, you will pay the Transfer Fee set forth in the chart in Subsection (2) below plus an additional Twelve Thousand Five Hundred Dollars (\$12,500).

(2) If you have owned and operated the Restaurant for at least three (3) full years on the date the transfer occurs, you will pay the Transfer Fee stated below, based on the Restaurant's Gross

Sales during the twelve (12)-month period ending as of the end of the reporting period immediately preceding the transfer's closing date, provided that we reserve the right to select another period or to make appropriate adjustments to such Gross Sales in the event extraordinary occurrences (e.g., road construction, fire or other casualty, etc.) materially affected the Restaurant's sales during that trailing twelve (12)-month period.

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000.00	\$ 5,000.00
\$400,000.00 or more, but less than \$600,000.00	\$ 6,000.00
\$600,000.00 or more, but less than \$1,000,000.00	\$ 8,000.00
\$1,000,000.00 or more, but less than \$1,400,000.00	\$12,000.00
\$1,400,000.00 or more	\$20,000.00

(3) In lieu of the Transfer Fee above, we will only charge the applicable, then-current Fixed Documentation Fee published by us from time to time for (a) a transfer of a Non-Controlling Ownership Interest; (b) any transaction in which the direct or indirect ownership interests in you are transferred to the spouse(s) or children of any of the individuals who are Owners as of the Effective Date; (c) if an Owner who dies or becomes mentally incapacitated transfers all of their direct or indirect ownership interests in you to beneficiaries or heirs.

13.F Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement or in you to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 13.

13.G Right of First Refusal. If you or any of its Owners at any time determines to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and the Standards). You must comply with our Standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they executed the purchase and sale documents, including any applicable diligence periods (although our diligence period need not be more than thirty (30) days after we deliver our exercise our right of first refusal) and periods before closing. We may at our option assign our right of first refusal under this Section 13.G, without recourse, to any assignee, who will then have all of our rights under this Section 13.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 13.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

SECTION 14. DEFAULT AND TERMINATION

14.A Termination by Us. We may, at our option, terminate this Agreement, effective upon delivery of written notice of termination to you, if:

- (1) you lose the use or enjoyment of or the right to occupy the Premises, or the lease for the Premises is terminated, before the Term expires;
- (2) there is any unauthorized transfer or assignment in violation of Section 13;
- (3) there is any unauthorized use or disclosure of any Confidential Information in breach of this Agreement, or you or your Owners breach any provision of Section 10;
- (4) you or any of your Owners is convicted of or pleads guilty or no contest to a felony or crime involving moral turpitude;
- (5) you or any of your Owners commits a fraud upon us, our affiliate or any third party relating to the Restaurant or any other Dunkin' Restaurant or your acquisition of your rights under this Agreement, including by intentionally understating or underreporting Gross Sales;
- (6) you or any of your affiliates uses or permits the use of the Restaurant or Premises, or any other Dunkin' Restaurant, for an unauthorized purpose;
- (7) you abandon the Restaurant or you cease to operate the Restaurant for a period of forty-eight (48) hours without our prior written consent, unless you close the Restaurant for a purpose we approve or in response to a fire or other casualty, and, with respect to any such cessation of operations, you have not resumed operations within twenty-four (24) hours after delivery of written notice to you;
- (8) any other franchise agreement or other agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Dunkin' Restaurant, other than a ~~Store~~ Development Agreement, is terminated before its term expires, regardless of the reason;
- (9) we deliver to you written notice of your failure to comply with this Agreement on three (3) or more separate occasions for the same or a substantially similar default within the immediately preceding twelve (12)-month period, whether or not any of these failures are corrected after we deliver written notice to you;
- (10) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor's insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; or a bill in equity or other proceeding for the appointment of a receiver, trustee or other custodian for the Restaurant or your or any guarantor's business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor's assets is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 14.A(10) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;

(11) you violate any law, regulation, order or Standard relating to health, sanitation or safety, and do not (a) immediately destroy any product or correct any situation that, in our opinion, poses an imminent risk to public health and safety; and (b) otherwise correct the failure within twenty-four (24) hours after notice of that violation or situation is delivered to you;

(12) you fail to pay us (or our affiliate) any amounts due, whether arising under this Agreement or any other agreement, or you fail to maintain the insurance required under this Agreement, and in either case do not correct the failure within seven (7) days after we deliver written notice of that failure to you; or

(13) you fail to comply with any other provision of this Agreement or any mandatory Standard, or any other agreement that is necessary to the operation of the Restaurant, and do not correct the failure within thirty (30) days after we deliver written notice of the failure to you.

Notwithstanding the foregoing, if a default is curable under this Agreement, and any applicable law in the state in which the Restaurant is located requires a longer cure period than that specified in this Agreement, the longer period will apply.

14.B Additional Remedies. In addition to our other rights and remedies, we also have the following remedies:

(1) If we believe a condition at the Premises or the Restaurant or of any product sold poses a threat to the health or safety of your customers, employees or other persons, we have the right to take such action as we deem necessary to protect those persons, and the goodwill enjoyed by our Proprietary Marks and System, including any or all of the following: (i) requiring you to immediately close and suspend operation of the Restaurant and correct such conditions; (ii) immediately removing or destroying (or requiring you to immediately remove and destroy) any products that we suspect are contaminated; and (iii) entering the Restaurant and Premises, without being guilty of or liable for trespass or tort, to attempt to correct any hazardous condition if you fail to correct that condition on demand. You are solely responsible for all losses or expenses incurred in complying with the provisions of this subsection.

(2) If we notify you that you have not complied with a Standard involving the condition of the Restaurant, including maintenance, repair, and cleanliness, and you fail to correct that non-compliance within thirty (30) days, then we and our ~~representative-es~~representatives may enter the Restaurant and Premises, without being guilty of or liable for trespass or tort, and correct the condition at your expense.

(3) If you repeatedly fail to comply with this Agreement, we may disapprove your participation in the sale of new products or new programs until you cure your defaults and demonstrate to our reasonable satisfaction that you can maintain compliance with Standards.

14.C Enforcement Expenses. You agree to pay to us all costs and expenses, including reasonable payroll and travel expenses for our employees, and reasonable investigation and attorneys' fees, that we incur in successfully enforcing (which includes achieving a settlement) any provisions of this Agreement.

14.D Injunctive Relief. Because of the importance of your compliance with Standards to protect our System, the Dunkin' Restaurant network and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be an insufficient remedy for your breach of any Standard or other provision of this Agreement. Accordingly, you agree not to contest the appropriateness of injunctive relief for such breaches, and consent

to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. In order to obtain an injunction relating to any Standard, we must show only that the Standard in issue was adopted in good faith and applies generally to Dunkin' Restaurants in the same geographic region and that are similarly situated with the Restaurant.

14.E Obligations Upon Termination and Expiration. Upon termination or expiration of this Agreement, in addition to complying with Sections 10.B, 14.F, 14.G, and any other provision that expressly or by its nature survives the expiration or termination of this Agreement:

(1) you no longer have any rights granted by this Agreement, and we may, at our option, notify any of your suppliers, distributors and other third parties that you are no longer an authorized franchisee and the Restaurant is no longer an authorized Dunkin' Restaurant or eligible to receive products and services as a Dunkin' Restaurant;

(2) you must immediately cease operation of the Restaurant and no longer represent yourself to the public as our franchisee, and must immediately cease all use of our Proprietary Marks, any colorable imitation of a Proprietary Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Proprietary Mark, or any other indicia of a Dunkin' Restaurant in any manner or for any purpose, and any Confidential Information, and Manuals, and cease to participate directly or indirectly in the use or benefits of our System;

(3) within ten (10) days after expiration or termination you must (a) pay all amounts owed under this Agreement, including any fees and interest; and (b) return all originals and copies of our Manuals, plans, and other documents containing our Standards or other intellectual property; and

(4) upon our request within thirty (30) days after expiration or termination, you must (a) remove from the Restaurant and Premises and return to us all signage and other indicia of our Proprietary Marks; (b) make such modifications or alterations to the Restaurant and Premises as we require in accordance with our Standards to distinguish the Restaurant and Premises from its former appearance and the premises of other Dunkin' Restaurants so as to prevent a likelihood of confusion by the public; (c) disconnect and cease using any telephone numbers that are connected to our Proprietary Marks name; and (d) withdraw any fictitious name or similar registration containing any part of our Proprietary Marks. You hereby appoint us as your attorney-in-fact, and in your name, to do any act necessary to accomplish the intent of this subsection (4). If you fail or refuse to comply with the requirements of this subsection (4), we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, and you agree to reimburse us for all costs and expenses we incur upon demand.

You acknowledge that if we conduct business as if the Agreement had not been terminated or otherwise suffer your continued operation of the Restaurant while we seek enforcement of our election to terminate or our other rights or remedies, we are doing so merely to preserve the reputation of the Dunkin' Restaurant network and/or the goodwill associated with the Proprietary Marks, and that doing so is neither a waiver of our election to terminate nor an extension of the termination date.

14.F Option to Purchase. We have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to purchase from you those Operating Assets and other assets used in the operation of the Restaurant that we designate (excluding personal assets and assets that are not used primarily in the operation of the Restaurant and other Dunkin' restaurants then being acquired) (the "Purchased Assets"). The purchase price for the Purchased Assets (the "Purchase Price") will be their fair market value, but not as a Dunkin' Restaurant as a going concern, except that the Purchase Price will not include any value for any rights granted by this Agreement, goodwill attributable to the Proprietary Marks or

System, or participation in the network of Dunkin' Restaurants. If we and you cannot agree on the Purchase Price for the Purchased Assets, it will be determined by an independent appraiser designated in accordance with the Standards, who will be bound by the provisions of this Section 14.F. We will pay the Purchase Price at the closing, which will take place on a date we designate, but we may set off against the Purchase Price, and reduce the Purchase Price by, any and all amounts you owe us or our affiliates relating to the Restaurant. We are entitled to all customary representations, warranties and indemnities in this asset purchase, and you (and your Owners) agree to execute our then current form of purchase agreement and related agreements and instruments (which shall be on reasonable and customary terms and conditions) in connection with the purchase. We also may at our option assign our rights under this Section 14.F, without recourse, to any assignee, who will then have all of our rights under this Section 14.F to purchase the Purchased Assets directly from you, and we shall have no further liability or obligation in connection with this Section 14.F with respect to that purchase.

14.G Option to Assume Lease. We also have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to require you assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises. You (and your Owners) agree to execute our then current form of lease assignment agreement and related agreements and instruments (all of which shall be on reasonable and customary terms and conditions) in connection with the transfer, which will be effective on the date we specify, which may be the closing date of the purchase under Section 14.F. We may at our option assign our rights under this Section 14.G, without recourse, to any assignee, who will then have all of our rights under this Section 14.G to assume the leasehold interest or other agreement related to the Premises directly from you, and we shall have no further liability or obligation in connection with this Section 14.G with respect to that assignment.

SECTION 15. DISPUTE RESOLUTION

15.A Governing Law. This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 15.A.

15.B Choice of Forum. The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

15.C Waiver of Punitive Damages and Jury Trial. EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW OR OWED TO THIRD PARTIES WHICH ARE SUBJECT TO INDEMNIFICATION UNDER SECTION 9.D OR SECTION 12.B, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

15.D Claims Not a Defense. You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

SECTION 16. MISCELLANEOUS

16.A Relationship of the Parties. This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other.

16.B Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any provision of this Agreement or any Standard applies only to that one breach and that one provision or Standard, and not to any subsequent breach of that provision or Standard or any other provision or Standard. Our acceptance of any payments due under this Agreement shall not be deemed to be our waiver of any preceding breach. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you.

16.C Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

16.D Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and

amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Except as provided in Section 9.D and Section 12.B, nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

16.E Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the Manuals, Standards and System, this Agreement may not be amended or modified except by a written agreement executed by both us and you.

16.F Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Dunkin' Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Dunkin' Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Dunkin' Restaurants.

16.G Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the physical addresses set forth in the Contract Data Schedule, or to such other physical addresses as you and we provide each other in writing; provided, however, that we may also send notice to you at the email address(es) set forth in the Contract Data Schedule, or such other email addresses as you may provide to us in writing. All notices to us shall be sent to us "c/o Dunkin' Brands, Inc., as Manager, Attention: Legal Department."

16.H No Related Party Liability. You agree that none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for: (1) any of our obligations or liabilities relating to or arising from this Agreement; (2) any claim against us based on, in respect of, or by reason of, the relationship between you and us; or (3) any claim against us based on any of our alleged unlawful acts or omissions.

16.I No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the "Agreement") on this date by **DUNKIN' DONUTS FRANCHISING LLC** ("Dunkin'"), each of the undersigned unconditionally (a) guarantees to Dunkin' and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant of Franchisee set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Franchisee of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) they will benefit significantly from Dunkin's entering into the Agreement with Franchisee; and (c) Dunkin' would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Dunkin's pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Dunkin' may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Dunkin' has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Dunkin'; (b) all rights to require Dunkin' to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any

of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Dunkin'; and (d) acceptance and notice of acceptance by Dunkin' of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Dunkin' shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Dunkin'. Without affecting the obligations of the undersigned under this Guaranty, Dunkin' may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

F. If Dunkin' is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Dunkin' shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Dunkin' and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

TERMS AND CONDITIONS
© AND EFFECTIVE AS OF MARCH ~~2025~~2026

SECTION 1. PARTIES AND SYSTEM

1.A Parties. This Agreement is our grant of a non-exclusive license to you, and your assumption of your obligation, to develop and operate a Dunkin' and Baskin-Robbins combination restaurant business operating under the System (defined below) and the Proprietary Marks (defined below) (a "Combo Restaurant"). The franchisee, location of the Combo Restaurant covered by this Agreement (the "Restaurant"), Term and certain other terms of this Agreement are as specified in the accompanying Contract Data Schedule.

1.B Business Entity Franchisee. If you are a corporation, limited liability company or other entity, then you agree that:

(1) your organizing documents shall provide that your purpose is limited to, and your business, operations and assets shall be limited to, developing, acquiring, owning and operating one or more Combo Restaurants (and, if applicable, Dunkin' and/or Baskin-Robbins restaurants) and conducting all business and financing activities related to those restaurants or as otherwise permitted by this Agreement, and except as provided below, you may not guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets with respect to any business that is not related to those restaurants (although, if the Restaurant is in a shopping center or other site with multiple retail locations that your affiliate owns, then we will not unreasonably withhold our approval if you request to guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets to secure a mortgage or other loan to that affiliate covering that site);

(2) Exhibit A to this Agreement completely and accurately describes all of your Owners (defined below) and their ownership interests in you. "Owner" means any person or entity holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) in you; and

(3) each Owner must execute an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

1.C System. As a result of the expenditure of time, effort and money, we have acquired experience and skill in the continued development of the Dunkin' and Baskin-Robbins franchise systems, which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products, all of which we may periodically develop and modify (the "System"). In connection with the System, we own or have the right to license certain intellectual property. This property, all of which we may periodically develop and modify, includes trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin (collectively, the "Proprietary Marks"), as well as copyrights. We also have the right to periodically establish and modify "Standards" for various aspects of the System and the development and operation of Combo Restaurants that include the location, physical characteristics and quality of operating systems and other aspects of restaurants; the products sold and services provided; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and our brands, including execution of marketing windows; and all other things that we periodically specify affecting the experience of consumers who patronize Combo Restaurants. We make those Standards available to you in our Manuals and in other forms of communication, which we may update from time to time. Complete uniformity may not be possible or practical throughout the System, and we may from time to time vary Standards as we deem necessary or desirable for one or more Combo Restaurants. As franchisee, you

have the right and accept the obligation and responsibility to exercise day-to-day control over your franchised business to meet the Standards.

SECTION 2. GRANT OF FRANCHISE, TERM AND RENEWAL

2.A **Grant of Rights.** Accordingly, for the Term, we grant you the license, and you accept the obligation, to operate the Restaurant at the location specified in the accompanying Contract Data Schedule as a Combo Restaurant using our System and the Proprietary Marks, only in accordance with our Standards and the other terms of this Agreement.

2.B **Term and Renewal Term.** This Agreement shall not automatically renew upon the expiration of the Term. When the Term expires, you will have an option to renew the right and obligation to operate the Restaurant as a Combo Restaurant for one (1) additional term of twenty (20) years (the “Renewal Term”) if, and only if, each and every one of the following conditions has been satisfied:

(1) you must have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than thirty-six (36) months before the end of the Term (the “Renewal Notice Period”);

(2) you must have maintained the Standards and otherwise substantially complied with the terms and conditions of this Agreement (and any lease with us or our affiliate, if applicable) throughout the Term; we have not sent you more than three (3) notices to cure or other notices of default under this Agreement over the course of the ten (10)-year period immediately preceding your delivery of the notice to renew in Section 2.B(1) and have not sent you any notice to cure or other notice of default under this Agreement after you provide that notice until the end of the Term; you must not have any uncured defaults under this Agreement at the time you provide that notice; and all your payments and other liabilities and obligations to us under this Agreement (and any lease with us or our affiliate) or otherwise must be current through the expiration of the Term; and

(3) you (a) have demonstrated to us that you have obtained a lease extension or new lease for the Premises (defined below) covering the Renewal Term on terms that meet our requirements and you Remodel the Restaurant on or before the expiration of the Term, in accordance with Section 8.A; or (b) if we reasonably determine, based on our review of the site and other economic factors impacting the market, that the Restaurant should be relocated, you secure a substitute premises that we accept and develop the Combo Restaurant at those premises according to our then current standards and process before the expiration of the Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party’s indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and (ii) our then-current form of Franchise Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new franchisees at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you execute that Franchise Agreement.

2.C **Non-Exclusive License.** This license is non-exclusive and relates solely to the single Restaurant location set forth in the Contract Data Schedule. We retain the right to operate or license others to operate

Combo Restaurants, Dunkin' restaurants, Baskin-Robbins restaurants, and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

SECTION 3. DEVELOPMENT AND OPENING OF THE RESTAURANT

3.A Development. If you have not yet located an accepted Premises as of the Effective Date, then although we may assist you in your search, it is solely your responsibility to search for and propose to us a site on which to develop the Restaurant, and you must deliver to us for our review a complete site report and other materials and information we request for a suitable site in time to open the Restaurant on or before the Required Opening Date. You may only develop the Restaurant at a site that we have accepted. You agree that the Restaurant and any parking area or other real estate appurtenant to the Restaurant (collectively, the "Premises") must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You may not deviate from our approved plans, specifications and requirements without our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises.

3.B Lease or Purchase. If you have not already done so before executing this Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of Option to Assume the lease. If you or your affiliate directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute (or cause your affiliate to execute) our then-standard agreement (containing reasonable and customary terms and conditions) giving us the option to lease the Premises from you (or your affiliate) upon expiration or termination of this Agreement or any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of this Agreement, including any extension or renewal, at "triple-net" fair market value rent for comparable Combo Restaurant locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional.

3.C Opening. You must open and begin operating the Restaurant, in accordance with the Standards and other provisions of this Agreement, on or before the Required Opening Date specified in the Contract Data Schedule. You may not open and begin operating the Restaurant until you have finished developing the Restaurant and Premises according to our Standards, you satisfy our other pre-opening requirements, and you obtain our approval to open.

SECTION 4. TRAINING AND ASSISTANCE

4.A Training. Before the Restaurant opens for business, and from time to time thereafter, we will make various mandatory and optional training programs regarding Standards that we have developed or obtained available to you, your management and other Restaurant personnel to assist you in meeting Standards. We will conduct some training programs regarding Standards, and we may require you to conduct training programs through your own properly certified (by us) trainers or supervisors. These programs may be conducted, at our option, at the Restaurant or other site, or through the Internet or other electronic media. You agree to timely and successfully complete, and to require your management and other employees to timely and

successfully complete, all training that we designate as mandatory regarding Standards. Some training programs or systems may require the payment of fees.

4.B Costs for Training. You are responsible for your costs incurred in receiving any Standards training and in conducting your own training, including the cost of any materials and the salaries and travel expenses of yourself, your management, and your employees. If the Restaurant fails to meet Standards, then in addition to our other remedies, we may require you, your management and other Restaurant personnel to participate in additional training programs at your expense, and you may be required to reimburse us for the costs of providing such training.

4.C Assistance. We will maintain a continuing advisory relationship with you by providing such assistance as we periodically deem appropriate regarding the development and operation of a Combo Restaurant. We may require that you designate an individual who satisfies the training and other requirements we periodically specify as our primary contact. We may advise you on the Restaurant's construction, design, layout, equipment, maintenance, repair and remodeling; on the training of your Restaurant's managers and crew personnel; on marketing and merchandising; on inventory control and record-keeping; and on other aspects of Combo Restaurant operations. We will make available to you our then-current Manuals setting out our Standards, together with explanatory policies, procedures and other materials to assist you in complying with those Standards.

4.D Franchisee Advisory Council. We have established a franchisee advisory council comprised of members elected by franchisees in accordance with an election process we periodically specify as well as members appointed by us. We will consult with this group or its successor from time to time. This council will serve solely in an advisory capacity with respect to the matters contemplated by this Agreement, provided that the council currently has, and may have from time to time, particular consent, approval, and other rights pursuant to specific programs, arrangements or policies that we periodically establish and modify, or under other agreements with us.

SECTION 5. FEES, PAYMENTS AND REPORTING OF SALES

5.A Initial Franchise Fee. You must pay us the Initial Franchise Fee specified in the Contract Data Schedule in accordance with the ~~SDA~~DA or, if this Agreement is not being executed pursuant to an ~~SDA~~DA, then upon executing this Agreement.

5.B Marketing Start-Up Payment. In connection with a material branding or re-branding event at the Restaurant such as opening, re-opening or remodel or any other event set forth in our Standards, you agree to undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of such activities. If we have established a minimum dollar expenditure for your Restaurant's initial opening promotional activities, that amount will be set forth on the Contract Data Schedule.

5.C Continuing Franchise Fee. On or before Thursday of each week, you agree to pay us a Continuing Franchise Fee in an amount equal to (1) the Gross Sales (defined below) of the Restaurant for the seven (7)-day period ending at the close of business on Saturday, twelve (12) days previous, multiplied by (2) the Continuing Franchise Fee percentage stated in the Contract Data Schedule. We will specify the means and manner of payment from time to time, in writing.

5.D Continuing Advertising Fee. On or before Thursday of each week, you agree to pay us a Continuing Advertising Fee in an amount equal to (1) the Gross Sales of the Restaurant for the seven (7)-day period ending at the close of business on Saturday, twelve (12) days previous, multiplied by (2) the Continuing Advertising Fee percentage stated in the attached Contract Data Schedule. The Continuing Advertising Fee should be paid

at the same time and in the same manner as the Continuing Franchise Fee, unless we specify otherwise, in writing.

5.E Gross Sales. “Gross Sales” means all revenue related to the sale of approved products and services through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the Combo Restaurant network; taxes collected from customers on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale. All sales are considered to have been made at the time the product is delivered to the purchaser, regardless of timing or form of payment. Revenues lost due to employee theft are not deductible from Gross Sales. Sales made to approved wholesale accounts are included in Gross Sales for purposes of calculating the Continuing Franchise Fee but not the Continuing Advertising Fee. You must submit any wholesale account for our prior approval using the procedure we specify from time to time. We may withdraw our approval at any time.

5.F Taxes on Fees. If any tax or other fee (other than federal or state income tax based on our income) is imposed on us by any governmental agency due to our receipt of fees or other amounts that you pay to us under this Agreement, then you agree to pay us the amount of such tax or other fee as an additional Continuing Franchise Fee.

5.G Late Fees, Interest and Costs. If you are late in paying all or part of any fee or other amount due to us or our affiliate, then without limiting our other remedies, you must also pay us our then-current late fee and interest on the unpaid amount calculated from the date due until paid at the rate of one and one-half percent (1.5%) per month, or the highest rate allowed by law, whichever is less. You must also pay all collection charges, including reasonable attorneys' fees, that we and our affiliates incur to collect fees that are due.

5.H Gross Sales Reporting and EFT. You agree to participate in our program or procedure that we periodically specify for Gross Sales reporting and payment of fees that are due, whether it is electronic fund transfer (“EFT”) or some successor program, in accordance with our Standards. You agree to assume the costs associated with maintaining your capability to report Gross Sales and transfer funds to us. In no event will you be required to pay any sums before the date they are due, as described above.

SECTION 6. ADVERTISING AND MARKETING

6.A Fund. Dunkin' has established and administers The Dunkin' Advertising and Sales Promotion Fund (the “Dunkin' Fund”), and directs the development of all advertising, marketing and promotional programs for the Dunkin' System. Furthermore, Baskin-Robbins has established and administers The Baskin-Robbins Advertising and Sales Promotion Fund (the “BR Fund”), and directs the development of all advertising, marketing and promotional programs for the Baskin-Robbins System. We may use up to twenty percent (20%) of Continuing Advertising Fees for the administrative expenses of the Dunkin' Fund and/or BR Fund, and for programs designed to increase sales and further develop the reputation and image of the brands. The balance, including any interest earned by the Dunkin' Fund and/or BR Fund, will be used for advertising and related expenses. The content of all activities of the Dunkin' Fund and BR Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by Dunkin and Baskin-Robbins, accordingly. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Dunkin' Fund and/or BR Fund, or to ensure that you benefit directly or on a pro rata basis from the Dunkin' Fund's and/or BR Fund's activities. Upon your request, Dunkin' and Baskin-Robbins will provide you with an audited statement of receipts and disbursements for the Dunkin' Fund and BR Fund, accordingly, that is audited by an independent, certified public accountant, for each fiscal year of the Dunkin' Fund and/or BR Fund.

6.B Local Marketing. If you prepare (or cause to be prepared) any advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs for the Restaurant (collectively, “Local Marketing”) materials or programs, then you must submit the materials and programs and their proposed use to us for our prior written approval in advance of any use. You may not use any Local Marketing materials or programs that we have not approved or have disapproved. You also must comply with any Standards and other guidelines that we periodically specify concerning any Local Marketing that you implement.

6.C Additional Baskin-Robbins Marketing. From time to time, Baskin-Robbins may create national or local promotional program(s) that, for a limited time, involved the giveaway of a specified product, or its sale at some specified price. Baskin-Robbins may also create programs for frequency and loyalty cards and redemption of gift certificates, coupons, and vouchers, the duration of which will be determined by Baskin-Robbins. If we designate any such program as mandatory, you agree to participate fully.

SECTION 7. RESTAURANT OPERATIONS

7.A Standards. You agree at all times to operate the Restaurant in accordance with all of our Standards, as we may implement and modify them from time to time. Without limiting the generality of the foregoing, among other things, you agree to:

(1) keep the Restaurant open and in continuous operation for the days and hours we periodically prescribe, and use the Restaurant and Premises only as a Combo Restaurant business, unless we give written approval to do otherwise (and we may vary the hours of operation for specific restaurants in our sole judgment based on, among other things, economic factors, the restaurant’s market, and/or other factors we deem relevant);

(2) install and use only equipment, fixtures, furnishings, fixtures, and signage for the Restaurant (the “Operating Assets”) that we approve, and replace them as we may specify;

(3) install and use a retail and back office information system and related equipment and programs that we periodically specify and whose information relating to the Restaurant or the business you operate under this Agreement is continuously accessible to us, for our access and use, through polling or other direct or remote means that we periodically specify. Unless we approve otherwise in writing, you will be required to use the retail information system approved by Dunkin’;

(4) use only the inventory, supplies, materials, and other products and services for the Restaurant that we periodically specify;

(5) sell all products that we periodically specify as mandatory, sell only those products that we periodically approve, and maintain a sufficient supply of all approved products to meet customer demands at all times;

(6) adopt and implement the training programs and materials for Restaurant personnel that we periodically specify, maintain a sufficient number of properly-trained managers and employees to render quick, competent and courteous service to Restaurant customers in accordance with our Standards, and use only employees that have literacy and fluency in the English language sufficient, in our reasonable opinion, to adequately communicate with customers if their duties include customer service;

(7) comply with all of requirements that we periodically specify, or that applicable law requires, relating to health, safety and sanitation;

(8) comply with Standards from us, prevailing industry standards (including payment card industry data security standards), all contracts to which you are a party or otherwise bound, and all applicable laws and regulations, as any of them may be modified from time to time, regarding the organizational, physical, administrative and technical measures and security procedures to safeguard the confidentiality and security of customer data on your computer system or otherwise in your possession or control and, in any event, employ reasonable means to safeguard the confidentiality and security of customer data;

(9) offer or sell any products to a third party for subsequent resale only with our prior written approval;

(10) comply with all requirements that we periodically specify relating to delivery service from the Restaurant (if we approve the Restaurant to offer delivery); and

(11) place orders with us or our approved and designated supplier(s) at such times and in such manner as we or our approved and designated supplier(s) prescribe from time to time. You will provide us or our approved and designated supplier(s) with a means of access to the Restaurant's frozen storage facility for delivery in accordance with regular route schedules as we or our approved and designated supplier(s) prescribe from time to time. We or our approved and designated supplier(s) may refuse to process orders or impose a reasonable late or additional delivery charge for orders that are not timely placed.

7.B Compliance with Laws. You agree to comply at all times with all laws, ordinances, rules, regulations and orders of public authorities pertaining to the occupancy, operation and maintenance of the Restaurant and Premises. You represent and warrant to us that none of your (or your Owners') property or interests is subject to being blocked under, and you and your Owners otherwise are not in violation of, Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, or any other federal, state, or local law, ordinance, regulation, policy, list or other requirement of any governmental authority addressing or in any way relating to terrorist acts or acts of war.

7.C Inspections. You agree that our employees, representatives and agents have the right to enter the Restaurant and Premises, without notice during business hours, to determine your compliance with Standards and this Agreement. During the course of any such inspection, we may (among other things) photograph or video any part of the Restaurant; discuss Restaurant-related operations with the Restaurant's personnel, customers and prospective customers; and select ingredients, products, supplies, equipment and other items from the Restaurant to evaluate whether they comply with our Standards. We agree to establish (and may periodically modify) Standards requiring our employees, representatives and agents, as well as vendors and other third parties with whom we contract, to present reasonable identification upon your or your Restaurant manager's request before entering into restricted areas of the Restaurant which customers cannot typically access. We may require you to immediately remove non-conforming items from the Restaurant at your expense, and we may remove them at your expense if you do not remove them upon request.

7.D Determination of Prices. Except as we may be permitted by law to require a particular price, you are free to determine the prices you charge for the products you sell.

7.E Standards and Conditions of Employment. We and you agree that any materials, guidance or assistance that we provide with respect to the terms and conditions of employment for your employees, employee hiring, firing and discipline, and similar employment-related policies or procedures, whether in the Manuals or otherwise, are solely for your optional use. Those materials, guidance and assistance do not form part of the mandatory Standards. You will determine to what extent, if any, these materials, guidance or assistance should apply to the Restaurant's employees. You acknowledge that we do not dictate or control

labor or employment matters for franchisees and their employees and will not be responsible for the safety and security of Restaurant employees or patrons. You are solely responsible for determining the terms and conditions of employment for all Restaurant employees, for all decisions concerning the hiring, firing and discipline of Restaurant employees, and for all other aspects of the Restaurant's labor relations and employment practices.

7.F Designated and Approved Suppliers. During the Term you must purchase or lease all Operating Assets, the retail information system and related equipment and programs, inventory, supplies, materials, and other products and services for the Restaurant only according to the Standards and, if we require, only from suppliers and/or distributors that we designate or approve from time to time (which may include or be limited to us or our affiliates). Currently you must acquire products for your Restaurant through the National DCP, LLC, the purchasing and distribution entity for the Combo Restaurant network. From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products, subject to any then existing arrangements with National DCP, LLC. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding.

7.G Customer Complaints, Hazardous Conditions and Violations. You must promptly submit to us copies of any customer complaints relating to the Restaurant or Premises. You also must promptly submit to us any communications from public authorities about actual or potential violations of laws or regulations relating to the operation or occupancy of the Restaurant or Premises and otherwise notify us immediately if there exists any event or condition at the Restaurant or Premises that poses a threat to the health or safety of your customers. We may specify from time to time the manner of submission of this information to us.

SECTION 8. REPAIRS, MAINTENANCE, REFURBISHMENT AND REMODEL

8.A Repairs and Maintenance. You agree to continuously maintain the Restaurant and Premises, including all Operating Assets, in the degree of cleanliness, orderliness, sanitation and repair as prescribed by our Standards. You agree to make needed repairs (and replacements) to the Restaurant and Premises, including all Operating Assets, on an ongoing basis to ensure that your use and occupancy of the Restaurant and Premises conform to our Standards at all times. You are responsible for the costs associated with maintenance, repairs and replacements, alterations and additions. You may not defer your ongoing obligation to maintain, repair and replace because of a forthcoming refurbishment or remodel.

8.B Refurbishment and Remodel. No later than the Refurbishment Dates described in the Contract Data Schedule, you must refurbish the Restaurant in accordance with our then-current refurbishment Standards as generally described below. No later than the Remodel Dates described in the Contract Data Schedule, you must remodel the Restaurant in accordance with our then-current remodel Standards as generally described below, including those relating to Operating Assets. You are responsible for the costs of refurbishments and remodels. Our refurbishment Standards generally include enhancements, improvements or upgrades to exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology. Our remodel Standards generally include enhancements, improvements or upgrades to the site, building, equipment, technology and operational systems as necessary to bring the Restaurant up to the then-current Dunkin' and Baskin-Robbins brands' image and Standards.

SECTION 9. PROPRIETARY MARKS, CONFIDENTIAL INFORMATION AND INNOVATIONS

9.A **Ownership of Proprietary Marks.** Your right to use the Proprietary Marks is derived only from this Agreement and is limited to operating the Restaurant according to this Agreement and all Standards we implement during the Term. You may not sublicense the Proprietary Marks. Your unauthorized use of the Proprietary Marks is a breach of this Agreement and infringes our and our licensor's rights in the Proprietary Marks. Your use of the Proprietary Marks and any goodwill established by that use are for our and our licensor's exclusive benefit, and this Agreement does not confer any goodwill or other interests in the Proprietary Marks upon you (other than the right to operate the Restaurant under this Agreement). All provisions of this Agreement relating to the Proprietary Marks apply to any additional and substitute trademarks and service marks that we periodically authorize you to use. Neither you nor your Owners may directly or indirectly at any time during or after the Term contest or assist others in contesting the validity, or our licensor's ownership, of the Proprietary Marks or register, apply to register, or otherwise seek to use or in any way control any Proprietary Mark or any confusingly similar form or variation of any Proprietary Mark.

9.B **Use of Proprietary Marks.** You agree to use only the Proprietary Marks we periodically designate and in the manner that we periodically approve. You may not use the Proprietary Marks to advertise or sell products or services through the mail or by any electronic or other medium, including the Internet, without our prior written approval. Our right to approve any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet "home page" or other website using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees. You agree not to use the Proprietary Marks or the names "Dunkin' Donuts", "Dunkin'", "DD", "Dunk," "Baskin-Robbins," "Baskin," "31 Flavors," or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social media accounts, or other identification of you or your business, in any medium. In all approved uses of the Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated in the manner that we periodically specify. You must modify or discontinue using any Proprietary Mark and/or use one or more additional or substitute trademarks or service marks as we periodically specify.

9.C **Notification of Infringements and Control of Proceedings.** You agree to notify us promptly if you become aware of any actual or apparent infringement or litigation relating to the Proprietary Marks. We or our licensor may take the action that we or it deems appropriate (including no action) and control exclusively any litigation or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. You agree to reasonably cooperate with us (at our expense) with respect to actions that, in the opinion of our or our licensor's attorneys, are necessary or advisable to protect and maintain our and our licensor's interests in any litigation or other proceeding or otherwise to protect and maintain our and our licensor's interests in the Proprietary Marks. At our option, we or our licensor may defend and control the defense of any claims disputing your use of, or challenging the validity of, or our (or our licensor's) rights in any Proprietary Mark.

9.D **Indemnification for Use of Proprietary Marks.** We agree to defend, indemnify and hold you and your successors and assigns harmless from, including by reimbursing any reasonable attorneys' fees and other costs and expenses you incur in connection with, any claims disputing your use of, or challenging the validity of or our (or our licensor's) rights in, any Proprietary Mark we license you under this Agreement, as long as the claim does not arise from your use of any Proprietary Mark in breach of this Agreement, the Manual or the Standards.

9.E **System Confidential Information.** In this Agreement, "Confidential Information" means information relating to us, the Dunkin' System, and the Baskin-Robbins System that is proprietary, provides a competitive

advantage to Combo Restaurants, Dunkin' restaurants, and Baskin-Robbins restaurants and is not generally available to the public, including development plans for Combo Restaurants, Dunkin' restaurants, and Baskin-Robbins restaurants; certain proprietary information in the Manuals and Standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Combo Restaurants, Dunkin' restaurants, and Baskin-Robbins restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary Operating Assets and other products and services that Combo Restaurants, Dunkin' restaurants, and/or Baskin-Robbins restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing the Restaurant. We and our affiliates own all right, title and interest in and to the Confidential Information. You agree that you and your Owners:

- (1) will not use any Confidential Information in any other business or capacity, whether during or after the Term, and will not sell, trade or otherwise profit in any way from the Confidential Information, except during the Term using methods we approve;
- (2) will keep the Confidential Information absolutely confidential, both during the Term and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form; and
- (3) will adopt and implement all reasonable procedures that we periodically designate to prevent unauthorized use or disclosure of Confidential Information, including restricting its disclosure to Restaurant personnel and others needing to know such Confidential Information to operate the Restaurant, and using confidentiality agreements we specify with those having access to Confidential Information.

"Confidential Information" does not include information, knowledge or know-how that is or becomes generally known in the restaurant industry (without violating an obligation to us or our affiliate) or that you knew from previous business experience before we provided it to you (directly or indirectly). If we include any item in Confidential Information, anyone who claims that it is not Confidential Information must show by reasonable evidence that the exclusion in this paragraph is fulfilled.

9.F Innovations. All ideas, concepts, techniques or materials relating to a Combo Restaurant, Dunkin' restaurants, and/or Baskin-Robbins restaurants, whether or not protectable intellectual property and whether created by or for you or your Owners (including the ideas, concepts, techniques or materials developed for you by your employees or contractors to which you own the intellectual property rights) (collectively, "Innovations") must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, by this paragraph you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to execute (and to cause your Owners to execute) whatever assignment or other documents we reasonably request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Restaurant or otherwise without our prior approval.

9.G Franchisee Proprietary Information. We agree to keep confidential any Franchisee Proprietary Information (defined below) except: (1) in connection with anonymous general information disseminated to our franchisees, prospective franchisees, or other parties; (2) in the formulation of plans and policies in the interest of the Combo Restaurant network; or (3) if required by law or any legal proceeding. "Franchisee Proprietary Information" means information about your or your Owners' (and/or your or their affiliates') ownership, capital structure or financial results that would by its nature, be considered by a reasonable person

to be confidential; provided that Franchisee Proprietary Information does not include any information that is owned by us (or our affiliates) or otherwise is part of the definition of Confidential Information.

SECTION 10. RESTRICTIVE COVENANTS

10.A **Acknowledgements.** You acknowledge that as our franchisee, you (and your Owners and Restaurant personnel) will receive specialized training, including operations training, in the System that is beyond your present skills and those of your managers and employees. You further acknowledge that you will receive access to our Confidential Information which will provide a competitive advantage to you. As a condition of training you, sharing our Confidential Information with you and granting you a license to operate the Restaurant and use our intellectual property, we require the following covenants in order to protect our legitimate business interests and the interests of other franchisees in the Combo Restaurant, Dunkin' restaurant, and Baskin-Robbins restaurant network.

10.B **Covenants During the Term.** During the Term, neither you nor any of your Owners, officers, directors or guarantors may:

(1) have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any business or venture that derives, or is reasonably expected to derive, more than twenty percent (20%) of its overall revenue from a combination of coffee, baked goods, ice cream, and/or other frozen treats (other than another Combo Restaurant, Dunkin' restaurant, or Baskin-Robbins restaurant operating under a franchise agreement with us) (a "Competitive Business");

(2) divert or attempt to divert any Combo Restaurant business or customer or prospective customer away from the Restaurant, another Combo Restaurant, Dunkin' restaurant or Baskin-Robbins restaurant;

(3) oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Combo Restaurant, Dunkin' restaurant or Baskin-Robbins restaurant; or

(4) perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks, any Combo Restaurant, any Dunkin' restaurant, or any Baskin-Robbins restaurant.

10.C **Covenants After the Term.** For the first twenty-four (24) months following the expiration or termination of this Agreement or transfer pursuant to Section 13 (the "Post-Term Period"), neither you nor any of your Owners, officers, directors or guarantors may have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any Competitive Business that is located at the Premises or within five (5) miles from the Premises or any other Combo Restaurant, Dunkin' restaurant, or Baskin-Robbins restaurant that is then open or under development. The Post-Term Period will be automatically extended, with respect to any persons covered by this Section 10.C who are not complying fully with this Section 10.C, for each day during which that person is not complying fully with this Section 10.C.

10.D **Exclusions.** The restrictions in Sections 10.B and 10.C shall not apply to the ownership of (1) less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange; or (2) a passive investment interest of less than fifteen percent (15%) in any real estate development company, provided that such interest does not include any management control, voting rights, or other direct or indirect control over the policies or operations of that development company, such as any rights or control with respect to the tenants, owners or other concepts in any real estate development.

10.E Acknowledgements. You acknowledge that a breach of the covenants contained in this Section 10 will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 10 determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in this Section 10 will be valid and enforceable.

SECTION 11. MAINTENANCE AND SUBMISSION OF BOOKS, RECORDS AND REPORTS

11.A Maintaining Records. You must keep business records in the manner and for the time required by law and our Standards, and in accordance with generally accepted accounting principles. All records must be in English, and whether on paper or in an electronic form, must be capable of being reviewed by us without special hardware or software. You must retain copies of each state and federal tax return for the franchised business for a period of five (5) years.

11.B Reporting. You must submit to us, in the form and manner we periodically specify, profit and loss statements for the Restaurant on a monthly basis, and, at our request, balance sheets for your fiscal half-year and year-end. If we specify additional records for periodic reporting, you agree to submit those records as required.

11.C Audit of Records. Within fifteen (15) days after our request and at our option, you agree to (1) photocopy and deliver to us those required records that we specify, or (2) at a location acceptable to us, provide us access to any required records that we specify for examination and photocopying by our representatives. You also hereby grant us the right (to the extent you have that right) to examine the records of your purchases kept by any of your suppliers or distributors, including the National DCP or any successor entities, and hereby authorize those suppliers and distributors to allow us to examine and copy those records at our own expense. If after we review your business records, which may include your business tax returns, we believe that intentional underreporting of Gross Sales may have occurred, then upon request, and in addition to our other remedies, you and any signatory and guarantor of this Agreement must provide us with personal federal and state tax returns and personal bank statements for the periods requested.

SECTION 12. INSURANCE AND INDEMNIFICATION

12.A Insurance.

(1) Before opening or operating the Restaurant for business, and before beginning construction of the Restaurant if you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the Term. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

We and any affiliate we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty (30) days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement. If such insurance coverage is not in effect, then in addition to our other

remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums and costs. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions below.

(2) Both you and we waive any and all rights of recovery against each other and our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section 12.B.

12.B Indemnification. You agree to defend, indemnify and hold us, our affiliates, and our and their respective owners, officers, directors, employees, agents, successors and assigns (collectively, the “Indemnified Parties”), harmless from all claims related in any way to your development, operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys’ fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, except as provided below, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us or any other Indemnified Party by law. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer. You will have the right to assume control of the defense of and otherwise respond to and address any claim or proceeding that is subject to this Section 12.B, provided however, that each Indemnified Party may at its election, by written notice to you, assume control of the defense of and otherwise respond to and address any such claim or proceeding, but only if (1) the claim or proceeding involves a class action or action that involves more than just the Restaurant and other Combo Restaurants that you or your affiliates own, (2) a negative decision in the claim or proceeding would reasonably be expected to have a material adverse impact on the Dunkin’ brand or Baskin-Robbins brand, or goodwill associated with the Proprietary Marks, or (3) you (or your insurance carrier) does not actively defend the Indemnified Party’s interests in the claim or proceeding. If the Indemnified Party assumes control of the defense of any claim or proceeding pursuant to the preceding sentence, then (a) the Indemnified Party shall be responsible for its own fees (including reasonable attorneys’ fees), costs and other expenses, and you may at your option retain separate co-counsel and otherwise participate in the defense at your sole cost and expense; and (b) your indemnification, defense and hold harmless obligations under this Section 12.B shall not apply with respect to that claim or proceeding. Your obligations under this Section 12.B will continue in full force and effect subsequent to and notwithstanding this Agreement’s expiration or termination. To the extent that this Section 12.B directly conflicts with any specific defense, hold harmless or indemnification provisions in any other written contract between us or in any program or offering in which you participate, such as the Dunkin’ and/or Baskin-Robbins Loyalty Program(s), such provisions will govern to the extent of such conflict.

SECTION 13. TRANSFERS

13.A Transfer by Us. We may change our ownership or form and/or assign this Agreement and any other agreement between us and you (or any of your Owners or affiliates) without restriction. This Agreement inures to the benefit of our successors and assigns. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

13.B Transfer by You – Defined. We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners’) individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights

or obligations under this Agreement, nor the Restaurant or all or substantially all of the Operating Assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control of the Restaurant or the Operating Assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term “transfer,” whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or the Restaurant (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or the Restaurant’s operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of the Restaurant, any of its Operating Assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or you.

A “Controlling Ownership Interest” in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A “Non-Controlling Ownership Interest” in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

13.C Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Combo Restaurants, and execute our then-current form of Guaranty.

13.D Conditions for Our Approval of Control Transfer. Subject to Sections 13.E and 13.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any rights or obligations under this Agreement, any direct or indirect interest in the Restaurant or all or substantially all of the Operating Assets, or any Controlling Ownership Interest in you (if you are a business entity) (each a “Control Transfer”), that complies with the following:

- (1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor executes our then current form of Guaranty;
- (2) you have satisfied all of your outstanding obligations to us, the Restaurant and Premises are in compliance with our Standards, and you are otherwise in full compliance with this Agreement and all related agreements with us and our affiliates;
- (3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would

be unable to properly operate, maintain, upgrade and promote the Restaurant and meet all financial and other obligations to us and to third parties;

(4) at the time of transfer, you and all of your Owners execute our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the franchised business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations);

(5) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agree to repair and/or replace any Operating Assets and otherwise correct any deficiencies that we identify in the Restaurant or the Premises, and, if we require, refurbish or remodel the Restaurant and Premises according to our requirements; and

(6) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agrees, at our option, to (a) be bound by all terms and conditions of this Agreement for the remainder of the Term, or (b) execute our then-current form of franchise agreement and related documents, which may contain terms and conditions (including the fees) that differ materially from any or all of those in this Agreement, except that the term of such franchise agreement shall be the remaining Term of this Agreement and the refurbishment and remodel dates shall be as set forth in this Agreement.

13.E **Transfer Fee.** At transfer, you must pay us a Transfer Fee as follows, whether or not we exercise our rights in Section 13.G.

(1) If you have not owned and operated the Restaurant for at least three (3) full years on the date the transfer occurs, you will pay the Transfer Fee set forth in the chart in Subsection (2) below plus an additional Twenty Thousand Dollars (\$20,000).

(2) If you have owned and operated the Restaurant for at least three (3) full years on the date the transfer occurs, you will pay the Transfer Fee stated below, based on the Restaurant's Gross Sales during the twelve (12)-month period ending as of the end of the reporting period immediately preceding the transfer's closing date, provided that we reserve the right to select another period or to make appropriate adjustments to such Gross Sales in the event extraordinary occurrences (e.g., road construction, fire or other casualty, etc.) materially affected the Restaurant's sales during that trailing twelve (12)-month period.

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000.00	\$12,500.00
\$400,000.00 or more, but less than \$600,000.00	\$13,500.00
\$600,000.00 or more, but less than \$1,000,000.00	\$15,500.00
\$1,000,000.00 or more, but less than \$1,400,000.00	\$19,500.00
\$1,400,000.00 or more	\$27,500.00

(3) In lieu of the Transfer Fee above, we will only charge the applicable, then-current Fixed Documentation Fee published by us from time to time for (a) a transfer of a Non-Controlling Ownership Interest; (b) any transaction in which the direct or indirect ownership interests in you are transferred to the spouse(s) or children of any of the individuals who are Owners as of the Effective

Date; (c) if an Owner who dies or becomes mentally incapacitated transfers all of their direct or indirect ownership interests in you to beneficiaries or heirs.

13.F Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement or in you to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 13.

13.G Right of First Refusal. If you or any of its Owners at any time determines to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and the Standards). Only Dunkin' or Baskin-Robbins will exercise the right of first refusal under this Section 13.G, and the franchisor that has the right of first refusal will be the brand that generated the most sales at the Restaurant during the twelve (12) months preceding receipt of the offer. You must comply with our Standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they executed the purchase and sale documents, including any applicable diligence periods (although our diligence period need not be more than thirty (30) days after we deliver our exercise our right of first refusal) and periods before closing. We may at our option assign our right of first refusal under this Section 13.G, without recourse, to any assignee, who will then have all of our rights under this Section 13.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 13.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

SECTION 14. DEFAULT AND TERMINATION

14.A Termination by Us. We may, at our option, terminate this Agreement, effective upon delivery of written notice of termination to you, if:

- (1) you lose the use or enjoyment of or the right to occupy the Premises, or the lease for the Premises is terminated, before the Term expires;
- (2) there is any unauthorized transfer or assignment in violation of Section 13;
- (3) there is any unauthorized use or disclosure of any Confidential Information in breach of this Agreement, or you or your Owners breach any provision of Section 10;
- (4) you or any of your Owners is convicted of or pleads guilty or no contest to a felony or crime involving moral turpitude;

(5) you or any of your Owners commits a fraud upon us, our affiliate or any third party relating to the Restaurant or any other Combo Restaurant or your acquisition of your rights under this Agreement, including by intentionally understating or underreporting Gross Sales;

(6) you or any of your affiliates uses or permits the use of the Restaurant or Premises, or any other Combo Restaurant, for an unauthorized purpose;

(7) you abandon the Restaurant or you cease to operate the Restaurant for a period of forty-eight (48) hours without our prior written consent, unless you close the Restaurant for a purpose we approve or in response to a fire or other casualty, and, with respect to any such cessation of operations, you have not resumed operations within twenty-four (24) hours after delivery of written notice to you;

(8) any other franchise agreement or other agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Combo Restaurant, other than a ~~Store~~ Development Agreement, is terminated before its term expires, regardless of the reason;

(9) we deliver to you written notice of your failure to comply with this Agreement on three (3) or more separate occasions for the same or a substantially similar default within the immediately preceding twelve (12)-month period, whether or not any of these failures are corrected after we deliver written notice to you;

(10) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor's insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; or a bill in equity or other proceeding for the appointment of a receiver, trustee or other custodian for the Restaurant or your or any guarantor's business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor's assets is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 14.A(10) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;

(11) you violate any law, regulation, order or Standard relating to health, sanitation or safety, and do not (a) immediately destroy any product or correct any situation that, in our opinion, poses an imminent risk to public health and safety; and (b) otherwise correct the failure within twenty-four (24) hours after notice of that violation or situation is delivered to you;

(12) you fail to pay us (or our affiliate) any amounts due, whether arising under this Agreement or any other agreement, or you fail to maintain the insurance required under this Agreement, and in either case do not correct the failure within seven (7) days after we deliver written notice of that failure to you; or

(13) you fail to comply with any other provision of this Agreement or any mandatory Standard, or any other agreement that is necessary to the operation of the Restaurant, and do not correct the failure within thirty (30) days after we deliver written notice of the failure to you.

Notwithstanding the foregoing, if a default is curable under this Agreement, and any applicable law in the state in which the Restaurant is located requires a longer cure period than that specified in this Agreement, the longer period will apply.

14.B Additional Remedies. In addition to our other rights and remedies, we also have the following remedies:

(1) If we believe a condition at the Premises or the Restaurant or of any product sold poses a threat to the health or safety of your customers, employees or other persons, we have the right to take such action as we deem necessary to protect those persons, and the goodwill enjoyed by our Proprietary Marks and System, including any or all of the following: (i) requiring you to immediately close and suspend operation of the Restaurant and correct such conditions; (ii) immediately removing or destroying (or requiring you to immediately remove and destroy) any products that we suspect are contaminated; and (iii) entering the Restaurant and Premises, without being guilty of or liable for trespass or tort, to attempt to correct any hazardous condition if you fail to correct that condition on demand. You are solely responsible for all losses or expenses incurred in complying with the provisions of this subsection.

(2) If we notify you that you have not complied with a Standard involving the condition of the Restaurant, including maintenance, repair, and cleanliness, and you fail to correct that non-compliance within thirty (30) days, then we and our representatives may enter the Restaurant and Premises, without being guilty of or liable for trespass or tort, and correct the condition at your expense.

(3) If you repeatedly fail to comply with this Agreement, we may disapprove your participation in the sale of new products or new programs until you cure your defaults and demonstrate to our reasonable satisfaction that you can maintain compliance with Standards.

14.C Enforcement Expenses. You agree to pay to us all costs and expenses, including reasonable payroll and travel expenses for our employees, and reasonable investigation and attorneys' fees, that we incur in successfully enforcing (which includes achieving a settlement) any provisions of this Agreement.

14.D Injunctive Relief. Because of the importance of your compliance with Standards to protect our System, the Combo Restaurant network and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be an insufficient remedy for your breach of any Standard or other provision of this Agreement. Accordingly, you agree not to contest the appropriateness of injunctive relief for such breaches, and consent to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. In order to obtain an injunction relating to any Standard, we must show only that the Standard in issue was adopted in good faith and applies generally to Combo Restaurants in the same geographic region and that are similarly situated with the Restaurant.

14.E Obligations Upon Termination and Expiration. Upon termination or expiration of this Agreement, in addition to complying with Sections 10.B, 14.F, 14.G, and any other provision that expressly or by its nature survives the expiration or termination of this Agreement:

(1) you no longer have any rights granted by this Agreement, and we may, at our option, notify any of your suppliers, distributors and other third parties that you are no longer an authorized franchisee and the Restaurant is no longer an authorized Combo Restaurant or eligible to receive products and services as a Combo Restaurant;

(2) you must immediately cease operation of the Restaurant and no longer represent yourself to the public as our franchisee, and must immediately cease all use of our Proprietary Marks, any colorable imitation of a Proprietary Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Proprietary Mark, or any other indicia of a Combo Restaurant in any manner or for any purpose, and any Confidential Information, and Manuals, and cease to participate directly or indirectly in the use or benefits of our System;

(3) within ten (10) days after expiration or termination you must (a) pay all amounts owed under this Agreement, including any fees and interest; and (b) return all originals and copies of our Manuals, plans, and other documents containing our Standards or other intellectual property; and

(4) upon our request within thirty (30) days after expiration or termination, you must (a) remove from the Restaurant and Premises and return to us all signage and other indicia of our Proprietary Marks; (b) make such modifications or alterations to the Restaurant and Premises as we require in accordance with our Standards to distinguish the Restaurant and Premises from its former appearance and the premises of other Combo Restaurants so as to prevent a likelihood of confusion by the public; (c) disconnect and cease using any telephone numbers that are connected to our Proprietary Marks name; and (d) withdraw any fictitious name or similar registration containing any part of our Proprietary Marks. You hereby appoint us as your attorney-in-fact, and in your name, to do any act necessary to accomplish the intent of this subsection (4). If you fail or refuse to comply with the requirements of this subsection (4), we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, and you agree to reimburse us for all costs and expenses we incur upon demand.

You acknowledge that if we conduct business as if the Agreement had not been terminated or otherwise suffer your continued operation of the Restaurant while we seek enforcement of our election to terminate or our other rights or remedies, we are doing so merely to preserve the reputation of the Combo Restaurant network and/or the goodwill associated with the Proprietary Marks, and that doing so is neither a waiver of our election to terminate nor an extension of the termination date.

14.F Option to Purchase. We have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to purchase from you those Operating Assets and other assets used in the operation of the Restaurant that we designate (excluding personal assets and assets that are not used primarily in the operation of the Restaurant and other Combo restaurants then being acquired) (the "Purchased Assets"). The purchase price for the Purchased Assets (the "Purchase Price") will be their fair market value, but not as a Combo Restaurant as a going concern, except that the Purchase Price will not include any value for any rights granted by this Agreement, goodwill attributable to the Proprietary Marks or System, or participation in the network of Combo Restaurants. If we and you cannot agree on the Purchase Price for the Purchased Assets, it will be determined by an independent appraiser designated in accordance with the Standards, who will be bound by the provisions of this Section 14.F. We will pay the Purchase Price at the closing, which will take place on a date we designate, but we may set off against the Purchase Price, and reduce the Purchase Price by, any and all amounts you owe us or our affiliates relating to the Restaurant. We are entitled to all customary representations, warranties and indemnities in this asset purchase, and you (and your Owners) agree to execute our then current form of purchase agreement and related agreements and instruments (which shall be on reasonable and customary terms and conditions) in connection with the purchase. We also may at our option assign our rights under this Section 14.F, without recourse, to any assignee, who will then have all of our rights under this Section 14.F to purchase the Purchased Assets directly from you, and we shall have no further liability or obligation in connection with this Section 14.F with respect to that purchase.

14.G Option to Assume Lease. We also have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to require you assign to us any leasehold

interest you have in the Restaurant and Premises or any other agreement related to the Premises. You (and your Owners) agree to execute our then current form of lease assignment agreement and related agreements and instruments (all of which shall be on reasonable and customary terms and conditions) in connection with the transfer, which will be effective on the date we specify, which may be the closing date of the purchase under Section 14.F. We may at our option assign our rights under this Section 14.G, without recourse, to any assignee, who will then have all of our rights under this Section 14.G to assume the leasehold interest or other agreement related to the Premises directly from you, and we shall have no further liability or obligation in connection with this Section 14.G with respect to that assignment.

SECTION 15. DISPUTE RESOLUTION

15.A **Governing Law.** This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 15.A.

15.B **Choice of Forum.** The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

15.C **Waiver of Punitive Damages and Jury Trial.** EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW OR OWED TO THIRD PARTIES WHICH ARE SUBJECT TO INDEMNIFICATION UNDER SECTION 9.D OR SECTION 12.B, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

15.D **Claims Not a Defense.** You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

SECTION 16. MISCELLANEOUS

16.A **Relationship of the Parties.** This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other.

16.B Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any provision of this Agreement or any Standard applies only to that one breach and that one provision or Standard, and not to any subsequent breach of that provision or Standard or any other provision or Standard. Our acceptance of any payments due under this Agreement shall not be deemed to be our waiver of any preceding breach. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you.

16.C Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

16.D Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Except as provided in Section 9.D and Section 12.B, nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such words shall be interpreted as

examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

16.E Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the Manuals, Standards and System, this Agreement may not be amended or modified except by a written agreement executed by both us and you.

16.F Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Combo Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Combo Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Combo Restaurants.

16.G Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the physical addresses set forth in the Contract Data Schedule, or to such other physical addresses as you and we provide each other in writing; provided, however, that we may also send notice to you at the email address(es) set forth in the Contract Data Schedule, or such other email addresses as you may provide to us in writing. All notices to us shall be sent to us “c/o Dunkin’ Brands, Inc., as Manager, Attention: Legal Department.”

16.H No Related Party Liability. You agree that none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for: (1) any of our obligations or liabilities relating to or arising from this Agreement; (2) any claim against us based on, in respect of, or by reason of, the relationship between you and us; or (3) any claim against us based on any of our alleged unlawful acts or omissions.

16.I No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given ~~this ____ day of _____, 20__~~ as of the Effective Date of the Agreement, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the “Agreement”) on this date by **DUNKIN’ DONUTS FRANCHISING LLC** (“Dunkin’”) and **BASKIN-ROBBINS FRANCHISING LLC** (“Baskin-Robbins” and together with Dunkin’, the “Franchisor”), each of the undersigned unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ (“Franchisee”) will punctually pay and perform each and every undertaking, agreement, and covenant of Franchisee set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Franchisee of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to ~~personably~~personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor’s failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) they will benefit significantly from Franchisor’s entering into the Agreement with Franchisee; and (c) Franchisor would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A above, be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Franchisor’s pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Franchisor has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned’s execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a “creditor” of Franchisee under any applicable bankruptcy law with respect to Franchisee’s obligations to Franchisor; (b) all rights to require Franchisor to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to

assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Franchisor; and (d) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

F. If Franchisor is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Franchisor shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

MULTI-BRAND ADDENDUM TO THE FRANCHISE AGREEMENT

**20252026 INSPIRE BRANDS' MULTI-BRAND
ADDENDUM TO THE FRANCHISE AGREEMENT**

This Addendum to Franchise Agreement (this “**Addendum**”) is entered into this _____ day of _____, 202_____, by _____ and _____ (“**Franchisor**”) and _____ (“**Franchisee**”).

1. **Background.**

(a) Franchisor and Franchisee are parties to that certain _____® Franchise Agreement dated as of _____ (as amended, the “**Franchise Agreement**”) under which Franchisor has granted Franchisee the right to operate a _____® restaurant (a “**Brand Restaurant**”) at _____ (the Brand Restaurant at that location is called the “**Franchised Restaurant**”). All initial capitalized terms used but not defined in this Addendum have the meanings set forth in the Franchise Agreement.

(b) Franchisee operates or intends to operate the Franchised Restaurant at the premises of, and in combination with, the other brand restaurants listed on Exhibit A (collectively, and whether one or more, the “**Other Restaurants**”). The affiliate(s) of Franchisee listed on Exhibit A (collectively, and whether one or more, the “**Co-Operators**”) operate the Other Restaurants under the separate franchise agreement(s) listed on Exhibit A (collectively, and whether one or more, the “**Other Franchise Agreements**”) with the franchisor(s) listed on Exhibit A who are Franchisor’s affiliates (collectively, and whether one or more, the “**Other Franchisors**”).

(c) This Addendum reflects certain changes in and clarifications to the Franchise Agreement to reflect Franchisor’s modified requirements for a multi-brand location. Franchisee acknowledges that Franchisor is willing to enter into this Addendum and to permit the operation of the Franchised Restaurant as a multi-brand location only because of the relationship between Franchisor and the Other Franchisors and, if applicable, the relationship between Franchisee and its Co-Operators who operate the Other Restaurants.

2. **Ownership of Other Restaurants.** Notwithstanding the restrictions in the Franchise Agreement, Franchisor consents to Franchisee’s (and/or, as applicable, its Co-Operators’) ownership and operation of the Other Restaurants at the same premises as the Franchised Restaurant, provided Franchisee complies with the terms of the Franchise Agreement (including this Addendum) and Franchisee (or its Co-Operators) complies with the terms of the Other Franchise Agreements.

3. **Franchise Agreement Term and Renewal.** The term of the Franchise Agreement shall expire, unless sooner terminated, on _____, 20_____. **[Note to Drafter: Complete the date in the previous sentence.]** In addition to the conditions in the Franchise Agreement to obtain a renewal or successor franchise to continue operating the Franchised Restaurant as a Brand Restaurant, Franchisee (and/or, as applicable, its Co-Operators) also must be in compliance with, and, if Franchisor requires, renew or extend the term of, the Other Franchise Agreements.

4. **Operation as a Multi-Brand Location.** Franchisee agrees that Franchisor, at its option, may modify any of the terms of the franchise system applicable to the Franchised Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Brand Restaurants, in order to reflect the Franchised Restaurant’s status as a multi-brand location. Franchisee agrees to comply with all of those modifications. Without limiting the generality of the foregoing:

(a) Franchisee shall design and construct, and/or make modifications to, the Franchised Restaurant's layout, design, equipment and fixtures that Franchisor specifies to reflect the multi-brand location.

(b) Franchisee agrees that its (or Co-Operators') development and operation of the Other Restaurants shall not unreasonably interfere with or otherwise disrupt the Franchised Restaurant's operations. The operation of the Other Restaurants must be consistent with and complement Franchisee's operation of the Franchised Restaurant.

(c) Franchisee acknowledges that the services, guidance and assistance that Franchisor provides under the Franchise Agreement, including any training, may be intended for stand-alone Brand Restaurants and not tailored or specific to multi-brand locations like the Franchised Restaurant.

(d) Franchisee may not open and begin operating the Franchised Restaurant unless the Other Restaurants are also open and in operation. Franchisee shall ensure that the Other Restaurants are open and operating during all business hours that the Franchised Restaurant is open and operating.

(e) Franchisee must use paper products and other items bearing the Brand Restaurants' trademarks and trade names only at the Franchised Restaurant and with products served by the Franchised Restaurant, and Franchisee (or its Co-Operators) may not use them at the Other Restaurants or with products served by the Other Restaurants.

(f) Franchisee (and, if applicable, its Co-Operators) shall notify the customers of the Franchised Restaurant and the Other Restaurants, and the design and layout of the Franchised Restaurant and Other Restaurants shall reflect, all in the manner Franchisor periodically specifies, that the operation of the Other Restaurants is separate from and independent of the Franchised Restaurant. Without limiting the foregoing, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Franchised Restaurant and not the Other Restaurants. Likewise, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Other Restaurants and not the Franchised Restaurant. Unless Franchisor otherwise specifies or approves, none of the advertising, marketing or promotional materials associated with the Franchised Restaurant may reference the Other Restaurants or the brand(s) under which the Other Restaurants operate.

(g) all of the Franchised Restaurant's sales must be entered only on the point-of-sale system that Franchisor approves for the Franchised Restaurant. Franchisee (and, if applicable, Co-Operators) shall maintain separate books and records for the Franchised Restaurant and the Other Restaurants and shall not commingle the revenues of the Franchised Restaurant with the revenues of the Other Restaurants. Franchisor and Franchisee agree that Franchisee shall pay royalties or continuing franchise fees, advertising/brand fund contributions or continuing advertising fees, and/or similar payments based on Gross Sales under the Franchise Agreement only on the Gross Sales derived from the Franchised Restaurant and not on the sales or revenue of the Other Restaurants. Franchisee agrees to deliver to Franchisor, at such times that Franchisor periodically specifies, sales information and other reports relating to the Other Restaurants.

(h) Franchisee acknowledges that Franchisor shall have no obligation to provide any training, services or other assistance with respect to the development or operation of the Other Restaurants.

5. **Personnel.** Franchisee must ensure that all employees providing services to customers of the Franchised Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants. Franchisor may at its option modify its training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Franchised Restaurant and the Other Restaurants. However, Franchisee must ensure that all employees who provide services to the Franchised Restaurant's customers or otherwise assist in the Franchised Restaurant's operation are properly trained to operate the Franchised Restaurant and otherwise satisfy Franchisor's requirements. Franchisee must pay Franchisor any training fees and additional expenses that Franchisor incurs in connection with any additional or specialized training required for the Franchised Restaurant's personnel due to its status as multi-brand location.

6. **Inspections and Audits.** In order to determine Franchisee's compliance with the Franchise Agreement (including this Addendum), Franchisor shall have the right to inspect the Other Restaurants and their operations, and audit the books and records associated with the Other Restaurants, in accordance with the terms of the Franchise Agreement to the same extent that it may do so with respect to the Franchised Restaurant, its operations, and its books and records. If Franchisee has Co-Operators operating the Other Restaurants, Franchisee must ensure that those Co-Operators provide Franchisor the rights under this Section 6.

7. **Refresh/Remodel of the Franchised Restaurant.** Franchisor, at its option, may modify the requirements for any required refresh or remodel of the Franchised Restaurant under the Franchise Agreement, including by accelerating or deferring any due dates, in order to correlate with the development, remodel and/or refresh requirements under any of the Other Franchise Agreements.

8. **Relationship With Other Franchise Agreements.** Franchisee acknowledges that Franchisor granted Franchisee the rights under the Franchise Agreement and this Addendum in reliance upon, and that the operation of the Franchised Restaurant under the Franchise Agreement is dependent on and inextricably connected with, Franchisee's (or its Co-Operators) operation of the Other Restaurants pursuant to and in compliance with the Other Franchise Agreements. Therefore:

(a) Franchisee agrees to comply (or to cause Co-Operators to comply) with the Other Franchise Agreements in connection with the development and operation of the Other Restaurants (including with respect to paying amounts owed and complying with all applicable laws) and agrees that Franchisee's (or any Co-Operator's) failure to comply with any Other Franchise Agreement shall constitute a breach of, and a default under, the Franchise Agreement.

(b) upon any proposed transfer (as defined in the Franchise Agreement, if applicable) involving any direct or indirect ownership interest in Franchisee or all or substantially all of the assets of the Franchised Restaurant, in addition to the conditions for Franchisor's approval of that transfer under the Franchise Agreement, Franchisor may condition its consent to that transfer on the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Other Restaurants. Likewise, Franchisee (or, if applicable, its Co-Operators) may not transfer any direct or indirect ownership interest in Franchisee's affiliate or all or substantially all of the assets of the Other Restaurants without the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Franchised Restaurant, which transfer shall be subject to Franchisor's approval under the Franchise Agreement.

(c) Franchisor may terminate the Franchise Agreement, effective upon delivery of written notice to Franchisee, if any Other Franchise Agreement expires (without a renewal or successor franchise with the Other Franchisors) or terminates (regardless of the reason), or if Franchisee (or, if

Restaurant #: _____
DA #: _____

applicable, Co-Operators) abandons or otherwise ceases to operate any Other Restaurant for any reason.

(d) Franchisor acknowledges that certain post-termination obligations under the Franchise Agreement relating to Franchisor's right to acquire certain assets of the Franchised Restaurant and/or the lease for the Franchised Restaurant's premises may conflict with similar requirements under the Other Franchise Agreements, and in that case Franchisee agrees to comply (and, if applicable, to cause its Co-Operators to comply) with the requirements that Franchisor reasonably specifies.

9. **Miscellaneous**. This Addendum is an amendment to, and forms a part of, the Franchise Agreement. Except as amended by this Addendum, the Franchise Agreement will continue in full force and effect. The recitals to this Addendum are a part of this Addendum, which, together with the Franchise Agreement, constitutes the entire agreement between Franchisor and Franchisee, and there are no oral or other written understandings, representations or agreements between Franchisor and Franchisee, relating to the subject matter of this Addendum. No modification, change or alteration of this Addendum shall be effective unless in writing and executed by Franchisor and Franchisee. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. If there is a conflict between any provision of the Franchise Agreement and a provision of this Addendum, the provision of this Addendum controls.

IN WITNESS WHEREOF, the parties have executed and delivered this Addendum as of the date first above written.

B. We and you are signing this Agreement to provide you the right and obligation to develop a number of Dunkin' Restaurants within a certain geographic area over a certain period of time.

AGREEMENT

In consideration of the foregoing and the mutual covenants and consideration below, we and you agree as follows:

1. **Grant of Development Rights.** We hereby grant you the right, and you (on behalf of yourself and your Controlled Affiliates (defined below)) hereby accept the obligation, to sign Franchise Agreements (defined below) for, develop and open Dunkin' Restaurants (each a "Restaurant" and collectively, "Restaurants") within the geographic area described in Exhibit A (the "~~Store~~-Development Area"). The required number of Restaurants that you (or your Controlled Affiliates) must develop, and the dates by which those Restaurants must be open and operating in accordance with the applicable Franchise Agreement (the "Required Opening Dates"), are set forth in the development schedule in Exhibit B (the "Development Schedule"). Only Restaurants that you or your Controlled Affiliates develop and open in the ~~Store~~ Development Area will count towards the Development Schedule, subject to Section 2. "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least fifty-one percent (51%) of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Dunkin' Restaurant developers and obtain our approval. If you are an entity, then each Owner must sign an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

2. **Rights in ~~Store~~-Development Area and SDOs.**

A. If you are fully complying with this Agreement, and you and your affiliates are fully complying with all franchise and all other agreements with us and our affiliates relating to a Dunkin' Restaurant (together with this Agreement, collectively, the "Related Agreements"), then during the term of this Agreement only, neither we nor our affiliates will operate, or authorize any other party to operate, a Dunkin' Restaurant the physical premises of which are located within the ~~Store~~-Development Area, except for (i) franchises we grant to you and approved Controlled Affiliates; (ii) those Dunkin' Restaurants identified on Exhibit A, which are the restaurants in the ~~Store~~-Development Area that, as of the date of this Agreement, are owned and operated by our affiliates or other franchisees or are under development by our affiliates or other franchisees (and you agree that these restaurants may relocate to any other location within their trade areas that we approve); and (iii) as set forth in this Section 2. If the ~~Store~~-Development Area is defined as more than one contiguous geographic territory, then at the time you or your Controlled Affiliate signs a Franchise Agreement (defined below) for a Dunkin' Restaurant to be developed in any of those separate territories, the territorial protections and prohibitions under this Section 2.A will no longer apply to the applicable separate territory.

We and our affiliates shall at all times have the right to engage in any activities we or they deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we or they desire. This includes (1) rights to operate or license others to operate Dunkin' Restaurants at such locations and on such terms as we choose, except as expressly set forth in this Section 2; (2) rights to operate or license others to operate other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose; and (3) rights to use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant, including rights to distribute Dunkin'® products and services of every kind and nature through any other channels of distribution (such as, for example, in a hotel room, an office or a supermarket (as distinguished from a Dunkin' Restaurant inside a supermarket)).

B. Special distribution opportunities for Dunkin' Restaurants ("SDOs") may arise within the ~~Store~~-Development Area that may or may not be available to you. Examples of SDOs include hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers, travel plazas, department stores and "big box" super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue and to operate (and grant rights to others to pursue and to operate) Dunkin' Restaurants at SDOs within your ~~Store~~ Development Area, but during the term of this Agreement we will offer you the opportunity to become our franchisee for those SDOs ("SDO Notice") provided that, at the time we are prepared to deliver the SDO Notice: (x) you and your affiliates are in compliance with all Related Agreements, (y) you meet our then current Criteria to Expand, and (z) the party that controls the SDO permits us to do so. You will have thirty (30) days after we deliver the SDO Notice (or such longer period identified in the SDO Notice) to secure rights to the location. Except as provided below, the initial franchise fee that you (or your Controlled Affiliate) pay for any SDO will be our then-current initial franchise fee for similar SDOs and will be payable to us in addition to the IFF (defined below) required under this Agreement.

(1) Although gas/convenience locations are expressly covered as SDOs in this Section 2.B, if you propose and we approve you (or your Controlled Affiliate) for a Restaurant at a gas/convenience location within the ~~Store~~-Development Area, we will consider the development of that location to satisfy one of the Restaurants you are required to develop pursuant to the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets our minimum then-current menu and design criteria for a traditional Dunkin' Restaurant and that opens by the applicable Required Opening Date in the Development Schedule; and (b) IFFs applicable under the Development Schedule are applied or paid for that SDO Restaurant regardless of the length of lease term (and any corresponding franchise term) that you or your Controlled Affiliate secure for that location.

(2) For all SDOs other than gas/convenience locations (which are addressed in Subsection (1) above), if you propose and we approve you (or your Controlled Affiliate) for a Restaurant in an SDO location within the ~~Store~~-Development Area, we will consider the development of that location to satisfy one of the Restaurants you are required to develop pursuant to the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets our minimum then-current menu and design criteria for a traditional Dunkin' Restaurant and that opens by the applicable Required Opening Date in the Development Schedule; (b) we retain final approval as to how many, if any, SDOs may be developed in lieu of the Restaurants you were originally required to develop under the Development Schedule; (c) none of the SDOs approved by us under this Section 2.B(2) will be included in the number of Restaurants opened for determining whether you qualify for the Mid-Term Extension set forth in Section 6.B; and (d) the initial franchise fee payable for that SDO will be our then-current standard rate for SDOs, and we will apply as a credit towards the next payment due from you under this Agreement the difference between the IFF deposit that you previously paid to us under

this Agreement for the applicable Restaurant and the initial franchise fee for the SDO, unless there are no further payments due from you under this Agreement, in which case we will apply that difference as a credit towards the Continuing Franchise Fee accrued under the Franchise Agreement for the SDO.

3. **Initial Franchise Fees.** Subject to Section 2 above, you must pay us an Initial Franchise Fee (“IFF”) for each Restaurant to be developed pursuant to this Agreement in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer (“EFT”), and provide us with authorization and bank account data necessary to set up EFT. These IFFs are non-refundable and must be paid in full, without reduction or offset. However, subject to Section 2 above, we will apply the IFFs paid under this Agreement towards the initial franchise fees payable under each Franchise Agreement that you (or your Controlled Affiliate) signs pursuant to this Agreement, and the IFFs are due and payable on at the times stated in Exhibit B notwithstanding anything to the contrary in any Franchise Agreement.

4. **Site Selection, Development and Opening of Restaurants and Signing Franchise Agreements.**

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You must deliver to us for our review a complete site report and other materials and information we request for suitable site(s) within the **Store** Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. Despite any assistance, information or recommendations that we provide with respect to any site, we have made and will make no representations or warranties of any kind, express or implied, of the suitability of any site for a Dunkin’ Restaurant or any other purpose. In addition to site information, you must submit information to us concerning the proposed layout and other aspects of the proposed Restaurant’s design and appearance. You must make the changes to the proposed design and appearance that we require and develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

B. You must submit to us the proposed purchase agreement or lease for the Restaurant’s premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Restaurant’s premises, the landlord must agree to our then-current form of Option to Assume the lease. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant.

C. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of Franchise Agreement and related documents (as periodically modified, the “Franchise Agreement”) for the Restaurant. You acknowledge that the terms of the Franchise Agreements for Restaurants may differ substantially from the terms contained in our current form of franchise agreement, except that, for each Franchise Agreement signed in compliance with this Agreement (but subject to Section 2), the IFF, continuing franchise fee, continuing advertising fee and marketing start-up fee shall be as set forth on Exhibit B. Notwithstanding the foregoing, if you fail to meet the Development Schedule or are otherwise in default under this Agreement, and we (at our sole option) allow the development of any Restaurant to continue despite that default, then the continuing franchise fee, continuing advertising fee and marketing start-up fee under that Franchise Agreement shall be our then-current fees instead of the fees set forth on Exhibit B.

5. **Proprietary Marks and Restrictive Covenants.**

A. No License to Proprietary Marks. This Agreement does not grant you any right to use, or authorize others to use, the Proprietary Marks in any manner. Your (or your Controlled Affiliate's) right to use the Proprietary Marks arises only under franchise agreements with us. "Proprietary Marks" means the trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin that form part of the System, all of which we may periodically develop and modify.

B. No License to Confidential Information. This Agreement does not grant you any right to use, or authorize others to use, the Confidential Information in any manner. Your (or your Controlled Affiliate's) right to use the Confidential Information arises only under franchise agreements with us. If you nevertheless acquire any Confidential Information, you agree that you: (1) will not use any Confidential Information in any other business or capacity, whether during or after the Term, and will not sell, trade or otherwise profit in any way from the Confidential Information; and (2) will keep the Confidential Information absolutely confidential, both during the Term and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form. "Confidential Information" means information relating to us or the System that is proprietary, provides a competitive advantage to Dunkin' Restaurants, and is not generally available to the public, including development plans for Dunkin' Restaurants; certain proprietary information in the operations manuals and system standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Dunkin' Restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary operating assets and other products and services that Dunkin' Restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing Dunkin' Restaurants.

C. Restrictive Covenants. During the Term, neither you nor any of your Owners, officers, directors or guarantors may:

- (1) have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any business or venture that derives, or is reasonably expected to derive, more than twenty percent (20%) of its overall revenue from a combination of coffee and/or baked goods (other than another Dunkin' Restaurant operating under a franchise agreement with us) (a "Competitive Business");
- (2) divert or attempt to divert any Dunkin' Restaurant business or customer or prospective customer away from any Dunkin' Restaurant;
- (3) oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Dunkin' Restaurant; or
- (4) perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks or any Dunkin' Restaurant.

The restrictions in this Section 5.C shall not apply to the ownership of (i) less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange; or (ii) a passive investment interest of less than fifteen percent (15%) in any real estate development company, provided that such interest does not include any management control, voting rights, or other direct or indirect control over the policies or operations of that development company, such as any rights or control with respect to the tenants, owners or other concepts in any real estate development.

D. Acknowledgements. You acknowledge that a breach of the covenants contained in this Section 5 will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 5 determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in this Section 5 will be valid and enforceable.

6. Term, Extension and Renewal.

A. Term. The term of this Agreement begins on the date of this Agreement and expires on the date set forth on Exhibit B, unless the term is extended in accordance with Section 6.B or this Agreement is sooner terminated in accordance with Section 7.

B. Mid-Term Extension Option. Beginning on the date that you (or your Controlled Affiliates) open the first Restaurant that satisfies at least half of your development obligations under the Development Schedule and continuing for the period that ends one (1) year before the this Agreement expires (unless it is terminated sooner), and provided that you and your affiliates are fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand, you may submit to us a written request to extend the term of this Agreement and increase in the number of Restaurants that you (or your Controlled Affiliates) must develop under this Agreement (the “Extension Request”). You understand that in calculating the number of Restaurants that you have opened to determine whether you have satisfied at least half of your development obligations, we will not count any non-gas/convenience store SDO developed pursuant to Section 2.B(2) above. Upon receiving your valid Extension Request, we and you agree to negotiate in good faith to determine the number of additional Dunkin’ Restaurants to be developed (under our then-current initial franchise fee, continuing franchise fee and other franchise terms), their required opening dates, and any changes to the ~~Store~~-Development Area. However, although we and you agree to negotiate in good faith, both parties understand and agree that they may be unable to successfully determine the terms of this extension, in which case the terms of this Agreement will remain in full force and effect notwithstanding the Extension Request.

C. Renewal. When the Term expires, you will have an option to renew the right and obligation to develop Dunkin’ Restaurants for one (1) additional term (the “Renewal Term”) if, and only if, each and every one of the following conditions has been satisfied:

- (1) you have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than eighteen (18) months before the end of the Term;
- (2) you have timely, and without extension, amendment or waiver from us, satisfied the Development Schedule and you and your affiliates are then fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand;
- (3) we have reassessed the potential of the ~~Store~~-Development Area and determined that the ~~Store~~-Development Area has potential for additional Dunkin’ Restaurant development; and
- (4) we and you agree on a new development schedule for the Renewal Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their

respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party's indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and (ii) our then-current form of ~~Store~~-Development Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new developers at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you executed that ~~Store~~-Development Agreement.

7. Termination and Suspension of Development Rights.

A. We may terminate this Agreement, effective immediately upon our delivery of written notice to you, and without providing you any opportunity to cure the default, if:

- (1) you fail to meet any of the obligations set forth in the Development Schedule;
- (2) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor's insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; a bill in equity or other proceeding for the appointment of a receiver or other custodian for your or any guarantor's business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor's real or personal property is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 7.A(2) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;
- (3) you or any of your Owners commits a fraud upon us, our affiliate, or any third party relating to the business under this Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);
- (4) you or any of your Owners is convicted of or pleads guilty or no contest to a felony or crime involving moral turpitude;
- (5) there is any unauthorized transfer or assignment in violation of Section 8;
- (6) any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Dunkin' Restaurant within any Designated Marketing Area(s) where the ~~Store~~-Development Area is located, is terminated before its term expires, regardless of the reason; or
- (7) you fail to pay us (or our affiliate) any amount due, whether arising under this Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates), or you fail to comply with any other provision of this Agreement (except as otherwise set forth in this Section 7), and do not cure the failure within seven (7) days after our delivery of written notice.

B. Upon the expiration or termination of this Agreement, all rights granted to you under this Agreement will automatically terminate. If this Agreement is terminated, then you must immediately pay us

all unpaid IFFs (as set forth in Exhibit B), without reduction or offset, even if you did not open any or all of the Restaurants.

C. If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop Restaurants by a written notice to you. The suspension will be in effect until you are not in default under any Related Agreement and otherwise satisfy our criteria for reinstatement under the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole judgment, grant an extension in writing. In addition to and without limiting our other rights and remedies under this Agreement, any other agreement or applicable law, upon the occurrence of any of the events that give rise to our right to terminate this Agreement under this Section 7, we may, at our sole option and upon delivery of written notice to you, eliminate your protected territorial rights under Section 2 above in one or more parts of the ~~Store~~ Development Area, in which event we (and our affiliates) may thereafter operate, and authorize any other parties to operate, Dunkin' Restaurants the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities we desire within that geographic area without any restrictions whatsoever, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us.

8. Transfers.

A. Transfer by Us. We may change our ownership or form and/or assign this Agreement and any other agreement between us and you, any Controlled Affiliate, or any of your or your Controlled Affiliates' owners or affiliates without restriction. This Agreement inures to the benefit of our successors and assigns. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. Transfer by You – Defined. We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights or obligations under this Agreement, nor all or substantially all of your assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control your assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or your business (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or your business' operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of your business, any of your assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of your business (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1)

fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A “Non-Controlling Ownership Interest” in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

C. Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Dunkin’ Restaurants, and sign our then current form of Guaranty.

D. Conditions for Our Approval of Control Transfer. Subject to Sections 8.E and 8.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any direct or indirect interest in, or rights or obligations under, this Agreement, or all or substantially all of your assets, or any Controlling Ownership Interest in you (if you are a business entity) (a “Control Transfer”), that complies with the following:

- (1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor signs our then current form of Guaranty;
- (2) you have satisfied all of your outstanding obligations to us and you and your affiliates are otherwise in full compliance with this Agreement, any related agreement, any Franchise Agreement signed pursuant to this Agreement, and any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);
- (3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would be unable to properly develop the Dunkin’ Restaurants in accordance with the Development Schedule and meet all financial and other obligations to us and to third parties;
- (4) at the time of transfer, you and all of your Owners sign our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations); and
- (5) the transferee (if the transfer is of this Agreement) agrees to be bound by all terms and conditions of this Agreement for the remainder of the term.

E. Transfer Fees. For a Control Transfer, at the time of transfer, you must pay us a transfer fee equal to ten thousand dollars (\$10,000), whether or not we exercise our rights in Section 8.G. For a Non-Control Transfer, at the time of transfer, you must pay us our then-current fixed documentation fee.

F. Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased’s legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual’s death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 8.

G. Right of First Refusal. If you or any of your Owners at any time determine to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and our standards). You must comply with our standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they signed the purchase and sale documents, including any applicable diligence periods and periods before closing. We may at our option assign our right of first refusal under this Section 8.G, without recourse, to any assignee, who will then have all of our rights under this Section 8.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 8.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

9. **Dispute Resolution.**

A. Governing Law. This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 9.A.

B. Choice of Forum. The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

C. Waiver of Punitive Damages and Jury Trial. EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

D. Claims Not a Defense. You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

10. Miscellaneous

A. Relationship of the Parties. This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, your business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other.

B. Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any provision of this Agreement applies only to that one breach and that one provision, and not to any subsequent breach of that provision or any other provision. Our acceptance of any payments due under this Agreement shall not be deemed to be our waiver of any preceding breach. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you.

C. Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

D. Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on

the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words “include,” “including,” and words of similar import shall be interpreted to mean “including, but not limited to” and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

E. Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the System, this Agreement may not be amended or modified except by a written agreement executed by both us and you.

F. Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Dunkin’ Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Dunkin’ Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Dunkin’ Restaurants.

G. Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the physical addresses set forth in the Contract Data Schedule, or to such other physical addresses as you and we provide each other in writing; provided, however, that we may also send notice to you at the email address(es) set forth in the Contract Data Schedule, or such other email addresses as you may provide to us in writing. All notices to us shall be sent to us, “[c/o Dunkin’ Brands, Inc., as Manager,] Attention: Legal Department.”

H. No Related Party Liability. You agree that none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for: (1) any of our obligations or liabilities relating to or arising from this Agreement; (2) any claim against us based on, in respect of, or by reason of, the relationship between you and us; or (3) any claim against us based on any of our alleged unlawful acts or omissions.

I. No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision

supersedes any other term of any document executed in connection with the franchise.

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given ~~this _____ day of _____, 20____~~ as of the Effective Date of the Agreement, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain ~~Store~~ Development Agreement (together with all amendments or modifications, the “Agreement”) on this date by **DUNKIN’ DONUTS FRANCHISING LLC** (“Dunkin’”), each of the undersigned unconditionally (a) guarantees to Dunkin’ and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ (“Developer”) will punctually pay and perform each and every undertaking, agreement, and covenant of Developer set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Developer of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that ~~(1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor’s failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2) exception, on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, exception shall govern to the extent of such direct conflict.~~

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Developer or otherwise has a direct or indirect relationship with Developer or its affiliates; (b) they will benefit significantly from Dunkin’s entering into the Agreement with Developer; and (c) Dunkin’ would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Developer and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Dunkin’s pursuit of any remedies against Developer or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Dunkin’ may from time to time grant to Developer or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Developer or any of its owners or guarantors, and for so long as Dunkin’ has any cause of action against Developer or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Developer, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Developer arising as a result of the undersigned’s execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a “creditor” of Developer under any applicable bankruptcy law with respect to Developer’s obligations to Dunkin’; (b) all rights to require Dunkin’ to proceed against Developer for any payment required under the Agreement, proceed against or exhaust any security from Developer, take any action to assist any of

the undersigned in seeking reimbursement or Developer in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Developer; (c) any benefit of, or any right to participate in, any security now or hereafter held by Dunkin'; and (d) acceptance and notice of acceptance by Dunkin' of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Dunkin' shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Developer, any other guarantor, or any collateral securing any obligations of Developer to Dunkin'. Without affecting the obligations of the undersigned under this Guaranty, Dunkin' may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Developer, or settle, adjust, release, or compromise any claims against Developer or any other guarantor, make advances for the purpose of performing any obligations of Developer under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Developer, (b) any lack of authority of Developer with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Developer, (d) any circumstance whereby the Agreement shall be void or voidable as against Developer or any of its creditors, including a trustee in bankruptcy of Developer, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Developer of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Developer or any other guarantor, and (g) any act or omission of Developer.

F. If Dunkin' is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Dunkin' shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Dunkin' and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

DUNKIN' / BASKIN-ROBBINS COMBO RESTAURANT
STORE-DEVELOPMENT AGREEMENT

This ~~Store~~-Development Agreement ("Agreement"), dated _____, 20____, (the "Effective Date"), is made by and between **DUNKIN' DONUTS FRANCHISING LLC**, a Delaware limited liability company with principal offices at Three Glenlake Pkwy NE, Atlanta, GA ("Dunkin'"), **BASKIN-ROBBINS FRANCHISING LLC**, a Delaware limited liability company with principal offices at Three Glenlake Pkwy NE, Atlanta, GA ("Baskin-Robbins" and together with Dunkin', "we", "us" or "our"), and the following individual(s) and/or entity: _____ (individually or collectively referred to as "you" or "your").

This Agreement dated as of the Effective Date, is made by and between us and you, which terms are defined in the Contract Data Schedule.

RECITALS

A. We grant franchises for Dunkin'® and Baskin-Robbins® Combo restaurants operating under the Proprietary Marks (defined below) and the System (a "Combo Restaurant"). The "System" involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products, all of which we may periodically develop and modify.

B. We and you are signing this Agreement to provide you the right and obligation to develop a number of Combo Restaurants within a certain geographic area over a certain period of time.

AGREEMENT

In consideration of the foregoing and the mutual covenants and consideration below, we and you agree as follows:

1. ~~Grant of Development Rights~~**GRANT OF DEVELOPMENT RIGHTS**. We hereby grant you the right, and you (on behalf of yourself and your Controlled Affiliates (defined below)) hereby accept the obligation, to sign Franchise Agreements (defined below) for, develop and open Combo Restaurants (each a "Restaurant" and collectively, "Restaurants") within the geographic area described in Exhibit A (the "~~Store~~ Development Area"). The required number of Restaurants that you (or your Controlled Affiliates) must develop, and the dates by which those Restaurants must be open and operating in accordance with the applicable Franchise Agreement (the "Required Opening Dates"), are set forth in the development schedule in Exhibit B (the "Development Schedule"). Only Restaurants that you or your Controlled Affiliates develop and open in the ~~Store~~-Development Area will count towards the Development Schedule, subject to Section 2. "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least fifty-one percent (51%) of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Combo Restaurant developers and obtain our approval. If you are an entity, then each Owner must sign an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

2. ~~Rights in Store Development Area and SDOs~~ **RIGHTS IN DEVELOPMENT AREA AND SDOs.**

A. If you are fully complying with this Agreement, and you and your affiliates are fully complying with all franchise and all other agreements with us and our affiliates relating to a Combo Restaurant (together with this Agreement, collectively, the “Related Agreements”), then during the term of this Agreement only, neither we nor our affiliates will operate, or authorize any other party to operate, a Combo Restaurant the physical premises of which are located within the ~~Store~~-Development Area, except for (i) franchises we grant to you and approved Controlled Affiliates; (ii) those Combo Restaurants identified on Exhibit A, which are the restaurants in the ~~Store~~-Development Area that, as of the date of this Agreement, are owned and operated by our affiliates or other franchisees or are under development by our affiliates or other franchisees (and you agree that these restaurants may relocate to any other location within their trade areas that we approve); and (iii) as set forth in this Section 2. If the ~~Store~~-Development Area is defined as more than one contiguous geographic territory, then at the time you or your Controlled Affiliate signs a Franchise Agreement (defined below) for a Combo Restaurant to be developed in any of those separate territories, the territorial protections and prohibitions under this Section 2.A will no longer apply to the applicable separate territory.

We and our affiliates shall at all times have the right to engage in any activities we or they deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we or they desire. This includes (1) rights to operate or license others to operate Combo Restaurants (and Dunkin’ Restaurants and Baskin-Robbins Restaurants) at such locations and on such terms as we choose, except as expressly set forth in this Section 2; (2) rights to operate or license others to operate other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose; and (3) rights to use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant, including rights to distribute Dunkin’® and Baskin-Robbins® products and services of every kind and nature through any other channels of distribution (such as, for example, in a hotel room, an office or a supermarket (as distinguished from a Combo Restaurant inside a supermarket)).

B. Special distribution opportunities for Combo Restaurants (“SDOs”) may arise within the ~~Store~~-Development Area that may or may not be available to you. Examples of SDOs include hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers, travel plazas, department stores and “big box” super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue and to operate (and grant rights to others to pursue and to operate) Combo Restaurants at SDOs within your ~~Store~~ Development Area, but during the term of this Agreement we will offer you the opportunity to become a Combo Restaurant franchisee for those SDOs (“SDO Notice”) provided that, at the time we are prepared to deliver the SDO Notice: (x) you and your affiliates are in compliance with all Related Agreements, (y) you meet our then current Criteria to Expand, and (z) the party that controls the SDO permits us to do so. You will have thirty (30) days after we deliver the SDO Notice (or such longer period identified in the SDO Notice) to secure rights to the location. Except as provided below, the initial franchise fee that you (or your Controlled Affiliate) pay for any SDO will be our then-current initial franchise fee for similar SDOs and will be payable to us in addition to the IFF (defined below) required under this Agreement.

(1) Although gas/convenience locations are expressly covered as SDOs in this Section 2.B, if you propose and we approve you (or your Controlled Affiliate) for a Combo Restaurant at a gas/convenience location within the ~~Store~~-Development Area, we will consider the development of that location to satisfy one of the Restaurants you are required to develop pursuant to the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets our minimum then-current menu and design criteria for a traditional Combo Restaurant and that opens by

the applicable Required Opening Date in the Development Schedule; and (b) IFFs applicable under the Development Schedule are applied or paid for that SDO Restaurant regardless of the length of lease term (and any corresponding franchise term) that you or your Controlled Affiliate secure for that location.

(2) For all SDOs other than gas/convenience locations (which are addressed in Subsection (1) above), if you propose and we approve you (or your Controlled Affiliate) for a Combo Restaurant in an SDO location within the ~~Store~~ Development Area, we will consider the development of that location to satisfy one of the Restaurants you are required to develop pursuant to the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets our minimum then-current menu and design criteria for a traditional Combo Restaurant and that opens by the applicable Required Opening Date in the Development Schedule; (b) we retain final approval as to how many, if any, SDOs may be developed in lieu of the Restaurants you were originally required to develop under the Development Schedule; (c) none of the SDOs approved by us under this Section 2.B(2) will be included in the number of Restaurants opened for determining whether you qualify for the Mid-Term Extension set forth in Section 6.B; and (d) the initial franchise fee payable for that SDO will be our then-current standard rate for SDOs, and we will apply as a credit towards the next payment due from you under this Agreement the difference between the IFF deposit that you previously paid to us under this Agreement for the applicable Restaurant and the initial franchise fee for the SDO, unless there are no further payments due from you under this Agreement, in which case we will apply that difference as a credit towards the Continuing Franchise Fee accrued under the Franchise Agreement for the SDO.

3. ~~Initial Franchise Fees~~ INITIAL FRANCHISE FEES. Subject to Section 2 above, you must pay us an Initial Franchise Fee (“IFF”) for each Restaurant to be developed pursuant to this Agreement in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer (“EFT”), and provide us with authorization and bank account data necessary to set up EFT. These IFFs are non-refundable and must be paid in full, without reduction or offset. However, subject to Section 2 above, we will apply the IFFs paid under this Agreement towards the initial franchise fees payable under each Franchise Agreement that you (or your Controlled Affiliate) signs pursuant to this Agreement, and the IFFs are due and payable on at the times stated in Exhibit B notwithstanding anything to the contrary in any Franchise Agreement.

~~4. Site Selection, Development and Opening of Restaurants and Signing Franchise Agreements.~~

4. SITE SELECTION, DEVELOPMENT AND OPENING OF RESTAURANTS AND SIGNING FRANCHISE AGREEMENTS.

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You must deliver to us for our review a complete site report and other materials and information we request for suitable site(s) within the ~~Store~~ Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. Despite any assistance, information or recommendations that we provide with respect to any site, we have made and will make no representations or warranties of any kind, express or implied, of the suitability of any site for a Combo Restaurant or any other purpose. In addition to site information, you must submit information to us concerning the proposed layout and other aspects of the proposed Restaurant’s design and appearance. You must make the changes to the proposed design and appearance that we require and develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

B. You must submit to us the proposed purchase agreement or lease for the Restaurant's premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Restaurant's premises, the landlord must agree to our then-current form of Option to Assume the lease. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant.

C. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of Franchise Agreement and related documents (as periodically modified, the "Franchise Agreement") for the Restaurant. You acknowledge that the terms of the Franchise Agreements for Restaurants may differ substantially from the terms contained in our current form of franchise agreement, except that, for each Franchise Agreement signed in compliance with this Agreement (but subject to Section 2), the IFF, continuing franchise fee, continuing advertising fee and marketing start-up fee shall be as set forth on Exhibit B. Notwithstanding the foregoing, if you fail to meet the Development Schedule or are otherwise in default under this Agreement, and we (at our sole option) allow the development of any Restaurant to continue despite that default, then the continuing franchise fee, continuing advertising fee and marketing start-up fee under that Franchise Agreement shall be our then-current fees instead of the fees set forth on Exhibit B.

5. ~~Proprietary Marks and Restrictive Covenants~~ PROPRIETARY MARKS AND RESTRICTIVE COVENANTS.

A. No License to Proprietary Marks. This Agreement does not grant you any right to use, or authorize others to use, the Proprietary Marks in any manner. Your (or your Controlled Affiliate's) right to use the Proprietary Marks arises only under franchise agreements with us. "Proprietary Marks" means the trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin that form part of the System, all of which we may periodically develop and modify.

B. No License to Confidential Information. This Agreement does not grant you any right to use, or authorize others to use, the Confidential Information in any manner. Your (or your Controlled Affiliate's) right to use the Confidential Information arises only under franchise agreements with us. If you nevertheless acquire any Confidential Information, you agree that you: (1) will not use any Confidential Information in any other business or capacity, whether during or after the Term, and will not sell, trade or otherwise profit in any way from the Confidential Information; and (2) will keep the Confidential Information absolutely confidential, both during the Term and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form. "Confidential Information" means information relating to us or the System that is proprietary, provides a competitive advantage to Combo Restaurants, and is not generally available to the public, including development plans for Combo Restaurants; certain proprietary information in the operations manuals and system standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Combo Restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary operating assets and other products and services that Combo Restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing Combo Restaurants.

C. Restrictive Covenants. During the Term, neither you nor any of your Owners, officers, directors or guarantors may:

- (1) have a direct or indirect ownership interest in, perform any services or other activities for, provide any assistance to, sell any products to, or receive any financial or other benefit from any business or venture that derives, or is reasonably expected to derive, more than twenty percent (20%) of its overall revenue from combination of coffee, baked goods, ice cream, and/or other frozen treats (other than another Combo Restaurant, Dunkin' restaurant, or Baskin-Robbins restaurant operating under a franchise agreement with us) (a "Competitive Business");
- (2) divert or attempt to divert any Combo Restaurant business or customer or prospective customer away from any Combo Restaurant;
- (3) oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Combo Restaurant; or
- (4) perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks or any Combo Restaurant.

The restrictions in this Section 5.C shall not apply to the ownership of (i) less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange; or (ii) a passive investment interest of less than fifteen percent (15%) in any real estate development company, provided that such interest does not include any management control, voting rights, or other direct or indirect control over the policies or operations of that development company, such as any rights or control with respect to the tenants, owners or other concepts in any real estate development.

D. Acknowledgements. You acknowledge that a breach of the covenants contained in this Section 5 will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 5 determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in this Section 5 will be valid and enforceable.

6. ~~Term, Extension and Renewal~~ TERM, EXTENSION AND RENEWAL.

A. Term. The term of this Agreement begins on the date of this Agreement and expires on the date set forth on Exhibit B, unless the term is extended in accordance with Section 6.B or this Agreement is sooner terminated in accordance with Section 7.

B. Mid-Term Extension Option. Beginning on the date that you (or your Controlled Affiliates) open the first Restaurant that satisfies at least half of your development obligations under the Development Schedule and continuing for the period that ends one (1) year before the this Agreement expires (unless it is terminated sooner), and provided that you and your affiliates are fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand, you may submit to us a written request to extend the term of this Agreement and increase in the number of Restaurants that you (or your Controlled Affiliates) must develop under this Agreement (the "Extension Request"). You understand that in calculating the number of Restaurants that you have opened to determine whether you have satisfied at least half of your development obligations, we will not count any non-gas/convenience store SDO developed pursuant to Section 2.B(2) above. Upon receiving your valid Extension Request, we and you agree to negotiate in good faith to determine the number of additional Combo Restaurants to be developed (under our then-current initial franchise fee, continuing franchise fee and other franchise terms), their required opening dates, and any changes to the ~~Store~~ Development Area. However, although we and you agree to negotiate in good faith, both parties understand and agree that they may be unable to successfully determine the terms of this extension, in

which case the terms of this Agreement will remain in full force and effect notwithstanding the Extension Request.

C. Renewal. When the Term expires, you will have an option to renew the right and obligation to develop Combo Restaurants for one (1) additional term (the “Renewal Term”) if, and only if, each and every one of the following conditions has been satisfied:

- (1) you have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than eighteen (18) months before the end of the Term;
- (2) you have timely, and without extension, amendment or waiver from us, satisfied the Development Schedule and you and your affiliates are then fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand;
- (3) we have reassessed the potential of the ~~Store~~ Development Area and determined that the ~~Store~~ Development Area has potential for additional Combo Restaurant development; and
- (4) we and you agree on a new development schedule for the Renewal Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party’s indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and (ii) our then-current form of ~~Store~~ Development Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new developers at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you executed that ~~Store~~ Development Agreement.

~~7. Termination and Suspension of Development Rights~~ TERMINATION AND SUSPENSION OF DEVELOPMENT RIGHTS.

A. We may terminate this Agreement, effective immediately upon our delivery of written notice to you, and without providing you any opportunity to cure the default, if:

- (1) you fail to meet any of the obligations set forth in the Development Schedule;
- (2) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor’s insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; a bill in equity or other proceeding for the appointment of a receiver or other custodian for your or any guarantor’s business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor’s real or personal property is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 7.A(2) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;

(3) you or any of your Owners commits a fraud upon us, our affiliate, or any third party relating to the business under this Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);

(4) you or any of your Owners is convicted of or pleads guilty or no contest to a felony or crime involving moral turpitude;

(5) there is any unauthorized transfer or assignment in violation of Section 8;

(6) any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Combo Restaurant within any Designated Marketing Area(s) where the ~~Store~~-Development Area is located, is terminated before its term expires, regardless of the reason; or

(7) you fail to pay us (or our affiliate) any amount due, whether arising under this Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates), or you fail to comply with any other provision of this Agreement (except as otherwise set forth in this Section 7), and do not cure the failure within seven (7) days after our delivery of written notice.

B. Upon the expiration or termination of this Agreement, all rights granted to you under this Agreement will automatically terminate. If this Agreement is terminated, then you must immediately pay us all unpaid IFFs (as set forth in Exhibit B), without reduction or offset, even if you did not open any or all of the Restaurants.

C. If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop Restaurants by a written notice to you. The suspension will be in effect until you are not in default under any Related Agreement and otherwise satisfy our criteria for reinstatement under the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole judgment, grant an extension in writing. In addition to and without limiting our other rights and remedies under this Agreement, any other agreement or applicable law, upon the occurrence of any of the events that give rise to our right to terminate this Agreement under this Section 7, we may, at our sole option and upon delivery of written notice to you, eliminate your protected territorial rights under Section 2 above in one or more parts of the ~~Store~~-Development Area, in which event we (and our affiliates) may thereafter operate, and authorize any other parties to operate, Combo Restaurants the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities we desire within that geographic area without any restrictions whatsoever, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us.

8. ~~Transfers~~TRANSEERS.

A. Transfer by Us. We may change our ownership or form and/or assign this Agreement and any other agreement between us and you, any Controlled Affiliate, or any of your or your Controlled Affiliates' owners or affiliates without restriction. This Agreement inures to the benefit of our successors and assigns. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. Transfer by You – Defined. We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights or obligations under this Agreement, nor all or substantially all of your assets, nor any direct or indirect

ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control your assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term “transfer,” whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or your business (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or your business’ operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of your business, any of your assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of your business (or its operation) or you.

A “Controlling Ownership Interest” in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A “Non-Controlling Ownership Interest” in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

C. Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Combo Restaurants, and sign our then current form of Guaranty.

D. Conditions for Our Approval of Control Transfer. Subject to Sections 8.E and 8.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any direct or indirect interest in, or rights or obligations under, this Agreement, or all or substantially all of your assets, or any Controlling Ownership Interest in you (if you are a business entity) (a “Control Transfer”), that complies with the following:

- (1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor signs our then current form of Guaranty;
- (2) you have satisfied all of your outstanding obligations to us and you and your affiliates are otherwise in full compliance with this Agreement, any related agreement, any Franchise Agreement signed pursuant to this Agreement, and any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);
- (3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would

be unable to properly develop the Combo Restaurants in accordance with the Development Schedule and meet all financial and other obligations to us and to third parties;

(4) at the time of transfer, you and all of your Owners sign our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations); and

(5) the transferee (if the transfer is of this Agreement) agrees to be bound by all terms and conditions of this Agreement for the remainder of the term.

E. Transfer Fees. For a Control Transfer, at the time of transfer, you must pay us a transfer fee equal to ten thousand dollars (\$10,000), whether or not we exercise our rights in Section 8.G. For a Non-Control Transfer, at the time of transfer, you must pay us our then-current fixed documentation fee.

F. Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 8.

G. Right of First Refusal. If you or any of your Owners at any time determine to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and our standards). You must comply with our standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they signed the purchase and sale documents, including any applicable diligence periods and periods before closing. We may at our option assign our right of first refusal under this Section 8.G, without recourse, to any assignee, who will then have all of our rights under this Section 8.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 8.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

9. ~~Dispute Resolution~~ DISPUTE RESOLUTION.

A. Governing Law. This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 9.A.

B. Choice of Forum. The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

C. Waiver of Punitive Damages and Jury Trial. EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

D. Claims Not a Defense. You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

10. ~~Miscellaneous~~ MISCELLANEOUS.

A. Relationship of the Parties. This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, your business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other.

B. Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any provision of this Agreement applies only to that one breach and that one provision, and not to any subsequent breach of that provision or any other provision. Our acceptance of any payments due under this Agreement shall not be deemed to be our waiver of any preceding breach. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you.

C. Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and

bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

D. Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

E. Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the System, this Agreement may not be amended or modified except by a written agreement executed by both us and you.

F. Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Combo Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Combo Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Combo Restaurants.

G. Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the [physical](#) addresses set forth in the Contract Data Schedule,

or to such other physical addresses as you and we provide each other in writing; provided, however, that we may also send notice to you at the email address(es) set forth in the Contract Data Schedule, or such other email addresses as you may provide to us in writing. All notices to us shall be sent to us, “[c/o Dunkin’ Brands, Inc., as Manager,] Attention: Legal Department.”

H. No Related Party Liability. You agree that none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for: (1) any of our obligations or liabilities relating to or arising from this Agreement; (2) any claim against us based on, in respect of, or by reason of, the relationship between you and us; or (3) any claim against us based on any of our alleged unlawful acts or omissions.

I. No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given ~~this _____ day of _____, 20____~~ as of the Effective Date of the Agreement, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain ~~Store~~ Development Agreement (together with all amendments or modifications, the "Agreement") on this date by **DUNKIN' DONUTS FRANCHISING LLC** ("Dunkin'") and **BASKIN-ROBBINS FRANCHISING LLC** ("Baskin-Robbins" and together with Dunkin, the "Franchisor"), each of the undersigned unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Developer") will punctually pay and perform each and every undertaking, agreement, and covenant of Developer set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Developer of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that ~~(1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no~~ guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing ~~clauses (1) or (2)~~ exception, on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such ~~clauses (1) or (2), as the case may be,~~ exception shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Developer or otherwise has a direct or indirect relationship with Developer or its affiliates; (b) they will benefit significantly from Franchisor's entering into the Agreement with Developer; and (c) Franchisor would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Developer and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Developer or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Developer or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Developer or any of its owners or guarantors, and for so long as Franchisor has any cause of action against Developer or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Developer, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Developer arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Developer under any applicable bankruptcy law with respect to Developer's obligations to Franchisor; (b) all rights to require Franchisor to proceed against Developer for any payment required under the Agreement, proceed against or exhaust any security from Developer, take any action to

assist any of the undersigned in seeking reimbursement or Developer in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Developer; (c) any benefit of, or any right to participate in, any security now or hereafter held by Franchisor; and (d) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Developer, any other guarantor, or any collateral securing any obligations of Developer to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Developer, or settle, adjust, release, or compromise any claims against Developer or any other guarantor, make advances for the purpose of performing any obligations of Developer under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Developer, (b) any lack of authority of Developer with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Developer, (d) any circumstance whereby the Agreement shall be void or voidable as against Developer or any of its creditors, including a trustee in bankruptcy of Developer, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Developer of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Developer or any other guarantor, and (g) any act or omission of Developer.

F. OPTION TO ASSUME LEASE

THIS OPTION TO ASSUME LEASE (this "Option") is made and entered into this _____, by and between _____ ("Landlord") and _____ ("Tenant") and modifies that certain Lease by and between Landlord and Tenant (the "Lease") of even date herewith for the premises located at _____ (the "Premises").

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. If Tenant defaults under the Lease, or if Dunkin' Donuts Franchising LLC ("Franchisor") terminates any or all of Tenant's franchise agreement(s) covering the Premises, or if any or all of those franchise agreement(s) expire without the grant of a renewal or successor franchise, Franchisor will have the option to assume the Lease. Landlord shall send Franchisor copies of all notices of default given to Tenant simultaneously with the delivery thereof to Tenant. All notices will be sent by nationally recognized overnight courier (with tracking capability). All notices to Franchisor shall be sent to Dunkin' Donuts Franchising LLC, Three Glenlake Parkway NE, Atlanta, Georgia 30328, Attn: Legal Department. All notices to Landlord shall be sent to: _____, Attn: _____.
2. Franchisor may, within 30 days after Franchisor's receipt of (a) written notice from Landlord that Tenant has defaulted under the Lease and failed to cure such default(s) within the period set forth in the Lease (which written notice shall be accompanied by a copy of the Lease) or (b) a copy of the current Lease from Landlord and any default(s) of Tenant following notice from Franchisor to Landlord that Franchisor has terminated any or all of Tenant's franchise agreement(s) covering the Premises or that any or all of those franchise agreement(s) have expired without the grant of a renewal or successor franchise, notify Landlord of Franchisor's decision to assume the Lease. If Franchisor exercises its right to assume the Lease, Franchisor shall execute an agreement assuming all of Tenant's rights and obligations under the Lease effective as of the date of such assignment, subject to (i) Franchisor's right, upon receipt of Landlord's prior written consent, such consent not to be unreasonably withheld, conditioned or delayed, to assign the Lease to any third party and be released from any and all liability from and after the date of the assignment, (ii) Franchisor's right, without the need to obtain Landlord's consent, to sublet the Premises or assign the Lease to an approved franchisee of Franchisor, (iii) Franchisor not being subject to any provision of the Lease requiring continuous operation of a business in the Premises during any period the Premises is closed for remodeling or while Franchisor is seeking to obtain and train a new franchisee, provided however, that such period of closure will not exceed 120 days in each instance, (iv) Franchisor not being bound by any Amendment (as hereinafter defined) to the Lease executed without obtaining Franchisor's prior written consent, and (v) Franchisor's right, if it subleases the Premises to a franchisee as provided above, to retain all consideration payable under such sublease.
3. Landlord further agrees that if the Lease contains any renewal or extension right and Tenant fails to exercise such right, Landlord will give Franchisor written notice thereof, and Franchisor will have the right, within 30 days after receipt of such notice from Landlord, to exercise such renewal or extension right on the same terms and conditions set forth in the Lease. If Franchisor exercises such right, Landlord and Franchisor will execute a lease assumption agreement as set forth in Section 2 above.
4. If Franchisor exercises any right to assume or take an assignment of the Lease as set forth herein, Tenant agrees to assign all of its right, title and interest in the Lease to Franchisor and, if Tenant does not do so within ten (10) days of Franchisor's written notice, Tenant appoints Franchisor as its agent to execute all documents that may be necessary for Franchisor to take assignment of the Lease. Notwithstanding anything to the contrary contained herein, Tenant shall remain liable to Landlord for all of its obligations under the Lease and, if applicable, to Franchisor for all amounts that Franchisor pays to cure Tenant's defaults under the

~~1625179115.2~~1

Lease, including interest, reasonable collection costs and de-identification costs. The parties acknowledge and agree that upon expiration or earlier termination of the Lease, Tenant's loss of possession of the Premises, closure of the business on the Premises, expiration or earlier termination of the franchise agreement, or the like, Franchisor may enter the Premises without being guilty of trespass or tort to (a) de-identify the Premises and/or (b) remove from the Premises or its exterior any trademarked or trade property, proprietary software, equipment, design elements, signage, and/or other furniture or fixtures installed by Tenant or installed in connection with the Lease. Franchisor may assign this Option and its rights hereunder to any affiliate, subsidiary or parent of Franchisor. This Option may be signed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same instrument. This Option may be electronically signed by the parties, which will be treated as an original copy as though ink-signed by duly authorized officers or other representatives of each party.

5. Landlord and Tenant further agree that they shall not enter into any amendment, supplement or modification of the Lease (each, an "Amendment"), which impacts Franchisor's rights under this Option in any material respect, without the prior written consent of Franchisor.

6. Landlord and Tenant acknowledge and agree that Franchisor is intended to be a third-party beneficiary to this Option and shall be entitled to rely upon and directly enforce the provisions of this Option.

7. This Option amends the Lease between the parties described hereinabove and except as provided herein, all other terms of said Lease shall remain unchanged. In the event of any conflict between the terms of this Option and the terms of the Lease, the terms of this Option shall control.

LOYALTY PROGRAM PARTICIPATION AGREEMENT

FORM OF LOYALTY PROGRAM PARTICIPATION AGREEMENT

Introduction

Dunkin' Brands, Inc., DBLF LLC, Dunkin' Donuts Franchising LLC and Baskin-Robbins Franchising LLC (collectively "Dunkin' Brands") have developed a consumer loyalty program where members earn points for purchases and can redeem points for rewards at Dunkin' restaurants. As part of the program, franchisees shall pay a portion of Loyalty Program Sales into a fund administered by Dunkin' Brands (the "Loyalty Fund") and shall receive reimbursement for redeemed rewards (the "Loyalty Program") from the Loyalty Fund. All Dunkin' Restaurants in the United States are required to participate in the Loyalty Program, except for locations that do not have compatible technology (as defined by Dunkin' Brands). The Loyalty Program is anticipated to change over time and participating Dunkin' restaurants are required to adhere to the changes to the Loyalty Program. Material changes to the Loyalty Program shall be reviewed (and/or approved, as applicable) in advance by the Brand Advisory Council.

The words "we", "us" and "our" mean Dunkin' Brands, Inc., Dunkin' Donuts Franchising LLC, Baskin-Robbins Franchising LLC and DBLF LLC, individually and collectively. In this Agreement, the words "you" and "your" mean the franchisee (and, where the context relates to the use of Loyalty Program services and Loyalty Program obligations, others the franchisee selects to use the Loyalty Program services, such as the franchisee's employees, accountant, financial advisor, or any other person or agent logging on for the franchisee).

Web Enroll System: With the use of a password and a user-id, our Web Enroll System ("Web Enroll") allows you to enroll in the Loyalty Program electronically. To enroll in the Loyalty Program, you must accept the Terms and Conditions set out below. This Loyalty Program Participation Agreement (the "Agreement") establishes the Terms and Conditions of your participation in the Loyalty Program. If you do not agree with the Terms and Conditions, do not log-on to Web Enroll. By clicking "I Accept" at the bottom of this Agreement, you accept and agree to be bound by all the Terms and Conditions of this Agreement.

The Terms and Conditions set forth in this Agreement are intended to be in alignment with the Memorandum of Understanding entered into on March 31, 2022 with respect to the Loyalty Program, between Dunkin' Brands and the Brand Advisory Council (the "MOU").

TERMS AND CONDITIONS

1) Adherence to the Loyalty Program and Payment Terms

You agree to comply with all the requirements of the Loyalty Program as the same may exist from time to time. These requirements include your obligation to support and participate in the Loyalty Program, and to maintain sufficient funds in your account to enable the successful transfer of funds on a weekly basis, follow required procedures for settlement of funds, and such other matters as are set forth below and as we may from time to time determine.

2) Loyalty Program Contribution and Redemption Reimbursement

Loyalty Program Contribution Payment ("LCP"). You agree to pay the LCP into the Loyalty Fund. The LCP from relaunch of the Loyalty Program (or such date that the Franchisee opens the Restaurant to the general public or assumes operations through a transfer) through the end of the first full fiscal year, shall be equal to 1.6% of Loyalty Program Sales ("LCP Rate"). The LCP shall be deducted via ACH transfer on a weekly basis for the prior calendar week's transactions (inclusive of offline sales adjustments). Loyalty Program Sales are defined as Gross Sales (as defined in your Franchise Agreement) to Loyalty Program members for in-store sales of eligible products at your Restaurant, with product eligibility being determined from time to time

pursuant to the MOU by Dunkin' Brands and, if and as applicable, the Brand Advisory Council. After the first fiscal year of the program, the LCP Rate will be the following:

From National Program relaunch through end of first full Fiscal Year thereafter:	1.6 percent
Second Fiscal Year:	1.6 percent
Third Fiscal Year:	1.4 percent
Fourth Fiscal Year:	1.4 percent
Fifth Fiscal Year and thereafter:	1.2 percent

The Loyalty Fund will be administered by Dunkin' Brands. The funds deposited into the Loyalty Fund shall only be used in furtherance of the Loyalty Program and shall not be used for general or administrative expenses, including but not limited to Dunkin' Brands headcount, for advertising or marketing expenses, or for loans or other payments to Dunkin' Brands. Notwithstanding, the Loyalty Funds may be used to repay the initial funding made by Dunkin' Brands to the Loyalty Fund to take into account the conversion and transition of current rewards program points into the new Loyalty Program.

Redemption Reimbursement. When a member redeems rewards at your restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the "NAPC") for the redeemed item. The NAPC for each product shall be agreed to bi-annually by the Brand Advisory Council and Dunkin' Brands at the sub-category level. You will be reimbursed by ACH transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You will not be reimbursed for product promotions or other offers that are not tied to reward redemptions. Each franchisee will be responsible for paying any taxes due on the reimbursements made to them under the Loyalty Program and a 1099 will be issued each calendar year. You should consult with your own advisors to determine whether any taxes may be due on such reimbursements.

3) Settlement of Funds/ ACH Authorization

a) You agree to follow all procedures we specify to facilitate the settlement of your LCP and the reimbursements described above through an automated clearing house transaction via a Designated Account provided through Web Enroll. You agree to maintain sufficient funds in the Designated Account to cover your LCP obligations. You represent that you have authority to agree to such transactions and that the Designated Account is a valid and legitimate account for the handling of these transactions. The ACH debits can be combined with other amounts deducted from the Designated Account by Dunkin' Brands under other agreements allowing for such deductions between Dunkin' Brands and you. All changes to the identification of the Designated Account under this authorization must be made either in writing in accordance with the Agreement, or by such other method as specified by Dunkin' Brands at such time. You acknowledge that the origination of ACH transactions to the Designated Account must comply with provisions of U.S. law. You agree to provide Dunkin' Brands with at least 15 days' advance written notice of a change to the Designated Account.

b) You authorize and agree that we may initiate debit entries, credit entries and other adjustments to a bank account designated by you to facilitate the settlement of Loyalty Program funds and you further agree that should any automated clearing house request or other request to transfer funds from any of your accounts be rejected, we may effect such transfer by electronic funds transfer or such other means as we may determine without the need of further consent from you.

4) Loyalty Program Defaults

A failure to enroll in the Loyalty Program via Web Enroll or to pay any amount due under this Agreement shall be deemed a default under your Franchise Agreement. In addition to the remedies stated in these Terms

and Conditions, we shall have all rights and remedies afforded to us under the Franchise Agreement up to, and including, termination of the Franchise Agreement. Failure to pay the LCP when due may result in a suspension of Redemption Reimbursement after notice to Franchisee.

5) Exclusivity

During the term of this Agreement, other than your participation in the Program, you will not, either internally or through a third party, offer or participate in any other mobile or online ordering, purchasing or payment program or any other proprietary, closed network, online stored value card program at or through any Dunkin' or Baskin-Robbins restaurant. You may participate in "Hospitality Programs." Hospitality Programs are card programs that: (i) your restaurant is required to participate in by the host of such location (where the host is an entity within whose broader rules of operation the restaurant must operate, such as but not limited to, a school, university, hospital, or military PX); and (ii) do not involve the use of Dunkin' Brands, Inc.'s brands on the cards.

6) Transfer of Restaurant; Termination

a) Termination. Participation in the Loyalty Program and this Agreement shall terminate automatically with respect to the applicable Restaurant on the termination or expiration of your Franchise Agreement; provided, however that if the Franchise Agreement is terminated for convenience in connection with a renewal of term and the simultaneous entry by the Franchisee into a new Franchise Agreement for the same Restaurant, this Agreement and your participation in the Loyalty Program shall continue.

b) Transfer. Effective as of the transfer of the Restaurant, this Agreement is terminated and you will not be eligible to receive reimbursements for any redemptions claimed after the date of transfer or refunds of any LCP paid prior to the date of transfer, or any other rights under this Agreement; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer.

c) Effect of Termination. Upon termination of the Franchise Agreement and this Agreement, unpaid LCP for Loyalty Sales made prior to such termination shall become immediately due and payable. You will not be eligible to receive reimbursements for any redemptions made after the date of termination; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer/termination.

7) Limits on Our Responsibility

a) WE ARE NOT RESPONSIBLE FOR ANY LOSSES OF ANY KIND, DELAYS IN TRANSMISSION, OR CORRUPTION OR MISAPPROPRIATION OF DATA, WHETHER ARISING OUT OF THE USE OF ANY INTERNET SERVICE PROVIDER PROVIDING CONNECTION TO THE INTERNET, CAUSED BY ANY BROWSER SOFTWARE OR ANY OTHER TELECOMMUNICATIONS PROVIDER, CAUSED BY ANY PAYMENT PLAN INFRASTRUCTURE PROVIDED, MAINTAINED OR WITHIN THE CARE, CUSTODY OR CONTROL OF YOU CAUSED BY ANY FRAUD DETECTION OR MITIGATION TOOL, OR ANY OTHER CAUSE. NOR ARE WE RESPONSIBLE FOR ANY RISK RELATED TO THE LOSS OR THEFT OF, ALTERATION OR DAMAGE TO, OR FRAUDULENT, IMPROPER OR UNAUTHORIZED USE OF YOUR DATA, PASSWORD OR USER ID. b) IN NO EVENT SHALL WE OR OUR AFFILIATES BE LIABLE HEREUNDER TO YOU OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF WE HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. c) THIS WEB ENROLL IS PROVIDED "AS IS".

8) Privacy Compliance

- a) Each party shall at all times comply with all laws applicable to its collection, use, sharing, or storage of personal information (as such term is defined under applicable law), including compliance with its own privacy policy. Except as required or limited by Section 8(b) below, Dunkin' Brands shall own or have license to use for its own purposes all data transmitted between the parties, including all customer data (whether in identifiable, aggregate, or de-identified form).
- b) The parties recognize that in the course of operating the restaurant, we and you may exchange personal information for various purposes, including the provision of personal information processing services (the "Services"). In order to comply with applicable privacy laws, unless otherwise required by applicable law, the respective party supplying the Services shall:
 - a. Only process such personal information for the purpose for which it was collected or for providing the respective Services;
 - b. Not retain, use, or disclose such personal information: (i) for any purpose other than to perform the Services or for the purpose for which it was collected or (ii) outside of the direct business relationship between the parties;
 - c. Not sell, rent, release, disclose, disseminate, make available, transfer or otherwise communicate such personal information to any third party for monetary or other valuable consideration; and
 - d. Certify that the party understands the restrictions on such personal information processing and will comply with them.
- c) Subject to compliance with applicable laws, you shall destroy any personal information that you receive in connection with the Loyalty Program within thirty (30) days after termination of the franchise agreement.

9) Legal Responsibility for Program Compliance. Under Section 8 of the MOU, Dunkin' Brands has agreed to be responsible for defending you and certain of your related parties against liability or legal responsibility to the extent arising from or with respect to the Loyalty Program or your actions in compliance with your obligations under the Loyalty Program, subject to certain exclusions and to the other terms and conditions set forth therein. Said Section 8 of the MOU is incorporated into this Agreement fully as set forth herein in its entirety, and a copy of Section 8 is available to you upon request.

You assume all risk of erroneous or fraudulently obtained authorizations, unless such erroneous or fraudulently obtained authorization is the result of an error caused by First Data Services, LLC or its successor, the third party processors of credit card, debit card and stored value card transactions and data for the Program. You agree that we have the right to utilize, at our sole discretion, or require you to utilize one or more fraud detection or mitigation tools during or in relation to processing of transactions, authorizations, activations, reloads and registrations. You agree that you shall accept and not contest the approval or declination of any such transaction or event, as may be determined by such fraud detection or mitigation tools and will be responsible for any chargebacks or other fees that result from any such transaction or event.

8) Payment Transaction Data

To enhance our ability to understand the make-up of the payment transaction types and other payment related issues (e.g., fraud and chargeback data) in the Dunkin' and Baskin-Robbins systems (collectively, the "System"), you hereby authorize First Data Services LLC, Bank of America N.A. and any other applicable payment processing entities which may be approved by us to provide services to you to give us access to information regarding your Restaurant's payment transactions, including all transaction level information and your merchant account (collectively, "Merchant Account Information"). We will keep all such Merchant Account Information confidential, but we may release information in connection with anonymous general information disseminated to our franchisees and prospective franchisees, in the formulation of plans and policies in the interest of the System, and if required by law or any legal proceeding.

9) Fees and Costs

You shall promptly pay in the manner we from time to time specify all your Program fees and costs as the same may exist from time to time.

10) Exclusivity

During the term of this Agreement, other than your participation in the Program, you will not, either internally or through a third party, offer or participate in any other mobile or online ordering, purchasing or payment program or any other proprietary, closed network, online stored value card program at or through any Dunkin' or Baskin-Robbins restaurant. You may participate in "Hospitality Programs." Hospitality Programs are card programs that: (i) your restaurant is required to participate in by the host of such location (where the host is an entity within whose broader rules of operation the restaurant must operate, such as but not limited to, a school, university, hospital, or military PX); and (ii) do not involve the use of Dunkin' Brands, Inc.'s brands on the cards.

11) Limits on Our Responsibility

a) WE ARE NOT RESPONSIBLE FOR ANY LOSSES OF ANY KIND, DELAYS IN TRANSMISSION, OR CORRUPTION OR MISAPPROPRIATION OF DATA, WHETHER ARISING OUT OF THE USE OF ANY INTERNET SERVICE PROVIDER PROVIDING CONNECTION TO THE INTERNET, CAUSED BY ANY BROWSER SOFTWARE OR ANY OTHER TELECOMMUNICATIONS PROVIDER, CAUSED BY ANY PROGRAM INFRASTRUCTURE PROVIDED, MAINTAINED OR WITHIN THE CARE, CUSTODY OR CONTROL OF YOU OR ANY THIRD PARTY PAYMENT PROCESSING ENTITY, CAUSED BY ANY FRAUD DETECTION OR MITIGATION TOOL, OR ANY OTHER CAUSE. NOR ARE WE RESPONSIBLE FOR ANY RISK RELATED TO THE LOSS OR THEFT OF, ALTERATION OR DAMAGE TO, OR FRAUDULENT, IMPROPER OR UNAUTHORIZED USE OF YOUR DATA, PASSWORD OR USER ID. b) IN NO EVENT SHALL WE, DUNKIN' BRANDS, INC. OR SVC SERVICE II INC., OUR AFFILIATES OR LICENSORS BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF WE HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE TOTAL AGGREGATE LIABILITY OF SVC SERVICE II INC., DUNKIN' BRANDS, INC. AND OUR AFFILIATES AND LICENSORS TO ALL PARTIES (WHETHER ARISING IN TORT, CONTRACT OR OTHERWISE, AND NOTWITHSTANDING ANY FAULT, NEGLIGENCE, PRODUCT LIABILITY OR STRICT LIABILITY) UNDER THIS AGREEMENT OR BASED ON FRANCHISEE'S OR ITS PERMITTED USERS' USE OF THIS WEB ENROLL AND OTHER PROGRAM WEBSITES, PROGRAM CARD AUTHORIZATION, DATA RETENTION AND DATA TRANSMISSION EQUIPMENT, SOFTWARE AND CAPABILITIES, SOFTWARE OR

HARDWARE FACILITATING MOBILE OR ONLINE ORDERING, PURCHASES AND PAYMENTS, PROGRAM INFRASTRUCTURE AND OTHER PROGRAM ASSOCIATED TECHNOLOGY WILL IN NO EVENT EXCEED THE TOTAL FEES AND COSTS PAID BY YOU FOR THAT SPECIFIC PROGRAM WITHIN THE TWELVE MONTHS IMMEDIATELY PRECEDING THE FIRST OCCURRENCE OF THE CAUSE OF ACTION. THE FOREGOING LIMITATION OF LIABILITY EXPRESSLY APPLIES TO ANY AND ALL PROGRAM WEBSITES, MOBILE APPLICATIONS, PROGRAM CARD AUTHORIZATION, DATA RETENTION AND DATA TRANSMISSION EQUIPMENT, SOFTWARE AND CAPABILITIES, SOFTWARE OR HARDWARE FACILITATING MOBILE OR ONLINE ORDERING, PURCHASES AND PAYMENTS, PROGRAM INFRASTRUCTURE AND OTHER PROGRAM ASSOCIATED TECHNOLOGY THAT IS PROVIDED BY, MAINTAINED OR WITHIN THE CARE, CUSTODY OR CONTROL OF SVC SERVICE II INC., DUNKIN' BRANDS, INC. OR OUR AFFILIATES. c) THIS WEB ENROLL AND OTHER PROGRAM WEBSITES, PROGRAM CARD AUTHORIZATION, DATA RETENTION AND DATA TRANSMISSION EQUIPMENT, SOFTWARE AND CAPABILITIES, SOFTWARE OR HARDWARE FACILITATING MOBILE OR ONLINE ORDERING, PURCHASES AND PAYMENTS, PROGRAM INFRASTRUCTURE AND OTHER PROGRAM ASSOCIATED TECHNOLOGY ARE PROVIDED "AS IS". SVC SERVICE II INC., DUNKIN' BRANDS, INC., OUR AFFILIATES AND LICENSORS DISCLAIM ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND TITLE. SVC SERVICE II INC., DUNKIN' BRANDS, INC., OUR AFFILIATES AND LICENSORS SHALL NOT BE RESPONSIBLE FOR ANY OF FRANCHISEE'S OR A THIRD PARTY'S INFORMATION, DATA, EQUIPMENT, HARDWARE AND/OR SOFTWARE, THAT MAY BE LOST, DAMAGED OR CORRUPTED, DURING FRANCHISEE'S USE OF THE INTRANET, WORLD WIDE WEB, LICENSED TECHNOLOGY, RECOMMENDED TECHNOLOGY, PROGRAM CARD AUTHORIZATION, DATA RETENTION AND DATA TRANSMISSION EQUIPMENT, SOFTWARE AND CAPABILITIES, SOFTWARE OR HARDWARE FACILITATING MOBILE OR ONLINE ORDERING, PURCHASES AND PAYMENTS, PROGRAM INFRASTRUCTURE AND OTHER PROGRAM ASSOCIATED TECHNOLOGY OR ANY HOSTED APPLICATION.

12) Termination

a) Termination for Breach. We may terminate this Agreement upon written notice to you if you: (i) breach Section 4c), which shall be non-curable; (ii) materially breach Section 6) of this Agreement and fail to cure such breach within seven (7) days following written notice, (iii) materially breach any other section of this Agreement and fail to cure such breach within thirty (30) days following written notice, (iv) default under the Franchise Agreement or any other agreement with Dunkin' Brands, Inc. or one of its affiliates and such default remains uncured after the expiration of any applicable cure period. b) Termination for Other Reasons. This Agreement shall terminate on notice from us in the event that Dunkin' Brands no longer approves the use of the Program for franchisees in your market. This Agreement shall terminate automatically with respect to the applicable restaurant on the termination or expiration of your Franchise Agreement (provided there was no extension or renewal thereof by us). c) Effect of Termination. Upon termination of this Agreement, you shall immediately (i) cease using the Program websites or other Program Infrastructure, and (ii) certify to us within ten (10) days after termination that you have destroyed, or have returned to us all copies of all technology relating to the Program websites or other Program Infrastructure, whether or not modified or merged into other materials. All remedies available to us are cumulative.

13) Entire Agreement

This Agreement (and such Authorization Agreement(s) that you and your designee sign) contains the entire understanding of the parties and supersedes any and all prior agreements, arrangements and understandings relating to the subject matter hereof. No representation or inducement has been made by any party that is not embodied in this Agreement. Neither party is relying on anything other than the Terms and Conditions of this

Agreement in deciding to enter into this Agreement. This Agreement cannot be amended except by written agreement signed by the party to be charged.

14) No Waiver

Any failure by us to exercise any power reserved to us hereunder, or to insist upon strict compliance by you with any term, covenant or condition in this Agreement, and any waiver by us of any breach of a term, covenant or condition shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition in this Agreement. Subsequent acceptance by us of the payments due to us hereunder, in whole or in part, shall not be deemed to be a waiver by us of any preceding breach by you of any term, covenant or condition of this Agreement. We may, in our sole discretion, waive or modify any obligation of other Program participants and no such waiver or modification shall obligate us to grant you a similar waiver or modification. Our acceptance of payments due under this Agreement from any other person or entity shall be deemed to be acceptance from such person or entity as your agent and not as recognition of such person or entity as your assignee or successor.
