What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

- 1 **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Georgia than in your own state.
- 2 **Mandatory Minimum Payments**. You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
- 3 **Sales performance required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language of this document, "we" means the franchisor, MDSA, LLC ("MDSA"). "You" means the individual, corporation or other entity who buys the franchise and becomes the franchisee. If you are a corporation, partnership or other legal entity, "you" also includes your owners and guarantors.

MDSA is a Georgia limited liability company which was organized under the name MDSA, LLC on December 6, 1999. We are a wholly-owned subsidiary of Gonher North America, Inc., a Georgia corporation (our "Parent"). We do business as Mighty Distributing System of America and are commonly referred to as "Mighty" and "Mighty Auto Parts". Our corporate headquarters and principal place of business are located in the Atlanta, Georgia area at 650 Engineering Drive, Peachtree Corners, Georgia 30092.

Our Parent acquired all of the membership interests in MDSA in a purchase that was completed on December 23, 2009. In that transaction, our Parent acquired complete ownership of MDSA from our predecessor, Mighty Distributing System of America, Inc. (Georgia corporation).

We acquired substantially all of our assets from Mighty Distributing System of America, Inc. (Georgia) as part of a corporate reorganization which occurred on December 31, 1999. Mighty Distributing System of America, Inc. (Georgia) incorporated under the name Mighty Distributing System of America, Inc. on January 26, 1996 and was the surviving entity resulting from a merger with its predecessor, Mighty Distributing System of America, Inc. (Delaware corporation) on February 28, 1996. The former parent of Mighty Distributing System of America, Inc. (Delaware), North Riverside Venture, Inc. acquired Mighty Distributing System of America, Inc. (Delaware) from its founder, Dallas F. Wallace.

Mighty Distributing System of America, Inc. (Delaware) operated automotive parts distribution businesses, substantially similar to the franchise being offered from 1970 until February 28, 1996. During that twenty-five (25) year period, Mighty Distributing System of America, Inc. (Delaware) offered franchises similar to the one that you will operate. Mighty Distributing System of America, Inc. (Delaware) did not offer franchises in any other line of business.

Mighty Distributing System of America, Inc. (Georgia) operated automotive parts distribution businesses substantially similar to the franchise we offer to you in this disclosure document from February 28, 1996 to December 31, 1999. MDSA operated automotive parts distribution businesses substantially similar to the franchise offered in this disclosure document since December 31, 1999. We currently operate two (2) businesses. Our company-owned operations do business as Mighty Auto Parts of Atlanta, Georgia and Mighty Auto Parts of the Mid-South based in Jackson, Tennessee. Mighty Distributing System of America, Inc. (Georgia) offered franchises for the same type of business that you will operate from February 28, 1996 until December 31, 1999. MDSA has offered franchises for the same type of business that you will operate from January 1, 2000, to the present. We do not have any affiliates that offer franchises in any line of business or provide products or services to our franchisees. Neither MDSA nor its predecessors have offered franchises in any other line of business; however, we reserve the right, in our sole discretion, to do so in the future.

Our agents for service of process are disclosed in Exhibit J.

We grant franchises that use our business systems (the "Mighty System") to purchase, sell and distribute certain automotive and heavy-duty parts, supplies, chemicals, and lubricants (the "Mighty Product Line"). In addition to the Mighty System, as a franchisee, we grant you the right to use certain Licensed Marks, which include the trade names and trademarks "MIGHTY®," "Mighty Auto Parts®," "Mighty Distributing System™," and "Mighty Auto Parts™," as well as the service marks, copyrights and similar intellectual property rights that we describe in Item 13 of the disclosure document. We grant you the right to operate your franchise in a designated geographic territory (the "Franchise Territory"). All these rights together are called the "Franchise."

As a Mighty franchisee, you operate a business using the Mighty System under the Licensed Marks by ordering Mighty products from Approved Suppliers, carrying an inventory of Mighty products in a warehouse facility, and distributing Mighty products, at the wholesale level to the customer base that you develop and maintain in your Franchise Territory.

Our Development

The Mighty business concept began in 1963, when Dallas F. Wallace began selling tire supplies to service stations, primarily in the Washington, D.C. – Baltimore, MD area, under the name DCTech and later, "MTY". The business gradually expanded geographically throughout the northeastern U.S. It also expanded with respect to the types of automotive products offered and development of a proprietary line of private-branded automotive products ensued.

Mighty's initial trade name, "MTY," denoted the two-step distribution concept of "Manufacturer To You" which contrasted with the then-traditional three-step distribution norms throughout the automotive aftermarket. The identification, MTY, was used on early product packaging and was also registered as a U.S. trademark. The company began using our present trade name "MIGHTY," in 1973, and during that year, it too was registered as a U.S. trademark.

In 1970, operating under the corporate name Mighty of Delaware, Inc., the company began granting franchises to other entrepreneurs as a growth strategy. In 1980, Mighty acquired real estate in a corporate office park development near Atlanta, Georgia, and relocated the corporate headquarters to 50 Technology Park; Norcross, Georgia.

In December 1987, North Riverside Venture, Inc., a subsidiary of Great American Management and Investment, Inc., acquired Mighty from its ownership which, up to that point, continued to include the founder, Dallas F. Wallace. Following the acquisition, North Riverside repositioned Mighty to enhance its ability to compete in the increasingly demanding automotive aftermarket environment of the 1980's and 1990's. In 1993, Great American Management and Investment (GAMI) integrated North Riverside, inclusive of Mighty, into Eagle Industries, Inc., a conglomerate of businesses which were wholly-owned by GAMI. At that point, North Riverside, whose offices were co-located with Mighty, assumed the role of a management company, responsible for the performance of Mighty and three other Eagle companies, all of which were in the automotive industry.

In 1992 the company secured real estate in Jackson, Tennessee, and constructed a 92,500 square foot distribution facility in which to house Mighty's national distribution center known as Mighty Product Center (MPC). MPC moved from a former location into their new complex at 2495 Dr. F.E. Wright Rd in Jackson during the month of December 1992.

In February 1996, the Mighty Management Team, led by then Chairman/Chief Executive Officer and Eagle Group Executive, Thomas R. Barry as controlling shareholder, acquired Mighty and its subsidiaries from Eagle Industries. Concurrent with the acquisition, the Corporation and multiple subsidiary corporations (including all company operations and the Mighty Product Center) were merged into a single new corporate entity, Mighty Distributing System of America, Inc.

In December 1999, MDSA, LLC, a Limited Liability Company was formed as a wholly-owned subsidiary of Mighty Distributing System of America, Inc. for the purpose of holding the operating assets and intellectual property of the franchised business.

In 1999, Mighty moved into a 24,105 square foot building which houses our corporate office today and our Mighty Atlanta's 6,723 square foot warehouse facility. Relocation into the facility at 650 Engineering Drive, Peachtree Corners, Georgia, was completed in September, 1999. Also in the latter part of that year, ground was broken on an expansion of MPC's warehouse facility in Jackson, TN. The 45,000 square foot expansion was completed in early 2000 bringing the total area under roof to 137,500.

In December 2009, Gonher North America, Inc. acquired MDSA, LLC from Mighty Distributing System of America, Inc. MDSA, LLC became a wholly-owned subsidiary of Gonher North America, Inc.

In August 2017, a second expansion of MPC was completed. The facility now includes 165,000 sq. ft. under roof.

MDSA, LLC is a member of the International Franchise Association's VetFran Program, which provides special incentives to qualified veterans.

Our Business

As a franchisee, you will be a service-oriented, specialty supplier of high quality automotive and heavy-duty products to the professionally installed automotive and heavy-duty service trade. Each franchisee is awarded the exclusive rights to a specific territory. Franchisees operate as wholesalers, and typically lease, or own, a warehouse/office facility from which they operate their businesses. You order Mighty products from our supplier division known as Mighty Product Center (MPC), and other approved (non-affiliated) direct-ship suppliers, and maintain an appropriate inventory in your warehouse to service local customers through a proactive route sales and service format. Franchisees focus on selling a "stocking program," meaning they sell a "shop level" inventory (or "set-up") of one or more of Mighty's product lines. The Franchisee's salespeople make sales calls on their customers at regular intervals to build rapport, provide inventory control services, write "re-orders," provide training, technical and product information programs, and present additional products opportunities. Our unique approach to the installer marketplace is based on (1) providing the Mighty-branded product line of automotive and heavy-duty parts which meet or exceed original equipment requirements, at (2) competitive selling prices, supported by (3) a high level of personal service, professional marketing, training, and technical support. Key services provided to professional repair and maintenance facilities are a nationwide warranty program, technical support, training, point of purchase materials, comprehensive product application data, and inventory control services such as obsolescence protection and stock management at customer locations.

As a franchisee, you develop, maintain, and grow a customer base that you and/or your employees service on a regular basis. All Mighty System franchisees must operate the Franchise in accordance with our standard Franchise Agreement and our Operations Manual. The Mighty Product Line is comprised primarily of high volume product categories which are commonly stocked at professional automotive service businesses. Most Mighty products are "wear-related" or maintenance-related, and consumers and fleets are becoming increasingly aware of the need to perform preventive maintenance services to keep their vehicles in good working order. We regularly evaluate the Mighty Product Line, and make additions and changes based on the business needs and opportunities of our franchisees and customers. We may also add elements to the Mighty System or modify, alter and delete elements of the System in our sole discretion.

We offer a formal training program (Franchise Operations Training) for new franchisees which we conduct at our home office, company-owned business locations, and in your newly awarded territory. We also provide ongoing training and support to all existing franchise businesses. The training and ongoing assistance we provide includes consulting on equipment and inventory selection, purchasing and inventory control, financial management, merchandising, advertising, sales techniques, information systems, and other matters under the Franchise.

Some of our franchisees were already engaged in some facet of the automotive service business when they signed their Franchise Agreement with us, such as tires stores, lubricants distribution, automotive dealerships, or quick service operations or chemical distribution. We refer to them as Strategic Franchisees and the only difference in the arrangement that they have with us is that we create and sign a rider to their Franchise Agreement that provides that the sale of products not part of the Mighty product line by their existing business may not be subject to royalties. Starting in early 2014, we were approached by businesses in the automotive service business, such as a tire store chain, to see about becoming a Mighty franchise for the sole purpose of being able to sell Mighty products within their own stores. We entered into ~~three~~ four such arrangements in July 2014, February 2021, and February 2023 and August 2025, which we codified using a rider to our standard Franchise Agreement. That type of operator will be allowed to sell only to its own existing affiliated entities within a given territory, and because of that difference the rider also modifies the way the initial franchise fee is calculated and the way we measure their ongoing market penetration which as described in Item 12 of this Disclosure Document, is a minimum performance requirement that we require of our franchisees.

Other Suppliers

In addition to sourcing products on behalf of the franchise system through MPC, we authorize other basic manufacturers to produce certain categories of the Mighty Product Line, and ship to each franchise location under closely monitored and regulated standards. Our Product Department evaluates potential suppliers and negotiates all prices paid by franchisees by taking advantage of the combined purchase volume of the entire System. The online Mighty Buying Guide catalogs a list of the suppliers, costs, suggested resale prices and popularity codes

for each part number and also includes certain information such as freight terms, volume discounts, and other policies. We update The Buying Guide as necessary.

The majority of our suppliers participate in a program whereby we guarantee payment to those suppliers for shipments made to all franchisees, and we serve as the central billing facility for those shipments. Invoices for such shipments to Mighty franchisees are routed to our home office for payment by us and, as a service to the franchise system, the invoices are consolidated into one monthly statement for each franchisee.

The Market

The automotive aftermarket and heavy-duty market is a are well-developed, mature industries which is are highly fragmented. As a Mighty franchisee, your customers are professional automotive and heavy-duty repair facilities and maintenance facilities such as tire stores, quick lube centers, brake shops, specialty repair shops, automobile dealerships, fleets, service stations and garages. You compete with a wide range of businesses offering similar types of products and services, some of which are operated by large national and international companies. The effectiveness of your franchise will be based largely on your business and management skills, regular personal contact between you (or your employees) and your customers, understanding and meeting customer needs, quality control, and geographic location. Due to the commodity nature of most auto parts offerings, it is important for your franchise to establish a market differentiation from your competitors through personal service, relationship building, providing inventory control services and training programs for your customers.

The heavy-duty aftermarket is a huge industry which provides certain products to transportation, agriculture, construction and many other businesses that keep their vehicles on the road. As a Mighty franchisee, you offer local services that fleets need to properly maintain their vehicles and equipment.

Industry-Specific Regulations

We are not aware of any laws or regulations specific to the automotive aftermarket and heavy-duty market industry that would affect your franchised business. You must comply with a number of federal, state and local laws or regulations that apply to businesses generally, including public accommodations, environmental, health and safety, disability, labor, zoning and construction. These and other such laws and regulations may vary from jurisdiction to jurisdiction, and it is your responsibility to be familiar and comply with all applicable laws and regulations.

Item 5
INITIAL FEES

Franchise Fee

You must pay a one time franchise fee ("Franchise Fee") when you sign the Franchise Agreement. When you pay us the Franchise Fee, we award you an exclusive license to operate a Mighty business within a geographically defined Franchise Territory. The amount of the Franchise Fee varies according to the number of registered vehicles within the Franchise Territory.

The Franchise Fee for a Mighty franchise consists of two components: a Initial Training and Setup Fee and a License Fee. The Initial Training and Setup Fee is a fixed amount, currently \$7,500. The Initial Training and Setup Fee provides for initial training which includes classroom instruction at our facilities in the Atlanta area, field training in your Franchise Territory, and provides for our initial administrative activities including franchise document preparation, initial inventory order preparation, central billing set up, and filing fees. The License Fee is calculated based on the number of registered vehicles in the Franchise Territory, currently \$0.035 per vehicle. For example, the license fee for a territory containing 500,000 vehicles is \$17,500, and the total Franchise Fee is \$25,000 (\$7,500 initial training and setup fee and \$17,500 license fee). The License Fee provides for the exclusive right to the Mighty business systems and trademark, as well as the right to do business in the Franchise Territory. We derive revenue from the License Fee to support our general operating expenses. The License Fee may range from \$17,500 for 500,000 vehicles to \$52,500 for 1,500,000 vehicles. Generally, we do not license a territory containing less than 500,000 registered vehicles or more than 1,500,000 vehicles. The minimum License Fee is \$10,000 and the License Fee is capped at \$75,000. We use the most current annual data from *Devonshire Marketing Information Management* to calculate the number of vehicles in a Franchise Territory, and revise the totals each year. The Franchise Fee is fully earned and non-refundable in consideration of administrative and other expenses incurred by us before and upon opening your franchise and for our lost or deferred opportunity to grant franchises to others.

Initial Inventory

Your Mighty inventory must be purchased from our approved suppliers, one of which is our own supplier division, MPC. The portion of the payment for initial inventory that must be purchased from us through the Mighty Product Center (MPC) is estimated to be \$40,000 to \$70,000. We work with you to determine the appropriate initial product amounts and types and help to prepare your initial order. We do not provide financing for these expenses, except as described in Item 10, under a line of credit for our franchisees. We grant you the right to extend payment for your initial inventory in three equal installments due in 30, 60, and 90 days. The initial inventory cost is not refundable, except that we may choose to repurchase some or all of your inventory upon termination of your franchise.

We are not a member of the Association, and have no voting power within the Association.
2. These fees are imposed by and payable to us and are non-refundable.

The above projections are estimates of the total initial investment you can make as a Mighty franchisee. The estimates are based on projected expenditures and do not necessarily reflect your level of investment. Your investment and expenditures may vary considerably from the projections shown above, depending upon many factors, including inflation, geographical area, and the capabilities of your management and service team.

1. The Initial Franchise Fee is described in detail in Item 5. Upon execution of the Franchise Agreement, the Initial Franchise Fee is non-refundable.
2. The \$250 fee represents the one-time initiation fee for membership in the Mighty Franchisees Association ("Association"). The Association will bill you directly for membership dues (currently \$300 per year) on an annual or pro-rata basis, depending on your start date as a Mighty Franchisee.
3. You may not need to purchase or lease any real estate, but must have a minimum of 4,000 – 6,000 square feet of inventory storage space. Your warehouse must be located within the franchise territory. The cost of leasing commercial space varies considerably depending on factors such as size, condition and location of the leased premises. We estimate that your rent will be between \$20,000 and \$55,000 per year, and you should anticipate paying a security deposit of one month's rent. See Item 11 of this disclosure document for further details.

4. You must cover your travel, lodging, and food expenses and those of any employees while attending our initial training program. The actual cost depends on the distance you must travel and the type of accommodations you choose.
5. It is advisable for you to consult with an attorney, accountant or other professional advisors regarding creation of the legal structure of your business entity and other professional advice.
6. The portion of the inventory payment that must be purchased from us through MPC is estimated to be \$40,000 to \$70,000.
7. This amount represents purchase of new or good used vehicle(s) for the Franchised Business; however, vehicle leasing is an option.
8. This amount represents prepayments. Insurance requirements are further described in Section 14 of the Franchise Agreement.
9. We assume that you need to pay deposits for utilities. You also need to obtain business licenses and pay fees as may be required by your state and local governments.
10. You need additional funds for living expenses, salaries, negative cash flow, and other costs, to the extent that such costs are not covered by operating profits during the start-up phase of the franchised business. Our estimate of additional funds is not an assurance that you will not need further funds initially, or over the life of your franchised business. The actual needs of each franchised business vary and are subject to factors beyond our control, such as local economic conditions and your sales and management skills and business acumen.
11. We relied on our, and our predecessors' combined 61 years of experience in the automotive aftermarket industry to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase a Mighty franchise.

LIQUIDITY REQUIREMENTS - As a general rule, at least 50% of the initial capital requirements for a Franchised Business should be contributed in the form of unencumbered cash equity from you and/or your co-investors. Often, up to 50% may be capitalized by outside financing. IMPORTANT: As stated in the Franchise Agreement, we hold a first position security interest (perfected by a UCC-1 Financing Statement and a Purchasing and Security Agreement) in the inventory and accounts receivable of all Mighty franchisees to secure our credit exposure. Collateral offered to lending institutions for franchise financing should be in the form of personal or business assets other than the inventory and accounts receivable of your Franchised Business.

Except as described in Item 10 of this disclosure document, neither MDSA nor any person affiliated with MDSA offers any financing to franchisees.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Product Line Requirements

The Mighty Product Line consists of automotive and heavy-duty replacement parts, chemicals, lubricants, accessories, equipment, and supplies for passenger cars, trucks, and vans and class 6-8 vehicles. Our supplier division, MPC, is an approved supplier of the Mighty Product Line, but you are not required to purchase from us. You may purchase the Mighty Product Line from MPC or other approved (non-affiliated) suppliers at prices stated in our online Buying Guide, or from other suppliers under certain conditions at prices which you must negotiate. There are no approved suppliers in which any of our officers owns an interest. An approved supplier list with corresponding product lines is attached to this disclosure document as Exhibit G.

You must offer and maintain an inventory of "Major Product Categories" as identified in the Operations Manual. A Major Product Category is one that represents a minimum of 5% of Mighty System sales or one that may be expected to represent a minimum of 5% of Mighty System sales based on our Pilot Test. You must maintain a warehouse inventory within your franchise territory and use your best efforts to distribute the automotive products within each Major Product Category. This requirement helps assure uniform product offerings across all Mighty franchises. Since the major product categories are based on actual System sales, they may change depending on sales and market patterns.

We also make available a number of product lines that are not part of the major product categories, although you are not required to carry them.

Approval of Mighty Product Line

The Mighty Product Line is manufactured to our demanding specifications and made available by a network of suppliers, which we approve to provide automotive products under the Mighty trademark to be distributed solely to licensed franchisees. By buying direct from the manufacturer, and passing on negotiated national buying programs to our franchisees, who sell to professional automotive service facilities, we consolidate the conventional warehouse distribution and parts jobber distribution steps into a more efficient supply chain.

Products are selected by us based on quality, price, specifications and market demand. Each Mighty-branded product undergoes product line approval at our home office. We regularly evaluate the Mighty Product Line and may make additions and changes based on the business needs and opportunities of our franchisees.

The Product and Marketing departments analyze the demands of the marketplace, as well as franchisee and supplier recommendations for any proposed new products or product lines. On an annual or as needed basis, staff from the Product and Marketing departments will meet with the Mighty Franchisees Association Board of Directors. If it's determined that a new product or product line is needed, an analysis of potential suppliers will be initiated by the Product department. A test market may then be conducted. Mighty System members are asked to participate in the test market on a voluntary basis under the direction of the Product department. If test results are favorable, and it's decided to introduce the new product or product line, the Product and Marketing departments implement its introduction into the Mighty System.

Purchases from Approved Suppliers

All Mighty parts are produced by leading manufacturers in the United States and around the world, and are manufactured to meet or exceed original equipment requirements and new car warranty requirements. Mighty Product Managers visit factories and engineering labs around the world searching for automotive products which pass our criteria for quality, product availability and competitive pricing. The time period for supplier approval varies from 30 days to 180 days depending on the supplier and product type. The specific criteria and procedure for our approval or disapproval of these manufacturers is available upon request. We do not collect or grant any fees in securing our approved manufacturers.

The Buying Guide provides all necessary information, including prices, for you to place orders for approved Mighty products from MPC and from other approved suppliers and manufacturers. An approved supplier list is attached to this disclosure document as Exhibit G. We periodically furnish updates to the supplier list in the Buying Guide or otherwise in writing.

The majority of our approved suppliers participate in our central billing service and pay us a 3% fee for these services, which we use to offset the cost of central billing and credit management. A supplier may elect not to take advantage of central billing service and therefore would not be required to pay the 3% fee. The products offered by those manufacturers and suppliers are available directly from them. The approved suppliers who do not currently take advantage of our central billing service are designated with an asterisk on Exhibit G to this disclosure document.

We do not provide any material benefits (e.g., renew or grant additional licenses) to any franchisee based on its use of a designated or approved supply source or purchase of particular products or services.

We do not operate or maintain buying, purchasing or distribution cooperatives. Our Product Department negotiates all prices paid by franchisees by taking advantage of the combined purchase volume of the entire system.

Purchases from Other Suppliers

You may purchase and distribute automotive products from suppliers that are not approved Mighty suppliers and manufacturers, on the following conditions:

- (1) the products are of comparable quality (meeting original equipment requirements);
- (2) product samples are submitted to Product Management for inspection initially and each year after, along with manufacturer's data, including, but not limited to, catalogs, product brochures, and price sheets;
- (3) we approve the products, in writing, with approval not to be unreasonably withheld;
- (4) the products are packaged with Mighty's product label, when we believe it to be appropriate; and
- (5) the manufacturer provides a certificate of product liability insurance which is updated annually and is comparable to certificates that our approved suppliers and manufacturers furnish.

In addition, you may sell "supplementary" products that meet our specifications and product liability requirements described in the Operations Manual, which we do not otherwise disapprove, if your total sales of supplementary products do not exceed 5% of your total sales. If market conditions warrant sales exceeding the 5% maximum, you may make those sales with our approval and subject to the requirements in subsections (1) through (5) above.

We do not derive revenue or other material consideration from your purchases from other suppliers. However, sales of such products will be included in your gross volume of business for purposes of calculating royalty and advertising fees due to us.

Purchases of Equipment and Supplies

You may purchase your equipment, furnishings and supplies (e.g., vehicles, office supplies) from any source, if they meet the specifications in the Operations Manual. You must purchase, install, and use an approved computer system (hardware and software), as described in the Operations Manual. Before or upon opening your franchise, you must access the Franchisee portal on our corporate website which allows you to communicate electronically and share information with us and other Mighty franchisees through an online portal. The portal service is provided by us at no additional cost. To access the service, you will need internet access. Internet access must be obtained through your local ISP at your own additional cost, in order to access the portal service. Your cost for Internet access will vary depending on which ISP you choose and whether you select a free service provider. You may be required to upgrade hardware or software during the term of the Franchise Agreement, and periodic upgrades are highly recommended.

If you purchase or lease any equipment or supplies that we have not previously approved, we may require you or the manufacturer to submit a written request for our approval. We may also require certain information, tests, and inspections, at no expense to us, as a condition of approval.

Insurance

Before opening the Franchised Business, you must procure insurance with carriers acceptable to us. The current requirements are for you to maintain general liability, product liability, and business automobile insurance (minimum limit of \$1,000,000 per occurrence) covering the operation of the Franchised business and inventory loss insurance for all Mighty product inventory stored at your primary warehouse. In addition, you must maintain employer's liability, workers' compensation and life insurance covering the franchisee. The Operations Manual specifies the types and amounts of insurance that you must procure. We estimate the annual cost of premiums for required insurance coverages to range from \$1,500 - \$3,500.

Revenue from Product Purchases

We derive revenues from your purchases of the Mighty Product Line. According to our financial statements for the fiscal year ending December 31, 2025 (attached as Exhibit C-1 to this disclosure document), our total revenues from the sale of automotive products was \$115,438,218 \$115,985,099 of our total gross revenue of \$126,112,974 \$127,059,068. Of the \$115,438,218 \$115,985,099, ~~55%~~ 58% (\$63,491,020 \$67,271,357) represented "pass-through" billing of products invoiced through our Central Bill System in association with direct shipments to Mighty franchisees by approved Mighty Suppliers. ~~45%~~ 42% (\$51,947,198 \$48,713,741) represented purchases by franchisees from our supplier division MPC.

We estimate that your purchase of inventory will represent approximately 25% to 35% of the total initial investment needed to establish a franchise in an undeveloped territory, and 90% to 95% of ongoing purchases and leases.

Item 10
FINANCING

Except as described below, we do not make any financing arrangements for you.

We establish for you a designated line of credit against which you can purchase products from participating approved suppliers. We base your credit limit on your individual circumstances, and we review it periodically. We reserve the right to withhold credit in our sole discretion. All products purchased through your line of credit are subject to the terms and conditions of the Purchasing and Security Agreement (a current copy is attached as Exhibit F to the Franchise Agreement) and the invoices accompanying the products ordered. We bill you monthly, and payment in full will be due by the 25th day of the month following the statement date, except that we may allow you to extend payment for your initial inventory or certain categories of orders in up to three equal installments over 30, 60, and 90 days. You can earn a prompt pay discount of 1/2% (0.005) on that amount paid by the 10th day of the month following the statement date. In addition, certain suppliers offer us prompt pay discount of up to 2% which is offered to you in lieu of the ½%. Any overdue payments will be charged a late fee at the rate of 1½% of the unpaid balance, per month. We apply this late fee for each month, or partial month, that the amount remains unpaid. If you default in your payment obligations, we may suspend further shipments, require cash in advance for all purchases or exercise our right to foreclose on our security interest in your inventories, accounts receivable, and any other collateral. Your failure to make timely payments of amounts due to us may also result in termination of your franchise, as detailed in Item 17 of this disclosure document.

You must sign our current Purchasing and Security Agreement when you sign the Franchise Agreement. This Agreement secures all your obligations under the Franchise Agreement and your payment for any products purchased through your line of credit. In addition to the Purchasing and Security Agreement, we file a standard Uniform Commercial Code Financing Statement to perfect our security interest in the collateral (a sample copy is attached as Exhibit F2 to the Franchise Agreement).

The Purchasing and Security Agreement does not contain any waiver of legal rights or defenses or similar provisions. We will not guarantee any financing agreement that you execute.

Under the terms of a bank loan agreement, our predecessor granted the lender a security interest in all of its equipment, fixtures, accounts receivable, notes receivable and inventory, resulting in a collateral assignment of our right to payment for goods sold to franchisees pursuant to the Purchasing and Security Agreement. We intend to continue this practice in the future.

Except as described above, neither us nor our predecessor in the past sold, assigned or discounted to a third party, in whole or in part, any note, contract or other instrument executed by a franchisee. Also except as noted above, we do not now assign any loan agreements, security agreements, or any rights or obligations under such agreements, to any third party, nor have we done so in the past, nor do we have any intention of doing so in the future.

We receive no payment from any person offering financing or arranging for the placement of financing for a prospective franchisee.

Advertising and Promotion

FRANAD, INC. ("FRANAD"), a nonprofit corporation which serves as a cooperative advertising trade association for Mighty franchisees, maintains and administers the Mighty Advertising Fund ("Fund") for national and/or regional advertising, public relations, marketing programs, marketing research, sales programs and tools. FRANAD directs all such advertising with sole discretion over the concepts, materials and media used (Section 13 of the Franchise Agreement). A copy of the bylaws governing FRANAD is attached to this disclosure document as Exhibit B.

Franchisees are not required to participate in a local or regional cooperative.

All franchisees must join FRANAD. The Fund is intended to maximize general public and automotive trade recognition, acceptance and use of the Licensed Marks for the benefit of the Mighty System as a whole. FRANAD is not obligated to make expenditures for you which are equivalent or proportionate to your contribution or to ensure that you benefit directly or pro rata from its expenditures.

The business and affairs of FRANAD are managed by a Board of Directors consisting of seven directors. Franchisee members choose the three Franchisee Directors, and we choose the four Corporate Directors. FRANAD also has a Council consisting of seven members, all of whom are Mighty franchisees or salespeople. Three of the Council members are the same persons then in office as Franchisee Directors, and four of the Council members are elected by franchisees. The Council makes recommendations to the Board of Directors about any matters pertaining to FRANAD. The Board of Directors must consider in good faith any Council recommendations, but the Board's decisions about any such recommendations are final. We do not have the power to change or dissolve the Council nor do we have the power to require cooperatives to be formed, changed, dissolved or merged.

The Fund, all contributions to it, and any earnings on it, are used exclusively to meet any and all costs of maintaining, administering, directing, conducting, and preparing advertising, marketing, public relations, and/or promotional programs and materials and services to the businesses operating under the Mighty System, and any other activities which FRANAD believes will enhance the image of the System and build the MIGHTY® brand. Such costs may include print media placement; creative production costs; advertising agency and public personality costs; costs to attend and exhibit at industry trade shows, sales promotions, meeting and administrative costs; and other advertising placed in or through any medium deemed appropriate for promotional purposes.

In addition, FRANAD typically places advertising in appropriate trade magazines to target existing and potential customers for the Mighty Product Line. When possible, FRANAD supplies copies of such advertising to franchisees. Funds are also commonly set aside to provide franchisee low-cost or no-cost advertising and promotional materials, such as banners, posters, calendars, and brochures. FRANAD encourages franchisees to take advantage of opportunities to advertise locally, and FRANAD produces materials for this purpose that individual franchisees can customize for their most appropriate use.

Outside advertising agencies and we prepare advertising for FRANAD. FRANAD does not use any funds for advertising that is principally a solicitation for the sale of franchises.

You must conform your advertising and promotion to the standards and requirements that we specify. You may not use advertising or promotional plans or materials that we or our designated agents have not previously approved or prepared (Sections 7.14 and 13.7 of the Franchise Agreement). In addition, you must obtain and maintain any special promotional materials of the kind and size as we may reasonably require for comparable franchisees (Section 13.6 of the Franchise Agreement).

FRANAD expenditures in any fiscal year may not exceed the total expenses budgeted in its annual budget, unless it receives the prior unanimous approval of the members of the Board of Directors. FRANAD may not borrow any funds without the prior unanimous approval of the members of the Board of Directors.

All franchisees must contribute a monthly fee to the Fund in an amount established by FRANAD. FRANAD's bylaws specify the procedures for determining and adjusting the contribution rate and the annual contribution minimum or maximum, if any. Currently the fee is 0.5% of the first \$4,000,000 in annual Gross Volume of Business, resulting in a maximum possible, annual contribution of \$20,000 (\$1,666.67 per month) per franchise. The minimum annual contribution is \$1,200 (\$100 per month). The percent of contribution is capped under the bylaws at 1%. New franchisees acquiring undeveloped territories are granted a phase-in period before they must meet the minimum contribution of \$100 per month. For the first 12 months of operation, such new franchisees contribute 0.5% of the Gross Volume of Business per month, with no minimum. For months 13-24, the monthly contribution is the greater of \$50 per month or 0.5% of the Gross Volume of Business. Thereafter, the \$100 per month minimum applies.

All businesses owned or operated by us as part of the Mighty System contribute to the Fund on the same basis as franchisees.

We contribute to the Fund each year an amount equal to that actually contributed by all franchisees, but we are not required to match the Fund contributions of our affiliates. If franchisee contributions exceed 0.5% of Gross Volume of Business in a fiscal year, we will determine in our reasonable discretion the amount of additional contributions we make to the Fund.

FRANAD pays us a management fee to administer disbursement of Funds and other FRANAD activities. All sums paid to the Fund are maintained in an account separate from our monies and are not used to defray any of our expenses, except for those reasonably allocable to advertising, or such reasonable costs and overhead, if any, as we may incur in activities reasonably related to the administration and direction of the Fund and its advertising programs, including costs of personnel for creating and implementing advertising, promotional, and marketing programs. The Fund and any earnings on it will not otherwise benefit us. The Fund is audited annually, and a copy of the audited report is provided to the Board and available to all franchisees annually.

During the last fiscal year, monies in the Fund were spent in the following manner: ~~19% for trade advertising, 8% for social media and web, 24% for promotions, 10% for the Franchisee Advertising Co-op Fund, 7% for new business incentives, 10% for professional and administrative expenses, 9% for public relations, 6% web development and maintenance; 5% for point of sale items, and 2% for other expenses including travel, taxes, and bank fees. 16% for trade advertising and production, 7% digital marketing, 9% for the Franchisee Advertising Co-Op Fund, 1% for Trim support, 7% for new business incentives, 25% for promotional expenses, 5% for point of sale items, 5% for web development, 8% for agency fees, 7% for management fees, 3% for professional fees, 6% for public relations, and 2% for other expenses including travel, taxes, bank fees, misc. and depreciation.~~ Some of the administrative expenses were paid to MDSA, LLC for management services, a portion of which includes marketing department activities associated with the promotion of Mighty products and services.

Franchisees are restricted from using the word Mighty in their URL address unless approved in advance by us. We must pre-approve the franchisee's website and its content. We provide a technology platform for hosting franchise web presence in order to provide consistency across our franchise community.

Under certain conditions (Section 4.2.2 of the Franchise Agreement), we (or our designee) may succeed FRANAD in administering the Fund. In that event, we furnish audited annual financial statements to you, at your request. We may accumulate monies in the Fund for such periods of time as we deem necessary or appropriate, and we are not required to spend from the Fund all monies received in any fiscal year during that same year. If our expenditures for advertising exceed the total amount contributed to the Fund by all franchisees during a fiscal year, we have the right to reimbursement from the Fund. We may also use excess contributions to the Fund as a credit against our future contributions.

Computer Systems

Computerized information systems are essential tools for accurately and efficiently managing your Franchised Business. You must purchase or lease or subscribe to hosting solutions, and maintain an approved computer system (hardware and software) to support key business functions including Point of Sale, Inventory, and A/R Management. The computer system you choose may vary in size and cost depending on the requirements of the Franchised Business, your current technology resources, and your personal discretion. We offer one option for parts distribution software in addition to our own custom remote point-of-sale tool. Through a strategic business alliance with ~~Kerridge Commercial Systems~~ Klipboard, we offer the multi-user, Microsoft Windows based system known as "Autopart." Additionally we offer software known as the Mighty Parts Acquisition Computer Terminal (M-PACT) that runs on a mobile Android device and works in conjunction with ~~the~~ Autopart to provide remote point-of-sale and inventory management functions. The Franchise Agreement specifies that the data contained in your system is jointly owned by you and Mighty and that we may have direct access to all franchise data on a real time basis. You may be required to provide us with sales and other accounting information in an electronic format as specified by us in the Operations Manual. From time to time, we may investigate alternatives and modify our current technology.

We require several items which we believe will benefit your Franchised Business. One is the Autopart software available from ~~Kerridge Commercial Systems~~ Klipboard (751 Arbor Way, Suite 215, Blue Bell, PA 19422). The system can be run on your local network environment or preferably, as a hosted solution. If you do not possess adequate, pre-existing computer hardware infrastructure, and need assistance purchasing hardware and Microsoft software as a platform for the Autopart system, we will provide advice for an operating environment and recommendations of hardware. Typical basic hardware could include a server with necessary software and licenses, two workstation PCs, two laser printers and networking equipment. The Autopart software provides point-of-sale, invoicing, inventory control, accounts receivable and profit margin management. The initial cost for a hosted cloud base system plus Workstation licenses, training and installation, ranges from \$6,000 \$7,000 to \$10,000.

If you purchase an existing franchise, the current operation may be using a legacy computer system such as the Pacesetter software provided by Blue Sage. In such cases, we may recommend that you initially continue the operation on Pacesetter before converting to Autopart within six months of you becoming a franchisee.

We also work with other software providers for business analytics, cataloging service, route, scheduling and tracking.

Along with the Autopart or Pacesetter system, we require the use of hand-held computer devices and the M-PACT software that facilitates salespersons order-taking at each customer location. Using software owned by us and licensed to you, these orders can then be downloaded to your Autopart or Pacesetter system from the hand-held M-PACT unit, allowing you to save time and avoid errors from re-keying. Orders can even be transmitted by you or your sales staff throughout the day from the field so that they can be processed immediately. As configured with our software, the M-PACT unit interfaces utilizing a networked PC, with the Autopart or Pacesetter customized software. The software license may be purchased directly from us at the cost of \$300 for the initial software license. The cost for each additional software license is \$200. You must also purchase a mandatory software maintenance program for each M-PACT license, which includes telephone support and all software upgrades, at an annual rate of ~~\$240~~ \$300 (~~\$20~~ \$25 per month).

We recommend that our franchisees use "Quickbooks" as their accounting and financial management software. This program generates financial statements (e.g., income statement and balance sheet) from accounting entries sourced by Autopart and Pacesetter system reports, and/or other transaction systems. This software is widely available from computer stores and other vendors.

Before or upon opening your franchise, you will be provided with login credentials to our secure web portal at <http://www.mightyautoparts.com>. You will be expected to maintain the confidentiality of the information provided on the Mighty portal as well as your login credentials. Logging in to our portal will provide access to a substantial amount of information necessary for the effective management of your business. Significant news, information, reports, reporting forms, applications and other resources may be provided to you exclusively through this format, thereby requiring you to maintain regular, timely access to the site. To access the service, you will need internet access. Internet access must be obtained through your local ISP at your own additional cost, in order to access the Mighty portal and associated applications. Your cost for internet access will vary depending on which ISP you choose, the bandwidth required, and various other options.

You may be required to upgrade hardware or software during the term of the Franchise Agreement. Periodic upgrades are highly recommended.

Site Selection and Time Frame for Opening

You are not required to obtain our approval for the location of the office and warehouse for your Franchised Business, except that the site must be located within the Franchise Territory unless we approve otherwise in writing. We do not own or lease premises to franchisees. Item 12 of this disclosure document provides further information about location and configuration of the Franchise Territory.

We estimate that the typical length of time between signing the Franchise Agreement and beginning operation of your Franchised Business is 60 to 90 days. Factors which may affect this time period include the ability to: obtain a lease; procure and install computers and other office equipment; order, receive, and organize the initial inventory; purchase or lease vehicles; obtain any required zoning and building permits; and finalize incorporation of your business, if applicable. You must begin operation no later than 90 days after we both sign the Franchise Agreement (Section 5.1 of the Franchise Agreement).

Training Programs

Before beginning to operate the Franchised Business or within 90 days after both of us sign the Franchise Agreement, you (or if you are a corporation, your principal) and/or your Designated Manager (if you or your principal will not manage the Franchised Business), must attend and complete to our satisfaction our initial training program for franchisees known as Franchise Operations Training (FOT). We have the right to extend the 90 days at our discretion. Personnel who have met our training requirements must manage the Franchised Business at all times. At our option, other of your employees (such as salespersons and office managers) must also attend and complete all or any part of the initial training program to our satisfaction (Section 6.1 of the Franchise Agreement). You and any of your managerial and sales personnel as we may specify must also attend such periodic sales training courses and sales meetings as we may reasonably require; however, you do not have

to attend more than one national and one regional meeting in any calendar year (Section 6.2 of the Franchise Agreement).

All training programs will be at such times and places as we may designate. For all required initial and additional training courses, seminars, and programs, we will provide, at no charge to you, instructors and training materials; you or your employees will be responsible for any and all other expenses incurred as part of such training, including transportation, lodging, meals, and wages (Section 6.2.3 of the Franchise Agreement). You may be required to pay a fee to us, or to trainers designated by us, for training courses, seminars and programs provided after the initial training programs.

The initial training program, which focuses on franchise operational matters, consists of 3-4 days of classroom training at our facilities in the Atlanta area and 5-10 days of sales and operations field training in your Franchise Territory. You and/or your salesperson should then attend our next scheduled training program for new salespersons, which provides in-depth training in sales techniques, account development, and customer service. Training is supervised by Carmen Strickland and Chris Adams, both of whose relevant employment histories are described in Item 2. The minimum experience of the instructors in the field that is relevant to the subject taught and our operations is from 4 to 33 years. Instructional materials include the Operations Manual, presentation materials, videos, and handouts.

An outline of our typical initial training program is shown in the following table. Actual hours and program content may vary depending on our assessment of the particular needs of each franchisee.

Our national and regional sales and business meetings also offer valuable training opportunities for you and your employees. They address such areas as new product programs, sales techniques, sharing of best practices, and presentation of awards, and allow you to interact with and learn from your fellow franchisees and our corporate staff. A national business meeting is held periodically as are national and regional sales meetings.

We also offer special in-depth sales and product training courses throughout the year both at our home office and at field locations. Recent examples of such programs are our Undercar and Underhood Marketing Clinics, Dealership "Boot Camps" Sales School, VS7 Chemical Program Training and Car Wash and Detail Product Training. In addition, we offer Supplier led training opportunities. In most instances, we bear the cost of instruction, facilities, and workshop materials. You are responsible for travel, lodging, food and other expenses for you and your employees.

Although selecting, hiring and managing employees is your responsibility, the Operations Manual and Sales Manual includes valuable information and techniques that may be useful to you in making these important decisions.

Item 12 TERRITORY

We grant you the right to operate your Franchised Business solely for the sale of the Mighty Product Line to install customers within your designated Franchise Territory. We also grant you the nonexclusive right to use and distribute copies of any copyrighted or other protected materials, including advertising, sales promotion, and marketing materials to establish and support the Franchise, which we may make available to franchisees for use with the Mighty System. Franchise territories are usually defined by county lines, interstate highways street addresses or other physical boundaries. A territory usually encompasses an area with at least 500,000 registered cars and light trucks, except in low-density population areas. We work with you to determine the size, practicality, and location of your Franchise Territory. A description of your Franchise Territory will be contained in Exhibit C to the Franchise Agreement. You must locate your warehouse and office within the Franchise Territory unless we approve another location in writing in advance.

During the term of the Franchise Agreement, we will not establish or operate, nor license any other person to establish or operate, an automotive parts and distribution business under the Mighty System at any location within your Franchise Territory. You cannot use the Licensed Marks or advertise or solicit orders within any area other than your Franchise Territory. As described in Item 1 of this Disclosure Document, we may grant franchises to companies already in the automotive service business, for the purpose of allowing them to provide Mighty products to their own automotive service locations. In those cases, they cannot sell Mighty products to anyone other than one of their own stores, and do not get any exclusive territorial rights. These operators are typically not already a Mighty customer, and if they are located within the territory of an existing franchisee, we would enter into this arrangement with them only with the permission of the existing franchisee. If you operate an automotive service business with multiple outlets which are affiliated entities, you may supply the Mighty Product Line to your outlets whether they are located inside or outside your Franchise Territory subject to our prior approval, as described in the Operations Manual. Other Mighty franchisees that operate an automotive service business with multiple outlets may supply the Mighty Product Line to their affiliated entities located within your Franchise Territory subject to our prior approval. The Franchise Agreement permits us to (a) establish and operate, and license others to establish and operate, an automotive parts and distribution business under the Mighty System at any location outside the Franchise Territory; and (b) service or arrange for the service of customers of ~~National or Regional~~ Major Account Contracts (as defined in the Franchise Agreement) within the Franchise Territory, if you decline or are unable to service such an account in accordance with the applicable contract and the procedures in the Operations Manual or otherwise in writing.

The Franchise Agreement does not provide you with any options, rights of first refusal, or similar rights to acquire additional franchises within any other areas or to expand the Franchised Business into adjacent areas. However, if both of us agree in writing, the Franchise Territory may be modified in size or configuration during the term of the Franchise Agreement.

Neither MDSA, its predecessors, nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned automotive parts and distribution businesses which provide similar products or services under a different trade name or trademark, but the Franchise Agreement allows us the right to do so.

We, nor our affiliates, will sell products under the Licensed Marks within your Franchise Territory through a physical location situated in your Franchise Territory nor such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales methods ("alternative channels of distribution"). You may not use any such alternative channels of distribution to make sales outside of your Franchise Territory.

We do not solicit or accept orders inside the franchisee's territory and therefore do not pay any compensation.

We and our affiliates can use alternative channels of distribution to make sales within your Franchise Territory of products or services under trademarks different from the Licensed Marks, but we and our affiliates have not yet made any sales of this type.

You must achieve certain minimum sales volumes (referred to as Minimum Performance Standards) during the term of the Franchise Agreement. The requirement is established each year and it is based on the overall Market Penetration throughout the franchise System.

Franchise Market Penetration is determined by dividing a franchisee's sales, during a given year, by the number of registered vehicles within the franchisee's licensed territory during the same period. The result expresses the franchisee's "sales per registered vehicle", otherwise referred to as Market Penetration. Mighty measures the Market Penetration of all franchisees each year, and the Minimum Performance Standard required of each franchisee is equal to 90% of that.

In 2025 the Mighty franchise system Market Penetration was ~~\$1.09~~ \$1.13. Therefore, the Minimum Performance Standard for 2025 was ~~\$0.98~~ \$1.02 (~~\$1.09~~ \$1.13 X 90%). So, for example, a franchisee with a territory containing 500,000 registered vehicles would need to achieve sales of ~~\$490,000~~ \$510,000 (~~\$0.98~~ \$1.02 X 500,000) to meet their Minimum Performance Standard.

The Minimum Performance Standard for 2026 will not be calculated until the end of January 2027, after the completion of the 2026 calendar year.

If you acquire a new franchise territory or an existing territory that is not meeting its Minimum Performance Standard, you will be granted a phase-in period to achieve 100% of your Minimum Performance Standard. If you fail to meet your Minimum Performance Standard for any three years of the initial term of the Franchise Agreement, you must either a) pay a penalty fee; or b) reduce the size of your Franchise Territory. You must elect one of these options within sixty days of our notification of your failure to meet the Minimum Performance Standards, or your Franchise Agreement may be terminated. (Sections 7.4, 16.2.14 and Exhibit E of the Franchise Agreement)

Use of the above trademarks and service marks is conditioned on your compliance with the appropriate provisions controlling the nature and quality of the goods with which such marks are used.

There are no currently effective determinations of the United States Patent & Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court, or any pending interference, opposition or cancellation proceeding or any pending material litigation involving the Licensed Marks which are relevant to their use in any state.

No agreements are currently in effect which limit our rights to use or license others to use the Licensed Marks.

The Franchise Agreement does not provide for any form of compensation or payment to you, if you lose your right to continue to use our trademarks.

You must promptly notify us of any suspected unauthorized use of the Licensed Marks, any challenge to the validity of the Licensed Marks, or any challenge to our ownership of and right to use and license others to use, or your right to use, the Licensed Marks. We have the sole right to direct and control any administrative proceeding or litigation involving the Licensed Marks, including any settlement. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Licensed Marks. We defend you against any third-party claim, suit, or demand arising out of your authorized use of the Licensed Marks. If we, in our sole discretion, determine that you have used the Licensed Marks in accordance with the Franchise Agreement, we pay the cost of the defense, including the cost of any judgment or settlement. If we, in our sole discretion, determine that you have not used the Licensed Marks in accordance with the Franchise Agreement, you must pay the cost of the defense, including the cost of any judgment or settlement. If we defend

or prosecute any litigation relating to your use of the Licensed Marks, you must execute any documents and take such actions as may, in our or our legal counsel's opinion, be reasonably necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. Unless this litigation is the result of your use of the Licensed Marks in an inconsistent manner with the terms of the Franchise Agreement, we reimburse you for your out-of-pocket costs in taking such actions.

The Franchise Agreement also requires you to operate and advertise only under the name or names we designate from time to time for use by similar Mighty System franchisees; to adopt and use the Licensed Marks solely in the manner we prescribe; not to use the Licensed Marks to perform any activity or to incur any obligation or indebtedness in a manner that may subject us to liability, in any way; to observe all laws regarding the registration of trade names and assumed or fictitious names, and to include in any such application a statement that your use of the Licensed Marks is limited by the terms of the Franchise Agreement, and to provide us with a copy of any such application and other registration documents; to observe the requirements for trademark and service mark registrations and copyright notices that we may require, including affixing "SM", "TM", or "®" adjacent to all Licensed Marks in any and all uses of the Licensed Marks; and to use other appropriate notice of ownership and registration as we may require.

We reserve the right, in our sole discretion, to develop at our expense and to designate one or more new, modified or replacement Licensed Marks for use by franchisees and to require your use of any such new, modified or replacement Licensed Marks, in addition to or in lieu of any previously designated Licensed Marks. You will not be entitled to any compensation as a result of the discontinuation of any of the Licensed Marks. Any expenses or costs associated with your use of any such new, modified or replacement Licensed Marks will be your sole responsibility. We will not replace the Licensed Mark "MIGHTY" except: (i) in response to threatened or pending trademark or service mark litigation; or (ii) if in our good faith business judgment, circumstances require the Licensed Mark "MIGHTY" to be changed, and in no event will we require that the trade name "MIGHTY" be replaced by the name of another business then specializing in the sale and distribution at the wholesale level of automotive equipment, parts and supplies.

We have no actual knowledge of either superior prior rights or infringing uses which could materially affect your use of the Licensed Marks in any state.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

We do not hold any patents material to the franchise nor do we have any patents pending.

You will be granted a nonexclusive license to use copyrighted materials which we may make available to franchisees. The copyrights are owned by a company that is affiliated with our Parent. We entered into a License Agreement effective December 23, 2009, with this affiliated company, giving us exclusive rights to use the copyrights to help our franchisees in conducting their franchised businesses. This License Agreement has a term of 10 years and was extended through December 23, 2029. In the event of termination of the License Agreement, you may lose the right to use the copyrighted materials. Many of these copyrighted materials have been registered with the United States Copyright Office. We intend to renew copyright registrations whenever necessary and appropriate.

The same company, affiliated with our Parent, owns the following copyrights which are material to the Franchised Business:

MICPlus Interactive Catalog; Registration No.TXu1-701-549; Registration Date: November 14, 2007

Vehicle Inspection Playbook; Registration No.TX6-772-333; Registration Date: September 14, 2010

This same company also owns a series of copyrights obtained many years ago, which are no longer part of the Mighty System. We have the right to use those copyrights, but have not used them for many years and do

not anticipate using them again.

There are no currently effective determinations of the Copyright Office or any court regarding our copyrights. Our right to use or license these copyrighted materials is not materially limited by any agreement or known infringing use. The duration for each of our copyrights is 75-100 years.

You must notify us promptly of any suspected infringement or unauthorized use or challenge to our use of copyrighted materials. Although we are not obligated by the Franchise Agreement, we intend to take the actions we deem appropriate to protect your rights to use these copyrighted materials against claims of infringement or unfair competition. If we request, you must cooperate with us to protect our copyrighted materials including filing any lawsuits we deem necessary, with the costs of any such actions paid by us.

You must observe the requirements regarding copyright notices that we may require and use such other appropriate notice of ownership, registration and copyright as we may require.

Confidential Operations Manual

You must operate the Franchised Business in compliance with the standards, methods, policies, and procedures specified in the Operations Manual. The Operations Manual contains policies, procedures, and guidelines for properly operating your Franchised Business. Compliance by all franchisees is important to achieve uniformity throughout the Mighty System and to protect the value of each individual franchised business. You receive access to the Operations Manual throughout the term of the Franchise Agreement upon being granted access to Franchisee portal of mightyautoparts.com. A copy of the table of contents of the Operations Manual is attached as Exhibit F to this disclosure document.

You must treat the Operations Manual, any other manuals created for or approved for use in the operation of the Franchised Business such as the Buying Guide and the information they contain, as confidential, and you must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record, or otherwise reproduce these materials, in whole or in part, or otherwise make them available to any unauthorized person. The Operations Manual remains our sole property.

We may occasionally revise the contents of the Operations Manual, and you must comply with each new or changed standard. If there is any dispute as to the contents of the Operations Manual, the terms of the master copy which we maintain at our home office will control.

Confidential Information

In connection with your investigation of this franchise, we may make available to you certain confidential information such as our Operations Manual. In the event of this disclosure, you must sign a Confidentiality Agreement with us. A copy of this Confidentiality Agreement is attached as Exhibit H to this disclosure document.

During or after the term of the Franchise Agreement, you must not communicate, or use for the benefit of any other person, partnership, association, or corporation any confidential information, knowledge, or know-how concerning the methods of operation of the Franchised Business which may be communicated to you or of which you may be apprised during your operation under the terms of the Franchise Agreement (including information, knowledge, or know-how concerning the automotive parts and distribution business). You may divulge this confidential information only to your employees who must have access to it in order to operate the Franchised Business. Any and all information, knowledge, know-how, techniques, and other data which we designate as confidential will be confidential for purposes of the Franchise Agreement.

Item 15 **OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

During the term of the Franchise Agreement, unless we approve otherwise in writing, you (or if you are a corporation, a principal of the corporation) or a Designated Manager must devote full time and best efforts to

managing and operating the Franchised Business, and to actively promoting the sale of the Mighty Product Line and developing and expanding the market for the Mighty Product Line within the Franchise Territory. The Franchised Business must at all times be under the direct, on-premises supervision of a manager (you or a person designated by you) who has satisfactorily completed our training program. The limitations we impose as to whom you may hire as a Designated Manager include the following: prior approval by us, satisfactory completion of our training program, compliance with all applicable laws, and upholding the goodwill associated with the Mighty System and the Licensed Marks. The Designated Manager will not be required to have an equity interest in the Franchised Business.

We require the owners to sign a guaranty and that guaranty (attachment to the Franchise Agreement) obligates the guarantor to be bound by the non-competition and similar covenants contained in Section 18 of the Franchise Agreement.

Within 90 days of the date on which we both sign the Franchise Agreement, we must certify you or your Designated Manager as meeting our qualifications for management, based on completion of our initial training programs. We have the right to extend the 90 days at our discretion. Thereafter, you or your Designated Manager must satisfactorily complete such additional training, retraining or refresher training programs as we may require, at such times and places as we designate. Our training program is described in Item 11 of the disclosure document.

You must sign our current Purchasing and Security Agreement (Exhibit F to the Franchise Agreement) when you sign the Franchise Agreement.

Item 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your Franchised Business may offer and sell only goods and services approved by us, and you must offer all the goods and services which we require for all franchisees. We may change these requirements; however, you must stock and sell the products in the "major product categories," as defined in the Franchise Agreement and the Operations Manual. Your product inventory levels and breadth of product line coverage must be adequately maintained to provide prompt and efficient service to your installer customers (see Item 8).

You may solicit any and all Customers within your Franchise Territory.

You may not own, operate, or manage any automotive business specializing in the wholesale and distribution of automotive parts and supplies comparable to the Mighty Product Line, other than as a franchisee of the Mighty System, unless approved by us in writing. However, you may own equity securities of any such automotive business, whose shares are traded on a stock exchange or on the over-the-counter market, while your ownership interest represents 2% or less of the total number of outstanding shares of the business.

You may use a website of yours in connection with Franchised Business ("established website") with our advance written approval. You may not publish any pricing information on the established website. You must not display, offer, or feature products that are not part of the Mighty Product Line on the established website. You must disclose on the established website that you are restricted to selling only within the franchise territory. You must not use any of the Proprietary Marks or any of our copyrighted materials or information on your established website except in compliance with the Operations Manual.

You must comply with all Mighty System rules, regulations, policies, standards, and specifications which are mandatory, including those contained in the Operations Manual. You must operate and maintain the Franchised Business solely according to the standards in the Franchise Agreement, in the Operations Manual or in other written materials we provide you (see Item 9).

You must conduct the Franchised Business in accordance with our professional and ethical image, which is an integral part of the Mighty System, including the requirement that the personal appearance of you and your employees meets the standards outlined in the Operations Manual.

You must operate the Franchised Business in conformity with the methods and standards that we may prescribe in the Operations Manual to insure that our quality, service and image is maintained. You may not vary from those standards or otherwise operate in any manner which adversely reflects on our name and goodwill, or on our Licensed Marks.

You may use only business stationery, business cards, marketing materials, advertising materials, printed materials or forms which have been approved in advance by us. Any and all equipment, supplies or materials which you purchase, lease or license must always meet the standards we specify in the Operations Manual or otherwise in writing.

In all advertising displays and materials you must notify the public, in the manner specified in the Operations Manual, that you are operating the Franchised Business as a Mighty Franchisee, and you must identify your business location in the manner specified in the Operations Manual.

We do not use any public figures to promote our franchises.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

2025 Sales Volume Analysis

The following 2025 Sales Analysis is based upon sales volume reports submitted by Mighty franchisees that operated throughout the entire calendar year of 2025. The total sales figures were derived from unaudited sales volume reports submitted by franchisees for the purpose of calculating payments of continuing fees. A total of ~~84~~ 83 franchisees were in operation throughout the entire calendar year (3 of these franchisees sell Mighty products only to their own existing affiliated entities within a given territory and they are excluded from 2025 Sales Volume Analysis) and ~~six (6)~~ seven (7) new franchisees entered the system. At year-end 2025, 90 franchise territories were licensed.

2025 Customer Analysis

The following 2025 Customer Analysis is based on sales data provided by Mighty franchisees that operated during the 2025 calendar year. ~~84~~ 80 Mighty franchisees provided this information through the 2025 calendar year.

2024 Operating Statistics

The following report titled 2024 Operating Statistics is based on Profit & Loss Statements from ~~67~~ 63 Mighty franchisees and Balance Sheets from ~~58~~ 52 Mighty franchisees for the twelve (12) month period beginning January 2024 and ending December 2024, regardless of their fiscal year ends. These ~~67~~ 63 of ~~88~~ 84 Mighty franchisees that operated for the entire calendar year of 2024 provided timely financial statement information in a form suitable for use in this report.

The following operating statistics are unaudited and therefore no assurance can be offered that the data does not contain inaccuracies.

Operating results can vary substantially among reporting franchisees due to many factors including individual franchisee business discretion, local economic factors, geographic dispersion of customers, density of vehicles, competitive influences, and the number of automotive service outlets in any particular franchised territory.

The success of Mighty franchises is substantially reliant upon a variety of factors including sales performance, capital structure, market conditions, competitive environment, and individual managerial expertise. Our internal studies suggest that new franchisees operating in previously undeveloped territories should allocate working capital sufficient to cover all operating costs for the period prior to consistently achieving operational "break even" in your franchise.

All of the franchises represented in the following reports are substantially similar to the franchise we offer to you. However, there are variations in territory sizes. Since all franchisees must offer the products and services currently required by us, and only the products that we approve as meeting our uniform quality standards and specifications, all reporting franchisees offered substantially the same products and services to their customers.

Written substantiation for the following financial performance representations will be made available to you upon reasonable request.

Some [outlets] have [sold] [earned] this amount. Your individual results may differ. There is no assurance that you'll [sell] [earn] as much.

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

California law provides the following:

1. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.)
2. California Business and Professions Code Sections 20000 through 20043 provide rights to the Franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
3. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.
4. The franchise agreement requires binding arbitration. The arbitration will occur in Atlanta, Georgia with the costs being borne 50% by Franchisor and 50% by Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provision of a franchise agreement restricting venue to a forum outside the State of California.
5. The franchise agreement requires application of the laws of Georgia. This provision may not be enforceable under California law.
6. In accordance with CCR § 310.156.3(a)(3), the Franchisor's URL address is www.mightyautoparts.com and www.mightyfranchise.com and "OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION, ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.
7. The Franchisor, any person or franchise broker in Item 2 of the UFDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.
8. California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the franchise disclosure document.
9. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before solicitation of a proposed material modification of an existing franchise.
10. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professional Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professional Code §§20000 through 20043).
11. Each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property states such as California.
12. The highest interest rate allowed by law in California is 10% annually.
13. **Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.**

14. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. WASHINGTON ADDENDUM TO THE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this "**Agreement**") is made and entered into on _____, _____ 20__ (the "**Effective Date**") by and between **MDSA, LLC**, a Georgia limited liability company with its principal place of business at 650 Engineering Drive, Peachtree Corners, Georgia 30092 ("**we**" "**us**" or "**our**"), and _____ [an individual] [individuals] [a corporation] [a limited liability company] ("**you**" or "**your**").

BACKGROUND:

A. We and our affiliates, as the result of the expenditure of time, skill, effort and capital, have developed a distinctive system (the "**Mighty System**") relating to the establishment and operation of businesses that sell and distribute automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products ("**Mighty Businesses**") and operate under the Proprietary Marks (defined below).

B. Mighty Businesses are engaged in the sale of automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products designated by us ("**Mighty Product Line**").

C. The distinguishing characteristics of the Mighty System include a distinctive plan and system relating to the purchase and distribution of the Mighty Product Line through a national franchise structure; standards and specifications for products, equipment, materials and supplies; uniform standards, specifications and procedures for operations; procedures for purchasing, inventory and management control; accounting methods; training and assistance; specified computer system; and sales, marketing and promotional programs and techniques, all of which may be changed, improved and further developed by us.

D. The Mighty System and Mighty Businesses are identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin as are now designated and may be designated in the future by us in writing for use in connection with the Mighty System including the mark "MIGHTY" and other marks (the "**Proprietary Marks**").

E. You desire to enter into the business of operating a business under the Mighty System and using the Proprietary Marks, and you wish to enter into this Agreement with us for that purpose and to receive the training and other assistance provided by us in connection therewith.

F. You understand and acknowledge the importance of our high standards for quality and service and the necessity of operating the business franchised under this Agreement in conformity with our standards and specifications.

NOW, THEREFORE, the parties agree as follows:

1. GRANT

1.1 We grant to you the right, and you hereby undertake the obligation, upon the terms and conditions in this Agreement: (a) to establish and operate a Mighty Business that offers products designated by us (the "**Franchised Business**"); (b) to establish and operate the Franchised Business in compliance with all mandatory specification, standards, operating procedures and rules that we periodically prescribe for Mighty Businesses and (c) to use the Proprietary Marks and the Mighty System solely in connection with operating the Franchised Business.

1.2 Subject to your compliance with all of the terms and conditions of this Agreement and the provisions of Section 1.4 below related to National/Regional Major Account Contracts (defined below), we grant you the following:

1.2.1 The exclusive right to operate the Franchised Business solely in connection with the sale of the Mighty Product Line to (i) Customers within the franchise territory (the "**Franchise Territory**") specified in Exhibit C and (ii) your Affiliated Entities (defined below). "**Customers**" means purchasers of the Mighty Product Line for installation in the automotive and heavy-duty aftermarket or shop level consumption or utilization, excluding Affiliated Entities. "**Affiliated Entities**" means corporations, divisions, limited liability companies or other entities owned, licensed or controlled by you at the time you execute this Agreement and identified in Exhibit B of this Agreement. We or you may add additional Affiliated Entities by amending Exhibit B of this Agreement, subject to our prior written approval.

1.2.2 The nonexclusive right to use and distribute copies of any copyrighted or other protected materials, including advertising, sales promotion, marketing and other materials to establish and support the Franchised Business, which we may make available to you for use with the Mighty System.

1.3 You acknowledge and agree that you are not entering into this Agreement to solely supply the Mighty Product Line to your Affiliated Entities. You acknowledge and agree that this Agreement relates solely to the Franchise Territory and, except for supply to your Affiliated Entities, affords you no right to operate the Franchised Business or use the Proprietary Marks in any territory other than the Franchise Territory. You acknowledge and agree that other franchisees that operate an automotive service business with multiple retail service outlets may supply their Affiliated Entities located within your territory. You agree to locate your warehouse and office within the Franchise Territory unless we approve another location in writing in advance. Except as provided in this Section 1, we will not grant any other franchise for a Mighty Business in the Franchise Territory, nor will we operate a Mighty Business or distribute products bearing the Proprietary Marks in the Franchise Territory. You acknowledge that the Mighty System may be supplemented, improved and otherwise modified from time to time by us; and you agree to comply with all our reasonable requirements in that regard, including offering and selling new or different products or services as part of the Mighty Product Line specified by us.

1.4 You may participate in our national/regional major account program ("**National/Regional Major Account Program**"). You acknowledge and agree that we, at our discretion, may change the terms and conditions of the National/Regional Major Account Program. You must comply with the following terms and conditions related to the National/Regional Major Account Program:

1.4.1 The term "**National/Regional Major Accounts**" are businesses designated by us, purchasing the Mighty Product Line, or any part of the Mighty Product Line, and which operate in more than one franchise territory. We have the right to condition our consent (although we are not obligated to grant our consent) on your agreement to comply with certain requirements and we have the right to withdraw our consent for any or no reason as we deem appropriate. If we withdraw our consent to your providing the Mighty Product Line to one or more National/Regional Major Accounts, you must cease all solicitation, servicing and/or other activity (including providing the Mighty Product Line) with respect to that National/Regional Major Account(s) immediately.

1.4.2 We retain the right under all circumstances to provide the Mighty Product Line to any National/Regional Major Account location, wherever operated, provided, however, we may offer you the responsibility under this Agreement to provide the Mighty Product Line through your Franchised Business that we would like to provide to the National/Regional Major Account location or locations (as determined by us). If we offer you the opportunity to provide the Mighty Product Line to any National/Regional Major Account or National/Regional Major Account

location, you must respond to such offer in accordance with the procedures and timeframe in the Operations Manual (defined below). If you fail to respond to our offer to provide the Mighty Product Line to a National/Regional Major Account or a National/Regional Major Account location, or you fail to agree to or comply with the terms and conditions that we have established with the National/Regional Major Account (the "**National/Regional Major Account Contract**"), you will be deemed to have forfeited the opportunity related to such National/Regional Major Account or National/Regional Major Account location.

1.4.3 If you fail to accept the offer in the manner we specify (including the terms of the National/Regional Major Account Contract), we (and our affiliates) also have the right, or may authorize other franchisees or third parties, to provide the Mighty Product Line to the locations of the National/Regional Major Account.

1.4.4 If you default under this Agreement for any reason, we may cease to make the National/Regional Major Account Program available to you.

1.4.5 You must follow all additional terms, conditions, rules, regulations and procedures in the Operations Manual related to the National/Regional Major Account Program.

1.5 Except as expressly limited by this Section 1, we and our affiliates retain all rights with respect to Mighty Businesses, the Proprietary Marks, the Mighty System, the Mighty Product Line, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire. We and our affiliates reserve the right in the future to market products other than the Mighty Product Line within the Franchise Territory under a different brand name or mark through other distribution methods, should we or our affiliates develop a plan to do so.

1.6 For purposes of this Agreement, (i) the term "**affiliate**" means any person (includes parents and subsidiaries) that, directly or indirectly, controls, is controlled by or is under common control with, the referenced party (ii) the term "**person**" means a natural person, partnership, limited partnership, limited liability company, corporation, trust, estate, association, unincorporated association or other entity, and (iii) the term "**entity**" means a corporation, partnership, limited partnership, or limited liability company.

2.1 Unless this Agreement is sooner terminated as provided herein, this Agreement will be in effect upon its execution by us and the term of this Agreement will be 10 years from the Effective Date (the "**Term**"). You acknowledge that the rights granted under this Agreement are of limited duration and do not convey any rights of ownership or goodwill whatsoever in the Proprietary Marks.

2.2 You may apply to operate the Franchised Business for two additional terms of at least 5 years if the following preconditions are met before the renewal term:

2.2.1 At least 60 days, but not more than 120 days, before the end of the Term, you must submit to us written notice of your request for renewal along with a completed version of our renewal application;

2.2.2 Upon our request, you must provide to us a written business plan and succession plan for the Franchised Business which must meet our approval, no less than 60 days before the expiration of the Term;

2.2.3 You must not have any past due monetary obligations or other outstanding obligations to us and our affiliates, or the approved suppliers for the Mighty System;

2.2.4 You must not be in default of any provision of this Agreement or any other agreement between you (or any of your owners) and us, our affiliates, the approved suppliers for the Mighty System or any lessor for premises used for the Franchised Business; and you must have substantially complied with all the terms and conditions of such agreements during the Term;

2.2.5 You must execute a general release, in a form required by us, of any and all claims against us and our affiliates, and their respective officers, directors, agents and employees;

2.2.6 You must execute the then-current form of franchise agreement offered by us which will supersede this Agreement in all respects, the terms of which may differ from the terms of this Agreement including requirements to pay fees, terms and conditions different from those contained in this Agreement and/or a modified Franchise Territory, except that you will not be required to pay any initial franchise fee;

2.2.7 You must comply with our then-current qualification and training requirements;

2.2.8 When you execute the then-current form of franchise agreement offered by us, you must pay us a renewal fee designated in Exhibit D to this Agreement, based on the number of registered vehicles in the Franchise Territory at the time you submit the renewal application as determined by us.

2.3 Notwithstanding the provisions of this Section 2, if you fail to meet the conditions required for renewal after the Term, we may, at our option, extend the Term for 1 year. The 1 year extension fee is 10% of the applicable renewal fee designated in Exhibit D to this Agreement.

3.3.1 determine, approve and supervise the standards of quality, service, capacity, durability and all other characteristics of all products sold by you;

3.3.2 inspect all Operating Assets used by you in connection with the Franchised Business;

3.3.3 establish standards and specification for the Mighty System; and

In connection with our rights under this Section 3.3, you agree to permit our authorized personnel to inspect the operations, products, equipment and facilities of your Franchised Business, to review your records, and to do all other acts reasonably necessary to determine and ensure that you are maintaining our standards and specifications.

3.4 You acknowledge and agree that any duty or obligation imposed on us by this Agreement may be performed by any affiliate, independent contractor, distributor, designee, employee or agent of ours, as we may direct. We will not assume responsibility or liability to you or any third parties to which we would not otherwise be subject.

4. FEES

4.1 In consideration of the execution of this Agreement, you must pay us the initial franchise fee designated in Exhibit D (the "**Initial Franchise Fee**"). Upon execution of this Agreement by all parties, the Initial Franchise Fee is earned and non-refundable in consideration of administrative and other expenses incurred by us in entering into this Agreement. You are required to join the independent Mighty Franchisees Association (the "**Association**") and remain a member of the Association for at least two years. To join the Association, you must pay the initiation fee shown in Exhibit D (the "**Initiation Fee**") which is due in full upon execution of this Agreement. The Initiation Fee for the Association will entitle you to full membership in the Association but you must pay yearly dues to the Association in connection with your membership. We will collect the Initiation Fee from you and transmit the Initiation Fee to the Association.

4.2 We have agreed on the option set forth in Exhibit A for payment, at all times after the commencement of operation of the Franchised Business, of recurring fees (the "**Recurring Fees**"). You shall pay the following Recurring Fees under the option that you elected in Exhibit A:

Option A (Sections 4.2.1 and 4.2.2 directly below)

4.2.1 Based on your Gross Volume of Business (defined below), a monthly continuing fee equal to (i) 5% of the Gross Volume of Business for the first 12 months after the Effective Date; (ii) the greater of 5% of the Gross Volume of Business or \$500 per month for months 13-24 after the Effective Date; and (iii) the greater of 5% of the Gross Volume of Business or \$1,000 per month for month 25 after the Effective Date through the remainder of the Term. For purposes of calculating this continuing fee, the first month will be the month of the Effective Date regardless of when the Effective Date occurs in such month.

4.2.2 A monthly advertising and marketing contribution to the Mighty Advertising Fund (the "**Fund**") currently administered by FRANAD, INC., a nonprofit corporation. Contributions to the Fund are used to support national, regional and/or local advertising, public relations and marketing programs placed in or through any medium and marketing research ("**Advertising**"). Currently, the percentage of your Gross Volume of Business that you are required to contribute to the Fund (the "**Contribution Rate**") is established by the bylaws of FRANAD, INC. (the "**Bylaws**"). The Bylaws establish the procedures for determining and adjusting the Contribution Rate. New franchisees acquiring undeveloped territories are granted a phase-in period before being required to meet the minimum contribution. As of the Effective Date, the Contribution Rate is .5% of Gross Volume of Business. For the first 12 months of operation, such new franchisees contribute based on the Contribution Rate, with no minimum monthly contribution. For months 13-24, the monthly contribution is the greater of \$50 per month or the amount calculated using the Contribution Rate. For month 25 through the remainder of the Term, the monthly contribution is the greater of \$100 per month or the amount calculated using the Contribution Rate. Notwithstanding the foregoing, we may require you to pay contributions to the Fund to us or our designee instead of to FRANAD, INC. if (a) FRANAD, INC. is dissolved, (b) members of FRANAD, INC. pursuant to the Bylaws approve a monthly Contribution Rate of less than .5% of the Gross Volume of Business or (c) the directors of FRANAD, INC. refuse to attend 2 or more FRANAD, INC. board meetings for which notice is duly given in any 3-month period (thereby preventing the board from having a quorum). If we, or our designee, succeed FRANAD, INC. pursuant to this Section 4.2, we may revise any and all Contribution Rates to the Fund under this Section 4, or the method of determining such contributions to the Fund, or both, from time to time for all franchise agreements in the Mighty System at our sole option upon 60 days written notice to you; provided, however, that in no event will the Contribution Rate to the Fund exceed .5% of the Gross Volume of Business during the Term without the concurrence of a majority of franchised Mighty Businesses then in operation.

Option B (Sections 4.2.1, 4.2.2, and 4.2.3 directly below)

4.2.1 Based on your Gross Product Purchases, a monthly continuing fee equal to (i) 8.3% of the Gross Product Purchases for the first 12 months after the Effective Date; (ii) the greater of 8.3% of the Gross Product Purchases or \$500 per month for months 13-24 after the Effective Date; and (iii) the greater of 8.3% of the Gross Product Purchases or \$1,000 per month for month 25 after the Effective Date through the remainder of the Term. For purposes of calculating this continuing fee, the first month will be the month of the Effective Date regardless of when the Effective Date occurs in such month.

4.2.2 A monthly advertising and marketing contribution to the Mighty Advertising Fund (the "**Fund**") currently administered by FRANAD, INC., a nonprofit corporation. Contributions to the Fund are used to support national, regional and/or local advertising, public relations and marketing programs placed in or through any medium and marketing research ("**Advertising**"). Currently, the percentage of your Gross Volume of Business that you are required to contribute to the Fund (the "**Contribution Rate**") is established by the bylaws of FRANAD, INC. (the "**Bylaws**"). The Bylaws establish the procedures for determining and adjusting the Contribution Rate. New franchisees acquiring undeveloped territories are granted a phase-in period before being required to meet the minimum contribution. As of the Effective Date, the Contribution Rate is .5% of Gross Volume of Business. For the first 12 months of operation, such new franchisees contribute based on the Contribution Rate, with no minimum monthly contribution. For months 13-24, the monthly contribution is the greater of \$50 per month or the amount calculated using the Contribution Rate. For month 25 through the remainder of the Term, the monthly contribution is the greater of \$100 per month or the amount calculated using the Contribution Rate. Notwithstanding the foregoing, we may require you to pay contributions to the Fund to us or our designee instead of to FRANAD, INC. if (a) FRANAD, INC. is dissolved, (b) members of FRANAD, INC. pursuant to the Bylaws approve a monthly Contribution Rate of less than .5% of the Gross Volume of Business or (c) the directors of FRANAD, INC. refuse to attend 2 or more FRANAD, INC. board meetings for which notice is duly given in any 3-month period (thereby preventing the board from having a quorum). If we, or our designee, succeed FRANAD, INC. pursuant to this Section 4.2, we may revise any and all Contribution Rates to the Fund under this Section 4, or the method of determining such contributions to the Fund, or both, from time to time for all franchise agreements in the Mighty System at our sole option upon 60 days written notice to you; provided, however, that in no event will the Contribution Rate to the Fund exceed .5% of the Gross Volume of Business during the Term without the concurrence of a majority of franchised Mighty Businesses then in operation.

4.2.3 As used in this Agreement, "**Gross Product Purchases**" means the collective gross purchases of the Mighty Product Line by you and/or the Franchised Business from us, our affiliates or suppliers and any other products sourced by you and sold through your Mighty franchise. The calculation of Gross Product Purchases is net of credits issued to you for the return of products in the Mighty Product Line and exclusive of only sales tax or other tax receipts (the collection of which is required by law). For products in the Mighty Product Line that we and our affiliates sell directly to you, you shall pay amounts due under Section 4.2.1 at the same time that you pay for the products purchased from us and our affiliates and the invoices for such products shall include a line item for the amounts due under this Section. For products in the Mighty Product Line that are sold to you by suppliers, you must disclose such purchases and pay the amounts due under this Section as provided in Section 4.4 below. In no event will you arrange for the Mighty Product Line to be sold directly to Customers or Affiliated Entities without paying the amount due under this Section based on Gross Product Purchases.

4.3 As used in this Agreement, "**Gross Volume of Business**" means the collective gross amounts billed by you for sales or lease of automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products which arise from or are delivered by you or by any other person from business conducted or which originated in, on, from or through the Franchised Business, whether such business is conducted in compliance with or in violation of this

Agreement. "Gross Volume of Business" is further defined to include all sales, net of credits issued to franchise customers for the return of automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products, derived from and through the Franchised Business, irrespective of the collection thereof, and exclusive of only: (i) sales tax or other tax receipts (the collection of which is required by law) and (ii) intra-organizational sales to other Mighty System franchisees. References to Gross Volume of Business include all sales (including sales to Customers and Affiliated Entities).

4.4 Unless otherwise provided, all fees and other amounts due to us under this Agreement or in connection with the Franchised Business must be paid in the manner designated by us in the Operations Manual or otherwise in writing, but in any event no later than the 25th day of the month following the month in which such fees or amounts accrue; provided, however, that we may revise the required payment date if an Approved Supplier revises their payment schedule to reduce materially our payment term. Such payments to us must be accompanied by the statement required under Section 12.2.1 below. You must establish and maintain a bank account used solely for the Franchised Business (the "**Business Account**"). We reserve the right to change the payment procedures and processes upon notice to you and you agree to immediately comply with any new payment procedures or processes (including executing any new or additional forms which grant us the right to debit the Business Account for payment of fees and other amounts due to us under this Agreement or in connection with the Franchised Business).

4.5 Any fee, other amount, statement or report not actually received by us on or before the due date will be considered past due. If any fee or other amount is past due, you must pay us immediately upon demand, in addition to the past due amount, a service charge on such amount from the date it was due until paid, at the rate of 1.5% per month calculated on the past due balance, or the maximum rate permitted by law, whichever is less. This service charge will accrue whether or not we exercise our right to terminate this Agreement under Section 16 below. Entitlement to such service charge will be in addition to any other remedies we may have. If any payment or contribution submitted by check or draft is returned or dishonored, you must pay us immediately upon demand, in addition to the amount due, an amount to compensate us for any fees or charges that we incur due to such returned or dishonored check or draft.

4.6 Despite any designation you make, we may apply any of your payments to any part of your past due indebtedness to us or our affiliates. You agree that you may not designate an order for application of any fees different from that designated by us and expressly acknowledge and agree that we may accept fees paid pursuant to different instructions without any obligation to follow such instructions, even if such payment is made by its terms conditional on such instructions being followed. We may offset any amounts that you or your owners owe us or our affiliates against any amounts that we or our affiliates owe you or your owners. You may not withhold payment of any amounts you owe us or our affiliates due to our alleged nonperformance of any of our obligations under this Agreement.

5. OPENING OF FRANCHISED BUSINESS

You understand and acknowledge that every detail of the Mighty System is important to you, us and other Mighty System franchisees in order to develop and maintain high operating standards and specifications, to increase the demand for the products and services sold by all Mighty System franchisees and to protect our reputation and goodwill.

We will act in good faith to give our authorization to commence operation after you have complied with the provisions of this Section 5. We have a right to extend the 90 day period at our discretion.

5.2 Before commencing operation of the Franchised Business, you must, at your expense, secure all permits and certifications as may be required for the lawful operation of the Franchised Business, together with copies of any certifications from all Governmental Authorities (defined below) having jurisdiction over the Franchised Business. **"Governmental Authority"** means all federal, state, county, local, foreign or other governmental or regulatory agencies, authorities (including self-regulatory authorities), instrumentalities, commissions, boards or bodies.

5.3 Except as otherwise specifically stated in this Agreement as to be performed by us, it is your responsibility to undertake all actions necessary to commence operation of the Franchised Business at your sole expense; (a) to identify a potential site where your Franchised Business will operate from within the Franchise Territory; (b) to obtain necessary and appropriate governmental approvals; and (c) to obtain financing as needed for the Franchised Business and the purchase of all Operating Assets.

6. TRAINING

6.1 No earlier than 90 days before the Effective Date or no later than 90 days after the Effective Date, you or, if applicable, your Designated Manager, must have been certified by us as meeting our qualifications for management of similar Mighty Businesses. We have a right to extend the 90 day period at our discretion. You agree that the Franchised Business will only be operated directly by you or by a Designated Manager that is approved by us. We will have the right to require that each Designated Manager sign a confidentiality agreement to protect our proprietary information. You and/or your managerial personnel as designated by us must complete, to our reasonable satisfaction, any and all initial training programs as we may reasonably require. If you or your Designated Manager fail to complete the required initial training program satisfactorily, we will notify you of such failure and require you to designate a substitute trainee. If you fail to designate a substitute trainee, or if the substitute trainee fails to complete the initial training to our satisfaction with the result being that neither you nor the manager selected by you completes initial training to our satisfaction before the time the Franchised Business is required to commence operations in accordance with this Agreement, we may, at our sole option, elect to terminate this Agreement. We have a right to extend the 90 day period at our discretion

6.2 The Franchised Business must at all times be managed by personnel who have met our training requirements. We may, at our option, require your other initial and subsequent employees, including your salespersons, bookkeepers/office managers, to attend and satisfactorily complete all or any part of our initial training programs. All expenses incurred in training, including cost of travel, room, board and wages of the person(s) receiving such training will be borne by you. You must also bear the cost of any additional training which may be required by us. You agree that at all times during the Term, you or your Designated Manager will:

6.2.1 be principally responsible for the operation of the Franchised Business pursuant to this Agreement;

6.2.2 have attended and satisfactorily completed such training, retraining or refresher training programs as we may require, in our sole discretion, at such times and places as we may reasonably designate; and

6.2.3 use your full time and best efforts in operating the Franchised Business, in actively promoting the sale of the Mighty Product Line and in cultivating, developing and expanding the market for the Mighty Product Line within the Franchise Territory.

courses, seminars and programs provided after the initial training programs described in this Section 6. In addition to any required fees for attendance, you or your employees will be responsible for any and all other expenses incurred by them in connection with all initial training programs, and other training and meetings, including the costs of transportation, lodging, meals and wages. We have the right to provide any of the training described in this Section 6 through online training programs (including webinars) or self-study programs that we provide.

7. DUTIES OF FRANCHISEE

7.1 All automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products for the Franchised Business selected by you must meet "original equipment" requirements or their equivalent.

7.2 You agree to comply with all Mighty System rules, regulations, policies, standards and specifications which are by their terms mandatory, including those contained in the Operations Manual. You must operate and maintain the Franchised Business solely in the manner and pursuant to the standards and specifications in this Agreement, in the Operations Manual or in other written materials provided by us to you.

7.3 You specifically agree that you will conduct the Franchised Business in accordance with our professional and ethical image which you acknowledge is an integral part of the Mighty System, including requiring that you and your employees dress in accordance with the standards and specifications in the Operations Manual.

7.4 You agree to comply with the Minimum Performance Standards specified in Exhibit E (the "**Minimum Performance Standards**").

7.5 You must offer, and maintain an inventory of the products designated as Major Product Categories (defined below) in such amounts as may be reasonably required by us in the Operations Manual or otherwise in writing. "**Major Product Category**" means either a product category that represents a minimum of 5% of Mighty System sales or a product category that in our reasonable judgment may be expected to represent a minimum of 5% of Mighty System sales based on our Pilot Test (defined below), and "**Major Product Categories**" means more than one Major Product Category. We will revise the list of products in the Major Product Category from time to time. "**Pilot Test**" means a market test in a representative group of franchise territories to determine whether a new product category may be expected within 1 year to represent a minimum of 5% of Mighty System sales by meeting or exceeding 5% of Mighty System sales in the test market during the test period.

7.6 You agree to purchase the automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products in the Major Product Categories, either: from us; from such suppliers and manufacturers as are designated by us as approved suppliers and manufacturers for you; or from other suppliers and manufacturers, but on condition that (A) such parts and accessories not purchased from approved suppliers and manufacturers (i) be of comparable quality; (ii) be submitted by you to us for inspection initially, and annually thereafter, in order to facilitate quality control by us; (iii) be approved in writing by us before being sold or distributed by you, which approval will not be unreasonably withheld; (iv) be packaged with the Mighty label where we deem appropriate according to the standards specified by us in the Operations Manual; and (B) the manufacturer provides a certificate of insurance to us comparable to certificates furnished by the manufacturers then designated by us.

7.7 Notwithstanding Section 7.6 above, you may offer and sell "supplementary" products which have not been disapproved by us (not to exceed a maximum of 5% of your Gross Volume of Business), but which otherwise meet our specifications and product liability requirements in the Operations Manual. If you desire to offer and sell "supplementary" products in excess of 5% of your Gross Volume of Business, and the market opportunity warrants carrying additional non-

Mighty products, you may do so with our prior approval as provided in (A) of Section 7.6 above. We assume no liability, either express or implied, to you or any customer or end-user, as a consequence of any such approval or disapproval of any product provided by you. You must provide to us, in such form as we may require in the Operations Manual or otherwise in writing, a listing of any products sold to customers by you which have not been purchased by or provided to you from or through us or an approved supplier.

7.8 We have the right to act as purchasing agent and creditor for you and to receive a fee for such services. In addition, we have the right to designate ourselves as an approved supplier and to make a profit from the sale of accessories, equipment, parts and supplies by us or third parties to you if we serve as a manufacturer, assembler or distributor in a product sourcing role. We assume no liability to you or any third party for delays in shipment or transit of any products that we supply to you or for failure to deliver any automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products ordered from us which are temporarily out of stock or unavailable for any other reason.

7.9 You must obtain suitable equipment for the operation of the Franchised Business no later than 90 days from the date of this Agreement. You agree that you will not utilize in the Franchised Business any vehicle, Computer System, equipment, machine or machinery which does not meet our specifications, unless you have first requested in writing and received our written authorization to use same, which request will be void unless it specifically identifies the vehicle, equipment or machine in question. You agree to maintain all vehicles and other operating equipment used in connection with the Franchised Business in a clean, orderly, safe and attractive condition, and to conform with the standards of identification, cleanliness, appearance, neatness and environmental quality in the Operations Manual. Upon removal of any approved business vehicle(s) from service, you must remove from the vehicle(s) (i) the Proprietary Marks including "MIGHTY" and (ii) all other distinctive trade dress, images, slogans, logos, or symbols connected to the Mighty System.

7.10 We have the right (i) to determine, approve and monitor the standards of quality, service, capacity, durability and all other characteristics of all products sold by you; (ii) to inspect all Operating Assets used by you in connection with the Franchised Business; and (iii) to examine the products offered for sale by you to require you to maintain the quality standards established by us. You agree to permit our authorized personnel to inspect the operations, products, equipment, vehicles and facilities of the Franchised Business, and to do all other acts reasonably necessary to determine and ensure that you are maintaining the quality standards required by us.

7.11 You agree to operate the Franchised Business in conformity with such methods, standards and specifications that we prescribe in our Operations Manual to ensure that our required degree of quality, service and image is maintained; and to refrain from operating in any manner which adversely reflects on our name and goodwill, or on the Proprietary Marks.

7.12 You agree to grant to us a security interest in any and all products and supplies and any proceeds derived from the sales of the Mighty Product Line. You must execute our then-current form of Purchasing and Security Agreement (a current copy of which is attached as Exhibit F) which we may require you to execute from time to time. A current copy of our Credit Policy, which we may amend in our sole discretion, is attached as Exhibit F1. The security interest granted therein secures the payment to us of all obligations under this Agreement and of the purchase price of any products and goods, all obligations of you to us relating to the purchase and all costs, expenses, future advances and liabilities which may be made or incurred by us in the administration and collection of any such obligations. The Purchasing and Security Agreement will constitute a security agreement, and upon request by us, you must execute any additional instruments required to perfect this security interest including our then-current standard Uniform Commercial Code ("UCC") financing statement, a current copy of which is attached as Exhibit F2. You authorize us to file a copy of the Purchasing and Security Agreement, a UCC financing statement and any other documents that may be necessary to perfect the security interest.

7.13 You agree to comply with the Mighty System as it may be revised, amended or changed by us from time to time in our reasonable discretion.

7.14 You must use only business stationery, business cards, marketing materials, advertising materials, printed materials or forms which have been approved in advance by us. Any and all equipment, supplies or materials purchased, leased or licensed by you must always meet those standards specified by us in the Operations Manual or otherwise in writing.

7.15 In all advertising displays and materials, you must notify the public that you are operating the Franchised Business as a franchisee of ours and must identify your Franchised Business in the manner specified by us in the Operations Manual.

7.16 You must at all times maintain the Business Account and use only the Business Account in connection with banking and financial transactions for the Franchised Business. You grant to us and our agents the right to enter your business location(s), at a reasonable time, for the purpose of inspecting the business operations of the Franchised Business (including reviewing your books, records and accounts (including the Business Account)) and you agree to render such assistance as we or our agents may reasonably request and to take such steps as may be necessary to immediately correct any deficiencies detected during such an inspection upon our request or the request of our agents.

7.17 You grant to us the right to take such steps as are necessary to manage the Franchised Business for your account on an interim basis if you die or you are legally adjudicated to be incompetent or incapable of running the Franchised Business and to receive a reasonable fee for such services. We will manage the Franchised Business until completion of an approved transfer pursuant to Section 15 below.

7.18 You must not implement any change to the Mighty System (including the use of any products or supplies not already approved by us) without our prior written consent. Without limiting any other provisions in this Agreement, we have the perpetual and exclusive (i) right of ownership and use and (ii) authority to license all ideas, plans, innovation, enhancement, improvements, invention, concepts, formulas, ideas, methods and techniques relating to the development or operation of a Mighty Business or any similar business conceived, suggested or developed by you or your employees during the Term (collectively, "**Innovations**"). We will have all right, title and interest in any Innovations, without compensation to you, and you will (i) have no right, title or interest in any and all Innovations or (ii) right to copyright, register and/or protect any Innovations in your name. You will disclose to us any Innovations. If we, at our sole discretion and expense, elect to file a copyright, domain name registration or similar protection or registration relating to any such Innovations, you will execute such documents and provide us with such information as we may reasonably request in order to perfect such a filing. We will not be obligated to approve or accept any request to implement any Innovation. We may from time to time revoke our approval of any particular change or amendment to the Mighty System. Upon receipt of written notice of such revocation, you must modify your activities in the manner described by us. You will have no right to use any Innovations except as provided in this Agreement; provided, however, if this Agreement is terminated, you may continue, in accordance with the limitations in Section 18 below, to use any Innovations which you have developed, on condition that you do not in any manner hold yourself out as a franchisee under the Mighty System, as a franchisee operating a Mighty Business, or as being in any way connected with us.

7.19 You acknowledge and agree that we may change or modify the Mighty System, including to reflect the changing market and to meet new and changing consumer demands, and that variations and additions to the Mighty System may be required to preserve and enhance the public image of the Mighty System and operations of Mighty Businesses. Our changes to the Mighty System may include the adoption and use of new or modified products, services, new standards and specifications, and (as described in Section 9 below) trademarks, service marks and copyrighted materials. You must, upon reasonable notice, accept, implement, use and display in the operation of

the Franchised Business any such changes in the Mighty System, as if they were part of this Agreement at the time of execution at your sole expense. Additionally, we have the right to vary the standards and specifications throughout the Mighty System, as well as the services and assistance that we may provide to some Mighty System franchisees based upon the peculiarities of a particular territory or circumstance, existing business practices or other factors that we deem to be important to the operation of any Mighty Business or the Mighty System. You will have no recourse against us on account of any variation that we may give to any Mighty System franchisee, and you will not be entitled to require us to provide you with a like or similar variation.

8. COMPUTER SYSTEM

8.1 To ensure the efficient management and operation of the Franchised Business, and the transmission of data to and from us, you, at your expense, must (i) purchase or lease, and thereafter maintain, such computer and communication hardware and point of sale system hardware, handheld computer devices or accessories (e.g. M-PACT), required dedicated telephone, broadband and/or other internet and communication access services and power lines, modems, printers, facsimile and other computer related accessories or peripheral equipment as we specify in the Operations Manual or otherwise in writing and (ii) acquire computer and communication software (e.g. the Mighty Electronic Sales Reporting Software) as we specify in the Operations Manual or otherwise in writing from us or, if any, approved suppliers or vendors (collectively, the "**Computer System**"). You acknowledge that we will have no liability to you in connection with any Computer System problems, including any problems caused by any approved supplier or service provider providing products or services related to the Computer System. Additionally, we have established and may establish Websites (defined below), including a Website providing private and secure communications between us, you, Mighty System franchisees, licensees and other persons and entities as determined by us, in our sole discretion ("**Mighty Intranet**"). You agree to the following:

8.1.1 Your Computer System must have the capacity to electronically exchange information, messages and other data with other computers, by such means (including the Internet and the Mighty Intranet), and using such protocols (e.g. TCP/IP), required in the Operations Manual or otherwise in writing. You must maintain at all times, access to the Mighty Intranet in the manner specified by us in the Operations Manual or otherwise in writing. If required by us, you must execute such agreements or acknowledge such policies as we may prepare for use of the Mighty Intranet, and you agree at all times to comply;

8.1.2 You will provide us with full access to the Computer System and to all data associated with the operation of the Franchised Business. We will have the right from time to time (including on a daily basis) and at any time, to retrieve data and information relating to the operations of the Franchised Business from your Computer System direct access, by internet connection, modem or other requested means, and use it for any reasonable business purpose both during and after the Term. We may specify in the Operations Manual or otherwise in writing the information that you must collect and maintain on the Computer System installed at the Franchised Business, and you must provide to us reports as we may request from the data collected and maintained, which must be in the form and format we designate;

8.1.3 You must keep your Computer System in good maintenance and repair and, at your expense, must promptly install such additions, changes, modifications, substitutions and/or replacements to the Computer System, telephone and power lines and other computer related facilities, as we direct. We will endeavor to give you 18 months' advanced notice of any major required upgrade to the Computer System;

8.1.4 We may develop or authorize others to develop software programs for use in the Mighty System, which you may be required to purchase and/or license and use in connection with the Franchised Business and for which you may be required to execute a license, sublicense or maintenance agreement with us or the approved vendor; and

8.1.5 If required by us, you must (i) contract with any service providers designated by us to provide infrastructure, platforms and/or computing services and resources to be used in connection with or as part of the Computer System (e.g. web hosting services, cloud computing services) as required by us in the Operations Manual or otherwise or (ii), if required by us, obtain such services and resources under any contracts or arrangements we establish to obtain such services and resources for the Mighty System.

9. PROPRIETARY MARKS

"We" represent with respect to the Proprietary Marks that:

9.1 An affiliate of ours ("**TM Owner**") is the registered owner of the Proprietary Marks for the United States. Through a license agreement with TM Owner, we hold an exclusive license to use, and to license others to use, the Proprietary Marks in the manner contemplated by this Agreement. We will take all steps reasonably necessary to preserve and protect the ownership and validity in and to the Proprietary Marks.

9.2 Your right to use the Proprietary Marks is limited to such uses as are authorized under this Agreement, and any unauthorized use of the Proprietary Marks will constitute an infringement of our rights and TM Owner's rights.

9.3 With respect to your use of the Proprietary Marks, you agree to:

9.3.1 Use only the Proprietary Marks designated by us, and to use them only in the manner authorized and permitted by us (including our directions for affixing "SM," "TM," or "®" adjacent to all Proprietary Marks);

9.3.2 Use the Proprietary Marks only for the operation and marketing of the Franchised Business;

9.3.3 Operate and advertise the Franchised Business only under the name "MIGHTY," and use the Proprietary Marks without prefix or suffix, unless otherwise authorized or required by us. You must not use the Proprietary Marks (including the MIGHTY service marks) or any name that is now, or in the future, used in connection with the Mighty System or Mighty Businesses as part of your entity name or other legal name or to identify you or the Franchised Business in other legal or financial capacity (including in connection with the Business Account, bank checks, bank accounts and other financial accounts), or as part of any e-mail address, domain name, URL or other identification of you or the Franchised Business in any electronic medium, unless agreed to in advance, in writing, by us. You may, as necessary to conduct the business of the Franchised Business and to obtain governmental licenses and permits for the Franchised Business, indicate that you will be operating the Franchised Business under the trade name "MIGHTY," provided

that you must also clearly identify yourself as the owner and franchisee of the Franchised Business;

9.3.4 Identify yourself as the owner of the Franchised Business (in the manner required by us) in conjunction with any use of the Proprietary Marks, including on invoices, order forms, receipts and business stationery, as well as at such conspicuous locations on your premises;

9.3.5 Not use the Proprietary Marks to incur any obligation or indebtedness on our behalf;

9.3.6 Execute any documents deemed necessary by us to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability; and

9.3.7 Promptly notify us of any suspected unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to TM Owner's ownership of, our right to use and to license others to use, or your right to use, the Proprietary Marks. You acknowledge that we and TM Owner have the sole right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlement thereof. We and TM Owner have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Proprietary Marks. We will defend you against any third-party claim, suit or demand arising out of your use of the Proprietary Marks. If we, in our sole discretion, determine that you have used the Proprietary Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by us, except you will bear the salary costs of your employees. If we, in our sole discretion, determine that you have not used the Proprietary Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by you. In the event of any litigation relating to your use of the Proprietary Marks, you must execute any and all documents and do such acts as may, in our opinion, be necessary to carry out such defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that such litigation is the result of your use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, we agree to reimburse you for your out-of-pocket costs in doing such acts.

9.4 You expressly understand and acknowledge that:

9.4.1 TM Owner is the owner of all rights, titles and interests in and to the Proprietary Marks and the goodwill associated with and symbolized by them, and that we and TM Owner have the right to use, and license others to use, the Proprietary Marks;

9.4.2 During the Term and after the expiration or termination of this Agreement, you must not directly or indirectly contest the validity of, or TM Owner's ownership of, or right to use and to license others to use, the Proprietary Marks;

9.4.3 Your use of the Proprietary Marks does not give you any ownership interest or other interest in or to the Proprietary Marks;

9.4.4 Any and all goodwill from your use of the Proprietary Marks will inure solely and exclusively to our benefit, and upon expiration or termination of this Agreement, no monetary amount will be assigned as attributable to any goodwill associated with your use of the Mighty System or the Proprietary Marks;

9.4.5 Except as specified in Section 1 above, the license of the Proprietary Marks granted to you is nonexclusive, and we thus have and retain the rights, among others: (a) to use the Proprietary Marks ourselves in connection with selling products and services; (b) to grant other licenses for the Proprietary Marks; and (c) to develop and establish other systems using the

Proprietary Marks, similar proprietary marks or any other proprietary marks, and to grant licenses without providing any rights to you; and

9.4.6 If we decide to change, add or discontinue use of any of the Proprietary Marks, or to introduce additional or substitute proprietary marks for use in identifying the Mighty System, the Mighty Businesses operating under the Mighty System, and/or the Mighty Product Line, you, upon a reasonable period of time after receipt of written notice from us, will take such action, at your sole expense, as is necessary to comply with such changes, alteration, discontinuation, addition or substitution. We will have no liability for any loss of revenue or goodwill due to any new Proprietary Marks or discontinued Proprietary Marks.

13. ADVERTISING AND MARKETING

Recognizing the value of advertising and marketing, and the importance of the standardization of advertising and marketing programs to the furtherance of the goodwill and public image of the Mighty System, you and we agree as follows:

13.1 FRANAD, INC., pursuant to its bylaws, or its successor pursuant to Section 4.2.2 above, will maintain and administer the Fund for Advertising and will direct all such Advertising with sole discretion over the concepts, materials and media used therein. All advertising and marketing contributions paid by you pursuant to Section 4.2.2 above will be part of the Fund. We will have the sole right to enforce the obligations of you and all other franchisees of the Mighty System to contribute to the Fund, and neither you nor any other franchisees of ours will be deemed a third party beneficiary with respect to the Fund or have any right to enforce any obligation to contribute thereto, except when acting through FRANAD, INC. pursuant to its bylaws. We have the right, but no obligation, to use collection agents and institute legal proceedings at the Fund's expense to collect advertising and marketing contributions. We also may forgive, waive, settle and compromise all claims by or against the Fund. Except as expressly provided in this Section 13, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing or administering the Fund. We may at any time defer or reduce contributions of a Mighty Business and, upon 30 days' prior written notice to you, reduce or suspend advertising and marketing contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. You understand and acknowledge that the Fund is intended to maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the Mighty System as a whole and that we will have no obligation to ensure that any particular franchisee benefits directly or pro rata from the Advertising. No part of the Fund will be used to defray any of our general operating expenses other than those reasonably allocable to such Advertising, or other activities reasonably related to the administration or direction of the Fund and the Fund's related programs, and in either such event only to the extent provided in the FRANAD, INC. bylaws unless FRANAD, INC. is no longer administering such Fund. You agree that the Fund may otherwise be used to meet any and all costs incident to such Advertising. In addition, you agree that all or any portion of the Fund may be expended for promotional programs on a national, regional or local basis, provided that such programs are made available to all similarly situated franchisees as determined by FRANAD, INC., or any successor, in its reasonable discretion. Notwithstanding any provision hereof, FRANAD, INC. will not be deemed a third party beneficiary of this Agreement.

13.2 Any Mighty Businesses owned by us or our affiliates will contribute to the Fund on the same basis as franchised Mighty Businesses.

13.3 We will contribute to the Fund an amount equal to that actually contributed by franchised Mighty Businesses; provided, however, we will not be required to contribute to the Fund based on amounts contributed Mighty Businesses owned by us or our affiliates.

13.4 If we or our designees succeed FRANAD, INC. in administering the Fund, we will segregate and separately account for all contributions to the Fund and will, on request, furnish you with annual financial statements of the Fund. We may elect to accumulate monies in the Fund for such periods of time as we deem necessary or appropriate, with no obligation to expend all monies received in any fiscal year during such fiscal year. In the event our expenditures for Advertising in any one fiscal year exceed the total amount contributed to the Fund during such fiscal year, we will

have the right to be reimbursed to the extent of such excess contributions from any amounts subsequently contributed to the Fund or to use such excess as a credit against our future contributions. Contributions to the Fund are not held by us in trust and we do not have any fiduciary obligation to you with respect to contribution to the Fund. Your contributions to the Fund are non refundable and, once received by FRANAD, INC. or us, will be used in accordance with this Agreement;

13.5 We may provide you with local advertising and marketing materials, merchandising materials, sales aids, special promotions and similar advertising at a reasonable price, inclusive of handling costs. You acknowledge and agree that it will be reasonable for us not to provide any such advertising and marketing materials to you during any period in which you are not in full compliance with your obligations to contribute to the Fund or in which we do not require contributions from you.

13.6 You must obtain and maintain any special promotional materials of the kind and size as we may reasonably require for comparable Mighty System franchises.

13.7 All Advertising used by you must be in such media and geographic scope, and of such type and format as we may approve, must be conducted in a dignified manner and must conform to such standards and requirements as we may specify in the Operations Manual or otherwise. You must restrict all direct mail or distribution marketing campaigns to your Franchise Territory. You must submit (through the mail, return receipt requested or through a reputable overnight courier service) to us for our prior approval (except with respect to prices to be charged), samples of all Advertising to be used by you that have not been prepared or previously approved by us or our designated agents. Advertising by e-mail or other electronic media is subject to the provisions of this Section 13.7.

We will also have the right to discontinue operation of the System Website;

13.8.2 We will have the right, but not the obligation, to designate one or more web page(s) to describe you and/or the Franchised Business ("**Webpage**"), with such Webpage(s) to be located within the System Website. You must comply with our policies with respect to the creation, maintenance and content of any Webpage; and we will have the right to refuse to post and/or discontinue posting any content and/or the operation of the Webpage;

13.8.3 You may, upon obtaining our advance written approval, use in connection with the Franchised Business a Website of yours in connection with the Franchised Business (the "**Established Website**"). You, at your expense, must pay all initial site set up fees for the Established Website and related to maintaining the Established Website. In connection with the Established Website, you must comply with the following requirements, and our other applicable requirements in the Operations Manual or otherwise in writing:

i. You may add to the Established Website information regarding the Franchised Business that we wish to incorporate into Established Website; provided, however, that you may only use information, web materials, web pages, and web site content which we have approved in

ii. You must disclose on the Established Website that you are restricted to selling only within the Franchise Territory.

iii. If we require, you must provide on the Established Website a hyperlink to the System Website, or other links required by us. You must not use any of the Proprietary Marks or any of our copyrighted materials or information on the Established Website except in compliance with the Operations Manual. We will be, and at all times remain, the sole owner of our copyrights or trademarks which appear on the Established Website.

iv. You must comply with Section 17.8 below upon termination or expiration of this Agreement.

13.8.4 We will have the right to modify our policies and requirements regarding Websites, the System Website, Webpages, and the Established Websites as we may determine is necessary or appropriate and you must immediately comply with those policies and requirements (which may include ceasing to use any Established Website at such time).

13.9 You acknowledge and agree that any and all copyrights in and to advertising, and promotional materials developed by or on behalf of you which bear the Proprietary Marks, will be our sole property, and you agree to execute such documents (and, if necessary, require your independent contractors to execute such documents) as may be deemed reasonably necessary by us to give effect to this provision. Any advertising, marketing, promotional, public relations, or sales concepts, plans, programs, activities or materials proposed or developed by you for the Franchised Business or the Mighty System and approved by us may be used by us and other Mighty System franchisees without any compensation to you.

13.10 You must comply with the system standards developed by us for the Mighty System, in the manner directed by us in the Operations Manual or otherwise, with regard to our authorization to use, and use of, blogs, common social networks (including "Facebook" and "Instagram"), professional networks (including "LinkedIn"), live blogging tools (including "X"), virtual worlds, file, audio and video sharing sites and other similar social networking media or tools ("**Social Media**") that in any way references the Proprietary Marks or involves the Mighty System or the Franchised Business.

14. INSURANCE

14.1 You must procure, before the commencement of any operations under this Agreement, and must maintain in full force and effect at all times during the Term, at your expense, an insurance policy or policies protecting you and us against any demand or claim with respect to personal injury, death or property damage, or any loss, liability or expense whatsoever arising or occurring upon or in connection with the Franchised Business. We may, at our sole discretion, require life insurance covering (i) you if you are an individual or (ii) holders of greater than a 25% equity or voting interest in you if you are an entity. Such policy or policies will reflect industry standards, must be written by a responsible carrier or carriers acceptable to us, must name us and our affiliates as additional insureds and must provide at least the types and minimum amounts of coverage as are specified in the Operations Manual which may be modified by us.

14.2 Your obligation to obtain and maintain the policy or policies in the amounts specified in the Operations Manual will not be limited in any way by reason of any insurance which may be maintained by us, nor will your performance of that obligation relieve you of liability under the indemnity provisions in Section 21.4 below.

14.3 Before the commencement of any operations under this Agreement, and thereafter on an annual basis, you must deliver to us Certificates of Insurance evidencing the proper types and minimum amounts of coverage are in force. You must also maintain Certificates of Insurance evidencing the required types and minimum amounts of coverage at the Franchised Business and furnish to us a copy. All Certificates of Insurance must expressly provide that no less than 30 days' prior written notice must be given to us in the event of material alteration to or cancellation of any coverage evidenced by such Certificates.

14.4 Our insurance specifications are only minimum requirements and you should consult with an insurance representative to determine if any additional insurance is advisable for your Franchised Business. Should you, for any reason, fail to procure or maintain the insurance required by this Agreement, as such requirements may be revised by us in the Operations Manual or otherwise in writing, we will have the right and authority (but not the obligation) to procure such insurance and to charge same to you, which charges, together with a reasonable fee for our expenses in so acting, will be payable by you immediately upon notice. The foregoing remedies will be in addition to any other remedies we may have.

15. TRANSFER OF INTEREST

15.1 This Agreement will inure to the benefit of our successors and assigns. We will have the right to transfer or assign our interest in this Agreement to any person, persons, association, corporation or legal entity, including to a competitor of ours who agree to assume all of our obligations under this Agreement.

15.2 You understand and acknowledge that the rights and duties created by this Agreement are personal to you and that we have granted the rights under this Agreement in reliance on many factors, including the individual or collective character, skill, aptitude and business and financial capacity of you and your principals. Accordingly, neither you nor any person owning any direct or indirect legal or equitable interest therein, may, without our prior written consent, directly or indirectly sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement or any related agreement, in the Franchise, in your or in the Franchised Business, or any portion or aspect thereof (the foregoing is collectively referred to herein as a "Transfer"). Included within the definition of a Transfer is any issuance of new ownership interests (e.g. shares of stock) in you, if you are a legal entity. Any such purported Transfer occurring by operation of law or otherwise, including any assignment by a trustee in bankruptcy, without our prior written consent will be a material default of this Agreement. In addition, in the event you are a corporation, the stock of such corporation must not be publicly sold or traded on any securities exchange or in the over-the-counter market without the express prior written consent of ours.

15.3 You understand and acknowledge the vital importance of your performance to the market position and overall image of ours. You also recognize the many subjective factors that comprise the process by which we selected you. Our consent to a Transfer by you (including any direct or indirect interest, such as by management contract, lease, proxy for voting of stock or otherwise) will not be unreasonably withheld, but will remain a subjective determination and will include the following conditions:

15.3.1 The proposed transferee is an individual or entity that meets our standards of qualification then applicable with respect to all new applicants for similar Mighty System franchisees, if such transferee will be involved in the management of the Franchised Business;

15.3.2 The proposed Transfer is at a price and/or upon such terms and conditions as we, in our judgment, deem reasonable based on the financial condition of the proposed Transferee;

15.3.3 As of the effective date of the proposed Transfer, all obligations of yours under this Agreement and under any other agreements between us and you are fully satisfied;

15.3.4 As of the effective date of the proposed Transfer, all obligations of the proposed transferee to us under all other agreements, franchise agreements and leases between the proposed transferee and us must be fully satisfied; and

15.3.5 As of the effective date of the proposed Transfer, we will have forwarded to you our approval, granted in our reasonable discretion, of the proposed Transfer to the proposed transferee.

15.4 You must submit to us, before any proposed Transfer, a list of all holders of direct or indirect equity and voting interests reflecting their respective present and/or proposed direct or indirect interests in you, in such form as we may require.

15.5 We may require, as a condition of our approval of any proposed Transfer, satisfaction of the additional requirements in Section 15.6 below in the event:

15.5.1 You are a limited liability company, privately-held corporation or other form of legal entity, and the proposed Transfer, alone or together with all other previous, simultaneous and/or proposed transfers, would have the effect of reducing directly or indirectly to less than 51%, the percentage of equity and voting interest (as reasonably determined by us) owned in you by the initial equity and voting owners identified in Section 2 of Exhibit A of this Agreement; or

15.5.2 You propose to sell substantially all of your assets, substantially all of the assets of the Franchised Business, or to otherwise make an assignment of this Agreement itself.

15.6 The requirements for all such Transfers under Section 15.5 above are as follows:

15.6.1 You must request from us and we will provide to the prospective transferee, our current form of franchise disclosure document required by the Federal Trade Commission's Trade Regulation Rule on Franchising and/or other applicable state franchise registration/disclosure laws, and receipt for same will be delivered to us, provided, however, we will not be liable for any representations other than those contained in such franchise disclosure document;

15.6.2 The proposed transferee must execute our then-current form of franchise agreement, which may contain terms and conditions substantially different from those in this Agreement; provided, however, that in the event of a transfer to an Immediate Family Member of transferor, the transferee may agree in writing to assume the obligations of the transferor under this Agreement for the portion of the Term remaining at the time of Transfer;

15.6.3 There must have been paid to us, together with the application for consent to the Transfer, the transfer fee in Exhibit D to this Agreement, based on the number of registered vehicles in the Franchise Territory at the time you submit the application.

15.6.4 The transferor and us must have executed general releases under seal, of any and all claims against us, its parent, subsidiaries, affiliates and their officers, directors, attorneys, shareholders and employees, in their corporate and individual capacities, including claims arising under federal, state and local laws, rules and ordinances arising out of, or connected with, the performance of this Agreement;

15.6.5 The transferee must demonstrate to our sole satisfaction that transferee (i) meets all of our requirements for becoming a franchisee, including that transferee has the necessary financial resources and meets our managerial and business standards then in effect for similarly situated franchisees; (ii) possesses a good moral character, business reputation and satisfactory credit rating; (iii) is not a competitor of ours; (iv) has the aptitude and ability to operate the Franchised Business (as may be evidenced by prior related business experience or otherwise);

and (v) in our sole judgment is committed to follow our operational guidelines and to achieve sales growth and financial success; and

15.6.6 The transferee and/or its designated managerial personnel (as applicable) must have completed, to our satisfaction, our then-current training requirements.

In notifying you of our decision to consent to or withhold consent for any transfer, we will act diligently and in good faith.

15.7 Upon the death or legal adjudication of mental incompetency of any person with any direct or indirect interest in you, the executor, administrator or personal representative of such person must transfer his interest to a third party approved by us within 6 months after the death or finding of incompetency. Such Transfers will be subject to the same conditions as any Transfer described in Sections 15.5 and 15.6 above. If the heirs or beneficiaries of any such person are unable to meet the conditions in Section 15.6 above, we may terminate this Agreement.

15.8 If you or any individual or entity holding any direct or indirect interest in you, this Agreement, or the Franchised Business desires to sell or transfer for value, either an interest in this Agreement, in you, or in the Franchised Business, to a prospective transferee other than an Immediate Family Member, you must notify us in writing of such intention and offer to sell or transfer such interest to us upon the terms and conditions in such notice, which must be at least as favorable as those offered by a bona fide third party (and such notice must include a written copy of such third party offer), net of any applicable real estate and/or business brokerage commissions, at our option. With respect to a proposed transfer of an ownership interest in you, this provision must only apply if the proposed Transfer, alone or together with all other previous, simultaneous and/or proposed transfers, would have the effect of reducing directly or indirectly to less than 51% the percentage of equity and voting interest (as reasonably determined by us) owned in you by the initial equity and voting owners identified in Section 2 of Exhibit A of this Agreement. If neither party can agree within 30 days of such notice on the terms and conditions of such sale or transfer, or if we notify you that we do not want to acquire such interest, you may sell or transfer such interest to such bona fide third party; provided that such sale or transfer is made within 90 days after the expiration of any offer to us, that such sale or transfer is made on the same terms and conditions as those offered in writing by such third party and provided in the notice to us, that all applicable requirements of this Section 15 are met and, in connection with such sale or transfer, that the Franchised Business must continue to be operated pursuant to the Mighty System. Failure of ours to exercise the option afforded by this Section 15.8 will not constitute a waiver of any other provision of this Agreement, including all requirements of this Section 15, with respect to a proposed transfer. In the event the consideration, terms and/or conditions offered by a third party are such that we may not reasonably be required to furnish the same consideration, terms and/or conditions, then we may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration, terms and/or conditions offered by the third party, an independent appraiser will be designated by us, and his/her determination will be binding.

15.9 Notwithstanding the foregoing, you (if an individual) may incorporate the Franchised Business and may assign and delegate this Agreement and your rights and obligations under this Agreement on one occasion to an entity organized by you for that purpose only, provided that you must own and continuously vote at least 51% of all the issued and outstanding ownership interest of the new entity, and further provided that we will approve all other owners of such entity, which consent will not be unreasonably withheld. You must give us written notice of the assignment and delegation of the Agreement to the new entity, which must agree in writing to assume such rights and obligations, and the terms "you" and "your" as used in this Agreement will then refer to the new entity; provided, however, that such assignment will in no way affect the obligations hereunder of the individual above designated "you" and "your," who will remain fully bound by and responsible for the performance of all of such obligations, jointly and severally with the new entity. You will at no time

engage in any business or activities other than the exercise of the rights granted in this Agreement to you and the performance of your obligations hereunder.

15.10 Our consent to a transfer of any interest in you will not constitute a waiver of any claims we may have against the transferring party, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms of this Agreement by the transferee.

16. DEFAULT AND TERMINATION

16.1 We may not terminate this Agreement before the expiration of its term except for "good cause," which will mean the occurrence of any event of default described below. Upon the occurrence of any event of default, we may, at our option, and without waiving our rights under this Agreement or any other rights available at law or in equity, including our rights to damages, terminate this Agreement and all of your rights hereunder effective immediately upon the date we give written notice of termination, upon such other date as may be in such notice of termination or default, or in those instances enumerated in this Section 16, automatically upon the occurrence of, or the conclusion of the specified period following, an event of default.

16.2 The occurrence of any one or more of the following events will constitute an event of default and grounds for termination of this Agreement by us:

16.2.1 automatically, if, in our reasonable business judgment, you become insolvent (meaning your inability to meet your financial obligations when due or that your liabilities exceed your assets) or make a general assignment for the benefit of creditors, or if a petition in bankruptcy is filed by you, or such a petition is filed against and consented to by you, or if a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you, or if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed;

16.2.2 automatically, if you abandon or cease to operate all or a material part of the Franchised Business conducted under this Agreement for 15 consecutive days unless such closure is approved in writing by us, or excused by force majeure;

16.2.3 if you fail to pay any monies owing to us or our affiliates within 30 days of the date on which you receive demand for payment;

16.2.4 if you under reported your Gross Volume of Business during any month by 7% or more of the actual Gross Volume of Business during such month on 2 or more occasions during the Term, whether or not you subsequently pay the deficiency;

16.2.5 if you or your Designated Manager fail to commence operation of the Franchised Business as required by Section 5 above;

16.2.6 if you make, or have made, any materially false statement or report to us in connection with this Agreement or application therefore;

16.2.7 if there is any violation of any transfer and assignment provision contained in Section 15 above;

16.2.8 if you receive from us 2 or more notices to cure defaults or violations of this Agreement during any 12-month period;

16.2.9 if you fail for the longer of a period of 30 days after notification of noncompliance by a Governmental Authority, or a period of 30 days after resolution of a timely contest to such

notification of noncompliance, to comply with any law or regulation applicable to the operation of the Franchised Business;

16.2.10 if you or your Designated Manager violates any covenant of confidentiality or nondisclosure contained in Sections 11 above or Section 18 below, or otherwise discloses, uses, permits the use of, copies, duplicates, records, transmits or otherwise reproduces any manuals, materials, goods or information created or used by us and designated for confidential use within the Mighty System without our prior approval;

16.2.11 if you, any of your directors, officers or any person owning an interest in this Agreement, in you, or in the Franchised Business is convicted of a felony or any other crime or offense that is reasonably likely, in our opinion, to affect adversely the Mighty System, any Mighty Business, the Proprietary Marks or the goodwill associated therewith;

16.2.12 if you default under any Purchasing and Security Agreement, mortgage, deed of trust or lease with us or any third party covering the Franchised Business, and we or any such third party treat such act or omission as a default, and you fail to cure such default to our satisfaction or such third party within any applicable cure period granted to you by us or such third party;

16.2.13 if you or any Principal Owner(s) of this Agreement default on any other agreement with us, or any affiliate of ours, and such default is not cured in accordance with the terms of such other agreement; or

16.2.14 if you fail to meet the Minimum Performance Standards in Exhibit E to this Agreement during 3 of any 10 years of the Term, and the failure in each year is due to other than fire, earthquake, embargoes, floods, acts of any public authority or sovereign government or unusually severe weather. In the event you fail to meet the Minimum Performance Standards in Exhibit E to this Agreement during 3 of any 10 years of the Term, you will have the option of: (i) reducing the size of the Franchise Territory to a size containing the number of registered vehicles corresponding to your actual annual Gross Volume of Business, with the final configuration of the territory to be released and the territory to be retained subject to our approval, in our sole discretion; or (ii) paying the difference between actual Recurring Fees paid under Section 4.2 above and the fee corresponding to the applicable Minimum Performance Standards. If you fail to elect one such option within 60 days of notification by us of your failure to meet Minimum Performance Standards, we may, in our sole discretion, elect to reduce the size of the Franchise Territory in accordance with (i) in the previous sentence.

16.3 Except as otherwise provided in Section 16.2 above, upon your failure to perform or breach of any covenant, obligation, term, condition, warranty or certification herein, we may terminate this Agreement by giving written notice (in the manner in Section 24 below) stating the nature of the default to you at least 30 days before the effective date of termination; provided, however, that you may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction and promptly providing proof thereof to us within the 30-day period.

16.4 You may terminate this Agreement before the expiration of the Term only by giving us 90 days' prior written notice of such termination or otherwise with our consent. In the event that you claim that we have failed to meet any obligation under this Agreement, you must provide us with written notice of such claim, within 90 days of its occurrence, specifically enumerating all alleged deficiencies and providing us with an opportunity to cure, which will in no event be less than 30 days from the date of receipt of such notice by us from you. Failure to give such notice will constitute a waiver of any such alleged default.

16.5 You acknowledge that upon your failure to remedy any default specified in any written notice issued to you under this Section 16, we also have the right to (i) sell, directly or through others, products (including the Mighty Product Line) to Customers in the Franchise Territory,

(ii) cease providing any operational support or services until you comply to our satisfaction, with the written notice, (iii) suspend access and use of the Operations Manual, System Website, and Mighty Intranet; (iv) cease providing products to you; (v) cease your right to access the National/Regional Major Account Program (including the opportunity to service National/Regional Major Accounts); and (vi) cease having our affiliates and suppliers provide products, services and support to you. If we exercise our right to suspend your rights, we will only do so after your cure period under the written notice of default has expired. You agree that our exercise of these rights will not constitute an actual or constructive termination of this Agreement nor will it constitute our sole and exclusive remedy. If we exercise our right not to terminate this Agreement but to implement such suspension and/or removal, we have the right at any time after the appropriate cure period under the written notice has lapsed, to, upon written notice to you, terminate this Agreement without giving you any additional corrective or cure period. During any period of suspension, all fees due under this Agreement must continue to be payable by you. Additionally, if you are in default under this Agreement, we have the right to withhold or condition our consent or approval if needed until you cure all defaults. Our election of the suspension rights as provided above will not be a waiver by us of any breach of this Agreement or any other term, covenant or condition of this Agreement.

17. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted to you under this Agreement will terminate, and you must comply with the following obligations:

17.1 You must immediately cease to operate the Franchised Business, and you and your Designated Manager must not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of ours in connection with the promotion or operation of any other business.

17.2 You must immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the Mighty System; the Proprietary Mark "MIGHTY" and all other Proprietary Marks and distinctive forms, slogans, signs, symbols and devices associated with the Mighty System. In particular, you must (i) cease to use in advertising, operations, or in any manner whatsoever, any materials, methods, procedures or techniques associated with the Mighty System in which we have a proprietary right, title or interest, including the reproduction and distribution of copies of our copyrighted and other protected materials and use of any proprietary components of the Computer System, and (ii) cease to use the Proprietary Marks and any other marks and indicia of operation associated with the Mighty System and all trade dress, physical characteristics, color combinations and other indications of operation under the Mighty System. You agree that in the event of any termination or expiration of this Agreement, you will remove all signage bearing the Proprietary Marks upon our request.

17.3 You must take such action as may be necessary to cancel any assumed name registration or equivalent registration obtained by you which contains the mark "MIGHTY" or any other Proprietary Marks, and you must furnish us with evidence satisfactory to us of compliance with this obligation within 5 days after termination or expiration of this Agreement.

17.4 You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which, in our sole discretion, is likely to cause confusion, mistake or deception, or which is likely to dilute our rights in and to the Proprietary Marks. You further agree not to utilize any designation of origin, description or representation (including reference to us, the Mighty System or the Proprietary Marks) which suggests or represents a present or former association or connection with us, the Mighty System or the Proprietary Marks.

17.5 You must promptly pay all sums owing to us and our affiliates. Upon termination for any default by you, such sums must include actual and consequential damages, costs and expenses (including reasonable attorneys' fees) incurred by us as a result of the default.

17.6 You must, at your own expense, immediately (i) deliver to us hard and electronic copies (capable of being returned) of the Operations Manual (including the Buying Guide) and all other records, correspondence and instructions containing confidential information and trade secrets relating to the operation of the Franchised Business (and any copies thereof, even if such copies were made in violation of this Agreement), all of which are acknowledged to be our property, (ii) erase such information from your computer system and/or e-mail accounts and (iii) return to us all other materials, equipment and other property owned by us.

17.7 You must provide to us (i) customer data for the Franchised Business, including the name, address, telephone number, product purchase history and pricing information for each customer of the Franchised Business (including all Customers) and (ii), if requested, a complete backup of information on the Computer System (including information on your point-of-sale/inventory management system).

17.8 In the event you maintain an Established Website, you must immediately and permanently remove any and all content related to the Franchised Business, us, the Proprietary Marks, Mighty System and Mighty Product Line. You may not identify yourself on any Website or the Existing Website as a former franchisee or licensee of ours.

17.9 Take such action as may be required by us to transfer and assign to us or our designee all telephone numbers, white and yellow page telephone references, e-mail addresses, web pages, social media accounts and all trade and similar name registrations and business licenses for the Franchised Business, and to cancel any interest which you may have in the same.

17.10 You (and your Principal Owners) must comply with the covenants contained in Section 18 below. You acknowledge that in the event that Section 18 below is breached, our remedy at law would be inadequate and that we will be entitled to immediate injunctive relief.

17.11 We may establish and operate Mighty Businesses in the Franchise Territory.

17.12 Upon termination of this Agreement for any reason, we have the option, in our sole discretion, to purchase from you, at 90% of your actual cost, all or any portion of accessories, equipment, parts and supplies under the Proprietary Marks that you have available for sale or distribution to customers, exclusive of equipment that you have purchased to operate the Franchised Business. You may sell only to Mighty System franchisees in good standing any parts and accessories that we elect not to purchase.

18. COVENANTS

18.1 You covenant that, during the Term, except as otherwise approved in writing by us, you (or, if you are other than an individual, one of your owners) or your Designated Manager must devote full time and best efforts to the management and operation of the Franchised Business. The person who will devote full time and best efforts to the management and operation of the business must be directly responsible for (i) marketing the Franchised Business; (ii) customer service and customer relations; (iii) complying with the operation standards and the Operations Manual; and (iv) management of the staff. You acknowledge and agree that the success of the Franchised Business and the Mighty System are dependent upon the marketing, solicitation and sale of the Mighty Product Line under the Mighty System. To that end, you must use best efforts to: (1) maximize the sale of the Mighty Product Line in the Franchise Territory; (2) promote the Franchised Business; and (3) implement recommendations from us.

18.2 During the Term, you, your Principal Owners, and immediate family members covenant, individually, not to engage directly or indirectly as an owner, operator or in any managerial capacity in any automotive business specializing in the sale and distribution of automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products comparable to any of those being used in the Mighty Product Line, other than as a franchisee of the Mighty System, unless otherwise approved in writing by us in our sole discretion; provided, however, that you will not be prohibited hereby from owning equity securities of any such automotive business, whose shares are traded on a stock exchange or on the over-the-counter market so long as your ownership interest may only represent 2% or less of the total number of outstanding shares of such business. As a condition for entering into this Agreement, and thereafter, we may require your Principal Owners, if you are an entity, to execute nondisclosure and noncompetition agreements.

18.3 In the event this Agreement is terminated before its expiration date, or if you assign or transfer your interest in this Agreement, in you or in the Franchised Business to any person or business organization except as provided in Section 15 above, then in such event you covenant, for 2 years after such termination, transfer or assignment, not to engage as an owner, operator or in any managerial capacity, in any business engaged in the sale and distribution at wholesale of automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products, within the Franchise Territory, other than as an authorized franchisee or employee of another Mighty System franchise. Notwithstanding the foregoing, if you terminate this Agreement under Section 16.4 above, we will, upon written request by you, agree to waive the provisions of this Section 18.3 if you become an Independent Automotive Parts Distributor or a manager for an Independent Automotive Parts Distributor. For purposes of this Agreement, an Independent Automotive Part Distributor means a distributor that operates a wholesale distribution business under its own name and does not join a buying cooperative with more than 3 present or former Mighty System franchisees, use our name, trademark or service mark, buying group, buying cooperate or distribution chain or engage in a full-service relationship with any of the foregoing. A full service relationship is one in which the distributor receives any of the following: distribution support advertising, insurance, a full line of Mighty branded merchandise of ours, buying group, business cooperative or distribution chain, a vehicle fleet program or account field support or such other similar services as ours in good faith reasonably determines to be a full-service relationship.

18.4 In the event of any termination, expiration or nonrenewal of this Agreement, you agree that you will never use our confidential information or trade secrets, in the design, development or operation of any automotive parts business, including any business specializing in the sale and distribution at wholesale of automotive and heavy-duty parts, supplies, chemicals, equipment and related products. You agree that if you engage as an owner, operator or in any managerial capacity in any such business, you will assume the burden of proving that you have not used our confidential information or trade secrets. The protection granted under this Agreement will be in addition to, and not in lieu of, all other protections for such trade secrets and confidential information as may otherwise be afforded in law or in equity.

18.5 During the Term, and for 2 years after any termination before the expiration date of this Agreement, or after the assignment or transfer of any interest in this Agreement, in the rights under this Agreement, in you, or in the Franchised Business by you to any person or business organization, you covenant that you will neither directly or indirectly solicit, induce, divert or take away any customer within the Franchise Territory who you actually served during the Term. If you terminate this Agreement under Section 16.4 above, we will, upon written request by you, agree to waive the provisions of this Section 18.5 if you become an Independent Automotive Parts Distributor or a manager for an Independent Automotive Parts Distributor.

18.6 The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. Should any part of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited or length of time, and should such part be capable of being made enforceable by reduction of any or all thereof, both parties agree that the same will be enforced to the fullest extent

permissible under the law. The running of any period of time specified in this Section 18 will be tolled and suspended for any period of time in which you are found by a court of competent jurisdiction to have been in violation of this restrictive covenant. We may revise any of the covenants in this Section 18 so as to reduce your obligations under this Section 18, unilaterally, at any time, in its sole discretion, and you agree to comply with such covenants as modified. Additionally, the parties intend to be bound by this Section 18 should there be a change in the law which would render any provision in this Section 18 inoperative, then the parties authorize any judge to make any and all changes to ensure that the restraints for scope in terms of area, business activity prohibited or length of time are within the scope of the law.

- 18.7 You expressly agree that the existence of any claims you may have against us, whether or not from this Agreement, will not constitute a defense to the enforcement by us of the covenants in this Section 18; provided, however, any claims you may have against us may be brought in a separate proceeding. You agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by us in connection with the enforcement of this Section 18.

18.8 You acknowledge and agree that (a) you and the other individuals and entities required to comply with this Section 18 have received an advantage through the specialized training provided under this Agreement, the knowledge of the day-to-day operations of a Mighty Business and access to our standards, the Operations Manual, the Mighty System, our confidential information and our trade secrets, (b) are not designed to deprive you of a means of livelihood and will not do so and (c) the covenants and restrictions in this Section 18: (i) are reasonable, appropriate and necessary to protect our standards, the Mighty System, our confidential information, our trade secrets, other franchisees operating under the Mighty System, the goodwill of the Mighty System, relationships with our prospective and existing customers, and our legitimate interests and (ii) do not cause undue hardship on you or any of the other individuals and entities required by this Section 18 to comply with the covenants and restrictions.

19. CORPORATE OR LIMITED LIABILITY COMPANY FRANCHISEE

19.1 If you are an entity, each shareholder or member of you, and the interest of such person in you, must be identified in Exhibit A hereto. You may not be an entity that is any type of partnership. You must immediately furnish us with an update to the information contained in Exhibit A upon any change, provided that nothing in this Section 19.1 will waive or otherwise limit the terms of Section 15 above regarding transfers. Each person or entity owning a 20% or greater interest in you (the "**Principal Owners**") must execute the Guarantee Provision below.

19.2 You must identify in Exhibit A, one of your owners, who is reasonably acceptable to us, to serve as your "**Designated Owner**." The Designated Owner is one of your owners, who you empower with the responsibility and decision-making authority regarding the Franchised Business' operation and your business, and you acknowledge and agree that we will have the right to rely upon the Designated Owner for such purposes. Additionally, you must not remove or replace the Designated Owner identified in Exhibit A without our prior written approval.

19.3 If you are a corporation or limited liability company, you must comply with the following requirements:

19.3.1 Copies of your articles of incorporation, bylaws, articles of organization, operating agreement and/or other governing documents, and any amendments thereto, including the resolution of the Board of Directors or members authorizing entry into this Agreement, must be promptly furnished to us, upon our request;

19.3.2 You must maintain stop-transfer instructions against the transfer on your records of any equity securities; and each stock certificate or issued securities of you must have conspicuously endorsed, upon its face, a statement in a form satisfactory to us that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon

assignments by this Agreement; provided, however, that the requirements of this Section 19.3.2 will not apply to a publicly-held corporation; and

19.3.3 You must submit to us, for prior written approval, any corporate or other legal name that you propose to use.

20. TAXES, PERMITS AND INDEBTEDNESS

20.1 You must promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by you in the operation of the Franchised Business. You must pay us or our affiliates within 10 days after demand: (i) all sales taxes, corporate taxes, trademark license taxes and any like taxes imposed on, required to be collected by or paid by us or our affiliates on account of products or services we or our affiliates furnish to you or arrange to furnish to you, through sale, lease or otherwise, or on account of our or our affiliates' collection of any fee related to this Agreement (including products and services you purchase in connection with the Franchised Business); (ii) all franchise or like taxes, whether based on gross receipts, gross revenues, royalty fees, contributions to the Fund, or otherwise imposed on, required to be collected by or paid by us or our affiliates; and (iii) all other amounts we or our affiliates pay or must pay for you for any reason.

20.2 In the event of any bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event will you permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Franchised Business, or any products, supplies or equipment related to the Franchised Business.

20.3 You must comply with all federal, state and local laws, rules and regulations, and, in a timely fashion, you must obtain any and all permits, certificates or licenses necessary for the full and proper conduct of the Franchised Business, including licenses to do business, fictitious name registrations, sales tax permits and fire clearances.

21. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

21.1 You are an independent contractor. We and you are completely separate entities and are not fiduciaries, partners, joint venturers or agents of the other in any sense and neither will have the power to bind the other. No act or assistance given by either party to the other pursuant to this Agreement will be construed to alter the relationship. You will be solely responsible for compliance with all federal, state and local laws, rules and regulations, and for your policies, practices and decisions relating to the operation of the Franchised Business. No employee of yours will be deemed an employee of ours.

21.2 During the Term, you must hold yourself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement from us. You agree to take such action as may be necessary to do so, including exhibiting a notice of that fact in a conspicuous place at the Franchised Business.

21.3 You expressly agree and acknowledge that we do not make any representations or warranties concerning any products in the Mighty Product Line and that we are not obligated to reimburse you for any defective products that you purchase from us or suppliers beyond the extent to which we obtain reimbursement from the manufacturers of any such defective products, and you agree to hold us harmless from all costs and loss in excess of any amount so reimbursed. We will cooperate with you to enable you to recover under all available manufacturer warranties and product liability insurance.

21.4 Nothing in this Agreement authorizes you to make any contract, agreement, warranty or representation on our behalf or to incur any debt or other obligation in our name; and we will in no event assume liability for, or be liable under this Agreement as a result of, any such action; nor will we be liable for any act or omission of yours in your operation of the Franchised Business or for any claim or judgment arising against you or us. You must indemnify and hold us and our affiliates, and the officers, directors, employees, agents, attorneys and shareholders of ours and our affiliates (the “**Indemnitees**”) harmless against any and all causes of action, claims, proceedings, losses, costs, expenses, liabilities, litigation, damages or other expenses (including settlement costs and attorneys’ fees) arising directly or indirectly from, in connection with the operation of the Franchised Business or your conduct under this Agreement, including those alleged to be caused by the Indemnitees’ negligence, unless (and then only to the extent that) the claims, obligations or damages are determined to be caused solely by the Indemnitees’ gross negligence or willful misconduct according to a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction. You agree that with respect to any threatened or actual litigation, proceeding or dispute which could directly or indirectly affect any of the Indemnitees, the Indemnitees will have the right to: (i) choose counsel; (ii) direct, manage and/or control the handling of the matter; and (iii) settle on behalf of the Indemnitees, and/or you, any claim against the Indemnitees in their sole discretion. All vouchers, canceled checks, receipts, receipted bills or other evidence of payments for any such losses, liabilities, costs, damages, charges or expenses of whatsoever nature incurred by any Indemnitee will be taken as prima facie evidence of your obligation under this Agreement.

22. ACCEPTANCES, APPROVALS AND WAIVERS

22.1 Whenever this Agreement requires our prior authorization, approval or consent, you must make a timely written request to us and our acceptance, approval or consent must be obtained in writing. Failure by us to provide acceptance, approval or consent in writing will constitute a denial of the same.

22.2 We make no warranties or guarantees upon which you may rely, and we assume no liability or obligation to you, by providing any waiver, acceptance, approval, consent or suggestion to you in connection with this Agreement, or by reason of any neglect, delay or denial of any request.

22.3 We will have the right to operate, develop and change the Mighty System in any manner that is not specifically precluded by this Agreement. Whenever we have reserved in this Agreement a right to take or withhold an action, or are deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant you a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, we may make our decision or exercise our rights, on the basis of the information readily available to us, and our judgment of what is in our best interests, Mighty System franchisees generally or the Mighty System, at the time our decision is made, without regard to whether: (i) other reasonable or even arguably preferable alternative decisions could have been made by us; (ii) the decision or action of ours will promote our financial or other individual interest; (iii) our decision or the action we take applies differently to you and one or more other Mighty System franchisees or our company-owned operations; or (iv) our decision or the exercise of our right or discretion is adverse to your interests. In the absence of an applicable statute, we will have no liability to you for any such decision or action. We and you intend that the exercise of our right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, we and you agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants us the right to make decisions, take actions and/or refrain from taking actions not inconsistent with your rights and obligations under this Agreement.

22.4 No failure of ours to exercise any power reserved to us by this Agreement, or to insist upon strict compliance by you with any obligation or condition under this Agreement, and no custom or practice of the parties at variance with the terms of this Agreement, including any practice or action of ours in our dealing with any other party, shall constitute a waiver of our right to demand exact compliance with any of the terms of this Agreement.

23. WARRANTIES OF FRANCHISEE

23.1 We entered into this Agreement in reliance upon the statements and information submitted to us by you in connection with this Agreement. You represent and warrant that all such statements and information submitted by you in connection with this Agreement are true, correct and complete in all material respects. You agree to promptly advise us of any material changes in the information or statements submitted.

23.2 You represent and warrant to us that neither you (including any and all of your employees, officers, directors, shareholders, members, other representatives and other holders of a direct or indirect ownership interest in you or the Franchised Business), nor any of your affiliates or the funding sources for either (a) are a person or entity designated with whom we, or any of our affiliates, are prohibited by law from transacting business, (b) are, have been or will be listed on any Government Lists (as defined below), (c) are, have been or will be determined by competent authority to be subject to the prohibitions contained in Presidential Executive Order No. 133224 (Sept. 23, 2001), or any other similar prohibitions contained in the rules and regulations of OFAC (as defined below) or in any enabling legislation or other Presidential Executive Orders in respect thereof, (d) have been or will be indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any offenses under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the "**USA Patriot Act**"), (e) are, have been or will be under investigation by any Governmental Authority for alleged criminal activity, or (f) have or have had a reputation in the community for criminal or unethical behavior. For purposes of this provision, the following definitions apply:

23.2.1 "**Government Lists**" means any of the following lists: (a) the "Specially Designated Nationals and Blocked Persons List" maintained by OFAC, (b) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC or (c) any similar list maintained by the United States Department of State, the United States Department of Commerce or any other Governmental Authority or pursuant to any Executive Order of the President of the United States of America; and

23.2.2 "**OFAC**" means the Office of Foreign Assets Control, United States Department of the Treasury or any other office, agency or department that succeeds to the duties of OFAC.

The foregoing representation, warranty and certification will continue in full force and effect during the Term.

24. NOTICES

Any and all notices required or permitted under this Agreement will be in writing and will be either personally delivered, mailed by certified mail, return receipt requested or dispatched for overnight delivery by a nationally recognized delivery service, to the respective parties. Notices to you will be addressed to you at your address listed in Exhibit A. Notices to us must be addressed to us at our address listed in the first page of this Agreement, Attention: President. Each party will have the right to designate any other address for notices under this Agreement by giving written notice to the other party in the foregoing manner, and in such event all notices to be mailed after receipt of such notice will be sent to the designated new address. Notices will be deemed to have been received as follows: by personal delivery -- at the time of delivery; by overnight delivery service -- on the next business day following the date on which the Notice was given to the overnight delivery service; and certified mail-3 days after the date of mailing.

25. ENTIRE AGREEMENT

This Agreement and the exhibits and the documents referred to in this Agreement constitute the entire Agreement between us and you concerning the subject matter of this Agreement, and supersede any prior agreements, no other representations having induced you to execute this Agreement. Except

for those permitted to be made unilaterally by us under this Agreement, no amendment, change or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Agreement will disclaim or require you to waive reliance on any representation that we made in the most recent franchise disclosure document (including its exhibits and amendments) ("**FDD**") that we delivered to you or your representative, subject to any agreed-upon changes to the contract terms and conditions described in that FDD and reflected in this Agreement (including any riders or addenda signed at the same time as this Agreement). If an amendment to this Agreement is executed at our request, we will pay any legal fees or costs of preparation of the amendment. If an amendment of this Agreement is executed at your request, any legal fees or costs of preparation in connection therewith will, at our option, be paid by us.

26. SEVERABILITY AND CONSTRUCTION

26.1 If, for any reason, any section, part, term, provision and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions and/or covenants of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties hereto; and the invalid portions, sections, parts, terms, provisions and/or covenants will be deemed not to be a part of this Agreement. Each party agrees to execute and deliver to the other any further documents which may be reasonably required to effectuate fully the provisions of this Section 26.

26.2 Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination) or assignment will survive such expiration, termination or assignment, including Sections 11, 17, 18, 21.4 and 27 of this Agreement.

26.3 Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than you, us, officers, directors, shareholders, agents and employees of ours, and such successors and assigns of ours as may be contemplated by Section 15 above, any rights or remedies under or by reason of this Agreement.

26.4 You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an unappealed final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court or agency order.

26.5 All captions in this Agreement are intended solely for the convenience of the parties, and no caption will be deemed to affect the meaning or construction of any provision of the Agreement. The word "including" will be construed to include the words "but not limited to." The term "you" is applicable to one or more persons, an entity and your owners, as the case may be. Reference to a "controlling" interest in an entity will mean more than 50% of the equity or voting control of such entity.

26.6 This Agreement may be executed in any number of counterparts, each of which when so executed and delivered, will be deemed an original, but such counterparts together will constitute one and the same instrument.

27. APPLICABLE LAW AND DISPUTE RESOLUTION

27.1 You and we both agree that it is in our and your best interest to resolve disputes in an orderly fashion and in a consistent manner and, accordingly we and you agree to the provisions of this Section 27 to accomplish such purpose. The parties will attempt to resolve any claim, controversy or dispute ("**Dispute**") between us and our affiliates, and us and our affiliates' respective shareholders, officers, directors, agents and/or employees, and you (and/or your owners (including the Principal Owners), shareholders, officers, guarantors, affiliates and/or employees) arising out of or related to:

- (1) this Agreement (including any guaranty provision or guaranty agreement) or any other agreement between you and us;
- (2) our relationship with you;
- (3) the scope and validity of this Agreement or any other agreement between you and us or any provision of such agreements (including the validity and scope of the arbitration obligations under this Section 27.1, which the parties acknowledge is to be determined by an arbitrator and not a court); or
- (4) any system standard;

by negotiation. The parties may by mutual agreement submit the matter to mediation. If such Dispute is not resolved within 30 days after one party notifies the other in writing of a Dispute or such additional time as the parties may mutually agree in writing, either party may file a request for arbitration of the Dispute ("**Request for Arbitration**") to the American Arbitration Association ("**AAA**"). The parties agree that except as specifically noted herein, all Disputes not resolved by mediation or negotiation of the parties shall be subject to mandatory arbitration, as described herein. Arbitration must be initiated and conducted before a panel of three neutral arbitrators in metropolitan Atlanta, Georgia in accordance with the rules of arbitration of the AAA; provided, however, in the event of any conflict between this Section 27 and the rules of arbitration of the AAA, the terms of this Section 27 will control. Both parties will each appoint one arbitrator, and the 2 arbitrators so appointed will appoint a third arbitrator to act as chairman of the arbitral panel. If a party fails to nominate an arbitrator within 30 days from the date of the claimant's request for arbitration, such appointment will be made by the AAA. The 2 arbitrators thus appointed must attempt to agree upon the third arbitrator to act as chairman. If the 2 arbitrators fail to nominate the chairman within 30 days from the date of the appointment of the second arbitrator, the chairman must be appointed by the AAA. If for any reason an arbitrator withdraws or is otherwise unable to serve as an arbitrator, a replacement arbitrator must be selected in accordance with the procedure described above. All proceedings will be conducted at a suitable location chosen by the chairman in the Atlanta, Georgia metropolitan area. All matters relating to arbitration will be governed by the federal arbitration act (9 U.S.C. §§ 1 et seq.). Judgment upon the arbitrators' award may be entered in any court of competent jurisdiction and in the absence of fraud or gross impropriety on the part of any of the arbitrators, both parties waive any right to contest, and hereby agree not to contest, the validity or enforceability of such award.

The decision and award of the arbitrators will be conclusive and binding upon all parties and judgment upon the award, including any partial, temporary or interim award may be entered in any court of competent jurisdiction. The arbitrators must base their decision and award on the terms and conditions of this Agreement and the law applicable thereto, and their decision and award must contain findings of fact and conclusions of law. The arbitrators have the right to award, or include in their award, any relief which they deem proper, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief and attorneys' fees and costs, provided that the arbitrators may not declare any Proprietary Mark generic or otherwise invalid or, except as expressly provided in Section 27.4 below, award any punitive or exemplary damages against either party (we and you hereby waiving to the fullest extent permitted by law, except as expressly provided in Section 27.4 below, any right to or claim for any punitive or exemplary damages against the other). The parties agree that the arbitrators may

award interest from the date of any damages incurred for breach or other violation of this Agreement, until paid in full, at a rate to be fixed by the arbitrators, but in no event less than 2% per annum above the prime rate quoted for the corresponding periods, as reported in The Wall Street Journal, New York Edition, as the rate in the Franchise Territory, or the maximum rate permitted by applicable law, whichever is less. The costs and expenses of arbitration will be borne 50% by us and 50% by you. The arbitrators must not extend, modify or suspend any of the terms of this Agreement or the reasonable standards of business performance and operation established by us. We have the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so will not be deemed to have waived or relinquished our right to seek the recovery of those costs in accordance with Section 27.6 below.

We and you agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrators may not consider any settlement discussions or offers that might have been made by either you or us.

We and you agree that arbitration will be conducted on an individual, not a class wide, basis and that an arbitration proceeding between us and our affiliates, and us and our affiliates' respective shareholders, officers, directors, agents and/or employees, and you (and/or your owners (including Principal Owners), shareholders, officers, guarantors, affiliates and/or employees) may not be consolidated with any other arbitration proceeding between us and any other person. Notwithstanding the foregoing or anything to the contrary in this Section 27.1 or Section 26 above, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 27.1, then the parties agree that this arbitration clause will not apply to that dispute and that such dispute will be resolved in a judicial proceeding in accordance with this Section 27 (excluding this Section 27.1).

Notwithstanding our and your agreement to arbitrate, the parties agree that any Dispute arising out of your alleged non-payment of Recurring Fees described in Section 4 above, Product Purchases or any other payments alleged to be owed by you to us or our affiliates shall not be subject to arbitration but shall be resolved through litigation, initiated and maintained only in the State or Superior Courts located in Gwinnett County Georgia or in the United States District Court for the Northern District of Georgia. In addition, the parties agree we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction. This includes our and our designee's right to obtain, without bond, declarations, temporary and permanent injunctions, and orders of specific performance, in order to enforce (i) the provisions of this Agreement relating to your use of the Proprietary Marks and (ii) your obligations upon termination or expiration of this Agreement, or assignment of the ownership interests in you, and to prohibit any act or omission by you or your employees which constitutes a violation of any applicable law or regulation, which is dishonest or misleading to prospective or current customers of businesses operated under the Mighty System, which constitutes a danger to other franchisees, employees, customers or the public or which may impair the goodwill associated with the Proprietary Marks. A notice of, or request for, arbitration will not operate to stay, postpone or rescind the effectiveness of any demand for performance or notice of termination.

The provisions of this Section 27 are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

27.2 ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE AND ALL CLAIMS ARISING FROM THE RELATIONSHIP

BETWEEN US AND YOU WILL BE GOVERNED BY THE LAWS OF THE STATE OF GEORGIA, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES; PROVIDED, HOWEVER, (1) ANY GEORGIA LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION 27 AND (2) THE LAWS OF THE STATE IN WHICH THE FRANCHISED BUSINESS IS LOCATED WILL APPLY TO THE CONSTRUCTION AND ENFORCEMENT OF THE OBLIGATIONS IN SECTIONS 18.2, 18.3 and 18.5 ABOVE, WITHOUT REGARD TO ITS CONFLICTS OF LAWS. THIS AGREEMENT HAS BEEN ACCEPTED BY US IN GEORGIA.

27.3 SUBJECT TO SECTION 27.1 ABOVE AND THE PROVISIONS BELOW, YOU AND YOUR OWNERS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND US MUST BE COMMENCED ONLY IN THE STATE OR SUPERIOR COURT IN GWINNETT COUNTY, GEORGIA OR THE UNITED DISTRICT COURT FOR THE NORTHERN DISTRICT OF GEORGIA, AND YOU (AND EACH OWNER) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU (OR THE OWNER) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AND YOUR OWNERS AGREE THAT WE MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR THE FRANCHISED BUSINESS IS LOCATED.

27.4 EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 21.4 ABOVE, EXCEPT FOR YOUR BREACH OF THE PROVISIONS IN SECTION 11 ABOVE AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN YOU AND US, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU.

27.5 Except for claims arising from your nonpayment or underpayment of amounts you owe us or our affiliates (including taxes owed), any and all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within 18 months from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

27.6 If we incur costs and expenses due to your failure to pay when due amounts owed to us, to submit when due any reports, information or supporting records, or otherwise to comply with this Agreement, you agree, whether or not we initiate a formal legal proceeding, to reimburse us for all of the costs and expenses that we incur, including reasonable accounting, attorneys', arbitrators' and related fees. All attorneys' fees that either party may be entitled to under this Agreement will not be subject to any statutory floor or ceiling or calculated pursuant to any statutory percentage.

ADDENDUM TO
FRANCHISE AGREEMENT WITH
MDSA, LLC
UNDER THE
CALIFORNIA FRANCHISE INVESTMENT LAW

The following provisions will apply to Mighty franchises offered or sold to either a resident of the State of California or a non-resident who will be operating a Mighty franchise in the State of California:

1. If any of the provisions of the Franchise Agreement concerning termination and non-renewal of a franchise are inconsistent with either the California Franchise Relations Act or with the federal bankruptcy law (11 U.S.C. §101, et seq.) (concerning termination of the Agreement on certain bankruptcy-related events), then such laws will apply.

2. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

3. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

4. The Agreement requires binding arbitration. The arbitration will occur in Atlanta, Georgia with the costs being borne 50% by us and 50% by you. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

5. The Agreement requires that it be governed by Georgia law. This requirement may be unenforceable under California law.

6. The provision of Section 27.4 of the Franchise Agreement waiving punitive damages, exemplary damages and jury trial may not be enforceable under California law.

7. Section 28.1 of the Franchise Agreement is amended by deleting the second sentence and third sentence.

8. Section 28.5 of the Franchise Agreement is deleted, as it violates California Corporations Code Section 31512.

9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

10. For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

The following provisions will apply to Mighty franchises offered or sold to either a resident of the State of Illinois or a non-resident who will be operating a Mighty franchise in the State of Illinois:

**ADDENDUM TO
FRANCHISE AGREEMENT WITH
MDSA, LLC
UNDER THE
INDIANA DECEPTIVE FRANCHISE PRACTICES LAW**

The following provisions will apply to Mighty franchises offered or sold to either a resident of the State of Indiana or a non-resident who will be operating a Mighty franchise in the State of Indiana:

1. In accordance with Indiana Code 23-2-2.7-1(10), which restricts or prohibits the imposition of liquidated damages provisions in the Franchise Agreement and also prohibits provisions in the Franchise Agreement which bind the franchisee to pay fees, expenses and costs of litigation, certain provisions of the Franchise Agreement, specifically the injunctive relief provision, are not enforceable under Indiana law.
2. In accordance with Indiana Code 23-2-2.7-1(2), which prohibits us from operating a substantially identical business to your franchise within the your Franchise Territory, Section 1.5 of the Franchise Agreement is amended by striking the last sentence.
3. Indiana Code 23-2-2.7-2(3) provides that it will be unlawful for any Franchisor to deny the surviving spouse, heirs, or estate of a deceased franchisee the opportunity to participate in the ownership of the franchise under a valid franchise agreement for a reasonable time after the death of the franchisee, provided that the surviving spouse, heirs, or estate maintains all standards and obligations of the franchise. If certain provisions of the Franchise Agreement are inconsistent with the terms of the Indiana Code, in Indiana the terms of the Indiana Code will control.
4. Under Section 21.4 of the Franchise Agreement, you will not be required to indemnify us for any liability imposed on us as a result of your reliance on or use of procedures and materials which we required, if such procedures were utilized by you in the manner required by us.
5. Section 27.1 (4) of the Franchise Agreement is amended by striking the second sentence and inserting the following language:

WASHINGTON FRANCHISE AGREEMENT ADDENDUM

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

WASHINGTON ADDENDUM

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

WASHINGTON ADDENDUM

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. Section 14.1 of the Franchise Agreement is amended by deleting the second sentence.
20. Section 15.6.1 of the Franchise Agreement is amended by deleting ", provided, however, we will not be liable for any representations other than those contained in such disclosure document"
21. Section 22.2 of the Franchise Agreement is deleted.
22. Section 22.3 of the Franchise Agreement is amended by deleting "In the absence of an applicable statute, we will have no liability to you for any such decision or action. We and you intend that the exercise of our right or discretion will not be subject to limitation or review"
23. Section 20.1 of the Franchise Agreement is amended as follows:

You must promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by you in the operation of the Franchised Business. You must pay us or our affiliates within 10 days after demand, all sales, use and similar taxes imposed on, required to be collected by or paid by us or our affiliates, on account of products we or our affiliates furnish to you.

GUARANTEE

As an inducement to MDSA, LLC (hereinafter "Us" or "We") to enter into the foregoing Franchise Agreement with _____ ("Franchisee") dated _____ (hereinafter referred to as the Franchise Agreement") the undersigned, jointly and severally, hereby unconditionally guarantee to us and our successors and assigns that all of the Franchisee's obligations under the Franchise Agreement will be punctually paid and performed in a timely manner. The undersigned further guaranty the full payment and performance of all obligations of the Franchisee to us under the franchise relationship with us, whether embodied in the Franchise Agreement or otherwise. Further, the undersigned, individually, jointly and severally, hereby agree to be personally bound by each and every condition and term contained in the Franchise Agreement as though each of the undersigned were the franchisee, including the dispute resolution provisions, restrictive covenants and non-disclosure provisions, and any amendments, extension or other modification to the Franchise Agreement.

Upon demand by us, the undersigned will immediately make each contribution or payment required of you under the Franchise Agreement. The undersigned hereby waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against each other arising as a result of the undersigned's execution of and performance under this guarantee provision, for the express purpose that none of the undersigned will be deemed a "creditor" of any other guarantor under any applicable bankruptcy law with respect to your obligations to us; (ii) all rights to require us to proceed against the Franchisee or any other guarantor for any payment required under this Agreement, proceed against or exhaust any security from the Franchisee or any other guarantor, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this guarantee provision or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against the undersigned; (iii) any benefit of, any right to participate in, any security now or hereafter held by us; and (iv) acceptance and notice of acceptance by us of the undersigned's undertakings under this guarantee provision, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which the undersigned may be entitled. We will have no present or future duty or obligation to the undersigned under this guarantee, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning the Franchisee, any other guarantor or any collateral securing any obligations of the Franchisee to us. Without affecting the obligations of the undersigned under this guarantee provision, we may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of the Franchisee, or settle, adjust, release or compromise any claims against the Franchisee or any other guarantor, make advances for the purpose of performing any obligations of the Franchisee under the Franchise Agreement, assign the Franchise Agreement or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same and agree to be bound by any and all amendments and changes to the Agreement, including any extensions or renewals of the Franchise Agreement, including renewals effected by the execution of a replacement Franchise Agreement, which the undersigned hereby specifically guarantees. The undersigned expressly acknowledge that the obligations under this guarantee provision survive the expiration or termination of the Franchise Agreement.

The undersigned hereby agrees to defend, indemnify and hold us harmless against any and all losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees, reasonable costs of investigation, court costs and arbitration fees and expenses) ("**Claims**") resulting from, consisting of or arising out of or in connection with any failure by the Franchisee, its, owners, officers, directors, agents or employees to perform any obligation under the Franchise Agreement, any amendment thereto or any other agreement executed by Franchisee arising out of the franchise relationship between us and the Franchisee.

Guarantor represents and warrants to us that neither Guarantor (including, without limitation, any and all of its employees, directors, officers and other representatives), nor any of its affiliates or the funding

This guarantee will terminate upon the termination or expiration of the Franchise Agreement (unless, upon expiration of the scheduled term of the Franchise Agreement a new Franchise Agreement is signed for an extended term), except that all obligations and liabilities of the undersigned which arose from events which occurred on or before the effective date of such expiration or termination will remain in full force and effect until satisfied or discharged by the undersigned, and all covenants which by their terms continue in force after the expiration or termination of the Franchise Agreement will remain in force according to their terms. Upon the death of any undersigned, the estate of such individual guarantor will be bound by this guarantee, but only for defaults and obligations under this guarantee existing at the time of death; and the obligations of the other undersigned guarantors will continue in full force and effect.

Unless specifically stated otherwise, the terms used in this guarantee will have the same meaning as in the Franchise Agreement and will be interpreted and construed in accordance with Section 27 of the Franchise Agreement. This guarantee will be interpreted and construed under the laws of the State of Georgia. In the event of any conflict of law, the laws of Georgia will prevail, without regard to, and without giving effect to, the application of the State of Georgia conflict of law rules. Nothing in this guarantee is intended by the parties to subject this guarantee to any franchise or similar law, rule or regulation of the State of Georgia or of any other state to which it would not otherwise be subject.

There will be a Renewal Fee payable by you to us based on the number of registered vehicles in the Franchise Territory as follows:

\$2,500– for Franchise Territories with less than 1 million registered vehicles in the Franchise Territory

\$5,000– for Franchise Territories with 1 million to 2 million registered vehicles in the Franchise Territory

\$7,500– for Franchise Territories with over 2 million registered vehicles in the Franchise Territory

TRANSFER FEE FOR STANDARD TRANSFERS

Except as provided in Section 15.6.3 of this Agreement for Transfers to Immediate Family Members and Mighty System franchisees, the Transfer Fee will consist of two components, with the license fee component based on the number of registered vehicles in the Franchise Territory, as follows:

Training and Setup Fee: \$7,500

License Fee: 50% of the then current Initial Franchise Fee – currently \$0.0175 per registered vehicles in the Franchise Territory (The Transfer fee will be capped at \$37,500 but no less than \$10,000).

TRANSFER FEE FOR TRANSFERS TO IMMEDIATE FAMILY MEMBER

For Transfers to your Immediate Family Members or, if you are an entity, to the Immediate Family Members of the shareholder(s) or members holding at least a majority of the equity and voting interest in you, you must pay a Transfer Fee equal to the greater of (i) 25% of the then-current Initial Franchise Fee license fee component or (ii) \$2,000. If the proposed transferee is an Immediate Family Member, we may waive the standard training/administration fee required for standard Transfers.

TERRITORY EXPANSION FEE AND
TRANSFER FEE FOR TRANSFERS TO MIGHTY SYSTEM FRANCHISEES

The Initial Franchise Fee license fee component (for the licensing of unlicensed territory) or Transfer Fee license component (for the transfer of territory from one franchisee to another) will be discounted on a pro-rata basis determined by the length of time remaining on the term of your Franchise Agreement in relation to the standard 10-year term. In no event will the applicable license component be pro-rated less than 50% of the required fee for territory licensing. If the proposed transferee is a Mighty System franchisee who is in good standing and approved to license additional territory, we may waive the training and setup fee required for standard Transfers; however, a \$2,000 Administrative Fee is payable in full upon execution of an Amendment to the Franchise Agreement to add the additional territory to the Franchise Territory.

MINIMUM PERFORMANCE STANDARDS

Your Gross Volume of Business in the Franchise Territory for each calendar year must equal or exceed the minimum standard for sales performance calculated in the manner set forth below ("**Minimum Performance Standard**"). The Minimum Performance Standard will be applied to you beginning on January 1 of the first full calendar year of operation of the Franchised Business ("**Year 1**") and each January 1 thereafter.

In the event that you own or control Affiliated Entities outside of the Franchise Territory, then sales to those Affiliated Entities are excluded from your Gross Volume of Business for purposes of determining if you met or exceeded the Minimum Performance Standard.

CALCULATION OF SYSTEM STANDARD

On April 1 of each calendar year, we will publish the System Standard for the Mighty franchise system ("**System Standard**"). The System Standard will be calculated using (i) the total Gross Volume of Business reported in the previous calendar year by all Mighty franchisees who were in operation for the entire year ("**System Sales**")* and (ii) the total number of registered vehicles in all Mighty franchise territories which were in operation for the entire year ("**System Vehicles**"). The System Sales will be divided by the System Vehicles to determine the system ("**Market Penetration**"). The Market Penetration will then be multiplied by a percentage adjustment designated by us ("**Percentage Adjustment**"), and this product will become the System Standard for such year. The current Percentage Adjustment is 0.90. Each franchisee's individual Minimum Performance Standard will be determined by multiplying the System Standard by the number of registered vehicles in that franchisee's Franchise Territory. The number of registered vehicles in each Franchise Territory will be adjusted annually as of January 1 of each year using the most current data from Devonshire Marketing Information Management, its successor or a similar substitute publication.

We have the right to unilaterally reduce the Percentage Adjustment for any year so long as such reduction is for your benefit. We may increase the Percentage Adjustment for any year; provided that such increase will not result in a System Standard higher than the System Standard for any of the immediately preceding 3 years.

The System Standard for 2025 was ~~\$0.98~~ \$1.02 per vehicle, calculated as follows:

*System Sales:	\$175,940,703	<u>\$182,350,251</u>
System Vehicles: ÷	161,426,275	<u>161,050,515</u>
Market Penetration:	\$1.09	<u>\$1.13</u>
Percentage Adjustment: x	0.90	**

* System Sales will not include sales reported for any unassigned territories or sales reported by company-owned operations.

** The current Percentage Adjustment established by us is 90%. While this figure might suggest that as many as 45% of our franchisees will not meet the System Standard, this is actually not the case. We instituted a new form of Franchise Agreement in 1991, and existing franchisees who executed the new agreement were given the option of retaining the minimum performance standard contained in their former agreements. As a result, the majority of franchisees are currently under these "grandfathered" minimum performance standards, which are lower than the Minimum Performance Standard required under new forms of the Franchise Agreement. We anticipate that franchisees who are "grandfathered" will gradually leave the system through sales or transfers, or execute new agreements, requiring the System Standard, upon expiration of the 10-year term of the 1991 agreements. This process will achieve a more uniform minimum performance standard throughout the Mighty System.

SYSTEM STANDARD: ~~\$0.98~~ \$1.02

For example, a franchisee with a Franchise Territory containing 500,000 registered vehicles would have a Minimum Performance Standard for 2025 of Gross Business Volume ~~\$490,000~~ \$510,000 (~~\$0.98~~ \$1.02 x 500,000).

Below are the current System Standards for you when acquiring territories which have (i) no franchised business in operation at the time of acquisition ("**Undeveloped Territories**") and (ii) a franchised business in operation at the time of acquisition that does not meet the System Standard at the time of execution of the Franchise Agreement ("**Under-Developed Territories**").

SYSTEM STANDARDS WHEN ACQUIRING UNDEVELOPED TERRITORIES OR UNDER-DEVELOPED TERRITORIES

Franchisees that acquire Undeveloped Territories or Under-Developed Territories at the time such Franchise Agreements are executed will be granted the following phase-in period in which to achieve the Minimum Performance Standard:

- | | |
|------------------------|---|
| Year 1: | You must meet or exceed 25% of the Minimum Performance Standard for such year |
| Year 2: | You must meet or exceed 50% of the Minimum Performance Standard for such year |
| Year 3: | You must meet or exceed 75% of the Minimum Performance Standard for such year |
| Year 4 and thereafter: | You must meet or exceed 100% of the Minimum Performance Standard for such years |

7. Our Rights and Remedies. Upon the occurrence of an event of default, we will have, and may exercise, all of our rights and remedies of enforcement under the Uniform Commercial Code in force in the State where the Collateral is located on the date of the execution of this Agreement ("**Commercial Code**"), and any other applicable law, and, in conjunction with, in addition to and not in substitution for, those rights, at our discretion, we may:

(a) require you to pay and deliver to us, immediately upon collection and receipt by you, all proceeds arising from accounts receivable or notes receivable, which we will apply against your obligations, liabilities and indebtedness to us in the order, amounts and manner which we may determine in our sole discretion; and/or

No waiver of any provision of this Agreement will be valid unless in writing and signed by the person against whom such waiver is sought. A failure of either party to insist upon strict performance of any one or more of the covenants or conditions of this Agreement, in one or more instances, will not be construed as a waiver or relinquishment for the future of the right to insist upon a strict performance of such covenant or condition.

12. Term of Agreement. This Agreement, unless previously terminated, will be and remain in full force and effect until all Obligations have been satisfied, regardless of the termination or expiration of the Franchise Agreement.

13. Severability of Provisions. Should any part(s) of this Agreement for any reason be declared invalid, such decision will not affect the validity of any remaining parts, which remaining parts will remain in full force and effect as if this Agreement had been executed with the invalid part(s) thereof eliminated, and it is hereby declared the intention of the parties hereto that they would have executed the remaining parts of this Agreement without including therein any such part or parts which may, for any reason, hereafter be declared invalid.

14. Compliance with Applicable Law. To the extent that provisions of this Agreement provide for terms of payment other than in accordance with applicable law, such provisions will not be effective to the extent the provisions are not in accordance with applicable law, and both parties will comply with applicable law in connection with such matters.

15. Conflict with Franchise Agreement. In the event that any of the terms, covenants or conditions of this Agreement conflict with any of the terms, covenants or conditions of the Franchise Agreement, the terms of this Agreement will control.

CREDIT POLICY*

I. Benefiting from Our Credit Policy

A. Purchase Line of Credit

1. Each Mighty System franchisee will have a designated maximum line of credit against which it can purchase product from the approved suppliers as listed in the Mighty Buying Guide. This line is calculated by taking into consideration factors which include, but are not limited to: the financial capabilities of you, payment history, sales potential, value/existence of collateral/security and whether you are in good standing under the Franchise Agreement. The assigned credit limit will be reviewed on a semi-annual basis, and a change in any of the above factors will be considered for potential adjustment to the amount of credit available. We have the right to withhold credit in our sole discretion in any particular circumstance.

a. There will be certain line of credit overrides that can be activated, with prior approval of our Credit Department, to accommodate extenuating circumstances (i.e., peak selling seasons, awarded government contracts, fleet accounts, etc.).

B. Billing Cycle

1. The monthly billing will include all charges incurred from the 26th of one month through the 25th of the following month.

2. The exceptions at this time will be the billings incurred from the 16th of one month through the 15th of the following month from certain suppliers.

C. Prompt Pay Discounts

1. To be eligible for a Prompt Pay Discount on invoices for automotive and heavy-duty parts, supplies, chemicals, lubricants, equipment and related products, the payment for the full amount due less the discount must be "postmarked" no later than the 10th day of the month in which the invoice is due. The term "**postmarked**" will mean the postmark of the U.S. Postal Service, the date received for delivery by an overnight delivery service such as Federal Express, the date a bank wire transfers funds from you to an account of ours, or otherwise the date that control of the funds is released by you. If the 10th day of the month falls on a Saturday, Sunday or holiday observed by the U.S. Postal Service, the next business day will be considered timely.

NOTE: OVERNIGHT MAIL DELIVERIES MUST BE SENT TO CORPORATE OFFICE ONLY:
Mighty Distributing System of America
650 Engineering Drive
Peachtree Corners, GA 30092

D. Monthly Payments

1. The monthly due date for the Statement of Account will be the 25th of each month. If the 25th of the month falls on a Saturday, Sunday or holiday observed by the U.S. Postal Service, the prior business day will be considered timely.

* We have the right in our sole discretion to amend or revoke our Credit Policy in part or in full during the Term.

E. Past Due Payments

1. We will assess a service charge for all invoices that are past due equal to 1.5% of such past due amount per month for each month, or part thereof, during which said amount remains unpaid, calculated on the amount owed from the date upon which it became due and payable until paid. Payments will be past due unless they are:

- a. received by us by the 25th of the month; or
- b. if the 25th of the month falls on a Saturday, Sunday or holiday observed by the U.S. Postal Service, the prior business day will be considered timely.

2. Accounts unpaid as of the last day of the month are subject to be placed on a "Cash" basis, or placed on "Hold All Orders" restriction, with or without notice, until the past due amount has been paid or prior approval obtained from our Credit Department.

3. Accounts remaining past due 30 days or more will be considered in default and subject to foreclosure (see Franchise Agreement, Section 16.2.3).

NOTE: OVERNIGHT MAIL DELIVERIES MUST BE SENT TO CORPORATE OFFICE ONLY:
Mighty Distributing System of America
650 Engineering Drive

F. Returned Check Fee

1. A returned check fee of \$50.00 will be assessed on all returned checks. Prompt pay discounts will not be allowed for any payment that is returned by the bank unless the payment is made good by the 10th of the month in which remittance was made.

2. The past due service charge will be assessed on all payments for which returned checks are not cleared by the 25th of the month in which remittance was made.

G. Due Date Changes

1. If an invoice due date on a Statement of Account is incorrect, the procedure outlined below must be followed to prevent service charges from accruing:

Both classes shall be collectively referred to herein as "Members." These respective classes shall have the rights and qualifications specified below.

3.2 Franchisee Membership. All Licensees shall be eligible to become Franchisee Members of the Corporation. 4.4 Notice of Meeting. For meetings of the type specified in Section 4.1(i), a written notice stating the place, day, and hour of an annual or special meeting and, in the case of a special meeting, the purpose or purposes for which such special meeting is called, shall be given not less than ten (10) days nor more than fifty (50) days before the date of such meeting, either by hand or by first-class mail, by or at the direction of the President, the Secretary or the other person or persons calling the meeting, to each Franchisee Member entitled to vote at such meeting. If mailed, such notice (which may include a proxy providing for voting by Franchisee Members by proxy) shall be deemed to be delivered when deposited in the United States mail with first-class postage thereon prepaid, addressed to the Franchisee Member at such Franchisee member's address as it appears on the records of the Corporation. In the event the Corporation elects directors and/or Council Members by mailed ballot as provided in Section 4.1(ii), such ballot shall be mailed (by the procedures set forth in the preceding sentence) to the Franchisee Member entitled to vote not less than ten (10) nor more than fifty (50) days before the date the ballots are to be counted, which date shall be specified in the ballot. Ballots received by the close of business on such date shall be eligible to be counted; ballots received thereafter shall not be eligible to be counted.

4.5 Waiver of Notice. Notice of an Annual or Special Meeting of the type described in Section 4.1(i) need not be given to any Franchisee Member who signs a waiver of notice, in person or by proxy, either before or after the Meeting; and a Franchisee Member's waiver shall be deemed the equivalent of giving and receiving notice. Attendance of a Franchisee Member at a Meeting shall of itself constitute a waiver of any notice which may have been required and waiver of any and all objections to the place of the Meeting, the time of the Meeting, or the manner in which it has been called or convened, except when a Franchisee Member attends a Meeting solely for the purpose of stating, at the beginning of the Meeting, any such objection or objections to the transaction of business. Unless otherwise specified herein, neither the business transacted nor the purpose of the Meeting need be specified in the waiver.

4.6 Quorum. Unless otherwise provided in these Bylaws or the Articles of Incorporation of the Corporation, a majority of the Franchisee Members entitled to vote, represented in person or by proxy or by mailed ballot, shall constitute a quorum at any Meeting of Members. If a quorum is present, the affirmative vote of a majority of the Franchisee Members represented at the Meeting and entitled to vote on the subject matter shall be the act of the Franchisee Members. When a quorum is once present to organize a Meeting, the Franchisee Members present may continue to do business at the Meeting or any adjournment thereof notwithstanding the withdrawal of enough Franchisee Members to leave less than a quorum.

4.7 Adjournment. Any Annual or Special Meeting of the type described in Section 4.1(i) of the Franchisee Members may be adjourned by a majority vote of the Franchisee Members represented in person or by proxy at such Meeting, whether or not a quorum is present. Notice of the adjourned Meeting or of the business to be transacted at such Meeting shall not be necessary, provided the time and place to which the meeting is adjourned are announced at such Meeting at which the adjournment is taken. At an adjourned Meeting at which a quorum is present or represented, any business may be transacted which could have been transacted at the Meeting originally called.

4.8 Voting Rights. Except as otherwise provided in these Bylaws, each Franchisee Member shall be entitled to one vote for each motion brought to a Franchisee Members' vote at each Meeting.

4.9 Proxies. A Franchisee Member entitled to vote may vote in person or by proxy executed in writing by the Franchisee Member or by his attorney-in-fact. A Franchisee Member's proxy shall not be valid after eleven months from the date of its execution unless a longer period is expressly stated in such proxy. The President of MOA, or his designee, shall serve indefinitely as the proxy for the Corporate Member.

4.10 Action by Consent of Franchisee Members. Unless otherwise indicated, any action required or permitted to be taken at a Meeting may be taken without a Meeting if written consent setting forth the action so taken shall be signed by all the Franchisee Members entitled to vote with respect to the subject matter thereof and such consent shall be filed with the Secretary of the Corporation. Such consent shall have the same force and effect as a unanimous vote of the Franchisee Members.

ARTICLE 5 DIRECTORS

5.1 Number and Qualification. The business and affairs of the Corporation shall be managed by a Board of Directors which shall consist of seven (7) directors, three (3) of which shall be Franchisee Directors (as defined in Section 5.2 below) and four (4) of which shall be Corporate Directors (as defined in Section 5.3 below). All directors shall be natural persons of the age of eighteen (18) years or over, but need not be residents of the State of Georgia.

Franchisee Members shall have the right to replace and remove three (3) directors from the Board of Directors of the Corporation and they may do so at any time, with or without cause, by the vote of an absolute majority of all Franchisee Members entitled to vote thereon, which vote shall be taken at a Meeting with respect to which notice of such purpose has been given. Such directors shall be called the "Franchisee Directors." The Franchisee Directors shall be appointed or elected, as applicable, in two classes, each of which shall have the right to appoint or elect either one or two Franchisee Directors, as specification in Section 5.6.

The first class of one (1) or two (2), as specified in Section 5.6, Franchisee Director(s) shall be appointed by the members of the Board of Directors of Mighty Franchisees Association, Inc. (the "Association"), a corporation organized and existing under the laws of the State of Georgia. These one or two Franchisee Director(s), who shall be called the "Appointed Franchisee Director(s)," shall at the time of their appointment and at the time of their reappointment for a subsequent term (if applicable) be members of the Board of Directors of the Association (the "Association Directors").

The other class of one (1) or two (2) Franchisee Directors, as specified in Section 5.6, who shall be called the "Elected Franchisee Director(s)," shall be elected by all of the Franchisee Members, provided that no person may simultaneously hold the positions of Association Director and Elected Franchisee Director. The Elected Franchisee Director(s) shall be elected in the following manner. Before the first Annual Meeting after the adoption of these Bylaws, and for each annual Meeting in alternate years thereafter, nominations for the Elected Franchisee Director shall take place. The nominees submitted for the Elected Franchisee Director position(s) shall be listed on the notice of the Annual Meeting (or accompanying proxy) or on the ballot, as applicable. At the Annual Meeting or on the mailed ballot, each Franchisee Member shall have one vote, which shall be cast for one or two, as specified in Section 5.6, of the Elected Franchisee Director nominees. The Elected Franchisee Director nominee(s) receiving the one or two, as applicable, highest number of votes shall be elected to the position(s) of Elected Franchisee Director.

Each of the Franchisee Directors shall hold office for the term of two years (provided, however, that the first term of one of the Appointed Franchisee Directors, who shall be designated by the Association Directors, shall be one (1) year) until his successor has been elected and qualified, or until such Franchisee Director's earlier resignation, removal from office, death or incapacity to serve. The first term of the Franchisee Directors shall commence on the date of the first Annual Meeting held after these Bylaws are adopted.

Corporate Directors may only be appointed, removed and replaced by the Corporate Member. Removals of Corporate Directors may be made at any time by sending the Corporate Director(s) to be removed a notice of removal, the receipt of which is not required in order to make such removal effective.

5.4 Vacancies. Vacancies occurring in the Franchisee Director positions may be filled for the unexpired term -- or until the Franchisee Members have elected a successor if the vacancy is for the Elected Franchisee Director position, or until the Association Directors have appointed a successor if the vacancy is for an Appointed Franchisee Director position -- by the remaining Franchisee Directors. A vacancy occurring in the Corporate Director positions shall be filled by appointment of the Corporate Member.

5.5 Compensation. Directors shall not receive a salary for their services as directors.

5.6 Apportionment of Franchisee Directors. The number of Franchisee Directors appointed or elected, as applicable, as between the two classes (Appointed Franchisee Directors and Elected Franchisee Directors) shall be determined based on the ration of the total number of Franchisee Members to the number of Franchisee Members who are also members of the Association (the "Ratio"). If, on June 1 of each year, the Ratio is less than or equal to 2:1, then the Association Directors shall have the right to appoint two (2) Appointed Franchisee Directors and all of the Franchisee members shall have the right to elect only one (1) Elected Franchisee Director under the procedure described in Section 5.2 at the next Annual Meeting or upon the next date that ballots are to be counted, as applicable, provided, however, that if such Annual Meeting or date that ballots are to be counted is earlier than the next following September 1, the apportionment provided in this Section 5.6 shall be delayed until the next following Annual Meeting or date that ballots are to be counted. If the Ratio is greater than 2:1 on June 1, then the Association Directors will have the right to appoint only one (1) Appointed Franchisee Director and all of the Franchisee Members shall have the right to elect two (2) Elected Franchisee Directors at the next Annual Meeting under the procedure described in Section 5.2.

INDEMNIFICATION OF OFFICERS AND DIRECTORS, INSURANCE

16.1 Actions By or In Right of Corporation. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he was a director, Council Member, Audit Committee Member, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, Council Member, Audit Committee member, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation. However, no indemnification shall be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

16.2 Successful Defense. To the extent that a person indemnified under this Bylaw has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 16.1 and 16.2 of this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

16.3 Determination as to Indemnification. Any indemnification under Sections 16.1 and 16.2 of this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, Council Member, Audit Committee Member, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Sections 16.1 and 16.2. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion.

16.4 Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding as authorized in the specific case upon receipt of an undertaking by or on behalf of the director, Council Member,

Audit Committee Member, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Corporation as authorized in this Article.

16.5 Other Rights. The indemnification provided by this Article shall not be deemed exclusive of any other rights, in respect of indemnification or otherwise, to which those seeking indemnification may be entitled under any Bylaw or resolution approved by the affirmative vote of the required majority of the Board of Directors taken at a meeting the notice of which specified that such Bylaw or resolution would be placed before the Board of Directors, both as to action by a director, Council Member, audit Committee Member, officer, employee or agent in his official capacity and as to action in another capacity while holding such office or position, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

16.6 Insurance. The Corporation and its officers shall have power to purchase and maintain insurance on behalf of any person who is or was director, Council Member, Audit Committee Member, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, Council Member, Audit Committee Member, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article.

16.7 Survival of Indemnification. For purposes of this Article, references to "the Corporation" shall include, in addition to the surviving or new corporation, any merging or consolidating corporation (including any merging or consolidating corporation of a merging or consolidating corporation) absorbed in a merger or consolidation so that any person who is or was a director, Council Member, audit Committee Member, officer, employee or agent of such merging or consolidating corporation, or is or was serving at the request of such merging or consolidating corporation as a director, Council Member, Audit Committee Member, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article with respect to the resulting or surviving corporation as he would if he had served the resulting or surviving corporation in the same capacity; provided that no indemnification under Sections 16.1 and 16.2 of this Article permitted by this Section shall be mandatory under this Section or any bylaw of the surviving or new corporation without the approval of such indemnification by the board of directors of the surviving or new corporation, in the manner provided in paragraph (i) of Section 16.3 of this Article.

Adopted by the Board of Directors effective February 8, 1988.

* As amended by Resolutions of the Board of Directors effective 3/1/96.

Independent Auditor's Report

To the Member and Management Committee of
MDSA, LLC

Opinion

We have audited the accompanying financial statements of MDSA, LLC (a wholly owned subsidiary of Gonher North America, Inc.), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, changes in member's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MDSA, LLC as of December 31, 2025 and 2024, and the results of its operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MDSA, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MDSA, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MDSA, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2025 and 2024

Note 1: Description of Business and Summary of Significant Accounting Policies

Description of Business

MDSA, LLC (the Company), a wholly owned subsidiary of Gonher North America, Inc. (Gonher), is a franchisor whose franchisees sell replacement automotive parts, lubricants, supplies and equipment. The franchisees function as wholesale suppliers to professional automotive service providers and operate throughout the United States and in select international markets. As of December 31, 2025, the Company's divisions are Mighty Product Center (MPC) and Mighty Auto Parts of Atlanta (MAPA). MPC repackages and distributes certain automotive parts to the Company's franchisees, other divisions and professional automotive installers in the Middle East, Canada, Mexico, and Central America. MAPA is operating as a Company-owned franchise. In May 2024, the Company sold its company-owned franchise in Tulare, California. The operations of the Company-owned franchise is not material to these financial statements taken as a whole. The Company had 93 and 95 franchisees as of December 31, 2025 and 2024, respectively.

Basis of Presentation

On December 23, 2009, Gonher purchased the Company for consideration of approximately \$5,800,000. The effects of push-down accounting of Gonher have not been reflected in the financial statements of the Company. Push-down accounting is not required for standalone subsidiary financial statements of privately owned companies. The financial statements reflect the accounts of the Company at their historical basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid investments that are readily convertible into cash and have a maturity of ninety days or less when purchased. At times, cash and cash equivalent balances may exceed federally insured amounts. The Company believes it mitigates any risks by depositing cash and investing in cash equivalents with major financial institutions.

Accounts Receivable

The Company extends credit to its franchisees and customers on a secured and unsecured basis. Accounts receivable are stated at the amount billed to the customer plus any accrued and unpaid interest. In general, customer account balances with invoices over 30 days old are considered delinquent, carry interest at 1.50% per month, and the franchisees may be subject to franchise termination. An allowance for credit losses is provided equal to the estimated losses that will be incurred in the collection of all receivables based on a review of the current status of the receivables, historical collection experience and management's evaluation of the effect of existing economic conditions.

Inventories

Inventories consist of replacement automotive parts, supplies and equipment held for sale to franchisees and customers and are valued at the lower of cost or net realizable value, with cost determined using the average cost method.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Expenditures for maintenance and repairs are charged against operations when incurred. Projects in process are initially capitalized, and depreciation commences as the associated assets are placed into service. Depreciation is primarily provided using the straight-line method over the estimated useful lives of the assets (generally two to ten years for furniture, fixtures and equipment). Leasehold improvements are amortized using the straight-line method over the lesser of the remaining lease terms or the estimated useful lives of the improvements.

Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. In the opinion of management, no assets were impaired as of December 31, 2025 or 2024.

Goodwill

Goodwill is evaluated for impairment on at least an annual basis, or more frequently if certain events arise that indicate impairment in its carrying amount. Such conditions may include an economic downturn or a change in the assessment of future operations. Such impairment evaluations for goodwill include comparing the fair value of the appropriate reporting unit with its carrying value. Based on management's qualitative assessment of goodwill, the Company does not believe goodwill is impaired as of December 31, 2025 and 2024.

Member's Equity

The terms of formation of the Company were specified by an operating agreement which provides for the issuance of 1,155,000 shares. Gonher owns all 1,155,000 shares at December 31, 2025 and 2024. The operating agreement provides for an annual tax distribution to its member in an amount sufficient to cover the member's estimated tax liabilities related to the Company's taxable income. The liability of the member is generally limited to the initial capital contribution. The Company will continue indefinitely unless dissolved by the unanimous approval of a management committee comprised of three representatives.

Revenue Recognition

In accordance with FASB ASC Topic 606, *Revenue from Contracts with Customers*, revenue is recognized when the customer obtains control of promised goods or services in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. To achieve this core principle, the Company applies the following five steps:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to performance obligations in the contract
- Recognize revenue as performance obligations are satisfied

The Company generates revenue through the sale of merchandise to franchisees and third-party customers as well as royalties from franchisees.

Net merchandise sales are recognized when the customer obtains control of the product, which occurs at a point in time, usually upon shipment. The Company considers order confirmations or purchase orders to be contracts with a customer. Product sale contracts are generally short-term contracts where the time between order confirmation and satisfaction of all performance obligations is less than one year. Pricing is generally fixed and payment terms typically range from 30 to 60 days after invoicing. Taxes collected from customers relating to product sales are remitted to governmental authorities and are excluded from revenues.

Franchise royalties are paid to the Company under contracts with franchisees. The franchise agreements typically have a 10-year term and require the payment of monthly royalties based on 5% of the gross sales of the franchisee. Franchise royalties are recognized when the related sales are earned by the franchisees.

During the normal course of business, prospective franchisees will remit initial franchise fees to the Company concurrent with the execution of a new franchise agreement. The performance obligation related to these arrangements is collectively deferred and recognized as revenue on a straight-line basis over the term of the underlying agreement as a component of initial franchise fees within the accompanying statements of operations. Deferred franchise fees that are expected to be recognized as revenue within the next 12 months are classified as a component of current portion of deferred revenue within the accompanying balance sheets and deferred franchise fees that are not expected to be recognized as revenue within the next 12 months are classified as deferred revenue, net of current portion within the accompanying balance sheets.

Product Return Reserve

The Company records an estimate of product returns based on assumptions related to historical product returns. An analysis of the product return liability is performed on an annual basis to ensure the reserve's adequacy. Adjustments are made as deemed appropriate based on the results of the analysis performed. As of December 31, 2025 and 2024, approximately \$104,000 was reserved for future product returns and included as a component of accrued liabilities in the accompanying balance sheets.

Shipping and Handling

Costs incurred for shipping and handling are included in selling, general and administrative expenses in the accompanying statements of operations. In 2025 and 2024, these costs totaled approximately \$4,000,000 and \$3,966,000, respectively.

Lessee Arrangements

The Company leases certain office and warehouse space under various operating leases. The Company determines if an arrangement is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. Leases with an initial term of twelve months or less are not recorded on the balance sheet unless the lease includes an option to renew or purchase the underlying asset that is reasonably certain to be exercised.

At the lease commencement date, the Company recognizes a lease liability and a right-of-use (ROU) asset representing its right to use the underlying asset over the lease term. The initial measurement of the lease liability is calculated on the basis of the present value of the remaining lease payments and the ROU asset is measured on the basis of this liability, adjusted by prepaid and accrued rent, lease incentives, and initial direct costs. The subsequent measurement of a lease is recognized on a straight-line basis over the lease term, with the cost presented as a component of general and administrative expense in the accompanying statements of operations.

The Company has elected several practical expedients in the application of lease accounting. The Company has elected to use the risk-free rate at the corresponding lease commencement date to discount lease payments to present value. Rental escalations, renewal options and termination options, when applicable, have been factored into the Company’s determination of lease payments when appropriate. Management expects that, in the normal course of business, leases will be renewed or replaced by other leases. The Company has also elected to not separate lease and non-lease components of contracts.

Advertising Costs

The Company expenses all advertising costs as incurred. Advertising costs totaled approximately \$885,000 in 2025 and \$836,000 in 2024 and are included in selling, general and administrative expenses in the accompanying statements of operations.

Income Taxes

As a single member limited liability company, the Company is considered a disregarded entity for income tax purposes. Accordingly, the Company’s taxable income or loss is allocated to its member. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

The Company applies the provisions of accounting standards for income taxes. These standards require that a tax position be recognized or derecognized based on a ‘more-likely-than-not’ threshold. This applies to positions taken or expected to be taken in a tax return. The Company does not believe its financial statements include any material uncertain tax positions. There have been no penalties or interest incurred by the Company during 2025 or 2024. The Company is no longer subject to federal and state income tax examinations by tax authorities for years prior to 2022.

Reclassifications

Certain prior year amounts have been reclassified to conform with current year presentation. These reclassifications had no material effect on previously reported results of operations or member’s equity.

Note 2: Property and Equipment

Property and equipment consist of the following at December 31:

	2025	2024
Furniture, fixtures, and equipment	\$ 5,523,253	\$ 5,366,099
Leasehold improvements	1,873,806	1,693,599
Projects in process	<u>430,243</u>	<u>170,789</u>
	7,827,302	7,230,487

	<u>\$ 1,927,573</u>	<u>\$ 1,683,175</u>

Depreciation and amortization expense totaled \$454,036 in 2025 and \$482,019 in 2024 and is included in selling, general and administrative expenses in the accompanying statements of operations.

Note 3: Line of Credit

The Company has a revolving Line of Credit (LOC) with a financial institution which provides for borrowings of up to \$8,000,000 and originally matured in July 2021. The LOC was amended in July 2021, July 2023, and again in May 2025 with similar terms. The LOC, as amended, expires in May 2027, and provides for borrowings up to \$8,000,000 and accrues interest at a variable rate equal to the greater of (i) the Secured Overnight Financing Rate or (ii) the Index Floor, as defined, plus 2.00% (5.81% at December 31, 2025). The Company is required to make monthly interest payments under the terms of the LOC. The terms of the LOC do not require the Company to make scheduled principal payments although principal prepayments are allowable. All unpaid principal is due upon maturity. Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MDSA, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MDSA, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2024 and 2023

Note 1: Description of Business and Summary of Significant Accounting Policies

Description of Business

MDSA, LLC (the Company), a wholly owned subsidiary of Gonher North America, Inc. (Gonher), is a franchisor whose franchisees sell replacement automotive parts, lubricants, supplies and equipment. The franchisees function as wholesale suppliers to professional automotive service providers and operate throughout the United States and in select international markets. As of December 31, 2024, the Company's divisions are Mighty Product Center (MPC) and Mighty Auto Parts of Atlanta (MAPA). MPC repackages and distributes certain automotive parts to the Company's franchisees, other divisions and professional automotive installers in the Middle East, Canada, Mexico, and Central America. MAPA is operating as a Company-owned franchise. In May 2024, the Company sold its company-owned franchise in Tulare, California. The operations of the Company-owned franchises are not material to these financial statements taken as a whole. The Company had 95 and 96 franchises as of December 31, 2024 and 2023, respectively.

Basis of Presentation

On December 23, 2009, Gonher purchased the Company for consideration of approximately \$5,800,000. The effects of push-down accounting of Gonher have not been reflected in the financial statements of the Company. Push-down accounting is not required for standalone subsidiary financial statements of privately owned companies. The financial statements reflect the accounts of the Company at their historical basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid investments that are readily convertible into cash and have a maturity of ninety days or less when purchased. At times, cash and cash equivalent balances may exceed federally insured amounts. The Company believes it mitigates any risks by depositing cash and investing in cash equivalents with major financial institutions.

Accounts Receivable

The Company extends credit to its franchisees and customers on a secured and unsecured basis. Accounts receivable are stated at the amount billed to the customer plus any accrued and unpaid interest. In general, customer account balances with invoices over 30 days old are considered delinquent, carry interest at 1.50% per month, and the franchisees may be subject to foreclosure. An allowance for credit losses is provided equal to the estimated losses that will be incurred in the collection of all receivables based on a review of the current status of the receivables, historical collection experience and management's evaluation of the effect of existing economic conditions.

Inventories

Inventories consist of replacement automotive parts, supplies and equipment held for sale to franchisees and customers and are valued at the lower of cost or net realizable value, with cost determined using the average cost method.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Expenditures for maintenance and repairs are charged against operations when incurred. Projects in process are initially capitalized, and depreciation commences as the associated assets are placed into service. Depreciation is primarily provided using the straight-line method over the estimated useful lives of the assets (generally two to ten years for furniture, fixtures and equipment). Leasehold improvements are amortized using the straight-line method over the lesser of the remaining lease terms or the estimated useful lives of the improvements.

Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. In the opinion of management, no assets were impaired as of December 31, 2024 or 2023.

Goodwill

Goodwill is evaluated for impairment on at least an annual basis, or more frequently if certain events arise that indicate impairment in its carrying amount. Such conditions may include an economic downturn or a change in the assessment of future operations. Such impairment evaluations for goodwill include comparing the fair value of the appropriate reporting unit with its carrying value. Based on management's qualitative assessment of goodwill, the Company does not believe goodwill is impaired as of December 31, 2024 and 2023.

Member's Equity

The terms of formation of the Company were specified by an operating agreement which provides for the issuance of 1,155,000 shares. Gonher owns all 1,155,000 shares at December 31, 2024 and 2023. The operating agreement provides for an annual tax distribution to its member in an amount sufficient to cover the member's estimated tax liabilities related to the Company's taxable income. The liability of the member is generally limited to the initial capital contribution. The Company will continue indefinitely unless dissolved by the unanimous approval of a management committee comprised of three representatives.

Revenue Recognition

In accordance with FASB ASC Topic 606, *Revenue from Contracts with Customers*, revenue is recognized when the customer obtains control of promised goods or services in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. To achieve this core principle, the Company applies the following five steps:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to performance obligations in the contract
- Recognize revenue as performance obligations are satisfied

The Company generates revenue through the sale of merchandise to franchisees and third-party customers as well as royalties from franchisees.

Net merchandise sales are recognized when the customer obtains control of the product, which occurs at a point in time, usually upon shipment. The Company considers order confirmations or purchase orders to be contracts with a customer. Product sale contracts are generally short-term contracts where the time between order confirmation and satisfaction of all performance obligations is less than one year. Pricing is generally fixed and payment terms typically range from 30 to 60 days after invoicing. Taxes collected from customers relating to product sales are remitted to governmental authorities and are excluded from revenues.

Franchise royalties are paid to the Company under contracts with franchisees. The franchise agreements typically have a 10-year term and require the payment of monthly royalties based on 5% of the gross sales of the franchisee. Franchise royalties are recognized when the related sales are earned by the franchisees.

During the normal course of business, prospective franchisees will remit initial franchise fees to the Company concurrent with the execution of a new franchise agreement. The performance obligation related to these arrangements is collectively deferred and recognized as revenue on a straight-line basis over the term of the underlying agreement as a component of initial franchise fees within the accompanying statements of operations. Deferred franchise fees that are expected to be recognized as revenue within the next 12 months are classified as a component of current portion of deferred revenue within the accompanying balance sheets and deferred franchise fees that are not expected to be recognized as revenue within the next 12 months are classified as deferred revenue, net of current portion within the accompanying balance sheets.

Product Return Reserve

The Company records an estimate of product returns based on assumptions related to historical product returns. An analysis of the product return liability is performed on an annual basis to ensure the reserve's adequacy. Adjustments are made as deemed appropriate based on the results of the analysis performed. As of December 31, 2024 and 2023, approximately \$104,000 was reserved for future product returns and included as a component of accrued liabilities in the accompanying balance sheets.

Shipping and Handling

Costs incurred for shipping and handling are included in selling, general and administrative expenses in the accompanying statements of operations. These costs totaled approximately \$3,966,000 in 2024 and \$3,486,000 in 2023.

Lessee Arrangements

The Company leases certain office and warehouse space under various operating leases. The Company determines if an arrangement is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. Leases with an initial term of twelve months or less are not recorded on the balance sheet unless the lease includes an option to renew or purchase the underlying asset that is reasonably certain to be exercised.

At the lease commencement date, the Company recognizes a lease liability and a right-of-use (ROU) asset representing its right to use the underlying asset over the lease term. The initial measurement of the lease liability is calculated on the basis of the present value of the remaining lease payments and the ROU asset is measured on the basis of this liability, adjusted by prepaid and accrued rent, lease incentives, and initial direct costs. The subsequent measurement of a lease is recognized on a straight-line basis over the lease term, with the cost presented as a component of general and administrative expense in the accompanying statements of operations.

The Company has elected several practical expedients in the application of lease accounting. The Company has elected to use the risk-free rate at the corresponding lease commencement date to discount lease payments to present value. Rental escalations, renewal options and termination options, when applicable, have been factored into the Company's determination of lease payments when appropriate. Management expects that, in the normal course of business, leases will be renewed or replaced by other leases. The Company has also elected to not separate lease and non-lease components of contracts.

Advertising Costs

The Company expenses all advertising costs as incurred. Advertising costs totaled approximately \$836,000 in 2024 and \$847,000 in 2023 and are included in selling, general and administrative expenses in the accompanying statements of operations.

Income Taxes

As a single member limited liability company, the Company is considered a disregarded entity for income tax purposes. Accordingly, the Company's taxable income or loss is allocated to its member. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

The Company applies the provisions of accounting standards for income taxes. These standards require that a tax position be recognized or derecognized based on a 'more-likely-than-not' threshold. This applies to positions taken or expected to be taken in a tax return. The Company does not believe its financial statements include any material uncertain tax positions. There have been no penalties or interest incurred by the Company during 2024 or 2023. The Company is no longer subject to federal and state income tax examinations by tax authorities for years prior to 2021.

Reclassifications

Certain prior year amounts have been reclassified to conform with current year presentation. These reclassifications had no material effect on previously reported results of operations or member's equity.

Note 2: Property and Equipment

Property and equipment consist of the following at December 31:

	2024	2023
