PILLAR TO POST, INC. (the “Franchisor”) offers executive model franchises within a specified territory for the operation of a home inspection business offering unique residential inspection services, as well as related products and services, for single family and various multi-family residences.

We offer you the opportunity to purchase a home inspection franchise in a non-exclusive territory. The boundaries of the territory are established with reference to the boundaries utilized in the area by local boards of realtors and other demographic factors including housing units, housing re-sale activity, real estate offices, and population. We also consider the number of existing franchisees currently in the territory, if any, their current market share, and their planned growth. The total investment necessary to begin operation of a Pillar To Post franchised business is from \$102,690 to \$134,290. This includes \$60,500 that must be paid to the Franchisor or its affiliate(s).

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

On June 5, 2025, we commenced an action against MS Home Inspections, LLC, Michael J. Mele, and Suzanne M. Cordle before the American Arbitration Association in Tampa, Florida. On December 4, 2017, KJ Loughery, Inc., a master franchisee, commenced an action against us before the American Arbitration Association (the “KJ Loughery Arbitration”) in Tampa, Florida. We filed an answering statement and counterclaim, which denied each claim and sought a declaratory judgment that the master franchise agreements would expire upon expiration of the current terms of those agreements. On February 26, 2018, the parties entered into a settlement, pursuant to which we agreed to purchase the master franchises in Pennsylvania and New Jersey from KJ Loughery, Inc., we agreed to waive any initial franchise fee for a unit franchise agreement between KJ Loughery, Inc. and Jim Loughery or his designee for a territory in New Jersey, and the parties agreed to dismiss and release all claims.

The following describes in more detail the fees paid to us listed above.

Notes:

We require you to pay continuing Royalty Fees by electronic funds transfer, and you must provide all documentation required to authorize such electronic payments. The term "Gross Revenues" is defined in the Franchise Agreement as including all sums received by you from or arising out of the sale of all services and products sold or rendered by the franchised business, whether for cash or credit and regardless of collection in the case of credit, and all other income of every kind and nature related to the franchised business, excluding (i) gratuities paid by customers to employees of the franchised business during such period, and (ii) any sales taxes or other taxes collected by you during such period from your customers and paid to the appropriate authority. We require you to pay continuing IT Fees by electronic funds transfer, and you must provide all documentation required to authorize such electronic payments. The IT Fee may be changed or increased by us upon 90 days advance notice to you in the event the costs incurred by us in connection with providing such software and data storage are changed or increased. The IT Fee will not be adjusted as provided above more than one (1) time in any calendar year, and any such adjustment shall be equally applied to all users. You must pay for the costs of computer, software and data storage maintenance, repairs, upgrades and updates, and there is no contractual limitation on the frequency or costs of these obligations in the Franchise Agreement.

There is no formula used to compute or increase the Financial Reporting Fee. The Financial Reporting Fee will not be adjusted as provided above more than one (1) time in any calendar year, and any such adjustment shall be equally applied to all users. You must pay for the costs of computer, software maintenance, repairs, upgrades and updates, and there is no contractual limitation on the frequency or costs of these obligations in the Franchise Agreement.

Any increase in the user fee for EZBook Connections is set to cover any increase in the actual costs of providing the answering and inspection booking services to you. There is no formula used to compute or increase the user fee for EZBook Connections. This fee will not be adjusted as provided above more than one (1) time in any calendar year, and any such adjustment shall be equally applied to all users. If you do not elect to use EZBook Connections, you will have to

employ a full-time employee to answer your telephone and book your inspections in accordance with our standards and specifications, and that employee must successfully complete our EZBook Direct training program.

(G) We provide you access to software that creates PTP360, PTPFloorplan, and PTPVirtualOpenHouse. PTP360 is included in each home inspection report. A PTPFloorplan can be included in the home inspection report at the election of the customer. Currently, a PTP Floorplan is only offered to customers who purchase a Premium or Prestige Package. The Brand Conference Fee for one person to attend the ~~2024~~2025 Brand Conference was \$924 ~~if paid by an early deadline or \$1,099~~. We determine the Brand Conference Fee for the Brand Conference at the beginning of each year for the conference scheduled the following calendar year. Any increase in the Brand Conference Fee is set to cover any increase in the actual costs of the location and programming at the Brand Conference for one person. (L) You must, at a minimum of 6 months prior to your renewal date, inform us in writing that you will be renewing your franchise. Notes:

(A) The initial franchise fee is \$58,500. The initial franchise fee is not refundable in whole or in part. Neither we nor any of our affiliates finances any part of the initial franchise fee. See Item 10.

(B) The vast majority of Pillar To Post franchisees operate their businesses from their homes, which we recommend. If you decide to operate your business from a location other than your home, you may lease office space. Typical locations are commercial areas or strip centers. Rent is estimated to be between \$20 and \$30 per square foot in most regions of the country, depending on factors such as size, condition and location of the leased premises. We suggest that your office be less than 1,000 square feet. If you choose to rent office space, we estimate leasehold improvements at between \$0 and \$7,500, depending on factors such as size, condition, location of the leased premises, and landlord contributions.

(C) You must purchase a set of specific tools from our approved supplier upon registering for initial training. This tools list will be provided to you at that time in the form of an order form with the approved supplier.

(D) In addition to the Pillar To Post tool bundle that you order from an approved supplier, you will receive a list of tools/equipment necessary to operate your franchised business that you must purchase from local suppliers of your choosing.

(E) Successful operation of your franchised business depends heavily upon the use of computers and the internet. Pillar To Post has a required inspection tablet computer. You will be required to purchase your initial inspection tablet computer when you sign the Franchise Agreement, which will be sent to you prior to the start of the initial training and used during training. You will be required to purchase a monthly data plan to support your inspection tablet computer. You will also be required to purchase an additional office computer, the requirements of which are set forth in Item 11.

(F) You will be required to purchase from an approved supplier an equipment package to enable you to utilize PTP360 technology. The equipment package includes a 360° camera, tripod, bag and memory card.

(G) You will need to operate a home office with typical office equipment, which can be purchased locally from a supplier of your choice. This equipment includes, but is not limited

to, a desk, desk chair, office printer, scanner, high-speed internet service, etc. You will also need to purchase office supplies including, but not limited to, paper, ink, pens, pencils, miscellaneous supplies, etc.

(H) You will be required to establish an account with our designated supplier to maintain two (2) business telephone lines that will be used in the operation of the franchised business (the “Business Lines”). The current pricing for the Business Lines includes a one-time start-up fee of ~~\$40~~60.00 and a continuing monthly fee of ~~\$49.97~~65.00.

(I) You will be required to establish accounts for internet and cell phone services from local providers.

(J) You will be required to order a Foundations for Success Marketing Bundle from our approved supplier while you are in initial training. This bundle will include the materials you need for your start-up marketing program such as business cards, realtor brochures, face-to-face marketing materials, etc.

(K) You will need to obtain a business license and register an assumed or fictitious name for your business as required by state and local law.

(L) As part of your Foundations for Success start-up marketing program, you will be required to set up an account and utilize an automated, digital marketing campaign with our approved supplier. The cost of this campaign will vary depending on the number of names in your initial database of realtor contacts. The cost of this campaign is paid for while you are in initial training.

(M) You will be required to purchase or lease a vehicle to use in the operation of the franchised business that meets our standards and specifications. You will be responsible for all expenses associated with the vehicle used in the operation of the franchised business, including any required down payment, any monthly loan or lease payments, gas, and insurance.

(N) You will be required to purchase from an approved supplier and install Pillar To Post® branded vehicle wraps or lettering kits for each vehicle used by you and each of your team members in the operation of the franchised business.

(O) You may need to obtain professional services from an attorney and/or an accountant in connection with starting and setting up your business.

(P) You and your team members are required to wear approved Pillar To Post® branded shirts when meeting with clients and realtors, conducting inspections, and attending other business functions. You will order approved branded shirts of your choice for you and each team member from our approved suppliers prior to or upon completion of initial training.

(Q) For the successful operation of your franchised business, you will want to maintain membership in various local trade organizations that will require annual dues. Examples of these organizations include the local Board of Realtors and national home

inspection associations. Additionally, there are several suppliers utilized in the ongoing operation of your franchised business with whom you will need to set up accounts and, with some, there may be initial set-up fees involved.

(R) You must, prior to opening the franchised business and thereafter at all times during the entire term of the Franchise Agreement, and any renewal thereof, at your own expense, maintain in full force and effect, certain insurance policies, including (i) professional liability (errors and omissions) insurance, (ii) general liability insurance, including product liability insurance, (iii) commercial auto insurance, (iv) and business personal property insurance, insuring you and us against any liability that may accrue by reason of your operation of the franchised business. The required minimum amount of insurance coverage is currently \$1 million per occurrence and \$2 million in the aggregate for professional liability coverage, \$1 million per occurrence and \$2 million in the aggregate for general liability coverage, \$1 million per occurrence and \$2 million in the aggregate for commercial auto coverage, \$1 million per occurrence and \$2 million in the aggregate for business personal property coverage, and \$1 million per occurrence and \$2 million in the aggregate for cyber insurance coverage. In addition, you must maintain workers' compensation insurance, employer's liability insurance, and such other insurance as may be required by law in the jurisdiction in which the franchised business is located. We will provide you with a list of all approved insurance carriers, and you must obtain all required insurance coverage from an insurance carrier approved by us. Currently, the approved list requires you to obtain your professional liability insurance and general liability insurance under an insurance program we have established with Citadel Inspector Pro. You will be required to obtain and maintain these policies of insurance, part of which will normally be required to be paid in advance. We estimate that the cost of professional liability insurance and general liability insurance will be \$750 for the first three (3) months and \$2,600 to \$3,000 for the first year. Because there can be substantial variations in the cost of insurance, you need to contact representatives of Citadel Inspector Pro and/or our other approved insurance carriers for further information. Premiums are generally based on annual coverage and various monthly, quarterly or annual payment plans may be available.

(S) You are required to attend and participate in Pillar To Post's annual Brand Conference. You will be required to pay the registration fee for your first annual Brand Conference when you sign the Franchise Agreement. You also are required to attend and participate in at least one (1) regional meeting each year. The costs necessary to attend these meetings will vary based on your location and the location of the meetings.

(T) ~~We recommend that you provide for the possibility that expenses may exceed revenues and maintain sufficient cash reserves to carry you through the start-up and development stage of your business. The exact amount of such reserves will vary from operation to operation and cannot be meaningfully estimated. You should consult with your accountant and financial advisor to develop a business plan for your particular operation. These additional funds also may be used for expenses such as required state or local licensing or certification, additional training to satisfy state and local licensing requirements, employee expenses, and supervised inspections required to satisfy state and local licensing requirements. The additional funds include employee costs of approximately \$0 to \$20,000.~~ You are responsible for determining all licensing and certification requirements in your particular jurisdiction. We have estimated this amount of

additional working capital based on our over 25 years of experience operating a home inspection franchised business.

The figures stated above do not include any provision for managerial salaries or draws by you based upon the assumption that you will be the full-time manager of the franchised business. They also do not include any applicable taxes. Neither we nor any of our affiliates provide financing for the initial investment. See Item 10.

The cost of the required products, services and supplies purchased in accordance with the Franchise Disclosure Document, the Franchise Agreement and the Operations Manual (“Manual”), including fees for products and services paid to us, represent approximately 64.62% of the total cost to establish your franchise and approximately 50% of the total cost to operate your franchise. For fiscal year ended ~~December 31, 2024~~ December 31, 2025, we ~~generated revenues of \$5,075,240~~ did not generate revenue as a result of required purchases from approved suppliers, ~~which is 35.9% of our total revenues of \$14,127,981. In 2024, these revenues were generated from payments from BFC and other designated suppliers. In 2025, none of our affiliates derived revenue, rebates, or other material consideration based on required purchases or leases.~~ We have negotiated purchase arrangements with the designated suppliers that you are required to utilize in the operation of your business, which arrangements include the price terms.

You must order from the designated suppliers or other approved suppliers that we designate such initial inventory of Pillar To Post clothing apparel, marketing brochures and promotional supplies, business cards and letterhead, and vehicle wraps and signage as required by us in the Manual or otherwise in writing, or as may be provided in the Franchise Agreement. We reserve the right to formulate and modify our standards and specifications for operating a franchised business. This includes requiring that you take all steps, including but not limited to those related to visibility and management of your franchised business that are

necessary to ensure that your location is compliant with all data privacy and security laws and Payment Card Industry Data Security Standards (PCI DSS) requirements, as such standards may be revised and modified by the PCI Security Standards Council (see pcisecuritystandards.org), or such successor organization or standards that we may reasonably specify. Our standards and specifications are described in the Franchise Agreement, the Manual, and other written documents. We have the right, under the Franchise Agreement, to change the standards and specifications applicable to operation of the franchised business, including standards and specifications for approved services and products, equipment, signs, furnishings, supplies, fixtures, inventory, computer systems (hardware, software, applications, data network and internet connection minimum bandwidth capacities), privacy policies, encryption requirements, data and IT security policies - including implementation of phishing and other security awareness programs and training, cyber incident notification requirements, and Artificial Intelligence policies by written notice to you or through changes in the Manual. We may issue our standards or specifications for goods and services, and changes to those standards and specifications, in writing directly to you or our approved supplier. You may incur an increased cost to comply with these changes at your own expense.

You are required to maintain insurance coverage of the types and minimum amounts specified in the Manual, this Franchise Disclosure Document, the Franchise Agreement or supplementary notices. You are currently required to maintain professional liability (errors and omissions) insurance, general liability insurance, commercial auto insurance, business personal property insurance, and cyber insurance. The required minimum amount of insurance coverage is currently \$1 million for professional liability coverage per occurrence and \$2 million in aggregate, \$1 million for general liability coverage per occurrence and \$2 million in aggregate, \$1 million for commercial auto coverage per occurrence and \$2 million in aggregate, \$1 million for business personal property coverage per occurrence and \$2 million in aggregate, and \$1 million for cyber insurance coverage per occurrence and \$2 million in aggregate. You are required to maintain all required insurance with insurance companies approved by us. All professional liability insurance and general liability insurance must be purchased under the insurance program we have established with Citadel Inspector Pro. All required insurance must name us and our designee(s) as additional insureds and must provide that it may not be terminated, amended, canceled, or modified without at least thirty (30) days prior written notice to us. You are required to provide certificates of insurance evidencing such coverage prior to the opening of the franchised business and thereafter at least fifteen (15) days prior to the expiration of any policy. Any failure to have the appropriate insurance shall be considered a material breach of the Franchise Agreement.

You must purchase and install, at your expense, all fixtures, furnishings, home inspection services equipment, other equipment (including, without limitation, a telephone, computer, proprietary software, etc.), decor, signs and vehicle wraps as we may reasonably direct from time to time. You are required to have a computer system with the minimum required computer equipment in Item 11 below, which we can modify and update at any time. You must pay for the costs for computer software maintenance, repairs, upgrades and updates and there is no contractual limitation on the frequency or cost of this obligation in the Franchise Agreement.

You must purchase all products and services needed in the franchised business and not covered in the discussion under this Item 8 solely from us or from suppliers who demonstrate to our continuing reasonable satisfaction the ability to meet our standards and specifications, who possess adequate quality controls and capacity to supply your needs promptly and reliably, and who have been approved by us in the Manual or otherwise in writing. If you desire to purchase products or services from other than approved suppliers, you must submit to us a written request to approve the proposed supplier, together with such information as we may reasonably require. We will have the right to require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered for evaluation and testing either to us or to an independent testing facility designated by us. A charge not to exceed the reasonable cost of the evaluation and testing must be paid by you. We will, within ninety (90) days after receipt of such completed request and completion of such evaluation and testing (if required by us), notify you in writing of our approval or disapproval of the proposed supplier. Approval will not be unreasonably withheld. You must not sell or offer for sale any products or services of the proposed supplier until our written approval of the proposed supplier is received by you. We may from time to time revoke our approval of particular products or suppliers when we determine, in our sole discretion, that such products or suppliers no longer meet our standards. Upon receipt of written notice of such revocation, you must cease to purchase from the disapproved supplier.

We do not have any purchasing or distribution cooperatives.

Except as discussed above, we have no purchase arrangements with suppliers, nor do we negotiate purchase arrangements with suppliers for your benefit. You do not receive any material benefit for using designated or approved sources. You are not required to purchase or lease any other goods or services from us or from a supplier designated by us.

No franchise officer owns an interest in any supplier.

ITEM 10 - FINANCING

~~We do not offer direct or indirect financing to franchisees. We do not arrange financing from other sources. We do not guarantee any of your notes, leases, or~~ note, lease, or other obligations.

ITEM 11 - FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Pillar To Post is not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your business, we will:

1. Designate your territory (Franchise Agreement - Section 1 and Exhibit A).
2. Conduct a training program that you must satisfactorily complete prior to opening your business (Franchise Agreement - Section 6).
3. Supply our Manual (Franchise Agreement - Section 9).

4. Supply access to our computer software and data storage (Franchise Agreement - Section 9).

5. You are responsible for setting the prices for the products and services that you provide. We do not set minimum and/or maximum prices at which you must sell products and services.

Although we are not bound to do so by the Franchise Agreement, we generally assist you in making the franchised business ready to commence operations. We estimate the typical length of time between the execution of the Franchise Agreement and the commencement of a franchised business is between seventy-five (75) and one hundred twenty-five (125) days. The factors that affect this time are state licensing, training, zoning or local ordinances, permitting, etc. A franchised business must be opened within one hundred twenty (120) days of the date you complete the initial training program.

You select your business site within your territory subject to our approval. The vast majority of Pillar To Post franchisees operate their businesses from their homes, which we recommend. In most cases, a franchisee's home is located within the territory discussed in Item 12 below. You must have our written approval to change the approved location of your business or to operate your business from a location outside of your territory. If you have not obtained an approved location for your business at the time that the Franchise Agreement is executed, you must obtain a location through purchase or lease that meets our then-current standards and specifications as determined by us in our sole subjective discretion exercised in good faith within sixty (60) days of the date the Franchise Agreement is executed. You must be open for business within one hundred twenty (120) days of the date you complete the initial training program. We can agree to extend this deadline for an additional sixty (60) days if we determine in our sole subjective discretion that your failure to obtain an approved location or open for business did not result from your failure to exercise due diligence or use your best efforts. If the site is not agreed upon or if you are not open for business within these time periods, we can terminate the Franchise Agreement. We do not act as a lessor or lease property to you.

We consider a number of factors in deciding whether to approve a proposed location or a request to relocate an approved location. These factors include the general location, whether the location is located within or in close proximity to the territory, the size of the location, and other factors which we may consider relevant.

Post-Opening Assistance

During the operation of the franchised business, we will:

1. Develop new products, services and methods, and provide you with information about those developments (Franchise Agreement - Section 3).
2. Supply updates to our Manual (Franchise Agreement - Section 9).

3. Make available updates to our computer software and data storage or make available replacement software and data storage (Franchise Agreement - Section 9).

4. Administer a promotional and advertising program designed to promote and enhance the value of all franchised Pillar To Post home inspection businesses (Franchise Agreement - Section 12).

Advertising

We are not required to spend any amount on advertising in your territory. However, through a promotion and advertising fund (the "Brand Fund"), we make available advertising materials and services to us; we then make them available to you. Materials and services provided by the Brand Fund to all franchisees will include websites, social media presence, video tools, posters, brochures, search engine optimization, online reputation management, and other miscellaneous items. You will receive certain samples at no charge. If you want additional copies, you must pay the associated costs.

You may develop advertising materials for your own use, at your own cost. We must approve the advertising materials in advance of you using the materials and the approval must be in writing. You are not required to participate in any local or regional advertising cooperative, and we do not have the power to require that cooperatives be formed, changed, dissolved or merged. However, we strongly recommend that you spend between three percent (3%) and eight percent (8%) of the Gross Revenues of the franchised business on local marketing in addition to the Brand Fund contributions discussed below. We also strongly recommend marketing cooperation with other franchisees as a way to further promote your business and the overall presence and awareness of the Pillar To Post brand in the market.

Occasionally, we provide for placement of advertising on behalf of the entire franchise system. However, most placement is done on a local basis, typically by individual franchisees. We reserve the right to use fees paid to the Brand Fund to place advertising in national media (including broadcast, print or other media) at any time.

You will be required to pay a monthly Brand Fee to the Brand Fund equal to four percent (4%) of the monthly Gross Revenues of the franchised business.

We administer the Brand Fund in the following manner:

1. We will direct all promotion and advertising programs, with sole discretion over the concepts, materials, and media used in such programs and the placement and allocation of these materials. The Brand Fund is intended to maximize general public recognition, acceptance, and use of the System, particularly within the real estate industry. We are not obligated, in administering the Brand Fund, to make expenditures that are equivalent or proportionate to each franchisee's contribution, or to ensure that any particular franchisee benefits directly or pro rata from expenditures by the Brand Fund.

2. The Brand Fund, all contributions to it, and any earnings on the funds, will be used exclusively to meet any and all costs of maintaining, administering, directing, conducting,

and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities which we believe will enhance the image of the System, including, among other things, the costs of preparing and conducting traditional media and social media advertising campaigns; direct mail advertising; marketing surveys; employing advertising and/or public relations agencies to assist in the promotions; purchasing promotional items; employing agencies specializing in search engine optimization, online reputation management and other online and social media marketing services, and providing promotional and other marketing materials, websites, social media presence and services to the businesses operating under the System. No part of the Brand Fund will be used for solicitation of franchise sales.

3. You must contribute to the Brand Fund by separate EFT made payable to the Brand Fund. All sums paid by franchisees to the Brand Fund will be maintained in a segregated account separate from our other accounts. Except for the reasonable expenses and overhead incurred to administer the Brand Fund discussed below, the Brand Fund and any earnings will not otherwise inure to the benefit of us. We currently do not operate any company-owned units. To the extent that we do so in the future, the company-owned units will be required to contribute to the Brand Fund on the same basis as franchisees. Separate bookkeeping accounts will be maintained for the Brand Fund. Any fund balance not spent in the fiscal year in which it accrues is carried over for use in future fiscal years. An annual financial statement of the Brand Fund, which is reviewed but not audited, will be made available to the Chairman and Vice-Chairman of the Franchise Advisory Council, a representative body of franchisees. During the fiscal year ending December 31, ~~2024~~2025, the Brand Fund spent ~~186%~~186% on ~~national media placement~~co-op and local marketing programs, ~~85%~~85% on real estate industry alliances/tradeshows, ~~3658%~~3658% on marketing services directly benefitting franchisees (including search engine optimization (SEO) services, online reputation management services, social media services, public relations (PR) services, and other creative content), ~~2524%~~2524% on Administration, and ~~137%~~137% on miscellaneous marketing expenses.

4. The Brand Fund may be used to compensate us for reasonable expenses and overhead incurred for accounting, collection, bookkeeping, reporting and legal services which we provide to the Brand Fund to support marketing activities and for out-of-pocket expenses. In addition, we may provide products and services to the Brand Fund, including Pillar To Post brochures and web-hosting services. Any such products or services provided by us will be provided at a cost comparable to those costs that the Brand Fund would otherwise incur if the products or services were obtained from unaffiliated third parties.

Upon expiration or termination of the Franchise Agreement, you may receive electronic copies of each home inspection report prepared by the franchised business using the OnePoint software platform that we provide in pdf or other useable format if requested within 90 days of expiration or termination.

Answering and Inspection Booking Services

We provide telephone answering and inspection booking services called EZBook Connections, which provides call center and first-level customer engagement, consultation and inspection booking services for your franchised business. If you elect to use EZBook Connections in the operation of your franchised business, there are separate user fees for these services due monthly.

You may opt-out of using EZBook Connections provided that you have full-time, dedicated staff available to handle telephone answering and inspection booking services at the local level full-time, Monday through Friday, from 9:00 a.m. to 5:00 p.m. local time. All persons

that you designate to provide telephone answering and inspection booking services must successfully complete the EZBook Direct training program. All telephone answering and inspection booking services for the franchised business must comply with our standards or such other standards and specifications established by us from time to time. We provide you access to the software, currently provided by Qvinci, that connects directly with QuickBooks and creates consolidated financial reports for your franchised business. You are required to use this software in the operation of the franchised business, including to create certain financial reports that are required to be submitted to us under the Franchise Agreement. The cost of the licensing and subscription fees paid by us to provide you access to this software is included in the continuing Financial Reporting Fee. See Item 6. You must pay for the costs of any software maintenance, repairs, upgrades and updates that we may require from time to time, and there is no contractual limitations on the frequency or costs of these obligations under the Franchise Agreement.

Operating Manual

We will loan you a copy of the Manual that contains mandatory and suggested specifications, standards and procedures. The Manual is confidential and remains our property. We will modify the Manual from time to time, but the modification will not alter your status and rights under the Franchise Agreement. ~~The total number of pages in the Manual is 13, and it contains links to other information.~~ The table of contents for the Manual is attached as Exhibit C.

Staffing

You must staff the Pillar To Post home inspection franchise with the minimum levels of qualified personnel as we may specify from time to time, and you must add additional home inspectors to meet the current needs of the business and the future growth required by the Franchise Agreement. See Item 12. Currently, you are required to add a full-time home inspector or full-time marketing person to your staff within your first ~~twelve~~six (12~~6~~) months after you complete your Phase 3 training, and you must maintain that same minimum level of staffing for the remainder of that first year. Beginning on the first day of your second year and continuing through the end of the term of your Franchise Agreement, you are currently required to maintain a minimum staff, inclusive of the owner, that includes one full-time inspector and one full-time marketing person. must successfully complete our training program for new franchisees prior to your actual commencement of business operations. The fee for you or the manager designated by you to attend the training program is included in the initial fee. Additionally, your employees that perform home inspections, employees that engage in sales and marketing, and owners of 50% or more of your franchised business that are not the designated manager must successfully complete, the training program at your expense. If you elect to hire local scheduling staff to book inspections, they must successfully complete at your expense our training program and the EZBook Direct local scheduler training.

TRAINING PROGRAM

The training program will take place through our live virtual training environment and is coupled with online learning through our AHIT and OnePoint Learning Academy (OPLA) online platforms. You must pay all travel and living expenses of all attendees at the training program. We will not pay compensation for any services performed by you and any other attendees in connection with and during such training. You must satisfactorily complete such training to our sole, subjective satisfaction, exercised in good faith. The training program is held regularly throughout the year.

The training program provides comprehensive instruction and hands-on experience designed to provide franchisees with the knowledge and skills necessary to operate their franchised business effectively. ~~The training program is presented in three phases:~~

- ~~● **Phase 1 — The Ultimate Home Inspection (7 weeks):** This phase is focused on developing technical home inspection skills, system knowledge, and brand standards through hands-on practice and independent inspections. Phase 1 of the training program is scheduled to be completed in 7 weeks, with 5 weeks of instruction and 2 weeks of independent inspections.~~

The training program consists of the following components, which must be completed in sequence:

- **Business Bootcamp**
- **Home Inspection Training**
- **Sales and Marketing Express**

Business Bootcamp (1 week)

~~● **Phase 2 — Business Leadership (1 week):** This phase Bootcamp is focused on strategic planning, operational leadership, and business growth strategies, culminating in the creation of a formal presentation using our Startup Planning Tool. Phase 2 of the training program Business Bootcamp is scheduled to be completed in one (1) week.~~

- ~~● **Phase 3 — Sales and Marketing Predictable Greatness (2 weeks):** This phase is focused on providing franchisees with the skills necessary to effectively market their business, establish realtor relationships, and drive revenue growth. Phase 3 of the training program is scheduled to be completed in 2 weeks.~~

Business Bootcamp Curriculum

~~There is 1 week set aside for independent study between Phase 1 and Phase 2 of the training program.~~

Franchisees must successfully complete each phase of the training program to our satisfaction before advancing to the next phase. The estimated 11-week training timeline is only applicable if the franchisee meets all requirements and transitions from one phase to the next without requiring additional time. Many states also have additional training requirements that must be satisfied to get a home inspection license. These state licensing requirements or failure to successfully complete such requirements may delay completion of Phase 1 of the training program. In such cases, franchisees must allocate additional time to fulfill state specific licensing requirements and/or successfully complete such requirements. These types of delays will extend the overall training duration beyond the estimated 11-week schedule.

You also must attend additional required training courses, webinars, seminars and programs as we may require in our sole discretion from time to time. Except for the cost of instructors and training materials, you must pay all expenses incurred to attend these programs, including applicable registration fees, transportation, lodging, meals and wages.

We will also hold conferences, additional training courses, webinars or seminars to discuss and instruct you in sales techniques, personnel training, bookkeeping, accounting, inventory control, performance standards, advertising programs, merchandising procedures, new procedures for inspections, new products, new services, marketing, and general operating procedures. You will be required from time to time to attend these conferences, additional training courses, webinars or seminars which we deem, in our reasonable judgment, to be of major importance to the operation of your franchised business. Currently, we require you to attend an annual convention called Brand Conference and one (1) regional meeting, annually, unless we have approved otherwise in our discretion. You must pay the registration fee for one person to attend the Brand Conference annually. If you cannot attend for any reason, you will still be required to pay the registration fee and a non-attendance fee. You must pay any registration/training fee and all your travel and living expenses associated with any required conference, training course, seminar or meeting. These events are held at locations in the United States and Canada chosen by us.

We also have established mandatory continuing education requirements for franchisees and their employees to assist in maintaining a standard of excellence in home inspection services. The specific requirements are set forth in the Manual. These requirements may be met through Pillar To Post sponsored events or through seminars and conferences sponsored by professional associations for home inspectors. Additionally, all franchisees and their inspector/employees are required to seek and maintain membership in good standing in a professional association for home inspectors that is approved by us. You must pay any registration training fee and all other travel and living expenses associated with any continuing education programs.

ITEM 12 - TERRITORY

Prior to the execution of the Franchise Agreement, we will designate the size and location of the non-exclusive territory, which will be set forth on a map attached to the Franchise Agreement. We will design your territory by first considering the boundaries established in your area by local boards of realtors. Your territory will ultimately consist of a geographical area typically defined by counties and/or zip codes. There is no standard size of a territory. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You are not allowed to operate the franchised business outside of the territory without our prior written consent. Your territory is protected to the extent that no Pillar To Post franchisees with territories outside your non-exclusive territory will be permitted to operate in your non-exclusive territory.

Except as provided above, you are not granted any rights in connection with the franchised business. You may not solicit orders for inspections of homes located outside of your territory without our prior written consent. You may not use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing, to solicit or make orders for inspections of homes located outside of your territory. If you do, you are subject to termination. We currently do not operate any company-owned units, and therefore, do not solicit orders within your territory. To the extent we do so in the future, we reserve the right to solicit orders within your territory.

The territory is important to both you and to us. Unlike a traditional retail business where the customer comes to you, the franchised business will require you to go to the customer. Additionally, the best referral sources, including real estate brokers, real estate agents, attorneys, mortgage brokers, bankers, insurance agents, and relocation agencies, will also be located throughout the territory. Thus, the franchised business will be operated throughout the geographical boundaries of the territory, not exclusively from the Approved Location.

Pillar To Post previously offered franchises in exclusive territories, and there are current franchisees that still operate in exclusive territories. Pillar To Post previously offered the opportunity for franchisees to convert an exclusive territory to a non-exclusive territory. This conversion program offered franchisees the opportunity to protect certain referral sources after conversion. Therefore, an existing franchisee within the same territory may have converted that

territory from an exclusive territory to a non-exclusive territory and retained the right to solicit business exclusively from a particular real estate agent or other referral source as part of that conversion. If that is the case, you will not be permitted to solicit business from that real estate agent or referral source and they will be specifically identified in an addendum to your Franchise Agreement.

There are no other circumstances that permit us to modify your territory during the term of the Franchise Agreement. Your territory may be modified during any renewal term to address changes in the market or current market conditions.

You must generate Gross Revenues of at least \$100,000 in months 1-12 after your Training Completion Date; \$200,000 in months 13-24 after your Training Completion Date; \$300,000 in months 25-36 after your Training Completion Date; \$400,000 in months 37-48 after your Training Completion Date; and \$500,000 in months 49-60 after your Training Completion Date. These minimum Gross Revenue requirements apply only to the initial term of the Franchise Agreement. In renewal terms, and in the case of the transfer by you of an established territory, the sales volume requirements may be adjusted to reflect the potential of an established market.

You must pay minimum monthly Royalty Fees, if applicable, and you must schedule a minimum of 80% of your home inspections through EZ Book Connections, if applicable.

You do not receive the right to acquire additional franchises.

You are not permitted to relocate the territory of your franchised business. The vast majority of Pillar To Post franchisees operate their businesses from their homes, which we recommend. If you move, you will be permitted to relocate the Approved Location of your franchise to the new address of your home provided that you notify us in advance and your new address is within your territory.

Neither we nor any of our affiliates operates or plans to operate or franchise businesses under a different trademark that will sell goods or services that are the same as or similar to those that you will sell.

Except for rights expressly granted to you under the Franchise Agreement, we retain all of our rights and discretion with respect to the Trademarks, the Pillar To Post system, and Pillar To Post franchises wherever located, including the right to (a) operate, and grant others the right to operate, Pillar To Post franchises at locations and on terms and conditions we deem appropriate; (b) sell any products or services under the Trademarks or under any other trademarks, service marks or trade dress, through other channels of distribution; and (c) operate, and grant to others the right to operate, home inspection businesses identified by trademarks, service marks or trade dress, other than the Trademarks, under terms and conditions we deem appropriate.

Although we have not done so, we and our affiliates may sell products under the Trademarks through any method of distribution other than a dedicated Pillar To Post franchise,

including sales through such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales except as described in the following paragraph and you will receive no compensation for our sales through alternative distribution channels.

If we engage in electronic commerce through any internet, world wide web or other computer network site or sell through any other alternative distribution channel and you operate your franchised business in a protected, non-exclusive territory, we will offer any order for services calling for performance in your territory to the Pillar To Post franchise in that territory whose Approved Location is closest in proximity to the location where the services will be performed at the price we establish. If that franchise chooses not to fulfill the order at the price we establish, it will be offered on the same basis to other Pillar To Post franchises in that territory in an order established based on closest proximity between the franchise’s Approved Location and the location where the services will be performed. If no Pillar To Post franchise within the territory agrees to fulfill the order at the price we establish, then we, one of our affiliates or a third party we designate (including a Pillar To Post franchise from outside the territory) may fulfill the order, and you will be entitled to no compensation in connection with that order.

We and our affiliates can use alternative channels of distribution to make sales of products or services under trademarks different from the Trademarks you will use under the Franchise Agreement, but we and our affiliates have not yet made any sales of this type.

ITEM 13 - TRADEMARKS

You are granted the right to open and operate a home inspection business under the name “Pillar To Post Home Inspectors.” You may also use our other current or future Trademarks to operate your business. By Trademarks, we mean trade names, trademarks, service marks and logos used to identify your service. One of the Trademarks appears in the upper left-hand corner of the front page of this Franchise Disclosure Document. On September 30, 2014, the Trademark “Pillar To Post Home Inspectors” was registered on the United States Patent and Trademark Office (“USPTO”) principal register, registration number 4614467. Our affiliate, Pillar To Post (Canada), ~~currently owns the registered mark. We have the exclusive~~Pursuant to a License Agreement between Pillar to Post (Canada) and us dated October 1, 2014, we have an exclusive, perpetual, and irrevocable right and license to use and license others to use the registered mark in the United States: in connection with any lawful business, including, but not limited to, operating and licensing others to operate Pillar To Post home inspection businesses. Under the License Agreement, all goodwill created through use of the registered mark in the United States inures to our sole benefit, and we have the exclusive right and obligation to commence, prosecute, and control any action or proceeding with respect to use of the registered mark in the United States. The License Agreement may not be cancelled or modified without our consent.

All required affidavits of use and renewals have been filed.

You must follow our rules when you use the Trademarks. You cannot use our name or mark as part of a corporate name or with modifying words, designs or symbols except for those

that are licensed to you under the Franchise Agreement. You may not use the Trademarks in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by us.

The Trademarks are not subject to any presently effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, any state trademark administrator or any court; nor are they subject to any pending interference, opposition, or cancellation proceeding or material litigation that limits or restricts our right to use the Trademarks.

There are no currently effective agreements presently in effect that would limit the rights of us to use or license the use of the Trademarks.

We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you. You must promptly notify us of any unauthorized use of the Trademark, any challenge to the validity of the Trademarks, or any challenge to our ownership of or right to use and to license others to use, our right to use, or your right to use, the Trademarks. We will take the action we think is appropriate. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Trademarks. ~~While we~~ We are not required to defend you against a claim against your use of the Trademarks, ~~we~~. We will reimburse you for your liability and reasonable costs in connection with defending the Trademarks, including claims of infringement or unfair competition arising from your use of the Trademarks. To be reimbursed, you must have notified us immediately when you learned about the infringement or challenge. However, if we determine, in our sole discretion, that you have not used the Trademarks in accordance with the Franchise Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by you.

You must modify or discontinue the use of the Trademarks if we modify or discontinue them. We will bear the costs of modifying your signs and advertising materials to conform to any direction to modify or discontinue the use of the Trademarks but will otherwise have no obligation or liability to you. You must not directly or indirectly contest our right to the Trademarks, trade secrets or business techniques that are a part of the Pillar To Post System and franchised businesses.

We do not know of any infringing uses that would materially affect your use of the Trademarks.

In addition to the above, we have claimed exclusive use of “pillartopost” as an internet domain name and have restricted your rights to use of our Trademarks on public computer networks. You may not establish or maintain a world wide web site, social media presence, email address, or otherwise establish or maintain a presence or advertise on the internet or any other public computer network in connection with the franchised business without our prior written approval. There are a number of restrictions in this regard, as set forth in Section 12 of the Franchise Agreement, and as addressed in Chapter One of the Manual.

ITEM 14 - PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We hold no patents. We have registered no copyright with the United States Copyright Office. However, we claim copyrights on certain forms, advertisements, promotional materials and other written materials. We also claim copyrights and other proprietary rights in the Manual.

There are no agreements currently in effect which significantly limit your right to use any of our copyrights. Also, there are no currently effective determinations of the USPTO, the U.S. Copyright Office (Library of Congress) or any court pertaining to or affecting any of our copyrights discussed above. As of the date of this Franchise Disclosure Document, we are unaware of any infringing uses of or superior previous rights to any of our copyrights that could materially affect your use of them in any state.

Your and our obligations to protect your rights to use our copyrights are the same as the obligations for Trademarks described in Item 13 above.

You may never – during the initial term, any renewal term or after the Franchise Agreement expires or is terminated – reveal any of our confidential information, including trade secrets, to another person or use it for any other purpose or business. You may not copy any of our confidential information or give it to a third party except as we authorize. All persons affiliated with you must sign our Confidentiality/Non-Competition Agreement. See Exhibit G-5.

Our confidential information will include products, services, equipment, technologies, procedures and strategies relating to the operation of a Pillar To Post franchise; systems of operation, services, programs, products, procedures, policies, standards, techniques, requirements and specifications that are part of the Pillar To Post System; the Manual; records of customers and referral sources; billings; methods of advertising and promotion; instructional materials; and other matters.

All data collected from former, existing, and/or potential customers and referral sources, including names and addresses, discounts and credit extensions to customers, customer contracts, reports, and status information (collectively “Customer Information”), are our trade secrets and confidential information. You are prohibited from disclosing Customer Information and our other proprietary information, trade secrets, and confidential information to third parties, including entering such information into public/open artificial intelligence (“AI”) models or any other AI model that uses such information to train the AI unless specifically authorized by us. You must adhere to any privacy policies we may now, or in the future, establish with respect to Customer Information.

ITEM 15 - OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

You are obligated to participate in the actual operation of the franchised business on an exclusive and full-time basis (minimum of 40 hours per week) during normal business hours. This obligation begins with your attendance at the Initial Training Program and precludes any

other part-time employment or other work commitment. You must successfully complete our Initial Training Program and complete the "Foundations for Success" start-up program. In the case of a corporation, limited liability company or partnership franchisee, the direct, on-site supervision must be done by a person who owns a beneficial interest of at least one-half of the corporation, limited liability company or partnership entity, and must have taken the initial training course. That person must participate in the actual operation of the franchised business on an exclusive and full-time basis during normal business hours. In the case of a corporation, all shareholders, in the case of a limited liability company, all members, and in the case of a partnership, all partners, must sign a personal guarantee in the form of Exhibit G-1. A spouse is not required to sign a personal guarantee unless they are an owner, shareholder, member, or partner of the franchised business.

Neither you nor the "on-premises" manager can have an interest in or business relationship with any of Pillar To Post's business competitors. In the case of a corporation, all shareholders, in the case of a limited liability company, all members, and in the case of a partnership, all partners, must sign a Confidentiality/Non-Disclosure Agreement in the form of Exhibit G-5. A spouse is not required to sign a Confidentiality/Non-Disclosure Agreement unless they are an owner, shareholder, member, or partner of the franchised business. The manager or supervisor must sign the same form Confidentiality/Non-Disclosure Agreement (Exhibit G-5) to maintain confidentiality of the proprietary information and trade secrets described in Item 14 and conform to the covenants not to compete described in Item 17. The manager or supervisor, the officers, directors and shareholders of a corporate franchisee, the officers, managers and members of a limited liability company, the general and limited partners of a limited partnership franchisee and each individual who owns a 5% or greater interest in the franchise entity must sign an agreement with covenants similar in substance to those set forth in Section 17 of the Franchise Agreement assuming and agreeing to discharge all obligations of the "Franchisee" under the Franchise Agreement.

ITEM 16 - RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to offer and sell only those goods and services which we have approved (see Item 9).

You must offer all goods and services that we designate for all franchisees. These required services are in the area of home inspections and related added services, including mold testing, radon testing, septic system inspection, sewer scoping, swimming pool, spa and hot tub inspection, water system testing, well inspection, wind mitigation inspection, virtual open house, and other health and safety-related services. You must offer all goods and services in accordance with our brand standards and operating basics, and all other mandatory policies, practices, procedures, regulations and specifications that we may establish from time to time. You must offer the Plus, Premium and Prestige packages of goods and services or such other packages of goods and services as we establish from time to time in accordance with our mandatory policies, practices, procedures, regulations and specifications. Any other goods or services used or offered in connection with your home inspection services must be approved by us prior to you using or offering them (see Item 8).

We have the right to add additional authorized services and products that are compatible with a home inspection business that you are required to offer. There are no limits on our right to do so.

An existing Franchisee within the same territory may have converted that territory from an exclusive territory to a non-exclusive territory and retained the right to solicit business exclusively from a particular real estate agent or other referral source as part of that conversion. If that is the case, you will not be permitted to solicit business from that real estate agent or referral source and they will be specifically identified in an addendum to your Franchise Agreement. Except for the foregoing, there are no restrictions as to the identity of the customers to whom you may offer or sell your products or services, except you are restricted to solicit those customers only in your territory.

You must avoid conflicts of interest by neither accepting or offering commissions or allowances, directly or indirectly, nor recommending or referring any form of repair or replacement of parts of any home inspected by the franchised business to yourself or any other person or entity.

A. As the result of the expenditure of time, skill, effort, and money, Franchisor has developed a distinctive system relating to the establishment and operation of a Pillar To Post home inspection franchise offering residential inspection services for single family and various multi-family residences utilizing specially developed methods and procedures (the “Pillar To Post System”);

B. The Pillar To Post System consists of distinctive methods and procedures for managing, operating, and marketing the business and for inspection of a home’s plumbing, heating, air conditioning and electrical systems, interior walls, ceilings, floors, roof, exterior walls, and structure;

C. The Pillar To Post System includes, without limitation, distinctive products and services; initial and ongoing training; an operations manual that includes uniform standards, specifications, and procedures for operation of the business; standards, specifications and procedures for advertising and promoting the business; and a technology platform to create and deliver inspection reports onsite and electronically; all of which may be changed, improved, and further developed from time to time;

D. The Pillar To Post System is identified by the service mark “Pillar To Post Home Inspectors®” and such other trade names, service marks, trademarks, logos, emblems, domain names, and indicia of origin as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the Pillar To Post System (the “Marks”);

E. Franchisee has applied for a franchise to operate a Pillar To Post home inspection franchise, and Franchisor has approved Franchisee’s application in reliance upon all of the representations made therein; and

F. Franchisee understands and acknowledges the importance of Franchisor's high standards of quality, cleanliness, appearance, operations, and service, and the necessity of operating the business franchised hereunder in conformity with Franchisor's standards and specifications.

THEREFORE, the parties agree as follows:

1. GRANT OF FRANCHISE

1.1 Subject to the terms and conditions set forth in this Agreement, Franchisor grants, and Franchisee accepts, a non-exclusive license: (i) to establish and operate a franchise business in accordance with the Pillar To Post System and in association with the Marks (hereinafter

referred to as the “Pillar To Post home inspection franchise”), and (ii) to use the Pillar To Post System and the Marks solely in connection therewith.

1.2 Franchisee shall maintain all documents, books, records and accounts, including, but not limited to, any manuals and proprietary technology and software relating to the Pillar To Post home inspection franchise, only at _____ (the “Approved Location”). Franchisee shall operate the Pillar To Post home inspection franchise only within the non-exclusive territory which is described in Exhibit “A” attached hereto and incorporated herein by reference (the “Territory”), and not otherwise, notwithstanding the location of the Approved Location. The Territory may be modified during any Renewal Term (as defined in Section 2.2 below) to address changes in the market or current market conditions, and a description of such modified territory shall be set forth in the Renewal Franchise Agreement (as defined in Section 2.2.6 below).

1.3 If at the time this Agreement is executed an Approved Location has not been secured, Franchisee shall acquire through purchase or lease within sixty (60) days following the execution hereof, a location meeting Franchisor's then-current standards and specifications as determined by Franchisor in its sole subjective discretion exercised in good faith, located within the Territory or such other area as Franchisor may approve in writing. Franchisor shall have the right, but not the obligation, to extend the sixty (60) day period described in this Section 1.3 if Franchisor determines, in its sole subjective discretion, that Franchisee's failure to locate an Approved Location within the prescribed time period did not result from Franchisee's failure to exercise due diligence or use its best efforts. Franchisee shall not enter into any such lease or purchase agreement unless Franchisee shall have first: (i) notified Franchisor in writing of the proposed location and provided Franchisor with all information which Franchisor may request concerning such proposed location, and (ii) received Franchisor's written approval of such location. Upon approval, such location shall be the “Approved Location” as defined in Section 1.2 above.

1.4 The Territory is non-exclusive. During the Initial Term of this Agreement and any Renewal Term, Franchisor may itself establish or operate, and may license any other person or entity to establish or operate, a Pillar To Post home inspection franchise using the Pillar To Post System and Marks both within and outside of the Territory. Franchisee acknowledges that the terms of franchise agreements between Franchisor and other franchisees vary, and that some franchisees are not contractually bound by rules like those described in this Section 1.4.

1.5 Franchisor may, from time to time, add to, amend, modify, delete or enhance any portion of the Pillar To Post System (including the Marks) as may be necessary in Franchisor's sole subjective judgment, to change, maintain, modify, improve or enhance the Pillar To Post System, trade names or the reputation, efficiency, competitiveness and/or quality of the Pillar To Post System, or to adapt it to new conditions, materials or technology, or to better serve the public. Franchisee acknowledges that the Pillar To Post System may be supplemented, improved, and otherwise modified from time to time by Franchisor; and Franchisee agrees to comply with all requirements of Franchisor in that regard, including, but not limited to, offering and selling new or different products or services as specified by Franchisor.

2. TERM AND RENEWAL

2.1 This Agreement, unless otherwise terminated pursuant to the terms and conditions hereof, will begin on the Effective Date and shall continue for a period of five (5) years (the "Term").

2.2.4 Franchisee shall have satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates, and shall have timely met those obligations throughout the Term;

2.2.6 Franchisee shall execute all documents and agreements customarily used by Franchisor in connection with a renewal, including Franchisor's then-current form of franchise agreement (the "Renewal Franchise Agreement"), the terms and conditions of which may differ materially from this Agreement, including, without limitation, the royalties and other fees charged by Franchisor which may be increased. The Territory may be modified during any Renewal Term to address changes in the market or current market conditions, and a description of such modified territory shall be set forth in the Renewal Franchise Agreement. Except for the modifications set forth herein, the rights and obligations of Franchisee upon renewal shall be identical to the rights and obligations of franchisees as set forth in Franchisor's then-current form of Franchise Agreement being offered to new franchisees at the time of the exercise of this option to renew, including, but not limited to, the then-current royalty fees, brand fees, IT fees and other fees. The Renewal Franchise Agreement shall differ, and be modified from Franchisor's then-current Franchise Agreement, so that all references to a renewal term

contained in the Renewal Franchise Agreement are modified such that Franchisee shall have had, in the aggregate, no more than five (5) renewal terms of five (5) years each;

2.2.7 Franchisee shall execute a general release, in a form prescribed by Franchisor;

2.2.8 Franchisee shall comply with Franchisor's then-current qualification and training requirements;

2.2.9 At least thirty (30) days prior to commencement of the Renewal Term, Franchisee shall update, at Franchisee's expense, the décor, color schemes, signage, vehicle wraps and overall presentation of the Marks to Franchisor's then-current image and, if necessary, in Franchisor's sole and absolute discretion, Franchisee shall update and replace the equipment and vehicles used in operation of the Pillar To Post home inspection franchise to meet Franchisor's then-current specifications; and

2.2.10 Notwithstanding anything to the contrary in this Agreement, if there is a conflict between the renewal rights granted in this Section 2.2 and the renewal rights granted to Franchisee by any applicable local, state or federal law, the renewal rights most favorable to Franchisee shall prevail.

2.3 Franchisee shall pay Franchisor a renewal fee of \$2,500.00 to cover the legal and administrative costs involved in renewing the franchise. The renewal fee must accompany Franchisee's written notice to renew as required under Section 2.2.1 of this Agreement.

2.4 The Franchisor, in its sole discretion, may waive any or all of the conditions in Sections 2.2.1 through 2.2.10 of this Agreement.

If Franchisee desires to purchase services or products from other than approved suppliers, Franchisee shall submit to Franchisor a written request to approve the proposed supplier, together with such information as Franchisor may reasonably require. Franchisor shall have the right to require that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered for evaluation and testing either to Franchisor or to an independent testing facility designated by Franchisor. A charge not to exceed the reasonable cost of the evaluation and testing shall be paid by Franchisee. Franchisor shall, within ninety (90) days after its receipt of such completed request and completion of such evaluation and testing (if required by Franchisor), notify Franchisee in writing of its approval or disapproval of the proposed supplier. Approval shall not be unreasonably withheld. Franchisee shall not sell or offer for sale any services or products of the proposed supplier until Franchisor's written approval of the proposed supplier is received. Upon receipt of written notice of such revocation, Franchisee shall cease to purchase from the disapproved supplier.

7.9 Franchisee shall purchase and install, at Franchisee's expense, all fixtures, furnishings, equipment (including, but not limited to, a telephone, office computer, and inspection tablet computer with minimum specifications established by Franchisor from time to time, high-speed internet access, and the Technology Platform (as defined in Section 9.3)), decor, signs, vehicle wraps, and letter kits on or about the Approved Location or on any vehicle used in operation of the Pillar To Post home inspection franchise as Franchisor may reasonably direct from time to time. Franchisee shall refrain from installing or permitting to be installed on or about the Approved Location or on any such vehicle, without Franchisor's prior written consent, any fixtures, furnishings, equipment, decor, signs, magnets, vehicle wraps, letter kits, or other items not previously approved as meeting Franchisor's standards and specifications.

Should Franchisee, for any reason, fail to correct such deficiencies within a reasonable time as determined by Franchisor, Franchisor shall have the right, but not the obligation, to correct any deficiencies which may be susceptible to correction by Franchisor and to charge Franchisee a reasonable fee for Franchisor's expenses in so acting, payable by Franchisee upon demand. The foregoing shall be in addition to such other remedies Franchisor may have under this Agreement and applicable law.

7.12 Franchisee shall maintain the Approved Location and any vehicle used in the operation of the Pillar To Post home inspection franchise in a clean, orderly condition and in excellent repair; and, in connection therewith, Franchisee shall, at its expense, make such additions, alterations, repairs, and replacements thereto (but no others without Franchisor's prior written consent) as may be required by Franchisor for that purpose, including, but not limited to, such periodic refurbishment or replacement of obsolete signs, vehicle wraps, furnishings, equipment, and decor as Franchisor may reasonably direct.

7.13 Franchisee shall use computers, printers and other related equipment with minimum specifications established by Franchisor from time to time and software and other technology, including the Technology Platform (as defined in Section 9.3 herein), required by Franchisor from time to time. Franchisee acknowledges that in the future, and from time to time, Franchisee may be required to purchase or lease new computers, printers and other equipment,

All members of Franchisee's staff who perform home inspections (including employees, contract employees, independent contractors, officers, directors, shareholders, members, and partners) shall attend and successfully complete to Franchisor's sole subjective satisfaction the Initial Training Program at Franchisee's own expense. Franchisee shall satisfactorily train all remaining members of its staff who do not attend the Initial Training Program to the standards established by Franchisor from time to time. Franchisee shall take all steps necessary to ensure that its staff preserves good customer relations; renders competent, prompt, courteous, and knowledgeable service; and meets such minimum standards as Franchisor may establish from time to time in the Manual or otherwise in writing. Franchisee and its staff shall handle all customer complaints, refunds, returns, and other adjustments in a manner that will not detract from the name and goodwill of Franchisor. Notwithstanding the foregoing or any other provision of this Agreement, Franchisee (and not Franchisor) shall at all times be responsible for all employment decisions related to the Pillar To Post home inspection franchise, including, but not limited to, hiring, firing, training, promotion, remuneration, compliance with laws (including without limitation wage and hour requirements and human rights legislation), recordkeeping, supervision and discipline. Franchisee expressly agrees that Franchisor does not have the power to hire, fire, or control in any manner whatsoever the employees of the Pillar To Post home inspection franchise.

8.4 Franchisee hereby irrevocably assigns to Franchisor all right, title and interest that Franchisee may have now or in the future to any domain name or social media or networking account or site (including, but not limited to, identity, followers, or content) that Franchisee utilizes in the operation of the Pillar To Post home inspection franchise, whether or not the domain name, account or site has been approved by Franchisor.

No assistance, guidance, standards or requirements that Franchisor provides Franchisee constitute a representation or warranty of any kind, express or implied, that Franchisee is compliant with federal, state, or local privacy and data laws, codes, or regulations, or acceptable industry standards. It is Franchisee’s responsibility to confirm that the safeguards Franchisee uses to protect Personal Information comply with all laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If Franchisee becomes aware of a suspected or actual breach of security or unauthorized access involving Personal Information, Franchisee shall notify Franchisor immediately and specify the extent to which Personal Information was compromised or disclosed. Franchisee must take all steps, including, but not limited to, those related to visibility and management of Franchisee's business network, that are necessary to ensure that Franchisee's business is compliant with all data privacy and security laws and Payment Card Industry Data Security Standards (PCI DSS) requirements, as such standards may be revised and modified by the PCI Security Standards Council (see pcisecuritystandards.org), or such successor organization or standards that Franchisor may reasonably specify. Franchisee agrees to use any computer network, intranet system, extranet system, email, and handheld devices required or authorized for use in connection with Franchisee's business in strict compliance with Franchisor's standards, protocols, and restrictions that are included in the Manual or in Franchisor's other written policies, which include, but are not limited to, Franchisor's privacy policies, encryption requirements, data and IT security policies - including the implementation of phishing and other security awareness programs and training, cyber incident notification requirements, and Artificial Intelligence policies. 10.3 Franchisee shall require its manager (if Franchisee is a corporation, limited liability company, or partnership) and any personnel having access to any confidential information of Franchisor to execute covenants that they will maintain the confidentiality of information they receive in connection with their employment by Franchisee. Such covenants shall be in a form satisfactory to Franchisor including, but not limited to, specific identification of Franchisor as a third party beneficiary of such covenants with the independent right to enforce them.

11.2 All Gross Revenues, state, county or municipal sales tax, and charges collected on behalf of third parties shall be recorded by Franchisee in accordance with applicable law and as required in the Manual or otherwise directed by Franchisor from time to time.

11.3 Franchisee shall, at Franchisee's expense, submit to Franchisor in the form and manner prescribed by Franchisor, the following reports, financial statements, and other data:

11.3.1 No later than the fifth (5th) day of each month, reports accurately reflecting and/or confirming all Gross Revenues and all home inspections performed during the preceding calendar month must be submitted electronically to Franchisor in the manner proscribed by Franchisor from time to time;

11.3.2 Within ninety (90) days after the end of each fiscal year of the Pillar To Post home inspection franchise, financial statements prepared on a review basis by an independent certified public accountant approved by Franchisor, showing the results of operations of the Pillar To Post home inspection franchise during said fiscal year, including, but not limited to, a Profit and Loss Statement, a Balance Sheet, and an Income Statement; and

11.4 Franchisor and its designated agents shall have the right at all reasonable times during normal business hours to examine and copy, at Franchisor's expense, the books, records, computer systems, computer records, accounts, and tax returns (the "Books") of the Pillar To Post home inspection franchise. Franchisor shall also have the right, at any time, to have an independent audit made of the Books of the Pillar To Post home inspection franchise. If an inspection should reveal that any payments have been understated in any report to Franchisor, then Franchisee shall immediately pay to Franchisor the amount understated upon demand, plus interest thereon from the date such amount was due until paid, at the rate of eighteen (18%) percent per annum calculated daily or the maximum rate permitted by law, whichever is less. If an inspection discloses an understatement in any report of two (2%) percent or more, Franchisee shall, in addition to repayment of monies owed with interest, reimburse Franchisor for any and all costs and expenses connected with the inspection (including, but not limited to, travel, lodging, wage expenses, and reasonable accounting and legal costs). The foregoing remedies shall be in addition to any other remedies Franchisor may have.

12. ADVERTISING AND PROMOTION

12.1 Franchisee shall pay to the Pillar To Post promotion and advertising fund (the “Brand Fund”) a continuing monthly brand fee equal to four percent (4%) of the Gross Revenues of the Pillar To Post home inspection franchise (the “Brand Fee”), computed from the first (1st) day of the month following the Training Completion Date.

12.2 The Brand Fund shall be maintained and administered by Franchisor as follows:

12.2.1 Franchisor shall direct all advertising and promotional programs, with sole discretion over the concepts, materials, and media used in such programs and the placement and allocation thereof. Franchisee agrees and acknowledges that the Brand Fund is intended to maximize general public recognition, acceptance, and use of the Pillar To Post System; and that Franchisor is not obligated, in administering the Brand Fund, to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contribution, or to ensure that any particular franchisee benefits directly or pro rata from expenditures by the Brand Fund;

12.2.2 The Brand Fund, all contributions thereto, and any earnings thereon, shall be used exclusively to meet any and all costs of maintaining, administering, directing, conducting, and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities which Franchisor believes will enhance the image of the Pillar To Post System, including, among other things, the costs of preparing and conducting media advertising campaigns; direct-mail advertising; marketing surveys; employing advertising and/or public relations agencies to assist therein; purchasing promotional items; and providing promotional and other marketing materials and services to the businesses operating under the Pillar To Post System; and

12.2.3 Franchisee shall contribute to the Brand Fund by separate payments made directly to the Brand Fund. All sums paid by Franchisee to the Brand Fund shall be maintained in an account separate from the other monies of Franchisor and shall not be used to defray any of Franchisor's expenses, except for such reasonable costs and overhead, if any, as Franchisor may incur in activities reasonably related to the direction and implementation of the Brand Fund and advertising programs for franchisees and the Pillar To Post System, including, among other things, costs of personnel for creating and implementing advertising, promotional, and marketing programs. The Brand Fund and any earnings thereon shall not otherwise inure to the benefit of Franchisor. Franchisor shall maintain separate bookkeeping accounts for the Brand Fund.

12.3 All advertising and promotion by Franchisee shall be in such media and of such type and format as Franchisor may approve, shall be conducted in a dignified manner, and shall conform to the mandatory policies, practices, procedures, regulations and standards established by Franchisor from time to time. Franchisee shall not use any advertising or promotional plans or materials unless and until Franchisee has received written approval from Franchisor, pursuant to the procedures and terms set forth in Section 12.5 of this Agreement.

12.4 Franchisor may, in its sole discretion, make available to Franchisee from time to time, advertising plans and promotional materials, including coupons, merchandising materials, sales aids, point-of-purchase materials, special promotions, direct mail materials, email accounts,

social media accounts, electronic promotional materials, and other advertising and promotional materials.

12.5 Franchisee shall submit samples of all advertising and promotional plans and materials to Franchisor for its approval at least thirty (30) days prior to its proposed use (except with respect to prices to be charged by Franchisee), if such plans and materials have not been prepared or previously approved by Franchisor. If written notice of disapproval is not received by Franchisee from Franchisor within thirty (30) days of the date of receipt by Franchisor of such samples or materials, Franchisor shall be deemed to have approved them.

12.6 Franchisee may not maintain an internet website, internet-based application, social media presence, or otherwise maintain a presence or advertise on the internet or any other public computer network in connection with the Pillar To Post home inspection franchise without Franchisor's prior written approval, which Franchisor may withhold for any reason or no reason.

12.6.1 Franchisee agrees to submit to Franchisor for approval before use true and correct electronic copies or proofs of all website pages, software applications or social media presence Franchisee proposes to use in connection with the Pillar To Post home inspection franchise. Franchisee understands and agrees that Franchisor's right of approval of all such materials is necessitated by the fact that such materials will include and be inextricably linked with the Marks. Franchisee may only use material that Franchisor has approved.

12.6.2 Franchisee's website, application or social media presence must conform to all of the mandatory policies, practices, procedures, regulations and standards established by Franchisor from time to time, whether set forth in the Manual or otherwise. Franchisee agrees to provide all hyperlinks or other links that Franchisor requires.

Franchisee may not post any of Franchisor's proprietary, confidential or copyrighted material or information on its website, application or through social media without Franchisor's prior written approval. If Franchisee wishes to modify its approved website, application or social media presence, all proposed modifications must also receive Franchisor's prior written approval.

12.6.4 Franchisee explicitly understands that it may not post on its website, application or through social media any material which any third party has any direct or indirect ownership interest in (including, without limitation, video clips, photographs, sound bites, copyrighted text, trademarks, service marks, or any other text or image which any third party may claim intellectual property ownership interests in).

12.6.5 Franchisee agrees to list on its website, application or social media presence any website maintained by Franchisor, and any other information Franchisor requires in the manner Franchisor dictates.

12.6.6 Franchisee agrees to obtain Franchisor's prior written approval for any internet domain name, home page address, software application or other internet or social media identification address.

12.6.7 The requirement of Franchisor's prior approval set forth in this Section 12.6 will apply to all activities by Franchisee on the internet, any software application, any social media platform or any other communication networks, including, but not limited to, any website, any application, any social media presence, or any email account other than the email account provided in accordance with Section 3.7 of this Agreement.

13.1 Franchisee shall obtain and maintain at Franchisee's sole cost and expense, and keep in full force and effect during the term of this Agreement, such types and amounts of insurance as required by Franchisor, as set forth in this Agreement, the Manual, or other written policies, as they may be updated from time to time. Franchisee agrees to name Franchisor and its parent, FS Brands, Inc., as additional insureds ("Additional Insureds") on all policies, except for any required workers' compensation and employers' liability policies. Each such policy shall provide that the policy is primary over the coverage of Franchisor; cannot be canceled without thirty (30) days prior written notice to Franchisor; and shall insure Franchisee's contractual liability.

13.2 Franchisee's obligation to obtain and maintain the insurance policies specified by Franchisor from time to time shall not be limited in any way by reason of any insurance that may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 20.3 of this Agreement.

13.3 All public liability and property damage insurance policies shall contain a provision that the Additional Insureds, although named as an insured, shall nevertheless be entitled to recover under such policies on any loss occasioned to the Additional Insureds or their respective officers, directors, servants, agents, or employees by reason of the negligence or intentional act or omission of Franchisee or its officers, directors, servants, agents, or employees.

13.4 Prior to the commencement of any operations under this Agreement, and thereafter at least fifteen (15) days prior to the expiration of any insurance policy, Franchisee shall deliver to Franchisor Certificates of Insurance evidencing the proper types and minimum amounts of coverage. All Certificates of Insurance shall expressly provide that no less than thirty (30) days prior written notice shall be given to Franchisor in the event of material alteration to or cancellation of the coverage evidenced by such Certificates of Insurance.

14. TRANSFER OF INTEREST

14.1 This Agreement and all rights and duties hereunder may be freely assigned or transferred by Franchisor in its sole discretion to any person or legal entity which agrees to assume Franchisor's obligations hereunder, including a competitor of Franchisor, and shall be binding upon and inure to the benefit of Franchisor's successors and assigns including, but not limited to, any entity which acquires all or a portion of the stock of Franchisor or any entity

resulting from or participating in a merger, consolidation or reorganization in which Franchisor is involved, and to which Franchisor's rights and duties hereunder are assigned or transferred.

14.2 Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted this franchise in reliance on many factors, including, but not limited to, Franchisee's (or, if Franchisee is a corporation, limited liability company, or partnership, its principal's or principals') business skill, financial capacity, and personal character. Accordingly, neither Franchisee nor any immediate or remote successor, heir, executor, administrator, or assignee to any part of Franchisee's interest in this Agreement or the Pillar To Post home inspection franchise, nor any individual, partnership, corporation, limited liability company, or other legal entity which directly or indirectly owns any direct or indirect interest in Franchisee or the Pillar To Post home inspection franchise shall directly or indirectly sell, assign, transfer, convey, pledge, mortgage, give away, or otherwise encumber any direct or indirect interest in this Agreement or any portion thereof, in Franchisee, in the Pillar To Post home inspection franchise, in any equity or voting interest in Franchisee, or in all or substantially all of the assets of the Pillar To Post home inspection franchise, nor permit the Pillar To Post home inspection franchise to be operated, managed, directed or controlled, directly or indirectly, by any person or entity other than Franchisee (any such act or event is referred to as a "Transfer") without the prior written consent of Franchisor, which written consent shall not be unreasonably withheld. Any purported Transfer occurring by operation of law or otherwise, including any Transfer by a trustee in bankruptcy, without the prior written consent of Franchisor required by this Section 14.2 shall be null and void, shall constitute a material breach of this Agreement, and shall subject this Agreement to immediate termination without opportunity to cure in accordance with Section 15.2.8 of this Agreement. In the event the Franchisee is a corporation or limited liability company, the stock or membership units of such corporation or limited liability company shall not be publicly sold or traded on any securities exchange or in the over-the-counter market without the prior written consent of Franchisor

14.3 Franchisee understands and acknowledges the vital importance of the performance of Franchisee to the market position and overall image of Franchisor. Franchisee also recognizes that there are many subjective factors that comprise the process by which Franchisor selects a suitable franchise owner. Therefore, Franchisee shall notify Franchisor in writing of any proposed Transfer of any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Pillar To Post home inspection franchise at least thirty (30) days before such Transfer is proposed to take place. Franchisor shall not unreasonably withhold its consent to any Transfer, but if a Transfer, alone or together with other previous, simultaneous, or proposed Transfers, would have the effect of changing control of Franchisee, this Agreement, or all or substantially all of the assets of the Pillar To Post home inspection franchise, Franchisor may, in its sole subjective discretion, require any or all of the following as conditions of its approval:

14.3.1 That the transferee (and, if the transferee is other than an individual, such owners of a beneficial interest in the transferee as Franchisor may request) demonstrate to Franchisor's satisfaction that it meets Franchisor's educational, managerial, and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to operate the Pillar To Post home inspection franchise

(as may be evidenced by prior related business experience or otherwise), and has adequate financial resources and capital to operate the Pillar To Post home inspection franchise;

14.3.2 That all of Franchisee's accrued monetary obligations and all other outstanding obligations to Franchisor and its affiliates have been satisfied;

14.3.3 That Franchisee is not in default of any provision of this Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its affiliates;

14.3.4 That Franchisee pay a transfer fee in an amount equal to \$4,000.00, plus any applicable taxes, to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the application to transfer, including, but not limited to, legal and accounting fees;

14.3.5 That Franchisee shall have procured, at Franchisee's expense, an extended coverage insurance policy protecting Franchisee, Franchisor, and their respective officers, directors, partners, and employees against any demand or claim with respect to any loss or expense arising from operation of the Pillar To Post home inspection franchise. Such policy shall be written by a responsible carrier acceptable to Franchisor, shall name Franchisor as additional insured, and shall provide at least the types and minimum amounts of coverage specified in this Agreement or in the Manual from time to time. The term of the extended coverage period shall not be less than two (2) years;

14.3.6 That the transferor shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and their officers, directors, shareholders, and employees;

14.3.7 That Franchisee remain liable for all of the obligations to Franchisor in connection with the Pillar To Post home inspection franchise which arose prior to the effective date of the transfer, including, but not limited to, any claim or obligation under Section 20.3 of this Agreement, and execute any and all instruments reasonably requested by Franchisor to evidence such liability;

14.3.8 That the transferee (or, if the transferee is a corporation, limited liability company, or partnership, the manager designated by transferee acceptable to Franchisor, which manager must be a shareholder, member, or partner with a beneficial interest of fifty (50%) percent or more of the transferee) at the transferee's expense, take and complete, to Franchisor's sole subjective satisfaction, the Initial Training Program then in effect for franchisees and managers upon such terms and conditions as Franchisor may reasonably require;

14.3.9 That the transferee execute, for a term ending on the expiration date of this Agreement and with such renewal terms as may be provided by this Agreement, the then-current form of franchise agreement and other ancillary agreements as Franchisor may require for the Pillar To Post home inspection franchise, which agreements shall supersede this Agreement in all respects, or upon the agreement of the parties a new then

current form of Franchise Agreement and other ancillary agreements which may be for the full term of this Agreement with the full terms of renewal as may be provided by this Agreement;

14.3.10 That the transferee (and, if the transferee is other than an individual, such owners of any beneficial interest in the transferee as Franchisor may request) enter into a written assignment, in a form satisfactory to Franchisor, assuming and agreeing to discharge all of Franchisee's obligations under this Agreement; and, if the obligations of Franchisee were guaranteed by the transferor or its owners, that the transferee and its owners guarantee the performance of all such obligations in writing in a form satisfactory to Franchisor; and

14.3.11 If the transferor or its owners executed a guarantee, indemnification, and acknowledgement of Franchisee's obligations under this Agreement, that the transferee and its owners execute a guarantee, indemnification, and acknowledgement of all such obligations.

Franchisee acknowledges and agrees that each condition that must be met by the transferee and its owners is necessary to assure such transferee's full performance of the obligations hereunder.

14.4 Franchisee shall not grant a security interest in the Franchise Agreement, the Pillar To Post home inspection franchise or in any of the assets of the Pillar To Post home inspection franchise unless the secured party agrees that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of Franchisee, and any acceleration of indebtedness due to Franchisee's default shall be void.

14.5 If any party holding any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Pillar To Post home inspection franchise desires to accept any bona fide offer from a third party to purchase such interest, Franchisee shall notify Franchisor in writing. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of such written notification, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party. If Franchisor elects to purchase the seller's interest, closing on such purchase shall occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. If Franchisor elects not to purchase the seller's interest, any material change thereafter in the terms of the offer from a third party shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of the third party's initial offer. Failure of Franchisor to exercise the option afforded by this Section 14.5 shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 14 with respect to a proposed transfer. In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the cash consideration, an independent appraiser shall be designated

by Franchisor at Franchisor's expense, to determine the cash consideration and the appraiser's determination shall be binding.

14.6 In the event of the death or incapacity of Franchisee (or, if Franchisee is a corporation, limited liability company, or partnership, any person with an interest in Franchisee or in all or substantially all of the assets of the Pillar To Post home inspection franchise), the heirs, beneficiaries, devisees, executors, administrators or other legal representatives of Franchisee shall, within one hundred twenty (120) days of such event:

14.6.1 Apply to Franchisor for the right to continue to operate the Pillar To Post home inspection franchise for the duration of the term of this Agreement and any renewals hereof, which right shall be granted provided the surviving spouse, heirs or estate shall satisfy all of the then-current qualifications for a purchaser of a Franchise; or

14.6.2 Sell, assign, transfer, or convey Franchisee's interest in compliance with the provisions of Sections 14.3 and 14.5 of this Agreement; provided, however, that in the event a proper and timely application for the right to continue to operate the Pillar To Post home inspection franchise has been made by Franchisee and rejected by Franchisor, the one hundred twenty (120) days to sell, assign, transfer, or convey the Pillar To Post home inspection franchise shall be computed from the date of said rejection.

Franchisee will have the right (but not the obligation) to take over operation of the Pillar To Post home inspection franchise until either Section 14.6.1 or Section 14.6.2 is complied with and to charge a reasonable management fee for such services. For purposes of this Section, "incapacity" means any physical or mental infirmity that will prevent the person from performing his or her obligations under this Agreement (i) for a period of 30 or more consecutive days or (ii) for 60 or more total days during a calendar year.

14.7 If the provisions of Section 14.6 have not been fulfilled within the time provided, all rights granted to Franchisee under this Agreement shall, at the option of Franchisor, terminate immediately and automatically revert to Franchisor.

14.8 Notwithstanding the foregoing, it is understood that Franchisee (if an individual, natural person) may assign this Agreement on one occasion to a corporation or limited liability company organized by Franchisee for that purpose only, provided that at least a majority of all the issued and outstanding shares of voting stock, membership units, and equity interests are owned and voted continuously by Franchisee, and further provided that Franchisor shall have approved in advance all other shareholders of such corporation or members of such limited liability company holding equity or voting interests, which approval shall not be unreasonably withheld. Franchisor shall be given written notice of such assignments and delegation, and thereupon such corporation or limited liability company shall have all such rights and obligations, and the terms "Franchisee" and "Pillar To Post home inspection franchise" as listed herein shall refer to such corporation or limited liability company; provided, however, that such assignment shall in no way affect the obligations hereunder of the individual above designated "Franchisee," who shall execute Franchisor's standard form personal guaranty and remain fully bound by and responsible for the performance of all such obligations, jointly and severally, with such corporation or limited liability company. Such corporation or limited liability company

shall at no time engage in any business or activities other than the exercise of the rights herein granted to Franchisee and the performance of its obligations as Franchisee hereunder. Unless the assignment provided in this Section 14.8 occurs within six (6) months of the execution of this Agreement, Franchisee shall pay a fee of \$1,000.00 to Franchisor to cover the reasonable costs and expenses associated with document preparation and review for such assignment.

14.9 Franchisor's consent to a Transfer of any interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Pillar To Post home inspection franchise shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand strict compliance with any of the terms of this Agreement by the transferor or transferee.

14.10 If, prior to serious negotiations with Franchisee or one of Franchisee's owners, the transferee was referred by Franchisor to Franchisee after having contact with Franchisor or someone acting on Franchisor's behalf, then Franchisee shall pay Franchisor a referral fee in the amount of \$5,000 due at closing of any transfer to the referred transferee.

15. DEFAULT AND TERMINATION

15.1 Franchisee shall be deemed to be in default under this Agreement, and all rights granted to Franchisee herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Franchisee or such a petition is filed against and not opposed by Franchisee; if Franchisee is adjudicated a bankrupt or insolvent; if a receiver of Franchisee for Franchisee's business or assets is appointed; if a receiver of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if a final judgment remains unsatisfied or of record for thirty (30) days or longer; if Franchisee is dissolved; if suit to foreclose any lien or mortgage against the Approved Location or equipment is instituted against Franchisee and not dismissed within sixty (60) days; if the real or personal property of the Pillar To Post home inspection franchise shall be seized and sold; or if execution is levied against Franchisee's business or property.

15.2 Upon the occurrence of any of the following events of default, Franchisor may, at its option, terminate all rights granted to Franchisee hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon receipt of notice by Franchisee:

15.2.1 If Franchisee, in Franchisor's sole subjective discretion, fails to satisfactorily complete the Initial Training Program or any other required training;

15.2.2 If Franchisee, in Franchisor's sole subjective discretion, fails to satisfactorily complete the start-up business operations, inspections and marketing program;

15.2.3 If Franchisee fails to obtain an Approved Location for the Pillar To Post home inspection franchise within the time limits provided in Section 1.3 of this Agreement;

15.2.4 If Franchisee fails to open the Pillar To Post home inspection franchise for business within the time limits provided in Section 5.2 of this Agreement;

15.2.5 If Franchisee at any time ceases to operate or otherwise abandons the Pillar To Post home inspection franchise, or loses the right to possession of the Approved Location, or otherwise forfeits the right to do or transact business in the jurisdiction where the Pillar To Post home inspection franchise is located. However, if, through no fault of Franchisee, the Approved Location is damaged or destroyed by an event such that repairs or reconstruction cannot be completed within ninety (90) days thereafter, then Franchisee shall have sixty (60) days after such event in which to apply for Franchisor's approval to relocate the Approved Location, which approval shall not be unreasonably withheld;

15.2.6 If Franchisee is convicted of or pleads guilty or "nolo contendere" to a felony, a crime involving moral turpitude or any other crime that Franchisor believes is injurious to the Pillar To Post System, the Marks, the goodwill associated therewith, or Franchisor's interest therein, or if Franchisor has proof that Franchisee has committed such a felony, crime or offense;

15.2.7 If a threat or danger to public health or safety results from the operation of the Pillar To Post home inspection franchise;

15.2.8 If any purported assignment or transfer of any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Pillar To Post home inspection franchise is made to any third party without Franchisor's prior written consent, contrary to the terms of Section 14 of this Agreement;

15.2.9 If Franchisee fails to comply with the covenants in Sections 7.3.1 and 7.3.2 of this Agreement;

15.2.10 If Franchisee fails to meet the minimum Gross Revenues requirements in Section 7.5 of this Agreement for two (2) consecutive twelve (12) month periods;

15.2.11 If an approved transfer is not effectuated within the time provided following death or mental incapacity, as required by Section 14.6 of this Agreement;

15.2.12 If Franchisee fails to comply with the covenants in Section 17.2 of this Agreement or fails to obtain execution of the covenants required under Sections 10.2 or 17.7 of this Agreement;

15.2.13 If, contrary to the terms of Sections 9 or 10 of this Agreement, Franchisee discloses or divulges the contents of the Manual, the Technology Platform or other confidential information provided to Franchisee by Franchisor;

15.2.14 If Franchisee knowingly maintains false books or records, or submits any false reports to Franchisor;

15.2.15 If Franchisee misuses or makes any unauthorized use of the Marks or any other identifying characteristics of the Pillar To Post System, or otherwise materially impairs the goodwill associated therewith or Franchisor's rights therein;

15.2.16 If Franchisee refuses to permit Franchisor to inspect the Approved Location, any vehicles used in operation of the Pillar To Post home inspection franchise, or the books, records, or accounts of Franchisee upon demand;

15.2.17 If Franchisee fails to comply with the provisions of Section 13.1 of this Agreement with respect to maintaining insurance coverage for the Pillar To Post home inspection franchise and for the Franchisor. In the event that Franchisee fails to maintain the required insurance coverage by failing to remit a renewal premium on a timely basis, Franchisor shall have the option of paying the past due premium on Franchisee's behalf or terminating this Agreement. If Franchisor elects to pay the premium on Franchisee's behalf, Franchisee shall be required to reimburse Franchisor for that amount;

15.2.18 If Franchisee receives from Franchisor three (3) or more notices to cure a default or violation of this Agreement during any twelve (12) month period, whether or not the default or violation is cured after notice;

15.2.19 If Franchisee fails to comply with the provisions of Section 9 of this Agreement with respect to implementing each new or changed Technology Platform requirement; or

15.2.20 If Franchisee fails to comply with the provisions of Section 6.2 of this Agreement regarding attendance at all required conferences, meetings, training courses, seminars, and programs, including required regional training programs and the annual convention, unless excused in advance and in writing by Franchisor.

15.3 If Franchisee fails, refuses, or neglects promptly to pay any monies owing to Franchisor or its affiliates when due or to submit the financial or other information required by Franchisor under this Agreement, Franchisee shall have ten (10) days after its receipt from Franchisor of a written notice of default within which to cure the default. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee, effective immediately upon the expiration of the cure period.

15.4 Except as otherwise provided in Sections 15.1, 15.2, and 15.3 of this Agreement, Franchisee shall have thirty (30) days after its receipt from Franchisor of a written notice of default within which to remedy any other default under this Agreement and to provide evidence thereof to Franchisor. Franchisee may avoid termination by immediately initiating a remedy to cure such default and curing it to Franchisor's satisfaction within the thirty (30) day period (or within such longer time period as Franchisor may reasonably specify), and by promptly providing proof thereof to Franchisor. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee, effective immediately upon the expiration of the cure period. Franchisee shall be in default pursuant to this Section 15.4 for failure substantially to comply

with any of the requirements imposed by this Agreement, as it may from time to time be reasonably supplemented by the Manual, or failure to carry out the terms of this Agreement in good faith. Such defaults include, but are not limited to, the following:

15.4.1 If Franchisee fails to operate the Pillar To Post home inspection franchise in strict compliance with the mandatory policies, procedures, regulations and standards prescribed by Franchisor in this Agreement, the Manual, or otherwise in writing;

15.4.2 If Franchisee fails to offer Franchisor's Plus, Premium and Prestige packages or such other packages of goods and services as established by Franchisor from time to time as required by Sections 7.3 and 7.4 hereof;

15.4.3 If Franchisee fails to maintain minimum levels of qualified staff as required by Section 7.14 of this Agreement;

15.4.4 If Franchisee fails to promptly pay all Franchisee's expenses incurred in the operation of the Pillar To Post home inspection franchise;

15.4.5 Except as provided in Section 15.2.8 hereof, if Franchisee fails, refuses, or neglects to obtain Franchisor's prior written approval or consent as required by this Agreement;

15.4.6 If Franchisee acts, or fails to act, in any manner which is inconsistent with or contrary to its lease or sublease for the Approved Location, or in any way jeopardizes its right to renewal of such lease or sublease; or

15.4.7 If Franchisee engages in any business or markets any service or product under a name or mark which, in Franchisor's opinion, is confusingly similar to the Marks.

15.5 If Franchisee commits any action, or any other event occurs, which constitutes grounds for termination of this Agreement, Franchisor has the option, but not the obligation to: (i) reduce or modify the Territory; (ii) suspend Franchisee's right to access the Technology Platform or any other systems used by the Pillar To Post System; (iii) suspend Franchisee's right to receive requests for inspections generated through telephone call centers, websites, or other centralized marketing platforms utilized by the Pillar To Post System; (iv) suspend Franchisee's right to acquire goods and services from designated suppliers; and/or (v) suspend Franchisee's right to operate the Pillar To Post home inspection system. Such actions will take effect immediately upon Franchisor's written notice to Franchisee. If Franchisor reduces or modifies the Territory, Franchisee may not thereafter open and operate the Pillar To Post home inspection franchise in the portion of the Territory withdrawn from Franchisee. Franchisor's election of any of these remedies will not preclude Franchisor from invoking its right to terminate this Agreement if the act or event constituting grounds for termination continues to exist.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to Franchisee shall forthwith terminate, and:

16.1 Franchisee shall immediately cease to operate the Pillar To Post home inspection franchise, and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

16.2 Franchisee shall immediately cease to use, in any manner whatsoever, any confidential methods, procedures, and techniques associated with the Pillar To Post System; the Marks, and all other distinctive forms, slogans, signs, domain names, symbols, and devices associated with the Pillar To Post System. Without limiting the foregoing, Franchisee shall immediately cease to use all signs, advertising materials, vehicle wraps, displays, stationery, forms, brochures, business cards, products, domain names and any other articles that display the Marks.

16.3 Franchisee shall immediately cancel any trade or fictitious name registration or similar registrations obtained by Franchisee which contain or reference any of the Marks. Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within ten (10) days after termination or expiration of this Agreement.

16.4 Franchisee shall immediately transfer or assign to Franchisor or to its designee all telephone numbers used in operation of the Pillar To Post home inspection franchise, including, but not limited to, all telephone numbers for any office lines, cell phone lines, and the Business Lines (as defined in Section 9.5 of this Agreement). At Franchisor's election, Franchisee shall transfer or assign to Franchisor or cancel and cause to be removed from further publication or display, whether print or electronic, all telephone advertisements and listings, websites, domain names, internet or social media addresses, contacts or accounts, and all other sources of advertisement and promotion used in operation of the Pillar To Post home inspection franchise. Without limiting the generality of the foregoing, Franchisee shall execute all documentation required to effectuate (i) the transfer or assignment of the telephone numbers provided herein and in Section 9.5 of this Agreement; and (ii) the transfer and assignment of the other rights and accounts provided herein and in Section 8.4 of this Agreement. Franchisee appoints Franchisor its true and lawful agent and attorney-in-fact to take such action and to execute all such documents in its name and on its behalf as may be necessary to complete these assignments and cancellations on behalf of Franchisee. Franchisee shall not use the telephone numbers, advertisements, listings, websites, domain names, internet or social media addresses, contacts or accounts, or any other sources of advertisement and promotion used in operation of the Pillar To Post home inspection franchise in connection with any other business owned, operated by or affiliated with Franchisee or its owners, or for any other purpose whatsoever.

16.5 Franchisee shall immediately make such modifications or alterations to the Approved Location and any vehicles used in operation of the Pillar To Post home inspection franchise as may be necessary to distinguish the appearance of the Approved Location and such vehicles from those used by other Pillar To Post home inspection franchises under the Pillar To

Post System, and shall make such specific additional changes thereto as Franchisor may reasonably request for that purpose.

16.6 Franchisee shall immediately cease using or operating any Online Presence related to the Pillar To Post home inspection franchise or the Marks and take any action as may be required to disable such Online Presence. At Franchisor's election, Franchisee shall transfer exclusive control and access of such Online Presence to Franchisor. For purposes of this Section 16.6, "Online Presence" shall mean any website, domain name, email address, social media account, username, other online presence, or presence on any electronic medium of any kind.

16.7 In the event Franchisee continues to operate or subsequently begins to operate any other business, Franchisee shall not use any reproduction, counterfeit, copy, or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, which, in Franchisor's opinion, is likely to cause confusion, mistake, or deception, or which, in Franchisor's opinion, is likely to dilute Franchisor's rights in and to the Marks. Franchisee shall not use any designation of origin or description or representation, which, in Franchisor's opinion, falsely suggests or represents an association or connection with Franchisor.

16.8 Franchisee shall immediately pay all sums owing to Franchisor and its affiliates. In the event of termination for any default of Franchisee, such sums shall include all damages, costs, and expenses, including attorneys' fees and disbursements, incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid-in-full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee and used in the operation of the Pillar To Post home inspection franchise at the time of default.

16.9 Franchisee shall immediately pay to Franchisor all damages, costs, and expenses, including attorneys' fees and disbursements, incurred by Franchisor subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Article 16.

16.10 Franchisee shall immediately deliver to Franchisor the Manual and all other records, correspondence, and instructions containing confidential information relating to the operation of the Pillar To Post home inspection franchise, all of which are acknowledged to be the property of Franchisor, and shall retain no copy or record of any of the foregoing.

16.11 Franchisee shall immediately discontinue any use of the Technology Platform and any information or data generated with and stored by the Technology Platform, all of which are acknowledged to be property of Franchisor. Notwithstanding the foregoing, upon request made within ninety (90) days after termination or expiration of this Agreement, Franchisor shall make available to Franchisee a complete and secure download file in pdf format of each home inspection report generated with and stored by the Technology Platform. In the event Franchisee fails to timely request such data as provided herein, Franchisee shall relinquish all right and interest in such data, and Franchisor shall have no further obligation to maintain or store such data.

16.12 Franchisee shall immediately procure, at Franchisee's expense, an extended coverage insurance policy protecting Franchisee, Franchisor, and their respective officers, directors, partners, and employees against any demand or claim with respect to any loss or expense arising from operation of the Pillar To Post home inspection franchise. Such policy shall be written by a responsible carrier acceptable to Franchisor, shall name Franchisor as an additional insured, and shall provide at least the types and minimum amounts of coverage specified in the Manual as of the date of termination or expiration. The term of the extended coverage period shall not be less than two (2) years.

16.13 Franchisor shall have the option, to be exercised within thirty (30) days after termination, to purchase from Franchisee any or all of the furnishings, equipment, signs, and fixtures related to the operation of the Pillar To Post home inspection franchise at Franchisee's depreciated book value, to purchase any or all supplies and inventory of the Pillar To Post home inspection franchise at Franchisee's cost or depreciated book value, whichever is less, and to purchase any and all merchantable inventory of the Pillar To Post home inspection franchise bearing any of the Marks at Franchisee's cost minus twenty (20%) percent. If the parties cannot agree on the price of any such items within a reasonable time, an independent appraisal shall be conducted and the appraiser's determination shall be binding. If Franchisor elects to exercise any option to purchase herein provided, it shall have the right to set off all amounts due from Franchisee, and the cost of the appraisal, if any, against any payment therefore.

16.14 Franchisee shall comply with the covenants contained in Section 17.3 of this Agreement.

16.15 The provisions of Sections 10.1, 10.2, 16.1 through 16.15, 17.1 through 17.8, 20.3, 22, 24.1 through 24.6, and 25.1 through 25.11 of this Agreement shall survive expiration or termination of this Agreement.

17. ADDITIONAL COVENANTS

17.1 Franchisee covenants that during the term of this Agreement or any renewals thereof, except as otherwise approved in writing by Franchisor, Franchisee shall devote its full time and best efforts to the management and operation of the Pillar To Post home inspection franchise, and in recommending, promoting and encouraging patronage of all Pillar To Post home inspection franchises. If Franchisee is a corporation, limited liability company, or partnership, such Franchisee must select a shareholder with a beneficial interest of at least fifty percent (50%) of the voting shares of Franchisee, a member with a beneficial interest of at least fifty percent (50%) of the voting membership units of Franchisee, or a general partner or partners with a beneficial interest of at least fifty percent (50%) of Franchisee, acceptable to Franchisor in Franchisor's sole discretion, to devote his, her or their full time and best efforts to the Pillar To Post home inspection franchise. Such selection shall not be changed by Franchisee without the written consent of Franchisor.

17.2 Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee will receive valuable, specialized training and confidential information, including, but not limited to, information regarding the operation, sales, promotion, and marketing methods and techniques of Franchisor and the Pillar To Post System. Franchisee covenants that during the

term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee, or if Franchisee is a corporation or limited liability company, then its officers, directors, shareholders, and members shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity:

17.2.1 Divert or attempt to divert any present or prospective business or customer of any Pillar To Post home inspection franchise to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the Pillar To Post System; or

17.2.2 Own, maintain, operate, engage in, be employed by, provide any assistance to, or have any interest in (as owner or otherwise) any business that offers products or services which are the same as or similar to the products and services being offered by the Pillar To Post home inspection franchise under the Pillar To Post System.

17.3 Franchisee covenants that, except as otherwise approved in writing by Franchisor, Franchisee, or if the Franchisee is a corporation or limited liability company, then its officers, directors, shareholders, and members shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement (regardless of the cause for termination) and continuing for two (2) years thereafter (and in the case of any violation of this covenant, for two (2) years after the violation ceases), either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity, own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any business that offers products or services which are the same as or similar to the products or services offered by the Pillar To Post home inspection franchise under the Pillar To Post System within the Territory.

17.4 Sections 17.2.2 and 17.3 of this Agreement shall not apply to ownership by Franchisee of a less than five (5%) percent beneficial interest in the outstanding equity securities of any publicly-traded corporation which has securities registered under the Securities and Exchange Act of 1934.

17.5 Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 17.2 or 17.3 of this Agreement, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof; and Franchisee agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 23 hereof.

17.6 The covenants of this Section 17 shall be construed as agreements independent of any other provision in this Agreement or any other agreement by, between, among, or affecting Franchisor and Franchisee, and the existence of any claim or cause of action of Franchisee against Franchisor, whether based on this Agreement or otherwise, shall not constitute a defense to the enforcement of this Section 17. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 17.

17.7 At Franchisor's request, Franchisee shall obtain and furnish to Franchisor executed covenants similar in substance to those set forth in this Section 17 (including covenants applicable upon the termination of a person's relationship with Franchisee) from any or all of the following persons: (i) all managers of Franchisee and any other personnel employed by Franchisee who have received or will receive training from Franchisor; (ii) all officers, directors, and holders of a beneficial interest of five (5%) percent or more of the securities of Franchisee, and of any corporation or limited liability company directly or indirectly controlling, controlled by, or under common control with, Franchisee, if Franchisee is a corporation or limited liability company; and (iii) the general partners and any limited partners (including any corporation or limited liability company, and the officers, directors, and holders of a beneficial interest of five percent (5%) or more of the shares or membership units of any corporation or limited liability company which controls, directly or indirectly, any general or limited partner), if Franchisee is a partnership. Every covenant required by this Section 17.7 shall be in a form approved by Franchisor, including, but not limited to, specific identification of Franchisor as a third party beneficiary of such covenants with the independent right to enforce them.

18. CORPORATION, LIMITED LIABILITY COMPANY OR PARTNERSHIP FRANCHISEE

18.1 If Franchisee is a corporation, Franchisee shall comply with the following requirements:

18.1.1 Franchisee shall be newly organized and its charter shall at all times provide that its activities are confined exclusively to operating the Pillar To Post home inspection franchise;

18.1.2 Copies of Franchisee's Articles of Incorporation, Bylaws, unanimous shareholder agreements, and other governing documents, and any amendments thereto, including the resolution of the Board of Directors authorizing entry into this Agreement, shall be promptly furnished to Franchisor;

18.1.3 Franchisee shall maintain stop-transfer instructions on its records against the transfer of any voting securities; and each stock certificate of Franchisee shall have conspicuously endorsed upon its face a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement; provided, however, that the requirements of this Section 18.1.3 shall not apply to a publicly-held corporation; and

18.1.4 Franchisee shall maintain a current list of all owners of record and all beneficial owners of any class of voting securities of Franchisee and shall furnish the list to Franchisor upon request.

18.2 If Franchisee is a limited liability company, Franchisee shall comply with the following requirements:

18.2.1 Franchisee shall be newly organized and its Articles of Organization shall at all times provide that its activities are confined exclusively to operating the Pillar To Post home inspection franchise;

18.2.2 Copies of Franchisee's Articles of Organization, Operating Agreement, and other governing documents, and any amendments thereto, including the resolution of the members authorizing entry into this Agreement, shall be promptly furnished to Franchisor;

18.2.3 Franchisee shall maintain stop-transfer instructions on its records against the transfer of any voting membership units; and

18.2.4 Franchisee shall maintain a current list of all owners of record and all beneficial owners of any class of membership units of Franchisee and shall furnish the list to Franchisor upon request.

18.3 If Franchisee is a partnership, Franchisee shall comply with the following requirements:

18.3.1 Franchisee shall furnish Franchisor with a copy of its partnership agreement as well as such other documents as Franchisor may reasonably request, and any amendments thereto; and

18.3.2 Franchisee shall prepare and furnish to Franchisor, upon request, at any time, a list of all general and limited partners in Franchisee.

19. **TAXES, PERMITS, AND INDEBTEDNESS**

19.1 Franchisee shall promptly pay when due all taxes levied or assessed, including, but not limited to, unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by Franchisee in the operation of the Pillar To Post home inspection franchise. Franchisee shall pay to Franchisor an amount equal to any sales tax, gross receipts tax, use tax, or similar tax (other than income tax) imposed on Franchisor with respect to any payments to Franchisor required under this Agreement.

19.2 In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event shall Franchisee permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Approved Location, any improvements thereon, or any assets of Franchisee.

19.3 Franchisee shall comply with all federal, state, municipal and local laws, rules, and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Pillar To Post home inspection franchise, including, but not limited to, professional licenses, licenses to do business, trade or fictitious name registrations, and sales tax permits.

19.4 Franchisee shall immediately notify Franchisor in writing of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of the Pillar To Post home inspection franchise.

20. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

20.1 It is understood and agreed by the parties that this Agreement does not create a fiduciary relationship between them, that Franchisee shall be an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of the other for any purpose whatsoever.

20.2 During the term of this Agreement, Franchisee shall hold itself out to the public as an independent contractor operating the Pillar To Post home inspection franchise pursuant to a franchise agreement from Franchisor. Franchisee agrees to take such action as may be necessary to do so, including, but not limited to, exhibiting a notice of that fact in a conspicuous place at the Approved Location or in materials used by Franchisee, the content of which Franchisor reserves the right to specify.

20.3 Nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Franchisee in its operation of the business franchised hereunder or for any claim or judgment arising therefrom against Franchisee or Franchisor. Franchisee shall indemnify and hold Franchisor, and Franchisor's officers, directors, and employees harmless against any and all claims, losses, costs, expenses, liabilities, and damages arising directly or indirectly from, as a result of, or in connection with Franchisee's operation of the Pillar To Post home inspection franchise, as well as the costs, including attorneys' fees, of defending against them.

21. APPROVALS AND WAIVERS

21.1 Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefore and, unless specifically provided otherwise herein, such approval or consent by Franchisor must be obtained in writing.

21.2 Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefore.

21.3 No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand strict compliance with any of the terms hereof. Waiver by Franchisor of any particular default of Franchisee shall not affect or impair Franchisor's rights with respect to any subsequent default of the same, similar, or different nature; nor shall any

delay, forbearance, or omission of Franchisor to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof affect or impair Franchisor's right to exercise the same, nor shall such constitute a waiver by Franchisor of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by Franchisor of any payments due to it hereunder, in whole or in part, shall not be deemed to be a waiver by Franchisor of a preceding breach by Franchisee of any terms, covenants, or conditions of this Agreement. Franchisor may, in its sole discretion, waive or modify any obligation of other franchisees under agreements similar to this Agreement, and no such waiver or modification shall obligate Franchisor to grant a similar waiver or modification to Franchisee.

22. NOTICES

Any and all notices required or permitted under this Agreement (except for notices by Franchisor to Franchisee that apply to the entire System) shall be in writing and shall be personally delivered, sent by registered mail, sent by overnight delivery or sent by other means which affords the sender evidence of delivery or attempted delivery to the respective parties at the following addresses, unless and until a different address has been designated by written notice to the other party:

Tampa, Florida 33618
Attn: Chief Executive Officer

Notices to Franchisee:

Any notice by a means which affords the sender evidence of delivery or attempted delivery shall be deemed to have been given and received at the date and time of receipt or attempted delivery, provided, however, if delivery or attempted delivery is on a holiday or weekend, delivery shall be deemed to have been given and received on the next business day.

Franchisor may provide notices to Franchisee under this Agreement using any communication means regularly used by Franchisor for systemwide communications if the subject of the notice equally applies to all Pillar To Post franchisees in the System.

23. ENTIRE AGREEMENT

This Agreement, the preambles and exhibits to this Agreement, if any, and the documents referred to herein constitute the entire Agreement between Franchisor and Franchisee concerning

the subject matter hereof, and supersede any prior written or oral agreements or representations. Nothing in this or in any related agreement is intended to disclaim the representations made in the franchise disclosure document that was furnished by Franchisor to Franchisee. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

24. SEVERABILITY AND CONSTRUCTION

24.1 If, for any reason, any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such determination shall not impair the operation of, or have any other effect upon, any other portions, sections, parts, terms, provisions, and/or covenants of this Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions, and/or covenants shall be deemed not to be a part of this Agreement.

24.2 Any provision or covenant of this Agreement, which expressly or by its nature imposes obligations beyond the expiration or termination of this Agreement survive such expiration or termination.

24.3 Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, their respective officers, directors, and employees, and any of Franchisor's successors and assigns as may be contemplated by Section 14 of this Agreement any rights or remedies under or by reason of this Agreement.

24.4 Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, or that may result from striking from any of the provisions hereof any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an unappealed final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court or agency order.

24.5 This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but such counterparts together shall constitute one and the same instrument.

24.6 The headings and captions contained herein are for the purpose of convenience and reference only and are not to be construed as a part of this Agreement. All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. Unless specifically referenced otherwise, the parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement.

25. DISPUTE RESOLUTION AND APPLICABLE LAW

25.1 Except as otherwise provided in this Agreement, the parties agree that all controversies, claims or disputes between Franchisor and Franchisee of whatever kind or nature, whether arising out of or relating to the negotiation, performance or breach of this or any other agreement or otherwise, shall be submitted to and resolved by arbitration before a sole arbitrator and such arbitration shall be administered by the American Arbitration Association (“AAA”) under its Commercial Arbitration Rules, except the parties shall be entitled to limited discovery, including depositions. The parties acknowledge that the arbitrators’ subpoena power is not subject to geographical limitations. The arbitrator shall have the right to award the relief that he or she deems proper, consistent with the terms of this Agreement, including compensatory damages (with interest on unpaid amounts from date due), specific performance, injunctive relief, attorneys’ fees and costs. This provision encompasses all causes of action, whether nominally a “claim”, “counterclaim” or “cross-claim”, and whether arising under common law or any state or federal statute. Nothing herein shall limit Franchisor’s rights or remedies in connection with any action in any court of competent jurisdiction for injunctive or other provisional relief that Franchisor deems necessary or appropriate to compel Franchisee to comply with Franchisee’s obligations under this Agreement or to protect the Marks. The arbitration proceedings, including, without limitation, all conferences, preliminary hearings and dispositive hearings, shall be conducted in Tampa, Florida. The award and decision of the arbitrator shall be conclusive and binding on all parties. Judgment upon the arbitration award, including, without limitation, any interim award for interim relief, may be entered in any court with jurisdiction thereof. This arbitration provision shall be self-executing. If a party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party regardless of such failure to appear.

25.2 The Federal Arbitration Act and related federal judicial procedure shall govern this contract to the fullest extent possible, excluding all state arbitration law, irrespective of the location of the arbitration proceedings, the nature of the disputes between the parties or the nature of the court in which any related judicial proceedings may be brought. Except as provided in the preceding sentence respecting arbitration law, the resolution of all disputes between the parties hereunder, whether in tort and regardless of the place of injury or the place of the alleged wrongdoing or whether arising out of or related to the parties’ contractual relationship, shall be governed by the laws of the State of Florida, without regard to choice of law principles.

25.3 No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

25.4 FRANCHISOR AND FRANCHISEE KNOWINGLY, VOLUNTARILY AND INTENTIONALLY AGREE TO WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING. Any and all claims and actions arising out of or relating to this Agreement, the relationship of Franchisee and Franchisor, or Franchisee’s operation of the Pillar To Post home inspection franchise,

brought by any party hereto against the other, except for claims for payment of financial obligations of Franchisee, shall be commenced within one (1) year from the discovery of the facts giving rise to such claim or action, or such claim or action shall be barred.

25.5 FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR PUNITIVE, MULTIPLE, EXEMPLARY AND/OR CONSEQUENTIAL DAMAGES, EXCEPT THAT FRANCHISOR SHALL BE FREE AT ANY TIME HEREUNDER TO BRING AN ACTION FOR WILLFUL TRADEMARK INFRINGEMENT AND, IF SUCCESSFUL, TO RECEIVE AN AWARD OF MULTIPLE DAMAGES AS PROVIDED BY LAW.

25.6 FRANCHISOR AND FRANCHISEE EXPRESSLY AGREE THAT NO PARTY BOUND BY THIS AGREEMENT MAY RECOVER DAMAGES FOR ECONOMIC LOSS ATTRIBUTABLE TO NEGLIGENT ACTS OR OMISSIONS EXCEPT FOR CONDUCT WHICH IS DETERMINED TO CONSTITUTE GROSS NEGLIGENCE OR ANY INTENTIONAL WRONG.

25.7 FRANCHISOR AND FRANCHISEE EXPRESSLY AGREE THAT IN THE EVENT OF ANY FINAL ADJUDICATION OR APPLICABLE ENACTMENT OF LAW THAT PUNITIVE, MULTIPLE AND/OR EXEMPLARY DAMAGES MAY NOT BE WAIVED, ANY RECOVERY BY ANY PARTY IN ANY FORUM SHALL NEVER EXCEED TWO (2) TIMES ACTUAL DAMAGES, except for an award of multiple damages to Franchisor for willful trademark infringement, as provided by law.

25.8 Nothing herein contained shall bar Franchisor's right to obtain injunctive relief in a court of competent jurisdiction against threatened conduct that shall cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions; and Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining such relief.

25.9 This Agreement shall be deemed to have been made in, and shall be interpreted, construed and governed by the laws of, the State of Florida. Franchisee acknowledges that this Agreement is to be performed in part through services rendered to Franchisee in Florida.

25.10 NO PARTY SHALL INITIATE OR PARTICIPATE IN ANY CLASS ACTION LITIGATION CLAIM AGAINST ANY OTHER PARTY BOUND HEREBY.

25.11 The provisions of this Section 25 shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement, however effected.

25.12 No statement, questionnaire, or acknowledgement signed or agreed to by Franchisee in connection with the commencement of the franchise relationship under this Agreement shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by

Franchisor or any franchise seller or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with this Agreement.

26. FORCE MAJEURE

26.1 Franchisor shall not be liable to Franchisee, or be deemed to be in default of this Agreement, for any delay or failure of delivery of any products or services supplied by Franchisor to Franchisee resulting from any cause beyond Franchisor's reasonable control, including, but not limited to, weather conditions, acts of God, laws, regulations, or government orders, labor disputes, shortages of materials, or war, acts of terrorism, or civil unrest.

27. TIME OF ESSENCE

27.1 Time shall be of the essence for all purposes of this Franchise Agreement.

INTENDING TO BE LEGALLY BOUND, the parties hereto have duly executed this Agreement on the date first above written.

DISCLOSURE ADDENDA FOR REGISTRATION STATES

ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT FOR THE STATE OF CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

No person named in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. §78a, et seq., suspending or expelling such persons from membership in such association or exchange.

The California Business and Professions Code Section 20000-20043 provide rights to the Franchisee concerning termination, transfer or non-renewal for a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. ~~This provision may not be enforceable~~A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California lawBusiness and Professions Code Section 16600.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Tampa, Florida. This provision may not be enforceable in California. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement contains a provision requiring you to waive your right to punitive or exemplary damages against the franchisor or any of its representatives, limiting your recovery to actual damages. Under California Corporation Code Section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.

An interest rate charged to a California franchisee shall comply with the California Constitution. The interest rate shall not exceed either (a) 10% annually or (b) 5% annually plus the prevailing interest rate charged to banks by the Federal Reserve Bank of San Francisco, whichever is higher.

The financial performance representation does not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in the Franchise Disclosure Document, may be one source of this information.

The Franchise Agreement requires application of the laws of the State of Florida. This provision may not be enforceable under California law.

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of law.

No statements, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MICHIGAN**

THIS ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT REFLECTS CERTAIN REQUIREMENTS OF THE STATE OF MICHIGAN. IT IS BEING PROVIDED TO YOU AT THE SAME TIME AS THE FRANCHISE DISCLOSURE DOCUMENT REQUIRED BY THE FEDERAL TRADE COMMISSION, AND SHOULD BE REVIEWED IN CONJUNCTION WITH THE FRANCHISE DISCLOSURE DOCUMENT, OF WHICH THIS IS MADE A PART.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a. A prohibition on the right of a franchisee to join an association of franchisees.
- b. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement from settling any and all claims.
- c. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such failure.
- d. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishing not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advanced notice of franchisor's intent not to renew the franchise.

- e. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside the state.
- g. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but not be limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- h. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- i. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

~~In re: Franchise No Poaching Provisions (Pillar To Post, Inc.), Case No. 19-2-26769-1 SEA, State of Washington, King County Superior Court. In August 2019, the Attorney General of Washington initiated an investigation of us relating to “no poach” language in our franchise agreements that restricted a franchisee’s ability to solicit or hire workers from another competing franchisee or corporate-owned unit. On October 11, 2019, Pillar To Post, Inc.’s Assurance of Discontinuance (“AOD”) was approved by the court, pursuant to which we agreed to (i) no longer include no poach provisions in any future franchise agreements and (ii) no longer enforce no poach provisions in any existing franchise agreements. The no poach provision addressed in the AOD is a standard provision in many franchise agreements, and the Washington Attorney General has entered into AOD’s with over 200 franchisors.~~

In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights ~~executed by~~ in the franchise agreement or related agreements purporting to bind the franchisee may not include rights to waive compliance with any provision under the Washington Franchise Investment Protection Act or any ~~rule or order~~rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel—, in accordance with RCW 19.100.220(2). 6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which require the parties to deal with each other in good faith.

18. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

19. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

20. ~~6.~~ Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any ~~provisions~~provision contained in the franchise agreement or elsewhere that ~~conflict~~conflicts with these limitations ~~are~~is void and unenforceable in Washington.

21. ~~7.~~ Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

22. ~~8.~~ Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

23. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

~~INTENDING TO BE LEGALLY BOUND, the parties hereto have duly executed this Agreement on the date first above written.~~

24. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this Addendum.
