How to Use This Franchise Disclosure Document

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise, license and development agreements require you to resolve disputes with the franchisor by litigation only where the company's principal offices are located, which is currently San Diego, California. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

2. **Financial Condition**. The Franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the Franchisor's financial ability to provide services and support to you.

3. **Unopened Franchises**. The franchisor has signed ~~68~~35 franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you may also experience delays in opening your own outlet.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The franchisor is Different Rules, LLC ("the Company," "we," "us," or "our"). The franchisee is the person to whom we grant a franchise, and is referred to as "you."

We organized in Delaware on November 13, 2018 and conduct business as Jack in the Box®. Our principal business address is 9357 Spectrum Center Blvd, San Diego, California 92123.

On or about July 8, 2019 (the "Closing Date"), Jack in the Box Inc. ("JIB"), a Delaware corporation, and various of its direct and indirect subsidiaries, closed a securitization transaction involving the Jack in the Box brand (the "Securitization"), as part of which JIB and certain of its subsidiaries contributed certain of their assets, including intellectual property, real and personal property and equipment and related leases and subleases, notes and indebtedness of franchisees, and the business and related agreements concerning sourcing and sales of goods and services, to the Company or an affiliated entity within the securitization structure. All of the assets, including intellectual property, necessary to make the offering described in this disclosure document have been conveyed to the Company.

On the Closing Date, JIB ceased offering and selling new domestic franchises and contributed all then-existing U.S. Jack in the Box franchise agreements, development agreements, and related franchisee notes and guarantee agreements, among other assets, to us. Prior to this date, JIB offered and sold franchises in the U.S. As of the Closing Date, JIB entered into a management agreement with us to act as our manager ("Manager"). The primary responsibilities and activities of JIB as Manager include administering collections and performing certain franchising, marketing, development, real estate, intellectual property, technology, operational, and reporting services on our behalf. However, as franchisor, we will be responsible and accountable to you to make sure that all services we promise to perform under the agreements you sign with us are performed in compliance with the applicable agreement.

Our parent companies, each organized under Delaware law, are: Jack in the Box SPV Guarantor, LLC ("SPV"), and Jack in the Box Funding, LLC ("JIB Funding") and JIB, all which share our principal address.

We have offered franchises for Jack in the Box franchises since the Closing Date but we do not directly operate any Jack in the Box restaurants. JIB is our predecessor, as we obtained the majority of our assets from it through the Securitization. JIB previously offered franchises under the Jack in the Box brand name from 1971 until 1999 under its original name of Foodmaker, Inc., and as JIB from 1999 (when it changed its name) until the Closing Date.

As of September ~~29, 2024~~28, 2025, there were ~~150~~151 company owned Jack in the Box restaurants, and ~~2,040~~1,985 franchised *Jack in the Box* restaurants (or

"outlets"). The company owned Jack in the Box restaurants are operated by our affiliate, Jack in the Box Properties, LLC ("JIB Properties").

We have never offered franchises in any other line of business and are not engaged in any other business.

The addresses of our agents for service of process are listed on Exhibit C.

~~On March 8, 2022, Del Taco Holdings, Inc. ("DTH") was acquired by JIB pursuant to an Agreement and Plan of Merger Dated December 5, 2021 ("Merger"). As a result of the Merger, DTH is a wholly owned subsidiary of JIB. DTH is a corporation originally incorporated in Delaware on August 23, 2004. DTH is the parent of Del Taco LLC ("DTL), the franchisor for Del Taco Restaurants. DTL is a limited liability company formed in Delaware as of March 23, 2006 by virtue of the conversion of Del Taco, Inc. into a limited liability company. Del Taco, Inc. was originally incorporated in Delaware on January 21, 1988. DTH and DTL have their principal places of business at 25521 Commercentre Drive, Suite 150, Lake Forest, California 92630. DTL has operated and franchised Del Taco Restaurants since February 1990. "Del Taco" restaurants offer quick service dining featuring primarily Mexican-American foods like tacos and burritos, along with burgers, shakes, French Fries, breakfast items, soft drinks, and similar food and beverage items. As of September 29, 2024, there were 133 *Del Taco* restaurants operated by DTR and 461 franchised *Del Taco* restaurants. In May 2025, JIB announced that it was exploring strategic options relating to the Del Taco brand which include divestiture.~~

Our Affiliates

As described more fully below, the Company has the following affiliates that offer franchises for sale or provide services to our franchisees. These affiliates have the same principal address as the Company. These affiliates do not now and have never offered franchises in any line of business and are not engaged in any other business. The affiliates are:

- JIB Stored Value Cards, LLC is a Virginia limited liability company that provides gift card services to our franchised and company owned restaurants. This affiliate does not operate the type of business you will operate.

- JIB Properties is a Delaware limited liability company that owns and operates *Jack in the Box* restaurants, the same type of business to be operated by you, in several states. You might lease the premises from JIB Properties.

Jack in the Box Restaurants

We offer franchises for the operation of *Jack in the Box* restaurants. *Jack in the Box* restaurants offer a variety of foods: primarily hamburgers, specialty sandwiches, french fries, tacos, salads, bowls, drinks and side items. The restaurants are operated under a uniform operating system that includes standards for: the building and décor;

uniforms; the purchase, preparation and sale of foods; and the operations of the restaurant. Most of our restaurants have drive-thru windows and a seating capacity ranging from 20 to 100 people. We also have some restaurants that are drive-thru only or with limited seating capacity, and nontraditional locations. The term nontraditional location includes, but is not limited to, airports, train stations, bus stations, stadia, arenas, other sports facilities, hotels, resorts, convention centers, military facilities, schools, colleges, universities, hospitals or medical facilities, amusement parks, recreational theme parks, racetracks, motorsports parks, raceways, speedways, museums, galleries, theaters, entertainment facilities or venues, other performative facilities, tourist centers, business or industrial food service venues, venues in which food service is or may be provided by a master concessionaire or contract foodservice provider, public transportation facilities, government facilities, shopping and outlet malls, Indian reservations, casinos, and similarly situated sites; but does not include c-stores, travel plazas or virtual / dark / ghost kitchens. Additionally, we are exploring virtual, dark, or ghost kitchens.

Unless otherwise noted in this disclosure document, all references to a "Franchised Restaurant" or "Franchised Location" also will include a traditional restaurant or nontraditional location, respectively, and all references to the "Franchise Agreement" also will include the Nontraditional License Agreement.

Before we will approve you to develop or operate a *Jack in the Box* restaurant, you must complete an application package and sign a non-disclosure agreement. If you will be developing a new *Jack in the Box* restaurant, you also must sign a Single Unit Development Agreement (Exhibit G-1). If you request and we agree to permit you to develop two or more Jack in the Box Restaurants in a geographic area approved by us, you must sign a Multi-Unit Development Agreement (Exhibit G-2). Unless noted, the Single Unit Development Agreement and the Multi-Unit Development Agreement are referred to as the "Development Agreement". You should not obtain any interest in a site for a *Jack in the Box* restaurant until you have entered into a Development Agreement with us and we have approved the site in writing. For each restaurant that you will operate (whether you are developing that restaurant or purchasing an existing restaurant from us), you also must sign a Franchise Agreement (Exhibit F-1) or a Nontraditional License Agreement (Exhibit F-2) and pay an Initial Franchise Fee. If you are establishing outlets under a Multi-Unit Development Agreement, you will be required to sign our then-current Franchise Agreement. Your receipt of this disclosure document does not mean that you will be approved as a franchisee.

The performance of a restaurant may be affected by seasonal sales fluctuations, severe weather and other natural disasters, changes in operating costs, competition, consumer acceptance of new menu items or price increases, the availability of qualified employees, advertising and marketing programs, commodity costs, supply interruptions, or other factors.

Among the key elements of competition in the industry are menu innovation, execution of operational strategies and initiatives, price, service, quality, location, personnel, advertising, brand identification, and attractiveness of facilities.

When developing and operating a *Jack in the Box* restaurant, you must comply with all local, state and federal laws and regulations regarding health, sanitation, safety, fire, zoning, building, nutritional disclosures on menus and menu boards, labor and employment, cybersecurity, competition, and environmental issues, among others. We encourage you to research the specific laws, regulations, and ordinances that will apply to the *Jack in the Box* restaurant you might operate.

Each *Jack in the Box* restaurant competes directly and indirectly with a large number of national and regional restaurant chains, some of which have significantly greater financial resources than the Company, as well as with locally owned and/or independent restaurants in the quick-service and the fast-casual segments of the restaurant industry. Each restaurant also competes with other "food away from home" consumer options and with grocery store and similar offerings.

We are currently implementing a reimage program for certain existing franchisees which will offer incentives for remodeling existing *Jack in the Box* units. Such incentives may include reimbursement of a portion of the reimage costs, franchise fee waivers, rent concessions, and allocation of certain tenant allowances received from master landlords.

Unless otherwise specified, the location of the positions listed in this Item 2 is or has been Lake Forest, California as to Del Taco officers, directors, and employees, and San Diego, California as to JIB officers, directors, and employees. In this Item 2 we refer to DTH and DTL as "Del Taco."

ITEM 3
LITIGATION

Pending Actions:

Foodmaker International Franchising Inc. and Foodmaker Inc. v JNB Food Corporation and William Ang (Philippines Regional Trial Court, Case No. 97-1823). In 1997, Foodmaker International Franchising Inc. and Foodmaker Inc. filed an action against a former franchisee in the Republic of the Philippines to force the closure of certain units being operated unlawfully and without a license or franchise agreement. The defendants counterclaimed, asserting they suffered damages due to the franchise closures. The Company won an initial ruling relating to the closure of the units, but Defendants continued to pursue the action. Since then, the court has scheduled multiple hearings to ensure that the record is complete before issuing a final decision. On March 3, 2025, the court issued a decision in favor of the Company and against the defendants, granting the Company's request for a permanent injunction and dismissing the defendants' counterclaims. ~~The Company is currently awaiting whether the defendants will appeal or otherwise seek reconsideration of the court's decision.~~No appeal was taken, and Company believes this matter is concluded.

Marilyn Garner, Chapter 7 Trustee v. Jack in the Box Inc. (Cause No. 048-29134017, 48th Judicial District, Tarrant County, Texas). In April 2017, Jack in the Box Inc. ("JIB") and Jack in the Box Eastern Division L.P. (collectively the "JIB Parties") filed a case against J&D Restaurant Group, LLC ("J&D") and Bernard J. Morrissey ("BJM") after BJM defaulted under various franchise agreements ("State Court Action"). On May 19, 2017, J&D filed a Chapter 7 petition (Case No. 17-42099) in the United States Bankruptcy Court for the Northern District of Texas, Fort Worth Division ("Franchisee Bankruptcy Filing"). The State Court action was stayed as a result of the Franchisee Bankruptcy Filing. On April 17, 2019, Marilyn Garner, as Chapter 7 Trustee ("Trustee"), filed a petition in intervention in the State Court Case asserting claims against JIB Parties. The Trustee's complaint asserted claims for breach of franchise agreements relating to alleged mismanagement of the marketing fund, alleged failure to consent to a sale of the franchises and improper termination of the franchise agreements, breach of implied covenant of good faith and fair dealing, breach of lease agreements, violation of the Texas Uniform Fraudulent Transfer Act, and violation of the California Franchise Relations Act, and requests actual and exemplary damages alleged to be in excess of $1 million. After various dispositive motions, on January 9, 2023, trial commenced on the Trustee's remaining claims for alleged breaches of the franchise agreements (improper termination and failure to approve buyers), breach of lease agreements by improper termination, breach of the implied covenant of good faith and fair dealing (improper termination and failure to approve buyers) and a claim for alleged violations of the California Unfair Practices Act. On February 8, 2023, the jury returned a verdict finding that JIB had not breached any contracts in its termination of the franchise agreements or its withholding of consent to the proposed sale of the restaurants, had not violated California Unfair Practices Act, but awarded plaintiff $8 million in damages under the claim for breach of the implied covenant of good faith and fair dealing. On May 9, 2023, the court granted JIB's post-trial motion and ordered that plaintiff take nothing from the Company and awarded JIB all recoverable court costs and post-judgment interest. On August 4, 2023, the plaintiff filed a notice of appeal. ~~The appeal is fully briefed and oral argument occurred on December 10, 2024. The parties are now awaiting the court's ruling.~~On October 9, 2025, the appellate court issued an opinion affirming the lower court's ruling in Company's favor. Plaintiff's petition for review by the Texas Supreme Court is currently pending.

AJP Enterprises, LLC and NHG Enterprises, LLC v. Jack in the Box Inc., Different Rules, LLC and Jack in the Box Properties LLC (Washington Superior Court for King County, Case No. 25-2-09695-5 KNT). On March 27, 2025, AJP Enterprises, LLC ("AJP") and NHG Enterprises, LLC ("NHG") filed a complaint against us, JIB, and JIB Properties. In September 2024, AJP and NHG closed 8 Jack in the Box Restaurants without our consent. Subsequently, based upon that unilateral closure, by notice, we terminated the franchise agreement for the closed Restaurants and exercised our contractual right to cross default 39 other franchise agreements with AJP and NHG. The complaint alleges claims for violation of the Washington Franchise Investment Protection Act, violation of the Washington Consumer Protection Act, breach of implied covenant of good faith and fair dealing, and economic duress. AJP and NHG generally allege that we did not have good cause to terminate, we did not

provide the statutorily required notice, we acted in bad faith in connection with requests to close the Restaurants, and we are using our contractual rights to exert economic duress on the franchisee. The complaint seeks declaratory and injunctive relief, damages in an unspecified amount, attorneys' fees. ~~This case is in the initial pleading stages.~~Company filed a cross-claim seeking damages for the 8 locations that were closed without permission and seeking declaratory relief on its right to terminate the franchisees' remaining franchise agreements. The case remains in the pleading stage, with some discovery beginning.

Gulf Coast Jacks, Inc. and Umar Ibrahim v. Jack in the Box Inc., Different Rules LLC, and Jack in the Box Eastern Division L.P. (San Diego Superior Court, Case No. 25CU066703C). On December 15, 2025, a Texas franchisee filed a complaint asserting causes of action for breach of contract / breach of the implied covenant of good faith and fair dealing (cannibalization), violation of California's Unfair Competition Law (cannibalization), unjust enrichment (cannibalization), breach of contract relating to a sewer lift), breach of contract relating to third party delivery fees, and breach of contract / breach of implied covenant of good faith and fair dealing relating to a change to the franchisee's distribution center. The complaint generally alleges claims arising out of three distinct alleged fact patterns. First, that the Company breached obligations to the franchisee when it allowed other franchisees to develop and open two restaurants that were within 3 to 4 miles of three locations operated by the plaintiff. Second, the plaintiff alleges breaches related to costs the franchisee incurred for the maintenance of a sewer lift shared with a neighboring property. Third, the franchisee alleges breaches related to the franchisee's restaurants having to change distribution centers from Dallas to Houston. The Complaint has not been served on the Company but purports to seek unspecified damages and attorney's fees.

Marketing fee collection suits filed against franchisees:

Jack in the Box Inc. v. Steve Wazny and Ajay Chopra (San Diego Superior Court, Case No. 25CU069175C).

Concluded Actions:

Lauren Rehkopf v. Jack in the Box Inc. (San Diego Superior Court, Case No. 37-2014-00033641-CU-BT-CTL). On October 3, 2014, a class action complaint was filed claiming JIB engaged in unfair business practices by failing to allow a customer to exchange the remaining balance on her gift card for cash once the card held less than $10 in value. The case was settled in July 2016. The settlement provided that JIB would pay plaintiffs' attorneys fees and costs in the amount of $60,000, pay the named plaintiff $2,500, provide training to company restaurant managers in California on the law relating to redeeming gift cards for cash, place a notice in company owned restaurants for one year stating the policy on redeeming gift cards with a balance under $10 for cash, and change language in our gift cards to reflect California law and our policy. All of the settlement terms have been completed. A release of all claims on behalf of the settlement class was executed and the plaintiff filed a satisfaction of judgment on July 3, 2017.

National JIB Franchisee Association, Inc. v. Jack in the Box Inc., San Diego Superior Court, Case No. 37-2019-00031267. On December 4, 2018, the National JIB Franchisee Association, Inc. ("NFA") filed suit against JIB in the Los Angeles Superior Court, Case No. 18STCV06066 asserting claims for breach of contract, breach of covenant of good faith and fair dealing, accounting and declaratory relief. The complaint did not request monetary damages. On November 26, 2018, the Company filed a motion to transfer venue to San Diego, which was granted. Ultimately the NFA filed a third amended complaint against JIB and its affiliate Different Rules, LLC (collectively, the "JIB Companies"), which was limited to seeking further access to budgets and reports associated with the JIB Companies' marketing fund and continued participation by JIB in one or more advisory committees partially comprised of franchisees. The case was settled November 10, 2020. The settlement provided that NFA and Company would dissolve the existing Franchisee Advisory Council and establish a Leadership Advisory Council with input from the NFA. The terms also provided that the NFA will form an audit committee to review income and expense reports and vendor contracts that relate to the marketing fund.

Jack in the Box Inc., et al. v. San-Tex Restaurant, Inc., et al. (U.S. District Court for the Western District of Texas, San Antonio Division, Case No. 20-cv-00328). On June 2, 2020, the company filed a complaint seeking to stop a franchisee from continuing to operate restaurants in the San Antonio market after the franchise and lease agreements for those locations had been terminated. On June 30, 2020, the franchisee filed a counterclaim against the company asserting, among other things, wrongful termination, breach of contract, breach of the covenant of good faith and fair dealing and violation of California's Franchise Relations Act, California Unfair Practices Act, promissory estoppel, negligent misrepresentation, intentional misrepresentation, and civil conspiracy. The franchisee claimed JIB wrongfully terminated the lease and franchise agreements, made misrepresentations regarding and failed to fully perform under a roof repair and tenant improvement program offered to operators of certain style of restaurant buildings and induced the franchisee to invest additional funds before and after termination. The case was settled February 19, 2021. The settlement provided that the Company would immediately reinstate 45 franchise agreements and franchise lease agreements in Texas (that were terminated in 2019) with the franchisee, and franchisee would complete certain repairs and restoration work on certain units by July 21, 2022. The settlement also required the parties to sign and file a Joint Stipulation of Dismissal of the lawsuit, which was signed and filed with the court on February 26, 2021.

Aslam Group, LLC, et al. v. Jack in the Box Inc., et al. (San Diego Superior Court, Case No. 37-2020-00015281). On May 26, 2020, a franchisee filed suit against JIB for breach of contract, breach of the implied covenant of good faith and fair dealing, and promissory estoppel. The franchisee generally alleged JIB made misrepresentations regarding a roof repair and tenant improvement program offered to operators of certain style of restaurant buildings. The franchisee claimed that JIB failed to fully perform under that program and that JIB's alleged misrepresentations induced the franchisee to buy additional properties that it would not have otherwise purchased. The franchisee further sought damages associated with a third-party vendor that failed

to provide credit card chip reader technology and royalties allegedly paid on sales that were ultimately charged back to the franchisee as a result of fraud claims by customers. The lawsuit was resolved through settlement in April 2021 and the case was dismissed with prejudice on May 11, 2021. Under the settlement agreement, among other things, JIB agreed to pay the franchisee $5,550,000 and to reduce the royalty fee for certain restaurants, and the parties exchanged mutual releases.

Ibrahim Investment Corp., et al. v. Jack in the Box Inc., et al. (San Diego Superior Court, Case No. 37-2020-00019032). On June 5, 2020, a franchisee filed suit against JIB asserting claims for breach of contract, breach of implied covenant of good faith and fair dealing, promissory estoppel, and specific performance. The franchisee generally claimed JIB made misrepresentations regarding and failed to fully perform under a roof repair and tenant improvement program offered to operators of certain style of restaurant buildings. The franchisee sought modification to several franchise purchase, franchise and/or lease agreements, claiming the franchisee is entitled to relief based on representations by the company or mistaken facts on the part of the franchisee. The franchisee further sought damages associated with a third-party vendor that failed to provide credit card chip reader technology and royalties allegedly paid on sales that were ultimately charged back to the franchisee as a result of fraud claims by customers. The lawsuit was resolved through settlement in April 2021 and the case was dismissed with prejudice on May 11, 2021. Under the settlement agreement, among other things, JIB paid the franchisee $25,000, JIB modified certain rent amounts for various leases, JIB provided the franchisee an early termination right and reduced royalty fee for a Jack in the Box restaurant, the franchisee agreed to purchase from JIB a Jack in the Box location for $600,000 and to build an additional Jack in the Box location, and the parties exchanged mutual release.

Currently Effective Injunctive or Restrictive Orders or Decrees:

In May 1970 the Office of the Attorney General of the State of Missouri notified JIB of its intention to initiate proceedings alleging that JIB had engaged in deceptive advertising by selling or offering for sale “hamburgers” which contained soy grits as an extender. JIB executed a consent decree dated May 28, 1970 (No. 31899 Equity), filed in the Circuit Court of St. Louis County, Missouri, which prohibits JIB from selling, offering for sale or advertising any substance as “hamburger” that is not fresh chopped or ground beef, with or without the addition of beef fat or seasoning, containing not more than 30% of fat, in the State of Missouri.

In November 2017, the San Diego County District Attorney’s office initiated an investigation into JIB’s policies and practices regarding the redemption for cash of gift cards with balances less than ten dollars. As a result of that investigation, on October 10, 2018, JIB entered into a Stipulation for Entry of Final Judgment with the County. The judgment requires JIB to post notices of its gift card redemption policy in all company and franchised owned restaurants in California for a period of five (5) years. It also requires JIB to create an internal compliance program to ensure and monitor compliance with the applicable Civil Code sections that govern gift card redemptions for cash in California.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

This section describes payments you must make to us or our affiliates before your business opens.

Initial Franchise Fee

When you sign the Franchise Agreement, you must pay the Company an Initial Franchise Fee. The Initial Franchise Fee is typically $50,000 for each franchised restaurant, plus any tax or other fee imposed upon the Company due to the collection of the Initial Franchise Fee. If your franchise term is for less than the standard 20 years, the Initial Franchise Fee is $2,500 for each year or partial year exceeding six months. If you will be operating at a nontraditional location, the Initial Franchise Fee is $25,000 for each unit, plus any taxes and fees imposed on the Company due to collection of the Initial Franchise Fee. The Initial Franchise Fee is fully earned on the date it is received by the Company, and is nonrefundable.

We may reduce the Initial Franchise Fee or accept installment payments. In the past, we have done this for: (i) sales of existing Company-owned restaurants with restaurant sales significantly below system average and/or with an unusual history of business or management problems; (ii) special incentive programs, which are offered at the discretion of, and subject to such restrictions as may be imposed by, the Company; (iii) settlement of disputes; and (iv) the reopening of certain closed sites or the approved relocation of a franchise (although you have no right to relocate your franchise, and approval of such requests is rare). During the past fiscal year, the Company collected

Initial Franchise Fees ranging from $~~10,0000~~ to $50,000, excluding any franchises for which the fee was waived pursuant to our previous Development Incentive Program (discussed below), or otherwise.

Development Fee

If you sign a Single Unit Development Agreement with us, it will give you the right to construct one (1) Jack in the Box restaurant. The development fee for this agreement is $50,000, which is non-refundable and if you are in full compliance with the Single Unit Development Agreement and any other agreements with us, we will credit towards the Initial Franchise Fee for the restaurant.

If you sign a Multi-Unit Development Agreement, we grant you the right to construct an agreed-upon number of Jack in the Box restaurants in a specified geographic area. The minimum number of restaurants that can be developed under a Multi-Unit Development Agreement is two (2). If you are a new developer / franchisee to our System, when you sign the Multi-Unit Development Agreement, you must pay us a non-refundable Development Fee, calculated as follows: (a) $50,000 for the first new restaurant; and (b) $10,000 for each additional new restaurant. If you are an existing developer / franchisee with our System, when you sign the Multi-Unit Development Agreement, you must pay us a non-refundable Development Fee equal to $10,000 for each new restaurant. If you are in full compliance with the Multi-Unit Development Agreement and any other agreements with us, we will credit the portion of the Development Fee for the particular restaurant towards the Initial Franchise Fee for that restaurant. The Franchise Fee for each particular restaurant is due when you sign the required Franchise Agreement. During the past fiscal year, the Company collected Development Fees ranging from $0 to $50,000.

Development Incentive Program

We offer an incentive to qualified developers. Under our current Development Incentive Program, if you sign a Development Agreement for a minimum of three (3) restaurants to be developed and opened under the development schedule during the time frames specified in the Development Agreement, and certain other requirements are met, you may be eligible for the following incentive, at our sole discretion:

If you open the Restaurant on or before the required date in the development schedule, we will loan you $150,000 at 0% interest to be used solely for development costs associated with that restaurant. The loan will be repaid by crediting 100% of the royalty payments for that restaurant otherwise due until the loan is paid in full (i.e., payments will be made by crediting the appropriate portion of royalty payments toward the principal balance outstanding). If the particular restaurant is sold or permanently closed and the loan has not been fully repaid, the remaining principal balance is due in full.

If you close a restaurant and then open a replacement restaurant, it will not be eligible for this incentive. The Company may discontinue or modify this Development Incentive Program at any time.

Select Market Incentive Program

We offer an incentive to certain franchisees who have signed a Multi-Unit Development Agreement pursuant to which they have committed to open at least three (3) Restaurants in a "Select Market." For the purposes hereof, a "Select Market" is one in which food or other operating costs for franchisees are higher than average costs for other franchisees, due to supply chain conditions, as determined from time to time by us in our sole discretion. If we, in our sole discretion, determine that any Restaurants opened pursuant to such Multi-Unit Development Agreement qualify for this incentive, your Royalty for each qualifying Restaurant (which is currently 5% of Gross Sales) will be reduced to 2% of Gross Sales for the first five years after the subject qualifying Restaurant opens.

Grand Opening Advertising and Promotion Fee

If you plan to open the Restaurant in a Select Market under the Select Market Incentive Program described below, you must pay the Company a $10,000 Grand Opening Advertising and Promotion Fee when you sign the Franchise Agreement. For purposes hereof, a "Select Market" is one in which marketing efforts are not established, as determined from time to time by us in our sole discretion. The Grand Opening Advertising and Promotion Fee is fully earned on the date it is received by the Company and is nonrefundable.

You must spend the Grand Opening Advertising and Promotion Fee, with the approval and coordination of our Marketing Department, for the purpose of promoting your Restaurant. You must submit invoices to us for promotional expenditures for our direct payment to the vendor or for reimbursement. We will not pay or reimburse you for food or paper costs. If you do not spend the Grand Opening Advertising and Promotion Fee within one year after the opening date of your Restaurant, you will forfeit the unused portion of the fee and our current practice is to apply these funds toward our general marketing programs.

New Prospect Referral Programs

Under our referral programs, we may pay an amount to the person that introduces a new prospective franchisee to us. This payment is only made if certain criteria established by us are met, including without limitation: (a) we approve the new prospective franchisee; and (b) we and the new prospective franchisee sign a Development Agreement by no later than six months after the initial referral is made. The amount of the referral payment is: (i) $10,000 for an introduction made by an existing individual franchisee or an owner of an existing franchisee entity, and (ii) $1,000 for any other person who makes an introduction of a prospective franchisee. Referral

fees are only paid one time, regardless of the number of agreements signed. The Company may modify or discontinue this program at any time.

Veterans Program

We participate in the International Franchise Association's Veterans Transition Franchise Initiative ("**VetFran**") to provide franchise opportunities to qualifying veterans. Our VetFran incentive is called the Jack in the Box Veterans Program ("**Veterans Program**"). Under the Veterans Program, we reduce the Initial Franchise Fee for the first new Restaurant by 25%, or $12,500. Accordingly, the Initial Franchise Fee paid to us is $37,500. This incentive may not be combined with any other incentive program. To qualify for the Veterans Program, a prospective franchisee must: request the Veterans Program at the time of application; meet our then-current qualifications for new franchisees; be at least 51% legally and beneficially owned by persons meeting our qualifying veteran status; not have previously received a similar incentive from us. The Company may discontinue or modify this Veterans Program at any time.

Extension of Development Schedule

If you have signed a Development Agreement and you will not be able to timely meet your Development Schedule, provided that you are in full compliance with all agreements with us, you may, by providing us six months' advance written notice, request a twelve-month extension of one or more of the development deadlines in the development schedule. Each such development deadline under a Development Agreement may be extended one time only, and for each deadline that is extended, you must pay us a fee calculated as follows: $5,000 times the number of development deadlines that you wish to extend for twelve months ("Extension Fee"). The Extension Fee is due and payable no later than ten (10) days prior to the initial development deadline that is being extended. This fee is earned upon receipt, is non-refundable, and may be credited against other fees due to us. You will be required to sign an amendment to the Development Agreement to reflect these terms and that amendment will include a general release in our favor.

Technology Installation Fees

Before your restaurant opens, you must have certain technology systems in place. Your Franchise Agreement describes certain technology-related services required in the operation of your restaurant, and you must pay certain fees as set forth in Exhibit A of that Agreement. You will pay us $~~8,100~~9,600 (in most cases) for installation of the point-of-sale ("POS") system and $1,875 (in most cases) for project management and software configuration fees for that installation (the fees may be higher if work is requested to be completed during non-business hours, weekends, or holidays, or if there is a request to expedite or reschedule/cancel).You must pay us any taxes or freight in the actual amounts charged by the carrier for the equipment/services as specified in each contract. Taxes may apply to the above-referenced fees, as required by taxing authorities, and are in addition to the fees stated.

~~The table below shows the initial fees you must pay to us or our affiliates for those services. All fees are subject to change. We are considering revising our technology requirements, and details will be disclosed when finalized.~~

~~Description of Charge*~~	~~Fee~~	~~Type of Charge~~	~~Contract~~	~~Comments~~
~~POS Software license fee~~	~~$1,000~~	~~per site~~	~~Franchise Agreement~~	~~One-time software license fee. We are working on the roll out of new POS software which will not have this one-time fee; instead, you will pay to the vendor a monthly subscription fee of $280 to $369 depending on a variety of circumstances.~~
~~Taxes/Freight~~	~~Actual amounts charged by carrier.~~	~~per equipment/ services~~	~~As specified in each contract.~~	~~Taxes may apply on any of the above-related fees, as required by taxing authorities, and are in addition to the fees stated.~~

~~* All fees are net of any taxes~~

The fees described above defray some, but not all, of the Company's costs associated with developing or implementing new software solutions, obtaining software licenses and providing technology-related services. The Company periodically reviews its cost structure and the fair market value of the software and services provided, and increases or decreases fees as it deems appropriate. Any fee increase will be communicated thirty (30) days before the effective date of the fee increase.

If you purchase or develop a new restaurant, you will need to purchase from us and pay us to install certain IT equipment, including but not limited to a computer, web-based mobile training device ~~(you may purchase your own upon request),~~ POS System, kitchen display equipment, PCI-DSS compliant payment systems, speed of service equipment, network infrastructure equipment, and order confirmation system. The approximate cost for the purchase and installation of such equipment currently ranges from $45,000 to $60,000. If you purchase an existing operating restaurant, you may also be required to purchase and install some of this equipment if it is outdated, not in working order, or not already installed.

~~Beginning mid-fiscal year 2024, we began transitioning to a new POS system which must either be purchased directly through the Company or leased via funding from the approved supplier via funding from a third-party lender.~~

Additional Fees for Sites to be Developed

If you are building a restaurant and would like to locate it within fifteen (15) miles of an existing *Jack in the Box* restaurant, you (or the already existing franchisee) may be required to pay for a Trade Area Survey Analysis to be conducted with respect to

each existing restaurant within that radius to estimate potential impact on sales at each such restaurant. The cost of a Trade Area Survey Analysis can range from $4,500 to $7,500, plus all expenses, which may vary. We collect this fee to reimburse the Company for the cost it pays to the third-party company that conducts the Trade Area Survey Analysis. Depending on the level of sales transfer from the existing restaurants to the new restaurant predicted by the Trade Area Survey Analysis, the Company may decline or permit (subject to conditions) you to proceed with your request to develop the new restaurant.

If you want to develop a site that we are already in the process of acquiring or developing, you will be required to pay certain fees relating to the site. If you want to develop a site that cannot legally be assigned to you with a release of our obligations, we may sublease the site to you. You will be required to reimburse us for all internal overhead or other charges we have incurred in developing the site, including any training costs associated with preparing the site for opening. Those costs will vary based upon time expended by us and the nature of the development services in which we engaged. Due to the numerous variables in these situations, we cannot provide an estimate for these costs.

In some circumstances, we may offer certain site development services. If we provide site development services, you will be required to pay us a fee of up to $50,000 for work we complete toward developing the site. The amount of the fee will vary depending upon (i) the stage of development the site was in when it was turned over to you, (ii) whether we or you develop the site, and (iii) what services we provide to you during the development process. In addition to this fee, you must also pay for our out-of-pocket costs and other expenses and our internal overhead or other charges we incurred in connection with the acquisition, investigation and development of the site. Due to the numerous variables in these situations, we cannot provide an estimate for these costs. None of the costs and fees associated with Company-initiated sites are refundable.

Increases are capped at 0.5% of Gross Sales in any 24-month period.

Type of Fee	Amount	Due Date	Remarks
			Marketing Fees may be different at nontraditional locations and in other rare circumstances. The typical Marketing Fee for nontraditional locations is 1% of Gross Sales, but we may modify this fee.

The standard formula for determining minimum rent is the greater of: (i) underlying rent under the master lease for the restaurant location; or (ii) 9.5% of 90% of trailing 52-week sales at the restaurant. The typical percentage rent is 9.5% of Gross Sales. For new restaurant openings in which you lease the restaurant location from us, minimum rent is determined based upon the terms set forth in the applicable Development Agreement (currently 105% of underlying master lease rent). In certain circumstances, the percentage rent may be lower.

Total Estimated Initial Investment for a Development Agreement	**$3,~~822~~820,000**	**$8,~~070~~088,000**			

(1) These initial investment figures are based on franchised and Company restaurant development costs to open MK12 prototypical buildings in fiscal years 2023 to ~~2024~~20255. Currently, the company has three (3) different prototypical buildings and a modular building option available for site-adaptation and use by franchise operators that have been designed to support varying site conditions such as property size, property shape, and preferred building orientation. The prototypical buildings range in size from 1,~~372~~386 square feet to 2,440 square feet, and the modular building option is 1,317 square feet. All portions of the initial investment paid to the Company are fully earned by the Company when paid, and are not refundable. Your financing cost may affect your total investment. You may, or may not, incur all the costs identified, and you may incur other costs that are specific to your project.

(2) We describe the Initial Franchise Fee and the Grand Opening Advertising and Promotion Fee in Item 5.

(3) We describe a trade area survey analysis in Item 5. A trade area survey analysis may be required only If you are building a restaurant and would like to locate it within fifteen (15) miles of an existing Jack in the Box restaurant. If you locate your restaurant outside that range, then you will not be required to pay for a trade area survey analysis. Therefore, the amount listed is the high-end range for a single site survey. The cost of a trade area survey analysis can range from $4,500 to $7,500, plus all expenses, which may vary.

(4) The cost of land will vary, depending upon size and location of the property and whether you purchase or own the land or enter into a lease arrangement therefore. (See Exhibit J, Lease Agreement, for a description of lease terms if you lease from the Company.) The size of property necessary to develop a new Jack in the Box restaurant can vary depending upon, but not limited to, the size of the building constructed, desired drive-thru lane configuration, applicable development code requirements and zoning restrictions, as well as other influences such as access and parking agreements with adjoining properties, landlord or other third-party requirements. Typical physical site criteria would include approximately 25,000 - 40,000 square feet, minimum of approximately 130 feet of frontage depending on building orientation, adequate access into and out of the property, ability to accept deliveries from an approximate ~~75'~~67' tractor-trailer truck, and a dedicated parking area to accommodate 14 - 32 spaces depending on site-specific requirements.

(5) Consulting costs will vary based upon the documentation necessary to obtain all of the project's development-related approvals which may include, but are not limited to, landlord, third party, zoning, planning commission, building/municipal, signage, health, fire, and other agency approvals. Consultants typically hired by you may include architects, permit expediters, zoning consultants, landscape architects, structural engineers, utility designers, fire sprinkler engineers, land surveyors, geotechnical engineers, mechanical, electrical, and plumbing engineers, outside project managers, and construction testing consultants. Consulting costs do not include the actual fees paid for permits and approvals to municipal and other agencies.

(6) Environmental assessment costs tend to be site-specific in nature and can vary based upon where a property is located, a property's former use(s), the use(s) of neighboring properties, and a property's existing conditions. A "Phase One" assessment involves title research and can cost approximately $2,500 to $4,000. The cost of a "Phase Two" assessment typically varies because some amount of borings, well sampling, and invasive testing may need to be completed on the property and will normally, range from $10,000 to $34,000. "Phase Three" assessments involve the development of a clean-up mitigation plan to address on-site contamination. By their site-specific nature, the costs for a Phase Three will vary, and these costs have been excluded.

(7) On-site improvements are those work scope items that occur within the bounds of the property or lease lines and can include excavation, grading, sub-surface

stabilization, paving, sidewalks, landscaping and irrigation, trash enclosure structures, fences, retaining walls, drainage structures, utility work and outdoor lighting, among other things. On-site costs can vary depending upon the size of the property, the improvements that may already exist, the requirements placed upon the project by the municipal or other governing agencies, and any agreements made with the landlord, seller, or developer as part of securing the property. Construction costs can vary based upon the size of the property, materials and methods specified in the construction documents, as well as other geographical, regional, and municipal influences. Offsite development costs, if any, are by nature site-specific and have been excluded.

(8) Building improvements are those work scope items that are necessary to develop the entire building structure (new build) including all designated finish-out materials as required and will typically include, but are not limited to, foundation, framing, mechanical, electrical, plumbing, masonry and other exterior finishes, metalwork, roofing, insulation, glazing, and all interior floor, wall, and ceiling finishes, lighting, painting. The Company compiled these estimates based on its experience developing its prototypical buildings where there were no unusual conditions such as special architecture or finishes. This estimate does not include the costs of building permits; on-site or off-site site improvements which have been discussed in (7) above. Construction costs can vary based upon size of the building, materials and methods specified in the construction documents, as well as other geographical, regional, and municipal influences. New restaurant development projects that will include the conversion and remodel of an existing building will likely have their own site-specific scope of work and cost structure necessary to successfully adapt the existing building designs so they conform to brand image and operational standards, and as such, are not included. If we or our affiliates provide site development services, you will be required to pay us a fee of up to $50,000 for work we complete toward developing the site, in addition to our out-of-pocket and internal overhead costs.

(9) Furniture, fixtures, and equipment costs are affected by the sign package, kitchen configuration, dining room size, and the use of digital menu boards and other optional equipment. Excludes security equipment.

~~(10)~~ Includes purchase and installation of Back-Office PC, Web-based mobile training device, point-of-sale system, kitchen display equipment, speed of service equipment, network infrastructure equipment, and order confirmation system~~. Beginning mid-fiscal year 2024, we began transitioning to a new point-of-sale ("POS") system, so the estimated cost is based on agreed upon pricing and financing options provided by our approved supplier. The estimated cost range of approximately $25,000 to $35,000 includes costs for hardware, extended warranty, and implementation (including project setup, management, site survey, hardware staging, software configuration, shipping costs, installation) if paid in as a lump sum at the time of purchase. You have the option to lease the POS equipment from our approved supplier through~~

~~financing provided by a third-party lender.~~ as well as extended warranty for certain point-of-sale system equipment. These estimates include drive-thru registers, kiosk registers, kitchen stations, payment devices, mini-PC, delivery order printer, receipt printers, cash drawers, and mobile app reporting system. Additional hardware and equipment costs will vary, but we recommend budgeting for an additional $2,000 to $6,000 in contingency funds for any site-specific variances.

~~(11)~~(10) ~~After the POS System transition is complete,~~You will also be required to pay a subscription ~~-~~based POS Software and support ~~is estimated at~~fee of $280 ~~a~~to $369 per month ~~and~~depending on a variety of circumstances directly to the vendor. This covers licenses, software, and support ~~for the configuration described in Note 10 above. Additional software and support~~ fees and will apply per item. We anticipate that the fees charged will change over time and will likely increase. ~~If you choose to conduct the implementation and installation, then additional hourly support fees will apply.~~

~~(12)~~(11) The pre-opening training and inventory expenses in a new market can be higher.

~~(13)~~(12) "Pre-opening additional funds" include any miscellaneous expenses required before the restaurant opens, but excludes the following; rent related items, property taxes, labor and food cost. Costs may vary depending upon your restaurant location, economic conditions, and competition.

~~(14)~~(13) Business licenses and utility deposits costs vary by municipality and state.

~~(15)~~(14) "Additional funds" include the following for the first three (3) months of operations: initial employee wages; management compensation; ongoing purchases of inventory of food and supplies; utilities; repairs and maintenance; and insurance (annual premium). It excludes income taxes, officer compensation, Workers' compensation insurance, property insurance, general and administrative expenses, interest, other income and expense, royalties, marketing fees, depreciation, rent, taxes and license expenses, other labor expenses, bonuses, travel expenses, and cash overage/shortage. These figures are based on the recent experience of franchised and Company restaurants.

~~(16)~~(15) Financing rates, lease rates, cash injection, loan or lease fees, creditworthiness, lender selection and interest rates, closing costs and factors may vary, and will affect your initial investment. The Company may offer some limited financing. (See Item 10.)

~~(17)~~(16) Your estimated initial investment under the Development Agreement will vary depending on the number of Jack in the Box Restaurants you develop. The estimated initial investment chart reflects the minimum number of two (2) development commitments for new franchisees. For existing franchisees, the

total development fee for two (2) development commitments will be twenty thousand dollars ($20,000). No part of this initial investment is refundable.

If you are developing a nontraditional restaurant, certain categories of the identified costs may vary from those disclosed above. We anticipate that at least the following expenditures will vary from those previously stated. The Initial Franchise Fee will be $25,000. On-Site Improvements are likely to range from $0 to $400,000. On-Site Improvement costs will vary depending on whether exterior site area improvements will be part of your development. Building or space improvement costs will vary depending on the size of the space being leased, type of finishes specified, how much back of house infrastructure may be shared with other tenants, if there is dining room area included in your development, as well as other site-specific development costs based upon landlord, regional, local, or municipal influences, and are likely to range from $370,000 to $700,000 and up. Like the building or space improvement cost influences noted above, furnishings, fixtures and equipment costs will vary and are likely to range from $250,000 to $425,000. An environmental assessment will likely range from $2,500 to $34,000. All other initial costs disclosed above are expected to be approximately the same for both traditional and non-traditional restaurants. Accordingly, we anticipate that the overall cost for a nontraditional restaurant will likely range from $990,000 to $2,300,000.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must adhere to Company standards and specifications in the development and operation of your restaurant. The Company's standards and specifications apply to the vast majority of goods, services, supplies, uniforms, fixtures, equipment, real estate and inventory items you will use. All standards and specifications are developed by the Company in its sole discretion, and may be modified by the Company at any time. Standards and some specifications are provided to you in the Company's manuals and other written materials. If you ask the Company to evaluate a supplier for possible approval, the Company may issue its specifications to the supplier, pending final approval by the Company, if the supplier signs the Company's confidentiality agreement and General Manufacturing Requirements document. There are only a small number of products or services that are not subject to our standards and specifications, such as maintenance and repair services, security equipment or services, and landscaping.

Real Estate and Building. The Company does not require you to purchase or lease real estate from us in order to develop a *Jack in the Box* restaurant, but the Company has the right to approve or disapprove sites and does have a market broker program. Our approval of a site is no representation, promise, or guarantee of its success. If you purchase a franchise for a company operated restaurant that will be sold to you, you will be required to lease or sublease the real estate from us. In many major markets that contain both Company and franchisee restaurants, we recommend that you use our approved real estate broker(s) to identify sites to develop, and must work with Company personnel prior to pursuing any opportunities.

The Company has standards and specifications relating to the building design for *Jack in the Box* restaurants. You do not need to purchase design or construction services from us or a Company-approved supplier, other than brand-specific items as discussed below; however, we do require that your contractors, consultants, vendors, and suppliers be properly licensed, that your architect(s) be on-boarded by us and be approved by us (at our sole discretion) to be able to access the project management system as needed for the exchange of plans, specifications, and other resources, and that they follow processes in place for the review, editing, and approval of all designs and construction documents. The designs, standards and specifications of the prototypical buildings are created and maintained by the Company, and we may modify them from time to time. If you are building or remodeling a restaurant, the Company will give you and your architect access to the current designs, standards, and specifications for the various aspects and components of a prototypical *Jack in the Box* restaurant.

We are currently implementing a reimage program which offers incentives to certain existing franchisees for remodeling their existing restaurants and requires the use JIB-approved architects for properties owned by JIB Properties. Details for the reimage program will be released to impacted existing franchisees.

Computers, Fixtures, Furniture and Equipment. As a franchisee, you will be required to buy certain computer software, peripheral equipment and technology services from us, as described in Items 5 and 11, and you will be required to purchase or lease specified restaurant, technology equipment, furniture, décor, and signage only from our approved suppliers. Other than that, the Company does not require you to purchase or lease furniture, fixtures, or equipment directly from us; however, if you purchase a franchise for a restaurant currently operated by the Company, you will be required to purchase the existing business assets from us, including computers, furniture, fixtures, equipment, and inventory.

In the fiscal year ending September ~~29, 2024~~28, 2025, JIB ~~received revenue of approximately $4,500,000 (or 0.4% of JIB's total annual revenue of approximately $1.2 billion)~~ did not receive any revenue from leasing equipment to Jack in the Box franchisees. ~~These amounts were almost entirely offset by costs.~~ JIB ~~also~~ received revenue of approximately $~~347~~333 million (or 28.~~9~~8% of JIB's total annual revenue of approximately $1.2 billion) of rental income from leasing real property to Jack in the Box franchisees.

Food, Packaging, Smallwares, Food Handling Equipment, Chemicals, and Uniforms. You must purchase and use in your restaurant only those food, packaging items, smallwares, food handling equipment, chemicals, and uniforms that are approved by the Company. In most cases, those items must be purchased from and distributed by suppliers that are approved or designated by the Company. You may be required to participate in testing new products, services or equipment; and there may be certain test items, such as promotional items, specialized food preparation utensils, or food products, that must be purchased through Company approved suppliers.

The Company does not issue specifications for food, packaging items, smallwares, food handling equipment, chemicals, and uniforms directly to franchisees. Those specifications are provided to the approved suppliers. The Company may change approved suppliers at any time. The Company (or its affiliate) is an approved supplier for only a small number of items, such as certain technology services and promotional items.

If you want to purchase any company-specified item from any source other than an existing approved supplier, you must send us a written request for approval of the proposed supplier. We generally make a determination on the approval of new suppliers within three to six months, although that time frame can vary depending on the circumstances. You may not purchase from any supplier until that supplier has been approved in writing by the Company. In most cases, we require that the Company or its agents be permitted to inspect the supplier's facilities, and that the supplier send samples for evaluation and testing to the Company, or at our option, to a laboratory designated by us. In addition, the Company may evaluate the supplier's adherence to, among other things, food safety, quality, sanitation, environmental, and human rights and animal welfare programs; ability to make a product safely and to specifications; production, storage and delivery capabilities; financial condition; willingness to protect the Company's confidential information; integrity of ownership and management; potential conflicts of interest; and ability to comply with the provisions of our Vendor Code of Conduct.

Certain criteria for supplier approval are managed through the Food Safety department. The time we need to approve or disapprove a supplier varies depending on a number of factors, including the complexity of the product or equipment, and competing business imperatives. When there are already two (2) approved suppliers for an item, the Company can require a fee from the proposed new supplier or the requestor to cover the actual costs and expenses of inspection and approval, including expenses relating to travel, testing, training supplier employees, and coordinating product rollouts. The Company may limit the number of approved suppliers for any given item.

The Company requires that suppliers consistently comply with all of the Company's standards, specifications, and contractual expectations. This may include, without limitation, programs, access requirements, third party audit requirements, initial and ongoing sampling requirements and microbiological surveillance programs. We visit and inspect the approved suppliers' facilities on a continuing basis for announced and unannounced inspections, and independently evaluate and test the products the suppliers are producing. Termination of a supplier as an approved supplier occurs by written notice to the supplier. If a supplier is no longer approved, we will notify all approved distributors and may notify individual franchisees. Upon receipt of written notice of a revocation of approval, you must stop selling any unapproved products, and stop buying from the unapproved supplier. The company will determine an appropriate supplier and/or product replacement for you.

The Company estimates that from seventy-five percent (75%) to eighty-five percent (85%) of the total costs associated with developing a franchised *Jack in the Box* restaurant (excluding the Initial Franchise Fee), and from forty-five percent (45%) to sixty-five percent (65%) of the total annual costs associated with the ongoing operation of a franchised *Jack in the Box* restaurant (excluding rent), relate to items that must conform to the Company's specifications or be purchased from us or our approved suppliers.

During fiscal year ~~2024~~2025, JIB received marketing-related reimbursements and/or services from suppliers, with an approximate value of $~~5,041,680~~4,385,008. All such funds are contributed to the Marketing Fund.

The Company and its affiliates have negotiated agreements with certain technology suppliers that may provide ~~rebates~~incentive funds or credits of up to ~~five~~three percent (~~5%) per dollar~~3%) based on the cumulative amount spent by *Jack in the Box* restaurants back to the Company or its affiliates. As of the issuance date of disclosure document, ~~neither the Company or its affiliates have received any such rebates. The Company plans to reinvest any such rebates~~the Company and its affiliates received approximately $50,500 in incentives or credits in 2024 and approximately $134,000 in incentives or credits in 2025, which amounts were used by the Company to fund technology projects that have benefitted all system restaurants. The Company and its affiliates have a balance of approximately $41,000 in incentives or credits, which will be used by the Company in 2026 to fund technology projects that benefit all system restaurants. The Company plans to reinvest any such incentive funds or credits received in the future into continued systemwide technology research, development, and implementation in its sole discretion.

JIB may receive rebates or other payments from certain approved suppliers based on sales to Company locations and to franchisees. Any rebates received from these suppliers are credited back to each franchisee based on their actual purchases from each supplier on an annual or quarterly basis, depending on the supplier's timing of payment of the rebates. JIB does not derive any revenue from these rebates based on franchisee purchases.

The Company and its franchisees now purchase almost all food and beverage products through third-party distributors. The distributors purchase products from suppliers, then resell the product to the Company and franchisees. JIB negotiates price and certain other contract terms with the suppliers; conducts food safety and product quality testing, inspections and remediation activities; manages product tests, rollouts and related product obsolescence; reviews distribution charges and performance; and participates in distribution councils and dispute resolutions. For those services, JIB receives a Sourcing Fee from franchisees who use the third-party distributor. The amount of the Sourcing Fee is determined each year in consultation with a franchisee/franchisor committee called the "Supply Chain Management Committee" ("SCMC"), and is currently a per-unit charge of sixteen cents ($0.16) (a unit is a case of goods sold through the distribution network). The Sourcing Fee is collected by our third-party distributors in connection with sales to both franchised and Company

restaurants, and is forwarded on to us on a weekly basis. In fiscal year ~~2024~~2025, JIB collected total Sourcing Fees of approximately $~~5,054,270~~4,924,226 from both franchised and Company restaurants. Additionally, $~~137,677~~248,939 in ~~Sourcing~~Customer Fund Fees was carried over from fiscal year 2024. During the ~~September 2024~~October 2025 meeting, the SCMC agreed to ~~cover the $30,698 shortfall in Sourcing Fees funding by a portion of~~carry the remaining ~~unused Customer Fund fees from~~$20,122 into fiscal year ~~2024~~2026.

At a meeting convened in June 2017, and subsequently in August of 2021 the SCMC voted to approve hiring employees who have expertise in negotiating Equipment and Indirect Purchasing to do so for the Jack in the Box System, and to pay for those positions by increasing the Sourcing Fee by the amount necessary to cover the costs of these employees (estimated to be between $0.01 and $0.015 per unit, or between approximately $175 and $262 on average per year per store, with the current cost being close to the $0.01 per unit figure). As a consequence, the Sourcing fee disclosed in the previous paragraph now covers all food and beverage, smallwares, and packaging product purchases through third-party distributors, as well as the cost of this Equipment and Indirect Purchasing staff positions.

As background, the SCMC was created by JIB and the franchisees and is comprised of Company and franchisee representatives. SCMC oversees the selection of the distributors of certain products to Jack in the Box Restaurants and reviews financial and operational performance of the supply chain participants. The voting members of the committee are elected company and franchised operators (one vote per restaurant) and non-voting supply chain members are appointed by the Company. There is a charter and bylaws for the SCMC.

JIB collects a fee to cover any write-off of obsolete inventory at the end of a promotion or in the event of menu item deletions ("Customer Fund Fee"). The amount of the Customer Fund fee is determined each year by JIB in consultation with a franchisee/franchisor committee. This fee is currently a per-unit charge of $0.02 cents (a unit is a case of goods sold through the distributors). The fee is collected by distributors in connection with sales to both franchised and company owned restaurants. JIB reconciles the Customer Fund every period and, at the end of each fiscal year, remaining funds are returned to the franchised and company units on a pro-rata basis. In fiscal year ~~2024~~2025, JIB collected a total of $~~644,665~~606,737 in Customer Fund Fees. ~~$248,939 of~~During the October 2025 SCMC meeting, the remaining ~~unused funds were used to cover the Sourcing Fee deficit for the 2024 fiscal year, and the remaining~~$200,877 of unused funds were carried over into the next fiscal year~~ per a vote by the SCMC during the September 2024 meeting~~.

We do not provide franchisees any material benefits based on their purchase of particular products or services, or their use of particular suppliers.

None of the officers of the Company own a material interest in any of our approved suppliers. Several of our officers own an interest in the Company.

As stated above, franchisees purchase product through third-party distributors. The contract terms that the Company has negotiated with its primary suppliers (including with the third-party distributors) are made available to franchisees that enter into a participation agreement with the Company and the third-party distributors. Franchisees that choose not to use the Company's third-party distributors can negotiate their own contracts with another approved distributor and approved supplier, and are not bound by the terms negotiated by the Company.

JIB may negotiate contract terms with suppliers of products or services other than food and packaging, such as equipment suppliers or credit card processors. While JIB often asks suppliers to offer the same contract terms to system franchisees, JIB cannot assure that this will happen, or what terms ultimately will be made available to franchisees.

There are no purchasing cooperatives.

Insurance. You must obtain and maintain, at your sole expense, all of the insurance coverage that the Company requires. Company may place restrictions or requirements on the insurance you must purchase, which can be modified from time to time. The current requirements are: Commercial General Liability insurance, including Products Liability coverage, and Broad Form Contractual Liability coverage, written on a "per occurrence" policy form in an amount of not less than $5,000,000 combined single limit per occurrence and aggregate; Business Automobile Liability insurance with a limit of not less than $1,000,000 per accident; Workers' Compensation insurance as required by law; Employer's Liability insurance with a limit not less than $1,000,000 per occurrence; "All Risk" property insurance; Builders' All Risk insurance; ~~Cyber Liability insurance with a limit not less than $1,000,000;~~ and other insurance that may be required by any state, local, federal, or municipal law or by a third-party land owner.

ITEM 10
FINANCING

The Company does not regularly offer financing in connection with the establishment or operation of new franchised restaurants. In limited circumstances, the Company may offer build-to-suit arrangements to assist you in meeting construction obligations. In such instances, the Company completes the acquisition and construction of the site, and then leases the land and newly constructed building and improvements to you. The rent payable by you under the lease is negotiated, as are periodic rent increases. As part of the build-to-suit arrangement, the Company will negotiate with you to allow you the option of eliminating the building rent by making a lump sum payment to the Company at a future date.

In other limited circumstances, under our current Development Incentive Program, if you open the restaurant in accordance with the time frames specified in the Development Agreement, and certain other requirements are met, the Company or one of its affiliates may loan you $150,000 at zero percent (0%) interest after ground break to be used toward development costs. The loan must be repaid by crediting 100% of the royalties that would otherwise have been due and payable until the Note is paid in full; and, unless it has already been repaid, is due in full when the developed restaurant is sold or closed. Under this loan agreement, (i) you will be required to sign a Promissory Note (see Exhibit I); (ii) no security interest is required by the Company or its affiliate; (iii) no one other than you, as franchisee, must personally guarantee the debt; and (iv) the debt can be prepaid without any penalty.

If you default on the Promissory Note, you must pay us five percent (5%) of the total amount of each payment; to the extent permitted by law, any amounts outstanding will accrue interest at a default rate of 12% until paid in full; and you will incur potential liabilities, including: (i) an accelerated obligation to pay the entire amount due; (ii) obligations to pay the prevailing party's court costs and reasonable attorneys' fees incurred in collecting the debt; (iii) liabilities from cross defaults under any Franchise Agreement(s), Lease Agreement(s), or other related agreement(s) between you and the Company; and (iv) termination of the franchise. This loan agreement does not require you to waive defenses or other legal rights or bar you from asserting a defense against the Company. It is not the Company or its affiliates' practice or intent to sell, assign, or discount to a third party all or part of the loan arrangement.

We may, upon request, try to help you locate a source of financial assistance. We will not charge a fee or receive other compensation for this service.

The Franchise Agreement gives us a first-priority security interest in the business assets of your *Jack in the Box* restaurant in order to secure payment of all amounts that you may owe to us under the Franchise Agreement and any other agreements you may have with us. Granting us a security interest in these assets may impair your ability to obtain financing from other potential lenders. In order to facilitate your efforts to obtain financing, we may agree to subordinate our security interest to the security interest of another lender, but only under certain conditions.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, the Company is not required to provide you with any assistance.

For all assistance and obligations described in this Item 11, JIB will act on our behalf as Manager, as explained in Item 1.

Pre-Opening Assistance

If you are a Developer, the Company must approve or disapprove your proposed site after you have submitted a completed Site Acquisition Package, which is described in the Development Agreement. We consider many factors when deciding whether or not to approve a site, including the size of the property, ingress, egress, geography, traffic count, traffic patterns, parking, drive-thru availability, physical characteristics of existing buildings, demographics, proposed building and kitchen style, lease terms, financial impact to existing restaurants within the market, and the location of other restaurants in the area, among others. The Company will communicate to you its approval or disapproval of a site within a reasonable time, not to exceed ninety (90) days. If we cannot agree upon a site, you may be held in default of the Development Agreement and the Development Agreement could be terminated. (See Exhibit G-1, Single Unit Development Agreement, Section 8C. and Exhibit G-2, Multi-Unit Development Agreement, Section 8C.) The Company's approval of a site is not a representation that the site will be successful.

The Company has no obligation to help you locate a site. You are responsible for locating a site, negotiating the purchase or lease of the site, and arranging for appropriate financing. (See Exhibit G-1, Single Unit Development Agreement, Sections 8D – 8F.and Exhibit G-2, Multi-Unit Development Agreement, Sections 8D – 8F.) However, the Company may locate a site and offer it to you with various options for development, in which case there may be additional fees as described in Item 5.

If you lease a site from a third party, it must include specific terms and conditions we require (see Exhibit Q, Lease Addendum, Exhibit F-1, Franchise Agreement, Section 3, Exhibit F-2, Nontraditional License Agreement, Section 3, Exhibit G-1, Single Unit Development Agreement, Section 8.D and Exhibit G-2, Multi-Unit Development Agreement, Section 8.D).

If you are a Developer, and the Company has approved your proposed ground-up site, the Company must provide you with a set of prototypical plans for your selected prototype building which is to be used by your approved architect for site adaptation purposes when developing the new restaurant's permit and construction documents. (For Nontraditional and Conversion Locations, we will provide you with kitchen design options, image and operational specifications and various other standards, but we may not provide you with prototypical plans.) Except as otherwise agreed, you are responsible for all aspects of the project management, due-diligence, design, entitlement, permitting, and construction. This includes, but is not limited to, hiring the necessary consultants, approved architects, engineers and contractors, and ensuring that the building is constructed in compliance with all ordinances and codes, as well as in compliance with the Company's specifications. (See Exhibit G-1, Single Unit Development Agreement, Sections 8D – 8H.and Exhibit G-2, Multi-Unit Development Agreement, Sections 8D – 8H.) Any modifications to the prototypical building design, including site adapted drawings, must be pre-approved by the Company. The Company must also provide you with specifications for equipment, signs and fixtures, opening inventory, supplies and most other materials needed to open the restaurant. The Company will provide you with a list of approved suppliers for all items where approved suppliers are required.

In some circumstances, we may offer certain site development services for a fee and payment of all internal overhead and out-of-pocket costs and expenses. The terms of this type of arrangement will be governed by an amendment to your Development Agreement.

Regardless of whether you develop a site or are buying an existing *Jack in the Box* restaurant, the Company must provide training to the franchise operator. The Company must also provide training for one restaurant manager, unless you are buying an existing restaurant and choose to retain the then-current restaurant manager. See "Training" below for more information.

We will provide franchisees access to or copies of our confidential standards, policies, procedures, and other manuals. You may view these documents under the supervision of our representative at a mutually convenient time and place before you sign a Franchise Agreement. Before that review, you must sign a confidentiality agreement.

Time Between Signing a Contract/Paying Fees and Opening of Restaurant

The typical length of time between the date you first sign a contract with us or pay us any money, and the date your restaurant opens, depends upon whether you are a Developer or you are franchising an existing restaurant. If you are developing a site, it typically takes about eighteen (18) to thirty-six (36) months after signing the Development Agreement to open the first restaurant, depending upon restaurant location and other factors. If you are franchising an existing restaurant, it typically takes between ten (10) and fourteen (14) weeks after signing the letter of intent and paying a deposit to us to take over operations of the restaurant. These time frames can vary

considerably based on the time it takes to obtain financing, secure permitting, construct a restaurant, and hire and train your workforce, among other things. Following approval by Company of any proposed new restaurant location, you must sign our then current form of Franchise Agreement (See Exhibit G-1, Single Unit Development Agreement, Section 9. and Exhibit G-2, Multi-Unit Development Agreement, Section 9.)

Post-opening Assistance

After your restaurant is open, the Company will continue to offer you and your employees access to certain basic training materials, at your expense. See "Training" below for more information. (See Exhibit F-1, Franchise Agreement, Section 6.E.)

The Company must also provide information on the preparation of new products and other new procedures. The Company will train you on those new procedures and if necessary provide training materials to assist you in training your employees on those new procedures. (See Exhibit F-1, Franchise Agreement, Section 7.) Currently, the first copy of the training materials is free of charge, but the Company may charge you for access to additional copies, subject to the provisions in Item 14.

The Company must provide consultation and advice from time to time concerning the operation of the restaurant, merchandising and local store marketing, as we deem appropriate. All local store marketing must be approved by Company prior to use. (See Exhibit F-1, Franchise Agreement, Section 6.)

The Company may require that you use an "all inclusive" pricing structure or tiered pricing structure, and/or other pricing system or guidelines, and the Company may set minimum or maximum prices on products and services, subject to applicable law (See Exhibit F-1, Franchise Agreement, Section 5.G.)

After the restaurant opens, we may require that you, your Designated Market Operator, and/or one Certified Franchise Restaurant Manager attend additional or refresher training programs. If such training is required, you will be responsible for paying the salary of your manager, as well as any travel, living and personal expenses for you and your employee while taking the training, along with any retraining fee the Company may adopt from time to time, in its sole discretion, in the Manuals. (See Exhibit F-1, Franchise Agreement, Section 7.)

The Advertising Program

The Company develops and executes marketing programs and activities for the *Jack in the Box* brand and directs, prepares and/or places advertising, promotions and/or communications to build the brand. The marketing programs and activities may include, but are not limited to: preparing and conducting digital, social, television, radio, and out-of-home advertising campaigns; purchasing radio, television, digital, social, and other media for the distribution of advertising campaigns; advertising through direct mail and outdoor billboards; preparing and conducting marketing/brand surveys and research, which may include awareness and usage surveys, focus groups, marketing

surveys and consumer feedback surveys; public relations activities; research, development and testing of products, packaging, and concepts; brand positioning and marketing activation; preparing, conducting, providing for first party and/or third party delivery promotions, discounts, coupons, deals; preparing and executing e-mail and internet-based marketing programs; employing advertising, public relations, and branding agencies and other professional consultants; and providing point-of-purchase, collateral and other marketing materials to the restaurants operated under the System.

The Company has complete discretion regarding the choice of media outlets, whether the funds are spent at the local, regional, or national level, and whether to use in-house or national or regional advertising agencies. Media may appear across several outlets, including, but not limited to, television, radio, out-of-home, coupons, digital, mobile, online, Jack in the Box mobile app, and/or public relations events. The Company has no obligation to spend any amount in the area or territory where your restaurant may be located, unless you will be developing a restaurant in what we consider a "new market," and we have a written agreement to spend a specific amount on marketing in that market. (See Exhibit F-1, Franchise Agreement, Section 6.) Our general practice is to spend approximately twenty percent (20%) of the Marketing Fees in the market from which the fees were collected, and to collaborate with the franchisees on the market activities in their markets, but this practice may vary, and we may change that practice at any time.

Other than paying the Marketing Fee discussed below, you are not required to spend any additional amounts on advertising, although you may incur costs associated with marketing-related activities, such as loyalty or rewards programs or free or reduced-cost food promotions. If franchisees want to use marketing or advertising materials they have developed, including any internet-based advertising, they must obtain the Company's written approval before using them. (See Exhibit F-1, Franchise Agreement, Section 5.)

There is no franchisee advertising council that advises the Company on advertising policy; however, the Company has formed an advisory council called the Leadership Advisory Council ("LAC~~").~~") and an advisory council called the Jack Marketing Advisory Council ("JMAC").

There are no advertising cooperatives.

Marketing programs and activities are paid for from the Marketing Fund (as that term is defined in the Franchise Agreement). The Marketing Fund is a combination of (a) the marketing fees paid by United States franchisees (in an amount equal to the percentage paid by all traditional *Jack in the Box* restaurants in the system, which is currently five percent (5%) for traditional locations), and (b) an amount contributed by the Company of no less than five percent (5%) of the Gross Sales of its traditional Company-owned and -operated *Jack in the Box* restaurants. (See Exhibit F-1, Franchise Agreement, Section 8.B.) In addition to restaurant contributions, we occasionally receive money from vendors in support of marketing campaigns, but the

sum collected from these vendors varies. All vendor receipts are recorded in a separate account within the Marketing Fund.

The Marketing Fund is administered by the Company, and is not audited. The LAC has the right to request quarterly reports relating to the Marketing Fund.

If Marketing Fund contributions are not spent during the year contributed, or overspending occurs, the surplus or deficit is carried over to the following year. With the exception of very limited shared overhead expenses, none of the Marketing Fund is used to solicit new franchise sales.

During the ~~2024~~2025 fiscal year, contributions to the Marketing Fund were spent as follows (in approximate percentages): ~~65.43~~68.0% on media, promotions and sponsorships, ~~11~~10.4% on agency fees, ~~8.2~~5.6% on production, ~~6.34~~7.3% on administrative expenses, and ~~9.03~~8.8% on other expenses. The "other expenses" include, among others, in-store merchandising, consumer research, R&D and menu ~~development, loyalty program, data processing.~~strategy, and digital guest experience. The Marketing Fund ended fiscal year ~~2024~~2025 with a ~~surplus~~deficit of 0.~~3~~1% of the funds contributed, ~~$760,090~~or $191,643.90, which was carried over into the following fiscal year.

Licensees of nontraditional restaurants pay a Marketing Fee, which is typically 1% of Gross Sales. The Company may spend that amount in its sole discretion for any marketing, promotional or advertising purpose the Company determines is appropriate. Licensees of nontraditional restaurants must, at all times through the term of the Nontraditional License Agreement, use reasonable efforts to advance the reputation of *Jack in the Box* restaurants and the products sold under the trademarks in order to increase the goodwill of the trademarks and the system. Before using any advertising materials, such Licensees must submit all advertising materials to us for approval, which we will not unreasonably withhold.

You must participate in any gift card, loyalty, rewards, or similar programs required by the Company. In connection with these programs, you may be required to sign certain participation agreements and other agreements (current Stored Value Card Service Agreement (Exhibit O)) and pay fees to the Company or to third parties and purchase hardware and/or software from the vendors the Company designates.

In addition to the other marketing programs, at the time you sign the Franchise Agreement you must remit to us a Grand Opening Advertising and Promotion Fee of $10,000 if your Restaurant is located in a Select Market, meaning a market in which marketing efforts are not established, as determined from time to time by us in our sole discretion. You must spend the Grand Opening Advertising and Promotion Fee, with the approval and coordination of our Marketing Department, for the purpose of promoting your Restaurant within the first year of opening the Restaurant, as described in Item 5.

Computer System

You must use a Company-specified computer system. (See Exhibit F-1, Franchise Agreement, Section 5.E.) We estimate the cost to purchase the computer system to be $45,000-$60,000 and the cost to replace/upgrade the computer system to be $45,000-$60,000. The cost for computer support varies based on the type of equipment and services selected, but we estimate such cost is at least $300 per month. The computer system includes the following items:

(a) a Company-specific computer system, which runs the proprietary Company Restaurant Management Software. The computer system includes a CPU, a monitor, and a laser printer, which must be purchased using the Company-approved specifications from a Company-approved vendor. The computer system also includes a time clock, brackets, cables and an applicable PC cabinet, which must be purchased from the Company. Currently, costs are approximately $3,000, depending upon the configuration. We are evaluating enhancements to this system and the costs may increase.

(b) a Company-specified POS system that is integrated with the Company-specific computer system, and is used to collect data on sales, product mix, and inventory, among other things. The POS system will include Company-approved order terminals, kitchen video equipment, a web-based mobile training device, a printer, and it may include other items such as cash drawers, receipt printers, customer interfacing POS integrated selling systems, POS integrated mobile payment systems, PC-DSSI compliant payment systems, integrated order confirmation boards, and drive-thru communications headsets. The cost of these additional items varies. ~~You may purchase your own web-based mobile training device upon request. (See Exhibit A to the Franchise Agreement.) In fiscal year 2024, we began the transition to a new POS system and vendor. Our goal is to have all traditional *Jack in the Box* restaurants operating the new POS system by fiscal year 2026.~~ (See Exhibit A to the Franchise Agreement.)

(c) the Network Infrastructure equipment and services, which includes primary and backup Internet connection, managed firewall, network switch, security services, guest Wi-Fi, private Wi-Fi, remote network service monitoring, and, if selected, Outdoor Order Taker ("OOT") networking. Potential construction costs and service activation fees (if applicable) are evaluated and determined on a site-by-site basis.

(d) Company-approved computer software and POS software. ~~Currently the software must be licensed or sublicensed from us. We are in the process of changing our POS software. Upfront costs of $3,000 will not be required with our new POS system. Instead,~~ You will pay a monthly subscription fee to the vendor of $280 to $369 depending on a variety of

circumstances. ~~After transitioning to the new POS System, you will pay licensing and support fees directly to the approved supplier.~~

(e) Third party vendors, which Franchisee must use for certain additional software systems including but not limited to back office, labor management, and inventory systems.

~~You are also required to purchase certain computer support services from us at an amount of $138 to $185 per month, plus backup connection charges, as necessary. (See Exhibit N.)~~ You are required to pay us the ~~Integrated~~ Technology ~~Fee~~Fees as we specify from time to time and as identified in the Franchise Agreement. We have the right to increase or otherwise modify this fee at any time upon 30 days' notice. The ~~Integrated~~ Technology ~~Fee includes~~Fees include the Monthly ~~Integrated~~ Technology Fee which is currently $350 to $500 per month (but which will increase to $500 to $675 in the near future~~)~~), plus the Monthly Digital Fee which is currently $0.00 (but which may increase to $105 per month in the near future), plus the Per Digital Transaction Fee which is currently $0.00 (but which ~~will~~may increase ~~to $0.25~~ to $0.~~35~~14 to during the first year following implementation and $0.30 during the second year following implementation in the near future).

You must comply with the Company's mobile app, social media, and other technology-related standards and procedures, as they are established and modified by the Company.

You must keep your computer system, POS system, and network communication system in good maintenance and repair, and promptly install any upgrades, updates or changes to them as the Company directs. There are no contractual limitations on the frequency or cost of that work. The Company has no obligation to provide any ongoing maintenance, repairs, upgrades or updates for you.

The Company can access information and data from your computer system, POS system and network communication system. There are no contractual limitations on the Company's right to access such information and data. (See Exhibit F-1, Franchise Agreement, Section 5.E.)

You must be in full compliance with the Payment Card Industry Data Security Standards ("PCI-DSS"). Upon request, you must prove to us your compliance with the PCI-DSS by providing: (a) an executed copy of the PCI-DSS assessment questionnaire; or (b) the PCI report on compliance.

TM = Team Member
TL = Team Leader
RM = Restaurant Management
FO = Franchise Operator
X = Indicates required subject matter
* = If required by state or local law or regulation

The training hours listed are an estimate based on our expectations of what a typical prospective franchisee might require. However, because the Company's training program is proficiency-based and not time-based, the actual time needed to demonstrate proficiency in each training area may vary, and you may require less or more time training than listed here. The training subjects will routinely change, as will the minimum training requirements by level. The Franchise Operator and the restaurant employees will be required to complete the training provided by the Company, as

indicated. We request that you complete the training 5–6 weeks before first restaurant opens

New Franchise Operator Training Program

Before your restaurant opens, the Company must provide the Franchise Operator (or, if applicable, a Designated Market Operator) with pre-opening training, as shown in the table above.

The training program for you is approximately ten (10) to fourteen (14) weeks (560 hours) long~~,~~ (with ten weeks of training and possibly three additional training weeks if needed), is offered as needed, and takes place in San Diego, California, Dallas, Texas, or Los Angeles, California, at our sole discretion. The cost of your training is included in the Initial Franchise Fee, but you are responsible for paying travel, living and personal expenses while taking the training programs.

You (or, if applicable, a Designated Market Operator) must successfully complete the entire training program before you (or a Designated Market Operator) will be approved to operate a franchised restaurant.

Certified Franchise Restaurant Manager Training

In addition, before your restaurant opens, we must provide training for one of your employees to become a Certified Franchise Restaurant Manager. (See Exhibit F-1, Franchise Agreement, Section 7.) The Certified Franchise Restaurant Manager training program is shown in the table above. The training can take place in San Diego, California, or in some instances, at a location closer to the franchised restaurant.

The cost of the initial training of one restaurant manager per restaurant is included in the Initial Franchise Fee, but you are responsible for paying your manager's salary, as well as travel, living and personal expenses for you and your employee while taking the training programs.

Your restaurant manager must successfully complete the entire training program before you will be permitted to open your franchised restaurant.

Training for Other Employees

Before your restaurant opens, we will also give you and your employees access to our Web-Based Training Programs. You must ensure that all employees acting in the capacity of a “person in charge” of the restaurant (for example, team leader, assistant manager, etc.) have completed, at a minimum, our training programs as required, the Food Safety for Team Leaders course, the Food Safety Checklist course offered through Web-Based Training Programs, and Food Safety Management Certification, if required in your jurisdiction.

There are charges associated with setting up your web equipment, but there is currently no extra charge for obtaining access to the Web-Based Training Programs,

although we reserve the right to charge for these programs in the future. You are responsible for paying your employees while they are engaged in training programs and training initiatives (e.g., new product training roll outs).

Although we are not required to do so, we may offer you the opportunity to have your employees attend certain additional training classes. We reserve the right to charge a fee for those classes and related materials.

Additional Information About Training

The training program is under the direction of Natalie Trzcinski, Senior Director of Operations Services and Training. She has been employed by JIB since May 2014 and has over 20 years of experience in restaurant operations and training.

Our training program is currently comprised of Web-Based training and on-the-job training ("OJT"), but we are testing alternative methods of delivering training, including via the internet. Web-based training must be completed in combination with, and never in lieu of, OJT. Web-based training is currently available at all restaurants. OJT is conducted in a restaurant by a specially trained Restaurant Manager. Web-Based Training Programs can be conducted by certified trainers who are employed by a franchisee. It is your responsibility to verify that employees who receive training have been properly trained. We may audit you or your employees or otherwise verify that you or your employees are properly trained.

The following list summarizes the training requirements you and your employees must meet before you will be permitted to take a restaurant under your operational control. (See Exhibit F-1, Franchise Agreement, Sections 6.E and 7.)

- The Franchise Operator must have successfully completed the training program discussed above and must demonstrate that he/she has the required knowledge, skills, and abilities.

- You must ensure that your restaurant is staffed by at least one person who has successfully completed the Company's Certified Franchise Restaurant Manager Training Program discussed above.

- If you have managerial employees above the restaurant level, they also must have successfully completed the Certified Franchise Restaurant Manager Training Program at your expense.

- You must ensure that any other employee who is acting in the capacity of a "person in charge" of the restaurant (for example, team leader, assistant manager, etc.) has completed, at a minimum, our training programs as required, the Food Safety for Team Leaders course and the Food Safety Checklist course offered through Web-Based Training Programs and OJT, as well as Food Safety Management Certification, if required in your jurisdiction.

OJT validation is accomplished via, among other ways, workstation certifications.

- You must ensure that you and all of your employees have taken all courses required by state and local laws and ordinances, whether relating to food safety or otherwise, and are properly trained.

- You must ensure that you have conducted any other training that you feel is necessary or appropriate for your employees.

The Company may require you and your Certified Franchised Restaurant Manager to take additional or refresher training, including recertification training. If such training is required, you will be responsible for any travel, living, and personal expenses incurred during the training, along with any retraining fee the Company may adopt from time to time, in its sole discretion, in the Manuals.

The Company must provide you with electronic access to the most current version of our reference documents, which contain standards and other information regarding the operation of a franchised restaurant. We must also provide you with any other written standards that comprise part of our operating system. (See Exhibit F-1, Franchise Agreement, Section 5.A.) There are charges associated with setting up and maintaining the computer system that displays the reference documents, but there is no extra charge for obtaining access to the reference documents. We will allow you to review the reference documents before you sign a franchise agreement if you sign a confidentiality agreement promising not to reveal any of the information contained in the reference documents.

Our training program uses various training materials, including workbooks and participant guides. We currently provide training materials free of charge, but we may begin charging for some of those materials.

Notwithstanding any training programs or materials supplied or required by Company, all Designated Market Operators, restaurant managers, and(or) other employees that undergo such training, will at all times remain your employees, and you will be responsible for any and all compensation and other benefits to which they may be entitled, as well as any travel and other expenses incurred in connection with such training.

ITEM 12
TERRITORY

Franchise Agreement, Nontraditional License Agreement and Single Unit Development Agreement (Exhibits F-1, F-2 and G-1)

The Company only grants franchises for specific restaurant locations.

The Single Unit Development Agreement is signed for each location and grants you the right to construct a single *Jack in the Box* restaurant within the Development

Area. The Development Area under this Agreement could be a specific site or a larger area agreed to and described in the Agreement. Typically, a larger development area would be defined by market points, as determined by us, and you would receive protected development rights in a one-mile radius around each market point. When establishing market points, we consider various information, such as the locations of other restaurants, direct and indirect competition, store characteristics, historical consumer source surveys, sales history, mobile customer data, demographics, and psychographics, among others. The Company will not grant new *Jack in the Box* franchises to any person or entity other than you for the operation of and the Company will not open, any new *Jack in the Box* restaurant within the Development Area; however, if Company or any other franchisee already operates one or more *Jack in the Box* restaurants within the Development Area, Company shall have the right to: (i) continue to operate (and allow franchisees to operate) any such currently existing locations; (ii) grant a franchise for the operation of those restaurants to a franchisee other than you; or (iii) develop and open, or allow a franchisee to develop and open, an offset restaurant to replace any such existing location(s). Company also reserves the right to grant franchises for the operation of, or to itself operate restaurants, other than *Jack in the Box* restaurants, within the Development Area.

Under the Franchise Agreement and Nontraditional License Agreement, there are no restrictions on the Company's right to establish *Jack in the Box* or other restaurants, or to franchise *Jack in the Box* or other restaurants near your restaurant. There are also no restrictions on the Company's right to sell any type of product or service through any other channel of distribution, such as the Internet, food trucks, or grocery stores, under the *Jack in the Box* trademarks or any other trademarks, or to license others to do so, and you will not be compensated for any of these sales. Your franchise agreement will give you no right to sell products or services anywhere other than at your specific restaurant location.

Except as specifically described in your Development Agreement, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will have no right to relocate your business (although, in the past we have permitted franchisees to relocate their franchised business when there was a serious business impediment outside of their control and an offsetting location was available in the immediate vicinity of the original restaurant).

The Franchise Agreement, the Nontraditional License Agreement and Single Unit Development Agreement do not give you the right to establish additional franchised or licensed restaurants, whether by option or right of first refusal.

Multi-Unit Development Agreement (Exhibit G-2)

If you sign a Multi-Unit Development Agreement, you will have the right and obligation to construct an agreed-upon number of *Jack in the Box* restaurants within a defined geographic area (the “Development Area”) during the term of, and subject to the conditions defined in, the Development Agreement. The Development Area will be

described in the Multi-Unit Development Agreement. Development Areas may be designated at the Company's discretion in such manner as it deems appropriate but, typically, we define Development Areas by market points as determined by us~~.~~, and you would receive protected development rights in a one-mile radius around each market point. When establishing market points, we consider various information, such as the locations of other restaurants, direct and indirect competition, store characteristics, historical consumer source surveys, sales history, mobile customer data, demographics, and psychographics, among others. In most cases, the Multi-Unit Development Agreement gives you no option or right to increase, reduce or otherwise change your Development Area, the number of restaurants you must open, or the time period in which you must open the restaurants.

Under a Multi-Unit Development Agreement, the Company may agree not to build new Company-owned *Jack in the Box* restaurants or allow any other person to build new *Jack in the Box* restaurants within the Development Area during the term of the Agreement. If Company grants you a limited exclusive area, Company will reserve certain rights in that area including the right to grant franchises to third parties for nontraditional venues or for other locations specifically disclosed in the Multi-Unit Development Agreement. Regardless of whether you are granted an exclusive territory under a Multi-Unit Development Agreement, if there is a restaurant already operating in the Development Area at the time you enter into a Multi-Unit Development Agreement, the Company may allow it to operate, may buy the restaurant, or may allow it to be sold to a franchisee other than you.

You must obtain the Company's written approval of each location before you may develop it. If you are already operating one or more *Jack in the Box* restaurants, you must continue to operate those restaurants in full compliance with our Standards throughout the development process. Following approval by Company of any proposed new restaurant location, you must sign a Franchise Agreement with us, and pay any Initial Franchise Fee owed.

If you do not adhere to the Development Schedule, or if you violate any other term or condition of the Development Agreement, any Franchise Agreement or any other agreement with the Company, we may declare a default under the Development Agreement, we may terminate any limited exclusive territory granted under the Multi-Unit Development Agreement and build restaurants in the Development Area or allow other franchisees to build in that Development Area, and/or you will no longer be permitted to build restaurants in the Development Area.

~~JIB is the indirect parent of DLT. DLT operates and franchises quick service restaurants that offer Mexican-American and American cuisine under the tradename *Del Taco*. DTL's principal business address is 25521 Commercentre Drive, Suite 150, Lake Forest, California 92630. These restaurants may be located near your Jack in the Box restaurant's location, and may solicit and accept orders from customers near your Jack in the Box location. Even if you have a Development Agreement that provides for a limited exclusive Development Area, these Del Taco restaurants may be located within your Development Area, or open there at any time. We anticipate no significant~~

~~conflicts with, or between, Jack in the Box franchisees and Del Taco franchisees regarding territory, customers or franchisor support because we only grant *Jack in the Box* franchises covering specific restaurant locations and the restaurant concepts offer different food products and dining experiences. If a conflict does arise, we will analyze the conflict and take actions (if any) that we deem appropriate, which may include participating in nonbinding mediation.~~

The Company relies upon its common law rights and the protection of federal trademark registrations, and does not consider state registrations material to the protection of its rights. Although some of the marks may have been or currently are registered under various state trademark registration statutes, these registrations, if not already expired, will be allowed to lapse and will not be renewed.

The Company may require you to modify or discontinue your use of the trademarks or any of them, in its sole discretion, and you may be required to modify or discontinue such use at your own expense. Under the franchise agreement, the Company has the right to control any administrative proceedings or litigation involving a trademark licensed to you. You must fully cooperate in defending or settling of any administrative proceeding or litigation relating to our trademarks. Subject to the terms of the franchise agreement, we must protect you against claims of infringement or unfair competition based upon any authorized use or display of our trademarks.

There are no infringing uses known to the Company that could materially affect your use of such trademarks, service marks, names, logos or other commercial symbols in any state in which company operated *Jack in the Box* restaurants are or in any other state in which the Company presently intends to offer franchises.

ITEM 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Since the Company does not have any registered patents or copyrights, there are no current material determinations of the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding any registered patent or copyright, and there are no agreements that limit the use of any registered patent, patent application, or registered copyright. The Company is not aware of any patent or copyright infringement that could materially affect you.

The Company claims a copyright in its manuals, training materials, policies and procedures materials, advertising and marketing materials, menus, certain software processes, restaurant design and similar materials. We have not registered all of these copyrights. These materials and/or other third-party materials may be supplied or made available to you exclusively for use in connection with your operation of the franchised restaurant under the terms of the Franchise Agreement and software agreements or other licenses. They must be used strictly in compliance with the terms of those agreements, and returned to the Company upon termination or expiration of the franchise.

The Company also claims proprietary rights in the contents of its manuals and other materials, much of which constitute trade secrets under applicable law. This information includes product recipes, product preparation procedures, customer service procedures, franchise support procedures, supplier relationship and distribution system information, new product development information, product testing procedures and information, restaurant operation standards and tactics, growth plans or strategies, real estate development plans or strategies, restaurant design plans, equipment designs, computer systems, financial information, business and development plans and strategies, training programs, performance support tools, access to and information contained on the *Jack in the Box* intranet and other non-public *Jack in the Box* websites, partner sites or other online sources (including, but not limited to, training materials and manuals), consumer research results, marketing and advertising strategies and materials, and all other information designated by the Company as confidential. You will only be permitted to use these confidential materials in connection with the approved development and operation of your franchised *Jack in the Box* restaurant. You must take reasonable steps to protect the confidentiality of all such material.

You must promptly notify us if you become aware of the use of, or a claim of a right to, one of our materials. We may thereafter take such action as we deem appropriate. Under the Franchise Agreement, the Company has the right to control any administrative proceedings or litigation involving materials licensed to you. You must fully cooperate in defending or settling of any administrative proceeding or litigation relating to our materials. Subject to the terms of the Franchise Agreement, we must protect you against claims of infringement or unfair competition based upon any authorized use of our materials. The Company may require you to modify or discontinue your use of any materials, in its sole discretion, and you may be required to modify or discontinue such use at your own expense.

The Company will also be the sole owner of any new products, equipment, uniforms, building design, facility improvements, service format, advertising or similar items relating to *Jack in the Box* that you might create. No compensation will be owed to you for them.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Each franchised restaurant must have a designated "Operator" approved by the Company. The Operator may be you, someone else who has signed the Franchise Agreement, or, in some cases, someone you designate. The Operator must hold an ownership interest of at least 25% in the franchised business, and be highly experienced in the quick-service restaurant industry. In some circumstances, if you are qualified to be an Operator, have two years of ownership experience, and do not live in or near the Designated Market Area, we may permit you to name a Designated Market Operator to operate the restaurant. This Designated Market Operator need not hold an ownership interest in the business, but must live in or near the Designated Market Area and otherwise satisfy the criteria to be an Operator, and other criteria we deem necessary, before ~~he~~they can be approved. In all cases, the Designated Market Operator must exercise his or her full time best efforts on the *Jack in the Box* restaurants in the Designated Market Area. In other rare circumstances, we may approve as an Operator someone who does not yet hold a significant ownership interest in the business, but is working under an employment contract with you that we believe will result in the Operator remaining in position for a significant period of time.

The Operator must be actively involved in the operation of the franchised business, but may act as the Operator for more than one *Jack in the Box* restaurant. The Operator must have authority to represent you in all dealings with the Company.

Each franchised restaurant must also have at least one manager who has successfully completed the Company's Certified Restaurant Manager training program. The Certified Restaurant Manager must provide direct, full-time, on-premises supervision of the restaurant, and may manage only one (1) restaurant, unless otherwise approved by the Company in writing. You must inform us of the identity of the Certified Restaurant Manager.

If you have fifteen or more franchised restaurants, you are also required to have at least one employee dedicated to helping you oversee the operations of the restaurants. All of your employees that have managerial duties above the restaurant level must also have successfully completed our Certified Restaurant Manager training program at your expense. You must inform us of the identity of those employees.

If you are an entity, all owners must sign the guarantee attached as Attachments B to the Franchise Agreement or Nontraditional License Agreement. Owners may also be required to sign a commercially reasonable Confidentiality and Non-Competition on the form required by the Company.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The Company requires that you sell all menu items, and only those menu items, specified by the Company. Menu specifications will change from time to time. We also may require that certain menu items be served only during certain hours. The Company maintains general menu uniformity, subject to exceptions such as menu item testing, supply considerations, or regional customer preferences. We may consent to, or require, menu variation in some areas due to regional customer preference, supply considerations or other reasons. Any variation in the approved menu format requires the Company's prior written authorization, which will be given only in extraordinary circumstances. The Company may require you to provide delivery and catering services subject to requirements imposed by the Company.

You are restricted to retail restaurant sales activity. Without the written consent of the Company, you will be prohibited from having pay telephones; automated teller machines or similar machines; coin-operated, card-operated or similar machines; or games or devices of any nature on the premises of the restaurant. For example, you may not sell bulk food, packaging or promotional items, unprepared food, or food or packaging for the purpose of third-party resale (schools, lunch wagons, restaurants, bars, etc.). You may not permit the sale of unauthorized products on the restaurant premises, including in the parking lot.

The Franchise Agreement requires a minimum of sixteen (16) hours of operation per day, as determined by the Company and you, seven (7) days a week, fifty-two (52) weeks a year. These requirements may be modified only with the Company's written consent. Precise hours of operation may be specified by the Company.

All advertising or promotional materials or items you propose to use, sell or distribute at or relating to the franchised restaurant must be approved by us.

Independent Auditors' Report

The Board of Managers
Jack in the Box SPV Guarantor, LLC:

Opinion

We have audited the consolidated financial statements of Jack in the Box SPV Guarantor, LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of September 28, 2025 and September 29, 2024, and the related consolidated statements of earnings, member's deficit, and cash flows for each of the fifty-two week periods ended September 28, 2025, September 29, 2024, and October 1, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of September 28, 2025 and September 29, 2024, and the results of its operations and its cash flows for each of the fifty-two week periods ended September 28, 2025, September 29, 2024, and October 1, 2023 in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Notes 1, 7 and 10 to the consolidated financial statements, the Company has various agreements with its parent and affiliates related to administrative, management, support activities and various other items. The accompanying consolidated financial statements may not be indicative of conditions that would have existed if Jack in the Box SPV Guarantor, LLC had been operated as an unaffiliated entity. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization — Jack in the Box SPV Guarantor, LLC ("Jack in the Box SPV Guarantor" and together with its subsidiaries, the "Company," "we,", "us" or "our") is a bankruptcy-remote, special purpose Delaware limited liability company and a direct, wholly owned subsidiary of Jack in the Box Inc. ("Jack in the Box"). Jack in the Box operates and franchises Jack in the Box® quick-service restaurants. At September 28, 2025, Jack in the Box operated and franchised 150 and 1,986 restaurants, respectively.

The Company was formed in connection with an anticipated securitization financing (the "Securitization Transaction"), which was completed on July 8, 2019 (the "Closing Date"). On the Closing Date, Jack in the Box contributed to the Company substantially all of the assets included on the Company's balance sheet at inception.

Basis of presentation — The accompanying consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). The accompanying consolidated financial statements include the accounts of Jack in the Box SPV Guarantor and its subsidiaries. All significant intercompany accounts and transactions have been eliminated.

Use of estimates — In preparing the consolidated financial statements in conformity with U.S. GAAP, management is required to make certain assumptions and estimates that affect reported amounts of assets, liabilities, revenues, expenses, and the disclosure of contingencies. Actual amounts could differ materially from these estimates.

Fiscal year — The Company's fiscal year consists of 52 or 53 weeks ending on the Sunday closest to September 30. Each of the fiscal years ended September 28, 2025, September 29, 2024, and October 1, 2023 contained 52 weeks.

Business and operations — Jack in the Box SPV Guarantor serves as the holding company of Jack in the Box Funding, LLC ("Jack in the Box Funding" or the "Master Issuer"). Jack in the Box Funding was formed to enter into a base indenture and a related supplemental indenture (collectively, the "Indenture") and its primary purpose is to hold such long-term debt and make the related principal and interest payments on the debt. Jack in the Box Funding has two wholly-owned subsidiaries: Different Rules, LLC ("Different Rules") and Jack in the Box Properties, LLC ("JIB Properties").

Different Rules was formed primarily to serve as the franchisor of Jack in the Box brand restaurants. On the Closing Date, Jack in the Box contributed all franchise agreements and development agreements with respect to Jack in the Box brand franchised restaurants, and together with future franchisee payments thereon. In addition, Jack in the Box contributed to the Company certain intellectual property, consisting of substantially all of its existing and after-acquired intellectual property, including software and all future licensing fees.

JIB Properties was formed primarily to operate certain restaurants and manage its real estate and lease portfolio, which includes leasing and/or subleasing real estate to franchisees for the operation of Jack in the Box restaurants. Also on the Closing Date, Jack in the Box contributed to JIB Properties its company-operated restaurants and related restaurant assets, as well as certain owned and leased real estate located in the United States. Following the Closing Date, all new leases or subleases for the operation or franchising of Jack in the Box restaurants will be entered into by JIB Properties. As of September 28, 2025, JIB Properties operated 144 restaurants.

Different Rules and JIB Properties entered into a Guarantee and Collateral Agreement on July 8, 2019, pursuant to which they will guarantee the obligations of the Master Issuer under the Indenture by pledging substantially all of its assets to the trustee as security for such guarantee obligations (the "Guarantors"). See Note 4, *Indebtedness*, for further details.

The Guarantors and the Master Issuer (the "Securitization Entities") have entered into a management agreement with Jack in the Box and the indenture trustee (the "Management Agreement"), whereby Jack in the Box will act as the manager (the "Manager") of the development and franchising of Jack in the Box restaurants, as the Company has no employees. The primary responsibilities of the Manager under the Management Agreement will be to administer collections and otherwise manage the pledged assets on behalf of the Securitization Entities, and to perform certain franchising, marketing, real estate, intellectual property and operational and reporting services on behalf of the Securitization Entities. In addition, the Manager is responsible for paying for all capital assets on behalf of the Securitization Entities and contributing the resulting assets to the applicable Securitization Entity. Different Rules

and JIB Properties are required to distribute their excess cash flows to JIB Funding pursuant to the Indenture. JIB Funding uses the funds to, among other things, service its debt obligations and pay fees to the manager. The Company's results of operations may not be indicative of those that would be achieved if the Company had operated as an unaffiliated company on a stand-alone basis.

Restricted cash — In accordance with the terms of our securitized financing facility, certain cash balances are required to be held in trust and are restricted in their use. Such restricted cash primarily represents cash collections and cash reserves held by the trustee to be used for payments of interest and commitment fees for the Class A-1 and Class A-2 Notes due on a quarterly basis. As of September 28, 2025 and September 29, 2024, restricted cash balances were $30.3 million and $29.4 million, respectively.

Accounts and other receivables, net — Our accounts and other receivables, net is primarily comprised of receivables from franchisees and credit card processors. Franchisee receivables primarily include rents, property taxes, royalties, marketing, and technology support fees associated with lease and franchise agreements, and notes from certain of our franchisees. We accrue interest on notes receivable based on the contractual terms. The allowance for doubtful accounts is based on historical experience and a review of existing receivables.

The Company closely monitors the financial condition of our franchisees and estimates the allowance for credit losses based on the lifetime expected loss on receivables. These estimates are based on historical collection experience with our franchisees as well as other factors, including current market conditions and events. Credit quality is monitored through the timing of payments compared to predefined aging criteria and known facts regarding the financial condition of the franchisee or customer. Account balances are charged off against the allowance after recovery efforts have ceased. The Company's allowance for receivables have not historically been material. The following table summarizes the activity in our allowance for doubtful accounts (*in thousands*):

	2025	2024
Balance as of beginning of period	$ (4,058)	$ (3,939)
Reversal (provision) for expected credit losses	15	(119)
Balance as of end of period	$ (4,043)	$ (4,058)

Inventories — Our inventories consist principally of food, packaging, and supplies, and are valued at the lower of cost or market on a first-in, first-out basis.

Assets held for sale — Our assets held for sale typically includes property we plan to sell within the next year. If the determination is made that we no longer expect to sell an asset within the next year, the asset is reclassified out of assets held for sale. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell.

Property and equipment, net — Expenditures for new facilities and equipment, and those that substantially increase the useful lives of the property, are capitalized. Facilities leased under finance leases are stated at the present value of minimum lease payments at the beginning of the lease term, not to exceed fair value. Maintenance and repairs are expensed as incurred. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts, and gains or losses on the dispositions are included in "Other operating (income) expense, net" in the accompanying consolidated statements of earnings.

Buildings, equipment and leasehold improvements are generally depreciated using the straight-line method based on the estimated useful lives of the assets, over the initial lease term for certain assets acquired in conjunction with the lease commencement for leased properties, or the remaining lease term for certain assets acquired after the commencement of the lease for leased properties. In certain situations, one or more option periods may be used in determining the depreciable life of assets related to leased properties if we deem that an economic penalty would be incurred otherwise. In either circumstance, our policy requires lease term consistency when calculating the depreciation period, in classifying the lease and in computing straight-line rent expense. Building, leasehold improvement assets and equipment are assigned lives that range from 1 to 35 years. Depreciation expense related to property and equipment was $26.6 million, $26.2 million, and $24.0 million in 2025, 2024, and 2023, respectively.

Impairment of long-lived assets — We evaluate long-lived assets, such as property and equipment and operating lease right-of-use assets, for impairment whenever events or changes in circumstances indicate that their carrying value may not be recoverable. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from our use and eventual disposition of the assets. If the carrying amount of a long-lived asset group exceeds the sum of related undiscounted future cash flows, we recognize an impairment loss by the amount that the carrying value of the assets exceeds fair value.

Leases — We evaluate the contracts entered into by the Company to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property, plant or equipment for a period of time in exchange for consideration. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating, sales-type or direct financing lease where the Company is a lessor, based on their terms.

The lease term and incremental borrowing rate for each lease requires judgment by management and can impact the classification of our leases as well as the value of our lease assets and liabilities. When determining the lease term, we consider option periods available, and include option periods in the measurement of the lease right-of-use ("ROU") asset and lease liability where the exercise is reasonably certain to occur. As our leases do not provide an implicit discount rate, we have determined it is appropriate to use our estimated collateralized incremental borrowing rate, based on the yield curve for the respective lease terms, in calculating our lease liabilities.

Revenue recognition — "Company restaurant sales" include revenue recognized upon delivery of food and beverages to the customer at company-operated restaurants, which is when our obligation to perform is satisfied. Company restaurant sales exclude taxes collected from the Company's customers. Gift cards, upon customer purchase, are recorded as deferred income and are recognized in revenue as they are redeemed.

The Company operates loyalty programs in which members earn points primarily for food purchases. Points can then be redeemed for special reward offers. The Company allocates the consideration received on loyalty orders between the food purchased and the loyalty points earned, taking into consideration the expected redemption rate of loyalty points. The consideration allocated to the food is recognized as revenue at the time of sale. The consideration allocated to the loyalty points earned is deferred until the loyalty points are redeemed or expire.

"Franchise rental revenues" received from franchised restaurants based on fixed rental payments are recognized as revenue over the term of the lease. Rental revenue from properties owned and leased by the Company and leased or subleased to franchisees is recognized on a straight-line basis over the respective term of the lease. Certain franchise rents, which are contingent upon sales levels, are recognized in the period in which the contingency is met.

"Franchise royalties and other" includes royalties and franchise and other fees received from franchisees. Royalties are based upon a percentage of sales of the franchised restaurant and are recognized as earned. Franchise royalties are billed on a monthly basis. Franchise fees when a new restaurant opens or at the start of a new franchise term are recorded as deferred revenue when received and recognized as revenue over the term of the franchise agreement.

"Franchise contributions for advertising and other services" includes franchisee contributions to our marketing fund billed on a monthly basis and technology fees, as required under the franchise agreements. Contributions to our marketing fund are based on a percentage of sales and recognized as earned. Technology services are recognized when the services are transferred to the franchisee.

Advertising costs — The Manager is responsible for performing certain marketing services on behalf of the Securitization Entities. These activities are supported primarily by financial contributions from franchise and company-operated restaurants based on a percentage of gross sales. As franchisor, contributions to the marketing fund are billed and collected by the Company. Upon collection, these fees are remitted directly to the Manager as they are excluded from collections used to service its debt obligations. In 2025, 2024, and 2023, marketing fees were approximately 5.0% of sales.

The Company incurs various advertising costs, including contributions to a marketing fund administered by the Manager based upon a percentage of net sales by company-operated restaurants. All advertising costs are expensed as incurred and are included in "Selling, general, and administrative expenses" in the accompanying consolidated statements of earnings. In 2025, 2024, and 2023, advertising costs were $20.9 million, $20.4 million, and $19.7 million, respectively.

Income taxes — The Company is a single-member limited liability company which has not elected to be taxed as an association. Consequently, the Company is treated as a disregarded entity and not subject to United States federal and state income taxes separately from its sole member, Jack in the Box Inc., the Company's ultimate parent. Therefore, no U.S. income taxes, or deferred tax assets or liabilities have been recorded in the consolidated financial statements.

Contingencies — We recognize liabilities for contingencies when we have an exposure that indicates it is probable that an asset has been impaired or that a liability has been incurred and the amount of impairment or loss can be reasonably estimated. Our ultimate legal and financial liability with respect to such matters cannot be estimated with certainty and requires the use of estimates. When the reasonable estimate is a range, the recorded loss will be the best estimate within the range. We record legal settlement costs when those costs are probable and reasonably estimable. Refer to Note 9, *Commitments and Contingencies*, for additional information.

Effect of new accounting pronouncements adopted in fiscal year — There were no recently adopted accounting pronouncements in 2025.

Effect of new accounting pronouncements to be adopted in future periods — In November 2024, the FASB issued ASU 2024-03, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. ASU 2024-03 requires public companies to disclose, in the notes to financial statements, specified information about certain costs and expenses at each interim and annual reporting period. Additionally, companies will need to disclose the total amount of selling expenses and, in annual reporting periods, an entity's definition of selling expenses. The FASB further clarified the effective date in January 2025 with the issuance of ASU 2025-01, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220 - 40): Clarifying the Effective Date*. This ASU is effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within annual reporting periods beginning after December 15, 2027. Early adoption is permitted. ASU 2024-03 should be applied prospectively to financial statements issued for reporting periods beginning after the effective date but entities may elect to apply the ASU retrospectively to any or all prior periods presented in the financial statements. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

In July 2025, the FASB issued ASU 2025-05, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. This amendment introduces a practical expedient for the application of the current expected credit loss ("CECL") model to current accounts receivable and contract assets. The amendment is effective for annual and interim reporting periods beginning after December 15, 2025, on a prospective basis, with early adoption permitted. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

2. REVENUE

Nature of products and services — We derive revenue from retail sales at Jack in the Box company-operated restaurants and rental revenue, royalties, advertising, and franchise and other fees from franchise-operated restaurants.

Our franchise arrangements generally provide for an initial franchise fee of $50,000 per restaurant and generally require that franchisees pay royalty and marketing fees based on a percentage of gross sales. The agreements also require franchisees to pay technology support and other miscellaneous fees.

Disaggregation of revenue — The following table disaggregates revenue by primary source for each of the following fiscal years *(in thousands)*:

	2025	2024	2023
Company restaurant sales	$ 400,380	$ 406,235	$ 394,274
Franchise rental revenues [1]	221,695	231,197	231,991
Franchise royalties [2]	190,440	199,397	208,010

(1) Includes amounts allocated from revenue from affiliates relating to rental revenue.
(2) Includes amounts allocated from revenue from affiliates relating royalty revenue.

Contract liabilities — Our contract liabilities consist of deferred revenue resulting from initial fees received from franchisees for new restaurant openings or new franchise terms, which are generally recognized over the franchise term. We classify these contract liabilities as "Accrued liabilities" and "Other long-term liabilities" in our consolidated balance sheets.

A summary of significant changes in our contract liabilities for the periods ended September 28, 2025 and September 29, 2024 is presented below *(in thousands)*:

	2025	2024
Deferred franchise fees at beginning of period	$ 34,496	$ 35,639
Revenue recognized during the period	(5,344)	(4,952)
Additions during the period	2,510	3,809
Deferred franchise fees at end of period	$ 31,662	$ 34,496

The following table reflects the estimated franchise fees to be recognized in the future related to performance obligations that are unsatisfied at the end of the period *(in thousands)*:

2026	$ 4,368
2027	4,055
2028	3,501
2029	2,925
2030	2,462
Thereafter	14,351
	$ 31,662

Additionally, as of September 28, 2025 and September 29, 2024, approximately $4.1 million and $4.6 million, respectively, of development fees related to unopened stores are included in either other accrued liabilities or other long-term liabilities on the consolidated balance sheets. Timing of revenue recognition is dependent upon the timing of store openings and are recognized over the franchise term at the date of opening.

We have applied the optional exemption, as provided for under ASC Topic 606, *Revenue from Contracts with Customers* ("ASC 606"), which allows us to not disclose the transaction price allocated to unsatisfied performance obligations when the transaction price is a sales-based royalty.

3. SUMMARY OF REFRANCHISINGS AND ASSETS HELD FOR SALE

4. INDEBTEDNESS

The detail of our long-term debt at the end of each fiscal year is as follows (*in thousands*):

	September 28, 2025	September 29, 2024

Less current maturities of long-term debt	(29,447)	(35,792)
Less unamortized debt issuance costs	(11,890)	(16,225)
Long-term debt	$ 1,674,235	$ 1,699,150

Securitized refinancing transaction — On February 11, 2022, the Company completed the sale of $550.0 million of its Series 2022-1 3.445% Fixed Rate Senior Secured Notes, Class A-2-I (the "Class A-2-I Notes") and $550.0 million of its Series 2022-1 4.136% Fixed Rate Senior Secured Notes, Class A-2-II (the "Class A-2-II" and, together with the Class A-2-I Notes, the "2022 Notes"). Interest payments on the 2022 Notes are payable on a quarterly basis. The Anticipated Repayment Dates of the Class A-2-I Notes and the Class A-2-II Notes are February 2027 and February 2032, respectively, and the Anticipated Repayment Dates of the 2019-1 Class A-2-II Notes and the Class A-2-III Notes are August 2026 and August 2029, respectively. The legal final maturity date of the 2019 Notes and 2022 Notes is August 2049 and February 2052, respectively, but it is anticipated that, unless earlier prepaid to the extent permitted under the Indenture, the Notes will be repaid by the Anticipated Repayment Dates. If

the Master Issuer has not repaid or refinanced the Notes prior to the respective Anticipated Repayment Dates, additional interest will accrue pursuant to the Indenture.

The Company also entered into a revolving financing facility of Series 2022-1 Variable Funding Senior Secured Notes (the "Variable Funding Notes"), which permits borrowings up to a maximum of $150.0 million, subject to certain borrowing conditions, a portion of which may be used to issue letters of credit. As of September 28, 2025, we did not have any outstanding borrowings and had available borrowing capacity of $96.8 million, net of letters of credits issued of $53.2 million.

The net proceeds of the sale of the 2022 Notes were used to repay in full the $570.7 million in aggregate outstanding principal amount of the Company's Series 2019-1 Class A-2-I Notes, together with the applicable make-whole premium and unpaid interest. As a result, the Company recorded a loss on early extinguishment of debt of $5.6 million during the second quarter of 2022, which was comprised of the write-off of certain deferred financing costs and a specified make-whole premium payment, and is presented in "Interest expense, net" in the consolidated statement of earnings. Additionally, in connection with the 2022 Notes, the Company capitalized $17.4 million of debt issuance costs, which are being amortized into interest expense over the Anticipated Repayment Dates, utilizing the effective interest rate method. The costs related to our Variable Funding Notes are presented within "Other assets, net" and are being amortized over the Anticipated Repayment Date of February 2027 using the straight-line method. As of September 28, 2025, effective interest rates, including the amortization of debt issuance costs, were 4.851%, 5.258%, 3.796%, and 4.347% for the Series 2019-1 Class A-2-II Notes, Series 2019-1 Class A-2-III Notes, Series 2022-1 Class A-2-I Notes, and Series 2022-1 Class A-2-II Notes, respectively.

The 2022 Notes were issued in a privately placed securitization transaction pursuant to which certain of the Company's revenue-generating assets, consisting principally of franchise-related agreements, real estate assets, and intellectual property and license agreements for the use of intellectual property, are held by the Master Issuer and certain other limited-purpose, bankruptcy remote, wholly owned indirect subsidiaries of the Company that act as Guarantors of the Notes and that have pledged substantially all of their assets, excluding certain real estate assets and subject to certain limitations, to secure the Notes.

The quarterly principal payment on the Class A-2 Notes may be suspended when the specified leverage ratio, which is a measure of outstanding debt to earnings before interest, taxes, depreciation, and amortization, adjusted for certain items (as defined in the Indenture), is less than or equal to 5.0x. Exceeding the leverage ratio of 5.0x does not violate any covenant related to the Class A-2 Notes. Subsequent to closing the issuance of the 2022 Notes, the Company has had a leverage ratio of greater than 5.0x and, accordingly, the Company is making the scheduled principal payments on its 2022 Notes and Series 2019-1 Notes.

Variable Funding Notes — Depending on the type of borrowing under the Variable Funding Notes, interest on the Variable Funding Notes is based on (i) the prime rate, (ii) overnight federal funds rates, (iii) the London interbank offered rate for U.S. Dollars or (iv) the lenders' commercial paper funding rate plus any applicable margin, as set forth in the Variable Funding Note Purchase Agreement. There is a scaled commitment fee on the unused portion of the Variable Funding Notes facility of between 50 and 100 basis points. The principal and interest on the Variable Funding Notes were repaid in full in October 2024. Following the anticipated repayment date (and any extensions thereof), additional interest will accrue equal to 5.00% per annum.

Guarantees and collateral — Pursuant to the Guarantee and Collateral Agreement, dated July 8, 2019, among the Guarantors, in favor of the trustee, the Guarantors guarantee the obligations of the Master Issuer under the Indenture and related documents and secure the guarantee by granting a security interest in substantially all of their assets. The Notes are secured by a security interest in substantially all of the assets of the Securitization Entities. The assets of the Securitization Entities include most of the revenue-generating assets of the Company and its subsidiaries, which principally consist of franchise-related agreements, certain company-operated restaurants, intellectual property and license agreements for the use of intellectual property. Upon certain triggering events, mortgages will be required to be prepared and recorded on the real estate assets.

Covenants and restrictions — The Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) that the Master Issuer maintains specified reserve accounts to be used to make required payments in respect of the Notes, (ii) provisions relating to optional and mandatory prepayments and the related payment of specified amounts, including specified make-whole payments in the case of the Class A-2 Notes

under certain circumstances, (iii) certain indemnification payments in the event, among other things, the assets pledged as collateral for the Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The Notes are also subject to customary rapid amortization events provided for in the Indenture, including events tied to failure to maintain stated debt service coverage ratios, the sum of gross sales for specified restaurants being below certain levels on certain measurement dates, certain manager termination events, an event of default, and the failure to repay or refinance the Class A-2 Notes in full by the applicable anticipated repayment date. The Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal, or other amounts due on or with respect to the Notes, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties, failure of security interests to be effective, and certain judgments. As of September 28, 2025, we were in compliance with all of our debt covenant requirements and were not subject to any rapid amortization events.

Maturities of long-term debt — Assuming repayment by the Anticipated Repayment Dates and based on the leverage ratio as of September 28, 2025, principal payments on our long-term debt outstanding at September 28, 2025 for each of the next five fiscal years and thereafter are as follows (*in thousands*):

2026	$ 289,322
2027	516,000
2028	15,500
2029	427,250
2030	11,000
Thereafter	456,500
	$ 1,715,572

On January 9, 2026, the Company paid $105.0 million of the Company's Series 2019-1 4.476% Fixed Rate Senior Secured Notes, Class A-2-II. This was a partial repayment on the outstanding principle balance. See Note 12, *Subsequent Events*, for for additional information.

5. FAIR VALUE MEASUREMENTS

Financial assets and liabilities —The following table presents the carrying value and estimated fair value of our Class A-2 Notes as of September 28, 2025 and September 29, 2024 (*in thousands*):

	September 28, 2025		September 29, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Series 2019 Class A-2 Notes	$ 692,375	$ 675,500	$ 699,625	$ 684,875
Series 2022 Class A-2 Notes	$ 1,023,000	$ 952,720	$ 1,045,000	$ 975,507

The fair value of the Class A-2 Notes was estimated using Level 2 inputs based on quoted market prices in markets that are not considered active markets. As of September 28, 2025, we had no outstanding borrowings under our Variable Funding Notes.

Non-financial assets and liabilities — Our non-financial instruments, which primarily consist of property and equipment and operating lease right-of-use assets, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on an annual basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, non-financial instruments are assessed for impairment. If the carrying values are not fully recoverable, they are written down to fair value. Refer to Note 8, *Other Operating (Income) Expense, Net*, for further details on impairment charges recognized in 2025.

6. LEASES

Nature of leases — We own restaurant sites and we also lease restaurant sites from third parties. Some of these owned or leased sites are leased and/or subleased to franchisees. Initial terms of our real estate leases are generally 20 years, exclusive of options to renew, which are generally exercisable at our sole discretion for 1 to 20 years. In

some instances, our leases have provisions for contingent rentals based upon a percentage of defined revenues. Many of our restaurants also have rent escalation clauses and require the payment of property taxes, insurance, and maintenance costs. Variable lease costs include contingent rent, cost-of-living index adjustments, and payments for additional rent such as real estate taxes, insurance and common area maintenance, which are excluded from the measurement of the lease liability. We also lease certain restaurant and office equipment with initial terms generally ranging from 3 to 8 years. Our lease agreements do not contain any material residual value guarantees or material restrictive covenants.

As lessor, our leases and subleases primarily consist of restaurants that have been leased to franchisees subsequent to refranchising transactions. The lease descriptions, terms, variable lease payments and renewal options are generally the same as the lessee leases described above. Revenues from leasing arrangements with our franchisees are presented in "Franchise rental revenues" in the accompanying consolidated statements of earnings, and the related expenses are presented in "Franchise occupancy expenses."

Report of Independent Registered Public Accounting Firm

To the Stockholders and Board of Directors
Jack in the Box Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Jack in the Box Inc. and subsidiaries (the Company) as of September 28, 2025 and September 29, 2024, the related consolidated statements of operations, comprehensive (loss) income, cash flows, and stockholders' deficit for each of the fifty-two week periods ended September 28, 2025, September 29, 2024 and October 1, 2023, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of September 28, 2025 and September 29, 2024, and the results of its operations and its cash flows for each of the fifty-two week periods ended September 28, 2025, September 29, 2024 and October 1, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of September 28, 2025, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated November 19, 2025 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Valuation of goodwill and trademark related to the Del Taco reporting unit

As discussed in Notes 1 and 5 to the consolidated financial statements, goodwill and indefinite-lived intangible assets, which includes the Del Taco trademark, are evaluated for impairment annually during the third quarter of each year, and more frequently if events and circumstances warrant. Goodwill and trademark balances are evaluated for impairment by determining whether the fair value of the Company's reporting units or the fair value of the trademark, respectively, exceed their carrying values. During the second quarter of 2025, the Company identified triggering events that indicated the goodwill allocated to the Del Taco reporting unit might be impaired. As a result, the Company performed a quantitative test over the Del Taco reporting unit, noting the fair value of the reporting unit was less than the carrying value, which resulted in an impairment of the entire goodwill balance of $25.3 million. The Company also performed a quantitative analysis over the Del Taco trademark and as a result recorded impairment of $177.9 million. The valuation of the Del Taco reporting unit used a blended approach with a discounted cash flow analysis in conjunction with a market approach. The estimated fair value used in the assessment of the Del Taco trademark was determined using the relief from royalty method.

We identified the evaluation of the goodwill impairment analysis for the Del Taco reporting unit and the impairment analysis of the Del Taco trademark as a critical audit matter. Evaluating the key assumptions used to determine the estimated fair values of the reporting unit and trademark involved a high degree of subjective auditor judgment. Specifically, the revenue growth rate assumptions used in estimating the fair value of the Del Taco reporting unit and the brand royalty rate assumption used in estimating the fair value of the Del Taco trademark were challenging to evaluate as changes to these assumptions could have had a significant impact on the assessment of the impairment of goodwill and the trademark, respectively.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Company's goodwill and trademark impairment assessment processes, including controls over the revenue growth rate assumptions used in the projected financial information and the brand royalty rate assumption used in the relief from royalty method. We evaluated the reasonableness of the revenue growth rate assumptions for the Del Taco reporting unit by comparing them to industry reports and to historical revenue growth rate trends. In addition, we performed sensitivity analyses over such revenue growth rate assumptions to assess the impact changes to the assumptions could have had on the Company's fair value estimate. We involved valuation professionals with specialized skills and knowledge, who assisted in evaluating the brand royalty rate assumption for the Del Taco trademark by comparing the rate to other restaurant royalty.

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of operations — Jack in the Box Inc. (the "Company"), together with its consolidated subsidiaries, develops, operates, and franchises quick-service restaurants under the Jack in the Box® and Del Taco® restaurant brands.

On March 8, 2022, the Company acquired Del Taco Restaurants, Inc. ("Del Taco") for cash according to the terms and conditions of the Agreement and Plan of Merger, dated as of December 5, 2021. Del Taco is a nationwide operator and franchisor of restaurants featuring fresh and fast Mexican and American inspired cuisines.

As of September 28, 2025, there were 150 company-operated and 1,986 franchise-operated Jack in the Box restaurants and 132 company-operated and 444 franchise-operated Del Taco restaurants.

References to the Company throughout these notes to the consolidated financial statements are made using the first-person notations of "we," "us," and "our."

Basis of presentation — The accompanying consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") and the rules and regulations of the Securities and Exchange Commission ("SEC").

Reclassification — Certain amounts in the prior periods' financial statements and related footnote disclosures have been reclassified to conform to the current presentation with no impact on previously reported net income or stockholders' equity.

Fiscal year — The Company's fiscal year is the 52 or 53 weeks ending the Sunday closest to September 30. In fiscal 2023, Del Taco operated on a fiscal year ending the Tuesday closest to September 30. Beginning fiscal 2024, Del Taco's fiscal year shifted to align with Jack in the Box. As a result, Del Taco's fiscal 2024 results include two fewer days. Comparisons throughout these notes to the consolidated financial statements refer to the 52-week periods ended September 28, 2025, September 29, 2024, and October 1, 2023 for fiscal years 2025, 2024, and 2023.

Principles of consolidation — The accompanying consolidated financial statements include the accounts of Jack in the Box Inc. and its wholly-owned subsidiaries. All intercompany accounts and transactions have been eliminated upon consolidation.

Use of estimates — In preparing the consolidated financial statements in conformity with U.S. GAAP, management is required to make certain assumptions and estimates that affect reported amounts of assets, liabilities, revenues, expenses, and the disclosure of contingencies. In making these assumptions and estimates, management may from time to time seek advice and consider information provided by actuaries and other experts in a particular area. Actual amounts could differ materially from these estimates.

Restricted cash — In accordance with the terms of our securitized financing facility, certain cash balances are required to be held in trust. Such restricted cash primarily represents cash collections and cash reserves held by the trustee to be used for payments of quarterly interest and commitment fees required for the Class A-2 Notes and Variable Funding Notes. The Company also had restricted cash relating to an agreement for a financing structure with a technology partner to allow them to limit their exposure to risk, while they service the franchise-owned locations. As of September 28, 2025 and September 29, 2024, restricted cash balances were $30.3 million and $29.4 million, respectively.

Accounts and other receivables, net — Our accounts and other receivables, net is primarily comprised of receivables from franchisees, tenants, credit card processors, and insurance receivables. Franchisee receivables primarily include rents, property taxes, royalties, marketing, sourcing and technology support fees associated with lease and franchise agreements, and notes from certain of our franchisees. Tenant receivables relate to subleased properties where we are on the master lease agreement. We accrue interest on notes receivable based on the contractual terms.

The Company closely monitors the financial condition of our franchisees and estimates the allowance for credit losses based on the lifetime expected loss on receivables. These estimates are based on historical collection experience with our franchisees as well as other factors, including current market conditions and events. Credit quality is monitored through the timing of payments compared to predefined aging criteria and known facts regarding the financial condition of the franchisee or customer. Account balances are charged off against the allowance after recovery efforts have ceased. The Company's allowance for doubtful accounts has not historically been material. The following table summarizes the activity in our allowance for doubtful accounts (*in thousands*):

	2025	2024
Balance as of beginning of period	$ (4,512)	$ (4,146)
Provision for expected credit losses, net	(3,292)	(372)
Write-offs charged against the allowance	1,234	6
Balance as of end of period	$ (6,570)	$ (4,512)

Inventories — Our inventories consist principally of food, packaging, and supplies, and are valued at the lower of cost or market on a first-in, first-out basis.

Internal-use Software Costs — The Company capitalizes costs incurred to implement software solely for its internal use, including (i) hosted applications used to deliver the Company's support services, and (ii) certain implementation costs incurred in a hosting arrangement that is a service contract when the preliminary project stage is complete, management with the relevant authority authorizes and commits to the funding of the software project, and it is probable the project will be completed and used to perform the intended function. Software implementation costs are capitalized to either other current assets or other long-term assets on the Company's consolidated balance sheet and amortized over the estimated useful life of the developed software. Hosted software implementation costs capitalized were $11.0 million and $11.1 million as of the end of fiscal year 2025 and 2024, respectively. Related amortization expense for software implementation costs was $2.4 million, $4.5 million and $5.0 million during fiscal years 2025, 2024 and 2023, respectively.

Assets held for sale — Our assets held for sale typically includes property and restaurants we plan to sell within the next year, including amounts relating to i) company-owned restaurants to be refranchised, ii) operating restaurant properties which we intend to sell to franchisees and/or sell and leaseback with a third party, and iii) closed restaurant properties which we are marketing for sale. If the determination is made that we no longer expect to sell an asset within the next year, the asset is reclassified out of assets held for sale and back into property and equipment, net. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell.

Property and equipment, net — Expenditures for new facilities and equipment, and those that substantially increase the useful lives of the property, are capitalized. Facilities leased under finance leases are stated at the present value of minimum lease payments at the beginning of the lease term, not to exceed fair value. Maintenance and repairs are expensed as incurred. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts, and gains or losses on the dispositions are included in “Other operating expense, net” in the accompanying consolidated statements of earnings.

Buildings, equipment, and leasehold improvements are generally depreciated using the straight-line method based on the estimated useful lives of the assets, over the initial lease term for certain assets acquired in conjunction with the lease commencement for leased properties, or the remaining lease term for certain assets acquired after the commencement of the lease for leased properties. In certain situations, one or more option periods may be used in determining the depreciable life of assets related to leased properties if we deem that an economic penalty would be incurred otherwise. In either circumstance, our policy requires lease term consistency when calculating the depreciation period, in classifying the lease and in computing straight-line rent expense. Building, leasehold improvement assets and equipment are assigned lives that range from 1 to 35 years. Depreciation expense related to property and equipment was $57.8 million, $59.2 million, and $61.7 million in fiscal year 2025, 2024, and 2023, respectively.

Impairment of long-lived assets — We evaluate long-lived assets, such as property and equipment and operating lease right-of-use assets, for impairment whenever events or changes in circumstances indicate that their carrying value may not be recoverable. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from our use and eventual disposition of the assets. If the carrying amount of a long-lived asset group exceeds the sum of related undiscounted future cash flows, we recognize an impairment loss by the amount that the carrying value of the assets exceeds fair value. Refer to Note 9, *Other Operating Expense, Net*, for additional information.

Goodwill and trademarks — Goodwill is the excess of the purchase price over the fair value of identifiable net assets acquired, if any. We generally record goodwill in connection with the acquisition of restaurants from franchisees or the acquisition of another business. Likewise, upon the sale of restaurants to franchisees, goodwill is decremented. The amount of goodwill written-off is determined as the fair value of the business disposed of as a percentage of the fair value of the reporting unit retained. If the business disposed of was never fully integrated into the reporting unit after its acquisition, and thus the benefits of the acquired goodwill were never realized, the current carrying amount of the acquired goodwill is written off. Goodwill is not amortized and has been assigned to reporting units for purposes of impairment testing. Our two restaurant brands, Jack in the Box and Del Taco, are both operating segments and reporting units.

Goodwill is evaluated for impairment annually during the third quarter of each year, or more frequently if indicators of impairment are present. We first assess qualitative factors to determine whether the existence of events or circumstances lead to a determination that it is more likely than not that the fair value of a reporting unit or indefinite-lived asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value is less than the carrying amount, we perform a single-step impairment test. To perform our impairment analysis, we estimate the fair value of the reporting unit and compare it to the carrying value. If the carrying value exceeds the fair value, an impairment loss is recognized equal to the excess.

We evaluate our indefinite-lived intangible assets for impairment on an annual basis or more often if an event occurs or circumstances change that indicate impairments might exist. We perform our annual test for impairment of our indefinite-lived intangible assets during the third quarter. We may elect to perform a qualitative assessment to determine whether it is more likely than not that the fair value of an indefinite-lived intangible asset is greater than its carrying value. If a qualitative assessment is not performed, or if as a result of a qualitative assessment it is not more likely than not that the fair value of an indefinite-lived intangible asset exceeds its carrying value, then the asset's fair value is compared to its carrying value. Fair value is an estimate of the price a willing buyer would pay for the intangible asset and is estimated by discounting the expected future after-tax cash flows associated with the intangible asset.

During the second quarter of 2025, we performed quantitative tests over the Del Taco reporting unit noting that the fair value of the reporting unit was less than the carrying value, which resulted in an impairment of goodwill. Refer also to Note 5, *Goodwill and Intangible Assets,* in the notes to the consolidated financial statements for additional information.

Intangible assets, net — Intangible assets primarily include franchise contracts, reacquired franchise rights and sublease assets. Franchise contracts, which represent the fair value of franchise agreements based on the projected royalty revenue stream as of the acquisition date, are amortized on a straight-line basis to "Depreciation and amortization" in the consolidated statements of earnings over the remaining term of the franchise agreements. Reacquired franchise rights are recorded in connection with our acquisition of franchised restaurants and are amortized on a straight-line basis to "Depreciation and amortization" in the consolidated statements of earnings over the term of the former franchise agreement. Sublease assets, which represent subleases with stated rent above comparable market rents as of the acquisition date, are amortized on a straight-line basis to "Franchise rental revenues" in the consolidated statements of earnings over the term of the related sublease.

Company-owned life insurance — We have purchased company-owned life insurance ("COLI") policies to support our non-qualified benefit plans. The cash surrender values of these policies were $135.5 million and $129.7 million as of September 28, 2025 and September 29, 2024, respectively, and are included in "Other assets, net", in the accompanying consolidated balance sheets. Changes in cash surrender values are included in "Selling, general and administrative expenses" in the accompanying consolidated statements of earnings. These policies reside in an umbrella trust for use only to pay plan benefits to participants or to pay creditors if the Company becomes insolvent.

Leases — We evaluate the contracts entered into by the Company to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property, plant, and equipment for a period of time in exchange for consideration. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating, sales-type, or direct financing lease where the Company is a lessor, based on their terms.

The lease term and incremental borrowing rate for each lease requires judgment by management and can impact the classification of our leases as well as the value of our lease assets and liabilities. When determining the lease term, we consider option periods available, and include option periods in the measurement of the lease right-of-use ("ROU") asset and lease liability where the exercise is reasonably certain to occur. As our leases do not provide an implicit discount rate, we have determined it is appropriate to use our estimated collateralized incremental borrowing rate, based on the yield curve for the respective lease terms, in calculating our lease liabilities.

Revenue recognition — "Company restaurant sales" include revenue recognized upon delivery of food and beverages to the customer at company-operated restaurants, which is when our obligation to perform is satisfied. Company restaurant sales exclude taxes collected from the Company's customers. Gift cards, upon customer purchase, are recorded as deferred income and are recognized in revenue as they are redeemed.

The Company operates loyalty programs in which members earn points primarily for food purchases. Points can then be redeemed for special reward offers. The Company allocates the consideration received on loyalty orders between the food purchased and the loyalty points earned, taking into consideration the expected redemption rate of loyalty points. The consideration allocated to the food is recognized as revenue at the time of sale. The consideration allocated to the loyalty points earned is deferred until the loyalty points are redeemed or expire.

"Franchise rental revenues" received from franchised restaurants based on fixed rental payments are recognized as revenue over the term of the lease. Rental revenue from properties owned and leased by the Company and leased or subleased to franchisees is recognized on a straight-line basis over the respective term of the lease. Certain franchise rents, which are contingent upon sales levels, are recognized in the period in which the contingency is met.

"Franchise royalties and other" primarily includes royalties and franchise fees received from our franchisees. Royalties are based upon a percentage of sales of the franchised restaurant and are recognized as earned. Franchise royalties are billed on a monthly basis. Franchise fees when a new restaurant opens or at the start of a new franchise term are recorded as deferred revenue when received and recognized as revenue over the term of the franchise agreement.

"Franchise contributions for advertising and other services" includes franchisee contributions to our marketing funds billed on a monthly basis and sourcing and technology fees, as required under the franchise agreements. Contributions to our marketing funds are based on a percentage of sales and recognized as earned. Sourcing and technology services are recognized when the goods or services are transferred to the franchisee.

Gift cards — We sell gift cards to our customers in our restaurants and through selected third parties. The gift cards sold to our customers have no stated expiration dates and are subject to actual or potential escheatment rights in several of the jurisdictions in which we operate. We recognize income from gift cards when redeemed by the customer. Deferred gift card income totaled $2.8 million and $2.7 million as of September 28, 2025 and September 29, 2024, respectively, and are included in "Accrued liabilities" in the accompanying consolidated balance sheets.

While we will continue to honor all gift cards presented for payment, we may determine the likelihood of redemption to be remote for certain card balances due to, among other things, long periods of inactivity. In these circumstances, to the extent we determine there is no requirement for remitting balances to government agencies under unclaimed property laws, card balances may be recognized as income in our consolidated statements of operations. Amounts recognized on unredeemed gift card balances were $0.6 million, $0.8 million, and $1.6 million in fiscal 2025, 2024, and 2023, respectively.

Pre-opening costs — Pre-opening costs associated with the opening of a new restaurant or the remodeling of an existing restaurant consist primarily of property rent and employee training costs. Pre-opening costs associated with the opening of a restaurant that was closed upon acquisition consist of labor costs, maintenance and repair costs, and property rent.

Self-insurance — We are self-insured for a portion of our workers' compensation, general liability, employee medical and dental, and automotive claims. We utilize a paid-loss plan for our workers' compensation, general liability, and automotive programs, which have predetermined loss limits per occurrence and in the aggregate. We establish our undiscounted insurance liability and reserves using independent actuarial estimates of expected losses based on a statistical analysis of historical claims data. As of September 28, 2025 and September 29, 2024, our estimated self-insurance liability was $28.1 million and $27.9 million, respectively, and is included in "Accrued liabilities" in the accompanying consolidated balance sheets.

Advertising costs — We administer marketing funds at each of our restaurant brands that include contractual contributions. In 2025, 2024 and 2023, marketing fund contributions from Jack in the Box franchise and company-operated restaurants were approximately 5.0% of sales. In 2025, 2024, and 2023, marketing fund contributions from Del Taco franchise and company-operated restaurants were approximately 4.0% of sales.

Production costs of commercials, programming, and other marketing activities are charged to the marketing funds when the advertising is first used for its intended purpose, and the costs of advertising are charged to operations as incurred. When contributions to the marketing fund exceed the related advertising expenses, advertising costs are accrued up to the amount of revenues on an annual basis since we are contractually obligated to spend these funds. When advertising costs are greater than the contributions to the marketing fund resulting in a deficit, the excess costs are covered by marketing fund contributions in the following year. As of September 28, 2025, and September 29, 2024, the Jack in the Box marketing fund ended the year with a $0.2 million deficit, and an $0.8 million surplus, respectively. As of September 28, 2025, and September 29, 2024, the Del Taco marketing fund ended the year with a $0.3 million surplus, and a $0.8 million deficit, respectively. In 2025, 2024, and 2023, incremental contributions to the marketing fund were $6.3 million, $0.5 million, and $0.2 million. Total contributions made by the Company, including incremental contributions and marketing fund deficits, if any, are included in "Selling, general, and administrative expenses" in the accompanying consolidated statements of earnings. In fiscal 2025, 2024, and 2023 consolidated advertising costs were $39.3 million, $35.0 million, and $38.9 million, respectively.

Share-based compensation — We account for our share-based compensation under the Financial Accounting Standards Board ("FASB") authoritative guidance on stock compensation, which generally requires, among other things, that all employee share-based compensation be measured using a fair value method and that the resulting compensation cost be recognized in the financial statements. Compensation expense for our share-based compensation awards is generally recognized on a straight-line basis over the shorter of the vesting period or the period from the date of grant to the date the employee becomes eligible to retire. Refer to Note 13, *Share-Based Employee Compensation*, for additional information.

Income taxes — Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases, as well as tax loss and credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. We recognize interest and, when applicable, penalties related to unrecognized tax benefits as a component of our income tax provision.

Authoritative guidance issued by the FASB prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. Refer to Note 11, *Income Taxes*, for additional information.

Contingencies — We recognize liabilities for contingencies when we have an exposure that indicates it is probable that an asset has been impaired or that a liability has been incurred and the amount of impairment or loss can be reasonably estimated. Our ultimate legal and financial liability with respect to such matters cannot be estimated with certainty and requires the use of estimates. When the reasonable estimate is a range, the recorded loss will be the best estimate within the range. We record legal settlement costs when those costs are probable and reasonably estimable. Refer to Note 16, *Commitments and Contingencies*, for additional information.

Business combinations — We account for acquisitions using the acquisition method of accounting. Accordingly, assets acquired and liabilities assumed are recorded at their estimated fair values at the acquisition date. The excess of purchase price over fair value of net assets acquired, including the amount assigned to identifiable intangible assets, is recorded as goodwill.

Recent accounting pronouncements — In November 2023, the FASB issued Accounting Standards Update ("ASU") 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosure*, which updates reportable segment disclosure requirements. The ASU requires enhanced disclosures about significant segment expenses and information used to assess segment performance and is effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024 with early adoption permitted. The Company adopted this pronouncement in Form 10-K for fiscal year ended September 28, 2025. Refer to Note 10, *Segment Reporting*, for additional information.

In December 2023, the FASB issued ASU 2023-09, I*ncome Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The guidance is effective for fiscal years beginning after December 15, 2024, with early adoption permitted, and should be applied on a prospective basis with the option to apply the standard retrospectively. The Company does not expect this pronouncement to have a significant impact.

In November 2024, the FASB issued ASU 2024-03, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. ASU 2024-03 requires public companies to disclose, in the notes to financial statements, specified information about certain costs and expenses at each interim and annual reporting period. Additionally, companies will need to disclose the total amount of selling expenses and, in annual reporting periods, an entity's definition of selling expenses. The FASB further clarified the effective date in January 2025 with the issuance of ASU 2025-01, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220 - 40): Clarifying the Effective Date*. This ASU is effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within annual reporting periods beginning after December 15, 2027. Early adoption is permitted. ASU 2024-03 should be applied prospectively to financial statements issued for reporting periods beginning after the effective date but entities may elect to apply the ASU retrospectively to any or all prior periods presented in the financial statements. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

In July 2025, the FASB issued ASU 2025-05, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. This amendment introduces a practical expedient for the application of the current expected credit loss ("CECL") model to current accounts receivable and contract assets. The amendment is effective for annual and interim reporting periods beginning after December 15, 2025, on a prospective basis, with early adoption permitted. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

In September 2025, the FASB issued ASU 2025-06, *Intangibles - Goodwill and Other - Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software*, which makes updates to increase the operability of the recognition guidance considering different methods of software development. The guidance is effective for fiscal years beginning after December 15, 2027, and interim reporting periods within those annual reporting periods, with early adoption permitted. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

2. REVENUE

Nature of products and services — We derive revenue from retail sales at Jack in the Box and Del Taco company-operated restaurants and rental revenue, royalties, advertising, and franchise and other fees from franchise-operated restaurants.

Our franchise arrangements generally provide for an initial franchise fee per restaurant for a 20-year term, and generally require that franchisees pay royalty and marketing fees based upon a percentage of gross sales. The agreements also require franchisees to pay technology fees, as well as sourcing fees for Jack in the Box franchise agreements.

Disaggregation of revenue — The following table disaggregates revenue by segment and primary source for the fiscal year ended September 28, 2025 *(in thousands)*:

In October 2022, a Jack in the Box franchise operator paid the Company $7.3 million in order to sell his restaurants to a new franchisee at the current standard royalty rate, which is lower than the royalty rate in the existing franchise agreements. The payment represented the difference between the existing royalty rate and the new royalty rate based on projected future sales for the remaining term of the existing agreements. The payment was non-refundable and not subject to any adjustments based on actual future sales. The Company determined the transaction represented the termination of the existing agreement rather than the transfer of an agreement between franchisees. As such, the $7.3 million was recognized in franchise royalty revenue during the first quarter of 2023.

Contract liabilities — Our contract liabilities consist of deferred revenue resulting from initial fees received from franchisees for new restaurant openings or new franchise terms, which are generally recognized over the franchise term. We classify these contract liabilities within "Accrued liabilities" and "Other long-term liabilities" in our consolidated balance sheets.

A summary of significant changes in our contract liabilities is presented below *(in thousands)*:

	2025	2024
Deferred franchise and development fees at beginning of period	$ 51,990	$ 50,474
Revenue recognized during the period	(6,285)	(5,854)
Additions during the period	2,802	7,370
Deferred franchise and development fees at end of period	$ 48,507	$ 51,990

As of September 28, 2025, approximately $8.6 million of development fees related to unopened stores are included in deferred revenue. Timing of revenue recognition is dependent upon the timing of store openings and are recognized over the franchise term at the date of opening.

The following table reflects the estimated franchise fees to be recognized in the future related to performance obligations that are unsatisfied at the end of the period *(in thousands)*:

2026	$ 4,960
2027	4,652
2028	4,073
2029	3,481
2030	3,011
Thereafter	19,763
	$ 39,940

We have applied the optional exemption, as provided for under ASC Topic 606, *Revenue from Contracts with Customers*, which allows us to not disclose the transaction price allocated to unsatisfied performance obligations when the transaction price is a sales-based royalty.

Franchise Acquisitions — In 2025, the Company acquired 18 Del Taco franchise restaurants for $7.2 million and recognized related goodwill of $6.3 million. In 2024, the Company acquired 10 Del Taco franchise restaurants as part of three separate transactions for total consideration of $86 thousand. Consideration was comprised of franchise receivables owed to the Company as of the acquisition date. There were no such acquisitions in 2023. We account for the acquisition of franchised restaurants using the acquisition method of accounting for business combinations. The purchase price allocations were based on fair value estimates determined using significant unobservable inputs (Level 3).

The following table provides detail of the combined acquisitions in the following periods (*dollars in thousands*):

5. GOODWILL AND INTANGIBLE ASSETS

The changes in the carrying amount of goodwill during fiscal 2025 and 2024 were as follows (*in thousands*):

	Jack in the Box	Del Taco	Total
Goodwill	$ 136,027	$ 193,959	$ 329,986

Accumulated impairment losses	—	(194,280)	(194,280)
Balance at September 28, 2025	$ 136,026	$ —	$ 136,026

During the third quarter of the prior year, the Company identified triggering events that indicated the goodwill allocated to the Del Taco reporting unit might be impaired. The triggering events related to i) a recent negative trend in Del Taco same store sales, ii) lower margins due in part to lower sales and higher wages required in California effective April 1, 2024 under AB 1228 and iii) unfavorable changes in the economic environment specifically impacting our industry, including inflation and interest rates. As a result, the Company performed a quantitative test over the Del Taco reporting unit, noting that the fair value of the reporting unit was less than the carrying value, which resulted in an impairment of goodwill of $162.6 million.

In performing a quantitative test for impairment of goodwill for Del Taco, we use the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method to determine the fair value of the reporting unit. Significant assumptions made by management to estimate fair value under the discounted cash flow method include future cash flow assumptions. The Company also performed a quantitative analysis over its indefinite-lived intangible trademark asset, as well as over its definite-lived intangible assets to determine whether any impairment would need to be recognized, noting none at that time.

During the second quarter of 2025, the Company identified additional triggering events that indicated the goodwill allocated to the Del Taco reporting unit might be further impaired, including i) continued negative trend in Del Taco same store sales, ii) unfavorable changes in the economic environment specifically impacting our industry, including inflation and interest rates, iii) the potential for a divestment of Del Taco, and iv) a sustained lower share price. As a result, the Company performed a quantitative test over the Del Taco reporting unit, noting that the fair value of the reporting unit was less than the carrying value, which resulted in an impairment of goodwill of $25.3 million for the second quarter of 2025. The valuation used a blended approach with a discounted cash flow analysis in conjunction with a market approach. Assumptions and estimates used in determining fair value include revenue growth rates, operating costs, new store openings, capital expenditures, a discount rate that approximates the Company's weighted average cost of capital and a selection of comparable companies. The Company determined that there was no such triggering event for the Jack in the Box reporting unit.

As a result of the franchisee acquisition during the third quarter of 2025, the Company recognized additional goodwill of $6.3 million. This additional goodwill was fully impaired based on the results of the quantitative impairment analysis performed in the second quarter of 2025. The goodwill for the Del Taco reporting unit is fully impaired as of the end of 2025.

In connection with the goodwill analysis during the second quarter of 2025, and as a result of the triggering events noted above, the Company also performed a quantitative analysis over its indefinite-lived intangible trademark asset and as a result, the Company recorded impairment of $177.9 million on the Del Taco trademark asset as noted below. The Company uses a 'relief from royalty' method to value its trademark asset, which includes inputs such as systemwide sales, brand royalty rate, brand-related expenses, tax rate, discount rate and a long-term growth rate. During the third and fourth quarters of 2025, the Company performed a qualitative analysis over its indefinite-lived intangible trademark asset, noting no further impairment was deemed necessary.

The changes in the carrying amount of the Del Taco indefinite-lived trademark during the year-to-date period ended September 28, 2025 was as follows (*in thousands*):

Balance at September 29, 2024	$ 283,500
Impairment of trademark	(177,900)
Balance at September 28, 2025	$ 105,600

The net carrying amounts of intangible assets are as follows (*in thousands*):

	September 28, 2025			September 29, 2024		
	Gross Amount	Accumulated Amortization	Net Amount	Gross Amount	Accumulated Amortization	Net Amount
Definite-lived intangible assets:						
Sublease assets	$ 2,671	$ (861)	$ 1,810	$ 2,671	$ (620)	$ 2,051
Franchise contracts	9,700	(1,928)	7,772	9,700	(1,389)	8,311

	$ 13,000	$ (3,116)	$ 9,884	$ 12,835	$ (2,320)	$ 10,515

The following table summarizes, as of September 28, 2025, the estimated amortization expense for each of the next five fiscal years (*in thousands*):

2026	$ 798
2027	812
2028	761
2029	699
2030 and thereafter	6,814

6. FAIR VALUE MEASUREMENTS

Financial assets and liabilities — The following table presents the financial assets and liabilities measured at fair value on a recurring basis (*in thousands*):

	Total	Quoted Prices in Active Markets for Identical Assets (2) (Level 1)	Significant Other Observable Inputs (2) (Level 2)	Significant Unobservable Inputs (2) (Level 3)
Fair value measurements as of September 28, 2025:				
Non-qualified deferred compensation plan (1)	$ 18,326	$ 18,326	$ —	$ —
Total liabilities at fair value	$ 18,326	$ 18,326	$ —	$ —
Fair value measurements as of September 29, 2024:

Total liabilities at fair value	$ 18,481	$ 18,481	$ —	$ —

(1) We maintain an unfunded defined contribution plan for key executives and other members of management. The fair value of this obligation is based on the closing market prices of the participants' elected investments. The obligation is included in "Accrued liabilities" and "Other long-term liabilities" on our consolidated balance sheets.

(2) We did not have any transfers in or out of Level 1, 2, or 3.

The following table presents the carrying value and estimated fair value of our Class A-2 Notes as of September 28, 2025 and September 29, 2024 (*in thousands*):

	September 28, 2025		September 29, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Series 2019 Class A-2 Notes	$ 692,375	$ 675,500	$ 699,625	$ 684,875
Series 2022 Class A-2 Notes	$ 1,023,000	$ 952,720	$ 1,045,000	$ 975,507

The fair value of the Class A-2 Notes was estimated using Level 2 inputs based on quoted market prices in markets that are not considered active markets. As of September 28, 2025, we had no amounts outstanding under our Variable Funding Notes.

Non-financial assets and liabilities — Our non-financial instruments, which primarily consist of property and equipment, operating lease right-of-use assets, goodwill, and intangible assets, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on an annual basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, non-financial instruments are assessed for impairment. If applicable, the carrying values are written down to fair value.

In connection with our impairment reviews performed during 2025 and 2024, the Company impaired certain assets. For further information, see Note 4, *Summary of Refranchisings and Assets Held For Sale*, Note 5, *Goodwill and Intangible Assets, Net*, and Note 9, *Other Operating Expenses, Net* in the notes to the consolidated financial statements.

Securitization refinancing transaction — Jack in the Box Funding, LLC (the "Master Issuer"), a limited-purpose, bankruptcy-remote, wholly owned indirect subsidiary of the Company is the master issuer of outstanding senior secured notes under a securitized financing facility that was entered into in July 2019. In February 2022, the Master Issuer completed a refinancing transaction and issued $550.0 million of its Series 2022-1 3.445% Fixed Rate Senior Secured Notes, Class A-2-I (the "Class A-2-I Notes") and $550.0 million of its Series 2022-1 4.136% Fixed Rate Senior Secured Notes, Class A-2-II (the "Class A-2-II" and, together with the Class A-2-I Notes, the "2022 Notes"). Interest payments on the 2022 Notes are payable on a quarterly basis. The Anticipated Repayment Dates of the Class A-2-I Notes and the Class A-2-II Notes are February 2027 and February 2032, respectively, and the Anticipated Repayment Dates of the 2019-1 Class A-2-II Notes and the Class A-2-III Notes are August 2026 and August 2029, respectively. The legal final maturity date of the 2019 Notes and 2022 Notes is August 2049 and February 2052, respectively, but it is anticipated that, unless earlier prepaid to the extent permitted under the Indenture, the Notes will be repaid by the Anticipated Repayment Dates. If the Master Issuer has not repaid or refinanced the Notes prior to the respective Anticipated Repayment Dates, additional interest will accrue pursuant to the Indenture.

The Company also entered into a revolving financing facility of Series 2022-1 Variable Funding Senior Secured Notes (the "Variable Funding Notes"), which permits borrowings up to a maximum of $150.0 million, subject to certain borrowing conditions, a portion of which may be used to issue letters of credit. As of September 28, 2025, we did not have any outstanding borrowings and had available borrowing capacity of $96.8 million, net of letters of credits issued of $53.2 million.

The net proceeds of the sale of the 2022 Notes were used to repay in full of $570.7 million in aggregate outstanding principal amount of the Company's Series 2019-1 Class A-2-I Notes, together with the applicable make-whole premium and unpaid interest, and was used to fund a portion of the Company's acquisition of Del Taco. As a result, the Company recorded a loss on early extinguishment of debt of $5.6 million during the second quarter of 2022, which was comprised of the write-off of certain deferred financing costs and a specified make-whole premium payment, and is presented in "Interest expense, net" in the consolidated statement of operations. Additionally, in connection with the 2022 Notes, the Company capitalized $17.4 million of debt issuance costs, which are being amortized into interest expense over the Anticipated Repayment Dates, utilizing the effective interest rate method. The costs related to our Variable Funding Notes are presented within "Other assets, net" and are being amortized over the Anticipated Repayment Dates using the straight-line method. The costs related to our Variable Funding Notes are presented within "Other assets, net" and are being amortized over the Anticipated Repayment Date of February 2027 using the straight-line method. As of September 28, 2025, the effective interest rates, including the amortization of debt issuance costs, were 4.851%, 5.258%, 3.796%, and 4.347% for the Series 2019-1 Class A-2-II Notes, Series 2019-1 Class A-2-III Notes, Series 2022-1 Class A-2-I Notes, and Series 2022-1 Class A-2-II Notes, respectively.

The 2022 Notes were issued in a privately placed securitization transaction pursuant to which certain of the Company's revenue-generating assets, consisting principally of franchise-related agreements, real estate assets, and intellectual property and license agreements for the use of intellectual property, are held by the Master Issuer and certain other limited-purpose, bankruptcy remote, wholly owned indirect subsidiaries of the Company that act as Guarantors of the Notes and that have pledged substantially all of their assets, excluding certain real estate assets and subject to certain limitations, to secure the Notes. The 2022 Notes are subject to the same covenants and restrictions as the Series 2019-1 Notes.

The quarterly principal payment on the Class A-2 Notes may be suspended when the specified leverage ratio, which is a measure of outstanding debt to earnings before interest, taxes, depreciation, and amortization, adjusted for certain items (as defined in the Indenture), is less than or equal to 5.0x. Exceeding the leverage ratio of 5.0x does not violate any covenant related to the Class A-2 Notes. Subsequent to closing the issuance of the 2022 Notes, the Company has had a leverage ratio of greater than 5.0x and, accordingly, the Company is making the scheduled principal payments on its 2022 Notes and Series 2019-1 Notes.

Guarantees and collateral — Pursuant to the Guarantee and Collateral Agreement, dated July 8, 2019 (the "Guarantee and Collateral Agreement"), among the Guarantors, in favor of the trustee, the Guarantors guarantee the obligations of the Master Issuer under the Indenture and related documents and secure the guarantee by granting a security interest in substantially all of their assets. The Notes are secured by a security interest in substantially all of the assets of the Master Issuer and the Guarantors (collectively, the "Securitization Entities"). The assets of the Securitization Entities include most of the revenue-generating assets of the Company and its subsidiaries, which principally consist of franchise-related agreements, certain company-operated restaurants, intellectual property and license agreements for the use of intellectual property. Upon certain trigger events, mortgages will be required to be prepared and recorded on the real estate assets.

Revolving credit facility — In 2022, Del Taco entered into a syndicated revolving credit facility with an aggregate principal amount of up to $75.0 million, which matured on February 28, 2025 and was not renewed.

Maturities of long-term debt — Assuming repayment by the Anticipated Repayment Dates and based on the leverage ratio as of September 28, 2025, principal payments on our long-term debt outstanding at September 28, 2025 for each of the next five fiscal years and thereafter are as follows (*in thousands*):

8. LEASES

Nature of leases — We own restaurant sites and we also lease restaurant sites from third parties. Some of these owned or leased sites are leased and/or subleased to franchisees. Initial terms of our real estate leases are generally 20 years, exclusive of options to renew, which are generally exercisable at our sole discretion for 1 to 20 years. In some instances, our leases have provisions for contingent rentals based upon a percentage of defined revenues. Many of our restaurants also have rent escalation clauses and require the payment of property taxes, insurance, and maintenance costs. Variable lease costs include contingent rent, cost-of-living index adjustments, and payments for additional rent such as real estate taxes, insurance, and common area maintenance, which are excluded from the measurement of the lease liability. We also lease certain restaurant and office equipment with initial terms generally ranging from 3 to 8 years. Our lease agreements do not contain any material residual value guarantees or material restrictive covenants.

As lessor, our leases and subleases primarily consist of restaurants that have been leased to franchisees subsequent to refranchising transactions. The lease descriptions, terms, variable lease payments and renewal options are generally the same as the lessee leases described above. Revenues from leasing arrangements with our franchisees are presented in "Franchise rental revenues" in the accompanying consolidated statements of earnings, and the related expenses are presented in "Franchise occupancy expenses."

10. SEGMENT REPORTING

The Company's principal business consists of developing, operating and franchising our Jack in the Box and Del Taco restaurant brands, each of which is considered a reportable operating segment. Our chief operating decision maker ("CODM") in 2025 is our Chief Executive Officer, Lance Tucker. Our segment reporting structure reflects the Company's current management structure, internal reporting method and financial information used in deciding how to allocate Company resources. Based upon certain quantitative thresholds, each operating segment is considered a reportable segment.

The Company measures and evaluates our segments based on segment revenues and segment profit (loss). The CODM reviews segment profits and significant expense categories to assess performance, identify trends or changes, and determine the proper allocation of resources. The reportable segments do not include an allocation of the costs related to shared service functions, such as accounting/finance, human resources, audit services, legal, tax and treasury. These costs are reflected in the caption "general and administrative and other unallocated" below.

Our measure of segment profit excludes general and administrative and other unallocated costs, depreciation and amortization, company-owned life insurance ("COLI") gains/ losses, impairment of goodwill and intangible assets, other operating expense (income), net, and gains on the sale of company-operated restaurants.

We do not evaluate, manage or measure performance of segments using asset values, pension or post-retirement expense, interest income and expense, or income tax information as they are not viewed by the Company as relevant to segment performance. Accordingly, this information by segment is not prepared or disclosed.

The following table provides information related to our operating segments in each period (*in thousands*):

Total gross deferred tax liabilities	(410,527)	(468,451)
Net deferred tax assets (liabilities)	$ 41,268	$ (13,612)

Deferred tax assets as of September 28, 2025 include state gross net operating loss carryforwards of approximately $10.6 million, of which $8.6 million has an indefinite carryforward. The remainder will expire at various times between 2026 and 2042. The Company believes it is more likely than not that all deferred tax assets will be realized through future taxable income or alternative tax strategies.

The major jurisdictions in which the Company files income tax returns includes the United States and states in which we operate that impose an income tax. The federal statutes of limitations have not expired for fiscal year 2022 and forward. The statutes of limitations for California, which constitutes the Company's major state tax jurisdiction, have not expired for fiscal years 2021 and forward.

12. RETIREMENT PLANS

We sponsor programs that provide retirement benefits to our employees. These programs include defined contribution plans, defined benefit pension plans, and postretirement healthcare plans.

Defined contribution plans — We maintain a qualified savings plan pursuant to Section 401(k) of the Internal Revenue Code ("IRC") called the Jack in the Box Inc. Easy$aver Plus Plan. Previously, we also maintained the Del Taco Savings Plan which was merged into the Easy$aver Plus Plan effective January 1, 2024. The plan allows all employees who meet certain age and minimum service requirements to defer a percentage of their pay on a pre-tax basis. Our contributions under these plans were $3.4 million, $3.3 million, and $2.3 million in each fiscal years 2025, 2024 and 2023, respectively.

We also maintain an unfunded, non-qualified deferred compensation plan for key executives and other members of management whose compensation deferrals or company matching contributions to the qualified savings plan are limited due to IRC rules. Effective January 1, 2016, this non-qualified plan was amended to replace the company matching contribution with an annual restoration match that is intended to "restore" up to the full match for participants whose elective deferrals (and related company matching contributions) to the qualified savings plan were limited due to IRC rules. A participant's right to the Company restoration match vests immediately. This plan allows participants to defer up to 50% of their salary and 85% of their bonus, on a pre-tax basis. Our contributions under the non-qualified deferred compensation plan were $0.1 million in fiscal year 2025, $0.2 million in fiscal year 2024, and $0.1 million in fiscal year 2023.

Defined benefit pension plans — We sponsor two defined benefit pension plans, a "Qualified Plan" covering substantially all full-time employees hired prior to January 1, 2011, and an unfunded supplemental executive retirement plan ("SERP") which provides certain employees additional pension benefits and was closed to new participants effective January 1, 2007. In fiscal 2011, the Board of Directors approved changes to our Qualified Plan whereby participants no longer accrue benefits effective December 31, 2015. Benefits under both plans are based on the employees' years of service and compensation over defined periods of employment.

In the fourth quarter of fiscal 2023, the Company amended its Qualified Plan to purchase certain annuity contracts from a third-party company, relieving the Company of its related obligation for future payment (the "Annuity Purchase Agreement"). As a result of the Annuity Purchase Agreement, the Company's Qualified Plan paid $14.4 million from its plan assets to the third-party, thereby reducing the plan's pension benefit obligation ("PBO").

Postretirement healthcare plans — We also sponsor two healthcare plans, closed to new participants, that provide postretirement medical benefits to certain employees who have met minimum age and service requirements. The plans are contributory, with retiree contributions adjusted annually, and contain other cost-sharing features such as deductibles and coinsurance.

Obligations and funded status — The following table provides a reconciliation of the changes in benefit obligations, plan assets, and funded status of our retirement plans for each fiscal year (*in thousands*):

The net actuarial gain arising in the current year for the benefit obligations was primarily due to an increase in the discount rate on the qualified plan from the prior year.

Additional year-end pension plan information — The PBO represents the actuarial present value of benefits attributable to employee service rendered to date, including the effects of estimated future pay increases. The accumulated benefit obligation ("ABO") also reflects the actuarial present value of benefits attributable to employee service rendered to date but does not include the effects of estimated future pay increases. Therefore, the ABO as compared to plan assets is an indication of the assets currently available to fund vested and nonvested benefits accrued through the end of the fiscal year. The funded status is measured as the difference between the fair value of a plan's assets and its PBO. Since the Qualified Plan is frozen and the SERP has no active participants, the PBO and ABO are equal.

As of September 28, 2025 and September 29, 2024, respectively, the Qualified Plan's ABO was less than the fair value of its plan assets. The SERP is an unfunded plan and, as such, had no plan assets as of September 28, 2025 and September 29, 2024. The following sets forth the PBO, ABO, and fair value of plan assets of our pension plans as of the measurement date in each fiscal year (*in thousands*):

	2025	2024
Qualified Plan:		
Projected benefit obligation	$ 281,390	$ 297,920
Accumulated benefit obligation	$ 281,390	$ 297,920
Fair value of plan assets	$ 290,569	$ 302,439
SERP:		
Projected benefit obligation	$ 51,134	$ 57,097
Accumulated benefit obligation	$ 51,134	$ 57,097
Fair value of plan assets	$ —	$ —

Net periodic benefit cost — The components of the fiscal year net periodic benefit cost were as follows (*in thousands*):

	2025	2024	2023
Qualified Plan:			
Interest cost	$ 14,825	$ 15,791	$ 16,068
Expected return on plan assets	(15,032)	(14,982)	(15,105)
Actuarial loss	2,416	2,403	2,349
Net periodic benefit cost	$ 2,209	$ 3,212	$ 3,312
SERP:			
Interest cost	$ 2,778	$ 3,188	$ 3,149
Actuarial loss	990	632	718
Amortization of unrecognized prior service cost	—	14	19
Net periodic benefit cost	$ 3,768	$ 3,834	$ 3,886
Postretirement health plans:			
Interest cost	$ 615	$ 711	$ 700
Actuarial (gain) loss	(778)	(914)	(932)
Net periodic benefit (credit) cost	$ (163)	$ (203)	$ (232)

Prior service costs are amortized on a straight-line basis from date of participation to full eligibility. Unrecognized gains or losses are amortized using the "corridor approach" under which the net gain or loss in excess of 10% of the greater of the PBO or the market-related value of the assets, if applicable, is amortized. For our Qualified Plan, actuarial losses are amortized over the average future expected lifetime of all participants expected to receive benefits. For our SERP, actuarial losses are amortized over the expected remaining future lifetime for inactive participants, and for our postretirement health plans, actuarial losses are amortized over the expected remaining future lifetime of inactive participants expected to receive benefits.

Assumptions — We determine our actuarial assumptions on an annual basis. In determining the present values of our benefit obligations and net periodic benefit costs as of and for the fiscal years ended September 28, 2025, September 29, 2024, and October 1, 2023, we used the following weighted-average assumptions:

	2025	2024	2023
Assumptions used to determine benefit obligations (1) (2):			
Qualified Plan:			
Discount rate	5.63%	5.11%	6.10%
SERP:			
Discount rate	5.45%	5.09%	6.26%
Postretirement health plans:			
Discount rate	5.39%	5.09%	6.27%
Assumptions used to determine net periodic benefit cost (2) (3):			
Qualified Plan:			
Discount rate	5.11%	6.10%	5.63%
Long-term rate of return on assets	5.10%	5.60%	5.10%
SERP:			
Discount rate	5.09%	6.26%	5.80%
Postretirement health plans:			
Discount rate	5.09%	6.27%	5.82%

(1) Determined as of end of year.
(2) There is no assumed rate of increase, as there are no active employees in any of the fiscal years presented.
(3) Determined as of beginning of year.

The assumed discount rates were determined by considering the average of pension yield curves constructed of a population of high-quality bonds with a Moody's or Standard and Poor's rating of "AA" or better whose cash flow from coupons and maturities match the year-by-year projected benefit payments from the plans. As benefit payments typically extend beyond the date of the longest maturing bond, cash flows beyond 30 years were discounted back to the 30th year and then matched like any other payment.

The assumed expected long-term rate of return on assets is the weighted-average rate of earnings expected on the funds invested or to be invested to provide for the pension obligations. The long-term rate of return on assets was determined taking into consideration our projected asset allocation and economic forecasts prepared with the assistance of our actuarial consultants.

The assumed discount rate and expected long-term rate of return on assets have a significant effect on amounts reported for our pension and postretirement plans. If the discount rate and expected rate of return on assets used were to decrease by 0.25%, fiscal 2025 earnings before income taxes would have decreased by less than $0.1 million and decreased by $0.7 million, respectively.

For measurement purposes, the weighted-average assumed health care cost trend rates for our postretirement health plans were as follows for each fiscal year:

	2025	2024	2023
Healthcare cost trend rate for next year:			
Participants under age 65	6.50%	6.25%	6.25%
Participants age 65 or older	6.50%	6.25%	6.25%
Rate to which the cost trend rate is assumed to decline:			
Participants under age 65	4.50%	4.50%	4.50%
Participants age 65 or older	4.50%	4.50%	4.50%
Year the rate reaches the ultimate trend rate:			
Participants under age 65	2032	2031	2031
Participants age 65 or older	2032	2031	2031

The assumed healthcare cost trend rate represents our estimate of the annual rates of change in the costs of the healthcare benefits currently provided by our postretirement plans. The healthcare cost trend rate implicitly considers estimates of healthcare inflation, changes in healthcare utilization and delivery patterns, technological advances and changes in the health status of the plan participants. The healthcare cost trend rate assumption has a significant effect on the amounts reported.

Plan assets — Our investment philosophy is to invest assets in a prudent manner to meet the obligation of providing benefits to Plan participants and their beneficiaries in accordance with the time horizon appropriate for the Plan while employing asset diversification to minimize the risk of large losses. Our asset allocation strategy utilizes multiple investment managers in order to maximize the plan's return while minimizing risk. We regularly monitor our asset allocation, and senior financial management and the Board of Directors review performance results quarterly. We continually review our target asset allocation for our Qualified Plan and when changes are made, we reallocate our plan assets over a period of time, as deemed appropriate by senior financial management, to achieve our target asset allocation. Our plan asset allocation at the end of each fiscal 2025 and 2024 and respective target allocations were as follows:

	2025	Target	Minimum	Maximum
Cash & cash equivalents	2%	—%	—%	—%
Global equity	12%	12%	7%	17%
Alternative credit	11%	9%	4%	14%

Liability-hedging assets	66%	70%	60%	80%
	100%	100%		

The Company measures its defined benefit plan assets and obligations as of the month-end date closest to its fiscal year end, which is a practical expedient under FASB authoritative guidance. The fair values of the Qualified Plan's assets by asset category are as follows (*in thousands*):

		Total	Other (i.e., NAV Assets) (3)	Quoted Prices in Active Markets for Identical (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

(1) Cash and cash equivalents are comprised of commercial paper, short-term bills and notes, and short-term investment funds, which are valued at quoted prices in active markets for similar securities.

(2) Global equity is comprised of investments in publicly traded common stocks and other equity-type securities issued by companies throughout the world, including convertible securities, preferred stock, rights and warrants.

(3) Certain investments that are measured at fair value using the net asset value ("NAV") per share (or its equivalent) practical expedient are not categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

(4) Liability-hedging assets are comprised of investments in fixed income securities or derivatives thereof that are intended to mitigate interest rate risk or reduce the interest rate duration mismatch between the assets and liabilities of the Plan.

(5) Alternative credit includes investments in a range of public and private credit securities, including below investment grade rated bonds and loans, securitized credit, and emerging market debt.

(6) Real assets are investments in public and private debt and equity investments, including but not limited to real estate, infrastructure, timberland and agriculture/farmland.

Future cash flows — Our policy is to fund our plans at or above the minimum required by law. As of the date of our last actuarial funding valuation, the minimum required contribution is $1.6 million and must be satisfied by September 15, 2026. At this time, we do not anticipate making any contributions to our Qualified Plan in fiscal 2026 as this requirement may also be satisfied by application of the available funding balances. Contributions expected to be paid in the next fiscal year, the projected benefit payments for each of the next five fiscal years, and the total aggregate amount for the subsequent five fiscal years are as follows (*in thousands*):

	Defined Benefit Plans	Postretirement Health Plans
Estimated net contributions during fiscal 2026	$ 4,814	$ 1,170
Estimated future year benefit payments during fiscal years:		
2026	$ 20,915	$ 1,170
2027	$ 21,246	$ 1,182
2028	$ 21,635	$ 1,186
2029	$ 22,056	$ 1,180
2030	$ 22,455	$ 1,165
2031-2035	$ 117,352	$ 5,296

We will continue to evaluate contributions to our Qualified Plan based on changes in pension assets as a result of asset performance in the current market and economic environment. Expected benefit payments are based on the same assumptions used to measure our benefit obligations at September 28, 2025.

13. SHARE-BASED EMPLOYEE COMPENSATION

Stock incentive plans — We offer share-based compensation plans to attract, retain, and motivate key officers, employees, and non-employee directors to work toward the financial success of the Company.

Our stock incentive plans are administered by the Compensation Committee of the Board of Directors and have been approved by the stockholders of the Company. The terms and conditions of our share-based awards are determined by the Compensation Committee for each award date and may include provisions for the exercise price, expirations, vesting, restriction on sales, and forfeitures, as applicable. We issue new shares to satisfy stock issuances under our stock incentive plans.

Our Amended and Restated 2004 Stock Incentive Plan ("Prior Plan") authorized the issuance of up to 11,600,000 common shares in connection with the granting of stock options, stock appreciation rights, restricted stock purchase rights, restricted stock bonuses, restricted stock units, or performance units to our employees and directors. As of January 1, 2023, no additional awards were granted under the Prior Plan. Our Jack in the Box Inc. 2023 Omnibus Incentive Plan ("Plan") authorizes the issuance of up to 2,500,000 common shares plus Prior Plan returning shares in connection with outstanding awards as of January 6, 2023 that on or following such date are not issued, settled in cash, or fail to vest. The Plan is intended to help the Company secure and retain the services of eligible award recipients, provide incentives for such persons to exert maximum efforts for the success of the Company, and provide a means by which such persons may benefit from increases in value of the common stock. The Plan provides for the granting of stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards, or performance stock awards, to our employees and directors. There were 972,739 shares of common stock available for future issuance under this plan as of September 28, 2025.

We also maintain a deferred compensation plan for non-management directors under which those who are eligible to receive retainers may choose to defer receipt of their compensation. The deferred amounts are converted to stock equivalents. The plan requires settlement in shares of our common stock based on the number of stock equivalents and dividend equivalents at the time of a participant's separation from the Board of Directors. This plan provides for the issuance of up to 350,000 shares of common stock in connection with the crediting of stock equivalents. There were 105,811 shares of common stock available for future issuance under this plan as of September 28, 2025.

Compensation expense — The components of share-based compensation expense, included within "Selling, general, and administrative expenses" in our consolidated statements of earnings, in each fiscal year are as follows (*in thousands*):

	2025	2024	2023
Nonvested restricted stock units	$ 9,796	$ 10,128	$ 7,598
Stock options	—	—	4
Performance share awards	(1,558)	3,308	3,195
Nonvested restricted stock awards	—	—	166
Non-management directors' deferred compensation	—	35	242
Total share-based compensation expense	$ 8,238	$ 13,471	$ 11,205

Nonvested restricted stock units — Nonvested restricted stock units ("RSUs") are generally issued to employees and non-employee directors. Grants to executive officers of time-vesting RSUs vest ratably over four years or three years, are subject to a stock holding requirement of 50% of after-tax net shares resulting from the vesting of RSUs, and must be held until the multiple of base salary stock ownership is met. There were 4,046 of these RSU's vesting over four years, and 219,954 RSU's vesting over three years, outstanding as of September 28, 2025. RSUs issued to non-management directors vest 12 months from the date of grant, or upon termination of board service, including RSUs for which the director elected to defer receipt until termination of board service, and totaled 84,801 units outstanding as of September 28, 2025. RSUs issued to certain other employees either cliff vest or vest ratably over three years and totaled 234,751 units outstanding as of September 28, 2025. These awards are amortized to compensation expense over the estimated vesting period based upon the fair value of our common stock on the award date discounted by the present value of the expected dividend stream over the vesting period.

The following is a summary of RSU activity for fiscal 2025:

	Shares	Weighted-Average Grant Date Fair Value
RSUs outstanding at September 29, 2024	381,738	$ 69.59
Granted	461,091	$ 38.04
Released	(146,379)	$ 71.38
Forfeited	(152,898)	$ 54.46
RSUs outstanding at September 28, 2025	543,552	$ 46.60

As of September 28, 2025, there was approximately $12.3 million of total unrecognized compensation cost related to RSUs, which is expected to be recognized over a weighted-average period of 1.9 years. The weighted-average grant date fair value of awards granted was $38.04, $67.74, and $68.56 in fiscal years 2025, 2024, and 2023, respectively. In fiscal years 2025, 2024, and 2023, the total fair value of RSUs that vested and were released was $10.4 million, $8.0 million, and $4.6 million, respectively.

Stock options — Option grants have contractual terms of seven years and employee options vest over a three-year period. Options may vest sooner upon retirement from the Company for employees meeting certain age and years of service thresholds. All option grants provide for an option exercise price equal to the closing market value of the common stock on the date of grant.

The following is a summary of stock option activity for fiscal 2025:

	Shares	Weighted-Average Exercise Price	Weighted-Average Remaining Contractual Term (Years)	Aggregate Intrinsic Value (in thousands)
Options outstanding at September 29, 2024	14,011	$ 84.23		
Expired	(8,499)	$ 90.06		
Options outstanding at September 28, 2025	5,512	$ 75.23	1.22	$ —
Options exercisable at September 28, 2025	5,512	$ 75.23	1.22	$ —

The aggregate intrinsic value in the table above is the amount by which the current market price of our stock on September 28, 2025 exceeds the weighted-average exercise price.

We use a valuation model to determine the fair value of options granted that requires the input of highly subjective assumptions, including the expected volatility of the stock price. No stock option awards were granted in fiscal 2025, 2024, or 2023.

As of September 28, 2025, there was no unrecognized compensation cost related to stock options grants. There were no stock options exercised in fiscal year 2025 or 2024. The total intrinsic value of stock options exercised was less than $0.1 million in fiscal 2023.

Performance share awards — Performance share awards, granted in the form of stock units, represent a right to receive a certain number of shares of common stock based on the achievement of corporate performance goals and continued employment during the vesting period. Performance share awards issued to executives vest at the end of a three-year period and vested amounts may range from 0% to a maximum of 150% of targeted amounts depending on the achievement of performance measures at the end of a three-year period. If the awardee ceases to be employed by the Company prior to the last day of the performance period due to retirement or death under the Plan, and including disability under the Prior Plan, the performance share awards become vested pro-rata based on the number of full accounting periods the awardee was continuously employed by the Company during the performance period. The expected cost of the shares is based on the fair value of our stock on the date of grant and is reflected over the vesting period with a reduction for estimated forfeitures. These awards may be settled in cash or shares of common stock at the election of the Company on the date of grant. It is our intent to settle these awards with shares of common stock.

In May 2025, certain executives were granted market-based performance share awards of which the vesting is contingent upon meeting Company stock price hurdles satisfied after 20 consecutive trading days at the target price or higher, as well as continuous service during the performance period. The number of shares that will vest varies depending on the hurdles achieved. These awards vest at the completion of the third year from the grant date. The number of shares that can vest ranges from 0% to 200% of the target number of performance shares granted. Expense is recorded on a straight-line basis over the vesting period based on the fair value of the shares as determined by a Monte Carlo simulation on the grant date. The Monte Carlo simulation used a volatility assumption of 42.13%, a risk-free interest rate of 3.62%, a dividend yield of 0%, and a term of three years which resulted in a fair value per share of $32.16.

The following is a summary of performance share award activity for fiscal 2025:

	Shares	Weighted-Average Grant Date Fair Value
Performance share awards outstanding at September 29, 2024	145,167	$ 70.53
Granted	214,184	$ 37.11
Issued	(39,789)	$ 78.46
Forfeited	(159,120)	$ 54.58
Performance adjustments	7,897	$ 78.95
Performance share awards outstanding at September 28, 2025	168,339	$ 39.25

As of September 28, 2025, there was approximately $2.5 million of total unrecognized compensation cost related to performance share awards, which is expected to be recognized over a weighted-average period of 2.8 years. The weighted-average grant date fair value of awards granted was $37.11, $70.19, and $65.74 in fiscal years 2025, 2024, and 2023, respectively. The total fair value of awards that became fully vested during fiscal years 2025, 2024, and 2023 was $0.9 million, $2.7 million, and $1.8 million, respectively.

Nonvested restricted stock awards — As part of the Merger Agreement, on the Closing Date, the Company assumed Del Taco's historical equity compensation plans. The awards under Del Taco's historical equity compensation plans that were not subject to accelerated vesting were exchanged for replacement awards of the Company, which included Del Taco's non-accelerating restricted stock awards. Immediately following the Merger, these replacement awards were modified to accelerate the remaining vesting period to be one year following the Closing Date, other than the awards already scheduled to vest on June 30, 2022.

As of September 28, 2025, there was no unrecognized compensation cost related to nonvested stock awards. The total fair value of awards that vested and were released during fiscal 2023 was $0.4 million.

Non-management directors' deferred compensation — All awards outstanding under our directors' deferred compensation plan are accounted for as equity-based awards and deferred amounts are converted into stock equivalents based on a per share price equal to the average of the closing price of our common stock for the 10 trading days immediately preceding the date the deferred compensation is credited to the director's account. During fiscal 2025, 2024, and 2023, 765 shares of common stock were issued in connection with a director retirement.

The following is a summary of the stock equivalent activity for fiscal 2025:

	Stock Equivalents	Weighted-Average Grant Date Fair Value
Stock equivalents outstanding at September 29, 2024	91,885	$ 61.53
Dividend equivalents	3,714	$ 32.66
Stock distribution	(765)	$ 69.34
Stock equivalents outstanding at September 28, 2025	94,834	$ 50.83

14. STOCKHOLDERS' DEFICIT

Repurchases of common stock — In fiscal 2025, the Company purchased 0.1 million shares of its common stock for an aggregate cost of $5.0 million, including applicable excise tax. As of September 28, 2025, there was $175.0 million remaining amount under share repurchase programs authorized by the Board of Directors which do not expire.

Dividends — In fiscal 2025, the Board of Directors declared two cash dividends of $0.44, respectively, totaling $16.7 million. Future dividends are subject to approval by our Board of Directors. As previously announced, the Company has discontinued its dividend.

Stockholder Rights Plan — On July 1, 2025, the Board of Directors adopted a limited-duration stockholder rights plan and declared a dividend of one right (a "Right") for each outstanding share of the Company's common stock held of record at the close of business on July 14, 2025. The Rights will generally become exercisable if a person or group acquires beneficial ownership of 12.5% or more of the outstanding shares of the Company's common stock, subject to certain exceptions (including an exception for existing persons who own in excess of such triggering percentage and do not acquire additional shares of the Company's common stock). If the Rights become exercisable, all holders of Rights (other than the triggering person or group) will be entitled to purchase shares of the Company's common stock at a 50% discount to the then-current market price or the Company may exchange each Right held by such holders for one share of the Company's common stock. The terms of the Rights are set forth in the Stockholder Protection Rights Agreement, dated as of July 1, 2025, by and between the Company and Computershare Trust Company, N.A., as rights agent (the "Rights Agreement"). The Rights will expire on July 1, 2026, unless the Rights are earlier redeemed, or the Rights Agreement is terminated, by the Board of Directors.

15. AVERAGE SHARES OUTSTANDING

Our basic earnings per share calculation is computed based on the weighted-average number of common shares outstanding. Our diluted earnings per share calculation is computed based on the weighted-average number of common shares outstanding adjusted by the number of additional shares that would have been outstanding had the potentially dilutive common shares been issued. Potentially dilutive common shares include nonvested stock awards and units, stock options, and non-management director stock equivalents. Performance share awards are included in the average diluted shares outstanding each period if the performance criteria have been met at the end of the respective periods.

The following table reconciles basic weighted-average shares outstanding to diluted weighted-average shares outstanding in each fiscal year (*in thousands*):

	2025	2024	2023
Weighted-average shares outstanding — basic	19,054	19,572	20,603
Effect of potentially dilutive securities:

Stock options	—	—	1
Performance share awards	—	—	26
Weighted-average shares outstanding — diluted	19,054	19,572	20,764
Excluded from diluted weighted-average shares outstanding:			
Antidilutive	470	153	25
Performance conditions not satisfied at the end of the period	165	145	81

16. COMMITMENTS AND CONTINGENCIES

Purchase commitments — Jack in the Box and Del Taco have long-term food and beverage supply agreements with certain major vendors, which provide food and fountain drink products and marketing support funding to the Company and its franchisees. These agreements require minimum purchases by the Company and its franchisees at agreed upon prices until the total volume commitments have been reached. Based on current pricing and ratio of usage at company-operated to franchised restaurants as of September 28, 2025, total food and beverage purchase requirements under these agreements is estimated to be approximately $136.8 million over the next twelve years.

We also have entered into various arrangements with vendors providing information technology services with no early termination fees. The Company's unconditional purchase obligations on these contracts total approximately $7.8 million over the next six years.

Legal matters — The Company assesses contingencies, including litigation contingencies, to determine the degree of probability and range of possible loss for potential accrual in our financial statements. An estimated loss contingency is accrued in the financial statements if it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. As of September 28, 2025, the Company had accruals of $19.6 million for all of its legal matters in aggregate, presented within "Accrued liabilities" on our consolidated balance sheet. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated, or unrelated to possible outcomes, and as such are not meaningful indicators of our potential liability or financial exposure. The Company regularly reviews contingencies to determine the adequacy of the accruals and related disclosures. The ultimate amount of loss may differ from these estimates. Any estimate is not an indication of expected loss, if any, or of the Company's maximum possible loss exposure and the ultimate amount of loss may differ materially from these estimates in the near term.

Gessele v. Jack in the Box Inc. — In August 2010, five former Jack in the Box employees instituted litigation in federal court in Oregon alleging claims under the federal Fair Labor Standards Act and Oregon wage and hour laws. The plaintiffs alleged that Jack in the Box failed to pay non-exempt employees for certain meal breaks and improperly made payroll deductions for shoe purchases and for workers' compensation expenses, and later added additional claims relating to timing of final pay and related wage and hour claims involving employees of a franchisee. In 2016, the court dismissed the federal claims and those relating to franchise employees. In June 2017, the court granted class certification with respect to state law claims of improper deductions and late payment of final wages. The parties participated in a voluntary mediation on March 16, 2020, but the matter did not settle. On October 24, 2022, a jury awarded plaintiffs approximately $6.4 million in damages and penalties. The Company continues to dispute liability and the damage award and both parties have filed appeals of the verdict. As of September 28, 2025, the Company has accrued the verdict amount above, as well as estimated prejudgment and post-judgment interest and fee award, for an additional $10.1 million. These amounts are included within "Accrued liabilities" on our consolidated balance sheet as of September 28, 2025. The Company will continue to accrue for post-judgment interest until the matter is resolved.

J&D Restaurant Group — On April 17, 2019, the trustee for a bankrupt former franchisee filed a complaint generally alleging the Company wrongfully terminated the franchise agreements and unreasonably denied two prospective purchasers the former franchisee presented. The parties participated in a mediation in April 2021, and again in December 2022, but the matter did not settle. The trial commenced on January 9, 2023 and on February 8, 2023, the jury returned a verdict finding the Company had not breached any contracts in terminating the franchise agreements or denying the proposed buyers. However, while the jury also found the Company had not violated the California Unfair Practices Act, it found for the plaintiff on the claim for breach of implied covenant of good faith and fair dealing, and awarded $8.0 million in damages. On May 9, 2023, the court granted the Company's post-trial motion, overturning the jury verdict and ordering the plaintiff take nothing on its claims. As a result, the Company reversed the prior $8.0 million. The Plaintiff has appealed the trial court's post-trial rulings. As part of the appeal, the parties participated in a mediation on March 18, 2025, but the matter did not settle. On October 9, 2025, the appellate court issued an opinion affirming the trial court's take nothing judgment in favor of the Company. As of September 28, 2025, the Company has accrued an amount commensurate with attempts to resolve the claims on its consolidated balance sheet.

Other legal matters — In addition to the matters described above, we are subject to normal and routine litigation brought by former or current employees, customers, franchisees, vendors, landlords, shareholders, or others. We intend to defend ourselves in any such matters. Some of these matters may be covered, at least in part, by insurance or other third-party indemnity obligation. We record receivables from third party insurers when recovery has been determined to be probable.

Lease guarantees — We remain contingently liable for certain leases relating to our former Qdoba business which we sold in fiscal 2018. Under the Qdoba Purchase Agreement, the buyer has indemnified the Company of all claims related to these guarantees. As of September 28, 2025, the maximum potential liability of future undiscounted payments under these leases is approximately $21.2 million. The lease terms extend for a maximum of approximately 12 more years, and we would remain a guarantor of the leases in the event the leases are extended for any established renewal periods. In the event of default, we believe the exposure is limited due to contractual protections and recourse available in the lease agreements, as well as the Qdoba Purchase Agreement, including a requirement of the landlord to mitigate damages by re-letting the properties in default, and indemnity from the Buyer. The Company has not recorded a liability for these guarantees as we believe the likelihood of making any future payments is remote.

Huntington Finance Guarantees - The Company has an agreement for a financing structure with a technology partner to allow them to limit their exposure to risk, while they service the franchise-owned locations. As of September 28, 2025, and in accordance with that arrangement, the Company has funded amounts included in restricted cash of $2.0 million and has an additional unfunded obligation of approximately of $0.8 million.

The Company anticipates closing the transaction in the first quarter of 2026, and will finalize the accounting upon its closing and anticipates recording a material loss on sale.

The System includes, among other things, the following elements, all of which may be deleted, changed, improved or further developed by Company from time to time: (a) know-how, specifications, methods and procedures for the content, preparation, marketing and sale of food and beverages, which are described in operating manuals for JACK IN THE BOX restaurants and in other written materials; (b) plans and specifications for distinctive, standardized premises and interior and exterior formats, styles, designs, decors, fixtures, equipment, layouts and signs which are described in operating manuals for JACK IN THE BOX restaurants and in other written materials; and (c) a public image that each JACK IN THE BOX restaurant is a unit in an established quick-service restaurant system, and that all JACK IN THE BOX restaurants are operated with high standards for product quality and service and aesthetic effect of the restaurant premises.

Company operates, and grants franchises to operate, restaurants known as JACK IN THE BOX restaurants using the System and the Marks.

Franchisee recognizes the uniqueness, confidentiality and value of the System, and the advantages and benefits which may be obtained by using the System and the Marks, and desires to use the System and the Marks which Company uses and makes available to its Franchisees, in the operation of a JACK IN THE BOX restaurant.

Franchisee acknowledges that Company has entered into, and will continue to enter into, agreements with other franchisees that may contain provisions, conditions and

obligations that differ from those in this Agreement, and that the existence of those agreements does not affect the parties' duties to comply with this Agreement.

In consideration of the foregoing, the fees and other sums payable by Franchisee and of the mutual covenants contained in this Agreement, the parties agree as follows:

1. LICENSE: SCOPE, TERM, NON-RENEWAL

Company grants to Franchisee a limited license, subject to the terms and conditions hereof, for the term of this Agreement, to use the System and the Marks, and such other Marks as Company may authorize from time to time in the operation of a JACK IN THE BOX restaurant (the "Franchised Restaurant") at , more fully described in Attachment A hereto ("the Premises"), and at that location only. During the term of this Agreement, the Premises shall be used exclusively for the operation and promotion of the Franchised Restaurant. This license is non-exclusive, is for the Premises only, and does not in any way grant to or confer upon Franchisee any proprietary rights or goodwill rights to the Marks or to any country, province, state, area, market or territory.

Company retains the right and is expressly permitted to engage in the wholesale and retail production, distribution, and sale of products, including food products of any kind (i) under the JACK IN THE BOX trademark or any other trademarks, (ii) through company-operated restaurants (which may be operated by us or our affiliates, parents or subsidiaries), franchised restaurants or any alternative marketing channels or methods of distribution, and (iii) both outside and within the trading area of Franchisee's restaurant. Company may develop, establish or acquire other franchise systems for the same, similar or different products, and may grant licenses thereto, without providing Franchisee any rights therein.

The term of this Agreement shall commence on _____, and shall expire _____, unless sooner terminated in accordance with the provisions of this Agreement. Franchisee accepts this license with the understanding that this Agreement is not renewable, and that Company makes no assurance of the granting of a new license at expiration. Unless Franchisee obtains prior written approval from Company, Franchisee must continuously operate the Franchised Restaurant for the entire term noted.

2. FRANCHISE FEE

In consideration of the granting of this license, Franchisee shall pay to Company, on or before the execution of this Agreement, the sum of fifty thousand dollars ($50,000) ("Franchise Fee"); provided that any pro-rated development fees paid under any applicable development agreement shall be applied against this fee. The Franchise Fee is fully earned by Company upon execution. The Franchise Fee is net of any tax, excluding income tax but including excise tax or other fee imposed upon Company due to the collection of the Franchise Fee. The Franchise Fee is not refundable.

3. APPROVAL OF LEASES

For any leases entered into on or after this date, if Franchisee leases the Premises from a third party, Franchisee must employ its best efforts to use Company's standard form lease or lease addendum (current lease addendum attached to FDD). Regardless of whether Company's standard form is used, all third-party leases must include the following terms and conditions:

1. Franchisee may not use the Premises for the operation of any business other than a JACK IN THE BOX restaurant;

2. The landlord consents to the Franchisee's use of such Marks and signage as Company may reasonably require;

3. Company has the right to enter the Premises to make any modification necessary to protect its Marks or to cure any default under the lease or this Agreement, including the right to enter upon expiration or termination to de-identify the Premises if Franchisee fails or refuses to do so;

4. Franchisee must use its best efforts to require that Franchisee's landlord copy Company on any notices to Franchisee that are related to Franchisee's performance under the lease, including, but not limited to, late rent notices, notices of default, and notices of termination; notwithstanding the foregoing, Franchisee agrees to copy Company on Franchisee's responses to such notices;

5. If Franchisee is in default under the lease or if this Agreement is terminated, Company will have the right to cure the default or assume the lease, and to sublease the Premises for all, or any part of, the term of the lease;

6. A Memorandum of Lease will be recorded in the appropriate recorder's office in the county in which the Franchised Restaurant is located; and

7. The lease shall require that the landlord deliver to Franchisee a non-disturbance agreement (i) from the current holder of any mortgage or deed of trust which is a lien on the Premises, or (ii) if the landlord is the tenant under the terms of any master lease, from the lessor under such master lease. Such non-disturbance agreement shall provide that so long as Franchisee is not in default beyond any applicable cure periods under its lease, the lender or master lessor, as the case may be, shall not disturb Franchisee's use and possession of the Premises upon the default by landlord under the mortgage/deed of trust or master lease, or upon termination of the master lease for any other reason.

You will not be permitted to open the Franchised Restaurant for business unless Company's standard lease addendum is used or the lease is otherwise approved by the Company in writing. You may not amend or modify the lease without Company's prior written approval. Company's approval of a lease does not constitute a representation, guaranty or warranty, express or implied, of the successful operation or profitability of any

restaurant operated at that location; nor does such approval constitute a legal review of the terms and conditions of the lease.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS OF FRANCHISEE

Franchisee represents, warrants and covenants as follows:

A. Franchisee has delivered to Company a Certification of Entity Structure, which constitutes a true, complete and accurate description of all of the individuals who have an ownership interest in the franchise or Franchisee, if Franchisee is a legally formed entity. There has been no change in said ownership structure since the certification was delivered to Company. The ownership structure described in the certification shall remain unchanged during the term of this Agreement, unless modified in accordance with the provisions of this Agreement. The provisions of this Agreement relating to changes in ownership or ownership structure shall apply to all such changes, including changes in relative shares of ownership of a Franchisee.

B. Franchisee represents and warrants that all Owners (as defined in this Section 4.B.) have executed, simultaneously with Franchisee's execution of this Agreement, the form of Guaranty and Assumption of Franchisee's Obligations (Attachment B). "Owner" means each person or entity that has any indirect or direct equity interest in Franchisee.

C. Company shall have no liability for any excise, property or other taxes levied by any governmental tax authority upon Franchisee. Franchisee shall make timely filings of all tax returns, and shall pay when due all taxes levied or assessed in connection with the possession, ownership or operation of the Franchised Restaurant and the Premises. Franchisee may contest the validity or the amount of the tax in accordance with applicable procedures of the jurisdiction, but Franchisee shall in no event permit a tax sale or seizure of the Franchised Restaurant, the Premises, or any equipment.

D. The written information that Franchisee has submitted to Company in connection with the grant of this franchise, including, but not limited to, a Franchise Application Package, is true, correct and accurate.

5. STANDARDS OF OPERATION

Franchisee shall adhere to the System. Franchisee shall meet all the standards and specifications, and follow the procedures communicated in writing by Company to Franchisee.

A. The Manuals

The parties agree that Franchisee's adherence to Company's System standards and specifications is necessary to the image, operation and success of each JACK IN THE BOX restaurant and the System. The JACK IN THE BOX System standards, specifications, and procedures, as they may be renamed, amended, expanded and consolidated by Company from time to time (collectively, "Manuals"), shall contain

mandatory restaurant operating standards, specifications and procedures as prescribed from time to time by Company for the operation of a JACK IN THE BOX restaurant by a Franchisee, among other things. Some or all of the Manuals may be provided in an electronic format on an online system. Franchisee acknowledges receipt of the Manuals on loan for the term of this Agreement, and agrees to monitor the online system for updates to the Manuals. Franchisee shall strictly adhere to these standards, specifications and procedures, which Company may, in its sole discretion, change from time to time. (Wherever this agreement states that Company may take action in its "sole discretion," Company will use good faith in its exercise of such discretion.) Franchisee agrees to accept and comply with any changes, modifications, revisions and additions made by Company, in its sole discretion, to the menu, service expectations, restaurant environment, customer offerings, product pricing, and other elements of the System standards, specifications, and procedures, which Company, in the good faith exercise of its judgment, believes to be necessary or desirable.

The material contained in the Manuals consists of confidential trade secrets of Company, and Company is the owner of the Manuals and of all proprietary rights in and to the material and information contained therein. Such material is to be used by Franchisee only in connection with the operation of the Franchised Restaurant and other licensed JACK IN THE BOX restaurants.

Franchisee must ensure that the restaurant is being operated in accordance with the terms of the Franchise Agreement, and in accordance with the standards as specified in the Manuals.

B. Restaurant Buildings and Premises

The Franchised Restaurant building and Premises shall be constructed, maintained and improved only as authorized and approved in writing by Company, and in conformity with all applicable laws and ordinances. The appearance of such building and the condition of the Premises shall not be altered thereafter except as may be approved in writing by Company. The building shall be decorated, furnished and equipped with furnishings and restaurant equipment that meet Company's specifications. Franchisee must periodically re-equip, upgrade, remodel, or make other improvements to the Franchised Restaurant and(or) the equipment, signs, interior and exterior décor or structural components, fixtures, furnishings, supplies and other products and materials required for the operation of the Franchised Restaurant as may be required by Company, in its sole discretion ("Reimage"); provided, however, that Company will not require a Reimage more often than once every seven years during the term of this Agreement (except as a condition in connection with any earlier rewrite, extension, or other renewal of the term of this Agreement). Such Reimage may require, without limitation, (i) repainting, refinishing or replacing surfaces (both interior and exterior), (ii) landscaping modifications or upgrades, (iii) installation of new décor items (both interior and exterior), (iv) replacing or adding fixtures, furniture, equipment, or signage, (v) upgrading the building façade, (vi) installing new flooring, and(or) (vii) redesigning the layout of the Franchised Restaurant. Franchisee shall undertake and complete such repairs, improvements and alterations as may be required by Company within a reasonable time

as specified by Company. Franchisee shall maintain such building and Premises in conformity with all applicable laws and ordinances, including, without limitation, the federal Americans with Disabilities Act and any similar state law. Any modification to the building or Premises, whether required by land zoning or building laws or otherwise, shall be approved in advance by Company, and shall also be made at Franchisee's expense.

Except as may be provided in any lease between Company (or its parents, affiliates, or subsidiaries) and Franchisee, in the event such building or Premises shall be damaged or destroyed by fire or other casualty, or be required to be repaired or reconstructed by any governmental authority, Franchisee shall repair or reconstruct such building or Premises in accordance with Company's design standards in effect at the time of the repair or reconstruction, within a reasonable time in light of the circumstances. Franchisee shall, however, make every reasonable effort to restore the building or Premises to reflect the then-current image, design, specifications and the standards of JACK IN THE BOX restaurants.

If Franchisee leases the Premises from someone other than Company (or its parents, affiliates, or subsidiaries), Franchisee agrees that whenever it receives from its landlord any notice or other material document relating to Franchisee's performance under the lease for the Premises, including, but not limited to, late rent notices, notices of default, and notices of termination, or receives such a document from the landlord, Franchisee will promptly forward a copy of that document to Company in accordance with the notice provisions of this Agreement.

C. Signs

Franchisee shall display the Marks only in the manner authorized by Company. Franchisee shall maintain and display signs (including menu panels, posters or similar items) (collectively, “Signs”) as required by Company from time to time. Company requests for signage changes or upgrades may be made from time to time to comply with Company requirements. Franchisee shall display or use Signs only at the Premises or as otherwise permitted by Company for directional or similar uses for the Franchised Restaurant or Franchisee’s corporate offices. Franchisee shall not place additional signs, menu panels, posters or similar items on the Premises. Franchisee shall promptly discontinue the use of and destroy such items as are declared non-conforming or obsolete by Company, or, in the case of termination, as required according to the post-termination obligations set forth herein.

D. Equipment

Franchisee shall use only equipment approved by Company in the Franchised Restaurant. Company requests for equipment changes or upgrades may be made from time to time to comply with Company requirements. Franchisee shall maintain such equipment in a condition that meets standards set forth in the Manuals or otherwise prescribed by Company, and shall replace equipment as necessary. Replacement equipment shall conform to the standards for equipment which is being installed in new JACK IN THE BOX restaurants at the time of replacement except as may be approved in

writing in advance by Company. If Company should determine that additional or replacement equipment is needed in order to test new menu items or due to a change in approved menu items or in approved methods of preparation and service, Franchisee shall promptly obtain and install such new equipment within the reasonable time specified by Company. Upon notification that any equipment, furnishings or supplies do not meet Company specifications or standards, Franchisee shall immediately cease and desist from using same.

E. Technology Systems, Technology Services and Platforms

At Company's request, Franchisee shall purchase or lease, and thereafter maintain such computer hardware and software, dedicated high speed communications equipment and services, dedicated telephone and power lines, modem(s), printer(s), firewalls, mobile app-related equipment, digital menu boards, communications devices, audio/visual equipment and software systems, technology services and platforms and other technology-related equipment, services, software and/or requirements (collectively "Technology System") as Company specifies for the purpose of operating the Restaurant, digitally engaging with guests and/or customers (on the premises, via mobile application, and/or via the internet), and providing Company access to all data or information maintained on the Technology Systems, including, among other functions, making and recording sales, tracking sales and customer data, restaurant operations, and other functions, at Franchisee's own cost and expense. Company may change, modify, discontinue or otherwise update the required Technology System.

Franchisee must use any current or future technology services and platforms or related products (including backoffice solutions (such as inventory and workforce management), email or other communications, support or security services, point of sale systems, loyalty programs and online or mobile apps, online ordering, website, portals or cloud based services, menu management, software or hardware) provided by, paid for by, or designated by Company and could include access to an intranet, website hosting, and access to cloud-based data and storage communication system (collectively "Technology Services") required by Company. Company may change, modify, discontinue or otherwise update the required Technology Services. For menu management, Franchisee agrees that components will be installed in the point of sale system, which Company shall have access to in order to update (at its discretion) menu items, menu pricing, promotions, coupon, discounts, product descriptions, recipes, ingredients, preparation updates and other data; in accordance with Company's requirements for input from Franchisee. Franchisee is solely responsible for updating tax rate information for the pricing; Franchisee must provide any updated tax rate information to Company. Franchisee may request non-standard menu pricing in accordance with Company's requirements.

The Technology System and Technology Services must be purchased, by Franchisee at its sole expense, from, installed by and maintained by Company and/or vendors approved by Company. Franchisee must sign and comply with any agreements (which may include software license agreements), terms and conditions or other terms of use for the Technology System and Technology Services, which may be with Company

or a third party provider. Company may require Franchisee to remove or cease using any Technology System or Technology Services and/or any other technology system or service not specified or otherwise approved by Company. The most current terms and conditions for the Technology Systems and Technology Services will be specified in the Manuals or the Technology Systems and Technology Services Terms and Conditions.

Franchisee shall provide such assistance as may be required to connect its Technology System and any other systems with the Technology System used by Company or other franchisees. Company shall have the right, on an occasional or regular basis, to retrieve any data and information from Franchisee's Technology System as Company, in its sole ~~and exclusive~~ discretion, deems necessary or desirable. In view of the interconnection of technology systems and the necessity that such systems be compatible with each other, Franchisee expressly agrees that it will strictly comply with Company's standards and specifications for all items associated with the Technology System, and will otherwise operate its Technology System in accordance with Company 's standards and specifications. Franchisee agrees to be bound by all terms and conditions for use of the Technology System and the Technology Services that Company requires from time to time.

To ensure full operational efficiency of the Technology System and Technology Services, Franchisee shall, at its expense, keep the Technology System and Technology Services in good maintenance and repair, and, at its expense (and following Company's determination that it will be economical or otherwise beneficial to the System) promptly install such additions, changes, modifications, substitutions and/or replacement to the Technology system or the Technology Services, as Company directs.

In addition, Franchisee shall comply with Company's mobile app, social media, and other technology-related standards and procedures, as they are established and modified by Company in its sole discretion from time to time.

Company may authorize Franchisee to self-maintain and/or support certain components of the Technology System and/or Technology Services as they pertain to Franchisee's Restaurant and operations in Company's discretion and in accordance with any conditions required by Company. Any requirements for becoming a self-maintainer for any components of the Technology System and/or Technology Services will be specified in the Manuals.

F. Ingredients, Materials and Supplies

Franchisee shall purchase from such sources as shall be approved by Company (of which Company or a subsidiary, parent, or other related entity ("Affiliate") may be one such source) all food, ingredients, materials and supplies necessary for the operation of the Franchised Restaurant, as shall be specified in the Manuals or otherwise prescribed by Company in writing. Such items shall include, but are not limited to, all food, supplies, beverage ingredients, paper goods, utensils, packaging, cleaning supplies and uniforms. Should Franchisee desire Company to approve any alternative or additional sources of such ingredients, materials or supplies, Franchisee shall submit to Company a written

request for the approval and such information and samples as Company requests. Company will evaluate such alternative or additional source in accordance with its standards, and shall notify Franchisee within a reasonable time of its receipt of such information and samples, of its approval or disapproval of such source; and if Company does not approve, of the reasons therefor. All costs and expenses associated with Company approving, reevaluating and working with such additional suppliers will be charged to the supplier or to Franchisee. Company may impose limits on the number of suppliers that it will approve for any given item.

G. Menu, Service, Health and Cleanliness

Franchisee shall at all times offer for sale all food and beverage products and ~~the~~all carry-out and on-premises dining services that Company from time to time authorizes or requires, and Franchisee shall not offer or sell any other products or services. Menu items shall be set forth in the Manuals, or otherwise authorized and approved by Company in writing. Franchisee shall adhere to all specifications relating to the ingredients, method of preparation and service, weight, dimensions and other characteristics of product served, and standards of health, cleanliness and sanitation that are contained in the Manuals, or are otherwise prescribed by Company. All food, drink and other menu items shall be sold in packaging approved by Company. Upon notification that any food, beverages, supplies or packaging does not meet Company specifications or standards, Franchisee shall immediately cease and desist from using same.

Franchisee may determine what prices to charge customers for products and services sold at the Franchised Restaurant, except that Company may require that Franchisee use an "all inclusive" pricing structure or tiered pricing structure, and/or other pricing system ~~or guidelines~~, and Company may set maximum and minimum prices on products and services to the extent permitted by law. Any pricing requirements will be communicated to Franchisee in writing. If Company imposes a maximum price on a particular item, Franchisee may charge any price on the item, consistent with the Company pricing structure, up to and including the maximum price. Company may also require that certain products or services that are supplementary to the main products and services provided at Franchised Restaurants (such as condiments) be provided to customers free of charge.

If an audit conducted by Company or its authorized representative shows that the Franchised Restaurant is not in substantial compliance with any System standard relating to food safety, Franchisee shall reimburse Company for the reasonable cost of a re-audit. Additionally, if Company reasonably determines that a threat or danger to public health or safety is likely to result from the construction, maintenance or operation of the Franchised Restaurant, Company may, in its sole discretion, exercise its rights under Section 18.B. ("Termination") or any lesser right, such as directing a temporary closure of the Franchised Restaurant until the situation can be corrected.

H. Hours of Operation

The Franchised Restaurant shall be open for business for a minimum of sixteen (16) hours per day, seven (7) days a week, fifty-two (52) weeks a year, unless otherwise authorized or directed by Company in writing. The Operator shall have and shall maintain a percentage ownership interest in any partnership, corporation, or other legally formed entity to which the franchise is assigned in accordance with the terms of this Agreement; the amount of the required ownership interest is subject to the prior written approval of Company. Alternatively, and only with the prior written approval of Company, the Operator may be employed by Franchisee under a contract through which Operator will acquire that ownership interest within five years of the date of employment, and shall maintain that ownership interest while acting as Operator.

In some circumstances, Company may, subject to the satisfaction of certain criteria and Company approval, permit Franchisee to name a designated market operator to operate the Franchised Restaurant ("Designated Market Operator" or “DMO”). The Designated Market Operator is not required to be an owner of Franchisee.

Franchisee understands and agrees that by designating an individual as Operator (or, if applicable, a Designated Market Operator), Franchisee is agreeing that the Operator or DMO has the authority to represent Franchisee in all dealings with Company, enter into agreements and modifications of agreements with Company and its affiliates on behalf of Franchisee, and receive notices on behalf of Franchisee.

Franchisee hereby indemnifies Company, its Affiliates, employees, officers, directors and agents against, and agrees to save them harmless from, all claims, demands, losses, liabilities, obligations, costs or expenses (including attorneys' fees and court costs) which result from or arise in connection with any alleged violation of any law, ordinance or regulation, whether occasioned by the neglect, omission or willful act of Franchisee or any other person on the Premises.

Franchisee shall notify Company in writing within five (5) days of the commencement of any action, suit or proceeding, and of the issuance of any order, writ or injunction, award or decree of any court, agency or other governmental instrumentality which may adversely affect the operation or financial condition of Franchisee or any Franchised Restaurant, including, but not limited to, a notice of a possible violation of state or federal Labor Laws, or of any law, ordinance or regulation relating to health or safety.

Franchisee must participate in any gift, loyalty program, and/or other customer facing platforms, including but not limited to websites and mobile Apps that Company requires. Franchisee must promote, supply, and honor gift and/or loyalty redemptions upon the terms determined by the Company in its sole discretion.

M. Display and Use of the Marks

All materials on which the Marks appear shall include such notice of registration or license legend or such other notice as Company shall specify. Franchisee agrees to immediately remove or discontinue the use of any objectionable material upon receiving notice from Company to do so.

In the adoption of a corporate or partnership name, Franchisee shall not use any of the Marks, any variations or abbreviations thereof, or any words deemed by Company to be confusingly similar to the Marks.

Such entries and activities may be conducted without prior notice and, at the Company's sole discretion, remotely. Franchisee agrees to cooperate fully with Company in connection with any such entries and activities.

O. Participation in Tests

Franchisee ~~is~~may, at Company's sole discretion, be required to participate in tests of new products, equipment, services and procedures at the Franchised Restaurant, including but not limited to testing of significant cooking, operating systems and platforms and new menu items, equipment. Such proposals shall be considered by Company when adopting, modifying or allowing deviations from standards, specifications and procedures for the System; provided however, that Company shall retain the sole ~~and absolute~~ discretion to accept or reject any such proposals.

If any System modification proposal by Franchisee is adopted by Company and becomes part of the System, Franchisee acknowledges that Company is the sole owner of such proposed new product or modification to the System, that any such product or System modification shall be deemed a work made for hire (or to the extent the work may not be deemed a "work made for hire" under applicable law, Franchisee hereby irrevocably assigns to Company, for no additional consideration, all right, title and interest in and to any patents, trademarks, copyrights, trade secrets and any other proprietary

8. ROYALTY AND MARKETING FEE

A. Royalties

1. Royalty

For the right to use the Marks and the System in accordance with this Agreement, Franchisee agrees to pay to Company a monthly royalty fee, calculated as percent (%) of Franchisee's monthly Gross Sales. In the event of a closure of the Franchised Restaurant exceeding fourteen (14) days in any month due to: (i) damage or destruction of the Premises or other casualty loss, or (ii) any other closure of the Franchised Restaurant that has not been expressly authorized by Company, the royalty shall be percent (%) of the monthly Gross Sales that the Franchised Restaurant averaged over the prior twelve (12) complete months of continuous operation; if the Franchise Restaurant was not in operation at least twelve (12) complete months, the royalty will be percent (%) of the average Gross Sales over the total complete months that the Franchise Restaurant was in continuous operation. The royalty described above ("Royalty") is net of any tax, excluding income tax but including excise tax, or other fee imposed upon Company due to the collection of the Royalty, and shall be paid monthly by the fifteenth (15th) day of each month for the preceding month. Each payment shall be made payable to Company or Company's designee.

2. Royalty for Games and Devices

For Gross Sales from Games and Devices resulting from the operation or conduct of games or coin or token-operated devices such as pay telephones; cash, credit or debit machines (including automated teller machines); newspaper stands; and any type of vending machines, including, without limitation, electronic devices of all types (collectively, "Games and Devices"), Franchisee agrees to pay to Company, during the term of this Agreement, a royalty of forty percent (40%) of Gross Sales from Games and Devices (the "Royalty for Games and Devices"). The Royalty for Games and Devices is net of any tax, including excise tax, or other fee imposed upon Company due to the collection of the Royalty for Games and Devices, and shall be paid monthly on the fifteenth (15th) day following receipt by Franchisee of the said Gross Sales. Each payment shall be made payable to Company or Company's designee.

B. Marketing Fee

Franchisee must pay to Company a monthly marketing fee (net of any tax or other fee imposed thereon) based on a percentage of Franchisee's Gross Sales (the "Marketing Fee"). As of the date of this Agreement, the Marketing Fee is five percent (5%) of Gross Sales. Company has the right to increase or decrease the Marketing Fee percentage. It may only increase the Marketing Fee percentage upon majority vote, described as follows: Franchise Operators and Company will have one vote for each JACK IN THE BOX restaurant that they operate and that pays the then-standard Marketing Fee; however, Company's voting rights will never fall below twenty percent (20%) of the total number of possible votes, regardless of the number of restaurants it operates. In no event will the Marketing Fee percentage be increased in any twenty-four (24) month period by more than .5% of Gross Sales. The Marketing Fee shall be due and payable by the fifteenth (15th) day of each month for the preceding month. Each payment shall be made payable to Company or Company's designee.

C. Gross Sales Defined

The term "Gross Sales" means all revenue from the sale of all products and services, including delivery and catering services, as well as from vending machines and similar sources of revenue, and all other income of every kind and nature related to the Franchised Restaurant, including proceeds from stored value gift cards and gift certificates when redeemed but not when purchased, business interruption insurance, and revenue from off-site events, whether for cash or credit and, in the case of credit, regardless of collection, and including revenue resulting from the operation or conduct of electric vehicle charging at the Franchised Restaurant. The term Gross Sales does not include the following: (1) any bona fide, documented federal, state or municipal sales taxes collected by you from customers and paid by you to the appropriate taxing authority; (2) the sale of food or merchandise for which refunds have been made in good faith to customers; (3) the sale of furnishing, fixtures, equipment and supplies used in the Franchised Restaurant; (4) the discounted value of payments made by coupon, or other promotional discounts, approved by the Company; (5) Gross Sales from Games and Devices; (6) the amounts of employee meal discounts; (7) any other items that Company may expressly permit in writing to be excluded from Gross Sales, such as certain sales benefiting charity.

Any Royalty payment or Marketing Fee not paid when due shall accrue interest from the date such amount was due, until paid, at the then-current rate established by Company for Franchisees, or the maximum rate permitted by law, whichever is less.

E. Method of Payment and Application of Payments

All payments shall be made to Company through a pre-authorized payment system (which authorizes Company to debit and credit Franchisee's bank accounts in accordance with the terms of this Agreement and other agreements between the parties) or other

payment method specified in writing by Company. Upon request, Franchisee shall provide such authorizations and information necessary to institute the pre-authorized payment system or other payment system. Franchisee must ensure that funds are available in Franchisee's bank accounts to cover the debits. Notwithstanding any designation by Franchisee, Company shall have sole discretion to apply any payments by Franchisee to any current or past due indebtedness of Franchisee for royalty, marketing fees, purchases from, or any other indebtedness to, Company or its Affiliates. To the extent permitted by law, Franchisee hereby waives the rights, statutory or otherwise and whether now or hereafter in existence, to suspend the payment of Royalties, Marketing Fees, or any other amounts due under this Agreement, for any reason, or to offset against such amounts, any monies allegedly due from, or any alleged obligations of, Company.

F. Security Interest

To secure prompt and complete payment of the "Obligations," as hereinafter defined, Franchisee hereby grants to Company a security interest in and to all of Franchisee's assets of any kind or nature used or useful in connection with the ownership and operation of the Franchised Restaurant, including, without limitation, the following (the "Collateral"):

5. all permits, licenses and franchises for the operation and ownership of the Franchised Restaurant, and all rights incident or appurtenant to such licenses, authorizations and permits; and

6. all accessions, additions and improvements to, and all replacements, substitutions and parts for, and all proceeds and products of, the Collateral, including proceeds of insurance.

The Obligations secured by the security interest in and to the Collateral include: all amounts owed by Franchisee to Company from time to time under this Agreement (including Royalties, Marketing Fees and interest); all amounts owed by Franchisee to Company from time to time under any other agreement between Company and Franchisee; all costs and expenses incurred by Company in order to enforce this Agreement and to collect the amounts due hereunder; and any advances made by Company to Franchisee.

Franchisee shall, at its sole cost and expense, execute and deliver to Company such other and further documents, instruments and agreements as reasonably requested by Company to create, maintain, perfect, or assure the priority of, the security interest granted hereby. Company is hereby appointed as agent and attorney-in-fact of Franchisee, which appointment is coupled with an interest, and shall be irrevocable so long as any of the Obligations remain outstanding, to execute and deliver such documents, endorsements and instruments, and to take all such other actions (to the maximum extent permitted by law) in the name and on behalf of Franchisee as Company may deem necessary or advisable to create, maintain, perfect, assure the priority of, or foreclose, its security interest in and lien on the Collateral.

9. ACCOUNTING PROCEDURES, TAXES AND RIGHT OF AUDIT

A. Records That Must Be Maintained

Franchisee agrees to keep complete records of the franchised business and for any Affiliate of Franchisee that has transactions with the franchised business (collectively, "businesses") for so long as required by state or federal law, but in no event less than three years. If Franchisee adjusts the annual financial statements after submitting them to Company, then Franchisee agrees to supply Company with such adjustments within thirty (30) days after making the adjustment.

4. If Company is unable to access, or for any reason does not obtain, Franchisee's weekly sales by restaurant through electronic polling of Franchisee's computer system, then Franchisee must submit its weekly sales figures to Company each Monday morning by telephone or facsimile, or at such time, or by such other means, as Company reasonably requests.

The inspection or audit will be conducted at the location where the business records are customarily maintained or at Company's discretion, transmitted to the Company in digital or hardcopy format as the Company may require.

If the inspection or audit is made necessary by the failure of Franchisee to furnish reports, supporting records, financial statements, or other information as required by this Agreement; or to furnish such reports, information and statements on a timely basis; or if an understatement of Gross Sales or Gross Sales from Games and Devices for the period of any audit is determined by any such inspection or audit to be greater than one percent (1%), Franchisee must promptly reimburse Company for all reasonable costs of such inspection or audit, including without limitation, the charges of attorneys and any independent accountants, and the travel expenses, room and board and per diem charges for employees of Company. The foregoing remedies are not exclusive, but in addition to all other remedies and rights of Company under this Agreement or applicable law.

E. Release of Financial and Other Information

Franchisee hereby gives permission to Company to release to Franchisee's Owners, landlords and lenders, or prospective landlords or lenders, any financial and operational information relating to Franchisee and/or the Franchised Restaurant.

10. CONFIDENTIAL INFORMATION

A. Franchisee understands and acknowledges that Company has invested, and continues to invest, considerable sums of money in developing the System. Franchisee may be required to provide Company with copies of all such covenants.

G. Company requires that all Owners sign a commercially reasonable Confidentiality and Non-Competition Agreement.

H. Franchisee understands and acknowledges that any failure to comply with the requirements of this Section will result in substantial injury and damage to Company for which there is no adequate remedy at law. For these reasons, if Franchisee violates or threatens to violate any term of this provision, Company will be entitled, in addition to any other remedies and damages available, to seek injunctive or other equitable relief to restrain the violation of this provision by Franchisee and its agents or employees. iv. Share, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, Personal Information for the purpose of cross-context behavioral advertising.

v. Franchisee further agrees that Company may, upon notice to Franchisee, take reasonable and appropriate steps, as solely determined by Company, to stop and remediate Franchisee's unauthorized use, disclosure, or processing of Personal Information or any breach of this Section 10.I, including requiring Franchisee to provide documentation that verifies that it no longer retains or uses the Personal Information that Company has instructed it to delete.

g. This Section 10.I will survive expiration or termination of this Agreement and any other agreement(s) that may exist between Franchisee and Company (or its subsidiaries or affiliates). Existing terms in such agreement(s) remain in effect except that this Section 10.I controls in the event of a conflict with such terms.

Best Insurance Rating Guide or approved by Company; (c) shall name Company and its Affiliates, and any other parties as Company may request, including, without limitation, Jack in the Box Inc., in its capacity as the Manager on behalf of Company, as "additional insureds," and shall contain an "Additional Insured-Designated Person or Organization" endorsement (or its equivalent), except workers' compensation insurance only, without any qualifying language; (d) shall provide that the insurance cannot be canceled, materially changed, or non-renewed, except upon thirty (30) days' advance written notice to Company; and (e) shall contain a waiver of subrogation rights of the insurer(s) against Company, which waiver shall be effective regardless of whether any loss is caused by the act, omission or negligence of Company, and shall contain a "Waiver of Transfer of Rights of Recovery Against Others" endorsement (or its equivalent). Franchisee shall require any independent contractors to have ~~sufficient~~commercially reasonable levels of insurance specific to the work they are performing for the Franchisee. Franchisee understands and acknowledges that the insurance requirements set forth herein are in addition to and do not modify or replace any duty of the Franchisee to defend and/or indemnify Company as set forth in this Agreement.

13. INDEMNIFICATION

Franchisee is responsible for all losses, damages, and liabilities (whether contractual, statutory or otherwise) arising out of or in connection with the possession, ownership or operation of the Franchised Restaurant, and for all claims or demands for

damages to property, or for injury, illness or death of persons directly or indirectly resulting therefrom; and Franchisee shall defend, indemnify and hold harmless Company, its Affiliates, employees, officers, directors and agents from all such claims, demands, losses, obligations, costs, attorneys' fees, expenses, liabilities, debts or damages directly or indirectly resulting therefrom~~, unless resulting~~; provided that Franchisee is not responsible for any claims arising from the ~~gross~~sole negligence or willful misconduct of ~~the~~any indemnified ~~parties~~party.

If such claims are asserted against an indemnified party, Company shall notify Franchisee, and Franchisee will assume the defense of such claims. If Franchisee fails to assume the defense, then Company may defend in such manner as it deems appropriate. Franchisee shall reimburse the indemnified party for all costs, including attorneys' fees, and the reasonable value of time spent by corporate counsel, incurred by the indemnified party in effecting such defense, in addition to any sum that the indemnified party may incur by reason of any settlement or judgment. The indemnified party's right to defense and indemnification hereunder shall exist, notwithstanding that its joint or concurrent liability may be imposed on it by law.

14. ASSIGNMENT OF THE FRANCHISE

A. This Agreement is personal to Franchisee (or if Franchisee is a legally formed entity, the Owners of Franchisee). Neither Franchisee nor any Owner shall sell, assign, pledge, mortgage, hypothecate, give as security or in any manner encumber or otherwise transfer (hereinafter, "Transfer") this Agreement or any direct or indirect right or interest in the franchise granted, or any direct or indirect interest in Franchisee, nor permit any such Transfer to occur directly or indirectly, whether by agreement or operation of law, without the prior written consent of Company. Without limiting the generality of the foregoing, this provision applies to any Transfer between Owners.

After an approved Transfer, absent Company's express written release of liability, Franchisee (and, if Franchisee is a legally formed entity, its Owners) shall remain liable for all obligations under this Agreement.

B. Any purported Transfer contrary to the provisions of this Agreement shall constitute a default under this Agreement and shall for purposes of any agreements with the Company, and to the extent permitted by law, be void and of no force or effect.

C. Subject to the prior written consent of Company, Franchisee may assign this Agreement to a partnership, corporation or other legally formed entity other than a trust that is not then or thereafter to be engaged in any business other than operation of the Franchised Restaurant, and in which Owners of Franchisee shall own one hundred percent (100%) of the outstanding ownership interest in the same proportions as their respective interests in Franchisee prior to such assignment. Any such assignment shall not relieve any Owner of personal liability for performance of all obligations under this Agreement. No subsequent transfer in such assignee shall be made without Company's prior written approval. If Franchisee is not an individual, the Franchise Operator shall,

throughout the term of this Agreement, maintain the required percentage ownership of the Franchisee.

The Articles of Incorporation, By-Laws, and other similar documents of Franchisee, copies of which shall be provided to Company upon Company's request, shall at all times reflect the restrictions contained in this Agreement, unless otherwise directed by Company. All stock certificates, membership certificates or other evidence of ownership shall bear on their face the following legend restricting transfer:

"Ownership of this certificate and the shares / membership interests evidenced thereby may be sold, assigned, transferred, pledged, hypothecated or otherwise alienated only under and subject to one or more JACK IN THE BOX restaurant Franchise Agreements, copies of which may be obtained from Different Rules, LLC, 9357 Spectrum Center Blvd, San Diego, California 92123."

D. At no time shall Franchisee be owned by more than eight (8) persons. For the purpose of determining the number of persons owning a direct or indirect interest in Franchisee, each individual Owner of a partnership or corporation with a direct or indirect interest in Franchisee, and each trustee of any trust owning a direct or indirect interest, shall be considered an Owner of Franchisee.

E. Any Transfer, including (but not limited to) assignments among Owners of Franchisee, shall require, among other items: (i) delivery of an updated Certification of Entity Structure Form; (ii) delivery of complete financial statements of the proposed transferee and other information satisfactory to Company; (iii) the payment by Franchisee of up to, but not exceeding, two thousand five hundred dollars ($2,500) per site to Company (other than in an assignment by the Owners to an entity, which is one hundred percent (100%) owned by the original Owners); (iv) the execution by Franchisee and each Owner of a general release (in form satisfactory to Company) in favor of Company, covering (without limitation) all agreements, restaurants, transactions or occurrences of any kind prior to the proposed assignment, whether arising out of the franchise relationship or otherwise, between Franchisee and Company; (v) the payment of all amounts owed to Company or its Affiliates by Franchisee or Owners; (vi) the execution of a personal guarantee by each transferee; and (vii) such other conditions as Company may require.

F. There are no restrictions on Company's ability to assign this Agreement, and any such transfer or assignment shall inure to benefit any transferee or assignee or other legal successor to the interest of Company.

15. DEATH OR PERMANENT INCAPACITY OF FRANCHISEE

In the event of the death or incapacity of Franchisee or an Owner, the interest of such Owner or Franchisee may be transferred to the Owner or Franchisee's heirs or personal representative if:

A. Such person is deemed in Company's sole discretion to fulfill its requirements relating to financial condition, character, and managerial qualifications and

commitment for franchisees, as in effect at the time of transfer; and to meet any other requirements that Company shall then be generally applying; and

B. Such person agrees in writing to assume full and unconditional liability for and to perform all the terms and conditions of this Agreement to the same extent as the original Franchisee or Owner.

If such person is not so approved, the Franchisee's or Owner's personal representative shall use its best efforts to sell the Franchised Restaurant (or the interest therein) to a person acceptable to Company within twelve (12) months, subject to the Right of First Refusal set forth in the following Section. During such period, Company shall have the option but not the obligation to operate and/or manage the Franchised Restaurant on Franchisee's (or his estate's) behalf until the interest is transferred to a person acceptable to Company. Company will make a complete accounting, and shall forward the net income from the operation to Franchisee's or Owner's estate, less Company's expenses and a reasonable management fee, if it elects to operate and/or manage the restaurant. If the interest of the Franchisee or such Owner is not conveyed to a party acceptable to Company within a twelve (12) month period from the date of death or incapacity of such person, Company shall have the option but not the obligation to purchase such person's interest at fair market value, by giving notice of Company's intent to purchase within thirty (30) days of the end of such twelve (12) month period.

If, at the end of that time period, the interest of a deceased or incapacitated Franchisee or Owner has not been conveyed to a party acceptable to Company, and Company has not exercised its option to purchase such person's interest at fair market value, Company may immediately terminate this Agreement, which termination shall be effective upon receipt of notice thereof by Franchisee's or Owner's personal representative.

As used herein, "incapacity" means suffering from a physical or mental impairment, or a combination of both, rendering such Franchisee or Owner unable to substantially perform all of his duties in connection with the Franchised Restaurant, which is verifiable by medical findings, and appears reasonably certain to continue for at least one (1) year without substantial improvement.

16. RIGHT OF FIRST REFUSAL

Franchisee or any Owner shall give Company forty-five (45) days' written notice of any proposed sale of any interest in this Agreement, Franchisee, or the franchise (including, without limitation, any securities of Franchisee or the assets of the Franchisee), setting forth the name and address of the prospective purchaser, the price and terms of the offer, an application for Company's approval of the purchase in form acceptable to Company (completed by the prospective purchaser), a copy of the fully executed sales contract (expressly stating that the transfer is contingent upon Company approval and waiver of its right of first refusal), and such other information as Company may request. Company shall, upon receipt of all required information, then have the option to purchase the interest at the price and upon the terms of such offer. Company

will notify Franchisee within thirty (30) days after receipt of all such information (and from the furnishing of any additional information it may request) of its intent to exercise the right of first refusal. If the proposed transaction includes assets of Franchisee not related to the operation of the Franchised Restaurant, Company may at its discretion exercise its option only with respect to the interest of the Franchised Restaurant. In such event, an equitable purchase price shall be allocated to each asset included in the proposed transaction. In exercising its rights under this section, Company shall be entitled to all customary representations and warranties from the Seller that assets are free and clear (or if not, accurate and complete disclosure) as to: (1) ownership, condition and title; (2) liens and encumbrances; (3) environmental and hazardous substances; and (4) validity of contracts inuring to the buyer or affecting the assets, whether contingent or otherwise. If a transfer is proposed to be made by gift, Company will designate, at its expense, an independent appraiser to determine the fair market value of the interest proposed to be transferred. Company may purchase the interest at the price determined by the appraiser.

This right of first refusal shall apply to any transaction in which any part of the legal or beneficial ownership of the license granted by this Agreement will be vested in a party other than Franchisee. The election by Company not to exercise its option to meet any offer shall not affect its right as to any subsequent offer. Any sale effected without first giving Company the right of first refusal shall constitute a default under this Agreement, and for purposes of any agreements with the Company, and to the extent permitted by law, be void and of no force and effect.

Notwithstanding the above, Company's right of first refusal is not applicable to a sale of furnishings or equipment of the Franchised Restaurant in connection with the replacement of such furnishings or equipment, or the disposal of excess furnishings or equipment, in the ordinary course of business.

If Company does not exercise its option, the proposed sale may nonetheless be concluded only with Company's written consent to the transfer. Such consent shall not be unreasonably withheld upon compliance with the conditions imposed by Company on such transfer, including, but not limited to, the following:

A. All obligations of Franchisee or its Owners to Company and its Affiliates, whether arising under this Agreement or otherwise, shall be fully satisfied at or prior to such transfer.

B. The prospective purchaser shall be approved as a Franchisee under Company's standards then in effect, including requirements relating to financial condition, character, managerial qualifications and commitment, and other conditions as Company may then be applying. It is understood that the prospective purchaser must meet with representatives of Company in San Diego, California, or such other location as Company may designate.

C. The prospective purchaser shall have completed Company's required training program for new franchisees to Company's satisfaction.

D. Company must be satisfied that the terms and conditions of the transaction will not negatively affect the possibility of success of the business in light of the conditions under which it is purchased; however, Company's review of the terms and conditions of the proposed transaction do not constitute a guaranty or warranty of the success or profitability of the Franchised Restaurant.

E. Execution by Franchisee and Owners of a general release in favor of Company and its Affiliates in a form satisfactory to Company.

F. Company shall be paid a fee of up to, but not exceeding, two thousand five hundred dollars ($2,500) per site for its costs in connection with the transfer.

17. COMPLIANCE WITH OTHER AGREEMENTS

Franchisee shall comply with and perform all covenants contained in any other agreement, instrument, or other document between Company or its Affiliates, or any of them, and Franchisee or its Affiliates or Owners, or any of them. This includes, without limitation, any franchise agreement; lease agreement; note; any written or oral agreement; any account for the purchase of product or services between Company and Franchisee, whether or not pertaining to the Franchised Restaurant; and any Development Agreement signed between Company and Franchisee. A default, in whole or in part, under any of the aforementioned agreements or notes, shall constitute a default under this Agreement.

18. TERMINATION

Company may terminate this Agreement and the license granted herein, or may exercise any lesser-included right, such as requiring a temporary closure of the Franchised Restaurant, upon any of the following grounds if Franchisee fails to correct the condition within the period specified, without prejudice to any other rights or remedies provided by law or under this Agreement:

A. Franchisee will be deemed to be in default under this Agreement, and all rights granted herein will immediately terminate automatically and without notice to Franchisee if any of the following events occur:

1. Franchisee makes a general assignment for the benefit of creditors.

2. Franchisee commences a voluntary petition under bankruptcy, insolvency or any similar law; or an involuntary case under bankruptcy or insolvency or similar law is filed against Franchisee and is either unopposed by Franchisee or is not dismissed within thirty (30) days of filing; or an order or decree for relief under bankruptcy, insolvency or similar laws is entered regarding Franchisee. Franchisee expressly waives all rights under the provisions of the bankruptcy or other applicable laws and rules, and consents to the immediate termination of this Agreement as provided herein. Franchisee agrees not to seek an order from any court, tribunal or agency in any jurisdiction relating to bankruptcy, insolvency, reorganization or any similar proceedings that would have the effect of staying or enjoining this provision.

3. A bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets or real or personal property is filed by, consented to or not opposed by Franchisee.

4. Franchisee becomes insolvent in that (a) Franchisee generally fails, or is generally unable, to pay its obligations as they become due in the regular course of business, or (b) the value of Franchisee's assets is less than the value of its liabilities.

5. If Franchisee is a corporation, partnership or other legal entity and Franchisee is dissolved.

6. Execution is levied against the franchise, the Franchised Restaurant or property or the Premises.

7. A suit to foreclose any lien or mortgage against the Premises or equipment is instituted and not dismissed within thirty (30) days.

8. Franchisee at any time ceases to operate the Franchised Restaurant for a period of five (5) consecutive days other than due to a force majeure or as otherwise authorized by the Company in writing, or otherwise abandons the Franchised Restaurant; provided that, loss of premises due to eminent domain or similar government action shall not be considered a force majeure event.

9. Franchisee fails for any reason to commence operation of the Franchised Restaurant within one-hundred and twenty (120) days of the date of this Agreement.

B. Franchisee will be deemed to be in default, and Company may, at its option, terminate this Agreement and all rights granted under this Agreement upon any of the following grounds. Termination will become effective immediately upon notice to Franchisee.

1. Company reasonably determines that a threat or danger to public health or safety is likely to result from the construction, maintenance or operation of the Franchised Restaurant.

2. Franchisee, Operator, Designated Market Operator, or any stockholder, member, partner, owner, director or officer of Franchisee, engages in conduct, or is arrested for, admits to, is convicted of, or pleads guilty or no contest to, any crime or offense that is reasonably likely to have a serious adverse effect on the System, the franchisees operating under the System, the Proprietary Marks, the goodwill associated therewith, or Company's interest therein.

3. Franchisee fails for a period of ten (10) days to make any of the payments required under this Agreement.

4. A final judgment remains unsatisfied or of record for thirty (30) days or longer (unless an appeal bond has been filed).

5. Franchisee discloses, makes any unauthorized duplicates of, or otherwise improperly divulges or uses the contents of the Manual or other confidential information provided to Franchisee by Company contrary to the terms of Sections 5A or 10 of this Agreement.

6. Franchisee creates, maintains, or submits to Company, any governmental agency or any financial institution, any books, records, reports or other information relating to the Franchised Restaurant that contains any materially false, inaccurate, incomplete or misleading statements, or omits any fact necessary in order to make the statements made not materially misleading.

7. Franchisee fails on three (3) or more separate occasions within any twenty-four (24) month period to comply with this Agreement, or to execute Company's standards as outlined in the Manuals as measured by Company's restaurant inspections, whether or not such failures are corrected after notice of default is given, or Franchisee fails on two (2) or more separate occasions within any twelve- (12) month period to comply with the same requirement under this Agreement, whether or not such failure to comply is corrected after notice of default is given.

8. Franchisee has made material misrepresentations or omissions in Franchisee's franchise application or this Agreement.

9. Franchisee makes any unauthorized use of the Marks, or fails to strictly comply with the terms set forth in Sections 1 or 11 of this Agreement.

C. Franchisee will be deemed to be in default and Company may, at its option, terminate this Agreement and all rights granted under this Agreement upon any of the following grounds. If the condition is susceptible of being cured, Franchisee must correct the condition within the period specified below, or termination will be effective at the conclusion of the cure period.

1. Franchisee fails to maintain and operate the Franchised Restaurant in accordance with the standards and specifications, including, but not limited to, selling any product that Franchisee knows or should know does not conform to Company's specifications, failing to sell any product required by Company, or selling any product that is not approved by Company. Franchisee will have five (5) days to correct such condition.

2. Franchisee loses the right to possess the Premises, or otherwise forfeits the right to do or transact business in the jurisdiction where the Franchised Restaurant is located. Franchisee will have five (5) days to correct such condition.

3. Franchisee or any Owner of Franchisee purports to transfer any rights or obligations under this Agreement or any interest in Franchisee in violation of the terms of Section 14 of this Agreement. Franchisee will have five (5) days to correct such condition.

4. Franchisee fails to comply with the in-term covenants in Section 19 of this Agreement or fails to obtain execution of the covenants required under that Section. Franchisee will have five (5) days to correct such condition.

5. Franchisee denies Company's right to inspect, examine or audit the Franchised Restaurant or the Franchisee's books. Franchisee will have five (5) days to cure such condition.

6. Franchisee fails to submit any financial statement or report when required, or his submission is incorrect or incomplete. Franchisee will have thirty (30) days to correct such condition.

8. Franchisee violates any labor laws. Franchisee shall have fourteen (14) days to cure such condition.

9. Franchisee fails to keep the business open and in normal operation for such hours and days as Company may from time to time specify in the Manual or as Company may otherwise specify or approve in writing. Franchisee will have five (5) days to correct such condition.

10. Franchisee fails to make regular payments to Company or any vendor for any monies due and owing. Franchisee will have ten (10) days to correct such condition.

11. 13. Franchisee fails to comply with any other provision of this Agreement or defaults under any other franchise agreement, development agreement, lease agreement, note, or any agreement or account for the purchase of product or services between Company and Franchisee, whether or not pertaining to the premises. Franchisee will have thirty (30) days to correct such condition.

D. If any applicable law or rule requires greater prior notice of termination, the prior notice required by such law or rule will be substituted for the notice requirements specified above.

E. Company's failure to terminate this Agreement upon the occurrence of one or more of the above events shall not constitute a waiver, or otherwise affect the right of Company to terminate this license because of any other occurrence of one or more of the aforesaid events.

F. Upon termination or expiration of this Agreement, Franchisee's right to use the Marks and the System shall terminate. Franchisee shall not thereafter identify himself as a JACK IN THE BOX Franchisee, nor use any of the Marks or any mark confusingly similar thereto, nor use or disclose to others any of Company's trade secrets, operating procedures, or promotional materials. Upon termination or expiration of this franchise, Franchisee will immediately return to Company all Manuals, together with all other material containing trade secrets, restaurant operating instructions or business practices of Company.

G. Franchisee grants to Company, upon termination or expiration of this Agreement, the option to purchase all usable inventory of food supplies, paper goods, containers, printed menus and other materials bearing Company's trade names or Marks at Franchisee's cost; and to purchase the restaurant equipment, furniture, fixtures and signs at fair market value.

H. Franchisee shall, immediately upon termination or expiration of this Agreement, make such removals or changes in signs and the building as Company ~~may~~shall request, to distinguish the Premises from its former appearance and from any other JACK IN THE BOX restaurant. In the event Franchisee fails to make such changes, Franchisee hereby consents to Company entering the Premises to make non-structural changes at Franchisee's expense.

I. In the event of termination for any default of Franchisee, any damage suffered by Company shall be a lien in favor of Company against the personal property, machinery, fixtures and equipment owned by Franchisee on the Premises at the time of such default. Said lien shall be in addition to any other rights or remedies of Company that exist under statute, regulation or common law.

19. RESTRICTIONS ON OTHER BUSINESS INTERESTS

A. Franchisee shall be responsible for notifying Company in writing of any intention of Franchisee, an Owner or an Operator to participate or engage, directly or indirectly, in any business activity other than JACK IN THE BOX restaurant business activities, at least ninety (90) days before (a) that person becomes a party to any agreement or understanding relating to such activity, or (b) such activity commences, whichever is earlier. Franchisee shall be responsible for providing Company with such information about the activity as Company may reasonably request from time to time, including but not limited to information about products that may be sold as part of that business activity. In the event of a dispute regarding whether Franchisee's, an Owner's or an Operator's participation in a business activity would violate the terms of this Agreement, Franchisee and Company agree to mediate said dispute in accordance with the terms of Section 20C of this Agreement; however, in no event will Company be

required to mediate such a dispute if Franchisee has not timely notified Company of the planned participation in the business activity.

B. Franchisee acknowledges that, pursuant to this Agreement, Franchisee, Owners and Operator will receive confidential and trade secret information, including but not limited to promotional, operational, training, sales and marketing methods, techniques, plans and concepts of Company and the System. Franchisee further acknowledges its obligation to develop the franchised business and to promote the interests of the System. Accordingly, Franchisee agrees as follows:

1. Except as otherwise approved by Company in writing, during the term of this Agreement, Franchisee, Owners, and Operator shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation or other entity, own, maintain, operate, be employed by, engage in, advise, help, make loans to, or have any direct or indirect interest in, any restaurant business:

(i) whose format is similar to the format employed by the JACK IN THE BOX System at that time (currently, the JACK IN THE BOX System operates in a quick-service format, but Company may change that format at any time), and

(ii) 20% or more of the sales of which are (or are likely to be) comprised of the kinds of products that are designated by Company as Core Menu Items of JACK IN THE BOX® restaurants at that time. (Currently, hamburgers, certain specialty sandwiches and tacos are designated as Core Menu Items of JACK IN THE BOX restaurants, but Company may designate different or additional products as Core Menu Items at any time.)

2. Except as otherwise approved by Company in writing, the restrictions set forth in Subsection B.(1) of this Section shall also apply to Franchisee upon the earlier of (a) the expiration or termination of this Agreement, or (b) the assignment of this Agreement by Franchisee, and apply to each Owner and Operator upon the earlier of (a) the expiration or termination of this Agreement, (b) the assignment of this Agreement by Franchisee or (c) when such person ceases to be associated with Franchisee and the Franchised Restaurant; provided, however, that upon those events:

(i) the restrictions shall apply for a continuous uninterrupted period of one year thereafter; and

(ii) the restrictions shall only apply to the following restaurant businesses in existence as of the date of this Agreement:

- any restaurant business that is located within two (2) miles of any then-existing JACK IN THE BOX restaurant;
- any restaurant business that is located at the Franchise Restaurant Premises;

- any restaurant business that is located within two (2) miles of the Premises, whether or not a JACK IN THE BOX restaurant is then being operated on those Premises.

Franchisee acknowledges that, while Company has no obligation to expand the JACK IN THE BOX System, the number of JACK IN THE BOX restaurants and the locations of those restaurants may change over time.

3. The obligations of Franchisee, each Owner and Operator under Subsection B.(2) of this Section commence immediately upon expiration or termination of this Agreement, assignment of this Agreement by Franchisee, or upon the cessation of association of any Owner or Operator, whichever applies. If, at any time during the one-year period referred to in Subsection B.(2), Franchisee, the Owner or the Operator (as the case may be) fails to comply with its obligations under Subsection B.(2) of this Section, that period of noncompliance shall not be included in the one-year period described in Subsection B.(2)(i).

4. If any part of the restrictions in this Section is found to be unreasonable in time or distance by a court or other tribunal having valid jurisdiction, each month of time or mile of distance shall be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court or other tribunal to that deemed reasonable.

5. Franchisee, Owners and Operator may, during the term of this Agreement, own all or a portion of a business other than a JACK IN THE BOX restaurant on the condition that all provisions of this Agreement are met, and:

(i) Franchisee, Owners or Operator do not use or allow others to use any part of the JACK IN THE BOX System in such business;

(ii) such business is not advertised on or from the Franchised Restaurant Premises, and the business does not share and is not combined in any advertisement with the Franchised Restaurant; and

(iii) no business is directed or diverted at any time for any reason by Franchisee or Operator from the Franchised Restaurant to any such business.

6. Company shall have the right, in its sole discretion and without Franchisee's consent, to reduce the scope of any covenant in this Section. Any covenant as so reduced shall be fully enforceable. The reduction shall be effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee shall comply immediately with the covenant as so reduced.

C. Subsections B.(1) through B.(3) of this Section shall not apply to ownership by Franchisee, Owners, Operator or their spouses of less than a five percent (5%) beneficial interest in the outstanding equity securities of any corporation that is registered under the Securities Exchange Act of 1934, unless that individual also serves as a director or officer of, or in a management capacity in, such corporation.

D. Franchisee expressly agrees that any claim it may have against Company, whether or not arising from this Agreement, shall not constitute a defense to Company's enforcement of the covenants in this Section.

E. Franchisee acknowledges that its failure to comply with the requirements of this Section will cause Company irreparable injury, and Franchisee hereby accordingly agrees that, in addition to all other legal or equitable rights and remedies that Company may have under this Agreement or otherwise, Company shall be entitled to seek the entry of an order by any court of competent jurisdiction for specific performance of, or for an injunction against violation of, the requirements of this Section.

F. Franchisee expressly acknowledges that it possesses business skills and abilities of a general nature, and can exploit such skills and abilities in settings other than the restaurant or food service industries, and that enforcement of the covenants in this Section will not prevent Franchisee from engaging in an entire line of business, using his business skills and abilities, or earning a living.

G. Notwithstanding any other provision of this Agreement, this Section shall be governed by, construed in accordance with, and enforced under the laws of the State of California; provided, however, that if this Section is deemed unenforceable under California law, then it shall be governed by, construed in accordance with, and enforced under the laws of the State in which the Franchised Restaurant is located.

H. Franchisee shall obtain and furnish to Company an undertaking, to the same effect as the undertaking in this Section, from Franchisee's Operator (if Franchisee is not the Operator) and from such of the Owners, spouses of Owners and restaurant managers as Company may designate. The undertakings shall be in writing in a form approved by Company. Company may require Franchisee to furnish the undertakings at any time during the term of this Agreement.

20. MISCELLANEOUS: GENERAL CONDITIONS

A. Interpretation/Entire Agreement

This Agreement and all attachments to this Agreement constitute the entire agreement between the parties relating to the subject matter hereof, and supersede any and all prior negotiations, understandings, representations, and agreements regarding that subject matter. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

Paragraph captions are used only for convenience, and are in no way to be construed as part of this Agreement, or as a definition limitation or construction of the contents or scope of the paragraph. Words of any gender used in this Agreement shall include every other gender, and words in the singular or plural shall include the other, where the context requires.

B. Non-Waiver

Company and Franchisee shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the right to demand compliance with every term, condition and covenant herein, or to declare any breach thereof to be a default and to terminate this Agreement prior to the expiration of its term) by virtue of: any custom or practice of the parties at variance with the terms hereof; any failure, refusal or neglect of Company or Franchisee to exercise any right under this Agreement or to insist upon compliance by the other with its obligations hereunder, including, without limitation, compliance by Franchisee with any specification, standard or operating procedure; any waiver, forbearance, delay, failure or omission by Company to exercise any right or option, whether of the same, similar or different natures, with respect to one or more other Franchisees or licensees of JACK IN THE BOX restaurants; or the acceptance by Company of any payments from Franchisee after any breach of this Agreement. The rights or remedies set forth in this Agreement are in addition to any other rights or remedies, which may be granted by law.

C. Non-Binding Mediation

1. Except as provided in Section C.(5), controversies, disputes and claims between Company, its Affiliates, and their shareholders, officers, directors, employees and agents, or any of them, on the one hand, and Franchisee, its Owners, partners, trustees, shareholders, officers, directors and agents, or any of them, on the other hand, arising out of or related to this Agreement, the Franchised Restaurant or the franchised business shall be subject to non-binding mediation pursuant to the terms of this Section C. Except as specified in Section C.(5), no litigation may be commenced between such parties prior to the mediation termination date, as defined in Section C.(4), on any claim which is subject to non-binding mediation hereunder, whether or not the mediation has been commenced. The commencement or pendency of litigation will not stay non-binding mediation required hereunder, and non-binding mediation required hereunder will not stay any litigation commenced in conformity with Section C.(5). Mediation under this Section C. is not intended to alter or suspend the rights or obligations of the parties under this Agreement or to determine the validity or effect of any provision of this Agreement, but is intended to provide the parties with an opportunity to amicably and expeditiously resolve disputes in a cost-effective manner on mutually acceptable terms and conditions.

2. The non-binding mediation provided for hereunder shall be commenced by the party demanding mediation (the "complainant") by giving written notice of the demand for mediation (the "demand") to the party with whom mediation is sought (the "respondent"). The demand shall specify with reasonable particularity the matter or matters on which non-binding mediation is being sought. A copy of the demand shall be given by the complainant simultaneously to Company, if Company is not a complainant or a respondent.

3. Non-binding mediation hereunder shall be conducted in San Diego, California, by a mediator or mediation program designated by Company in writing (the

"designation"), or by such mediator as complainant and respondent may otherwise agree to. Company will send the designation to complainant and respondent within a reasonable time after its receipt of the demand.

4. Non-binding mediation hereunder shall be concluded within sixty (60) days of the giving of the demand, or such longer period as may be mutually agreed to in writing by the parties to the mediation (the "mediation termination date"). All aspects of the mediation process shall be treated as confidential, shall not be disclosed to others, and shall not be offered or admissible in any other proceeding or legal action whatsoever. Complainant and respondent shall each bear its own costs of mediation, and each shall bear one-half the cost of the mediator and mediation service.

5. If Franchisee is more than forty-five (45) days past due in any of its payments to Company, or is past due in an amount greater than the prior month's Royalty, whether under this Agreement or any other Agreement or account with Company, then Company shall not be required to seek or to participate in mediation of any matter or dispute under this Section C. (although Company reserves the right to require mediation), and Company shall be free to commence or to pursue litigation at any time. Company shall not be required to seek or to participate in mediation of any matter or dispute relating to the indemnification or insurance provisions of this Agreement (although Company reserves the right to require mediation). Nothing in this Section C. shall prevent any party from instituting or pursuing litigation at any time to preserve the status quo, protect the Proprietary Marks, protect the health or safety of the public, or avoid irreparable harm.

D. Governing Law, Jurisdiction and Venue

1. This Agreement shall become valid when executed and accepted by Company at San Diego, California. The laws of California shall apply to any claim or controversy regarding the making, entering into, performance, or interpretation of this Agreement, without giving effect to any conflict-of-law rules of such jurisdiction. If, however, any provision of this Agreement would not be enforceable under the laws of California, Franchisee is located outside of California, and such provision would be enforceable under the laws of the state in which Franchisee is located, then such provision shall be interpreted and construed under the laws of that state.

2. Franchisee shall file any suit against Company or its officers, directors, agents, employees or shareholders, arising out of this Agreement or otherwise, only in the federal or state court in the judicial district where Company's principal offices are located at the time suit is filed. Company shall file any suit against Franchisee, arising out of this Agreement or otherwise, in any federal or state court in the judicial district where Company's principal offices are located at the time suit is filed, or where Franchisee resides, or where the Franchised Restaurant is or was located, or where the claim arose; and Franchisee hereby consents to and waives all questions of personal jurisdiction and venue for the purpose of carrying out this provision.

3. Company and Franchisee irrevocably waive trial by jury and the right to any class action in any action, proceeding, or counterclaim, whether at law or in equity,

brought by Company against Franchisee, or by Franchisee against Company and/or its Affiliates or subsidiaries, and their shareholders, officers, directors, employees and agents, whether or not there are other parties in such action, to the extent permitted by law.

4. Any and all claims and actions arising out of, or relating to, this Agreement, the relationship of Company and Franchisee, or Franchisee's operation of the Franchised Restaurant, shall be commenced within two (2) years from the occurrence of the facts giving rise to such claim or action, or such shorter term as is established by law, or such claim or action shall be barred.

5. If Franchisee breaches this Agreement, Company shall be entitled to seek injunctive relief, in addition to such other relief to which it may be entitled in law or equity without posting a bond.

6. Company and Franchisee hereby waive to the fullest extent permitted by law any right to, or claim of, any punitive or exemplary damages against the other, and agree that in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it.

E. Severability

If any material provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid or unenforceable, Company and Franchisee shall negotiate to amend this Agreement to provide substantially the same obligations and benefits for each as originally provided. If the parties are unable to agree on such an amendment, either may terminate this Agreement upon written notice to the other.

F. Notices

1. All notices to Company shall be in writing, and shall be effective if hand delivered or sent by certified air mail, postage fully prepaid, national overnight carrier that provides a receipt, addressed to Different Rules, LLC at its offices at 9357 Spectrum Center Blvd, San Diego, California 92123, Attention: ~~Corporate Secretary,~~Legal Dept./Store #____, or at such other address or agent of process as Company may from time to time designate in writing.

2. All notices to Franchisee, including a Notice of Termination, shall be in writing, and shall be effective if hand delivered or sent by certified mail, return receipt requested, postage fully prepaid, by overnight mail, email or comparable electronic system, addressed to Franchisee or Operator at the Franchised Restaurant, the Premises or Franchisee's or Operator's last designated-in-writing mailing address.

3. Notices shall be deemed delivered and received on the earlier of (i) actual receipt; (ii) the fifth (5th) business day after being deposited in the U.S. Mail; (iii) the second (2nd) business day after being deposited with an overnight mail service; or (iv) the first (1st) business day after being sent by email or comparable electronic system.

G. Franchisee Structure and Liability of Owners

Each Owner of Franchisee is individually bound by this Agreement. At no time shall Franchisee be owned by more than eight (8) persons, as defined in Section 14.D. Each Owner shall be jointly and severally liable to Company for any failure of Franchisee to perform any obligation under this Agreement.

H. Signatures and Modification

This Agreement is not effective unless signed by Company. This Agreement may be signed in counterparts, which, taken together, shall constitute one original document. This Agreement may be modified or amended only in writing, signed by both parties.

I. Continuing Obligations

All obligations of Company and Franchisee which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

J. Cumulative Remedies

The rights of Company and Franchisee hereunder are cumulative, and no exercise or enforcement by Company or Franchisee of any right or remedy hereunder shall preclude the exercise or enforcement by Company or Franchisee of any other right or remedy hereunder to which Company or Franchisee is entitled by law.

K. Attorneys' Fees

In any litigation arising out of or relating to this Agreement, the prevailing party shall be paid by the other party all costs, including reasonable accounting and attorneys' fees, incurred as a result of the legal action.

L. Relationship of the Parties

Franchisee is an independent contractor, and shall not be deemed an agent, partner, joint venturer or employee of Company. Franchisee shall have no right to bind or obligate Company in any way, and shall in no way represent any right to do so. Company shall have no control over the terms and conditions of employment of Franchisee's employees. Franchisee shall indicate his independent ownership of the Franchised Restaurant in all public records and on stationery, business forms and checks. Franchisee shall exhibit at the Franchised Restaurant, in such places and in such form as may be designated by Company, a notification that the Franchised Restaurant is independently operated. No fiduciary relationship between the parties exists.

CONFIDENTIALITY AND NON-COMPETITION AGREEMENT (For Shareholders, Partners, Members)

Site No. ####

CONFIDENTIALITY & NON-COMPETITION AGREEMENT (For Shareholders, Partners, Members)

This Confidentiality and Non-Competition Agreement ("Agreement") is entered into as of Today's Date between Different Rules, LLC ("Company") and Franchise Operator, Guarantor, and Guarantor ("Owner") (collectively, "Owner").

Recitals

Company has entered into a Development Agreement and/or Franchise Agreement with Entity Name, a Entity State corporation/limited liability company ("Franchisee") relating to the development and operation of one or more Jack in the Box® restaurants under an operating system created and maintained by the Company (the "System"). Owner is an officer, director, or holder of a beneficial interest of Franchisee, and/or of any corporation directly or indirectly controlling Franchisee. Due to his/her financial interest or other involvement in Franchisee, Owner may have access to information regarding the development and operation of the JACK IN THE BOX® business (including, but not limited to Company's Operating Manual) that is considered by the Parties to be confidential and/or trade secret. Company is willing to provide access to such information under the terms of this Agreement.

Accordingly, Owner agrees as follows:

1. CONFIDENTIAL INFORMATION

1.1. Owner understands and acknowledges that Company has invested, and continues to invest, considerable sums of money in developing the System. Because of the competitive nature of the restaurant business, and to protect the legitimate interest of Company and other franchisees, it is necessary to protect certain information about the System as confidential.

1.2. For purposes of this provision, "Confidential Information" includes product recipes and tests, ingredients used in Company's products, product preparation procedures, customer service measures and techniques, franchise support procedures, supplier relationship and distribution system information, new product development information, the Manual (as defined in Section 2 below), growth plans or strategies, real estate development plans or strategies, restaurant design plans, proposed restaurant sites, equipment, computer systems, business and development plans and strategies, training programs, consumer research results, marketing and advertising strategies and materials, and all other information designated by Company as confidential.

1.3. Confidential Information does not include: (a) information, concepts, methods, procedures or techniques that are, or become, generally known in the quick-service and quick-casual restaurant industries in the United States, other than through disclosure by Franchisee or Owner, whether deliberate or inadvertent; (b) the disclosure of Confidential Information in judicial or administrative proceedings to the extent that Franchisee or Owner is legally compelled to disclose such information, provided that Franchisee and/or Owner has afforded Company with the opportunity to obtain an appropriate protect order or other assurance that the information will be treated as confidential; or (c) information that Franchisee or Owner can demonstrate came to its attention prior to disclosure thereof by Company.

1.4. Franchisee will be provided with Confidential Information in connection with its development and/or operation of the Franchised Business. Owner agrees that both during the term of this Agreement and thereafter, Franchisee and Owner: (a) will use the Confidential Information only in the operation of the Franchised Business, and not in connection with any other business; (b) will not make copies of, duplicate, record, or otherwise reproduce any Confidential Information without the express written consent of Company; (c) will not communicate, divulge or disclose the Confidential Information to any person or entity who does not need access to it to operate the Franchised Business; (d) will not use or duplicate Confidential Information for any other restaurant business; or (e) will not use the Confidential Information, or allow it to be used, for the benefit of any third party.

1.5. Owner acknowledges and agrees that all Confidential Information is, and will remain, the sole and exclusive proprietary property of Company.

1.6. Owner understands and acknowledges that any failure to comply with the requirements of this section will result in substantial injury and damage to Company for which there is no adequate remedy at law. For these reasons, if Owner violates or threatens to violate any term of this provision, the Company will be entitled to, in addition to any other remedies and damages available, injunctive or other equitable relief, to restrain the violation of this provision by Owner. Owner agrees to pay all court costs and reasonable attorneys' fees incurred by Company in obtaining specific performance of, or an injunction against violation of, the requirements of this section, in addition to any other claims to which Company may be entitled.

2. CONFIDENTIAL OPERATING MANUAL

2.1. In order to protect the reputation and goodwill of Company and to maintain high standards of operation under Company's proprietary marks, Franchisee must conduct its business in accordance with the confidential manual, which may consist of more than one volume ("Manual"). Franchisee will receive one copy of Manual on loan from Company for the term of any Franchise Agreement or Development Agreement between Company and Franchisee.

2.2. Owner must at all times treat the Manual, any other manuals created for, or approved for use in, the development or operation of the franchised business, and the

information contained therein, as secret and confidential, and must use all reasonable efforts to maintain such information as secret and confidential, as specified in Section 1 above, including but not limited to keeping the Manual in a secure place on the Restaurant premises (once constructed) at all times.

2.3. The Manual will at all times remain the sole property of Company.

2.4. Owner understands and acknowledges that Company may, in its sole discretion, modify or replace the Manual or its contents. If there is any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Company at Company's home office will be controlling.

3. COVENANTS AND RESTRICTIONS ON OTHER BUSINESS INTERESTS

3.1. Franchisee must devote best efforts to the development, management and operation of the Franchised Business.

3.2. Owner acknowledges that Franchisee and Owner will receive valuable specialized training and/or confidential information, including without limitation, information regarding the development, operational, sales, promotional and marketing methods and techniques of Company and the System. During the term of any Development Agreement or any Franchise Agreement between Company and Franchisee, except as otherwise approved in writing by Company, Owner may not, either directly or indirectly, for him/herself, or through, on behalf of, or in conjunction with any person, persons, partnership or corporation:

3.2.1. Divert or attempt to divert any business or customer of the franchised business to any competitor, by direct or indirect inducement or otherwise; or

3.2.2. Do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Company's proprietary marks and the System.

3.3. During the term of any Development Agreement or any Franchise Agreement between Company and Franchisee, Owner may not either directly or indirectly, for him/herself, or through, on behalf of, or in conjunction with any person, firm, partnership, corporation or other entity, own, maintain, operate, engage in, or have any interest in any restaurant business (i) whose format is similar to the format employed by the JACK IN THE BOX System at that time (currently, the JACK IN THE BOX System operates in a quick service format, but Company may change that format at any time, and (ii) where 20% or more of the sales of which are (or are likely to be) comprised of the kinds of products that are designated by Company as Core Menu Items of JACK IN THE BOX® restaurants at that time. (Currently, hamburgers, specialty sandwiches and tacos are designated as Core Menu Items of JACK IN THE BOX restaurants, but Company may designate different or additional products as Core Menu Items at any time.).

3.4. For a continuous period of one (1) year after the expiration or termination of all Development Agreements and Franchise Agreements between Company and

Franchisee, regardless of the cause for the termination, Owner may not either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, firm, partnership, corporation or other entity, own, maintain, operate, be employed by, engage in, advise, help, make loans to, or have any direct or indirect interest in any of the following restaurant businesses in existence as of the date of this Agreement: (i) any restaurant business that is located within two (2) miles of any then existing JACK IN THE BOX® restaurant; (ii) any restaurant business that is located at the Franchise Restaurant Premises; or (iii) any restaurant business that is located within two (2) miles of the Premises, whether or not a JACK IN THE BOX restaurant is then being operated on those Premises.

3.5. Subsections 3.3 and 3.4 above do not apply to ownership by Owner of less than one percent (1%) beneficial interest in the outstanding equity securities of any publicly held corporation.

3.6. The parties agree that each of the foregoing non-competition covenants are independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 3 is found unreasonable or unenforceable by a court or agency having valid jurisdiction, Owner expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 3.

3.7. Company has the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without Owner's consent, effective immediately upon receipt by Owner of written notice thereof. Owner agrees that it will comply forthwith with any covenant as so modified, and that the covenant will be fully enforceable, notwithstanding the provisions of Subsection 3.4 of this Agreement.

3.8. Owner expressly agrees that the existence of any claims he/she may have against Company, whether or not arising from this Agreement, will not constitute a defense to Company's enforcement of the covenants in this Section 3. Owner agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Company in connection with the enforcement of this Section 3.

3.9. Owner acknowledges and agrees that his/her violation of the terms of this Section 3 would result in irreparable injury to Company for which no adequate remedy at law may be available. Owner acknowledges and agrees that Company may obtain an injunction prohibiting any conduct by Owner in violation of the terms of this Section 3.

4. MISCELLANEOUS PROVISIONS

4.1. **No Waivers.** No delay, omission or forbearance on the part of Company to exercise any right, option, duty or power constitutes a waiver by Company to enforce any such right, option, duty or power against Owner; nor does any such delay, omission, or forbearance constitute a waiver of any subsequent breach or default by Owner.

4.2. Notices. Any and all notices required or permitted under this Agreement must be made in writing, and must be personally delivered or mailed by certified or registered mail, return receipt requested, or delivered by national overnight carrier, to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other party:

AMENDMENT TO FRANCHISE AGREEMENT FOR SELECT MARKET INCENTIVE PROGRAM

This Amendment to Franchise Agreement ("Amendment") is made and entered into as of _____, 20__, by and between DIFFERENT RULES, LLC, a Delaware limited liability company ("Company"), and [ENTITY NAME], a [STATE] [corporation OR limited liability company] (collectively, "Franchisee"), in order to amend the Franchise Agreement, dated _____ ("Agreement"), relating to JIB No. _____, located at _____ ("Restaurant"). Except as expressly provided in this Amendment, all terms used in this Amendment have the meanings established for those terms in the Agreement.

Company has created a Select Market Incentive program to encourage expansion of the Jack in the Box® franchised system. Company is willing to offer the Select Market Incentive under the terms and conditions set forth in this Amendment to franchisees who have, pursuant to a Multi-Unit Development Agreement with Company~~,~~ dated _____ ("Development Agreement"), committed to open at least three (3) new restaurants in a market that has been determined by Company, in Company's sole discretion, to meet criteria for under penetrated markets that may have operational and other costs that are higher than average for other franchisees ("Select Market"). Company may in its sole discretion modify the determination of such Select Markets at any time.

Company has determined that the Restaurant is eligible for the Select Market Incentive.

Therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Section 8.A.1 of the Agreement is hereby amended to provide that:

   a. For Gross Sales at the Franchised Restaurant for the period beginning [DATE THE RESTAURANT OPENS], and continuing until [END OF YEAR 5 AFTER OPENING], the Royalty payable under the Agreement shall be equal to 2% of Gross Sales;

   b. For Gross Sales at the Franchised Restaurant for the period beginning [BEGINNING OF YEAR 6 AFTER OPENING], and continuing for the remainder of the term of the Franchise Agreement, the Royalty payable under the Agreement shall be equal to 5% of Gross Sales.

2. The parties acknowledge and agree that Developer's eligibility for the Select Market Incentive described herein is contingent upon Developer's full compliance with all provisions of the Development Agreement and Franchise Agreement. Even if this Amendment is signed, Company shall not be obligated to provide any incentive to Franchisee if Franchisee is not in full compliance as determined by Company.

~~2.~~3. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Franchisee hereby releases and forever discharges Company, its officers, directors, agents, employees, subsidiaries and affiliates from and against any and all liabilities, actions, causes of action, judgments, suits, controversies, claims, demands, damages, costs and expenses whatsoever, in law or in equity ("Claims") arising out of any matters prior to the date of execution hereof, which have ever existed, may now exist or may hereafter arise, known or unknown, foreseen or unforeseen, to the full extent permitted by applicable law. Without limiting the generality of the foregoing, it is expressly understood and agreed that this Release includes Claims Franchisee may have individually or as the member of any class (i) under any federal or state franchise, antitrust, trade regulation or similar law, or (ii) under any state or federal security, blue sky or similar law, or (iii) in connection with allowances, discounts or compensation of any type received by Company from vendors.

Further, the undersigned do hereby expressly waive all right, protection, privilege and benefit under Section 1542 of the Civil Code of the State of California, which provides:

"1542 A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

The release provided in this Section 2 does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

~~3.~~4. The undersigned hereby certify that they have read all provisions of the foregoing release and the quoted California Civil Code Section, that they are represented by Counsel and have been advised or been afforded the opportunity to be advised of the effect of the provisions of such release and their waiver of all rights under the quoted California Civil Code Section, that they have made such investigation and inquiry as they and Counsel have deemed appropriate, and that they understand said provisions and effect, and have executed this Amendment freely and without duress.

~~4.~~5. Except as expressly modified or amended pursuant to the provisions of this Amendment, the Agreement shall remain unmodified and in full force and effect. In the event of any conflict between the provisions of this Amendment and the Agreement, the provisions of this Amendment prevail.

~~5.~~6. This Amendment may be signed in one or more counterparts, all of which when taken together constitute one original document.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be signed as of the day and year shown opposite their signatures below.

AMENDMENT TO FRANCHISE AGREEMENT FOR SELECT MARKET

GRAND OPENING ADVERTISING AND PROMOTION FEE

This Amendment to Franchise Agreement ("Amendment") is made and entered into as of _____, 20__, by and between DIFFERENT RULES, LLC, a Delaware limited liability company ("Company"), and [ENTITY NAME], a [STATE] [corporation OR limited liability company] (collectively, "Franchisee"), in order to amend the Franchise Agreement, dated _____ ("Agreement"), relating to JIB No. _____, located at _____ ("Restaurant"). Except as expressly provided in this Amendment, all terms used in this Amendment have the meanings established for those terms in the Agreement.

Company has determined that the Restaurant will be located in a market in which marketing efforts are not established, as determined from time to time by Company in its sole discretion ("Select Market"), and that Franchisee accordingly will need to undertake certain additional marketing efforts for the Restaurant.

Therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Section 2 of the Agreement is hereby amended to provide that:

Franchisee shall pay to Company a fee of $10,000 (the "Grand Opening Advertising and Promotion Fee") upon execution of this Amendment. The Grand Opening Advertising and Promotion Fee is fully earned by Company upon execution. The Grand Opening Advertising and Promotion Fee is not refundable and is net of any tax, excluding income tax but including excise tax or other fee imposed upon Company due to the collection of the Grand Opening Advertising and Promotion Fee.

The Grand Opening Advertising and Promotion Fee shall be drawn upon by Franchisee through reimbursements submitted to Company in the manner that Company designates or through direct payments by Company to vendors in order to promote the Restaurant within a year of the Restaurant's opening. Franchisee shall not contract for nor make any expenditures related to the promotion of the Restaurant unless Franchisee has submitted a request and received the written approval of Company. Franchisee shall submit invoices for promotional expenditures to Company for direct payment to the vendor or for reimbursement. Company shall not pay or reimburse food or paper costs. Company shall not have any obligation to refund any portion of the Grand Opening Advertising and Promotion Fee for any reason. If Franchisee fails to spend all of the Grand Opening Advertising and Promotion Fee within twelve (12) months after the opening of the Restaurant, Franchisee shall forfeit the unused portion of the fee

and Company shall apply it toward Company's general advertising or marketing programs.

2. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Franchisee hereby releases and forever discharges Company, its officers, directors, agents, employees, subsidiaries and affiliates from and against any and all liabilities, actions, causes of action, judgments, suits, controversies, claims, demands, damages, costs and expenses whatsoever, in law or in equity ("Claims") arising out of any matters prior to the date of execution hereof, which have ever existed, may now exist or may hereafter arise, known or unknown, foreseen or unforeseen, to the full extent permitted by applicable law. Without limiting the generality of the foregoing, it is expressly understood and agreed that this Release includes Claims Franchisee may have individually or as the member of any class (i) under any federal or state franchise, antitrust, trade regulation or similar law, or (ii) under any state or federal security, blue sky or similar law, or (iii) in connection with allowances, discounts or compensation of any type received by Company from vendors.

Further, the undersigned do hereby expressly waive all right, protection, privilege and benefit under Section 1542 of the Civil Code of the State of California, which provides:

"1542 A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

The release provided in this Section 2 does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

3. The undersigned hereby certify that they have read all provisions of the foregoing release and the quoted California Civil Code Section, that they are represented by Counsel and have been advised or been afforded the opportunity to be advised of the effect of the provisions of such release and their waiver of all rights under the quoted California Civil Code Section, that they have made such investigation and inquiry as they and Counsel have deemed appropriate, and that they understand said provisions and effect, and have executed this Amendment freely and without duress.

4. Except as expressly modified or amended pursuant to the provisions of this Amendment, the Agreement shall remain unmodified and in full force and effect. In the event of any conflict between the provisions of this Amendment and the Agreement, the provisions of this Amendment prevail.

5. This Amendment may be signed in one or more counterparts, all of which when taken together constitute one original document.

RECITALS

Company is the owner of the name JACK IN THE BOX® and certain other service marks, trademarks, names, logos and commercial symbols which are authorized for use from time to time in connection with JACK IN THE BOX restaurants (the "Marks").

Company has expended time, effort and money to develop a distinctive restaurant format and operating system utilizing specialized and unique techniques, knowledge, expertise, skill and proprietary information. The restaurant format and operating system includes but is not limited to: operating and management systems and standards; specifications and procedures for the purchase, preparation and sale of food, beverages and other products; and a distinctive building design, decor and color scheme (the "System").

The System includes, among other things, the following elements, all of which may be deleted, changed, improved or further developed by Company from time to time: (a) know-how, specifications, methods and procedures for the content, preparation, marketing and sale of food and beverages, which are described in operating manuals for JACK IN THE BOX restaurants and in other written materials; (b) plans and specifications for JACK IN THE BOX restaurants including distinctive designs, interior and exterior formats, styles, designs, decors, fixtures, equipment, layouts and signs which are described in operating manuals for and in other written materials; and (c) a public image that each JACK IN THE BOX restaurant is a unit in an established quick-service restaurant system, and that all JACK IN THE BOX restaurants are operated with high standards for product quality and service and aesthetic effect of the restaurant premises.

Company operates, and grants franchises to operate, restaurants known as JACK IN THE BOX restaurants using the System and the Marks.

Licensee recognizes the uniqueness, confidentiality and value of the System, and the advantages and benefits which may be obtained by using the System and the Marks, and desires to use the System and the Marks which Company uses and makes available to its Licensees, in the operation of a JACK IN THE BOX restaurant in a nontraditional location. (The term nontraditional location includes, but is not limited to, airports, train stations, bus stations, stadia, arenas, other sports facilities, hotels, resorts, convention centers, military facilities, schools, colleges, universities, hospitals or medical facilities, amusement parks, recreational theme parks, racetracks, motorsports parks, raceways,

speedways, museums, galleries, theaters, entertainment facilities or venues, other performative facilities, tourist centers, business or industrial food service venues, venues in which food service is or may be provided by a master concessionaire or contract foodservice provider, public transportation facilities, government facilities, shopping and outlet malls, Indian reservations, casinos, and similarly situated sites; but does not include c-stores, travel plazas or dark / ghost kitchens.)

Licensee has submitted written information to Company in connection with the grant of this franchise, including, but not limited to, a Franchise Application Package, together with any material changes therein, and it is understood that Company is relying on all such information in granting this franchise.

In consideration of the foregoing, the fees and other sums payable by Licensee and of the mutual covenants contained in this Agreement, the parties agree as follows:

1. LICENSE: SCOPE AND TERM

Company grants to Licensee a limited nonexclusive license, subject to the terms and conditions hereof, for the term of this Agreement to use the System and the Marks, and such other Marks as Company may authorize from time to time in the operation of a JACK IN THE BOX restaurant (the "Licensed Restaurant") at _____, more fully described in Attachment A hereto ("the Premises"), and at that location only. Licensee may not relocate the Licensed Restaurant. During the term of this Agreement, the Premises shall be used exclusively for the operation and promotion of the Licensed Restaurant.

If the Licensed Restaurant is located within a larger building at the Premises ("Facility"), the Licensed Restaurant occupies the physical area of the Facility (comprising the Licensed Restaurant, whether a food-court, in-line application, stand-alone restaurant or other location, and any dedicated back of the house area), as indicated on the floor plan attached to Attachment A). If the Licensed Restaurant serves a limited menu (as indicated in attached Attachment A and as determined by Company in its discretion), Licensee may offer for sale and sell at the Premises only those menu items specified in Attachment A.

The term of this Agreement shall commence on _____, and shall expire _____, unless sooner terminated in accordance with the provisions of this Agreement. If Licensee fails for any reason to commence operation of the Licensed Restaurant within six (6) months of the date of this Agreement, or if Licensee ceases to have the right to operate the Licensed Restaurant at the location set forth in Attachment A for any reason (including, without limitation, the expiration or termination of the Lease for the Premises or foodservice contract for the Premises), the license granted hereunder shall immediately cease. Licensee accepts this license with the understanding that this Agreement is not renewable, and that Company makes no assurance of the granting of a new license at expiration. This license is non-exclusive, is for the Premises only, and does not in any way grant to or confer upon Licensee any proprietary rights or goodwill rights to the Marks or to any country, province, state, area, market or territory. Company

retains the right and is expressly permitted to engage in the wholesale and retail production, distribution and sale of products, including food products of any kind, (i) under the JACK IN THE BOX trademark or other trademarks, (ii) through Company-operated restaurants, Licensed Restaurants or any alternative marketing channels or methods of distribution, and (iii) both outside and within the trading area of Licensee's restaurant. Company may develop, establish or acquire other franchise systems for the same, similar or different products, and may grant licenses thereto, without providing Licensee any rights therein. Unless Franchisee obtains prior written approval from Company, Licensee must continuously operate the Licensed Restaurant for the entire term noted.

2. FRANCHISE FEE

In consideration of the granting of this license, Licensee shall pay to Company, on or before the execution of this Agreement, the sum of twenty-five thousand dollars ($25,000) ("Franchise Fee"). The Franchise Fee is fully earned by Company upon the execution and delivery of this Agreement. The Franchise Fee is net of any tax, excluding income tax but including excise tax or other fee imposed upon Company due to the collection of the Franchise Fee. The Franchise Fee is not refundable.

3. APPROVAL OF LEASES

For any leases entered into on or after this date, if Licensee leases the Premises from a third party, Licensee must employ its best efforts to use Company's standard form lease or lease addendum. Regardless of whether Company's standard form is used, all third-party leases must include the following terms and conditions:

1. The Premises must be used only for the operation of the Licensed Restaurant;

2. The landlord consents to the Licensee's use of such Marks and signage as Company may reasonably require;

3. The Licensee may not sublease or assign all or any part of its occupancy rights, or extend the term of, or renew, the lease without Company's prior written consent;

4. Licensee must use its best efforts to require that Licensee's landlord copy Company on any notices to Licensee that are related to Licensee's performance under the lease, including, but not limited to, late rent notices, notices of default, and notices of termination; notwithstanding the foregoing, Licensee agrees to copy Company on Licensee's responses to such notices;

5. Company has the right to enter the Premises (a) during the term of this Agreement to make any modification necessary to protect its Marks or to cure any default under the lease or this Agreement and (b) after the expiration or termination of this Agreement to de-identify the Premises if Licensee fails or refuses to do so;

6. If Licensee is in default under the lease or if this Agreement is terminated, Company will have the right to cure the default or assume the lease, and to sublease the Premises for all, or any part of, the term of the lease;

7. A Memorandum of Lease will be recorded in the appropriate recorder's office in the county in which the Licensed Restaurant is located; and

8. The lease shall require that the landlord deliver to Licensee a non-disturbance agreement (i) from the current holder of any mortgage or deed of trust which is a lien on the Premises, or (ii) if the landlord is the tenant under the terms of any master lease, from the lessor under such master lease. Such non-disturbance agreement shall provide that so long as Licensee is not in default beyond any applicable cure periods under its lease, the lender or master lessor, as the case may be, shall not disturb Licensee's use and possession of the Premises upon the default by landlord under the mortgage/deed of trust or master lease, or upon termination of the master lease for any other reason.

You will not be permitted to open the Licensed Restaurant for business unless Company's standard lease rider is used or the lease is otherwise approved by Company in writing. Company's approval of a lease does not constitute a representation, guaranty or warranty, express or implied, of the successful operation or profitability of any restaurant operated at that location; nor does such approval constitute a legal review of the terms and conditions of the lease.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS OF LICENSEE

Licensee represents, warrants and covenants as follows:

A. Licensee has delivered to Company a Certification of Entity Structure and Operation, which constitutes a true, complete and accurate description of all of the individuals who have an ownership interest in the franchise or Licensee, if Licensee is a legally formed entity. There has been no change in said ownership structure since the certification was delivered to Company. The ownership structure described in the certification shall remain unchanged during the term of this Agreement, unless modified in accordance with the provisions of this Agreement. The provisions of this Agreement relating to changes in ownership or ownership structure shall apply to all such changes, including changes in relative shares of ownership of a Licensee.

B. Licensee represents and warrants that all Owners (as defined in this Section) have executed, simultaneously with Licensee's execution of this Agreement, the form of Guaranty and Assumption of Licensee's Obligations (Attachment B). "Owner" means each person or entity that has any indirect or direct equity interest in Licensee.

C. Licensee must designate an individual as the operator ("Operator") of the Licensed Restaurant. The Operator must be approved by Company, in writing. Company may communicate with and give notice to Licensee through the Operator.

D. During the term of this Agreement, Licensee and Operator shall have full responsibility to ensure that the Licensed Restaurant is being operated in accordance with the terms of this Agreement and the standards as specified in the Manuals. Licensee or Operator shall utilize best and continuing efforts to promote and develop the business at the Licensed Restaurant.

E. Licensee is an independent contractor, and shall not be deemed an agent, partner, joint venturer or employee of Company; and no fiduciary relationship between the parties exists. Licensee shall have no right to bind or obligate Company in any way, and shall in no way represent any right to do so. Company shall have no control over the terms and conditions of employment of Licensee's employees.

F. Company shall have no liability for any excise, property or other taxes levied by any governmental tax authority upon Licensee. Licensee shall make timely filings of all tax returns, and shall pay when due all taxes levied or assessed in connection with the possession, ownership or operation of the Licensed Restaurant and the Premises. Licensee may contest the validity or the amount of the tax in accordance with applicable procedures of the jurisdiction, but Licensee shall in no event permit a tax sale or seizure of the Licensed Restaurant, the Premises, or any equipment.

5. STANDARDS OF OPERATION

Licensee shall adhere to the System. Licensee shall meet all the standards and specifications, and follow the procedures communicated in writing by Company to Licensee.

A. The Manuals

The JACK IN THE BOX System standards, specifications, and procedures, as they may be renamed, amended, expanded and consolidated by Company from time to time (collectively, "Manuals"), shall contain mandatory restaurant operating standards, specifications and procedures as prescribed from time to time by Company for the operation of a JACK IN THE BOX restaurant by Licensee. Licensee acknowledges receipt of the Manuals (in hardcopy, electronic copy or online) on loan for the term of this Agreement. Licensee shall strictly adhere to these standards, specifications and procedures. The Manuals shall be kept at the Licensed Restaurant at all times. Licensee agrees to accept and comply with any changes, modifications, revisions and additions made by Company, in its sole discretion, to the menu and other elements of the System standards, specifications and procedures.

The material contained in the Manuals consists of confidential trade secrets of Company, and Company is the owner of the Manuals and of all proprietary rights in and to the material and information contained therein. Such material is to be used by Licensee only in connection with the operation of the Licensed Restaurant and other licensed JACK IN THE BOX restaurants.

B. Construction and Maintenance of the Premises

The Premises shall be constructed, maintained and improved only as authorized and approved in writing by Company, and in conformity with all applicable laws and ordinances. The appearance and the condition of the Premises shall not be altered thereafter, except as may be approved in writing by Company. The Premises shall be decorated, furnished and equipped with furnishings and restaurant equipment that meet Company's specifications. Licensee shall maintain the Premises in good condition and in conformity with the System, and shall make any improvements and alterations to the Premises as may be determined by Company to be necessary. Licensee shall undertake and complete such repairs, improvements and alterations as may be required by Company within a reasonable time as specified by Company. Licensee shall maintain the Premises in conformity with all applicable laws and ordinances, including, without limitation, the federal Americans with Disabilities Act and any similar state law and any modification to the Premises required by such laws, shall be approved in advance by Company and shall be made at Licensee's expense.

If Licensee leases the Premises, Licensee agrees that whenever it receives from its landlord any notice or other material document relating to Licensee's performance under the lease for the Premises including, but not limited to, late rent notices, notices of default, and notices of termination, or receives such a document from the landlord, Licensee will promptly forward a copy of that document to Company in accordance with the notice provisions of this Agreement.

C. Signs

Licensee shall display the Marks only in the manner authorized by Company. Licensee shall maintain and display signs (including menu panels, posters or similar items) ("Signs") as required by Company from time to time. Company requests for signage changes or upgrades may be as required from time to time to comply with Company requirements. Licensee shall display or use Signs only at the Premises or as otherwise permitted by Company for directional or similar uses for the Licensed Restaurant or Licensee's corporate offices. Licensee shall not place additional signs, menu panels, posters or similar items on the Premises. Licensee shall promptly discontinue the use of and destroy such items as are declared non-conforming or obsolete by Company, or, in the case of termination, as required according to the post-termination obligations set forth herein.

D. Equipment

Licensee shall use only equipment approved by Company in the Licensed Restaurant. Licensee shall maintain such equipment in a condition that meets standards set forth in the Manuals or otherwise prescribed by Company, and shall replace equipment as necessary. Company requests for equipment changes or upgrades may be as required from time to time to comply with Company requirements. Replacement equipment shall conform to the standards for equipment which is being installed in new JACK IN THE BOX restaurants at the time of replacement except as may be approved in

writing in advance by Company. If Company should determine that additional or replacement equipment is needed in order to test new menu items or due to a change in approved menu items or in approved methods of preparation and service, Licensee shall promptly obtain and install such new equipment within the reasonable time specified by Company. Upon notification that any equipment, furnishings or supplies do not meet Company specifications or standards, Licensee shall immediately cease and desist from using same.

E. Technology Systems, Technology Services and Platforms

Licensee agrees to purchase or lease, install and maintain, at Licensee's sole expense, such data processing equipment, computer hardware and software, required dedicated telephone and power lines, high speed and wireless Internet connections (when and where available), modems, printers, mobile app-related equipment, digital menu boards, communications devices, audio/visual equipment and software systems, technology services and platforms and other computer-related accessory or peripheral equipment as required by Company (collectively "Technology System") and as necessary to permit Company to receive from Licensee, within the time periods required by this Agreement or as otherwise required by Company, that information and in that format/media as reasonably specified by Company. Company may change, modify, discontinue or otherwise update the required Technology System.

Licensee must use any current or future technology services and platforms or related products (including backoffice solutions (such as inventory and workforce management), email or other communications, support or security services, point of sale systems, loyalty programs and online or mobile apps, online ordering, website, portals or cloud based services, menu management, software or hardware) provided by, paid for by, or designated by Company and could include access to an intranet, website hosting, and access to cloud-based data and storage communication system (collectively "Technology Services") required by company. Company may change, modify, discontinue or otherwise update the required Technology Services. For menu management, Licensee agrees that components will be installed in the point of sale system, which Company shall have access to in order to update (at its discretion) menu items, menu pricing, promotions, coupon discounts, product descriptions, recipes, ingredients, preparation updates and other data; in accordance with Company's requirements for input from Licensee. Licensee is solely responsible for updating tax rate information for the pricing; Licensee must provide any updated tax rate information to Company. Licensee may request non-standard menu pricing in accordance with Company's requirements.

The Technology System and Technology Services must be purchased, at Licensee's sole expense, from, installed by, and maintained by Company and/or vendors approved by Company. Licensee must sign and comply with any agreements (which may include software license agreements), terms and conditions or other terms of use for the Technology System and Technology Services, which may be with Company or a third party provider. Company may require Licensee to remove or cease using any Technology System or Technology Services and/or other system and/or service not specified or

otherwise approved by Company. The most current terms and conditions for the Technology System and Technology Services will be specified in the Manuals.

Licensee shall provide such assistance as may be required to connect its Technology System and any other systems with the Technology System used by Company or other licensees or franchisees. Company shall have the right, on an occasional or regular basis, to retrieve any data and information from Licensee's Technology System as Company, in its sole and exclusive discretion, deems necessary or desirable. In view of the interconnection of technology systems and the necessity that such systems be compatible with each other, Licensee expressly agrees that it will strictly comply with Company's standards and specifications for all items associated with the Technology System, and will otherwise operate its Technology System in accordance with Company's standards and specifications. Licensee agrees to be bound by all terms and conditions for use of the Technology System and the Technology Services Company requires from time to time.

To ensure full operational efficiency of the Technology System and Technology Services, Licensee shall, at its expense, keep the Technology System and Technology Services in good maintenance and repair, and, at its expense (and following Company's determination that it will be economical or otherwise beneficial to the System) promptly install such additions, changes, modifications, substitutions and/or replacements to the Technology System or the Technology Services as Company directs.

If such claims are asserted against an indemnified party, Company shall notify Licensee and, at Company’s election, Licensee must assume the defense of such claims or Company will defend such claims in the manner Company deems appropriate. If Company requires Licensee to defend such claims and Licensee fails to assume the defense as required by Company, then Company may defend in such manner as it deems appropriate. Licensee shall reimburse the indemnified party (or Company if Company steps in to defend the matter) for all costs, including attorneys' fees, and the reasonable value of time spent by corporate counsel, incurred by the indemnified party in effecting such defense, in addition to any sum that the indemnified party may incur by reason of any settlement or judgment. The indemnified party’s right to defense and indemnification hereunder shall exist, notwithstanding that its joint or concurrent liability may be imposed on it by law.

13. ASSIGNMENT BY COMPANY

There are no restrictions on Company's ability to assign this Agreement, and any such transfer or assignment shall inure to benefit any transferee or assignee or other legal successor to the interest of Company.

14. ASSIGNMENT BY LICENSEE

This Agreement is personal to Licensee (or if Licensee is a legally formed entity, the Owners of Licensee). Neither Licensee nor any Owner shall sell, assign, pledge, mortgage, hypothecate, give as security or in any manner encumber or otherwise transfer (hereinafter, "Transfer") this Agreement or any direct or indirect right or interest in the franchise granted, or any direct or indirect interest in Licensee, the Licensed Restaurant, or the Licensed Location nor permit any such Transfer to occur directly or indirectly, whether by agreement or operation of law, without the prior written consent of Company. Without limiting the generality of the foregoing, this provision applies to any Transfer between Owners.

Any Transfer shall require, among other items: (i) delivery of an updated Ownership Information Form; (ii) delivery of complete financial statements of the proposed transferee and other information satisfactory to Company; (iii) the payment by Licensee of up to, but not exceeding, two thousand five hundred dollars ($2,500) per Licensed Restaurant to Company; (iv) the execution by Licensee and each Owner of a general release (in form satisfactory to Company) in favor of Company, covering (without limitation) all agreements, restaurants, transactions or occurrences of any kind prior to the proposed assignment, whether arising out of the franchise relationship or otherwise, between Licensee and Company; (v) the payment of all amounts owed to Company or its Affiliates by Licensee or Owners; (vi) the transferor corrects any material defaults; (vii) the execution of a personal guarantee by each transferee; (viii) the transferee and its employees complete all training required by Company; (ix) at Company's election, execution of an assignment agreement or the then-current standard franchise agreement for the remainder of the term of this Franchise Agreement; and (x) such other conditions as Company may require.

15. TERMINATION

A. This Agreement shall automatically terminate if Licensee's contract to provide foodservice at the Facility terminates or expires without renewal. In addition, Licensee may terminate this Agreement following 60 days' written notice to Company if Licensee's client at the Facility instructs Licensee in writing to cease operating the Licensed Restaurant (provided Licensee has exercised reasonable efforts to arrange a meeting between Licensee's client and Company, if Company so elects, to discuss the continued operation of the Licensed Restaurant). If Licensee's contract to provide foodservice at the Facility permits Licensee's client to take this action on shorter notice, the notice period provided in that contract shall govern, provided Licensee has provided Company a copy of the relevant contract provision.

B. Except as otherwise provided in this Agreement, Licensee shall have 30 days after written notice of default from Company within which to remedy any default under this Agreement and provide evidence of that remedy to Company. If any such default is not cured within that time, this Agreement shall terminate without further notice to Licensee effective immediately upon expiration of that time, unless Company notifies Licensee otherwise in writing. Notwithstanding the foregoing, if the default cannot be corrected within 30 days, Licensee shall have such additional time to correct the default as reasonably required (not to exceed 90 days) provided that Licensee begins taking the actions necessary to correct the default during the 30 day cure period and diligently and in good faith pursues those actions to completion. Licensee will be in default under this Agreement for any failure to comply with any of the material requirements imposed by this Agreement, the Manual or otherwise in writing, or to carry out the terms of this Agreement in good faith.

C. Notwithstanding the provisions of preceding Section 18.B., if Licensee defaults in the payment of any monies owed to Company when such monies become due and payable and Licensee fails to pay such monies within 10 days after receiving written notice of default, then this Agreement will terminate effective immediately upon expiration of that time, unless Company notifies Licensee otherwise in writing.

D. If Company reasonably determines that a threat or danger to public health or safety is likely to result from the construction, maintenance or operation of the Licensed Restaurant, Company may immediately terminate this Agreement by providing written notice to Licensee without opportunity to cure. In the alternative, Company may, in its sole discretion, direct a temporary closure of the Licensed Restaurant until the situation can be corrected.

E. If Licensee has received two or more notices of default within the previous 12 months, Company shall be entitled to send Licensee a notice of termination upon Licensee's next default within that 12-month period, without providing Licensee an opportunity to remedy the default.

F. If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

G. Company's failure to terminate this Agreement upon the occurrence of one or more of the above events shall not constitute a waiver, or otherwise affect the right of Company to terminate this license because of any other occurrence of one or more of the aforesaid events.

16. OBLIGATIONS UPON TERMINATION

Upon termination or expiration of this Agreement, the following obligations apply:

A. Licensee's right to use the Marks and the System shall terminate. Licensee shall not thereafter identify itself as a JACK IN THE BOX Licensee, nor use any of the Marks or any mark confusingly similar thereto, nor use or disclose to others any of Company's trade secrets, operating procedures, or promotional materials. Upon termination or expiration of this franchise, Licensee will immediately return to Company all Manuals, together with all other material containing trade secrets, restaurant operating instructions or business practices of Company.

B. Licensee grants to Company, upon termination or expiration of this Agreement, the option to purchase all usable inventory of food supplies, paper goods, containers, printed menus and other materials bearing Company's trade names or Marks at Licensee's cost; and to purchase the restaurant equipment, furniture, fixtures and signs at fair market value.

C. Licensee shall, immediately upon termination or expiration of this Agreement, make such removals or changes in signs and the Premises as Company ~~may~~shall request, to distinguish the Premises from its former appearance and from any other JACK IN THE BOX restaurant. In the event Licensee fails to make such changes, Licensee hereby consents to Company entering the premises to make non-structural changes at Licensee's expense.

D. In the event of termination for any default of Licensee, any damage suffered by Company shall be a lien in favor of Company against the personal property, machinery, fixtures and equipment owned by Licensee on the Premises at the time of such default. Said lien shall be in addition to any other rights or remedies of Company that exist under statute, regulation or common law.

E. All obligations of Company and Licensee which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

17. RESTRICTIONS ON OTHER BUSINESS INTERESTS

Licensee covenants and agrees that, during the term of this Agreement and, if this Agreement is terminated prior to the end of the Initial Term, for a period of 1 year following such termination, Licensee and Operator shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation or other entity, own, maintain, operate, be employed by, engage in, advise, help, make loans to, or have any direct or indirect interest in, any foodservice operation at the Facility: whose format is similar to the format employed by the System at that time (currently, the JACK IN THE BOX System operates in a quick-service format, but Company may change that format at any time), and 20% or more of the sales of which are (or are likely to be) comprised of the kinds of products that are designated by

Company as Core Menu Items of JACK IN THE BOX® restaurants at that time. (Currently, hamburgers, certain specialty sandwiches and tacos are designated as Core Menu Items of JACK IN THE BOX restaurants, but Company may designate different or additional products as Core Menu Items at any time. This restriction shall not apply to Licensee's existing restaurant or foodservice operations, if any, which are identified in Attachment A.

Company shall have the right, in its sole discretion and without Licensee's consent, to reduce the scope of any covenant in this Section. Any covenant as so reduced shall be fully enforceable. The reduction shall be effective immediately upon receipt by Licensee of written notice thereof, and Licensee shall comply immediately with the covenant as so reduced.

Licensee shall obtain and furnish to Company an undertaking, to the same effect as the undertaking in this Section, from Licensee's Operator (if Licensee is not the Operator) and from such of the Owners.

18. MISCELLANEOUS: GENERAL CONDITIONS

5. Company and Licensee hereby waive to the fullest extent permitted by law any right to, or claim of, any punitive or exemplary damages against the other, and agree that in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT ("Agreement") is dated , , and entered into in the City of San Diego, State of California, by and between DIFFERENT RULES, LLC, a Delaware limited liability company, having its principal place of business at 9357 Spectrum Center Blvd, San Diego, California 92123, ("Company") and , whose address is ("Developer"), who agree as follows:

1. RECITALS. This Agreement is made and entered into with reference to the following facts and circumstances:

A. Company is the owner of the name Jack in the Box® and certain other service marks, trademarks, names, logos and commercial symbols which are authorized for use from time to time in connection with the *Jack in the Box* restaurants (the "Marks").

B. Company has expended time, effort and money to develop a distinctive restaurant format and operating system utilizing specialized and unique techniques, knowledge, expertise, skill and proprietary information. The restaurant format and operating system includes but is not limited to, management and operating systems and controls and uniform standards, specifications and procedures for the purchase, preparation and sale of food and beverage products and the operation of quick service restaurants, and a distinctive building design, decor and color scheme (the "System").

C. The System includes, among other things, the following elements, all of which may be deleted, changed, improved or further developed by Company from time to time: (a) know-how, specifications, methods and procedures for the content, preparation, marketing and sale of food and beverages which are described in operating manuals for *Jack in the Box* restaurants and in other written materials; (b) plans and specifications for distinctive, standardized premises and interior and exterior formats, styles, designs, decors, fixtures, equipment, layouts and signs which are described in operating manuals for *Jack in the Box* restaurants and other written materials; and (c) a public image that each *Jack in the Box* restaurant is a unit in an established quick service restaurant system and that all *Jack in the Box* restaurants are operated with high standards for product quality and service and aesthetic effect of the restaurant premises.

D. Company operates and grants franchises to operate restaurants known as *Jack in the Box* restaurants using the System and the Marks.

E. Developer recognizes the uniqueness, confidentiality and value of the System and the advantages and benefits which may be obtained by using the System and the Marks in the operation of *Jack in the Box* restaurants and desires to acquire rights to develop, and acquire franchises to operate, *Jack in the Box* restaurants.

F. Developer has submitted written information to Company to induce Company to enter into this Agreement, including, but not limited to, an Application Package, together with any material changes therein, and it is understood that Company is relying on all such information in entering into this Agreement.

G. Developer has obtained expansion approval, if Developer is an existing Jack in the Box franchisee, from Company. Developer represents and warrants that all Owners (as defined in this Section 1.H.) have executed, simultaneously with Developer's execution of this Agreement, the form of Guaranty and Assumption of Franchisee's Obligations (Attachment C). "Owner" means each person or entity that has any indirect or direct equity interest in Developer.

H. In consideration of the foregoing, and the mutual covenants contained in this Agreement, the parties now desire to enter into this Agreement upon the terms and provisions set forth below.

2. DEFINITIONS OF TERMS. As used in this Agreement, the following terms shall have the meanings defined in this Section unless a different meaning is plainly required by the context:

A. "Affiliates" shall include people, partnerships, corporations or other legal entities that directly or indirectly own or control Developer or Company, and partnerships, corporations or other legal entities that are directly or indirectly owned or controlled by Developer or Company, and all officers, directors, agents and employees of Developer or Company.

B. "Compliance Date" shall mean _____, as defined by Company.

C. "Development Rights" shall mean the right to construct a single *Jack in the Box* restaurant within the Development Area and enter into a "Franchise Agreement" (as defined below) to operate such restaurant, subject to the terms and conditions of this Agreement.

D. "Development Area" shall mean the particular site or larger area described on Exhibit A, attached hereto and incorporated herein by this reference.

E. "Developed Restaurant" shall mean the *Jack in the Box* restaurant to be developed pursuant to this Agreement.

F. "Effective Date" shall mean the date upon which Company signs this Agreement.

G. "Fast Food Restaurant" shall mean a restaurant offering prompt service from a limited menu and selling food and beverage products for consumption at or from the premises of the restaurant.

H. "Owner(s)" shall mean the owner(s) of Developer if Developer is or becomes (through an approved assignment under Section 11 below) a partnership, limited liability company or corporation, and shall include all shareholders, general or limited partners, or members of such entity.

3. GRANT OF RIGHTS.

A. In reliance upon the commitments made by Developer in this Agreement, Company grants to Developer the Development Rights, subject to the terms and conditions of this Agreement and the Franchise Agreement which must be entered into for the restaurant pursuant to Section 9 hereof. Until such time as this Agreement expires or is terminated, Company will not grant new *Jack in the Box* franchises to any person or entity other than Developer for the operation of, nor will Company open, any new *Jack in the Box* restaurant within the Development Area; however, if Company or any other franchisee already operates one or more *Jack in the Box* restaurants within the Development Area, Company shall have the right to: (i) continue to operate (and allow franchisees to operate) any such currently existing locations; (ii) grant a franchise for the operation of those restaurants to a franchisee other than Developer; or (iii) develop and open, or allow a franchisee to develop and open, an offset restaurant to replace any such existing location(s). Company also reserves the right to grant franchises for the operation of, or to itself operate restaurants, other than *Jack in the Box* restaurants, within the Development Area.

B. This Agreement is not a Franchise Agreement and does not grant to Developer any right to use the System or the Marks; any such rights will be acquired, if at all, only under and in accordance with the terms and conditions of Franchise Agreements entered into with Company.

4. TERM. Subject to the termination provisions contained in this Agreement, the term of this Agreement shall commence on the Effective Date and expire on the Compliance Date.

5. DEVELOPMENT FEE. In consideration of the rights granted herein, Developer shall pay to Company, concurrently with the signing of this Agreement, a development fee of $50,000 ("Development Fee"). The Development Fee paid by Developer to Company shall be nonrefundable and shall be deemed fully earned by Company when paid. Company will credit the Development Fee against the franchise fee under the Franchise Agreement for the Developed Restaurant.

6. OPERATOR. Developer hereby designates ("Operator") to be responsible during the term of this Agreement for supervising the development and operation of the Developed Restaurant and to act as Company's principal contact with Developer. Company may communicate with and give notice to Developer through the Operator. The Operator shall have authority to represent Developer and enter into agreements and modifications of agreements on behalf of Developer and bind Developer to such agreements and modifications.

If Developer is not an individual, the Operator shall, throughout the term of this Agreement, maintain the required percentage ownership of the Developer. Additionally, Operator shall at all times maintain the same percentage ownership interest in all Franchise Agreements to be signed hereunder, free and clear of all mortgages, pledges, liens, security interests and other encumbrances.

Developer agrees to cause the Operator to maintain actual involvement in the operations of the Developed Restaurant and to devote the best efforts of Developer to the restaurant operations and the success thereof.

7. DEVELOPMENT REQUIREMENTS.

A. Developer agrees to cause the Developed Restaurant to be open and in operation on or before the Compliance Date. In addition, Developer agrees to obtain: (i) site approval ("Site Approval"); and (ii) lease approval if the site on which the Development Restaurant is located is leased from a third party ("Lease Approval"), as detailed in Section 8, below.

[OPTIONAL: To assist Developer in meeting the obligations under this Agreement, Company has identified a site that may be appropriate for development as a Jack in the Box restaurant and Company shall make such site available to Developer and Developer shall undertake acquisition and development of such site in accordance with the provisions of the attached Addendum, which shall supplement and control the parties' duties and obligations regarding acquisition and development thereof.]

Once Site Approval, Lease Approval, and all required permits have been obtained, Developer shall diligently pursue construction of the Developed Restaurant to ensure the Developed Restaurant opens at the earliest reasonable time, but in any event on or prior to the Compliance Date.

Developer acknowledges that time is of the essence in this Agreement. Developer timely obtaining Site Approval and Lease Approval, and constructing and opening the Developed Restaurant are of material importance to Company. Failure by Developer to adhere to open the Developed Restaurant on or before the Compliance Date, shall constitute a default under this Agreement as provided in Section 16 below.

B. If the opening is delayed because of "Force Majeure" (as defined below), then for the period of the delay in opening, up to a maximum of six (6) months following the Compliance Date, the Developed Restaurant shall be deemed "open and in operation" for purposes of determining compliance with this Agreement. For the purposes of this Agreement, "Force Majeure" shall mean only acts of God, strikes, embargoes, war or riot.

C. The Developed Restaurant may be closed for up to three (3) consecutive days after having been opened, and still be deemed in operation for purposes of determining whether Developer has satisfied the obligation to open on or before the Compliance Date. A restaurant that is closed for more than three (3) consecutive days will not be deemed "in operation."

8. RESTAURANT DEVELOPMENT PROCEDURE.

A. Developer agrees to apply for and obtain Site Approval and Lease Approval from Company for the Development Restaurant, as well as to satisfy the conditions to Site Approval listed on Exhibit B, attached hereto and incorporated herein by this

reference, all of which must be accomplished before beginning the development process. Developer agrees to obtain all required Site Approval and Lease Approval in accordance with Company's then current criteria and procedures, including without limitation, submitting the then current Expansion Application and Site Acquisition Package. Such approval shall be made by Company in writing and delivered to Developer.

B. Developer shall comply with the following procedure for obtaining Site Approval:

(1) For the proposed site of the Developed Restaurant, Developer shall submit a Site Acquisition Package ("SAP") in the form specified by Company with a request for Company Site Approval.

(2) Developer acknowledges that Site Approval can be granted only by means of Company's Real Estate Site Committee ("RESC") Approval Form duly signed by an authorized representative of Company and no other approval, whether oral or written, shall be effective or binding on Company. Site Approvals are valid until the expiration or earlier termination of the Development Agreement under which the Site Approval was granted, unless a shorter period is identified by Company during the Site Approval process.

(3) Company may refuse to approve the proposed site for the Developed Restaurant if it believes the potential long term sales impact on one or more surrounding restaurants is excessive. Developer acknowledges that Developer may be required to pay for one or more trade area surveys on one or more surrounding restaurants in order to provide Company with information about potential impact.

(4) Failure to obtain Site Approval shall not extend or modify the Compliance Date, the term of this Agreement or any other provision of this Agreement.

C. If Developer leases the real property for the Developed Restaurant from a third party, Developer must use its best efforts to use Company's standard form of lease addendum. Regardless of whether Company's standard form is used, all third-party leases must include the following terms and conditions:

(1) Developer may not use the premises for the operation of any business other than a Jack in the Box restaurant.

(2) The landlord consents to Developer's use of such marks and signage as Company may reasonably require.

(3) The landlord agrees that whenever it sends any notice, lease amendment or other material document pertaining to the lease or the Premises to Developer, it will simultaneously send a copy to Company.

(4) Company has the right to enter the premises to make any modification necessary to protect its marks or to cure any default under the lease or the

Franchise Agreement, including the right to enter upon expiration to de-identify the premises if Developer fails or refuses to do so.

(5) If Developer is in default under the lease, Company will have the right to cure the default, and after cure, to assume the lease and sublease the premises for all, or any part of, the term of the lease.

(6) A Memorandum of Lease will be recorded in the appropriate recorder's office in the county in which the Developed Restaurant is located.

(7) The landlord agrees to deliver to Developer a non-disturbance agreement (i) from the current holder of any mortgage or deed of trust which is a lien on the premises, or (ii) if the landlord is the tenant under the terms of any master lease, from the lessor under such master lease. Such non-disturbance agreement shall provide that so long as Developer is not in default beyond any applicable cure periods under its lease, the lender or master lessor, as the case may be, shall not disturb Developer's use and possession of the premises upon the default by landlord under the mortgage/deed of trust or master lease, or upon termination of the master lease for any other reason.

(8) If the Developed Restaurant is located within a shopping facility or similar multi-tenant facility, the landlord shall not at any time permit or allow the tenancy or operation of any drive-through fast-food restaurant business upon any land within the shopping center and/or upon any land adjacent to the premises that is owned or controlled by that landlord.

D. Developer shall not, except at Developer's own risk, enter into any legally binding commitments with vendors or property owners until Company has given Site Approval as provided herein.

E. Developer agrees to do, or cause to be done, the following, all at its own expense:

F. Upon Developer's written request, Company will furnish standard prototypical building plans and specifications for *Jack in the Box* restaurants reflecting Company's requirements for design, decor, finishes, furnishings, furniture, layout, equipment, fixtures and signs for *Jack in the Box* restaurants as in effect from time to time. Developer must use a Company approved architect to for site-adaption, design, engineering, and permitting.

G. It shall be the responsibility of Developer to have prepared all required construction plans and specifications that comply with applicable ordinances, building codes, Federal laws, permit requirements, and lease requirements and restrictions. If alterations of any kind are required for any reason, Developer shall submit to Company an explanation of any such changes to Company's prototypical construction plans and specifications, and the Site Plan approved by Company. Such changes must be approved by Company in writing before any work is begun. Any cost, including engineering and architectural fees, incurred in obtaining Company review and approvals by the appropriate governmental authorities of the Site Plan, or other plans, specifications and layouts shall be paid by the Developer.

9. OPENING OF THE RESTAURANT. Following Site Approval by Company of the proposed restaurant location, Developer shall enter into the then current form of the Franchise Agreement used by Company to grant franchises to operate *Jack in the Box* restaurants in the state in which the specified Developed Restaurant is located ("Franchise Agreement"), and shall pay the "Franchise Fee" (as defined in the Franchise Agreement). Nothing in this Agreement shall be construed as obligating Company to enter into a Franchise Agreement with respect to any restaurant if Developer has not obtained Site Approval and Lease Approval in accordance with Section 8 and/or if

Developer is otherwise in breach of any of its obligations under this Agreement. Developer agrees not to open a *Jack in the Box* restaurant for business until all of Developer's obligations under this Agreement have been fulfilled.

10. APPROVALS. Whenever Company's approval is required under the terms of this Agreement, that approval is solely for the purpose of furthering Company's interest in obtaining adherence to Company's image and operational requirements. Developer, Franchisee, and any agents associated with either, remain solely responsible for the costs, safety, adequacy, workmanship, design, and construction of the site, any buildings on the site, and all materials used in the construction of the improvements at the site; compliance with all laws related thereto; and all other aspects of the development process.

11. NON-ASSIGNABILITY.

A. This Agreement is personal to Developer. Except as provided herein, neither Developer nor any Owner shall sell, assign or otherwise transfer this Agreement or any direct or indirect right or interest in the Development Rights granted, nor permit any such assignment or transfer to occur directly or indirectly, whether by agreement or operation of law; nor pledge, mortgage, hypothecate, give as security for an obligation, or in any manner encumber any right under this Agreement or any direct or indirect interest in Developer, without the prior written consent of Company. In no event shall any assignment relieve Developer or any Owner of any obligations to Company under this Agreement unless Company shall expressly consent to such release from liability. Any purported sale, assignment, pledge, mortgage, hypothecation or encumbrance contrary to the provisions of this Agreement shall constitute a default under this Agreement and shall for purposes of any agreements with the Company, and to the extent permitted by law, be void and of no force or effect.

B. Subject to the prior written consent of Company, Developer may assign this Agreement to a corporation, partnership or limited liability company, that is not then or thereafter to be engaged in any business other than the development and operation of *Jack in the Box* restaurants and in which Owners of Developer shall own one hundred percent (100%) of the outstanding securities. Any such assignment shall not relieve any Owner of personal liability for performance of all obligations under this Agreement. No subsequent transfer or issuance of shares in such corporate assignee shall be made without Company's prior written approval. Developer or the Operator, if Franchisee is not an individual, shall, throughout the term of this Agreement, own the percentage of the voting, capital and profits interest in outstanding securities of the corporation, partnership or limited liability interests as required by Company in writing. The Articles of Incorporation and/or By-Laws, partnership agreement or limited liability agreement, or any similar formation documents, copies of which shall be provided to Company, shall at all times reflect the restrictions contained herein, unless otherwise directed by Company; and all stock certificates, membership certificates, or other evidence of ownership shall bear on their face the following legend restricting transfer:

"Ownership of this certificate and the shares / membership interests evidenced thereby may be sold, assigned, transferred, pledged, hypothecated or otherwise alienated only under and subject to a *Jack in the Box* Development Agreement, a copy of which may be obtained from Different Rules, LLC, 9357 Spectrum Center Blvd, San Diego, California 92123."

C. At no time shall Developer be owned by more than eight (8) persons. For the purpose of determining the number of persons owning a direct or indirect interest in Developer, each individual owner of a partnership or corporation, with a direct or indirect interest in Developer, and each trustee of any trust owning a direct or indirect interest, shall be considered an Owner of Developer.

D. Any assignment of any interest in the Development Rights, including (but not limited to) assignments among Owners of Developer, shall require, among other items, (i) delivery of complete financial statements of the proposed transferee and other information satisfactory to Company; (ii) the payment by Franchisee of up to, but not exceeding, TWO THOUSAND FIVE HUNDRED DOLLARS ($2,500) to Company (other than in an assignment by the Owners to an entity which is one hundred percent (100%) owned by the original Owners before the assignment); (iii) the signing by Developer and each Owner of a general release (in form satisfactory to Company) in favor of Company, covering (without limitation) all agreements, restaurants, transactions or occurrences of any kind before the proposed assignment, whether arising out of the development relationship or otherwise, between Developer and Company; (iv) the signing of a personal guarantee by each transferee; and such other conditions as Company may require, including, but not limited to, Company's approval of the assignee's fiscal year.

E. There are no restrictions on Company's ability to assign this Agreement; and this Agreement is fully assignable by Company, and shall inure to benefit any assignee or other legal successor to the interest of Company.

12. DEATH OR INCAPACITY OF DEVELOPER. In the event of the death or incapacity of Developer, Operator or any Owner (hereinafter the "deceased"), the interest of such Developer, Operator, or Owner may be transferred to the heirs or personal representative if:

A. Such person is deemed in Company's sole discretion to fulfill its requirements for developers in effect at the time of transfer and to meet any other requirements that Company shall then be generally applying; and

B. Such person agrees in writing to assume full and unconditional liability for and to perform all of the terms and conditions of this Agreement to the same extent as the deceased.

If such person is not so approved, the deceased's estate or personal representative shall use its best efforts to assign the deceased's interest in this Agreement to a person acceptable to Company within six (6) months after the date of death or incapacity of the deceased. If the deceased's interest is not conveyed to a party

acceptable to Company within said six (6) months, such failure to assign shall be deemed a default hereunder and Company may, at its option, terminate this Agreement upon ten (10) days' written notice to the estate or personal representative and any remaining Owners. In the event of termination, Company shall not be obligated to refund any fees paid to it hereunder.

As used herein "incapacity" means suffering from a physical or mental impairment, or a combination of both, rendering such Developer, Operator, or Owner unable substantially to perform all of their responsibilities in connection with this Agreement which is verified by a medical authority acceptable to Company and appears reasonably certain to continue for at least one (1) year without material improvement.

13. COMPLIANCE WITH LAW. Developer shall secure and maintain in good force in its name all required licenses, permits and certificates relating to the development, construction and operation of a *Jack in the Box* restaurant. Developer shall conduct the business of development, construction and operation of the Developed Restaurant in full compliance with all applicable laws, ordinances and regulations.

14. INDEPENDENT CONTRACTORS. Nothing in this Agreement shall be construed as creating a fiduciary relationship between the parties or making the parties partners, joint venturers or employees of the other, or to make either party liable for any of the debts or obligations of the other party, and Developer shall in no way be considered as an agent, employee or representative of Company in any dealings which Developer may have with third parties, and Developer shall not act for or make any representations on behalf of Company and shall have no power to contract on behalf of Company. Company shall have no liability for any excise, property or other taxes levied by any governmental tax authority upon Developer or *Jack in the Box* restaurants.

15. INDEMNIFICATION / INSURANCE.

A. Developer agrees to indemnify, defend, and hold Company harmless against, and to reimburse Company for, any and all losses, liabilities, damages (actual or consequential) and taxes, and all costs and expenses of defending any claim brought or tax levied against Company in any judicial, administrative or arbitration proceeding (including, without limitation, accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses), which Company may suffer, sustain or incur directly or indirectly out of or by reason of, arising from or in connection with, the ownership, development or operation of *Jack in the Box* restaurants, except for damages arising directly out of Developer's proper use of Company's standards, specifications or procedures under circumstances such that Developer could not have anticipated that they would give rise to liability. Company agrees to give Developer prompt notice of any such claim made against Company and to offer Developer a reasonable opportunity to assume the defense thereof. The indemnities and assumptions of liabilities and obligations herein shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

B. Developer agrees to obtain and maintain insurance as follows:

(1) during the construction of the restaurant, policy(ies) of Builders' Risk Insurance for the full replacement cost of all real and personal property to be constructed. In addition, Developer will cause each contractor and subcontractor performing work to maintain the following insurance: (i) commercial general liability insurance in an amount not less than $5,000,000 combined single limit per occurrence and aggregate, written on a "per occurrence" policy form, covering bodily injury, property damage and personal injury, (ii) workers' compensation insurance as required by law and employer's liability insurance with a limit not less than $1,000,000, and such other insurance as may be required by the state or locality in which the Developed Restaurant will operate, and (iii) business automobile liability insurance, including owned, leased, non-owned and hired automobile coverage with a limit not less than $1,000,000 per accident. Company and its affiliates, and any other parties as Company may request, shall be named as "additional insureds" on all insurance required by this section (other than workers' compensation insurance), regardless of whether such insurance is provided by Developer and/or by any of its contractors and/or subcontractors.

(2) on or before signing of any Franchise Agreements, such insurance coverages as are required under the *Jack in the Box* Franchise Agreements.

C. All insurance policies required in Section 15.B. (1) and (2) above shall name Company and its affiliates, and any other parties as Company may request, as "additional insureds." Company may update or modify the insurance requirements in the Manuals or may otherwise change or modify insurance requirements in writing by Company, at its sole discretion.

D. Developer's performance of its obligations to maintain insurance shall not relieve Developer of liability under the indemnity provision hereinabove.

E. Throughout the term of this Agreement, Developer shall deliver to Company certificates of insurance acceptable to Company (and a copy of the Developer's insurance policy(ies) if requested by Company) evidencing its compliance with this Section 15.

16. <u>DEFAULT; REMEDIES</u>.

A. Time is of the essence with respect to all of Developer's obligations under this Agreement. Except as otherwise provided by law, developer shall be in default under this Agreement if Developer breaches or otherwise fails to perform any of its obligations under this Agreement, including, without limitation, items (1) through (8) set forth below, and fails to cure such breach or failure within the period specified below, and if no time is specified, then within thirty (30) days after receipt of written notice. Without prejudice to any other rights or remedies that Company may have under this Agreement, at law or in equity, in the event Developer defaults, then Company shall have the right to immediately terminate this Agreement and all Development Rights granted hereunder, in which event Company shall have the unrestricted right to operate or license persons or entities other

than Developer to develop and to operate one or more *Jack in the Box* restaurants within the Development Area. Company shall retain the Development Fee.

(1) Developer fails to open the Developed Restaurant on or before the Compliance Date.

(2) Developer fails to obtain Site Approval or Lease Approval before the commencement of construction of the Developed Restaurant.

(3) Without Company's prior written consent, Developer assigns, transfers or otherwise disposes of, or attempts to assign, transfer, encumber, or otherwise dispose of this Agreement in whole or in part.

(4) Developer's commencing a voluntary case or otherwise seeking any type of relief under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law, or the entry of a decree or order for relief in respect of Developer by a court having jurisdiction in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law; all without dismissal within ninety (90) days from filing. This Agreement shall terminate upon this occurrence without notification to Developer as if that date were the expiration date, and Developer expressly waives all rights under the provisions of the Bankruptcy Rules and consents to the immediate termination of this Agreement. Developer agrees not to seek an Injunctive Order from any court in any jurisdiction relating to insolvency, reorganization or arrangement proceedings which would have the effect of staying or enjoining this provision.

(5) Developer shall fail to obtain or renew licenses or permits necessary for the performance of Developer's obligations under this Agreement.

(6) Developer shall fail to comply with any other terms, provisions or conditions of this Agreement, or any Franchise Agreements signed pursuant to the terms of this Agreement.

(7) Any *Jack in the Box* Franchise Agreement(s) under which Developer is an Owner or Operator are terminated.

(8) Developer is delinquent in excess of sixty (60) days in the payment of any amount due under any Franchise Agreement with Company, or is otherwise in default under any other agreement, lease, promissory note or account with Company.

B. The termination of this Agreement and the Development Rights:

(1) Shall not affect or diminish the binding force or effect of any provision of this Agreement which expressly or by implication shall come into force or continue in force after termination; and

(2) Shall not release Developer from obligations to pay any sums owed under this Agreement or to pay any franchise fees, royalties or other sums owed to

Company under Franchise Agreements or other agreements, leases, notes or accounts; and

(3) Shall not in and of itself alone terminate any Franchise Agreement between Company and Developer for the operation of Jack in the Box restaurants.

C. The rights of Company hereunder are cumulative and no exercise or enforcement by Company of any right or remedy hereunder shall preclude the exercise or enforcement by Company of any other right or remedy hereunder or which Company is entitled by law to enforce. If Developer is in default under this Agreement beyond any applicable cure period, in addition to all other rights and remedies available to Company as a result of such default, including, without limitation, the right collect damages relating to such default, Company shall also be entitled to injunctive relief without posting a bond.

17. COSTS AND ATTORNEYS' FEES. If a claim for amounts owed by Developer to Company is asserted in any proceeding before a court of competent jurisdiction or arbiter, or if Company or Developer is required to enforce this Agreement in a judicial or arbitration proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses including reasonable accounting and legal fees.

18. INTERPRETATION. The Exhibits, Introduction, Definitions and Preambles to this Agreement are a part of this Agreement, which constitutes the entire Agreement of the parties (all prior representations, negotiations and agreements being merged into this Agreement), and there are no other oral or written understandings or agreements between Company and Developer relating to the subject matter of this Agreement. The headings of the several Sections and Paragraphs are for convenience only and do not define, limit or construe the contents of such Sections or Paragraphs. Words of any gender used in this Agreement shall include any other gender, and words in the singular shall include the plural, where the context requires. This Agreement may be signed in duplicate counterparts, each of which shall be deemed an original.

19. WAIVER OF OBLIGATIONS. Company and Developer shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the right to demand compliance with every term, condition and covenant herein, or to declare any breach thereof to be a default and to terminate this Agreement before the expiration of its term) by virtue of: (i) any custom or practice of the parties at variance with the terms hereof; (ii) any failure, refusal or neglect of Company or Developer to exercise any right under this Agreement or to insist upon compliance by the other with its obligations hereunder, including, without limitation, compliance by Developer with any specification, standard or operating procedure; any waiver, forbearance, delay, failure or omission by Company to exercise any right or option, whether of the same, similar or different natures, with respect to one or more other developers, franchisees or licensees of *Jack in the Box* restaurants; or (iii) the acceptance by Company of any payments from Developer after any breach of this Agreement. The rights or remedies set forth in this Agreement are in addition to any other rights or remedies which may be granted by law.

20. SEVERABILITY. Company and Developer agree that if any of the provisions of this Agreement may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable, such provision shall have the meaning which renders it valid and enforceable. The language of all provisions of this Agreement shall be construed according to its fair meaning and not strictly against Company or Developer. If any provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid or unenforceable, Company and Developer shall negotiate to amend this Agreement to provide substantially the same obligations and benefits for each as originally provided. If the parties are unable to agree on such an amendment, either may terminate this Agreement upon written notice to the other.

21. BROKER. Developer warrants that Developer has not appointed and does not contemplate appointing any broker, agent or other person who would be entitled to a fee or commission upon the signing of this Agreement. Developer agrees to hold Company safe and harmless from any fee or commission claimed by any person purporting to act for or on Developer's behalf. Nothing in this Agreement shall be construed as prohibiting either party from employing attorneys, accountants or patent or trademark agents to advise and carry out professional services on its behalf.

22. TRADEMARKS. Developer acknowledges Company's absolute right to the Marks (registered and unregistered) and disclaims any right or interest therein or to the goodwill attaching thereto. Developer agrees that any rights, privileges and benefits, legal or otherwise, resulting from the use of any of the Marks or other Company names, slogans and symbols shall inure to Company only.

Neither Developer nor any company controlled by Developer shall at any time during the term of this Agreement or thereafter use any of the Marks except as authorized in writing by Company nor shall Developer or any company controlled by Developer at any time question, deny or dispute the validity, right, title or interest of Company in and to the Marks or any of Company's registrations thereof. Except as may be expressly authorized by Company, Developer shall not incorporate or form or cause to be incorporated or formed any company or unincorporated body of persons with a name which includes any reference to any of the Marks or the name Company or any variations or abbreviations or any words confusingly similar.

Some of the Marks have been registered in the United States Patent and Trademark Office; however, Company makes no express or implied warranty with respect to the validity of any of the Marks. Developer acknowledges Developer's understanding that Developer will be conducting business pursuant to Franchise Agreements entered into with Company, using some Company Marks which have not been registered and that registration may not be granted for the unregistered Marks and that some of the Marks may be subject to use by third parties unauthorized by Company.

Developer shall immediately notify Company of any infringements or imitations of the Marks or the System, or of any challenges to Developer's use of any of the Marks or the System. Company shall have the sole discretion, at its expense, to take such action

as it deems appropriate to prevent unauthorized persons from using the Marks. If requested by Company, Developer agrees to join and assist Company in any action relating to the right to use or the validity of the Marks, and Company agrees to indemnify Developer for reasonable costs and expenses necessarily incurred in assisting Company in such action. Developer shall not institute any legal action or other kind of proceeding based upon the trademarks which Developer is licensed to use under this Agreement without the prior written approval of Company.

23. NOTICES. In reliance upon the commitments made by Developer in this Agreement, Company grants to Developer the Development Rights, subject to the terms and conditions of this Agreement and the Franchise Agreement which must be entered into for the restaurant pursuant to Section 9 hereof. Until such time as this Agreement expires or is terminated, Company will not grant new *Jack in the Box* franchises to any person or entity other than Developer for the operation of, nor will Company open, any new *Jack in the Box* restaurant within the Development Area; however, if Company or any other franchisee already operates one or more *Jack in the Box* restaurants within the Development Area, Company shall have the right to: (i) continue to operate (and allow franchisees to operate) any such currently existing locations; (ii) grant a franchise for the operation of those restaurants to a franchisee other than Developer; or (iii) develop and open, or allow a franchisee to develop and open, an offset restaurant to replace any such existing location(s). <***Developer is not granted any exclusive area***-OPTIONAL>.

[IF NON-EXCLUSIVE, DELETE SECTION 3.A AND REPLACE WITH: In reliance upon the commitments made by Developer in this Agreement, Company grants to Developer the Development Rights, subject to the terms and conditions of this Agreement and the Franchise Agreement which must be entered into for the restaurant pursuant to Section 9 hereof. Developer is not granted any exclusive area.]

B. This Agreement is not a Franchise Agreement and does not grant to Developer any right to use the System or the Marks; any such rights will be acquired, if at all, only under and in accordance with the terms and conditions of Franchise Agreements entered into with Company.

4. TERM. Subject to the termination provisions contained in this Agreement, the term of this Agreement shall commence on the Effective Date and expire on the last Compliance Date listed on Exhibit A.

5. DEVELOPMENT FEE. In consideration of the rights granted herein, Developer shall pay to Company, concurrently with the signing of this Agreement, a development fee as set forth in Exhibit A ("Development Fee"). The Development Fee paid by Developer to Company shall be nonrefundable and shall be deemed fully earned by Company when paid. Company will credit the applicable pro-rated portion of the Development Fee against the franchise fee due under each Franchise Agreement for the Developed Restaurant(s).

6. OPERATOR. Developer hereby designates ("Operator") to be responsible during the term of this Agreement for supervising the development and operation of the Developed Restaurants and to act as Company's principal contact with Developer. Company may communicate with and give notice to Developer through the Operator. The Operator shall have authority to represent Developer and enter into agreements and modifications of agreements on behalf of Developer and bind Developer to such agreements and modifications.

If Developer is not an individual, the Operator shall, throughout the term of this Agreement, maintain the required percentage ownership of Developer. Additionally, Operator shall at all times maintain the same percentage ownership interest in all Franchise Agreements to be signed hereunder, free and clear of all mortgages, pledges, liens, security interests and other encumbrances.

Developer agrees to cause the Operator to maintain actual involvement in the operations of the Developed Restaurants and to devote the best efforts of Developer to the restaurant operations and the success thereof.

7. DEVELOPMENT REQUIREMENTS.

A. Developer agrees to cause the Developed Restaurants to be open and in operation on or before the applicable Compliance Dates. In addition, Developer agrees to obtain: (i) expansion approval, if Developer is an existing Jack in the Box franchisee ("Expansion Approval"); (ii) site approval ("Site Approval"); and (iii) lease approval if the site on which a Development Restaurant is located is leased from a third party ("Lease Approval"), as detailed in Section 8, below.

[OPTIONAL: To assist Developer in meeting the obligations under this Agreement, Company has identified a site that may be appropriate for development as a Jack in the Box restaurant and Company shall make such site available to Developer and Developer shall undertake acquisition and development of such site in accordance with the provisions of the attached Addendum, which shall

supplement and control the parties' duties and obligations regarding acquisition and development thereof.]

Once Expansion Approval, Site Approval, Lease Approval, and all required permits have been obtained, Developer shall diligently pursue construction of each of the Developed Restaurants to ensure the Developed Restaurants open at the earliest reasonable time, but in any event on or prior to the applicable Compliance Date.

Developer acknowledges that time is of the essence in this Agreement. Developer timely obtaining Expansion Approval, Site Approval and Lease Approval, and constructing and opening the Developed Restaurants are of material importance to Company. Failure by Developer to adhere to open the Developed Restaurants on or before the Compliance Dates, shall constitute a default under this Agreement as provided in Section 16 below.

B. If any opening is delayed because of "Force Majeure" (as defined below), then for the period of the delay in opening, up to a maximum of six (6) months following the applicable Compliance Date, the Developed Restaurant shall be deemed "open and in operation" for purposes of determining compliance with this Agreement. For the purposes of this Agreement, "Force Majeure" shall mean only acts of God, strikes, embargoes, war or riot.

C. The Developed Restaurants may be closed for up to three (3) consecutive days after having been opened, and still be deemed in operation for purposes of determining whether Developer has satisfied the obligation to open on or before the applicable Compliance Date. A restaurant that is closed for more than three (3) consecutive days will not be deemed "in operation."

8. RESTAURANT DEVELOPMENT PROCEDURE.

A. Developer agrees to apply for and obtain Expansion Approval, Site Approval and Lease Approval from Company for the Development Restaurants, as well as to satisfy any conditions to Site Approval established by Company, all of which must be accomplished before beginning the development process. Developer agrees to obtain all required Expansion Approval, Site Approval and Lease Approval in accordance with Company's then current criteria and procedures, including without limitation, submitting the then current Expansion Application and Site Acquisition Package. Such approval shall be made by Company in writing and delivered to Developer.

B. Developer shall comply with the following procedure for obtaining Expansion Approval:

(1) Before submitting a Site Acquisition Package or otherwise beginning the development of any restaurant hereunder, Developer shall apply in writing for

Expansion Approval. Company will evaluate whether Developer has met Company's then-current criteria and inform Developer in writing whether or not Developer has Expansion Approval. Company reserves the right to change its expansion criteria from time to time.

(2) Failure to maintain Expansion Approval standards shall be grounds for withdrawing an Expansion Approval at any time before Developer makes a binding commitment for the acquisition of a restaurant site, provided such site has received written Site Approval as specified below. Any refusal or withdrawal of Expansion Approval shall not extend or modify the obligations of Developer set forth in the Development Requirements, the Compliance Dates, or any other provision of this Agreement.

C. Developer shall comply with the following procedure for obtaining Site Approval:

(1) For the proposed site of any Developed Restaurants, Developer shall submit a Site Acquisition Package ("SAP") in the form specified by Company with a request for Company Site Approval.

(2) Developer acknowledges that Site Approval can be granted only by means of Company's Real Estate Site Committee ("RESC") Approval Form duly signed by an authorized representative of Company and no other approval, whether oral or written, shall be effective or binding on Company. Site Approvals are valid until the expiration or earlier termination of the Development Agreement under which the Site Approval was granted, unless a shorter period is identified by Company during the Site Approval process.

(3) Company may refuse to approve a proposed site for a Developed Restaurant if it believes the potential long term sales impact on one or more surrounding restaurants is excessive. Developer acknowledges that Developer may be required to pay for one or more trade area surveys on one or more surrounding restaurants in order to provide Company with information about potential impact.

(4) Failure to obtain Site Approval shall not extend or modify the Compliance Dates, the term of this Agreement or any other provision of this Agreement.

D. If Developer leases the real property for any Developed Restaurant from a third party, Developer must use its best efforts to use Company's standard form of lease addendum. Regardless of whether Company's standard form is used, all third-party leases must include the following terms and conditions:

(1) Developer may not use the premises for the operation of any business other than a Jack in the Box restaurant.

(2) The landlord consents to Developer's use of such marks and signage as Company may reasonably require.

(3) The landlord agrees that whenever it sends any notice, lease amendment or other material document pertaining to the lease or the Premises to Developer, it will simultaneously send a copy to Company.

(4) Company has the right to enter the premises to make any modification necessary to protect its marks or to cure any default under the lease or the Franchise Agreement, including the right to enter upon expiration to de-identify the premises if Developer fails or refuses to do so.

(5) If Developer is in default under the lease, Company will have the right to cure the default, and after cure, to assume the lease and sublease the premises for all, or any part of, the term of the lease.

(6) A Memorandum of Lease will be recorded in the appropriate recorder's office in the county in which the Developed Restaurant is located.

(7) The landlord agrees to deliver to Developer a non-disturbance agreement (i) from the current holder of any mortgage or deed of trust which is a lien on the premises, or (ii) if the landlord is the tenant under the terms of any master lease, from the lessor under such master lease. Such non-disturbance agreement shall provide that so long as Developer is not in default beyond any applicable cure periods under its lease, the lender or master lessor, as the case may be, shall not disturb Developer's use and possession of the premises upon the default by landlord under the mortgage/deed of trust or master lease, or upon termination of the master lease for any other reason.

(8) If the Developed Restaurant is located within a shopping facility or similar multi-tenant facility, the landlord shall not at any time permit or allow the tenancy or operation of any drive-through fast-food restaurant business upon any land within the shopping center and/or upon any land adjacent to the premises that is owned or controlled by that landlord.

E. Developer shall not, except at Developer's own risk, enter into any legally binding commitments with vendors or property owners until Company has given Site Approval as provided herein.

F. Developer agrees to do, or cause to be done, the following, all at its own expense:

(1) Obtain the right to use the site to construct, maintain and operate *Jack in the Box* restaurants;

(2) Secure all financing required to fully develop the restaurants;

(3) Prepare and submit required Site Acquisition Package for Company approval to secure JIB Site #;

(4) Use Company approved architect to complete site-adapted project design work (related to Company provided prototypical plans);

(5) Obtain Company approvals for project plans according to Company site plan submission, review, and approval procedures;

(6) Obtain all required building, utility, sign, health, sanitation, and business permits and licenses and any other required permits and licenses;

(7) Purchase and/or lease and install all required equipment, furniture, furnishings and signs required by Company

(8) Install only Company approved finishes and décor in accordance with prototypical plans and specifications;

(9) Purchase an opening inventory of food and other supplies and materials; and

(10) Prior to, and as a condition to final sign off by Company, Developer shall provide to Company complete and accurate development cost detail with respect to each Developed Restaurant, in a format and including such information as Company may require, including, without limitation, (i) land costs (purchase price or annual leasing costs), (ii) architectural and engineering fees and costs, as well as any other fees and costs incurred for other professional advisors or consultants, (iii) fees associated with all governmental approvals and permits, (iv) construction costs, including cost of materials and any fees and costs charged by any general contractors, subcontractors, other direct contractors, kitchen equipment consolidators, sign vendors, lighting and other equipment vendors, and (v) any costs associated with the purchase and set up of small wares at the Developed Restaurant.

G. Upon Developer's written request, Company will furnish standard prototypical building plans and specifications for *Jack in the Box* restaurants reflecting Company's requirements for design, decor, finishes, furnishings, furniture, layout, equipment, fixtures and signs for *Jack in the Box* restaurants as in effect from time to time. Developer must use a Company approved architect to for site-adaption, design, engineering, and permitting.

H. For each of the Developed Restaurants, it shall be the responsibility of Developer to have prepared all required construction plans and specifications that comply

with applicable ordinances, building codes, Federal laws, permit requirements, and lease requirements and restrictions. If alterations of any kind are required for any reason, Developer shall submit to Company an explanation of any such changes to Company's prototypical construction plans and specifications, and the Site Plan approved by Company. Such changes must be approved by Company in writing in accordance with Company site plan submission, review, and approval procedures, but before any work is begun. Any cost, including engineering and architectural fees, incurred in obtaining Company review and approvals by the appropriate governmental authorities of the Site Plan, or other plans, specifications and layouts shall be paid by the Developer.

9. OPENING OF THE RESTAURANT. Following Site Approval by Company of any proposed restaurant location, Developer shall enter into the then current form of the Jack in the Box Franchise Agreement used by Company to grant franchises to operate *Jack in the Box* restaurants in the state in which the specified Developed Restaurant is located ("Franchise Agreement"), and shall pay the "Franchise Fee" (as defined in the Franchise Agreement). Nothing in this Agreement shall be construed as obligating Company to enter into a Franchise Agreement with respect to any restaurant if Developer has not obtained Expansion Approval, Site Approval and Lease Approval in accordance with Section 8 and/or if Developer is otherwise in breach of any of its obligations under this Agreement. Developer agrees not to open a *Jack in the Box* restaurant for business until all of Developer's obligations under this Agreement have been fulfilled.

10. APPROVALS. Whenever Company's approval is required under the terms of this Agreement, that approval is solely for the purpose of furthering Company's interest in obtaining adherence to Company's image and operational requirements. Developer, Franchisee, and any agents associated with either, remain solely responsible for the costs, safety, adequacy, workmanship, design, and construction of the site, any buildings on the site, and all materials used in the construction of the improvements at the site; compliance with all laws related thereto; and all other aspects of the development process.

11. NON-ASSIGNABILITY.

This Agreement is personal to Developer. Except as provided herein, neither Developer nor any Owner shall sell, assign or otherwise transfer this Agreement or any direct or indirect right or interest in the Development Rights granted, nor permit any such assignment or transfer to occur directly or indirectly, whether by agreement or operation of law; nor pledge, mortgage, hypothecate, give as security for an obligation, or in any manner encumber any right under this Agreement or any direct or indirect interest in Developer, without the prior written consent of Company. In no event shall any assignment relieve Developer or any Owner of any obligations to Company under this Agreement unless Company shall expressly consent to such release from liability. Any purported sale, assignment, pledge, mortgage, hypothecation or encumbrance contrary to the provisions of this Agreement shall constitute a default under this

Agreement and shall for purposes of any agreements with the Company, and to the extent permitted by law, be void and of no force or effect.

A. Subject to the prior written consent of Company, Developer may assign this Agreement to a corporation, partnership or limited liability company, that is not then or thereafter to be engaged in any business other than the development and operation of *Jack in the Box* restaurants and in which Owners of Developer shall own one hundred percent (100%) of the outstanding securities. Any such assignment shall not relieve any Owner of personal liability for performance of all obligations under this Agreement. No subsequent transfer or issuance of shares in such corporate assignee shall be made without Company's prior written approval. Developer or the Operator, if Franchisee is not an individual, shall, throughout the term of this Agreement, own the percentage of the voting, capital and profits interest in outstanding securities of the corporation, partnership or limited liability interests as required by Company in writing. The Articles of Incorporation and/or By-Laws, partnership agreement or limited liability agreement, or any similar formation documents, copies of which shall be provided to Company, shall at all times reflect the restrictions contained herein, unless otherwise directed by Company; and all stock certificates, membership certificates, or other evidence of ownership shall bear on their face the following legend restricting transfer:

"Ownership of this certificate and the shares / membership interests evidenced thereby may be sold, assigned, transferred, pledged, hypothecated or otherwise alienated only under and subject to a *Jack in the Box* Development Agreement, a copy of which may be obtained from Different Rules, LLC, 9357 Spectrum Center Blvd, San Diego, California 92123."

B. At no time shall Developer be owned by more than eight (8) persons. For the purpose of determining the number of persons owning a direct or indirect interest in Developer, each individual owner of a partnership or corporation, with a direct or indirect interest in Developer, and each trustee of any trust owning a direct or indirect interest, shall be considered an Owner of Developer.

C. Any assignment of any interest in the Development Rights, including (but not limited to) assignments among Owners of Developer, shall require, among other items, (i) delivery of complete financial statements of the proposed transferee and other information satisfactory to Company; (ii) the payment by Franchisee of up to, but not exceeding, TWO THOUSAND FIVE HUNDRED DOLLARS ($2,500) to Company (other than in an assignment by the Owners to an entity which is one hundred percent (100%) owned by the original Owners before the assignment); (iii) the signing by Developer and each Owner of a general release (in form satisfactory to Company) in favor of Company, covering (without limitation) all agreements, restaurants, transactions or occurrences of any kind before the proposed assignment, whether arising out of the development relationship or otherwise, between Developer and Company; (iv) the signing of a personal

guarantee by each transferee; and such other conditions as Company may require, including, but not limited to, Company's approval of the assignee's fiscal year.

D. There are no restrictions on Company's ability to assign this Agreement; and this Agreement is fully assignable by Company, and shall inure to benefit any assignee or other legal successor to the interest of Company.

12. DEATH OR INCAPACITY OF DEVELOPER. In the event of the death or incapacity of Developer, Operator or any Owner (hereinafter the "deceased"), the interest of such Developer, Operator, or Owner may be transferred to the heirs or personal representative if:

A. Such person is deemed in Company's sole discretion to fulfill its requirements for developers in effect at the time of transfer and to meet any other requirements that Company shall then be generally applying; and

B. Such person agrees in writing to assume full and unconditional liability for and to perform all of the terms and conditions of this Agreement to the same extent as the deceased.

If such person is not so approved, the deceased's estate or personal representative shall use its best efforts to assign the deceased's interest in this Agreement to a person acceptable to Company within six (6) months after the date of death or incapacity of the deceased. If the deceased's interest is not conveyed to a party acceptable to Company within said six (6) months, such failure to assign shall be deemed a default hereunder and Company may, at its option, terminate this Agreement upon ten (10) days' written notice to the estate or personal representative and any remaining Owners. In the event of termination, Company shall not be obligated to refund any fees paid to it hereunder.

As used herein "incapacity" means suffering from a physical or mental impairment, or a combination of both, rendering such Developer, Operator, or Owner unable substantially to perform all of their responsibilities in connection with this Agreement which is verified by a medical authority acceptable to Company and appears reasonably certain to continue for at least one (1) year without material improvement.

13. COMPLIANCE WITH LAW. Developer shall secure and maintain in good force in its name all required licenses, permits and certificates relating to the development, construction and operation of *Jack in the Box* restaurants. Developer shall conduct the business of development, construction and operation of the Developed Restaurants in full compliance with all applicable laws, ordinances and regulations.

14. INDEPENDENT CONTRACTORS. Nothing in this Agreement shall be construed as creating a fiduciary relationship between the parties or making the parties partners,

joint venturers or employees of the other, or to make either party liable for any of the debts or obligations of the other party, and Developer shall in no way be considered as an agent, employee or representative of Company in any dealings which Developer may have with third parties, and Developer shall not act for or make any representations on behalf of Company and shall have no power to contract on behalf of Company. Company shall have no liability for any excise, property or other taxes levied by any governmental tax authority upon Developer or *Jack in the Box* restaurants.

15. INDEMNIFICATION / INSURANCE.

A. Developer agrees to indemnify, defend, and hold Company harmless against, and to reimburse Company for, any and all losses, liabilities, damages (actual or consequential) and taxes, and all costs and expenses of defending any claim brought or tax levied against Company in any judicial, administrative or arbitration proceeding (including, without limitation, accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses), which Company may suffer, sustain or incur directly or indirectly out of or by reason of, arising from or in connection with, the ownership, development or operation of *Jack in the Box* restaurants, except for damages arising directly out of Developer's proper use of Company's standards, specifications or procedures under circumstances such that Developer could not have anticipated that they would give rise to liability. Company agrees to give Developer prompt notice of any such claim made against Company and to offer Developer a reasonable opportunity to assume the defense thereof. The indemnities and assumptions of liabilities and obligations herein shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

B. Developer agrees to obtain and maintain insurance as follows:

(1) during the construction of the restaurants, policy(ies) of Builders' Risk Insurance for the full replacement cost of all real and personal property to be constructed. In addition, Developer will cause each contractor and subcontractor performing work to maintain the following insurance: (i) commercial general liability insurance in an amount not less than $5,000,000 combined single limit per occurrence and aggregate, written on a "per occurrence" policy form, covering bodily injury, property damage and personal injury, (ii) workers' compensation insurance as required by law and employer's liability insurance with a limit not less than $1,000,000, and such other insurance as may be required by the state or locality in which the Developed Restaurant will operate, and (iii) business automobile liability insurance, including owned, leased, non-owned and hired automobile coverage with a limit not less than $1,000,000 per accident. Company and its affiliates, and any other parties as Company may request, shall be named as “additional insureds” on all insurance required by this section (other than workers' compensation insurance), regardless of whether such insurance is provided by Developer and/or by any of its contractors and/or subcontractors.

(2) on or before signing of any Franchise Agreements, such insurance coverages as are required under the *Jack in the Box* Franchise Agreements.

C. All insurance policies required in Section 15.B. (1) and (2) above shall name Company and its affiliates, and any other parties as Company may request, as "additional insureds." Company may update or modify the insurance requirements in the Manuals or may otherwise change or modify insurance requirements in writing by Company, at its sole discretion.

D. Developer's performance of its obligations to maintain insurance shall not relieve Developer of liability under the indemnity provision hereinabove.

E. Throughout the term of this Agreement, Developer shall deliver to Company certificates of insurance acceptable to Company (and a copy of the Developer's insurance policy(ies) if requested by Company) evidencing its compliance with this Section 15.

16. DEFAULT; REMEDIES.

A. Time is of the essence with respect to all of Developer's obligations under this Agreement. Except as otherwise provided by law, developer shall be in default under this Agreement if Developer breaches or otherwise fails to perform any of its obligations under this Agreement, including, without limitation, items (1) through (8) set forth below, and fails to cure such breach or failure within the period specified below, and if no time is specified, then within thirty (30) days after receipt of written notice. Without prejudice to any other rights or remedies that Company may have under this Agreement, at law or in equity, in the event Developer defaults, then Company shall have the right to immediately terminate this Agreement and all Development Rights granted hereunder, in which event Company shall have the unrestricted right to operate or license persons or entities other than Developer to develop and to operate one or more *Jack in the Box* restaurants within the Development Area. Company shall retain the Development Fee.

(1) Developer fails to open the Developed Restaurants on or before the Compliance Dates.

(2) Developer fails to obtain Expansion Approval, Site Approval or Lease Approval before the commencement of construction of any Developed Restaurants.

(3) Without Company's prior written consent, Developer assigns, transfers or otherwise disposes of, or attempts to assign, transfer, encumber, or otherwise dispose of this Agreement in whole or in part.

(4) Developer's commencing a voluntary case or otherwise seeking any type of relief under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law, or the entry of a decree or order for relief in respect of

Developer by a court having jurisdiction in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law; all without dismissal within ninety (90) days from filing. This Agreement shall terminate upon this occurrence without notification to Developer as if that date were the expiration date, and Developer expressly waives all rights under the provisions of the Bankruptcy Rules and consents to the immediate termination of this Agreement. Developer agrees not to seek an Injunctive Order from any court in any jurisdiction relating to insolvency, reorganization or arrangement proceedings which would have the effect of staying or enjoining this provision.

(5) Developer shall fail to obtain or renew licenses or permits necessary for the performance of Developer's obligations under this Agreement.

(6) Developer shall fail to comply with any other terms, provisions or conditions of this Agreement, or any Franchise Agreements signed pursuant to the terms of this Agreement.

(7) Any *Jack in the Box* Franchise Agreement(s) under which Developer is an Owner or Operator are terminated.

(8) Developer is delinquent in excess of sixty (60) days in the payment of any amount due under any Franchise Agreement with Company, or is otherwise in default under any other agreement, lease, promissory note or account with Company.

B. The termination of this Agreement and the Development Rights:

(1) Shall not affect or diminish the binding force or effect of any provision of this Agreement which expressly or by implication shall come into force or continue in force after termination; and

(2) Shall not release Developer from obligations to pay any sums owed under this Agreement or to pay any franchise fees, royalties or other sums owed to Company under Franchise Agreements or other agreements, leases, notes or accounts; and

(3) Shall not in and of itself alone terminate any Franchise Agreement between Company and Developer for the operation of Jack in the Box restaurants.

C. The rights of Company hereunder are cumulative and no exercise or enforcement by Company of any right or remedy hereunder shall preclude the exercise or enforcement by Company of any other right or remedy hereunder or which Company is entitled by law to enforce. If Developer is in default under this Agreement beyond any applicable cure period, in addition to all other rights and remedies available to Company

as a result of such default, including, without limitation, the right collect damages relating to such default, Company shall also be entitled to injunctive relief without posting a bond.

17. COSTS AND ATTORNEYS' FEES. If a claim for amounts owed by Developer to Company is asserted in any proceeding before a court of competent jurisdiction or arbiter, or if Company or Developer is required to enforce this Agreement in a judicial or arbitration proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses including reasonable accounting and legal fees.

18. INTERPRETATION. The Exhibits, Introduction, Definitions and Preambles to this Agreement are a part of this Agreement, which constitutes the entire Agreement of the parties (all prior representations, negotiations and agreements being merged into this Agreement), and there are no other oral or written understandings or agreements between Company and Developer relating to the subject matter of this Agreement. The headings of the several Sections and Paragraphs are for convenience only and do not define, limit or construe the contents of such Sections or Paragraphs. Words of any gender used in this Agreement shall include any other gender, and words in the singular shall include the plural, where the context requires. This Agreement may be signed in duplicate counterparts, each of which shall be deemed an original.

19. WAIVER OF OBLIGATIONS. Company and Developer shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the right to demand compliance with every term, condition and covenant herein, or to declare any breach thereof to be a default and to terminate this Agreement before the expiration of its term) by virtue of: (i) any custom or practice of the parties at variance with the terms hereof; (ii) any failure, refusal or neglect of Company or Developer to exercise any right under this Agreement or to insist upon compliance by the other with its obligations hereunder, including, without limitation, compliance by Developer with any specification, standard or operating procedure; any waiver, forbearance, delay, failure or omission by Company to exercise any right or option, whether of the same, similar or different natures, with respect to one or more other developers, franchisees or licensees of *Jack in the Box* restaurants; or (iii) the acceptance by Company of any payments from Developer after any breach of this Agreement. The rights or remedies set forth in this Agreement are in addition to any other rights or remedies which may be granted by law.

20. SEVERABILITY. Company and Developer agree that if any of the provisions of this Agreement may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable, such provision shall have the meaning which renders it valid and enforceable. The language of all provisions of this Agreement shall be construed according to its fair meaning and not strictly against Company or Developer. If any provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid or unenforceable, Company and Developer shall negotiate to amend this Agreement to provide substantially the same obligations and benefits for each as originally provided. If

the parties are unable to agree on such an amendment, either may terminate this Agreement upon written notice to the other.

21. BROKER. Developer warrants that Developer has not appointed and does not contemplate appointing any broker, agent or other person who would be entitled to a fee or commission upon the signing of this Agreement. Developer agrees to hold Company safe and harmless from any fee or commission claimed by any person purporting to act for or on Developer's behalf. Nothing in this Agreement shall be construed as prohibiting either party from employing attorneys, accountants or patent or trademark agents to advise and carry out professional services on its behalf.

22. TRADEMARKS. Developer acknowledges Company's absolute right to the Marks (registered and unregistered) and disclaims any right or interest therein or to the goodwill attaching thereto. Developer agrees that any rights, privileges and benefits, legal or otherwise, resulting from the use of any of the Marks or other Company names, slogans and symbols shall inure to Company only.

Neither Developer nor any company controlled by Developer shall at any time during the term of this Agreement or thereafter use any of the Marks except as authorized in writing by Company nor shall Developer or any company controlled by Developer at any time question, deny or dispute the validity, right, title or interest of Company in and to the Marks or any of Company's registrations thereof. Except as may be expressly authorized by Company, Developer shall not incorporate or form or cause to be incorporated or formed any company or unincorporated body of persons with a name which includes any reference to any of the Marks or the name Company or any variations or abbreviations or any words confusingly similar.

Some of the Marks have been registered in the United States Patent and Trademark Office; however, Company makes no express or implied warranty with respect to the validity of any of the Marks. Developer acknowledges Developer's understanding that Developer will be conducting business pursuant to Franchise Agreements entered into with Company, using some Company Marks which have not been registered and that registration may not be granted for the unregistered Marks and that some of the Marks may be subject to use by third parties unauthorized by Company.

Developer shall immediately notify Company of any infringements or imitations of the Marks or the System, or of any challenges to Developer's use of any of the Marks or the System. Company shall have the sole discretion, at its expense, to take such action as it deems appropriate to prevent unauthorized persons from using the Marks. If requested by Company, Developer agrees to join and assist Company in any action relating to the right to use or the validity of the Marks, and Company agrees to indemnify Developer for reasonable costs and expenses necessarily incurred in assisting Company in such action. Developer shall not institute any legal action or other kind of

proceeding based upon the trademarks which Developer is licensed to use under this Agreement without the prior written approval of Company.

23. NOTICES. ADDENDUM TO DEVELOPMENT AGREEMENT – Development Incentives

This Addendum ("Addendum") is incorporated into that certain Development Agreement, dated _____ ("Agreement"), by and between Different Rules, LLC, a Delaware limited liability company (hereinafter "Company"), and _____ (collectively, "Developer"). Except as expressly provided in this Addendum, all terms used in this Addendum shall have the meanings established for those terms in the main body of the Agreement. In the event of any conflict between the terms and provisions of this Addendum and the Agreement, the terms and provisions of this Addendum shall prevail.

1. For each of the Developed Restaurants, Developer will be offered one of the following incentive~~:~~ options.

OPTION A: If the Developed Restaurant is opened as a *Jack in the Box* restaurant on or before the applicable Compliance Date, and otherwise in compliance with the terms and provisions hereof: Company or one of its affiliates will make an interest free loan to Developer in the amount of $150,000.00 pursuant to the terms of promissory note in the form attached to this Exhibit D, and incorporated herein by this reference ("Note"), which shall provide, among other things, that: (i) the principal amount due under the Note will be repaid through a credit equal to 100% of the Royalties that would otherwise have been due and payable based upon Gross Sales at the Developed Restaurant until such time as the Note is paid in full; and (ii) the entire remaining principal balance of the Note shall be due and payable upon the sale or closure of the Developed Restaurant.

OPTION B / SELECT MARKET INCENTIVE: Company has created a Select Market Incentive program to encourage expansion of the Jack in the Box® franchised system. Developer committed to open at least three (3) new restaurants in a market that has been determined by Company, in Company's sole discretion, to meet criteria for under penetrated markets that may have operational and other costs that are higher than average for other franchisees ("Select Market"). Company may in its sole discretion modify the determination of such Select Markets at any time. Company has determined that the Restaurants are eligible for the Select Market Incentive. If the program criteria are satisfied, the Franchise Agreement for each Developed Restaurant will be modified to provide that, for Gross Sales at the Franchised Restaurant for the period beginning [DATE OF FRANCHISE AGREEMENT], and continuing until [YEAR 5], the Royalty payable under the Agreement shall be equal to 2% of Gross Sales; and for Gross Sales at the Franchised Restaurant for the period beginning [YEAR 5], and continuing for the remainder of the term of the Franchise Agreement, the Royalty payable under the Agreement shall be equal to 5% of Gross Sales.

Development Incentive Promissory Note

$150,000.00 Date: _____

San Diego, California
JIB Site No. _____

PROMISSORY NOTE

FOR VALUE RECEIVED, the undersigned, _____ and _____, INC., a _____ corporation (collectively "Borrower"), hereby jointly and severally promise to pay without notice or demand, or order to _____ a _____, ("Lender"), at 9357 Spectrum Center Blvd, San Diego, California 92123, or to Lender at such other place as Lender may from time to time designate in writing to Borrower, the principal sum of $150,000.00, without interest except as noted below. Borrower acknowledges that this Note is being executed and delivered for business purposes, in connection with the development of the restaurant business referenced above ("Restaurant").

The principal amount due under this Note will be repaid through a credit by Lender equal to 100% of the Royalties that would otherwise have been due and payable by Borrower in accordance with the Franchise Agreement between Borrower and Lender for the Restaurant ("Franchise Agreement"), based upon "Gross Sales" (as defined in the Franchise Agreement) at the Restaurant, until such time as this Note is paid in full.

Borrower reserves the right at any time to prepay all or a portion of the amount due under this Promissory Note (the "Note") without penalty.

In the event any payment hereunder is not paid when due, Lender's actual damages would be impracticable or extremely difficult to determine and the following is a reasonable estimate of Lender's actual damages under such circumstances. In the event of a default in payment hereunder:

(i) Borrower agrees to pay to Lender, without notice or demand, as liquidated damages, five percent (5%) of the total amount of each payment due hereunder, which is not paid by the date upon which it is due, and

(ii) In addition to any other remedies available to Lender at law or in equity, and to the maximum extent permitted by law, if this note shall not be paid in full on or before the Due Date, any amounts remaining outstanding shall thereafter accrue interest at a default rate of 12% until paid in full.

Each payment hereunder shall be applied in the following order (a) to liquidated damages due to the date such payment is received, (b) to accrued but unpaid interest as of the date such payment is received, and (c) the balance to be applied to principal.

All amounts to be paid hereon shall be made without deduction, set off or counterclaim.

It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply with applicable law governing the maximum rate or amount of interest payable on or in connection with this Note. If the applicable law is ever judicially interpreted so as to render usurious any amount called for under this Note or contracted for, charged, taken, reserved or received with respect to this Note, or if acceleration of the maturity of this Note or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by law, then it is Borrower's and Lender's express intent that all excess amounts theretofore collected by Lender be credited on the principal balance of this Note (or, if this Note has been or would thereby be paid full, refunded to Borrower), and the provisions of this Note immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Any right to accelerate maturity of this Note does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of the indebtedness evidenced hereby shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the applicable usury ceiling.

Notwithstanding any other provision contained herein, in the event of a sale, assignment or other transfer by the undersigned, with or without the consent of Lender, and whether voluntary, involuntary or by operation of law, of the Franchise Agreement or that certain Lease Agreement between the parties hereto, or with Lender's affiliate or parent, and pertaining to the Restaurant ("Franchise Lease Agreement"), or if Borrower fails to pay any sum due under this Note, or fails to perform any of the terms, covenants or conditions of this Note, or otherwise defaults in the performance of its obligations hereunder, under the Franchise Agreement or Franchise Lease Agreement, or under any other document, instrument, note, or other agreement among the parties hereto, then, in addition to any other rights and remedies available to Lender, Lender may declare the entire unpaid principal balance of this Note, with all interest thereon, together with all other indebtedness owing from the undersigned to Lender represented or arising from any agreement or account between Lender and Borrower, to be immediately due and payable, without notice or demand.

The failure of Lender to exercise any option or any right to which Lender may be entitled shall not constitute a waiver of the right to exercise the option or any right in the event of any subsequent default.

If any action or proceeding arising out of this Note shall be commenced by either Lender or Borrower against the other, the prevailing party shall be entitled to recover from the losing party such amount as the court may adjudge to be reasonable costs and attorneys' fees for the services rendered to the party finally prevailing in such action or proceeding.

Notices from Lender to Borrower shall be deemed given if addressed to Borrower at _____ (or such other address as Borrower may designate in writing to Lender), and deposited in the United States Mails postage prepaid and certified. Lender or any holder hereof may rely on the foregoing address, as the same may be changed pursuant to the foregoing, as being the address of the undersigned last known to the holder thereof. The date that any notice is so deposited in the United States Mails shall be deemed to be the date that notice is given.

This Note is to be construed and enforced according to and governed by, the laws of the State of California.

This Note may not be changed or terminated orally, but only by an agreement in writing properly signed by the parties against whom such change or termination is sought.

Except as expressly provided in this Addendum, all terms used in this Addendum shall have the meanings established for those terms in the main body of the Agreement. In the event of any conflict between the terms and provisions of this Addendum and the Agreement, the terms and provisions of this Addendum shall prevail.

A. 2. Among other items, the ____ Underlying Lease will contain a number of contingencies for the benefit of Company. Company is in the process of satisfying such contingencies in the ____ Underlying Lease. Company shall continue to diligently pursue satisfaction and(or) waiver of all such contingencies; provided, however, that Company shall have the right at any time, in its sole and absolute discretion, to terminate the ____ Underlying Lease if Company determines that any contingency will not be satisfied in a timely manner and that such action is necessary to protect its rights or otherwise prevent Company from being bound under the ____ Underlying Lease. PROMISSORY NOTE – DEVELOPMENT INCENTIVE PROGRAM

[$150,000.00]

Date: _____
San Diego, California
JIB Site No. _____

PROMISSORY NOTE

FOR VALUE RECEIVED, the undersigned, _____ and _____, INC., a _____ corporation (collectively "Borrower"), hereby jointly and severally promise to pay without notice or demand or order, to _____, a _____, ("Lender"), at 9357 Spectrum Center Blvd, San Diego, California 92123, or to Lender at such other place as Lender may from time to time designate in writing to Borrower, the principal sum of [$150,000.00], without interest except as noted below. Borrower acknowledges that this Note is being executed and delivered for business purposes, in connection with the development of the restaurant business referenced above ("Restaurant").

The principal amount due under this Note will be repaid through a credit by Lender equal to 100% of the Royalties that would otherwise have been due and payable by Borrower in accordance with the Franchise Agreement between Borrower and Lender for the Restaurant ("Franchise Agreement"), based upon "Gross Sales" (as defined in the Franchise Agreement) at the Restaurant, until such time as this Note is paid in full.

Borrower reserves the right at any time to prepay all or a portion of the amount due under this Promissory Note (the "Note") without penalty.

In the event any payment hereunder is not paid when due, Lender's actual damages would be impracticable or extremely difficult to determine and the following is a reasonable estimate of Lender's actual damages under such circumstances. In the event of a default in payment hereunder:

(i) Borrower agrees to pay to Lender, without notice or demand, as liquidated damages, five percent (5%) of the total amount of each payment due hereunder, which is not paid by the date upon which it is due, and

(ii) In addition to any other remedies available to Lender at law or in equity, and to the maximum extent permitted by law, if this note shall not be paid in full on or before the Due Date, any amounts remaining outstanding shall thereafter accrue interest at a default rate of 12% until paid in full.

Each payment hereunder shall be applied in the following order (a) to liquidated damages due to the date such payment is received, (b) to accrued but unpaid interest as of the date such payment is received, and (c) the balance to be applied to principal.

All amounts to be paid hereon shall be made without deduction, set off or counterclaim.

It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply with applicable law governing the maximum rate or amount of interest payable on or in connection with this Note. If the applicable law is ever judicially interpreted so as to render usurious any amount called for under this Note or contracted

for, charged, taken, reserved or received with respect to this Note, or if acceleration of the maturity of this Note or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by law, then it is Borrower's and Lender's express intent that all excess amounts theretofore collected by Lender be credited on the principal balance of this Note (or, if this Note has been or would thereby be paid full, refunded to Borrower), and the provisions of this Note immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Any right to accelerate maturity of this Note does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of the indebtedness evidenced hereby shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the applicable usury ceiling.

Notwithstanding any other provision contained herein, in the event of a sale, assignment or other transfer by the undersigned, with or without the consent of Lender, and whether voluntary, involuntary or by operation of law, of the Franchise Agreement or that certain Lease Agreement between the parties hereto, or with Lender's affiliate or parent, and pertaining to the Restaurant ("Franchise Lease Agreement"), or if Borrower fails to pay any sum due under this Note, or fails to perform any of the terms, covenants or conditions of this Note, or otherwise defaults in the performance of its obligations hereunder, under the Franchise Agreement or Franchise Lease Agreement, or under any other document, instrument, note, or other agreement among the parties hereto, then, in addition to any other rights and remedies available to Lender, Lender may declare the entire unpaid principal balance of this Note, with all interest thereon, together with all other indebtedness owing from the undersigned to Lender represented or arising from any agreement or account between Lender and Borrower, to be immediately due and payable, without notice or demand.

The failure of Lender to exercise any option or any right to which Lender may be entitled shall not constitute a waiver of the right to exercise the option or any right in the event of any subsequent default.

If any action or proceeding arising out of this Note shall be commenced by either Lender or Borrower against the other, the prevailing party shall be entitled to recover from the losing party such amount as the court may adjudge to be reasonable costs and attorneys' fees for the services rendered to the party finally prevailing in such action or proceeding.

Notices from Lender to Borrower shall be deemed given if addressed to Borrower at _____ (or such other address as Borrower may designate in writing to Lender), and deposited in the United States Mails postage prepaid and certified. Lender or any holder hereof may rely on the foregoing address, as the same

may be changed pursuant to the foregoing, as being the address of the undersigned last known to the holder thereof. The date that any notice is so deposited in the United States Mails shall be deemed to be the date that notice is given.

This Note is to be construed and enforced according to and governed by, the laws of the State of California.

This Note may not be changed or terminated orally, but only by an agreement in writing properly signed by the parties against whom such change or termination is sought.

In addition to the Fixed Minimum Rent, throughout the term of this Lease, Tenant covenants and agrees to pay to Landlord an amount ("Percentage Rent") equal to percent (%) of the Gross Sales at the Premises for each calendar month or portion thereof during such term, LESS the amount paid by Tenant as Fixed Minimum Rent during such month.

(2) Method of Calculation

(3) Audits

Landlord shall, at all reasonable times during the term of this Lease, have the right to audit, at its own expense, the financial records and books of account of Tenant. Gross Sales shall not include the amount of any sales tax imposed by any federal, state or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or specifically absorbed therein, and actually paid by Tenant to such governmental authority. Each charge or sale upon installment or credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when Tenant shall receive payment (whether full or partial) therefore, and without allowance for the collectability thereof. In addition, Landlord may, from time to time, permit or allow certain other items to be excluded from Gross Sales. In order to be effective, any such permission or allowance must be granted by Landlord in writing, and any such permission or allowance may be revoked or withdrawn at the discretion of Landlord at any time. The granting by Landlord of any such permission or allowance shall be applicable only to the items expressly specified in writing, and shall not constitute a waiver by Landlord of its right thereafter to require strict compliance with the terms hereof.

[ALTERNATIVE RENT PARAGRAPH #2 – TO BE USED FOR BUILD TO SUIT ARRANGEMENTS

3. RENT

Tenant covenants and agrees to pay to Landlord "Fixed Minimum Rent" (as defined below) in accordance with the Rent Addendum attached hereto and incorporated herein by this reference.

A. Fixed Minimum Rent

Fixed Minimum Rent for any partial month during the term of this Lease shall be appropriately prorated. If the Commencement Date shall fall on a day other than the first day of a calendar month, then Tenant shall pay to Landlord, on or before the Commencement Date, a prorated portion of the Fixed Minimum Rent.

B. Percentage Rent

(1) Amount

In addition to the Fixed Minimum Rent, throughout the term of this Lease, Tenant covenants and agrees to pay to Landlord an amount ("Percentage Rent") equal to percent (%) of the Gross Sales at the Premises for each calendar month or portion thereof during such term, LESS the amount paid by Tenant as Fixed Minimum Rent during such month. [Note, Percentage Rent for these type of transactions will be 9.5% for sale/leaseback transactions OR 10.5% for ground lease transactions]

(2) Method of Calculation

(a) Within ten (10) days after the end of each calendar month during the term of this Lease, Tenant shall deliver to Landlord (i) a statement in writing, in a form approved by Landlord, of the Gross Sales for such calendar month, and (ii) payment of the Percentage Rent for such calendar month.

(b) In the event that this Lease shall terminate on a date which is other than the end of a calendar month, Tenant's statement of Gross Sales and payment of Percentage Rent for such partial month pursuant to Section 3B(2)(a), above, shall be delivered to Landlord within ten (10) days after such termination date.

(3) Audits

Landlord shall, at all reasonable times during the term of this Lease, have the right to audit, at its own expense, the financial records and books of account of Tenant. In the event that any such audit discloses that reported Gross Sales are less than actual Gross Sales, Tenant shall pay to Landlord, within ten (10) days of written demand therefore, the resulting difference in Percentage Rent, together with interest thereon at the Default Interest Rate, pursuant to Section 3E, below. In the event such audit discloses that reported Gross Sales are less than actual Gross Sales by an amount which exceeds one percent (1%), Tenant shall reimburse Landlord for all costs of the audit, including travel, lodging and wages, which are reasonably incurred by Landlord in connection with such audit.

(4) Gross Sales

The term "Gross Sales" as used in this Lease shall mean all revenues derived, directly or indirectly, from all business conducted upon, from or in connection with the Premises, whether such revenues be evidenced by check, cash, cash equivalent (gift certificates/stored value cards), credit, charge account, exchange or

otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares and merchandise, including sales of food, beverages, tangible property of every kind and nature, promotional or otherwise, and for services performed at the Premises, together with the amount of all orders taken or received or fulfilled at the Premises. Gross Sales shall not include sales of merchandise for which cash has been refunded, or allowances made on merchandise claimed to be defective or unsatisfactory, provided that such returned or exchanged merchandise shall have been previously included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or specifically absorbed therein, and actually paid by Tenant to such governmental authority. Each charge or sale upon installment or credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when Tenant shall receive payment (whether full or partial) therefore, and without allowance for the collectability thereof. In addition, Landlord may, from time to time, permit or allow certain other items to be excluded from Gross Sales. In order to be effective, any such permission or allowance must be granted by Landlord in writing, and any such permission or allowance may be revoked or withdrawn at the discretion of Landlord at any time. The granting by Landlord of any such permission or allowance shall be applicable only to the items expressly specified in writing, and shall not constitute a waiver by Landlord of its right thereafter to require strict compliance with the terms hereof.

C. Additional Rent

All monetary obligations of Tenant under this Lease, including, without limitation payments for taxes and assessments, insurance, and repairs, will be considered Additional Rent for purposes of this Lease, and the word "Rent" as used in this Lease will include all such Additional Rent, unless the context specifically or clearly implies that only Fixed Minimum Rent is intended.

D. No Rent Abatement or Offset

Except as and to the extent expressly provided in this Lease, damage to or destruction of any portion or all of the buildings, structures and fixtures upon the Premises by fire, the elements or any other cause, whether with or without fault on the part of Tenant, shall not terminate this Lease or entitle Tenant to surrender the Premises or entitle Tenant to any abatement of or reduction in the Rent payable hereunder, or otherwise affect Tenant's obligations hereunder, any present or future law to the contrary notwithstanding. To the extent permitted by law, Tenant hereby waives the benefit of all rights, statutory or otherwise and whether now or hereafter in existence, to suspend the payment of Rent or offset against Rent any

costs of maintenance or repair of the Premises, or any other moneys allegedly due from, or alleged obligations of, Landlord, it being the intent of Landlord and Tenant that the provisions of this Lease shall operate to the exclusion of any such rights.

E. Interest on Past Due Rent and Other Sums

Any and all Rent hereunder and other sums that may be and become due and owing from Tenant to Landlord hereunder shall bear interest from the respective due dates thereof at the highest rate of interest permitted by law in the state in which the Premises are located, and if there is no maximum rate permitted by law, then at a per annum rate which is the higher of (a) twenty percent (20%) or (b) the prime commercial interest rate announced from time to time by Bank of America, N.T.& S.A., plus two percent (2%). The interest rate specified in this Section 3E is referred to hereinafter as the "Default Interest Rate."

F. MANNER OF PAYMENT

Tenant agrees to make all payments of Rent under this Lease to Landlord at the following address:

JACK IN THE BOX PROPERTIES, LLC [or relevant landlord]
9357 Spectrum Center Blvd
San Diego, CA 92123-1516
Attention: Cash Management
Site No.

Landlord may change its address for purposes of Rent payment from time to time by notice to Tenant. Tenant shall clearly designate (by an inscription on the rent check, or otherwise), as to each Rent payment, the Site Number for which such payment is being made. Landlord's Internal Revenue Service identifying number is ~~[95-2698708 for Jack in the Box Inc. OR 36-4917787 for Jack in the Box Properties, LLC]~~95-2698708.

4. USE OF PREMISES

Tenant shall use and occupy the Premises solely for the operation of a Franchised Restaurant in strict conformance to the standards set forth by Landlord which constitute its JACK IN THE BOX restaurant System. Tenant acknowledges that the Premises and improvements and certain fixtures and equipment thereon have been specially designed and are intended for use as a Franchised Restaurant. Tenant agrees to occupy the Premises continuously during the term of this Lease and agrees not to vacate the same. If Tenant vacates the Premises during the term of this Lease in breach hereof, Landlord shall have the right, in addition to the other rights and remedies available to Landlord upon a default by Tenant, to enter the Premises for the purpose of continuing the operation of the restaurant; remitting to Tenant only such amount that exceeds: (1) Tenant's monthly obligations for Fixed Minimum Rent and Percentage Rent, plus an additional two percent (2%) of monthly Gross Sales as overhead, and (2) all of the

operating costs Landlord may incur, and (3) any other monetary obligations owing by Tenant to Landlord pursuant to any other agreement between Landlord and Tenant.

5. CONDITION AND ACCEPTANCE OF PREMISES

Tenant acknowledges that Tenant has inspected the Premises and all improvements, signs, fixtures, plumbing, wiring, utility facilities and hook ups, lighting, heating and cooling systems, equipment, furnishings, appurtenances and other personal property (collectively, "Business Facilities") presently on or at the Premises, and has found all of them and the Premises to be in a safe, satisfactory and completed condition. Tenant accepts the Premises and the Business Facilities upon the Commencement Date in their then "AS IS" condition without any warranty by Landlord at any time, express or implied, as to their condition or fitness for any use or purpose. Tenant acknowledges that Landlord has made, and will make as of the Commencement Date, no representations or warranties as to the condition of the Premises or any of the Business Facilities, or their fitness for any particular purpose or use, either express or implied, and all such representations and warranties are hereby expressly waived by Tenant. Tenant expressly agrees that Landlord shall not be liable to Tenant for any costs, fees, losses, or damages incurred by Tenant or any damages to the Premises or any of the Business Facilities due to any patent or latent defect in the Premises or any of the Business Facilities whether arising out of any original design or construction of the Premises or the Business Facilities or otherwise. This Lease creates a landlord/tenant relationship only between the parties and no other agency, partnership or other relationship between the parties shall be created hereby, and Tenant assumes the risk of and sole responsibility for and hereby agrees to indemnify and hold harmless Landlord from any and all claims, changes, demands, actions, losses, liabilities, costs or expenses of any kind whatsoever (including, without limitation, attorneys' fees and costs), for injuries, death, loss and damage of any kind or character to person or property, by whomsoever suffered or asserted, resulting from or arising out of the condition or use of the Premises and Business Facilities, including but not limited to, the defective design or construction thereof, whether due to any latent or patent defect, or the carelessness or negligence of Tenant, during the term of this Lease or any renewal or extension thereof, except, however, when Tenant shall have given Landlord written notice of the existence of a condition for the repair of which Landlord may be responsible under the Lease (if applicable) and shall have taken all reasonable precautions to prevent the occurrence of any injuries, death, loss and damage attributable solely and directly to such defective condition. Tenant acknowledges that Tenant has had the opportunity to seek the advice of counsel as to this Lease in general and specifically as to the waivers contained in this Article 5.

6. TAXES

Beginning with the Commencement Date and throughout the term of this Lease, Tenant shall pay (and shall furnish to Landlord evidence satisfactory to Landlord of such payment), at least ten (10) days prior to delinquency, all taxes and assessments which may be levied upon or assessed against those lands comprising the Premises hereunder, and all taxes or assessments levied upon or assessed against the improvements situated

thereon, together with all taxes levied upon or assessed against the personal property located in or on the Premises, whether installed and paid for by Landlord, by Tenant, or by any other person or entity, to the end that Landlord shall not be required to pay any taxes or assessments whatsoever which may, during the term of this Lease, be assessed against or in respect of, or become a lien upon, said lands, improvements or personal property. The foregoing obligation shall include (a) any taxes occasioned by any reassessment of the Premises including such reassessments which may occur as the result of a transfer by Landlord of all or any part of its interest in the Premises; and (b) any tax which is levied or assessed against Landlord or Tenant, whether the same be called a rent tax, occupancy tax, excise tax, sales tax or otherwise. In the event that Tenant does not furnish to Landlord, at least ten (10) days prior to delinquency, evidence satisfactory to Landlord of payment of any tax required to be paid by Tenant hereunder, Landlord shall have the right (but not the obligation) to pay the same. Tenant shall reimburse Landlord, immediately upon demand as Additional Rent hereunder, for any such taxes which Landlord thus elects to pay or is required to pay and such payment and/or reimbursement shall not be excluded from Gross Sales provided, however, that any taxes or assessments which may be levied or assessed for a period beginning before the Commencement Date or ending after the termination hereof shall be prorated between Landlord and Tenant as of such date or dates. Tenant shall not be obligated to pay any federal or state income tax which may be levied or become due by reason of the rents and profits received by Landlord as a result of this Lease.

7. UTILITIES

Tenant agrees to pay all charges for water, gas, electricity, sewer charges, trash removal, driveway fees (if applicable) and other utilities and services used on, at or in connection with the Premises, as such charges become due.

8. SUBLETTING AND ASSIGNMENT

Tenant shall have no right to assign or sublet the Premises or any portion thereof nor to pledge, mortgage, hypothecate or encumber in any manner without advance written consent of Landlord, which consent shall be in the sole discretion of Landlord. In no event shall any assignment or subletting relieve Tenant of its obligations to Landlord under this Lease, regardless of Landlord's consent thereto. Any purported assignment or subletting, pledge, mortgage, hypothecation or encumbrance without the advance written consent of Landlord shall be void and of no force or effect.

9. INSURANCE AND INDEMNITY

A. Waiver of Claims; Indemnity

Tenant hereby agrees that it shall be solely responsible for all losses, damages and contractual and statutory liabilities to third persons arising out of or in connection with the possession, ownership or operation of the Premises, and for all claims or demands for damages to property, or for injury, illness or death of persons directly or indirectly resulting therefrom; and Tenant hereby waives all claims against Landlord and

its affiliates and agrees to defend, indemnify and hold harmless Landlord and its affiliates from all such losses, damages, liabilities, claims and demands, as well as any and all costs, expenses and attorneys' fees directly or indirectly resulting therefrom, unless resulting from the gross negligence or willful misconduct of Landlord. If any such claims are asserted against Landlord or its affiliates, Landlord shall notify Tenant, and Tenant may assume the defense of such claims. If Tenant fails to assume the defense, then Landlord may defend in such manner as it deems appropriate. Tenant shall reimburse Landlord for all costs, including attorneys' fees, incurred by Landlord or its affiliates in effecting such defense, in addition to any sum which Landlord or its affiliates may incur by reason of any settlement, award, or judgment. Landlord's right to indemnification hereunder shall exist notwithstanding that joint or concurrent liability may be imposed on Landlord by law.

B. Insurance

During the term of this Agreement, Tenant shall obtain and maintain in full force and effect, at his own expense, such insurance coverage as may be required of Franchisees by Landlord. Such requirements may be specified in any Franchise Agreement between Company and Tenant or otherwise provided to Tenant in writing by Company. Prior to the Commencement Date and thereafter, as requested by Company, throughout the term of this Agreement, Tenant shall furnish Company with evidence satisfactory to Company of such insurance coverages in effect in the form of Certificates of Insurance and any insurance policy endorsements required by Company, and a copy of the Franchisee's insurance policy(ies), if requested by Company. Renewal Certificates of Insurance shall be delivered to Company no later than thirty (30) days prior to the expiration date of all policies. All deductible amounts on all insurance policies required hereunder shall be disclosed in writing to and shall be subject to approval by Company and noted on the applicable Certificate of Insurance. The insurance requirements, including, but not limited to, coverages and policy limits, may be increased or modified from time to time by Company at its sole discretion. Requirements as of the date hereof are:

(1) Commercial General Liability insurance, including Products Liability coverage, and Broad Form Contractual Liability coverage, written on a “per occurrence” policy form in an amount of not less than $5,000,000 combined single limit per occurrence and aggregate. Such coverage must not contain an exclusion for occurrences arising from food borne illness and must insure the contractual liability of Tenant under Section 9A of this Lease.

(2) Business Automobile Liability insurance including “owned, leased, non-owned and hired automobile” coverage with a limit of not less than $1,000,000 per accident.

(3) Workers’ Compensation insurance as required by law and Employer’s Liability insurance with a limit not less than $1,000,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated.

(4) "All Risk" property insurance covering; (a) the building including tenant improvements, furniture, fixtures, equipment, inventory and other tangible property of the Franchised Restaurant, including plate glass coverage, on a full one hundred percent (100%) repair or replacement value basis, (b) Business Interruption/ Business Income insurance (at least one (1) year of actual loss sustained), including Extra Expense insurance, so as to re-establish normal business operations, and (c) loss of rents insurance covering a minimum of twelve (12) months fixed minimum rent.

All insurance policies required hereunder of the Franchisee: (a) shall be primary and non-contributory; (b) shall be issued by an insurance company(ies) with a rating of not less than "A-VIII" in the current A.M. Best Insurance Rating Guide or approved by Company; (c) shall name Company as a loss payee on the property insurance described in subparagraph 9.B.(4) above, and all other policies shall name Company and its affiliates, and any other parties as Company may request, including, without limitation, Jack in the Box Inc., in its capacity as the Manager on behalf of Company, as "additional insureds" and shall contain an "Additional Insured-Designated Person or Organization" endorsement (or its equivalent), except workers' compensation insurance only, without any qualifying language; (d) shall provide that the insurance cannot be canceled, materially changed, or non-renewed, except upon thirty (30) days advance written notice to Company; and (e) shall contain a waiver of subrogation rights of the insurer(s) against Company, which waiver shall be effective regardless of whether any loss is caused by the act, omission or negligence of Company, and shall contain a "Waiver of Transfer Rights of Recovery Against Others" endorsement (or its equivalent).

10. REPAIR AND REPLACEMENT OF BUILDINGS

If the building and the plate glass on the Premises shall be damaged by fire or any other occurrence, Tenant shall promptly notify Landlord and Landlord will, within a reasonable time from the date of the damage or destruction, repair or replace the building in accordance with Landlord's then current design standards in effect at the time of the repair or replacement (subject to any changes in applicable codes and to Landlord's ability to obtain all necessary permits and approvals in connection with such repair and replacement) so that Tenant may continue in occupancy. All damage to plate glass shall be Tenant's sole responsibility. Landlord's obligation to rebuild or restore the building shall, however, be only to the extent of insurance proceeds recovered from the insurance required to be provided by Tenant and available to Landlord. In the event that such proceeds are not adequate for such repair or replacement, Tenant shall deliver to Landlord, in cash, the full amount of the deficiency, within thirty (30) days after delivery by Landlord to Tenant of a statement of the amount of such deficiency. In the event that Tenant fails to make payment of any such deficiency within such period, Landlord may, in its sole discretion, terminate this Lease by written notice to Tenant. Rent required to be paid pursuant to this Lease shall not abate during any period that Tenant is unable to occupy the building or the Premises. If the building cannot be replaced or repaired within a reasonable time due to the inability of Landlord to obtain necessary permits or to obtain materials and labor needed therefore, or because of strikes, acts of God or governmental or other applicable restrictions that would prohibit, limit or delay the construction, then the time for completion of the repair or replacement shall be extended accordingly. However,

in any event, if the repair or replacement of the building has not been commenced within a period of one (1) year from date of the damage or destruction, Tenant or Landlord may, at their option, terminate this Lease by written notice to the other. In the event of any damage or destruction occurring during the last five (5) years of the term of this Lease to the extent of fifty percent (50%) or more of the insurable value of the building, Landlord may, by notice to Tenant within forty (40) days after the occurrence of the damage or destruction, in lieu of repairing or replacing said building, elect to terminate this Lease as of the date of the damage or destruction.

Tenant hereby expressly waives and releases any and all claims against Landlord for damages or other relief as a result of any failure of Landlord to rebuild or restore the building in accordance with the provisions of this Section 10. Tenant understands and agrees that Tenant's sole remedy for any such failure shall be to elect to terminate this Lease. In the event the building and other improvements are not repaired, restored or replaced, for any reason, all proceeds of the fire and extended coverage insurance applicable to the building and other permanent improvements and other property of Landlord shall be paid and given to Landlord. Tenant shall execute and deliver any release or other document that Landlord may request in order to obtain the release or control of said proceeds. All proceeds of the fire and extended coverage insurance which are specifically designated by the insurer as being for the equipment and personal property of Tenant shall be paid and given to Tenant.

11. MAINTENANCE, REPAIR AND SURRENDER

Except to the extent of Landlord's obligations (if applicable) under Section 10 (REPAIR AND REPLACEMENT OF BUILDINGS) and Section 15 (EMINENT DOMAIN), Tenant shall, at its expense, (a) keep the entire Premises, Business Facilities on or about the Premises and all utility lines and facilities on or connected to the Premises at all times in good repair, order and condition; (b) replace all broken, damaged or missing fixtures, equipment, personal property, appurtenances and utility lines and facilities and (c) upon the termination of this Lease, whether by lapse of time or otherwise, surrender the Premises in good repair, order and condition, ordinary wear and tear excepted. Upon request by Landlord, Tenant shall remove all signs and other identifying features from the Premises. Tenant's obligation to make repairs to the Premises and Business Facilities shall include all repairs, whether ordinary or extraordinary, including, but not limited to, structural repairs to the building’s foundation, floors, walls and roof.

12. OWNERSHIP AND REMOVAL OF PROPERTY

All buildings and improvements and all plumbing, heating, lighting, electrical and air conditioning fixtures and equipment and all other articles of property which are the property of Landlord immediately prior to the Commencement Date are and shall remain a part of the real estate and shall be considered to be leased hereunder, saving and excepting only such personal property and trade fixtures as may be purchased by Tenant as evidenced by a written purchase agreement or bill of sale.

Any additions, replacements, alterations or remodeling of improvements on or about the Premises or other property leased hereunder shall immediately become the property of Landlord and shall not be removed by Tenant at the termination of this Lease by lapse of time or otherwise. At or prior to the termination of this Lease, whether by lapse of time or otherwise, Tenant shall remove from the Premises all of its personal property and trade fixtures and any such additions, replacements, alterations or remodeled improvements which Landlord shall require to be removed, and shall repair any damage to the Premises which may have been caused or occasioned by such removal.

13. ALTERATIONS

Tenant shall not make any change in, alteration of, or addition to any part of the Premises or improvements, fixtures or equipment therein, or remove any item or portion of the Premises or any such improvements, fixtures or equipment, without, in each instance, obtaining the prior written consent of Landlord. In any case, any such change, alteration, addition or removal shall be in full compliance with all governmental rules, ordinances, and regulations and any covenants, conditions or restrictions which are applicable to the Property. Any work or improvement, alteration or removal conducted by Tenant on or about the Premises shall be in strict compliance with plans and specifications approved in writing by Landlord, and shall be conducted only by contractors, mechanics and materialmen and with materials approved in writing by Landlord. Landlord may grant or withhold its approvals pursuant to this Section 13 in its sole discretion, and may require that Tenant furnish to Landlord, prior to commencement of any work, a completion and lien indemnity bond in form, content and amount satisfactory to Landlord.

14. LANDLORD'S RIGHT TO PERFORM FOR TENANT

If Tenant should fail to perform any of its obligations under the provisions of this Lease, Landlord, at its option, may (but shall not be required to), without waiving any default or any of the rights of Landlord hereunder, do the same or cause the same to be done. In addition to any and all other rights and remedies of Landlord, all costs incurred by Landlord in connection with such performance by Landlord shall be due as Additional Rent hereunder immediately upon demand by Landlord, together with interest thereon at the Default Interest Rate.

15. EMINENT DOMAIN

A. Entire Premises

If the whole of the Premises shall be lawfully condemned by eminent domain, or conveyed by Landlord in lieu of condemnation, for any public or quasi-public use or purpose, all rents and taxes or other charges hereunder shall be paid up to the date when the condemning authority shall take possession of the Premises and this Lease shall then terminate. Tenant hereby waives, releases, shall have no interest in, and assigns to Landlord any compensation or award for any such condemnation or

conveyance, including, without limitation, any claims for loss of good will, delay, bonus value, the value of the Premises, the lease, the building, improvements, fixtures or equipment thereon, whether or not installed or paid for by Tenant, except that Tenant shall have the right to compensation as may be specifically awarded to Tenant by the condemning authority for loss or damage to Tenant's removable personal property or for the cost or loss which Tenant may incur in removing Tenant's merchandise and personal property.

B. Partial Taking

In the event that only a part of the Premises shall be lawfully taken, condemned or conveyed by Landlord in lieu of condemnation and Landlord determines, in its sole discretion, that the operation of a Franchised Restaurant on the portion of the Premises remaining after such taking is no longer desirable or would not, from Landlord's standpoint, be economically feasible, Landlord may at any time, either prior to or within a period of sixty (60) days after the date when the condemning authority shall take possession of such portion of the Premises, elect to terminate this Lease. In the event of such termination, the provisions of Section 15A, above, shall apply in the same manner as if a total taking of the Premises had occurred, including, without limitation, the provisions of Section 15A regarding any compensation or award for the condemnation or conveyance. In the event that Landlord shall fail to exercise any such election to terminate this Lease, or shall not have any such election hereunder, Landlord shall (1) with reasonable promptness, make necessary repairs and alterations of the improvements on the Premises for the purpose of restoring the same to an economic architectural unit, susceptible to the same use as that which was in effect immediately prior to such taking, to the extent that such repairs and alterations may be necessary as a result of such condemnation, and (2) be entitled to the entire award for such partial taking and the provisions of Section 15A shall apply with respect thereto. In the event the award for such partial taking is inadequate to make all necessary repairs and alterations in accordance with subparagraph (1) above, Tenant shall deliver to Landlord, in cash, the full amount of the deficiency within 30 days after delivery by Landlord to Tenant of a statement of the amount of such deficiency. If this Lease is not terminated, Tenant's obligation for Fixed Minimum Rent, from and after the date the condemning authority takes possession, shall be reduced to an amount which bears the same proportion to the Fixed Minimum Rent in effect at the time of the condemnation as the total floor area of the building(s) on the Premises following such repairs and alterations bears to the total floor area of the building(s) on the Premises prior to the condemnation.

16. SUBORDINATION AND NON-DISTURBANCE

This Lease and all of Tenant's rights, title and interest in and under this Lease shall, at the option of Landlord, be subject, subordinate and inferior to (a) any ground or underlying leases, (b) any and all mortgages, deeds of trust, collateral assignments of this Lease and similar security instruments (collectively, "Mortgages") and any and all advances made on the security thereof, and (c) the rights of all parties under any sale and leaseback arrangement, and to any and all terms, conditions, provisions, extensions, renewals or modifications of any such leases, Mortgages and/or sale and leaseback

arrangements which Landlord or any grantee, successor or assign of Landlord has or may place upon the Premises or any portion thereof or any of the improvements, fixtures or equipment thereon, in the same manner and to the same extent as if this Lease had been executed subsequent to the execution, delivery and recording of such lease, Mortgage or sale and leaseback arrangement. This provision is intended to include the right of Landlord and its grantees, successors and assigns, any ground lessor and any party to a sale and leaseback arrangement further to encumber the Premises or their interests therein with one or more Mortgages, all of which shall, at the option of Landlord or its grantees, successors or assigns, any such ground lessor or any such party to a sale and leaseback arrangement, be superior to the interest of Tenant hereunder. Alternatively, at the option of Landlord or its grantees, successors or assigns, any mortgagee or other beneficiary of a Mortgage ("Mortgagee") or any ground lessor or any party to a sale and leaseback arrangement, this Lease and the rights of Tenant hereunder may be deemed to be prior and superior to the interests of such party.

In the event that a Mortgagee or any other person acquires title to the Premises pursuant to the exercise of any remedy provided for in its Mortgage, or in the event of default under any ground or underlying lease or any lease related to a sale and leaseback of the Premises, Tenant's right of possession shall not be disturbed provided (a) Tenant is not then in default under this Lease and (b) Tenant attorns to such title holder. Tenant covenants and agrees that upon foreclosure of any Mortgage it will, subject to any contrary provision in such Mortgage, attorn to any Mortgagee or purchaser at the foreclosure sale as its lessor under this Lease and in the case of a default under the terms of any ground or underlying lease or any lease related to a sale and leaseback it will, subject to any contrary provision in such lease, attorn to the lessor thereunder as its lessor under this Lease and, in either such event, this Lease shall, subject to any contrary provision in such Mortgage or lease, continue in full force and effect as a direct lease between Tenant and such party upon all terms, conditions and agreements set forth in this Lease. In the event of the foreclosure of a Mortgage placed on the Premises by a grantee under a sale and leaseback, such attornment shall be required only if, at the time of such foreclosure, the lease related to such sale and leaseback is also in default.

The subordination of this Lease provided in this Section 16 shall, in the event Landlord shall so elect, be automatic and self-operative, and no special instrument of subordination shall be necessary. Notwithstanding the foregoing, Tenant shall, on demand, at any time or times, execute, acknowledge and deliver to Landlord, without expense to Landlord, any and all instruments that may be necessary or proper to evidence the subordination of this Lease and all rights hereunder to any ground or underlying lease, Mortgage or sale and leaseback arrangement. If Tenant shall fail to execute, acknowledge and deliver any such subordination instrument within five (5) days after receipt thereof, Landlord, in addition to any other remedies available to it as a result of such failure, may execute, acknowledge and deliver the same as the attorney-in-fact of Tenant and in Tenant's name, place and stead, and Tenant hereby irrevocably makes, constitutes and appoints Landlord, its successors and assigns, such attorney-in-fact for that purpose.

17. COMPLIANCE WITH MASTER LEASE

A. Tenant acknowledges and agrees as follows:

(1) (1) Landlord may have its possessory right in the Premises pursuant to a Master Lease Agreement (Master Lease), and in the event Landlord's possessory right is terminated, Tenant's possessory right would likewise terminate. (The term "Master Lease" shall include, without limitation, any and all amendments, modifications, extensions, renewals or substitutions thereto.)

(2) The terms and conditions of this Lease, and the rights of Tenant under this Lease are subject and subordinate to the terms and conditions of the Master Lease.

(3) Tenant agrees to execute, when required by Landlord, a Landlord's Interest Addendum, in substantially the form as attached hereto as Exhibit B.

B. Tenant hereby authorizes Landlord, without notice or demand, and without affecting Tenant's liability under the Lease, to renew, compromise, extend, replace, substitute or otherwise modify or amend the provisions and conditions of the Master Lease, and Tenant hereby waives and relinquishes any and all rights or defenses based upon any such action, and(or) Landlord's failure to notify Tenant thereof.

C. Tenant hereby authorizes Landlord, without notice or demand, and without affecting Tenant's liability under the Lease, to enter into a new Master Lease at any time during the term of this Lease. Tenant agrees to execute the Landlord Interest Addendum with respect to any new Master Lease and Tenant hereby waives and relinquishes any and all rights or defenses based upon any such action, and(or) Landlord's failure to notify Tenant thereof.

D. Tenant shall not, in its use and enjoyment of the Premises and the conduct and operation of its business thereon, suffer or permit any condition to exist or do, or omit to do, anything which would result in or constitute a breach or default of the terms and provisions of the Master Lease or which would give rise to any right of Master Lessor to terminate the Master Lease or any rights of the Landlord as lessee under the Master Lease. Tenant will perform, comply with and discharge all obligations which Landlord, as lessee under the Master Lease, is required to comply with and discharge, except for Landlord's monthly base rent obligations as lessee under the Master Lease during the term of this Lease. Tenant's obligations may include, without limitation, obtaining insurance against flood, earthquake, and/or other risks, from an insurance carrier holding a specified rating from the Best Insurance Rating Guide.

E. In the event of any increase in the rent, percentage rent, or other charges or obligations of Landlord as lessee under the Master Lease, the amount of the monthly increase in such rent (or if the increase is an increase in the rate of percentage rent then the rate of percentage rent payable by Tenant under this Lease shall be increased by the same amount), charges or obligations shall, upon notice by Landlord to Tenant, be added, effective as of the date of the increase under the Master Lease, to the Fixed Minimum

Rent previously payable by Tenant under this Lease **[use with Alternative Rent provision #1 - . . . , plus, in the case of an increase in rent payable under the Master Lease, an additional 5% of such increase]**; provided, however, that the Rent payable by Tenant under this Lease shall not be reduced in the event of a decrease in the rent or other charges or obligations of Landlord as lessee under the Master Lease. Except as expressly provided herein, if Landlord enters into a new Master Lease, whether or not there was previously a Master Lease in place, then Fixed Minimum Rent payable under this Lease shall be increased in the amount equal to the difference between the Fixed Minimum Rent previously payable under this Lease and the amount of rent payable under the new Master Lease; provided, however, that the Rent payable by Tenant under this Lease shall not be reduced in the event of a decrease in the rent or other charges or obligations of Landlord as lessee under any new Master Lease. In the event that the Premises described herein encompass less than the property demised to Landlord under the terms of the Master Lease, Tenant shall only be responsible for its prorata share of the real estate taxes, assessments, insurance premiums and other charges assessed to or levied against the property demised pursuant to the Master Lease and a like percentage of any increase in the rent or other charges or obligations of Landlord as lessee under the Master Lease.

F. Tenant hereby indemnifies Landlord against and agrees to save Landlord harmless from any and all claims, demands, losses, liabilities, obligations, costs and expenses (including without limitation attorneys' fees and court costs) which may result from or arise in connection with any failure by Tenant to comply with and discharge all of the obligations of Landlord, as lessee under the Master Lease, which are assumed by Tenant pursuant hereto.

18. QUIET POSSESSION

Tenant, upon paying the Rent herein provided and performing all and singular the covenants and conditions of this Lease on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the Premises during the term hereof.

19. COMPLIANCE WITH LAW AND RESTRICTIONS

A. Tenant, in connection with any use it may make of the Premises, agrees at all times during the term of this Lease at its own expense to conform to and comply with all federal, state and local laws, ordinances and regulations, and all covenants, conditions and restrictions, whether now or hereafter in force, affecting the use, occupancy condition or configuration of all or any part of the Premises and Tenant's business thereon, including, without limitation, the Americans with Disabilities Act and any state law version of such law. Landlord makes no warranties or representations as to the state of compliance of the Premises, or Business Facilities, or Tenant's actual or intended use thereof with any such laws, ordinances, and regulations (including without limitation any zoning, land use or environmental laws or regulations and any federal, state or industrial health or safety codes) or with any such covenants, conditions and restrictions, and Tenant acknowledges that it has independently investigated same and represents that it will comply therewith. Tenant shall obtain, keep in full force and effect,

and strictly comply with, all governmental licenses and permits which may be required from time to time for Tenant's use and occupancy of the Premises and operation of a Franchised Restaurant thereon. Tenant hereby indemnifies Landlord against and agrees to save Landlord harmless from all claims, demands, losses, liabilities, obligations, costs or expenses (including attorneys' fees or court costs) which result from or arise in connection with any violation of any law, ordinance, regulation, covenant, condition or restriction, whether occasioned by the neglect, omission or willful act of Tenant or any other person on the Premises by permission of or holding under Tenant.

B. Throughout the term of this Lease, Tenant shall comply with and perform all of the obligations of the fee owner or occupant of the Premises pursuant to any and all reciprocal easement agreements, covenants, conditions and restrictions affecting the Premises and pursuant to any articles, charters, by-laws, rules or regulations of any association of owners or occupants of property which includes the Premises. Tenant hereby indemnifies Landlord against and agrees to save Landlord harmless from all claims, demands, losses, liabilities, obligations, costs and expenses (including without limitation attorneys' fees and court costs) which result from or arise in connection with any failure of Tenant to comply with such agreements, covenants, conditions, restrictions, articles, charters, by-laws, rules and regulations. Without limitation upon the generality of the foregoing, Tenant shall pay (and shall furnish to Landlord evidence satisfactory to Landlord of such payment), at least ten (10) days prior to delinquency, any and all assessments, dues, fees, common area maintenance charges and other sums which become due and payable during the term of this Lease in connection with any such agreements, covenants, conditions, restrictions, articles, charters, by-laws, rules or regulations or actions of any such association of owners or occupants. In the event that Tenant does not furnish to Landlord, at least ten (10) days prior to delinquency, evidence satisfactory to Landlord of payment of any such assessment, dues, fee, charge or other sum, Landlord shall have the right (but not the obligation) to pay the same. Tenant shall reimburse Landlord, immediately upon demand as Additional Rent hereunder, for any such sums which Landlord thus elects to pay or is required to pay. Provided, however, that any such sums which may be levied or assessed for a period beginning before the Commencement Date or ending after the termination hereof shall be prorated between Landlord and Tenant as of such date or dates.

C. Tenant agrees to promptly provide Landlord with copies of any notices, letters or other communications pertaining to the Premises or Tenant's operations thereon which are received by Tenant from any governmental or quasi-governmental entity, any person or entity with actual or alleged power to enforce any covenants, conditions or restrictions affecting the Premises, or any association of owners or occupants of property which includes the Premises.

20. ATTORNEYS' FEES

Should either party hereto institute any action or proceeding in court to enforce any provision hereof or for damage by reason of alleged breach of any provision of this Lease or for a declaration of such party's rights or obligations hereunder, or for any other judicial remedy, the prevailing party shall be entitled to receive from the losing

party such amount as the court may adjudge to be reasonable attorneys' fees for the services rendered the party finally prevailing in any such action or proceeding.

21. LIENS AGAINST PROPERTY

Nothing in this Lease shall authorize Tenant to do any act which shall in any way encumber the title of Landlord in and to the Premises. The interest or estate of Landlord in the Premises shall not in any way be subject to any claim of lien or encumbrance whether by operation of law or by virtue of any Mortgage or other express or implied contract by Tenant. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's or materialmen's lien on account of labor or material furnished to Tenant (whether or not delivered to or located on the Premises) or in connection with work of any character performed or claimed to have been performed on the Premises by or at the direction of, or sufferance of, Tenant.

In the event any lien is filed against or attached to the Premises or Tenant's interest therein, at Landlord's option, Tenant shall either pay the amount of said lien in full or shall, upon demand of Landlord, provide and pay for a non-cancelable bond, placed with a reputable company, approved by Landlord, in an amount deemed sufficient by Landlord, insuring the interest of Landlord and any interest superior to Landlord's interest from any loss by reason of the filing of such lien. Tenant shall immediately pursue in good faith its legal remedies to the end of obtaining removal of said lien.

Tenant shall give Landlord written notice of the commencement of work of any character on or about the Premises at least ten (10) days prior to such commencement. Landlord shall have the right to post and maintain on the Premises such notices of non-responsibility, and to do such other things as may in Landlord's judgment be necessary to protect against such mechanics', laborers' and materialmen's liens as are provided for in the law of the state in which the Premises are located.

22. COMPLIANCE WITH FRANCHISE AGREEMENT(S)

Tenant shall comply with and perform all covenants contained in the Franchise Agreement and in any other franchise agreements, leases or other agreements between Landlord (or Landlord’s affiliates) and Tenant, whether or not pertaining to the Premises. Termination, default, or revocation of the Franchise Agreement for any reason, either in whole or in part, or failure of Landlord and/or Landlord's affiliate(s) and Tenant to enter into such Franchise Agreement within ninety (90) days from the date of this Lease, shall terminate this Lease, without further notice being required.

23. DEFAULTS OF TENANT

A. Events of Default.

The following events shall constitute events of default by Tenant under this Lease:

(1) Failure by Tenant to pay any installment of Rent or any other sum required to be paid by Tenant under this Lease, unless Tenant shall cure such failure within five (5) days after demand therefore.

(2) Failure by Tenant to comply with any term, provision or covenant of this Lease, other than provisions pertaining to the payment of money, unless Tenant shall cure such failure within thirty (30) days after demand therefore; provided, however, that if such default is of a nature that the cure thereof cannot reasonably be effected within such period, Tenant shall not be deemed to be in default hereunder if Tenant commences such cure within such period and diligently prosecutes the same to completion thereafter.

(3) Default by Tenant under the Franchise Agreement or under any other franchise agreement, lease, note, or other agreement between Tenant and Landlord and/or any of Landlord's affiliates, whether or not pertaining to the Premises.

(4) Tenant's commencing a voluntary case or otherwise seeking any type of relief under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law, or the entry of a decree or order for relief in respect of Tenant by a court having jurisdiction in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or under any state insolvency or similar law; all without dismissal within ninety (90) days from filing.

(5) Tenant's failure generally to pay its debts as they come due, or making of an assignment for the benefit of creditors, or the appointment of a receiver or custodian (permanent or temporary) for any part of Tenant's property by a court of competent jurisdiction.

(6) Abandonment, desertion or vacation of the Premises by Tenant.

B. Rights on Default

Upon the occurrence of any event of default by Tenant, Landlord shall be entitled to all of the rights and remedies available to Landlord at law or in equity, including without limitation the right, with or without termination of the Lease, to each of the following:

(1) Recovery from Tenant of all Rent and other amounts owing hereunder.

(2) Recovery from Tenant of any other amounts necessary or appropriate in order to compensate Landlord for all of the detriment suffered by Landlord as a result of Tenant's failure to perform its obligations under this Lease.

(3) Re-entry and possession of the Premises, and removal of all persons and property therefrom.

(4) Maintenance of an action for recovery of possession of the Premises, without formal demand or re-entry.

(5) Enforcement of any and all lien rights.

(6) Termination of any and all subleases, licenses, concessions or other consensual arrangements for possession entered into by Tenant and affecting the Premises or, in Landlord's sole discretion, succession to Tenant's interest in such subleases, licenses, concessions or arrangements. In the event of Landlord's election to succeed to Tenant's interest in such subleases, licenses, concessions or arrangements, Tenant shall, as of the date of notice by Landlord of such election, have no further right to or interest in the Rent or other consideration receivable thereunder.

Without limitation upon the generality of the foregoing, in the event of an event of default described in Section 23A(4) or Section 23A(5), above, this Lease and the rights of Tenant may be terminated by Landlord without notification to Tenant as if the date of occurrence of such event of default were the expiration date of this Lease, and Tenant expressly waives all rights under the provisions of the Bankruptcy Rules, and consents to such immediate termination of this Lease. Tenant agrees not to seek an injunctive order from any court in any jurisdiction relating to insolvency, reorganization or arrangement proceedings which would have the effect of staying or enjoining the operation of this provision.

The rights and remedies of Landlord as provided in this Section 23B are cumulative, in addition to and not exclusive of any and all other rights or remedies now or hereafter given to Landlord by law or by the terms of this Lease. Any re-entry as provided for herein shall be allowed by Tenant without hindrance, and Landlord shall not be liable in damages or guilty of trespass because of such re-entry. The failure of Landlord to insist, in any one or more instances, upon a strict performance of any of the covenants of this Lease, or to exercise any option contained herein, shall not be construed as a waiver or a relinquishment for the future of such covenant or option. A receipt by Landlord of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision of this Lease shall be deemed to have been made unless expressed in writing and signed by Landlord. In addition to the other remedies provided herein, Landlord shall be entitled to the restraint by injunction of the violation or attempted violation of any of the covenants, conditions or provisions of this Lease.

24. DEFAULTS OF LANDLORD

Landlord shall in no event be in default in the performance of any of Landlord's obligations under this Lease unless and until Landlord shall have failed to perform such obligations within thirty (30) days after notice in writing by Tenant to Landlord properly specifying wherein Landlord has failed so to perform; provided, however, that if such default is of a nature that the cure thereof cannot reasonably be effected within such period, Landlord shall not be deemed to be in default hereunder if Landlord commences such cure within such period and diligently prosecutes the same to completion thereafter. Landlord's non-performance shall be excused and the time for performance shall be extended for as long as and to the extent that such non-performance is due to an act of God, governmental control or other factors beyond the reasonable control of Landlord.

25. RECORDING OF LEASE

Tenant shall not record this Lease without the written consent of Landlord, however, Landlord, in its discretion, may require recordation of a Memorandum of Lease. Tenant agrees to cooperate in the execution and recordation of such Memorandum of Lease which shall be recorded at Tenant's expense.

26. NOTICES

Tenant hereby designates _____as the place at which notices shall be served. Service by personal delivery shall be effective upon such delivery. Service by mail shall be deemed complete at the expiration of the third day after the date of delivery thereof to the address specified.

27. APPLICABLE LAW AND PARTIES BOUND

This Lease shall be construed under the laws of the state in which the Premises are situated and shall be binding upon and inure to the benefit of, as the case may require, the parties hereto and their respective heirs, executors, administrators, successors and assigns.

28. INTERPRETATION

The words “Landlord” and “Tenant,” as used herein, shall include, apply to, bind and benefit, as the context may permit or require, the parties executing this Lease and their respective heirs, executors, administrators, successors and assigns.

The term “Landlord” as used herein shall mean only the owner or owners, at the time in question, of the fee title or a lessee's interest in a ground lease of the Premises, and in the event of any transfer of such title or interest, Landlord herein named (and, in case of any subsequent transfers, then the grantor in connection therewith) shall be

relieved from and after the date of such transfer of all liability as respects Landlord's obligations thereafter to be performed, provided that any funds in the hands of Landlord or the then grantor at the time of such transfer, in which Tenant has an interest, shall be delivered to the grantee. The obligations contained in this Lease to be performed by Landlord shall, subject as aforesaid, be binding on Landlord's successors and assigns, only during their respective periods of ownership.

Wherever the context so permits or requires, words of any gender used in this Lease shall be construed to include any other gender, and words in the singular number shall be construed to include the plural.

29. INVALIDITY

In the event that any term, provision, condition or covenant or any part thereof contained in this Lease, or the application thereof to any person or circumstance, shall, to any extent, be invalid or unenforceable, or be held to be invalid or unenforceable by any court of competent jurisdiction, the remainder of this Lease, or the application of such term, provision, condition or covenant or any part thereof to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and all such remaining terms, provisions, conditions and covenants and parts thereof in this Lease shall be deemed to be valid and enforceable.

30. CAPTIONS

The headings and captions contained in this Lease are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this Lease nor of any provisions herein contained.

31. ESTOPPEL CERTIFICATES

Tenant shall at any time, upon not less than ten (10) days' prior written notice from Landlord, execute, acknowledge and deliver to Landlord a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the Rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises or any lender of Landlord.

Tenant's failure to deliver such statement within such time shall constitute a material default of this Lease without any further notice to Tenant. At Landlord's option, such failure may also be deemed conclusive upon Tenant that (i) this Lease is in full force and effect, without modification except as may be represented by Landlord, (ii) there are no uncured defaults in Landlord's performance hereunder, and (iii) not more than one (1) month's Fixed Minimum Rent has been paid in advance.

32. ADDITIONAL RENT

All monetary obligations of Tenant to Landlord under this Lease shall be deemed to be Rent hereunder.

33. BROKERS

Landlord and Tenant each hereby represent and warrant to the other that it has not engaged or dealt with any broker, finder or other agent in connection with its entry into this Lease or the transactions contemplated hereby, other than as expressly disclosed in writing prior to the execution of this Lease. Landlord and Tenant each hereby indemnify and hold the other harmless from and against all claims, demands, losses, liabilities, obligations, costs or expenses (including without limitation attorneys' fees and court costs) incurred by the indemnified party in connection with any claim or demand by any person or entity for any broker's, finder's or other fee or commission in connection with the entry by the indemnifying party into this Lease and the transactions contemplated hereby.

34. RIGHT OF INSPECTION

Landlord shall have the right, exercisable without notice and without liability to Tenant for damage or injury to property, person or business (all claims for damage being hereby released), and without effecting an eviction or disturbance of Tenant's use or possession or giving rise to any claim for offsets or abatement of Rent, to enter the Premises at all reasonable times during the term of this Lease for the purpose of inspecting the same, or making such repairs or replacements therein as may be required by this Lease or as Landlord may deem appropriate; provided that Landlord shall use all reasonable efforts not to disturb Tenant's use and occupancy and shall, when practical, give Tenant prior notice of such repairs.

35. ENTIRE AGREEMENT

This Lease, together with any Exhibits or addenda attached hereto, constitutes the entire agreement between Landlord and Tenant pertaining to the subject matter hereof and supersedes all prior and contemporaneous agreements and undertakings of the parties in connection herewith.

36. LIMITATION OF LIABILITY

Notwithstanding anything to the contrary contained in this Lease, the liability of Landlord (and any successor Landlord hereunder) to Tenant shall be limited to the interest of Landlord in the building, and Tenant agrees to look solely to Landlord’s interest in the building for the recovery of any judgment or award against the Landlord, it being intended that neither Landlord nor any member, principal, partner, shareholder, officer, director or beneficiary of Landlord shall be personally liable for any judgment or deficiency.

37. HOLDING OVER

If Tenant fails to vacate the Premises at the end of the term of this Lease, then Tenant shall be a tenant at will and, in addition to Percentage Rent due and payable under this Lease during the holdover period, Tenant shall be obligated to pay Fixed Minimum Rent equal to two hundred percent (200%) of the Fixed Minimum Rent payable during the last month of the term. No payments of money paid by Tenant to Landlord following the expiration of the Lease shall reinstate the term, and the term shall not be extended unless it is in writing and signed by Landlord and Tenant.

Except as expressly provided in this Addendum, all terms used in this Addendum shall have the meanings established for those terms in the main body of the Lease. In the event of any conflict between this Addendum and the Lease this Addendum shall prevail.

1. LANDLORD'S INTEREST IN PREMISES: Landlord is the lessee of the Premises under a certain lease, (hereinafter "Master Lease") between ,(hereinafter "Master Lessor") and , dated _____, 20___, a copy of which, together with amendments dated _____, 20___, is attached hereto and incorporated herein by reference. The Lessee's interest under said Master Lease now vests in Landlord.

2. COMPLIANCE WITH MASTER LEASE: Tenant acknowledges and agrees that the terms and conditions of this Lease, and the rights of Tenant under this Lease, are subject and subordinate to the terms and conditions of the Master Lease and any subsequent amendments, modifications, extensions, renewals or substitutions thereto. Tenant hereby authorizes Landlord, without notice or demand, and without affecting Tenant's liability under the Lease, to renew, compromise, extend, or otherwise amend, modify, extend, renew or substitute the provisions and conditions of the Master Lease, and Tenant hereby waives and relinquishes any and all rights or defenses based upon any such amendments, modifications, extensions, renewals or substitutions to the Master Lease, and(or) Landlord's failure to notify Tenant thereof. Tenant shall not, in its use and enjoyment of the Premises and the conduct and operation of its business thereon, suffer or permit any condition to exist or do, or omit to do, anything which would result in or constitute a breach or default of the terms and provisions of the Master Lease or which would give rise to any right of Master Lessor to terminate the Master Lease or any rights of the Landlord as lessee under the Master Lease. Tenant will perform, comply with and discharge all obligations which Landlord, as lessee under the Master Lease, is required to comply with and discharge, except for Landlord's monthly base rent obligations as lessee under the Master Lease, as of the date of this Lease. Tenant's obligations may include, without limitation, obtaining insurance against flood, earthquake, and/or other risks, from an insurance carrier holding a specified rating from the A.M. Best Insurance Rating Guide.

In the event of any increase in the rent, percentage rent or other charges or obligations of Landlord as lessee under the Master Lease, the amount of the monthly increase in such rent (or if the increase is an increase in the rate of percentage rent then the rate of percentage rent payable by Tenant under this Lease shall be increased by the

same amount), charges or obligations shall, upon notice by Landlord to Tenant, be added, effective as of the date of the increase under the Master Lease, to the Fixed Minimum Rent previously payable by Tenant under this Lease **[use with Alternative Rent provision #1 - . . . , plus, in the case of an increase in rent payable under the Master Lease, an additional 5% of such increase]**; provided, however, that the Rent payable by Tenant under this Lease shall not be reduced in the event of a decrease in the rent or other charges or obligations of Landlord as lessee under the Master Lease. Except as expressly provided herein, if Landlord enters into a new Master Lease, whether or not there was previously a Master Lease in place, then Fixed Minimum Rent payable under the Lease shall be increased in the amount equal to the difference between the Fixed Minimum Rent previously payable under the Lease and the amount of rent payable under the new Master Lease; provided, however, that the Rent payable by Tenant under the Lease shall not be reduced in the event of a decrease in the rent or other charges or obligations of Landlord as lessee under any new Master Lease.

In the event that the Premises described herein encompass less than the property demised to Landlord under the terms of the Master Lease, Tenant shall only be responsible for its prorata share of the real estate taxes, assessments, insurance premiums and other charges assessed to or levied against the property demised pursuant to the Master Lease and a like percentage of any increase in the rent or other charges or obligations of Landlord as lessee under the Master Lease.

3. TENANT'S INDEMNITY: Tenant hereby indemnifies Landlord against and agrees to save Landlord harmless from any and all claims, demands, losses, liabilities, obligations, costs and expenses (including without limitation attorneys' fees and court costs) which may result from or arise in connection with any failure by Tenant to comply with and discharge all of the obligations of Landlord, as lessee under the Master Lease, which are assumed by Tenant pursuant hereto.

4. LESSEE'S STATEMENTS AND CERTIFICATES: Without limiting the generality of the foregoing, Tenant agrees to promptly provide to Landlord insurance policies or certificates, estoppel certificates, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required, from time to time, by the Master Lessor under the terms of the Master Lease. All certificates or policies of insurance required under this Lease or under the Master Lease shall name Master Lessor as co-insured or additional insured, as the case may be, and all rights of Tenant to insurance proceeds and condemnation awards under this Lease shall be subject to the rights of Master Lessor under the Master Lease.

5. NOTICES: Tenant agrees to promptly provide Landlord with copies of any notices, letters or other communications received by Tenant from the Master Lessor, and to promptly notify Landlord of any failure by Master Lessor to perform its obligations under the Master Lease.

6. ENFORCEMENT OF LANDLORD'S RIGHTS UNDER MASTER LEASE: It is hereby acknowledged that Master Lessor may have certain obligations under the Master Lease to maintain and repair the Premises and adjoining areas, pay real estate taxes,

assessments and special charges and impositions, restore, replace and/or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Master Lease. If said obligations exist, Landlord agrees to make a good faith effort to obtain the timely and faithful performance of Master Lessor's obligations, but Landlord shall not be in default or breach of any of its covenants and duties under this Lease or liable for any resulting loss or claim of Tenant if Landlord is not able to enforce its rights under the Master Lease. With respect to Landlord's obligation to repair and restore the Premises in the event of damage or destruction thereto by fire or any other cause, Landlord's obligations under this Lease are conditioned upon Landlord obtaining the cooperation and approval of Master Lessor, as the same may be required, and the compliance of Master Lessor with all of Master Lessor's duties under the Master Lease; and Landlord shall not be liable to Tenant for any damage, claim or injury resulting from Landlord's inability to repair or restore the Premises due to default or breach of the Master Lease.

7. INTENT OF THE PARTIES: It is the intent of the parties to hereby create a sublease between Landlord and Tenant and not to effect an assignment of the Master Lease. The parties further acknowledge that it is their intent that there be no merger of either Landlord's or Tenant's interest in this Lease and the fee title in the event that either party acquires a fee interest in the Premises at any time after the execution of this Lease. In such event, this Lease will remain in full force and effect and shall determine the rights, duties, and obligations of the parties.

EXHIBIT C

GUARANTY

FOR VALUE RECEIVED, and in consideration of the execution of a certain Lease Agreement, of even date herewith and concurrently herewith ("Lease"), covering certain premises more particularly described in the Lease, the creation of the tenancy under said Lease and the extension of credit by "Landlord" (as defined in the Lease) to _____ ("Tenant"), and for the purpose of inducing Landlord to enter into such Lease, each of the undersigned and any other parties who sign counterparts of this guaranty (referred to herein individually as a "Guarantor" and collectively as "Guarantors"), absolutely, unconditionally and personally, does hereby jointly and severally (as to Tenant and among the Guarantors) guarantee to Landlord, its successors and assigns, the full and prompt payment when due, of all rents, charges and additional sums coming due under said Lease, together with the performance of all covenants and agreements of Tenant therein contained and together with the full and prompt payment of all damages that may arise or be incurred by Landlord in consequence of Tenant's failure to perform such covenants and agreements (all such obligations hereinafter collectively referred to as "Liabilities"), such payment and performance to be made or performed by Guarantor forthwith upon a default by Tenant.

In the event of the death, incompetency, dissolution, bankruptcy or insolvency of Tenant, or the inability of Tenant to pay debts as they mature, or an assignment by Tenant for the benefit of creditors, or the institution of any bankruptcy or other proceedings by or against Tenant alleging that Tenant is insolvent or unable to pay debts as they mature, or Tenant's default under this Lease, and if such event shall occur at a time when any of the Liabilities may not then be due and payable, Guarantor agrees to pay to Landlord upon demand, the full amount which would be payable hereunder by Guarantor if all Liabilities were then due and payable.

This Guaranty shall be an absolute and unconditional guaranty and shall remain in full force and effect as to Guarantor during the demised term of said Lease, and any renewal or extension thereof, and thereafter so long as any Liabilities remain due and payable even though the demised term or any renewal or extension thereof shall have expired. An Assignment of said Lease or any subletting thereunder shall not release or relieve Guarantor from its liability hereunder.

Landlord may, from time to time, without notice to Guarantor: (a) retain or obtain a security interest in any property to secure any of the Liabilities or any obligation hereunder, (b) retain or obtain the primary or secondary liability of any party or parties, in addition to Guarantor, with respect to any of the Liabilities, (c) extend or renew for any period (whether or not longer than the original period), alter or exchange said Lease or any of the Liabilities, (d) release, waive or compromise any liability of any of Guarantor hereunder or any liability of any other party or parties primarily or secondarily liable on any of the Liabilities, (e) release or impair any security interest or lien, if any, in all or any property securing any of the Liabilities or any obligation hereunder and permit any substitution or exchange for any such property, and (f) resort to Guarantor for payment of

any of the Liabilities, whether or not Landlord shall have resorted to any property securing any of the Liabilities or any obligation hereunder or shall have proceeded against any other of Guarantor or against Tenant or any other party primarily or secondarily liable on any of the Liabilities. No such action or failure to act by Landlord shall affect Guarantor's liability hereunder in any manner whatsoever. Any amount received by Landlord from whatsoever source and applied by it toward the payment of the Liabilities shall be applied in such order of application as Landlord may from time to time elect. The written acknowledgment of Tenant, accepted in writing by Landlord, or the judgment of any court or arbitration panel of competent jurisdiction establishing the amount due from Tenant, shall be conclusive and binding on the undersigned Guarantors.

No delay on the part of Landlord in the exercise of any right or remedy shall operate as a waiver thereof, and no final or partial exercise by Landlord of any right or remedy shall preclude other or further exercises thereof or the exercises of any other right or remedy.

The validity of this Guaranty and the obligations of Guarantor hereunder shall not be terminated, affected or impaired by reason of any action which Landlord may take or fail to take against Tenant or by reason of any waiver of, or failure to enforce, any of the rights or remedies reserved to Landlord in said Lease, or otherwise, or by reason of the bankruptcy or insolvency of Tenant and whether or not the term of said Lease shall terminate by reason of said bankruptcy or insolvency.

This Guaranty shall be binding upon Guarantor, and upon the heirs, legal representatives, successors and assigns of Guarantor and shall be governed by the laws of the State of California. Sole and proper venue for any action or proceeding to enforce or interpret this Guaranty will be in San Diego, California.

Broker: DIFFERENT RULES, LLC
9357 SPECTRUM CENTER BLVD
SAN DIEGO, CA 92123

1. RECITALS

Different Rules, LLC ("Franchisor") purchases certain equipment, furniture, fixtures and décor items from various vendors for its own use. For the convenience of its franchisees, Franchisor also acts as a broker for franchisees for the purchase of the following categories of equipment on a select basis: (i) general replacement equipment and décor items; (ii) menu development and Operations Improvement System (OIS) equipment; and (iii) custom-fabricated items (collectively, the "Equipment").

The franchisee referenced above ("Franchisee") may want Franchisor to act as a broker for the purchase of Equipment. Franchisor is willing to do so under the terms and conditions set forth in this Agreement.

2. COMMENCEMENT DATE

This Agreement is valid from the date written above until terminated by either party pursuant to Paragraph 3 below.

3. TERMINATION

Either Franchisor or Franchisee may terminate this Agreement, with or without cause, effective upon written notice to the other party. This Agreement terminates automatically if Franchisee ceases to be a Jack in the Box franchisee.

The rights and obligations of the Parties with respect to transactions originated before the termination of this Agreement survive termination.

4. EQUIPMENT AVAILABLE FOR PURCHASE AND PRICES

Franchisor will provide Franchisee a written description of any Equipment it is willing to purchase on Franchisee's behalf, and the prices and specific payment terms relating to that Equipment. Franchisor agrees to purchase that Equipment on Franchisee's behalf in accordance with those terms and the terms of this Agreement.

5. EQUIPMENT ORDERS

Franchisee must provide Franchisor with a written request for each Equipment order in the form required by Franchisor ("Order"). The terms, conditions and provisions of this Equipment Brokerage Agreement shall be in full force and effect for each such Order.

Receipt of an Order from Franchisee constitutes: (i) Franchisee's authorization for Franchisor to enter into binding agreements to purchase the Equipment on behalf of Franchisee; and (ii) Franchisee's agreement to promptly pay the listed price of the Equipment, Franchisor's mark-up for brokerage services, all freight, taxes and other fees in connection with the purchase of the Equipment.

6. CANCELLATION OF ORDER

Franchisee may not cancel or modify an Order that has been delivered to Franchisor, except at the sole discretion of Franchisor. Any agreement between Franchisee and Franchisor to cancel or change an Order must be in writing and signed by Franchisor. If Franchisor agrees to accept a cancellation or modification of an Order, Franchisee nevertheless must pay all handling charges, transportation expenses and restocking charges incident to any such cancellation or change.

7. PAYMENT TERMS AND FEES

Franchisee will pay Franchisor a broker fee in the amount of eight percent (8%) of the purchase price of the Equipment ordered. Payment terms will be Net 21 days.

8. TAXES

Franchisee must pay all federal, state, municipal or other political subdivision excise, sales, use, property, purchase, lease, possession or other taxes now in force or enacted in the future required to be collected by Franchisor on account of Equipment or services furnished to Franchisee, except for federal or state taxes based upon Franchisor's net income. Franchisee will pay any such taxes upon demand.

9. FRANCHISEE AUTHORIZED PERSONNEL

The "Authorization" attached as Exhibit A, lists the individuals (other than the Franchise Operator) authorized to order Equipment on Franchisee's behalf. Franchisee may change the Authorization only by written notice to Franchisor, which will be effective upon receipt. Any change to the Authorization will not be effective for any Orders received, purchases otherwise made or expenses incurred by Franchisor pursuant to the direction of a person previously listed on the Authorization. Franchisee is liable for performance of agreements entered into by, and payment of all charges for all Equipment ordered by or delivered to, individuals listed on the Authorization.

10. SITE PREPARATION, PERMITS, FEES AND INSTALLATION

Franchisee is responsible for preparing the restaurant site as necessary for the Equipment to be installed, including adding or altering electrical connections. Franchisee is also responsible for properly installing the Equipment, obtaining any necessary permits, inspections, safety tests and licenses. Franchisor's sole responsibility is to purchase the Equipment ordered by Franchisee.

11. FORCE MAJEURE

Franchisor will not be liable to Franchisee for delayed purchase or delivery, or non-delivery, of Equipment due to Acts of God, fire, flood, storm, riot, war, terrorism, sabotage, explosion, accident, strike, lockout, labor disturbance, government action, law, ordinance or regulation, failure of normal sources of supply or any similar or different contingency beyond its control that would make performance commercially impracticable, whether or not the contingency is of the same class as those previously enumerated.

12. LIABILITY

Except as otherwise provided in this Agreement, Franchisee assumes all liability, including but not limited to the entire Risk of Loss in the event of disappearance, theft, destruction of or damage to the Equipment from any cause whatsoever (all referred to as a "Casualty Occurrence") from the time Equipment is shipped from the Manufacturer or Distributor or other third party. No such Casualty Occurrence will relieve Franchisee of the obligation to make payments under this Agreement, or of meeting any other obligation under this Agreement.

Franchisor is not responsible for expenses, losses or any damages of any nature due to Equipment failure caused by defects in material or workmanship. Franchisee's sole

remedy, if any, lies with the Manufacturer, Distributor or other third party from whom Franchisor purchased the Equipment on Franchisee's behalf.

13. INDEMNITY

Franchisee hereby agrees to indemnify Franchisor against, and to hold Franchisor harmless from, any and all claims, actions, damages, ~~attorneys~~attorneys' fees, obligations, liabilities and liens (including any of the foregoing arising or imposed under the doctrine of strict liability or by operation of law) arising out of the manufacture or condition of the Equipment, or the purchase, lease, loan, delivery, possession, operation, use of return of the Equipment. The provisions of this paragraph survive termination of this Agreement with respect to events occurring prior to such termination.

14. NO WARRANTIES BY ~~DIFFERENT RULES, LLC~~FRANCHISOR

~~DIFFERENT RULES, LLC~~FRANCHISOR MAKES NO ORAL, STATUTORY OR IMPLIED WARRANTIES RELATING TO THE EQUIPMENT OR THE SALE, DELIVERY, INSTALLATION, OPERATION OR USE THEREOF. ~~DIFFERENT RULES, LLC~~FRANCHISOR NEITHER ASSUMES, NOR AUTHORIZES ANYONE TO ASSUME FOR IT, ANY OBLIGATION OR LIABILITY IN CONNECTION WITH THE EQUIPMENT OR ITS SALE, DELIVERY, INSTALLATION, OPERATION OR USE. ~~DIFFERENT RULES, LLC~~FRANCHISOR IS NOT THE MANUFACTURER, DISTRUBUTOR OR SUPPLIER OR THE EQUIPMENT, BUT SIMPLY AGREES TO ACT AS AGENT FOR FRANCHISEE UNDER THIS AGREEMENT AS AN ACCOMMODATION. ~~DIFFERENT RULES, LLC~~FRANCHISOR MAKES NO REPRESENTATION OR WARRANTY EXPRESS OR IMPLIED AS TO ANY MATTER WHATSOEVER, INCLUDING CONDITION OF EQUIPMENT, ITS MERCHANTABILITY OR FITNESS, AND AS TO ~~DIFFERENT RULES, LLC~~FRANCHISOR, FRANCHISEE ACKNOWLEDGES THAT THIS EQUIPMENT IS ENTIRELY SUITABLE FOR HIS/HER PURPOSES.

15. SECURITY INTEREST IN EQUIPMENT

Upon Franchisor's acceptance of an Order for any Equipment purchase, Franchisee is indebted to Franchisor for (i) the principal amount of the purchase price as specified on the Order; (ii) the amount of the mark-up compensation for Franchisor's services; and (iii) in the amount of all freight charges, taxes and other fees incidental to the purchase and delivery of the Equipment ordered, (all of which is collectively referred to as the "Purchase Price"). To secure such indebtedness and all extensions and renewals thereof, Franchisee hereby grants to Franchisor a security interest in the Equipment described on the Order, together with the proceeds of the sale of the Equipment, any replacements, accessions or additions thereto (which property is for the purposes of this section hereinafter referred to as the "Collateral").

Until the Purchase Price is paid in full, Franchisee warrants that Franchisee (a) will properly maintain, repair and preserve the Collateral and insure the same against loss; (b) will pay all taxes that may become a lien on the Collateral; (c) will not sell, contract to sell, lease, encumbrance or other dispose of the Collateral nor change its physical location from the Jack in the Box restaurant premises to which it was delivered; (d) will sign any additional agreements, assignments or documents that may be deemed necessary or advisable by Franchisor to effectuate the purpose of this Agreement and the protection of the Collateral.

16. DELINQUENT PAYMENTS

If any payment to Franchisor required under this Agreement is not paid by its due date, Franchisee agrees to pay interest at the then-current rate established by Franchisor under its Franchise Payment Policy or the maximum rate permitted by law, whichever is less. Additionally, if Franchisee does not pay the invoice by the due date, Franchisee is obligated to pay any collection and legal expenses, including attorneys' fees, necessary to obtain full payment of the invoice amount. Franchisor's acceptance of any payment less than the full

amount of any invoice will not constitute a waiver of Franchisor's right to collect the balance, and will not be deemed satisfaction of Franchisor's claim.

17. REMEDIES UPON DEFAULT

In the event of: (a) any failure by Franchisee to pay when due any payment required by this Agreement, (b) any failure by Franchisee to perform or comply with any other obligations under this Agreement, or (c) any loss or theft of any purchased Equipment for which Franchisor is not yet fully paid, or substantial damage or destruction to such Equipment, or issuance of any lien, levy, attachment, garnishment or judicial process relating to such Equipment; (d) any use or intended use of Equipment other than in Jack in the Box restaurants in the context of normal restaurant operations; (e) any insolvency, bankruptcy, business failure, assignment for the benefit of creditors of the appointment of a receiver for Franchisee or its property, or a bulk transfer of Franchisee's Equipment, furniture, fixtures, inventory or other personal property, (f) Franchisor deeming itself insecure, believing in good faith that the prospect of payment of indebtedness under this Agreement or of performance of this Agreement is impaired; (g) any default under the terms of any Franchise Agreement or Lease Assignment between Franchisor or its affiliates and Franchisee or its affiliates, Franchisor will have the following remedies:

Franchisor may exercise any and all rights and remedies granted a secured party under the Uniform Commercial Code, including seizure and sale. Seizure shall be without notice, demand, court order or other process of law and without liability to Franchisee for any damages occasioned thereby. In the event of seizure and sale of any Equipment hereunder by Franchisor, it is agreed that the proceeds of sale will be applied first to costs of sale and other expenses authorized by the Uniform Commercial Code, including reasonable attorneys' fees, second to service charges on past due payments and third to other amounts due; thereafter any surplus will be paid to Franchisee or such other person as may be entitled thereto. Franchisee will remain liable for any deficiency, which shall pay to Franchisor immediately upon demand.

18. ~~DIFFERENT RULES, LLC~~FRANCHISOR'S FAILURE TO PERFORM - LIQUIDATED DAMAGES

It is agreed that it is impractical if not impossible to fix the actual damages, if any, that may proximately result from a failure on the part of Franchisor to perform any of its obligations under this Agreement. It is further agreed that if Franchisor is found liable to Franchisee for loss or damage due to a failure to perform in any respect, even if due to Franchisor's negligence, Franchisor's liability will be limited to a sum equal to ONE HUNDRED DOLLARS ($100), as liquidated damages and not as a penalty and that this liability is exclusive and in no event will Franchisor be liable for any special, incidental or consequential damages, loss of profit, data or any other losses whatsoever.

22. MODIFICATION

23. SEVERABILITY
If any part of this Agreement is adjudged by a Court of competent jurisdiction to be invalid, such judgment will not affect the validity of the remainder of this Agreement.

24. WAIVER
No failure on the part of either party to exercise, nor delay in exercising, any right, power or privilege under this Agreement will operate as a waiver of that right, power or privilege; nor will any single or partial exercise of any right, power or privilege under this Agreement preclude further exercise of such right or any other right under this Agreement.

25. CAPTIONS
The captions herein are for convenience only and do not define or in any way limit any of the terms of this Agreement.

26. JOINT AND SEVERAL LIABILITY
If more than one Franchisee is named in this Agreement, the liability of each is joint and several.

STATE-SPECIFIC DISCLOSURE ADDENDA AND AGREEMENT AMENDMENTS

STATE-SPECIFIC ADDENDA AND AGREEMENT AMENDMENTS

Each provision of these Addenda to the Disclosure Document and Amendments to the Franchise Agreements, License Agreements and Development Agreements is effective only to the extent (with respect to each provision) that that state franchise law would apply to your franchise or development rights, without reference to the Addenda or Amendments.

CALIFORNIA DISCLOSURE ADDENDUM

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§ 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000-20043, the JACK IN THE BOX DISCLOSURE DOCUMENT for use in the State of California is amended to include the following:

1. Our website, www.jackinthebox.com, has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of the website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

2. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

3. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

4. YOU MUST SIGN A GENERAL RELEASE IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE § 31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE §§ 31000 THROUGH 31516). BUSINESS AND PROFESSIONS CODE § 20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE §§ 20000 THROUGH 20043).

5. California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

6. In Item 3, "Litigation," is amended by adding the following paragraphs:

> Pursuant to California law, this Item does not include any information regarding the arrest of any person(s) that did not result in a conviction or plea of nolo contendere.
>
> Neither we, nor any person identified in Item 2 above, is subject to any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

7. Item 5, “Initial Fees,” is amended by adding the following paragraph:

The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

8. Item 10, “Financing” is amended to add the following to the first paragraph:

The highest interest rate permitted by law in California is 10% annually.

9. Item 17, “Renewal, Termination, Transfer and Dispute Resolution,” is amended by adding the following paragraph(s) to the end of the Item:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement and Development Agreement provide for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.).

The Franchise Agreement and contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

10. The following is added to Item 19:

The earnings claims figure(s) does not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your (franchised business). Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

11. All the owners of the franchise will be required to execute personal guarantees. This requirement places the personal and marital assets of the franchise owner(s) at risk.

12. The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

13. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

14. To the extent this Addendum is deemed to be inconsistent with the Disclosure Document, the terms of this Addendum shall govern.

CALIFORNIA FRANCHISE AGREEMENT AMENDMENT

(B) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER, OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THIS ACT. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

(C) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. GOOD CAUSE SHALL INCLUDE THE FAILURE OF THE FRANCHISEE TO COMPLY WITH ANY LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND TO CURE SUCH FAILURE AFTER BEING GIVEN WRITTEN NOTICE THEREOF AND A REASONABLE OPPORTUNITY, WHICH IN NO EVENT NEED BE MORE THAN 30 DAYS, TO CURE SUCH FAILURE.

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE, AT THE TIME OF EXPIRATION, OF THE FRANCHISEE'S INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISED BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF: (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS; AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS ADVANCE NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(E) A PROVISION THAT PERMITS THE FRANCHISOR TO REFUSE TO RENEW A FRANCHISE ON TERMS GENERALLY AVAILABLE TO OTHER FRANCHISEES OF THE SAME CLASS OR TYPE UNDER SIMILAR CIRCUMSTANCES. THIS SECTION DOES NOT REQUIRE A RENEWAL PROVISION.

(F) A PROVISION REQUIRING THAT ARBITRATION OR LITIGATION BE CONDUCTED OUTSIDE THIS STATE. THIS SHALL NOT PRECLUDE THE FRANCHISEE FROM ENTERING INTO AN AGREEMENT, AT THE TIME OF

ARBITRATION, TO CONDUCT ARBITRATION AT A LOCATION OUTSIDE THIS STATE.

(G) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED FRANCHISEE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATIONS OR STANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(iii) THE UNWILLINGNESS OF THE PROPOSED TRANSFEREE TO AGREE IN WRITING TO COMPLY WITH ALL LAWFUL OBLIGATIONS.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

License / Development Agreement, and that consent to the transfer of the franchise/license/development not be unreasonably withheld.

Pursuant to Minn. Rule 2860.4400D, any general release of claims that you or a transferor may have against us or our shareholders, directors, employees and agents, including without limitation claims arising under federal, state, and local laws and regulations shall exclude claims you or a transferor may have under the Minnesota Franchise Law and the Rules and Regulations promulgated thereunder by the Commissioner of Commerce.

Minn. Stat. § 80C.21 and Minn. NEW YORK DISCLOSURE ADDENDUM

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR RESOURCES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions other than routine litigation incidental to the business that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten years immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities

association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" sections of Item 17(c), titled "Requirements for a franchisee to renew or extend," and Item 17(m), entitled "Conditions for franchisor approval of transfer":

> However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non- waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "Termination by a franchisee": "You may terminate the agreement on any grounds available by law."

5. The following is added to the end of the "Summary" sections of Item 17(v), titled "Choice of forum," and Item 17(w), titled "Choice of law":

> The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

WASHINGTON DISCLOSURE ADDENDUM

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **RISK FACTOR. Use of Franchise Brokers**. The franchisor uses the services of a franchise broker to assist it in selling franchises. The franchise brokers are employees of our parent company JACK IN THE BOX INC., but are considered franchise brokers because they are not employed by the franchisor. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

20. **Assurance of Discontinuance**. The following paragraph is added at the end of Item 3:

> *Assurance of Discontinuance with the Washington State Attorney General.* In December 2018, Jack in the Box Inc. entered into an Assurance of Discontinuance ("AOD") with the Washington State Attorney General. The AOD, which was filed in the State of Washington King County Superior Court, agreed that JIB will no longer include the non-solicitation and no-hire provisions in any of its franchise agreements in the United States as of the date the AOD was filed. It also agreed that JIB will no longer enforce those provisions in any of its existing franchise agreements in the United States,

and that JIB will not seek to intervene or defend against any action brought by the AG's office against a franchise operator who attempts to enforce those provisions. JIB notified its franchisees about the AOD and requested that the Washington state franchisees execute an amendment to their existing franchise agreements that effectively removes the non-solicitation and no-hire provisions. JIB also removed both provisions from its current Franchise Agreement.

21. **Fee Deferral.** The following paragraphs are added at the end of Item 5:

Based upon the review of our audited financial statements (attached as Exhibit A) by the State of Washington, Department of Financial Institutions, Securities Division (the "Division"), the Division has required that we defer the payment of all initial fees. If you have signed a Development Agreement, upon the opening of each Franchised Restaurant, you will pay to us the pro-rated portion of the Development Fee for that Franchised Restaurant. Under the Franchise Agreement, you will pay to us the Franchise Fee with the Franchised Restaurant opens for business.

22. **Referral Fees.** The following is added at the end of Item 5:

Franchisees who receive financial incentives to refer franchise prospects to the Franchisor may be required to register as franchise brokers under the laws of Washington State.

In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the Franchise Agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the Franchise Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

9. **Fair and Reasonable Pricing.** Any provision in the Franchise Agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the Franchise Agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the Franchise Agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the Franchise Agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the Franchise Agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the

Franchise Agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. WASHINGTON LICENSE AGREEMENT AMENDMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the License Agreement regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the License Agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the License Agreement or related agreements concerning your relationship with the franchisor. License Agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the License Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the License Agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the License Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the License Agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in License Agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the License Agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the License Agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the License Agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the License Agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the License Agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the License Agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the License Agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the License Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the License Agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
