What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments to be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in New York. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in New York than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. If so, check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, franchisee has the right to request an escrow arrangement.

Notes

1. We impose and collect all fees unless otherwise specified. All fees are non-refundable.
2. All payments for your Franchised Business will be processed by us. Within 60 days after the end of each calendar month we will provide you with a report of net revenue (total revenue less discounts, allowances and credits granted to customers) for your Franchised Business, itemizing the Continuing Royalty Fee paid to us and direct cost adjustments. We will deduct the

Continuing Royalty Fee (and Brand Development Fee, if we choose to form a Brand Development Fund and collect this fee, National or Regional Account Fees or Management Fees, if applicable), and your portion of any delinquent accounts from your net revenue, your portion of any reserve established as a result of delinquent accounts, then deduct direct costs payable to us, and pay the distributed balance to you (or, if the calculation shows that you owe money to us, you must pay us). We may make payments to you by check or electronic funds transfer. You must sign any documents required by us, our bank or your bank to accomplish electronic funds transfers. We may make collections from you for amounts you owe to us by reducing your distributed balance or by your direct payment to us (by electronic funds transfer or check). If in the future we receive payment on a delinquent account, the revenue to you from that account will be attributed to you in our next payment due to you, less any costs due to us.

“Total revenue” means the total amount received or receivable arising from, connected with or related to the sale of all goods, merchandise or services and all business transacted at, from or through your Franchised Business, directly or indirectly, excluding only (a) sales taxes and other taxes separately stated and collected from clients and paid to taxing authorities; (b) refunds and credits made in good faith to arm’s-length clients according to our standards and specifications for issuing refunds or credits; and (c) the discount value of any coupon, voucher or other allowance that we authorize at the time the client’s coupon, voucher or allowance is redeemed

The direct costs we will deduct from net revenue include wages, applicable payroll taxes and fringe benefits, insurance (including health insurance and/or penalties as required under the ~~Affordable Care Act~~ [prevailing regulations](#)), credit card processing fees of ~~23~~3% (or the prevailing rate), ACA processing Fee of 1% and refunds. We will pay a distributed balance to you even if we have not received payment from your clients, but we will set up a reserve program for accounts that are 90 days past due. Under the Accounts Receivable Reserve Program, a reserve will be established with respect to accounts receivable over 90 days old. Unapplied credits for specific clients will be fully deducted from delinquent accounts receivable when the calculation is made. You must sign any documents we require evidencing our absolute ownership of Accounts Receivable for your Franchised Business.

On a semi-annual basis, you must pay to us a minimum semi-annual Continuing Royalty Fee. Within 60 days after the end of each semi-annual period, we will advise you whether you have paid the minimum semi-annual Continuing Royalty Fee for the previous semi-annual period. If you did not meet the minimum, we will notify you of the balance of the Continuing Royalty Fee that is payable to us and the date this payment will be deducted from your distributed balance. If the distributed balance is not sufficient to cover the balance of the minimum amount due, you must pay the balance of the minimum Continuing Royalty Fee to us within 10 days. For the first semi-annual period, the minimum Continuing Royalty Fee will be waived. The minimum Continuing Royalty Fee you must pay to us on a semi-annual basis is as follows:

Period		Minimum Semi-Annual Continuing Royalty Fee
Year 1	Semi-Annual Period 1	\$0
	Semi-Annual Period 2	\$9,000
Year 2	Semi-Annual Period 1	\$18,000
	Semi-Annual	\$18,000

Period		Minimum Semi-Annual Continuing Royalty Fee
	Period 2	
Year 3	Semi-Annual Period 1	\$36,000
	Semi-Annual Period 2	\$36,000
Year 4	Semi-Annual Period 1	\$56,000
	Semi-Annual Period 2	\$56,000
Beginning in Year 5 and for each Semi-Annual Period for the Remaining Term of the Franchise Agreement		Previous Semi-Annual Period's Minimum +5%

3. ~~Delinquent accounts receivable will be charged back to you based upon the following computation of the average gross margin of that business: the calculation is 1 minus the Continuing Royalty Fee percentage divided by the gross margin percentage multiplied by the delinquent receivable amount, which does not include interest. For example, if you have an average gross margin of 35% and the delinquent receivable is \$1,000, without interest, then the calculation would be $1 - (.08 / .35) * 1,000$ which equals~~ at the full amount of the receivable less the royalty fee paid. For example If the invoice is \$1,000 and the royalty fee is 8% then the delinquent invoice would be charged back at \$771.43910. You will be notified that an ~~account/invoice~~ has become delinquent ~~when it has aged~~ at 90 days . If ~~in~~ in the future we receive payment on ~~the~~ delinquent account, ~~the revenue to you from that account will be attributed to you in our next payment due to you, less any~~ you will receive the paid invoice minus any collection costs due to us.
4. If we terminate the Franchise Agreement with cause, you must pay us liquidated damages equal to the average monthly Continuing Royalty Fee you paid or owed to us during the 12-month period before termination multiplied by 24 (the number of months in two full years).
5. For any fees that are not paid to us we have no control over how frequently and how much these fees may change, which is in the sole discretion of the supplier.
6. You will contract with assisted living facilities and independent living facilities in order to provide assistance to seniors and their families in helping them find alternative living solutions. We will earn a referral fee when a client is accepted for residency in a referred to a facility. The referral fee will be paid directly to us. The referral fee will be split with ~~90~~ 80% being paid to you and ~~10~~ 20% retained by us.
7. You will market approved medical alert systems, medication management systems and other technologies as part of our comprehensive home assessment evaluation. A portion of the monthly fee earned by us on our in-home technology services will be split with 70% being paid to you and 30% retained by us. The approved vendors will make payments directly to us or you.

Explanatory Notes

1. ***Initial Franchise Fee.*** We describe the initial franchise fee in Item 5.

2. **Rent.** You will need ~~between 250 and 800~~ at least 1,000 square feet of general office space for your Franchised Business. The amount of your monthly rent will depend on the site's size, condition, and location, your ability to negotiate with the landlord, and the demand for the site among prospective lessees. You may choose to establish your office in an executive suite where the furniture, furnishings, phones, data lines and office equipment are all included in one fee. The office space you wish to occupy must be approved by us. Our estimates assume that you will be leasing space, and that you will not purchase real property and build your own building for your Franchised Business. If you choose to purchase real property and build an office, we cannot estimate how your initial investment would increase.
3. **Leasehold Improvements.** We anticipate that your leased office will need minimal leasehold improvements to meet our then-current image for all CareBuilders At Home businesses. The leasehold improvements may include HVAC, electrical work, plumbing, flooring, wall coverings, and the like. The actual cost of your leasehold improvements will depend on labor rates for the area in which your office is located, whether you must use union labor, the condition of the leased premises and how much the premises must be renovated.
4. **Equipment, Furnishings and Fixtures.** The equipment, furnishings and fixtures you will need include desks, chairs, copy machine, file cabinets, reception room seating, telephone system, waste baskets, and basic office supplies for operating the Franchised Business.
5. **Signage.** You must obtain the interior and exterior signage we require for your Franchised Business. All signage must comply with the terms of your lease and applicable local law.
6. **Initial Inventory.** Our estimate includes proprietary forms, stationery, business cards, ID cards, brochures, camera and film, and manuals (in book or CD-ROM format or on-line, at our discretion).
7. **Security Deposit.** Our estimate assumes that you will need to pay a security deposit to your landlord for the leased space. Your local utility companies (such as electric and telephone) may also require you to pay security deposits.
8. **Insurance Premiums.** You must maintain the insurance and bonds that we require during the entire term of the Franchise Agreement. Your insurance premiums may be payable monthly, quarterly, semi-annually or annually, depending on your insurance company's practices.
9. **Travel and Living Expenses While Training.** We will provide our initial training program to up to two people (including you) at no additional charge. If you request that we provide our initial training program to additional trainees, you must pay our then-current training fee as described in Item 6. Our estimate in the above chart covers travel expenses, car rental expenses, hotel, meals and applicable wages for the first four trainees while attending training. The low end of the estimate assumes that you are within driving distance each day of training. The high end of the estimate assumes that additional travel is needed. Your actual costs will depend on the distance you must travel, the total number of people attending training, and the accommodations you choose.
10. **Computer System.** You must purchase or lease the computer system hardware and software that we require. Additional information about our requirements is included in Item 11 below. Our estimate includes the initial license and set-up fee for the required operating software and the yearly fee for the recruitment software.

11. **Licenses and Permits.** You must obtain the operational licenses and permits required by applicable local, state and/or federal law. All required licenses and permits must be in place and in good standing at all times during the term of your Franchise Agreement.
12. **Professional Fees.** We encourage you to investigate Professional Fees in major metropolitan areas as they may be higher. We strongly advise you to consult with your own financial and legal advisors, and we anticipate that you will incur professional fees related to your evaluation of this Disclosure Document. If you choose to form an entity for your Franchised Business, you may incur additional legal fees and expenses that we cannot estimate here.
13. **Launch Program.** You will be required to pay us this fee to be used in the start-up phase of your Franchised Business. We will assist you with the allocation of these funds towards marketing, promotions, lead generation and targeting of potential clients in your first six months to help accelerate your start-up.
14. **Additional Funds.** This item estimates your initial start-up expenses (other than the items identified separately in the table) for the initial period of operations of your Franchised Business, which we anticipate will be three months. These expenses might include payroll costs if your start up plan includes hiring support staff, or a reasonable draw or salary for you based on your preferred lifestyle and current lifestyle expenses. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business.

We relied on our Parent's and our Affiliate's (ATC Healthcare Services, Inc.) prior franchise experience, as well as our own experience, to compile these estimates. You should review these figures carefully with a business advisor before deciding to acquire the franchise. We do not finance any portion of your initial investment. The availability and terms of third-party financing for the franchise purchase and business start-up depend on many factors, including the availability of financing generally, your creditworthiness and collateral and lending policies of financial institutions from which you request a loan.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate the Franchised Business according to our System Standards. System Standards may regulate, among other things, the types, models, and brands of equipment, computer system, required software, marketing materials, proprietary forms and other items to be used in your Franchised Business (collectively, "Operating Assets"); required and authorized product and service categories; and designated and approved suppliers of these items and services, which could be limited to us, our affiliates, and other restricted sources, in which case you must acquire certain items for your Franchised Business only from these restricted sources. Except as described in this Item 8, there are no goods, supplies, fixtures, equipment, inventory, or real estate for the Franchised Business that you currently must buy or lease from us (or an affiliate) or designated suppliers. If we and/or our affiliate are designated or approved suppliers, we have the right to earn a profit on your purchases from us or our affiliate.

During the fiscal year ended September 30, ~~2024~~2025, neither we nor our affiliates derived any revenue due to our franchisees' required purchases and leases. Because we are owned by our Parent, none of our officers listed in Item 2 has a direct ownership interest in us, but Stephen Savitsky and David

Savitsky do have an ownership interest in our Parent. None of our officers has an ownership interest in any other approved supplier.

To maintain the quality of the goods and services that CareBuilders At Home businesses sell and our System's reputation, we may condition your right to buy or lease Operating Assets and other items on their meeting our minimum standards and specifications and/or their being purchased or leased from suppliers that we approve. We will formulate and modify standards and specifications based on our (and our franchisees') experience in the industry and in operating CareBuilders At Home businesses. Our standards and specifications may impose minimum requirements for delivery of services, performance, reputation, prices, quality, design, and appearance. Our Manual or other communications will identify names of approved suppliers. There might be situations where you can obtain items from any supplier who can satisfy our requirements and would, therefore, be an approved supplier.

If we institute any type of restrictive sourcing program (which, as noted above, we have the right to do) and you want to use any product that we have not yet evaluated or to buy or lease from a supplier that we have not yet approved, you first must send us sufficient information, specifications, and samples so we can determine whether the product complies with System Standards or the supplier meets approved supplier criteria. We will, within 14 days, give you our decision. We periodically will establish procedures for your requests and may limit the number of approved products and/or suppliers as we think best. Approval might be temporary until we evaluate the supplier in more detail. We may inspect a proposed supplier's facilities during and after the approval process to make sure that the supplier meets our standards. If it does not, we may revoke our approval by notifying the supplier and you in writing. We are not required to provide you or the proposed supplier with our evaluation criteria. We do not currently charge a fee for our evaluation of a proposed product or supplier, but we have the right to do so.

We or our affiliates do not currently, but reserve the right to, derive revenue from approved suppliers in the form of rebates, commissions or other payments based on our franchisees' purchases from these approved suppliers. If we or our affiliates receive payments from suppliers on account of their dealings with you and other franchisees, there is no restriction on our use of these funds unless otherwise agreed to with the supplier. There currently are no purchasing or distribution cooperatives, although we may establish them in the future. We have the right to negotiate purchase arrangements with suppliers (including price terms) for the benefit of all Franchised Businesses in the System. We do not provide material benefits to you, such as the grant of a renewal franchise or the grant of an additional territory, for using designated or approved suppliers.

The cost of purchasing and/or leasing approved or required inventory, supplies, fixtures, equipment and construction items is estimated to constitute approximately 13% to 20% of total purchases and leases you will make in connection with the establishment of your Franchised Business, and approximately 10% to 20% of total purchases and leases in connection with the operation of your Franchised Business.

We must approve of the location you choose for your Franchised Business. We must also approve of any marketing materials that you wish to use in promoting your Franchised Business if the marketing materials were not prepared by us or approved by us in the immediately preceding 12-month period. You must use the internet marketing supplier we designate to prepare and maintain your local website. Additional information about these approval processes is included in Item 11.

Insurance

You also must obtain, before beginning any operations under the Franchise Agreement, and must maintain in full force and effect at all times during the term of the Franchise Agreement, at your own

expense, an insurance policy or policies protecting you, us, our affiliates, and our respective officers, directors, partners, and employees. The policies must provide protection against any demand or claim relating to personal and bodily injury, death, or property damage, or any liability arising from your operation of the Franchised Business. All policies must be written by a responsible carrier or carriers whom we determine to be acceptable, must name us and our affiliates as additional insureds, and must provide at least the types and minimum amounts of coverage specified in the Franchise Agreement or otherwise in the Manual.

You must at all times during the term of the Franchise Agreement, maintain in full force and effect, and at your sole expense, the following insurance on a primary basis:

1. *Commercial General Liability Insurance* - including property damage, personal injury, products and completed operations liability coverage with a combined single limit of no less than \$1,000,000 per occurrence and \$3,000,000 aggregated limit;
2. *Professional Liability Insurance* - with a combined single limit of no less than \$1,000,000 per occurrence and \$3,000,000 aggregated limit with a minimum sublimit of no less than \$1,000,000 for sexual misconduct, abuse or molestation;
3. *Automobile Liability Insurance* - for all hired and non-owned automobiles with single-limit coverage of no less than \$1,000,000 (required if you choose to use a vehicle in the operation of the business);
4. *Commercial Property Insurance* - for all personal property contents at replacement cost value including no less than \$50,000 Business Interruption Insurance;
5. *Third-Party Liability Insurance/Bond* (theft of client's property) - with a minimum per occurrence limit of no less than \$25,000;
6. *Employment Practice Liability Insurance* - with no less than \$500,000 limit;
7. *Worker's Compensation and Employers' Liability Coverage* - to meet the statutory requirements in your state where the Franchised Business operates; and
8. [Cyber Liability Insurance, including coverage for data breaches, privacy violations, network security failures, ransomware, and business interruption, in the amount and form that we require from time to time.](#)

Other insurance may be required by the state or municipality where your Franchised Business is located and/or operated. ~~At this time it is recommended, but not required, that you obtain a Commercial Umbrella Policy and/or Cyber Insurance Coverage.~~

You must provide us with a certificate of insurance showing that you have obtained the required coverages not later than two weeks before your Franchised Business opens, and you must provide us with an updated certificate of insurance as policies are renewed. All policies must provide us with 30 days' advance written notice of any cancellation or change to any policy. We have the right to change our insurance requirements during the term of your Franchise Agreement, and you must comply with any changes.

Brand Development Fund and Cooperatives

If we choose to form the Brand Development Fund (the “Fund”), you must pay a Brand Development Fee that will not be greater than 1% of total revenue. We will provide you with 60 days’ prior written notice that we have elected to establish the Fund and when you must begin paying a Brand Development Fee. As of September 30, ~~2024~~2025, the Fund has not been established, so no monies were spent or collected by the Fund. If formed, the Fund will be administered as follows:

The Fund may be managed by us, our designee or a professional agency to advertise and promote the System and CareBuilders At Home businesses. The Fund will be used for national, regional and/or local advertising, publicity and promotion relating to our business. We will determine, in our fully unrestricted discretion, the manner in which the Fund will be spent. Some portion of the Fund may be used for creative concept production, marketing surveys, test marketing and related purposes. We have the right to direct all advertising activities with sole discretion over creative concepts, materials and media used, as well as their placement and allocation. The Fund will not be audited.

We have the right to reimburse ourselves out of the Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials and collecting the Brand

Development Fee (including attorneys', auditors' and accountants' fees and other expenses incurred in connection with collecting any Brand Development Fees). The Fund is not our asset, and it is not a trust. We do not owe you any fiduciary obligations because we maintain the Fund. We may spend in any calendar year an amount greater or less than the aggregate contributions made by all franchised businesses contributing to the Fund in that year. We may make loans to the Fund (and the Fund may borrow from us or other lenders) bearing reasonable interest to cover any deficits of the Fund or cause the Fund to invest surplus for future use. Any money remaining in the Fund at the end of any year will carry over to the next year.

Any CareBuilders At Home businesses owned by us or our affiliates will contribute to the Fund on the same basis as franchisees in the System. Funds from the Brand Development Fees paid will be kept separate and distinct and will be accounted for separately from our other funds. These funds will not be used to defray any of our general operating expenses, except as described in the paragraph above, and will not be used for advertising that is primarily a solicitation of new franchisees. We will prepare, and furnish to you upon written request, an unaudited annual statement of funds collected and costs incurred.

We may incorporate the Fund or operate it through a separate entity whenever we want to. The Fund is intended to maximize general public recognition and patronage of all franchised businesses and the Marks for the benefit of all franchised businesses. We have no obligation to make sure that expenditures by the Fund are proportionate or equivalent to contributions by your Franchised Business or to make sure that any CareBuilders At Home business will benefit directly or in proportion to its contribution to the Fund from the conduct of marketing programs or the placement or advertising.

We have the right, but no obligation, to use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle and compromise all claims by or against the Fund.

We may at any time defer or reduce the Fund contributions of any franchised business and, upon 30 days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to all franchised businesses (whether franchised or operated by us or our affiliates) in proportion to their respective Fund contributions during the preceding 12-month period. If we terminate the Fund we will have the right to reinstate it at any time, and the reinstated Fund will be maintained as described above.

Local Marketing

You must conduct local marketing in your territory, and you must spend not less than 1% of your total revenue each month or \$1,000, whichever is greater, for local marketing, including approved job board, internet and website marketing. If we establish a Brand Marketing Fund, which we currently have not done, this expense will be in addition to any fees due to use for the Brand Marketing Fund. We have the right to increase this fee within 30 days' notice to you. Your marketing and promotion will be completely clear, factual and not misleading and conform to the highest standards of ethical marketing and the marketing policies that we periodically prescribe. All of your marketing must also comply with any applicable laws or regulations. Before you use them, you must send us for approval samples of all promotional and marketing materials which we have not prepared or previously approved. If you do not receive written approval within 15 days after we receive the materials, they are deemed to be disapproved. You may not use any promotional or marketing materials that we have disapproved or that have not been approved by us within the previous 12 months. All proposed marketing materials submitted to us for review will become our property and there will be no limitation on our use or distribution of these

materials. At our request you must include certain language in your local marketing materials, including “Franchises Available”, our website address and telephone number.

At our request, you must provide us with proof of your expenditures on local marketing, including a report of the monies spent, copies of the marketing used and verification of marketing.

Launch Program

You must pay to us a \$10,000 fee which we will earmark for use in the start-up phase of your Franchised Business. Under this program we will consult with you on how to allocate these funds towards marketing, promotions, lead generation, and targeting of potential clients in your first six months to help accelerate your start-up. These funds will be spent to increase traffic and generate leads to your dedicated website through online marketing via Pay Per Click (PPC), Search Engine Optimization (SEO) and retargeting. Funds may also be used to promote your Franchised Business on various social media platforms and provide local listings and reputation management. In addition, we will provide you with a launch kit that will include items such as brochures, business cards, car magnets, and a pop-up display sign. Usage of these program funds will count against your local marketing requirement. We may pay the vendors out of the program funds on your behalf, or we may reimburse you from the program funds for payments you make directly to vendors.

Advisory Council

We do not anticipate forming an advisory council for the System.

Cooperatives

We do not expect to establish or approve the establishment of regional advertising cooperatives, but we have the right to do so. Currently, you are not required to participate in a local or regional advertising cooperative. If an advertising cooperative is formed by our franchisees and approved by us, you may be required to contribute your pro rata share of the total advertising cost incurred by the cooperative. This fee will be determined when established based on the economic metrics applicable at the time of establishment. You may be required to contribute the amounts agreed upon by the majority of members of the cooperative, at the times agreed upon by the majority of the members. The cooperative will determine who will administer the cooperative. The written governing documents will be available for review by you and you must abide by the cooperative’s rules. Cooperatives do not need to prepare annual or periodic financial statements, but if they are prepared, they may be reviewed by you.

Website / Intranet

Websites (as defined below) are considered “advertising” under the Franchise Agreement and are subject (among other things) to our review and prior written approval before they may be used (as described above). As used in the Franchise Agreement, the term “Website” means an interactive electronic document or social media contained in a network of computers linked by communications software, that you operate or authorize others to operate and that refers to CareBuilders At Home businesses, the Marks, us, or the System. The term Website includes internet and world wide web home pages.

We will provide you with a Website that we have preapproved for your use. You are only permitted to use the Website we provide. You may not establish a Website independently related to the Marks or the System, nor may you offer, promote, or sell any products or services, or make any use of the Marks, through the internet unless it is through the Website we have established for you. We will provide

you or our designated internet marketing supplier with a template for a Website for your Franchised Business that we will develop and host for you. Your Website will be a sub-site under our main Website, www.CareBuildersAtHome.com. You will spend \$350 each month to maintain a sub-site under our main Website with minimum capabilities.

We will have the right to establish a website or other electronic system providing private and secure communications (*e.g.*, an intranet) between us, our franchisees, and other persons and entities that we decide are appropriate. If we require, you must establish and maintain access to the intranet in the manner we designate. Additionally, we may periodically prepare agreements and policies concerning the use of the intranet that you must acknowledge and/or sign.

You may promote your Franchised Business and use our Marks on any social and/or networking Websites, such as Facebook, LinkedIn and Twitter, so long as we first review and approve your proposed use in writing. You must comply with our System standards regarding the use of social media in your Franchised Business' operation, including prohibitions on your and the Franchised Business' employees posting or blogging comments about the Franchised Business or the System, other than on a website established or authorized by us ("social media" includes personal blogs, common social networks like Facebook, professional networks like LinkedIn, live-blogging tools like X (f/k/a Twitter), virtual worlds, file, audio and video-sharing sites, and other similar social networking or media sites or tools). We will provide access to branded social media pages/handles/assets, and you must update these regularly. We have the right to conduct collective/national campaigns via local social media on your behalf.

Computer System

You must purchase or lease a computer system with the minimum hardware components and software. We do not currently specify the make or model of the computer system you must purchase or lease, but we have the right to do so in the future. Unless the delay is caused by someone outside of your control, then within 60 days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and to ensure that your Computer System, as modified, is functioning properly. The computer system you select must be approved by us and it must be compatible with our computer systems. You must at all times have a highspeed internet connection to be able to use the computer system and required software.

You must obtain the operating software that we require and that will allow you to schedule, track employees, clients and orders. We use this software to generate billing for your clients and payroll for the private-care employees you place with clients. You must obtain our approved Human Resource Information System (HRIS) software for all caregivers. You must also purchase office productivity and accounting software (Microsoft Office and QuickBooks). We may also require you to use testing software or an on-line service that we have selected for testing new temporary and permanent placement candidates. You must also use the recruitment software we designate for posting job ads, and for tracking, connecting with and monitoring potential caregivers throughout the recruitment process.

Your computer system will provide you with the following functions: scheduling and fulfilling requests for private-care employees, searching and matching employee skills for the job order, email, word processing, accounting and financial reporting. We estimate that the initial cost of your computer system will be between \$3,000 - \$5,000. You must maintain an on-site technical support contract to make sure that your computer system is fully operational. We estimate that the cost of a technical support contract will be approximately \$600 per year. You must also pay a monthly licensing fee for continued use of the required operating software which will be calculated based on the number of active clients scheduled for your Franchised Business. Based on current pricing guidelines the fee is \$8.60 per active

caregiver and Plus Business Intelligence (BI) Tool \$60.00 per month. The franchisor maintains ownership over all client and caregiver data in the computer system.

We have the right to gain independent access to your operating software at all times during the terms of your Franchise Agreement. We will have the right to access and retrieve data from your operating software, including data relating to your clients, caregivers, referral sources, and similar information. Any data related to the Franchised Business that we access from your operating software will become our property.

You must upgrade the computer system, and/or obtain service and support, as we require or as is necessary because of technological developments or events. There are no contractual limitations on the frequency and cost of your obligation to obtain maintenance, updates or upgrades. Neither we nor any of our affiliates will provide you with any maintenance, updates or upgrades for your computer system.

Site Selection and Development

You must select the site for your Franchised Business, and you must obtain our written approval of any proposed site in accordance with our procedures. Our written approval will not be unreasonably withheld if that the site meets our minimum qualifications. Within 60 days after you sign the Franchise Agreement, you must submit to us the information we require to evaluate your proposed site. In evaluating a site, we may consider the factors we deem material, including demographic characteristics, traffic patterns, parking, the predominant character of the neighborhood, competition within the area, rental obligations, and the site's size, appearance and other physical characteristics. We will have 14 days after receipt of all of the information we need to advise you whether the site is approved. Unless we provide our specific approval of a site, the site is deemed not approved. Our approval of your site is not a guarantee that you will be successful at that site. Our approval only indicates that the site has met our then-current minimum criteria for a CareBuilders At Home business. If you are not able to locate a suitable site within 60 days after you sign the Franchise Agreement, we will have the right to terminate your Agreement.

Once we approve a proposed site, you must sign a lease for the site. The terms of your lease must not conflict with the terms of your Franchise Agreement, and the length of the lease should not be longer than the term length of your Franchise Agreement. You must submit the proposed lease to us for our review and approval. At our request, you and your landlord must sign our form of Collateral Assignment of Lease, attached as Attachment 7 to the Franchise Agreement.

You must develop the approved site according to our specifications. Our specifications may include requirements related to décor, wall treatments, general color scheme, layout and signage.

If a site is not approved your Franchise Agreement will be terminated. Your Initial Franchise Fee will not be refunded.

Opening

We estimate that it will be one to four months after you sign the Franchise Agreement before you open the Franchised Business. This depends on the site's location and condition, how much you must upgrade or remodel an existing location, how long it takes to complete training, and your compliance with local laws and regulations. You must open and begin operations within four months of signing the Franchise Agreement, or receiving state licensure approval, if applicable. If you are unable to open your Franchised Business within four months of signing, except for circumstances not in your control (such as your submitted license application to the state and/or city has not yet been approved), we have the right to

terminate your Franchise Agreement unless we agree, in writing, to provide you with an extension of the timeframe to open. You may not open the Franchised Business until: (1) pre-opening training is completed to our satisfaction by all required persons; (2) you pay the initial franchise fee and all other amounts then due to us; (3) you give us certificates for all required insurance policies and bonds; and (4) you have obtained all required permits and licenses for your Franchised Business.

Training

We provide an initial training program for you and for those of your employees that we designate. You and your manager must successfully complete the initial training program to our satisfaction before you may open your Franchised Business. Additional personnel may attend initial training, but it is not required. No later than three weeks before the Franchised Business opens, you and one key employee (for a total of up to two trainees) must complete our initial training program to our satisfaction. Our training program is mandatory for all franchisees. Initially, we will train up to two people in operating the Franchised Business at no charge, one of whom must be you. If you request that we provide our training program to additional trainees, we will not charge you for training additional people, but it is subject to availability. You must pay all expenses incurred by your trainees while attending training, such as travel, lodging, meals and applicable wages.

Training will occur after you sign the Franchise Agreement and while you are developing the Franchised Business. We plan to be flexible in scheduling training to accommodate our personnel, you, and your personnel. There currently are no fixed (i.e., monthly or bi-monthly) training schedules, but there may be in the future; training is conducted on an as-needed basis. Our training program is held at our headquarters in ~~New Hyde Park~~[Lake Success](#), New York, at an operating CareBuilders At Home business or at another location we designate, but it may be completed remotely, at our discretion.

The initial training program includes training broken up into 1 to 3 hour sessions that are hosted remotely via conference call and webinar or at our headquarters or any other location we may designate and continued on-site training during your first year of operation. Core training is held after we have approved your site and you have signed a lease (if applicable). The on-site training is an informal training program conducted at your business office where we identify and address any operational challenges you have encountered after opening.

You and your key employee must satisfactorily complete core training and participate in all other activities required to operate the Franchised Business. If you or your key employee do not complete our training to our satisfaction, you and/or your key employee may re-take our training program. If you or your key employee do not complete our training to our satisfaction a second time, we have the right to terminate your Franchise Agreement. We may require you to replace any key employee if we determine when they re-take our training program that he or she is still not qualified to hold that position.

There are training portals in place and each internal employee must complete certain portals based on their job responsibilities prior to getting access to various systems

The materials we use in our initial training program include our Manual and any other materials that we believe will benefit our franchisees in the training process. For the core training program, the training materials will consist of live instruction, handouts and the Manual. As of the date of this Disclosure Document, we provide the following training:

Operations Manual

The Table of Contents of our Manual is attached to this Disclosure Document as Exhibit F. Our Manual includes approximately 297 pages.

ITEM 12 TERRITORY

You will operate the Franchised Business at a specific location that we first must approve, as described in Item 11. You will be granted a designated area (“Designated Territory”) in which your Franchised Business must be located. This is your Designated Territory. We anticipate that your Designated Territory will be defined by ZIP codes and will include a population of approximately 30,000 to 40,000 people who are aged 65 or older. A list of the ZIP codes that comprise your Designated Territory will be included in Attachment 2 to your Franchise Agreement. We obtain population data by ZIP code through the U.S. Census, the U.S. Postal Service and other similar databases. ZIP codes are a system of postal codes used by the United States Postal Service (“USPS”), and ZIP codes are periodically changed by the USPS. Despite any change made by the USPS, your territory will consist of the ZIP codes as defined on the date of your Franchise Agreement. We may allow you to add ZIP codes to your existing Territory during the term of your Franchise Agreement. If we do so, you will required to pay an Additional Seniors Fee for seniors in the territory that are 65 years old or above for a fee of \$1.85 per additional senior.

Except as limited below, and if you are in full compliance with the Franchise Agreement, we and our affiliates will not operate or grant a franchise for the operation of another CareBuilders At Home business at a location within the Designated Territory during the term of the Agreement. Existing franchisees in our System may have a different size Designated Territory than is granted to you, which may be bigger or smaller than your Designated Territory. We are not required to adjust either your or the other franchisee’s Designated Territory to accommodate any size difference.

You may not relocate the Franchised Business from the approved site without our approval. If we approve your request to relocate your Franchised Business, the new site must be within your Designated Territory. We will use the same criteria in reviewing a proposed relocated site that we use in evaluating your original site.

During the term of the Franchise Agreement, we will not establish or operate, nor license any other person to establish or operate, a CareBuilders At Home business in the Designated Territory, except as may be permitted under the Franchise Agreement and those exceptions are described below and, in addition if,. at the time you are granted your Territory, or receive such Territory by Transfer, you do not have all the proper licenses and certifications to provide clients Services from your Office, as required by law or otherwise determined by us in our sole and absolute discretion, we may grant another franchisee the right to offer such Services to clients in your Territory (“Temporary Clients”) and receive the balance due from us after we deduct our fees from Temporary Client Gross Revenue that is associated with any temporary, temp-to-perm, or permanent employee placements until such time as you have obtained all licenses and certifications required by law or by us, at which point such Temporary Clients and the balance due from us in connection with such clients will be transferred to you over a period of time not to exceed three (3) months.

You must achieve a certain level of sales, market penetration or other contingency as follows:

Period		Minimum Semi-Annual Revenue
Year 1	Semi-Annual Period 1	\$0

Period		Minimum Semi-Annual Revenue
	Semi-Annual Period 2	\$100,000
Year 2	Semi-Annual Period 1	\$200,000
	Semi-Annual Period 2	\$200,000
Year 3	Semi-Annual Period 1	\$400,000
	Semi-Annual Period 2	\$400,000
Year 4	Semi-Annual Period 1	\$625,000
	Semi-Annual Period 2	\$625,000
Beginning in Year 5 and for each Semi-Annual Period for the Remaining Term of the Franchise Agreement		Previous Semi-Annual Period's Minimum +5%

If you do not achieve these minimum revenue amounts then you must pay to us the balance of the minimum semi-annual Continuing Royalty Fee owed. In addition, if you do not meet the minimum revenue amounts or you are otherwise in default under your Franchise Agreement, we may reduce or eliminate your Designated Territory in our sole and absolute discretion. We may also terminate your Franchise Agreement.

You will determine the rates of pay for the employees you place for private care, and you will negotiate the costs of providing care with your customers.

Except as expressly limited by the Franchise Agreement, we and our affiliates retain all rights with respect to CareBuilders At Home businesses, the Marks, and any products and services anywhere in the world including the right: (a) to offer and sell and to grant others the right to offer and sell the Services offered by CareBuilders At Home businesses, both within and outside the Designated Territory, under trade and service marks other than the Marks and under any terms and conditions we deem appropriate; (b) to operate and to grant others the right to operate franchised businesses located outside the Designated Territory under any terms and conditions we deem appropriate and regardless of proximity to your Franchised Business; (c) together with ATC Travel, ATC Healthcare Services and ATC Physician Services, to provide temporary and permanent medical personnel placement at any location, including within your Designated Territory; (d) to provide, and to grant others the right to provide, medical care providers on a temporary or permanent basis at any location, including within your Designated Territory, and using any trademarks; (e) to acquire and operate a business operating one or more medical or non-medical personnel placement businesses located or operating in your Designated Territory, but if one of these businesses is located within your Designated Territory, it will not operate using the Marks; and (f) to establish at any time a separate system and franchise offering different services and/or products under different trademarks, trade names and logos, without your consent.

Nothing in the Franchise Agreement obligates us to notify you or our establishment of a new franchise opportunity or to offer you the opportunity or right to purchase the new franchise opportunity.

You may not engage in any promotional activities or sell any similar products or services, whether directly or indirectly, through or on the internet, the world wide web, or any other similar proprietary or common carrier electronic delivery system (collectively, the “Electronic Media”); through catalogs or other mail order devices sent or directed to clients or prospective clients located anywhere; or by telecopy or other telephonic, telephone, text, or electronic communications, including toll-free numbers, directed to or received from clients or prospective clients located anywhere. While you may place advertisements in printed media and on television and radio that are targeted to clients and prospective clients located within your Designated Territory, you will not be deemed to be in violation of the Franchise Agreement if those advertisements, because of the natural circulation of the printed media or reach of television and radio, are viewed by prospective clients outside of your Designated Territory.

You may not make any sales or provide any Services to clients located outside of your Designated Territory unless the client is located in an area where no CareBuilders At Home business exists and, then, only with our approval. If the area is later sold to another CareBuilders At Home franchisee, the “out of area” clients and their contracts will be transferred to the franchisee as part of their territory, and you will have no further rights to conduct business or provide Services to the out of area clients. We will endeavor to provide you with 60 days’ notice of the transfer of an “out of area” client to which you are providing services to another CareBuilders At Home franchisee.

We and our affiliates may sell Services under the Marks within and outside your Designated Territory through any method of distribution other than a CareBuilders At Home business, including sales through channels of distribution such as the internet, catalog sales, telemarketing or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Designated Territory except as described in the following paragraph and you will not receive any compensation for our sales through alternative distribution channels except as described in the following paragraph.

You will not receive an exclusive territory. You may face competition from other Franchisees, from outlets that we own, or from other channel of distribution or competitive brands that we control.

If we engage in electronic commerce through any internet, world wide web or other computer network site or sell through any other alternative distribution channel, and we receive requests related to Services offered by a CareBuilders At Home business calling for delivery or performance in your Designated Territory, then the request will be forwarded to you. If you choose not to respond to the request or are unable to do so within the timeframe required by us, then we, one of our affiliates or a third party we designate (including another franchisee) may respond to the request, and you will not be entitled to any compensation in connection with the sale of products or provision of services resulting from this request. All inquiries or requests placed through our Website will be our property.

As described in Item 1, we have affiliates that offer medical care personnel placement on a temporary and permanent basis under the marks “ATC Healthcare Services”, “ATC Travel” and “ATC Physician Services”. In addition, our Affiliate offers franchises for ATC Healthcare Services businesses under a separate disclosure document. We describe earlier in this Item 12 what we may do anywhere and at any time.

We have the right to establish other franchised or company-owned businesses which sell the Services under a different trade name or trademark without first obtaining your consent.

National or Regional Account

We have the right to establish a national or regional account program. A national or regional account includes any customer that has employees or offices in two or more locations, or which qualifies for corporate pricing for services. Except as provided below in the following paragraph, you may not solicit the locations of a national or regional account without our prior written consent. We may condition our consent (although we need not grant our consent) on your agreement to comply with certain requirements, and we may withdraw our consent for any reason. You may service the national or regional accounts in your Designated Territory, but we may prohibit you from servicing these accounts if you do not attain minimum performance standards or you perform in a manner that damages our standing with a national or regional account. If we withdraw our consent to your soliciting and/or servicing one or more national or regional accounts, you must stop all solicitation and servicing activity for that national or regional account(s) immediately.

We will negotiate all terms, including services to be conducted and prices to be charged, with any national or regional account, and you must comply with any terms we agree to with the national or regional account. If we retain the services of an account manager for any national or regional account for which you provide Services within your Designated Territory, you must pay the national or regional account fee described in Item 6 to the account manager.

There are no other circumstances that permit us to modify your territorial rights.

ITEM 13 TRADEMARKS

We grant to you the right to use certain trademarks, service marks and other commercial symbols in connection with the operation of your franchise. We own the Marks which have been registered or applied for registration on the Principal Register of the United States Patent and Trademark Office (“USPTO”) as follows:

Mark	Application Date	Serial Number	Registration Date	Registration Number
CareBuilders At Home (word mark)	9/6/2012	85/722,312	7/23/13	4,373,696

LOVE IS IN THE CARE	3/19/2019	88/346,887	11/5/2019	5,901,415

We intend to file all affidavits and to renew our registration for the Marks when they become due.

You must follow our rules when you use the Marks. You may not use any Mark (1) in your corporate or legal business name; (2) with any prefix, suffix or other modifying words, terms, designs, or symbols (except for those we license to you); (3) in selling any unauthorized services or products; (4) as part of any domain name, electronic address, or search engine you maintain on any Website; or (5) in any other way we have not expressly authorized in writing.

If we determine that you have not used the Marks in accordance with your Agreement, the cost of the defense, including the cost of any judgment or settlement, will be yours. If there is any litigation relating to your use of the Marks, you must sign any and all documents and do any acts as may, in our opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. Except if this litigation is the result of your use of the Marks in a manner inconsistent with the terms of your Agreement, we will reimburse you for your out-of-pocket costs in doing these acts.

There are no infringing uses actually known to us that could materially affect your use of the Marks in this state or elsewhere.

We have the right to substitute different proprietary marks for use in identifying the System and the businesses operating under it, at our sole discretion. We are not required to reimburse you for any costs you incur in relation to any change or substitution, such as the cost of changing stationery or signage, and have no obligation or liability to you as a result of any change or substitution.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We have no patents or registered copyrights or any pending patents that are material to the franchise.

You must operate the Franchised Business in accordance with the standards and procedures specified in the Manual. One copy of the Manual will be loaned to you by us for the term of the Franchise Agreement. We may provide the Manual in hard copy format or electronically, ~~such as by CD-ROM or a password protected Website.~~

You must treat the Manual and any other manuals we create or approve for use in your operation of the Franchised Business, and the information contained in them, as confidential. You must also use all reasonable efforts to maintain this information as secret and confidential and you must not duplicate, copy, record or otherwise reproduce these materials, in whole or in part, or make them available to any unauthorized person. The Manual remains our sole property and must be kept in a secure place on the premises of the Franchised Business.

We may revise the contents of the Manual and you must comply with each new or changed standard. Revisions and changes to the Manual will be maintained on SharePoint. You must also make sure that the Manual is kept current at all times. If there is a dispute regarding the contents of the Manual, the terms of the master copy maintained by us at our home office will be controlling.

We claim proprietary rights in certain of our methods of operation and procedures which are included in the Manual and which are our trade secrets. You and each of your principals are prohibited, during and after the term of your Franchise Agreement, from communicating, or using for the benefit of any other person or entity, and, after the term of your Agreement, from using for your or their own benefit, any confidential information, knowledge or know-how concerning the methods of operation of the Franchised Business that may be communicated to you or any of your principals or that you may learn about, including these trade secrets. You and each of your principals may divulge this confidential information only to your employees who must have access to it to operate the Franchised Business. Neither you nor your principals are permitted at any time, without first obtaining our written consent, to copy, record or otherwise reproduce the materials or information nor make them available to any unauthorized person. Any and all information, knowledge, know-how and techniques related to the System that we communicate to you are considered confidential. The term “confidential information” includes System standards, market research, marketing and promotional campaigns, approved suppliers, operating results of franchised businesses, proprietary software, the negotiated terms of your Franchise Agreement with us, the Manual, graphic designs and other intellectual property, and your client list.

If you, your principals or employees develop any new concept, process or improvement in the operation or promotion of the Franchised Business, you must promptly notify us and give us all necessary information, free of charge. You, your principals and employees must acknowledge that any of these concepts, processes or improvements will become our property and we may give the information to other franchisees.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must at all times faithfully, honestly, and diligently perform your contractual obligations. System Standards may regulate the staffing levels and employee qualifications, training, dress, and appearance of the Franchised Business. You must participate in the day-to-day operation of the Franchised Business on a full-time basis. You may also hire a manager to assist you in overseeing the Franchised Business’ daily operation. You and the manager must satisfactorily complete our initial training and your manager must be approved by us. The manager does not have to own an equity interest in the Franchised Business. All applicable employees of yours must be properly licensed, as required by applicable law. All temporary and permanent placement employees you screen and we hire must at all times be properly licensed, credentialed and screened as required by applicable law and contractual obligations with clients.

Your manager and all other personnel you employ who will have access to our proprietary and confidential information and training must sign our Confidentiality and Non-Compete Agreement which is attached to our Franchise Agreement as Attachment 6. We will be a third-party beneficiary of each agreement with the independent right to enforce the agreement’s terms. We have the right, in our discretion, to decrease the period of time or geographic scope of the non-competition covenants contained in the attachments or eliminate the non-competition covenants altogether for any party that must sign an agreement as described in this paragraph.

If your Franchised Business is owned by an entity, all owners of the entity must personally sign the Franchise Agreement as a “Principal”. If you are a married individual, your spouse must sign our Spousal Guaranty which is attached to our Franchise Agreement as Attachment 3.

We do not impose any other restrictions in the Franchise Agreement or otherwise regarding the goods or services that you may offer or sell or as to the clients to whom you may offer or sell, except as described in Item 12 and below.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise. However, we have the right to use any public figure we choose in the future without your permission.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable

basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The historical information in table #1 represents annual gross revenue metrics achieved by ~~1922~~ CareBuilders at Home outlets having revenue in the fiscal year ended September 30, ~~2024~~2025 (“**Reporting Period**”), all of which have been open for at least one year as of September 30, ~~2024~~2025 (the “**Reporting Outlets**”). Of the ~~2428~~ franchisees open and operating as of September 30, ~~2024~~2025, we have excluded ~~four~~six Businesses that were not open and operating for one year as of September 30, ~~2024~~2025. The historical information under heading #2 represents gross margin percent metrics achieved by the Reporting Outlets. Please note that six of the Reporting Outlets are “legacy franchisees” that have territories at the high end of the range reported in Item 11 (~~25,000 to 35,000~~30,000 to 40,000 people of ages 65 or older). Other Reporting Outlets have been granted smaller territories, however, despite this, each Reporting Outlet generally operates within the same size territory as that is granted under this Disclosure Document. During the fiscal year ended September 30, ~~2024~~2025 the performance of the “legacy franchisees” was comparable with that of other Reporting Outlets.

This Financial Performance Representation does not include any company-owned outlets. The number of franchise outlets that closed during the Reporting Period of this Financial Performance Representation is 0. The number of excluded outlets that closed during the Reporting Period after being open less than 12 months is 0.

2. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).
3. The Franchise Agreement contains covenants not to compete which extend beyond the termination of the agreements. These provisions may not be enforceable under California law.
4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.
6. The Franchise Agreement requires binding arbitration. The arbitration will occur in New York with the costs being borne by the franchisee and franchisor. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. The Franchise Agreement requires application of the laws of New York. This provision may not be enforceable under California law.

California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

This provision supersedes any other term of any document executed in connection with the franchise.”

1. Item 17(c) of the Disclosure Document and Section 13 of the Franchise Agreement are hereby amended to indicate that a franchisee shall not be required to sign a general release.

2. Covenants not to compete are generally considered unenforceable in the State of North Dakota, in accordance with Section 51-19-09 of the North Dakota Franchise Investment Law. Item 17(r) of the Disclosure Document and Section 15 of the Franchise Agreement are amended accordingly.

3. Item 6 and Item 17(i) of the Disclosure Document and Article 15 of the Franchise Agreement require the franchisee to consent to termination or liquidated damages. Since the Commissioner has determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law, these provisions are hereby deleted in each place they appear in the Disclosure Document and Franchise Agreement used in North Dakota.

4. Item 17(t) of the Disclosure Document is hereby amended by adding the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

5. Item 17(u) of the Disclosure Document and Section 17 of the Franchise Agreement are amended to provide that arbitration shall be held at a site that is agreeable to all parties.

6. Item 17(v) of the Disclosure Document and the provisions of Section 17 of the Franchise Agreement which require jurisdiction of courts in the State of New York are deleted.

7. Item 17(w) of the Disclosure Document and Section 17 of the Franchise Agreement are amended to indicate that the agreements are to be construed according to the laws of the State of North Dakota.

8. Apart from civil liability as set forth in Section 51-19-12 N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents. Therefore, North Dakota franchisees will not be required to waive their rights under North Dakota law.

9. The provisions of Section 17 of the Franchise Agreement which require a franchisee to consent to (1) a waiver of trial by jury and (2) a waiver of exemplary and punitive damages are contrary to Section 51-19-09 of the North Dakota Franchise Investment Law and are hereby deleted.

10. The provisions of Section 17 of the Franchise Agreement which require a franchisee to consent to a limitation of claims are hereby amended to state that the statute of limitations under North Dakota law applies.

ADDENDUM TO THE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF RHODE ISLAND

The following amends Item 17 and is required to be included within the Disclosure Document and shall be deemed to supersede the language in the Disclosure Document itself:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that:

“A provision in a franchise agreement restricting jurisdiction or venue to a forum outside of this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

The following amends Item 17(t) and is required to be included within the Disclosure Document and shall be deemed to supersede the language in the Disclosure Document itself:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO THE DISCLOSURE DOCUMENT
REQUIRED BY THE COMMONWEALTH OF VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for CareBuilders At Home, LLC for use in the Commonwealth of Virginia shall be amended as follows:

1. Additional Disclosure: The following statements are added to Item 17.h:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement and development agreement does not constitute “reasonable cause,” as that the term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, the provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

2. Additional Disclosure: The following statements are added to Item 17.t:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The following is added to the appropriate section of the FDD and Franchise Agreement:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ARTICLE 1 PREAMBLES AND GRANT OF FRANCHISE

1.1 Preambles

1.1.1 We and our affiliate have designed and developed a method of developing and operating a business that provides non-medical in-home care services, including companionship, meal preparation, light housekeeping, grocery shopping and other forms of incidental transportation, grooming and assistance with recreational activities, personal care services related to core activities of daily living, such as eating, bathing, walking, and dressing, as well as ancillary services including in-home emergency monitoring and medication management systems as well as assisted living guidance and senior placement services (the “Services”). CareBuilders At Home businesses have distinctive business formats, methods, procedures, designs, layouts, standards, and specifications, all of which we may improve, further develop and otherwise modify from time to time. Our system (the “System”) includes, but is not limited to, uniform formats, designs, systems, methods, specifications, standards, and procedures, all of which may be changed, updated, improved, and further developed by us from time to time.

1.1.2 We and our affiliate have developed and use, promote and license certain trademarks, service marks and other commercial symbols in operating CareBuilders At Home businesses, including “CareBuilders At Home”, which have gained and will continue to gain public acceptance and goodwill, and we may create, use and license other trademarks, service marks and commercial symbols for use in operating CareBuilders At Home businesses (collectively, the “Marks” or “Proprietary Marks”).

1.1.3 We grant to persons who meet our qualifications, and who are willing to undertake the investment and effort, a franchise to own and operate a CareBuilders At Home business offering the products and services we authorize and using our System.

1.1.4 You have applied for a franchise to own and operate a CareBuilders At Home business, and we have approved your application relying on all of your representations, warranties and acknowledgments contained in such application and this Agreement.

1.2 Grant of Franchise; Term

Subject to the terms of this Agreement, we grant you a franchise (the “Franchise”) to operate as a CareBuilders At Home business at the “Site” identified on Attachment 2, and to use the Marks and the System in its operation (the “Office”), for a term beginning on the date of this Agreement and expiring ten (10) years from that date, unless sooner terminated as provided herein. You may not relocate the Office without our prior written consent. You shall not provide Services to clients outside of your territory (as defined in Attachment 2 hereto), except as we may allow in limited circumstances as described below. You shall not offer or sell any products or services by catalog, direct mail, telephone

order, by use of electronic means (e.g., the internet), or in any other medium not approved in writing by us. You will also not present to us for acceptance, unless we give you prior written consent, any order for private-care staffing services: (1) where the client is a firm in which you, or any member of your family, has a direct or indirect financial interest greater than 10%; (2) ~~from clients that you are aware we have not approved for credit, from clients that we have notified you have reached or exceeded credit limits; upon notification by us, from a client who we have notified you has violated or is violating our rules and requirements about paying invoices; or from a client we have notified you that we reasonably believe has financial difficulties;~~ (3) where we determine that a prospective client or category of prospective clients is a poor credit risk and notify you of the same; from a client who is on “credit hold” by us and we notify you of the same, or from a client who has outstanding invoices from us which are over 90 days old and we notify you of the same; (4) where in-home care employees will handle, control or have unsupervised access to valuable property, cash or negotiable securities, unless the client has signed an agreement we approve of, holding both us and you harmless from any liability or losses suffered as a result of the assignment; (5) from clients seeking to arrange payroll funding, employee leasing or similar/related programs; (6) where the services to be performed by the in-home care employee are performed upon your business premises; (7) where the services to be performed by the in-home care employee includes medical services outside the “basic medical services” (i.e. monitoring vital signs, the handling and dispensing of medications); or (8) where the client is not a health care user or provider.

At our discretion only and then only upon your receipt of our explicit, prior, written approval, you may provide Services to a client located outside of your territory, provided that such client is not in the territory of another ATC Healthcare Services business. Notwithstanding the foregoing, if the location of this “out of area” client or is a Temporary Client (as defined in Section 1.3 below), is later made part of the territory of another fully licensed and certified ATC Healthcare Services franchisee, your existing contracts with such client shall be transferred to the other franchisee over a period of time not to exceed three (3) months and, upon such transfer, you shall have no further rights to conduct business with or provide Services to such “out of area” client or Temporary Client.

The Services your Office may provide include non-medical in-home care services, including companionship, meal preparation, light housekeeping, grocery shopping and other forms of incidental transportation, grooming and assistance with recreational activities, as well as personal care services related to core activities of daily living, such as eating, bathing, walking, and dressing. You acknowledge and understand that our affiliates, ATC Travel, ATC Healthcare Services and ATC Physician Services, have the right to place temporary or permanent medical personnel anywhere in the United States, including within your territory, and in such event you shall not be entitled to any portion of the revenue from such affiliates’ placement. Your Office may offer private pay “basic medical services” such as monitoring vital signs, the handling and dispensing of medications as permitted under the licensure requirements established by the state in which you operate, the licenses held by the clinician and the protocols established by us. Unless approved by us in each instance, your Office may not offer or provide temporary or permanent staffing services related to heavy or light industry, medical personnel or medical administrative staffing to healthcare facilities and providers, such as hospitals, nursing homes, hospices, medical centers, and in any type of school, business, correctional institution or residential facility where payment is made by the institution or facility.

1.3 Designated Territorial Rights

Upon our approval of the Site for your Office, we will describe your territory (the “Designated Territory”) in Attachment 2 hereto. The Designated Territory will be described in terms of contiguous zip codes and may be depicted on a map attached to Attachment 2. You understand and acknowledge that ZIP codes are a system of postal codes used by the United States Postal Service (“USPS”), and ZIP codes

are periodically changed by the USPS. Despite any change made by the USPS, your territory will consist of the ZIP codes as defined on the date of this Agreement.

Notwithstanding the foregoing if, at the time you are granted your Territory, or receive such Territory by Transfer, you do not have all the proper licenses and certifications to provide clients Services from your Office, as required by law or otherwise determined by us in our sole and absolute discretion, we may grant another franchisee the right to offer such Services to clients in your Territory (“Temporary Clients”) and receive the Distributed Balance (as defined in Section 3.2 below) associated with any temporary, temp-to-perm, or permanent employee placements until such time as you have obtained all licenses and certifications required by law or by us, at which point such Temporary Clients and the Distributed Balance will be transferred to you over a period of time not to exceed three (3) months.

Except as limited by Section 1.4 below, and provided that you are in full compliance with this Agreement, we and our affiliates will not operate or grant a franchise for the operation of another CareBuilders At Home business at a location within the Designated Territory during the term of this Agreement. Nothing herein shall be deemed to restrict our affiliates’ rights to place temporary or permanent medical personnel at any location throughout the United States, as described above.

If you fail to meet the minimum revenue requirements set forth in Section 1.6 below, or are otherwise in default under this Agreement, we may reduce or eliminate your Designated Territory in our sole and absolute discretion.

1.4 Rights Reserved to Us

Except as expressly limited by Section 1.3 above, we and our affiliates retain all rights with respect to CareBuilders At Home businesses, the Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire, including, but not limited to:

1.4.1 the right to offer and sell and to grant others the right to offer and sell the products and services offered at CareBuilders At Home businesses, both within and outside the Designated Territory, under trade and service marks other than the Marks and under any terms and conditions we deem appropriate;

1.4.2 the right to operate and to grant others the right to operate CareBuilders At Home businesses located outside the Designated Territory under any terms and conditions we deem appropriate and regardless of proximity to your Office;

1.4.3 together with our affiliates ATC Travel, ATC Healthcare Services and ATC Physician Services, the right to provide temporary or permanent medical personnel placement at any location, including within your Designated Territory;

1.4.4 the right to provide, and to grant others the right to provide, medical care providers on a temporary or permanent basis at any location, including within your Designated Territory, and using any trademarks, including the Marks;

1.4.5 the right to acquire and operate a business operating one (1) or more medical or non-medical personnel placement businesses located or operating in your Designated Territory, but if one (1) of these businesses is located within your Designated Territory, it will not operate using the Marks; and

1.4.6 the right, at any time, to establish a separate system and franchise offering different services and/or products under different trademarks, trade names and logos, without your consent. Nothing in this Agreement obligates us to notify you of our establishment of a new franchise opportunity or to offer you the opportunity or right to purchase the new franchise opportunity.

1.5 National or Regional Accounts

Except as provided below, and subject to other policies and procedures set forth in our Confidential Operations Manual, and in the event we develop a national or regional account program, you may not solicit or service the locations of a National or Regional Account (as defined below) without our prior written consent. We have the right to condition our consent (although we are not obligated to grant our consent) on your agreement to comply with certain requirements and we have the right to withdraw our consent for any or no reason as we deem appropriate. If we withdraw our consent to your soliciting and/or servicing one (1) or more National or Regional Accounts, you must cease all solicitation and servicing activity with respect to that National or Regional Account(s) immediately.

We retain the right under all circumstances to provide any services to any National or Regional Account location, wherever operated, provided, however, that where you have exclusive authority under this Agreement to offer and sell through your Office the services that we would like to provide to the National or Regional Account's locations, we first will offer you the opportunity to provide those services to the locations of the National or Regional Account on the terms and conditions that we have established with the National or Regional Account. If you fail to accept the offer in the manner we specify, we have the right, or may authorize other franchisees or third parties, to provide those services to the locations of the National or Regional Account. The term "National or Regional Account" means any customer that has employees or offices in two (2) or more locations, or which qualifies for corporate pricing for services. Nothing in this Section is intended to require you to participate in any National or Regional Account program. You are not permitted to negotiate cost of the approved products and services with a National or Regional Account without our prior consent. If we engage an account manager for any National or Regional Account for which you provide Services, you agree to pay such account manager's then-current fee for its management of the National or Regional Account contract.

You understand and acknowledge that, due to the nature of our National or Regional Account program, you will not be the exclusive provider of Services to a National or Regional Account. You, we, our affiliates and/or other franchisees in the System may provide Services to a National or Regional Account depending on the National or Regional Account's needs, contract requirements, locations, your or any other franchisee's participation in the National or Regional Account program, and other factors. We reserve the right to designate a specific contact, which may be you or another franchisee in the System, as the main contact for a National or Regional Account. If you are designated to be a main contact, you shall comply with all of our requirements in so acting.

1.6 Minimum Revenue Requirements

You must achieve a certain level of revenue each semi-annual period of the term to maintain your rights to your Designated Territory, as follows:

Period		Minimum Semi-Annual Revenue
Year 1	Semi-Annual Period 1	\$0
	Semi-Annual Period 2	\$100,000

Period		Minimum Semi-Annual Revenue
Year 2	Semi-Annual Period 1	\$200,000
	Semi-Annual Period 2	\$200,000
Year 3	Semi-Annual Period 1	\$400,000
	Semi-Annual Period 2	\$400,000
Year 4	Semi-Annual Period 1	\$625,000
	Semi-Annual Period 2	\$625,000
Beginning in Year 5 and for each Semi-Annual Period for the Remaining Term of the Franchise Agreement		Previous Semi-Annual Period's Minimum +5%

If you do not achieve these minimum revenue amounts then you must pay to us the balance of the minimum semi-annual continuing royalty fee, as described in Section 3.2 below. We do not guarantee that you will be able to meet the minimum required revenue amounts described above or that your Office will achieve any level of revenue or profitability.

**ARTICLE 2
SITE SELECTION AND OPENING OF BUSINESS**

2.1 Approval of Site and Lease

You shall obtain our written approval of any proposed site for the Office in accordance with our procedures, which approval will not be unreasonably withheld. Within sixty (60) days after you execute this Agreement, you will submit to us the information that we require in order to evaluate the proposed site for your Office. You acknowledge that in approving a proposed site we may consider such matters as we deem material including, without limitation, demographic characteristics, traffic patterns, the predominant character of the neighborhood, competition from other businesses providing similar services within the area, the exclusivity granted to other franchisees of ours, the site's size, its appearance, and other physical characteristics.

Within fourteen (14) days after our receipt of all information we require concerning the proposed site, we will approve or disapprove the site you propose for the operation of the Office by giving written notice to you. Unless we provide our specific approval of your proposed site, the site is deemed not approved. We will not unreasonably withhold our approval of a proposed site that meets our standards and specifications for a CareBuilders At Home business. Upon our approval of a proposed site for the Office, the address of the Office will be inserted on Attachment 2 to this Agreement.

You hereby acknowledge and agree that our approval of the Site does not constitute an expressed or implied assurance, representation or warranty of any kind as to the suitability of the site for a CareBuilders At Home business or for any other purpose. Our approval of the Site indicates only that we believe the Site complies with acceptable minimum criteria established by us solely for our purposes as of

the time of evaluation. We shall not be responsible for the failure of the Site to meet your expectations as to revenue, operational performance or other measures. You further acknowledge and agree that your acceptance of a Franchise for the operation of the Office at the Site is based on your own independent investigation of the suitability of the Site.

Before you may execute a lease for the Site, you must submit the lease to us for our review and approval. Our approval will not be unreasonably withheld. At our request, you and your landlord must sign our form of Collateral Assignment of Lease, attached to this Agreement as Attachment 6.

2.2 Operating Assets

You agree to use in developing and operating the Office only those items that we approve in writing from time to time for CareBuilders At Home businesses as meeting our specifications and standards for quality, design, appearance, function and performance (“Operating Assets”). A list of Operating Assets is included in the Operations Manual and is subject to change from time to time. You agree to place or display at the Site (interior and exterior) only the signs, emblems, lettering, logos and display materials that we approve in writing from time to time. If we require, you must purchase or lease only approved brands, types and/or models of Operating Assets and/or purchase or lease them only from suppliers we designate or approve from time to time (which may include or be limited to us and/or our affiliates). If you desire to use any Operating Asset that we have not yet evaluated, you may submit such Operating Asset for our consideration by following the procedure set forth in Section 8.3.

2.3 Computer System

You agree to use in operating the Office the computer equipment and software (collectively, the “Computer System”), that we specify from time to time. We may periodically modify specifications for and components of the Computer System. Our modification of specifications for the Computer System and/or other technological developments or events may require you to purchase, lease and/or license new or modified, equipment, computer hardware and/or software and to obtain service and support for the Computer System. Although we cannot estimate the future costs of the Computer System, you agree to incur the costs of obtaining the equipment or the computer hardware and software comprising the Computer System (or additions or modifications) and required service or support. We have no obligation to reimburse you for any Computer System costs. Within sixty (60) days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and to ensure that your Computer System, as modified, is functioning properly.

Notwithstanding the fact that you must buy, use and maintain the Computer System under our standards and specifications, you will have sole and complete responsibility (including, without limitation, responsibility for the cost thereof) for: (a) the acquisition, operation, maintenance and upgrading of the Computer System; (b) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (c) any and all consequences that may arise if the system is not properly operated, maintained and upgraded. You agree to maintain, at all times during the term of this Agreement, a highspeed internet connection for your Computer System.

We will designate certain software that you must acquire (license) and use in connection with your Computer System, including, but not limited to, staffing software that we have selected and that will allow you to schedule, track employees, clients and orders. In order to activate the staffing software, a one-time set up fee will be paid to us prior to opening your Business. We use this software to generate billing for your clients and payroll for the private-care employees you place with clients. You must obtain our approved Human Resource Information System (HRIS) software for all caregivers. You must also purchase recruitment software, office productivity software and accounting software as we require and

you must pay any fees associated with procuring and using such software. We may require you to use testing software or an on-line service that we have selected for testing new temporary and permanent placement candidates. We reserve the right to modify our requirements at any time.

2.4 Opening

You agree not to open the Office for business until:

- 2.4.1 all persons that we require satisfactorily complete pre-opening training;
- 2.4.2 the initial franchise fee and all other amounts then due to us have been paid;
- 2.4.3 you give us certificates for all required insurance policies or other evidence of insurance coverage and premium payment that we request; and
- 2.4.4 you provide us with copies of all licenses, permits and certifications required for the Office's proper operation.

You agree to comply with these conditions and open the Office for business within four (4) months of the execution of this Agreement, or of receiving state licensure approval, if applicable. Time is of the essence. If you fail to open your Office within four (4) months of the execution of this Agreement, except for delay caused by circumstances outside of your control, such as your submitted state or city license application has not yet been approved, we have the right to terminate this Agreement without providing you with a refund of any monies you have paid to us, unless we agree to provide you with an extension of the timeframe to open.

ARTICLE 3 FEES

3.1 Initial Franchise Fee

You agree to pay us, upon execution of this Agreement, a nonrecurring and non-refundable initial franchise fee in the amount of Forty-Nine Thousand Five Hundred Dollars (\$49,500). The initial franchise fee is due in a lump sum upon your execution of this Agreement and is fully earned by us when received.

3.2 Continuing Royalty Fee

You agree to pay us a continuing royalty fee ("Continuing Royalty Fee") each month throughout the term of this Agreement for your provision of the Services to clients, including Temporary Clients, during the previous month in an amount equal to nine percent (9%) of net revenue. As used herein, the term "net revenue" means gross revenue less discounts, allowances and credits granted to your customers.

All billing and receipts for your Office will be processed by us. Within sixty (60) days after the end of each month, we will provide you with a report of the net revenue from your Office, itemizing the Continuing Royalty Fee paid to us and direct cost adjustments. We will deduct the Continuing Royalty Fee, and other fees and costs payable to us, as described in Section 3.6 below, and pay the balance to you (the "Distributed Balance"). If our calculation shows that the amount of revenue paid by clients is less than the amounts owed to us, then you agree to pay to us any difference owed. We may make payments to you by check or electronic funds transfer. We may make collections from you for amounts you owe to us by reducing the Distributed Balance or by your direct payment to us (by electronic funds transfer

pursuant to the form attached hereto as Attachment 7 or by check). You understand and acknowledge that we will pay the Distributed Balance to you although we may not have received payment from your clients; provided, however, that we will establish a reserve program as described below.

From the net revenue amount, we will deduct the Continuing Royalty Fee payable to us first, and then any direct costs we have incurred in the order described in Section 3.6 below. Direct costs include salaries and bonuses for the employees you place and associated taxes, fringe benefits, and insurance; credit card processing fees of ~~two~~three percent (23%); housing expenses and allowances for placed employees, if applicable; sales and similar taxes; if you participate in such program; your portion of any delinquent invoices related to your Office; and any documented credits, rebates, allowances or discounts granted to the client, as further described in Section 3.9 below (“Direct Costs”). We further reserve the right to deduct from the Distributed Balance any amount we have incurred or paid on your behalf, such as for drug testing kits, access to employment databases, and other similar items.

You and your Principals agree to comply, and to assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your Principals certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your Principals otherwise are not in violation of, any of the Anti-Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you

or your Principals, or any blocking of your or your Principals' assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Section 14.

8.5 Insurance

You shall procure, at your sole expense, and maintain in full force and effect during the term of this Agreement, an insurance policy or policies protecting you, us, our respective officers, directors, partners and employees against any loss, liability, personal injury, death or property damage or expense whatsoever arising or occurring upon or in connection with your Office, as we may reasonably require for our own and your protection. We shall be named an additional insured in such policy or policies.

Such policy or policies shall be written by a responsible carrier or carriers acceptable to us. Your policy shall include, at a minimum (except as different coverages and policy limits may reasonably be specified for all franchisees from time to time by us in the Operations Manual or otherwise in writing), the following:

8.5.1 Commercial General Liability Insurance, including property damage, personal injury, products and completed operations liability coverage with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence and Three Million Dollars (\$3,000,000) aggregated limit;

8.5.2 Professional Liability Insurance with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence and Three Million Dollars (\$3,000,000) aggregated limit with a minimum sublimit of not less than One Million Dollars (\$1,000,000) for sexual misconduct, abuse or molestation;

8.5.3 Automobile Liability Insurance for all hired and non-owned automobiles with single-limit coverage of not less than One Million Dollars (\$1,000,000);

8.5.4 Commercial Property Insurance for all personal property contents at replacement cost value including not less than Fifty Thousand Dollars (\$50,000) Business Interruption Insurance;

8.5.6 Employment Practice Liability Insurance with a limit of not less than Five Hundred Thousand Dollars (\$500,000);

8.5.7 Worker's Compensation and Employers' Liability Coverage to meet the statutory requirements in the state where your CareBuilders At Home business operates;

8.5.9 ~~8.5.8~~ any other insurance required by the state or local municipality where the Office is located (which may include the requirement that you obtain professional liability insurance), or as may be required by the lease for your Office. We recommend, but do not require, you to obtain a Commercial Umbrella Policy and/or Cyber Insurance Coverage.

The amounts required herein may be modified from time to time by us to reflect inflation or future experience with claims. The insurance afforded by the policy or policies respecting liability shall not be limited in any way by reason of any insurance which may be maintained by us. Not later than two (2) weeks prior to commencement of operations of the Office, a Certificate of Insurance showing compliance with the foregoing requirements shall be furnished by you to us for approval. Such certificate shall state that said policy or policies shall not be canceled or altered without at least thirty (30) days' prior written notice to us and shall reflect proof of payment of premiums. Maintenance of such insurance and the performance by you of the obligations under this Section 8 shall not relieve you of liability under the indemnity provision set forth in this Agreement. Minimum limits as required above may be modified from time to time, as conditions require, by written notice to you.

Should you, for any reason, not procure and maintain such insurance coverage as required by this Agreement, we shall have the right and authority (without, however, any obligation to do so) to immediately procure such insurance coverage and to charge same to you, which charges, together with a reasonable fee for expenses incurred by us in connection with such procurement, shall be payable by you immediately upon notice or, in our discretion, we may deduct such amounts from any Distributed Balance payable to you, as described in Section 3.2.

8.6 Compliance with System Standards

You acknowledge and agree that operating and maintaining the Office according to System Standards is essential to preserve the goodwill of the Marks and the goodwill of all CareBuilders At Home businesses. Therefore, you agree at all times to operate and maintain the Office according to each and every System Standard, as we periodically modify and supplement them. System Standards may regulate any aspect of the Office's operation and maintenance, including but not limited to any one (1) or more of the following:

8.6.1 sales, marketing, advertising and promotional programs and materials and media used in these programs;

8.6.2 staffing levels for the Office and employee and/or independent contractor's qualifications, training, dress and appearance (although you have sole responsibility and authority concerning staff selection and promotion, hours worked, rates of pay and other benefits, work assigned and working conditions);

8.6.3 use and display of the Marks;

8.6.4 days and hours of operation;

8.6.5 participation in market research and testing and product and service development programs;

8.6.6 bookkeeping, accounting, data processing and record keeping systems and forms; formats, content and frequency of reports to us of sales, revenue, and financial performance and condition; and giving us copies of tax returns and other operating and financial information concerning the Franchise (we will use reasonable efforts to keep such records confidential);

8.6.7 types, amounts, terms and conditions of insurance coverage required for the Office, including criteria for your insurance carriers;

8.6.8 standards for customer satisfaction and quality control; and

8.6.9 any other aspects of operating and maintaining the Office that we determine to be useful to preserve or enhance the efficient operation, image or goodwill of the Marks and CareBuilders At Home businesses.

You agree that System Standards we prescribe in the Operations Manual, or otherwise communicate to you in writing or another form, are part of this Agreement as if fully set forth within its text. All references to this Agreement include all System Standards as periodically modified. Subject to your rights under Section 8.1 relating to alterations to the Office's appearance, layout and/or design and/or replacement of a material portion of your Operating Assets, you acknowledge that our periodic modification of the System Standards (including, without limitation, changes to the hardware and software required for the Computer System) may obligate you to invest additional capital in the Office and/or incur higher operating costs.

All care and Services provided to a CareBuilders At Home client must be performed by a qualified caregiver. Qualifications are based on our credentialing and on-boarding requirements as prescribed in the Operations Manual, including but not limited to criminal background checks, drug screening, driving records checks, satisfactory supervisory references, completion of an I-9 and an application. All caregivers are W2 employees of CareBuilders At Home, LLC. You, your Principals, and any and all immediate family members thereof are strictly prohibited from working as caregivers with clients of the Franchise.

Your administrative employees are key assets to the success of the Franchise. You must notify us when you hire a new staff member for your Office and you must provide us with their title and job description, and we must be notified within three (3) business days when an employee is released.

8.7 Client Contracts

You shall, at all times, maintain a rate and term sheet for each client or a contract with each client, that has been approved by us in writing. You are required to use the form of contract specified by us, and you may not alter our form of contract except to comply with applicable law, and any revisions must first be approved by us. You shall also obtain credit approval for each client according to our System Standards before you may begin providing Services to such client. All contracts for Services will be entered into by and between us and the client, and such contracts shall remain our property. You are not permitted to sign any client contracts or related contractual documents. You are not a party to these client contracts.

In addition, you are required to research the rates of pay and rates being charged to clients by competitors within the Designated Territory, which research shall be conducted not less frequently than every six (6) months during the term of this Agreement. You shall report the result of your research to us in the manner we require.

8.8 Development of Designated Territory

During the term of this Agreement, you shall be responsible for developing all market segments within your Designated Territory to their maximum potential. If we believe, in our reasonable business judgment, that a market segment of your Designated Territory is not being developed or utilized to its full potential, we reserve the right to appoint an additional representative to service the market segment that we deem to be neglected. The additional representative we designate will be an employee of us or our affiliates. You must pay our then-current management fee for our representative, and you shall reimburse

our representative's expenses in so acting, including, but not limited to, travel, lodging and meals expenses, if incurred. We reserve the right to deduct the management fee and expenses from your total revenue, before Direct Costs are deducted.

ARTICLE 9 ADVERTISING AND MARKETING

Recognizing the value of advertising and marketing and the importance of the standardization of marketing programs to the furtherance of the goodwill and public image of the System, the parties agree as follows:

9.1 Participation in Advertising

We may from time to time develop and create advertising, marketing and sales promotion programs designed to promote and enhance the collective success of all CareBuilders At Home businesses operating under the System. You shall participate in all such advertising, marketing and sales promotion programs in accordance with the terms and conditions established by us for each program. In all aspects of these programs, including, without limitation, the type, quantity, timing, placement and choice of media, market areas and advertising agencies, the standards and specifications established by us shall be final and binding upon you. Amount you pay in connection with this Section are in addition to the Brand Development Fund fees.

9.2 Local Marketing

In addition to the Brand Development Fee, if and when implemented, you shall spend, throughout the term of this Agreement, not less than one percent (1%) of your Office's total revenue each month, or at least One Thousand Dollars (\$1,000) each month, whichever is greater, on marketing for the Office in your Designated Territory, including approved job board marketing ("Local Marketing"). You shall submit to us, within thirty (30) days of our request, marketing expenditure reports accurately reflecting your Local Marketing expenditures, including verification copies of all marketing and any other information that we require.

9.3 Brand Development Fund

Recognizing the value of uniform advertising and promotion to the goodwill and public image of the System, you agree that we or our designee shall have the right, but not the obligation, to establish, maintain and administer a brand development fund (hereinafter referred to as the "Fund") for such national, regional and/or local advertising programs as we may deem necessary or appropriate, in our sole discretion. We shall not be obligated to establish the Fund until we believe that doing so would be in the best interests of us, our affiliates, our franchisees and the System. If established, you agree to pay the Brand Development Fee, as described in Section 3.3. If we elect to establish the Fund, the Fund will be administered as follows:

9.3.1 The Fund may be managed by us, our designee or a professional agency to advertise and promote the System and CareBuilders At Home businesses. The Fund will be used for national, regional and/or local advertising, publicity and promotion relating to our business. We will determine, in our fully unrestricted discretion, the manner in which the Fund will be spent. Some portion of the Fund may be used for creative concept production, marketing surveys, test marketing and related purposes. We have the right to direct all advertising activities with sole discretion over creative concepts, materials and media used, as well as their placement and allocation. The Fund will not be audited.

9.3.2 We have the right to reimburse ourselves out of the Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials and collecting the Brand Development Fee (including attorneys', auditors' and accountants' fees and other expenses incurred in connection with collecting any Brand Development Fees). The Fund is not our asset, and it is not a trust. We do not owe you any fiduciary obligations because we maintain the Fund. We may spend in any calendar year an amount greater or less than the aggregate contributions made by all offices contributing to the Fund in that year. We may make loans to the Fund (and the Fund may borrow from us or other lenders) bearing reasonable interest to cover any deficits of the Fund or cause the

Fund to invest surplus for future use. Any money remaining in the Fund at the end of any year will carry over to the next year.

9.3.3 Any CareBuilders At Home business owned by us or our affiliates will contribute to the Fund on the same basis as franchisees in the System. Funds from the Brand Development Fees paid will be kept separate and distinct and will be accounted for separately from our other funds. These funds will not be used to defray any of our general operating expenses, except as described in the paragraph above, and will not be used for advertising that is primarily a solicitation of new franchisees. We will prepare, and furnish to you upon written request, an unaudited annual statement of funds collected and costs incurred.

9.3.4 We may incorporate the Fund or operate it through a separate entity whenever we want. The Fund is intended to maximize general public recognition and patronage of all CareBuilders At Home businesses and the Marks for the benefit of all CareBuilders At Home businesses. We have no obligation to make sure that expenditures by the Fund are proportionate or equivalent to contributions by your Office or to make sure that any office will benefit directly or in proportion to its contribution to the Fund from the conduct of marketing programs or the placement or advertising.

9.3.5 We have the right, but no obligation, to use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle and compromise all claims by or against the Fund.

9.3.6 We may at any time defer or reduce the Fund contributions of any office and, upon thirty (30) days' prior written notice to you, reduce or suspend Fund contributions and operations for one (1) or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to all offices (whether franchised or operated by us or our affiliates) in proportion to their respective Fund contributions during the preceding twelve (12) month period. If we terminate the Fund we will have the right to reinstate it at any time, and the reinstated Fund will be maintained as described above.

9.4 Conduct of Advertising; Our Approval

All advertising, marketing and promotion by you in any medium shall be conducted in a professional manner and shall conform to our standards and requirements as set forth in the Operations Manual or otherwise. You shall obtain our approval of all advertising, marketing and promotional plans and materials prior to use if such plans and materials have not been prepared by us or previously approved by us during the twelve (12) months prior to their proposed use. You shall submit such unapproved plans and materials to us, and we shall have fifteen (15) days to notify you of our approval or disapproval of such materials. If we do not provide our specific approval of the proposed materials within this fifteen (15) day period, the proposed materials are deemed to be not approved. Any plans and materials that you submit to us for our review will become our property and there will be no restriction on our use or dissemination of such materials. You shall not advertise or use the Marks in any fashion on the internet, world wide web or via other means of advertising through telecommunication without our express written consent.

We reserve the right to require you to include certain language on all marketing to be used locally by you, including, but not limited to, "Franchises Available" and reference to our telephone number and/or Website.

9.5 Launch Program

In addition to the ongoing advertising and marketing expenditures set forth herein, you shall be required to pay to us an amount equal to Ten Thousand Dollars (\$10,000) to be used in your Office's start-up phase. Under this program we will consult with you on the proper allocation of these funds towards marketing, promotions, lead generation, and targeting of potential clients in your Office's first six (6) months of operation to help accelerate the Office's start-up. These funds will be spent to increase traffic and generate leads to your Office's website through online marketing via Pay Per Click (PPC), Search Engine Optimization (SEO) and retargeting. Funds may also be used to promote your Office on social media platforms and to provide local listings and reputation management. Additionally, we shall provide you with a launch kit which shall include such items as brochures, business cards, car magnets, and display signs. Usage of launch program funds shall count against your Office's local marketing requirement. We may pay launch program vendors out of the program funds on your behalf, or we may reimburse you from the launch program funds for payments you make directly to vendors.

9.6 Websites

As used in this Agreement, the term "Website" means an interactive electronic document, series of symbols, or otherwise, that is contained in a network of computers linked by communications software. The term Website includes, but is not limited to, internet and world wide web home pages. In connection with any Website, you agree to the following:

9.6.1 We shall have the right, but not the obligation, to establish and maintain a Website, which may, without limitation, promote the Marks, CareBuilders At Home businesses and any or all of the products and services offered at offices, the franchising of CareBuilders At Home businesses, and/or the System. We shall have the sole right to control all aspects of the Website, including without limitation its design, content, functionality, links to the websites of third parties, legal notices, and policies and terms of usage; we shall also have the right to discontinue operation of the Website.

9.6.2 We shall have the right, but not the obligation, to designate one (1) or more web page(s) to describe you and/or your Office, with such web page(s) to be located within our Website. You shall comply with our policies with respect to the creation, maintenance and content of any such web pages; and we shall have the right to refuse to post and/or discontinue posting any content and/or the operation of any web page.

9.6.3 You shall not establish a separate Website related to the Marks or the System without our prior written approval (which we shall not be obligated to provide). If approved to establish such a Website, you shall comply with our policies, standards and specifications with respect to the creation, maintenance and content of any such Website. You specifically acknowledge and agree that any such Website owned or maintained by you or for your benefit shall be deemed "advertising" under this Agreement, and will be subject to (among other things) our approval under this Article 9.

9.6.4 We shall have the right to modify the provisions of this Section 9.6 relating to Websites as we shall solely determine is necessary or appropriate.

9.6.5 You understand and agree that you may not promote your Office or use any Mark in any manner on social and/or networking Websites, including, but not limited to, Facebook, LinkedIn and Twitter, without our prior written consent. You must comply with our System standards regarding the use of social media in your Office's operation, including prohibitions on your and the Office's employees posting or blogging comments about the Office or the System, other than on a website established or authorized by us ("social media" includes personal blogs, common social networks like Facebook, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio and video-sharing sites, and other similar social networking or media sites or tools). We will provide access to branded social media pages/handles/assets, and you must update these regularly. We reserve the right to conduct collective/national campaigns via local social media on your behalf.

9.6.6 You understand and agree that we will provide you with an email address for your use in operating the Office, and you shall not establish a separate email address for the Office without our prior written consent.

ARTICLE 10 RECORDS, REPORTS AND FINANCIAL STATEMENTS

10.1 Records and Reporting Requirements

You agree to establish and maintain at your own expense a bookkeeping, accounting and record keeping system conforming to the requirements and formats we prescribe from time to time. All of your bookkeeping and recordkeeping practices shall conform to applicable federal, state or local requirements. We will require you to use a Computer System to input and maintain certain sales data, financial information and other information, in such formats and in such manner as we periodically prescribe, and to store, save, back up and transmit that data and information to us on a schedule we periodically prescribe. You also must maintain the Computer System and purchase the hardware and software we designate in order to allow us unlimited access to, and the ability to download, all information in your Computer System at any time. You shall, at all times during the term of this Agreement, maintain a highspeed internet connection for the Computer System. We shall have access to the data on your Computer System at all times, and any data related to the Office shall become our property.

You agree to give us, in the manner and format that we periodically prescribe:

- (a) within thirty (30) days after the end of each calendar quarter, the operating statements, financial statements, statistical reports and other information we request regarding you and the Office covering that quarter, prepared according to generally accepted accounting principles;
- (b) within forty-five (45) days after the end of the Office's fiscal year, annual profit and loss and source and use of funds statements and a balance sheet for the Office as of the end of that fiscal year, prepared according to generally accepted accounting principles; and
- (c) within ten (10) days after filing thereof, exact copies of federal and state income and other tax returns and any other forms, records, books and other information we periodically require relating to the Office, you and your Principals, or the Franchise (we will use reasonable efforts to keep such records confidential).

You agree to verify and sign each report and financial statement in the manner we prescribe. We may disclose data derived from these reports, although we will not (without your consent) disclose your identity in any materials that we circulate publicly. If you ever receive formal notice from us of your

failure to comply with your reporting or payment obligations under this Agreement, we may require you to have reviewed financial statements prepared annually during this Agreement's remaining term.

10.2 Our Right to Audit

We may at any time during your business hours, and with seventy-two (72) hours' prior notice to you, examine the Office's bookkeeping and accounting records, sales and income tax records and returns, and other records. You agree to cooperate fully with our representatives and independent accountants in any inspection or audit. If any inspection or audit discloses an understatement of any amounts owed to us, you shall pay such understated amount together with applicable interest thereon. If any inspection or audit discloses a discrepancy of three percent (3%) or more of any amounts owed to us, then in addition to paying any understated amount plus interest, you agree to reimburse us for the cost of our examination, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board, and compensation of our employees and/or independent contractors. These remedies are in addition to our other remedies and rights under this Agreement and applicable law.

ARTICLE 11 INSPECTIONS

To determine whether you and the Office are complying with this Agreement and all System Standards, we and our designated agents and representatives may at all times during normal business hours, and with seventy-two (72) hours' prior notice to you, inspect your Office. During any inspection conducted by us or our designated agents or representatives we may, without limitation:

- (a) inspect the Office;
- (b) observe, photograph, and videotape the Office's operation for consecutive or intermittent periods we deem necessary;
- (c) interview Office personnel and clients; and
- (d) inspect and copy any books, records and documents relating to the Office's operation, including, but not limited to, verifying your compliance with client contracts; license, permit and/or credential requirements; and worker's compensation rules.

You agree to cooperate with us and/or our agents fully. If we exercise any of these rights, you will use your best efforts not to interfere unreasonably with the Office's operation. You agree to present to your clients the evaluation forms that we periodically prescribe and to participate and/or request your clients to participate in any surveys performed by or for us.

ARTICLE 12 TRANSFER

12.1 By Us

We shall have the right to assign this Agreement and all of our attendant rights and privileges to any person, firm, corporation or other entity provided that, with respect to any assignment resulting in the subsequent performance by the assignee of our functions: (i) the assignee shall, at the time of such assignment, be financially responsible and economically capable of performing our obligations; and (ii) the assignee shall expressly assume and agree to perform such obligations.

You expressly affirm and agree that we may sell our assets, our rights to the Marks or to the System outright to a third party; sell or buy company shares; may engage in a private placement of some or all of our securities; may merge, acquire other corporations, or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and, with regard to any or all of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of said Marks (or any variation thereof) and/or the loss of association with or identification of “CareBuilders At Home, LLC” as Franchisor. Nothing contained in this Agreement shall require us to remain in the temporary or permanent employment business or to offer the same products and services, whether or not bearing the Marks, in the event that we exercise our right to assign our rights in this Agreement.

12.2 By You

You understand and acknowledge that the rights and duties this Agreement creates are personal to you and your Principals and that we have granted you the Franchise in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of you and your Principals. Accordingly, neither (i) this Agreement (or any interest in this Agreement), nor (ii) any interest in the ownership of you, the Franchise, the Office (or any right to receive all or a portion of the Office’s profits or losses), or all or substantially all of the Operating Assets, may be transferred without our prior written approval. A transfer of the Office’s and the Operating Assets’ ownership, possession or control may be made only with a transfer of this Agreement. Any transfer without our prior written approval is a breach of this Agreement and has no effect. In this Agreement, the term “transfer” includes your voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events:

12.2.1 transfer of interest, in whole or in part, in this Agreement, the Operating Assets or the Office (or any right to receive all or a portion of the Office’s profits or losses) in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law; or

12.2.2 if you or any Principal die, transfer of an interest in this Agreement, the Operating Assets or the Office (or any right to receive all or a portion of the Office’s profits or losses) by will, declaration of or transfer in trust, or under the laws of intestate succession; or

12.2.3 pledge of this Agreement (to someone other than us) as security, foreclosure upon the Office, or your transfer, surrender or loss of the Office’s possession, control or management; or

12.2.4 if you are an entity, the transfer of shares, partnership or member interests, or other ownership interests of you, among the Principals or to a new principal; or

12.2.5 merger or consolidation or issuance of additional securities representing ownership interests; or

12.2.6 any sale of ownership interests carrying voting rights in you or any security convertible to voting ownership interests in you or any agreement granting the right to exercise or control the exercise of the voting rights of any holder of an ownership interest.

12.3 Conditions for Approval of Transfer

If you and your Principals are in full compliance with this Agreement, then, subject to the other provisions of this Section, we will not unreasonably withhold our approval of a transfer that meets all the requirements in this Section; provided, however, that if the transfer is of a minority ownership interest in

you (and you retain a majority equity interest and voting control), Subsections 12.3.2, 12.3.5, 12.3.6, 12.3.7, 12.3.10 and 12.3.11 below shall not apply. Except as described in the previous sentence, all of the following conditions must be met before or concurrently with the effective date of the transfer:

12.3.1 the transferee and its principals must be individuals of good moral character and otherwise meet our then applicable standards for a CareBuilders At Home franchisee;

12.3.2 the transferee has sufficient business experience, aptitude and financial resources to operate the Office;

12.3.3 you have paid all required Continuing Royalty Fees, Brand Development Fees and other amounts owed to us and our affiliates, have submitted all required reports and statements, and are not in violation of any provision of this Agreement or any other agreement with us or our affiliates;

12.3.4 the transferee does not operate, or have an ownership or other interest in or relationship with a Competitive Office or has fully divested all such ownership or other interest in such Competitive Office at least fourteen (14) days prior to transfer, and shall execute an affidavit undertaking to such effect;

12.3.5 the transferee satisfactorily completes our training program;

12.3.6 the transferee and any other persons designated by us sign our then-current form of franchise agreement and related documents, the provisions of which may differ materially from any and all of those contained in this Agreement and the term of which shall be for the remaining term of this Agreement at the time of transfer;

12.3.7 you or the transferee pay us, upon consummation of the transfer, a transfer fee equal to thirty percent (30%) of the then-current initial franchise fee; provided, however, that in the event the transfer is to an immediate family member (which for purposes of this Agreement includes parents, siblings and/or children), the transfer fee payable hereunder shall be Seven Thousand Five Hundred Dollars (\$7,500). You shall be required to pay any broker fees resulting from the transfer to a transferee where the transfer was facilitated through a broker;

12.3.8 you and the transferring Principals sign a general release, in a form satisfactory to us, of any and all claims against us and our affiliates and our and their respective shareholders, officers, directors, employees, representatives, agents, successors and assigns (provided, however, that all rights enjoyed by you and any causes of action arising in your favor from the provisions of Article 33 of the New York General Business Law (“GBL”) and the regulations issued thereunder shall remain in force; it being the intent of this provision that the non-waiver provisions of GBL Sections 687.4 and 687.5 be satisfied);

12.3.9 we have determined that the purchase price and payment terms will not adversely affect the transferee’s operation of the Office;

12.3.10 if we finance any part of the purchase price, you agree that all of the transferee’s obligations under promissory notes, agreements or security interests reserved in the Office are subordinate to the transferee’s obligation to pay Continuing Royalty Fees and other amounts due to us and otherwise to comply with this Agreement;

12.3.11 the landlord of the Office must consent in writing to the assignment of your lease to the transferee;

12.3.12 if the proposed transferee is acquiring a portion of the interest in the legal entity that is you, then the proposed transferee will be your Principal and as such agrees to be individually bound by the obligations in this Agreement and is not released from any obligations to us;

12.3.13 you agree for two (2) years beginning on the transfer's effective date, not to engage in any of the activities prescribed in Section 15.4 below;

12.3.14 you will not directly or indirectly at any time or in any manner (except with respect to other CareBuilders At Home businesses you own and operate pursuant to franchise agreements with us) identify yourself or any business as a current or former CareBuilders At Home business or as one of our franchisees, use any Mark, any colorable imitation of a Mark, or other indicia of a CareBuilders At Home business in any manner or for any purpose, or utilize for any purpose any trade name, trademark, service mark, or other commercial symbol that suggests or indicates a connection or association with us; and

12.3.15 the spouse of transferee, if applicable, shall execute our Spousal Guaranty.

We may review all information regarding the Office that you give the transferee, correct any information that we believe is inaccurate, and give the transferee copies of any reports that you have given us or we have made regarding the Office.

12.4 Transfer to a Wholly Owned or Controlled Entity

If you are an individual or individuals and are in full compliance with this Agreement, then we shall not unreasonably withhold our approval of a transfer of this Agreement, the Franchise, and the Office, one (1) time only, to a corporation or comparable legal entity: (i) which conducts no business other than the CareBuilders At Home business, and (ii) in which the Principal(s) originally purchasing the Franchise maintain control and own and control one hundred percent (100%) of the equity and voting power of all issued and outstanding ownership interests in the same proportional interest as originally owned. Such an assignment shall not relieve you and your Principals of your obligations hereunder; the Principals shall remain personally liable for the performance of all obligations under this Agreement and are not released from any obligations to us. Copies of the articles of incorporation, bylaws, operating agreement, other governing documents, any amendments thereto, and any certificates, buy-sell agreements or other documents restricting the sale or transfer of stock of the corporation, and any other documents as may reasonably be required by us shall be furnished to us prior to the addition of your corporation or limited liability company as a "franchisee" under this Agreement. Shareholder certificates or other documents representing ownership interests of such legal entity must be endorsed with a legend in form approved by us reciting that the transfer of interests in you is subject to the restrictions of this Agreement. A transfer pursuant to this Section 12.4 may occur one (1) time only without payment of the transfer fee.

12.5 Transfer Upon Death or Disability

If you or one of your Principals die, leaving, in our discretion, no fully experienced survivor capable of carrying on the business of the Office in a satisfactory manner, or shall become disabled from performing their functions for a period of time that the viability of the Office is endangered in our reasonable opinion, or if you cease to operate under the provisions of this Agreement for any other reason, we shall be entitled, at our option, to hire a manager to operate the day-to-day business at your

cost, or to cause the immediate assignment of your rights and interest in this Agreement to us. If an assignment occurs as the result of the death or disability of you or one of your Principals and if the Office has been in operation for twelve (12) months or longer (but not otherwise), we shall pay you (or your survivors or estate, as the case may be) an amount equal to fifty percent (50%) of that portion of the net sales (being total revenue less Direct Costs) of the Office during the six (6) months next following your ceasing to so operate, based upon actual net sales for Services performed by the Office during that six (6) month period. The purchase price shall be paid in installments on the last day of each of the twelve (12) fiscal months next following our exercise of this option, in amounts representing each half-fiscal month's net sales. Any amounts payable to you hereunder shall be offset by any amounts due to us from you.

12.6 Operation in the Event of Absence or Disability

In order to prevent any interruption of the Office's operations which would cause harm to the Office, thereby depreciating the value thereof, you authorize us, who may, at our option, in the event that you are absent for any reason or are incapacitated by reason of illness and are unable, in our sole and reasonable judgment, to operate the Office, operate the Office for so long as we deem necessary and practical, and without waiver of any other rights or remedies we may have under this Agreement. All monies from the operation of the Office during such period of operation by us shall be kept in a separate account, and the expenses of the Office, including reasonable compensation and expenses for our representative as well as our other expenses incurred in exercising our rights pursuant to this Section 12.6, shall be charged to said account. If, as herein provided, we temporarily operate the Office franchised herein for you, you agree to indemnify and hold harmless us and any representative of ours who may act hereunder, from any and all acts which we may perform, as regards the interests of you or third parties.

12.7 Effect of Consent to Transfer

Our consent to any transfer is not a representation of the fairness of the terms of any contract between you and the transferee, a guarantee of the Office's or transferee's prospects of success, or a waiver of any claims we have against you or of our right to demand the transferee's full compliance with this Agreement's terms or conditions.

12.8 Our Right of First Refusal

If you at any time determine to sell or transfer (a) an interest in this Agreement, (b) all or substantially all of the Operating Assets, or (c) the Office (including the right to receive your portion of the Office's profits or losses) – except to or among your Principals – you agree to obtain from a responsible and fully disclosed buyer, and send to us, a true and complete copy of a bona fide, executed written offer relating exclusively to an interest in this Agreement, the Operating Assets and the Office. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be in a dollar amount, and the proposed buyer must submit with its offer an earnest money deposit equal to five percent (5%) or more of the offering price.

We may, by delivering written notice to you within thirty (30) days after we receive both an exact copy of the offer and all other information we request, elect to purchase the interest for the price and on the terms and conditions contained in the offer, provided that: (i) we may substitute cash for any form of payment proposed in the offer; (ii) our credit will be deemed equal to the credit of any proposed buyer; (iii) we will have not less than sixty (60) days to prepare for closing after notifying you of our election to purchase; and (iv) we must receive, and you agree to make, all customary representations and warranties given by the seller of the assets of a business, including, without limitation, representations and warranties regarding ownership and condition of, and title to, assets and validity of contracts and the

liabilities, contingent or otherwise, relating to the assets being purchased. If we exercise our right of first refusal, you agree that, for two (2) years beginning on the closing date, you will be bound by the non-competition covenant contained in Section 15.4 below.

If we do not exercise our right of first refusal, you may complete the sale to the proposed buyer on the original offer's terms, subject to our approval of the transfer as provided in Sections 12.2 and 12.3 above. If you do not complete the sale to the proposed buyer within sixty (60) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change in the terms of the sale (which you must tell us promptly), we will have an additional right of first refusal during the thirty (30) day period following either the expiration of the sixty (60) day period or our receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option.

12.9 Ownership Structure

If you are an entity, you represent and warrant that your ownership structure is as set forth on Attachment 1 hereto and covenant that you will not vary from that ownership structure without our prior written approval.

As the Franchise owner you must designate yourself with one of the following approved titles: Executive Director, Managing Director, Franchise Owner or President.

ARTICLE 13 GRANT OF A RENEWAL FRANCHISE

13.1 Renewal

Subject to the provisions of this Section, you shall have an option (exercisable only by written notice delivered to us less than nine (9) months, but more than six (6) months, prior to the end of the initial term of this Agreement) to renew the franchise hereunder for up to two (2) additional terms of five (5) years each, if:

13.1.1 you have been, throughout the initial term of this Agreement, in substantial compliance, and at the expiration of such initial term are in full compliance, with this Agreement, the lease and all other agreements between you and us or companies associated or affiliated with us;

13.1.2 you enter into our then-current Franchise Agreement and all other ancillary agreements, instruments and documents then customarily used by us in the granting of franchises (which then-current Franchise Agreement may materially differ from this Agreement, including a higher rate of fees, different methods of calculating fees due, and different payment methods, which shall be the same as those set out in the franchise agreements being executed at the time of renewal);

13.1.3 you are able to maintain possession of the Site for the Office (or at a relocated site) pursuant to a lease reasonably acceptable to us;

13.1.4 you refurbish, upgrade, and/or renovate your Office as we require in order that your Office will meet our then-current standards and image for CareBuilders At Home businesses;

13.1.5 the landlord of the site consents to a renewal or extension of the lease;

13.1.6 at the time the renewal option is exercised and at the time such renewal commences, all monetary obligations to us and any affiliate of ours must be current and must have been current at all times during the preceding twelve (12) months;

13.1.7 you execute a general release running in favor of us, our affiliates and our respective officers, directors and shareholders releasing all claims against us, our officers, directors and shareholders (provided, however, that all rights enjoyed by you and any causes of action arising in your favor from the provisions of Article 33 of the New York General Business Law (“GBL”) and the regulations issued thereunder shall remain in force; it being the intent of this provision that the non-waiver provisions of GBL Sections 687.4 and 687.5 be satisfied); and

13.1.8 you pay to us a renewal fee equal to Five Thousand Dollars (\$5,000).

13.2 Refusal to Renew Franchise Agreement

We can refuse to renew your franchise if your lease, sublease or other document by which you have the right to occupy the Office premises is not extended before your renewal term is to take effect to cover the first year of the renewal or if you do not have a written commitment from your landlord to renew the lease or sublease for a period at least equal to the first year of the renewal term. We may also refuse to renew your franchise under other circumstances, including, but not limited to, your failure to substantially comply with the terms of this Agreement, your failure to pay amounts owed to us when due, or your failure to cure of any defaults incurred during the initial term of this Agreement, if applicable.

13.3 Renewal Under Law

Even though we decline the renewal of your franchise, it is possible that we can be required to renew it under a law, rule, regulation, statute, ordinance, or legal order that is applicable at the time. If that happens, to the extent it is allowed by the concerned law, rule, regulation, statute, ordinance or order, your renewal term will be subject to the conditions of the Franchise Agreement we are using for new franchisees at the time the renewal period begins. If we are not then offering new franchises, your renewal period will be subject to the terms in the Franchise Agreement that we indicate. If for any reason that is not allowed, the renewal term will be governed by the terms of this Agreement.

13.4 Your Election Not to Renew

For the purposes hereof, you shall be deemed to have irrevocably elected not to renew the franchise hereunder (and the option to do so shall thereupon terminate) if you fail to execute and return to us our then-standard Franchise Agreement and other ancillary documents required by us for a renewal franchise within thirty (30) days after we have delivered them to you.

ARTICLE 14 TERMINATION OF AGREEMENT

14.1 Our Termination Rights – No Opportunity to Cure

We may terminate this Agreement, effective upon delivery of written notice of termination to you, if:

14.1.3 you do not satisfactorily complete initial training, after giving you an opportunity to re-take the initial training;

14.1.6 you or a Principal are or have been convicted by a trial court of, or plead or have pleaded no contest to, a felony or misdemeanor involving violence, or moral turpitude, or if you or any Principal engage in consumer fraud, dishonesty, diversion or attempted diversion (either intentional or by neglect) of payments due to us hereunder, breach of ethical standards generally recognized in the in-home private care services field, or engage in any illegal activities at or from the Office, whether or not such actions result in conviction by a trial court;

14.1.7 you interfere with our right to inspect the Office or observe its operation, as provided in Article 11 of this Agreement;

14.1.8 you or any Principal engage in any dishonest or unethical conduct which, in our opinion, adversely affects the Office's reputation, the reputation of other CareBuilders At Home businesses or the goodwill associated with the Marks;

14.1.9 you or any Principal make an unauthorized assignment or transfer of this Agreement, all or substantially all of the Operating Assets, the Office or the right to receive all or any part of the Office's profits or losses;

14.1.12 you fail to pay when due any federal, state or local income, service, sales or other taxes due on the Office's operation, unless you are in good faith contesting your liability for these taxes;

14.1.13 you (a) fail on three (3) or more separate occasions within any twelve (12) consecutive month period to submit when due reports or other data, information or supporting records, to pay when due any amounts due to us (or our affiliates), or otherwise to comply with this Agreement, whether or not you correct any of these failures after we deliver written notice to you; or (b) fail on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not you correct either of the failures after we deliver written notice to you;

14.1.14 you, or any of your Principals shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or any of your Principals or such a petition is filed against and not opposed by you or such Principal; if you or any of your

Principals is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver or other custodian for you or your business or assets or any of your Principals or their business or assets is filed and consented to by you or such Principal; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, or the assets or property of any of your Principals, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against you or any of your Principals; if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a *supersedeas* bond is filed); if you are dissolved; if execution is levied against your or their business or property; if suit to foreclose any lien or mortgage against the Office premises or equipment is instituted against you and not dismissed within thirty (30) days; or if the real or personal property of the Office shall be sold after levy thereupon by any sheriff, marshal, or constable;

14.1.15 you, your Principals or any immediate family member thereof violates the restrictions of Article 7 (Exclusive Relationship) or any other non-compete agreement. As used herein, the term “immediate family” includes a spouse or life partner, children (including step-children and adopted children), parents and siblings;

14.1.16 you cause or permit to exist a material default under the lease or sublease for the site and fail to cure such default within the applicable cure period set forth in the lease or sublease;

14.1.17 you fail to pay us (or our affiliates) any amounts due and do not correct the failure within five (5) business days after we deliver written notice of that failure to you;

14.1.18 your or your Principals’ assets, property or interests are “blocked” under any law, ordinance or regulation relating to terrorist activities or if you or your Principals otherwise are in violation of any such law, ordinance or regulation, or any other law, ordinance or regulation applicable to the Office;

14.1.19 you fail to comply with any other provision of this Agreement or any System Standard and do not correct the failure within thirty (30) days after we deliver written notice of the failure to you; or

14.1.20 you fail to meet the minimum revenue requirements as defined in Section 1.6 of this Agreement.

14.2 Our Termination Rights – Opportunity to Cure

This Agreement shall, at our option, terminate upon notice and your failure to cure within the specified time periods if you:

14.2.1 fail or refuse to make payments of any amounts due us for Continuing Royalty Fees or any other amounts due to us or our affiliates, and do not correct such failure or refusal within five (5) business days after written notice of such failure is delivered to you;

14.2.2 fail or refuse to comply with any other provision of this Agreement, or any mandatory specification, standard or operating procedure prescribed in the Operations Manual or otherwise in writing, and do not correct such failure within thirty (30) days or provide proof acceptable to us that you have made all reasonable efforts to correct such failure and shall continue to make all

reasonable efforts to cure until a cure is effected; if such failure cannot reasonably be corrected within thirty (30) days after written notice of such failure to comply is delivered to you;

14.2.3 materially misuse or make an unauthorized use of any of the Marks or commit any other act which can reasonably be expected to materially impair the goodwill associated with any of the Marks and do not correct the misuses or unauthorized use within thirty (30) days of receiving notice;

You shall have five (5) days in which to cure such default.

14.3 Reinstatement and Extension

To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like, other than in accordance with applicable law, to the extent such are not in accordance with applicable law, we may reinstate or extend the term for the purpose of complying with applicable law by submitting a written notice to you without waiving any of our rights under this Agreement.

14.4 Cross-Defaults, Non-Exclusive Remedies, etc.

Any default by you (or any person/company affiliated with you) under this Agreement may be regarded as a default under any other agreement between us (or any of our affiliates) and you (or any of your affiliates). Any default by you (or any person/company affiliated with you) under any other agreement, including, but not limited to, any lease and/or sublease, between us (or any of our affiliates) and you (or any person/company affiliated with you), and any default by you (or any person/company affiliated with you) under any obligation to us (or any of our affiliates) may be regarded as a default under this Agreement. Any default by you (or any person/company affiliated with you) under any lease, sublease, loan agreement, security interest or otherwise, whether with us, any of our affiliates and/or any third party may be regarded as a default under this Agreement and/or any other agreement between us (or any of our affiliates) and you (or any of your affiliates).

In each of the foregoing cases, we (and any of our affiliates) will have all remedies allowed at law, including termination of your rights (and/or those of any person/company affiliated with you) and our (and/or our affiliates') obligations. No right or remedy which we may have (including termination) is exclusive of any other right or remedy provided under law or equity and we may pursue any rights and/or remedies available.

14.5 Our Right to Discontinue Services to You

If you are in breach of any obligation under this Agreement, and we deliver to you a notice of termination pursuant to this Article 14, we have the right to suspend our performance of any of our obligations under this Agreement including, without limitation, the sale or supply of any services or products for which we are an approved supplier to you and/or suspension of your webpage on our Website, until such time as you correct the breach, if such breach may be cured under the terms of this Agreement.

14.6 Amendment Pursuant to Applicable Law

Notwithstanding anything to the contrary contained in this Article, if any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit our rights of termination under this Agreement or shall require longer notice periods than those set forth above, this Agreement is deemed amended to satisfy the minimum notice periods or restrictions upon such termination required by such laws and regulations; provided, however, that such constructive amendment shall not be deemed a concession by us that the grounds for termination set forth in this Agreement do not constitute “good cause” for termination within the meaning ascribed to that term by any applicable law or regulation. We shall not be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, hearing or proceeding relating to this Agreement or the termination of this Agreement.

ARTICLE 15 RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT

15.1 Payment of Amounts Owed

You agree to pay, within thirty (30) days after this Agreement expires or is terminated, or on any later date that we determine, the amounts due to us or our affiliates which then are unpaid.

15.2 De-Identification

When this Agreement expires or is terminated for any reason:

15.2.1 you shall not directly or indirectly at any time thereafter or in any manner (except in connection with other CareBuilders At Home businesses you own and operate pursuant to Franchise Agreements with us): (a) identify yourself or any business as a current or former CareBuilders At Home business or as one of our franchisees; (b) use any Mark, any colorable imitation of a Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Mark, or other indicia of a CareBuilders At Home business in any manner or for any purpose; or (c) use for any purpose any trade name, trademark, service mark or other commercial symbol that indicates or suggests a connection or association with us;

15.2.2 you agree to take the action required to cancel all fictitious or assumed name (d/b/a) or equivalent registrations relating to your use of any Mark;

15.2.3 you agree to deliver to us within thirty (30) days all signs; advertising, marketing and promotional materials; forms; and other materials containing any Mark or otherwise identifying or

relating to a CareBuilders At Home business that we request and allow us, without liability to you or third parties, to remove these items from the Office;

15.2.4 if we do not exercise an option to purchase the Office under Section 15.5 below, you agree promptly and at your own expense to make the alterations we specify in the Operations Manual (or otherwise) to distinguish the Office clearly from its former appearance and from other CareBuilders At Home businesses in order to prevent public confusion;

15.2.5 you agree to notify the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone, telecopy or other numbers and telephone directory listings associated with any Mark, to authorize the transfer of these numbers and directory listings to us or at our direction, and/or to instruct the telephone company to forward all calls made to your numbers to numbers we specify. As soon as you obtain any such numbers and listings, you shall sign our form of Internet Advertising, Social Media and Telephone Account Agreement, attached to this Agreement as Attachment 4. If you fail to do so, we may take whatever action and sign whatever documents we deem appropriate on your behalf to effect these events;

15.2.6 you agree to notify all internet-based service providers used by you in the operation of the Office, including, without limitation, job posting boards, internet advertisements and/or social or networking Website accounts (whether or not established according to the provisions of this Agreement), that you are no longer authorized to use such services related to the Office, that we own all accounts related to such services, and you shall take all actions required to ensure that ownership of such services and/or accounts is transferred to us; and

15.2.7 you agree to give us, within thirty (30) days after the expiration or termination of this Agreement, evidence satisfactory to us of your compliance with these obligations.

15.3 Confidential Information

You agree that, when this Agreement expires or is terminated, you will immediately cease using any of Confidential Information in any business or otherwise and return to us all Confidential Information, including all copies of the Operations Manual, the Client List, all client records and any confidential materials that we have loaned you. You shall also assign to us or our designee (which may be another franchisee in the System) each client contract and, if applicable, employment contract with private-care employees in effect at the time this Agreement expires or is terminated, and you shall execute any documents necessary to effectuate such assignment. You understand and acknowledge that we have the right to withhold payments otherwise due to you under this Agreement (without loss of our rights to any other remedies provided by law) in the event of any breach by you of your duty to assist in the orderly transfer of client contracts and employment contracts to us or our designee.

15.4 Covenant Not to Compete

Upon our termination of this Agreement according to its terms and conditions, upon transfer of this Agreement, or upon expiration of this Agreement without renewal, you agree that, for two (2) years beginning on the effective date of termination, the effective date of transfer, the expiration date or the date on which all persons restricted by this Section 15.4 begin to comply with this Section 15.4, neither you nor any Principal will have any direct or indirect interest (e.g. through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent in any Competitive Office (as defined in Article 7 above) within seventy-five (75) miles of any CareBuilders At Home business in the System.

You and your Principals expressly acknowledge that you and they possess skills and abilities of a general nature and have other opportunities for exploiting these skills. Consequently, we in enforcing the covenants made in this Section will not deprive you or your Principals of your or their personal goodwill or ability to earn a living.

15.5 Our Right to Purchase Office

15.5.1 Exercise of Option. Upon our termination of this Agreement according to its terms and conditions or upon expiration of this Agreement without renewal, we have the option, exercisable by giving you written notice within thirty (30) days after the date of termination or expiration, to purchase any assets of the Office that we designate. We have the unrestricted right to assign this option to purchase. We are entitled to all customary warranties and representations in our asset purchase, including, without limitation, representations and warranties as to ownership and condition of and title to assets, validity of contracts and agreements, and liabilities affecting the assets, contingent or otherwise.

15.5.2 Purchase Price. The purchase price for the assets we choose to acquire will be their book value, provided that these items will not include any value for the Franchise or any rights granted by this Agreement, goodwill attributable to the Marks, our brand image, and other intellectual property or participation in the network of CareBuilders At Home businesses. For purposes of determining the book value of all equipment (including the Computer System) used in operating the Office, the equipment's useful life shall be determined to be no more than three (3) years.

15.5.3 We (or our assignee) will pay the purchase price at the closing, which will take place not later than sixty (60) days after the purchase price is determined, although we (or our assignee) may decide after the purchase price is determined not to exercise our purchase option. We may set off against the purchase price, and reduce the purchase price by, any and all amounts you owe us or our affiliates. At the closing, you agree to deliver instruments transferring to us (or our assignee): (a) good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to us), with all sales and transfer taxes paid by you; and (b) all of the Office's licenses and permits which may be assigned or transferred.

15.5.4 If you cannot deliver clear title to all of the purchased assets, or if there are other unresolved issues, we and you will close the sale through an escrow. You further agree to execute general releases, in a form satisfactory to us, of any and all claims against us and our affiliates and our respective shareholders, officers, directors, employees, agents, representatives, successors and assigns. If we exercise our rights under this Section 15.5, you agree that, for two (2) years beginning on the closing date, you will be bound by the non-competition covenant contained in Section 15.4 above.

15.6 Continuing Obligations

All of our and your obligations hereunder which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until these obligations are satisfied in full or by their nature expire.

15.7 Liquidated Damages

If we terminate this Agreement pursuant to Article 14, you must pay us liquidated damages equal to the average value of the Continuing Royalty Fees you paid or owed (per month) to us during the

twelve (12) months before the termination multiplied by twenty-four (24), being the number of months in two (2) full years.

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages we would incur from this Agreement's termination and the loss of cash flow from Continuing Royalty Fees due to, among other things, the complications of determining what costs, if any, we might have saved and how much the Continuing Royalty Fees would have grown over what would have been this Agreement's remaining term. The parties hereto consider this liquidated damages provision to be a reasonable, good faith pre-estimate of those damages.

The liquidated damages provision only covers our damages from the loss of cash flow from the Continuing Royalty Fees. It does not cover any other damages, including damages to our reputation with the public and landlords and damages arising from a violation of any provision of this Agreement other than the Continuing Royalty Fee section. You and each of your Principals agree that the liquidated damages provision does not give us an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Continuing Royalty Fee section.

ARTICLE 16 RELATIONSHIP OF THE PARTIES; INDEMNIFICATION

16.1 Independent Contractors

You and we understand and agree that this Agreement does not create a fiduciary relationship between us, that you and we are and will be independent contractors, and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with clients, suppliers, public officials, Office personnel and others as the Office's independent owner under a Franchise we have granted. You further agree to place notices of independent ownership on the forms, business cards, stationery, advertising, marketing and other materials we require from time to time, including without limitation a conspicuously placed sign at the Office.

16.2 No Liability for Acts of Other Party

We and you agree not to make any express or implied agreements, warranties, guarantees or representations, or incur any debt, in the name or on behalf of the other or represent that our relationship is other than franchisor and franchisee. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Office's operation or the business you conduct under this Agreement.

16.3 Taxes

We will have no liability for any sales, use, service, occupation, excise, sales, income, property, corporate or other taxes, whether levied upon you or the Office, due to the business you conduct (except any taxes we are required by law to collect from you for purchases from us, if we are an approved supplier). You are responsible for paying these taxes.

16.4 Indemnification by You

To the fullest extent permitted by law, you agree to indemnify, defend and hold harmless us, our affiliates, and our respective shareholders, directors, officers, employees, agents, representatives, successors and assigns (the "Franchisor Indemnified Parties") from and against, and to reimburse any

one (1) or more of the Franchisor Indemnified Parties for, any and all claims, obligations and damages directly or indirectly arising out of the Office's operation, [the computer system](#), the business you conduct under this Agreement, or your breach of this Agreement. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, punitive or otherwise) and costs that any Franchisor Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, and other expenses of litigation, arbitration or alternative dispute resolution, including travel and living expenses, regardless of whether litigation, arbitration or alternative dispute resolution is commenced.

Each Franchisor Indemnified Party may defend and control the defense of any claim against it which is subject to this indemnification at your expense, and you may not settle any claim or take any other remedial, corrective or other actions relating to any claim without our consent. Additionally, a Franchisor Indemnified Party may, at any time, settle any claim against it for which it is entitled to seek indemnity, and you shall reimburse the Franchisor Indemnified Party for any amount that the Franchisor Indemnified Party paid under the settlement terms. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. A Franchisor Indemnified Party need not seek recovery from an insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that a Franchisor Indemnified Party may recover from you.

16.5 Indemnification by Us

To the fullest extent permitted by law, we agree to indemnify, defend and hold harmless you, your affiliates, and your respective shareholders, directors, officers, employees, agents, representatives, successors and assigns (the "Franchisee Indemnified Parties") from and against, and to reimburse any one (1) or more of the Franchisee Indemnified Parties for, any and all claims, obligations and damages directly or indirectly arising out of our gross negligence or intentional acts. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, punitive or otherwise) and costs that any Franchisee Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, and other expenses of litigation, arbitration or alternative dispute resolution, including travel and living expenses, regardless of whether litigation, arbitration or alternative dispute resolution is commenced.

Each Franchisee Indemnified Party may defend and control the defense of any claim against it which is subject to this indemnification at our expense, and we may settle any claim or take any other remedial, corrective or other actions relating to any claim we may choose. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. A Franchisee Indemnified Party need not seek recovery from an insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against us. We agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that a Franchisee Indemnified Party may recover from us.

ARTICLE 17
MISCELLANEOUS PROVISIONS; DISPUTE RESOLUTION

17.1 Severability and Substitution of Valid Provisions

Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, shall be considered severable and if, for any reason, any such portion of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which we are a party, that ruling shall not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid shall be deemed not to be a part of this Agreement from the date the time for appeal expires, if you are a party thereto; otherwise upon your receipt of written notice of non-enforcement thereof from us. If any covenant herein which restricts competitive activity is deemed enforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, you and we agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to enter into a successor franchise agreement than is required hereunder, or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the comparable provisions hereof, and we shall have the right, in our sole discretion, to modify such invalid or enforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable. Such modification(s) to this Agreement shall be effective only in such jurisdiction, unless we elect to give it greater applicability, and shall be enforced as originally made and entered into in all other jurisdictions. You agree to be bound by any such modification to this Agreement.

17.2 Waiver of Obligations

We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other. Any waiver granted by us shall be without prejudice to any other rights we may have, will be subject to our continuing review and may be revoked, in our sole discretion, at any time and for any reason, effective upon delivery to you of ten (10) days' prior written notice. We and you shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement by virtue of any custom or practice of the parties at variance with the terms hereof; any failure, refusal or neglect of ours or yours to exercise any rights under this Agreement or to insist upon exact compliance by the other with its obligations hereunder; any waiver, forbearance, delay, failure or omission by us to exercise any right, power or option, whether of the same, similar or different nature, with respect to other CareBuilders At Home businesses; or our acceptance of any payments due from you after any breach of this Agreement.

Neither we nor you shall be liable for loss or damage or deemed to be in breach of this Agreement if our or your failure to perform our respective obligations results from: (a) transportation shortages, inadequate supply of equipment, merchandise, supplies, labor, material or energy, or the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof; (b) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state, or municipal government or any department or agency thereof; (c) acts of God; (d) fires, strikes, embargoes, war or riot; or (e) any other similar event or cause, except where you are found to have deliberately or by gross negligence been the direct or indirect cause of the calamity. Any delay resulting from any of said causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that said causes shall not excuse payments of amounts owed at the time of such occurrence or payment of Continuing Royalty Fees, Brand Development Fees or other payments due hereunder.

17.3 Injunctive Relief

Notwithstanding anything to the contrary contained in Section 17.6 of this Article, either party may institute in a court of competent jurisdiction an action or actions for temporary or preliminary injunctive relief; provided, however, that such party shall contemporaneously submit the dispute to arbitration on the merits in accordance with Section 17.6 of this Article. You agree that we may have such temporary or preliminary injunctive relief without bond, but upon due notice, and your sole remedy in the event of the entry of such injunctive relief shall be the dissolution of such injunctive relief, if warranted, upon hearing duly had (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby).

17.4 Rights of Parties are Cumulative

Our and your rights hereunder are cumulative and no exercises or enforcement by us or you of any right or remedy hereunder shall preclude the exercise or enforcement by us or you of any other right or remedy hereunder or which we or you are entitled by law to enforce.

17.5 Costs and Attorneys' Fees

If we incur expenses in connection with your failure to pay when due amounts to us or our affiliates, to submit when due any reports, information or supporting records or otherwise to comply with

this Agreement, you shall reimburse us for any such costs and expenses which we incur, including but not limited to reasonable legal, arbitrators', accounting and related fees.

17.6 Dispute Resolution

Except to the extent we elect to enforce the provisions of this Agreement by judicial process and injunction in our sole discretion, all disputes, claims and controversies between the parties arising under or in connection with this Agreement or the making, performance or interpretation thereof (including claims of fraud in the inducement and other claims of fraud and the arbitrability of any matter) which have not been settled through negotiation will be settled by binding arbitration in Nassau County, New York, under the authority of New York Statutes. The arbitrator(s) will have a minimum of five (5) years' experience in franchising or distribution law and will have the right to award specific performance of this Agreement. If the parties cannot agree upon a mutually agreeable arbitrator, then the arbitration shall be conducted as per the selection method set forth in the New York Statutes. The proceedings will be conducted under the commercial arbitration rules of the American Arbitration Association, to the extent such rules are not inconsistent with the provisions of this arbitration provision or the New York Statutes. The decision of the arbitrator(s) will be final and binding on all parties. This Section will survive termination or non-renewal of this Agreement under any circumstances. Judgment upon the award of the arbitrator(s) may be entered in any court having jurisdiction thereof. During the pendency of any arbitration proceeding, you and we shall fully perform our respective obligations under this Agreement.

17.7 Governing Law

All matters relating to arbitration shall be governed by the Federal Arbitration Act. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement, the Franchise and the relationship of the parties shall be governed by the laws of the State of New York, without regard for its conflicts of laws principles.

17.8 Jurisdiction

With respect to actions described in Section 17.3 above and any other actions not subject to arbitration under Section 17.6 above, you and we agree that any action arising under this Agreement or otherwise as a result of the relationship between you and us must be commenced in a state or federal court of competent jurisdiction in Nassau County, New York. You irrevocably submit to the jurisdiction of such courts and waive any objection you may have to either the jurisdiction or venue of such court.

17.9 Waiver of Punitive Damages

The parties waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages, except punitive or exemplary damages allowed under federal statute. The parties agree that, in the event of a dispute between them, the party making a claim shall be limited to recovery of any actual damages it sustains.

17.10 Waiver of Jury Trial

Each party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

17.11 You May Not Withhold Payments

You agree that you will not, on grounds of the alleged nonperformance by us of any of our obligations hereunder, withhold payment of any Continuing Royalty Fees, Brand Development Fees, Direct Costs, amounts due to us for purchases by you or any other amounts due to us.

17.12 Binding Effect

This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. Subject to our right to modify the Operations Manual, this Agreement shall not be modified except by written agreement signed by you and us.

17.13 Limitations of Claims

Any and all claims, except claims for monies due us, arising out of or relating to this Agreement or the relationship among the parties hereto shall be barred unless an action or legal or arbitration proceeding is commenced within one (1) year from the date you or we knew or should have known of the facts giving rise to such claims. You must notify us within twenty-four (24) hours of any and all notices of claims, litigation threats; and employment issues.

17.14 Entire Agreement; Construction

The preambles and attachments are a part of this Agreement, which together with the Operations Manual, constitutes the entire agreement of the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by us in the Disclosure Document that was furnished to you by us. The term “Franchisee” as used herein is applicable to one (1) or more persons, a corporate entity, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two (2) or more persons are at any time Franchisee hereunder, their obligations and liabilities to us shall be joint and several. References to “Franchisee” and “transferee” which are applicable to an individual or individuals shall also mean the principal owner(s) of the equity or operating control of Franchisee or the transferee, if Franchisee or the transferee is a corporation or partnership. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of such sections or paragraphs.

Except where this Agreement expressly obligates us reasonably to approve or not unreasonably to withhold our approval of any action or request by you, we have the absolute right to refuse any request by you or to withhold our approval of any action by you that requires our approval. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto.

17.15 Withholding Consent

In no event will you make any claim, whether directly, by way of setoff, counter-claim, defense or otherwise, for money damages or otherwise, by reason of any withholding or delaying of any consent or approval by us. Your sole remedy for any such claim is to submit it to arbitration as described in this Agreement and for the arbitrator to order us to grant such consent.

17.16 Step-In Rights – Cause for Step-In

If we determine in our sole judgment that the operation of your Office is in jeopardy, or if a default occurs, then in order to prevent an interruption of the Office which would cause harm to the

System and thereby lessen its value, you authorize us to operate your Office for as long as we deem necessary and practical, and without waiver of any other rights or remedies which we may have under this Agreement. In our sole judgment, we may deem you incapable of operating the Office if, without limitation, you are absent or incapacitated by reason of illness or death; you have failed to pay when due or have failed to remove any and all liens or encumbrances of every kind placed upon or against your Office; or we determine that operational problems require that we operate your Office for a period of time that we determine, in our sole discretion, to be necessary to maintain the operation of the Office as a going concern.

17.17 Step-In Rights – Duties of Parties

We shall keep in a separate account all monies generated by the operation of your Office, less the expenses of the Office, including reasonable compensation and expenses for our representatives as well as our other expenses incurred in exercising our rights pursuant to Sections 17.16 and 17.17. In the event of our exercise of the Step-In Rights, you agree to hold harmless us and our representatives for all actions occurring during the course of such temporary operation. You agree to pay all of our reasonable attorneys' fees and costs incurred as a consequence of our exercise of the Step-In Rights. Nothing contained herein shall prevent us from exercising any other right which we may have under this Agreement, including, without limitation, termination.

ARTICLE 18 NOTICES AND PAYMENTS

- (e) with respect to notices to you of any breach of this Agreement, one (1) business day after being placed in the hands of a commercial courier service for next business day delivery or by Certified Mail, Return Receipt Requested.

c. The parties acknowledge and agree that each of the covenants contained herein are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor.

thereof, or both, so that such restrictions may be enforced for such time and scope as are adjudged to be reasonable. In addition, Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement or any portion thereof, without Covenantor's or Franchisee's consent, effective immediately upon receipt by Covenantor of written notice thereof, and Covenantor agrees to forthwith comply with any covenant as so modified.

3. General.

a. Franchisee shall take full responsibility for ensuring that Covenantor acts as required by this Agreement.

b. Covenantor agrees that in the event of a breach of this Agreement, Franchisor would be irreparably injured and be without an adequate remedy at law. c. Covenantor agrees to pay all expenses (including court costs and reasonable attorneys' fees) incurred by Franchisor and Franchisee in enforcing this Agreement.

d. Any failure by Franchisee to object to or take action with respect to any breach of any provision of this Agreement by Covenantor shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by Covenantor.

COVENANTOR HEREBY IRREVOCABLY SUBMITS HIMSELF OR HERSELF TO THE JURISDICTION OF THE STATE AND FEDERAL COURTS OF THE STATE OF NEW YORK. COVENANTOR HEREBY AGREES THAT SERVICE OF PROCESS MAY BE MADE UPON COVENANTOR IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY THE LAWS OF SUCH STATE OR FEDERAL LAW. COVENANTOR FURTHER AGREES THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE IN THE STATE OF NEW YORK; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION THAT INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR OR FRANCHISEE MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE THAT HAS JURISDICTION.

f. The parties agree that each of the foregoing covenants contained herein shall be construed as independent of any other covenant or provision of this Agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
ATC Healthcare, Inc.
New York, New York

Opinion

We have audited the accompanying consolidated financial statements of ATC Healthcare, Inc. and Subsidiaries (the "Company") which comprise the consolidated balance sheets as of September 30, 2025 and 2024, and the related consolidated statements of operations, stockholders' equity and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of ATC Healthcare, Inc. and Subsidiaries as of September 30, 2025 and 2024, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audits of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

1. Organization

ATC Healthcare, Inc. (the "Parent") through its wholly-owned subsidiaries (collectively the "Company") provide temporary (predominantly healthcare) staffing services including per diem, short-term contracts and travel nurses throughout the United States. The Company services hospitals, government facilities and other entities. The Company offers a skills list of qualified health care associates in various job categories ranging from the highest level of specialty nurse, including critical care, neonatal, labor and delivery, to medical administrative staff. The Company also provides non-medical care to the elderly and others who require assistance with their daily living needs.

In September 2017, the Parent, along with its board of directors, determined to effect a restructuring of the then existing company. Accordingly, on September 20, 2017, each of the Parent's former wholly-owned subsidiaries, entered into a separate Plan of Conversion to Limited Liability Company Agreement (the "Plan of Conversion"). Pursuant to each respective Plan of Conversion each wholly-owned subsidiary was converted to a limited liability company (the "Converted Limited Liability Company"), and upon the conversion effective date, all shares of stock of the subsidiary held by the Parent were converted to an aggregate 100% membership interest in the respective limited liability company.

In connection with the restructuring, the membership interest in each of the operating Converted Limited Liability Companies was contributed to two newly formed single member limited liability companies owned by two other newly formed holding limited liability companies, owned principally by the Parent and certain executives of the Parent.

In connection with the restructuring, the Parent also entered into separate Limited Liability Company Agreements (the "LLC Agreements") with each of the two newly formed holding limited liability companies. Pursuant to the LLC Agreements, profit or loss from the operations of the limited liability companies are to be allocated 100% to the Parent until such time there is a capital transaction, as defined, in the LLC Agreements.

The conversion effective date was October 1, 2017.

2. Summary of Significant Accounting Policies

Consolidation

The consolidated financial statements include the accounts of the Parent and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

Cash and Cash Equivalents

The Company maintains cash balances at several banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

2. Summary of Significant Accounting Policies (Continued)

Accounts Receivable and Allowance for Credit Losses

The Company records accounts receivable at the invoiced amounts. Accounts receivable are non-interest bearing. The Company's customers are primarily health care providers and third-party administrators. The Company determines the need for an allowance for credit losses, and writes off specific accounts based on an ongoing review of collectability as well as past experience with the customer (See Note 3).

Revenue Recognition

The majority of the Company's service revenues are derived from a form of franchising under which independent companies or contractors ("licensees") represent the Company within a designated territory. These licensees assign Company medical staffing personnel to service clients under the Company's contracts, trade names and service marks. The Company pays and distributes the payroll for the direct service personnel who are all employees of the Company. The Company administers all payroll withholdings and payments, bills the customers and receives and processes the accounts receivable.

The revenues and related direct costs are included in the Company's service revenues and service costs. The licensees are responsible for providing an office and paying related expenses for administration including rent, utilities and costs for administrative personnel.

In connection with its healthcare and administrative staffing operations the Company pays a monthly royalty to its licensees based on a defined formula of gross margin generated. Generally, the Company pays a licensee a percentage of gross margin ranging from 55% to 70%.

In connection with its non-medical staffing operations for the elderly and others, the Company pays a monthly royalty to its licensees based on a defined formula of revenue generated, generally approximately 91% of the net sales.

The Company sells individual franchises as well as territory agreements that grant the right to operate in designated areas. Revenue generated from the sale of individual franchise and territory agreements in the form of initial franchise fees, which are non-refundable, is generally recognized upon completion of training and any other services required of the Company as stipulated in the franchise agreement.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

2. Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

Amounts received, net of expenses in connection with the sale of franchises or territories, are recorded as deferred revenue until earned. At September 30, 2025 and 2024, the Company had \$569 and \$159, respectively, of deferred revenue included in other liabilities in the accompanying consolidated balance sheets. The Company recorded revenue from net franchise fees of \$579 and \$288 for the years ended September 30, 2025 and 2024, respectively.

The Company recognizes revenue as the related services are provided to customers. The Company bills its customers an hourly rate for the services performed by its nurses and other health care professionals on a weekly, bi-weekly or monthly basis. Terms of payment are generally either due upon receipt of invoice or net 30 days. The Company recognizes franchise fee income upon the completion of training.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities in the consolidated financial statements. Actual results could differ from those estimates. The most significant estimates relate to the collectability of accounts receivable, obligations due under workers' compensation policies, professional liability, provision for income taxes, determination of a valuation allowance on net deferred tax assets, and the determination of estimates used in the impairment analysis of goodwill and other intangible assets.

Concentrations of Credit Risk

Concentrations of credit risk with respect to trade accounts receivable are limited due to the large number of customers and their dispersion across a number of geographic areas. However, essentially all trade receivables are concentrated in the hospital, government facilities and healthcare sectors, in the United States and, accordingly, the Company is exposed to their respective business, economic and location-specific variables. Although the Company does not currently foresee a concentrated credit risk associated with these receivables, repayment is dependent upon the financial stability of these industry sectors (See Note 17).

Fixed Assets

Fixed assets, consisting of equipment (primarily computer hardware and software), furniture and fixtures and leasehold improvements, are stated at cost and depreciated from the date placed into service over the estimated useful lives of the assets using the straight-line method. Leasehold improvements are amortized over the shorter of the lease term or estimated useful life of the improvement. Maintenance and repairs are charged to expense as incurred. Improvements that extend the life of the asset are capitalized.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

2. Summary of Significant Accounting Policies (Continued)

Goodwill and Other Intangible Assets

Goodwill represents the excess of purchase price over the fair value of identifiable net assets of companies acquired. Goodwill and certain intangible assets with indefinite lives are not amortized. Instead, Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 350, *Intangibles – Goodwill and Other* (Topic 350) requires that these assets be reviewed for impairment annually (or more often if certain events occur which could impact their carrying value), and the Company's operations be formally identified into reporting units for the purpose of assessing impairments of goodwill and other intangible assets.

The Company assesses goodwill and other intangible assets for potential impairments at the end of each fiscal year. In evaluating these assets for impairment, the Company first assesses qualitative factors to determine whether it is more likely than not (that is, a likelihood of more than 50 percent) that the fair value of a reporting unit is less than its carrying amount. If the Company concludes that it is not more likely than not that the fair value of a reporting unit is less than its carrying value, then no further testing of the goodwill and other intangible assets assigned to the reporting unit is required. However, if the Company concludes that it is more likely than not that the fair value of a reporting unit is less than its carrying value, then the Company performs a two-step impairment test, as delineated in ASC 350, to identify potential impairment and measure the amount of impairment to be recognized, if any.

The Company performed annual impairment tests at September 30, 2025 and 2024 and determined no impairment exists.

As a result of the qualitative assessments, the Company determined that it is more likely than not that the fair value of the reporting units is greater than their carrying amounts and there was no impairment of goodwill and other intangible assets. No events or circumstances have occurred subsequent to September 30, 2025 that could impact the carrying value of goodwill or other intangible assets.

Workers’ Compensation

The Company participates in a “captive” insurance program (the “Program”) for its medical staffing operation and shares the burden of risk of workers’ compensation claims with other participants of the Program. The Company is currently obligated to pay its insurance premiums under the Program. As of September 30, 2024 the Company provided cash collateral in the amount of \$4,837 to fund a certain portion of its insurance premiums which, during the year ended September 30, 2025 was replaced by a letter of credit in the amount of \$4,691 (See Note 8). The Company reimburses the captive (on a quarterly basis) for all claims paid by the captive on its behalf until the total difference between the premium paid and the actual premium has been paid. In addition, the Company is required to perform quarterly self-audits and remit any required premiums.

Workers' Compensation (Continued)

The Company periodically recognizes investment income or losses on its equity in the Program. The Company's share of profit participation for the years ended September 30, 2025 and 2024 amounted to \$480 and \$221, respectively. Zurich insurance company provides for excess re-insurance for all claims over \$400 per occurrence, as well as aggregate coverage for overall claims borne by the group of companies that participate in the Program. The Company is responsible for all claims under \$125. The Program also provides for risk sharing among the participants for infrequent claims between \$125 and less than \$400. In addition, included in accrued expenses and other current liabilities are workers' compensation premiums for prior years in which the Company is obligated for paying claims up to the amount of the premiums.

The Company estimates and records its expected workers' compensation losses for all open years.

Stock-Based Compensation

The Company measures and recognizes compensation awards for all stock option grants made to officers and employees, based on their fair value in accordance with FASB ASC 718 "*Compensation-Stock Compensation*", which establishes standards for the accounting for transactions in which an entity exchanges its equity instruments for goods or services. A key provision of this statement is to measure the cost of employee services received in exchange for an award of equity instruments (including stock options) based on the grant-date fair value of the award. The cost will be recognized over the service period during which an employee is required to provide service in exchange for the award (i.e., the requisite service period or vesting period). The Company uses the Black-Scholes method for valuing its stock options.

Income Taxes

The Company accounts for income taxes in accordance with ASC 740. Deferred tax liabilities and assets are determined based on the difference between the financial statement carrying amounts and the tax basis of assets and liabilities using the enacted statutory rates in effect at the balance sheet date. The Company records a valuation allowance to reduce its deferred tax assets when uncertainty regarding their realizability exists. The tax provision for the years ended September 30, 2025 and 2024 consists of federal, state and local income taxes representing taxes due to certain states and local jurisdictions.

In addition, the Company follows ASC 740 rules governing uncertain tax positions which provide guidance for recognition and measurement. ASC 740 prescribes a threshold condition that a tax position must meet for any of the benefits of the uncertain tax position to be recognized in the financial statements. It also provides accounting guidance on derecognition, classification and disclosure of these uncertain tax positions.

Fair Value Measurements

US GAAP establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Represents financial assets whose fair value is determined based upon observable quoted market prices for identical financial assets in active markets that the Company has the ability to access.

Level 2 – Represents financial assets whose fair value is determined based upon: quoted market prices for similar assets in active markets; quoted market prices for identical assets in inactive markets; inputs other than quoted market prices that are observable for the asset such as interest rates or yield curves; or other inputs derived principally from or corroborated from other observable market information.

Level 3 – Represents financial assets whose fair value is determined based upon inputs that are unobservable, including the Company's own determinations of the assumptions that a market participant would use in pricing the asset.

The Company considers its investments in the money market funds of approximately \$25,431, as a Level 1 financial asset based on the net asset value of shares held by the Company at September 30, 2025.

The Company considers its investment in the captive, of approximately \$787, as a Level 2 financial asset based on the net asset value provided by the captive's administrator.

There were no changes to the Company's valuation approach during the years ended September 30, 2025 and 2024.

Reclassification

Certain 2024 account balances have been reclassified to conform with the current year's presentation.

Recent Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective, accounting standards if currently adopted would have a material effect on the Company's consolidated financial statements.

Events Occurring After Reporting Date

The Company has evaluated events and transactions that occurred between September 30, 2025 and December 23, 2025, which is the date the consolidated financial statements were available to be issued, for possible disclosure and recognition in the consolidated financial statements.

3. Current Expected Credit Losses

The Company adopted Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments* (“ASU 2016-13”) effective October 1, 2023. The Company records an allowance for credit losses for its accounts receivable in accordance with the new current expected credit losses (“CECL”) standard.

The CECL standard requires an entity to consider historical loss experience, current conditions, and a reasonable and supportable forecast of the economic environment. The Company utilizes a loss-rate method for estimating current expected credit losses. The loss rate method involves applying a loss rate to a pool of receivables with similar risk characteristics to estimate the expected credit losses on that pool of receivables. In determining the CECL allowance, the Company considers various factors including historical loss experience in its accounts receivable based on two separate pools of accounts receivable determined based on the classification of service type, and its current and future view of the macroeconomic environment.

Management estimates the allowance for credit losses using relevant information, from internal and external sources, relating to past events, current conditions and reasonable and supportable forecasts. The CECL allowance related to accounts receivable is presented within “Accounts receivable, net” in the Company’s balance sheet, which is equal to the amount previously reflected as an allowance for doubtful accounts

The following table provides a reconciliation of the activity in the allowance for credit losses for accounts receivable:

	<u>2025</u>	<u>2024</u>

8. Financing Arrangements

In April, 2025, the Company entered into a financing arrangement with Ocean First Bank, pursuant to a Revolving Credit Agreement (the "Agreement") providing for a credit facility (the "Credit Facility") consisting of a revolving loan and letters of credit in the maximum aggregate principal amount of \$9,000. Advances under the Credit Facility are limited to 85% of eligible accounts receivable, as defined and, bear interest at SOFR plus 2.35%, with a minimum rate of 5.0%. The Agreement provides for a termination fee payable of .50% of the total facility amount if terminated before May 6, 2027. The Credit Facility is collateralized by all the assets of the Company, requires the Company to maintain a compensating balance in the amount of \$1,000, requires the maintenance of certain financial and non-financial covenants and is also subject to a monthly unused line fee in the amount of .125%, as defined. As of September 30, 2025, there were no amounts due under the Credit Facility, and letters of credit outstanding amounted to \$4,691.

10. Employee Retention Credit

During the year ended September 30, 2023, the Company, with the assistance of outside consultants, filed an application with the Internal Revenue Service ("IRS") for the Employee Retention Credit ("ERC"). The ERC, as originally enacted through the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") on March 27, 2020 and through subsequent Acts by Congress was a refundable credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees during certain periods of the COVID pandemic.

The Company applied for and recognized ERCs in the aggregate amount of approximately \$2,600 (exclusive of interest) and received approximately \$1,900 during the year ended September 30, 2023. As of September 30, 2024, approximately \$700 remained outstanding, which the Company collected during the year ended September 30, 2025.

10. Employee Retention Credit (Continued)

The ERC refund is not taxable; however, the Company was required to amend its tax returns to include the wage expense adjustments as gross income. Recent IRS guidance issued in March 2025 changed the rules for reporting an ERC refund received in a year subsequent to the year the wages were paid. Recipients who received an ERC refund in a year after the original tax year may now include the corresponding wage expense adjustment as gross income on their tax return for the year the refund was received. Accordingly, the Company's income tax returns for the year ended September 30, 2023 were amended resulting in an additional income tax liability of approximately \$400 for the year ended September 30, 2025. The income tax liability related to the ERC amounts collected during the year ended September 30, 2025 are also included in the current year's tax provision.

The Company's eligibility is currently subject to audit by the IRS for a period of six years.

11. Income Taxes

The Company is subject to income taxes in the U.S. federal jurisdiction and various state and local jurisdictions. Tax regulations within each jurisdiction are subject to the interpretation of the related tax laws and regulations and require significant judgment to apply.

The Company reflects income tax related interest and penalties, if any, as other expense in the statement of operations.

The disproportionate relationship between the statutory rate and the Company's effective tax rate for the year ended September 30, 2025 is principally the result of the provision for income taxes relating to the Company's ERCs.

The Company's net deferred tax assets are comprised of the following:

	<u>2025</u>	<u>2024</u>
Current:		
Allowance for credit losses	\$ 349	\$ 386
Accrued expenses	<u>737</u>	<u>616</u>

As of September 30, 2025, the weighted average remaining lease term for the operating leases is approximately two years. The Company used a discount rate of 6.72% which it believed to be its incremental borrowing rate.

The Company has included its share of maintenance and utilities in the right-of-use asset and operating lease liability. Common area maintenance charges are expensed as incurred and not reflected in the right-of-use asset and operating lease liability.

The future aggregate minimum rental commitments under the non-cancelable operating leases as of September 30, 2025 are as follows:

Rent expense amounted to approximately \$484 and \$439 for the years ended September 30, 2025 and 2024, respectively.

In May, 2025, the Company received notice from its landlord that it will have to vacate the premises by October 31, 2025 due to renovations being done to the building. The Company did not return to the premises at the conclusion of renovations and has since signed a new lease in a different building beginning in October, 2025.

If a "change of control" (as defined in the agreements) were to occur and cause the respective employment agreements to terminate, the Company would be required to make lump sum severance payments of \$904 and \$1,205, respectively, to certain officers who amended their employment contracts in November 2002.

Litigation

In the ordinary course of its business, the Company may be subject to various claims and legal proceedings covering a wide range of matters that typically relate to payroll, contract, and employment-related matters. These matters may sometimes include individual and collective lawsuits and inquiries and investigations by governmental agencies regarding the Company's employment practices. Management and legal counsel periodically review the probable outcome of such proceedings, the costs and expenses reasonably expected to be incurred, and the availability and extent of insurance coverage and established reserves.

While it is not possible at this time to predict the outcome of all legal actions, in the opinion of management, based on their reviews and the likely disposition of the actions, these matters will not have a material effect on the Company's financial position, results of operations or cash flows.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
ATC Healthcare, Inc.
New York, New York

Opinion

We have audited the accompanying consolidated financial statements of ATC Healthcare, Inc. and Subsidiaries (the "Company") which comprise the consolidated balance sheets as of September 30, 2024 and 2023, and the related consolidated statements of operations, stockholders' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of ATC Healthcare, Inc. and Subsidiaries as of September 30, 2024 and 2023, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

1. Organization

ATC Healthcare, Inc. (the "Parent") through its wholly-owned subsidiaries (collectively the "Company") provide temporary (predominantly healthcare) staffing services including per diem, short-term contracts and travel nurses throughout the United States. The Company services hospitals, government facilities and other entities. The Company offers a skills list of qualified health care associates in various job categories ranging from the highest level of specialty nurse, including critical care, neonatal, labor and delivery, to medical administrative staff. The Company also provides non-medical care to the elderly and others who require assistance with their daily living needs. Finally, during the year ended September 30, 2020, the Company established a single member limited liability company ("ATC Testing and Screening") for the purpose of administering COVID-19 testing and screening, as well as vaccinations and, during the year ended September 30, 2023, this entity was also engaged in the distribution of COVID-19 OTC rapid tests in connection with the at home testing program of the Center for Medicare and Medicaid Services ("CMMS"). ATC Testing and Screening was inactive during the year ended September 30, 2024.

In September 2017, the Parent, along with its board of directors, determined to effect a restructuring of the then existing company. Accordingly, on September 20, 2017, each of the Parent's former wholly-owned subsidiaries, entered into a separate Plan of Conversion to Limited Liability Company Agreement (the "Plan of Conversion"). Pursuant to each respective Plan of Conversion each wholly-owned subsidiary was converted to a limited liability company (the "Converted Limited Liability Company"), and upon the conversion effective date, all shares of stock of the subsidiary held by the Parent were converted to an aggregate 100% membership interest in the respective limited liability company.

In connection with the restructuring, the membership interest in each of the operating Converted Limited Liability Companies was contributed to two newly formed single member limited liability companies owned by two other newly formed holding limited liability companies, owned principally by the Parent and certain executives of the Parent.

In connection with the restructuring, the Parent also entered into separate Limited Liability Company Agreements (the "LLC Agreements") with each of the two newly formed holding limited liability companies. Pursuant to the LLC Agreements, profit or loss from the operations of the Company is to be allocated 100% to the Parent until such time there is a capital transaction, as defined, in the LLC Agreements.

The conversion effective date was October 1, 2017.

2. Summary of Significant Accounting Policies

Consolidation

The consolidated financial statements include the accounts of the Parent and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

Cash

The Company maintains cash balances at several banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000.

2. Summary of Significant Accounting Policies (Continued)

Accounts Receivable and Allowance for Credit Losses

The Company records accounts receivable at the invoiced amounts. Accounts receivable are non-interest bearing. The Company's customers are primarily health care providers and third party administrators. The Company determines the need for an allowance for credit losses, and writes off specific accounts based on an ongoing review of collectability as well as past experience with the customer (See Note 3).

Revenue Recognition

The majority of the Company's service revenues are derived from a form of franchising under which independent companies or contractors ("licensees") represent the Company within a designated territory. These licensees assign Company medical staffing personnel to service clients under the Company's contracts, trade names and service marks. The Company pays and distributes the payroll for the direct service personnel who are all employees of the Company. The Company administers all payroll withholdings and payments, bills the customers and receives and processes the accounts receivable.

The revenues and related direct costs are included in the Company's service revenues and service costs. The licensees are responsible for providing an office and paying related expenses for administration including rent, utilities and costs for administrative personnel.

In connection with its healthcare and administrative staffing operations the Company pays a monthly royalty to its licensees based on a defined formula of gross margin generated. Generally, the Company pays a licensee a percentage of gross margin ranging from 55% to 70%.

In connection with its non-medical staffing operations for the elderly and others, the Company pays a monthly royalty to its licensees based on a defined formula of revenue generated, generally approximately 92% of the net sales.

The Company sells individual franchises as well as territory agreements that grant the right to operate in designated areas. Revenue generated from the sale of individual franchise and territory agreements in the form of initial franchise fees, which are non-refundable, is generally recognized upon completion of training and any other services required of the Company as stipulated in the franchise agreement.

Amounts received, net of expenses in connection with the sale of franchises or territories, are recorded as deferred revenue until earned. At September 30, 2024 and 2023, the Company had \$159 and \$ 70, respectively, of deferred revenue included in other liabilities in the accompanying consolidated balance sheets. The Company recorded revenue from net franchise fees of \$ 288 and \$1,452 for the years ended September 30, 2024 and 2023, respectively.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

2. Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

The Company recognizes revenue as the related services are provided to customers. The Company bills its customers an hourly rate for the services performed by its nurses and other health care professionals on a weekly, bi-weekly or monthly basis. Terms of payment are generally either due upon receipt of invoice or net 30 days. The Company recognizes franchise fee income upon the completion of training.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities in the consolidated financial statements. Actual results could differ from those estimates. The most significant estimates relate to the collectability of accounts receivable, obligations due under workers' compensation policies, professional liability, provision for income taxes, determination of a valuation allowance on net deferred tax assets, and the determination of estimates used in the impairment analysis of goodwill and other intangible assets.

Concentrations of Credit Risk

Concentrations of credit risk with respect to trade accounts receivable are limited due to the large number of customers and their dispersion across a number of geographic areas. However, essentially all trade receivables are concentrated in the hospital, government facilities and healthcare sectors, in the United States and, accordingly, the Company is exposed to their respective business, economic and location-specific variables. Although the Company does not currently foresee a concentrated credit risk associated with these receivables, repayment is dependent upon the financial stability of these industry sectors (See Note 18).

Fixed Assets

Fixed assets, consisting of equipment (primarily computer hardware and software), furniture and fixtures and leasehold improvements, are stated at cost and depreciated from the date placed into service over the estimated useful lives of the assets using the straight-line method. Leasehold improvements are amortized over the shorter of the lease term or estimated useful life of the improvement. Maintenance and repairs are charged to expense as incurred. Improvements that extend the life of the asset are capitalized.

Goodwill and Other Intangible Assets

Goodwill represents the excess of purchase price over the fair value of identifiable net assets of companies acquired. Goodwill and certain intangible assets with indefinite lives are not amortized. Instead, Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 350, *Intangibles – Goodwill and Other* (Topic 350) requires that these assets be reviewed for impairment annually (or more often if certain events occur which could impact their carrying value), and the Company's operations be formally identified into reporting units for the purpose of assessing impairments of goodwill and other intangible assets.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

2. Summary of Significant Accounting Policies (Continued)

Goodwill and Other Intangible Assets (Continued)

The Company assesses goodwill and other intangible assets for potential impairments at the end of each fiscal year. In evaluating these assets for impairment, the Company first assesses qualitative factors to determine whether it is more likely than not (that is, a likelihood of more than 50 percent) that the fair value of a reporting unit is less than its carrying amount. If the Company concludes that it is not more likely than not that the fair value of a reporting unit is less than its carrying value, then no further testing of the goodwill and other intangible assets assigned to the reporting unit is required. However, if the Company concludes that it is more likely than not that the fair value of a reporting unit is less than its carrying value, then the Company performs a two-step impairment test, as delineated in ASC 350, to identify potential impairment and measure the amount of impairment to be recognized, if any.

The Company performed annual impairment tests at September 30, 2024 and 2023 and determined no impairment exists.

As a result of the qualitative assessments, the Company determined that it is more likely than not that the fair value of the reporting units is greater than their carrying amounts and there was no impairment of goodwill and other intangible assets. No events or circumstances have occurred subsequent to September 30, 2024 that could impact the carrying value of goodwill or other intangible assets.

Workers' Compensation

The Company participates in a "captive" insurance program (the "Program") for its medical staffing operation and shares the burden of risk of workers' compensation claims with other participants of the Program. The Company is currently obligated to pay its insurance premiums under the Program. The Company was previously required to establish a standby letter of credit (the "LOC") to fund a certain percentage of its insurance premiums for the policy year the premiums relate to. The LOC was terminated in October 2023 and replaced with cash collateral. As of September 30, 2024, the cash collateral amounted to \$4,837. The Company reimburses the captive (on a quarterly basis) for all claims paid by the captive on its behalf until the total difference between the premium paid and the actual premium has been paid. In addition, the Company is required to perform quarterly self-audits and remit any required premiums.

The Company periodically recognizes investment income or losses on its equity in the Program. Zurich insurance company provides for excess re-insurance for all claims over \$400 per occurrence, as well as aggregate coverage for overall claims borne by the group of companies that participate in the Program. The Company is responsible for all claims under \$125. The Program also provides for risk sharing among the participants for infrequent claims between \$125 and less than \$400. In addition, included in accrued expenses and other current liabilities are workers' compensation premiums for prior years in which the Company is obligated for paying claims up to the amount of the premiums.

2. Summary of Significant Accounting Policies (Continued)

Workers' Compensation (Continued)

The Company estimates and records its expected workers' compensation losses for all open years.

Stock-Based Compensation

The Company measures and recognizes compensation awards for all stock option grants made to officers and employees, based on their fair value in accordance with FASB ASC 718 "*Compensation-Stock Compensation*", which establishes standards for the accounting for transactions in which an entity exchanges its equity instruments for goods or services. A key provision of this statement is to measure the cost of employee services received in exchange for an award of equity instruments (including stock options) based on the grant-date fair value of the award. The cost will be recognized over the service period during which an employee is required to provide service in exchange for the award (i.e., the requisite service period or vesting period). The Company uses the Black-Scholes method for valuing its stock options.

Income Taxes

The Company accounts for income taxes in accordance with ASC 740. Deferred tax liabilities and assets are determined based on the difference between the financial statement carrying amounts and the tax basis of assets and liabilities using the enacted statutory rates in effect at the balance sheet date. The Company records a valuation allowance to reduce its deferred tax assets when uncertainty regarding their realizability exists. The tax provision for the years ended September 30, 2024 and 2023 consists of federal, state and local income taxes representing taxes due to certain states and local jurisdictions.

In addition, the Company follows ASC 740 rules governing uncertain tax positions which provide guidance for recognition and measurement. ASC 740 prescribes a threshold condition that a tax position must meet for any of the benefits of the uncertain tax position to be recognized in the financial statements. It also provides accounting guidance on derecognition, classification and disclosure of these uncertain tax positions.

Fair Value Measurements

US GAAP establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Represents financial assets whose fair value is determined based upon observable quoted market prices for identical financial assets in active markets that the Company has the ability to access.

ATC HEALTHCARE, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements
(Dollars in Thousands, Except Share and Per Share Amounts)

2. Summary of Significant Accounting Policies (Continued)

Fair Value Measurements (Continued)

Level 2 – Represents financial assets whose fair value is determined based upon: quoted market prices for similar assets in active markets; quoted market prices for identical assets in inactive markets; inputs other than quoted market prices that are observable for the asset such as interest rates or yield curves; or other inputs derived principally from or corroborated from other observable market information.

Level 3 – Represents financial assets whose fair value is determined based upon inputs that are unobservable, including the Company's own determinations of the assumptions that a market participant would use in pricing the asset.

The Company considers its investment in the captive, of approximately \$300, as a Level 2 financial asset based on the net asset value provided by the captive's administrator.

Recent Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-02, *Leases (Topic 842)* ("ASU 842"), which amends the existing accounting standards for leases. The new standard requires lessees to record a right-of-use ("ROU") asset and a corresponding lease liability on the balance sheet (with the exception of short-term leases), whereas under previous accounting standards, the Company's operating leases are not recognized on its consolidated balance sheets. The new standard also requires expanded disclosures regarding leasing arrangements. The new standard became effective for the Company beginning October 1, 2022 (See Note 13).

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments* ("ASU 2016-13") and subsequently issued additional guidance that modified ASU 2016-13. This standard introduces a forward-looking approach, based on expected losses, to estimate credit losses on certain types of financial instruments, including trade receivables. The estimate of expected credit losses requires entities to incorporate considerations of historical information, current information and reasonable supportable forecasts. This may result in the earlier recognition of allowances for losses. The Company adopted ASU 2016-13 on October 1, 2023. Results for reporting periods as of October 1, 2023 are presented under the new standard, while prior results continue to be reported under the old standard. The impact of the adoption was not considered material to the financial statements and primarily resulted in new enhanced disclosures (See Note 3).

Management does not believe that any other recently issued, but not yet effective, accounting standards if currently adopted would have a material effect on the Company's consolidated financial statements.

2. Summary of Significant Accounting Policies (Continued)

Events Occurring

After Reporting Date

The Company has evaluated events and transactions that occurred between September 30, 2024 and December 23, 2024, which is the date the consolidated financial statements were available to be issued, for possible disclosure and recognition in the consolidated financial statements.

3. Current Expected Credit Losses

The Company records an allowance for credit losses for its accounts receivable in accordance with the current expected credit losses ("CECL") standard, ASU 2016-13. This methodology replaces the probable incurred loss methodology.

The CECL standard requires an entity to consider historical loss experience, current conditions, and a reasonable and supportable forecast of the economic environment. The Company utilizes a loss-rate method for estimating current expected credit losses. The loss rate method involves applying a loss rate to a pool of receivables with similar risk characteristics to estimate the expected credit losses on that pool of receivables. In determining the CECL allowance, the Company considers various factors including historical loss experience in its accounts receivable based on two separate pools of accounts receivable determined based on the classification of service type, and its current and future view of the macroeconomic environment.

Management estimates the allowance for credit losses using relevant information, from internal and external sources, relating to past events, current conditions and reasonable and supportable forecasts. The CECL allowance related to accounts receivable is presented within "Accounts receivable, net" in the Company's balance sheet, which is equal to the amount previously reflected as an allowance for doubtful accounts

The following table provides a reconciliation of the activity in the allowance for credit losses for accounts receivable for the year ended September 30, 2024:

Balance, October 1, 2023	\$1,148
Provision for expected credit losses	566
Amounts written off against the allowance	(335)

In June 2023, Flexwise was sold to a third party, and the Company recognized a net gain of \$185 on the sale of its stock. In addition, during the year ended September 30, 2024, the Company received \$27 as a final settlement. The Company does not have any equity in Flexwise going forward.

11. Employee Retention Credit

During the year ended September 30, 2023, the Company, with the assistance of outside consultants, filed an application with the Internal Revenue Service for the Employee Retention Credit ("ERC"). The ERC, as originally enacted through the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") on March 27, 2020, is a refundable credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees from March 17, 2020 to December 31, 2020. The Disaster Tax Relief Act, enacted on December 27, 2020, extended the employee retention credit for qualified wages paid from January 1, 2021 to June 30, 2021, and the credit was increased to 70% of qualified wages an eligible employer paid to employees during the extended period. The American Rescue Plan Act of 2021, enacted on March 11, 2021, further extended the employee retention credit through December 31, 2021.

Employers are eligible for the credit if they experienced full or partial suspension or modification of operations during any calendar quarter because of governmental orders due to the pandemic or a significant decline in gross receipts based on a comparison of quarterly revenue results for 2020 and/or 2021 with the comparable quarter in 2019. The Company applied for and recognized ERCs in the aggregate amount of approximately \$2,600 (exclusive of interest) and received approximately \$1,900 during the year ended September 30, 2023. As of September 30, 2024, approximately \$700 remains outstanding, which the Company believes is being processed by the Internal Revenue Service.

11. Employee Retention Credit (Continued)

Currently there is no US GAAP for for-profit business entities that receive government assistance that is not in the form of a loan, an income tax credit or revenue from a contract with a customer. Accordingly, the Company determined the appropriate accounting treatment by analogy to other guidance. The Company accounted for the ERC by analogy to International Accounting Standards (IAS) 20, Accounting for Government Grants and Disclosure of Government Assistance, of International Financial Reporting Standards (IFRS).

Pursuant to IAS 20, a business entity would recognize ERCs on a systematic basis over the periods in which the entity recognizes the payroll expenses for which the grant (i.e., tax credit) is intended to compensate the employer when there is reasonable assurance (i.e., it is probable) that the entity will comply with any conditions attached to the grant and the grant (i.e., tax credit) will be received.

The Company is reasonably assured it met all requirements of the ERC and, accordingly, has accounted for the \$2,600 ERC, net of approximately \$330 of consulting fees, as other income in the accompanying consolidated statement of operations for the year ended September 30, 2023. The ERC refund is not taxable; however, the Company is required to amend its tax returns for the years for which the ERCs are applicable (years ended September 30, 2020 and 2021). The ERC is subject to expense disallowance rules for the years ended September 30 2021 and 2020, resulting in increased income tax expense of approximately \$697, for the year ended September 30, 2023.

The Company's eligibility remains subject to audit by the IRS for a period of five years.

12. Income Taxes

The Company is subject to income taxes in the U.S. federal jurisdiction and various state and local jurisdictions. Tax regulations within each jurisdiction are subject to the interpretation of the related tax laws and regulations and require significant judgment to apply.

The Company reflects income tax related interest and penalties, if any, as other expense in the statement of operations.

12. Income Taxes (Continued)

The disproportionate relationship between the statutory rate and the Company's effective tax rate for the year ended September 30, 2023 is principally the result of the change in the valuation allowance.

The Company's net deferred tax assets are comprised of the following:

	September 30, 2024	September 30, 2023
Current:		
Allowance for credit losses	\$ 386	\$321

13. Commitments and Contingencies

Lease Commitments

The Company leases office facilities and certain equipment under operating leases that expire through 2028.

As a result of the adoption of ASU 842 on October 1, 2022, the Company recorded a right of use asset and corresponding operating lease liability of \$1,300. There was no substantial effect on the operations of the Company. As of September 30, 2024, the weighted average remaining lease term for the operating leases is approximately two years. The Company used a discount rate of 6.72% which it believes to be its incremental borrowing rate.

The Company has included its share of maintenance and utilities in the right-of-use asset and operating lease liability. Common area maintenance charges are expensed as incurred and not reflected in the right-of-use asset and operating lease liability. Further, due to the fact that the Company has not made the determination whether it will exercise its option to renew the lease, it has not reflected the lease renewal in the right-of-use asset and operating lease liability.

Rent expense amounted to approximately \$439 and \$412 for the years ended September 30, 2024 and 2023, respectively.

Employment Agreements

In November 2002, the Company entered into amended employment agreements with two of its officers, under which they will receive annual base salaries of \$302 and \$404, respectively. In January 2015, the agreement with one of the officers was further amended, increasing the annual base salary from \$404 to \$420. The employment agreements are automatically extended at the end of each fiscal year and are terminable by the Company. During the year ended September 30, 2023, these two officers received cash bonuses, approved by the board of directors, in the aggregate amount of \$1,500.

If a “change of control” (as defined in the agreements) were to occur and cause the respective employment agreements to terminate, the Company would be required to make lump sum severance payments of \$904 and \$1,205, respectively, to certain officers who amended their employment contracts in November 2002.

Litigation

In the ordinary course of its business, the Company may be subject to various claims and legal proceedings covering a wide range of matters that typically relate to payroll, contract, and employment-related matters. These matters may sometimes include individual and collective lawsuits and inquiries and investigations by governmental agencies regarding the Company’s employment practices. Management and legal counsel periodically review the probable outcome of such proceedings, the costs and expenses reasonably expected to be incurred, and the availability and extent of insurance coverage and established reserves.

While it is not possible at this time to predict the outcome of all legal actions, in the opinion of management, based on their reviews and the likely disposition of the actions, these matters will not have a material effect on the Company’s financial position, results of operations or cash flows.
