What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in California. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in California than in your own state.
2. **Spousal Liability**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.
3. **Sales Performance Requirements**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment.
4. **Mandatory Minimum Payments**. You must make minimum royalty, advertising, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1.
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language of this disclosure document, “TeamLogic”, “we,” or “us”, means TeamLogic, LLC, the franchisor. “You” means the person who acquires the TeamLogic IT® franchise, and each equity owner of the franchisee entity. If you are a corporation, limited liability company (“LLC”) or other legal entity, “you” includes each of your owners, who will sign as a party and will also sign a Guarantee of the Franchise Agreement.

Our predecessor, TeamLogic, Inc. was incorporated on September 1, 2004 in the State of California as a corporation. On February 18, 2026, TeamLogic converted to a California limited liability company. On March 13, 2026, we formed a Delaware limited liability company, and the California limited liability company merged with and into the Delaware limited liability company, with the Delaware limited liability company as the surviving entity. Both the predecessor and us are essentially the same company. This conversion was a change in legal form only. Our principal place of business is 26722 Plaza, Mission Viejo, California 92691. We began offering franchises (through our predecessor company) for computer consultation, maintenance, and proactive IT managed services in January 2005. We have not offered franchises for any other line of business.

On April 27, 2026, we acquired IT Assist Holdings, LLC, a Delaware limited liability company (“ITAH”) with its principal place of business at 2 Swamp Road, Newtown, Pennsylvania 18940. ITAH was formed on April 20, 2020, in the State of Delaware and operates our company-owned TeamLogic IT® Businesses. Following the acquisition, ITAH became our wholly owned subsidiary. Subsequent to the acquisition, we have 316 franchised TeamLogic IT® Businesses and, through ITAH, 28 company-owned TeamLogic IT® Businesses. Please see Item 20 Table No. 4.

We are 100% owned by our parent company, Franchise Services, LLC, a California limited liability company (formerly Franchise Services, Inc., a California corporation) (“Franchise Services”). On March 3, 2026, Franchise Services converted to a California limited liability company, and its principal place of business is 26722 Plaza, Mission Viejo, California 92691. Franchise Services, established in 1996 as a service company, owns, operates, and manages a variety of well-known international franchise brands and other companies. Franchise Services is a wholly owned subsidiary of KOAH, Inc., a Delaware corporation (“KOAH”).

Our parent, Franchise Services also owns, operates, and manages the following companies:

Sir Speedy, LLC, a California limited liability company (formerly Sir Speedy, Inc., a California corporation) (“Sir Speedy”). On February 18, 2026, Sir Speedy converted to a California limited liability company, and its principal place of business is 26722 Plaza, Mission Viejo, California 92691. Sir Speedy has franchised printing, marketing and sign centers since 1968, and has 119 centers as of December 31, 2025;

Postal Instant Press, LLC, a California limited liability company (formerly Postal Instant Press, Inc., a California corporation) (“PIP”). On February 18, 2026, PIP converted to a California limited liability company, and its principal place of business is 26722 Plaza, Mission Viejo, California 92691. PIP has franchised printing, marketing and sign centers since 1968, and has 50 centers as of December 31, 2025;

Signal Graphics, LLC, a California limited liability company (formerly Signal Graphics, Inc., a California corporation) (“Signal Graphics”). On February 18, 2026, Signal Graphics converted to a California limited liability company, and its principal place of business is 26722 Plaza, Mission Viejo,

California 92691. Signal Graphics has franchised printing, marketing and sign centers since April 11, 2000, and has 4 centers as of December 31, 2025; and

Summit Marketing Communications, LLC, a California limited liability company (formerly Summit Marketing Communications, Inc., a California corporation) (“Summit”). On February 18, 2026, Summit converted to a California limited liability company, and its principal place of business is 26722 Plaza, Mission Viejo, California 92691. Summit provides advertising and media services to all Franchise Services affiliates.

None of these franchise companies has offered franchises in any other lines of business. Except as stated above, none of these affiliates provide any products and services to the TeamLogic franchises. Except as stated above, neither TeamLogic, nor any of its affiliates own or operate any TeamLogic IT[®] Businesses.

Starting with sales from month thirteen (13), the monthly minimum will be \$1,000 a month until the end of the term of the contract. All fees are payable to us and are non-refundable. The term "Gross Sales" includes all amounts billed or received by the Business for all Services, including Core Services, Non-Core Services, Managed Services, project services, labor charges, and fees related to the installation, configuration, maintenance, or management of hardware or software, including buyouts, whether for cash, check, credit, financing, lease, or barter, and without deduction for uncollectible accounts or failure to collect. Gross Sales expressly exclude revenue derived solely from the sale or resale of Products, including hardware or software transferred to a customer through a one-time purchase, and any sales, use, or similar taxes collected, unless such hardware or software is provided, licensed, hosted, or bundled as part of a Service, in which case the related revenue is included in Gross Sales. For avoidance of doubt, classification of revenue as a Service or Product shall be determined in accordance with the Operations Manual and the Franchisor's then-current chart of accounts.
- (2) Minimum Advertising Fund Fees. There are no Advertising Fund Fees due in the first 12 months. For the remainder of the contract, the greater of 1.2% of gross sales or \$200 per month is due and payable to the TeamLogic IT[®] advertising fund. You must also spend an additional minimum of \$2,500 a month for local marketing for the length of the contract.
- (3) If Franchisee fails to report all monthly sales, Franchisor shall have the authority to determine the estimated amount of unpaid Continuing Franchise Fees based on previous month's sales submitted by Franchisee or any other information where Franchisee has failed to submit the required reports as provided herein and Franchisee shall pay such estimated amount. However, Franchisee shall also be liable for the actual amount owed, plus interest thereon if the actual amount exceeds the estimated amount. Should a collection agency be retained by Franchisor to enforce collection of fees owed, Franchisee shall be responsible for all collection agency fees and adhere to our collection policies.
- (4) Fees for the TeamLogic IT[®] Managed Services Remote Monitoring and Management Software agents (RMM agents) are based on volume level and must be purchased from and are payable to us. You are required to install and maintain internal TeamLogic IT[®] Managed Services for a minimum of 3 RMM agents in your Business and pay the associated fees. We collect the TeamLogic IT[®] fees electronically on a monthly basis (on the last business day of the month) for all TeamLogic IT[®] Managed Services' RMM agents in place at the end of the prior month, without deduction for failure to collect from your client. If you want to use or sell any equivalent or subset of remote monitoring and management software, you are required to obtain our prior written approval and we may require you to purchase the equivalent or subset tool from us.

- (5) The additional training fee applies to additional people sent to training by you over and above the 2 provided for in your Franchise Agreement. Currently, the additional training fee is \$1,000 per person. The \$1,000 training fee is a fixed fee; any potential future increase would be tied to costs of meals.
- (6) If you transfer your Franchise, the transfer fee will be the current transfer fee charged in the year you seek to transfer your Franchise. Currently, the transfer fee is \$10,000.
- (7) An audit may cost anywhere from \$0 to \$3,500 depending on the scope of the audit. You are also responsible for Continuing Franchise Fees, Advertising Fees and Managed Services fees on all under-reported sales.
- (8) The Franchise Agreement authorizes us to debit your bank account for Continuing Franchise Fees, Advertising Fees, TeamLogic IT[®] Managed Services fees, and other fees due.
- (9) Continuing Franchise Fees for an independent computer service business converting to a TeamLogic IT[®] Business are waived on an average of the existing Gross Sales for the first 12 months. You are responsible for the TeamLogic IT[®] Managed Services Fees and Advertising Fees.
- (10) The Software and Technology Fees, which are subject to change, are required to obtain various software programs, and a portion of the fees are payable to us. The Professional Services Automation software fees described in item 11 are payable to us. Third parties develop all software. We currently do not develop or license our own proprietary software to you but may do so in the future. In order to gather and maintain systemwide financial data you will purchase QuickBooks Online with approved chart of accounts. We do not make any warranties or guaranties upon which you may rely, and assume no liability or obligation to you for any third-party software. The various software vendors may change from time to time.
- (11) Minimum Advertising Fund Fees. There are no Advertising Fund Fees due in the first 12 months. For the remainder of the contract, the greater of 1.2% of gross sales or \$200 per month is due and payable to the TeamLogic IT[®] advertising fund. We estimate this hardware and software package will range in cost from \$6,750 to \$10,600 (refer to Item 11 Computer Requirements), subject to change. Additional funds are also an estimate of the monies you will need on hand during the initial phase of the Business operations. We estimate that the amount given will be sufficient for a 10 to 12-months start-up phase. However, actual breakeven timing can vary based on many factors including how well you follow our systems, actual market conditions and demand, fixed costs, etc. Additional funds also include funds needed for initial software and technology tools that will range in cost from \$8,352 to \$9,564 (such as Anti-Virus Security, Office Productivity Suite, Email Service Fees, QuickBooks Online, etc.).
- (6) **Total Initial Investment.** Your costs will depend upon such factors as how much you follow our methods and procedures; your management experience and skills. The area in which your business is located; local economic conditions; prevailing wage rate; the physical size of a leased location; the amount of any tenant improvements required; and the sales level reached during the initial period. We relied on our 21 years of experience in the information technology business to compile these estimates and the working capital costs experienced by our franchisees. You should review these figures carefully with a business advisor before making any decision to purchase a Franchise.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must buy or lease certain basic computer hardware and software described in Item 11 to adequately serve your clients' needs. The hardware may be purchased or leased from any source. All software is developed by third parties. We currently do not develop or license our own proprietary software to you but may do so in the future. We do not make any warranties or guaranties upon which you may rely and assume no liability or obligation to you, for any third-party software. The various software vendors may change from time to time.

There are no suppliers in which any of our officers own an interest.

The TeamLogic IT[®] Managed Services solution consists of a variety of integrated services including technology that will proactively monitor the clients' IT infrastructure, help detect problems, and provide remote control access. Additionally, the Network Operations Center (NOC) provides proactive technical support, the Help Desk/Service Desk provides reactive end-user technical support and activity management, and our Business Continuity solutions provide back-up disaster recovery and account management support. Our Managed Services solution provides reports on performance optimization of the clients' systems regardless of whether the clients' technology is premised-based, in the cloud or a combination (hybrid).

TeamLogic IT[®] Managed Services is our branded managed services offering. In order to maintain consistency and integrity of our Managed Services solution, all core remote monitoring and management software agents (RMM agents), within the TeamLogic IT[®] bundle, must be purchased from and are payable to us. Upon prior written approval, software agents can be purchased from an approved supplier we

designate. You are also required to utilize a multi-factor authentication tool. The naming configuration/branding assigned to our Managed Services solution has no bearing on the requirement to purchase the software agents from us. If you want to use or sell any equivalent or subset of remote RMM agents, you are required to obtain our prior written approval, and we may require you to purchase the equivalent or subset tool from us. The Professional Services Automation software fees, which are described in Item 11, are also payable to us. Other hardware, software, and computer supplies may be purchased from any supplier.

We currently have general criteria for approving suppliers and, conversely, revoking approval. In determining whether to approve a supplier or revoke approval, we consider the conformity of the supplier's products to our needs, customer service, security, price, quality, and our franchisees' satisfaction with the supplier's product. You may submit names of suppliers whom you would like us to approve. We will then evaluate the supplier and inform you within 90 days whether we have approved or disapproved the supplier. We do not charge you any fee to secure supplier approval. We may in the future negotiate purchase arrangements and price terms with some suppliers for your benefit. We provide you with no material benefits based on your use of designated or approved suppliers, but doing so is one of your obligations under the Franchise Agreement.

Prior to opening and operating the Business, and at all times during the conduct of the Business, Franchisee must have a minimum of one (1) onsite qualified technician that is certified on our RMM tools. The technician has to be certified within 90 days after opening the business, and for the term of the Franchise Agreement. The required purchase of a laptop, smartphones, and 3 software agents should account for less than 2-5% of all purchases and leases in establishing and operating your business on an ongoing basis, depending on the size of your customer base. Any other specifications or standards for operations are contained in the Brand Standards and Operations Manual, which is periodically updated. You will be notified electronically of any updates and where they can be located.

We derive revenue, rebates or other material consideration based on the required purchases or leases from your purchase of TeamLogic IT[®] Managed Services software from us and your purchase of a portion of the software fees from us. In the year ending December 31, 2025, our derived revenue from these purchases was \$7,870,000, approximately 37% of our total revenue of \$21,103,000. There were no affiliates' revenues from the required purchases or leases and sources of information used in computing revenues.

We derive gross margin from your purchase of TeamLogic IT[®] Managed Services software from us and your purchase of a portion of the software fees from us. In the year ending December 31, 2025; our gross margin from these purchases were \$5,664,000 approximately 32% of our total gross margin of \$17,976,000.

As an independently owned and operated franchisee, you are responsible for all costs or liabilities arising from the operation of your Outlet, and it is imperative you carry adequate insurance to protect yourself. The currently required minimum coverage and limits of insurance are (i) General Liability at minimum limits of \$1,000,000 per occurrence / \$3,000,000 annual aggregate, (ii) Auto Liability at minimum limits of \$1,000,000 combined single limit covering all owned, hired and non-owned vehicles, and (iii) Workers' Compensation to meet the statutory coverage of the state where your Outlet is located. In addition, errors and omission plus cyber security insurance of \$1,000,000 minimum is required. When your revenue exceeds \$1,000,000, the errors and omission plus cyber security insurance required is \$2,000,000. To the extent permissible under law, these insurance requirements may be satisfied with a combination of primary, umbrella and/or excess policies. All insurance policies will name you as named insured and, with the exception of Workers' Compensation, will name us and any of our subsidiaries and affiliates of these companies now existing or which may hereafter exist as additional insureds, including

their employees, officers and directors on additional insured endorsement forms. All required insurance must be purchased from insurance companies of good reputation with a rating of "A VII" or better by A. M. Best Company. The costs of premiums will vary based on location of the Outlet and any prior claim history.

All such coverage will be on an occurrence basis, except for errors and omissions plus cyber security which is on a claims-made basis, and will provide for waivers and subrogation. We must be an additional named insured on each policy of insurance. You must deliver a certificate of insurance evidencing each policy to us within ten (10) days after each policy is issued or renewed annually. We maintain, for your benefit, a network-wide Internet presence at www.TeamLogicIT.com. The primary purpose of this website is to build awareness of the capabilities of the TeamLogic IT[®] network, serve as a business locator so potential clients can locate the nearest TeamLogic IT[®] business, and drive prospective sales leads to your business. A website URL will be assigned to you and a standard TeamLogic IT[®] website will be created for your TeamLogic IT[®] Business and will be linked and available from our master website (www.TeamLogicIT.com). You are not authorized to maintain a separate website for your business without prior written approval from us. You may not buy a domain name to direct web traffic to your TeamLogic IT[®] website or any other business operations. Our internet and website terms are described in further detail in the Franchise Agreement, section 6.13. All domains referencing the franchise brand, including TeamLogic IT[®], must be owned and purchased from us and are subject to our approval.

Summit Marketing Communications, LLC provides advertising and media services to all Franchise Services, LLC affiliates. Except as stated above, none of these affiliates provide any products and services to the TeamLogic franchises. Except as stated above, neither TeamLogic, nor any of its affiliates own or operate any TeamLogic IT[®] Businesses.

We have a network advertising program to promote the TeamLogic IT[®] brand on a national basis (Network Advertising Program). The Network Advertising Program will be funded through a network advertising fund paid by all TeamLogic IT[®] Franchisees (“Ad Fund”). We do not contribute to this Ad Fund. There are no Advertising Fund Fees due in the first 12 months. For the remainder of the contract, the greater of 1.2% of gross sales or \$200 per month is due and payable to the TeamLogic IT[®] advertising fund. The advertising fees are deposited into a separate bank account that we administer. Any Franchisor-owned units will contribute the same basis as franchisees. The Ad Fund will be used to support the advertising, marketing, public relations and sales activities of the network, as well as the development and maintenance of the network websites.

The Ad Fund is intended to maximize recognition of the Proprietary Marks and patronage of TeamLogic IT[®] locations throughout the United States. Although we will endeavor to utilize the Ad Fund to develop advertising and marketing materials and programs, and to place advertising, in order to benefit all TeamLogic IT[®] locations, we undertake no obligation to ensure that expenditures by the Ad Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Ad Fund by the TeamLogic IT[®] locations operating in that geographic area or that any TeamLogic IT[®] location will benefit directly or in proportion to its contribution to the Ad Fund from the development of advertising and marketing materials or the placement of advertising. Your failure to derive any such benefit will not serve as a basis for a reduction or elimination of your obligation to contribute to the Ad Fund. We have no fiduciary obligation to you or any other TeamLogic IT[®] franchisees in connection with the establishment of the Ad Fund or the collection, control or administration of monies paid into the Ad Fund. We expect to focus all marketing using the Ad Fund in areas where we have one or more franchisees, although the Franchise Agreement does not require us to benefit you with every marketing program. We may charge our marketing research, development and production expenses against the Ad Fund. Any Marketing fees not used during any one year remain in the Ad Fund for the next year. Except as expressly provided in the Franchise Agreement, we assume no direct or indirect liability or obligation to you with respect to the maintenance, direction, or administration of the Ad Fund.

All print advertising materials and collateral for the TeamLogic IT[®] Network Advertising Program are currently created by an affiliate of ours, Summit Marketing Communications, LLC (“Summit”). Summit

will purchase all media advertising. Summit will generate typical advertising commissions for the placement of media advertising and for creative development.

We allocate 100% of the Ad Fund revenue to the Network Advertising Program and reserve the right to allocate no more than 15% of the Ad Fund revenue for general administrative expenses. Of the Ad Fund expenditures in 2025, 30% was spent on Lead Nurturing & CRM, 29% on Website, 14% on National Marketing Support, 12% on Media, 5% on 20th Anniversary Prospect Direct Marketing, 3% on Search and Display, 3% on Research, 3% on Production/Creative/Content, and 1% on other expenses (including Customer Experience and Public Relations). The Ad Fund does not otherwise benefit us or any affiliate. Ad Fund fees not spent in the fiscal year in which they are collected will be carried over to the next fiscal year. We will send you an unaudited annual financial statement for the Ad Fund.

You may create and utilize your own independent advertising materials with our prior review and approval.

We have an Owners' Marketing Advisory Council ("OMAC") for the purpose of consulting our advertising, marketing and sales programs. There are six franchisee members that we appoint that serve approximately 2-year terms on OMAC. OMAC members serve in an advisory capacity and may be changed at our discretion. This program may be cancelled at any time.

COOPERATIVE ADVERTISING

Franchisees in the same geographic area may form a local Advertising Cooperative Association ("ACA") to conduct cooperative local advertising. If a majority of the Franchisees in your area want to form an ACA, you must join and contribute dues agreed to by the majority. We will not be a member, but will act in an advisory capacity. Any company-owned TeamLogic IT[®] Business located in the designated geographic area will also contribute dues. Geographic areas are defined by the Dominate Market Area ("DMA") as may be defined by the radio and television industries. The ACA members themselves administer the ACA, create the ACA rules and enforce those rules. (Generally, an ACA will have formal Bylaws and Articles of Association prepared, but these are not required by us for an ACA formation.) We will recognize an ACA upon a majority of signatures of Franchisees in the area and will provide consultation and advice concerning cooperative advertising in the area. We cannot form, change or dissolve an ACA without a majority vote of that ACA's members. ACA's are not required to prepare annual financial statements. If there is an ACA in existence in your prospective area, you must join it and should obtain information concerning dues and advertising benefits. ACA dues are determined by the members and can range from \$50 to \$500 per month.

TECHNOLOGY REQUIREMENTS

When you start your new TeamLogic IT[®] Business, you are required to have several pieces of computer equipment for you and your technicians to effectively operate your business.

At the onset of your Business, you are required to have a minimum of three laptops with three monitors. One is meant to remain with the owner at the Business and one stays with each technician in the field for dealings with the clients. You will need to scale this inventory and add a laptop for each technician you hire. In addition, each technician that is hired must have a smartphone. The other equipment that the Business will need is a telephone system that is capable of forwarding calls to remote numbers and is equipped with a voicemail system that can be easily accessed from the field. This equipment can be obtained from any source. You must upgrade such equipment whenever necessary in order to maintain adherence to the specifications set out by us. The cost for the computer equipment may range from \$6,750 to \$10,600. Overall cost for the upgrades or maintenance fees may range from \$0 to \$3,000.

You are also required to obtain our approved Professional Services Automation (“PSA”) software through us to operate, record and manage all of your operational business activity. The monthly fees for the Professional Services Automation software are payable to us. This software is developed by a third party. You must utilize this system for, among other things, scheduling of all sales appointments, customer service and repair history. You must purchase and maintain other general third-party software licenses, such as QuickBooks Online with approved chart of accounts. These specific licenses may change from time to time as the vendors upgrade/modify their software. We will provide you with the specific list and accompanying costs of the necessary current versions, which are available at the time you sign the Franchise Agreement. We do not make any warranties or guaranties upon which you may rely, and assume no liability or obligation to you, for any third-party software.

Upon our request, you will allow us to have electronic access to most operational aspects of your Business, including client identity, appointments and invoicing. Although there are no contractual limits imposed on our access to this information, we will not use the information gained through this software for any purposes not related to your Business or the TeamLogic IT[®] System.

We maintain an information security standard and program that all TeamLogic IT[®] franchisees must adhere as outlined in a “Security Operations Guide”. This standard establishes a minimum level of security that each franchisee is responsible to implement for each location. This standard may be modified from time to time.

We have a Technology Insight Committee (“TIC”) for the purpose of consulting on our vendor and technology programs. There are six franchisee members that we appoint that serve approximately 2-year terms on TIC. TIC members serve in an advisory capacity and may be changed at our discretion. This program may be cancelled at any time.

We have an Owners Security Council (“OSC”) for the purpose of consulting our Information Security and Security Operations programs. There are six franchisee members that we appoint to serve approximately 2-year terms on OSC. OSC members serve in an advisory capacity and may be changed at our discretion. This program may be cancelled at any time.

SITE SELECTION

You are required to lease office space for the Business in your territory. When you obtain (by lease, purchase or otherwise) a business site for your TeamLogic IT[®] Business, it must be within your Territory (as defined below), and we will provide you with site selection approval. We will use our best efforts to approve or disapprove your selected site within 14 days from the date you submit a prospective site for approval. If signage is allowed at the location, the TeamLogic IT[®] name and logo should be displayed following our signage guidelines. We do not ensure or warrant that your Business will be profitable at a location utilizing our guidelines, or at any location. You must open the Business within 90 days of the date your Franchise Agreement is signed or we may terminate the Franchise Agreement. Any extension requires prior written approval. We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of your Business is 60 to 90 days. Factors affecting time to open include attendance at and satisfactory completion of our Initial Training Program, arranging for any financing, complying with local ordinances, installation of equipment, and obtaining a satisfactory business location.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will receive a protected territory and an approved territory name; meaning we will not open a TeamLogic IT[®] franchise location or establish any company-owned outlet in this territory during the term of your contract. We will grant you the right to operate a TeamLogic IT[®] franchise in a specific geographical area we outline based on the number of businesses, up to 1,500 to 2,000 of the type that we expect to be potential clients of TeamLogic IT[®], and this geographic area will be designated as your Territory. We currently use a business list provider to obtain these business counts but may use a different source in the future. In addition, we may provide you with a marketing list which is separate and apart from the business counts list. We have the right to terminate your Franchise Agreement if you do not maintain Gross Sales greater than two thousand five hundred dollars (\$2,500) per week for twelve consecutive weeks (except during the first twelve (12) months of operation). There are no circumstances under which we may modify your Territory without your consent.

The Franchise Agreement grants you a license for a single TeamLogic IT[®] Business which will be operated from a single business location (or any approved business relocation) within your Territory. Your Territory is not a limitation on your marketing, or on the clients you may serve, and other franchisees may service clients in your Territory. You may face competition from other franchisees. There are no limits on your right to use other channels of distribution, such as the internet, catalog, telemarketing, or other direct marketing outside of your Territory.

You may purchase additional TeamLogic IT[®] franchises for the Initial Franchise Fee of \$49,500. You must not have been in default of your existing franchise agreement, meet then current revenue requirements and operating standards, obtain our prior written approval, and sign a new, then current Franchise Agreement for an additional TeamLogic IT[®] franchise. You must change the term of any pre-existing Franchise Agreements to be co-terminus with your new Franchise Agreement for the additional TeamLogic IT[®] franchise. Using our experience and in keeping the best interests of TeamLogic, LLC in mind, you must demonstrate to our satisfaction that you meet our managerial and business standards and possess good moral character and business experience.

We will not, during the term of the Franchise Agreement, establish, own or operate, or grant a franchise for another person to own or operate another TeamLogic IT[®] Business within your Territory.

Upon prior written consent by us, it may be possible for you to acquire additional TeamLogic IT franchise(s) for an Initial Fee of \$49,500, subject to the terms of the then-current franchise agreement. We and our affiliates have and retain the right to directly or indirectly market within or outside of your Territory, products and/or services that are not sold through TeamLogic IT[®] Businesses, whether or not they use the Marks without compensation to you. We currently have no present intention to market or sell TeamLogic IT[®] products or services, which are offered at your TeamLogic IT[®] Business, inside your territory through alternative means of distribution (including the Internet) in the future. However, should this occur, we have no obligation to pay you for soliciting or accepting orders from inside your territory.

It is possible that we, or an affiliate may in the future, acquire or be acquired by, a competing chain of locations offering the same or similar services as those offered by a TeamLogic IT[®] Business. Should this happen, there may be a location of the acquired brand already existing in your Territory, and we reserve

the right to maintain that other brand location, however we will not open or franchise any additional locations of the other brand in your Territory.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents or copyrights. However, we claim a “common law” copyright in certain materials. Also, our Brand Standards and Operations Manual, portions of our intranet site, vendor terms and contact information, business and marketing plans and processes are confidential and proprietary, and we claim that these systems, compilations, lists, and processes are trade secrets. You do not receive any rights in any proprietary or trade secret information, other than the uses granted in the franchise agreement. You must promptly tell us when you learn about any unauthorized use of this proprietary information. We are not obligated to take any action, but will respond as we deem appropriate. ITEM 15.
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION

You must directly supervise and participate in the day-to-day operations of the TeamLogic IT[®] Business. If you hire a manager, then the manager must sign a written agreement to maintain confidentiality. There is no limitation on who you may hire for a manager, except you cannot hire a person who concurrently works for a competing business. The manager need not have an equity interest in the Franchise. If Franchisee is an entity, all owners of an interest in the Franchisee entity and their spouse will be required to personally sign a guarantee of the entity (See signature pages of the Franchise Agreement).

We will not approve the sale of a TeamLogic IT[®] Business to an Employee Stock Ownership Plan (“ESOP”).

ITEM 16.

All services must be provided and sold through your TeamLogic IT[®] Business. You may not sell any products or provide any services on a wholesale basis except to other TeamLogic IT[®] locations.

You cannot offer Non-Core Services unless you can perform these services either through a brokered agreement or by qualified on-staff technicians. Those services and products may or may not include the services and products currently provided and sold by TeamLogic IT[®] Businesses. There is currently no restriction on the types of authorized goods and services we designate as Core Services.

In addition, you may not offer or provide any services, or offer and sell any products, in a manner, form or configuration (including without limitation for resale) other than as specifically approved in writing by us. You may not use the premises on which your TeamLogic IT[®] franchise business is conducted for any business purpose other than the operation of your TeamLogic IT[®] Business and the sale of products approved by us, unless specifically approved in writing by us.

Failure to adhere to these restrictions shall constitute a material default of the Franchise Agreement, which default must be cured within 20 days of notice or the Franchise Agreement can be terminated.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19.
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor owned outlets/businesses, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet/business you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular outlet/business or under particular circumstances.

Notes to Table:

1. As of December 31, 2025, we had 204 total franchisees who operated 344 businesses. Of these total franchisees, 182 franchisees representing 319 businesses were categorized as "Qualified Franchisees", (franchisees who had operated for at least 12 months as of December 31, 2025 and who reported their Gross Revenue to us during the Reporting Period). These franchisees generated a total of \$233 million of network sales.

2. This financial performance representation in the above chart covers the Gross Revenue during the 12-month period from January 1, 2025 until December 31, 2025 (the "Reporting Period") for the Qualified Franchisees who operated their businesses for the entire Reporting Period, and who reported their Gross Revenue to us in the Reporting Period.

3. This financial performance representation does not include the results of the 22 franchisees (operating a total of 25 Businesses/Territories) that were operating for less than 12 months as of December 31, 2025, or the 7 franchisees (operating a total of 8 Businesses) that closed during the Reporting Period.

4. The Qualified Franchisees operate in various markets across the country. The average length of time that the Qualified Franchisees had operated under the System as of December 31, 2025, was 7.2 years.

5. 57 Qualified Franchisees (including 38 in the first quartile, 10 in the second quartile, 5 in the third quartile and 4 in the fourth quartile of Gross Revenue) operated multiple Businesses/Territories during the Reporting Period, and 27 of the Qualified Franchisees (including 24 in the first quartile, 2 in the second quartile, 1 in the third quartile, and 0 in the fourth quartile of Gross Revenue) operated 3 or more Businesses/Territories.

6. As of April 27, 2026, TeamLogic, LLC, through its wholly owned subsidiary, ITAH, operates 28 company-owned TeamLogic IT[®] Businesses.

7. "Gross Revenue" is defined as all revenue from all services that a Qualified Franchisee derives from operating all of its Businesses, and includes hourly services, managed services, product resale, and professional project services, commission and agency revenue, reseller revenue and other, (cloud services, technical support, break/fix services, training, consulting services, and other technical services) whether one-time or recurring, and commissions paid by alliance partners and revenue from hardware or software sales. This excludes freight and sales tax.

8. TeamLogic IT[®] is a franchised service operation that relies on a business-client base that must be built over time, often from scratch. It can take 2 years or more to create an operation that offers a statistically accurate representation. Given that many franchisees do not complete the establishment of their Businesses in the first 12 months, to include operations younger than 24 months would show a distorted and unrealistic picture of business revenues. We offer certain discounts and Minimum CFF suspensions for the entire first year in recognition that this time is spent building a client base. In addition, some franchisees have converted existing independent IT service businesses into TeamLogic IT[®] Businesses with a full and active client base, while other franchisees are starting new businesses with no clients. These outlets present starkly different revenue profiles in their first year of operations compared to traditional, new franchises. Including only franchisees that have been operational for at least 24 months, starts to balance the inherent performance and statistical discrepancies in this aspect of the franchisees' Gross Revenue figures.

9. Because a TeamLogic IT[®] Business franchisee’s revenue depends primarily on a recurring base of clients developed over a period of time, Qualified Franchisees who operate for longer periods, and/or who operate multiple TeamLogic IT[®] Businesses/Territories, typically realize higher (in some cases significantly higher) Gross Revenue, than Qualified Franchisees who have operated for shorter periods or who operate only one Business/Territory.

10. Each of the Qualified Franchisees offers primarily the same products and services that we expect new TeamLogic IT[®] Business franchisees to offer, and each receives primarily the same services from us that we expect new franchisees to receive. The Qualified Franchisees also face generally the same competition from other similar businesses that we expect new franchisees will face.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request. Prospective franchisees and sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you’ll sell as much.

Other than the preceding financial performance representation, TeamLogic, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Thomas Muller at 26722 Plaza, Mission Viejo, California 92691, (949) 582-6300, the Federal Trade Commission, and the appropriate state regulatory agencies.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Financial Statement Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). References to the “ASC” hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Statement Presentation (Continued)

FASB ASC 810-10, *Consolidation*, addresses the consolidation of an entity whose equity holders either (a) have not provided sufficient equity at risk to allow the entity to finance its own activities or (b) do not possess certain characteristics of a controlling financial interest. FASB ASC 810-10 requires the consolidation of such an entity, known as a variable interest entity (VIE), by the primary beneficiary of the entity. The primary beneficiary is the entity, if any, that is obligated to absorb a majority of the risk of loss from the VIE's activities, entitled to receive a majority of the VIE's residual returns, or both. The principal type of entities in which the Company would possess a variable interest includes franchise entities. The Company does not possess any ownership interests in franchise entities. Additionally, the Company does not provide financial support to franchise entities in a typical franchise relationship. As a result, the Company did not consolidate any franchise entities.

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include cash on hand and in banks and all highly liquid debt instruments purchased with original maturities of three months or less.

Accounts Receivable and Allowance for Credit Losses

Trade receivables consists of continuing franchise fees and managed services fees, net of allowance for credit losses. An allowance for credit losses is established based upon historical experience and current economic conditions. The Company also considers any specific customer collection issues. The Company periodically assesses its methodologies for estimating credit losses in consideration of actual experience, trends, and changes in the economic environment. As of December 31, 2025, 2024, and 2023, the allowance for credit losses was \$60,000, \$154,000, and \$91,000, respectively.

Property and Equipment

Property and equipment are stated at cost. Major improvements and betterments are capitalized. Maintenance and repairs are expensed as incurred. Property and equipment are depreciated over estimated useful lives of 3 to 20 years. Depreciation is computed using straight-line method for financial purposes and accelerated methods for income tax purposes.

For common control leasing arrangements, the Company amortizes leasehold improvements over the useful life of the improvement (regardless of the term) while the Company continues to use the underlying assets. Upon termination of the lease by the Parent, the Company transfers the residual value to the common control lessor. For all other leases, leasehold improvements are amortized over the shorter of the useful life of the asset or the lease term including renewal periods that are reasonably assured.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition from Contracts with Customers

The Company's revenue includes initial franchise fees, transfer fees, continuing franchise fees, franchise advertising contributions, and other revenue relating to various managed services, interest and other income. The Company recognizes revenue when its customer obtains control of promised goods or services in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. To determine revenue recognition for the arrangements that the Company determines are within the scope of Topic 606, the Company performs the following five steps: (1) identify the contract(s) with a customer; (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when (or as) the Company satisfies a performance obligation.

The Company adopted FASB issued Accounting Standards Update (ASU) 2021-02 *Franchisors – Revenue from Contracts with Customers (Subtopic 952-606)*. ASU 2021-02 provides a practical expedient for franchisors to account for certain pre-opening services as distinct from the franchise license when identifying performance obligations under ASC 606. The Company has elected to treat the pre-opening services as a single performance obligation.

The initial franchise fee is \$49,500 for a new franchise, \$40,000 for eligible veterans, \$49,500 for any subsequent franchises opened by the same franchisee, and \$49,500 for a conversion franchise.

Under franchise agreements, the Company provides franchisees with (i) a franchise license, which includes a license to use intellectual property and advertising and promotion management, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials. The services provided under the franchise agreements are extensive.

Initial, Transfer, And Renewal Franchise Fees – Upon execution of a franchise agreement, the franchisee is required to pay a franchise fee to the Company. In connection with the franchise fee, the Company provides services and support to the franchisee for its pre-opening activities, such as site selection and training. These pre-opening services provided by the Company are a single performance obligation and the franchise fee is recognized upon satisfaction and completion of the pre-opening services by the Company. Generally pre-opening services are complete upon the opening of the franchisee's location. If the pre-opening services are not complete or are in process, the Company records the franchise fee received as a contract liability. Transfer and renewal franchise fees are recognized over the term of the franchise agreement.

Continuing Franchise Fees – Continuing franchise fees are calculated as the greater of a fixed amount or a percentage of franchise sales over the term of the franchise agreement and recognized as franchisees' sales occur and collectability of the fees is reasonably assured.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024, AND 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition from Contracts with Customers (Continued)

Managed Services – The Company collects fees for managed services from its franchisees based on the number of licenses used. Fees for managed services are recorded as revenue monthly as services are provided and collectability of the fees is reasonably assured.

Franchise Advertising Contributions – The franchisees contribute to an advertising fund managed by the Company. Under the franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing and related activities. Franchise advertising contributions are recognized as franchisees' sales occur.

Deferred Franchise Costs

Deferred franchise costs represent commissions that are direct costs incurred in conjunction with the sales of a franchise. These costs are amortized on a straight-line basis over the term of the franchise agreement.

Deferred Revenue

Deferred revenue represents franchise fees received from franchisees that have signed franchise agreements but have not yet opened their location.

Income Taxes

For federal tax purpose, an election was made to treat the Company and its Parent (Franchise Services, Inc.) as Qualified Subchapter S Subsidiaries (QSSS). As a QSSS, the Company and its Parent are not treated as separate corporations and all assets, liabilities, items of income, deduction, and credit of the Company and its Parent are treated as assets, liabilities, items of income, deduction, and credit of the parent of Franchise Services, Inc.

The Company provides for state taxes for various jurisdictions that either treat the Company as a separate corporation or impose a franchise tax.

Long-Lived Assets

The Company accounts for impairment and disposition of long-lived assets in accordance with FASB ASC 360-10, *Property, Plant, and Equipment*. FASB ASC 360-10 requires impairment losses to be recognized for long-lived assets used in operations when indicators of impairment are present and the undiscounted future cash flows are not sufficient to recover the assets' carrying amount. There was no impairment of the value of such assets for the years ended December 31, 2025, 2024, and 2023.

Advertising Costs

Advertising and promotional costs not associated with the advertising funds are charged to operations when incurred. Advertising and promotional costs totaled \$526,000, \$496,000, and \$438,000, for the years ended December 31, 2025, 2024, and 2023, respectively. Advertising and promotional costs are included in selling, general and administrative expenses in the accompanying statements of operations.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The process of preparing financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Adoption of New Measurement of Credit Loss Standard

For the year ended December 31, 2025, management has elected to early adopt ASU No. 2025-05, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. This standard introduces a practical expedient that allows entities to assume that current conditions persist over the life of the asset, and an election permitting consideration of post-balance sheet cash collections when estimating expected credit losses. As a result for the year ended December 31, 2025, the Company no longer incorporates forward-looking macroeconomic forecasts into its credit loss estimates for outstanding accounts receivable and contract assets. Instead, the Company relies on historical loss experience and current conditions as of the reporting date. Additionally, the Company considers subsequent cash collections received prior to issuance of the financial statements when evaluating collectability.

NOTE 2 REVENUES FROM CONTRACTS WITH CUSTOMERS

Disaggregation of Revenues

The Company believes that the captions contained in the statements of operations appropriately reflect the disaggregation of its revenue by major type for the years ended December 31, 2025, 2024 and 2023.

Due to ASC 606 required reclassifications, the following are contract receivables and contract liabilities as of December 31, 2025, 2024, and 2023:

Such action may be treated by Franchisor, in its sole discretion, as a wrongful repudiation of the Franchise Agreement by Franchisee, entitling Franchisor to damages which are hereby agreed upon as the amount of the anticipated and estimated Continuing Franchise Fees and TeamLogic IT[®] Managed Services fees for the remaining term of the Franchise Agreement by utilizing the current Continuing Franchise Fees and TeamLogic IT[®] Managed Services fees as a base. Alternatively, Franchisor shall have the right to void the purported transfer by way of injunction or restraining order in a State or Federal Court where the Business is located.

SECTION XII. DISPUTES/ARBITRATION

121 Except as provided below, any controversy or claim arising out of or relating to this Franchise Agreement or the breach hereof, including a claim for emergency relief, shall be settled by arbitration with the American Arbitration Association in accordance with the Commercial Arbitration Rules then in effect. The arbitration of any dispute between the parties shall be conducted with regard to Franchisee only and not with regard to any collective group of franchisees or class action. This arbitration provision shall survive the expiration or earlier termination of this Agreement.

a. Arbitrator. There shall be a single arbitrator who shall be an existing or former judge of a court of record within the United States or an attorney in good standing admitted to practice for a period of at least ten (10) years within the United States. A corporation/limited liability company to which an individual Franchisee has transferred some or all of the assets comprising the TeamLogic IT[®] Business shall be considered either a joint Franchisee or successor Franchisee (at Franchisor's option) and bound by this arbitration agreement.

b. Location. The site of the arbitration shall be in Orange County, California.

c. Absence of party. The arbitration may proceed in the absence of either party, providing that notice of the filing of the arbitration has been sent to the other party in accordance with this Agreement.

d. Decision/Jurisdiction. The decision of the arbitrator shall be final and binding upon the parties, and judgment upon the award rendered by the arbitrator, may be entered in any court having jurisdiction thereof. Franchisee hereby consents to California personal jurisdiction for himself and any corporation owning some or all of the assets of the TeamLogic IT[®] Business, and hereby consents to service of process by way of certified mail, return receipt requested, or by recognized courier (such as FedEx or UPS) sent to the TeamLogic IT[®] Business location, signed by a duly employed employee of Franchisee, or by personal service or by substitute service in accordance with California law. The parties agree that punitive damages shall not be available as a remedy for a breach of this Agreement or any dispute relating to this Agreement.

e. Fees. If any party commences an action, either arbitration or court proceedings, against any other party arising out of or in connection with this Franchise Agreement, the prevailing party or parties shall be entitled from the losing party or parties, both attorney's fees and costs of the arbitration and/or suit as part of the judgment rendered, along with attorney's fees and costs incurred in enforcing any such judgment.

f. Trademarks. Notwithstanding the above, the arbitrator shall have no power or authority to diminish Franchisor's complete and exclusive right, title and interest in its patents, trademarks, service marks, trade names, copyrights and other trade secrets, or to vary the terms, condition or payments which Franchisor has designated for licensing the same.

122 This section shall survive and remain in full force and effect subsequent to termination or expiration of this Agreement.

12.3 Except where contrary to a specific law in Franchisee's state, written notice of any alleged default by Franchisor of this Agreement must be given by Franchisee to Franchisor within eighteen (18) months of the alleged default or Franchisee is precluded from raising such alleged default thereafter in any proceeding involving Franchisor or Franchisee. Franchisor and Franchisee both hereby waive the right to assert the principles of collateral estoppel in any action between them. Franchisor and Franchisee hereby waive any right to a jury trial.

SECTION XIII. MISCELLANEOUS

13. The parties further agree as follows:

a. Independence of Franchisee/Indemnity. Franchisee is, and shall be at all times during the term of this Agreement, an independent contractor and not an agent or employee of the Franchisor. The Franchisee is not a partner or joint venturer with the Franchisor. This Agreement does not create a fiduciary relationship between the parties. Franchisee is solely responsible for the day-to-day control of Franchisee's TeamLogic IT[®] Business. Neither Franchisee nor any of Franchisee's employees are in any way, directly or indirectly, expressly or by implication, to be construed to be Franchisor's employees for any purpose. Franchisee is solely responsible for all terms of employment of Franchisee's employees and personnel. Any requirements, restrictions or specifications which Franchisee is required to comply with under this Agreement, whether set forth in the Brand Standards and Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day operations of the Business, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising Franchisee's control of the day-to-day operations of Franchisee's Business. Franchisee shall defend, indemnify and hold harmless Franchisor, its affiliates, and their respective shareholders, directors, officers, employees, representatives, and agents from and against any and all actions, causes of actions, claims, suits, fines, demands, losses, liabilities, costs, and fees (including attorney fees) of any kind arising out of or in connection with Franchisee's TeamLogic IT[®] Business, including but not limited to personal injury, property damage, violation of the rights of others, negligent or intentional corruption of data, joint employer liability issues, or any wrongful use of System, Proprietary Information or other Franchisor- owned material by electronic medium or otherwise.

b. Abandonment or Surrender by Franchisee/Close of Business. If Franchisee shall, for any reason, abandon (as defined in Section 10.1d above) or surrender all or any part of its rights and privileges under this Agreement, all such rights shall revert to the Franchisor. However, Franchisee shall not have the right to abandon its obligations under this Agreement. Closing or abandoning your franchise business is a breach of contract, entitling the Franchisor to damages for minimum fees due for the remainder of the contract term.

c. Waiver. No delay, waiver, omission or forbearance on the part of Franchisor to exercise any right, option or power arising out of any breach or default by Franchisee, or by any other Franchisee, of any of the terms, provisions or covenants contained herein, shall constitute a waiver by Franchisor thereof to enforce any such right, option or power as against Franchisee, or as to a subsequent breach or default by Franchisee.

d. Severability. Should any provision of the Agreement for any reason be construed or declared to be invalid, such decision shall not affect the validity of any remaining portion, which remaining portion shall remain in full force and effect as if this Agreement had been executed with such invalid portion eliminated.

e. Right of Successors. The Franchisor has the right to assign the Franchise Agreement and all its rights and privileges thereunder, to any other person, firm, or corporation, provided that the assignee is financially responsible and economically capable of performing the obligations of the Franchisor. The Assignee must also assume and agree to perform all obligations of the Franchisor under the Franchise Agreement. The Franchisee's consent is not required for any such assignment.

f. Previous Agreements and Representations. Upon execution of this Agreement by both parties, all previous agreements, contracts, arrangements or understandings of any kind relative to the franchise herein granted are canceled and all claims and demands thereon are fully satisfied.

g. No Representations. No agent or representative of Franchisor has authority to make any representations, statements, warranties, or agreements not herein expressed.

h. Notice. Whenever, under the terms of this Agreement, notice is required, the same shall be given in writing and delivered personally or by certified mail (postage prepaid) or by recognized courier (UPS, FedEx) or by DocuSign delivery. Notice shall be deemed delivered three (3) business days after notice has been sent by certified mail (whether or not the return receipt has been returned to the sender) and deemed delivered by courier when delivered to the recipient or his/her/its agent, representative, spouse or employee or by DocuSign delivery to recipient's email address. All such notices intended for the Franchisor shall be addressed to it at:

TeamLogic, LLC / Attn: President
26722 Plaza
Mission Viejo, California 92691

or as may be designated in writing by Franchisor. Notice to Franchisee shall be directed to the Business address or to the Franchisee's home address.

i. Terminology and Construction. All terms and words used in this Agreement regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular and plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement or any section, paragraph or clause herein may require, as if such words had been fully and properly written in the appropriate number and gender. If Franchisee consists of two (2) or more individuals or entities, such individuals and/or entities shall be jointly and severally liable hereunder.

j. Entire Agreement; Modification. The Franchise Agreement and the accompanying Disclosure Document together contain the entire Agreement of the parties and there are no representations, inducements, promises, or agreements, other than those duly executed in writing. This or any other agreement of any kind or any addendum or exhibit, amending, altering or changing the context of any portion hereof, shall not be binding unless it is executed by an appropriate officer at TeamLogic IT® Corporate offices and by Franchisee or Franchisee's representative. Certain aspects of the franchise relationship may be affected by changes in the Franchisor's Brand Standards and Operations Manual. The Franchisor may make such modifications without Franchisee's approval, so long as they are reasonable and apply uniformly to all Franchisees. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

k. Performance, Applicable Law and Forum. It is stipulated this Agreement has been negotiated, executed and delivered within the State of California and is to be performed at Franchisor's offices in the County of Orange, California. Except as otherwise provided for hereunder, this Agreement shall be interpreted and the rights and obligations of the parties hereunder governed in accordance with the laws of the State of California, except for Section 10.3(g) of this Agreement which shall be governed by the laws of the State where the TeamLogic IT® Business is located.

l. Headings. The headings of the paragraphs herein are inserted for convenience only and are not intended to be construed as part of the Agreement or to limit the scope of a particular paragraph.

m. Signature. This Agreement may be originally signed by an individual if unmarried or if married, individuals and their spouses as the Franchisee, or if signed by a Corporation or Limited Liability Company ("LLC"), must be personally guaranteed by the shareholders/members and their spouses. It is acknowledged that should an individual Franchisee subsequently transfer some or all of the assets of the TeamLogic IT® Business to a corporation/LLC, then Franchisee agrees that such corporation/LLC shall be considered either a joint or successor Franchisee (at Franchisor's option) to this Franchise Agreement, and shall, along with all shareholders/members, be bound hereby, as if the corporation/LLC and shareholders/members each executed this Agreement.

n. Warranty as to Original Document. Franchisee hereby warrants that he has not caused any electronic modification, scanning or manipulations of the Franchise Agreement received from Franchisor and that this document is the same document received from Franchisor, and agrees that any such modifications or manipulation shall be void.

SECTION XIV. ACKNOWLEDGEMENTS AND SIGNING

MARYLAND

Renewal, Termination and Transfer

Item 17 Disclosure Document; Section 10, 11 Franchise Agreement

In accordance with Maryland Law, Item 17, the appropriate sections of the Franchise Agreement are amended to state that the general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Previous Agreements and Representations, Sections 13f and 13g Franchise Agreement Acknowledgement, Section 14 Franchise Agreement

The Maryland Franchise Registration and Disclosure Law prohibits a franchisor from requiring a prospective franchisee to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise. Any disclaimer regarding the occurrence and/or acknowledgment of the non-occurrence of acts that would constitute a violation of the Franchise Law in order to purchase the franchise are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law. This amends Section 14 of the Franchise Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Arbitration

Item 17 Disclosure Document; Section 12 Franchise Agreement

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

Item 17 of the Disclosure Document and Section 12.3 of the Franchise Agreement are amended to state that any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

Termination

Item 17 Disclosure Document

The provision in the Franchise Agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law.

MICHIGAN

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a. A prohibition on the right of a franchisee to join an association of franchisees.
- b. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in
the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- e. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- g. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

- h. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- i. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Any questions regarding this notice should be directed to: State of Michigan, Department of Attorney General, Consumer Protection Division, Franchise and Antitrust Unit, PO Box 30213, Lansing, MI 48909 - (517) 373-7117.

Item 17 Disclosure Document; Section 7.2 Franchise Agreement

Item 17 Disclosure Document; Section 10 Franchise Agreement

The Franchisor may terminate or cancel this Agreement and the franchise if (i) Franchisee is given written notice setting forth all the reasons for the termination or cancellation at least 180 days in advance of termination or cancellation, and (ii) the Franchisee fails to correct the reasons stated for termination or cancellation in the notice within 60 days of receipt of this notice; except that the notice is effective immediately upon receipt where the alleged grounds for termination or cancellation are: (1) Voluntary abandonment of the franchise relationship; (2) the conviction of the Franchisee of an offense directly related to the business conducted in accordance with the franchise; or (3) failure to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the Franchisor's trade name, trademark, service mark, logotype or other commercial symbol after the Franchisee has received written notice to cure of at least 24 hours in advance thereof.

With respect to franchises governed by Minnesota law, the Franchisor will comply with Minn. Stat. Stat. 2860.4400, Item 17 and the transfer sections of the Franchise Agreement are amended to state, "It shall be unfair and inequitable for any person to require a franchisee to assent to a release assignment, novation, or waiver that would relieve any person from liability imposed by Minn. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

Rider

Washington Addendum to the Franchise Disclosure Document, Franchise Agreement, and Related Agreements.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

Dated this _____ day of _____, 20____.

FRANCHISOR

FRANCHISEE

This addendum may also be used as a rider to the Franchise Disclosure Document. This addendum to the Franchise Agreement shall amend the Franchise Agreement and related documents.

WISCONSIN

Termination of the Franchise

Item 17 Disclosure Document; Section 10 Franchise Agreement

The laws of the various states may differ regarding notice periods, time to cure defaults, causes for non-renewal, and causes whereby Franchisor may terminate. Franchisor shall comply with the requirements of the state in which Franchisee's Center is located in that event. (See Section 10 of the Franchise Agreement). The Wisconsin Fair Dealership Law, Chapter 135, Wis. Stats., supersedes any provision of the franchise contract or agreement if such provisions are in conflict with the law.

Each provision of these Addenda to the Disclosure Document and Franchise Agreement shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the respective state's laws are met independently, without reference to these Addenda to the Disclosure Document or Franchise Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

SBA ADDENDUM

ATTACHMENT

ADDENDUM TO FRANCHISE¹ AGREEMENT

THIS ADDENDUM (“Addendum”) is made and entered into on _____ 20____, by and between _____ (“Franchisor”) located _____ at _____, and _____ (“Franchisee”), located at _____.

Franchisor and Franchisee entered into a Franchise Agreement on _____, _____ (such Agreement, together with any amendments, the “Franchise Agreement”). Franchisee is applying for financing(s) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (“SBA”). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the Franchise Agreement or any other document Franchisor requires Franchisee to sign:

CHANGE OF OWNERSHIP

- If Franchisor is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor’s consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the Franchise interest or any portion thereof, the transfer or will not be liable for the actions of the transferee Franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the owns the real estate where the franchise location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the franchise term (excluding additional renewals) for fair market value.

COVENANTS

- If the Franchisee owns the real estate where the franchise location is operating, Franchisor has not and will not during the term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Franchisee’s real estate, they must be removed in order for the Franchisee to obtain SBA-assisted financing.

¹ While relationships established under license, jobber, dealer and similar agreements are not generally described as “franchise” relationships, if such relationships meet the Federal Trade Commission’s (FTC’s) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise affiliation determinations per 13 CFR § 121.301(f)(5).

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee’s employees. For temporary personnel franchises, the temporary employees will be employed by the Franchisee not the Franchisor.

As to the referenced Franchise Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Franchisee.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.

Franchisor and Franchisee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 -3733.

Authorized Representative of Franchisor:

Note to Parties: This Addendum only addresses “affiliation” between the Franchisor and Franchisee. Additionally, the applicant Franchisee and the Franchise system must meet all SBA eligibility requirements.

(Applicable to Minnesota Franchisees Only)

The following provisions apply only to franchises offered or sold in the State of Minnesota and are intended to comply with the Minnesota Franchise Act and the rules promulgated thereunder. In the event of any conflict between this Addendum and the Franchise Disclosure Document or Franchise Agreement, this Addendum shall control with respect to Minnesota franchisees.

1. Protection of Franchisee’s Right to Use Trademarks

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

2. Injunctive Relief

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

3. NSF (Dishonored Check) Fees

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.
