What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from the franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails
3. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to State of Michigan, Corporate Oversight Division, Attn: Franchise 670 G. Mennen Williams Building, 525 West Ottawa, 5th Floor Lansing, Michigan 48933, Telephone Number: (517) 335-7567

Note: Despite subparagraph (f) above, we intend to fully enforce the arbitration provisions of the Franchise Agreement. We believe that paragraph (f) is preempted by federal law and cannot preclude us from enforcing these arbitration provisions. We will seek to enforce this section as written.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

We refer to this document as the “Disclosure Document.” The franchisor of DUNN BROTHERS COFFEE[®] brand is Dunn Bros Franchising, LLC, and to simplify the language in this Disclosure Document, Dunn Bros Franchising, LLC is referred to as “Franchisor” or “we.” “You” means the person who buys the franchise. If you are not a natural person, certain provisions of the agreements will apply specifically to your owners who will sign the Guaranty and Assumption of Obligations,

Franchisor and Our Agents for Service of Process.

We are a Delaware limited liability company and were formed on June 6, 2022. Our principal business address is 5412 W. Plano Pkwy., Suite 100, Plano, Texas 75093. We do not conduct business under any name except our corporate name and brand name DUNN BROTHERS COFFEE[®]. We began offering franchises for coffee shops which are currently known by the brand name DUNN BROTHERS COFFEE[®] (each a “Shop”) on November 2, 2022. Our sole business is to offer and sell franchises for the Shops and manage the Dunn Brothers Coffee franchise system, including providing services to Shop franchisees. While our affiliates operate some Shops, we have never operated a Shop, offered franchises for any other businesses, or operated any other business.

Our agent for service of process in Delaware is Corporation Service Company, 251 Little Falls Drive, Wilmington, Delaware – 19808. Our agents for service of process in the states in which this Disclosure Document will be registered are listed in Exhibit G.

Our Parent, Predecessor, and Affiliates.

We are a wholly owned subsidiary of Dunn Bros Parent, LLC (“DBP”); DBP is a wholly owned subsidiary of GCP DBC, LLC (“GCP DBC”); GCP DBC is a wholly owned subsidiary of Gala Family, LP. The principal business address of DBP, GCP DBC, and Gala Family, LP is 3191 Red Hill Ave, Suite 200, Costa Mesa, CA. 92626.

Our predecessor is Dunn Bros Coffee Franchising, Inc. (“Predecessor”), which had its principal business address at 2335 West Highway 36, Suite 201, Roseville, Minnesota 55401. Predecessor sold franchises for the Shops from April 2001 until April 30, 2022. Predecessor never owned or operated a Shop, offered franchises in any other line of business, or conducted any other business. In June 2022, GCP DBC acquired from Predecessor and its affiliates substantially all the assets of the Dunn Brothers Coffee franchise system including the then-existing franchise agreements for Shops, which were subsequently assigned to us on December 31, 2022. Neither GCP DBC nor DBP has ever owned, operated or offered franchises for a Shop or offered franchises in any other line of business.

GCP DBC owns and has granted us a license to use and sublicense the use of the trademarks and other intellectual property used in the operation of the Shops.

Our affiliate, Dunn Bros Alternative Channels, LLC (“DBAC”), sells DUNN BROTHERS COFFEE[®]-branded single serve coffee, portion packaged coffee, bulk whole bean coffee, tea, and other related products at wholesale to grocery stores, offices, hospitality venues and other retail channels including the internet. DBAC also supplies these some of products to a designated distributor who in-turn sells them to our franchisees for use and sale in their Shops. DBAC shares our principal business address. DBAC has never owned a Shop or offered franchises in any line of business.

Our affiliate, DBC Gift Card, LLC (“DBC GC”), shares our principal business address and has been established to manage our gift card program. DBC GC has never owned a Shop or offered franchises in any line of business.

We have two affiliates who offer franchises in other lines of business:

MOOYAH Franchising LLC, which shares our principal address, has offered franchises since April 2017 for MOOYAH-branded restaurants that sell primarily burgers, shakes and fries. As of the date of its most recent fiscal year (January 4, 2026), there were 72 MOOYAH franchises open (which includes franchises that were sold by our affiliate’s predecessor from June 2006 to April 2017) and 6 additional franchises sold but not yet open.

Rusty Taco Franchising LLC, which shares our principal address, has offered franchises for Rusty Taco-branded restaurants since May 2023. As of the end of its most recent fiscal year (January 4, 2026), there were 25 traditional and 5 non-traditional Rusty Taco franchises open (including those that were sold by our affiliate’s predecessors from May 2015 to December 2022) and 4 additional franchises sold but not yet open.

Except as described above, we have no parents, predecessors, or affiliates required to be disclosed in this Item 1.

The Type of Business You Will Conduct.

The Shops are identified by the DUNN BROTHERS COFFEE® brand name and other trademarks, service marks and commercial symbols and trade names that we may authorize you to use (collectively, the “Trademarks”), and they typically (i) use state-of-the-art roasting techniques to produce daily, fresh roasted, high quality coffee which is sold at the peak of its aromatic freshness, (ii) feature a drive-thru, and (iii) offer, for eat-in, take-out and delivery, high-quality coffee, coffee products, and fresh bakery items such as breads, pastries, breakfast and lunch sandwiches, wraps, desserts, other similar food, beverage and related products that we may designate from time to time to consumers for personal use and consumption. However, we may allow franchisees who own multiple Shops to roast coffee for all their Shops at one location instead of installing roasters at all the Shops. We also allow franchisees to sell certain products and services at wholesale to certain types of customers. The Shop that you develop pursuant to a Franchise Agreement (“your Shop”) will be developed and operated at a location that you select and that we accept.

Each franchised Shop is subject to and governed by an individual franchise agreement between us and the person or entity that owns and operates the Shop. To purchase a franchise, you must sign our form of Franchise Agreement and related agreements (collectively, the “Franchise Agreement”), the form of which is attached to this Disclosure Document as Exhibit A. If your Shop will be a non-roasting Shop, you will sign the Non-Roasting Amendment to Franchise Agreement attached as Appendix D to Franchise Agreement.

We also offer qualified applicants the option to sign a development agreement (the “Development Agreement”) in which they agree to purchase an agreed upon number of franchises and develop and open, in accordance with individual Franchise Agreements, an agreed upon number of Shops within a specified geographic territory (the “Development Area”) and according to a specified schedule (the “Development Schedule”). Our typical Development Agreement requires the development of either three Shops, but the actual number of franchises to be purchased, the Development Area and the Development Schedule will be agreed upon by us and you before you sign the Development Agreement. The form of the Development Agreement you would sign is attached as Exhibit B to this Disclosure Document. When you sign the Development Agreement, you will also sign the Franchise Agreement, on the form attached as Exhibit B,

for the 1st Shop required to be open in satisfaction of the Development Schedule. For each subsequent franchise you acquire, you will sign our then-current form of Franchise Agreement, which may differ from the current Franchise Agreement included in this Disclosure Document.

Market for Your Products and Services; Competition.

The Shops are not seasonal businesses. The coffee shop market is highly developed and competitive, and new concepts are frequently introduced into the marketplace. You will be competing for sites and customers with all other coffee shops.

Laws and Regulations.

You must comply with all laws applicable to the development and operation of your Shop. In addition to laws that are applicable to businesses generally, you should consider that there are federal, state, and local laws and regulations concerning the preparation of food, display of nutrition facts, charging hidden/junk fees, extended producer liability and other obligations concerning food service ware and/or food packaging materials, and sanitary conditions of coffee shop facilities. Certain provisions of these laws impose limits on emissions resulting from commercial food preparation. You will need to understand and comply with these laws in operating your Shop.

Notes:

1. All fees payable to us or our affiliates are not refundable. Whether any of the other payments are refundable will depend on the arrangement between you and the supplier. Neither we nor our affiliates finance your initial investment.
2. We estimate that the premises of a Shop will be an end-cap of 1,000 to 1,900 square feet approximately, plus a drive-thru. The average build-out cost is approximately \$125 to \$158 per square foot with the potential for landlord construction credits. The exact cost will depend on several factors, including the condition of the premises, whether you elect to do more than the minimum required renovations, the landlord's agreement to reimburse you for certain improvements, the size and location of the premises for your Shop, local market conditions and other economic factors. A space previously occupied by a coffee shop or a similar use likely will result in lower leasehold improvement costs. We must approve the leasehold improvements before you begin construction.
3. This amount estimates the fee for connecting water and sewer access the Shops which is assessed by the local municipality, and is based on many factors including the use, rates, shop size, and seating capacity. The low end of the range is \$0 because many cities and counties do not impose this fee.
4. You usually must pay one-month base rent as a security deposit to the landlord. Leases are usually "triple net" and therefore impose an obligation toward common area maintenance costs, insurance charges, real estate taxes and special assessments, HVAC charges, utility charges, water and sewer charges, security charges, trash removal charges, mall charges, promotional and marketing charges, food court charges, and charges for membership in a merchant's association.

5. This estimate includes the costs of leasing, purchasing, and installing all required equipment (except the roaster and the associated leasehold improvement), millwork, exterior signage, interior menu boards, small kitchen tools and supplies, audio-visual system and phone system, and the cost of purchasing the required furniture for your Shop.
6. If your Shop is a non-roasting shop, then you will not incur the cost of installing a roaster or incur associated cost of leasehold improvement.
7. This range includes the travel and living expenses that your Managing Owner and your Designated Manager may incur while attending our initial training program.
8. You must purchase your opening inventory of coffee, coffee beans, beverage-related products, branded products, uniforms, food items and paper products from approved suppliers.
9. As noted in Item 5, you will pay to us the grand opening expenses of \$10,000 when you sign the lease for your Shop. We will use this amount for the initial marketing and advertising of your Shop in connection with its grand opening.
10. Insurance estimates for the annual cost of purchasing and maintaining the required insurance coverages as described in Item 8 of this Disclosure Document.
11. This range is an estimate to cover your expenses during the start-up phase (3 months) including payroll costs, advertising, taxes, small wares, paper and cleaning supplies, utilities, cost of participating in the coffee origin tour, and other variable costs. This estimate is based primarily on the experience of Predecessor and its affiliates in developing, operating, and franchising the Shops. If, within 24 months after signing the Franchise Agreement, you participate in a coffee origin tour that we arrange then we will cover up to \$2,000 of the expenses you incur in doing so. These amounts do not include any estimates for debt service on loans that you obtain to finance your Shop.

You should review all figures in this Item 7 carefully with a business advisor before you decide to purchase the franchise. We do not provide financing for any part of this investment, and the availability and terms of third-party financing depend on the availability of financing generally, your creditworthiness and collateral, and the lending policies of financial institutions. The estimate does not include any finance charges, interest, or debt service obligations.

YOUR ESTIMATED INITIAL INVESTMENT (DEVELOPMENT AGREEMENT)

TYPE OF EXPENDITURES	AMOUNT	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Development Fee ¹	\$30,000	Lump Sum	Upon Signing the Development Agreement	Us
Estimated Initial Investment for the first Shop ²	\$448,600 to \$728,400	See above table ("Your Estimated Initial Investment (Franchise Agreement)" of this Item 7.		

TYPE OF EXPENDITURES	AMOUNT	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
TOTAL	\$478,600 to \$758,400			

Notes:

1. The actual amount of the Development Fee is a function of the number of Shops you commit to developing under the Development Agreement. The Development Fee is \$15,000 multiplied by the number of Franchise Agreements that you are obligated to acquire in order to satisfy the Development Schedule, less one. While we and you may agree to deviate from it, our standard Development Agreement will require you to commit to acquiring 3 franchises. The Development Fee is fully earned by us upon receipt and is not refundable.
2. This figure represents the total estimated initial investment required to open and commence operating the first Shop you agree to develop under the Development Agreement. The range includes all the items outlined in the table for “Your Estimated Initial Investment (Franchise Agreement)” of this Item 7.

ITEM 8 **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

To ensure a uniform image and uniform quality of products and services offered and sold by the Shops, you must develop, promote, and operate your Shop in accordance with the mandatory methods, formats, specifications, standards, systems, procedures, techniques, policies, rules that we prescribe periodically (the “System Standards”). You must also use in your Shop only those food and beverage items, condiments, construction and decorative materials, equipment, software, signage, fixtures, furnishings, supplies and certain other products and services that we designate from time to time (collectively, the “Operating Assets”) that we have approved. We will not issue to you or to any approved suppliers (except as we deem necessary for purposes of production) the specifications for proprietary Operating Assets, if any. We will otherwise communicate our System Standards and the list of approved Operating Assets to you in the Operations Manual and otherwise in writing.

Required Products, Services, & Designated Suppliers.

As part of our System Standards, we may require you to purchase all Operating Assets from suppliers approved by us, in writing, or designated by us as the exclusive supplier of such Operating Asset, which may include or be limited to us or our affiliates. We will provide a list of approved and designated suppliers in the Operations Manual or otherwise in writing. We reserve the right to periodically update and alter such lists and to add to or delete from such lists.

In some instances, we or our affiliates may directly supply to you replacement EMV readers, special coffee blends (i.e. holiday blend), etc. and require you to reimburse us or affiliates (as applicable) for the cost of the products supplied. However, neither we nor our affiliates are the designated vendor for any Operating Asset. As of the issuance date of this Disclosure Document, we have designated third-party suppliers for certain components of the Computer System, branded products, uniforms, signage, paper supplies, syrups, coffee and coffee products, food, and beverage.

Alternate Products, Services, & Suppliers.

If you propose to purchase any products or services that we have not approved, or from any supplier that we have not approved, you must first notify us, in writing, using our vendor approval process and application. You must also submit to us sufficient specifications, photographs, drawings and other information or samples for us to determine whether the proposed products or services comply with our System Standards, and/or the proposed supplier meets our approved supplier criteria. We may require you to reimburse our costs of evaluating your proposed new supplier or product and pay an administrative fee of \$500 per request, plus reimbursement of our cost. We generally review any request for an additional supplier within 60 days. We may also impose limits on the number of suppliers, products and services that we are willing to review. We maintain a list of criteria for reviewing and approving products, services, and suppliers; however, we do not issue these criteria to you.

We may revoke our appointment if the vendor/supplier is in violation of any of the terms of any applicable supplier agreement or if we determine in our good faith that the vendor/supplier no longer meets our then-current criteria.

None of our officers own any interest in any supplier of the Dunn Brothers Coffee franchise system.

Insurance.

The Franchise Agreement requires you to purchase and maintain certain insurance coverage in an aggregate amount that we designate periodically. In addition, the policies must name us and certain of our designated affiliates as “Additional Insureds.” We must receive at least 30 days’ prior written notice of material amendment, termination, expiration or cancellation of any insurance policy and you must submit to us a copy of the certificate or other evidence we require of the issuance, renewal or extension of each insurance policy before beginning operations for the Shop and each subsequent year. Premiums are payable to your insurers in amounts and at times as your insurers require.

As of the issuance date of this Disclosure Document, you must maintain at least the following insurance coverage:

- Commercial General Liability and Property Insurance: Minimum limits of \$2,000,000 each occurrence / \$4,000,000 general aggregate.
- Umbrella/Excess Liability: Minimum limits of \$1,000,000 each occurrence / \$1,000,000 general aggregate.
- All liability insurance policies will include product liability coverage, food contamination, and other kinds of coverage that we designate, including motor vehicle liability insurance, if a motor vehicle is used in the operation of your Business and payment security insurance if deemed appropriate.
- Workers Compensation/Employers Liability: Minimum of \$500,000 each accident/\$500,000 policy aggregate/\$500,000 each employee or minimum amount required by law.
- Cyber liability insurance, including coverage for data breach and response in an amount equal to \$1,000,000.

We may reasonably increase the minimum liability protection requirement and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in liability litigation or other relevant changes in circumstances.

Purchase Arrangements, Material Benefits and Revenue.

During fiscal year 2025, we and our affiliates did not derive any revenue from the sale of goods and services to our franchisees. However, based on our franchisees' purchase of required goods and services, during fiscal year 2025, we received revenue of \$583,222 (i.e., 22.8% of our total revenue of \$2,554,452) from third-party vendors. The basis of such payment was \$0.1 to \$9.91 per unit/case purchased.

We or our affiliates have negotiated purchase arrangements, including prices and terms, with designated and approved suppliers for the Dunn Brother Coffee franchise system. As of the issuance date of this Disclosure Document, there are no purchasing or distribution cooperatives for any of the items described above.

We do not provide any material benefits to our franchisees based on their use of designated or approved suppliers.

Currently, we estimate that approximately 75% to 90% of your initial investment and 75% to 85% of your ongoing expenditure to operate your Shop will be directed to purchase products and services that will be restricted by us in some manner.

1. Review sites you propose for the development of a Shop and, at our discretion, approve the proposed site using our then-current standards and issue you a Franchise Agreement. 1. Continue to provide you with access to our confidential Operations Manual and System Standards (Section 8.G of Franchise Agreement).

We are not obligated to provide any post-opening assistance under the Development Agreement.

National Marketing Fund

You must contribute to the National Marketing Fund (the “Fund”), an amount equal to 3% of your Shop’s Gross Sales; however, subject to the Marketing Expenditure Cap, we may increase that amount with 90 days’ written notice to you. Shops owned by our affiliates are not required to but they do contribute to the Fund at the same rate as the franchisees of the Shops. We have entered into negotiated agreements with some franchisees who contribute to the Fund at a different rate than you. We or our designee will administer

the Fund. The Fund is not our asset and do not owe any fiduciary obligation to you for administering the Fund or any other reason.

We or our designee have the right to use the Fund to develop and conduct marketing strategy, programming and tools for the System that involve the following: market research, marketing programs, advertising, public relations, marketing-related customer service training programs, customer loyalty programs, merchandising programs, gift card programs and mobile loyalty and payment platforms including development costs and service fees, as well as hire professional outside resources to conduct other related promotional activities in a form and media we determine in our judgment to be appropriate. We reserve the right to reimburse ourselves or our designee for such reasonable administrative costs and overhead we or our designee incur for activities reasonably related to the administration and direction of the Fund, including the proportionate compensation of our or our designee's employees or agents, who devote time and provide service in the conduct, formulation, development and production of these advertising and promotion programs or the administration of the Fund.

We are not obligated to spend any amount on advertising in the area or territory where your Shop is located. We also have no fiduciary obligations regarding the Fund. If Fund contributions are not spent in any fiscal year, the excess amount of Fund contribution will be carried over for future use. We have no obligation to audit the financial statements of the Fund. Upon your written request, we will provide you with an unaudited financial report showing receipts and disbursements of the Fund for its most recently expired fiscal year. The Fund contributions will not be used for advertising principally directed at the sale of franchises.

During our 2025 fiscal year, the Fund contributions were spent as follows: 52% on agency and teams; 25% on production and media; 17% on tools and systems, and 6% on other miscellaneous expenses.

If we terminate the Fund, we may either spend all unspent monies in accordance with our then-current marketing policies until such amounts are exhausted or distribute the funds then-in the Fund to the contributing Shop owners in a manner we deem fair and equitable.

Except for administering the Fund, we have no obligation to conduct any marketing for the System.

Local Marketing Expenditure

In addition to the Fund contributions described above, you must spend 1% of your Shop's monthly Gross Sales on local marketing activities which are approved by us. Subject to the Marketing Expenditure Cap, we may increase your required local marketing expenditures upon 30 days' notice. Your local marketing expenditures may include contributions to marketing cooperatives as described below. If you do not spend the minimum amount required for local marketing, you must pay us the amount of the difference between what you spent on approved local marketing during the year and what you were required to spend for deposit into the Fund. We may require you to pay us the amount you would spend on local marketing expenditures so we can conduct marketing activities on your behalf.

Your advertising, promotion, and marketing must be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe from time to time. At least 30 days before you use them (or, with our permission, less but adequate time to meet publication deadlines), you must send to us for approval samples of all advertising, promotional, and marketing materials that we have not prepared or previously approved. If you do not receive written disapproval within 10 business days after we receive the materials, they are deemed to be disapproved. Once we approve the materials, you are permitted to use them. However, we may, in our discretion, withdraw our approval if a regulatory or other issue arises that, in our opinion, makes

such withdrawal in our or the franchise system's best interest. You may not use any advertising, promotional, or marketing materials that we have not approved or that we have disapproved. Currently, we prepare all the promotional materials to be used at the Shops, and you must use only the sales promotion program or other marketing materials that we furnish or make available to you or as we otherwise approve.

You may not engage in any promotional or similar activities, directly or indirectly, through or on the Internet or any other similar proprietary or common carrier electronic delivery system unless approved by us.

Grand Opening

You must pay to us the grand opening expenses of \$10,000 when you sign the lease for your Shop. We will use this amount for the initial marketing and advertising of your Shop in connection with its grand opening. Amounts spent on the grand opening campaign will not count toward the Marketing Expenditure Cap.

Local Marketing Cooperatives

As of the issuance date of this Disclosure Document, you are not required to participate in any local marketing cooperative. However, we may form local marketing cooperatives in which you may be required to participate, and determine the required rate of contribution to the local marketing cooperative, which will be subject to the Marketing Expenditure Cap. We may change, dissolve or merge any cooperative and designate the bylaws and rules that govern the operation of the group, and require local marketing cooperatives to use and pay for administrative, media planning and other services that we or our designated third-party vendor may provide. Each Shop, including Shops that we or our affiliates own and operate, will have one vote on all matters requiring a vote. If you are operating a Shop in an area where there is a local marketing cooperative, you must contribute to the cooperative marketing programs at the determined rate (subject to the Marketing Expenditure Cap), which may differ from the contributions made the members of other local marketing cooperatives. The local marketing cooperative must provide to all cooperative member a copy of the bylaws and rules upon request and prepare an annual unaudited statement of receipts and disbursements for cooperative members to review.

Franchisee Council

As of the issuance date of this Disclosure Document, we have established a Franchise Advisory Committee ("FAC") which consists of 11 Shops owned by 6 franchisees. The Shop franchisees nominate themselves to be members of the FAC or are nominated by another franchisee for election to the FAC. The FAC advises us on system strategies, which may include marketing strategies and programs. We reserve the right to change or dissolve the FAC at any time.

Online Presence

We may periodically establish websites, email addresses, social media accounts, usernames, or other online presences on any electronic, virtual, or digital medium for the Shops (collectively, the "Online Presence"). You may not use the Trademarks in connection with any marketing, advertising, or promotion of your Shop on any Online Presence without our prior written consent. If we approve your use, you must follow our then-current policies regarding the registration, use, content, and management of any Online Presence. We may change, limit, or discontinue any Online Presence at any time. We may also require you to use an email address associated with our domain name in connection with operating your Shop. If we do, you must use that email account in accordance with our then-current terms, conditions, and System

Standards. You acknowledge that we will have administrative control over these accounts, and we may suspend, restrict, or deactivate access to them at any time.

Computer System.

You must lease, install, and maintain at your Shop an integrated computer-based order-entry system and point-of-sale system and software designated by us (the “Computer System”) approved by us periodically ensure compliance with our System Standards. You must also maintain high-speed wireless Internet access for your customers at all times. The Computer System currently consists of back-office computer, point-of-sale system, cash drawers, kitchen display units, printers, back-office hardware, all required software, firewall, EMV readers, related cabling, and certain IT services. The cost of purchasing or leasing the Computer System is in the range of \$3,000 and \$7,000.

We or our affiliates will have no limitations on our ability to independently access certain data that we designate periodically on your Computer System. We or our affiliate have no obligation to provide ongoing maintenance, repairs, upgrades or updates to your Computer System. However, you must, at your cost, update and upgrade the Computer System to comply with the System Standards. There are no contractual limitations on our right to modify the System Standards for the Computer System. We estimate that your annual cost of optional or required maintenance, updating, upgrading, or support contracts related to the Computer System will be in the range of \$3,600 to \$6,480.

Development Time

We do not impose a specific deadline for our review and approval of your proposed site but we approve or deny all site approval requests within a reasonable time after we receive all required information. We may terminate the Franchise Agreement if you have abandoned your rights under it, including your failure to get our approval of your proposed site in a timely manner such that you are able to commence the operations of your Shop within the earlier of 120 days following execution of the lease for the Shop’s premises or 12 months of signing the Franchise Agreement.

The typical length of time between signing the Franchise Agreement or paying consideration for the franchise and the opening of your business will vary between 9 to 12 months depending on factors such as obtaining possession of a satisfactory site, financing arrangements, purchase and installation of equipment, fixtures and signs, and the arrival of the opening inventory of products. This length of time is also affected by the efforts you put into opening your Shop for business.

Training

You (or your Managing Owner) and your Designated Manager (if any) (collectively “Required Trainees”) must attend and complete to our satisfaction our initial training program before you open your Shop for business. We recommend that your Required Trainees complete the initial training at least 30 days before the proposed opening date of your Shop. The initial training program involves approximately 10 to 15 days of operational training at our corporate support center (currently located in Plano, Texas) or at a location determined by us. We may lengthen, shorten, or restructure the contents of this program. We offer the training program on an as-needed basis throughout the year.

We do not charge any fees for providing training to your Required Trainees at the time of the execution of the Franchise Agreement. However, we may charge \$500 per day per trainer (plus reimbursement of out-of-pocket expenses including travel, lodging, meals, etc.) for providing initial training to your replacement Required Trainees or for providing additional training to your Required Trainees.

You are, and will remain, the sole employer of your employees during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees receive adequate training.

ITEM 12 **TERRITORY**

Franchise Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, as long as you are in compliance with your obligations under the Franchise Agreement, neither we nor our affiliates will operate or grant to third parties the right to operate a Shop in your Territory as described below.

You must operate your Shop at an authorized location only. You will receive a designated territory (“your Territory”), the size of which will vary depending on the location of your Shop, population, market demographics, growth trends, and other economic factors and trade dynamics.

- (v) engage in all other activities not expressly prohibited by the Franchise Agreement.

We may require you to participate in online ordering and provide catering and delivery services through us or our designated supplier, or sell certain designated coffee and coffee bean products at wholesale, to certain types of customers. Any wholesale sales may be made only to approved retail accounts and not, under any circumstances, to resellers, distributors or any other parties that do not make sales to end-use consumers. We reserve the right to limit the area in which you may conduct catering and wholesaling activities (which area may be less than your Territory) and, except as otherwise permitted by us, in writing, no catering or wholesale sales shall be made within the designated Territory of another Shop. You must comply with any restrictions we impose on wholesale and catering activities. There is no mechanism for resolving any conflicts that may arise between franchised or company-owned Shops that operate under the Trademarks (including your Shop) or any restaurant that operates under the MOOYAH® or the RUSTY TACO® trademarks. While we do not anticipate conflicts arising between franchisees of different brands owned by us and our affiliates, we and our affiliates will analyze any future conflict and take action (if any) that we deem appropriate. Any resolution of conflicts regarding location, customers, support, or services will be entirely within your and our business judgment.

ITEM 13 **TRADEMARKS**

The Franchise Agreement grants you the right to use the Trademarks. We also claim common law trademark rights for all of the trademarks. Currently, GCP DBC owns the Trademarks. Under the License Agreement dated June 30, 2022, (the “License Agreement”), GCP DBC has licensed to us the right to use, and further sublicense the right to use, the Trademarks in connection with the franchising, development, and operation of Shop. The License Agreement has an indefinite term; however, the License Agreement will terminate (i) automatically in the event of our bankruptcy, insolvency, or dissolution, or (ii) if we do not cure any material breach of our obligation within 60 days from our receipt of a notice of default. The termination of the License Agreement will result in the loss of our right to use and to sublicense the use of the Trademarks; however, your rights to use the Trademarks during the current term of your Franchise Agreement will not be affected by the termination or expiration of our license.

Upon termination of your Franchise Agreement, you must return to us all proprietary information, including the Operations Manual and all other material copyrighted by us. You must notify us immediately if you learn about an unauthorized use of proprietary information. We are not obligated to take action and will be the sole judge as to the appropriate response to any information regarding the unauthorized use of proprietary information.

You must maintain the absolute confidentiality of the confidential information during and after the expiration or termination of the Franchise Agreement. You and your owners can divulge this confidential information only to individuals or entities specifically authorized by us in advance, or to your employees or contractors who must have access to it to operate the Shop, however, such individuals or entities must be under a duty of confidentiality no less restrictive than your obligations to us under the Franchise Agreement. ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

If you are not a natural person, each of your owners that has direct or indirect ownership of at least 10% of the ownership interests in you (each a “Principal Owner”), must sign a guaranty of your obligations under the Franchise Agreement (the form is attached as an exhibit to the Franchise Agreement). Each person signing a guaranty assumes and agrees to discharge all of your obligations under the Franchise Agreement. If any Principal Owner is an individual, his or her spouse must consent in writing to that owner’s execution of the guaranty. Each Principal Owner signing the guaranty agrees to be bound by the provisions of the Franchise Agreement applicable to such person.

You, or if you are not a natural person, one of your Principal Owners that you designate and we approve, will be your “Managing Owner.” If your Managing Owner is not involved in the supervision of the day-to-day operations of your Shop, you must also designate a person, who may, but need not, be your Managing Owner or one of your other owners, to serve as your “Designated Manager,” who must devote his or her full time to the operation of your Shop. Your Designated Manager must be acceptable to us and must complete our initial training, but such individual does not need to have any equity interest in your Shop. Your Shop must, at all times, be under the supervision and management of your Managing Owner or your Designated Manager. If the Designated Manager has not signed a guaranty, he or she must sign our then-current form of confidentiality agreement. You must also have a minimum of 2 trained coffee roasters on staff at all times.

The employees you hire or employ at your Shop will be your employees and your employees alone. They are not, for any purpose, to be deemed to be our employees, or subject to our direct or indirect control, most particularly with respect to any mandated or other insurance coverage, taxes or contributions, or requirements regarding withholdings, levied or fixed by any governmental authority. We will not have the power to hire or fire your employees. Our authority under the Franchise Agreement to train and approve your supervisory or managerial personnel for qualification to perform certain functions at your Shop does not directly or indirectly vest us with the power to hire, fire or control any of your personnel. You and you alone will be solely responsible for all hiring and employment decisions and functions relating to your Shop, including those related to hiring, firing, training, establishing remuneration, compliance with wage and hour requirements, personnel policies, benefits, recordkeeping, supervision and discipline of employees, regardless of whether you have received advice from us on these subjects or not. Any guidance we may give you regarding employment policies should be considered merely examples. You will be responsible for establishing and implementing your own employment policies, and you should do so in consultation with local legal counsel experienced in employment law.

Development Agreement.

If you are a legal entity, each of your Principal Owners must sign a guaranty of your obligations under the Development Agreement (the form is attached as an exhibit to the Development Agreement). Each person signing a guaranty assumes and agrees to discharge all of your obligations as a developer under the Development Agreement. If any Principal Owner is an individual, his or her spouse must consent in

writing to that owner's execution of the guaranty. Each Principal Owner signing the guaranty agrees to be bound by the provisions of the Development Agreement applicable to such person.

There are no limits on our right to make modifications to the approved products and services periodically as described in the Operations Manual, or otherwise in writing. Any failure to do so or to meet product quality standards may result in the termination of your Franchise Agreement.

We require you to participate in any online ordering, third-party delivery, and/or catering programs we require and specify in writing. We may set certain minimum standards for opening hours of your Shop, and we may also fix or provide guidance on maximum and minimum prices you may charge and advertise in connection with the operation of your Shop. ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote the franchise. No public figure is involved in the actual management or control of us.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of the end of calendar year 2025, 39 franchised Shops were in operation, excluding the 3 licensed Dunn Brothers Coffee locations operating on a college campus, in a stadium, and in a convention center. For the purpose of this Item 19, we have excluded 13 Shops for the following reasons: (i) 1 Shop because it commenced initial operations during 2025, and therefore, it was not operational throughout calendar year 2025; and (ii) 12 Shops because they do not feature a drive-thru, and therefore, operate differently than a typical Shop for which we offer franchises under this Disclosure Document. The chart

below reflects the 2025 Gross Sales and certain related information for the remaining 26 franchised Shops that have a drive-thru and operated throughout the 2025 calendar year (the “Data Set”).

	Number of Shops	Average Gross Sales	Number/Percentage That Met or Exceeded the Average	Median Gross Sales	Highest Gross Sales	Lowest Gross Sales
1st Quartile	7	\$818,285	3 / 43%	\$727,146	\$1,104,217	\$672,524
2nd Quartile	6	\$607,837	2 / 33%	\$599,353	\$654,450	\$567,083
3rd Quartile	6	\$511,618	3 / 50%	\$518,868	\$554,017	\$449,081
4th Quartile	7	\$346,387	4 / 57%	\$357,710	\$423,732	\$229,928
All Qualifying Shops	26	\$571,901	12 / 46%	\$560,550	\$1,104,217	\$229,928

Notes:

1. “Gross Sales” means the aggregate regular advertised price of all products and services sold at, from, or in connection with the operation of the Shops in the data set, whether or not authorized by us (including any delivery, catering and/or any other off-site services), regardless of the manner in which the price was paid by the purchaser of such products or services (including payments by cash, check, credit or debit card, barter exchange, trade credit, or other credit transactions) and any other revenue derived from or attributed to the operation of the Shops, but excluding (1) all federal, state, or municipal sales, use, or service taxes collected from customers and paid to the appropriate taxing authority, (2) the amount of any documented refunds and credits given in good faith gives to the customers, and (3) the amount of any discounts from the advertised price that are given at the point of purchase and that are reasonable and, if applicable, are consistent with any discount policies that we may announce from time to time as part of the System Standards. Revenue from the purchase or redemption of gift certificates, gift cards, loyalty or similar programs is calculated as part of Gross Sales in accordance with our then-current guidelines for such programs. This is the definition used in the Franchise Agreement on which you will calculate royalties and certain other fees.
2. “Average Gross Sales” is the mathematical average of the Gross Sales of all Shops in the Data Set. Median Gross Sales is the middle data point.
3. All data presented above is based (i) on numbers rounded up to the nearest whole, and (ii) information that we derived from the franchisees’ point-of-sale system or information that the franchisees provided to us.

Some Shops have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.

Written substantiation of this information is available to you upon reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by

contacting Denise Fenton, Dunn Bros Franchising, LLC, 5412 W. Plano Pkwy., Suite 100, Plano, Texas 75093, (972) 467-8095, the Federal Trade Commission, and the appropriate state regulatory agencies.

GRANT OF FRANCHISE

2. Franchisor hereby grants to Franchisee, subject to the terms and conditions of this Agreement, the right and license to establish and operate a Shop located at, and only at, the Authorized Location during the Term. Franchisee hereby accepts said license and undertakes the obligation to operate the Shop only at the Authorized Location, using and in compliance with the System Standards as they exist from time to time. Franchisee shall not open or commence operations of the Shop until Franchisor has approved the date of opening. Franchisee must open its Shop within the earlier of 120 days following execution of the lease for the Shop’s premises or twelve (12) months following the Effective Date, and it must thereafter continuously operate the Shop for the remainder of the Term. Franchisor shall not be liable for damages arising out of Franchisee’s failure or inability to open the Shop by a particular date. Franchisee shall maintain and operate the Shop at the Authorized Location under Franchisee’s active and continuous supervision and upon the standards and requirements hereinafter provided. The grant given herein is limited to the right to operate one Shop only at the Authorized Location. Franchisee may offer and sell only such Products and services approved by Franchisor from time to time. Franchisee has no rights to sublicense pursuant to this Agreement.

Subject to Franchisor’s prior written approval and its then current guidelines, Franchisee may supplement its retail sales from the Shop by (i) catering beverages and food, so long as the beverages and food catered are prepared at the Authorized Location; and (ii) selling certain Franchisor-designated coffee and coffee bean Products, at wholesale, to certain types of customers. On sixty (60) days’ written notice from Franchisor, Franchisee must offer off-site catering consistent with Franchisor’s then-current written guidelines. Further, any wholesale sales may be made only to approved retail accounts and not, under any circumstances, to resellers, distributors or any other parties that do not make sales to end-use consumers. Franchisor reserves the right to limit the area in which Franchisee may conduct catering and wholesaling activities (which area may be less than the Territory) and, except as otherwise permitted by Franchisor, in

writing, no catering or wholesale sales shall be made within the designated Territory of another Shop. All catering and wholesale sales must appropriately be entered into the point-of-sale system.

LOCATION

3. Franchisee is entirely responsible, at its expense, for doing everything necessary to develop and open its Shop in accordance with this Agreement, including, subject to Franchisor's prior written approval, locating, selecting, and securing possession of the Authorized Location. If Franchisee has obtained Franchisor's approval of a location for the Shop prior to execution of this Agreement, that Authorized Location is stated on Appendix A. If Franchisee has not obtained Franchisor's approval of a location prior to the execution of this Agreement, then the following shall apply:

A. Submission of Location. Franchisee may not proceed with a location until it has been approved by Franchisor. Within six (6) months following the Effective Date, Franchisee shall (1) find a location within the Designated Area described on Appendix A, (2) submit it, along with any information regarding the location that Franchisor reasonably requests, to Franchisor for its review and approval, and (3) secure Franchisor's approval of the proposed location as the Authorized Location. In deciding whether to approve Franchisee's proposed location, Franchisor reserves the right, in its sole discretion, to assess and weigh any criteria and characteristics that it determines are relevant to its consideration.

B. Lease. Before signing a lease for the Shop premises, Franchisee must provide a copy of the proposed lease to Franchisor for its prior written approval. To secure Franchisor's acceptance of the proposed lease, Franchisee must submit to Franchisor all information and materials regarding the proposed lease that Franchisor specifies. Franchisor reserves the right to reject the proposed lease if the Shop lease does not contain provisions Franchisor determines are important to protect the System and Trademarks and to ensure the continuity of the Shop at the Authorized Location in the event of a default by Franchisee of the Lease or this Agreement. Those provisions may include, for example, that: (1) so long as this Agreement remains in effect, the premises will be used only for a Shop; (2) Franchisor will be granted the right (but not the duty) to take possession of the Shop premises and assume the lease in the event of a termination of this Agreement or a threatened termination of the lease as a result of a breach by Franchisee; (3) the landlord will provide Franchisor written notice of any default or right to cure by Franchisee; and (4) upon vacating the Shop premises or termination of this Agreement or the lease for the Shop premises, Franchisee must remove all signs and materials bearing the Trademarks; and (5) a comprehensive use clause for all current and future Products. Franchisee must provide Franchisor with a copy of the executed lease upon its full execution.

C. NO WARRANTY. FRANCHISOR'S APPROVALS OF THE AUTHORIZED LOCATION AND LEASE ARE ENTIRELY FOR ITS OWN PURPOSES AND MAY NOT BE RELIED UPON BY FRANCHISEE FOR ANY PURPOSE. FRANCHISOR'S APPROVALS DO NOT GUARANTY OR WARRANT THE FINANCIAL SUCCESS OF THE SHOP AT THE AUTHORIZED LOCATION. FRANCHISEE ASSUMES ALL RISKS ASSOCIATED WITH THE PROFITABILITY OF THE SHOP.

TERRITORY

4. When Franchisor approves the Authorized Location, it will define a Territory around the Authorized Location. If Franchisee does not accept Franchisor's description of the Territory within 10 days following Franchisor's notice of its description, Franchisee's sole recourse will be to locate and secure Franchisor's approval of an alternative location in accordance with Section 3 above, without extension of the timelines described in that Section. Once the Territory has been accepted by Franchisee, Franchisor will revise Appendix A to reflect the Territory description. As long as Franchisee is in compliance with its obligations under this Agreement, neither Franchisor nor its affiliates will operate or grant to third parties the right to operate a Shop in the Territory; subject however to the rights reserved in Section 4.A and Section 4.B.

A. Restrictions. Franchisee understands and agrees that: (1) the size and location of the Territory will be determined solely by Franchisor; (2) Franchisee's Territory may be different than the territory of other franchisees both in size and configuration; (3) the Territory does not include Captive Market Locations within the geographic boundaries of the Territory; and (4) the license granted in this Agreement does not include (i) any right to sell products and menu items identified by the Trademarks at any location other than the Authorized Location or, unless approved by Franchisor under Section 2, through any other channels or methods of distribution, including the Internet (or any other existing or future form of electronic commerce), direct mail or any other type of mass marketing, or (ii) any right to exclude, control or impose conditions on the location or development of future Shops at any time. Franchisee further understands and agrees that other Shops, food aggregators, and/or third-party delivery service providers may deliver to customers located in the Territory and that other Shops may market and solicit customers in the Territory.

B. Reservation of Rights. Notwithstanding anything to the contrary, Franchisor and its affiliates reserve the right to do any of the following, without notice or compensation to Franchisee:

(1) operate and allow others to operate Shops using the Trademarks and the System Standards (i) at any location outside the Territory and (ii) at Captive Market Locations within the Territory, in each case, on terms and conditions that Franchisor determines;

(2) operate and allow others to operate, anywhere in the world (including in the Territory), any other type of business, including any coffee shop, that may offer products and services which are identical to, similar to, or competitive with Products and services offered by Franchisee's Shop, under trade names, trademarks, service marks and commercial symbols other than the Trademarks;

(3) offer and sell, and allow others to offer and sell, through distribution channels other than a Shop (including, the Internet, supermarkets, convenience stores, grocery stores and wholesale), any products or services (including Products and services offered at Franchisee's Shop), anywhere in the world and using the Trademarks or any other trademarks, service marks or other indicia, regardless of the nature or location of the customers with whom such other businesses and distribution channels do business;

(4) acquire, be acquired by, merge or affiliate with, or engage in any transaction with other businesses (whether or not competitive) located anywhere and allow such other businesses to either (i) convert to a Shop or otherwise use the Trademarks or any part of the System at their existing locations, or (ii) continue to operate as they see fit; and

(5) engage in all other activities not expressly prohibited by this Agreement.

TRADEMARK STANDARDS AND REQUIREMENTS

5. Franchisee acknowledges and agrees that its right to use the Trademarks and the System is derived solely from and is limited by this Agreement.

A. Trademark Ownership. The Trademarks and all rights, title and interest (including all past, present or future goodwill) in and to them are the valuable property of Franchisor or its affiliates. Franchisee's use of the Trademarks shall benefit Franchisor and its affiliates. Franchisee and its affiliates (and the Owners, representatives, successors and assigns of each) will not, at any time and anywhere in the world: (1) engage in any conduct, directly or indirectly, which would infringe upon, harm or contest the rights of Franchisor or its affiliates to or in any of the Trademarks or the goodwill associated with the Trademarks; (2) represent that it has acquired any ownership or equitable rights in any of the Trademarks or components of the System by virtue of the limited license granted hereunder or otherwise; (3) apply for or obtain any trademark or service mark registration for any of the Trademarks or any trademarks or service marks confusingly similar thereto; (4) do or permit any act or thing to be done in derogation of any of the rights of Franchisor or its affiliates in connection with the Trademarks; (5) use any Trademark in the advertising of any Transfer that would require Franchisor's approval under Section 17; or (6) in any way dispute the validity of the Trademarks or the rights of Franchisor or its affiliates thereto.

B. Trademark and System Use. Franchisee shall not use, or permit the use of, any trademarks, trade names or service marks in connection with its Shop, except the Trademarks or except as otherwise directed in writing by Franchisor. Franchisee shall: (1) use the Trademarks and the System Standards only in connection with the operation of its Shop in accordance with this Agreement and only in the form and manner prescribed by Franchisor, in writing, from time to time; (2) comply with all trademark, trade name and service mark usage requirements and guidelines, whether required by Franchisor or Applicable Laws; (3) not use any additional words with the Trademarks without Franchisor's prior written consent; (4) not use any Trademark or anything similar thereto as part of the name of its legal entity or to identify its Shop without Franchisor's prior written approval; (5) conspicuously post a sign at the Shop identifying itself as an independent Shop entity and a licensed franchisee of Franchisor; (6) comply with all legal requirements to register a trade name or assumed name, but do so only with a geographic identifier approved by Franchisor, and cease using such name upon termination or expiration of this Agreement and discontinue such filing at such time; and (7) clearly indicate on its Shop checks, stationery, purchase orders, receipts, and other written materials that Franchisee is the Owner of its Shop.

C. No Goodwill. Franchisee understands and agrees that, following the expiration or termination of this Agreement, no monetary amount shall be deemed attributable goodwill associated with Franchisee's use of the Trademarks or in connection with Franchisee's operation of its Shop.

D. Litigation. In the event any person or entity improperly uses, infringes or imitates the Trademarks or makes a claim related to Franchisor's or Franchisee's use of the Trademarks, Franchisor and its affiliates shall have the sole right to determine whether suit shall be instituted, prosecuted, defended or settled, to approve the terms of any settlement, to determine whether any other action (legal or otherwise) shall be taken. Franchisee shall promptly notify Franchisor of any such use or infringement of which Franchisee is aware. Franchisee shall promptly inform Franchisor of any claim arising out of Franchisee's use of any Trademark and shall cooperate with any action undertaken by Franchisor in respect thereof. Franchisor agrees to reimburse Franchisee for all damages and expenses that Franchisee may incur in any trademark infringement proceeding disputing Franchisee's authorized use of any Trademark under this Agreement if Franchisee has timely notified Franchisor of, and comply with our directions in responding to, the proceeding.

E. Discontinuance and Substitutions. If it becomes advisable, in Franchisor's sole opinion, to modify or discontinue using any Trademark or component of the System or to use one or more additional or substitute trademarks or service marks or components of the System, Franchisee shall comply with Franchisor's directions within a reasonable time after receiving notice. Franchisor need not reimburse Franchisee for its expenses of complying with Franchisor's directions in that regard or for any loss of revenue due to any modified or discontinued Trademark or component of the System. Franchisor may exercise these rights at any time and for any reason, Shop or otherwise, that it determines is best for the System, and Franchisee waives any claims, demands or damages arising therefrom.

F. Non-disparagement. During and after the Term, Franchisee agrees not to (and to use its best efforts to cause its current and former Owners, officers, directors, agents, employees, representatives, attorneys, spouses, affiliates, successors and assigns not to) disparage or otherwise speak or write negatively, directly or indirectly, of Franchisor, its affiliates, any of Franchisor's or affiliates directors, officers, employees, representatives, current and former franchisees or developers, the DUNN BROTHERS COFFEE® brand, the System, any Shop, any business using the Trademarks, any other brand or concept of Franchisor or its affiliates, or which would subject the DUNN BROTHERS COFFEE® brand or such other brands to ridicule, scandal, reproach, scorn, or indignity, or which would negatively impact the goodwill of the Trademarks or the System.

FRANCHISEE'S RIGHT TO ACQUIRE SUCCESSOR FRANCHISE

6. If, for any reason, this Agreement is deemed under Applicable Law to have continued beyond the Term, such continuance will be considered a renewal, on a month-to-month basis, until Franchisor has given to Franchisee notice of expiration as required by Applicable Laws. Otherwise, this Agreement is not subject to renewal or extension, but Franchisee may acquire two (2) consecutive successor franchises, for a term of five (5) years each, on the following terms and conditions:

A. Franchisee must have given Franchisor written notice of its election to acquire a successor franchise at least six (6) months but not more than one (1) year prior to the end of Term;

B. Franchisee must have substantially complied with this Agreement throughout the Term; Franchisee must not have received from Franchisor more than five (5) default notices regarding Franchisee's obligations under this Agreement during the Term or more than two (2) such notices in a single twelve (12)-month period; and, both at the time of delivery of the notice described above and the acquisition of the successor franchise, as described herein, Franchisee, its affiliates, and their Owners must be in compliance with this Agreement and any other agreement with Franchisor;

C. Franchisee and its equity Owners must meet all of Franchisor's then current managerial, financial and Shop standards and requirements for new and renewing Shop franchisees;

D. Franchisee must provide written proof of its ability to remain in possession of the Authorized Location throughout the term of the applicable successor franchise;

E. Franchisee, its Owners and required personnel must have satisfied any additional training requirements;

F. Franchisee must pay Franchisor a successor franchise fee equal to Ten Thousand Dollars (\$10,000); provided, however, that, if Franchisee and its Owners do not sign all applicable documents (including Franchisor's then-current form of franchise agreement), as described below, and pay the successor franchise fee before expiration of this Agreement, the successor franchise fee will increase by Five Thousand Dollars (\$5,000);

G. Franchisee must, at its cost, complete all modernization and reimaging of the Shop premises that Franchisor requires within ninety (90) days following the execution of the successor franchise agreement (as described below). Franchisee must pay Franchisor as an estimated cost of modernization and reimaging of the Shop (the "Upgrading Deposit"), which Franchisor may hold in a noninterest bearing bank account comingled along with its other funds. Upon Franchisor's receipt of the Upgrading Deposit, it will disburse payments directly to Franchisee's vendor to cover the cost of the modernization and reimaging of the Shop up to a maximum of the amount of Upgrading Deposit. Franchisee acknowledges and agrees that its actual cost to complete the modernization and reimaging of the Shop could exceed the amount of Upgrading Deposit, and in such event, it will spend such excess amount out of its pocket. Franchisor will, within 30 days of the completion of the modernization and reimaging of the Shop to its satisfaction, refund to Franchisee any unspent portion of the Upgrading Deposit. However, if Franchisee fails to complete the modernization and reimaging of the Shop within the time frame mentioned above, Franchisor will be entitled to retain any unspent portion of the Upgrading Deposit and will no longer be required to disburse any portion of the Upgrading Deposit to Franchisee's vendors;

H. Franchisee must, prior to expiration of the Term, execute Franchisor's then-current form of franchise agreement and related agreements, which may contain terms and conditions materially different than those set forth herein, including the description of the Territory; and

I. Franchisee, its affiliates, and their Owners and other related parties must execute and deliver to Franchisor a general release of claims against Franchisor and its related parties in a form Franchisor prescribes.

Franchisee's failure to comply with any of the foregoing terms and conditions will be deemed Franchisee's election not to acquire a successor franchise.

FACILITY STANDARDS AND MAINTENANCE

7. Franchisee acknowledges and agrees that Franchisor may mandate, from time to time, quality standards regarding the development and operations of the Shops so as to protect the distinction, goodwill and uniformity symbolized by the Trademarks and the System. Accordingly, Franchisee agrees to maintain and comply with Franchisor's quality standards and System Standards, as they may be revised by Franchisor from time to time.

A. Shop Facility. Franchisee shall, at its expense, construct and equip its Shop, and thereafter continuously maintain it throughout the Term, in accordance with Franchisor's then current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, accessory features and design and layout of the Shop. Franchisee shall not commence construction of its Shop, until Franchisee has received Franchisor's written consent to Franchisee's building and design plans. Franchisee shall comply with all Applicable Laws, including obtaining all necessary permits, licenses and/or architectural seals and other requirements applicable to the Shop site, build-out, signs, equipment, and operation of the Shop. Franchisee shall not use the Shop premises or Authorized Location for any purpose other than the operation of the Shop during the Term.

B. Signs. All signs used in connection with the Shop, both exterior and interior, must conform to any requirements imposed by Franchisor and must be purchased only from approved vendors. All exterior signs shall be affixed in such a way that the principal Trademark designated by Franchisor is prominently visible and in compliance with Franchisor's then current signage criteria.

C. Future Alteration. Any replacement, reconstruction, addition or modification in the Shop's interior or exterior decor or image, equipment or signage to be made after Franchisor's consent is granted for initial plans, at the request and expense of Franchisee, shall be made in accordance with specifications which have received the prior consent of Franchisor, which consent shall not be unreasonably withheld.

D. Repair and Maintenance. Franchisee must, at its expense, maintain the premises, equipment and signage used in the operation of its Shop in accordance with Franchisor's requirements or upon Franchisor's request, including replacing worn out or obsolete fixtures, equipment, furniture, or signs, repair of the interior and exterior of the Shop, and periodic cleaning, painting, and decorating. If Franchisee fails to maintain the Shop, Franchisor has the right, but not the obligation, to enter the Shop and its premises and, at Franchisee's expense, make the necessary repairs, maintenance or replacements.

E. Re-imaging and Modernization. In addition to the requirements described in Sections 7.C., 7.D., and 8.C. of this Agreement, Franchisee, at its expense, must update, re-image and modernize the condition and appearance of its Shop, and refurbish and modify the Shop's layout, décor and general theme (including replacements, reconstructions, additions or modifications to the site interior or exterior décor or image, equipment or signage), as Franchisor may require to maintain the condition, appearance, efficient operation, ambience and overall image of the System (as Franchisor may modify periodically); provided however that, except on renewal or extension of this Agreement or a "transfer" of the Shop or this Agreement in accordance Section 17 below, Franchisor will not require Franchisee to substantially re-image or modernize the Shop more frequently than every five (5) years. Franchisee acknowledges and agrees that the requirements of this Section are both reasonable and necessary to ensure continued public acceptance and patronage of Shops and to avoid deterioration or obsolescence in connection with the operation of Franchisee's Shop.

F. Relocation. Franchisee may not relocate its Shop without Franchisor's prior written consent. Should Franchisor, in its discretion, grant Franchisee's request to relocate, it may condition its consent in any manner it determines is appropriate.

G. Destruction of Shop. If Franchisee's Shop is destroyed or damaged and Franchisee repairs the Shop at the Authorized Location (rather than relocate the Shop), Franchisee shall repair and reopen the destroyed or damaged Shop at the Authorized Location consistent with Franchisor's

then-current standards within one hundred eighty (180) days of the date of occurrence of such destruction or damage.

PRODUCTS AND OPERATIONS STANDARDS AND REQUIREMENTS

8. The following provisions shall control with respect to Products, services, and operation of the Shop:

A. Authorized Product Line. Franchisee must prepare, offer and sell in its Shop only those Products that are, from time to time, required, recommended or approved by Franchisor. Franchisee shall offer for sale from the Shop all Products listed on the Menu. Franchisee also must participate in any loyalty program and digital initiatives, including, online and mobile ordering, third-party delivery, and/or catering programs that Franchisor requires pursuant to the specifications described in the Operations Manual. Franchisee shall use only the accounts and API integrations authorized by Franchisor. Franchisor reserves the right to negotiate master commission rates with these providers, and Franchisee shall be bound by those terms. Franchisor may require Franchisee to direct all digital orders through a centralized 'hub' or middleware software at Franchisee's expense. Franchisee agrees to use in-store roasting to produce all coffee and coffee beans offered for sale and on-site baking for most bakery items except as otherwise directed or consented to by Franchisor. Franchisor may make modifications to the Menu from time to time, and Franchisee agrees to comply with any such modifications at Franchisee's expense.

B. Authorized Ingredients, Supplies and Equipment. Franchisee agrees to use in the development and operation of its Shop only such Products, ingredients, recipes, formulas, supplies and equipment which Franchisor has approved as being suitable for use and meeting the standards of quality and uniformity for the System and are purchased from suppliers approved or designated by Franchisor (which may include or be limited to Franchisor and/or its affiliates). Franchisor periodically may modify the lists of approved or designated brands and suppliers. If Franchisee proposes to offer for sale or use in the operation of the Shop any products, ingredients, supplies and equipment which are not then approved by Franchisor, Franchisee must first request and secure Franchisor's written approval in accordance with Franchisor's then current procedures. Franchisee will provide any documents and information requested by Franchisor to aid in its assessment of Franchisee's request, and Franchisor may require Franchisee to pay a reasonable fee (which will not exceed \$500 per request) for testing such alternate products and services proposed by Franchisee, and may require that Franchisee reimburse Franchisor's costs of evaluating any proposed supplier or product. Franchisor may impose limits on the number of suppliers and/or brands for any Products, ingredients, supplies or equipment sold or used in the Shop, and Franchisor may require that Franchisee use only one supplier for any Products, ingredients, supplies or equipment. Franchisee agrees that certain products, materials, and other items and supplies may only be available from one source, and Franchisor or its affiliates may be that source. **ALTHOUGH APPROVED BY FRANCHISOR, FRANCHISOR MAKES NO WARRANTY AND EXPRESSLY DISCLAIMS ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, EQUIPMENT, SUPPLIES, FIXTURES, FURNISHINGS OR OTHER APPROVED ITEMS OBTAINED FROM SUCH APPROVED SUPPLIERS.**

C. System Modifications. Franchisee acknowledges and agrees that Franchisor has the right to modify, add to or rescind any requirement, standard or specification prescribed by Franchisor under this Agreement as Franchisor determines is necessary to adapt the System to changing conditions and competitive circumstances, at Franchisee's expense.

D. Health and Sanitation. If a sanitary or health inspection by any governmental authorities could result in the Shop's being graded or classified, Franchisee shall maintain and operate its Shop so as to be rated in the highest available health and sanitary classification with respect to each such governmental authority. If Franchisee's shop fails to be rated in the highest classification or receives any notice that it is not in compliance with all applicable health and sanitary standards, it shall immediately notify Franchisor of such failure or noncompliance.

E. Evaluations. Franchisor or its authorized representative has the right to enter Franchisee's Shop at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain if the provisions of this Agreement are being observed by Franchisee, to inspect and evaluate Franchisee's Shop, premises and equipment, and to test, sample, inspect and evaluate Franchisee's supplies, ingredients and Products, as well as the storage, preparation and formulation thereof and the conditions of sanitation and cleanliness in the storage, production, handling and serving thereof.

F. Period of Operation. Franchisee shall operate its Shop on all days and during all time periods required by Franchisor from time to time.

G. Operations Manual. Franchisor will provide on loan to Franchisee, for use during the Term, electronic or hard copy access to its Operations Manual. Franchisee shall conduct its Shop in accordance with the required standards, procedures, techniques and specifications described in the Operations Manual. Franchisee acknowledges and agrees that any required specifications, standards and operating procedures exist to protect Franchisor's interests in the System and the Trademarks and to create a uniform customer experience, and not for the purpose of establishing any control or duty to take control over those day-to-day operational matters that are reserved to Franchisee. The Operations Manual shall at all times remain the sole property of Franchisor, and the master copy of the Operations Manual that Franchisor maintains at its principal office or on its website will control if there is a dispute in interpreting the content.

H. Participation in Online Presence. Franchisor may from time to time establish websites, email address, social media accounts, usernames, or other online presence on any electronic, virtual, or digital medium of any kind (collectively, "Online Presence") for the Shops. Franchisee will not use the Trademarks in connection with any marketing, advertisements, or promotion of its Shop on any Online Presence without Franchisor's prior written consent, and upon Franchisor's approval, Franchisee agrees to abide by Franchisor's policies for the registration, use, content, or management of Online Presence from time to time. Franchisor may, in its discretion, alter or terminate any of Online Presence. Franchisee acknowledges that certain information obtained through its participation in Online Presence may be considered Confidential Information, including content, design, access codes and identification codes.

Franchisor may require Franchisee to obtain from Franchisor and use in connection with the operation of the Shop an email address associated with Franchisor's registered domain name. If Franchisor requires Franchisee to obtain and use such an email address, Franchisee must do so according to Franchisor's then-current terms and conditions and System Standards. Franchisee acknowledges and agrees that Franchisor will have administrative rights to all such email account. Franchisor may deactivate any such account or limit Franchisee's or its users' access to it at any time.

I. Computer System. Franchisee will obtain, install, maintain and use in the Shop only the designated Computer System. Franchisee will be required to implement and install at its cost all future updates, supplements, and modifications to the Computer System that Franchisor may

from time to time require. Franchisor has no obligation to reimburse Franchisee for any cost related to purchase, set-up, maintenance, or upgrading to Computer System. Franchisee must not use the Computer System for any purpose other than legitimate business reasons in connection with the development and operation of the Shop. Franchisor must have independent, remote, unlimited access to any data designated by Franchisor that is collected, stored, or processed through the Computer System (the “Data”), including information regarding the Shop, customer information, and service and performance reports. Franchisor owns all Data, and Franchisee hereby assigns to Franchisor its rights in and to the Data. Franchisor may also retrieve, analyze, download, and use such information in the manner it deems fit. Franchisor periodically will establish policies respecting the use of such Data.

J. Internet Access and Protection. Franchisee must, at Franchisee’s expense, have wireless Internet access with a high-speed connection and make available the wireless Internet access to its customers at all times. In addition, Franchisee must, at Franchisee’s expense, install and maintain a hardware based firewall security system that complies with Franchisor’s requirements and specifications. Franchisee will obtain such system only from Franchisor’s designated firewall source of supply. If Franchisee installs an Internet kiosk, Franchisee must use a vendor Franchisor specifies. Franchisee is solely responsible for protecting itself from disruptions, Internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and Franchisee waives any and all claims Franchisee may have against Franchisor as the direct or indirect results of such disruptions, failures or attacks. Franchisee must implement, entirely at its own expense, all administrative, physical and technical safeguards necessary to protect any information that can be used to identify any Personal Information in accordance with Franchisor’s privacy policies, all Applicable Laws, and industry best practices related to the collection, access, processing, use, storage, disposal and disclosure of Personal Information. If Franchisee becomes aware of a suspected or actual breach of security or unauthorized access involving Personal Information, Franchisee must immediately notify Franchisor, specifying the extent to which Personal Information was compromised or disclosed and Franchisee’s plans to correct and prevent any further breach or unauthorized access. Franchisee must allow Franchisor to initiate and/or participate in any response or corrective action and assist Franchisor with meeting its compliance obligations under all Applicable Laws and regulations relating to Personal Information, including the guidance and codes of practice issued by industry or regulatory agencies. Franchisee must promptly notify Franchisor of any communication or request from any customer or other data subject to access, correct, delete, opt-out of, or limit activities relating to any Personal Information. Upon request by Franchisor or directly by the consumer, as required by applicable data sharing and privacy laws, Franchisee must delete the Personal Information of such customers. Regardless of any guidance Franchisor may provide generally and/or any specifications that Franchisor may establish for other Personal Information, Franchisee has the sole and exclusive responsibility for all Restricted Data, including establishing protections and safeguards for such Restricted Data, and Franchisee must comply with all Applicable Laws, regulations, orders, and the guidance and codes issued by industry or regulatory agencies applicable to such Restricted Data.

K. Compliance with Laws and Good Business Practices. In developing and operating its Shop, Franchisee must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Shop and must otherwise comply with all Applicable Laws and all policies, procedures and System Standards mandated by Franchisor from time to time. Franchisee must notify Franchisor in writing within five (5) days of (i) the commencement of any action, suit, proceeding or governmental investigation and/or any audit, investigation, or similar proceeding by any individual or governmental authority that is pending or threatened against Franchisee or its

Owners, (ii) receipt of notice of a claimed infringement of a third party's intellectual property in connection with the development or operation of the Shop, and (iii) the issuance of any order, injunction, award of decree, by any court, agency, or other governmental instrumentality that may adversely affect the operation or financial condition of Franchisee or its Shop. Notwithstanding the foregoing, if an executive order is issued that directly affects the operation of the Shop, Franchisee will not close the Shop unless: (1) it obtains Franchisor's prior written consent; and (2) it is specifically in response to an applicable executive order and not based on recommendations or guidelines issued by a governmental authority or agency or the Centers for Disease Control and Prevention.

L. Customer Service. Franchisee and the Shop must in all dealings with its customers, vendors, Franchisor, and the public adhere to the highest honesty, integrity, fair dealing, and ethical conduct. Franchisee agrees to refrain from any business or advertising practice that might injure the Shop, the System or the goodwill associated with the Trademarks. Franchisee and its employees shall at all times give prompt, courteous and efficient service to customers and must follow Franchisor's then-current customer service standards as described in the Operations Manual. All reasonable complaints by customers shall be honored by replacement without charge or by refund in full of the purchase price, per the guidelines contained in the Operations Manual. Franchisee shall not advertise, offer for sale or sell any unapproved, damaged, moldy or deteriorated products or products which are "out of date" as provided in the Operations Manual or as specified on the products. Any such item shall be immediately withdrawn from sale and removed by Franchisee from the Shop.

M. Confidential Information. Franchisee acknowledges and agrees that it does not acquire any interest in the Confidential Information other than the right to use it in developing and operating the Shop pursuant to this Agreement, and that the use or duplication of the Confidential Information in any other business or for any other purpose constitutes an unfair method of competition. Franchisee acknowledges and agrees that the Confidential Information is proprietary. Franchisee, on behalf of itself and each of its Owners, therefore, agrees that during and after the Term it will, and to cause its and its personnel and assigns to:

(1) process, retain, use, collect, and disclose Franchisor's Confidential Information strictly to the limited extent, and in such a manner, as necessary for the development and operation of the Shop in accordance with this Agreement, and not for any other purpose of any kind;

(2) process, retain, use, collect, and disclose Franchisor's Confidential Information strictly in accordance with the privacy policies and System Standards and Franchisor's or its representative's instructions;

(3) keep confidential and not disclose, sell, distribute, or trade Franchisor's Confidential Information to any person other than Franchisee's employees and representatives who need to know such Confidential Information for the purpose of assisting Franchisee in operating the Shop in accordance with this Agreement; and Franchisee agrees that it will be responsible for any violation of this requirement by any of its representatives or employees;

(4) not make unauthorized copies of any of Franchisor's Confidential Information;

(5) adopt and maintain administrative, physical and technical safeguards to prevent unauthorized use or disclosure of any of Franchisor's Confidential Information, including by establishing reasonable security and access measures, restricting its disclosure

to key personnel, and/or by requiring persons who have access to such Confidential Information to be bound by contractual obligations to protect such Confidential Information and preserve Franchisor's rights and controls in such Confidential Information, in each case that are no less protective of, or beneficial to, Franchisor than the terms of this Agreement; and

(6) at Franchisor's request, destroy or return any of Franchisor's Confidential Information.

The restrictions on Franchisee's disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent Franchisee is legally compelled to disclose this information, if Franchisee uses its best efforts to maintain the confidential treatment of the Confidential Information, and provides Franchisor the opportunity to obtain an appropriate protective order or other assurance satisfactory to Franchisor of confidential treatment for the information required to be so disclosed.

Notwithstanding any other provision of this Agreement, there may be certain, limited circumstances where Applicable Laws allow for the disclosure of certain Confidential Information, as specified in the Operations Manual.

N. Improvements. Franchisee must fully and promptly disclose to Franchisor all Improvements. Franchisee agrees that Franchisor has the perpetual right to use and authorize others to use the Improvements without any obligation to Franchisee for continuing service or other fees.

O. Trade Secrets. Franchisee understands and agrees that it will come into possession of certain of Franchisor's trade secrets concerning the manner in which Franchisor conducts Shop including: methods of doing Shop or Shop processes; strategic Shop plans; customer lists and information; marketing and promotional campaigns; and any other materials clearly marked or labeled as trade secrets. Franchisee agrees that the foregoing information, which may or may not be considered "trade secrets" under prevailing judicial interpretations or statutes, is private, valuable, and constitutes trade secrets belonging to Franchisor. Franchisee agrees that Franchisor derives independent economic value from the foregoing information not being generally known to, and not being readily ascertainable through proper means by another person. Franchisee agrees to take reasonable measures, as Franchisor may describe further in the Operations Manual, to keep such information secret. Upon termination of this Agreement, Franchisee will not use, sell, teach, train, or disseminate in any manner to any other person, firm, corporation, or association any trade secret pertaining to Franchisor's Shop and/or the manner in which it is conducted.

P. Pricing. Unless prohibited by Applicable Laws, Franchisor may periodically set a maximum, or minimum price that Franchisee may charge for products and services offered at or from the Shop. If Franchisor imposes such a maximum or minimum price, Franchisee may charge any price for the product or service up to and including Franchisor's designated maximum price or down to and including Franchisor's designated minimum price. The designated maximum and minimum prices for the same product or service may, at Franchisor's option, be the same. For any product or service for which Franchisor does not impose a maximum or minimum price, Franchisor may require Franchisee to comply with an advertising policy adopted by Franchisor which will prohibit Franchisee from advertising any price for a product or service that is different than Franchisor's suggested retail price. Although Franchisee must comply with any advertising policy that Franchisor may adopt, Franchisee will not be prohibited from selling any product or service at a price above or below the suggested retail price unless Franchisor imposes a maximum price or minimum price for such product or service.

Q. Liquidity & Financing. Franchisor has granted the franchise to Franchisee based, in part, on Franchisee's representations to Franchisor regarding, and Franchisor's assessment of, Franchisee's liquidity as of the Effective Date. Franchisee will ensure that, throughout the Term, it will maintain sufficient liquidity to meet its obligations under this Agreement. Franchisor reserves the right to establish and modify specific liquidity thresholds from time to time, and Franchisee agrees to comply with such minimum liquidity requirements that Franchisor may reasonably impose. If at any time Franchisee proposes to obtain any financing in which the Authorized Location, the Shop or any of the assets used in the operation of the Shop are to be pledged as collateral to secure Franchisee's repayment, Franchisee must secure Franchisor's written approval of the proposed loan and security agreements before signing them. Franchisor's approval may be conditioned upon the inclusion of various terms and conditions that are acceptable to Franchisor. Subject to this Section, Franchisee must apply for and diligently pursue any government-issued, government-sponsored, or governmental-guaranteed grants, non-recourse loans, and/or bailouts for which Franchisee may qualify and that are made available to small businesses for economic stimulus.

PERSONNEL AND TRAINING STANDARDS

9. The following provisions and conditions shall control with respect to personnel, training and supervision:

A. Staffing. Franchisee (or its Managing Owner i.e., an individual Owner designated on Appendix A) or Franchisee's "Designated Manager" must serve as the general manager of the Shop and devote his or her full time thereto. A "Designated Manager" is an individual, who may or may not be an Owner, selected by Franchisee and acceptable to Franchisor who has successfully completed Franchisor's training program. The Designated Manager must sign a confidentiality agreement in the form approved or designated by Franchisor. No employee of Franchisee shall be deemed to be an employee of Franchisor for any purpose whatsoever. Franchisee will be solely responsible to locate, interview, hire, schedule, supervise, compensate, discipline or fire all employees of the Shop and be exclusively responsible for the terms of their employment and compensation and all other personnel decisions respecting Shop employees without any influence or advice from Franchisor. In addition, Franchisee will control and be solely responsible for the day-to-day operations of the Shop. Franchisee will implement a training program for Shop employees in compliance with Franchisor's requirements. Franchisee shall have a minimum of two trained coffee roasters on staff at all times.

B. Training. Before the opening of the Shop, Franchisee (or its Managing Owner) and the Designated Manager ("Required Trainees") shall attend, and successfully complete to Franchisor's satisfaction, Franchisor's training program at place(s) designated by Franchisor. Franchisor will not be required to bear any expenses of Franchisee's representatives attending in any training program. Franchisor reserves the right to vary the training program based on the experience and skill level of the Required Trainees. Unless otherwise permitted by Franchisor, in its discretion, under no circumstances shall Franchisee permit management of the Shop on a regular basis by a person who has not successfully completed Franchisor's training program. Franchisor will not charge any fees for providing initial training to Franchisee's Required Trainees. However, Franchisor may (i) charge training fee \$500 per day per trainer for providing initial training to Franchisee's replacement Required Trainees or for providing additional training to Franchisee's Required Trainees either upon Franchisee's request or in Franchisor's own discretion, and (ii) require Franchisee to reimburse Franchisor for all out-of-pocket expenses incurred by Franchisor in connection with the provision of any training including travel, lodging, meals, etc. Franchisor may determine, in its judgment, that Franchisee needs training from a third party in areas such as

computer operations or accounting. In such instance, Franchisee shall be required to attend a course or courses approved by Franchisor and Franchisee shall bear all costs in connection therewith. Franchisor may, at Franchisee's expense, require additional training if it determines, in its sole discretion, that any member of Franchisee's staff is not appropriately trained.

C. Attendance at Meetings. Franchisee or its Managing Owner and the Shop's Designated Manager must attend, at Franchisee's expense (including applicable tuition), all meetings and conferences which Franchisor holds for franchisees of the Shops. If Franchisee or its personnel fail to attend any such required meeting or conference, in addition to Franchisor's other remedies under this Agreement, Franchisor may charge Franchisee a reasonable fee for failing to attend.

FEES, REPORTING AND AUDIT RIGHTS

10. Franchisee shall pay the fees described below and comply with the following provisions:

A. Initial Franchise Fee. Franchisee shall pay to Franchisor the Initial Franchise Fee described on Appendix A. The Initial Franchise Fee is not refundable in whole or in part under any circumstances.

B. Royalty Fee. Franchisee shall pay Franchisor a royalty fee ("Royalty Fee") in an amount equal to five percent (5%) of Franchisee's Gross Sales during the period specified by Franchisor from time to time (currently weekly). The Royalty Fee is payable on or before such day of the week that Franchisor specifies from time to time, based on the Gross Sales generated during the preceding period. Notwithstanding the foregoing, if Franchisee temporarily closes the Shop without Franchisor's written consent, Franchisee must pay to Franchisor \$1,000 ("Temporary Royalty Fee") each week (or any part thereof) the Shop is temporarily closed, due and payable as, when and in the same manner as the Royalty Fee. Payment of a Temporary Royalty Fee will not act as a cure of the default caused by the unauthorized closure and will not alter or impair any of Franchisor's rights under this Agreement or any other agreements between Franchisor, Franchisee, and their respective affiliates, all of which are reserved. If Franchisor does not exercise its right to terminate based on Franchisee's unauthorized closure, Franchisee may only re-open the Shop with Franchisor's prior written consent, and upon the re-opening, Franchisee's last Temporary Royalty Fee payment will be prorated (if applicable), and Franchisee's Royalty Fee will resume as described above in this Section.

C. Technology Fee. Franchisor reserves the right to charge an initial and/or recurring fee ("Technology Fee") (subject to a maximum of \$1,000 per month, plus the actual technology and related out of pocket expenses incurred by Franchisor). In addition to charging the Technology Fee, Franchisor may collect from Franchisee and remit to any third-party technology providers any amounts Franchisee owes them. Franchisee acknowledges and agrees that notwithstanding Franchisee's payment of the Technology Fee to Franchisor, Franchisee may have to purchase, lease, or sub-license from third-party vendors of certain components of the Computer System.

D. Other Payments. In addition to all other payments provided in this Agreement, Franchisee shall pay to Franchisor when due all amounts that Franchisor and its Affiliates advance for Franchisee's benefit or for which Franchisor or its Affiliates have become obligated to pay on Franchisee's behalf for any reason whatsoever, plus an administrative fee which will not exceed 10% of the amount that Franchisor may pay on Franchisee's behalf.

E. Computations and Remittances. All amounts payable by Franchisee to Franchisor or its designee under this Agreement, except the Initial Franchise Fee, shall be paid in the same manner as the Royalty Fee. Franchisor reserves the right, upon thirty (30) days' notice to Franchisee, to change the period on which each payment is based and the day or the week the payment is due.

Franchisee acknowledges and agrees that direct payment of all such amounts will be made from Franchisee's bank account in accordance with the electronic fund transfer authorization ("ETF Authorization") executed by Franchisee. Franchisee agrees to sign and deliver to Franchisor any documents that Franchisor and Franchisee's bank may require for such EFT Authorization. Such EFT Authorization shall remain in full force and effect at all times this Agreement is in effect and for 30 days following its expiration or termination.

If Franchisor is unable to access Franchisee's Computer System to pull the Gross Sales data, Franchisor may debit Franchisee's bank account for 110% of the average of the last three (3) Royalty Fee and the Fund (as defined below) contributions that Franchisor debited. If the amounts that Franchisor debits from Franchisee's account under this paragraph are less than the amounts Franchisee actually owes to Franchisor (once Franchisor has determined the true and correct Gross Sales), Franchisor will debit Franchisee's account for the balance on the day Franchisor may specify. If the amounts that Franchisor debits from Franchisee's account are greater than the amounts Franchisee actually owes to Franchisor, Franchisor will credit the excess against the amounts that Franchisor otherwise would debit from Franchisee's account during the following week. Franchisee waives any and all existing and future claims and offsets against any amounts due hereunder, which amounts shall be paid when due.

Franchisee may not withhold payment of any amounts owed to Franchisor on the grounds of its alleged nonperformance of any of Franchisor's obligations under this Agreement or for any other reason. Franchisor shall be entitled to apply or cause to be applied against amounts due to Franchisor or any of its affiliates any amounts which may from time to time be held by Franchisor or its affiliates on Franchisee's behalf or owed to Franchisee by Franchisor or its affiliates.

F. Reports and Audit. Upon Franchisor's request, Franchisee must submit to Franchisor reports detailing certain information specified by Franchisor from time to time related to Franchisee's Shop. This information includes, among other things, the following: (i) sales volume (by Product), sources of Products sold and other information prescribed by Franchisor within five (5) business days after the end of each month; (ii) a report showing the inventory of the Shop by Product category and an unaudited profit and loss statement and balance sheet, within thirty (30) calendar days after the end of each calendar quarter; (iii) annual profit and loss statements, source and use of funds statement, and a balance sheet prepared or reviewed by an independent certified public accountant, within ninety (90) calendar days after the end of each fiscal year; (iv) all state and federal tax (income, sales and other) returns within one hundred twenty (120) calendar days after the end of each fiscal year; and (v) at Franchisor's request, all tax returns relating to each of the Franchisee's Owners. Franchisee is required to maintain and preserve the records for Franchisee's Shop as described below for five (5) years. Franchisee agrees to use computerized record keeping systems in a format approved by Franchisor, and Franchisee's Computer System must be set according to Franchisor's specifications, if any. Franchisee must use a Computer System, which shall be designated by Franchisor and shall provide Franchisor with a complete and ongoing analysis of Franchisee's sales activities.

Franchisor has the right at any time during Shop hours and without prior notice to Franchisee to examine and audit, or cause to be examined or audited, or request copies of the

following records of Franchisee's Shop: bookkeeping and accounting records, invoices, payroll records, check stubs, bank deposit receipts, financial statements, state and federal tax returns or schedules of Franchisee and its Owners, other forms, and information and supporting records which the Franchisee is required to submit to Franchisor under this Agreement. Such audits and inspections will be at Franchisor's expense. However, in the event such audit is made necessary by the failure of Franchisee to furnish reports, financial statements, tax returns or schedules as required by this Agreement, or if any audit reveals that Franchisee has understated or underreported Gross Sales by an amount greater than two percent (2%), in addition to the amounts owed to Franchisor, Franchisee must reimburse the Franchisor upon demand for the cost of such inspection or audit, including without limitation the charges of any independent accountant and the travel expenses, room and board and compensation of the Franchisor or its representatives. Furthermore, in the event that Franchisee has understated or underreported such amounts by an amount greater than two percent (2%), Franchisor may conduct further periodic audits and/or evaluations of Franchisee's books and records as Franchisor reasonably deems necessary for up to two (2) years thereafter and Franchisee agrees that it shall pay all costs expenses in connection therewith. Franchisor also reserves the right to require reimbursement of all costs (including supplier fees, travel expenses, room and board, and compensation of Franchisor's agents) associated with any re-inspections or follow-up visits that Franchisor conducts after any audit or inspection of the Shop identifies one or more failures of System Standards, and/or if any follow-up visit is necessary because Franchisor or its designated representatives were for any reason prevented from properly inspecting any or all of the Shop (including because Franchisee or Franchisee's personnel refused entry to the premises). Franchisee acknowledges and agrees that if any such subsequent audit reveals an understatement or underreporting of Gross Sales of two percent (2%) or more, in addition to any other remedies provided for in this Agreement, at law or in equity, Franchisor shall have the right to terminate this Agreement. The foregoing remedies shall be in addition to any other remedies Franchisor may have.

G. Non-Compliance Fee. The Royalty Fee under this Agreement was determined based on the assumption that Franchisee will comply with its obligations hereunder. If Franchisee does not comply with its obligations, Franchisor will incur additional costs and expenses. Therefore, if Franchisor determines that Franchisee is not in compliance with its obligations under this Agreement, the rate of Royalty Fee will be increased to six percent (6%) until Franchisor determines that Franchisee has cured all deficiencies and is compliant with all terms of this Agreement, at which time it will revert to the rate shown in Section 10.B. above. Payment of the non-compliance charge is not a cure of the non-compliance that triggered its payment. The non-compliance fee is intended to compensate Franchisor for certain expenses that it will incur as a result of the non-compliance and is not a penalty or an expression of the total amount of such damages. Nothing in this Section limits any of Franchisor's other rights and remedies available under the terms of this Agreement.

H. Late Payment & Reporting. All amounts that Franchisee owes to Franchisor or its affiliates for any reason will bear interest after their due date at eighteen percent (18%) per annum or the highest commercial contract interest rate the law allows, whichever is less. Franchisor will charge a service fee of \$100 per occurrence for checks returned to Franchisor due to insufficient funds or in the event there are insufficient funds in the business account designated by Franchisee to cover Franchisor's withdrawals. Franchisor may debit Franchisee's bank account automatically for the service charge and interest. Franchisee acknowledges that this Section 10.H. is not Franchisor's agreement to accept any payments after they are due or Franchisor's commitment to extend credit to, or otherwise finance the operation of, the Shop.

MARKETING FEES AND CONTROLS

11. Franchisee agrees to actively promote Franchisee's DUNN BROTHERS COFFEE® Shop, to abide by all of Franchisor's marketing requirements and to comply with the following provisions:

A. Franchisee's Local Marketing. In addition to the Marketing Fund Contributions described below, Franchisee must spend one percent (1%) of its monthly Gross Sales on approved local marketing. Franchisor reserves the right to periodically increase Franchisee's required local marketing expenditures upon thirty (30) days' written notice to Franchisee; provided that, Franchisee's Fund contribution, the local marketing expenditure pursuant to this Section, and the required contribution to a Local Advertising Cooperative (collectively, the "Required Marketing") shall not exceed six percent (6%) of the Shop's Gross Sales ("Marketing Expenditure Cap").

Local marketing expenditures may include contributions to marketing cooperatives as described below. Any local marketing Franchisee conducts must be factual, dignified and meet the highest standards of ethical marketing, and may not be injurious to the Trademarks or the goodwill of the Brand. Franchisee must submit all such proposed local marketing to Franchisor for approval at least thirty (30) days before it intends to use them. If Franchisor does not respond to Franchisee within 10 business days of Franchisor's receipt of any proposed materials, then the materials shall be deemed disapproved. Franchisor may, in its discretion, withdraw its approval if, in Franchisor's opinion, such withdrawal is in Franchisor's or the System's best interests. On or before fifth (5th) day of each month, Franchisee must provide Franchisor with an itemization of its local marketing activities for the prior month. If Franchisee does not spend the minimum amount required for local marketing, Franchisee must pay Franchisor the amount of the difference between what Franchisee spent on approved local marketing during the month and what Franchisee was required to spend for deposit into the Fund (as defined below). Franchisor reserves the right, at any time, to issue a notice to Franchisee that the amounts required to be spent by Franchisee on local marketing of the Shop shall, instead, be paid to Franchisor or its designee. If Franchisor exercises this option, Franchisor will then spend such amounts, in accordance with local marketing guidelines and programs that Franchisor will periodically develop, to advertise and promote the Shop on Franchisee's behalf. Franchisor may instead, in its discretion, contribute any such amounts to the Fund or to a Local Advertising Cooperative. Franchisor may also elect, on one or more occasions and without prejudice to its rights to issue further notices, to temporarily or permanently cease conducting such marketing activities on Franchisee's behalf and, instead, to require Franchisee to conduct such marketing activities itself in accordance with this Section.

B. National Marketing Fund. Franchisor has instituted a Fund in which Franchisee agrees to participate as follows:

(1) Franchisee shall pay to Franchisor a weekly Marketing Fund Contribution. The current contribution is three percent (3%) of Gross Sales for the previous week, although Franchisor may increase the required contribution, subject to the Marketing Expenditure Cap, on ninety (90) days' written notice. Marketing Fund Contributions shall be due and payable with payment of Royalty Fees.

(2) Franchisee acknowledges that the Fund is intended to further general public recognition, market research and acceptance of the Trademarks, promote brand awareness and image, establish customer relations and service programs, as well to advertise and promote Shops and the Products and services sold through Shops. Franchisor has the right to determine the methods of marketing, media employed and contents, terms and conditions of marketing programs. Franchisee acknowledges that Franchisor

undertakes no obligation in administering the Fund to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contributions, or to ensure that Franchisee benefits directly or *pro rata* from the placement of marketing by or through the Fund. The Fund is not a trust or escrow account, and Franchisor has no fiduciary obligations with respect to the Fund and its activities.

(3) The Fund may be used to meet any and all costs of administering, directing, preparing, placing and paying for national, regional or localized marketing and employing advertising agencies to assist therein. Franchisor or its designees will direct all programs that the Fund funds or finances, with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation. The Fund may pay for preparing and producing materials and electronic or digital media in any form or format that Franchisor may periodically designate, including: administering online advertising strategies, including maintaining websites or mobile apps and related integrations; administering regional and multi-regional marketing and advertising programs; implementing a loyalty program; and supporting public relations, market research, product development, and other advertising, promotion, and marketing activities. Franchisor may reimburse itself for such reasonable administrative costs and overhead as Franchisor may incur in activities reasonably related to the promotion of the Trademarks, brand awareness and the System, or the administration or direction of the Fund. Franchisor shall, within one hundred twenty (120) days following the close of its fiscal year, prepare a statement detailing Fund income and expenditures for the fiscal year just ended, which will be provided to Franchisee upon request.

(4) All sums paid to the Fund, plus income earned from the Fund, need not be maintained in a separate account from other funds of Franchisor, but Franchisor will account for the Fund separately from Franchisor's other funds and not use the Fund for any of Franchisor's general operating expenses.

(5) If Franchisor spends less than the total sum available in the Fund during any fiscal year, it may either spend such unused sum during the following fiscal year or elect to rebate all or a portion of such unused sum to franchisees on a *pro rata* basis. If Franchisor, in its discretion, spends more than the amounts available in the Fund, Franchisor shall have the right to be reimbursed to the extent of such excess expenditures from any amount subsequently contributed to the Fund.

(6) Franchisor maintains the right to terminate the Fund at any time after all amounts in the Fund have been expended for marketing and promotional purposes or refunded to franchisees on a *pro rata* basis.

(7) The Fund will not be used for advertising principally directed at the sale of franchises.

C. Marketing Cooperatives. Franchisor has the right to designate local marketing cooperatives, and Franchisee is required to participate in the designated cooperative on Franchisor's demand and in accordance with the rules Franchisor establishes for the cooperative. Franchisor will determine the amount Franchisee will contribute to a cooperative, subject to the Marketing Expenditure Cap. Franchisor reserves the right to designate rules that govern the operation of local marketing cooperatives and to require local marketing cooperatives to use and pay for administrative, media planning and other services that Franchisor or its designated third-party vendor may provide. Franchisee acknowledges that Franchisor undertakes no obligation to require

the cooperative to make expenditures which are equivalent or proportionate to Franchisee's contributions, or to ensure that Franchisee benefits directly or *pro rata* from the placement of marketing by or through the cooperative.

D. Grand Opening Marketing. Upon signing the lease for the Shop, Franchisee will pay Franchisor a non-refundable amount of \$10,000 in lump sum for grand opening expenses. Franchisor will use this amount for the initial marketing and advertising of the Shop in connection with its grand opening that Franchisor will conduct on franchisee's behalf. This amount will not count toward Franchisee's required local marketing expenditures described in Section 11.A. above or to the Marketing Expenditure Cap.

E. Participation in Programs. Franchisee will use its best efforts to promote and advertise the Shop. Franchisee must, at its expense, honor and participate in all customer loyalty, gift card, catering, mobile payment, online ordering and other promotional programs Franchisor requires.

FRANCHISEE'S OTHER OBLIGATIONS

12. Franchisee agrees to comply with the following terms and conditions:

A. Payment of Debts. Franchisee agrees to pay promptly when due all taxes, fees, obligations, assessments, and other amounts due and payable to any third party related to or arising out of the development, operation or closure of the Shop. If Franchisee fails to timely make any such payment, Franchisor shall be authorized, but not required, to pay the same on Franchisee's behalf and Franchisee covenants promptly to reimburse Franchisor on demand for any such payment. Franchisor or Franchisor's affiliates expressly reserve the right to withhold or delay the shipment of goods or provision of services to Franchisee if the Franchisee is in arrears with respect to any amount owed to Franchisor or Franchisor's affiliates. In addition, Franchisee agrees to execute any and all documents Franchisor reasonably requires, including letters of credit, security agreements, and financing statements, to provide collateral for amounts due to Franchisor for purchases of inventory and other items used in Franchisee's Shop.

B. Waiver of Liability and Indemnification. Franchisee hereby waives all claims against Franchisor and its affiliates for damages to property, death, or injuries to persons arising directly or indirectly out of the management or operation of Franchisee's Shop. Franchisee shall defend, indemnify and hold harmless Franchisor, its affiliates, and their respective owners, directors, officers, employees, agents, successors, assigns, and representatives (the "Indemnified Parties") from such damages, losses, liabilities and expenses arising from or in connection with Franchisee's development or operation of its Shop, the business that Franchisee conducts pursuant to this Agreement, Franchisee's employment practices, activities that occur at the Shop, or Franchisee's breach of this Agreement including, without limitation, those alleged to be caused by the Indemnified Party's negligence, unless (and then only to the extent that) the claims, obligations, or damages are determined to be caused solely by the Indemnified Party's intentional misconduct in a final, unappealable ruling issued by a court with competent jurisdiction. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation or alternative dispute resolution, regardless of whether litigation or alternative dispute resolution is commenced. Each Indemnified Party may defend any claim against it at Franchisee's expense (including choosing and retaining its own legal counsel) and agree to settlements or take

any other remedial, corrective, or other actions. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against Franchisee under this subparagraph. Franchisee agrees that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from Franchisee under this subparagraph.

C. Insurance. Throughout the Term, Franchisee must purchase and maintain in full force and effect, solely at Franchisee's expense, insurance coverage of the type and in the minimum amounts as required by Applicable Laws and by Franchisor from time to time. Franchisee must deliver to Franchisor prior to beginning operations for the Shop, annually thereafter, and at any other time Franchisor requires, proof of the required insurance coverage in a form Franchisor requires, including insurance policy endorsements. The insurance policy must name Franchisor and its affiliates as additional insureds thereunder and provide that Franchisor will be given thirty (30) days prior written notice of any material change in or termination, expiration or cancellation of the policy. Franchisor may reasonably increase its minimum coverage requirements and require different or additional kinds of insurance in its discretion from time to time. If Franchisee at any time fails or refuses to maintain in effect any required insurance coverage, or to furnish satisfactory evidence thereof, Franchisor, at its option and in addition to its other rights and remedies, may (but need not) obtain such insurance coverage on behalf of Franchisee, and Franchisee must promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to Franchisor, on demand, any costs and premiums incurred by Franchisor, plus interest thereon. Franchisee's obligation to obtain and maintain these insurance policies in the amounts required by Franchisor shall not be limited in any way by reason of any insurance that Franchisor may maintain, nor does Franchisee's procurement of required insurance relieve Franchisee of liability under the indemnity obligations described in this Agreement. Franchisee's insurance procurement obligations under this Section are separate and independent of Franchisee's indemnity obligations. Franchisor does not represent or warrant that any insurance that Franchisee is required to purchase will provide adequate coverage for Franchisee. The requirements of insurance specified in this Agreement are for Franchisor's protection. Franchisee should consult with its own insurance agents, brokers, attorneys and other insurance advisors to determine the level of insurance protection it needs and desires, in addition to the coverage and limits required by Franchisor.

D. Covenants Against Competition and Solicitation.

(1) During the Term, Franchisee, the Designated Manager, and all of Franchisee's Owners and members of their immediate families (together, the "Restricted Persons") shall not:

(i) have any direct or indirect ownership (whether of record, beneficially, or otherwise) in, or act as landlord, lender, advisor, officer, director, representative or agent of, any Competitive Business wherever located or operating (except that equity ownership of less than five percent (5%) of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this subparagraph);

(ii) perform services for or provide benefits to, in any capacity, a Competitive Business, wherever located or operating; or

(iii) divert or attempt to divert any actual or potential business or customer of the Shop to a Competitive Business;

(iv) interfere or attempt to interfere with Franchisor or its affiliates' relationships with any vendors, franchisees, or consultants; or

(v) directly or indirectly, appropriate, use or duplicate the System Standards, or any portion thereof, for use in any other business or endeavor,

(each of the foregoing a "Competitive Act").

Subject to Applicable Laws, Franchisor may require Franchisee to obtain similar covenants from its Designated Manager and any Owners designated by Franchisor from time to time. Franchisor reserves the right to regulate the form of agreement that Franchisee may use and to be a third-party beneficiary of that agreement with independent enforcement rights.

(2) On the termination or expiration of this Agreement, the Restricted Persons shall not, for two (2) years following termination or expiration, engage in any Competitive Act in respect of any Competitive Business that is located within five (5) miles of the Authorized Location or within five (5) miles of any other Shop then in operation.

(3) Franchisee agrees that the length of time in this Section 12.D. will be tolled for any period during which a Restricted Person is in breach of the covenants or any other period during which Franchisor seeks to enforce this Agreement.

DEFAULT AND TERMINATION

13. The following provisions shall apply with respect to default and termination:

A. Defaults. Franchisee shall be in default of this Agreement if Franchisor determines that Franchisee has breached or failed to comply with any of the terms of this Agreement or any other agreement between Franchisee and Franchisor or its affiliates.

B. Termination by Franchisor. Franchisor has the right to terminate this Agreement in accordance with the following provisions:

(1) Termination After Opportunity to Cure. Except as otherwise provided in this Section 13.B: (i) Franchisee will have 30 days from delivery by Franchisor of a written notice of default to cure any default under this Agreement, unless the default is for failure to pay amounts due or failure to submit reports, in which case Franchisee will have 10 days to cure the default; (ii) Franchisee's failure to cure a default under this Agreement within the applicable cure period, or its failure to fulfill any obligation owed to a third party in connection with the ownership or operation of the Shop and to remedy such failure within any permitted cure period, shall constitute good cause for Franchisor to terminate this Agreement; and (iii) unless otherwise specified in Franchisor's notice, the termination will be effective on delivery of Franchisor's written notice of termination that will identify the grounds for the termination.

(2) Immediate Termination With No Opportunity to Cure. Notwithstanding Section 13.B(1) above, if any of the following defaults occurs, Franchisee will have no

right or opportunity to cure and this Agreement will terminate effective immediately on delivery of Franchisor's written notice of termination: (a) Franchisee (i) loses the right to occupy the Authorized Location, (ii) closes its Shop for business without Franchisor's written consent or informs Franchisor of its intention to cease operation of its Shop, (iii) fails to actively operate its Shop for three (3) or more consecutive days, or (iv) otherwise abandons or appears to have abandoned its rights under this Agreement; (b) Franchisee fails to secure possession of an Authorized Location or open its Shop within the time periods specified in this Agreement; (c) Franchisee (i) is insolvent or admits in writing its inability to pay its debts as they come due, or (ii) makes an assignment or enters into any similar arrangement for the benefit of creditors; (d) Franchisee, the Designated Manager or any of Franchisee's Owners is convicted of an offense directly related to the Shop; (e) Franchisee understates or underreports Gross Sales; (f) any default which results from a subsequent audit of the Shop conducted within two (2) years of a previous audit and both audits reveal an understatement of two percent (2%) or more in financial information provided to Franchisor; (g) any default by Franchisee which is the third similar default within any twelve (12) month consecutive period; (h) or its affiliates fail to cure within the applicable cure period, if any, any default under any agreement with Franchisor, its affiliates, or any vendor in connection to the operation of the Shops; or (i) Franchisee has received more than one (1) notice from Franchisor that Franchisee, its Managing Owner, or the Designated Manager have acted inappropriately or abusively towards Franchisor or its representatives, other franchisees, and/or customers, whether in connection Shop under this Agreement and/or any other franchise agreements with Franchisor or its affiliates.

(3) Immediate Termination After 24 Hours to Cure. In the event that a default occurs that materially impairs the goodwill associated with any of the Trademarks, the termination will be effective twenty-four (24) hours after delivery of Franchisor's notice if Franchisee has not cured the default prior to the end of the 24-hour period.

(4) Material Misrepresentation. Franchisor may declare this Agreement null and void if the Franchisee makes any material misrepresentation on the franchise application or otherwise relating to the acquisition of the franchise.

C. Termination by Franchisee. Franchisee may terminate this Agreement only for good cause upon sixty (60) days prior written notice to Franchisor, provided that Franchisee is in full compliance with all terms and conditions of this Agreement and Franchisor has committed an alleged material breach of this Agreement which Franchisor has not cured within thirty (30) days after receipt of such notice of alleged material breach. Such notice of alleged material breach must specify with particularity the nature of the alleged material breach and the steps Franchisee requests that Franchisor take to cure the alleged material breach.

D. Franchisor's Rights & Remedies in Addition to Termination. In addition to Franchisor's other rights under this Agreement, Franchisor or its designee may assume the management of the Shop under the following circumstances: (i) Franchisee abandons or fail to actively operate its Shop; (ii) if Franchisor is entitled to terminate this Agreement under Section 13.B. above; or (iii) if this Agreement expires or is terminated and Franchisor is deciding whether to exercise its option to purchase the Shop as described below. If Franchisor exercises its rights under clauses (i) or (ii) above, that will not affect Franchisor's rights to terminate this Agreement under Section 13.B above, and Franchisee agrees to pay Franchisor (in addition to the Royalty Fee, Fund contributions, and other amounts due under this Agreement) an amount equal to 10% of Gross Sales, plus the direct out-of-pocket costs and expenses incurred in the operation of Shop, for any period that Franchisor deems appropriate. Franchisor may freely assign any part of its right under

this Section to a third-party. If Franchisor or its designee assumes the management of the Shop, Franchisee acknowledges that Franchisor or such designee will have a duty to utilize only reasonable efforts and will not be liable to Franchisee or its Owners for any debts, losses, or obligations the Shop incurs, or to any of Franchisee's creditors for any supplies, products, or other assets or services the Shop purchases, while Franchisor or such third party manages the Shop. Franchisee's indemnification obligations set forth under Section 12.B will continue to apply during any period that Franchisor or its designee operates the Shop. If Franchisor exercises its rights under this Section, then Franchisor may, but is not required to, use Franchisee's employees or designate its own personnel to manage and operate Franchisee's Shop. During the period in which Franchisor or its designee operates Franchisee's Shop under this Section, Franchisee will cooperate with Franchisor and its designees to support the operation of Franchisee's Shop in compliance with all the System Standards, including making available any and all books, records, and accounts.

E. Lost Revenue Damages. If Franchisor terminates this Agreement because of Franchisee's breach or if Franchisee terminates this Agreement without cause, the parties agree that it would be difficult, if not impossible, to determine the amount of damages that Franchisor would suffer due to the loss or interruption of the revenue stream that Franchisor otherwise would have derived from Franchisee's continued payment of Royalty Fee through the remainder of the Term. Therefore, the parties agree that a reasonable estimate of such damages, less any cost savings Franchisee might have experienced (the "Lost Revenue Damages"), is an amount equal to the net present value of the Royalty Fee that would have become due had this Agreement not been terminated, from the date of termination to the earlier of: (a) 156 weeks following the date of termination, or (b) the originally scheduled expiration of the Term (the "Measurement Period"). For the purposes of this Section, Lost Revenue Damages shall be calculated as follows: (1) the number of weeks in the Measurement Period, multiplied by (2) highest weekly Royalty Fee payable by you during the 156 weeks immediately preceding the last date on which the Shop operated; provided, that if, as of the last date on which the Shop operated, the Shop was not in operation for at least 156 weeks, then the calculation of Lost Revenue Damages will be based on the average weekly Gross Sales of all the Shops in the Dunn Brothers Coffee® franchise system during the 156 weeks immediately preceding the last date on which the Shop operated.

Franchisee agrees to pay to Franchisor the Lost Revenue Damages, as calculated in accordance with this Section, within 15 days after this Agreement expires or is terminated, or on any later date that Franchisor determines. The parties that the calculation described in this Section is a calculation only of the Lost Revenue Damages and that nothing herein shall preclude or limit Franchisor from proving and recovering any other damages caused by Franchisee's breach of this Agreement.

POST-TERM OBLIGATIONS

14. Upon the expiration or termination of this Agreement:

A. Reversion of Rights; Discontinuation of Trademark Use. All rights of Franchisee to the use of the Trademarks and all other rights and licenses granted herein and the right and license to conduct Shop under the Trademarks shall terminate without further act or deed of any party. All right, title and interest of Franchisee in, to and under this Agreement shall become the property of Franchisor. Franchisee shall pay all sums due to Franchisor, its affiliates or designees. Franchisee shall immediately cease all use and display of the Trademarks and of any material received from Franchisor (including, without limitation, Confidential Information, the Operations Manual and marketing materials), and take such actions as may be required to cancel all assumed name or equivalent registrations relating to the use of any trade name or Trademark.

Franchisee shall immediately return to Franchisor and cease accessing and using all copies of the Operations Manual and, at Franchisee's expense, remove or obliterate (subject to Section 14.B.) all signage, displays, menus or other materials in Franchisee's possession that bear any of the Trademarks or names or material confusingly similar to the Trademarks and so alter the interior and exterior appearance of the Shop premises as disassociate them from the System and to differentiate them unmistakably from duly licensed Shops identified by the Trademarks. If, however, Franchisee refuses to comply with the provisions of the preceding sentence within twenty (20) days from the date of termination or expiration of this Agreement, Franchisor shall have the right to enter the Authorized Location and remove all signs, displays or other materials that bear any of the Trademarks or names or material confusingly similar to the Trademarks, and Franchisee shall reimburse Franchisor for Franchisor's costs incurred in connection therewith.

Franchisee also will immediately shut down or transfer to Franchisor or its designee, at Franchisor's option, all social media accounts and professional networking accounts related to the Shop.

In addition, Franchisor may, but is not obligated to, require that Franchisee assign the lease or, at Franchisor's option, sublease the Shop premises to Franchisor. Notwithstanding the foregoing, in the event of expiration or termination of this Agreement, Franchisee shall remain liable for its obligations pursuant to any applicable lease or sublease for the Shop and its indemnification and other applicable obligations, which by their nature survive the expiration or termination of this Agreement.

Franchisee acknowledges that as between Franchisor and Franchisee, Franchisor has the sole rights to and interest in all telephone numbers, directory listings, and internet presences associated with the Shop, and Franchisee authorizes Franchisor, and hereby appoints Franchisor and any officer of Franchisor as Franchisee's attorney-in-fact, to direct providers to transfer the same to Franchisor or its agent or assignee should Franchisee fail or refuse to do so. Each such provider is authorized to accept this Agreement as conclusive evidence of the exclusive rights of Franchisor in such telephone numbers, directory listings, and internet presences, and its authority to direct the transfer.

Franchisee and all other Restricted Persons also must comply with the covenants regarding Competitive Businesses described in Section 12.D. above.

B. Purchase Option. If this Agreement expires or is terminated for any reason (other than the fault of Franchisor), Franchisor has the option, upon thirty (30) days written notice from the date of expiration or termination, to purchase from Franchisee all the tangible assets relating to the Shop (excluding any unsalable inventory and cash) (collectively, the "Purchased Assets"). Franchisor may assign this option to purchase separate and apart from the remainder of this Agreement.

The purchase price will be the "Book Value" (as defined below) of the Purchased Assets. "Book Value" means the net book value of the Purchased Assets, as disclosed in the last quarterly statement of the Shop provided to Franchisor before termination or expiration, provided, however, that: (1) each depreciable asset will be valued on a "straight-line" basis without provision for salvage value; (2) Franchisor may exclude from the Purchased Assets any products or other items that were not acquired in compliance with this Agreement; and (3) Franchisor may exclude from Book Value any provision for goodwill or similar value attributable to intangible property. If Franchisor is not satisfied with the accuracy or fairness of any financial statements, or none has been submitted, Franchisor's regularly employed firm of certified public accountants will

determine (by audit) the Book Value. Franchisor and Franchisee will equally bear the cost of the audit. The results of the audit will be final and binding on both parties.

The purchase price, as determined above, will be paid in cash at the closing of the purchase, which will occur no later than sixty (60) days after Franchisor delivers notice of its election to purchase the Purchased Assets, unless Book Value is determined by audit, in which case the closing will occur within a reasonable time, not to exceed sixty (60) days, after the results of the audit are made available. At the closing, Franchisee will deliver documents transferring good and merchantable title to the Purchased Assets, free and clear of all liens, encumbrances and liabilities to Franchisor or its designee and such other documents Franchisor may reasonably request. Franchisor may set off against and reduce the purchase price by all amounts Franchisee owes to Franchisor or any of its affiliates.

DISPUTE RESOLUTION; INJUNCTIVE RELIEF

15. Franchisee and Franchisor agree as follows:

A. Dispute Resolution; Arbitration. All controversies, disputes, or claims between Franchisor, its Affiliates, or their respective owners, officers, directors, agents, and employees, on the one hand, and Franchisee, its Affiliates, or their respective Owners, officers, directors, agents, and employees, on the other hand, arising out of or related to: (1) this Agreement or any other agreement between them; (2) their relationships; (3) the scope or validity of this Agreement or any other agreement between them or any provision of any of such agreements (including the validity and scope of the arbitration provision under this Section, which the parties acknowledge is to be determined by an arbitrator, not a court); or (4) any System Standard, must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association (the “AAA”). The arbitration proceedings will be conducted by one arbitrator and, except as this Section otherwise provides, according to the AAA’s then-current Commercial Arbitration Rules. All proceedings will be conducted at a suitable location chosen by the arbitrator that is within 50 miles of Franchisor’s or, as applicable, its successor’s or assign’s then current principal place of business (currently, Plano, Texas). All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§1 et seq.). The interim and final awards of the arbitrator shall be final and binding upon each party, and judgment upon the arbitrator’s awards may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in its awards any relief which it deems proper, including money damages, pre- and post-award interest, interim costs and attorneys’ fees, specific performance, and injunctive relief, provided that the arbitrator may not declare any of the trademarks owned Franchisor or its affiliates generic or otherwise invalid or award any punitive or exemplary damages against any party to the arbitration proceeding (which are hereby waived to the fullest extent permitted by law). The arbitrator may not consider any settlement discussions or offers that might have been made by any party.

THE PARTIES AGREE THAT ALL PROCEEDINGS, WHETHER ASSERTED IN ARBITRATION OR A COURT, WILL BE CONDUCTED ON AN INDIVIDUAL BASIS AND THAT NO SUCH PROCEEDING MAY BE CONDUCTED ON A CLASS-WIDE BASIS, COMMENCED, CONDUCTED OR CONSOLIDATED WITH ANY OTHER PROCEEDING, JOINED WITH ANY SEPARATE CLAIM OF AN UNAFFILIATED THIRD-PARTY, OR BROUGHT ON A PARTY’S BEHALF BY ANY ASSOCIATION OR AGENT. If any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute, controversy or claim that otherwise would be subject to arbitration under this Section,

then all parties agree that this arbitration clause shall not apply to that dispute, controversy or claim and that such dispute, controversy or claim shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of these terms.

In any arbitration arising as described herein, the arbitrator shall have full authority to manage any necessary exchange of information among the parties with a view to achieving an efficient and economical resolution of the dispute. The parties may only serve reasonable requests for documents, which must be limited to documents upon which a party intends to rely or documents that are directly relevant and material to a significant disputed issue in the case or to the case's outcome. The document requests shall be restricted in terms of time frame, subject matter and persons or entities to which the requests pertain and shall not include broad phraseology such as "all documents directly or indirectly related to." The parties further agree that no interrogatories or requests to admit shall be propounded unless the parties later mutually agree to their use.

The provisions of this Section are intended to benefit and bind certain third-party non-signatories and will continue in full force and effect subsequent to and notwithstanding the expiration or termination of the Agreement.

Except for Franchisee's obligation to indemnify Franchisor, Franchisor and Franchisee waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between Franchisor and Franchisee, the party making a claim will be limited to equitable relief and to recovery of any actual damages it sustains.

Nothing in the Agreement, including the provisions of this Section 15.A, bars Franchisor's right to obtain specific performance of the provisions of the Agreement and injunctive or other equitable relief against threatened conduct that will cause Franchisor, the Marks and/or the System loss or damage, under customary equity rules, including applicable rules for obtaining restraining orders and injunctions. Franchisor may obtain such injunctive relief in addition to such further or other relief as may be available at law or in equity. Franchisor will not be required to post a bond to obtain injunctive relief and that Franchisee's only remedy if an injunction is entered against Franchisee will be the dissolution of that injunction, if warranted, upon due hearing (all claims for damages by injunction being expressly waived hereby).

B. Limitation of Claims. Franchisee must assert any claim or cause of action against Franchisor relating to this Agreement or its Shop within the shorter period of the applicable statute of limitations or one (1) year from the effective date of expiration or termination of this Agreement; provided that where the one (1) year limitation of time is prohibited or invalid by or under any Applicable Laws, then and in that event no suit or action shall be commenced or maintained unless commenced within the applicable statute of limitations. Whether asserted in arbitration or in a court, the parties agree to be bound by the provisions of any applicable contractual or statutory limitations provision, whichever expires earlier, and further agree that, in any arbitration proceeding, each party must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding. Any claim which is not submitted or filed as required will be forever barred.

C. Governing Law. Except to the extent governed by the Trademark Act of 1946, as amended (the "Lanham Act," 15 U.S.C. §§1051, et seq.) or other United States federal law, this Agreement, the rights and obligations described herein, and all claims arising from the relationship between the parties will be governed by the laws of the State of Texas, without regard to its conflict of laws rules, except that any such law regulating the offer or sale of franchises or governing the

relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section.

D. Consent to Jurisdiction and Venue. Subject to the obligation to arbitrate under Section 15.A above and the provisions below, Franchisee and its Owners agree that all actions arising under this Agreement or otherwise as a result of the relationship between them and Franchisor must be commenced in the court nearest to Franchisor's or, as applicable, its successor's or assign's then current principal place of business (currently, Plano, Texas), and Franchisee and each Owner irrevocably submit to the jurisdiction of that court and waive any objection they might have to either the jurisdiction of or venue in that court.

E. Costs and Attorneys' Fees. In any arbitration brought pursuant to Section 15.A, and in any action in which a party seeks to enforce compliance with such provision, the prevailing party shall be awarded its costs and expenses, including attorneys' fees, incurred in connection therewith.

F. JURY WAIVER. FRANCHISOR AND FRANCHISEE HEREBY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN CONNECTION WITH THE ENFORCEMENT OR INTERPRETATION BY JUDICIAL PROCESS OF ANY PROVISION OF THIS AGREEMENT, AND IN CONNECTION WITH ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION, OR SIMILAR CAUSES OF ACTION OR ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES FOR BREACH OF THIS AGREEMENT.

FRANCHISOR'S RIGHT OF FIRST REFUSAL TO PURCHASE

16. The parties agree that Franchisor shall have a right of first refusal to purchase as follows:

A. Restrictions. Franchisee and its Owners may not sell, assign, trade, transfer, lease, sublease, encumber, delegate the day-to-day management of the Shop to a third-party, or otherwise dispose of any interest in or any part of or otherwise allow or participate in the sale, assignment, trade, transfer, lease, sublease, encumbrance, or other disposition of (1) direct or indirect ownership interests in Franchisee, (2) the Authorized Location, (3) the Shop, (4) the assets used in the operation of the Shop (except in the ordinary course of business), (5) the possession, control, or management of the Shop, or (6) this Agreement (each a "Transfer"), without Franchisor's consent (as described in Section 17 below) and without first offering the same to Franchisor. If Franchisee or its Owners intend to engage in a Transfer, they must secure a written proposal or offer, signed by the offeror, which identifies the party making the offer and contains, at a minimum, a description of the proposed transaction, the price attached to the proposed Transfer, and the key terms and conditions applicable thereto (a "Transfer Offer"). If Franchisee or its Owners intend to accept a Transfer Offer, a copy of the Transfer Offer must be submitted to Franchisor together with a representation by Franchisee that such Transfer Offer is genuine. Franchisor will give Franchisee written notice within 30 days thereafter which will either waive its right of first refusal with respect to the Transfer or state an interest in negotiating the proposed Transfer for its own behalf on substantially the same terms contained in the Transfer Offer (provided, however, that Franchisor may substitute cash for any non-cash consideration contained in the Transfer Offer). If Franchisor commences negotiations with respect to the Transfer, Franchisee and its Owners will engage in such negotiations, in good faith, for at least 45 days or until Franchisor and Franchisee agree in writing that the negotiations have terminated, whichever comes first. If Franchisor waives its right of first refusal in respect of the Transfer, Franchisee will have the right, subject to securing Franchisor's approval of the proposed Transfer under Section 17 below, to complete the Transfer

within 150 days following the date the Transfer Offer was presented to Franchisor according to the terms described in the Transfer Offer but not upon more favorable terms. Failure to complete the Transfer within the 150-day period will result in the Franchisor again having the right of first refusal. Franchisee's obligations under this Agreement will not be affected or changed because of Franchisor's nonacceptance of Franchisee's written offer. Franchisor may delegate its rights under this Section to a third party in its discretion.

TRANSFER AND ASSIGNMENT

17. The parties agree that the following provisions shall govern transfers:

A. Transfers By Franchisor. This Agreement may be assigned, transferred or encumbered by Franchisor, and Franchisor's obligations hereunder may be delegated to a third party, in any event, without restriction and will benefit Franchisor's successors and assigns. Franchisor will be responsible for the performance of its delegates, and any such assignment or transfer will require the assignee to fulfill Franchisor's obligations under this Agreement.

B. Assignment by Franchisee to an Entity. If Franchisee is one or more natural persons, Franchisor will consent to the transfer or assignment of this Agreement by Franchisee to a corporation or other entity which is owned entirely by Franchisee (in equal portions if more than one natural person), provided: (i) Franchisee and all equity holders of the assignee entity owning at least 10% of the equity thereof sign Franchisor's then current form of Guaranty and Assumption of Obligations (the current form of which is attached hereto); (ii) Franchisee grants a general release of all claims against Franchisor and its related parties as of the date of assignment; and (iii) Franchisee furnishes prior written proof to Franchisor substantiating that the assignee entity will be financially able to perform all of the provisions of this Agreement, to be determined in Franchisor's sole but reasonable discretion. Franchisee will give Franchisor 15 days written notice prior to the proposed date of assignment or transfer of this Agreement as provided in this Section; provided, however, the transfer or assignment of this Agreement will not be valid or effective until Franchisor has received the legal documents which its legal counsel deems necessary to properly document such transfer or assignment and the signed Guaranty and Assumption of Obligations and release referenced above.

C. Conditions to Other Transfer or Assignment. Franchisee and its Owners may not engage in a Transfer (whether voluntary or involuntary) without Franchisor's prior written consent. Any Transfer without Franchisor's prior written consent will be null, void, and have no effect. Franchisor will not unreasonably withhold its consent to a transfer, subject to its right to condition its consent in any manner that it deems appropriate to protect the Trademarks or System, including the following (each of which is deemed reasonable):

(1) All of Franchisee's accrued monetary obligations to Franchisor must be satisfied, and Franchisee must not be in default under this Agreement;

(2) Franchisee must have complied with the requirements described in Section 7.D. (*Repair and Maintenance*) and Section 7.E. (*Re-Imaging and Modernization*) of this Agreement;

(3) Franchisee executes a written agreement in a form satisfactory to Franchisor in which Franchisee releases all claims against Franchisor and its related parties and covenants to observe all applicable post-term obligations and covenants contained in this Agreement;

(4) The Franchisee or transferee, as applicable, enters into a written agreement in a form satisfactory to Franchisor assuming and agreeing to discharge all of Franchisee's obligations and covenants under this Agreement for the remainder of its Term or, at Franchisor's option, signs Franchisor's then-current standard form of franchise agreement (which may contain materially different terms and conditions), amended to reflect a term equal to the remainder of the Term of this Agreement and to reflect that the Shop is already open and operating;

(5) Each of the transferee's direct or indirect equity holders owning at least 10% of the equity of transferee signs Franchisor's then-current form of Guaranty and Assumption of Obligations;

(6) Franchisee provides Franchisor with all information and/or documents it requests about the proposed transfer, the transferee, and its owners (if applicable);

(7) The transferee is approved by Franchisor and demonstrates to Franchisor's satisfaction that it meets Franchisor's managerial, financial, and business standards for new franchisees, possesses a good business reputation and credit rating, and has the aptitude and ability to operate the Shop;

(8) The Franchisee assigns to the transferee the lease and/or sublease for the Shop premises and title to the assets used in the operation of the Shop;

(9) The transferee successfully completes any training prescribed by Franchisor; and Franchisee pays or causes Franchisor to be paid to Franchisor a transfer fee equal to Twenty Thousand Dollars (\$20,000).

D. Death or Incapacity of Franchisee. Upon the death or incapacity of Franchisee or the Owner of a controlling interest of Franchisee (if Franchisee is not a natural person), the executor, administrator, conservator, or other personal representative of such person shall transfer his or her interest within a reasonable time, not to exceed six (6) months from the date of death or incapacity, to a third party approved by the Franchisor. Such transfers, including, without limitation, transfers by devise or inheritance or trust provisions, shall be subject to all the terms and conditions for transfers contained in this Agreement; provided, however, the transfer fee described in Section 17.C(9) shall not be payable. Failure to so dispose of such interest within the period of time stated above shall constitute a breach of this Agreement. For purposes of this Agreement, Franchisee or the Owner of a controlling interest of Franchisee shall be deemed to be incapacitated if he or she is unable, for any reason, to engage in the usual, active operation of the Shop as contemplated in this Agreement for a continuous period of four (4) months.

GENERAL PROVISIONS

18. The parties hereby agree to the following provisions:

A. Severability. Should one or more clauses of this Agreement be held to be void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses shall be deemed to be separable in such jurisdiction and the remainder of this Agreement shall be deemed to be valid and in full force and effect and the terms of this Agreement shall be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the

parties agrees that any provision of this Agreement sought to be enforced in any proceeding hereunder shall, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Waiver/Integration. Despite any prior course of action, no provision of this Agreement may be waived or amended unless in writing signed by the waiving party or, in the case of an amendment, by both parties except with respect to Franchisor's unilateral rights to modify Appendices hereto, System Standards, the Operations Manual and as otherwise provided herein. No waiver of any breach, obligation or right under this Agreement shall be deemed to be a waiver of any other or any subsequent breach, obligation or right or an estoppel to a party's right to enforce this Agreement. Any unilateral waiver may be revoked by the waiving party on ten (10) days' prior written notice to the other party. This Agreement constitutes the sole agreement between the parties with respect to the entire subject matter of this Agreement and embody all prior agreements and negotiations with respect to the Shop authorized hereunder; provided, however, that nothing in this or any related agreement is intended to disclaim the representations Franchisor made in the latest franchise disclosure document that it furnished to Franchisee.

The following provision applies if Franchisee or the Shop granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

C. Notices. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein shall be signed by the party and delivered personally or by a reputable overnight service for overnight delivery or deposited in the United States mail, by registered or certified mail (postage prepaid), and addressed as follows:

(1) if to Franchisor: President, Dunn Bros Franchising, LLC, 5412 W. Plano Pkwy., Suite 100, Plano, Texas 75093; and

(2) if to Franchisee, the address listed on the cover page of this Agreement.

Each party may change its notice address by delivering written notice as set forth above. Notices will be deemed delivered on the earlier of (i) actual delivery, (ii) the date on which the recipient refuses delivery, (iii) the 2nd business day following deposit with an overnight courier, or (iv) the 5th day following deposit with the US Postal Service.

D. References. If Franchisee consists of two or more natural persons, references to Franchisee in this Agreement shall include all such individuals, jointly and severally. Headings and captions contained herein are for convenience of reference and shall not be taken into account in construing or interpreting this Agreement.

E. Guaranty. If Franchisee is not a natural person, all current and future Owners of direct or indirect ownership interests of greater than or equal to 10% of the total ownership interests

in Franchisee shall execute Franchisor's then-current form of Guaranty and Assumption of Obligations, the current form of which is attached to this Agreement as Appendix B.

F. Relationship of Parties. Franchisee is and shall be considered an independent contractor with control and direction of its Shop and operations, subject to the conditions and obligations established by this Agreement. No agency, employment, or partnership is created by this Agreement. Franchisee's Shop is separate and apart from any that may be operated by Franchisor. Neither party to this Agreement shall bind the other, unless expressly provided otherwise in this Agreement, or make any representations tending to create apparent agency, employment, or partnership.

G. Successors/Assigns. Subject to the terms of Sections 16 and 17 hereof, this Agreement shall be binding upon and inure to the benefit of the administrators, executors, heirs, successors and assigns of the parties.

H. Franchisor's Rights. Whenever this Agreement provides that Franchisor has a certain right, that right is absolute and the parties intend that Franchisor's exercise of that right will not be subject to any limitation or review. Franchisor has the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

I. Franchisor's Reasonable Business Judgment. Whenever Franchisor reserves or is deemed to have reserved discretion in a particular area or where Franchisor agrees or is deemed to be required to exercise its rights reasonably or in good faith, Franchisor will satisfy its obligations whenever it exercises reasonable business judgment in making its decision or exercising its rights. A decision or action by Franchisor will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of Franchisor.

J. Notice of Potential Franchisor Profit. Franchisor and/or Franchisor's affiliates periodically may make available to Franchisee goods, products and/or services for use in the Shop on the sale of which Franchisor and/or its affiliates may make a profit. Franchisor and its affiliates periodically may receive consideration from suppliers and manufacturers respecting sales of goods, products or services to Franchisee or in consideration for services provided or rights license to such persons. Franchisee agrees that Franchisor and its affiliates will be entitled to such profits and consideration.

K. Execution of this Agreement. This Agreement and its attachments may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Faxed, scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures.

L. Safety. Franchisor will not be required to send any of its representatives to Franchisee's Shop to provide any assistance or services if, in Franchisor's sole determination, it is unsafe to do so. Such determination by Franchisor will not relieve Franchisee from its obligations under the Agreement (including the obligation to pay monies owed) and will not serve as a basis for Franchisee's termination of this Agreement.

M. Anti-Terrorism. Franchisee hereby represents and warrants to Franchisor, as an express consideration for the franchise acquired hereby, that neither Franchisee nor any of Franchisee's employees, agents, or representatives, nor any other person or entity associated with Franchisee, is now, or has been:

(1) Listed on: (a) the U.S. Treasury Department's List of Specially Designated Nationals, (b) the U.S. Commerce Department's Denied Persons List, Unverified List, Entity List, or General Orders, (c) the U.S. State Department's Debarred List or Nonproliferation Sanctions, or (d) the Annex to U.S. Executive Order 13224.

(2) A person or entity who assists, sponsors, or supports terrorists or acts of terrorism, or is owned or controlled by terrorists or sponsors of terrorism.

Franchisee further represents and warrants to Franchisor that Franchisee is now, and has been, in compliance with U.S. anti-money laundering and counter-terrorism financing laws and regulations, and that any funds provided by Franchisee to Franchisor or Franchisor's affiliates are and will be legally obtained in compliance with these laws. Franchisee agrees not to, and to cause all employees, agents, representatives, and any other person or entity associated with Franchisee not to, during the term of this Agreement, take any action or refrain from taking any action that would cause such person or entity to become a target of any such laws and regulations.

APPENDIX B TO FRANCHISE AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

In consideration of the execution of that certain Franchise Agreement of even date (the “Agreement”) by Dunn Bros Franchising, LLC (“we,” “us” or “our”), each of the undersigned (a “Guarantor”) personally and unconditionally guarantees to us, (a) guarantees to us and our successors and assigns, for the term of this Agreement and afterward as provided in this Agreement, that _____ (“Franchisee”) will punctually pay and perform each and every undertaking, agreement, and covenant set forth in this Agreement and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in this Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including the non-competition, confidentiality, and transfer requirements.

Each Guarantor consents and agrees that: (1) Guarantor’s direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other Guarantors; (2) Guarantor will render any payment or performance required under this Agreement upon demand, if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of this Agreement; and (5) at our request, each Guarantor shall present updated financial information to us as reasonably necessary to demonstrate such Guarantor’s ability to satisfy the financial obligations of Franchisee under this Agreement.

Each Guarantor waives: (i) all rights to payments and claims for reimbursement or subrogation which any Guarantor may have against Franchisee arising as a result of the Guarantor’s execution of and performance under this Guaranty; and (ii) acceptance and notice of acceptance by us of Guarantor’s undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices to which he or she may be entitled.

Each Guarantor represents and warrants that, if no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

The provisions contained in Section 15 (Dispute Resolution), including the agreement to submit disputes to arbitration, are incorporated into this Guaranty by reference and shall govern this Guaranty and any disputes between the Guarantors and us. The Guarantors shall reimburse us for all costs and expenses that we may incur in connection with enforcing the terms of this Guaranty.

By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor’s performance of this Guaranty. Franchisor confirms that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the

Appendix B - 1

marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

Each Guarantor that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Franchisee (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such Guarantor (or on such Guarantor's account) to its owners, accountholders, or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law. This Guaranty is binding upon each Guarantor and its respective executors, administrators, heirs, beneficiaries, and successors in interest.

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as this Guaranty and Assumption of Obligations was executed.

APPENDIX D TO FRANCHISE AGREEMENT

NON-ROASTING DUNN BROTHERS COFFEE® ADDENDUM

THIS ADDENDUM is made and entered into as of the ____ day of _____, 20____ between DUNN BROS FRANCHISING, LLC, a Delaware limited liability company (“Franchisor”) and _____ (“Franchisee”).

BACKGROUND:

Franchisor and Franchisee are, on this day, entering into a DUNN BROTHERS COFFEE® Franchise Agreement (the “Franchise Agreement”), whereby Franchisee will be granted the right to operate a Shop as indicated therein. Franchisee’s Shop will not be a roasting facility, so Franchisor and Franchisee desire to modify Franchisor’s standard Franchise Agreement as follows:

AGREEMENTS:

Franchisor and Franchisee agree as follows:

1. Products and Operations Standards and Requirements. Franchisee will not operate in-store roasting to produce all coffee, coffee-beverage products and coffee beans offered for sale. Franchisee instead will either: (a) roast coffee beans at another Shop owned and operated by Franchisee or its affiliates for use and sale in the Shop; or (b) purchase roasted coffee beans offered for sale from Franchisor, its Affiliates and other Shops, as determined by Franchisor. Franchisee may not use or purchase coffee, coffee-beverage products and coffee beans offered for sale from any other source.

2. Miscellaneous. This Addendum, and any dispute arising hereunder, will be governed by those provisions found in the Franchise Agreement respecting arbitration, governing law and injunctive relief. This Addendum represents the entire agreement of the parties relative to its subject. Terms used but not defined in this Addendum have the meanings given them in the Franchise Agreement. The terms of the Franchise Agreement regarding its execution also apply to the execution of this Addendum. All other provisions of the Franchise Agreement remain as provided therein.

EXHIBIT B
DEVELOPMENT AGREEMENT

DUNN BROTHERS COFFEE®
DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT is made as of the Effective Date by DUNN BROS FRANCHISING, LLC, a Delaware limited liability company having its principal office at 5412 W. Plano Pkwy., Suite 100, Plano, Texas 75093 (“Franchisor”), and the party identified as “Developer” on the signature page below. The “Effective Date” is the date shown beneath Franchisor’s signature below.

BACKGROUND:

A. Franchisor grants franchises for the development, ownership, and operation of coffee shops currently identified by the trademark DUNN BROTHERS COFFEE® and operating under certain platforms, methods and systems specified by Franchisor from time to time (each a “Shop”). Franchisor also grants to qualified persons or entities the right to become an area developer with the right and obligation to acquire multiple franchises for Shops to be opened within a specified area in accordance with a specified schedule (the “Development Rights”).

B. Developer has requested that Franchisor grant it Development Rights and, in support of its request, Developer and, as applicable, its owners have provided Franchisor with certain information about their background, experience, skills, financial condition, and resources (collectively, the “Application Materials”). In reliance on, among other things, the Application Materials, Franchisor is willing to grant Developer’s request on the terms and conditions contained in the Agreement.

AGREEMENT:

In consideration of the foregoing and the covenants and consideration herein set forth, receipt and sufficiency of which are acknowledged, Franchisor and Developer agree as follows:

1. Grant of Development Rights. Subject to the provisions stated below, Franchisor hereby grants to Developer, and Developer hereby accepts, the Development Rights. Developer agrees that:

A. the Development Rights may be exercised only by Developer or its affiliates that Franchisor approves and may not be sublicensed, resold or delegated to any other party;

B. the Development Rights are limited to, and may be exercised only for, Shops to be located in the “Development Area” identified in Exhibit A hereto;

C. Developer will exercise the Development Rights, as described in Sections 4 and 5 below, as necessary to satisfy the requirements set forth in the “Development Schedule” identified in Exhibit A hereto, which schedule reflects both minimum and maximum obligations;

D. the Development Rights may be exercised only during the Term, which commences on the Effective Date and, unless sooner terminated as provided herein, ends on the earlier of (i) the opening of the last Shop required to be open under the Development Schedule or (ii) the end of the last Development Period of the Development Schedule;

E. Developer will, at all times, faithfully, honestly and diligently perform its obligations under this Agreement and fully exploit the Development Rights throughout the Development Area during the Term; and

F. Development Rights do not include the right to develop, own or operate a Shop or to use any trademarks owned by Franchisor or its affiliates. Those rights are granted for each Shop only by

the execution, as described in this Agreement, by Franchisor and Developer or a Franchisor-approved affiliate of Developer or Franchisor's then-current form of Franchise Agreement (defined below), the terms and conditions of which may be materially different than those of the form of Franchise Agreement in use by Franchisor on the Effective Date.

2. No Exclusivity; Reservation of Rights. Developer is not granted any rights under this Agreement to any exclusivity with respect to the Development Area, and no such rights are granted by implication or extrapolation. Franchisor may, without limitation, engage in any activity unless it expressly agrees in this Agreement to restrict its activities or refrain from engaging in any such activity. Without limitation, Franchisor reserves the right to: (i) grant franchise rights for the Shops or Development Rights to others anywhere in the world; (ii) operate (directly or through an affiliate) or grant franchises to third parties to operate, Shops and any other business (including competing businesses) anywhere in the world; (iii) distribute anywhere in the world and through any current or future distribution channels (including via the internet, restaurants and cafes, retail stores, third-party delivery platforms, wholesale, direct mail or other type of mass marketing) any products (including any products sold in or from Shops) and under any trademarks, service marks, trade names, commercial symbols and operating systems or platforms (including, in each case, those used by Shops); or (iv) acquire, be acquired by, merge or affiliate with, or engage in any other transaction with, any other businesses (whether competitive or not) located anywhere in the world, then allow any such other businesses to operate in any manner (including by using all or any part of the platform, system, trademarks and other intellectual property used by Shops).

3. Development Fee. For the rights described in Section 1 above, Developer will pay Franchisor on the execution of this Agreement a lump sum Development Fee of \$15,000 multiplied by the number of Franchise Agreements (less one) that Developer is obligated to acquire in order to satisfy the Development Schedule. The Development Fee is fully earned by Franchisor upon execution of this Agreement, is not refundable under any circumstances. However, Franchisor will apply the Development Fee, in increments of \$15,000, toward satisfaction of the initial franchise fee due on Developer's execution of the 2nd and each subsequent Franchise Agreement that Developer is required to execute to satisfy the Development Schedule. The Development Fee is paid in consideration of Franchisor's administrative expenses and the loss of opportunity to grant development rights to other parties.

4. Execution of Franchise Agreements. The right and license to develop, own and operate each Shop will be granted by Franchisor solely pursuant to a franchise agreement, on Franchisor's then current form (each a "Franchise Agreement"), with Developer or its approved affiliate for a specific site identified therein. While each Franchise Agreement establishes a timeline for opening the Shop identified therein, to preserve the rights under this Agreement, the Shops must be opened in accordance with the Development Schedule. If, when a Franchise Agreement is executed, the site has not yet been approved, the Franchise Agreement will note that the site is yet to be identified. Once Franchisor approves the Developer's proposed site, as described in Section 5 below, Franchisor will identify the site in the data sheet attached to the Franchise Agreement. Each additional Franchise Agreement will be prepared by Franchisor as it approves Developer's proposed sites, as described in Section 5 below, but only if: (1) Franchisor approves Developer's proposed affiliate if Developer intends not to be the franchisee under the Franchise Agreement, (2) Developer and its affiliates are in compliance with this Agreement and each then existing Franchise Agreement, and (3) Developer or its approved affiliate, as applicable, has established, to Franchisor's reasonable satisfaction, that it has access to capital and human resources necessary to develop and operate the proposed Shop in accordance with its Franchise Agreement.

5. Development Procedure. Despite any assistance Franchisor may provide, Developer is entirely responsible for locating and presenting to Franchisor proposed sites for Shops as necessary to comply with the Development Schedule (each a "Site"). Developer agrees to give Franchisor all information and materials it requests to assess each proposed Site as well as Developer's or its proposed affiliate's

financial and operational ability to develop and operate a Shop at the proposed Site. If Franchisor accepts Developer's proposed Site and Developer and, if applicable, Developer's affiliate, satisfy the conditions set forth above, Franchisor will deliver to Developer a Franchise Agreement for the approved Site along with all ancillary documents. The Franchise Agreement and all related documents must be executed and returned to Franchisor within 15 days after the Franchise Agreement was delivered to Developer, failing which, Franchisor may withdraw its approval of the proposed Site. In no event may Developer or its affiliate sign a lease for or commence construction of a Shop until Franchisor has approved the proposed Site and a fully executed Franchise Agreement is in place.

6. Disclaimer of Franchisor's Warranties. The Development Schedule is not Franchisor's representation, express or implied, that the Development Area can support, or that there are or will be sufficient sites for, the number of Shops specified in the Development Schedule or during any particular Development Period. Franchisor is relying on Developer's knowledge of and expertise regarding the Development Area and Developer's representation that it has conducted its own independent investigation and has determined that it can satisfy the development obligations under each Development Period of the Development Schedule.

7. Transfers. Franchisor may transfer this Agreement and its rights and obligations hereunder freely. Neither Developer nor any of its owners, nor any of Developer's or its owners' permitted successors or assigns, shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise dispose of or encumber any direct or indirect interest in the Agreement (including, without limitation, any or all of Developer's rights or obligations under it) (each a "Transfer") without Franchisor's prior written consent. Any Transfer without Franchisor's prior written shall be void and of no effect. In granting its consent, Franchisor may impose conditions to any proposed Transfer including the following:

A. Developer is in compliance with the terms of this Agreement, and Developer and its affiliates are in compliance with all other agreements with Franchisor (and its affiliates);

B. the proposed transferee has been approved by Franchisor as meeting Franchisor's then-current standards for multiple shop developers (if applicable);

C. if Developer or the transferor offer the transferee financing for any part of the purchase price, all of the transferee's obligations under promissory notes, agreements, or security interests reserved in the development rights granted hereunder must be subordinate to Franchisor's rights under this Agreement and to the transferee's obligations under this Agreement;

D. Developer provides Franchisor with all information and documents it requests regarding the transferee and the proposed transfer;

E. Developer (and its owner(s)) must sign a general release, in a form satisfactory to Franchisor, of any and all claims against it and its shareholders, officers, directors, employees and agents;

F. the transferee, at Franchisor's request, must sign Franchisor's then-current form of development agreement and related documents, any and all of the provisions of which may differ materially from any and all of those contained in this Agreement;

G. the transfer of this Agreement must not be made separate and apart from the transfer to the same transferee of all Franchise Agreements that were signed pursuant to this Agreement; and

H. Developer pays a transfer fee of Five Thousand Dollars (\$5,000).

This Agreement may be assigned and transferred by Franchisor and will benefit Franchisor's successors and assigns. Any such assignment or transfer will require the assignee to fulfill Franchisor's obligations under this Agreement.

8. Default and Termination.

A. Developer may terminate this Agreement at any time with or without cause by delivering 30 days' prior written notice thereof to Franchisor.

B. Franchisor may terminate this Agreement, immediately on written notice to Developer, if:

(i) Developer or its owners have made or make any material misrepresentation or omission in the Application Materials;

(ii) Developer fails to comply with the Development Schedule or fails to make progress in the development of Shops to indicate, in Franchisor's reasonable determination, that Developer will not be able to satisfy its development obligations under this Agreement for the then-current Development Period;

(iii) Developer or any of its owners make or attempt to make a transfer without complying with the requirements of Section 7;

(iv) Developer (a) fails on three (3) or more separate occasions within any 12 consecutive month period to comply with any provision of this Agreement or (b) fails on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, in either case, whether or not Franchisor notifies Developer of the failures and whether or not the failures are corrected after notice;

(v) Developer or any of its owners files a petition in bankruptcy or a petition in bankruptcy is filed against them; Developer makes an assignment for the benefit of creditors or admits in writing its insolvency or inability to pay its debts generally as they become due; Developer consents to the appointment of a receiver, trustee, or liquidator of all or the substantial part of its property; any of Developer's or its affiliates' Shops are attached, seized, subjected to a writ or distress warrant, or levied upon, unless the attachment, seizure, writ, warrant, or levy is vacated within 30 days; or any order appointing a receiver, trustee, or liquidator of Developer's or its Affiliates' Shops is not vacated within 30 days following the order's entry;

(vi) Developer or any of its owners fail to comply with anti-terrorism laws, ordinances, regulations and Executive Orders;

(vii) Developer or any of its owners fail to comply with any other provision of this Agreement and does not correct the failure within 30 days after Franchisor delivers written notice of the failure;

(viii) Developer or any of its affiliates fails to comply with any other agreement with Franchisor or its affiliates, including any Franchise Agreement, unless the failure is timely and completely cured within any cure period provided under the applicable agreement; or

(ix) Developer or any of its owners engages in any conduct which, in Franchisor's reasonable opinion, adversely affects the reputation of any Shop or the goodwill associated with the Dunn Brothers Coffee® trademarks.

C. During the period from the date Franchisor sends a notice of default until all violations and defaults specified therein are cured by Developer or this Agreement is terminated, Franchisor will not be obligated to enter into any new Franchise Agreements with Developer or its affiliates or otherwise perform any obligations pursuant to this Agreement. Any default by Developer or its affiliates under any Franchise Agreement or other agreement with Franchisor or its affiliates shall constitute an immediate default under this Agreement. On termination or expiration of this Agreement, all rights licensed herein will automatically revert to Franchisor and Developer's right to acquire franchises to develop SHOPS within the Development Area will cease. Termination or expiration of this Agreement will not affect Developer's rights under any individual Franchise Agreements in effect at that time. Upon termination of this Agreement for any reason, all Development Rights shall immediately revert to Franchisor. Developer shall not be entitled to a refund of any portion of the Development Fee. Franchisor shall be free to develop, or license others to develop, Shops within the Development Area immediately upon such termination.

9. Indemnification. Developer agrees to indemnify, defend, and hold harmless Franchisor, its affiliates, and its and their respective owners, managers, directors, officers, employees, agents, successors, and assignees (the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, all Claims directly or indirectly arising out of the exercise of the Development Rights, whether or not in compliance with this Agreement, or its breach of this Agreement, including, without limitation, those alleged to be caused by the Indemnified Party's negligence, unless (and then only to the extent that) the Claims are determined to be caused solely by the Indemnified Party's gross negligence or intentional misconduct in a final, unappealable ruling issued by a court with competent jurisdiction. For purposes of this indemnification, "Claims" means all claims, obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim asserted against it by a third party, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation or alternative dispute resolution, regardless of whether litigation or alternative dispute resolution is commenced. Each Indemnified Party may defend any Claim at Developer's expense (including choosing and retaining its own legal counsel) and agree to settlements or take any other remedial, corrective, or other actions. This indemnity will continue in full force and effect following expiration or termination of this Agreement. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a Claim against Developer under this Section. Developer agrees that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover under this Section.

10. Ownership, Guaranty, and Managing Owner. If Developer is not a natural person, it agrees, represents, and warrants to Franchisor that: (i) it was validly formed and it will maintain, throughout the Term, Developer's existence and good standing under the laws of the state of its formation and remain qualified to do business in the state in which the Development Area is located; (ii) the information on Exhibit A is complete and accurate as of the Effective Date; (iii) the only business that it will own or operate during the Term will be development and operation of Shops; (iv) at Franchisor's request, Developer will furnish to Franchisor copies of all documents regarding Developer's formation, existence, standing, and governance; and (v) each of Developer's owners will sign and deliver to Franchisor its then-standard form of Guaranty and Assumption of Obligations (the "Guaranty"). Franchisor's current form of Guaranty appears as Exhibit B hereto. The non-owner spouse of each guarantor must also sign the Guaranty in the capacity and for the purposes reflected in the Guaranty.

11. Independent Contractor. Developer is and shall be considered an independent contractor with control and direction of its business and operations, subject to the conditions and obligations established by this Agreement. No agency, employment, or partnership is created by this Agreement. Developer's business is separate and apart from any that may be operated by Franchisor. Neither party to this Agreement shall make any representations tending to create apparent agency, employment, or

partnership. Franchisor does not exercise any control over Developer's labor relations, hiring, firing, scheduling, or compensation of employees. Developer shall post a sign in a conspicuous place in each Shop and on all letterhead and business forms, in the manner we prescribe, stating that the Shop is an independently owned and operated business.

12. Notices. All written notices, reports, and payments permitted or required to be delivered by the Agreement will be deemed to be delivered on the earlier of the date of actual delivery or one of the following: (i) at the time delivered by hand, or (ii) one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery. Any notice must be sent to Franchisor and Developer at their respective address shown in the opening paragraph of this Agreement, or to the email address or the most current principal business address of which the notifying party has notice; except that, it will always be deemed acceptable to send notice to Developer at the address of its Shops.

13. Enforcement. This Agreement, and any dispute arising hereunder, will be governed by Section 15 (Dispute Resolution; Injunctive Relief) of the first Franchise Agreement executed pursuant hereto, including those provisions respecting arbitration, governing law, venue, and injunctive relief, which provisions are deemed incorporated into this Agreement by reference.

14. No Waiver. The following provision applies if you or the franchise granted hereby are subject to the franchise registration or disclosure laws in Illinois, Indiana, Michigan, Minnesota, North Dakota, South Dakota, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

15. Miscellaneous. This Agreement represents the entire Agreement of the parties relative to its subject and cannot be waived, altered or rescinded in whole or in part except by an express writing by the parties. The provisions of this Agreement are severable and the invalidity or unenforceability of any of them will not affect the remainder of this Agreement. This Agreement cannot be amended except with the parties' mutual written consent. This Agreement shall be binding upon and inure to the benefit of the parties' administrators, executors, heirs, successors and assigns of the parties. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Faxed, scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures.

TO DEVELOPMENT AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given by each of the undersigned persons indicated below who have executed this Guaranty (each a “Guarantor”) to be effective as of the Effective Date of the Agreement (defined below).

In consideration of, and as an inducement to, the execution of that certain Development Agreement (as amended, modified, restated or supplemented from time to time, the “Agreement”) on this date by DUNN BROS FRANCHISING, LLC (“us”), each Guarantor personally and unconditionally (a) guarantees to us and our successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ (“Developer”) will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement and (b) agrees to be personally bound by, and personally liable for each and every provision in the Agreement that sets out an obligation of the Developer, including both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities.

Each Guarantor consents and agrees that: (1) Guarantor’s direct and immediate liability under this Guaranty will be joint and several, both with Developer and among other guarantors; (2) Guarantor will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Developer or any other person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may from time to time grant to Developer or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement; and (5) at our request, each Guarantor shall present updated financial information to us as reasonably necessary to demonstrate such Guarantor’s ability to satisfy the financial obligations of Developer under the Agreement.

Each Guarantor waives: (i) all rights to payments and claims for reimbursement or subrogation which any Guarantor may have against Developer arising as a result of the Guarantor’s execution of and performance under this Guaranty; and (ii) acceptance and notice of acceptance by us of Guarantor’s undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices to which he or she may be entitled.

Each Guarantor represents and warrants that, if no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

The provisions contained in Section 8 (Enforcement) of the Agreement, which are incorporated into this Guaranty by reference and shall govern this Guaranty and any disputes between the Guarantors and us. The Guarantors shall reimburse us for all costs and expenses we incur in connection with enforcing the terms of this Guaranty.

By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital

Exhibit B - 1

estate to Guarantor's performance of this Guaranty. We confirm that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

Each Guarantor that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Developer (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such Guarantor (or on such Guarantor's account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law.

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as this Guaranty and Assumption of Obligations was executed.

Independent Auditors' Report

To the Member and Board of Directors of
Dunn Bros Franchising, LLC

Opinion

We have audited the financial statements of Dunn Bros Franchising, LLC (the Company), which comprise the balance sheets as of January 4, 2026, December 29, 2024 and December 31, 2023 and the related statements of operations and member's (deficit) equity and cash flows for the years ended January 4, 2026, December 29, 2024 and December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of January 4, 2026, December 29, 2024 and December 31, 2023 and the results of its operations and its cash flows for the years then ended January 4, 2026, December 29, 2024 and December 31, 2023 in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Dunn Bros Franchising, LLC

Notes to Financial Statements

January 4, 2026, December 29, 2024 and December 31, 2023

1. Organization and Description of Business

Dunn Bros Franchising, LLC (the Company), a Delaware limited liability company (LLC), was formed on June 9, 2022. The sole member of the Company is Dunn Bros Parent LLC, a Delaware LLC (the Member).

The Company offers and sells franchises to operate coffee shops under the Dunn Brothers Coffee brand throughout the U.S. and internationally through a 99-year renewable trademark license agreement with its Member. The license agreement grants the Company a nonexclusive right to use the Dunn Brothers Coffee trademarks and to license the trademarks to franchisees under franchise agreements. As of January 4, 2026, December 29, 2024 and December 31, 2023, the Company had 46, 44 and 49 operating franchise locations, respectively, which are located throughout the United States.

2. Summary of Significant Accounting Policies

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Company believes this information includes all adjustments, consisting of normal recurring accruals, necessary to fairly present the financial condition as of January 4, 2026, December 29, 2024 and December 31, 2023. References to Accounting Standards Codification (ASC) and Accounting Standards Update (ASU) included hereinafter refers to the Accounting Standards Codification and Accounting Standards Update established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

Fiscal Year

In 2024, the Company converted from using a fiscal year ended December 31 to a fiscal year consisting of the 52 or 53-week period ending on the last Sunday closest to December 31. The fiscal period end date of the attached financial statements is January 4, 2026, December 29, 2024 and December 31, 2023. The prior period financial statements have not been adjusted to reflect the new fiscal year-end change. However, such change did not have a material effect on the financial statements.

Use of Estimates

The preparation of the financial statements, in accordance with U.S. GAAP, requires that management makes certain estimates and assumptions. These estimates and assumptions affect the reported amount of assets and liabilities and the disclosure of contingent assets and liabilities as of the balance sheet date. The actual results could differ significantly from those estimates.

Reclassifications

Certain reclassifications have been made to amounts to conform to current year presentation with no effect on the results of operations, member's (deficit) equity, or cash flows.

Dunn Bros Franchising, LLC

Notes to Financial Statements

January 4, 2026, December 29, 2024 and December 31, 2023

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with an original maturity of 90 days or less to be cash equivalents. As of January 4, 2026, December 29, 2024 and December 31, 2023, the Company carried no cash equivalents.

The Company maintains its cash and cash equivalents at major financial institutions in deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in the accounts and management believes it is not exposed to significant risk of loss related to the deposits.

Accounts Receivable, Net

Accounts receivable are stated net of an allowance for doubtful accounts and consist mainly of royalty fees and marketing administration fees collected from the Company's franchisees. On a periodic basis, the Company evaluates its accounts receivable balance and establishes an allowance for doubtful accounts, if required, based on a history of past write-offs and collections and current credit considerations. As of January 4, 2026 and December 29, 2024, the reserve totaled \$4,615. As of December 31, 2023, management determined there was no need for a reserve.

Significant Concentrations

As of January 4, 2026, three vendor rebates accounted for approximately 40% of accounts receivable. For the year ended January 4, 2026, rebates received from one vendor accounted for approximately 11% of total revenue.

As of December 29, 2024, one vendor rebate accounted for approximately 51% of accounts receivable. For the year ended December 29, 2024, rebates received from one vendor accounted for approximately 14% of total revenue.

As of December 31, 2023, one franchisee and one vendor rebate accounted for approximately 11% and 30% of accounts receivable, respectively. For the year ended December 31, 2023, no single customer comprised more than 10% of total revenue.

As of January 4, 2026, the Company had four vendors that accounted for 77% of total accounts payable. As of December 29, 2024 and December 31, 2023, no single vendor comprised more than 10% of total accounts payable.

The loss of any significant franchisee or vendor could have a material adverse effect on the Company's financial position and results of operations. While management believes alternative vendors could be identified, the loss of a key vendor may result in operational disruptions.

Property and Equipment, Net

Property and equipment are stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets, which range from three to seven years for equipment and the lesser of seven years or the life of the lease for leasehold improvements. The Company capitalizes assets with useful lives greater than one year and a value of more than \$500. Expenditures for major additions or improvements which extend the useful lives of assets are capitalized. Minor replacements, maintenance and repairs, which do not improve or extend the lives of the assets, are charged to operations as incurred. Disposals are removed at cost less accumulated depreciation and amortization, and any resulting gain or loss is reflected in current operations.

Leases

The Company accounts for leases in accordance with FASB ASU No. 2016-02, *Leases* (Topic 842). Topic 842 requires lessees to recognize the assets and liabilities that arise from leases on the accompanying balance sheets. At lease inception, leases are classified as either finance leases or operating leases with the associated right-of-use asset and lease liability measured at the net present value of future lease payments. Operating lease right-of-use assets are expensed on a straight-line basis as lease expense over the noncancelable lease term. Lease expense for the Company's finance leases is comprised of the amortization of the right-of-use asset and interest expense recognized based on the effective interest method.

The Company has made the following accounting policy elections with regard to its lease accounting:

- The Company separates its lease and nonlease components for all asset classes.
- When the rate implicit in the lease is not determinable, rather than use the Company's incremental borrowing rate, the Company uses a risk-free discount rate for the initial and subsequent measurement of lease liabilities for all assets classes.
- The Company does not apply the recognition requirements to minor office equipment leases with an original term of 12 months or less, for which the Company is not likely to exercise a renewal option or purchase the asset at the end of the lease; rather, short-term leases will continue to be recorded on a straight-line basis over the lease term.

Additional required disclosures for Topic 842 are contained in Note 7.

Franchise Agreements, Net

Franchise agreements are stated at fair value at the time of acquisition, less accumulated amortization. Amortization is computed using the straight-line method over the estimated useful lives of the assets, which was determined to be 15 years.

Fair Value Measurements

The Company's financial instruments, none of which are held for trading purposes, include cash, accounts receivable, net, accounts payable and accrued expenses. Management estimates that the fair value of all financial instruments at January 4, 2026, December 29, 2024 and December 31, 2023 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying financial statements.

Revenue Recognition

The Company records revenue under ASC No. Topic 606, *Revenue From Contracts With Customers* (Topic 606), which requires revenue to be recorded as the transfer of promised goods or services to customers in an amount that reflects the consideration to which the reporting entity expects to be entitled in exchange for those goods or services.

Franchise and Development Revenues

Topic 606 requires that the transaction price received from customers is allocated to each separate and distinct performance obligation. The transaction price attributable to each separate and distinct performance obligations is then recognized as the performance obligations are satisfied as specified in the contract. The transaction price in a standard franchise arrangement consists of (i) franchise/development fees; (ii) continuing franchise fees (royalties); and (iii) marketing fees.

Dunn Bros Franchising, LLC

Notes to Financial Statements

January 4, 2026, December 29, 2024 and December 31, 2023

The Company has identified pre-opening services as a single performance obligation and recognizes the franchise fees upon store opening. Franchise fees are generally due upon signing of the franchise agreement and are nonrefundable. Unamortized nonrefundable fees collected in relation to the sale of franchises are recorded as deferred franchise fee revenue. In the event a franchisee does not comply with their development timeline for opening franchise stores, the franchise rights may be terminated, and franchise fee revenue is recognized for nonrefundable deposits.

During 2024, the Company changed its estimate of revenue recognized for franchise and development revenues due to change the Company's expected cost for pre-opening services, which had the effect of decreasing operating loss and net loss by \$193,267.

Royalty and Marketing Fee Revenues

Royalty and marketing fee revenues are based on a percentage of sales and are recognized when the food items are delivered to or carried out by customers. Royalty fees amount to up to 8% of franchisee gross sales per year and marketing fees amount to up to 5% of franchisee gross sales per year. Payments for domestic royalties and marketing fees are generally due and collected within seven days of month end.

Vendor Rebate Revenues

Vendor rebate revenues are based on a percentage of sales or a dollar amount per quantity for purchases made by the Company's franchisees. Revenue is recognized at the point in time in which the sales are made. For certain vendors, the Company receives a signing bonus which is recognized evenly over the life of the contract.

General and Administrative Expenses

The Company's general and administrative expenses consist of occupancy costs, legal fees, office supplies and related expenses, telephone and internet and bank/finance charges.

Advertising and Marketing Costs

Advertising costs, including general brand marketing and contributions to local advertising cooperatives which are based on a percentage of sales, are expensed when incurred.

Franchised and Company-owned stores in the United States contribute to a Marketing Fund that the Company manages on behalf of these stores. The Company is committed under its franchise and other agreements to spend revenues of the Marketing Fund on marketing, creative efforts, media support, or related purposes specified in the agreements. Contributions to the Marketing Fund are recognized as revenue, while expenditures are included in advertising expenses on the accompanying statements of operations and member's (deficit) equity. Expenditures of the Marketing Fund are primarily amounts paid to third parties but may also include personnel expenses and allocated costs. At each reporting date, to the extent contributions to the Marketing Fund exceed expenditures on a cumulative basis, the excess contributions are recorded in Franchisee payables on the accompanying balance sheets. While no profit is recognized on amounts received by the Marketing Fund, when expenditures exceed contributions to the Marketing Fund on a cumulative basis, income from operations and net income may be affected due to the timing of when revenues are received and expenses are incurred.

Income Taxes

As a single member LLC, the Company is considered a disregarded entity and the results of its operations will be filed with the Member's federal and state income tax returns. Therefore, no liability for federal income taxes has been included in the financial statements.

The Company accounts for uncertain tax positions in accordance with ASC 740, *Income Taxes*. ASC 740 prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various related matters such as derecognition, interest, penalties and required disclosures. 7. Leases

Right-of-use assets represent the Company's right to use an underlying asset for the lease term, while lease liabilities represent the Company's obligation to make lease payments arising from the lease. Right-of-use assets and lease liabilities are recognized at the commencement date of a lease based on the net present value of lease payments over the lease term.

Certain of the Company's leases include options to renew or terminate the lease. The exercise of lease renewal or early termination options is at the Company's sole discretion. The Company regularly evaluates the renewal and early termination options and when they are reasonably certain of exercise, the Company includes such options in the lease term.

In determining the discount rate used to measure the right-of-use assets and lease liabilities, the Company uses the rate implicit in the lease, or if not readily available, the Company uses a risk-free rate based on U.S. Treasury notes or bond rates for a similar term.

Right-of-use assets are assessed for impairment in accordance with the Company's long-lived asset policy. The Company reassesses lease classification and remeasures right-of-use assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate new lease or upon certain other events that require reassessment in accordance with Topic 842.

The Company made significant assumptions and judgments in applying the requirements of Topic 842. In particular, the Company:

- Evaluated whether a contract contains a lease, by considering factors such as whether the Company obtained substantially all rights to control an identifiable underlying asset and whether the lessor has substantive substitution rights;
- Determined whether contracts contain embedded leases;
- Evaluated leases with similar commencement dates, lengths of term, renewal options or other contract terms, which therefore meet the definition of a portfolio of leases, whether to apply the portfolio approach to such leases;

Dunn Bros Franchising, LLC

Notes to Financial Statements

January 4, 2026, December 29, 2024 and December 31, 2023

- Determined for leases that contain a residual value guarantee, whether a payment at the end of the lease term was probable and, accordingly, whether to consider the amount of a residual value guarantee in future lease payments.

The Company leases its office space with a related party for 10 years, expiring on January 1, 2034.

In 2023, the Company determined that it was not going to exercise its lease renewal option related to its operating lease right of use asset. Accordingly, the Company remeasured the lease as of the effective date of its decision resulting in a change in its operating lease right-of-use assets and related operating lease liabilities of \$242,639.

The following table summarizes the operating lease right-of-use assets and operating lease liabilities as of January 4, 2026, December 29, 2024 and December 31, 2023:

	January 4, 2026	December 29, 2024	December 31, 2023

10. Supplier Relationship and Purchase Commitments

The Company is party to a purchase commitment agreement with its coffee supplier. The agreement requires the Company's franchisees to purchase a minimum of approximately \$415,000 of coffee for the period from October 2025 through March 2026. Should a shortfall occur, the Company is obligated to purchase the amount of the shortfall.

The Company sources green bean coffee for its franchise system with assistance from a coffee supplier and uses a third-party distributor for fulfilling orders. The third-party distributor is responsible for the collection of payments from the franchisees as well as the credit risk. The Company is paid a commission based on the coffee shipments from the coffee supplier to the third-party distributor.

In order to ensure an adequate supply of coffee to meet the needs of its franchisees, the Company has made forward commitments to purchase coffee from the coffee supplier. If the specific selections of coffee are not purchased in the quantities and time frame specified in the individual commitments, the Company would be obligated to purchase the coffee. Typically, the commitments to purchase a specific variety of coffee span four to eighteen months. As the coffee is purchased, the Company's obligation under a specific commitment is diminished and is replaced with new commitments for coffee. As of January 4, 2026, December 29, 2024, and December 31, 2023, the purchase requirements have been fulfilled by the franchisees and accordingly, the Company has not recognized a liability on its balance sheet for these amounts.

11. Commitments and Contingencies

Litigation

The Company from time to time may be involved in claims and legal proceedings in the ordinary course of its business. In the opinion of management, the Company is adequately insured against such claims and any ultimate liability arising from such proceedings will not have a material adverse effect on the financial condition, operations or cash flows of the Company.

12. Member's (Deficit) Equity

The Company's LLC operating agreement has a perpetual life. Excess cash flow, tax liability distributions, and profits and losses are to be distributed to the Member in accordance with the operating agreement. The liability of the Company's Member is limited to the Member's specific capital balance. Upon liquidation of the Company, the net assets will be distributed to the sole member.

For the years ended January 4, 2026 and December 29, 2024, the Company's member contributed \$358,000 and \$633,333 in cash, respectively, and distributed \$601,000 and \$848,398 in cash to its member, respectively.
