What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk be highlighted:

Out-of-State Dispute Resolution. The Franchise Agreement requires you to resolve disputes with us by arbitration in our home state (currently Ohio). Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with us in our home state than in your own state.

Mandatory Minimum Payments. You must make minimum royalty payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Unopened Franchises. The Franchisor has signed a significant number of Franchise Agreements with franchisees who have not yet opened their restaurants. If other franchisees are experiencing delays in opening their restaurants, you may also experience delays in opening your own restaurant.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

If you are a corporation, limited liability company, partnership or any other type of legal entity, the provisions of the Franchise Agreement also apply to your owners by virtue of the requirement that all your owners personally guarantee, and agree to be personally bound by, your obligations under the Franchise Agreement.

The Franchisor, and any Parents, Predecessors, and Affiliates

GEI offers the franchises described in this franchise disclosure document. GEI is an Ohio corporation. We were incorporated and began offering franchises for Charleys Restaurants in May 1990. We conduct business under our corporate name and the names “Charleys®”, “Charleys Philly Steaks®”, “Charley’s Grilled Subs®”, “Charleys Philly Steaks Wings • Philly Steaks®,” and “Charleys Cheesesteaks•Wings™”. Our principal business address is 5000 Arlington Centre Blvd., Suite 5300, Columbus, Ohio 43220. Our agents for service of process are listed in Exhibit C. We are not engaged in any other business and have never offered franchises in any other line of business.

We do not have a predecessor, however, our CEO and founder, Charley M. Shin opened the first Charley’s Steakery restaurant as a sole proprietorship in March 1986.

We do not operate any Charleys Restaurants directly; however, our affiliates described below have owned and operated Charleys Restaurants since March 1986 and these Restaurants are included as company-owned Restaurants for the purposes of this disclosure document. Anjani II Ltd., LLC is an Ohio limited liability company formed on October 8, 1996; Anjani III Ltd. LLC is an Ohio limited liability company formed on December 26, 2012; Charley’s Steakery, Inc. is an Ohio corporation formed on March 28, 1990; Modesto Ventures LLC is an Ohio limited liability company formed on December 20, 2010; CGS Ontario, LLC is an Ohio limited liability company formed on June 20, 2011; CPSW SOM Center, LLC is an Ohio limited liability company formed on May 20, 2019; and CPSW Shops 58, LLC is an Ohio limited liability company formed on March 16, 2021; and Legacy Restaurants LLC is an Ohio limited liability company formed on January 8, 2020. Each of these affiliates shares our principal business address. None of these affiliates have offered franchises in any line of business.

Our affiliate, CPS Sites LLC (“CPS Sites”) grants subleases to certain franchisees who develop franchised CPSW Restaurants in Walmart stores (“Walmart Locations”). CPS Sites is an Ohio limited liability company formed on January 18, 2021. CPS Sites shares our principal business address and has never offered franchises in any line of business.

Our affiliate, Lenny's Holdings LLC ("LHL"), an Ohio limited liability company formed on September 3, 2019, has offered franchises for Lennys Grill & Subs Restaurants ("Lennys Restaurants") since November 4, 2019. LHL acquired the assets of the Lenny's Restaurant brand from Lenny's Franchise Systems, LLC, an Indiana limited liability company, on November 4, 2019. As of December 31, 2025, there were 58 franchised Lennys Restaurants and four company-owned Lennys Restaurant in operation. We do not own or operate any Lennys Restaurants; however, our affiliate, Lenny's Steakery LLC ("LSL"), has owned and operated Lennys Restaurants since November 2019 and these restaurants are included as "company-owned Lennys Restaurants" for the purposes of this disclosure document. Both LHL and LSL share our principal business address. LSL has never offered franchises in any line of business.

Except as noted above, we have no parent, predecessors or affiliates that are required to be disclosed in this Item.

Our Business

We are in the business of franchising Charleys Restaurants that offer Philadelphia-style cheese steaks, buffalo style chicken wings, and several other varieties of grilled subs, french fries, lemonade and soft drinks. Charleys Restaurants operate in the quick-service to "fast-casual" segment of the restaurant industry. In this disclosure document, we refer to Restaurants operating in mall food courts, airports, military bases and inline locations as "CPS Restaurants" and we refer to Restaurants operating in inline and freestanding locations that additionally offer chicken wings and other chicken-based menu items as "CPSW Restaurants".

We have developed and own a comprehensive system for developing and operating Charleys Restaurants, which includes trademarks, interior designs and layouts, equipment, ingredients, recipes, methods of preparation and specifications for authorized food products, methods of inventory control and certain operational and business standards and policies (the "System"), all of which we may improve upon, further develop or otherwise modify from time to time.

The quick service restaurant industry is a highly competitive and developed market. Competitors include other quick service restaurants, fast casual dining restaurants, full-service restaurants and other food service providers. In addition, other quick service restaurant chains with greater financial resources have similar or competing operating concepts. Major chains, which also have substantially greater financial resources and longer operating histories, dominate the quick service segment of the restaurant industry.

Certain aspects of any restaurant business are regulated by federal, state and local laws, rules and ordinances in addition to the laws, regulations and ordinances applicable to businesses generally, such as the Americans with Disabilities Act, Federal Wage and Hour Laws, and the Occupational Safety and Health Act. The U.S. Food and Drug Administration ("FDA"), the U.S. Department of Agriculture, as well as state and local departments of health and other agencies have laws and regulations concerning the preparation of food and sanitary conditions of restaurant facilities. State and local agencies routinely conduct inspections for compliance with these requirements. The FDA and some states and municipalities regulate food labeling, nutrition, and health claims relating to food products. Under the Clean Air Act

and state implementing laws, certain state and local areas are required to attain, by the applicable statutory guidelines, the national quality standards for ozone, carbon monoxide and particulate matters. Certain provisions of such laws impose limits on emissions resulting from commercial food preparation.

The Franchise Offered

We may offer to qualified persons the right to own and operate a Charleys Restaurant at an agreed upon location pursuant to our standard form franchise agreement (the “Franchise Agreement”). A copy of the Franchise Agreement is attached as Exhibit A. Charleys Restaurants and the products and services they offer, are identified by the “Charleys”, “Charleys Philly Steaks”, “Charley’s Grilled Subs”, “Charleys Philly Steaks Wings•Philly Steaks,” and “Charleys Cheesesteaks•Wings” trademarks and by other current and future trademarks, service marks, trade dress, and distinctive interior designs and color schemes (the “Marks”).

We may offer franchises for Charleys Restaurants that will be located at non-traditional locations, such as college campuses, hospitals, public transportation facilities (e.g., airport facilities or highway rest stops), government (e.g., military bases) or institutional locations, supermarkets or grocery stores, home improvement stores, and department stores, as well as any gas/convenience store co-branding location in which the Charleys Restaurant is contained within the same building as the gas/convenience store or another restaurant concept. The terms and conditions of a franchise for a non-traditional location may vary considerably from the standard terms of our Franchise Agreement.

We also may offer franchises for CPSW Restaurants that will operate from Walmart Locations pursuant to a Walmart Addendum to our Franchise Agreement. A copy of the Walmart Addendum is attached as Exhibit L. Our affiliate, CPS Sites, has entered into a Master Sublease Agreement (“Master Sublease”) with Concept Development Solutions LLC (“Sublandlord”), a Florida limited liability company, for the operation of Charleys Restaurants in Walmart Locations. Concept Development Solutions LLC is a party to a Master Lease Agreement (“Master Lease”) with Wal-Mart Stores East, LP, Wal-Mart Stores, Inc., Wal-Mart Louisiana LLC, Wal-Mart Stores Texas, LLC and Wal-Mart Stores Arkansas, LLC (“Master Landlord”). CPS Sites will sub-sublease the premises at the Walmart Locations to our franchisees pursuant to the Sub-Sublease attached as Exhibit M.

We offer franchises for Charleys Restaurants in foreign countries. In most instances, we anticipate that master franchise relationships would be established and that the financial terms and the nature and scope of the master franchise relationship would be negotiated. This franchise disclosure document does not describe the terms of any international master franchise relationship or any other international relationship, but we may deliver this franchise disclosure document in connection with such transactions for general informational purposes.

NOTES:

1. **Initial Franchise Fee.** The initial franchise fee is described in Item 5. The initial franchise fee is reduced to \$15,000 for your second and any subsequent Restaurant.
2. **Leasehold Improvements.** Your costs for leasehold improvements will depend on many varying factors such as the type of location (e.g. strip center, mall food court, airport, military base, free standing, Walmart Location), the size and condition of the premises of your Restaurant and other local factors, including labor and material costs. The low end of the estimate is for a mall food court location that does not need in-Restaurant dining while the high end of the estimate is for an in-line or standalone location that has in-Restaurant dining and higher labor costs of a unionized labor force. You must use a general contractor that has been reviewed and approved by us at our sole discretion.

For new or relocated Walmart Locations, your costs for leasehold improvements may additionally include a leased premises improvement charge of \$59,550 that is paid to CPS Sites and passed through to the Master Landlord under the Master Lease. This fee is subject to change and is not applicable to existing locations, which you will take over in “as is” condition.

3. **Equipment/Furniture/Fixtures.** You must purchase or lease certain items of equipment; including but not limited to signs, display cases, fryers, grills, air conditioning and exhaust units, sinks, coolers, freezers, office equipment shelving, counters, banners, awnings, product photos and pictures. You also will be responsible for shipping and handling costs, which are included in the estimate.
4. **POS and Kiosk Systems.** You must purchase a point of sale system (“POS System”) and order kiosk system from one of our approved suppliers before you open your Restaurant. You must also use one of our approved vendors to install your POS System for the Restaurant. The estimate is dependent on how many terminals and kitchen displays your Restaurant may require. For the CPS Restaurants, the low estimate is based on the cost of two POS systems, one kiosk, and two kitchen displays and the high estimate is based on the cost of two POS systems, one kiosk, and three kitchen displays. For the CPSW Restaurants, the low estimate is based on the cost of two POS systems, one kiosk, and four kitchen displays and the high estimate is based

on the cost of four POS systems, two kiosks, and six kitchen displays. Currently, most of our CPS Restaurants use two POS systems, one kiosk, and two kitchen displays. Currently, most of our CPSW Restaurants without a drive thru use two POS systems, one kiosk, and five kitchen displays and CPSW Restaurants with a drive thru use four POS systems and six kitchen displays. For CPSW Restaurants operating in Walmart Locations, the low estimate is based on the cost of two POS systems, one kiosk, and four kitchen displays and the high estimate is based on the cost of two POS systems, two kiosks, and five kitchen displays.

5. **Signage.** You must purchase approved signage for the Restaurant from one of our approved suppliers. The estimates include higher costs for Restaurants with a drive-thru.
6. **Architect & Engineer.** You must use one of our approved architects for the planning and design of your Restaurant. Frequently, you will also need to use an engineer for mechanical, electrical, plumbing and occasionally structural engineering services. The cost of both the engineer and architect are included in the provided estimates. For a new, relocated, or expanded location, your costs for Walmart Locations shall additionally include an architectural fee of \$11,900 that is paid to CPS Sites and passed through to the Master Landlord under the Master Lease. An additional \$1,500 is due for Walmart Locations in California for work related to Title 24 regulations. This fee is subject to change.
7. **Training Expenses.** We provide instructors and instructional materials for the initial training in Columbus, Ohio, but you will need to arrange for transportation, lodging, and any wages for the attendees. At least two persons must attend the training program and the cost will depend on the distance the attendees must travel and the type of accommodations chosen. (See Item 11)
8. **Insurance.** You must obtain commercial general liability insurance, property casualty insurance, workers compensation, and employer's liability insurance as outlined in Item 8 and any other coverage that your landlord requires. The estimate covers annual insurance premiums for the Restaurant for the pre-opening and post-opening period.
9. **Deposits and Professional Fees.** We estimate that you will have to pay deposits on such items as utilities, phones, legal, accounting, and other professional fees that you may incur before the Restaurant opens for business.
10. **Real Estate.** The premises for a Charleys Restaurant typically are leased. Therefore, the estimated initial investment does not include the cost of purchasing real estate for a Restaurant. The estimates in the table are typical for pre-opening rent and for the first three months of operations. For Restaurants operating in Walmart Locations, this estimate also includes the Advance Payment, Plan Review Fee, and Placement Fees that are paid to CPS Sites and passed through to the Sublandlord under the Master Sublease. . In 2025, the square footage for company-owned mall food court CPS Restaurant locations ranged from 472 to 1,643 square feet. We estimate that franchisees will need approximately 400 to 900 square feet for a mall food court location and 1,200 to 2,500 square feet for a strip center or in-line Restaurant with

seating. In 2025, rents for company-owned CPS Restaurants in mall food court locations ranged from \$81.91 to \$649.46 per square foot. CPSW Restaurants will occupy between 1,200 to 2,000 square feet (900 to 2,500 square feet for a Walmart Location). All or a portion of the rental rate for some of our company-owned Restaurants is based on a percentage of sales, so the cost per square foot for these particular Restaurants varies from time to time. These rental rates are based on commercial leasing that we have experienced and may vary substantially from the rental rates that franchisees will have to pay.

11. **Grand Opening Marketing Kit.** Prior to the opening of your Restaurant, you must purchase a grand opening marketing kit from our approved vendors with an estimated cost ranging from \$7,000 to \$10,000. Our Marketing Department will present a range of grand opening marketing kits available to you for the opening of your Restaurant. Grand opening marketing kits may include grand opening/starter signage kits, digital advertising, decorations, printed materials, and give away items.
12. **Additional Funds.** These figures are estimates and include initial supplies of products for initial start-up, utilities, working capital, payroll costs and other additional funds for the first 3 months of operation. You will need to have on-hand sufficient capital to cover salaries for 12 to 25 employees for CPS Restaurants or 20 to 30 employees for CPSW Restaurants. We cannot guarantee that you will not have additional expenses. We relied on our experience in operating our company-owned Restaurants and information provided to us by our franchisees to compile this estimate.
13. **General.** Except as otherwise noted, none of these payments are refundable. We do not offer any financing for your initial investment. These figures reflect fluctuations and rising costs associated with supply chain shortages, fuel surcharges and other pandemic-related factors that affect both labor and product costs.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

To ensure that high and uniform standards of quality and service are maintained, you are required to operate your Restaurant in strict conformity with our methods, standards and specifications and you are required to purchase goods, services, supplies, fixtures, equipment and inventory only from suppliers (specifically including, but not limited to, beverage suppliers) that we have approved. Neither we nor any of our affiliates are currently designated or approved suppliers of any products. We did not earn any revenue in our last fiscal year from required purchases or leases of products or services by us to our franchisees. We may formulate and modify, at our sole discretion, specifications and standards we impose on franchisees and suppliers. We issue specifications and standards to franchisees through the Operations Manual and to suppliers by written agreement.

We attempt to negotiate purchasing arrangements with suppliers (including price terms) for the benefit of all Charleys Restaurants, including those owned by franchisees. We do not provide material benefits (e.g., renewal or additional franchises) to a franchisee based on the franchisee's use of designated or approved suppliers. If you want to use an alternate

supplier, you must make a written request to us for approval. You must obtain our approval in writing.

There are no franchisee purchasing or distribution cooperatives.

None of our officers own an interest in any privately held suppliers, or a material interest in any publicly held suppliers, of the Charleys franchise system. From time to time, our officers may own non-material interests in publicly held companies that may be suppliers (or have subsidiaries that may be suppliers) to our franchise system.

Items We Supply or Derive Revenue From

Several suppliers pay rebates or marketing allowances based on purchases by our franchised and company-owned Charleys Restaurants. The payments vary from supplier to supplier, and in some cases, the basis for the payment varies over time with respect to the same supplier. In addition, suppliers who exhibit at our conventions contribute to the cost of the conventions.

Under certain food and beverage supply arrangements, suppliers provide allowances to us based in large part on the amount of product ordered by all Charleys Restaurants. In 2025: a beverage supplier paid us a rebate of \$7.77 per gallon of beverage syrup and a beverage supplier paid us a rebate of \$6.79 per gallon of beverage syrup. Such amounts are set aside in a fund to be used by us to benefit the brand, as we determine in our sole discretion. We have a price protection plan in place with a beverage supplier that has agreed to refund to us the amount paid for beverage syrup in excess of an annual price increase threshold of 3.5%.

In 2025, we received a one-time signing bonus of \$260,000 from a food distributor. The funds were used to cover costs associated with transitioning away from our former food distributor.

Purchase or Lease of Equipment, Furniture, Fixtures and Signs

You may purchase or lease only those types, brands and models of fixtures, furniture, equipment, signs and supplies that we approve for Charleys Restaurants as meeting our specifications and standards. You may purchase or lease approved types, brands, or models of fixtures, furniture, equipment, signs, supplies and installation services only from suppliers approved by us. We will provide a list of approved suppliers to you. If you want to use an alternate supplier, you must make a written request to us for approval. You must obtain our approval in writing.

Food Products, Beverages, Supplies and Materials

Your Restaurant may use and/or offer for sale only food products, beverages, ingredients, uniforms, packaging materials, menus, forms, labels, equipment and other supplies and other products and services that conform to our specifications and quality standards and/or are purchased from suppliers we approve (which may include us and/or any of our affiliates). We may modify the list of approved brands and/or suppliers. After notice

of such modification, you may not reorder any brand or from any supplier that is no longer approved.

If you propose to use any food items, dry goods, fixtures, furniture, equipment, signs or supplies of a type, brand or model, or from a supplier that we have not approved, you must first notify us and submit sufficient information, specifications and samples concerning such item, brand and/or supplier so that we can decide whether such item and/or brand complies with our specifications and standards and/or such supplier meets our approved supplier criteria. For any food items or dry goods, you must complete our Supplier Information form for us to confirm the capability of the proposed supplier before purchasing any product for use in the restaurant. We have the right to charge reasonable fees to cover our costs, which we estimate will be between \$1,500 and \$2,000. We will notify you of our decision within a reasonable period of time, which will not exceed 90 days. We may prescribe procedures for the submission of requests for approval and impose obligations on suppliers, which we may require to be incorporated in a written agreement. We may impose limits on the number of suppliers and/or brands for any of the foregoing items. To the extent that we establish specifications, require approval of suppliers, or designate specific suppliers for particular items, we will publish our requirements in the Operations Manual.

We estimate that your purchases from approved suppliers or from suppliers that we designate, and otherwise under our standards, will be approximately 90% of the total purchases and leases of products and services needed to establish the Restaurant, and approximately 95% of the total purchases and leases of products and services needed to operate the Restaurant.

Specifications, Standards and Procedures

Each aspect of the interior and exterior appearance, layout, decor, services, equipment and operation of your Restaurant is subject to our specifications and standards. You are required to comply with all mandatory specifications, standards and operating procedures (whether contained in the Operations Manual or any other written communication) relating to the appearance, function, cleanliness and operation of a Charleys Restaurant. For example, we currently require you to use one of our approved architects for the planning and design of your Restaurant.

Sub-Sublease of Walmart Locations

If you operate your Restaurant at a Walmart Location, you must sign the Sub-Sublease with CPS Sites. The terms of the Sub-Sublease are disclosed in Item 10. Our affiliate CPS Sites earned net revenue from Walmart Location Sub-Subleases in 2025 which represents the difference between rent and other fees (10% of weekly Gross Sales) paid by you to CPS Sites and those paid by CPS Sites to Sublandlord (8% of weekly Gross Sales) as CPS Sites' management and guarantor fees as your Sub-Sublandlord and is used to cover our costs associated with maintaining our contractual relationship with Walmart and Concept Development Solutions, LLC. In 2025 CPS Sites earned \$9,145,238 in revenue. Of that amount, \$7,728,395 was paid to the Sublandlord.

Insurance

You are responsible for all loss or damage arising from or related to your development and operation of your Restaurant and all demands or claims with respect to any loss, liability, personal injury, death, property damage or expense occurring upon the premises of, or arising from the development and/or operation of, your Restaurant. You must maintain in full force and effect throughout the term of your Franchise Agreement that insurance that you determine is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of your Restaurant, which shall include, at a minimum, insurance policies of the kinds, and in the amounts, as set forth in the Operations Manual and as specified by your lease or sublease. We, and any entity with an insurable interest that we designate, shall be an additional insured in such policies to the extent each has an insurable interest. Currently, we require you to purchase the following insurance policies:

Commercial General Liability Insurance: Combined single limit of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate for bodily injury, death and property damage; \$2,000,000 for Products & Completed Operations Aggregate; \$1,000,000 for Personal Injury; \$300,000 for Fire Damage Legal Liability; and \$5,000 for Medical Expenses.

Automobile Liability Insurance (where appropriate): Combined single limit of not less than \$1,000,000; \$1,000,000 Uninsured/Underinsured Motorist; and \$5,000 Medical Payments.

Property Insurance: Casualty insurance, including fire and extended coverage, vandalism and malicious mischief, for the replacement value of your Restaurant and its contents.

Worker's Compensation and Employer's Liability Insurance: Worker's Compensation as required by the law of the state where your Restaurant is located and Employer's Liability Insurance in an amount not less than \$1,000,000 for each accident; \$1,000,000 for each employee (disease) and \$1,000,000 for policy limit (disease).

You must provide evidence of satisfactory insurance and proof of payment to us or our designee no later than 10 days before you begin construction of the Restaurant and on each policy renewal date thereafter. If your Restaurant is leased or subleased, the lease or sublease may require additional types of coverage, higher limits and other requirements. We may reasonably increase the minimum coverage required and/or require different or additional kinds of insurance to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. We will provide to you written notice of such modifications, and upon receipt, you must take prompt action to secure the additional coverage or higher policy limits.

POS System

You must record all sales on a POS System designated or approved by us. You must purchase your POS System from one of our approved suppliers before you open your Restaurant. You must use one of our designated vendors to install your POS System at the Restaurant.

CPS Sites entered into a Master Sublease Agreement dated February 25, 2021 (“Master Sublease”) with Concept Development Solutions, LLC (“Sublandlord”) for the operation of Charleys Restaurants in Walmart Locations. We estimate the time from the date you sign the Franchise Agreement to the date you open your Restaurant to be between 180 to 360 days. However, this time estimate may vary depending on numerous factors including location, local ordinances and regulations, construction schedules and financing.

Site Selection

Before you acquire, by lease or purchase, any site for a Restaurant, you must submit to us for acceptance within 180 days after signing the Franchise Agreement (the “Site Selection Period”) a complete site application form for the Charleys Restaurant that you propose to operate and that you in good faith believe to conform to our standard site selection criteria. We will review each site application form and determine whether to accept or reject the site after considering factors we deem appropriate, including the general location, neighborhood and distance to any other Charleys Restaurant, and whether the proposed premises meet our size and configuration standards and requirements. (Franchise Agreement, Section 3.01)

You must purchase or lease the premises for your Restaurant within 30 days after you sign the Franchise Agreement if you have previously had a site approved by us or within 30 days after we approve a site if we have not approved your site by the date that you sign the Franchise Agreement. You must start construction or renovation of the Restaurant within 90 days after you have leased, subleased or acquired the premises for the Restaurant. You must complete construction or renovation of the Restaurant within 90 days after the start of construction. You must open the Restaurant within 30 days after the date of construction or renovation is completed. Any extensions of time are subject to our approval, which we may withhold at our discretion. (Franchise Agreement Section 3.04)

You must purchase or lease all required equipment, furnishings, fixtures and signs for your Restaurant, which must be only such types, brands and models of fixtures, furniture, equipment, signs and supplies which we approve for Charleys Restaurants. You may purchase or lease approved types, brands or models of fixtures, furniture, equipment, signs and supplies only from suppliers approved by us. From time to time, we may modify the list of approved types, brands, models and/or suppliers. If you propose to purchase any item from a supplier that we have not previously approved, you must notify us and submit to us such information as we may request. We may impose reasonable inspection and supervision fees on approved suppliers to cover our costs. (Franchise Agreement Section 3.05)

Advertising

We may allocate the Advertising and Promotion Obligation (“**APO**”) at our discretion between the Marketing Fund, Local Store Marketing (“**LSM**”), or an advertising cooperative. We have the right, following written notice to you, to increase and reallocate the APO. We may not increase the APO above 5% of Gross Sales; however, this limitation on us does not prevent the Restaurant’s advertising cooperative from requiring a special regional promotional expenditure, that when added to your Marketing Fund contribution, advertising cooperative contribution and LSM expenditures, results in a total APO in excess of 5% of Gross Sales.

Currently, the APO for CPSW Restaurants operated in Walmart Locations and for CPS Restaurants is 3% of Gross Sales, 1% of which you must contribute to the Marketing Fund and 2% of which you must spend on LSM.

Currently, the APO for CPSW Restaurants that are not operated in Walmart Locations is 4% of Gross Sales, 1% of which you must contribute to the Marketing Fund and 3% of which you must spend on LSM.

Marketing Fund

We have established and administer the Marketing Fund for the creation and production of marketing materials and preparation of advertising campaigns. We may designate a successor entity to administer the Marketing Fund. If you operate a Restaurant, you must contribute to us amounts that we establish from time to time, not to exceed 5% of Gross Sales, which are payable weekly together with the royalty fees due under the Franchise Agreement. Restaurants that we and our affiliates own will contribute to the Marketing Fund on the same basis. Currently, CPS Restaurants and CPSW Restaurants contribute 1% of Gross Sales the Marketing Fund. All domestic franchised and company-owned Restaurants contribute on the same basis to the Marketing Fund, based on type of restaurant. Some third party vendors also contribute to the Marketing Fund. We do not use funds from the Marketing Fund for advertising that is principally a solicitation for the sale of new franchises.

Although the Marketing Fund is intended to maximize general recognition and patronage of the Marks for the benefit of all Charleys Restaurants, we cannot assure you that any particular Charleys Restaurant will benefit directly or pro-rata from the placement of advertising. We are not required to place any advertising materials in the area where your Restaurant is located. Funds contributed to the Marketing Fund may be used to pay for the cost of preparing and producing materials and programs we select, including video, audio and

written advertising materials, and for the cost of employing advertising agencies and in-house staff and supporting market research activities. We may furnish you with marketing, advertising and promotional materials at cost, plus any related administrative, shipping, handling and storage charges.

We will account for the funds in the Marketing Fund separately from our other funds and will not be used to defray any of our general operating expenses, except for reasonable salaries, administrative costs and overhead we may incur in activities related to the administration of the Marketing Fund and its programs, including conducting market research, preparing advertising and marketing materials, travel costs and meeting expenses and collecting and accounting for contributions to the Marketing Fund. All disbursements from the Marketing Fund shall be made first from income and then from contributions. We may spend in any fiscal year an amount greater or less than the aggregate contributions of all Charleys Restaurants to the Marketing Fund in that year, and we may borrow from affiliates or other lenders to cover deficits in funds or invest any surplus for future use.

We will prepare annually an unaudited statement of monies collected and costs incurred by the Marketing Fund and furnish you a copy upon your written request. We are not obligated to make Marketing Fund expenditures for you which are equivalent or proportional to your contributions, or to ensure that any particular franchisee benefits directly or pro rata from expenditures by the Marketing Fund. Except as otherwise expressly provided in the Franchise Agreement, we do not assume any direct or indirect liability or obligation with respect to the maintenance, direction or administration of the Marketing Fund. We do not act as trustee or in any other fiduciary capacity with respect to the Marketing Fund. We have the right to terminate and discontinue the Marketing Fund at any time, effective upon notice.

Through the Marketing Fund, we create and produce marketing materials, advertising campaigns and related programs and we make available these materials and campaigns to Charleys Restaurants and advertising cooperatives. We are not required to spend any amount on advertising in the area where your Restaurant is located. Charleys Restaurants and advertising cooperatives are responsible for placing and buying these materials and campaigns with various media, including television, radio, magazine, newspaper, billboards, transit and aerial advertising, which must be approved by us. Currently, the marketing program is predominately in-store printed POP, and digital marketing advertising and platforms. The advertising materials and campaigns are developed by independent advertising firms and our in-house advertising department. We do not have an advertising council composed of franchisees that advises us on our advertising policies.

We maintain the books and records for the Marketing Fund based on a calendar year end. For the calendar year ended December 31, 2025, the Marketing Fund had expenditures in the following categories: 13.89% for point of purchase items and merchandising; 49.58% for digital marketing; 6.91% for social media; 1.48% for public relations, 7.67% for guest feedback and research; and 20.47% for administrative costs and salaries.

Advertising Cooperatives

We have the right to establish local and/or regional advertising cooperatives for Charleys Restaurants in your local or regional area, covering such geographical areas as we may designate from time to time. As of the date of this disclosure document, we have not established any advertising cooperatives. However, we intend to establish them when appropriate and anticipate that, generally, we will designate advertising cooperative areas by determining Designated Market Areas as defined by Nielsen.

If and when established, you must participate in such advertising cooperative(s) and its programs (other than price advertising, as to which you may choose not to participate) and abide by its by-laws and other written agreements. We have not developed a form advertising cooperative agreement for use by the cooperatives as of the date of this disclosure. Whether the cooperatives must prepare annual or periodic financial statements has not been determined. If advertising cooperatives are established, you may obtain an accounting of the advertising cooperative upon written request. We have the right in our sole discretion to form, change, dissolve or merge advertising cooperatives.

If and when established, you will be required to contribute such amounts to the advertising cooperative(s) as they determine from time to time in accordance with their by-laws. Any Restaurants owned by us or any of our affiliates located in such designated local or regional area(s) will contribute to the cooperative(s) on the same basis. Contributions to such cooperatives are credited toward your APO; however, if we provide you and your cooperative 90 days' notice of a special promotion, you must participate in such promotion and pay to us any advertising fees assessed in connection with the special promotion, beginning on the effective date of such notice and continuing until such promotion is concluded. Any such special regional advertising fees shall be in addition to, and not credited towards, the APO required by the Franchise Agreement.

Advertising conducted by the cooperatives may be in various media, including television, radio, magazine, newspaper, billboards, transit and aerial advertising. The cooperatives will not use any funds for advertising that is principally a solicitation for the sale of franchises.

Local Store Marketing

You must spend for approved LSM on a quarterly basis, the difference between our established APO and the amount you contribute to the Marketing Fund or an advertising cooperative. Currently, CPSW Restaurants located in Walmart Locations and CPS Restaurants are required to spend 2% of Gross Sales and CPSW Restaurants that are not located in Walmart Locations are required to spend 3% of Gross Sales for approved LSM.

Within 30 days after the end of each fiscal quarter, if requested by us, you must provide us or our designee copies of all documentation demonstrating the amount and types of LSM expenditures made by you in the prior fiscal quarter. For these purposes, LSM expenditures include: amounts spent for advertising media, such as television, radio, newspaper, billboards, posters, direct mail, yellow pages, collateral promotional and novelty items, digital or social media advertising, advertising on public vehicles, such as taxis and buses, and, if not provided by us, the cost of producing approved materials necessary to

participate in these media. Advertising expenditures do not include amounts spent for items which we, in our reasonable judgment, deem inappropriate for meeting the minimum advertising requirement, including permanent on-premises signs and menu boards, lighting, menus, premiums, discounts, loyalty programs, free offers, and employee incentive programs.

If, in any fiscal year, you spend less than the required amount for the Restaurant for authorized LSM expenditures, you must contribute the difference between the required amount and the amount actually spent in that fiscal year to the Marketing Fund within 110 days after demand for payment is sent to you. In determining whether you have spent the required amount for the Restaurant for these purposes in any fiscal year, only expenditures made in that fiscal year will be counted and there will be no carryover from a previous fiscal year of any expenditures.

You must submit to us for our prior approval, samples of all advertising and promotional materials not prepared or previously approved by us and that vary from our standard advertising and promotional materials. You may not use any advertising or promotional materials that we have disapproved. We maintain a list of preferred vendors for use when creating advertising and promotional materials, which will be provided to you on request.

You may not promote, offer or sell any products or services relating to your Restaurant, nor use any of the Marks, through the Internet, any Web site or any other similar future technological avenues without our consent, which consent may be withheld for any reason or no reason. In connection with any such consent, we may establish such requirements as we deem appropriate, including (1) obtaining our prior written approval of any Internet domain name and home page addresses and social networking sites; (2) submission for our approval of all Web site and social networking pages, materials and content; (3) use of all hyperlinks and other links; (4) restrictions on use of any materials (including text, video clips, photographs, images and sound bites) in which any third party has any ownership interest; and (5) obtaining our prior written approval of any modifications.

As part of your ongoing marketing efforts and to build up the goodwill of your Restaurant in your community, we have the right to require you to participate in charitable programs and/or fundraising campaigns, all proceeds of which will be donated or used for charitable purposes. Franchised Charleys Restaurants currently donate \$.03 of each combo meal sold, which is bolstered by our contribution of \$.03 and our beverage vendor's contribution of \$.04 to the Charleys Kids Foundation.

Computer Hardware and Software

You must record all sales on POS Systems designated or approved by us. Your POS System must be fully compatible with our computer system and must include an information interface capability to communicate electronically with our computer system. You must maintain your POS System to be approachable from our computer system for us to access and retrieve all data in your POS System at all times. You must also purchase at least one ordering kiosk for your Restaurant.

Currently, we have approved the Brink POS System from ParTech, Inc., and Bite Kiosk the cost of which will range from approximately \$13,305 (for two POS terminals and

two kitchen video displays and one kiosk) to \$28,032 (for four POS terminals and six kitchen video displays and two kiosks). We may require you to obtain equipment (including telephone and data lines), software, and/or services to facilitate communications between your POS System and our computer system. You must purchase a support contract from ParTech for the Brink POS System at a cost of \$160 per month for up to two POS terminals and two kitchen video displays; and \$270 per month for four POS terminals and six kitchen video displays and an additional \$120 per month for kiosk software service.

For CPSW Restaurants and CPSW Restaurants located within a Walmart Location, you must purchase, lease, and install in-restaurant media equipment from our approved vendor, which is currently MoodMedia. You must also purchase internet service from a provider designated by Walmart. Fees for selecting a provider other than the designated preferred provider are \$150 per month, which must be paid to CPS Sites, LLC, which then passes the fee on to Walmart through the Sublandlord.

Currently, we do not require the use of any other proprietary software or related services, but may do so in the future. If we require you to use other proprietary software or related services, you agree to execute and comply with such software license agreements as we deem necessary to protect our interests, and you agree to pay such license, training, and maintenance or service fee as we deem reasonably appropriate.

You have an obligation to upgrade your computer hardware and software whenever we require it, without limitations on cost or frequency. We have no obligation to assist you in obtaining hardware, software or related services. Neither we, our affiliates, nor any third parties are required to provide ongoing maintenance, repairs, upgrades, or updates to your computer system.

There are no contractual limits on our independent access to the information and data generated by your POS System. We have the right to use the data we collect for any purpose.

Training

If you (or your Operating Partner) or any of your managers of the Restaurant have not previously completed to our satisfaction our initial training program, then prior to opening the Restaurant, you (or your Operating Partner) and all such managers, as applicable, must attend and successfully complete an initial training program on the operation of a Charleys Restaurant in Columbus, Ohio at such time(s) as we designate. At least two people including you (or your Operating Partner) must complete the initial training program to our satisfaction or we may terminate your Franchise Agreement. The initial training program must be completed before you open the Restaurant.

The initial training program lasts three weeks and will be scheduled according to our annual training schedule. The initial training program is held throughout the year and the schedule of training is based on the availability of space, the number of trainees, and the availability of instructors. The subjects covered, approximate hours of classroom and on-the-job training, and other information about our initial training program are described below:

TRAINING PROGRAM

SUBJECT	HOURS OF CLASSROOM TRAINING	HOURS OF ON-THE-JOB TRAINING	LOCATION**
Restaurant Ops* Food Safety; Crew Positions Certifications; Training team members;	8	42	Columbus, Ohio
Management Training Core Values, Operations Business Review, Operational Standards; Management/leadership proficiency; Marketing and Ops Administration; Guest Service proficiency; Guest Service proficiency; Guest Feedback	50	50	Columbus, Ohio
Total Hours: 150	58	92	

* If we, in our sole discretion, determine that you have sufficient experience in operations, we may not require you to complete the Restaurant Ops portion of the training program, and may reduce the length of your Management Training.

**We will periodically designate restaurants as “Certified Training Restaurants” and may also designate additional company-owned and/or franchised Charleys Restaurants as suitable locations where training will be conducted. We will determine the specific Restaurant locations for training on a case-by-case basis on a variety of factors, including proximity to the location where your Restaurant will be operated, convenience for both you and us, the status of the Charleys Restaurants in the market at that time, the capacity of the Certified Training Restaurants, availability of managers, and other factors. The locations are subject to change by us.

Instructional materials for the initial training program include the Operations Manual, E-Learning system (learning management platform), standard forms and training manuals.

Training is conducted monthly by our staff and under the supervision of John Hammond, our Director of Charleys Training Academy. Mr. Hammond joined us in 1993 and has 33 years of operations and training experience with us. Colette Siddle, our Field Training Manager, has 9 years training experience with other restaurants and franchise concepts. We also have additional restaurant management personnel who have relevant experience in our operations and the subject matter being taught. The initial training program consists of hands-on training covering all phases of restaurant operations, including food safety standards, an annual food safety certification process, food preparation, equipment operation and maintenance, cost control, inventory control and basic techniques of management.

You must replace any manager who fails to successfully complete a training program or who is otherwise not qualified to manage a Restaurant. You will be responsible for all compensation and expenses (including travel, meals and lodging) incurred in connection with any training programs. Neither you nor your employees will receive any compensation from us for services performed during training.

We may require you (or your Operating Partner) and your employees to attend and successfully complete other training courses, quality assurance programs, conferences (including annual conferences) and seminars at such locations as we may designate (“Ongoing Training”). You must pay our then-current fees for any Ongoing Training and you will be responsible for all expenses incurred by your participants (including, but not limited to, travel, meals, lodging and wages or salaries and benefits), which currently vary from \$1,500 to \$3,500 per program. Although we do not currently do so, we reserve the right to impose a fee for your failure to attend Ongoing Training.

You must establish at the Restaurant an employee training program meeting our standards. Your Restaurant employees that operate as crew members or managers must be active users of our learning management platform as this is the primary vehicle for the delivery of our restaurant training programs. All crew members are required to be properly certified (as defined by us) for the positions in which they work to ensure that brand standards are met. You must maintain a competent, conscientious, trained staff in numbers sufficient to promptly service customers, including specified positions and minimum staffing levels that we may establish from time to time in the Operations Manual. We do not provide any assistance to you with respect to the hiring of your employees.

ITEM 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from restaurants that we own or from other channels of distribution or competitive brands that we control.

The Franchise Agreement grants to you the right to own and operate a Charleys Restaurant at a specific location. The Franchise Agreement does not authorize you to sell products through other channels of distribution. You may not conduct the business of your Restaurant at any site other than the premises, or relocate your Restaurant, without our prior written consent. The Franchise Agreement does not provide you with any options, rights of first refusal, or similar rights to acquire additional franchises.

We and all of our affiliates (and our respective successors and assigns, by purchase, merger, consolidation or otherwise) retain all of our rights and discretion with respect to the Marks, the System and Charleys Restaurants anywhere in the world, and the right to engage in any business whatsoever, including the right to:

- (1) operate, and grant others the right to operate, Charleys Restaurants at locations and on terms and conditions we deem appropriate;

- (2) sell any products or services under the Marks or under any other trademarks, service marks or trade dress, through other channels of distribution (including the Internet, catalog sales, telemarketing, or other direct marketing); and
- (3) operate, and grant to others the right to operate, restaurants identified by trademarks, service marks or trade dress, other than the Marks, under terms and conditions we deem appropriate.

As noted in Item 1, our affiliates, LHL and LSL franchise and operate Lennys Restaurants. Lennys Restaurants offer sandwiches, some of which are similar to those offered in Charleys Restaurants. There may be now or in the future be Lennys Restaurants located in the same market as current and future Charleys Restaurants. These Lennys Restaurants could be affiliate-operated, franchised or both. If there is a conflict between you and us caused by a Lennys Restaurant or between a Charleys franchisee and a Lennys franchisee, our management team will attempt to resolve the conflict after taking into account the specific facts of each situation and what is in the best interests of the affected system or systems. However, we are not responsible for resolving conflicts between or among Charleys franchisees, or between or among a Charleys franchisee and a Lennys franchisee. LHL and LSL share our principal business address; however most LHL and LSL corporate staff are located in Memphis, Tennessee. We do not plan to maintain physically separate offices for the Charleys and the Lennys brands.

Except as previously described in Item 1 and in this Item 12, neither we nor any of our affiliates have established or presently intends to establish, other franchises or affiliate-operated outlets selling or leasing similar products or services under a different trade name or trademark; however, we retain the right to do so in the future.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving these marks. There are no agreements currently in effect which significantly limit our right to use or license the use of these marks in a manner material to the franchise.

From time to time, we become aware of other users of names, marks and/or restaurant building designs that may be confusingly similar to these marks or our distinctive building design. Where appropriate, we will take legal action. We are not aware of any superior prior rights or infringing uses that could materially affect your use of these marks.

The Franchise Agreement grants you the right to use our current and future trademarks, service marks, and trade dress used to identify the services and/or products offered by Charleys Restaurants, including our distinctive building designs and color schemes. If we believe, in our sole discretion, that it is advisable for us or you to modify or discontinue use of any Mark or use one or more additional or substitute trademarks, service marks or trade dress, you must comply with our directions. We will have no liability or obligation for your modification or discontinuance of any Mark or promotion of a substitute trademark, service mark or trade dress.

You must immediately notify us of any apparent infringement of or challenge to your use of any Mark or claim by any person of any rights to any Mark and you must not communicate with any person other than us and our counsel in connection with any infringement, challenge or claim. We will have sole discretion to take any action we deem appropriate and will have the right to control exclusively any litigation or USPTO or other administrative proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. You must execute any and all instruments and documents, provide assistance and do such acts and things as, in the opinion of our counsel, may be necessary or

advisable to protect our interests in any litigation or USPTO or other administrative proceeding or otherwise to protect our interests in the Marks.

We will indemnify you against, and reimburse you for, all damages for which you are held liable in any proceeding arising out of your authorized use of any Mark under the Franchise Agreement and, except as provided in the Franchise Agreement, for all costs you reasonably incur in defending any claim brought against you or any proceeding in which you are named as a party, if you have timely notified us of such claim or proceeding and you and your owners are in compliance with the Franchise Agreement and all other agreements entered into with us and our affiliates. At our sole discretion, we will be entitled to prosecute, defend or settle any proceeding arising out of your use of any Mark, and, if we decide to prosecute, defend or settle any such matter, we will have no obligation to indemnify or reimburse you for any fees or disbursements of counsel retained by you.

ITEM 14 PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

There are no patents or pending patent applications that are material to the franchise. We claim copyright protection for our Operations Manual and printed advertising and promotional materials. We have not registered the materials to which we claim copyright protection.

We consider certain information relating to the development and operation of Charleys Restaurants to be our trade secrets and proprietary information. This information includes:

- (1) ingredients, recipes and methods of preparation and presentation of certain food products;
- (2) site selection criteria for Charleys Restaurants and plans and specifications for the development of Charleys Restaurants;
- (3) sales, marketing and advertising programs and techniques for Charleys Restaurants;
- (4) identity of suppliers and knowledge of specifications and pricing for authorized food products, materials, supplies and equipment;
- (5) knowledge of operating results and financial performance of Charleys Restaurants, other than your own Restaurant;
- (6) methods of inventory control, storage, product handling and management of Charleys Restaurants;
- (7) computer systems and software programs; and
- (8) any and all other information we provide you that is designated orally or in writing as proprietary or confidential or by its nature would reasonably be understood to be proprietary or confidential, regardless whether such information is specifically designated as proprietary or confidential.

All recipes, processes, ideas, concepts, advertising and promotional materials, website pages and content, methods, techniques or materials used or useful to a quick service restaurant business, whether or not constituting protectable intellectual property (collectively, the “Materials”), that you create, or that are created on your behalf, in connection with the development or operation of your Restaurant must be promptly disclosed to us. If we adopt any of such Materials as part of the System, or deem them to be sufficiently related to us and our business to be considered proprietary, they will be deemed to be our sole and exclusive property and deemed to be Works-made-for-Hire for us, and to the extent the Materials may for any reason not be considered a Work-made-for-Hire, you will be required to irrevocably convey, grant, transfer and assign to us all right, title and interest which you may have now or in the future in and to the Materials.

You may not use our confidential information in an unauthorized manner and must take reasonable steps to prevent its disclosure to others.

There currently are no effective determinations of the Copyright Office (Library of Congress) or any court regarding any of the copyrighted materials. Nor are there any agreements currently in effect which significantly limit our right to use or authorize you to use the copyrighted materials. Further, there are no infringing uses actually known to us that could materially affect your use of the copyrighted materials in any state. Except as noted above, we are not required by any agreement to protect or defend copyrights or confidential information, although we will do so when this action is in the best interest of our franchise system.

ITEM 15
OBLIGATION TO PARTICIPATE
IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

If you are, or at any time become, a business corporation, partnership, limited liability company or other legal entity, you must designate in Exhibit A to the Franchise Agreement as the “Operating Partner” an individual approved by us who must: (1) own and control, or have the right to own and control (subject to conditions reasonably acceptable to us), at least 10% of your equity and voting rights; (2) have the authority to bind you regarding all operational decisions with respect to your Restaurant; and (3) have completed our training program to our satisfaction.

You (or your Operating Partner): (1) shall exert your full-time and best efforts to the development and operation of your Restaurant and all other Charleys Restaurants you own; and (2) may not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility or time commitments or otherwise may conflict with your obligations under the Franchise Agreement. Except as provided in the Operations Manual, your Restaurant at all times must be managed by you (or your Operating Partner) or by a manager who has completed our training program to our satisfaction.

If you are a partnership, corporation, limited liability company or other legal entity, each owner must undertake to be personally bound, jointly and severally, by your obligations under the Franchise Agreement. A copy of the personal guaranty is attached as Exhibit C to the Franchise Agreement.

ITEM 16
RESTRICTION ON WHAT THE FRANCHISEE MAY SELL

We require you to sell all food, beverage and other products and services that we determine from time to time to be appropriate for your Restaurant. You are not restricted as to the customers whom you may serve at the Restaurant.

Your Restaurant will not be permitted to offer any products or services (including promotional items) not authorized by us for Charleys Restaurants without our prior written approval. We have the right to change the types of authorized goods and services, and there are no limits on our right to make changes. You may not use your Restaurant for any purpose other than the operation of a Charleys Restaurant in compliance with the Franchise Agreement.

You must at all times maintain an inventory of approved food products, beverage, ingredients and other products sufficient in quantity, quality and variety to realize your Restaurant's full potential.

We may conduct market research to determine consumer trends and salability of new food products and services. You are required to participate in our market research programs by test marketing new food products and services in your Restaurant and providing us with timely reports and other relevant information regarding such market research. You must purchase a reasonable quantity of such test products, which can range from \$1,000 to \$6,000, and make a reasonable effort to sell them.

**ITEM 18
PUBLIC FIGURES**

We do not use any public figure to promote the sale of our franchises.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATION**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the franchise disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

There were 766 franchised Restaurants in operation as of December 31, 2025. The Statement Of Average Gross Sales table below presents information about the historic annual sales of 713 franchised Restaurants that were open during the entire 2025 calendar. This table excludes the performance of 40 franchised Restaurants that opened during 2025, 24 franchised Restaurants that permanently closed during 2025, and 13 franchised restaurants that were temporarily closed in 2025.

**STATEMENT OF AVERAGE GROSS SALES
FOR FRANCHISED RESTAURANTS
2025**

Type of Restaurant	Average Gross Sales	Median Sales	Range of Gross Sales	No. of Restaurants	No. of Restaurants That Met or Exceeded Average
Military Bases	\$664,875	\$599,993	\$222,140 - \$1,395,521	65	26 (40.00%)
Airport	\$1,300,879	\$1,271,990	\$600,230 - \$2,030,417	3	1 (33.33%)
Mall Food Court	\$1,011,314	\$947,967	\$297,808 - \$2,910,878	310	127 (40.97%)
Strip Center	\$803,888	\$691,658	\$194,646 - \$2,749,718	194	76 (39.18%)
Walmart	\$611,127	\$581,548	\$256,207 - \$1,509,752	141	63 (44.68%)
All Restaurants	\$845,372	\$743,169	\$194,646 - \$2,910,878	713	294 (41.23%)

Notes

1. The term "Gross Sales" means the aggregate amount of all sales of food, beverages and other products sold and services rendered in connection with a Restaurant, including monies derived from sales at or away from the Restaurant, whether for cash or credit, but excluding: (1) all federal, state or municipal sales or service taxes collected from customers and paid to the appropriate taxing authorities; and (2) all customer refunds and adjustments and promotional discounts made by the Restaurant.

2. The Gross Sales of the franchised Restaurants in this Item 19 were derived from reports obtained from the franchised Restaurants' POS systems and unaudited financial reports submitted by franchisees for the purpose of computing royalty fees. Due to the absence of real-time integration between third-party delivery platforms and POS systems that result in promotional discounts or refunds not being deducted from the Gross Sales made through third-party delivery platforms that are reported from the franchised Restaurant POS systems, we reduced each franchised Restaurant's reported Gross Sales by the actual amount of promotional discounts and refunds made by DoorDash, Uber Eats and Grubhub for that franchised Restaurant. For other third-party delivery platforms (which accounted for 0.7% of the Gross Sales at the franchised Restaurants included in this Item 19), we reduced the reported Gross Sales made through those third-party delivery platforms by 5% for

franchised Restaurants that use the Brink POS system to account for promotional discounts and refunds offered by those third-party delivery platforms.

3. **Some Restaurants have sold this much. Your individual results may differ. There is no assurance that you'll sell as much.**

4 We have not included the costs of sales, operating costs or other costs and expenses for the Restaurants.

5. Written substantiation of the data used in preparing this financial performance representation will be made available to you upon reasonable request. However, we will not disclose the identity or sales data of any particular Restaurant without the consent of that owner, except to any applicable state registration authorities or except in connection with the sale of a particular existing Restaurant that we own.

Other than the preceding financial performance representation, Gosh Enterprises, Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Associate Counsel, Grant Bacon at (614) 923-4700, the Federal Trade Commission, and the appropriate state regulatory agencies.

NOTES

The names, addresses and telephone numbers of our franchisees and their Restaurants are listed in Exhibit D. Exhibit F contains contact information for franchisees that had a Franchise Agreement terminated, canceled, not renewed or otherwise voluntarily or involuntarily ceased to do business under a Franchise Agreement during our most recently completed fiscal year or failed to communicate with us within 10 weeks of the date of this disclosure document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During our last three fiscal years, no current or former franchisees have signed confidentiality clauses that restrict them from discussing with you their experiences as a franchisee in our franchise system.

We have a Franchise Advisory Council or “FAC”. The FAC serves as a liaison that provides advice and feedback to us about matters and issues relating to the Charleys franchise system. The FAC may be contacted through our Marketing Department at 5000 Arlington Centre Blvd., Suite 5300, Columbus, Ohio 43220, (614) 923-4725. As of the date of issuance of this disclosure document, there are no independent trademark-specific franchisee organizations associated with the Charleys franchise system.

CHARLEYS RESTAURANT FRANCHISE AGREEMENT

This Agreement is made as of _____ (the “Effective Date”) by and between **GOSH ENTERPRISES, INC.** (“GEI” or “we”), an Ohio corporation, with its principal place of business located at 5000 Arlington Centre Blvd., Suite 5300, Columbus, Ohio 43220, and _____ (“Franchisee” or “you”), a(n) _____ whose principal address is _____.

1. INTRODUCTION.

1.01. Charleys Restaurants. As the result of the expenditure of time, skill, effort and money, we have developed and own a comprehensive system (“System”) for developing and operating restaurants, which feature a limited menu of fresh grilled subs and such other menu items as we may authorize from time to time that operate under the name and mark “Charleys” (collectively “Charleys Restaurants”). We identify the System by means of the “Charleys” marks, including the “Charleys®”, “Charleys Philly Steaks®”, “Charley’s Grilled Subs®”, “Charleys Philly Steaks Wings • Philly Steaks®,” and “Charleys Cheesesteaks•Wings™”. names and marks and certain other names, marks, logos, insignias, slogans, emblems, symbols, designs, indicia of origin, trade dress and distinctive interior designs, layouts and color schemes (collectively, the “Marks”) that we have designated, or may in the future designate, for use with the System.

The distinguishing characteristics of our System include, without limitation: the Marks, equipment, ingredients, recipes, methods of preparation and specifications for authorized food products, methods of inventory control and certain operational and business standards and policies, all of which we may improve, further develop or otherwise modify from time to time.

We refer to Charleys Restaurants operating in mall food courts, airports, military bases and inline locations as “CPS Restaurants” and we refer to Charleys Restaurants operating in inline and freestanding locations that additionally offer chicken wings and other chicken-based menu items as “CPSW Restaurants”.

You understand and acknowledge the importance of our high and uniform standards of quality, operations and service and the necessity of developing and operating Charleys Restaurants in strict conformity with this Agreement and with our confidential operations manual (the “Operations Manual”)

1.02. Your Acknowledgments. You have read this Agreement and the Charleys Restaurant franchise disclosure document (“Disclosure Document”). You understand the terms of this Agreement and accept them as being reasonably necessary to maintain the uniformity of our high quality standards at all Charleys Restaurants in order to protect the goodwill of the Marks and the integrity of the System. You have conducted an independent investigation of the business contemplated by this Agreement and recognize that the restaurant industry is highly competitive, with constantly changing market conditions. You recognize that the nature of Charleys Restaurants may change over time, that an investment in a Charleys Restaurant involves business risks and that the success of the venture is largely dependent on your own business abilities, efforts and financial resources. You have not

received or relied on any guaranty or assurance, express or implied, as to the revenues, profits or success of the business venture contemplated by this Agreement.

1.03. Your Representations. You, and each person or entity that has a direct or indirect legal or beneficial ownership interest in you, if you are a business corporation, partnership, limited liability company or other legal entity (“Owner”), if applicable, represent and warrant to us, that: (a) neither you nor any of your Owners has made any untrue statement of any material fact or has omitted to state any material fact in obtaining the rights granted hereunder; (b) neither you nor any of your Owners has any direct or indirect legal or beneficial interest in any business that may be deemed a Competitive Business (as defined in Section 7.02), except as otherwise completely and accurately disclosed in your franchise application; and (c) the execution and performance of this Agreement will not violate any other agreement to which you or of any of your Owners may be bound. You recognize that we have approved your franchise application in reliance on all of the statements you and your Owners have made in connection therewith.

2. GRANT OF RIGHTS.

2.01. Grant of Franchise. Subject to the terms of this Agreement, we grant to you the right (“Franchise”), and you assume the obligation, to operate a franchised Charleys Restaurant (the “Restaurant”) at the location identified in Exhibit B (the “Premises”) and to use the System solely in connection therewith. The initial term of this Agreement and the Franchise granted by this Agreement shall begin on the date of this Agreement and terminate at midnight on the day preceding the 10th anniversary of the date the Restaurant first opened for business (the “Term”), unless this Agreement is terminated at an earlier date pursuant to Section 14. (We will complete and forward to you a notice, in a form substantially similar to attached Rider 1, to memorialize the date the Restaurant first opened for business.) You may not conduct the business of the Restaurant or use the System at any site other than the Premises, or relocate the Restaurant, without our consent.

2.02. Our Reservation of Rights. Except as otherwise expressly provided in this Agreement, we and all of our Affiliates (and our respective successors and assigns, by purchase, merger, consolidation or otherwise) retain all of our rights and discretion with respect to the Marks, the System and Charleys Restaurants anywhere in the world, and the right to engage in any business whatsoever, including the right to: (a) operate, and grant to others the right to operate, Charleys Restaurants at such locations and on such terms and conditions as we deem appropriate (you acknowledge that such Charleys Restaurants may be in direct competition with your Restaurant, without regard to any adverse effects of such activities on your Restaurant and without any obligation or liability to you); (b) sell any products or services under the Marks or under any other trademarks, service marks or trade dress, through other channels of distribution; and (c) operate, and grant to others the right to operate, restaurants identified by trademarks, service marks or trade dress, other than the Marks, pursuant to such terms and conditions as we deem appropriate. You acknowledge and agree that your rights hereunder are non-exclusive. You waive, to the fullest extent permitted under applicable law, all claims, demands, or causes of action arising from or relating to any of the foregoing activities by us or any of our Affiliates.

2.03. Definition of “Affiliate” In this Agreement, an “Affiliate” is any person or entity that directly or indirectly owns or controls the referenced party, that is directly or indirectly

owned or controlled by the referenced party, or that is under common control with the referenced party. The term “control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity, whether through ownership of voting securities, by contract or otherwise.

2.04. Area Representative Program. You acknowledge and agree that we may implement an area representative program on such terms and conditions we deem appropriate from time to time, pursuant to which we may, effective on notice to you, delegate to one or more area representatives any or all of our obligations hereunder, provided (a) we shall remain responsible and liable for performance of any such obligations, and (b) any such area representatives shall be intended third-party beneficiaries of any and all of your covenants and agreements hereunder that we deem appropriate in connection therewith. We may discontinue the area representative program at any time, and we may replace an area representative responsible for your Restaurant at any time effective on notice to you.

3. DEVELOPMENT OF THE RESTAURANT.

3.01. Selection of Premises. If the Premises have not been identified in Exhibit B as of the Effective Date, we will provide you with our standard site selection criteria and on-site evaluations as we deem appropriate. You agree to submit to us for acceptance, within one hundred eighty (180) days after the Effective Date (the “Site Selection Period”) and in accordance with our requirements and procedures, a complete site application form for the Charleys Restaurant that you propose to operate and that you in good faith believe to conform to our standard site selection criteria. In considering whether to accept your proposed location, we will consider such factors as we deem relevant, including general location, neighborhood and distance to any other Charleys Restaurant, and whether the proposed premises meet our size and configuration standards and requirements. Upon acceptance of a proposed location (and confirmation that you have leased, subleased or purchased the location in accordance with the applicable provisions of Section 3.03), Exhibit B will be completed and signed by both parties, and the location identified in Exhibit B will be deemed the “Premises”.

If you and we are unable to mutually agree on an acceptable location for your Charleys Restaurant during the Site Selection Period or if you fail to lease, sublease or purchase the accepted location for your Charleys Restaurant within 30 days after we accept the Premises, either party has the right to terminate this Agreement, effective upon notice. We may, in our sole discretion and at your request, grant one or more extensions to the Site Selection Period and charge you extension fees in connection therewith.

3.02. Site Acceptance Disclaimer. Neither our proposal nor acceptance of the Premises nor any information communicated to you regarding our standard site selection criteria for Charleys Restaurants constitutes a warranty or representation of any kind, express or implied, as to the suitability of the Premises for a Charleys Restaurant or for any other purpose. Our proposal or acceptance of the Premises merely signifies that we are willing to grant a franchise for a Charleys Restaurant at that location. Your decision to develop and operate a Charleys Restaurant at the Premises is based solely on your own independent investigation of the suitability of the Premises for a Charleys Restaurant. In consideration of our proposal or acceptance of the Premises, you and each of your Owners release us, and our Affiliates, officers, directors, employees and agents (including any area

representatives) from any and all losses, damages and liability arising from or in connection with the selection and/or acceptance of the Premises for development as a Charleys Restaurant.

3.03. Purchase or Lease of Premises. You must lease, sublease or purchase the Premises within 30 days of the Effective Date or within 30 days after the date that we accepted the Premises in accordance with Section 3.01 if the Premises was not identified in Exhibit B as of the Effective Date. We may provide you guidance with respect to leasing or subleasing the Premises as we deem appropriate. We have the right to approve the terms of any lease, sublease or purchase contract for the Premises, and you agree to deliver a copy to us for our approval before you sign it.

You agree that any lease or sublease for the Premises must, in form and substance satisfactory to us: (a) provide for notice to us of your default under the lease or sublease and an opportunity for us to cure such default; (b) require the lessor or sublessor to disclose to us, on our request, sales and other information furnished by you; (c) give us the right on any termination or expiration (without renewing the franchise) of this Agreement to assume the lease or sublease without the lessor's or sublessor's consent; (d) give us and our agents the right to enter the Premises to make any modifications to the decor of the Premises to protect our rights to the Marks; (e) provide that the lessor and/or sublessor relinquishes to us, on any termination or expiration (without renewing the franchise) of this Agreement, any lien or other ownership interest, whether by operation of law or otherwise, in and to any tangible property, including outdoor signage, that embodies any of the Marks; and (f) require that the lessor and/or sublessor acknowledges that we have no liability or obligation whatsoever under the lease or sublease until and unless we assume the lease or sublease on termination or expiration of this Agreement.

You may not execute a lease, sublease or purchase contract or any modification thereof for the Premises without our approval. Our approval of the lease, sublease or purchase contract does not constitute a warranty or representation of any kind, express or implied, as to its fairness or suitability or as to your ability to comply with its terms. We do not, by virtue of approving the lease, sublease or purchase contract, assume any liability or responsibility to you or to any third parties. You must deliver a copy of the fully signed lease, sublease or purchase contract to us within 5 days after its execution. If you or one of your Affiliates at any time owns the Premises, you must immediately notify us and we may require that you or such Affiliate enter into a lease with us at commercially reasonable rates for a term equal to the Term, and we will sublease the Premises to you on the same terms as the prime lease.

3.04. Development of the Premises. You are responsible for developing the Restaurant, for all expenses associated with it and for compliance with the requirements of any applicable federal, state or local law, code or regulation, including those concerning the Americans with Disabilities Act ("ADA") or similar rules governing public accommodations for persons with disabilities.

We will furnish you with the prototype plans for a Charleys Restaurant. The prototype plans are to be used as a guideline for your use in developing a final set of plans for construction of the Restaurant. You may modify those prototype plans only as required to ensure that the plans and all specifications comply with all applicable federal, state and local laws, codes and regulations, ordinances, building codes and permit requirements and

any lease requirements and restrictions. If you are developing a free standing location, you may not make modifications to the dimensions or the exterior design of the building for the Restaurant. You must engage the services of an architect that has been approved by us for the planning and design of the Restaurant and submit all modified plans and specifications to us for our approval before starting to develop the Premises. Our review and approval of your plans are not designed to assess compliance with federal, state or local laws and regulations, including the ADA, as compliance with such laws is your sole responsibility. At our request, you must submit all revised or “as built” plans and specifications. All development must be in accordance with the plans and specifications we have approved and must comply with all applicable laws, ordinances and local rules and regulations.

You must engage the services of a general contractor that has been approved by us for developing the Premises. We will furnish such guidance to you in developing the Premises as we deem appropriate. We may periodically inspect the Premises during its development. We do not, by providing a list of approved architects and/or general contractors, approving your plans or specifications or inspecting the Premises, assume any liability or responsibility to you or to any third parties. Such approvals and inspections shall be solely for the purpose of assuring compliance with our standards and shall not be construed as any express or implied representation or warranty that your Restaurant complies with any applicable laws, codes or regulations (including the ADA or any other federal, state, or local law or ordinance regulating standards for the access to, use of, or modifications of buildings for any by persons whose disabilities are protected by law) or that the construction thereof is sound or free from defects. All prototype plans and other plans and specifications for the Restaurant shall be our sole and exclusive property, and you may claim no interest therein.

You must start construction or renovation of the Restaurant within 90 days after you have leased, subleased or acquired the Premises. You must complete construction or renovation of the Restaurant within 90 days after the start of construction or renovation. You must open the Restaurant within 30 days after the date construction or renovation is completed. Any extensions of time are subject to our approval, which we may withhold at our discretion.

The requirement to complete construction or renovation of the Restaurant includes obtaining all required construction and occupancy licenses and permits, developing the Premises (including all outdoor features and landscaping of the Premises, if applicable), installing all required fixtures, furnishings, equipment and signs, and doing all other things as may be required pursuant to this Agreement or by practical necessity to have the Restaurant ready to open for business. You may not open the Restaurant for business until we have notified you that the Restaurant meets our requirements for opening, including payment in full of the initial franchise fee and all other amounts then owing to us, successful completion of our initial training program, and our receipt of your certificates of insurance in compliance with Section 9.07.

3.05. Equipment, Furniture, Fixtures and Signs. You agree to purchase or lease all required equipment, furnishings, fixtures and signs for the Restaurant. You agree to purchase or lease only such types, brands and models of fixtures, furniture, equipment, signs and supplies which we approve for Charleys Restaurants as meeting our standards and specifications, including standards and specifications for quality, design, warranties, appearance, function and performance. You may purchase or lease approved types, brands

or models of fixtures, furniture, equipment, signs and supplies only from suppliers approved by us (including us and any of our Affiliates). From time to time, we may modify the list of approved types, brands, models and/or suppliers, and you may not, after receipt of notice of such modification, reorder any type, brand or model, or from any supplier, which is no longer approved.

If you propose to purchase any fixtures, furniture, equipment, signs or supplies of a type, brand or model, or from a supplier, that we have not previously approved, you must notify us and submit to us such information as we may request. We may impose reasonable inspection and supervision fees on approved suppliers to cover our costs.

3.06. Opening Assistance. If you (or your Operating Partner as defined in Section 8.03) have not previously owned or managed a Charleys Restaurant, we will provide you with such opening assistance as we deem appropriate to assist you in starting your operations, including on-site opening assistance for not more than 7 days, as scheduled by us.

3.07. Grand Opening Marketing Kit. Prior to the opening of your Restaurant, you must purchase a grand opening marketing kit from our approved vendors with an estimated cost ranging from \$7,000 to \$10,000. Our Marketing Department will present a range of grand opening marketing kits available to you for the opening of your Restaurant. Grand opening marketing kits may include grand opening/starter signage kits, digital advertising, decorations, printed materials, and give away items.

4. TRAINING AND GUIDANCE.

4.01. Initial and Ongoing Training Programs. If you (or your Operating Partner) or any of your managers of the Restaurant have not previously completed to our satisfaction our initial training program, then prior to opening the Restaurant, you (or your Operating Partner) and all such managers, as applicable, must attend and successfully complete an initial training program on the operation of a Charleys Restaurant at such time(s) and place(s) as we designate. As of the Effective Date, our initial training program is held in Columbus, Ohio. At least two persons, including you (or your Operating Partner), must have completed to our satisfaction our initial training program or we may terminate this Agreement. You will be responsible for all compensation and expenses (including travel, meals and lodging) incurred by you and your personnel in attending any training programs. You must immediately replace any manager who fails to successfully complete any training program or who otherwise is not qualified to manage a Charleys Restaurant.

We may require you (or your Operating Partner) and your employees to attend and successfully complete other training courses, quality assurance programs, conferences (including annual conferences) and seminars at such locations as we may designate (“Ongoing Training”). You will pay the then-current fee for any Ongoing Training and will be responsible for all expenses incurred by your participants (including, but not limited to, travel, meals, lodging and wages or salaries and benefits). We reserve the right to impose a fee for your failure to attend Ongoing Training.

4.02. On-Going Guidance. We will furnish you periodic guidance with respect to the System, including improvements and changes to the System. Such guidance, at our discretion, will be furnished in the form of the Operations Manual, bulletins and other

written materials, consultations by telephone or in person at our offices or at the Restaurant, or by any other means of communications. At your request, we may provide special assistance for which you will be required to pay the per diem fees and charges we may establish from time to time.

4.03. Operations Manual. We will provide access to our Operations Manual, as amended from time to time, which may consist of one or more manuals, containing our mandatory and suggested standards, specifications and operating procedures relating to the development and operation of Charleys Restaurants and other information relating to your obligations under this Agreement. The term “Operations Manual” also includes alternative or supplemental means of communicating such information by other media which specifically reference that they are to be considered part of the Operations Manual, including bulletins, e-mails, limited access intranet sites, DVDs, videotapes, audio tapes, compact discs, computer diskettes, CDs and other electronic media. You agree to comply fully with all mandatory standards, specifications and operating procedures and other obligations contained in the Operations Manual. We may modify the Operations Manual from time to time to reflect changes in standards, specifications and operating procedures, provided no addition or modification may alter your fundamental status and rights under this Agreement. If a dispute develops relating to the contents of the Operations Manual, our master copy will be controlling. The Operations Manual contains Confidential Information, as defined in Section 7.01 and you agree not to copy any part of the Operations Manual or to allow unauthorized persons access to the Operations Manual.

5. TRADEMARKS.

5.01. Ownership of the Marks. You acknowledge that we own the Marks. Your right to use the Marks is derived solely from this Agreement and is limited to conducting business pursuant to and in compliance with this Agreement. Your unauthorized use of any of the Marks constitutes a breach of this Agreement and an infringement of our rights to the Marks. This Agreement does not confer on you any goodwill or other interests in the Marks. Your use of the Marks and any goodwill established thereby inures to our exclusive benefit. All provisions of this Agreement applicable to the Marks apply to any additional or substitute trademarks, service marks and trade dress we authorize you to use. You may not at any time during or after the Term contest, or assist any other person in contesting, the validity or ownership of any of the Marks.

5.02. Use of the Marks. You agree to use the Marks as the sole identification of the Restaurant, provided you identify yourself as the independent owner thereof in the manner we prescribe. You agree to use the Marks as we prescribe in connection with the sale of authorized food products, beverages and services. You may not use any Mark (or any abbreviation, modification or colorable imitation) as part of any corporate or other entity name or in any other manner (including as an electronic media identifier, such as a Web site, Web page, domain name, meta-tag, download, application, posting, social networking profile, directory listing, screen name, anonymous name, blog, vlog, e-mail account, instant messaging account or texting identity) not expressly authorized by us in writing.

5.03. Discontinuance of Use of Marks. If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark and/or use one or more additional or substitute trademarks, service marks or trade dress, you agree to comply with our directions

within a reasonable time after notice. We will have no liability or obligation whatsoever with respect to any such required modification or discontinuance of any Mark or the promotion of a substitute trademark, service mark or trade dress.

5.04. Notification of Infringements and Claims. You must notify us immediately of any apparent infringement of or challenge to your use of any Mark, or any claim by another person of any rights in any Mark. You may not communicate with any person, other than us and our counsel, in connection with any such infringement, challenge or claim. We will have sole discretion to take such action as we deem appropriate and will have the right to control exclusively any litigation or U.S. Patent and Trademark Office proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark. You must sign any and all documents, render such assistance and do such things as may be advisable in the opinion of our counsel to protect our interests in any litigation or U.S. Patent and Trademark Office or other administrative proceeding or otherwise to protect our interests in the Marks.

5.05. Indemnification of Franchisee. We agree to indemnify you against, and to reimburse you for, all damages for which you are held liable in any proceeding arising out of your authorized use of any Mark pursuant to and in compliance with this Agreement and, except as provided herein, for all costs you reasonably incur in defending any such claim brought against you, provided you have timely notified us of such claim and provided further that you and your Owners and Affiliates are in compliance with this Agreement and all other agreements entered into with us or any of our Affiliates. We, at our sole discretion, are entitled to prosecute, defend and/or settle any proceeding arising out of your use of any Mark pursuant to this Agreement, and, if we undertake to prosecute, defend and/or settle any such matter, we have no obligation to indemnify or reimburse you for any fees or disbursements of any legal counsel retained by you.

6. FEES.

6.01. Initial Franchise Fee. Simultaneously with your execution of this Agreement, you agree to pay us an initial franchise fee of \$24,500.00. The initial franchise fee is fully earned by us as of the Effective Date and is not refundable.

6.02. Royalty Fees. You agree to pay us weekly royalty fees equal to the greater of: (a) \$300; or (b) 6% of Gross Sales. Royalty fees are payable on or before Thursday of each Week with respect to the Gross Sales incurred during the immediately preceding Week.

We define a “Week” as each 1 week period starting on Monday through the following Sunday, subject to change by us. The first Week each year shall conform to the start of our Fiscal Year for that year. A “Fiscal Year” is the fiscal year that we may determine from time to time. As of the Effective Date, our Fiscal Year consists of weekly periods ending on the Monday closest to December 31st each year.

“Gross Sales” includes the aggregate amount of all sales of food, beverages and other products sold and services rendered at the Premises or otherwise rendered in connection with the Restaurant, including monies derived from sales at or away from the Restaurant, whether for cash or credit, but excluding: (1) all federal, state or municipal sales or service taxes collected from customers and paid to the appropriate taxing authority; and (2) all customer refunds and adjustments and promotional discounts.

6.03. Marketing Contributions and Expenditures. We have established the Marketing Fund (as described in Section 10.02 below) and we may establish an advertising cooperative in your region (as described in Section 10.03 below). During any period that the Marketing Fund and/or an advertising cooperative is/are in effect, you must make contributions to such fund(s) in such proportions and amounts as we may require under Section 10 below. Additionally, as described in Section 10.03, we require that you spend certain amounts (which will be determined as described in Section 10.03 below) for local marketing and advertising initiatives.

6.04. Designated Account. Prior to the opening of your Restaurant, and as a condition thereof, you shall establish a designated bank account from which we shall be authorized to withdraw in any manner which we prescribe (including electronic transfer of funds), any amounts due to us or our Affiliates from you under this Agreement, including royalty fees and Marketing Fund contributions. You agree not to close the account (or allow the account to be closed) without first opening and notifying us of an alternate account, nor to terminate any direct debit authorization from the account without a replacement authorization approved by us. You authorize us to initiate debit entries and/or credit entries to the account for payments of royalty fees and other amounts payable under this Agreement. We have the right to review your Gross Sales on a periodic basis, including a daily basis. Prior to the weekly payment date of royalty fees, we shall calculate the royalty fee due for the immediately preceding Week and withdraw such amount and any other amounts due under this Agreement, including any Marketing Fund or advertising and cooperative contributions set forth under Section 10 directly from the designated account. All costs and expenses of establishing and maintaining such designated account, including transaction fees and funds transfer fees, shall be paid by you. If we have not been able to access your Gross Sales, or to have received weekly reports of Gross Sales from you, then we may debit the account in an estimated amount based on prior reports of Gross Sales.

6.05. Late Charges and Interest On Late Payments. All payments of royalty fees and other periodic fees payable each Week shall be due and payable on, and must be received by us, by Thursday of the immediately following Week. Any payment or report not actually received by us on or before such date shall be deemed overdue. If any payment is overdue, you shall pay to us, in addition to the overdue amount, a late fee (in such amount as we may determine from time to time) and/or interest on such amount from the date it was due until paid, at a rate which is the lesser of 12% per annum or the maximum rate permitted by law. You also agree to maintain at all times sufficient funds in such designated bank accounts for such withdrawals as provided in Section 6.04. If sufficient funds are not available in the designated bank account at the time of an electronic transfer to pay fees that are due us or our Affiliates, we have the right to collect a service fee, subject to applicable law. Entitlement to such interest and service fee shall be in addition to any other remedies we may have. Your failure to have sufficient funds available in the designated account in an amount equal to any amount then due or your failure to pay all amounts when due, constitutes grounds for termination of this Agreement, as provided in Section 14.

6.06. Application of Payments. We may apply any payments by you to any of your past due indebtedness for royalty fees, Marketing Fund contributions (as defined in Section 10.02) or any other indebtedness to us or any of our Affiliates, notwithstanding any designation by you.

6.07. Collection Costs and Expenses. You agree to pay us on demand any and all costs and expenses incurred by us in enforcing the terms of this Agreement, including, without limitation, collecting any monies owed by you to us. These costs and expenses include, but are not limited to, cost and commissions due a collection agency, reasonable attorneys' fees, costs incurred in creating or replicating reports demonstrating Gross Sales of your Restaurant, court costs, expert witness fees, discovery costs and reasonable attorneys' fees and costs on appeal, together with interest charges on all of the foregoing.

7. RESTRICTIVE COVENANTS

7.01. Confidential Information. We will disclose parts of our Confidential Information to you solely for your use in the operation of the Restaurant. "Confidential Information" includes our proprietary and confidential information relating to the development and operation of Charleys Restaurants, including: (a) ingredients, recipes, and methods of preparation and presentation of authorized foods products; (b) site selection criteria for Charleys Restaurants and plans and specifications for the development of Charleys Restaurants; (c) sales, marketing and advertising programs and techniques for Charleys Restaurants; (d) identity of suppliers and knowledge of specifications and pricing for authorized food products, materials, supplies and equipment; (e) knowledge of operating results and financial performance of Charleys Restaurants, other than the Restaurant and other Charleys Restaurants you own; (f) methods of inventory control, storage, product handling, training and management relating to Charleys Restaurants; (g) computer systems and software programs; and (h) any and all other information we provide you that is designated orally or in writing as proprietary or confidential or by its nature would reasonably be understood to be proprietary or confidential, regardless whether such information is specifically designated as proprietary or confidential.

The Confidential Information is proprietary and includes our trade secrets. During the Term and thereafter: (1) you may not use the Confidential Information in any other business or capacity (you acknowledge such use is an unfair method of competition); (2) you must exert your best efforts to maintain the confidentiality of the Confidential Information; (3) you may not make unauthorized copies of any portion of the Confidential Information disclosed in written, electronic or other form; and (4) you must implement all reasonable procedures we prescribe from time to time to prevent unauthorized use or disclosure of the Confidential Information, including the use of nondisclosure agreements (in form and substance satisfactory to us) with your officers, directors, managers and assistant managers and the delivery of such agreements to us.

7.02. In-Term Covenants. During the Term, neither you nor any of your Owners may, without our prior consent (which consent may be withheld for any reason or no reason): (a) directly or indirectly (such as through members of your or their Immediate Families, which includes a spouse, parents, siblings and adult children, whether natural or adopted) own any legal or beneficial interest in, or render services or give advice to: (1) any Competitive Business located anywhere; or (2) any entity located anywhere which grants franchises, licenses or other interests to others to operate any Competitive Business; or (b) divert or attempt to divert any business or customer of Charleys Restaurants to any competitor or do anything injurious or prejudicial to the goodwill associated with the Marks or the System.

A “Competitive Business” is any fast food, quick-service, or fast casual restaurant: (a) featuring submarine sandwiches or other food items now or in the future featured by Charleys Restaurants; (b) offering and selling submarine sandwiches and for which the sale of such sandwiches constitutes 10% or more of its sales (or such sales from a single location constitute 10% or more of the total sales of that location) during any calendar quarter or calendar year; or (c) any other business that is the same as or similar to the Charleys Restaurant concept, as it evolves or changes over time. Restrictions in this Agreement on competitive activities do not apply to: (1) the ownership or operation of other Charleys Restaurants that are licensed or franchised by us or any of our Affiliates; or (2) the ownership of shares of a class of securities that are listed on a stock exchange or traded on the over the counter market and that represent less than 5% of that class of securities.

7.03. Post-Term Covenants. For a period of 2 years, starting on the effective date of the termination or expiration (without renewing the franchise) of this Agreement, neither you nor any of your Owners may directly or indirectly (such as through members of your or their Immediate Families) own any legal or beneficial interest in, or render services or give advice to: (a) any Competitive Business operating at the Premises or within a 3-mile radius of the Premises; (b) any Competitive Business operating within a 3-mile radius of any Charleys Restaurant in operation or under construction on the effective date of termination or expiration; or (c) any entity which grants franchises, licenses or other interests to others to operate any Competitive Business.

7.04. Scope of the Covenants. If any part of Section 7.02 or Section 7.03 is found to be unreasonable in time or distance, each month of time or mile of distance may be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court to that deemed reasonable. You and each of your Owners acknowledge that we have a protectable legal interest in the System, customers of Charleys Restaurants and the goodwill associated with the Marks and the non-competition covenants contain in Section 7.01 and Section 7.02 are necessary elements to their protection and are an integral part of this Agreement. You and each of your Owners also expressly acknowledge the possession of skills and abilities of a general nature and the opportunity for exploiting such skills in other ways, so that enforcement of the covenants made in this Section will not deprive any of you of your personal goodwill or ability to earn a living. If you or any of your Owners fail or refuse to abide by any of the foregoing covenants, and we obtain enforcement in a judicial or arbitration proceeding, the obligations under the breached covenant will be tolled during the period(s) of time that the covenant is breached and/or we seek to enforce it, and will continue in effect for a period of time ending 2 years after the date of the order enforcing the covenant.

7.05. Information Exchange. All recipes, processes, ideas, concepts, advertising and promotional materials, website pages and content, methods, techniques or materials used or useful to a quick service restaurant business, whether or not constituting protectable intellectual property (collectively, the “Materials”), that you create, or that are created on your behalf, in connection with the development or operation of your Restaurant must be promptly disclosed to us. If we adopt any of such Materials as part of the System, or deem them to be sufficiently related to us and our business to be considered proprietary, they will be deemed to be our sole and exclusive property and deemed to be Works-made-for-Hire (as such term is defined under Section 101 of the Copyright Act) for us, and to the extent the Materials may for any reason not be considered a Work-made-for-Hire, you irrevocably convey, grant, transfer and assign to us all right, title and interest which you may have now

or in the future in and to the Materials. You agree to sign whatever assignment or other documents we request, during and after the Term, to evidence our ownership or to assist us in securing intellectual property rights in the Materials, and you warrant that you will obtain all rights from any third party acting on your behalf to comply with this provision.

8. YOUR ORGANIZATION AND MANAGEMENT

8.01. Organizational Documents. If you are, or at any time become, a business corporation, partnership, limited liability company or other legal entity, you and each of your Owners represent, warrant and agree that: (a) you are duly organized and validly existing under the laws of the state of your organization, and, if a foreign business corporation, partnership, limited liability company or other legal entity, you are duly qualified to transact business in the state in which the Restaurant is located; (b) you have the authority to execute and deliver this Agreement and to perform your obligations hereunder; (c) true and complete copies of the articles of incorporation, partnership agreement, bylaws, subscription agreements, buy-sell agreements, voting trust agreements and all other documents relating to your ownership, organization, capitalization, management and control have been delivered to us and all amendments thereto shall be promptly delivered to us; (d) your activities are restricted to those necessary solely for the development, ownership and operation of Charleys Restaurants in accordance with this Agreement and in accordance with any other agreements entered into with us or any of our Affiliates; (e) the articles of incorporation, partnership agreement or other organizational documents recite that the issuance, transfer or pledge of any direct or indirect legal or beneficial ownership interest is restricted by the terms of this Agreement; and (f) all certificates representing direct or indirect legal or beneficial ownership interests now or hereafter issued must bear a legend in conformity with applicable law reciting or referring to such restrictions.

8.02. Disclosure of Ownership Interests. You and each of your Owners represents, warrants and agrees that Exhibit A is current, complete and accurate. You agree that updated Exhibits A will be furnished promptly to us, so that Exhibit A (as so revised and signed by you) is at all times current, complete and accurate. Each person who is or becomes an Owner must execute a personal guaranty or agreement in form as we prescribe, the current form of which is attached as Exhibit C, undertaking to be bound jointly and severally by the terms of this Agreement. Each Owner must be an individual acting in his or her individual capacity, unless we waive this requirement.

8.03. Operating Partner/Management of Business. If you are, or at any time become, a business corporation, partnership, limited liability company or other legal entity, you must designate in Exhibit A as the “Operating Partner” an individual approved by us who must: (a) own and control, or have the right to own and control (subject to conditions reasonably acceptable to us), not less than 10% of your equity and voting rights; (b) have the authority to bind you regarding all operational decisions with respect to the Restaurant; and (c) have completed our training program to our satisfaction.

You (or your Operating Partner): (a) shall exert your full-time and best efforts to the development and operation of the Restaurant and all other Charleys Restaurants you own; and (b) may not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility or time commitments or otherwise may conflict with your obligations hereunder. The Restaurant at all times must be managed by you (or your

Operating Partner) or by a manager who has completed our training program to our satisfaction.

9. RESTAURANT OPERATING STANDARDS.

9.01. Condition of Restaurant. You must maintain the Restaurant's condition and appearance so that it is attractive, clean and efficiently operated. You agree to maintain the Restaurant's condition and appearance and to make such modifications and additions to its layout, decor, and general theme as we require from time to time, including replacement of worn-out or obsolete fixtures, equipment, furniture, signs and utensils, repair of the interior and exterior and appurtenant drive-thru and parking areas and periodic cleaning and redecorating. If at any time the general state of repair, appearance or cleanliness of the Restaurant or its fixtures, equipment, furniture, signs or utensils, does not meet our standards, we may notify you and specify the action you must take to correct such deficiency. If, within 10 days after receiving such notice, you fail or refuse to initiate and thereafter continue in good faith and with due diligence a bona fide program to complete such required maintenance, we have the right (in addition to our rights under Section 14), but not the obligation, to enter the Premises and do such maintenance on your behalf and at your expense. You must promptly reimburse us for such expenses.

You must periodically upgrade and/or remodel the Restaurant pursuant to our plans and specifications, provided, however, we will not require substantial remodeling more often than every 5 years during the Term.

If the Restaurant is damaged or destroyed by fire or other casualty, you must initiate within 30 days (and continue until completion) all repairs or reconstruction to restore the Restaurant to its original condition. If, in our reasonable judgment, the damage or destruction is of such a nature that it is feasible, without incurring substantial additional costs, to repair or reconstruct the Restaurant in accordance with the then standard Charleys Restaurant layout and decor specifications, we may require you to repair or reconstruct the Restaurant in accordance with those specifications.

You may not make any alterations to the Restaurant, nor any replacements, relocations or alterations of fixtures, equipment, furniture or signs, without our approval. We have the right at your expense to rectify any replacements, relocations or alterations not previously approved by us.

9.02. Uniform Image. You agree that the Restaurant will offer for sale food, beverages and other products and services that we determine from time to time to be appropriate for the Restaurant. You further agree that the Restaurant will not, without our approval, offer any products or services (including promotional items) not then authorized by us. The Restaurant may not be used for any purpose other than the operation of a Charleys Restaurant in compliance with this Agreement. You agree that the Restaurant will offer courteous and efficient service and a pleasant ambiance.

9.03. Products and Services. You acknowledge that the reputation and goodwill of Charleys Restaurants is based on, and can be maintained only by, the sale of distinctive high quality products and services. Therefore, you agree that the Restaurant will use and/or offer for sale only food products, beverages, ingredients, uniforms, packaging materials, menus,

forms, labels and other supplies and other products and services that conform to our specifications and quality standards and/or are purchased from suppliers we approve (which may include us and/or any of our Affiliates). We may modify the list of approved brands and/or suppliers. After notice of such modification, you may not reorder any brand or from any supplier which is no longer approved.

If you propose to use any food items, dry goods, fixtures, furniture, equipment, signs or supplies of a type, brand or model, or from a supplier that we have not approved, you must first notify us and submit sufficient information, specifications and samples concerning such item, brand and/or supplier so that we can decide whether such item and/or brand complies with our specifications and standards and/or such supplier meets our approved supplier criteria. For any food items or dry goods, you must complete our Supplier Information form for us to confirm the capability of the proposed supplier before purchasing any product for use in the Restaurant. We have the right to charge reasonable fees to cover our costs. We will notify you of our decision within a reasonable period of time. We may prescribe procedures for the submission of requests for approval and impose obligations on suppliers, which we may require to be incorporated in a written agreement. We may impose limits on the number of suppliers and/or brands for any of the foregoing items.

Subject to the provisions contained in this Section 9.03, you acknowledge and agree that (i) we and/or our Affiliates may receive payments, fees, commission or reimbursements from suppliers and third parties in respect to such purchases, (ii) we and/or our Affiliates may have investments in such suppliers, and (iii) we and/or our Affiliates may profit from your purchases from approved suppliers.

You must maintain at all times an inventory of approved food products, beverages, ingredients and other products sufficient in quantity, quality and variety to realize the Restaurant's full potential.

We may conduct market research to determine consumer trends and salability of new food products and services. You agree to cooperate by participating in our market research programs, test marketing new food products and services in the Restaurant and providing us timely reports and other relevant information regarding such market research. You must purchase a reasonable quantity of such test products and make a reasonable effort to sell them.

9.04. Specifications and Standards. You acknowledge that each and every aspect of the interior and exterior appearance, layout, decor, services, equipment and operation of the Restaurant is important to us and is subject to our specifications and standards. You agree to comply with all mandatory specifications, standards and operating procedures, as modified from time to time (whether contained in the Operations Manual or any other written communication) relating to the appearance, function, cleanliness or operation of a Charleys Restaurant, including: (a) type, quality, taste, weight, dimensions, ingredients, uniformity, and manner of preparation, packaging and sale of food products and beverages; (b) sales procedures and customer service; (c) advertising and promotional programs; (d) appearance and dress of employees; (e) safety, maintenance, appearance, cleanliness, sanitation, standards of service and operation of the Restaurant; (f) days and hours of operation; and (g) bookkeeping, accounting and record keeping systems and forms.

9.05. Compliance With Laws. You must maintain in force in your name all required licenses, permits and certificates relating to the operation of the Restaurant. You must operate the Restaurant in full compliance with all applicable laws, ordinances and regulations. You must notify us in writing within 5 days after: (a) the commencement of any legal or administrative action, or the issuance of any order of any court, agency or other governmental instrumentality, which may adversely affect the development, occupancy or operation of the Restaurant or your financial condition; or (b) the delivery of any notice of violation or alleged violation of any law, ordinance or regulation, including those relating to health or sanitation at the Restaurant.

All of your advertising and promotion must be completely factual and must conform to the highest standards of ethical advertising. In all dealings with us, as well as your customers, suppliers, lessors and the public, you must adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to our business, to the business of other Charleys Restaurants or to the goodwill associated with the Marks.

9.06. Personnel. Except as set forth in the Operations Manual, the Restaurant must at all times be under the direct, on premises supervision of a manager who has completed our training program to our satisfaction and staffed by a sufficient number of competent and properly trained employees. You (or your Operating Partner) at all times must remain active in overseeing the operations of the Restaurant. If the relationship with your Operating Partner terminates, you must promptly hire a successor Operating Partner. Any successor Operating Partner must meet our approval and must successfully complete our training program.

You agree to maintain a competent, conscientious, trained staff in numbers sufficient to promptly service customers, including specified positions and minimum staffing levels that we may establish from time to time in the Operations Manual. Your Restaurant employees that operate as crew members or managers must be active users of our learning management platform as this is the primary vehicle for the delivery of our restaurant training programs. All crew members are required to be properly certified (as defined by us) for the positions in which they work to ensure that brand standards are met. You are solely responsible for all employment decisions and functions for the Restaurant, including, without limitation, those related to hiring, firing, remuneration, personnel policies, training, benefits, insurance, compliance with wage and hour requirements, recordkeeping, and the supervision, direction, and discipline of employees. You must establish at the Restaurant an employee training program meeting our standards.

9.07. Insurance. You are responsible for all loss or damage arising from or related to your development and operation of the Restaurant and all demands or claims with respect to any loss, liability, personal injury, death, property damage or expense occurring upon the premises of, or arising from the development and/or operation of, the Restaurant. You shall maintain in full force and effect throughout the term of this Agreement that insurance that you determine is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Restaurant, which shall include, at a minimum, insurance policies of the kinds, and in the amounts, as set forth in the Operations Manual and as specified by your lease or sublease. We, and any entity with an insurable interest

that we designate, shall be an additional insured in such policies to the extent each has an insurable interest.

All insurance policies shall be written by an insurance company or companies satisfactory to us, in compliance with the standards, specifications, coverages and limits set forth in the Operations Manual or otherwise provided to you in writing. We may reasonably increase the minimum coverage required and/or require different or additional kinds of insurance to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. We will provide to you written notice of such modifications, and upon receipt, you shall take prompt action to secure the additional coverage or higher policy limits.

No later than 10 days before you begin construction of the Restaurant, and on each insurance policy renewal date thereafter, you must submit to us evidence of satisfactory insurance and proof of payment. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to us. Upon our request, you must provide to us copies of any policies and policy amendments and riders.

You acknowledge that no requirement for insurance contained in this Agreement constitutes advice or a representation by us that only such policies, in such amounts, are necessary or adequate to protect you from losses in connection with your business under this Agreement. If you fail or refuse to maintain any required insurance coverage, or to furnish satisfactory evidence thereof, we, at our option and in addition to our other rights and remedies hereunder, may obtain such insurance coverage on your behalf. If we do so, you must fully cooperate with us in our effort to obtain such insurance policies and pay us any costs and premiums we incur.

Your obligation to maintain insurance coverage is not diminished in any manner by reason of any separate insurance we may choose to maintain, nor does it relieve you of your obligations under Section 17.02.

9.08. Programs. You agree to participate in and comply with the terms of all marketing, advertising, operating and quality assurance programs and policies required by us for the System (including, without limitation, any Internet-based or other electronic advertising and marketing conducted and prescribed by us), in the manner directed by us in the Operations Manuals or otherwise in writing. Such programs and policies may include, without limitation, any customer loyalty programs, corporate programs, voucher program, customer satisfaction program and all other programs designated by us that do not violate the laws of the state/locality in which the Restaurant is located. We may also establish and coordinate advertising, marketing and sales programs, customer loyalty programs and other activities among Restaurants, including restaurants owned or operated by our Affiliates, on a local or regional basis and you agree to participate in and comply with such programs and activities on the same basis as other participating Restaurants in the same region as the Restaurant. We reserve the right to impose a fee for your failure to participate in such programs and activities.

10. MARKETING AND ADVERTISING.

10.01. Advertising and Promotion Obligation. During the term of this Agreement, you shall have a weekly advertising and promotion obligation (“APO”) in an amount up to 5% of the Gross Sales of the Restaurant as set forth in this Section 10. Your APO as of the date of this Agreement is set forth in Exhibit B. Following written notice to you, we may modify the amount and allocation of the APO among the Marketing Fund, local store marketing (“LSM”) as described in Section 10.03, or an advertising cooperative in accordance with Section 10.04.

10.02. Charleys Marketing Fund. We have established a Charleys marketing fund (“Marketing Fund”) for the enhancement and protection of the System and the Marks, and for the creation and development of advertising, marketing and public relations, research and related programs, activities and materials that we, in our sole discretion deem appropriate. The Marketing Fund shall be administered by us or any successor entity designated by us. You must contribute to the Marketing Fund amounts that we establish from time to time, which are payable weekly together with the royalty fees due hereunder. Your Marketing Fund contribution as of the date of this Agreement is set forth in Exhibit B. Charleys Restaurants that we and our Affiliates own shall contribute to the Marketing Fund on the same basis as comparable franchisees.

Although the Marketing Fund is intended to maximize general recognition and patronage of the Marks for the benefit of all Charleys Restaurants, we cannot assure you that any particular Charleys Restaurant will benefit directly or pro-rata from the placement of advertising. Funds contributed to the Marketing Fund may be used to pay for the cost of preparing and producing materials and campaigns we select, including video, audio and written advertising materials, and for the cost of employing advertising agencies, in-house staff and supporting market research activities. We may furnish you with marketing, advertising and promotional materials at cost, plus any related administrative, shipping, handling and storage charges.

We will account for funds in the Marketing Fund separately from our other funds and will not use these funds to defray any of our general operating expenses, except for reasonable salaries, administrative costs and overhead we may incur in activities related to the administration of the Marketing Fund and its programs, including conducting market research, preparing advertising and marketing materials, travel costs and meeting expenses and collecting and accounting for contributions to the Marketing Fund. All disbursements from the Marketing Fund shall be made first from income and then from contributions. We may spend in any fiscal year an amount greater or less than the aggregate contributions of all Charleys Restaurants to the Marketing Fund in that year, and we may borrow from our affiliates or other lenders to cover deficits in the Marketing Fund or invest any surplus for future use.

We will prepare annually a statement of monies collected and costs incurred by the Marketing Fund and furnish you a copy upon your written request. Except as otherwise expressly provided in this Section, we do not assume any direct or indirect liability or obligation with respect to the maintenance, direction or administration of the Marketing Fund. We do not act as trustee or in any other fiduciary capacity with respect to the

Marketing Fund. We have the right to terminate and discontinue the Marketing Fund at any time, effective upon notice.

10.03. Local Store Marketing. You must spend for approved LSM on a quarterly basis, the difference between our established APO and the amount you contribute to the Marketing Fund or an advertising cooperative. Your required LSM expenditure as of the date of this Agreement is set forth in Exhibit B. Within 30 days after the end of each fiscal quarter, you must provide us or our designee copies of all documentation demonstrating the amount and types of LSM expenditures made by you in the prior fiscal quarter. For these purposes, LSM expenditures include: amounts spent for advertising media, such as television, radio, newspaper, billboards, posters, direct mail, yellow pages, collateral promotional and novelty items, digital or social media advertising, advertising on public vehicles, such as taxis and buses, and, if not provided by us, the cost of producing approved materials necessary to participate in these media. As part of your ongoing marketing efforts and to build up the goodwill of your Restaurant in your community, we have the right to require you to participate in charitable programs and/or fundraising campaigns, all proceeds of which will be donated or used for charitable purposes. Advertising expenditures do not include amounts spent for items which we, in our reasonable judgment, deem inappropriate for meeting the minimum advertising requirement, including permanent on-premises signs and menu boards, lighting, menus, premiums, discounts, loyalty programs, free offers, and employee incentive programs.

If, in any fiscal year, you spend less than the required amount for the Restaurant for authorized LSM expenditures, you must contribute the difference between the required amount and the amount actually spent in that fiscal year to the Marketing Fund within 110 days after demand for payment is sent to you. In determining whether you have spent the required amount for the Restaurant for these purposes in any fiscal year, only expenditures made in that fiscal year will be counted and there will be no carryover from a previous fiscal year of any expenditures.

You must submit to us for our prior approval, samples of all advertising and promotional materials not prepared or previously approved by us and which vary from our standard advertising and promotional materials. You may not use any advertising or promotional materials that we have disapproved. You may not issue any press or other media releases or other communication regarding the Restaurant without our prior written consent.

We have the right to establish local and/or regional advertising cooperatives for Charleys Restaurants in your local or regional area, covering such geographical areas as we may designate from time to time. You must participate in such advertising cooperative(s) and their programs (other than price advertising, as to which you may choose not to participate) and abide by its by-laws. You must contribute such amounts to the advertising cooperative(s) as they determine from time to time in accordance with their by-laws. Any Charleys Restaurants owned by us or any of our Affiliates located in such designated local or regional area(s) will contribute to the cooperative(s) on the same basis. Contributions to such local and regional advertising cooperatives are credited toward your APO required by Section 10.01; however, if we provide you and your local and/or regional advertising cooperative 90 days' notice of a special regional promotion, you must participate in such promotion and pay to us any regional advertising fees assessed in connection therewith, beginning on the effective date of such notice and continuing until such regional promotion is concluded. Any

such special regional advertising fees shall be in addition to, and not credited towards, the 5% APO required by this Section.

You agree not to promote, offer or sell any products or services relating to your Restaurant, or to use any of the Marks, through the Internet, any Web site or any other similar future technological avenues without our consent, which consent may be withheld for any reason or no reason. In connection with any such consent, we may establish such requirements as we deem appropriate, including (a) obtaining our prior written approval of any Internet domain name and home page addresses and social networking sites; (b) submission for our approval of all Web site and social networking pages, materials and content; (c) use of all hyperlinks and other links; (d) restrictions on use of any materials (including text, video clips, photographs, images and sound bites) in which any third party has any ownership interest; and (e) obtaining our prior written approval of any modifications.

10.04. Changes in the APO. We have the right, following written notice to you, to reallocate and/or increase the APO. We may not increase the APO above 5% of Gross Sales; however, this limitation on us does not prevent the Restaurant's advertising cooperative from requiring a special regional promotional expenditure, that when added to your Marketing Fund contribution, advertising cooperative contribution and LSM expenditures, results in a total APO in excess of 5% of Gross Sales.

11. RECORDS AND REPORTS.

11.01. Records. You agree to prepare and to maintain for 5 years complete and accurate books, records (including invoices and records relating to your advertising expenditures) and accounts (using our standard chart of accounts) for the Restaurant, copies of your sales tax returns and such portions of your state and federal income tax returns as relate to the Restaurant. All such books and records shall be kept at the Premises, unless we otherwise approve.

11.02. Computer and Point of Sale Systems. You must purchase or lease, and thereafter maintain, such computer hardware and software including a point of sale system, required dedicated telephone, cable, satellite, wireless and communications capabilities, and power lines, modem(s), printer(s), and other computer-related accessories or peripheral equipment as we approve, for the purpose of, among other functions, recording sales data, customer data and other record keeping and central functions. You must record all sales on point of sale system designated or approved by us. We may require you to use our designated vendors to install your point of sale system at the Restaurant.

Your computer and point of sale systems must be fully compatible with our computer system and include an information interface capability to communicate electronically with our computer system. We have the right to use the data we collect for any purpose. If we require you to use proprietary software, you agree to execute and comply with such software license agreements as we deem necessary to protect our interests, and you agree to pay such license, training, and maintenance fees as we deem reasonably appropriate.

In view of the contemplated interconnection of computer and point of sale systems and the necessity that such systems be compatible with each other, you agree that you will strictly comply with our standards and specifications for all items associated with your computer and

point of sale systems, incorporate any software or hardware required to perform the tasks described in this Section 11.02, and otherwise operate your computer and point of sale systems in accordance with our standards and specifications. In addition to other requirements of this Agreement to provide us with information and reports, you agree to provide us with the information that we reasonably require concerning your compliance with respect to data, privacy, and cybersecurity requirements.

To ensure full operational efficiency and optimum communication capability between and among computer systems, point of sale systems, and accounting systems installed by you, us, and other franchisees, you agree, at your expense, to keep your computer and point of sale systems in good maintenance and repair, and, at your expense to promptly install such upgrades, additions, changes, modifications, substitutions, and/or replacements to your computer hardware, software, point of sale system, network/connectivity devices and configurations, payment card industry (PCI) compliance, telephone and other communications systems, and power lines, and other computer-related facilities, as we direct.

11.03. Periodic Reports. You must furnish us: (a) no later than Tuesday of each Week, a report of Gross Sales for the immediately preceding Week; (b) no later than the 15th day following the end of each Monthly Period, which is each 4 or 5 Week period conforming to our Fiscal Year, an income statement and statement of cash flow for the Restaurant for such Monthly Period and for the year-to-date and a balance sheet as of the end of such month; (c) within 90 days after the end of each Fiscal Year, a year-end balance sheet and income statement and statement of cash flow of the Restaurant for such Fiscal Year, reflecting all year-end adjustments and accruals; and (d) such other information as we may require from time to time, including food and labor cost reports, profit and loss statements, sales and income tax statements, and restaurant development costs.

You must verify that the information in each such report and financial statement is complete and accurate and sign it. We have the right to disclose data from such reports and statements if we consider disclosure advisable. We reserve the right to require that your annual financial statements be audited, at your expense, by an independent certified public accountant approved by us.

12. INSPECTIONS OF THE RESTAURANT.

12.01. Inspections. We and our designated agents have the right at any reasonable time and without prior notice to: (a) inspect the Restaurant; (b) observe, photograph, record, audio-tape and/or video tape the operations of the Restaurant; (c) remove samples of any food and beverage products, materials or supplies for testing and analysis; and (d) interview personnel and customers of the Restaurant. You agree to cooperate fully with such activities. If the inspection reveals deficiencies in the operation of the Restaurant or your failure to conform to the Operations Manual, as determined in our sole discretion, you shall, at our discretion: (a) upon our or our designated agent's written request, take such steps as may be necessary to correct such deficiencies within the time specified by us and provide our representatives with lodging, without charge, and reimburse us for the travel expenses incurred by such representatives in subsequent evaluations to determine whether all deficiencies have been corrected and/or (b) pay such fees as are imposed by our then-current quality assurance program(s).

12.02. Audits. We have the right at any time during business hours, and without prior notice to you, to inspect, copy and audit the books, records, tax returns and documents relating to the development, ownership, lease, occupancy or operation of the Restaurant. You must cooperate fully with our representatives and independent accountants conducting such audits. If any inspection or audit discloses an understatement of Gross Sales, you must pay us, within 7 days after receipt of the audit report, the royalty fees and Marketing Fund contributions due on the amount of such understatement, plus interest (as provided in Section 6.05) from the date originally due until the date of payment. Further, if such inspection or audit is made necessary by your failure to furnish reports, records or information on a timely basis, or if we determine an understatement of Gross Sales for the period of any audit to be greater than 1%, you must reimburse us for the cost of such audit or inspection, including the charges of any attorneys and independent accountants and the travel expenses, room and board and compensation of our employees.

13. FRANCHISEE'S RIGHT TO TRANSFER.

13.01. GEI's Approval. The rights and duties created by this Agreement are personal to you or, if you are a business corporation, partnership, limited liability company or other legal entity, your Owners. Accordingly, neither you nor any of your Owners may Transfer the Franchise without our approval and without complying with all of the provisions of Section 13. Any Transfer without such approval or compliance constitutes a breach of this Agreement and is void and of no force or effect.

In this Agreement, "Transfer" or "Transfer the Franchise" – or similar words – means the direct or indirect sale, assignment, transfer, exchange, conversion, license, sublicense, lease, sublease, mortgage, pledge, collateral assignment, grant of a security, collateral or conditional interest or other encumbrance in or on, or other disposition, whether voluntary, involuntary, by operation of law or otherwise, of this Agreement, any interest in or right under this Agreement, any form of legal or beneficial ownership interest in you, or any form of ownership interest or right to participate in or receive the benefit of the assets, revenues, income or profits of your Restaurant, or any one or more other acts or events not covered by the foregoing that we reasonably determine to be a form of direct or indirect transfer, including:

(1) any transfer, redemption or issuance of a legal or beneficial ownership interest in the capital stock of, a membership interest in, or a partnership interest in, you or of any interest convertible into or exchangeable for capital stock of, a membership interest in or a partnership interest in, you;

(2) any merger or consolidation between you and another entity, whether or not you are the surviving entity, or any conversion of your entity from one form of legal entity into another form of legal entity, or any sale, exchange, encumbrance or other disposition of your assets;

(3) any transfer in connection with or as a result of a divorce, dissolution of marriage or similar proceeding or a property settlement or legal separation agreement in the context of a divorce, dissolution or marriage or similar proceeding, an insolvency, bankruptcy or assignment for benefit of creditors, a judgment, a corporate, limited liability company or partnership dissolution or otherwise by operation of law;

(4) any transfer by gift, declaration of trust, transfer in trust, revocation of trust, trustee succession, trust termination, discretionary or mandatory trust distribution, occurrence of any event (e.g., death of a person) that affects or ripens the rights of contingent beneficiaries, exercise of a power of appointment, exercise of a withdrawal right, adjudication of your or any Owner as legally disabled, or upon or after your death or the death of any of your Owners by will, disclaimer of the laws of intestate succession or otherwise; or

(5) any foreclosure upon your Restaurant or the transfer, surrender or loss by you of possession, control or management of your Restaurant.

13.02. Conditions for Approval. If we have not exercised our right of first refusal under Section 13.06, we will not unreasonably withhold our approval of a Transfer of the Franchise that meets all of the reasonable restrictions, requirements and conditions we impose on the Transfer, the transferor(s) and/or the transferee(s), including the following:

(1) you have completed development of the Restaurant and are operating the Restaurant in accordance with this Agreement;

(2) you and your Owners and Affiliates are in compliance with the provisions of this Agreement and all other agreements with us or any of our Affiliates;

(3) the proposed transferee, or its Owners (if the proposed transferee is a legal entity), must provide us on a timely basis all information we request, must be individuals acting in their individual capacities who are of good character and reputation, who must have sufficient business experience, aptitude and financial resources to operate the Restaurant, and who must otherwise meet our approval;

(4) the transferee (or its operating partner) and its managers must have completed our initial training program to our satisfaction;

(5) the transferee (and its owners) must agree to be bound by all of the provisions of this Agreement for the remainder of its term or, at our option, execute our then current standard form of franchise agreement and related documents used in the state in which the Restaurant is located for a term which is the remainder of the term of this Agreement (which may provide for different royalty fees, Marketing Fund contributions and expenditures, duration and other rights and obligations than those provided in this Agreement and which we may require to be guaranteed by you and your Owners);

(6) the transferee must pay us a transfer fee equal to the greater of \$10,000 or our costs incurred in connection with the Transfer;

(7) you and your Owners and Affiliates must, except to the extent limited or prohibited by applicable law, execute a general release, in form and substance satisfactory to us, of any and all claims against us and our Affiliates, stockholders, officers, directors, employees, agents, successors and assigns;

(8) we must not have disapproved the material terms and conditions of such Transfer (including the price and terms of payment) on the basis that they are so burdensome

as to be likely, in our judgment, to adversely affect the transferee's operation of the Restaurant or its compliance with its franchise agreements;

(9) if you (or any of your Owners or Affiliates) finance any part of the sale price of the transferred interest, you and/or your Owners or Affiliates must agree that all obligations of the transferee, and security interests reserved by any of them in the assets of the Restaurant, will be subordinate to the transferee's obligations to pay all amounts due us and our Affiliates and to otherwise comply with this Agreement or the new franchise agreement executed by the transferee;

(10) you and your Owners must execute a noncompetition covenant, in form and substance satisfactory to us, in favor of us and the transferee agreeing that, for a period of 2 years, starting on the effective date of the Transfer, you and your Owners will not directly or indirectly (such as through members of your or their Immediate Families) own any legal or beneficial interest in, or render services or give advice to: (1) any Competitive Business that is located at the Premises or within a 3-mile radius of the Premises; (2) any Competitive Business that is located within a 3-mile radius of any other Charleys Restaurant in operation or under construction as of the effective date of such Transfer; or (3) any entity which grants franchises, licenses or other interests to others to operate any Competitive Business; and

(11) you and your Owners and Affiliates must execute such other documents and do such other things as we may reasonably require to protect our rights under this Agreement and under any area development agreement.

13.03. Effect of Approval. Our approval of a Transfer of the Franchise does not constitute: (a) a representation as to the fairness of the terms of any agreement or arrangement between you or your Owners and the transferee or as to the prospects of success of the Restaurant by the transferee; or (b) a release of you and your Owners, a waiver of any claims against you or your Owners or a waiver of our right to demand the transferee's exact compliance with this Agreement. Any approval shall apply only to the specific Transfer of the Franchise being proposed and shall not constitute an approval of, or have any bearing on, any other Transfer of the Franchise.

13.04. Special Transfers. Neither Section 13.02(1), (3), (5) or (6) nor Section 13.06 shall apply to any Transfer of the Franchise among any of your then current Owners. Neither Section 13.02(6) or (8) nor Section 13.06 shall apply to any Transfer of the Franchise to your Immediate Family or the Immediate Family of one of your then-current Owners (if a business corporation, partnership, limited liability company or other entity). On 30 days' prior notice to us, you (if you are an individual or partnership) may Transfer this Agreement, in conjunction with a Transfer of all of the assets of the Restaurant, by an agreement in form and substance approved by us, to a corporation or limited liability company which conducts no business other than the Restaurant (and other Charleys Restaurants under franchise agreements granted by us), and of which you own and control all of the equity and voting power of all issued and outstanding capital stock or membership interests. None of the foregoing assignments shall relieve you or your Owners of your respective obligations hereunder, and you and your Owners remain jointly and severally liable for all obligations hereunder.

13.05. Death or Disability of Franchisee. Upon your death or permanent disability, or the death or permanent disability of the Operating Partner or an Owner of a controlling interest in Franchisee, the executor, administrator or other personal representative of such person shall Transfer their interest in this Agreement or their interest in Franchisee to a third party approved by us in accordance with all of the applicable provisions of Section 13 within a reasonable period of time, not to exceed 3 months from the date of death or permanent disability. A person shall be deemed to have a “permanent disability” if his personal, active participation in the development and operation of the Restaurant is for any reason curtailed for a continuous period of 6 months.

13.06. GEI's Right of First Refusal. If you or any of your Owners desire to Transfer the Franchise (other than by gift or bequest), you or such Owner must obtain a bona fide, executed written offer and earnest money deposit in the amount of at least 5% of the offering price from a responsible and fully disclosed purchaser and must deliver immediately to us a complete and accurate copy of such offer. If the offeror proposes to buy any other property or rights from you or any of your Owners or Affiliates (other than rights under other franchise agreements for Charleys Restaurants) as part of the bona fide offer, the proposal for such property or rights must be set forth in a separate, contemporaneous offer that is disclosed to us, and the price and terms of purchase offered to you or your Owners for the Transfer of the Franchise must reflect the bona fide price offered therefor and may not reflect any value for any other property or rights.

We have the option, exercisable by notice delivered to you or your Owners within 30 days from the date of delivery of a complete and accurate copy of such offer to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that: (a) we may substitute cash for any form of payment proposed in such offer; (b) our credit shall be deemed equal to the credit of any proposed purchaser; and (c) we will have not less than 90 days from the option exercise date to consummate the transaction. We have the right to investigate and analyze the business, assets and liabilities and all other matters we deem necessary or desirable in order to make an informed investment decision with respect to the fairness of the terms of our right of first refusal. We may conduct such investigation and analysis in any manner we deem reasonably appropriate, and you and your Owners must cooperate fully with us in connection therewith.

If we exercise our option to purchase, we are entitled to purchase such interest subject to all representations and warranties, releases, non-competition covenants, closing documents and indemnities as we reasonably may require. If we do not exercise our option to purchase, you or your Owners may complete the sale to such offeror pursuant to and on the exact terms of such offer, subject to our approval of the Transfer as provided in Sections 13.01 and 13.02, provided that if the sale to such offeror is not completed within 90 days after delivery of such offer to us, or if there is a material change in the terms of the offer, you must promptly notify us and we will have an additional option to purchase (on the terms of the revised offer, if any, and otherwise as set forth herein) during the 30 day period following your notification of the expiration of the 90 day period or the material change to the terms of the offer.

14. TERMINATION OF AGREEMENT.

14.01. Automatic Termination. You are in material breach of this Agreement, and this Agreement will automatically terminate without notice, at our discretion, if you become insolvent by reason of your inability to pay your debts as they mature; if you are adjudicated bankrupt or insolvent; if you file a petition in bankruptcy, reorganization or similar proceedings under the bankruptcy laws of the United States or have such a petition filed against you which is not discharged within 30 days; if a receiver or other custodian, permanent or temporary, is appointed for your business, assets, property; if you request the appointment of a receiver or make a general assignment for the benefit of creditors; if final judgment against you in the amount of \$25,000 or more remains unsatisfied of record for 30 days or longer; if your bank accounts, property or accounts receivable are attached; if execution is levied against your business or property; if suit is filed to foreclose any lien or mortgage against any of your assets and such suit is not dismissed within 30 days; if you voluntarily dissolve or liquidate or have a petition filed for corporate or partnership dissolution and such petition is not dismissed within 30 days; or if your assets, property or interests are “blocked” under any law or regulation relating to terrorist activities or if you are otherwise in violation of any such law or regulation.

14.02. Termination Upon Notice Without Opportunity to Cure. In addition to our right to terminate pursuant to other provisions of this Agreement and under applicable law, you will be deemed to be in default under this Agreement, and we will have the right to terminate this Agreement and all rights granted under this Agreement, without affording you any opportunity to cure the default, effective immediately upon the delivery of our written notice of termination to you, if you or any of your Owners or Affiliates:

- (1) fail to open the Restaurant and start business, as provided in Section 3.04;
- (2) abandon or fail to actively operate the Restaurant for 3 consecutive days, except where such failure to actively operate results solely from events constituting force majeure;
- (3) surrender or transfer control of the operation of the Restaurant without our prior consent;
- (4) make any material misstatement or omission in an application for a Charleys franchise or in any other information provided to us;
- (5) suffer cancellation or termination of the lease or sublease for the Restaurant;
- (6) are convicted of, or plead no contest to, a felony or other crime or offense, or engage in other conduct, that we reasonably believe may adversely affect the goodwill associated with the Marks;
- (7) make an unauthorized Transfer of the Franchise or fail to Transfer the Franchise or the interest of a deceased or disabled principal Owner of Franchisee as herein required;

(8) make any unauthorized use or disclosure of any Confidential Information or use, duplicate or disclose any portion of the Operations Manual in violation of this Agreement;

(9) fail or refuse to comply with any mandatory specification, standard or operating procedure prescribed by us in this Agreement or in the Operations Manual relating to the cleanliness or sanitation of the Restaurant or the wholesomeness of food products served at the Restaurant, or violate any health, safety or sanitation law, ordinance or regulation, and do not correct such failure, refusal or violation within 24 hours after written notice thereof is delivered to you;

(10) commit 3 or more defaults under this Agreement within any period of 12 consecutive months, whether or not such default is cured after notice is delivered to you;

(11) remain in default beyond the applicable cure period under any other agreement with us or our Affiliates (provided that, if the default is not by you, we shall provide to you written notice of the default and a 30-day period to cure the default); remain in material default beyond the applicable cure period under any real estate lease, equipment lease, financing instrument or supplier contract relating to the Restaurant; or fail to pay when due any taxes or assessments relating to the Restaurant or its employees, unless you are actively prosecuting or defending the claim or suit in a court of competent jurisdiction or by appropriate government administrative procedure or by arbitration or mediation conducted by a recognized alternative dispute resolution organization.

14.03. Termination With Notice and Opportunity to Cure. Except as otherwise provided above in Sections 14.01 and 14.02 above, if you fail to comply with any other provision of this Agreement or any mandatory specification, standard or operating procedure prescribed by us in this Agreement or in the Operations Manual, we may terminate this Agreement by giving you written notice of termination stating the nature of the default at least 30 days before the effective date of termination; provided, however, that you may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof of the cure to us, all within the 30 day period. If any such default is not cured within the specified time (or such longer period as applicable law may require), then this Agreement shall terminate without further notice to you effective immediately upon the expiration of the 30 day period or such longer period as applicable law may require.

Notwithstanding the provisions of preceding paragraph, if you fail to accurately report Gross Sales or pay any amounts due to us or any of our Affiliates within 5 days after receiving written notice of default, then this Agreement will terminate effective immediately upon expiration of that time, unless we notify you otherwise in writing.

15. RENEWAL RIGHTS.

15.01. Your Right To Renew. You have the right, subject to the conditions contained in Section 15, to renew the franchise for the Restaurant on the terms and conditions of our then current form of franchise agreement for Charleys Restaurants, if upon expiration of the Term: (a) you and your Owners and Affiliates are in compliance with this Agreement and any other agreements with us or any of our Affiliates, and you and your Owners have been

in substantial compliance with this Agreement throughout the Term; and (b) you maintain the right to possession of the Premises for the term of the new franchise agreement and enter into an agreement with us whereby you agree within a specified time period, starting on the signing of a new franchise agreement, to remodel the Restaurant, add or replace improvements, fixtures, furnishings, equipment and signs and otherwise modify the Restaurant to upgrade the Restaurant to the specifications and standards then applicable for new Charleys Restaurants. You will be obligated to pay our then-current standard renewal franchise fee for a Charleys Restaurant, which currently is \$10,000.

15.02. Notices. You must give us written notice of your desire to renew the franchise at least 180 days prior to the expiration of this Agreement. We will give you notice, not later than 60 days after receipt of your notice, of our decision whether or not you have the right to renew the franchise pursuant to Section 15.01. Notwithstanding any notice of our decision that you have the right to renew the franchise for the Restaurant, your right will be subject to your continued compliance with all the provisions of this Agreement up to the date of its expiration.

15.03. Agreements. If you have the right to renew the franchise in accordance with Section 15.01 and state your desire to exercise that right in accordance with Section 15.02, we and you (and your Owners) will execute the form of franchise agreement (which may contain provisions, including royalty fees and Marketing Fund contributions, materially different from those contained herein) and all ancillary agreements (including, personal guarantees by your Owners and a remodeling agreement on such terms as we determine to be appropriate) which we then customarily use in granting franchises for the operation of Charleys Restaurants, and you and your Owners must execute general releases, in form and substance satisfactory to us, of any and all claims against us, and our Affiliates, officers, directors, employees, agents, successors and assigns. Failure by you (and your Owners) to sign such agreements and releases (and to pay the required renewal franchise fee) within 30 days after delivery to you shall be deemed an election by you not to renew the franchise for the Restaurant.

16. EFFECT OF TERMINATION OR EXPIRATION.

16.01. Payment of Amounts Owed to Us. Within 30 days after the effective date of termination or expiration (without renewing the franchise) of this Agreement, you must pay us and our Affiliates all royalty fees, Marketing Fund contributions, amounts owed for purchases from us or our Affiliates, interest due on any of the foregoing and all other amounts owed to us or our Affiliates which are then unpaid.

16.02. Discontinue Use of Marks and Confidential Information.

Upon the termination or expiration (without renewing the franchise) of this Agreement, you will:

- (1) not directly or indirectly at any time or in any manner use any Mark, any colorable imitation of any Mark or any other indicia of a Charleys Restaurant;
- (2) take such action as may be required to cancel all fictitious or assumed name registrations relating to your use of any Mark;

(3) notify the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone number and any regular, classified or other telephone directory listings associated with any Mark and to authorize transfer of the number to us or at our direction;

(4) if we do not exercise our right to purchase the Restaurant pursuant to Section 16.04, promptly remove from the Premises, and discontinue using for any purpose, all signs, fixtures, furniture, decor items, advertising materials, forms and other materials and supplies which display any of the Marks or any distinctive features, images, or designs associated with Charleys Restaurants (including wallpaper, signage, graphics, photos, tiles, perimeter design lighting, menu board, awnings) and, at your expense, make such alterations as may be necessary (and as we may require) to distinguish the Premises so clearly from its former appearance as a Charleys Restaurant and from other Charleys Restaurants as to prevent any possibility of confusion by the public;

(5) immediately cease to use all Confidential Information and return to us all copies of the Operations Manual and any other confidential materials which have been provided to you;

(6) immediately discontinue any mode of communications on the Internet directly or indirectly relating to your Restaurant, including any electronic identifiers including social networking sites, email addresses, Web sites or pages associated with your Restaurant, and immediately take all steps required by us to transfer any domain name associated with your Restaurant to us (such as executing a Registrant Name Change Agreement with the applicable Registrar). You irrevocably appoint the person who is then our president as your duly authorized agent and attorney-in-fact to execute all instruments and take all steps to transfer such domain names;

(7) immediately cease to use all computer software licensed by us or any of Affiliates and comply with your obligations under any software license agreements; and

(8) within 30 days after the effective date of termination or expiration, furnish us evidence satisfactory to us of your compliance with the foregoing obligations.

16.03. Liquidated Damages If you default on your obligations and we terminate this Agreement prior to the expiration of the term of this Agreement, it is hereby agreed by the parties that the amount of damages which we would incur for any such termination of this Agreement would be difficult, if not impossible, to accurately ascertain. Accordingly, within thirty (30) days after the effective date of termination of this Agreement you shall pay to us, in addition to the amounts owed under Section 16.01 above, liquidated damages, which shall be calculated as the product of: (a) the total royalty fees that you were obligated to pay us based on the Gross Sales of the Restaurant during the one (1) year period prior to termination (or, if the Restaurant was open for less than one (1) year, the total royalty fees that you were obligated to pay us based on the Gross Sales of the Restaurant during the period of time that the Restaurant was in operation); (b) multiplied by three (3) (unless there are less than three (3) years remaining in the term of this Agreement at the time of termination, in which case the royalty fees shall be multiplied by the number of years, or portion of years, remaining). These liquidated damages shall not be construed as a penalty and shall be the joint and several liability of you and your guarantors. The parties acknowledge and agree that: (1) the

liquidated damages are a reasonable estimation of the damages that would be incurred by us resulting from or arising out of the premature termination of this Agreement; and (2) your payment of such liquidated damages is intended to fully compensate us only for any and all damages related to or arising out of the premature termination of this Agreement, and shall not constitute an election of remedies, waiver of any default under this Agreement, nor waiver of our claim for other damages and/or equitable relief arising out of your breach of this Agreement. The imposition of liquidated damages shall be at our option. We are not required to impose liquidated damages and may, in addition or in lieu thereof, pursue other remedies available to us under the terms and conditions of this Agreement, in equity or at law in the event of your default under this Agreement, including actual damages incurred by us, if such can be ascertained. All such remedies shall be cumulative and non-exclusive.

16.04. Option to Purchase Restaurant. Upon termination or expiration (without renewing the franchise) of this Agreement, we have the right, exercisable by giving notice thereof (“Appraisal Notice”) within 10 days after the date of such termination or expiration, to require that a determination be made of the “Agreed Value” (as defined below) of all the personal property used in the Restaurant which you own, including inventory of non-perishable products, materials, supplies, furniture, equipment, signs, but excluding any cash and short-term investments and any items not meeting our specifications for Charleys Restaurants (the “Purchased Assets”). Upon such notice, you may not sell or remove any of the personal property of the Restaurant from the Premises and must give us, our designated agents and the “Appraiser” (as defined below) full access to the Restaurant and all of your books and records at any time during customary business hours in order to conduct inventories and determine the purchase price for the Purchased Assets.

The Agreed Value shall be determined by consultation between you and us. If you and we are unable to agree on the Agreed Value of the Purchased Assets within 15 days after the Appraisal Notice, then the Agreed Value will be as follows: (a) in the event of an expiration (without renewing the franchise) of this Agreement, the Agreed Value shall be the “Fair Market Value,” consisting of the amount which an arm’s length purchaser would be willing to pay for the Purchased Assets, assuming that the Purchased Assets would be used for the operation of a Charleys Restaurant under a valid franchise agreement reflecting the then-current (or if we are not offering franchises at that time, then the most recent) standard terms upon which we offer franchises for Charleys Restaurants, less the cost of any required remodeling; and (b) in the event of any termination of this Agreement, the Agreed Value shall be the lesser of the Appraised Asset Value (as defined below) and the Net Book Value (as defined below).

The “Appraised Asset Value” shall be the amount which an arm’s length purchaser would be willing to pay for the Purchased Assets, considering their age and condition and without reference to their use in a Charleys Restaurant. The “Net Book Value” shall be the net book value of the Purchased Assets, as reflected on your books and records, provided all capital assets will be depreciated on a straight line basis over a reasonable period of time not to exceed 5 years, without residual value. The Fair Market Value, the Appraised Asset Value and/or Net Book Value will be determined by a member of a nationally recognized accounting firm (other than a firm which conducts audits of our financial statements) selected by us who has experience in the valuation of restaurant businesses (the “Appraiser”). We will notify you of the identity of the Appraiser, who will make a determination and submit a written report (“Appraisal Report”) to you and us as soon as practicable, but in no event more than

30 days after his or her appointment. You agree to promptly provide the Appraiser with such books and records as he or she may require, which you represent and warrant to be complete and accurate. In absence of such books and records or if the Appraiser is not satisfied with their completeness or accuracy, the Appraiser may make the determination of the Agreed Value on the basis of other sources and information he or she deems appropriate. The Appraiser's determination shall be final and binding on the parties hereto.

We have the option, exercisable by delivering notice thereof within 15 days after submission of the Appraisal Report (or the date that an agreement is reached, if the parties agree to the Agreed Value), to agree to purchase the Purchased Assets at the Agreed Value. We shall have the unrestricted right to assign this option to purchase separate and apart from the remainder of this Agreement.

If we exercise our option to purchase, 50% of the purchase price for the Purchased Assets will be paid in cash at the closing, which will occur at the place, time and date we designate, but not later than 30 days after the exercise of our option to purchase the Purchased Assets. At the closing, we will be entitled to all representations, warranties, covenants, title insurance policies and other closing documents and post-closing indemnifications as we reasonably require, including: (a) instruments transferring good and merchantable title to the Purchased Assets, free and clear of all liens, encumbrances, and liabilities, to us or our designee, with all sales and other transfer taxes paid by you; and (b) an assignment of all leases of personal property and real estate used in the operation of the Restaurant, including land, building and/or equipment (or if an assignment is prohibited, a sublease to us or our designee for the full remaining term and on the same terms and conditions as your lease, including renewal and/or purchase options), provided, however, that if any of your Owners or Affiliates directly or indirectly owns the land and/or building of the Restaurant, then you will, at our option, cause such Owner or Affiliate to grant to us a lease at reasonable and customary rental rates and other terms prevailing in the community where the Restaurant is located. Any dispute concerning the rental rates and terms of such lease shall be resolved by the Appraiser. 25% of the purchase price (plus accrued and unpaid interest on the unpaid balance, at the Prime Rate, as defined below, from and after the closing date) shall be payable on the first anniversary of the closing date, and the remaining 25% of the purchase price (plus accrued and unpaid interest on the unpaid balance, at the Prime Rate, from and after the closing date) shall be payable on the second anniversary of the closing date. The "Prime Rate" shall be the published prime rate as of the date of closing of any national bank we select.

If you cannot deliver clear title to all of the assets, or if there are other unresolved issues, the closing of the sale may, at our option, be accomplished through an escrow on such terms and conditions as we deem appropriate, including the making of payments, to be deducted from the purchase price, directly to third parties in order to obtain clear title to any of the Purchased Assets. Further, you and we shall comply with any applicable Bulk Sales provisions of the Uniform Commercial Code as enacted in the state where the Premises are located and all applicable state and local sales and income tax notification and/or escrow procedures. We have the right to set off against and reduce the purchase price by any and all amounts owed by you or any of your Owners or Affiliates to us or any of our Affiliates.

Upon delivery of the Appraisal Notice and pending (a) determination of Fair Market Value, (b) our option period, and (c) the closing of the purchase, we may authorize continued

temporary operations of the Restaurant pursuant to the terms of this Agreement, subject to the supervision and control of one or more of our appointed managers.

16.05. Continuing Obligations. All obligations under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect until they are satisfied in full or by their nature expire.

17. RELATIONSHIP OF THE PARTIES.

17.01. Independent Contractors.

Neither this Agreement nor the dealings of the parties pursuant to this Agreement shall create any fiduciary relationship or any other relationship of trust or confidence between the parties hereto. GEI and Franchisee, as between themselves, are and shall be independent contractors.

We and you acknowledge and agree that this Agreement (and the relationship of the parties which arises from this Agreement) grants us the right to make decisions, take actions and/or refrain from taking actions not inconsistent with your explicit rights and obligations hereunder that may affect favorably or adversely your interests. You understand and agree that we may operate and change the System and our business in any manner that is not expressly and specifically prohibited by this Agreement. Whenever we have reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant you a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, we may make our decision or exercise our right and/or discretion on the basis of our judgment of what is in our best interests, including our judgment of what is in the best interests of our franchise network, at the time our decision is made, without regard to: (a) whether other reasonable or even arguably preferable alternative decisions or actions could have been made by us; (b) whether our decision or the action we take promotes our financial or other individual interest; (c) whether our decision or the action we take applies differently to you and one or more other franchisees; or (d) whether our decision or the exercise of our rights is adverse to your individual interests or the individual interests of any other particular franchisees. We will have no liability to you for any such decision or exercise of our rights.

Nothing contained in this Agreement, or arising from the conduct of the parties hereunder, is intended to make either party a general or special agent, joint venturer, joint employer, integrated enterprise, partner or employee of the other for any purpose whatsoever. Nothing in this Agreement is intended, nor may anything in this Agreement be construed, to state or imply that we are the employer or joint employer of your employees and/or independent contractors, nor that you are the employer or joint employer of our employees and/or independent contractors. You must conspicuously identify yourself in all dealings with customers, lessors, contractors, suppliers, public officials, employees and others as the owner of the Restaurant and must place such other notices of independent ownership on such forms, business cards, stationery, advertising and other materials as we may require from time to time.

You may not make any express or implied agreements, warranties, guarantees or representations or incur any debt in our name or on our behalf or represent that the

relationship of the parties hereto is anything other than that of independent contractors. We will not be obligated by or have any liability under any agreements made by you with any third party or for any representations made by you to any third party. We will not be obligated for any damages to any person or property arising directly or indirectly out of the operation of your business hereunder.

17.02. Indemnification. You agree to indemnify us, our Affiliates and our respective directors, officers, employees, shareholders, members, agents, successors and assigns (collectively “indemnitees”), and to hold the indemnitees harmless to the fullest extent permitted by law, from any and all losses and expenses (as defined below) incurred in connection with any litigation or other form of adjudicatory procedure, claim, demand, investigation, or formal or informal inquiry (regardless of whether it is reduced to judgment) or any settlement thereof which arises directly or indirectly from, or as a result of, a claim of a third party against any one or more of the indemnitees in connection with (a) your failure to perform or breach of any covenant, agreement, term or provision of this Agreement, (b) your breach of any representation or warranty contained in this Agreement, (c) the marketing, promotion, advertisement or sale of any of the products and services offered by your Restaurant pursuant to this Agreement, including unfair or fraudulent advertising claims (whether in print advertising or electronic media), and product liability claims, (d) your development, ownership, operation and/or closing of your Restaurant, (e) your noncompliance or alleged noncompliance with any law, ordinance, rule or regulation including any allegation that we or another indemnitee is a joint employer or otherwise responsible for your acts or omissions relating to your employees; and (f) any allegedly unauthorized service or act rendered or performed in connection with this Agreement, (collectively “event”) and regardless of whether it resulted from any strict or vicarious liability imposed by law on the indemnitees.

The foregoing indemnity shall apply even if it is determined that the indemnitees’ negligence caused such loss, liability or expense, in whole or in part, provided, however, that this indemnity will not apply to any liability arising from a breach of this Agreement by the indemnitees or the gross negligence or willful acts of the indemnitees (except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to you).

The term “losses and expenses” includes compensatory, exemplary, and punitive damages; fines and penalties; attorneys’ fees; experts’ fees; court costs; costs associated with investigating and defending against claims; settlement amounts; judgments; compensation for damages to our reputation and goodwill; and all other costs associated with any of the foregoing losses and expenses.

We agree to give you reasonable notice of any event of which we become aware for which indemnification may be required and we may elect (but are not obligated) to direct the defense thereof, provided that the selection of counsel shall be subject to your consent, which consent shall not be unreasonably withheld or delayed. We may, in our reasonable discretion, take such actions as we deem necessary and appropriate to investigate, defend, or settle any event or take other remedial or corrective actions with respect thereto as may be necessary for the protection of indemnitees or Charleys Restaurants generally, provided however, that any settlement shall be subject to your consent, which consent shall not be unreasonably withheld or delayed. Further, notwithstanding the foregoing, if the insurer on a policy or

policies obtained in compliance with your Franchise Agreement agrees to undertake the defense of an event (an “Insured Event”), we agree not to exercise our right to select counsel to defend the event if such would cause your insurer to deny coverage. We reserve the right to retain counsel to represent us with respect to an Insured Event at our sole cost and expense.

This Section 17.02 shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

17.03. Taxes. We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property or other taxes, whether levied upon the Restaurant, your property or upon us, in connection with sales made or business conducted by you (except for any income taxes imposed on our income). Payment of all such taxes shall be your responsibility. In the event of a bona fide dispute as to your liability for taxes, you may contest your liability in accordance with applicable law. In no event, however, will you permit a tax sale, seizure, or attachment to occur against the Restaurant or any of its assets.

18. ENFORCEMENT.

18.01. Arbitration. Subject to Section 18.02, all controversies, disputes, or claims between us, any of our Affiliates, or any of our and their respective officers, directors, agents (including area representatives), employees and attorneys, and you, any of your Affiliates or any of your or their respective Owners, arising from or relating to this Agreement, including the scope and validity of any provision of this Agreement (such as this Section 18.01), shall on demand of either party be submitted for arbitration to the offices of the American Arbitration Association (“AAA”) located closest to our principal offices at the time of such demand. The arbitration shall be governed exclusively by the United States Arbitration Act (9 U.S.C. § 1, *et seq.*), without reference to any state arbitration statutes. The parties agree that, in connection with any such arbitration proceeding, each shall submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedures) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed in such proceeding shall be barred. The arbitration proceedings shall be conducted in the city closest to our principal place of business (currently, Columbus, Ohio) and shall be conducted in accordance with the then-current commercial arbitration rules of the AAA, except as modified by this Agreement. The parties shall be entitled to limited discovery at the discretion of the arbitrator(s) who may, but are not required to, allow depositions. The parties acknowledge that the arbitrators’ subpoena power is not subject to geographic limitations.

The arbitration proceedings shall be conducted on an individual basis and not on a multi-plaintiff, consolidated or class-wide basis. The foregoing sentence is an integral provision of the arbitration procedures set forth in this paragraph, and may not be severed therefrom, notwithstanding Section 19.01 of this Agreement. If such sentence is determined to be invalid or unenforceable in connection with a particular controversy, dispute, or claim, then the entire Section 18.01 shall be stricken from this Agreement and neither party shall be deemed to have consented to arbitration of such controversy, dispute, or claim. The arbitrator(s) shall have the right to award the relief which he or she deems proper, consistent with the terms of this Agreement, including compensatory damages (with interest on unpaid amounts from date due), specific performance, injunctive relief, legal fees and costs. The

award and decision of the arbitrator(s) shall be conclusive and binding on all parties, and judgment upon the award may be entered in any court of competent jurisdiction. Any right to contest the validity or enforceability of the award shall be governed exclusively by the United States Arbitration Act.

Subject to the foregoing, you and your Owners irrevocably submit to the jurisdiction of the courts of the State of Ohio in any suit, action or proceeding, arising out of or relating to this Agreement or any other dispute between you and us, and you irrevocably agree that: (a) all claims in respect of any such suit, action or proceeding must be brought and/or defended therein, except with respect to matters that are under the jurisdiction of the Federal Courts of the United States, which shall be brought and/or defended in the Federal District Court sitting in Columbus, Ohio; and (b) **any such matter shall be tried to the court sitting without a jury, and you waive any right to a jury trial.** You irrevocably waive, to the fullest extent you may lawfully do so, the defense of an inconvenient forum to the maintenance of such suit, action or proceeding and agree that service of process for purposes of any such suit, action or proceeding need not be personally served or served within the State of Ohio but may be served with the same effect as if you were served within the State of Ohio, by certified mail or any other means permitted by law addressed to you at the address set forth herein. Nothing contained herein shall affect our rights to bring a suit, action or proceeding in any other appropriate jurisdiction, including any suit, action or proceeding brought by us to enforce any judgment against you entered by a State or Federal Court.

The provisions of this Section 18.01 shall continue in full force and effect subsequent to and notwithstanding expiration or termination of this Agreement.

18.02. Injunctive Relief. We, as an alternative or supplement to arbitration pursuant to Section 18.01, may obtain in any court of competent jurisdiction any injunctive relief, including temporary restraining orders and preliminary injunctions, against conduct or threatened conduct for which no adequate remedy at law may be available or which may cause us irreparable harm. We may have such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and your sole remedy in the event of the entry of such injunction, shall be its dissolution, if warranted, upon hearing duly had (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). You and each of your Owners acknowledges that any violation of Section 7, 13.02(10) or 16.02 would result in irreparable injury to us for which no adequate remedy at law may be available. Accordingly, you and each of your Owners consents to the issuance of an injunction prohibiting any conduct in violation of any of those Sections and agrees that the existence of any claim you or any of your Owners may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement of any of those Sections.

18.03. Costs of Enforcement. If we file a claim in a judicial or arbitration proceeding for amounts you or any of your Owners owe us or any of our Affiliates, or if we enforce this Agreement in a judicial or arbitration proceeding, and we prevail in any such proceeding, you agree to reimburse us for all of our costs and expenses, including reasonable accounting, paralegal, expert witness and attorneys' fees. If we are required to engage legal counsel in connection with your failure to comply with this Agreement, you must reimburse us for any attorneys' fees we incur.

18.04. Governing Law. This Agreement shall be construed under the laws of the State of Ohio, without regard to, and without applying, Ohio conflict of law principles. However, if any provision of this Agreement would not be enforceable under Ohio law, and if the Restaurant is located outside of Ohio and such provision would be enforceable under the laws of the state in which the Restaurant is located, then such provision shall be construed under the laws of that state. Nothing in this Section is intended to subject this Agreement to any franchise, business opportunity or similar law, rule or regulation of the State of Ohio to which it otherwise would not be subject.

18.05. Time Period to Bring Claims. Any and all claims and actions arising out of or relating to this Agreement, the relationship between you and us, or your operation of the Restaurant, brought by any party to this Agreement against the other, must be commenced within one year from the occurrence of the facts giving rise to such claim or action, or, it is expressly acknowledged and agreed by all parties, such claim or action will be irrevocably barred.

18.06. Limitations on Damages and Legal Actions. Except with respect to obligations regarding use of the Marks in Section 5 and the Confidential Information in Section 7.01, each party (and its owners) waives, without limitation, any right it might otherwise have to assert a claim for and/or to recover lost profits and other forms of consequential, incidental, contingent, punitive and exemplary damages from the other except as provided herein. Each party's liability shall be limited to actual compensatory damages except as provided herein. Each party acknowledges that it has had full opportunity to consult with counsel concerning this waiver, and that this waiver is informed, voluntary, intentional, and not the result of unequal bargaining power.

You acknowledge and agree that the actual compensatory damages that you will receive from us as referenced in the preceding paragraph shall not exceed the greater of (1) \$100,000.00 or (2) at your sole option, all amounts paid to us for franchise fees, Royalty Fees, and Marketing Fund contributions for this Agreement for up to three years preceding the date of any award herein.

You agree that, for our franchise system to function properly, we should not be burdened with the costs of litigating system wide disputes. **Accordingly, any disagreement between you (and your Owners) and us shall be considered unique as to its facts and shall not be brought as a class action, and you (and each of your Owners) waive any right to proceed against us or any of our shareholders, members, Affiliates, officers, directors, employees, agents, successors and assigns by way of class action, or by way of a multi-plaintiff, consolidated or collective action.** In any legal action between the parties, the arbitration panel or court shall not be precluded from making its own independent determination of the issues in question, notwithstanding the similarity of issues in any other legal action involving us and any other franchisee, and each party waives the right to claim that a prior disposition of the same or similar issues precludes such independent determination.

19. MISCELLANEOUS.

19.01. Severability and Substitution of Provisions. Every part of this Agreement shall be considered severable. If for any reason any part of this Agreement is held to be invalid, that determination shall not impair the other parts of this Agreement. If any

covenant herein which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of geographical area, type of business activity prohibited and/or length of time, but could be rendered enforceable by reducing any part or all of it, you and we agree that it will be enforced to the fullest extent permissible under applicable law and public policy.

If any applicable law requires a greater prior notice of the termination of or refusal to renew the franchise than is required hereunder, a different standard of “good cause”, or the taking of some other action not required hereunder, the prior notice, “good cause” standard and/or other action required by such law shall be substituted for the comparable provisions hereof. If any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable under applicable law, we have the right, in our sole discretion, to modify such invalid or unenforceable provision, specification, standard or operating procedure to the extent required to make it valid and enforceable.

19.02. Waiver of Obligations. We and you may by written instrument unilaterally waive or reduce any obligation of the other under this Agreement. Any waiver granted by us shall be without prejudice to any other rights we may have, will be subject to continuing review by us and may be revoked, in our sole discretion, at any time and for any reason, effective upon delivery to you of 10 days’ prior notice. You and we shall not be deemed to have waived any right reserved by this Agreement by virtue of any custom or practice of the parties at variance with it; any failure, refusal or neglect by you or us to exercise any right under this Agreement (except as provided in Section 19.03) or to insist upon exact compliance by the other with its obligations hereunder; any waiver, forbearance, delay, failure or omission by us to exercise any right, whether of the same, similar or different nature, with respect to other Charleys Restaurants; or the acceptance by us of any payments due from you after any breach of this Agreement.

19.03. Exercise of Rights. The rights of the parties under this Agreement are cumulative and no exercise or enforcement by either party of any right or remedy hereunder shall preclude the exercise or enforcement by either party of any other right or remedy under this Agreement that either of them is entitled to enforce by law. If you commit any act of default under this Agreement for which we exercise our right to terminate this Agreement, you shall pay to us the actual and consequential damages we incur as a result of the premature termination of this Agreement, which damages shall not be reduced by any commissions payable to any area representative. You acknowledge and agree that the proximate cause of such damages sustained by us is your act of default and not our exercise of our right to terminate. Notwithstanding the foregoing, and except as otherwise prohibited or limited by applicable law, any failure, neglect, or delay of a party to assert any breach or violation of any legal or equitable right arising from or in connection with this Agreement shall constitute a waiver of such right and shall preclude the exercise or enforcement of any legal or equitable remedy arising therefrom, unless written notice specifying such breach or violation is provided to the other party within 12 months after the later of: (a) the date of such breach or violation; or (b) the date of discovery of the facts (or the date the facts could have been discovered, using reasonable diligence) giving rise to such breach or violation.

19.04. Successors and Assigns. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. This Agreement is fully transferable by us, whether by operation of law or otherwise (without

notice to you, or approval by you), and shall inure to the benefit of any transferee or other legal successor to our interests herein.

19.05. Construction. The language of this Agreement shall be construed according to its fair meaning and not strictly for or against any party. The introduction, personal guarantees, exhibits and riders (if any) to this Agreement are a part of this Agreement, which constitutes the entire agreement of the parties. Except as otherwise expressly provided herein, there are no other oral or written agreements, understandings, representations or statements relating to the subject matter of this Agreement that either party may or does rely on or that will have any force or effect. Nothing in this Agreement or any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. Nothing in this Agreement shall be deemed to confer any rights or remedies on any person or legal entity not a party hereto. This Agreement shall not be modified except by written agreement signed by both parties.

The headings of Sections are for convenience only and do not limit or construe their contents. The word “including” shall be construed to include the words “without limitation.” The term “Franchisee” or “you” is applicable to one or more persons, a corporation, limited liability company or a partnership and its owners, as the case may be. If two or more persons are at any time Franchisee hereunder, whether as partners, joint venturers or otherwise, their obligations and liabilities to us shall be joint and several. References to a controlling interest in an entity shall mean more than 50% of the equity and voting control of such entity. Time is of the essence in this Agreement.

This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile and any other electronic transmission (including, without limitation, PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.

19.06. Approvals and Consents. In all cases where our prior consent or acceptance is required and no other method or timing for obtaining such consent or acceptance is prescribed, you must request such consent or acceptance in writing, and we will notify you of our decision within 30 days after receiving your written request and all supporting documentation. Whenever our consent or acceptance is required hereunder, such consent or acceptance must be in writing. If we do not respond in writing to your request within such 30-day period, the request shall be deemed denied. Our consent to or acceptance of any request by you shall be effective only to the extent specifically stated and shall not be deemed to waive or render unnecessary our consent or acceptance of any subsequent similar request. Except where this Agreement expressly obligates us to reasonably accept or consent to (or not to unreasonably withhold our acceptance of or consent to) any action or request by you, we have the absolute right for any reason or no reason to withhold our acceptance of or consent to any action by you.

19.07. Notices and Payments. All notices, requests and reports permitted or required to be delivered by this Agreement shall be deemed delivered: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the same day of the transmission by facsimile or other reasonably reliable electronic

communication system; (c) 1 business day after being placed in the hands of a commercial courier service for guaranteed overnight delivery; or (d) 5 business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at the address identified on the signature page of this Agreement. Any party may designate a new address for notices by giving written notice of the new address pursuant to this Section.

All payments and reports required by this Agreement shall be sent to us at the address identified on the signature page to this Agreement unless and until a different address has been designated by written notice. No restrictive endorsement on any check or in any letter or other communication accompanying any payment shall bind us, and our acceptance of any such payment shall not constitute an accord and satisfaction.

The Operations Manual, any changes that we make to the Operations Manual, and/or any other written instructions that we provide relating to operational matters, are not considered to be “notices” for the purpose of the delivery requirements in this Section 19.07.

19.08. Non-disparagement. Franchisee and its Owners and Affiliates shall not make any statements, written or verbal, or cause or encourage others to make any statements, written or verbal, that defame, disparage, adversely affect, or in any way criticize the personal or business reputation, practices, or conduct of GEI, its Affiliates, directors, officers, employees, and franchisees (including Franchisee and its Affiliates). Franchisee acknowledges and agrees that this prohibition extends to statements, written or verbal, made to anyone, including but not limited to, the news media, investors, potential investors, any board of directors or advisory board or directors, industry analysts, competitors, strategic partners, vendors, employees (past and present), clients, and any third parties on the Internet; however this prohibition shall not extend to communications with governmental authorities. Franchisee understands and agrees that this Section 19.08 is a material provision of this Agreement and that any breach of this Section 19.08 shall be a material breach of this Agreement, and that GEI would be irreparably harmed by violation of this provision. Franchisee understands and agrees that this non-disparagement provision shall survive termination or expiration of this Agreement.

19.09. Franchisee’s Release. To the full extent permitted by applicable law, Franchisee, for itself and on behalf of its Affiliates, and their respective shareholders, directors, officers, limited liability company members, managers and employees, and their respective successors and assigns, and on behalf of the Franchisee’s Owners, hereby (a) releases and forever discharges GEI and its Affiliates, and their respective directors, officers, employees, agents, representatives and attorneys, and their respective successors and assigns, from any and all claims, demands and causes of action, whether known or unknown, of any kind or nature, absolute or contingent, if any at law or in equity, arising prior to or on the Effective Date, and (b) agrees that none of them will institute any arbitration, litigation or other legal action or proceeding, at law or in equity, against GEI or its affiliates and their directors, officers, employees, agents, representatives and attorneys, and their respective successors and assigns, directly or indirectly, relating to any claim or demand released under this Section 19.09. Franchisee shall take whatever actions are necessary or appropriate to carry out the terms of this release and covenant not to sue upon GEI’s request. This Section 19.09 does not release any claims arising from representations

in the Disclosure Document delivered to you and its exhibits. This Section 19.09 shall survive the expiration or termination of this Agreement.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement on the day and year first above written.

**OWNERS' PERSONAL GUARANTY OF
FRANCHISEE'S OBLIGATIONS**

In consideration of, and as an inducement to, the execution of the Charleys Restaurant Franchise Agreement dated as of _____ (the "Agreement") by and between GOSH ENTERPRISES, INC. ("GEI"), and _____ ("Franchisee"), each of the undersigned owners of an interest in Franchisee hereby personally and unconditionally: (1) guarantees to GEI and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that Franchisee shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and that each and every representation of Franchisee made in connection with the Agreement are true, correct and complete in all respects at and as of the time given; and (2) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each of the undersigned waives: (a) acceptance and notice of acceptance by GEI of the foregoing undertakings; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right he/she may have to require that an action be brought against Franchisee or any other person as a condition of liability; and (e) any and all other notices and legal or equitable defenses to which he may be entitled.

Each of the undersigned consents and agrees that: (i) their direct and immediate liability under this guaranty shall be joint and several; (ii) they shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (iii) such liability shall not be contingent or conditioned upon pursuit by GEI of any remedies against Franchisee or any other person; and (iv) such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which the GEI may from time to time grant to Franchisee or to any other person including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this guaranty, which shall be continuing and irrevocable during the term of the agreement.

If GEI brings an action to enforce this Guarantee, the prevailing party in such proceeding shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred during, prior to, in preparation for or in contemplation of the filing of any such proceeding. In any judicial proceeding, these costs and expenses shall be determined by the court and not by a jury.

This Guarantee shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. GEI's interests in and rights under this Guarantee are freely assignable, in whole or in part, by GEI. Any assignment shall not release the undersigned from this Guarantee.

This Agreement shall be construed under the laws of the State of Ohio, without regard to, and without applying, Ohio conflict of law principles.

IN WITNESS THEREOF, each of the undersigned has hereunto affixed their signature, under seal, on the same day and year as the Agreement was executed.

INDEPENDENT AUDITOR’S REPORT

To the Shareholder
Gosh Enterprises, Inc.
Columbus, Ohio

Opinion

We have audited the accompanying financial statements of Gosh Enterprises, Inc. (Company), which comprise the balance sheets as of December 31, 2025, 2024 and 2023, and the related statements of comprehensive income, changes in shareholder’s equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying financial statements follows:

Use of Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Variable Interest Entities - The Company has adopted the Financial Accounting Standards Board (FASB) Private Company Council exception related to the consolidation of variable interest entities under the topic of Accounting Standards Codification (ASC) Topic 810 - Consolidation. Under this guidance, the Company will not consolidate entities under common control unless the Company holds a majority of the voting shares of that entity and no circumstances indicate that control does not rest with the Company.

Cash - The Company considers highly liquid investments with maturities of three months or less when purchased as cash equivalents. It maintains, at various financial institutions, cash that could at times exceed federally insured amounts. The Company has not experienced any losses in such accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable - Accounts receivable are comprised primarily of amounts due from franchisees requiring payment within 5-15 days from the end of each franchisee reporting period. The Company reports receivables at net realizable value. The Company evaluates each franchisee's ability to pay through historical experience and current economic conditions through a reasonable forecast period. Factors considered in the evaluation of assessing collectability and risk include underlying value of any collateral or security interest; significant past-due balances; historical losses; and existing economic conditions, including country and political risk. There can be no assurance that actual results will not differ from estimates or that consideration of these factors in the future will not result in an increase or decrease to the allowance for credit losses. The Company regularly evaluates the collectability of accounts receivable and maintains reserves for expected credit losses. Estimated credit losses are written off in the period in which they are no longer collectible.

The following table shows the Company's accounts receivable and allowance for credit loss balances at December 31:

	<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>2022</u>
Accounts receivable	\$ 2,690,600	\$ 2,398,776	\$ 2,654,304	\$ 2,638,452

Investments - The Company classifies its investments in debt securities as available-for-sale and are reported at fair value. Unrealized gains and losses on investments in debt securities are recorded as a component of other comprehensive income. Realized gains and losses are reclassified from other comprehensive income to net income in the period in which they occur. All of the Company's investments in debt securities are classified as available-for-sale at December 31, 2025, 2024 and 2023.

All investments in equity securities held by the Company have readily determinable fair values and are reported at fair value with change in fair value recognized in net income.

Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on the trade date. Realized gains and losses on the sales of investments are determined using the specific-identification method.

Property and Equipment - Property and equipment are stated at cost and are depreciated using the straight-line depreciation method based on the following estimated useful lives:

Vehicles	5 - 6 years
Leasehold improvements	5 - 10 years
Furniture and fixtures	5 - 10 years
Machinery and equipment	5 - 10 years

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leasehold improvements are amortized over the lesser of the life of the lease, including expected renewal options as determined by management, or the estimated useful lives of the assets. Routine expenditures for maintenance and repairs are charged to expense as incurred. Expenditures for renewals and betterments that materially extend the useful lives of assets or increase their productivity are capitalized.

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset might not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset exceeds the fair value of the asset. There were no long-lived assets impaired at December 31, 2025, 2024 and 2023.

Marketing Fund - The Company generally collects an advertising fee of up to 3.00% (1.00% for the years ended December 31, 2025, 2024 and 2023) of gross sales from all franchisees to fund Charley's Marketing Fund (CMF) for general marketing, advertising and publicity administered by the Company on behalf of the Charley's franchise system. Marketing fund expense of approximately \$7,726,000, \$7,305,000 and \$6,969,000 is included in selling, general and administrative expenses on the accompanying statements of comprehensive income for the years ended December 31, 2025, 2024 and 2023, respectively. (See Note 3.) As of December 31, 2025, 2024 and 2023, the Company has a marketing fund liability in the accompanying balance sheets of approximately \$1,826,000, \$2,133,000 and \$2,059,000, respectively.

Vendor Rebates - The Company receives funds from various vendors for promoting the use of the vendors' products by the franchisees. It uses these vendor rebates at its sole discretion to benefit the brand and may from time to time put these amounts into the marketing fund. Approximately \$3,580,000, \$4,272,000 and \$4,220,000 was received from vendor rebates for the years ended December 31, 2025, 2024 and 2023, respectively, which is included in management, consulting and other fees within revenues in the accompanying statements of comprehensive income. Approximately \$1,000,000, \$350,000 and \$380,000 in vendor rebates was received and is included in marketing fund revenue for the years ended December 31, 2025, 2024 and 2023, respectively.

Insurance Reserves - Effective January 1, 2024, the Company transitioned to a fully insured health insurance plan. Prior to January 1, 2024, the Company self-insured its health insurance plan, which was offered to eligible permanent corporate employees, who were able select from either a group Preferred Provider Organization plan or a high-deductible health savings account. The Company paid all claims above the participants' deductible and maintained a stop-loss policy that reimbursed the Company for all claims above \$25,000 on a per-participant basis each year. The plan and claims were administered by a third-party administrator. The Company recorded a liability for all unresolved claims and for an estimate of incurred, but not reported claims, based on a number of assumptions, including the frequency and severity of claims, claim development history and settlement practices. A liability of approximately \$258,000 is included within accrued expenses in the accompanying balance sheets at December 31, 2023. The Company's claim experience was monitored monthly. Claim experience, combined with updated estimates of insurance industry costs, was reviewed in determining contract terms annually. Because of the inherent uncertainties in estimating costs, it was reasonably possible that the Company's estimates of costs would change in the near term.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Gift Card Obligations - The Company sells and collects cash on the sale of gift cards to its franchisees. The gift cards are honored at the respective franchise locations. The Company estimates breakage based on historical analysis of unused gift cards and records income for the portion of gift cards sold and not expected to be redeemed as the gift cards are redeemed. Where historical data is not available, the Company uses relevant public financial statement data to estimate breakage. The Company has determined that gift card breakage was not significant for the years ended December 31, 2025, 2024 and 2023. Accordingly, no breakage income is reflected in these financial statements.

Revenue Recognition - Revenues consist of franchise royalties, initial franchise and development fees, management, consulting and other fees. The Company executes franchise agreements for each franchise restaurant, which establishes the terms of the agreement with the franchisee. The Company recognizes initial franchise fees as deferred revenue when received and as revenue on a straight-line basis over the contractual term of the franchise agreement. Initial franchise fees include the initial contractual franchise fee, related license and development fees and franchise transfer fees. Any remaining unamortized franchise fee revenue is recognized in full upon store closure. The following table shows the Company's deferred revenue balances at December 31:

	<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>2022</u>
Current portion of deferred revenue	\$ 894,689	\$ 911,633	\$ 811,455	\$ 649,141
Deferred revenue, net of current portion	<u>6,914,570</u>	<u>7,802,894</u>	<u>7,936,852</u>	<u>6,815,418</u>
Total Deferred Revenue	<u>\$ 7,809,259</u>	<u>\$ 8,714,527</u>	<u>\$ 8,748,307</u>	<u>\$ 7,464,559</u>

Franchise Fees - The Company generates revenue from franchising arrangements through individual franchise agreements, under which the Company grants franchisees the right to use its trademarks and operating system and provides pre-opening services. The Company identifies a single performance obligation related to the franchise license, which includes pre-opening services that are not distinct and are accounted for as a single performance obligation in accordance with the practical expedient in ASC 952-606. The performance obligation is satisfied over the term of the franchise agreement, which is typically ten years. Consideration under franchise agreements generally consists of an initial, nonrefundable franchise fee and continuing fees based on a percentage of franchisee sales. The initial franchise fee is fixed and due upon franchise opening and is recognized on a straight-line basis over the franchise term. Continuing franchise royalties, generally ranging from 4.5% to 6% of franchisee gross sales, as defined in the franchise agreement, are recognized as revenue as the underlying franchisee sales occur. The Company does not provide or generate revenue from separate design, architecture, construction, or training services.

The Company is reimbursed by CMF for its marketing services and administration. In addition, the Company receives management fees from related parties, which are recognized as services are rendered. (See Note 3.)

Commissions - Commissions paid by the Company in connection with the acquisition of certain franchises are accounted for as a deferred commission asset and are amortized to expense over the expected life of the franchise, since these costs were incurred to obtain the contract. Amortization expense relating to deferred commissions was approximately \$166,000, \$172,000 and \$118,000 for the years ended December 31, 2025, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes - The Company, with the consent of its shareholder, elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code (IRC) for federal and state income tax purposes. The shareholder is taxed individually on the Company's taxable income.

Accounting for uncertainty in income taxes requires financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an enterprise's financial statements. Income tax positions must meet a more-likely-than-not recognition threshold to be recognized. When necessary, the Company accrues penalties and interest related to unrecognized tax benefits as a component of income tax expense. Income tax returns since 2022 are subject to review by the Internal Revenue Service, generally three years after the returns are filed.

A reconciliation of the beginning and ending amount of uncertain tax positions is as follows for the years ended December 31:

	<u>2025</u>	<u>2024</u>	<u>2023</u>
Balance at beginning of year	\$ 330,068	\$ 307,612	\$ 284,142
Increase based on change in estimated tax positions for the year ended	<u>21,983</u>	<u>22,456</u>	<u>23,470</u>
Balance at end of year	\$ <u>352,051</u>	\$ <u>330,068</u>	\$ <u>307,612</u>

When evaluating uncertain tax positions, the Company considers lapses of the applicable statutes of limitations of unrecognized tax benefits, resolution of examination by taxing authorities and other regulatory filings. The Company estimates that there will not be any net decrease in any unrecognized tax benefits for the next 12 months.

Leases - For leases with a term greater than one year, the Company recognizes a lease asset for its right to use the underlying leased asset and a lease liability for the corresponding lease obligation. The Company determines whether an arrangement is or contains a lease at contract inception. Operating leases with a duration greater than one year are included in operating lease right-of-use assets, current portion operating lease liabilities and operating lease liabilities, net of current portion in the Company's balance sheets at December 31, 2025, 2024 and 2023. Operating lease right-of-use assets and operating lease liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. In determining the present value of lease payments, the Company uses a risk-free rate of a period comparable with that of the lease term unless the implicit rate is readily determinable. The Company considers the lease term to be the noncancelable period that it has the right to use the underlying asset, including all periods covered by an option to (1) extend the lease if the Company is reasonably certain to exercise the option; (2) terminate the lease if the Company is reasonably certain not to exercise that option; and (3) extend, or not to terminate, the lease in which exercise of the option is controlled by the lessor. The Company has elected the practical expedient to not recognize right-of-use assets and lease liabilities arising from short-term leases, defined as a lease with an initial term of 12 months or less. Lease agreements with lease and non-lease components are accounted for as a single lease component for all classes of leased assets for which the Company is the lessee.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The operating lease right-of-use assets also include any lease payments made and exclude lease incentives received or receivable. Lease expense is recognized on a straight-line basis over the expected lease term. Variable lease expenses are recorded when incurred.

Reclassification of Prior-Year Amounts - Certain amounts reported in the prior-year financial statements were reclassified to conform with the current-year presentation.

Subsequent Events - Subsequent events are defined as events or transactions that occur after the balance sheet date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through April 27, 2026, the date that the financial statements were available to be issued.

The Company utilizes various investment options, including common stock, mutual funds and other investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investments, it is reasonably possible that changes in value will occur in the near term, and those changes could materially affect the Company's financial position and changes in shareholder's equity.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

GOSH ENTERPRISES, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, 2024 AND 2023

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025, 2024 and 2023.

Money Market: Valued at the daily net asset value (NAV).

Common Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Company are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Company are deemed to be actively traded.

U.S. Government Securities: Valued using pricing models maximizing the use of observable inputs for similar activities

Corporate Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The methods described above might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Further, while the Company believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 - DEBT AND CREDIT ARRANGEMENTS

The Company maintains a revolving line of credit with a financial institution in a co-borrower arrangement with CSI, Bibibop, Bibibop Development and Bibibop Holdings. Terms of the line of credit allow for borrowings of up to \$20,000,000 and is set to mature April 30, 2026. There was \$20,000,000 in outstanding borrowings on the line of credit at December 31, 2024 and 2023.

As of December 31, 2025, the line of credit bears interest at the forward-looking term secured overnight financing rate (3.87% at December 31, 2025) plus 1.6%. As of December 31, 2024, the line of credit bore interest at the forward-looking term secured overnight financing rate plus 2.70%. As of December 31, 2023, the line of credit bore interest, at the Company's option, of either the forward-looking term secured overnight financing rate plus 1.50% or the greater of the Prime Rate (6.75% at December 31, 2025) minus 1.00% or 1.50%. The line is secured by substantially all business assets of the Company and co-borrowers. The line has associated affirmative, negative and financial covenants, the most restrictive of which is a Funded Debt to earnings before interest, taxes, depreciation and amortization requirement, as defined in the agreement. The Company is subject to a non-usage fee assessed quarterly on the unused portion of the line of credit. The non-usage fee is calculated each calendar quarter at a rate of 0.125%, applied to the unused portion of the credit facility during the quarter. Non-usage fees are recognized as interest expense in the period incurred.

The Company has a promissory note with a financial institution with a principal amount of approximately \$1,862,000 in a co-borrower arrangement with CSI, Bibibop, Bibibop Development and Bibibop Holdings. The note bears interest at 4.98% per annum and requires monthly principal and interest payments of approximately \$29,000 through maturity in April 2028. It is secured by certain Company vehicles. The outstanding balance was approximately \$793,000, \$1,094,000 and \$1,380,000 as of December 31, 2025, 2024 and 2023, respectively.

In April 2020, the Company entered into a loan with a bank with a principal amount of approximately \$1,497,000 pursuant to the Paycheck Protection Program (PPP) under the Coronavirus Aid, Relief, and Economic Security Act, and it was amended in March 2022. The PPP loan may be accelerated upon the occurrence of an event of default. It is unsecured and guaranteed by the United States Small Business Administration. The Company elected to forgo the application for forgiveness.

The PPP loan bears interest at 0.98% per annum and requires equal monthly payments of principal and interest through the month prior to the maturity date, with a final payment of all unpaid principal plus accrued and unpaid interest on the amended date. The outstanding balance on the PPP loan was approximately \$214,000 and \$852,000 at December 31, 2024 and 2023, respectively. The outstanding balance on the PPP loan was paid off in full in 2025.

NOTE 8 - LEASES

The Company leases certain vehicles and office and computer equipment under long-term, noncancelable operating lease agreements that expire at various times through February 2027. It also leases certain office space under long-term, noncancelable operating leases.

Effective January 1, 2022, the Company entered into a long-term noncancelable lease for new office space with UAC. The lease initially required monthly rental payments of \$75,000, which is inclusive of utilities and common area maintenance charges. In March 2022, the lease was amended to add additional space, increase the required monthly payments to \$80,263 and require the Company to pay a pro rata share of common area maintenance charges and real estate taxes. In January 2025, the lease was amended to clarify the Company's obligation to pay its proportional share of operating costs associated with the office space. The office space lease is set to expire in December 2031 and provides for two 10-year renewal options, exercisable upon 30 days' prior written notice to the landlord. These renewal options are not included in the lease liability as of December 31, 2025 because they are not reasonably certain to be exercised.

The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

2. Item 17 of the Franchise Disclosure Document is supplemented by the following language.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires arbitration. The arbitration will occur in the offices of the American Arbitration Association located closest to our principal place of business (currently, Columbus, Ohio). If we file a claim in a judicial or arbitration proceeding for amounts you or any of your owners owe us or any of our affiliates, or if we enforce the Franchise Agreement in a judicial or arbitration proceeding, and we prevail in any such proceeding, you will have to reimburse us for all of our costs and expenses, including reasonable accounting, paralegal, expert witness and attorneys' fees. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a Franchise Agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Ohio. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

The California Corporations Code 31512 provides that: "Any conditions, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of this law or any rule or order hereunder is void." The Franchise Agreement requires a shortened statute of limitations period. Pursuant to Corporations Code Section

31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.

3. Item 22 of the Franchise Disclosure Document is supplemented by the following language.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

4. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

**ADDITIONAL DISCLOSURES
REQUIRED BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS DISCLOSURE ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by a franchisee”: “You may terminate the agreement on any grounds available by law.”
5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

ADDITIONAL DISCLOSURES
REQUIRED BY THE STATE OF RHODE ISLAND

Item 17, Additional Disclosure. The following statement is added to Item 17:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that: “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

The provision of this Additional Disclosure shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Rhode Island Franchise Investment Law are met independently without reference to this Additional Disclosure. The Additional Disclosure shall have no force or effect if such jurisdictional requirements are not met.

ADDITIONAL DISCLOSURES
REQUIRED BY THE COMMONWEALTH OF VIRGINIA

Item 17, Additional Disclosure. The following statements are added to Item 17:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

As of July 1, 2026:

- A. Under subsection D of § 13.1-559 of the Virginia Retail Franchising Act, for all franchised businesses that are located in Virginia, any franchise contract or agreement offered or entered into pursuant to terms of the Virginia Retail Franchising Act shall be governed by the laws of the Commonwealth of Virginia.

- B. Under subdivision A 4 of § 13.1-563 of the Virginia Retail Franchising Act, it is unlawful in connection with the sale or offer to sell a franchise for a business to be located in Virginia, to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. However, under subsection B of § 13.1-563 of the Retail Franchising Act, in the event that a franchisee sells a franchise at a mutually agreed upon price to a third party or back to the franchisor, such sale may include a term restricting the right of such franchisee to engage in the business of offering, selling, or distributing goods or services at retail for a period of no more than two years after the closing date of such sale.

Item 22, Additional Disclosure. The following statements are added to Item 22:

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The provision of this Additional Disclosure shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Virginia Retail Franchising Act are met independently without reference to this Additional Disclosure. The Additional Disclosure shall have no force or effect if such jurisdictional requirements are not met.

**ADDITIONAL DISCLOSURES
REQUIRED BY THE STATE OF WASHINGTON**

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise **Investment** Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during

the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state

franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to

regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

- 18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

VETFRAN ADDENDUM TO FRANCHISE AGREEMENT

**VETFRAN PROGRAM ADDENDUM
TO THE CHARLEYS RESTAURANT FRANCHISE AGREEMENT**

This Addendum to the Franchise Agreement dated _____ (“Franchise Agreement”) between GOSH ENTERPRISES INC. (“GEI”), an Ohio corporation, and _____ (“Franchisee”), a _____, is entered into as of _____.

RECITALS

In order to recognize the contribution of United States military personnel, attract new franchisees and encourage the development of franchised Charleys Restaurants, GEI has implemented a veterans incentive program (“VetFran Program”) for qualified veteran franchisees that develop and open new Charleys Restaurants.

Franchisee (or if Franchisee is an entity, a holder of at least a 51% ownership in Franchisee) is a veteran and has provided GEI with a DD Form 214 or other adequate documentation, as determined by GEI, demonstrating honorable discharge from the United States military.

Franchisee does not currently operate any Charleys Restaurants.

Since Franchisee’s development of the Charleys Restaurant to be located at _____ (the “Restaurant”) meets the criteria for the VetFran Program, GEI and Franchisee are entering into this Addendum to provide the VetFran Program benefits to Franchisee and to modify certain provisions of the Franchise Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, agreements and obligations set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Franchise Fee Reduction. Notwithstanding the provisions of Section 6.01 of the Franchise Agreement, Franchisee shall pay a reduced Franchise Fee to GEI in the amount of \$12,250.
2. Repayment of Reduced Franchise Fee on Transfer or Termination. If, prior to the first anniversary of the opening date of the Restaurant, (a) Franchisee transfers the Restaurant (or if Franchisee is an entity, any equity interests in Franchisee are transferred); or (b) GEI terminates the Franchise Agreement, then Franchisee must pay to GEI the portion of the Franchise Fee that was waived by GEI in the amount of \$12,250.
3. Capitalized Terms. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.
4. Limited Modification. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.
5. Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which

together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by electronic transmission (including, without limitation, PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.

IN WITNESS WHEREOF, the parties have duly executed, sealed and delivered this Addendum as of the day and year first above written.

16. Sub-Sublandlord's Obligations. Under no circumstances shall Sub-Sublandlord be liable for the loss of or injury to persons or property, occurring, in connection with or incidental to the failure of any heating, air-conditioning, utilities, or services nor shall any such failure relieve Sub-Subtenant from its duty to pay the full amount of Rent owing hereunder, or constitute a constructive or other eviction occurring after the Commencement Date of Sub-Subtenant. Sub-Subtenant hereby releases Sub-Sublandlord from any obligation under the Master Sublease Documents as specifically applicable to the Sub-Sublease Premises or hereunder to deliver or perform or to cause Master Landlord to deliver or perform any such service, repair, replacement or restoration.

17. Indemnification.

(a) Notwithstanding any provision to the contrary contained in this Sub-Sublease, except to the extent caused by the gross negligence, fraud, or willful misconduct of Sub-Sublandlord, Sub-Subtenant shall protect, defend, indemnify and save harmless, Sub-Sublandlord from and against all liabilities, obligations, damages, penalties, claims, costs, charges and expenses, including reasonable attorneys' fees and related disbursements, which may be imposed upon or incurred by or asserted against Sub-Sublandlord by reason of any of the following occurring during the Term of this Sub-Sublease:

(i) any work or thing done or condition created by Sub-Subtenant in, on or about the Sub-Sublease Premises or any part thereof;

(ii) any utilities, services, repairs, replacements or restorations

requested by Sub-Subtenant from Master Landlord;

(iii) any use, non-use, possession, occupation, operation, maintenance or management by Sub-Subtenant of the Sub-Sublease Premises or any part thereof, or passageway entrance or space adjacent thereto;

(iv) any negligence or willful misconduct on the part of Sub-Subtenant or any of its agents, contractors, servants, employees or licensees;

(v) any accident, injury or damage to any person or property occurring in, on or about the Sub-Sublease Premises or any part thereof, or any passageway, entrances or space adjacent thereto;

(vi) any failure on the part of Sub-Subtenant to keep, observe and perform any of the terms, covenants, agreements, provisions, conditions or limitations contained in this Sublease on Sub-Subtenant's part to be kept, observed and performed; or

(vii) the termination of this Sub-Sublease by reason of the occurrence of an event of default caused by Sub-Subtenant.

(b) In furtherance of the foregoing, Sub-Subtenant shall not (i) do or permit to be done anything prohibited to Sub-Sublandlord, as subtenant under the Master Sublease Documents as specifically applicable to the Sub-Sublease Premises, or (ii) take any action or do or permit any action which would result in any additional cost or other liability to Sub-Sublandlord under the Master Sublease Documents as specifically applicable to the Sub-Sublease Premises or this Sub-Sublease.

(c) In addition to, and not in limitation of the undertakings of herein above, to the extent that Sub-Sublandlord has agreed to indemnify Master Landlord and Sublandlord, so in this Sublease, Sub-Subtenant likewise agrees to indemnify Sublandlord and Master Landlord.

(d) In case any action or proceeding is brought against Sub-Sublandlord by reason of any such claim, Sub-Subtenant, upon written notice from Sub-Sublandlord, shall, at Sub-Subtenant's sole cost and expense, resist or defend such action or proceeding by counsel and no approval of counsel shall be required in each and every instance where the claim is resisted or defended by counsel of an insurance carrier obligated so to resist or defend such claim.

[18. CASp Disclosure. Pursuant to California Civil Code Section 1938, Sub-Sublandlord hereby discloses, and Sub-Subtenant hereby acknowledges, that the Sub-Sublease Premises have not been inspected by a Certified Access Specialist ("CASp"). California Civil Code Section 1938 also requires that this Sub-Sublease contain the following statement: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant.

The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs to correct violations of the construction related accessibility standards within the premises.” In accordance with the foregoing, Sub-Subtenant, upon at least thirty (30) days’ prior written notice to Sub-Sublandlord, shall have the right to require a CASp inspection of the Sub-Sublease Premises. If Sub-Subtenant requires a CASp inspection of the Sub-Sublease Premises, then: (i) Sub-Sublandlord and Sub-Subtenant shall mutually agree on the arrangements for the time and manner of the CASp inspection during such thirty (30) day period; (ii) Sub-Subtenant shall be solely responsible to pay the cost of the CASp inspection as and when required by the CASp; and (iii) Sub-Subtenant shall pay to Sub-Sublandlord, as and when required by Sub-Sublandlord, the cost of making any repairs to correct violations of the construction related accessibility standards within or relating to the Sub-Sublease Premises, if such payment obligation is owed by Sub-Sublandlord as tenant under the Sublease.]

GUARANTY
[TO BE ATTACHED]

GUARANTY

(WM# __, [City, State])

In consideration of, and as an inducement for the granting, execution and delivery of the Sub-Sublease, executed or to be executed on or about the date hereof (the "Sub-Sublease") between CPS Sites LLC, the Sub-Sublandlord therein named ("Sub-Sublandlord", which term shall be deemed to include the named Sub-Sublandlord and its successors and assigns) and [____], the Sub-Subtenant therein named ("Sub-Subtenant", which term shall be deemed to include the named Sub-Subtenant and its successors and assigns) related to certain premises located at a Walmart store #__ in [City], [State] (the "Premises"), and in further consideration of the sum of One (\$1.00) Dollar and other good and valuable consideration paid by Sub-Sublandlord to the undersigned, the receipt and sufficiency of which are hereby acknowledged, the undersigned _____, whose address is _____ ("Guarantor", which term shall be deemed to include the named Guarantor and its successors and assigns), hereby guarantees, absolutely and unconditionally, to Sub-Sublandlord the full and prompt payment of any and all charges and sums (including, without limitation, Sub-Sublandlord's legal expenses and reasonable attorneys' fees and disbursements) payable by Sub-Subtenant under the Sub-Sublease, and hereby further guarantees the full and timely performance and observance of all the covenants, terms, conditions and agreements therein provided to be performed and observed by Sub-Subtenant; and Guarantor hereby covenants and agrees to and with Sub-Sublandlord that if default shall at any time be made by Sub-Subtenant in the payment of any charges and sums, or if Sub-Subtenant should default in the performance and observance of any of the terms, covenants and conditions contained in the Sub-Sublease, Guarantor shall and will forthwith pay any and all charges and sums, to Sub-Sublandlord and any arrears thereof, and shall and will forthwith faithfully perform and fulfill all of such terms, covenants and conditions and will forthwith pay to Sub-Sublandlord all damages that may arise in consequence of any default by Sub-Subtenant under the Sub-Sublease, including, without limitation, all reasonable attorneys' fees, and disbursements incurred by Sub-Sublandlord or caused by any such default or the enforcement of this Guaranty.

This Guaranty is an absolute and unconditional guaranty of payment (and not of collection) and of performance. The liability of Guarantor is co-extensive with that of Sub-Subtenant and this Guaranty shall be enforceable against Guarantor without the necessity of any suit or proceeding on Sub-Sublandlord's part of any kind or nature whatsoever against Sub-Subtenant and without the necessity of any notice of non-payment, non-performance or non-observance or of any notice of acceptance of this Guaranty or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives. Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no way be terminated, affected, diminished or impaired by reason of (a) the assertion or the failure to assert by Sub-Sublandlord against Sub-Subtenant of any of the rights or remedies reserved to Sub-Sublandlord pursuant to the terms, covenants and conditions of the Sub-Sublease, or (b) any non-liability of Sub-Subtenant under the Sub-Sublease, whether by insolvency, discharge in bankruptcy, or any other defect or defense which may now or hereafter exist in favor of Sub-Subtenant.

This Guaranty shall be a continuing guaranty, and the liability of Guarantor hereunder shall in no way be affected, modified or diminished by reason of (a) any assignment,

renewal, modification, amendment or extension of the Sub-Sublease, or (b) any period of time Sub-Subtenant remains in possession after the expiration of the Term of the Sub-Sublease either on a month-to-month basis, as a holdover, as a tenant at sufferance or in any other legal capacity, or (c) any modification or waiver of or change in any of the terms, covenants and conditions of the Sub-Sublease by Sub-Sublandlord and Sub-Subtenant, or (d) any extension of time that may be granted by Sub-Sublandlord to Sub-Subtenant, (e) any consent, release, indulgence or other action, inaction or omission under or in respect of the Sub-Sublease, or (f) any dealings or transactions or matter or thing occurring between Sub-Sublandlord and Sub-Subtenant, or (g) any bankruptcy, insolvency, reorganization, liquidation, arrangement, Sub-Sublease for the benefit of creditors, receivership, trusteeship or similar proceeding affecting Sub-Subtenant, whether or not notice thereof or of any thereof is given to Guarantor.

Should Sub-Sublandlord be obligated by any bankruptcy or other law to repay to Sub-Subtenant or to Guarantor or to any trustee, receiver or other representative of either of them, any amounts previously paid, this Guaranty shall be reinstated in the amount of such repayments. Sub-Sublandlord shall not be required to litigate or otherwise dispute its obligations to make such repayments if it in good faith believes that such obligation exists.

No delay on the part of Sub-Sublandlord in exercising any right, power or privilege under this Guaranty or failure to exercise the same shall operate as a waiver of or otherwise affect any such right, power or privilege, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

No waiver or modification of any provision of this Guaranty nor any termination of this Guaranty shall be effective unless in writing, signed by Sub-Sublandlord; nor shall any such waiver be applicable except in the specific instance for which given.

All of Sub-Sublandlord's rights and remedies under the Sub-Sublease and under this Guaranty, now or hereafter existing at law or in equity or by statute or otherwise, are intended to be distinct, separate and cumulative and no exercise or partial exercise of any such right or remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others.

Guarantor agrees that whenever at any time or from time to time Guarantor shall make any payment to Sub-Sublandlord or perform or fulfill any term, covenant or condition hereunder on account of the liability of Guarantor hereunder, Guarantor will notify Sub-Sublandlord in writing that such payment or performance as the case may be, is for such purpose. No such payment or performance by Guarantor pursuant to any provision hereof shall entitle Guarantor by subrogation or otherwise to the rights of Sub-Sublandlord to any payment by Sub-Subtenant or out of the property of Sub-Subtenant, except after payment of all sums or fulfillment of all covenants, terms, conditions or agreements to be paid or performed by Sub-Subtenant.

Guarantor agrees that it will, at any time and from time to time, within ten (10) business days following written request by Sub-Sublandlord, execute, acknowledge and deliver to Sub-Sublandlord a statement certifying that this Guaranty is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and

effect as modified and stating such modification). Guarantor agrees that such certificate may be relied on by anyone holding or proposing to acquire any interest in the Premises.

As a further inducement to Sub-Sublandlord to make and enter into the Sub-Sublease and in consideration thereof, Sub-Sublandlord and Guarantor covenant and agree that in any action or proceeding brought on, under or by virtue of this Guaranty, Sub-Sublandlord and Guarantor shall and do hereby waive trial by jury. Without regard to principles of conflicts of laws, the validity, interpretation, performance and enforcement of this Guaranty shall be governed by and construed in accordance with the internal laws of the State in which the Sub-Subleased Premises are located.

Guarantor warrants and represents to Sub-Sublandlord that it has the legal right and capacity to execute this Guaranty. In the event that this Guaranty shall be held ineffective or unenforceable by any court of competent jurisdiction, then Guarantor shall be deemed to be a subtenant under the Sub-Sublease with the same force and effect as if Guarantor were expressly named as a joint subtenant therein.

As used herein, the term "successors and assigns" shall be deemed to include the heirs and legal representatives of Sub-Subtenant and Guarantor, as the case may be. If there is more than one Guarantor, the liability hereunder shall be joint and several. All terms and words used in this Guaranty, regardless of the number or gender in which they are used, shall be deemed to include any other number and any other gender as the context may require.

If Guarantor is an individual, Guarantor warrants and represents that it is owner of more than fifty percent (50%) of the issued and outstanding shares of voting stock (or membership interests) of Sub-Subtenant, and is a principal officer of Sub-Subtenant. If Guarantor is a corporation or limited liability company, Guarantor warrants and represents that Sub-Subtenant is a wholly-owned subsidiary or affiliate of Guarantor and that the execution and delivery of this Guaranty is not in contravention of its charter, operating agreement or by-laws or applicable state laws and has been duly authorized by its board of directors or members. Upon request of Sub-Sublandlord, Guarantor agrees to deliver to Sub-Sublandlord a resolution authorizing the execution and delivery of this Guaranty.

If Guarantor fails to pay any amount payable under this Guaranty when due, interest on such amount shall accrue at an annual interest rate equal to the lesser of fifteen percent (15%) or the maximum rate allowed by law.
