How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit M.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit A includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only AFC business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a AFC franchisee?	Item 20 or Exhibit M lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit N.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration only in California. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in California than in your own state.
2. **Turnover Rate.** During the last 3 years, a large number of franchised outlets were terminated, not renewed, re-acquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

The Franchised Business

Our business is granting franchises to let people, like you, operate Zenshi Counters, AFC Food Service Counters, and Wild Blue Counters, which offer prepared sushi and other Asian style foods. Sometimes, due to arrangements with the facility owner, you will operate your Food Service Counter under a different name, or a generic name.

Originally, our franchises emphasized sushi and this continues to be an important part of the franchise. Since approximately September 2005, we broadened our emphasis and now describe ourselves as food service counters. We are not in any other business and haven't offered franchises in any other business. We offer three types of franchises—full-time food service counters, part-time food service counters and self-service food service counters.

Full-time Food Service Counters allow you to operate a Food Service Counter as a department of a retail supermarket or in another kind of location, like a college campus or arena on a full time basis.

In some instances, we may permit you to operate at these facilities on a part-time basis. In part-time locations, you are not required to be personally present or have a manager personally present at the Food Service Counter more than four hours per day. We currently only permit franchisees to operate a part-time location if they already own a full time Food Service Counter.

Self-service Food Service Counters are available only to selected franchisees who already operate a full-time or part-time Food Service Counter with us. Under the self-service franchise, you service a supermarket or other location's sushi and/or other prepared food needs from your existing location. You do not have to be physically present at the self-service location during all hours of operation. It is your responsibility to prepare the prepared foods (such as sushi, roll n' wraps and other foods in our system) at your full-time or part-time Food Service Counter and deliver it at least once daily to your self-service location.

To purchase a Food Service Counter, you must sign our form franchise agreement and a separate addendum for each location to be opened by you. All the addendums are controlled by one franchise agreement.

Under each type of franchise, customers pay the facility owner for their purchases and sales are recorded in the facility owner's cash registers and then reported to us. The facility owner and we keep a percentage of your gross sales. We then return the remainder to you less amounts we deduct for other charges to you. At most locations, you will not use a cash register. At other locations, cash registers will be provided by the location owner for your use (See Items 6 & 11.) We also operate Food Service Counters that are similar to the ones you will operate. See Exhibit M. We are not in any other business.

We have agreements to operate Food Service Counters as separate departments of supermarkets and other venues. In many instances we perform the agreement by us granting you a franchise, so you can operate the Food Service Counter. We enter into agreements with location owners. Entering into a franchise agreement with you to operate at that location enables us to satisfy the agreement. We will tell you available locations when we meet.

Our affiliate AFCPL offers franchises similar to the ones you will operate outside the United States and Canada. As of March 31, 2025, AFCPL had 223 franchised and 189 company owned locations in Australia. AFCPL is not in any other line of business and does not offer franchises in any other line of business.

Our affiliate AFCDC fulfills and ships franchisee orders, is our logistics provider for product shipments sold to you and sells products to third parties. AFCDC is not in any other line of business and does not offer franchises in any line of business.

There is an existing market for sushi and other prepared food products at stand-alone Food Service Counters and restaurants, and also at grocery stores. You will sell prepared foods mainly to customers who shop at the grocery store or visit the venue where your Food Service Counter is located. Customer traffic will be generated primarily by the facility and its owner. You are only permitted to sell your prepared food products at the Food Service Counter(s) we designate. The facility owner has the right to sell competing products at other locations in the facility. The market for sushi and other food products is fairly developed and is enjoyed by customers year round.

You must comply with federal and state laws on operating a restaurant, health, safety and sanitation laws which also include health department inspections, and menu and food labeling laws. This also includes the Hazard Analysis and Critical Control Point (“HACCP”) food safety program adopted by the U.S. Food & Drug Administration, and rules on handling, preparing and serving foods by people with communicable or infectious diseases. Your Food Service Counter may also be subject to laws on disposing hazardous wastes. Some states have laws requiring you to employ a person who is certified in food safety. See Exhibit O for state specific laws that may apply to you.

As an employer, you must comply with laws on minimum wages, overtime, maximum working hours, working conditions, unlawful discrimination, restricting employment of children and other labor laws and the Department of Homeland Security’s E-Verify program, if required by the facility owner.

You will compete with quick service restaurants and other food alternatives where your Food Service Counter is located. You will also compete with company owned stores (if any are located near you, see Item 20), other Food Service Counters, restaurants and people’s other choices for dining and shopping for food.

ITEM 3 LITIGATION

PENDING LITIGATION:

A. Pending Cases We Brought Against Franchisees in Fiscal Year Ending March 2025:

None

B. Cases Pending Against Us:

None

CONCLUDED LITIGATION:

Claim of P. Mung

Pau Sian Mung v. Advanced Fresh Concepts Franchise Corp. (United States District Court, Northern District of Georgia, Case No. 1:23-cv-04154, removed September 14, 2023 – “District Court Lawsuit”); *Pau Sian Mung v. Advanced Fresh Concepts Franchise Corp.* (Superior Court of Newton County, State of Georgia, Case No. SUCV2023001844, filed August 11, 2023 – “State Court Lawsuit”); and *P. Mung v. Advanced Fresh Concepts Franchise Corp.* (American Arbitration Association, Case No. 01-23-0004-3850, initiated October 5, 2023 – the “Arbitration”). On July 21, 2023, AFC terminated its franchise agreement with Pau Sian Mung (“Claimant”) pursuant to the provisions of the franchise agreement based on Claimant’s unlawful trespass onto another franchise operator’s premises and theft from another franchise operator. On August 11, 2023, Claimant initiated the State Court Lawsuit. On September 14, 2023, AFC removed the State Court Lawsuit to District Court Lawsuit. After AFC filed its motion to dismiss or stay the District Court Lawsuit pending arbitration, Claimant stipulated to a stay of the District Court Lawsuit and the District Court entered an order staying the matter pending an award issued in arbitration. On October 5, 2023, Claimant initiated the Arbitration with the American Arbitration Association (“AAA”). Claimant’s arbitration demand asserted his franchise agreement was wrongfully terminated by AFC and claimed causes of action for breach of contract and breach of the covenant of good faith and fair dealing. Claimant’s arbitration demand sought damages “in excess of \$150,000.” On March 1, 2024, Claimant dismissed without prejudice the District Court Lawsuit against AFC. On March 8, 2024, the Arbitration was dismissed without prejudice by AAA because Claimant failed to pay AAA the deposit amount of \$1,250.00.

Claim re Pau Sushi Catering, LLC

Pau Sushi Catering, LLC v. Advanced Fresh Concepts Food Services Corp. (American Arbitration Association, Case No. 01-19-0001-4357, filed May 10, 2019). Pau Sushi Catering, LLC (“Claimant”) operated an AFC Food Service Counter within a Publix Supermarket in the Orlando, Florida, area until July 19, 2018. Claimant’s franchise agreement was terminated when we discovered Claimant’s operations violated our zero tolerance policy for using carbon monoxide treated tuna in products at Publix Supermarket locations. Claimant’s arbitration demand contends the immediate termination amounted to a breach of the franchise agreement by us and that our actions also constituted fraud, negligent misrepresentation, unlawful business practices and racial discrimination, among other claims. Claimant asserted its damages exceeded \$ 500,000. The arbitration was initiated on May 10, 2019. On August 4, 2020, Claimant and AFC agreed in writing to resolve the arbitration for mutual general releases and the dismissal of the arbitration with prejudice. On August 17, 2020, the arbitration was ordered closed based on the August 4, 2020 agreement.

Claim of Cherry Lee

Cherry Lee v. Soe Tun and Advanced Fresh Concepts Food Services Corp. (Contra Costa County Superior Court Case No. C18-01063, filed May 23, 2018, dismissed with prejudice on January 7, 2019). Plaintiff was employed as a sushi chef by our franchisee, Soe Tun, between August 2017 and February 2018. On May 23, 2018, Plaintiff initiated this action against our former affiliate, Advanced Fresh Concepts Food Service Corporation (“AFCFSC”) and Soe Tun alleging claims for hostile work environment, retaliation, failure to prevent harassment/retaliation, negligent supervision, sexual battery and a violation of section 226 of the Labor Code. The full scope of the alleged damages was uncertain but included claims for emotional/physical distress and approximately 3 months of lost income of \$1,600 per month. Plaintiff’s principal theory against AFCFSC was based on Soe Tun’s and AFCFSC’s alleged joint employment with Soe Tun of Plaintiff. Soe Tun and AFCFSC answered the complaint and denied the allegations. On December 21, 2018, Plaintiff executed a settlement agreement and agreed to settle her dispute for a total payment of \$5,000.00 in exchange for a dismissal with prejudice of AFCFSC, general release of AFCFSC and all its affiliated entities, including Advanced Fresh Concepts Corp. and an express acknowledgement in writing that the settlement did not constitute any evidence or admission of wrongdoing by AFCFSC. The dismissal with prejudice of AFCFSC was entered on January 7, 2019.

Claim of Pilrang Owa

Advanced Fresh Concepts Franchise Corp. v. Pilrang Owa d.b.a. Sakura Foods Everett L.L.C. (American Arbitration Association Case No. 01-16-0002-8871, Los Angeles, California, filed July 19, 2016). We initiated an arbitration proceeding against Pilrang Owa doing business as Sakura Foods Everett L.L.C. (“Owa”) seeking an order finding and declaring Owa owned and operated an AFC Food Service Counter by and through her own, independently run company, Sakura Foods Everett, L.L.C. and therefore was not our employee (“Owa Arbitration”). We did not seek damages with respect to the relief requested, but recovery of all fees and costs incurred for the dispute. Thereafter, Owa filed a counter-claim against us in the arbitration proceeding seeking \$6.8 million dollars in damages. We filed the arbitration demand after learning that Owa filed a motion to amend her complaint in the action entitled *Pilrang Bae Owa v. Fred Meyer Stores, et al.* (Superior Court of Washington for King County, Case No. 16-2-09786-3 SEA, filed April 16, 2016 - the “State Court Action”) to include us as a defendant on the basis that she was allegedly our employee. Owa contended in the State Court Action that we discriminated against and harassed her when conducting inspections of her franchise operation and by sending her notices to cure breaches of the franchise agreement. Owa claimed the discrimination and harassment was based on a protected classification in violation of Washington state laws and, based thereon, sought unspecified amounts of monetary damages. We contended Owa signed a franchise agreement with us whereby she was an independent business owner that operated a Food Service Counter and was not our employee. On August 5, 2016, Fred Meyer Stores removed the State Court Action to the U.S. District Court, Western District of Washington (Case No. 2:16-cv-01236 – the “First District Court Action”). On September 9, 2016, we moved to compel arbitration of Owa’s claims in the First District Court Action. On November 28, 2016, Owa filed a separate virtually identical action in the U.S. District Court, Western District of Washington (Case No. 2:16-cv-01832 – “Second District Court Action”). On December 15, 2016, the court granted our motion to compel resolution of all claims between the parties within the Owa Arbitration, stayed the First District Court Action pending the results of the Owa Arbitration and dismissed the Second District Court Action. On November 28, 2017, the arbitrator issued a comprehensive final award in our favor and against Owa (“Final Award”). The Final Award included an award of attorney’s fees and costs to us in the amount of \$373,126.98. On May 29, 2018, the District Court confirmed the Final Award and entered it as a judgment in our favor. On June 23, 2018, Owa appealed the arbitrator’s ruling to the Ninth Circuit Court of Appeals, Case No. 18-35531. On October 5, 2018, AFC and Owa reached an agreement to settle their dispute and executed a formal settlement agreement on October 16, 2018, whereby Owa would dismiss her appeal with prejudice, AFC would execute a satisfaction of judgment as to the Final Award for filing in the First District Court Action and, except as to the judgment entered in the First District Court Action, the parties would mutually and generally release each other. On November 20, 2018, an order entering Plaintiff’s dismissal of her appeal was entered and AFC conveyed the satisfaction of judgment form to Plaintiff for her filing and use in the First District Court Action with respect to the Final Award.

Claim of Zaw Min Oo

Z. Oo v. Advanced Fresh Concepts Franchise Corp., et al. (American Arbitration Association Case No. 01-15-0005-1350, Los Angeles, California, filed September 24, 2015). Claimant Z. Oo initiated an arbitration proceeding against Ryuji Ishii and AFCC alleging damages based on breach of contract for: (i) commission rates that were inaccurate or improperly reduced; (ii) improper establishment of new franchise locations within the vicinity of Claimant's franchise operations; (iii) improper and/or unauthorized deductions from royalty payments; and (iv) improper and/or unauthorized charges for franchise renewals. Claimant sought total damages of \$990,000. On February 24, 2016, Mr. Ishii and AFCC were dismissed and we (Advanced Fresh Concepts Franchise Corp) were substituted into the matter as respondent. We answered the Arbitration Demand denying the allegations, any wrongdoing and any damages sustained by Claimant. On March 8, 2016, we filed a counter-arbitration demand for declaratory relief seeking an order terminating Claimant's franchise operations for his breach of the franchise agreement. We also simultaneously sought a preliminary restraining order suspending all of Claimant's franchise operations pending a final decision on our request for declaratory relief. On April 13, 2016, the Arbitrator issued a preliminary injunction against Claimant, suspending his franchise operations pending resolution of our declaratory relief claim for termination. Claimant then surrendered his operations to us on April 14, 2016. A hearing on the merits was held on April 18-19, 2016. On May 12, 2016, an Award was issued for us and against Claimant with regard to our declaratory relief claim seeking the termination of Claimant's franchise operations. However, the Award also granted Claimant \$280 in damages for tablet charges, \$50 for on-line ordering charges and a nuisance award of \$1,000 for automated tuna shipments. The Arbitrator also awarded Claimant his administration costs for the arbitration in the amount of \$11,200. Finally, the Award found that neither party qualified as a prevailing party, including on our counter-arbitration demand and therefore denied all parties any recovery of attorney's fees and costs.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

ITEM 5 INITIAL FEES

If you are a new franchisee obtaining a full time location, you pay us an initial franchise fee of \$6,250. In addition, you pay us a \$100 credit and background check fee when turning in your application, up to \$2,300 for our training program for each of your principal owner(s), up to \$2,300 for each manager you bring with you to the initial training, up to \$275 per person for the ServSafe® Food Protection Manager Certification (for you and your managers), up to \$1,000 per person for drug, tuberculosis and criminal background testing and a manual lease fee of up to \$600 for each full service or part time Food Service Counter to be opened. You pay the training fee, ServSafe® training and examination fee and manual lease fee in a lump sum when you start training. You pay the drug, tuberculosis and criminal background test fee and/or the cost of other testing required by the facility owner after the tests/check is completed through deduction from your commissions.

If you are an existing franchisee with us obtaining a self-service or part-time franchise in addition to your existing full time location, there is currently no initial franchise fee for the self-service or part-time location (although we can implement such a fee in the future). If you want to open an additional full time location, we charge the following for each additional full time location to be operated pursuant to your franchise agreement:

Number of Months Remaining on Your Franchise Agreement (on effective date of the addendum)	Initial Fee Per Location
48-60	\$6,250
36-47	\$5,000
24-35	\$3,750
12-23	\$2,500
Less than 12	\$1,250

You pay the initial franchise fee in a lump sum on signing each full time location addendum. There are no refunds or prorations if a location starts as a full time location and later is transformed into a self service or part-time location. However, if a location starts as a self service or part-time location and is transformed into a full time location, then you must pay our then current initial franchise fee for the full time location.

If you fail to complete our training program to our satisfaction or if you fail any required drug, tuberculosis or other chemical and disease testing and/or criminal background investigation, we may cancel the franchise agreement.

Before opening, we require you to purchase a label machine consisting of a tablet and printer and warranty* costing up to \$1,699. The cost of the label machine will vary, depending on the type of tablet, printer and warranty you decide to purchase in accordance with the requirements in the manual. We also require you to purchase equipment and small wares costing up to \$46,000, opening food inventory which depending on what you order can range from \$10,400 to \$31,200 at a full-time or part-time service location and \$1,625 to \$6,500 at a self-service location, scanner costing up to \$500, ongoing inventory which for 3 months can range from \$6,500 to \$23,400 at a full-time or part-time service location and \$1,300 to \$6,500 at a self-service location, signage which depending on your location can cost up to \$1,000, up to \$1,800 in opening assistance fees if we stay at your location 4 additional days beyond the first 3 for on-site training and up to \$350 for four additional sets of uniforms.

None of these fees is refundable. Except as indicated above, these initial fees are uniform to all new franchisees, though we may change them in the future.

If you are an entity, each of your owners who are individuals must sign a personal guaranty. The guaranty is on the signature page of the franchise agreement and each applicable addendum.

If you purchase an existing location from us, we will charge you \$1,000 to \$100,000 for the Food Service Counter business, assets, equipment and value of the established market of the Food Service Counter, as we determine at our sole discretion.

We may finance some of the initial franchise fee(s) and various other expenses that you incur with us. (See Item 10.)

* These items are not required when you purchase a self-service franchise, because you already have these items in your full-time or part-time location.

Footnotes:

- (1) All fees are imposed by and are payable to us, our affiliate or to AFCC. Fees are uniformly imposed. All fees are non-refundable. If you are an entity, each of your owners who are individuals must sign a personal guaranty. The guaranty is on the signature page of the franchise agreement and each addendum. As of March 2025, there were no purchasing or advertising cooperatives. Accordingly, franchisor owned outlets did not have voting power on any fees imposed by such cooperatives.
- (2) "Gross Sales" means all sales and revenues whatsoever derived from your business, in any form, except that sales tax, credits or refunds are not part of Gross Sales.
- (3) Payable by deduction from our payments to you. The deduction appears on a monthly statement.
- (4) You do not receive direct payment from your sales. All sales will be through registers owned or operated by the facility owner. The facility owner forwards payments to us, less any amount to be retained by them under their agreement with us. We retain a compensation fee together with other charges owed to us or AFCC. We return the rest to you. These amounts may vary according to the facility. The amounts are typically 62% to 67% paid to you (less amounts you owe us), 25% to 27% to the facility owner and 8% to

11% to us (plus any amounts you owe us.) If we negotiate a different amount to the facility owner then the percentage to you and us may be different. More often, if different, you will receive a higher percentage, but not always. When the percentage to you is lower, it is usually a location we expect to have a higher volume of sales. As an example, at a prominent university the facility owner retains 30%. We retain 6% and the operator receives 64%, but it is a higher volume location. We will pay you your percentage usually within 30 days after receiving the sales report and payment for the applicable period from the facility owner. Our sole responsibility is to remit to you the agreed commission percentage on amounts actually received from the facility owner. We have no responsibility under any circumstances to pay any commission to you on amounts not received from the facility owner. If we pay your commission in any given month before receiving payment from the facility owner and the facility owner does not pay us as required, you must reimburse us the commissions paid to you. You must also reimburse us any amounts paid to you, if we discover such amounts were paid in error, for example, if the facility owner requests a refund due to overpayment in any given period or if we otherwise overpay you. We can withhold any overpayment from future payments due to you.

- (5) Your cost may vary because there are different suppliers of logo items and banners and costs depend on the particular marketing tools selected. Other items could include umbrellas and/or carved wooden signs. Typically, prices are in the range of \$250 to \$1,000.
- (6) We and many jurisdictions require you to have a food safety certificate to operate a business serving food to the public. Every Food Service Counter must have at least one ServSafe® Food Protection Manager certified person onsite during all operating hours. We charge this fee when we train you and your manager.
- (7) “Discrepancy” means any discrepancy between data reported by the facility owner and you. The data reported by the facility owner will control. “Underreporting” means there were sales not included in your sales report to us.
- (8) If we choose, we can arrange to get insurance on your behalf, although we have no obligation to do so. If we do, you reimburse us.
- (9) If you want to offer something we haven’t approved or buy from a supplier we haven’t approved, we can charge you or the supplier for expenses we incur in our investigation. The fee will depend on the extent of the investigation needed. You must notify us in writing and provide us samples and other information we need to check out the product or supplier. See Item 8.

Footnotes:

(1) This table provides estimates for one full or part-time Food Service Counter located inside a grocery store or similar location. This table estimates your initial investment from the period before your Food Service Counter opens for business, until about 3 months of operations. We used our experience in operating and working with franchisees to make these estimates. These are only estimates. Your expenses will be higher if you plan to operate more than one full-time or part-time Food Service Counter. We only permit you to operate a part-time location if you already own a full time location. Unless indicated otherwise, all amounts payable are non-refundable. See item 10 for financing we provide.

(2) We charge an initial fee for each full time location operated under the franchise agreement. Currently, we do not charge an initial fee for a part-time location. We determine the fee as follows:

Number of Months Remaining on Your Franchise Agreement (on effective date of the addendum)	Initial Fee Per Location
48-60	\$6,250
36-47	\$5,000
24-35	\$3,750
12-23	\$2,500
Less than 12	\$1,250

You pay the initial franchise fee in a lump sum on signing each full time location addendum. The low estimate assumes you are an existing franchisee opening an additional part time location where no franchise fee is charged. The high estimate assumes you are a new or existing franchisee purchasing a full time location with 48 or more months left under your Franchise Agreement.

(3) You pay us the credit and background check fee when you provide us your completed application to become a franchisee. We do not charge this fee if you are an existing franchisee opening an additional location.

(4) Whenever we or the facility owner requests, you and your specified personnel must undergo drug, tuberculosis and other chemical and disease testing and/or criminal background investigation. The low estimate assumes a criminal background check for one person only. The high estimate assumes we or the facility owner require drug, tuberculosis and other chemical and disease testing as well as a criminal background investigation on two persons (you and one helper). If you fail any required drug, tuberculosis or other chemical and disease testing (which we or the facility owner requires) or any criminal background investigation we may cancel the franchise agreement and keep the fees paid to us.

(5) You pay us when training starts. If the franchisee is an entity, each of the franchisee's principal owners must attend our training. Principal owner means any individual who owns directly or indirectly 30% or more of the entity. If you (or your principal owner(s)) do not complete training to our satisfaction we may cancel the franchise agreement and keep the fees paid to us. There is no training fee for an existing previously trained franchisee adding an additional franchised location. The training fee includes the purchase price of 2 sets of uniforms. The low estimate assumes only one person receives sushi training. The high estimate assumes two persons receive steam table and sushi bar training.

(6) You pay this fee if you elect and request to bring a manager to our initial training program. The low estimate assumes you do not bring a manager to the initial training program. The high estimate assumes you bring a manager and the manager receives both steam table and sushi training.

(7) Every Food Service Counter must have at least one ServSafe® Food Protection Manager certified person onsite during all operating hours. We charge this fee when we train you and your manager. The low estimate is for training and cost of exam for one person taking the manager certification training. The high

estimate applies if two people take the manager certification training. You must also enroll in the ServSafe® Allergen Awareness Training offered online by ServSafe® and pass the training exam before starting operations. We require proof that you completed the training and passed the exam prior to the last day of orientation training. See Item 11.

(8) Expenses to travel to location of training, which may be, in our discretion in California, and for hotel and meals during our training program (including food certification training). There is no training fee for an existing franchisee adding an additional location to their existing agreement. This estimate assumes you spend \$400 to \$1,000 for round trip airfare per person, 10 to 25 nights in a hotel at \$100 - \$150 per person per night, and \$200 - \$1,000 per person for meals. The low estimate assumes only you are trained in our 10 day sushi training program and that you already have a food manager certificate. The high estimate assumes you and a manager are trained in the 10 day sushi program, 2 day food certification training and 13 day steam table training programs.

(9) We charge a manual lease fee for each operating manual we provide to you. Currently, these are our Confidential Operation's Manual, Standard Sanitation Operating Procedure Sushi Recipe Guide, Wild Blue Recipe Guide and Methods Manual and Steam Table Manual (if applicable to your franchise). You will receive one set of manuals for each full-time and part-time Food Service Counter you operate. The manual lease fee you pay is refunded to you when you return the manuals to us on termination or expiration of your agreement.

(10) If you purchase an existing Food Service Counter from us or our parent, we will charge you our estimate of the fair market value of the Food Service Counter, taking into account the revenue, assets, equipment and value of the established market of the Food Service Counter sold to you. You will either sign our form of Asset Purchase Agreement attached as Exhibit I, if the sale includes the assets and equipment of the Food Service Counter, or our form of Food Service Counter Transfer Agreement, attached as Exhibit J, if the sale does not include the sale of assets and equipment of the Food Service Counter.

(11) Estimated cost for opening food inventory. We try to have the opening food inventory at your location when you arrive to start the business. The low estimate assumes you only operate a steam table Food Service Counter. The high estimate assumes your Food Service Counter offers both sushi and steam table foods.

(12) For a Food Service Counter in a grocery store, the store will usually purchase and own the display case(s), signage, refrigerator, ice machine, preparation tables, storage racks, sinks and similar equipment. The high estimate of \$1,000 assumes you buy optional decorative umbrella(s), sign(s) or banner(s) with words or slogans we approve.

(13) After opening, we will stay at your location up to three days at no charge. If you ask, or we determine, that our employee needs to stay longer, we charge you \$450 per day. The low estimate assumes that our employee does not stay beyond three days. The high estimate assumes our employee stays with you four additional days (7 days total).

(14) Estimated cost for Tablet and printer to print price and ingredient labels for the products you sell and an inventory scanner to track your daily inventory of products made at your food service center. The cost of the label machine will vary, depending on the type of tablet and printer you decide to purchase in accordance with the requirements in the manual. The low estimate assumes you already have the printer and scanner needed at your location. The high estimate assumes you are required to purchase a Tablet, printer and inventory scanner.

(15) Estimated cost for warranty service for the first 24 months or for the first 36 months, respectively for the labeling machine.

(16) Estimated 3 month cost for the data and web access fee for the Tablet you purchase, currently \$40 per month. The high estimate assumes fee increases to \$75 per month.

(17) Estimated cost for smallwares and additional equipment consisting of items like a rice cooker, rice sheeter, storage containers, utensils, heated display case, delivery containers, refrigerators, steam table equipment (if required for your franchise), cooking equipment (if required for your franchise), Perfect Fryer, TurboChef Oven and related items.

(18) Estimated one year premium for required insurance. Insurance premiums may vary based on sales. If we pay on your behalf, you reimburse us.

(19) Estimated cost for four additional uniforms, including a hat, a coat and an apron beyond those you receive at the initial training. Low estimate assumes you choose not to purchase additional uniforms. The high estimate assumes you purchase these additional uniforms.

(20) Estimated costs for retail food license and business license which typically must be obtained from the City, County and/or State. At our election, we have the right, but no obligation, to obtain any required licenses and permits in your name. You grant us a power of attorney to apply for any required licenses, permits and any renewals of these for your food service counter(s). You reimburse us for any costs and fees incurred by us in applying for these licenses and/or permits on your behalf.

(21) Estimated costs for computer and Internet access. The low estimate assumes you already own a computer or laptop capable of Internet access and must only pay for Internet service through your preferred provider. The high estimate assumes you purchase a computer with Internet connectivity capabilities and Internet service. This estimate is for the first 3 months, but your Internet service payments will be ongoing to your service provider.

(22) We recommend that you have some additional funds for opening cash and expenses to cover entity formation costs, three months of operations, employee salaries (including yourself), supplies, administrative costs and funds of on-going inventory purchases for the first 3 months of operations. This estimate includes the Direct Deposit Fee of \$5 per month.

(23) Estimated charges for you to consult with independent professional advisors like a lawyer and CPA.

(24) The low estimate assumes you are in a facility or store where no account broker fee need be paid. The high estimate assumes you are in a location where an account broker fee must be paid. This fee is only paid if we pay a fee for the right to locate the Food Service Counter in the facility or store. You reimburse us for the amounts paid, not to exceed \$500 per quarter for each Food Service Counter subject to this fee.

(25) A new franchisee will not achieve the low estimate of zero in any category where zero is indicated, except possibly training fee for managers (if no managers are trained) additional uniforms (if no additional uniforms are purchased) and opening assistance (see footnotes 5, 18 and 13). The estimated range for a new franchisee is based on the low estimates from these footnotes, and a high that is the sum of the high estimates in each category.

(26) The initial investment for an additional location is similar to a new franchise, except an existing franchisee adding an additional location may possibly achieve a low estimate of zero in one or more categories. The estimated range for an existing franchisee adding an additional location assumes that the low estimate of zero will be achieved for: a) the credit and background check fee; b) tuberculosis, drug testing and criminal background checks; c) ServSafe® Food Protection Manager Training, Testing and Certification; d) ServSafe® Allergen Awareness Training and Testing; and, since there is no further initial training for you or your managers, e) training fees for you or your managers; and f) travel and living expenses during training for you or your personnel. Thus,

the total ranges are not simply the sum of the low or high estimates. Since some of the testing and certifications expire every two years, you may be required to complete c) and d). We may also require you to complete b).

Footnotes:

(1) This table provides estimates for a self-service Food Service Counter located inside a grocery store or similar location. We let you open a self-service Food Service Counter only if you already have an existing full-time or part-time Food Service Counter franchise. We do not charge an initial fee for you to enter into the Self-Service Location Addendum with us. This table estimates your initial investment from the period before your self-service Food Service Counter opens for business, until about 3 months of operations. We used our experience in operating and working with franchisees to make these estimates. These are only estimates. Unless indicated otherwise, all amounts payable are non-refundable. See item 10 for financing we provide.

(2) Estimated additional cost for opening food inventory. Food inventory is delivered to your full-time Food Service Counter for preparation. It is your responsibility to prepare the food and deliver it at least once daily to your self-service location.

(3) For a Food Service Counter in a grocery store, the store will usually purchase and own the display case(s), signage, storage racks and similar equipment. The high estimate of \$500 assumes you buy an optional decorative umbrella, sign or banner with words or slogans we approve.

(4) Estimated cost for you to purchase coolers and ice packs to allow you to transport the food products to your self-service location. The low estimate assumes you already own this equipment.

(5) Estimated one year premium for required insurance at your self-service location. Premium amounts may vary based on sales volume.

(6) Estimated costs for retail food license and business license which typically must be obtained from the City, County and/or State. At our election, we have the right, but no obligation, to obtain any required licenses and permits in your name. You grant us a power of attorney to apply for any required licenses, permits and any renewals of these for your Food Service Counter(s). You reimburse us for any costs and fees incurred by us in applying for these licenses and/or permits on your behalf.

(7) We recommend that you have some additional funds for opening cash and expenses to cover entity formation costs, three months of operation, employee salaries (including yourself), supplies, administrative costs and funds of on-going inventory purchases for the first 3 months of operations.

(8) The low estimate assumes you are in a facility or store where no account broker fee need be paid. The high estimate assumes you are in a location where an account broker fee must be paid.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Your Food Service Counter will be at a location you and we choose. It will be a grocery store or other location whose owner has an agreement with us or our parent for us to place a Food Service Counter there.

We develop some proprietary food products, sauces and spices. To protect our trade secrets and maintain quality control, we can require you to buy these proprietary items only from us or from suppliers we designate. Currently, we, our affiliates and our other approved suppliers are the only approved sources for seafood products, rice, vinegar, pre-prepared frozen salads, prepackaged condiments, prepackaged food items, other food products not including produce, utensils with our logo, and serving trays. Equipment like food preparation utensils (knives, rice scoopers) and plastic storage containers, can be purchased elsewhere provided they have been approved by the National Sanitation Foundation and bear the NSF logo. You must also comply with any source restrictions imposed by the facility owner to maintain quality control or an identifiable source for products in the event of product recalls.

We do not require you to buy or use electronic cash registers. All food purchases are normally handled through supermarket cash registers or the registers of the facility where your franchise is located. You are required to purchase a computer system with Internet connectivity to permit you to submit purchase orders online and to obtain information on new products, product specifications or other information.

We typically provide the initial inventory and equipment to the Food Service Counter before you arrive to start operating. As a result, you will obtain these items from us. This helps us get your Food Service Counter ready and lets you start operating sooner. You must keep all equipment in good repair.

We have a list of approved suppliers for food products and other items you need to operate the Food Service Counter. The list identifies manufacturers, brands, suppliers, transportation companies, and items and services we approve. We can revise the list from time to time. Other than our parent AFCC, our affiliate AFCDC and us, we do not have any suppliers in which any of our officers own an interest.

We have the sole right to develop new items for sale at your Food Service Counter. You must not develop, offer or sell sushi or other food items to the public without our prior written approval or sell any non-approved item from your Food Service Counter.

If you want to offer something we haven't approved, or buy from a supplier we haven't approved, you must tell us in writing and provide us samples and other information we need to check out the product or supplier. We expect to complete our review of a proposed new supplier within 60 days, however this could take longer depending on our and the supplier's availability, and the extent of inquiry needed. Our approval

may be conditioned on things like whether the supplier meets our standards, has a good reputation, has satisfactory financial condition, can provide service at a level we require, and is willing to agree to restrictions to protect our intellectual property rights. We can charge you or the supplier to investigate the supplier. Later, we can revoke any approval we've given. We permit franchisees to contract with suppliers who have been approved by us and who meet our criteria. We can issue written specifications and standards to franchisees and approved suppliers. We have the right to modify our specifications and standards on written notice.

You must purchase the insurance coverage we specify from carriers satisfactory to us, and containing terms we require. As of the effective date of this Disclosure Document, we require the following insurance:

(a) Commercial General Liability coverage covering the premises and your operations for bodily injury and property damage liability including contractual liability, personal injury and product liability coverage in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate;

(b) Worker's Compensation Insurance in statutory amounts as required in the state(s) where your operations are conducted, including a Voluntary Worker's Compensation endorsement extending coverage to all employees exempted from coverage due to numerical employment requirements of the state;

(c) Employer's Liability Insurance with limits of \$1,000,000 per occurrence;

(d) Unemployment Insurance covering your employees;

(e) Property Insurance in an amount adequate to replace contents in the event of an insured loss;

(f) Business Income Insurance with limits adequate to insure profits and continuing business expenses for one year;

(g) State disability insurance for your employees (as required by law); and

(h) Automobile liability insurance including coverage for autos owned, leased, hired or borrowed by you or your owners, with limits of at least five hundred thousand dollars (\$500,000) per occurrence of bodily injury and property damage combined, and any other or increased amounts of insurance that we may require from time to time for each vehicle used by you (whether principally or occasionally) in connection with the franchised business (for example, to drive to the franchised location(s), to deliver products to self service locations, or otherwise). See Franchise Agreement Section 12.1.

You must use only goods and services that comply with our standards. We don't have any other required specifications, designated suppliers or approved supplies. Except as disclosed in this Item, we do not currently have any arrangements to derive revenue from your purchases or leases from third parties. We could make such arrangements in the future.

We derive revenue from your purchases from us and/or our approved suppliers. The revenue equals the amount we charge you or the supplier for the items. Your purchases from us and/or our approved suppliers will be 85% or more of the purchases you will make to start the business; and nearly 95% or more of the purchases you will make on an ongoing basis to operate the business. The main item we expect that you will buy from others is produce. In the year ending March 31, 2025, the AFC franchise system generated approximately \$1.457 billion in gross receipts of which approximately \$694.7 million was revenue to AFC. From the revenue to AFC, approximately \$250.7million in the US was from required purchases by franchisees, which is 17.2% of the gross receipts and 36.1% of our total revenue. Because AFCDC does not make direct sales to franchisees, but rather sells to us and we then sell to franchisees, in the fiscal year ending March 2025, AFCDC did not derive revenue from required purchases by franchisees.

There aren't any purchase or distribution cooperatives and we do not negotiate terms from any suppliers to supply direct to franchisees. There are no material benefits to you based on buying from particular suppliers.

We do not guarantee your note, lease or obligation.

Footnotes:

- (1) We may lump all expenses together. Our accounting manager makes a determination regarding the term of the financing and monthly payment, which is then deducted from commissions we pay you. The range financed will depend on which items are financed and ratio between store sales and amount owed. A shorter term would increase the monthly deduction.
- (2) We self-finance the above purchases. We do not require any security interest to obtain financing. Except when purchasing an existing location, you do not sign a promissory note, so there is no waiver of defenses. We do not have any practice or intent to sell, assign or discount the financing arrangements to any third party. We do not arrange financing from other sources and we do not guarantee your obligations to third parties.
- (3) If you purchase an existing business from us and ask us to finance part of your purchase price, you will sign a promissory note. If you fail to make payments, we can deduct payments from commissions due to you.

The Promissory Note provides a late payment penalty of the lower of 1% per month or highest rate allowed by law of the amount overdue and acceleration of the entire amount due if you are more than 10 days late making a payment. If you don't comply with the Promissory Note or any of the other agreements with us we can accelerate the entire amount remaining due without notice.

2. We will identify a grocery store or other venue where your Food Service Counter will be located and we will have worked with them on the build-out of the Food Service Counter. (Fran. Agmt. Sec. 3.1). Locations are established based on our parent's or our written agreement with a grocery store chain or venue owner, to place Food Service Counters at their locations. We are not required to show you the agreement. Our agreement with the facility owner may be month-to-month and can be terminated by the facility owner on short notice. We will deliver initial inventory and equipment to the Food Service Counter. You pay us for these. (Part Time and Self-Service Fran. Addendums Sec. C; Full Time Fran. Addendum Sec. D). You must keep all equipment, signs and fixtures in good repair.

If we agree to grant you a franchise, then typically you will start operating your Food Service Counter within 3-10 days after you complete training. The main factors to this timing are whether the location is already built out by the facility owner, equipped and ready to operate, time for you to return to where the franchise will be located, and your desire and readiness to start. If there is a delay by the facility owner in building the location, or delay by you and us in choosing a location, it could be 30-60 days or longer before you start operating the Food Service Counter.

If you must stop operating at a location because the owner of the location no longer wants a Food Service Counter there, or objects to you as the operator there, without your fault, we will try to find another location in the area for you to relocate to. There could be delay in getting another location, relocation may not be possible before expiration of the term of your agreement, or at all and your new location may not be comparable to the old. You can't use any materials without first getting our written consent. We can restrict where you can advertise and how you advertise. You may not advertise on the Internet or use other electronic media without obtaining our prior written consent. Your advertising must include trademark, copyright and independent ownership notices that we request. (Fran. Agmt. Sec. 8.1 and 8.2). There is no franchisor sponsored or operated franchise advertising program or fund at this time. We have no obligation to spend any amount on advertising in the area or territory where your Food Service Counter is located.

We can designate a geographic area as an advertising cooperative that you must participate in. You'll participate and contribute to the cooperative according to its procedures. We can set the amount you and other franchisees contribute to any advertising fund operated by the cooperative. There is no requirement for franchisor owned outlets to contribute to the fund, although we anticipate that they will do so according to guidelines we establish. The cooperative will operate according to governing documents that we prepare or consent to. (Fran. Agmt. Sec. 8.4). If and when formed, these will be available to you for review. We can decide who administers the cooperative. There are no current requirements for cooperatives to prepare

financial statements. We have the power to form, change, dissolve or merge cooperatives, at our discretion. (Fran. Agmt Sec. 8.4).

Food Service Counters operated by us or our affiliates may, but are not required to, contribute to the Advertising Campaigns. If they do, they may not be required to contribute in the same percentage as you and may stop contributing at any time without notice to you. We will prepare an annual unaudited accounting of the expenditures of the Advertising Campaigns which will be provided to you upon your written request. (Fran. Agmt. Sec. 8.6 and 9.18).

We grant you a franchise for one or more specific location(s) in grocery stores or other venues. These

locations will be specified in one or more franchise addendums. You do not receive any minimum territory. If on signing the franchise agreement or thereafter we agree that you may operate more than one location, you will sign our then current location addendum for each additional location to be opened and pay the applicable fee. We assess whether to grant you the right to operate another location, based on the following factors: availability of another location; the additional location is in a non-competing store; the new location is relatively near your existing location(s); in our judgment, you are financially able to operate multiple locations; in our judgment you are capable of operating and managing another franchise location; and you have qualified managers to assist you operate multiple locations. Our form location addendums are attached as Exhibits D through F.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We can grant franchises or licenses to others to operate Food Service Counters anywhere, regardless of how close they are to your Food Service Counter(s). We can sell products and other items to anyone and anywhere (even in the facilities where you operate), including, but not limited to, pre-packaged products and central kitchen products identified by our marks or other marks, whether or not such marks are authorized for your use, as well as other products or services under the marks and other trademarks and service marks. We may also sell and distribute products through different distribution channels, such as via the Internet, telemarketing, catalog sales, other direct marketing sales and other means. We are not required to compensate you for any sales we make through these methods. You can operate only at your grocery store (or other type of facility) location and you must comply with the store's (or other type of facility's) rules, policies and guidelines. If required by the facility owner, you must sign any code of conduct or equivalent document required by the facility owner.

Other franchisees and we can solicit and advertise anywhere, including in the area where your Food Service Counter is located.

We can impose geographic and/or other restrictions on advertising that you conduct or propose to conduct.

There is no assurance we will be able to do so. The facility you relocate to may be month-to-month and can be terminated by the facility owner on short notice. You release us from any loss of right or consent to operate at the location and agree not to hold us liable for any such event occurring during or after the term of the agreement.

Unless you sign an additional location addendum, you do not get any right to acquire additional Food Service Counters. See our location addendums attached as Exhibits D through F.

We can grant franchises to others using our trademarks and system, at any location. We can also sell through company owned outlets.

The trademark in the table immediately above is not yet registered. Therefore, this trademark does not have as many legal benefits and rights as a federally registered trademark would have. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

You may only use the trademarks associated with the franchise concept you operate. We claim common law rights to all trade and service marks we license to you.

As of the issuance date of this Disclosure Document, we either filed or planned to file all required affidavits to maintain these registrations.

We use the trademark AFC. Some other food companies and restaurant franchise systems also use the initials AFC or logos that include these letters. We have found that some started before us, and some started after. The other uses of “AFC” include franchising or on food products. AFC is also used as a trademark for

many other goods and services having nothing to do with food or restaurants. Because our parent and we have used “AFC” continuously since at least 1989 without any known instance of confusion, we believe the marketplace has shown there is no material issue or risk of infringement or confusion.

We have a license from AFCC that lets us use and franchise you to use the marks “Zenshi,” “Southern Tsunami,” and “Hybrid Sushi” . The agreement does not have a specific term; however, AFCC can terminate the license at any time. Termination forces us to stop granting new franchises under these brands, but does not affect franchises granted before termination. Because AFCC is our owner we do not expect the agreement to be terminated at any time that would be disruptive to us. Other than AFCC’s right to terminate the license agreement as stated above, no agreement limits our right to use or license the use of the marks that are material to the franchise.

There are no currently effective material determinations of the Patent and Trademark Office, Trademark Trial and Appeal Board, trademark administrator of any state or any court regarding our principal trademarks. In some locations, your use of our trademarks will be limited by our agreement with the store.

You must tell us in writing if someone claims you are infringing a trademark, if you find out anyone else may be infringing our trademarks or claims rights to our marks or to a confusingly similar mark.

If you used our trademarks according to the Franchise Agreement, then we’ll do what we think is appropriate to defend and indemnify you against someone else’s claim that you infringed. We can defend or settle the claim using counsel we choose. You must cooperate with us. If someone else is infringing, then we will decide what we want to do about it. You can’t make any claim on them. We have the right to control all administrative proceedings or litigation involving our marks.

If we say so, you must change or stop using our marks, or switch to a different mark, or use different marks. You must use the marks in the way we say to. We don’t have to pay your expenses and you can’t make any claim against us for changing or stopping your use of the marks.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. You will learn information that we consider confidential and trade secret. This includes recipes, operating procedures and contents of training, and information on how we operate. The Franchise Agreement has provisions requiring you to keep all of this confidential.

We claim copyrights in our Standard Sanitation Operating Procedure and Methods Manual, Steam Table Manual and other written materials we provide to you. You will receive one set of manuals for each location you operate, except, no manuals are provided for self-service locations and the Steam Table Manual is only provided to locations with an operating steam table. You must return the manuals and other confidential information to us when your franchise agreement ends. (Fran. Agmt. Sec. 5.2.) When you return the manuals within 30 days of expiration or termination of the franchise agreement or an applicable addendum, we will refund to you the manual lease fees you paid (Fran. Agmt. Sec. 5.1).

There are no current determinations by the U.S. Copyright Office or any court regarding the copyright(s). We are not aware of any infringement of our copyrights.

You must tell us in writing if someone claims you are infringing our copyright(s), or if you find out anyone else may be infringing the copyright(s). The agreement does not specifically require us to defend and indemnify you against claims of copyright infringement. However, as our policy, if you use the manuals and other copyrights according to the Franchise Agreement, then we’ll generally do what we think is appropriate to defend and indemnify you against someone else’s claim that you infringed. If we choose to provide a defense, we will defend or settle the claim using counsel we choose. You must cooperate with us. If someone else is infringing, then we will decide what we want to do about it. You can’t make any claim on them. We have the right to control all litigation involving our copyrights.

If we say so, you must stop using our copyrights, or use other copyrighted works we prepare. You must use our copyrights in the way we say to. We don't have to pay your expenses and you can't make any claim against us for changing or stopping use of the subject matter covered by our copyrights.

We also claim proprietary rights in our product recipes, methods of product preparation and operating procedures (Fran. Agmt. Sec. 6.1.) You must keep our secrets confidential while you are a franchisee and afterward, and you must not make any copies of them. You cannot use our secrets in any activity other than operating your franchise. You must use reasonable procedures that we request to help protect our secrets. (Fran. Agmt. Sec. 6.2.)

As a part-time Food Service Counter, you are not required to be personally present or have a manager personally present at the Food Service Counter more than four hours per day.

For a self-service location, to assure food safety compliance, you must perform all food preparation only at your already existing full-time or part-time Food Service Counter. To promote a consistent customer experience, the self-service Food Service Counter must be inspected and the display case restocked at least once daily with sufficient amount of sushi and/or other food products before trading hours each day as directed by the facility owner. We can revise these requirements.

If a location is operated by a manager, you are still required to be personally and actively involved in operations and remain fully responsible for each location including supervising your employees.

If you operate more than one location, then at least one trained employee with ServSafe Manager Certification must act as manager under your supervision for those other locations. To assure we are aware of whom to contact at the location in the event of your absence, you must provide to us a written list of every manager you employ. You must update and provide a revised manager list to us in writing within 24 hours of any new manager being hired and any manager leaving your employment. You must abide by lawful requests of the business owner or manager of the premises regarding any employee or prospective employee. To protect the franchise system, before hiring a manager, you must require the manager to sign a confidentiality and non-disclosure agreement in a form satisfactory to us requiring the manager to protect our trade secrets and any other item we specify in writing from time to time. You must also provide adequate training to the manager before start of employment. There is no requirement for the manager to own any equity interest in you (if you are an entity, such as a corporation or limited liability company).

Your Food Service Counter(s) must be staffed by a sushi chef (if applicable to your location) before and during what we consider to be peak hours. To promote a consistent customer experience with the franchise system, you must also ensure that each Food Service Counter you operate is adequately staffed and that your display cases are adequately stocked during business hours.

You must not interfere with our relationship with the store where you are located. You must at all times act professionally and respectfully in dealing with customers, clients, the facility's personnel and our employees.

If you are an entity, we can require each of your owners and officers to sign a guaranty (the last pages of the Franchise Agreement and Location Addendums) in which he/she/they assume and agree to discharge all obligations of the “Franchisee” under the Agreements. In certain states we may require you to enter into your Franchise Agreement as an entity.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only items that we approve for sale at your Food Service Counter(s). If you want to offer other items, you must first get our written consent. We don’t have to consent.

You must offer the full range of menu items that we designate. If you wish to remove any item from your menu, you must first get our approval in writing. We can add additional items to the menu from time to time and remove items from our menu. There is no limit on our right to make changes. We have the sole right to develop new items for sale at your Food Service Counter(s). You must not develop, offer or sell any non-approved item from your Food Service Counter(s).

You are not restricted with regard to customers you may sell products to. However, you must conduct your business only from the grocery store or other location where you are located. We can restrict where and how you advertise.

1. Our fiscal year end is March 31.

2. For some entries in the above chart, after a franchisee stopped operating a location due to termination, nonrenewal or other reason, and without AFC taking over operation, another franchisee was granted a franchise for the location. The location may have operated continuously, without interruption, or only a brief closure. In the table, these are counted as “Outlets Opened.” See Exhibit M for more detailed information on the number of new outlets (outlets not previously in existence) opened in our last fiscal year.

3. We rebranded many of our AFC Counters to “Zenshi” in fiscal year ending March 31, 2024. As a result, the number of outlets listed as open as of March 31, 2024 was abnormally high.

As a result, the number of AFC outlets that ceased operations in the above table increased exponentially as of March 31, 2024. While many outlets ceased operating as AFC Counters, the majority are continuing to operate as Zenshi Counters.

1. Our fiscal year end is March 31.

2. For some entries in the above chart, after a franchisee stopped operating a location due to termination, nonrenewal or other reason, and without AFC taking over operation, another franchisee was granted a franchise for the location. The location may have operated continuously, without interruption, or only a brief closure. In the table, these are counted as “Outlets Opened.” See Exhibit M for more detailed information on the number of new outlets (outlets not previously in existence) opened in our last fiscal year.

3. We rebranded many of our AFC Counters to “Zenshi” in fiscal year ending March 31, 2024. As a result, the number of AFC outlets that ceased operations in the above table increased exponentially as of March 31, 2024. While many outlets ceased operating as AFC Counters, the majority are continuing to operate as Zenshi Counters. As of March 31, 2025, (i) 56 of the 1,390 outlets operating as AFC Counters listed in the above table ceased operations; (ii) none of the 1,390 outlets operating as AFC Counters listed in the above table rebranded to Wild Blue Counters; and (iii) 1,334 of the 1,390 outlets operating as AFC Counters listed in the above table rebranded to Zenshi Counters. As of March 31, 2024, (i) 65 of the 2,303 outlets operating as AFC Counters listed in the above table ceased operations; (ii) 12 of the 2,303 outlets operating as AFC Counters listed in the above table rebranded to Wild Blue Counters; and (iii) 2,226 of the 2,303 outlets operating as AFC Counters listed in the above table rebranded to Zenshi Counters.

1. Our fiscal year end is March 31.
2. For some entries in the above chart, after a franchisee stopped operating a location due to termination, nonrenewal or other reason, and without AFC taking over operation, another franchisee was granted a franchise for the location. The location may have operated continuously, without interruption, or only a brief closure. In the table, these are counted as “Outlets Opened.” See Exhibit M for more detailed information on the number of new outlets (outlets not previously in existence) opened in our last fiscal year.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Advanced Fresh Concepts Franchise Corp.

Opinion

We have audited the financial statements of Advanced Fresh Concepts Franchise Corp. (the "Company"), which comprise the balance sheets as of March 31, 2025 and 2024, the related statements of comprehensive income, changes in stockholder's equity, and cash flows for each of the three years in the period ended March 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended March 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As disclosed in Notes 2, 5 and 8 to the financial statements, the Company and the results of its operations are dependent on transactions with the parent company and affiliates. Accordingly, the accompanying financial statements may not be indicative of the financial position or results of operations that would have occurred had the Company operated without such affiliation. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Advanced Fresh Concepts Franchise Corp. (the “Company”) was incorporated on April 30, 2002 in California. The Company is a wholly owned subsidiary of Advanced Fresh Concepts Corp. (the “Parent Company”). The principal business of the Company is to authorize and manage franchises for the operation of food service counters, primarily offering sushi, within supermarkets and other locations (collectively, the “facility owners”) pursuant to a certain system that was developed by the Parent Company. The food service counters began as outlets serving sushi and expanded into offering other Asian cuisine. While the Company primarily operates in the United States, beginning in September 2009, the Company initiated operations in Canada. In November 2018, the Parent Company was acquired by Zensho Holdings Co., Ltd. (“Zensho Holdings”) to become the ultimate parent of the Company. In April 2019, Zensho Holdings transferred its ownership in the Parent Company to Zensho USA Corporation, a wholly owned subsidiary of Zensho Holdings.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and highly liquid investments with purchased maturities of three months or less.

Accounts Receivable

Accounts receivable represents the Company’s unconditional rights to considerations in exchange of goods and services transferred from franchise operations, sales of food and related products at the food service counter and product sales made to franchisees. Receivables are collectible from the facility owners and franchisees based on agreed payment terms. Amounts due from facility owners are dependent on the payment cycle which is generally on a weekly or monthly basis while payments on franchisee accounts are generally received on a monthly basis. Accounts receivable, net, opening balance at April 1, 2023 amounted to \$62,185,623.

The Company records accounts receivable at amortized cost less an allowance for credit losses. The Company measures its allowance for credit losses using an expected credit loss model utilizing a loss rate methodology which considers historical loss rates on its trade accounts receivable balances, adjusted for current economic and business conditions, and anticipated future economic events that may affect a customer’s ability to pay.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable (Continued)

Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received.

Inventory

Inventory is stated at the lower of cost (first-in, first-out basis) or net realizable value.

Equipment

Equipment is stated at cost. Depreciation of equipment is calculated by using the straight-line method over the estimated useful lives of the respective assets, as follows:

Vehicles	5 to 6 years
Computer equipment	3 to 5 years
Furniture and fixtures	5 to 7 years

Impairment of Long-lived Assets

Impairment losses are recorded on long-lived assets when events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the excess of each asset's carrying amount over the estimated fair value of the asset.

Revenue Recognition

Revenue is measured based on a transaction price specified in a contract with a customer. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring products and services to the customer. The Company excludes sales, use, and similar taxes from the measurement of the transaction price. The Company does not have significant variable consideration in its contracts.

The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer either at a point in time or over time. Total approximate revenue recognized over time and at a point in time was as follows for the years ended March 31, 2025, 2024 and 2023:

	<u>2025</u>	<u>2024</u>	<u>2023</u>
Revenue recognized at a point in time	\$ 689,037,687	\$ 672,532,519	\$ 643,583,805

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

The following is a description of the principal activities from which the Company generates its revenue, and the nature and timing of satisfaction of each performance obligation.

Franchise Revenue

The Company enters into a franchise agreement with franchisees and assesses the contract term as the period in which the parties to the contract have presently enforceable rights and obligations. The contract term is in line with the stated term in the contract at all times.

The specified promises that are licensed to the franchisee are the franchise rights, which include use of the name, trademarks, and proprietary methods. The franchisee is granted the right to operate at the facility pursuant to the Company's license agreements with the facility owners.

The Company also provides certain pre-opening services to franchisees such as training and orientation, systems implementation, and the design of a quality control program. These services are highly interrelated and not considered distinct from the franchise right.

Upfront payments related to franchise fees and pre-opening services are initially recorded in deferred revenue and revenue is recognized over the contract term. The Company believes that the impact of the financing component on upfront payment related to initial franchise fee is not significant at the contract level.

Related to the grant of a franchise right, the Company receives a sales-based royalty which is determined by the gross sales from franchised stores, less any commissions attributable to the franchisees. Revenue from sales-based royalties is recognized as the related sales occur at the franchised stores.

Revenue from services related to the franchise operations after the contract commencement such as laboratory, inspection, and web/data services, is recognized when the service is performed based on a stand-alone selling price.

Product Revenue

The Company sells food and supplies to franchisees through the online purchase order system that dictates the price, quantity of goods, payment terms, delivery terms, and other terms and conditions of the transaction.

Product revenue is recognized when food and supplies are shipped (for shipments from a related party's warehouse) or when products are delivered (for shipments from a third-party vendor) which indicates the transfer of control from the Company to the franchisee.

As a practical expedient, shipping and handling costs associated with outbound freight after control over a product has transferred to a customer are accounted for as a fulfillment cost and are included under direct contract costs in the statement of comprehensive income.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Retail Revenue

The Company generates revenue from the sale of food and related products to end customers, at its company-managed stores.

Company-managed store revenue is recognized when the sale is consummated, and control is transferred at the food service counter.

Costs and Expenses

Direct costs of sales and servicing of contracts with customers are recorded as direct contract costs as they are incurred. Direct costs also include costs incurred for shipping and handling of food and related products to franchisees. Operating expenses such as selling, general and administrative costs are charged in the statement of comprehensive income when incurred.

Advertising Costs

Advertising costs included in operating expenses are expensed as incurred. Advertising expense amounted to \$4,746,188, \$3,736,836, and \$2,712,419 for the years ended March 31, 2025, 2024 and 2023, respectively.

Leases

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company recognizes leases on its balance sheet as a right-of-use asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the statement of comprehensive income.

ADVANCED FRESH CONCEPTS FRANCHISE CORP.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases (Continued)

The Company made an accounting policy election available under Topic 842 not to recognize right-of-use assets and lease liabilities for leases with a term of 12 months or less. For all other leases, right-of-use assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease. The right-of-use assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date.

The Company has made an accounting policy election to account for lease and non-lease components in their contracts as a single lease component for all asset classes.

Income Taxes

The Company is treated as a C corporation for federal and state income tax purposes. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes which relate to the temporary differences between financial and tax reporting.

The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered and settled, respectively. Management records a valuation allowance to reduce its deferred taxes to the amount it believes is more likely than not to be realized. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future income are reduced.

The Company recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. The Company classifies interest and penalties related to unrecognized tax benefits, if incurred, as a component of income tax expense. To date, there have been no unrecognized tax positions.

Foreign Currency Transactions/Translation

The functional currency for the Company's Canadian operations is the applicable local currency which is the Canadian dollar. The translation of the applicable foreign currency into U.S. dollars is performed for balance sheet accounts using the current exchange rate in effect at the balance sheet date and for revenue and expense accounts using a weighted-average exchange rate during the period. The gains or losses, net of applicable income taxes, resulting from such translation are included as a component of stockholder's equity and classified as other comprehensive income or loss. Gains and losses resulting from foreign currency transactions are recorded in the statement of comprehensive income.

Recently Adopted Accounting Pronouncements

In March 2023, the FASB issued ASU 2023-01, *Leases (Topic 842): Common-Control Arrangements*, related to the accounting for leases between entities under common control. This ASU provides a practical expedient for private companies to consider only the written terms and conditions of a common-control arrangement for determination of whether a lease exists and the subsequent accounting for the lease. In addition, the ASU amends the accounting for leasehold improvements in common-control arrangements by requiring a lessee in a common-control lease arrangement to amortize leasehold improvements that it owns over the improvements' useful life to the common control group, regardless of the lease term, if the lessee continues to control the use of the underlying asset through a lease. The amendments in this ASU are effective for fiscal years beginning after December 15, 2023, including interim periods within those fiscal years. The Company adopted ASU 2023-01 on April 1, 2024. The adoption of this standard did not have a significant impact on the Company's financial statements.

Recent Accounting Pronouncements

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires that an entity, on an annual basis, discloses additional income tax information, primarily related to the rate reconciliation and income taxes paid. The amendment in the ASU is intended to enhance the transparency and decision usefulness of income tax disclosures. The provisions of this standard are effective for annual periods beginning after December 15, 2025. The Company is currently evaluating the impact of this new guidance on its financial statements.

FRANCHISE AGREEMENT

FRANCHISE AGREEMENT

This Franchise Agreement (this "Agreement") is made and entered into on _____, 20__ between Advanced Fresh Concepts Franchise Corp. a California corporation whose address is 19700 Mariner Avenue, Torrance, California 90503 ("Franchisor"), and _____ whose address is _____ ("Franchisee"), with reference to the following facts:

RECITALS

Franchisor is the owner of certain intellectual property comprised of trademarks, know-how, trade secrets and other intangible property and a licensee of other marks, all comprising a system (the "AFC System") for developing and operating food service counters in grocery stores, retail stores and other locations. Franchisee desires to be granted a franchise to establish and operate food service counter(s) using the AFC System. Franchisor is willing to grant a franchise to Franchisee on the terms in this Agreement. Accordingly, the parties now agree as follows:

AGREEMENT

1. Appointment.

Franchisor grants to Franchisee, and Franchisee accepts, the right to operate one or more Zenshi Counter(s), AFC Food Service Counter(s), or Wild Blue Counter(s) (the "Food Service Counter(s)") as indicated in and at the location(s) identified in the Franchise Addendum(s) attached to this Agreement (the "Franchise Addendum(s)") using the AFC System as it may be modified or further developed by Franchisor, all according to the terms in this Agreement. Franchisee acknowledges that the Franchise Addendum(s) may be comprised of one or more of the following: Full-Time Location Franchise Addendum, Part-Time Location Franchise Addendum and/or Self-Service Location Addendum. Franchisee shall use Franchisee's best efforts to develop and expand the market for the goods and services offered by the Food Service Counter(s) and shall cooperate with Franchisor in accomplishing the purposes of this Agreement.

2. Term.

The term of this Agreement shall be five years starting on the date stated in the introductory paragraph of this Agreement and ending on the fifth anniversary of that date, notwithstanding any start date stated in any Franchise Addendum between Franchisee and Franchisor. Regardless of the term, this Agreement shall terminate earlier on the date this Agreement is terminated as provided in Sections 15.1 through 15.5. Further, at any time during the five year term, Franchisee may apply to Franchisor in writing to terminate this Agreement early, with the termination to be effective on the 90th day following delivery of written notice, or such earlier time as the parties mutually agree in writing. Franchisor shall have 30 days to accept Franchisee's early termination request. Franchisor's failure to accept Franchisee's request within such 30 day period shall be deemed Franchisor's election to reject Franchisee's early termination request.

3. Location(s).

3.1. Initial Location(s). Franchisee shall operate the Food Service Counter(s) only at the location(s) identified in the Franchise Addendum(s).

3.2. Relocation. In the event of the loss of the right or consent to operate at any of Franchisee's location(s), or the location owner's or manager's objection to Franchisee, without fault of Franchisee,

Franchisor shall attempt to identify a new location for Franchisee, and shall consent to relocation of the affected Food Service Counter to an alternate location and site acceptable to Franchisor. Any such relocation shall be at Franchisee's sole expense. Franchisee acknowledges that relocation may not be possible before expiration of the term of this Agreement, or at all; that any new location may not be comparable to the old; and that relocation, if possible, could involve a substantial interruption in operating the Food Service Counter until a new location is identified and prepared. Franchisee releases Franchisor and its affiliates, and each of their respective officers, directors, agents and employees from any loss of right or consent to operate at the location, and further agrees not to hold Franchisor liable for any such event during the term of this Agreement or thereafter.

3.3. Acknowledgment. Franchisee acknowledges that the right to locate any Food Service Counter at a particular location, may be derived from an agreement between Franchisor (or an entity affiliated with Franchisor, such as Advanced Fresh Concepts Corp.) and the owner or lessee of the location where the Food Service Counter is located; that the agreement may be modified or terminable by the owner and/or manager of the location at any time and on short notice; and/or the owner or facility manager may object to Franchisee operating there; and that modification, termination or objection by the owner or facility manager may therefore result in the need for relocation and resulting disruption and interruption to Franchisee or adjustment to the franchise operations (such as if the facility owner requests that the operations be converted from a full time location to a self-service, or part time location, and vice versa). Franchisee also acknowledges that the owner or facility manager may require changes to the type of food products offered at the Food Service Counter and other changes. Franchisee acknowledges that the choice of location (identified in the Franchise Addendum(s)), types of food offered at the location, types of operations (full time, part time or self-service) and right to continue operating at the location is subject to the location owner's and/or manager's consent.

3.4. No Exclusivity. This Agreement does not include any territory or marketing exclusivity. Franchisor shall have the right to operate or grant franchises or licenses to others to operate food service counters under the marks "Zenshi," "AFC," "Wild Blue," or any other mark anywhere, regardless of how close they are to the Food Service Counter(s) that Franchisee operates; to sell products and other items to anyone and anywhere (even in the facilities where Franchisee operates), including, but not limited to pre-packaged products and central kitchen products identified by the Marks (as defined below) or other marks, whether or not such marks are authorized for use by Franchisee, as well as other products or services under the Marks and other trademarks and service marks. Furthermore, Franchisor shall have the right to use other channels of distribution, such as the Internet, telemarketing, catalog sales, other direct marketing sales and other means to advertise, sell and distribute products to anyone and anywhere; and other Zenshi/AFC/Wild Blue Food Service Counters (regardless of who owns or operates them) may advertise to and solicit prospective customers regardless of geographic location. Franchisor shall have no obligation to compensate Franchisee for any sales made through these methods or any other methods.

3.5. Restrictions on Distribution Methods. Franchisee shall only sell products to end customers who are physically present at Franchisee's Food Service Counter(s). Franchisee shall not engage in the resale of any product or supply at wholesale, retail or otherwise without Franchisor's express written consent. Franchisee shall not use any other channels of distribution such as the Internet, catalog sales, telemarketing or otherwise to conduct sales.

4. Trademarks.

4.1. Ownership. Franchisee acknowledges that Franchisee owns no right, title, interest or goodwill in the trademarks “Zenshi,” “Advanced Fresh,” the oval AFC logo, “Wild Blue,” “Hybrid Sushi,” “Southern Tsunami,” the Southern Tsunami logo, or any other marks or trade dress that Franchisor adopts and permits Franchisee to use from time to time (collectively, the “Marks”); that as between Franchisee and Franchisor all right, title and interest in and to the Marks shall be deemed to be owned by Franchisor; that all usage of the Marks and goodwill established by that use is exclusively for Franchisor’s benefit; and that this Agreement does not confer any goodwill or other interests in the Marks on Franchisee.

4.2. Use. Franchisee shall not use any Mark or portion of any Mark as part of the name of any business entity. Franchisee shall not use any Mark in selling any unauthorized product or service or in any manner not expressly authorized in writing by Franchisor. Franchisee shall not establish an email address or an Internet web site or the like using any domain name containing the words “Zenshi,” “Advanced Fresh,” “AFC,” “Wild Blue,” “Hybrid Sushi,” “Southern Tsunami,” or any variation without Franchisor’s prior written consent. Franchisee shall only use the Marks associated with the Food Service Counter concept Franchisee is permitted to operate. Franchisee shall give notices of trademark and service mark registration that Franchisor specifies and obtain fictitious or assumed name registrations as may be required by applicable law. Franchisee shall restrict use of the Marks as may be required by each owner of the facility where the Food Service Counter(s) is/are located.

4.3. Notice. Franchisee shall notify Franchisor immediately of any claim or demand arising from any attempt by any other person or entity to use the Marks or any similar marks or if Franchisee discovers anyone else is infringing the Marks. Franchisor shall have the sole right and obligation to decide what action, if any, to take with regard to any such matter and Franchisee shall cooperate with Franchisor and execute any and all documents and take all actions that Franchisor requests with regard to the matter.

4.4. Change. If it becomes advisable at any time, in Franchisor’s sole discretion, for Franchisor to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall comply with Franchisor’s directions to do so at Franchisee’s cost and expense.

4.5. Inspection. To preserve the validity and integrity of the Marks and to assist Franchisor in steps seeking to assure that Franchisee operates according to this Agreement and uses the Marks properly in operating the Food Service Counter(s), Franchisor or its agents shall have the right to enter and inspect the Food Service Counter(s), and to interview customers, suppliers or others, at all reasonable times. Franchisee shall fully cooperate with Franchisor in any inspection or visit Franchisor conducts and shall provide Franchisor’s personnel full access to the Food Service Counter(s) for this purpose. Any obstruction, interference or prohibition by Franchisee of Franchisor’s right to inspect the Food Service Counter(s), including, without limitation, to investigate threats or dangers to public health and safety, shall constitute a material breach of this Agreement. If Franchisor, in its sole discretion, determines that a lab test is required to test the quality, safety and freshness of the foods sold at any Food Service Counter operated by Franchisee, Franchisor shall have the right to assess Franchisee a lab fee of up to \$500 for each sample tested.

4.6 Location Exceptions. Franchisee acknowledges that at certain locations, Franchisee may not be able to use the Marks due to agreements with the facility owner. Franchisee shall abide by such requirements.

5. Confidential Operations Manuals.

5.1. Loan of Operations Manuals. Franchisor shall loan to Franchisee during the term of this Agreement one copy of Franchisor's confidential Operations Manual, one copy of Franchisor's Standard Sanitation Operating Procedure and Methods Manual, Recipe Manual(s) applicable to the franchise and one Steam Table Operating Manual, if applicable to Franchisee's business (collectively the "Manuals") for each Food Service Counter operated by Franchisee, except, no Manuals shall be provided for a Self Service location. The Manuals shall contain mandatory and suggested specifications, standards, operating procedures and rules prescribed from time to time by Franchisor for Food Service Counters. Franchisor shall have the right to modify the Manuals from time to time. Franchisee shall comply with the Manuals, as modified by Franchisor. Franchisee shall pay Franchisor's then current manual lease fee for each Manual received from Franchisor. The manual lease fee paid by Franchisee shall be refunded to Franchisee when Franchisee returns the Manuals to Franchisor within 30 days of the termination or expiration of this Agreement or any applicable addendum. For purpose of clarification, there shall be no refund if Franchisee fails to return the Manual(s) or returns any manual more than 30 days after expiration or termination of this Agreement or any applicable addendum.

5.2. Ownership. The Manuals shall be at all times the sole property of Franchisor. Franchisee shall return the Manuals immediately on expiration or termination of this Agreement. Franchisee shall not make and shall not let Franchisee's personnel make any copy of all or part of the Manuals.

5.3. Confidentiality. Franchisee acknowledges that the Manuals contains confidential information and that its loss or disclosure would cause substantial damage to Franchisor. Franchisee shall protect the Manuals as a trade secret of Franchisor.

6. Confidential Information.

6.1. Secrets. Franchisee acknowledges that Franchisor's product recipes, methods of preparing the products, and operating procedures for a Food Service Counter are valuable and secret in the sense that they are not generally known to competitors of Franchisor. Other information that Franchisor designates as confidential shall be deemed confidential for this Agreement, except information that Franchisee proves he or it knew before disclosure from Franchisor; or lawfully entered the public domain, through publication by others.

6.2. Protection. Franchisee shall maintain the confidentiality of all trade secrets during and after the term of this Agreement. Franchisee shall not use this information in any other business or in any manner not specifically authorized or approved in writing by Franchisor. Franchisee shall reveal the trade secrets to employees only to the extent they need the information to perform their jobs. Franchisee shall use reasonable precautions to require employees to keep the information confidential; and shall take any additional steps to protect confidentiality that Franchisor requests from time to time.

6.3. Acknowledgments. Franchisee acknowledges that (a) the trade secrets also include information that cannot be removed from Franchisee's knowledge and memory and that would inevitably be used and disclosed if Franchisee held interests in any competitive business; (b) Franchisor could not protect the trade secrets against unauthorized use or disclosure, could not readily assure compliance with Sections 6.1 through 6.2 if Franchisee held interests in any competitive business; and that (c) involvement by Franchisee in any competitive business would create a high level of temptation and opportunity to use Franchisor's trade secrets.

6.4. Exclusive Dealing. Franchisee acknowledges that Franchisor enters into this Agreement in consideration of, and reliance on Franchisee's agreement to deal exclusively with Franchisor and to refrain

from using any of Franchisor's trade secrets in any activity competitive with Franchisor, and to refrain from transferring the goodwill associated with the Marks to any other business. Therefore, during the term of this Agreement, Franchisee and, collectively and individually all directors, officers and holders of any direct or indirect beneficial ownership interest of five percent (5%) or more of the securities or other equity interests of Franchisee, or of any corporation, limited liability company, partnership or other form of entity affiliated with or directly or indirectly controlling or controlled by Franchisee, and each relative of each such person who is an individual, including each such person's mother, father, husband, wife, brother, sister, son or daughter (collectively "Covered Persons"), shall not have any interest as an owner, investor, partner, lender, director, officer, member, manager, employee, consultant, representative or agent or in any other capacity in any business selling Asian style foods, sushi or fresh fish products, steamed foods or any other retail food business without Franchisor's prior written consent. For 2 years after this Agreement expires without renewal or terminates, Franchisee and all Covered Persons shall not have any interest as an owner, investor, partner, lender, director, officer, member, manager, employee, consultant, representative or agent or in any other capacity in any business selling Asian style foods, sushi or fresh fish products, steamed foods or other food items developed or sold in the AFC System without Franchisor's prior written consent within:

A. 5 miles of any food service counter operated by Franchisor or by any franchisee or licensee or other affiliate of Franchisor in a major city (as defined below);

B. 10 miles of any food service counter operated by Franchisor or by any franchisee or licensee or other affiliate of Franchisor in a metropolitan area (as defined below);

C. 15 miles of any food service counter operated by Franchisor or by any franchisee or licensee or other affiliate of Franchisor in a rural area (as defined below).

D. For this Agreement, a "major city" means any of the top 25 cities in the U.S. measured by population; a "metropolitan city" means any city other than a major city where the population density is greater than 1,000 people per square mile; and a "rural area" means an area whose population density is 1,000 people per square miles or less. These figures shall be measured at the time of expiration or termination.

E. On written request from Franchisee, Franchisor will provide Franchisee a list of locations within a reasonable geographic area, to assist Franchisee in complying with this obligation.

6.5. Exceptions. The restrictions in Section 6.1 through 6.4 shall not apply to ownership of (a) securities listed on a stock exchange or traded on the over the counter market that represent two percent (2%) or less of the number of shares of the class of securities issued and outstanding; or (b) other food service counters that Franchisee has an interest in pursuant to a written agreement with Franchisor.

6.6. Separate Covenants. Each of the covenants in Sections 6.1 through 6.4 and each portion thereof, shall be construed as independent of any other covenant or provision. If all or any portion of a covenant is unenforceable due to its scope in terms of geography, duration, or activity covered or otherwise, but could be enforced if reduced in scope, then the parties agree to be bound by any lesser covenant subsumed within the terms of such covenant imposing the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of the applicable provision within Sections 6.1 through 6.4.

7. System Changes.

7.1. Changes by Franchisor. Franchisee acknowledges that periodically Franchisor may modify any aspect of the AFC System, including, but not limited to, as required by law. Franchisor reserves the right to expand food offerings available at Food Service Counter(s), including hot foods and other food types. Franchisor shall communicate modifications through the Manuals or other ways. Franchisee shall comply with all modifications that Franchisor makes from time to time, at Franchisee's expense.

7.2. No Changes by Franchisee; Improvements to the AFC System. Franchisee shall not modify or deviate from any aspect of the AFC System without Franchisor's prior written consent. Franchisee shall notify Franchisor in writing of any proposed improvement to the AFC System ("Improvement") and provide to Franchisor such information as Franchisor requests regarding the Improvement. Any Improvement to the AFC System made by Franchisee for any purpose will be deemed to be a "work made for hire" under U.S. copyright law for the benefit of Franchisor, and therefore, Franchisor shall own the intellectual property rights in and to the improvements and may use the same for any and all purposes. To the extent any Improvement does not qualify as a work made for hire, Franchisee hereby assigns those Improvements to Franchisor for no additional consideration and with no further action required. Franchisee shall sign all further assignments or instruments, as Franchisor may request to effectuate the parties' agreement hereunder. If Franchisee should fail to do so, Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact with full power and authority for the sole purpose of executing and filing all assignments and other instruments necessary to obtain title to the Improvements in the name of Franchisor. This appointment shall be deemed to be coupled with an interest and shall continue in full force and effect following the termination or expiration of this Agreement. Franchisor shall have the right to incorporate the Improvements into the AFC System and into any other businesses in which Franchisor or its Affiliates have an interest without compensation to Franchisee. If the foregoing provisions of this Section 7.2 are found to be invalid or otherwise unenforceable, Franchisee hereby grants Franchisor a worldwide, perpetual, non-exclusive, fully paid license to use and sublicense the use of the Improvement to the extent Franchisor's use or sublicense would, absent this Agreement, directly or indirectly infringe Franchisee's rights therein.

8. Advertising.

8.1. Approval. Franchisee shall submit to Franchisor for prior approval, all advertising and promotion that Franchisee proposes to use, whether for print, broadcast, electronic or other media (including on the Internet), as well as novelty items, signs and containers. Franchisee shall use those materials only after receiving Franchisor's written consent, and shall not use any material without first obtaining Franchisor's written consent. Franchisor may withhold or later revoke consent, or may condition consent on modifications or other restrictions. Delay by Franchisor to require compliance or cure does not waive Franchisor's rights under this Section 8.1.

8.2. Advertising Restrictions. Franchisor shall have the right to impose geographic and/or other restrictions on advertising that Franchisee conducts or proposes to conduct. Franchisee shall include trademark and copyright notices and notices of independent ownership in advertising as Franchisor requests from time to time.

8.3. Phone Directory. Franchisor shall have the right to require Franchisee to maintain a listing in local telephone directories, according to standards set by Franchisor.

8.4. Cooperative Advertising. Franchisor reserves the right, in the future, to designate a geographic region that includes Franchisee's Food Service Counter(s) and at least one other Zenshi/AFC/Wild Blue food service counter as a local, regional or national cooperative area, for the purpose of developing a cooperative program. Franchisee shall participate in and contribute its share to the cooperative

designated by Franchisor, as determined according to the cooperative's operating procedures. The cooperative shall operate according to written governing documents prepared by or consented to by Franchisor. Franchisor shall have the right to veto any decision of the cooperative. Franchisor shall have the power to form, change, dissolve or merge cooperatives, at Franchisor's discretion.

8.5. Grocery Store Objection. Franchisee shall not conduct any advertising that is objectionable to the owner or manager of the premises where the Food Service Counter is located.

8.6. Advertising Campaigns. Franchisor may conduct regional or national advertising campaigns, geotargeted marketing campaigns, or national news and weather campaigns, ("Advertising Campaigns"). In the event Franchisor conducts any such Advertising Campaigns, Franchisor shall have the right to bill Franchisee for the pro-rata share of such campaigns, pursuant to Section 9.18, Franchisor may absorb some of the cost for such advertising, but is not obligated to do so. Franchisor undertakes no obligation, in administering the Advertising Campaigns, to make expenditures for Franchisee that are equivalent or proportionate to its contribution, or to ensure that any particular Franchisee benefits directly or pro rata from marketing or promotion conducted with the Advertising Campaigns. Food Service Counters operated by Franchisor or Franchisor's affiliates may, but are not required to, contribute to the Advertising Campaigns. If they do, they may not be required to contribute in the same percentage as Franchisee and may stop contributing at any time without notice to Franchisee. Franchisor shall prepare an annual unaudited accounting of the expenditures of the Advertising Campaigns which will be provided to Franchisee upon Franchisee's written request.

9. Fees and Compensation.

9.1 Initial Fee. Franchisee shall pay to Franchisor Franchisor's then current initial franchise fee for each Full Time Location to be operated by Franchisee under this Agreement. The initial fee shall be specified in the applicable Full Time Location Addendum. Franchisee acknowledges that Franchisor does not currently charge initial fees for Part-Time or Self Service location(s), however, Franchisee must have at least one operating Full Time location to be granted rights to a Part Time or Self Service location. While Franchisor does not currently charge initial fees for Part Time and Self Service locations, Franchisor reserves the right to implement such fees in the future. Franchisee shall pay the initial fee(s) in a lump sum on signing each Full Time Location Addendum. The fee is deemed to be fully earned on signing each addendum, and is nonrefundable. There shall be no refunds or prorations if a location starts as a Full Time location and later is transformed into a Self Service or Part-Time location. However, if a location starts as a Self Service or Part-Time location and is transformed into a Full Time location, then Franchisee shall pay Franchisor's then current initial franchise fee for such Full Time location.

9.2. Customer Payments. Franchisee acknowledges that under the AFC System's initial structure, Franchisee shall not receive payments for sales of goods and services of the Food Service Counter(s); and that those payments will be made directly or indirectly from customers to the facility (for example, a grocery store) where the Food Service Counter(s) is/are located, which shall then direct all payments to Franchisor, less an amount to be retained by the facility owner, pursuant to the facility owner's separate agreement with Franchisor. Franchisee acknowledges that under the AFC System, all sales will be sold by and through cash registers owned or operated by the owner of the facility where the Food Service Counter(s) is/are located. Franchisor shall have the right, but no obligation, to modify this payment structure from time to time.

9.3. Payments to Franchisee. Franchisor shall return to Franchisee the percentage amounts stated in the applicable Franchise Addendums attached to this Agreement. Franchisor shall have the right to deduct all amounts owed by Franchisee to Franchisor from the payments to Franchisee provided for in the

applicable Franchise Addendum, or elsewhere, either as lump sum deductions or partial deductions made over time, until such deductions equal the full amounts owed to Franchisor. Franchisee acknowledges that Franchisor's sole responsibility shall be to remit to Franchisee the agreed commission percentage on amounts actually received from the facility owner. Franchisor shall have no responsibility to pay any commission to Franchisee on amounts not received from the facility owner. If Franchisor pays Franchisee's commission in any given month before receiving payment from the facility owner, and the facility owner does not pay Franchisor as required, Franchisee shall reimburse Franchisor the commissions paid. Franchisee shall reimburse Franchisor any amounts paid to Franchisee, that Franchisor discovers were paid in error. At Franchisor's discretion, Franchisor shall have the right (in lieu of Franchisee reimbursement) to withhold from future payments due to Franchisee such amounts paid in error. Franchisor shall send payments to Franchisee via direct deposit. Franchisee shall pay Franchisor's then current direct deposit fee for this purpose.

9.4. Payment Responsibility. Franchisee shall be solely responsible to pay when due all costs and expenses of the Food Service Counter(s), including but not limited to the purchase price of food items and inventory, utilities, employee compensation, sales and any other taxes imposed on, required to be collected, or paid on account of goods or services furnished by Franchisee. Franchisee acknowledges and agrees that if the facility owner, due to labor contracts or otherwise, requires Food Service Counter(s) employees to be employed directly by the facility owner, and Franchisor is asked to reimburse the facility owner for these employment costs, that Franchisor shall have the right to and shall deduct such payments from the amounts due to Franchisee pursuant to Section 9.3 of the Franchise Agreement.

9.5. Royalty. Franchisor shall have the right at any time to revise the AFC System so that Franchisee collects revenues from sales, and pays Franchisor royalties on a basis approximately equivalent in amount or rate to amounts or rates that Franchisor receives and retains pursuant to this Agreement. Any such revisions made from time to time shall be deemed to occur pursuant to this Agreement and shall not constitute a modification of the Franchise or of this Agreement.

9.6. Gross Sales. "Gross Sales" shall mean revenues derived from Franchisee's sales. Gross Sales does not include sales tax, credits or refunds.

9.7. Customer Satisfaction Fee. Franchisor shall have the right to assess Franchisee up to One Thousand Dollars (\$1,000) for each customer complaint received, whether the complaint has any merit or not. This fee is not a penalty but to compensate Franchisor for the efforts the Franchisor must take to address the complaint. Franchisor's assessment of the customer satisfaction fee shall not constitute a waiver by Franchisor of its rights to seek damages and/or other relief against Franchisee due to Franchisee's conduct.

9.8. Default Charge Fee. Franchisor shall have the right to assess Franchisee up to \$1,000 per violation of any term, obligation or requirement of the Manuals or this Agreement. Franchisor's assessment of this fee shall not constitute a waiver by Franchisor of its rights to seek damages and/or other relief against Franchisee arising from the violation.

9.9. Web and Data Charges. To gain access to Franchisor's website pages which enable Franchisee to submit purchase orders online, and obtain information on new products, product specifications and other information, updates to Franchisee's tablet data, and access to Franchisor's inventory tracking software, Franchisor shall charge Franchisee a monthly fee of up to \$100 per Food Service Counter operated by Franchisee.

9.10. Bankruptcy By Facility Owner. If the facility owner where Franchisee's Food Service Counter(s) is/are located files for bankruptcy, or other similar proceeding, Franchisor's sole responsibility shall be to remit to Franchisee the agreed percentage on amounts actually received from the facility owner.

Franchisor shall have no responsibility to pay any commission to Franchisee on amounts not received from the facility owner. If Franchisor pays Franchisee's commission in any given month before receiving payment from the facility owner, and the facility owner does not pay Franchisor as required, Franchisee shall reimburse Franchisor the commissions paid.

9.11 Early Termination Fee. If this Agreement or any Franchise Addendum is terminated and/or if Franchisee abandons any Food Service Counter before the end of the term of this Agreement, Franchisor shall have the right, in addition to all other rights and remedies available to Franchisor in law and/or equity, to assess Franchisee an early termination fee of \$1,500 for each location terminated and/or abandoned. Such fee shall be payable at the earlier of (1) the time Franchisee notifies Franchisor of the desire to terminate/abandon, or (2) actual termination or abandonment of any location. Franchisor's assessment of the early termination fee shall not constitute a waiver by Franchisor of its rights to seek damages and/or other relief against Franchisee due to the early termination and/or breach.

9.12 Administrative Fee. Franchisee shall reimburse Franchisor for Franchisor's costs and expenses in complying with tax levies and wage garnishments issued against Franchisee or Franchisee's owners, up to \$100 per garnishment/levy request.

9.14 Shipping Administrative Fee. Franchisor shall have the right to charge and Franchisee shall pay Franchisor's administrative charges, to ship products to Franchisee's Food Service Counter, in an amount up to two and one-half percent (2 ½%) of the purchase price. The administrative fee is in addition to actual shipping costs to ship products to Franchisee's Food Service Counter.

9.15 Account Broker Fee. If Franchisor pays a fee for the right to locate the Food Service Counter in the facility or store, Franchisee shall reimburse Franchisor for the amounts paid, not to exceed \$500 per quarter for each Food Service Counter subject to this fee.

9.16 Third-Party Delivery Fee. Franchisor may deduct from amounts owing to Franchisee any third-party delivery fees charged to Franchisor by the facility or store on account of purchases from the Food Service Counter. The third-party delivery fee charged to Franchisee will be in Franchisor's sole determination as follows: (i) the amounts charged to Franchisor by the facility or store on account of food delivered from the Food Service Counter or (ii) at Franchisor's discretion, Franchisor may agree to share a portion of the third-party delivery fee cost with Franchisee and deduct the agreed upon amount from the amounts due to Franchisee. Alternatively, the facility or store may charge the third-party delivery fee to Franchisee directly.

9.17 Local Store Marketing Expense. If the facility or store charges Franchisor for local marketing initiatives for the Food Service Counter, such as on-site advertisements, coupon offers, social media promotions, mailers and other advertising programs, Franchisor may deduct such amounts from amounts due to Franchisee.

9.18 Advertising Contribution Fee. Franchisor reserves the right to enter into Advertising Campaigns and to bill Franchisee for Franchisee's pro-rata share of such advertising (the "Advertising Contribution Fee"). Franchisor may absorb some of the cost for such advertising, but is not obligated to do so.

9.19 Extended Producer Responsibility Fee. If the state where Franchisee's Food Service Counter(s) are located requires Franchisor to pay a fee as a result of that state's regulation of paper, plastic and packaging (the "Extended Producer Responsibility Fee"), Franchisee shall reimburse Franchisor for the Extended Producer Responsibility Fee paid by Franchisor on account of Franchisee's Food Service Counter(s).

10. Accounting.

These financial statements shall be certified to be true and correct by Franchisee. Franchisee shall provide Franchisor copies of all federal and state income tax returns and sales tax returns. Franchisee shall submit to Franchisor other periodic reports, forms and records as Franchisor requests from time to time.

10.3. Discrepancies. In any discrepancy between data as reported by Franchisee and as reported by the owner or lessee of the premises where the Food Service Counter is located, the data reported by the premises owner or lessee shall control. If an inspection reveals a discrepancy or underreporting of sales of one percent (1%) or more for any period, then Franchisee shall take corrective action, including but not limited to paying Franchisor the amounts that would have been paid but for any underreporting, all as Franchisor specifies; and interest at the rate of 1% per month (12% per year) from the date the amount would have been due until paid; and Franchisee shall, in addition, reimburse Franchisor for all costs and expenses connected with the inspection. (g) State disability insurance for Franchisee's employees (as required by law); and

(h) Automobile liability insurance including coverage for autos owned, leased, hired or borrowed by Franchisee or Franchisee's owners, with limits of at least five hundred thousand dollars (\$500,000) per occurrence of bodily injury and property damage combined, and any other or increased amounts of insurance that Franchisor may require from time to time for each vehicle used by Franchisee (whether principally or occasionally) in connection with the franchised business (for example, to drive to the franchised location(s), to deliver products to self service locations, or otherwise).

These coverages shall name Franchisor, Franchisor's parent and the facility owner where Franchisee operates as additional insureds (using such endorsements and endorsement forms approved by Franchisor); the additional insured must be primary and non-contributory; and the coverages must provide that Franchisor is entitled to receive at least 30 days prior written notice of any intent to reduce coverage or policy limits, cancel or otherwise amend the policy.

12.2. Changes. Franchisor shall have the right from time to time to establish and revise the minimum coverages, coverage amounts and required policy terms that Franchisee is required to obtain and maintain. Promptly after delivery of written notice to Franchisee of any revisions, Franchisee shall obtain and thereafter maintain insurance conforming to the revised requirements.

12.3. Proof. Franchisee shall provide Franchisor within 30 days of the date of this Agreement, certificates of insurance proving the coverages required above as well as a copy of Franchisee's insurance declaration pages with all endorsements. Franchisee shall deliver a complete copy of Franchisee's then prevailing insurance policies within 30 days after delivery of the certificates of insurance. Immediately on renewal or the purchase of replacement insurance, Franchisee shall deliver to Franchisor a certificate of insurance and declaration pages for the new or renewal policy.

12.4. Failure to Maintain. If Franchisee fails to purchase and maintain insurance required by Section 12.1 then Franchisor will have the right, but no obligation, to obtain that insurance through agents and insurers Franchisor chooses, or other insurance that Franchisor is able to obtain for such purpose. Franchisee shall, at Franchisor's election, pay all premiums for such insurance or reimburse premium payments made by Franchisor. Franchisor will also have the right to offset the amounts of those premiums against any amounts due from Franchisor to Franchisee. Franchisee hereby grants Franchisor a power of attorney to obtain any required insurance and any renewals thereof on Franchisee's behalf.

12.5. Insurance Disclaimer. Franchisor has no obligation to obtain or maintain any insurance for or on behalf of Franchisee.

12.6. Indemnity. Franchisee shall defend, indemnify and hold harmless Franchisor, Franchisor's affiliated entities, and the owner(s) and lessee(s) of the location(s) where the Food Service Counter(s) is/are located, and each of their respective members, shareholders, managers, partners, directors, officers, employees, agents, and representatives and other personnel (collectively "Indemnified Parties") from all losses, costs and expenses incurred in connection with any claim, action, suit or other proceeding or government demand (including any state and/or federal agency imposed charges, fines, penalties and taxes), based on actual or alleged acts or omissions of Franchisee, Franchisee's personnel, or others, arising from or related to the operation of the Food Service Counter(s). Franchisee shall also defend, indemnify and hold harmless the Indemnified Parties from any liability or claims by Franchisee's employees against the Indemnified Parties for wage and hour and/or other labor and employment law violations arising from such employees' employment or work at the Food Service Counter(s).

12.7. Disclaimers. The parties acknowledge that this Agreement pertains to establishing and operating food service counter(s) where Franchisee will make prepared food products for sale to the public; and is not a vending machine, rack, display case or amusement machine business.

13. Renewal.

13.1. Renewal. If Franchisee fully complied with all conditions to renewal in Sections 13.2 through 13.3, and if this Agreement has not previously terminated, then Franchisee shall have the right, but no obligation, on expiration of this Agreement, to enter into a renewal Franchise Agreement (the "Renewal Agreement") for one consecutive term of five years (the "Renewal Term"). Each of the conditions stated in Sections 13.2 through 13.3 shall be conditions precedent to Franchisee's right to enter into a Renewal Agreement.

13.2. Conditions to Renewal. As conditions to the right to enter into a Renewal Agreement, Franchisee shall have (a) complied with all provisions of this Agreement and any applicable Addendum during its entire term, including the time when Franchisee gives notice of intent to renew; (b) the ability to maintain possession of all Food Service Counter locations operated by Franchisee under this Agreement; (c) brought the Food Service Counter(s) into full compliance with the specifications and standards then applicable for new or renewing Zenshi/AFC/Wild Blue Food Service Counters; (d) given written notice of renewal to Franchisor as provided in Section 13.3; (e) signed Franchisor's then-current form of Franchise Agreement and applicable addendum(s) at least 30 days before the expiration date (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a renewal franchise), and that agreement shall supersede this Agreement. The terms of that Agreement may differ materially from the terms in this Agreement including, without limitation, different payment amounts or arrangements; (f) complied with Franchisor's then-current qualifications and training requirements; and (g) paid a non-refundable renewal fee which shall equal Franchisor's then current initial franchise fee charged by Franchisor to new franchisees for each location to be renewed. Franchisee's failure to provide the notice in

Section 13.3 or otherwise comply with each obligation under this Section 13.2 by the applicable deadline shall be deemed Franchisee's desire not to renew this Agreement.

13.3. Notice. If Franchisee desires to enter into a Renewal Agreement, then before expiration of this Agreement, Franchisee shall give Franchisor written notice of its desire at least 180 days but not more than 360 days prior to the expiration of the initial term of this Agreement. Renewal shall also be conditioned on Franchisee's compliance with this Agreement through termination of the initial term and Franchisee retaining all Food Service Counter locations operated by Franchisee under this Agreement.

13.4 Month-to-Month. If Franchisee does not sign Franchisor's then-current Franchise Agreement prior to the expiration date and Franchisee continues to accept the benefits of this Agreement after it expires, then at Franchisor's option, this Agreement may be treated either as (i) expired as of the expiration date with Franchisee then operating without a license to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("Month-to-Month Agreement") until one party provides the other with written notice of such party's intent to terminate the Month-to-Month Agreement, in which case the Month-to-Month Agreement will terminate thirty (30) days after receipt of the notice to terminate the Month-to-Month Agreement, or such longer notice period as is required by Applicable Law. In the latter case, all of Franchisee's obligations shall remain in full force and effect during the Month-to-Month Agreement as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Month-to-Month Agreement.

14. Transfer Restrictions.

14.1. Assignment by Franchisor. Franchisor shall have the right to transfer or assign any or all rights and obligations under this Agreement in whole or in part, on one or more occasions, to any person, corporation or other entity.

14.2. Assignment by Franchisee. Franchisee acknowledges that Franchisor entered into this Agreement and each Franchise Addendum in reliance on characteristics personal to Franchisee, Franchisee's principal owners and officers, and personal to the entity constituting Franchisee. Therefore, Franchisee shall have no right or power to, and shall not purport to sell, transfer, assign, sublicense, give, mortgage, pledge or encumber any interest in this Agreement, in any Franchise Addendum, in the business contemplated by this Agreement, or if Franchisee is an entity, a majority of the shares of stock or ownership interests in that entity (collectively, "Transfer"), without the prior written consent of Franchisor. Franchisor shall have the right to withhold consent to any sale or transfer proposed to be entered into within 2 years of the date of the applicable addendum for the location proposed to be sold or transferred. Franchisor shall also have the right to withhold approval to any proposed sale or transfer, at Franchisor's discretion, if such sale or transfer involves the sale/transfer of some but not all of Franchisee's locations operated under this Agreement.

14.3. Entity Documents. If Franchisee or any assignee of Franchisee is an entity, then Franchisee and the assignee shall provide Franchisor a copy of its charter documents (operating agreement, regulations, articles of incorporation; partnership agreement, bylaws; and other governing documents designated by Franchisor), list of owners including the ownership interest of each, managers, directors and officers, all amendments to these documents, and all other information about the organization, structure and personnel that Franchisor requests from time to time. Franchisee shall promptly notify Franchisor in writing of any change in any information provided under this Section 14.3.

14.4 Notice of Restrictions. Franchisee shall place on the face of each certificate, agreement and other instrument evidencing ownership of the entity constituting Franchisee, the following statement in conspicuous typeface:

The transfer of the interest in [name of Franchisee] evidenced by this certificate [or instrument] is subject to the terms of a Franchise Agreement with Advanced Fresh Concepts Franchise Corp. dated [state date of this Agreement]. Any purported transfer made without complying with those terms is void and of no effect.

14.5 Transfer to Entity. Franchisor will not unreasonably withhold consent to a written request by Franchisee to transfer/assign Franchisee's interest in this Agreement to a corporation, limited liability company or equivalent entity, provided that Franchisee satisfies all the following conditions precedent: (a) the entity is newly organized and its activities will be limited to acting as an AFC franchisee; (b) the entity's name shall not include the words "Zenshi," "AFC," "Advanced Fresh Concepts," "Wild Blue," "Southern Tsunami," "Hybrid Sushi" or any variant, or words confusingly similar thereto without Franchisor's prior written consent; (c) Franchisee shall be the sole owner of at least 51% of the ownership of the entity and any remaining ownership is owned only by Franchisee's spouse or children; (d) if Franchisee is two or more individuals, then each owns the same percentage of the entity as his or her interest in the business prior to the transfer/assignment; (e) the entity's articles of incorporation, articles of organization and bylaws state that the issuance and transfer of any interest in the entity are restricted by this Agreement; (f) all the entity's ownership certificates provide the notice stated in Section 14.4; and (g) Franchisee pays Franchisor's then current transfer to entity fee. A transfer/assignment made pursuant to this Section 14.5 shall not be subject to Franchisor's rights of first refusal in Section 14.6 of this Agreement.

14.6. Right of First Refusal. Franchisor shall have a right of first refusal itself to accept the terms of any sale, transfer or assignment of any interest in any Food Service Counter operated by Franchisee, this Agreement or in Franchisee, offered by Franchisee or offered to and proposed to be accepted by Franchisee, whether voluntarily, by operation of law or otherwise. If Franchisor exercises the right of first refusal, then Franchisor will also have the right but no obligation to substitute cash for any form of payment proposed in the offer; and will have 60 days after notifying Franchisee of its election to exercise the right of first refusal to prepare for closing. If a proposed transaction would involve more than 20% of the stock or other ownership interest of Franchisee then Franchisor will also have the right, but no obligation, to purchase not only the interest involved but also all the remaining interests, to acquire up to 100% of the interest in Franchisee, at a price proportionate to the price of the interests initially involved. If Franchisor exercises the right of first refusal, then at Franchisor's request, Franchisee shall also take all action necessary to cause the lease for the location(s) affected, and any other agreements designated by Franchisor, to be assigned to Franchisor.

14.7. Exercise of First Refusal. To provide Franchisor the opportunity to exercise the right of first refusal, Franchisee shall deliver to Franchisor a written notice stating all the terms of any proposed sale, transfer or assignment covered by the right of first refusal and shall provide any additional information that Franchisor requests about the proposed transaction. Franchisee shall require its owners to provide Franchisee sufficient information to enable Franchisee to comply with this obligation with regard to a transaction proposed by any of the owners of Franchisee. Within 45 days after Franchisor receives the notice and the additional information requested by Franchisor, Franchisor will notify Franchisee whether Franchisor accepts for itself or its nominee the terms in the notice.

14.8. Waiver. If Franchisor elects not to exercise the right of first refusal and consents to the proposed sale, assignment or transfer, then Franchisee will be authorized to complete the proposed transaction with the proposed assignee on the terms in the original notice to Franchisor. Any change to the terms constitutes a new proposal which again requires compliance with the procedures in Sections 14.6 through 14.7 (and this Section 14.8, if applicable). Franchisor's election not to exercise the right of first refusal for any proposed transaction does not affect Franchisor's right of first refusal for any other transaction and does not constitute approval of the proposed transferee or assignee or of the transaction.

Franchisee and any proposed transferee or assignee shall comply with all provisions in this Agreement relating to transfer and assignment.

14.9. Sale To Third Party. If Franchisor elects not to exercise the right of first refusal, then Franchisor's consent to a proposed sale, transfer and/or assignment by Franchisee shall not be unreasonably withheld. It shall be deemed to be reasonable for Franchisor to require, as conditions precedent to consenting to the proposed sale, transfer and/or assignment, among other requirements, that (a) Franchisee first comply with the right of first refusal provisions in Sections 14.6 through 14.7; (b) the proposed transferee/assignee apply to Franchisor to become a franchisee; provide information that Franchisor requests to assess the proposed transferee's/assignee's skills, qualifications, integrity, honesty and resources (financial and otherwise) sufficient in Franchisor's judgment to operate the Food Service Counter(s) in a manner that Franchisor expects to be satisfactory; (c) the proposed transferee/assignee cooperates in arranging one or more personal interviews at times and places designated by Franchisor; (d) consent is obtained, of the owner(s) of the location(s) where the Food Service Counter(s) is/are located if such owner(s) has/have the right to consent pursuant to an agreement with such owner; (e) the proposed transferee/assignee attends and successfully completes Franchisor's initial training program and any other training Franchisor requires, all at the proposed transferee's/assignee's expense; (f) at Franchisor's option, the proposed transferee/assignee, either: (i) signs Franchisor's then current form of Franchise Agreement, modified to delete any initial fee, and to expire on the expiration date of this Agreement or (ii) signs Franchisor's then current form of Franchise Agreement for a full term and pays Franchisor's then current initial franchise fee; (g) Franchisee pays all moneys owed to Franchisor and to any affiliated entities of Franchisor and in addition pays Franchisor a transfer fee of \$1,500 for each location to be transferred; (h) Franchisee and the principal owners of Franchisee execute a general release in a form satisfactory to Franchisor of all claims against Franchisor, its owners, directors, officers, members, managers and employees; (i) Franchisee agrees not to retain any security interest in any assets of the franchise or business following the transfer; (j) that the terms of the sale and/or assignment not be unduly burdensome to the transferee/assignee in Franchisor's judgment; and (k) that the sale, transfer and/or assignment close within 90 days of Franchisor's election not to exercise the right of first refusal.

14.10. Transfer On Death or Incapacity. If Franchisee is an individual who dies, or becomes permanently incapacitated, then Franchisor shall allow the deceased's surviving spouse, heirs, or estate or the incapacitated person's legal representative, the opportunity to participate in ownership of Franchisee during 180 days after the death or incapacity, provided that during that time the surviving spouse, heirs or estate or legal representative (a) maintains all standards of the franchise, performs all obligations of Franchisee and satisfies all then current qualifications for a purchaser of a franchise or, (b) in accordance with the requirements of Sections 14.2 and 14.6 through 14.9 sells that person's ownership interest in Franchisee and the Food Service Counter(s) to a person who satisfies Franchisor's then current standards for new franchisees.

14.11. Death or Incapacity of Individual Affiliated with Entity. If Franchisee is an entity, then the death or incapacity of a shareholder, owner, director, manager, officer or partner of Franchisee shall not constitute an assignment or transfer of this Agreement under Section 14.2, provided that during 180 days after the death or incapacity the surviving spouse, heirs or estate or the incapacitated person's legal representative (a) maintains all standards of the franchise, performs all obligations of Franchisee and satisfies all then current qualifications for a purchaser of a franchise or, (b) in accordance with the requirements of Sections 14.2 and 14.6 through 14.9 sells that person's ownership interest in Franchisee and the Food Service Counter(s) to a person who satisfies Franchisor's then current standards for new franchisees.

14.12. Operation by Franchisor. From the date of death or incapacity until satisfied that a qualified and trained individual assumed full-time operational supervision of the Food Service Counter(s), Franchisor shall have the right, but no obligation, to enter and operate the Food Service Counter(s). Any decision by

Franchisor to do so shall be deemed to be an accommodation to assist Franchisee. Franchisor makes no representation or warranty regarding its ability to operate the Food Service Counter(s) profitably, and Franchisor shall not be responsible for results of operation. Franchisee shall reimburse all Franchisor's expenses incurred to operate the Food Service Counter(s) pursuant to this Section 14.12, including but not limited to travel, lodging, meals, and personnel compensation; and shall pay Franchisor, in addition to all other amounts provided for in this Agreement, a management fee of up to \$450 per day per person Franchisor sends for the period of operation by Franchisor. Franchisor shall have the right to increase this daily rate effective on delivery of written notice to Franchisee. Franchisor shall have the right to cause itself to be paid and reimbursed any or all these amounts from revenues of the Food Service Counter(s), as well as all other amounts required to be paid under this Agreement.

14.13. Operation for Cause. If Franchisor determines that operation of the Food Service Counter(s) may be in jeopardy or if a default occurs, then in addition to all Franchisor's other rights and remedies, Franchisor shall have the right to operate the Food Service Counter(s) in the manner and on the terms provided in Section 14.12, for as long as Franchisor believes necessary or practical.

15. Default and Termination.

15.1. Immediate Termination Without Opportunity to Cure. Franchisee shall be deemed to be in default and Franchisor shall have the right to terminate this Agreement and/or any applicable addendum, without allowing Franchisee any opportunity to cure the default, effective immediately on delivery to Franchisee of written notice of termination, on the occurrence of any of the following events:

A. Franchisee is adjudicated bankrupt or insolvent or any substantial part of Franchisee's assets is assigned to or for the benefit of any creditor, or a petition in bankruptcy is filed by or against Franchisee and not immediately contested and dismissed within 60 days after filing, or a bill in equity or other proceeding for appointment of a receiver or other custodian of Franchisee or any assets of Franchisee is filed and consented to by Franchisee, or a court appoints a receiver or other temporary or permanent custodian of all or part of Franchisee's assets, or proceedings for a composition or arrangement with creditors under any federal or state law are instituted by or against Franchisee;

D. Franchisee stops operating or abandons the franchise by failing to operate at any Food Service Counter for three (3) consecutive days when Franchisee is required to operate, or any shorter period of time in which it is reasonable in the circumstances for Franchisor to conclude that Franchisee does not intend to continue to operate the Food Service Counter(s).

E. Any material complaint or subjective dissatisfaction expressed by the owner(s) or managers of the facility where any Food Service Counter operated by Franchisee is located, regardless of the reason for such complaint or subjective dissatisfaction; or the owner(s) or managers of the facility object for any reason to the continued operation of the Food Service Counter at the facility.

F. Franchisee (or, if Franchisee is an entity, any owner, member, partner, director, manager or officer of Franchisee) is convicted of or pleads no contest to a felony, fraud, crime involving moral turpitude, or other crime or offense which Franchisor reasonably believes is related to Franchisee's operation of the Food Service Counter(s) or is likely to have an adverse effect on the AFC System, the Marks or the goodwill associated with the Marks.

G. Franchisor determines that a threat or danger to public health or safety may result from Franchisee's continued operation of any Food Service Counter and/or Franchisee fails to cure any health and safety violation within 24 hours after notice of the violation.

H. Franchisee engages in any unlawful act, form of harassment or discrimination.

I. Franchisee (or, if Franchisee is an entity, any owner, member, partner, director, manager, or officer of Franchisee) purports to transfer any rights or obligations under this Agreement or any interest in Franchisee or any Food Service Counter operated by Franchisee, or any security interest, to any third party in violation of any terms or without satisfying any of the conditions within Sections 14.2 through 14.11.

J. There occurs any breach of any of the covenants in Sections 5.3, 6.1 through 6.4 or 14.2 through 14.11.

K. Franchisee makes any material misrepresentations relating to the acquisition of the franchise or engages in conduct which reflects materially and unfavorably on the operation and reputation of the franchise or franchise system.

L. M. Franchisee interferes or attempts to interfere with Franchisor's contractual relations with any third party, including but not limited to other franchisees, or interferes or attempts to interfere with Franchisor's ability or right to grant franchises or licenses to others to use the Marks or AFC System.

N. Franchisee repeatedly fails to comply with one or more provisions of this Agreement, whether or not cured after notice.

O. Franchisee fails to cure any default under this Agreement that materially impairs the goodwill associated with the Marks within 48 hours after delivery of written notice to cure;

P. Franchisee fails to satisfactorily complete initial training in Franchisor's sole judgment or to pass any required criminal background check and/or drug, tuberculosis or other chemical and disease testing;

Q. Any act of dishonesty or moral turpitude, either in Franchisee's operations, or in dealings with the facility owner where Franchisee's Food Service Counter(s) is/are located or in Franchisee's interactions with Franchisor.

15.2. Termination After Notice and Opportunity to Cure. Except as stated in Section 15.1, Franchisee shall have 15 calendar days after delivery by Franchisor of written notice to cure the breach or default under this Agreement and/or any applicable addendum, or if it cannot be cured in that time, to take within that time, and continue, all available steps to cure and to provide proof of those steps to Franchisor. Failure to cure in this time, or within this time to take and continue all available steps to cure, shall at Franchisor's election, result in termination of this Agreement and/or the applicable Franchise Addendum,

effective on expiration of the period allowed for cure as specified in the notice of default. However, if applicable law requires Franchisor to allow a larger period of time, then Franchisee shall have the period of time required by law to cure the breach or default.

15.3 Cross Default. Franchisee's breach of one agreement/addendum with Franchisor shall, at Franchisor's election also constitute a breach of every other agreement/addendum between Franchisee and Franchisor. A breach by franchisee of this Agreement shall also constitute, at Franchisor's election, a breach of all other agreements/addendums between Franchisee and Franchisor. Franchisor's election to enforce or not enforce this provision shall not constitute a waiver of any of Franchisor's rights or remedies against Franchisee hereunder.

15.4 Acts of Others. Franchisee shall be responsible for all acts and/or omissions of Franchisee's employees, managers, independent contractors and family members, regardless of whether Franchisee had actual notice of such actions/omissions.

15.5. Notice Required By Law. If any applicable law or regulation limits Franchisor's right to terminate this Agreement or requires greater notice or time to cure than stated in this Agreement, then Franchisor may allow additional time to conform to the minimum notice or cure period or restriction on termination required by that law or regulation. This Section 15.5 does not waive any right of Franchisor to challenge the validity or application of such law or regulation.

15.6. Effects of Termination or Expiration. On termination or expiration of this Agreement without renewal, Franchisee shall do all of the following:

A. Immediately pay all amounts due and owing to Franchisor and all sums due and owing to any third party relating to the operation of each of Franchisee's Food Service Counter(s);

B. Immediately stop using the Marks, and permanently refrain from doing business using any name or in any way that could tend to give the public the impression that Franchisee is or previously was operating a Food Service Counter associated with Franchisor; and refrain from using, in any manner, or for any purpose, any confidential information or trade secrets of Franchisor;

C. Immediately take all action needed to cancel any assumed name or equivalent registration pertaining to the Food Service Counter(s);

D. Revise all websites and social media pages controlled by Franchisee to remove references to the Food Service Counter(s) and Franchisor's Marks and System; and at Franchisor's request, assign to Franchisor all Internet domain names and social media accounts owned by Franchisee relating to the Food Service Counter(s).

H. Assign to Franchisor or its designee, all right, title and interest in and to the phone numbers of the Food Service Counter(s), notify the phone company and all listing agencies that Franchisee's right to use the phone numbers ended, and authorize the transfer of the phone numbers to Franchisor or its designee;

I. Cooperate with Franchisor in providing records of the Food Service Counter(s) and disclosing all other pertinent information;

J. Sign all documents which Franchisor may reasonably require to evidence and further accomplish termination of this Agreement and of Franchisee's rights to use the Marks and AFC System; and

K. Refrain from destroying, damaging, hiding or taking any equipment or inventory from the Food Service Counter(s) without Franchisor's written consent.

15.7 Option to Purchase. On termination or expiration of this Agreement, Franchisor shall have the option (but not the obligation), exercisable by delivering notice to Franchisee during the thirty (30) days following termination or expiration, to purchase the Assets of the Food Service Counter(s). For this Section 15.7, "Assets" means equipment, supplies, signage and non-perishable inventory.

A. The purchase price for the Assets will be the fair market value as reasonably determined by Franchisor. Any amounts Franchisee owes to Franchisor or its affiliates shall be applied to reduce the purchase price.

B. The balance of the purchase price, after the deductions in Section 15.7(A), shall be payable by Franchisor to Franchisee, at the closing. The closing shall occur at a date stated by Franchisor in the notice to Franchisee of Franchisor's exercise of the purchase option. That date shall be no later than 30 days after delivery of the notice, provided that the date may be later as reasonably determined by Franchisor to allow time for compliance with bulk sales laws. At closing, the parties shall execute and deliver all documents necessary to vest title in the purchased assets in Franchisor, free and clear of liens and encumbrances. Franchisee shall provide Franchisor with all information necessary to close the transaction.

C. Franchisor shall also have the right (but not the obligation) to purchase non-expired approved perishable inventory at Franchisee's Food Service Counter(s) at the time of expiration or termination of this Agreement. The purchase price for the non-expired approved perishable inventory will be the product cost paid by franchisee to acquire these products from Franchisor or Franchisor's approved suppliers. Any amounts Franchisee owes to Franchisor or its affiliates shall be applied to reduce the purchase price.

15.8 Continuing Effect. All provisions which by their terms or nature survive expiration or termination of this Agreement shall continue in effect regardless of expiration or termination until fully performed or until they expire by their nature.

16. Additional Provisions.

16.1. Compliance With Law. Franchisee shall operate the Food Service Counter(s) in compliance with all applicable laws, rules and regulations of all government authorities, including but not limited to federal and state laws pertaining to wages, hours, working conditions, unlawful discrimination, employment

verification, record keeping, workers compensation, leaves of absence, restrictions on employment of minors and other labor laws, social security and unemployment insurance contribution requirements, disability insurance, income tax and other withholdings, contributions, deposits and reporting as well as federal and state laws on operating a restaurant, health, safety and sanitation laws which also include health department inspections, menu and menu board labeling laws, food labeling laws, the Hazard Analysis and Critical Control Point (“HACCP”) food safety program adopted by the U.S. Food & Drug Administration and rules on handling, preparing and serving foods by people with communicable or infectious diseases.

16.2. Interpretation. Headings and section numbers in this Agreement are for convenience only and are not part of this Agreement. References to the owner or lessee of the premises where a Food Service Counter is located also include the applicable operator with whom Franchisor has arrangements that permit the establishment of the franchise granted by this Agreement. The provisions of this Agreement shall be interpreted according to their fair meanings and not strictly for or against any party.

16.3. Entire Agreement. This Agreement is the entire agreement of the parties. All prior written agreements, discussions, negotiations, representations and understandings of the parties are merged into and superseded by this Agreement. Nothing in this Agreement is intended to disclaim the representations made to Franchisee in the Franchise Disclosure Document.

16.4. Amendment. No modification of this Agreement will be valid unless executed in writing and signed by both parties. This provision shall not restrict updates and revisions to the Manuals.

16.5. Relationship of the Parties. The parties shall be independent contractors and not partners, joint venturers, principal-agent, employer-employee, or other relationship with each other. Franchisee shall have no authority or power to and shall not purport to obligate Franchisor to any person or entity. In all public records, letterhead and on signage at the Food Service Counter, Franchisee shall indicate its independent ownership of the franchised business and that the Food Service Counter is independently owned and operated. Franchisee shall not interfere with or disrupt Franchisor’s relationship with the owner(s) or lessee(s) of the premises where the Food Service Counter(s) is/are located, and shall not communicate with such owner(s) or lessee(s) concerning the relationship with Franchisor or any other matter not involving regular day to day operations of the Food Service Counter(s), without first obtaining Franchisor’s written consent. By way of example, and not limitation, Franchisee shall not communicate with the facility owner or its agents about pricing, menu changes, new concepts or other types of business opportunities involving the facility owner or otherwise. Franchisee shall never represent himself/ herself as an agent or employee of Advanced Fresh Concepts Franchise Corp. or Advanced Fresh Concepts Corp. Any complaint, petition and/or application that takes a position inconsistent with this Section, or other claim filed in violation of this Section shall be deemed a material breach of this Agreement.

16.6. No Waiver. Waiver of any breach or default on any occasion shall not constitute a waiver of any other or future breach or default.

16.7. Governing Law. This Agreement takes effect upon its acceptance and execution by Franchisor in California. This agreement shall be governed by and interpreted and construed according to the internal laws of California without regard for its principles of conflicts of law. However, (a) if a provision of this Agreement would not be enforceable under California law, and (b) if the Food Service Counter is located outside California; and (c) such provision would be enforceable under the laws of the state where the Food Service Counter is located; then such provision shall be interpreted and construed under the laws of the state where the Food Service Counter(s) is/are located. Where a California statute or rule of law provides that such statute or rule is inapplicable outside the state, for example, to a franchise located outside of California, or is inapplicable for another reason, such as an exemption, such law or rule shall not apply to Franchisee if located outside of California or if the circumstances of inapplicability apply. Nothing in this

Section 16.7 is intended to subject this Agreement to any franchise or similar law, rule, or regulation of any state to which it would not otherwise be subject.

16.8. Arbitration

A. Scope Of Arbitration: Any dispute that arises out of or relates directly or indirectly to this Agreement, including, without limitation, any claimed breach of this Agreement or any claim that any part of this Agreement (including this Section 16.8 or any part thereof) is invalid, illegal, unenforceable, voidable or void, or the relationship of the parties hereto shall be resolved by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, as amended (the "Rules" - available upon request and at www.adr.org), except as provided for otherwise in paragraph I below. Sections 1281.4 and 1283.05 of the California Code of Civil Procedure are, by this reference, incorporated in and made a part of this Agreement and shall apply in connection with any arbitration under this Section 16.8. In the event the terms of this Agreement, (including Section 16.8), the Rules or any applicable arbitration statute differ or conflict with each other, the terms of this Agreement shall control over the Rules and the arbitration statute, and the Rules shall control over the arbitration statute. This arbitration provision shall be self-executing, and shall remain in effect after and regardless of expiration or termination of this Agreement.

B. Number Of Arbitrators: Should at any point the alleged damages exceed \$1,000,000 in total, exclusive of alleged interest, costs and/or attorney's fees, the dispute shall be heard and determined by a panel of three arbitrators. For all disputes, at least one arbitrator shall be a practicing attorney that specializes in franchise law.

C. Independent Arbitrations: The parties intend any dispute to be resolved as an independent arbitration, which is neither consolidated, classed, nor certified with any other claimant, arbitration or dispute. The parties waive all rights to resolving any dispute as consolidated, classed or certified with any other claimant, arbitration or dispute.

D. Location Of Arbitration: Arbitration shall occur in Los Angeles, California.

E. Discovery: After the appointment of the arbitrator(s), each side may commence discovery. Each side shall be limited to the following discovery: (a) no more than five (5) depositions of potential witnesses; (b) one set of written interrogatories; (c) one set of requests for production; and (d) one set of requests for admission. The aforementioned forms of written discovery shall not include more than 25 questions or requests within each set. The arbitrator(s) may permit requests for additional discovery for good cause. All objections are preserved for the arbitration hearing, except for objections based on privilege or proprietary/confidential information. All discovery shall be completed within eight months after the selection of the arbitrator(s), unless this period of time is shortened or extended by the arbitrator(s) for good cause or by stipulation of the parties.

F. Law And Motion: The arbitrator(s) shall set a briefing schedule, which sets a law and motion hearing date and the submission deadline for opposition and reply memoranda, no later than five days after the submission of any law and motion. The law and motion hearing date shall in no case be set more than 30 days after the original submission of any law and motion. Law and motion matters shall be decided, and a reasoned ruling issued as soon as practical, but in no case later than 15 business days after the scheduled law and motion hearing. Nothing in this subsection prevents any party from requesting ex parte relief as permitted by California law.

G. Pre-Award Costs of Arbitration: Administrative fees for operative arbitration demands shall be paid by the party filing the demand. Arbitrator fees/deposits and all costs for transcripts shall be allocated equally between each side. Unless accommodated otherwise by the alternative dispute

resolution center and/or the Rules, any party's failure to pay its portion of the fees and costs for the arbitration within the due dates set by the alternative dispute center shall result in the immediate suspension of the arbitration. In the event a suspension for non-payment of arbitration fees and costs continues for 30 days, the alternative dispute resolution center shall either enter the default of the non-paying party or the arbitration shall be dismissed. At the conclusion of the arbitration proceeding, the arbitrator(s) shall award the prevailing party the prevailing party's costs for the arbitration pursuant to Section 16.8(J).

H. Awards: All awards, including, without limitation, an interim or partial award, by the arbitrator(s) regarding the merits of the dispute shall be articulated in writing, signed by the arbitrator or a majority of the arbitrators (if applicable) and include a statement setting forth the reasons for the decision (a "reasoned award"). All awards shall be based on established law and shall not be made on broad principles of justice and equity. An award may be appealed to a court of competent jurisdiction for any errors of law, errors of legal reasoning or determination of fact that are clearly erroneous. Judgment on the final award may be entered in any court with competent jurisdiction. Except as otherwise provided in Section 16.8, an award may be entered against any party that fails to appear, defend, advance, attend, participate in, prosecute or obtain a postponement after being afforded due notice of the arbitration.

I. Injunctive/Provisional Remedies: Nothing in Section 16.8 or elsewhere in this Agreement limits a party's rights or remedies in connection with any action in any court of competent jurisdiction for injunctive or other provisional relief that a party deems necessary or appropriate to compel the other party to comply with the party's obligations under this Agreement, to protect the trade secrets or other intellectual property of a party against disclosure, or to prevent any threatened conduct that may cause loss or damage to a party under rules of equity, pending completion of arbitration. The parties agree that any failure to immediately cease operation, vacate the location of the operation or cease the use of intellectual property will cause irreparable injury and that money damages will not provide an adequate remedy. Both parties therefore consent to the issuance of an appropriate injunction.

J. Fees And Costs: The arbitrator(s) shall award to the prevailing party(ies) their fees and costs that were both incurred and relate directly to the claims allowing for an award of fees and costs. The arbitrator(s) shall consider the results of the entire arbitration and all claims filed, whether based in contract, statute or otherwise, in determining whether there is a prevailing party. The arbitrator(s) shall deny any motion/petition for fees that is not supported by a verified and detailed account of the time and expenses incurred. An award of fees and costs for all claims, including, without limitation, those based on a breach of this Agreement or for claims based on statute, may not exceed either: (a) in the event of a money award, one third the amount of compensatory damages awarded; or (b) in the event of a defense award, one third the greatest total amount claimed as damages at any point during the arbitration, including, without limitation, within any writing, testimony or argument. "Fees and costs" mean all reasonable expenses of the arbitration, including all administrative fees, arbitrator fees, travel expenses, out of pocket expenses, such as copying and telephone, court costs, legal research costs, discovery costs, expert witness fees, and attorney's fees. Except as otherwise provided above, a court of competent jurisdiction shall award fees and costs to the party that prevails on either a motion/petition for injunctive relief, as provided for in paragraph I above, or on a motion/petition to compel arbitration pursuant to this Section 16.8.

K. Severability Of Section 16.8: Should any part of Section 16.8 be ruled invalid, illegal, unenforceable, voidable or void, then the remainder of Section 16.8 shall still remain in effect. Should any part of Section 16.8 conflict with any non-waivable or non-modifiable statutory rights, Section 16.8 shall be interpreted and applied to the extent possible without conflicting with statutory rights.

16.9. Relief. Franchisee acknowledges that the breach or threatened breach of any provision within Sections 5.3, 6.1 through 6.4, 14.2 through 14.11 or 15.6 (B) through 15.6(K) would cause irreparable

harm to Franchisor for which there is no adequate remedy at law. Therefore Franchisor shall be entitled to preliminary and permanent injunctive relief to enjoin actual or threatened violation of any such provision.

16.10 Severability. If any provision of this Agreement is held to be invalid, the remaining provisions of this Agreement shall remain in effect. Should any provision of this Agreement be held to conflict with any statutory rights, such provision shall be interpreted and applied to the extent possible without conflicting with such statutory rights.

16.11. Notices. Except as otherwise stated in this Agreement, all notices which are required by this Agreement shall be deemed to be delivered 3 days after being placed in the U.S. Mail, certified mail, return receipt requested or priority mail with delivery receipt confirmation, or one day after being sent by United Parcel Service or other receipted overnight courier service if addressed to a party at the address stated in the introductory paragraph of this Agreement, or other address of which a party has given notice to the other, or immediately by hand delivery to a party. Franchisee shall provide Franchisor Franchisee’s physical address for notice purposes under this Section and shall keep Franchisor updated of any changes thereto.

16.12. Force Majeure. A party shall not be liable for delay in performance of up to 30 days, other than performance of an obligation to pay money to the other party, if the delay is due to terrorism, war, riot, strike or other labor trouble, utility failure, storm, fire, flood, earthquake, hurricane, explosion, embargo, blockade, insurrection, act of God or other similar event that is beyond the control of the parties. In the event of such delay, the time for performance will be extended by a period of time equal to the cause of the delay, but no longer than 30 days.

16.13. Opportunity to Review. Franchisee acknowledges having had an opportunity to review Franchisor’s Franchise Disclosure Document for at least 14 calendar days before signing any agreement with Franchisor or making any payment to Franchisor, to consult with an attorney and other professional advisors of Franchisee’s choice, and Franchisee has made the decision whether or not to consult with such advisors.

Franchisor is unwilling to make the anticipated change or expansion in the relationship of the parties unless it is certain that it is proceeding with a “clean slate” and that there are no outstanding grievances or Claims against it. Releasing Parties are willing to enter into this Release Agreement in consideration for receiving the agreement of Franchisor to an anticipated change or expansion of the relationship between the parties. Releasing Parties acknowledge that this Release Agreement is intended to wipe the slate clean.

NOW, THEREFORE, IT IS AGREED:

2. **GENERAL RELEASE AGREEMENT**. Releasing Parties, for themselves and their Constituents, hereby release and forever discharge Franchisor Released Parties from any and all Claims, whether known or unknown, based upon anything that has occurred or existed, or failed to occur or exist, from the beginning of time to the Effective Date, including, without limitation any and all Claims which relate to the Franchise Agreement, any addendum thereto, the Food Service Counter(s), the System, the License, the Marks, and the Franchised Location, and any other agreement entered into prior to the Effective Date between Franchisor Released Parties, on the one hand, and Releasing Parties, on the other hand, except for the Excluded Matters and obligations under this Release Agreement. This waiver, release and discharge is effective immediately in its fullest and most comprehensive sense. This Release Agreement does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

3.1 **Section 1542 of the California Civil Code**. Releasing Parties, for themselves and their Constituents, acknowledge that they are familiar with Section 1542 of the California Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASING PARTY.

3.2 **Waiver**. With respect to those Claims being released pursuant to Section 2, Releasing Parties, for themselves and their Constituents, acknowledge that they are releasing unknown Claims and waive all rights they have or may have under Section 1542 of the California Civil Code or any other statute or common law principle of similar effect. For purposes of this Section 3, Releasing Parties shall be considered to be creditors of the Franchisor Released Parties, and each of them.

4. **UNKNOWN CLAIMS**. Releasing Parties acknowledge and agree that among the wide and comprehensive range of Claims being waived, released, and discharged by this Release Agreement, they are waiving, releasing, and discharging unknown and unsuspected Claims which, if known or suspected by Releasing Parties to exist in their favor at the time of executing this Release Agreement, may have materially affected Releasing Parties’ decision to enter into this Release Agreement. It is understood by Releasing Parties that, after the Effective Date, the facts under which this Release Agreement is entered into may turn out to be other than or different from the facts Releasing Parties knew or believed to be true on the Effective Date. Releasing Parties, therefore, expressly assume the risk of the facts turning out to be so different and agree that

this Release Agreement shall be in all respects final and effective and not subject to termination or rescission by any such difference in facts.

5. **REPRESENTATIONS AND WARRANTIES.** Releasing Parties hereby represent and warrant that, in entering into this Release Agreement, Releasing Parties: (i) are doing so freely and voluntarily, either upon the advice of counsel and business advisors of Releasing Parties' own choosing, or without such advice because Releasing Parties, free from coercion, duress or fraud, declined to obtain such advice; (ii) have read and fully understand the terms and scope of this Release Agreement; (iii) understand that this Release Agreement is final and conclusive, and intends to be final and conclusive, as to the matters set forth in this Release Agreement; and (iv) have not assigned, transferred, or conveyed to any third party all or any part of their interest, or any contingent interest, in any of the Claims released by this Release Agreement now or in the future, and are aware of no third party who contends or claims otherwise, and shall not purport to assign, transfer, or convey any interest in any such Claim after the Effective Date.

6. **COVENANTS NOT TO SUE.** Releasing Parties hereby irrevocably covenant that they will not, directly or indirectly: (i) commence, initiate, or cause to be commenced or initiated any proceeding, claim, or demand of any kind against Franchisor Released Parties based upon any Claims released under this Release Agreement; or (ii) assist or encourage any person or entity to investigate, inquire into, commence, initiate, or cause to be commenced or initiated any proceeding, claim, or demand of any kind against Franchisor Released Parties based upon any Claims released under this Release Agreement.

7. **INDEMNITY.** Without in any way limiting any of the rights and remedies otherwise available to the Franchisor Released Parties, Releasing Parties shall defend, indemnify and hold harmless each Franchisor Released Party from and against all Claims whether or not involving third-party Claims, arising directly or indirectly from or in connection with: (i) the assertion by or on behalf of Releasing Parties or their Constituents of any Claim or other matter released pursuant to this Release Agreement; (ii) the assertion by any third party of any Claim or demand against any Franchisor Released Party which Claim or demand arises directly or indirectly from, or in connection with, any Claim or other matter released pursuant to this Release Agreement; (iii) any breach of representations, warranties or covenants hereunder by Releasing Parties or its Constituents; or (iv) the Franchise Agreement, the Food Service Counter(s), the Franchised Location, and/or any and all claims of creditors, customers, vendors, suppliers or invitees of the Food Service Counter(s), or other third parties, for obligations incurred and/or acts or omissions to act by Franchisee, both prior to and following the Effective Date.

8. **GENERAL PROVISIONS.**

8.1 **Amendment.** This Release Agreement cannot be modified, altered or otherwise amended except by an agreement in writing signed by all of the parties.

8.2 **Entire Agreement.** This Release Agreement, together with the agreements referenced in this Release Agreement, constitute the entire understanding between and among the parties with respect to the subject matter of this Release Agreement and supersedes any prior negotiations, understandings, representations, and agreements with respect to the subject matter of this Release Agreement. Nothing in this Release Agreement is intended to disclaim the representations made to Franchisee in the Franchise Disclosure Document. The Recitals set forth in Paragraphs A through C of this Release Agreement are true and correct and are incorporated into this Release Agreement as part of this Release Agreement.

8.3 **Counterparts and Electronic Transmission; Electronic Signatures.** This Release Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. copies of this Release Agreement for all purposes, provided that the copies are fully executed, dated and identical in form to the original hard copy version of this Release Agreement. In addition, this Release Agreement may be signed electronically by the parties and electronic signatures appearing on this Release Agreement shall be deemed to be the same as handwritten signatures for the purposes of the validity, enforceability and admissibility of this Release Agreement.

In addition, each of Franchisor Released Parties that is not a party shall be a third party beneficiary of this Release Agreement, with the right to enforce this Release Agreement for his, her, or its benefit, whether acting alone or in combination with any other Franchisor Released Party.

8.5 **Interpretation.** The rule that an agreement is to be construed against the party drafting the agreement is hereby waived by the parties, and shall have no applicability in construing this Release Agreement or any of its terms. The headings used in this Release Agreement are for purposes of convenience only and shall not be used in construing the provisions of this Release Agreement. As used in this Release Agreement, the male gender shall include the female and neuter genders, the singular shall include the plural and the plural, the singular.

8.6 **Severability and Validity.** Any provision of this Release Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions of this Release Agreement or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

8.7 **Governing Law and Venue.** This Release Agreement shall be interpreted and construed under the laws of California. In the event of any conflict of law, the law of California shall prevail, without regard to the application of California conflict of law rules. If, however, any provision of this Release Agreement would not be enforceable under the laws of California, and if the Food Service Counter(s) is/are located outside of California and such provision would be enforceable under the laws of the state in which the Food Service Counter(s) is/are located, then such provision shall be interpreted and construed under the laws of that state. Nothing in this Section 8.7 is intended by the parties to subject this Release Agreement to any franchise or similar law, rules, or regulation of the state of California to which it would not otherwise be subject.

8.8 **Arbitration.** Except as precluded by applicable law, any controversy or claim that arises out of or relates to this Release Agreement, or any breach of this Release Agreement, including without limitation any claim that any of this Release Agreement (including this Paragraph 8.8) is invalid, illegal, voidable or void, shall be submitted to arbitration in accordance with the rules of the American Arbitration Association and judgment on the award may be entered in any court with jurisdiction thereof. Unless applicable law requires otherwise, arbitration shall occur in Los Angeles, California. This arbitration provision shall be self-executing, and shall remain in effect after and regardless of expiration or termination of this Release Agreement. 8.11 **No Waiver.** No delay, waiver, omission, or forbearance on the part of any party to exercise any right, option, duty, or power arising out of any breach or default by any other party of any of the terms, provisions, or covenants of this Release Agreement, and no custom or practice by the parties at variance with the terms of this Release Agreement, shall constitute a waiver by any party to enforce any such right, option, or power as against the other parties, or as to a subsequent breach or default by the other parties.

8.12 **Attorneys' Fees.** If any legal action is brought to enforce the terms of this Release Agreement, the prevailing party shall be entitled to reasonable attorneys' fees and costs, and any and all costs of collection, in addition to any other relief to which that party may be entitled.

PROMISSORY NOTE

PROMISSORY NOTE

\$ _____, 20__

FOR VALUE RECEIVED, _____ (“Maker”), hereby promises to pay to ADVANCED FRESH CONCEPTS FRANCHISE CORP., a California corporation (“Holder”), or order, at _____, or at such other place as Holder may from time to time designate in writing, the principal sum of _____ Dollars (\$ _____), with interest on the unpaid principal balance of this Promissory Note (“Note”) from the date of this Note until paid in full at the rate of zero percent (0%) per annum (“Interest Rate”).

1. Payment. Principal under this Note is payable as follows:
 - (i) On the _____ day of each month following the date of this Note, Maker shall pay to Holder monthly installments of principal in the amount of _____ Dollars (\$ _____).
 - (ii) On _____, the entire unpaid principal balance of this Note shall be due and payable.
 - (iii) Maker shall pay the sums due either by cashier’s check, money order, credit card or at Holder’s option, via deduction from commissions due to Maker.
2. Prepayment. This Note is prepayable, in whole or in part, at any time by Maker upon thirty (30) days’ written notice to Holder.
3. Late Charge and Default Rate. Maker recognizes that any default in the payment of any installment of principal due hereunder will result in losses and additional expenses to Holder in servicing the indebtedness evidenced hereby, handling such delinquent payments and meeting its financial obligations, and that the damages caused thereby would be extremely difficult and impractical to ascertain. Therefore, if any installment of principal due hereunder becomes overdue for a period more than ten (10) days, a late charge of one percent (1%) of the delinquent amount may be charged by Holder, at its option, to defray such losses and expenses. If applicable law requires a lesser charge, the maximum rate permitted by law may be charged. Any late charge that accrues during a month shall be payable on the next monthly payment date. Maker agrees that the payment of the late charge set forth in this Paragraph 3 is a reasonable estimate of the damage to Holder in the event of a late payment. The late fee provided in this Paragraph shall be payable in addition to all other remedies of Holder hereunder, at law or in equity.
4. Acceleration. If Maker fails to pay any installment within ten (10) days after the same is due, or if any other default occurs under this Note, or any other Franchise Agreement or addendum between the parties, the entire unpaid principal balance and other sums payable hereunder shall, at the option of Holder, become immediately due and payable without demand or notice.
5. Application of Payments; No Setoffs. All sums payable hereunder shall be payable without offset, demand, abatement or counterclaim of any kind or nature whatsoever, all of which are hereby waived by Maker. Principal shall be payable in lawful money of the United States of America.
6. Waiver. Maker and all other parties who may be directly or indirectly liable hereunder waive (a) presentment, protest and demand, diligence in collection and notice of protest, presentment,

demand, dishonor and nonpayment of this Note and (b) any release or discharge arising from any extension of time, discharge of any party liable for payment of this Note, release of any or all of the security for this Note, or other cause of release or discharge other than actual payment in full of this Note.

7. No Waiver. Holder shall not be deemed, by any act or omission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by Holder and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as a bar to or waiver of any right or remedy as to any subsequent event. No delay or omission of Holder to exercise any right, whether before or after a default hereunder, shall impair any such right or shall be construed to be a waiver of any right or default, and the acceptance at any time by Holder of any past-due amount shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable.

8. Severability. Any provision of this Note which may be prohibited by law or otherwise held invalid shall be ineffective only to the extent of such prohibition or invalidity and shall not invalidate or otherwise render ineffective the remaining provisions of this Note.

9. Choice of Law. This Note, and the rights and obligations hereunder of each of the parties hereto, shall be governed by and construed in accordance with the laws of the State of California, without reference to principles of conflicts of law.

10. Successors and Assigns. The terms, covenants and conditions contained herein shall be binding upon the heirs and successors of Maker and shall inure to the benefit of the successors and assigns of Holder.

11. Costs and Expenses. If any amount under this Note is not paid when due, Maker promises to pay immediately upon demand all costs and expenses of collection, including without limitation actual attorneys' fees, incurred by Holder to enforce the terms of this Note.

12. Venue and Jurisdiction. Maker agrees that any suit, action or proceeding arising out of or relating to this Note, or the interpretation, performance or breach of this Note, may be instituted in the United States District Court for the Central District of California or any court of the State of California located in Los Angeles County, and Maker irrevocably submits to the jurisdiction of those courts and waives any and all objections to jurisdiction or venue that it may have under the laws of the State of California or otherwise in those courts in any such suit, action or proceeding. The provisions of this paragraph shall not be deemed to preclude Holder from filing any suit, action or proceeding in any other appropriate forum.

13. Assignment. Holder may assign this Note and any security for this Note without notice to Maker or the consent of Maker. Maker shall have no right or power to assign or delegate any obligations under this Note.

14. Entire Agreement. This Note contains all of the terms and conditions agreed on by Maker and Holder with respect to the subject matter of this Note. This Note supersedes all prior negotiations, understandings, representations, and agreements between Maker and Holder on its subject. Nothing in this Note is intended to disclaim the representations made to Maker in the Franchise Disclosure Document. This Note cannot be modified or changed except by written instrument signed by Maker and Holder.

15. Miscellaneous. If this Note is executed by more than one person or entity as Maker, the obligations of each such person or entity shall be joint and several. Each right, power and remedy of Holder

provided in this Note, any other document securing this Note or at law, in equity or otherwise shall be cumulative and may be pursued singularly, successively or together at the sole discretion of Holder, and the failure to exercise any such right, power or remedy shall in no event be construed as a waiver or a release thereof.

Time is of the essence with respect to each and every provision hereof in which time is a factor.

**ADDENDUM TO THE ADVANCED FRESH CONCEPTS FRANCHISE CORP.
FRANCHISE DISCLOSURE DOCUMENT - REQUIRED BY THE STATE OF CALIFORNIA**

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the Franchise Disclosure Document 14 days prior to execution of any agreement.

Neither Advanced Fresh Concepts Franchise Corp, nor any person or franchise broker in item 2 of the Franchise Disclosure Document is subject to any currently effective order of any National Securities Association or National Securities Exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

The California Business and Professions Code Sections 20000 through 20043 provide rights to the Franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. sec. 101 et. seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Los Angeles, California, according to the rules of the American Arbitration Association, with attorneys' fees being borne by the losing party.

Section 31125 of the Franchise Investment Law requires us to give to you a Disclosure Document approved by the Commissioner of Department of Financial Protection and Innovation before we ask you to consider a material modification of your Franchise Agreement.

Our website 'www.afcsushi.com' has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the contents of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages are unenforceable.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1):

Any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a

franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

California enacted California Labor Code Sections 1474, 1475 and 1476, to provide for a state-wide increase in the minimum wage for fast food restaurant employees to \$20 per hour effective as of April 1, 2024, the creation of a Fast Food Council, and changes to employment standards in the fast-food restaurant industry. The new law applies to employees in national fast-food chains, which includes Zenshi Counters/AFC Food Service Counters/Wild Blue Counters.

The registration of this franchise does not constitute approval, recommendation, or endorsement by the commissioner of the California Department of Financial Protection and Innovation.

**ADDENDUM TO THE ADVANCED FRESH CONCEPTS FRANCHISE CORP.
FRANCHISE AGREEMENT – CALIFORNIA**

For the purposes of Cal. Bus. & Prof. Code Section 20022, Franchisor and Franchisee agree that:

1. The parties will use the declining-balance depreciation method to calculate the value of Franchisee's assets (inventory, supplies, equipment, fixtures, and furnishings) for the purposes of a purchase by Franchisor under Section 20022. The purchase price by Franchisor for these assets will not include the cost of removal and transportation of those assets, which will be Franchisee's responsibility.
2. For purposes of Section 20022, franchisee is not able to provide to Franchisor "clear title and possession" to Franchisee's assets if those assets are subject to liens or encumbrances including: (i) purchase money security interests; (ii) blanket security interests; (iii) rights of first refusal; (iv) liens by Franchisee's landlord; or (v) tax liens.
3. For the purposes of Section 20022(h), Franchisor's right of offset will include the following amounts owed by Franchisee to Franchisor or Franchisor's affiliates: (i) compensation to franchisor; (ii) marketing fund fees (if applicable); (iii) liquidated damages; (iv) transfer fees; and (v) any other type of fee or amounts owed by Franchisee to Franchisor or Franchisor's affiliates.

For the purposes of Cal. Bus. & Prof. Code Section 20035, Franchisor and Franchisee agree that:

1. **"Fair market value of the franchise assets"** means the value of Franchisee's assets, valued according to the declining-balance method of depreciation. The purchase price by franchisor for the assets will not include the cost of removal and transportation of those assets, which will be Franchisee's responsibility.
2. **"Fair market value of the franchised business"** means the **"fair market value of the franchise assets"** as defined above, plus goodwill. The parties agree that the value of goodwill is the amount of compensation to Franchisor paid by franchisee pursuant to the Franchise Agreement and any applicable addenda within the twelve (12) month period immediately before franchisor's termination or failure to renew if Franchisor is in violation of the California Franchise Relations Act.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1):

Any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

For the purposes of Cal. Code Regs. Tit. 10, § 310.114.1, Franchisor and Franchisee agree that:

- a. The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the Disclosure Document 14 days prior to execution of any agreement.

b. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

c. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. sec. 101 et. Seq.).

d. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

e. If the Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages are unenforceable.

f. The Franchise Agreement requires the parties to resolve all disputes through arbitration in Los Angeles, California, with the costs being borne by the losing party.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a Franchise:

- (a) A prohibition on the right of a Franchisee to join an association of Franchisees.
- (b) A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a Franchise agreement from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a Franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a Franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishing not reasonably required in the conduct of the Franchise business are not subject to compensation. This subsection applies only if: (i) the term of the Franchise is less than 5 years and (ii) the Franchisee is prohibited by the Franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the Franchise or the Franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the Franchise.
- (e) A provision that permits the franchisor to refuse to renew a Franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a Franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the Franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the Franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a Franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.
- (j) No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON
ADDENDUM TO DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT AND RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the Franchise Agreement and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the “Act”) will prevail.
2. **Franchisee Bill of Rights.** The State of Washington has a statute, the Act, which might supersede this Agreement in your relationship with us, including the areas of termination and renewal of your franchise. There might also be court decisions which supersede the Agreement in your relationship with us, including termination and renewal of your franchise. Franchise Agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a Franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the Franchise Agreement or related agreements purporting to bind you to waive compliance with any provisions under the Act or any rules or orders thereunder is void, except when executed pursuant to a negotiated settlement after the Agreement is in effect and where the parties are represented by independent counsel, in accordance with the Act. In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void, except as provided for in the Act.
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the Franchise Agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, such as a right to a jury trial, might not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable to the extent that they reflect our reasonable estimate or actual costs in effecting a transfer.
7. **Termination by Franchisee.** You may terminate the Franchise Agreement under any ground permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in Franchise Agreements or related agreements that permit the Franchisor to repurchase the Franchisee’s business for any reason during the term of the Franchise Agreement without the Franchisee’s consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the Franchise Agreements or related agreements that requires the Franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits Franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the Franchise Agreement or elsewhere requiring Franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the Franchise Agreement or related agreements stating that the Franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the Franchise Agreement or related agreements requiring the Franchisee to indemnify, reimburse, defend, or hold harmless the Franchisor or other parties is hereby modified such that the Franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the Franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the Franchise Agreement or related agreements require a Franchisee to reimburse the Franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the Franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a Franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a Franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a Franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same Franchisor or (ii) soliciting or hiring any employee of the Franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgement signed or agreed to by a Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any Franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the Franchise Agreement or related agreements that prohibits the Franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the Franchisor and is paid a fee for referring prospects to the Franchisor and/or selling the franchise. If a Franchisee is working with a franchise broker, Franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

18. **Advisory Regarding Franchise Brokers.** Under the Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the Franchisor and is paid a fee for referring prospects to the Franchisor and/or selling the franchise. If a Franchisee is working with a franchise broker, Franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. The following sentence is added to Item 1 of the Franchise Disclosure Document:

For Washington residents and for locations in the state of Washington, following your request, we will allow you to view an unredacted version of the underlying agreement with the venue where your Food Service Counter will be located. Following your request, we will provide you with a copy of the underlying agreement with the venue where your Food Service Counter is or will be located, subject to redaction of confidential provisions negotiated with the venue. Provisions subject to redaction include the percentage of rent payable to other facilities covered by the agreement, payment methods, payment terms, term of the agreement, and Exhibit A, which lists locations covered by the agreement not relevant to your proposed operations.

20. The following sentence is added to Item 1 of the Franchise Disclosure Document:

For locations outside Washington, we offer franchisees the opportunity to operate Food Service Counters under the trademarks "Southern Tsunami" and "Hybrid Sushi". We do not offer this opportunity to Washington residents or for locations in the state of Washington. Accordingly, you will not be able to use these marks at your locations.

21. The following sentence is added to Item 6, Note 4 of the Franchise Disclosure Document and Section 9.3 of the Franchise Agreement:

“For Washington residents and for locations in the state of Washington, we will never retain more than 11% of the amounts collected on account of your operations (plus any amounts you owe us) and you will never receive less than 62% of the amounts collected from your operations (adjusted for any amounts you owe us).”

22. For Washington residents and for locations in the state of Washington, the following sentence is deleted in Section 3.2 of the Franchise Agreement:

“Franchisee releases Franchisor and its affiliates, and each of their respective officers, directors, agents and employees from any loss of right or consent to operate at the location, and further agrees not to hold Franchisor liable for any such event during the term of this Agreement or thereafter”.

23. Section 16.13 of the Franchise Agreement is deleted in its entirety.

24. In Re Assurance of Discontinuance (“AOD”):

For many years AFC franchise agreements said a franchisee must not hire employees of AFC or of other AFC franchisees. Generally, this was Section 6.7 of the Franchise Agreement. Previously, this clause was never challenged.

The Attorney General of Washington State claimed our provision was a restraint of trade and demanded that AFC not enforce the provision. AFC denied the Attorney General’s claim. Because we and our franchisees are all one brand, we believed our steps were lawful and pro-competitive.

In June 2019, before we were contacted by Washington State, AFC preemptively removed the no-poach provision from our standard Franchise Agreement, and decided we will not enforce and will not require franchisees to comply with it. On November 15, 2019, without admitting liability and solely to avoid protracted and expensive litigation with the Washington Attorney General (AG), AFC entered into an agreement with Washington State. Under the agreement, AFC agreed: (1) not to include no-poach provisions in future franchise agreements for locations in the United States; (2) not to enforce no-poach provisions in our existing U.S. franchise agreements and not seek to intervene in any action brought by the Washington AG to defend the legality of the no-poach provision; (3) to notify all U.S. franchisees of AFC's agreement with the Washington AG and to provide them a copy of the AOD on request; (4) to notify the Washington AG if we learn of any effort by a Washington franchisee to enforce an existing no-poach agreement; (5) within 90 days of the entry of the AOD to endeavor to amend all existing franchise agreements in Washington to remove the no-poach provision and to provide the Washington AG the name and address of franchisees who decline our offer to amend the franchise agreement; (6) as they come up for renewal or renegotiation, to amend existing U.S. franchise agreements to remove the no-poach provision; and (7) within 30 days of the conclusion of the above time periods to notify the AG's office of our compliance.

The AOD we entered into was a voluntary settlement and was not an admission of law, fact, liability, misconduct or wrongdoing on AFC's part.

The undersigned does hereby acknowledge receipt of this addendum.
