What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Illinois. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Illinois than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us” or “our” means Hyatt Franchising, L.L.C., the franchisor. “You” means the entity acquiring a franchise. One or more of the owners of a Controlling Ownership Interest (defined in Item 15) in you who we specify must sign the Guaranty and Assumption of Obligations, which means that all provisions of the Franchise Agreement (Exhibit C) also will apply to those owners. We expect that only entities, and not individuals, will acquire our franchises.

Our Company History and Parent

We incorporated in Delaware as Hyatt Franchise Corporation and converted under Delaware law to Hyatt Franchising, L.L.C., a Delaware limited liability company. This change in form did not affect our existence as an operating business entity. Our principal business address is 150 North Riverside Plaza, Chicago, Illinois 60606. If we have an agent for service of process in your state, we disclose that agent in Exhibit D. We do business only under our company name and the Proprietary Marks (defined below). We have never operated a Brand Hotel (defined below), but some of our affiliates do. We have no predecessors and no business activities that are not described here. Our parent company is Hyatt Hotels Corporation, whose principal business address is the same as our address.

We have offered franchises for select service, lifestyle hotels under the Caption by Hyatt® brand since September 2019. We have offered franchises for full service, lifestyle hotels under the Hyatt Centric® brand since February 2015. We offered franchises for full service hotels under the Hyatt Regency® name from December 1994 until April 1997 and have again offered those franchises since September 2006. We offered franchises for full service hotels under the Hyatt® name (without a sub-brand) from December 1994 until April 1997 and again from September 2006 until January 2015. We previously offered franchises for full service hotels under the Thompson® name from December 2018 to August 2021. There currently are 9 full service hotels which operate under the Hyatt name (without a sub-brand), 7 of which are franchised. We also have offered franchises for unique, up-scale accommodations and hospitality affiliations operating in the United States under their own names but associated with The Unbound Collection by Hyatt® name since June 2016. We began offering franchises for “lifestyle” hotels operating in the United States under the brand names “Destination®” and “joie de vivre®” (also referred to as “JdV®”) in May 2019. We now refer to these brands as “Destination by Hyatt®” and “JdV by Hyatt®,” respectively. We have offered franchises for upper-midscale, extended stay hotels operating in the United States under the brand name “Hyatt Studios®” since May 2023, franchises for upper-midscale, transient hotels in the United States under the brand name “Hyatt Select™” since March 2025, franchises for upper-midscale to upscale “lifestyle” hotels in the United States under the brand name “Unscripted® by Hyatt” since May 2025, and franchises for upscale “lifestyle” hotels in the United States under the brand name “The StandardX™” since June 2025. We have never offered franchises in any other line of business.

Franchise Rights for Brand Hotels

We grant franchises for, and some of our affiliates operate, select service hotels that use the Hotel System (defined below) and are identified by the Proprietary Marks (“Brand Hotels”). Brand Hotels are select service, urban lifestyle hotels with attractively-designed, modern rooms incorporating state-of-the-art technology, design and entertainment components. They typically are in primary and secondary cities and offer free high-speed Internet access, a fitness center, and a food and beverage component or components covering 3 meals a day. We call the Brand Hotel that you will operate under the Franchise Agreement your “Hotel.” You will operate the Hotel only from the location we approve before signing the Franchise Agreement.

The “Hotel System” means the concept and system associated with the establishment and operation of Brand Hotels, as we periodically modify it. The Hotel System now includes: (a) the trade names, trademarks, and service marks “Caption by Hyatt®” and other trade names, trademarks, service marks, logos, slogans, trade dress, domain names, and other source and origin designations (including all derivatives) that we or our affiliate periodically develops and we periodically designate for use with the Hotel System (collectively, the “Proprietary Marks”); (b) all copyrightable materials that we or our affiliate periodically develops and we periodically designate for use with the Hotel System, including the contents of our secure extranet, electronic media, marketing materials (including advertising, marketing, promotional, and public relations materials and business and marketing plans), the Design and Construction Standards (defined below), sample architectural plans, drawings, designs, and layouts, such as site, floor, plumbing, lobby, electrical, and landscape plans and building designs, whether or not registered with the U.S. Copyright Office (collectively, the “Copyrighted Materials”); (c) all Confidential Information (defined in Item 14); (d) the standards that we periodically prescribe detailing certain design criteria to be incorporated into the design and layout of the Hotel, and our minimum standards for engineering and construction of newly constructed, renovated, or adapted Brand Hotels, all as we determine them (the “Design and Construction Standards”); (e) the central reservations system and related services for Brand Hotels, as we may periodically modify it (“CRS”); (f) the global distribution systems (“GDS”) and the online travel agencies and other alternative distribution systems (“ADS”) that we periodically authorize or require for the Hotel and other similarly situated Brand Hotels, subject to Reasonable Deviations (defined in Item 8); (g) management, personnel, and operational training programs, materials, and procedures; (h) standards, specifications, procedures, and rules for operations, marketing, construction, equipment, furnishings, and quality assurance that we implement and may periodically modify for Brand Hotels (collectively, “System Standards”) we describe in our confidential owner extranet, as we periodically amend them, or in other written or electronic communications; (i) marketing, advertising, and promotional programs; and (j) Mandatory Services and Non-Mandatory Services (each defined in Item 6).

Before signing the Franchise Agreement, and while you apply for franchise rights, you must submit a franchise application (Exhibit B) through our online application portal and pay the application fee. We will refund the application fee less a fee to cover our costs if you withdraw your franchise application before we approve it or if we do not approve it. During your evaluation process, and before receiving any Confidential Information, you must sign the Confidentiality Agreement (Exhibit F) (the “Confidentiality Agreement”). Because we may engage in negotiations with you and other franchisees, you may sign a Franchise Agreement with us that differs significantly from the agreements that other franchisees sign for Brand Hotels.

Competition and the Market

The hotel market is well-established and highly competitive. Brand Hotels compete with other national select- and full-service hotel systems and with regional and local hotels that offer comparable services and lodging products. Brand Hotels will target both corporate business travelers and leisure travelers. Some competitors of Brand Hotels may be larger, may operate more hotels and may have greater resources than we do. Other competitive factors include room rates, quality of accommodations, name recognition, service levels, geographic area, site location, general economic conditions and your management capabilities.

Our Affiliates Who Supply the Franchise Network or Offer Franchises

Industry-Specific Regulations

You must comply with a number of federal, state and local laws that apply generally to establishing and operating hotel businesses. The laws involve, among other things, zoning and construction, public accommodations, accessibility by persons with disabilities, health and safety, and labor. Many laws vary from jurisdiction to jurisdiction. You must learn about and comply with all applicable laws. Examples of these laws include:

Health & Sanitation. Most states have regulations or statutes governing the lodging business and related services, including food handling and preparation. Many state and local authorities require lodging businesses to obtain licenses to assure compliance with health and sanitation codes. Health-related laws may affect the use of linens, towels and glassware, among other things.

Alcoholic Beverages. Alcoholic beverage service in a Brand Hotel is subject to extensive regulations and licensing governing virtually all aspects of the beverage service.

Facility Operations. Lodging facilities must comply with innkeepers’ laws that, among other things, might (i) allow innkeepers under certain circumstances to impose liens against the possessions of guests who do not pay their bills; (ii) limit the liability of innkeepers regarding guests’ valuables; (iii) require posting of house rules and room rates in each room or near the registration area; (iv) require registration of guests and proof of identity at check-in, and retention of records for a specified period of time; (v) limit the rights of innkeepers to refuse lodging to certain guests; and (vi) limit innkeepers’ rights to evict guests under certain circumstances. Applicable federal and state civil rights laws prohibit discrimination in hotels on the basis of race, creed, color or national origin. Some states prohibit “overbooking” and require innkeepers to find other accommodations if the guest has paid a deposit. Some states and municipalities also have enacted laws and regulations governing non-smoking areas and guest rooms. In addition, the general business laws, rules and regulations which apply to hotels in your jurisdiction will affect you. This includes any government orders related to emergent conditions, such as natural disasters and public health emergencies.

Persons with Disabilities. The accessibility laws, which include the Americans with Disabilities Act (“ADA”) and all other laws, rules, regulations and ordinances governing

accommodations for or relationships with persons with disabilities or similar individuals, as periodically in effect, require (among other things) that public accommodations, including hotels, (i) offer facilities without discriminating against persons with disabilities; (ii) offer auxiliary aids and services to enable a person with a disability to use and enjoy the establishment's goods or services if doing so is not unduly burdensome or disruptive to business; and (iii) remove barriers to mobility or communication to the extent readily achievable. The U.S. Department of Justice has published "accessibility guidelines" ("ADAAG") that specify, among other things, a minimum number of handicapped-accessible rooms, assistance devices for hearing, speech, and visually impaired persons, and general design and construction standards that apply to all areas of facilities. Under the ADA, all new public accommodations and commercial facilities must be "readily accessible to and useable by individuals with disabilities," unless it would be structurally impractical to do so. Alterations of existing facilities also might need to comply with the ADA and ADAAG. In addition, many states and municipalities have their own laws and regulations addressing disability discrimination, access requirements, building modifications and alterations and building code requirements.

Fire Safety. The Hotel and Motel Safety Act of 1990 (the "Safety Act") encourages public accommodations to install hard wired single-station smoke detectors. Certain travel directories include only those facilities that comply with the Safety Act. Other state and local fire and life safety codes might require maps, lighting systems and other safety measures unique to lodging facilities.

OSHA Regulations. Like many other businesses, lodging facilities are subject to Occupational Safety and Health Administration ("OSHA") standards. State occupational safety laws and rules may also apply.

Telephone Charges. Federal, state and local laws and regulations affect the re-offering of local, intrastate, and long distance telephone service in hotel guest rooms and at coin box telephones. Some states regulate or prohibit surcharges on local and intrastate calls.

Hotel Room Occupancy Tax Laws. You may be required to pay local or state room occupancy taxes in your jurisdiction.

Menu and Labeling Laws. Federal, state and local laws and regulations govern menu labeling. These laws and regulations may, among other things, require you to post caloric information on menus and provide additional written nutrition information to consumers upon request.

In addition to these laws, you must also comply with laws that apply generally to all businesses. You should investigate these laws.

INITIAL FEES

Application Fee

You will pay us a lump-sum application fee when you submit the franchise application through our online application portal. If the Hotel is new to the Brand Hotel network, the lump-sum new development application fee is \$95,000 plus an additional \$500 for each guest room in the Hotel over 200 rooms. If you are purchasing an existing Brand Hotel, you or the transferor will pay us a lump-sum change of ownership application fee of \$150,000 when you submit the franchise application through our online application portal. If you withdraw your franchise application before we approve it, or if we do not approve your franchise application for any reason, then we will refund your application fee, less a \$7,500 fee to cover our costs for evaluating your application. After we approve your franchise application, the application fee is non-refundable, even if we and you do not sign a Franchise Agreement. If you and we agree to add any guest rooms to the Hotel before the Hotel opens, then you must pay us, when we approve the additional guest rooms, an additional non-refundable application fee of \$500 multiplied by the number of additional guest rooms over 200 total guest rooms at the Hotel.

PIP Preparation Fee

If you are converting an existing structure to a Brand Hotel or purchasing an existing Brand Hotel, you will pay us a non-refundable fee (the “PIP Preparation Fee”) for preparation of the Property Improvement Plan (the “PIP”), which we or our designated vendor will complete and which will detail the improvements necessary to renovate the structure to comply with the then current Brand Hotel design standards. You must pay the PIP Preparation Fee at the time you submit your franchise application and the application fee. The PIP Preparation Fee will vary depending on the size and location of the project and the scope of review, but we expect the PIP Preparation Fee to range from \$5,000 to \$10,000. If you are converting an existing structure to a Brand Hotel or purchasing an existing Brand Hotel, the PIP Preparation Fee will be in addition to the Design Review Fee (as defined below).

Operator Approval and Onboarding

If you or the management company that you select to operate the Hotel is not already an approved operator of Brand Hotels, you or the management company must complete our operator approval and onboarding program. Currently, the entry fee for this program is \$15,000 for 2 participants, plus re-entry fees up to \$15,000 if you fail to successfully complete any stage of the program. Any additional participants beyond 2 will be charged a fee of \$2,500 per participant. We may periodically increase the fees for this program.

Pre-Opening Training Fees and Expenses

In connection with the Hotel opening, we will provide owner/operator orientation and training to the Hotel management and staff on elements of the Hotel System, including training for the Hotel’s general manager at our General Manager University and training for the managing owner and senior operations officer at the owner/operator orientation program. We may conduct

training via remote learning, or in person (in one or more visits to the Hotel), or both, as we determine in our sole discretion. These fees and expenses will vary depending on how many people attend each particular training program, how much training they need, and where we conduct training. We currently estimate that the fees you pay to us and our affiliates for orientation and various initial training programs will range from \$15,750 to \$34,500. You must pay these amounts upon receiving our invoice and before the pre-opening team arrives at the Hotel. You must also reimburse us and our affiliates for our and their personnel's travel and living expenses associated with any training programs that we provide on site at the Hotel. We currently estimate that reimbursement of our and our affiliates' expenses associated with these training programs, not including the tuition fees described above, will range from \$3,650 to \$7,513.

Commercial Services Activation

At your option, we will perform certain pre-opening commercial readiness activities for your Hotel, including support related to pre-opening sales, marketing, revenue strategy, market entry planning, or other activities intended to support the Hotel's commercial readiness and ramp-up following opening. Currently, the fee for these services ranges from \$0 to \$17,000, payable when we commence these services, which will vary based on the targeted opening date for your Hotel. If you elect not to participate, you will be responsible for completing the required activities according to our standards and specified timelines. If you or your management company fail to meet critical deadlines or to complete the required steps to prepare for the commercial readiness of the Hotel as and when necessary, we may require your participation in these services, subject to a pro-rated portion of the fees described above (which will be calculated based on the proportion of these services in which you participate compared to the total scope of these services). We may periodically increase the fees for these services.

Comfort Letter Fee

You must obtain a comfort letter or similar agreement, the current form of which is attached as Exhibit J, that we reasonably specify from each lender, each ground lessor (if applicable), the owner of fee simple title to the Hotel's real property or building and improvements (if you are not that owner), and each other entity with an interest (or any power or right, conditional or otherwise, to acquire an interest) in the Hotel's real property or building and improvements (each a "Comfort Letter Party"). Under this comfort letter or similar agreement, the Comfort Letter Party agrees (among other things) to assume your obligations under the Franchise Agreement (subject to our rights under the Franchise Agreement) if the Comfort Letter Party or any of its affiliates acquires title or otherwise assumes possession, or the right to sell or direct the disposition of, the Hotel's real property or building and improvements. You must pay our then applicable, non-refundable comfort letter fee, which currently is \$2,500, for each comfort letter that we negotiate relating to the Hotel.

IT Project Management Services and Implementation and Training for Hyatt Proprietary Systems

We will provide the IT project management services, which are described in Exhibit E of the Franchise Agreement, relating to the opening of the Hotel (the "IT Project Management Services"). Our performance is dependent on your timely, accurate and effective performance of all responsibilities listed in Exhibit E to the Franchise Agreement. These services include blueprint review and IT project management and planning and installation, configuration and training

services for Hyatt proprietary systems. You must reimburse us or our affiliate for our or its reasonable expenses in rendering the IT Project Management Services, including any necessary transportation, lodging and meals (which we anticipate will range from \$6,695 to \$11,330), plus applicable taxes. We will invoice you for our or our affiliate's expenses on or after the date we complete an IT Project Management Service or upon your termination of the Hotel development project or the IT Project Management Services, for any reason, in either event regardless of whether we have approved the Hotel for opening.

Additional Pre-Opening Advisory Services

You may request, or we may determine that you need, additional guidance, services or assistance during the pre-opening period concerning the development, construction, or inspection and approval process that is beyond what we typically provide to similarly situated Brand Hotels. We may determine you need additional pre-opening services under certain circumstances, including if the Hotel is a conversion of an existing structure to a Brand Hotel (rather than a newly-constructed facility), if one of our affiliates previously managed the Hotel, or if you (or your owners or operators) lack prior experience or familiarity with the System. If we agree to provide this additional guidance and advice (for example, making more than a reasonable number of visits to the Hotel during the development and construction period), then you must pay our then current fees for our services. The costs of these fees will vary depending on the additional guidance or service you request or we determine you need, but we estimate that you may pay between \$0 and \$200,000 for additional services or guidance before the Hotel opens.

Extension Fee

If you are constructing a new Hotel, you must start and complete construction and open the Hotel, according to the timetables in the Franchise Agreement. If you are converting an existing hotel to a Brand Hotel, you must start renovation and open the Hotel under the Hotel System according to the timetables in the Franchise Agreement. We may terminate the Franchise Agreement if you fail to meet the required timetable. You may request one or more extensions of time by giving us, at least 3 months before the opening deadline, a written extension request and a \$10,000 "Extension Fee." We will inform you of the length of the extension if and when we grant it. We will refund the Extension Fee only if we deny the extension. We may waive this fee under some circumstances.

Design Review

Our "Design Services" team will review the plans for your Hotel if you are constructing a new Brand Hotel, adapting a non-hotel space for use as a Brand Hotel, or conducting a significant renovation of an existing hotel for conversion of a Brand Hotel, and if you intend to deviate from our prototype plans or designs. In addition, we will arrange for a fire and life safety consultant to review the design and layout of any proposed Brand Hotel to confirm compliance with our life and safety standards. You must pay us a design review fee (the "Design Review Fee") for our review of the plans for your Hotel and to reimburse us for the cost of the fire and life safety consultant. The amount of the Design Review Fee will vary depending on the size and location of the project and scope of our and the consultant's review, but we expect the Design Review Fee to range from \$5,000 to \$45,000.

Pre-Opening Purchasing Services

At your option, you may ask Rosemont, our affiliate, to assist you with pre-opening purchasing services for any model rooms, FF&E, OS&E and IT for a new Brand Hotel. Rosemont's fees for this optional assistance would range from \$70,000 to \$300,000, depending on how much and what kind of assistance you ask Rosemont to provide.

Revenue Management Services

You may elect (or in some circumstances, depending on your or your management company's experience, you may be required) to begin receiving certain revenue management services before the opening of your Hotel under the Revenue Management Services Program Schedule (the "Revenue Management Services Program Schedule") to the Central Hotel Services by Hyatt Terms and Conditions attached as Exhibit I (the "Central Services Terms"). Under the Revenue Management Services Program Schedule, we will provide specialized central revenue management services on a daily, weekly, monthly, and annual basis to assist you in a variety of essential hotel functions, including resource planning, inventory controls, market segmentation, and industry and competitor analyses for the Hotel. The current, non-refundable monthly subscription fee due under the Revenue Management Services Program Schedule before the opening of the Hotel for the "Essential" Tier Level is \$2,100 per month beginning up to 90 days before the opening of a new construction hotel as a Brand Hotel or up to 30 days before the opening of an existing hotel converting to a Brand Hotel and is \$3,675 per month for the "Premium" Tier Level beginning up to 120 days before the opening of either a new construction or conversion Brand Hotel. The total amount you may pay us for pre-opening revenue management services ranges from \$0 to \$14,700. We may periodically increase these fees.

Refundability and Range of Initial Fees

Except as we describe above concerning the application fee and Extension Fee, none of these payments are refundable under any circumstances. In addition, other than the application fee, Extension Fee and Comfort Letter Fee, all of the ranges of initial fees described in this Item 5 reflect the current fees for services rendered and depending on when the Hotel is developed or remodeled, may be higher in subsequent years. During our 2025 fiscal year, franchisees signing our franchise agreement paid, or made commitments to pay, total initial fees to us and/or our affiliates ranging from \$89,027 to \$179,718.

Item 6

OTHER FEES

We group the ongoing fees that you will pay to us and other companies in the Hyatt Group when operating the Hotel into 3 categories. The first category includes the fees that the Franchise Agreement specifies. Except as described below, these fees are typically imposed and collected by and payable to us. The second category includes the fees for those System Services that we typically classify as Mandatory Services for Brand Hotels. The third category includes the fees for those System Services that we typically classify as Non-Mandatory Services for Brand Hotels. Depending on the particular circumstances of the Hotel, including its size, location and market positioning, we may reclassify some of the Mandatory Services listed below as Non-Mandatory

Services and/or may reclassify some of the Non-Mandatory Services listed below as Mandatory Services for the Hotel. The fees in the second and third group are typically imposed and collected by and payable to Hyatt Corporation. At times we may collect amounts on behalf of our affiliates for services that they provide to franchisees. This Item does not cover the ongoing fees or payments relating to the Hotel’s operation that you pay directly to third parties.

Except for the transfer fee, all fees are non-refundable. In some cases we might negotiate some of the fees that some franchisees will pay, such as franchisees agreeing to develop multiple Brand Hotels or acquiring existing Brand Hotels. Otherwise, except as described below, all fees are uniform or are calculated on a uniform basis. There currently are no franchisee advertising cooperatives in the Brand Hotel network.

System Services, System Services Costs, and System Services Charges

If you are in full compliance with your obligations under the Franchise Agreement, one or more members of the Hyatt Group will provide you those System Services we periodically specify. You must participate in all Mandatory Services and related programs, and may (at your option) participate in any or all Non-Mandatory Services and related programs, in the manner that we periodically specify. “System Services” means those services that the Hyatt Group generally and periodically makes available on a central, regional, or other shared or group basis (whether in whole or in part) to those Brand Hotels and other Hyatt Network Hotels that the Hyatt Group reasonably determines will be provided those services. We categorize System Services as either Mandatory Services or Non-Mandatory Services. “Mandatory Services” means those mandatory System Services that one or more members of the Hyatt Group provides to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels, and that the Hyatt Group reasonably determines must be acquired only from the Hyatt Group. “Non-Mandatory Services” means those non-mandatory System Services that one or more members of the Hyatt Group provides to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels that the Hyatt Group reasonably determines will be offered to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels on an optional basis.

We may periodically add to, delete from, and otherwise modify System Services, the scope of and manner of providing System Services, upon written notice to you. “System Services Costs” means, for the System Services in which the Hotel participates (or is required to participate), all costs that the Hyatt Group actually incurs or properly accrues during the period of determination in providing those System Services, including out-of-pocket expenses, costs for employees, occupancy costs, capital costs, administrative expenses, carrying costs and other costs. Any allocation of shared costs that the Hyatt Group makes in good faith and with the intention of fairly allocating those costs to System Services is binding on us and you. The Hyatt Group may vary these allocations depending on, among other things, the specific brand, size or market positioning of the Hotel. System Services Costs include the actual costs that the Hyatt Group incurs and are

not subject to any mark-up, premium or profit on any Mandatory Services, but may include a profit or mark-up component on Non-Mandatory Services.

“System Services Charges” means the amounts that the Hyatt Group charges the Hotel, and you will pay, for the Hotel’s equitably allocable share of the System Services Costs attributable to the System Services in which the Hotel participates (or is obligated to participate), as the Hyatt Group periodically determines them. The Hyatt Group determines System Services Charges on the same basis as it determines those amounts for other Brand Hotels and Hyatt Network Hotels that we periodically and reasonably determine are similarly situated with the Hotel (subject to Reasonable Deviations (as defined in Item 8) and that participate in those System Services in the same manner (collectively, “Participating Hotels”). The Hyatt Group may in its reasonable discretion periodically change its method of allocation of the System Services Costs among Participating Hotels, and the categories of Brand Hotels and/or other Hyatt Network Hotels that are classified as Participating Hotels, but will at all times determine the method of allocation and categories of Participating Hotels on a reasonable, equitable and non-discriminatory basis.

Current System Services Charges for Mandatory Services

The following reflects the current System Services Charges for the current Mandatory Services. These amounts are estimates, and may change over time and/or as our and the Hyatt Group’s costs of providing Mandatory Services changes.

In addition to any sales, use and other taxes that applicable law requires or permits us to collect from you for providing goods or services under the Franchise Agreement, you must pay us all federal, state, local or foreign (a) sales, use, excise, privilege, occupation or any other transactional taxes, and (b) other taxes or similar exactions, no matter how designated, that are imposed on us or that we are required to withhold relating to the receipt or accrual of amounts you pay us under the Franchise Agreement, excluding only taxes imposed on us for the privilege of conducting business and calculated based on our net income, capital, net worth, gross receipts, or some other basis or combination of those factors, but not excluding any gross receipts taxes imposed on us or our affiliates for your payments intended to reimburse us or our affiliates for expenditures incurred for your benefit and on your behalf. You must make these additional required payments in an amount necessary to provide us with after-tax receipts (taking into account any additional required payments) equal to the same amounts that we would have received if the additional tax liability or withholding had not been imposed or required.

Explanatory Notes to All Charts

1. Gross Rooms Revenue. “Gross Rooms Revenue” means “Total Rooms Revenue” or its equivalent, as determined in accordance with the Uniform System of Accounts for the Lodging Industry, Eleventh Edition, as published by the Educational Institute of the American Hotel and Motel Association, 2014, or a later edition that we approve, plus any revenue from resort fees, destination fees, or similar mandatory charges. If you receive any proceeds from any business interruption insurance applicable to the rental of rooms at the Hotel, then there will be added to Gross Rooms Revenue an amount equal to the imputed gross revenues that the insurer used to calculate those proceeds. Inclusion of resort fees, destination fees, or similar fees in “Gross Rooms Revenue” does not constitute our approval of or authorization to charge those fees.

2. Royalty Fee. Your Royalty Fee will be 5% of Gross Rooms Revenue accrued during the previous month. If you are constructing a new Hotel, we may agree to reduce your Royalty Fee for the first 1-3 years of the Hotel's operations.

3. Electronic Payments. You must make all payments for Royalty Fees, System Services Charges and other amounts due to us or any member of the Hyatt Group under the Franchise Agreement or relating to the Hotel by electronic funds transfer ("EFT"), which may require you to utilize an Automated Clearing House network we designate, in compliance with System Standards. We periodically may change the procedure for payments. You must make funds available in your account to cover payments when due. You may not change your bank, financial institution, or account used in the operation of the Hotel without first telling us.

4. World of Hyatt Program. Brand Hotels must participate in, and pay all charges related to, the Hyatt Group's frequent guest loyalty program (the "Loyalty Program"), called the "World of Hyatt" program. The Hyatt Group assesses each Participating Hotel and certain other hotels an amount in the Hyatt Group's discretion to operate the Loyalty Program, which amount may change periodically. The assessment for each participating Brand Hotel (including the Hotel) is currently 4% of all eligible revenue generated at that hotel from members of the program (excluding applicable taxes) who provide their World of Hyatt member number when booking or 2% of that eligible revenue when a guest is enrolled on-property in World of Hyatt for that enrolling stay.

Under separate contractual arrangements, the following companies will participate in alliances with the World of Hyatt program in 2026: (i) the master licensee for Hyatt Residence Club and Hyatt Vacation Club, our shared ownership brands; (ii) HyCard, Inc., our affiliate (in relation with JPMorgan Chase Bank, the issuing company of the World of Hyatt credit cards); (iii) American Airlines; and (iv) Headspace, Inc. The Hyatt Group may allocate assessments for these programs at different rates than those applied to Brand Hotels, given the difference in the products and services being offered to Loyalty Program members. Owners of Participating Hotels bear no cost from including these programs in the Loyalty Program. The Hyatt Group also may agree to other similar joint marketing or co-branding arrangements in the future.

Currently, the Hyatt Group deposits all funds that it collects for the Loyalty Program (including sales of points and other related fees) into segregated accounts and invests a portion of the funds in various investment securities (primarily fixed income) that independent investment managers manage. These funds are designated to fund the Loyalty Program obligations, including all marketing and administrative costs, and current and future award redemptions. The Hyatt Group may periodically change the method of funding the Loyalty Program, the assessment methodology and other program attributes. An independent accounting firm audits the Loyalty Program on an annual basis and we will make copies of the audit reports available upon request. We may periodically change the assessment methodology and other program attributes in the future.

The Hyatt Group also has contractual arrangements with participating airlines under which Participating Hotel guests may choose to receive airline miles, in lieu of Loyalty Program points, as a result of their stay. The Participating Hotel must pay the actual cost of those miles that the

airline charges to the Hyatt Group. Guests choosing airline miles for a stay at a Participating Hotel are not entitled to Loyalty Program points for that stay.

5. Quality Assurance, Franchisee Compliance, and Guest Satisfaction. The Hotel must participate in quality assurance, compliance and guest satisfaction programs that we periodically develop and modify (collectively, the “Quality Assurance and Compliance Program”). You must pay your allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program. Our representatives may inspect or audit the Hotel at any time, with or without notice to you, to determine whether you and the Hotel are complying with the Hotel System, System Standards, and the terms of the Franchise Agreement, and you will give them free lodging (subject to availability) during the inspection period. If we determine that the Hotel is not complying with the Hotel System, System Standards, or any other Franchise Agreement provisions, then you will pay or bear the cost of the Hotel’s allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program to correct the non-compliance. This includes (a) reimbursing our costs related to your non-compliance, such as travel and living expenses, guest satisfaction payments or expenses, and other costs for administering any necessary actions, follow-up inspections, audits or re-evaluation visits until you have fully corrected the non-compliance, (b) paying for meetings and additional brand standards training programs that we specify and require your personnel to attend relating to your non-compliance, and (c) paying program fees which we and/or our affiliates may use to promote guest satisfaction initiatives for Hyatt Network Hotels. These amounts will vary depending on the extent of your non-compliance and may increase if our costs increase. Currently, we impose the following fees for each 6-month FIP stage if the Hotel is placed in or remains in FIP protocols as a result of Hotel condition or guest satisfaction scores below requirements: (i) Stage 1 – \$5,000 administrative fee; (ii) Stage 2 – \$15,000 administrative fee; and (iii) Stage 3 – \$20,000 administrative fee. Currently, we impose fees of up to \$15,000 annually if the Hotel fails to satisfy BCP requirements, including failure to complete required trainings or maintain rate parity. In addition, if the Hotel does not achieve passing scores necessary to exit the FIP protocols by the end of Stage 3 or fails to remedy any non-compliance with the BCP after 18 months, the Hotel is placed in our BPP program, which requires the Hotel to pay an administrative fee of \$45,000 per year. We may, as we deem appropriate, reduce FIP fees based on improved performance and/or your accelerated compliance with hotel renovation requirements. Under the FIP, BCP and BPP policies currently in place, Brand Hotels are eligible for up to a 100% reduction of the applicable FIP, BCP or BPP fee, based on improvement in performance. We may introduce alternative or additional compliance programs in the future.

6. Liquidated Damages. The amount of liquidated damages you must pay us if the Franchise Agreement terminates varies depending on when the Franchise Agreement terminates. Upon termination of the Franchise Agreement before the term expires for any reason (subject to Article X of the Franchise Agreement), you must pay us, within 15 days after the date of that termination, liquidated damages in a lump sum equal to (a) the lesser of 36 or the number of months then remaining in the Franchise Agreement term had it not been terminated, multiplied by (b) the sum of (i) the Average Monthly Revenue times 5% for lost future Royalty Fees, plus (ii) the Average Monthly Revenue times 3.5% for lost future System Services Charges. “Average Monthly Revenue” means: (i) if, as of the effective date of termination, at least 36 months have elapsed since the Hotel’s opening date, the average monthly Gross Rooms Revenue of the Hotel during the 12 full calendar months preceding the month of termination; or (ii) if, as of the effective

date of termination, the Hotel's opening date has not yet occurred, the average monthly Gross Rooms Revenue per available guest room for all Brand Hotels in the United States (including those that we and our affiliates own, manage, and franchise) during the 12 full calendar months preceding the month of termination, multiplied by the number of guest rooms approved for the Hotel; or (iii) if, as of the effective date of termination, the Hotel's opening date has occurred but less than 36 months have elapsed since the Hotel's opening date, either (a) the amount determined under part (ii) above or (b) the average monthly Gross Rooms Revenue of the Hotel during the period from the Hotel's opening date until the effective date of termination, whichever of (a) or (b) is greater.

However, if "Average Monthly Revenues" as determined under any part of (i) through (iii) above was materially and negatively impacted during the preceding 12 full calendar month period by a disruption in Hotel operations resulting from force majeure, casualty, suspension of operations (whether or not we consented to it), renovation of the Hotel, or any other similar circumstances, then we will determine "Average Monthly Revenue" by referencing the most recent 12 full calendar month period before termination, during which the Hotel performance was not impacted.

If we or you terminate the Franchise Agreement because of a Consequential Termination, then the liquidated damages are 150% of the amount calculated above. A "Consequential Termination" occurs if (1) the Franchise Agreement's termination involves a transfer of the Hotel or its assets, or a direct or indirect Controlling Ownership Interest in you, to a Competitor (defined below); or (2) there are 3 or more franchise agreements for Hyatt-Related Select Service Brand (defined below) hotels with you or your affiliates (including the Franchise Agreement) that we (or our affiliate) terminate because of your (or your affiliate's) default or you (or your affiliates) terminate in breach of the applicable agreement. A "Hyatt-Related Select Service Brand" means any brand under which or in affiliation with which a select service Hyatt Network Hotel operates. A "Competitor" is any entity that owns, franchises and/or manages, or is an affiliate of any entity that owns, franchises and/or manages, a select service hotel brand, trade name or service mark for a system of at least 4 hotels with an average daily room rate for all or substantially all of the hotels in the U.S. during the then most recent full calendar year that is at least 60% of the average daily room rate for Brand Hotels operating in the U.S.

If a governmental agency or other authority condemns or takes by eminent domain or expropriation all or a substantial portion of the Hotel, and we and you do not agree to terms for relocating the Hotel, then either we or you may terminate the Franchise Agreement. If you and your owners sign our then current form of termination agreement and a general release, in a form satisfactory to us (together, a "Termination Agreement"), then you need not pay us liquidated damages when the Franchise Agreement terminates. The Termination Agreement will provide that if you or your affiliate begins construction on or operation of a new select service hotel at any location within the Area of Protection during the 24-month period following the termination, other than a Hyatt Network Hotel or a hotel that was already under contract to be developed at that particular location within the Area of Protection on the date that the Termination Agreement is signed, then you must pay us liquidated damages of \$5,000 multiplied by the number of guest rooms at that new select service hotel. If you and your owners do not sign a Termination Agreement, then you must pay us liquidated damages when the Franchise Agreement terminates.

If the Hotel is damaged by fire, flood, accident, hurricane or other casualty, you must notify us immediately. If the cost to repair the damage is less than or equal to the greater of (a) 60% of the market value of the Hotel immediately prior to the casualty, or (b) the amount of insurance proceeds made available to you in connection with the casualty (“Damage Threshold”), then you must repair the damage promptly according to the System Standards and the Franchise Agreement’s other terms and conditions. If the damage or repair requires you to close all or any portion of the Hotel, then you must commence reconstruction as soon as practicable (but in any event within 4 months) after closing the Hotel and reopen for continuous business operations as a Brand Hotel as soon as practicable (but in any event within 24 months) after closing the Hotel, but not without complying with the Franchise Agreement’s other terms and conditions. The Franchise Agreement’s term will be extended for the period of time during which the Hotel is closed, and you need not make any payments of Royalty Fees or System Services Charges while the Hotel is closed unless you receive insurance proceeds compensating you for lost Gross Rooms Revenue during such period, in which case you must pay Royalty Fees and System Services Charges on the amount of proceeds received allocable to such loss.

If the cost to repair the damage from the casualty exceeds the Damage Threshold, you may either: (a) repair the damage promptly according to the System Standards and the Franchise Agreement’s other terms and conditions; or (b) elect to terminate the Franchise Agreement if you and your owners sign a Termination Agreement and pay a termination fee equal to the lesser of (i) the liquidated damages and (ii) the insurance proceeds you receive as a result of the casualty minus amounts required to be paid to your lenders minus unreturned capital investment of your owners (the “Net Recovery”).

You must provide us any documentation that we may reasonably request to calculate the Damage Threshold, the insurance proceeds you receive for any casualty, and the Net Recovery amount (if applicable). Any Termination Agreement that you and we sign will provide that if you, any of your affiliates, or any other entity (including any buyer of the Hotel) begins construction on or operation of a select service hotel at the Hotel’s site other than a Brand Hotel or another Hyatt Network Hotel at any time during the 24-month period following the effective date of termination of the Franchise Agreement, then you or your owners must pay us liquidated damages equal to the difference between (i) the amount of liquidated damages that you would have otherwise owed us under the Franchise Agreement at the time of termination, minus (ii) the amount of liquidated damages you actually paid us at the time of termination.

7. Commercial Services Fee. The “Commercial Services Fee” currently covers the costs for the following commercial services that the Hyatt Group makes available to the Hotel and other Participating Hotels (the “Commercial Services”):

- (a) brand-wide marketing, advertising, public relations, and guest satisfaction program management and research for the Hotel;
- (b) base Global Property and Guest Services which provide, among other things, centralized reservation services (including the services and charges for the base reservation fee, which applies regardless of channel, and certain additional reservation fees based on channels) and care professionals supporting the business by enhancing the guest experience;

- (c) revenue management technology, including the Hyatt Group’s proprietary revenue management software, and advisory and support services, such as pricing strategy across channels and on-going training, support, and tools for pricing and inventory applications;
- (d) group sales support for large accounts, including lead generation from the Hyatt Group’s global and regional sales offices, account management, and account development, and transient and luxury sales promotion services (including Consortia);
- (e) sales and catering system services, including account management, booking pipeline management, and analysis through our designated sales software systems, which are required in order to receive leads from the Hyatt Group’s sales sources;
- (f) property management system services, including web-in/web-out and hosting, and interface file, maintenance, and support;
- (g) the Hyatt Group’s digital product technology and infrastructure including Hyatt.com and the mobile app; and
- (h) other technology services, including e-learning, e-mail, HyattConnect, SharePoint, identify access management, ServiceNow, in-room technology and network access.

The Hyatt Group may periodically change the benefits and services currently included as Commercial Services and the charges and fees for those benefits and services. The Hyatt Group may adopt other methodologies for fees and charges related to chain-wide programs to Participating Hotels, including segregation by brand, geographic location, or other criteria that the Hyatt Group deems appropriate in its discretion. The Hyatt Group may periodically allocate the Commercial Services Fee as a fixed charge, percentage charge, direct billback, or any other combination of multiple allocation methodologies. The Hyatt Group may spend in any year more or less than the total Commercial Services Fee contributions in that year, but will use all Commercial Services Fees collected for Commercial Services.

8. Digital Acquisition Fee. We currently charge the Hotel and other Participating Hotels the “Digital Acquisition Fee” to help drive bookings through the Hyatt Group’s online direct booking channels (the “Digital Channels”). The Digital Channels currently are the Hotel System Website and any Hyatt-branded website or mobile app (such as the World of Hyatt app). You must pay the Digital Acquisition Fee on the subset of Gross Rooms Revenue resulting from reservations that are generated through the Digital Channels, whether directly or via a link from another platform, such as a search engine advertisement, social media page, or any Franchisee Organization Website. We may, in our sole judgment and subject to change, exclude certain types of bookings that originate through Digital Channels for purposes of calculating the Digital Acquisition Fee and certain portions of Gross Rooms Revenue that is generated through the Digital Channels, such as the Upsell Revenue (defined below). Digital Channels do not include reservations placed through external sources, such as online travel agencies (e.g., priceline.com and expedia.com) or through Hyatt-managed channels that are not digital in nature, such as reservations placed via telephone calls to our global contact center.

9. GDS and Other Reservations Services. In addition to the global contact centers, the costs of which the Hyatt Group allocates to each Participating Hotel as part of the Commercial

Services Fee, GDSs accept reservations for Participating Hotels and confirm the reservations with the Hyatt Group through the central reservations center. The Hyatt Group incurs a reservations fee for each reservation that these supplemental reservations systems accept, which currently averages approximately \$8.50 per reservation, and the Hyatt Group passes on the charge to the hotel receiving the reservation at cost without imposing a markup or receiving a profit.

The Commercial Services Fee and these other reservation services fees include some of the current charges from providers of products or services for the Hotel, including the then current CRS operator (if applicable), the then current GDS and ADS operators (if applicable) and other suppliers to the Hotel, which may include us and/or our affiliates (collectively, “Providers”), that we currently collect from franchisees and pay (on their behalf) to the Providers. If any Provider assesses a single or group fee or other charge that covers all or a group of Brand Hotels or other Hyatt Network Hotels to which that Provider provides products or services, then our calculation of that fee or other charge among the Hotel and other Participating Hotels is final. The Providers may periodically increase the fees and other charges they impose. At our option, you must begin paying these fees and other charges directly to the applicable Provider(s).

10. Mandatory Contracts. The Hyatt Group periodically enters into relationships with vendors or providers of services that may require mandatory participation by all or certain subsets of Participating Hotels, such as certain contracts provided through Avendra, LLC, credit card acceptance agreements, music license agreements and certain telecommunications agreements. While the Hyatt Group does not receive any fees, rebates or commissions under these mandatory contracts, certain of the mandatory contracts may provide for promotional or other allowances that the Hyatt Group then allocates among Participating Hotels, as the Hyatt Group determines or the applicable vendor or supplier requires, or that the Hyatt Group uses for activities benefiting all or substantially all Participating Hotels.

11. Other Corporate Services. The Hyatt Group provides a number of other corporate services and programs for the benefit of Participating Hotels for which those hotels reimburse the Hyatt Group on a cost recovery basis, including taxes, if applicable. These services and programs include group sales promotional programs and events that 2 or more Participating Hotels sponsor, property evaluations, profit improvement services, quality assurance materials, security services, certain training programs and other various services. As part of these other corporate services, the Hyatt Group currently provides “upsell” services for Brand Hotels and other Participating Hotels, offering room upgrades to guests having reservations at the Hotel before they arrive. If the guest purchases the room upgrade, you must pay the Hyatt Group a commission on the additional revenue. That commission currently is 5% of the difference between the Gross Rooms Revenue at the upgraded rate and the Gross Rooms Revenue at the rate the guest originally booked, excluding taxes (the “Upsell Revenue”). The Upsell Revenue currently does not include any additional revenue resulting from the upgrade, such as early arrival fees and additional revenue derived from upgrades to the F&B Operations.

12. Central Hotel Services by Hyatt Program. The Hyatt Group currently offers to Participating Hotels centralized resources to guide, support, and augment local and on-property services that leverage the expertise of our designated specialty teams for a fee (which may contain a profit component, not to exceed a competitive amount), pursuant to the Central Services Terms and the various schedules attached to such terms and conditions for the following services: field

marketing, revenue management services, and central sales services. Inclusions and deliverables for each program vary by service level. Central hotel services are generally Non-Mandatory Services but in certain circumstances may be designated as Mandatory Services as a condition of our approval of the Hotel’s management company, as consideration for other items negotiated as part of the Franchise Agreement, or as part of the requirements of our Quality Assurance and Compliance Program.

Explanatory Notes

1. Application fee. The application fee listed above is for a Brand Hotel with 128 guest rooms. In Item 5, we describe the application fee and the conditions for its refund.

2. Telecommunications systems and certain Technology System equipment. We include in this estimate the projected costs of acquisition and the annual support and service contracts for the first year that the Hyatt Group provides as part of Mandatory Services. The remaining Technology System equipment and installation costs are included in the "Construction, improvements, remodeling, decorating costs and other sitework" line item.

3. Furniture, fixtures, other fixed assets, and equipment. Costs for fixtures, equipment, furnishings, furniture, room equipment and appliances and other items (collectively, "FF&E") depend mostly on the Hotel's size and configuration. This item covers costs for all FF&E for the Hotel except the costs for telecommunications systems, security system and Technology System equipment and related fees that we describe separately in Note 2 above and the OS&E that we describe in Note 4 below.

4. Operating Supplies and Equipment. Costs for initial operating supplies and equipment, including initial food and beverage inventory, bed linens, personal care amenities, cleaning supplies, and other consumables and similar items we periodically specify for the Hotel (collectively, "OS&E") depend mostly on the Hotel's size and location. This item does not include the FF&E for the Hotel that we describe in Note 3 above or the costs for telecommunications

systems, security system, and Technology System equipment and related fees that we describe in Note 2 above.

5. General and administrative. This item includes costs for permit fees, security deposits, utility deposits and startup requirements, impact fees (one-time charges that the government levies to offset service costs relating to the new development), tap fees (charges for connecting to existing water or sewer lines), and various business licenses. Landlords sometimes pay some of the tap or impact fees, and the amount depends on municipal requirements and the final Hotel configuration. This item also includes costs for insurance, legal and accounting expenses.

6. Revenue management fees and field marketing program fees. These items include revenue management program fees and field marketing program fees, respectively, during the pre-opening period for revenue management and the first 3 months of operation for both. We describe these fees in Item 5.

7. Pre-opening marketing and sales expenses. This item includes costs for marketing and sales programs that you undertake before the Hotel opens, including payments of the applicable System Services Charges during the pre-opening period. It does not include pre-opening revenue management program fees that you pay to us if you participate in that program.

8. Liquor license. Liquor license costs vary widely depending on the jurisdiction. In most jurisdictions, the cost will be on the low end of the range, but could be on the high end (or even exceed the high end) in those jurisdictions that consider a liquor license to be an asset. You may be able to apply for a full spirits liquor license and pay standard costs for this license that would be on the lower end of the estimate. However, if your property is located in a “quota” city or state, you might need to locate and purchase a full spirits liquor license on the open market, which could mean your anticipated costs are on the mid-to-high range of this cost estimate. If you purchase a liquor license on the open market, you may be able to re-sell your liquor license in those jurisdictions to another licensee if you sell your Hotel. The liquor license that you apply for or purchase must include beer, wine and full spirits, as allowable under applicable law in the Hotel’s jurisdiction. If you engage a third party to be the F&B Operator (defined in Item 8), depending on the jurisdiction, you might not need a liquor license.

9. Miscellaneous pre-opening costs. This item includes costs for office and other supplies, wages for Hotel management and employees before opening and other miscellaneous pre-paid opening expenses, as well as estimated amounts you may pay to us or our affiliates for optional training or consulting services.

10. Additional funds – 3 months. This item estimates your initial start-up expenses (other than the items identified separately in the table). These expenses include payroll costs for the Hotel’s personnel but not any management fees or similar draw. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business. Your costs depend on how closely you follow our methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for the Hotel’s services; the prevailing wage rate; competition; and the sales level reached during the initial period.

11. Total estimated initial investment (excluding real estate costs). The estimated amounts presented in the table above are to construct a new, full-size Brand Hotel with 128 guest rooms, according to the Design and Construction Standards and the Hotel System. We relied on our affiliates' experience in developing and operating hotels since 1957 to compile the estimate for additional funds and other figures. You should review these figures carefully with a business advisor before deciding to acquire the franchise. Except as described in Item 10, we do not offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on many factors, including the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions from which you request a loan. The estimate does not include any finance charge, interest, or debt service obligations. Except for a portion of the application fee that we will refund if we do not approve the application, no amounts in the chart are refundable.

Brand Hotels typically are in primary markets in urban, densely-populated locations. They will typically occupy property of 1 to 3 acres, but the amount of land the Hotel requires will vary greatly depending upon local building codes, setback requirements, parking requirements and similar factors. Leasing or purchase costs vary widely and depend on geographic location, size, visibility, local rental rates, other businesses in the area, other local economic conditions, the site's market potential, the type of ownership or leasehold interest and other factors. Because of these factors, this table does not estimate the costs for the Hotel's rent or security deposit, or the purchase price for the building or land on which the Hotel is located (if you decide to buy, rather than lease, the land and/or premises).

If you own an existing hotel that you plan to convert from another brand to a Brand Hotel or are purchasing an existing Brand Hotel, you or the prior franchisee (as applicable) may have already incurred many of the costs listed in this Item, but you still will incur significant costs to upgrade and renovate the Hotel to meet our current standards for Brand Hotels. These costs vary widely and depend primarily on the Hotel's existing condition and FF&E. Before we and you sign the Franchise Agreement, we will prepare a PIP for your Hotel and provide details about our conversion and upgrade requirements for the Hotel.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate the Hotel according to our System Standards, which may regulate, among other things, the types, models, and brands of products and services your Hotel uses; required and authorized products and services that the Hotel must offer to customers and quality standards for those products and services (including F&B Operations, as defined below); and designated and approved suppliers of these products and services, which may include or be limited to us and/or our affiliates that we may designate. "F&B Operations" means all food and beverage operations for Hotel guests and patrons consisting of the following (in each case, to the extent applicable): (a) restaurant, dining, bar, lounge, and retail food and beverage services; (b) banquet, meeting, event, catering (including outside catering), and room services; (c) a multi-functional service area that serves coffee and breakfast, lunch and dinner menu items, and alcoholic beverages; (d) grab-and-go food and beverage items available for purchase in a Hotel market; (e) a communal area serving as a combination restaurant, bar, coffee shop and workplace; (f) a

standalone restaurant and/or rooftop bar; and (g) all other food, beverage and related services at the Hotel.

If you are constructing a new Brand Hotel or converting an existing hotel or other building to a Brand Hotel, we or Hyatt Corporation will advise you on the System Standards to be met, the aesthetics to be reflected, and the systems to be installed at the Hotel, so the Hotel can be opened and operated as a Brand Hotel. We and Hyatt Corporation are the only approved suppliers for these services if you are constructing a new Hotel. We also provide IT Project Management Services and other technology-related services.

You must use the Opera PMS at the Hotel. We will provide services necessary to install access to the PMS at the Hotel under the Franchise Agreement. You must also sign an agreement with our designated supplier to provide connectivity services and training for the PMS.

System Services

Mandatory Services and Non Mandatory Services comprise the System Services. If you are in full compliance with your obligations under the Franchise Agreement, we or one or more members of the Hyatt Group will provide you those System Services that we periodically specify. You must participate in all Mandatory Services and related programs and may (at your option) participate in any or all Non-Mandatory Services and related programs, in the manner that we periodically specify. You must acquire all Mandatory Services (as we periodically modify them) only from a member of the Hyatt Group. We may periodically add to, delete from, and otherwise modify these System Services, and the scope of and manner of providing System Services, upon notice to you. Also, due to the differences in products, services, markets and hospitality experiences among Brand Hotels and other Hyatt Network Hotels, we may, where we deem appropriate in our judgment: (a) classify certain System Services as Mandatory Services for the Hotel which we classify as Non-Mandatory Services or do not offer to other Brand Hotels and/or other Hyatt Network Hotels; (b) not provide to the Hotel certain System Services that we provide to other Brand Hotels and/or other Hyatt Network Hotels; and (c) limit the scope of those System Services provided to franchised Brand Hotels, such as by limiting the access that franchised Brand Hotels have to certain customer and other proprietary information for Hyatt Network Hotels other than the Hotel. We describe the current System Services and the current charges for those System Services in Item 6, including all of the services offered pursuant to the Central Services Terms, which are generally Non-Mandatory Services but in certain circumstances may be designated as Mandatory Services as a condition of our approval of the Hotel's management company, as consideration for other items negotiated as part of the Franchise Agreement, or as part of the requirements of the Quality Assurance and Compliance Program.

Avendra, LLC ("Avendra") is a products and services sourcing company that offers volume contracts to its customer hotels on a variety of FF&E and other items used in hotel operations, including food and beverage equipment and supplies (such as branded and commodity programs), operating equipment and supplies (such as linens, pillows, terry, and light bulbs), and other products and services (such as printing and stationery, logoed items, chemicals, and pest elimination), at competitive prices that Avendra negotiates. You determine whether, and the extent to which, your Hotel will use Avendra's services. However, if you choose not to use Avendra,

you might find it impracticable to purchase certain products for the Hotel (such as bathroom amenities made specifically for Hyatt Network Hotels) elsewhere.

You may, and if we require (depending on your or your approved management company's experience) you must, acquire revenue management services from us. You also may, but are not required to, use Rosemont's purchasing and project management services and acquire our pre-opening advisory assistance for your Hotel. If you are constructing a new Brand Hotel, you may decide to engage us (or our affiliate) to provide technical services and assistance relating to the Hotel's development. We or another member of the Hyatt Group, Avendra and Rosemont negotiate purchase arrangements with suppliers, including price terms, for some required Hotel items. When we do so, we seek to promote the overall interests of the network of Brand Hotels and other Hyatt Network Hotels and our interests as the franchisor. We do not provide material benefits (like renewal or granting additional franchises) to individual franchisees for purchasing particular products or services or for using particular suppliers.

You must participate in, connect with, and use the authorized CRS, GDS and ADS as we periodically designate for offering, booking, modifying, and communicating guest room reservations for the Hotel and bear all related costs and expenses. You may only use the GDS and ADS that we periodically authorize. You must honor and give first priority on available rooms to all confirmed reservations that the CRS, GDS or ADS refer to the Hotel. The CRS and approved GDS and ADS are the only reservation systems or services that the Hotel may use for reservations. You will establish the Hotel's room rates, if those rates and your pricing policies comply with System Standards (to the maximum extent the law allows). You must comply with our "best rate guarantee" and related policies, as we periodically modify them. You may not charge any guest a rate higher than the rate that the reservations center specifies to the guest when the guest makes the reservation.

Except as described here and in Item 6, in providing these and other products and services to you, the Hyatt Group companies have the right to charge prices that exceed their costs and include a profit margin. Except as described above or in Item 5 or 6, there currently are no other goods or services for the Hotel that you must buy or lease from us or one of our affiliates or for which we or one of our affiliates is an approved supplier or the only approved supplier.

Approved Suppliers, Hotel System and System Standards

If you or your management company do not have in-house technology services support, you must contract with a third party technology consultant that meets our qualifications for "break/fix" support. You must also use our designated cyber end point protection and web filtering tools and enter into agreements with suppliers of such services, as applicable.

You currently must use our designated third party provider of travel agent commission program services. This provider calculates travel agent commissions, remits them to travel agents and collects them from participating hotels. You also must use our designated provider of quality assurance and inspection services. Except as described in this Item or in Item 5 or 6, there currently are no goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating the Hotel that you must buy from us, our affiliates, or designated or approved suppliers. Except for The Living Company, which may provide some FF&E to Brand Hotels, and Procure Impact, which may

provide certain products or services to Brand Hotels, none of our officers currently owns an interest in any supplier to Brand Hotel franchisees.

However, you must buy or lease most other products and services for your Hotel according to our System Standards. We issue and modify standards and specifications based on our, our affiliates' and our franchisees' experience in operating Brand Hotels and other Hyatt Network Hotels. Our standards and specifications may impose minimum requirements for delivery, performance, reputation, prices, quality, design, and appearance, among other factors. You must ensure that the Hotel strictly complies with all applicable laws and maintains adequate insurance policy coverage in the amounts that we periodically specify. Our System Standards or other communications will identify our standards and specifications and/or names of approved suppliers.

If you wish to obtain any FF&E, supplies, or other goods and services from a source that we have not previously approved as meeting our System Standards (for those items that require supplier approval), you must send us a written request with any information and samples we consider necessary to determine whether the product, service and source meet our then current criteria. If you comply with our processes and procedures, we will respond to your request within a reasonable time period (typically 30 days) after receiving all information we request. We may charge you our costs to review your request and evaluate the product, service and/or source. We may condition our approval on standards and requirements relating to quality, quantity, warranties, prices, volume capability, frequency of delivery, distribution methods and locations, standards of service (including prompt attention to complaints), consistency, reliability, financial capability, labor and customer relations, the willingness and ability to comply with our vendor compliance guide and other criteria. We may modify our System Standards in this area as we deem best. We may, at our option, revoke our approval of certain goods, services or sources if they fail to continue to meet our System Standards. We may designate a particular source for, or model or brand of, FF&E, supplies or other goods or services that we (in our sole judgment) determine to be critical to the Hotel System.

If the Hyatt Group receives any payments from vendors or service providers whose costs are included as part of System Services Costs, the Hyatt Group currently will offset them against System Services Costs. We and our affiliates may receive rebates, commissions, payments, benefits and other material consideration from suppliers on account of their actual or prospective dealings with you and other franchisees and owners of Brand Hotels, but neither we nor our affiliates will receive rebates from suppliers based solely on the volume of your purchases from those suppliers unless we either forward those rebates to you, use them to cover System Services Costs, or otherwise use those rebates for the benefit of the Hotel System or the Brand Hotel network. During the 2025 fiscal year, Hyatt Corporation received \$110 in rebates from suppliers of food and beverage products and office supplies based on purchases that franchised Brand Hotels made from those suppliers, but Hyatt Corporation used this entire amount to offset part of the System Services Costs. In addition, Brand Hotel network suppliers attending franchisee conventions, conferences, or other meetings of Brand Hotel owners make contributions to us or other members of the Hyatt Group (which do not derive from franchisee purchases) that we use to defray your and other franchisees' and owners' costs of attending these functions. Except for these payments, neither we nor our affiliates currently receive, or have negotiated to receive, similar payments or other material consideration from suppliers based on our franchisees' purchases or

leases, although our affiliates currently receive rebates from suppliers based on goods and services they buy for Brand Hotels that they operate.

You also must participate in and comply with the terms of all of our mandatory marketing, reservation service, rate and room inventory management, advertising, cooperative advertising, guest frequency and loyalty, social responsibility, discount or promotional, customer award, customer loyalty, Internet, computer, training and operating programs, including a PMS that interfaces with the CRS or any other central reservation system that we periodically adopt. We may periodically establish and/or coordinate these programs with third parties we designate. These third parties might (but need not) be our affiliates. You must sign and comply with any license, participation and other agreements we periodically specify relating to these programs.

You may not make any material changes to the Hotel's construction, including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features, without our prior written consent and complying with our conditions and procedures. We may periodically require you to upgrade or renovate the Hotel, including by altering the Hotel's appearance and/or replacing a material portion of improvements and/or FF&E, to comply with then current building décor, appearance, trade dress standards and other aspects of the Hotel System that we have established and then require for new similarly situated Brand Hotels (subject to Reasonable Deviations (defined below)). This upgrading or renovation might require you to invest additional capital in the Hotel and/or incur higher operating costs. You must implement the upgrading and renovation within the time period we request. However, all of these upgrades and renovations will apply to similarly situated Brand Hotels (subject to Reasonable Deviations). In order to assist you in having funds available to make any necessary capital expenditures at the Hotel and comply with your upgrade and renovation obligations (but without limiting those obligations), each month you must deposit into a separate account that you control an amount equal to (a) 3% of the Hotel's Gross Rooms Revenue accrued during the first year of operations, (b) 4% of the Hotel's Gross Rooms Revenue accrued during the second year of operations, and (c) 5% of the Hotel's Gross Rooms Revenue accrued during the balance of the Franchise Agreement's term. You will use these funds only to make approved capital expenditures and comply with your upgrade and renovation obligations, although your obligations may require you to spend more than the amount in the account.

“Reasonable Deviations” means that, if the market area or circumstances of a Brand Hotel warrant, then, in our Reasonable Business Judgment (defined below), we may apply an aspect of the Hotel System, System Standard, requirement, fee or other term or condition to the Hotel in a manner which differs from the manner in which that aspect of the Hotel System, requirement, fee or other term or condition applies to one or more other similarly situated Brand Hotels. “Reasonable Business Judgment” means that our action or inaction has a business basis that is intended to benefit the Brand Hotel network or the profitability of the network, including us and our affiliates, regardless of whether some individual hotels may be unfavorably affected; or to increase the value of the Proprietary Marks; or to increase or enhance overall hotel guest or franchisee or owner satisfaction; or to minimize possible brand inconsistencies or customer confusion.

Collectively, the purchases and leases you must make from us, from designated or approved suppliers, or according to our System Standards represent approximately 95% of your

total purchases and leases to establish, and approximately 95% of your total purchases and leases to operate, the Hotel. During our 2025 fiscal year, we did not derive any revenue from selling or leasing products or services directly to Brand Hotel franchisees, but our affiliates collected about \$78,053 in fees and other revenue from providing various products and services to Brand Hotel franchisees, but not including revenue from any Commercial Services Fees or similar fees for the System Services outlined in Item 6. In addition, Brand Hotel franchisees received \$11,853 more in loyalty program reimbursements than they paid in loyalty program fees during 2025. We derived these figures from our affiliates' internal financial records.

Item 10

FINANCING

We do not have a fixed financial assistance program for our franchisees and typically do not offer financial assistance to franchisees. However, in some cases we periodically may offer financial assistance to franchisees developing new Brand Hotels or converting existing hotels from other brands to the Hotel System. We have no formal criteria to determine which franchisees will receive financial assistance or the amount or timing of the assistance. The terms of any financial assistance, including amount, interest rate, and repayment terms, will vary widely and depend on our agreement with the franchisee and its particular circumstances. Our decision to offer financial assistance depends on what we think is best for us and the Brand Hotel franchise network. We have no obligation to offer financial assistance to any franchisee.

Except as described above, neither we nor our affiliates offer direct or indirect financing. Neither we nor our affiliates guarantee your note, lease or obligation.

Item 11

FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Hyatt Franchising, L.L.C. is not required to provide you with any assistance.

Before you begin operating the Hotel, we or another member of the Hyatt Group will:

(1) Approve a site for the Hotel that meets our requirements. We do not provide any site selection assistance or specify an area within which you may look for a site. We do not own hotel premises and lease them to franchisees. In determining whether to approve a site, we consider, among other things, demographic characteristics, traffic patterns, parking, visibility, allowed signage, the predominant character of the neighborhood, competition from other lodging facilities in the area, the nature of other businesses near the site, and other commercial characteristics (including the purchase price or rental obligations and other lease terms) and the proposed site's size, appearance, and other physical characteristics. You may not develop a Brand Hotel at a site that we do not approve. We and you will not sign a Franchise Agreement until you have located and we have approved the Hotel's site. If you are converting an existing hotel from another brand to the Hotel System, we or our designated vendor will inspect the hotel and prepare a PIP to provide details on our upgrade requirements. Each Comfort Letter Party must sign a comfort letter or similar agreement that we reasonably specify. (Sections 2.1 and 2.5 of Franchise Agreement)

(2) Communicate our then current specifications and requirements for designing and developing a Brand Hotel, including the Design and Construction Standards. We will provide a briefing virtually, at our headquarters, or at another location we designate, to acquaint your managing owner or senior operations officer with our building process and support structure. If you are constructing a new Hotel at the site, you must design and construct the Hotel according to our Design and Construction Standards and Hotel System. If you are converting an existing hotel from another brand to the Hotel System, you must renovate the Hotel according to the PIP, which may reference some or all of our Design and Construction Standards and the Hotel System. The PIP is attached to the Franchise Agreement when we and you sign it. You may not make any material changes to plans set forth in the PIP (including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features), without our prior written consent, which we will not unreasonably withhold. We and our affiliates may operate, and authorize others to operate, Brand Hotels within or outside the United States providing additional, fewer and/or different amenities and services to guests than the Hotel provides, or that otherwise operate in a manner that is substantially different from the manner in which the Hotel operates. We may establish and periodically modify the Hotel System and System Standards for certain Brand Hotels in a manner that is different from the Hotel System and System Standards that apply to some or all Brand Hotels within or outside the United States. (Sections 2.1, 2.4 and 2.6 and Exhibit B-3 of Franchise Agreement)

(3) As described in Item 8, identify the brands, types, makes and/or models of FF&E and other items (including both products and services) that meet our System Standards and, if we require, designated and approved suppliers of these items. We or our designated affiliate will directly provide and deliver, and in certain cases install, some items. We will provide you with the names of approved suppliers for some items. Our System Standards or other communications provide our standards and specifications for some items. (Sections 3.3, 4.3 and 4.4 of Franchise Agreement)

(4) Approve your initial design development documents and detailed plans for a new Hotel or renovation plans for conversion of an existing structure, including working drawings and specifications, if they comply with our Design and Construction Standards, Hotel System and System Standards, and arrange for a consultant to review your plans and inspect your Hotel for compliance with our fire and life safety standards. You must prepare and submit the plans to us for our approval and change the plans as we specify. You may not begin constructing, remodeling or developing the Hotel until we have approved the plans. You may not change the approved plans, including by changing any structural or life safety equipment or systems, the number or type of guest rooms or common areas, or any architectural features, without our prior approval. (Section 2.1 and Exhibit B of Franchise Agreement)

(5) Provide the applicable System Services for the Hotel during its pre-opening period. (Section 4.1 of Franchise Agreement)

(6) Approve a pre-opening marketing program that you prepare according to our requirements. At least 120 days before the Hotel's opening, you must prepare and submit to us for our approval a written pre-opening marketing program that satisfies our requirements and contemplates spending at least \$500 times the number of guest rooms at the Hotel. You must change the program as we specify and implement the approved program. We anticipate your spending additional amounts on pre-opening marketing as well. (Exhibit B-1 of Franchise Agreement)

(7) At your option, provide certain pre-opening commercial readiness activities for the Hotel, including support related to pre-opening sales, marketing, revenue strategy, market entry planning and other activities to support the Hotel's commercial readiness following opening. (Section 5.1 of Franchise Agreement)

(8) Provide data installation services relating to the initial set-up of the CRS, GDS and ADS at the Hotel, IT Project Management Services and other technology-related services described in Item 5. (Section 2.2 of Franchise Agreement) We describe the Technology System later in this Item.

(9) Provide you access to the CRS and listings in advertising publications that we periodically specify during the period before the Hotel's opening date that we reasonably specify. (Section 3.3 of Franchise Agreement)

(10) Train your Hotel's senior manager-level employees whom we periodically designate, which may include (as applicable), the general manager, rooms director, director of sales, engineering director, director of food and beverage, director of catering, executive chef, and assistant general manager (collectively the "Core Management") and other Hotel personnel we specify in the operation of a Brand Hotel to help ensure compliance with System Standards. We will place our trainer(s) at the Hotel for its opening. (Section 3.1 of Franchise Agreement)

(11) Provide you access to the System Standards. You must comply with the System Standards, as we periodically modify them, except for any employment-related or other policies and procedures which are clearly indicated in the System Standards as being

for your optional use. We may communicate the System Standards to you using various means that we may periodically establish, including electronic media and/or written materials, and you must continuously monitor and access any updates to the System Standards or other aspects of the Hotel System. The System Standards and any passwords or other digital identifications necessary to access the System Standards are confidential.

Any materials, guidance or assistance that we provide on employment-related policies or procedures, whether in the System Standards or otherwise, are solely for your (or your management company's) optional use. Those materials, guidance and assistance do not form part of the mandatory System Standards. You (or your approved management company) will determine to what extent, if any, these materials, guidance or assistance should apply to the Hotel's employees. We do not dictate or control labor or employment matters for franchisees and their employees. You (or your approved management company) are solely responsible for determining the terms and conditions of employment for all Hotel employees (including Core Management), for all decisions concerning the hiring, firing and discipline of Hotel employees, and for all other aspects of the Hotel's labor relations and employment practices. (Sections 3.2 and 4.3 of Franchise Agreement)

(12) Authorize your Hotel to open under the Proprietary Marks if you satisfy our pre-opening conditions as set forth in the System Standards or otherwise in writing. We will use commercially reasonable efforts in our review and approval of plans and in our approval process to open the Hotel, including by making a reasonable number of visits to the Site (to the extent practical under the circumstances) and providing reasonable guidance and advice relating to the Hotel's development or conversion. You must pay our then current fees for any additional guidance, services or assistance (beyond what we typically provide to similarly-situated Brand Hotels, subject to Reasonable Deviations) that you request and we agree to provide. We act only in an advisory capacity and are not responsible for the adequacy or coordination of any plans and specifications, the integrity of any structures, compliance with applicable laws (including accessibility laws) or any insurance requirements, or obtaining any permits. We will have no liability to you for the Hotel's construction or renovation. You must give us certificates from your contractors concerning the Hotel's compliance. (Sections 2.3 and 2.4 of Franchise Agreement)

(13) Provide revenue management services for the Hotel if you choose to acquire them or we determine that you must acquire them. (Revenue Management Services Program Schedule)

During your operation of the Hotel, we or another member of the Hyatt Group will:

(1) Continue to provide the System Services for the Hotel, as we periodically modify them. (Section 4.1 of Franchise Agreement)

(2) Advise you periodically regarding the Hotel's operation, for example concerning System Standards and advertising and marketing materials and programs. If you request, and we agree to provide, additional or special guidance, assistance, or training, you must pay our then applicable charges and travel and living expenses. Any specific training, guidance or assistance that we provide does not create an obligation (whether by

course of dealing or otherwise) to continue providing that specific training, guidance or assistance, all of which we may periodically modify. (Section 3.4 of Franchise Agreement)

(3) Let you use our Proprietary Marks. (Sections 11.1 to 11.4 of Franchise Agreement)

(4) Let you use our Confidential Information and Copyrighted Materials. (Sections 11.1, 11.5 and 11.6 of Franchise Agreement)

(5) Provide you access to the System Standards as we may modify them periodically. You must restrict (and ensure your management company restricts) access to the System Standards according to our policies, as we periodically modify them. If there is a dispute over their contents, our master copy of the System Standards controls. Because complete and detailed uniformity under many varying conditions might not be possible or practical, we may, as we deem best, vary the Hotel System and System Standards for any Brand Hotel based upon the peculiarities of any condition or factors that we consider important to that hotel's successful operation. We need not grant you a similar variation or accommodation. The table of contents for the System Standards in effect as of the issuance date of this disclosure document is Exhibit E and reflects that the System Standards comprise 3,896 pages. (Sections 3.2 and 4.3 of Franchise Agreement)

(6) Provide you access to the CRS and listings in advertising publications that we periodically specify during the Franchise Agreement's term if you are not in default of your obligations under the Franchise Agreement. (Section 3.3 of Franchise Agreement)

(7) Conduct periodic inspections of the Hotel and otherwise maintain the Quality Assurance and Compliance Program for the Brand Hotel franchise network. (Section 4.8 of Franchise Agreement)

(8) Continue to provide revenue management services if we choose to offer and either you chose to acquire them or we determine that you must acquire them. (Revenue Management Services Program Schedule)

(9) Provide field marketing program services for the Hotel if we choose to offer and you choose to acquire them. (Field Marketing Program Schedule)

(10) Provide central sales services if we choose to offer and you choose to acquire them. (Central Sales Services Program Schedule)

Advertising and Marketing

Except for the System Services, which we describe in Item 6, there are no advertising funds or local or regional advertising cooperatives to which franchisees or other Brand Hotel operators must contribute. However, promoting Brand Hotels as a single chain in the United States is an important part of the Hotel System, so you must participate in and use, in the manner we specify, all advertising, marketing and promotional activities, materials and programs that we periodically require for similarly-situated Brand Hotels (subject to Reasonable Deviations). (Section 5.2 of Franchise Agreement) The Hyatt Group prepares advertising, marketing and promotional

programs as part of System Services. (Section 4.1 of Franchise Agreement) These programs may cover any media (including print, radio, television and electronic) and their scope may be local, regional, national or international or focus on a subset of hotels (like resort hotels or convention hotels). The Hyatt Group's corporate personnel and advertising agencies develop these programs. We will not use funds that franchisees pay for System Services principally to solicit new franchise sales. We will not prepare any periodic accounting of how we and our affiliates spend these funds. The Hyatt Group need not spend any amount on advertising, marketing or promotional programs in the area where the Hotel is located. There currently are no franchisee advertising councils that advise us on advertising and marketing policies. However, we may form, change, and dissolve these councils.

We may identify a region in which 2 or more Brand Hotels are located (including, if applicable, those that we or our affiliates own or operate) to establish a local or regional advertising cooperative (a "Cooperative"). We may form, change, dissolve and merge Cooperatives. The Cooperative's purpose will be to collect funds from its members and to plan, discuss, organize, develop, utilize, produce, disseminate, and implement marketing, advertising and promotional programs and materials on a collective basis (and to cover related expenses) for participating Brand Hotels. We will not require you to participate in a Cooperative. However, if you choose to participate in the Cooperative, you must do so according to the Cooperative's rules, including by paying your Hotel's allocable share for any advertising, marketing, promotional and other programs that the Cooperative conducts. The Cooperative will be in charge of its own administration and determines contributions. Cooperative members will typically contribute to programs at the same rate. We anticipate that Cooperatives will operate from written governing documents and prepare financial statements that member franchisees may review. All restrictions relating to any advertising, marketing or promotional materials and programs that you use or conduct also apply to any materials and programs that the Cooperative will use or conduct. (Section 5.5 of Franchise Agreement).

You must ensure that all advertising, marketing, and promotional materials, all public relations plans and programs, and all uses of the Proprietary Marks are conducted in a dignified manner and comply with the System Standards, including the use of our standard templates where applicable, and which may, at our option, require our prior approval of materials that we have not previously approved. You must discontinue using any materials (including previously-approved materials) and stop engaging in any plans and programs (including previously-approved plans and programs) within the timeframe we specify after you receive written notice from us. You may not use Guest Information (defined in Item 14) in conducting marketing, advertising and promotional programs for the Hotel, except for programs conducted by or through us or with our supervision in each instance. (Section 5.3 of Franchise Agreement)

The "Hotel System Website" is a website that we or one or more members of the Hyatt Group develops, maintains and/or authorizes for all or a certain group of Brand Hotels that we periodically specify (and, at our option, other Hyatt Network Hotels). We currently provide each participating Brand Hotel a separate webpage on the Hotel System Website. You must comply with all System Standards relating to the Hotel System Website, including by providing us (or our designee) all information and other materials concerning the Hotel that we periodically request and promptly notifying us whenever any information concerning the Hotel on the Hotel's webpage is no longer accurate. By providing Hotel-related information and materials, you are representing

to us that they are accurate and not misleading and do not infringe any third party's intellectual property or other rights. We have the final decision about all information or materials appearing on the Hotel System Website. As between us and you, we own all intellectual property rights and other rights in and to the Hotel System Website, including all data that visitors supply or the Hotel System Website obtains. We may discontinue the Hotel System Website and/or any of its content (including separate webpages for participating Brand Hotels) at any time.

You may not develop, maintain or authorize any website or other electronic medium (other than the Hotel System Website) that has the word "hyatt" or any similar word, or any of the Proprietary Marks, as part of its domain name or URL or that accepts reservations for the Hotel (other than through an approved link to a Hotel System Website) or otherwise sells any products or services associated with the Hotel or any of the Proprietary Marks. In addition, except for the Hotel System Website, approved ADS, and as otherwise provided here, you may not develop, maintain or authorize any other website, other online presence or other electronic medium that describes or in any other way promotes the Hotel or displays any of the Proprietary Marks. You may, with our approval (which we will not unreasonably withhold) and subject to compliance with System Standards, authorize any Travel Services Website or Franchisee Organization Website to list and promote the Hotel together with other hotels. A "Travel Services Website" is a website that a third party (which is not your affiliate) operates that promotes and sells travel-related products and services for a number of hotel brands, including other Hyatt Network Hotels. A "Franchisee Organization Website" is a website that mentions the Hotel and other hotels in which you and your affiliates have an interest as part of your and their portfolio of properties and that has a primary purpose of promoting the entire portfolio (rather than only promoting the Hotel). (Section 5.4 of Franchise Agreement)

Technology System

You must use the computer hardware, software, and related equipment (the "Technology System") that we or our affiliate periodically designate to operate the Hotel. The Hotel will use the Technology System to administer the CRS and the property management system (the "PMS"); automate front desk registration/cashiering, telephone switchboard, housekeeping and accounting functions; record and track sales and labor data; run the point-of-sale ("POS"), key lock system, in-room entertainment, sound and related systems; and perform a variety of other management and reporting functions. To meet our current brand standards, you must install the following systems: Property Management, Point of Sale, Revenue Management, Events and Lead Generation System (Envision), Key Lock, PBX/Phones, In-Room Entertainment, High Speed Internet Service, Guest Computing, Hotel Music Services, Digital Surveillance, and Scent. The Technology System will generate and record revenue, payment, labor and other operational data relating to the Hotel and its operations. We will provide project management implementation and related services for the Technology System. Based on our current requirements for a Brand Hotel, we estimate that it will cost approximately \$113,265 for you to acquire the Technology System at the Hotel.

You currently must acquire the PMS, POS system, and certain other components of the Technology System only from our designated vendors. You must acquire 24/7 support, maintenance, and warranty coverage from us or our designated PMS and POS vendor. Our designated PMS and POS vendor currently charges \$3.90 per room per month but may increase this amount upon notice to you. Our designated PMS and POS vendor will also provide upgrades

and updates to its licensed software if we approve them. You also must acquire maintenance from our designated PBX/phones vendor, our designated key lock vendor, and our designated sound system vendor, who currently charges \$18.95 per month to provide quarterly updates to the playlist that the Brand Hotel network uses. We or another member of the Hyatt Group will provide other maintenance, support, upgrades and updates for parts of the Technology System and certain other technology services as part of the Mandatory Services for the Hotel, all of which are included in the Commercial Services Fee. No other party has an obligation to provide ongoing maintenance, repairs, upgrades or updates to the Technology System. The cost of other optional maintenance, updating, upgrading and support contracts varies widely depending on the market and the level of support you need. If you or your management company do not have in-house technology services support, you must contract with a third party technology consultant that meets our qualifications for “break/fix” support. You must also use our designated cyber end point protection and web filtering tools and enter into agreements with suppliers of such services, if applicable.

We may periodically require changes, upgrades, or updates to the Technology System. No contract limits the frequency or cost of changes, upgrades or updates. We or our affiliates may charge you reasonable fees for software or other technology that we license to the Hotel and for other Technology System maintenance and support services that we or they periodically provide to the Hotel, such as revenue management software, PMS enhancements, Hyatt’s Collaboration Network including HyattConnect, SharePoint Knowledge Network, E-Mail, User Identity Access Management, Learning Management Systems and Wide Area Network and Remote Access support. We will have independent, unlimited access to the information that the Technology System generates and tracks. (Sections 4.3, 4.4 and 7.4 of Franchise Agreement)

Hotel Opening

If you are developing a new Brand Hotel, including by adapting an existing building to a new use as a hotel, we estimate that you will open the Hotel approximately 20 to 36 months after paying the application fee. If you are converting an existing hotel from another brand to a Brand Hotel, we estimate that you will open the Hotel approximately 9 to 12 months after paying the application fee. The interval depends on the time it takes for you to finalize acquisition of the Hotel’s premises (if applicable) and sign the Franchise Agreement, the suitability of the site, weather, the location and condition of the premises (including the premises’ former use) and the construction schedule for the Hotel. You must open and begin operating the Hotel within 24 months after signing the Franchise Agreement for new Brand Hotels and 6 months after signing the Franchise Agreement for converted hotels (unless we agree to a longer period before we and you sign the Franchise Agreement). You also must meet various interim deadlines for the Hotel’s development. If you do not meet these requirements, then you must pay the \$10,000 extension fee to us and request an extension, which we may grant or deny at our option. If we approve the extension, we will set a new opening deadline, the extension fee is non-refundable, and we may (at our option) require you to modify any previously-approved detailed plans or the PIP (as applicable), to comply with the then current design, equipment and other aspects of the Hotel System. If you do not open the Hotel by the required completion date, we may terminate the Franchise Agreement.

You may not open or begin operating the Hotel under the Proprietary Marks until we have notified you in writing that: (1) you have properly developed or renovated and equipped the Hotel

in compliance with the Franchise Agreement and all applicable laws; (2) Hotel personnel have completed all pre-opening training to our satisfaction; (3) you have paid all amounts then due to us and our affiliates; (4) you have obtained all required certificates of occupancy, licenses and permits to operate the Hotel; (5) you have given us evidence of insurance coverage and payment of premiums we request; (6) you have given us certifications concerning the Hotel's construction; and (7) we have conducted a pre-opening inspection and approved the Hotel for opening under the Proprietary Marks. You must open and begin operating the Hotel under the Proprietary Marks within 10 days after receiving our authorization, which we will not unreasonably withhold or delay. We may terminate the Franchise Agreement if you do not meet these deadlines. Our determination that you have met all of our pre-opening requirements is not a representation or warranty, express or implied, that the Hotel complies with any laws or is safe for occupancy, nor will such determination act as a waiver of your non-compliance, or our right to demand full compliance, with our pre-opening requirements or any other provision of the Franchise Agreement. You must indemnify us for costs and expenses we incur because of your failure to open on time, including amounts we pay to customers whose reservations are canceled. (Sections 2.1 to 2.6 of Franchise Agreement)

If the Hotel is or will be part of a Mixed-Use Site (as defined in Item 16), you must and must cause your lessees and your affiliates and their respective lessees to: (a) develop, maintain and operate all Non-Hotel Components (as defined in Item 16) within the Mixed-Use Site in accordance with quality, design and operational standards consistent with the quality, design and operational standards applicable to the Hotel, (b) refrain from advertising, marketing or promoting the Non-Hotel Components as being associated with or part of the Hotel, the "Caption by Hyatt®" brand or any other Proprietary Marks, except in connection with the Hotel, advertisement and promotion approved pursuant to Section 5 of the Franchise Agreement; and (c) operate the Non-Hotel Components in a way that, in our reasonable judgment, does not damage or reflect adversely on the goodwill associated with any Proprietary Mark.

Training

Our current required initial training program has 8 parts: the Owner Briefing, the operator approval and onboarding program ("Franchise Manager University" or "FMU"), the owner/operator orientation program, the General Manager University ("GMU"), the operations training program, the sales/catering/revenue training program, the training programs for other Hotel personnel, and the Pre-Opening Brand Training. Except for any optional courses that we choose to provide, all initial training is mandatory. Our Franchise People & Learning Department administers and directs all of our initial training in coordination with our corporate operations team. Julie Suh, Associate Vice President, People & Learning, leads the Franchise People & Learning Department. Julie joined us and our affiliates in 2022. She has over 20 years of experience in the hotel/hospitality industry. We also have a staff of training professionals who conduct various training programs. These staff members typically have at least 15 years of experience in hotel and/or learning and development roles and at least 5 years of experience with us or our affiliates. The System Standards, videos, charts, pamphlets, and other training aids serve as the instructional materials for the training programs. You must pay us the fees and expenses described in Item 5 and Item 6 and you are responsible for all travel and living expenses (including travel, lodging, food and beverage, and miscellaneous charges) for your personnel.

Owner Briefing

Your managing owner or senior operations officer must attend a briefing, either virtually or at our corporate headquarters in Chicago, Illinois, within 6 months (for new construction hotels) or 3 months (for conversion hotels) after signing the Franchise Agreement. Our SVP Global Franchise Operations & Owner Relations supervises this briefing, which we hold whenever necessary. There are no instructional materials or tasks that your managing owner or senior operations officer must complete to our satisfaction. The Hotel's proposed management company (or you, if we approve you to manage the Hotel) must complete FMU, which provides an overview of our brand requirements and the tools we make available in support of these requirements. FMU consists of self-paced eLearning, virtual instructor led training, learning assessments, and a final virtual presentation to our leadership team. FMU is required for any management company (or you, if we approve you to manage the Hotel) that is not already an approved operator of a Brand Hotel. The attendees must complete FMU prior to the Hotel's opening date or, for existing Hotels, within 90 days after appointment as a new approved management company. Attendees can complete FMU's self-paced eLearning and virtual components at most 12 months before the Hotel's anticipated opening date. The operator must pass learning assessments throughout FMU's eLearning and virtual components. Within 9 months after completion of FMU, the new management company (or you, if we approve you to manage the Hotel) must attend the owner/operator orientation described below. Our SVP Global Franchise Operations and Owner Relations supervises this orientation, for which we maintain an ongoing schedule to adjust to the volume of new management companies. New management companies must consistently participate in all aspects of FMU in order to successfully complete it and be approved as an operator.

GMU

The Hotel’s proposed general manager, whether newly hired or promoted, must attend GMU, which provides an overview of Hyatt’s brand requirements and the tools made available by us in support of these requirements. GMU consists of self-paced eLearning, virtual instructor-led training, in-person training, learning assessments, and a final virtual presentation to our leadership team. The Hotel’s proposed general manager must complete GMU (including the final learning assessment and a virtual presentation to our leadership team) at least 6 months before the Hotel’s opening date or within 6 months after the date of hire or promotion (as applicable) for new general managers at an existing Brand Hotel. The Hotel’s proposed general manager must complete the self-paced eLearning and virtual components of GMU at least 3 months before the Hotel’s opening date or within 3 months after the date of hire or promotion (as applicable) for a new general manager at an existing Brand Hotel. The required in-person training component is a 3-day workshop at our corporate headquarters in Chicago, Illinois or at a Hyatt hotel location we specify, and gives the general manager an opportunity to meet our affiliates’ personnel who will be providing training. The Hotel’s proposed general manager must complete the in-person training component at least 3 months before the Hotel’s opening date or within 3 months after the date of hire or promotion (as applicable) for a new general manager at an existing Brand Hotel. Our SVP Global Franchise Operations & Owner Relations supervises this orientation, for which we maintain an ongoing schedule adjusting to the volume of general manager hires. General managers must consistently participate in all aspects of GMU in order to successfully complete it.

In the case of a general manager vacancy, the owner/operator must adhere to our standards related to the timing of filling the vacancy with a permanent or interim general manager. If a permanent general manager has not been identified for more than 6 months after the original vacancy, the owner/operator must identify a leader as an interim general manager to complete GMU. Once the general manager vacancy has been permanently filled, the new permanent general manager will also be required to complete GMU, unless we waive the requirement for a particular individual. If the new permanent general manager previously worked at a Hyatt Network Hotel, the general manager will be required to complete GMU knowledge assessment if the general manager has been absent from such Hyatt Network Hotel for more than 1 year as of the date of

hire. Based on the results of that assessment, the general manager may be exempt from some or all of the GMU components.

In some instances, as needed to meet your Hotel’s opening date, we may send our trainers to your Hotel to conduct training programs that we typically hold at our headquarters. In addition to the courses listed below, the Hotel’s general manager must facilitate training of on-property personnel in several areas, including safety and security, ethics, de-escalation, cybersecurity and hygiene. This training does not need to take any specific format or follow a standardized curriculum. It is in the discretion of the Hotel’s general manager as to the materials to utilize, which may include optional materials that we offer. The Hotel’s general manager must regularly acknowledge via our learning management system that it has provided such training to Hotel staff.

Pre-Opening Brand Training

For the final part of our required initial training program, we send a pre-opening team of 2 to 3 trainers (at our option) to assist with training the Hotel staff on brand standards and related issues concerning the Hotel's opening. You must pay us a fee and our trainers' travel and living expenses. The trainers arrive at or before the opening and typically stay for a minimum of 7 nights (not including virtual training), although we may (at our option) conduct this training on more than 1 visit. There are no instructional materials or tasks that you must complete to our satisfaction. As of the date of this disclosure document, there is no predetermined agenda for this on-the-job training. The trainers will generally train Hotel managers and staff with aspects of day-to-day operations, including:

- Guest services
- Housekeeping and laundry efficiencies
- Food and beverage
- Front desk
- Culinary (if applicable)
- Hyatt systems, tools, and initiatives with hotel leaders

Additional, Supplemental, and Optional Training Programs During Franchise Term

If any member of the Hotel's Core Management team or other individuals whom we required to attend training ceases to hold that position, you (or the approved management company or any F&B Operator) must have their replacement attend and successfully complete the applicable mandatory brand standard training programs that we reasonably specify, some of which we describe above, within 90 days (or a longer period we periodically designate) after assuming their

position. We may charge fees for this training, and you must pay all travel and living expenses. If we determine that any Hotel personnel have failed to satisfactorily complete any training program, you (or the approved management company or F&B Operator) must immediately hire a substitute and promptly arrange for that person to complete training to our satisfaction.

We may, at the times and places we deem best, require the Hotel's Core Management and other personnel to participate in regional and national conventions, meetings and other brand standard training programs that we periodically specify. For example, we may require additional training when major concept and repositioning changes occur in a food and beverage outlet at the Hotel. These individuals must attend any supplemental training within the time period we reasonably specify after you receive notice from us. We also may periodically hold an owner convention for all or a certain group of Hyatt Hotels and/or all or certain other Hyatt Network Hotels at a location we periodically designate. You must pay our fees for these programs and conventions. You must pay all of your personnel's travel, living and other expenses (including local transportation expenses) and compensation relating to these training programs and conventions. (Sections 3.1 and 3.4 and Exhibit B of Franchise Agreement)

In addition to our mandatory initial training programs, we also offer various optional brand standard training courses for Hotel personnel during the Franchise Agreement's term. We typically update the menu of optional courses annually to address then current hotel and business needs. These optional offerings include discounted enrollment for eCornell's self-paced, facilitated courses and certificate programs specifically curated for hospitality professionals. We also make available other virtually-facilitated commercial services offerings and over 1,600 free, multi-lingual self-paced courses via our learning platform. In addition, we periodically offer optional instructor-led or virtual programs for a fee. You may, at your option, send Hotel personnel to some or all of these programs if you pay our then current fees. We typically conduct optional training programs either at our headquarters in Chicago, Illinois, at your Hotel, or at another operating Hyatt hotel. We offer optional brand standards training programs on an ongoing basis.

Item 12

TERRITORY

You must operate the Hotel only from a specific site that we first approve. Your rights under the Franchise Agreement are limited to operating the Hotel at the approved site. If all or a substantial portion of the Hotel is condemned or suffers a casualty requiring you to close all or a portion of the Hotel, you may relocate the Hotel to a location we approve.

Unless the Hotel is an operating Brand Hotel, we and you will agree on the boundaries of your "Area of Protection" before signing the Franchise Agreement. We typically define the Area of Protection's boundaries using geographic references (such as streets or rivers) or as a circle with the Hotel at its center. The Area of Protection's size will vary depending on the Hotel's size and location. It could be as small as a few blocks in urban areas and up to about a 3 mile radius from the Hotel's entrance in certain suburban areas. We also will assign an "AOP Term" and list the AOP Term in the Franchise Agreement before we and you sign it. The AOP Term is the time period during which your rights in the Area of Protection will apply. The AOP Term begins on

the effective date of the Franchise Agreement and typically ends 3 years after the Hotel's opening date.

Subject to the one exception below, neither we nor any of our affiliates will open and operate during the AOP Term, nor authorize any other party to open and operate during the AOP Term, any other Brand Hotel the physical premises of which are located within the Area of Protection. One exception to this restriction is that, during the AOP Term, if we or any affiliate acquires ownership of or the right to operate, manage, franchise or license (regardless of the form of transaction) another group of at least 4 hotels, one or more of which hotels are located or are under contract or construction to be located in the Area of Protection, then we and our affiliates will have the unrestricted right to convert, or cause to be converted, the acquired hotel(s) within the Area of Protection from its (or their) original trade identity to operate under the Proprietary Marks and the Hotel System. We then may operate, or authorize any other party to operate, those hotel(s) as Brand Hotel(s), even if one or more of the other acquired hotels, whether operating within or outside the Area of Protection, are not converted to Brand Hotels.

If the Hotel is an operating Brand Hotel, you may not receive any Area of Protection or AOP Term when signing the Franchise Agreement. We will make the determination of whether to provide any Area of Protection based on the time during which the Hotel has operated under the "Caption by Hyatt®" name and the market conditions under which the Hotel operates.

Your rights in the Area of Protection apply only during the AOP Term. Following the AOP Term, you will have no territorial rights or protection, whether within or outside the Area of Protection, and we and our affiliates may open and operate, and authorize any other parties to open and operate, other Brand Hotels the physical premises of which are located within the Area of Protection, including under franchise applications submitted and/or franchise agreements and other agreements signed during the AOP Term. Because we and others may establish and operate one or more Brand Hotels and other Hyatt Network Hotels within the Area of Protection after the AOP Term expires, and during the AOP Term under the exception above, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

Except for the limited exclusivity described above, your rights under the Franchise Agreement are nonexclusive in all respects, the Hotel has no territorial protection whatsoever, and we and our affiliates have the right without restriction to engage in all activities we and they desire (including concerning all types of lodging facilities) at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with your Hotel. We and our affiliates may use or benefit from, among other things, common computer systems, administrative systems, reservation systems, purchasing systems, and personnel and may provide some or all of the System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with the Hotel. You will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

You have no options, rights of first refusal or similar rights to acquire additional franchises. Continuation of your territorial rights does not depend on your achieving a certain sales volume,

market penetration or other contingency. We may not alter your Area of Protection or territorial rights during the AOP Term.

There are no restrictions on where you or other Brand Hotel operators (including us and our affiliates) may solicit customers or accept orders. We and our affiliates may use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales in the Area of Protection under the Proprietary Marks and other trademarks without compensating you. You may use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to advertise and market the Hotel outside of the Area of Protection with our approval. Except for the CRS, you may not use the Internet or any other method to accept reservations for the Hotel.

As described in Item 1, Hyatt Corporation and certain of its affiliates operate and/or grant franchises for various types of hotel, resort, spa, timeshare and other lodging facilities, other accommodations and hospitality affiliations that operate under the Hyatt® name and other trade names. (We disclose the principal business addresses for Hyatt Corporation and some of these affiliates, and these other trade names, in Item 1.) We share offices and/or training locations with Hyatt Corporation and some of its other affiliates. These facilities may solicit and serve customers located near your Hotel’s location. You should expect to find, now and in the future, facilities identified with the Hyatt® name and/or these other trade names, and other brands that we and our affiliates operate, franchise, or develop in the future, in your Area of Protection. These facilities will sell goods and services similar to those that you will sell. If conflicts arise between our franchisees and the franchisees and operators of these other facilities, we will analyze them and take the actions (if any) that we deem appropriate. We also may (but need not) develop internal policies for dealing with conflicts.

Item 13

TRADEMARKS

Hyatt Corporation registered the following principal Proprietary Marks on the Principal Register of the United States Patent and Trademark Office (the “PTO”):

<u>Mark</u>	<u>Registration No.</u>	<u>Registration Date</u>
Hyatt	945,384	October 17, 1972
World of Hyatt	5,201,881	May 9, 2017
Caption by Hyatt	6,901,600	November 15, 2022

Hyatt Corporation has made all required renewal and affidavit filings for these registrations.

Hyatt Corporation granted us the rights to use and sublicense the Proprietary Marks under a trademark license agreement dated November 1, 1993, as amended (the “Trademark License Agreement”). That agreement has a perpetual term, subject to termination by Hyatt Corporation for cause. Hyatt Corporation may terminate the agreement if it no longer owns a majority interest in us, if we fail to make a required payment and do not cure the failure within 7 days after notice, if we fail to maintain or require our sublicensees to maintain Hyatt Corporation’s prescribed

standards of quality and service and do not cure the failure within 30 days after notice, if we fail to comply with any other provision of the agreement and do not cure the failure within 30 days after notice, or if we have an insolvency event and do not cure the failure within 60 days after notice. If Hyatt Corporation terminates the Trademark License Agreement because we failed to maintain or failed to require our sublicensees to maintain Hyatt Corporation's standards of quality and service, Hyatt Corporation may enter into a license with our authorized franchisees, but only if the franchisee not in default of its franchise agreement. No other agreements significantly limit our rights to use or license the Proprietary Marks in a manner material to the franchise.

There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, any state trademark administrator or any court, and no pending infringement, opposition or cancellation proceedings or other material federal or state court litigation, involving the Proprietary Marks. We do not know of any superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in any state.

You must follow our rules when using the Proprietary Marks. You (and any F&B Operators at the Hotel) may not use the Proprietary Marks with any Hotel restaurant operations without our prior written consent, which we will not unreasonably withhold, and you must comply with all related System Standards. If we discover your unauthorized use of the Proprietary Marks, we may require you to destroy (with no reimbursement from us) all offending items reflecting that unauthorized use. You must notify us immediately of any apparent infringement or challenge to your use of any Proprietary Mark, or of any person's claim of any rights in any Proprietary Mark, and not communicate with any person other than us, our affiliates, and our and their attorneys, and your attorneys, regarding any infringement, challenge, or claim. We and our affiliates may take the action we and they deem appropriate (including no action) and control exclusively any litigation, PTO proceeding, or other proceeding arising from any infringement, challenge, or claim or otherwise concerning any Proprietary Mark. You must sign any documents and take any other reasonable actions that, in the opinion of our and our affiliates' attorneys, are necessary or advisable to protect and maintain our and our affiliates' interests in any litigation or PTO or other proceeding or otherwise to protect and maintain our and our affiliates' interests in the Proprietary Marks. We will reimburse your reasonable out-of-pocket costs for taking any requested action.

If it becomes advisable at any time for us and/or you to modify, discontinue using, and/or replace any Proprietary Mark and/or to use one or more additional, substitute, or replacement trade or service marks, you must comply with our directions within a reasonable time after receiving notice. Neither we nor our affiliates will reimburse you for any costs or expenses you incur relating to these directions, including your expenses of changing the Hotel's signs, any loss of revenue due to any modified or discontinued Proprietary Mark, or your expenses of promoting a modified or substitute trademark or service mark. Our rights in this paragraph apply to any of the Proprietary Marks (and any portion of any Proprietary Mark) that we authorize you to use.

We will reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Proprietary Mark if you have timely notified us of, and comply with our directions in responding to, the proceeding. We will defend you in the proceeding and, at our option, we and/or our affiliate(s) may defend and control the defense of any proceeding arising from your use of any Proprietary Mark.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents or pending patent applications are material to the franchise. We and our affiliates claim copyright protection for the Copyrighted Materials. We have not registered these Copyrighted Materials with the United States Copyright Office but need not do so at this time in order to protect them. You must follow our rules when using the Copyrighted Materials. You may use the Copyrighted Materials only as we specify to operate the Hotel under the Franchise Agreement.

You must notify us immediately of any apparent infringement or challenge to your use of any Copyrighted Materials or Confidential Information, or of any person's claim of any rights in any Copyrighted Materials or Confidential Information, and not communicate with any person other than us, our affiliates, and our and their attorneys, and your attorneys, regarding any infringement, challenge, or claim. We and our affiliates may take the action we and they deem appropriate (including no action) and control exclusively any litigation or administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Copyrighted Materials or Confidential Information. You must sign any documents and take any other reasonable actions that, in the opinion of our and our affiliates' attorneys, are necessary or advisable to protect and maintain our and our affiliates' interests in any litigation or other proceeding or otherwise to protect and maintain our and our affiliates' interests in the Copyrighted Materials and Confidential Information. We will reimburse your reasonable out-of-pocket costs for taking any requested action. We need not participate in your defense nor indemnify you for damages and expenses you incur if you are a party to any administrative or judicial proceeding involving any Copyrighted Materials or if the proceeding is resolved unfavorably to you.

If it becomes advisable at any time in our sole judgment for you to modify or discontinue using any of the Copyrighted Materials and/or for you to use one or more additional or substitute copyrighted or copyrighable items, you must immediately comply with our directions.

There are no effective material determinations of, or pending material proceedings before, the PTO, the United States Copyright Office, or any court involving the Copyrighted Materials. We do not know of any infringement of the Copyrighted Materials that could materially affect you. No agreement significantly limits our right to use or license the Copyrighted Materials.

You will sign the Confidentiality Agreement while we and you are evaluating whether to start a franchise relationship. You must keep confidential all information concerning development plans for particular sites or markets and information concerning our plans, strategies, operations, processes, and System Standards, including any information in the PIP that we conduct or prepare for your hotel. These obligations continue even if we and you do not sign a Franchise Agreement. You must take reasonable measures to ensure that your employees, agents and advisors comply with these restrictions and are responsible if they fail to do so. You also must promise us that our and your discussions and, if applicable, your signing a Franchise Agreement do not violate any laws, breach any agreements or require any consents.

We and our affiliates possess (and will continue to develop and acquire) Confidential Information, some of which constitutes trade secrets under applicable law, relating to developing

and operating Brand Hotels. “Confidential Information” includes: (1) site selection criteria; (2) the substance, design, and construction of Brand Hotels and the Design and Construction Standards; (3) training and operations materials and modules; (4) methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge, and experience used in developing and operating Brand Hotels; (5) marketing, advertising and promotional programs for Brand Hotels; (6) Guest Information (defined below) and any information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels; (7) knowledge of specifications for and suppliers of FF&E and other products and supplies that are uniquely identified with Brand Hotels and/or other Hyatt Network Hotels; (8) any part of the Technology System and other computer software or other technology that is proprietary to us, our affiliates or the Hotel System, including digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or other technology; (9) knowledge of the operating results and financial performance of Brand Hotels other than the Hotel; (10) graphic designs and related intellectual property; and (11) any negotiated provisions of the Franchise Agreement and any other agreements we sign with you.

Confidential Information is proprietary and includes our and our affiliate’s trade secrets. You (a) must not use (or allow your affiliates to use) Confidential Information in any other business or capacity; (b) must keep confidential each item that is a part of Confidential Information, both during and after the Franchise Agreement’s term (afterward for as long as the item is not generally known in the hotel industry); (c) must not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form; and (d) must adopt and implement reasonable procedures that we periodically specify to prevent unauthorized use or disclosure of Confidential Information.

Confidential Information does not include information, knowledge, or know-how that you can demonstrate lawfully came to your attention before we or our affiliate provided it to you or your affiliate directly or indirectly; that, at the time we or our affiliate disclosed it to you, already had lawfully become generally known in the hotel industry through publication or communication by others (without violating an obligation to us or our affiliate); or that, after we or our affiliate disclose it to you, lawfully becomes generally known in the hotel industry through publication or communication by others (without violating an obligation to us or our affiliate). However, if we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of these exclusions is satisfied.

All Guest Information is our property and part of Confidential Information. “Guest Information” means information and data relating to or derived from the Hotel’s guests and other customers during the Franchise Agreement’s term, whether obtained from the guest or customer or from any other source, including names, preferences, and other information about the guests’ or customers’ experiences and/or purchases, and including information stored in or provided to the CRS or the Hotel’s property management system. We have the right periodically during the Franchise Agreement’s term, without notice to you, to access the Hotel’s property management system and other computer systems to retrieve Guest Information. We and our affiliates may use, and allow others to use, the Guest Information in any manner that we deem appropriate (subject to applicable law).

You may use the Guest Information, and certain other information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels that we periodically specify, during the Franchise Agreement's term only to market to and provide services to the Hotel's guests and potential guests in compliance with the System Standards and all applicable laws, rules and regulations. You must ensure that your affiliates may not access, and neither you nor any of your affiliates may use, any of that Guest Information or that other information or data in any other business or capacity. However, following the Franchise Agreement's expiration or termination, you may use, and allow your affiliates and others to use, any Guest Information that was generated at the Hotel (and that we or our affiliate did not supply to the Hotel) during the guest's stay at the Hotel and stored in the Hotel's property management system database in any manner that you deem appropriate (subject to applicable law) at your own risk, if you comply, and ensure that any recipients of that Guest Information from you comply, with our then current policies and procedures regarding the collection, storage, use, processing and transfer of personal and/or financial data. If there is an actual or suspected breach of security or unauthorized access of Guest Information or other information from the Hotel's property management system or other computer system database, you must notify us promptly and we may require you to use a third party supplier we designate, at your sole cost and expense, to review and if necessary, remediate that breach or unauthorized access. You must not take any action that could jeopardize our or our affiliate's ability to comply with, or make certifications under, any law, regulation, contract, program or policy related to Guest Information (including privacy laws, privacy notices and PCI certifications) and applicable to us or our affiliate.

You must promptly disclose to us all inventions, innovations and discoveries relating to a Brand Hotel and based or relying upon any element of the Hotel System, including any advertising, marketing, promotional or public relations plans, programs or materials that you or your contractors develop for the Hotel (collectively, "Innovations"), whether or not protectable intellectual property and whether created by or for you, your affiliates or contractors, or your or their employees. Innovations are our or our affiliate's sole and exclusive property, part of the Hotel System, and works made-for-hire for us or our affiliate. You may not use any Innovation in operating the Hotel or otherwise without our prior written consent. If any Innovation does not qualify as a "work made-for-hire" for us or our affiliate, you assign ownership of that Innovation, and all related intellectual property rights and other rights to that Innovation, to us and must take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in the Innovation.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Hotel Management

Either a management company we approve, or you (if we approve you to manage the Hotel), must at all times retain and exercise direct management control over all aspects of the Hotel's business and be the employer of the Hotel's Core Management and other personnel, except for any members of Core Management that are overseen by an F&B Operator whom we approve. You may not enter into any lease, management agreement, or other similar arrangement with any

management company for the management or other oversight of all or a part of the Hotel's operation (a "Management Arrangement") without our prior written approval of the management company, and you may not yourself manage the Hotel without our approval of you as the Hotel's operator. We will not unreasonably withhold our approval if the management company or you (as applicable) meets our minimum qualifications and ensures that its or your personnel attend and satisfactorily complete required brand standard training programs. If we approve a management company, as a condition of that approval, the management company must sign the documents we require to protect our intellectual property rights and reflect its agreement to perform its management responsibilities and operate the Hotel in compliance with the Franchise Agreement. Our current form of Management Company Rider is attached as Exhibit F to the Franchise Agreement.

We may refuse to approve a management company that is a Competing Brand Owner. "Competing Brand Owner" means any entity that (a) is either a franchisor or owner of a Competing Brand (defined below), (b) manages or otherwise operates hotels exclusively for the franchisor or owner of a Competing Brand, or (c) is an affiliate of any entity described in (a) or (b) above. A "Competing Brand" is a hotel concept that has at least 5 hotels operating under that concept's trade name anywhere in the world and that, in our reasonable opinion, competes with Brand Hotels. If the management company or you (if we approve you to manage the Hotel) at any time becomes a Competing Brand Owner, fails to meet our minimum qualifications (as we may periodically modify them) or fails to comply with the Franchise Agreement (including any System Standards and/or if the Hotel remains in any remedial or non-compliant status under our then current Quality Assurance and Compliance Program for 3 or more consecutive months), the Management Company Rider, or any conditions of operator approval that we previously imposed, then we may: (a) revoke our approval of that management company or you as the Hotel's manager; or (b) as a condition of our continued approval, we may impose on that management company or you additional requirements, including participation in remedial training and other operational programs, at the Management Company's or your expense. If we revoke our approval of the Management Company or you as the manager, then you must promptly terminate the Management Arrangement (if applicable) and either assume direct control of the Hotel's management and operation, if we approve you to manage the Hotel, or engage another management company we approve.

You must ensure that all F&B Operations operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards. You must provide, or cause the management company to provide, all brand standard training programs to the F&B Operator that we periodically specify. If the F&B Operator at any time fails to operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards, or fails to comply with any agreement with us, then, without limiting our other rights and remedies under the Franchise Agreement and applicable law, we may revoke our approval of the F&B Operator. You then must promptly terminate your arrangement with the F&B Operator and either assume (if we approve you to manage the Hotel) or have your approved management company assume direct control of the Hotel's F&B Operations or engage another approved F&B Operator we approve.

At our option, before any of the Hotel's Core Management are engaged, you must submit to us the proposed candidate's identity and qualifications. If the general manager fails to ensure that the Hotel satisfies our quality assurance requirements and other brand standards, then we may

require you (or your approved management company) to hire a new general manager for the Hotel. You or the management company (as applicable) is solely responsible for hiring the Core Management and other Hotel personnel and determining the terms and conditions of their employment. You (or your approved management company or F&B Operator) must hire and properly train all Core Management personnel and have a Core Management team in place at the Hotel at all times. Also, all members of the Hotel's Core Management must spend all of their working time at the Hotel fulfilling their management and operational responsibilities and may not concurrently maintain a position at another lodging facility or in any other capacity related to the lodging industry.

If you or your approved management company choose to retain a revenue manager for the Hotel, we must certify the revenue manager within 90 days after the revenue manager's date of hire or, if already employed by you or your approved management company, within 90 days after the date the revenue manager begins providing revenue management services to the Hotel. Revenue managers must: (a) provide revenue management services to no more than 20 Brand Hotels; (b) meet our then current qualification criteria and complete all required revenue management training courses to our satisfaction; and (c) have authorized access to our reservation system and the other systems and software necessary to perform revenue management functions. Although you may retain third parties to consult on revenue management matters, only you, a management company we approve, or a certified revenue manager employed by you or your approved management company can access our revenue management systems and the data contained in our revenue management systems.

A Core Management team who has satisfactorily completed our initial training program must devote all of its business time to supervising the Hotel's day-to-day operations. Your Hotel's general manager and other Core Management personnel need not have an equity interest in the Hotel or in you.

Guaranty and Guarantor Monetary Threshold

We expect that only business entities, and not individuals, will sign our Franchise Agreement. You must cause one or more of the direct and indirect owners (whether they are individuals or business entities) of a Controlling Ownership Interest (defined below) in you which we specify to sign the form of Guaranty and Assumption of Franchisee's Obligations attached to the Franchise Agreement (the "Guaranty"). Under the Guaranty, these owners must personally guaranty all of your obligations under the Franchise Agreement and be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, both monetary and non-monetary, including the confidentiality and arbitration obligations.

In addition, each owner that signs the Guaranty must agree, and you must ensure, that at least one guarantor will satisfy the Guarantor Monetary Threshold at all times during the Franchise Agreement's term. The "Guarantor Monetary Threshold" means each of the following: (a) total assets less total liabilities (excluding Hotel assets and liabilities relating solely to the Hotel), each as calculated according to U.S. generally accepted accounting principles, in the minimum amount of the guarantor net worth minimum listed in Exhibit B-1 to the Franchise Agreement; and (b) liquid assets (consisting of cash, cash equivalents and marketable securities) in the minimum amount of the guarantor liquidity minimum listed in Exhibit B-1 to the Franchise Agreement. We

will determine the amount of the Guarantor Monetary Threshold as of the Franchise Agreement's effective date based on information we deem relevant, including the Hotel's size, the market in which the Hotel will operate, and our assessment of our risk or exposure in the transaction. We will list the initial Guarantor Monetary Threshold in Exhibit B-1 to the Franchise Agreement before we and you sign it. The Guarantor Monetary Threshold will increase automatically each year of the Franchise Agreement's term, without notice from us, effective on the first day of the calendar month during which the Franchise Agreement's effective date falls, by an amount equal to the CPI Increase. The "CPI Increase" means the amount to be adjusted multiplied by a fraction, the numerator of which is the Consumer Price Index for All Urban Consumers for All Items, which the U.S. Department of Labor, Bureau of Labor Statistics publishes (the "Base Index") as of the first day of the calendar month during which the increase is to take effect, and the denominator of which is the Base Index in effect on the Franchise Agreement's effective date or used for the most recent increase (whichever is later). If the Base Index is no longer published, we may designate another reasonably comparable index for calculating changes in the cost of living or purchasing power for consumers. Your guarantors must provide us on an annual basis financial statements or other documents that we reasonably specify, which you or the guarantor certify in the manner we specify, demonstrating that at least one guarantor satisfies the Guarantor Monetary Threshold. You and your guarantors must reasonably cooperate with all auditing and reporting requirements relating to the Guarantor Monetary Threshold.

A "Controlling Ownership Interest" in you or one of your owners (if that owner is a legal entity) means, whether directly or indirectly, either: (a) the record or beneficial ownership of, or right to control, 50% or more of the investment capital, equity, rights to receive profits or losses, or other rights to participate in your or the entity's results; or (b) the effective control of the power to direct or cause the direction of your or that entity's management and policies, including a general partnership interest (if the entity is a partnership) and a manager or managing member interest (if the entity is a limited liability company), or the power to appoint or remove any party having these powers. In addition, in the case of (a) or (b), the determination of whether a "Controlling Ownership Interest" exists is made both immediately before and immediately after a proposed transfer.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Under the Franchise Agreement, you must offer all products and provide all services that we periodically authorize for your Hotel (including F&B Operations) in compliance with all applicable laws and according to our quality standards. We may change these products and services at any time, and there is no limit on this right. You may not sell any products or perform any services at the Hotel that we have not authorized. You also must obtain our approval of your relationship with any F&B Operator, including the restaurant concept and the lease terms. The Franchise Agreement contains no restrictions on the customers to whom you may provide goods and services.

If the Hotel is or will be part of a site (whether newly constructed or adapted) that is owned or developed by you, your owner, or your affiliate ("Mixed-Use Site"), which may include, in addition to the Hotel, any residential, retail, restaurant, commercial or public space that is located

on the same single, contiguous site as the Hotel but which operates separate from the Hotel (“Non-Hotel Components”), no part or portion of the Mixed-Use Site may be used to operate: (i) a pawnshop, check-cashing business, gentlemen’s club, pornography retailer, or other sexually-oriented business, or (ii) a package liquor store, marijuana dispensary, or gambling business, without our prior written consent, which consent may be granted or withheld in our sole judgment, or (iii) a bar, lounge, club or similar establishment situated within 300 feet of any part of the Hotel’s interior footprint, whose revenues are derived more than 50% from the sale of alcoholic beverages, without our prior written consent, which consent will not be withheld unless we reasonably determine that the establishment might have a material negative impact on guests of the Hotel.

You will establish the Hotel’s room rates if those rates and your pricing policies comply with System Standards (to the maximum extent the law allows). You must comply with our “best rate guarantee” and related policies, as we periodically modify them. You may not charge any guest a rate higher than the rate that the reservations center specifies to the guest at the time the guest makes the reservation. You may not change the number of guest rooms in the Hotel without our consent.

Item 18

PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Julienne Smith, our Head of Development, at 150 North Riverside Plaza, Chicago, Illinois 60606, (312) 750-1234, the Federal Trade Commission, and the appropriate state regulatory agencies.

Item 20

OUTLETS AND FRANCHISEE INFORMATION

All numbers appearing in the tables below are as of December 31 in each year. We include both Brand Hotels that our affiliates own and operate, and Brand Hotels that our affiliates manage for third-party owners under management agreements, as “company-owned” Brand Hotels. We count Brand Hotels in which our affiliates have at least a 50% equity interest in the hotel’s ownership entity as “company-owned” hotels that our affiliates own and operate for purposes of the tables (regardless of the type of agreement governing the hotel’s operation). Our affiliates owned and operated 1 Brand Hotel as of December 31, 2023, 1 Brand Hotel as of December 31, 2024, and 0 Brand Hotels as of December 31, 2025. Our affiliates also manage the “company-owned” Brand Hotels for third-party owners.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders and the Board of Directors of Hyatt Hotels Corporation

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Hyatt Hotels Corporation and subsidiaries (the "Company") as of December 31, 2025 and 2024, the related consolidated statements of income (loss), comprehensive income (loss), stockholders' equity and noncontrolling interests, and cash flows, for each of the three years in the period ended December 31, 2025, and the related notes and the financial statement schedule listed in the Index at Item 15 (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current-period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Deferred Revenue Related to the Loyalty Program – Refer to Notes 2 and 3 to the financial statements

Critical Audit Matter Description

The Company administers the loyalty program for the benefit of participating properties. The Company's estimate of the value of the deferred revenue liability related to future point redemptions ("the liability") is \$1,533 million as of December 31, 2025 and is actuarially determined based on the anticipated timing of future point redemptions, including an estimate of the breakage for points that will not be redeemed. Changes in the estimates used in the determination of the liability could result in a material change to the liability.

Given the subjectivity of the Company's breakage assumption, performing audit procedures to evaluate the reasonableness of this estimate involved a higher degree of auditor judgment and an increased extent of effort, including the need to involve our actuarial specialists in performing audit procedures over the liability.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the liability included the following, among others:

- We tested the effectiveness of the Company's controls related to the liability, including those over the estimation of the breakage assumption.
- We tested the underlying data that served as the basis for the actuarial estimate, including points earned and redemptions, to test that the inputs to the actuarial estimate were reasonable.
- With the assistance of our actuarial specialists, we developed independent estimates of the liability and compared our estimates to management's estimate.

Goodwill – Refer to Note 9 to the financial statements

Critical Audit Matter Description

During the year ended December 31, 2025, the Company implemented organizational changes, and as a result, reassessed its reporting units and performed interim impairment analyses. The Company also evaluates goodwill for impairment annually during the fourth quarter of each year. The Company did not recognize any goodwill impairment charges as a result of the interim or annual analyses. The Company's consolidated goodwill balance as of December 31, 2025 was \$3,454 million.

Management estimated the fair values of a reporting unit within the management and franchising segment in the interim analyses and a reporting unit within the distribution segment in the annual analyses ("the reporting units") using a combination of discounted cash flow models and the guideline public companies method. The fair value determination of the reporting units required management to make significant assumptions and judgments related to the projected cash flows, discount rates, and capitalization rates.

Given the determination of fair value of the reporting units required management to make significant assumptions and judgments related to the projected cash flows, discount rates, and capitalization rates, performing audit procedures to evaluate the reasonableness of these estimates and assumptions involved a high degree of auditor judgment and an increased extent of effort, including the need to involve our fair value specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the projected cash flows, discount rates, and capitalization rates included the following, among others:

- We tested the effectiveness of the Company's controls over management's goodwill impairment analyses, including those over management's selection of the projected cash flows, discount rates, and capitalization rates.
- We evaluated the reasonableness of management's projected cash flows associated with the reporting unit by comparing them to (1) historical results, (2) internal communications to management and those charged with governance of the reporting unit, and (3) forecasted information included in analyst and industry reports for the Company and its peer companies.
- With the assistance of our fair value specialists, we evaluated the reasonableness of the discount rates and capitalization rates by (1) testing the source information underlying the determination of the discount rates and capitalization rates, (2) testing the mathematical accuracy of the calculations, (3) developing a range of independent estimates and comparing those to the discount rates selected by management, and (4) evaluating the reasonableness of inputs included in the capitalization rates.

HYATT HOTELS CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Amounts in millions of dollars, unless otherwise indicated)

1. ORGANIZATION

Hyatt Hotels Corporation, a Delaware corporation, and its consolidated subsidiaries have offerings that consist of full service hotels and resorts, select service hotels, all-inclusive resorts, and other properties, including timeshare, fractional, and other forms of residential and vacation units. We also offer distribution and destination management services through ALG Vacations and distribution services through Mr & Mrs Smith, a boutique and luxury global travel platform. At December 31, 2025, our hotel portfolio included 1,528 hotels (372,763 rooms) throughout the world, of which 736 hotels (169,288 rooms) are located in the United States and 156 are all-inclusive resorts (58,513 rooms). At December 31, 2025, our portfolio of properties operated in 83 countries around the world. Additionally, we provide certain reservation and/or loyalty program services to hotels that are unaffiliated with our hotel portfolio and operate under other trade names or marks owned by such hotels or licensed by third parties.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation—Our consolidated financial statements present the results of operations, financial position, and cash flows of Hyatt Hotels Corporation and its majority owned and controlled subsidiaries as well as entities consolidated under the variable interest entity ("VIE") model. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates—We are required to make estimates and assumptions that affect the amounts reported in our consolidated financial statements and accompanying Notes. Our estimates and assumptions are subject to inherent risk and uncertainty, and actual results could differ materially from our estimated amounts.

Reclassifications—Certain prior year amounts have been reclassified to conform to the current year presentation.

Revenue Recognition—Our revenues are primarily derived from products and services provided to our customers and are generally recognized when control of the product or service has transferred to the customer. Our customers primarily include third-party owners and franchisees, the unconsolidated hospitality venture that owns the Unlimited Vacation Club business, guests at owned and leased hotels, customers using our distribution and destination management services through ALG Vacations and distribution services through Mr & Mrs Smith, a third-party partner associated with our co-branded credit card programs, and owners and guests of residential and vacation units. Our revenue streams include:

- *Gross fees*—Gross fees include base management fees, incentive management fees, and franchise and other fees. Base management fees are generally calculated as a percentage of gross revenues, and incentive management fees are generally computed based on a hotel profitability measure. Management fees include fees earned for providing access to our intellectual property ("IP"). Franchise and other fees consist of (i) initial application fees from franchisees and ongoing royalty fees computed as a percentage of gross room revenues and as applicable, food and beverage revenues, (ii) design services fees, (iii) termination fees, (iv) license fees associated with the licensing of the Hyatt brand names through our co-branded credit card programs and with sales of our branded residential units, (v) management and royalty fees related to the management and licensing of certain of our brands to the Unlimited Vacation Club following the UVC Transaction, and (vi) fees from hotel services provided to certain all-inclusive resorts.
- *Net fees*—Net fees represent gross fees reduced by payments to customers, including performance cure payments and amortization of key money assets. Consideration provided to customers related to key money assets is recorded in other assets and amortized to contra revenue over the expected customer life, which is typically the initial term of the management and hotel services agreement or franchise agreement.
- *Owned and leased revenues*—Owned and leased revenues are derived from room rentals and services provided at owned and leased hotels. We present revenues net of sales, occupancy, and other taxes. Taxes collected on behalf of, and remitted to, governmental taxing authorities are excluded from the transaction price of the underlying products and services.
- *Distribution revenues*—Distribution revenues include revenues from the sale of vacation packages, experiences, and charter flights through ALG Vacations, destination services and excursions offered through Amstar, and commission fees related to Mr & Mrs Smith for bookings made directly through the platform and through third-party partners.
- *Other revenues*—Other revenues include revenues related to the redemption of free night awards through our co-branded credit programs prior to the integration into the loyalty program during the year ended December 31, 2025 as

discussed below, the paid membership program prior to the UVC Transaction (see Note 4), and the Destination Residential Management business, prior to its sale during the year ended December 31, 2023 (see Note 7).

- *Revenues for reimbursed costs*—Revenues for reimbursed costs represent the reimbursement of costs incurred on behalf of third-party owners and franchisees. These reimbursed costs relate primarily to payroll at managed properties where we are the employer, as well as costs associated with system-wide services and the loyalty program operated on behalf of owners.

The products and services we offer to our customers are comprised of the following performance obligations:

Management and hotel services agreements and franchise agreements

- *Access to Hyatt's IP, including the Hyatt brand names*—We receive sales-based fees from property owners and the Unlimited Vacation Club business in exchange for providing access to our IP, including Hyatt brand names and/or systems. These fees are generally payable monthly as third-party owners, franchisees, and certain unconsolidated hospitality ventures derive value from access to our IP. Fees are recognized over time as services are rendered. Under our franchise agreements, we also receive initial application fees from franchisees, which do not represent a distinct performance obligation. These fees are deferred and recognized in franchise and other fees on our consolidated statements of income (loss) over the expected customer life, which is typically the initial term of the franchise agreement.
- *Management and hotel services agreement services*—Under our management and hotel services agreements, we provide management and hotel services, which form a single performance obligation that qualifies as a series. In exchange, we receive variable consideration in the form of base and/or incentive management fees. Base management fees are generally due and payable monthly, and revenues are recognized over time as services are rendered. Incentive management fees are typically subject to achieving specified profitability targets, and revenues are recognized over time to the extent it is probable that a significant reversal will not occur in a subsequent period. Determining the amount of incentive management fee to recognize requires judgment and is based on internal forecasts and historical performance trends. Incentive management fees are due and payable based on the terms of the agreement, but at a minimum, incentive fees are billed and collected annually.

Under certain management agreements, primarily in the U.S., we are the employer of hotel employees and are reimbursed for employee-related costs with no added margin. These reimbursements are recognized over time as services are rendered in revenues for reimbursed costs on our consolidated statements of income (loss). In arrangements where we are the employer, we have discretion over how employee management services are provided, and therefore, we are the principal.

- *Design services*—We provide certain hotel design and construction review services to third-party owners and franchisees, generally prior to a hotel's opening or during renovation or redevelopment. Design services fees are deferred and recognized over time in franchise and other fees using the percentage-of-completion method based on the achievement of design and/or renovation or construction milestones.
- *System-wide services*—We provide system-wide services on behalf of owners of managed and franchised properties. The promise to provide these services is not a distinct performance obligation as it is attendant to the access to our IP, and therefore is combined with the access to our IP to form a single performance obligation.

We account for system-wide services under a fund model whereby third-party owners and franchisees are invoiced a system-wide assessment fee monthly. We recognize revenues over time as services are provided in revenues for reimbursed costs on our consolidated statements of income (loss). We have discretion over how we spend program funds, and therefore, we are the principal. Expenses related to these system-wide services are recognized as incurred in reimbursed costs on our consolidated statements of income (loss). Over the long term, we intend to manage these programs to break-even and intend to not generate a profit or bear a loss on these services. However, differences in the timing of revenues and expenses recognized will impact our net income (loss).

Room rentals and other services provided at owned and leased hotels

We provide room rentals and other services to our guests, including food and beverage, spa, laundry, and parking. These products and services each represent individual performance obligations, for which we receive fixed amounts based on published rates or negotiated contracts. Payment is due in full at the time the services are rendered or the goods are provided. If a guest enters into a package including multiple goods or services, the fixed price is allocated to each distinct good or service based on the standalone selling price for each item. Revenues are recognized over time as control of the

good or service transfers to the customer. Room rental revenues are recognized daily as the guest occupies the room, and revenues for other products and services are recognized when the product or service is provided to the guest.

We may enter into arrangements with online travel agencies, trade associations, and other entities that require payment to third parties in the form of a commission or rebate based on the revenues generated through that channel. Revenues are recognized gross or net of rebates and commissions, depending on the terms of each contract. Revenues described above are recognized in owned and leased revenues on our consolidated statements of income (loss).

Global travel platform bookings

Through Mr & Mrs Smith, we offer direct booking access primarily to properties that are unaffiliated with our hotel portfolio and operate under other trade names or marks owned by such hotels or licensed by third parties. Mr & Mrs Smith also has arrangements with third-party partners that market hotel offerings through their respective booking channels. In exchange for these bookings, we receive variable consideration representing a commission fee from hotel owners, which is based on the total transaction value of the associated booking. Commission fee revenues are recognized at the time of the guest's stay in distribution revenues on our consolidated statements of income (loss). Certain bookings require prepayment for travel prior to stay. These deposits are deferred until the stay occurs, at which point revenues are recognized in distribution revenues, net of amounts paid to hotel owners or third-party partners.

Distribution and destination management

ALG Vacations offers leisure travel products and services on an individual and package basis, primarily to destinations in Mexico and the Caribbean. These products and services include air transportation, hotel accommodations, travel insurance, car rentals, and ground transportation. Revenues associated with these products and services are recognized in distribution revenues on our consolidated statements of income (loss). We are responsible for providing chartered air transportation through ALG Vacations and ground transportation and excursions through Amstar, and therefore, we are the principal. Revenues are recognized at the time of departure and return. We have certain arrangements in which third-party suppliers are responsible for providing the goods and services, including commercial air transportation, hotel accommodations, travel insurance, car rental reservations, and excursions, and therefore, we are the agent. Revenues are recognized net of the related payments or costs as follows: for commercial air transportation and travel insurance, at the time of booking; for hotel accommodations, as the guest occupies the room; for car rentals, as the customer uses the rental car; and for excursions, on the excursion date.

We receive fixed and variable consideration from these arrangements, which is allocated between the performance obligations based on their relative standalone selling prices. The standalone selling prices are generally determined using a cost plus margin approach or observable transaction prices. Customers pay for travel prior to trip departure, and these deposits are deferred until the transfer of control of the related performance obligation occurs, at which point the related revenues are recognized.

We also earn commissions through global distribution systems related to certain airline, hotel, and car rental bookings that provide the computer systems through which travel supplier inventory is made available and reservations are booked. Revenues are recognized in distribution revenues on our consolidated statements of income (loss) at the time of booking. In addition, we provide advertising services to travel suppliers through various channels. Revenues from advertising are recognized in distribution revenues on our consolidated statements of income (loss) as services are provided.

Loyalty and co-branded credit card programs

Under our management and hotel services agreements and franchise agreements, we administer the World of Hyatt loyalty program for the benefit of participating properties. Loyalty members earn points based on their spend at our properties and through our experience platform; by transacting with our strategic loyalty alliances, including American Airlines and Peloton; or in connection with the co-branded consumer and business credit cards. Loyalty program points can be redeemed for the right to stay at participating properties, as well as for other goods and services from third parties. Points earned by loyalty program members represent a material right to free or discounted goods or services in the future.

With the exception of our co-branded credit card agreement discussed below, the loyalty program has a single performance obligation consisting of marketing and managing the program and arranging for award redemptions by members. These two promises are not distinct because the promise to market and manage the program does not benefit the customer without the related arrangement for award redemptions. The costs of administering the loyalty program are charged to the properties through an assessment fee based on members' qualified expenditures. The assessment fee is billed and collected monthly, and revenues received by the program are deferred until a member redeems points. We are

responsible for arranging for the redemption of free night awards, but we do not directly fulfill the free night obligation at managed and franchised properties, and therefore, we are the agent. We recognize revenues for reimbursed costs on our consolidated statements of income (loss), net of redemption expense paid to managed and franchised hotels. We are the principal with respect to owned and leased hotels. A portion of our owned and leased revenues is deferred upon initial stay as points are earned by program members at owned or leased hotels, and revenues are recognized upon redemption at owned or leased hotels.

Revenues recognized each period are based on the number of loyalty points redeemed and the revenue per point, including estimated breakage. We engage third-party actuaries to assist us in estimating the ultimate redemption ratios used in the breakage calculations and the amount of revenues recognized upon redemption. Changes to the expected ultimate redemption assumptions are reflected in the current period. Any revenues in excess of the anticipated future redemptions are used for the payment of operating costs, which are expensed as incurred and recognized in reimbursed costs on our consolidated statements of income (loss).

During the fourth quarter of 2025, we amended our co-branded credit card agreement with a third-party, and as of the effective date of the amendment, the co-branded credit card programs were integrated into our loyalty program. Under our co-branded credit card agreement, we have performance obligations to grant a license to the Hyatt name, arrange for the redemption of loyalty points issued to cardholders, and award cardholders with free room nights upon achievement of certain program milestones. The loyalty points and free night awards represent material rights that can be redeemed for free or discounted services in the future.

Under the co-branded credit card agreement, we receive fixed and variable consideration, which is allocated between the performance obligations based on their relative standalone selling prices. We may receive prepayments from our third-party partner for certain future services, which are deferred and recognized as revenues as the services are provided. Judgment is involved in determining the relative standalone selling prices. To estimate revenues allocated to each performance obligation, we use discounted cash flow models. We use a relief from royalty method to determine the revenues allocated to the license, and the revenues are recognized over time as the licensee derives value from access to our brand name in franchise and other fees on our consolidated statements of income (loss). In order to estimate the revenues allocated to loyalty points and free night awards, we use a cost plus margin approach. The standalone selling prices are determined using assumptions and judgments, including projected cardholder activity, royalty rates, discount rates, margin, and estimated breakage for loyalty points and free night awards. Revenues allocated to loyalty points and free night awards are deferred and recognized as revenues upon redemption or expiration, net of redemption expense when we are the agent. We are responsible for arranging for the redemption of free night awards, but we do not directly fulfill the free night obligation except at owned and leased hotels. Therefore, we are the agent for managed and franchised hotels, and we are the principal with respect to owned and leased hotels. The costs of managing the co-branded credit card programs are recognized as operating costs of our loyalty program in reimbursed costs on our consolidated statements of income (loss).

Prior to the integration, certain amounts related to our co-branded credit card programs were recognized in other revenues, other direct costs, and general and administrative expenses on our consolidated statements of income (loss). Following the integration into the loyalty program, these amounts are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss). License fee revenues continue to be recognized within franchise and other fees.

Methodology, Practical Expedients, and Exemptions

We satisfy the following performance obligations over time: access to our IP, services provided under management and hotel services agreements, administration of the loyalty program, and the license of our brand name through our co-branded credit card agreements. Each of these performance obligations is considered a sales-based royalty or a series of distinct services, and although the activities to fulfill each of these promises may vary from day to day, the nature of each promise is the same and the customer benefits from the services every day.

For each performance obligation satisfied over time, we recognize revenues using an output method based on the value transferred to the customer. Revenues are recognized based on the transaction price and the observable outputs related to each performance obligation. We deem the following to represent our progress in satisfying these performance obligations:

- revenues and operating profits earned by the hotels and certain unconsolidated hospitality ventures during the reporting period for access to Hyatt's IP as it is indicative of the value third-party owners, franchisees, and the Unlimited Vacation Club business derive;
- achievement of design and/or renovation or construction milestones for hotel design and construction review services;
- revenues and operating profits of the hotels and certain unconsolidated hospitality ventures for the promise to provide services to the hotels and Unlimited Vacation Club business under management and hotel services agreements;
- award night redemptions or point redemptions with strategic loyalty alliance partners for the administration of the loyalty program performance obligation; and
- cardholder spend for the license to the Hyatt name through our co-branded credit card programs as it is indicative of the value our partner derives from the use of our name.

Within our management and hotel services agreements, we have two performance obligations: providing access to our IP and providing management and hotel services. Both obligations represent services that are satisfied over time, and we recognize revenues using an output method based on hotel performance. Therefore, we have not allocated the transaction price between these two performance obligations as the allocation would result in the same pattern of revenue recognition.

Revenues are adjusted for the effects of a significant financing component when the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year.

We have applied the practical expedient that permits the omission of prior-period information about revenues allocated to future performance obligations, and we do not estimate revenues allocated to remaining performance obligations for the following:

- deferred revenue related to the loyalty program, base management fees, and incentive management fees as the revenues are allocated to a wholly unperformed performance obligation in a series;
- revenues related to royalty fees as they are considered sales-based royalty fees;
- revenues received for free night awards granted through our co-branded credit card programs as the awards have an original duration of 12 months;
- revenues related to advanced bookings at owned and leased hotels as each stay has a duration of 12 months or less; and
- revenues related to ALG Vacations and Mr & Mrs Smith distribution services as bookings are generally for travel within 12 months or less.

Contract Balances—Our payments from customers are based on the billing terms established in our contracts. Customer billings are recorded as accounts receivable when our right to consideration is unconditional. If our right to consideration is conditional on future performance under the contract, the balance is recorded as a contract asset in receivables, net on our consolidated balance sheets. Due to profitability hurdles in certain management and hotel services agreements, incentive management fees are considered contract assets until the risk related to achieving the profitability metric no longer exists. When the profitability hurdle is met, the incentive management fee receivable is recorded in accounts receivable in receivables, net on our consolidated balance sheets. Payments received in advance of performance under the contract are recorded as current or long-term contract liabilities on our consolidated balance sheets and recognized as revenues as we perform under the contract.

Foreign Currency—The functional currency of our consolidated entities located outside the U.S. is generally the local currency. Assets and liabilities of these entities are translated into U.S. dollars at period-end exchange rates, and the related gains and losses, net of applicable deferred income taxes, are recorded in accumulated other comprehensive income (loss) on

our consolidated balance sheets. Gains and losses from foreign currency transactions, including those related to intercompany receivables and payables, are recognized in other income (loss), net on our consolidated statements of income (loss).

Fair Value—We apply the provisions of fair value measurement to various financial instruments, which we measure at fair value on a recurring basis, and to various financial and nonfinancial assets and liabilities, which we measure at fair value on a nonrecurring basis. We disclose the fair value of our financial assets and liabilities based on observable market information, where available, or market participant assumptions. These assumptions are subjective in nature and require judgment. When determining fair value, we maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are as follows:

- Level One—Fair values based on unadjusted quoted prices in active markets for identical assets and liabilities;
- Level Two—Fair values based on quoted market prices for similar assets and liabilities in active markets, quoted prices in inactive markets for identical assets and liabilities, and inputs other than quoted market prices that are observable for the asset or liability; and
- Level Three—Fair values based on inputs that cannot be corroborated by observable market data and reflect the use of significant management judgment. Valuation techniques may include discounted cash flow models, certain of which utilize probability weighting, and similar techniques and may be internally developed.

We recognize transfers in and transfers out of the levels of the fair value hierarchy at the end of each quarterly reporting period.

We typically utilize market and income approaches for valuing our financial instruments. The market approach uses prices and information generated by market transactions involving identical or similar assets and liabilities, and the income approach uses valuation techniques to convert future cash flows or earnings to a single, discounted present value. When inputs fall within different levels of the fair value hierarchy, the classification is determined based on the lowest-level input that is significant to the fair value measurement in its entirety. Our assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of fair value assets and liabilities within the fair value hierarchy.

The carrying values of our current financial assets and current financial liabilities approximate fair values with the exception of debt and equity securities as discussed below and in Note 4 and financing receivables as discussed in Note 6. The fair value of long-term debt is discussed in Note 11, and the fair value of our guarantee liabilities and contingent consideration receivables and liabilities is discussed below and in Note 4, Note 7, and Note 15. We do not have nonfinancial assets or nonfinancial liabilities required to be measured at fair value on a recurring basis.

Cash Equivalents—We consider all highly liquid investments with an original maturity of three months or less at the date of purchase to be cash equivalents. Except for time deposits as discussed below and in Note 4, cash equivalents are classified as Level One in the fair value hierarchy.

Restricted Cash—We classify cash deposited or held in escrow under contractual or regulatory requirements as restricted cash.

Variable Interest Entities—At the inception of each arrangement, we determine whether the entity in which we have made an investment or in which we have other variable interests is a VIE. We consolidate a VIE when we are the primary beneficiary, which occurs when we have both the power to direct activities that most significantly affect the VIE's economic performance and the obligation to absorb losses or the right to receive benefits that could be significant to the VIE. If we are not the primary beneficiary, we account for the investment or other variable interests in a VIE in accordance with the applicable GAAP. Quarterly, we determine whether any changes in the interest or relationship with the entity impact the determination of whether we are still the primary beneficiary. For additional information about VIEs, see Note 4.

Equity Method Investments—We have investments in unconsolidated hospitality ventures accounted for under the equity method. When we receive distributions, we determine whether they represent a return on or return of our investment based on the underlying nature of the distribution. Certain equity method investments are reported on a lag of up to three months. When intervening events occur during the time lag, we recognize the impact in our consolidated financial statements.

We assess equity method investments for impairment quarterly, and when there is an indication that a loss in value has occurred, we may evaluate the carrying value in comparison to the estimated fair value of the investment, among other factors, to determine if the loss in value is other than temporary. Fair value is determined using internally developed discounted cash flow models, third-party appraisals, and, if appropriate, pending third-party offers. The discounted cash flow approach utilizes assumptions requiring judgment, including projected cash flows, discount rates, and capitalization rates, which are primarily Level Three inputs.

In determining whether a loss in value is other than temporary, we apply judgment and consider factors such as the duration and severity of the decline, financial condition and near-term financial projections, our intent and ability to recover the lost value, and current economic conditions. If the estimated fair value is less than the carrying value and the loss in value is deemed other than temporary, we recognize an impairment charge in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss).

For additional information about equity method investments, see Note 4.

Debt and Equity Securities—Excluding equity method investments, debt and equity securities consist of the following:

- Equity securities consist of interest-bearing money market funds, mutual funds, exchange-traded funds, common shares, and preferred shares. Equity securities with a readily determinable fair value are recorded at fair value based on listed market prices or dealer quotations, where available, and are classified as Level One in the fair value hierarchy. Equity securities without a readily determinable fair value are recorded at cost, less impairment, adjusted for observable price changes in orderly transactions for identical or similar investments of the same issuer. Realized and unrealized gains and losses, as well as impairment charges, are recognized in other income (loss), net on our consolidated statements of income (loss).
- Debt securities include preferred shares, time deposits, and fixed income instruments, including U.S. government obligations, other government agency obligations, corporate debt, mortgage-backed and asset-backed securities, and municipal and provincial notes and bonds. Debt securities are classified as trading, available-for-sale ("AFS"), or HTM.
 - Trading securities are recorded at fair value based on listed market prices or dealer quotations, where available. Realized and unrealized gains and losses are recognized in net gains (losses) and interest income from marketable securities held to fund rabbi trusts or other income (loss), net on our consolidated statements of income (loss), depending on the nature of the investment.
 - AFS securities are recorded at fair value based on listed market prices or dealer quotations, where available, and where not available, we generally utilize a Monte Carlo simulation to model the probability of possible outcomes. Unrealized gains and losses are recorded in accumulated other comprehensive income (loss) on our consolidated balance sheets, and realized gains and losses are recognized in other income (loss), net on our consolidated statements of income (loss). AFS securities are assessed for expected credit losses quarterly. Credit losses are recognized in other income (loss), net on our consolidated statements of income (loss), to the extent the fair value is less than the amortized cost. In determining the allowance for credit losses, we evaluate AFS securities at the individual security level and consider our investment strategy, current market conditions, the financial strength of the underlying investments, term to maturity, credit ratings, and our intent and ability to sell the securities.
 - HTM securities are investments that we have the intent and ability to hold until maturity and are recorded at amortized cost, net of expected credit losses and unamortized discounts calculated using an imputed interest rate. HTM securities are assessed for expected credit losses quarterly. Credit losses are recognized in other income (loss), net on our consolidated statements of income (loss). In determining the allowance for credit losses, we evaluate HTM securities individually due to the unique risks associated with each security and consider the financial strength of the underlying assets, including the current and forecasted performance of the property, term to maturity, credit quality of the owner, and current market conditions. We determine if HTM securities are nonperforming based on facts and circumstances of the individual security. Nonperforming securities are placed on nonaccrual status.

We classify debt securities as current or long-term based on their contractual maturity dates and our intent and ability to hold the investment. Our debt securities are primarily classified as Level Two in the fair value hierarchy. Time deposits are recorded at par value, which approximates fair value, and are therefore classified as Level Two. The remaining securities, other than our investments in preferred shares, are classified as Level Two due to the use and weighting of multiple market inputs being considered in the final price of the security. Preferred equity investments are classified as Level Three as discussed in Note 4.

Interest income on preferred equity investments that earn a return is recognized in other income (loss), net on our consolidated statements of income (loss). Accrued interest is included in the amortized cost of the security, when applicable. For investments on nonaccrual status, interest income is recognized when cash is received. When the investment becomes contractually current and collection doubts are removed, accrual of interest income resumes and any associated allowance for credit losses may be reversed.

For additional information about debt and equity securities, including balance sheet classification, see Note 4 and Note 7.

Accounts Receivables—Our accounts receivables primarily consist of amounts due from the following: third-party owners and franchisees with whom we have management and hotel services agreements and franchise agreements for services rendered and reimbursement of costs incurred; the unconsolidated hospitality venture that owns the Unlimited Vacation Club business for management services and licensing of certain of our brands; guests at owned and leased hotels for services rendered; third-party financial institutions for credit and debit card transactions; customers using our distribution services through ALG Vacations and Mr & Mrs Smith; and a third-party partner associated with our co-branded credit card programs.

We assess accounts receivables for credit losses quarterly and establish an allowance to reflect the net amount expected to be collected based on historical collection activity, geographic considerations, and/or current economic conditions. We have applied the practical expedient to assume that current conditions at each reporting date do not change for the remaining life of the receivable. The allowance for credit losses is recognized in general and administrative expenses, owned and leased expenses, or distribution expenses on our consolidated statements of income (loss), depending on the nature of the receivable.

For additional information about accounts receivables, see Note 6.

Financing Receivables—Financing receivables represent contractual rights to receive money on demand or on fixed or determinable dates and are recorded on our consolidated balance sheets at amortized cost, net of expected credit losses and unamortized discounts calculated using an imputed interest rate. We classify financing receivables as current or long-term based on their contractual maturity dates and/or repayment terms in receivables, net and financing receivables, net, respectively, on our consolidated balance sheets. Interest income is recognized as earned, and accrued interest is included in the amortized cost of the receivable.

We may provide seller financing in connection with dispositions. Seller financing is generally accounted for as a significant financing component and recorded as a financing receivable on our consolidated balance sheets. The fair value of such receivables is estimated upon sale using discounted cash flow models that require assumptions and judgments related to discount rates and expected timing of payments, which are primarily Level Three inputs.

Our financing receivables represent one portfolio segment based on the level at which we develop and document a systematic methodology to determine the allowance for credit losses. Based on initial measurement attributes, risk characteristics, and our method for monitoring and assessing credit risk, we have identified the following classes of financing receivables within our portfolio segment:

- Secured financing to hotel owners—Consists of junior and senior secured mortgage loans collateralized by underlying hotel properties.
- Unsecured financing to hotel owners and unconsolidated hospitality ventures—Consists of individual loans provided to hotel owners and unconsolidated hospitality ventures. These financing receivables are generally subordinate to senior financing and have stated maturities and interest rates.
- Deferred fee arrangements—Primarily includes accounts receivables from certain third-party owners, franchisees, and/or unconsolidated hospitality ventures that are at least 90 days past due and for which we have agreed to defer and finance repayment over time. Repayment terms vary and may be dependent on future cash flows of the property or business.

We individually assess financing receivables for expected credit losses quarterly and establish an allowance to reflect the net amount expected to be collected. We estimate credit losses based on an analysis of several factors, including current economic conditions, industry trends, and/or specific risk characteristics of the financing receivable, including capital structure, loan performance, market factors, and/or the underlying hotel or business performance. For certain financing receivables and other financing arrangements with the same borrower, we may utilize discounted cash flow models to estimate credit losses. When we estimate credit losses using a method other than a discounted cash flow approach, we evaluate accrued interest allowances separately from the financing receivable assets. Adjustments to credit losses are recognized in other income (loss), net or general and administrative expenses on our consolidated statements of income (loss), depending on the nature of the financing receivable.

On an ongoing basis, we monitor the credit quality of our financing receivables based on historical and expected future payment activity. We determine if financing receivables are nonperforming based on facts and circumstances of the individual receivable, including if interest or principal is greater than 90 days past due based on the contractual terms of the individual financing receivables or if an allowance has been established for our other financing arrangements with the same borrower. Nonperforming financing receivables are placed on nonaccrual status. For receivables on nonaccrual status, interest income is

recognized in other income (loss), net on our consolidated statements of income (loss) when cash is received. When the receivable becomes contractually current and collection doubts are removed, accrual of interest income resumes and any associated allowance for credit loss may be reversed.

After an allowance for credit losses has been established, we may determine the receivable is uncollectible when all commercially reasonable means of recovering the receivable have been exhausted. We write off uncollectible balances by reversing the financing receivable and the related allowance for credit losses.

Financing receivables acquired in a business combination or other purchase arrangements that have experienced more-than-insignificant deterioration in credit quality since origination are considered purchased with credit deterioration ("PCD") assets. PCD assets are accounted for at the purchase price or acquisition date fair value adjusted for expected credit losses to establish an initial amortized cost basis. We use certain indicators, such as past due status and specific risk characteristics of the financing receivable, including capital structure, loan performance, market factors, and/or the underlying hotel performance, to identify and assess PCD assets.

For additional information about financing receivables, see Note 6.

Inventories—Inventories primarily consist of operating supplies and equipment that generally have a consumption period of two years or less and food and beverage items at our owned and leased hotels, which are generally valued at the lower of cost (first-in, first-out) or net realizable value.

Property and Equipment and Definite-Lived Intangible Assets—Property and equipment is stated at cost, including interest incurred during development and construction periods, less accumulated depreciation. Definite-lived intangible assets are recorded at the acquisition date fair value, less accumulated amortization. Depreciation and amortization are recognized over the estimated useful lives of the assets, primarily using the straight-line method.

Property and equipment are depreciated over the following useful lives:

Buildings and improvements	10–50 years
Leasehold improvements	The shorter of the lease term or useful life of asset
Furniture and equipment	3–20 years
Computers	3–7 years

Definite-lived intangible assets are amortized over the following useful lives:

Management and hotel services agreement and franchise agreement intangibles	5–31 years
Customer relationships intangibles	4–12 years
Other intangibles	Varies based on the nature of the asset

We assess property and equipment and definite-lived intangible assets for impairment quarterly, and when events or circumstances indicate the carrying value may not be recoverable, we evaluate the net book value of the assets by comparing it to the projected undiscounted cash flows of the assets. Under the undiscounted cash flow approach, the primary assumption requiring judgment is our estimate of projected operating cash flows, which are based on historical data, internal estimates, and/or external resources, which are primarily Level Three inputs.

If the projected undiscounted cash flows are less than the net book value of the assets, the fair value is determined based on internally developed discounted cash flows of the assets, third-party appraisals or broker valuations, or, if appropriate, pending third-party offers. The discounted cash flow approach requires assumptions and judgments related to projected cash flows, discount rates, and capitalization rates. The excess of the net book value over the estimated fair value is recognized in asset impairments on our consolidated statements of income (loss).

We evaluate the carrying value of our property and equipment and definite-lived intangible assets based on our plans, at the time, for such assets and consider qualitative factors such as future development in the surrounding area, status of local competition, and any significant adverse changes in the business climate. Changes to our plans, including a decision to dispose of or change the intended use of an asset, may have a material impact on the carrying value of the asset.

For additional information about property and equipment and definite-lived intangible assets, see Note 5 and Note 9, respectively.

Leases—We primarily lease land, buildings, office space, and equipment. We determine whether an arrangement is an operating or finance lease at inception. For management and hotel services agreements, we apply judgment to determine whether the contract is accounted for as a lease or management or hotel services agreement based on the specific facts and circumstances, including which party controls the assets and obtains substantially all of the economic benefits.

Certain leases include extension options ranging from approximately 1 to 25 years. Lease extension options that we are reasonably certain to exercise are included in our operating lease ROU assets and lease liabilities. Our lease agreements do not contain any significant residual value guarantees or restrictive covenants.

Because our leases do not provide an implicit borrowing rate, we estimate an incremental borrowing rate ("IBR") to determine the present value of our lease payments and apply a portfolio approach. Estimating the IBR requires judgment, including assumptions related to currency risk and our credit risk, and consideration of our recent debt issuances and publicly available data for instruments with similar characteristics.

Our operating leases may include the following terms: (i) fixed minimum lease payments, (ii) variable lease payments based on a percentage of the hotel's profitability measure, as defined in the lease, (iii) lease payments equal to the greater of a fixed minimum or variable amount based on a percentage of the hotel's profitability measure, as defined in the lease, (iv) lease payments adjusted for changes in an index or market value, or (v) variable lease payments based on a percentage split of the total gross revenues, as defined in the lease. Future contingent lease payments are excluded from the measurement of the operating lease liability. Minimum lease payments are recognized on a straight-line basis over the lease term and contingent lease payments are expensed as incurred. Operating lease expenses are recognized in general and administrative expenses, owned and leased expenses, and distribution expenses on our consolidated statements of income (loss), depending on the nature of the lease.

For office space, land, and building leases, we do not separate the lease and nonlease components, which primarily relate to common area maintenance and utilities. We combine lease and nonlease components for leases where we are the lessor, and we exclude leases with terms of 12 months or less from our operating lease ROU assets and lease liabilities.

We assess operating lease ROU assets for impairment quarterly, and when events or circumstances indicate the carrying value may not be recoverable, we evaluate the net book value of the assets by comparing it to the projected undiscounted cash flows of the assets. If the carrying value is determined to not be recoverable and is in excess of the estimated fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income (loss).

For additional information about leases, see Note 8.

Acquisitions—We evaluate the facts and circumstances of each acquisition to determine whether it is accounted for as an asset acquisition or a business combination.

Under management supervision, third-party valuation specialists estimate the fair value of assets or businesses acquired using recognized valuation methods, including the income, cost, and/or market approaches, primarily using Level Three inputs. Assumptions include historical financial results, projected cash flows, discount rates, capitalization rates, royalty rates, current market conditions, likelihood of contract renewals, and comparable transactions. In business combinations, the fair value is allocated to tangible and intangible assets and liabilities, with any remaining value assigned to goodwill. In asset acquisitions, any difference between the consideration paid and the fair value of the assets acquired is allocated across the identified assets based on the relative fair value.

The results of operations of acquired properties or businesses are included in our consolidated statements of income (loss) beginning on the acquisition date. Assets acquired, liabilities assumed, and any noncontrolling interest in the acquiree are recorded at fair value on our consolidated balance sheets as of the acquisition date. Purchase price allocations in business combinations may be based on preliminary estimates and assumptions and are subject to revision during the measurement period, which is up to one year from the date of acquisition.

For additional information about acquisitions, see Note 7.

Contingent and Non-cash Consideration—As part of our acquisitions and dispositions, we may enter into contingent consideration arrangements whereby the buyer pays the seller additional consideration after transaction close upon the achievement of certain milestones, performance-based metrics, or other objectives as specified in the related agreement. In conjunction with dispositions, we may receive non-cash consideration, such as preferred shares in the buyer entity or its affiliates.

Contingent consideration payable arising from acquisitions is recorded at fair value as a liability on the acquisition date and remeasured quarterly. Fair value is typically estimated using a Monte Carlo simulation and requires assumptions and

judgments related to discount rates, the probability of achieving the contractual objectives, and/or expected timing of payments, which are primarily Level Three inputs. Contingent consideration liabilities are recorded in accrued expenses and other current liabilities or other long-term liabilities on our consolidated balance sheets. Changes in fair value are recognized in other income (loss), net on our consolidated statements of income (loss).

We may be entitled to contingent consideration receivable as a result of dispositions. Non-cash consideration and contingent consideration receivable arising from sales of businesses and ownership interests in unconsolidated hospitality ventures are recorded at fair value as assets upon sale. Fair value is typically estimated using a Monte Carlo simulation or a probability-based discounted cash flow approach and requires assumptions and judgments related to probability weighting, discount rates, volatility, estimated probability of achieving the contractual objectives, operating results, and/or expected timing of payments, which are primarily Level Three inputs. Contingent consideration receivables arising from asset dispositions are recorded as contract assets using the expected value method and are estimated using a Monte Carlo simulation to model the probability of possible outcomes.

Contingent consideration receivables are recorded in receivables, net or other assets on our consolidated balance sheets. Changes in the carrying value of contingent consideration receivables related to business dispositions are recognized when realizable, and if it is determined that the contingent consideration receivable is not recoverable, a loss is recognized in gains (losses) on sales of real estate and other or equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss), depending on the nature of the transaction. We assess contingent consideration receivables related to asset dispositions on a recurring basis, and changes are recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss).

Non-cash consideration is generally recorded in other assets on our consolidated balance sheets based on the underlying nature of the consideration.

For additional information about contingent and non-cash consideration, see Note 3, Note 7, and Note 15.

Goodwill—Goodwill represents the future economic benefits arising from assets acquired in a business combination that are not individually identified or separately recognized. We evaluate goodwill for impairment by performing a quantitative assessment annually during the fourth quarter, using balances at October 1, and at interim dates if a triggering event occurs.

Fair value is estimated using income and/or market approaches and valuation models that are either internally developed or prepared by third-party valuation specialists, third-party appraisals or broker valuations, and, if appropriate, pending third-party offers. Income-based valuations require assumptions and judgment related to projected cash flows, discount rates, and capitalization rates, which are primarily Level Three inputs. For one of our reporting units, we apply a weighting of an income-based approach and a market-based approach, which utilizes the guideline public companies method and is based on earnings multiples of publicly traded peer group companies. If the carrying value exceeds the fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income (loss) based on the amount by which the carrying value of the reporting unit exceeded the fair value, limited to the carrying amount of goodwill.

For additional information about goodwill, see Note 9.

Indefinite-Lived Intangible Assets—We acquired certain brand and other indefinite-lived intangible assets through asset acquisitions and business combinations. These assets are evaluated for impairment annually during the fourth quarter, using balances at October 1, and at interim dates if indicators of impairment exist. Fair value is estimated using the relief from royalty method and valuation models that are either internally developed or prepared by third-party valuation specialists and require assumptions and judgments related to projected cash flows, discount rates, and market royalty rates, which are primarily Level Three inputs. If the carrying value exceeds the fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income (loss).

For additional information about indefinite-lived intangible assets, see Note 9.

Guarantees—We enter into performance guarantees related to certain managed hotels and debt repayment and other guarantees with respect to certain unconsolidated hospitality ventures, hospitality venture partners, and managed or franchised hotels. In addition, we provide indemnifications as a result of certain dispositions for liabilities incurred prior to sale. We record guarantee liabilities at fair value at inception. The nonrecurring fair value is typically estimated using either scenario-based weighting, which utilizes a Monte Carlo simulation or a probability-based weighting approach, or the with and without method. The valuation methodology includes assumptions and judgments related to probabilities, discount rates, volatility, hotel operating results, hotel property sales prices, and expected timing of cash flows, which are primarily Level Three inputs. The corresponding non-cash offset depends on the circumstances in which the guarantee was issued and is generally recorded to equity method investments or key money assets on our consolidated balance sheets. Guarantee liabilities are amortized into

income over the term of the guarantee using a systematic and rational, risk-based approach in other income (loss), net or equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss), depending on the nature of the guarantee.

- **Performance and other guarantees**—Quarterly, we evaluate the likelihood of funding under a guarantee. To the extent we determine an obligation to fund is both probable and estimable based on performance during the period or facts and circumstances of the underlying indemnification liability, we record a separate contingent liability and recognize expense in other income (loss), net on our consolidated statements of income (loss).
- **Debt repayment guarantees**—At inception and quarterly, we evaluate the risk of funding under the guarantee and estimate expected credit losses. We assess credit risk based on the historical, current, and forecasted performance of the underlying property, whether the property owner is current on debt service, and current market conditions. To the extent we determine expected credit losses are probable, we record a separate liability and recognize expense in other income (loss), net or equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss), depending on the nature of the guarantee.

For additional information about guarantees, see Note 4, Note 7, and Note 15.

Income Taxes—We account for income taxes to recognize the amount of taxes payable or refundable for the current year and the amount of deferred tax assets and liabilities resulting from the future tax consequences of differences between the financial statements and tax basis of the respective assets and liabilities. We assess the realizability of our deferred tax assets and record a valuation allowance when it is more likely than not that some or all of our deferred tax assets are not realizable. This assessment is completed by tax jurisdiction and relies on the weight of both positive and negative evidence available with significant weight placed on recent financial results. When necessary, we use systematic and logical methods to estimate when deferred tax liabilities will reverse and generate taxable income and when deferred tax assets will reverse and generate tax deductions.

We recognize the financial statement effect of a tax position when, based on the technical merits of the uncertain tax position, it is more likely than not to be sustained on a review by taxing authorities. We review these estimates and make changes to recorded amounts of uncertain tax positions as facts and circumstances warrant.

For additional information about income taxes, see Note 14.

Stock-Based Compensation—As part of our LTIP and the Playa Hotels Plan, we award time-vested stock appreciation rights ("SARs"), time-vested restricted stock units ("RSUs"), and performance-vested restricted stock units ("PSUs") to certain employees and non-employee directors. In addition, non-employee directors may elect to receive their annual fees and/or annual equity retainers in the form of shares of our Class A common stock. Under the LTIP and the Playa Hotels Plan, we are authorized to issue up to 29,346,000 shares:

- **SARs**—Each vested SAR gives the holder the right to the difference between the value of one share of our Class A common stock at the exercise date and the value of one share of our Class A common stock at the grant date.

SARs are valued using the closing stock price of our Class A common stock at the grant date and assumptions under the Black-Scholes-Merton option-pricing model. SARs generally vest 25% annually over four years, beginning on the first anniversary of the grant date, and can be exercised over their contractual life in accordance with the LTIP. All SARs have a 10-year contractual term, are settled in shares of our Class A common stock, and are accounted for as equity instruments.

Compensation expense is recognized on a straight-line basis from the grant date through the requisite service period, which is generally the vesting period, unless the employee meets retirement eligibility criteria resulting in immediate recognition. Forfeitures are recognized as they occur.

- **RSUs**—Each vested RSU will generally be settled by delivery of a single share of our Class A common stock and therefore is accounted for as an equity instrument. In limited circumstances, we grant cash-settled RSUs, which are recorded as liability instruments.

RSUs are valued using the closing stock price of our Class A common stock at the grant date. Awards are generally settled as each tranche vests. Compensation expense is recognized over the requisite service period of the individual grant, which is generally a vesting period of one to four years, unless the employee meets retirement eligibility criteria resulting in immediate recognition. Forfeitures are recognized as they occur.

In certain circumstances, we grant time-vested RSUs with performance conditions that vest based on continued employment and the achievement of specified performance-vesting conditions that are established annually and eligible to be earned in tranches. Generally, these RSUs fully vest and settle in Class A common stock to the extent performance requirements for the applicable tranche are achieved, and if the requisite service period, which is generally three to five years, is satisfied. The value of the RSUs is set at award issuance or is determined using the closing stock price of our Class A common stock at the grant date. Because performance conditions are established annually, each tranche typically has a separate grant date. During the year ended December 31, 2024, we issued \$15 million of these RSUs, of which \$9 million had not met the grant date criteria and were therefore not deemed granted at December 31, 2025. We did not issue these RSUs during the years ended December 31, 2025 and December 31, 2023.

- *PSUs*—PSUs vest and are settled in Class A common stock based on Company performance over the applicable performance period relative to specified performance targets and are generally subject to continued employment through the end of the performance period. PSUs vest only if applicable performance thresholds and service requirements are satisfied, with no interim performance metrics, except in certain change in control transactions.

PSUs are valued using the closing stock price of our Class A common stock at the grant date. Certain PSUs include a relative total shareholder return ("TSR") modifier to determine the number of shares earned at the end of the performance period. Under management supervision, third-party valuation specialists estimate the fair value of the PSUs with a TSR modifier using a Monte Carlo simulation that includes assumptions related to the risk-free interest rate, expected volatility, and annual dividend yield. Generally, the fair value of the PSUs estimated using a Monte Carlo simulation does not significantly differ from the fair value based on the grant date stock price.

Compensation expense is recognized over the requisite performance period, which is generally a vesting period of approximately one to six years, based on management's quarterly assessment of the expected achievement relative to the applicable performance targets. Forfeitures are recognized as they occur.

For additional information about stock-based compensation, including where we recognize compensation expense on our consolidated statements of income (loss), see Note 17.

Restructuring Costs—We provide certain benefits to employees impacted by restructuring activities, including severance, insurance benefits, and special or contractual termination benefits such as outplacement services, and we may incur other related costs such as advisory fees. Restructuring costs are recognized in other income (loss), net on our consolidated statements of income (loss) when restructuring activities are probable and the amounts are estimable.

Transaction and Integration Costs—We incur transaction costs for potential and completed transactions, primarily related to professional fees for acquisitions and dispositions, as well as integration costs primarily related to the integration of recently acquired businesses, including certain compensation expenses, professional fees, sales and marketing expenses, and technology expenses. We recognize transaction costs for potential acquisitions and dispositions and integration costs in transaction and integration costs on our consolidated statements of income (loss) in the period incurred. Acquisition-related costs incurred in conjunction with completed business combinations are recognized in transaction and integration costs on our consolidated statements of income (loss). In asset acquisitions, these costs are included in the total consideration paid and allocated to the acquired assets. During the period of a completed disposition and thereafter, transaction costs are recognized in gains (losses) on sales of real estate and other or equity earnings (losses) from unconsolidated hospitality ventures, depending on the nature of the transaction, on our consolidated statements of income (loss).

Loyalty Program—The loyalty program is primarily funded through contributions from participating properties and strategic loyalty alliances based on members' eligible revenues, returns on marketable securities, and certain payments received pursuant to our co-branded credit card programs. Program funds are generally invested in marketable securities, which are included in cash and cash equivalents, short-term investments, and other assets on our consolidated balance sheets (see Note 4). From time to time, excess funds may be loaned to the Company at a market interest rate. Such loans are repayable on demand, if needed to fund expenses of the loyalty program. The costs of administering the loyalty program, including estimated award redemption costs, are charged to the participating properties and strategic loyalty alliances based on members' qualified expenditures.

Advertising Costs—We expense costs to produce advertising in the period incurred and costs to communicate advertising as the communication occurs. Advertising costs are generally reimbursed by our third-party owners and franchisees and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss). Certain advertising costs associated with our distribution segment are not reimbursable. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we recognized \$58 million, \$67 million, and \$67 million, respectively, of advertising costs in distribution expenses on our consolidated statements of income (loss).

Government Assistance—We receive government subsidies, primarily in the form of cash, related to payroll and related expenses. Subsidies are recorded when there is reasonable assurance that the conditions will be met and the assistance will be received and are recognized as a benefit against the related expense on our consolidated statements of income (loss) over the period that the subsidies are intended to compensate. Government assistance received primarily relates to programs under the Coronavirus Aid, Relief, and Economic Security Act and the American Rescue Plan Act of 2021, including an employee retention and COBRA-related refundable tax credits. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we received \$1 million, \$2 million, and \$19 million, respectively, of cash assistance related to these programs. At December 31, 2025 and December 31, 2024, we had \$4 million and \$5 million, respectively, related to these programs recorded in receivables, net on our consolidated balance sheets.

Adopted Accounting Standards

Income Taxes—In December 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2023-09 ("ASU 2023-09"), *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*. ASU 2023-09 requires enhanced annual income tax disclosures for disaggregation of effective tax rate reconciliation categories and income taxes paid by jurisdiction. The provisions of ASU 2023-09 are effective for fiscal years beginning after December 15, 2024. We adopted the provisions of ASU 2023-09 for the year ended December 31, 2025 on a prospective basis and included enhanced disclosures on our consolidated statements of cash flows and in Note 14.

Credit Losses—In July 2025, the FASB issued Accounting Standards Update No. 2025-05 ("ASU 2025-05"), *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. ASU 2025-05 provides a practical expedient permitting an entity to assume that conditions at the balance sheet date remain unchanged over the life of the asset when estimating expected credit losses for current accounts receivable and current contract assets arising from transactions accounted for under Accounting Standards Codification 606, *Revenue from Contracts with Customers*. The provisions of ASU 2025-05 are effective for fiscal years beginning after December 15, 2025 and interim periods within those fiscal years, with early adoption permitted, and are to be applied prospectively. We early adopted the provisions of ASU 2025-05 in the fourth quarter of 2025 and elected to apply the practical expedient. ASU 2025-05 did not materially impact our consolidated financial statements upon adoption.

Future Adoption of Accounting Standards

Disclosure Improvements—In October 2023, the FASB issued Accounting Standards Update No. 2023-06 ("ASU 2023-06"), *Disclosure Improvements: Codification Amendments in Response to the SEC's Disclosure Update and Simplification Initiative*. ASU 2023-06 modifies the disclosure and presentation requirements for certain FASB Accounting Standards Codification topics to align with SEC regulations. The effective date for each amendment will be the date on which the SEC's removal of that related disclosure from its regulations becomes effective, if the SEC removes the disclosure by June 30, 2027. The provisions of ASU 2023-06 are to be applied prospectively, with early adoption prohibited. We do not expect the adoption of ASU 2023-06 to have a material impact on our consolidated financial statements and accompanying Notes.

Expense Disaggregation Disclosures—In November 2024, the FASB issued Accounting Standards Update No. 2024-03 ("ASU 2024-03"), *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. ASU 2024-03 requires disclosure of disaggregated information about certain costs and expenses presented on the consolidated statements of income (loss), including purchases of inventory, employee compensation, depreciation, and intangible asset amortization. The provisions of ASU 2024-03 are effective for fiscal years beginning after December 15, 2026 and interim periods within fiscal years beginning after December 15, 2027, with early adoption permitted, as clarified by Accounting Standards Update No. 2025-01, *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Clarifying the Effective Date*, and may be applied either prospectively or retrospectively for any or all prior periods presented. We are currently assessing the impact of adopting ASU 2024-03.

Internal-Use Software—In September 2025, the FASB issued Accounting Standards Update No. 2025-06 ("ASU 2025-06"), *Intangibles—Goodwill and Other—Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software*. ASU 2025-06 removes all references to prescriptive and sequential software development stages and requires entities to begin capitalizing software costs when both of the following occur: (1) management authorizes and commits to funding the software project and (2) it is probable that the project will be completed and the software will be used for its intended purpose. The provisions of ASU 2025-06 are effective for fiscal years beginning after December 15, 2027 and interim periods within those fiscal years, with early adoption permitted, and may be applied prospectively, retrospectively, or with a modified transition approach. We are currently assessing the impact of adopting ASU 2025-06.

Government Grants—In December 2025, the FASB issued Accounting Standards Update No. 2025-10 ("ASU 2025-10"), *Government Grants (Topic 832): Accounting for Government Grants Received by Business Entities*. ASU 2025-10 establishes

authoritative guidance on the accounting and presentation of government grants received by a business entity. The provisions of ASU 2025-10 are effective for fiscal years beginning after December 15, 2028 and interim periods within those fiscal years, with early adoption permitted, and may be applied retrospectively or with a modified prospective or retrospective approach. We are currently assessing the impact of adopting ASU 2025-10.

Interim Reporting—In December 2025, the FASB issued Accounting Standards Update No. 2025-11 ("ASU 2025-11"), *Interim Reporting (Topic 270): Narrow-Scope Improvements*. ASU 2025-11 clarifies the applicability of interim reporting guidance, provides a comprehensive list of required interim disclosures, and establishes a disclosure principle that requires disclosure of material events that occurred after the end of the last annual reporting period. The provisions of ASU 2025-11 are effective for interim periods within fiscal years beginning after December 15, 2027, with early adoption permitted, and may be applied prospectively or retrospectively. We are currently assessing the impact of adopting ASU 2025-11.

Codification Improvements—In December 2025, the FASB issued Accounting Standards Update No. 2025-12 ("ASU 2025-12"), *Codification Improvements*. The amendments in ASU 2025-12 represent changes to certain FASB Accounting Standards Codification topics that clarify, correct errors, or make minor improvements. The provisions of ASU 2025-12 are effective for fiscal years beginning after December 15, 2026 and interim periods within those fiscal years, with early adoption permitted, and may be applied prospectively or retrospectively. Early adoption and transition method may be elected on an issue-by-issue basis. We do not expect the adoption of ASU 2025-12 to have a material impact on our consolidated financial statements and accompanying Notes.

3. REVENUE FROM CONTRACTS WITH CUSTOMERS

Disaggregated Revenues

See Note 19 for our revenues disaggregated by the nature of the product or service.

Contract Balances

Contract assets related to incentive management fees recorded in receivables, net on our consolidated balance sheets were insignificant at both December 31, 2025 and December 31, 2024.

In conjunction with the Tortuga sale (see Note 7), we recorded a \$14 million contingent consideration receivable as a contract asset within other assets on our consolidated balance sheet. We estimate contingent consideration arising from asset dispositions on a recurring basis using the expected value method. During the year ended December 31, 2025, there were no changes in estimate recognized.

Contract liabilities were comprised of the following:

	December 31, 2025	December 31, 2024
Deferred revenue related to the loyalty program (1)	\$ 1,604	\$ 1,333
Deferred revenue related to distribution and destination management services	643	705
Deferred revenue related to insurance programs	102	112
Advanced deposits	59	53
Initial application fees from franchisees	50	47
Other deferred revenue	138	146
Total contract liabilities	\$ 2,596	\$ 2,396

(1) At December 31, 2025, includes \$1,533 million and \$71 million, respectively, related to future point redemptions and free night awards as a result of the integration of the co-branded credit card programs into the loyalty program.

Revenue recognized during the years ended December 31, 2025 and December 31, 2024 included in the contract liabilities balance at the beginning of each year was \$1,303 million and \$1,208 million, respectively. This revenue primarily related to distribution and destination management services and the loyalty program.

Revenue Allocated to Remaining Performance Obligations

Revenue allocated to remaining performance obligations represents contracted revenue that has not yet been recognized, which includes deferred revenue and amounts that will be invoiced and recognized as revenue in future periods. Contracted revenue expected to be recognized in future periods was approximately \$135 million at December 31, 2025. This was primarily related to design services fees from third-party owners and initial application fees from franchisees. Design services fees are recognized as revenues over multiple years, typically over a period of less than five years, using the percentage-of-completion method based on the achievement of design and/or renovation or construction milestones, timing of which is inherently uncertain. Initial application fees are recognized as revenues using the straight-line method over the initial term of the franchise agreement, which is generally 20 years. Of the \$135 million of contracted revenue, we expect to recognize approximately 10% within the next 12 months, with the remainder to be recognized thereafter.

4. DEBT AND EQUITY SECURITIES

We invest in debt and equity securities that we believe are strategically and operationally important to our business. These investments take the form of (i) investments in variable interest entities, (ii) equity method investments where we have the ability to significantly influence the operations of the entity, (iii) marketable securities held to fund operating programs and for investment purposes, and (iv) other types of investments.

Variable Interest Entities

Bahia Principe—During the year ended December 31, 2024, we entered into a shareholders' agreement with an unrelated third party and acquired 50% of the outstanding shares of Management Hotelero Piñero, S.L. The joint venture, which is a VIE, owns the Bahia Principe brand and manages Bahia Principe Hotels & Resorts-branded properties (see Note 7). Through our variable interest, we have the power to direct the activities that most significantly affect the economic performance of the VIE and have the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE and therefore, we are the primary beneficiary. We consolidate the operating results and financial position of this VIE in our consolidated financial statements within our management and franchising segment.

The following table summarizes the VIE's assets and liabilities, including the effect of foreign currency translation, recorded on our consolidated balance sheets at December 31, 2025 and December 31, 2024. The assets may only be used to settle obligations of the consolidated VIE, if any. In addition, there is no recourse to us for the consolidated VIE's liabilities.

	December 31, 2025	December 31, 2024
Cash and cash equivalents	\$ 23	\$ 2
Receivables	7	15
Total current assets	30	17
Operating lease right-of-use assets	1	1
Goodwill	178	147
Intangibles, net	561	515
Other assets	59	50
Total assets	<u>\$ 829</u>	<u>\$ 730</u>
Accounts payable	\$ 2	\$ 15
Accrued expenses and other current liabilities	5	1
Accrued compensation and benefits	1	—
Total current liabilities	8	16
Long-term operating lease liabilities	1	1
Other long-term liabilities	180	161

The resorts managed by the joint venture increase our all-inclusive portfolio and provide guests and loyalty program members more opportunities to experience all-inclusive travel. In conjunction with the transaction, we entered into various agreements with the joint venture and its related parties to provide certain commercial and management support services to the joint venture and to support the growth of the Bahia Principe brand and the operation of the Bahia Principe Hotels & Resorts-branded properties.

UVC Transaction—During the year ended December 31, 2024, we completed the UVC Transaction. As a result of the transaction, we deconsolidated the entity as we no longer have a controlling financial interest, and we account for our remaining 20% ownership interest as an equity method investment in an unconsolidated hospitality venture. We received \$41 million of proceeds, net of \$39 million of cash disposed; recorded a \$20 million equity method investment representing the fair value of our retained investment in the entity; and recorded \$86 million of guarantee liabilities as described below. The transaction was accounted for as a business disposition and resulted in a \$231 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. We continue to manage the Unlimited Vacation Club business under a long-term management agreement and license and royalty agreement. The operating results of the Unlimited Vacation Club business prior to the UVC Transaction are reported within our distribution segment.

The fair value of our retained investment in the entity was determined using a Black-Scholes-Merton option-pricing model of our common shares in the entity. The valuation methodology included assumptions and judgments regarding volatility and discount rates, which are primarily Level Three inputs.

In conjunction with the transaction, we agreed to guarantee up to \$70 million of our hospitality venture partner's investment upon the occurrence of certain events, and we recorded a \$25 million guarantee liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using the with and without method, which included projected cash flows based on contract terms. The valuation methodology included assumptions and judgments regarding discount rates and length of time, which are primarily Level Three inputs.

Additionally, we agreed to indemnify the unconsolidated hospitality venture, the primary obligor to the foreign taxing authorities, for obligations the entity may incur as a result of uncertain tax positions. Following the transaction, we accounted for the indemnification as a guarantee. We derecognized the long-term income taxes payable related to the uncertain tax positions and recorded a \$61 million guarantee liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value of the indemnification was estimated using a probability-based weighting approach to determine the likelihood of payment of the tax liability, penalties, and interest related to the 2013 through 2018 tax years. The valuation methodology included assumptions and judgments regarding probability weighting, discount rates, and expected timing of cash flows, which are primarily Level Three inputs. At December 31, 2025, the indemnification for open tax years had a maximum exposure of \$79 million.

The entity that owns the Unlimited Vacation Club business is classified as a VIE in which we hold a variable interest but are not the primary beneficiary, and we account for our common ownership interest as an equity method investment. At December 31, 2025 and December 31, 2024, we had \$80 million and \$68 million, respectively, recorded in other long-term liabilities (see Note 13) on our consolidated balance sheets related to our guaranteed obligations of this unconsolidated VIE. At December 31, 2025 and December 31, 2024, our maximum exposure to loss was \$149 million and \$142 million, respectively, which includes the maximum exposure under the guarantee and indemnification (see Note 15).

Equity Method Investments

The following table summarizes our investments in unconsolidated hospitality ventures accounted for under the equity method:

Investee	Ownership interest	Carrying value

Total equity method investments		\$ 186	\$ 189

During the years ended December 31, 2025 and December 31, 2024, we recognized \$36 million and \$15 million, respectively, of impairment charges in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss). The impairment charges were related to certain investments in unconsolidated hospitality ventures in which the estimated fair values were less than the carrying values, and the impairments were deemed other than temporary. We estimated the fair values of our investments, which are classified as Level Three in the hierarchy, using pending third-party offers or internally developed cash flow models.

Juniper Hotels Limited—During the year ended December 31, 2023, we acquired 50% of the outstanding shares of a third-party entity that owns three of our managed properties in India in exchange for the non-cash redemption of a HTM debt security. Upon completion, Juniper Hotels Limited acquired 100% of the outstanding shares of the entity, and we recorded a \$32 million equity method investment.

On September 28, 2023, our unconsolidated hospitality venture publicly filed a draft red herring prospectus with the Securities and Exchange Board of India in conjunction with a proposed initial public offering ("IPO") of equity shares, subject to market conditions and regulatory approvals. On February 28, 2024, Juniper Hotels Limited completed its IPO and issued 50,000,000 equity shares on the BSE Limited and National Stock Exchange of India Limited stock exchanges. Both prior and subsequent to the IPO, we hold 86,251,192 equity shares in the entity. At December 31, 2025, the aggregate value of our equity shares was \$245 million based on the price per share of the principal market.

As a result of the IPO, our ownership interest in the unconsolidated hospitality venture was diluted from 50.0% to 38.8%. As we maintain the ability to significantly influence the operations of the entity, we recorded an increase to our equity method investment and recognized a \$79 million non-cash pre-tax dilution gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss) during the year ended December 31, 2024.

Hyatt of Baja, S. de. R.L. de C.V.—During the year ended December 31, 2024, we received \$21 million of proceeds related to the sale of our ownership interest in an equity method investment and recognized an \$8 million pre-tax gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss), net of a \$2 million reclassification from accumulated other comprehensive loss (see Note 16). At the time of sale, we had \$28 million of outstanding financing receivables related to the unconsolidated hospitality venture, which were repaid in conjunction with the sale. Additionally, we retained long-term management and licensing agreements for the related hotel and residential units, respectively, upon sale.

We provided \$10 million of seller financing with a maturity date of two years. Upon sale, we estimated the fair value of the seller financing to be approximately \$8 million and recorded an unsecured financing receivable on our consolidated balance sheet (see Note 6). The fair value was estimated using a discounted cash flow model and included assumptions and judgments regarding the discount rate, which is primarily a Level Three input.

As part of total consideration, we may earn up to \$13 million of contingent consideration. The contingent consideration will be earned upon the achievement of certain performance-based metrics subsequent to hotel opening. Upon sale, we recorded a \$5 million contingent consideration receivable at fair value within other assets on our consolidated balance sheet. The fair value of the contingent consideration receivable was estimated using a Monte Carlo simulation to model the likelihood of achieving the performance-based metrics. The valuation methodology included assumptions and judgments regarding discount rates and operating results, which are primarily Level Three inputs.

Other—During the year ended December 31, 2024, we received \$16 million of proceeds related to the sale of our ownership interest in an equity method investment and recognized a \$12 million pre-tax gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income (loss). Following the sale, we continue to manage the related property under a long-term management agreement.

Marketable Securities

We hold marketable securities with readily determinable fair values to fund certain operating programs and for investment purposes. We periodically transfer available cash and cash equivalents to purchase marketable securities for investment purposes.

Marketable Securities Held to Fund Operating Programs—Marketable securities held to fund operating programs, which are recorded at fair value on our consolidated balance sheets, were as follows:

	<u>December 31, 2025</u>	<u>December 31, 2024</u>
Loyalty program (Note 10)	\$ 814	\$ 642
Deferred compensation plans held in rabbi trusts (Note 10)	594	548

- \$583 million and \$473 million, respectively, of AFS debt securities with contractual maturity dates ranging from 2026 through 2070. The amortized cost of our AFS debt securities approximates fair value;
- \$153 million and \$25 million, respectively, of time deposits classified as HTM debt securities with contractual maturities on various dates through 2027. The amortized cost of our time deposits approximates fair value;
- \$20 million and \$17 million, respectively, of equity securities with a readily determinable fair value.

Net unrealized and realized gains (losses) from marketable securities held to fund operating programs recognized on our consolidated financial statements were as follows:

- (2) Unrealized and realized gains recognized in revenues for reimbursed costs related to marketable securities held to fund rabbi trusts are offset by amounts recognized in reimbursed costs on our consolidated statements of income (loss) with no impact on net income (loss).

Marketable Securities Held for Investment Purposes—Marketable securities held for investment purposes, which are recorded at cost or fair value, depending on the nature of the investment, on our consolidated balance sheets, were as follows:

(1) Time deposits have contractual maturities on various dates through 2027. The amortized cost of our time deposits approximates fair value.

Prior to the Playa Hotels Acquisition (see Note 7), we held ordinary shares in Playa Hotels, which were accounted for as equity securities with a readily determinable fair value as we did not have the ability to significantly influence the operations of the entity. The following table summarizes net gains recognized in other income (loss), net on our consolidated statements of income (loss) (see Note 21):

During both the years ended December 31, 2025 and December 31, 2024, there were no transfers between levels of the fair value hierarchy.

Other Investments

HTM Debt Securities—We hold investments in third-party entities associated with certain of our hotels. The investments are recorded as HTM debt securities within other assets on our consolidated balance sheets:

	December 31, 2025	December 31, 2024
HTM debt securities (1)	\$ 322	\$ 276
Less: allowance for credit losses	(9)	(9)
Total HTM debt securities, net of allowances	<u>\$ 313</u>	<u>\$ 267</u>

Gross HTM debt securities on nonaccrual status	\$ 16	\$ —
--	-------	------

(1) Includes a \$196 million and \$194 million preferred equity investment, net of a \$29 million and \$35 million unamortized discount, at December 31, 2025 and December 31, 2024, respectively, in a third-party entity that owns a managed hotel. Accretion of the discount was recognized in interest income within other income (loss), net on our consolidated statements of income (loss) (see Note 21) and was based on an imputed interest rate of approximately 8.9%.

The following table summarizes the activity in our HTM debt securities allowance for credit losses:

	2025	2024
Allowance at January 1	\$ 9	\$ 13
Provisions (reversals), net (1)	—	(2)
Write-offs	—	(2)
Allowance at December 31	<u>\$ 9</u>	<u>\$ 9</u>

(1) Provisions for credit losses were partially or fully offset by interest income recognized in the same periods (see Note 21).

We estimated the fair value of these HTM debt securities to be approximately \$315 million and \$270 million at December 31, 2025 and December 31, 2024, respectively. Our preferred equity investments, which are redeemable on various dates through 2032, are classified as Level Three in the fair value hierarchy. The fair values were estimated using probability-based discounted cash flow models based on current market inputs for similar types of arrangements. The primary sensitivity in these models is the selection of appropriate discount rates and probability weighting. Fluctuations in these assumptions could result in different estimates of fair value. The remaining HTM debt security, which is redeemable in 2062, is classified as Level Two in the fair value hierarchy due to the use and weighting of multiple market inputs being considered in the final price of the security.

Preferred Equity Investment—During the year ended December 31, 2025, we received a \$200 million preferred equity investment in conjunction with the Tortuga sale (see Note 7). Upon sale, we estimated the fair value of the investment to be

approximately \$104 million. The debt security, which is classified as AFS and recorded within other assets on our consolidated balance sheet, is mandatorily redeemable at the earlier of March 31, 2033 or the occurrence of a contractual redemption event, which includes a change in control, at an amount that can vary based on the profitability of the underlying properties. During the year ended December 31, 2025, there were no unrealized or realized gains or losses recognized on our investment.

Convertible Debt Security—During the year ended December 31, 2025, a \$30 million convertible debt investment associated with one of our franchised properties was extinguished in conjunction with the recapitalization of the franchisee. The uncollectible investment, which was classified as AFS and recorded within other assets on our consolidated balance sheets, was written off upon extinguishment. As part of the recapitalization, we maintained the long-term franchise agreement for the property.

During the year ended December 31, 2025, we recognized a \$30 million credit loss provision in other income (loss), net on our consolidated statements of income (loss) (see Note 21) related to this investment. Prior to the extinguishment, we remeasured the fair value of our investment on a recurring basis using a discounted cash flow model. At December 31, 2024, we estimated the fair value of the investment, which was classified as Level Three in the fair value hierarchy, to be \$42 million.

Net unrealized gains (losses) recognized on our consolidated financial statements were as follows:

	Year Ended December 31,		
	2025	2024	2023
Other comprehensive income (loss) (Note 16)	\$ (12)	\$ 3	\$ 9

Equity Securities Without A Readily Determinable Fair Value—At December 31, 2025 and December 31, 2024, we held \$11 million and \$12 million, respectively, of investments in equity securities without a readily determinable fair value, which are recorded within other assets on our consolidated balance sheets and represent investments in entities where we do not have the ability to significantly influence the operations of the entity.

Due to ongoing operating cash flow shortfalls in the business underlying an equity security during the year ended December 31, 2024, we recognized a \$5 million impairment charge of our full investment balance in other income (loss), net on our consolidated statements of income (loss) (see Note 21) as the carrying value was in excess of the fair value.

During the years ended December 31, 2025 and December 31, 2024, we identified changes in circumstances that indicated that the carrying values of certain asset groups, inclusive of property and equipment and operating lease ROU assets (see Note 8), may not be recoverable. We assessed the recoverability of the net book values and determined that the carrying values of certain asset groups were not fully recoverable. We then estimated the fair values of these assets, which are classified as Level Three in the hierarchy, using pending third-party offers or internally developed cash flow models, which incorporated cash flow assumptions based on current economic trends, historical experience, and future growth projections. We determined that the carrying values of certain asset groups were in excess of the fair values, and we allocated the impairment charges to the long-lived assets within the asset groups. During the years ended December 31, 2025 and December 31, 2024, we recognized \$6 million and \$21 million, respectively, of impairment charges related to property and equipment in asset impairments on our consolidated statements of income (loss) within our owned and leased segment.

For additional information about acquisition and disposition activity impacting property and equipment, see Note 7.

6. RECEIVABLES

Receivables

At December 31, 2025 and December 31, 2024, we had \$1,123 million and \$1,121 million, respectively, of net receivables recorded on our consolidated balance sheets.

The following table summarizes the activity in our receivables allowance for credit losses:

Accretion of the discount was recognized in interest income within other income (loss), net on our consolidated statements of income (loss) (see Note 21) and was based on an imputed interest rate of approximately 9.5%

Allowance for Credit Losses—The following table summarizes the activity in our financing receivables allowance for credit losses:

Fair Value—We estimated the fair value of financing receivables to be approximately \$493 million and \$440 million at December 31, 2025 and December 31, 2024, respectively. The fair values, which are classified as Level Three in the fair value hierarchy, were estimated using discounted cash flow models. The principal inputs used are projected cash flows and the discount rate, which is generally the effective interest rate of the loan.

7. ACQUISITIONS AND DISPOSITIONS

Acquisitions

Playa Hotels—During the year ended December 31, 2025, we completed a tender offer process to purchase all of the issued and outstanding ordinary shares of Playa Hotels at a cash price of \$13.50 per share (the "Offer Consideration"). Immediately prior to the acquisition date, we held 9.9% of Playa Hotels' outstanding shares (see Note 4). On June 11, 2025, the acquisition date, we paid cash of \$1,497 million, obtained control over a majority of the outstanding shares, and repaid Playa Hotels' existing term loan for \$1,078 million, inclusive of \$3 million of accrued interest (see Note 11). All remaining shares were acquired from June 12, 2025 to June 17, 2025. The impact of the noncontrolling interest during the intervening period was insignificant. On June 17, 2025, we completed the Playa Hotels Acquisition, which was financed through proceeds from debt (see Note 11). We accounted for the transaction as a business combination.

Upon acquisition, each unvested restricted share and restricted stock unit award held by non-executive directors of Playa Hotels and certain terminating employees (collectively, the "Terminating Employees") became fully vested and was automatically converted into the right to receive cash, equal to the Offer Consideration multiplied by the total number of unvested ordinary shares as of immediately prior to the closing of the Playa Hotels Acquisition. Vesting for awards eligible to vest based on performance goals was determined based on relevant provisions in underlying award agreements, with such vesting occurring either (i) as though the greater of target performance or actual performance had been achieved or (ii) as though target performance had been achieved, except that, all such awards granted during 2024 vested at the applicable maximum performance level. We paid \$55 million to Terminating Employees, of which \$25 million was attributable to pre-combination vesting and was therefore included in the purchase consideration. The remaining \$30 million was attributable to post-combination vesting and was recognized in transaction and integration costs on our consolidated statements of income (loss) during the year ended December 31, 2025.

Additionally, we assumed outstanding unvested restricted shares and restricted stock unit awards (the "Continuing Awards") that were previously granted to continuing employees under the Playa Hotels Plan and converted each award into RSUs (see Note 17). The fair value of these replacement awards, which was estimated based on the closing stock price of our Class A common stock on the acquisition date, was \$17 million, of which \$3 million was attributable to pre-combination vesting and was therefore included in the purchase consideration. The remaining \$14 million was attributable to post-combination vesting and will be recognized as compensation expense on a straight-line basis over the requisite service period on our consolidated statements of income (loss) (see Note 17).

Total purchase consideration was determined as follows:

Ordinary shares outstanding	123,013,382
Less: Hyatt's previously-held ordinary shares	(12,143,621)
Total number of ordinary shares acquired	<u>110,869,761</u>
Offer Consideration per share	\$ 13.50
Cash paid to shareholders	<u>\$ 1,497</u>
Cash settlement of share-based payment awards to Terminating Employees	25
Fair value of Continuing Awards	3
Settlement of preexisting relationship (1)	8
Total purchase consideration	<u>\$ 1,533</u>

(1) Represents the effective settlement of existing receivables and key money assets related to Playa Hotels, which was determined based on the respective carrying values at the acquisition date.

The acquisition primarily consisted of 15 all-inclusive resorts across Mexico, the Dominican Republic, and Jamaica. On June 29, 2025, we entered into a definitive agreement with an unrelated third party to sell the entirety of the Playa Hotels Portfolio. During the year ended December 31, 2025, we completed the sale of the Playa Hotels Portfolio as discussed in "—Dispositions" below.

Upon acquisition, we recorded estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. Assets and liabilities associated with the Playa Hotels Portfolio were classified as held for sale and were recorded at their estimated fair values less costs to sell. The fair value of the acquired property and equipment that was classified as held for sale was estimated using a market approach and market participant assumptions, which incorporated the agreed-upon sales price of the Playa Hotels Portfolio, less amounts for committed capital expenditures to be incurred prior to the sale as well as the fair values of the preferred equity investment, contingent consideration, and agreed-upon tax indemnifications, which were estimated using the same valuation methodology upon sale as discussed in "—Dispositions" below. In addition, we recorded an assumed liability within accrued expenses and other current liabilities related to tax liabilities triggered by the acquisition. The liability was estimated using the cumulative-probability approach to determine the expected payment amount. The valuation methodology included assumptions and judgments regarding the cumulative probabilities, which are primarily Level Three inputs. The remaining assets and liabilities were recorded at their carrying values, which approximated their fair values.

During the year ended December 31, 2025, the fair values and classification of certain assets acquired and liabilities assumed were revised. Measurement period adjustments recorded on our consolidated balance sheet at December 31, 2025 primarily included a \$4 million decrease in property and equipment and a \$1 million decrease in accrued expenses and other current liabilities, both of which resulted in a corresponding \$3 million increase in goodwill. Following the sale of the Playa Hotels Portfolio, we will continue to evaluate the fair values and classification of the remaining assets acquired and liabilities assumed. Accordingly, these estimates, along with any related tax impacts, are subject to change during the measurement period, which is up to one year from the date of acquisition.

The following table summarizes the preliminary fair value of the identifiable net assets acquired at the acquisition date:

Purchase consideration	\$ 1,533

(1) The goodwill is attributable to securing the ability for us to manage certain properties in the Playa Hotels Portfolio over the long term as well as the growth opportunities we expect to realize by introducing the properties to our all-inclusive platform offerings, including our distribution and destination management services and the Unlimited Vacation Club business that we manage. During the year ended December 31, 2025, we completed the assignment of goodwill to our reporting units (see Note 9), of which \$859 million was recorded on our management and franchising segment and \$108 million was recorded on our distribution segment. The goodwill is not tax deductible.

Following the acquisition date, the operating results of Playa Hotels were recognized on our consolidated statements of income (loss). For the period from the acquisition date through December 31, 2025, total revenues attributable to Playa Hotels were \$366 million and the net loss attributable to Playa Hotels was \$11 million, including \$60 million of non-recurring transaction costs that were incurred and recognized by Playa Hotels as included below.

During the year ended December 31, 2025, we recognized \$97 million of transaction costs, including the costs incurred and recognized by Playa Hotels described above, in transaction and integration costs on our consolidated statements of income (loss). The costs primarily related to financial advisory and legal fees, severance payments to Terminating Employees, and payments made to settle unvested awards of Terminating Employees.

Additionally, during the year ended December 31, 2025, we terminated Playa Hotels' third-party owned loyalty program and recognized a \$12 million termination fee in transaction and integration costs on our consolidated statements of income (loss). In conjunction with the termination, we acquired certain contracts with customers and accounted for the transaction as an asset acquisition. We recorded a \$13 million customer relationships intangible, inclusive of transaction costs, with a useful life of four years within intangibles, net on our consolidated balance sheet (see Note 9).

Unaudited Pro Forma Combined Financial Information

The following table presents the unaudited pro forma combined results of Hyatt and Playa Hotels as if the Playa Hotels Acquisition had occurred on January 1, 2024:

	Year Ended December 31,	
	2025	2024
Total revenues	\$ 7,516	\$ 7,516
Net income (loss) attributable to Hyatt Hotels Corporation	42	1,177

The unaudited pro forma combined financial information was based on the historical financial information of Hyatt and Playa Hotels, excluding Playa Hotels properties sold prior to the acquisition, and includes adjustments for the following factually supportable transactions, directly attributable to the acquisition:

- Elimination of historical related-party transactions between Hyatt and Playa Hotels that would be considered intercompany transactions;
- Incremental interest expense associated with the DDTL Facility as well as the 5.050% 2028 Notes and 2032 Notes, both as defined in Note 11, that were used to finance the acquisition, repay certain indebtedness of Playa Hotels and its subsidiaries in connection with the acquisition, and pay related fees and expenses as well as the removal of Playa Hotels' historical interest expense;
- Recognition of stock-based compensation expense related to Assumed Awards, as defined in Note 17, issued to continuing employees;
- Recognition of \$97 million of non-recurring transaction costs related to the acquisition as of the beginning of the earliest period presented;
- Recognition of expected transaction and integration costs directly attributable to the acquisition, including retention payments to certain continuing employees;
- Recognition of a non-recurring realized gain related to our previously-held ordinary shares in Playa Hotels (see Note 4) as of the beginning of the earliest period presented, and removal of the unrealized gains and losses historically recognized by Hyatt; and
- Tax effects of the acquisition as if Playa Hotels had been part of the combined company since January 1, 2024.

The unaudited pro forma combined financial information does not necessarily reflect what the combined company's financial condition or results of operations would have been had the transaction and the related financing occurred on January 1, 2024. The unaudited pro forma combined financial information also may not be useful in predicting the future financial condition and results of operations of the combined company following the acquisition. In addition, the unaudited pro forma combined financial information does not give effect to any cost savings, operating synergies, or revenue synergies that may result from the transaction, including the impact of the sale of the Playa Hotels Portfolio, or the costs to achieve any synergies.

Bahia Principe—During the year ended December 31, 2024, we completed the Bahia Principe Transaction (see Note 4) for €419 million of base consideration, including €60 million of deferred consideration payable at future dates. The consideration was subject to customary adjustments related to working capital, cash, and indebtedness, and we may pay additional variable contingent consideration through 2034 primarily related to the achievement of certain milestones for the development of additional hotels to be managed by the joint venture. The contingent consideration is payable at each hotel opening and is based on a multiple of stabilized base and incentive management fee revenues, and therefore, we are unable to reasonably estimate our maximum potential future consideration.

We closed on the transaction on December 27, 2024, paid cash of €359 million (approximately \$374 million), and accounted for the transaction as a business combination as we are the primary beneficiary of the VIE (see Note 4). Upon acquisition, we recorded a \$58 million deferred consideration liability at fair value, of which \$20 million was recorded in accrued expenses and other current liabilities and \$38 million was recorded in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a discounted cash flow model and included assumptions and judgments regarding the discount rate, which is primarily a Level Three input. We also recorded a \$33 million contingent consideration liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a discounted cash flow model and included assumptions and judgments regarding the discount rate, estimated probability of achieving the hotel development milestones, and expected amount and timing of payments, which are primarily Level Three inputs. Total purchase consideration was determined as follows:

Cash paid, net of cash acquired	\$	372
Cash acquired		2
Fair value of deferred consideration		58
Fair value of contingent consideration		33
Total purchase consideration	<u>\$</u>	<u>465</u>

The acquisition included management and hotel services agreements for operating hotels and the Bahia Principe trade name and contemplated the future management of undeveloped Bahia Principe Hotels & Resorts-branded properties. In addition, the acquisition included expected synergies from the integration and future expansion of our destination management services and our management of and licensing of the Bahia Principe brand to the Unlimited Vacation Club business at Bahia Principe Hotels & Resorts-branded properties through separate contractual agreements. Following the acquisition date, fee revenues and operating expenses of Bahia Principe were recognized on our consolidated statements of income (loss). For the period from the acquisition date through December 31, 2024, total revenues and net income attributable to Bahia Principe were insignificant.

Our consolidated balance sheet at December 31, 2024 reflected estimates of the fair value of the assets acquired, liabilities assumed, and noncontrolling interest in the entity based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using either discounted cash flow models or the relief from royalty method, both of which included revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three inputs. The fair value of the noncontrolling interest related to the equity interests in the VIE held by our venture partner was estimated based on 50% of enterprise value of the entity. The remaining assets and liabilities were recorded at their carrying values, which approximated their fair values.

We finalized the fair values of the assets acquired, liabilities assumed, and noncontrolling interest in the entity in the fourth quarter of 2025. Measurement period adjustments recorded on our consolidated balance sheet at December 31, 2025 included a \$183 million increase in intangibles, net, a \$47 million increase in other long-term liabilities, and a \$5 million increase in the noncontrolling interest, all of which resulted in a corresponding \$131 million decrease in goodwill. The measurement period adjustments primarily resulted from further evaluation of the contracts entered into upon acquisition and included the recognition of additional intangibles that were separately identifiable from goodwill as well as the related tax impacts that existed at the acquisition date. During the year ended December 31, 2025, we recognized insignificant amortization expense on our consolidated statements of income (loss) that would have been recognized during the year ended December 31, 2024 if the measurement period adjustments would have been made as of the acquisition date.

The following table summarizes the fair value of the acquired VIE (see Note 4) and other separately identifiable net assets acquired at the acquisition date:

Cash and cash equivalents	\$	2
Receivables (1)		15
Operating lease right-of-use assets		1
Goodwill (2)		205
Indefinite-lived intangibles (3)		84
Management and hotel services agreement intangibles (4)		616
Other assets (5)		50
Total assets acquired	<u>\$</u>	<u>973</u>

- (1) Relates to value added taxes. We recorded an offsetting payable as amounts to be received are due to a third party.
- (2) The goodwill is attributable to the growth opportunities we expect to realize by expanding our all-inclusive resort offerings. During the year ended December 31, 2025, we completed the assignment of goodwill to our reporting units (see Note 9). The goodwill, which is not tax deductible, was recorded on our management and franchising segment.
- (3) Relates to the Bahia Principe brand name.
- (4) Amortized over useful lives of approximately 25 to 31 years, with a weighted-average useful life of approximately 28 years.
- (5) Represents an indemnification asset that we expect to collect under contractual agreements for pre-acquisition tax liabilities as discussed below (see Note 10).
- (6) Includes \$50 million of pre-acquisition tax liabilities, including interest, related to certain foreign filing positions (see Note 13), which are fully indemnified as described above.

During the year ended December 31, 2024, we recognized \$11 million of transaction costs, primarily related to regulatory, financial advisory, and legal fees, in transaction and integration costs on our consolidated statements of income (loss).

Alua Portfolio—During the year ended December 31, 2024, we completed an asset acquisition of Alua Atlántico Golf Resort, Alua Tenerife, and AluaSoul Orotava Valley through a locked box structure. The enterprise value of €117 million was subject to customary adjustments related to indebtedness and net working capital as of the locked box date, as well as a value accrual representing the economic value from the locked box date through the acquisition date. At closing, we paid €61 million of cash (approximately \$65 million), including \$4 million of cash acquired. Assets acquired primarily included \$123 million of property and equipment, and liabilities assumed primarily included \$53 million of long-term debt (see Note 11).

Standard International—During the year ended December 31, 2024, we acquired 100% of the issued and outstanding equity interests of certain entities collectively doing business as Standard International for \$150 million of base consideration, subject to customary adjustments related to working capital, cash, and indebtedness, and up to an additional \$185 million of contingent consideration to be paid upon the achievement of certain milestones related to the development of additional hotels and/or potential new hotels identified by the sellers through 2028.

We closed on the transaction on October 1, 2024 and paid \$151 million of cash. Upon acquisition, we recorded a \$108 million contingent consideration liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a Monte Carlo simulation to model the likelihood of achieving the agreed-upon milestones based on available information as of the acquisition date. The valuation methodology included assumptions and judgments regarding the discount rate, estimated probability of achieving the milestones, and expected timing of payments, which are primarily Level Three inputs. Total purchase consideration was determined as follows:

Cash paid, net of cash acquired	\$	148
Cash acquired		3
Fair value of contingent consideration		108
Total purchase consideration	\$	<u>259</u>

The acquisition included management, franchise, and license agreements for both operating and additional hotels that are expected to open in the future and the affiliated trade names. Following the acquisition date, fee revenues and operating expenses of Standard International were recognized on our consolidated statements of income (loss). For the period from the acquisition date through December 31, 2024, total revenues and net loss attributable to Standard International were \$6 million and \$5 million, respectively.

Our consolidated balance sheet at December 31, 2024 reflected estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using either discounted cash flow models or the relief from royalty method, both of which included revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three inputs. The fair values of performance guarantee liabilities assumed were estimated using Monte Carlo simulations to model the probability of possible outcomes. The valuation methodology included assumptions and judgments regarding discount rates, volatility, and hotel operating results, which are primarily Level Three inputs (see Note 15). The remaining assets and liabilities were recorded at their carrying values, which approximated their fair values.

We finalized the fair values of the assets acquired and liabilities assumed in the third quarter of 2025. Measurement period adjustments recorded on our consolidated balance sheet at December 31, 2025 included a \$41 million decrease in intangibles, net, a \$2 million increase in long-term contract liabilities, and a \$1 million decrease in other long-term liabilities, all of which resulted in a corresponding \$42 million increase in goodwill. The measurement period adjustments primarily resulted from the refinement of certain assumptions, including contract terms, renewal periods, and useful lives, which affected the underlying cash flows in the valuation and were based on facts and circumstances that existed at the acquisition date. During the year ended December 31, 2025, we recognized insignificant income on our consolidated statements of income (loss) that would have been recognized during the year ended December 31, 2024 if the measurement period adjustments would have been made as of the acquisition date.

The following table summarizes the fair value of the identifiable net assets acquired at the acquisition date:

- (3) Amortized over useful lives of approximately 5 to 24 years, with a weighted-average useful life of approximately 17 years.

Me and All Hotels—During the year ended December 31, 2024, we acquired the Me and All Hotels brand name from an unrelated third party for approximately \$28 million, inclusive of transaction costs. Upon completion of the asset acquisition, we recorded an indefinite-lived brand intangible within intangibles, net on our consolidated balance sheet (see Note 9).

Mr & Mrs Smith—During the year ended December 31, 2023, we acquired 100% of the outstanding shares of Smith Global Limited, doing business as Mr & Mrs Smith, in a business combination through a locked box structure. The enterprise value of £53 million was subject to customary adjustments related to indebtedness and net working capital as of the locked box date, as well as a value accrual representing the economic value from the locked box date through the acquisition date.

We closed on the transaction on June 2, 2023 and paid cash of £58 million (approximately \$72 million). Total purchase consideration was determined as follows:

Cash paid, net of cash acquired	\$	50
Cash acquired		22
Total purchase consideration	<u>\$</u>	<u>72</u>

The acquisition included technology related to a boutique and luxury global travel platform, brand name, and relationships with affiliated hotel owners. Following the acquisition date, fee revenues and operating expenses of Mr & Mrs Smith were recognized on our consolidated statements of income (loss). For the period from the acquisition date through December 31, 2023, total revenues and net income attributable to Mr & Mrs Smith were \$15 million and \$2 million, respectively.

Upon acquisition, we recorded estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using discounted cash flow models, the relief from royalty method, or a cost-based approach. Depending on the valuation method, these estimates included revenue projections based on long-term growth rates, expected attrition, historical cost information, and/or an obsolescence factor, all of which are primarily Level Three inputs. The remaining assets and liabilities were recorded at their carrying values, which approximated their fair values.

We finalized the fair values of the assets acquired and liabilities assumed in the second quarter of 2024, which resulted in insignificant measurement period adjustments.

The following table summarizes the fair value of the identifiable net assets acquired at the acquisition date:

Cash and cash equivalents	\$	22
Receivables		6

- (3) Amortized over a useful life of 12 years.
- (4) Amortized over a useful life of 10 years.

We closed on the transaction on February 2, 2023 and paid \$125 million of cash. Upon acquisition, we recorded a \$107 million contingent consideration liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a Monte Carlo simulation to model the likelihood of achieving the agreed-upon milestones based on available information as of the acquisition date. The valuation methodology included assumptions and judgments regarding the discount rate, estimated probability of achieving the milestones, and expected timing of payments, which are primarily Level Three inputs. Total purchase consideration was determined as follows:

During the year ended December 31, 2023, the fair values of certain assets acquired and liabilities assumed, which were estimated based on available information as of the acquisition date, were finalized. The fair values of intangible assets acquired were estimated using either discounted cash flow models or the relief from royalty method, both of which included revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three inputs. The remaining assets and liabilities were recorded at their carrying values, which approximated their fair values. During the measurement period, we recorded adjustments to the intangible assets acquired with a corresponding offset to goodwill as a result of the refinement of certain assumptions, including contract terms and useful lives, which affected the underlying cash flows in the valuation and were based on facts and circumstances that existed at the acquisition date.

The following table summarizes the fair value of the identifiable net assets acquired at the acquisition date:

Receivables	\$	1
Goodwill (1)		62
Indefinite-lived intangibles (2)		20

Dispositions

Playa Hotels Portfolio—During the year ended December 31, 2025, we sold one of the properties in the Playa Hotels Portfolio to an unrelated third party for \$22 million, net of transaction costs and proration adjustments, and we sold the shares of the entities that own the remaining 14 properties to Tortuga Resorts ("Tortuga") for \$1,581 million of cash consideration, net of transaction costs and proration adjustments and \$55 million of cash disposed. We accounted for the transactions as asset dispositions. At December 31, 2025, we had \$41 million and \$14 million recorded in receivables, net and other assets, respectively, on our consolidated balance sheet related to proration adjustments and other amounts to be collected from Tortuga in the future.

As part of total consideration in the Tortuga sale, we may earn up to \$143 million of contingent consideration. The variable consideration can be earned within five years following the sale upon the achievement of certain performance-based metrics, with payment contingent on the occurrence of a contractual liquidity event of the parent of the third-party entity that owns the properties. Upon sale, we estimated the variable consideration using an expected value method to be approximately \$14 million and recorded a contract asset (see Note 3) within other assets on our consolidated balance sheet. In addition, we received a \$200 million preferred equity investment in the parent of the third-party entity that owns the properties. Upon sale, we estimated the fair value of the investment to be approximately \$104 million (see Note 4). The expected value of the contingent consideration and fair value of the preferred equity investment were each estimated using a Monte Carlo simulation to model the probability of possible outcomes and included assumptions and judgments, as applicable, regarding discount rates, volatility, expected timing of cash flows, estimated probability of achieving the contractual objectives, and hotel operating results, which are primarily Level Three inputs.

Additionally, we agreed to indemnify Tortuga for obligations the entities may incur as a result of certain tax matters as of the sale date. Upon sale, we accounted for the indemnification as a guarantee. We recorded a \$16 million guarantee liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value of the indemnification was estimated using a probability-based weighting approach to determine the likelihood of payment of the potential tax liabilities. The valuation methodology included assumptions and judgments regarding probability weighting, discount rates, outcomes of tax

assessments, and expected timing of cash flows, which are primarily Level Three inputs. At December 31, 2025, the indemnification for open tax years had a maximum exposure of \$45 million.

In conjunction with the Tortuga sale, we entered into long-term management agreements for 13 of the 14 properties. The sale resulted in a \$34 million pre-tax loss, including the reclassification of \$1 million of pension liability losses from accumulated other comprehensive loss (see Note 16), which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2025. The operating results and financial position of the hotels in the Playa Hotels Portfolio prior to the sale remain within our owned and leased segment. Although we concluded the disposal of these properties does not qualify as discontinued operations, the disposal is considered individually significant. Pre-tax net income attributable to the Playa Hotels Portfolio was \$31 million during the year ended December 31, 2025.

Alua Portfolio—During the year ended December 31, 2025, we sold the shares of the entities that own the Alua Portfolio to an unrelated third party through a locked box structure and accounted for the transaction as an asset disposition. At the time of sale, we had €51 million of outstanding debt related to the variable rate mortgage loan on the properties, inclusive of accrued interest, which was assumed by the buyer in conjunction with the sale (see Note 11). We received proceeds of €61 million (approximately \$72 million), net of \$11 million of cash disposed, based on an enterprise value of €119 million, which was subject to customary adjustments related to indebtedness and net working capital as of the locked box date, as well as a value accrual representing the economic value from the locked box date through the closing date. Upon sale, we entered into long-term management agreements for each of the properties. The sale resulted in a \$21 million pre-tax gain, including the reclassification of \$7 million of currency translation gains from accumulated other comprehensive loss (see Note 16), which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2025. The operating results and financial position of these hotels prior to the sale remain within our owned and leased segment.

Hyatt Regency O'Hare Chicago—During the year ended December 31, 2024, we sold Hyatt Regency O'Hare Chicago to an unrelated third party and accounted for the transaction as an asset disposition. We received \$11 million of proceeds, net of transaction costs and proration adjustments, issued a \$20 million secured financing receivable with a maturity date of five years (see Note 6), and committed to loan up to \$45 million for a future renovation. Upon sale, we entered into a long-term franchise agreement for the property. The sale resulted in a \$5 million pre-tax loss, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

Hyatt Regency Orlando—During the year ended December 31, 2024, we sold Hyatt Regency Orlando and an adjacent undeveloped land parcel to an unrelated third party. We received \$723 million of cash consideration, net of cash disposed, transaction costs, and proration adjustments, and accounted for the transaction as an asset disposition.

In conjunction with the sale, we received a \$265 million preferred equity investment in the parent of the third-party entity that owns the property. Upon sale, we estimated the fair value of our preferred equity investment, which is redeemable at our option on various dates starting in 2030, to be approximately \$188 million and recorded a HTM debt security within other assets on our consolidated balance sheet (see Note 4). The fair value was estimated using a probability-based discounted cash flow model and included assumptions and judgments regarding the probability weighting, discount rates, and expected timing of payments, which are primarily Level Three inputs.

Additionally, we provided \$50 million of seller financing with an initial maturity date of five years for the adjacent undeveloped land parcel. Upon sale, we estimated the fair value of the seller financing to be approximately \$34 million and recorded an unsecured financing receivable on our consolidated balance sheet (see Note 6). The fair value was estimated using a discounted cash flow model and included assumptions and judgments regarding the discount rate and expected timing of payments, which are primarily Level Three inputs.

Upon sale, we entered into a long-term management agreement for the property and a development agreement for the adjacent undeveloped land parcel. The sale resulted in a \$514 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

During the year ended December 31, 2025, we paid \$9 million to the buyer for proration adjustments. The liability was recorded in accrued expenses and other current liabilities on our consolidated balance sheet at December 31, 2024.

Park Hyatt Zurich—During the year ended December 31, 2024, we sold Park Hyatt Zurich to an unrelated third party and accounted for the transaction as an asset disposition. We received proceeds of CHF 220 million (approximately \$244 million), net of transaction costs and proration adjustments, and issued a CHF 41 million (approximately \$45 million) secured financing receivable with an initial maturity date of five years (see Note 6). Upon sale, we entered into a long-term management agreement for the property. The sale resulted in a \$257 million pre-tax gain, including the reclassification of \$6 million of currency translation gains from accumulated other comprehensive loss (see Note 16), which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

Hyatt Regency San Antonio Riverwalk—During the year ended December 31, 2024, we sold Hyatt Regency San Antonio Riverwalk to an unrelated third party for \$226 million, net of transaction costs and proration adjustments, and accounted for the transaction as an asset disposition. Upon sale, we entered into a long-term management agreement for the property. The sale resulted in a \$100 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

Hyatt Regency Green Bay—During the year ended December 31, 2024, we sold Hyatt Regency Green Bay to an unrelated third party for \$3 million, net of transaction costs and proration adjustments, and accounted for the transaction as an asset disposition. Upon sale, we entered into a long-term franchise agreement for the property. The sale resulted in a \$4 million pre-tax loss, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

Hyatt Regency Aruba Resort Spa and Casino—During the year ended December 31, 2024, we sold the shares of the entities that own Hyatt Regency Aruba Resort Spa and Casino to an unrelated third party and accounted for the transaction as an asset disposition. We received \$173 million of proceeds, net of cash disposed, transaction costs, and proration adjustments, and issued a \$41 million unsecured financing receivable with an initial maturity date of five years (see Note 6). Upon sale, we entered into a long-term management agreement for the property. The sale resulted in a \$172 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2024. In connection with the disposition, we recognized a \$15 million goodwill impairment charge in asset impairments on our consolidated statements of income (loss) during the year ended December 31, 2024 (see Note 9). The assets disposed represented the entirety of the reporting unit and therefore, no business operations remained to support the related goodwill, which was therefore impaired. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

Destination Residential Management—During the year ended December 31, 2023, we sold our interests in the entities that own the Destination Residential Management business to an unrelated third party for \$2 million of base consideration, subject to customary adjustments related to working capital and indebtedness, and up to an additional \$48 million of contingent consideration. The contingent consideration was earnable within two years following the sale upon the achievement of certain performance-based metrics and the extensions of certain contracts related to the rental programs and/or homeowner associations. Upon sale, we recorded a \$28 million contingent consideration receivable at fair value within other assets on our consolidated balance sheet.

The fair value of the contingent consideration receivable was estimated using a Monte Carlo simulation to model the likelihood of achieving the performance-based metrics and a probability-based weighting approach to determine the likelihood of extending certain contracts. The valuation methodology included assumptions and judgments regarding probability weighting, discount rates, operating results, and expected timing of payments, which are primarily Level Three inputs.

The transaction was accounted for as a business disposition, and we recognized a \$19 million pre-tax gain in gains (losses) on sales of real estate and other on our consolidated statements of income (loss) during the year ended December 31, 2023. In conjunction with the disposition, we transferred \$10 million of cash to the buyer related to advanced deposits. The operating results and financial position of this business prior to the sale remain within our management and franchising segment.

During the years ended December 31, 2025 and December 31, 2024, we recorded decreases of \$2 million and \$17 million, respectively, in the carrying value of the contingent consideration receivable and recognized the offset in gains (losses) on sales of real estate and other on our consolidated statements of income (loss). We did not recognize any changes in the carrying value of the contingent consideration receivable during the year ended December 31, 2023.

(1) During the year ended December 31, 2025, we completed the allocations of the preliminary goodwill balance attributed to the Playa Hotels Acquisition and goodwill balance attributed to the Bahia Principe Transaction to our reporting units (see Note 7).

During the year ended December 31, 2025, we implemented organizational changes, and as a result, we reassessed our reporting units and performed interim impairment analyses. During the year ended December 31, 2025, we did not recognize any goodwill impairment charges.

During the year ended December 31, 2024, we recognized \$163 million of goodwill impairment charges, of which \$148 million was a result of our annual impairment analyses (see Note 2) and \$15 million was related to the sale of the shares of the entities that own Hyatt Regency Aruba Resort Spa and Casino (see Note 7). These goodwill impairment charges were recognized in asset impairments on our consolidated statements of income (loss) within our management and franchising, distribution, and owned and leased segments. Through our annual impairment analyses, we determined that the carrying values of two of our reporting units were in excess of the fair values. We estimated the fair values of the goodwill allocated to the reporting units using a combination of a discounted cash flow model and the guideline public companies method, which utilized Level Three inputs including projected cash flows, discount rates, and capitalization rates.

During the year ended December 31, 2023, we did not recognize any goodwill impairment charges.

Senior Notes—Interest on the outstanding Senior Notes is payable semi-annually. We may redeem some or all of the Senior Notes at any time prior to their maturity at a redemption price equal to 100% of the principal amount of the Senior Notes redeemed plus accrued and unpaid interest, if any, to the date of redemption plus a make-whole amount, if any. The amount of any make-whole payment depends, in part, on the yield of U.S. Treasury securities with a comparable maturity to the Senior Notes at the date of redemption. A summary of the terms of our outstanding Senior Notes, by year of issuance, is as follows:

- In 2016, we issued \$400 million of 4.850% senior notes due 2026 at an issue price of 99.920% (the "2026 Notes").
- In 2018, we issued \$400 million of 4.375% senior notes due 2028 at an issue price of 99.866%.
- In 2020, we issued \$450 million of 5.375% senior notes due 2025 (the "2025 Notes") and \$450 million of 5.750% senior notes due 2030 (the "2030 Notes").
- In 2021, we issued \$700 million of 1.300% senior notes due 2023 at an issue price of 99.941% (the "2023 Notes") and \$750 million of 1.800% senior notes due 2024 at an issue price of 99.994% (the "2024 Notes").
- In 2023, we issued \$600 million of 5.750% senior notes due 2027 at an issue price of 99.975%. We received \$596 million of net proceeds from the sale, after deducting \$4 million of underwriting discounts and other offering expenses. We used the net proceeds from the senior notes issuance, together with cash on hand, to repay the outstanding balance on the 2023 Notes, as described below.
- In 2024, we issued an aggregate \$600 million of 5.250% senior notes due 2029 at an aggregate issue price of 99.693% (the "2029 Notes"), \$450 million of 5.375% senior notes due 2031 at an issue price of 99.745% (the "2031 Notes"), and \$350 million of 5.500% senior notes due 2034 at an issue price of 98.860% (the "2034 Notes"). We received \$1,380 million of net proceeds, after deducting \$20 million of underwriting discounts and other offering expenses. We used the net proceeds from a portion of the 2029 Notes and the 2034 Notes to repay the outstanding balance on the 2024 Notes, as described below. We temporarily invested the net proceeds from the remaining portion of the 2029 Notes and 2031 Notes in marketable securities (see Note 4), and we used the net proceeds to repay the outstanding balance on the 2025 Notes, as described below.
- In 2025, we issued \$500 million of 5.050% senior notes due 2028 at an issue price of 99.905% (the "5.050% 2028 Notes"), \$500 million of 5.750% senior notes due 2032 at an issue price of 99.936% (the "2032 Notes"), and \$400 million of 5.400% senior notes due 2035 at an issue price of 99.958% (the "2035 Notes"). We received \$1,386 million of net proceeds, after deducting \$14 million of underwriting discounts and other offering expenses. We used the net proceeds from the 5.050% 2028 Notes and the 2032 Notes to fund a portion of the purchase consideration for the Playa Hotels Acquisition (see Note 7). We used the net proceeds from the 2035 Notes to redeem the outstanding balance on the 2026 Notes, as described below.

Senior Notes Redemptions, Repayments, and Repurchases—During the year ended December 31, 2025, we repaid the 2025 Notes, of which there was \$450 million outstanding, at maturity for \$460 million, inclusive of \$10 million of accrued interest. Additionally, we redeemed the 2026 Notes, of which there was \$400 million of aggregate principal outstanding, at a redemption price of \$405 million, which included principal and \$5 million of accrued interest.

During the year ended December 31, 2024, we repaid the 2024 Notes, of which there was \$746 million outstanding, at maturity for \$753 million, inclusive of \$7 million of accrued interest.

During the year ended December 31, 2023, we repaid the 2023 Notes, of which there was \$638 million outstanding, at maturity for \$642 million, inclusive of \$4 million of accrued interest. Additionally, we repurchased \$18 million of principal on the 2023 Notes in the open market.

Variable Rate Term Loan—During the year ended December 31, 2024, we entered into a credit agreement with Bank of America to correspond with the total amount of the secured financing receivable we issued to the buyer in conjunction with the sale of Park Hyatt Zurich (see Note 7) for a CHF 41 million variable rate term loan, which matures in 2029.

Floating Average Rate Loan—During the year ended December 31, 2012, we obtained a secured construction loan with Banco Nacional de Desenvolvimento Econômico e Social - BNDES in order to develop Grand Hyatt Rio de Janeiro. The loan was split into four separate sub-loans. Sub-loans (a) and (b) mature in 2031 and bear interest at the Brazilian Long Term Interest Rate ("TJLP") plus 2.02%, and when the TJLP rate exceeds 6%, the amount corresponding to the TJLP portion above 6% is required to be capitalized daily. Sub-loans (c) and (d) matured during the year ended December 31, 2023. At December 31, 2025, the weighted-average interest rates for the sub-loans we have drawn upon is 8.02%.

Variable Rate Mortgage Loan—During the year ended December 31, 2024, we assumed a €50 million secured variable rate mortgage loan maturing in 2031 through a facility agreement with Banco Bilbao Vizcaya Argentaria, S.A. ("BBVA") in conjunction with the acquisition of the Alua Portfolio (see Note 7). Additionally, we assumed €38 million of interest rate swaps with BBVA that expire in 2029 and reduced our exposure to fluctuations in the Euro Interbank Offered Rate.

During the year ended December 31, 2025, the loan and interest rate swaps were assumed by the buyer in conjunction with the sale of the shares of the entities that own the Alua Portfolio (see Note 7). At the time of sale, there was \$60 million outstanding on the loan, inclusive of accrued interest, and the fair value of the interest rate swaps was insignificant.

Playa Hotels Term Loan Repayment—During the year ended December 31, 2025, in conjunction with the Playa Hotels Acquisition, we repaid the outstanding balance of an assumed term loan for \$1,078 million, inclusive of \$3 million of accrued interest, on the acquisition date (see Note 7).

Delayed Draw Term Loan Facility—During the year ended December 31, 2025, we entered into a credit agreement with a syndicate of lenders for a \$1,700 million delayed draw term loan facility and borrowed \$1,700 million (the "DDTL Loans"). We received \$1,694 million of proceeds, net of \$6 million of issuance costs, which we used to finance the Playa Hotels Acquisition (see Note 7), repay certain indebtedness of Playa Hotels and its subsidiaries as described above, and pay related fees and expenses. During the year ended December 31, 2025, we repaid the outstanding \$1,700 million of DDTL Loans in conjunction with the sale of the shares of the entities that own the Alua Portfolio (see Note 7) and the sale of the Playa Hotels Portfolio (see Note 7) and recognized a \$5 million loss on extinguishment in other income (loss), net on our consolidated statements of income (loss) related to the unamortized deferred financing fees (see Note 21). Upon final repayment, the DDTL Facility was terminated.

Revolving Credit Facility—During the year ended December 31, 2025, we entered into a credit agreement with a syndicate of lenders that provides for a \$1.5 billion senior unsecured revolving credit facility that matures in October 2030. The credit agreement refinanced and replaced in its entirety our credit agreement dated May 18, 2022. The revolving credit facility provides for the making of revolving loans to us in U.S. dollars and, subject to a sublimit of \$250 million, certain other currencies, and the issuance of up to \$300 million of letters of credit for our own account or for the account of our subsidiaries. We have the option during the term of the revolving credit facility to increase the revolving credit facility by an aggregate amount of up to an additional \$1 billion provided that, among other things, new and/or existing lenders agree to provide commitments for the increased amount. We may prepay any outstanding aggregate principal amount, in whole or in part, at any time, subject to customary breakage costs and upon proper notice. The credit agreement contains customary affirmative, negative, and financial covenants; representations and warranties; and default provisions.

During both the years ended December 31, 2025 and December 31, 2024, we had no borrowings or repayments on our revolving credit facility or prior revolving credit facility. At both December 31, 2025 and December 31, 2024, we had no balance outstanding. At December 31, 2025, we had \$1,497 million of borrowing capacity available under our revolving credit facility, net of letters of credit outstanding (see Note 15).

Fair Value—We estimated the fair value of debt, which consists of our Senior Notes and other long-term debt, excluding finance leases. Our Senior Notes are classified as Level Two in the fair value hierarchy due to the use and weighting of multiple market inputs in the final price of the security. We estimated the fair value of other debt instruments using a discounted cash flow analysis based on current market inputs for similar types of arrangements. Based on the lack of available market data, we have classified our other debt instruments and revolving credit facility, if applicable, as Level Three in the fair value hierarchy.

	December 31, 2025				
	Carrying value	Fair value	Quoted prices in active markets for identical assets (Level One)	Significant other observable inputs (Level Two)	Significant unobservable inputs (Level Three)
Debt (1)	\$ 4,309	\$ 4,420	\$ —	\$ 4,349	\$ 71

(1) Excludes \$3 million of finance lease obligations and \$34 million of unamortized discounts and deferred financing fees.

	December 31, 2024				
	Carrying value	Fair value	Quoted prices in active markets for identical assets (Level One)	Significant other observable inputs (Level Two)	Significant unobservable inputs (Level Three)
Debt (2)	\$ 3,805	\$ 3,813	\$ —	\$ 3,695	\$ 118

(2) Excludes \$4 million of finance lease obligations and \$27 million of unamortized discounts and deferred financing fees.

12. EMPLOYEE BENEFIT PLANS

Defined Benefit Plans—We sponsor supplemental executive retirement plans consisting of funded and unfunded defined benefit plans for certain former executives. Retirement benefits are based primarily on the former employees' salary and are payable upon satisfaction of certain service and age requirements, as defined by the plans. At both December 31, 2025 and December 31, 2024, the accumulated benefit obligation related to the unfunded U.S. plan was \$14 million, of which \$13 million was recorded in other long-term liabilities on our consolidated balance sheets (see Note 13). At December 31, 2025, we expect \$1 million of benefits to be paid annually over the next 10 years.

Defined Contribution Plans—We provide retirement benefits to certain eligible employees under the Retirement Savings Plan (a qualified plan under Internal Revenue Code Section 401(k)), the FRP, and other similar plans. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we recognized \$50 million, \$48 million, and \$43 million, respectively, of expenses related to the Retirement Savings Plan based on a percentage of eligible employee contributions on stipulated amounts. The majority of these expenses relate to employees at our managed hotels and other employees whose payroll is reimbursed, and therefore, the expenses have been, and will continue to be, reimbursed by our third-party owners and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss).

Deferred Compensation Plans—We provide nonqualified deferred compensation for certain employees. Contributions and investment elections are determined by the employees, and we provide contributions to certain eligible employees according to pre-established formulas. The DCP is fully funded through a rabbi trust, and therefore changes in the underlying securities impact the deferred compensation liability, which is recorded in other long-term liabilities (see Note 13), and the corresponding marketable securities, which are recorded in other assets (see Note 10), on our consolidated balance sheets.

Employee Stock Purchase Program—We provide the ESPP, which is intended to qualify under Section 423 of the Internal Revenue Code. The ESPP provides eligible employees the opportunity to purchase shares of our Class A common stock on a quarterly basis through payroll deductions at a price equal to 95% of the fair value on the last trading day of each quarter. We issued 64,777, 53,366, and 61,977 shares under the ESPP during the years ended December 31, 2025, December 31, 2024, and December 31, 2023, respectively.

Foreign Labor Liabilities—We provide post-employment benefits to certain eligible employees primarily in Mexico based on their seniority and the nature and timing of their departure, as required by labor laws. At December 31, 2025 and December 31, 2024, we had \$10 million and \$7 million, respectively, of total liabilities related to the benefits, which included \$7 million and \$6 million, respectively, recorded in other long-term liabilities (see Note 13) and \$3 million and \$1 million, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets.

(1) Relates to the Bahia Principe Transaction. The remaining balance of the deferred consideration liability was recorded in accrued expenses and other current liabilities on our consolidated balance sheets. The total deferred consideration liability was net of a \$2 million and \$4 million unamortized discount at December 31, 2025 and December 31, 2024, respectively. Accretion of the discount was recognized in interest expense on our consolidated statements of income (loss) and was based on an imputed interest rate of approximately 4.8%.

(1) Excludes unconsolidated hospitality ventures losses.

During the year ended December 31, 2025, significant items affecting the effective tax rate included the impact of tax contingencies, a non-cash tax adjustment related to deferred tax assets, and foreign operations relative to income before income taxes.

During the year ended December 31, 2024, significant items affecting the effective tax rate included the benefit of gains on the sale of the shares of the entities that own Hyatt Regency Aruba Resort Spa and Casino and the UVC Transaction that carry a low effective tax rate and a non-cash tax benefit as a result of the release of a valuation allowance on certain foreign deferred tax assets. These benefits were partially offset by the impact of foreign operations, tax contingencies, and state income taxes. Further, during the year ended December 31, 2024, we purchased \$69 million of investment tax credits from a third party, and we recognized a \$4 million benefit as a reduction to the provision for income taxes.

During the year ended December 31, 2023, significant items affecting the effective tax rate included the rate differential on foreign operations and the impact of tax contingencies. These expenses were partially offset by a non-cash tax benefit from the foreign asset restructuring undertaken related to the ALG integration and the release of a valuation allowance on U.S. federal and state deferred tax assets.

On July 4, 2025, U.S. legislation that modifies key business tax provisions was enacted, beginning as early as tax years ending after December 31, 2024, with certain provision effective for tax years ending after December 31, 2025. The legislation did not have a material impact on our consolidated financial statements for the year ended December 31, 2025.

The components of the net deferred tax assets and deferred tax liabilities were comprised of the following:

	December 31, 2025	December 31, 2024
Deferred tax assets related to:		
Loyalty program	\$ 337	\$ 288

Deferred tax liabilities—noncurrent (Note 13)	(216)	(171)
Total	<u>\$ 302</u>	<u>\$ 295</u>

During the year ended December 31, 2025, significant changes to our deferred tax assets included a \$59 million increase in foreign net operating losses, primarily driven by the Playa Hotels Acquisition. This increase was offset by an increase in the valuation allowance. Additionally, the deferred tax asset related to the loyalty program increased \$49 million as a result of changes in deferred revenue related to the loyalty program. Significant changes to our deferred tax liabilities during the year ended December 31, 2025 included a \$74 million increase in intangibles primarily related to book basis in excess of tax basis as a result of the Bahia Principe Transaction. This increase was offset by a decrease in deferred tax liabilities related to property and equipment and investments.

At December 31, 2025, we had \$191 million of deferred tax assets for future tax benefits related to federal, state, and foreign net operating losses and \$1 million of benefits related to federal and state credits. Of these deferred tax assets, \$53 million related to net operating losses and federal and state credits that expire in 2026 through 2045 and \$139 million related to federal, state, and foreign net operating losses that have no expiration date and may be carried forward indefinitely. A \$145 million valuation allowance was recorded on deferred tax assets that we do not believe are more likely than not to be realized.

Any potential taxes due with respect to undistributed earnings or the excess of book basis over tax basis of our foreign investments would generally be limited to an insignificant amount of foreign withholding and/or U.S. state income taxes. We continue to assert that undistributed net earnings with respect to certain foreign subsidiaries that have not previously been taxed in the U.S. are indefinitely reinvested.

At December 31, 2025, December 31, 2024, and December 31, 2023, total unrecognized tax benefits recorded in other long-term liabilities on our consolidated balance sheets were \$503 million, \$366 million, and \$301 million, of which \$244 million, \$137 million, and \$120 million, respectively, would impact the effective tax rate, if recognized.

A reconciliation of unrecognized tax benefits is as follows:

	2025	2024	2023
Unrecognized tax benefits—January 1	\$ 366	\$ 301	\$ 253
Total increases—current-period tax positions	126	67	54
Total increases (decreases)—prior-period tax positions	5	11	(3)
Lapse of statute of limitations	(5)	(8)	(9)
Foreign currency translation adjustments	11	(5)	6
Unrecognized tax benefits—December 31	<u>\$ 503</u>	<u>\$ 366</u>	<u>\$ 301</u>

In 2025, the \$137 million net increase in uncertain tax positions was primarily related to the Playa Hotels Acquisition and an accrual for the U.S. treatment of the loyalty program.

In 2024, the \$65 million net increase in uncertain tax positions was primarily related to an accrual for the U.S. treatment of the loyalty program. The increase in prior-period tax positions included a \$38 million increase related to foreign tax filing positions recorded as part of the Bahia Principe Transaction partially offset by a \$32 million reduction related to foreign tax filing positions as a result of the UVC Transaction.

In 2023, the \$48 million net increase in uncertain tax positions was primarily related to foreign tax filing positions and an accrual for the U.S. treatment of the loyalty program.

We recognize accrued interest and penalties related to unrecognized tax benefits as a component of income tax expense. Total gross accrued interest and penalties were \$138 million, \$103 million, and \$133 million at December 31, 2025, December 31, 2024, and December 31, 2023, respectively. The amount of interest and penalties recognized as a component of income tax expense during the years ended December 31, 2025, December 31, 2024, and December 31, 2023 was \$40 million, \$42 million, and \$23 million, respectively. The interest and penalties were primarily related to interest accrued on the U.S. treatment of the loyalty program and foreign tax matters.

We are subject to audits by federal, state, and foreign tax authorities. U.S. tax years 2021 through 2023 are currently under field exam. U.S. tax years 2009 through 2011 have been subject to a U.S. Tax Court case concerning the tax treatment of the loyalty program in which the IRS is asserting that loyalty program contributions are taxable income to the Company. U.S. tax years 2012 through 2020 are pending the outcome of the Seventh Circuit Court of Appeals, as discussed below.

The Tax Court issued an opinion on October 2, 2023 related to the aforementioned case and determined that the Company must recognize approximately \$12 million in net taxable income for the tax years 2009 through 2011, but that the Company need not recognize approximately \$228 million in net taxable income related to tax years that preceded 2009. The Tax Court entered its decision on September 13, 2024. The Company filed a Notice of Appeal to the U.S. Court of Appeals on December 9, 2024. The Company presented oral arguments before the Seventh Circuit Court of Appeals on September 16, 2025 challenging the rulings in the Tax Court's decision that were not held in the Company's favor. The timing of the appellate court's decision remains uncertain. If the Tax Court's opinion is upheld on appeal, the estimated income tax payment due for the years 2012 through 2025 would be \$333 million, including \$62 million of estimated interest, net of federal benefit. We believe we have an adequate uncertain tax liability recorded for this matter and believe that the ultimate outcome of this matter will not have a material effect on our consolidated financial position, results of operations, or liquidity.

Through a prior acquisition, we assumed an assessment of additional corporate income tax from the Mexican tax authorities, which was in the process of being appealed, primarily related to disallowed deductions taken on historical tax returns. Our request for appeal to a higher court for one of the tax years was denied on May 15, 2024, and the assessment was finalized. At December 31, 2025 and December 31, 2024, we had \$21 million and \$18 million, respectively, of tax liabilities recorded in other long-term liabilities on our consolidated balance sheets in connection with this matter. Our filing position for the additional tax years and matters assessed is more likely than not to be sustained. As the tax benefit more likely than not to be realized upon settlement is zero, we had \$16 million and \$13 million of uncertain tax liabilities recorded at December 31, 2025 and December 31, 2024, respectively, in other long-term liabilities on our consolidated balance sheets.

Further, the Mexican tax authorities disallowed credits taken on historical tax returns and applied value added taxes to certain transactions. We have not recorded a liability associated with the additional value added tax as we do not believe a loss is probable. At December 31, 2025, our maximum exposure is not expected to exceed \$14 million.

During the year ended December 31, 2018, we received a notice from the Indian tax authorities assessing additional service tax on our operations in India. We appealed this decision and do not believe a loss is probable, and therefore, we have not recorded a liability in connection with this matter. At December 31, 2025, our maximum exposure is not expected to exceed \$21 million, including \$15 million of estimated penalties and interest.

We have several state audits pending, including in Illinois and New York. State income tax returns are generally subject to examination for a period of three to five years after filing of the return. However, the state impact of any federal changes remains subject to examination by various states for a period generally up to one year after formal notification to the states of the federal changes. We also have several foreign audits pending in Mexico and other foreign jurisdictions. The statutes of limitations for the foreign jurisdictions ranges from three to ten years after filing the applicable tax return.

15. COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, we enter into various commitments, guarantees, surety and other bonds, and letter of credit agreements.

Commitments—At December 31, 2025, we are committed, under certain conditions, to lend, provide certain consideration to, or invest in various business ventures up to \$687 million, net of any related letters of credit.

Performance Guarantees and Performance Cure Payments—Certain of our contractual agreements with third-party owners require us to guarantee payments to the owners if specified levels of operating profit are not achieved by their hotels. Except as described below, at December 31, 2025, our performance guarantees had \$132 million of remaining maximum exposure and expire between 2027 and 2042.

Through acquisitions, we acquired certain management and hotel services agreements with performance guarantees based on annual performance levels and with expiration dates between 2027 and 2045. Contract terms within certain management and hotel services agreements limit our exposure, and therefore, we are unable to reasonably estimate our maximum potential future payments.

At December 31, 2025 and December 31, 2024, we had \$114 million and \$113 million, respectively, of total performance guarantee liabilities, which included \$95 million and \$104 million, respectively, recorded in other long-term liabilities and \$19 million and \$9 million, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets.

Additionally, we enter into certain management and hotel services agreements where we have the right, but not an obligation, to make payments to certain third-party owners if their hotels do not achieve specified levels of operating profit. If we choose not to fund the shortfall, the hotel owner has the option to terminate the contract. At December 31, 2025 and December 31, 2024, we had \$4 million and no amount, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets related to these performance cure payments.

Debt Repayment Guarantees—We enter into various debt repayment guarantees, as summarized below, in order to assist third-party owners, franchisees, and unconsolidated hospitality ventures in obtaining third-party financing or to obtain more favorable borrowing terms.

Geographical region	Maximum potential future payments (1)	Maximum exposure net of recoverability from third parties (1), (2)	Other long-term liabilities recorded at December 31, 2025	Other long-term liabilities recorded at December 31, 2024	Year of guarantee expiration (3)
United States (4)	\$ 92	\$ 20	\$ 23	\$ 51	various, through 2030
All foreign	31	18	5	7	various, through 2028
Total	\$ 123	\$ 38	\$ 28	\$ 58	

(1) Our maximum exposure is generally based on a specified percentage of the total principal due upon borrower default.

(2) We have agreements with our unconsolidated hospitality venture partners or the respective third-party owners or franchisees to recover certain amounts funded under the debt repayment guarantee; the recoverability mechanism may be in the form of cash or HTM debt security.

(3) Certain underlying debt agreements have extension periods which are not reflected in the year of guarantee expiration.

(4) Certain agreements give us the ability to assume control of the property if defined funding thresholds are met or if certain events occur.

At December 31, 2025, we are not aware, nor have we received any notification, that our third-party owners, franchisees, or unconsolidated hospitality ventures are not current on their debt service obligations where we have provided a debt repayment guarantee.

Other Guarantees—We may be obligated to fund up to \$149 million and \$45 million related to certain guarantees as a result of the UVC Transaction and the Tortuga sale, respectively (see Note 4 and Note 7). At December 31, 2025 and December 31, 2024, we had \$63 million and \$67 million, respectively, of guarantee liabilities recorded in other long-term liabilities on our consolidated balance sheets associated with these guarantees.

Guarantee Liabilities Fair Value—We estimated the fair value of our guarantees to be approximately \$180 million and \$213 million at December 31, 2025 and December 31, 2024, respectively. Based on the lack of available market data, we have classified our guarantees as Level Three in the fair value hierarchy.

Contingent Consideration Fair Value—As part of acquisitions, we have entered into various contingent consideration arrangements. At December 31, 2025, we had \$355 million of potential future consideration remaining under these arrangements. However, we are unable to reasonably estimate our maximum potential future consideration remaining related to the Bahia Principe Transaction (see Note 7).

At December 31, 2025 and December 31, 2024, we had \$177 million and \$214 million, respectively, recorded in other long-term liabilities, and \$3 million recorded at both reporting dates in accrued expenses and other current liabilities on our consolidated balance sheets related to contingent consideration. Our contingent consideration liabilities are remeasured at fair value on a recurring basis and are classified as Level Three in the fair value hierarchy. Changes in fair value were recognized in other income (loss), net on our consolidated statements of income (loss).

The following table summarizes the activity in our contingent consideration liabilities:

	2025	2024
Fair value at January 1	\$ 217	\$ 115
Fair value as of acquisition dates (Note 7)	—	141
Changes in fair value (Note 21) (1)	(37)	(39)
Payments	(4)	—
Foreign currency exchange, net (Note 21)	4	—
Fair value at December 31	<u>\$ 180</u>	<u>\$ 217</u>

(1) During the year ended December 31, 2024, we amended certain terms of the Dream Hotel Group contingent consideration arrangement, including an extension through 2031.

Insurance—We obtain insurance for potential losses from general liability, property, automobile, aviation, environmental, workers' compensation, employment practices, crime, cyber, and other miscellaneous risks. A portion of these risks is retained through a U.S.-based and licensed captive insurance company that is a wholly owned subsidiary of Hyatt and generally insures our deductibles and retentions. Reserve requirements are established based on actuarial projections of ultimate losses. Reserves for losses in our captive insurance company to be paid within 12 months were \$55 million and \$46 million at December 31, 2025 and December 31, 2024, respectively, and were recorded in accrued expenses and other current liabilities on our consolidated balance sheets. Reserves for losses in our captive insurance company to be paid in future periods were \$91 million and \$83 million at December 31, 2025 and December 31, 2024, respectively, and were recorded in other long-term liabilities on our consolidated balance sheets (see Note 13).

Collective Bargaining Agreements—At December 31, 2025, approximately 22% of our U.S.-based employees were covered by various collective bargaining agreements, generally providing for basic pay rates, working hours, other conditions of employment, and orderly settlement of labor disputes. Certain employees are covered by union-sponsored, multi-employer pension and health plans pursuant to agreements between various unions and us. Generally, labor relations have been maintained in a normal and satisfactory manner, and we believe our employee relations are good.

Surety and Other Bonds—Surety and other bonds issued on our behalf were \$120 million at December 31, 2025 and primarily relate to our insurance programs, customer deposits associated with ALG Vacations, taxes, licenses, liens, and utilities for certain managed and franchised hotels.

Letters of Credit—Letters of credit outstanding on our behalf at December 31, 2025 were \$121 million, which primarily relate to our ongoing operations, collateral for customer deposits associated with ALG Vacations, collateral for estimated insurance claims, and securitization of our performance under a certain debt repayment guarantee, which is only called on if the borrower defaults on its obligations. Of the letters of credit outstanding, \$3 million reduces the available capacity under our revolving credit facility (see Note 11).

Capital Expenditures—As part of our ongoing business operations, expenditures are required to complete renovation projects that have been approved.

Other—We act as general partner of various partnerships owning hotel properties that are subject to mortgage indebtedness. These mortgage agreements generally limit the lender's recourse to security interests in assets financed and/or other assets of the partnership(s) and/or the general partner(s) thereof.

In conjunction with financing obtained for our unconsolidated hospitality ventures and certain managed or franchised properties, we may provide standard indemnifications to the lender for loss, liability, or damage occurring as a result of our actions, actions of the other unconsolidated hospitality venture partners, or actions by the respective third-party owners or franchisees.

As a result of certain dispositions, we have agreed to provide customary indemnifications to third-party purchasers for certain liabilities incurred prior to sale and for breach of certain representations and warranties made during the sales process, such as representations of valid title, authority, and environmental issues that may not be limited by a contractual monetary amount. These indemnification agreements survive until the applicable statutes of limitation expire or until the agreed-upon contract terms expire.

We are subject to various claims and contingencies arising in the normal course of business, which are primarily related to lawsuits and taxes (see Note 14), as well as commitments under contractual obligations. Many of these claims are covered under our current insurance programs, subject to deductibles. We record a liability when the loss is probable and reasonably estimable, and if the loss is recoverable from third parties, we record a receivable when the realization of the claim is probable. Based on information currently available, we do not expect the ultimate resolution of such claims and litigation to have a material effect on our consolidated financial statements.

During the year ended December 31, 2024, the Missouri Court of Appeals issued an opinion affirming a previous verdict awarding damages to a guest at one of our managed hotels, and on May 8, 2025, we reached a settlement with the plaintiff. At December 31, 2024, we recorded an estimated liability in accrued expenses and other current liabilities with an offsetting receivable from insurance recorded in receivables, net on our consolidated balance sheet. At December 31, 2025, we had no remaining amounts recorded on our consolidated balance sheet and no remaining exposure related to this matter.

16. STOCKHOLDERS' EQUITY AND COMPREHENSIVE LOSS

Common Stock—At December 31, 2025, Pritzker family business interests beneficially owned, in the aggregate, approximately 95.7% of our Class B common stock and approximately 1.9% of our Class A common stock, representing approximately 54.6% of the outstanding shares of our common stock and approximately 88.9% of the total voting power of our outstanding common stock. As a result, consistent with the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, Pritzker family business interests are able to exert a significant degree of influence or actual control over our management and affairs and over matters requiring stockholder approval, including the election of directors and other significant corporate transactions. While the voting agreements are in effect, they may provide our board of directors with effective control over matters requiring stockholder approval. Because of our dual class ownership structure, Pritzker family business interests will continue to exert a significant degree of influence or actual control over matters requiring stockholder approval, even if they own less than 50% of the outstanding shares of our common stock. Pursuant to the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, the Pritzker family business interests have agreed to certain voting agreements and to certain limitations with respect to the sale of shares of our common stock. In addition, other stockholders beneficially own, in the aggregate, approximately 4.3% of our outstanding Class B common stock representing approximately 2.4% of the outstanding shares of our common stock and approximately 4.0% of the total voting power of our outstanding common stock. Pursuant to the 2007 Stockholders' Agreement, these entities have also agreed to certain voting agreements and to certain limitations with respect to the sale of shares of our common stock.

Share Repurchases—On December 18, 2019, May 10, 2023, and May 8, 2024, our board of directors authorized repurchases of up to \$750 million, \$1,055 million, and \$1,000 million, respectively, of our common stock. These repurchases may be made from time to time in the open market, in privately negotiated transactions, or otherwise, including pursuant to a Rule 10b5-1 plan or an ASR transaction, at prices we deem appropriate and subject to market conditions, applicable law, and other factors deemed relevant in our sole discretion. The common stock repurchase program applies to our Class A and Class B common stock. The share repurchase program does not obligate us to repurchase any dollar amount or number of shares, and the program may be suspended or discontinued at any time and does not have an expiration date.

(1) The year ended December 31, 2023 includes repurchases of 106,116 shares totaling \$9 million that were initiated prior to December 31, 2022, but settled in the first quarter of 2023.

(2) Excludes related insignificant expenses.

(3) Calculated based on the total common stock outstanding as of December 31 of the prior year.

The shares of Class A common stock repurchased in the open market were retired and returned to the status of authorized and unissued shares, while the shares of Class B common stock repurchased were retired and the total number of authorized Class B shares was reduced by the number of shares returned (see Note 18). At December 31, 2025, we had approximately \$678 million remaining under the total share repurchase authorization.

17. STOCK-BASED COMPENSATION

Compensation expense and unearned compensation presented below exclude amounts related to employees of our managed hotels and other employees whose payroll is reimbursed, as these expenses have been, and will continue to be, reimbursed by our third-party owners and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss). Stock-based compensation expense recognized in general and administrative expenses, owned and leased expenses, distribution expenses, and transaction and integration costs on our consolidated statements of income (loss) related to our awards was as follows:

	Year Ended December 31,		
	2025	2024	2023
SARs	\$ 14	\$ 15	\$ 13
RSUs	43	34	40
PSUs	17	15	22
Total	\$ 74	\$ 64	\$ 75

The income tax benefit recognized at the time of vest related to our awards was as follows:

	Year Ended December 31,		
	2025	2024	2023
SARs	\$ 1	\$ 1	\$ 1
RSUs	8	7	5
PSUs	1	1	2
Total	\$ 10	\$ 9	\$ 8

SARs—A summary of SAR activity is presented below:

	SARs	Weighted-average exercise price	Weighted-average remaining contractual term
Outstanding at December 31, 2024	3,242,042	\$ 76.59	5.68
Granted	311,519	122.34	
Exercised	(63,780)	67.67	
Forfeited or expired	(5,630)	133.17	
Outstanding at December 31, 2025	3,484,151	\$ 80.75	5.11
Exercisable at December 31, 2025	2,783,871	\$ 69.59	4.32

The weighted-average grant date fair value for the awards granted in 2025, 2024, and 2023 was \$53.17, \$68.77, and \$48.54, respectively.

The fair value of each SAR was estimated on the grant date using the Black-Scholes-Merton option-pricing model with the following weighted-average assumptions:

	2025	2024	2023
Exercise price	\$ 122.34	\$ 156.97	\$ 111.71
Expected life in years	6.24	6.24	6.24
Risk-free interest rate	4.14 %	4.31 %	3.70 %
Expected volatility	39.25 %	38.60 %	37.37 %
Annual dividend yield	0.49 %	0.38 %	— %

Due to a lack of historical exercise activity, the expected life was estimated based on the midpoint between the vesting period and the contractual life of each SAR. The risk-free interest rate was based on U.S. Treasury instruments with similar expected life. We calculate volatility using our trading history over a time period consistent with our expected term assumption. The dividend yield assumption is based on the expected annualized dividend payment at the grant date.

During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, the intrinsic value of exercised SARs was \$5 million, \$85 million, and \$47 million, respectively. The total intrinsic value of SARs outstanding at December 31, 2025 was \$277 million, and the total intrinsic value for exercisable SARs at December 31, 2025 was \$253 million.

RSUs—A summary of the status of the nonvested RSU awards outstanding under the LTIP, including certain RSUs with a performance component, is presented below:

	RSUs	Weighted-average grant date fair value
Nonvested at December 31, 2024	873,679	\$ 120.17
Granted	581,607	126.30
Vested	(421,661)	111.38
Forfeited or canceled	(78,458)	125.77
Nonvested at December 31, 2025	<u>955,167</u>	<u>\$ 127.32</u>

The weighted-average grant date fair value for the awards granted in 2025, 2024, and 2023 was \$126.30, \$156.75, and \$111.26, respectively. The liability and related expense for granted cash-settled RSUs were insignificant at and for the year ended December 31, 2025. The fair value of RSUs vested during the years ended December 31, 2025, December 31, 2024, and December 31, 2023 was \$47 million, \$49 million, and \$55 million, respectively.

At December 31, 2025, the total intrinsic value of nonvested RSUs was \$153 million.

PSUs—A summary of the status of the nonvested PSU awards outstanding under the LTIP is presented below:

	PSUs	Weighted-average grant date fair value
Nonvested at December 31, 2024	507,158	\$ 102.84
Granted	267,389	144.84
Vested	(207,536)	101.68
Forfeited or canceled	(126,255)	74.02
Nonvested at December 31, 2025	<u>440,756</u>	<u>\$ 134.98</u>

The weighted-average grant date fair value for the awards granted in 2025, 2024, and 2023 was \$144.84, \$159.69, and \$120.64, respectively. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, \$21 million, \$27 million, and no amount, respectively, of PSUs vested.

At December 31, 2025, the total intrinsic value of nonvested PSUs was \$71 million, if target performance is achieved.

Unearned Compensation—Our total unearned compensation for our stock-based compensation programs at December 31, 2025 was \$3 million for SARs, \$39 million for RSUs, and \$16 million for PSUs, which will be recognized in general and administrative expenses, owned and leased expenses, distribution expenses, and transaction and integration costs on our consolidated statements of income (loss) over a weighted-average period of three years with respect to SARs, two years with respect to RSUs, and one year with respect to PSUs. In conjunction with the continued integration of Playa Hotels, certain RSUs included in unearned compensation above may be reimbursed by our third-party owners, and therefore, compensation expense for these employees will be recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss).

Playa Hotels Acquisition Continuing Awards—During the year ended December 31, 2025, in conjunction with the Playa Hotels Acquisition (see Note 7), we assumed the Continuing Awards that were previously granted to continuing employees under the Playa Hotels Plan and converted each award into RSUs (the "Assumed Awards"). The number of shares issued for the Assumed Awards was based on the number of ordinary shares subject to such Continuing Award immediately prior to the closing of the Playa Hotels Acquisition multiplied by the applicable exchange ratio. Vesting for awards eligible to vest based on performance goals was determined based on relevant provisions in underlying award agreements, with such vesting occurring either (i) as though the greater of target performance or actual performance had been achieved or (ii) as though target performance had been achieved, except that, all such awards granted during 2024 vested at the applicable maximum performance level. The Assumed Awards continue to be governed by the terms of the Playa Hotels Plan and are subject to the same vesting and other terms and conditions as were applicable to the corresponding Continuing Awards, except that if the holder of an Assumed Award is terminated without "cause" or terminates employment for "good reason" within 12 to 24 months, as applicable for specified holders, following the closing of the Playa Hotels Acquisition, such holder's Assumed Awards will vest in full, subject to execution of a release.

18. RELATED-PARTY TRANSACTIONS

In addition to those included elsewhere in the Notes to our consolidated financial statements, related-party transactions entered into by us are summarized as follows:

Legal Services—A partner in a law firm that provided services to us throughout 2025, 2024, and 2023 is the brother-in-law of our Executive Chairman. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we incurred \$27 million, \$23 million, and \$15 million, respectively, of legal fees with this firm. At December 31, 2025 and December 31, 2024, we had \$1 million and \$2 million, respectively, due to the law firm.

Equity Method Investments—We have equity method investments in entities that own, operate, manage, or franchise properties or other hospitality-related businesses for which we receive management, franchise, license, or royalty fees. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we recognized \$93 million, \$83 million, and \$23 million, respectively, of gross fee revenues. In addition, in some cases we provide loans or guarantees to these entities (see Note 4, Note 6, and Note 15). During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we recognized an insignificant amount, \$2 million, and \$6 million, respectively, of income related to these guarantees. At December 31, 2025 and December 31, 2024, we had \$168 million and \$112 million, respectively, due from these entities, net of allowances, inclusive of \$44 million and \$67 million, respectively, recorded in receivables, net and \$124 million and \$45 million, respectively, recorded in financing receivables, net on our consolidated balance sheets. During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, we recognized \$8 million, \$5 million, and \$3 million, respectively, of interest income related to these receivables. Our ownership interest in these unconsolidated hospitality ventures varies from 20% to 50%.

In addition to the above fees, we provide system-wide services on behalf of owners of managed and franchised properties and administer the loyalty program for the benefit of Hyatt's portfolio of properties. These expenses have been, and will continue to be, reimbursed by our third-party owners and franchisees and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income (loss).

Class B Share Conversion—During the years ended December 31, 2025, December 31, 2024, and December 31, 2023, 388,106 shares, 1,596,064 shares, and 160,626 shares, respectively, of Class B common stock were converted on a share-for-share basis into shares of Class A common stock, \$0.01 par value per share. The shares of Class B common stock that were converted into shares of Class A common stock have been retired, thereby reducing the shares of Class B common stock authorized and outstanding.

Class B Share Repurchase—During the year ended December 31, 2024, we repurchased 3,629,480 shares of Class B common stock at a weighted-average price of \$154.66 per share, for an aggregate purchase price of approximately \$561 million. The shares of Class B common stock were repurchased in privately negotiated transactions from a limited liability company owned directly and indirectly by trusts for the benefit of certain Pritzker family members and a private foundation affiliated with certain Pritzker family members, and were retired, thereby reducing the shares of Class B common stock authorized and outstanding by the repurchased share amount.

19. SEGMENT AND GEOGRAPHIC INFORMATION

Our reportable segments are components of the business which are managed discretely and for which discrete financial information is reviewed regularly by the CODM to assess performance and make decisions regarding the allocation of resources. Our CODM is our President and Chief Executive Officer. We define our operating and reportable segments as follows:

- **Management and franchising**—This segment derives its earnings primarily from the provision of management, franchising, and hotel services, or the licensing of our intellectual property to, (i) our property portfolio, (ii) our co-branded credit card programs, and (iii) other hospitality-related businesses, including the Unlimited Vacation Club following the UVC Transaction. Intersegment revenues relate to management and franchise fees earned from our owned and leased hotels and commission fees earned from certain ALG Vacations bookings, both of which are eliminated in consolidation. Additionally, we recognize revenues for reimbursed costs in this segment primarily related to payroll at managed properties where we are the employer, as well as costs associated with system-wide services and the loyalty program operated on behalf of owners of managed and franchised properties.
- **Owned and leased**—This segment derives its earnings from owned and leased hotel properties located predominantly in the Americas, but also in certain other international locations, and for purposes of segment Adjusted EBITDA, includes our pro rata share of unconsolidated hospitality ventures' Adjusted EBITDA, primarily based on our ownership percentage of each venture. Adjusted EBITDA includes intercompany management and franchise fee expenses paid to our management and franchising segment, which are eliminated in consolidation. Intersegment revenues relate to free night award redemptions earned by our owned and leased hotels related to our co-branded credit card programs and are eliminated in consolidation.
- **Distribution**—This segment derives its earnings from distribution and destination management services offered through ALG Vacations and the boutique and luxury global travel platform offered through Mr & Mrs Smith. Prior to the UVC Transaction, this segment also included earnings from a paid membership program offering benefits exclusively at certain all-inclusive resorts primarily in Latin America and the Caribbean. Adjusted EBITDA includes intercompany commission fee expenses paid to our management and franchising segment, which are eliminated in consolidation.

Within overhead, we include unallocated corporate expenses.

Our CODM evaluates performance based on segment revenues and Adjusted EBITDA. Our CODM uses these measures to evaluate trends and assess segment operating performance as compared to our prior-period and forecasted results as well as our industry and competitors in order to determine how to allocate resources to each segment. Significant segment expenses include Adjusted general and administrative expenses, owned and leased expenses, and distribution expenses. Our CODM does not evaluate our operating segments using discrete asset information.

We define Adjusted EBITDA as net income (loss) attributable to Hyatt Hotels Corporation plus net income (loss) attributable to noncontrolling interests and our pro rata share of unconsolidated owned and leased hospitality ventures' Adjusted EBITDA, primarily based on our ownership percentage of each owned and leased venture, adjusted to exclude contra revenue; revenues for reimbursed costs; reimbursed costs that we intend to recover over the long term; stock-based compensation expense; transaction and integration costs; depreciation and amortization; equity earnings (losses) from unconsolidated hospitality ventures; interest expense; gains (losses) on sales of real estate and other; asset impairments; other income (loss), net; and benefit (provision) for income taxes.

Adjusted general and administrative expenses excludes the impact of deferred compensation plans funded through rabbi trusts and stock-based compensation expense. Adjusted general and administrative expenses assists us in comparing our performance over various reporting periods on a consistent basis because it removes from our operating results the impact of items that do not reflect our core operations, both on a segment and consolidated basis.

The following tables present revenues disaggregated by the nature of the product or service and by segment and a reconciliation of segment revenues to segment Adjusted EBITDA:

**BRAND HOTEL
FRANCHISE AGREEMENT**

THIS FRANCHISE AGREEMENT is made and entered into as of _____, 2026 (this “**Agreement**”) by and between _____, a _____ (“**Franchisee**”) and the franchisor entity set forth in Exhibit B-1 (“**Hyatt**”).

PRELIMINARY STATEMENT

Franchisee is the owner of, or has the right to occupy, certain real property located at the Site identified in Exhibit B-1. Hyatt has the right to grant franchises for Brand Hotels. Franchisee wishes to enter into this Agreement to obtain a franchise to use the Hotel System to operate a Brand Hotel located at the Site. In addition to other terms defined in this Agreement, the initial capitalized terms shall have the meanings set forth in Exhibit A or Exhibit B-1 (as applicable).

NOW, THEREFORE, Franchisee and Hyatt agree as follows:

ARTICLE I

GRANT OF FRANCHISE, TERM AND AREA OF PROTECTION

1.1 **Grant of Franchise**. Hyatt grants Franchisee, and Franchisee accepts, the non-exclusive right and obligation to use the Hotel System during the Term (defined below in Section 1.2) to build or convert, and operate, the Hotel at the Site in affiliation with the Proprietary Marks in accordance with this Agreement’s terms.

1.2 **Term**. The term of this Agreement (the “**Term**”) will commence on the Effective Date and expire without notice at the end of the twentieth Year, subject to its earlier termination as set forth in this Agreement.

1.3 **Rights in Area of Protection During AOP Term**. Subject to the one exception below, neither Hyatt nor any of its Affiliates will open and operate during the AOP Term, nor authorize any other party to open and operate during the AOP Term, any other Brand Hotels the physical premises of which are located within the Area of Protection. The one exception to this restriction is that, during the AOP Term, if Hyatt or any Affiliate acquires ownership of or the right to operate, manage, franchise or license (regardless of the form of transaction) another group of at least four (4) hotels, one (1) or more of which hotels are located or are under contract or construction to be located in the Area of Protection, then Hyatt and/or its Affiliates will have the unrestricted right to convert, or cause to be converted, the acquired hotel(s) within the Area of Protection from its (or their) original trade identity to operate in affiliation with the Proprietary Marks and the Hotel System, and thereafter to operate or authorize any other party to operate such hotel(s) as Brand Hotels, even if one (1) or more of the other acquired hotels, whether operating within or outside the Area of Protection, are not converted to Brand Hotels.

Franchisee’s rights in the Area of Protection apply only during the AOP Term. Following the AOP Term, Franchisee will have no territorial rights or protection whatsoever, whether within or outside the Area of Protection, and Hyatt and its Affiliates may open and operate, and authorize

any other parties to open and operate, other Brand Hotels the physical premises of which are located within the Area of Protection, including pursuant to franchise applications submitted and/or franchise agreements and other agreements signed during the AOP Term.

1.4 **No Other Restrictions.** Except for the limited exclusivity provided in Section 1.3, Franchisee's rights under this Agreement are nonexclusive in all respects, the Hotel has no territorial protection whatsoever, and Hyatt and its Affiliates have the right without restriction to engage in any and all activities Hyatt and they desire (including with respect to any and all types of lodging facilities), at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with the Hotel. Without limiting the foregoing, Franchisee acknowledges that Hyatt and its Affiliates currently operate other franchised and non-franchised systems for lodging facilities and other accommodations and hospitality affiliations that use different brand names, trademarks, and service marks, including those with the "Hyatt" name as part of their brand name, some of which might operate and have facilities in the Area of Protection during the AOP Term, that will compete directly with Franchisee. Hyatt and its Affiliates may use or benefit from, among other things, common computer systems, administrative systems, reservation systems, purchasing systems and personnel, and may provide some or all System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with the Hotel. Franchisee will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

1.5 **Right of First Offer.** If Hyatt determines that the Site is located in a strategic market for Hyatt and its Affiliates, then simultaneously with signing this Agreement, Hyatt and Franchisee shall sign and deliver to each other the Right of First Offer attached as Exhibit C. Hyatt and Franchisee acknowledge that, unless they sign and deliver to each other the Right of First Offer, the terms of the Right of First Offer and Exhibit C shall not apply to the Hotel or Franchisee.

ARTICLE II

DEVELOPMENT AND OPENING OF THE HOTEL

2.1 **Hotel Development** Franchisee shall, at its expense and with all reasonable diligence, develop or renovate the Hotel at the Site in accordance with the provisions of Exhibit B-3 and the Hotel System, including the Design and Construction Standards, as well as applicable law. Franchisee acknowledges and agrees that the selection of the Site for the Hotel or the failure of Hyatt to object to the Site, does not constitute an assurance, representation or warranty by Hyatt of any kind, express or implied, as to the suitability (commercially or otherwise) of the Site for the Hotel or for any other purpose. Hyatt shall not be responsible for the failure of the Site approved by Hyatt to meet expectations as to revenue, income or operational criteria. Franchisee further acknowledges and agrees that approval of the Site for the Hotel is based on Franchisee's own independent investigation of the suitability of the Site. Franchisee may not make any material changes to plans approved by Hyatt (including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features) without Hyatt's prior written consent.

2.2 IT Project Management Services.

(a) **IT Project Management Services.** Franchisee shall install information technology system(s) for the Hotel in accordance with the System Standards. To assist Franchisee and Franchisee's consultants in installing and implementing information technology system(s) that meet Hyatt's requirements, Hyatt will provide the IT Project Management Services in connection with the opening of the Hotel in accordance with this Section 2.2. Hyatt will staff the IT Project Management Services using its employees or third party contractors, as Hyatt determines.

(b) **Franchisee Responsibilities.** Franchisee agrees to perform, in a timely manner, the tasks identified as Franchisee's responsibilities in Exhibit E. Franchisee acknowledges that Hyatt's performance of the IT Project Management Services is dependent on Franchisee's timely, accurate, and effective performance of all Franchisee's responsibilities set forth in Exhibit E, including providing written notice to Hyatt of Franchisee's designated representative. Franchisee further acknowledges and agrees that its failure to perform may prevent or delay Hyatt's performance of the IT Project Management Services and/or require modifications to the services performed, including an adjustment to the scope of work or completion schedule.

(c) **Site Preparation.** Franchisee will be responsible for all site preparation at the Hotel in connection with the IT Project Management Services. Without limitation, Franchisee is responsible for all climate control, physical safety and security, provision of adequate electric and telecommunications utilities, and wiring for all equipment and devices. Franchisee will also provide such workspace, supplies, hardware and software as are reasonably required for each assignment.

(d) **Hyatt Limited Warranty.** Hyatt warrants that the IT Project Management Services will be performed in substantial accordance with the specifications set forth in Exhibit E. If any IT Project Management Services do not comply with this warranty, Franchisee must notify Hyatt in writing within thirty (30) days after completion of the IT Project Management Services. As to any valid warranty claim, Hyatt will at its option: (i) repair the defect; or (ii) re-perform the defective IT Project Management Services. Following expiration of the warranty period, Franchisee accepts the IT Project Management Services in their "AS-IS" condition. The foregoing constitutes Franchisee's sole and exclusive remedies in response to a warranty claim. Hyatt makes no representation or warranty with respect to: (1) software, equipment, or goods manufactured, developed or provided by others, including Franchisee; (2) use of the IT Project Management Services in a manner contrary to instructions from Hyatt; (3) use of the IT Project Management Services in combination with goods or IT Project Management Services not delivered by Hyatt; (4) defects caused by Franchisee; or (5) other events outside the control of Hyatt. EXCEPT AS STATED ABOVE, HYATT MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO IT PROJECT MANAGEMENT SERVICES, GOODS OR SOFTWARE DELIVERED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, QUALITY, PERFORMANCE, INTEGRATION, SECURITY, SYSTEM UPTIME, DATA INTEGRITY, OR TITLE.

HYATT MAKES NO REPRESENTATIONS OR WARRANTIES THAT SYSTEM DISRUPTIONS, SECURITY BREACHES OR IMPAIRMENTS WILL NOT OCCUR AND DISCLAIMS ALL RELATED EXPRESS AND IMPLIED WARRANTIES. HYATT SHALL NOT BE LIABLE FOR ANY LOSS OF DATA, CORRUPTION OF DATA, OR NETWORK INSECURITY.

(e) **Franchisee Limited Warranty.** Franchisee represents and warrants that access by Hyatt to software licensed or controlled by Franchisee is permitted under the applicable third party license agreements. Except with respect to systems owned or controlled by Hyatt or a vendor selected by Hyatt, Franchisee represents and warrants that Hyatt's performance of the IT Project Management Services will not constitute a misappropriation of any intellectual property or other proprietary or contractual rights of any third party or a violation of any applicable law, regulation, rule or order.

(f) **Procurement of Third Party Components.** All software, equipment, and other goods required for Franchisee's use in connection with its business operations will be procured directly by Franchisee from the appropriate third party vendor. Hyatt will not be responsible for procuring any third party deliverables for use by Franchisee unless otherwise agreed to by Hyatt in a separate writing approved by an authorized officer of Hyatt. Franchisee will comply with the terms of all underlying third party agreements, including all third party software license agreements. Franchisee shall also engage a third party service provider in accordance with this Agreement to support all third party hardware and software installed at the Hotel, and such engagement shall be in place as of the date Hyatt completes all Services.

(g) **Data Back-Up & Disaster Recovery.** Franchisee will maintain in accordance with this Agreement and the System Standards: (i) appropriate data back-up and storage procedures to minimize any harm occurring from loss or corruption of data whatever the cause and (ii) an appropriate disaster recovery and business continuance plan to be activated in response to a technology crisis or system downtime.

2.3 **Opening the Hotel.** Franchisee may not open or begin operating the Hotel in affiliation with the Proprietary Marks until Hyatt has notified Franchisee in writing that Franchisee has satisfied all of the pre-opening conditions set forth in the System Standards or otherwise in writing. Franchisee must open and begin operating the Hotel under the Hotel System and in affiliation with the Proprietary Marks on or before the Opening Deadline. Franchisee may request an extension of the Opening Deadline by submitting to Hyatt, at least three (3) months before the Opening Deadline, a written request for extension and an extension fee in the amount set forth in Exhibit B-1. If Hyatt approves the extension, Hyatt will set a new Opening Deadline, the extension fee will be non-refundable, and Hyatt may (at its option) require Franchisee to modify any previously-approved plans, construction documents, or the PIP (as applicable), to comply with the then current design, equipment and other aspects of the Hotel System. If Hyatt denies the extension, Hyatt will refund the extension fee. Franchisee shall indemnify Hyatt for all costs and expenses that Hyatt incurs directly or indirectly as a result of Franchisee's failure to open the Hotel on or before the anticipated Opening Date specified by Franchisee or the Opening Deadline, whichever is earlier, including any amounts that Hyatt pays with respect to customers whose reservations at the Hotel are cancelled.

2.4 **Hyatt's Role in Pre-Opening Phase.** Hyatt agrees to use commercially reasonable efforts in connection with its review and approval of plans and its approval to open the Hotel in affiliation with the Proprietary Marks, including by making a reasonable number of visits to the Site and providing reasonable guidance and advice relating to the Hotel's development or conversion. Franchisee must pay Hyatt's then current fees (if any) for any additional guidance, services or assistance (beyond what Hyatt typically provides to similarly situated Brand Hotels, subject to Reasonable Deviations) that Franchisee requests, and that Hyatt (at its option) agrees to provide, in connection with the Hotel's development or conversion. Hyatt's review and approval of plans, its providing construction, design, architectural, planning and/or related services in connection with the Hotel (whether before or after signing this Agreement), and its approval to open the Hotel in affiliation with the Proprietary Marks are intended only to determine compliance with Hyatt's pre-opening requirements. Hyatt's determination that Franchisee has met all of Hyatt's pre-opening requirements will not constitute a representation or warranty, express or implied, that the Hotel complies with any laws or is safe for occupancy, nor shall such determination act as a waiver of Franchisee's non-compliance, or of Hyatt's right to demand full compliance, with such pre-opening requirements or any other provision of this Agreement. Hyatt will have no liability to Franchisee for the Hotel's construction or renovation. It is Franchisee's responsibility to ensure that the Hotel (a) complies with Hyatt's requirements as communicated to Franchisee by Hyatt, (b) complies with all Accessibility Laws and other applicable ordinances, building codes, and permit requirements, and (c) is safe for occupancy.

2.5 **Comfort Letter Parties.** Franchisee must cause each Comfort Letter Party to sign a comfort letter or other agreement that Hyatt reasonably specifies under which such Comfort Letter Party agrees, among other things, to assume Franchisee's obligations under this Agreement (subject to Hyatt's rights under ARTICLE XII) if the Comfort Letter Party or any of its Affiliates acquires title or otherwise assumes possession, or the right to sell or direct the disposition of, the Hotel's real property or building and improvements. Franchisee shall pay Hyatt its then current comfort letter fee for each comfort letter that Hyatt negotiates relating to the Hotel. In addition, upon Hyatt's request from time to time, Franchisee must cause each Comfort Letter Party to sign and deliver to Hyatt an estoppel in the form that Hyatt reasonably specifies concerning the status of Franchisee's contractual relationship with that Comfort Letter Party.

2.6 **Hotel System Variations.** Franchisee acknowledges that Hyatt and its Affiliates may operate, and authorize others to operate, Brand Hotels within or outside the United States providing additional, fewer and/or different amenities and services to guests than the Hotel provides or that otherwise operate in a manner that is substantially different from the manner in which the Hotel operates. Hyatt may establish and periodically modify the Hotel System and System Standards for certain Brand Hotels in a manner that is different from the Hotel System and System Standards that apply to some or all Brand Hotels.

ARTICLE III

TRAINING, GUIDANCE AND ASSISTANCE

3.1 Training.

(a) **Owner and Management Company Orientation.** Within the time period that Hyatt reasonably specifies after the Effective Date, (i) Franchisee's managing owner and senior operations officer must attend an owner orientation program, and (ii) a senior operations officer for Franchisee's initial Management Company must attend an operator orientation program, in each case virtually, at Hyatt's headquarters in Chicago, Illinois or at another location Hyatt designates, unless such person has previously attended Hyatt's owner orientation program or operator orientation program (as applicable) within the two (2) year period immediately prior to the Effective Date.

(b) **General Manager Orientation.** Within the time period that Hyatt reasonably specifies before the Hotel's anticipated Opening Date, the Hotel's proposed general manager must attend an orientation program virtually, at Hyatt's headquarters in Chicago, Illinois, or at another location Hyatt designates. If Franchisee or the Management Company replaces the Hotel's general manager during the Term (subject to Section 4.2), the replacement general manager must attend the orientation program within thirty (30) days (or such longer period that Hyatt periodically designates) after assuming that position. Franchisee must pay Hyatt's then current fee for this orientation program and any additional programs that the Hotel's personnel attend.

(c) **Initial Training Programs.** Before opening the Hotel for business in affiliation with the Proprietary Marks, members of the Core Management team and other Hotel personnel whom Hyatt specifies must attend and successfully complete Hyatt's brand standard training programs and curriculum for their respective positions. During the Term, if Franchisee, the Management Company or the approved F&B Operator (if any) replaces any member of its Core Management team or any other individual whom Hyatt required to attend training, that person's replacement must attend and successfully complete the applicable brand standard training programs that Hyatt reasonably specifies within ninety (90) days (or such longer period that Hyatt periodically designates) after assuming that position. Hyatt will designate the dates, locations, and duration of training.

(d) **Pre-Opening Training.** Hyatt will provide pre-opening training to the Hotel staff on the System Standards and related issues in connection with the Hotel's opening in affiliation with the Proprietary Marks. Hyatt may conduct this training via remote learning, in one or more visits to the Hotel, or both, as Hyatt determines in its sole option. Franchisee must pay Hyatt's then current fee and the trainers' travel and living expenses associated with any training that Hyatt provides on-site at the Hotel. If Hyatt provides on-site training, the trainers will arrive at or before the Hotel's opening in affiliation with the Proprietary Marks and stay for the period that Hyatt specifies.

(e) **Supplemental and Optional Training.** Hyatt may, at such times and places as it deems best, require the Core Management and/or other Hotel personnel that

Hyatt reasonably specifies to participate in regional and national conventions, meetings, and other brand standard training programs that Hyatt periodically specifies. Hyatt also may, at its option, offer various optional training programs from time to time during the Term.

(f) **Training Fees and Expenses.** Franchisee must pay Hyatt's then current fees for any conventions, meetings and other initial, supplemental and optional training programs that the Hotel's personnel attend. Franchisee also is responsible for all related compensation, and travel and living expenses that Hotel personnel incur. If Hyatt holds any training at the Hotel, Franchisee must provide free lodging for Hyatt's representatives, subject to availability.

3.2 **Providing System Standards.** Hyatt shall provide Franchisee access to the System Standards during the Term. Franchisee must comply with the System Standards, as Hyatt periodically modifies them, except for any employment-related or other policies and procedures which are clearly indicated in the System Standards as being for Franchisee's optional use. Hyatt may communicate the System Standards to Franchisee using various means that Hyatt may periodically establish, including electronic media and/or written materials, and Franchisee agrees continuously to monitor and access any updates to the System Standards or other aspects of the Hotel System. Franchisee agrees to restrict (and ensure the Management Company restricts) access to the System Standards in accordance with Hyatt's policies, as Hyatt periodically modifies them. If there is a dispute over their contents, Hyatt's master version of the System Standards controls. Franchisee agrees that the System Standards and any passwords or other digital identifications necessary to access the System Standards are part of the Confidential Information.

3.3 **CRS, GDS, ADS and IT Services.** During the period before the Hotel's Opening Date that Hyatt reasonably specifies and continuing for the remainder of the Term, Hyatt shall provide Franchisee access to the CRS and listings in advertising publications that Hyatt periodically specifies. Hyatt also may, at its option, provide IT project management implementation services and other services relating to the computing equipment and other technology at the Hotel during the Term. Franchisee must pay Hyatt's reasonable fees and reimburse Hyatt's expenses in connection with such assistance.

3.4 **General Guidance and Assistance.** During the Term, Hyatt may advise Franchisee from time to time regarding the Hotel's operation, for example, with respect to System Standards and advertising and marketing materials and programs. If Franchisee requests, and Hyatt agrees to provide, additional or special guidance, assistance, or training, Franchisee agrees to pay Hyatt's then applicable charges and travel and living expenses. Any specific training, guidance or assistance that Hyatt provides does not create an obligation (whether by course of dealing or otherwise) to continue providing that specific training, guidance or assistance, all of which Hyatt may periodically modify.

3.5 **Other Arrangements and Delegation.** Hyatt may make arrangements with its Affiliates or other third parties to provide development, marketing, operations, administration, technical, and support functions, facilities, services, and/or personnel related to the Hotel System. Hyatt may delegate the performance of any portion or all of its obligations under this Agreement to third party designees, whether these designees are its Affiliates, agents, or independent

contractors with whom Hyatt contracts to perform these obligations. If Hyatt does so, the third party designees will be obligated to perform the delegated functions for Franchisee in compliance with this Agreement.

ARTICLE IV

OPERATION OF THE HOTEL

4.1 **System Services.** If Franchisee is in full compliance with its obligations under this Agreement, Hyatt or one or more members of the Hyatt Group will provide to Franchisee those System Services periodically specified by Hyatt for Brand Hotels. Franchisee must participate in all Mandatory Services and related programs, and may (at Franchisee's option) participate in any or all Non-Mandatory Services and related programs, in the manner that Hyatt periodically specifies. Hyatt may from time to time add to, delete from, and otherwise modify these System Services, and the scope of and manner of providing System Services, upon notice to Franchisee. Also, due to the differences in products, services, markets and hospitality experiences among Brand Hotels and other Hyatt Network Hotels, Hyatt may, where it deems appropriate in its judgment: (a) classify certain System Services as Mandatory Services under this Agreement which Hyatt classifies as Non-Mandatory Services or does not offer to other Brand Hotels and/or other Hyatt Network Hotels; (b) not provide to the Hotel certain System Services that Hyatt provides to other Brand Hotels and/or other Hyatt Network Hotels; and (c) limit the scope of those System Services provided to franchised Brand Hotels, including, by way of example and without limitation, by limiting the access that franchised Brand Hotels have to certain customer and other proprietary information for Hyatt Network Hotels other than the Hotel.

4.2 **Management of the Hotel.**

(a) **Franchisee or Management Company as Manager.** Either a Management Company that Hyatt approves in writing or Franchisee (if Hyatt approves Franchisee to manage the Hotel) must at all times retain and exercise direct management control over all aspects of the Hotel's business and must be the employer of the Hotel's Core Management and other personnel, except for any members of Core Management that are overseen by an F&B Operator whom Hyatt approves. At Hyatt's option, before any of the Hotel's Core Management are engaged, Franchisee must submit to Hyatt the identity and qualifications of the proposed candidates. These personnel must be in place and working on behalf of the Hotel by the time period Hyatt specifies. Franchisee may not enter into a Management Arrangement without Hyatt's prior written approval of the Management Company, and Franchisee may not itself manage the Hotel without Hyatt's approval of Franchisee as the Hotel's operator. Hyatt will not unreasonably withhold its approval if the Management Company or Franchisee (as applicable) meets Hyatt's minimum qualifications, including Hyatt's then current operator approval fee, and ensures that its personnel attend and satisfactorily complete required brand standard training programs.

(b) **Management Company Documents.** As a condition of Hyatt's approval of any Management Company, the Management Company must (i) sign the documents Hyatt requires to protect its intellectual property rights and to reflect the Management

Company's agreement to perform its management responsibilities and otherwise operate the Hotel in compliance with this Agreement (collectively, the "**Management Company Documents**"); and (ii) attend and successfully complete Hyatt's designated then current operator training programs for Brand Hotels, if any. The current version of the Management Company Documents is attached as Exhibit F. Hyatt may refuse to approve a Management Company that is a Competing Brand Owner. If Hyatt has approved a Management Company as of the Effective Date, or if Hyatt has approved Franchisee to manage the Hotel as of the Effective Date, then the approved Management Company (if applicable) is listed on Exhibit B-1.

(c) **Revocation of Management Company Approval**. If an approved Management Company or Franchisee (if Hyatt approves Franchisee to manage the Hotel) at any time becomes a Competing Brand Owner, fails to attend and successfully complete mandatory training program(s), fails to meet Hyatt's minimum qualifications (as Hyatt may periodically modify them), or fails to comply with this Agreement (including any System Standards and/or, without limiting the terms of Section 4.8 below, if the Hotel remains in any remedial or non-compliant status under Hyatt's then-current Quality Assurance and Compliance Program for three (3) or more consecutive months), the Management Company Documents, or any conditions of operator approval previously imposed by Hyatt, then, without limiting Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may (i) revoke its approval of the Management Company (or of Franchisee) as the manager of the Hotel or (ii) as a condition of its continued approval, Hyatt may impose on the Management Company (or Franchisee) additional requirements, including participation in remedial training and other operational programs, at the Management Company's or Franchisee's expense. If Hyatt revokes its approval of the Management Company or of Franchisee as manager, then Franchisee must promptly terminate the Management Arrangement with that Management Company (if applicable) and either assume direct control of the Hotel's management and operation, if Hyatt approves Franchisee to manage the Hotel, or engage another Management Company that Hyatt has approved in writing.

(d) **Core Management Staffing**. Franchisee, the Management Company or the approved F&B Operator (as applicable) is solely responsible for hiring the Core Management and other Hotel personnel and determining the terms and conditions of their employment. Franchisee, the Management Company or the approved F&B Operator (as applicable) must hire and properly train all Core Management and have a Core Management team in place at the Hotel at all times. Franchisee must ensure that all members of the Hotel's Core Management whom Franchisee or the Management Company employ spend all of their working time at the Hotel fulfilling their management and operational responsibilities and do not concurrently maintain a position at another lodging facility or in any other capacity related to the lodging industry.

4.3 **System Standards**. Subject to ARTICLE X, Franchisee must operate the Hotel twenty-four (24) hours a day, every day, and use the Hotel and its premises solely for the business franchised under this Agreement. Franchisee, and not Hyatt, shall be responsible for providing a safe and secure environment at the Hotel and the Site for guests, employees, and members of the public. Franchisee must at all times ensure that the Hotel is operated in compliance with the Hotel

System and all other mandatory System Standards Hyatt periodically communicates to Franchisee, as Hyatt may periodically modify them. System Standards may regulate any aspect of the Hotel's operation and the products and services that the Hotel uses and offers to guests and other customers, including participation in and compliance with the terms of all of Hyatt's mandatory marketing, reservation service, rate and room inventory management, advertising, guest frequency and loyalty, social responsibility, discount or promotional, training and operating programs, including a property management system that interfaces with the CRS. Franchisee must sign and comply with any license, participation and other agreements Hyatt periodically specifies relating to these programs.

Despite Hyatt's right to establish and periodically to modify System Standards for the Hotel and modify the Hotel System as Hyatt deems best, Franchisee retains the right to control, and responsibility for, the Hotel's day-to-day management and operation and implementing and maintaining System Standards at the Hotel. Because complete and detailed uniformity under many varying conditions might not be possible or practical, Hyatt reserves the right, as Hyatt deems best, to vary the Hotel System and System Standards for any Brand Hotel based upon the peculiarities of any condition or factors that Hyatt considers important to that hotel's successful operation. Franchisee has no right to require Hyatt to grant Franchisee a similar variation or accommodation.

Hyatt and Franchisee agree that any materials, guidance or assistance that Hyatt provides with respect to employment-related policies or procedures are solely for Franchisee's (and/or the Management Company's) optional use. Those materials, guidance and assistance do not form part of the mandatory System Standards. Franchisee (or the Management Company) will determine to what extent, if any, these materials, guidance or assistance should apply to the Hotel's employees. Franchisee acknowledges that Hyatt does not dictate or control labor or employment matters for franchisees and their employees. Franchisee (or the Management Company) is solely responsible for determining the terms and conditions of employment for all Hotel employees (including Core Management), for all decisions concerning the hiring, firing and discipline of Hotel employees, and for all other aspects of the Hotel's labor relations and employment practices.

4.4 **Sources of Products and Services**. Hyatt may require Franchisee to acquire FF&E, supplies, and other goods and services only from Hyatt (or its Affiliate) or from one or more sources that Hyatt periodically designates or approves. If Franchisee wishes to obtain any FF&E, supplies, or other goods and services from a source that Hyatt has not previously approved as a supplier of the particular item or service, Franchisee must comply with Hyatt's then current supplier approval standards. Upon Hyatt's request, Franchisee must reimburse Hyatt's costs in reviewing Franchisee's request and evaluating the product, service and/or source. Hyatt may designate a particular source for, or model or brand of, FF&E, supplies or other goods or services that Hyatt (in its sole judgment) determines to be critical to the Hotel System. Hyatt and its Affiliates have the right to receive rebates, commissions, and other consideration from suppliers on account of their actual or prospective dealings with Franchisee and other franchisees and owners of Brand Hotels, but (subject to Section 4.1) neither Hyatt nor its Affiliates will receive rebates from suppliers based solely on the volume of Franchisee's purchases from those suppliers unless Hyatt either forwards those rebates to Franchisee, uses them to cover System Services Costs, or otherwise uses those rebates for the benefit of the Hotel System or the Brand Hotel network.

4.5 **CRS, GDS and ADS.** Franchisee must participate in, connect with, and use the authorized CRS, GDS and ADS (and only the authorized CRS, GDS and ADS) in the manner Hyatt periodically designates for offering, booking, modifying, and communicating guest room reservations for the Hotel. Franchisee must honor and give first priority on available rooms to all confirmed reservations that the CRS, GDS or ADS refers to the Hotel. The CRS and approved GDS and ADS are the only reservation systems or services that the Hotel may use for reservations. Franchisee will establish the Hotel's room rates, provided that those rates and Franchisee's pricing policies comply with System Standards (to the maximum extent the law allows). Franchisee may not charge any guest a rate higher than the rate that the reservations center specifies to the guest when the guest makes the reservation.

4.6 **F&B Operations and Spa Operations.** Franchisee is responsible for ensuring that all F&B Operations and all Spa Operations (if the Hotel has Spa Operations) operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards. Franchisee agrees to provide, or cause the Management Company to provide, all training programs to the F&B Operator and Spa Operator (as applicable) that Hyatt periodically specifies. If the F&B Operator or Spa Operator at any time fails to operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards, or fails to comply with any agreement with Hyatt, then, without limiting Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may revoke its approval of the F&B Operator or Spa Operator (as applicable). If Hyatt does so, then Franchisee must promptly terminate its arrangement with the F&B Operator or Spa Operator and either assume direct control of the Hotel's F&B Operations or Spa Operations (as applicable), if Hyatt has approved Franchisee to manage the Hotel, or engage another approved F&B Operator or Spa Operator that Hyatt has approved in writing.

4.7 **Upgrading the Hotel and CapEx Account.** Franchisee may not make any material changes to the Hotel's construction, including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features, without Hyatt's prior written consent and complying with such conditions and procedures that Hyatt periodically establishes for such changes. Without limiting Hyatt's rights and Franchisee's obligations under Section 4.3, Hyatt may require Franchisee at any time and from time to time during the Term to upgrade or renovate the Hotel, including by altering the Hotel's appearance and/or replacing a material portion of improvements and/or FF&E, to comply with then current building décor, appearance, trade dress standards and other aspects of the Hotel System that Hyatt has established and then requires for new similarly situated Brand Hotels (subject to Reasonable Deviations). This upgrading or renovation may obligate Franchisee to invest additional capital in the Hotel and/or incur higher operating costs. Franchisee agrees to implement such upgrading and renovation within the time period Hyatt requests, provided that all such upgrades and renovations apply to similarly situated Brand Hotels (subject to Reasonable Deviations).

In order to assist Franchisee in having funds available to make any necessary capital expenditures at the Hotel and comply with its obligations under this Section 4.7 (but without limiting those obligations), each month Franchisee shall deposit into a separate account that Franchisee controls (the "**CapEx Account**") the amount set forth in Exhibit B-1. Upon Hyatt's

reasonable request, Franchisee will periodically provide Hyatt information concerning the funds in and expenditures from the CapEx Account. Franchisee shall use the funds in the CapEx Account only for the purpose of making approved capital expenditures and complying with its upgrade and other obligations under this Section 4.7, although such obligations may require Franchisee to spend more than the amount then in the CapEx Account.

4.8 **Inspections/Compliance Assistance and Quality Assurance and Compliance Program.** Hyatt may inspect the Hotel at any time, with or without notice to Franchisee, to determine whether Franchisee and the Hotel are complying with the Hotel System, System Standards, and other provisions of this Agreement. Franchisee must give Hyatt's representatives free lodging (subject to availability) during the inspection period. The Hotel also must participate in and pay its allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program. If Hyatt determines that the Hotel is failing to comply with the System Standards or any other terms and conditions of this Agreement, then, without limiting Hyatt's other rights or remedies under this Agreement, any other agreement or applicable law, Franchisee must: (a) reimburse Hyatt for its costs related to that non-compliance, including fees, travel and living expenses, guest satisfaction payments or expenses, and other costs for administering any necessary actions, follow-up inspections, audits or re-evaluation visits until the failures to comply have been fully corrected, and (b) ensure that applicable Hotel personnel attend meetings and additional brand standard training programs that Hyatt specifies, at Franchisee's sole expense, relating to that non-compliance.

4.9 **Compliance With Laws.** Franchisee must strictly comply with all laws, rules, regulations and other legal and governmental requirements concerning the Hotel's development and operation, including by (a) ensuring that the Hotel is at all times in full compliance with the Accessibility Laws; (b) paying all taxes when due; and (c) obtaining and maintaining (or ensuring that the Management Company, F&B Operator and/or Spa Operator, as applicable, obtains and maintains) all licenses (including all liquor licenses) and permits necessary to operate the Hotel, including the F&B Operations and Spa Operations (if the Hotel has Spa Operations). Franchisee agrees to comply, and to assist Hyatt to the fullest extent possible in its efforts to comply, with the Trade Restriction Laws, Anti-Corruption Laws and Privacy Laws. In connection with that compliance, Franchisee (on behalf of itself and its Owners, excluding any Public Owners) certifies, represents, and warrants as of the Effective Date that none of Franchisee's nor any such Owner's property or interests is subject to being blocked under, and that Franchisee and such Owners otherwise are not in violation of, any of the Trade Restriction Laws. Franchisee represents and warrants that as of the Effective Date it has in place, and covenants to maintain in place throughout the Term, commercially reasonable compliance programs, policies and procedures designed to prevent any violations of, and promptly to detect any risks of violation or potential violation of, any Trade Restriction Laws, Anti-Corruption Laws or Privacy Laws, including procedures for conducting background checks on Owners and prospective Owners (other than Public Owners).

4.10 **No Diverting Business.** Franchisee must refer guests and customers, wherever reasonably possible, only to Brand Hotels or other Hyatt Network Hotels, not use the Hotel or the Hotel System to promote a competing business or other lodging facility, and not divert business from the Hotel to a competing business.

4.11 **No Competing Brand Owners.** Franchisee represents and warrants to Hyatt that neither Franchisee nor any of its Owners (other than a Public Owner) is a Competing Brand Owner and agrees that neither Franchisee nor any of its Owners (other than a Public Owner) at any time during the Term shall be or become a Competing Brand Owner.

4.12 **Restrictions on Use of the Site.** If the Hotel is or will be part of a Mixed-Use Site:

(a) Franchisee agrees to ensure that no part or portion of the Mixed-Use Site is used to operate (i) a pawnshop, check-cashing business, gentleman's club, pornography retailer, or other sexually-oriented business, or (ii) a package liquor store, marijuana dispensary, or gambling business, without Hyatt's prior written consent, which consent may be granted or withheld in Hyatt's sole judgment, or (iii) a bar, lounge, club or similar establishment situated within three hundred (300) feet of any part of the Hotel's interior footprint, whose revenues are derived more than fifty percent (50%) from the sale of alcoholic beverages, without Hyatt's prior written consent, which consent will not be withheld unless Hyatt reasonably determines that the establishment might have a material negative impact on guests of the Hotel.

(b) Franchisee shall and shall cause its lessees and its Affiliates and their respective lessees to: (i) develop, maintain and operate all Non-Hotel Components within the Mixed-Use Site in accordance with quality, design and operational standards consistent with the quality, design and operational standards applicable to the Hotel, (ii) refrain from advertising, marketing or promoting the Non-Hotel Components as being associated with or part of the Hotel, the Brand, the Brand Hotels, or any other Proprietary Marks, except in connection with Hotel, advertisement and promotion approved pursuant to ARTICLE V of this Agreement; and (iii) operate the Non-Hotel Components in a way that, in Hyatt's reasonable judgment, does not damage or reflect adversely on the goodwill associated with any Proprietary Mark.

(c) Franchisee shall and shall cause its lessees and its Affiliates and their respective lessees to, obtain and maintain throughout the Term, with respect to the Non-Hotel Components, the insurance coverages meeting then-current industry standards.

(d) Hyatt shall have the right to review the applicable provisions of agreements between Franchisee or its Affiliates and operators of the Non-Hotel Components to determine compliance with this Section 4.12.

ARTICLE V

ADVERTISING AND MARKETING

5.1 **Pre-Opening Marketing.** At Franchisee's option, Hyatt will perform certain pre-opening commercial readiness services for the Hotel, including support related to pre-opening sales, marketing, revenue strategy, market entry planning and other activities to support the Hotel's commercial readiness following opening ("**Commercial Services Activation**"). Upon commencement of the Commercial Services Activation, Franchisee shall pay Hyatt its then current Commercial Services Activation Fee in the amount set forth in Exhibit B-1. If Franchisee elects

not to participate in Commercial Services Activation, Franchisee or its management company will be responsible for completing the required activities in accordance with Hyatt's standards and specified timelines. In the event Franchisee or its management company fail to meet critical deadlines or to complete the required steps to prepare for the commercial readiness of the Hotel, Hyatt may require Franchisee to participate in Commercial Services Activation and to pay a pro-rated portion of the Commercial Services Activation Fee, which will be calculated based on the proportion of the Commercial Services Activation in which Franchisee participated compared to the total scope of Commercial Services Activation.

5.2 **Participation in Advertising and Marketing.** Franchisee acknowledges that promoting Brand Hotels as a single chain in the United States is an important part of the Hotel System. Franchisee must participate in and use, in the manner that Hyatt specifies, all advertising, marketing and promotional activities, materials and programs that Hyatt periodically requires for similarly-situated Brand Hotels (subject to Reasonable Deviations).

5.3 **Approval of Marketing Programs and Materials.** Subject to Hyatt's requirements and at Franchisee's expense, Franchisee may conduct local and regional marketing, advertising and promotional programs for the Hotel. Franchisee must ensure that all advertising, marketing and promotional materials, all public relations plans and programs, and all uses of the Proprietary Marks are conducted in a dignified manner and in accordance with the System Standards, including the use of Hyatt's standard templates where applicable, and which may, at Hyatt's option, require Hyatt's prior approval of materials not previously approved by Hyatt in the manner Hyatt specifies. Franchisee must discontinue using any materials, including previously-approved materials, and cease engaging in any plans and programs, including previously-approved plans and programs, within the timeframe Hyatt specifies after Franchisee receives written notice from Hyatt. Franchisee may not use Guest Information in conducting marketing, advertising and promotional programs for the Hotel unless conducted by or through Hyatt or with Hyatt's supervision in each instance. Franchisee shall pay Hyatt the reasonable fees that Hyatt periodically establishes for optional marketing, advertising and promotional materials and programs that Franchisee chooses to acquire from Hyatt or its Affiliates or in which Franchisee chooses to participate.

5.4 **Websites and Electronic Media.**

(a) Hyatt may maintain (or authorize any other entity to maintain) the Hotel System Website to advertise, market and promote all or a certain group of Brand Hotels that Hyatt periodically specifies (and, at Hyatt's option, other Hyatt Network Hotels). Franchisee must comply with all System Standards relating to the Hotel System Website, including by providing Hyatt (or its designee) all information and other materials concerning the Hotel that Hyatt periodically requests and promptly notifying Hyatt whenever any information concerning the Hotel on the Hotel System Website is no longer accurate. By providing Hotel-related information and materials, Franchisee is representing to Hyatt that they are accurate and not misleading and do not infringe any third party's intellectual property or other rights. Hyatt shall have the final decision about all information or materials appearing on the Hotel System Website. As between Hyatt and Franchisee, Hyatt owns all intellectual property rights and other rights in and to the Hotel

System Website, including data that visitors supply or the Hotel System Website obtains. Hyatt may discontinue the Hotel System Website and/or any of its content (including separate webpages for participating Brand Hotels) at any time.

(b) Franchisee may not develop, maintain or authorize any website or other electronic medium (other than the Hotel System Website) that either has the word “hyatt” or any similar word, or any of the Proprietary Marks, as part of its domain name or URL or that accepts reservations for the Hotel (other than through an approved link to a Hotel System Website) or otherwise sells any products or services associated with the Hotel or any of the Proprietary Marks. In addition, except for the Hotel System Website, approved ADS, and as otherwise provided in this Section 5.4, Franchisee may not develop, maintain or authorize any other website, other online presence or other electronic medium that describes or in any other way promotes the Hotel or displays any of the Proprietary Marks. Franchisee may, with Hyatt’s approval (which it will not unreasonably withhold) and subject to compliance with System Standards, authorize any Travel Services Website or Franchisee Organization Website to list and promote the Hotel together with other hotels.

5.5 **Cooperative Advertising Programs.** Hyatt may identify a region in which two (2) or more Brand Hotels are located in order to establish a local or regional advertising cooperative (a “**Cooperative**”). Hyatt may form, change, dissolve and merge Cooperatives. The Cooperative’s purpose will be to collect funds from its members and to plan, discuss, organize, develop, utilize, produce, disseminate, and implement marketing, advertising and promotional programs and materials on a collective basis (and to cover related expenses) for participating Brand Hotels. Hyatt will not require Franchisee to participate in a Cooperative. However, if Franchisee chooses to participate in the Cooperative, Franchisee must do so according to the Cooperative’s rules, including paying the Hotel’s allocable share of any advertising, marketing, promotional and other programs that the Cooperative conducts. All restrictions under this Agreement relating to any advertising, marketing or promotional programs that Franchisee conducts also apply to any such programs that the Cooperative conducts.

ARTICLE VI

FEES AND PAYMENTS

6.1 **Initial Fees.**

(a) The initial Application Fee was fully earned by Hyatt and non-refundable upon Hyatt’s approval of Franchisee’s franchise application before Hyatt and Franchisee signed this Agreement. If Hyatt and Franchisee agree to add guest rooms to the Hotel above the number of rooms stated in Exhibit B-3 before the Hotel opens, then Franchisee must pay Hyatt, when Hyatt approves the additional guest rooms, an additional Application Fee in an amount equal to the amount set forth in Exhibit B-1. After the Hotel opens, if Franchisee wants to add any guest rooms to the Hotel, Franchisee must pay Hyatt’s then current PIP fee (currently the amount set forth in Exhibit B-1 when Franchisee requests Hyatt’s approval of Franchisee’s plans, as well as an Additional Application Fee as set forth in Exhibit B-1 when Hyatt approves Franchisee’s plans to develop the additional guest rooms. Neither the PIP fee nor the Additional Application Fee are refundable.

(b) Franchisee must pay Hyatt the non-refundable applicable “**Design Review Fees**,” as set forth in Exhibit B-1. If Franchisee is converting an existing hotel to a Brand Hotel, then it must also pay the non-refundable PIP fee (currently the amount set forth in Exhibit B-1) prior to Hyatt’s creation of the PIP to be attached to this Agreement as Exhibit D. The PIP fee is in addition to the Application Fee and the Design Review Fees.

(c) Franchisee shall reimburse Hyatt’s or its Affiliate’s reasonable expenses in connection with rendering the IT Project Management Services, including any necessary transportation, lodging and meals, plus applicable taxes thereon. These expenses will be invoiced by Hyatt no earlier than: (i) Hyatt’s completion of the IT Project Management Services or (ii) upon Franchisee’s termination of the Hotel development project or the IT Project Management Services, for any reason, in either event regardless of whether Hyatt has approved the Hotel for opening.

6.2 **Monthly Fees to Hyatt**. On or before the tenth (10th) day of each month or such later day of the month that Hyatt periodically specifies, Franchisee shall pay Hyatt:

(a) a “**Royalty Fee**” equal to the amount set forth in Exhibit B-1;

(b) the System Services Charges for the previous month. Franchisee acknowledges that System Services Charges will include an allocable proportion of certain System Services Costs incurred during the period before the Hotel opens in accordance with this Agreement. System Services Charges shall be determined on the same basis as such amounts are determined for other Participating Hotels. Any allocation of shared costs that the Hyatt Group makes in good faith and with the intention of fairly allocating such costs to System Services shall be binding on the parties hereto. System Services Costs shall include the actual costs incurred by the Hyatt Group and shall not be subject to any mark-up, premium or profit on any Mandatory Services, but may include a profit or mark-up component on Non-Mandatory Services as described above or as determined by the Hyatt Group. The Hyatt Group may in its reasonable judgment periodically change its method of allocation of the System Services Costs among Participating Hotels, and the categories of Brand Hotels and/or other Hyatt Network Hotels that are classified as Participating Hotels, provided that such method of allocation and categories of Participating Hotels shall at all times be determined on a reasonable, equitable and non-discriminatory basis; and

(c) all fees and other amounts that Hyatt (or its Affiliates) then has paid or has agreed to pay on Franchisee’s behalf to any Providers. If any Provider assesses a single or group fee or other charge that covers all or a group of Brand Hotels or other Hyatt Network Hotels to which that Provider provides products or services, Franchisee agrees that Hyatt’s allocation of that fee or other charge among the Hotel and other participating hotels is final. The Providers may periodically increase the fees and other charges they impose. At Hyatt’s option, Franchisee must begin paying these fees and other charges directly to the applicable Provider(s).

6.3 **Payments to Other Parties**. Franchisee agrees to pay on a timely basis, as and when due, all amounts owed to third parties (including Hyatt’s Affiliates) arising out of the Hotel’s

operation (excluding only amounts owed which are reasonably in dispute), including: (a) applicable commissions to travel agents and third party reservation service charges and otherwise participate in any Hotel System travel agent commission payment program, as Hyatt periodically modifies it; (b) all commissions and fees for reservations Franchisee accepts through any sources (including the Internet), whether processed through Hyatt, the CRS, or any Provider's reservation system or billed directly to Franchisee; (c) all fees and assessments due for guest frequency programs and other marketing programs Hyatt periodically initiates that are attributable to the Hotel; and (d) all contributions for cooperative advertising programs in which Franchisee agrees to participate, as required in Section 5.5.

6.4 **Electronic Funds Transfer.** Franchisee must make all payments for Royalty Fees, System Services Charges and other amounts due to Hyatt or any member of the Hyatt Group under this Agreement or otherwise in connection with the Hotel by electronic funds transfer (“**EFT**”), which may require Franchisee to utilize an Automated Clearing House network designated by Hyatt, in compliance with System Standards. Hyatt periodically may change the procedure for payments hereunder. Funds must be available in Franchisee's account to cover payments when due. Franchisee may not change its bank, financial institution, or account used in connection with the operation of the Hotel without first telling Hyatt.

6.5 **Late Fee and Late Payment Interest.** Franchisee agrees to pay Hyatt a late fee of Two Hundred Twenty-Five Dollars (\$225) for each required payment not made on or before its original due date and for each required payment or authorized automatic debit not honored by Franchisee's financial institution. The late fee is not interest or a penalty but compensates Hyatt for increased administrative and management costs due to Franchisee's late payment. In addition, all amounts that Franchisee owes Hyatt that are more than seven (7) days late, or that are not available for withdrawal by automatic debit when due (if the amounts are payable by automatic debit), will bear interest accruing as of their original due date at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. Franchisee acknowledges that this Section 6.5 is not Hyatt's agreement to accept any payments after they are due or Hyatt's commitment to extend credit to, or otherwise finance Franchisee's operation of, the Hotel.

6.6 **Application of Payments.** Despite any designation Franchisee makes, Hyatt may apply any of Franchisee's payments to any of Franchisee's past due indebtedness to Hyatt or its Affiliates. Hyatt may set off any amounts Franchisee or its Affiliates owe Hyatt or its Affiliates against any amounts that Hyatt or its Affiliates owe Franchisee or its Affiliates. Franchisee may not withhold payment of any amounts Franchisee owes Hyatt or its Affiliates due to Hyatt's alleged nonperformance of any of its obligations under this Agreement.

6.7 **Taxes on Franchisee's Payments.** In addition to any sales, use and other taxes that applicable law requires or permits Hyatt to collect from Franchisee for providing goods or services under this Agreement, Franchisee shall pay to Hyatt all Transaction Taxes in an amount necessary to provide Hyatt with after-tax receipts (taking into account any additional payments required hereunder) equal to the same amounts that Hyatt would have received under this Agreement if such Transaction Taxes had not been imposed.

6.8 **Non-Refundability.** Unless otherwise specified, all fees that Franchisee paid to Hyatt or its Affiliates before or simultaneously with the execution of this Agreement, or pays to Hyatt or its Affiliates during the Term, are non-refundable.

ARTICLE VII

BOOKS AND RECORDS, AUDITS AND REPORTING

7.1 **Reports.** Franchisee must prepare and deliver to Hyatt the operating statements, financial statements and other reports relating to the Hotel that Hyatt periodically requires, prepared in the form, by the methods, and within the timeframes that Hyatt periodically specifies in the System Standards. Hyatt may use such information for all reasonable purposes. Hyatt may require Franchisee to have audited financial statements prepared annually during the Term.

7.2 **Lender and Ground Lessor Information.** Franchisee must send Hyatt current contact information for each Lender and Ground Lessor upon Hyatt's request. Without limiting Section 2.7 of this Agreement, Franchisee must promptly provide notice to Hyatt if Franchisee or any Affiliate of Franchisee enters into any arrangement with a Lender and such arrangement has not been previously disclosed to Hyatt, including any refinancing with a new or existing Lender. Franchisee must provide Hyatt copies of all ground leases, subleases and other arrangements with any Ground Lessor. Franchisee must promptly send Hyatt a copy of any notices of default, termination, or other exercise of any default rights or remedies that Franchisee receives from or delivers to any Lender or Ground Lessor, together with all other information that Hyatt reasonably requests relating to any such defaults or termination. Franchisee agrees that Hyatt may, at its option and without breaching any rights of or obligations to Franchisee, have discussions and share information with any Lender, Ground Lessor, supplier or other vendor concerning the Hotel or Franchisee.

7.3 **Other Actions or Events.** Franchisee must notify Hyatt in writing within ten (10) days after Franchisee receives information or documentation about any lawsuit, action, or proceeding, or the issuance of any injunction, award, or decree of any court, quasi-judicial body, or governmental agency, that might adversely affect the Hotel, Franchisee's ability to perform its obligations under this Agreement, or Franchisee's financial condition.

7.4 **Preparation and Maintenance of Books and Records.** Franchisee agrees to: (a) prepare on a current basis in a form satisfactory to Hyatt, and thereafter maintain in accordance with System Standards, complete and accurate records concerning all financial (including revenue and expenses), operating, marketing, and other aspects of the Hotel; and (b) maintain an accounting system that fully and accurately reflects all financial aspects of the Hotel. Hyatt reserves the right to access Franchisee's computer system independently to obtain sales information, occupancy information, and other data and information relating to the Hotel.

7.5 **Audit.** Hyatt may at any time during Franchisee's regular business hours, and with prior notice to Franchisee, examine Franchisee's and the Hotel's business and accounting records, tax records and returns, and other records. Franchisee agrees to cooperate fully in any examination. If any examination discloses an understatement of the revenue, Franchisee agrees to pay Hyatt,

within fifteen (15) days after receiving the examination report, the Royalty Fees, System Services Charges and other fees due on the amount of the understatement, together with the late fee and interest in accordance with Section 6.5. Furthermore, if Hyatt determines that an examination is necessary due to Franchisee's failure to furnish reports or other information when required, or if Hyatt's examination reveals a Royalty Fee or System Services Charge underpayment of three percent (3%) or more of the total amount owed during any six (6)-month period, or that Franchisee willfully understated the Hotel's revenue, Franchisee agrees to reimburse Hyatt for the costs of the examination, including out-of-pocket costs and compensation of Hyatt's employees. These remedies are in addition to Hyatt's other remedies and rights under this Agreement and applicable law.

ARTICLE VIII

RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION

8.1 **Relationship of the Parties.** Franchisee is an independent contractor. Neither Hyatt nor Franchisee is the legal representative or agent of, or has the power to obligate, the other for any purpose. No partnership, joint venture, affiliate, agency, fiduciary, or employment relationship is intended or created by this Agreement. Hyatt and Franchisee may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other nor represent that Hyatt's and Franchisee's relationship is other than franchisor and franchisee. Hyatt will not be obligated for any damages to any person or property directly or indirectly arising out of the Hotel's operation or the business Franchisee conducts under this Agreement.

8.2 **Franchisee's Notices to Public Concerning Independent Status.** Franchisee must provide notices making clear to the public that Hyatt is not the Hotel's owner or operator and is not accountable for events occurring at the Hotel. Franchisee also agrees to communicate clearly with Hotel employees in employment agreements, handbooks and other materials that Franchisee (or the Management Company, as applicable), and not Hyatt or its Affiliates, is the employer of all Hotel employees.

8.3 **Franchisee's Indemnification and Defense of Hyatt.**

(a) **Indemnification.** In addition to Franchisee's obligation under this Agreement to procure and maintain insurance, Franchisee agrees to indemnify and hold harmless the Hyatt Indemnified Parties against, and to reimburse any one or more of the Hyatt Indemnified Parties for, all Losses directly or indirectly arising out of, resulting from, or in connection with (i) the application Franchisee submitted to Hyatt for the rights granted under this Agreement; (ii) the development or operation of the Hotel, including the use of any Market Descriptor or Hotel IP in connection with the Hotel and any claim or allegation relating to the Accessibility Laws, and including claims alleging either intentional or negligent conduct, acts or omissions by Hyatt or its Affiliates (or any of their agents, employees or representatives) relating to the operation of the Hotel, the F&B Operations, the Spa Operations (if any) or the Hotel System, subject to Section 8.4(a); or (iii) Franchisee's breach of this Agreement.

(b) **Defense.** Franchisee shall notify Hyatt within five (5) days after receiving notice of any Proceeding covered in Section 8.3(a) naming any Hyatt Indemnified Party as a defendant or potential defendant and shall include with such notification copies of all correspondence or court papers relating to the Proceeding. Franchisee agrees to defend (at Franchisee's expense) the Hyatt Indemnified Parties from and against any and all Proceedings directly or indirectly arising out of, resulting from, or in connection with any matter described in Section 8.3(a)(i) through (iii), including those alleging a Hyatt Indemnified Party's negligence or willful misconduct, subject to Section 8.4(a). Each Hyatt Indemnified Party may at Franchisee's expense defend and control the defense of any Proceeding described in this Section 8.3(b) and agree to settlements and take any other remedial, corrective, or other actions, without limiting Franchisee's obligations under Section 8.3(a), provided that the Hyatt Indemnified Party will seek Franchisee's advice and counsel, and keep Franchisee informed, with regard to any proposed or contemplated settlement.

(c) **Separate Counsel and Settlement.** If separate counsel is appropriate in Hyatt's opinion because of actual or potential conflicts of interest, Hyatt may retain attorneys and/or independently defend any Proceeding subject to indemnification under this Section 8.3 at Franchisee's sole expense. No party may agree to any settlement in any Proceeding that could have an adverse effect on Hyatt, its Affiliates, the Hotel System, or other franchisees without Hyatt's prior approval.

(d) **Right to Control Defense of Certain Proceedings.** Without limiting Hyatt's rights or Franchisee's obligations under this Section 8.3, Hyatt (or its designee) has the right to defend and control the defense of any Proceeding arising from any Data Breach or any class action or other Proceeding involving both the Hotel and any other Brand Hotel or Hyatt Network Hotel, regardless of whether Hyatt or any of the other Hyatt Indemnified Parties are named defendants in that Proceeding. Franchisee shall promptly reimburse Hyatt for the Hotel's proportionate share of all reasonable expenses that Hyatt incurs in connection with any Proceeding covered by this Section 8.3(d). Hyatt shall allocate those expenses equitably among the Hotel and all other Brand Hotels and Hyatt Network Hotels involved in the Proceeding in any manner that Hyatt reasonably determines.

8.4 **Hyatt's Indemnification and Defense of Franchisee.**

(a) **Indemnification.** Hyatt agrees to indemnify and hold harmless the Franchisee Indemnified Parties against, and to reimburse any one or more of the Franchisee Indemnified Parties for, any and all Losses (including defense costs and other Losses incurred in defending any Proceeding described in Section 8.3(b), if applicable) directly or indirectly arising out of, resulting from, or in connection with (i) a final decision by a court of competent jurisdiction not subject to further appeal that Hyatt, its Affiliate, or any of their respective employees directly engaged in willful misconduct or gross negligence or intentionally caused the property damage or bodily injury that is the subject of the claim with respect to the operation of the Hotel, so long as the claim is not asserted on the basis of (A) theories of vicarious liability (including agency, apparent agency, or joint employer), (B) Hyatt's failure to compel Franchisee to comply with this Agreement, or (C) negligence or misconduct in connection with the development or construction of the

Hotel, all of which are claims for which the Franchisee Indemnified Parties are not entitled to indemnification under this Section 8.4; or (ii) any trademark infringement Proceeding disputing Franchisee's authorized use of any Proprietary Mark under this Agreement, provided that Franchisee has timely notified Hyatt of, and complies with Hyatt's directions in responding to, the Proceeding.

(b) **Defense.** Hyatt agrees to defend (at Hyatt's expense) the Franchisee Indemnified Parties from and against any and all Proceedings described in Section 8.4(a)(ii). At Hyatt's option, Hyatt and/or its Affiliate(s) may defend and control the defense of any other Proceeding arising from or relating to the Proprietary Marks or Franchisee's use of any Proprietary Mark under this Agreement. Hyatt may agree to settlements and take any other remedial, corrective, or other actions with respect to any Proceeding described in this Section 8.4(b), provided that Hyatt will seek Franchisee's advice and counsel, and keep Franchisee informed, with regard to any proposed or contemplated settlement.

8.5 **Survival and Mitigation.** The obligations under Sections 8.3 and 8.4 will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. A Hyatt Indemnified Party or Franchisee Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim under Section 8.3 or 8.4 (as applicable). The obligation to indemnify under Section 8.3 or 8.4 (as applicable) shall not be limited in any way by reason of any insurance that any indemnified party maintains.

ARTICLE IX

INSURANCE

At Franchisee's expense, Franchisee must procure and at all times during the Term maintain such insurance covering the risks, in the amounts, and with the deductibles, retentions and other provisions, as set forth in the System Standards from time to time. All insurance must by endorsement specifically name Hyatt and its Affiliates (and Hyatt's and their employees and agents) as additional insureds. Franchisee must purchase each policy from an insurance company reasonably acceptable to Hyatt. Either the insurer or Franchisee must provide at least thirty (30) days' prior written notice to Hyatt of any insurance policy's cancellation, non-renewal or material change. Franchisee must deliver to Hyatt a certificate of insurance (or certified copy of such insurance policy if Hyatt requests) evidencing the required coverages and setting forth the amount of any deductibles not less than ten (10) days after their respective inception dates. Franchisee must ensure that each F&B Operator (if any) and Spa Operator (if any) maintains the insurance and otherwise complies with all applicable obligations under this ARTICLE IX that Hyatt periodically specifies, including by naming Hyatt and any Affiliates that Hyatt periodically designates (and Hyatt's and their employees and agents) as additional insureds and delivering certificates of insurance to Hyatt. If Franchisee fails for any reason to procure or maintain the insurance required by this Agreement, Hyatt shall have the right and authority (although without any obligation to do so) to immediately procure such insurance and to charge Franchisee the cost together with a reasonable fee for Hyatt's expenses. Hyatt shall have the right to review Franchisee's insurance coverage for the foregoing requirements from time to time during the Term

and to update requirements for insurance coverage in response to material changes in the circumstances of the Hotel, then-current industry practices, and changes in economic conditions. Franchisee shall promptly comply with Hyatt's updated requirements.

ARTICLE X

CONDEMNATION AND DAMAGE

10.1 **Condemnation.** Franchisee must immediately notify Hyatt of any proposed taking all or a substantial portion of the Hotel by eminent domain, condemnation or expropriation. If the parties do not otherwise agree to relocate the Hotel, then either party may terminate this Agreement immediately upon written notice to the other. If Franchisee and its Owners sign a Termination Agreement, then Franchisee shall not be required to pay liquidated damages pursuant to Section 16.5 at the time of termination. However, such Termination Agreement shall provide that if Franchisee or any of its Affiliates begins construction on or operation of a hotel of the same Hotel Type at any location within the Area of Protection at any time during the twenty-four (24) month period following the effective date of termination of this Agreement, other than a Hyatt Network Hotel or a hotel that was already under contract to be developed at that particular location within the Area of Protection on the date that the Termination Agreement is signed, then Franchisee or its Owners must pay Hyatt liquidated damages equal to the amount set forth in Exhibit B-1 multiplied by the number of guest rooms in that new hotel of the same Hotel Type. If Franchisee and its Owners fail to sign such Termination Agreement within a reasonable time after Hyatt delivers it to Franchisee, then Franchisee must pay Hyatt liquidated damages pursuant to Section 16.5 at the time of termination, in addition to complying with its other post-termination obligations under this Agreement.

10.2 **Damage.** If the Hotel is damaged by fire, flood, accident, hurricane or other casualty, Franchisee must notify Hyatt immediately.

(a) If the cost to repair the damage is less than or equal to the Damage Threshold, then Franchisee must repair the damage promptly according to the System Standards and this Agreement's other terms and conditions. If the damage or repair requires Franchisee to close all or any portion of the Hotel, then Franchisee must commence reconstruction as soon as practicable (but in any event within four (4) months) after closing the Hotel and reopen for continuous business operations as a Brand Hotel as soon as practicable (but in any event within twenty-four (24) months) after closing the Hotel, but not without complying with this Agreement's other terms and conditions. The Term will be extended for the period of time during which the Hotel is closed pursuant to this Section 10.2(a), and Franchisee need not make any payments of Royalty Fees or System Services Charges while the Hotel is closed pursuant to this Section 10.2(a) unless Franchisee receives insurance proceeds compensating Franchisee for lost Gross Rooms Revenue during such period, in which case Franchisee must pay Royalty Fees and System Services Charges on the amount of proceeds received allocable to such loss.

(b) If the cost to repair the damage from the casualty exceeds the Damage Threshold, then Franchisee may either: (i) repair the damage promptly according to the System Standards and this Agreement's other terms and conditions; or (ii) elect to

terminate this Agreement upon written notice to Hyatt. If Franchisee elects to terminate this Agreement pursuant to Section 10.2(b)(ii), Franchisee and its Owners must sign a Termination Agreement and pay a termination fee (in lieu of liquidated damages or Brand Damages) in an amount equal to the lesser of the liquidated damages calculated pursuant to Section 16.5 and the Net Recovery, provided that if the Net Recovery is less than zero, no termination fee shall be required upon signing the Termination Agreement.

(c) Franchisee must provide Hyatt such documentation as Hyatt may reasonably request to calculate the Damage Threshold, the insurance proceeds Franchisee receives in connection with any casualty, and the Net Recovery amount (if applicable). Any Termination Agreement signed pursuant to this Section 10.2 shall provide that if Franchisee, any of its Affiliates, or any other entity (including any buyer of the Hotel) begins construction on or operation of a hotel of the same Hotel Type at the Site other than a Brand Hotel or another Hyatt Network Hotel at any time during the twenty-four (24)-month period following the effective date of termination of this Agreement, then Franchisee or its Owners must pay Hyatt liquidated damages equal to the difference between (i) the amount that would have been payable pursuant to Section 16.5 at the time of termination, less (ii) the amount of liquidated damages actually paid at the time of termination pursuant to this Section 10.2.

ARTICLE XI

PROPRIETARY RIGHTS

11.1 **Ownership and Goodwill of Proprietary Marks, Copyrighted Materials, and Confidential Information**. Hyatt's Affiliate has licensed the Proprietary Marks, Copyrighted Materials, and Confidential Information to Hyatt to use and sublicense in franchising, developing, and operating Brand Hotels. Franchisee's right to use the Proprietary Marks, Copyrighted Materials, and Confidential Information is derived only from this Agreement and is limited to Franchisee's developing and operating the Hotel according to this Agreement and all System Standards that Hyatt prescribes during the Term. Franchisee's unauthorized use of the Proprietary Marks, Copyrighted Materials, or Confidential Information is a breach of this Agreement and infringes Hyatt's and its Affiliate's rights in them. Franchisee's use of the Proprietary Marks, Copyrighted Materials, and Confidential Information and any goodwill established by that use are exclusively for Hyatt's and its Affiliate's benefit, and this Agreement does not confer any goodwill or other interests in the Proprietary Marks, Copyrighted Materials or Confidential Information upon Franchisee, other than the right to develop and operate the Hotel under this Agreement. Franchisee may not at any time during or after the Term contest or assist any other person or entity in contesting the validity, or Hyatt's and its Affiliate's ownership, of any of the Proprietary Marks, Copyrighted Materials, or Confidential Information.

11.2 **Limitations on Franchisee's Use of Proprietary Marks**. Franchisee shall use the Proprietary Marks, along with a Market Descriptor designated or approved by Hyatt, as the sole identification of the Hotel. The Market Descriptor is not a Proprietary Mark. Hyatt makes no representation concerning Franchisee's right to use any Market Descriptor requested by Franchisee and approved by Hyatt. Hyatt has the right to require Franchisee to change, or discontinue use of any previously-approved, Market Descriptor and to substitute an alternative Market Descriptor in

its place as Hyatt deems necessary or advisable, and Franchisee agrees to promptly adhere to Hyatt's instructions in connection therewith. Franchisee (or the Management Company) must identify itself as the Hotel's independent owner (or operator) in the manner that Hyatt periodically specifies. Franchisee may not use any Proprietary Mark (a) as part of any corporate or legal business name; (b) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos Hyatt licenses to Franchisee); (c) in providing or selling any unauthorized services or products; (d) as part of any domain name, homepage, meta tags, keyword, electronic address, or otherwise in connection with a website (unless Hyatt has approved such use in advance); or (e) in any other manner Hyatt has not expressly authorized in writing. Franchisee (and, if applicable, any restaurant operators at the Hotel) may use the Proprietary Marks in connection with any Hotel restaurant operations only with Hyatt's prior written consent and in compliance with all System Standards relating thereto. If Hyatt discovers Franchisee's unauthorized use of the Proprietary Marks, in addition to Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may require Franchisee to destroy (with no reimbursement from Hyatt) all offending items reflecting such unauthorized use.

Franchisee may not use any Proprietary Mark in advertising the transfer, sale, or other disposition of the Hotel or an ownership interest in Franchisee or any of its Owners without Hyatt's prior written consent, which Hyatt will not unreasonably withhold. Franchisee agrees to display the Proprietary Marks as Hyatt periodically prescribes at the Hotel and on advertising and other materials Hyatt periodically designates. Franchisee agrees to give the notices of trade and service mark registrations that Hyatt periodically specifies and to obtain any fictitious or assumed name registrations required under applicable law.

11.3 Notification of Infringements and Claims. Franchisee agrees to notify Hyatt immediately of any apparent infringement or challenge to Franchisee's use of any Proprietary Mark, Copyrighted Materials, or Confidential Information, or of any person's claim of any rights in any Proprietary Mark, Copyrighted Materials, or Confidential Information, and not to communicate with any person other than Hyatt, its Affiliates, and its and their attorneys, and Franchisee's attorneys, regarding any infringement, challenge, or claim. Hyatt and its Affiliates may take the action it and they deem appropriate (including no action) and control exclusively any Proceeding arising from any infringement, challenge, or claim or otherwise concerning any Proprietary Mark, Copyrighted Materials, or Confidential Information. Franchisee agrees to sign any documents and take any other reasonable actions that, in the opinion of Hyatt's and its Affiliates' attorneys, are necessary or advisable to protect and maintain Hyatt's and its Affiliates' interests in any Proceeding or otherwise to protect and maintain Hyatt's and its Affiliates' interests in the Proprietary Marks, Copyrighted Materials, and Confidential Information. Hyatt or its Affiliate will reimburse Franchisee's reasonable out-of-pocket costs for taking any requested action.

11.4 Discontinuing Use of Proprietary Marks. If it becomes advisable at any time for Hyatt and/or Franchisee to modify, discontinue using, and/or replace any Proprietary Mark and/or to use one or more additional, substitute, or replacement trade or service marks, Franchisee agrees to comply with Hyatt's directions within a reasonable time after receiving notice. Neither Hyatt nor its Affiliates will reimburse Franchisee for any costs or expenses incurred in connection with such directions, including expenses of changing the Hotel's signs, any loss of revenue due to any

modified or discontinued Proprietary Mark, or Franchisee's expenses of promoting a modified or substitute trademark or service mark. Hyatt's rights in this Section 11.4 apply to any and all of the Proprietary Marks (and any portion of any Proprietary Mark) that this Agreement authorizes Franchisee to use.

11.5 **Confidential Information**. Hyatt and its Affiliates possess (and will continue to develop and acquire) Confidential Information, some of which constitutes trade secrets under applicable law. Franchisee agrees that the Confidential Information is proprietary to Hyatt and its Affiliates, includes Hyatt's and its Affiliate's trade secrets, and is disclosed to Franchisee only on the condition that Franchisee agrees, and Franchisee hereby does agree, that Franchisee: (a) will not use (or allow any of its Affiliates to use) Confidential Information in any other business or capacity; (b) will keep confidential each item deemed to be a part of Confidential Information, both during and after the Term (afterward for as long as the item is not generally known in the hotel industry); (c) will not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form; and (d) will adopt and implement reasonable procedures that Hyatt periodically specifies to prevent unauthorized use or disclosure of Confidential Information.

11.6 **Guest Information**. All Guest Information is Hyatt's property and part of Confidential Information. Hyatt has the right from time to time during the Term, without notice to Franchisee, to access the Hotel's property management system and other computer systems to retrieve Guest Information. Hyatt and its Affiliates may use, and allow others to use, the Guest Information in any manner that Hyatt deems appropriate (subject to applicable law).

Franchisee may use the Guest Information, and certain other information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels that Hyatt periodically specifies, during the Term only to provide services to guests and potential guests of the Hotel in accordance with the System Standards and all applicable laws, rules and regulations. Franchisee must ensure that its Affiliates may not access, and neither Franchisee nor any of its Affiliates may use, any such Guest Information or such other information and data in any other business or capacity. However, following the expiration or termination of this Agreement, Franchisee may use, and allow its Affiliates and others to use, any Guest Information that was generated at the Hotel (and not supplied to the Hotel by Hyatt or its Affiliate) during the guest's stay at the Hotel and stored in the Hotel's property management system database in any manner that Franchisee deems appropriate (subject to applicable law) at Franchisee's own risk, provided that Franchisee complies, and ensures that any recipients of that Guest Information from Franchisee (whether directly or indirectly) comply, with Hyatt's then current policies and procedures regarding the collection, storage, use, processing and transfer of personal and/or financial data. If there is a Data Breach, Franchisee must notify Hyatt promptly and Hyatt may require Franchisee to use a third party supplier designated by Hyatt, at Franchisee's sole cost and expense, to review and if necessary, remediate such breach or unauthorized access. Franchisee shall not take any action that could jeopardize Hyatt's or its Affiliate's ability to comply with, or make certifications under, any law, regulation, contract, program or policy related to Guest Information (including Privacy Laws, privacy notices and PCI certifications) and applicable to Hyatt or such Affiliate.

11.7 **Innovations.** All Innovations must be promptly disclosed to Hyatt and will be deemed to be Hyatt’s or its Affiliate’s sole and exclusive property, part of the Hotel System, and works made-for-hire for Hyatt or its Affiliates. However, Franchisee may not use any Innovation in operating the Hotel or otherwise without Hyatt’s prior written consent. If any Innovation does not qualify as a “work made-for-hire” for Hyatt or its Affiliate, by this paragraph Franchisee assigns ownership of that Innovation, and all related intellectual property rights and other rights to that Innovation, to Hyatt and agrees to take whatever action (including signing assignment or other documents) that Hyatt requests to evidence its ownership or to help Hyatt obtain intellectual property rights in the Innovation.

11.8 **Hotel IP.** Franchisee hereby grants Hyatt and its Affiliates the right to use the Hotel IP in connection with the marketing, promotion, and publicity of the Hotel, the Proprietary Marks, other Brand Hotels, Hyatt Network Hotels, and Hyatt’s loyalty program(s), and otherwise to perform Hyatt’s obligations under this Agreement, including use of the Hotel IP in connection with the CRS, the Hotel System Website, and any other media, technology or device now known or hereafter developed, without further authorization from or remuneration to Franchisee. As part of this license, Hyatt and its Affiliates have the right to use, copy, publish, distribute, and license others to use the Hotel IP, as needed, and may alter, retouch, crop or use in composite form the Hotel IP, in any way. Franchisee represents and warrants that Franchisee owns or has all valid rights to use the Hotel IP and that use of the Hotel IP by Hyatt and its Affiliates as permitted hereunder will not violate the rights of any third party.

ARTICLE XII

OWNERSHIP OF FRANCHISEE AND TRANSFER

12.1 **Ownership of Franchisee and Guarantors.**

(a) **Franchisee’s Owners.** Franchisee represents and warrants that: (a) Exhibit G completely and accurately identifies all Owners (other than any Limited Interest Owner) and describes their ownership interests (whether direct or indirect) in Franchisee; and (b) none of Franchisee’s Owners (other than a Public Owner) is a Sanctioned Person. Without limiting Hyatt’s rights or Franchisee’s obligations under this ARTICLE XII, upon Hyatt’s reasonable request, Franchisee agrees to provide Hyatt information about the identity of the Owners (other than a Public Owner) and their ownership interests (whether direct or indirect) in Franchisee from time to time using the forms and formats that Hyatt reasonably specifies.

(b) **Guaranty.** Franchisee must ensure that one or more of the Controlling Owners which Hyatt specifies as of the Effective Date signs Hyatt’s Guaranty and Assumption of Obligations (the “**Guaranty**”), the current form of which is attached as Exhibit H. Franchisee represents and warrants that at least one Guarantor satisfies the Guarantor Monetary Threshold as of the Effective Date, and Franchisee agrees to ensure that at least one Guarantor continues to satisfy the Guarantor Monetary Threshold (as it may be increased in accordance with Exhibit B-1) at all times during the Term. Franchisee agrees to, and shall cause its Guarantors to, reasonably cooperate with Hyatt in connection

with all auditing and reporting requirements that Hyatt reasonably specifies relating to the Guarantor Monetary Threshold.

12.2 **Transfer by Franchisee – Defined.** Franchisee acknowledges that the rights and duties this Agreement creates are personal to Franchisee and its Controlling Owners and that Hyatt has granted Franchisee the rights under this Agreement in reliance upon Hyatt’s perceptions of Franchisee’s and its Controlling Owners’ collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, unless otherwise specified in this ARTICLE XII, neither this Agreement (or any interest in this Agreement), the Hotel or substantially all of its assets, nor any ownership interest in Franchisee or any Owner (if such Owner is a legal entity) may be transferred (as defined in Exhibit A) without complying with the terms and conditions applicable to such transfer in this ARTICLE XII. A transfer of the Hotel’s ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any transfer without complying with the terms and conditions applicable to such transfer in this ARTICLE XII, including Hyatt’s approval (where such approval is required under this Agreement), is a breach of this Agreement.

12.3 **Non-Control Transfers.** Subject to the other provisions of this ARTICLE XII, Franchisee and/or any of its Owners may consummate any Non-Control Transfers, without seeking or receiving Hyatt’s consent, if (a) neither the proposed transferee nor any of its direct and indirect owners (if the transferee is a legal entity), other than a Public Owner, is a Competing Brand Owner or Sanctioned Person; and (b) such transfer does not, whether in one transaction or a series of related transactions (regardless of the time period over which these transactions take place), result in the transfer or creation of a direct or indirect Controlling Ownership Interest in Franchisee. Within thirty (30) days after the effective date of any Non-Control Transfer (other than transfers among then-existing Owners), Franchisee shall provide Hyatt an updated Exhibit G (if the previously effective version of Exhibit G has changed) or such other information as Hyatt reasonably requests from time to time concerning any new Non-Controlling Owners (other than Limited Interest Owners).

12.4 **Control Transfers.** Franchisee must notify Hyatt in writing at least ten (10) days in advance of Franchisee’s listing the Hotel or a direct or indirect Controlling Ownership Interest in Franchisee for sale and promptly send Hyatt all information that Hyatt reasonably requests regarding any proposed sale. In connection with any proposed Control Transfer, Franchisee must submit to Hyatt, on behalf of the proposed transferee, a complete application for a new franchise agreement (the “**Change of Ownership Application**”), accompanied by payment of Hyatt’s then current application fee (although no such fee is due if the transfer is to the spouse, child, parent, or sibling of the Owner(s) or from one individual or entity who is an Owner as of the Effective Date to another individual or entity who is an Owner as of the Effective Date) and information concerning any proposed replacement Guarantor. If Hyatt does not approve the Change of Ownership Application and consent to the proposed Control Transfer, Hyatt will refund any application fee paid, less Seven Thousand Five Hundred Dollars (\$7,500) for processing costs. Hyatt will process the Change of Ownership Application according to this Section 12.4 and its then current procedures. Hyatt has sixty (60) days from its receipt of the completed and signed Change of Ownership Application to consent or withhold its consent to the proposed Control Transfer. No Control Transfer may occur without Hyatt’s prior written consent.

If Franchisee (and each of its Guarantors) is complying with this Agreement, then, subject to the other provisions of this ARTICLE XII, Hyatt will not unreasonably withhold its approval of a Control Transfer if all of the following conditions are met before or concurrently with the effective date of the Control Transfer:

(a) the transferee and each of its direct and indirect owners (if the transferee is a legal entity) has, in Hyatt's judgment, the necessary business experience, aptitude, and financial resources to operate the Hotel and meets Hyatt's then applicable standards for Brand Hotel franchisees;

(b) Franchisee has paid all amounts owed to Hyatt, its Affiliates and third party vendors, and has not violated any provision of this Agreement or any other agreement with Hyatt or its Affiliate, in each case during both the sixty (60)-day period before Franchisee requested Hyatt's consent to the transfer and the period between Franchisee's request and the effective date of the transfer;

(c) the transferee's general manager and other Hotel management personnel that Hyatt specifies, if different from the Hotel's general manager and management personnel, satisfactorily complete Hyatt's required brand standard training programs;

(d) the transferee and its owners (if the transfer is of this Agreement), or Franchisee and its Owners (if the transfer is of a Controlling Ownership Interest in Franchisee or one of its Controlling Owners), at Hyatt's option, either sign: (i) Hyatt's then current form of franchise agreement and related documents for use with existing Brand Hotels (including guarantees and assumptions of obligations), any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Royalty Fee and System Services Charges, and the term of which franchise agreement will be, at Hyatt's option, either twenty (20) years or the remaining unexpired portion of the Term; or (ii) the agreements and related documents (including guarantees and assumptions of obligations) that Hyatt then specifies under which they assume (or confirm the continued effectiveness of) all of Franchisee's rights and obligations under this Agreement;

(e) Franchisee signs a Termination Agreement and Franchisee and all Guarantors sign all documents Hyatt requests evidencing their agreement to remain liable or assume liability for all obligations to Hyatt and its Affiliates existing before the effective date of the transfer;

(f) Hyatt has determined that Franchisee's or the transferee's (as applicable) capital structure, debt service and overall financial status following the transfer will not adversely affect the operation of the Hotel;

(g) the transferee (if the transfer is of this Agreement) or Franchisee (if the transfer is of a Controlling Ownership Interest in Franchisee or one of its Controlling Owners) agrees (regardless of cost) to renovate, remodel and/or expand the Hotel, which may include structural alterations, adding or replacing improvements and FF&E, and

otherwise modifying the Hotel, as Hyatt requires to comply with the Hotel System and System Standards then applicable for new similarly situated Brand Hotels, subject to Reasonable Deviations; and

(h) Franchisee (if Franchisee will no longer operate the Hotel) and its transferring Owners agree that they will not directly or indirectly at any time or in any manner use any Proprietary Mark, Copyrighted Materials or Confidential Information, except as otherwise permitted under any then effective agreement with Hyatt or its Affiliate.

Hyatt may review all information regarding the Hotel that Franchisee gives the proposed transferee, correct any information that Hyatt believes is inaccurate, and give the transferee copies of any reports that Franchisee has given Hyatt or Hyatt has made regarding the Hotel.

12.5 Permitted Control Transfers. Notwithstanding Section 12.4:

(a) any Controlling Owner may, without Hyatt's prior written consent and without complying with the other terms and conditions of Section 12.4, transfer its interest in Franchisee (or Franchisee's Controlling Owner) to any other entity in which such Controlling Owner owns (directly or indirectly) all of the ownership interests, as long as the transferee is not a Competing Brand Owner or a Sanctioned Person and Franchisee notifies Hyatt in writing of the transfer no later than thirty (30) days following the effective date of such Transfer; and

(b) any Owner who is an individual may, without Hyatt's prior written consent and without complying with the other terms and conditions of Section 12.4, transfer that Owner's interest in Franchisee (or Franchisee's Owner) to a trust or other entity established for estate planning purposes, as long as that Owner is a trustee of, or otherwise controls the exercise of the rights in Franchisee (or Franchisee's Owner) held by, the trust or other entity, continues to comply with and ensures the trust's or other entity's compliance with the applicable provisions of this Agreement (if such Owner is a Guarantor), and notifies Hyatt in writing of the transfer at least ten (10) days prior to its anticipated effective date. Dissolution of or transfers from any trust or other entity described in this Section 12.5(b) are subject to all applicable terms and conditions of Section 12.3 or 12.4.

12.6 Security Interests. Franchisee's Owners may pledge their ownership interests in any Non-Controlling Owner to a Lender, without having to obtain Hyatt's prior approval. Franchisee may mortgage or otherwise grant a Security Interest in the Hotel and its assets (but not this Agreement) to a Lender, and Franchisee's Owners may pledge their ownership interests in Franchisee or any Controlling Owner to a Lender, without having to obtain Hyatt's prior approval and without complying with the other terms and conditions of Section 12.4, provided the Lender signs Hyatt's form of comfort letter pursuant to Section 2.5. Unless otherwise specified in any then effective comfort letter, the terms and conditions of this Agreement (including Section 12.3 or 12.4) apply to any foreclosure or other exercise of any rights or remedies with respect to any Security Interest.

12.7 **Transfers of Equity Interest Upon Death.** Upon the death or mental incompetency of a person with a Controlling Ownership Interest in Franchisee or one of its Controlling Owners, that person's executor, administrator, or personal representative ("**Representative**") must, within six (6) months after the date of death or mental incompetency, transfer the Owner's interest in Franchisee or the Controlling Owner to a third party or to the other Owner(s) of Franchisee, if any, subject to the conditions set forth in Section 12.4(a), 12.4(b), and 12.4(f) above, and provided that at least one Guarantor that satisfies the Guarantor Monetary Threshold (as it may be increased in accordance with Exhibit B-1). In the case of a transfer by devise or inheritance, if the heirs or beneficiaries cannot meet the foregoing conditions within this six (6)-month period, the Representative will have twelve (12) months from the date of death or mental incompetency to dispose of the interest in accordance with this Section 12.7. If this required transfer does not occur within the required timeframe, Hyatt shall have the right to terminate this Agreement upon written notice to Franchisee, provided that Franchisee will not be liable for liquidated damages pursuant to Section 16.5 or Brand Damages in connection with such termination.

12.8 **Public Offerings and Disclosures.**

(a) **Public Offering of Securities.** Notwithstanding Sections 12.3 and 12.4, neither Franchisee nor any Controlling Owner may offer any ownership interests or other securities in a public offering for which a registration statement must be filed with the Securities and Exchange Commission or any similar regulatory agency (whether within or outside the United States) having jurisdiction over the sale of securities.

(b) **Private Placement Offering Materials.** With respect to any private placement of ownership interests in Franchisee or any Owner, Franchisee agrees to submit all Offering Materials to Hyatt for its prior approval. No Offering Materials may imply or state (by use of the Proprietary Marks or otherwise) that Hyatt or its Affiliate is participating as an underwriter, issuer, or Franchisee's (or its Owner's) representative, suggest that Hyatt or its Affiliate endorses the offering or agrees with any financial projections, or otherwise contain any information about Hyatt or its Affiliates, this Agreement, Hyatt's relationship with Franchisee or the network of Brand Hotels or other Hyatt Network Hotels (other than the Hotel) that Hyatt disapproves. Hyatt's review and approval of the Offering Materials is not its endorsement of the offering or representation that Franchisee or its Owner is complying with applicable laws. Franchisee must pay Hyatt a non-refundable fee equal to Five Thousand Dollars (\$5,000) to review the proposed Offering Materials. Hyatt may require changes to the Offering Materials for the purposes specified above and has the right to request and receive a full indemnification from all participants in the offering before issuing Hyatt's consent.

12.9 **Non-Waiver of Claims.** Hyatt's consent to a transfer is not a representation of the fairness of the terms of any contract between Franchisee (or its Owners) and the transferee, a guarantee of the Hotel's or transferee's prospects of success, or a waiver of any claims Hyatt has against Franchisee (or its Owners) or of Hyatt's right to demand the transferee's full compliance with this Agreement or any other agreement with Franchisee or the transferee.

12.10 **Transfer by Hyatt.** Franchisee represents that Franchisee has not signed this Agreement in reliance on any particular direct or indirect owner, officer or employee remaining with Hyatt in that capacity. Hyatt may change its ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After Hyatt's assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, Hyatt no longer will have any performance or other obligations under this Agreement. Such an assignment shall constitute a release of Hyatt and a novation with respect to this Agreement, and the assignee shall be liable to Franchisee as if it had been an original party to this Agreement.

ARTICLE XIII

SUCCESSOR FRANCHISE

13.1 **Right to a Successor Franchise Agreement.** When this Agreement expires, if Franchisee (and, as applicable, each Guarantor): (a) has substantially complied with this Agreement during its Term and is in full compliance with this Agreement (including all System Standards) as of the date upon which this Agreement expires; (b) then meets Hyatt's then applicable standards for franchisees and owners of franchisees of Brand Hotels; (c) has received passing Quality Assurance Scores (as defined in the System Standards) on all evaluations conducted during the preceding three (3)-year period; and (d) has the right to maintain possession of the Hotel for at least ten (10) years following this Agreement's expiration, then Hyatt will offer Franchisee the right to enter into a successor franchise agreement to continue operating the Hotel as a Brand Hotel for a term commencing immediately upon the expiration of this Agreement and expiring ten (10) years from that date (the "**Successor Franchise Right**") in accordance with this ARTICLE XIII. If Franchisee (or any Guarantor) does not meet the requirements of this Section 13.1, then Hyatt need not enter into a successor franchise agreement with Franchisee, whether or not Hyatt notified Franchisee of the non-compliance or had, or chose to exercise, the right to terminate this Agreement during its Term.

13.2 **Successor Franchise Notice and PIP.** Franchisee agrees to give Hyatt written notice of Franchisee's election to exercise or not to exercise the Successor Franchise Right no more than twenty-one (21) months, and no less than eighteen (18) months, before this Agreement expires. Simultaneously with submitting its notice to exercise the Successor Franchise Right, Franchisee shall pay Hyatt its then current PIP fee, which is non-refundable. Franchisee's failure to deliver such notice within such timeframe or to pay such PIP fee shall be deemed Franchisee's decision not to exercise the Successor Franchise Right. Within ninety (90) days after Hyatt receives Franchisee's notice and payment of the PIP fee, Hyatt agrees to notify Franchisee of Hyatt's decision either to:

(a) deny Franchisee's election to exercise the Successor Franchise Right based on the failure to satisfy the conditions in Section 13.1 (and Hyatt shall provide the reasons for its decision); or

(b) approve Franchisee's election to exercise Successor Franchise Right, subject to (i) Franchisee's renovating, remodeling and/or expanding the Hotel (which may include structural alterations), adding or replacing improvements and FF&E, and otherwise modifying the Hotel as Hyatt requires to comply with the Hotel System and System

Standards then applicable for new similarly situated Brand Hotels (subject to Reasonable Deviations), which must be completed to Hyatt's reasonable satisfaction before the Term expires in accordance with the PIP that Hyatt prepares (including the timeframes set forth therein); and (ii) Franchisee's (and each Guarantor's) continued compliance with the other provisions of this Agreement during the remaining Term.

13.3 **Agreements/Releases.** If Franchisee satisfies all of the other conditions for a successor franchise agreement under this ARTICLE XIII, Franchisee agrees to sign the form of franchise agreement and any ancillary agreements Hyatt then customarily uses in granting franchises for Brand Hotels (modified as necessary to reflect the fact that it is for a successor franchise and that there will be no further renewal or successor franchise rights), which may contain provisions that differ materially from any and all of those contained in this Agreement, except that Hyatt will not charge a successor franchise fee. Franchisee and the Guarantors further agree to sign general releases, in a form satisfactory to Hyatt, of any and all claims against Hyatt and its Affiliates and its and their respective owners, officers, directors, managers, employees, agents, representatives, successors, and assigns.

ARTICLE XIV

DISPUTE RESOLUTION

14.1 **Arbitration.** Except for claims arising from Franchisee's non-payment or underpayment of amounts Franchisee owes Hyatt or any of its Affiliates, which, at Hyatt's option, may also be brought in a court of law in accordance with Section 14.3, all controversies, disputes, or claims between Hyatt (and/or its Related Parties) and Franchisee (and/or its Related Parties) arising out of or related to: (a) this Agreement or any other agreement between Franchisee and Hyatt or any of its Affiliates; (b) Hyatt's (or any of its Affiliates') relationship with Franchisee; (c) the scope or validity of this Agreement or any other agreement between Franchisee and Hyatt or any of its Affiliates, or any provision of any of those agreements (including the validity and scope of the arbitration obligation under this Section 14.1, which Hyatt and Franchisee acknowledge is to be determined by an arbitrator, not a court); or (d) any aspect of the Hotel System or any System Standard, must be submitted for binding arbitration to the American Arbitration Association (the "AAA"). The arbitration proceedings will be conducted by one (1) arbitrator and, except as this Section 14.1 otherwise provides, according to the AAA's then current commercial arbitration rules. The arbitrator must be a licensed attorney, have hotel industry experience, and be listed on the AAA's National Roster of Neutrals (or such other equivalent replacement roster of experienced arbitrators that the AAA designates). All proceedings shall be conducted at a suitable location chosen by the arbitrator that is within ten (10) miles of Hyatt's then current principal business address. The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.) and not by any state arbitration law.

The arbitrator has the right to award any relief that the arbitrator deems proper, including money damages (with interest on unpaid amounts from the date due, as well as post-award interest, in accordance with Section 6.5), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Proprietary Mark generic or otherwise invalid or, except as expressly provided in Section 14.5 below, award any punitive, exemplary, or

treble or other forms of multiple damages against either party (Hyatt and Franchisee hereby waiving to the fullest extent permitted by law, except as expressly provided in Section 14.5 below, any right to or claim for any punitive, exemplary, and treble and other forms of multiple damages against the other). The award of the arbitrator shall be conclusive and binding upon all parties and judgment upon the award may be entered in any court of competent jurisdiction.

Hyatt and Franchisee agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. Hyatt and Franchisee further agree that, in any arbitration proceeding, each must submit or file any claim that would constitute a compulsory counterclaim (as defined by the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim that is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisee or Hyatt or any of their related parties.

Hyatt and Franchisee agree that arbitration will be conducted on an individual, not a class-wide, basis; that only Hyatt and Franchisee (and/or their respective Related Parties, as applicable) may be the parties to any arbitration proceedings described in this Section 14.1; and that an arbitration proceeding between Hyatt and Franchisee (and/or their respective Related Parties) may not be consolidated with any other arbitration proceeding between Hyatt and any other person or entity. Notwithstanding the foregoing or anything to the contrary in this Section 14.1 or Section 18.2, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 14.1, then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with this ARTICLE XIV (excluding this Section 14.1).

Despite this Section 14.1, Hyatt and Franchisee each have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that Hyatt and Franchisee must contemporaneously submit the dispute for arbitration on the merits as provided in this Section 14.1. The provisions of this Section 14.1 are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

14.2 **Governing Law.** All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.). Except to the extent governed by the Federal Arbitration Act, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement, the franchise, and all claims arising from the relationship between Hyatt (and/or any of its Affiliates) and Franchisee will be governed by the laws of the State of Illinois, without regard to its conflict of laws rules, except that any Illinois law regulating the offer or sale of franchises, business opportunities, or similar interests, or governing the relationship between a franchisor and a franchisee or any similar relationship, will not apply unless its jurisdictional requirements are met independently without reference to this Section 14.2.

14.3 **Consent to Jurisdiction.** Subject to the parties' arbitration obligations and the provisions below, Franchisee agrees that all actions arising under this Agreement or otherwise as

a result of the relationship between Franchisee and Hyatt (and/or any of its Affiliates) must be commenced in the state or federal court of general jurisdiction closest to Hyatt's then current principal business address, and Franchisee irrevocably submits to the jurisdiction of those courts and waives any objection it might have to either the jurisdiction of or venue in those courts. Nonetheless, Franchisee agrees that Hyatt may enforce this Agreement and any arbitration orders and awards in the courts of the state or states in which Franchisee is domiciled or the Hotel is located.

14.4 **Attorneys' Fees.** If either party initiates a formal legal proceeding under or relating to this Agreement or the relationship between Franchisee and Hyatt (and/or any of its Affiliates), the non-prevailing party in that proceeding (as determined by the judge or arbitrator, as applicable) must reimburse the prevailing party for all of the prevailing party's costs and expenses that it incurs, including reasonable accounting, attorneys', arbitrators', and related fees.

14.5 **Waiver Of Punitive Damages And Jury Trial.** EXCEPT FOR THE INDEMNIFICATION OBLIGATIONS FOR THIRD PARTY CLAIMS UNDER SECTIONS 8.3 AND 8.4, AND EXCEPT FOR PUNITIVE, EXEMPLARY, AND TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, HYATT AND FRANCHISEE WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, AND TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN HYATT AND FRANCHISEE, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES (INCLUDING LIQUIDATED DAMAGES) IT SUSTAINS.

SUBJECT TO THE PARTIES' ARBITRATION OBLIGATIONS, HYATT AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER HYATT OR FRANCHISEE.

14.6 **Limitations of Claims.** EXCEPT FOR CLAIMS ARISING FROM FRANCHISEE'S NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS FRANCHISEE OWES HYATT OR ANY OF ITS AFFILIATES, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR HYATT'S (OR ANY OF ITS AFFILIATES') RELATIONSHIP WITH FRANCHISEE WILL BE BARRED UNLESS A LEGAL PROCEEDING (IN THE REQUIRED OR PERMITTED FORUM) IS COMMENCED WITHIN EIGHTEEN (18) MONTHS FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

ARTICLE XV

DEFAULT AND TERMINATION

15.1 **Termination by Hyatt After Opportunity to Cure.** Hyatt has the right to terminate this Agreement, effective on the date stated in Hyatt's written notice (or the earliest date permitted by applicable law), if:

(a) Hyatt determines that a serious threat or danger to public health or safety results from the construction, maintenance, or operation of the Hotel, such that an immediate shutdown of the Hotel or construction site is necessary to avoid a substantial liability or loss of goodwill to the Hotel System, and Franchisee fails to shut down the Hotel or construction site within twenty-four (24) hours after delivery of Hyatt's written notice to Franchisee;

(b) Franchisee fails to pay Hyatt or any of its Affiliates any fees or other amounts due under this Agreement or any other agreement, and does not cure that default within ten (10) days after delivery of Hyatt's written notice of default to Franchisee;

(c) Franchisee does not buy, maintain, or send Hyatt evidence of required insurance coverage and does not cure that default within ten (10) days after delivery of Hyatt's written notice of default to Franchisee;

(d) Franchisee fails to pay when due any financial obligation to a Provider or otherwise fails to comply with any other provision of this Agreement, any aspect of the Hotel System or any System Standard, and does not cure that default within thirty (30) days after delivery of Hyatt's written notice of default to Franchisee;

(e) Franchisee fails to comply with any other agreement with Hyatt or its Affiliates relating to the Hotel and does not cure that default within thirty (30) days (or such shorter time period that the other agreement specifies for curing that default) after delivery of Hyatt's written notice of default to Franchisee; or

(f) Franchisee fails to ensure that at least one Guarantor satisfies the Guarantor Monetary Threshold and does not cure that default (by providing the financial statements demonstrating that at least one Guarantor then satisfies the Guarantor Monetary Threshold) within sixty (60) days after delivery of Hyatt's written notice of default to Franchisee.

15.2 **Termination by Hyatt Without Opportunity to Cure.** Hyatt may terminate this Agreement immediately, without giving Franchisee an opportunity to cure the default, effective upon delivery of written notice to Franchisee (or such later date as required by law), if:

(a) Franchisee or any Guarantor admits its inability to pay its debts as they become due or makes a general assignment for the benefit of creditors; suffers an action to dissolve or liquidate; commences or consents to any case, proceeding, or action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of debts under any law relating to bankruptcy, insolvency, reorganization, or relief of debtors;

(b) Franchisee ceases operating the Hotel at the Site in affiliation with the Proprietary Marks, fails to identify the Hotel to the public as a Brand Hotel, or loses possession of or the right to possess all or a significant part of the Hotel, for any reason except as otherwise provided in this Agreement;

(c) Franchisee or any of its Affiliates contests in any court or other Proceeding Hyatt's or its Affiliate's ownership of all or any portion of the Hotel System or the validity of any Proprietary Mark, Copyrighted Materials, or Confidential Information, or registers or attempts to register any Proprietary Mark or a derivative thereof;

(d) Franchisee (or any of its Owners) makes a transfer in violation of ARTICLE XII;

(e) Franchisee or any of its Owners or Guarantors is, or is discovered to have been, convicted of a felony or enters or is discovered to have entered a plea of no contest to a felony, unless (i) the Owner is a Limited Interest Owner; and (ii) such Owner divests all of such Owner's direct and indirect ownership interests in Franchisee within sixty (60) days after the date of the conviction or plea;

(f) Franchisee or any of its Owners or Guarantors commits (or is discovered to have committed) any action or any other offense likely in Hyatt's reasonable opinion to reflect materially adversely upon Hyatt, its Affiliates, the Hotel System, or the Proprietary Marks, unless (i) the Owner is a Limited Interest Owner; and (ii) such Owner divests all of such Owner's direct and indirect ownership interests in Franchisee within sixty (60) days after notice from Hyatt;

(g) Franchisee knowingly maintains false books and records of account or knowingly submits false or misleading reports or information to Hyatt or its Affiliate, including any information Franchisee provided or failed to provide on its franchise application;

(h) Franchisee (or any of its Owners) knowingly makes any unauthorized use or disclosure of any part of the System Standards or any other Confidential Information;

(i) Franchisee violates any law, ordinance, or regulation and does not begin to cure the violation immediately after receiving notice from Hyatt or any other party and to complete the cure as soon as is reasonably practicable or within the timeframe allowed by law, whichever is shorter;

(j) Franchisee (1) fails on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement, whether the failures relate to the same or different obligations under this Agreement and whether or not Hyatt provides formal written notice to Franchisee of or Franchisee corrects the failures; or (2) fails on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not Hyatt provides formal written notice to Franchisee of or Franchisee corrects the failures; or

(k) Franchisee's or any of its Owners' (other than a Public Owner's) assets, property, or interests are blocked under any Trade Restriction Law, or Franchisee or any of its Owners (other than a Public Owner) otherwise violate any Trade Restriction Law.

15.3 Suspension of Rights and Services. Upon Franchisee's failure to remedy any default or failure to comply with this Agreement specified in any written notice issued to Franchisee under Section 15.1 (following any cure period specified for such default or failure in Section 15.1) or Section 15.2, Hyatt has the right, until Franchisee remedies such default or failure to Hyatt's satisfaction, to (a) suspend Franchisee's right to use, and Franchisee's access to, the CRS, the GDS and ADS, and/or other System Services; (b) remove the Hotel from Hyatt's advertising publications and programs and/or remove the Hotel's webpage from the Hotel System Website; (c) suspend or terminate any temporary or other fee reductions to which Hyatt might have agreed in this Agreement or any amendment(s) to this Agreement; and/or (d) refuse to provide any operational support that this Agreement otherwise requires. If Hyatt suspends Franchisee from the CRS, Hyatt has the right to divert reservations previously made for the Hotel to other Brand Hotels or Hyatt Network Hotels. If Hyatt exercises its right to suspend Franchisee's access to the CRS or other System Services, such suspension will last no more than six (6) months, after which time Hyatt shall either reinstate Franchisee's access or terminate this Agreement. Hyatt's exercise of this right will not constitute an actual or constructive termination of this Agreement nor be Hyatt's sole and exclusive remedy for Franchisee's default or failure to comply with this Agreement. If Hyatt exercises its right not to terminate this Agreement but to implement any remedies in this Section 15.3, Hyatt may at any time after the appropriate cure period under the written notice has lapsed (if any) terminate this Agreement without giving Franchisee any additional corrective or cure period. During any suspension period, Franchisee must continue to pay all fees and other amounts due under, and otherwise comply with, this Agreement and all related agreements. Hyatt's exercise of its rights under this Section 15.3 will not be a waiver by Hyatt of any breach of this Agreement. If Hyatt rescinds any suspension of Franchisee's rights, Franchisee will not be entitled to any compensation for any fees, expenses or losses Franchisee might have incurred due to Hyatt's exercise of any suspension right provided in this Section 15.3.

15.4 **General Provisions Concerning Default and Termination.** In any arbitration or other proceeding in which the validity of any termination of this Agreement or Hyatt's refusal to enter into a successor franchise agreement is contested, each party may cite to and rely upon all defaults or violations of this Agreement, not only the defaults or violations referenced in any written notice. Franchisee agrees that Hyatt has the right and authority (but not the obligation) to notify Franchisee's Lender and any or all of Franchisee's Owners, creditors and/or suppliers if Franchisee is in default under, or Hyatt has terminated, this Agreement.

ARTICLE XVI

RIGHTS AND OBLIGATIONS UPON EXPIRATION OR TERMINATION

16.1 **De-Identification.** Beginning on the date upon which this Agreement terminates or expires, Franchisee must immediately cease using the Hotel System and begin to de-identify the Hotel by taking whatever action Hyatt deems necessary to ensure that the Hotel no longer is identified as a Brand Hotel. Franchisee agrees to take the following steps, among other actions that Hyatt then specifies, to de-identify the Hotel:

(a) return to Hyatt all Copyrighted Materials, and all materials containing Confidential Information (other than Guest Information stored in the Hotel's property management system database that Franchisee is permitted to use after this Agreement's expiration or termination pursuant to Section 11.6) or bearing any of the Proprietary Marks, and cease using all such items;

(b) remove all structures and items identifying the Hotel System, including all elements of the trade dress and other distinctive features, devices, and/or items associated with the Hotel System, such as (for example) FF&E that is uniquely identified with a Brand Hotel and/or other Hyatt Network Hotels, interior signage, phone face plates, memo pads, pens, cups, glasses, and all other materials bearing one or more of the Proprietary Marks. With respect to the Hotel's exterior signage, Franchisee must (i) immediately schedule the permanent removal of all exterior signage bearing any of the Proprietary Marks and give Hyatt written evidence of that schedule, (ii) immediately cover all such exterior signage in a professional manner, and (iii) permanently remove all such exterior signage within thirty (30) days after this Agreement expires or terminates. In addition, Franchisee must make at its expense such specific additional changes that Hyatt reasonably requests to de-identify the Hotel;

(c) stop all uses of the Proprietary Marks, Confidential Information and other aspects of the Hotel System in connection with any F&B Operations or Spa Operations (if any);

(d) change the Hotel's telephone listing and immediately stop answering the telephone in any way that would lead a current or prospective customer, vendor, or other person to believe that the Hotel still is affiliated with the Brand Hotel network or with Hyatt;

(e) stop all uses of the Proprietary Marks on any Franchisee Organization Website and require all third party websites to remove any references that directly or indirectly associate the Hotel with the Proprietary Marks;

(f) cancel all fictitious, assumed, or other business name registrations relating to Franchisee's use of the Proprietary Marks; and

(g) permit Hyatt's representatives to enter the Hotel on no less than twenty-four (24) hours' prior notice to conduct inspections on a periodic basis until de-identification is completed to Hyatt's satisfaction.

Beginning on the date upon which this Agreement terminates or expires and continuing until de-identification is completed to Hyatt's satisfaction, Franchisee must maintain a conspicuous sign at the registration desk in a form that Hyatt specifies stating that the Hotel no longer is associated with the Brand Hotel network. Franchisee and its Affiliates may not, without Hyatt's permission, represent to Hotel customers, prospective customers or the public that the Hotel is or was a Brand Hotel, or otherwise hold itself out to the public as a former franchisee of Hyatt's or as the former operator of a Brand Hotel, except in the limited case of informing investors, prospective investors, or lenders that Franchisee has general experience in operating a Brand Hotel. Subject to the terms of Subsection (b) above with respect to exterior signage, Franchisee shall complete all de-identification obligations under this Section 16.1 to Hyatt's satisfaction, and provide a written certification to Hyatt indicating such completion, on or before the date which is fifteen (15) days after this Agreement terminates or expires. If Franchisee fails to comply with any of the de-identification provisions in this Section 16.1, Franchisee agrees to: (i) pay Hyatt a royalty fee of Five Thousand Dollars (\$5,000) per day until de-identification is completed to Hyatt's satisfaction; and (ii) permit Hyatt's representatives to enter the Hotel to complete the de-identification process at Franchisee's expense.

16.2 **Pay Amounts Owed.** Unless otherwise provided in this Agreement, within five (5) days after the termination or expiration of this Agreement, Franchisee must pay all amounts owed to Hyatt and its Affiliates under this Agreement or any other agreement.

16.3 **Contacting Customers; Cessation of Reservation Services.** In connection with this Agreement's termination or expiration for any reason, Hyatt has the right to contact those individuals or entities who have reserved rooms with Franchisee through the CRS, and any other Hotel customers, and inform them that Franchisee's lodging facility no longer is part of the Brand Hotel network. Hyatt also has the right to inform those individuals, entities and customers of other Brand Hotels and Hyatt Network Hotels that are proximately located to Franchisee's lodging facility in case they prefer to change their reservations so that they can stay at a Hyatt Network Hotel. Hyatt also has the right to suspend reservation services and access to the CRS, GDS and ADS for dates beyond the termination or expiration date of this Agreement. Hyatt's exercise of these rights will not constitute an interference with Franchisee's contractual or business relationships. Franchisee acknowledges that the individuals and entities that made reservations with Franchisee's lodging facility when it was a Brand Hotel under this Agreement constitute Hyatt's customers.

16.4 **Survival.** The following provisions of this Agreement shall survive termination or expiration of this Agreement regardless of the circumstances: Sections 6.5, 6.7, 7.4, 8.1, 8.3, 8.4, 11.1, 11.5, 11.6, 11.7 and 15.4 and ARTICLE IX, ARTICLE XIV, ARTICLE XVI, ARTICLE XVII and ARTICLE XVIII. Additionally, all of Hyatt's and Franchisee's obligations that by their terms or by implication are to be performed after the termination or expiration of the Term shall survive such termination or expiration.

16.5 **Liquidated Damages.** Franchisee acknowledges and confirms that Hyatt will suffer substantial damages as a result of the termination of this Agreement before the Term expires, including Brand Damages. Hyatt and Franchisee acknowledge that Brand Damages are difficult to estimate accurately and proof of Brand Damages would be burdensome and costly, although such damages are real and meaningful to Hyatt. Therefore, upon termination of this Agreement before the Term expires for any reason (subject to ARTICLE X), Franchisee agrees to pay Hyatt, within fifteen (15) days after the date of such termination, liquidated damages in a lump sum equal to the amount set forth in Exhibit B-1.

Notwithstanding the foregoing, if this Agreement is terminated because of a Consequential Termination, then the liquidated damages are one hundred fifty percent (150%) of the amount calculated in the preceding paragraph.

Franchisee agrees that the liquidated damages calculated under this Section 16.5 represent the best estimate of Hyatt's Brand Damages arising from any termination of this Agreement before the Term expires. Franchisee's payment of the liquidated damages to Hyatt will not be considered a penalty but, rather, a reasonable estimate of fair compensation to Hyatt for the Brand Damages Hyatt will incur because this Agreement did not continue for the Term's full length. Franchisee acknowledges that Franchisee's payment of liquidated damages is full compensation to Hyatt only for the Brand Damages resulting from the early termination of this Agreement and is in addition to, and not in lieu of, Franchisee's obligations to pay other amounts due to Hyatt under this Agreement as of the date of termination and to comply strictly with the de-identification procedures of Section 16.1 and Franchisee's other post-termination obligations. If any valid law or regulation governing this Agreement limits Franchisee's obligation to pay, and/or Hyatt's right to receive, the liquidated damages for which Franchisee is obligated under this Section 16.5, then Franchisee shall be liable to Hyatt for any and all Brand Damages Hyatt incurs, now or in the future, as a result of Franchisee's breach of this Agreement.

16.6 **System Services.** Beginning on the date that this Agreement terminates or expires, Hyatt and its Affiliates shall stop providing System Services to the Hotel.

ARTICLE XVIII

GENERAL

18.1 **The Exercise of Hyatt's Judgment.** Hyatt has the right from time to time to develop, operate, and change the Hotel System and System Standards in any manner not specifically prohibited by this Agreement. Whenever Hyatt has reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant Franchisee the right to take or omit an action, Hyatt may, except as otherwise specifically provided in this Agreement, make its decision or exercise its rights based on information readily available to it and its judgment of what is in the best interests of Hyatt and its Affiliates, the Brand Hotel network generally, or the Hotel System at the time its decision is made, without regard to whether Hyatt could have made other reasonable or even arguably preferable alternative decisions or whether its decision promotes Hyatt's (or its Affiliates') financial or other individual interest. Except where this Agreement expressly obligates Hyatt reasonably to approve or not unreasonably to withhold its approval of any of Franchisee's actions or requests, Hyatt has the absolute right to refuse any request Franchisee makes or to withhold its approval of any of Franchisee's proposed, initiated, or completed actions that require its approval. However, Hyatt may withhold its consent, whenever and wherever otherwise required, if Franchisee is in default under this Agreement.

18.2 **Severability and Interpretation.** Except as expressly provided to the contrary in this Agreement (including in Section 14.1), each section, subsection, paragraph, term, and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of Hyatt's refusal to offer Franchisee the Successor Franchise Right, or some other action that this Agreement does not require, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law or rule will be

substituted for the comparable provisions of this Agreement, and Hyatt may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. Franchisee agrees to be bound by any promise or covenant imposing the maximum duty the law permits that is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

18.3 **Waiver of Obligations and Force Majeure.** Hyatt and Franchisee may unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement only by a signed written instrument, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver granted will be without prejudice to any other rights Hyatt or Franchisee have, will be subject to continuing review, and may be revoked at any time and for any reason effective upon delivery of ten (10) days' prior written notice.

Hyatt and Franchisee will not waive or impair any right, power, or option this Agreement reserves (including Hyatt's right to demand compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before the Term expires) because of any custom or practice that varies from this Agreement's terms; Hyatt's or Franchisee's failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including any System Standard; Hyatt's waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other Brand Hotels; the existence of franchise agreements for other Brand Hotels that contain provisions differing from those contained in this Agreement; or Hyatt's acceptance of any payments due from Franchisee after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to either party will be a waiver, compromise, settlement, or accord and satisfaction. The receiving party is authorized to remove any legend or endorsement, and it will have no effect.

Neither Hyatt nor Franchisee will be liable for loss or damage or be in breach of this Agreement, including Franchisee's obligations to develop and open the Hotel under ARTICLE II, if Hyatt's or Franchisee's failure to perform its obligations results from Force Majeure. Any delay resulting from Force Majeure will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that Force Majeure will not excuse payments of amounts owed at the time of the occurrence or payment of Royalty Fees, System Services Charges or other payments due afterward.

18.4 **Binding Effect.** This Agreement is valid and enforceable only when signed by Franchisee and signed and accepted by Hyatt at its office in Chicago, Illinois, whether signed by original or electronic signature. This Agreement may be executed in one or more counterparts, which, when taken as a whole, shall constitute a single agreement.

18.5 **Entire Agreement and Construction.** This Agreement is binding upon Hyatt and Franchisee and their respective permitted assigns and successors in interest. Subject to Hyatt's right to modify the Hotel System, System Standards, System Services and System Services Charges (including the methods of allocating costs for System Services), from time to time, this Agreement may not be modified except by a written agreement signed by both Hyatt's and Franchisee's duly-authorized officers. The Preliminary Statement and Exhibits, the attached PIP (if applicable), any state-specific Rider to this Agreement signed by Hyatt and Franchisee at the

same time as this Agreement, and the Franchise Application that Franchisee (or its Owner or Affiliate) submitted to Hyatt relating to the Hotel, are a part of this Agreement, which constitutes Hyatt's and Franchisee's entire agreement, and there are no other oral or written understandings or agreements between Hyatt and Franchisee, and no other oral or written representations by Hyatt, relating to the subject matter of this Agreement, the franchise relationship, or the Hotel (any understandings or agreements reached, or any representations made, before this Agreement are superseded by this Agreement). Franchisee may not rely on any alleged oral or written understandings, agreements, or representations not contained in this Agreement. Notwithstanding the foregoing, nothing in this Agreement or any related agreement shall disclaim or require Franchisee to waive reliance on any representation that Hyatt made in the most recent franchise disclosure document (including its exhibits and amendments) that Hyatt delivered to Franchisee or its representative.

Any policies that Hyatt adopts and implements from time to time to guide Hyatt in its decision-making are subject to change, are not a part of this Agreement, and are not binding on Hyatt. Except as expressly provided in this Agreement, nothing in this Agreement is intended or deemed to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

References in this Agreement to "Hyatt" with respect to all of Hyatt's rights and all of Franchisee's obligations to Hyatt under this Agreement include any of Hyatt's Affiliates, and its and their successors and assigns, with whom Franchisee deals. The headings in this Agreement are for convenience only and will not control or affect the meaning or construction of any provision. Time is of the essence in this Agreement, and all provisions of this Agreement shall be so interpreted.

18.6 **Cumulative Remedies.** Hyatt's and Franchisee's rights under this Agreement are cumulative, and their exercise or enforcement of any right or remedy under this Agreement will not preclude their exercise or enforcement of any other right or remedy that they are entitled by law to enforce.

ARTICLE XIX

ACKNOWLEDGEMENTS

19.1 **Franchisee Acknowledgements.** To induce Hyatt to sign this Agreement and grant Franchisee the rights under this Agreement, Franchisee represents, warrants and acknowledges that:

- (a) Hyatt's approval of the Site is not a guarantee or warranty, express or implied, of the success or profitability of a Brand Hotel at that location;
- (b) all statements Franchisee has made and all materials (including ownership information and descriptions of Franchisee's and/or its Affiliates' ownership structure(s)) it has given Hyatt in acquiring the rights under this Agreement are accurate and complete and that Franchisee has made no misrepresentations or material omissions in obtaining those rights;

(c) Franchisee is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation, and Franchisee's execution and delivery of this Agreement and performance of its obligations hereunder (i) have been duly authorized by all necessary company action, (ii) do not and will not violate or result in a breach or default under any applicable law or any agreement to which Franchisee is a party or by which it is bound, and (iii) do not require the consent of any third party that has not been obtained; and

(d) In accordance with an exemption available under the Federal Trade Commission's Trade Regulation Rule entitled "Disclosure Requirements and Prohibitions Concerning Franchising," 16 C.F.R. Section 436.8(a)(5)(ii), Franchisee, or its parent or any of its Affiliates, is an entity that has been in business for at least five (5) years and has a net worth of at least \$7,348,000.

19.2 **Franchisee Acknowledgements in Certain States.** The following representations, warranties and acknowledgements shall be made by and binding on Franchisee, unless this Agreement and/or the relationship between Hyatt and Franchisee is subject to state franchise registration and/or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin.

(a) Franchisee represents, warrants and acknowledges that it has independently investigated and evaluated the opportunity of investing in the hotel industry generally and specifically the Brand Hotel franchise opportunity, including the current and potential market conditions and competitive factors and risks, and recognizes that, like any other business, the nature of a Brand Hotel's business will evolve and change over time.

(b) Franchisee represents, warrants and acknowledges that, except as expressly set forth in the franchise disclosure document that Hyatt delivered to Franchisee or its representative, Franchisee has not received from Hyatt, and is not relying upon, and that Hyatt expressly disclaims making, any representation, warranty or guaranty, express or implied, as to the actual or potential volume, sales, income or profits of the Hotel or any other Brand Hotel, and any information Franchisee has acquired from other Brand Hotel owners, including information regarding their sales, profits or cash flows, is not information obtained from Hyatt, and Hyatt makes no representation about that information's accuracy.

(c) Franchisee represents, warrants and acknowledges that it has no knowledge of any representations made about the Brand Hotel franchise opportunity by Hyatt, its Affiliates or any of their respective officers, directors, managers, owners or agents that are contrary to the statements made in Hyatt's franchise disclosure document or to the terms and conditions of this Agreement.

(d) Franchisee represents, warrants and acknowledges that it is relying solely on Hyatt, and not on any Affiliate of Hyatt, with regard to Hyatt's financial and other obligations under this Agreement, and no employee or other person speaking on behalf of,

or otherwise representing, Hyatt has made any statement or promise to the effect that Hyatt's Affiliates guarantee Hyatt's performance or financially back Hyatt.

19.3 **No Waiver or Disclaimer of Reliance in Certain States.** The following provision applies only to franchisees and franchises that are subject to state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Hyatt, any franchise seller, or any other person acting on behalf of Hyatt. This provision supersedes any other term of any document executed in connection with the franchise.

EXHIBIT A
to the
BRAND HOTEL FRANCHISE AGREEMENT

DEFINED TERMS

In addition to any other terms defined in this Agreement, the following terms shall have the respective meanings as indicated below.

“**Accessibility Laws**” means the Americans with Disabilities Act and other laws, rules, regulations and ordinances governing accommodations for or relationships with persons with disabilities or similar individuals, as in effect from time to time.

“**ADS**” means the online travel agencies and other alternative distribution systems that Hyatt may periodically authorize or require for Franchisee’s Hotel and other similarly situated Brand Hotels (subject to Reasonable Deviations).

“**Affiliate**” means, with respect to a party, any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling, such party. For purposes of this definition, “**control**” means the power to direct or cause the direction of management and policies.

“**Anti-Corruption Laws**” means any laws, rules or regulations relating to anti-corruption, anti-bribery, anti-money laundering, or similar prohibited conduct or otherwise relating to the maintenance of accurate books and records and internal controls.

“**AOP Term**” has the meaning set forth in Exhibit B-2.

“**Area of Protection**” has the meaning set forth in Exhibit B-2.

“**Average Monthly Revenues**” means:

(a) if the date of termination occurs after the Ramp Period, the average monthly Gross Rooms Revenue of the Hotel during the twelve (12) full calendar months immediately preceding the month of termination; or

(b) if the date of termination occurs after the Opening Date but before the end of the Ramp Period, the greater of (i) the average monthly Gross Rooms Revenue of the Hotel during the period from the Opening Date until the effective date of termination or (ii) the amount determined under part (c) below; or

(c) if the date of termination occurs before the Opening Date, the average monthly Gross Rooms Revenue per available guest room for all Brand Hotels in the United States (including those that Hyatt and its Affiliates own, manage, and franchise) during the twelve (12) full calendar months preceding the month of termination, multiplied by the number of guest rooms approved for the Hotel.

Notwithstanding the foregoing, if “Average Monthly Revenues” as determined pursuant to any part of (a) through (c) above has been materially and negatively impacted during the preceding twelve (12) full calendar month period by a disruption in Hotel operations resulting from Force Majeure, casualty, suspension of operations (whether or not consented to by Hyatt), renovation of the Hotel, or any other similar circumstances, “Average Monthly Revenue” shall be determined by reference to the most recent twelve (12) full calendar month period preceding termination during which the Hotel performance was not so impacted.

“**Brand**” has the meaning set forth in Exhibit B-1.

“**Brand Damages**” means lost Royalty Fees, lost System Services Charges, lost market penetration and goodwill, loss of Hotel System representation in the Hotel’s market area, confusion of national accounts and individual customers, disadvantage in competing for national accounts and other types of bookings for Brand Hotels, lost opportunity costs, and expenses that Hyatt will incur in developing or finding another franchisee to develop another Brand Hotel in the Hotel’s market area.

“**Brand Hotel**” means a hotel operating under the Hotel System and the Proprietary Marks.

“**Comfort Letter Party**” means each Lender, each Ground Lessor (if applicable), the owner of fee simple title to the Hotel’s real property or building and improvements (if Franchisee is not that owner), and each other entity with an interest (or any power or right, conditional or otherwise, to acquire an interest) in the Hotel’s real property or building and improvements.

“**Competing Brand Owner**” means any entity that (a) is either a franchisor or owner of a Competing Brand (defined below), (b) manages or otherwise operates hotels exclusively for the franchisor or owner of a Competing Brand, or (c) is an Affiliate of any entity described in (a) or (b) above. A “**Competing Brand**” is a hotel concept that has at least five (5) hotels operating under that concept’s trade name anywhere in the world and that, in Hyatt’s reasonable opinion, competes with Brand Hotels. For the avoidance of doubt, Franchisee shall not be deemed a Competing Brand Owner under this Agreement merely because Franchisee’s Affiliates operate (as franchisees and/or managers) hotels of multiple Competing Brands.

“**Confidential Information**” means (a) site selection criteria; (b) the substance, design, and construction of Brand Hotels and the Design and Construction Standards; (c) training and operations materials and modules, including the System Standards; (d) methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge, and experience used in developing and operating Brand Hotels; (e) marketing, advertising and promotional programs for Brand Hotels; (f) Guest Information and any information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels; (g) knowledge of specifications for and suppliers of FF&E and other products and supplies that are uniquely identified with Brand Hotels and/or other Hyatt Network Hotels; (h) any part of the Technology System and other computer software or other technology that is proprietary to Hyatt, its Affiliates or the Hotel System, including digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or other technology; (i) knowledge of the operating results and financial performance of Brand Hotels other than the Hotel; (j) graphic designs and related intellectual property; and (k) any negotiated

provisions of this Agreement (including any amendment to this Agreement) and any other difference between the terms of this Agreement (including any amendment to this Agreement) and the terms of the standard form of Franchise Agreement in the Brand Hotel franchise disclosure document. However, Confidential Information does not include information, knowledge, or know-how that Franchisee can demonstrate lawfully came to its attention before Hyatt or its Affiliate provided it to Franchisee or its Affiliate directly or indirectly; that, at the time Hyatt or its Affiliate disclosed it to Franchisee, already had lawfully become generally known in the hotel industry through publication or communication by others (without violating an obligation to Hyatt or its Affiliate); or that, after Hyatt or its Affiliate disclose it to Franchisee, lawfully becomes generally known in the hotel industry through publication or communication by others (without violating an obligation to Hyatt or its Affiliate). If Hyatt includes any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of the exclusions provided in the preceding sentence is satisfied.

“Consequential Termination” means termination of this Agreement if (a) such termination involves a transfer of the Hotel or its assets, or a Controlling Ownership Interest in Franchisee or its Controlling Owner, to a Competitor or (b) there are three (3) or more franchise agreements (including this Agreement) with Franchisee or its Affiliates for hotels of the Hotel Type that Hyatt (or its Affiliate) terminates because of Franchisee’s (or its Affiliates’) default or that Franchisee (or its Affiliate(s)) terminates in breach of the applicable agreement. For purposes of this definition, a **“Competitor”** is any entity that owns, franchises and/or manages, or is an affiliate of any entity that owns, franchises and/or manages, a hotel brand, trade name or service mark for a system of at least four (4) hotels with an average daily room rate for all or substantially all of the hotels in the U.S. during the then most recent full calendar year that is at least sixty percent (60%) of the average daily room rate for Brand Hotels operating in the U.S.

“Control Transfer” means any transfer (as defined in this Exhibit A) of (a) this Agreement (or any interest in this Agreement), (b) the Hotel or all or substantially all of its assets, (c) a Controlling Ownership Interest in Franchisee, whether in one transaction or a series of related transactions (regardless of the time period over which these transactions take place), or (d) a Controlling Ownership Interest in any Controlling Owner (if such Owner is a legal entity), whether in one transaction or a series of related transactions (regardless of the time period over which these transactions take place).

“Controlling Owner” means an individual or legal entity holding a direct or indirect Controlling Ownership Interest in Franchisee.

“Controlling Ownership Interest” in a legal entity means, whether directly or indirectly, either (a) the record or beneficial ownership of, or right to control, fifty percent (50%) or more of the investment capital, equity, rights to receive profits or losses, or other rights to participate in the results of the entity, or (b) the effective control of the power to direct or cause the direction of that entity’s management and policies, including a general partnership interest (with respect to an entity that is a partnership) and a manager or managing member interest (with respect to an entity that is a limited liability company), or the power to appoint or remove any such party. In the case of (a) or (b), the determination of whether a “Controlling Ownership Interest” exists is made both immediately before and immediately after a proposed transfer.

“**Copyrighted Materials**” means all copyrightable materials that Hyatt or its Affiliate periodically develops and Hyatt periodically designates for use in connection with the Hotel System, including the contents of Hyatt’s secure extranet, electronic media, marketing materials (including advertising, marketing, promotional, public relations materials and business and marketing plans), the Design and Construction Standards, sample architectural plans, drawings, designs, and layouts such as, without limitation, site, floor, plumbing, lobby, electrical, and landscape plans and building designs, whether or not registered with the U.S. Copyright Office.

“**Core Management**” means the management positions for the Hotel as listed in Exhibit B-1.

“**CPI Increase**” means the amount to be adjusted multiplied by a fraction, the numerator of which is the Consumer Price Index for all Urban Consumers for All Items, as published by the U.S. Department of Labor, Bureau of Labor Statistics (the “**Base Index**”) as of the first day of the calendar month during which the increase is to take effect, and the denominator of which is the Base Index in effect on the Effective Date or used for the most recent increase (whichever is later). If the Base Index is no longer published, Hyatt may designate another reasonably comparable index for calculating changes in the cost of living or purchasing power for consumers.

“**CRS**” means the central reservations system and related services for Brand Hotels, as Hyatt may periodically modify it.

“**Damage Threshold**” means the greater of (a) sixty percent (60%) of the market value of the Hotel immediately prior to the time of fire, flood, accident, hurricane or other casualty, or (b) the amount of insurance proceeds made available to Franchisee in connection with the casualty.

“**Data Breach**” means an actual or suspected breach of security or unauthorized access of Guest Information or other information from the Hotel’s property management system or other computer system database.

“**Design and Construction Standards**” means the standards that Hyatt periodically prescribes detailing certain design criteria to be incorporated into the design and layout of the Hotel, and Hyatt’s minimum standards for engineering and construction of newly constructed, renovated, or adapted Brand Hotels, including refreshing the Hotel according to periodic, scheduled upgrades, all as Hyatt determines them.

“**Effective Date**” means the date listed on page one of this Agreement, regardless of the date upon which Hyatt and Franchisee sign this Agreement.

EXHIBIT C
to the
BRAND HOTEL FRANCHISE AGREEMENT

RIGHT OF FIRST OFFER FOR STRATEGIC MARKETS

By signing this Exhibit C, Hyatt and Franchisee acknowledge that Hyatt's right of first offer reflected in this Exhibit C applies to this Agreement. If Hyatt and Franchisee do not sign this Exhibit C, then it does not apply to this Agreement. Hyatt has the unrestricted right to assign its right of first offer to an Affiliate or other third party, who then will have Hyatt's rights and obligations described in this Exhibit C.

If Franchisee (or any of its Owners) at any time during the Term determine to sell or transfer for consideration this Agreement, the Hotel or all or substantially all of its assets, or a Controlling Ownership Interest in Franchisee or its Controlling Owner (except to or among Franchisee's Owners as of the Effective Date, which is not subject to this Exhibit C), then Franchisee must first give Hyatt the opportunity to acquire those rights (the "**Offered Rights**") by delivering written notice to Hyatt. Franchisee's notice must contain a summary of the material terms and conditions of the proposed sale or transfer, including (without limitation) the proposed consideration and the terms of any financing Franchisee or its Affiliate will provide for the proposed purchase price (the "**Offer Terms**"). The Offer Terms must relate exclusively to the Offered Rights and not to any other assets or rights.

Hyatt will then have thirty (30) days after receiving the Offer Terms to notify Franchisee whether Hyatt elects to acquire the Offered Rights on the Offer Terms, provided that (1) Hyatt may substitute cash, a cash equivalent, or marketable securities for any form of payment proposed in the Offer Terms (such as ownership interests in an entity) and may elect to pay the net present value of any payments to be made over time; (2) Hyatt must be afforded the opportunity to conduct customary due diligence on the Offered Rights; and (3) Hyatt must receive, and Franchisee and its Owners agree to make, all customary representations, warranties, and indemnities in Hyatt's purchase, including representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; liabilities affecting the assets, contingent or otherwise; and indemnities for all actions, events, and conditions that existed or occurred in connection with the Hotel or Franchisee's business before the closing.

If Hyatt exercises the right of first offer, the closing will take place at a location and on a date that Hyatt chooses, within ninety (90) days after Hyatt delivers its notice of exercise to Franchisee or such longer period as may be contemplated by the Offer Terms. Hyatt and Franchisee will sign documents, including deeds, affidavits, transfers and assignments, and any other documents necessary or appropriate for the sale or transfer of the Offered Rights. Franchisee must satisfy all liens, mortgages, and/or encumbrances on the Hotel. Hyatt and Franchisee will share equally any closing costs.

If Hyatt notifies Franchisee in writing that Hyatt does not intend to exercise its right of first offer with respect to any Offer Terms, or fails to notify Franchisee of Hyatt's decision within the thirty (30)-day period described above, then Franchisee thereafter may offer the Offered Rights to

any third party on terms no more favorable to that party than the Offer Terms. However, Franchisee or its Owners may sell or transfer the Offered Rights only if Hyatt otherwise approves the transfer in accordance with, and Franchisee (and its Owners) and the transferee comply with the conditions in, ARTICLE XII of this Agreement. This means that, even if Hyatt does not exercise Hyatt's right of first offer, if the proposed transfer otherwise would not be allowed under ARTICLE XII, Franchisee (or its Owners) may not move forward with the transfer at all.

Later, Franchisee may determine to offer the Offered Rights on terms which are more favorable to the buyer than the Offer Terms, or Franchisee may determine to change the Offered Rights, then Franchisee must first offer those new terms to Hyatt according to the procedures described above. In addition, if Franchisee does not sell or transfer the Offered Rights in compliance with this Exhibit C and the conditions in ARTICLE XII within twelve (12) months after Hyatt first receives notice of the Offered Rights, then the rights under this Exhibit C shall once again apply with respect to those Offer Terms, and Franchisee may not sell or transfer for consideration the Offered Rights without first giving Hyatt the opportunity to acquire those rights according to this Exhibit C.

By signing below, Hyatt and Franchisee acknowledge and agree that the terms of this Exhibit C will apply to this Agreement.

MANAGEMENT COMPANY DOCUMENTS

MANAGEMENT COMPANY RIDER
to the Franchise Agreement dated as of _____, 2026 (“Franchise Agreement”)
between _____ (“Hyatt”) and
_____ (“Franchisee”)

_____ (“Management Company”) has entered into a Management Agreement with Franchisee (as amended, the “Management Agreement”) under which Management Company will operate the Brand Hotel located at _____ (the “Hotel”) in accordance with the terms and conditions of the Franchise Agreement. However, under the Franchise Agreement, Management Company may not operate the Hotel without Hyatt’s consent, and Hyatt is unwilling to provide such consent unless Franchisee and Management Company agree to the terms of this Rider.

In consideration of the rights granted to Management Company under the Management Agreement and of Hyatt’s consent (under the Franchise Agreement) to Management Company’s operation of the Hotel, Management Company hereby acknowledges and ratifies the terms and conditions of the Franchise Agreement and agrees to fully observe and be bound by all terms, conditions and restrictions regarding the management and operation of the Hotel set forth in the Franchise Agreement for as long as Management Company operates the Hotel, as if and as though Management Company had executed the Franchise Agreement as “Franchisee,” including, without limitation, all terms and conditions of ARTICLE IV and ARTICLE V of the Franchise Agreement (other than Section 4.2(a)). Management Company further agrees to be bound by the confidentiality and other covenants set forth in Sections 11.5, 11.6, and 11.7 of the Franchise Agreement (including all remedies available to Hyatt under the Franchise Agreement for breach thereof) during and subsequent to its tenure as manager of the Hotel. However, notwithstanding the foregoing, nothing in this Rider constitutes an agreement of Management Company: (a) to pay or assume any financial obligation of Franchisee to Hyatt or to any third party, including any obligation of Franchisee to pay Royalty Fees or System Services Charges or any liquidated damages pursuant to Section 16.5 of the Franchise Agreement; or (b) to be bound by any provision in ARTICLE XII of the Franchise Agreement. Management Company represents and warrants to Hyatt and Franchisee that Management Company is not a Competing Brand Owner, as defined in the Franchise Agreement.

Management Company agrees that Hyatt may enforce directly against Management Company those terms and conditions of the Franchise Agreement to which Management Company has hereby agreed to be bound. Franchisee acknowledges and agrees that any act or omission of Management Company relating directly or indirectly to the Hotel will be deemed and considered the act or omission of Franchisee for purposes of Hyatt’s rights and remedies under the Franchise Agreement (including, without limitation, Franchisee’s indemnification and defense obligations under Section 8.3 of the Franchise Agreement), any other agreement, or applicable law. ARTICLE

VIII, ARTICLE XIV (including, without limitation, the arbitration provisions) and ARTICLE XVIII of the Franchise Agreement, entitled “Relationship of Parties and Indemnification,” “Dispute Resolution,” and “General,” respectively, are incorporated by reference in this Rider and will govern all aspects of Hyatt’s and Management Company’s relationship and this Rider as if fully restated within the text of this Rider, with all references to “Franchisee” interpreted as references to Management Company.

BRAND HOTEL FRANCHISE AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS (“**Guaranty**”) is given this ____ day of _____, 2026, by the undersigned party or parties (individually and collectively, “**Guarantor**”) in favor of _____, a _____ limited liability company (together with its successors and assigns, “**Hyatt**”).

WHEREAS, [_____] (“**Franchisee**”) owns the hotel to be known as the Brand Hotel located or to be located at the Site identified in the Franchise Agreement (defined below) (the “**Hotel**”);

WHEREAS, simultaneously herewith, Franchisee is entering into a Brand Hotel Franchise Agreement (as amended, modified or amended and restated from time to time, the “**Franchise Agreement**”) with Hyatt with respect to the Hotel;

WHEREAS, Guarantor is either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates, Guarantor will benefit significantly from Hyatt’s entering into the Franchise Agreement with Franchisee, and Hyatt will not enter into the Franchise Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty;

WHEREAS, as a condition to entering into the Franchise Agreement, Hyatt has required that Guarantor guarantee the payment and performance of the Guaranteed Obligations (as defined herein), subject to the terms of this Guaranty.

NOW, THEREFORE, as a material inducement to Hyatt entering into the Franchise Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor hereby does irrevocably and unconditionally warrant and represent unto and covenant as follows:

1. **Recitals; Defined Terms.** The recitals above are a part of this Guaranty, form a basis for this Guaranty, and shall be considered prima facie evidence of the facts and documents referred to therein. Defined terms used but not defined herein shall have the meanings ascribed to them in the Franchise Agreement.

2. **Guaranty.** Guarantor hereby irrevocably and unconditionally personally guarantees to Hyatt and its successors and assigns Franchisee’s punctual payment and performance of, and agrees to be personally bound by and personally liable for the breach of, each and every Guaranteed Obligation. Guarantor hereby irrevocably and unconditionally covenants and agrees that it is liable for the Guaranteed Obligations as a primary obligor.

3. **Guaranteed Obligations.** As used herein, the term “Guaranteed Obligations” means (i) Franchisee’s payment in full of all of Franchisee’s monetary obligations including but

not limited to Franchisee's payment of any liquidated damages that become due and payable pursuant to the Franchise Agreement as and when required pursuant to the Franchise Agreement, and (ii) Franchisee's performance of each and every provision in the Franchise Agreement (including any amendments or modifications of the Franchise Agreement), including, without limitation: (a) obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the confidentiality and transfer requirements and the prohibitions with respect to Competing Brand Owners; and (b) the arbitration requirements and other enforcement provisions in ARTICLE XIV and ARTICLE XVIII of the Franchise Agreement.

4. **Guarantor Monetary Threshold.** Guarantor represents and agrees that, at the time of signing this Guaranty and at all times during the term of the Franchise Agreement, at least one of the undersigned or another then current guarantor of Franchisee's obligations under the Franchise Agreement satisfies the Guarantor Monetary Threshold (defined below). The "**Guarantor Monetary Threshold**" means each of the following: (a) the amount of total assets less total liabilities (excluding Hotel assets and liabilities relating solely to the Hotel), each as calculated in accordance with U.S. generally accepted accounting principles, equal to or exceeding _____ Dollars (\$_____) as of the date hereof; and (b) liquid assets (consisting of cash, cash equivalents and marketable securities) equal to or exceeding _____ Dollars (\$_____) as of the date hereof. Each dollar amount in this Section 4 shall increase automatically each year, without notice from Hyatt, effective on the first day of the calendar month during which the Franchise Agreement's Effective Date falls, by an amount equal to the CPI Increase. The "**CPI Increase**" means the amount to be adjusted multiplied by a fraction, the numerator of which is the Consumer Price Index for all Urban Consumers for All Items, as published by the U.S. Department of Labor, Bureau of Labor Statistics (the "**Base Index**") as of the first day of the calendar month during which the increase is to take effect, and the denominator of which is the Base Index in effect on the Franchise Agreement's Effective Date or used for the most recent increase (whichever is later). If the Base Index is no longer published, Hyatt may designate another reasonably comparable index for calculating changes in the cost of living or purchasing power for consumers. Guarantor agrees to provide Hyatt on an annual basis financial statements or other documents that Hyatt reasonably specifies, certified by Guarantor in the manner that Hyatt specifies, demonstrating that at least one Guarantor satisfies the Guarantor Monetary Threshold. Upon reasonable advance notice, but no more than twice during any calendar year during the Franchise Agreement's term, Hyatt may examine the undersigned's business, bookkeeping, accounting and tax records to ascertain compliance with the Guarantor Monetary Threshold. In addition to and without limiting Hyatt's other rights and remedies under the Franchise Agreement, this Guaranty or applicable law, Guarantor acknowledges that Hyatt may terminate the Franchise Agreement (subject to the applicable notice and cure period in the Franchise Agreement) if at least one Guarantor or another guarantor of Franchisee's obligations under the Franchise Agreement does not satisfy the Guarantor Monetary Threshold at all times during the Franchise Agreement's term.

5. **Nature of Guaranty.** Guarantor consents and agrees that: (1) the representations, warranties, agreements, liabilities, and obligations of Guarantor set forth in this Guaranty shall apply to each of the undersigned parties in its individual capacity; (2) notwithstanding the foregoing, each of the undersigned's direct and immediate liability under this Guaranty will be

joint and several, both with Franchisee and among the other parties (if any) comprising Guarantor; (3) Guarantor will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to do so; (4) this liability will not be contingent or conditioned upon Hyatt's pursuit of any remedies against Franchisee or any other person or entity; (5) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence that Hyatt may from time to time grant to Franchisee or any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during and after the term of the Franchise Agreement (including extensions) for so long as any performance is or might be owed under the Franchise Agreement by Franchisee or any of its guarantors and for so long as Hyatt has any cause of action against Franchisee or any of its guarantors; and (6) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Franchise Agreement and despite the transfer of any direct or indirect interest in the Franchise Agreement or Franchisee, and Guarantor waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

6. **Waivers.**

(a) Guarantor hereby waives: (i) all rights to payments and claims for reimbursement or subrogation that Guarantor may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Hyatt; (ii) all rights to require Hyatt to proceed against Franchisee for any payment required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Hyatt; and (iv) acceptance and notice of acceptance by Hyatt of Guarantor's undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed (except as otherwise expressly provided herein or in the Franchise Agreement), and any other notices and legal or equitable defenses to which Guarantor may be entitled. Hyatt shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Hyatt. Without affecting the obligations of the undersigned under this Guaranty, Hyatt may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement

or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Franchise Agreement.

(b) In addition, Guarantor waives any defense arising by reason of any of the following: (i) any disability or any counterclaim or right of set-off or other defense of Franchisee, (ii) any lack of authority of Franchisee with respect to the Franchise Agreement, (iii) the cessation from any cause whatsoever of the liability of Franchisee, (iv) any circumstance whereby the Franchise Agreement shall be void or voidable as against Franchisee or any of Franchisee's creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (v) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Franchise Agreement, (vi) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (vii) any act or omission of Franchisee.

(c) Guarantor's obligations under this Guaranty shall not be released, diminished, impaired, reduced or adversely affected by any of the following and Guarantor waives any common law, equitable, statutory or other rights (including, without limitation, rights to notice, other than notices required in this Guaranty) which Guarantor might otherwise have as a result of or in connection with any of the following:

(i) any increase, modification, alteration or rearrangement of all or any part of the Guaranteed Obligations, the Franchise Agreement or any other document, instrument, contract or understanding between Franchisee and Hyatt or any other parties pertaining to the Guaranteed Obligations, or any failure of Hyatt to notify Guarantor of any such action.

(ii) any adjustment, indulgence, forbearance or compromise that might be granted or given by Hyatt to Franchisee or Guarantor.

(iii) the insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of Franchisee, Guarantor or any other party at any time liable for the payment or performance of all or part of the Guaranteed Obligations; or any dissolution of Franchisee or Guarantor, or any sale, lease or transfer of any or all of the assets of Franchisee or Guarantor, or any changes in the direct or indirect owners of Franchisee or Guarantor; or any reorganization of Franchisee or Guarantor.

7. **Representations**. Guarantor represents and warrants to Hyatt that (a) if it is a business entity, it is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation, and its execution and delivery of this Guaranty have been duly authorized by all necessary company action; and (b) the undersigned's execution and delivery of, and performance under, this Guaranty do not and will not violate or result in a breach or default

under any applicable law or any agreement to which the undersigned is a party or by which it is bound, and does not require the consent of any third party that has not been obtained.

8. **Expenses.** If Hyatt is required to enforce this Guaranty in a judicial or arbitration proceeding and prevails in such proceeding, Guarantor shall reimburse Hyatt for Hyatt's costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Hyatt is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse Hyatt for any of the above-listed costs and expenses Hyatt incurs even if Hyatt does not commence a judicial or arbitration proceeding.

It is the intention of Franchisee and Guarantor that Guarantor's obligations hereunder shall not be discharged except by Guarantor's performance of such obligations and then only to the extent of such performance.

CONFIDENTIALITY AGREEMENT

This CONFIDENTIALITY AGREEMENT (this “Agreement”) is made as of this _____ day of _____, _____, by and between _____, a[n] _____, whose address is _____ (“Company”) and HYATT FRANCHISING, L.L.C., a Delaware limited liability company, whose address is 150 North Riverside Plaza, Chicago, Illinois 60606 (“Hyatt”). Hyatt and/or Company may each also be referred to herein as a “party” or collectively as the “parties” and a party which is disclosing Confidential Information may be referred to herein as the “disclosing party” and the party which is receiving Confidential Information may be referred to herein as the “receiving party.”

RECITALS

A. Company and Hyatt are discussing mutual business opportunities relating to the possible transaction (the “Transaction”) with respect to the property commonly known as _____ (the “Property”) and the hotel business conducted thereon (the “Business”) and Company and Hyatt desire to share certain Confidential Information (as defined herein) with each other, subject to the terms contained herein.

B. Hyatt and Company wish to enter into this Agreement to confirm that the Confidential Information will be treated as confidential in accordance with the terms of this Agreement, and to provide the parties hereto with certain rights and remedies in connection with the violation of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Confidential Information. “Confidential Information” shall mean the information provided by either party to the other with respect to the Property and Business including, but not limited to, the following: (a) management and operational information, forecasts, and projections; (b) financing information; (c) proprietary know-how, data, documents, designs, photographs, plans, graphs, drawings, specifications, pro forma models, reports, contracts, customer lists, pricing information, studies, findings, and other ideas; (d) entity information relating to the disclosing party including, without limitation, any joint venture agreement, limited liability company agreement or similar arrangements; (e) documents relating to real property interests including, but not limited to, environmental reports and audits; (f) information that should be treated as confidential under the circumstances surrounding its disclosure, including without limitation, proprietary information of Hyatt; (g) any information of Hyatt clearly identified as a “Hyatt Trade Secret”; and (h) any discussion between Hyatt and the Company with respect to any of the foregoing, the Property, the Business, the possible business relationship, and this Agreement in general, including without limitation, the fact that any such discussions are taking place or any business relationship is being discussed, and the content and terms thereof.

2. Exclusions. The term Confidential Information does not include information which (A) was or becomes generally available to the public other than as a result, directly or indirectly, of any disclosure by the receiving party hereunder, or (B) was or becomes available to the receiving party on a non-confidential basis from a source other than the disclosing party or its employees, agent or representatives, provided that such source is not, to the receiving party’s knowledge, bound by a confidentiality agreement or otherwise prohibited from transmitting the information to the receiving party by contractual, legal or fiduciary obligations, (C) was within the possession of the receiving party prior to its being furnished to the receiving party by the disclosing party, or (D) information which is incorporated into analyses, studies or internal reports, provided, however, such information, studies, analyses or reports shall be kept confidential in accordance with the receiving party’s policies and procedures it uses to protect and safeguard its own client confidential information.

3. Covenants Regarding Confidential Information. The receiving party shall hold all Confidential Information received in confidence and take all necessary steps to keep the Confidential Information confidential with its then current protocols in order to maintain the confidential nature of the Confidential Information in accordance with the terms hereof. The receiving party may only use Confidential Information for evaluation purposes with respect to the Property and the Business in relationship to the Transaction and may not disclose the Confidential Information to any third party other than to its affiliates, related companies, partners, employees, directors, officers, legal counsel, accountants, prospective lenders, consultants, advisors, principals, and existing investors (collectively, the “Representatives”) who have a need to know Confidential Information, provided that the party which shares the Confidential Information with its Representatives shall inform all such Representatives to maintain the confidentiality of the Confidential Information. Receiving party shall be liable for a breach of this Agreement by its Representatives; provided, however, the receiving party shall not be responsible for any breach of this Agreement by a Representative that has executed a separate confidentiality agreement with the disclosing party with respect to the Transaction.

4. Ownership of Confidential Information. All Confidential Information disclosed by a disclosing party, directly or indirectly, shall remain the exclusive property of such party. Further, the disclosing party does not grant any license or rights to any Confidential Information, trademark, trade name or trade secret to the other party.

5. No Representation or Warranty. The disclosing party does not (a) make any guarantee, warranty or representation whatsoever, expressed or implied, as to the accuracy or completeness of the Confidential Information, and (b) have any liability whatsoever to the receiving party relating to or resulting from the use of the Confidential Information or any errors therein or omissions therefrom. The receiving party agrees that it is not entitled to rely on the accuracy or completeness of any Confidential Information.

6. Destruction of Confidential Information by Company. Each of the parties shall immediately destroy all Confidential Information and all copies or summaries of Confidential Information at the earlier of (a) the termination of discussions between Company and Hyatt regarding the Project or (b) on the written request of the disclosing party. Notwithstanding the foregoing, receiving party and its Representatives may retain one copy of Confidential Information as may be required by (i) law, regulation or legal process, (ii) internal compliance or document retention policies, or (iii) with respect to digital media, such return or destruction is not practically feasible. Any Confidential Information so retained shall kept confidential in accordance with such party’s policies and procedures it uses to protect and safeguard its own client confidential information. The receiving party shall also provide to the disclosing party a certification executed by a duly authorized officer who has supervised compliance with the foregoing indicating that the requirements of this provision have been satisfied in full.

7. Term. Except as otherwise set forth herein, the obligations set forth in this Agreement shall terminate upon the execution of definitive agreements between the parties with respect to the Transaction or two (2) years from the date of this Agreement, whichever occurs first; *provided, however*, that notwithstanding the termination of this Agreement, the confidentiality obligations of the Company with respect to a Hyatt Trade Secret shall continue until the later of (i) five (5) years from the date of this Agreement, and (ii) until such time that Hyatt has provided notice that the Hyatt Trade Secret is no longer deemed by Hyatt to be a trade secret.

8. Indemnity. Company acknowledges and agrees that it presented the Property and Business to Hyatt and initiated all discussions with Hyatt surrounding the Property and Business. Company agrees to indemnify, defend and hold harmless Hyatt for, from and against any and all Claims. For purposes of this Agreement, “Claims” shall mean any and all claims, demands, actions, penalties, suits and liabilities, in connection with, arising from, or for any reason related to (i) negotiations relating to the Property or Business in violation of any existing management or similar agreement relating to the branding, operation or use of the Property (the “Existing Agreements”) and/or (ii) the termination of the Existing Agreements, as a result of any such negotiations.]

9. Remedies and Waiver. The parties hereby acknowledge the importance of complying with the provisions of this Agreement. Therefore, the parties agree that money damages, which the parties agree would be substantial, would not be a sufficient remedy for any breach of this Agreement, and a party shall be entitled, in addition to money damages, to specific performance and injunctive relief and any other appropriate equitable remedies for any such breach. The party at fault agrees not to oppose the granting of equitable relief on grounds that damages are sufficient, and agrees not to require that the other party prove that damages are insufficient in order to obtain equitable relief or the posting of a bond. The party at fault agrees to waive, and to cause its Representatives to waive, any requirement for the securing or posting of any bond in connection with such remedy. Such remedies shall not be deemed to be the exclusive remedies for a breach of this Agreement, but shall be in addition to all other remedies available at law or in equity to a party. **THE PARTIES WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY SUCH DISPUTE.** The prevailing party in any dispute regarding the enforcement of this Agreement shall be entitled to reasonable legal fees and expenses, which such prevailing party incurred in connection with such enforcement.

10. Compulsion by Law. If a receiving party is requested or required (by oral questions, interrogations, requests for information or documents, subpoena, civil investigative demand or similar process) to disclose any Confidential Information, the receiving party shall, to the extent legally permissible, provide the disclosing party with immediate notice of such request(s) so that the disclosing party may seek an appropriate protective order and/or waive compliance with the provisions of this Agreement. The receiving party agrees to cooperate with the disclosing party, at the disclosing party's expense, in obtaining such a protective order. If the receiving party does not obtain such protective order or other remedy, the receiving party agrees to furnish only that portion of the Confidential Information which, in the opinion of the receiving party's counsel, the receiving party is legally compelled to disclose and the receiving party agrees to use its reasonable efforts to obtain assurance that, to the extent possible, confidential treatment will be accorded the Confidential Information.

11. Relationship. Nothing herein contained shall be construed to create an agency, joint venture, partnership or other form of business association between Hyatt, Company, and their respective affiliates, related companies, partners, employees, directors, officers, legal counsel, consultants or accountants hereto. By receiving the Confidential Information, neither party nor their respective officers, directors, employees, agents, prospective lenders, consultants, or principals are under any obligation to negotiate in respect of a transaction with respect to the Property or Business, the parties will not be bound by any verbal agreement, and either party may terminate at any time discussions with the other party, its officers, directors, employees, agents, prospective lenders or principals, at its sole and absolute discretion.

12. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which, when taken together, shall be deemed one agreement, but no counterpart shall be binding unless an identical counterpart shall have been executed and delivered by each of the other parties hereto. Documents executed, scanned and transmitted electronically in PDF format and/or electronic signatures shall be deemed original signatures for purposes of this Agreement and all matters related thereto, with such scanned and electronic signatures having the same legal effect as original signatures.

CENTRAL HOTEL SERVICES BY HYATT TERMS AND CONDITIONS

CENTRAL HOTEL SERVICES BY HYATT
TERMS AND CONDITIONS

THESE CENTRAL HOTEL SERVICES TERMS (these “**Terms**”) govern Schedules for Programs (both as later defined) by and between the contracting entity enrolling into such Programs pursuant to any such Schedule (“**Hotel**”) and Hyatt Corporation or its affiliate (“**Hyatt**”). In the event of a conflict between a Schedule and these Terms, these Terms shall prevail. Hotel and Hyatt shall each be considered a “party” and collectively the “parties.”

1. Scope of Terms; Term and Termination.

- a. Hotel owns or manages a property set forth on a specific Schedule (“**Property**”), and such Property is operated pursuant to either a management or a franchise agreement between the owner of the Property (“**Owner**”) on the one hand, and Hyatt or its affiliate on the other (as the applicable agreement may be amended, “**Applicable Agreement**”). Hotel has requested that Hyatt provide certain Services, as defined below, to the Property, pursuant to one or more of the following programs offered by Hyatt to Hyatt branded and affiliated hotels: the Field Marketing Program, the Central Sales Services Program, the Revenue Management Services Program, the Global Property Guest Services Program, the Digital Ancillary Services Program, the Hyatt Studios or Hyatt Select Services Program, or any similar program offered by Hyatt in the future (each individually, a “**Program**” and collectively, the “**Programs**”).
- b. Any Services provided pursuant to a Schedule to these Terms shall commence as of the effective date(s) set forth therein (“**Service Effective Date**”) and shall continue until expiration or termination of such Schedule, or the sooner expiration of the Applicable Agreement, subject to subsection 1.c(i) below.
- c. Schedule Termination.
 - i. All Schedules by and between Hotel and Hyatt shall automatically terminate if the Applicable Agreement expires or is terminated and Property does not remain subject to a franchise agreement, management agreement, or hotel services agreement with Hyatt or its affiliate such that the Property continues to operate under a Hyatt brand or Hyatt affiliation immediately following such termination.
 - ii. If either party commits a material breach of any provision of these Terms or an applicable Schedule and has failed to cure such breach within ten (10) days of receiving written notice, the other party may terminate the applicable Schedule (in the case of breach of such schedule) or all Schedules (in the case of breach of these Terms) immediately upon written notice.
 - iii. Schedules, subject to the terms of these Terms, may be terminated in accordance with such Schedule’s terms.

Upon termination of this Agreement, Hotel shall remit to Hyatt payment for Services rendered through the effective date of termination pursuant to any applicable Schedule.

2. Services.

In exchange for payment of the Fees described in these Terms, Hyatt (or any authorized designee) shall provide Property with certain “**Services**”, as more specifically outlined in any of the Field Marketing Schedule, Central Sales Services Schedule, Revenue Management Services Schedule, Global Property Guest Services Schedule, Digital Ancillary Services Schedule, Hyatt Studios or Hyatt Select Services Schedule, or schedule for any similar program offered by Hyatt in the future attached hereto (each individually, a “**Schedule**”, and collectively the “**Schedules**”), and any and all Services provided by

CENTRAL HOTEL SERVICES BY HYATT
TERMS AND CONDITIONS

Hyatt under these Terms shall be set forth in such a written Schedule referencing these Terms. Hyatt may update the Services and related prices attached to any Schedule at any time by providing Property an updated Schedule (“**Updated Services Schedule**”), which may be provided electronically via email or by posting to any intranet for Hyatt branded or affiliated hotels. If hotel does not agree with such Updated Services Schedule, Hotel may exercise its termination rights in accordance with the terms of its current applicable Schedule. For the avoidance of doubt, an Updated Services Schedule shall have no EFFECT on any Services or Schedules provided under this Agreement other than the Services referenced in the Updated Services Schedule. Notwithstanding the forgoing, Hotel understands and acknowledges that the Fees and Services are typically updated annually, and the initial Schedules attached hereto may not reflect Hyatt’s current pricing or exact service benefits on the Service Effective Date. Hotel agrees to be responsible for the Fees set forth on Hyatt’s then-current applicable Schedules as of the Service Effective Date, and any subsequently updated Fees as listed on an Updated Services Schedule. Notwithstanding Hyatt’s provision of the Services, Hotel is solely responsible for all decisions relating to the field marketing, sales, revenue management, merchandising and other aspects of the day-to-day control of a Properties operations. Hyatt reserves the right to suspend Services under any applicable Schedule if Hotel has failed to timely pay or perform any of its obligations under this Agreement or any applicable Schedule for so long as Hotel’s failure to pay or perform continues.

3. Personnel.

Services may be rendered by an employee or subcontractor of Contractor or its affiliate who (a) is not solely dedicated to the Property and may perform similar services for other Hotels; (b) may perform Services at the Property or off-site; and (c) will conform to the reasonable rules and regulations of the Property when on Property premises.

4. Fees.

In consideration of the Services, Hotel agrees to pay Hyatt the fees at the rates set forth in the applicable Schedule(s), or the then-current Updated Services Schedule, as applicable (“**Fees**”). Hyatt hereby discloses that fees set forth in any Schedule or an Updated Services Schedule may include a profit component, not to exceed a competitive amount. All amounts invoiced by Hyatt or its affiliates pursuant to these Terms shall be payable on a “net” basis. Without limiting the generality of the foregoing, if under applicable laws, Hotel is required to withhold or Hyatt is required to pay any taxes and/or levies assessed by any third party on Hyatt or any of its affiliates as a recipient, including, but not limited to, sales taxes and withholding tax, and also any similar taxes that can replace or append the existing taxes, the amount payable to Hyatt and/or its affiliates by Hotel shall be increased in such a manner that the net amount received after withholding or payment of all such taxes or levies shall be equal to the amount which Hyatt and/or its affiliates would have otherwise been entitled to invoice under these Terms in the absence of any such taxes, levies or deductions.

5. Feedback.

If Hotel provides Hyatt with information, ideas, or feedback regarding the Services (“**Feedback**”), Hotel hereby grants Hyatt a perpetual, irrevocable, royalty-free, worldwide, sublicensable and transferrable right and license to use, reproduce, disclose, distribute, modify and otherwise exploit such Feedback without restriction.

6. Confidentiality.

a. Each party (a “**Receiving Party**”) acknowledges that it and its employees, subcontractors or agents may, in the course of satisfying its obligations hereunder, be exposed to or acquire information that is proprietary to or confidential to the other party (a “**Disclosing Party**”). Any and all confidential information of any form obtained by a Receiving Party or its employees, subcontractors or agents

in the performance of the Services or the satisfaction of such party's obligations hereunder, including but not limited to the financial terms of an applicable Schedule, product and business plans, unpublished financial information, trade secrets, know-how and information regarding processes, information regarding customers, information concerning both successful and unsuccessful tests and ideas and technologies, and any reports, materials, program materials, software, flowcharts, notes, outlines and the like, used, created or developed by Hyatt or its affiliates in connection herewith ("**Work Product**") shall be deemed to be the confidential and proprietary information ("**Confidential Information**") of the Disclosing Party. The Receiving Party agrees (i) to hold all Confidential Information in strict confidence; (ii) to disclose Confidential Information only to employees of the Receiving Party who have a need to know such Confidential Information and who are advised to hold such Confidential Information in strict confidence; and (iii) not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose such Confidential Information to third parties, or to use such Confidential Information for any purposes whatsoever other than in connection with the Receiving Party's performance under these Terms. Notwithstanding anything in these Terms, the Receiving Party shall not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose the Disclosing Party's Confidential Information to a competitor of the Disclosing Party without the prior written consent of the Disclosing Party. In addition, Hotel acknowledges it does not have right, title, interest or copyright in any Work Product or Contractor Confidential Information, nor any license to use, sell, exploit, copy or further develop such Work Product or Confidential Information.

- b. Re: Franchise Agreement dated as of _____ (the “**Franchise Agreement**”), by and between Choose an item., L.L.C., a Choose an item. limited liability company (“**Hyatt**”), and _____, a _____ (“**Franchisee**”).

Dear Sir or Madam:

Reference is made to the Franchise Agreement pursuant to which Franchisee operates or will operate the Choose an item. Hotel located at [Hotel Address] (the “**Hotel**”). The arrangement represented by the Franchise Agreement is called the “Franchise.” Franchisee has represented that (1) Franchisee and [Lender Name] (“**Lender**”) have entered into, or are about to enter into, a loan agreement pursuant to which the Hotel will secure certain indebtedness owed by Franchisee to Lender, which indebtedness will be evidenced by a promissory note made by Franchisee in favor of Lender (together with the other loan documents evidencing or securing such indebtedness, as amended, restated or otherwise modified from time to time, the “**Loan Documents**”) and (2) that the loan proceeds will be used for the direct benefit of the Hotel. Franchisee and Lender have requested that Hyatt enter into this letter agreement (this “**Comfort Letter**”). Franchisee or Lender shall pay to Hyatt a fee in the amount of Two Thousand Five Hundred Dollars (\$2,500) in connection with this Comfort Letter, prior to or simultaneous with its execution. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Franchise Agreement.

Hyatt, Franchisee, and Lender agree as follows:

1. While Lender has a valid first mortgage on the Hotel during the term of the Franchise Agreement, Hyatt agrees to use commercially reasonable efforts to (a) give Lender thirty (30) days prior written notice of any voluntary surrender by Franchisee of the Franchise (to the extent that Hyatt is aware in advance of any such voluntary surrender) and (b) furnish Lender with copies of default notices sent by Hyatt to Franchisee. In the event of a default by Franchisee under the Franchise Agreement Hyatt shall allow Lender thirty (30) days from the date of any such notice to cure or cause to be cured the default(s) specified in such notice. If such default is of a non-

monetary nature and cannot be cured within said thirty (30) day period by reason of the time necessary for Lender to exercise its rights and remedies pursuant to the Loan Documents or applicable law, then Lender shall have such additional period of time, as is reasonably necessary to complete the exercise of its rights and remedies, provided that Lender proceeds with and continues to cure such non-monetary default and exercise of remedies with due diligence, but in no event shall such period exceed one hundred and eighty (180) days following notice to Lender. Notwithstanding any of the foregoing, in the event of a health or life safety default, the cure period shall be three (3) days. In addition, Lender does not have the ability to cure the following defaults by Franchisee: bankruptcy, assignment for the benefit of creditors, appointment of a receiver, breach of restrictions on Control Transfers, or breach of Trade Restriction Laws, but foreclosure of Lender's mortgage by Lender shall constitute curing of such defaults solely for the purpose of this Comfort Letter and commencement of foreclosure proceedings shall constitute commencement of cure solely for the purpose of this Comfort Letter; provided, however, if Lender petitions for the appointment of a receiver, Lender (y) shall not, during the term of the receivership, consent to a sale or transfer of the Hotel to a third party unless Hyatt has approved the transferee in accordance with Section 12.4 of the Franchise Agreement and (z) any receiver must be authorized to operate the Hotel in accordance with the Franchise Agreement and meet Hyatt's reasonable requirements for operators of Hyatt-affiliated hotels. For the avoidance of doubt, Lender is not required to cure any default by Franchisee under the Franchise Agreement except as set forth below in connection with an Acquisition.

2. Lender acknowledges and agrees that if Lender should acquire the Hotel through foreclosure, conveyance in lieu of foreclosure, or any similar transaction (an "**Acquisition**") while the Franchise Agreement is in full force and effect, it shall become obligated to perform under the Franchise Agreement as the franchisee. In order to effectuate such obligation, within thirty (30) days following such Acquisition and in any event prior to any subsequent sale of the Hotel by Lender, Hyatt and Lender shall, at Hyatt's option, either (a) sign an assignment and assumption agreement in a form that Hyatt reasonably specifies under which Lender shall take an assignment of and assume all of Franchisee's rights and obligations under the Franchise Agreement, or (b) enter into a new franchise agreement to operate the Hotel for a term equal to Franchisee's remaining term of the Franchise Agreement in accordance with Hyatt's then prevailing standards, rates, requirements, and terms; provided however that in either event (i) Lender shall not be charged any Application Fee (as same is described in Hyatt's then current Franchise Disclosure Document for prospective franchisees); (ii) Lender shall not be required to perform a renovation or upgrading of the Hotel (although Lender will be required to cure any quality deficiencies as shown on the most current quality inspection report and shall be subject to ongoing renovation or upgrading requirements that may be required by Hyatt in accordance with the Franchise Agreement, including but not limited to standard cycle renovations); (iii) Lender shall have no personal responsibility for the payment of liquidated damages or termination fees which Franchisee may be obligated to pay under the terms of the Franchise Agreement solely as a result of the Acquisition; (iv) Lender shall agree to cure any existing defaults under the Franchise

Agreement by Franchisee within the times specified by Hyatt and bring current all payments due and owing to Hyatt and its affiliated companies, except for any amounts specifically excluded under this Section 2; (v) Lender shall assume the obligation to repay Hyatt unamortized “key money,” if any, as described in the Franchise Agreement, although any such amounts shall (if applicable) continue to amortize in the manner set forth in the Franchise Agreement; and (vi) as soon as is practicable but in no event later than thirty (30) days following such Acquisition, Lender shall appoint an agent or management company to operate the Hotel and such agent or management company must (x) be approved in writing by Hyatt; (y) meet Hyatt’s then current requirements for such agents or management companies, including by signing such agreements and other documents as Hyatt periodically specifies; and (z) cause the Hotel’s general manager and other personnel (if different from the Hotel personnel in place prior to the Acquisition) to complete Hyatt’s then current training requirements in accordance with the Franchise Agreement.

Notwithstanding the foregoing, Hyatt acknowledges and agrees that an Acquisition by Lender shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement, and Lender acknowledges and agrees that Hyatt may refuse to enter into a franchise agreement with Lender pursuant to this Section 2 if Lender fails to comply with the requirements of Section 3 below within the times provided therein or if Lender is a Competing Brand Owner or Hyatt is prohibited from transacting with Lender under any Trade Restriction Law, in which case Hyatt shall provide notice to Lender of such refusal and of the termination of the Franchise Agreement as a result.

3. Lender agrees:

(a) to provide Hyatt with written notice at least twenty (20) days in advance of: (i) the commencement of any proceedings by Lender regarding an Acquisition of the Hotel; (ii) the petition by Lender for appointment of a receiver, or to obtain the entry of an order for relief or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) the acceptance by Lender of a conveyance of the Hotel in lieu of foreclosure; or (iv) Lender taking ownership or possession of the Hotel in any manner; and

(b) to notify Hyatt in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws, within thirty (30) days after Lender’s notice of commencement of such proceedings.

4. Except as set forth in paragraphs 5 and 6 below, this Comfort Letter and the rights hereunder are not assignable by Lender or Franchisee, and neither Lender nor Franchisee has any right or authority to sell, transfer, or assign, or in any manner convey to any third party the Franchise Agreement or any rights under this Comfort Letter, except as provided in the Franchise Agreement. If a third party should become the owner of the Hotel, that third party may apply to

Hyatt for a new franchise to operate the Hotel, and such application shall be considered in accordance with the same standards by Hyatt with respect to other franchise applications unless otherwise required by law.

5. Lender may assign the Comfort Letter to any subsequent holder or holders of all or any portion of the Loan Documents (the “**Assignee**”) without Hyatt’s consent; provided that the Assignee (a) is a commercial bank, investment bank, pension fund, finance company, insurance company, trustee in a securitization or other financial company, or other financial institution or such other type of established organization (so long as such established organization is not a Competing Brand Owner or does not exclusively lend to a Competing Brand Owner) primarily engaged in the business of making or holding loans and any fund or trust managed or serviced by any of the foregoing and (b) does not own, directly or indirectly, any equity interest in Franchisee or its constituent owners; provided further that upon the sale or transfer of the Loan Documents, Lender pays to Hyatt a processing charge of \$7,500 and that promptly upon the sale or transfer of the Loan Documents to the Assignee, Lender, Assignee, and Franchisee shall execute and deliver to Hyatt an assignment and assumption agreement of this Comfort Letter (the “**Assignment**”), and provided further that, in the event there is more than one Assignee, such Assignees shall have (y) designated one representative to receive notices, negotiate on behalf of and bind each such Assignee in connection with this Comfort Letter and any Assignment thereof, and (z) acknowledged that Hyatt shall be entitled to rely on such designation and deal solely with such representative without the necessity of notifying, negotiating with, or obtaining the consent of, each such Assignee.

6. The rights and obligations which accrue to Lender under this Comfort Letter upon an Acquisition shall also accrue to any wholly-owned subsidiary or commonly controlled affiliate of Lender that takes title to the premises by Acquisition, and Lender guarantees all obligations to Hyatt of such subsidiary. For avoidance of doubt, Lender’s obligations under this Comfort Letter shall also apply to and bind any designee of Lender who acquires the Hotel or its premises through an Acquisition.

7. All notices required under this Comfort Letter shall be in writing, sent by certified mail, return receipt requested, or by Federal Express or other express service and addressed, if to Lender, to [Lender Address], Attention: [Lender Contact Name], if to Hyatt, to Hyatt Choose an item., L.L.C., 150 North Riverside Plaza, Chicago, Illinois 60606, with a copy via e-mail to office.of.general.counsel@hyatt.com, and if to Franchisee, [Franchisee Address], Attention: [Franchisee Contact Name]. Any notice sent pursuant to this Comfort Letter shall be deemed to be given three (3) days after mailing or on the day of delivery by hand.

8. By its signature below, Franchisee acknowledges that this Comfort Letter was provided to Lender at Franchisee’s request and in consideration thereof, Franchisee hereby (i) releases Lender and Hyatt, as well as each of their respective subsidiaries, parents, divisions,

successors, assigns, heirs and representatives, including but not limited to their respective employees, agents, officers, directors and owners, of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, whether known or unknown, arising from the exercise by Lender or Hyatt (as applicable) of any of the rights granted hereunder and the recognition and compliance with such exercise by Hyatt or Lender (as applicable) and (ii) agrees that Hyatt may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, or any matter to which Lender or Hyatt is entitled to notice under the terms of this Comfort Letter or the Franchise Agreement.

9. The provisions of this Comfort Letter are not intended to, and do not in any way, alter, modify or amend the Franchise Agreement as between Hyatt and Franchisee.

10. It is further acknowledged and agreed that Hyatt shall be entitled to rely upon any written notice or request by Lender made pursuant to the provisions hereof without requirement of necessitating the accuracy or authenticity of such written notice or any facts or allegations contained therein. Lender shall notify Hyatt promptly upon the satisfaction or cancellation of Lender's mortgage on the Hotel.

11. Lender's rights under this Comfort Letter shall terminate if Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors have entered into or are subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency.

12. This Comfort Letter may be executed in multiple counterparts and by .pdf or facsimile transmission, each of which shall constitute an original and all of which taken together shall constitute one and the same instrument. An executed copy will be returned to both Lender and Franchisee.
