What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit P.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

The Franchisor and any Parents, Predecessors, and Affiliates

The Franchisor is McDonald's USA, LLC, which will be referred to in this disclosure document as "McDonald's", "we", "us" or "our". A person who buys a franchise from McDonald's will be referred to in this disclosure document as "you".

We are a Delaware limited liability company. Our principal place of business is 110 N. Carpenter Street, Chicago, Illinois, 60607. We currently do business under the name of McDonald's USA, LLC. Our agents for service of process are disclosed in Exhibit O. We are a wholly-owned subsidiary of our parent and predecessor, McDonald's Corporation, a Delaware corporation. Our predecessor's principal place of business is 110 N. Carpenter Street, Chicago, Illinois, 60607. Our predecessor currently does not offer franchises. Neither we nor our predecessor have ever offered franchises in any other line of business.

We have domestic affiliates and international affiliates. Some of our international affiliates offer McDonald's franchises outside of the United States. None of them have offered franchises in any other line of business. These international affiliates are disclosed in Exhibit Q.

We develop, operate, franchise, and service a system of restaurants that prepare, assemble, package, and sell a limited menu of value-priced foods under the McDonald's System in the U.S. The "McDonald's System" is a concept of restaurant operations that includes, among other things, certain rights in trademarks, manuals, and other confidential business information; operational, real estate, and marketing information; and the expertise and continuing information that we provide. All McDonald's restaurant businesses in the U.S. are operated under franchise agreements and are owned by franchisees who are independent third parties or by our wholly-owned subsidiaries ("McOpCo companies"). Currently, about 95% of all U.S. restaurants are franchised to independent franchisees and about 5% are franchised to McOpCo companies.

McDonald's restaurants offer the public a high standard of quality and uniformity in food, service, and decor. McDonald's restaurants are located in freestanding buildings, storefronts, food courts, and other locations that are appropriate to McDonald's image. A grant of a McDonald's franchise authorizes you to operate a McDonald's restaurant business at a specific location and to use the McDonald's System in the operation of that restaurant business for a specific period of time, usually 20 years. We also grant franchises for McDonald's restaurant businesses located in retail stores such as Walmart. We call these satellite ("Satellite") locations. McDonald's restaurants located in strip centers, airports, universities, shopping malls, hospitals, and other diverse locations may also be Satellites. Satellites may serve a scaled-down menu of a traditional McDonald's restaurant and, in some cases, will also serve non-McDonald's trademarked products. The term of the franchise for a Satellite depends on its location.

Some McDonald's restaurants that are located in fuel station/convenience store facilities are called small town oil ("STO") locations. STOs are full-menu restaurants that share building space with a convenience store and have a fuel station located outside of the building. At each STO, the fuel station/convenience store typically will be associated with a national or regional branded chain. Some McDonald's restaurants that anchor a small retail center in rural communities are called small town retail ("STR") locations. STOs and STRs are not Satellites. The term of the franchise for STOs and STRs is usually 10 years.

In certain limited cases, we may also grant franchises with leases that include the business facilities. We call these Business Facilities Lease ("BFL") franchises. A BFL is a special arrangement that we may offer when certain economic and other factors exist. The term of a BFL is usually 3 years. Under a BFL, you may have a conditional option to purchase certain restaurant assets after the first year and extend the franchise for up to 20 years after the beginning of the term. In this disclosure document, the word "restaurant" refers to each McDonald's restaurant business location generally, regardless of whether it is franchised as a traditional restaurant, Satellite, STO, STR, or BFL (unless otherwise provided).

All franchisees who operate a restaurant, whether a traditional, Satellite, STO, STR, or BFL location, will sign the applicable form of our standard franchise agreement attached as Exhibits B, C, and D (collectively "Franchise Agreement").

In 1955, our predecessor, McDonald’s Corporation, began granting franchises to individuals for the operation of McDonald’s restaurants. In 1960, our predecessor began forming and granting franchises to McOpCo companies for the operation of McDonald’s restaurants. In 2004, our predecessor formed us as a subsidiary and in 2005, as part of a global company alignment, transferred to us a majority of the assets used in its U.S. business, including its interests in the McOpCo companies and the franchises for McDonald’s restaurants in the U.S. In 2007, restaurants in Puerto Rico and the Virgin Islands operated by McOpCo companies were sold to, and a master franchise to offer and sell franchises in Puerto Rico and the Virgin Islands was granted to, LatAm, LLC, a Delaware limited liability company, which is not an affiliate of McDonald’s.

As a franchisee, you should not have any expectation that the economic and demographic factors that exist at your McDonald’s restaurant location will remain constant. In addition, other McDonald’s restaurants (including those that we develop in the future) may have an effect on the sales of your McDonald’s restaurant, since customers typically patronize various McDonald’s restaurants depending on their travel patterns and other factors. You also will be competing with other restaurants, food service businesses and convenience stores that offer the same types of products that you do. These restaurants, food service businesses and convenience stores may be associated with national or regional chains (whether or not franchised) or may be local, single restaurant locations. You will compete with other restaurants, food service businesses and convenience stores that feature products different from those in a McDonald’s restaurant. In certain STOs, the fuel station/convenience store operators will have the right to sell fountain drinks and hot beverages in the convenience store located within the same building as the McDonald’s restaurant. Your products and services will be offered primarily to individual consumers for on-site or off-site consumption. The market for the products you will offer is developed in some areas and still developing in other areas, depending on the number of restaurants of this type operating in each particular area.

You will be required to comply with all local, state, and federal laws, including health and sanitation laws and menu-labeling requirements that apply to restaurant operations. There are other laws that apply generally to all businesses, including, but not limited to, the Americans with Disabilities Act, and we encourage you to make further inquiries about these laws.

Item 3 Litigation

Pending Cases

~~Leinani Deslandes, et al. v. McDonald’s USA, LLC, and McDonald’s Corporation and Does 1-10 (Case No. 1:17-cv-04857). On June 28, 2017, plaintiff, a former franchisee employee, filed a complaint against us and our predecessor in the U.S. District Court, Northern District of Illinois, Eastern Division, alleging that a provision of McDonald’s franchise agreement unlawfully prohibited her from obtaining a position at a nearby franchise that would have paid her more money and, as a consequence, she suffered reduced wages, loss of professional growth opportunities and illegal working conditions. Plaintiff asserts we and our predecessor engaged in unlawful contracts and unfair competition in violation of the Sherman Antitrust Act, the Illinois Antitrust Act, and the Illinois Consumer Fraud and Deceptive Business Practices Act. Plaintiff seeks class certification, damages, restitution, attorneys’ fees, costs and expenses and a permanent injunction enjoining McDonald’s from enforcing the franchise agreement provision at issue in the complaint. On September 18, 2017, plaintiff filed an amended complaint. On October 2, 2017, McDonald’s filed a motion to dismiss plaintiff’s amended complaint, and on June 25, 2018 the court denied that motion. On June 28, 2022, the court granted our motion for judgment on the pleadings, entering judgment in McDonald’s favor. On July 27, 2022, plaintiff filed an appeal. On August 25, 2023, the United States Court of Appeals for the Seventh Circuit reversed the district court’s ruling and remanded the case back to the district court for further proceedings. On November 21, 2023, we and our predecessor asked the United States Supreme Court to review and reverse the appellate court’s decision, which the Supreme Court denied. The case has returned to the district court for further proceedings. We and our predecessor intend to defend our interests vigorously in this case.~~

~~Stephanie Turner v. McDonald’s USA, LLC and McDonald’s Corporation (Case No. 1:19-cv-05524). On August 15, 2019, plaintiff, who worked in corporate owned and franchisee owned restaurants, filed a complaint against us and our predecessor in the U.S. District Court, Northern District of Illinois, Eastern Division. Her complaint alleges that a provision of McDonald’s franchise agreement unlawfully prohibited her from obtaining a position at other McDonald’s brand restaurants that would have paid her more money and, as a consequence, she suffered reduced wages, loss of professional growth opportunities and illegal working conditions. Plaintiff asserts that we and our predecessor engaged in unlawful contracts and unfair competition in violation of the Sherman Antitrust Act. On October 15, 2019, we moved to dismiss plaintiff’s claims, and on April 24, 2020, the court denied that motion. On June 28, 2022, the court granted our motion for judgment on the pleadings, entering judgment in McDonald’s favor. On July 27, 2022, plaintiff filed an appeal. On August 25, 2023, the United States Court of Appeals for the Seventh Circuit reversed the district court’s ruling and remanded the case back to the district court for further proceedings. On November 21, 2023, we and our predecessor asked the United States Supreme Court to review and reverse the appellate court’s decision, which the Supreme Court denied. The case has returned to the district court for further proceedings. We and our predecessor intend to defend our interests vigorously in this case.~~

Christine Crawford, et al. v. McDonald’s USA, LLC and McDonald’s Corporation (Case No. 1:20-cv-05132). On August 31, 2020, plaintiffs, seventy-seven former franchisees, filed a complaint against us and our predecessor in the U.S. District Court, Northern District of Illinois, Eastern Division. Their complaint alleges that we and our predecessor discriminated against Black franchisees on the basis of their race. Plaintiffs claim that their allegations constitute bad faith breach of their franchise agreements, fraudulent inducement and fraudulent

omission, and violate federal civil rights laws. Plaintiffs seek declaratory relief, compensatory and punitive damages, and attorneys' fees and costs. On October 23, 2020, we and our predecessor moved to dismiss plaintiffs' claims. On November 16, 2020, plaintiffs filed an amended complaint which added twenty-eight former franchisees and deleted three former franchisees, bringing the total number of plaintiffs to seventy-seven. On December 21, 2020, we and our predecessor moved to dismiss plaintiffs' amended complaint, which the court granted on September 28, 2022. The court allowed plaintiffs to file another amended complaint. Forty-eight of the plaintiffs retained new counsel, and the court severed those plaintiffs into a separate but related case. Both sets of plaintiffs filed amended complaints on December 16, 2022. On March 31, 2023, we and our predecessor moved to dismiss the second amended complaint. On June 12, 2023, the court ordered a complaint filed by another former franchisee, Mitch McPherson, that raised similar claims, to be transferred and identified as a related complaint (the "McPherson Complaint"). On June 5, 2023, we and our predecessor moved to dismiss the McPherson Complaint. We intend to defend our interests vigorously in this case.

~~Kytch, Inc. v. McDonald's Corporation (Case No. 1:22-cv-00279). On March 1, 2022, plaintiff filed a complaint against our predecessor in the U.S. District Court, District of Delaware. The complaint alleges that our predecessor engaged in false advertising, trade libel and deceptive trade practices by warning franchisees of safety concerns associated with a device designed to diagnose and repair ice cream machines that was developed by plaintiff. The complaint also alleges that our predecessor tortiously interfered with plaintiff's nondisclosure agreements by inducing franchisees to disclose certain information that plaintiff alleges was confidential. Plaintiff seeks injunctive relief, monetary damages, punitive damages, costs and attorneys' fees. On April 22, 2022, our predecessor moved to dismiss the complaint, which the court granted with respect to one of plaintiff's claims, but denied with respect to the others, on March 29, 2023. On April 24, 2023, the parties agreed to transfer the case to the U.S. District Court, Northern District of California. Our predecessor intends to defend its interests vigorously in this case.~~

George R. Michell, et al. v. McDonald's Corporation, McDonald's USA, LLC, et al. (Case No. 1:24-cv-03442). On May 9, 2024, plaintiff, a franchisee, filed a complaint against our predecessor, three of our officers, and us in the United States District Court for the Eastern District of New York. Plaintiff alleges that we targeted plaintiff to force him out of the McDonald's System because he is Hispanic, and that our actions violated the Connecticut Franchise Act, breached his franchise agreements, tortiously interfered with his relationship at an airport, and constitute discrimination and retaliation under federal antidiscrimination statutes. Plaintiff also alleges that we fraudulently induced him to reinvest in the restaurants he operated. On July 25, 2024, plaintiff moved for a preliminary injunction to prevent us from refranchising a restaurant to a new franchisee when the franchise term expires in January 2025. The court held an evidentiary hearing on September 25, 2024. The court dismissed plaintiff's motion as moot on January 21, 2025 after Plaintiff entered into a contract to sell the restaurant in dispute. On October 10, 2024, we, our predecessor, and our officers moved to dismiss the complaint in part and answered the remainder of the complaint. On the same day, we and our predecessor filed a counterclaim seeking a declaratory judgment that plaintiff is in breach of all his franchise agreements and that we have the right to terminate them. On November 1, 2024, Plaintiff filed an Amended Complaint that added a claim under the Connecticut Unfair Trade Practices Act. On December 6, 2024, we, our predecessor and our officers moved to dismiss the Amended Complaint. On September 22, 2025, the court partially dismissed the Amended Complaint and gave Plaintiff leave to amend certain counts. On December 19, 2025, Plaintiff filed a motion for leave to file an amended complaint adding factual allegations and new counts. We, our predecessor, and our officers intend to defend our interests vigorously in this case.

Tammy Williams v. McDonald's USA, LLC (Case No. 1:24-cv-11275). On October 31, 2024, plaintiff filed a complaint against us in the U.S. District Court, Northern District of Illinois, on behalf of herself and a purported class of nationwide McDonald's customers who were exposed to E. coli as a result of purchasing Quarter Pounder sandwiches from McDonald's. The plaintiff alleges that she purchased a Quarter Pounder sandwich from a McDonald's restaurant and became ill from exposure to E. coli as a result of eating that sandwich. Plaintiff also alleges that McDonald's misrepresented the safety of the sandwiches, failed to warn customers of the dangers of E. coli, and that McDonald's safety practices were inadequate. Plaintiff claims that McDonald's conduct violates the Illinois Consumer Fraud and Deceptive Trade Practices Act, and constitutes negligence and unjust enrichment. Plaintiff seeks certification of a nationwide class, restitution, compensatory and punitive damages and attorneys' fees and costs. On September 26, 2025, we moved to dismiss the complaint. The court denied our motion on March 13, 2026. We intend to defend our interests vigorously in this case.

Peter Le, et al. v. McDonald's Corporation (Case No 1:2-cv-15609). On December 23, 2025, plaintiffs filed a complaint against our predecessor in the U.S. District Court, Northern District of Illinois, on behalf of themselves and a purported class of nationwide McDonald's customers who purchased McRib sandwiches. Plaintiffs allege that our predecessor deceptively marketed the McRib sandwich by, among other things, using the term "Rib" in the name of the sandwich and shaping the patty to look like ribs. Plaintiffs bring claims for fraudulent omission or concealment, fraudulent misrepresentation, negligent misrepresentation, fraud, breach of warranties, breach of contract, breach of the duty of good faith and fair dealing, unjust enrichment, and violations of the California Consumer Legal Remedies Act, the California False and Misleading Advertising Law, the California Unfair Competition Law, the New York Unlawful Deceptive Acts and Practices law, the New York False Advertising Law, the Illinois Consumer Fraud and Deceptive Business Practices Act, and the District of Columbia Consumer Protection Procedures Act. Plaintiffs seek class certification, damages, attorneys' fees and costs, and an order enjoining McDonald's from further deceptive marketing. On February 26, 2026, our predecessor moved to dismiss the complaint. Our predecessor intends to defend its interests vigorously in this case.

Additionally, we and our predecessor have been named as defendants in numerous additional labor and employment lawsuits brought by employees of our franchisees on an individual, class and collective basis, alleging that we are joint employers with our franchisees. These lawsuits allege racial discrimination, sexual harassment, wrongful termination, constructive discharge, wage and hour violations, and similar claims under Title VII of the Civil Rights Act of 1964 and 42 U.S.C. Section 1981, and the Fair Labor Standards Act or similar statutes. We strongly disagree with the joint employment allegations and intend to vigorously defend these actions.

Occasionally, disputes arise with our franchisees. If a dispute cannot be resolved through our internal processes such as appealing to higher level individuals (our "open door policy") or our formal Ombudsman process, then as a matter of common practice (not required by the Franchise Agreement) we will often agree to use mediation. Even though we follow these practices, occasionally lawsuits alleging the same or similar allegations to those listed in this Item 3 have been brought against us or our predecessor and could be brought against us in the future.

Concluded Cases

Zhuang Zhi Xun and Qing Yi Limited v. McDonald's Restaurants (Taiwan) Co., Ltd. (Case No. 105 Xu Zhi No.710). On December 25, 2015, the plaintiff, an operator of a McDonald's restaurant in Taiwan and his operating entity, filed in Taipei District Court a complaint against our affiliate, McDonald's Restaurants (Taiwan) Co., Ltd., alleging it failed to comply with the pre-contractual disclosure requirements set forth in the Taiwan Fair Trade Commission's Guidelines on Franchisors' Business Practice. The plaintiff alleged our affiliate failed to disclose certain information related to our affiliate's plans to open new restaurants in the same business area as plaintiff's restaurant. For such claims, plaintiff sought compensation of \$700,000 New Taiwan dollars, plus interest, court fees, and rescission. Plaintiff additionally requested the court to render the arbitration clause in the franchise agreement null and void based on the Taiwan Fair Trade Act and the Consumer Protection Act. On March 22, 2016, our affiliate entered into a settlement agreement with the franchisee. The franchisee agreed to terminate all of the franchises for his McDonald's restaurants, sell our affiliate the assets of those restaurants, and settle all claims for \$111,172,552 New Taiwan Dollars.

Chris Howe v. McDonald's Corporation and Does 1-100 (Case No. 5:16-cv-00176). On January 29, 2016, plaintiff filed a complaint against our predecessor in the U.S. District Court, Central District of California – Eastern Division, on behalf of himself and purported classes of McDonald's customers in California and in 41 other states and the District of Columbia who purchased Mozzarella Cheese Sticks in McDonald's restaurants in California. Plaintiff alleged that McDonald's advertising of Mozzarella Cheese Sticks violated California's Unfair Competition Law, California's False Advertising Law, California's Consumers Legal Remedies Act, and various state warranty laws. Plaintiff also asserted a claim for unjust enrichment. Plaintiff sought, on behalf of himself and the purported classes, monetary damages, attorney's fees, costs and expenses, pre- and post-judgment interest, and injunctive relief. On October 10, 2016, our predecessor agreed to settle the case by paying \$32,500 in damages, which included \$30,500 in attorneys' fees and costs, and in exchange received a general release for us and our predecessor from the plaintiff.

Jade Berreau, as administrator of the Estate of Dashiell Snow v. McDonald's Corporation and Does 1-100 (Case No. 2:16-cv-07394). On October 3, 2016, plaintiff, as the administrator of Estate of Dashiell Snow, filed a complaint against our predecessor in the U.S. District Court, Central District of California, Western Division, alleging that McDonald's unlawfully copied Dashiell Snow's artwork and installed it in hundreds of McDonald's graffiti-themed restaurants around the world. Plaintiff asserts claims for copyright infringement, falsification of copyright management information, unfair competition under the Lanham Act and California law, and negligence, and seeks injunctive relief, monetary and punitive damages, attorney's fees, costs and expenses. The accused artwork was not installed in any restaurants in the United States. Our predecessor filed a motion to dismiss the case for lack of personal jurisdiction, which the court granted on January 30, 2017 without prejudice to the ability to refile the complaint in a different jurisdiction. On or about March 24, 2017, our predecessor settled this case by agreeing to pay \$650,000 and remove the accused artwork in one restaurant in the United Kingdom. The parties exchanged releases.

Smith Family Limited Partnership d/b/a McDonald's and Does 1-100 (Case No. 3:14-cv-02098-JD). On March 12, 2014, the plaintiffs, various current and former employees of franchised restaurants, filed a lawsuit against us, our predecessor, an affiliate and franchisees in the Superior Court of the State of California, County of Alameda, alleging violations of the California Labor Code and the California Business & Professions Code related to altering time records, requiring off-the-clock work, failing to pay minimum and overtime wages, failing to provide required meal periods and rest breaks, failing to pay all wages due to discharged and quitting employees, failing to keep accurate records and provide accurate itemized wage statements, failing to indemnify employees for necessary expenses, negligence, unfair and unlawful business practices and retaliation for complaining about the alleged labor violations. The plaintiffs also alleged that the defendant McDonald's entities are joint employers of those employees. The plaintiffs sought class certification, injunctive relief, monetary and punitive damages, interest, statutory penalties, declaratory judgment, disgorged profits, and attorneys' fees and costs. On May 7, 2014, our franchisees removed this lawsuit to the U.S. District Court, Northern District of California. On September 25, 2015, the court dismissed all of plaintiffs' joint employer theories against the McDonald's entities except one based on ostensible agency theory. On November 14, 2016, the court granted final approval of a settlement of all claims between the plaintiffs and our franchisees. The defendant McDonald's entities and plaintiffs separately reached a settlement agreement wherein the McDonald's entities agreed to pay \$3,750,000 and certain limited injunctive relief in exchange for dismissal of all remaining claims with prejudice. Plaintiff alleged McDonald's practice of charging extra for beverages advertised as already being included in an extra value meal violated California's Unfair Competition Law, California's False Advertising Law, and California's Consumers Legal Remedies Act. Plaintiff sought, on behalf of himself and the purported class, monetary damages, attorney's fees, costs and expenses, pre- and post-judgment interest, and injunctive relief. District of Florida, on behalf of herself and a purported class of nationwide McDonald's customers who have allegedly paid a drink upcharge fee for healthy drink options with their purchase of a Happy Meal. Plaintiff asserted claims under the Florida Deceptive and Unfair Trade Practices Act or, in the alternative, under the Illinois Consumer Fraud Act if the court found that Illinois consumer laws apply to the allegations. Plaintiff sought entry of an order certifying the case as a class action, monetary damages, civil penalties, attorneys' fees, costs and expenses. In November 2018, McDonald's settled this case with Plaintiff by agreeing to pay \$35,000 in exchange for a release of all claims.

Dieter Abt, et al. v. McDonald's Corp., McDonald's USA, LLC, The Marketing Store Worldwide, LLC, et al. (Case No. BC 552072). On July 18, 2014, the plaintiffs filed a complaint in California state court against us, our predecessor, The Marketing Store Worldwide, LLC and others, alleging the defendants used the plaintiffs' money and intellectual property to fund and further develop the McDonald's Channel, an in-store controlled television and media test, and made false representations that they intended to continue working with plaintiffs to implement the McDonald's Channel after McDonald's purportedly knew that it had no intention of doing so. Plaintiffs amended their initial complaint four times since the commencement of the case in July 2014, and their fourth amended complaint, filed in November 2015, alleged eight counts against our predecessor and us for fraud, negligent misrepresentation, promissory fraud, fraudulent concealment and unjust enrichment. Plaintiffs sought actual and punitive damages and costs. In March 2019, the defendants settled this case with plaintiffs by agreeing to pay \$150,000 in exchange for a release of all claims.

The complaint alleges that we improperly exercised a right of first refusal seeking to purchase the franchisee's restaurant franchises and violated California's franchise relations law. The complaint seeks an order declaring that we did not properly exercise our right of first refusal and to enjoin us from stopping a transaction for the sale of the restaurant franchises between the estate and another franchisee. We have filed an answer and counterclaims as well as a motion seeking declaratory judgment that we validly exercised our right of first refusal. On August 16, 2019, the Court ruled that we validly exercised our first option to purchase only the restaurant franchises. Following the ruling, the parties entered into a settlement agreement and mutual release that provided for the sale of the eight franchises to us for \$15.6M.

The plaintiffs sought injunctive relief, monetary damages, and a declaration that defendants' alleged actions breached their obligations under the plaintiffs' franchise agreements, constitute a violation of the Puerto Rico franchise distribution law (Law 75), caused damages and losses for non-fulfillment of contract and unfair competition, and constitute fault and negligence and willful intent under the Civil Code of Puerto Rico. The defendants agreed to settle this matter by paying \$6,319,344.08 for plaintiffs' remaining ten franchises and attorneys' fees, and the parties exchanged mutual releases.

In the Matter of Stephen J. Easterbrook and McDonald's Corporation (File No. 3-21269). In January 2023, our predecessor entered into an administrative settlement with the Securities and Exchange Commission ("SEC") concerning certain of its proxy disclosures relating to the process behind former CEO Steve Easterbrook's separation from our predecessor in 2019. In connection with this settlement, and without admitting or denying the SEC's findings, our predecessor agreed to cease and desist from committing or causing any violations of Section 14(a) of the Exchange Act and Exchange Act Rule 14a-3. The SEC recognized our predecessor's substantial cooperation as well as the affirmative action taken by our predecessor to recover value for its shareholders by suing Easterbrook and, as a result, imposed no monetary penalty.

- (1) All fees are imposed and collected by and payable to McDonald's. All fees are non-refundable and uniform and we may draft miscellaneous receivables you may owe us. We will automatically draft rent and royalty from your bank account according to the terms of the Franchise Agreement.
- (2) The royalty of 5% of Gross Sales applies on and after January 1, 2024, in the following scenarios: (i) a franchisee opens a new restaurant; (ii) a franchisee purchases a restaurant as a result of a McOpCo sale; and (iii) we exercise our right of first refusal on a franchisee sale transaction and then sell the restaurant to another franchisee. The royalty of 4% of Gross Sales will continue to apply after January 1, 2024, in the

following circumstances with respect to existing restaurants operated by existing franchisees prior to January 1, 2024: (i) family restaurant transactions and ownership transfers; (ii) existing franchisees sign new term agreements on existing restaurants; (iii) existing franchisees complete the sale of an existing restaurant to another franchisee; and (iv) the rebuild of an existing restaurant location.

- (3) The following is the rent structure for new and relocated traditional restaurants:

Percentage Rent with Monthly Base Rent and Pass Thru Rent, if applicable

Monthly Base Rent

Most restaurants will have a Monthly Base Rent. For a site where both the land and the building are owned by McDonald's or its affiliates, Monthly Base Rent is based upon the total amount invested by McDonald's in the acquisition and development of the land and the building. A finance factor is applied to this amount to produce an appropriate return for McDonald's. For a site where the land and/or building is leased by McDonald's from a third party, Monthly Base Rent is based upon the total amount invested by McDonald's in the acquisition and development of the land and the building as well as monthly rent paid in the first year to a third party landlord. A finance factor is applied to each of these amounts to produce an appropriate return for McDonald's. You must pay this amount every month of the franchise term.

Pass Thru Rent

For a site where the land and/or building is leased by McDonald's, there may be rent escalations for which McDonald's is responsible under the lease which are above and beyond the original monthly rent we paid to the landlord. For these rent escalations, McDonald's will charge you pass thru rent which must be paid every month the escalations are in effect. We do not apply a finance factor to the pass thru rent.

Percentage Rent

The Percentage Rent for new and relocated traditional restaurants that open on or after January 14, 2026 is set to achieve a target allocation, or split, of the returns generated by the restaurant between the franchisee and McDonald's. The Percentage Rent is generally between 6% and 23% of Gross Sales. McDonald's provides the specific Percentage Rent associated with the new or relocated restaurant to the franchisee before the franchisee signs the franchise agreement and lease for the restaurant. The Percentage Rent generally increases during the first seven years of the first term of the franchise, and starting in the eighth year of the franchise term, the minimum Percentage Rent is generally 11.50% of Gross Sales. The total change in the Percentage Rent over the term of the franchise, using the Percentage Rent in the first year of the franchise term as the baseline, will generally not exceed 3.50%, unless a larger increase is required to reach the minimum 11.50%.

The Percentage Rent for new and relocated traditional restaurants is payable only if the monthly Gross Sales exceed the monthly base sales figure which is computed by dividing the dollar amount of the Monthly Base Rent by the Percentage Rent rate. If you are purchasing an existing restaurant from a franchisee, the information in this footnote will not apply as you will be assuming the Monthly Base Rent and Percentage Rent paid by the selling franchisee (except for any rent relief which is personal to the selling franchisee).

As set forth in Item 17, you have no right to renew or extend your franchise. However, if we offer you a new term franchise, the Percentage Rent associated with that franchise will be based on the then-current policies. Under our current policy, the Percentage Rent for new term franchises will not be lower than the Percentage Rent in the previous franchise term. Further, the Percentage Rent will remain the same unless the current Percentage Rent rate is below 8.50%, in which case the rent for the new term franchise may be raised to 8.50%. The Percentage Rent may also increase if: 1) McDonald's has made additional investments outside of our standard contributions to institutional programs such as rebuilds, relocations and major remodels; 2) the Percentage Rent in the previous franchise term was temporarily reduced to provide financial assistance and that temporary reduction does not extend to the entirety of the new franchise term; or 3) you, or a previous franchisee while licensed to operate this location, and McDonald's entered into a separate agreement that includes scheduled Percentage Rent increases during

the new franchise term. For sites leased by McDonald's, we may also charge you Pass Thru Rent for any additional lease costs charged to McDonald's in the new term franchise that are above the average lease costs over the previous 20 years.

The percentages used in computing monthly payments based on Gross Sales are determined by McDonald's management in consideration of the rights being granted by the Franchise Agreement, the drawing power of the McDonald's restaurant, the value of the McDonald's System as a whole and McDonald's interests in obtaining a profit in light of competitive conditions. All payments made by you to McDonald's constitute a single financial arrangement between you and McDonald's which, taken as a whole and without regard to any designation or description, reflect the value of the rights being made available to you by McDonald's and the services being rendered by McDonald's during the franchise term. The percentages may vary among franchises depending upon when the franchise was sold as well as other factors. In unusual circumstances that involve special costs, the fees paid by you may be higher than those outlined in this Item 6.

- (4) We have adopted a policy that allows co-investment in the building and site improvements of new and relocated traditional, STO and STR restaurants for a reduction in the Percentage Rent and Monthly Base Rent, if certain eligibility conditions are met. You are not required to participate under this policy. If the eligibility conditions are met and you elect to co-invest, the co-invested amount is in addition to the initial investment described in Item 7. The terms and criteria of this policy differ slightly for new and relocated traditional, STO and STR restaurants and are listed below. We may apply, modify, or terminate this policy at any time at our discretion.

Terms:

For new and relocated traditional, STO and STR restaurants, the general terms are as follows: (a) you have the ability to reduce your stated Percentage Rent in increments of 0.25% ("Quarters"), down to the applicable co-investment minimum stated rent; (b) the cost to co-invest is determined using a standardized approach that blends the investment tiers and the Percentage Rent in the eighth year of the franchise term and generally will not be less than \$30,000 per Quarter; (c) you must pay the additional investments to us; (d) you may pay the additional investments in cash or you may finance them, for up to 10 years, with your own lender (we do not arrange for any financing of these additional investments), but you may not use the building or leasehold improvements as collateral for your loan; and (e) we will retain full ownership of, and legal title to, the building and leasehold improvements, but you will get the tax benefits associated with your co-investment amount. For new and relocated STO and STR restaurants, if our investment is over \$1,000,000, these terms will be decided on a case-by-case basis.

Co-Investment Criteria and Calculation for New Traditional Restaurants:

For new restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 20 years; (b) the Percentage Rent is over 11.50%; (c) your franchise for the restaurant is 20 years; (d) if the restaurant is on property leased by us, we do not pay any percentage rent to our landlord; and (e) decision to co-invest must be made before the restaurant opens.

For new restaurants opened on or after January 14, 2026, there are two co-investment options available. In both cases, the Percentage Rent starting in the eighth year of the franchise term is compared to a co-investment floor. For the first option, the co-investment floor for the calculation (to determine the number of Quarters available and maximum rent reduction) is 11.50%. When you select the actual co-investment amount, the corresponding Percentage Rent reduction is applied to the rent structure that was established for the restaurant prior to the co-investment decision. For the second option, the co-investment floor for the calculation is 12.50%, but you are eligible to receive a partial refund of your co-investment costs if the new restaurant does not achieve the sales volumes projected for the first year of the franchise term by the third year of the franchise term.

Co-Investment Criteria and Calculation for Relocated Traditional Restaurants:

For relocated restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 20 years; (b) your franchise for the restaurant is 20 years; and (c) if the restaurant is on property leased by us, we do not pay any percentage rent to our landlord.

For relocated restaurants, the co-investment floor (for the calculation to determine the number of Quarters available and maximum rent reduction) is the existing restaurant's stated percentage rent or 11.50%, whichever is lower, but not below 8.50%. When you select the actual co-investment amount, the corresponding percentage rent reduction is applied to the rent structure that was established for the restaurant prior to the co-investment decision subject to a minimum percentage rent of 5%.

Co-Investment Criteria and Calculation for New and Relocated STO and STR Restaurants:

For new and relocated STO and STR restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 10 years; (b) our development costs are more than \$640,000; (c) the Percentage Rent is over 9.0% for STR and 9.5% for STO; (d) your franchise for the restaurant is 10 years; and (e) if the restaurant is on property leased by us, we do not pay any uncapped percentage rent to our landlord.

For new and relocated STO and STR restaurants, the co-investment floor (for the calculation to determine the number of Quarters available and maximum rent reduction) is 9.0% for STR and 9.5% for STO. When you select the actual co-investment amount, the corresponding percentage rent reduction is applied to the rent structure that was established for the restaurant prior to the co-investment decision, but the rent may not be reduced below 9.0% for STR and 9.5% for STO.

- (5) Not payable to us. While the McOpCo companies are voting members of the local advertising funds and OPNAD, they do not have controlling voting power.
- (6) All Satellite restaurants (other than McDonald's in Walmart (MIW) restaurants) will have an Annual or Monthly Base Rent. The rent charged is determined on a case-by-case basis by our management. The rent will vary depending on our investment, rent paid to the head landlord, length of term, projected profitability, and return on investment. MIW restaurants will pay Fixed Percentage Rent, which generally ranges from 14% to 15½% of Gross Sales, and is based on the actual sales volume for the MIW restaurant.
- (7) The following is the rent structure for STO and STR locations:

Small Town Oil and Small Town Retail Locations Percentage Rent with Monthly Base Rent Monthly Base Rent

All restaurants will have a Monthly Base Rent. For STO and STR locations, Monthly Base Rent is calculated in the same manner as described in this Item, note 3. You must pay this amount every month of the franchise term.

Percentage Rent

The Percentage Rent for STO and STR locations that opened on or after May 28, 2014, is generally computed as follows:

McDonald's Total Acquisition and Development Costs		Percentage Rent	
More Than	Up to	STO	STR
\$0.00	\$640,000	9.50%	9.00%
\$640,000.01	\$670,000	9.75%	9.25%
\$670,000.01	\$700,000	10.00%	9.50%
\$700,000.01	\$730,000	10.25%	9.75%
\$730,000.01	\$760,000	10.50%	10.00%
\$760,000.01	\$820,000	10.75%	10.25%
\$820,000.01	\$880,000	11.00%	10.50%
\$880,000.01	\$940,000	11.25%	10.75%
\$940,000.01	\$1,000,000	11.50%	11.00%
\$1,000,000.01	and above	Established on a case by case basis	

Pass Thru Rent

For leased locations, restaurants may have a monthly pass thru rent, which is calculated in the same manner as described above in Note 3.

- (8) The rent structure for BFLs is determined by us on a case-by-case basis. A BFL franchise may be offered by McDonald's after considering various factors, including your personal financial net worth and liquidity, projected pre-opening and opening expenses at the proposed restaurant, and the projected sales volume and operating expenses at the proposed restaurant during the first 3 years of operation. Under a BFL you may have a conditional option to purchase the franchise and the restaurant equipment, signs, and certain other assets after the first year of the franchise term. The minimum option price for new and existing restaurants is determined by McDonald's on a case-by-case basis.
- (9) The relocation contribution is required if you relocate your restaurant to a new site.
- (10) These fees are subject to periodic review and may increase over time.
- (11) One-time fees are paid for new and existing restaurants that adopt the specified technology.

- (1) Franchisees who rebuild or relocate their restaurants will pay the initial franchise fee on the earlier of:
 - (a) the first of the month after the seventh year after the opening of the rebuilt or relocated restaurant; or
 - (b) the end of the previous franchise term.
- (2) Applies to STO and STR locations.
- (3) Applies to Satellites.
- (4) See Item 5.
- (5) McDonald's acquires real estate and building and franchises the right to operate at the location. Amounts shown as rent are part of the overall economic package of fees as described in Item 6.
- (6) Special site restaurants may be higher.
- (7) See Item 6, note 4.

- (8) Varies due to size of building, location, estimated sales volume, transportation charges and sales tax. If you request changes to the building, payment for the requested changes may be required before signing the Franchise Agreement. The estimated investment for Signs, Seating, Equipment and Decor includes the cost of the current Store Systems Technology Platform, which ranges from \$165,000 to \$265,000 (see Item 11), which includes the POS, Cashless System, indoor and outdoor digital menu boards, kiosks, table locators, computer hardware, software, and related equipment.
- (9) Cost varies due to distances from Field Offices and headquarters in Chicago, Illinois, and costs of living in various areas of the country.
- (10) You may or may not need capital to support ongoing expenses, such as employee wages, utilities, payroll taxes, legal and accounting fees, travel, advertising, promotion, outside services, linen, operating supplies, small equipment, maintenance and repair, office supplies, cash shortages, insurance, debt service, and non-product purchases, as well as additional opening capital for other variable costs. These figures are estimates and McDonald's cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as how well you follow McDonald's methods and procedures; the sales volume of your restaurant; your management skill, experience, and business acumen; local economic conditions; the local market for our product; the prevailing wage rate; competition; your rent structure; and whether your restaurant is an STO, STR, or a Satellite location. Restaurants opening in cold weather months may be more likely to need capital in the initial 3-month period because restaurant sales are typically lower.
- (11) We have relied on the combined ~~70~~71 years of restaurant business experience that we and our predecessor have to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. These figures do not include percentage rent or royalty. We have offered and continue to offer for sale restaurants owned by McOpCo companies. Of the 35 sales of McOpCo transactions in 2025, 9 of them exceeded the high end of the initial investment range, including by \$53,000, \$226,000, \$279,000, \$391,000, \$498,000, \$607,000, \$714,000, \$1,000,000, and \$1,500,000, respectively. Of the 31 sales of McOpCo transactions in 2024, 9 of them exceeded the high end of the initial investment range, including by \$65,593, \$168,053, \$388,069, \$532,141, \$582,364, \$1,373,068, \$1,459,004, \$1,559,604 and \$2,035,816, respectively.

Item 8 Restrictions on Sources of Products and Services

Except as noted below, McDonald's does not require that you purchase or lease goods, services, supplies, fixtures, equipment, inventory, or computer hardware and software from McDonald's or our designees in the establishment or operation of your McDonald's restaurant business. As described below, we require that these items and sources of supply meet the specifications, requirements, and standards that McDonald's has, in its sole business judgment, formulated for use in the McDonald's System. Except when an ongoing restaurant business is sold, or except as otherwise noted, neither McDonald's nor any affiliate sells fixtures, equipment, food, or supplies to our franchisees; and none of our officers own any interest in any of our approved suppliers. McDonald's may negotiate with approved suppliers in an effort to seek favorable offers for the benefit of the McDonald's System (including offers on price and other purchasing terms). However, our franchisees are free to negotiate their own purchasing terms with approved suppliers at any time. In certain instances, if you participate in programs involving the test or early implementation of new products, equipment, software, or other items, we may install these items in your restaurant at our cost. If these products, equipment, software, or other items are ultimately approved for use in your restaurant, you may be required to reimburse us for the items and related costs. These obligations will be specified in the test or early implementation letter signed by you and McDonald's.

McDonald's strives for the maintenance of quality and uniformity throughout the McDonald's System by identifying standards for the purchasing, distribution, preparation, and service of goods, services, supplies, fixtures, equipment, inventory, and computer hardware and software. We consider the specifications, requirements, and/or standards for food, equipment, information technology, purchasing, distribution, preparation, marketing, PR and brand reputation, and service to be of critical importance to the success of the

McDonald's System, and therefore require that you deal only with suppliers and agencies that have been approved by us. If you desire to use a particular supplier not already approved by McDonald's and if that supplier meets the specifications and requirements of the McDonald's System, then that supplier may, under conditions described below, become an approved supplier for your specific restaurant. Costs associated with gaining approval status may be your responsibility and/or the supplier's where existing suppliers are capable of providing an existing product. Detailed food product specifications are not generally issued to franchisees, but may be made available upon your request to us and upon your agreeing to maintain certain confidentiality obligations. Other food preparation and equipment requirements and standards are provided to you in our Operations and Training Manual and through other publications provided to our franchisees.

In order for a supplier to be accepted by McDonald's as an approved source of supply, a request for acceptance must be forwarded to our Supply Chain ~~Management~~ Department and other appropriate departments for consideration. The designated Supply Chain ~~Management~~ professional applies the following general criteria in considering whether the supplier will be designated as an approved source of supply:

- (1) Ability to consistently make the manufactured product to McDonald's standards, requirements, and/or specifications.
- (2) Agreement to protect McDonald's confidential information and the secrets behind the uniqueness of McDonald's products from dissemination to others, through production of private brand name products for McDonald's.
- (3) Production, delivery, and service capability, be it local or national, to meet supply and service commitments as well as to ~~insure~~ ensure safe food as specified by McDonald's.
- (4) Integrity of ownership (to assure that its association with McDonald's would not bring ill will upon McDonald's or be inconsistent with McDonald's image).
- (5) Financially sound condition.
- (6) Compliance with all federal, state, and local laws and McDonald's Code of Conduct for Suppliers.

McDonald's may elect not to accept a supplier as an approved supplier if McDonald's determines, in its sole judgment, that there are a sufficient number of approved suppliers at that time for the McDonald's System. There may be instances in which alternative suppliers cannot be approved because the nature of the product or service requires use of one, or a limited number of, suppliers in order to realize efficiencies or protect the interests of the McDonald's System overall.

Approved suppliers must maintain standards in accordance with our written specifications and requirements. On a routine and continuing basis, McDonald's may visit and inspect the operations of approved suppliers and consult with them to ensure compliance with our standards, requirements, and specifications, as well as to assure compliance with federal, state, and local laws and McDonald's Supplier Code of Conduct ~~for Suppliers~~. Termination of a supplier as an approved source of supply may occur by written notice to or personal meeting with the supplier. We advise our franchisees as soon as possible when a supplier is disapproved.

Insurance sources are approved upon submission of a policy meeting our specifications. Coverage must be at least as comprehensive as the minimum requirements of the Franchise Agreement, and in some cases may be higher if required by local law, landlords, property owners, or other third parties. The Franchise Agreement provides that all insurance be placed with a reputable insurance company licensed to do business in the state in which the restaurant premises are located, having both a financial size category equal to or greater than IX and a rating of "A+" or "A" as determined by ~~Alfred M. Best and~~ A.M. Best Company, Inc.

Except as noted below, neither we nor our affiliates derive revenue from your purchase or lease of property, goods, services, supplies, fixtures, equipment, inventory, or computer hardware and software from

approved sources of supply. We have no purchasing or distribution cooperatives. We do not provide any material benefits to a franchisee based on your use of approved sources of supply.

Under the franchise you are required to lease the restaurant premises from us, under an Operator's Lease that is incorporated into the Franchise Agreement. Under the Operator's Lease, you are required to pay rent to McDonald's, along with the related occupancy costs, which include property taxes, insurance, maintenance, and structural repairs. McDonald's derives revenue from this leasing arrangement, as detailed in Item 6.

McDonald's requires new restaurants to use the standard Technology Platform, including all associated hardware, software, and network services. Item 11 describes the components of the Technology Platform and its initial cost. Item 6 identifies ongoing costs associated with the Technology Platform. All components of the Technology Platform must be purchased or leased from our approved suppliers.

One component of the Technology Platform is the a standard POS platform, Sesame. The computer hardware for Sesame is purchased through our approved POS suppliers. The Sesame computer software is owned and maintained by our predecessor. Included in the payments you make for the Sesame computer software is a one-time license fee and a payment for the Sesame software maintenance for the first year, both of which are paid to us and which we will pay to our predecessor. After the first year, you are billed by McDonald's for an annual maintenance fee that is paid to our predecessor for providing periodic updates and enhancements to the Sesame software (see Item 6).

McDonald's allows franchisees to offer customers the ability to make purchases with certain credit and debit cards, using a specified Cashless 3.0 System (the "Cashless System"). All franchisees participate in this program. The Cashless System is designed to work with the POS platform. The Cashless System must be installed and linked to your POS system by installers that we approve. In addition, your restaurant must have required hardware and software purchased from and installed by our designated suppliers. Finally, you must sign an agreement with our designated transaction processors and pay the processors certain transaction processing fees. ~~We also recommend that your restaurant have McDonald's approved high speed internet access.~~ If you elect to participate, the detailed terms will be provided to you.

McDonald's allows franchisees to offer customers the ability to buy and make purchases with gift cards, using a specified system (the "Gift Card System"). The Gift Card System is designed to work with the POS platform and the Cashless System. The Gift Card System is provided and managed by P2W, Inc. NFP ("P2W"), an independent non-profit corporation. P2W is not our affiliate, but is managed by a board of directors that includes our employees and franchisees. If you elect to use the Gift Card System, your restaurant must have the Cashless System and use designated equipment that is purchased from designated suppliers. In addition, you must sign a subscription agreement with P2W, purchase training materials, and sign a contract with the transaction processor designated by P2W, under which you will be required to pay the processor certain transaction processing fees. Currently, P2W pays for the production costs of the gift cards and certain other expenses. If you elect to participate, the detailed terms will be provided to you. The Gift Card System is not related to the gift certificate program described in Item 11.

In connection with implementing the Cashless and the Gift Card systems, we may negotiate and enter into agreements with suppliers, installers, and transaction processing companies under which we may receive certain payments. We may use these payments to help support future technological innovation. For convenience, these uses may be referred to internally as "technology funds." However, we do not operate any actual legally segregated, dedicated, trust, or restricted-use funds for technology development. With respect to the Gift Card System, we may also provide certain administrative services (such as accounting services) to P2W at our actual cost. We do not derive any revenue from this arrangement.

McDonald's maintains a customer-facing mobile application ("Mobile App") that enables customers to place restaurant orders for pickup at the restaurant and delivery. The Mobile App is designed to work with the POS platform. The Mobile App software is owned and maintained by our predecessor. You are billed by McDonald's for fees associated with maintaining the Mobile App software and integrating it with your POS (see Item 6). You must also sign an agreement with our designated transaction processor for orders associated with the Mobile App and pay the processor certain transaction processing fees.

McDonald's allows franchisees to offer customers the ability to place delivery orders from their restaurants. Delivery services are provided by third-party delivery providers designated by McDonald's. If you elect to offer delivery, your restaurant must have required hardware and software as specified by McDonald's and the approved third-party delivery providers. In addition, you must sign an agreement with the third-party delivery providers, under which you will be required to pay the providers certain fees associated with the delivery services. If you elect to participate in delivery, the detailed terms will be provided to you.

In 2024~~5~~, we and our predecessor received ~~\$34,427,329~~~~39,008,767~~ in loan guarantee service fees, cashless incentives, and beverage supplier rebates.

In 2024~~5~~, our total revenue was about \$10.~~63~~~~83~~ billion and revenue from the sale or lease of real estate and services to franchisees was about \$7.~~21~~~~37~~ billion. This represents 68% of our total revenue. These figures were derived from our audited financial statements and other financial information. All of your required purchases (which includes items which must be purchased from us or our approved suppliers and items which must be purchased in accordance with specifications) represent approximately 90% to 95% of your total purchases in connection with the establishment of the restaurant and approximately 55% to 65% of your overall purchases in operating the restaurant.

Occasionally, we may incur additional costs and expenses to develop or improve certain products or services for the benefit of the McDonald's System (including but not limited to, goods, equipment, computer hardware and software, and support services), which ultimately may be provided to McDonald's restaurants by approved suppliers. We may seek to recover all or a portion of these additional costs and expenses from our franchisees and/or the approved suppliers. If that recovery is obtained from the approved suppliers, it may be reflected in the prices they quote for these products or services.

See Item 10 for disclosure on financing fees that may be received by McDonald's.

If your restaurant is located in an STR location, you may be required to maintain a proportionate share of external common areas and obtain insurance for certain common areas.

Item 10 Financing

Typically, no financing arrangements are offered by McDonald's. As part of the Franchise Agreement, McDonald's issues an Operator's Lease for each site owned or leased by McDonald's. The Operator's Lease is a standard commercial lease under which you pay rent to McDonald's for use of the premises. The Operator's Lease does not contain any financing terms. For BFL franchises, the Operator's Lease provides for the lease of the restaurant's business facilities as well as the premises. The BFL arrangement does not contain any financing terms but may provide a conditional option for you to purchase certain restaurant assets from us for a lump sum (see Item 6). In that case, a BFL Rider which contains the option is attached to the Franchise Agreement. The BFL Rider is attached as Exhibit F, and the Operator's Lease is attached as Exhibit G.

Our predecessor may, at its discretion, guarantee loans made by a third party lender, Bank of America, N.A., a National Banking Association-(the "Lender"), to franchisees and registered applicants for remodeling existing restaurants, acquiring restaurant businesses, purchasing restaurant assets by exercising the option under a BFL Rider, and for other reasons approved by McDonald's. The Lender will prepare all the necessary documents and will handle the processing, payments, customer service, and collections according to standards developed by us. Our predecessor will provide a guarantee to the Lender for these obligations and in return will receive a guarantee fee (currently equal to 1.50% of average outstanding balance) in consideration for the risks and costs associated with the guaranteed loans. The rate on these loans will typically be Term Secured Overnight Financing Rate ("SOFR") plus the SOFR adjustment (currently 0.10%) plus a percentage to be determined by the Lender and our predecessor (initially, three percent (3.00%) and subject to change as agreed upon in writing by Lender

and our predecessor) which may be prepaid with no penalty. As of March 1730, 20252026, Term Rate SOFR was 4.423.76% (inclusive of SOFR adjustment of 0.10%). Loans terms typically will range from 3 to 5 years with a 7 year amortization. They will be secured by restaurant equipment, seating, signage, decor, and inventory. The loan amount will vary depending on the purpose for which the loan is to be used. A personal guarantee from the franchisee and his or her spouse will be required and, should a legal dispute arise, the franchisee agrees to waive the right to a jury trial and agrees not to consolidate the action with others. A default on these loans will be considered a default under the Franchise Agreement, and the franchisee will be required to sign an Operator Assistance Program Agreement with us (see Exhibit N). As part of the Operator Assistance Program Agreement, the franchisee agrees to waive all claims against McDonald's. As of March 1730, 20252026, the annual percentage rate (APR) was 7.426.76%. All loan participants will be required to permit electronic debiting of accounts for payment. The financing documents are typically a Promissory Note, Security Agreement, Authorization for ACH Drafting of Loan Payments, and Operator Assistance Program Agreement similar to the documents in Exhibit N.

Item 11

Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, McDonald's is not required to provide you with any assistance.

Our Pre-Opening Obligations:

Construct or have others construct, remodel, or otherwise prepare the premises for the McDonald's restaurant in accordance with our then-current plans and specifications and with local ordinances and building codes. We will deliver the premises to you when they are sufficiently completed to allow you to install, at your sole cost and expense, the signs, trade fixtures, equipment, and other personal property and improvements necessary to complete the premises for operation of a McDonald's restaurant. If the restaurant has not been constructed or is not ready for occupancy when the Franchise Agreement is executed, we will use our best efforts to expedite the construction. We either own the premises or lease it from the owner and lease or sublease the premises to you (Franchise Agreement – Section 9, Operator's Lease – Section 2.06).

Prescribe detailed specifications for purchasing, preparation, and service, and make available to you names of approved sources of supply. We do not sell or lease to you equipment, signs, fixtures, opening inventories, or supplies or deliver or install these items except as noted in Item 8 or when we sell or lease an ongoing business to you (Franchise Agreement – Sections 3, 12(b), and 12(i), Operator's Lease – Section 2.04). See Items 8 and 9.

Provide our training program to you, which includes your enrolling your managers at Hamburger University or other training centers. The training program is more fully described in this Item (Franchise Agreement – Sections 4 and 6).

McDonald's will allow you to view McDonald's Operations and Training Manual (the "O&T Manual") before you purchase the franchise (Franchise Agreement – Section 4).

Our Operational Obligations:

Advise and consult with you periodically and at other reasonable times upon your request in connection with the operation of the restaurant. We will communicate to you our knowledge of new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications will be accomplished by visits by operations consultants, printed reports, seminars, newsletter mailings, emails, and online resources. We will make available to you all additional services, facilities, rights, and privileges relating to the operation of the restaurant that we make generally available to all our franchisees operating McDonald's restaurants (Franchise Agreement – Section 3).

Make available to you the O&T Manual and any other business manuals prepared and modified by us for use by our franchisees in connection with the operation of a McDonald's restaurant. These manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and

accounting procedures; (d) business practices and policies; and (e) other management and advertising policies (Franchise Agreement – Section 4).

Advertising Programs:

We employ advertising and marketing consultants to participate in the formulation and production of concepts and materials for production and media placement of national programs for the McDonald's System. Our in-house advertising and marketing departments develop overall direction and strategy for the national programs and recommend them to franchisees. Advertising and marketing programs are placed in national and local media including, but not limited to, print, radio, television, outdoor, point of sale, direct mail, and the Internet. We do not maintain an advertising or marketing fund nor do we have any obligation to make placement of programs in the media. You must advertise and promote your restaurant to the general public and spend at least 4% of the restaurant Gross Sales each year for this purpose, unless otherwise agreed to by us. For new, rebuilt, relocated, and remodeled restaurants, we strongly recommend the use of "grand opening" promotions. You must use only advertising and marketing materials and programs that we have provided to you or approved in advance in writing. All advertising and marketing must also conform to the standards and policies of the McDonald's System relating to the trademarks and service marks. Advertising and marketing by cooperatives are subject to the same approval requirements. Your expenditures for OPNAD and local cooperative advertising and/or marketing of the McDonald's System are credited to this required expenditure. You are not required to participate in OPNAD or a local cooperative; however, your consistent involvement with OPNAD and local cooperatives is one of several factors used to measure your compliance with the Operator Involvement standard, which is one of the National Franchising Standards. Also, if you decide not to participate in a cooperative, you may not gain access to that cooperative's advertising and marketing programs (Franchise Agreement – Section 5). See Items 6 and 9.

OPNAD and the local cooperatives are independent entities formed by franchisees. The McOpCo companies that operate restaurants also participate in OPNAD and the local cooperatives. These cooperatives carry out programs to advertise and market cooperative restaurants. Each cooperative maintains and administers its own advertising and marketing fund, which is funded by its members. The funds may be used for media placement and to develop and produce advertising and marketing concepts and materials for use by cooperative restaurants. Individual franchisee and McOpCo-owned restaurants contribute to OPNAD and the local funds on the same basis. Each franchisee member of OPNAD pledges the same contribution rate, currently 2.25% of sales, for a designated period. Each local cooperative establishes its own separate contribution rate and time period for its fund. If you join a local cooperative, you contribute at the same rate as each other member of the cooperative with similar restaurants or restaurants located in the same general area.

Members of OPNAD elect or designate regional representatives with operating and decision making powers to conduct cooperative business. Local cooperative members participate in cooperative business according to the rules and procedures established by each cooperative. McOpCo companies that operate restaurants are members of OPNAD and the local cooperatives. Neither McDonald's nor the McOpCo companies can change or dissolve OPNAD or the local cooperatives.

The OPNAD fund is independently audited annually and its financial statements are available for review. The local cooperatives generally audit their fund and prepare financial statements, which are available for review; however, requirements vary among the cooperatives. The cooperative advertising and marketing funds are intended for uses and allocated in varying percentages designated by each cooperative, including production, media placement, and administrative expenses.

We provide the services of certain marketing, legal, and accounting personnel to the OPNAD fund without charge. That fund administers a gift certificate program on behalf of all of its members for the redemption of gift certificates sold to customers at McDonald's restaurants. Charges for certain other accounting personnel who provide services to the fund and the gift certificate program are included in the administrative costs for the OPNAD fund. The gift certificate program is not related to the Gift Card System described in Item 8.

We are not required to spend any amount to advertise or promote your restaurant in any manner. Since we do not administer or maintain an advertising or marketing fund, there are no unexpended advertising fees used by us. We do not use advertising or marketing funds in any manner to solicit the sale of McDonald's franchises.

Computer Systems:

The term "~~Store Systems~~Technology Platform" describes the combined hardware and software application suite deployed at the restaurant. The ~~Store Systems~~Technology Platform ~~are~~ ~~is~~ generally used in the restaurant to efficiently and accurately process customer orders by integrating production and service systems and to compile information including sales, transactions, product mix, and cash control. The ~~Store Systems~~Technology Platform also may be used to compile inventory, labor, and timekeeping information about the restaurant. All new restaurants must install the current ~~Store Systems~~Technology Platform, though usage of some functionality available through the ~~Store Systems~~Technology Platform is optional and up to your discretion. The cost of the current ~~Store Systems~~Technology Platform ranges from \$15065,000 to \$26550,000, which includes the POS, Cashless System, indoor and outdoor digital menu boards, kiosks, table locators, network hardware, drive-thru headset system, cash recyclers, computer hardware, software, and and-related equipment. See Item 6 for software-related fees. Your restaurant must also have McDonald's-approved high speed internet access with approved wired and/or wireless primary and backup connectivity that meets or exceeds the required speeds to support the Technology Platform.

Enhancements to hardware and software components of the ~~Store Systems~~Technology Platform are made available by McDonald's and McDonald's-approved suppliers for purchase by you, and you may be required to update or upgrade the ~~Store Systems~~Technology Platform periodically to meet McDonald's standards. Normal ~~Store Systems~~Technology Platform software upgrades based on an established enhancement request process are included in your annual maintenance fee as determined by McDonald's. However, you must pay a one-time fee if the ~~Store Systems~~Technology Platform changes significantly. You may choose from an approved supplier or an approved independent third party for installation, maintenance, repair, and support services of ~~Store Systems~~Technology Platform at varying costs.

One component of ~~Store Systems~~the Technology Platform is the POS platform. McDonald's requires new restaurants to use the current version of the POS platform, Sesame. The hardware and software for Sesame are purchased through McDonald's-approved POS suppliers. The hardware and software components for Sesame have been integrated into the service and production systems of the restaurant. Sesame is the proprietary property of McDonald's predecessor.

The restaurant's transaction-level information generated by the POS, including sales, transactions, and product mix information, is stored on your server hardware and transmitted to McDonald's and held on its servers. McDonald's has independent access to this information and there are no contractual limits on its right to access such information.

Another component of the ~~Store Systems~~Technology Platform is the Cashless System, which is used to accept credit and debit card purchases by customers. You must purchase the Cashless System hardware and software that McDonald's specifies (including card readers, cables, and related hardware) from its designated supplier. The required hardware and software, which is not proprietary to McDonald's or any affiliate, has been used continuously in McDonald's restaurants since June 2003. You must also sign an agreement with McDonald's designated transaction processors (see Item 8), ~~and McDonald's recommends that the restaurant has McDonald's approved high-speed internet access.~~ The Cashless System that is compatible with the current ~~Store Systems~~Technology Platform is Cashless 3.0. McDonald's charges an annual fee for maintenance and hosting of cashless transaction data (see Item 6). Your POS system and the transaction processor will collect your cashless transaction information. McDonald's has independent access to aggregated transaction-level information, along with information on the number and dollar amount of specific cashless transactions.

The Gift Card System, which is a component of the Cashless System, is used to offer customers the ability to buy and make purchases with gift cards. To use the Gift Card System, you must sign a subscription agreement with P2W, Inc., which manages the ~~system~~Gift Card System (see Item 8), and purchase specified hardware (including card readers, cables, and related hardware) from a designated supplier. This hardware, which is not proprietary to McDonald's or any affiliate, has been used continuously in McDonald's restaurants since June 2004. You also must sign an agreement with a designated transaction processor (see Item 8). No other hardware or suppliers are

currently approved for the Gift Card System. Your POS system, the transaction processor, and P2W will collect your Gift Card System transaction information. McDonald's has independent access to aggregated transaction-level information, along with information on the number and dollar amount of specific gift card transactions.

Another component of the Technology Platform is the Mobile App, which is a customer-facing mobile application that enables customers to place restaurant orders with their ~~personal~~ mobile devices. The Mobile App is proprietary property of McDonald's predecessor. In connection with accepting orders placed through the Mobile App, you must sign an agreement with McDonald's designated transaction processors (see Item 8). McDonald's charges an annual fee for maintaining the Mobile App and integrating it with the POS (see Item 6). Your POS system and the Mobile App will collect the restaurant's transaction-level information. McDonald's has independent access to this information and there are no contractual limits on its right to access such information.

With ~~both the Technology Platform Cashless and Gift Card systems~~, you may need to replace, upgrade or update your hardware or software during the term of your franchise. There are no contractual limitations on the frequency or cost of these upgrades or updates.

Finally, pursuant to the franchise agreement, you must provide McDonald's with monthly statements of all receipts from the restaurant operation and additional financial, operating, and other information on forms and in the manner McDonald's reasonably requests. To that end, you must submit electronically each month your financial statements, including your consolidated balance sheet, consolidated general and administrative expense statement, consolidated debt summary, and individual restaurant profit and loss statement(s), using McDonald's web-based Franchisee Financial System (FFS).

Site Selection:

We select the site for location of the restaurant premises and negotiate the location's purchase or lease. You do not select or approve restaurant sites. You will not sign a Franchise Agreement unless we have already selected the site.

We utilize our judgment and experience in selecting locations for McDonald's restaurants based upon several factors including population density, traffic patterns, market statistics, proximity of traffic generators (such as shopping centers and schools), and competition, site acquisition and development costs (including accessibility of utility and public services and costs of purchasing or leasing the site), assessment of future demographic developments, our interest in developing an effective marketing network that will be convenient to consumers, and other factors. Site locations are called to our attention through independent canvassing of highways and urban, suburban, small town, and other neighborhoods.

Restaurant Opening:

In the normal course of business, the Franchise Agreement is submitted to you for execution approximately 30 days before the restaurant is opened for business. During this period, you are receiving shipments of restaurant equipment. The initial franchise fee, if applicable, is payable on the opening of the restaurant. No monthly fees accrue until the restaurant opens for business. See Items 5 and 6.

The restaurant opening may occasionally be delayed by weather conditions, delayed delivery, or installation of equipment, fixtures and signs, labor disputes, governmental regulation, or other causes beyond our reasonable control. You may not open the restaurant for business until you have executed the Franchise Agreement and have delivered the agreement to us with payment of the initial franchise fee, if applicable.

Training:

McDonald's operates Hamburger University (HU), the international training center for the McDonald's System. The content and duration of all operations courses, which are offered at HU and various local sites, are revised and reconsidered from time to time to meet the needs of our franchisees. All courses and learning events are offered at frequent intervals and are designed to give you specific skill sets in the various facets of the conduct of a McDonald's restaurant, including such areas as guest satisfaction, operational standards, financial controls, and

leading people. The basic minimum core training, which you must complete to be qualified to operate a McDonald's restaurant, is known as the Candidate Development Program. Existing franchisees will not be required to complete the curriculum to acquire an additional restaurant.

Our Candidate Development Program is deployed through Campus and Fred, which allows you to complete and track the progress of your assigned learning online. You are also assigned a coach who helps with your assigned learning, monitors your training, and verifies the skills acquired. It can take 6 months to two years to complete all learning plans, from Shift Leader ~~through to~~ Restaurant Leader through the business learning path. The time needed to complete a learning plan may vary due to previous classes you have completed, and the amount of time you dedicate to training each week.

The complete training program and materials include many elements. There are various instructor-led classes, computer-based learning (e-learning), coaching sessions, visual job aids, practical simulations, and verifications for all stations and positions. The training method and manner are tailored to individual circumstances. As part of the training program, you must perform and master all of the crew and management functions at the restaurant. You do not receive compensation during the training program. McDonald's does not charge you a fee to complete the basic minimum core training provided at our field office training centers.

You are required to complete all curricula, including the Leading Great Restaurants Class conducted at HU in Chicago, to McDonald's satisfaction to be qualified to operate a McDonald's restaurant. You must be fully trained, in McDonald's sole judgment, before you operate a restaurant.

At the opening of your restaurant, a franchise business partner will spend time with you providing assistance and refinement of previous training and instruction.

You must complete the training program successfully before signing the Franchise Agreement or paying any money to McDonald's.

The experience of the instructors in the McDonald's restaurant business averages ~~815~~ or more years. Instructors include HU-facilitators and field learning consultants. ~~Bethany Tate Cornell~~ Shannon Mullaney, Senior Director, Learning & Development Vice President and Chief Learning and Development Officer, leads ~~has been the head of our Learning and Development in the United States since November 2020.~~ Shannon has served in various learning and development roles at McDonald's since February 2019. ~~Prior to this role, Bethany held multiple leadership roles of various responsibility over a 30 year career in IBM, Ethan Allen Home Interiors, Gap, Inc, General Electric and Boeing. Most recently, from April 2017 to October 2020, she was the Vice President of Leadership, Learning and Organizational Capability at Boeing based in St. Louis, Missouri.~~

McDonald's bears the cost of maintaining HU and other designated training centers associated with providing basic and advanced instruction in the Candidate Development Program, including the overhead cost of training, staff salaries, materials, and all technical training tools. You are responsible for the costs of traveling, living, compensation, and other expenses incurred by you and your employees in connection with attendance at HU or other training facilities. You may also be charged a fee to cover McDonald's costs of providing certain training and related materials other than those associated with the Candidate Development Program. You are not an employee of McDonald's and are not compensated by McDonald's for or during any training described in this Item.

Annual meetings, conventions, various workshops, and other training sessions may be conducted on an ongoing basis within each field office, and McDonald's may require you to pay for the costs associated with that ongoing training or participation. Additionally, optional courses may be offered to you or your employees for a fee. You are responsible for the costs of traveling, living, compensation, and other expenses incurred by you and your employees in connection with attendance at all ongoing training.

In addition to HU and McDonald's other designated training centers, McDonald's occasionally may offer initial and ongoing training at temporary remote locations (such as hotel conference rooms) for the convenience of attendees. These remote locations are not designated training centers, but you may attend them in lieu of

designated training centers. If you elect to attend training offered at a remote location, McDonald's may require you to pay for the costs associated with that training.

Before entering the training program, you must sign a Preliminary Agreement, which is attached to this disclosure document as Exhibit J. The Preliminary Agreement contains the terms of our agreement, which allows you to participate in McDonald's franchise applicant training program. It states, among other things, that there is no guarantee that you will be offered a McDonald's franchise, that McDonald's may remove you from the training program for any reason or no reason at all, and you may withdraw from the training program at any time. The Preliminary Agreement also states you will not be compensated during your training and will not be an employee of McDonald's or any McDonald's franchisee.

The Candidate Development Program is described in the following tables and includes, but is not limited to:

- (1) **Self-Study Modules and Coaching:** Self-directed modules and coaching provide initial training, practice, and verification.
- (2) **Facilitated Courses:** Instructor-led training is supported and reinforced by facilitated courses that emphasize participant involvement. Interactive problem solving, small work group, and skill-building activities provide an opportunity to practice new skills and obtain feedback from peers and instructors.
- (3) **Equipment Training:** Self-directed equipment training and instructor-led support is provided based on system needs.

The recommended methods and time frames for training, practice, and verification have been determined to ensure that you receive the right training at the right time. The training program table below generally describes the minimum classroom and in-restaurant training that you must complete to be considered qualified to operate a McDonald's restaurant, but it can take longer. Since the entire curriculum is skill-based, the time necessary to complete the training varies from individual to individual.

Item 12 Territory

McDonald's franchises contain a limited grant of authority to use the McDonald's System in the operation of the specific restaurant developed by McDonald's at that address. The Franchise Agreement does not contain any exclusive grant, exclusive area, exclusive territorial rights, protected territory, or any right to exclude, control, or impose conditions on the location or development of future McDonald's restaurants at any time. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The sales and customer trading patterns which a restaurant experiences at any particular time are subject to change by reason of many factors,

including our ongoing development of the marketing network of McDonald’s restaurant locations, and do not represent any continuing franchisee entitlement or expectation. McDonald’s may establish other franchisee or McOpCo company-owned outlets that may alter customer trading patterns and affect the sales of, and compete with, your location. McDonald’s reserves the right to use the Marks (as described in Item 13) in any other channel of distribution. For example, McCafe packaged coffee is being sold in supermarkets and other retail outlets and via e-commerce. McDonald’s reserves the right to sell other similar goods and services under the Marks or under different trademarks and service marks. Internal policies which McDonald’s may apply and modify periodically in connection with decisions to develop new restaurants are not part of the Franchise Agreement and do not involve any contract right granted to you.

Item 13 Trademarks

We grant you the right to use many commercially valuable trademarks, trade names, service marks, logos, and other commercial symbols (collectively “Marks”) that are material to the operation of your restaurant.

The following Marks have been registered with the United States Patent and Trademark Office on the Principal Register. All required affidavits of use and applications for renewal have been filed and accepted. Those Marks which have been registered for more than 6 years have become incontestable.

We believe the following Marks are the principal marks you will use to identify your restaurant.

<u>Trade/Service Mark</u>	<u>Reg. No.</u>	<u>Reg. Date</u>	<u>Int. Class</u>
THE GOLDEN ARCHES LOGO	893,440	06/23/70	43
McDONALD’S (Name)	743,572	01/08/63	43
McDONALD’S and GOLDEN ARCHES LOGO (Sign Design)	1,287,408	07/24/84	43

The grant of rights under the McDonald’s System includes the non-exclusive right to use all the Marks in connection with the operation of your restaurant.

We do not own the Marks. We are licensed by our affiliate, Restaurant Brands, LLC, to use and license the use of the Marks in the U.S. in connection with McDonald’s restaurants. This license lasts for 20 years from the effective date of that license, with automatic renewals, and may be terminated only by agreement, if we become the subject of any insolvency proceedings or if we fail to use the Marks as prescribed by Restaurant Brands. Periodically, additional Marks may be adopted and/or registered that are considered important to our business, and we may incorporate some but not all of them into the McDonald’s System.

There currently are no decisions of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, or the trademark administrator of any state or any court which affect your right to use the Marks. There is currently no pending infringement, opposition, or cancellation proceeding nor any material litigation involving such Marks the outcome of which is relevant to their use in the state in which your restaurant is to be located.

Other than our license with Restaurant Brands, there currently are no agreements that significantly limit our rights to use or license the use of the Marks in the U.S. in a manner material to the franchise. You must follow our rules when you use the Marks. You cannot use our name or any Mark as part of the name of your operating company, or with any modifying words, designs, or symbols (except those we approve).

There is no obligation under the Franchise Agreement to notify us of any use by others of names or marks which are identical or confusingly or deceptively similar to any of the Marks. While there is no obligation under the Franchise Agreement to take affirmative action, we consider the Marks to be a valuable property right and we continually work, in cooperation with our affiliates, to protect the Marks against infringement by others and to

protect your right to use the Marks. Restaurant Brands or our predecessor has the right to control administrative proceedings or litigation involving the Marks. To our knowledge there currently are no superior prior rights or infringing uses of the Marks that would materially affect your use of the Marks in the operation of your restaurant.

We have no obligation under the Franchise Agreement to protect you against, participate in your defense of, or to reimburse you for, any damages which you are held liable for in any proceeding arising out of your use of the Marks. We may at any time require you to limit and/or modify your use of the Marks. In this event, we are not obligated under the Franchise Agreement to reimburse you for the cost incurred due to the modification or discontinuance of use of the Marks.

Item 14

Patents, Copyrights, and Proprietary Information

No patents are required to be disclosed in this Item.

We or our predecessor claim copyrights in the O&T Manual and various menus, advertising and marketing materials, and similar items used in operating your restaurant. These copyrighted materials have not been registered with the U.S. Registrar of Copyrights, and do not need to be registered at this time. Currently there are no decisions of the U.S. Copyright Office (Library of Congress), and no pending infringement proceedings or material litigation involving the copyrighted works that could affect your use of them. Any copyrighted works that we do not own are licensed to us by our predecessor. This license may be terminated only by agreement, if we become the subject of any insolvency proceedings, or if we breach the terms of our license agreement with our predecessor. Other than our license with our predecessor, there currently are no agreements that significantly limit our rights to use or license the use of the copyrighted works in the U.S.

You have no obligation under the Franchise Agreement to notify us of any apparent infringement of or challenge to your use of any copyrighted works, or of any person's claim of any rights in any copyrighted works. Although there is no obligation under the Franchise Agreement for us to take affirmative action, we consider the copyrighted works to be valuable property and we continually work, in cooperation with our predecessor, to protect against infringement by others and to protect your rights of use. Our predecessor has the right to control all litigation involving the copyrighted works it licenses to us, including the O&T Manual. We have no obligation under the Franchise Agreement to protect you against, participate in your defense of, or to reimburse you for, any damages that you are held liable for in any proceeding arising out of your use of any copyrighted works.

We may modify or discontinue using any copyrighted works, and/or use additional or substitute copyrighted works, and you must comply with our directions for any modification or discontinuance after receiving notice from us. We are not obligated under the Franchise Agreement to reimburse you for any costs incurred due to any modification or discontinuance of any copyrighted works.

McDonald's O&T Manual and other materials in the McDonald's System contain trade secrets and confidential and proprietary information. This information includes, but is not limited to: methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge and experience used in developing and operating McDonald's restaurants; real estate and development plans; marketing plans, research, advertising and promotional programs for McDonald's restaurants; knowledge of suppliers, methods of ordering and specifications for products, materials, and supplies; knowledge of the operating results, financial information, and financial performance information; customer communication and retention programs; graphic designs; intellectual property; recipes, formulae and food preparation processes; information generated by, or used or developed in, the operation of a restaurant; and any other information McDonald's may designate as confidential or proprietary. You must follow our rules when you use the O&T Manual and any other confidential and proprietary information. You must keep them absolutely confidential at all times, and you must take all reasonable steps to prevent improper disclosure to others.

In addition, you must not disclose (unless approved or required by McDonald's) financial performance, operating results, or sales information (collectively, the "Financial Information") relating to your McDonald's restaurant where: (a) McDonald's has not publicly disclosed its financial performance for the period; (b) it is

reasonably foreseeable that such Financial Information will be consolidated with the Financial Information of other McDonald's restaurants; and (c) it is reasonably foreseeable that the Financial Information or consolidated Financial Information will be made public and/or be used to influence investment decisions regarding McDonald's common stock.

Using McDonald's confidential and proprietary information or the Financial Information in an unauthorized manner is strictly prohibited. Failure to maintain the confidentiality of this information and/or the unauthorized use or disclosure of this information may lead to civil or criminal prosecution as well as the termination of the Franchise Agreement.

Item 15 Obligation to Participate in the Actual Operation of the Franchise Business

We require you to provide full time and best efforts to, and personal on-premises supervision of, the day-to-day operation of your McDonald's restaurant business. This duty is stated in paragraphs 1(e) and 13 of the Franchise Agreement.

Item 16 Restrictions on What the Franchisee May Sell

You may sell only products authorized by McDonald's and use the premises only as a McDonald's restaurant. In the dispensing and sale of these products, you may use only packaging, paper goods, ingredients, and handling and preparation methods that meet the McDonald's System specifications and quality standards which we may designate and modify. We have the right to add, delete, or change authorized products that you are required to offer. There are no limits on our right to do so. See Items 8 and 9.

The McDonald's System is a comprehensive restaurant system for the retailing of a limited menu of uniform and quality food and beverage products, which McDonald's may modify at any time at its discretion. You must operate the restaurant in conformity with the entire McDonald's System at all times, including serving at the restaurant a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service. See Items 8 and 9.

We impose no limitations on the customers to whom you may sell goods and services, provided that you adopt and use the McDonald's System only at the specific restaurant developed by McDonald's and franchised to you. See Item 12.

Item 18 Public Figures

McDonald's does not use any public figure to promote our franchise.

Item 19 Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The average annual sales volume of domestic traditional McDonald's restaurants open at least 1 year as of December 31, 2024~~2025~~, was \$4,088,000 ~~002,000~~ during 2024~~2025~~. The

The highest and lowest annual sales volume in ~~2024~~2025 for these domestic traditional franchised McDonald's restaurants was ~~\$20,421,000 \$19,680,000~~ and ~~\$1,063,000\$914,000~~, respectively. The median annual sales volume of domestic traditional franchised McDonald's restaurants open at least 1 year as of December 31, ~~2024~~2025, was ~~\$3,887,000 \$3,797,000~~ during ~~2024~~2025.

Of the approximately ~~490~~549 domestic traditional McOpCo restaurants opened at least 1 year as of December 31, ~~2024~~2025, approximately 96% had annual sales volumes in excess of \$3,000,000; approximately 94% had annual sales volumes in excess of \$3,200,000; and approximately ~~899~~89% had annual sales volumes in excess of \$3,400,000. The average annual sales volume of domestic traditional McOpCo restaurants open at least 1 year as of December 31, ~~2024~~2025, was ~~\$4,871,000 4,793,000~~ during ~~2024~~2025. The highest and lowest annual sales volume in ~~2024~~2025 for these domestic traditional McOpCo restaurants was ~~\$10,562,000 \$10,030,000~~ and ~~\$2,012,000\$1,820,000~~, respectively. The median annual sales volume of domestic traditional McOpCo restaurants open at least 1 year as of December 31, ~~2024~~2025, was ~~\$4,812,000 \$4,612,000~~ during ~~2024~~2025.

The pro forma statements included below show annual sales volumes of \$3,000,000, \$3,200,000, and \$3,400,000. These pro forma statements have been derived from independent franchisee traditional restaurant financial statements to provide information relevant to a prospective franchisee (see Note 1). Specific assumptions used in the presentation of these pro forma statements are indicated above and below each statement.

The pro forma statements are based upon a total of ~~11,332~~11,512 independent franchisee traditional restaurants open and operated by a franchisee for at least 1 year and do not include restaurants operated by McOpCo companies, Satellites or the domestic traditional franchised restaurants that changed owners in ~~2024~~2025 and for which we had complete financial statements. A franchisee's individual financial results may differ from the results stated in the pro forma statements for the reasons described in this item or for other reasons. Substantiation of the data used in preparing the earnings claims, including computations of all actual or average profit or earnings, will be made available to prospective franchisees upon reasonable request.

It is anticipated that the information reported in these pro forma statements reflects the operating results before occupancy costs for independent franchisee restaurants open for at least 1 year. However, the operating income before occupancy cost figures appearing below should not be construed as the financial results or "profit" before occupancy costs which might be experienced by a franchisee with a similar sales volume or an indication that any particular sales volume will be obtained. An individual franchisee is likely to experience operating expense variations including, but not limited to, general insurance, legal and accounting fees, labor costs, and store management benefits (life and health insurance, etc.). Additionally, market conditions, operational and management methods employed by a franchisee, different geographic areas of the country, and menu price variations may significantly affect operating results. The nature of these variables makes it difficult to estimate the financial results for any particular franchisee or location.

PRODUCT SALES (see Note 2)	\$3,000,000	100.0%	\$3,200,000	100.0%	\$3,400,000	100.0%

Of the ~~11,322~~11,512 independent franchisee traditional restaurants included in the pro forma statements above, approximately ~~76%~~78% had operating income before occupancy costs greater than ~~\$734~~732,000; approximately ~~69%~~72% had operating income before occupancy costs greater than ~~\$812,000~~\$795,000; and approximately ~~62%~~66% had operating income before occupancy costs greater than ~~\$879,000~~\$864,000.

* **OTHER OPERATING EXPENSES** — Includes, but is not limited to, the following costs: labor, franchisee’s salary as manager, payroll taxes, advertising fee (as described in Item 6), promotion, outside services, linen, operating supplies, small equipment, maintenance and repair, utilities, office supplies, legal and accounting fees, insurance, real estate and personal property taxes, business operating licenses, and non-product income or expense. This is a combination of the Total Controllable Expenses and Other Operating Expenses excluding rent, royalties, D&A, and interest included in our typical store financial statements. (The royalties payable by these franchised restaurants during the covered period were 4% or 5% of Gross Sales, depending on the circumstances. See Item 6~~The royalties payable by these franchised restaurants during the covered period were 4% of Gross Sales.~~)

** **OPERATING INCOME BEFORE OCCUPANCY COSTS** — Represents Operating Income excluding rent, royalty, D&A, interest, and income taxes. (The royalties payable by these franchised restaurants during the covered period were 4% or 5% of Gross Sales, depending on the circumstances. See Item 6~~The royalties payable by these franchised restaurants during the covered period were 4% of Gross Sales.)~~ The rent paid to McDonald’s will vary based upon sales and McDonald’s investment in land, site improvements, and building costs. Refer to Item 6 for information regarding franchise fees (including rent and royalty paid to McDonald’s). D&A and interest will vary based upon the purchase price and required reinvestment of the specific restaurant acquired. Refer to Item 7 for a description of investment costs.

Additionally, organization overhead costs such as salaries and benefits of non-restaurant personnel (if any), cost of an automobile used in the business (if any), and other discretionary expenditures may significantly affect profits realized in any given operation. The nature of these variables makes it difficult to estimate the performance for any particular restaurant with sales of any given volume.

Note 1 — Data for McOpCo company restaurants is not included in the pro forma statements because of certain expenses that are typically incurred by a McOpCo-operated restaurant that are not incurred by restaurants franchised to individuals. If data for McOpCo-operated restaurants open for at least 1 year were included along with franchised restaurants, the percent of total restaurants in each category would not be statistically different and the range of Operating Income Before Occupancy Costs would be ~~\$730~~728,000 to ~~\$868~~857,000.

Note 2 — The description of this line, “Product Sales,” is to clarify that only product sales are included. Non-product sales and associated costs are included in Other Operating Expenses. The Operating Income Before

Occupancy Costs numbers were determined using restaurants with product sales between \$2,900,000 to \$3,100,000; \$3,100,000 to \$3,300,000; and \$3,300,000 to \$3,500,000, respectively.

Note 3 — We are not presenting average occupancy costs in the above calculation because a wide variety of rent charts and ownership options exist. In addition, the effective rent paid by a franchisee may be more in any particular month than the stated percent rent indicated in the franchisee’s lease because a portion of the rent may be fixed regardless of the sales level for a given month. The range of effective rent percentages in ~~2024~~2025 for franchised restaurants was 0.00% to 33.~~33~~37%. Refer to Item 6 for a description of rents.

Some McDonald’s restaurants have achieved these sales, profits or earnings. Your individual results may differ. There is no assurance that you will sell or earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, McDonald’s does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting ~~John M. Richardson~~Monica J. Mosby, 110 N. Carpenter Street, Chicago, Illinois, (630) 623-3000, the Federal Trade Commission, and the appropriate state regulatory agencies.

- (1) Substantially all of the Terminations are as a result of closings of restaurants by mutual agreement during the franchise term.
- (2) Franchisees are not given the right to renew or extend the franchise at the end of the term. At McDonald’s sole discretion, a franchisee may or may not be offered a new term franchise. If we do not grant a new term franchise, the franchisee has the opportunity to sell the franchise during the remaining term, and a qualified purchaser is allowed to enter into a new term Franchise Agreement at the end of the remaining term. These transactions are not included as Non-Renewals. Substantially all of the Non-Renewals are as a result of closings of restaurants by mutual agreement at the end of the franchise term.
- (3) Reacquired by Franchisor does not include “spin” transactions, in which we or an affiliate acquired the restaurant from one franchisee and immediately sold the restaurant to another franchisee without our ever having operated the restaurant.
- (4) Ceased Operations includes Franchise Agreements that were mutually terminated because the franchisee relocated the restaurant to a new site. The existing Franchise Agreement was terminated, and we entered into a Franchise Agreement for the new site with the franchisee.

The Board of Directors
McDonald's USA, LLC

Opinion

We have audited the consolidated financial statements of McDonald's USA, LLC (the Company), which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of income, members' equity and cash flows for each of the three years in the period ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Summary of Significant Accounting Policies

NATURE OF BUSINESS

McDonald's USA, LLC (the "Company") is a limited liability company that franchises and operates McDonald's restaurants in the restaurant industry in the United States.

All restaurants are operated either by the Company or by franchisees, including conventional franchisees under franchise arrangements, and affiliates under license agreements.

The following table presents restaurant information by ownership type:

Restaurants at December 31,	2025	2024	2023
Franchised	13,062	12,886	12,772
Company-owned and operated	644	671	685
Total Systemwide restaurants	13,706	13,557	13,457

The results of operations of restaurant businesses purchased and sold in transactions with franchisees were not material either individually or in the aggregate to the accompanying consolidated financial statements.

The Company is a wholly owned subsidiary of McDonald's Corporation ("McDonald's"). On January 1, 2005, McDonald's contributed assets, net of liabilities, of \$5,549 million to the Company. McDonald's has retained legal title to certain of the property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements. McDonald's or its affiliates directly own the intellectual property rights in the U.S. and license or sublicense such rights to the Company. The financial position, results of operations and cash flows of the Company could differ from the reported results had the Company operated as an autonomous entity independent of McDonald's.

CONSOLIDATION

The consolidated financial statements include the accounts of the Company and its subsidiaries.

On an ongoing basis, the Company evaluates its business relationships such as those with franchisees, joint venture partners, suppliers and advertising cooperatives to identify potential variable interest entities. Generally, these businesses qualify for a scope exception under the variable interest entity consolidation guidance. The Company has concluded that consolidation of any such entity is not appropriate for the periods presented.

Certain columns and rows within the financial statements and tables presented may not add due to rounding. Percentages have been calculated from the underlying whole-dollar amounts for all periods presented.

ESTIMATES IN FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

RECENT ACCOUNTING PRONOUNCEMENTS

Recent Accounting Pronouncements Not Yet Adopted

Income Taxes

In December 2023, the Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") No. 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09"). The pronouncement expands the disclosure requirements for income taxes, specifically related to the rate reconciliation and income taxes paid. The Company has evaluated the disclosure requirements and determined that the adoption of this standard did not have, and is not expected to have, a material impact on the consolidated financial statement disclosures.

Disaggregation - Income Statement Expenses

In November 2024, the FASB issued ASU No. 2024-03, "Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses" ("ASU 2024-03"). The pronouncement expands the disclosure requirements for expenses, specifically by providing more detailed information about the types of expenses in commonly presented expense captions. ASU 2024-03 is effective for fiscal years beginning after December 15, 2026. We are currently in the process of determining the impact that ASU 2024-03 will have on the Company's Consolidated Financial Statements.

Internal-Use Software

In September 2025, the FASB issued ASU No. 2025-06, "Intangibles - Goodwill and Other - Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software" ("ASU 2025-06"). The pronouncement modernizes the accounting

guidance for internal-use software costs by removing the various stages of a software development project to accommodate different software development methods. ASU 2025-06 is effective for fiscal years beginning after December 15, 2027. We are currently in the process of determining the impact that ASU 2025-06 will have on the Company's Consolidated Financial Statements.

REVENUE RECOGNITION

The Company's revenues consist of sales by Company-owned and operated restaurants and fees from restaurants operated by franchisees and affiliates. Revenues from conventional franchised restaurants include rent and royalties based on a percent of sales with minimum rent payments, and initial fees. Revenues from restaurants licensed to affiliates include a royalty based on a percent of sales, and generally include initial fees. The Company's Other revenues are comprised of fees paid by franchisees to recover a portion of costs incurred by the Company for various technology platforms and revenues from brand licensing arrangements to market and sell consumer packaged goods using the McDonald's brand.

Sales by Company-owned and operated restaurants are recognized on a cash basis at the time of the underlying sale and are presented net of sales tax and other sales-related taxes. Royalty revenues are based on a percent of sales and recognized at the time the underlying sales occur. Rental income includes both minimum rent payments, which are recognized straight-line over the franchise term, and variable rent payments based on a percent of sales, which are recognized at the time the underlying sales occur. Initial fees are recognized as the Company satisfies the performance obligation over the franchise term, which is generally 20 years.

The Company provides goods or services related to various technology platforms to certain franchisees that are distinct from the franchise agreement because they do not require integration with other goods or services that the Company provides. The Company has determined that it is the principal in these arrangements. Accordingly, the related revenue is presented on a gross basis on the Consolidated Statement of Income. These revenues are recognized as the goods or services are transferred to the franchisee, and related expenses are recognized as incurred, primarily within Other restaurant expenses. Brand licensing arrangement revenues are based on a percent of sales and are recognized at the time the underlying sales occur.

PROPERTY AND EQUIPMENT

Property and equipment are stated at cost, with depreciation and amortization provided using the straight-line method over the following estimated useful lives: buildings—up to 40 years; leasehold improvements—the lesser of useful lives of assets or lease terms which generally include certain option periods; and equipment—3 to 12 years. McDonald's has retained legal title to certain of the property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements.

The Company periodically reviews these lives relative to physical factors, economic factors and industry trends. If there are changes in the planned use of property and equipment, or if technological changes occur more rapidly than anticipated, the useful lives assigned to these assets may need to be shortened, resulting in the accelerated recognition of depreciation and amortization expense or write-offs in future periods.

The Company may share in the cost of certain restaurant improvements with its franchisees. Since the Company manages the project and provides up front funding in these instances, during the project the Company estimates which costs are the responsibility of McDonald's USA, LLC and which are the responsibility of the franchisee and allocates the corresponding costs between Property and equipment and Accounts receivable. Upon the completion of the project, the allocation of costs is finalized and may result in immaterial adjustments to the balances and associated depreciation expense.

LEASING

The Company is the lessee in a significant real estate portfolio, primarily through ground leases (the Company leases the land and generally owns the building) and through improved leases (the Company leases the land and buildings). The Lease right-of-use asset and Lease liability reflect the present value of the Company's estimated future minimum lease payments over the lease term, which includes options that are reasonably assured of being exercised, discounted using a collateralized incremental borrowing rate considering the term of the lease and particular currency environment. Leases with an initial term of 12 months or less, primarily related to leases of office equipment, are not included in the Lease right-of-use asset or Lease liability and continue to be recognized in the Consolidated Statement of Income on a straight-line basis over the lease term.

The Company has elected not to separate non-lease components from lease components in its lessee portfolio. To the extent that occupancy costs, such as site maintenance, are included in the asset and liability, the impact is immaterial and is generally limited to Company-owned and operated restaurant locations. For franchised locations, which represent the majority of the restaurant portfolio, the related occupancy costs including property taxes, insurance and site maintenance are generally required to be paid by the franchisees as part of the franchise arrangement. In addition, the Company is the lessee under non-restaurant related leases such as office buildings, vehicles and office equipment. These leases are not a material subset of the Company's lease portfolio.

CAPITALIZED SOFTWARE

Capitalized software is stated at cost and amortized using the straight-line method over the estimated useful life of the software, which primarily ranges from 3 to 10 years. Customer facing software is typically amortized over a shorter useful life, while back office and Corporate systems may have a longer useful life. Capitalized software less accumulated amortization is recorded within Miscellaneous other assets on the Consolidated Balance Sheet and was (in millions): 2025-\$61; 2024-\$72; 2023-\$92.

The Company reviews capitalized software for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable or if an indicator of impairment exists. The Company did not identify any indicators of material impairment of capitalized software for the years ended December 31, 2025, 2024 and 2023.

LONG-LIVED ASSETS

Long-lived assets are reviewed for impairment annually in the fourth quarter and whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. For purposes of annually reviewing McDonald's restaurant assets for potential impairment, assets are initially grouped together in the U.S. at a field office level. The Company manages its restaurants as a group or portfolio with significant common costs and promotional activities; as such, an individual restaurant's cash flows are not generally independent of the cash flows of others in a market. If an indicator of impairment exists for any grouping of assets, an estimate of undiscounted future cash flows produced by each individual restaurant within the asset grouping is compared to its carrying value. If an individual restaurant is determined to be impaired, the loss is measured by the excess of the carrying amount of the restaurant over its fair value as determined by an estimate of discounted future cash flows.

Losses on assets held for disposal are recognized when management and the Company's Board of Directors, as required, have approved and committed to a plan to dispose of the assets, the assets are available for disposal and the disposal is probable of occurring within 12 months, and the net sales proceeds are expected to be less than its net book value, among other factors. Generally, such losses are related to restaurants that have closed and ceased operations as well as other assets that meet the criteria to be considered "held for sale".

GOODWILL

Goodwill represents the excess of cost over the net tangible assets and identifiable intangible assets of acquired restaurants and other businesses, and it is generally assigned to the reporting unit (defined as the US market). The Company's goodwill primarily results from purchases of McDonald's restaurants from franchisees. When purchasing restaurants from a franchisee, the Company generally uses a discounted cash flow methodology (Level 3 inputs within the valuation hierarchy), which determines the fair value of restaurants acquired based on their expected profitability and cash flows. The Company did not have any significant restaurant acquisitions from franchisees in 2025. If a Company-owned and operated restaurant is sold within 24 months of acquisition, the goodwill associated with the acquisition is written off in its entirety. If a Company-owned and operated restaurant is sold beyond 24 months from the acquisition, the amount of goodwill written-off is based on the relative fair value of the business sold compared to the fair value of the reporting unit. Company-owned and operated restaurant sales were not material for the years ended December 31, 2025, 2024 and 2023.

The Company conducts goodwill impairment testing in the fourth quarter of each year or whenever indicators of impairment exist. If an indicator of impairment exists, the goodwill impairment test compares the fair value of a reporting unit, generally based on discounted future cash flows, with its carrying amount including goodwill. If the carrying amount of a reporting unit exceeds its fair value, an impairment loss is recorded for the difference. In the current period, the Company performed a qualitative assessment and did not identify any indicators of impairment. Historically, goodwill impairment has not significantly impacted the consolidated financial statements.

ADVERTISING COSTS

Advertising costs included in operating expenses of Company-owned and operated restaurants primarily consist of contributions to advertising cooperatives based upon a percent of sales, and were (in millions): 2025—\$90; 2024—\$95; 2023—\$92.

In addition, significant advertising costs are incurred by conventional franchisees through contributions to advertising cooperatives that are based upon a percent of sales. McDonald's is not the primary beneficiary of these entities, and therefore has concluded that consolidation would not be appropriate, as the Company does not have the power through voting or similar rights to direct the activities of the cooperatives that most significantly impact their economic performance.

Production costs for radio and television advertising are expensed when the commercials are initially aired. These production costs, as well as other marketing-related expenses are included in Selling, general & administrative expenses and were (in millions): 2025—\$81; 2024—\$85; 2023—\$37. In addition, significant advertising costs are incurred by franchisees through contributions to advertising cooperatives.

INCOME TAXES

The Company's earnings will be included in McDonald's consolidated U.S. federal income tax return. For state income tax returns, depending on the laws of each state, the Company's earnings may be combined with the earnings of the McDonald's consolidated group or the Company may file its own state income tax return. The Company records its income tax provision on a separate-return basis and settlements are made through intercompany accounts with McDonald's. Deferred assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of assets and liabilities and their respective tax bases are recorded in the Company's consolidated balance sheets.

Income tax uncertainties

The Company is regularly audited by federal and state tax authorities, and tax assessments may arise several years after tax returns have been filed. Accordingly, tax liabilities are recorded when, in management's judgment, a tax position does not meet the more likely than not threshold for recognition. For tax positions that meet the more likely than not threshold, a tax liability may still be recorded depending on management's assessment of how the tax position will ultimately be settled. The Company records interest and penalties on unrecognized tax benefits in the provision for income taxes.

Comprehensive Income

The FASB Topic 220 – Comprehensive Income does not apply to the Company since there are no items of other comprehensive income in any period presented.

Property and Equipment

Net property and equipment consisted of:

<i>In millions</i>	<i>December 31,</i>	2025	<i>2024</i>
Land	\$	4,536	\$ 4,167
Buildings and improvements on owned land		12,538	12,096

Other		71	68
Property and equipment, at cost		23,885	22,921
Accumulated depreciation and amortization		(10,498)	(9,841)
Net property and equipment	\$	13,387	\$ 13,080

Depreciation and amortization expense for property and equipment was (in millions): 2025—\$886; 2024—\$870; 2023—\$865. McDonald's has retained legal title to certain property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements. Such assets are included in the amounts above.

Franchise Arrangements

Conventional franchise arrangements generally include a lease and a license and provide for payment of initial fees, as well as continuing rent and royalties to the Company based upon a percent of sales with minimum rent payments. Minimum rent payments are based on the Company's underlying investment in owned sites and parallel the Company's underlying leases and escalations on properties that are leased. Under the franchise arrangement, franchisees are granted the right to operate a restaurant using the McDonald's System and, in most cases, the use of a restaurant facility, generally for a period of 20 years. At the end of the 20-year franchise arrangement, the Company maintains control of the underlying real estate and building and can either enter into a new 20-year franchise arrangement with the existing franchisee or a different franchisee or close the restaurant. Franchisees generally pay related occupancy costs including property taxes, insurance and site maintenance.

McDonald's has elected to allocate consideration in the franchise contract among lease and non-lease components in the same manner that it has historically: rental income (lease), royalty income (non-lease) and initial fee income (non-lease). This disaggregation and presentation of revenue is based on the nature, amount, timing and certainty of the revenue and cash flows. The allocation has been determined based on a mix of both observable and estimated standalone selling prices (the price at which an entity would sell a promised good or service separately to a customer).

Revenues from franchised restaurants consisted of:

<i>In millions</i>	2025	<i>2024</i>	<i>2023</i>
Rents	\$ 5,254	\$ 5,171	\$ 5,140
Royalties	2,090	2,015	1,998
Initial fees	27	25	25
Revenues from franchised restaurants	\$ 7,371	\$ 7,211	\$ 7,163

Future gross minimum rent payments due to the Company under existing conventional franchise arrangements are:

<i>In millions</i>	<i>Owned sites</i>	<i>Leased sites</i>	<i>Total</i>
2026	\$ 836	\$ 598	\$ 1,434
2027	799	570	1,369
2028	761	536	1,297
2029	711	500	1,211
2030	669	474	1,143
Thereafter	4,348	3,157	7,505
Total minimum payments	\$ 8,124	\$ 5,835	\$ 13,959

At December 31, 2025, net property and equipment under franchise arrangements totaled \$12 billion (including land of \$4 billion) after deducting accumulated depreciation and amortization of \$9 billion.

Leasing Arrangements

The Company is the lessee in a significant real estate portfolio, primarily through ground leases (the Company leases the land and generally owns the building) and through improved leases (the Company leases land and buildings). The Company determines whether an arrangement is a lease at inception. Lease terms for most restaurants, where market conditions allow, are generally for 20 years and, in many cases, provide for rent escalations and renewal options. Renewal options are typically solely at the Company's discretion. Escalation terms vary by market with examples including fixed-rent escalations, escalations based on an inflation index and fair-value market adjustments. The timing of these escalations generally ranges from annually to every five years.

The following table provides detail of rent expense:

<i>In millions</i>	2025	2024	2023
Company-owned and operated restaurants	\$ 22	\$ 23	\$ 23
Franchised restaurants	544	541	537
Other	28	29	35
Total rent expense	\$ 594	\$ 593	\$ 595

Rent expense included percent rents in excess of minimum rents (in millions) as follows – Franchised restaurants: 2025–\$98; 2024–\$102; 2023–\$99.

The Lease right-of-use asset and Lease liability reflect the present value of the Company's estimated future minimum lease payments over the lease term, which includes options that are reasonably certain of being exercised, discounted using a collateralized incremental borrowing rate. Typically, renewal options are considered reasonably certain of being exercised if the associated asset lives of the building or leasehold improvements exceed that of the initial lease term, and the sales performance of the restaurant remains strong. Therefore, the Lease right-of-use asset and Lease liability include an assumption on renewal options that have not yet been exercised by the Company, and are not currently a future obligation.

The following table details amounts related to operating and finance leases recorded within the Company's Consolidated Balance Sheet.

December 31, 2025

<i>In millions</i>	Operating	Finance	Total
Lease right-of use asset, net	\$ 4,706	\$ 1,300	\$ 6,006
Current Lease liability	191	8	199
Long-term lease liability	4,994	996	5,990

December 31, 2024

<i>In millions</i>	Operating	Finance	Total
Lease right-of use asset, net	\$ 4,821	\$ 1,020	\$ 5,841
Current Lease liability	187	9	196
Long-term lease liability	5,075	774	5,849

As the rate implicit in each lease is not readily determinable, the Company uses an incremental borrowing rate to calculate the lease liability that represents an estimate of the interest rate the Company would incur to borrow on a collateralized basis over the term of a lease within a particular currency environment.

The following table summarizes the weighted average remaining lease term and discount rate used for leases as of December 31, 2025 and 2024:

	2025	2024
Weighted-average remaining lease term - operating leases	17 Years	17 Years
Weighted-average remaining lease term - finance leases	29 Years	28 Years
Weighted-average discount rate - operating leases	4.5 %	4.4 %
Weighted-average discount rate - finance leases	4.2 %	4.1 %

The Company makes cash payments related to its operating and finance lease liabilities, of which the majority are recorded within operating activities on the Consolidated Statement of Cash Flows. For each of the three years reflected within its cash flow statement, the Company made total payments of approximately \$639 million. Of these total payments, approximately 4% related to the Company's repayment of the principal portion of finance lease liabilities in operating activities, and 4% were recorded within financing activities on the Consolidated Statement of Cash Flows. Lease right-of-use assets obtained in exchange for operating and finance lease liabilities totaled approximately \$130 million and \$229 million, respectively, during the year ended December 31, 2025.

As of December 31, 2025, maturities of lease liabilities for its lease portfolio were as follows:

<i>In millions</i>	<i>Operating</i>	<i>Finance</i>	<i>Total *</i>
2026	\$ 428	\$ 53	\$ 481
2027	422	53	475
2028	405	53	458
2029	390	54	445
2030	377	55	432
Thereafter	5,011	1,629	6,640
Total lease payments	\$ 7,033	\$ 1,897	\$ 8,931
Less: imputed interest	(1,848)	(893)	(2,742)
Present value of lease liability	\$ 5,185	\$ 1,004	\$ 6,189

* Total lease payments include option periods that are reasonably assured of being exercised.

The increase in the present value of the lease liability since December 31, 2024 is immaterial. The lease liability will continue to be impacted by new leases, lease modifications, lease terminations, and reevaluation of lease terms.

Contingencies

In the ordinary course of business, the Company is subject to proceedings, lawsuits and other claims primarily related to competitors, customers, employees, franchisees, government agencies, intellectual property, shareholders and suppliers. The Company is required to assess the likelihood of any adverse judgments or outcomes to these matters as well as potential ranges of probable losses. A determination of the amount of accrual required, if any, for these contingencies is made after careful analysis of each matter. The required accrual may change in the future due to new developments in a particular matter or changes in approach such as a change in settlement strategy in dealing with these matters. The Company does not believe that any such matter currently being reviewed will have a material adverse effect on its financial condition or results of operations.

Other Operating (Income) Expense, Net

<i>In millions</i>	2025	2024	2023
Gains on sales of restaurant businesses	\$ (61)	\$ (47)	\$ (29)

Asset dispositions and other expense, net	100	61	30
Other charges (gains)	—	(7)	71
Total	\$ 39	\$ 7	\$ 72

▪ **Gains on sales of restaurant businesses**

The Company's purchases and sales of businesses with its franchisees are aimed at achieving an optimal ownership mix in each Field Office. Resulting gains or losses on sales of restaurant businesses are recorded in operating income because these transactions are a recurring part of the Company's business.

▪ **Equity in earnings of unconsolidated affiliates**

Unconsolidated affiliates and partnerships are businesses in which the Company actively participates but does not control. The Company records equity in earnings from these entities representing McDonald's share of results. These results are reported before income taxes. These partnership restaurants are operated under conventional franchise arrangements.

▪ **Asset dispositions and other expense, net**

Asset dispositions and other expense, net consists of gains or losses on excess property and other asset dispositions, provisions for restaurant closings, reserves for bad debts, asset write-offs due to restaurant reinvestment, strategic sale of properties, litigation settlements, and other miscellaneous income and expenses.

▪ **Other charges (gains)**

These charges include costs associated with the write down of long-lived assets from their carrying value to their fair value, as well as charges associated with strategic initiatives, such as restructuring activities.

Income Taxes

The provision for income taxes, classified by the timing and location of payment, was as follows:

<i>In millions</i>	2025	2024	2023
U.S. federal	\$ 943	\$ 854	\$ 940
U.S. state	177	179	149

Deferred tax provision	(29)	12	(18)
Provision for income taxes	\$ 1,092	\$ 1,045	\$ 1,071

Net deferred tax (assets) liabilities consisted of:

<i>In millions</i>	December 31, 2025	2024
Property and equipment	\$ 1,272	\$ 1,356
Intangible and tax-deductible goodwill	268	273
Lease right-of-use asset	1,413	1,400
Other	44	26
Total deferred tax liabilities	2,996	3,055
Employee benefit plans	(18)	(56)
Deferred revenue	(78)	(79)
Operating loss carryforwards	(3)	(2)
Lease liability	(1,458)	(1,450)
Other	(54)	(53)
Total deferred tax assets before valuation allowance	(1,611)	(1,640)
Valuation allowance	2	1
Net deferred tax (assets) liabilities	\$ 1,388	\$ 1,417

The statutory U.S. federal income tax rate reconciles to the effective income tax rates as follows:

	2025	2024	2023
Statutory U.S. federal income tax rate	21.0 %	21.0 %	21.0 %
State income taxes, net of related federal income tax benefit	3.0	3.0	2.3
U.S. net deferred tax liability remeasurement	0.0	0.0	0.0
Other, net	(0.5)	(0.8)	0.7
Effective income tax rates	23.5 %	23.2 %	24.0 %

As of December 31, 2025 and 2024, the Company's gross unrecognized tax benefits totaled \$65 million and \$76 million, respectively. After considering the federal impact on state issues, it is expected that about \$51 million of the total as of December 31, 2025 would favorably affect the effective tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amounts of unrecognized tax benefits:

<i>In millions</i>	2025	2024
Balance at January 1	\$ 76	\$ 71
Decreases for positions taken in prior years	(2)	(5)
Increases for positions taken in prior years	—	7
Increases for positions related to the current year	10	10
Settlements with taxing authorities	(7)	(7)
Lapsing of statutes of limitations	(13)	—
Balance at December 31 ⁽¹⁾	\$ 65	\$ 76

(1) Of this amount, \$31 million and \$23 million are included in current liabilities with the remainder in Other long-term liabilities on the Consolidated Balance Sheet for 2025 and 2024, respectively.

It is reasonably possible that the total amount of unrecognized tax benefits could decrease up to \$31 million within the next 12 months, of which \$25 million could favorably affect the effective tax rate. This decrease would result from the completion of tax audits in multiple tax jurisdictions and the expiration of the statute of limitations.

With few exceptions, the Company is no longer subject to U.S. federal, state, and local income tax examinations by tax authorities for years before 2009.

The Company had \$28 million and \$26 million accrued for interest at December 31, 2025 and 2024, respectively, and no accrual for penalties in either year. The Company recognized interest and penalties related to tax matters of \$2 million expense in 2025, \$5 million benefit in 2024, and \$4 million expense in 2023, which are included in the provision for income taxes.

Employee Benefit Plans

The Company's 401(k) Plan is maintained for U.S.-based employees and includes a 401(k) feature, as well as an employer match. The 401(k) feature allows eligible participants to make pre-tax and Roth contributions that are matched each pay period (with an annual true-up) through cash contributions.

All current account balances, future contributions and related earnings can be invested in nine investment alternatives (including a target date fund series), as well as McDonald's stock in accordance with each participant's investment elections. Future participant contributions are limited to 20% investment in McDonald's stock and participants may not transfer their existing account balance into McDonald's stock if the transfer would cause the value of their interest in the fund to exceed 20% of their total 401(k) Plan account balance. Participants may choose to make separate investment choices for current account balances and future contributions.

The Company also maintains certain unfunded nonqualified supplemental benefit plans that allow participants to (i) make tax-deferred contributions and (ii) receive Company-provided matching allocations that cannot be made under the 401(k) Plan because of IRS limitations. The investment alternatives and returns are based on certain market-rate investment alternatives under the 401(k) Plan, net of expenses. Total liabilities were \$-152.8 million and \$-151.1 million at December 31, 2025 and 2024, respectively, and were primarily included in Other long-term liabilities on the Consolidated Balance Sheet.

McDonald's on behalf of McDonald's USA, LLC has entered into derivative contracts to offset the impact of market-driven changes in certain of the liabilities. All changes in liabilities for these nonqualified plans and in the fair value of the derivatives are recorded in Selling, general & administrative expenses.

Total U.S. costs for the 401(k) Plan and nonqualified benefits and related hedging activities, were (in millions): 2025-\$23; 2024-\$29; 2023-\$21.

Related Party Transactions

In exchange for intellectual property license rights, the Company pays McDonald's a royalty equal to two percent of Company-owned and operated and franchised restaurant sales. Royalty expense was (in millions): 2025-\$1,101; 2024-\$1,069; 2023-\$1,063.

In addition, the Company paid dividends to McDonald's of (in millions): 2025-\$3,579; 2024-\$3,462; 2023-\$3,394.

In addition, McDonald's Corporation has provided the time and expenses for certain administrative functions to McDonald's USA, LLC without charge. These costs have not been reflected in the results of McDonald's USA, LLC for the years ended 2025, 2024 and 2023.

In 2024, the Company had the following payable arrangements with McDonald's, each of which accrue interest using the prevailing 12 month swap rate + 1% at the beginning of the period. On February 17, 2025, all payable arrangements matured and were subsequently converted to equity. As a result, this no longer represents an obligation for the Company.

Lender	Line of Credit December 31,		Outstanding Amount December 31,

McDonald's	—	900	—	900
Total	\$ 0	\$ 2,400	\$ 0	\$ 2,400

The Company incurred interest related to the payables due to McDonald's as follows (in millions): 2025-\$38; 2024-\$159; 2023-\$166.

The Company had a net intercompany payable balance of \$1,441 million as of December 31, 2025 and \$3,311 million as of December 31, 2024.

McDonald's on behalf of McDonald's USA, LLC incurs certain expenses that are allocated to the subsidiary. FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“Franchise”) made this ____ day of _____, for the operation of a McDonald’s restaurant located at _____ (the “Restaurant”) by and between:

McDONALD’S USA, LLC,

a Delaware limited liability company,

(“McDonald’s”)

and

(collectively “Franchisee”)

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald’s and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald’s operates a restaurant system (“McDonald’s System”). The McDonald’s System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald’s restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names “McDonald’s” and “McDonald’s Hamburgers,” designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald’s System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator's Lease ("Lease") which is attached hereto as Exhibit A, incorporated in this Franchise.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. ***Franchise Grant and Term.***

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage

products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and

- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____ and end on _____, unless terminated prior thereto pursuant to the provisions hereof.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of

Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Royalty.** Franchisee shall pay a monthly royalty on or before the tenth (10th) day of the following month in an amount equal to [] percent ([]%) of the Gross Sales of the Restaurant (FDD note: see Item 6, Footnote 2) for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Initial Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Initial Fee of Forty-Five Thousand Dollars (\$45,000.00) paid by Franchisee to McDonald's; and (b) the fee has been earned by McDonald's (except where the construction of the Restaurant has not been completed within one (1) year from the date of the execution and delivery of this Franchise). If the Restaurant has not been constructed or is not ready for occupancy at the time of the execution of this Franchise, McDonald's shall use its best efforts to expedite the construction and lease of the Restaurant to Franchisee. However, McDonald's shall not be liable to Franchisee in any manner for any delays in or lack of completion of such construction for any reason. McDonald's shall be under no obligation to enforce performance or to seek other remedies for non-performance of any lease, clause, or contract necessary for the construction of the Restaurant and reserves the right, in case construction of the Restaurant should be abandoned, the lease assigned, or other interest in the premises be relinquished, to terminate this Franchise upon reimbursement to Franchisee of the Initial Fee. At such time as the Restaurant is completed and ready for occupancy, the Initial Fee shall be deemed to be earned. If the Restaurant is not ready for occupancy within one (1) year from the date of this Franchise, Franchisee shall have the right to terminate this Franchise and obtain an immediate refund of the Initial Fee upon written request to McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and

loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. **Restrictions.** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. **Compliance With Entire System.** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **INTENTIONALLY DELETED.**

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are

wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage royalty charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage royalty charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all

claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. **Insurance.** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$5,000,000 per occurrence/\$5,000,000 aggregate.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks; or

(q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. ***Other Breaches.*** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. ***Effect of Termination.***

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. ***Effect of Waivers.*** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **110 N. CARPENTER STREET, CHICAGO, ILLINOIS 60607**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as

an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected," or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or New Term Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

IN WITNESS WHEREOF, the parties hereto set their hands and seals, in duplicate, the day and year in this instrument first above written.

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the Franchise shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by McDonald's, or other person acting on behalf

of McDonald's. This provision supersedes any other term of any document executed in connection with this Franchise.

The acknowledgements in Sections 28(b), (c), (d) of the Franchise Agreement are hereby deleted.

Minnesota Paragraph 27 continues with, "Nothing in this Franchise or the Franchise Disclosure Document shall in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction."

A new Paragraph 28(h) is inserted (and remaining sub-paragraphs are renamed (i) through (k)) as follows: "McDonald's considers the trademarks, trade names, logo types, service marks, and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types, or other commercial symbols in the United States."

Paragraph 28(l) is added as follows: "With respect to franchises governed by Minnesota law, McDonald's will comply with Minnesota Statutes Section 80C.14, Subdivisions 3, 4, and 5 which require, except in certain specified cases, that the Franchisee be given ninety (90) days notice of termination (with sixty (60) days to cure) and 180 days notice for non-renewal of this Franchise; and that consent to the transfer of this Franchise will not be unreasonably withheld."

North Dakota Paragraph 11(b) continues with, "Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. However, Franchisee and McDonald's agree to enforce these provisions to the extent allowed under law."

Paragraph 27 continues with, " , except that North Dakota law will govern with respect to claims arising under the North Dakota Franchise Investment Law."

Washington Paragraph 28(k) is added as follows: "In recognition of the requirements of the Washington Franchise Investment Protection Act (the "Act") and the rules and regulations promulgated thereunder, this Franchise shall be modified as follows:

The State of Washington has a statute, RCW 19.100.180, which might supersede this Franchise in Franchisee's relationship with McDonald's, including the areas of termination and renewal of this Franchise. There also might be court decisions which supersede this Franchise in Franchisee's relationship with McDonald's, including the areas of termination and renewal of this Franchise.

In the event of a conflict of laws, to the extent required by the Act, the provisions of the Act, Chapter 19.100 RCW, shall prevail.

To the extent required by the Act, a release or waiver of rights executed by a franchisee shall not include rights under the Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, might not be enforceable; however, McDonald's and Franchisee agree to enforce them to the maximum extent the law allows."

For California, Illinois, Indiana, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin, the following Rider is attached to the Franchise Agreement:

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“Franchise”) made this ____ day of _____, for the operation of a McDonald’s restaurant located at _____ (the “Restaurant”) by and between:

McDONALD’S USA, LLC,

a Delaware limited liability company,

(“McDonald’s”)

and

(collectively “Franchisee”)

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald’s and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald’s operates a restaurant system (“McDonald’s System”). The McDonald’s System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald’s restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names “McDonald’s” and “McDonald’s Hamburgers,” designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald’s System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald’s holds the right to authorize the adoption and use of the McDonald’s System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator’s Lease (“Lease”) which is attached hereto as Exhibit A, incorporated in this Franchise.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. ***Franchise Grant and Term.***

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;

(iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and

(iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____ and end on _____, unless terminated prior thereto pursuant to the provisions hereof.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Royalty.** Franchisee shall pay a monthly royalty on or before the tenth (10th) day of the following month in an amount equal to [] percent ([]%) of the Gross Sales of the Restaurant (FDD note: see Item 6, Footnote 2) for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due

McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Initial Fee and Annual Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of (i) an Initial Fee of Five Hundred Dollars (\$500.00) paid by Franchisee to McDonald's on the opening date of the Restaurant; and (ii) an Annual Fee of _____ (\$ _____) to be paid by Franchisee to McDonald's beginning on the first anniversary of the opening date of the Restaurant and on each subsequent anniversary; and (b) the fees have been earned by McDonald's (except where the construction of the Restaurant has not been completed within one (1) year from the date of the execution and delivery of this Franchise). If the Restaurant has not been constructed or is not ready for occupancy at the time of the execution of this Franchise, McDonald's shall use its best efforts to expedite the construction and lease of the Restaurant to Franchisee. However, McDonald's shall not be liable to Franchisee in any manner for any delays in or lack of completion of such construction for any reason. McDonald's shall be under no obligation to enforce performance or to seek other remedies for non-performance of any lease, clause, or contract necessary for the construction of the Restaurant and reserves the right, in case construction of the Restaurant should be abandoned, the lease assigned, or other interest in the premises be relinquished, to terminate this Franchise upon reimbursement to Franchisee of the Initial Fee. At such time as the Restaurant is completed and ready for occupancy, the Initial Fee shall be deemed to be earned. If the Restaurant is not ready for occupancy within one (1) year from the date of this Franchise, Franchisee shall have the right to terminate this Franchise and obtain an immediate refund of the Initial Fee upon written request to McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and

loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. **Restrictions.** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. **Compliance With Entire System.** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **INTENTIONALLY DELETED.**

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are

wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage royalty charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage royalty charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all

claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. **Insurance.** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$5,000,000 per occurrence/\$5,000,000 aggregate.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks; or

(q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. **Other Breaches.** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. **Effect of Termination.**

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **110 N. CARPENTER STREET, CHICAGO, ILLINOIS 60607**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as

an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or New Term Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

EXHIBIT D

FRANCHISE AGREEMENT (WALMART)

[CITY, STATE]
[Address]
L/C: _____
File #: _____

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“Franchise”) made this ____ day of _____, for the operation of a McDonald’s restaurant at the Walmart store located at _____ (the “Restaurant”) by and between:

McDONALD’S USA, LLC,

a Delaware limited liability company,

(“McDonald’s”)

and

(collectively “Franchisee”)

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald’s and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald’s operates a restaurant system (“McDonald’s System”). The McDonald’s System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald’s restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names “McDonald’s” and “McDonald’s Hamburgers,” designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald’s System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald’s holds the right to authorize the adoption and use of the McDonald’s System at the Restaurant. McDonald’s entered into a Master Lease Agreement with certain Wal-Mart entities (collectively “Walmart”) dated February 1, 2011, as amended (“Master Lease”), a copy of which is attached hereto as Exhibit A

and made a part hereof. The Master Lease provides McDonald's with the opportunity to operate the Restaurant within the Walmart store located at the above address ("Walmart Store"). The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Master Lease. The rights granted to Franchisee are subject to the Master Lease. Franchisee acknowledges receipt of a copy of the Master Lease, and Franchisee agrees to comply with all of the provisions of the Master Lease except for McDonald's rent, Utility Reimbursement, and Licensed Premise Improvement Charge obligations.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. **Franchise Grant and Term.**

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and
- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____, and end on the earlier of: (i) _____, (ii) the termination of this Franchise pursuant to the provisions hereof, (iii) the closing of the Walmart Store, or (iv) the termination of the Master Lease.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as

a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **System Fee.** Franchisee shall pay a monthly system fee, based upon the Gross Sales of the Restaurant for the preceding month immediately ended, on or before the tenth (10th) day of the following month. The system fee consists of a [] percent ([]%) royalty plus the percent rent in the amount calculated using the chart attached hereto as Schedule B and made a part hereof (FDD note: see Item 6, Footnote 2). Franchisee shall also pay a Common Area Maintenance Fee (as set forth in Master Lease).

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Annual Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Annual Fee of One Thousand Dollars (\$1,000.00) to be paid by Franchisee to McDonald's on January 10 of each year this Franchise is in effect; and (b) the fee has been earned by McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each

such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. **Restrictions.** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. **Compliance With Entire System.** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed

by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the greater of: (i) the hours from 7:00 a.m. to 11:00 p.m. or (ii) the hours of operation of the Walmart Store, or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty); maintain sufficient supplies of food and paper products; and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **INTENTIONALLY DELETED.**

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage royalty charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage royalty charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. **Insurance.** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$1,000,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$10,000,000 per occurrence/\$10,000,000 aggregate.

(c) All such insurance as may be required under the Master Lease.

All insurance policies required to be carried hereunder shall name McDonald's USA, LLC, the applicable Wal-Mart entity, and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks;

(q) Franchisee intentionally understates Gross Sales reported to McDonald's; or

(r) Any default under the Master Lease by the Franchisee.

19. **Other Breaches.** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. **Effect of Termination.**

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated

trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. ***Effect of Waivers.*** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **110 N. CARPENTER STREET, CHICAGO, ILLINOIS 60607**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or New Term Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

New Restaurant Rider

This Rider is attached to and incorporated into that certain Franchise Agreement, dated _____ (“Franchise”), by and between **McDonald’s USA, LLC**, a Delaware limited liability company (“McDonald’s”) and _____ and _____ (collectively “Franchisee”).

1. Franchisee represents and warrants that all of the financial terms relating to Franchisee’s acquisition of the Restaurant have been disclosed in writing to McDonald’s and that McDonald’s grant of the Franchise to Franchisee is based on its evaluation of these financial terms. Franchisee agrees that the failure to disclose all financial terms to McDonald’s will constitute a material breach of the Franchise pursuant, among other provisions, to paragraph 18(n) of the Franchise, thereby entitling McDonald’s to all rights and remedies under the Franchise including, but not limited to, the right to terminate the Franchise.

2. Prior to the opening date of the Restaurant, all construction extras ordered or authorized by Franchisee for which McDonald’s has paid the parties constructing the Restaurant must be paid by Franchisee to McDonald’s.

3. The amount of the monthly base rental payment in the Operator’s Lease (Exhibit A to this Franchise) is computed based in part on McDonald’s total current real estate costs and its estimated construction costs. If those costs increase within 180 days after the opening date of the Restaurant, the monthly base rental payment will be recomputed and increased based on the increased costs, but only to a maximum monthly base rental increase of \$325.00. The corresponding monthly base sales will be adjusted accordingly. The effective date of the increase will be 180 days after the opening date of the Restaurant.

[Additional paragraph to be used for Co-investment, if applicable.]

4. On or before the opening date of the Restaurant, Franchisee will pay to McDonald’s a one-time contribution in the amount of \$ _____ toward the costs of constructing the Restaurant (“Improvement Costs”). Improvement Costs means in the aggregate any and all costs associated with the design, permitting, materials, and construction of the building and site improvements (the building and site improvements are collectively referred to in this Rider as the “Improvements”), including, but not limited to, survey and design plans; zoning, subdivision, and other land use assessments, applications, permits, and approvals; title and other legal reviews; soil borings, environmental, and other physical studies and investigations; the demolition of the existing building and site improvements and proper disposal of any resulting debris; any interest expense incurred by McDonald’s; and all fees, expenses, overhead, and profit payable to outside consultants (including attorneys, architects, engineers, contractors, suppliers, etc.) for services, labor, and materials in connection with the design, permitting, and construction of the Restaurant.

[Additional paragraph to be used for Co-investment, if applicable.]

5. Franchisee and McDonald’s agree that Improvements attributable to Franchisee’s share of total Improvement Costs will be treated for income tax purposes as lessee improvements; that Franchisee will be entitled to any cost recovery, depreciation, or amortization deductions available under

applicable income tax laws for Improvements; and that McDonald's will not claim any cost recovery, depreciation, or amortization deductions with respect to Improvements. Franchisee and McDonald's agree that Improvements attributable to McDonald's share of total Improvement Costs will be treated for income tax purposes as owned by McDonald's; that McDonald's will be entitled to any cost recovery, depreciation, or amortization deductions available under applicable income tax laws for Improvements; and that Franchisee will not claim any cost recovery, depreciation, or amortization deductions with respect to Improvements. Franchisee and McDonald's further agree that any Franchisee's share of total Improvement Costs is not intended to be, and will not be treated as, in whole or in part, a substitute for rent. Neither Franchisee nor McDonald's will take any position on any tax return or in any tax proceeding that is inconsistent with the tax treatment provided in this paragraph.

Franchisee and McDonald's will each be treated as incurring a pro rata portion of each cost item that constitutes an Improvement Cost. Franchisee's pro rata portion will be equal to the ratio of Franchisee's share to total Improvement Costs. McDonald's pro rata portion will be equal to the ratio of McDonald's share to total Improvement Costs. If Franchisee chooses to perform a cost segregation study with respect to Franchisee's share of Improvement Costs, Franchisee will be solely responsible for all costs and expenses incurred in connection with performing the study. Notwithstanding the preceding sentences, and except for any leasehold estate in the land granted Franchisee in connection with this Franchise, McDonald's will have the exclusive legal and equitable right, title, and interest in and to the land and Improvements.

Franchisee is solely responsible for preparing and filing all personal property, sales and use, and other tax returns and for paying all personal property, sales and use, and other taxes, if any, associated with Improvement Costs.

[Additional paragraphs to be used for Co-investment, if applicable.]

6. In connection with Franchisee's payment of a share of the Improvement Costs, Section 3.07 is hereby added to the Lease:

3.07 **Allocations of Rent.** Each payment of Basic Rent payable hereunder on a monthly basis shall be allocated to and accrue during the calendar month in which such Basic Rent payment is due (*i.e.*, the commencement date, in the case of the first payment, and thereafter the first day of each month). Each payment of Percentage Rent payable hereunder shall be allocated to and accrue during the same period as the Gross Sales period used to compute the amount of such Percentage Rent. Payments of rent with respect to real estate taxes, assessments, other expenses and other charges shall be allocated to and accrue during the periods to which such real estate taxes, assessments, other expenses and other charges relate. Any other rent paid or deemed paid to Landlord and not otherwise appropriately attributable to a specific period shall be allocated to and accrue during the period beginning on the date of such payment or deemed payment and ending at the scheduled termination date of the term of this Lease.

[Additional paragraph to be used for Oil sites.]

7. Franchisee agrees to reimburse McDonald's each year for the premium to obtain pollution/environmental contamination insurance under the terms of Schedule A attached to this Rider.

Franchisee must obtain commercial general liability insurance as required by the Operator's Lease for the benefit of McDonald's and name the oil partner as an additional insured.

[Schedule to be used for Oil sites.]

SCHEDULE A

Pollution Coverage (rev. 6/25)

The standard commercial general liability insurance purchased by owner/operators excludes pollution and/or environmental contamination. Since the oil alliance sites have a pollution exposure if contamination is caused by negligence of McDonald's or the owner/operator, an Environmental Impairment Liability Policy (Pollution) has been purchased by McDonald's for the protection of the owner/operators and McDonald's.

This coverage is being purchased on behalf of the owner/operators because, individually, such insurance is either not available or the cost is prohibitive.

All Oil Alliance sites are covered under this policy.

A brief summary of the coverage follows:

Insurance Company:	Beazley Furlonge Ltd
Policy Period:	6/1/25-6/1/26 (renewed annually)
Limit of Liability:	\$10,000,000 each loss
Policy Aggregate Limit:	\$10,000,000
Deductible:	\$50,000 per occurrence
Annual Premium:	\$173.54 per location (includes taxes)*

*This is the premium in effect as of the date of this Franchise and it may increase with the renewal of the policy.

Insurance premiums will be collected via the base rent draft on the third workday of each month.

Owner/operator will be drafted one twelfth of the premium per month except for the first three months of operation. During the first three months of operation, the following will occur:

- The premium will not be charged for the month of store opening.
- The premium will be due but not drafted for the first full month of operation.
- The second full month's premium along with the first full month's premium will be drafted on the third workday of second month of operation.

Below is an example of how the premium will be drafted based on a June 15th open date and a \$173.54 annual premium:

June	\$0	\$0
July	\$14.46	\$0

OPERATOR'S LEASE

THIS LEASE shall be considered effective the same date as the Franchise Agreement to which it is attached (the "Franchise Agreement"). The term "Landlord," when used in this Lease, shall refer to McDonald's USA, LLC, a Delaware limited liability company, and the term "Tenant," when used in this Lease, shall refer to the undersigned Tenant.

In consideration of the mutual promises contained in this Lease, the parties agree as follows:

ARTICLE 1 SUMMARY OF FUNDAMENTAL LEASE PROVISIONS

1.01 **Term:** (See Article 2.02) The term of this Lease will begin on _____ and end on _____.

1.02 **Rent:** See Article 3.01 and Schedule B, attached.

1.03 **Legal Description:** See Schedule A and Article 2.01.

1.04 **Liability Insurance Limits:** \$5,000,000 per occurrence/\$5,000,000 aggregate.

1.05 **Attachments, Exhibits and Addenda:** This Lease includes the following Attachments, Schedules and Addenda which will take precedence over conflicting provisions (if any) of this Lease, and they are made an integral part of this Lease and are fully incorporated into it by this reference.

- (i) Schedule A – Legal Description
- (ii) Schedule B – Rent
- (iii) Schedule C – Landlord's Interest Addendum
- (iv) Schedule D – Head Lease dated _____ with amendments dated _____.
- (v) Schedule E – _____

References in this Article to the other Articles in this Lease are for convenience and to designate some of the other Articles where references to particular Fundamental Lease Provisions will be made. If there is any conflict between a Fundamental Lease Provision and the balance of the Lease, the former will control.

ARTICLE 2 PREMISES AND TERM

2.01 **Premises:** Landlord leases to Tenant the real estate described in Schedule A, attached, together with all easements and appurtenances and all buildings and improvements located on the real estate (all of which are collectively referred to in this Lease as "the Premises"). The Premises are subject to any easements, conditions, encumbrances, restrictions, and party wall agreements, if any, of record and roads and highways and zoning and building code restrictions existing on the date of this Lease.

2.02 Term: The term of this Lease will be as indicated in Article 1.01, subject, however, to any rights set forth in this Lease for the earlier termination of the Lease term. At the request of either party, a supplement establishing the beginning and ending dates of this Lease shall be executed. Landlord may establish the beginning date by notifying the Tenant in writing of the date it recognizes as the beginning date of the term.

2.03 Quiet Enjoyment: Landlord promises that Tenant, upon paying the rent and all other charges provided for in this Lease, and upon observing and keeping all Tenant's obligations, will lawfully and quietly hold, occupy and enjoy the Premises during the term of this Lease, without hindrance or interference by anyone claiming by, through or under Landlord, subject to the terms of this Lease and any mortgage or encumbrance now or hereafter placed on the Premises by Landlord.

2.04 Use of Premises: Tenant will use and occupy the Premises solely for a McDonald's Restaurant selling only such products and operating in a manner that may be designated by McDonald's USA, LLC. Tenant agrees to continuously occupy the Premises during the term of this Lease and agrees not to vacate them. A breach of this provision will be deemed to be substantial. If Tenant vacates the Premises during the term of this Lease, Landlord will have the right, in addition to its other rights and remedies, to enter the Premises for the purpose of continuing the operation of the McDonald's Restaurant; and, if Landlord so elects, Landlord shall be entitled to all profits, if any, from the operation of the restaurant. Tenant further agrees to conduct its restaurant business in a manner that will maximize Gross Sales. Tenant agrees to purchase, install and maintain, all at its own expense, signs and trade fixtures and equipment in accordance with the plans, specifications and layouts of McDonald's USA, LLC, or any of its subsidiaries, unless these items have been furnished by Landlord.

2.05 Rule Against Perpetuities: If the term of this Lease or the accrual of rent have not commenced within one (1) year from date of execution of this Lease, this Lease will become null and void and of no further force and effect. The sole remedy of Tenant in such case is the return of any monies paid to Landlord in anticipation of this Lease.

2.06 Construction and Delivery of Building and Other Improvements: Landlord will construct or have others construct or remodel or otherwise prepare the Premises for a McDonald's Restaurant in accordance with the then current plans and specifications of McDonald's USA, LLC. The Premises will be delivered to Tenant when they are sufficiently completed to allow Tenant to install, at Tenant's sole cost and expense, the signs, trade fixtures, equipment and other personal property and improvements necessary to complete the Premises for the operation of a McDonald's Restaurant, unless otherwise provided in Article 1.03. Tenant will promptly and diligently perform its work in accordance with the plans and specifications previously submitted by or to Tenant and approved by Landlord and in compliance with all applicable federal, state and local statutes, codes and regulations. Tenant will do all that is reasonably necessary to promptly open the restaurant as soon as possible after delivery of the Premises to the Tenant.

2.07 Acceptance of Premises: By taking possession of the Premises, Tenant acknowledges that Tenant has inspected the Premises and the improvements thereon and found them to be in a safe, satisfactory, and completed condition, ready for occupancy and the installation of trade fixtures, equipment and signage. All warranties as to the condition of the Premises or its fitness for use, either expressed or implied, are expressly waived by Tenant. Tenant may, however, receive certain warranties and guarantees, by separate agreement, from McDonald's USA, LLC or one of its subsidiaries; but those warranties will be personal covenants, only, and will not be binding upon the successors and assigns of Landlord.

2.08 Tenant's Compliance With Various Requirements: Tenant may not use or permit any person to use the Premises or any part of it for any use in violation of federal, state or local laws, including, but not limited to, present and future ordinances or other regulations of any municipality in which the Premises are situated. Tenant will not use or permit any person to use the Premises or any building thereon for the manufacture or sale of intoxicating liquor of any kind whatsoever. Except as provided below, Tenant may not operate any coin or token operated vending or similar device for the sale of any goods, wares, merchandise, food, beverages or services, including but not limited to, pay telephones, pay lockers, pay toilets, scales, amusement devices, and machines for the sale of beverages, foods, candy, cigarettes or other commodities. One coin operated newspaper vending machine, Playplace games and one pay telephone may be installed, if they are in compliance with Landlord's current written policy on the installation and maintenance of these items. During the term of this Lease, Tenant will keep the Premises and all buildings in a clean and wholesome condition and repair and will maintain the Premises so that they fully comply with all lawful health and police regulations. Tenant will conduct the McDonald's Restaurant on the Premises strictly in accordance with the terms and provisions of the Franchise Agreement. Tenant will minimize all cooking odors and smoke, maintain the highest degree of sanitation and comply with all ordinances, orders, directives, rules and regulations of all governmental bodies, bureaus and offices having jurisdiction over Tenant and over the Premises. Landlord makes no warranties or representations as to the state of such ordinances, rules, orders and directives, regulations, and Tenant acknowledges that Tenant has independently investigated them and will comply with them. Landlord makes no warranties or representations that the Premises, when accepted by Tenant, conform with the Federal, State or Industrial Safety Codes. Tenant will obtain, keep in full force and effect, and strictly comply with, all governmental licenses and permits which may be required for Tenant's use and occupancy of the Premises and the operation of the McDonald's Restaurant.

ARTICLE 3 RENT, TAXES, RECORDS AND REPORTS

3.01 Rent: Tenant promises to pay rent to Landlord, without offset or deduction, as follows:

A. Basic Rent and Pass Thru Rent: Tenant will pay monthly to Landlord the Basic Rent and any Pass Thru Rent, if applicable, as indicated in Schedule B, attached. The first payment of Basic Rent and Pass Thru Rent, if applicable, will be due and payable on the commencement date of the term, and the subsequent monthly rental payments, including any Pass Thru Rent, will be due thereafter, in advance, on or before the first day of every succeeding calendar month. If the date of commencement of rent occurs on a day other than the first day of the month, the first rental payment (of Basic Rent, Pass Thru Rent, if any, and Percentage Rent, if any) will be adjusted for the proportionate fraction of the whole month so that all rental payments, other than the first, will be made and become due and payable on the first day of each month.

B. Percentage Rent: In addition to the Basic Rent and Pass Thru Rent, if applicable, Tenant promises to pay Percentage Rent to Landlord in the amount and during the periods set forth in Schedule B, attached, on all Gross Sales from the Premises in excess of the Monthly Base Sales set forth in Schedule B, attached. See Article 3.03 for the manner of payment of Percentage Rent.

C. Definition of "Gross Sales": For the purposes of this Lease, the term "Gross Sales" will mean all receipts (cash, cash equivalent, credit or redeemed gift certificates) or revenue from sales by Tenant, and of all others, from all business conducted upon or from the Premises, whether such sales be evidenced by check, cash, credit, charge account, exchange or otherwise,

and will include, but not be limited to, the amount received from the sale of goods, wares and merchandise, including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise, and for services performed at the Premises, together with the amount of all orders taken or received at the Premises, all as may be prescribed or approved by the Franchise Agreement. Gross Sales will not include sales of merchandise for which cash has been refunded, or allowances made on merchandise claimed to be defective or unsatisfactory, provided that such returned or exchanged merchandise will have been previously included in Gross Sales. Gross Sales will not include the amount of any sales tax imposed by any federal, state or other governmental authority directly on sales and collected from customers, provided that the amount of the tax is added to the selling price and actually paid by Tenant to such governmental authority. Each charge or sale upon installment or credit will be treated as a sale for the full price in the month during which such charge or sale is made irrespective of the time when Tenant receives payment (whether full or partial). In addition, Landlord may, from time to time, permit or allow certain other items to be excluded from Gross Sales. However, any such permission or allowance may be revoked or withdrawn at the discretion of Landlord and will not stop Landlord from requiring strict compliance with the terms of this Lease.

D. Taxes and Assessments: In addition to the Basic Rent, the Pass Thru Rent, if applicable, and the Percentage Rent, Tenant will pay directly to the taxing authority, when due, all real estate taxes and special and general assessments that are levied or assessed against the Premises during the term or any extension of this Lease. Tenant agrees to provide to Landlord, if requested, copies of paid invoices and such other documentation evidencing payment of taxes as may be reasonably requested by Landlord. If Tenant shall default in the payment of any obligation herein required to be paid by Tenant, then Landlord may pay the same together with any penalty or interest levied on the tax bill, and Tenant will be obligated to repay Landlord on demand for such payment, together with interest on all past due obligations, including interest on the penalty and interest levied under this provision.

(a) **First and Last Year:** All real estate taxes and general and special assessment payments of every nature paid during the first and last year of the term of this Lease will be prorated. This tax proration will be based upon the fiscal year of the taxing authority levying the tax, using the percentage of the taxes payable during the first or last tax fiscal year that Tenant actually occupies, or had the right to occupy, the demised Premises. The party paying such taxes shall be entitled to reimbursement from the other party for its pro rata share upon demand and the presentation of an itemized statement with copies of all appropriate documentation evidencing payment.

(b) **Rent Taxes:** Tenant will also pay promptly, when due, any tax which is levied or assessed against the rental, real or tangible personal property, whether or not called a rental tax, excise tax, sales tax, gross receipts tax, tax on services or otherwise; and Tenant will promptly reimburse Landlord for any similar tax which Landlord is required to pay or, in fact, does pay. Such payment or reimbursement will not be deducted from Gross Sales.

(c) **Personal Property Taxes:** Tenant agrees to pay all personal property taxes levied upon the fixtures, equipment and other improvements located on the Premises whether installed and paid for by Tenant or Landlord. The personal property taxes for the first and last year of the term of this Lease will be prorated in the same manner as the real estate taxes and assessments.

(d) **Appeal:** Subject to Landlord's rights, Tenant, at Tenant's sole expense, is authorized and hereby permitted to contest and appeal property tax assessments on the demised Premises, and Landlord will cooperate with and assist Tenant in any reasonable manner.

E. **Other Charges and Expenses:** Any other charge or expense of any nature which Landlord may be required to pay by virtue of Landlord's interest in the Premises (including, but not limited to, common area maintenance charges, merchant's association's dues, utility charges, fees and taxes and security service fees – collectively referred to as "other charges") will be promptly paid by Tenant to the party to whom they are due as additional charges. Landlord will provide Tenant with information necessary for Tenant to pay the other charges prior to, or as soon as possible after, the commencement of the term of this Lease. Until Tenant receives this information, Tenant will not be responsible for the other charges.

F. **Method and Proof of Payment:**

(a) Tenant shall, at all times, participate in Landlord's automatic debit/credit transfer program as specified by Landlord from time to time for the payment of all amounts due Landlord pursuant to this Lease. Tenant shall execute and deliver to Landlord such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(b) With respect to Articles 3.01(D) and (E), above, or any other provision in this Lease which requires or contemplates Tenant first paying other charges or expenses, Landlord may, at its exclusive option, elect to make such payments directly to the taxing authority, Head Landlord (if applicable), utility company or other party due a payment for which Tenant is liable under this Lease. If Landlord wishes to exercise this option, Landlord will notify Tenant in writing of its election. From that time on, Landlord shall make such payments directly, and all penalties and expenses thereafter accruing shall be the responsibility of Landlord. If Landlord elects to make any payment directly, Tenant shall, nonetheless, be responsible for making payment to Landlord for any payment Landlord will make, or makes, within ten (10) days of Tenant's receipt of a billing advice from Landlord.

3.02 **Records:** Tenant will keep and preserve upon the Premises complete written records of all Gross Sales conducted in any calendar or business year for a period of three (3) years, in a manner and form satisfactory to Landlord. Tenant will permit Landlord or Landlord's representatives to examine or audit the records at any and all reasonable times, and will, upon Landlord's request, explain the method of keeping records. The books and records will include cash register tapes, properly identified, over-ring slips, sales journals, general ledger, profit and loss statements, balance sheets, purchase invoices, bank statements with canceled checks and deposit advices, corporate books and records, management company books, including, but not limited to, minute books and stock certificate books, state sales tax returns, federal income tax returns, retailer's occupation tax returns or similar returns required to be filed by the state in which the Premises are located.

3.03 **Reports:** By 11:00 a.m. Central Standard Time of the first business day of each month, Tenant will deliver to Landlord, in the manner specified by Landlord from time to time, a statement by Tenant or Tenant's authorized representative, reflecting Gross Sales during the preceding month. Tenant will pay to Landlord on or before ten (10) days after the end of each calendar month during this Lease all sums due based upon Gross Sales as shown in the statement for the period covered by the statement. Within thirty (30) days following the expiration of each calendar year of the term of this Lease, Tenant will deliver to Landlord at the place last fixed for the payment

of rent, a statement of Gross Sales for the preceding calendar year (certified, at Tenant's expense, if requested by Landlord, by a Certified Public Accountant of good standing and reputation in the state in which the Premises are located) which will show Gross Sales separately for each monthly period during the preceding year.

A. **Default in Reporting:** Upon failure of Tenant to prepare and deliver promptly any monthly or annual statement required by this Lease or to make any required payment, Landlord may elect to treat Tenant's failure as a substantial breach of this Lease entitling Landlord to terminate this Lease and Tenant's right to possession of the Premises.

B. **Inspection of Records by Landlord:** If Landlord is dissatisfied with statements furnished by Tenant, Landlord may notify Tenant, and Landlord, at its option, may then examine Tenant's books or have a Certified Public Accountant selected by Landlord examine Tenant's books. If such examination discloses any underpayment of Percentage Rent, Tenant will promptly pay the deficient amount. If Tenant contests such deficiency, Landlord will then appoint an independent auditor to examine Tenant's books and records. If the independent audit confirms that there has been an underpayment exceeding two percent (2%) of the Percentage Rent, as represented by Tenant, Tenant will, in addition to the above, reimburse Landlord for the cost of the auditor's examination.

3.04 **No Abatement of Rent:** Except as provided in this Lease, damage to or destruction of any portion or all of the buildings, structures and fixtures upon the Premises, by fire, the elements or any other cause, whether with or without fault on the part of Tenant, will not terminate this Lease or entitle Tenant to surrender the Premises or entitle Tenant to any abatement of or reduction in the rent payable, or otherwise affect the respective obligations of the parties, any present or future law to the contrary notwithstanding, subject to Article 6.05 in this Lease.

3.05 **Interest on Delinquencies:** If the Tenant is past due on the payment of any amount due Landlord, under this Lease, including accrued interest, the Tenant shall be required, to the extent permitted by law, to pay interest on the past due amount to the Landlord for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

3.06 **Lien for Rent:** Tenant grants to Landlord a lien upon all Tenant's property located on the Premises, from time to time, for all rent and other sums due from Tenant to Landlord under the provisions of this Lease.

ARTICLE 4 OBLIGATIONS OF TENANT

4.01 **Utilities:** Tenant will pay directly all charges for gas, electricity, or other utilities, sewer charges, taxes and driveway fees, if applicable, and for all water used on the Premises as such charges become due. Tenant's obligation to pay the foregoing charges will commence five (5) days after Tenant's equipment is delivered to the Premises.

4.02 **Maintenance and Repair:** Tenant will, at its expense, (a) keep the entire Premises, all improvements, utility lines and Tenant's or Landlord's fixtures and equipment at all times in good repair, order or condition; (b) replace all broken, damaged or missing personal property, fixtures or equipment; and (c) at the expiration of the term of this Lease, whether by lapse of time or otherwise, surrender the Premises in good repair, order and condition, ordinary wear and tear

excepted, and loss by fire and other casualty excepted to the extent that provision for such exception may elsewhere be made in this Lease. Upon request of Landlord, Tenant will remove all signs and other identifying features from the Premises. Tenant's obligation to make repairs to the Premises will include all repairs, whether ordinary or extraordinary, including structural repairs to the foundation, floors, walls and roof.

4.03 Alterations: Tenant shall not make any change in, alteration of, or addition to any part of the Premises, or remove any of the buildings or building fixtures without, in each instance, obtaining the prior written consent of Landlord and complying with all governmental rules, ordinances and regulations.

4.04 Surety: Before commencement of any construction or installation of any structure, fixture, equipment or other improvement on the Premises, or of any repairs, alterations, additions, replacement or restoration in, on or about the Premises, Tenant will give Landlord written notice specifying the nature and location of the intended work and the expected date of commencement. Tenant will deposit with Landlord, if requested by Landlord, a certificate or other evidence satisfactory to Landlord that Tenant has obtained a bond or that Tenant's building contractor, if any, has furnished a bond in favor of Landlord, with a surety approved by Landlord, guaranteeing the performance and completion of all work free and clear of all liens arising from such work. Landlord reserves the right to withhold its approval of any proposed construction, improvement, repair, alteration or replacement and, without limiting the generality of the foregoing, may require as a condition of its approval that it be permitted to review and approve any contract entered into by Tenant regarding such notices as may be necessary to protect Landlord against liability for liens and claims.

4.05 Liens Against Property: Nothing in this Lease will authorize Tenant to do any act which will in any way encumber the title of Landlord to the Premises. The interest or estate of Landlord or the fee owner in the Premises, if Landlord is not the fee owner, will not in any way be subject to any claim by lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Tenant will not permit the Premises to become subject to any mechanics', laborers' or materialsmen's lien for labor or material furnished to Tenant in connection with work of any character performed or claimed to have been performed on the Premises by or at the direction of, or sufferance of, Tenant.

If any lien is filed against the Premises or Tenant's interest in this Lease, at Landlord's option, Tenant will either pay the amount of the lien in full or will, upon demand of Landlord, provide and pay for a non-cancelable bond, placed with a reputable company, approved by Landlord, in an amount deemed sufficient by Landlord, insuring the interest of Landlord and any mortgagee from any loss by reason of the filing of such lien. Tenant will immediately pursue in good faith its legal remedies to remove a lien on the Premises.

4.06 Assignment by Tenant: Tenant will not allow or permit any transfer of this Lease or any interest in this Lease by operation of law, or assign, convey, mortgage, pledge or encumber this Lease or any interest in this Lease, or permit the use or occupancy of the Premises or any part thereof without, in each case, obtaining Landlord's prior written consent. No assignment (with or without Landlord's consent) will release Tenant from any of its obligations in this Lease. Notwithstanding the foregoing, Landlord shall consent to an assignment by Tenant of his rights and interest in this Lease if the Tenant complies with the terms and conditions of the Franchise Agreement pertaining to the assignment of the Franchise Agreement.

4.07 **Franchise Agreement:** Tenant will comply with and perform all covenants contained in the Franchise Agreement. Tenant's breach of any of the terms and covenants of the Franchise Agreement will also constitute a breach of this Lease. Termination, expiration, default or revocation of the Franchise Agreement for any reason, either in whole or in part, will also terminate this Lease, without further notice being required.

ARTICLE 5 FIXTURES AND EQUIPMENT

5.01 **Fixtures:** All buildings and improvements and all plumbing, heating, lighting, electrical and air conditioning fixtures and equipment and all other articles of property which, at the date Tenant takes possession of the Premises, are the property of Landlord or of the fee owner of the Premises are and will remain a part of the real estate and be considered to be leased in this Lease. Any additions, alterations or remodeling of improvements made to the Premises will immediately become the property of Landlord and will not be removed by Tenant at the termination of this Lease by lapse of time or otherwise.

5.02 **Removal of Tenant's Property:** At or prior to the termination of this Lease, whether by lapse of time or otherwise, Tenant will, subject to any rights of Landlord under the Franchise Agreement, remove all of its personal property and trade fixtures from the Premises and will repair any damage to the Premises which may have been caused by such removal.

ARTICLE 6 INSURANCE AND DAMAGE TO PROPERTY

6.01 **Liability Insurance:** Tenant will pay for and maintain during the entire term of this Lease the following insurance:

A. Worker's Compensation Insurance prescribed by law in the state in which the Premises are located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Premises are located allows the option of carrying no Worker's Compensation, and Tenant chooses to exercise that option, Tenant shall nonetheless carry and maintain other insurance with coverage and limits as approved by the Landlord.

B. Commercial General Liability Insurance in a form approved by Landlord, on an occurrence basis, with limits as described in Article 1.04.

C. Fire Legal Liability Insurance with minimum limits of \$500,000 per occurrence.

6.02 **Rental Insurance:** Tenant will maintain and keep in force rental insurance in an amount equal to not less than the total of one (1) year's Basic Rent and Pass Thru Rent, if applicable, as specified in Article 1.02 of this Lease.

6.03 **Property Insurance:** Tenant will maintain and keep in force, all risk insurance, including flood, earthquake and earth movement coverage, upon the Premises, fixtures, operational equipment, signs, furnishings, decor, plate glass and supplies, in a full replacement cost form obligating the insurer to pay the full cost of repair or replacement. It is intended that neither Landlord nor Tenant will be a co-insurer, and to that end, if the insurance proceeds are not adequate to rebuild the building or other improvements located on the Premises, Tenant will be obligated for the difference between the proceeds obtained and the actual cost of the restoration of the Premises, fixtures, operational equipment, signs, furnishings, decor, plate glass and supplies.

6.04 Placement and Policies of Insurance: All insurance policies required to be carried in this Lease will name Landlord and any party designated by Landlord as additional insured. All policies will be effective on or prior to the date Tenant is given possession of the Premises for the purpose of installing equipment, and evidence of payment of Premiums and duplicate copies of policies of the insurance required in this Lease will be delivered to Landlord at least thirty (30) days prior to the date that Tenant opens for business or thirty (30) days prior to the expiration dates of an existing policy of insurance. All policies of insurance will include as an additional insured any mortgagee, as its interest may appear, and will include provisions prohibiting cancellations or material changes to the policy until thirty (30) days prior written notice has been given to Landlord.

If Tenant should fail to obtain the required insurance, Landlord may, but is not obligated to, purchase the insurance, adding the premiums paid to Tenant's monthly rent. Tenant may authorize Landlord to purchase and to administer the required minimum insurance on Tenant's behalf. However, Landlord, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Tenant. Landlord may relieve itself of all obligations with respect to the purchase and administration of the required insurance coverage by giving ten (10) days written notice to Tenant.

All insurance will be placed with a reputable insurance company licensed to do business in the state in which the Premises are located and having a financial size category equal to or greater than IX and a policyholders rating of "A +" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by Landlord. Tenant further agrees to increase the various insurance coverages specified above from time to time upon the written request of Landlord to meet changing economic conditions and requirements imposed upon Landlord under the Landlord's Head Lease (if applicable) and loan agreements, if any.

6.05 Repair and Replacement of Buildings: If the building on the Premises is damaged by fire or any other casualty, Landlord will, within a reasonable time from the date of the damage or destruction, repair or replace the building so that Tenant may continue in occupancy. Landlord's obligation to rebuild or restore the Premises will, however, be only to the extent of insurance proceeds recovered. Basic Rent and any Pass Thru Rent required to be paid in this Lease will not abate during the period of untenantability. If the building cannot be replaced or repaired within a reasonable time due to the inability of Landlord to obtain materials and labor, or because of strikes, acts of God or governmental restrictions that would prohibit, limit or delay the construction, then the time for completion of the repair or replacement will be extended accordingly. However, in any event, if the repair or replacement of the building has not been commenced within a period of one (1) year from the date of the damage or destruction, Tenant or Landlord may, at their option, terminate this Lease. If any damage or destruction occurs during the last five (5) years of the term of this Lease to the extent of fifty percent (50%) or more of the insurable value of the building, Landlord may, by notice to Tenant within forty (40) days after the occurrence of the damage or destruction, in lieu of repairing or replacing the building, elect to terminate this Lease as of the date of the damage or destruction. Tenant hereby expressly waives and releases any and all claims against Landlord for damages in case of Landlord's failure to rebuild or restore the building in accordance with the provisions of this Article. Tenant's sole remedy for any such failure will be to elect to terminate this Lease as of the date of occurrence of the damage or destruction. If the building and other improvements are not repaired, restored or replaced, for any reason, all proceeds of the all risk coverage insurance applicable to the building and other permanent improvements will be paid and given to Landlord. Tenant agrees to execute and deliver any release or other document Landlord may request to obtain the release or control of the proceeds.

If Landlord repairs and restores the Premises, as required above, Tenant agrees to promptly repair, replace, restore or rebuild Tenant's leasehold improvements, equipment and furnishings ("Tenant's Improvements") in accordance with the current standards and specifications for McDonald's Restaurants upon notice from Landlord that the Premises are ready for Tenant's Improvements. Tenant agrees to submit for Landlord's approval, all plans and specifications for Tenant's Improvements to Landlord within thirty (30) days after Landlord delivers its plans and specifications for the restored Premises to Tenant.

ARTICLE 7 RIGHTS OF LANDLORD

7.01 Inspection by Landlord: Landlord or any authorized representative of Landlord may enter the Premises at all times during reasonable business hours for the purpose of inspecting the Premises.

7.02 Indemnity for Litigation: If Landlord becomes subject to any claim, demand or penalty or becomes a party to any suit or other judicial or administrative proceeding by reason of any act occurring on the Premises, or by reason of an omission with respect to the business or operation of the McDonald's Restaurant, Tenant will indemnify and hold Landlord harmless against all judgments, settlements, penalties, and expenses, including reasonable attorney's fees, court costs and other expenses of litigation or administrative proceeding incurred by or imposed on Landlord in connection with the investigation or defense relating to such claim or litigation or administrative proceeding. At the election of Landlord, Tenant will also defend Landlord.

Tenant will pay all costs and expenses, including reasonable attorney's fees, which may be incurred by Landlord in enforcing any of the covenants and agreements of this Lease. All such costs, expenses and attorney's fees will, if paid by Landlord, together with interest, be additional rent due on the next rent date after such payment or payments.

7.03 Waiver of Claims: Landlord and Landlord's agents and employees will not be liable for, and Tenant waives claims for, damage to persons or property sustained by Tenant or any person claiming through Tenant resulting from any accident or occurrence in or upon the Premises or the building of which they are a part, including, but not limited to, claims for damage resulting from: (a) equipment or appurtenances becoming out of repair; (b) Landlord's failure to keep the building or the Premises in repair; (c) injury done or occasioned by wind, water or other natural element; (d) any defect in or failure of plumbing, heating or air conditioning equipment, electric wiring or installation thereof, gas, water and steam pipes, stairs, porches, railings or walks; (e) broken glass; (f) the backing up of any sewer pipe or downspout; (g) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank in, upon or about such building or Premises; (h) the escape of steam or hot water (it being agreed that all the foregoing are under the control of Tenant); (i) water being upon or coming through the roof, skylight, trapdoor, stairs, walks or any other place upon or near such building of the Premises or otherwise; (j) the falling of any fixture, plaster or stucco; (k) interruption of service of any utility.

7.04 Re-entry Upon Default: If (a) Tenant defaults in the payment of any installment of Basic Rent, Pass Thru Rent or Percentage Rent or any additional sum due in this Lease; (b) Tenant defaults in any of the covenants, agreements, conditions or undertakings to be performed by Tenant other than the payment of rent (Basic Rent, Pass Thru Rent, Percentage Rent or additional charges) and such default continues for ten (10) days after notice in writing to Tenant; (c) Tenant defaults in any of the terms of the Franchise Agreement or if the Franchise Agreement should terminate, whether by lapse of time or otherwise; (d) proceedings in bankruptcy or for liquidation, reorganization or rearrangement of Tenant's affairs are instituted by or against Tenant; (e) a

receiver or trustee is appointed for all or substantially all of Tenant's business or assets on the grounds of Tenant's insolvency; (f) a trustee is appointed for Tenant after a petition has been filed for Tenant's reorganization under the Bankruptcy Act of the United States; (g) Tenant makes an assignment for the benefit of its creditors; or (h) Tenant vacates or abandons the Premises, then in any of the above events, Landlord, at its election, may declare the term of this Lease ended and, either with or without process of law, re-enter, expel, remove and put out Tenant and all persons occupying the Premises under Tenant, using such force as may be necessary in so doing, and repossess and enjoy the Premises. Such re-entry and repossession will not work a forfeiture of the rents to be paid or terminate the covenants to be performed by Tenant during the full term of this Lease.

Upon the expiration of the term of this Lease by reason of any of the events described above, or in the event of the termination of this Lease or right to possession by summary dispossession proceedings or under any provision of law now or at any time in force, whether with or without legal proceedings, Landlord may, at its option, relet the Premises or any part for the account of Tenant and collect the rents therefor, applying them first to the payment of expenses Landlord may have in recovering possession of the Premises, including legal expenses and attorney's fees, and for putting the Premises into good order or condition or preparing or altering the same for re-rental, expenses, commissions and charges paid, assumed or incurred by Landlord in reletting the Premises, and then to the fulfillment of the covenants of Tenant in this Lease. Any such reletting may be for the remainder of the term of this Lease or for a longer or shorter period. In any case and whether or not the Premises or any part thereof is relet, Tenant will pay to Landlord the Basic Rent, Pass Thru Rent, if applicable, Percentage Rent, any additional charges, and all other charges required to be paid by Tenant up to the time of termination of this Lease, or of recovery of possession of the Premises by Landlord, as the case may be. Thereafter, Tenant covenants and agrees, if required by Landlord, to pay to Landlord, until the end of the term of this Lease, the equivalent of the amount of all the Basic Rent and Pass Thru Rent, if applicable, reserved in this Lease, Percentage Rent, and all other charges required to be paid by Tenant, less the net income of reletting, if any. These payments will be due and payable by Tenant to Landlord on the rent days above specified. In any of the circumstances described above, Landlord will have the election to recover against Tenant, as damages for loss of the bargain and not as a penalty, an aggregate sum which, at the time of such termination of this Lease, or of such recovery of possession of the Premises by Landlord, represents the then present worth of the excess, if any, of the aggregate of the Basic Rent, Pass Thru Rent, if applicable, Percentage Rent, and all other charges payable by Tenant in this Lease that would have accrued for the balance of the term over the aggregate rental value of the Premises for the balance of the term. Percentage Rent for purposes of this Article shall be deemed to mean the Percentage Rent which Landlord can show could be generated from the Premises but in no event less than the greatest amount of Percentage Rent paid by Tenant during any year. Nothing in this Lease contained will limit or prejudice Landlord's right to prove and obtain as liquidated damages arising out of such breach or termination the maximum amount allowed by any statute or rule of law which may govern the proceeding in which such damages are to be proved.

7.05 Holding Over: Tenant will not hold over beyond the expiration or sooner termination of the term of this Lease. If Tenant does hold over, it will give rise to a tenancy at the sufferance of Landlord upon the same conditions as are provided for in this Lease with a monthly rental for the period of such holding over which is double the Basic Rent, Pass Thru Rent, if applicable, and Percentage Rent last paid by Tenant during the term of this Lease, and interest thereon, as liquidated damages, and not as a penalty. Landlord's acceptance of any rent after holding over begins does not renew this Lease. This provision does not waive Landlord's rights of re-entry or

any other right in this Lease resulting from Tenant's breach of the covenant not to hold over or any other breach in this Lease.

7.06 Remedies Cumulative: The remedies in this Lease granted to Landlord will not be exclusive or mutually exclusive, and Landlord will have such other remedies against Tenant as may be permitted in law or in equity at any time. Any exercise of a right of termination by Landlord will not be construed to eliminate any right of Landlord to damages on account of any default of Tenant.

7.07 Waiver: No delay or omission of Landlord to exercise any right or power arising from any default will impair any such right or power or will be construed to be a waiver of any such default or an acquiescence under this Lease. No waiver of any breach of any of the covenants of this Lease will be held to be a waiver of any other breach or waiver, acquiescence in or consent to any further or subsequent breach of the same covenant. The rights in this Lease given to receive, collect or sue for any rent, monies or payments or to enforce the terms, provisions and conditions of this Lease, or to prevent the breach or non-observance thereof, or to exercise any right or remedy in this Lease, will not in any way affect the right or power of Landlord to declare the term ended and to terminate this Lease because of any default in or breach of any of the covenants, provisions or conditions of this Lease.

7.08 Accord and Satisfaction: No payment by Tenant or receipt by Landlord of a lesser amount than the monthly rent in this Lease stipulated will be deemed to be other than on account of the earliest stipulated rent, nor will any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided for in this Lease.

7.09 Right to Perform for Tenant: If Tenant should fail to perform any of its obligations under the provisions of this Lease, Landlord, at its option, may (but will not be required to) do the same or cause the same to be done. In addition to any and all other rights and remedies of Landlord, the cost incurred by Landlord in connection with such performance by Landlord will be an additional charge due from Tenant to Landlord, together with interest thereon at the maximum rate permitted by law in the state in which the Premises are located on the next rent date after such expenditure or, if there is no maximum rate permitted by law, at fifteen percent (15%) per annum.

7.10 Condemnation: If the entire Premises are condemned under eminent domain, or acquired in lieu of condemnation, for any public or quasi-public use or purpose, all rentals and taxes or other charges will be paid to that date, and Tenant will have the right to make a claim for the value of its leasehold estate. Tenant will, also, have the right to claim and recover such compensation as may be separately awarded for any and all damage to Tenant's business by reason of the condemnation and for any cost or loss to which Tenant might be put in removing Tenant's merchandise, furniture, equipment and other personal property. Tenant specifically waives and releases any claim it may have, however, for the value of the building, fixtures and other improvements on the Premises whether or not installed or paid for by Tenant. Tenant further agrees to subordinate any claim it may have to Landlord's claim for the value of the improvements.

If only a part of the Premises is taken or condemned and Landlord determines that the operation of a McDonald's Restaurant on the Premises is no longer economically feasible or desirable, Landlord may at any time, either prior to or within a period of sixty (60) days after the date when possession of the Premises will be required by the condemning authority, elect to

terminate this Lease. If Landlord fails to exercise its option to terminate this Lease or will not have any such option, Landlord will (1) with reasonable promptness, make necessary repairs to and alterations of the improvements on the Premises for the purpose of restoring it to substantially the same use as that which was in effect immediately prior to such taking, to the extent that may be necessary by the condemnation; and (2) be entitled to the entire award for such partial taking. If Landlord does not elect to terminate this Lease, Tenant's Basic Rent and Pass Thru Rent, if applicable, will be reduced by a fraction, the numerator of which will be the total condemnation award or settlement and the denominator of which will be the fair market value of the Premises, prior to the taking, as determined by an independent appraiser selected by the Landlord.

7.11 Subordination and Non-Disturbance: This Lease and all of Tenant's rights, title and interest under the Lease will be subject, subordinated and inferior to the lien of any and all mortgages and to the rights of all parties under any sale and leaseback of the Premises and to any and all terms, conditions, provisions, extensions, renewals or modifications of any such mortgage or mortgages or sale and leaseback which Landlord or any grantee of Landlord (collectively hereafter called "Fee Owner") has or may place upon the Premises and the improvements thereon, in the same manner and to the same extent as if this Lease had been executed subsequent to the execution, delivery and recording of such mortgage or of the deed and lease under the sale and leaseback. This provision is intended to include the right of any grantee or Landlord under a sale and leaseback to further encumber the property with one or more mortgages, all of which are declared to be superior to the interest of Tenant in this Lease.

If a mortgagee or any other person acquires title to the Premises pursuant to the exercise of any remedy provided for in such mortgage, or in the event of the default under the Lease related to a sale and leaseback of the Premises, Tenant's right of possession will not be disturbed provided (a) Tenant is not then in default under this Lease and (b) Tenant attorns to such title holder. Tenant agrees that upon a mortgage foreclosure it will attorn to any mortgagee or assignee or any purchaser at the foreclosure sale (collectively called "Purchaser") as its Landlord and in the case of a default under the terms of the lease used in a sale and leaseback, it will attorn to the Fee Owner of the Premises as its new Landlord and, in either event, this Lease will continue in full force and effect as a direct Lease between Tenant and such party under all of the terms of this Lease. If there is a foreclosure of a mortgage placed on the property by a grantee under a sale and leaseback, such attornment will be required only if, at the time of such foreclosure, the Lease used in the sale and leaseback is also in default.

The subordination of this Lease to any mortgagee of Fee Owner provided for in this Lease or to any Lease under a sale and leaseback arrangement will be automatic and self-operative, and no special instrument of subordination will be necessary. Without limiting such automatic and self-operative subordinations, however, Tenant will, on demand, at any time or times, execute, acknowledge and deliver to Fee Owner, without expense to Fee Owner, any and all instruments that may be necessary or proper to evidence the subordination of this Lease and all rights in this Lease to the lien of any such mortgage, or to any such lease under a sale and leaseback arrangement. If Tenant fails, at any time, to execute, acknowledge and deliver any such subordination instrument within five (5) days after receipt of the notice, in addition to any other remedies available, Landlord may execute, acknowledge and deliver the same as the attorney-in-fact on Tenant's behalf; and Tenant hereby irrevocably makes, constitutes and appoints Landlord, its successors and assigns, such attorney-in-fact for that purpose.

ARTICLE 8 MISCELLANEOUS

8.01 No Agency Created: Tenant will have no authority, express or implied, to act as agent of Landlord or any of its affiliates for any purpose. Tenant is, and will remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Premises, including any personal property, equipment, fixtures or real property connected with them and for all claims or demands based on damage or destruction of property or based on injury, illness or death of any person or persons, directly or indirectly, resulting from the operation of the McDonald's Restaurant located on the Premises.

8.02 Recording of Lease: Tenant will not record this Lease without the written consent of Landlord. However, upon the request of either party, the other party will join the execution of a memorandum or a so-called "short-form" of this Lease for the purpose of recordation. The memorandum or short form of this Lease will describe the parties, the Premises and the term of this Lease and will incorporate this Lease by reference. The party requesting execution of the memorandum will bear all costs for recording it.

8.03 Force Majeure: Whenever a period of time is provided in this Lease for either party to do or perform any act or thing, except the payment of monies, neither party will be liable for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of the parties, and in any event the time period for the performance of an obligation in this Lease will be extended for the amount of time of the delay. This Article will not apply to, or result in, an extension of the term of this Lease.

8.04 Paragraph Headings: Headings in this Lease are for convenience only and are not to be construed as part of this Lease and will not be construed as defining or limiting in any way the scope or intent of the provisions of this Lease.

8.05 Invalidity of a Provision: If any term or provision of this Lease will to any extent be held invalid or unenforceable, the remaining terms and provisions of this Lease will not be affected, but each term and provision of this Lease will be valid and be enforced to the fullest extent permitted by law. If any material term of this Lease is stricken or declared invalid, Landlord reserves the right to terminate this Lease at its sole option.

8.06 Law Governing: The terms and provisions of this Lease will be governed by the laws of the State of Illinois.

8.07 Entire Agreement: This Lease and the Franchise Agreement will be deemed to include the entire agreement between the parties, and it is agreed that neither Landlord nor anyone acting in its behalf has made any statement, promise or agreement or taken upon itself any engagement whatever, verbally or in writing, in conflict with the terms of this Lease, or that in any way modifies, varies, alters, enlarges, or invalidates any of its provisions, or extends the term of this Lease, and that no obligations of Landlord will be implied in addition to the obligations expressed in this Lease. This agreement cannot be changed orally but only by an agreement in writing signed by Landlord and Tenant. Nothing in this Lease or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Tenant.

8.08 Parties Bound: The terms of this Lease will extend to and be binding upon the administrators, executors, heirs, assigns and successors of the parties, subject to the terms of Article 4.06.

8.09 Notices or Demands: All notices to or demands upon Landlord or Tenant given under any of the provisions of this Lease will be in writing. Any notices or demands from Landlord to Tenant will be deemed to have been duly and sufficiently given if a copy has been delivered personally or mailed by United States registered or certified mail in an envelope properly stamped and addressed to Tenant at the address of the Premises. Any notices or demands from Tenant to Landlord will be deemed to have been duly and sufficiently given if mailed by registered or certified mail in an envelope properly stamped and addressed to Landlord at 110 N. Carpenter Street, Chicago, Illinois 60607, Attention: Director, U.S. Legal Department. Mailed notices shall be deemed received three (3) business days after being deposited in the U.S. Mail. Either party, by notice, may change the address to which notice will be sent, but all notices mailed to Tenant at the address of the restaurant on the Premises will be deemed sufficient.

To indicate their consent to this Operator's Lease the parties, or their authorized representatives or officers, have signed this document.

EXCESS PROPERTY ADDENDUM

1. Landlord and Tenant acknowledge that the Premises includes excess property which will not be used in the operation of the McDonald's Restaurant developed on the Premises. The excess property is included in the legal description described on Schedule A of this Lease.
2. If the Landlord, in its sole discretion, is able to sell or lease the excess property during the term of this Lease, Tenant agrees to amend this Lease to accomplish the following:
 - A. The Premises shall be amended to delete the excess property so that it will no longer be leased to Tenant.
 - B. The Premises will be made subject and subordinate to easements that may be needed for access, utilities, drainage, signs or any other necessary use to properly or conveniently develop the excess property. Landlord agrees that no such easements or reservations shall unreasonably interfere with the continuing operation of the McDonald's Restaurant, and all costs, expenses and liabilities associated with the easements or any other use of the Premises shall be assumed by the Landlord.
3. Notwithstanding the deletion of the excess property from the Premises, the Tenant's rent shall remain as stated in this Lease and shall not be reduced. However, Tenant shall be reimbursed by Landlord for an amount equal to approximately all of Tenant's costs for real estate taxes, insurance and maintenance of the excess property up to an amount not to exceed the Landlord's gain on any sale or disposition of the excess property. The gain or loss on the disposition of the excess property shall be determined by subtracting the net book value of the excess property from the net proceeds of the Landlord's sale or other disposition of the excess property. If the excess property is leased by Landlord, the gain or loss shall be determined by subtracting the net present value of the rental payments to be received by Landlord from the net present value of all of Landlord's rental payments or Landlord's net book value associated with the excess property.
4. If the excess property is developed in such a manner as to provide for common access, parking, utilities or other easements that benefit both the Premises and the excess property, Tenant agrees to pay a pro rata share of the cost of maintaining and repairing such common access, parking, utilities or other easements as set forth in the written agreements.
5. The effective date of the above-described amendment shall be the date of closing of the sale of the excess property, if sold, or the date the rent commences, if it is leased.

LANDLORD'S INTEREST ADDENDUM
(McDonald's USA, LLC Leased Property)

1. **LANDLORD'S INTEREST IN PREMISES:** Landlord holds a leasehold interest in the Premises or a portion of the Premises under the Head Lease described in Article 1.05.
2. **COMPLIANCE WITH HEAD LEASE:** Tenant acknowledges and agrees that the terms and conditions of this Lease are subject and subordinate to the terms and conditions of the Head Lease and any subsequent amendments to it. If there are any inconsistencies between this Lease and the Head Lease, the more restrictive obligations of the Head Lease will prevail. Tenant will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the landlord under the Head Lease ("Head Landlord") to terminate the Head Lease or any rights of Landlord. Tenant will perform, comply with and discharge all obligations which Landlord is required to comply with and discharge under the Head Lease, including, but not limited to, payment of all charges, costs and expenses as set forth in Article 3.01 of this Lease. Such payments shall not, however, include payment of Landlord's basic monthly rental obligations under the Head Lease.
3. **TENANT'S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Tenant agrees to promptly provide to Landlord insurance policies or certificates, off-set statements, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required, from time to time, by the Head Landlord under the terms of the Head Lease. All certificates or policies of insurance so required will also name the Head Landlord as co-insured or additional insured, as the case may be.
4. **ENFORCEMENT OF LANDLORD'S RIGHTS UNDER HEAD LEASE:** It is acknowledged that the Head Landlord may have certain obligations under the Head Lease to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Head Lease. If these obligations exist, Landlord agrees to make a good faith effort to obtain the timely and faithful performance of Head Landlord's obligations, but Landlord will not be in default or breach of any of its covenants and duties under this Lease or be liable for any resulting loss or claim of Tenant if Landlord is not able to enforce its rights under the Head Lease. With respect to Landlord's obligation to repair and restore the Premises in the event of damage or destruction by fire or any other cause, Landlord's obligations are conditioned upon Landlord obtaining the cooperation and approval of the Head Landlord, as it may be required, and the compliance of Head Landlord with all of Head Landlord's duties under the Head Lease; and Landlord will not be liable to Tenant for any damage, claim or injury resulting from Landlord's inability to repair or restore the Premises due to a default or breach of the Head Lease by the Head Landlord.
5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sublease between Landlord and Tenant and not to make an assignment of the Head Lease. The parties further acknowledge that it is their intent that there be no merger of either Landlord's or Tenant's interest in this Lease and fee title if either party acquires a fee interest in the Premises at any time after the execution of this Lease. In such event, this Lease will remain in full force and effect and will determine the rights, duties and obligations of the parties.

THIS McDONALD’S INTEREST ADDENDUM is attached to and made a part of the Operator’s Lease (“Agreement”) between **McDONALD’S USA, LLC**, a Delaware limited liability company (“McDonald’s”) and _____ (hereafter, for purposes of this Addendum, called “Grantee”).

- 1. McDONALD’S INTEREST IN PREMISES:** McDonald’s has obtained the right to use the Premises pursuant to the _____ described in Article 1.05 (“Master Agreement”).
- 2. COMPLIANCE WITH THE MASTER AGREEMENT:** Grantee acknowledges and agrees that the terms and conditions of this Agreement are subject and subordinate to the terms and conditions of the Master Agreement and any subsequent amendments to it. If there are any inconsistencies between this Agreement and the Master Agreement, the more restrictive obligations of the Master Agreement will prevail. Grantee will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the grantor of McDonald’s interest under the Master Agreement (“Master Grantor”) to terminate the Master Agreement or to prejudice or limit any rights of McDonald’s under the Master Agreement. Grantee will perform, comply with and discharge all obligations which McDonald’s is required to perform, comply with and discharge pursuant to the Master Agreement including, but not limited to, the payment of all charges, costs and expenses as set forth in Article 3.01 of this Agreement. Such payments shall not, however, include payment of McDonald’s basic monthly fee obligation for its interest under the Master Agreement.
- 3. GRANTEE’S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Grantee agrees to promptly provide the insurance policies or certificates, off-set statements, statements of sales, mechanic’s lien waivers, notices, releases and any other statement, record or document which may be required from time to time by McDonald’s under the terms of the Master Agreement. All certificates or policies of insurance so required will name the Master Grantor as co-insured or additional insured, as the case may be.
- 4. ENFORCEMENT OF McDONALD’S RIGHTS UNDER MASTER AGREEMENT:** It is acknowledged that the Master Grantor may have certain obligations under the Master Agreement to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Master Agreement. If these obligations exist, McDonald’s agrees to make a good faith effort to obtain the timely and faithful performance of the Master Grantor’s obligations, but McDonald’s will not be in default or breach of any of its covenants and duties under this Agreement or be liable for any resulting loss or claim of Grantee if McDonald’s is not able to enforce its rights under the Master Agreement. With respect to McDonald’s obligation, if any, to repair and restore the Premises in the event of damage or destruction by fire or any other cause, McDonald’s obligations are conditioned upon McDonald’s obtaining the cooperation and approval of the Master Grantor, as it may be required, and the compliance of the Master Grantor with all of the Master Grantor’s duties under the Master Agreement; and McDonald’s will not be liable to Grantee for any damage, claim or injury resulting from McDonald’s inability to repair or restore the Premises due to a default or breach of the Master Agreement by the Master Grantor.

5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sub-agreement between McDonald's and Grantee and not to make an assignment of the Master Agreement. The parties further acknowledge that it is their intent that there be no merger of either McDonald's or Grantee's interest in this Agreement and the fee interest if either party acquires the fee interest in the Premises at any time after the execution of this Agreement. In such event, this Agreement will remain in full force and effect and will determine the rights, duties, and obligations of the parties. In addition, notwithstanding anything contained in this Agreement to the contrary, if McDonald's does not hold a leasehold interest in the Premises, this Agreement shall not be deemed a sublease but a sub-conveyance allowed by McDonald's rights under the Master Agreement. It is further agreed that the designation of this document as an "Operator's Lease" is merely for convenience and does not purport to transfer greater rights to Grantee than those held by McDonald's pursuant to the Master Agreement.

McDONALD'S INTEREST ADDENDUM

(McDonald's Corporation holds interest in Master Agreement – interest is not a leasehold)

THIS McDONALD'S INTEREST ADDENDUM is attached to and made a part of the Operator's Lease ("Agreement") between **McDONALD'S USA, LLC**, a Delaware limited liability company ("McDonald's USA") and _____ (hereafter, for purposes of this Addendum, called "Grantee").

- 1. McDONALD'S USA'S INTEREST IN PREMISES:** McDonald's USA has obtained the right to use the Premises through an internal agreement(s) with McDonald's Corporation and/or its affiliated companies (McDonald's Corporation and/or its affiliated companies are hereafter referred to as "McDonald's") ("McDonald's Internal Agreement Documentation") as may be amended from time to time. The McDonald's Internal Agreement Documentation does not increase Grantee's obligations under this Agreement. The McDonald's Internal Agreement Documentation requires McDonald's USA to meet all of the obligations of McDonald's under the Master Agreement described in Article 1.05.
- 2. COMPLIANCE WITH THE MASTER AGREEMENT:** Grantee acknowledges and agrees that the terms and conditions of this Agreement are subject and subordinate to the terms and conditions of the Master Agreement and any subsequent amendments to it. If there are any inconsistencies between this Agreement, McDonald's Internal Agreement Documentation and the Master Agreement, the more restrictive obligations of the Master Agreement will prevail. Grantee will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the grantor of McDonald's interest under the Master Agreement ("Master Grantor") to terminate the Master Agreement or to prejudice or limit any rights of McDonald's under the Master Agreement. Grantee will perform, comply with and discharge all obligations which McDonald's is required to perform, comply with and discharge pursuant to the Master Agreement including, but not limited to, the payment of all charges, costs and expenses as set forth in Article 3.01 of this Agreement. Such payments shall not, however, include payment of McDonald's basic monthly fee obligation for its interest under the Master Agreement.
- 3. GRANTEE'S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Grantee agrees to promptly provide the insurance policies or certificates, off-set statements, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required from time to time by McDonald's USA, McDonald's or the Master Grantor under the terms of the Master Agreement. All certificates or policies of insurance so required will, in addition to McDonald's USA, also name the Master Grantor and McDonald's as co-insureds or additional insureds, as the case may be.
- 4. ENFORCEMENT OF McDONALD'S RIGHTS UNDER MASTER AGREEMENT:** It is acknowledged that the Master Grantor may have certain obligations under the Master Agreement to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Master Agreement. If these obligations exist, McDonald's USA agrees to make a good faith effort to obtain the timely and faithful performance of the Master Grantor's obligations, but McDonald's USA will not be in default or breach of any of its covenants and duties under this Agreement or be liable for any resulting loss or claim of Grantee if McDonald's USA is not able to enforce its rights under the Master Agreement. With respect to McDonald's

USA's obligation, if any, to repair and restore the Premises in the event of damage or destruction by fire or any other cause, McDonald's USA's obligations are conditioned upon McDonald's USA's obtaining the cooperation and approval of the Master Grantor, as it may be required, and the compliance of the Master Grantor with all of the Master Grantor's duties under the Master Agreement; and neither McDonald's USA nor McDonald's will be liable to Grantee for any damage, claim or injury resulting from McDonald's USA's inability to repair or restore the Premises due to a default or breach of the Master Agreement by the Master Grantor.

5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sub-agreement between McDonald's USA and Grantee and not to make an assignment of the Master Agreement. The parties further acknowledge that it is their intent that there be no merger of either McDonald's USA's or Grantee's interest in this Agreement and the fee interest if either party acquires the fee interest in the Premises at any time after the execution of this Agreement. In such event, this Agreement will remain in full force and effect and will determine the rights, duties, and obligations of the parties. In addition, notwithstanding anything contained in this Agreement to the contrary, if McDonald's USA does not hold a leasehold interest in the Premises, this Agreement shall not be deemed a sublease but a sub-conveyance allowed by McDonald's rights under the Master Agreement. It is further agreed that the designation of this document as an "Operator's Lease" is merely for convenience and does not purport to transfer greater rights to Grantee than those held by McDonald's pursuant to the Master Agreement.

OPERATOR EXTENSION OF TERM LANGUAGE

If Landlord extends its leasehold interest or acquires the fee interest in the Premises so that the Landlord's tenure extends beyond _____, the term of this Lease shall be automatically modified for a term consistent with the Landlord's real estate interest in the Premises, but in no event beyond _____. This Lease shall also be amended to reflect any new terms and conditions in the new or extended Lease or in the acquisition documents executed by Landlord and its landlord or seller. The Basic Rent and Percentage Rent may be increased to reflect Landlord's total real estate acquisition and development costs for the Premises by applying Landlord's then current rental formula using the Percentage Rent then in effect for similar McDonald's Restaurants.

EARLY TERMINATION DUE TO NO ADDITIONAL REAL ESTATE TENURE

Tenant acknowledges that Landlord is in negotiations with the party that controls the real estate interest in the Premises ("Head Landlord") to obtain additional real estate tenure for the Premises (as defined below). As of the date of this Lease, Landlord does not have real estate tenure at the Premises, but the Head Landlord has agreed to allow Landlord to occupy the Premises while negotiations continue. The Head Landlord may revoke its agreement at any time; therefore, Landlord and Tenant agree that, notwithstanding the term in this Article, Landlord may terminate this Lease upon the following: (i) negotiations with the Head Landlord cease or (ii) the Head Landlord requires Landlord to vacate the Premises. In either case, this Lease will terminate when McDonald's right to occupy the Premises terminates.

ASSIGNMENT AGREEMENT

ASSIGNMENT AND CONSENT TO ASSIGNMENT OF FRANCHISE TO AN INDIVIDUAL PURCHASER

This Assignment and Consent to Assignment of Franchise to an Individual Purchaser, dated _____ (“Assignment”), is between **McDonald’s USA, LLC**, a Delaware limited liability company (“McDonald’s”); _____ and _____ (collectively “Assignor”); and _____ and _____ (collectively “Assignee”).

Background

A. McDonald’s or its predecessor in interest issued to Assignor or its predecessor(s) in interest a Franchise Agreement and an Operator’s Lease, both dated _____, including any amendments (collectively “Franchise”), for the McDonald’s restaurant located at _____ [L/C: _____] (“Restaurant”).

B. Assignor requests McDonald’s consent to transfer the rights in the Franchise to Assignee under the terms of the Purchase and Sale Agreement, dated _____, between Assignor and Assignee, including all amendments (“Agreement”).

C. Assignor and Assignee acknowledge that McDonald’s consent to this Assignment is required under the terms of the Franchise.

Agreement

The parties, intending to be legally bound and for good and valuable consideration, agree as follows:

1. The effective date of this Assignment is _____, at 12:01 a.m. (“Effective Date”).
2. McDonald’s consents to this Assignment subject to the provisions of the Franchise and this Assignment.
3. On the Effective Date, Assignor assigns and transfers all the right, title, and interest of Assignor in the Franchise to Assignee, subject to the provisions of the Franchise and this Assignment.
4. On the Effective Date, the transfer of the Restaurant assets and assignment of the rights and obligations under the Franchise will be effective and complete. Assignee must take possession of the Restaurant assets and begin operation of the Restaurant business on the Effective Date.
5. Beginning on the Effective Date, Assignee (i) must pay all fees, (ii) assumes full and unconditional liability under the Franchise, and (iii) must perform all obligations under the Franchise. Beginning on the Effective Date, the royalty will be 4.0%. McDonald’s has elected not to adjust the royalty for the Franchise for the Restaurant to the now prevailing percentage royalty rate of 5.0%. McDonald’s does not waive, and hereby expressly reserves, its right to adjust the royalty rate to the then prevailing rate upon any future assignment or transfer of the Franchise for the Restaurant.
6. McDonald’s grants approved owner/operator status to _____ for the Restaurant, and he/she must personally devote full time and best efforts to the Restaurant business and adhere to the tenets of the McDonald’s System (as defined in the Franchise) which are the essence of the Franchise.

7. On the Effective Date, Assignee assumes Assignor's obligations listed on the attached Exhibit A.

8. Without the prior written consent of McDonald's, Assignee may not, either voluntarily or by operation of law, make or permit:

- a) any further transfer or assignment of the Franchise;
- b) any pledge or encumbrance of the Franchise; or
- c) the creation of new or additional interest in the Franchise.

9. Assignee represents and warrants that:

- a) Assignee is the only person with an interest in the Franchise and Assignee's ownership interest is as shown on Exhibit B; and
- b) there is no obligation or intention to issue additional interests in the Franchise.

10. If Assignor or Assignee breaches any of the conditions, representations, agreements, or warranties contained in this Assignment, McDonald's will be entitled to all relief and remedies available by law or in equity, including injunctive relief, and to all relief and remedies granted to McDonald's by the Franchise.

11. Assignee is responsible for the Restaurant's entire real estate tax bill due on the next payment date. Assignee must pay the entire amount due to McDonald's or, if on direct pay, to the appropriate taxing authority upon receipt of the invoice for the real estate tax bill from either McDonald's or the appropriate taxing authority.

12. Assignor and Assignee each represents and warrants to McDonald's that (i) the Agreement is the entire agreement between Assignor and Assignee for the acquisition of the Restaurant by Assignee, (ii) a complete and true copy of the Agreement has been delivered to McDonald's, (iii) all of the financial terms relating to Assignee's acquisition of the Restaurant have been disclosed in writing to McDonald's, and (iv) the Agreement and this Assignment have been duly authorized, executed and delivered by such party, and constitute the enforceable obligations of such party. Assignor and Assignee each agrees and acknowledges that (i) McDonald's consent to this Assignment is based on its evaluation of such financial terms, and (ii) a failure to disclose all financial terms to McDonald's will constitute a material breach of the Franchise pursuant, among other provisions, to paragraph 18(n) of the Franchise, thereby entitling McDonald's to all rights and remedies under the Franchise including, but not limited to, the right to terminate the Franchise.

13. If Assignee pays all business creditors, including McDonald's, on a timely basis, Assignor will be automatically discharged from all liability under the Franchise upon the earlier of: (i) three years after the Effective Date or (ii) the end of the Franchise term.

14. Assignor agrees to pay all liabilities owed to McDonald's relating to the Restaurant as estimated on the attached Exhibit C, including, but not limited to, rent and royalties through the standard automatic bank draft process. Assignor agrees to leave a designated bank account open for sixty (60) days past the Effective Date and to ensure that sufficient funds remain in the bank account to satisfy all liabilities. A partial payment of any receivable amount by Assignor to McDonald's will not relieve the parties from the obligation to pay to McDonald's any and all receivables in full and McDonald's acceptance of any monies from Assignor will not waive Assignor's obligation to make full payment or waive any rights of McDonald's. McDonald's consent to this Assignment is expressly conditioned on McDonald's receipt from Assignor of all receivables owed to McDonald's.

15. Assignor represents and warrants that neither Assignor, nor any member of the immediate family of Assignor, and to the best knowledge of Assignor, any other member of Assignor's family:

- a) owns, or has the right to use, directly or indirectly, any property used for or in connection with the operation of the Restaurant which is not a part of the assets being conveyed to Assignee;
- b) owns, directly or indirectly, all or part of any business which is a party to any business arrangements concerning the Restaurant; or
- c) owns or has an interest in any real estate located within a radius of 500 yards of the Restaurant, excluding real estate leased to Assignor by McDonald's.

16. Assignee's failure to comply with National Restaurant Building and Equipment Standards ("NRBES") at the Restaurant before _____ may result in Assignee not complying with the National Franchising Standards.

17. As of the Effective Date, Assignor agrees that if any Franchise contains a paragraph entitled "Interference with Employment Relations of Others," such Franchise is hereby amended to eliminate Paragraph 14. If the Franchise does not contain a paragraph entitled "Interference with Employment Relations of Others," such Franchise shall remain unchanged.

18. Assignor and Assignee hereby represent and warrant that they have executed the Bigger, Bolder Vision 2020 Commitment Letter, as amended (the "BBV2020 Letter"). Assignor and Assignee agree to abide by and perform all terms, conditions, and obligations outlined in the BBV2020 Letter.

19. On the Effective Date, Assignor assigns, transfers, and sets over to Assignee all right, interest, duties, and obligations of Assignor in any commitment letter, letter agreement, contract or other similar agreement with McDonald's for the Restaurant in connection with the BBV2020 Letter, the Experience of the Future ("EOTF") or other construction or development project or test at the Restaurant (collectively, the "Commitment Letter"). Assignee accepts the assignment of the Commitment Letter and agrees to abide by and perform all terms, conditions, and obligations outlined in the Commitment Letter. Assignee also assumes full and unconditional liability under the Commitment Letter.

20. It is Assignor's obligation to provide, and Assignee's obligation to obtain, all project costs and payment records for any construction projects that are in progress or completed at the Restaurant(s). Assignee shall be responsible for any remaining construction payments owed to McDonald's related to the Restaurant(s).

21. The parties' respective successors, assigns, heirs, and personal representatives are bound by this Assignment. All obligations, agreements, representations, and warranties made by more than one party will be joint and several even if it is not so stated in the relevant paragraph.

22. At any time during normal business hours, McDonald's may examine and copy any of Assignor's or Assignee's records, books, financial records, tax returns, or other documents for the purpose of insuring compliance with the Franchise and this Assignment.

23. All Exhibits to this Assignment are a part of this Assignment.

24. This Assignment is not an approval by McDonald's of the Agreement or any other documents pertaining to it and McDonald's is not a party to the Agreement or bound by it. Assignee acknowledges that Assignee is acquiring the Restaurant and the Franchise pursuant to an arms-length sale between operators in which Assignor and Assignee exercised their own, independent business judgment in arriving at the purchase price for the Restaurant and the Franchise. McDonald's neither established nor negotiated that price. Assignee entered into the Agreement voluntarily, with the advice of any attorneys, accountants, and valuation experts of its choosing, following a sales process that afforded Assignee a full and fair opportunity to visually inspect the Restaurant and Franchise, discuss the condition with Assignor, and conduct any other due diligence Assignee believed was necessary. In connection with the Agreement and/or this Assignment, Assignee hereby acknowledges and agrees that McDonald's has not made, and is not making, any express or implied representations, warranties, guarantees, promises, or assurances,

whether orally or in writing, concerning the Restaurant or the Franchise, including without limitation the value, condition, use, profitability, or future performance of the Restaurant or the Franchise, and Assignee expressly disclaims any such representation, warranty, guarantee, promise or assurance (including merchantability and fitness for a particular purpose). Accordingly, and for the avoidance of doubt, Assignee hereby covenants not to sue McDonald's for fraudulent inducement or to bring any other claim or cause of action based in fraud, tort, equity, contract or otherwise against McDonald's relating to any alleged misrepresentations or omissions Assignee later may claim McDonald's made about the Restaurant or Franchise in connection with the sales process or the Agreement.

25. All terms and conditions of the Franchise remain in full force and effect except as expressly modified by this Assignment.

26. McDonald's and Assignee each acknowledge and warrant to each other that they wish to have all terms of their business relationship defined in the Franchise and this Assignment. Neither McDonald's nor Assignee wishes to enter into a business relationship with the other in which any terms or obligations are the subject of alleged oral statements or in which oral statements serve as the basis for creating rights or obligations different from or supplementary to the rights and obligations in the Franchise or this Assignment. McDonald's, Assignor, and Assignee agree that the Franchise and this Assignment supersede and cancel any prior and/or contemporaneous discussions or writings (whether described as representations, inducements, promises, agreements, understandings, or any other term), between McDonald's or anyone acting on its behalf, Assignor or anyone acting on Assignor's behalf, and Assignee or anyone acting on Assignee's behalf, with respect to the Restaurant or the relationship between the parties. McDonald's, Assignor, and Assignee each agree that they have placed, and will place, no reliance on any such discussions or writings. The Franchise and this Assignment constitute the entire agreement between the parties and contain all of the terms, conditions, rights, and obligations of the parties with respect to the Restaurant and the Franchise. No future franchise or offer of franchises for additional McDonald's restaurants has been promised to Assignee and no such franchise or franchise offer will come into existence, except by means of a separate writing, executed by an officer or franchising director of McDonald's and specifically identified as a franchise agreement. No change, modification, amendment, or waiver of any of the provisions of the Franchise or this Assignment will be effective and binding upon McDonald's unless it is in writing, specifically identified as an amendment to this Assignment, and signed by an officer or franchising director of McDonald's.

27. The laws of the State of Illinois shall govern this Assignment, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

28. The parties will execute and deliver any other documents required by McDonald's which are reasonably necessary to carry out the purposes of this Assignment.

29. The invalidity of any provision of this Assignment shall not impair the validity of any other provision. If any provision of this Assignment is determined to be unenforceable by a court of competent jurisdiction, such provision shall be deemed severable and the remaining provisions of this Assignment shall be enforced.

30. In the event that McDonald's initiates any legal proceeding to construe or enforce the terms, conditions and provisions of this Assignment (including without limitation, Section 21 herein), or to obtain damages or other relief to which it may be entitled by virtue of this Assignment, McDonald's shall be entitled to payment from Assignee and Assignor, jointly and severally, of its reasonable attorneys' fees and all other costs of enforcement and/or collection.

31. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties hereto need not sign the same counterpart. Executed signature pages delivered by facsimile or electronically will be treated in all respects as original signatures.

The parties have signed this Assignment evidencing that they have read, understand, and are bound by the terms of this Assignment.

Agreement

McDonald’s and Candidate, each intending to be legally bound and for good and valuable consideration, the receipt and sufficiency of which is acknowledged, hereby agrees as follows:

1. McDonald’s authorizes Candidate to participate in the Training Program until further notice by McDonald’s. Candidate agrees to comply with the guidelines and standards of the Training Program at all times.

2. McDonald’s decision to consider Candidate for any franchise opportunity as well as the location and type of franchise opportunity to be offered, if any, and the terms of any contracts rest in McDonald’s sole discretion. McDonald’s is unable, at this date, to determine the exact type of the franchise opportunity and contracts, if any, which may ultimately be offered to Candidate.

Alternate Paragraph 3 for Company Employee:

Candidate will not receive any reimbursement for costs and expenses incurred directly or indirectly as a result of Candidate's participation in the Training Program. Candidate is an existing employee or agent of McDonald's or a parent, subsidiary, or affiliate of McDonald's in a position outside of the Training Program. Candidate is not entitled to and will not separately receive any compensation including, without limitation, salary, wages, or employee benefits for Candidate's participation in the Training Program, and Candidate is not acting within his or her capacity as an employee while participating in the Training Program. Candidate waives any and all rights to damages, the reimbursement of expenses or costs, as well as the payment of any compensation related directly or indirectly to Candidate's participation in the Training Program. Candidate's existing employment with McDonald's or a parent, subsidiary, or affiliate of McDonald's will terminate no later than the date on which the Candidate enters into a binding contract for a franchise opportunity.

Alternate Paragraph 3 for Franchise Applicant:

3. Candidate may spend in excess of two years in the Training Program without a commitment from McDonald's that a franchise will be offered. During the Training Program, Candidate's performance and qualifications to become a franchisee will be continuously evaluated by McDonald's. Alternate Paragraph 3 for Next Generation Candidate and Franchisee Employee:

3. Candidate may spend in excess of two years in the Training Program without a commitment from McDonald's that a franchise will be offered. Candidate waives any and all rights to damages, the reimbursement of expenses or costs, as well as the payment of any compensation related directly or indirectly to Candidate's participation in the Training Program.

4. The term "Confidential Information" shall mean all information (whether or not specifically labeled or identified as confidential), in any form or medium (whether in oral, written, electronic, graphic or other form), that is disclosed to, or developed or learned by, or that becomes known to, Candidate (i) in connection with Training Program performed hereunder (including without limitation any training or operating manuals) and/or (ii) that relates to the business, operations, products, services, know how, strategies, promotions, research, prospects, employee relations or development of McDonald's or any Affiliate thereof or their respective franchisees, suppliers, clients or customers. Candidate acknowledges and agrees that Candidate may have access to information and materials of a highly sensitive nature (including Confidential Information) and he or she intends to protect the legitimate business interests of McDonald's and its Affiliates therein. Candidate agrees that during the term of this Agreement and at all times thereafter, without the prior written consent of McDonald's, Candidate shall not use for his or her

Candidate shall use his or her best efforts and utmost diligence to safeguard the Confidential Information and to protect it against disclosure, misuse, espionage, loss and theft. Upon termination of Candidate's participation in the Training Program, Candidate shall immediately return all Confidential Information, including all training and operating manuals, provided to or acquired by Candidate. In the event that Candidate is required by law or court order to disclose any Confidential Information, Candidate shall (i) to the extent permitted by such law or court order, provide written notice to McDonald's of such required disclosure or court order as soon as reasonably possible, (ii) cooperate with McDonald's to preserve the confidentiality of such Confidential Information consistent with applicable law and (iii) use his/her best efforts to limit any such disclosure to the minimum disclosure necessary to comply with such law or court order. The Parties agree that any threatened or existing breach of this Section 4 would cause McDonald's irreparable injury for which it would have no adequate remedy at law. In each such case, the Parties agree that McDonald's shall be entitled to immediate injunctive relief prohibiting such violation, in addition to any other rights and remedies available to McDonald's.

5. This Agreement is personal to Candidate and it may not be transferred by assignment, will, or operation of law. Neither McDonald's nor Candidate shall have any right to act on behalf of or bind the other party for any purpose. Candidate shall comply with all applicable laws, rules and regulations related to Candidate's participation in the Training Program. Candidate represents that his or her execution of this Agreement, and his or her participation in the Training Program, does not violate any other agreement or contract that is binding on Candidate. This Agreement is not an offer of a franchise or a commitment or promise by McDonald's to offer Candidate a franchise and McDonald's decision to make any franchise offer rests in McDonald's sole discretion.

7. Candidate acknowledges receipt of the Disclosure Document together with various attachments. Candidate must hold the Disclosure Document for fourteen (14) calendar days before signing this Agreement. Candidate further acknowledges being advised by McDonald's to read such material carefully.

8. Candidate's participation in the Training Program may be terminated by either the Candidate or McDonald's at any time, with or without cause. In the event McDonald's notifies Candidate at any time during the Training Program that it will not offer a franchise to Candidate, in McDonald's sole discretion, Candidate's participation in the Training Program will automatically terminate upon such notification. This Agreement will terminate if Candidate's participation in the Training Program terminates for any reason. This Agreement will automatically terminate if the Contractor Agreement has been terminated. If this Agreement is terminated, the Contractor Agreement will automatically terminate.

Alternate Paragraph 9 for Registered Applicants:

In the event the qualified Candidate is unable to acquire 100% ownership in at least one traditional restaurant within the 12-month time period, the qualified Candidate may request from McDonald's an extension of time to acquire the minimum 100% ownership from the US Franchising Placement Director. This is NOT an automatic extension and the decision is in McDonald's sole discretion. The qualified Candidate is required to request the extension in writing no less than 60 days prior to the expiration of the 12-month period. ~~If~~ The written request must be sent by email to the US Franchising Placement Director (or such other email address as may be directed by McDonald's from time to time). This must include (1) the specific actions the qualified Candidate has taken during the 12-month period to acquire 100% ownership in at least one traditional restaurant and (2) the reasons why the qualified Candidate believes it has been unable to consummate an acquisition during the 12-month period. McDONALD'S U.S. NEW TERM POLICY

(Effective January 1, 2025)

As franchisor, McDonald's USA, LLC ("McDonald's") desires to enter into business relationships with Owner/Operators who, as McDonald's determines, consistently meet the National Franchising Standards (the "Standards"), comply with their Franchise Agreement, support McDonald's initiatives and Values, and contribute to the overall success of the McDonald's System. A McDonald's franchise is granted for a limited period of time with no right to renew or extend. In addition, in determining whether to enter into a new term franchise, McDonald's will evaluate the available real estate tenure and economic viability of the restaurant and may set conditions on the new term franchise, as further explained below.

An Owner/Operator organization's performance will be assessed throughout the franchise term and, at each Business Review, the Field Office will communicate the history of performance and current performance under the Standards.

A new term franchise decision must be made before the franchise term expires. In the sixteenth calendar year, prior to the expiration of the franchise term (year 16 of the standard 20 year franchise term), the Owner/Operator ~~will~~ must apply for a new term franchise by completing a New Term Request for the restaurant to be considered for a new term franchise. -Starting with the 2026 New Terms, only one Owner/Operator can hold approved status on the new term franchise. However, spouses may both have approved status if they are currently approved on the restaurant, with Field Office approval.

In year 17 of the franchise term, if the organization has consistently met the Standards, the Vice President of the respective Field Office is likely to recommend to the New Term Committee that a new term franchise offer be made to the Owner/Operator. If the organization has a history of inconsistently meeting the Standards or, in year 17, is not meeting the Standards, the Vice President of the respective Field Office is likely to recommend against offering a new term franchise to the New Term Committee.

New term franchise recommendations are submitted by the Operations Officer, with endorsement from the Field Vice President of the respective Field Office, for approval from the New Term Committee. The New Term Committee is comprised of members of U.S. management. Only the New Term Committee, or its designee, has the authority to offer, reconsider an offer or not offer a new term franchise to an Owner/Operator.

If a new term franchise offer is approved, the terms will be outlined in a new term offer letter that will be sent to the Owner/Operator. The offer of a new term franchise is conditioned upon the organization continuing to remain in compliance with the Standards and their Franchise Agreement for the remainder of the current franchise term and is subject to available real estate tenure. If the organization does not meet one or more of the Standards after the time of the new term offer but before the end of the current term, the Vice President of the respective Field Office is likely to request the New Term Committee to reconsider the offer of a new term franchise.

There may be additional conditions imposed as a part of the new term franchise offer. Any such conditions will be included in the new term offer letter and will vary from case to case, but most frequently relate to reinvestment, rebuilds, relocations, real estate issues, or ownership policy issues. If the Owner/Operator owns or leases additional property that McDonald's determines is essential to the operation of the restaurant business, the new term franchise offer will be conditioned upon McDonald's obtaining a controlling interest, through purchase or option to purchase, in the additional property to ensure its availability for the long-term operation of the restaurant. In some situations, due to the availability of real estate, questions about the long-term economic viability of the restaurant location, or other considerations, a shorter-term franchise or restaurant closure may be appropriate.

To accept the offer of a new term franchise, the Owner/Operator must sign our then-current form of franchise agreement prior to the start of the new term franchise. The Royalty will remain the same as the previous rate for the restaurant. The initial franchise fee for the new term franchise will be those in effect for similar restaurants at the time the new term franchise commences. The rent for the new term franchise will be calculated in accordance with

the then-current new term rent policy. Owner/Operator rental of additional property will be treated in accordance with the additional property policy in effect at the time the new term franchise commences.

In cases where McDonald's, through the New Term Committee, concludes that it will not offer a new term franchise to the Owner/Operator, the Owner/Operator will be advised of this decision in writing. The decision of the New Term Committee not to offer a new term franchise to the Owner/Operator is final. In these cases, McDonald's may extend an alternative offer, which would give the Owner/Operator the opportunity to sell the restaurant business to a qualified buyer prior to the start of the new term franchise. Subject to the terms and conditions stated in any alternative offer, which includes a legal release, McDonald's will offer a new term franchise to the qualified buyer.

McDonald's may deviate from the above process when considering a new term franchise for non-traditional venues.

MCDONALD'S U.S. GROWTH POLICY

(Effective May 1, 2025)

McDonald's USA, LLC ("McDonald's") desires to grow with the best and most qualified Owner/Operators who consistently meet or exceed the National Franchising Standards (the "NFS"), support McDonald's Values and initiatives, and demonstrate an ability to adapt to the evolving needs of the guest. This Growth Policy sets expectations for determining whether an Owner/Operator is qualified to buy one or more restaurants and explains the process by which an Owner/Operator may acquire one or more restaurants, including McDonald's considerations in consenting to growth. The Growth Policy is not intended to, and does not necessarily address, whether an Owner/Operator is meeting the requirements of the Franchise Agreement.

To meet the minimum threshold to acquire one or more restaurants, an Owner/Operator's organization must meet all NFS. **A determination that an Owner/Operator organization meets the NFS is not an assurance or a representation that a proposed acquisition will be approved.** We expect that owner/operators wishing to grow will exceed our guests' expectations each visit by consistently delivering an exceptional customer experience and demonstrating genuine customer-focused behaviors.

Owner/Operators who meet the NFS (or a Registered Applicant or Next Generation Candidate who is qualified to buy) and wish to acquire a restaurant(s) must submit a Business Acquisition Plan at least 10 days in advance of providing a contract to acquire a restaurant(s). The Business Acquisition Plan will address the proposed buyer's plans and intentions for the acquisition restaurant(s) including, but not limited to, how the proposed buyer intends to meet the NFS going forward. The proposed buyer must use McDonald's current [Business Acquisition Plan template](#) and submit it to their Field Vice President and Operations Officer. **Failure to submit a complete Business Acquisition Plan at least 10 days in advance of providing a contract will result in a denial of consent to proceed with the acquisition.** Another contract can be submitted once the Business Acquisition Process is complete. Further, the buyer must submit financial projections using the Organization Planning Tool (OPT) when submitting a contract.

In reviewing any request to buy, McDonald's must review and decide whether to approve the proposed buyer and acquisition as outlined in the assignment provisions of the applicable Franchise Agreement. McDonald's will evaluate, among other things and by way of illustration only, an Owner/Operator's: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the restaurant(s), (v) residence in the locality of the restaurant(s), (vi) equity interest in the restaurant(s), (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's will also evaluate whether the organization is in compliance with the Franchise Agreement(s). Finally, McDonald's will evaluate whether the proposed acquisition meets McDonald's financial screens and lending guidelines. Based upon these considerations, our ongoing business relationship with our Owner/Operators, our knowledge and experience with their restaurants, including their history of performance and recent growth, and the organization's overall performance on guest experience, McDonald's will determine whether to approve an Owner/Operator's request to acquire additional restaurants. **McDonald's will deny consent to any proposed acquisition as it deems appropriate in its business judgment.**

CONFIDENTIAL AND PROPRIETARY INFORMATION: The material contained herein is intended for the exclusive System-related use of (1) independent owner/operators and their advisors and employees who have access and (2) corporate employees of McDonald's USA, LLC. None of the materials or information contained herein may be reproduced, copied, or shared by any means without the specific written authorization of McDonald's USA, LLC. McDonald's reserves the right to take appropriate action in the event of misuse or disclosure of confidential and proprietary information.

[FOR USE WITH NOTES SUBJECT TO A PRIOR LENDER'S SUBORDINATION AGREEMENT] This Note is subject to the terms of that certain Subordination Agreement among [Senior Lender], Borrower, Lender and McDonald's dated concurrently herewith.

THE FAILURE OR FORBEARANCE OF LENDER OR ANY OTHER HOLDER OF THIS NOTE FOR ANY PERIOD OF TIME TO EXERCISE ANY RIGHT HEREUNDER, OR OTHERWISE GRANTED BY LAW OR ANOTHER AGREEMENT, SHALL NOT AFFECT OR RELEASE THE LIABILITY OF BORROWER OR ANY OTHER OBLIGOR HEREUNDER, AND SHALL NOT CONSTITUTE A WAIVER OF SUCH RIGHT UNLESS SO STATED BY LENDER OR SUCH OTHER HOLDER IN WRITING. Borrower agrees that Lender or any other holder shall have no responsibility for the collection or protection of any property securing this Note and may waive its rights with respect to any property or indebtedness. Borrower hereby waives (i) presentment of payment, notice of nonpayment, notice of dishonor, protest and all other demands and notices in connection with the delivery, acceptance, performance and enforcement of this Note, and (ii) the benefits of any law providing that the release of any one of any obligors for this Note releases all others otherwise liable for obligations outstanding hereunder.

Borrower agrees to pay reasonable and documented expenses of Lender, including reasonable fees of outside counsel, in connection with the preparation, execution and delivery of this Note and any related document prepared for Lender, or any amendments, modifications or waivers of the provisions hereof or thereof. The foregoing fees may be paid from the proceeds of this Note. Furthermore, Borrower agrees to pay the reasonable and documented costs of Lender relating to the collection or enforcement of this Note or any related document, including reasonable fees of outside counsel.

This Note is secured by the Collateral, as defined in Part II herein. Borrower shall pay, or reimburse Lender, for any and all filing costs, documentary stamps, intangibles taxes, conveyance or transfer taxes and/or similar fees or taxes required to be paid in connection with this Note, in order to effectuate the filing of financing statements and/or security agreements allowing Lender to perfect its security for this Note.

All payments not made when due shall bear interest from the date each payment is due until the date payment is received by Lender, at Lender's option, at the Prime Rate, plus an additional two percent (2.0%) per annum. Irrespective of the exercise or nonexercise of the foregoing option, in the event that any payment herein provided for shall become overdue for more than thirty (30) days, a "late charge" of three percent (3%) of the overdue payment shall, at Lender's option, become immediately due and payable to Lender as liquidated damages for failure to make prompt payment, and the same shall be secured

by this Note, provided that Lender provided Borrower and Guarantor with written notice of such missed payment in the manner provided for in Part III, Section 6.2 of this Note within fifteen (15) days of such missed payment being due.

Lender shall provide Borrower with the following notifications regarding any missed payments: (a) as discussed above, written notice of such missed payment in the manner provided for in Part III, Section 6.2 of this Note within fifteen (15) days of such missed payment being due; (b) a phone call to Borrower within fifteen (15) days after such missed payment was due; (c) a regular monthly bill for principal and interest that includes the missed payment from the prior period and any interest accrued thirty (30) days after such missed payment was due (or on such schedule as is in accordance with the Lender's customary billing processes); and (d) a default notice on or after the date sixty (60) days after such missed payment was due. Lender's failure to provide Borrower with such notifications within the aforesaid timeframes does not constitute a waiver of Lender's right to collect interest at the rate described in the preceding paragraph or otherwise impair any of the Lender's rights or remedies hereunder or under applicable law, provided that Lender shall not exercise remedies hereunder until Lender provides Borrower with all such notifications.

This Note and any other indebtedness of Borrower to Lender, whether now existing or hereafter arising, are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration of the maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to Lender for the use or the forbearance of the indebtedness hereunder exceed the maximum permissible rate under applicable law ("**Maximum Rate**"). As used herein, the term "applicable law" shall mean the law in effect as of the date of this Note, provided however that in the event there is a change in the applicable law which results in a higher permissible rate of interest, then this Note shall be governed by such new law as of its effective date. If due to any circumstance whatsoever, fulfillment of any provisions of this Note at the time performance of such provision shall be due shall exceed the Maximum Rate, then, automatically, the obligation to be fulfilled shall be modified or reduced to the extent necessary to limit such interest to the Maximum Rate. If Lender should ever receive anything of value deemed interest by applicable law which would exceed the Maximum Rate, such excess shall be applied to the reduction of principal then outstanding and not to the payment of interest, or, if such excess exceeds the principal then outstanding, such excess shall be repaid to Borrower.

Borrower understands and agrees that in making the loan evidenced by this Note, Lender and McDonald's have agreed on certain matters with respect to such loan. Borrower further understands that McDonald's has executed a guaranty ("**Guaranty**") which guaranties Borrower's obligations under this Note and that in connection with the Guaranty, McDonald's will receive a Guaranty fee to be paid by Lender. Lender may, and Borrower hereby authorizes Lender to, release to McDonald's such information about Borrower and the loan evidenced hereby as Lender deems necessary or appropriate, including without limitation, Borrower's financial statements and any information relating to Borrower's performance under this Note. McDonald's may release to Lender such information about Borrower or Borrower's affiliates and the Franchise (as hereinafter defined) or any other McDonald's franchise Borrower or Borrower's affiliates may own and operate. Lender may also condition its agreement to any waiver, modification or amendment with respect to this Note on obtaining McDonald's prior written consent. Lender may, without incurring any liability to Borrower, notify McDonald's of any Event of Default, as defined below, under this Note prior to notifying Borrower. McDonald's may, without incurring any liability to Borrower, notify Lender of any breach of the Franchise, prior to notifying Borrower. Lender shall not have any liability to Borrower as a result of any action taken or not taken by Lender with respect to the loan evidenced by this Note in accordance with the written instructions of a duly authorized officer, employee or agent of McDonald's. Borrower acknowledges that Lender's rights under Section 6.1 below shall include without limitation Lender's right to assign this Note to McDonald's at any time, whether or not there has occurred an Event of Default hereunder.

PART II: SECURITY AGREEMENT

All terms used and not otherwise defined in this Note shall have the meanings ascribed to such terms in the Uniform Commercial Code as adopted, and in effect from time to time, by the State of Illinois (the “UCC”). However, if a term is defined in Article 9 of the UCC differently than in another Article of the UCC, the term has the meaning specified in Article 9. For purposes of this Note, “**Obligations**” means all loans, advances, indebtedness, notes, liabilities and amounts, liquidated or unliquidated, owing by Borrower or any affiliate of Borrower to Lender at any time, each of every kind, nature and description, whether arising under this Note or otherwise, direct or indirect (that is, whether the same are due directly or indirectly to Lender as endorser or guarantor, or as obligor of obligations due to third persons which have been

endorsed or assigned to Lender, or otherwise), absolute or contingent, due or to become due, now existing or hereafter arising or acquired, and shall also include all principal, interest and other charges due from Borrower or any affiliate of Borrower to Lender and all costs and expenses referred to in this Note and any interest, premium, fees, and other income accruing after the commencement of any proceeding or case commenced by or against the Borrower or any such affiliate under any bankruptcy, insolvency or other debtor relief laws, whether or not allowed under any such proceeding or case.

For value received, Borrower hereby grants to Lender a security interest in the Collateral as described below. This security interest is granted to secure payment of the Obligations on the following terms and conditions:

1. Collateral.

1.1 Security Interest Grant. Borrower hereby grants to Lender, to secure the payment and performance in full of all of the Obligations, a security interest in and pledges and assigns to Lender the following properties, assets and rights of Borrower, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof (all of the same being hereinafter called the “**Collateral**”): all personal and moveable property of every kind and nature including, without limitation, all goods (including inventory, equipment, and any accessions thereto), instruments (including promissory notes), documents, accounts (including health-care insurance receivables), chattel paper (whether tangible or electronic), deposit accounts, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), commercial tort claims, securities and all other investment property, supporting obligations, any other contract rights or rights to the payment of money, insurance claims and proceeds, tort claims, and all general intangibles (including all payment intangibles). The Collateral does not include Borrower’s right, title and interest in the Franchise, as defined below.

1.2 Location/Purpose. The Collateral will be kept at and used in the operation of the McDonald’s restaurant businesses located at [insert addresses of restaurants where collateral is located]. These restaurant businesses, together with the License Agreement or Franchise Agreement and the Operator’s Lease and any assignments pertaining thereto, will be referred to collectively as the “**Franchise**”. Borrower agrees not to remove the Collateral from the Franchise premises except for purposes of repair or replacement in the normal course of business. In no event, however, will any such repair or replacement impair the value of the Collateral.

1.3 Inspection/Records. Upon reasonable notice and at any reasonable time prior to an Event of Default as defined herein (and, after Event of Default, without notice and at any time), Borrower will allow Lender to inspect the Collateral. Borrower will keep accurate and complete records identifying the Collateral which will be available to Lender upon request.

1.4 Maintenance. Borrower will maintain the Collateral in good condition; will repair or replace it, if necessary; and in general, deal with the Collateral in a manner that is considered

good practice for a McDonald's restaurant business. Borrower will not knowingly use the Collateral in violation of any law, statute, ordinance or government regulation and will be responsible for payment of any taxes and/or assessments that may be imposed on the Collateral.

1.5 Insurance. Borrower agrees to maintain insurance on the Collateral with a responsible company in such amounts and against such risks and hazards as are normally insured against by similar McDonald's restaurant businesses. Lender shall be named as an additional insured, or, alternatively, as loss payee under a lender loss payable endorsement in favor of Lender. Upon request, Borrower shall provide Lender with satisfactory evidence of insurance coverage.

1.6 Reimbursement of Lender. At its option, Lender may discharge taxes and other liens at any time levied or placed on the Collateral, and place and pay for insurance thereon. Borrower agrees to reimburse Lender on demand for any and all expenditures so made, and until paid the amount thereof shall be a debt secured by the Collateral. Lender shall have no obligation to Borrower to make any such expenditures, nor shall the making thereof relieve Borrower of any default.

2. Warranties, Representations and Covenants of Borrower.

2.1 Representations and Warranties. Borrower warrants and represents to Lender that the following are true and correct on the date of this Note:

(a) Authorization. Borrower has full power and authority to enter into this Note which is a legal and binding obligation of Borrower and enforceable in accordance with its terms.

3.1 Borrower shall fail to maintain sufficient funds in any automated clearing house deposit account ("**ACH**") to enable payment, or shall otherwise fail to make payment, of any installment of principal and/or interest or other amounts due and payable under this Note and such default remains uncured after the expiration of ten (10) days from receipt of notice of such default.

Borrower hereby acknowledges and agrees that a default in the payment or performance of the obligations under this Note shall be deemed a material breach under the Franchise, allowing McDonald's to exercise all of its rights and remedies pursuant to said Franchise.

4. Remedies with Respect to Collateral. Upon the occurrence of an Event of Default, Lender may exercise the following remedies, at its option, and demand and notice are waived by Borrower.

4.1 Possession. Lender shall have the right to take possession of the Collateral in accordance with all applicable local and federal laws.

Lender's waiver of any right, power, privilege, or default under this Note shall neither constitute a waiver of any right, power, privilege, or default, nor shall it constitute a waiver of any future default of the same or of any other term of this Note. All rights and remedies in this Note are cumulative and not exclusive of any other legal rights or remedies. No waiver of Borrower's breach of any term or condition of this Note shall be effective unless in a writing signed by a duly authorized representative of Lender.

The Borrower and the Lender agree that any Electronic Signature on or associated with any Communication shall be valid and binding on such entity to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature will constitute the legal, valid and binding obligation of such entity enforceable against such entity in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient,

including both paper and electronic counterparts, but all such counterparts are one and the same Communication. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Lender is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Lender pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Lender has agreed to accept such Electronic Signature, the Lender shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Borrower without further verification and (b) upon the request of the Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time, and “**Communication**” means this Note, any related loan document and any document, any amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Note and any related loan document. The Lender shall not be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of this Note or any related loan document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Lender’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Note or any other related loan document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such person or entity in fact meets the requirements set forth in the loan documents for being the maker thereof). The Borrower hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Note or any other related loan document based solely on the lack of paper original copies of this Note or such other loan document and (ii) waives any claim against the Lender for any liabilities arising solely from the Lender’s reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Borrower or Lender to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

6.10 JURY WAIVER. EACH OF BORROWER AND LENDER HEREBY IRREVOCABLY WAIVES TRIAL BY JURY AND AGREES THAT NEITHER, INCLUDING ANY ASSIGNEE OR SUCCESSOR, SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM, OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS NOTE AND OTHER RELATED AGREEMENTS, ANY COLLATERAL OR THE DEALINGS OR THE RELATIONSHIP BETWEEN OR AMONG THE PARTIES, OR ANY OF THEM. NEITHER BORROWER NOR LENDER WILL SEEK TO CONSOLIDATE ANY SUCH ACTION, IN WHICH A JURY TRIAL HAS BEEN WAIVED, WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY DISCUSSED BY THE PARTIES AND THESE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS. NEITHER BORROWER NOR LENDER HAS IN ANY WAY AGREED WITH OR REPRESENTED TO THE OTHER THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

UNLIMITED GUARANTY

GUARANTY, dated as of _____ by _____ (the "Guarantor"), in favor of BANK OF AMERICA, N.A., a national banking association with offices at 100 Federal Street, Boston, MA 02110, U.S.A., Mail Code MA5-100-095-0416, Attention: Dan Robson, (the "Lender"). In consideration of the Lender's giving, in its discretion, time, credit or other accommodations to _____ and its successors (the "Customer"), the Guarantor agrees as follows:

1. **GUARANTY OF PAYMENT AND PERFORMANCE.** The Guarantor hereby guarantees to the Lender the full and punctual payment when due (whether at maturity, by acceleration or otherwise), and the performance, of all liabilities, agreements and other obligations of the Customer to the Lender, whether direct or indirect, absolute or contingent, due or to become due, secured or unsecured, now existing or hereafter arising or acquired (whether by way of discount, letter of credit, lease, loan, overdraft or otherwise), including, without limitation, any interest, premium, fees, and other income accruing after the commencement of an insolvency proceeding, in each case whether or not allowed as a claim in such insolvency proceeding (the "Obligations"). This Guaranty is an absolute, unconditional and continuing guaranty of the full and punctual payment and performance of the Obligations and not of their ~~collectibility~~ collectability only and is in no way conditioned upon any requirement that the Lender first attempt to collect any of the Obligations from the Customer or resort to any security or other means of obtaining their payment. Should the Customer default in payment or performance of any of the Obligations, the obligations of the Guarantor hereunder shall become immediately due and payable to the Lender, without demand of notice of any nature, all of which are expressly waived by the Guarantor. Payments by the Guarantor hereunder may be required by the Lender on any number of occasions.

2. **GUARANTOR'S AGREEMENT TO PAY.** The Guarantor further agrees, as the principal obligor and not as a guarantor only, to pay to the Lender, on demand, all costs and expenses (including court costs and legal expenses) incurred or expended by the Lender in connection with the Obligations, this Guaranty and the enforcement thereof, together with interest on amounts recoverable under this Guaranty from the time such amounts become due until payment, at the rate per annum equal to 18% or, if higher, the floating rate of interest announced by the Lender from time to time at its head office as its Prime Rate, plus 4%; provided that if such interest exceeds the maximum amount permitted to be paid under applicable law, then such interest shall be reduced to such maximum permitted amount.

3. **UNLIMITED GUARANTY.** The liability of the Guarantor hereunder shall be unlimited.

4. **WAIVERS BY GUARANTOR; LENDER'S FREEDOM TO ACT.** The Guarantor agrees that the Obligations will be paid and performed strictly in accordance with their respective terms regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Lender with respect thereto. The Guarantor waives presentment, demand, protest, notice of acceptance, notice of Obligations incurred and all other notices of any kind, all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar law now or hereafter in effect, any right to

require the marshalling of assets of the Customer, and all suretyship defenses generally. Without limiting the generality of the foregoing, the Guarantor agrees to the provisions of any instrument evidencing, securing or otherwise executed in connection with any Obligation and agrees that the obligations of the Guarantor hereunder shall not be released or discharged, in whole or in part, or otherwise affected by (i) the failure of the Lender to assert any claim or demand or to enforce any right or remedy against the Customer, (ii) any extensions or renewals of any Obligation; (iii) any rescissions, waivers, amendments or modifications of any of the terms or provisions of any agreement evidencing, securing or otherwise executed in connection with any Obligation, or any assignments, transfers, sales, or participations of the Obligations or this Guaranty; (iv) the substitution or relapse of any entity primarily or secondarily liable for any Obligation; (v) the adequacy of any rights the Lender may have against any collateral or other means of obtaining repayment of the Obligations; (vi) the impairment of any collateral securing the Obligations, including without limitation the failure to perfect or preserve any rights the Lender might have in such collateral or the substitution, exchange, surrender, release, loss or destruction of any such collateral; or (vii) any other act or omission which might in any manner to any extent vary the risk of the Guarantor or otherwise operate as a relapse or discharge of the Guarantor, all of which may be done without notice to the Guarantor.

5. UNENFORCEABILITY OF OBLIGATIONS AGAINST CUSTOMER. If for any reason the Customer has no legal existence or is under no legal obligation to discharge any of the Obligations, or if any of the Obligations have become irrecoverable from the Customer by operation of law or for any other reason, this Guaranty shall nevertheless be binding on the Guarantor to the same extent as if the Guarantor at all times had been the principal obligor on all such Obligations. In the event that acceleration of the time for payment of the obligations is stayed upon the insolvency, bankruptcy or reorganization of the Customer, all such amounts otherwise subject to acceleration under the terms of any agreement evidencing, securing or otherwise executed in connection with any Obligations shall be immediately due and payable by the Guarantor.

6. SUBROGATION; SUBORDINATION. Until the payment and performance in full of all Obligations and any and all obligations of the Customer to any affiliate of the Lender, the Guarantor shall not exercise any rights against the Customer arising as a result of payment by the Guarantor hereunder, by way of subrogation or otherwise, and will not prove any claim in competition with the Lender or its affiliates in respect of any payment hereunder in the bankruptcy or insolvency proceedings of any nature; the Guarantor will not claim any set-off or counterclaim against the Customer in respect of any liability of the Guarantor to the Customer; and the Guarantor waives any benefit of and any right to participate in any collateral which may be held by the Lender or any such affiliate. The payment of any amounts due with respect to any indebtedness or other obligations of the Customer now or hereafter held by the Guarantor is hereby subordinated to the prior payment in full in cash of the Obligations. The Guarantor agrees that after the occurrence of any default in the payment or performance of the Obligations, the Guarantor will not demand, sue for or otherwise attempt to collect any such indebtedness or obligations of the Customer to the Guarantor until the Obligations shall have been paid in full. If, notwithstanding the foregoing sentence, the Guarantor shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by the Guarantor as trustee for the Lender and be paid over to the Lender on account of the Obligations without affecting in any manner the liability of the Guarantor under the other provisions of this Guaranty.

7. SECURITY; SET-OFF. The Guarantor grants to the Lender, as security for the full and punctual payment and performance of the Guarantor's obligations hereunder, a continuing lien on and security interest in all securities or other property belonging to the Guarantor now or hereafter held by the Lender and in all sums credited by or due from the Lender to the Guarantor or subject to withdrawal by the Guarantor; and regardless of the adequacy of any collateral or other means of obtaining repayment of the Obligations, the Lender is hereby authorized at any time and from time to time, without notice to the Guarantor (any such notice being expressly waived by the Guarantor) and to the fullest extent permitted by law, to set off and apply such sums against the obligations of the Guarantor under this Guaranty, whether or not the Lender shall have made any demand under this Guaranty and although such obligations may be contingent or unmatured.

8. FURTHER ASSURANCES. The Guarantor agrees that it will, from time to time at the request of the Lender, provide to the Lender (a) if other than an individual, (i) copies of the Guarantor's most recent balance sheets and related statements of income and changes in financial condition (prepared on a consolidated basis with the Guarantor's subsidiaries, if any), (ii) copies of the Guarantor's federal, state and local tax returns, and (iii) a certificate of good standing issued by the governmental authorities of the relevant jurisdiction of formation, (b) if an individual, (i) the Guarantor's personal financial statement, by March 1st of each year, in form and substance satisfactory to the Lender, and (ii) copies of the Guarantor's personal federal, state and local tax returns (including Schedule K-1s, if applicable, and all other schedules) within fifteen days of filing unless otherwise advised by Lender, and no later than March 1st of each year and (c) such other information relating to the business and affairs of the Guarantor as the Lender may reasonably request. The Guarantor also agrees, upon demand after any change in the condition or affairs (financial or otherwise) of the Guarantor deemed by the Lender to be adverse and material, to secure the payment and performance of its obligations hereunder by delivering, assigning or transferring to the Lender or granting the Lender a security interest in additional collateral of a value and character satisfactory to the Lender, and authorizes the Lender to file any financing statement deemed by the Lender to be necessary or desirable to perfect any security interest granted by the Guarantor to the Lender, and as agent for the Guarantor, to sign the name of the guarantor thereto. The Guarantor also agrees to do all such things and execute all such documents, including financing statements, as the Lender may consider necessary or desirable to give full effect to this Guaranty and to perfect and preserve the rights and powers of the Lender hereunder.

9. TERMINATION; REINSTATEMENT. This Guaranty shall terminate upon satisfaction in full of all Obligations. This Guaranty shall continue to be effective or be reinstated, notwithstanding any such notice, if at any time any payment made or value received with respect to an Obligation is rescinded or must otherwise be returned by the Lender upon the insolvency, bankruptcy or reorganization of the Customer, or otherwise, all as though such payment had not been made or value received.

10. SUCCESSORS AND ASSIGNS. This Guaranty shall be binding upon the Guarantor, its successor and assigns, and shall inure to the benefit of and be enforceable by the Lender and its successors, transferees and assigns; *provided*, that Guarantor shall have no right to assign its rights or obligations hereunder without the prior written consent of Lender. Without limiting the generality of the foregoing sentence, the Lender may assign or otherwise transfer any agreement or any note held by it evidencing, securing or otherwise executed in connection with the Obligations, or sell participations in any interest therein, to any other person or entity, and such other person or entity shall thereupon become vested, to the extent set forth in the agreement evidencing such assignment, transfer or participation, with all the rights in respect thereof granted to the Lender herein.

11. AMENDMENTS AND WAIVERS. No amendment or waiver of any provision of this Guaranty nor consent to any departure by the Guarantor therefrom shall be effective unless the same shall be in writing and signed by the Lender. No failure on the part of the Lender to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right.

12. GOVERNING LAW; CONSENT TO JURISDICTION. This Guaranty is intended to take effect as a sealed instrument and shall be governed by, and construed in accordance with, the law of the State of Illinois. The Guarantor agrees that any suit for the enforcement of this Guaranty may be brought in the courts of the State of Illinois or any Federal Court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Guarantor by mail at the address specified in Section 16 hereof. The Guarantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

13. MISCELLANEOUS. This Guaranty constitutes the entire agreement of the parties with respect to the matters set forth herein. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by law or any other agreement, and this Guaranty shall be in addition to any other guaranty of the Obligations. The invalidity or unenforceability of any one or more sections of this Guaranty shall not affect the validity or enforceability of its remaining provisions. The meanings of all defined terms used in this Guaranty shall be equally applicable to the singular and plural forms of the terms defined.

14. AUTHORIZATION TO CONDUCT DUE DILIGENCE WITH THIRD PARTIES. The Guarantor hereby authorizes the Lender and any of the Lender's representatives, agents or assigns, to contact McDonald's Corporation, the Guarantor's accountants, insurance agents, attorneys and other representatives and agents of McDonald's Corporation and the Guarantor for the purpose of discussing the Guarantor's affairs and financial condition and to obtain such information from, and conduct such other due diligence with, such third parties from time to time as the Lender deems necessary or desirable. The Guarantor hereby authorizes and directs all such third parties to provide such information to the Lender, the Lender's representatives, agents and assigns, and to cooperate fully in all respects in connection with any requests for information regarding the Guarantor.

15. AGENCY. The Guarantor acknowledges and agrees that all of the rights and remedies which may be exercised by the Lender under this Guaranty, and all demands and notices which may be given by the Lender under this Guaranty, may be exercised and/or given (as the case may be) by an agent appointed by the Lender for such purposes and identified to the Guarantor in writing by the Lender from time to time.

16. NOTICE. All notices and other communications shall have been duly given and shall be effective (i) when delivered, (ii) when transmitted via telecopy (or other facsimile device) to the number set forth below, (iii) on the day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service, or (iv) on the third business day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case to the respective parties at the address set forth below, or at such other address as such party may specify by written notice to the other party hereto. No notice of change of address shall be effective except upon actual receipt. This Section shall not be construed in any way to affect or impair any waiver of notice or demand provided in any other document or to require giving of notice or demand to or upon any person in any other situation or for any reason.

17. ELECTRONIC EXECUTION; COUNTERPARTS. This Guaranty, any related document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. The Guarantor and the Lender agree that any Electronic Signature on or associated with any Communication shall be valid and binding on such entity to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature will constitute the legal, valid and binding obligation of such entity enforceable against such entity in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Lender and the Guarantor may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of such entity’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect,

validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Lender is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Lender pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Lender has agreed to accept such Electronic Signature, the Lender shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Guarantor without further verification and (b) upon the request of the Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time, and “**Communication**” means this Guaranty, any related loan document and any document, any amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Guaranty and any related loan document. The Lender shall not be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of this Guaranty or any related loan document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Lender’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Guaranty or any other related loan document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such person or entity in fact meets the requirements set forth in the loan documents for being the maker thereof). The Guarantor hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Guaranty or any other related loan document based solely on the lack of paper original copies of this Guaranty or such other loan document and (ii) waives any claim against the Lender for any liabilities arising solely from the Lender’s reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Guarantor or Lender to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

18. JURY WAIVER. EACH OF THE GUARANTOR AND THE LENDER HEREBY IRREVOCABLY WAIVES TRIAL BY JURY AND AGREES THAT NEITHER, INCLUDING ANY ASSIGNEE OR SUCCESSOR, SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM, OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS GUARANTY, ANY PROMISSORY NOTE, ANY OTHER RELATED AGREEMENTS, ANY COLLATERAL OR THE DEALINGS OR THE RELATIONSHIP BETWEEN OR AMONG THE PARTIES, OR ANY OF THEM. NEITHER THE GUARANTOR NOR THE LENDER WILL SEEK TO CONSOLIDATE ANY SUCH ACTION, IN WHICH A JURY TRIAL HAS BEEN WAIVED, WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY DISCUSSED BY THE PARTIES AND THESE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS. NEITHER THE GUARANTOR NOR THE LENDER HAS IN ANY WAY AGREED WITH OR REPRESENTED TO THE OTHER THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

This Operator Assistance Program Agreement (the "Agreement"), entered into the year and date indicated below, is between McDonald's USA, LLC and **Borrower Name** ("Operator"), and the legal entities listed on the signature block of this Agreement (collectively with Operator the "Franchisee"), in reference to the Loan (as hereinafter defined) made by Bank of America, NA, its subsidiaries or affiliates ("Lender") to Franchisee.

AGREEMENTS

1. **Promissory Note.** The Lender has concurrently made a loan (the "Loan") to the Franchisee, pursuant to a Promissory Note, Security Agreement and ACH Authorization (collectively, the "Note"). Franchisee understands that McDonald's Corporation has executed a guaranty as described in Section 2 below (the "Guaranty"). This Agreement will be effective and enforceable between the parties on the later of (i) the date of last execution of this Agreement, or (ii) the Effective Date of the Note.

2. **McDonald's Obligations.** Pursuant to the terms of the Guaranty, McDonald's Corporation (together with McDonald's USA, LLC, "McDonald's") has guaranteed to the Lender the payment and performance obligations of Franchisee under the Note.

3. **Reimbursement.** Franchisee shall reimburse McDonald's for any amounts paid by McDonald's to Lender pursuant to the Guaranty (such reimbursement amounts owed by Franchisee to McDonald's being the "OAP Amounts"). Franchisee shall make payment to McDonald's of the OAP Amounts within thirty (30) days of McDonald's making any such payment to Lender. Franchisee hereby waives presentment, demand, protest, notice of protest and dishonor.

4. **Notice.** Any notice required to be given under this Agreement shall be in writing and delivered in person or sent by certified or registered mail, postage prepaid. Notice to Franchisee and McDonald's shall be addressed as set forth in the Franchise, with a copy to Lender at: Bank of America, 100 Federal St., Boston, MA 02360, Mail Code: MA5 100-09-04.

5. **Assignment.** This Agreement is binding upon and shall inure to the benefit of Franchisee and McDonald's and their respective legal representatives, assigns and successors; however, Franchisee shall have no right to assign this Agreement without the prior written consent of McDonald's.

6. **Severability.** The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined by a court of competent jurisdiction to be unenforceable such determination shall not affect the validity of any other provision of this Agreement.

7. **Waiver.** McDonald's failure or delay in exercising any right, power, or privilege under this Agreement shall not preclude its exercise of any other or further right, power or privilege under this Agreement. McDonald's waiver of any right, power, privilege, or default under this Agreement shall neither constitute a waiver of any right, power, privilege, or default, nor shall it constitute a waiver of any future default of the same or of any other term of this Agreement. All rights and remedies in this Agreement are cumulative and not exclusive of any other legal rights or remedies. No alleged waiver of Franchisee's breach of any term or condition of this Agreement shall be effective unless in writing signed by a duly authorized representative of McDonald's.

8. **Release.** Franchisee fully, irrevocably and absolutely releases and forever discharges McDonald's from any and all claims, demands, suits, damages, losses, liabilities and causes of action or obligations of every kind, character or nature whatsoever, in law or in equity, known or unknown, suspected or unsuspected, fixed or contingent, pending or not pending, liquidated or unliquidated, that arose out of any actions, omissions, or events occurring in whole or in part prior to the execution of this Agreement, including, but not in any way limited to, losses, liabilities, claims (including but not limited to, by way of example only, those for fraud, misrepresentation, breach of warranty), and causes of action arising from or in any way relating to

this Agreement whether in writing or made through any alleged course of conduct, course of dealing, statements or actions of either McDonald's or Franchisee.

9. Covenants. From the effective date of this Agreement until the termination of this Agreement pursuant to Section 14, Franchisee hereby covenants and agrees that: (i) Franchisee will not incur any secured or unsecured debt (other than normal trade debt/payables incurred in the ordinary course of business) or act as guarantor for any debt of others, without the prior written approval of McDonald's, in its sole discretion, (ii) Franchisee will not lend money to any third party (including without limitation any member, partner, owner or shareholder of Franchisee) without the prior written approval of McDonald's, in its sole discretion, (iii) Franchisee will pay all amounts due and owing under the Note on time, in accordance with its terms, (iv) Franchisee shall immediately notify McDonald's, in writing, of any defaults by Franchisee under the Note and provide McDonald's with copies of any default notices issued to Franchisee by Lender, and (v) Franchisee will maintain all excess cash in the business in order to accumulate funds to retire the Note on or before its maturity date, provided, that, Franchisee may (A) make reasonable compensation distributions/draws to Operator, and/or (B) make distributions/draws necessary to satisfy Operator's Federal and state income tax obligations.

10. Default; Remedies. If Franchisee (i) fails to perform any of its covenants herein, including without limitation, the covenants contained in Sections 3 or 9, or (ii) breaches any of its representations or warranties herein, including without limitation the representations and warranties contained in Section 13, then Franchisee shall be in default under this Agreement (in each case, an "Event of Default").

If the Event of Default is based upon either (i) Franchisee's failure to make timely payment of any OAP Amounts in accordance with Section 3 herein, or (ii) Franchisee's failure to pay all amounts due and owing under the Note on time, in accordance with its terms, in accordance with Section 9(iii) herein, then such Event of Default shall immediately constitute a material breach of the Franchise (as such term is defined in the Note), entitling McDonald's to exercise all of its rights and remedies as set forth in the Franchise, including, but not limited to, the right to terminate the Franchise.

In the case of all other Events of Default, McDonald's may provide written notice to Franchisee of such Event of Default, and Franchisee shall, within sixty (60) days of receiving such written notice, obtain traditional financing and/or utilize cash to fully satisfy the outstanding balance on the Note from Lender and all OAP Amounts owed to McDonald's. Failure by Franchisee to fully satisfy the outstanding balance on the Note from Lender and all OAP Amounts due to McDonald's within such 60-day period shall constitute a material breach of the Franchise, entitling McDonald's to exercise all of its rights and remedies as set forth in the Franchise, including, but not limited to, the right to terminate the Franchise.

The rights and remedies of McDonald's stated above are in addition to all other rights and remedies available to McDonald's at law or in equity, all of which shall be cumulative.

11. Cross-Default. Pursuant to the terms of the Note, a default under the Note is a material breach under the terms of the Franchise, entitling McDonald's to exercise all of its rights and remedies as set forth in the Franchise.

12. Termination of Franchise. In the event that the Franchise is terminated for any reason during the term of this Agreement, Franchisee shall, within thirty (30) days of such termination, obtain traditional financing and/or utilize cash to fully satisfy the outstanding balance on the Note from Lender and all OAP Amounts owed to McDonald's.

13. Representations and Warranties. Franchisee hereby represents and warrants to McDonald's that: (i) Franchisee is the sole obligor/maker of the Note, (ii) Franchisee is not in default under the terms and conditions of either the Note or the Franchise as of the date of this Agreement (and no condition exists that, with the giving of notice or passage of time, would constitute a default under the terms and conditions of the Note or

the Franchise), (iii) the signatory of this document on behalf of Franchisee represents that he or she is an officer or director of Franchisee and is duly authorized to execute this document on Franchisee's behalf, and (iv) Franchisee has the full right, power and authority to enter into and perform this Agreement.

14. Termination. This Agreement shall remain in full force and effect from the date hereof until (i) the Guaranty has been released by the Lender and the original returned to McDonald's, and (ii) all of the obligations of Franchisee under this Agreement then outstanding, including the reimbursement by Franchisee of all OAP Amounts, have been paid. If any payments hereunder to McDonald's by Franchisee should for any reason be voidable or recoverable, in whole or in part, or McDonald's is required for any reason to refund or restore any payment, or any portion thereof, then Franchisee hereby agrees that as to any such payment and all costs and expenses (including attorneys' fees) of McDonald's related thereto, Franchisee's liability hereunder shall be reinstated, regardless of whether or not this Agreement has been previously terminated pursuant to the first sentence of this Section.

15. Governing Law. Franchisee hereby acknowledges and agrees that this Agreement and the obligations hereunder are to be governed by and under the internal laws of the State of Illinois, without regard to its conflicts of law rules. Franchisee agrees that any suit for the enforcement of this Agreement may be brought in the courts of the State of Illinois or any Federal Court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon Franchisee by mail at the Franchise restaurant location(s). Franchisee hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

16. Section Headings; Defined Terms. The various headings used in this Agreement are inserted for convenience only and shall not affect the meaning or interpretations of this Agreement or any provision hereof.

17. Waivers, Amendments, Discharges. No provision or term of this Agreement may be waived, amended or otherwise modified except by an agreement in writing signed by McDonald's in the case of a waiver, and, in the case of an amendment or other modification, by McDonald's and Franchisee, and any oral waiver, amendment or modification of any provision or term hereof shall be without authority and of no force and effect. Any such waiver, amendment or modification shall be effective only in the specific instances and for the purposes and to the extent therein specified.

18. Enforcement Costs. Franchisee shall pay McDonald's immediately and without protest all costs and expenses incurred by McDonald's in exercising and/or enforcing its rights and remedies under this Agreement (including, but without limitation, McDonald's court costs, attorneys' fees, and fees of its financial advisors and consultants, whether incurred in litigation or not).

19. Further Assurances. Franchisee shall execute such documents and take such further actions as may be required by McDonald's to carry out the provisions of this Agreement and the transactions contemplated hereby.

20. Joint and Several Liability. The undersigned entities executing this Agreement as "Franchisee" are jointly and severally liable for all obligations owed to McDonald's under this Agreement.

21. WAIVER OF JURY TRIAL. FRANCHISEE AND McDONALD'S HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENT ENTERED INTO IN CONNECTION HERewith, OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. FRANCHISEE AND McDONALD'S REPRESENT THAT EACH HAS REVIEWED THIS WAIVER AND EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT

OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

22. Electronic Delivery; Counterparts. This Agreement, and any amendments hereto, may be executed in one or more counterparts, all of which shall constitute one and the same instrument. Any such counterpart, to the extent delivered by means of a facsimile machine or by .pdf, .tif, .gif, .jpeg or similar attachment to electronic mail shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

RECITALS

WHEREAS, _____, a _____ (the "**Borrower**") has executed in favor of Lender a Promissory Note, Security Agreement and ACH Authorization dated _____, 20____ in the principal amount of \$ _____ (as amended, restated, modified, supplemented, replaced or substituted for from time to time, the "**Note**"), pursuant to which Lender has made or will make certain credit extensions to Borrower; and

WHEREAS, each Grantor is an affiliate of the Borrower and certain of the credit extensions will or may be used, directly or indirectly, in furtherance of the business of the Grantors, and therefore each Grantor stands to benefit materially from the credit extensions made or to be made by Lender to Borrower pursuant to the Note; and

WHEREAS, the Lender would not make the credit extensions pursuant to the Note available to the Borrower without this Agreement from the Grantors.

NOW, THEREFORE, in consideration of the mutual agreements contained herein and in the Note, the Grantors hereby agree as follows for the benefit of the Lender:

1. All terms used and not otherwise defined in this Agreement shall have the meanings given thereto in the Note or in the Uniform Commercial Code as adopted, and in effect from time to time, by the State of Illinois (the "**UCC**"). However, if a term is defined in Article 9 of the UCC differently than in another Article of the UCC, the term has the meaning specified in Article 9. For purposes of this Agreement, "**Obligations**" means all loans, advances, indebtedness, notes, liabilities and amounts, liquidated or unliquidated, owing by Borrower or any affiliate of Borrower (including Grantors) to Lender at any time, each of every kind, nature and description, whether arising under the Note or this Agreement or otherwise, direct or indirect (that is, whether the same are due directly or indirectly to Lender as endorser or guarantor, or as obligor of obligations due to third persons which have been endorsed or assigned to Lender, or otherwise), absolute or contingent, due or to become due, now existing or hereafter arising or acquired, and shall also include all principal, interest and other charges due from Borrower or any affiliate of Borrower (including Grantors) to Lender and all costs and expenses referred to in the Note and this Agreement and any interest, premium, fees, and other income accruing after the commencement of any proceeding or case commenced by or against the Borrower or any such affiliate (including any Grantor) under any bankruptcy, insolvency or other debtor relief laws, whether or not allowed under any such proceeding or case.

2. For value received, each Grantor hereby grants to Lender, to secure the payment and performance in full of all of the Obligations, a security interest in and pledges and assigns to Lender the following properties, assets and rights of such Grantor, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof (all of the same being hereinafter called the "**Collateral**"): all personal and moveable property of every kind and nature including, without limitation, all goods (including inventory, equipment, and any accessions thereto), instruments (including promissory notes), documents, accounts (including health-care insurance receivables), chattel paper (whether tangible or electronic), deposit accounts, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), commercial tort claims, securities and all other investment property, supporting obligations, any other contract rights or rights to the payment of money, insurance claims and proceeds, tort claims, and all general intangibles (including all payment intangibles). The Collateral does not include Grantor's right, title and interest in the Franchise, as defined below.

3. The Collateral will be kept at and used in the operation of the McDonald's restaurant businesses located at [insert addresses of restaurants where collateral is located] . These restaurant businesses, together with the License Agreement or Franchise Agreement and the Operator's Lease and any assignments pertaining thereto, will be referred to collectively as the "Franchise". Grantors agree not to remove the Collateral from the Franchise premises except for purposes of repair or replacement in the normal course of business. In no event, however, will any such repair or replacement impair the value of the Collateral.

4. Upon reasonable notice and at any reasonable time prior to an Event of Default as defined herein (and, after Event of Default, without notice and at any time), Grantors will allow Lender to inspect the Collateral. Grantors will keep accurate and complete records identifying the Collateral which will be available to Lender upon request.

5. Grantors will maintain the Collateral in good condition; will repair or replace it, if necessary; and in general, deal with the Collateral in a manner that is considered good practice for a McDonald's restaurant business. Grantors will not knowingly use the Collateral in violation of any law, statute, ordinance or government regulation and will be responsible for payment of any taxes and/or assessments that may be imposed on the Collateral.

6. Grantors agree to maintain insurance on the Collateral with a responsible company in such amounts and against such risks and hazards as are normally insured against by similar McDonald's restaurant businesses. Lender shall be named as an additional insured, or, alternatively, as loss payee under a lender loss payable endorsement in favor of Lender. Upon request, Grantors shall provide Lender with satisfactory evidence of insurance coverage.

7. At its option, Lender may discharge taxes and other liens at any time levied or placed on the Collateral, and place and pay for insurance thereon. Grantors agree to reimburse Lender on demand for any and all expenditures so made, and until paid the amount thereof shall be a debt secured by the Collateral. Lender shall have no obligation to any Grantor to make any such expenditures, nor shall the making thereof relieve any Grantor of any default.

8. Each Grantor warrants and represents to Lender that the following are true and correct on the date of this Agreement:

(a) Such Grantor has full power and authority to enter into this Agreement which is a legal and binding obligation of such Grantor and enforceable in accordance with its terms.

(b) Such Grantor has had a reasonable opportunity to consult with its own independently selected legal counsel concerning the meaning and terms of this Agreement and the consequences of entering into it. Such Grantor is entering into this Agreement freely, based on its own business judgment and is not relying on any representations or warranties by Lender or McDonald's.

(c) The execution and performance of this Agreement have been duly authorized by appropriate corporate or other organizational action, if necessary, and do not violate any material provision of any agreement of which such Grantor is a party.

(d) This Agreement is issued in connection with a commercial transaction in which credit is being extended for general business purposes, including but not limited to (i) purchasing a building and any site and other improvements relating thereto which is used to operate a McDonald's restaurant, (ii) purchasing furniture, fixtures and equipment for the Franchise, (iii) financing the business of the Franchise, or (iv) refinancing any existing indebtedness incurred for any of the foregoing purposes. No portion of any proceeds of any advances made under the Note will be used for personal, family or household purposes.

9. Each Grantor shall:

(a) Existence. Maintain its existence and business operations as presently in effect in accordance with all applicable laws and regulations, pay its debts and obligations when due

under normal terms, and pay on or before their due date, all taxes, assessments, fees and other governmental monetary obligations, except as taxes, assessments, fees and other governmental monetary obligations may be contested in good faith if they have been properly reflected on its books and, at the Lender's request, adequate funds or security has been pledged to insure payment.

(b) Maintain proper books and records of account, in accordance with generally accepted accounting principles, and consistent with financial statements previously submitted to the Lender.

(c) Promptly inform the Lender in writing of (1) all existing and all threatened litigation, claims, investigations, administrative proceedings and similar actions affecting such Grantor which could materially affect the financial condition of such Grantor; (2) the occurrence of any default hereunder or under the Note other event which gives rise to the Lender's option to terminate any of the Credit Facilities under the Note; (3) any additions to or changes in the locations of such Grantor's McDonald's restaurant businesses; and (4) any alleged breach of any provision of this agreement or of any other agreement related to the Credit Facilities under the Note by the Lender.

(d) Furnish such additional information and statements as Lender may request, from time to time.

(e) Furnish to Lender, upon request of Lender, reports on each existing insurance policy showing such information as Lender may reasonably request.

(f) Comply with all terms and conditions of all other agreements, whether now or hereafter existing, between such Grantor and any other party.

(g) Maintain good and marketable title to all of such Grantor's assets and properties that are Collateral hereunder.

(h) Deliver to Lender any additional documents that may reasonably be required to perfect the security interest granted herein. In addition, each Grantor will execute and deliver to Lender any additional documents or writings and do all things requested by Lender to effectuate the provisions and intent of this Agreement, to correct any inaccurate information reflected herein (e.g., such Grantor's name and address), or to comply with applicable laws.

10. Without the written consent of the Lender each Grantor will not:

(a) Sell or otherwise transfer the Collateral. Each Grantor shall be permitted to sell or otherwise dispose of Collateral in the ordinary course of business or when obsolete, worn out, inadequate or unnecessary for use in the operation of the Franchise, but only upon substituting other Collateral of equivalent value and utility.

(b) Incur, or permit to remain outstanding any debt except debt reflected in the latest financial statement of such Grantor furnished to the Lender prior to execution of this Agreement and not to be paid with proceeds of borrowings under the Credit Facilities under the Note. For purposes of this covenant, the sale of any accounts receivable is the incurring of debt for borrowed money.

(c) Guarantee or otherwise become or remain secondarily liable on the undertaking of another, except for endorsement of drafts for deposit and collection in the ordinary course of business.

(d) Create or permit to exist any lien on any of its property, real or personal, except: liens existing on the date of this Agreement and known to the Lender; liens to the Lender; liens incurred in the ordinary course of business securing current nondelinquent liabilities for taxes, tax liens being actively contested in good faith, worker's compensation, unemployment insurance, social security and pension liabilities.

(e) (1) Engage in any business activities substantially different from those in which such Grantor is presently engaged; (2) permanently cease operations, liquidate, merge, transfer, acquire or consolidate with any other entity, change its name, dissolve; or (3) enter into any arrangement with any person providing for the leasing by such Grantor to any subsidiary of real or personal property which has been sold or transferred by such Grantor or subsidiary to such person.

(f) Enter into any agreement with any person other than Lender which prohibits or limits the ability of such Grantor or any of its subsidiaries to create or permit to exist any lien on any of its property, assets or revenues, whether now owned or hereafter acquired.

(g) Enter into any agreement containing any provision which would be violated or breached by the performance of such Grantor's obligations under this agreement.

(h) Permit a Change of Control to occur. Change of Control means the occurrence of any of the following events: _____ shall (i) cease to own and control 100% of the outstanding capital stock and membership units of each Grantor, (ii) cease to possess the right to elect (through contract, ownership of voting securities or otherwise) at all times a majority of the board of directors (or similar governing body) of each Grantor, or (iii) cease to have the authority to direct the management policies and decisions of each Grantor.

11. The occurrence of any of the following events shall be an "Event of Default" hereunder:

(a) There occurs any "Event of Default" as such term is defined in the Note.

(b) Any warranty or representation made by any Grantor in this Agreement or any other writing delivered to Lender proves to have been false or inaccurate in any material respect when made. Any Grantor fails to perform or breaches any negative covenant or other material provision or covenant of this Agreement, and such failure or breach (with the exception of clause (d) and clause (e) below as to which such failure or breach shall constitute an immediate default hereunder) is not cured by such Grantor or waived in writing by Lender within ten (10) days after receipt by such Grantor of written notice from Lender identifying the non-performance or breach.

(c) Any Grantor violates any of the covenants or agreements contained in the Franchise.

(d) The filing of any petition or the commencement of any proceeding by any Grantor for relief under bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, debtor reorganization, or composition or extension.

(e) The filing of any petition or the commencement of any involuntary proceeding against any Grantor for relief under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization, or composition or extension.

Each Grantor hereby acknowledges and agrees that a default in the payment or performance of the obligations under the Note or under this Agreement shall be deemed a material breach under the Franchise, allowing McDonald's to exercise all of its rights and remedies pursuant to said Franchise.

12. Upon the occurrence of an Event of Default, Lender may exercise the following remedies, at its option, and demand and notice are waived by each Grantor.

(a) Lender shall have the right to take possession of the Collateral in accordance with all applicable local and federal laws.

(b) Lender may sell any or all of the Collateral at public or private sale, provided that, except for sales to persons approved by McDonald's, prior to such a sale, Lender agrees to remove from the Collateral all trademark identification and all other identification of McDonald's, its subsidiaries and affiliates. The method, manner, time, place and terms of a sale pursuant to this section shall be commercially reasonable and shall be specified in a written notice from Lender to be received by such Grantor at least five (5) days prior to such sale. Any proceeds from such a sale shall be applied by Lender to Borrower's obligations under the Note and/or Grantors' obligations hereunder. The balance, if any, shall be returned to the applicable Grantor. Borrower shall remain liable for any deficiency.

(c) In addition, Lender shall have all rights and remedies available at law or in equity, all of which shall be cumulative.

13. Each Grantor shall furnish to Lender, as soon as available, and in any event within forty-five (45) days after the close of each fiscal quarter of the Grantors, and at such other intervals as Lender may request from time to time, the balance sheets, income statements, and statements of cash flow of such Grantor prepared by such Grantor's independent accountants, which, if requested by Lender, shall be on a consolidating and consolidated basis and/or audited by certified public accountants satisfactory to Lender, together with an unqualified opinion by such certified public accountants regarding such statements.

14. This Agreement is binding upon and shall inure to the benefit of Grantors and Lender and their respective legal representatives, assigns and successors; provided, that no Grantor shall have any right to assign its rights or obligations hereunder without the prior written consent of Lender and McDonald's; and provided further, that Lender may sell, assign, transfer, or grant participations, in whole or in part, in the Note and this Agreement without the prior written consent of any Grantor (provided, however, that such sale, assign, transfer, or grant of participation has previously been approved by McDonald's), and each Grantor agrees that any such purchaser, assignee, transferee, or grantee shall be entitled to all rights, remedies and benefits of Lender in, to, and under the Note and this Agreement, and such purchaser, assignee, transferee, or grantee shall be and become the "Lender" hereunder for all purposes of the Note and this Agreement.

15. Any notice required to be given under this Agreement shall be in writing and delivered in person or sent by certified or registered mail, postage prepaid. Notice to any Grantor shall be addressed to: _____, with a copy to McDonald's Corporation, 110 North Carpenter Street, Dept. 200, Chicago, Illinois 60607 Attention: Treasurer. Notice to Lender shall be addressed to Bank of America, N.A., 100 Federal Street, Boston, MA 02110, U.S.A., Mail Code MA5-100-09-04, Attention: Dan Robson.

16. The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined by a court of competent jurisdiction to be unenforceable such determination shall not affect the validity of any other provision of this Agreement.

17. Lender's failure or delay in exercising any right, power, or privilege under this Agreement shall not preclude its exercise of any other or further right, power or privilege under this Agreement. Lender's

waiver of any right, power, privilege, or default under this Agreement shall neither constitute a waiver of any right, power, privilege, or default, nor shall it constitute a waiver of any future default of the same or of any other term of this Agreement. All rights and remedies in this Agreement are cumulative and not exclusive of any other legal rights or remedies. No waiver of any Grantor's breach of any term or condition of this Agreement shall be effective unless in a writing signed by a duly authorized representative of Lender. The obligations of Grantors hereunder are joint and several.

18. Each Grantor hereby acknowledges and agrees that this Agreement and the obligations hereunder are to be governed by and under the internal laws of the State of Illinois, without regard to its conflicts of law rules. Each Grantor agrees that any suit for the enforcement of this Agreement may be brought in the courts of the State of Illinois or any Federal Court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon any Grantor by mail at Grantors' address specified herein. Each Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

19. The various headings used in this Agreement are inserted for convenience only and shall not affect the meaning or interpretations of this Agreement or any provision hereof.

20. Each Grantor acknowledges and agrees that all of the rights and remedies which may be exercised by Lender under this Agreement, and all demands and notices which may be given by Lender under this Agreement, may be exercised and/or given (as the case may be) by an agent appointed by Lender for such purposes and identified to Grantors in writing by Lender from time to time.

21. No provision or term of this Agreement may be waived, amended or otherwise modified except by an agreement in writing signed by Lender in the case of a waiver, and, in the case of an amendment or other modification, by Lender and Grantors, and, in each case, consented to in writing by McDonald's, and any oral waiver, amendment or modification of any provision or term hereof shall be without authority and of no force and effect. Any such waiver, amendment or modification shall be effective only in the specific instances and for the purposes and to the extent therein specified.

22. Delivery of an executed signature page to this Agreement by fax transmission or e-mail transmission (e.g. "pdf" or "tif"), shall be effective as delivery of a manually executed counterpart of this Agreement.

23. EACH GRANTOR AND LENDER HEREBY IRREVOCABLY WAIVES TRIAL BY JURY AND AGREES THAT NEITHER, INCLUDING ANY ASSIGNEE OR SUCCESSOR, SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM, OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS AGREEMENT AND OTHER RELATED AGREEMENTS, ANY COLLATERAL OR THE DEALINGS OR THE RELATIONSHIP BETWEEN OR AMONG THE PARTIES, OR ANY OF THEM. NEITHER ANY GRANTOR NOR LENDER WILL SEEK TO CONSOLIDATE ANY SUCH ACTION, IN WHICH A JURY TRIAL HAS BEEN WAIVED, WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY DISCUSSED BY THE PARTIES AND THESE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS. NEITHER ANY GRANTOR NOR LENDER HAS IN ANY WAY AGREED WITH OR REPRESENTED TO THE OTHER THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

24. McDonald’s considers the trademarks, trade names, logo types, service marks and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types or other commercial symbols in the United States.

The following language is in addition to Item 17 of the Franchise Disclosure Document:

Nothing in the Franchise Disclosure Document or the franchise agreement shall in any way abrogate or reduce any rights of the franchisee as provided for in Minnesota Statutes, Chapter 80C; or franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

WASHINGTON ADDENDUM

The following language is in addition to Item 17 of the Franchise Disclosure Document:

If any of the provisions in this Disclosure Document or the Franchise Agreement are inconsistent with the relationship provisions of Revised Code of Washington Section 19.100.180 or any other requirements of the Washington Franchise Investment Protection Act (the "Act"), then (if the Act applies by its terms) the provisions of the Act will prevail over the inconsistent terms of the Disclosure Document and agreement for any franchises sold in Washington. However, we and you agree to enforce the agreements' provisions to the extent the law allows.

ASSURANCE OF DISCONTINUANCE STATE OF WASHINGTON

To resolve an investigation by the Washington Attorney General and without admitting any liability, we have entered into an Assurance of Discontinuance ("AOD") with the State of Washington, where we have agreed to remove from our form franchise agreement a provision which restricts a franchisee from soliciting and/or hiring the employees of our other franchisees and/or our employees, which the Attorney General alleges violates Washington state and federal antitrust and unfair practices laws. We have agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to request that our Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify our franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against us.
