Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit H includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Payroll Vault business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What’s it like to be a Payroll Vault franchisee?	Item 20 or Exhibits D and E list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to Clients, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends, even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

NOTICE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

Each of the following provisions is void and unenforceable if contained in any document relating to a franchise:

A prohibition of a franchisee's right to join an association of Franchisees.

A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel that deprives a franchisee of rights and protections provided in this Act. This will not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.

A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the franchisee's failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (a) the term of the franchise is less than five years, and (b) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.

A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration or litigation, to conduct arbitration or litigation at a location outside this state.

A provision that permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in subdivision (c).

A provision that permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of the initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are filled. At the franchisor's option, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENFORCEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, Department of the Attorney General, G. Mennen Williams Building, 7th Floor, 525 W. Ottawa Street, P.O. Box 30212, Lansing, MI 48909, and telephone (517) 335-7622.

1. All fees owed to us are uniform and are non-refundable unless otherwise stated. All payments owed to third parties are also non-refundable unless you make specific arrangements with the third party.

2. In some cases, after you have been in business for a minimum of 12 full months (as measured from the date that you open for business), we may grant you the right to increase the size of your Territory by purchasing an additional contiguous geographic area with either 75,000 individuals or 150,000 individuals. Each such territory is called an “**Additional Territory**.” If we grant you this right:

a. for an Additional Territory of 75,000 individuals, you will pay us the Additional Territory Fee for 75,000 individuals which is currently \$18,000, and you will pay monthly the greater of the Percentage Royalty or the Minimum Royalty that will increase to \$600. The Additional Territory Fee and Minimum Royalty will not exceed an increase greater than 10% in one year.

b. for an Additional Territory of 150,000 individuals, you will pay us the then-current Additional Territory Fee for 150,000 individuals which is currently \$36,000, and you will pay monthly the greater of the Percentage Royalty or the Minimum Royalty that will increase to \$800. The Additional Territory Fee and Minimum Royalty will not exceed an increase greater than 10% in one year.

References to the “**Royalty**” in this Disclosure Document includes both the Percentage Royalty and the Minimum Royalty.

We may increase the amount of the Additional Territory Fee for 75,000 or 150,000 individuals at any time and in any amount. We will give you 60 days prior written notice before increasing this fee.

3. “**Gross Revenue**” means the total of all revenues and income from the sale of all products, merchandise, services, and other related items to your Clients (including your “Pre-Existing Clients”), whether received in cash, in services in kind, from barter or exchange, on credit (whether or not payment is received) or otherwise. You may deduct from Gross Revenue all sales tax or similar taxes, which by law are chargeable to Clients by any taxing authority and are collected by you. You may also deduct from Gross Sales the amount of any documented approved discounts, refunds, and credits. “**Pre-Existing Clients**” are those to whom you were delivering Payroll and Workforce Management Services on or before the Effective Date of the Franchise Agreement.

4. You must use our Payroll Software program to operate the Business and pay us our then-current Payroll Software License Fee. The Payroll Software electronically organizes the payroll needs of your Clients’ employees, including the calculation of the pay for each employee and the deductions required to be taken.

The PEPM and PCPM Fees charged per employee and per Client are used to maintain each on the Payroll Software program. This is in addition to the Payroll Software License Fee.

We may increase these fees by any amount at any time after giving you no less than 60 days’ prior written notice. Maximum increase of 10%.

5. When you sign the Franchise Agreement, you will also sign the End User License Agreement (“**EULA**”) attached as Exhibit 5 to the Franchise Agreement, supplied by our Payroll Software supplier. Under the EULA, we may be charged (and will then charge you) for any changes to current fees or for new fees that may be assessed by the Payroll Software supplier or that we may have to pay because you failed to administer your accounts properly (“**Exception Fees**”). Exception Fees may be generated because of non-sufficient funds (NSF) in an account, a Notification of Change charge, for wiring fees, for stop payment/void check fees, Franchisee Account changes assessed by the Payroll Software supplier, signature or logo change fees, late payroll submission fees, zero quarterly report fees charged by a governmental authority, incorrect tax rates and missing or applied for tax identification numbers, as upcharges to those already paid by us, or for similar reasons. We will charge the amount of the Exception Fee plus the greater of \$50 or 10% of the fees that we are assessed due to such errors. We have no formula for determining these costs or fees, so we cannot quote them here. We may increase the Exception Fees at any time and in any amount (maximum of 10%), after giving you 60 days’ prior written notice.

6. You must use our “**CRM Software**.” This online-based service gives you the tools necessary to help manage your Client relationships and your interactions with Clients. Beginning with the third month after your Opening Date, you will pay us the then-current CRM Fee. This fee is subject to an annual increase of four percent (4%) to six percent (6%). In addition, we reserve the right to implement further increases beyond the standard annual adjustment, with a maximum of ten percent (10%). You will be provided with sixty (60) days’ prior written notice of any increase.

In our sole discretion, we may allow you to obtain and host your own website (Unique Domain) or advertise on social media, through blogs, vlogs, and similar opportunities. If we grant you this right, (i) you must use the hosting services we designate; (ii) we must approve the content of each page of the website and the content of all social media, blogs, vlogs, and similar opportunities; (iii) we will give you direction on how and where to place our Marks; and, (iv) you will pay the then-current Unique Domain Fee. Upon the expiration, earlier termination of, or a Transfer, all of the above will remain our sole property.

The “**Managed Marketing & Social Media Program**” or “**MSMP**” is required for the first 9 months subsequent to opening and then a voluntary program we offer to manage your monthly social media posts. The MSMP Fee is the then-current fee we charge for this service. We may change the MSMP Fee

at any time after giving you no less than 60 days' prior written notice. We may expand the program, terminate (and then reinstate) the program, or make it mandatory at any time after giving you no less than 60 days' prior written notice.

We may increase any or all these fees at any time and in any amount after giving you 60 days' prior written notice before a fee is changed. Maximum increase of 10%.

7. During the first 12 months after opening, we will supply reasonable support at no additional fee. After the 12 months, the following fees services may be supplied by us, an Affiliate, or an approved vendor:

You may request, or we may require you to take training in addition to the Franchisee Initial Training to help with the operation of the Business. You will pay the then-current hourly fee for such services. All fees are paid to us.

You may also wish, or we may require you to get additional training on the software programs we offer ("**Additional Software Training**"), in which case you will pay the then-current Additional Software Training Fee.

You may request additional support or training (or we may require you to get additional training or support) if you are having difficulties implementing or maintaining our operating standards ("**Operational Standards Support and Training**"), and you will pay the then-current Operational Standards Support and Training Fee. Our Operational Standards include the methods you must use to deliver consistent and professional services to your Client, including Client relationships management performance and advertising.

We may increase these fees by any amount at any time after giving you no less than 60 days' prior written notice. Maximum increase of 10%

8. We hold an Owners Exchange Meeting each year, and attendance is voluntary. The purpose of the meeting is to allow all franchisees to exchange ideas with each other. We may, in the future, make attendance mandatory. We also have the right to change the Owner's Exchange Tuition in any amount and at any time. If we make attendance mandatory or change this fee, we will give you 60 days' prior written notice. We offer a Peer Performance Group program. Any fees associated with the Peer Performance Group program for participation or meetings will be passed on to the Peer Performance Group participants.

9. The Successor Franchise Fee may be reduced as follows: (a) if your Gross Revenue has reached \$150,000 per year during the final year of your Initial Term or you have 100 Clients, then your fee will be zero; or (b) if you have less than 100 Clients and have earned less than \$150,000 in Gross Revenue during the final year of your Initial Term, then your Successor Franchise Fee will be a percentage of the Successor Franchise Fee determined by multiplying the then-current Successor Franchise Fee by a fraction the numerator of which is the remainder found by subtracting your annualized Gross Revenue (determined on the date that your Successor Term is to begin) from \$150,000 and the denominator of which is \$150,000. For instance, if your Gross Revenue is \$100,000 and if the full Successor Franchise Fee is \$10,000, your Successor Franchise Fee will be \$3,334 ($\$10,000 \times (\$150,000 - \$100,000) / \$150,000$).

10. From time to time, you may ask for assistance for a "Special Project." A Special Project involves our delivery of goods or services such as special advertising assistance that falls outside the services we already offer. You are not required to use us for a Special Project, and we are not required to deliver Special Project goods or services to you; but if we agree to work together, we will charge you our

then-current fee. We may increase our fee at any time and in any amount, and we will notify you of our then-current fee before you agree to work on a Special Project with us. Maximum increase of 10%.

11. We may, in the future, require all franchisees to add new goods or services to those already sold through the Business or add new technology. If we do this, you may incur additional expenses, some of which may be due to an affiliate, a designated or approved supplier, or us. We have no formula for determining what such costs, fees, or expenses might be, so we cannot give you an estimate of such expenses. If we introduce new lines of goods or services, we will notify you in writing and give you a reasonable time to comply with the changes.

12. If assessed by your state, and except for our income taxes, you will reimburse us for all taxes we pay for products or services we furnish you, on our collection of the IFF, on the collection of royalties and advertising contributions, and the collection of similar fees or costs.

1. All fees paid to our Affiliates or us are uniform and non-refundable unless otherwise stated in Item 5. All other fees are set by the vendor and are generally non-refundable. Our Affiliates and we offer no financing for any part of the initial investment. The high number represents the IFF that you will pay for the largest Territory available.

2. We expect that you will work from your home or from an office that you already lease or own. We do not predict that the size of the Territory will affect your ability to work from home or an office you already lease or own. You may decide to lease office space or utilize additional office space in the location that you are leasing. Leased space may be any size that you determine. The rent figure is an estimate and will vary depending upon the market in your location, availability of space, and other factors. If you work from your home or use the space you currently lease, there should be no tenant improvement. If you lease additional space, you could spend this amount on rental improvements, such as installing new carpets or painting walls. If you lease space, you may be required to pay deposits for the space and for utilities. We will not review any lease agreement.

3. You must complete the American Payroll Association (APA) training program (“**APA Training**”) by the Opening Date. APA Training provides you with the basic skills necessary to process payroll, as more fully described in Item 11. If you are already an APA member, you may have taken this training, in which case you do not have to take it again. If you become an APA member, you will pay the membership fee (currently \$310) and the APA training fee, currently \$1,500 (the “**APA Training Fee**”). We have no control over the fees charged by the APA, and they may change at any time. If, however, you are not a member, you can take the APA training under our APA membership at no charge. Though we require you to take only seven modules, the APA Training Fee pays for all 12 modules offered by the APA and cannot be prorated. We reserve the right to change this vendor at any time after giving you 60 days’ prior written notice. Franchisee Training is online only. There are no costs associated with travel.

4. You must use a computer that meets our standards, and you must buy off-the-shelf software, including QuickBooks Online, which costs approximately \$30 for the Simple License and \$55 for the Essentials License per month, and Microsoft 365 Business Standard, which costs approximately \$150 per year (Computer System). You may already own this equipment and software. If not, the Computer System could cost this much. The low number represents the fee for the first three months of QuickBooks Online and the first year of Microsoft 365 Business Standard and assumes that you already own the rest of the Computer System. The high number represents the purchase of a new computer at a cost of \$1,000 plus the cost of the software.

You will need basic office furniture and office equipment, including a desk, chair, copier/printer, and office supplies. We have no specifications about this furniture, fixtures, or equipment, and you may already own some of these items.

You must use at least one voice-over-internet-protocol (VoIP) phone that meets our standards, and you may, at your option, use our designated VoIP service provider and pay us a fee of \$21 per line each month for each phone line you purchase.

5. The Technology Start Up Fee is \$1,500 and covers our costs of adding your business license to each of the software systems.

6. This amount includes the initial cost for property insurance (if you lease space) and liability insurance to protect you against claims from Clients. This includes fees that you may incur from professional advisors, such as attorneys or accountants.

7. The estimate of additional funds is for the first three months of operating capital. The estimate of additional funds does not include an owner's salary or draw. The additional funds required will vary according to your management skills, experience, business acumen, your relative effectiveness as a salesperson, local economic conditions, the local market for your services, competition, and the sales level that you reach during this period.

8. In compiling these estimates, we have relied on the experience of our principals (Item 2) from operating businesses that are similar to the one being offered to you. We do not offer direct or indirect financing to you for any amounts described above. You should carefully review these figures with a business advisor before making a decision to buy this franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases and System Changes

You must open and operate your Business under the System and Franchise Agreement. The specifications necessary to operate under the System include our standards for delivering the services to the Client, professional standards for operation, criteria for performance, and purchases of required goods and services. We may modify any specification as to any goods, service, supplies, fixtures, equipment, inventory, Computer System, software supplier, or the like, at any time and on a local, regional, or national basis. We may also add and remove approved and designated suppliers at any time.

We may communicate our standards, specifications, and purchase requirements directly to suppliers who wish to supply goods or services. We will deliver our standards and specifications to you during training, before you open, during periodic visits to your Business, and through the Manual which will be delivered in an electronic document or other written format, including one or more manuals and periodic notices. We may issue new standards and specifications from time to time, and they will all be considered part of the Manual. Once you are notified of a change to a standard, you must make the change within a reasonable period of time.

We have the right, in our sole discretion and as we may deem in the best interests of the System or a specific franchisee, to vary required purchases, standards, or specifications based upon that franchisee's qualifications, special circumstances, the demographics of a particular Territory or development region, or any other condition which we deem important to the successful operation of any particular Business. We are not required to disclose or grant you a similar variance.

Required and Approved Suppliers

We will supply you with reasonable support on all aspects of your operations without charge for the first 12 months after you open. After the first 12 months, we may charge our then-current fees for such support. An approved vendor, or Affiliate, or we are the only suppliers of these services.

You must pay us the Technology Startup Fee and, beginning with the third month after the Opening Date, the Technology Maintenance Fee, DM Fee, Payroll Software License Fee, the CRM Fee, the PEPM and PCPM Fees, QuickBooks Fee, Accounting Fee, Mineral HR License Fee, Managed Marketing Fee, and the Unique Domain Fee, if applicable. We are the only supplier of these services and products. If we add additional technology services and fees in the future, our approved vendor, an Affiliate, or we will be the only supplier of such services.

You may but are not required to purchase our MSMP services after your first 9 months of opening. If you do, you will pay us the then current fee. We reserve the right, however, to make participation mandatory. We will give you 60 days' prior written notice of any such change.

We are the only Payroll Software supplier. We may change vendors for this service at any time after giving you no less than 60 days prior written notice. As part of the Payroll Software, you will process written or electronic checks for employees of Clients. We are the only supplier of these services.

You must use our email server for all business-related emails. We will give you five email addresses before you open for business. After that, you will pay the Email Fee for each additional email address. We are the only supplier of this service.

You must purchase the Computer System that we designate in the Manuals. Though we have no approved vendor, the components of the Computer System must meet our specifications. You must use QuickBooks Online, for which you will pay its then-current monthly fee. We have no control over the fees charged for this service and, as a result, cannot determine when or how the fee may change.

We require you to have at least one voice-over-internet-protocol (VoIP) phone line, and you have the option to use our designated phone service provider. You will pay us monthly for each phone line you purchase from our designated phone service provider.

The American Payroll Association is currently the only approved supplier of online training about the basics of payroll. We may change the identity of this supplier at any time, and the new supplier may be an Affiliate or us.

To the extent that you accept credit cards or similar electronic payments from Clients, you must comply with all PCI-DSS security requirements.

We are the only supplier of the goods and services delivered for any Special Projects, and we are the only supplier of services provided to the Owner's Exchange Meeting for which the Owners Exchange Tuition is paid.

In the future, we may require you to add new goods, services, or technologies to those already sold through or used in the Business. If we do this, you may incur additional expenses, costs, and fees, some of which may be payable to an affiliate, an approved supplier, or us. If we introduce new lines of goods, services, or technologies, or change approved vendors, we will notify you in writing and give you a reasonable time to comply with the changes, which will not exceed 60 days. The list of approved products and suppliers is published in the Manuals.

There are no other approved suppliers for the above goods or services. Except as described above, you may purchase all other equipment, goods, and services from an approved source. Except for purchases from us, our officers own no interest in any supplier. No purchases are currently required to be made from Affiliates.

Insurance. Within 90 days of opening the Franchised Business, you must purchase from our approved vendor (and maintain in full force and effect) the following insurance coverage, all of which must include an “additional insured” endorsement covering us:

a. Commercial general liability insurance, including coverage for operations and completed operations, contractual liability, personal and advertising injury, fire damage, and medical expenses of no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate;

b. Employer’s liability and workers’ compensation insurance as required by applicable state law;

c. Professional liability insurance of no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate;

d. Employee dishonesty insurance. For annual revenues of: (i) \$100,000 or less, coverage should be for no less than \$250,000 per occurrence and \$250,000 in the aggregate; (ii) \$100,001 to \$250,000, coverage should be for no less than \$500,000 per occurrence and \$500,000 in the aggregate; and, (iii) \$501,000 or more coverage should be for no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate;

e. Computer fraud coverage (including coverage for cyber-attacks or losses, hacking losses and loss because of malware, pretexting, phishing attacks, and the like) of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate. To the extent that this coverage requires multiple policies or endorsements, then you will obtain each such policy or endorsement;

f. “Social Engineering Fraud” (which is the manipulation of a person through social media that results in such person disclosing confidential personal or company information that then causes a loss) coverage of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate; and

g. Crime coverage (to the extent that the insurance purchased above does not fully protect you from losses from computer fraud or general fraud, theft, or deception) of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

You must have this insurance in place within 90 days of the Opening Date of the Business.

Although we require certain insurance coverage and may recommend other coverage, we do not guarantee that the required or recommended insurance will be adequate to protect you fully. You should consult with an insurance professional to determine what coverage, in addition to the minimum required coverage, may be needed for you and your Business.

Approval of Alternative Suppliers

You may wish to purchase the required goods or services from a supplier that we have not previously approved. We do not maintain written criteria for approving suppliers, and thus, these criteria are not available to you or your proposed supplier. To obtain our approval, you must submit such information as we may reasonably require evaluating the proposed supplier. We will evaluate the submitted information and provide written notice of our decision within 15 days. We may grant or deny approval for any reason or no reason at all. We may bill you for our time at our then-current fee. Other than as stated here, we have no other process for approving suppliers. We may revoke the approval of any supplier if we determine in good faith that their goods or services no longer meet the quality standards that are in effect at that time. We will notify you if we revoke our approval of any supplier.

Revenue from Franchisee Purchases

In 2025, we received \$2,052,221.00 from required payroll software purchases or leases. This represents approximately 43% of our total revenue of \$4,740,801.00.

We estimate that the cost of equipment and supplies purchased under our specifications will represent 54% to 70% of your total purchases to establish the Franchised Business and approximately 50% of your total purchases during the operation of the Business. We do not know but may, in the future, receive rebates and material benefits from vendors with whom you are to do business. If we receive rebates from vendors in the future, we may share the rebates or material benefits we receive or choose to retain them, in our discretion.

Cooperatives

Though there are no cooperatives at this time, we may, in the future, develop a regional purchasing cooperative. The purchasing cooperative's purpose will be to obtain goods and services at a more competitive price. If we create a cooperative, you must participate in it.

Negotiated Prices

We have been able to negotiate prices with vendors for the benefit of the franchisees.

Material Benefits

We do not provide or withhold material benefits to you (including renewal rights or the right to open new businesses) based on whether you purchase through the sources we designate or approve. However, purchases of unapproved services, the use of unapproved vendors, or supplying Clients with unapproved services is a violation of the Franchise Agreement, and you may be terminated as a result.

D. Special Projects

If you and we decide to work on a Special Project, we will tell you our then-current hourly fee (Item 6) before any work is started, and if you choose to go forward, we will outline the scope of the work to be done. You are not required to bring Special Projects to us.

E. Advertising

Local Advertising

Beginning with the third month after your Opening Date, you will be required to spend a minimum of 1% per month on Gross Revenue (Local Marketing and Advertising Fee) on local marketing and advertising (Local Marketing and Advertising). We must approve all advertising before it is published in any medium. You will deliver the proposed advertisement to us no less than 15 calendar days before its publication. If you do not receive written notice from us within 15 calendar days, it is deemed to be approved.

In our discretion, we may allow you to obtain and host your own website (Unique Domain) or advertise on social media. If we grant you this right, (i) you must use the hosting services we designate; (ii) we must approve the content of each page of the website and the content of all social media; (iii) we will give you direction on how and where to place our Marks; and (iv) you will pay the then-current Unique Domain Fee. Upon the expiration or termination or transfer of the Franchise Agreement, you must assign the Unique Domain and all content to us at your cost. In conjunction with the assignment, you will sign our Collateral Assignment of Contact and Electronic Information, attached to the Franchise Agreement as Exhibit 4.

We have the right to increase the Local Marketing and Advertising Fee to 2%. We will give you a written notice of an increase 60 days in advance.

National Advertising Account and Regional Advertising

Beginning with the third full month after your Opening Date, we will begin collecting the National Advertising Fee (now \$300 per month) for national advertising (National Advertising.) The National Advertising Fee is due at the same time as your Royalties. We may change the amount of the National Advertising Fee at any time after giving you 60 days' prior written notice.

The National Advertising Fees will be deposited in an interest-bearing checking account, savings account, or another account of our determination (National Advertising Account). Any monies not used in any year will be carried over to the next year. The National Advertising Account is not a trust, and we assume no fiduciary duty in administering it.

We will administer the National Advertising Account in our sole discretion. The proceeds may be used for the creation, production, and placement of advertising reasonably intended to benefit some or all franchisees in any local, regional, or national medium, and will pay in-house or outside agency costs and commissions, costs associated with the preparation of and presentation of the annual convention, creation and production of the Internet, video, audio, and written advertisements, and for the payments to us of costs related to administering the National Advertising Account such as reasonable salaries, administrative costs, repayment of loans made for the benefit of National Advertising (made by us, an affiliate or a third party), and costs allocated to travel expenses, and overhead. National Advertising Fees will not be used to sell franchises.

We make no guarantee that advertising expenditure from the National Advertising Account will benefit you or any other franchisee directly or on a pro-rata basis. Except as stated above, we will assume no fiduciary or other direct or indirect liability or obligation to you concerning collecting amounts due to the National Advertising Account or for maintaining, directing, or administering the National Advertising Account. Upon your prior written request, we will make available to you an annual unaudited financial statement for the National Advertising Account no earlier than 90 days after the end of each calendar year. We intend for the National Advertising Account to be continuous, but we have the right to change, dissolve, merge, suspend, and reinstate it. We will not close the National Advertising Account, however, until all contributions have been used for the purpose for which they were collected.

Company-owned Businesses and Affiliate-owned Businesses will participate in any national or regional advertising programs on the same basis as franchisee-owned Businesses.

In 2025, we used the National Advertising Fees as follows: 37% allocated to a national account marketing and travel costs; 62% for administrative costs; and 1% for lead-generation management on behalf of the franchisees.

We reserve the right, upon 30 days prior written notice, to allocate all or a portion of the National Advertising Fee to a regional advertising program to benefit franchised businesses located within a particular region (Regional Advertising Program). We have the right to determine the composition of the market areas included in a Regional Advertising Program and to require you to participate if the same is established. If a Regional Advertising Program is implemented, we will only use contributions from franchisees within that region to fund the program. We have the right to change, dissolve, or merge any Regional Advertising Program. If requested, we will prepare unaudited financial statements and will deliver them to you no earlier than 90 days after the calendar year-end.

As of the Issuance Date of this Disclosure Document, we have not formed any advertising cooperatives though we reserve the right to create one at any time after giving you 60 days' prior written notice.

Advertising Council

We do not have an advertising council composed of franchisees that advise us on advertising policies. The Franchise Agreement gives us the right, on our discretion, to create a franchisee advisory council to communicate ideas, including proposed advertising policies. If created, we will determine in advance how franchisees are selected to the council, which may include factors such as a franchisee's level of success, superior performance and profitability. We have the right to change or dissolve the council at any time.

Digital Marketing Fee and MSMP

Beginning with the third full month after your Opening Date, you will begin paying us the Digital Marketing Fee (“**DM Fee**”), which will be collected with the Royalties.

The DM Fees will be deposited into an interest-bearing checking account, savings account, or any other account of our choice (“**DM Account**”). Any monies not used in any year will be carried to the next year. The DM Account is not a trust, and we assume no fiduciary duty in administering it.

The DM Account will be administered by us in our sole discretion and may be used by us to optimize websites that advertise for Clients for the benefit of Businesses; and to reimburse us for costs related to administering the DM Account, such as reasonable salaries, administrative costs, travel expenses, and overhead. We may use in-house personnel or the services of third-party contractors to perform the search engine optimization services. DM Fees may not be used to sell franchises.

We make no guarantee that expenditures from the DM Account will benefit you or any franchisee directly or on a pro-rata basis. Unless stated above, we assume no fiduciary duty or other direct or indirect liability or obligation to you for collecting the DM Fees or maintaining, directing, or administering the DM Account. All company-owned and Affiliate-owned businesses will contribute equally to the DM Account. Upon your prior written request, we will make available to you, no earlier than 90 days after the end of each calendar year, an annual unaudited financial statement for the DM Account. This account is unaudited.

We intend for the DM Account to be continuous, but we have the right to suspend (and subsequently reinstate) or terminate it if necessary. We will not, however, close the DM Account until all contributions and earnings have been used for the purpose for which they were collected.

Any leads from the portals will be distributed to the franchisee geographically closest to the Client or best qualified to service the Client. As a result, some franchisees may receive more leads than others.

In 2025, approximately 1% of DM Fees collected were used for media placement; 30% were used for web services and 69% were used for administrative costs.

We currently offer the MSMP on a voluntary basis after the first 9 months of opening, during which it is required. If you wish to discontinue to participate, you will give us written notice, and we will terminate the service within 30 days after notice. If you continue to participate you will pay the then-current MSMP Fee. We may increase this fee at any time and in any amount after giving you 60 days' prior written notice. We also reserve the right to expand the program, terminate the program, or make participation mandatory. We will give you 60 days' prior written notice of any such changes.

F. Computer Requirements

You are required to own or purchase the following electronic equipment and software:

a. A **PC notebook or desktop computer** that is not more than five years old (Computer Hardware) and uses a version of Microsoft Windows operating system that is not more than one year old and has sufficient hard drive space and memory to carry out all of the operations required of the Franchised Business. The computer hardware must also have the following off-the-shelf software: (i) the latest version of Microsoft 365 Business Standard (which is available only online and costs approximately \$250 per year); (ii) the latest version of QuickBooks Online, which currently costs approximately \$360 - \$650 per year; and (iii) the latest version of Internet Explorer or compatible browser. You must also secure from us the license for the Payroll Software and the CRM Software. Beginning with the third full month after your Opening Date, you will pay the then-current Payroll License Fee, the PCPM and PEPM fees, and the CRM Fee. All of the software listed above is referred to as the “**Computer Software.**” Together, the computer hardware and Computer Software will be referred to as the “**Computer System.**” You may already own some of the components of the Computer System. If not, it could cost \$2,500 or more to purchase them.

b. You must sign our End-User License Agreement (“**EULA**”) in consideration of using the proprietary Payroll Software. The most recent version of the EULA is attached to the Franchise Agreement as Exhibit 5. You must adhere to all requirements of the EULA as it may be changed from time to time after we give you no less than 10 business days prior written notice. If you breach the EULA, resulting in the suspension or termination of your right to use the Payroll Software, this will be a material violation of the Franchise Agreement for which no cure is available.

c. We recommend you purchase a scanner to digitize documents, but it is not required. We have no standards or specifications for a scanner.

The Computer System must be continuously connected to a high-speed internet access portal.

In the future, we may offer other proprietary software or web-based programs that may include accounting, word processing, and other features. We reserve the right to change at any time the supplier of the Payroll Software. We will give you 60 days’ written notice of any change.

You are required to have a maintenance and support contract and to update all components of the Computer System as needed. You are also required to maintain the copier/printer/scanner to keep it operational. We cannot estimate the cost of such maintenance as various factors, such as the age of the equipment and its condition, will vary. This could cost \$2,500 or more.

c. You must use VoIP-compatible phone service for your business. The phone service will cost you \$21 or more per phone line per month. You have the option to use our designated supplier and pay us monthly fees for each phone line. There is no frequency requirement for maintenance or updates. As a result, we cannot calculate the cost to maintain or update phone lines.

d. You must purchase or lease a plain paper printer, copier, and scanner machine, which may be an “all-in-one” machine of any make or model.

We will have independent access to all of the databases on your Computer System at any time, except we will never disclose any personally identifiable information of a Client or employee. If your databases are protected with passcode, you will provide the code to us upon request. Except as stated here, there are no other contractual limitations on our access to your information.

G. Manuals and Table of Contents

We will loan you one copy of the Manual though it will always remain our property. It is part of the System, and it contains our confidential, proprietary, and trade secret information. The Table of

Contents of the Manual is found in Exhibit C to this Disclosure Document. The Manual contains approximately 44 pages. We give you electronic access to the Manual through our website, using a passcode.

H. Location Selection

We expect you to operate the Franchised Business from your home or your current office space. If you are operating from your home and it is not within your Territory you are required to maintain a mailing address within your territory. If you are operating from a current office space, that space must be located within the Territory (“**Franchised Location**”). We do not select your site and have no criteria for approving your Franchised Location. We will not own or lease your Franchised Location. You must locate your Franchised Location before you open for business. We have no requirement for the Franchised Location design or decor. As with any business, you must ensure that your Franchised Location complies with local ordinances and building codes and must obtain any permits necessary. We have no criteria for remodeling or decorating the Franchised Location. You must notify us of the address of your Franchised Location no later than the date you open for business.

Additional Training for Failure to Maintain the Franchisee Quota

Meeting your Franchisee Quota is a material obligation under the Franchise Agreement. If you fail to maintain the Franchisee Quota for any 12-month period, we have the right in our discretion to: (a) allow another franchisee, or an Affiliate-owned Business to sell Payroll and Workforce Management Services in your Territory; (b) terminate your franchise rights without affording you a right to cure; or (c) require you to attend Additional Training. If you attend Additional Training, you will have 9 months after completing Additional Training to meet the Franchisee Quota. If you fail to meet the Franchisee Quota in the 9 months after you complete Additional Training, we have the right to declare that your Territory is “Open” meaning that another franchisee, or an Affiliate-owned Business, may operate in your Territory.

Additional Training will be held on an as-needed basis and may be conducted online, through webinars, in person at your location, at our headquarters, or any other location that we determine. You will pay for your travel, room, and board if you travel to us, or pay our travel, room, and board if we travel to you, and you will pay the Additional Training Fee. We will use the Manuals and handouts for such training. The personnel used to deliver Franchisee Training will also be used for the Additional Training. The Franchisee Quota may change when a Successor Term is awarded.

Additional Training, Additional Software Training, or Operational Standards Support and Training

After the first 12 months from your Opening Date, you may ask for, or we may, in our sole discretion, determine that you need Additional Training, Additional Software Training, or Operational Standards Support and Training, in which case you will pay the then-current fee for such services. All training will be online. The training materials will be handouts delivered by email and the Manuals. We have the right to increase the fees charged for such services at any time and in any amount after giving you 60 days’ written notice.

Annual Conference, Owners Exchange, and Other Training Opportunities

We hold an annual conference, and your attendance is mandatory. You will be responsible for paying all travel and living expenses and wages of your employees. When it is known, you will be provided with the location and duration of the conference and the identities of those who will present information at the meeting, and the content to be presented. The annual conference will be held in a location to be

determined by us. You must pay us the Annual Conference Attendance Fee, which will be collected by ACH 60 days in advance of the meeting.

We also hold an Owners Exchange Meeting annually. You are not required to attend though we may in the future require attendance. If you attend, you will pay the Owners Exchange Tuition. If we require attendance, or if we decide to change the amount of the Owners' Exchange Tuition, we will let you know 60 days before the event. The current moderator is Ms. Petteys, though we may add other moderators and instructors in the future whose identity and background will be disclosed to you before the meeting. You are responsible for all travel and living expenses associated with attendance. The instruction materials include the Manuals and handouts. We reserve the right to change any of the fees identified above after giving you 60 days' written notice.

In addition to the annual conference, and though we do not now, we have the right, in the future, to require you and your Principal Operator to attend a local or regional meeting up to two times per year (Regional Meeting). Any local or regional meetings will last between one and two days and will be held at a location approved by us and within easy car or bus commuting distance. Any instructors at such meetings will be Ms. Petteys, or another person not yet identified by us but whose identity and background will be disclosed to you before the meeting. There will be no tuition, but you will be responsible for all travel and living expenses associated with attendance. The instruction materials may include revisions to the Manuals and will include handouts.

ITEM 12

TERRITORY

Before signing the Franchise Agreement, you and we will agree on the perimeter of your Territory that contains a population of no less than 150,000 individuals.

If you wish to expand the size of your Territory, assuming that you purchased a standard Territory of 150,000 individuals, after you have been in operation for a minimum of 12 full months (as measured from the Opening Date), we may grant you the option to increase the size of your Territory by purchasing a contiguous Additional Territory, which will contain either an additional 75,000 individuals or another 150,000 individuals. You may be granted this right if you meet the following conditions:

- a. you are current in all of your obligations under the Franchise Agreement on the date that you request Additional Territory and on the date that we grant you the Additional Territory;
- b. you have not breached the Franchise Agreement at any time before your request; and
- c. you have maintained a minimum of 100 monthly payroll Clients or have a minimum monthly Payroll and Workforce Management Services billing average of \$12,500 during each 12-month period during the Term (the "Franchisee Quota").

If you meet these conditions, we may grant you the option to purchase Additional Territory in our reasonable business judgment. As part of our decision, we will determine whether you have sufficient employees or contractors, sufficient financial resources, and business acumen to operate an Additional Territory. There is no guarantee that you will be granted the option to purchase Additional Territory. Except as stated here, you receive no other option, right of first refusal, or similar right to acquire additional franchises.

For each Additional Territory option, you will pay the applicable Additional Territory Fee, and your Royalty will increase as stated in Item 6. We may increase the Additional Territory Fee at any time and in any amount. We will give you 60 days prior written notice before increasing this fee.

Your Territory and any Additional Territory may be defined by ZIP codes, street names, or other natural or artificial boundaries. You may advertise anywhere, and you may service any Client regardless of the Client's address. This means that you may have Clients that are within the Territory of another franchisee or company-owned or Affiliate-owned Business, and another franchisee or company-owned or Affiliated-owned Business may have Clients within your Territory.

You will not receive exclusive territory. You may face competition from other franchisees, licensees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Our web page, digital marketing, national branding, public relations, and our online and social media advertising invite all viewers to contact us to learn more about the services our franchisees offer. If we receive an inbound call, email, or similar contact ("**Inbound Lead**"), and if the Inbound Lead does not specify the desire to work with a particular franchisee, it will be routed to the franchisee in whose Territory the Inbound Lead originated. If there is no franchisee in that area, the Inbound Lead will be routed to the franchisee whose Territory is the closest or to the best qualified franchisee, in our discretion. As a result, some franchisees may receive more leads than others.

You may relocate your Franchised Business at any time within your Territory. You must immediately provide us the address of the new Franchised Location once you have identified it.

You are required to meet these minimum performance criteria ("**Franchisee Quota**"):

a. within 18 months of the Effective Date, you must have a minimum of 25 monthly payroll Clients or have a minimum monthly Payroll and Workforce Management Services billing average of \$3,125;

b. within 36 months of the Effective Date, you must have a minimum of 75 monthly payroll Clients or have a minimum monthly Payroll and Workforce Management Services billing average of \$9,375; and

c. within 48 months of the Effective Date and then every 12 months after that, you must maintain a minimum of 100 monthly payroll Clients or have a minimum monthly Payroll and Workforce Management Services billing average of \$12,500.

d. Starting at month 49, it is required that you will continue to add a minimum of 25 new clients per year until the end of the Term.

If you fail to meet and maintain the Franchisee Quota for any 12-month period, we have the right in our sole discretion to: (i) designate your Territory as an "**Open Territory**" and permit other franchisees or company-owned or Affiliate-owned Businesses to sell Payroll and Workforce Management Services in your Territory; (ii) terminate your franchise rights without any right to cure; and/or (iii) require you to attend the Missed Quota Additional Training program. If you attend Additional Training, you will have 9 months after completing Additional Training to meet the Franchisee Quota. If you fail to meet the Franchisee Quota in the 9 months after you complete Additional Training, we have the right to declare that your Territory is "Open" meaning that another franchisee, or an Affiliate-owned Business, may operate in your Territory.

National Accounts. We reserve the right under the Franchise Agreement to enter into contracts or strategic alliances with “National Accounts,” to provide for or encourage the provision of services to Clients they refer or assign to the System. A “**National Account**” is a business or organization that: (1) conducts operations, directly or through agents, affiliates, independent contractors, franchisees or licensees, in two or more PAYROLL VAULT Territories in the United States in which we or our franchisees are operating Businesses; and (2) has a written contract or strategic alliance with us for the purpose of providing referrals or assignments of Clients in need of Payroll and Workforce Management Services within such Territories. We will contact you and provide you with a right of first refusal to provide Payroll and Workforce Management Services to the Clients referred or assigned to us by the National Account who resides in your Territory unless you are not eligible to provide the Services. To be eligible, you must be able to provide services to the Clients based on rules (e.g., qualifications, conditions for availability, resources, price and billing terms, or similar), guidelines or other terms and conditions agreed to between us and the National Account or as otherwise directed by the National Account. If you are contacted by a potential National Account, you must notify us before agreeing to provide Payroll and Workforce Management Services to them.

In the event that you cannot or do not elect to provide Payroll and Workforce Management Services to Clients in your Territory based on our National Account agreement or program, or if you violate the agreement with or standards or rules of the National Account, then you will not provide services to those Clients during the term of the National Account agreement or program and you will not be entitled to receive any portion of the resulting compensation. We cannot guarantee that we will develop or maintain contracts or strategic alliances with a particular number of National Accounts, if any, or that if we do, you will receive any National Account referrals or assignments in your Territory.

Reservation of Rights

We reserve the following rights:

- i. To own, franchise, or operate businesses which are similar to your Franchised Business and which use the Marks and the System at any location within or outside of the Territory;
- ii. To use the Marks and the System to sell any products or services (which may be similar to those you sell) through alternative channels of distribution such as over the internet, within or outside the Territory. You cannot use alternative channels of distribution without our express permission, which may be granted or denied, in our discretion. If we use the Marks in alternative channels of distribution to sell similar services or products in the Territory, we are not required to compensate you;
- iii. To use and license others to use, within or outside the Territory, other trademarks, trade names, service marks, logos, copyrighted materials, and methods of operation that are not the same as or confusingly similar to the Marks, in the operation of a business that offers goods, services, and related products that may be similar to, or different from, the business operated by you;
- iv. To purchase, or be purchased by or merge or combine with any business, including a business that competes directly with your Franchised Business, wherever located;
- v. To acquire and convert to our System, businesses offering services and products similar to those offered by you, including businesses operated by competitors or otherwise operated independently, or as part of, or in association with any other system or chain, whether franchised or corporately owned, and whether located inside or outside of the Territory; and
- vi. To retain all other rights not specifically granted to you.

Though we can use alternative channels of distribution within the Territory to make sales of goods, items, and services associated with the System and the Marks, or associated with any other system or trademarks, we have not done so as of the date of this Disclosure Document.

Our Services Affiliate operates one company-owned business which is not subject to any territorial limitations, except that we will not locate an Affiliate-owned business in your Territory.

We grant you, and you accept from us, the non-exclusive right to use the System in connection with the establishment and operation of one Business at the Franchised Location. You agree to use the Marks and the System as they may be changed, improved, and further developed by us from time to time, only under the terms and conditions of this Agreement. 1.3. Scope of Franchise Operations

You will comply at all times with your obligations under this Agreement and will continuously use your best efforts to promote and operate the Business. You will utilize the Marks, System, and Manuals to operate all aspects of the Business. The Business will offer all products and services that we designate and will not offer or sell products and services not previously approved in writing by us.

1.4. Reasonable Business Judgment

a. We will use our Reasonable Business Judgment to exercise our rights, obligations, and discretion, except where otherwise indicated. Use of our Reasonable Business Judgment will mean that our determination on a given matter will prevail even in cases where other alternatives are also reasonable so long as we are intending to benefit or are acting in a way that could reasonably benefit any component of the System or the Marks, any one or more of the franchisees, or any other aspect of the franchise system. Such decisions may include choices that may enhance or protect the Marks and the System; increase Client satisfaction; increase the use of the services all franchisees offer; and matters that correspond with franchisee satisfaction. We are not required to consider your or any other franchisee’s particular economic or other circumstances when exercising our Reasonable Business Judgment. Reasonable business decisions will not affect all franchisees equally, and some may benefit while others will not. If Applicable Law implies a covenant of good faith and fair dealing in this Franchise Agreement, you and we agree that such covenant

will not imply any rights or obligations inconsistent with a fair construction of the terms of this Franchise Agreement.

b. As part of our Reasonable Business Judgment, and to respond timely to market conditions and the needs and wishes of Clients to the Businesses, we reserve the right, in our sole and exclusive determination, to vary any standard of the System the Marks, or the Proprietary Information. We have the right, in our sole discretion and as we may deem in the best interests of the System or a specific franchisee, to vary required purchases, standards, or specifications based upon that franchisee's qualifications, special circumstances, the demographics of a particular geographic territory, or development region, business potential, or any other condition which we deem to be of importance to the successful operation of any particular business. We will not be required to disclose or grant you the same or a similar variance.

You cannot use alternative channels of distribution without our express permission, which may be granted or denied for any reason or no reason at all. If we use alternate channels of distribution, including the internet within your Territory, we are not required to compensate you;
 - iii. use and license others to use, either within the Territory or in alternate channels of distribution, other trademarks, trade names, service marks, logos, copyrighted materials, and methods of operation that are not the same as or confusingly similar to the Marks, in the operation of a business that offers goods, services, and related products that may be similar to, or different from, the business operated by you;
 - iv. purchase, or be purchased by or merge or combine with any business, including a business that competes directly with your Franchised Business, wherever located;

 - vi. retain all other rights not explicitly granted to you.
- b. Though we can use alternative channels of distribution within your Territory to make sales of goods, items, and services associated with the System and the Marks, or associated with any other system or trademarks, service marks, trade names, logos, and the like, we have not done so as of the date of the disclosure document. We reserve the right to do so at any time.

b. You covenant, represent, warrant, and acknowledge that we are relying upon such covenants,

representations, and warranties in making our decision to enter into this Agreement:

i. You acknowledge that you have received and have read this Agreement, and all exhibits attached hereto. Specifically, we have advised you to seek out and use professional counsel of your choosing to interpret any terms, covenants, or conditions of this Agreement and advise on the relationship overall. It is your sole and exclusive obligation to obtain such counsel, and we will not provide any legal, financial, or other counsel about this Agreement.

ii. You have adequate funding to purchase and operate the Franchised Business and, as a result, are financially capable of undertaking the risks involved in the opening and operation of a business. You know of no circumstances that would lead to litigation against you in the future.

c. “**Anti-Terrorism Laws**” mean Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations, and other regulations found at 31 CFR 515, 595, 597, and any laws which now pertain, or which may in the future pertain to the matters of this Section.

d. We do not set minimum or maximum prices for any products, goods, or services. We offer no advice concerning the hiring or training of your employees. Your employees are not our employees.

e. We may, in the future, receive rebates and material benefits from vendors with whom you are required to do business. We may or may not contribute any rebates or material benefits to the National Advertising Fund, in our sole discretion.

1.7 ACH Qualifications, ACH Rights and Other Governmental and Payment Prerequisites

a. You are solely responsible for determining what ACH Qualifications your bank or ACH provider requires of you to obtain the ACH Rights.

b. YOUR FAILURE TO ABIDE BY ALL REGULATIONS GOVERNING YOUR ACH

c. Also, a Governmental Authority or Applicable Law may require registration, fingerprinting, proof of timely tax filings, and payments before granting approval to collect and remit payroll taxes for business and employees. You are solely responsible for determining such obligations.

ARTICLE 2

OPENING DATE, TERRITORY, ADDITIONAL TERRITORY, EQUIPMENT, QUOTA, AND ADDITIONAL RIGHTS

2.1 Opening Date

You must complete Franchisee Training, APA Training and Payroll Software Training, within 89 days of the Effective Date. You will open for business on the first business day after completing the Franchise Training (you will be considered open even if APA Training and Payroll Software Training has not been completed as these are self-paced and online) (“**Opening Date**”). Other than your insurance (which you have 90 days after the Opening Date to obtain), you must have in place all permits and Licenses by the Opening Date. We may extend the Opening Date by a reasonable time (not to exceed 30 days) if factors beyond your reasonable control prevent you from meeting the deadline and you request an extension of time from us at least 15 days before the Opening Date.

2.2 Territory, Additional Territory, Franchised Location and Inbound Leads

a. Before signing this Agreement, you and we will agree on the perimeter of your Territory that will encompass a population of no fewer than 150,000 individuals. The Territory will be described in an Addendum attached to this Agreement as Exhibit 2.

b. It is anticipated and expected that you will operate the Franchised Business from your home, or your current office space located within the Territory or Additional Territory (“**Franchised Location**”). You must notify us of the physical address of your Franchised Location before you open for business.

i. You may relocate the Franchised Business at any time within your Territory or Additional Territory. You must immediately provide us with the address of the new Franchised Location once you have identified it. We do not review or approve your Franchised Location and do not review or approve any lease.

ii. As with any business, you must ensure that your Franchised Location meets local ordinances and building codes and obtains any necessary permits. We have no criteria for the design of the Franchised Location.

iii. You must maintain a mailing address within your Territory at all times.

c. Additional Territory.

i. If you did not purchase an Additional Territory when you initially purchased the

franchise, you may request an option to purchase an Additional Territory after you have been in business for a minimum of 12 full months (as measured from the Opening Date). If you desire to increase the size of your Territory after you have been operating for at least 12 months, and if you qualify, we may give you the option to purchase an additional contiguous geographic area (“**Additional Territory**”) containing a population of 75,000 individuals or a population of 150,000 individuals. You will be granted this option if:

A. you are meeting all of your obligations under this Agreement on the date that you request an Additional Territory and on the date that we grant you the option to purchase an Additional Territory;

B. you have not breached this Agreement any time before your request;

C. you have met the Franchisee Quota at all times before your request; and

D. using our Reasonable Business Judgment, we grant you the option. As part of our decision, we will determine whether you have sufficient employees or contractors and sufficient financial resources and business acumen to operate a larger Territory.

ii. There is no guarantee that you will be granted an option to purchase Additional Territory.

iii. If you are granted the option and purchase an Additional Territory, you will pay the then-current Additional Territory Fee, and your Royalty will increase as stated in Article 3. We may increase the Additional Territory Fee at any time and amount. We will give you 60 days’ prior written notice before increasing this fee.

d. You may advertise anywhere and may service Clients from anywhere. This means that you may have Clients within the Territory of another franchisee or Affiliate-owned business, and another franchisee or Affiliated-owned business may have Clients within your Territory.

e. We will not increase or decrease the size of your Territory even if the number of businesses within your Territory increases or decreases.

f. **Inbound Leads**

Our web page, digital marketing, national branding, public relations, and online and social media advertising invite all viewers to contact us to learn more about the services our franchisees offer. If we receive an inbound call, email, or similar contact (“**Inbound Lead**”), and if the Inbound Lead does not specify the desire to work with a particular franchise, it will be routed to the franchisee in whose Territory the Inbound Lead originated or that we believe using our Reasonable Business Judgment is best qualified to service the Client. If there is no franchisee in that area, the Inbound Lead will be routed to the franchisee whose Territory is the closest or the best qualified and who is participating in our National Account program, discussed below. As a result, some franchisees may receive more leads than others.

g. **National Accounts** We reserve the right to enter into contracts and strategic alliances with “National Accounts” for the provision of services to Clients referred or assigned to the System by a National Account. A “National Account” is a business or organization that: (1) conducts operations, directly or through agents, affiliates, independent contractors, franchisees or licensees, in two or more Territories in the United States in which the Franchisor or Payroll Vault franchisees are operating Franchised Businesses; and (2) has a written contract or strategic alliance with us for the purpose of providing referrals or assignments of Clients in need of Payroll and Workforce Management Services within such Territories. We make no guarantee that we will develop or maintain contracts or strategic alliances with a particular number of

National Accounts, if any, or that if we do, you will receive any National Account referrals or assignments in your Territory. We will provide you with a right of first refusal to provide Payroll and Workforce Management Services to Clients who reside in your Territory and who are referred or assigned by the National Account (“**National Account Clients**”) unless you are not eligible to provide the Payroll and Workforce Management Services. To be eligible, you must be able to provide Payroll and Workforce Management Services to National Account Clients based on rules (e.g., qualifications, conditions for availability, resources, price and billing terms, or other requirements), guidelines or other terms and conditions agreed to between us and the National Account or as otherwise directed by the National Account.

In the event you cannot or do not elect to provide Payroll and Workforce Management Services to National Account Clients in your Territory based on the National Account program or you violate our agreement with the National Account or standards set by the National Account, then you will not provide Payroll and Workforce Management Services to those Clients during the term of the National Account agreement or program. In these circumstances, you will not be entitled to receive any portion of the resulting compensation.

In the event you have the opportunity to provide services to a Client in your Territory that has the potential to become a National Account, you will provide us with the relevant information about the potential National Account before providing any services to such Client. Further, you agree to refrain from engaging the Client at locations outside of your Territory unless you agree with us in writing on the specific terms of such engagement.

2.3 Franchisee Quota

a. You are required to meet the following minimum performance criteria (“**Franchisee Quota**”) which is a material covenant in this Agreement:

iv. Beginning at month 49, you **must** add a minimum of 25 new clients per year until the end of the Term.

If you fail to meet or maintain the Franchisee Quota for any 12-month period, we have the right, in our sole discretion, to: (i) designate your Territory as an “**Open Territory**” and permit other franchisees or Affiliate-owned Businesses to sell Payroll and Workforce Management Services in your Territory; (ii) terminate your franchise rights without any right to cure; or (iii) require you to attend the Missed Quota Additional Training. If you attend Additional Training, you will have 9 months after completing Additional Training to increase the number of Clients to meet the Franchisee Quota. If, after completing Additional Training and the 9 months, you have failed to meet the applicable Franchisee Quota, we have the right to terminate your franchise rights or declare that your Territory is “Open” meaning that another franchisee, or an Affiliate-owned Business, may operate in your Territory. You may be required to pay the then-current Missed Quota Additional Training Fee and pay your travel, room, and board if you travel to us or our travel, room, and board if we travel to you.

Under the EULA, we may be charged Exception Fees which we will pay and require you to reimburse us, for any changes to current fees or for new fees that may be assessed because you failed to administer your accounts properly.
- g. Upon the sale of the Franchised Business to a third party, or the Transfer, expiration, or earlier termination of this Franchise Agreement, our Payroll Software vendor or we may require you to sign an assignment of your Payroll Software License. If you are required to do so, you will sign the document as part of the Transfer, expiration, or earlier termination procedure. There is not yet a form for this assignment.
- h. We also reserve the right to change at any time the supplier of the required Payroll Software. We will give you no less than 60 days' written notice of such change, and you must comply by the end of that period.
- i. You will also need other equipment, as is more fully stated in the Manuals.
- j. We will have independent access to all of the databases on your Computer System at any time, except we will never disclose any personally identifiable information of a Client and employee. ARTICLE 3

- a. The IFF is disclosed in the Addendum attached as Exhibit 2. If you are an honorably discharged veteran or honorably discharged first responder, your IFF will be reduced by 10%.

c. You will also pay us the Technology Startup Fee before opening.

d. If you fail to complete training (Article 7) to our satisfaction before you open, we may terminate this Agreement or your franchise rights (though all covenants of this Agreement that survive termination, including the restrictive covenants of Articles 6 and 15 will remain enforceable), but we will not refund any portion of the IFF.

3.4 Advertising, Advertising Fees, DM Fee, CRM Fee, MSMP Fee, and Payroll Software Fee

a. Local Advertising:

i. Franchisor reserves the right to impose a minimum expenditure for advertising the Franchised Business in the Territory (“**Local Advertising**”). Franchisor may require Franchisee to allocate to an advertising cooperative if one is formed, up to two percent of Franchisee’s required Local Advertising expenditures. Such an allocation will be in partial satisfaction of Franchisee’s obligations pursuant to this Section 3.4. Franchisor reserves the right to collect some or all of Franchisee’s Local Advertising expenditure and implement Local Advertising on Franchisee’s behalf.

Upon the expiration, or termination, or a Transfer of this Agreement, all of the above will remain our sole property. You will cooperate with us in completing the assignment of any of the above to us at your cost. At the time you sign this Agreement, you will sign the “**Collateral Assignment of Contact and Electronic Information**”

found at Exhibit 4 attached to this Agreement.

iv. We have the right to increase the amount spent on Local Marketing and Advertising to 2%. We will give you written notice of our intent to do this and 60 days to comply.

ii. The National Advertising Fund shall be accounted for separately from our other funds and shall not be used to defray any of our general operating expenses, except for such reasonable administrative costs, salaries and overhead as we or our affiliates may incur in activities related to the administration of the National Advertising Fund and its marketing programs. Any monies not used in any year will be carried over to the next year. The National Advertising Fund is not a trust, and we assume no fiduciary duty in administering it.

iii. We will administer the National Advertising Fund in our sole discretion. The proceeds may be used for the creation, production, and placement of advertising reasonably intended to benefit some or all franchisees, in any local, regional, or national medium and will pay in-house or outside local, regional, or national agency costs and commissions, costs associated with the preparation of and presentation of the annual convention, creation and production of the Internet, video, audio, and written advertisements, and for the payments to us of costs related to administering the National Advertising Fund such as reasonable salaries, administrative costs, repayment of loans made for the benefit of National Advertising (made by us, an affiliate or a third party), and costs allocated to travel expenses, and overhead. National Advertising Fees will not be used to sell additional franchises.

iv. We make no guarantee to any franchisee or you that advertising expenditures from the National Advertising Fund will benefit you or any other franchisee directly or on a pro-rata basis. We assume no fiduciary or other direct or indirect liability or obligation to you concerning collecting amounts due to the National Advertising Fund or maintaining, directing, or administering the National Advertising Fund.

v. Upon your prior written request, we will make available to you an annual unaudited financial statement for the National Advertising Fund no earlier than 90 days after the end of each calendar year.

vi. We reserve the right, upon 30 days prior written notice, to allocate all or a portion of the National Advertising Fee to a regional advertising program to benefit franchised businesses located within a particular region (“**Regional Advertising Program**”). We have the right to change, dissolve, or merge any Regional Advertising Program. We will prepare unaudited financial statements and deliver them to you no earlier than 90 days after its calendar year-end.

A. The DM Fund shall be accounted for separately from our other funds and shall not be used to defray any of our general operating expenses, except for such reasonable administrative costs, salaries and overhead as we or our affiliates may incur in activities related to the administration of the DM Fund and its marketing programs. Any monies not used in any year will be carried over to the next year. The DM Fund is not a trust, and we assume no fiduciary duty in administering it.

B. The DM Fund will be administered by us in our sole discretion and may be used by us to optimize websites that advertise for Clients for the benefit of some or all franchisees; and for the payments to us of costs related to administering the DM Fund such as reasonable salaries, administrative costs, travel expenses, and overhead. We may use in-house personnel or the services of third-party independent contractors to perform the search engine optimization services.

C. We make no guarantee that expenditures from the DM Fund will benefit any franchisee or you directly or on a pro-rata basis. We assume no fiduciary duty or other direct or indirect liability or obligation concerning collecting the DM Fee or maintaining, directing or administering the DM Fund.

D. Upon your prior written request, we will make available to you, no earlier than 90 days after the end of each calendar year, an annual unaudited financial statement for the DM Fund. This account is unaudited.

E. We intend for the DM Fee to be continual and perpetual, but we have the right to suspend (and subsequently reinstate) or terminate it if necessary. We will not close the DM Fund, however, until all contributions and earnings have been used for the purpose for which they were collected.

F. Any leads from the portals will be distributed to the franchisee geographically closest to the Client or best qualified to service the Client. As a result, some franchisees may receive more leads than others.

ii. The third full month after your Opening Date, you will also pay us our then-current CRM Fee to use the CRM Software. There is no limit to the amount of an increase or the number of times this fee may be increased. You will be given 60 days prior written notice before this fee is changed.

If you wish to terminate the service after 9 months, you must give us written notice, and we will terminate the service within 30 days after notice. We may increase this fee at any time and in any amount after giving you no less than 60 days’ prior written notice. We also reserve the right to expand the program, terminate (and then reinstate) the program, or make participation mandatory. We will give you 60 days’ prior written notice of any such change.

v. We currently offer an Accounting Services Fee which is required for the first 9 months after opening and then on a voluntary basis. If you wish to terminate the service after 9 months, you must give us written notice, and we will terminate the service within 30 days after notice. We may increase this fee at any time and in any amount after giving you no less than 60 days’ prior written notice. We also reserve the right to expand the program, terminate (and then reinstate) the program, or make participation mandatory. We will give you 60 days’ prior written notice of any such change.

d. Payroll Software Fees, HR License Fee, QuickBooks Fee and Other Costs

ix. Beginning with the third full month after your Opening Date, you will pay us the then-current monthly Payroll Software License Fee that will be collected with the Royalties. This fee may change in any amount at any time after we first give you 60 days prior written notice.

x. You will also pay us the then-current Per Client Per Month and Per Employee Per Month fees.

xi. You will also pay us the then-current Mineral (HR License Fee).

xii. You will also pay us the then-current Hosted QuickBooks Fee if we host your QuickBooks license.

xiii. We may increase these fees by any amount at any time after giving you 60 days’ written notice prior.

3.5 Other Fees

a. You will pay our then-current Default Notice Fee if we are required to send you a default notice. We will notify you of this fee at the time incurred.

b. You will pay the Email Fee of \$15 per month for each email address if you request more than five email addresses for your business. There is no limit to the amount of an increase in this fee or the number of times it may be increased. You will be given 60 days’ written notice of any increase.

c. Other fees that you must pay us are identified elsewhere in this Agreement.

d. We may charge the Exception Fees, and you agree to pay Exception Fees that are billed to you. We may increase the fees at any time and in any amount after giving you 60 days’ prior written notice.

e. You will pay our Financial & KPI Management Fee to manage your monthly iSolve billing, monthly Financial & KPI reporting, Annual Financial & KPI reporting and financial dashboard system. The current fee is \$35 per month when you pay your Royalties. We may increase the fees at any time and in any amount after giving you 60 days’ prior written notice.

f. We may, from time and in our sole discretion, assess other fees or costs incurred in the operation of the Business.

g. We may, in the future, require all franchisees and you to add new goods or services to those already sold through the Business. If we do this, you may incur additional expenses, costs, and fees, some of which may be due to an affiliate, a third party for whom we collect the funds, or us. If we introduce new goods and services, we will notify you in writing and give you a reasonable time to comply with the changes.

h. If assessed by your state, and except for our income taxes, you will reimburse us for all taxes we pay for products or services we furnish you or on our collection of the Initial Franchise Fee, Royalty advertising contributions, and related fees or costs collected from you.

i. We each acknowledge that changes to technology are dynamic and not predictable. To provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we will have the right to establish, in writing, reasonable standards and fees for the implementation of new technology in the System, and you agree to comply with the new standards after we provide no less than 60 days prior written notice.

3.6 Method of Payment, Reports and Auditing

a. You will report all sales in the books and records of the Business. No later than the 14th day of the month following the month in which the Royalty is calculated, you will report to us by electronic means or in written form, as we may reasonably direct, the calculation of the Royalty and of any other fees due as well as such additional information as we may request.

b. The Royalty, Technology Fee, DM Fee, CRM Fee, if required, advertising fees, and any other fees that are paid monthly will be delivered to us by ACH. You are required to sign the ACH Agreement that is attached to this Agreement in Exhibit 3. All such fees must be deposited into your operating account no later than 3:00 p.m. Mountain Time on the 14th day of each month. The Due Date for such fees is the 15th day of the month. If you fail to have sufficient funds in the account or otherwise fail to pay Royalties or other fees on the Due Date, you will (and in addition to the payment of such Royalties and other fees that are due) pay the then-current Late Fee plus Default Interest for each month that the payment is late. This will be automatically assessed and debited or paid along with the late Royalty payment.

c. We have the right to change the method of collection of the Royalties and any other fees due under this Agreement after reasonable notice is given to you.

d. You will record all sales at the time of the sale on your computer or other sales recording system approved by us. You agree to retain all computer records, charging account records, sales slips, orders, return vouchers, sales tax reports, and all of your other business records and related background material for at least seven years following the end of the year in which the items were or should have been generated.

e. We currently require you to deliver your monthly financial statements consisting of your balance sheet for the prior month and the profit and loss statement for the prior month. Each must be delivered to us by the 25th of the month. Also, you will submit to us, within 30 days after the end of each calendar year, a complete financial statement for that calendar year (including profit and loss statement and balance sheet) and your year-end tax returns, all of which have been prepared, reviewed, and certified by you or an independent, certified public accountant as being accurate; except that the financial statement and accompanying documents need not be audited unless requested in writing by us.

f. You acknowledge that this subsection does not constitute our agreement to accept any payments after they are due or a commitment to extend credit to or otherwise finance the operation of the Business. The collection of any Late Fee and Default Interest and the acceptance of any late payment will not diminish our right to any other remedies available under this Agreement.

g. Our designated agents or we also have the right, at all reasonable times, to examine and copy your books, records, and tax returns and those of the Business. We also have the right, at any time, to have an independent audit made of the books of the Business. If an inspection should reveal that your Gross Revenue has been understated in any report, you will immediately pay the amount understated, the Late fee, and Default Interest. If an inspection discloses an understatement in your Gross Revenue by more than 3%, you will also reimburse us for all costs and expenses relating to the inspection (including travel, lodging, and wage expenses and reasonable accounting and legal costs), and, at our discretion, submit audited financial statements prepared, at your expense, by an independent auditor that we approve. Further, under such conditions, we have the right to (i) require all of the above; (ii) take other remedial action granted to us in law, equity, or by this Agreement; or (iii) terminate this Agreement. If underreporting has been intentional, then regardless of the percentage of your Gross Revenue that such underreporting represents, we have the right to collect the above amounts, terminate your franchise rights without any right to cure, or avail ourselves of any other remedy as all remedies are cumulative.

3.7 Application of Payments

a. Notwithstanding any designation by you regarding the application of your payment, we will allocate any payments first to any Late Fees and Default Interest owed by you, then to any Royalty or other fees that are past due, and then to the current Royalty and other fees you owe. The allocation set forth above does not postpone any payments due on any current or future Due Date.

b. We will also have the sole discretion to allocate in the same manner as stated above any payments or any credits from third-party vendors delivered to us on your behalf. To the extent necessary to carry out the intent of this subsection, you appoint us as your attorney-in-fact (coupled with an interest) and grant us this power of attorney coupled with an interest for the sole purpose of allocating any such funds received. This power of attorney continues throughout the Term of this Agreement, any extension thereof, and, if applicable, after the termination of this Agreement, but in the latter case, only to the extent that you still owe us money from your operation of the franchise.

ARTICLE 4

TERM and SUCCESSOR FRANCHISE RIGHTS

4.1 Effective Date and Term

a. This Agreement is effective as a contract on the Effective Date.

b. The Initial Term of this Agreement is five years from the Effective Date unless terminated earlier. If we are required by law to give you notice before the termination or expiration of this Agreement, and if we fail to do so, this Agreement will remain in effect until we have given the required notice.

4.2 Successor Franchise Rights

a. At the end of the Initial Term, you have the option to renew your franchise rights for two additional 10-year terms (each a “**Successor Term**”) by acquiring Successor Franchise Rights under the following conditions:

i. If we do not refuse to offer Successor Franchise Rights as permitted under Section 4.3 below.

ii. You are in Compliance with all provisions of your then-current Franchise Agreement

at the time you apply for Successor Franchise Rights and at the time that we grant such rights.

iii. You sign the then-current form of franchise agreement that may contain materially different terms and conditions from your original Franchise Agreement. The new agreement must be signed and delivered to us no later than 45 days before the end of the then-current Term. If it is not, you will be deemed to have withdrawn your decision to purchase Successor Franchise Rights, and such rights will no longer be available to you.

iv. When you sign the then-current Franchise Agreement, you also sign the then-current form of general release. Notwithstanding the preceding, to the extent that the law of the state in which the Business is located has determined that the requirement that a franchisee sign a general release is unenforceable, then this requirement will be deleted, and you will not be required to sign the same; or if signed, then such general release will not be enforceable. If, however, the law of the state in which the Business is located permits you to sign such general release, or if by agreeing to the terms of Article 16, the choice-of-law provisions of this Agreement prevail over the law of the state in which the Business is located, then you will sign the release as part of the renewal process. Excluded from any release are claims arising from representations in the FDD.

v. You pay a Successor Franchise Fee. The Successor Franchise Fee is earned when you pay it and is not refundable under any circumstances. The Successor Franchise Fee may be reduced as follows, (A) if your Gross Revenue has reached \$150,000 per year during the final year of your Initial Term or you have 100 clients, then your fee will be zero; or (B) if you have less than 100 clients and have earned less than \$150,000 in Gross Revenue during the final year of your Initial Term then your Successor Franchise Fee will be a percentage of the Successor Franchise Fee determined by multiplying the then-current Successor Franchise Fee by a fraction the numerator of which is the remainder found by subtracting your annualized Gross Revenue (determined on the date that your Successor Term is to begin) from \$150,000, and the denominator of which is \$150,000. For instance, if your Gross Revenue is \$100,000 and if the full Successor Franchise Fee is \$10,000, your Successor Franchise Fee will be \$3,334 ($\$10,000 \times (\$150,000 - 100,000) / \$150,000$).

vi. You must exercise the option for Successor Franchise Rights by giving us written notice of such exercise no later than 180 days before the scheduled expiration of this Agreement.

b. The Successor Franchise Rights under the new Franchise Agreement begin on the day following the end of the Initial Term.

4.3. Conditions of Refusal

a. We are not obligated to offer Successor Franchise Rights upon the expiration of the Initial Term or a Successor Term:

i. If you have received a fifth written notice of breach of any combination of terms, covenants, or conditions of this Agreement during the then-current Term even though the prior four breaches were timely cured;

ii. If you have failed to comply with one or more of the conditions necessary to obtain Successor Franchise Rights as described in Section 4.2 above;

iii. If you are in breach of this Agreement at the time that you attempt to exercise your right to purchase Successor Franchise Rights or are in breach at the time that we award such rights, even if such breach is not the fifth breach and even if such breach is timely cured; or

iv. If your performance during the Initial Term was such that we have determined in good faith, using our Reasonable Business Judgment, not to grant you Successor Franchise Rights.

b. In such an event, we will give notice of expiration at least 60 days before the expiration of the then-current Term, and such notice will set forth the reasons for the refusal to offer Successor Franchise Rights.

4.4. Expiration at the End of a Term, Holdover, and Interim Term

a. Unless it is terminated earlier, or if you fail to elect to purchase Successor Franchise Rights or if Successor Franchise Rights are not granted, this Agreement will expire at midnight Mountain Time on the last day of the Initial Term or the then-current Successor Term.

b. If at the expiration of this Agreement you continue to accept the benefits of a Franchisee, then in our sole option, we may treat this Agreement either as (i) being expired as of the date of natural expiration of the then-current Term, in which case you will be operating the business without the right or permission and in violation of our rights; or (ii) continued on a month-to-month basis (“**Interim Period**”) until one Party provides the other with written notice of such Party’s intent to terminate the Interim Period, in which case the Interim Period will end 30 days after delivery of notice to terminate. During the Interim Period (if allowed), all obligations under this Agreement will remain in full force and effect as if this Agreement had not expired, and all obligations and restrictions imposed on you upon expiration of this Agreement will take effect at the end of the Interim Period. The rights under this Section do not apply in the event of a termination of this Agreement earlier than the end of the then-current Term.

i. You are responsible for paying all travel expenses, food, and an attendee's wages. We charge the Annual Conference Attendance Fee, which will be collected by ACH 60 days in advance of the meeting.

ii. If you fail to attend the annual conference, you will be required to pay the then-current Mandatory Conference Fee, which will be collected by ACH no later than 60 days after the end of the annual conference.

d. After the first 12 months from your Opening Date, you may ask for, or we may, in our sole discretion, determine that you need Additional Training, Additional Software Training, or Operational Standards Support and Training, in which case you will pay the then-current fee for such services. All training will be online. The training materials will be handouts delivered by email and the Manuals. We have the right to increase the fees charged for such services at any time and in any amount after giving you no less than 60 days' written notice.

e. In addition to the annual conference, and though we do not currently require it, we reserve the right to require your Principal Operator, and you to attend a local or regional meeting up to 2 times per year ("**Regional Meeting**"). Any additional local or regional meetings will last between one and two days and will be held at a location to be approved by us. You will be responsible for all travel and living expenses associated with attendance at the same. If you participate, you will pay the then-current Owners Exchange Tuition. If we require attendance in the future, or if we decide to change the amount of the Owners Exchange Tuition, we will let you know no less than 60 days before the event. You are responsible for all travel and living expenses associated with attendance.

7.3 Employees and Employee Training

Your employees are not our employees. You will be solely and exclusively responsible for training all employees in the operation of the Business. We make no determination and provide no advice on any matter governing the essential terms or conditions of your employees' employment, but, instead, you are responsible for all matters concerning your employees, including hours worked, scheduling, the payment of taxes, purchasing any workers' compensation insurance, and following Applicable Law concerning your employees.

We do not maintain written criteria for approving suppliers, and thus, these criteria are not available to you or your proposed supplier. To obtain our approval, you must submit the information we may reasonably require evaluating the prospective supplier. We will provide written notice of our decision to you within 15 days. We may grant or deny approval for any reason or no reason at all. We have no other process for approving suppliers other than as stated here. We may bill you at our then-current fee for the time it took to evaluate the good or service.

c. We may revoke the approval of alternative suppliers if we determine in good faith that the goods or services no longer meet the quality standards that are in effect at that time.

8.5 Client Service

We have complete ownership and control of any changes, modifications, enhancements, or suggestions, whether made by you or us.

b. We may approve exceptions to or changes in the uniform standards as we believe necessary or desirable under particular circumstances. You have no right to object to such variances or obtain the same variances for yourself.

8.10 Disclosure

We can disclose any information concerning your franchise and the Business (including your name, address, telephone number, financial, and other information) in our disclosure documents.

ARTICLE 9

TRANSFERS

9.1 Sale or Assignment by Franchisor

This Agreement and all of our rights and obligations are fully assignable and Transferable by us and, as assigned or transferred, will be binding on and inure to the benefit of our successors and assigns. By way of example and not limitation, we may Transfer to any Person, including a competitor, or may Transfer to any Person any portion of or all of our rights; to license or sublicense the Marks; to any component of the Proprietary Information; or any other assets. Additionally, we may go public; engage in a private or other placement of some or all of our securities; may merge or acquire other entities or assets which may be competitive with the System; be acquired by a competitor or other entity; undertake any refinancing; seek or accept a leveraged buy-out; or may participate in any other transaction. You waive all claims, demands, and damages concerning any transaction allowed under this Section or otherwise. You will fully cooperate with any such proposal, merger, acquisition, conversion, sale, or financing.

9.2 Transfer by You

a. This Agreement is personal to you and has been signed by us in reliance on and in consideration of your qualifications and representations. Therefore, this Agreement, any of its rights or privileges, or any equitable, capital, voting, non-voting, or other interest in you or the franchise assets may be Transferred by you only with our express written permission.

b. To obtain our approval, you will provide us with all documentation relating to the proposed Transfer. We will notify you of our approval within 30 days after we receive all of the information that we may request from you. If we do not respond within these 30 days, the proposed transfer is disapproved by us.

c. If a proposed Transfer is only among existing shareholders, members of a limited liability

business entity, or partners, and if there is no Change in Control, then there will be no Transfer Fee, and we will not be entitled to exercise our “**Right of First Refusal**” that is described below. All other conditions to the approval of a proposed Transfer, however, will apply.

d. Each stock certificate of a corporation and any certificate of limited liability business entity (or the operating documents of such entity if certificates are not issued) must have endorsed upon its face that assignment or transfer thereof is subject to the restrictions of this Agreement. You agree to provide us with a copy of each such certificate to ensure compliance with this provision.

9.3 Conditions to Approval of any Transfer

a. In determining the acceptability of the proposed transferee (jointly or severally the “**Proposed Transferee**”), we will consider, among other things, our then-current standards for new franchisees, including the Person’s net worth, creditworthiness, background, training, personality, reputation and business experience, the terms and conditions of the proposed Transfer, and any circumstances that would make the Transfer contrary to our Reasonable Business Judgment or the best interests of the System.

b. We may meet and candidly discuss all matters relating to this Agreement and the Business with the Proposed Transferee. In no case will you or a Proposed Transferee rely on us to review or evaluate any proposed transfer. We will not be liable to you or the Proposed Transferee or any other Person or entity relating to the transfer.

c. As a condition of any Transfer otherwise permitted under this Agreement, you agree as follows:

i. you will notify us of the proposed Transfer by sending us written notice and by enclosing a copy of the written offer from the Proposed Transferee;

ii. you must be in Compliance with this Agreement and not be in default at the time you request the Transfer;

iii. all accounts payable and other monetary obligations to Affiliates or us must be paid in full;

iv. you must have timely submitted all required reports, financial statements, and other documents;

v. the Proposed Transferee must sign the then-current form of the franchise agreement that may contain terms, covenants, and conditions that are significantly different from those found in this Agreement;

vi. the Proposed Transferee must attend training and pay the tuition (if any) that is then being charged. The Proposed Transferee will also pay for his travel, room and board expenses for such training;

vii. the Transfer Fee must be paid;

viii. each of your owners, and you must execute the then-current form of General Release; and,

ix. you must sign the then-current Payroll Software transfer agreement for which an additional fee may be charged to you.

d. Upon Franchisor approval and a successful sale and transfer of all of franchisee's clients to an approved buyer, Franchisee shall also be given the option to terminate franchise and all franchise rights in a Termination Agreement that will provide a waiver of all remaining Royalties and Fees for subsequent months to the Termination Date of the Termination Agreement.

e. Regardless of the Transfer, all restrictive covenants found in this Agreement, including any post-Term covenant not-to-compete, any indemnification covenants, confidentiality obligations, and the provisions relating to dispute resolution, will survive any Transfer and continue to be your obligation.

9.4 Invalidity of Transfers

a. Involuntary Transfers are not binding on us and are grounds for termination without the right to cure. You agree that using this Agreement as security for a loan or otherwise encumbering this Agreement is prohibited unless we consent in writing to any such action before the proposed transaction.

b. You agree not to grant a sub-franchise under this Agreement and not to otherwise license or permit others to use this Agreement, the Business, or any of the rights derived by you under this Agreement in any manner that violates this Agreement.

c. Any attempt to complete a Transfer without our express written permission is a breach of this Agreement for which no cure is provided.

9.5 Death or Permanent Disability

a. Upon your death or Permanent Disability, or that of the Principal Operator or the owner of a controlling interest in you, the executor, administrator, conservator, guardian, or another personal representative of such Person will Transfer the Person's interest to an approved third party who may be the heirs or successors of the deceased or Permanently Disabled Person. Such disposition of this Agreement or such interest (including transfer by operation of law, intestacy, bequest, or inheritance) will be completed within a reasonable time, not to exceed 180 days from the date of death or Permanent Disability, and will be subject to all terms and conditions applicable to Transfers contained in this Article as though the Proposed Transferee was being introduced to us by the deceased or Permanently Disabled Person; provided, however, that for purposes of this Section, no Transfer Fee will be collected.

b. Failure to transfer the Person's interest under the terms of this Section constitutes a breach of this Agreement for which no other cure is granted.

9.6 Right of First Refusal

You agree that a proposed Transfer is subject to our 30-day right of first refusal to purchase such rights, interest, or assets on the same terms and conditions as are contained in the written offer for the Transfer ("**Right of First Refusal**") provided the following additional terms and conditions apply:

a. you will notify us of such offer by sending a written notice to us (which notice may be the same notice as required by Section 9.3 above), enclosing a copy of the written offer from the Proposed Transferee;

b. the 30-day Right of First Refusal period will run concurrently with the period that we have to accept or reject the Proposed Transferee;

c. such Right of First Refusal is effective for each proposed transfer, and any material change in the terms or conditions of the proposed transfer is a separate offer on which a new 30 day Right of First Refusal will be given to us;

d. if the consideration or manner of payment offered by a Proposed Transferee is such that we may not reasonably be required to furnish the same, we may purchase the interest proposed to be sold for the reasonable cash equivalent. If you and we cannot agree within a reasonable time on the cash value of the consideration to be paid by the Proposed Transferee, we will designate an independent appraiser whose determination will be binding upon you and us. All expenses of the appraiser will be paid for equally between us; and

e. if we choose not to exercise the Right of First Refusal, you will be free to complete the sale, transfer, or assignment, subject to compliance with this Article 9. Our failure to reply to your notice of a proposed sale within the 30 days is deemed a waiver of such Right of First Refusal.

ARTICLE 10

DEFAULT AND TERMINATION

10.1. Termination by Franchisor - Effective upon Notice

We have the right, at our option, to terminate this Agreement and all rights granted you hereunder, without allowing you to cure (subject to any state laws to the contrary, where such state law may prevail) or to exercise any other rights that we may have, which notice of termination will be effective five days after mailing by prepaid, certified mail, return receipt, or if by overnight or hand delivery, then effective on the date of such delivery or the date of refusal by you to accept delivery, upon the occurrence of any of the following events:

a. b. You, become “insolvent,” meaning that your total liabilities are greater than your total assets; are adjudicated a bankrupt; if any action is taken by you or by others against you under any insolvency, bankruptcy, or reorganization act; or if you make an assignment for the benefit of creditors or a receiver is appointed by you. This provision may not be enforceable under federal bankruptcy law, 11 U.S.C. §§ 101 et seq. If, for any reason, this Agreement is not terminated under this Article 10, and the Franchise Agreement is assumed, or assignment of the same is made to any Person or entity who has made a bona fide offer to accept an assignment of the Franchise Agreement under the U.S. Bankruptcy Code, then notice of such proposed assignment or assumption, setting forth, (i) the name and address of the proposed assignee; and (ii) all of the terms and conditions of the proposed assignment and assumption; will be given to us within 20 days after receipt of such proposed assignee’s offer to accept assignment of the Agreement; and, in any event, within ten days before the date application is made to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption. We will thereupon have the prior right and option, to be exercised by notice given at any time before the effective date of such proposed assignment and assumption, to accept an assignment of this Agreement to us upon the same terms and conditions, and for the same consideration, if any, as in the bona fide offer made by the proposed assignee, less any brokerage commissions which may be payable by you out of the consideration to be paid by such assignee for the assignment of this Agreement.

Any material judgment or award (or several judgments or awards which in the aggregate are material) is (are) obtained against you and remain(s) unsatisfied or of record for 30 days or longer (unless a supersedeas or other appeal bond has been filed); execution is levied against the Business or any of the

property used in the operation of the Business and is not discharged within five days; or if your real or personal property, or that of the Business is levied upon under the law of the state in which the Business is located.

d. You are arrested for, convicted of, or plead no contest to, a crime (whether a misdemeanor or felony) involving moral turpitude; are arrested for, convicted of, or plead no contest to a felony of any kind; or are convicted of, or plead no contest to, any crime (whether a misdemeanor or felony) or are named as a party in a civil suit, claim, action, arbitration, administrative or similar action, that is reasonably likely, in our sole opinion, to materially and unfavorably affect the System, Marks or the goodwill or reputation thereof.

e. You fail to pay any Royalty, fees, payments, or any other amount due us, including an amount that may be due as a result of any agreements between you and us, within five days after receiving notice that such amount is overdue.

f. You misuse or fail to follow our direction and guideline concerning the use and confidentiality of the Marks or any component of the Proprietary Information or the System and fail to correct the misuse or failure within ten days after notification from us; except that if your violation of this subparagraph is intentional, there will be no ten-day right to cure and default and termination will be immediate.

g. You intentionally or negligently disclose to any unauthorized Person any component of the Proprietary Information, the System, or the Marks.

h. During the Initial Term or any Successor Term, you receive a fifth written notice of default as to any term, covenant, or condition (or a combination thereof) even if all prior breaches were timely cured.

i. You attempt a Transfer in violation of Article 9.

j. You violate any Applicable Law or directive from a Governmental Authority (including the payment of taxes of any nature or kind) that applies in any way to the Business or your operation under this Agreement, and you fail to cure the same within any period of cure provided by the Applicable Law or Governmental Authority that cited you.

k. You make any material misrepresentations relating to the acquisition of your rights under this Agreement.

l. You violate any covenant or condition of Section 1.6(d)(v) above.

m. You violate any other covenant of this Agreement that contains its own cure provision and then fail to cure within the period stated in that covenant.

n. If you have employees, you fail to pay them their wages.

o. You fail, refuse, or neglect to obtain any prior written approval or consent as required by this Agreement;

p. You engage in any unauthorized business or practice or sell any unauthorized product or service from the Business.

10.2. Termination by Franchisor – Thirty-Days’ Notice Right to Cure

We have the right to terminate this Agreement (subject to any state laws to the contrary, in which case such state law will prevail) effective upon 30 days' written notice to you if you breach any other term, covenant, or condition of this Agreement that does not have its own cure period and is not identified in Section 10.1 and you fail to cure the breach within the 30 day period.

Cross Default

- a. If you are a party to any other franchise agreements with us or are a party to any agreement with an Affiliate, and if such agreement is breached and not timely cured within the period permitted in such document with the result being that such agreement is terminated, then we have the right to terminate this Agreement without affording you any additional right to cure.
- b. If you violate the terms, covenants, or conditions of any other contract or agreement with a third party that is unrelated to us but is material to your operation of the Business (“**Third Party Contract**”), you must first provide us with written notice of the breach and a copy of any document delivered in reference breach. If such contract or agreement is material to the operation of your Business, and if you fail to cure any such breach within the time permitted under the Third Party Contract, and if, as a result, you are unable to (i) operate the Business in the same manner as you did before the breach of the Third Party Contract; or, (ii) operate the Business under the terms of this Agreement, then upon termination of said Third Party Contract, this and all other franchise agreements with us may, in our sole and exclusive discretion, also be terminated at the same time as the Third Party Contract terminates.

Diligent Pursuit of Cure

a. If the breach is non-monetary and is one for which cure is provided above, and if you undertake the cure within three days of the date that you receive our notice, and if you continue to pursue such cure in good faith but are unable to complete the cure within the time provided, then you will be given up to an additional 30 days after the end of the first cure period within which to complete such cure. If you fail to pursue the cure continually during this additional time or are unable to complete the cure within this additional time, then we have the right to terminate this Agreement without further notice to you.

b. We retain the right, in our sole discretion, to grant extended time to cure. In such an event, however, we will not have waived our rights to later strictly enforce any right to cure, to deny you the right to cure a future breach for which no cure is provided, or to take such action as is allowed to us by this Agreement if you fail to cure during the extended period granted to you.

c. As to any breach of this Agreement for which cure is granted, during the period of cure, we have the right to suspend our performance of any of our obligations under this Agreement, including the supply of any online services, online advertising, web-page hosting or the sale or delivery of any services or products until you correct the breach.

Our Rights to Damages

Upon any event of default and your failure to timely cure the same (if cure is provided), we may proceed to enforce any or all of the following non-exclusive remedies or any other remedy, claim, cause of action, award, or damages allowed by law or equity, with the understanding that the pursuit of a remedy is not an election or waiver by us to pursue additional remedies as all remedies are cumulative and are not exclusive:

a. Without terminating this Agreement, bring one or more actions for lost profits as measured by the Royalties and other fees that would have been due and payable had breach and default not occurred; penalties and interest as provided for in this Agreement; and for all other damages sustained by us because you breached this Agreement.

b. Accelerate the balance of any outstanding installment obligation due to us and bring an action to collect the accelerated balance.

c. Bring an action for equitable relief, including temporary or permanent injunctions and orders for specific performance enforcing this Agreement's provisions.

d. Terminate this Agreement and proceed to enforce our rights under the appropriate provisions. Such termination is effective upon delivery of a notice of termination to you without further action by us. Termination does not exclude us from seeking monetary compensation for our lost profits or similar losses that can be proved.

e. If after expiration, termination, or Transfer, you use any of the Marks or any component of the Proprietary Information or violate any restrictive covenant found herein then, in addition to any remedies provided above, and in addition to any other remedies in law or equity, our remedies will include recovery of the greater of, (i) all profits earned by you in the operation of the Business; or (ii) all Royalties, advertising contributions and other amounts that would have been due if such Transfer, termination or expiration had not occurred.

f. Avail ourselves of any other remedies available at law or in equity.

Waiver of Jury Trial and Waiver of Punitive, Exemplary, or Consequential Damages

a. YOU AND WE AGREE TO WAIVE THE RIGHT TO A JURY TRIAL AND INSTEAD ELECT TO USE THE ALTERNATIVE DISPUTE RESOLUTION PROCEDURE SET FORTH IN ARTICLE 16.

b. Each Party agrees that it has the right to seek damages that are in addition to the actual monetary loss that can be proven, including consequential, exemplary, and punitive damages. Being advised of the same, you and we each waive such damages that may be in addition to any actual monetary damages suffered, even if a Party is made aware of the right to such damages, except if you are required to indemnify us under Article 14, and if, as a result of the action underlying the indemnification, such damages are awarded to the injured Party, then you agree that indemnification will cover such damages. If in some event, such damages are awarded and if such award is not deemed to be outside the scope of what is permitted by this Article or this Agreement, then any constitutional or statutory limitations on punitive, exemplary, multiple, or similar damages will apply, and any award by an arbitrator over such limitations will be in excess of legal authority and void.

State or Federal Law Prevails

If any mandatory provisions of an Applicable Law prohibit termination of this Agreement as described here, or if the same otherwise limit our right to terminate by imposing different rights or obligations as are found here, such mandatory provisions of state law are incorporated into this Agreement by reference and will prevail over any inconsistent terms in the agreement. If no such law exists, or if such law exists but permits you to agree to abide by the termination provisions set forth here instead of that state law, you agree that the terms of this Agreement will prevail. If by electing the alternative dispute resolution provisions of Article 16, your and our choice-of-law, venue, jurisdiction, and other provisions prevail over Applicable Law, then the choices made by you and us will prevail to permit the limitations identified in this Agreement.

Payment of Fees is an Independent Covenant

You agree that you will not withhold payments of Royalties, advertising fees, or any other amounts of money owed to us for any reason, even including a claim by you of the alleged nonperformance by us of any obligation hereunder. If not resolved between us, all such claims will be subject to Article 16.

Action Against the Franchisor

Subject to the limitations of actions in this Article that require you to take any action before the expiration of a stated time limit, before starting any arbitration against us or any of our officers, agents, or employees, you agree first to give our officers, agents, us, or employee 60 days prior written notice and an opportunity to cure any alleged act or omission within that time. If such act or omission cannot be cured within such 60-day period, and we or our officers, agents, or employees are diligently continuing efforts to cure, you will give us or our officers, agents, or employees such additional time as is reasonably necessary to cure which time will not exceed an additional 30 days. If we fail to complete such a cure in a timely fashion, you have such rights as permitted under this Agreement.

ARTICLE 11

OBLIGATIONS OF FRANCHISEE UPON TERMINATION OR EXPIRATION

11.1 Obligations upon Termination or Expiration

Upon the expiration, termination, or Transfer of this Agreement, you will cease to be a licensed

franchisee and will:

- a. Pay for all product purchases, advertising fees, and other fees owed or accrued to us;
- b. Refrain from holding yourself out as a Franchisee;
- c. Take all necessary steps to disassociate yourself from the System and the Business;
- d. Cease the use of any component of the Proprietary Information, the System, and the Marks, including any materials, designs, logos, methods, procedures, processes, and other commercial property and symbols or promotional materials provided by or licensed to you by us or in any way connected with the Business;
- e. Remove all signs identifying the Business as being part of the franchise system;
- f. We will exercise our rights under the Collateral Assignment found at Exhibit 4. If the telephone company, website manager, hosting agent, or other listing agency fails to accept the Collateral Assignment, this covenant serves as your election of us as your attorney-in-fact (coupled with an interest) as evidence of our exclusive rights in and to the same. If your state requires specific information be included in this Agreement or a particular document be executed to perfect our rights as your attorney-in-fact, you and we agree that this Agreement is amended to include such language or the document, and you and we will cooperate to ensure that such document is executed;
- g. Assign your Software License to us using the forms that we supply;
- h. Take such action as is necessary to amend or cancel any assumed name, fictitious name, business name, or equivalent registration which contains any trade name or Mark of ours or in any way identifies you as being affiliated with the System;
- i. Notify all suppliers, utilities, creditors, and concerned others that you are no longer affiliated with us, the System, or the Franchise, and provide proof to us of such notification. You covenant not to use any part of the System or any part of our trade secret or confidential or Proprietary Information or materials following the termination of this Agreement and not to identify any present or future business owned or operated by you as having been in any way associated with us or the System; and
- j. Within seven calendar days, return to us by first-class, prepaid, certified, return receipt requested, mail, the Client List (including all contact information for each Person on the list), all Manuals (including originals and any copies), all training, advertising, promotional aids, materials and all other printed materials concerning the operation of the Business and the Client List.
- k. Unless an earlier time is called for, in which case the earlier time prevails, furnish evidence satisfactory to us of compliance with this Article within 20 calendar days after the expiration or earlier termination of this Agreement.

11.2 Additional Matters

Further, upon the expiration, termination, or a Transfer,

- a. no payment will be due to you from any source on account of any goodwill or other equity claimed by you arising from your operation or ownership of the Business or this Agreement;
- b. unless otherwise described herein, no fees, charges, Royalties, advertising fees, or other payments of any kind from you to us will be refundable in whole or in part; and

c. you will have no goodwill associated with, equity in, or other continuing interest in this Agreement.

ARTICLE 12

RIGHT TO PURCHASE

12.1 Right to Purchase

a. Except as otherwise provided in Article 9, which prevails in the instance of a Transfer, upon expiration or termination of this Agreement, you grant to us the right to acquire, in our sole discretion, all or any part of your inventory, equipment, signs, and accessories, and other personal property relating to the Business or this Agreement at the then-existing “**Fair Market Value**” (as below defined) of such item or items as of the date of expiration or termination of this Agreement.

b. “**Fair Market Value**” is the value that a reasonable Person who is under no duress or obligation would pay for the item being sold by a seller under no duress or obligation. If you and we cannot agree upon the Fair Market Value, it will be established by an independent appraisal. The appraisal will be done at our expense by an appraiser selected by us that is independent and disinterested in the outcome of any such valuation. The decision of the independent appraiser will be final and binding on you and us.

c. No goodwill will be considered associated with the valuation of any item sold under this Article.

d. We must exercise this option within 30 days of such expiration or termination by giving written notice to you of our intent to exercise our option to purchase. Unless otherwise agreed by you, the purchase price as determined hereunder will be paid in cash within the option period.

e. If we have not notified you of our election to exercise this option within the aforesaid thirty-day period, it will be conclusively presumed that we have elected not to exercise our option, and you are then free to sell or transfer such assets to any Person or entity on such terms as you may so choose.

ARTICLE 13

RELATIONSHIP BETWEEN THE PARTIES

13.1 Independent Contractor

a. In all matters between us, or between you and the public, you are an independent contractor. Nothing in this Agreement or the franchise relationship constitutes a partnership, agency, joint venture, or another arrangement between you and us, and we agree not to hold ourselves out by action or inaction contrary to this.

Neither Party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors, or omissions of the other.

b. You are responsible for the day-to-day management and control of the Business and its operation under this Agreement, including its daily operations, management, employee direction, and the payment of all costs and expenses of your Business.

c. None of your employees are our employees, and each employee will be notified of this fact.

d. Neither party will act or have the authority to act as agent for the other, and neither you nor we will guarantee the obligations of the other or, in any way, become obligated for the debts or expenses of the other unless agreed to in writing.

13.2 No Fiduciary Relationship

It is understood and agreed between us that this Agreement does not establish a fiduciary relationship.

13.3 Posting of Signs

You agree to promptly post and maintain any signs or notices specified by Applicable Law or us indicating your status as an independent contractor.

ARTICLE 14

INDEMNIFICATION

14.1 Indemnification

a. You agree to and will indemnify, defend and hold us harmless from (the “**Indemnified Parties**”) and against, and will reimburse us, for all “**Claims**” (as defined below), directly or indirectly arising out of, your operation of the Business; Claims by your employees or Clients; your breach of any agreement with a third party that results in our being named in the Claim; your breach of the payroll software EULA the result of which is that we are named in a Claim; a Claim of premises liability; your use of the Marks, the System, and the Proprietary Information; or as a result of your performance or failure to perform under this Franchise Agreement. “**Claims**” include any legal or equitable claim, obligation, liability, cause of action, damage, award, judgment, cost (including reasonable attorney’s fees, court costs, and expert witness fees), expenditures of funds by us, or loss suffered by us.

b. Included in indemnification will be the reimbursement or direct payment by you of any award, damage, consequential damages, and costs reasonably incurred in defense of any claim against the Indemnified Parties, including reasonable accountants’, attorneys’, and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses.

c. We have the absolute right to defend any such claim against us and have the right to have counsel of our choosing, the reasonable cost of which will be borne by you.

d. This indemnity continues in full force and effect after and notwithstanding the Transfer, expiration, or termination of this Agreement and further continues for any applicable limitation of actions statute (and not for the one-year limitation of action covenants of this Franchise Agreement).

e. Further, should any Claim result in the granting of exemplary, punitive, or consequential damages, the same will be covered under this Article and will be reimbursed to us regardless of any language to the contrary in this Agreement.

ARTICLE 15

RESTRICTIVE COVENANTS

15.1 In-Term Covenant Not to Compete

a. You and we share a common interest in avoiding situations where persons or companies who are or have been franchisees within the System operate or otherwise become involved with a similar competing business either during or after the termination of this Agreement for any reason.

b. Therefore, during each Term of this Agreement, and for any extensions or renewals thereof, you agree that you and all Franchisee Parties will refrain from owning; operating; leasing; franchising; conducting; consulting with; engaging in; having any interest in; assisting any Person engaged in for its own account; or acting as an employee, consultant, partner, officer, director or shareholder of any other Person, engaging in any wholesale or retail business or other business that is a Competitive Business at any location, except with our prior written consent which consent may be granted or withheld for any reason or no reason at all.

c. If required by us, the Franchisee Parties and you will execute the standard non-competition agreement that we will prepare from time to time.

15.2 Post-Term Covenant Not to Compete

a. Upon the expiration, termination, or Transfer of this Agreement and for two years after that, you agree that the Franchisee Parties and you will refrain from owning; operating; leasing; franchising; conducting; consulting with; engaging in; having any interest in; assisting any Person engaged in for its own account; acting as an employee, consultant, partner, officer, director or shareholder of any other Person, engaging in any Competitive Business within the Territory, or within the same or a different territory in which we, our Affiliate or another franchisee is operating under the System.

b. If you have Pre-existing Clients on the Effective Date (and have disclosed the same to us as required by this Agreement), these Clients will be exempt from the non-competition covenants.

15.3 No Disclosure

The Franchisee Parties and you agree that during the Term of this Agreement, during any Successor Term, or at any other time after the termination of this Agreement (or any franchise agreement signed under the Successor Term) for any reason, each will refrain from making any unauthorized disclosure or use the Marks, any component of the System, or any portion of Proprietary Information.

15.4 Other Protection

During the Term of this Agreement, for two years following the Transfer, expiration, or termination of this Agreement and in the area described in Section 15.2 above, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any Person,

a. divert or attempt to divert any business or Clients to a Competitive Business; or,

b. do or perform any other act injurious or prejudicial to the goodwill associated with the Proprietary Information, the Marks, or the System.

15.5 Application and Survival

a. This Article applies to all participants in the Franchised Business including the Principal Operator, any equity holder, any Person who serves as a manager or in a higher position, to your spouse or civil partner, to the spouse or civil partner of the Principal Operator or an equity holder, any Guarantor, and all others that take an active role in the operation of the Business.

b. The restrictive covenants of this Article survive the Transfer, termination, or expiration of this Agreement and will continue to apply to remain enforceable.

15.6 Reasonable Restriction and Savings Clause

a. The covenants found in this Article are intended to be a reasonable restriction on Franchisee and the Franchisee Parties. We both agree that the purpose of these restrictions is to protect the entire franchise system from unfair competition and to protect the goodwill, time, and effort spent by us in creating the Proprietary Information, the Marks, and the System. In fact, we would not have shared such information with you unless you agreed to be bound by the terms of this Article.

b. You further agree that you have skills of a general and specific nature and have other opportunities, or will have other opportunities to use such skills, and that the enforcement of these covenants will not unduly deprive you of the opportunity to earn a living.

c. For purposes of interpretation of the covenants found in this Article, every location of a Business, every month, each mile of distance, or any other restriction is considered severable. In the event an arbitrator interprets a spatial, temporal, or other limitation in any of the above restrictive covenants to be overly broad, then the arbitrator will adjust the offending limitation, in the most limited manner possible, to fashion a reasonably enforceable covenant that upholds to the fullest extent of the law the restrictive nature of this Article.

d. You expressly agree that the existence of any claim you may have against us, whether or not arising from this Agreement, does not constitute a defense to our enforcement of the covenants of this Article specifically or of this Agreement generally. Further, we are entitled to set off any amounts owed to you against any loss or damage we suffer because of your breach of this Agreement.

15.7 Tolling of Time and Franchisor Is Entitled to Injunctive Relief

a. You acknowledge that any failure to comply with the requirements of this Article will cause us irreparable injury for which no adequate remedy at law may be available, and you agree that we may apply for an injunction to a court of competent jurisdiction. If permitted by law, you agree to waive any requirement that we post a bond. If the temporary injunction is granted, we must begin the alternative dispute resolution process under Article 16. We may further avail ourselves of any legal or equitable rights and remedies which we may have under this Agreement or otherwise.

b. If at any time you fail to comply with your obligations under this Article, Article 6, or under any other covenant that has survived the expiration, Transfer, or termination of this Agreement, the non-competition period will be tolled until you are again in compliance.

15.8. Pre-existing Clients

Notwithstanding the language of this Article, you will not violate the covenants-not-to-compete if you supply Payroll and Workforce Management Services to Pre-Existing Clients, but only if you provide us with a list of your Pre-Existing Clients on the Effective Date. If no Pre-existing Client list is delivered, it will be assumed that none existed. Such Pre-Existing Clients will remain your sole property, and you may continue to serve them during any Term of this Agreement and after a Transfer or the Agreement's expiration or earlier termination. During any Term of this Agreement, you must pay Royalties on all Gross Revenue generated by your Pre-Existing Clients.

ARTICLE 16

DISPUTE RESOLUTION

16.1 Intent to be Bound, Meeting, and Mediation

You and we believe it is important to resolve disputes amicably, quickly, cost-effectively, and professionally and return to business as soon as possible. We agree that the provisions of this Article 16 support these mutual and practical business objectives, and you and we agree:

a. All provisions of this Agreement (including the language of this Article) will be fully enforced, including those relating to arbitration, waiver of jury trial, limitation of damages, venue, choice of laws, and shortened periods in which to bring claims.

b. The Parties are relying on the federal preemption of state laws under the Federal Arbitration Act (9 U.S.C. § 1 et seq.) (“**FAA**”) with the understanding that the FAA and not state law will control matters concerning mediation and arbitration. As a result, this Agreement’s alternative dispute mechanism will be enforced according to its terms and the FAA as necessary. The Parties further agree that each Party intends that any state law attempting to prohibit arbitration or void out-of-state forums for arbitration is preempted by the FAA and that arbitration will be held as provided in this Article.

c. The Parties acknowledge and agree that all of the terms, covenants, and conditions of this Article are mandatory and are not permissive.

d. Except as expressly provided in this Agreement, EACH PARTY KNOWINGLY WAIVES ALL RIGHTS TO A COURT OR JURY TRIAL AND, INSTEAD, SELECTS FACE-TO-FACE MEETINGS, MEDIATION AND FINALLY BINDING ARBITRATION AS THE SOLE MEANS TO RESOLVE DISPUTES, UNDERSTANDING THAT FACE-TO-FACE MEETINGS, MEDIATION AND ARBITRATION MAY BE LESS FORMAL THAN A COURT OR JURY TRIAL, MAY USE DIFFERENT RULES OF PROCEDURE AND EVIDENCE, THAT AN APPEAL PROCESS IS GENERALLY LESS AVAILABLE, AND THAT THE FEES AND COSTS ASSOCIATED WITH MEDIATION OR ARBITRATION MAY BE SUBSTANTIALLY GREATER THAN IN CIVIL LITIGATION.

e. Notwithstanding the fact that a Party is or may become a party to a court action or special proceeding with a third party or otherwise, and whether or not such pending court action or special proceeding, (i) may include issues of law, fact, or otherwise, that arise out of the same transaction (or series of related transactions) as to any arbitrable matter between or involving the Parties; (ii) involves a possibility of conflicting rulings on issues of law, fact, or otherwise; or (iii) such pending court action or special proceeding may involve a third party who cannot be compelled to arbitrate the terms, covenants, and conditions of this Agreement, the Parties still agree any dispute between the Parties to this Agreement will be enforced according to this Article.

f. Before arbitration, each Party agrees to adhere to the following procedure:

i. First, in the event of a complaint between them, the Parties agree to meet face-to-face within 30 days after any Party gives written notice to the other;

ii. Second, if the face-to-face meeting cannot resolve the issues between the Parties, then the disagreement must be submitted to non-binding mediation to be held before the Judicial Arbitration and Mediation Service (**JAMS**) or its successor (or an organization designated by JAMS or its successor). If JAMS is unable or unwilling to conduct such proceeding(s), and the Parties to the dispute cannot agree on an appropriate Person to conduct such proceedings(s), then the mediation will be heard by the American Arbitration Association (**AAA**).

A. Mediation must be held within 30 days after the face-to-face meeting. The Parties will agree upon a single mediator. If the Parties cannot agree upon the mediator, then the senior-most officer, director, or manager of the association under which the mediation is to take place will choose a neutral and disinterested mediator, and such choice will be final and binding upon the Parties.

B. Mediation will be conducted by a mediator experienced in franchising. A Party may be represented by counsel and may bring persons appropriate to the proceeding with the permission of the mediator.

iii. If the mediation does not resolve the matter, the Parties agree that the disagreement will be submitted to and finally resolved by binding arbitration.

16.2 Resolution under Arbitration

a. Arbitration must begin within the earlier of 90 days after mediation but in no event later than the last day of the one-year limitation period described in Section 16.8.

b. Arbitration will be held before and under the arbitration rules of JAMS or its successor (or an organization designated by JAMS or its successor). If JAMS is unable or unwilling to conduct such proceeding(s), and the Parties cannot agree on a Person to conduct such proceedings(s), then the mediation will be heard by a single mediator from the AAA. Any arbitrator must be experienced in franchising.

c. If the Parties cannot agree upon the arbitrator, then the senior-most officer, director, or manager of the association under which the arbitration occurs will choose a neutral and disinterested arbitrator, and such choice will be final and binding upon the Parties.

d. Any Party may be represented by counsel and may, with permission of the arbitrator, bring persons appropriate to the proceeding.

e. The arbitrator's judgment on any preliminary matter and the final arbitration award will be final and binding on the Parties and may be entered in any court having jurisdiction.

f. The final and binding decision or award of the arbitrator in one matter will not have precedential or "offensive collateral estoppel" effect in an arbitration between the Franchisor and another

franchisee, such that the matters decided in the original arbitration will not be used in future arbitration between a party or parties to the original arbitration and Person other than the party or parties to the original arbitration as proof of the fact or matter contested in the later arbitration.

g. The arbitrator's award will be in writing. On request by any party to the arbitration, the arbitrator will provide to all disputants a reasoned opinion with findings of fact and conclusions of law, and the Party so requesting will pay the arbitrator's fees and costs for it.

h. There will be no right to appeal any interim ruling or the final award.

16.3 Confidentiality

The Parties to any meeting, mediation, or arbitration will sign confidentiality agreements, excepting only public disclosures and filings required by law.

16.4 Choice of Law, Venue and Jurisdiction of Arbitration

a. Any face-to-face meeting, mediation, or arbitration will be conducted exclusively at a

neutral location within 15 miles of our then-current headquarters without regard to conflict of law provisions or *forum non-conveniens* demand to the contrary and to the exclusion of any other jurisdiction or venue.

b. The arbitrator will apply all applicable laws and equity permitted under the laws of the state in which our headquarters is then located without regard to conflicts of law provisions and to the exclusion of the laws of another jurisdiction.

c. You have been made aware of the terms of this Section 16.4 (including the jurisdiction, venue, forum, and choice of law provisions) and have agreed to the terms of this Article generally and to this Section specifically. These terms are mandatory and not permissive.

16.5 Scope, Discovery, other Procedural Matters, Fees and Costs

a. The arbitrator will decide all factual, procedural, or legal questions relating in any way to the dispute between the Parties, including whether there is a franchise agreement between the Parties; a determination of whether this Article is applicable and enforceable; a determination of arbitrability; issues related to the subject matter, timeliness, scope, remedies, and conscionability; and any alleged fraud including fraud and fraud in the inducement.

b. The Parties to the dispute have the same discovery rights as are available under the rules of the arbitration association hosting the arbitration. Each participant must submit or file any claim which would constitute a “compulsory counter-claim” (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such compulsory counter-claim that is not submitted or filed in such proceeding will be forever barred.

c. The arbitrator may issue summary orders disposing of all or part of a claim and issue temporary restraining orders, preliminary injunctions or permanent injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships, and other equitable, interim or final relief.

d. Each Party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction.

e. The arbitrator will have subpoena powers limited only by the laws of the state in which our headquarters is then located

f. In addition to any other remedy, as part of any award (including awards based upon a successful claim of misrepresentation and fraud), the arbitrator will award the “**Prevailing Party**” in addition to any other relief that may be granted, whether legal or equitable, its reasonable attorney fees, expert witness fees, and costs, (i) incurred in any settlement negotiations; (ii) incurred in preparing for, prosecuting, or defending any such suit, action, or another proceeding; and, (iii) incurred in preparing for, prosecuting or defending an appeal. The “**Prevailing Party**” will be that Party that has obtained the greatest “**Net Judgment**” in terms of money or money equivalent. The “**Net Judgment**” is determined by subtracting the smallest award of money or money equivalent from the largest award. If money or money equivalent has not been awarded, then the Prevailing Party will be that Party that has prevailed on a majority of the material issues decided. If there is a mixed decision involving an award of money or money equivalent and equitable relief, or the arbitrator deems it necessary in the interest of justice, the arbitrator, using the arbitrator’s judgment, will award the above fees to the Party that it deems has prevailed.

16.6 Disputes Not Subject to the Mediation/Arbitration Process

a. Claims or disputes relating primarily to the Marks, to any intellectual property licensed to you, or any matter governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections

1051 et seq.) are subject to court proceedings in a court of competent jurisdiction.

b. Matters relating solely to the collection of money by one Party against the other are not subject to a face-to-face meeting, mediation, or arbitration. Such matters include collection efforts against you or us solely for the failure to make timely payment of any amount due to the other. In such an event, such matter may be brought in a court of competent jurisdiction and venue. If, however, one Party to such action pleads another claim, cross-claim, counter-claim, or affirmative defense based on anything other than the mere collection of money, or if the other Party alleges facts concerning fraud or any other equitable defense, then the entire matter, including the collection-of-money effort will be subject to the alternative dispute resolution procedures of this Article.

c. To the extent that either of us seeks injunctive relief before the face-to-face meeting, mediation, or arbitration, the same may be applied to a court of competent jurisdiction. The court will hear only the application for injunctive relief, and the mere fact that the court exercised jurisdiction in considering the injunction will not eliminate the alternative dispute resolution requirements of this Article. If the temporary injunction is granted, then the Party that made the application must begin the alternative dispute resolution process under this Article.

16.7 Other Matters

We each understand and specifically agree that any matters concerning the relationship between us and any dispute arising, as a result, will be determined on an individual basis and will not be brought as a class action or with multiple unrelated franchisees (whether as a result of attempted consolidation, joinder, or otherwise). This is prudent from a business standpoint because (i) the mediation and arbitration procedures function most effectively on an individual case basis; (ii) there are significant factors present in each franchisee's situation that should be respected; and (iii) class-wide or multiple plaintiff disputes do not foster quick, amicable, and economic dispute resolutions.

16.8 One Year Limitation of Action

a. Except for matters identified in Section 16.6 above, **YOU AND WE ARE LIMITED TO BRINGING ANY ARBITRATION AGAINST THE OTHER WITHIN ONE YEAR OF THE DATE THAT THE FACTS WHICH GIVE RISE TO THE CLAIM WERE DISCOVERED, OR ONE YEAR FROM THE DATE THAT SUCH FACTS REASONABLY SHOULD HAVE BEEN DISCOVERED.** The one-year period begins to run and will not be tolled merely because the claiming Party was unaware of legal theories, statutes, regulations, or case law upon which the claim might be based. If the Parties are in mediation on the day that the year expires, then the one-year period will be extended by 90 days from the unsuccessful end of mediation within which a Party must bring arbitration. If arbitration is not brought by 5:00 p.m. Mountain time on the 90th day after mediation ends, then the right to bring arbitration expires, and the Parties will have no other opportunity to try, arbitrate or receive any other relief because of the action, matter, dispute, or disagreement underlying the claim.

b. Notwithstanding the preceding, if any Applicable Law provides for a shorter limitation period than is described in this Section, then the shorter period will govern.

c. This Section will not apply to indemnification required under Article 14, and such actions may be brought within the period provided by any limitation-of-action statute under the laws of the state in which our headquarters is then located.

16.9 Survival of Obligations

Each provision of this Article is self-executing and will continue in full force and effect after and

notwithstanding the expiration, termination, rescission, or finding of unenforceability of this Agreement (or any part of it) for any reason.

ARTICLE 17

INSURANCE

17.1 Insurance is Required, Coverage

a. Within 90 days of the Opening Date, you must obtain from our approved insurance broker and through our approved insurer, insurance policies protecting you and us, and the officers, directors, partners, and employees of both you and us against any loss, liability, personal injury, death, property damage or expense whatsoever arising or occurring upon or in connection with the operation of the Business. During the Term, you must maintain all required insurance policies in full force and effect. We and our officers, directors, members, partners, and employees will be named additional insureds on all such policies using the latest version of ISO endorsement that grants the additional insureds the most coverage. This coverage must be in effect before the Opening Date. The coverage afforded to the additional insureds must be written on a primary basis and will not require contribution by any other policies obtained by an additional insured.

b. Within 90 days of the Opening Date, you will deliver to us the actual policy or policies of insurance or endorsements issued by the insurer (and not the broker), evidencing the proper coverage with limits not less than those required hereunder.

c. All policies will expressly provide that not less than 30 days prior written notice will be given to us in the event of material alteration, termination, non-renewal, or cancellation of the coverage evidenced by such policies.

d. You will obtain the following coverage:

i. Commercial General Liability Insurance, including coverage for operations and completed operations, contractual liability, personal and advertising injury, fire damage, and medical expenses having a combined single limit for any form of injury or property damage of no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate; plus,

ii. Employer's liability and workers' compensation insurance as required by state law in the state in which the Business is found; plus,

iii. Professional liability insurance of no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate; plus,

iv. Employee dishonesty insurance;

A. for annual revenues of \$100,000 or less, coverage should be for no less than \$250,000 per occurrence and \$250,000 in the aggregate;

B. for annual revenues of \$100,000 to \$250,000, coverage should be for no less than \$500,000 per occurrence and \$500,000 in the aggregate; and,

v. for annual revenues of more than \$250,000, coverage should be for no less than \$1,000,000 per occurrence and \$1,000,000 in the aggregate. Computer fraud coverage (including coverage for cyber-attacks or losses, hacking losses and losses because of malware, pretexting, phishing attacks, and the like) for no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate. To the extent that this

coverage requires multiple policies or endorsements, then you will obtain each such policy or endorsement; plus,

vi. Social Engineering Fraud coverage of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate; plus,

vii. Crime coverage (to the extent that the insurance purchased above does not fully protect you and us from losses from computer fraud or general fraud, theft, or deception) of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

e. Your policies will be written by an insurance company satisfactory to us and that is rated A-minus or better, in Class 10 or higher, by Best Insurance Ratings Service, or otherwise in writing, from time to time. We reserve the right to change the above requirements at any time after giving you 60 days' prior written notice.

17.2 No Limitations on Coverage and Primacy

a. Your obligation to obtain and maintain the preceding policies in the specified amounts will not be limited because of any insurance that we may maintain, and your performance of these obligations does not relieve you of liability under the indemnity provisions set forth herein.

b. All insurance policies must contain a provision that your insurance coverage is primary over any coverage maintained by us, and we will be entitled to recover under your policies for any loss sustained by us for whatever reason.

17.3 Franchisor May Procure Insurance Coverage

Should you, for any reason, fail to procure or maintain the insurance required by this Agreement, as described from time to time by the Manuals or otherwise in writing, we will have the right and authority (but no obligation) to procure such insurance and to charge the same to you; said charges, together with a reasonable fee for our expenses in so acting, will be immediately payable to us by you.

ARTICLE 18

ADDITIONAL PROVISIONS

18.1 Entire Agreement - Merger

a. This Agreement, including all exhibits and addenda, contains the entire agreement between the Parties and supersedes all prior oral, written, express, or implied agreements, statements, or understandings concerning the subject matter hereof; except that nothing in this or any related agreement is intended to disclaim the representations we made in the Franchise Disclosure Document.

b. We do not authorize any representation of any nature other than those expressed in this Agreement.

18.2 Modification and Powers of Attorney

a. This Agreement may be modified only by a written agreement signed by all Parties to this Agreement.

b. You acknowledge, however, that we may modify our standards, specifications, and operating and marketing procedures, including those outlined in the Manuals, any component of the System,

the Marks, and any copyrighted or Proprietary Information, unilaterally, under any conditions and to the extent to which we, in our sole discretion, deem necessary to protect, promote or improve the Marks and the quality of the System in general.

18.3 Delegation

From time to time, we have the right to and will delegate the performance of any portion or all of our obligations and duties hereunder to a third party that is approved by us to deliver such services and perform such duties, whether the same are agents of ours or independent contractors which we have contracted with to provide such services. You agree in advance to any such delegation by us of any portion or all of our obligations and duties hereunder.

18.4 Review of Agreement

You acknowledge that you had a copy of this Agreement in your possession for no less than 14 calendar days, during which time you had the opportunity to submit it for professional review and advice by one or more professionals of your choosing before freely executing this Agreement.

18.5 No Waiver

No waiver by a Party of any term, covenant, or condition contained in this Agreement, and the failure of a Party to exercise a right or remedy granted to it under this Agreement will be considered to imply or constitute a further waiver by a Party of enforcement of the same or any other condition, covenant, right, or remedy.

18.6 No Right to Set Off or Third-Party Beneficiaries

a. You will not set off the amounts owed to us against any fees or other amounts due to you, nor will you, in any event, withhold such amounts due to any alleged nonperformance by us, which right of set-off is expressly waived by you.

b. All of our obligations under this Agreement are solely and exclusively for your benefit, and no other Person is entitled to rely on, enforce, benefit from, be deemed to be a third-party beneficiary of, or otherwise obtain relief either directly or by subrogation.

18.7 Invalidity

If any provision of this Agreement is held to be invalid, the arbitrator will modify the same to eliminate and then restate to the least extent possible the invalid element to make it valid, and as so modified, such provision shall be deemed a part of this Agreement as though it was originally included. If the provision cannot be amended, it will be stricken, and the remainder of this Agreement will remain in full force and effect.

18.8 Notices

a. All notices relating to any breach of this Agreement and all notices concerning the implementation of dispute resolution procedures must be given in writing and must be delivered by certified mail, return receipt requested, or by an overnight delivery service providing documentation of receipt or refusal of delivery, at the address either of us may designate from time to time and will be effective when receipted for (or when refused). A copy of all notices shall also be sent to:

Payroll Vault Franchising LLC

18.9 Time is of the Essence and Construction

- a. In all matters concerning this Agreement, time is of the essence.
- b. The headings are for convenience only and are not intended to be inclusive or exclusive of any term, covenant, or condition.
- c. In reading this Agreement, the singular includes the plural, and the reference to one gender includes the reference to the other gender and the neutral gender.
- d. The word “**including**” means “**including, but not limited to...**”. The words “**and**” and “**or**” have the inclusive meaning represented by the phrase “**and/or.**”
- e. If a term, covenant, or condition is deemed vague, its interpretation will not be construed against the party that drafted it.

18.10 Survival of Provisions and Independent Covenants

a. Any provision of this Agreement that by its terms must extend beyond the expiration, earlier termination, or Transfer of this Agreement to remain enforceable will continue in full force and effect after and notwithstanding the termination, expiration, or Transfer of this Agreement.

b. The Parties further agree that each covenant herein is independent of any other covenant or provision of this Agreement.

18.11 Force Majeure

Except for monetary obligations hereunder, which are due regardless of this Section’s language, and unless otherwise specifically provided in this Agreement, Force Majeure will apply.

18.12 Guaranty

If you take ownership of the franchise other than in your personal name during any Term, all Franchisee Parties are required to sign the then-current form of Guaranty, which is attached hereto as Exhibit 7.

18.13 Recitals, State Specific Amendment, and Signatures

a. The Recitals are made part of this Agreement.

b. In some cases, the state in which you are located requires this Agreement to be amended. Please see Exhibit 6 attached hereto for all State Amendments.

EXHIBIT 3
ACH AGREEMENT

ACH (Automated Clearing House) Agreement

As a convenience to me, I, as your Franchisee (and Depositor), hereby request and authorize you to pay and charge to my account debits originated by and payable to the order of Payroll Vault Franchising, LLC (“Franchisor”), provided there are sufficient collected funds in said account to pay the same. This authorization includes debits (“items”) originated by check or electronic transfer relating to franchise royalties and other fees due to Franchisor. I agree that your rights with respect to each said item shall be the same as if it were a check drawn on you and signed personally by me. This authority is to remain in effect until revoked by me in writing, and until you actually receive such notice, I agree that you shall be fully protected in honoring any such item; except that no cancellation will take place until I have contacted Franchisor in writing that I am canceling this authorization.

The Bank shall be under no obligation to furnish me with any special advice or notice in writing or otherwise of such payment or charge to my account.

I further agree that if any item is dishonored, whether with or without cause and whether intentionally or inadvertently, you shall be under no liability whatsoever, even though such occurrences may result in the Franchisor’s termination of our agreement. Dishonored items may be charged a \$75.00 handling fee by Franchisor per occurrence.

I further understand and agree that you may charge me fees for the automatic payment from my account and if sufficient funds are not in my account to cover such transactions. I acknowledge that all transactions under this agreement must comply with the provisions of U.S. law.

I, your Franchisee, agrees:

1. Such security procedures will include (a) a unique file identification number and transmission password, (b) encryption, and (c) automated verification of total dollars and number of items in the file. Franchisee agrees that these procedures constitutes a commercially reasonable method of providing security against unauthorized instructions. Franchisee will be bound by any debit/credit instruction issued by or on behalf of Franchisee and received and verified by the Originating Bank in accordance with such security procedures, and the Providers, third party ACH processors and the Originating Bank will not be liable for any loss sustained as a consequence of any instructions that are not authenticated if Franchisor has appropriately adhered to these procedures. The Franchisor, third party ACH processors, and the Originating Bank will not be liable for any damages to Franchisee arising from any decision made by Franchisor, third party ACH processors, or the Originating Bank to refrain from or delay originating debit/credit entries or issuing any check in connection with Franchisee’s payroll, (i) after reasonable efforts to verify such debit/credit entries by the required security procedure have failed or (ii) because Franchisor has not received timely funds from Franchisee. Franchisee agrees that Providers will not be liable for any damages (regardless of the nature of the damages and even though Franchisee may have been made aware of such damages) to Franchisee arising from any bank decision to withhold the release of a Franchisee payroll that is processed by check. Regardless of any such delay in the release of any check, Franchisee will still be obligated to pay Franchisor for applicable payroll

processing charges.

10. Miscellaneous:

- 10.1. Entire Agreement. The parties agree that all prior and contemporaneous understandings and agreements made or had between the parties are superseded by this Agreement, which constitutes the complete and exclusive statement of the terms and conditions relating to the subject matter of this Agreement. This Agreement cannot be altered, amended, or modified except in writing executed by each party. The waiver of, or failure to exercise, any right under this Agreement will not be deemed a waiver of any right hereunder, except to the extent in a writing executed by such party.
- 10.2. Arbitration. In the event one or both Providers have a claim against the Franchisee or the Franchisee has a claim against one or more of the Providers as a result of the alleged breach of this Agreement by a Provider or the Franchisee and the matter does not involve disputes relating primarily to the Marks, to any intellectual property licensed by a party to the other, or any matter governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) (all of which are subject to court proceedings in a court of competent jurisdiction) the parties will attempt to resolve the claim in good faith between them. If no resolution is reached within five days of the date that parties completed good faith discussions, the parties will enter into non-binding mediation before a single disinterested mediator. If mediation does not resolve the matter, and the parties continue to disagree, then the matter will be resolved by binding mediation. Mediation will be held before a single disinterested arbitrator from the American Arbitration Association (AAA). The parties agree that the choice of law will be that of the state in which the Franchisor's then-current headquarters is located without regard to any choice-of-law statute or common law to the contrary. Venue will be within fifteen miles of the then-current headquarters of the Franchisor without regard to a claim of forum non-conveniens. The decision of the arbitrator will be final, binding, non-appealable and enforceable in any court of competent jurisdiction. The arbitrator will decide all matters concerning the claims including whether the claim is arbitratable, whether some part or all of this Agreement is enforceable, and any other legal or equitable claim (including a claim of fraud in the inducement, the parties recognize that each is entitled to a trial in a court and before a jury. Acknowledging that, each party specifically waives the right to a court or jury trial and instead agrees that resolution under the terms of this Section is a fair and reasonable method of resolution. The parties also agree that each intends that all provisions of this Agreement will be fully enforced, including those relating to arbitration, waiver of jury trial, limitation of damages, venue, and choice of laws. It is further agreed that the parties are relying on the federal preemption of state laws under the Federal Arbitration Act (9 U.S.C. § 1 et seq.) (FAA) with the understanding that the FAA and not state law will control matters concerning mediation and arbitration. In addition to any monetary or equitable award, the arbitrator will award the prevailing party their costs and fees (including reasonable attorney's fees, expert witness fees and the arbitrator's fees) incurred because of arbitration. The parties agree that each will equally share in the cost of mediation and arbitration with the understanding that the arbitrator will award the same in arbitration (but not mediation). The terms of this Section apply only to disagreements arising under this Agreement and not resulting for a disagreement between the Providers or the Franchisor and Franchisee as such matters are subject to separate dispute-resolution agreements.
- 10.3. Franchisor will have the right to assign its rights under this Agreement. Franchisee may not assign any of its rights under this Agreement to any third party without the prior written consent of Franchisor. For purposes hereof, a change in control of more than 50% of Franchisee's equity ownership (or its parent corporation's ownership), whether by merger, sale of equity securities or otherwise, will constitute an assignment of this Agreement by Franchisee. Nothing in this Agreement creates, or will be deemed to create, third party beneficiaries of or under this Agreement.
- 10.4. Force Majeure. Any party hereto will be excused from performance under this Agreement for any period of time that the party is prevented from performing its obligation hereunder as a result of an act of God, war, earthquake, civil disobedience, court order, labor dispute, or other cause beyond the party's reasonable control.

10.5. Notices. Any notice required or permitted to be given hereunder will be deemed given the day following the date of the postmark thereof if sent prepaid certified or registered mail, return receipt requested or by confirmed facsimile, or by commercial overnight delivery service. Until either party advises the other party of a change in how notices will be addressed, all notices pursuant to this Agreement will be addressed to the address of the parties shown on the Franchise Agreement.

SERVICE LEVELS

Provided the Service User's internet connection is at or below seventy five percent (75%) of utilization and that the Service User's applicable PC is configured in accordance with the Documentation, except for any causes beyond isolved® Network's control, Scheduled Maintenance and Emergency Maintenance, and subject to the exclusions set forth below, isolved® Network guarantees System Availability of ninety nine and one half percent (99.5%). System Availability is measured by the month. isolved® Network shall provide the Hosted Service with a disaster recovery plan which includes a recovery time objective ("RTO") of twelve (12) hours and a recovery point objective ("RPO") of twenty four (24) hours. The RTO is measured from the time the Hosted Service becomes unavailable until it is available again. The RPO is measured from the time that the first transaction is lost until the Hosted Service becomes unavailable. System Availability is calculated in accordance with the following formula: $x = [(n - y) * 100] / n$, where x = System Availability percentage, n = total hours per month, and y = hours the Hosted Service was not available.

With respect to any month during the Term where System Availability is less than ninety nine and one half percent (99.5%) for at least three (3) consecutive months during any year of the Agreement, isolved® Network shall provide Certified Partner with credit(s) reflected on the following year's invoice with such credits based on the formula below:

(Total downtime (in hours and exclusive of Scheduled Maintenance and Emergency Maintenance) / total hours per month) X (trailing twelve (12) months' PEPM fees / 12)

There is no limit on the service credits that may be applied to Monthly Minimum Fees. If the service credit for any month exceeds the Monthly Minimum Fee for that month, the remainder will be applied to the next month's Monthly Minimum Fees. Certified Partner must be up to date on all payments due to isolved® Network to qualify for any service credits described in this Exhibit A. Certified Partner expressly acknowledges and agrees that the service credits described in this Exhibit A are the sole and exclusive remedy available to Certified Partner for failure of the Hosted Service to meet the service levels set forth herein.

Exclusions:

The service levels set forth herein do not cover any downtime caused, either directly or indirectly, by:

1. custom application coding errors introduced by any Party;

MALFUNCTION OR CESSATION OF INTERNET SERVICES BY INTERNET SERVICE PROVIDERS OR OF ANY OF THE NETWORKS THAT FORM THE INTERNET MAY MAKE THE HOSTED SERVICE TEMPORARILY OR PERMANENTLY UNAVAILABLE. OCCASIONAL TEMPORARY INTERRUPTIONS OF THE HOSTED SERVICE MAY OCCUR FROM TIME TO TIME. CERTIFIED PARTNER AGREES THAT ISOLVED® NETWORK SHALL NOT BE LIABLE FOR DAMAGES INCURRED OR SUMS PAID WHEN THE HOSTED SERVICE IS TEMPORARILY OR PERMANENTLY UNAVAILABLE AS A RESULT OF THE

MALFUNCTION OR CESSATION OF SUCH THIRD PARTY NETWORKS, AND THAT THIS UNAVAILABILITY OF THE HOSTED SERVICE WILL NOT BE A SERVICE LEVEL FAILURE UNDER THIS AGREEMENT, INCLUDING DUE TO MALFUNCTION OR CESSATION OF INTERNET SERVICES BY NETWORK(S) OR INTERNET SERVICE PROVIDERS NOT SUBJECT TO THE CONTROL OF ISOLVED® NETWORK, OR DUE TO ANY ACCIDENT OR ABUSE BY CERTIFIED PARTNER. THE INTERNET IS NOT A SECURE NETWORK; UNENCRYPTED CONFIDENTIAL OR SENSITIVE INFORMATION SHOULD NOT BE TRANSMITTED OVER THE INTERNET OR STORED ON COMPUTERS DIRECTLY CONNECTED TO THE INTERNET.

Scheduled Maintenance

The following is defined as “Scheduled Maintenance”:

Planned maintenance of both the infrastructure and the Hosted Service shall be performed to reduce the likelihood of disrupting Certified Partner’s access to the Hosted Service. Scheduled Maintenance is scheduled to fall outside of standard business hours whenever possible. Scheduled Maintenance is scheduled for the second Saturday of each month, between 9:00 AM ET and 9:00 PM ET. Certified Partner will be notified in advance of the Scheduled Maintenance window via email at least seven (7) days in advance; provided, however, Certified Partner may request, and isolved® Network will make its best efforts to provide, a different Scheduled Maintenance window if the above-described Scheduled Maintenance window conflicts with Certified Partner’s critical business processes during specific times of the year.

1. In recognition of the requirements of the Virginia Retail Franchising Act (the “Act”), the Franchise Agreement for LLC is amended as follows:

WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

This Addendum to the Franchise Agreement, agreed to this ___ day of _____, 20__, between Payroll Vault Franchising, LLC, and _____, amends and revises said Franchise Agreement as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

The Recital on Page 1 of the Franchise Agreement does not apply in Washington.

Sections 1.6.b.i. and 1.6.b.ii. of the Franchise Agreement do not apply in Washington.

Section 14.1 of the Franchise Agreement is amended to state, "Franchisees have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party's gross negligence, willful misconduct, strict liability, or fraud."

Section 18.1.a. of the Franchise Agreement does not apply in Washington.

Transfer fees are collectible to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the Party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the Party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from

(i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The State of Washington has imposed a financial condition under which the initial franchise fees due will be deferred until the franchisor has fulfilled its initial pre-opening obligations under the Franchise Agreement and the franchise is open for business.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

Each of the Parties, for themselves and on behalf of their respective Releasees, waives and relinquishes every right or benefit which he, she, or it may have under Section 1542 of the Civil Code of the State of California and any other law limiting the effect of releases to the fullest extent that he, she, or it may lawfully waive such right or benefit.

The Indemnifying Party shall not settle any Action without the Indemnified Party’s prior written consent (which consent shall not be unreasonably withheld or delayed).

Section 7.06 Tax Treatment of Indemnification Payments. All indemnification payments made by Seller under this Agreement shall be treated by the Parties as an adjustment to the Transaction Consideration for Tax purposes, unless otherwise required by law.

Section 7.07 Effect of Investigation. Notwithstanding anything to the contrary herein, Buyer may, irrespective of any knowledge or investigation of Buyer (or its Affiliates or Agents), rely fully on the representations, warranties, covenants and agreements of Seller contained herein.

Section 7.08 Cumulative Remedies. The rights and remedies provided in this ARTICLE VII are cumulative, and are in addition to, and not in substitution for, any other rights and remedies available at Law or in equity or otherwise.

Supplier Control. You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Item 5 is amended to state the following: Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

Item 17 and the Franchise Agreement requires you to sign a general release. The general release required as a condition of renewal, termination, or transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

In Item 17 and the Franchise Agreement, we require you to arbitrate in Colorado using Colorado law. This is amended to provide that a franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

This provision supersedes any other term of any document executed in connection with the franchise.

STATE OF MINNESOTA

The following Minnesota-specific language must be included in an exhibit attached to the Franchise Disclosure Document and also to the franchise agreements:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring the waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties, or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota considers it unfair not to protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.3.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchisee.

Items 5 and 7 of the Franchise Disclosure Document are amended to state, payment of the Initial Franchise/Development Fees will be deferred until Franchisor has met its initial obligations to the franchisee and the franchisee has commenced doing business. The financial assurance requirement was imposed by the Minnesota Department of Commerce due to Franchisor's financial condition.

- (e) Item 17(w) is deleted in its entirety.

STATE OF RHODE ISLAND

1. The following paragraph is added at the end of Item 17:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

STATE OF SOUTH DAKOTA

In South Dakota, we will defer collecting your initial franchisee fee or other fees due to us before you open until we have delivered all of our pre-opening services stated in Item 11, and you are open for business. At that time, all fees due to us will be collected.

STATE OF VIRGINIA

1. The following statements are added to Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a Franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

2. No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.
3. The following statements are added to Item 17 and are effective for all agreements signed on or after July 1, 2026:
 - i. Under subsection D of § 13.1-559 of the Virginia Retail Franchising Act, for all franchises located in Virginia, the franchise contract or agreement offered or entered into pursuant to terms of this chapter shall be governed by the laws of the Commonwealth of Virginia.
 - ii. Under subdivision A 4 of § 13.1-563 of the Virginia Retail Franchising Act (“Act”), it is unlawful to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. However, subsection B of § 13.1-563 of the Act provides that if a franchisee sells a franchise at a mutually agreed upon price to a third party or back to the franchisor, such sale may include a term restricting the right of such franchisee to engage in the business of offering, selling, or distributing goods or services at retail for a period of no more than two years after such sale.
4. Each provision of this Amendment shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Virginia Retail Franchising Act are met independently without reference to this Amendment.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

- a. Item 17 of the Disclosure Document is amended to add the following:
- b. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
- c. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise.
- d. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
- e. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
- f. Transfer fees are collectible to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
- g. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
- h. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
- i. Item 5 is amended to state, in lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

- j. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Management
Payroll Vault Franchising, LLC

Opinion

We have audited the accompanying financial statements of Payroll Vault Franchising, LLC, (the "Company") which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit, we believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Payroll Vault Franchising, LLC
Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Payroll Vault Franchising, LLC (the “Company”) is a Colorado limited liability company formed on June 22, 2012 and headquartered in Littleton, Colorado. The Company is engaged in the business of granting franchises for the establishment and operation of Payroll Vault franchised businesses that sell payroll and workforce management services to small, medium, and large businesses utilizing the Company’s system of proprietary, confidential and trade secret information, inclusive of trademarks, service marks and logos, the “Franchise System”, and a licensed payroll software program.

In January 2020, the Company’s members entered into an operating agreement whereby the members contributed their membership interests in the Company to Prosperity Holdings, LLC (the “Parent”) in exchange for membership interests in the Parent. The Company is a wholly owned subsidiary of the Parent.

Payroll Service Group, LLC (“Services Affiliate”), an affiliate of the company related by common ownership, licensed the trademarks relating to the Franchise System to the Company under a license agreement (the “License”) extending through September 2042 and which may be automatically renewed for two additional 30-year terms. The License grants the Company the right to use these trademarks for the purpose of licensing them to franchisees of the Company in the United States.

During the year ended December 31, 2025 and 2024 ten and fourteen new franchised outlets were opened and nine and seven franchised outlets were closed, respectively. As of December 31, 2025 and 2024 there were 62 and 61 total franchised outlets in operation, respectively.

Basis of Presentation

The financial statements of the Company have been prepared on the basis of accounting principles generally accepted in the United States of America, (“GAAP”). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amount reported in the financial statements. Actual results could differ from those estimates.

Cash and equivalents

For reporting purposes, all highly liquid investments with maturities of three months or less are considered cash equivalents. The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant risk involving cash or cash equivalents. The Company maintains its deposits in two financial institutions.

Franchisee National Advertising Fund

Franchise agreements require the franchisee to pay continuing marketing of \$300 per month. Although the marketing fees are not separate performance obligations distinct from the underlying franchise right, the Company acts as the principal as it is primarily responsible for the fulfilment and control of the marketing services. As a result, the Company records marketing fees in revenues and related marketing fund expenditures in expenses in the Statement of Operations.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the following estimated useful lives of the ranging from five to seven years. Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Revenue Recognition

The Company has implemented ASC 606 “*Revenue with Contracts from Customers*” and ASC 952, “*Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient*.” ASC 606 requires the Company to recognize revenue based upon performance obligations within contracts with customers. ASC 952 provides a practical expedient that simplifies the application of ASC 606 when identifying performance obligations and permits franchisors that are not public entities to account for pre-opening services listed within the guidance as distinct obligations separate from the franchise license. The Company implemented these standards using the cumulative effect transition method.

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), continuing royalty and other fees monthly based upon a percentage of franchisees gross sales. A franchise agreement establishes a Franchised Business developed in one or multiple defined geographic area and provides for a 5-year initial term with the option to renew for four additional consecutive 5-year terms. Subject to the Company’s approval, a franchisee may generally renew the franchise agreement upon its expiration. If approved, a franchisee may transfer a franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement. A franchise agreement is signed with the new franchisee with no franchise fee required. If a contract is terminated prior to its term, it is a breach of contract, and a penalty is assessed based on a formula reviewed and approved by management. Revenue generated from a contract breach is termed reconveyance fee and included in other revenues.

The Company typically promises to provide franchise rights, pre-opening services such as site selections, operational materials and functional training courses, and ongoing services, such as management of the advertising fund. The Company considers certain preopening activities and the franchise rights and related ongoing services to represent two separate performance obligations and recognizes revenue accordingly.

The initial franchise fee revenue has been allocated to the two separate performance obligations using a residual approach. The Company has estimated the value of performance obligations related to certain pre-opening activities deemed to be distinct based on cost plus an applicable margin and assigned the remaining amount of the initial franchise fee to ongoing services.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Revenue Recognition (Continued)

Initial franchise revenue allocated to preopening activities is recognized when (or as) these services are performed, no later than the opening date. Initial franchise fee revenue allocated to ongoing services is recognized on a straight-line basis over the contractual term of on-going services, typically one year. Renewal fees are recognized over the renewal term of the respective franchise from the start of the renewal period. Transfer fees are recognized over the contractual term of the franchise agreement.

Royalties from Franchised Businesses are based on a greater of 6% of the franchisees' gross revenue per month per unit of Franchised Business or minimum of \$400 and are recognized as earned. Technology fee revenue, marketing fee revenue, and other fee revenue from Franchised Businesses are paid monthly with flat fee and are recognized as earned. The Company also receives annual conference fee revenue from its Franchised Businesses and recognizes this revenue in the period the conference is held.

Advertising and Marketing

All costs associated with advertising and marketing are expensed in the period incurred. Company advertising costs and costs related to the National Advertising Fund are included in "Advertising and marketing" in the Statement of Operations.

Income Taxes

The Company is a single member LLC. As such, the Company is a disregarded entity treated as a division of Parent for income tax purposes. The Company does not file an income tax return separately and apart from Parent. Consequently, income taxes are not provided for by the Company.

Subsequent Events

Subsequent events have been evaluated for potential recognition and disclosure through the date of the auditors' report, which is also the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Management
Payroll Vault Franchising, LLC

Opinion

We have audited the accompanying financial statements of Payroll Vault Franchising, LLC, (the "Company") which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of operations, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit, we believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

December 31, 2024 and 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Payroll Vault Franchising, LLC (the “Company”) is a Colorado limited liability company formed on June 22, 2012 and headquartered in Littleton, Colorado. The Company is engaged in the business of granting franchises for the establishment and operation of Payroll Vault franchised businesses that sell payroll and workforce management services to small, medium, and large businesses utilizing the Company’s system of proprietary, confidential and trade secret information, inclusive of trademarks, service marks and logos, the “Franchise System”, and a licensed payroll software program.

In January 2020, the Company’s members entered into an operating agreement whereby the members contributed their membership interests in the Company to Prosperity Holdings, LLC (the “Parent”) in exchange for membership interests in the Parent. The Company is a wholly owned subsidiary of the Parent.

Payroll Service Group, LLC (“Services Affiliate”), an affiliate of the company related by common ownership, licensed the trademarks relating to the Franchise System to the Company under a license agreement (the “License”) extending through September 2042 and which may be automatically renewed for two additional 30-year terms. The License grants the Company the right to use these trademarks for the purpose of licensing them to franchisees of the Company in the United States.

During the year ended December 31, 2024 and 2023 fourteen and three new franchised outlets were opened and seven and two franchised outlets were closed, respectively. As of December 31, 2024 and 2022 there were 61 and 54 franchised outlets in operation, respectively..

Basis of Presentation

The financial statements of the Company have been prepared on the basis of accounting principles generally accepted in the United States of America, (“GAAP”). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amount reported in the financial statements. Actual results could differ from those estimates.

Cash and equivalents

For reporting purposes, all highly liquid investments with maturities of three months or less are considered cash equivalents. The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant risk involving cash or cash equivalents. The Company maintains its deposits in two financial institutions.

Contract Assets

Contract assets consist of receivables and deferred costs.

Receivables consists of royalty, technology fee, marketing fee, annual conference fee, and other fee revenue earned from franchisees but not collected as of the balance sheet date.

Deferred costs consist of commissions incurred when the franchise rights are sold to franchisees, which are recognized on a straight-line basis over the term of the franchise agreements. The Company classifies these contract assets as deferred cost in the balance sheet. The following table reflects the change in contract assets related to deferred cost during the year:

	2024	2023
Balance on January 1,	\$ 123,817	\$ 185,382
Expense recognized during the year	(68,673)	(61,565)
Additions during the year	450,614	-
Balance at December 31,	\$ 505,758	\$ 123,817

The following table illustrates estimated expenses expected to be recognized in the future related to performance obligations that are unsatisfied (or partially unsatisfied) as of December 31, 2023:

2027	99,404

2029	52,998
Total	\$ 505,758

Contract Liabilities

Franchisee National Advertising Fund

Franchise agreements require the franchisee to pay continuing marketing of \$300 per month. Although the marketing fees are not separate performance obligations distinct from the underlying franchise right, the Company acts as the principal as it is primarily responsible for the fulfillment and control of the marketing services. As a result, the Company records marketing fees in revenues and related marketing fund expenditures in expenses in the Statement of Operations.

Goodwill

The Company applies the accounting alternatives provided in ASU 2014-02, *Intangibles—Goodwill and Other (Topic 350): Accounting for Goodwill* and ASU 2021-03, *Intangibles—Goodwill and Other (Topic 350): Accounting Alternative for Evaluating Triggering Events*. Under these alternatives, goodwill is amortized on a straight-line basis over 10 years and performs the goodwill impairment triggering event evaluation as of the end of the reporting period. In testing goodwill for impairment, the Company has the option first to perform a qualitative assessment to determine whether it is more-likely-than-not that goodwill is impaired or entity can bypass the qualitative assessment and proceed directly to the quantitative test by comparing the carrying amount, including goodwill, of the entity with its fair value. The goodwill impairment loss, if any, is the amount by which the carrying amount of an entity, including goodwill, exceeds its fair value. Subsequent increases in goodwill value are not recognized in the financial statements. Recorded goodwill of \$10,000 had fully amortized without impairment as of December 31, 2023, reducing the net recorded balance to \$0.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the following estimated useful lives of the ranging from five to seven years. Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized.

Revenue Recognition

The Company has implemented ASC 606 “*Revenue with Contracts from Customers*” and ASC 952, “*Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient.*” ASC 606 requires the Company to recognize revenue based upon performance obligations within contracts with customers. ASC 952 provides a practical expedient that simplifies the application of ASC 606 when identifying performance obligations and permits franchisors that are not public entities to account for pre-opening services listed within the guidance as distinct obligations separate from the franchise license. The Company implemented these standards using the cumulative effect transition method.

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), continuing royalty and other fees monthly based upon a percentage of franchisees gross sales. A franchise agreement establishes a Franchised Business developed in one or multiple defined geographic area and provides for a 5-year initial term with the option to renew for four additional consecutive 5-year terms. Subject to the Company’s approval, a franchisee may generally renew the franchise agreement upon its expiration. If approved, a franchisee may transfer a franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement. A franchise agreement is signed with the new franchisee with no franchise fee required. If a contract is terminated prior to its term, it is a breach of contract, and a penalty is assessed based on a formula reviewed and approved by management. Revenue generated from a contract breach is termed reconveyance fee and included in other revenues.

The Company typically promises to provide franchise rights, pre-opening services such as site selections, operational materials and functional training courses, and ongoing services, such as management of the advertising fund. The Company considers certain preopening activities and the franchise rights and related ongoing services to represent two separate performance obligations and recognizes revenue accordingly.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Revenue Recognition (Continued)

The initial franchise fee revenue has been allocated to the two separate performance obligations using a residual approach. The Company has estimated the value of performance obligations related to certain pre-opening activities deemed to be distinct based on cost plus an applicable margin and assigned the remaining amount of the initial franchise fee to ongoing services.

Initial franchise revenue allocated to preopening activities is recognized when (or as) these services are performed, no later than the opening date. Initial franchise fee revenue allocated to ongoing services is recognized on a straight-line basis over the contractual term of on-going services, typically one year. Renewal fees are recognized over the renewal term of the respective franchise from the start of the renewal period. Transfer fees are recognized over the contractual term of the franchise agreement.

Royalties from Franchised Businesses are based on a greater of 6% of the franchisees' gross revenue per month per unit of Franchised Business or minimum of \$400 and are recognized as earned. Technology fee revenue, marketing fee revenue, and other fee revenue from Franchised Businesses are paid monthly with flat fee and are recognized as earned. The Company also receives annual conference fee revenue from its Franchised Businesses and recognizes this revenue in the period the conference is held.

Advertising and Marketing

All costs associated with advertising and marketing are expensed in the period incurred. Company advertising costs and costs related to the National Advertising Fund are included in "Advertising and marketing" in the Statement of Operations.

Income Taxes

The Company is a single member LLC. As such, the Company is a disregarded entity treated as a division of Parent for income tax purposes. The Company does not file an income tax return separately and apart from Parent. Consequently, income taxes are not provided for by the Company.

Subsequent Events

Subsequent events have been evaluated for potential recognition and disclosure through the date of the auditors' report, which is also the date the financial statements were available to be issued.

It is the opinion of management, based on consultation with counsel, that the ultimate resolution of these contingencies will not have a material effect on the financial condition, results of operations or liquidity of the Company.

Under the terms of this plan, eligible employees can make contributions of their wages on a tax-deferred basis.
