What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Illinois. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Illinois than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us” or “our” means Hyatt Franchising, L.L.C., the franchisor. “You” means the entity acquiring a franchise. One or more of the owners of a Controlling Ownership Interest (defined in Item 15) in you who we specify must sign the Guaranty and Assumption of Obligations, which means that all provisions of the Franchise Agreement (Exhibit C) also will apply to those owners. We expect that only entities, and not individuals, will acquire our franchises.

Our Company History and Parent

We incorporated in Delaware as Hyatt Franchise Corporation and converted under Delaware law to Hyatt Franchising, L.L.C., a Delaware limited liability company. This change in form did not affect our existence as an operating business entity. Our principal business address is 150 North Riverside Plaza, Chicago, Illinois 60606. If we have an agent for service of process in your state, we disclose that agent in Exhibit E. We do business only under our company name and the Proprietary Marks (defined below). Neither we nor any of our affiliates have ever operated Brand Hotels (defined below). We have no predecessors and no business activities that are not described here.

Our parent company is Hyatt Hotels Corporation, whose principal business address is the same as our address. We began offering franchises for Brand Hotels in May 2023. We offered franchises for full service hotels under the Hyatt Regency® name from December 1994 until April 1997 and have again offered those franchises since September 2006. We offered franchises for full service hotels under the Hyatt® name (without a sub-brand) from December 1994 until April 1997 and again from September 2006 until January 2015. There currently are 9 full service hotels which operate under the Hyatt name (without a sub-brand), 7 of which are franchised. We previously offered (but no longer intend to offer) franchises for full service hotels under the Thompson® name from December 2018 until August 2021. We also have offered franchises for full service hotels operating under the Hyatt Centric® name since February 2015 and franchises for unique, up-scale accommodations and hospitality affiliations operating in the United States under their own names but associated with The Unbound Collection by Hyatt® name since June 2016. We began offering franchises for “lifestyle” hotels operating in the United States under the brand names “Destination®” and “joie de vivre®” (also referred to as “JdV®”) in May 2019 and under the brand name “Caption by Hyatt®” in September 2019. We now refer to these brands as “Destination by Hyatt®,” “JdV by Hyatt®” and “Caption by Hyatt®” respectively. We have never offered franchises in any other line of business.

Franchise Rights for Brand Hotels

We grant franchises for extended stay hotels that use the Hotel System (defined below) and are identified by the Proprietary Marks (“Brand Hotels”). Brand Hotels traditionally offer upper-midscale, extended stay rooms incorporating state-of-the-art technology, design and entertainment components. They are in primary, suburban, secondary and tertiary markets and offer

complimentary grab-and-go breakfast and a best-in-class, 24-hour market with a wide variety of options. We call the Brand Hotel that you will operate under the Franchise Agreement your “Hotel.” You will operate the Hotel only from the location we approve before signing the Franchise Agreement.

The “Hotel System” means the concept and system associated with the establishment and operation of Brand Hotels, as we periodically modify it. The Hotel System now includes: (a) the trade names, trademarks, and service marks “Hyatt Studios™” and other trade names, trademarks, service marks, logos, slogans, trade dress, domain names, and other source and origin designations (including all derivatives) that we or our affiliate periodically develops and we periodically designate for use with the Hotel System (collectively, the “Proprietary Marks”); (b) all copyrightable materials that we or our affiliate periodically develops and we periodically designate for use with the Hotel System, including the contents of our secure extranet, electronic media, marketing materials (including advertising, marketing, promotional, and public relations materials and business and marketing plans), the Design and Construction Standards (defined below), sample architectural plans, drawings, designs, and layouts, such as site, floor, plumbing, lobby, electrical, and landscape plans and building designs, whether or not registered with the U.S. Copyright Office (collectively, the “Copyrighted Materials”); (c) all Confidential Information (defined in Item 14); (d) the standards that we periodically prescribe detailing certain design criteria to be incorporated into the design and layout of the Hotel, and our minimum standards for engineering and construction of newly constructed, renovated, or adapted Brand Hotels, all as we determine them (the “Design and Construction Standards”); (e) the central reservations system and related services for Brand Hotels, as we may periodically modify it (“CRS”); (f) the global distribution systems (“GDS”) and the online travel agencies and other alternative distribution systems (“ADS”) that we periodically authorize or require for the Hotel and other similarly situated Brand Hotels, subject to Reasonable Deviations (defined in Item 8); (g) management, personnel, and operational training programs, materials, and procedures; (h) standards, specifications, procedures, and rules for operations, marketing, construction, equipment, furnishings, and quality assurance that we implement and may periodically modify for Brand Hotels (collectively, “System Standards”) we describe in our confidential owner extranet, as we periodically amend them, or in other written or electronic communications; (i) marketing, advertising, and promotional programs; and (j) Mandatory Services and Non-Mandatory Services (each defined in Item 6).

Before signing the Franchise Agreement, and while you apply for franchise rights, you must submit a franchise application (Exhibit B) through our online application portal and pay the application fee. We will refund the application fee less a fee to cover our costs if you withdraw your franchise application before we approve it or if we do not approve it. During your evaluation process, and before receiving any Confidential Information, you must sign the Confidentiality Agreement (Exhibit G) (the “Confidentiality Agreement”). Because we may engage in negotiations with you and other franchisees, you may sign a Franchise Agreement or Development Rights Agreement with us that differs significantly from the agreements that other franchisees or developers sign for Brand Hotels.

Before signing or at the same time as signing a Franchise Agreement, we and you may sign a “Development Rights Agreement” (Exhibit D) under which you and/or any Controlled Affiliate (defined below) will sign franchise agreements for and develop a specified number of Brand Hotels

to be located within a specifically described geographic territory (the “Development Area”). A “Controlled Affiliate” is any business entity of which you (a) own more than 50% of the total ownership interests; and (b) have the authority under the entity’s governing documents to authorize a merger, liquidation, dissolution or transfer of substantially all of the assets of the entity and otherwise to direct and control the entity’s management and policies. Before you sign the Development Rights Agreement, we and you will agree to the Development Area, the number of Brand Hotels you must open in the Development Area, and the timeframe within which you must sign a franchise agreement for and open each Brand Hotel (the “Development Schedule”). We will grant Brand Hotel franchises under the Development Rights Agreement only to you or your Controlled Affiliates, and franchises that we grant to your Controlled Affiliates will count toward your Development Schedule. You (or your Controlled Affiliates) will sign our then current form of franchise agreement, which may differ from the Franchise Agreement included in this disclosure document, for each Brand Hotel developed under the Development Rights Agreement. However, for each franchise agreement that the Development Rights Agreement covers: (a) the application fee is \$50,000 plus \$500 per room for each room in the proposed Brand Hotel above 125 and we will not charge an initial franchise fee; (b) the initial term is 20 years; (c) the royalty fee is 5% of the Brand Hotel’s gross rooms revenue; and (d) you (or your Controlled Affiliate) will need to deposit 4% of the Brand Hotel’s gross rooms revenue into a separate account for making approved capital expenditures and complying with upgrade and other capital expenditure obligations under the Franchise Agreement.

Competition and the Market

The hotel market is well-established and highly competitive. Brand Hotels compete with other national select- and full-service hotel systems and with regional and local hotels that offer comparable services and lodging products. Brand Hotels will target both corporate business travelers and leisure travelers looking for longer-term stays. Some competitors of Brand Hotels may be larger, may operate more hotels and may have greater resources than we do. Other competitive factors include room rates, quality of accommodations, name recognition, service levels, geographic area, site location, general economic conditions and your management capabilities.

Our Affiliates Who Supply the Franchise Network or Offer Franchises

The following companies are our affiliates who currently provide products or services to Brand Hotel franchisees.

- Hyatt Corporation administers the “World of Hyatt” program, under which members earn points for eligible amounts guests spend at Hyatt Network Hotels and resorts worldwide. “Hyatt Network Hotels” are Brand Hotels and other hotels, resorts, lodging facilities and other accommodations and hospitality affiliations that we, our affiliates, or our or their franchisees or licensees periodically own and/or operate under the name “Hyatt” or another brand that any of our affiliates own, regardless of whether those brands utilize the “Hyatt” mark in their names. Other companies that provide hospitality or hospitality-related services to members, including other hotel operators, airlines and car rental companies, as well as

branded hotel chains that Hyatt Corporation's affiliates own, manage or license, also participate in the World of Hyatt program. Hyatt Corporation also will provide most of the Mandatory Services and Non-Mandatory Services to Brand Hotel franchisees. Hyatt Corporation (directly or through affiliates) has owned, operated, provided services to, and/or managed hotels since 1957 and currently owns, operates, provides services to, and manages (directly or through affiliates) hotels and lodging facilities under more than 25 lodging brands. Industry-Specific Regulations

You must comply with a number of federal, state and local laws that apply generally to establishing and operating hotel businesses. The laws involve, among other things, zoning and construction, public accommodations, accessibility by persons with disabilities, health and safety, and labor. Many laws vary from jurisdiction to jurisdiction. You must learn about and comply with all applicable laws. Examples of these laws include:

Health & Sanitation. Most states have regulations or statutes governing the lodging business and related services, including food handling and preparation. Many state and local authorities require lodging businesses to obtain licenses to assure compliance with health and sanitation codes. Health-related laws may affect the use of linens, towels and glassware, among other things.

Alcoholic Beverages. Alcoholic beverage service in a Brand Hotel is subject to extensive regulations and licensing governing virtually all aspects of the beverage service.

Facility Operations. Lodging facilities must comply with innkeepers' laws that, among other things, might (i) allow innkeepers under certain circumstances to impose liens against the possessions of guests who do not pay their bills; (ii) limit the liability of innkeepers regarding guests' valuables; (iii) require posting of house rules and room rates in each room or near the registration area; (iv) require registration of guests and proof of identity at check-in, and retention of records for a specified period of time; (v) limit the rights of innkeepers to refuse lodging to certain guests; and (vi) limit innkeepers' rights to evict guests under certain circumstances. Applicable federal and state civil rights laws prohibit discrimination in hotels on the basis of race, creed, color or national origin. Some states prohibit "overbooking" and require innkeepers to find other accommodations if the guest has paid a deposit. Some states and municipalities also have enacted laws and regulations governing non-smoking areas and guest rooms. In addition, the general business laws, rules and regulations which apply to hotels in your jurisdiction will affect you. This includes any government orders related to emergent conditions, such as natural disasters and public health emergencies.

Persons with Disabilities. The accessibility laws, which include the Americans with Disabilities Act ("ADA") and all other laws, rules, regulations and ordinances governing accommodations for or relationships with persons with disabilities or similar individuals, as periodically in effect, require (among other things) that public accommodations, including hotels, (i) offer facilities without discriminating against persons with disabilities; (ii) offer auxiliary aids and services to enable a person with a disability to use and enjoy the establishment's goods or services if doing so is not unduly burdensome or disruptive to business; and (iii) remove barriers to mobility or communication to the extent readily achievable. The U.S. Department of Justice has published "accessibility guidelines" ("ADAAG") that specify, among other things, a minimum number of handicapped-accessible rooms, assistance devices for hearing, speech, and visually impaired persons, and general design and construction standards that apply to all areas of facilities. Under the ADA, all new public accommodations and commercial facilities must be "readily accessible to and useable by individuals with disabilities," unless it would be structurally impractical to do so. Alterations of existing facilities also might need to comply with the ADA and ADAAG. In addition, many states and municipalities have their own laws and regulations addressing disability discrimination, access requirements, building modifications and alterations and building code requirements.

Fire Safety. The Hotel and Motel Safety Act of 1990 (the "Safety Act") encourages public accommodations to install hard wired single-station smoke detectors. Certain travel directories include only those facilities that comply with the Safety Act. Other state and local fire and life

safety codes might require maps, lighting systems and other safety measures unique to lodging facilities.

OSHA Regulations. Like many other businesses, lodging facilities are subject to Occupational Safety and Health Administration (“OSHA”) standards. State occupational safety laws and rules may also apply.

Telephone Charges. Federal, state and local laws and regulations affect the re-offering of local, intrastate, and long distance telephone service in hotel guest rooms and at coin box telephones. Some states regulate or prohibit surcharges on local and intrastate calls.

Hotel Room Occupancy Tax Laws. You may be required to pay local or state room occupancy taxes in your jurisdiction.

Menu and Labeling Laws. Federal, state and local laws and regulations govern menu labeling. These laws and regulations may, among other things, require you to post caloric information on menus and provide additional written nutrition information to consumers upon request.

In addition to these laws, you must also comply with laws that apply generally to all businesses. You should investigate these laws.

LITIGATION

Litigation Against Franchisees in the Last Fiscal Year

During the 2024 fiscal year, we brought a claim against franchisees as follows:

Hyatt Franchising, L.L.C. v. Imperial Hotels, LLC, Sunikumar Patel, Akash Maheshwari, Roshni Jariwala Desai, Madhvan Nair, Daksha Patel, Sanjay Desai, Raj Gandhi, Usha Patel, Vinod Jayrambhai Patel and Mina Jariwala, No. 01-24-0008-8964 (AAA 2024) (Unpaid Royalty Fees).

Other than as described above, no litigation is required to be disclosed in this Item.

Item 4

BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

Item 5

INITIAL FEES

Application Fee

You will pay us a lump-sum application fee when you submit the franchise application through our online application portal. If the Hotel is new to the Brand Hotel network, the lump-sum new development application fee is \$50,000 plus an additional \$500 for each guest room in the Hotel over 125 rooms. If you are purchasing an existing Brand Hotel, you or the transferor will pay us a lump-sum change of ownership application fee of \$100,000 when you submit the franchise application through our online application portal. If you withdraw your franchise application before we approve it, or if we do not approve your franchise application for any reason, then we will refund your application fee, less a \$7,500 fee to cover our costs for evaluating your application. After we approve your franchise application, the application fee is non-refundable, even if we and you do not sign a Franchise Agreement. If you and we agree to add any guest rooms to the Hotel before the Hotel opens, then you must pay us, when we approve the additional guest rooms, an additional non-refundable application fee of \$500 multiplied by the number of additional guest rooms over 125 total guest rooms at the Hotel.

PIP Preparation Fee

If you are converting an existing structure to a Brand Hotel, you will pay us a non-refundable fee of \$5,000 for our preparation of the Property Improvement Plan (the "PIP"), which will detail the improvements necessary to renovate the structure to a Brand Hotel, at the time you submit your franchise application and the application fee.

Operator Approval and Onboarding

If you or the management company that you select to operate the Hotel is not already an approved operator of Brand Hotels, you or the management company must complete our operator approval and onboarding program. Currently, the entry fee for this program is \$10,000 for 2 participants, plus re-entry fees up to \$10,000 if you fail to successfully complete any stage of the program. Any additional participants beyond 2 will be charged a fee of \$2,500 per participant. We may periodically increase the fees for this program.

Comfort Letter Fee

You must obtain a comfort letter or similar agreement, the current form of which is attached as Exhibit I, that we reasonably specify from each lender, each ground lessor (if applicable), the owner of fee simple title to the Hotel's real property or building and improvements (if you are not that owner), and each other entity with an interest (or any power or right, conditional or otherwise, to acquire an interest) in the Hotel's real property or building and improvements (each a "Comfort Letter Party"). Under this comfort letter or similar agreement, the Comfort Letter Party agrees (among other things) to assume your obligations under the Franchise Agreement (subject to our rights under the Franchise Agreement) if the Comfort Letter Party or any of its affiliates acquires title or otherwise assumes possession, or the right to sell or direct the disposition of, the Hotel's real property or building and improvements. You must pay our then applicable, non-refundable comfort letter fee, which currently is \$2,500, for each comfort letter that we negotiate relating to the Hotel.

Pre-Opening Purchasing Services

At your option, you may ask Rosemont, our affiliate, to assist you with pre-opening purchasing services for any model rooms, FF&E, OS&E, and IT for a new Brand Hotel. Rosemont's fees for this optional assistance would range from \$85,000 to \$275,000, depending on how much and what kind of assistance you ask Rosemont to provide.

IT Project Management Services and Implementation and Training for Hyatt Proprietary Systems

We will provide the IT project management services, which are described in Exhibit E of the Franchise Agreement, relating to the opening of the Hotel (the "IT Project Management Services"). Our performance is dependent on your timely, accurate, and effective performance of all responsibilities listed in Exhibit E to the Franchise Agreement. These services include blueprint review and IT project management and planning, and installation, configuration and training services for Hyatt proprietary systems. You must pay us a non-refundable fee of \$46,000 for a Hotel with up to 125 guest rooms, and you must reimburse us or our affiliate for our or its reasonable expenses in rendering the IT Project Management Services, including any necessary transportation, lodging and meals (which we anticipate will range from \$4,635 to \$6,180), plus applicable taxes. If your Hotel is larger than 125 guest rooms, we may require a larger IT Project Management Services fee, which we and you would agree on before signing the Franchise Agreement. We will invoice you for the IT Project Management Services fee (including expenses) on or after we complete an IT Project Management Service or upon your termination of the Hotel

development project or the IT Project Management Services, for any reason, in either event regardless of whether we have approved the Hotel for opening.

Additional Pre-Opening Advisory Services

You may request, or we may determine that you need, additional guidance, services or assistance during the pre-opening period concerning the development, construction, or inspection and approval process that is beyond what we typically provide to similarly situated Brand Hotels. We may determine you need additional pre-opening services under certain circumstances, including if the Hotel is a conversion of an existing structure to a Brand Hotel (rather than a newly-constructed facility), if one of our affiliates previously managed the Hotel, or if you (or your owners or operators) lack prior experience or familiarity with the System. If we agree to provide this additional guidance and advice (for example, making more than a reasonable number of visits to the Hotel during the development and construction period), then you must pay our then current fees for our services. The costs of these fees will vary depending on the additional guidance or service you request or we determine you need, but we estimate that you may pay between \$0 and \$150,000 for additional services or guidance before the Hotel opens.

Pre-Opening Training Fees and Expenses

In connection with the Hotel opening, we will provide owner/operator orientation and training to the Hotel management and staff on elements of the Hotel System, including training for the Hotel's general manager at our General Manager University and training for the managing owner and senior operations officer at the owner/operator orientation program. We may conduct training via remote learning, or in person (in one or more visits to the Hotel), or both, as we determine in our sole discretion. These fees and expenses will vary depending on how many people attend each particular training program, how much training they need, and where we conduct training. We currently estimate that the fees you pay to us and our affiliates for orientation and various initial training programs will range from \$9,950 to \$22,900. You must pay these amounts upon receiving our invoice and before the pre-opening team arrives at the Hotel. You must also reimburse us and our affiliates for our and their personnel's travel and living expenses associated with any training programs that we provide on site at the Hotel. We currently estimate that reimbursement of our and our affiliates' expenses associated with these training programs, not including the tuition fees described above, will range from \$2,982 to \$6,272.

Extension Fee

If you are constructing a new Hotel, you must start and complete construction and open the Hotel according to the timetables in the Franchise Agreement. If you are converting an existing hotel to a Brand Hotel, you must start renovation and open the Hotel under the Hotel System according to the timetables in the Franchise Agreement. We may terminate the Franchise Agreement if you fail to meet the required timetable. You may request one or more extensions of time by giving us, at least 3 months before the opening deadline, a written extension request and a \$5,000 "Extension Fee." We will inform you of the length of the extension if and when we grant it. We will refund the Extension Fee only if we deny the extension. We may waive this fee under some circumstances.

Alternative Design Services Review

If you request review of alternative plans, design, or products other than those prescribed by our prototype plans, you must pay us an alternative design review fee (the “Alternative Design Review Fee”). The amount of the Alternative Design Review Fee will vary depending on the size and location of the project and the scope of our review, but we expect the Alternative Design Review Fee to range from \$5,000 to \$30,000.

Hyatt Studios Services

You must participate in the Hyatt Studios Services Program under a separate Hyatt Studios Services Schedule (the “Hyatt Studios Services Schedule”) to the Central Hotel Services by Hyatt Master Agreement attached as Exhibit H (the “Central Services Agreement”) for at least 2 years beginning 90 days before the Hotel’s opening date. You must pay the then-standard rates for the program outlined in the Hyatt Studios Services Schedule. The services will consist of revenue management, field marketing and sales lead qualifying services for a Brand Hotel. We will provide specialized central services on a daily, weekly, monthly and annual basis to assist you in a variety of essential hotel functions, which are further described in the Hyatt Studios Services Schedule. The current, non-refundable monthly subscription fee due under the Hyatt Studios Services Schedule is dependent upon the service tier level then in effect: \$1,900 per month for the “Basic” Tier Level and \$2,950 per month for the “High” Tier Level. You must pay these amounts within 30 days after you receive each invoice for services rendered and expenses incurred during the previous month. We may periodically increase these fees at any time upon 30 days’ written notice to you. We estimate that you will pay \$5,700 to \$8,850 for pre-opening Hyatt Studios services.

Development Rights Agreement

If you sign a Development Rights Agreement, you must pay us a \$100,000 “Development Fee” in a lump sum when you sign the Development Rights Agreement. We will not refund the Development Fee under any circumstances, but we will apply \$50,000 of the Development Fee towards the application fees for each of the first 2 Franchise Applications that you submit under the Development Rights Agreement. If you withdraw either of these Franchise Applications before we approve it, or if we do not approve either of these Franchise Applications for any reason, then we will apply the remainder of that portion of the Development Fee (after deducting the \$7,500 fee described above) towards the next application fee that you owe.

Refundability and Range of Initial Fees

Except as we describe above concerning the application fee and Extension Fee, none of these payments are refundable under any circumstances. In addition, other than the application fee, Extension Fee, Comfort Letter Fee and Development Fee, all of the ranges of initial fees described in this Item 5 reflect the current fees for services rendered and depending on when the Hotel is developed may be higher in subsequent years. During our 2024 fiscal year, Brand Hotel franchisees signing our franchise agreement paid, or made commitments to pay, total initial fees as described in this Item 5 to us and/or our affiliates ranging from \$17,850 to \$107,600.

Item 6

OTHER FEES

We group the ongoing fees that you will pay to us and other companies in the Hyatt Group when operating the Hotel into 3 categories. The first category includes the fees that the Franchise Agreement or Development Rights Agreement specifies. Except as described below, these fees are typically imposed and collected by and payable to us. The second category includes the fees for those System Services that we typically classify as Mandatory Services for Brand Hotels. The third category includes the fees for those System Services that we typically classify as Non-Mandatory Services for Brand Hotels. Depending on the particular circumstances of the Hotel, including its size, location and market positioning, we may reclassify some of the Mandatory Services listed below as Non-Mandatory Services and/or may reclassify some of the Non-Mandatory Services listed below as Mandatory Services for the Hotel. The fees in the second and third group are typically imposed and collected by and payable to Hyatt Corporation. At times we may collect amounts on behalf of our affiliates for services that they provide to franchisees. This Item does not cover the ongoing fees or payments relating to the Hotel’s operation that you pay directly to third parties.

Except for the transfer fee, all fees are non-refundable. In some cases we might negotiate some of the fees that some franchisees will pay, such as franchisees agreeing to develop or acquire Brand Hotels in strategic markets. Otherwise, except as described below, all fees are uniform or are calculated on a uniform basis. There currently are no franchisee advertising cooperatives in the Brand Hotel network.

System Services, System Services Costs, and System Services Charges

If you are in full compliance with your obligations under the Franchise Agreement, one or more members of the Hyatt Group will provide you those System Services we periodically specify. You must participate in all Mandatory Services and related programs, and may (at your option) participate in any or all Non-Mandatory Services and related programs, in the manner that we periodically specify. "System Services" means those services that the Hyatt Group generally and periodically makes available on a central, regional, or other shared or group basis (whether in

whole or in part) to those Brand Hotels and other Hyatt Network Hotels that the Hyatt Group reasonably determines will be provided those services. We categorize System Services as either Mandatory Services or Non-Mandatory Services. “Mandatory Services” means those mandatory System Services that one or more members of the Hyatt Group provides to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels, and that the Hyatt Group reasonably determines must be acquired only from the Hyatt Group. “Non-Mandatory Services” means those non-mandatory System Services that one or more members of the Hyatt Group provides to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels that the Hyatt Group reasonably determines will be offered to the Hotel and certain other Brand Hotels and other Hyatt Network Hotels on an optional basis.

We may periodically add to, delete from, and otherwise modify System Services, the scope of and manner of providing System Services upon written notice to you. “System Services Costs” means, for the System Services in which the Hotel participates (or is required to participate), all costs that the Hyatt Group actually incurs or properly accrues during the period of determination in providing those System Services, including out-of-pocket expenses, costs for employees, occupancy costs, capital costs, administrative expenses, carrying costs and other costs. Any allocation of shared costs that the Hyatt Group makes in good faith and with the intention of fairly allocating those costs to System Services is binding on us and you. The Hyatt Group may vary these allocations depending on, among other things, the specific brand, size or market positioning of the Hotel. System Services Costs include the actual costs that the Hyatt Group incurs and are not subject to any mark-up, premium or profit on any Mandatory Services, but may include a profit or mark-up component on Non-Mandatory Services.

“System Services Charges” means the amounts that the Hyatt Group charges the Hotel, and you will pay, for the Hotel’s equitably allocable share of the System Services Costs attributable to the System Services in which the Hotel participates (or is obligated to participate), as the Hyatt Group periodically determines them. The Hyatt Group determines System Services Charges on the same basis as it determines those amounts for other Brand Hotels and Hyatt Network Hotels that we periodically and reasonably determine are similarly situated with the Hotel (subject to Reasonable Deviations (as defined in Item 8) and that participate in those System Services in the same manner (collectively, “Participating Hotels”). The Hyatt Group may in its reasonable discretion periodically change its method of allocation of the System Services Costs among Participating Hotels, and the categories of Brand Hotels and/or other Hyatt Network Hotels that are classified as Participating Hotels, but will at all times determine the method of allocation and categories of Participating Hotels on a reasonable, equitable and non-discriminatory basis.

Current System Services Charges for Mandatory Services

The following reflects the current System Services Charges for the current Mandatory Services. These amounts are estimates and may change over time and/or as our and the Hyatt Group’s costs of providing Mandatory Services changes.

In addition to any sales, use and other taxes that applicable law requires or permits us to collect from you for providing goods or services under the Franchise Agreement, you must pay us all federal, state, local or foreign (a) sales, use, excise, privilege, occupation or any other transactional taxes, and (b) other taxes or similar exactions, no matter how designated, that are imposed on us or that we are required to withhold relating to the receipt or accrual of amounts you pay us under the Franchise Agreement, excluding only taxes imposed on us for the privilege of conducting business and calculated based on our net income, capital, net worth, gross receipts, or some other basis or combination of those factors, but not excluding any gross receipts taxes imposed on us or our affiliates for your payments intended to reimburse us or our affiliates for expenditures incurred for your benefit and on your behalf. You must make these additional required payments in an amount necessary to provide us with after-tax receipts (taking into account any additional required payments) equal to the same amounts that we would have received if the additional tax liability or withholding had not been imposed or required.

Explanatory Notes to All Charts

1. **Gross Rooms Revenue.** “Gross Rooms Revenue” means “Total Rooms Revenue” or its equivalent, as determined in accordance with the Uniform System of Accounts for the Lodging Industry, Eleventh Edition, as published by the Educational Institute of the American Hotel and Motel Association, 2014, or a later edition that we approve, plus any revenue from resort fees, destination fees, or similar mandatory charges. If you receive any proceeds from any business interruption insurance applicable to the rental of rooms at the Hotel, then there will be added to Gross Rooms Revenue an amount equal to the imputed gross revenues that the insurer used to calculate those proceeds. Inclusion of resort fees, destination fees, or similar fees in “Gross Rooms Revenue” does not constitute our approval of or authorization to charge those fees.

2. Royalty Fee. Your Royalty Fee will be 5% of Gross Rooms Revenue accrued during the previous month. If you are constructing a new Hotel, we may agree to reduce your Royalty Fee for the first 1-3 years of the Hotel's operations.

3. Electronic Payments. You must make all payments for Royalty Fees, System Services Charges, and other amounts due to us or any member of the Hyatt Group under the Franchise Agreement or relating to the Hotel by electronic funds transfer ("EFT") in compliance with System Standards. We periodically may change the procedure for payments. You must make funds available in your account to cover payments when due. You may not change your bank, financial institution, or account used in the operation of the Hotel without first telling us.

4. World of Hyatt Program. Brand Hotels must participate in, and pay all charges related to, the Hyatt Group's frequent guest loyalty program (the "Loyalty Program"), called the "World of Hyatt" program. The Hyatt Group assesses each Participating Hotel and certain other hotels an amount in the Hyatt Group's discretion to operate the Loyalty Program, which amount may change periodically. The assessment for each participating Brand Hotel (including the Hotel) is currently 2% of all eligible revenue generated at that hotel from members of the program (excluding applicable taxes) who provide their World of Hyatt member number when booking or 1% of that eligible revenue when a guest is enrolled on-property in World of Hyatt for that enrolling stay.

Under separate contractual arrangements, the following companies will participate in alliances with the World of Hyatt program in 2025: (i) the master licensee for Hyatt Residence Club and Hyatt Vacation Club, our shared ownership brands; (ii) HyCard, Inc., our affiliate (in relation with JPMorgan Chase Bank, the issuing company of the World of Hyatt credit cards); (iii) American Airlines; and (iv) Headspace, Inc. The Hyatt Group may allocate assessments for these programs at different rates than those applied to Brand Hotels, given the difference in the products and services being offered to Loyalty Program members. Owners of Participating Hotels bear no cost from including these programs in the Loyalty Program. The Hyatt Group also may agree to other similar joint marketing or co-branding arrangements in the future.

Currently, the Hyatt Group deposits all funds that it collects for the Loyalty Program (including sales of points and other related fees) into segregated accounts and invests a portion of the funds in various investment securities (primarily fixed income) that independent investment managers manage. These funds are designated to fund the Loyalty Program obligations, including all marketing and administrative costs, and current and future award redemptions. The Hyatt Group may periodically change the method of funding the Loyalty Program, the assessment methodology and other program attributes. An independent accounting firm audits the Loyalty Program on an annual basis and we will make copies of the audit reports available upon request. We may periodically change the assessment methodology and other program attributes in the future.

The Hyatt Group also has contractual arrangements with participating airlines under which Participating Hotel guests may choose to receive airline miles, in lieu of Loyalty Program points, as a result of their stay. The Participating Hotel must pay the actual cost of those miles that the

airline charges to the Hyatt Group. Guests choosing airline miles for a stay at a Participating Hotel are not entitled to Loyalty Program points for that stay.

5. Quality Assurance, Franchisee Compliance, and Guest Satisfaction. The Hotel must participate in quality assurance, compliance and guest satisfaction programs that we periodically develop and modify (collectively, the “Quality Assurance and Compliance Program”). You must pay your allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program. Our representatives may inspect or audit the Hotel at any time, with or without notice to you, to determine whether you and the Hotel are complying with the Hotel System, System Standards, and the terms of the Franchise Agreement, and you will give them free lodging (subject to availability) during the inspection period. If we determine that the Hotel is not complying with the Hotel System, System Standards, or any other Franchise Agreement provisions, then you will pay or bear the cost of the Hotel’s allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program to correct the non-compliance. This includes (a) reimbursing our costs related to your non-compliance, such as travel and living expenses, guest satisfaction payments or expenses, and other costs for administering any necessary actions, follow-up inspections, audits or re-evaluation visits until you have fully corrected the non-compliance, (b) paying for meetings and additional brand standards training programs that we specify and require your personnel to attend relating to your non-compliance, and (c) paying program fees which we and/or our affiliates may use to promote guest satisfaction initiatives for Hyatt Network Hotels. These amounts will vary depending on the extent of your non-compliance and may increase if our costs increase. Currently, we impose the following fees for each 6-month FIP stage if the Hotel is placed in or remains in FIP protocols as a result of QA scores below requirements: (i) Stage 1 – \$5,000 administrative fee; (ii) Stage 2 – \$15,000 administrative fee; and (iii) Stage 3 – \$20,000 administrative fee. In addition, if the Hotel does not achieve passing scores necessary to exit the FIP protocols by the end of Stage 3, the Hotel is placed in our BPP program, which requires the Hotel to pay an administrative fee of \$45,000 per year. We may, as we deem appropriate, reduce or refund FIP fees based on improved performance and/or your accelerated compliance with hotel renovation requirements. Under the FIP and BPP policies currently in place, Brand Hotels are eligible for up to a 100% reduction of the applicable FIP or BPP fee, based on improvement in performance. We may introduce additional compliance programs in the future. Any fees associated with such programs will fall within the same ranges as the FIP and BPP fees listed above.

6. Liquidated Damages. The amount of liquidated damages you must pay us if the Franchise Agreement terminates varies depending on when the Franchise Agreement terminates. Upon termination of the Franchise Agreement before the term expires for any reason (subject to Article X of the Franchise Agreement), you must pay us, within 15 days after the date of that termination, liquidated damages in a lump sum equal to the greater of (a) \$4,000 multiplied by the number of approved guest rooms at the Hotel; or (b) the lesser of 36 or the number of months then remaining in the Franchise Agreement term had it not been terminated, multiplied by the sum of (i) the Average Monthly Revenue times 5% for lost future Royalty Fees, plus (ii) the Average Monthly Revenue times 3% for lost future System Services Charges.

“Average Monthly Revenue” means: (i) if, as of the effective date of termination, at least 36 months have elapsed since the Hotel’s opening date, the average monthly Gross Rooms

Revenue of the Hotel during the 12 full calendar months preceding the month of termination; or (ii) if, as of the effective date of termination, the Hotel's opening date has not yet occurred, the average monthly Gross Rooms Revenue per available guest room for all Brand Hotels in the United States (including those that we and our affiliates own, manage, and franchise) during the 12 full calendar months preceding the month of termination, multiplied by the number of guest rooms approved for the Hotel; or (iii) if, as of the effective date of termination, the Hotel's opening date has occurred but less than 36 months have elapsed since the Hotel's opening date, either (a) the amount determined under part (ii) above or (b) the average monthly Gross Rooms Revenue of the Hotel during the period from the Hotel's opening date until the effective date of termination, whichever of (a) or (b) is greater.

However, if "Average Monthly Revenues" as determined under any part of (i) through (iii) above was materially and negatively impacted during the preceding 12-full calendar month period by a disruption in Hotel operations resulting from force majeure, casualty, suspension of operations (whether or not we consented to it), renovation of the Hotel, or any other similar circumstances, then we will determine "Average Monthly Revenue" by referencing the most recent 12 full calendar month period before termination during which the Hotel performance was not impacted.

If we or you terminate the Franchise Agreement because of a Consequential Termination, then the liquidated damages are 150% of the amount calculated above. A "Consequential Termination" occurs if (1) the Franchise Agreement's termination involves a transfer of the Hotel or its assets, or a direct or indirect Controlling Ownership Interest in you, to a Competitor (defined below); or (2) there are 3 or more franchise agreements for Hyatt-Related Select Service Brand (as defined below) hotels with you or your affiliates (including the Franchise Agreement) that we (or our affiliate) terminate because of your (or your affiliate's) default or you (or your affiliates) terminate in breach of the applicable agreement. A "Hyatt-Related Select Service Brand" means any brand under which or in affiliation with which a select service Hyatt Network Hotel operates. A "Competitor" is any entity that owns, franchises and/or manages, or is an affiliate of any entity that owns, franchises and/or manages, a select service hotel brand, trade name or service mark for a system of at least 4 hotels with an average daily room rate for all or substantially all of the hotels in the U.S. during the then most recent full calendar year that is at least 60% of the average daily room rate for Brand Hotels operating in the U.S.

If a governmental agency or other authority condemns or takes by eminent domain or expropriation all or a substantial portion of the Hotel, and we and you do not agree to terms for relocating the Hotel, then either we or you may terminate the Franchise Agreement. If you and your owners sign our then current form of termination agreement and a general release, in a form satisfactory to us (together, a "Termination Agreement"), then you need not pay us liquidated damages when the Franchise Agreement terminates. The Termination Agreement will provide that if you or your affiliate begins construction on or operation of a new select service hotel at any location within the Area of Protection during the 24-month period following the termination, other than a Hyatt Network Hotel or a hotel that was already under contract to be developed at that particular location within the Area of Protection on the date that the Termination Agreement is signed, then you must pay us liquidated damages of \$4,000 multiplied by the number of guest rooms at that new select service hotel. If you and your owners do not sign a Termination Agreement, then you must pay us liquidated damages when the Franchise Agreement terminates.

If the Hotel is damaged by fire, flood, accident, hurricane or other casualty, you must notify us immediately. If the cost to repair the damage is less than or equal to the greater of (a) 60% of the market value of the Hotel immediately prior to the casualty, or (b) the amount of insurance proceeds made available to you in connection with the casualty (“Damage Threshold”), then you must repair the damage promptly according to the System Standards and the Franchise Agreement’s other terms and conditions. If the damage or repair requires you to close all or any portion of the Hotel, then you must commence reconstruction as soon as practicable (but in any event within 4 months) after closing the Hotel and reopen for continuous business operations as a Brand Hotel as soon as practicable (but in any event within 24 months) after closing the Hotel, but not without complying with the Franchise Agreement’s other terms and conditions. The Franchise Agreement’s term will be extended for the period of time during which the Hotel is closed, and you need not make any payments of Royalty Fees or System Services Charges while the Hotel is closed unless you receive insurance proceeds compensating you for lost Gross Rooms Revenue during such period, in which case you must pay Royalty Fees and System Services Charges on the amount of proceeds received allocable to such loss.

If the cost to repair the damage from the casualty exceeds the Damage Threshold, you may either: (a) repair the damage promptly according to the System Standards and the Franchise Agreement’s other terms and conditions; or (b) elect to terminate the Franchise Agreement if you and your owners sign a Termination Agreement and pay a termination fee equal to the lesser of (i) the liquidated damages and (ii) the insurance proceeds you receive as a result of the casualty minus amounts required to be paid to your lenders minus unreturned capital investment of your owners (the “Net Recovery”).

You must provide us any documentation that we may reasonably request to calculate the Damage Threshold, the insurance proceeds you receive for any casualty, and the Net Recovery amount (if applicable). Any Termination Agreement that you and we sign will provide that if you, any of your affiliates, or any other entity (including any buyer of the Hotel) begins construction on or operation of a full service hotel at the Hotel’s site other than a Brand Hotel or another Hyatt Network Hotel at any time during the 24-month period following the effective date of termination of the Franchise Agreement, then you or your owners must pay us liquidated damages equal to the difference between (i) the amount of liquidated damages that you would have otherwise owed us under the Franchise Agreement at the time of termination, minus (ii) the amount of liquidated damages you actually paid us at the time of termination.

7. Commercial Services Fee. The “Commercial Services Fee” currently covers the costs for the following commercial services that the Hyatt Group makes available to the Hotel and other Participating Hotels (the “Commercial Services”):

- (a) brand-wide marketing, advertising, public relations, and guest satisfaction program management and research for the Hotel;
- (b) base Global Property and Guest Services which provide, among other things, centralized reservation services (including the services and charges for the base reservation fee which applies regardless of channel, and certain additional reservation fees

based on channels) and care professionals supporting the business by enhancing the guest experience;

(c) revenue management technology, including the Hyatt Group's proprietary revenue management software, and advisory and support services, such as pricing strategy across channels and on-going training, support, and tools for pricing and inventory applications;

(d) group sales support for large accounts, including lead generation from the Hyatt Group's global and regional sales offices, account management, and account development, and transient and luxury sales promotion services (including Consortia);

(e) sales and catering system services, including account management, booking pipeline management, and analysis through our designated sales software systems, which are required in order to receive leads from the Hyatt Group's sales sources;

(f) property management system services, including Opera PMS, web-in/web-out and hosting, and interface file, maintenance, and support;

(g) the Hyatt Group's digital product technology and infrastructure including Hyatt.com and the mobile app; and

(h) other technology services, including e-learning, e-mail, HyattConnect, SharePoint, identity access management, ServiceNow, in-room technology, and network access.

The Hyatt Group may periodically change the benefits and services currently included as Commercial Services and the charges and fees for those benefits and services. The Hyatt Group may adopt other methodologies for fees and charges related to chain-wide programs to Participating Hotels, including segregation by brand, geographic location, or other criteria that the Hyatt Group deems appropriate in its discretion. The Hyatt Group may periodically allocate the Commercial Services Fee as a fixed charge, percentage charge, direct billback, or any other combination of multiple allocation methodologies. The Hyatt Group may spend in any year more or less than the total Commercial Services Fee contributions in that year but will use all Commercial Services Fees collected for Commercial Services.

8. Digital Acquisition Fee. We currently charge the Hotel and other Participating Hotels the "Digital Acquisition Fee" to help drive bookings through the Hyatt Group's online direct booking channels (the "Digital Channels"). The Digital Channels currently are the Hotel System Website and any Hyatt-branded website or mobile app (such as the World of Hyatt app). You must pay the Digital Acquisition Fee on the subset of Gross Rooms Revenue resulting from reservations that are generated through the Digital Channels, whether directly or via a link from another platform, such as a search engine advertisement, social media page, or any Franchisee Organization Website. We may, in our sole judgment and subject to change, exclude certain types of bookings that originate through Digital Channels for purposes of calculating the Digital Acquisition Fee and certain portions of Gross Rooms Revenue that is generated through the Digital

Channels, such as the Upsell Revenue (defined below). Digital Channels do not include reservations placed through external sources, such as online travel agencies (e.g., priceline.com and expedia.com) or through Hyatt-managed channels that are not digital in nature, such as reservations placed via telephone calls to our global contact center.

9. GDS and Other Reservations Services. In addition to the global contact centers, the costs of which the Hyatt Group allocates to each Participating Hotel as part of the Commercial Services Fee, GDSs accept reservations for Participating Hotels and confirm the reservations with the Hyatt Group through the central reservations center. The Hyatt Group incurs a reservations fee for each reservation that these supplemental reservations systems accept, which currently averages approximately \$8.50 per reservation, and the Hyatt Group passes on the charge to the hotel receiving the reservation at cost without imposing a markup or receiving a profit.

The Commercial Services Fee and these other reservation services fees include some of the current charges from providers of products or services for the Hotel, including the then current CRS operator (if applicable), the then current GDS and ADS operators (if applicable), and other suppliers to the Hotel, which may include us and/or our affiliates (collectively, “Providers”), that we currently collect from franchisees and pay (on their behalf) to the Providers. If any Provider assesses a single or group fee or other charge that covers all or a group of Brand Hotels or other Hyatt Network Hotels to which that Provider provides products or services, then our calculation of that fee or other charge among the Hotel and other Participating Hotels is final. The Providers may periodically increase the fees and other charges they impose. At our option, you must begin paying these fees and other charges directly to the applicable Provider(s).

10. Mandatory Contracts. The Hyatt Group periodically enters into relationships with vendors or providers of services that may require mandatory participation by all or certain subsets of Participating Hotels, such as certain contracts provided through Avendra, LLC, credit card acceptance agreements, music license agreements and certain telecommunications agreements. While the Hyatt Group does not receive any fees, rebates or commissions under these mandatory contracts, certain of the mandatory contracts may provide for promotional or other allowances that the Hyatt Group then allocates among Participating Hotels, as the Hyatt Group determines or the applicable vendor or supplier requires, or that the Hyatt Group uses for activities benefiting all or substantially all Participating Hotels.

11. Other Corporate Services. The Hyatt Group provides a number of other corporate services and programs for the benefit of Participating Hotels for which those hotels reimburse the Hyatt Group on a cost recovery basis, including taxes, if applicable. These services and programs include group sales promotional programs and events that 2 or more Participating Hotels sponsor, property evaluations, profit improvement services, quality assurance materials, security services, certain training programs and other various services. As part of these other corporate services, the Hyatt Group may provide “upsell” services for Brand Hotels and other Participating Hotels, offering room upgrades to guests having reservations at the Hotel before they arrive. If the guest purchases the room upgrade, you may be required to pay the Hyatt Group a commission on the additional revenue. That commission currently is 5% of the difference between the Gross Rooms Revenue at the upgraded rate and the Gross Rooms Revenue at the rate the guest originally booked, excluding taxes (the “Upsell Revenue”). The Upsell Revenue currently does not include any

additional revenue resulting from the upgrade, such as early arrival fees and additional revenue derived from upgrades to the F&B Operations.

Explanatory Notes

1. Application fee. The application fee listed above is for a Brand Hotel with 90 to 130 guest rooms. In Item 5, we describe the application fee and the conditions for its refund.

2. Telecommunications systems, security system and Technology System equipment. We include in this estimate the projected costs of acquisition/installation and the annual support and service contracts for the first year that the Hyatt Group provides as part of Mandatory Services.

3. Furniture, fixtures, other fixed assets and equipment. Costs for fixtures, equipment, furnishings, furniture, room equipment and appliances and other items (collectively, “FF&E”) depend mostly on the Hotel’s size and configuration. This item covers costs for all FF&E for the Hotel except the costs for telecommunications systems, security system and Technology System equipment and related fees that we describe separately in Note 2 above and the OS&E that we describe in Note 4 below.

4. Operating Supplies and Equipment. Costs for initial operating supplies and equipment, including initial food and beverage inventory, bed linens, personal care amenities, cleaning supplies, and other consumables and similar items we periodically specify for the Hotel (collectively, “OS&E”) depend mostly on the Hotel’s size and location. This item does not include the FF&E for the Hotel that we describe in Note 3 above or the costs for telecommunications systems, security system, and Technology System equipment and related fees that we describe in Note 2 above.

5. General and administrative. This item includes costs for permit fees, security deposits, utility deposits and startup requirements, impact fees (one-time charges that the

government levies to offset service costs relating to the new development), tap fees (charges for connecting to existing water or sewer lines), and various business licenses. Landlords sometimes pay some of the tap or impact fees, and the amount depends on municipal requirements and the final Hotel configuration. This item also includes costs for insurance, legal and accounting expenses.

6. Hyatt Studios Services Program Fees. The Hyatt Studios services program includes items such as centralized marketing, lead management, revenue management, and call center support designed for Brand Hotels. We describe these fees in Item 5.

7. Pre-opening marketing and sales expenses. This item includes costs for marketing and sales programs that you undertake before the Hotel opens, including payments of the applicable System Services Charges during the pre-opening period and the costs to establish and operate a sales office during the pre-opening period. It does not include central services program fees that you must pay to us under the Hyatt Studios services program.

8. Liquor license. Liquor license costs vary widely depending on the jurisdiction. In most jurisdictions, the cost will be on the low end of the range, but could be on the high end (or even exceed the high end) in those jurisdictions that consider a liquor license to be an asset. You may be able to apply for a liquor license for beer and wine and pay standard costs for this license that would be on the lower end of the estimate. However, if your property is located in a “quota” city or state, you might need to locate and purchase a liquor license on the open market, which could mean your anticipated costs are on the mid-to-high range of this cost estimate. If you purchase a liquor license on the open market, you may be able to re-sell your liquor license in those jurisdictions to another licensee if you sell your Hotel. The liquor license that you apply for or purchase must include beer and wine, as allowable under applicable law in the Hotel’s jurisdiction. If you engage a third party to be the F&B Operator (defined in Item 8), depending on the jurisdiction, you might not need a liquor license.

9. Miscellaneous pre-opening costs. This item includes costs for office and other supplies, wages for Hotel management and employees before opening and other miscellaneous pre-paid opening expenses, as well as estimated amounts you may pay to us or our affiliates for optional training or consulting services.

10. Additional funds – 3 months. This item estimates your initial start-up expenses (other than the items identified separately in the table). These expenses include payroll costs for the Hotel’s personnel, but not any management fees or similar draw. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business. Your costs depend on how closely you follow our methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for the Hotel’s services; the prevailing wage rate; competition; and the sales level reached during the initial period.

11. Total estimated initial investment (excluding real estate costs). The estimated amounts presented in the table above are to construct a new, full-size Brand Hotel with 90 to 130 guest rooms, according to the Design and Construction Standards and the Hotel System. We relied on our affiliates’ experience in developing and operating hotels since 1957 to compile the estimate

for additional funds and other figures. You should review these figures carefully with a business advisor before deciding to acquire the franchise. Except as described in Item 10, we do not offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on many factors, including the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions from which you request a loan. The estimate does not include any finance charge, interest, or debt service obligations. Except for a portion of the application fee that we will refund if we do not approve the application, no amounts in the chart are refundable.

Brand Hotels are intended to be located in primary, suburban, secondary, and tertiary markets. They will typically occupy property of 1 to 3 acres, but the amount of land the Hotel requires will vary greatly depending upon local building codes, setback requirements, parking requirements and similar factors. Leasing or purchase costs vary widely and depend on geographic location, size, visibility, local rental rates, other businesses in the area, other local economic conditions, the site’s market potential, the type of ownership or leasehold interest and other factors. Because of these factors, this table does not estimate the costs for the Hotel’s rent or security deposit or the purchase price for the building or land on which the Hotel is located (if you decide to buy, rather than lease, the land and/or premises).

Development Rights Agreement

YOUR ESTIMATED INITIAL INVESTMENT

Column 1 Type of expenditure	Column 2 Amount	Column 3 Method of Payment	Column 4 When due	Column 5 To whom payment is to be made
Development Fee (1)	\$100,000	Lump sum	Upon signing Development Rights Agreement	Us
Additional funds - 3 months (2)	\$0 to \$250,000	As incurred	As incurred	Third Parties
TOTAL ESTIMATED INITIAL INVESTMENT (3)	\$100,000 to \$350,000			

Explanatory Notes for Development Rights Agreement

1. **Development Fee.** We expect that Development Rights Agreements will cover between 4 and 15 Brand Hotels. We will apply \$50,000 of the development fee toward the application fee owed under the first 2 Franchise Applications submitted under the Development Rights Agreement.

2. Additional funds – 3 months. This item estimates the costs needed to begin looking for sites in the Development Area and for business plan preparation and related expenses during the initial 3-month period after signing the Development Rights Agreement. There is no additional initial investment for training, real property, equipment, fixtures, other fixed assets, construction, remodeling, leasehold improvements, decorating costs, inventory, security deposits, utility deposits, business licenses or other prepaid expenses required under the Development Rights Agreement. You will incur costs for these and other expenses associated with developing and operating a Brand Hotel under the Franchise Agreement.

3. Total estimated initial investment. We relied on our affiliates' experience in developing and operating hotels since 1957 to compile the estimate for additional funds and other figures. You should review these figures carefully with a business advisor before deciding to acquire the development rights. Except as described in Item 10, we do not offer financing directly or indirectly for any part of the initial investment. No amounts in the chart are refundable.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Franchise Agreement

You must operate the Hotel according to our System Standards, which may regulate, among other things, the types, models, and brands of products and services your Hotel uses; required and authorized products and services that the Hotel must offer to customers and quality standards for those products and services (including F&B Operations, as defined below); and designated and approved suppliers of these products and services, which may include or be limited to us and/or our affiliates that we may designate. "F&B Operations" means all food and beverage operations for Hotel guests and patrons consisting of the following (in each case, to the extent applicable): (a) restaurant, dining, bar, lounge, and retail food and beverage services; (b) banquet, meeting, event, catering (including outside catering), and room services; (c) a multi-functional service area that serves coffee and breakfast, lunch and dinner menu items, and alcoholic beverages; (d) grab-and-go food and beverage items available for purchase in a Hotel market; (e) a communal area serving as a combination restaurant, bar, coffee shop and workplace; (f) a standalone restaurant and/or rooftop bar; and (g) all other food, beverage and related services at the Hotel.

We will advise you on the System Standards you must meet, the aesthetics the Hotel must reflect, and the systems to be installed at the Hotel, so you can open and operate the Hotel as a Brand Hotel. We and Hyatt Corporation are the only approved suppliers for these services if you are constructing a new Hotel. We also provide IT Project Management Services and other technology-related services.

You must use the Opera PMS at the Hotel. We will provide services necessary to install access to the PMS at the Hotel under the Franchise Agreement. You must also sign an agreement with our designated supplier to provide connectivity services and training for the PMS.

Mandatory Services and Non Mandatory Services comprise the System Services. If you are in full compliance with your obligations under the Franchise Agreement, we or one or more members of the Hyatt Group will provide you those System Services that we periodically specify. You must participate in all Mandatory Services and related programs, and may (at your option) participate in any or all Non-Mandatory Services and related programs, in the manner that we periodically specify. You must acquire all Mandatory Services (as we periodically modify them) only from a member of the Hyatt Group. We may periodically add to, delete from, and otherwise modify these System Services, and the scope of and manner of providing System Services, upon notice to you. Also, due to the differences in products, services, markets and hospitality experiences among Brand Hotels and other Hyatt Network Hotels, we may, where we deem appropriate in our judgment: (a) classify certain System Services as Mandatory Services for the Hotel which we classify as Non-Mandatory Services or do not offer to other Brand Hotels and/or other Hyatt Network Hotels; (b) not provide to the Hotel certain System Services that we provide to other Brand Hotels and/or other Hyatt Network Hotels; and (c) limit the scope of those System Services provided to franchised Brand Hotels, such as by limiting the access that franchised Brand Hotels have to certain customer and other proprietary information for Hyatt Network Hotels other than the Hotel. We describe the current System Services and the current charges for those System Services in Item 6.

Avendra, LLC (“Avendra”) is a products and services sourcing company that offers volume contracts to its customer hotels on a variety of FF&E and other items used in hotel operations, including food and beverage equipment and supplies (such as branded and commodity programs), operating equipment and supplies (such as linens, pillows, terry, and light bulbs), and other products and services (such as printing and stationery, logoed items, chemicals, and pest elimination), at competitive prices that Avendra negotiates. You determine whether, and the extent to which, your Hotel will use Avendra’s services. However, if you choose not to use Avendra, you might find it impracticable to purchase certain products for the Hotel (such as bathroom amenities made specifically for Hyatt Network Hotels) elsewhere.

You must acquire certain central services, including revenue management, field marketing, and sales lead qualify services, from our affiliate, Hyatt Corporation. You also may, but are not required to, use Rosemont’s purchasing and project management services and acquire our pre-opening advisory assistance for your Hotel. If you are constructing a new Brand Hotel, you may decide to engage us (or our affiliate) to provide technical services and assistance relating to the Hotel’s development. We or another member of the Hyatt Group, Avendra and Rosemont negotiate purchase arrangements with suppliers, including price terms, for some required Hotel items. When we do so, we seek to promote the overall interests of the network of Brand Hotels and other Hyatt Network Hotels and our interests as the franchisor. We do not provide material benefits (like renewal or granting additional franchises) to individual franchisees for purchasing particular products or services or for using particular suppliers.

You must participate in, connect with, and use the authorized CRS, GDS and ADS as we periodically designate for offering, booking, modifying, and communicating guest room reservations for the Hotel and bear all related costs and expenses. You may only use the GDS and ADS that we periodically authorize. You must honor and give first priority on available rooms to all confirmed reservations that the CRS, GDS or ADS refer to the Hotel. The CRS and approved

GDS and ADS are the only reservation systems or services that the Hotel may use for reservations. You will establish the Hotel's room rates, if those rates and your pricing policies comply with System Standards (to the maximum extent the law allows). You must comply with our "best rate guarantee" and related policies, as we periodically modify them. You may not charge any guest a rate higher than the rate that the reservations center specifies to the guest when the guest makes the reservation.

Except as described here and in Item 6, in providing these and other products and services to you, the Hyatt Group companies have the right to charge prices that exceed their costs and include a profit margin. Except as described above or in Item 5 or 6, there currently are no other goods or services for the Hotel that you must buy or lease from us or one of our affiliates or for which we or one of our affiliates is an approved supplier or the only approved supplier.

Approved Suppliers, Hotel System and System Standards

Promptly after preparing the plans for your Hotel's construction or remodeling, you must prepare and deliver to us for our approval a plan for conducting and administering the F&B Operations at the Hotel (the "F&B Operations Plan"). The F&B Operations Plan will contain the identity of any proposed restaurant operator or other operator of some or all F&B Operations at the Hotel (other than you or your approved management company) (each an "F&B Operator") and the restaurant concept(s) that you plan to incorporate as part of or adjacent to the Hotel. You must make the modifications to the F&B Operations Plan that we reasonably specify and ensure that the Hotel and its F&B Operations operate according to the approved F&B Operations Plan. You may not make any material changes to the F&B Operations Plan (including any changes to the proposed restaurant concept(s) and/or F&B Operator(s)) without our prior written approval. Before the Hotel begins operating under the Proprietary Marks, you must require each F&B Operator to sign the documents we reasonably specify to protect our (and our affiliates') intellectual property and other rights. At our option, you must submit to us for our prior approval any proposed lease or other agreement between you (or your affiliate or management company) and the F&B Operator under which the F&B Operator will conduct F&B Operations, in which case you may not sign (or permit your affiliate or management company to sign) any lease or other agreement that we have not approved.

If you or your management company do not have in-house technology services support, you must contract with a third party technology consultant that meets our qualifications for "break/fix" support. You must also use our designated cyber end point protection and web filtering tools and enter into agreements with suppliers of such services, as applicable.

You currently must use our designated third party provider of travel agent commission program services. This provider calculates travel agent commissions, remits them to travel agents and collects them from participating hotels. You also must use our designated provider of quality assurance and inspection services. Except as described in this Item or in Item 5 or 6, there currently are no goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating the Hotel that you must buy from us, our affiliates, or designated or approved suppliers. Except for The Living Company,

which may provide some FF&E to Brand Hotels, none of our officers currently owns an interest in any supplier to Brand Hotel franchisees.

However, you must buy or lease most other products and services for your Hotel according to our System Standards. We issue and modify standards and specifications based on our, our affiliates' and our franchisees' experience in operating Brand Hotels and other Hyatt Network Hotels. Our standards and specifications may impose minimum requirements for delivery, performance, reputation, prices, quality, design, and appearance, among other factors. You must ensure that the Hotel strictly complies with all applicable laws and maintains adequate insurance policy coverage in the amounts that we periodically specify. Our System Standards or other communications will identify our standards and specifications and/or names of approved suppliers.

If you wish to obtain any FF&E, supplies, or other goods and services from a source that we have not previously approved as meeting our System Standards (for those items that require supplier approval), you must send us a written request with any information and samples we consider necessary to determine whether the product, service and source meet our then current criteria. If you comply with our processes and procedures, we will respond to your request within a reasonable time period (typically 30 days) after receiving all information we request. We may charge you our costs to review your request and evaluate the product, service and/or source. We may condition our approval on standards and requirements relating to quality, quantity, warranties, prices, volume capability, frequency of delivery, distribution methods and locations, standards of service (including prompt attention to complaints), consistency, reliability, financial capability, labor and customer relations, the willingness and ability to comply with our vendor compliance guide and other criteria. We may modify our System Standards in this area as we deem best. We may, at our option, revoke our approval of certain goods, services or sources if they fail to continue to meet our System Standards. We may designate a particular source for, or model or brand of, FF&E, supplies or other goods or services that we (in our sole judgment) determine to be critical to the Hotel System.

If the Hyatt Group receives any payments from vendors or service providers whose costs are included as part of System Services Costs, the Hyatt Group currently will offset them against System Services Costs. We and our affiliates may receive rebates, commissions, payments, benefits and other material consideration from suppliers on account of their actual or prospective dealings with you and other franchisees and owners of Brand Hotels, but neither we nor our affiliates will receive rebates from suppliers based solely on the volume of your purchases from those suppliers unless we either forward those rebates to you, use them to cover System Services Costs, or otherwise use those rebates for the benefit of the Hotel System or the Brand Hotel network. Because we had no operating Brand Hotels during the 2024 fiscal year, neither we nor any of our affiliates received rebates from suppliers based on purchases that franchised Brand Hotels made from those suppliers. Brand Hotel network suppliers attending franchisee conventions, conferences, or other meetings of Brand Hotel owners may make contributions to us or other members of the Hyatt Group (which do not derive from franchisee purchases) that we use to defray your and other franchisees' and owners' costs of attending these functions. Except for these payments, neither we nor our affiliates currently receive, or have negotiated to receive, similar payments or other material consideration from suppliers based on Brand Hotel franchisees' purchases or leases.

You also must participate in and comply with the terms of all of our mandatory marketing, reservation service, rate and room inventory management, advertising, cooperative advertising, guest frequency and loyalty, social responsibility, discount or promotional, customer award, customer loyalty, Internet, computer, training and operating programs, including a PMS that interfaces with the CRS or any other central reservation system that we periodically adopt. We may periodically establish and/or coordinate these programs with third parties we designate. These third parties might (but need not) be our affiliates. You must sign and comply with any license, participation and other agreements we periodically specify relating to these programs.

You may not make any material changes to the Hotel's construction, including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features, without our prior written consent and complying with our conditions and procedures. We may periodically require you to upgrade or renovate the Hotel, including by altering the Hotel's appearance and/or replacing a material portion of improvements and/or FF&E, to comply with then current building décor, appearance, trade dress standards and other aspects of the Hotel System that we have established and then require for new similarly situated Brand Hotels (subject to Reasonable Deviations (defined below)). This upgrading or renovation might require you to invest additional capital in the Hotel and/or incur higher operating costs. You must implement the upgrading and renovation within the time period we request. However, all of these upgrades and renovations will apply to similarly situated Brand Hotels (subject to Reasonable Deviations). In order to assist you in having funds available to make any necessary capital expenditures at the Hotel and comply with your upgrade and renovation obligations (but without limiting those obligations), each month you must deposit into a separate account that you control 4% of the Hotel's Gross Rooms Revenue. You will use these funds only to make approved capital expenditures and comply with your upgrade and renovation obligations, although your obligations may require you to spend more than the amount in the account.

"Reasonable Deviations" means that, if the market area or circumstances of a Brand Hotel warrant, then, in our Reasonable Business Judgment (defined below), we may apply an aspect of the Hotel System, System Standard, requirement, fee or other term or condition to the Hotel in a manner which differs from the manner in which that aspect of the Hotel System, requirement, fee or other term or condition applies to one or more other similarly situated Brand Hotels. "Reasonable Business Judgment" means that our action or inaction has a business basis that is intended to benefit the Brand Hotel network or the profitability of the network, including us and our affiliates, regardless of whether some individual hotels may be unfavorably affected; or to increase the value of the Proprietary Marks; or to increase or enhance overall hotel guest or franchisee or owner satisfaction; or to minimize possible brand inconsistencies or customer confusion.

Collectively, the purchases and leases you must make from us, from designated or approved suppliers, or according to our System Standards represent approximately 95% of your total purchases and leases to establish, and approximately 95% of your total purchases and leases to operate, the Hotel. During our 2024 fiscal year, neither we nor our affiliates derived any revenue from selling or leasing products or services directly to Brand Hotel franchisees.

Development Rights Agreement

Each franchise application and site for a Brand Hotel is subject to our acceptance. The site must meet our then current site selection standards. Otherwise, the Development Rights Agreement does not require you to buy or lease from us or designated or approved suppliers, or according to our specifications, any goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items to establish or operate the business under the Development Rights Agreement. However, you must follow our requirements under the franchise agreement for each Brand Hotel you develop.

Item 10

FINANCING

We do not have a fixed financial assistance program for our franchisees and typically do not offer financial assistance to franchisees. However, in some cases we periodically may offer financial assistance to franchisees developing new Brand Hotels or converting existing hotels from other brands to the Hotel System. We have no formal criteria to determine which franchisees will receive financial assistance or the amount or timing of the assistance. The terms of any financial assistance, including amount, interest rate, and repayment terms, will vary widely and depend on our agreement with the franchisee and its particular circumstances. Our decision to offer financial assistance depends on what we think is best for us and the Brand Hotel franchise network. We have no obligation to offer financial assistance to any franchisee.

Except as described above, neither we nor our affiliates offer direct or indirect financing. Neither we nor our affiliates guarantee your note, lease or obligation.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Hyatt Franchising, L.L.C. is not required to provide you with any assistance.

If you sign the Development Rights Agreement, then before you begin operating your business under that agreement, we will:

- (1) Determine the Development Area within which you will look for Brand Hotel sites. (Section 2 of Development Rights Agreement)
- (2) Determine the number of Brand Hotels that you (or your Controlled Affiliates) must open in the Development Area under the Development Schedule attached to the Development Rights Agreement. (Section 2 of Development Rights Agreement)
- (3) Determine the Development Schedule and the deadlines by which you (or your Controlled Affiliate) must sign a franchise agreement for, and open and begin operating, each Brand Hotel to be developed under the Development Rights Agreement. (Section 5 of Development Rights Agreement)

If you sign the Development Rights Agreement, then during your operation under that agreement, we will:

- (1) Review franchise applications that you submit to us for Brand Hotels in the Development Area. You must complete and deliver to us our then current franchise application for each proposed hotel project, including materials and information for the proposed site and project and relating to your (or your Controlled Affiliate's) financial and operational ability to develop and operate the proposed Brand Hotel. You also must pay the application fee of \$50,000 plus an additional \$500 per room for each room in the proposed hotel over 125. We will apply \$50,000 of the Development Fee towards the application fees for the first 2 Franchise Applications that you submit. Each proposed project, which must meet our then current site selection criteria for Brand Hotels (which we describe below), must be available for acquisition and development in time for you (or your Controlled Affiliate) to develop and open a Brand Hotel at that site on or before the applicable opening deadline. If you withdraw any Franchise Application before we approve it, or if we do not approve any application for any reason, we will refund the application fee less a \$7,500 fee to cover our costs associated with evaluating that application. After we approve an application the application fee is not refundable, even if we and you (or your Controlled Affiliate) do not sign a Franchise Agreement for that project. (Section 6 of Development Rights Agreement)

(2) Approve sites for Brand Hotels in the Development Area that meet our then current requirements. We generally do not own sites and lease them to franchisees, lease sites and sublease them to franchisees, or select sites for franchisees. (Section 7 of Development Rights Agreement)

(3) Sign a franchise agreement and related documents with you (or your Controlled Affiliate) if we approve an application for a Brand Hotel. You or your Controlled Affiliate must sign a franchise agreement before beginning construction of a Brand Hotel at a site. If you or your Controlled Affiliate do not sign a separate franchise agreement for each Brand Hotel on or before applicable signing deadline, or do not open and begin operating the Brand Hotel under that franchise agreement on or before applicable opening deadline, then we may terminate the Development Rights Agreement. You (or your Controlled Affiliate) must sign our then current form of franchise agreement and any ancillary agreements for each Brand Hotel developed under the Development Rights Agreement, the terms of which may differ substantially from the terms contained in the Franchise Agreement attached to this disclosure document. However, under each of those franchise agreements (a) the initial term is 20 years; (b) we will not charge an initial franchise fee (other than the application fee); (c) the royalty fee is 5% of the Brand Hotel's gross rooms revenue; and (d) the capital expenditure account funding requirement is 4% of the Brand Hotel's gross rooms revenue. (Section 8 of Development Rights Agreement)

Under the Franchise Agreement, before you begin operating the Hotel, we or another member of the Hyatt Group will:

(1) Approve a site for the Hotel that meets our requirements. We do not provide any site selection assistance or specify an area within which you may look for a site under the Franchise Agreement. We do not own hotel premises and lease them to franchisees. In determining whether to approve a site, we consider, among other things, demographic characteristics, traffic patterns, parking, visibility, allowed signage, the predominant character of the neighborhood, competition from other lodging facilities in the area, the nature of other businesses near the site, and other commercial characteristics (including the purchase price or rental obligations and other lease terms) and the proposed site's size, appearance, and other physical characteristics. You may not develop a Brand Hotel at a site that we do not approve. We and you will not sign a Franchise Agreement until you have located and we have approved the Hotel's site. If you are converting an existing hotel from another brand to the Hotel System, we will inspect the hotel and prepare a PIP to provide details on our upgrade requirements. Each Comfort Letter Party must sign a comfort letter or similar agreement that we reasonably specify. (Sections 2.1, 2.5, 2.6 and 2.7 and Exhibit B-3 of Franchise Agreement)

(2) Communicate our then current specifications and requirements for designing and developing a Brand Hotel, including the Design and Construction Standards. We will provide a briefing virtually, at our headquarters, or at another location we designate, to acquaint your managing owner or senior operations officer with our building process and support structure. You must design and construct the Hotel according to our Design and Construction Standards and Hotel System. If you are converting an existing

hotel from another brand to the Hotel System, you must renovate the Hotel according to the PIP, which may reference some or all of our Design and Construction Standards and the Hotel System. The PIP is attached to the Franchise Agreement when we and you sign it. You may not make any material changes to plans set forth in the PIP (including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features), without our prior written consent, which we will not unreasonably withhold. We and our affiliates may operate, and authorize others to operate, Brand Hotels within or outside the United States providing additional, fewer and/or different amenities and services to guests than the Hotel provides, or that otherwise operate in a manner that is substantially different from the manner in which the Hotel operates. We may establish and periodically modify the Hotel System and System Standards for certain Brand Hotels in a manner that is different from the Hotel System and System Standards that apply to some or all Brand Hotels within or outside the United States. (Sections 2.1, 2.6 and 2.8 and Exhibit B-3 of Franchise Agreement)

(3) As described in Item 8, identify the brands, types, makes and/or models of FF&E and other items (including both products and services) that meet our System Standards and, if we require, designated and approved suppliers of these items. We or our designated affiliate will directly provide and deliver, and in certain cases install, some items. We will provide you with the names of approved suppliers for some items. Our System Standards or other communications provide our standards and specifications for some items. (Sections 3.3, 4.3 and 4.4 of Franchise Agreement)

(4) Approve your initial design development documents and detailed plans for a new Hotel or renovation plans for conversion of an existing structure, including working drawings and specifications, if they comply with our Design and Construction Standards, Hotel System and System Standards. You must prepare and submit the plans to us for our approval and change the plans as we specify. You may not begin constructing, remodeling or developing the Hotel until we have approved the plans. You may not change the approved plans, including by changing any structural or life safety equipment or systems, the number or type of guest rooms or common areas, or any architectural features, without our prior approval. (Section 2.1 and Exhibit B-3 of Franchise Agreement)

(5) If applicable, approve an F&B Operations Plan and F&B Operator(s) that meet our requirements. (Section 2.3 of Franchise Agreement)

(6) Provide the applicable System Services for the Hotel during its pre-opening period. (Section 4.1 of Franchise Agreement)

(7) Provide data installation services relating to the initial set-up of the CRS, GDS and ADS at the Hotel, IT Project Management Services, and other technology-related services described in Item 5. (Section 2.2 of Franchise Agreement) We describe the Technology System later in this Item.

(8) Provide you access to the CRS and listings in advertising publications that we periodically specify during the period before the Hotel's opening date that we reasonably specify. (Section 3.3 of Franchise Agreement)

(9) Train your Hotel's senior manager-level employees whom we periodically designate, which may include (as applicable) the general manager, rooms director, director of sales, engineering director, director of food and beverage, director of catering, executive chef, and assistant general manager (collectively the "Core Management") and other Hotel personnel we specify in the operation of a Brand Hotel to help ensure compliance with System Standards. We will place our trainer(s) at the Hotel for its opening. (Section 3.1 of Franchise Agreement)

(10) Provide you access to the System Standards. You must comply with the System Standards, as we periodically modify them, except for any employment-related or other policies and procedures which are clearly indicated in the System Standards as being for your optional use. We may communicate the System Standards to you using various means that we may periodically establish, including electronic media and/or written materials, and you must continuously monitor and access any updates to the System Standards or other aspects of the Hotel System. The System Standards and any passwords or other digital identifications necessary to access the System Standards are confidential.

Any materials, guidance or assistance that we provide on employment-related policies or procedures, whether in the System Standards or otherwise, are solely for your (or your management company's) optional use. Those materials, guidance and assistance do not form part of the mandatory System Standards. You (or your approved management company) will determine to what extent, if any, these materials, guidance or assistance should apply to the Hotel's employees. We do not dictate or control labor or employment matters for franchisees and their employees. You (or your approved management company) are solely responsible for determining the terms and conditions of employment for all Hotel employees (including Core Management), for all decisions concerning the hiring, firing and discipline of Hotel employees, and for all other aspects of the Hotel's labor relations and employment practices. (Sections 3.2 and 4.3 of Franchise Agreement)

(11) Authorize your Hotel to open under the Proprietary Marks if you satisfy our pre-opening conditions as set forth in the System Standards or otherwise in writing. We will use commercially reasonable efforts in our review and approval of plans and in our approval process to open the Hotel, including by making a reasonable number of visits to the Site (to the extent practical under the circumstances) and providing reasonable guidance and advice relating to the Hotel's development or conversion. You must pay our then current fees for any additional guidance, services or assistance (beyond what we typically provide to similarly situated Brand Hotels, subject to Reasonable Deviations) that you request and we agree to provide. We act only in an advisory capacity and are not responsible for the adequacy or coordination of any plans and specifications, the integrity of any structures, compliance with applicable laws (including accessibility laws) or any insurance requirements, or obtaining any permits. We will have no liability to you for the

Hotel's construction or renovation. You must give us certificates from your contractors concerning the Hotel's compliance. (Sections 2.5 and 2.6 of Franchise Agreement)

(12) Provide certain central services for the Hotel, including revenue management, field marketing, and sales lead qualify services. (Central Services Agreement and Hyatt Studios Services Schedule)

Under the Franchise Agreement, during your operation of the Hotel, we or another member of the Hyatt Group will:

(1) Continue to provide the System Services for the Hotel, as we periodically modify them. (Section 4.1 of Franchise Agreement)

(2) Advise you periodically regarding the Hotel's operation, for example, concerning System Standards and advertising and marketing materials and programs. If you request, and we agree to provide, additional or special guidance, assistance, or training, you must pay our then applicable charges and travel and living expenses. Any specific training, guidance or assistance that we provide does not create an obligation (whether by course of dealing or otherwise) to continue providing that specific training, guidance or assistance, all of which we may periodically modify. (Section 3.4 of Franchise Agreement)

(3) Let you use our Proprietary Marks. (Sections 11.1 to 11.4 of Franchise Agreement)

(4) Let you use our Confidential Information and Copyrighted Materials. (Sections 11.1, 11.5 and 11.6 of Franchise Agreement)

(5) Provide you access to the System Standards as we may modify them periodically. You must restrict (and ensure your management company restricts) access to the System Standards according to our policies, as we periodically modify them. If there is a dispute over their contents, our master copy of the System Standards controls. Because complete and detailed uniformity under many varying conditions might not be possible or practical, we may, as we deem best, vary the Hotel System and System Standards for any Brand Hotel based upon the peculiarities of any condition or factors that we consider important to that hotel's successful operation. We need not grant you a similar variation or accommodation. The table of contents for the System Standards in effect as of the issuance date of this disclosure document is Exhibit F and reflects that the System Standards comprise 3,609 pages. (Sections 3.2 and 4.3 of Franchise Agreement)

(6) Provide you access to the CRS and listings in advertising publications that we periodically specify during the Franchise Agreement's term. (Section 3.3 of Franchise Agreement)

(7) Conduct periodic inspections of the Hotel and otherwise maintain the Quality Assurance and Compliance Program for the Brand Hotel franchise network. (Section 4.8 of the Franchise Agreement)

(8) Continue to provide certain central services for the Hotel, including revenue management, field marketing, and sales lead qualify services. (Central Services Agreement and Hyatt Studios Services Schedule)

Advertising and Marketing

Except for the System Services, which we describe in Item 6, there are no advertising funds or local or regional advertising cooperatives to which franchisees or other Brand Hotel operators contribute. However, promoting Brand Hotels as a single chain in the United States is an important part of the Hotel System, so you must participate in and use, in the manner we specify, all advertising, marketing and promotional activities, materials and programs that we periodically require for similarly-situated Brand Hotels (subject to Reasonable Deviations). (Section 5.2 of Franchise Agreement) The Hyatt Group prepares advertising, marketing and promotional programs as part of System Services. (Section 4.1 of Franchise Agreement) These programs may cover any media (including print, radio, television and electronic) and their scope may be local, regional, national or international or focus on a subset of hotels (like resort hotels or convention hotels). The Hyatt Group's corporate personnel and advertising agencies develop these programs. We will not use funds that franchisees pay for System Services principally to solicit new franchise sales. We will not prepare any periodic accounting of how we and our affiliates spend these funds. The Hyatt Group need not spend any amount on advertising, marketing or promotional programs in the area where the Hotel is located. There currently are no franchisee advertising councils that advise us on advertising and marketing policies. However, we may form, change, and dissolve these councils.

We may identify a region in which 2 or more Brand Hotels are located (including, if applicable, those that we or our affiliates own or operate) to establish a local or regional advertising cooperative (a "Cooperative"). We may form, change, dissolve and merge Cooperatives. The Cooperative's purpose will be to collect funds from its members and to plan, discuss, organize, develop, utilize, produce, disseminate, and implement marketing, advertising and promotional programs and materials on a collective basis (and to cover related expenses) for participating Brand Hotels. We will not require you to participate in a Cooperative. However, if you choose to participate in the Cooperative, you must do so according to the Cooperative's rules, including by paying your Hotel's allocable share for any advertising, marketing, promotional and other programs that the Cooperative conducts. The Cooperative will be in charge of its own administration and determines contributions. Cooperative members will typically contribute to programs at the same rate. We anticipate that Cooperatives will operate from written governing documents and prepare financial statements that member franchisees may review. All restrictions relating to any advertising, marketing or promotional materials and programs that you use or conduct also apply to any materials and programs that the Cooperative will use or conduct. (Section 5.5 of Franchise Agreement)

You must ensure that all advertising, marketing, and promotional materials, all public relations plans and programs, and all uses of the Proprietary Marks are conducted in a dignified manner and comply with the System Standards, including the use of our standard templates where applicable, and which may, at our option, require our prior approval of materials that we have not previously approved. You must discontinue using any materials (including previously-approved

materials) and stop engaging in any plans and programs (including previously-approved plans and programs) within the timeframe we specify after you receive written notice from us. You may not use Guest Information (defined in Item 14) in conducting marketing, advertising and promotional programs for the Hotel, except for programs conducted by or through us or with our supervision in each instance. (Section 5.3 of Franchise Agreement).

The “Hotel System Website” is a website that we or one or more members of the Hyatt Group develops, maintains and/or authorizes for all or a certain group of Brand Hotels that we periodically specify (and, at our option, other Hyatt Network Hotels). We currently plan to provide each participating Brand Hotel a separate webpage on the Hotel System Website. You must comply with all System Standards relating to the Hotel System Website, including by providing us (or our designee) all information and other materials concerning the Hotel that we periodically request and promptly notifying us whenever any information concerning the Hotel on the Hotel’s webpage is no longer accurate. By providing Hotel-related information and materials, you are representing to us that they are accurate and not misleading and do not infringe any third party’s intellectual property or other rights. We have the final decision about all information or materials appearing on the Hotel System Website. As between us and you, we own all intellectual property rights and other rights in and to the Hotel System Website, including all data that visitors supply or the Hotel System Website obtains. We may discontinue the Hotel System Website and/or any of its content (including separate webpages for participating Brand Hotels) at any time.

You may not develop, maintain or authorize any website or other electronic medium (other than the Hotel System Website) that has the word “hyatt” or any similar word, or any of the Proprietary Marks, as part of its domain name or URL or that accepts reservations for the Hotel (other than through an approved link to a Hotel System Website) or otherwise sells any products or services associated with the Hotel or any of the Proprietary Marks. In addition, except for the Hotel System Website, approved ADS, and as otherwise provided here, you may not develop, maintain or authorize any other website, other online presence or other electronic medium that describes or in any other way promotes the Hotel or displays any of the Proprietary Marks. You may, with our approval (which we will not unreasonably withhold) and subject to compliance with System Standards, authorize any Travel Services Website or Franchisee Organization Website to list and promote the Hotel together with other hotels. A “Travel Services Website” is a website that a third party (which is not your affiliate) operates that promotes and sells travel-related products and services for a number of hotel brands, including other Hyatt Network Hotels. A “Franchisee Organization Website” is a website that mentions the Hotel and other hotels in which you and your affiliates have an interest as part of your and their portfolio of properties and that has a primary purpose of promoting the entire portfolio (rather than only promoting the Hotel). (Section 5.4 of Franchise Agreement)

Technology System

You must use the computer hardware, software, and related equipment (the “Technology System”) that we or our affiliate periodically designate to operate the Hotel. The Hotel will use the Technology System to administer the CRS and the property management system (the “PMS”); automate front desk registration/cashiering, telephone switchboard, housekeeping and accounting functions; record and track sales and labor data; run Market Place Solution, key lock system, in-

room entertainment, sound and related systems; and perform a variety of other management and reporting functions. To meet our current brand standards, you must install the following systems: Property Management, Market Place Solution, Revenue Management, Events and Lead Generation System (Envision), Key Lock, PBX/Phones, In-Room Entertainment, High Speed Internet Service, Hotel Music Services, and Digital Surveillance. The Technology System will generate and record revenue, payment, labor and other operational data relating to the Hotel and its operations. We will provide project management implementation and related services for the Technology System. Based on our current requirements for a Brand Hotel, we estimate that it will cost approximately \$350,000 to \$450,000 for you to acquire and install the Technology System at the Hotel.

You currently must acquire the PMS subscription for software updates, licenses and support fees directly from us or another member of the Hyatt Group. Our designated PMS vendor currently charges \$3.90 per room per month as a subscription service, and we will invoice your Hotel as a pass-through without any additional charge. This subscription fee may be subject to increase by our vendor, and we may pass on any adjustment to you with notice. We will approve upgrades and updates to the software from our PMS vendor at our discretion. You must also acquire the Market Place Solution and certain other components of the Technology System only from our designated vendors, which provide 24/7 support, maintenance, and warranty coverage. This will include maintenance from our designated PBX/phones vendor, our designated key lock vendor, our High Speed Internet Access provider, our In-Room Entertainment vendor, and our designated sound system vendor. We or another member of the Hyatt Group will provide other maintenance, support, upgrades and updates for parts of the Technology System and certain other technology services as part of the Mandatory Services for the Hotel, all of which are included in the Commercial Services Fee. No other party has an obligation to provide ongoing maintenance, repairs, upgrades or updates to the Technology System. The cost of other optional maintenance, updating, upgrading and support contracts varies widely depending on the market and the level of support you need. You must use our managed support services for technology support, which we provide at no additional charge. You must also use our designated cyber end point protection and web filtering tools and enter into agreements with suppliers of such services, if applicable.

We may periodically require changes, upgrades, or updates to the Technology System. No contract limits the frequency or cost of changes, upgrades or updates. We or our affiliates may charge you reasonable fees for software or other technology that we license to the Hotel and for other Technology System maintenance and support services that we or they periodically provide to the Hotel, such as revenue management software, PMS enhancements, Hyatt's Collaboration Network including HyattConnect, SharePoint Knowledge Network, E-Mail, User Identity Access Management, Learning Management Systems and Wide Area Network and Remote Access support. We will have independent, unlimited access to the information that the Technology System generates and tracks. (Sections 4.3, 4.4 and 7.4 of Franchise Agreement)

Hotel Opening

If you are developing a new Brand Hotel, including by adapting an existing building to a new use as a hotel, we estimate that you will open the Hotel approximately 20 to 36 months after paying the application fee. If you are converting an existing hotel from another brand to a Brand

Hotel, we estimate that you will open the Hotel approximately 9 to 12 months after paying the application fee. The interval depends on the time it takes for you to finalize acquisition of the Hotel's premises (if applicable) and sign the Franchise Agreement, the suitability of the site, weather, the location and condition of the premises (including the premises' former use) and the construction schedule for the Hotel. You must open and begin operating the Hotel within 24 months after signing the Franchise Agreement for new Brand Hotels and 6 months after signing the Franchise Agreement for converted hotels (unless we agree to a longer period before we and you sign the Franchise Agreement) or by the next opening date on your Development Schedule under the Development Rights Agreement. You also must meet various interim deadlines for the Hotel's development. If you do not meet these requirements, then you must pay the \$5,000 extension fee to us and request an extension, which we may grant or deny at our option. If we approve the extension, we will set a new opening deadline, the extension fee is non-refundable, and we may (at our option) require you to modify any previously-approved detailed plans or the PIP (as applicable) to comply with the then current design, equipment and other aspects of the Hotel System. If you do not open the Hotel by the required completion date, we may terminate the Franchise Agreement.

You may not open or begin operating the Hotel under the Proprietary Marks until we have notified you in writing that: (1) you have properly developed and equipped the Hotel in compliance with the Franchise Agreement and all applicable laws; (2) Hotel personnel have completed all pre-opening training to our satisfaction; (3) you have paid all amounts then due to us and our affiliates; (4) you have obtained all required certificates of occupancy, licenses and permits to operate the Hotel; (5) you have given us evidence of insurance coverage and payment of premiums we request; (6) you have given us certifications concerning the Hotel's construction; and (7) we have conducted a pre-opening inspection and approved the Hotel for opening under the Proprietary Marks. You must open and begin operating the Hotel under the Proprietary Marks within 10 days after receiving our authorization, which we will not unreasonably withhold or delay. We may terminate the Franchise Agreement if you do not meet these deadlines. Our determination that you have met all of our pre-opening requirements is not a representation or warranty, express or implied, that the Hotel complies with any laws or is safe for occupancy, nor will such determination act as a waiver of your non-compliance, or our right to demand full compliance, with our pre-opening requirements or any other provision of the Franchise Agreement. You must indemnify us for costs and expenses we incur because of your failure to open on time, including amounts we pay to customers whose reservations are canceled. (Sections 2.1 to 2.6 of Franchise Agreement)

Training

Our current required initial training program has 8 parts: the Owner Briefing, the operator approval and onboarding program ("Franchise Manager University" or "FMU"), the owner/operator orientation program, the General Manager University ("GMU"), the operations training program, the sales/catering/revenue training program, the training programs for other Hotel personnel, and the Pre-Opening Brand Training. Except for any optional courses that we choose to provide, all initial training is mandatory. Our Franchise People & Learning Department administers and directs all of our initial training in coordination with our corporate operations team. Julie Suh, Associate Vice President, People & Learning, leads the Franchise People &

Learning Department. Julie joined us and our affiliates in 2022. She has over 20 years of experience in the hotel/hospitality industry. We also have a staff of training professionals who conduct various training programs. These staff members typically have at least 15 years of experience in hotel and/or learning and development roles and at least 5 years of experience with us or our affiliates. The System Standards, videos, charts, pamphlets, and other training aids serve as the instructional materials for the training programs. You must pay us the fees and expenses described in Item 5 and Item 6 and you are responsible for all travel and living expenses (including travel, lodging, food and beverage, and miscellaneous charges) for your personnel.

Owner Briefing

Your managing owner or senior operations officer must attend a briefing, either virtually or at our corporate headquarters in Chicago, Illinois, within 6 months (for new construction hotels) or 3 months (for conversion hotels) after signing the Franchise Agreement. Our SVP Global Franchise Operations & Owner Relations supervises this briefing, which we hold whenever necessary. There are no instructional materials or tasks that your managing owner or senior operations officer must complete to our satisfaction. As of the date of this disclosure document, this 2-day briefing takes place in a classroom or virtual setting covers the following topics:

FMU

The Hotel’s proposed management company (or you, if we approve you to manage the Hotel) must complete FMU, which provides an overview of our brand requirements and the tools we make available in support of these requirements. FMU consists of self-paced eLearning, virtual instructor led training, learning assessments, and a final virtual presentation to our leadership team. FMU is required for any management company (or you, if we approve you to manage the Hotel) that is not already an approved operator of a Brand Hotel. The attendees must complete FMU prior to the Hotel’s opening date or, for existing Hotels, within 90 days after appointment as a new approved management company. Attendees can complete FMU’s self-paced eLearning and virtual components at most 12 months before the Hotel’s anticipated opening date. The operator must pass learning assessments throughout FMU’s eLearning and virtual components. Within 9 months after completion of FMU, the new management company (or you, if we approve you to manage

the Hotel) must attend the owner/operator orientation described below. Our SVP Global Franchise Operations and Owner Relations supervises this orientation, for which we maintain an ongoing schedule to adjust to the volume of new management companies. New management companies must consistently participate in all aspects of FMU in order to successfully complete it and be approved as an operator.

As of the date of this disclosure document, this training includes the following topics:

We conduct Orientation virtually, or in person at a Hyatt hotel location we designate or at our company headquarters in Chicago, Illinois approximately once per quarter. As of the date of this disclosure document, this 2-day briefing takes place in a classroom or virtual setting and covers the following topics:

GMU

The Hotel’s proposed general manager, whether newly hired or promoted, must attend GMU, which provides an overview of Hyatt’s brand requirements and the tools made available by us in support of these requirements. GMU consists of self-paced eLearning, virtual instructor-led training, in-person training, learning assessments, and a final virtual presentation to our leadership team. The Hotel’s proposed general manager must complete GMU (including the final learning assessment and a virtual presentation to our leadership team) at least 6 months before the Hotel’s opening date or within 6 months after the date of hire or promotion (as applicable) for new general managers at an existing Brand Hotel. The Hotel’s proposed general manager must complete the self-paced eLearning and virtual components of GMU at least 3 months before the Hotel’s opening date or within 3 months after the date of hire or promotion (as applicable) for a new general manager at an existing Brand Hotel. The required in-person training component is a 3-day workshop at our corporate headquarters in Chicago, Illinois or at a Hyatt hotel location we specify, and gives the general manager an opportunity to meet our affiliates’ personnel who will be providing training. The Hotel’s proposed general manager must complete the in-person training component at least 3 months before the Hotel’s opening date or within 3 months after the date of hire or promotion (as applicable) for a new general manager at an existing Brand Hotel. Our SVP Global Franchise Operations & Owner Relations supervises this orientation, for which we maintain an ongoing schedule adjusting to the volume of general manager hires. General managers must consistently participate in all aspects of GMU in order to successfully complete it.

In the case of a general manager vacancy, the owner/operator must adhere to our standards related to the timing of filling the vacancy with a permanent or interim general manager. If a permanent general manager has not been identified for more than 6 months after the original vacancy, the owner/operator must identify a leader as an interim general manager to complete GMU. Once the general manager vacancy has been permanently filled, the new permanent general manager will also be required to complete GMU, unless we waive the requirement for a particular individual. If the new permanent general manager previously worked at a Hyatt Network Hotel,

the general manager will be required to complete GMU knowledge assessment if the general manager has been absent from such Hyatt Network Hotel for more than 1 year as of the date of hire. Based on the results of that assessment, the general manager may be exempt from some or all of the GMU components.

As of the date of this disclosure document, this training includes the following topics:

Operations Training and Sales/Events/Revenue Management Training

Your Hotel’s Core Management team and other personnel we specify (as described in the chart below) must complete various initial mandatory brand standard training courses to our satisfaction before the Hotel’s opening. We conduct some of this training at our company headquarters in Chicago, Illinois. Additionally, components of the training may take place at a Hyatt hotel we designate. We conduct this training according to an annual schedule, with some programs held quarterly or semi-annually and others held as often as necessary. In some instances, as needed to meet your Hotel’s opening date, we may send our trainers to your Hotel to conduct training programs that we typically hold at our headquarters. We recommend that managers and directors who are new to their role attend the live classroom New Hire Training and complete

online training within 6 months of being hired. There are some periodic requirements that your operational, sales/events/revenue managers must complete to our satisfaction, including eLearning knowledge checks and assessments, and full attendance and participation in virtually-facilitated programs.

Training for Other Personnel – Required

We also require other brand standard training programs for various Hotel personnel that a representative from your Hotel will facilitate as often as needed. Instructional materials are provided, and tasks which must be completed to our satisfaction are indicated below. These requirements are routinely updated and subject to change.

In addition to the courses listed below, the Hotel’s general manager must facilitate training of on-property personnel in several areas, including safety and security, ethics, de-escalation, cybersecurity and hygiene. This training does not need to take any specific format or follow a standardized curriculum. It is in the discretion of the Hotel’s general manager as to the materials to utilize, which may include optional materials that we offer. The Hotel’s general manager must regularly acknowledge via our learning management system that it has provided such training to Hotel staff.

As of the date of this disclosure document, this required training includes the following topics:

Pre-Opening Brand Training

For the final part of our required initial training program, we send a pre-opening team of 2 to 3 trainers (at our option) to assist with training the Hotel staff on brand standards and related issues concerning the Hotel's opening. You must pay us a fee and our trainers' travel and living expenses. The trainers arrive at or before the opening and typically stay for a minimum of 7 nights (not including virtual training), although we may (at our option) conduct this training on more than 1 visit. There are no instructional materials or tasks that you must complete to our satisfaction. As of the date of this disclosure document, there is no predetermined agenda for this on-the-job training. The trainers will generally train Hotel managers and staff with aspects of day-to-day operations, including:

- Guest services
- Housekeeping and laundry efficiencies
- Food and beverage
- Front desk
- Culinary (if applicable)
- Hyatt systems, tools, and initiatives with hotel leaders

Additional, Supplemental, and Optional Training Programs During Franchise Term

If any member of the Hotel's Core Management team or other individuals whom we required to attend training ceases to hold that position, you (or the approved management company or any F&B Operator) must have their replacement attend and successfully complete the applicable mandatory brand standard training programs that we reasonably specify, some of which we describe above, within 90 days (or a longer period we periodically designate) after assuming their position. We may charge fees for this training, and you must pay all travel and living expenses. If we determine that any Hotel personnel have failed to satisfactorily complete any training program, you (or the approved management company or F&B Operator) must immediately hire a substitute and promptly arrange for that person to complete training to our satisfaction.

We may, at the times and places we deem best, require the Hotel's Core Management and other personnel to participate in regional and national conventions, meetings and other brand standard training programs that we periodically specify. For example, we may require additional training when major concept and repositioning changes occur in a food and beverage outlet at the Hotel. These individuals must attend any supplemental training within the time period we reasonably specify after you receive notice from us. We also may periodically hold an owner convention for all or a certain group of Hyatt Hotels and/or all or certain other Hyatt Network Hotels at a location we periodically designate. You must pay our fees for these programs and conventions. You must pay all of your personnel's travel, living and other expenses (including local transportation expenses) and compensation relating to these training programs and conventions. (Sections 3.1 and 3.4 and Exhibit B-1 of Franchise Agreement)

In addition to our mandatory initial training programs, we also offer various optional brand standard training courses for Hotel personnel during the Franchise Agreement's term. We typically update the menu of optional courses annually to address then current hotel and business needs. These optional offerings include discounted enrollment for eCornell's self-paced, facilitated courses and certificate programs specifically curated for hospitality professionals. We also make available other virtually-facilitated commercial services offerings and over 1,600 free, multi-lingual self-paced courses via our learning platform. In addition, we periodically offer optional instructor-led or virtual programs for a fee. You may, at your option, send Hotel personnel to some or all of these programs if you pay our then current fees. We typically conduct optional training programs either at our headquarters in Chicago, Illinois, at your Hotel, or at another operating Hyatt hotel. We offer optional brand standards training programs on an ongoing basis.

Item 12

TERRITORY

Franchise Agreement

You must operate the Hotel only from a specific site that we first approve. Your rights under the Franchise Agreement are limited to operating the Hotel at the approved site. If all or a substantial portion of the Hotel is condemned or suffers a casualty requiring you to close all or a portion of the Hotel, you may relocate the Hotel to a location we approve.

Unless the Hotel is an operating Brand Hotel, we and you will agree on the boundaries of your “Area of Protection” before signing the Franchise Agreement. We typically define the Area of Protection’s boundaries using geographic references (such as streets or rivers) or as a circle with the Hotel at its center. The Area of Protection’s size will vary widely depending on the Hotel’s size and location. It could be as small as a block in urban areas and up to about a 5-mile radius from the Hotel’s entrance in certain suburban areas. We also will assign an “AOP Term” and list the AOP Term in the Franchise Agreement before we and you sign it. The AOP Term is the time period during which your rights in the Area of Protection will apply. The AOP Term begins on the effective date of the Franchise Agreement and typically ends 3 years after the Hotel’s opening date.

Subject to the one exception below, neither we nor any of our affiliates will open and operate during the AOP Term, nor authorize any other party to open and operate during the AOP Term, any other Brand Hotel the physical premises of which are located within the Area of Protection. One exception to this restriction is that, during the AOP Term, if we or any affiliate acquires ownership of or the right to operate, manage, franchise or license (regardless of the form of transaction) another group of at least 4 hotels, one or more of which hotels are located or are under contract or construction to be located in the Area of Protection, then we and our affiliates will have the unrestricted right to convert, or cause to be converted, the acquired hotel(s) within the Area of Protection from its (or their) original trade identity to operate under the Proprietary Marks and the Hotel System. We then may operate, or authorize any other party to operate, those hotel(s) as Brand Hotel(s), even if one or more of the other acquired hotels, whether operating within or outside the Area of Protection, are not converted to Brand Hotels.

If the Hotel is an operating Brand Hotel, you may not receive any Area of Protection or AOP Term when signing the Franchise Agreement. We will make the determination of whether to provide any Area of Protection based on the time during which the Hotel has operated under the “Hyatt Studios” name and the market conditions under which the Hotel operates.

Your rights in the Area of Protection apply only during the AOP Term. Following the AOP Term, you will have no territorial rights or protection, whether within or outside the Area of Protection, and we and our affiliates may open and operate, and authorize any other parties to open and operate, other Brand Hotels the physical premises of which are located within the Area of Protection, including under franchise applications submitted and/or franchise agreements and other agreements signed during the AOP Term. Because we and others may establish and operate one or more Brand Hotels and other Hyatt Network Hotels within the Area of Protection after the AOP Term expires, and during the AOP Term under the exception above, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

Except for the limited exclusivity described above, your rights under the Franchise Agreement are nonexclusive in all respects, the Hotel has no territorial protection whatsoever, and we and our affiliates have the right without restriction to engage in all activities we and they desire (including concerning all types of lodging facilities) at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with your Hotel. We and our affiliates may use or benefit from, among other things,

common computer systems, administrative systems, reservation systems, purchasing systems, and personnel, and may provide some or all of the System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with the Hotel. You will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

You have no options, rights of first refusal or similar rights to acquire additional franchises. Continuation of your territorial rights does not depend on your achieving a certain sales volume, market penetration or other contingency. We may not alter your Area of Protection or territorial rights during the AOP Term.

There are no restrictions on where you or other Brand Hotel operators (including us and our affiliates) may solicit customers or accept orders. We and our affiliates may use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales in the Area of Protection under the Proprietary Marks and other trademarks without compensating you. You may use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to advertise and market the Hotel outside of the Area of Protection with our approval. Except for the CRS, you may not use the Internet or any other method to accept reservations for the Hotel.

As described in Item 1, Hyatt Corporation and certain of its affiliates operate and/or grant franchises for various types of hotel, resort, spa, timeshare and other lodging facilities, other accommodations and hospitality affiliations that operate under the Hyatt® name and other trade names. (We disclose the principal business addresses for Hyatt Corporation and some of these affiliates, and these other trade names, in Item 1.) We share offices and/or training locations with Hyatt Corporation and some of its other affiliates. These facilities may solicit and serve customers located near your Hotel's location. You should expect to find, now and in the future, facilities identified with the Hyatt® name and/or these other trade names, and other brands that we and our affiliates operate, franchise, or develop in the future, in your Area of Protection. These facilities will sell goods and services similar to those that you will sell. If conflicts arise between our franchisees and the franchisees and operators of these other facilities, we will analyze them and take the actions (if any) that we deem appropriate. We also may (but need not) develop internal policies for dealing with conflicts.

Development Rights Agreement

If we and you sign a Development Rights Agreement, we and you will identify the Development Area within which you and your Controlled Affiliates will develop Brand Hotels in an exhibit to the Development Rights Agreement before signing it. We typically determine development areas using Designated Market Areas (DMAs), by city, county or other political boundaries, or by geographic boundaries. The Development Area's size will vary depending on the number of Brand Hotels in the Development Schedule. There is no minimum size for a Development Area.

We and you will agree on the number of Brand Hotels that you or your Controlled Affiliates must open, and the dates by which you and they must sign franchise agreements for and open them, to keep your territorial rights and insert this information in the Development Rights Agreement before signing it. Franchises that we grant to your Controlled Affiliates will count toward your Development Schedule. You and your Controlled Affiliates may not develop Brand Hotels outside the Development Area under the Development Rights Agreement.

Subject to the one exception below, neither we nor any of our affiliates will open and operate during the Development Rights Agreement's term, nor authorize any other party to open and operate during that term, any other Brand Hotel the physical premises of which are located within the Development Area. One exception to this restriction is that, during the Development Rights Agreement's term, if we or any affiliate acquires ownership of or the right to operate, manage, franchise or license (regardless of the form of transaction) another group of at least 4 hotels, one or more of which hotels are located or are under contract or construction to be located in the Development Area, then we and our affiliates will have the unrestricted right to convert, or cause to be converted, the acquired hotel(s) within the Development Area from its (or their) original trade identity to operate under the Proprietary Marks and the Hotel System. We then may operate, or authorize any other party to operate, those hotel(s) as Brand Hotel(s), even if one or more of the other acquired hotels, whether operating within or outside the Development Area, are not converted to Brand Hotels. Because we and others may establish and operate one or more Brand Hotels within the Development Area under this exception, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

Except for the limited exclusivity described above, your rights under the Development Rights Agreement are nonexclusive in all respects, you have no territorial protection, and we and our affiliates have the right without restriction to engage in all activities we and they desire (including concerning all types of lodging facilities), at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with your existing or planned Brand Hotels. We and our affiliates may use or benefit from, among other things, common computer systems, administrative systems, reservation systems, purchasing systems and personnel, and may provide some or all System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with your existing or planned Brand Hotels. You will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

To maintain your rights under the Development Rights Agreement, for each Brand Hotel, you must sign a franchise agreement for, and open and begin operating, that hotel on or before the deadlines listed in the Development Schedule. If you fail to meet the Development Schedule, we may terminate the Development Rights Agreement. In addition, to retain your rights under the Development Rights Agreement, each Brand Hotel it covers must operate continuously during the agreement's term, otherwise we may terminate the Development Rights Agreement. Your rights in the Development Area apply only during the Development Rights Agreement's term. Following that term, you will have no territorial rights or protection, whether within or outside the Development Area, and we and our affiliates may open and operate, and authorize any other parties

to open and operate, other Brand Hotels the physical premises of which are located within the Development Area, subject only to franchise agreements with us then in effect.

Upon the occurrence of any event that allows us to terminate your Development Rights Agreement, in addition to our other rights, we may:

(1) terminate your territorial rights and the territorial restrictions on us and our affiliates described above in all or any parts of the Development Area that we specify. In this case we (and our affiliates) may operate, and authorize any other parties to operate, Brand Hotels the physical premises of which are located within the Development Area (or those parts of the Development Area) and engage, and allow others to engage, in any other activities we desire within the Development Area (or those parts of the Development Area) without any restrictions, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us;

(2) temporarily suspend or permanently terminate your right to develop new Brand Hotels in any geographic area that is part of the Development Area. In this case: (a) your territorial rights and the territorial restrictions on us and our affiliates described above will no longer apply in that geographic area, and (b) we (and our affiliates) may operate, and authorize any other parties to operate, Brand Hotels the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities we desire within that geographic area without any restrictions, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us; and/or

(3) reduce the number of remaining Brand Hotels that you may develop under the Development Schedule. In this case you must comply with the reduced Development Schedule that we provide in our written notice. We need not refund any portion of the Development Fee paid for Brand Hotels that you are no longer permitted or required to develop.

Except for these situations, continuation of your territorial rights in the Development Area does not depend on your achieving a certain sales volume, market penetration, or other contingency, and we may not alter your Development Area or modify your territorial rights in the Development Area. You have no other options, rights of first refusal or similar rights to acquire additional franchises.

TRADEMARKS

Hyatt Corporation registered the following principal Proprietary Marks on the Principal Register of the United States Patent and Trademark Office (the “PTO”):

<u>Mark</u>	<u>Registration No.</u>	<u>Registration Date</u>
Hyatt	945,384	October 17, 1972
World of Hyatt	5,201,881	May 9, 2017

Hyatt Corporation has made all required renewal and affidavit filings for these registrations.

In addition, Hyatt Corporation has filed applications for the following Marks on the Principal Register of the PTO:

<u>Mark</u>	<u>Application No.</u>	<u>Application Date</u>
Hyatt Studios	97/893537	April 18, 2023
Hyatt Studios logo	97/893556	April 18, 2023

Hyatt Corporation’s applications for these trademarks remain pending, so we do not have a federal registration for our principal trademark. Therefore, our trademark does not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

Hyatt Corporation granted us the rights to use and sublicense the Proprietary Marks under a Trademark License Agreement dated November 1, 1993, as amended (the “Trademark License Agreement”). That agreement has a perpetual term, subject to termination by Hyatt Corporation for cause. Hyatt Corporation may terminate the agreement if it no longer owns a majority interest in us, if we fail to make a required payment and do not cure the failure within 7 days after notice, if we fail to maintain or require our sublicensees to maintain Hyatt Corporation’s prescribed standards of quality and service and do not cure the failure within 30 days after notice, if we fail to comply with any other provision of the agreement and do not cure the failure within 30 days after notice, or if we have an insolvency event and do not cure the failure within 60 days after notice. If Hyatt Corporation terminates the Trademark License Agreement because we failed to maintain or failed to require our sublicensees to maintain Hyatt Corporation’s standards of quality and service, Hyatt Corporation may enter into a license with our authorized franchisees, but only if the franchisee not in default of its franchise agreement. No other agreements significantly limit our rights to use or license the Proprietary Marks in a manner material to the franchise.

There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, any state trademark administrator or any court, and no pending infringement, opposition or cancellation proceedings or other material federal or state court litigation, involving

the Proprietary Marks. We do not know of any superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in any state.

You must follow our rules when using the Proprietary Marks. You (and any F&B Operators at the Hotel) may not use the Proprietary Marks with any Hotel restaurant operations without our prior written consent, which we will not unreasonably withhold, and complying with all related System Standards. If we discover your unauthorized use of the Proprietary Marks, we may require you to destroy (with no reimbursement from us) all offending items reflecting that unauthorized use. You must notify us immediately of any apparent infringement or challenge to your use of any Proprietary Mark, or of any person's claim of any rights in any Proprietary Mark, and not communicate with any person other than us, our affiliates, and our and their attorneys, and your attorneys, regarding any infringement, challenge, or claim. We and our affiliates may take the action we and they deem appropriate (including no action) and control exclusively any litigation, PTO proceeding, or other proceeding arising from any infringement, challenge, or claim or otherwise concerning any Proprietary Mark. You must sign any documents and take any other reasonable actions that, in the opinion of our and our affiliates' attorneys, are necessary or advisable to protect and maintain our and our affiliates' interests in any litigation or PTO or other proceeding or otherwise to protect and maintain our and our affiliates' interests in the Proprietary Marks. We will reimburse your reasonable out-of-pocket costs for taking any requested action.

If it becomes advisable at any time for us and/or you to modify, discontinue using, and/or replace any Proprietary Mark and/or to use one or more additional, substitute, or replacement trade or service marks, you must comply with our directions within a reasonable time after receiving notice. Neither we nor our affiliates will reimburse you for any costs or expenses you incur relating to these directions, including your expenses of changing the Hotel's signs, any loss of revenue due to any modified or discontinued Proprietary Mark, or your expenses of promoting a modified or substitute trademark or service mark. Our rights in this paragraph apply to any of the Proprietary Marks (and any portion of any Proprietary Mark) that we authorize you to use.

We will reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Proprietary Mark if you have timely notified us of, and comply with our directions in responding to, the proceeding. We will defend you in the proceeding and, at our option, we and/or our affiliate(s) may defend and control the defense of any proceeding arising from your use of any Proprietary Mark.

The Development Rights Agreement does not grant you any rights to use the Proprietary Marks. You derive the right to use the Proprietary Marks only under a franchise agreement.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents or pending patent applications are material to the franchise. We and our affiliates claim copyright protection for the Copyrighted Materials. We have not registered these Copyrighted Materials with the United States Copyright Office but need not do so at this time in order to protect them. You must follow our rules when using the Copyrighted Materials. You

may use the Copyrighted Materials only as we specify to operate the Hotel under the Franchise Agreement.

You must notify us immediately of any apparent infringement or challenge to your use of any Copyrighted Materials or Confidential Information, or of any person's claim of any rights in any Copyrighted Materials or Confidential Information, and not communicate with any person other than us, our affiliates, and our and their attorneys, and your attorneys, regarding any infringement, challenge, or claim. We and our affiliates may take the action we and they deem appropriate (including no action) and control exclusively any litigation or administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Copyrighted Materials or Confidential Information. You must sign any documents and take any other reasonable actions that, in the opinion of our and our affiliates' attorneys, are necessary or advisable to protect and maintain our and our affiliates' interests in any litigation or other proceeding or otherwise to protect and maintain our and our affiliates' interests in the Copyrighted Materials and Confidential Information. We will reimburse your reasonable out-of-pocket costs for taking any requested action. We need not participate in your defense nor indemnify you for damages and expenses you incur if you are a party to any administrative or judicial proceeding involving any Copyrighted Materials or if the proceeding is resolved unfavorably to you.

If it becomes advisable at any time in our sole judgment for you to modify or discontinue using any of the Copyrighted Materials and/or for you to use one or more additional or substitute copyrighted or copyrightable items, you must immediately comply with our directions.

There are no effective material determinations of, or pending material proceedings before, the PTO, the United States Copyright Office, or any court involving the Copyrighted Materials. We do not know of any infringement of the Copyrighted Materials that could materially affect you. No agreement significantly limits our right to use or license the Copyrighted Materials.

You will sign the Confidentiality Agreement while we and you are evaluating whether to start a franchise relationship. You must keep confidential all information concerning development plans for particular sites or markets and information concerning our plans, strategies, operations, processes, and System Standards. These obligations continue even if we and you do not sign a Franchise Agreement. You must take reasonable measures to ensure that your employees, agents and advisors comply with these restrictions and are responsible if they fail to do so. You also must promise us that our and your discussions and, if applicable, your signing a Franchise Agreement do not violate any laws, breach any agreements or require any consents.

We and our affiliates possess (and will continue to develop and acquire) Confidential Information, some of which constitutes trade secrets under applicable law, relating to developing and operating Brand Hotels. "Confidential Information" includes: (1) site selection criteria; (2) the substance, design, and construction of Brand Hotels and the Design and Construction Standards; (3) training and operations materials and modules; (4) methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge, and experience used in developing and operating Brand Hotels; (5) marketing, advertising and promotional programs for Brand Hotels; (6) Guest Information (defined below) and any information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels; (7) knowledge of

specifications for and suppliers of FF&E and other products and supplies that are uniquely identified with Brand Hotels and/or other Hyatt Network Hotels; (8) any part of the Technology System and other computer software or other technology that is proprietary to us, our affiliates or the Hotel System, including digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or other technology; (9) knowledge of the operating results and financial performance of Brand Hotels other than the Hotel; (10) graphic designs and related intellectual property; and (11) any negotiated provisions of the Franchise Agreement and any other agreements we sign with you.

Confidential Information is proprietary and includes our and our affiliate's trade secrets. You (a) must not use (or allow your affiliates to use) Confidential Information in any other business or capacity; (b) must keep confidential each item that is a part of Confidential Information, both during and after the Franchise Agreement's term (afterward for as long as the item is not generally known in the hotel industry); (c) must not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form; and (d) must adopt and implement reasonable procedures that we periodically specify to prevent unauthorized use or disclosure of Confidential Information.

Confidential Information does not include information, knowledge, or know-how that you can demonstrate lawfully came to your attention before we or our affiliate provided it to you or your affiliate directly or indirectly; that, at the time we or our affiliate disclosed it to you, already had lawfully become generally known in the hotel industry through publication or communication by others (without violating an obligation to us or our affiliate); or that, after we or our affiliate disclose it to you, lawfully becomes generally known in the hotel industry through publication or communication by others (without violating an obligation to us or our affiliate). However, if we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of these exclusions is satisfied.

All Guest Information is our property and part of Confidential Information. "Guest Information" means information and data relating to or derived from the Hotel's guests and other customers during the Franchise Agreement's term, whether obtained from the guest or customer or from any other source, including names, preferences, and other information about the guests' or customers' experiences and/or purchases, and including information stored in or provided to the CRS or the Hotel's property management system. We have the right periodically during the Franchise Agreement's term, without notice to you, to access the Hotel's property management system and other computer systems to retrieve Guest Information. We and our affiliates may use, and allow others to use, the Guest Information in any manner that we deem appropriate (subject to applicable law).

You may use the Guest Information, and certain other information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels that we periodically specify, during the Franchise Agreement's term only to market to and provide services to the Hotel's guests and potential guests in compliance with the System Standards and all applicable laws, rules and regulations. You must ensure that your affiliates may not access, and neither you nor any of your affiliates may use, any of that Guest Information or that other information or data in any other business or capacity. However, following the Franchise Agreement's expiration or

termination, you may use, and allow your affiliates and others to use, any Guest Information that was generated at the Hotel (and that we or our affiliate did not supply to the Hotel) during the guest's stay at the Hotel and stored in the Hotel's property management system database in any manner that you deem appropriate (subject to applicable law) at your own risk, if you comply, and ensure that any recipients of that Guest Information from you comply, with our then current policies and procedures regarding the collection, storage, use, processing and transfer of personal and/or financial data. If there is an actual or suspected breach of security or unauthorized access of Guest Information or other information from the Hotel's property management system or other computer system database, you must notify us promptly and we may require you to use a third party supplier we designate, at your sole cost and expense, to review and if necessary, remediate that breach or unauthorized access. You must not take any action that could jeopardize our or our affiliate's ability to comply with, or make certifications under, any law, regulation, contract, program or policy related to Guest Information (including privacy laws, privacy notices and PCI certifications) and applicable to us or our affiliate.

You must promptly disclose to us all inventions, innovations and discoveries relating to a Brand Hotel and based or relying upon any element of the Hotel System, including any advertising, marketing, promotional or public relations plans, programs or materials that you or your contractors develop for the Hotel (collectively, "Innovations"), whether or not protectable intellectual property and whether created by or for you, your affiliates or contractors, or your or their employees. Innovations are our or our affiliate's sole and exclusive property, part of the Hotel System, and works made-for-hire for us or our affiliate. You may not use any Innovation in operating the Hotel or otherwise without our prior written consent. If any Innovation does not qualify as a "work made-for-hire" for us or our affiliate, you assign ownership of that Innovation, and all related intellectual property rights and other rights to that Innovation, to us and must take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in the Innovation.

The Development Rights Agreement does not grant you any right to use our copyrighted materials or Confidential Information. You derive the right to use these items only under a franchise agreement with us.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Franchise Agreement

Hotel Management

Either a management company we approve, or you (if we approve you to manage the Hotel), must at all times retain and exercise direct management control over all aspects of the Hotel's business and be the employer of the Hotel's Core Management and other personnel, except for any members of Core Management that are overseen by an F&B Operator whom we approve. You may not enter into any lease, management agreement, or other similar arrangement with any

management company for the management or other oversight of all or a part of the Hotel's operation (a "Management Arrangement") without our prior written approval of the management company, and you may not yourself manage the Hotel without our approval of you as the Hotel's operator. We will not unreasonably withhold our approval if the management company or you (as applicable) meets our minimum qualifications and ensures that its or your personnel attend and satisfactorily complete required brand standard training programs. If we approve a management company, as a condition of that approval, the management company must sign the documents we require to protect our intellectual property rights and reflect its agreement to perform its management responsibilities and operate the Hotel in compliance with the Franchise Agreement. Our current form of Management Company Rider is attached as Exhibit F to the Franchise Agreement.

We may refuse to approve a management company that is a Competing Brand Owner. "Competing Brand Owner" means any entity that (a) is either a franchisor or owner of a Competing Brand (defined below), (b) manages or otherwise operates hotels exclusively for the franchisor or owner of a Competing Brand, or (c) is an affiliate of any entity described in (a) or (b) above. A "Competing Brand" is a hotel concept that has at least 5 hotels operating under that concept's trade name anywhere in the world and that, in our reasonable opinion, competes with Brand Hotels. If the management company or you (if we approve you to manage the Hotel) at any time becomes a Competing Brand Owner, fails to meet our minimum qualifications (as we may periodically modify them) or fails to comply with the Franchise Agreement (including any System Standards and/or if the Hotel remains in any remedial or non-compliant status under our then current Quality Assurance and Compliance Program for 3 or more consecutive months), the Management Company Rider, or any conditions of operator approval that we previously imposed, then we may: (a) revoke our approval of that management company or you as the Hotel's manager; or (b) as a condition of our continued approval, we may impose on that management company or you additional requirements, including participation in remedial training and other operational programs, at the Management Company's or your expense. If we revoke our approval of the Management Company or you as the manager, then you must promptly terminate the Management Arrangement (if applicable) and either assume direct control of the Hotel's management and operation, if we approve you to manage the Hotel, or engage another management company we approve.

You must ensure that all F&B Operations operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards. You must provide, or cause the management company to provide, all brand standard training programs to the F&B Operator that we periodically specify. If the F&B Operator at any time fails to operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards, or fails to comply with any agreement with us, then, without limiting our other rights and remedies under the Franchise Agreement and applicable law, we may revoke our approval of the F&B Operator. You then must promptly terminate your arrangement with the F&B Operator and either assume (if we approve you to manage the Hotel) or have your approved management company assume direct control of the Hotel's F&B Operations or engage another approved F&B Operator we approve.

At our option, before any of the Hotel's Core Management are engaged, you must submit to us the proposed candidate's identity and qualifications. If the general manager fails to ensure

that the Hotel satisfies our quality assurance requirements and other brand standards, then we may require you (or your approved management company) to hire a new general manager for the Hotel. You or the management company (as applicable) is solely responsible for hiring the Core Management and other Hotel personnel and determining the terms and conditions of their employment. You (or your approved management company or F&B Operator) must hire and properly train all Core Management personnel and have a Core Management team in place at the Hotel at all times. Also, all members of the Hotel's Core Management must spend all of their working time at the Hotel fulfilling their management and operational responsibilities and may not concurrently maintain a position at another lodging facility or in any other capacity related to the lodging industry.

If you or your approved management company choose to retain a revenue manager for the Hotel, we must certify the revenue manager within 90 days after the revenue manager's date of hire or, if already employed by you or your approved management company, within 90 days after the date the revenue manager begins providing revenue management services to the Hotel. Revenue managers must: (a) provide revenue management services to no more than 20 Brand Hotels; (b) meet our then current qualification criteria and complete all required revenue management training courses to our satisfaction; and (c) have authorized access to our reservation system and the other systems and software necessary to perform revenue management functions. Although you may retain third parties to consult on revenue management matters, only you, a management company we approve, or a certified revenue manager employed by you or your approved management company can access our revenue management systems and the data contained in our revenue management systems.

A Core Management team who has satisfactorily completed our initial training program must devote all of its business time to supervising the Hotel's day-to-day operations. Your Hotel's general manager and other Core Management personnel need not have an equity interest in the Hotel or in you.

Guaranty and Guarantor Monetary Threshold

We expect that only business entities, and not individuals, will sign our Franchise Agreement. You must cause one or more of the direct and indirect owners (whether they are individuals or business entities) of a Controlling Ownership Interest (defined below) in you which we specify to sign the form of Guaranty and Assumption of Franchisee's Obligations attached to the Franchise Agreement (the "Guaranty"). Under the Guaranty, these owners must personally guaranty all of your obligations under the Franchise Agreement and be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, both monetary and non-monetary, including the confidentiality and arbitration obligations.

In addition, each owner that signs the Guaranty must agree, and you must ensure, that at least one guarantor will satisfy the Guarantor Monetary Threshold at all times during the Franchise Agreement's term. The "Guarantor Monetary Threshold" means each of the following: (a) total assets less total liabilities (excluding Hotel assets and liabilities relating solely to the Hotel), each as calculated according to U.S. generally accepted accounting principles, in the minimum amount of the guarantor net worth minimum listed in Exhibit B-1 to the Franchise Agreement; and (b)

liquid assets (consisting of cash, cash equivalents and marketable securities) in the minimum amount of the guarantor liquidity minimum listed in Exhibit B-1 to the Franchise Agreement. We will determine the amount of the Guarantor Monetary Threshold as of the Franchise Agreement's effective date based on information we deem relevant, including the Hotel's size, the market in which the Hotel will operate, and our assessment of our risk or exposure in the transaction. We will list the initial Guarantor Monetary Threshold in Exhibit B-1 to the Franchise Agreement before we and you sign it. The Guarantor Monetary Threshold will increase automatically each year of the Franchise Agreement's term, without notice from us, effective on the first day of the calendar month during which the Franchise Agreement's effective date falls, by an amount equal to the CPI Increase. The "CPI Increase" means the amount to be adjusted multiplied by a fraction, the numerator of which is the Consumer Price Index for All Urban Consumers for All Items, which the U.S. Department of Labor, Bureau of Labor Statistics publishes (the "Base Index") as of the first day of the calendar month during which the increase is to take effect, and the denominator of which is the Base Index in effect on the Franchise Agreement's effective date or used for the most recent increase (whichever is later). If the Base Index is no longer published, we may designate another reasonably comparable index for calculating changes in the cost of living or purchasing power for consumers. Your guarantors must provide us on an annual basis financial statements or other documents that we reasonably specify, which you or the guarantor certify in the manner we specify, demonstrating that at least one guarantor satisfies the Guarantor Monetary Threshold. You and your guarantors must reasonably cooperate with all auditing and reporting requirements relating to the Guarantor Monetary Threshold.

A "Controlling Ownership Interest" in you or one of your owners (if that owner is a legal entity) means, whether directly or indirectly, either: (a) the record or beneficial ownership of, or right to control, 50% or more of the investment capital, equity, rights to receive profits or losses, or other rights to participate in your or the entity's results; or (b) the effective control of the power to direct or cause the direction of your or that entity's management and policies, including a general partnership interest (if the entity is a partnership) and a manager or managing member interest (if the entity is a limited liability company), or the power to appoint or remove any party having these powers. In addition, in the case of (a) or (b), the determination of whether a "Controlling Ownership Interest" exists is made both immediately before and immediately after a proposed transfer.

Development Rights Agreement

You must develop your Development Area according to the Development Schedule. We recommend that you (or, if you are an entity, your owners) personally supervise your development of Brand Hotels. Under the Development Rights Agreement, your personnel need not have an equity interest in any Brand Hotel or in you. Personnel need not attend our training program. If you are an entity, your owners need not sign any personal guarantees of your obligations under the Development Rights Agreement.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Under the Franchise Agreement, you must offer all products and provide all services that we periodically authorize for your Hotel (including F&B Operations) in compliance with all applicable laws and according to our quality standards. We may change these products and services at any time, and there is no limit on this right. You may not sell any products or perform any services at the Hotel that we have not authorized. You also must obtain our approval of your relationship with any F&B Operator, including the restaurant concept and the lease terms. The Franchise Agreement contains no restrictions on the customers to whom you may provide goods and services.

You will establish the Hotel's room rates if those rates and your pricing policies comply with System Standards (to the maximum extent the law allows). You must comply with our "best rate guarantee" and related policies, as we periodically modify them. You may not charge any guest a rate higher than the rate that the reservations center specifies to the guest at the time the guest makes the reservation. You may not change the number of guest rooms in the Hotel without our consent.

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location under particular circumstances.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders and the Board of Directors of Hyatt Hotels Corporation

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Hyatt Hotels Corporation and subsidiaries (the "Company") as of December 31, 2024 and 2023, the related consolidated statements of income, comprehensive income, stockholders' equity and noncontrolling interests, and cash flows, for each of the three years in the period ended December 31, 2024, and the related notes and the financial statement schedule listed in the Index at Item 15 (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2024, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current-period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing a separate opinion on the critical audit matters or on the accounts or disclosures to which they relate.

Deferred Revenue Related to the Loyalty Program – Refer to Notes 2 and 3 to the financial statements

Critical Audit Matter Description

The Company operates the loyalty program for the benefit of the Hyatt portfolio of properties during the period of their participation in the loyalty program. The Company's estimate of the value of the deferred revenue liability related to the loyalty program ("the liability") is \$1,333 million as of December 31, 2024 and is actuarially determined based on the anticipated timing of future point redemptions, including an estimate of the breakage for points that will not be redeemed. Changes in the estimates used in the determination of the liability could result in a material change to the liability.

Given the subjectivity of the Company's breakage assumption, performing audit procedures to evaluate the reasonableness of this estimate involved a higher degree of auditor judgment and an increased extent of effort, including the need to involve our actuarial specialists in performing audit procedures over the liability.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the liability included the following, among others:

- We tested the effectiveness of the Company's controls related to the liability, including those over the estimation of the breakage assumption.
- We tested the underlying data that served as the basis for the actuarial estimate, including points earned and redemptions, to test that the inputs to the actuarial estimate were reasonable.
- With the assistance of our actuarial specialists, we developed independent estimates of the liability and compared our estimates to management's estimate.

Goodwill – Refer to Note 9 to the financial statements

Critical Audit Matter Description

The Company evaluates goodwill for impairment annually during the fourth quarter of each year. As a result of the impairment analyses, the Company determined that the carrying value of a reporting unit within the management and franchising segment ("the reporting unit") was in excess of the fair value and recognized \$110 million of goodwill impairment charges. The Company's consolidated goodwill balance as of December 31, 2024 was \$2,541 million, of which \$1,116 million related to the reporting unit.

Management estimated the fair value of the reporting unit using a weighted methodology considering the output from both a discounted future cash flow model and the guideline public companies method. The fair value determination of the reporting unit required management to make significant assumptions and judgments related to the projected future cash flows, discount rate, and capitalization rate.

Given the determination of fair value of the reporting unit required management to make significant assumptions and judgments related to the projected future cash flows, discount rate, and capitalization rate, performing audit procedures to evaluate the reasonableness of these estimates and assumptions involved a high degree of auditor judgment and an increased extent of effort, including the need to involve our fair value specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the projected future cash flows, discount rate, and capitalization rate included the following, among others:

- We tested the effectiveness of the Company's controls over management's goodwill impairment analyses, including those over management's selection of the projected future cash flows, discount rate, and capitalization rate.
- We evaluated the reasonableness of management's projected future cash flows associated with the reporting unit by comparing them to (1) historical results, (2) internal communications to management and those charged with governance of the reporting unit, and (3) forecasted information included in analyst and industry reports for the Company and its peer companies.
- With the assistance of our fair value specialists, we evaluated the reasonableness of the discount rate and capitalization rate by (1) testing the source information underlying the determination of the discount rate and capitalization rate, (2) testing the mathematical accuracy of the calculations, (3) developing a range of independent estimates and comparing those to the discount rate selected by management, and (4) evaluating the reasonableness of inputs included in the capitalization rate.

Hyatt Hotels Corporation, a Delaware corporation, and its consolidated subsidiaries have offerings that consist of full service hotels and resorts, select service hotels, all-inclusive resorts, and other properties, including timeshare, fractional, and other forms of residential and vacation units. We also offer distribution and destination management services through ALG Vacations and distribution services through Mr & Mrs Smith, a boutique and luxury global travel platform. At December 31, 2024, our hotel portfolio included 1,442 hotels, comprising 347,301 rooms throughout the world, of which 721 hotels are located in the United States, comprising 159,829 rooms, and 149 are all-inclusive resorts, comprising 55,708 rooms. At December 31, 2024, our portfolio of properties operated in 79 countries around the world. Additionally, we provide certain reservation and/or loyalty program services to hotels that are unaffiliated with our hotel portfolio and operate under other trade names or marks owned by such hotels or licensed by third parties.

Transaction and Integration Costs—During the year ended December 31, 2024, we presented a new financial statement line item to provide enhanced visibility on our consolidated statements of income and reclassified prior-period results for comparability. Transaction and integration costs include the following:

- integration costs, which were previously recognized in integration costs during the three months ended March 31, 2024 and general and administrative expenses during the years ended December 31, 2023 and December 31, 2022 and primarily include expenses incurred related to the integration of recently acquired businesses, including certain compensation expenses, professional fees, sales and marketing expenses, and technology expenses;
- transaction costs for potential transactions, primarily related to professional fees incurred for acquisitions and dispositions, which were previously recognized in general and administrative expenses; and
- transaction costs for transactions completed during the period, primarily related to professional fees incurred for acquisitions, which were previously recognized in other income (loss), net. Transaction costs incurred during the period of a completed disposition continue to be recognized in gains (losses) on sales of real estate and other.

Segment Realignment—During the year ended December 31, 2024, we realigned our operating and reportable segments to align with our business strategy, certain organizational changes within our leadership team, and the manner in which our CODM assesses performance and makes decisions regarding the allocation of resources. The segment realignment had no impact on our consolidated financial position or results of operations. Prior-period segment results have been recast to reflect our new reportable segments. See Note 19 for a summary of our revised reportable segments and summarized consolidated financial information by segment.

In conjunction with the segment realignment, certain financial statement line item descriptions were revised within our consolidated statements of income. With the exception of the new transaction and integration costs financial statement line item described above, the composition of the accounts within these financial statement line items remains unchanged. The changes include:

New financial statement line item	Previously-used financial statement line item
Owned and leased revenues	Owned and leased hotels revenues
Franchise and other fee revenues	Franchise, license, and other fee revenues
Revenues for reimbursed costs	Revenues for the reimbursement of costs incurred on behalf of managed and franchised properties
General and administrative expenses (1), (2)	Selling, general, and administrative expenses
Integration costs (2)	Selling, general, and administrative expenses
Owned and leased expenses	Owned and leased hotels expenses
Reimbursed costs	Costs incurred on behalf of managed and franchised properties

(1) Excludes integration costs.

(2) Transaction and integration costs are now presented within a new financial statement line item as described above, transaction and integration costs.

Additionally, distribution and destination management revenues and expenses are no longer presented as the accounts under these previously-used financial statement line items are now included in the following:

Distribution revenues—Represents revenues derived from the ALG Vacations business, which were previously recognized in distribution and destination management revenues, and commission fee revenues related to Mr & Mrs Smith, which were previously recognized in other fee revenues.

Distribution expenses—Consists of expenses related to the ALG Vacations business, which were previously recognized in distribution and destination management expenses, and general and administrative expenses related to Mr & Mrs Smith, which were previously recognized in selling, general, and administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation—Our consolidated financial statements present the results of operations, financial position, and cash flows of Hyatt Hotels Corporation and its majority owned and controlled subsidiaries as well as entities consolidated under the variable interest entity ("VIE") model. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates—We are required to make estimates and assumptions that affect the amounts reported in our consolidated financial statements and accompanying footnotes (the "Notes"). Our estimates and assumptions are subject to inherent risk and uncertainty, and actual results could differ materially from our estimated amounts.

Reclassifications—Certain prior year amounts have been reclassified to conform to the current year presentation.

Revenue Recognition—Our revenues are primarily derived from the products and services provided to our customers and are generally recognized when control of the product or service has transferred to the customer. Our customers primarily include third-party owners and franchisees, guests at owned and leased hotels, customers that use our distribution services through ALG Vacations and Mr & Mrs Smith, a third-party partner through our co-branded credit card programs, and owners and guests of residential and vacation units. A summary of our revenue streams is as follows:

- *Gross fees*—Gross fees include base management fees, incentive management fees, and franchise and other fees. Base management fees are generally calculated as a percentage of gross revenues, and incentive management fees are generally computed based on a hotel profitability measure. Included in the management fees are fees that we earn in exchange for providing the hotel access to Hyatt's intellectual property ("IP"). Franchise and other fees consist of (i) an initial franchise fee and ongoing royalty fees computed as a percentage of gross room revenues and as applicable, food and beverage revenues, (ii) termination fees, (iii) license fees associated with the licensing of the Hyatt brand names through our co-branded credit card programs and with sales of our branded residential units, (iv) management and royalty fees related to the management and licensing of certain of our brands to the Unlimited Vacation Club following the UVC Transaction, and (v) fees from hotel services provided to certain all-inclusive resorts.
- *Net fees*—Net fees represent gross fees reduced by key money assets amortization and performance cure payments, which constitute payments to customers. Consideration provided to customers related to key money assets is recorded in other assets and amortized to Contra revenue over the expected customer life, which is typically the initial term of the management and hotel services agreement or franchise agreement.
- *Owned and leased revenues*—Owned and leased revenues are derived from room rentals and services provided at our owned and leased hotels. We present revenues net of sales, occupancy, and other taxes. Taxes collected on behalf of, and remitted to, governmental taxing authorities are excluded from the transaction price of the underlying products and services.
- *Distribution revenues*—Distribution revenues include revenues from the sale of vacation packages, experiences, and charter flights through ALG Vacations, destination services and excursions offered through Amstar, and commission fees related to Mr & Mrs Smith for bookings made directly through the platform and through third-party partners.
- *Other revenues*—Other revenues include revenues from the sale of promotional awards through our co-branded credit programs as well as the paid membership program prior to the UVC Transaction (see Note 4) and the Destination Residential Management business, which was sold during the year ended December 31, 2023 (see Note 7).
- *Revenues for reimbursed costs*—Revenues for reimbursed costs represent the reimbursement of costs incurred on behalf of third-party owners and franchisees. These reimbursed costs relate primarily to payroll at managed properties where we are the employer, as well as costs associated with system-wide services and the loyalty program operated on behalf of owners.

The products and services we offer to our customers are comprised of the following performance obligations:

Management and hotel services agreements and franchise agreements

- *Access to Hyatt's IP, including the Hyatt brand names*—We receive sales-based fees from hotel owners in exchange for providing access to our IP, including the Hyatt brand names and systems, among other services. Fees are generally payable on a monthly basis as third-party owners and franchisees derive value from access to our IP. Fees are recognized over time as services are rendered. Under our franchise agreements, we also receive initial fees from third-party owners and franchisees. The initial fees do not represent a distinct performance obligation, and therefore, are combined with the royalty fees and deferred and recognized in franchise and other fees over the expected customer life, which is typically the initial term of the franchise agreement.
- *System-wide services*—We provide system-wide services on behalf of owners of managed and franchised properties. The promise to provide system-wide services is not a distinct performance obligation because it is attendant to the access to our IP. Therefore, this promise is combined with the access to our IP to form a single performance obligation.

Hyatt's system-wide services are accounted for under a fund model whereby third-party owners and franchisees are invoiced a system-wide assessment fee on a monthly basis. We recognize the revenues over time as services are provided in revenues for reimbursed costs on our consolidated statements of income. We have discretion over how we spend program revenues, and therefore, we are the principal. Expenses related to the system-wide programs are recognized as incurred in reimbursed costs on our consolidated statements of income. Over time, we intend to manage the system-wide programs to break-even and not earn a profit on these services, but the timing of revenues received from the owners may not align with the timing of the expenses incurred to operate the programs. Therefore, any difference between the revenues and expenses will impact our net income.

- *Management and hotel services agreement services*—Under the terms of our management and hotel services agreements, we provide management and hotel services, which form a single performance obligation that qualifies as a series. In exchange, we receive variable consideration in the form of management or hotel services fees which are comprised of base and/or incentive management fees. Incentive fees are typically subject to the achievement of certain profitability targets, and therefore, we apply judgment in determining the amount of incentive management fees recognized each period. Incentive management fees are recognized to the extent it is probable that we will not reverse a significant portion of the fees in a subsequent period. We rely on internal financial forecasts and historical trends to estimate the amount of incentive management fees recognized and the probability that incentive fees will reverse in the future. Generally, base management and hotel services fees are due and payable on a monthly basis as services are provided, and incentive fees are due and payable based on the terms of the agreement, but at a minimum, incentive fees are billed and collected annually. Revenues are recognized over time as services are rendered.

Under the terms of certain management agreements, primarily within the U.S., we are the employer of hotel employees. When we are the employer, we are reimbursed for costs incurred related to the employee management services with no added margin, and the reimbursements are recognized over time as services are rendered in revenues for reimbursed costs on our consolidated statements of income. In jurisdictions in which we are the employer, we have discretion over how employee management services are provided, and therefore, we are the principal.

- *Loyalty program administration*—We administer the loyalty program for the benefit of Hyatt's portfolio of properties during the period of their participation in the loyalty program. Under the program, members earn points based on their spend at our properties and through our experience platform; by transacting with our strategic loyalty alliances, including American Airlines and Peloton; or in connection with spend on the World of Hyatt co-branded consumer and business credit cards. Loyalty program points can be redeemed for the right to stay at participating properties, as well as for other goods and services from third parties. Points earned by loyalty program members represent a material right to free or discounted goods or services in the future.

The loyalty program has one performance obligation that consists of marketing and managing the program and arranging for award redemptions by members. These two promises are not distinct because the promise to market and manage the program does not benefit the customer without the related arrangement for award redemptions. The costs of administering the loyalty program are charged to the properties through an assessment fee based on members' qualified expenditures. The assessment fee is billed and collected monthly, and revenues received by the program are deferred until a member redeems points. Upon redemption of points at managed and franchised properties, we recognize the previously deferred revenue in revenues for reimbursed costs on our

consolidated statements of income, net of redemption expense paid to managed and franchised hotels. We are responsible for arranging for the redemption of promotional awards, but we do not directly fulfill the award night obligation except at owned and leased hotels. Therefore, we are the agent with respect to this performance obligation for managed and franchised hotels, and we are the principal with respect to owned and leased hotels. A portion of our owned and leased revenues is deferred upon initial stay as points are earned by program members at owned or leased hotels, and revenues are recognized upon redemption at owned or leased hotels.

The revenues recognized each period are based on the number of loyalty points redeemed and the revenue per point, which includes an estimate of breakage for the loyalty points that will not be redeemed. Determining breakage involves significant judgment, and we engage third-party actuaries to assist us in estimating the ultimate redemption ratios used in the breakage calculations and the amount of revenues recognized upon redemption. Changes to the expected ultimate redemption assumptions are reflected in the current period. Any revenues in excess of the anticipated future redemptions are used to fund the other operational expenses of the program.

Room rentals and other services provided at owned and leased hotels

We provide room rentals and other services to our guests, including, but not limited to, food and beverage, spa, laundry, and parking. These products and services each represent individual performance obligations, and in exchange for these services, we receive fixed amounts based on published rates or negotiated contracts. Payment is due in full at the time the services are rendered or the goods are provided. If a guest enters into a package including multiple goods or services, the fixed price is allocated to each distinct good or service based on the standalone selling price for each item. Revenues are recognized over time when we transfer control of the good or service to the customer. Room rental revenues are recognized on a daily basis as the guest occupies the room, and revenues related to other products and services are recognized when the product or service is provided to the guest.

Hotels commonly enter into arrangements with online travel agencies, trade associations, and other entities. As part of these arrangements, we may pay the other party a commission or rebate based on the revenues generated through that channel. We recognize revenues gross or net of rebates and commissions depending on the terms of each contract.

Global travel platform bookings

Through Mr & Mrs Smith, we offer direct booking access primarily to properties that are unaffiliated with our hotel portfolio and operate under other trade names or marks owned by such hotels or licensed by third parties. Mr & Mrs Smith also has arrangements with third-party partners that market hotel offerings through their respective booking channels. In exchange for bookings made directly through Mr & Mrs Smith and through third-party partners, we receive variable consideration representing a commission fee from hotel owners, which is based on the total transaction value of the associated booking. Commission fee revenues are recognized at the time of the guest's stay in distribution revenues. Certain bookings require prepayment for travel prior to stay. These deposits are recorded as contract liabilities on our consolidated balance sheets until the stay occurs, at which point revenues are recognized in distribution revenues, net of amounts paid to hotel owners or third-party partners.

Distribution and destination management

ALG Vacations offers traditional leisure travel products and services on an individual and package basis to destinations primarily within Mexico and the Caribbean. Travel products and services include some or all of the following:

- Performance obligations in which third-party suppliers are primarily responsible for providing the services and ALG Vacations is the agent:
 - *Commercial air transportation provided by third-party air carriers*—revenues are recognized at the time of booking, net of related payments to suppliers;
 - *Hotel accommodations provided by our all-inclusive resorts and third-party branded hotels and resorts*—revenues are recognized on a net basis as the guest occupies the room;
 - *Travel insurance provided by third-party insurance companies*—revenues are recognized at the time of booking, net of related payments to suppliers;
 - *Car rental reservations provided by third-party companies*—revenues are recognized on a daily basis as the guest utilizes the rental car, net of related costs; and

- *Excursions provided by third-party companies*—revenues are recognized on the day of the excursion, net of related costs.
- Performance obligations in which ALG Vacations is primarily responsible for providing the services and is the principal:
 - *Chartered air transportation provided by ALG Vacations*—gross revenues are recognized at the time of departure and return; and
 - *Ground transportation and excursions provided by Amstar*—gross revenues are recognized at the time of departure and return.

In exchange for the products and services provided, we receive fixed and variable consideration that is allocated between the performance obligations based on relative standalone selling prices. For all performance obligations, we utilize a cost plus margin approach to determine the standalone selling price. For car rental reservations and excursions provided by third-party companies, we allocate the standalone selling price using observable transaction prices. Customers pay for travel prior to trip departure, and these deposits are recorded as contract liabilities on our consolidated balance sheets until the transfer of control of the related performance obligation occurs, at which point the related revenues are recognized in distribution revenues on our consolidated statements of income. For certain airline, hotel, and car rental transactions, we also receive fees through global distribution systems ("GDS") that provide the computer systems through which travel supplier inventory is made available and reservations are booked. Payments received through GDS are considered commissions from suppliers and are recognized as revenues at the time of booking in distribution revenues on our consolidated statements of income.

We provide advertising services to travel suppliers on our consumer websites and travel agent websites, in travel brochures, and via other media. Revenues from advertising are recognized in distribution revenues on our consolidated statements of income when the service is provided.

Co-branded credit card programs

We have co-branded credit card agreements with a third party, and under the terms of the agreements, we have various performance obligations: granting a license to the Hyatt name, arranging for the fulfillment of points issued to cardholders through the loyalty program, and awarding cardholders with free room nights upon achievement of certain program milestones. The loyalty points and free room nights represent material rights that can be redeemed for free or discounted services in the future.

In exchange for the products and services provided, we receive fixed and variable consideration which is allocated between the performance obligations based on their relative standalone selling prices. Significant judgment is involved in determining the relative standalone selling prices, and therefore, we engage a third-party valuation specialist for assistance. We utilize a relief from royalty method to determine the revenues allocated to the license, and the revenues are recognized over time as the licensee derives value from access to Hyatt's brand name in other revenues on our consolidated statements of income. We utilize observable transaction prices and adjusted market assumptions to determine the standalone selling price of a loyalty point, and we utilize a cost plus margin approach to determine the standalone selling price of the free room nights. The revenues allocated to loyalty program points and free night awards are deferred and recognized in revenues for reimbursed costs on our consolidated statements of income upon redemption or expiration of a card member's promotional awards, net of redemption expense when we are the agent. We are responsible for arranging for the redemption of promotional awards, but we do not directly fulfill the award night obligation except at owned and leased hotels. Therefore, we are the agent for managed and franchised hotels, and we are the principal with respect to owned and leased hotels.

We satisfy the following performance obligations over time: access to Hyatt's symbolic IP, services provided under management and hotel services agreements, administration of the loyalty program, and the license of our brand name through our co-branded credit card agreements. Each of these performance obligations is considered a sales-based royalty or a series of distinct services, and although the activities to fulfill each of these promises may vary from day to day, the nature of each promise is the same and the customer benefits from the services every day.

For each performance obligation satisfied over time, we recognize revenues using an output method based on the value transferred to the customer. Revenues are recognized based on the transaction price and the observable outputs related to each performance obligation. We deem the following to represent our progress in satisfying these performance obligations:

- revenues and operating profits earned by the hotels during the reporting period for access to Hyatt's IP as it is indicative of the value third-party owners and franchisees derive;
- revenues and operating profits of the hotels for the promise to provide services to the hotels under management and hotel services agreements;
- award night redemptions or point redemptions with third-party partners for the administration of the loyalty program performance obligation; and
- cardholder spend for the license to the Hyatt name through our co-branded credit card programs as it is indicative of the value our partner derives from the use of our name.

Within our management and hotel services agreements, we have two performance obligations: providing access to Hyatt's IP and providing management and hotel services. Although these constitute two separate performance obligations, both obligations represent services that are satisfied over time, and we recognize revenues using an output method based on the performance of the hotel. Therefore, we have not allocated the transaction price between these two performance obligations as the allocation would result in the same pattern of revenue recognition.

Revenues are adjusted for the effects of a significant financing component when the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year.

We have applied the practical expedient that permits the omission of prior-period information about revenues allocated to future performance obligations, and we do not estimate revenues allocated to remaining performance obligations for the following:

- deferred revenue related to the loyalty program, base management fees, and incentive management fees as the revenues are allocated to a wholly unperformed performance obligation in a series;
- revenues related to royalty fees as they are considered sales-based royalty fees;
- revenues received for free nights granted through our co-branded credit card programs as the awards have an original duration of 12 months;
- revenues related to advanced bookings at owned and leased hotels as each stay has a duration of 12 months or less; and
- revenues related to ALG Vacations and Mr & Mrs Smith distribution services as bookings are generally for travel within 12 months or less.

Contract Balances—Our payments from customers are based on the billing terms established in our contracts. Customer billings are recorded as accounts receivable when our right to consideration is unconditional. If our right to consideration is conditional on future performance under the contract, the balance is recorded as a contract asset in receivables, net on our consolidated balance sheets. Due to certain profitability hurdles in our management and hotel services agreements, incentive management fees are considered contract assets until the risk related to achieving the profitability metric no longer exists. When the profitability hurdle has been met, the incentive management fee receivable balance is recorded in accounts receivable in receivables, net on our consolidated balance sheets. Payments received in advance of performance under the contract are recorded as current or long-term contract liabilities on our consolidated balance sheets and recognized as revenues as we perform under the contract.

Costs Incurred to Obtain Contracts with Customers—Prior to the UVC Transaction (see Note 4), we incurred incremental costs to obtain membership contracts, primarily related to sales commissions. At December 31, 2023, we had \$27 million of these deferred costs recorded in prepaids and other assets and \$194 million recorded in other assets on our consolidated balance sheets. During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized \$4 million, \$27 million, and \$9 million, respectively, of amortization expense related to these deferred costs in other direct costs on our consolidated statements of income using the straight-line method over the same period as the associated revenues.

Foreign Currency—The functional currency of our consolidated entities located outside the U.S. is generally the local currency. The assets and liabilities of these entities are translated into U.S. dollars at period-end exchange rates, and the related

gains and losses, net of applicable deferred income taxes, are recorded in accumulated other comprehensive income (loss) on our consolidated balance sheets. Gains and losses from foreign currency transactions, including those related to intercompany receivables and payables, are recognized in other income (loss), net on our consolidated statements of income.

Fair Value—We apply the provisions of fair value measurement to various financial instruments, which we measure at fair value on a recurring basis, and to various financial and nonfinancial assets and liabilities, which we measure at fair value on a nonrecurring basis. We disclose the fair value of our financial assets and liabilities based on observable market information, where available, or market participant assumptions. These assumptions are subjective in nature and involve matters of judgment; therefore, fair values cannot always be determined with precision. When determining fair value, we maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are as follows:

- Level One—Fair values based on unadjusted quoted prices in active markets for identical assets and liabilities;
- Level Two—Fair values based on quoted market prices for similar assets and liabilities in active markets, quoted prices in inactive markets for identical assets and liabilities, and inputs other than quoted market prices that are observable for the asset or liability; and
- Level Three—Fair values based on inputs that cannot be corroborated by observable market data and reflect the use of significant management judgment. Valuation techniques may include the use of discounted future cash flow models, certain of which utilize probability weighting, and similar techniques and may be internally developed.

We recognize transfers in and transfers out of the levels of the fair value hierarchy at the end of each quarterly reporting period.

We typically utilize the market approach and income approach for valuing our financial instruments. The market approach utilizes prices and information generated by market transactions involving identical or similar assets and liabilities, and the income approach uses valuation techniques to convert future cash flows or earnings to a single, discounted present value. For instances in which the inputs used to measure fair value fall into different levels of the fair value hierarchy, the classification within the fair value hierarchy is determined based on the lowest level input that is significant to the fair value measurement in its entirety. Our assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of fair value assets and liabilities within the fair value hierarchy.

The carrying values of our current financial assets and current financial liabilities approximate fair values with the exception of debt and equity securities as discussed below and in Note 4 and financing receivables as discussed in Note 6. The fair value of long-term debt is discussed in Note 11, and the fair value of our guarantee liabilities and contingent consideration receivables and liabilities is discussed below and in Note 4, Note 7, and Note 15. We do not have nonfinancial assets or nonfinancial liabilities required to be measured at fair value on a recurring basis.

Cash Equivalents—We consider all highly liquid investments purchased with an original maturity of three months or less at the date of purchase to be cash equivalents. Except for time deposits as discussed below and in Note 4, cash equivalents are classified as Level One in the fair value hierarchy as we are able to obtain market pricing information on an ongoing basis.

Restricted Cash—Cash deposited or held in escrow under contractual or regulatory requirements is classified as restricted cash. Our restricted cash may include sales proceeds pursuant to like-kind exchanges, escrow deposits, deposits with banks that collateralize our obligations to certain vendors, and other arrangements.

Variable Interest Entities—We determine at the inception of each arrangement whether an entity in which we have made an investment or in which we have other variable interests is considered a VIE. We consolidate VIEs when we are the primary beneficiary. We are the primary beneficiary of a VIE when we have the power to direct activities that most significantly affect the economic performance of the VIE and have the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. If we are not the primary beneficiary of a VIE, we account for the investment or other variable interests in a VIE in accordance with the applicable GAAP. On a quarterly basis, we determine whether any changes in the interest or relationship with the entity impact the determination of whether we are still the primary beneficiary. For additional information about variable interest entities, see Note 4.

Equity Method Investments—We have investments in unconsolidated hospitality ventures accounted for under the equity method. These investments are an integral part of our business and strategically and operationally important to our overall results. When we receive a distribution from an investment, we determine whether it is a return on our investment or a return of our investment based on the underlying nature of the distribution. Certain equity method investments are reported on a

lag of up to three months. When intervening events occur during the time lag, we recognize the impact in our consolidated financial statements.

We assess investments in unconsolidated hospitality ventures for impairment quarterly, and when there is an indication that a loss in value has occurred, we may evaluate the carrying value in comparison to the estimated fair value of the investment, among other factors, to determine if the loss in value is other than temporary. Fair value is based on internally-developed discounted cash flow models, third-party appraisals, and if appropriate, pending third-party offers. Under the discounted cash flow approach, we utilize various assumptions requiring judgment, including projected future cash flows, discount rates, and capitalization rates, which are primarily Level Three assumptions. Our estimates of projected future cash flows are based on historical data, internal estimates, and/or external sources and are developed as part of our routine, long-term planning process.

We apply judgment to determine whether the decline in value is other than temporary. We consider factors including, but not limited to, the length of time and extent of the decline, loss of value as a percentage of the cost, financial condition and near-term financial projections, our intent and ability to recover the lost value, and current economic conditions. If the estimated fair value is less than the carrying value and the decline in value is deemed other than temporary, impairments are recognized in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income.

For additional information about equity method investments, see Note 4.

Debt and Equity Securities—Excluding equity method investments, debt and equity securities consist of various investments:

- Equity securities consist of interest-bearing money market funds, mutual funds, exchange-traded funds, common shares, and preferred shares. Equity securities with a readily determinable fair value are recorded at fair value on our consolidated balance sheets based on listed market prices or dealer quotations where available and are classified as Level One in the fair value hierarchy as we are able to obtain pricing information on an ongoing basis. Equity securities without a readily determinable fair value are recorded at cost less any impairment, plus or minus changes resulting from observable price changes in orderly transactions for the identical or similar investment of the same issuer. Net gains and losses, both realized and unrealized, and impairment charges on equity securities are recognized in other income (loss), net on our consolidated statements of income.
- Debt securities include preferred shares, convertible debt, time deposits, and fixed income securities, including U.S. government obligations, obligations of other government agencies, corporate debt, mortgage-backed and asset-backed securities, and municipal and provincial notes and bonds. Debt securities are classified as trading, available-for-sale ("AFS"), or HTM.
 - Trading securities are recorded at fair value based on listed market prices or dealer price quotations, where available. Net gains and losses, both realized and unrealized, on trading securities are recognized in net gains (losses) and interest income from marketable securities held to fund rabbi trusts or other income (loss), net, depending on the nature of the investment, on our consolidated statements of income.
 - AFS securities are recorded at fair value based on listed market prices or dealer price quotations, where available. Unrealized gains and losses on AFS debt securities are recorded in accumulated other comprehensive income (loss) on our consolidated balance sheets. Realized gains and losses on AFS debt securities are recognized in other income (loss), net on our consolidated statements of income. AFS securities are assessed quarterly for expected credit losses, which are recognized in other income (loss), net on our consolidated statements of income. In determining the allowance for credit losses, we evaluate AFS securities at the individual security level and consider our investment strategy, current market conditions, financial strength of the underlying investments, term to maturity, credit rating, and our intent and ability to sell the securities.
 - HTM securities are investments that we have the intent and ability to hold until maturity are recorded at amortized cost, net of expected credit losses and unamortized discounts calculated using an imputed interest rate. HTM securities are assessed for expected credit losses quarterly, and credit losses are recognized in other income (loss), net on our consolidated statements of income. In determining the allowance for credit losses, we evaluate HTM securities individually due to the unique risks associated with each security, and we consider the financial strength of the underlying assets, including the current and forecasted performance of the property, term to maturity, credit quality of the owner, and current market conditions.

We classify debt securities as current or long-term based on their contractual maturity dates and our intent and ability to hold the investment. Our debt securities are primarily classified as Level Two in the fair value hierarchy.

Time deposits are recorded at par value, which approximates fair value, and are therefore classified as Level Two. The remaining securities, other than our investments in preferred shares, are classified as Level Two due to the use and weighting of multiple market inputs being considered in the final price of the security. Our preferred equity investments and a convertible debt security are classified as Level Three as discussed in Note 4.

Interest income on preferred equity investments that earn a return is recognized in other income (loss), net.

For additional information about debt and equity securities, including where we record these securities on our consolidated balance sheets, see Note 4.

Accounts Receivables—Our accounts receivables primarily consist of trade receivables due from the following: hotel owners with whom we have management and hotel services agreements and franchise agreements for services rendered and for reimbursed costs; guests at our owned and leased properties for services rendered; third-party financial institutions for credit and debit card transactions; customers through ALG Vacations and Mr & Mrs Smith for using our distribution services; and a third-party partner for our co-branded credit card programs. We assess all accounts receivables for credit losses quarterly and establish an allowance to reflect the net amount expected to be collected. The allowance for credit losses is based on an assessment of historical collection activity, geographic considerations, and/or the current business environment and is recognized in general and administrative expenses, owned and leased expenses, or distribution expenses on our consolidated statements of income, based on the nature of the receivable. For additional information about accounts receivables, see Note 6.

Financing Receivables—Financing receivables represent contractual rights to receive money either on demand or on fixed or determinable dates and are recorded on our consolidated balance sheets at amortized cost, net of expected credit losses and unamortized discounts calculated using an imputed interest rate. We recognize interest as earned and include accrued interest in the amortized cost basis of the asset.

We may offer seller financing as part of our dispositions. Seller financing is generally accounted for as a significant financing component and recorded as a financing receivable on our consolidated balance sheets. We estimate the fair value of the financing receivable upon sale using discounted future cash flow models. The valuation methodology includes assumptions and judgments regarding discount rates and expected timing of payments, which are primarily Level Three assumptions.

Our financing receivables represent one portfolio segment based on the level at which we develop and document a systematic methodology to determine the allowance for credit losses. Based on initial measurement attributes, risk characteristics, and our method for monitoring and assessing credit risk, we have identified the following classes of financing receivables within our portfolio segment:

- Secured financing to hotel owners—These financing receivables are junior and senior secured mortgage loans and are collateralized by underlying hotel properties.
- Unsecured financing to hotel owners or unconsolidated hospitality ventures—These financing receivables are primarily made up of individual loans and other types of unsecured financing arrangements provided to hotel owners or unconsolidated hospitality ventures. These financing receivables are generally subordinate to senior financing and have stated maturities and interest rates, but the repayment terms vary and may be dependent on future cash flows of the hotel or unconsolidated hospitality venture.

We individually assess all financing receivables for credit losses quarterly and establish an allowance to reflect the net amount expected to be collected. We estimate credit losses based on an analysis of several factors, including current economic conditions, industry trends, and/or specific risk characteristics of the financing receivable, including capital structure, loan performance, market factors, and/or the underlying hotel performance. Adjustments to credit losses are recognized in other income (loss), net on our consolidated statements of income.

We evaluate accrued interest allowances separately from the financing receivable assets. On an ongoing basis, we monitor the credit quality of our financing receivables based on historical and expected future payment activity. We determine if financing to hotel owners and unconsolidated hospitality ventures is nonperforming based on facts and circumstances of the individual financing receivables, including, but not limited to, if interest or principal is greater than 90 days past due based on the contractual terms of the individual financing receivables or if an allowance has been established for our other financing arrangements with that borrower. If we consider a financing receivable to be nonperforming, we place the financing receivable on nonaccrual status.

For financing receivables on nonaccrual status, we recognize interest income in other income (loss), net on our consolidated statements of income when cash is received. Accrual of interest income is resumed and potential reversal of any

associated allowance for credit loss occurs when the receivable becomes contractually current and collection doubts are removed.

After an allowance for credit losses has been established, we may determine the receivable balance is uncollectible when all commercially reasonable means of recovering the receivable balance have been exhausted. We write off uncollectible balances by reversing the financing receivable and the related allowance for credit losses.

Financing receivables acquired in a business combination that have experienced more-than-insignificant deterioration in credit quality since origination are considered purchased with credit deterioration ("PCD") assets. PCD assets are accounted for at the purchase price or acquisition date fair value with an estimate of expected credit losses to arrive at an initial amortized cost basis. We use certain indicators, such as past due status and specific risk characteristics of the financing receivable, including capital structure, loan performance, market factors, and/or the underlying hotel performance, in identifying and assessing whether the acquired financing receivables are considered PCD assets.

For additional information about financing receivables, see Note 6.

Inventories—Inventories are comprised of operating supplies and equipment that primarily have a period of consumption of two years or less and food and beverage items at our owned and leased hotels, which are generally valued at the lower of cost (first-in, first-out) or net realizable value.

Property and Equipment and Definite-Lived Intangible Assets—Property and equipment is stated at cost, including interest incurred during development and construction periods, less accumulated depreciation. Definite-lived intangible assets are recorded at the acquisition date fair value, less accumulated amortization. Depreciation and amortization are recognized over the estimated useful lives of the assets, primarily using the straight-line method.

Property and equipment are depreciated over the following useful lives:

Buildings and improvements	10–50 years
Leasehold improvements	The shorter of the lease term or useful life of asset
Furniture and equipment	3–20 years
Computers	3–7 years

Definite-lived intangible assets are amortized over the following useful lives:

Management and hotel services agreement and franchise agreement intangibles	4–31 years
Customer relationships intangibles	4–12 years
Other intangibles	Varies based on the nature of the asset

We assess property and equipment and definite-lived intangible assets for impairment quarterly, and when events or circumstances indicate the carrying value may not be recoverable, we evaluate the net book value of the assets by comparing it to the projected undiscounted future cash flows of the assets. Under the undiscounted cash flow approach, the primary assumption requiring judgment is our estimate of projected future operating cash flows, which are based on historical data, internal estimates, and/or external resources, which are primarily Level Three assumptions, and are developed as part of our routine, long-term planning process.

If the projected undiscounted future cash flows are less than the net book value of the assets, the fair value is determined based on internally-developed discounted cash flows of the assets, third-party appraisals or broker valuations, or if appropriate, pending third-party offers. Under the discounted cash flow approach, we utilize various assumptions requiring judgment, including projected future cash flows, discount rates, and capitalization rates. The excess of the net book value over the estimated fair value is recognized in asset impairments on our consolidated statements of income.

We evaluate the carrying value of our property and equipment and definite-lived intangible assets based on our plans, at the time, for such assets and consider qualitative factors such as future development in the surrounding area, status of local competition, and any significant adverse changes in the business climate. Changes to our plans, including a decision to dispose of or change the intended use of an asset, may have a material impact on the carrying value of the asset.

For additional information about property and equipment and definite-lived intangible assets, see Note 5 and Note 9, respectively.

Leases—We primarily lease land, buildings, office space, and equipment. We determine whether an arrangement is an operating or finance lease at inception. For our management and hotel services agreements, we apply judgment in order to determine whether the contract is accounted for as a lease or management or hotel services agreement based on the specific facts and circumstances of each agreement. In evaluating whether an agreement constitutes a lease, we review the contractual terms to determine which party obtains both the economic benefits and control of the assets. In arrangements where we control the assets and obtain substantially all of the economic benefits, we account for the contract as a lease.

Certain of our leases include options to extend the lease term at our discretion. We include lease extension options in our operating lease ROU assets and lease liabilities when it is reasonably certain that we will exercise the options. Our extension options range from approximately 1 to 25 years, and the impacts of all currently available options are recorded in our operating lease ROU assets and lease liabilities. Our lease agreements do not contain any significant residual value guarantees or restrictive covenants.

We assess operating lease ROU assets for impairment quarterly, and when events or circumstances indicate the carrying value may not be recoverable, we evaluate the net book value of the assets by comparing it to the projected undiscounted future cash flows of the assets. If the carrying value of the assets is determined to not be recoverable and is in excess of the estimated fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income.

As our leases do not provide an implicit borrowing rate, we use our estimated IBR to determine the present value of our lease payments and apply a portfolio approach. We apply judgment in estimating our IBR, including assumptions related to currency risk and our credit risk. We also consider our recent debt issuances as well as publicly available data for instruments with similar characteristics when determining our IBR.

Our operating leases may include the following terms: (i) fixed minimum lease payments, (ii) variable lease payments based on a percentage of the hotel's profitability measure, as defined in the lease, (iii) lease payments equal to the greater of a fixed minimum or variable amount based on a percentage of the hotel's profitability measure, as defined in the lease, (iv) lease payments adjusted for changes in an index or market value, or (v) variable lease payments based on a percentage split of the total gross revenues, as defined in the lease. Future lease payments that are contingent are not included in the measurement of the operating lease liability or in the future maturities table (see Note 8).

For office space, land, and building leases, we do not separate the lease and nonlease components, which primarily relate to common area maintenance and utilities. We combine lease and nonlease components for those leases where we are the lessor, and we exclude all leases with terms of 12 months or less from the operating lease ROU assets and lease liabilities.

For additional information about leases, see Note 8.

Acquisitions—We evaluate the facts and circumstances of each acquisition to determine whether the transaction should be accounted for as an asset acquisition or a business combination.

Under the supervision of management, independent third-party valuation specialists estimate the fair value of the assets or businesses acquired using various recognized valuation methods, including the income approach, cost approach, relief from royalty approach, and sales comparison approach, all of which are primarily based on Level Three assumptions. Assumptions utilized in determining the fair value under these approaches include, but are not limited to, historical financial results when applicable, projected cash flows, discount rates, capitalization rates, royalty rates, current market conditions, likelihood of contract renewals, and comparable transactions. In a business combination, the fair value is allocated to tangible assets and liabilities and identifiable intangible assets, with any remaining value assigned to goodwill, if applicable. In an asset acquisition, any difference between the consideration paid and the fair value of the assets acquired is allocated across the identified assets based on the relative fair value. When we acquire the remaining ownership interest in or the property from an unconsolidated hospitality venture in a step acquisition, we estimate the fair value of our equity interest using the assumed cash proceeds we would receive from sale to a third party at a market sales price, which is determined using our fair value methodologies and assumptions.

The results of operations of properties or businesses are included in our consolidated statements of income beginning on the respective acquisition dates. Assets acquired, liabilities assumed, and any noncontrolling interest in the acquiree are recorded on our consolidated balance sheets at the respective acquisition dates based on their estimated fair values. In business combinations, purchase price allocations may be based on preliminary estimates and assumptions. Accordingly, the allocations are subject to revision when we receive and review final information, including contracts, appraisals, and/or other analyses.

Acquisition-related costs incurred in conjunction with a business combination are recognized in transaction and integration costs on our consolidated statements of income. In an asset acquisition, these costs are included in the total consideration paid and allocated to the acquired assets.

Periodically, we enter into like-kind exchange agreements upon the disposition or acquisition of certain properties. Pursuant to the terms of these agreements, the proceeds from the sales are placed into an escrow account administered by a qualified intermediary and are unavailable for our use until released. The proceeds are recorded as restricted cash on our consolidated balance sheets and released (i) if they are utilized as part of a like-kind exchange agreement, (ii) if we do not identify a suitable replacement property within 45 days after the agreement date, or (iii) when a like-kind exchange agreement is not completed within the remaining allowable time period.

For additional information about acquisitions, see Note 7.

Contingent and Non-cash Consideration—As part of our acquisitions and dispositions, we may enter into contingent consideration arrangements whereby the buyer pays the seller additional consideration after transaction close upon the achievement of certain milestones, performance-based metrics, or other objectives as prescribed per the terms of the related agreement. In conjunction with our dispositions, we may receive non-cash consideration, such as preferred shares in the buyer entity or its affiliates.

Contingent consideration payable arising from acquisitions is recorded at fair value as a liability on the acquisition date. In order to estimate the fair value, we generally utilize a Monte Carlo simulation to model the probability of possible outcomes. The valuation methodology includes assumptions and judgments regarding discount rates, estimated probability of achieving the contractual objectives, and/or expected timing of payments, which are primarily Level Three assumptions. Contingent consideration liabilities are recorded in accrued expenses and other current liabilities or other long-term liabilities on our consolidated balance sheets and are remeasured at fair value on a quarterly basis. Changes in fair value are recognized in other income (loss), net on our consolidated statements of income.

Contingent consideration receivable and non-cash consideration arising from dispositions are recorded at fair value as an asset upon sale. In order to estimate the fair value, we generally utilize a Monte Carlo simulation to model possible outcomes or a probability-based discounted future cash flow approach. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, estimated probability of achieving the contractual objectives, operating results, and/or expected timing of payments, which are primarily Level Three assumptions. Contingent consideration receivables are recorded in receivables, net or other assets on our consolidated balance sheets. Changes in the carrying value are recognized when realizable, and if it is determined that the contingent consideration receivable is not recoverable, we recognize a loss. The corresponding offset depends on the underlying nature of the transaction and is recognized in gains (losses) on sales of real estate and other or equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income. Non-cash consideration is generally recorded in other assets on our consolidated balance sheets based on the underlying nature of the consideration.

For additional information about contingent and non-cash consideration, see Note 7 and Note 15.

Goodwill—Goodwill represents the future economic benefits arising from other assets acquired in a business combination that are not individually identified or separately recognized. We evaluate goodwill for impairment annually during the fourth quarter of each year using balances at October 1 and at interim dates if a triggering event occurs. Goodwill impairment is determined by comparing the fair value of a reporting unit to its carrying amount.

We evaluate the fair value of the reporting unit by performing a qualitative or quantitative assessment. In any given year, we can elect to perform a qualitative assessment to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying value. If it is more likely than not that the fair value is less than the carrying value, or we elect to bypass the qualitative assessment, we proceed to the quantitative assessment.

When determining fair value, we utilize internally-developed discounted future cash flow models, third-party valuation specialist models, which may include income-based and/or market-based approaches, third-party appraisals or broker valuations, and if appropriate, pending third-party offers. Under an income-based approach, we utilize various assumptions requiring judgment, including projected future cash flows, discount rates, and capitalization rates. Our estimates of projected future cash flows are based on historical data, internal estimates, and/or external sources, which are primarily Level Three assumptions, and are developed as part of our routine, long-term planning process. For certain reporting units, we apply a weighting of an income-based approach and a market-based approach, which utilizes the guideline public companies method and is based on earnings multiple data derived from publicly traded peer group companies. We then compare the estimated fair value to our carrying value. If the carrying value is in excess of the fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income based on the amount by which the carrying value of the reporting unit exceeded the fair value, limited to the carrying amount of goodwill. For additional information about goodwill, see Note 9.

Indefinite-Lived Intangible Assets—We have certain brand and other indefinite-lived intangible assets that were acquired through various asset acquisitions and business combinations. We evaluate indefinite-lived intangible assets for

impairment annually during the fourth quarter of each year using balances at October 1 and at interim dates if indicators of impairment exist. We use the relief from royalty method to estimate the fair value. When determining fair value, we utilize internally-developed discounted future cash flow models and third-party valuation specialist models, which include various assumptions requiring judgment, including projected future cash flows, discount rates, and market royalty rates. Our estimates of projected cash flows are based on historical data, internal estimates, and/or external sources, which are primarily Level Three assumptions, and are developed as part of our routine, long-term planning process. We then compare the estimated fair value to our carrying value. If the carrying value is in excess of the fair value, we recognize an impairment charge in asset impairments on our consolidated statements of income. For additional information about indefinite-lived intangible assets, see Note 9.

Guarantees—We enter into performance guarantees related to certain hotels we manage. We also enter into debt repayment and other guarantees with respect to certain unconsolidated hospitality ventures, certain hospitality venture partners, certain managed or franchised hotels, and indemnifications provided as a result of certain dispositions for liabilities incurred prior to sale. We record a liability for the fair value of these guarantees at their inception date. In order to estimate the fair value, we generally use either scenario-based weighting, which utilizes a Monte Carlo simulation or a probability-based weighting approach to model the probability of possible outcomes, or the with and without method under the income approach, which calculates the difference in present value of anticipated cash flows with and without the guarantee. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, volatility, hotel operating results, hotel property sales prices, and timing of expected cash flows, which are primarily Level Three assumptions. The fair value is not revalued due to future changes in assumptions. The non-cash corresponding offset depends on the circumstances in which the guarantee was issued and is generally recorded to equity method investments or key money assets. We amortize the liability for the fair value of a guarantee into income over the term of the guarantee using a systematic and rational, risk-based approach. Guarantees related to our managed or franchised hotels, hospitality venture partners, and indemnifications for liabilities incurred prior to sale are amortized into income in other income (loss), net on our consolidated statements of income. Guarantees related to our unconsolidated hospitality ventures are amortized into income in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income.

- **Performance and other guarantees**—On a quarterly basis, we evaluate the likelihood of funding under a guarantee. To the extent we determine an obligation to fund is both probable and estimable based on performance during the period or facts and circumstances of the underlying indemnification liability, we record a separate contingent liability and recognize expense in other income (loss), net on our consolidated statements of income.
- **Debt repayment guarantees**—At guarantee inception and on a quarterly basis, we evaluate the risk of funding under a guarantee. We assess credit risk based on the current and forecasted performance of the underlying property, whether the property owner is current on debt service, the historical performance of the underlying property, and the current market, and we record a separate liability and recognize expense in other income (loss), net or equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income based on the nature of the guarantee.

For additional information about guarantees, see Note 4 and Note 15.

Income Taxes—We account for income taxes to recognize the amount of taxes payable or refundable for the current year and the amount of deferred tax assets and liabilities resulting from the future tax consequences of differences between the financial statements and tax basis of the respective assets and liabilities. We assess the realizability of our deferred tax assets and record a valuation allowance when it is more likely than not that some or all of our deferred tax assets are not realizable. This assessment is completed by tax jurisdiction and relies on the weight of both positive and negative evidence available with significant weight placed on recent financial results. When necessary, we use systematic and logical methods to estimate when deferred tax liabilities will reverse and generate taxable income and when deferred tax assets will reverse and generate tax deductions.

We recognize the financial statement effect of a tax position when, based on the technical merits of the uncertain tax position, it is more likely than not to be sustained on a review by taxing authorities. We review these estimates and make changes to recorded amounts of uncertain tax positions as facts and circumstances warrant. For additional information about income taxes, see Note 14.

Stock-Based Compensation—As part of our LTIP, we award time-vested stock appreciation rights ("SARs"), time-vested restricted stock units ("RSUs"), and performance-vested restricted stock units ("PSUs") to certain employees and non-employee directors. In addition, non-employee directors may elect to receive their annual fees and/or annual equity retainers in the form of shares of our Class A common stock. Under the LTIP, we are authorized to issue up to 28,025,000 shares:

- **SARs**—Each vested SAR gives the holder the right to the difference between the value of one share of our Class A common stock at the exercise date and the value of one share of our Class A common stock at the grant date. The

value of the SARs is determined using the fair value of our common stock at the grant date based on the closing stock price of our Class A common stock. SARs generally vest 25% annually over four years, beginning on the first anniversary of the grant date. Vested SARs can be exercised over their life as determined in accordance with the LTIP. All SARs have a 10-year contractual term, are settled in shares of our Class A common stock, and are accounted for as equity instruments.

We recognize compensation expense on a straight-line basis from the date of grant through the requisite service period, which is generally the vesting period, unless the employee meets applicable retirement eligibility criteria resulting in immediate recognition. We recognize the effect of forfeitures as they occur.

- *RSUs*—Each vested RSU will generally be settled by delivery of a single share of our Class A common stock and therefore is accounted for as an equity instrument. In certain situations, we grant a limited number of cash-settled RSUs, which are recorded as liability instruments. The cash-settled RSUs represent an insignificant portion of previous grants.

The value of the RSUs is determined using the fair value of our common stock at the grant date based on the closing stock price of our Class A common stock. Awards are generally settled as each individual tranche vests under the relevant agreements. We recognize compensation expense over the requisite service period of the individual grant, which is generally a vesting period of one to four years, unless the employee meets retirement eligibility criteria resulting in immediate recognition. We recognize the effect of forfeitures as they occur.

Under certain circumstances, we have issued time-vested RSUs with performance requirements, which vest based on the satisfaction of a continued employment requirement and the attainment of specified performance-vesting conditions that are established annually and eligible to be earned in tranches. Generally, these RSUs fully vest and settle in Class A common stock to the extent performance requirements for the applicable tranche are achieved, and if the requisite service period, which is generally three to five years, is satisfied. The value of the RSUs is set at award issuance or is determined using the fair value of our common stock at the grant date based on the closing stock price of our Class A common stock. Due to the fact that the performance conditions are established annually, each tranche typically has its own grant date. We issued \$15 million of these RSUs during the year ended December 31, 2024, of which \$12 million have not met the grant date criteria and were therefore not deemed granted at December 31, 2024. We did not issue any such RSUs during the years ended December 31, 2023 and December 31, 2022.

- *PSUs*—PSUs vest and are settled in Class A common stock based on the performance of the Company through the end of the applicable performance period relative to the applicable performance target and are generally subject to a continued employment requirement through the applicable performance period. The PSUs are eligible to vest at the end of the performance period only to the extent the performance threshold is met and continued service requirements are satisfied; there is no interim performance metric, except in the case of certain change in control transactions.

The value of the PSUs is determined using the fair value of our common stock at the grant date based on the closing stock price of our Class A common stock. PSUs may include a relative total shareholder return ("TSR") modifier to determine the number of shares earned at the end of the performance period. Under the supervision of management, independent third-party valuation specialists estimate the fair value of the PSUs that include the TSR modifier using a Monte Carlo simulation to model the probability of possible outcomes. The Monte Carlo simulation uses the grant date stock price as a key input and includes assumptions and judgments regarding the risk-free interest rate, expected volatility, and annual dividend yield. Generally, the fair value of the PSUs estimated using a Monte Carlo simulation does not significantly differ from the fair value based on the grant date stock price.

We recognize compensation expense over the requisite performance period, which is generally a vesting period of approximately three to six years. Compensation expense recognized is dependent on management's quarterly assessment of the expected achievement relative to the applicable performance targets. We recognize the effect of forfeitures as they occur.

For additional information about stock-based compensation, including where we recognize compensation expense on our consolidated statements of income, see Note 17.

Loyalty Program—The loyalty program is funded through contributions from participating properties and third-party loyalty alliances based on eligible revenues from loyalty program members and returns on marketable securities. The funds are used for the redemption of member awards and payment of operating expenses. Operating costs are expensed as incurred and recognized in reimbursed costs on our consolidated statements of income.

The program invests amounts received from the participating properties and third-party loyalty alliances in marketable securities, which are included in cash and cash equivalents, short-term investments, and other assets on our consolidated balance sheets (see Note 4). Additionally, from time to time, the program may loan excess funds to the Company and receive market-rate interest in return. Any such loans are due on demand, if needed to fund expenses of the program. Deferred revenue related to the loyalty program is classified as current and long-term contract liabilities on our consolidated balance sheets (see Note 3). The costs of administering the loyalty program, including the estimated cost of award redemption, are charged to the participating properties and third-party loyalty alliances based on members' qualified expenditures.

Advertising Costs—We expense costs to produce advertising in the period incurred and costs to communicate advertising as the communication occurs. Advertising costs are generally reimbursed by our third-party owners and franchisees and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income. Certain advertising costs associated with our distribution segment are not reimbursable. During each of the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized \$67 million of advertising costs in distribution expenses on our consolidated statements of income.

Government Assistance—We receive government subsidies, primarily in the form of cash, related to expenses such as salaries, wages, and taxes. The subsidies are recorded when there is reasonable assurance the conditions of the subsidies will be met and the subsidies will be received. The subsidies are recognized as a benefit against the related expense on our consolidated statements of income over the period that the subsidies are intended to compensate. Our subsidies primarily relate to the Coronavirus Aid, Relief, and Economic Security ("CARES") Act and the American Rescue Plan Act of 2021 ("ARPA"). The CARES Act, enacted in March 2020, as well as subsequently enacted legislation, including ARPA, provided economic support due to the COVID-19 pandemic. The CARES Act included an employee retention credit, which is a refundable tax credit against certain employment taxes. ARPA provided a refundable subsidy tax credit to employers to offset the costs of COBRA coverage for certain qualified employees from April 1, 2021 through September 30, 2021. During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we received \$2 million, \$19 million, and \$6 million, respectively, of government assistance related to these programs in the form of cash. The benefit from the government subsidies was primarily recognized against the related expenses in prior periods. At December 31, 2024 and December 31, 2023, we had \$5 million and \$7 million, respectively, related to these programs recorded in receivables, net on our consolidated balance sheets.

Adopted Accounting Standards

Reference Rate Reform—In March 2020, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2020-04 ("ASU 2020-04"), *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. ASU 2020-04 provides optional expedients and exceptions that we can elect to adopt, subject to meeting certain criteria, regarding contract modifications, hedging relationships, and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate expected to be discontinued because of reference rate reform. In December 2022, the FASB issued Accounting Standards Update No. 2022-06 ("ASU 2022-06"), *Reference Rate Reform (Topic 848): Deferral of the Sunset Date of Topic 848*. ASU 2022-06 was effective upon issuance and defers the sunset date of Topic 848 by two years, extending the provisions of ASU 2020-04 through December 31, 2024. During the year ended December 31, 2023, we adopted the provisions of ASU 2020-04. We amended certain LIBOR-based contracts during the years ended December 31, 2024 and December 31, 2023. ASU 2020-04 did not materially impact our consolidated financial statements upon adoption.

Segment Reporting—In November 2023, the FASB issued Accounting Standards Update No. 2023-07 ("ASU 2023-07"), *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*. ASU 2023-07 improves reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses and information used to evaluate segment performance. The provisions of ASU 2023-07 are effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024. We adopted the provisions of ASU 2023-07 for the year ended December 31, 2024 on a retrospective basis and included enhanced disclosures in Note 19.

Future Adoption of Accounting Standards

Disclosure Improvements—In October 2023, the FASB issued Accounting Standards Update No. 2023-06 ("ASU 2023-06"), *Disclosure Improvements: Codification Amendments in Response to the SEC's Disclosure Update and Simplification Initiative*. ASU 2023-06 modifies the disclosure and presentation requirements for certain FASB Accounting Standards Codification topics to align with the SEC's regulation. The effective date for each amendment will be the date on which the SEC's removal of that related disclosure from its regulations becomes effective, if the SEC removes the disclosure by June 30, 2027. The provisions of ASU 2023-06 are to be applied prospectively, with early adoption prohibited. We do not expect the adoption of ASU 2023-06 to have a material impact on our consolidated financial statements and accompanying Notes.

Income Taxes—In December 2023, the FASB issued Accounting Standards Update No. 2023-09 ("ASU 2023-09"), *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*. ASU 2023-09 requires enhanced annual income tax disclosures including (1) disaggregation of effective tax rate reconciliation categories, (2) additional information for reconciling items that meet a quantitative threshold, and (3) incomes taxes paid by jurisdiction. The provisions of ASU 2023-09 are effective for fiscal years beginning after December 15, 2024, with early adoption permitted, and may be applied either prospectively or retrospectively for all prior periods presented. We are currently assessing the impact of adopting ASU 2023-09.

Expense Disaggregation Disclosures—In November 2024, the FASB issued Accounting Standards Update No. 2024-03 ("ASU 2024-03"), *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. ASU 2024-03 requires disclosure of disaggregated information about certain costs and expenses presented on the consolidated statements of income, including purchases of inventory, employee compensation, depreciation, and intangible asset amortization. The provisions of ASU 2024-03 are effective for fiscal years beginning after December 15, 2026 and interim periods within fiscal years beginning after December 15, 2027, with early adoption permitted, and may be applied either prospectively or retrospectively for any or all prior periods presented. We are currently assessing the impact of adopting ASU 2024-03.

3. REVENUE FROM CONTRACTS WITH CUSTOMERS

Disaggregated Revenues

See Note 19 for our revenues disaggregated by the nature of the product or service.

Contract Balances

Contract assets were insignificant at both December 31, 2024 and December 31, 2023.

Contract liabilities were comprised of the following:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
Deferred revenue related to the loyalty program	\$ 1,333	\$ 1,130
Deferred revenue related to distribution and destination management services	705	719
Deferred revenue related to insurance programs	112	75
Deferred revenue related to co-branded credit card programs	66	49
Advanced deposits	53	57
Initial fees received from franchise owners	47	45
Deferred revenue related to the paid membership program (1)	—	1,204
Other deferred revenue	80	78
Total contract liabilities	<u>\$ 2,396</u>	<u>\$ 3,357</u>

(1) The change from December 31, 2023 is due to balances written off to gains (losses) on sales of real estate and other on our consolidated statements of income during the year ended December 31, 2024 as a result of the UVC Transaction (see Note 4).

Revenue recognized during the years ended December 31, 2024 and December 31, 2023 included in the contract liabilities balance at the beginning of each year was \$1,208 million and \$1,224 million, respectively. This revenue primarily relates to distribution and destination management services and the loyalty program.

Revenue Allocated to Remaining Performance Obligations

Revenue allocated to remaining performance obligations represents contracted revenue that has not yet been recognized, which includes deferred revenue and amounts that will be invoiced and recognized as revenue in future periods. Contracted revenue expected to be recognized in future periods was approximately \$125 million at December 31, 2024, approximately 10% of which we expect to recognize over the next 12 months, with the remainder to be recognized thereafter.

4. DEBT AND EQUITY SECURITIES

We invest in debt and equity securities that we believe are strategically and operationally important to our business. These investments take the form of (i) investments in variable interest entities, (ii) equity method investments where we have the ability to significantly influence the operations of the entity, (iii) marketable securities held to fund operating programs and for investment purposes, and (iv) other types of investments.

Variable Interest Entities

Bahia Principe—During the year ended December 31, 2024, we entered into a shareholders' agreement with an unrelated third-party and acquired 50% of the outstanding shares of Management Hotelero Piñero, S.L. The joint venture, which is a VIE, owns the Bahia Principe brand and manages Bahia Principe Hotels & Resorts-branded properties (see Note 7). Through our variable interest, we have the power to direct the activities that most significantly affect the economic performance of the VIE and have the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE and therefore, we are the primary beneficiary. We consolidate the operating results and financial position of this VIE in our consolidated financial statements within our management and franchising segment.

The following table summarizes the VIE's assets and liabilities, including the effect of foreign currency translation, recorded on our consolidated balance sheet at December 31, 2024. The assets may only be used to settle obligations of the consolidated VIE, if any. In addition, there is no recourse to us for the consolidated VIE's liabilities.

The joint venture increases our all-inclusive portfolio giving guests and loyalty program members more opportunities to experience all-inclusive travel. In conjunction with the transaction, we entered into various agreements with the joint venture and its related parties to provide certain commercial and management support services to the joint venture and to support the growth of the Bahia Principe brand and the operation of the Bahia Principe Hotels & Resorts-branded properties.

UVC Transaction—During the year ended December 31, 2024, we completed the UVC Transaction and accounted for the sale of our controlling financial interest in the entity as a business disposition. We received \$41 million of proceeds, net of \$39 million of cash disposed; recorded a \$20 million equity method investment representing the fair value of our retained investment in the entity; and recorded \$86 million of guarantee liabilities as described below. The transaction resulted in a \$231 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income during the year ended December 31, 2024. We continue to manage the Unlimited Vacation Club business under a long-term management agreement and license and royalty agreement. The operating results of the Unlimited Vacation Club business prior to the UVC Transaction are reported within our distribution segment.

The fair value of our retained investment in the entity was determined using a Black-Scholes-Merton option-pricing model of our common shares in the entity. The valuation methodology includes assumptions and judgments regarding volatility and discount rates, which are primarily Level Three assumptions.

In conjunction with the transaction, we agreed to guarantee up to \$70 million of our hospitality venture partner's investment upon the occurrence of certain events, and we recorded a \$25 million guarantee liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using the with and without method, which includes projected cash flows based on contract terms. The valuation methodology includes assumptions and judgments regarding discount rates and length of time, which are primarily Level Three assumptions.

Additionally, we agreed to indemnify the unconsolidated hospitality venture, the primary obligor to the foreign taxing authorities, for obligations the entity may incur as a result of pre-existing uncertain tax positions as of the date of the transaction. Following the transaction, we accounted for the indemnification as a guarantee. We derecognized the long-term

income taxes payable related to the uncertain tax positions and recorded a \$61 million guarantee liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value of the indemnification was estimated using a probability-based weighting approach to determine the likelihood of payment of the tax liability, penalties, and interest related to the 2013 through 2018 tax years. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, and expected timing of cash flows, which are primarily Level Three assumptions. At December 31, 2024, the indemnification for open tax years had a maximum exposure of \$72 million.

The entity that owns the Unlimited Vacation Club business is a VIE in which we hold a variable interest but are not the primary beneficiary, and we account for our common ownership interest as an equity method investment. At December 31, 2024, we had \$68 million recorded in other long-term liabilities (see Note 13) on our consolidated balance sheet related to our guaranteed obligations of this unconsolidated VIE. At December 31, 2024, our maximum exposure to loss was \$142 million, which includes the maximum exposure under the aforementioned guarantee and indemnification (see Note 15).

Equity Method Investments

The carrying values and ownership interests of our investments in unconsolidated hospitality ventures accounted for under the equity method were as follows:

Investee	Ownership interest	Carrying value	
		December 31, 2024	December 31, 2023
Juniper Hotels Limited	38.8 %	\$ 76	\$ 28
HP Boston Partners, LLC	50.0 %	20	22
Hotel am Belvedere Holding GmbH & Co KG	50.0 %	15	13
HRM HoldCo, LLC	50.0 %	15	13
HC Lenox JV Holdings LLC	50.0 %	15	9
Atona Impact Fund LP	49.8 %	12	—
Hotel Hoyo Uno, S. de R.L. de C.V.	40.0 %	7	7
Denver Downtown Hotel Partners LLC	50.0 %	5	5
H.E. Philadelphia HC Hotel, L.L.C.	40.0 %	5	7
Hyatt of Baja, S. de R.L. de C.V.	— %	—	74
Other		19	33
Total equity method investments		<u>\$ 189</u>	<u>\$ 211</u>

During the year ended December 31, 2024, we recognized \$15 million of impairment charges, primarily related to two of our unconsolidated hospitality ventures in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income as the estimated fair values were less than the carrying values, and the impairments were deemed other than temporary. We estimated the fair values of our investments, which are classified as Level Three in the hierarchy, using an internally-developed cash flow model, which included assumptions and judgments regarding projected future cash flows, discount rate, and capitalization rate.

Juniper Hotels Limited—During the year ended December 31, 2023, we acquired 50% of the outstanding shares of a third-party entity that owns three of our managed properties in India in exchange for the non-cash redemption of a HTM debt security. Upon completion, Juniper Hotels Limited acquired 100% of the outstanding shares of the entity, and we recorded a \$32 million equity method investment.

On September 28, 2023, our unconsolidated hospitality venture publicly filed a draft red herring prospectus with the Securities and Exchange Board of India in conjunction with a proposed initial public offering ("IPO") of equity shares, subject to market conditions and regulatory approvals. On February 28, 2024, Juniper Hotels Limited completed its IPO on the BSE Limited and National Stock Exchange of India Limited stock exchanges and issued 50,000,000 equity shares. Both prior and subsequent to the IPO, we hold 86,251,192 equity shares in the entity. At December 31, 2024, the aggregate value of our equity shares was \$354 million based on the price per share of the principal market.

As a result of the IPO, our ownership interest in the unconsolidated hospitality venture was diluted from 50.0% to 38.8%. As we maintain the ability to significantly influence the operations of the entity, we recorded an increase to our equity method investment and recognized a \$79 million non-cash pre-tax dilution gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income during the year ended December 31, 2024.

Hyatt of Baja, S. de. R.L. de C.V.—During the year ended December 31, 2024, we received \$21 million of proceeds related to the sale of our ownership interest in an equity method investment and recognized an \$8 million pre-tax gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income, net of a \$2 million reclassification from accumulated other comprehensive loss (see Note 16). At the time of sale, we had \$28 million of outstanding financing receivables related to the unconsolidated hospitality venture, which were repaid in conjunction with the sale. Additionally, we retained long-term management and licensing agreements for the related hotel and residential units, respectively, upon sale.

We provided \$10 million of seller financing with a maturity date of two years. Upon sale, we estimated the fair value of the seller financing to be approximately \$8 million and recorded an unsecured financing receivable on our consolidated balance sheet. The fair value was estimated using a discounted future cash flow model and includes assumptions and judgments regarding the discount rate, which is primarily a Level Three assumption.

As part of total consideration, we may earn up to \$13 million of contingent consideration. The contingent consideration will be earned upon the achievement of certain performance-based metrics subsequent to hotel opening. Upon sale, we recorded a \$5 million contingent consideration receivable at fair value in other assets on our consolidated balance sheet. The fair value of the contingent consideration receivable was estimated using a Monte Carlo simulation to model the likelihood of achieving the performance-based metrics. The valuation methodology includes assumptions and judgments regarding discount rates and operating results, which are primarily Level Three assumptions.

Other—During the year ended December 31, 2024, we received \$16 million of proceeds related to the sale of our ownership interest in an equity method investment and recognized a \$12 million pre-tax gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income. Following the sale, we continue to manage the related property under a long-term management agreement.

During the year ended December 31, 2023, we did not have any other activity.

During the year ended December 31, 2022, we received \$23 million of proceeds related to the sale of our ownership interest in an equity method investment and recognized a \$4 million pre-tax gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income, net of a \$5 million reclassification from accumulated other comprehensive loss. Following the sale, we continue to manage the related property under a long-term management agreement. Additionally, during the year ended December 31, 2022, an equity method investment, in which we hold an ownership interest, sold the underlying hotel to a third party, and we received \$16 million of proceeds. We recognized a \$15 million net gain in equity earnings (losses) from unconsolidated hospitality ventures on our consolidated statements of income. Upon sale, we entered into a long-term franchise agreement for the property.

Marketable Securities

We hold marketable securities with readily determinable fair values to fund certain operating programs and for investment purposes. We periodically transfer available cash and cash equivalents to purchase marketable securities for investment purposes.

Marketable Securities Held to Fund Operating Programs—Marketable securities held to fund operating programs, which are recorded at fair value on our consolidated balance sheets, were as follows:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
Loyalty program (Note 10)	\$ 642	\$ 807
Deferred compensation plans held in rabbi trusts (Note 10 and Note 13)	548	489

- \$473 million and \$330 million, respectively, of AFS debt securities with contractual maturity dates ranging from 2025 through 2069. The amortized cost of our AFS debt securities approximates fair value;

- \$25 million, in both periods, of time deposits classified as HTM debt securities with a contractual maturity date in 2025. The amortized cost of our time deposits approximates fair value;
- \$17 million and \$15 million, respectively, of equity securities with a readily determinable fair value.

Net unrealized and realized gains (losses) from marketable securities held to fund operating programs recognized on our consolidated financial statements were as follows:

	Year Ended December 31,		
	2024	2023	2022

(2) Unrealized and realized gains and losses recognized in revenues for reimbursed costs related to investments held to fund rabbi trusts are offset by amounts recognized in reimbursed costs with no impact on net income.

Marketable Securities Held for Investment Purposes—Marketable securities held for investment purposes, which are recorded at cost or fair value, depending on the nature of the investment, on our consolidated balance sheets, were as follows:

	December 31, 2024	December 31, 2023
Interest-bearing money market funds	\$ 600	\$ 284
Common shares in Playa N.V. (Note 10)	154	105

Marketable securities held for investment purposes included in other assets	\$ 158	\$ 106

(1) Time deposits have contractual maturities on various dates through 2027. The amortized cost of our time deposits approximates fair value.

We hold common shares in Playa Hotels & Resorts N.V. ("Playa N.V."), which are accounted for as an equity security with a readily determinable fair value as we do not have the ability to significantly influence the operations of the entity. We did not sell any of these common shares during the years ended December 31, 2024 or December 31, 2023. Net unrealized gains (losses) recognized on our consolidated statements of income were as follows:

	Year Ended December 31,

During the years ended December 31, 2024 and December 31, 2023, there were no transfers between levels of the fair value hierarchy.

Other Investments

HTM Debt Securities—We hold investments in third-party entities associated with certain of our hotels. The investments are redeemable on various dates through 2062 and recorded as HTM debt securities within other assets on our consolidated balance sheets:

	December 31, 2024	December 31, 2023
HTM debt securities (1)	\$ 276	\$ 53
Less: allowance for credit losses	(9)	(13)
Total HTM debt securities, net of allowances	\$ 267	\$ 40

(1) At December 31, 2024, HTM debt securities included a \$194 million preferred equity investment, net of a \$35 million unamortized discount based on an imputed interest rate of approximately 8.9% and a probability-weighted fair value adjustment related to our investment in the third-party entity that owns Hyatt Regency Orlando (see Note 7).

The following table summarizes the activity in our HTM debt securities allowance for credit losses:

	2024	2023
Allowance at January 1	\$ 13	\$ 31
Provisions (reversals), net (1)	(2)	(15)
Write-offs	(2)	(3)
Allowance at December 31	\$ 9	\$ 13

(1) Provisions for credit losses were partially or fully offset by interest income recognized in the same periods (see Note 21).

We estimated the fair value of these HTM debt securities to be approximately \$270 million and \$41 million at December 31, 2024 and December 31, 2023, respectively. The fair values of our preferred equity investments, which are classified as Level Three in the fair value hierarchy, are estimated using probability-based discounted future cash flow models based on current market inputs for similar types of arrangements. The primary sensitivity in these models is the selection of appropriate discount rates and probability weighting. Fluctuations in these assumptions could result in different estimates of fair value. The remaining HTM debt securities are classified as Level Two in the fair value hierarchy due to the use and weighting of multiple market inputs being considered in the final price of the security.

Convertible Debt Security—During the year ended December 31, 2023, we invested in a \$30 million convertible debt security associated with a franchised property, which is classified as AFS and recorded in other assets on our consolidated balance sheets. The investment has a contractual maturity date in 2029. The convertible debt investment is remeasured at fair value on a recurring basis and is classified as Level Three in the fair value hierarchy. We estimated the fair value of this investment to be \$42 million and \$39 million at December 31, 2024 and December 31, 2023, respectively. The fair value is estimated using a discounted future cash flow model, and the primary sensitivity in the model is the selection of an appropriate discount rate. Fluctuations in our assumptions could result in different estimates of fair value. Net unrealized gains recognized on our consolidated financial statements were as follows:

	Year Ended December 31,		
	2024	2023	2022
Other comprehensive income (loss) (Note 16)	\$ 3	\$ 9	\$ —

Equity Securities Without a Readily Determinable Fair Value—At December 31, 2024 and December 31, 2023, we held \$12 million and \$16 million, respectively, of investments in equity securities without a readily determinable fair value, which are recorded within other assets on our consolidated balance sheets and represent investments in entities where we do not have the ability to significantly influence the operations of the entity.

Due to ongoing operating cash flow shortfalls in the business underlying an equity security during the year ended December 31, 2024, we recognized a \$5 million impairment charge of our full investment balance in other income (loss), net on our consolidated statements of income (see Note 21) as the carrying value was in excess of the fair value.

During the year ended December 31, 2024, we identified changes in circumstances that indicated that the carrying values of certain asset groups, inclusive of property and equipment and operating lease ROU assets (see Note 8), may not be recoverable. We assessed the recoverability of the net book values and determined that the carrying values of certain asset groups were not fully recoverable. We then estimated the fair values of these assets, which are classified as Level Three in the hierarchy, using pending third-party offers or internally-developed cash flow models, which incorporated cash flow assumptions based on current economic trends, historical experience, and future growth projections. We determined that the carrying values of certain asset groups were in excess of the fair values, and we allocated the impairment charges to the long-lived assets within the asset group. We recognized \$21 million of impairment charges related to property and equipment. The impairment charges were recognized in asset impairments on our consolidated statements of income during the year ended December 31, 2024 within our owned and leased segment.

For additional information about acquisition and disposition activity impacting property and equipment, see Note 7.

Fair Value—We estimated the fair value of financing receivables to be approximately \$440 million and \$133 million at December 31, 2024 and December 31, 2023, respectively. The fair values, which are classified as Level Three in the fair value hierarchy, are estimated using discounted future cash flow models. The principal inputs used are projected future cash flows and the discount rate, which is generally the effective interest rate of the loan.

7. ACQUISITIONS AND DISPOSITIONS

Acquisitions

Bahia Principe—During the year ended December 31, 2024, we completed the Bahia Principe Transaction (see Note 4) for €419 million of base consideration, subject to customary adjustments related to working capital, cash, and indebtedness, and including €60 million of deferred consideration payable at future dates. We may pay additional variable contingent consideration through 2034 primarily related to the achievement of certain milestones for the development of additional hotels to be managed by the joint venture. The contingent consideration is payable at each hotel opening and is based on a multiple of stabilized base and incentive management fee revenues, and therefore, we are unable to reasonably estimate our maximum potential future consideration.

We closed on the transaction on December 27, 2024, paid cash of €359 million (approximately \$374 million) and accounted for the transaction as a business combination as we are the primary beneficiary of the VIE (see Note 4). Upon acquisition, we recorded a \$58 million deferred consideration liability at fair value, of which \$20 million is recorded in accrued expenses and other current liabilities and \$38 million is recorded in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a discounted future cash flow model and includes assumptions and judgments regarding the discount rate, which is primarily a Level Three assumption. We also recorded a \$33 million contingent consideration liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a discounted future cash flow model and includes assumptions and judgments regarding the discount rate, estimated probability of achieving the hotel development milestones, and expected amount and timing of payments, which are primarily Level Three assumptions. Total purchase consideration was determined as follows:

Cash paid, net of cash acquired	\$ 372
Cash acquired	2
Fair value of deferred consideration	58
Fair value of contingent consideration	33
Total purchase consideration	<u>\$ 465</u>

The acquisition includes management and hotel services agreements for operating hotels and the Bahia Principe trade name. In addition, the acquisition contemplates the future management of undeveloped Bahia Principe Hotels & Resorts-branded properties. For the period from the acquisition date through December 31, 2024, total revenues and net income attributable to Bahia Principe were insignificant.

Our consolidated balance sheet at December 31, 2024 reflects preliminary estimates of the fair value of the assets acquired, liabilities assumed, and noncontrolling interest in the entity based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using either discounted future cash flow models or the relief from royalty method, both of which include revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three assumptions. The fair value of the noncontrolling interest related to the equity interests in the VIE held by our venture partner was estimated based on 50% of enterprise value of the entity. The remaining assets and liabilities were recorded at their carrying values, which approximate their fair values.

We will continue to evaluate the contracts acquired and the underlying inputs and assumptions used in our valuation of assets acquired, liabilities assumed, and the noncontrolling interest in the entity. Accordingly, these estimates, along with any related tax impacts, are subject to change during the measurement period, which is up to one year from the date of acquisition.

The following table summarizes the preliminary fair value of the identifiable net assets acquired at the acquisition date:

Cash and cash equivalents	\$	2
Receivables (1)		15
Operating lease right-of-use assets		1

At closing, we paid €61 million of cash (approximately \$65 million), including \$4 million of cash acquired. Assets acquired primarily include \$123 million of property and equipment, and liabilities assumed primarily include \$53 million of long-term debt (see Note 11). All assets acquired and liabilities assumed are recorded within our owned and leased segment on our consolidated balance sheet.

We closed on the transaction on October 1, 2024 and paid \$151 million of cash. Upon acquisition, we recorded a \$108 million contingent consideration liability at fair value in other long-term liabilities on our consolidated balance sheet. The fair value was estimated using a Monte Carlo simulation to model the likelihood of achieving the agreed-upon milestones based on available information as of the acquisition date. The valuation methodology includes assumptions and judgments regarding the discount rate, estimated probability of achieving the milestones, and expected timing of payments, which are primarily Level Three assumptions. Total purchase consideration was determined as follows:

Cash paid, net of cash acquired	\$ 148
Cash acquired	3
Fair value of contingent consideration	108
Total purchase consideration	<u>\$ 259</u>

The acquisition includes management, franchise, and license agreements for both operating and additional hotels that are expected to open in the future and the affiliated trade names. For the period from the acquisition date through December 31, 2024, total revenues and net loss attributable to Standard International were \$6 million and \$5 million, respectively.

Our consolidated balance sheet at December 31, 2024 reflects preliminary estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using either discounted future cash flow models or the relief from royalty method, both of which include revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three assumptions. The fair values of performance guarantee liabilities assumed were estimated using Monte Carlo simulations to model the probability of possible outcomes. The valuation methodology includes assumptions and judgments regarding discount rates, volatility, and hotel operating results, which are primarily Level Three assumptions (see Note 15). The remaining assets and liabilities were recorded at their carrying values, which approximate their fair values.

We will continue to evaluate the contracts acquired and the underlying inputs and assumptions used in our valuation of assets acquired and liabilities assumed. Accordingly, these estimates, along with any related tax impacts, are subject to change during the measurement period, which is up to one year from the date of acquisition.

Our consolidated balance sheet at December 31, 2023 reflected estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using discounted future cash flow models, the relief from royalty method, or a cost-based approach. Depending on the valuation method, these estimates include revenue projections based on long-term growth rates, expected attrition, historical cost information, and/or an obsolescence factor, all of which are primarily Level Three assumptions. The remaining assets and liabilities were recorded at their carrying values, which approximate their fair values.

The fair value was estimated using a probability-based discounted future cash flow model and includes assumptions and judgments regarding the probability weighting, discount rates, and expected timing of payments, which are primarily Level Three assumptions.

Upon sale, we recorded a \$28 million contingent consideration receivable at fair value in other assets on our consolidated balance sheet.

The fair value of the contingent consideration receivable was estimated using a Monte Carlo simulation to model the likelihood of achieving the performance-based metrics and a probability-based weighting approach to determine the likelihood of extending certain contracts. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, operating results, and expected timing of payments, which are primarily Level Three assumptions. During the year ended December 31, 2024, we recorded a \$17 million decrease in the carrying value of the contingent consideration receivable and recognized the offset in gains (losses) on sales of real estate and other on our consolidated statements of income. Hyatt Regency Indian Wells Resort & Spa—During the year ended December 31, 2022, we sold Hyatt Regency Indian Wells Resort & Spa, which was subsequently rebranded to Grand Hyatt Indian Wells Resort & Villas in 2024, to an unrelated third party for approximately \$136 million, net of closing costs and proration adjustments, and accounted for the transaction as an asset disposition. Upon sale, we entered into a long-term management agreement for the property. The sale resulted in a \$40 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our consolidated statements of income during the year ended December 31, 2022. The operating results and financial position of this hotel prior to the sale remain within our owned and leased segment.

(1) At December 31, 2023, one of our reporting units with \$914 million of allocated goodwill had a negative carrying value.

(2) At December 31, 2024, we have not completed the assignment of goodwill attributed to the Bahia Principe Transaction to reporting units (see Note 7).

During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized goodwill impairment charges of \$15 million, \$0 million, and \$7 million, respectively, related to the sales of certain hotels. These goodwill impairment charges were recognized in asset impairments on our consolidated statements of income within our owned and leased segment (see Note 7). During the year ended December 31, 2024, as a result of our annual impairment analyses (see Note 2), we determined that the carrying values of two of our reporting units were in excess of the fair values, and we recognized \$148 million of goodwill impairment charges in asset impairments on our consolidated statements of income within our management and franchising and distribution segments. We estimated the fair values of the goodwill allocated to the reporting units, which are classified as Level Three in the fair value hierarchy, using a weighted methodology considering the output from both a discounted future cash flow model and the guideline public companies method. The assumptions and judgments included projected future cash flows, discount rate, and capitalization rate. For the reporting unit within our management and franchising segment, changes in projected business performance expectations or specific valuation factors outside of our control, such as the discount rate, may significantly impact the estimated fair value of the reporting unit. A 5% decline in the underlying cash flows or a 1% increase in the discount rate or capitalization rate would result in a material impairment charge.

The impairment charges were recognized in asset impairments on our consolidated statements of income, primarily within our management and franchising segment. The judgments and assumptions used in determining the impairment charges are classified as Level Three in the fair value hierarchy.

Senior Notes—Interest on the outstanding Senior Notes is payable semi-annually. We may redeem some or all of the Senior Notes at any time prior to their maturity at a redemption price equal to 100% of the principal amount of the Senior Notes

redeemed plus accrued and unpaid interest, if any, to the date of redemption plus a make-whole amount, if any. The amount of any make-whole payment depends, in part, on the yield of U.S. Treasury securities with a comparable maturity to the Senior Notes at the date of redemption. A summary of the terms of our outstanding Senior Notes, by year of issuance, is as follows:

- In 2013, we issued \$350 million of 3.375% senior notes due 2023 at an issue price of 99.498% (the "2023 Notes").
- In 2016, we issued \$400 million of 4.850% senior notes due 2026 at an issue price of 99.920% (the "2026 Notes").
- In 2018, we issued \$400 million of 4.375% senior notes due 2028 at an issue price of 99.866% (the "2028 Notes").
- In 2020, we issued \$450 million of 5.375% senior notes due 2025 (the "2025 Notes") and \$450 million of 5.750% senior notes due 2030 (the "2030 Notes").
- In 2021, we issued \$700 million of 1.300% senior notes due 2023 at an issue price of 99.941% (the "2023 Fixed Rate Notes"), \$300 million of floating rate senior notes due 2023 (the "2023 Floating Rate Notes"), and \$750 million of 1.800% senior notes due 2024 at an issue price of 99.994% (the "2024 Fixed Rate Notes").
- In 2023, we issued \$600 million of 5.750% senior notes due 2027 at an issue price of 99.975% (the "2027 Notes"). We received approximately \$596 million of net proceeds from the sale, after deducting \$4 million of underwriting discounts and other offering expenses. We used the net proceeds from the senior notes issuance, together with cash on hand, to repay the outstanding balance on the 2023 Fixed Rate Notes, as described below.
- In 2024, we issued an aggregate \$600 million of 5.250% senior notes due 2029 at an aggregate issue price of 99.693% (the "2029 Notes"), \$450 million of 5.375% senior notes due 2031 at an issue price of 99.745% (the "2031 Notes"), and \$350 million of 5.500% senior notes due 2034 at an issue price of 98.860% (the "2034 Notes"). We received approximately \$1,380 million of net proceeds, after deducting \$20 million of underwriting discounts and other offering expenses. We used the net proceeds from a portion of 2029 Notes and the 2034 Notes to repay the outstanding balance on the 2024 Fixed Rate Notes, as described below. We temporarily invested the net proceeds from the remaining portion of the 2029 Notes and 2031 Notes in marketable securities (see Note 4), and we intend to use the net proceeds to repay the outstanding balance on the 2025 Notes at or prior to maturity and for general corporate purposes.

Senior Notes Redemptions, Repayments, and Repurchases—During the year ended December 31, 2024, we repaid the 2024 Fixed Rate Notes, of which there was \$746 million outstanding, at maturity for approximately \$753 million, inclusive of \$7 million of accrued interest.

During the year ended December 31, 2023, we repaid the 2023 Fixed Rate Notes, of which there was \$638 million outstanding, at maturity for approximately \$642 million, inclusive of \$4 million of accrued interest. Additionally, we repurchased approximately \$18 million of principal on the 2023 Fixed Rate Notes in the open market.

During the year ended December 31, 2022, we redeemed the 2023 Floating Rate Notes, of which there was \$300 million of aggregate principal outstanding, at a redemption price of approximately \$302 million, which included principal and \$2 million of accrued interest. We also redeemed the 2023 Notes, of which there was \$350 million of aggregate principal outstanding, at a redemption price of approximately \$353 million, which included principal and \$3 million of accrued interest. Additionally, we paid approximately \$58 million to repurchase \$44 million of principal on the 2023 Fixed Rate Notes, \$4 million of principal on the 2024 Fixed Rate Notes, \$1 million of principal on the 2028 Notes, and \$10 million of principal on the 2030 Notes in the open market. During the year ended December 31, 2022, we incurred an insignificant net loss on extinguishment of debt recognized in other income (loss), net on our consolidated statements of income related to this activity.

Variable Rate Mortgage Loan—During the year ended December 31, 2024, we assumed a €50 million secured mortgage loan through a facility agreement with Banco Bilbao Vizcaya Argentaria, S.A. ("BBVA") in conjunction with the acquisition of the Alua Portfolio (see Note 7). The variable rate loan, which had approximately \$52 million outstanding at December 31, 2024, matures in 2031. Additionally, we assumed €38 million of interest rate swaps with BBVA that expire in 2029 and reduce our exposure to fluctuations in EURIBOR. The interest rate swaps are remeasured at fair value on a recurring basis and are classified as Level Two in the fair value hierarchy. The fair value is estimated using an income approach based on the terms of the interest rate swap contracts and inputs corroborated by observable market data including interest rates and yield curves. At December 31, 2024, the fair value of the interest rate swaps was insignificant.

Variable Rate Term Loan—During the year ended December 31, 2024, we entered into a credit agreement with Bank of America to correspond with the total amount of the secured financing receivable we issued to the buyer in conjunction with the sale of Park Hyatt Zurich (see Note 7) for a CHF 41 million (approximately \$45 million outstanding at December 31, 2024) variable rate term loan, which matures in 2029.

Series 2005 Bonds—During the year ended December 31, 2022, the Series 2005 Bonds were legally defeased in conjunction with the sale of Grand Hyatt San Antonio River Walk (see Note 7). The Series 2005 Bonds had \$166 million outstanding prior to defeasance, inclusive of accrued interest and net of \$4 million of unamortized discounts, and we recognized an \$8 million loss on extinguishment of debt related to restricted cash utilized to defease the debt. The loss was recognized in other income (loss), net on our consolidated statements of income during the year ended December 31, 2022.

Floating Average Rate Loan—During the year ended December 31, 2012, we obtained a secured construction loan with Banco Nacional de Desenvolvimento Econômico e Social - BNDES ("BNDES") in order to develop Grand Hyatt Rio de Janeiro. The loan was split into four separate sub-loans. Sub-loans (a) and (b) mature in 2031 and bear interest at the Brazilian Long Term Interest Rate - TJLP plus 2.02%, and when the TJLP rate exceeds 6%, the amount corresponding to the TJLP portion above 6% is required to be capitalized daily. Sub-loans (c) and (d) matured during the year ended December 31, 2023. At December 31, 2024, the weighted-average interest rates for the sub-loans we have drawn upon is 8.02%. At December 31, 2024 and December 31, 2023, we had Brazilian Real ("BRL") 119 million, or \$19 million, and BRL 136 million, or \$28 million, outstanding, respectively.

Revolving Credit Facility—During the year ended December 31, 2022, we entered into a credit agreement with a syndicate of lenders that provides for a \$1.5 billion senior unsecured revolving credit facility that matures in May 2027. The credit agreement refinanced and replaced in its entirety our Second Amended and Restated Credit Agreement dated January 6, 2014, as amended. The revolving credit facility provides for the making of revolving loans to us in U.S. dollars and, subject to a sublimit of \$250 million, certain other currencies, and the issuance of up to \$300 million of letters of credit for our own account or for the account of our subsidiaries. We have the option during the term of the revolving credit facility to increase the revolving credit facility by an aggregate amount of up to an additional \$500 million provided that, among other things, new and/or existing lenders agree to provide commitments for the increased amount. We may prepay any outstanding aggregate principal amount, in whole or in part, at any time, subject to customary breakage costs and upon proper notice. The credit agreement contains customary affirmative, negative, and financial covenants; representations and warranties; and default provisions.

During the years ended December 31, 2024 and December 31, 2023, we had no borrowings or repayments on our revolving credit facility. At both December 31, 2024 and December 31, 2023, we had no balance outstanding. At December 31, 2024, we had \$1,497 million of borrowing capacity available under our revolving credit facility, net of letters of credit outstanding.

At December 31, 2024 and December 31, 2023, we had \$105 million and \$256 million, respectively, of letters of credit outstanding, excluding letters of credit outstanding that reduce our borrowing capacity under our revolving credit facility (see Note 15).

Fair Value—We estimated the fair value of debt, which consists of our Senior Notes and other long-term debt, excluding finance leases. Our Senior Notes are classified as Level Two due to the use and weighting of multiple market inputs in the final price of the security. We estimated the fair value of other debt instruments using a discounted cash flow analysis based on current market inputs for similar types of arrangements. Based on the lack of available market data, we have classified our other debt instruments and revolving credit facility, if applicable, as Level Three in the fair value hierarchy. The primary sensitivity in these models is based on the selection of appropriate discount rates. Fluctuations in our assumptions will result in different estimates of fair value.

	Carrying value	Fair value	Quoted prices in active markets for identical assets (Level One)	Significant other observable inputs (Level Two)	Significant unobservable inputs (Level Three)
Debt (1)	\$ 3,805	\$ 3,813	\$ —	\$ 3,695	\$ 118

(1) Excludes \$4 million of finance lease obligations and \$27 million of unamortized discounts and deferred financing fees.

(2) Excludes \$6 million of finance lease obligations and \$13 million of unamortized discounts and deferred financing fees.

12. EMPLOYEE BENEFIT PLANS

Defined Benefit Plans—We sponsor supplemental executive retirement plans consisting of funded and unfunded defined benefit plans for certain former executives. Retirement benefits are based primarily on the former employees' salary, as defined, and are payable upon satisfaction of certain service and age requirements as defined by the plans. At December 31, 2024 and December 31, 2023, the accumulated benefit obligation related to the unfunded U.S. plan was \$14 million and \$16 million, respectively, of which \$13 million and \$15 million were recorded in other long-term liabilities on our consolidated balance sheets (see Note 13). At December 31, 2024, we expect \$1 million of benefits to be paid annually over the next 10 years.

Defined Contribution Plans—We provide retirement benefits to certain eligible employees under the Retirement Savings Plan (a qualified plan under Internal Revenue Code Section 401(k)), the FRP, and other similar plans. During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized \$48 million, \$43 million, and \$38 million, respectively, of expenses related to the Retirement Savings Plan based on a percentage of eligible employee contributions on stipulated amounts. The majority of these contributions relate to property-level employees, which are reimbursable to us, and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income.

Deferred Compensation Plans—We provide nonqualified deferred compensation for certain employees. Contributions and investment elections are determined by the employees, and we provide contributions to certain eligible employees according to pre-established formulas. The DCP is fully funded through a rabbi trust, and therefore changes in the underlying securities impact the deferred compensation liability, which is recorded in other long-term liabilities (see Note 13), and the corresponding marketable securities, which are recorded in other assets (see Note 10), on our consolidated balance sheets.

Employee Stock Purchase Program—We provide the ESPP, which is intended to qualify under Section 423 of the Internal Revenue Code. The ESPP provides eligible employees the opportunity to purchase shares of our Class A common stock on a quarterly basis through payroll deductions at a price equal to 95% of the fair value on the last trading day of each quarter. We issued 53,366, 61,977, and 60,543 shares under the ESPP during the years ended December 31, 2024, December 31, 2023, and December 31, 2022, respectively.

Foreign Labor Liabilities—We provide post-employment benefits to certain eligible employees primarily in Mexico based on their seniority and the nature and timing of their departure, as required by labor laws. At December 31, 2024 and December 31, 2023, we had \$7 million and \$15 million, respectively, of total liabilities related to the benefits, which included \$6 million and \$11 million recorded in other long-term liabilities (see Note 13) and \$1 million and \$4 million recorded in accrued expenses and other current liabilities, respectively, on our consolidated balance sheets.

U.S. foreign tax credits valuation allowance	—	—	(4.7)
Other	0.1	2.0	(0.9)
Effective income tax rate	<u>17.1 %</u>	<u>28.9 %</u>	<u>(25.2)%</u>

(1) Excludes unconsolidated hospitality ventures losses.

During the year ended December 31, 2024, significant items affecting the effective tax rate included the benefit of gains on the sale of the shares of the entities that own Hyatt Regency Aruba Resort Spa and Casino and the UVC Transaction that carry a low effective tax rate and a non-cash tax benefit as a result of the release of a valuation allowance on certain foreign deferred tax assets. These benefits were partially offset by the impact of foreign operations, tax contingencies, and state income taxes. Further, during the year ended December 31, 2024, we purchased \$69 million of Investment Tax Credits from a third party, and we recognized a \$4 million benefit as a reduction to income tax expense.

During the year ended December 31, 2023, significant items affecting the effective tax rate included the rate differential on foreign operations and the impact of tax contingencies. These expenses were partially offset by a non-cash tax benefit from the foreign asset restructuring undertaken related to the ALG integration and the release of a valuation allowance on U.S. federal and state deferred tax assets.

During the year ended December 31, 2022, significant items affecting the effective tax rate included a \$250 million non-cash benefit as a result of the release of a valuation allowance on U.S. federal and state deferred tax assets and U.S. foreign tax credit carryforwards. This benefit was partially offset by the impact of tax contingencies and the impact of foreign operations.

The components of the net deferred tax assets and deferred tax liabilities were comprised of the following:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
Deferred tax assets related to:		
Loyalty program	\$ 288	\$ 238
Employee benefits	155	146
Foreign net operating losses and credit carryforwards	120	144
Long-term operating lease liabilities	89	88
Interest deduction limitations	65	66

Federal and state net operating losses and credit carryforwards	28	34
Allowance for uncollectible assets	23	24
Investments	16	10
Unrealized losses	10	11
Other	76	72
Valuation allowance	(90)	(253)

Property and equipment	(43)	(74)
Prepaid expenses	(8)	(24)
Unrealized gains	(5)	(5)
Other	(19)	(18)
Total deferred tax liabilities	<u>\$ (516)</u>	<u>\$ (403)</u>
Net deferred tax assets	<u>\$ 295</u>	<u>\$ 292</u>
Recorded on our consolidated balance sheets as:		
Deferred tax assets—noncurrent	\$ 466	\$ 358
Deferred tax liabilities—noncurrent	(171)	(66)
Total	<u>\$ 295</u>	<u>\$ 292</u>

During the year ended December 31, 2024, significant changes to our deferred tax assets included an increase of \$50 million related to the loyalty program deferred tax asset as a result of changes in the loyalty program's deferred revenue liability and a \$62 million reduction of valuation allowance balance due to the release of a valuation allowance on certain foreign deferred tax assets. Further, the deferred tax asset on the deferred revenue liability related to the paid membership program decreased \$84 million with a corresponding decrease to the valuation allowance as a result of the UVC Transaction. Significant changes to our deferred tax liabilities during the year ended December 31, 2024 included a \$108 million increase in intangibles driven by the Bahia Principe Transaction.

At December 31, 2024, we had \$144 million of deferred tax assets for future tax benefits related to federal, state, and foreign net operating losses and \$4 million of benefits related to federal and state credits. Of these deferred tax assets, \$44 million related to net operating losses and federal and state credits that expire in 2025 through 2044 and \$104 million related to federal, state, and foreign net operating losses that have no expiration date and may be carried forward indefinitely. A \$90 million valuation allowance was recorded on deferred tax assets that we do not believe are more likely than not to be realized.

At December 31, 2024, we had \$645 million of accumulated undistributed earnings generated by our foreign subsidiaries, the majority of which have been subject to U.S. tax. Any potential additional taxes due with respect to such earnings or the excess of book basis over tax basis of our foreign investments would generally be limited to an insignificant amount of foreign withholding and/or U.S. state income taxes. We continue to assert that undistributed net earnings with respect to certain foreign subsidiaries that have not previously been taxed in the U.S. are indefinitely reinvested.

At December 31, 2024, December 31, 2023, and December 31, 2022, total unrecognized tax benefits recorded in other long-term liabilities on our consolidated balance sheets were \$366 million, \$301 million, and \$253 million, of which \$137 million, \$120 million, and \$102 million, respectively, would impact the effective tax rate, if recognized. It is reasonably possible that a reduction of up to \$5 million of unrecognized tax benefits could occur within 12 months resulting from the expiration of certain tax statutes of limitations. Further, while it is reasonably possible that the amount of uncertain tax benefits associated with the U.S. treatment of the loyalty program discussed below could significantly change within the next 12 months, at this time, we are not able to estimate the range by which the reasonably possible outcomes of the pending litigation could impact our uncertain tax benefits within the next 12 months.

A reconciliation of unrecognized tax benefits is as follows:

	2024	2023	2022
Unrecognized tax benefits—January 1	\$ 301	\$ 253	\$ 205
Total increases—current-period tax positions	67	54	38
Total increases (decreases)—prior-period tax positions	11	(3)	22
Lapse of statute of limitations	(8)	(9)	(5)
Foreign currency translation adjustments	(5)	6	(7)
Unrecognized tax benefits—December 31	<u>\$ 366</u>	<u>\$ 301</u>	<u>\$ 253</u>

In 2024, the \$65 million net increase in uncertain tax positions was primarily related to an accrual for the U.S. treatment of the loyalty program. The increase in prior-period tax positions includes a \$38 million increase related to foreign tax filing positions recorded as part of the Bahia Principe Transaction offset by a \$32 million reduction related to foreign tax filing positions as a result of the UVC Transaction.

In 2023, the \$48 million net increase in uncertain tax positions was primarily related to foreign tax filing positions and an accrual for the U.S. treatment of the loyalty program.

In 2022, the \$48 million net increase in uncertain tax positions was primarily related to foreign tax filing positions identified as a result of the ALG Acquisition and an accrual for the U.S. treatment of the loyalty program.

We recognize accrued interest and penalties related to unrecognized tax benefits as a component of income tax expense. Total gross accrued interest and penalties were \$103 million, \$133 million, and \$111 million at December 31, 2024, December 31, 2023, and December 31, 2022, respectively.

The amount of interest and penalties recognized as a component of our income tax expense in 2024 and 2023 was \$42 million and \$23 million, respectively, primarily related to interest accrued on the U.S. treatment of the loyalty program and foreign tax matters. The amount of interest and penalties recognized as a component of our income tax expense in 2022 was a \$21 million expense, primarily related to foreign tax matters.

We are subject to audits by federal, state, and foreign tax authorities. U.S. tax years 2018 through 2020 are currently under field exam. U.S. tax years 2009 through 2011 have been subject to a U.S. Tax Court case concerning the tax treatment of the loyalty program in which the IRS is asserting that loyalty program contributions are taxable income to the Company. U.S. tax years 2012 through 2017 are pending the outcome of the U.S. Tax Court.

The Tax Court issued an opinion on October 2, 2023 related to the aforementioned case and determined that the Company must recognize approximately \$12 million in net taxable income for the tax years 2009 through 2011, but that the Company need not recognize approximately \$228 million in net taxable income related to tax years that preceded 2009. The Tax Court entered its decision on September 13, 2024. The Company filed a Notice of Appeal to the U.S. Court of Appeals on December 9, 2024. As part of the appeal, the Company will pay the tax liability and interest related to the 2009 through 2011 tax years as determined by the Tax Court, which is estimated to be \$2 million. If the Tax Court's opinion is upheld on appeal, the estimated income tax payment due for the subsequent years 2012 through 2024 is \$280 million, including \$46 million of estimated interest, net of federal benefit. We believe we have an adequate uncertain tax liability recorded in accordance with Accounting Standards Codification 740, *Income Taxes*, for this matter and believe that the ultimate outcome of this matter will not have a material effect on our consolidated financial position, results of operations, or liquidity.

Through a prior acquisition, we assumed an assessment of additional corporate income tax from the Mexican tax authorities, which was in the process of being appealed, primarily related to disallowed deductions taken on historical tax returns. During the year ended December 31, 2024, our request for appeal to a higher court for one of the tax years was denied, and the assessment was finalized. At December 31, 2024, we had an \$18 million tax liability recorded in other long-term

liabilities on our consolidated balance sheet in connection with this matter. Our filing position for the additional tax years and matters assessed is more likely than not to be sustained. As the tax benefit that is more than 50% likely of being realized upon settlement is zero, we recorded a \$13 million uncertain tax liability in other long-term liabilities on our consolidated balance sheet at December 31, 2024.

Further, the Mexican tax authorities disallowed credits taken on historical tax returns and applied value added taxes to certain transactions. In accordance with Accounting Standards Codification 450, *Contingencies*, we have not recorded a liability associated with the additional value added tax as we do not believe a loss is probable. At December 31, 2024, our maximum exposure is not expected to exceed \$12 million.

We have several state audits pending, including in California and Illinois. State income tax returns are generally subject to examination for a period of three to five years after filing of the return. However, the state impact of any federal changes remains subject to examination by various states for a period generally up to one year after formal notification to the states of the federal changes. We also have several foreign audits pending. The statutes of limitations for the foreign jurisdictions ranges from three to ten years after filing the applicable tax return.

15. COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, we enter into various commitments, guarantees, surety and other bonds, and letter of credit agreements.

Commitments—At December 31, 2024, we are committed, under certain conditions, to lend, provide certain consideration to, or invest in various business ventures up to \$659 million, net of any related letters of credit.

Performance Guarantees—Certain of our contractual agreements with third-party owners require us to guarantee payments to the owners if specified levels of operating profit are not achieved by their hotels. Except as described below, at December 31, 2024, our performance guarantees had \$150 million of remaining maximum exposure and expire between 2025 and 2042.

Through acquisitions, we acquired certain management and hotel services agreements with performance guarantees based on annual performance levels and with expiration dates between 2027 and 2045. Contract terms within certain management and hotel services agreements limit our exposure, and therefore, we are unable to reasonably estimate our maximum potential future payments.

At December 31, 2024 and December 31, 2023, we had \$113 million and \$99 million, respectively, of total performance guarantee liabilities, which included \$104 million and \$91 million, respectively, recorded in other long-term liabilities and \$9 million and \$8 million, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets.

Additionally, we enter into certain management and hotel services agreements where we have the right, but not an obligation, to make payments to certain third-party owners if their hotels do not achieve specified levels of operating profit. If we choose not to fund the shortfall, the hotel owner has the option to terminate the contract. At December 31, 2024 and December 31, 2023, we had no amount and an insignificant amount, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets related to these performance cure payments.

Debt Repayment Guarantees—We enter into various debt repayment guarantees in order to assist third-party owners, franchisees, and unconsolidated hospitality ventures in obtaining third-party financing or to obtain more favorable borrowing terms.

Geographical region	Maximum potential future payments (1)	Maximum exposure net of recoverability from third parties (1)	Other long-term liabilities recorded at December 31, 2024	Other long-term liabilities recorded at December 31, 2023	Year of guarantee expiration (2)
United States (3), (4)	\$ 125	\$ 25	\$ 51	\$ 30	various, through 2030
All foreign (3)	29	18	7	21	various, through 2026
Total	<u>\$ 154</u>	<u>\$ 43</u>	<u>\$ 58</u>	<u>\$ 51</u>	

(1) Our maximum exposure is generally based on a specified percentage of the total principal due upon borrower default.

(2) Certain underlying debt agreements have extension periods which are not reflected in the year of guarantee expiration.

(3) We have agreements with our unconsolidated hospitality venture partners or the respective third-party owners or franchisees to recover certain amounts funded under the debt repayment guarantee; the recoverability mechanism may be in the form of cash or HTM debt security.

(4) Certain agreements give us the ability to assume control of the property if defined funding thresholds are met or if certain events occur.

At December 31, 2024, we are not aware, nor have we received any notification, that our third-party owners, franchisees, or unconsolidated hospitality ventures are not current on their debt service obligations where we have provided a debt repayment guarantee.

Other Guarantees—We may be obligated to fund up to \$142 million related to certain guarantees as a result of the UVC Transaction (see Note 4). At December 31, 2024, we had \$67 million of guarantee liabilities recorded in other long-term liabilities on our consolidated balance sheet associated with these guarantees.

Guarantee Liabilities Fair Value—We estimated the fair value of our guarantees to be \$213 million and \$148 million at December 31, 2024 and December 31, 2023, respectively. Based on the lack of available market data, we have classified our guarantees as Level Three in the fair value hierarchy.

Contingent Consideration Fair Value—As part of acquisitions, we have entered into various contingent consideration arrangements. At December 31, 2024, we have \$359 million of potential future consideration remaining under these arrangements. However, we are unable to reasonably estimate our maximum potential future consideration remaining related to the Bahia Principe Transaction (see Note 7).

At December 31, 2024 and December 31, 2023, we had \$214 million and \$115 million, respectively, recorded in other long-term liabilities, and \$3 million and no amount, respectively, recorded in accrued expenses and other current liabilities on our consolidated balance sheets related to contingent consideration. Our contingent consideration liabilities are remeasured at fair value on a recurring basis and are classified as Level Three in the fair value hierarchy. The following table summarizes the change in fair value recognized in other income (loss), net on our consolidated statements of income:

	2024	2023
Fair value at January 1	\$ 115	\$ —
Fair value as of acquisition dates (Note 7)	141	107
Change in fair value (1) (Note 21)	(39)	9
Payments	—	(1)
Fair value at December 31	<u>\$ 217</u>	<u>\$ 115</u>

(1) During the year ended December 31, 2024, we amended certain terms of the Dream Hotel Group contingent consideration arrangement, including an extension through 2031.

Insurance—We obtain insurance for potential losses from general liability, property, automobile, aviation, environmental, workers' compensation, employment practices, crime, cyber, and other miscellaneous risks. A portion of these risks is retained through a U.S.-based and licensed captive insurance company that is a wholly owned subsidiary of Hyatt and generally insures our deductibles and retentions. Reserve requirements are established based on actuarial projections of ultimate losses. Reserves for losses in our captive insurance company to be paid within 12 months are \$46 million and \$41 million at December 31, 2024 and December 31, 2023, respectively, and are recorded in accrued expenses and other current liabilities on our consolidated balance sheets. Reserves for losses in our captive insurance company to be paid in future periods are \$83 million and \$73 million at December 31, 2024 and December 31, 2023, respectively, and are recorded in other long-term liabilities on our consolidated balance sheets (see Note 13).

Collective Bargaining Agreements—At December 31, 2024, approximately 21% of our U.S.-based employees were covered by various collective bargaining agreements, generally providing for basic pay rates, working hours, other conditions of employment, and orderly settlement of labor disputes. Certain employees are covered by union-sponsored, multi-employer pension and health plans pursuant to agreements between various unions and us. Generally, labor relations have been maintained in a normal and satisfactory manner, and we believe our employee relations are good.

Surety and Other Bonds—Surety and other bonds issued on our behalf were \$268 million at December 31, 2024 and primarily relate to our insurance programs, litigation, customer deposits associated with ALG Vacations, taxes, licenses, liens, and utilities for our lodging operations.

Letters of Credit—Letters of credit outstanding on our behalf at December 31, 2024 were \$108 million, which primarily relate to our ongoing operations, collateral for customer deposits associated with ALG Vacations, collateral for estimated insurance claims, and securitization of our performance under certain debt repayment guarantees, which are only called on if the borrower defaults on its obligations. Of the letters of credit outstanding, \$3 million reduces the available capacity under our revolving credit facility (see Note 11).

Capital Expenditures—As part of our ongoing business operations, expenditures are required to complete renovation projects that have been approved.

Other—We act as general partner of various partnerships owning hotel properties that are subject to mortgage indebtedness. These mortgage agreements generally limit the lender's recourse to security interests in assets financed and/or other assets of the partnership(s) and/or the general partner(s) thereof.

In conjunction with financing obtained for our unconsolidated hospitality ventures and certain managed or franchised hotels, we may provide standard indemnifications to the lender for loss, liability, or damage occurring as a result of our actions or actions of the other unconsolidated hospitality venture partners or the respective third-party owners or franchisees.

As a result of certain dispositions, we have agreed to provide customary indemnifications to third-party purchasers for certain liabilities incurred prior to sale and for breach of certain representations and warranties made during the sales process, such as representations of valid title, authority, and environmental issues that may not be limited by a contractual monetary amount. These indemnification agreements survive until the applicable statutes of limitation expire or until the agreed-upon contract terms expire.

We are subject to various claims and contingencies arising in the normal course of business, which are primarily related to lawsuits and taxes (see Note 14), as well as commitments under contractual obligations. Many of these claims are covered under our current insurance programs, subject to deductibles. We record a liability when the loss is probable and reasonably estimable, and if the loss is recoverable from third parties, we record a receivable when the realization of the claim is probable. Based on information currently available, we do not expect the ultimate resolution of such claims and litigation to have a material effect on our consolidated financial statements.

During the year ended December 31, 2024, the Missouri Court of Appeals issued an opinion affirming a previous verdict awarding damages to a guest at one of our managed hotels. We have requested the Missouri Supreme Court exercise jurisdiction over the appeal, which remains pending. In connection with this matter, we have recorded an estimated liability in accrued expenses and other current liabilities with an offsetting receivable from insurance recorded in receivables, net on our consolidated balance sheet. At December 31, 2024, our maximum exposure, which is fully insured, is not expected to exceed \$177 million.

During the year ended December 31, 2018, we received a notice from the Indian tax authorities assessing additional service tax on our operations in India. We appealed this decision and do not believe a loss is probable, and therefore, we have not recorded a liability in connection with this matter. At December 31, 2024, our maximum exposure is not expected to exceed \$19 million.

16. STOCKHOLDERS' EQUITY AND COMPREHENSIVE LOSS

Common Stock—At December 31, 2024, Pritzker family business interests beneficially owned, in the aggregate, approximately 95.8% of our Class B common stock and approximately 1.8% of our Class A common stock, representing approximately 54.1% of the outstanding shares of our common stock and approximately 88.8% of the total voting power of our outstanding common stock. As a result, consistent with the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, Pritzker family business interests are able to exert a significant degree of influence or actual control over our management and affairs and over matters requiring stockholder approval, including the election of directors and other significant corporate transactions. While the voting agreements are in effect, they may provide our board of directors with effective control over matters requiring stockholder approval. Because of our dual class ownership structure, Pritzker family business interests will continue to exert a significant degree of influence or actual control over matters requiring stockholder approval, even if they own less than 50% of the outstanding shares of our common stock. Pursuant to the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, the Pritzker family business interests have agreed to certain voting agreements and to certain limitations with respect to the sale of shares of our common stock. In addition, other stockholders beneficially own, in the aggregate, approximately 4.2% of our outstanding Class B common stock representing approximately 2.4% of the outstanding shares of our common stock and approximately 3.9% of the total voting power of our outstanding common stock. Pursuant to the 2007 Stockholders' Agreement, these entities have also agreed to certain voting agreements and to certain limitations with respect to the sale of shares of our common stock.

Share Repurchase—On December 18, 2019, May 10, 2023, and May 8, 2024 our board of directors authorized repurchases of up to \$750 million, \$1,055 million, and \$1,000 million, respectively, of our common stock. These repurchases may be made from time to time in the open market, in privately negotiated transactions, or otherwise, including pursuant to a Rule 10b5-1 plan or an ASR transaction, at prices we deem appropriate and subject to market conditions, applicable law, and other factors deemed relevant in our sole discretion. The common stock repurchase program applies to our Class A and Class B

common stock. The share repurchase program does not obligate us to repurchase any dollar amount or number of shares, and the program may be suspended or discontinued at any time and does not have an expiration date.

	Year Ended December 31,		
	2024	2023	2022
Total number of shares repurchased (1)	7,992,256	4,123,828	4,233,894

Aggregate purchase price (2)	\$ 1,190	\$ 453	\$ 369
Shares repurchased as a percentage of total common stock outstanding (3)	8%	4%	4%

(1) The year ended December 31, 2023 includes repurchases of 106,116 shares that were initiated prior to December 31, 2022, but settled in the first quarter of 2023. At December 31, 2022, a \$9 million share repurchase liability was recorded in accrued expenses and other current liabilities on our consolidated balance sheet.

(2) Excludes related insignificant expenses.

(3) Calculated based on the total common stock outstanding as of December 31 of the prior year.

The shares of Class A common stock repurchased in the open market were retired and returned to the status of authorized and unissued shares, while the shares of Class B common stock repurchases were retired and the total number of authorized Class B shares was thereby reduced by the number of shares returned (see Note 18). At December 31, 2024, we had \$971 million remaining under the total share repurchase authorization.

Dividend—The following tables summarize dividends declared to Class A and Class B stockholders of record:

17. STOCK-BASED COMPENSATION

Compensation expense and unearned compensation presented below exclude (i) amounts related to employees of our managed hotels and other employees whose payroll is reimbursed, as these expenses have been, and will continue to be, reimbursed by our third-party owners and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income and (ii) insignificant amounts related to employees of our owned and leased hotels recognized in owned and leased expenses on our consolidated statements of income. Stock-based compensation expense recognized in general and administrative expenses, distribution expenses, and transaction and integration costs on our consolidated statements of income related to our awards was as follows:

Expected life in years	6.24	6.24	6.24
Risk-free interest rate	4.31 %	3.70 %	2.40 %
Expected volatility	38.60 %	37.37 %	36.07 %
Annual dividend yield	0.38 %	— %	— %

Due to a lack of historical exercise activity, the expected life was estimated based on the midpoint between the vesting period and the contractual life of each SAR. The risk-free interest rate was based on U.S. Treasury instruments with similar expected life. We calculate volatility using our trading history over a time period consistent with our expected term assumption. The dividend yield assumption is based on the expected annualized dividend payment at the date of grant.

During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, the intrinsic value of exercised SARs was \$85 million, \$47 million, and \$21 million, respectively. The total intrinsic value of SARs outstanding at December 31, 2024 was \$261 million, and the total intrinsic value for exercisable SARs at December 31, 2024 was \$233 million.

At December 31, 2024, the total intrinsic value of nonvested PSUs was \$80 million, if target performance is achieved.

Unearned Compensation—Our total unearned compensation for our stock-based compensation programs at December 31, 2024 was \$2 million for SARs, \$33 million for RSUs, and \$13 million for PSUs, which will be recognized in general and administrative expenses, distribution expenses, and transaction and integration costs over a weighted-average period of one year with respect to PSUs, two years with respect to SARs, and three years with respect to RSUs.

On May 15, 2024, our stockholders approved the Fifth Amended and Restated Hyatt Hotels Corporation Long-Term Incentive Plan (the "2024 LTIP") subsequent to the adoption of such amended plan by our board of directors. The 2024 LTIP (i) increased the share limit by 5,650,000 shares, (ii) was updated to reflect market practices with respect to broker-assisted sales and data privacy, and (iii) extended the term of the 2024 LTIP by 10 years until the 10th anniversary of May 15, 2024, the date on which the 2024 LTIP was approved by our stockholders.

18. RELATED-PARTY TRANSACTIONS

In addition to those included elsewhere in the Notes to our consolidated financial statements, related-party transactions entered into by us are summarized as follows:

Legal Services—A partner in a law firm that provided services to us throughout 2024, 2023, and 2022 is the brother-in-law of our Executive Chairman. During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we incurred \$23 million, \$15 million, and \$14 million, respectively, of legal fees with this firm. At both December 31, 2024 and December 31, 2023, we had \$2 million due to the law firm.

Equity Method Investments—We have equity method investments in entities that own, operate, manage, or franchise properties or other hospitality-related businesses, including the Unlimited Vacation Club paid membership program, for which we receive management, franchise, license, or royalty fees. We recognized \$83 million, \$23 million, and \$22 million of fee revenues during the years ended December 31, 2024, December 31, 2023, and December 31, 2022, respectively. In addition, in some cases we provide loans or guarantees to these entities (see Note 4, Note 6, and Note 15). During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized \$2 million, \$6 million, and \$7 million, respectively, of income related to these guarantees. At December 31, 2024 and December 31, 2023, we had \$112 million and \$43 million, respectively, due from these entities, inclusive of \$67 million and \$22 million, respectively, recorded in receivables, net and \$45 million and \$21 million, respectively, recorded in financing receivables, net on our consolidated balance sheets. During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, we recognized \$5 million, \$3 million, and \$4 million, respectively, of interest income related to these receivables. Our ownership interest in these unconsolidated hospitality ventures varies from 20% to 50%.

In addition to the aforementioned fees, we provide system-wide services on behalf of owners of managed and franchised properties and administer the loyalty program for the benefit of Hyatt's portfolio of properties. These expenses have been, and

will continue to be, reimbursed by our third-party owners and franchisees and are recognized in revenues for reimbursed costs and reimbursed costs on our consolidated statements of income.

Class B Share Conversion—During the years ended December 31, 2024, December 31, 2023, and December 31, 2022, 1,596,064 shares, 160,626 shares, and 735,522 shares, respectively, of Class B common stock were converted on a share-for-share basis into shares of Class A common stock, \$0.01 par value per share. The shares of Class B common stock that were converted into shares of Class A common stock have been retired, thereby reducing the shares of Class B common stock authorized and outstanding.

Class B Share Repurchase—During the year ended December 31, 2024, we repurchased 3,629,480 shares of Class B common stock at a weighted-average price of \$154.66 per share, for an aggregate purchase price of approximately \$561 million. The shares of Class B common stock were repurchased in privately negotiated transactions from a limited liability company owned directly and indirectly by trusts for the benefit of certain Pritzker family members, a private foundation affiliated with certain Pritzker family members, and a charitable trust affiliated with certain Pritzker family members, and were retired, thereby reducing the shares of Class B common stock authorized and outstanding by the repurchased share amount.

Charitable Contribution—During the year ended December 31, 2022, we contributed \$5 million to the Hyatt Hotels Foundation. The charitable contribution was recognized in general and administrative expenses on our consolidated statements of income.

19. SEGMENT AND GEOGRAPHIC INFORMATION

Our reportable segments are components of the business which are managed discretely and for which discrete financial information is reviewed regularly by the CODM to assess performance and make decisions regarding the allocation of resources. Our CODM is our President and Chief Executive Officer. We define our operating and reportable segments as follows:

- **Management and franchising**—This segment derives its earnings primarily from the provision of management, franchising, and hotel services, or the licensing of our intellectual property to, (i) our property portfolio, (ii) our co-branded credit card programs, and (iii) other hospitality-related businesses, including the Unlimited Vacation Club following the UVC Transaction. This segment also includes revenues for reimbursed costs primarily related to payroll at managed properties where we are the employer, as well as costs associated with system-wide services and the loyalty program operated on behalf of owners of managed and franchised properties. The intersegment revenues relate to management fees earned from our owned and leased hotels and commission fees earned from certain ALG Vacations bookings, both of which are eliminated in consolidation.
- **Owned and leased**—This segment derives its earnings from owned and leased hotel properties located predominantly in the United States but also in certain international locations, and for purposes of segment Adjusted EBITDA, includes our pro rata share of unconsolidated hospitality ventures' Adjusted EBITDA, based on our ownership percentage of each venture. Adjusted EBITDA includes intercompany management fee expenses paid to our management and franchising segment, which are eliminated in consolidation. Intersegment revenues relate to promotional award redemptions earned by our owned and leased hotels related to our co-branded credit card programs and are eliminated in consolidation.
- **Distribution**—This segment derives its earnings from distribution and destination management services offered through ALG Vacations and the boutique and luxury global travel platform offered through Mr & Mrs Smith. Prior to the UVC Transaction, this segment also included earnings from a paid membership program offering benefits exclusively at certain all-inclusive resorts primarily in Latin America and the Caribbean. Adjusted EBITDA includes intercompany commission fee expenses paid to our management and franchising segment, which are eliminated in consolidation.

Within overhead, we include unallocated corporate expenses.

During the year ended December 31, 2024, we revised our definition of Adjusted EBITDA to exclude transaction and integration costs (see Note 1), and we recast prior-period results to provide comparability. The revised definition excludes integration costs, which were previously recognized in integration costs during the three months ended March 31, 2024 and general and administrative expenses during the years ended December 31, 2023 and December 31, 2022, and transaction costs, which were previously recognized in general and administrative expenses during the three months ended March 31, 2024 and the years ended December 31, 2023 and December 31, 2022. Previously, only transaction costs recognized in gains (losses) on sales of real estate and other and other income (loss), net were excluded from Adjusted EBITDA. As these costs may vary in frequency or magnitude, we believe the revised definition presents a more representative measure of our core operations, assists

in the comparability of results, and provides information consistent with how our management evaluates operating performance.

Our CODM evaluates performance based on gross fee revenues, owned and leased revenues, distribution revenues, other revenues, and Adjusted EBITDA. Our CODM uses these measures to evaluate trends and assess segment operating performance as compared to our industry and competitors in order to determine how to allocate resources to each segment. Significant segment expenses include Adjusted general and administrative expenses, owned and leased expenses, and distribution expenses. Our CODM does not evaluate our operating segments using discrete asset information.

We define Adjusted EBITDA as net income (loss) attributable to Hyatt Hotels Corporation plus net income (loss) attributable to noncontrolling interests and our pro rata share of unconsolidated owned and leased hospitality ventures' Adjusted EBITDA based on our ownership percentage of each owned and leased venture, adjusted to exclude Contra revenue; revenues for reimbursed costs; stock-based compensation expense; transaction and integration costs; depreciation and amortization; reimbursed costs that we intend to recover over the long term; equity earnings (losses) from unconsolidated hospitality ventures; interest expense; gains (losses) on sales of real estate and other; asset impairments; other income (loss), net; and benefit (provision) for income taxes.

Adjusted general and administrative expenses exclude the impact of deferred compensation plans funded through rabbi trusts and stock-based compensation expense. Adjusted general and administrative expenses assist us in comparing our performance over various reporting periods on a consistent basis because it removes from our operating results the impact of items that do not reflect our core operations, both on a segment and consolidated basis.

The following tables present revenues disaggregated by the nature of the product or service and by segment:

Offering of the Notes

On March 26, 2025, Hyatt Hotels Corporation (the “Company”) issued and sold \$500,000,000 of its 5.050% Senior Notes due 2028 (the “2028 Notes”) and \$500,000,000 of its 5.750% Senior Notes due 2032 (the “2032 Notes” and, together with the 2028 Notes, the “Notes”) in a public offering (the “Offering”) pursuant to an effective Registration Statement on Form S-3 (Registration No. 333-274272) (the “Registration Statement”). The Company received net proceeds from the Offering of approximately \$993.1 million, after deducting underwriters’ discounts and estimated offering expenses payable by the Company.

The Company intends to use the net proceeds from the Offering to fund a portion of the purchase price for its pending acquisition of Playa Hotels & Resorts N.V. (“Playa,” and the pending acquisition of Playa, the “Playa Hotels Acquisition”), which may include payment of any fees and expenses relating to the Playa Hotels Acquisition and to pay fees and expenses related to the Offering.

Indenture

The Notes were issued pursuant to an indenture, dated August 30, 2023 (the “Base Indenture”), between the Company and Computershare Trust Company, N.A., as trustee (the “Trustee”), as supplemented by a third supplemental indenture, dated March 26, 2025 (the “Third Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee, setting forth the terms of the Notes.

The Base Indenture was included as Exhibit 4.5 to the Company’s Registration Statement on Form S-3 (No. 333-274272), filed on August 30, 2023, and is incorporated herein by reference. The Third Supplemental Indenture and the forms of the 2028 Notes and the 2032 Notes are attached hereto as Exhibits 4.1, 4.2 and 4.3, respectively, and are incorporated herein by reference. The Third Supplemental Indenture and the forms of the Notes are also filed with reference to, and are hereby incorporated by reference in, the Registration Statement.

Terms of the Notes

Interest and Maturity. The 2028 Notes will bear interest at a rate of 5.050% per annum and the 2032 Notes will bear interest at a rate of 5.750% per annum, which will be payable, in each case, semi-annually on March 30 and September 30 of each year, beginning on September 30, 2025. The 2028 Notes will mature on March 30, 2028 and the 2032 Notes will mature on March 30, 2032.

Redemption. At any time prior to February 29, 2028, the Company may redeem some or all of the 2028 Notes at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest plus a “make-whole” amount calculated at the applicable Treasury Rate, plus 20 basis points. At any time prior to January 30, 2032, the Company may redeem some or all of the 2032 Notes at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest plus a “make-whole” amount calculated at the applicable Treasury Rate, plus 25 basis points.

Change of Control. In the event of a Change of Control Triggering Event (as defined in the Indenture), the holders of the Notes may require the Company to purchase for cash all or a portion of the holders’ Notes at a purchase price equal to 101% of the principal amount of the Notes purchased plus accrued and unpaid interest, if any.

Special Mandatory Redemption. If the Playa Hotels Acquisition is not consummated, the Company will be required to redeem the Notes at a special mandatory redemption price equal to 101% of the principal amount of the Notes plus accrued and unpaid interest, if any.

Covenants. The Indenture does not limit the ability of the Company or its subsidiaries to issue or incur other debt or issue preferred stock. Subject to certain important exceptions, the Indenture contains covenants that, among other things, limit the Company’s ability and the ability of certain of the Company’s subsidiaries to create liens on principal property, enter into sale and leaseback transactions with respect to principal property and enter into mergers or consolidations or transfer all or substantially all of the Company’s assets.

Ranking. The Notes rank equal in right of payment with all of the Company’s other existing and future unsecured unsubordinated indebtedness, senior in right of payment to all of the Company’s future subordinated indebtedness and effectively subordinated in right of payment to all of the Company’s existing and future secured obligations to the extent of the value of the assets securing such obligations. The Notes are not obligations of, nor are they guaranteed by, any of the Company’s subsidiaries. As a result, the Notes are structurally subordinated to all of the existing and future liabilities (including trade payables) of each of the Company’s subsidiaries.

The descriptions of the Indenture and the Notes herein are summaries and are qualified in their entirety by the terms of the Indenture and the Notes.

Item 8.01. Other Events.

Underwriting Agreement

The Notes were sold pursuant to an Underwriting Agreement, dated as of March 17, 2025 (the “Underwriting Agreement”), by and among the Company and BofA Securities, Inc., J.P. Morgan Securities LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein. The Underwriting Agreement sets forth the terms and conditions pursuant to which the Company agreed to sell the Notes to the underwriters and the underwriters agreed to purchase the Notes from the Company for resale to the public in the Offering.

The Underwriting Agreement is attached as Exhibit 1.1 hereto and is incorporated herein by reference. The Underwriting Agreement is also filed with reference to, and is hereby incorporated by reference in, the Registration Statement.

Legal Opinion Letter

In connection with the Offering, a legal opinion letter of Latham & Watkins LLP regarding the validity of the Notes is attached as Exhibit 5.1 hereto. The legal opinion letter is also filed with reference to, and is hereby incorporated by reference in, the Registration Statement.

This Form 8-K is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell ordinary shares of Playa or any other securities, nor is it a substitute for the tender offer materials that HI Holdings Playa B.V. (“Buyer”) filed with the SEC upon the commencement of the tender offer. Buyer has filed with the SEC a tender offer statement on Schedule TO (the “Tender Offer Statement”) and Playa has filed with the SEC a solicitation/recommendation statement on Schedule 14D-9 (the “Solicitation/Recommendation Statement”) with respect to the tender offer. Playa also filed with the SEC a proxy statement (the “Proxy Statement”) in connection with an extraordinary general meeting of shareholders of Playa, at which the Playa shareholders will vote on certain proposed resolutions (the “EGM Proposals”) in connection with the transactions referenced in the Purchase Agreement, and mailed the definitive proxy statement and a proxy card to each Playa shareholder entitled to vote at the extraordinary general meeting. **THE TENDER OFFER STATEMENT (INCLUDING AN OFFER TO PURCHASE, A RELATED LETTER OF TRANSMITTAL AND CERTAIN OTHER TENDER OFFER DOCUMENTS), THE SOLICITATION/RECOMMENDATION STATEMENT ON SCHEDULE 14D-9 AND THE PROXY STATEMENT CONTAIN IMPORTANT INFORMATION. PLAYA’S SHAREHOLDERS ARE URGED TO READ THESE DOCUMENTS CAREFULLY (AS EACH MAY BE AMENDED OR SUPPLEMENTED FROM TIME TO TIME) BECAUSE THEY**

CONTAIN IMPORTANT INFORMATION THAT HOLDERS OF PLAYA'S SECURITIES SHOULD CONSIDER BEFORE MAKING ANY DECISION WITH RESPECT TO THE TENDER OFFER. The Tender Offer Statement (including the Offer to Purchase, the related Letter of Transmittal and certain other tender offer documents), as well as the Solicitation/Recommendation Statement, are available to all holders of Playa's ordinary shares at no expense to them. The Tender Offer Statement and the Solicitation/Recommendation Statement are available for free at the SEC's website at www.sec.gov. Copies of the documents filed by the Buyer with the SEC will also be available free of charge on the Company's Investor Relations site at investors.hyatt.com. Copies of the documents filed by Playa with the SEC will also be available free of charge on Playa's website at investors.playaresorts.com or by contacting Playa's investor relations department at ir@playaresorts.com. In addition, Playa shareholders may obtain free copies of the tender offer materials by contacting the information agent for the tender offer by telephone at (866) 828-4304 (toll free) or (210) 664-3693 (non-toll free), or by email at HyattOffer@georgeson.com.

Participants in the Solicitation

Playa, its directors and executive officers and other members of its management and employees, as well as the Company and its directors and executive officers, may be deemed to be participants in the solicitation of proxies from Playa's shareholders in connection with the EGM Proposals. Information about Playa's directors and executive officers and their ownership of Playa's ordinary shares is set forth in the proxy statement for Playa's 2024 annual general meeting of shareholders, which was filed with the SEC on April 22, 2024, and Playa's Annual Report on Form 10-K for the fiscal year ended December 31, 2024, which was filed with the SEC on February 25, 2025. Information about Hyatt's directors and executive officers is set forth in the proxy statement for Hyatt's 2024 annual meeting of shareholders, which was filed with the SEC on April 4, 2024, and Hyatt's Annual Report on Form 10-K for the fiscal year ended December 31, 2024, which was filed with the SEC on February 13, 2025. Shareholders may obtain additional information regarding the direct and indirect interests of the participants in the solicitation of proxies in connection with the EGM Proposals, including the interests of Playa's directors and executive officers in the transaction, which may be different than those of Playa's shareholders generally, by reading the proxy statement and other relevant documents regarding the transaction which will be filed with the SEC.

and other risks discussed in our filings with the SEC, including our most recently filed annual report on Form 10-K and subsequent quarterly reports filed on Form 10-Q, which filings are incorporated herein by reference and available from the SEC's website at www.sec.gov, and in other documents that we may file with or furnish to the SEC. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the cautionary statements set forth above. BRAND HOTEL FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT is made and entered into as of _____, 2025 (this “**Agreement**”) by and between _____, a _____ (“**Franchisee**”) and the franchisor entity set forth in Exhibit B-1 (“**Hyatt**”).

PRELIMINARY STATEMENT

Franchisee is the owner of, or has the right to occupy, certain real property located at the Site identified in Exhibit B-1. Hyatt has the right to grant franchises for Brand Hotels. Franchisee wishes to enter into this Agreement to obtain a franchise to use the Hotel System to operate a Brand Hotel located at the Site. In addition to other terms defined in this Agreement, the initial capitalized terms shall have the meanings set forth in Exhibit A or Exhibit B-1 (as applicable).

NOW, THEREFORE, Franchisee and Hyatt agree as follows:

ARTICLE I

GRANT OF FRANCHISE, TERM AND AREA OF PROTECTION

1.1 **Grant of Franchise**. Hyatt grants Franchisee, and Franchisee accepts, the non-exclusive right and obligation to use the Hotel System during the Term (defined below in Section 1.2) to build or convert, and operate, the Hotel at the Site in affiliation with the Proprietary Marks in accordance with this Agreement’s terms.

1.2 **Term**. The term of this Agreement (the “**Term**”) will commence on the Effective Date and expire without notice on the date which is twenty (20) years after the first (1st) day of the Opening Month, subject to its earlier termination as set forth in this Agreement.

1.3 **Rights in Area of Protection During AOP Term**. Subject to the one exception below, neither Hyatt nor any of its Affiliates will open and operate during the AOP Term, nor authorize any other party to open and operate during the AOP Term, any other Brand Hotels the physical premises of which are located within the Area of Protection. The one exception to this restriction is that, during the AOP Term, if Hyatt or any Affiliate acquires ownership of or the right to operate, manage, franchise or license (regardless of the form of transaction) another group of at least four (4) hotels, one (1) or more of which hotels are located or are under contract or construction to be located in the Area of Protection, then Hyatt and/or its Affiliates will have the unrestricted right to convert, or cause to be converted, the acquired hotel(s) within the Area of Protection from its (or their) original trade identity to operate in affiliation with the Proprietary Marks and the Hotel System, and thereafter to operate or authorize any other party to operate such hotel(s) as Brand Hotels, even if one (1) or more of the other acquired hotels, whether operating within or outside the Area of Protection, are not converted to Brand Hotels.

Franchisee’s rights in the Area of Protection apply only during the AOP Term. Following the AOP Term, Franchisee will have no territorial rights or protection whatsoever, whether within or outside the Area of Protection, and Hyatt and its Affiliates may open and operate, and authorize

any other parties to open and operate, other Brand Hotels the physical premises of which are located within the Area of Protection, including pursuant to franchise applications submitted and/or franchise agreements and other agreements signed during the AOP Term.

1.4 **No Other Restrictions.** Except for the limited exclusivity provided in Section 1.3, Franchisee's rights under this Agreement are nonexclusive in all respects, the Hotel has no territorial protection whatsoever, and Hyatt and its Affiliates have the right without restriction to engage in any and all activities Hyatt and they desire (including with respect to any and all types of lodging facilities), at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with the Hotel. Without limiting the foregoing, Franchisee acknowledges that Hyatt and its Affiliates currently operate other franchised and non-franchised systems for lodging facilities and other accommodations and hospitality affiliations that use different brand names, trademarks, and service marks, including those with the "Hyatt" name as part of their brand name, some of which might operate and have facilities in the Area of Protection during the AOP Term, that will compete directly with Franchisee. Hyatt and its Affiliates may use or benefit from, among other things, common computer systems, administrative systems, reservation systems, purchasing systems and personnel, and may provide some or all System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with the Hotel. Franchisee will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

1.5 **Right of First Offer.** If Hyatt determines that the Site is located in a strategic market for Hyatt and its Affiliates, then simultaneously with signing this Agreement, Hyatt and Franchisee shall sign and deliver to each other the Right of First Offer attached as Exhibit C. Hyatt and Franchisee acknowledge that, unless they sign and deliver to each other the Right of First Offer, the terms of the Right of First Offer and Exhibit C shall not apply to the Hotel or Franchisee.

ARTICLE II

DEVELOPMENT AND OPENING OF THE HOTEL

2.1 **Hotel Development** Franchisee shall, at its expense and with all reasonable diligence, develop or renovate the Hotel at the Site in accordance with the provisions of Exhibit B-3 and the Hotel System, including the Design and Construction Standards, as well as applicable law. Franchisee acknowledges and agrees that the selection of the Site for the Hotel or the failure of Hyatt to object to the Site, does not constitute an assurance, representation or warranty by Hyatt of any kind, express or implied, as to the suitability (commercially or otherwise) of the Site for the Hotel or for any other purpose. Hyatt shall not be responsible for the failure of the Site approved by Hyatt to meet expectations as to revenue, income or operational criteria. Franchisee further acknowledges and agrees that approval of the Site for the Hotel is based on Franchisee's own independent investigation of the suitability of the Site. Franchisee may not make any material changes to plans approved by Hyatt (including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features) without Hyatt's prior written consent.

2.2 IT Project Management Services.

(a) **IT Project Management Services.** Franchisee shall install information technology system(s) for the Hotel in accordance with the System Standards. To assist Franchisee and Franchisee's consultants in installing and implementing information technology system(s) that meet Hyatt's requirements and in consideration of the IT Project Management Services Fee, Hyatt will provide the IT Project Management Services in connection with the opening of the Hotel in accordance with this Section 2.2. Hyatt will staff the IT Project Management Services using its employees or third party contractors, as Hyatt determines.

(b) **Franchisee Responsibilities.** Franchisee agrees to perform, in a timely manner, the tasks identified as Franchisee's responsibilities in Exhibit E. Franchisee acknowledges that Hyatt's performance of the IT Project Management Services is dependent on Franchisee's timely, accurate, and effective performance of all Franchisee's responsibilities set forth in Exhibit E, including providing written notice to Hyatt of Franchisee's designated representative. Franchisee further acknowledges and agrees that its failure to perform may prevent or delay Hyatt's performance of the IT Project Management Services and/or require modifications to the services performed, including an adjustment to the scope of work, completion schedule or fees.

(c) **Site Preparation.** Franchisee will be responsible for all site preparation at the Hotel in connection with the IT Project Management Services. Without limitation, Franchisee is responsible for all climate control, physical safety and security, provision of adequate electric and telecommunications utilities, and wiring for all equipment and devices. Franchisee will also provide such workspace, supplies, hardware and software as are reasonably required for each assignment.

(d) **Hyatt Limited Warranty.** Hyatt warrants that the IT Project Management Services will be performed in substantial accordance with the specifications set forth in Exhibit E. If any IT Project Management Services do not comply with this warranty, Franchisee must notify Hyatt in writing within thirty (30) days after completion of the IT Project Management Services. As to any valid warranty claim, Hyatt will at its option: (i) repair the defect; (ii) re-perform the defective IT Project Management Services; or (iii) refund sums paid by Franchisee to Hyatt for the defective IT Project Management Services. Following expiration of the warranty period, Franchisee accepts the IT Project Management Services in their "AS-IS" condition. The foregoing constitutes Franchisee's sole and exclusive remedies in response to a warranty claim. Hyatt makes no representation or warranty with respect to: (1) software, equipment, or goods manufactured, developed or provided by others, including Franchisee; (2) use of the IT Project Management Services in a manner contrary to instructions from Hyatt; (3) use of the IT Project Management Services in combination with goods or IT Project Management Services not delivered by Hyatt; (4) defects caused by Franchisee; or (5) other events outside the control of Hyatt. EXCEPT AS STATED ABOVE, HYATT MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO IT PROJECT MANAGEMENT SERVICES, GOODS OR SOFTWARE DELIVERED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A

PARTICULAR PURPOSE, NON-INFRINGEMENT, QUALITY, PERFORMANCE, INTEGRATION, SECURITY, SYSTEM UPTIME, DATA INTEGRITY, OR TITLE. HYATT MAKES NO REPRESENTATIONS OR WARRANTIES THAT SYSTEM DISRUPTIONS, SECURITY BREACHES OR IMPAIRMENTS WILL NOT OCCUR AND DISCLAIMS ALL RELATED EXPRESS AND IMPLIED WARRANTIES. HYATT SHALL NOT BE LIABLE FOR ANY LOSS OF DATA, CORRUPTION OF DATA, OR NETWORK INSECURITY.

(e) **Franchisee Limited Warranty.** Franchisee represents and warrants that access by Hyatt to software licensed or controlled by Franchisee is permitted under the applicable third party license agreements. Except with respect to systems owned or controlled by Hyatt or a vendor selected by Hyatt, Franchisee represents and warrants that Hyatt's performance of the IT Project Management Services will not constitute a misappropriation of any intellectual property or other proprietary or contractual rights of any third party or a violation of any applicable law, regulation, rule or order.

(f) **Procurement of Third Party Components.** All software, equipment, and other goods required for Franchisee's use in connection with its business operations will be procured directly by Franchisee from the appropriate third party vendor. Hyatt will not be responsible for procuring any third party deliverables for use by Franchisee unless otherwise agreed to by Hyatt in a separate writing approved by an authorized officer of Hyatt. Franchisee will comply with the terms of all underlying third party agreements, including all third party software license agreements. Franchisee shall also engage a third party service provider in accordance with this Agreement to support all third party hardware and software installed at the Hotel, and such engagement shall be in place as of the date Hyatt completes all Services.

(g) **Data Back-Up & Disaster Recovery.** Franchisee will maintain in accordance with this Agreement and the System Standards: (i) appropriate data back-up and storage procedures to minimize any harm occurring from loss or corruption of data whatever the cause and (ii) an appropriate disaster recovery and business continuance plan to be activated in response to a technology crisis or system downtime.

(h) **Changes in Scope, Fees.** Hyatt and Franchisee acknowledge and agree that the scope of the IT Project Management Services may change between the Effective Date and the date that the IT Project Management Services are provided, as a result of modifications to the technology systems required under the Hotel System. If any such changes result in an increase to Hyatt's costs in providing the IT Project Management Services, Hyatt shall have the right to charge a reasonable additional fee in connection therewith.

2.3 **F&B Operations and Spa Operations.**

(a) **F&B Operations Plan.** At Hyatt's option, Franchisee must prepare and deliver to Hyatt for its approval the F&B Operations Plan describing Franchisee's proposal for conducting F&B Operations at the Hotel. Franchisee shall make such modifications to the F&B Operations Plan that Hyatt reasonably specifies and ensure that the Hotel and its

F&B Operations operate in accordance with the approved F&B Operations Plan. Franchisee may not make any material changes to the F&B Operations Plan (including any changes to the proposed restaurant concept(s) and/or F&B Operator(s)) without Hyatt's prior written approval. Before the Hotel begins operating in affiliation with the Proprietary Marks, Franchisee shall require each F&B Operator (if any) to sign such documents as Hyatt reasonably specifies to protect Hyatt's (and its Affiliates') intellectual property and other rights. At Hyatt's option, Franchisee must submit to Hyatt for its prior approval any proposed lease or other agreement between Franchisee (or its Affiliate or the Management Company) and the F&B Operator pursuant to which the F&B Operator will conduct F&B Operations, in which case Franchisee may not sign (or permit its Affiliate or the Management Company to sign) any such lease or other agreement that Hyatt has not approved.

(b) **Spa Operations.** If the Hotel has Spa Operations, Franchisee may subcontract the management of the Spa Operations to a Spa Operator only if (i) Hyatt (in its sole judgment) approves of the Spa Operator, the spa concept and the terms of the lease or other arrangement between Franchisee and the Spa Operator; (ii) the Spa Operator complies with all applicable System Standards; and (iii) the spa does not use the Proprietary Marks in any manner (unless Hyatt authorizes such use in writing).

2.4 **Pre-Opening Sales Office.** Promptly after the Technology System is installed at the Hotel, at Hyatt's option, Franchisee must open and begin operating a Pre-Opening Sales Office at the Site, staffed by the Hotel's director of sales.

2.5 **Opening the Hotel.** Franchisee may not open or begin operating the Hotel in affiliation with the Proprietary Marks until Hyatt has notified Franchisee in writing that Franchisee has satisfied all of the pre-opening conditions set forth in the System Standards or otherwise in writing. Franchisee must open and begin operating the Hotel under the Hotel System and in affiliation with the Proprietary Marks on or before the Opening Deadline. Franchisee may request an extension of the Opening Deadline by submitting to Hyatt, at least three (3) months before the Opening Deadline, a written request for extension and an extension fee in the amount set forth in Exhibit B-1. If Hyatt approves the extension, Hyatt will set a new Opening Deadline, the extension fee will be non-refundable, and Hyatt may (at its option) require Franchisee to modify any previously-approved plans, construction documents, or the PIP (as applicable), to comply with the then current design, equipment and other aspects of the Hotel System. If Hyatt denies the extension, Hyatt will refund the extension fee. Franchisee shall indemnify Hyatt for all costs and expenses that Hyatt incurs directly or indirectly as a result of Franchisee's failure to open the Hotel on or before the anticipated Opening Date specified by Franchisee or the Opening Deadline, whichever is earlier, including any amounts that Hyatt pays with respect to customers whose reservations at the Hotel are cancelled.

2.6 **Hyatt's Role in Pre-Opening Phase.** Hyatt agrees to use commercially reasonable efforts in connection with its review and approval of plans and its approval to open the Hotel in affiliation with the Proprietary Marks, including by making a reasonable number of visits to the Site and providing reasonable guidance and advice relating to the Hotel's development or conversion. Franchisee must pay Hyatt's then current fees (if any) for any additional guidance, services or assistance (beyond what Hyatt typically provides to similarly situated Brand Hotels,

subject to Reasonable Deviations) that Franchisee requests, and that Hyatt (at its option) agrees to provide, in connection with the Hotel's development or conversion. Hyatt's review and approval of plans, its providing construction, design, architectural, planning and/or related services in connection with the Hotel (whether before or after signing this Agreement), and its approval to open the Hotel in affiliation with the Proprietary Marks are intended only to determine compliance with Hyatt's pre-opening requirements. Hyatt's determination that Franchisee has met all of Hyatt's pre-opening requirements will not constitute a representation or warranty, express or implied, that the Hotel complies with any laws or is safe for occupancy, nor shall such determination act as a waiver of Franchisee's non-compliance, or of Hyatt's right to demand full compliance, with such pre-opening requirements or any other provision of this Agreement. Hyatt will have no liability to Franchisee for the Hotel's construction or renovation. It is Franchisee's responsibility to ensure that the Hotel (a) complies with Hyatt's requirements as communicated to Franchisee by Hyatt, (b) complies with all Accessibility Laws and other applicable ordinances, building codes, and permit requirements, and (c) is safe for occupancy.

2.7 **Comfort Letter Parties.** Franchisee must cause each Comfort Letter Party to sign a comfort letter or other agreement that Hyatt reasonably specifies under which such Comfort Letter Party agrees, among other things, to assume Franchisee's obligations under this Agreement (subject to Hyatt's rights under ARTICLE XII) if the Comfort Letter Party or any of its Affiliates acquires title or otherwise assumes possession, or the right to sell or direct the disposition of, the Hotel's real property or building and improvements. Franchisee shall pay Hyatt its then current comfort letter fee for each comfort letter that Hyatt negotiates relating to the Hotel. In addition, upon Hyatt's request from time to time, Franchisee must cause each Comfort Letter Party to sign and deliver to Hyatt an estoppel in the form that Hyatt reasonably specifies concerning the status of Franchisee's contractual relationship with that Comfort Letter Party.

2.8 **Hotel System Variations.** Franchisee acknowledges that Hyatt and its Affiliates may operate, and authorize others to operate, Brand Hotels within or outside the United States providing additional, fewer and/or different amenities and services to guests than the Hotel provides or that otherwise operate in a manner that is substantially different from the manner in which the Hotel operates. Hyatt may establish and periodically modify the Hotel System and System Standards for certain Brand Hotels in a manner that is different from the Hotel System and System Standards that apply to some or all Brand Hotels.

ARTICLE III

TRAINING, GUIDANCE AND ASSISTANCE

3.1 **Training.**

(a) **Owner and Management Company Orientation.** Within the time period that Hyatt reasonably specifies after the Effective Date, (i) Franchisee's managing owner and senior operations officer must attend an owner orientation program, and (ii) a senior operations officer for Franchisee's initial Management Company must attend an operator orientation program, in each case virtually, at Hyatt's headquarters in Chicago, Illinois or at another location Hyatt designates, unless such person has previously attended Hyatt's

owner orientation program or operator orientation program (as applicable) within the two (2) year period immediately prior to the Effective Date.

(b) **General Manager Orientation.** Within the time period that Hyatt reasonably specifies before the Hotel's anticipated Opening Date, the Hotel's proposed general manager must attend an orientation program virtually, at Hyatt's headquarters in Chicago, Illinois, or at another location Hyatt designates. If Franchisee or the Management Company replaces the Hotel's general manager during the Term (subject to Section 4.2), the replacement general manager must attend the orientation program within thirty (30) days (or such longer period that Hyatt periodically designates) after assuming that position. Franchisee must pay Hyatt's then current fee for this orientation program and any additional programs that the Hotel's personnel attend.

(c) **Initial Training Programs.** Before opening the Hotel for business in affiliation with the Proprietary Marks, members of the Core Management team and other Hotel personnel whom Hyatt specifies must attend and successfully complete Hyatt's brand standard training programs and curriculum for their respective positions. During the Term, if Franchisee, the Management Company or the approved F&B Operator (if any) replaces any member of its Core Management team or any other individual whom Hyatt required to attend training, that person's replacement must attend and successfully complete the applicable brand standard training programs that Hyatt reasonably specifies within ninety (90) days (or such longer period that Hyatt periodically designates) after assuming that position. Hyatt will designate the dates, locations, and duration of training.

(d) **Pre-Opening Training.** Hyatt will provide pre-opening training to the Hotel staff on the System Standards and related issues in connection with the Hotel's opening in affiliation with the Proprietary Marks. Hyatt may conduct this training via remote learning, in one or more visits to the Hotel, or both, as Hyatt determines in its sole option. Franchisee must pay Hyatt's then current fee and the trainers' travel and living expenses associated with any training that Hyatt provides on-site at the Hotel. If Hyatt provides on-site training, the trainers will arrive at or before the Hotel's opening in affiliation with the Proprietary Marks and stay for the period that Hyatt specifies.

(e) **Supplemental and Optional Training.** Hyatt may, at such times and places as it deems best, require the Core Management and/or other Hotel personnel that Hyatt reasonably specifies to participate in regional and national conventions, meetings, and other brand standard training programs that Hyatt periodically specifies. Hyatt also may, at its option, offer various optional training programs from time to time during the Term.

(f) **Training Fees and Expenses.** Franchisee must pay Hyatt's then current fees for any conventions, meetings and other initial, supplemental and optional training programs that the Hotel's personnel attend. Franchisee also is responsible for all related compensation, and travel and living expenses that Hotel personnel incur. If Hyatt holds any training at the Hotel, Franchisee must provide free lodging for Hyatt's representatives, subject to availability.

3.2 **Providing System Standards.** Hyatt shall provide Franchisee access to the System Standards during the Term. Franchisee must comply with the System Standards, as Hyatt periodically modifies them, except for any employment-related or other policies and procedures which are clearly indicated in the System Standards as being for Franchisee's optional use. Hyatt may communicate the System Standards to Franchisee using various means that Hyatt may periodically establish, including electronic media and/or written materials, and Franchisee agrees continuously to monitor and access any updates to the System Standards or other aspects of the Hotel System. Franchisee agrees to restrict (and ensure the Management Company restricts) access to the System Standards in accordance with Hyatt's policies, as Hyatt periodically modifies them. If there is a dispute over their contents, Hyatt's master version of the System Standards controls. Franchisee agrees that the System Standards and any passwords or other digital identifications necessary to access the System Standards are part of the Confidential Information.

3.3 **CRS, GDS, ADS and IT Services.** During the period before the Hotel's Opening Date that Hyatt reasonably specifies and continuing for the remainder of the Term, Hyatt shall provide Franchisee access to the CRS and listings in advertising publications that Hyatt periodically specifies. Hyatt also may, at its option, provide IT project management implementation services and other services relating to the computing equipment and other technology at the Hotel during the Term. Franchisee must pay Hyatt's reasonable fees and reimburse Hyatt's expenses in connection with such assistance.

3.4 **General Guidance and Assistance.** During the Term, Hyatt may advise Franchisee from time to time regarding the Hotel's operation, for example, with respect to System Standards and advertising and marketing materials and programs. If Franchisee requests, and Hyatt agrees to provide, additional or special guidance, assistance, or training, Franchisee agrees to pay Hyatt's then applicable charges and travel and living expenses. Any specific training, guidance or assistance that Hyatt provides does not create an obligation (whether by course of dealing or otherwise) to continue providing that specific training, guidance or assistance, all of which Hyatt may periodically modify.

3.5 **Other Arrangements and Delegation.** Hyatt may make arrangements with its Affiliates or other third parties to provide development, marketing, operations, administration, technical, and support functions, facilities, services, and/or personnel related to the Hotel System. Hyatt may delegate the performance of any portion or all of its obligations under this Agreement to third party designees, whether these designees are its Affiliates, agents, or independent contractors with whom Hyatt contracts to perform these obligations. If Hyatt does so, the third party designees will be obligated to perform the delegated functions for Franchisee in compliance with this Agreement.

ARTICLE IV

OPERATION OF THE HOTEL

4.1 **System Services.** If Franchisee is in full compliance with its obligations under this Agreement, Hyatt or one or more members of the Hyatt Group will provide to Franchisee those System Services periodically specified by Hyatt for Brand Hotels. Franchisee must participate in all Mandatory Services and related programs, and may (at Franchisee's option) participate in any

or all Non-Mandatory Services and related programs, in the manner that Hyatt periodically specifies. Hyatt may from time to time add to, delete from, and otherwise modify these System Services, and the scope of and manner of providing System Services, upon notice to Franchisee. Also, due to the differences in products, services, markets and hospitality experiences among Brand Hotels and other Hyatt Network Hotels, Hyatt may, where it deems appropriate in its judgment: (a) classify certain System Services as Mandatory Services under this Agreement which Hyatt classifies as Non-Mandatory Services or does not offer to other Brand Hotels and/or other Hyatt Network Hotels; (b) not provide to the Hotel certain System Services that Hyatt provides to other Brand Hotels and/or other Hyatt Network Hotels; and (c) limit the scope of those System Services provided to franchised Brand Hotels, including, by way of example and without limitation, by limiting the access that franchised Brand Hotels have to certain customer and other proprietary information for Hyatt Network Hotels other than the Hotel.

4.2 **Management of the Hotel.**

(a) **Franchisee or Management Company as Manager.** Either a Management Company that Hyatt approves in writing or Franchisee (if Hyatt approves Franchisee to manage the Hotel) must at all times retain and exercise direct management control over all aspects of the Hotel's business and must be the employer of the Hotel's Core Management and other personnel, except for any members of Core Management that are overseen by an F&B Operator whom Hyatt approves. At Hyatt's option, before any of the Hotel's Core Management are engaged, Franchisee must submit to Hyatt the identity and qualifications of the proposed candidates. These personnel must be in place and working on behalf of the Hotel by the time period Hyatt specifies. Franchisee may not enter into a Management Arrangement without Hyatt's prior written approval of the Management Company, and Franchisee may not itself manage the Hotel without Hyatt's approval of Franchisee as the Hotel's operator. Hyatt will not unreasonably withhold its approval if the Management Company or Franchisee (as applicable) meets Hyatt's minimum qualifications, including Hyatt's then current operator approval fee, and ensures that its personnel attend and satisfactorily complete required brand standard training programs.

(b) **Management Company Documents.** As a condition of Hyatt's approval of any Management Company, the Management Company must (i) sign the documents Hyatt requires to protect its intellectual property rights and to reflect the Management Company's agreement to perform its management responsibilities and otherwise operate the Hotel in compliance with this Agreement (collectively, the "**Management Company Documents**"); and (ii) attend and successfully complete Hyatt's designated then current operator training programs for Brand Hotels, if any. The current version of the Management Company Documents is attached as Exhibit F. Hyatt may refuse to approve a Management Company that is a Competing Brand Owner. If Hyatt has approved a Management Company as of the Effective Date, or if Hyatt has approved Franchisee to manage the Hotel as of the Effective Date, then the approved Management Company (if applicable) is listed on Exhibit B-1.

(c) **Revocation of Management Company Approval.** If an approved Management Company or Franchisee (if Hyatt approves Franchisee to manage the Hotel)

at any time becomes a Competing Brand Owner, fails to attend and successfully complete mandatory training program(s), fails to meet Hyatt's minimum qualifications (as Hyatt may periodically modify them), or fails to comply with this Agreement (including any System Standards and/or, without limiting the terms of Section 4.8 below, if the Hotel remains in any remedial or non-compliant status under Hyatt's then-current Quality Assurance and Compliance Program for three (3) or more consecutive months), the Management Company Documents, or any conditions of operator approval previously imposed by Hyatt, then, without limiting Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may (i) revoke its approval of the Management Company (or of Franchisee) as the manager of the Hotel or (ii) as a condition of its continued approval, Hyatt may impose on the Management Company (or Franchisee) additional requirements, including participation in remedial training and other operational programs, at the Management Company's or Franchisee's expense. If Hyatt revokes its approval of the Management Company or of Franchisee as manager, then Franchisee must promptly terminate the Management Arrangement with that Management Company (if applicable) and either assume direct control of the Hotel's management and operation, if Hyatt approves Franchisee to manage the Hotel, or engage another Management Company that Hyatt has approved in writing.

(d) **Core Management Staffing**. Franchisee, the Management Company or the approved F&B Operator (as applicable) is solely responsible for hiring the Core Management and other Hotel personnel and determining the terms and conditions of their employment. Franchisee, the Management Company or the approved F&B Operator (as applicable) must hire and properly train all Core Management and have a Core Management team in place at the Hotel at all times. Franchisee must ensure that all members of the Hotel's Core Management whom Franchisee or the Management Company employ spend all of their working time at the Hotel fulfilling their management and operational responsibilities and do not concurrently maintain a position at another lodging facility or in any other capacity related to the lodging industry.

4.3 **System Standards**. Subject to ARTICLE X, Franchisee must operate the Hotel twenty-four (24) hours a day, every day, and use the Hotel and its premises solely for the business franchised under this Agreement. Franchisee, and not Hyatt, shall be responsible for providing a safe and secure environment at the Hotel and the Site for guests, employees, and members of the public. Franchisee must at all times ensure that the Hotel is operated in compliance with the Hotel System and all other mandatory System Standards Hyatt periodically communicates to Franchisee, as Hyatt may periodically modify them. System Standards may regulate any aspect of the Hotel's operation and the products and services that the Hotel uses and offers to guests and other customers, including participation in and compliance with the terms of all of Hyatt's mandatory marketing, reservation service, rate and room inventory management, advertising, guest frequency and loyalty, social responsibility, discount or promotional, training and operating programs, including a property management system that interfaces with the CRS. Franchisee must sign and comply with any license, participation and other agreements Hyatt periodically specifies relating to these programs.

Despite Hyatt's right to establish and periodically to modify System Standards for the Hotel and modify the Hotel System as Hyatt deems best, Franchisee retains the right to control, and

responsibility for, the Hotel's day-to-day management and operation and implementing and maintaining System Standards at the Hotel. Because complete and detailed uniformity under many varying conditions might not be possible or practical, Hyatt reserves the right, as Hyatt deems best, to vary the Hotel System and System Standards for any Brand Hotel based upon the peculiarities of any condition or factors that Hyatt considers important to that hotel's successful operation. Franchisee has no right to require Hyatt to grant Franchisee a similar variation or accommodation.

Hyatt and Franchisee agree that any materials, guidance or assistance that Hyatt provides with respect to employment-related policies or procedures are solely for Franchisee's (and/or the Management Company's) optional use. Those materials, guidance and assistance do not form part of the mandatory System Standards. Franchisee (or the Management Company) will determine to what extent, if any, these materials, guidance or assistance should apply to the Hotel's employees. Franchisee acknowledges that Hyatt does not dictate or control labor or employment matters for franchisees and their employees. Franchisee (or the Management Company) is solely responsible for determining the terms and conditions of employment for all Hotel employees (including Core Management), for all decisions concerning the hiring, firing and discipline of Hotel employees, and for all other aspects of the Hotel's labor relations and employment practices.

4.4 **Sources of Products and Services.** Hyatt may require Franchisee to acquire FF&E, supplies, and other goods and services only from Hyatt (or its Affiliate) or from one or more sources that Hyatt periodically designates or approves. If Franchisee wishes to obtain any FF&E, supplies, or other goods and services from a source that Hyatt has not previously approved as a supplier of the particular item or service, Franchisee must comply with Hyatt's then current supplier approval standards. Upon Hyatt's request, Franchisee must reimburse Hyatt's costs in reviewing Franchisee's request and evaluating the product, service and/or source. Hyatt may designate a particular source for, or model or brand of, FF&E, supplies or other goods or services that Hyatt (in its sole judgment) determines to be critical to the Hotel System. Hyatt and its Affiliates have the right to receive rebates, commissions, and other consideration from suppliers on account of their actual or prospective dealings with Franchisee and other franchisees and owners of Brand Hotels, but (subject to Section 4.1) neither Hyatt nor its Affiliates will receive rebates from suppliers based solely on the volume of Franchisee's purchases from those suppliers unless Hyatt either forwards those rebates to Franchisee, uses them to cover System Services Costs, or otherwise uses those rebates for the benefit of the Hotel System or the Brand Hotel network.

4.5 **CRS, GDS and ADS.** Franchisee must participate in, connect with, and use the authorized CRS, GDS and ADS (and only the authorized CRS, GDS and ADS) in the manner Hyatt periodically designates for offering, booking, modifying, and communicating guest room reservations for the Hotel. Franchisee must honor and give first priority on available rooms to all confirmed reservations that the CRS, GDS or ADS refers to the Hotel. The CRS and approved GDS and ADS are the only reservation systems or services that the Hotel may use for reservations. Franchisee will establish the Hotel's room rates, provided that those rates and Franchisee's pricing policies comply with System Standards (to the maximum extent the law allows). Franchisee may not charge any guest a rate higher than the rate that the reservations center specifies to the guest when the guest makes the reservation.

4.6 **F&B Operations and Spa Operations.** Franchisee is responsible for ensuring that all F&B Operations and all Spa Operations (if the Hotel has Spa Operations) operate in full

compliance with all applicable laws, rules and regulations and all applicable System Standards. Franchisee agrees to provide, or cause the Management Company to provide, all training programs to the F&B Operator and Spa Operator (as applicable) that Hyatt periodically specifies. If the F&B Operator or Spa Operator at any time fails to operate in full compliance with all applicable laws, rules and regulations and all applicable System Standards, or fails to comply with any agreement with Hyatt, then, without limiting Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may revoke its approval of the F&B Operator or Spa Operator (as applicable). If Hyatt does so, then Franchisee must promptly terminate its arrangement with the F&B Operator or Spa Operator and either assume direct control of the Hotel's F&B Operations or Spa Operations (as applicable), if Hyatt has approved Franchisee to manage the Hotel, or engage another approved F&B Operator or Spa Operator that Hyatt has approved in writing.

4.7 **Upgrading the Hotel and CapEx Account.** Franchisee may not make any material changes to the Hotel's construction, including any changes to any structural or life safety equipment or systems, the number and/or type of guest rooms or common areas, or any architectural features, without Hyatt's prior written consent and complying with such conditions and procedures that Hyatt periodically establishes for such changes. Without limiting Hyatt's rights and Franchisee's obligations under Section 4.3, Hyatt may require Franchisee at any time and from time to time during the Term to upgrade or renovate the Hotel, including by altering the Hotel's appearance and/or replacing a material portion of improvements and/or FF&E, to comply with then current building décor, appearance, trade dress standards and other aspects of the Hotel System that Hyatt has established and then requires for new similarly situated Brand Hotels (subject to Reasonable Deviations). This upgrading or renovation may obligate Franchisee to invest additional capital in the Hotel and/or incur higher operating costs. Franchisee agrees to implement such upgrading and renovation within the time period Hyatt requests, provided that all such upgrades and renovations apply to similarly situated Brand Hotels (subject to Reasonable Deviations).

In order to assist Franchisee in having funds available to make any necessary capital expenditures at the Hotel and comply with its obligations under this Section 4.7 (but without limiting those obligations), each month Franchisee shall deposit into a separate account that Franchisee controls (the "**CapEx Account**") the amount set forth in Exhibit B-1. Upon Hyatt's reasonable request, Franchisee will periodically provide Hyatt information concerning the funds in and expenditures from the CapEx Account. Franchisee shall use the funds in the CapEx Account only for the purpose of making approved capital expenditures and complying with its upgrade and other obligations under this Section 4.7, although such obligations may require Franchisee to spend more than the amount then in the CapEx Account.

4.8 **Inspections/Compliance Assistance and Quality Assurance and Compliance Program.** Hyatt may inspect the Hotel at any time, with or without notice to Franchisee, to determine whether Franchisee and the Hotel are complying with the Hotel System, System Standards, and other provisions of this Agreement. Franchisee must give Hyatt's representatives free lodging (subject to availability) during the inspection period. The Hotel also must participate in and pay its allocable share of all fees and other costs associated with the Quality Assurance and Compliance Program. If Hyatt determines that the Hotel is failing to comply with the System Standards or any other terms and conditions of this Agreement, then, without limiting Hyatt's other

rights or remedies under this Agreement, any other agreement or applicable law, Franchisee must: (a) reimburse Hyatt for its costs related to that non-compliance, including fees, travel and living expenses, guest satisfaction payments or expenses, and other costs for administering any necessary actions, follow-up inspections, audits or re-evaluation visits until the failures to comply have been fully corrected, and (b) ensure that applicable Hotel personnel attend meetings and additional brand standard training programs that Hyatt specifies, at Franchisee's sole expense, relating to that non-compliance.

4.9 **Compliance With Laws.** Franchisee must strictly comply with all laws, rules, regulations and other legal and governmental requirements concerning the Hotel's development and operation, including by (a) ensuring that the Hotel is at all times in full compliance with the Accessibility Laws; (b) paying all taxes when due; and (c) obtaining and maintaining (or ensuring that the Management Company, F&B Operator and/or Spa Operator, as applicable, obtains and maintains) all licenses (including all liquor licenses) and permits necessary to operate the Hotel, including the F&B Operations and Spa Operations (if the Hotel has Spa Operations). Franchisee agrees to comply, and to assist Hyatt to the fullest extent possible in its efforts to comply, with the Trade Restriction Laws, Anti-Corruption Laws and Privacy Laws. In connection with that compliance, Franchisee (on behalf of itself and its Owners, excluding any Public Owners) certifies, represents, and warrants as of the Effective Date that none of Franchisee's nor any such Owner's property or interests is subject to being blocked under, and that Franchisee and such Owners otherwise are not in violation of, any of the Trade Restriction Laws. Franchisee represents and warrants that as of the Effective Date it has in place, and covenants to maintain in place throughout the Term, commercially reasonable compliance programs, policies and procedures designed to prevent any violations of, and promptly to detect any risks of violation or potential violation of, any Trade Restriction Laws, Anti-Corruption Laws or Privacy Laws, including procedures for conducting background checks on Owners and prospective Owners (other than Public Owners).

4.10 **No Diverting Business.** Franchisee must refer guests and customers, wherever reasonably possible, only to Brand Hotels or other Hyatt Network Hotels, not use the Hotel or the Hotel System to promote a competing business or other lodging facility, and not divert business from the Hotel to a competing business.

4.11 **No Competing Brand Owners.** Franchisee represents and warrants to Hyatt that neither Franchisee nor any of its Owners (other than a Public Owner) is a Competing Brand Owner and agrees that neither Franchisee nor any of its Owners (other than a Public Owner) at any time during the Term shall be or become a Competing Brand Owner.

4.12 **Restrictions on Use of the Site.** If the Hotel is or will be part of a Mixed-Use Site: (a) Franchisee agrees to ensure that no part or portion of the Mixed-Use Site is used to operate (i) a pawnshop, check-cashing business, gentleman's club, pornography retailer, or other sexually-oriented business, or (ii) a package liquor store, marijuana dispensary, or gambling business, without Hyatt's prior written consent, which consent may be granted or withheld in Hyatt's sole judgment, or (iii) a bar, lounge, club or similar establishment situated within three hundred (300) feet of any part of the Hotel's interior footprint, whose revenues are derived more than fifty percent (50%) from the sale of alcoholic beverages, without Hyatt's prior written consent, which consent will not be

withheld unless Hyatt reasonably determines that the establishment might have a material negative impact on guests of the Hotel.

(b) Franchisee shall and shall cause its lessees and its Affiliates and their respective lessees to: (i) develop, maintain and operate all Non-Hotel Components within the Mixed-Use Site in accordance with quality, design and operational standards consistent with the quality, design and operational standards applicable to the Hotel, (ii) refrain from advertising, marketing or promoting the Non-Hotel Components as being associated with or part of the Hotel, the Brand, the Brand Hotels, or any other Proprietary Marks, except in connection with Hotel, advertisement and promotion approved pursuant to ARTICLE V of this Agreement; and (iii) operate the Non-Hotel Components in a way that, in Hyatt's reasonable judgment, does not damage or reflect adversely on the goodwill associated with any Proprietary Mark.

(c) Franchisee shall and shall cause its lessees and its Affiliates and their respective lessees to, obtain and maintain throughout the Term, with respect to the Non-Hotel Components, the insurance coverages meeting then-current industry standards.

(d) Hyatt shall have the right to review the applicable provisions of agreements between Franchisee or its Affiliates and operators of the Non-Hotel Components to determine compliance with this Section 4.12.

ARTICLE V

ADVERTISING AND MARKETING

5.1 **Pre-Opening Marketing.** At least one hundred twenty (120) days before the Hotel's Opening Date, Franchisee must prepare and submit to Hyatt for its approval a written pre-opening marketing program that satisfies Hyatt's requirements and contemplates spending at least the amount set forth in Exhibit B-1. Franchisee must change the program as Hyatt specifies and implement the approved program.

5.2 **Participation in Advertising and Marketing.** Franchisee acknowledges that promoting Brand Hotels as a single chain in the United States is an important part of the Hotel System. Franchisee must participate in and use, in the manner that Hyatt specifies, all advertising, marketing and promotional activities, materials and programs that Hyatt periodically requires for similarly-situated Brand Hotels (subject to Reasonable Deviations).

5.3 **Approval of Marketing Programs and Materials.** Subject to Hyatt's requirements and at Franchisee's expense, Franchisee may conduct local and regional marketing, advertising and promotional programs for the Hotel. Franchisee must ensure that all advertising, marketing and promotional materials, all public relations plans and programs, and all uses of the Proprietary Marks are conducted in a dignified manner and in accordance with the System Standards, including the use of Hyatt's standard templates where applicable, and which may, at Hyatt's option, require Hyatt's prior approval of materials not previously approved by Hyatt in the manner Hyatt specifies. Franchisee must discontinue using any materials, including previously-approved materials, and cease engaging in any plans and programs, including previously-approved

plans and programs, within the timeframe Hyatt specifies after Franchisee receives written notice from Hyatt. Franchisee may not use Guest Information in conducting marketing, advertising and promotional programs for the Hotel unless conducted by or through Hyatt or with Hyatt's supervision in each instance. Franchisee shall pay Hyatt the reasonable fees that Hyatt periodically establishes for optional marketing, advertising and promotional materials and programs that Franchisee chooses to acquire from Hyatt or its Affiliates or in which Franchisee chooses to participate.

5.4 **Websites and Electronic Media.**

(a) Hyatt may maintain (or authorize any other entity to maintain) the Hotel System Website to advertise, market and promote all or a certain group of Brand Hotels that Hyatt periodically specifies (and, at Hyatt's option, other Hyatt Network Hotels). Franchisee must comply with all System Standards relating to the Hotel System Website, including by providing Hyatt (or its designee) all information and other materials concerning the Hotel that Hyatt periodically requests and promptly notifying Hyatt whenever any information concerning the Hotel on the Hotel System Website is no longer accurate. By providing Hotel-related information and materials, Franchisee is representing to Hyatt that they are accurate and not misleading and do not infringe any third party's intellectual property or other rights. Hyatt shall have the final decision about all information or materials appearing on the Hotel System Website. As between Hyatt and Franchisee, Hyatt owns all intellectual property rights and other rights in and to the Hotel System Website, including data that visitors supply or the Hotel System Website obtains. Hyatt may discontinue the Hotel System Website and/or any of its content (including separate webpages for participating Brand Hotels) at any time.

(b) Franchisee may not develop, maintain or authorize any website or other electronic medium (other than the Hotel System Website) that either has the word "hyatt" or any similar word, or any of the Proprietary Marks, as part of its domain name or URL or that accepts reservations for the Hotel (other than through an approved link to a Hotel System Website) or otherwise sells any products or services associated with the Hotel or any of the Proprietary Marks. In addition, except for the Hotel System Website, approved ADS, and as otherwise provided in this Section 5.4, Franchisee may not develop, maintain or authorize any other website, other online presence or other electronic medium that describes or in any other way promotes the Hotel or displays any of the Proprietary Marks. Franchisee may, with Hyatt's approval (which it will not unreasonably withhold) and subject to compliance with System Standards, authorize any Travel Services Website or Franchisee Organization Website to list and promote the Hotel together with other hotels.

5.5 **Cooperative Advertising Programs.** Hyatt may identify a region in which two (2) or more Brand Hotels are located in order to establish a local or regional advertising cooperative (a "**Cooperative**"). Hyatt may form, change, dissolve and merge Cooperatives. The Cooperative's purpose will be to collect funds from its members and to plan, discuss, organize, develop, utilize, produce, disseminate, and implement marketing, advertising and promotional programs and materials on a collective basis (and to cover related expenses) for participating Brand Hotels. Hyatt will not require Franchisee to participate in a Cooperative. However, if Franchisee chooses to participate in the Cooperative, Franchisee must do so according to the Cooperative's

rules, including paying the Hotel's allocable share of any advertising, marketing, promotional and other programs that the Cooperative conducts. All restrictions under this Agreement relating to any advertising, marketing or promotional programs that Franchisee conducts also apply to any such programs that the Cooperative conducts.

ARTICLE VI

FEES AND PAYMENTS

6.1 **Initial Fees.**

(a) The initial Application Fee was fully earned by Hyatt and non-refundable upon Hyatt's approval of Franchisee's franchise application before Hyatt and Franchisee signed this Agreement. If Hyatt and Franchisee agree to add guest rooms to the Hotel above the number of rooms stated in Exhibit B-3 before the Hotel opens, then Franchisee must pay Hyatt, when Hyatt approves the additional guest rooms, an additional Application Fee in an amount equal to the amount set forth in Exhibit B-1. After the Hotel opens, if Franchisee wants to add any guest rooms to the Hotel, Franchisee must pay Hyatt's then current PIP fee (currently the amount set forth in Exhibit B-1 when Franchisee requests Hyatt's approval of Franchisee's plans. This PIP fee is non-refundable. Hyatt will apply this PIP fee toward the additional Application Fee of the amount set forth in Exhibit B-1 if Hyatt approves Franchisee's plans. If the PIP fee exceeds the additional Application Fee, Hyatt may keep the excess. The remaining portion of the additional Application Fee is due, fully earned by Hyatt, and non-refundable on the date Hyatt approves Franchisee's plans to develop the additional guest rooms.

(b) Franchisee shall pay Hyatt the "**IT Project Management Services Fee**" set forth in Exhibit B-1, plus any applicable taxes thereon. The IT Project Management Services Fee is non-refundable. Franchisee shall reimburse Hyatt's or its Affiliate's reasonable expenses in connection with rendering the IT Project Management Services, including any necessary transportation, lodging and meals, plus applicable taxes thereon. The IT Project Management Services Fee (including expenses) will be invoiced by Hyatt no earlier than: (i) Hyatt's completion of the IT Project Management Services or (ii) upon Franchisee's termination of the Hotel development project or the IT Project Management Services, for any reason, in either event regardless of whether Hyatt has approved the Hotel for opening.

(c) If Franchisee is constructing a new Hotel, adapting a non-hotel space for use as a Hotel, or conducting a significant renovation of an existing hotel in connection with conversion to a Brand Hotel, Franchisee shall pay Hyatt a design services review fee (the "**Design Services Review Fee**") as set forth in Exhibit B-1. In addition, if Franchisee requests Hyatt's review of alternative plans, design or products other than those prescribed by Hyatt's prototype plans, Franchisee must pay Hyatt an alternative design review fee (the "**Alternative Design Review Fee**") as set forth in Exhibit B-1. The Design Services Review Fee and the Alternative Design Review Fee are non-refundable.

6.2 **Monthly Fees to Hyatt.** On or before the tenth (10th) day of each month or such later day of the month that Hyatt periodically specifies, Franchisee shall pay Hyatt:

(a) a “**Royalty Fee**” equal to the amount set forth in Exhibit B-1;

(b) the System Services Charges for the previous month. Franchisee acknowledges that System Services Charges will include an allocable proportion of certain System Services Costs incurred during the period before the Hotel opens in accordance with this Agreement. System Services Charges shall be determined on the same basis as such amounts are determined for other Participating Hotels. Any allocation of shared costs that the Hyatt Group makes in good faith and with the intention of fairly allocating such costs to System Services shall be binding on the parties hereto. System Services Costs shall include the actual costs incurred by the Hyatt Group and shall not be subject to any mark-up, premium or profit on any Mandatory Services, but may include a profit or mark-up component on Non-Mandatory Services as described above or as determined by the Hyatt Group. The Hyatt Group may in its reasonable judgment periodically change its method of allocation of the System Services Costs among Participating Hotels, and the categories of Brand Hotels and/or other Hyatt Network Hotels that are classified as Participating Hotels, provided that such method of allocation and categories of Participating Hotels shall at all times be determined on a reasonable, equitable and non-discriminatory basis; and

(c) all fees and other amounts that Hyatt (or its Affiliates) then has paid or has agreed to pay on Franchisee’s behalf to any Providers. If any Provider assesses a single or group fee or other charge that covers all or a group of Brand Hotels or other Hyatt Network Hotels to which that Provider provides products or services, Franchisee agrees that Hyatt’s allocation of that fee or other charge among the Hotel and other participating hotels is final. The Providers may periodically increase the fees and other charges they impose. At Hyatt’s option, Franchisee must begin paying these fees and other charges directly to the applicable Provider(s).

6.3 **Payments to Other Parties.** Franchisee agrees to pay on a timely basis, as and when due, all amounts owed to third parties (including Hyatt’s Affiliates) arising out of the Hotel’s operation (excluding only amounts owed which are reasonably in dispute), including: (a) applicable commissions to travel agents and third party reservation service charges and otherwise participate in any Hotel System travel agent commission payment program, as Hyatt periodically modifies it; (b) all commissions and fees for reservations Franchisee accepts through any sources (including the Internet), whether processed through Hyatt, the CRS, or any Provider’s reservation system or billed directly to Franchisee; (c) all fees and assessments due for guest frequency programs and other marketing programs Hyatt periodically initiates that are attributable to the Hotel; and (d) all contributions for cooperative advertising programs in which Franchisee agrees to participate, as required in Section 5.5.

6.4 **Electronic Funds Transfer.** Franchisee must make all payments for Royalty Fees, System Services Charges and other amounts due to Hyatt or any member of the Hyatt Group under this Agreement or otherwise in connection with the Hotel by electronic funds transfer (“**EFT**”) in compliance with System Standards. Hyatt periodically may change the procedure for payments

hereunder. Funds must be available in Franchisee's account to cover payments when due. Franchisee may not change its bank, financial institution, or account used in connection with the operation of the Hotel without first telling Hyatt.

6.5 **Late Fee and Late Payment Interest.** Franchisee agrees to pay Hyatt a late fee of Two Hundred Twenty-Five Dollars (\$225) for each required payment not made on or before its original due date and for each required payment or authorized automatic debit not honored by Franchisee's financial institution. The late fee is not interest or a penalty but compensates Hyatt for increased administrative and management costs due to Franchisee's late payment. In addition, all amounts that Franchisee owes Hyatt that are more than seven (7) days late, or that are not available for withdrawal by automatic debit when due (if the amounts are payable by automatic debit), will bear interest accruing as of their original due date at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. Franchisee acknowledges that this Section 6.5 is not Hyatt's agreement to accept any payments after they are due or Hyatt's commitment to extend credit to, or otherwise finance Franchisee's operation of, the Hotel.

6.6 **Application of Payments.** Despite any designation Franchisee makes, Hyatt may apply any of Franchisee's payments to any of Franchisee's past due indebtedness to Hyatt or its Affiliates. Hyatt may set off any amounts Franchisee or its Affiliates owe Hyatt or its Affiliates against any amounts that Hyatt or its Affiliates owe Franchisee or its Affiliates. Franchisee may not withhold payment of any amounts Franchisee owes Hyatt or its Affiliates due to Hyatt's alleged nonperformance of any of its obligations under this Agreement.

6.7 **Taxes on Franchisee's Payments.** In addition to any sales, use and other taxes that applicable law requires or permits Hyatt to collect from Franchisee for providing goods or services under this Agreement, Franchisee shall pay to Hyatt all Transaction Taxes in an amount necessary to provide Hyatt with after-tax receipts (taking into account any additional payments required hereunder) equal to the same amounts that Hyatt would have received under this Agreement if such Transaction Taxes had not been imposed.

6.8 **Non-Refundability.** Unless otherwise specified, all fees that Franchisee paid to Hyatt or its Affiliates before or simultaneously with the execution of this Agreement, or pays to Hyatt or its Affiliates during the Term, are non-refundable.

ARTICLE VII

BOOKS AND RECORDS, AUDITS AND REPORTING

7.1 **Reports.** Franchisee must prepare and deliver to Hyatt the operating statements, financial statements and other reports relating to the Hotel that Hyatt periodically requires, prepared in the form, by the methods, and within the timeframes that Hyatt periodically specifies in the System Standards. Hyatt may use such information for all reasonable purposes. Hyatt may require Franchisee to have audited financial statements prepared annually during the Term.

7.2 **Lender and Ground Lessor Information.** Franchisee must send Hyatt current contact information for each Lender and Ground Lessor upon Hyatt's request. Without limiting

Section 2.7 of this Agreement, Franchisee must promptly provide notice to Hyatt if Franchisee or any Affiliate of Franchisee enters into any arrangement with a Lender and such arrangement has not been previously disclosed to Hyatt, including any refinancing with a new or existing Lender. Franchisee must provide Hyatt copies of all ground leases, subleases and other arrangements with any Ground Lessor. Franchisee must promptly send Hyatt a copy of any notices of default, termination, or other exercise of any default rights or remedies that Franchisee receives from or delivers to any Lender or Ground Lessor, together with all other information that Hyatt reasonably requests relating to any such defaults or termination. Franchisee agrees that Hyatt may, at its option and without breaching any rights of or obligations to Franchisee, have discussions and share information with any Lender, Ground Lessor, supplier or other vendor concerning the Hotel or Franchisee.

7.3 **Other Actions or Events.** Franchisee must notify Hyatt in writing within ten (10) days after Franchisee receives information or documentation about any lawsuit, action, or proceeding, or the issuance of any injunction, award, or decree of any court, quasi-judicial body, or governmental agency, that might adversely affect the Hotel, Franchisee's ability to perform its obligations under this Agreement, or Franchisee's financial condition.

7.4 **Preparation and Maintenance of Books and Records.** Franchisee agrees to: (a) prepare on a current basis in a form satisfactory to Hyatt, and thereafter maintain in accordance with System Standards, complete and accurate records concerning all financial (including revenue and expenses), operating, marketing, and other aspects of the Hotel; and (b) maintain an accounting system that fully and accurately reflects all financial aspects of the Hotel. Hyatt reserves the right to access Franchisee's computer system independently to obtain sales information, occupancy information, and other data and information relating to the Hotel.

7.5 **Audit.** Hyatt may at any time during Franchisee's regular business hours, and with prior notice to Franchisee, examine Franchisee's and the Hotel's business and accounting records, tax records and returns, and other records. Franchisee agrees to cooperate fully in any examination. If any examination discloses an understatement of the revenue, Franchisee agrees to pay Hyatt, within fifteen (15) days after receiving the examination report, the Royalty Fees, System Services Charges and other fees due on the amount of the understatement, together with the late fee and interest in accordance with Section 6.5. Furthermore, if Hyatt determines that an examination is necessary due to Franchisee's failure to furnish reports or other information when required, or if Hyatt's examination reveals a Royalty Fee or System Services Charge underpayment of three percent (3%) or more of the total amount owed during any six (6)-month period, or that Franchisee willfully understated the Hotel's revenue, Franchisee agrees to reimburse Hyatt for the costs of the examination, including out-of-pocket costs and compensation of Hyatt's employees. These remedies are in addition to Hyatt's other remedies and rights under this Agreement and applicable law.

ARTICLE VIII

RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION

8.1 **Relationship of the Parties.** Franchisee is an independent contractor. Neither Hyatt nor Franchisee is the legal representative or agent of, or has the power to obligate, the other

for any purpose. No partnership, joint venture, affiliate, agency, fiduciary, or employment relationship is intended or created by this Agreement. Hyatt and Franchisee may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other nor represent that Hyatt's and Franchisee's relationship is other than franchisor and franchisee. Hyatt will not be obligated for any damages to any person or property directly or indirectly arising out of the Hotel's operation or the business Franchisee conducts under this Agreement.

8.2 **Franchisee's Notices to Public Concerning Independent Status.** Franchisee must provide notices making clear to the public that Hyatt is not the Hotel's owner or operator and is not accountable for events occurring at the Hotel. Franchisee also agrees to communicate clearly with Hotel employees in employment agreements, handbooks and other materials that Franchisee (or the Management Company, as applicable), and not Hyatt or its Affiliates, is the employer of all Hotel employees.

8.3 **Franchisee's Indemnification and Defense of Hyatt.**

(a) **Indemnification.** In addition to Franchisee's obligation under this Agreement to procure and maintain insurance, Franchisee agrees to indemnify and hold harmless the Hyatt Indemnified Parties against, and to reimburse any one or more of the Hyatt Indemnified Parties for, all Losses directly or indirectly arising out of, resulting from, or in connection with (i) the application Franchisee submitted to Hyatt for the rights granted under this Agreement; (ii) the development or operation of the Hotel, including the use of any Market Descriptor or Hotel IP in connection with the Hotel and any claim or allegation relating to the Accessibility Laws, and including claims alleging either intentional or negligent conduct, acts or omissions by Hyatt or its Affiliates (or any of their agents, employees or representatives) relating to the operation of the Hotel, the F&B Operations, the Spa Operations (if any) or the Hotel System, subject to Section 8.4(a); or (iii) Franchisee's breach of this Agreement.

(b) **Defense.** Franchisee shall notify Hyatt within five (5) days after receiving notice of any Proceeding covered in Section 8.3(a) naming any Hyatt Indemnified Party as a defendant or potential defendant and shall include with such notification copies of all correspondence or court papers relating to the Proceeding. Franchisee agrees to defend (at Franchisee's expense) the Hyatt Indemnified Parties from and against any and all Proceedings directly or indirectly arising out of, resulting from, or in connection with any matter described in Section 8.3(a)(i) through (iii), including those alleging a Hyatt Indemnified Party's negligence or willful misconduct, subject to Section 8.4(a). Each Hyatt Indemnified Party may at Franchisee's expense defend and control the defense of any Proceeding described in this Section 8.3(b) and agree to settlements and take any other remedial, corrective, or other actions, without limiting Franchisee's obligations under Section 8.3(a), provided that the Hyatt Indemnified Party will seek Franchisee's advice and counsel, and keep Franchisee informed, with regard to any proposed or contemplated settlement.

(c) **Separate Counsel and Settlement.** If separate counsel is appropriate in Hyatt's opinion because of actual or potential conflicts of interest, Hyatt may retain

attorneys and/or independently defend any Proceeding subject to indemnification under this Section 8.3 at Franchisee's sole expense. No party may agree to any settlement in any Proceeding that could have an adverse effect on Hyatt, its Affiliates, the Hotel System, or other franchisees without Hyatt's prior approval.

(d) **Right to Control Defense of Certain Proceedings.** Without limiting Hyatt's rights or Franchisee's obligations under this Section 8.3, Hyatt (or its designee) has the right to defend and control the defense of any Proceeding arising from any Data Breach or any class action or other Proceeding involving both the Hotel and any other Brand Hotel or Hyatt Network Hotel, regardless of whether Hyatt or any of the other Hyatt Indemnified Parties are named defendants in that Proceeding. Franchisee shall promptly reimburse Hyatt for the Hotel's proportionate share of all reasonable expenses that Hyatt incurs in connection with any Proceeding covered by this Section 8.3(d). Hyatt shall allocate those expenses equitably among the Hotel and all other Brand Hotels and Hyatt Network Hotels involved in the Proceeding in any manner that Hyatt reasonably determines.

8.4 **Hyatt's Indemnification and Defense of Franchisee.**

(a) **Indemnification.** Hyatt agrees to indemnify and hold harmless the Franchisee Indemnified Parties against, and to reimburse any one or more of the Franchisee Indemnified Parties for, any and all Losses (including defense costs and other Losses incurred in defending any Proceeding described in Section 8.3(b), if applicable) directly or indirectly arising out of, resulting from, or in connection with (i) a final decision by a court of competent jurisdiction not subject to further appeal that Hyatt, its Affiliate, or any of their respective employees directly engaged in willful misconduct or gross negligence or intentionally caused the property damage or bodily injury that is the subject of the claim with respect to the operation of the Hotel, so long as the claim is not asserted on the basis of (A) theories of vicarious liability (including agency, apparent agency, or joint employer), (B) Hyatt's failure to compel Franchisee to comply with this Agreement, or (C) negligence or misconduct in connection with the development or construction of the Hotel, all of which are claims for which the Franchisee Indemnified Parties are not entitled to indemnification under this Section 8.4; or (ii) any trademark infringement Proceeding disputing Franchisee's authorized use of any Proprietary Mark under this Agreement, provided that Franchisee has timely notified Hyatt of, and complies with Hyatt's directions in responding to, the Proceeding.

(b) **Defense.** Hyatt agrees to defend (at Hyatt's expense) the Franchisee Indemnified Parties from and against any and all Proceedings described in Section 8.4(a)(ii). At Hyatt's option, Hyatt and/or its Affiliate(s) may defend and control the defense of any other Proceeding arising from or relating to the Proprietary Marks or Franchisee's use of any Proprietary Mark under this Agreement. Hyatt may agree to settlements and take any other remedial, corrective, or other actions with respect to any Proceeding described in this Section 8.4(b), provided that Hyatt will seek Franchisee's advice and counsel, and keep Franchisee informed, with regard to any proposed or contemplated settlement.

8.5 **Survival and Mitigation.** The obligations under Sections 8.3 and 8.4 will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. A Hyatt Indemnified Party or Franchisee Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim under Section 8.3 or 8.4 (as applicable). The obligation to indemnify under Section 8.3 or 8.4 (as applicable) shall not be limited in any way by reason of any insurance that any indemnified party maintains.

ARTICLE IX

INSURANCE

At Franchisee's expense, Franchisee must procure and at all times during the Term maintain such insurance covering the risks, in the amounts, and with the deductibles, retentions and other provisions, as set forth in the System Standards from time to time. All insurance must by endorsement specifically name Hyatt and its Affiliates (and Hyatt's and their employees and agents) as additional insureds. Franchisee must purchase each policy from an insurance company reasonably acceptable to Hyatt. Either the insurer or Franchisee must provide at least thirty (30) days' prior written notice to Hyatt of any insurance policy's cancellation, non-renewal or material change. Franchisee must deliver to Hyatt a certificate of insurance (or certified copy of such insurance policy if Hyatt requests) evidencing the required coverages and setting forth the amount of any deductibles not less than ten (10) days after their respective inception dates. Franchisee must ensure that each F&B Operator (if any) and Spa Operator (if any) maintains the insurance and otherwise complies with all applicable obligations under this ARTICLE IX that Hyatt periodically specifies, including by naming Hyatt and any Affiliates that Hyatt periodically designates (and Hyatt's and their employees and agents) as additional insureds and delivering certificates of insurance to Hyatt. If Franchisee fails for any reason to procure or maintain the insurance required by this Agreement, Hyatt shall have the right and authority (although without any obligation to do so) to immediately procure such insurance and to charge Franchisee the cost together with a reasonable fee for Hyatt's expenses. Hyatt shall have the right to review Franchisee's insurance coverage for the foregoing requirements from time to time during the Term and to update requirements for insurance coverage in response to material changes in the circumstances of the Hotel, then-current industry practices, and changes in economic conditions. Franchisee shall promptly comply with Hyatt's updated requirements.

ARTICLE X

CONDEMNATION AND DAMAGE

10.1 **Condemnation.** Franchisee must immediately notify Hyatt of any proposed taking all or a substantial portion of the Hotel by eminent domain, condemnation or expropriation. If the parties do not otherwise agree to relocate the Hotel, then either party may terminate this Agreement immediately upon written notice to the other. If Franchisee and its Owners sign a Termination Agreement, then Franchisee shall not be required to pay liquidated damages pursuant to Section 16.5 at the time of termination. However, such Termination Agreement shall provide that if Franchisee or any of its Affiliates begins construction on or operation of a hotel of the same Hotel Type at any location within the Area of Protection at any time during the twenty-four (24)

month period following the effective date of termination of this Agreement, other than a Hyatt Network Hotel or a hotel that was already under contract to be developed at that particular location within the Area of Protection on the date that the Termination Agreement is signed, then Franchisee or its Owners must pay Hyatt liquidated damages equal to the amount set forth in Exhibit B-1 multiplied by the number of guest rooms in that new hotel of the same Hotel Type. If Franchisee and its Owners fail to sign such Termination Agreement within a reasonable time after Hyatt delivers it to Franchisee, then Franchisee must pay Hyatt liquidated damages pursuant to Section 16.5 at the time of termination, in addition to complying with its other post-termination obligations under this Agreement.

10.2 **Damage.** If the Hotel is damaged by fire, flood, accident, hurricane or other casualty, Franchisee must notify Hyatt immediately.

(a) If the cost to repair the damage is less than or equal to the Damage Threshold, then Franchisee must repair the damage promptly according to the System Standards and this Agreement's other terms and conditions. If the damage or repair requires Franchisee to close all or any portion of the Hotel, then Franchisee must commence reconstruction as soon as practicable (but in any event within four (4) months) after closing the Hotel and reopen for continuous business operations as a Brand Hotel as soon as practicable (but in any event within twenty-four (24) months) after closing the Hotel, but not without complying with this Agreement's other terms and conditions. The Term will be extended for the period of time during which the Hotel is closed pursuant to this Section 10.2(a), and Franchisee need not make any payments of Royalty Fees or System Services Charges while the Hotel is closed pursuant to this Section 10.2(a) unless Franchisee receives insurance proceeds compensating Franchisee for lost Gross Rooms Revenue during such period, in which case Franchisee must pay Royalty Fees and System Services Charges on the amount of proceeds received allocable to such loss.

(b) If the cost to repair the damage from the casualty exceeds the Damage Threshold, then Franchisee may either: (i) repair the damage promptly according to the System Standards and this Agreement's other terms and conditions; or (ii) elect to terminate this Agreement upon written notice to Hyatt. If Franchisee elects to terminate this Agreement pursuant to Section 10.2(b)(ii), Franchisee and its Owners must sign a Termination Agreement and pay a termination fee (in lieu of liquidated damages or Brand Damages) in an amount equal to the lesser of the liquidated damages calculated pursuant to Section 16.5 and the Net Recovery, provided that if the Net Recovery is less than zero, no termination fee shall be required upon signing the Termination Agreement.

(c) Franchisee must provide Hyatt such documentation as Hyatt may reasonably request to calculate the Damage Threshold, the insurance proceeds Franchisee receives in connection with any casualty, and the Net Recovery amount (if applicable). Any Termination Agreement signed pursuant to this Section 10.2 shall provide that if Franchisee, any of its Affiliates, or any other entity (including any buyer of the Hotel) begins construction on or operation of a hotel of the same Hotel Type at the Site other than a Brand Hotel or another Hyatt Network Hotel at any time during the twenty-four (24)-month period following the effective date of termination of this Agreement, then Franchisee or its Owners must pay Hyatt liquidated damages equal to the difference

between (i) the amount that would have been payable pursuant to Section 16.5 at the time of termination, less (ii) the amount of liquidated damages actually paid at the time of termination pursuant to this Section 10.2.

ARTICLE XI

PROPRIETARY RIGHTS

11.1 **Ownership and Goodwill of Proprietary Marks, Copyrighted Materials, and Confidential Information.** Hyatt's Affiliate has licensed the Proprietary Marks, Copyrighted Materials, and Confidential Information to Hyatt to use and sublicense in franchising, developing, and operating Brand Hotels. Franchisee's right to use the Proprietary Marks, Copyrighted Materials, and Confidential Information is derived only from this Agreement and is limited to Franchisee's developing and operating the Hotel according to this Agreement and all System Standards that Hyatt prescribes during the Term. Franchisee's unauthorized use of the Proprietary Marks, Copyrighted Materials, or Confidential Information is a breach of this Agreement and infringes Hyatt's and its Affiliate's rights in them. Franchisee's use of the Proprietary Marks, Copyrighted Materials, and Confidential Information and any goodwill established by that use are exclusively for Hyatt's and its Affiliate's benefit, and this Agreement does not confer any goodwill or other interests in the Proprietary Marks, Copyrighted Materials or Confidential Information upon Franchisee, other than the right to develop and operate the Hotel under this Agreement. Franchisee may not at any time during or after the Term contest or assist any other person or entity in contesting the validity, or Hyatt's and its Affiliate's ownership, of any of the Proprietary Marks, Copyrighted Materials, or Confidential Information.

11.2 **Limitations on Franchisee's Use of Proprietary Marks.** Franchisee shall use the Proprietary Marks, along with a Market Descriptor designated or approved by Hyatt, as the sole identification of the Hotel. The Market Descriptor is not a Proprietary Mark. Hyatt makes no representation concerning Franchisee's right to use any Market Descriptor requested by Franchisee and approved by Hyatt. Hyatt has the right to require Franchisee to change, or discontinue use of any previously-approved, Market Descriptor and to substitute an alternative Market Descriptor in its place as Hyatt deems necessary or advisable, and Franchisee agrees to promptly adhere to Hyatt's instructions in connection therewith. Franchisee (or the Management Company) must identify itself as the Hotel's independent owner (or operator) in the manner that Hyatt periodically specifies. Franchisee may not use any Proprietary Mark (a) as part of any corporate or legal business name; (b) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos Hyatt licenses to Franchisee); (c) in providing or selling any unauthorized services or products; (d) as part of any domain name, homepage, meta tags, keyword, electronic address, or otherwise in connection with a website (unless Hyatt has approved such use in advance); or (e) in any other manner Hyatt has not expressly authorized in writing. Franchisee (and, if applicable, any restaurant operators at the Hotel) may use the Proprietary Marks in connection with any Hotel restaurant operations only with Hyatt's prior written consent and in compliance with all System Standards relating thereto. If Hyatt discovers Franchisee's unauthorized use of the Proprietary Marks, in addition to Hyatt's other rights and remedies under this Agreement and applicable law, Hyatt may require Franchisee to destroy (with no reimbursement from Hyatt) all offending items reflecting such unauthorized use.

Franchisee may not use any Proprietary Mark in advertising the transfer, sale, or other disposition of the Hotel or an ownership interest in Franchisee or any of its Owners without Hyatt's prior written consent, which Hyatt will not unreasonably withhold. Franchisee agrees to display the Proprietary Marks as Hyatt periodically prescribes at the Hotel and on advertising and other materials Hyatt periodically designates. Franchisee agrees to give the notices of trade and service mark registrations that Hyatt periodically specifies and to obtain any fictitious or assumed name registrations required under applicable law.

11.3 Notification of Infringements and Claims. Franchisee agrees to notify Hyatt immediately of any apparent infringement or challenge to Franchisee's use of any Proprietary Mark, Copyrighted Materials, or Confidential Information, or of any person's claim of any rights in any Proprietary Mark, Copyrighted Materials, or Confidential Information, and not to communicate with any person other than Hyatt, its Affiliates, and its and their attorneys, and Franchisee's attorneys, regarding any infringement, challenge, or claim. Hyatt and its Affiliates may take the action it and they deem appropriate (including no action) and control exclusively any Proceeding arising from any infringement, challenge, or claim or otherwise concerning any Proprietary Mark, Copyrighted Materials, or Confidential Information. Franchisee agrees to sign any documents and take any other reasonable actions that, in the opinion of Hyatt's and its Affiliates' attorneys, are necessary or advisable to protect and maintain Hyatt's and its Affiliates' interests in any Proceeding or otherwise to protect and maintain Hyatt's and its Affiliates' interests in the Proprietary Marks, Copyrighted Materials, and Confidential Information. Hyatt or its Affiliate will reimburse Franchisee's reasonable out-of-pocket costs for taking any requested action.

11.4 Discontinuing Use of Proprietary Marks. If it becomes advisable at any time for Hyatt and/or Franchisee to modify, discontinue using, and/or replace any Proprietary Mark and/or to use one or more additional, substitute, or replacement trade or service marks, Franchisee agrees to comply with Hyatt's directions within a reasonable time after receiving notice. Neither Hyatt nor its Affiliates will reimburse Franchisee for any costs or expenses incurred in connection with such directions, including expenses of changing the Hotel's signs, any loss of revenue due to any modified or discontinued Proprietary Mark, or Franchisee's expenses of promoting a modified or substitute trademark or service mark. Hyatt's rights in this Section 11.4 apply to any and all of the Proprietary Marks (and any portion of any Proprietary Mark) that this Agreement authorizes Franchisee to use.

11.5 Confidential Information. Hyatt and its Affiliates possess (and will continue to develop and acquire) Confidential Information, some of which constitutes trade secrets under applicable law. Franchisee agrees that the Confidential Information is proprietary to Hyatt and its Affiliates, includes Hyatt's and its Affiliate's trade secrets, and is disclosed to Franchisee only on the condition that Franchisee agrees, and Franchisee hereby does agree, that Franchisee: (a) will not use (or allow any of its Affiliates to use) Confidential Information in any other business or capacity; (b) will keep confidential each item deemed to be a part of Confidential Information, both during and after the Term (afterward for as long as the item is not generally known in the hotel industry); (c) will not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form; and (d) will adopt and implement reasonable procedures that Hyatt periodically specifies to prevent unauthorized use or disclosure of Confidential Information.

11.6 **Guest Information.** All Guest Information is Hyatt’s property and part of Confidential Information. Hyatt has the right from time to time during the Term, without notice to Franchisee, to access the Hotel’s property management system and other computer systems to retrieve Guest Information. Hyatt and its Affiliates may use, and allow others to use, the Guest Information in any manner that Hyatt deems appropriate (subject to applicable law).

Franchisee may use the Guest Information, and certain other information and data relating to guests and customers of other Brand Hotels and/or other Hyatt Network Hotels that Hyatt periodically specifies, during the Term only to provide services to guests and potential guests of the Hotel in accordance with the System Standards and all applicable laws, rules and regulations. Franchisee must ensure that its Affiliates may not access, and neither Franchisee nor any of its Affiliates may use, any such Guest Information or such other information and data in any other business or capacity. However, following the expiration or termination of this Agreement, Franchisee may use, and allow its Affiliates and others to use, any Guest Information that was generated at the Hotel (and not supplied to the Hotel by Hyatt or its Affiliate) during the guest’s stay at the Hotel and stored in the Hotel’s property management system database in any manner that Franchisee deems appropriate (subject to applicable law) at Franchisee’s own risk, provided that Franchisee complies, and ensures that any recipients of that Guest Information from Franchisee (whether directly or indirectly) comply, with Hyatt’s then current policies and procedures regarding the collection, storage, use, processing and transfer of personal and/or financial data. If there is a Data Breach, Franchisee must notify Hyatt promptly and Hyatt may require Franchisee to use a third party supplier designated by Hyatt, at Franchisee’s sole cost and expense, to review and if necessary, remediate such breach or unauthorized access. Franchisee shall not take any action that could jeopardize Hyatt’s or its Affiliate’s ability to comply with, or make certifications under, any law, regulation, contract, program or policy related to Guest Information (including Privacy Laws, privacy notices and PCI certifications) and applicable to Hyatt or such Affiliate.

11.7 **Innovations.** All Innovations must be promptly disclosed to Hyatt and will be deemed to be Hyatt’s or its Affiliate’s sole and exclusive property, part of the Hotel System, and works made-for-hire for Hyatt or its Affiliates. However, Franchisee may not use any Innovation in operating the Hotel or otherwise without Hyatt’s prior written consent. If any Innovation does not qualify as a “work made-for-hire” for Hyatt or its Affiliate, by this paragraph Franchisee assigns ownership of that Innovation, and all related intellectual property rights and other rights to that Innovation, to Hyatt and agrees to take whatever action (including signing assignment or other documents) that Hyatt requests to evidence its ownership or to help Hyatt obtain intellectual property rights in the Innovation.

11.8 **Hotel IP.** Franchisee hereby grants Hyatt and its Affiliates the right to use the Hotel IP in connection with the marketing, promotion, and publicity of the Hotel, the Proprietary Marks, other Brand Hotels, Hyatt Network Hotels, and Hyatt’s loyalty program(s), and otherwise to perform Hyatt’s obligations under this Agreement, including use of the Hotel IP in connection with the CRS, the Hotel System Website, and any other media, technology or device now known or hereafter developed, without further authorization from or remuneration to Franchisee. As part of this license, Hyatt and its Affiliates have the right to use, copy, publish, distribute, and license others to use the Hotel IP, as needed, and may alter, retouch, crop or use in composite form the

Hotel IP, in any way. Franchisee represents and warrants that Franchisee owns or has all valid rights to use the Hotel IP and that use of the Hotel IP by Hyatt and its Affiliates as permitted hereunder will not violate the rights of any third party.

ARTICLE XII

OWNERSHIP OF FRANCHISEE AND TRANSFER

12.1 Ownership of Franchisee and Guarantors.

(a) **Franchisee's Owners.** Franchisee represents and warrants that: (a) Exhibit G completely and accurately identifies all Owners (other than any Limited Interest Owner) and describes their ownership interests (whether direct or indirect) in Franchisee; and (b) none of Franchisee's Owners (other than a Public Owner) is a Sanctioned Person. Without limiting Hyatt's rights or Franchisee's obligations under this ARTICLE XII, upon Hyatt's reasonable request, Franchisee agrees to provide Hyatt information about the identity of the Owners (other than a Public Owner) and their ownership interests (whether direct or indirect) in Franchisee from time to time using the forms and formats that Hyatt reasonably specifies.

(b) **Guaranty.** Franchisee must ensure that one or more of the Controlling Owners which Hyatt specifies as of the Effective Date signs Hyatt's Guaranty and Assumption of Obligations (the "**Guaranty**"), the current form of which is attached as Exhibit H. Franchisee represents and warrants that at least one Guarantor satisfies the Guarantor Monetary Threshold as of the Effective Date, and Franchisee agrees to ensure that at least one Guarantor continues to satisfy the Guarantor Monetary Threshold (as it may be increased in accordance with Exhibit B-1) at all times during the Term. Franchisee agrees to, and shall cause its Guarantors to, reasonably cooperate with Hyatt in connection with all auditing and reporting requirements that Hyatt reasonably specifies relating to the Guarantor Monetary Threshold.

12.2 **Transfer by Franchisee – Defined.** Franchisee acknowledges that the rights and duties this Agreement creates are personal to Franchisee and its Controlling Owners and that Hyatt has granted Franchisee the rights under this Agreement in reliance upon Hyatt's perceptions of Franchisee's and its Controlling Owners' collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, unless otherwise specified in this ARTICLE XII, neither this Agreement (or any interest in this Agreement), the Hotel or substantially all of its assets, nor any ownership interest in Franchisee or any Owner (if such Owner is a legal entity) may be transferred (as defined in Exhibit A) without complying with the terms and conditions applicable to such transfer in this ARTICLE XII. A transfer of the Hotel's ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any transfer without complying with the terms and conditions applicable to such transfer in this ARTICLE XII, including Hyatt's approval (where such approval is required under this Agreement), is a breach of this Agreement.

12.3 **Non-Control Transfers.** Subject to the other provisions of this ARTICLE XII, Franchisee and/or any of its Owners may consummate any Non-Control Transfers, without seeking

or receiving Hyatt's consent, if (a) neither the proposed transferee nor any of its direct and indirect owners (if the transferee is a legal entity), other than a Public Owner, is a Competing Brand Owner or Sanctioned Person; and (b) such transfer does not, whether in one transaction or a series of related transactions (regardless of the time period over which these transactions take place), result in the transfer or creation of a direct or indirect Controlling Ownership Interest in Franchisee. Within thirty (30) days after the effective date of any Non-Control Transfer (other than transfers among then-existing Owners), Franchisee shall provide Hyatt an updated Exhibit G (if the previously effective version of Exhibit G has changed) or such other information as Hyatt reasonably requests from time to time concerning any new Non-Controlling Owners (other than Limited Interest Owners).

12.4 **Control Transfers.** Franchisee must notify Hyatt in writing at least ten (10) days in advance of Franchisee's listing the Hotel or a direct or indirect Controlling Ownership Interest in Franchisee for sale and promptly send Hyatt all information that Hyatt reasonably requests regarding any proposed sale. In connection with any proposed Control Transfer, Franchisee must submit to Hyatt, on behalf of the proposed transferee, a complete application for a new franchise agreement (the "**Change of Ownership Application**"), accompanied by payment of Hyatt's then current application fee (although no such fee is due if the transfer is to the spouse, child, parent, or sibling of the Owner(s) or from one individual or entity who is an Owner as of the Effective Date to another individual or entity who is an Owner as of the Effective Date) and information concerning any proposed replacement Guarantor. If Hyatt does not approve the Change of Ownership Application and consent to the proposed Control Transfer, Hyatt will refund any application fee paid, less Seven Thousand Five Hundred Dollars (\$7,500) for processing costs. Hyatt will process the Change of Ownership Application according to this Section 12.4 and its then current procedures. Hyatt has sixty (60) days from its receipt of the completed and signed Change of Ownership Application to consent or withhold its consent to the proposed Control Transfer. No Control Transfer may occur without Hyatt's prior written consent.

If Franchisee (and each of its Guarantors) is complying with this Agreement, then, subject to the other provisions of this ARTICLE XII, Hyatt will not unreasonably withhold its approval of a Control Transfer if all of the following conditions are met before or concurrently with the effective date of the Control Transfer:

(a) the transferee and each of its direct and indirect owners (if the transferee is a legal entity) has, in Hyatt's judgment, the necessary business experience, aptitude, and financial resources to operate the Hotel and meets Hyatt's then applicable standards for Brand Hotel franchisees;

(b) Franchisee has paid all amounts owed to Hyatt, its Affiliates and third party vendors, and has not violated any provision of this Agreement or any other agreement with Hyatt or its Affiliate, in each case during both the sixty (60)-day period before Franchisee requested Hyatt's consent to the transfer and the period between Franchisee's request and the effective date of the transfer;

(c) the transferee's general manager and other Hotel management personnel that Hyatt specifies, if different from the Hotel's general manager and management personnel, satisfactorily complete Hyatt's required brand standard training programs;

(d) the transferee and its owners (if the transfer is of this Agreement), or Franchisee and its Owners (if the transfer is of a Controlling Ownership Interest in Franchisee or one of its Controlling Owners), at Hyatt's option, either sign: (i) Hyatt's then current form of franchise agreement and related documents for use with existing Brand Hotels (including guarantees and assumptions of obligations), any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Royalty Fee and System Services Charges, and the term of which franchise agreement will be, at Hyatt's option, either twenty (20) years or the remaining unexpired portion of the Term; or (ii) the agreements and related documents (including guarantees and assumptions of obligations) that Hyatt then specifies under which they assume (or confirm the continued effectiveness of) all of Franchisee's rights and obligations under this Agreement;

(e) Franchisee signs a Termination Agreement and Franchisee and all Guarantors sign all documents Hyatt requests evidencing their agreement to remain liable or assume liability for all obligations to Hyatt and its Affiliates existing before the effective date of the transfer;

(f) Hyatt has determined that Franchisee's or the transferee's (as applicable) capital structure, debt service and overall financial status following the transfer will not adversely affect the operation of the Hotel;

(g) the transferee (if the transfer is of this Agreement) or Franchisee (if the transfer is of a Controlling Ownership Interest in Franchisee or one of its Controlling Owners) agrees (regardless of cost) to renovate, remodel and/or expand the Hotel, which may include structural alterations, adding or replacing improvements and FF&E, and otherwise modifying the Hotel, as Hyatt requires to comply with the Hotel System and System Standards then applicable for new similarly situated Brand Hotels, subject to Reasonable Deviations; and

(h) Franchisee (if Franchisee will no longer operate the Hotel) and its transferring Owners agree that they will not directly or indirectly at any time or in any manner use any Proprietary Mark, Copyrighted Materials or Confidential Information, except as otherwise permitted under any then effective agreement with Hyatt or its Affiliate.

Hyatt may review all information regarding the Hotel that Franchisee gives the proposed transferee, correct any information that Hyatt believes is inaccurate, and give the transferee copies of any reports that Franchisee has given Hyatt or Hyatt has made regarding the Hotel.

12.5 **Permitted Control Transfers.** Notwithstanding Section 12.4:

(a) any Controlling Owner may, without Hyatt's prior written consent and without complying with the other terms and conditions of Section 12.4, transfer its interest in Franchisee (or Franchisee's Controlling Owner) to any other entity in which such Controlling Owner owns (directly or indirectly) all of the ownership interests, as long as the transferee is not a Competing Brand Owner or a Sanctioned Person and Franchisee

notifies Hyatt in writing of the transfer no later than thirty (30) days following the effective date of such Transfer; and

(b) any Owner who is an individual may, without Hyatt's prior written consent and without complying with the other terms and conditions of Section 12.4, transfer that Owner's interest in Franchisee (or Franchisee's Owner) to a trust or other entity established for estate planning purposes, as long as that Owner is a trustee of, or otherwise controls the exercise of the rights in Franchisee (or Franchisee's Owner) held by, the trust or other entity, continues to comply with and ensures the trust's or other entity's compliance with the applicable provisions of this Agreement (if such Owner is a Guarantor), and notifies Hyatt in writing of the transfer at least ten (10) days prior to its anticipated effective date. Dissolution of or transfers from any trust or other entity described in this Section 12.5(b) are subject to all applicable terms and conditions of Section 12.3 or 12.4.

12.6 **Security Interests.** Franchisee's Owners may pledge their ownership interests in any Non-Controlling Owner to a Lender, without having to obtain Hyatt's prior approval. Franchisee may mortgage or otherwise grant a Security Interest in the Hotel and its assets (but not this Agreement) to a Lender, and Franchisee's Owners may pledge their ownership interests in Franchisee or any Controlling Owner to a Lender, without having to obtain Hyatt's prior approval and without complying with the other terms and conditions of Section 12.4, provided the Lender signs Hyatt's form of comfort letter pursuant to Section 2.7. Unless otherwise specified in any then effective comfort letter, the terms and conditions of this Agreement (including Section 12.3 or 12.4) apply to any foreclosure or other exercise of any rights or remedies with respect to any Security Interest.

12.7 **Transfers of Equity Interest Upon Death.** Upon the death or mental incompetency of a person with a Controlling Ownership Interest in Franchisee or one of its Controlling Owners, that person's executor, administrator, or personal representative ("**Representative**") must, within six (6) months after the date of death or mental incompetency, transfer the Owner's interest in Franchisee or the Controlling Owner to a third party or to the other Owner(s) of Franchisee, if any, subject to the conditions set forth in Section 12.4(a), 12.4(b), and 12.4(f) above, and provided that at least one Guarantor that satisfies the Guarantor Monetary Threshold (as it may be increased in accordance with Exhibit B-1). In the case of a transfer by devise or inheritance, if the heirs or beneficiaries cannot meet the foregoing conditions within this six (6)-month period, the Representative will have twelve (12) months from the date of death or mental incompetency to dispose of the interest in accordance with this Section 12.7. If this required transfer does not occur within the required timeframe, Hyatt shall have the right to terminate this Agreement upon written notice to Franchisee, provided that Franchisee will not be liable for liquidated damages pursuant to Section 16.5 or Brand Damages in connection with such termination.

12.8 **Public Offerings and Disclosures.**

(a) **Public Offering of Securities.** Notwithstanding Sections 12.3 and 12.4, neither Franchisee nor any Controlling Owner may offer any ownership interests or other securities in a public offering for which a registration statement must be filed with the

Securities and Exchange Commission or any similar regulatory agency (whether within or outside the United States) having jurisdiction over the sale of securities.

(b) **Private Placement Offering Materials.** With respect to any private placement of ownership interests in Franchisee or any Owner, Franchisee agrees to submit all Offering Materials to Hyatt for its prior approval. No Offering Materials may imply or state (by use of the Proprietary Marks or otherwise) that Hyatt or its Affiliate is participating as an underwriter, issuer, or Franchisee's (or its Owner's) representative, suggest that Hyatt or its Affiliate endorses the offering or agrees with any financial projections, or otherwise contain any information about Hyatt or its Affiliates, this Agreement, Hyatt's relationship with Franchisee or the network of Brand Hotels or other Hyatt Network Hotels (other than the Hotel) that Hyatt disapproves. Hyatt's review and approval of the Offering Materials is not its endorsement of the offering or representation that Franchisee or its Owner is complying with applicable laws. Franchisee must pay Hyatt a non-refundable fee equal to Five Thousand Dollars (\$5,000) to review the proposed Offering Materials. Hyatt may require changes to the Offering Materials for the purposes specified above and has the right to request and receive a full indemnification from all participants in the offering before issuing Hyatt's consent.

12.9 **Non-Waiver of Claims.** Hyatt's consent to a transfer is not a representation of the fairness of the terms of any contract between Franchisee (or its Owners) and the transferee, a guarantee of the Hotel's or transferee's prospects of success, or a waiver of any claims Hyatt has against Franchisee (or its Owners) or of Hyatt's right to demand the transferee's full compliance with this Agreement or any other agreement with Franchisee or the transferee.

12.10 **Transfer by Hyatt.** Franchisee represents that Franchisee has not signed this Agreement in reliance on any particular direct or indirect owner, officer or employee remaining with Hyatt in that capacity. Hyatt may change its ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After Hyatt's assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, Hyatt no longer will have any performance or other obligations under this Agreement. Such an assignment shall constitute a release of Hyatt and a novation with respect to this Agreement, and the assignee shall be liable to Franchisee as if it had been an original party to this Agreement.

ARTICLE XIII

SUCCESSOR FRANCHISE

13.1 **Right to a Successor Franchise Agreement.** When this Agreement expires, if Franchisee (and, as applicable, each Guarantor): (a) has substantially complied with this Agreement during its Term and is in full compliance with this Agreement (including all System Standards) as of the date upon which this Agreement expires; (b) then meets Hyatt's then applicable standards for franchisees and owners of franchisees of Brand Hotels; (c) has received passing Quality Assurance Scores (as defined in the System Standards) on all evaluations conducted during the preceding three (3)-year period; and (d) has the right to maintain possession of the Hotel for at least ten (10) years following this Agreement's expiration, then Hyatt will offer Franchisee the right to enter into a successor franchise agreement to continue operating the Hotel

as a Brand Hotel for a term commencing immediately upon the expiration of this Agreement and expiring ten (10) years from that date (the “**Successor Franchise Right**”) in accordance with this ARTICLE XIII. If Franchisee (or any Guarantor) does not meet the requirements of this Section 13.1, then Hyatt need not enter into a successor franchise agreement with Franchisee, whether or not Hyatt notified Franchisee of the non-compliance or had, or chose to exercise, the right to terminate this Agreement during its Term.

13.2 **Successor Franchise Notice and PIP.** Franchisee agrees to give Hyatt written notice of Franchisee’s election to exercise or not to exercise the Successor Franchise Right no more than twenty-one (21) months, and no less than eighteen (18) months, before this Agreement expires. Simultaneously with submitting its notice to exercise the Successor Franchise Right, Franchisee shall pay Hyatt its then current PIP fee, which is non-refundable. Franchisee’s failure to deliver such notice within such timeframe or to pay such PIP fee shall be deemed Franchisee’s decision not to exercise the Successor Franchise Right. Within ninety (90) days after Hyatt receives Franchisee’s notice and payment of the PIP fee, Hyatt agrees to notify Franchisee of Hyatt’s decision either to:

(a) deny Franchisee’s election to exercise the Successor Franchise Right based on the failure to satisfy the conditions in Section 13.1 (and Hyatt shall provide the reasons for its decision); or

(b) approve Franchisee’s election to exercise Successor Franchise Right, subject to (i) Franchisee’s renovating, remodeling and/or expanding the Hotel (which may include structural alterations), adding or replacing improvements and FF&E, and otherwise modifying the Hotel as Hyatt requires to comply with the Hotel System and System Standards then applicable for new similarly situated Brand Hotels (subject to Reasonable Deviations), which must be completed to Hyatt’s reasonable satisfaction before the Term expires in accordance with the PIP that Hyatt prepares (including the timeframes set forth therein); and (ii) Franchisee’s (and each Guarantor’s) continued compliance with the other provisions of this Agreement during the remaining Term.

13.3 **Agreements/Releases.** If Franchisee satisfies all of the other conditions for a successor franchise agreement under this ARTICLE XIII, Franchisee agrees to sign the form of franchise agreement and any ancillary agreements Hyatt then customarily uses in granting franchises for Brand Hotels (modified as necessary to reflect the fact that it is for a successor franchise and that there will be no further renewal or successor franchise rights), which may contain provisions that differ materially from any and all of those contained in this Agreement, except that Hyatt will not charge a successor franchise fee. Franchisee and the Guarantors further agree to sign general releases, in a form satisfactory to Hyatt, of any and all claims against Hyatt and its Affiliates and its and their respective owners, officers, directors, managers, employees, agents, representatives, successors, and assigns.

ARTICLE XIV

DISPUTE RESOLUTION

14.1 **Arbitration.** All controversies, disputes, or claims between Hyatt (and/or its Related Parties) and Franchisee (and/or its Related Parties) arising out of or related to: (a) this Agreement or any other agreement between Franchisee and Hyatt or any of its Affiliates; (b) Hyatt's (or any of its Affiliates') relationship with Franchisee; (c) the scope or validity of this Agreement or any other agreement between Franchisee and Hyatt or any of its Affiliates, or any provision of any of those agreements (including the validity and scope of the arbitration obligation under this Section 14.1, which Hyatt and Franchisee acknowledge is to be determined by an arbitrator, not a court); or (d) any aspect of the Hotel System or any System Standard, must be submitted for binding arbitration to the American Arbitration Association (the "AAA"). The arbitration proceedings will be conducted by one (1) arbitrator and, except as this Section 14.1 otherwise provides, according to the AAA's then current commercial arbitration rules. The arbitrator must be a licensed attorney, have hotel industry experience, and be listed on the AAA's National Roster of Neutrals (or such other equivalent replacement roster of experienced arbitrators that the AAA designates). All proceedings shall be conducted at a suitable location chosen by the arbitrator that is within ten (10) miles of Hyatt's then current principal business address. The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.) and not by any state arbitration law.

The arbitrator has the right to award any relief that the arbitrator deems proper, including money damages (with interest on unpaid amounts from the date due, as well as post-award interest, in accordance with Section 6.5), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Proprietary Mark generic or otherwise invalid or, except as expressly provided in Section 14.5 below, award any punitive, exemplary, or treble or other forms of multiple damages against either party (Hyatt and Franchisee hereby waiving to the fullest extent permitted by law, except as expressly provided in Section 14.5 below, any right to or claim for any punitive, exemplary, and treble and other forms of multiple damages against the other). The award of the arbitrator shall be conclusive and binding upon all parties and judgment upon the award may be entered in any court of competent jurisdiction.

Hyatt and Franchisee agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. Hyatt and Franchisee further agree that, in any arbitration proceeding, each must submit or file any claim that would constitute a compulsory counterclaim (as defined by the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim that is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisee or Hyatt or any of their related parties.

Hyatt and Franchisee agree that arbitration will be conducted on an individual, not a class-wide, basis; that only Hyatt and Franchisee (and/or their respective Related Parties, as applicable) may be the parties to any arbitration proceedings described in this Section 14.1; and that an arbitration proceeding between Hyatt and Franchisee (and/or their respective Related

Parties) may not be consolidated with any other arbitration proceeding between Hyatt and any other person or entity. Notwithstanding the foregoing or anything to the contrary in this Section 14.1 or Section 18.2, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 14.1, then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with this ARTICLE XIV (excluding this Section 14.1).

Despite this Section 14.1, Hyatt and Franchisee each have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that Hyatt and Franchisee must contemporaneously submit the dispute for arbitration on the merits as provided in this Section 14.1. The provisions of this Section 14.1 are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

14.2 **Governing Law.** All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.). Except to the extent governed by the Federal Arbitration Act, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement, the franchise, and all claims arising from the relationship between Hyatt (and/or any of its Affiliates) and Franchisee will be governed by the laws of the State of Illinois, without regard to its conflict of laws rules, except that any Illinois law regulating the offer or sale of franchises, business opportunities, or similar interests, or governing the relationship between a franchisor and a franchisee or any similar relationship, will not apply unless its jurisdictional requirements are met independently without reference to this Section 14.2.

14.3 **Consent to Jurisdiction.** Subject to the parties' arbitration obligations and the provisions below, Franchisee agrees that all actions arising under this Agreement or otherwise as a result of the relationship between Franchisee and Hyatt (and/or any of its Affiliates) must be commenced in the state or federal court of general jurisdiction closest to Hyatt's then current principal business address, and Franchisee irrevocably submits to the jurisdiction of those courts and waives any objection it might have to either the jurisdiction of or venue in those courts. Nonetheless, Franchisee agrees that Hyatt may enforce this Agreement and any arbitration orders and awards in the courts of the state or states in which Franchisee is domiciled or the Hotel is located.

14.4 **Attorneys' Fees.** If either party initiates a formal legal proceeding under or relating to this Agreement or the relationship between Franchisee and Hyatt (and/or any of its Affiliates), the non-prevailing party in that proceeding (as determined by the judge or arbitrator, as applicable) must reimburse the prevailing party for all of the prevailing party's costs and expenses that it incurs, including reasonable accounting, attorneys', arbitrators', and related fees.

14.5 **Waiver Of Punitive Damages And Jury Trial.** EXCEPT FOR THE INDEMNIFICATION OBLIGATIONS FOR THIRD PARTY CLAIMS UNDER SECTIONS 8.3 AND 8.4, AND EXCEPT FOR PUNITIVE, EXEMPLARY, AND TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, HYATT AND FRANCHISEE WAIVE TO THE FULLEST EXTENT PERMITTED BY

LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, AND TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN HYATT AND FRANCHISEE, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES (INCLUDING LIQUIDATED DAMAGES) IT SUSTAINS.

SUBJECT TO THE PARTIES' ARBITRATION OBLIGATIONS, HYATT AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER HYATT OR FRANCHISEE.

14.6 **Limitations of Claims.** EXCEPT FOR CLAIMS ARISING FROM FRANCHISEE'S NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS FRANCHISEE OWES HYATT OR ANY OF ITS AFFILIATES, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR HYATT'S (OR ANY OF ITS AFFILIATES') RELATIONSHIP WITH FRANCHISEE WILL BE BARRED UNLESS A LEGAL PROCEEDING (IN THE REQUIRED OR PERMITTED FORUM) IS COMMENCED WITHIN EIGHTEEN (18) MONTHS FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

ARTICLE XV

DEFAULT AND TERMINATION

15.1 **Termination by Hyatt After Opportunity to Cure.** Hyatt has the right to terminate this Agreement, effective on the date stated in Hyatt's written notice (or the earliest date permitted by applicable law), if:

(a) Hyatt determines that a serious threat or danger to public health or safety results from the construction, maintenance, or operation of the Hotel, such that an immediate shutdown of the Hotel or construction site is necessary to avoid a substantial liability or loss of goodwill to the Hotel System, and Franchisee fails to shut down the Hotel or construction site within twenty-four (24) hours after delivery of Hyatt's written notice to Franchisee;

(b) Franchisee fails to pay Hyatt or any of its Affiliates any fees or other amounts due under this Agreement or any other agreement, and does not cure that default within ten (10) days after delivery of Hyatt's written notice of default to Franchisee;

(c) Franchisee does not buy, maintain, or send Hyatt evidence of required insurance coverage and does not cure that default within ten (10) days after delivery of Hyatt's written notice of default to Franchisee;

(d) Franchisee fails to pay when due any financial obligation to a Provider or otherwise fails to comply with any other provision of this Agreement, any aspect of the

Hotel System or any System Standard, and does not cure that default within thirty (30) days after delivery of Hyatt's written notice of default to Franchisee;

(e) Franchisee fails to comply with any other agreement with Hyatt or its Affiliates relating to the Hotel and does not cure that default within thirty (30) days (or such shorter time period that the other agreement specifies for curing that default) after delivery of Hyatt's written notice of default to Franchisee; or

(f) Franchisee fails to ensure that at least one Guarantor satisfies the Guarantor Monetary Threshold and does not cure that default (by providing the financial statements demonstrating that at least one Guarantor then satisfies the Guarantor Monetary Threshold) within sixty (60) days after delivery of Hyatt's written notice of default to Franchisee.

15.2 **Termination by Hyatt Without Opportunity to Cure.** Hyatt may terminate this Agreement immediately, without giving Franchisee an opportunity to cure the default, effective upon delivery of written notice to Franchisee (or such later date as required by law), if:

(a) Franchisee or any Guarantor admits its inability to pay its debts as they become due or makes a general assignment for the benefit of creditors; suffers an action to dissolve or liquidate; commences or consents to any case, proceeding, or action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of debts under any law relating to bankruptcy, insolvency, reorganization, or relief of debtors; suffers an appointment of a receiver, trustee, custodian, or other official for any portion of its property or the Hotel; takes any corporate or other action to authorize any of the actions set forth above in this Section 15.2(a); has any case, proceeding, or other action commenced against it as debtor seeking an order for relief, or seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other official for it or any portion of its property or the Hotel, and such case, proceeding, or other action results in an order for relief against it that is not fully stayed within seven (7) business days after being entered or remains un-dismissed for forty-five (45) days; has an attachment of Fifty Thousand Dollars (\$50,000) or more on all or any part of the Hotel or any of its assets that remains for at least ninety (90) days; or fails, within sixty (60) days after the entry of a final judgment against it in any amount exceeding One Hundred Thousand Dollars (\$100,000), to discharge, vacate, or reverse the judgment, to stay its execution, or, if appealed, to discharge the judgment within thirty (30) days after a final adverse decision in the appeal;

(b) Franchisee ceases operating the Hotel at the Site in affiliation with the Proprietary Marks, fails to identify the Hotel to the public as a Brand Hotel, or loses possession of or the right to possess all or a significant part of the Hotel, for any reason except as otherwise provided in this Agreement;

(c) Franchisee or any of its Affiliates contests in any court or other Proceeding Hyatt's or its Affiliate's ownership of all or any portion of the Hotel System or the validity of any Proprietary Mark, Copyrighted Materials, or Confidential Information, or registers or attempts to register any Proprietary Mark or a derivative thereof;

(d) Franchisee (or any of its Owners) makes a transfer in violation of ARTICLE XII;

(e) Franchisee or any of its Owners or Guarantors is, or is discovered to have been, convicted of a felony or enters or is discovered to have entered a plea of no contest to a felony, unless (i) the Owner is a Limited Interest Owner; and (ii) such Owner divests all of such Owner's direct and indirect ownership interests in Franchisee within sixty (60) days after the date of the conviction or plea;

(f) Franchisee or any of its Owners or Guarantors commits (or is discovered to have committed) any action or any other offense likely in Hyatt's reasonable opinion to reflect materially adversely upon Hyatt, its Affiliates, the Hotel System, or the Proprietary Marks, unless (i) the Owner is a Limited Interest Owner; and (ii) such Owner divests all of such Owner's direct and indirect ownership interests in Franchisee within sixty (60) days after notice from Hyatt;

(g) Franchisee knowingly maintains false books and records of account or knowingly submits false or misleading reports or information to Hyatt or its Affiliate, including any information Franchisee provided or failed to provide on its franchise application;

(h) Franchisee (or any of its Owners) knowingly makes any unauthorized use or disclosure of any part of the System Standards or any other Confidential Information;

(i) Franchisee violates any law, ordinance, or regulation and does not begin to cure the violation immediately after receiving notice from Hyatt or any other party and to complete the cure as soon as is reasonably practicable or within the timeframe allowed by law, whichever is shorter;

(j) Franchisee (1) fails on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement, whether the failures relate to the same or different obligations under this Agreement and whether or not Hyatt provides formal written notice to Franchisee of or Franchisee corrects the failures; or (2) fails on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not Hyatt provides formal written notice to Franchisee of or Franchisee corrects the failures; or

(k) Franchisee's or any of its Owners' (other than a Public Owner's) assets, property, or interests are blocked under any Trade Restriction Law, or Franchisee or any of its Owners (other than a Public Owner) otherwise violate any Trade Restriction Law.

15.3 Suspension of Rights and Services. Upon Franchisee's failure to remedy any default or failure to comply with this Agreement specified in any written notice issued to Franchisee under Section 15.1 (following any cure period specified for such default or failure in Section 15.1) or Section 15.2, Hyatt has the right, until Franchisee remedies such default or failure to Hyatt's satisfaction, to (a) suspend Franchisee's right to use, and Franchisee's access to, the CRS, the GDS and ADS, and/or other System Services; (b) remove the Hotel from Hyatt's advertising publications and programs and/or remove the Hotel's webpage from the Hotel System

Website; (c) suspend or terminate any temporary or other fee reductions to which Hyatt might have agreed in this Agreement or any amendment(s) to this Agreement; and/or (d) refuse to provide any operational support that this Agreement otherwise requires. If Hyatt suspends Franchisee from the CRS, Hyatt has the right to divert reservations previously made for the Hotel to other Brand Hotels or Hyatt Network Hotels. If Hyatt exercises its right to suspend Franchisee's access to the CRS or other System Services, such suspension will last no more than six (6) months, after which time Hyatt shall either reinstate Franchisee's access or terminate this Agreement. Hyatt's exercise of this right will not constitute an actual or constructive termination of this Agreement nor be Hyatt's sole and exclusive remedy for Franchisee's default or failure to comply with this Agreement. If Hyatt exercises its right not to terminate this Agreement but to implement any remedies in this Section 15.3, Hyatt may at any time after the appropriate cure period under the written notice has lapsed (if any) terminate this Agreement without giving Franchisee any additional corrective or cure period. During any suspension period, Franchisee must continue to pay all fees and other amounts due under, and otherwise comply with, this Agreement and all related agreements. Hyatt's exercise of its rights under this Section 15.3 will not be a waiver by Hyatt of any breach of this Agreement. If Hyatt rescinds any suspension of Franchisee's rights, Franchisee will not be entitled to any compensation for any fees, expenses or losses Franchisee might have incurred due to Hyatt's exercise of any suspension right provided in this Section 15.3.

15.4 **General Provisions Concerning Default and Termination.** In any arbitration or other proceeding in which the validity of any termination of this Agreement or Hyatt's refusal to enter into a successor franchise agreement is contested, each party may cite to and rely upon all defaults or violations of this Agreement, not only the defaults or violations referenced in any written notice. Franchisee agrees that Hyatt has the right and authority (but not the obligation) to notify Franchisee's Lender and any or all of Franchisee's Owners, creditors and/or suppliers if Franchisee is in default under, or Hyatt has terminated, this Agreement.

ARTICLE XVI

RIGHTS AND OBLIGATIONS UPON EXPIRATION OR TERMINATION

16.1 **De-Identification.** Beginning on the date upon which this Agreement terminates or expires, Franchisee must immediately cease using the Hotel System and begin to de-identify the Hotel by taking whatever action Hyatt deems necessary to ensure that the Hotel no longer is identified as a Brand Hotel. Franchisee agrees to take the following steps, among other actions that Hyatt then specifies, to de-identify the Hotel:

(a) return to Hyatt all Copyrighted Materials, and all materials containing Confidential Information (other than Guest Information stored in the Hotel's property management system database that Franchisee is permitted to use after this Agreement's expiration or termination pursuant to Section 11.6) or bearing any of the Proprietary Marks, and cease using all such items;

(b) remove all structures and items identifying the Hotel System, including all elements of the trade dress and other distinctive features, devices, and/or items associated with the Hotel System, such as (for example) FF&E that is uniquely identified with a Brand Hotel and/or other Hyatt Network Hotels, interior signage, phone face plates, memo pads,

pens, cups, glasses, and all other materials bearing one or more of the Proprietary Marks. With respect to the Hotel's exterior signage, Franchisee must (i) immediately schedule the permanent removal of all exterior signage bearing any of the Proprietary Marks and give Hyatt written evidence of that schedule, (ii) immediately cover all such exterior signage in a professional manner, and (iii) permanently remove all such exterior signage within thirty (30) days after this Agreement expires or terminates. In addition, Franchisee must make at its expense such specific additional changes that Hyatt reasonably requests to de-identify the Hotel;

(c) stop all uses of the Proprietary Marks, Confidential Information and other aspects of the Hotel System in connection with any F&B Operations or Spa Operations (if any);

(d) change the Hotel's telephone listing and immediately stop answering the telephone in any way that would lead a current or prospective customer, vendor, or other person to believe that the Hotel still is affiliated with the Brand Hotel network or with Hyatt;

(e) stop all uses of the Proprietary Marks on any Franchisee Organization Website and require all third party websites to remove any references that directly or indirectly associate the Hotel with the Proprietary Marks;

(f) cancel all fictitious, assumed, or other business name registrations relating to Franchisee's use of the Proprietary Marks; and

(g) permit Hyatt's representatives to enter the Hotel on no less than twenty-four (24) hours' prior notice to conduct inspections on a periodic basis until de-identification is completed to Hyatt's satisfaction.

Beginning on the date upon which this Agreement terminates or expires and continuing until de-identification is completed to Hyatt's satisfaction, Franchisee must maintain a conspicuous sign at the registration desk in a form that Hyatt specifies stating that the Hotel no longer is associated with the Brand Hotel network. Franchisee and its Affiliates may not, without Hyatt's permission, represent to Hotel customers, prospective customers or the public that the Hotel is or was a Brand Hotel, or otherwise hold itself out to the public as a former franchisee of Hyatt's or as the former operator of a Brand Hotel, except in the limited case of informing investors, prospective investors, or lenders that Franchisee has general experience in operating a Brand Hotel. Subject to the terms of Subsection (b) above with respect to exterior signage, Franchisee shall complete all de-identification obligations under this Section 16.1 to Hyatt's satisfaction, and provide a written certification to Hyatt indicating such completion, on or before the date which is fifteen (15) days after this Agreement terminates or expires. If Franchisee fails to comply with any of the de-identification provisions in this Section 16.1, Franchisee agrees to: (i) pay Hyatt a royalty fee of Five Thousand Dollars (\$5,000) per day until de-identification is completed to Hyatt's satisfaction; and (ii) permit Hyatt's representatives to enter the Hotel to complete the de-identification process at Franchisee's expense.

16.2 **Pay Amounts Owed.** Unless otherwise provided in this Agreement, within five (5) days after the termination or expiration of this Agreement, Franchisee must pay all amounts owed to Hyatt and its Affiliates under this Agreement or any other agreement.

16.3 **Contacting Customers.** Upon this Agreement's termination or expiration for any reason, Hyatt has the right to contact those individuals or entities who have reserved rooms with Franchisee through the CRS, and any other Hotel customers, and inform them that Franchisee's lodging facility no longer is part of the Brand Hotel network. Hyatt also has the right to inform those individuals, entities and customers of other Brand Hotels and Hyatt Network Hotels that are proximately located to Franchisee's lodging facility in case they prefer to change their reservations so that they can stay at a Hyatt Network Hotel. Hyatt's exercise of these rights will not constitute an interference with Franchisee's contractual or business relationships. Franchisee acknowledges that the individuals and entities that made reservations with Franchisee's lodging facility when it was a Brand Hotel under this Agreement constitute Hyatt's customers.

16.4 **Survival.** The following provisions of this Agreement shall survive termination or expiration of this Agreement regardless of the circumstances: Sections 6.5, 6.7, 7.4, 8.1, 8.3, 8.4, 11.1, 11.5, 11.6, 11.7 and 15.4 and ARTICLE IX, ARTICLE XIV, ARTICLE XVI, ARTICLE XVII and ARTICLE XVIII. Additionally, all of Hyatt's and Franchisee's obligations that by their terms or by implication are to be performed after the termination or expiration of the Term shall survive such termination or expiration.

16.5 **Liquidated Damages.** Franchisee acknowledges and confirms that Hyatt will suffer substantial damages as a result of the termination of this Agreement before the Term expires, including Brand Damages. Hyatt and Franchisee acknowledge that Brand Damages are difficult to estimate accurately and proof of Brand Damages would be burdensome and costly, although such damages are real and meaningful to Hyatt. Therefore, upon termination of this Agreement before the Term expires for any reason (subject to ARTICLE X), Franchisee agrees to pay Hyatt, within fifteen (15) days after the date of such termination, liquidated damages in a lump sum equal to the amount set forth in Exhibit B-1.

Notwithstanding the foregoing, if this Agreement is terminated because of a Consequential Termination, then the liquidated damages are one hundred fifty percent (150%) of the amount calculated in the preceding paragraph.

Franchisee agrees that the liquidated damages calculated under this Section 16.5 represent the best estimate of Hyatt's Brand Damages arising from any termination of this Agreement before the Term expires. Franchisee's payment of the liquidated damages to Hyatt will not be considered a penalty but, rather, a reasonable estimate of fair compensation to Hyatt for the Brand Damages Hyatt will incur because this Agreement did not continue for the Term's full length. Franchisee acknowledges that Franchisee's payment of liquidated damages is full compensation to Hyatt only for the Brand Damages resulting from the early termination of this Agreement and is in addition to, and not in lieu of, Franchisee's obligations to pay other amounts due to Hyatt under this Agreement as of the date of termination and to comply strictly with the de-identification procedures of Section 16.1 and Franchisee's other post-termination obligations. If any valid law or regulation governing this Agreement limits Franchisee's obligation to pay, and/or Hyatt's right to receive, the liquidated damages for which Franchisee is obligated under this Section 16.5, then

Franchisee shall be liable to Hyatt for any and all Brand Damages Hyatt incurs, now or in the future, as a result of Franchisee's breach of this Agreement.

16.6 **System Services.** Beginning on the date that this Agreement terminates or expires, Hyatt and its Affiliates shall stop providing System Services to the Hotel.

ARTICLE XVII

ARTICLE XVIII

GENERAL

18.1 **The Exercise of Hyatt's Judgment.** Hyatt has the right from time to time to develop, operate, and change the Hotel System and System Standards in any manner not specifically prohibited by this Agreement. Whenever Hyatt has reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant Franchisee the right to take or omit an action, Hyatt may, except as otherwise specifically provided in this Agreement, make its decision or exercise its rights based on information readily available to it and its judgment of what is in the best interests of Hyatt and its Affiliates, the Brand Hotel network generally, or the Hotel System at the time its decision is made, without regard to whether Hyatt could have made other reasonable or even arguably preferable alternative decisions or whether its decision promotes Hyatt's (or its Affiliates') financial or other individual interest. Except where this Agreement expressly obligates Hyatt reasonably to approve or not unreasonably to withhold its approval of any of Franchisee's actions or requests, Hyatt has the absolute right to refuse any request Franchisee makes or to withhold its approval of any of Franchisee's proposed, initiated, or

completed actions that require its approval. However, Hyatt may withhold its consent, whenever and wherever otherwise required, if Franchisee is in default under this Agreement.

18.2 Severability and Interpretation. Except as expressly provided to the contrary in this Agreement (including in Section 14.1), each section, subsection, paragraph, term, and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of Hyatt's refusal to offer Franchisee the Successor Franchise Right, or some other action that this Agreement does not require, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and Hyatt may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. Franchisee agrees to be bound by any promise or covenant imposing the maximum duty the law permits that is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

18.3 Waiver of Obligations and Force Majeure. Hyatt and Franchisee may unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement only by a signed written instrument, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver granted will be without prejudice to any other rights Hyatt or Franchisee have, will be subject to continuing review, and may be revoked at any time and for any reason effective upon delivery of ten (10) days' prior written notice.

Hyatt and Franchisee will not waive or impair any right, power, or option this Agreement reserves (including Hyatt's right to demand compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before the Term expires) because of any custom or practice that varies from this Agreement's terms; Hyatt's or Franchisee's failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including any System Standard; Hyatt's waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other Brand Hotels; the existence of franchise agreements for other Brand Hotels that contain provisions differing from those contained in this Agreement; or Hyatt's acceptance of any payments due from Franchisee after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to either party will be a waiver, compromise, settlement, or accord and satisfaction. The receiving party is authorized to remove any legend or endorsement, and it will have no effect.

Neither Hyatt nor Franchisee will be liable for loss or damage or be in breach of this Agreement, including Franchisee's obligations to develop and open the Hotel under ARTICLE II, if Hyatt's or Franchisee's failure to perform its obligations results from Force Majeure. Any delay resulting from Force Majeure will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that Force Majeure will not excuse payments of

amounts owed at the time of the occurrence or payment of Royalty Fees, System Services Charges or other payments due afterward.

18.4 **Binding Effect.** This Agreement is valid and enforceable only when signed by Franchisee and signed and accepted by Hyatt at its office in Chicago, Illinois, whether signed by original or electronic signature. This Agreement may be executed in one or more counterparts, which, when taken as a whole, shall constitute a single agreement.

18.5 **Entire Agreement and Construction.** This Agreement is binding upon Hyatt and Franchisee and their respective permitted assigns and successors in interest. Subject to Hyatt's right to modify the Hotel System, System Standards, System Services and System Services Charges (including the methods of allocating costs for System Services), from time to time, this Agreement may not be modified except by a written agreement signed by both Hyatt's and Franchisee's duly-authorized officers. The Preliminary Statement and Exhibits, the attached PIP (if applicable), any state-specific Rider to this Agreement signed by Hyatt and Franchisee at the same time as this Agreement, and the Franchise Application that Franchisee (or its Owner or Affiliate) submitted to Hyatt relating to the Hotel, are a part of this Agreement, which constitutes Hyatt's and Franchisee's entire agreement, and there are no other oral or written understandings or agreements between Hyatt and Franchisee, and no other oral or written representations by Hyatt, relating to the subject matter of this Agreement, the franchise relationship, or the Hotel (any understandings or agreements reached, or any representations made, before this Agreement are superseded by this Agreement). Franchisee may not rely on any alleged oral or written understandings, agreements, or representations not contained in this Agreement. Notwithstanding the foregoing, nothing in this Agreement or any related agreement shall disclaim or require Franchisee to waive reliance on any representation that Hyatt made in the most recent franchise disclosure document (including its exhibits and amendments) that Hyatt delivered to Franchisee or its representative.

Any policies that Hyatt adopts and implements from time to time to guide Hyatt in its decision-making are subject to change, are not a part of this Agreement, and are not binding on Hyatt. Except as expressly provided in this Agreement, nothing in this Agreement is intended or deemed to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

References in this Agreement to "Hyatt" with respect to all of Hyatt's rights and all of Franchisee's obligations to Hyatt under this Agreement include any of Hyatt's Affiliates, and its and their successors and assigns, with whom Franchisee deals. The headings in this Agreement are for convenience only and will not control or affect the meaning or construction of any provision. Time is of the essence in this Agreement, and all provisions of this Agreement shall be so interpreted.

18.6 **Cumulative Remedies.** Hyatt's and Franchisee's rights under this Agreement are cumulative, and their exercise or enforcement of any right or remedy under this Agreement will not preclude their exercise or enforcement of any other right or remedy that they are entitled by law to enforce.

ARTICLE XIX

ACKNOWLEDGEMENTS

19.1 **Franchisee Acknowledgements.** To induce Hyatt to sign this Agreement and grant Franchisee the rights under this Agreement, Franchisee represents, warrants and acknowledges that:

(a) Hyatt's approval of the Site is not a guarantee or warranty, express or implied, of the success or profitability of a Brand Hotel at that location;

(b) all statements Franchisee has made and all materials (including ownership information and descriptions of Franchisee's and/or its Affiliates' ownership structure(s)) it has given Hyatt in acquiring the rights under this Agreement are accurate and complete and that Franchisee has made no misrepresentations or material omissions in obtaining those rights;

(c) Franchisee is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation, and Franchisee's execution and delivery of this Agreement and performance of its obligations hereunder (i) have been duly authorized by all necessary company action, (ii) do not and will not violate or result in a breach or default under any applicable law or any agreement to which Franchisee is a party or by which it is bound, and (iii) do not require the consent of any third party that has not been obtained; and

(d) In accordance with an exemption available under the Federal Trade Commission's Trade Regulation Rule entitled "Disclosure Requirements and Prohibitions Concerning Franchising," 16 C.F.R. Section 436.8(a)(5)(ii), Franchisee, or its parent or any of its Affiliates, is an entity that has been in business for at least five (5) years and has a net worth of at least \$7,348,000.

19.2 **Franchisee Acknowledgements in Certain States.** The following representations, warranties and acknowledgements shall be made by and binding on Franchisee, unless this Agreement and/or the relationship between Hyatt and Franchisee is subject to state franchise registration and/or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin.

(a) Franchisee represents, warrants and acknowledges that it has independently investigated and evaluated the opportunity of investing in the hotel industry generally and specifically the Brand Hotel franchise opportunity, including the current and potential market conditions and competitive factors and risks, and recognizes that, like any other business, the nature of a Brand Hotel's business will evolve and change over time.

(b) Franchisee represents, warrants and acknowledges that, except as expressly set forth in the franchise disclosure document that Hyatt delivered to Franchisee or its representative, Franchisee has not received from Hyatt, and is not relying upon, and that

Hyatt expressly disclaims making, any representation, warranty or guaranty, express or implied, as to the actual or potential volume, sales, income or profits of the Hotel or any other Brand Hotel, and any information Franchisee has acquired from other Brand Hotel owners, including information regarding their sales, profits or cash flows, is not information obtained from Hyatt, and Hyatt makes no representation about that information's accuracy.

“**ADS**” means the online travel agencies and other alternative distribution systems that Hyatt may periodically authorize or require for Franchisee’s Hotel and other similarly situated Brand Hotels (subject to Reasonable Deviations).

“**Affiliate**” means, with respect to a party, any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling, such party. For purposes of this definition, “**control**” means the power to direct or cause the direction of management and policies.

“**Anti-Corruption Laws**” means any laws, rules or regulations relating to anti-corruption, anti-bribery, anti-money laundering, or similar prohibited conduct or otherwise relating to the maintenance of accurate books and records and internal controls.

“**AOP Term**” has the meaning set forth in Exhibit B-2.

“**Area of Protection**” has the meaning set forth in Exhibit B-2.

“**Average Monthly Revenues**” means:

(a) if the date of termination occurs after the Ramp Period, the average monthly Gross Rooms Revenue of the Hotel during the twelve (12) full calendar months immediately preceding the month of termination; or

(b) if the date of termination occurs after the Opening Date but before the end of the Ramp Period, the greater of (i) the average monthly Gross Rooms Revenue of the Hotel during the period from the Opening Date until the effective date of termination or (ii) the amount determined under part (c) below; or

(c) if the date of termination occurs before the Opening Date, the average monthly Gross Rooms Revenue per available guest room for all Brand Hotels in the United States (including those that Hyatt and its Affiliates own, manage, and franchise) during the twelve (12) full calendar months preceding the month of termination, multiplied by the number of guest rooms approved for the Hotel.

Notwithstanding the foregoing, if “Average Monthly Revenues” as determined pursuant to any part of (a) through (c) above has been materially and negatively impacted during the preceding twelve (12) full calendar month period by a disruption in Hotel operations resulting from Force Majeure, casualty, suspension of operations (whether or not consented to by Hyatt), renovation of the Hotel, or any other similar circumstances, “Average Monthly Revenue” shall be determined by reference to the most recent twelve (12) full calendar month period preceding termination during which the Hotel performance was not so impacted.

“**Brand**” has the meaning set forth in Exhibit B-1.

“**Brand Damages**” means lost Royalty Fees, lost System Services Charges, lost market penetration and goodwill, loss of Hotel System representation in the Hotel’s market area, confusion of national accounts and individual customers, disadvantage in competing for national accounts and other types of bookings for Brand Hotels, lost opportunity costs, and expenses that Hyatt will incur in developing or finding another franchisee to develop another Brand Hotel in the Hotel’s market area.

A “**Competing Brand**” is a hotel concept that has at least five (5) hotels operating under that concept’s trade name anywhere in the world and that, in Hyatt’s reasonable opinion, competes with Brand Hotels. For the avoidance of doubt, Franchisee shall not be deemed a Competing Brand Owner under this Agreement merely because Franchisee’s Affiliates operate (as franchisees and/or managers) hotels of multiple Competing Brands.

However, Confidential Information does not include information, knowledge, or know-how that Franchisee can demonstrate lawfully came to its attention before Hyatt or its Affiliate provided it to Franchisee or its Affiliate directly or indirectly; that, at the time Hyatt or its Affiliate disclosed it to Franchisee, already had lawfully become generally known in the hotel industry through publication or communication by others (without violating an obligation to Hyatt or its Affiliate); or that, after Hyatt or its Affiliate disclose it to Franchisee, lawfully becomes generally known in the hotel industry through publication or communication by others (without violating an obligation to Hyatt or its Affiliate). If Hyatt includes any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of the exclusions provided in the preceding sentence is satisfied.

BRAND HOTEL FRANCHISE AGREEMENT

DEVELOPMENT OR RENOVATION SCHEDULE & HOTEL ELEMENTS

[Include the following provisions only if Franchisee is not converting an existing hotel at the Site to a Brand Hotel.]

Franchisee shall design, build, equip, furnish and decorate the Hotel having the Hotel Elements. Construction must begin within twelve (12) months after the Effective Date. For purposes of this Agreement, construction of the Hotel is deemed to have begun when the vertical construction or adaptation of the Hotel portion of the building begins for mixed use projects or upon pouring concrete for the Hotel's foundation or finished slab for all other projects.

The "**Hotel Elements**" means:

- (i) ___ guest rooms [plus an additional ___ suites for a total of ___ keys];
- (ii) ___ restaurants and ___ bars;
- (iii) Approximately ___ square feet of meeting rooms and pre-function areas; along with banquet facilities
- (iv) [a ballroom]
- (v) a spa
- (vi) a fitness center
- (vii) [approximately ___ square feet of retail space;]
- (viii) a garage or other parking space for guests and some employees; and
- (ix) all millwork, installations and building systems necessary for the operation of the Hotel, including elevator, heating, ventilating, air conditioning, electrical (including lighting), plumbing (including sanitary), refrigerating, telephone and communications, safety and security, laundry storage and kitchen installations and systems, the FF&E, all public grounds, gardens and other landscaping features and facilities, and such other facilities and appurtenances, as are necessary or desirable for the operation of the Hotel under the Design and Construction Standards

[Include the following provisions only if Franchisee is converting an existing hotel at the Site to a Brand Hotel.]

Franchisee shall renovate the Hotel in accordance with, and within the time frames set forth in, the PIP attached as Exhibit D to this Agreement. If this Agreement anticipates Franchisee's conversion of an existing franchised or managed facility to a Brand Hotel, then before any Proprietary Marks (including signage) are installed or displayed at the Site, and before Franchisee opens a Pre-Opening Sales Office or the Hotel is authorized to open as a Brand Hotel, Franchisee must submit evidence reasonably satisfactory to Hyatt of the termination of Franchisee's previous franchise or management agreement in accordance with applicable legal requirements.

EXHIBIT C

BRAND HOTEL FRANCHISE AGREEMENT

RIGHT OF FIRST OFFER FOR STRATEGIC MARKETS

By signing this Exhibit C, Hyatt and Franchisee acknowledge that Hyatt's right of first offer reflected in this Exhibit C applies to this Agreement. If Hyatt and Franchisee do not sign this Exhibit C, then it does not apply to this Agreement. Hyatt has the unrestricted right to assign its right of first offer to an Affiliate or other third party, who then will have Hyatt's rights and obligations described in this Exhibit C.

If Franchisee (or any of its Owners) at any time during the Term determine to sell or transfer for consideration this Agreement, the Hotel or all or substantially all of its assets, or a Controlling Ownership Interest in Franchisee or its Controlling Owner (except to or among Franchisee's Owners as of the Effective Date, which is not subject to this Exhibit C), then Franchisee must first give Hyatt the opportunity to acquire those rights (the "**Offered Rights**") by delivering written notice to Hyatt. Franchisee's notice must contain a summary of the material terms and conditions of the proposed sale or transfer, including (without limitation) the proposed consideration and the terms of any financing Franchisee or its Affiliate will provide for the proposed purchase price (the "**Offer Terms**"). The Offer Terms must relate exclusively to the Offered Rights and not to any other assets or rights.

Hyatt will then have thirty (30) days after receiving the Offer Terms to notify Franchisee whether Hyatt elects to acquire the Offered Rights on the Offer Terms, provided that (1) Hyatt may substitute cash, a cash equivalent, or marketable securities for any form of payment proposed in the Offer Terms (such as ownership interests in an entity) and may elect to pay the net present value of any payments to be made over time; (2) Hyatt must be afforded the opportunity to conduct customary due diligence on the Offered Rights; and (3) Hyatt must receive, and Franchisee and its Owners agree to make, all customary representations, warranties, and indemnities in Hyatt's purchase, including representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; liabilities affecting the assets, contingent or otherwise; and indemnities for all actions, events, and conditions that existed or occurred in connection with the Hotel or Franchisee's business before the closing.

If Hyatt exercises the right of first offer, the closing will take place at a location and on a date that Hyatt chooses, within ninety (90) days after Hyatt delivers its notice of exercise to Franchisee or such longer period as may be contemplated by the Offer Terms. Hyatt and Franchisee will sign documents, including deeds, affidavits, transfers and assignments, and any other documents necessary or appropriate for the sale or transfer of the Offered Rights. Franchisee must satisfy all liens, mortgages, and/or encumbrances on the Hotel. Hyatt and Franchisee will share equally any closing costs.

If Hyatt notifies Franchisee in writing that Hyatt does not intend to exercise its right of first offer with respect to any Offer Terms, or fails to notify Franchisee of Hyatt's decision within the thirty (30)-day period described above, then Franchisee thereafter may offer the Offered Rights to

any third party on terms no more favorable to that party than the Offer Terms. However, Franchisee or its Owners may sell or transfer the Offered Rights only if Hyatt otherwise approves the transfer in accordance with, and Franchisee (and its Owners) and the transferee comply with the conditions in, ARTICLE XII of this Agreement. This means that, even if Hyatt does not exercise Hyatt's right of first offer, if the proposed transfer otherwise would not be allowed under ARTICLE XII, Franchisee (or its Owners) may not move forward with the transfer at all.

Later, Franchisee may determine to offer the Offered Rights on terms which are more favorable to the buyer than the Offer Terms, or Franchisee may determine to change the Offered Rights, then Franchisee must first offer those new terms to Hyatt according to the procedures described above. In addition, if Franchisee does not sell or transfer the Offered Rights in compliance with this Exhibit C and the conditions in ARTICLE XII within twelve (12) months after Hyatt first receives notice of the Offered Rights, then the rights under this Exhibit C shall once again apply with respect to those Offer Terms, and Franchisee may not sell or transfer for consideration the Offered Rights without first giving Hyatt the opportunity to acquire those rights according to this Exhibit C.

By signing below, Hyatt and Franchisee acknowledge and agree that the terms of this Exhibit C will apply to this Agreement.

_____ (“Franchisee”)

_____ (“Management Company”) has entered into a Management Agreement with Franchisee (as amended, the “Management Agreement”) under which Management Company will operate the Brand Hotel located at _____ (the “Hotel”) in accordance with the terms and conditions of the Franchise Agreement. However, under the Franchise Agreement, Management Company may not operate the Hotel without Hyatt’s consent, and Hyatt is unwilling to provide such consent unless Franchisee and Management Company agree to the terms of this Rider.

BRAND HOTEL FRANCHISE AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS (“**Guaranty**”) is given this ____ day of _____, 2025, by the undersigned party or parties (individually and collectively, “**Guarantor**”) in favor of _____, a _____ limited liability company (together with its successors and assigns, “**Hyatt**”).

WHEREAS, [_____] (“**Franchisee**”) owns the hotel to be known as the Brand Hotel located or to be located at the Site identified in the Franchise Agreement (defined below) (the “**Hotel**”);

WHEREAS, simultaneously herewith, Franchisee is entering into a Brand Hotel Franchise Agreement (as amended, modified or amended and restated from time to time, the “**Franchise Agreement**”) with Hyatt with respect to the Hotel;

WHEREAS, Guarantor is either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates, Guarantor will benefit significantly from Hyatt’s entering into the Franchise Agreement with Franchisee, and Hyatt will not enter into the Franchise Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty;

WHEREAS, as a condition to entering into the Franchise Agreement, Hyatt has required that Guarantor guarantee the payment and performance of the Guaranteed Obligations (as defined herein), subject to the terms of this Guaranty.

NOW, THEREFORE, as a material inducement to Hyatt entering into the Franchise Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor hereby does irrevocably and unconditionally warrant and represent unto and covenant as follows:

1. **Recitals; Defined Terms.** The recitals above are a part of this Guaranty, form a basis for this Guaranty, and shall be considered prima facie evidence of the facts and documents referred to therein. Defined terms used but not defined herein shall have the meanings ascribed to them in the Franchise Agreement.

2. **Guaranty.** Guarantor hereby irrevocably and unconditionally personally guarantees to Hyatt and its successors and assigns Franchisee’s punctual payment and performance of, and agrees to be personally bound by and personally liable for the breach of, each and every Guaranteed Obligation. Guarantor hereby irrevocably and unconditionally covenants and agrees that it is liable for the Guaranteed Obligations as a primary obligor.

3. **Guaranteed Obligations.** As used herein, the term "Guaranteed Obligations" means (i) Franchisee’s payment in full of all of Franchisee’s monetary obligations including but

not limited to Franchisee's payment of any liquidated damages that become due and payable pursuant to the Franchise Agreement as and when required pursuant to the Franchise Agreement, and (ii) Franchisee's performance of each and every provision in the Franchise Agreement (including any amendments or modifications of the Franchise Agreement), including, without limitation: (a) obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the confidentiality and transfer requirements and the prohibitions with respect to Competing Brand Owners; and (b) the arbitration requirements and other enforcement provisions in ARTICLE XIV and ARTICLE XVIII of the Franchise Agreement.

4. **Guarantor Monetary Threshold.** Guarantor represents and agrees that, at the time of signing this Guaranty and at all times during the term of the Franchise Agreement, at least one of the undersigned or another then current guarantor of Franchisee's obligations under the Franchise Agreement satisfies the Guarantor Monetary Threshold (defined below). The "**Guarantor Monetary Threshold**" means each of the following: (a) the amount of total assets less total liabilities (excluding Hotel assets and liabilities relating solely to the Hotel), each as calculated in accordance with U.S. generally accepted accounting principles, equal to or exceeding _____ Dollars (\$_____) as of the date hereof; and (b) liquid assets (consisting of cash, cash equivalents and marketable securities) equal to or exceeding _____ Dollars (\$_____) as of the date hereof. Each dollar amount in this Section 4 shall increase automatically each year, without notice from Hyatt, effective on the first day of the calendar month during which the Franchise Agreement's Effective Date falls, by an amount equal to the CPI Increase. The "**CPI Increase**" means the amount to be adjusted multiplied by a fraction, the numerator of which is the Consumer Price Index for all Urban Consumers for All Items, as published by the U.S. Department of Labor, Bureau of Labor Statistics (the "**Base Index**") as of the first day of the calendar month during which the increase is to take effect, and the denominator of which is the Base Index in effect on the Franchise Agreement's Effective Date or used for the most recent increase (whichever is later). If the Base Index is no longer published, Hyatt may designate another reasonably comparable index for calculating changes in the cost of living or purchasing power for consumers. Guarantor agrees to provide Hyatt on an annual basis financial statements or other documents that Hyatt reasonably specifies, certified by Guarantor in the manner that Hyatt specifies, demonstrating that at least one Guarantor satisfies the Guarantor Monetary Threshold. Upon reasonable advance notice, but no more than twice during any calendar year during the Franchise Agreement's term, Hyatt may examine the undersigned's business, bookkeeping, accounting and tax records to ascertain compliance with the Guarantor Monetary Threshold. In addition to and without limiting Hyatt's other rights and remedies under the Franchise Agreement, this Guaranty or applicable law, Guarantor acknowledges that Hyatt may terminate the Franchise Agreement (subject to the applicable notice and cure period in the Franchise Agreement) if at least one Guarantor or another guarantor of Franchisee's obligations under the Franchise Agreement does not satisfy the Guarantor Monetary Threshold at all times during the Franchise Agreement's term.

5. **Nature of Guaranty.** Guarantor consents and agrees that: (1) the representations, warranties, agreements, liabilities, and obligations of Guarantor set forth in this Guaranty shall apply to each of the undersigned parties in its individual capacity; (2) notwithstanding the foregoing, each of the undersigned's direct and immediate liability under this Guaranty will be

joint and several, both with Franchisee and among the other parties (if any) comprising Guarantor; (3) Guarantor will render any payment or performance required under the Franchise Agreement upon demand if Franchisee fails or refuses punctually to do so; (4) this liability will not be contingent or conditioned upon Hyatt's pursuit of any remedies against Franchisee or any other person or entity; (5) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence that Hyatt may from time to time grant to Franchisee or any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during and after the term of the Franchise Agreement (including extensions) for so long as any performance is or might be owed under the Franchise Agreement by Franchisee or any of its guarantors and for so long as Hyatt has any cause of action against Franchisee or any of its guarantors; and (6) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Franchise Agreement and despite the transfer of any direct or indirect interest in the Franchise Agreement or Franchisee, and Guarantor waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

6. **Waivers.**

(a) Guarantor hereby waives: (i) all rights to payments and claims for reimbursement or subrogation that Guarantor may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Hyatt; (ii) all rights to require Hyatt to proceed against Franchisee for any payment required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Hyatt; and (iv) acceptance and notice of acceptance by Hyatt of Guarantor's undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed (except as otherwise expressly provided herein or in the Franchise Agreement), and any other notices and legal or equitable defenses to which Guarantor may be entitled. Hyatt shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Hyatt. Without affecting the obligations of the undersigned under this Guaranty, Hyatt may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement

or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Franchise Agreement.

(b) In addition, Guarantor waives any defense arising by reason of any of the following: (i) any disability or any counterclaim or right of set-off or other defense of Franchisee, (ii) any lack of authority of Franchisee with respect to the Franchise Agreement, (iii) the cessation from any cause whatsoever of the liability of Franchisee, (iv) any circumstance whereby the Franchise Agreement shall be void or voidable as against Franchisee or any of Franchisee's creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (v) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Franchise Agreement, (vi) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (vii) any act or omission of Franchisee.

(c) Guarantor's obligations under this Guaranty shall not be released, diminished, impaired, reduced or adversely affected by any of the following and Guarantor waives any common law, equitable, statutory or other rights (including, without limitation, rights to notice, other than notices required in this Guaranty) which Guarantor might otherwise have as a result of or in connection with any of the following:

(i) any increase, modification, alteration or rearrangement of all or any part of the Guaranteed Obligations, the Franchise Agreement or any other document, instrument, contract or understanding between Franchisee and Hyatt or any other parties pertaining to the Guaranteed Obligations, or any failure of Hyatt to notify Guarantor of any such action.

(ii) any adjustment, indulgence, forbearance or compromise that might be granted or given by Hyatt to Franchisee or Guarantor.

(iii) the insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of Franchisee, Guarantor or any other party at any time liable for the payment or performance of all or part of the Guaranteed Obligations; or any dissolution of Franchisee or Guarantor, or any sale, lease or transfer of any or all of the assets of Franchisee or Guarantor, or any changes in the direct or indirect owners of Franchisee or Guarantor; or any reorganization of Franchisee or Guarantor.

7. **Representations**. Guarantor represents and warrants to Hyatt that (a) if it is a business entity, it is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation, and its execution and delivery of this Guaranty have been duly authorized by all necessary company action; and (b) the undersigned's execution and delivery of, and performance under, this Guaranty do not and will not violate or result in a breach or default

under any applicable law or any agreement to which the undersigned is a party or by which it is bound, and does not require the consent of any third party that has not been obtained.

8. **Expenses.** If Hyatt is required to enforce this Guaranty in a judicial or arbitration proceeding and prevails in such proceeding, Guarantor shall reimburse Hyatt for Hyatt's costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Hyatt is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse Hyatt for any of the above-listed costs and expenses Hyatt incurs even if Hyatt does not commence a judicial or arbitration proceeding.

9. **Effect of Bankruptcy.** In the event that, pursuant to any insolvency, bankruptcy, reorganization, receivership or other debtor relief law, or any judgment, order or decision thereunder, Hyatt must rescind or restore any payment, or any part thereof, received by Hyatt in satisfaction of the Guaranteed Obligations, as set forth herein, any prior release or discharge from the terms of this Guaranty given to Guarantor by Hyatt shall be without effect, and this Guaranty and the Guaranteed Obligations shall remain in full force and effect. It is the intention of Franchisee and Guarantor that Guarantor's obligations hereunder shall not be discharged except by Guarantor's performance of such obligations and then only to the extent of such performance.

10. **Notices.** All notices, consents, approvals and requests required or permitted hereunder shall be given in writing and shall be effective for all purposes (a) at the time delivered by hand; (b) at the time delivered via computer transmission if the sender has confirmation of a successful transmission; (c) one (1) business day after transmission by facsimile or other electronic system if the sender has confirmation of successful transmission; (d) one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or (e) three (3) business days after placement in the United States Mail by Certified Mail, Return Receipt Requested, postage prepaid, addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto):

11. **Amendments.** This Guaranty may be amended only by an instrument in writing executed by the party or an authorized representative of the party against whom such amendment is sought to be enforced.

12. **Parties Bound; Assignment.** This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, heirs and legal representatives; provided, however, that Guarantor shall not, without the prior written consent of Hyatt, assign any of its rights, powers, duties or obligations hereunder.

EXHIBIT D
DEVELOPMENT RIGHTS AGREEMENT

**HYATT STUDIOS HOTEL
DEVELOPMENT RIGHTS AGREEMENT**

THIS DEVELOPMENT RIGHTS AGREEMENT (the “**Agreement**”) is made and entered into as of this _____ day of _____, 2025 (the “**Agreement Date**”) by and between **HYATT FRANCHISING, L.L.C.**, a Delaware limited liability company with its principal business address at 150 North Riverside Plaza, Chicago, Illinois 60606 (“**Hyatt**”) and _____, whose principal business address is _____ (“**Developer**”).

1. **Background.** Hyatt and Developer (or its Controlled Affiliate, as defined below) are signing or have signed a Franchise Agreement dated as of _____, 202__ (the “**Existing Agreement**”) under which Developer (or its Controlled Affiliate) operates or will operate a Hyatt Studios Hotel in or at _____ (the “**First Developer Hotel**”). All capitalized terms used but not defined in this Agreement shall have the meanings in the Existing Agreement. Hyatt and Developer are signing this Agreement to provide Developer the right and obligation to develop a number of Hyatt Studios Hotels within a certain geographic area over a certain period of time. Hyatt is willing to grant Developer these development rights if Developer complies with the terms of this Agreement.

2. **Grant of Development Rights.** Subject to Developer’s (and its affiliates’) compliance with this Agreement, the Existing Agreement, and all other franchise and other agreements between Hyatt (or its affiliate) and Developer (or its affiliate) (collectively, the “**Related Agreements**”), Hyatt hereby grants Developer and/or any of Developer’s approved Controlled Affiliates the right, and Developer assumes the obligation, to sign Franchise Agreements (defined in Section 8) to develop and operate the number of Hyatt Studios Hotels identified on Exhibit A (including the First Developer Hotel, collectively, the “**Developer Hotels**”) according to a development schedule identified on Exhibit A (the “**Development Schedule**”), and within a geographic area identified on Exhibit B (the “**Development Area**”). “**Controlled Affiliate**” means any corporation, limited liability company or other business entity of which Developer both (a) owns more than fifty percent (50%) of the total ownership interests; and (b) have the authority under the entity’s governing documents to authorize a merger, liquidation, dissolution or transfer of substantially all of the assets of the entity and otherwise to direct and control the entity’s management and policies.

3. **Rights in Development Area.**

(a) Subject to the one exception below, neither Hyatt nor any of its Affiliates will open and operate during the Development Term (defined below), nor authorize any other party to open and operate during the Development Term, any other Hyatt Studios Hotels the physical premises of which are located within the Development Area. The one exception to this restriction is that, during the Development Term, if Hyatt or any Affiliate acquires ownership of or the right to operate or manage (regardless of the form of transaction) another group of at least four (4) hotels, one (1) or more of which hotels are located or are under contract or construction to be located in the Development Area, then Hyatt and/or its Affiliates will have the unrestricted right to convert, or cause to be

converted, the acquired hotel(s) within the Development Area from its (or their) original trade identity to operate under the Proprietary Marks and the Hotel System, and thereafter to operate or authorize any other party to operate such hotel(s) as Hyatt Studios Hotels, even if one (1) or more of the other acquired hotels, whether operating within or outside the Development Area, are not converted to Hyatt Studios Hotels.

(b) Except for the limited exclusivity provided in Section 3(a), Developer's rights under this Agreement are nonexclusive in all respects, Developer has no territorial protection whatsoever, and Hyatt and its Affiliates have the right without restriction to engage in any and all activities Hyatt and they desire (including with respect to any and all types of lodging facilities), at any time and place, whether or not using the Proprietary Marks or any aspect of the Hotel System, and whether or not those activities compete with the existing or planned Developer Hotels. Without limiting the foregoing, Developer acknowledges that Hyatt and its Affiliates currently operate other franchised and non-franchised systems for lodging facilities and other accommodations and hospitality affiliations that use different brand names, trademarks, and service marks, including those with the "Hyatt" name as part of their brand name, some of which might operate and have facilities in the Development Area during the Development Term, that will compete directly with existing or planned Developer Hotels. Hyatt and its Affiliates may use or benefit from, among other things, common computer systems, administrative systems, reservation systems, purchasing systems and personnel, and may provide some or all System Services to other Hyatt Network Hotels and other hotels, lodging facilities and other businesses, even if they compete with the existing or planned Developer Hotels. Developer will have no right to pursue any claims, demands, or damages as a result of these activities, whether under breach of contract, unfair competition, implied covenant of good faith and fair dealing, divided loyalty, or other theories.

(c) Upon expiration or termination of this Agreement, Hyatt (and its Affiliates) may operate, and authorize any other parties to operate, Hyatt Studios Hotels the physical premises of which are located within the Development Area and engage, and allow others to engage, in any other activities Hyatt desires within and outside the Development Area without any restrictions whatsoever, subject only to Developer's (or its Controlled Affiliate's) rights under then existing franchise agreements with Hyatt.

4. **Development Fee.** Simultaneously with signing this Agreement, Developer must pay Hyatt a "**Development Fee**" of One Hundred Thousand Dollars (\$100,000). The Development Fee is fully earned by Hyatt when Hyatt and Developer sign this Agreement and is non-refundable, even if Developer does not comply with the Development Schedule. However, Hyatt will apply the Development Fee towards the first two (2) Application Fees (defined below) that Developer owes pursuant to this Agreement pursuant to Section 6.

5. **Development Obligations.** To maintain its rights under this Agreement, Developer (and/or approved Controlled Affiliates) must, for each Developer Hotel, both (a) sign a Franchise Agreement on or before the applicable date set forth on the Development Schedule (the "**FA Signing Deadline**"), and (b) open and begin operating the Developer Hotel in accordance with the applicable Franchise Agreement on or before the applicable date set forth on the Development

Schedule (the “**Hotel Opening Deadline**”). Time is of the essence under this Agreement. If Developer requests, and Hyatt grants, an extension of the opening deadline pursuant to the applicable Franchise Agreement for any Developer Hotel, then the corresponding Hotel Opening Deadline for that Developer Hotel under this Agreement shall be extended for the same period.

6. **Franchise Application and Project Review.** Developer must complete and deliver to Hyatt for each proposed Developer Hotel project Hyatt’s then current form of franchise application, including materials and information for the proposed site and project and relating to Developer’s (or its Controlled Affiliate’s) financial and operational ability to develop and operate the proposed Developer Hotel (collectively, the “**Application**”). Together with each Franchise Application, Developer shall pay Hyatt a franchise application fee equal to Fifty Thousand Dollars (\$50,000), plus an additional Five Hundred Dollars (\$500) per room for each room in the proposed Developer Hotel in excess of One Hundred Twenty-Five (125) (the “**Application Fee**”). Each proposed project, which must meet Hyatt’s then current site selection criteria for Hyatt Studios Hotels, must be available for acquisition and development in time for Developer (or its Controlled Affiliate) to develop and open a Developer Hotel at that site on or before the applicable Hotel Opening Deadline. If Developer withdraws any Application before Hyatt approves it, or if Hyatt does not approve any Application for any reason, Hyatt will refund the Application Fee less a Seven Thousand Five Hundred Dollar (\$7,500) fee to cover Hyatt’s costs associated with evaluating that Application; however, after Hyatt approves an Application, the Application Fee is not refundable, even if Hyatt and Developer (or its Controlled Affiliate) do not sign a Franchise Agreement for that project.

Hyatt will apply Fifty Thousand Dollars (\$50,000) of the Development Fee towards the Application Fees for each of the first two (2) Applications that Developer submits under this Agreement. If Developer withdraws either of these Applications before Hyatt approves it, or if Hyatt does not approve either of these Applications for any reason, then Hyatt will apply the remainder of that portion of the Development Fee (after deducting the Seven Thousand Five Hundred Dollar (\$7,500) fee described above) towards the next Application Fee that Developer owes pursuant to this Agreement.

Developer acknowledges and agrees that Hyatt’s acceptance or approval of, or failure to object to, the site for each Developer Hotel does not constitute an assurance, representation or warranty by Hyatt of any kind, express or implied, as to the suitability (commercially or otherwise) of the site for the Developer Hotel or for any other purpose. Hyatt shall not be responsible for the failure of any site approved by Hyatt to meet expectations as to revenue, income or operational criteria. Developer further acknowledges and agrees that approval of the site for any Developer Hotel is based on Developer’s own independent investigation of the suitability of the site.

If Hyatt has not accepted Developer’s (or its Controlled Affiliate’s) proposed site for its First Developer Hotel as of the Agreement Date, then the provisions of this Section 6 shall govern Hyatt’s and Developer’s (or its Controlled Affiliate’s) rights and obligations with respect to selection and acceptance of that site.

7. **Grant of Franchises.** If Hyatt approves an Application for a Developer Hotel (other than the first Developer Hotel if that is covered by the Existing Agreement), then Developer or its approved Controlled Affiliate must sign a separate Franchise Agreement and related

documents for that Developer Hotel. Developer (or its Controlled Affiliate) may not sign a Franchise Agreement until after Hyatt has approved the Application for that Developer Hotel, but Developer (or its Controlled Affiliate) must sign a Franchise Agreement before beginning construction of a Developer Hotel at a site. If Developer or its Controlled Affiliate do not sign a separate Franchise Agreement for that Developer Hotel on or before applicable FA Signing Deadline, or do not open and begin operating the Developer Hotel under that Franchise Agreement on or before applicable Hotel Opening Deadline, then Hyatt may terminate this Agreement according to Section 11. Except as set forth in Section 6 with respect to the First Developer Hotel and for the obligation to open the Developer Hotels on or before the Hotel Opening Deadlines, after Developer (or its Controlled Affiliate) signs the Franchise Agreement and related documents, their terms and conditions will control the development and operation of the Developer Hotel.

8. **Form of Franchise Agreement.** The franchise agreement and related documents that Developer (or its Controlled Affiliate) signs for each Developer Hotel (other than the First Developer Hotel if that is covered by the Existing Agreement) will be the form of franchise agreement and any ancillary agreements that Hyatt then customarily uses in granting franchises for Hyatt Studios Hotels (collectively, the “**Franchise Agreement**”), any or all of the terms of which may differ substantially from the terms contained in the Existing Agreement, except that, for each Franchise Agreement other than the Existing Agreement: (a) the initial term will be twenty (20) years; (b) Hyatt will not charge an initial franchise fee (other than the Application Fee); (c) the royalty fee will be five percent (5%) of the Hyatt Studios Hotel’s gross rooms revenue (as defined in the applicable Franchise Agreement); and (d) Developer (or its Controlled Affiliate) will be required to deposit four percent (4%) of the Hyatt Studios Hotel’s gross rooms revenue (as defined in the applicable Franchise Agreement) into a separate account that it controls for the purpose of making approved capital expenditures and complying with its upgrade and other capital expenditure obligations under the Franchise Agreement. To retain Developer’s rights under this Agreement, each Developer Hotel must operate continuously throughout the term of this Agreement.

9. **No Sublicensing Rights or Rights to Use Proprietary Marks.** This Agreement does not grant Developer any right to license others to operate Hyatt Studios Hotels. Only Developer (and its approved Controlled Affiliates) may develop Hyatt Studios Hotels pursuant to this Agreement and only under Franchise Agreements with Hyatt. This Agreement does not grant Developer any right to use, or authorize others to use, the Proprietary Marks in any manner. Developer’s right to use the Proprietary Marks arises only under Franchise Agreements with Hyatt. Hyatt’s affiliate owns all rights to the Proprietary Marks, and Developer’s unauthorized use of the Proprietary Marks is an infringement of Hyatt’s and its affiliate’s rights and a breach of this Agreement.

10. **Term and Termination.** The term of this Agreement begins on the Agreement Date and ends on the date when the final Franchise Agreement under the Development Schedule has been signed or this Agreement otherwise is terminated under Section 11, whichever occurs first (the “**Development Term**”).

11. **Termination.** Without limiting Hyatt's termination and other rights under any other Related Agreement or applicable law, Hyatt may terminate this Agreement, effective upon delivery of written notice of termination to Developer, if:

(a) Developer or any of its direct or indirect owners or representatives has made or makes any material misrepresentation or omission in acquiring the rights under this Agreement or operating the business under this Agreement, including, without limitation, in any Application;

(b) Developer or any of its direct or indirect owners is, or is discovered to have been, convicted of a felony or enters or is discovered to have entered a plea of no contest to a felony, unless (i) the owner is a Limited Interest Owner; and (ii) such owner divests all of such owner's direct and indirect ownership interests in Developer within sixty (60) days after the date of the conviction or plea;

(c) Developer or any of its direct or indirect owners commits (or is discovered to have committed) any action or any other offense likely in Hyatt's reasonable opinion to reflect materially adversely upon Hyatt, its Affiliates, the Hotel System, or the Proprietary Marks, unless (i) the owner is a Limited Interest Owner; and (ii) such owner divests all of such owner's direct and indirect ownership interests in Developer within sixty (60) days after notice from Hyatt;

(d) Developer's or any of its direct or indirect owners' (other than a Public Owner's) assets, property, or interests are blocked under any Trade Restriction Law, or Developer or any of its direct or indirect owners (other than a Public Owner) otherwise violate any Trade Restriction Law;

(e) Developer breaches any provision of this Agreement, including, without limitation, any failure to comply with the Development Schedule; or

(f) Developer or any of its Controlled Affiliates breaches or is in default under, or Hyatt (or its affiliate) terminates for any reason, any other Related Agreement.

If this Agreement terminates before the last Franchise Agreement under the Development Schedule is signed, then Hyatt and Developer agree that Developer shall not be responsible for any liquidated damages or other damages for lost future royalties and other fees that would have been payable under any Franchise Agreements that are unsigned as of the effective date of this Agreement's termination.

12. **Termination of Other Rights.** In addition to and without limiting Hyatt's other rights and remedies under this Agreement, any other Related Agreement and applicable law, upon the occurrence of any of the events that give rise to Hyatt's right to terminate this Agreement under Section 11, Hyatt may, at its sole option and upon delivery of written notice to Developer, elect to take any or all of the following actions without terminating this Agreement:

(a) terminate Developer's rights and the restrictions on Hyatt and its affiliates under Section 3(a) of this Agreement in all or any parts of the Development Area that Hyatt

specifies, in which case Hyatt (and its affiliates) may operate, and authorize any other parties to operate, Hyatt Studios Hotels the physical premises of which are located within the Development Area (or those parts of the Development Area) and engage, and allow others to engage, in any other activities Hyatt desires within the Development Area (or those parts of the Development Area) without any restrictions whatsoever, subject only to Developer's (or its Controlled Affiliate's) rights under then existing franchise agreements with Hyatt;

(b) temporarily suspend or permanently terminate Developer's right to develop new Hyatt Studios Hotels in any geographic area that is part of the Development Area, in which event (i) Developer's rights and the restrictions on Hyatt and its affiliates under Section 3(a) of this Agreement shall no longer apply in that geographic area, and (ii) Hyatt (and its affiliates) may operate, and authorize any other parties to operate, Hyatt Studios Hotels the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities Hyatt desires within that geographic area without any restrictions whatsoever, subject only to Developer's (or its Controlled Affiliate's) rights under then existing franchise agreements with Hyatt; and/or

(c) reduce the number of remaining Developer Hotels to be developed under the Development Schedule, in which event Developer shall comply with the reduced Development Schedule that Hyatt provides in its written notice. For the avoidance of doubt, upon Hyatt's exercise of its rights under this Section 12(b), Hyatt is not required to refund any portion of the Development Fee paid with respect to the Developer Hotels that Developer is no longer permitted or required to develop.

Hyatt's exercise of its rights under this Section 12 will not be a defense for Developer to Hyatt's enforcement of any other provision of this Agreement or any other Related Agreement or, except as provided in Section 12(c), waive or release Developer from any of its other obligations under this Agreement or any Related Agreement. Hyatt's exercise of these rights will not be Hyatt's sole or exclusive remedy for Developer's default.

13. **Transfer by Hyatt.** Developer represents that it has not signed this Agreement in reliance on any particular direct or indirect owner, officer or employee remaining with Hyatt in that capacity. Hyatt may change its ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After Hyatt's assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, Hyatt no longer will have any performance or other obligations under this Agreement. Such an assignment shall constitute a release of Hyatt and a novation with respect to this Agreement, and the assignee shall be liable to Developer as if it had been an original party to this Agreement.

14. **Transfer by Developer.** Developer acknowledges that Hyatt is granting Developer the rights under this Agreement because of Hyatt's perceptions of the character, skill, aptitude, business ability and financial capacity of Developer and its direct and indirect owners. Therefore, Developer agrees that neither Developer nor its direct or indirect controlling owners may transfer (as defined in the Existing Agreement) this Agreement or a Controlling Ownership Interest in Developer (whether directly or indirectly) without Hyatt's prior written approval, which Hyatt may grant or withhold for any or no reason.

15. **Incorporation of Other Terms.** Sections 8.3 and 8.5 of the Existing Agreement, entitled Franchisee's Indemnification and Defense of Hyatt and Survival and Mitigation, respectively, and Articles XIV, XVII and XVIII of the Existing Agreement, entitled DISPUTE RESOLUTION, NOTICES and GENERAL, respectively, including (without limitation) the provisions relating to arbitration of disputes and the force majeure provision of Section 18.3 of the Existing Agreement, are incorporated by reference in this Agreement and will govern all aspects of Hyatt's and Developer's relationship and the construction of this Agreement as if fully restated within the text of this Agreement. Developer agrees to comply with the provisions of Sections 8.3 and 8.5 and Articles XIV, XVII and XVIII of the Existing Agreement applicable to Franchisee. This Agreement, together with the Existing Agreement, supersedes all prior agreements and understandings, whether oral and written, between the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements between the parties relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require Developer to waive reliance on any representation that Hyatt made in the most recent disclosure document (including its exhibits and amendments) that Hyatt delivered to Developer or its representative. This Agreement may be signed by written or electronic signature and in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.

16. **No Waiver or Disclaimer of Reliance in Certain States.** The following provision applies only to franchisees and franchises that are subject to state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Hyatt, any franchise seller, or any other person acting on behalf of Hyatt. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties have signed this Agreement as of the dates set forth by their signatures, to be effective as of the Agreement Date (regardless of the dates of the parties' signatures).

CONFIDENTIALITY AGREEMENT

This CONFIDENTIALITY AGREEMENT (this “Agreement”) is made as of this _____ day of _____, _____, by and between _____, a[n] _____, whose address is _____ (“Company”) and HYATT FRANCHISING, L.L.C., a Delaware limited liability company, whose address is 150 North Riverside Plaza, Chicago, Illinois 60606 (“Hyatt”). Hyatt and/or Company may each also be referred to herein as a “party” or collectively as the “parties” and a party which is disclosing Confidential Information may be referred to herein as the “disclosing party” and the party which is receiving Confidential Information may be referred to herein as the “receiving party.”

RECITALS

A. Company and Hyatt are discussing mutual business opportunities relating to the possible transaction (the “Transaction”) with respect to the property commonly known as _____ (the “Property”) and the hotel business conducted thereon (the “Business”) and Company and Hyatt desire to share certain Confidential Information (as defined herein) with each other, subject to the terms contained herein.

B. Hyatt and Company wish to enter into this Agreement to confirm that the Confidential Information will be treated as confidential in accordance with the terms of this Agreement, and to provide the parties hereto with certain rights and remedies in connection with the violation of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Confidential Information. “Confidential Information” shall mean the information provided by either party to the other with respect to the Property and Business including, but not limited to, the following: (a) management and operational information, forecasts, and projections; (b) financing information; (c) proprietary know-how, data, documents, designs, photographs, plans, graphs, drawings, specifications, pro forma models, reports, contracts, customer lists, pricing information, studies, findings, and other ideas; (d) entity information relating to the disclosing party including, without limitation, any joint venture agreement, limited liability company agreement or similar arrangements; (e) documents relating to real property interests including, but not limited to, environmental reports and audits; (f) information that should be treated as confidential under the circumstances surrounding its disclosure, including without limitation, proprietary information of Hyatt; (g) any information of Hyatt clearly identified as a “Hyatt Trade Secret”; and (h) any discussion between Hyatt and the Company with respect to any of the foregoing, the Property, the Business, the possible business relationship, and this Agreement in general, including without limitation, the fact that any such discussions are taking place or any business relationship is being discussed, and the content and terms thereof.

2. Exclusions. The term Confidential Information does not include information which (A) was or becomes generally available to the public other than as a result, directly or indirectly, of any disclosure by the receiving party hereunder, or (B) was or becomes available to the receiving party on a non-confidential basis from a source other than the disclosing party or its employees, agent or representatives, provided that such source is not, to the receiving party’s knowledge, bound by a confidentiality agreement or otherwise prohibited from transmitting the information to the receiving party by contractual, legal or fiduciary obligations, (C) was within the possession of the receiving party prior to its being furnished to the receiving party by the disclosing party, or (D) information which is incorporated into analyses, studies or internal reports, provided, however, such information, studies, analyses or reports shall be kept confidential in accordance with the receiving party’s policies and procedures it uses to protect and safeguard its own client confidential information.

3. Covenants Regarding Confidential Information. The receiving party shall hold all Confidential Information received in confidence and take all necessary steps to keep the Confidential Information confidential with its then current protocols in order to maintain the confidential nature of the Confidential Information in accordance with the terms hereof. The receiving party may only use Confidential Information for evaluation purposes with respect to the Property and the Business in relationship to the Transaction and may not disclose the Confidential Information to any third party other than to its affiliates, related companies, partners, employees, directors, officers, legal counsel, accountants, prospective lenders, consultants, advisors, principals, and existing investors (collectively, the “Representatives”) who have a need to know Confidential Information, provided that the party which shares the Confidential Information with its Representatives shall inform all such Representatives to maintain the confidentiality of the Confidential Information. Receiving party shall be liable for a breach of this Agreement by its Representatives; provided, however, the receiving party shall not be responsible for any breach of this Agreement by a Representative that has executed a separate confidentiality agreement with the disclosing party with respect to the Transaction.

4. Ownership of Confidential Information. All Confidential Information disclosed by a disclosing party, directly or indirectly, shall remain the exclusive property of such party. Further, the disclosing party does not grant any license or rights to any Confidential Information, trademark, trade name or trade secret to the other party.

5. No Representation or Warranty. The disclosing party does not (a) make any guarantee, warranty or representation whatsoever, expressed or implied, as to the accuracy or completeness of the Confidential Information, and (b) have any liability whatsoever to the receiving party relating to or resulting from the use of the Confidential Information or any errors therein or omissions therefrom. The receiving party agrees that it is not entitled to rely on the accuracy or completeness of any Confidential Information.

6. Destruction of Confidential Information by Company. Each of the parties shall immediately destroy all Confidential Information and all copies or summaries of Confidential Information at the earlier of (a) the termination of discussions between Company and Hyatt regarding the Project or (b) on the written request of the disclosing party. Notwithstanding the foregoing, receiving party and its Representatives may retain one copy of Confidential Information as may be required by (i) law, regulation or legal process, (ii) internal compliance or document retention policies, or (iii) with respect to digital media, such return or destruction is not practically feasible. Any Confidential Information so retained shall kept confidential in accordance with such party’s policies and procedures it uses to protect and safeguard its own client confidential information. The receiving party shall also provide to the disclosing party a certification executed by a duly authorized officer who has supervised compliance with the foregoing indicating that the requirements of this provision have been satisfied in full.

7. Term. Except as otherwise set forth herein, the obligations set forth in this Agreement shall terminate upon the execution of definitive agreements between the parties with respect to the Transaction or two (2) years from the date of this Agreement, whichever occurs first; *provided, however*, that notwithstanding the termination of this Agreement, the confidentiality obligations of the Company with respect to a Hyatt Trade Secret shall continue until the later of (i) five (5) years from the date of this Agreement, and (ii) until such time that Hyatt has provided notice that the Hyatt Trade Secret is no longer deemed by Hyatt to be a trade secret.

8. Indemnity. Company acknowledges and agrees that it presented the Property and Business to Hyatt and initiated all discussions with Hyatt surrounding the Property and Business. Company agrees to indemnify, defend and hold harmless Hyatt for, from and against any and all Claims. For purposes of this Agreement, “Claims” shall mean any and all claims, demands, actions, penalties, suits and liabilities, in connection with, arising from, or for any reason related to (i) negotiations relating to the Property or Business in violation of any existing management or similar agreement relating to the branding, operation or use of the Property (the “Existing Agreements”) and/or (ii) the termination of the Existing Agreements, as a result of any such negotiations.]

9. Remedies and Waiver. The parties hereby acknowledge the importance of complying with the provisions of this Agreement. Therefore, the parties agree that money damages, which the parties agree would be substantial, would not be a sufficient remedy for any breach of this Agreement, and a party shall be entitled, in addition to money damages, to specific performance and injunctive relief and any other appropriate equitable remedies for any such breach. The party at fault agrees not to oppose the granting of equitable relief on grounds that damages are sufficient, and agrees not to require that the other party prove that damages are insufficient in order to obtain equitable relief or the posting of a bond. The party at fault agrees to waive, and to cause its Representatives to waive, any requirement for the securing or posting of any bond in connection with such remedy. Such remedies shall not be deemed to be the exclusive remedies for a breach of this Agreement, but shall be in addition to all other remedies available at law or in equity to a party. **THE PARTIES WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY SUCH DISPUTE.** The prevailing party in any dispute regarding the enforcement of this Agreement shall be entitled to reasonable legal fees and expenses, which such prevailing party incurred in connection with such enforcement.

10. Compulsion by Law. If a receiving party is requested or required (by oral questions, interrogations, requests for information or documents, subpoena, civil investigative demand or similar process) to disclose any Confidential Information, the receiving party shall, to the extent legally permissible, provide the disclosing party with immediate notice of such request(s) so that the disclosing party may seek an appropriate protective order and/or waive compliance with the provisions of this Agreement. The receiving party agrees to cooperate with the disclosing party, at the disclosing party's expense, in obtaining such a protective order. If the receiving party does not obtain such protective order or other remedy, the receiving party agrees to furnish only that portion of the Confidential Information which, in the opinion of the receiving party's counsel, the receiving party is legally compelled to disclose and the receiving party agrees to use its reasonable efforts to obtain assurance that, to the extent possible, confidential treatment will be accorded the Confidential Information.

11. Relationship. Nothing herein contained shall be construed to create an agency, joint venture, partnership or other form of business association between Hyatt, Company, and their respective affiliates, related companies, partners, employees, directors, officers, legal counsel, consultants or accountants hereto. By receiving the Confidential Information, neither party nor their respective officers, directors, employees, agents, prospective lenders, consultants, or principals are under any obligation to negotiate in respect of a transaction with respect to the Property or Business, the parties will not be bound by any verbal agreement, and either party may terminate at any time discussions with the other party, its officers, directors, employees, agents, prospective lenders or principals, at its sole and absolute discretion.

12. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which, when taken together, shall be deemed one agreement, but no counterpart shall be binding unless an identical counterpart shall have been executed and delivered by each of the other parties hereto. Documents executed, scanned and transmitted electronically in PDF format and/or electronic signatures shall be deemed original signatures for purposes of this Agreement and all matters related thereto, with such scanned and electronic signatures having the same legal effect as original signatures.

13. Governing Laws. This Agreement will be governed by and construed in accordance with the laws of the State of New York and the laws of the United States applicable therein.

14. Jurisdiction. For the purposes of all legal proceedings, this Agreement will be deemed to have been performed in the State of New York and the courts of the State of New York will have jurisdiction to entertain any action arising under this Agreement. MASTER AGREEMENT

CENTRAL HOTEL SERVICES BY HYATT
MASTER AGREEMENT

*This version is only for use with franchised locations
in the U.S., Canada & the islands of the Caribbean*

THIS CENTRAL HOTEL SERVICES BY HYATT MASTER AGREEMENT (“**Agreement**”) is made as of the date of full execution (“**Agreement Effective Date**”), by and between [Insert Owner’s Contracting Entity] (“**Owner**”) and Hyatt Corporation located at 150 North Riverside Plaza, Chicago, Illinois 60606 (“**Hyatt**”).

WITNESSETH:

WHEREAS, Owner owns a property known as [Insert Hotel Name] located at [Insert Owner Address] (“**Property**”), and the Property is operated pursuant to a franchise agreement with Hyatt or its affiliate (as it may be amended, “**Franchise Agreement**”);

WHEREAS, Owner has requested that Hyatt provide certain Services, as defined below, to Owner in connection with the Property, pursuant to the Hyatt Studios Services Program or any similar program offered by Hyatt in the future (each individually, a “**Program**” and collectively, the “**Programs**”); and

WHEREAS, Hyatt has agreed to provide such Services according to the terms and under the conditions set forth herein and any Schedules attached hereto.

NOW, THEREFORE, the parties hereby mutually agree as follows:

1. Amended and Restated; Term / Termination.¹

This Agreement shall be effective as of the Agreement Effective Date and shall continue in full force and effect until expiration and/or termination of the Franchise Agreement, unless earlier terminated in accordance with the terms and conditions of this Agreement (“**Agreement Term**”). Any Services (defined below) provided pursuant to a Schedule to this Agreement (defined below) shall commence as of the effective date(s) set forth therein (“**Service Effective Date**”), and shall continue until expiration or termination of such Schedule, or the sooner expiration of this Agreement or the Franchise Agreement, subject to subsection 1.b. below.

This Agreement may be terminated as follows:

- a. Hyatt may terminate the Agreement for any reason or no reason by notifying Owner in writing at least days ninety (90) days in advance.
- b. This Agreement shall automatically terminate if the Franchise Agreement expires or is terminated and Owner does not enter into a franchise agreement, hotel management agreement or hotel services agreement with Hyatt or its affiliate such that the Property continues to operate under a Hyatt brand or Hyatt affiliation immediately following such termination; and

¹ If needed: The parties acknowledge and agree that Owner may have previously entered into a similar agreement with Hyatt for any of the Programs. As of the Agreement Effective Date, the parties agree that this Agreement shall supersede and replace any previous agreement related to such Program.

- c. If either party commits a material breach of any provision of this Agreement and has failed to cure such breach within ten (10) days of receiving written notice, the other party may terminate this Agreement immediately upon written notice.

Upon termination of this Agreement, Owner shall remit to Hyatt payment for Services rendered through the effective date of termination pursuant to any applicable Schedule.

2. Services.

During the Agreement Term, and in exchange for payment of the Fees described in this Agreement, Hyatt (or any authorized designee) shall provide the Property with certain “**Services**”, as more specifically outlined in the Hyatt Studios Services Schedule, or schedule for any similar program offered by Hyatt in the future attached hereto (each individually, a “**Schedule**”, and collectively the “**Schedules**”), and any and all Services provided by Hyatt under this Agreement shall be set forth in such a written Schedule attached to this Agreement. Hyatt may update the Services and related prices attached to any Schedule at any time by providing the Property an updated applicable attachment to such Schedule (“**Updated Services Schedule**”), which may be provided electronically via email or by posting to any intranet for Hyatt branded or affiliated hotels. For the avoidance of doubt, an Updated Services Schedule shall have no effect on any Services or Schedules provided under this Agreement other than the Services referenced in the Updated Services Schedule. Notwithstanding the foregoing, Owner understands and acknowledges that the Fees and Services are typically updated annually, and the initial Schedules attached hereto may not reflect Hyatt’s then-current pricing or exact service benefits on the Service Effective Date. Owner agrees to be responsible for the Fees set forth on Hyatt’s then-current applicable Schedules as of the Service Effective Date, and any subsequently updated Fees as listed on an Updated Services Schedule. Notwithstanding Hyatt’s provision of the Services, Owner is solely responsible for all decisions relating to the field marketing, sales, revenue management, merchandising and other aspects of the day-to-day control of the Property’s operations. Hyatt reserves the right to suspend Services under any applicable Schedule if Owner has failed to timely pay or perform any of its obligations under this Agreement or any applicable Schedule for so long as Owner’s failure to pay or perform continues.

3. Personnel.

Services may be rendered by an employee or subcontractor of Hyatt or its affiliate who (a) is not solely dedicated to the Property and may perform similar services for other Owners; (b) may perform Services at the Property or off-site; and (c) will conform to the reasonable rules and regulations of the Property when on Property premises.

4. Fees.

In consideration of the Services, Owner agrees to pay Hyatt the fees at the rates set forth in the applicable Schedule(s) attached to this Agreement, or the then-current Updated Services Schedule, as applicable (“**Fees**”). Hyatt hereby discloses that fees set forth in any Schedule or an Updated Services Schedule may include a profit component, not to exceed a competitive amount. All amounts invoiced by Hyatt or its affiliates pursuant to this Agreement shall be payable on a “net” basis. Without limiting the generality of the foregoing, if under applicable laws, Owner is required to withhold or Hyatt is required to pay any taxes and/or levies assessed by any third party on Hyatt or any of its affiliates as a recipient, including, but not limited to, sales taxes and withholding tax, and also any similar taxes that can replace or append the existing taxes, the amount payable to Hyatt and/or its affiliates by Owner shall be increased in

such a manner that the net amount received after withholding or payment of all such taxes or levies shall be equal to the amount which Hyatt and/or its affiliates would have otherwise been entitled to invoice under the terms of this Agreement in the absence of any such taxes, levies or deductions.

5. Feedback.

If Owner provides Hyatt with information, ideas, or feedback regarding the Services (“**Feedback**”), Owner hereby grants Hyatt a perpetual, irrevocable, royalty-free, worldwide, sublicensable and transferrable right and license to use, reproduce, disclose, distribute, modify and otherwise exploit such Feedback without restriction. Section 5 shall survive termination or expiration of this Agreement.

6. Confidentiality.

- a. Each party (a “**Receiving Party**”) acknowledges that it and its employees, subcontractors or agents may, in the course of satisfying its obligations hereunder, be exposed to or acquire information that is proprietary to or confidential to the other party (a “**Disclosing Party**”). Any and all confidential information of any form obtained by a Receiving Party or its employees, subcontractors or agents in the performance of the Services or the satisfaction of such party’s obligations hereunder, including but not limited to the financial terms of this Agreement, product and business plans, unpublished financial information, trade secrets, know-how and information regarding processes, information regarding customers, information concerning both successful and unsuccessful tests and ideas and technologies, and any reports, materials, program materials, software, flowcharts, notes, outlines and the like, used, created or developed by Hyatt or its affiliates in connection herewith (“**Work Product**”) shall be deemed to be the confidential and proprietary information (“**Confidential Information**”) of the Disclosing Party. The Receiving Party agrees (i) to hold all Confidential Information in strict confidence; (ii) to disclose Confidential Information only to employees of the Receiving Party who have a need to know such Confidential Information and who are advised to hold such Confidential Information in strict confidence; and (iii) not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose such Confidential Information to third parties, or to use such Confidential Information for any purposes whatsoever other than in connection with the Receiving Party’s performance under this Agreement. Notwithstanding anything in this Agreement, the Receiving Party shall not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose the Disclosing Party’s Confidential Information to a competitor of the Disclosing Party without the prior written consent of the Disclosing Party. In addition, Owner acknowledges it does not have right, title, interest or copyright in any Work Product or Hyatt Confidential Information, nor any license to use, sell, exploit, copy or further develop such Work Product or Confidential Information. This provision will survive the expiration or earlier termination of this Agreement.
- b. Confidential Information shall exclude all information, which (a) is at the time of disclosure, or thereafter becomes, a part of the public domain through no act or omission of the other party, its employees or agents; (b) was in the other party’s possession as shown by written records prior to the disclosure and had not been obtained by such party either directly or indirectly from the Disclosing Party; (c) is hereafter disclosed to the other party by a third party who did not acquire the information directly or indirectly from the

Disclosing Party hereunder; or (d) was independently developed by the other party without use of the Confidential Information, as evidenced by written records.

7. Compliance with Laws.

In performing the Services, Hyatt will, at its expense, fully comply with all applicable federal, state and/or local laws, rules, regulations and ordinances.

8. Insurance.

Owner shall maintain insurance as set forth in the Franchise Agreement. To the extent the Franchise Agreement does not address Owner's insurance obligations, Owner shall procure and at all times during the term of this Agreement maintain such insurance covering the risks, in the amounts, and with the deductibles, retentions and other provisions, as reasonably designated by Hyatt from time to time for recipients of the Services, including but not limited to advertising liability and contractual liability coverage in a minimum amount of \$2,000,000.00 per occurrence or the then-current minimum coverage amount designated by Hyatt. All insurance must by endorsement specifically name Hyatt and its Affiliates (and Hyatt's and their employees and agents) as additional insureds. Owner must purchase each policy from an insurance company reasonably acceptable to Hyatt. Either the insurer or Owner must provide at least thirty (30) days' prior written notice to Hyatt of any insurance policy's cancellation, non-renewal or material change. Owner must deliver to Hyatt a certificate of insurance (or certified copy of such insurance policy if Hyatt requests) evidencing the required coverages and setting forth the amount of any deductibles not less than ten (10) days after their respective inception dates. If Owner fails for any reason to procure or maintain the insurance required by this Agreement, Hyatt shall have the right and authority (although without any obligation to do so) to procure such insurance and to charge Owner the cost together with a reasonable fee for Hyatt's expenses. Section 8 shall survive termination or expiration of this Agreement.

Re: Franchise Agreement dated as of _____ (the “**Franchise Agreement**”), by and between Choose an item., L.L.C., a Choose an item. limited liability company (“**Hyatt**”), and _____, a _____ (“**Franchisee**”).

Dear Sir or Madam:

Reference is made to the Franchise Agreement pursuant to which Franchisee operates or will operate the Choose an item. Hotel located at [Hotel Address] (the “**Hotel**”). The arrangement represented by the Franchise Agreement is called the “Franchise.” Franchisee has represented that (1) Franchisee and [Lender Name] (“**Lender**”) have entered into, or are about to enter into, a loan agreement pursuant to which the Hotel will secure certain indebtedness owed by Franchisee to Lender, which indebtedness will be evidenced by a promissory note made by Franchisee in favor of Lender (together with the other loan documents evidencing or securing such indebtedness, as amended, restated or otherwise modified from time to time, the “**Loan Documents**”) and (2) that the loan proceeds will be used for the direct benefit of the Hotel. Franchisee and Lender have requested that Hyatt enter into this letter agreement (this “**Comfort Letter**”). Franchisee or Lender shall pay to Hyatt a fee in the amount of Two Thousand Five Hundred Dollars (\$2,500) in connection with this Comfort Letter, prior to or simultaneous with its execution. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Franchise Agreement.

Hyatt, Franchisee, and Lender agree as follows:

1. While Lender has a valid first mortgage on the Hotel during the term of the Franchise Agreement, Hyatt agrees to use commercially reasonable efforts to (a) give Lender thirty (30) days prior written notice of any voluntary surrender by Franchisee of the Franchise (to the extent that Hyatt is aware in advance of any such voluntary surrender) and (b) furnish Lender with copies of default notices sent by Hyatt to Franchisee. In the event of a default by Franchisee under the Franchise Agreement Hyatt shall allow Lender thirty (30) days from the date of any such notice to cure or cause to be cured the default(s) specified in such notice. If such default is of a non-

monetary nature and cannot be cured within said thirty (30) day period by reason of the time necessary for Lender to exercise its rights and remedies pursuant to the Loan Documents or applicable law, then Lender shall have such additional period of time, as is reasonably necessary to complete the exercise of its rights and remedies, provided that Lender proceeds with and continues to cure such non-monetary default and exercise of remedies with due diligence, but in no event shall such period exceed one hundred and eighty (180) days following notice to Lender. Notwithstanding any of the foregoing, in the event of a health or life safety default, the cure period shall be three (3) days. In addition, Lender does not have the ability to cure the following defaults by Franchisee: bankruptcy, assignment for the benefit of creditors, appointment of a receiver, breach of restrictions on Control Transfers, or breach of Trade Restriction Laws, but foreclosure of Lender's mortgage by Lender shall constitute curing of such defaults solely for the purpose of this Comfort Letter and commencement of foreclosure proceedings shall constitute commencement of cure solely for the purpose of this Comfort Letter; provided, however, if Lender petitions for the appointment of a receiver, Lender (y) shall not, during the term of the receivership, consent to a sale or transfer of the Hotel to a third party unless Hyatt has approved the transferee in accordance with Section 12.4 of the Franchise Agreement and (z) any receiver must be authorized to operate the Hotel in accordance with the Franchise Agreement and meet Hyatt's reasonable requirements for operators of Hyatt-affiliated hotels. For the avoidance of doubt, Lender is not required to cure any default by Franchisee under the Franchise Agreement except as set forth below in connection with an Acquisition.

2. Lender acknowledges and agrees that if Lender should acquire the Hotel through foreclosure, conveyance in lieu of foreclosure, or any similar transaction (an "**Acquisition**") while the Franchise Agreement is in full force and effect, it shall become obligated to perform under the Franchise Agreement as the franchisee. In order to effectuate such obligation, within thirty (30) days following such Acquisition and in any event prior to any subsequent sale of the Hotel by Lender, Hyatt and Lender shall, at Hyatt's option, either (a) sign an assignment and assumption agreement in a form that Hyatt reasonably specifies under which Lender shall take an assignment of and assume all of Franchisee's rights and obligations under the Franchise Agreement, or (b) enter into a new franchise agreement to operate the Hotel for a term equal to Franchisee's remaining term of the Franchise Agreement in accordance with Hyatt's then prevailing standards, rates, requirements, and terms; provided however that in either event (i) Lender shall not be charged any Application Fee (as same is described in Hyatt's then current Franchise Disclosure Document for prospective franchisees); (ii) Lender shall not be required to perform a renovation or upgrading of the Hotel (although Lender will be required to cure any quality deficiencies as shown on the most current quality inspection report and shall be subject to ongoing renovation or upgrading requirements that may be required by Hyatt in accordance with the Franchise Agreement, including but not limited to standard cycle renovations); (iii) Lender shall have no personal responsibility for the payment of liquidated damages or termination fees which Franchisee may be obligated to pay under the terms of the Franchise Agreement solely as a result of the Acquisition; (iv) Lender shall agree to cure any existing defaults under the Franchise

Agreement by Franchisee within the times specified by Hyatt and bring current all payments due and owing to Hyatt and its affiliated companies, except for any amounts specifically excluded under this Section 2; (v) Lender shall assume the obligation to repay Hyatt unamortized “key money,” if any, as described in the Franchise Agreement, although any such amounts shall (if applicable) continue to amortize in the manner set forth in the Franchise Agreement; and (vi) as soon as is practicable but in no event later than thirty (30) days following such Acquisition, Lender shall appoint an agent or management company to operate the Hotel and such agent or management company must (x) be approved in writing by Hyatt; (y) meet Hyatt’s then current requirements for such agents or management companies, including by signing such agreements and other documents as Hyatt periodically specifies; and (z) cause the Hotel’s general manager and other personnel (if different from the Hotel personnel in place prior to the Acquisition) to complete Hyatt’s then current training requirements in accordance with the Franchise Agreement.

Notwithstanding the foregoing, Hyatt acknowledges and agrees that an Acquisition by Lender shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement, and Lender acknowledges and agrees that Hyatt may refuse to enter into a franchise agreement with Lender pursuant to this Section 2 if Lender fails to comply with the requirements of Section 3 below within the times provided therein or if Lender is a Competing Brand Owner or Hyatt is prohibited from transacting with Lender under any Trade Restriction Law, in which case Hyatt shall provide notice to Lender of such refusal and of the termination of the Franchise Agreement as a result.

3. Lender agrees:

(a) to provide Hyatt with written notice at least twenty (20) days in advance of: (i) the commencement of any proceedings by Lender regarding an Acquisition of the Hotel; (ii) the petition by Lender for appointment of a receiver, or to obtain the entry of an order for relief or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) the acceptance by Lender of a conveyance of the Hotel in lieu of foreclosure; or (iv) Lender taking ownership or possession of the Hotel in any manner; and

(b) to notify Hyatt in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws, within thirty (30) days after Lender’s notice of commencement of such proceedings.

4. Except as set forth in paragraphs 5 and 6 below, this Comfort Letter and the rights hereunder are not assignable by Lender or Franchisee, and neither Lender nor Franchisee has any right or authority to sell, transfer, or assign, or in any manner convey to any third party the Franchise Agreement or any rights under this Comfort Letter, except as provided in the Franchise Agreement. If a third party should become the owner of the Hotel, that third party may apply to

Hyatt for a new franchise to operate the Hotel, and such application shall be considered in accordance with the same standards by Hyatt with respect to other franchise applications unless otherwise required by law.

5. Lender may assign the Comfort Letter to any subsequent holder or holders of all or any portion of the Loan Documents (the “**Assignee**”) without Hyatt’s consent; provided that the Assignee (a) is a commercial bank, investment bank, pension fund, finance company, insurance company, trustee in a securitization or other financial company, or other financial institution or such other type of established organization (so long as such established organization is not a Competing Brand Owner or does not exclusively lend to a Competing Brand Owner) primarily engaged in the business of making or holding loans and any fund or trust managed or serviced by any of the foregoing and (b) does not own, directly or indirectly, any equity interest in Franchisee or its constituent owners; provided further that upon the sale or transfer of the Loan Documents, Lender pays to Hyatt a processing charge of \$7,500 and that promptly upon the sale or transfer of the Loan Documents to the Assignee, Lender, Assignee, and Franchisee shall execute and deliver to Hyatt an assignment and assumption agreement of this Comfort Letter (the “**Assignment**”), and provided further that, in the event there is more than one Assignee, such Assignees shall have (y) designated one representative to receive notices, negotiate on behalf of and bind each such Assignee in connection with this Comfort Letter and any Assignment thereof, and (z) acknowledged that Hyatt shall be entitled to rely on such designation and deal solely with such representative without the necessity of notifying, negotiating with, or obtaining the consent of, each such Assignee.

6. The rights and obligations which accrue to Lender under this Comfort Letter upon an Acquisition shall also accrue to any wholly-owned subsidiary or commonly controlled affiliate of Lender that takes title to the premises by Acquisition, and Lender guarantees all obligations to Hyatt of such subsidiary. For avoidance of doubt, Lender’s obligations under this Comfort Letter shall also apply to and bind any designee of Lender who acquires the Hotel or its premises through an Acquisition.

7. All notices required under this Comfort Letter shall be in writing, sent by certified mail, return receipt requested, or by Federal Express or other express service and addressed, if to Lender, to [Lender Address], Attention: [Lender Contact Name], if to Hyatt, to Hyatt Choose an item., L.L.C., 150 North Riverside Plaza, Chicago, Illinois 60606, with a copy via e-mail to office.of.general.counsel@hyatt.com, and if to Franchisee, [Franchisee Address], Attention: [Franchisee Contact Name]. Any notice sent pursuant to this Comfort Letter shall be deemed to be given three (3) days after mailing or on the day of delivery by hand.

8. By its signature below, Franchisee acknowledges that this Comfort Letter was provided to Lender at Franchisee’s request and in consideration thereof, Franchisee hereby (i) releases Lender and Hyatt, as well as each of their respective subsidiaries, parents, divisions,

successors, assigns, heirs and representatives, including but not limited to their respective employees, agents, officers, directors and owners, of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, whether known or unknown, arising from the exercise by Lender or Hyatt (as applicable) of any of the rights granted hereunder and the recognition and compliance with such exercise by Hyatt or Lender (as applicable) and (ii) agrees that Hyatt may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, or any matter to which Lender or Hyatt is entitled to notice under the terms of this Comfort Letter or the Franchise Agreement.

9. The provisions of this Comfort Letter are not intended to, and do not in any way, alter, modify or amend the Franchise Agreement as between Hyatt and Franchisee.

10. It is further acknowledged and agreed that Hyatt shall be entitled to rely upon any written notice or request by Lender made pursuant to the provisions hereof without requirement of necessitating the accuracy or authenticity of such written notice or any facts or allegations contained therein. Lender shall notify Hyatt promptly upon the satisfaction or cancellation of Lender's mortgage on the Hotel.

11. Lender's rights under this Comfort Letter shall terminate if Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors have entered into or are subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency.

12. This Comfort Letter may be executed in multiple counterparts and by .pdf or facsimile transmission, each of which shall constitute an original and all of which taken together shall constitute one and the same instrument. An executed copy will be returned to both Lender and Franchisee.

STATE-SPECIFIC ADDITIONAL DISCLOSURES AND RIDERS

**ADDITIONAL DISCLOSURES TO THE
HYATT FRANCHISING, L.L.C.
MULTI-STATE FRANCHISE DISCLOSURE DOCUMENT FOR
BRAND HOTELS**

The following are additional disclosures to the Hyatt Franchising, L.L.C. Multi-state Franchise Disclosure Document for Brand Hotels required by various state franchise laws. Each provision of these additional disclosures will not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

NO WAIVER OR DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO THE EXECUTION OF ANY AGREEMENT.

2. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

3. OUR WEBSITE, www.hyattdevelopment.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE

MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION AT www.dfp.ca.gov.

4. The following paragraph is added to the “Special Risks to Consider About This Franchise” page:

Spousal Liability. While your spouse need not sign a personal guarantee unless he or she is an owner of the legal entity that is the franchisee, the fact that California is a community-property state means that both your and your spouse’s marital and personal assets, including your house, could be lost if your franchise fails.

5. The following language is added at the end of Item 3 of the Franchise Disclosure Document:

Neither we, nor any person in Item 2 of the disclosure document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. Sections 78a et seq., suspending or expelling such person from membership in that association or exchange.

6. The following language is added to the “Remarks” column of the line-item titled “Late fee and interest” in Item 6 of the Franchise Disclosure Document:

The highest interest rate allowed under California law is 10% annually.

7. The following paragraphs are added at the end of Item 17 of the Franchise Disclosure Document:

California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning transfer, termination, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, then the law will control.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement provides for termination upon insolvency. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.).

The Franchise Agreement requires application of the laws of the State of Illinois. This provision might not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur at a suitable location that is within ten (10) miles of where we have our (or, in the case of a transfer by us, the then-current franchisor has its) principal business address

when the arbitration demand is filed (currently Chicago, Illinois). Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside the State of California.

You must sign a general release of claims if you renew or transfer the franchise. California Corporations Code Section 31512 provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 might void a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000–31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000–20043).

California’s Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

HAWAII

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING. THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE

FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE. THIS OFFERING CIRCULAR CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

1. The following paragraph is added to the end of Item 17 of the Franchise Disclosure Document:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

This provision supersedes any other term of any document executed in connection with the franchise.

Any release as a condition of renewal and/or assignment/transfer will not apply to the extent prohibited by law for claims arising under Minn. Rule 2860.4400D.

Minn. Rule Part 2860.4400J prohibits a franchisee from waiving rights to a jury trial; waiving rights to any procedure, forum or remedies provided by the laws of the jurisdiction; or consenting to liquidated damages, termination penalties or judgment notes. However, we and you will enforce these provisions in our Franchise Agreement to the extent the law allows.

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibits us from requiring litigation to be conducted outside Minnesota. Those provisions also provide that no condition, stipulations or provision in the Franchise Agreement shall in any way abrogate or reduce any rights you have under the Minnesota Franchises Law, including (subject to your arbitration obligation) the right to submit matters to the jurisdiction of the courts of Minnesota and the right to any procedure, forum or remedies that the laws of the jurisdiction provide.

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

4. The following language is added to the end of the “Summary” section of Item 17(v) of the Franchise Disclosure Document, titled **Choice of forum**:
